A Message to My Supporters

First of all, I want to sincerely thank you all for your ongoing support and affection. Your subscriptions and encouragement are the driving force behind my continuous creative efforts. I genuinely hope that my comics can not only fulfill your fantasies but also bring you joy.

Here, I have an earnest request to make: please do not upload my comics to public websites or forums like e-hentai. This is very important to me, and I greatly appreciate your understanding and support!

As an independent creator, I devote a significant amount of time each month to producing comics, using almost all of my spare time for creation. I typically queue rendering tasks at night and wait for the computer to generate the renderings during the day. Day in and day out, I work on short and long comics, creating over 450 pages each month. Although I started creating comics out of interest, subscription income has now become my primary source of revenue, which directly affects my livelihood.

If my comics are frequently pirated, my income will inevitably suffer a substantial impact. Just in May 2024, nearly 400 pages of my new work were uploaded to e-hentai the day after release, causing my sponsorship income to be nearly halved. Given the quality of my comics, I believe such a significant drop in income shouldn't be attributed solely to the quality. Therefore, having my comics uploaded to these websites severely impacts my income, livelihood, and creative enthusiasm. I hope you all can understand this.

I know that your intention in sharing is good, and we all have watched pirated movies, animations, and comics at some point. Sharing my comics comes from a place of appreciation for my work. However, our community is small, and creation is not easy. I earnestly ask you to refrain from quickly sharing my entire comics on public websites. Thank you once again for your understanding and support!

With love,
YTsnow
