DING DONG

Great! Just when we were starting to have fun.

I'll be right back, Linda.

Yes?

Good morning, ma'am! A-hem...

My name's James and I'm here to show you something that will change your world!

Something so spectacular you won't believe your own eyes!

If I may come in, ma'am?

Aren't you a little young to be a salesman, kid? Anyway, I'm not interested in whatever you're peddling, so...

P-please, ma'am! It'll only take a minute of your time. Our products are high quality.

And our prices are REALLY low!

All right, all right, come in and do your thing. Just do it quickly, okay?

Thank you so much, ma'am!

I assure you that you won't be disappointed!

Who was at the door, Mari?

Just a salesman.

And you let him in? God, Mari!

He...

Look at him, Linda! He's so nervous. I thought we could get a good laugh out of it at least.

Well, kid, do your thing...

Eh, I-I don't...

I m-mean, I bring you something that will take your marriage to the next level!

We sell top quality lingerie and other adult items at great prices!

You won't find our designs anywhere else!

Lingerie? He's selling lingerie... door to door, Mari! Pfft!

Who the hell does that? HA HA HA!

Lorem Ipsum

W-well, we are the first company doing this.

I-it's great if you want to surprise your special man and don't have time to go shopping!

B-besides, well, eh...

Well, isn't that a little presumptuous?

I mean, what if my man really isn't that special? Or maybe I want to surprise a special lady!

We don't even know if that stuff is any good. What would you know about lingerie anyway? Unless...

You little perv!

T-that wasn't my intention!

I d-don't...!

I... just...

Please, I'll lose my job if I don't sell something today! This is my first job and I don't want to mess it up!

I'll do anything you say if you buy something from me!

So fucking pathetic.

Let's kick him out of here!

Don't be like that, Linda...

This has potential.

Well, since you're so desperate, kid... I know exactly what you're going to do.

In fact, if you do exactly as I say, I'll buy your most expensive set.

You're gonna do what you're told, right?

Yes, ma'am!

I'll do anything to get the sale!

HA HA HA HA HA HA HA HA HA

Aww... it's trying to hide! It must be scared!

HA HA HA!! Don't hide, little guy... come out and play!

I've got an idea! Maybe it would look bigger if we shaved it!

Let's find out, shall we? I'll get the shaver out.

A FEW MINUTES LATER...

Well, that didn't work out, but at least it looks better now.

Aww, it reminds me of when my two boys were babies!

Now stay still while I apply foundation to your face.

This eye-shadow will make those peepers pop!

And some blush to highlight those cheeks.

Look, Linda... his lips are all ready for some nice hard cock! HA HA HA!!!

W-WHAT?!

Relax, kid. It was just a joke! You're the only one here with a dick and no one wants to suck that tiny thing.

I found this wig in my closet. It will look great on him!

Now put on your best lingerie, princess!

What the fuck am I doing!? My boss said these clothes would sell themselves!

These panties are nice. They even come with a matching garter belt... which feels really good, to be honest.

... a ...

... BONER!!!

And these nylons feel fantastic!

I didn't know they were so soft and silky.

They're pretty tight, too. However, they aren't uncomfortable at all. Mmm...

Actually, it feels like a second skin!

Oh, these sheer gloves are just as silky! Nice!

I've never worn high heels before. I do love the way they look on girls, tho. They're very tight. Oh shit... I'm...

Such a tease, Linda!

At least we can see it now, Mari! It looks much better in panties!

ENOUGH OF THE SMALL TALK!

Let's see you strut your stuff, bun-ny-girl!

Er... what am I supposed to do?!

I want a big, sexy smile, baby!

Oh, my... so cute and sexy! You could pass as a lingerie model... if it weren't for that little tent in your panties!

I love sheer panties! They're not only sexy, but they also let us see his cute butt in detail.

However, that ass would look a lot better if it were more pink, you know what I mean?

Show us some skin, cutie! And be careful with those nipples.

They're so hard you could pop a balloon with them!

This is fun and all, but there must be something else we can do with our little lingerie doll, Mari.

Mhmm... and I know exactly what to do with her!

Go the kitchen and find something to play with!! Something as big as your hubby...

Oh Mari! You're the worst!

Sometimes it can get pretty intense.

But I doub't you would know that! HA HA HA!

Now, suck it, slut!!!

WHAT THE HECK?!

Don't fucking bite it! You really never have had a blow-job, have you?

Wow, this is almost as sexy as your micropenis...

All right, all right!
