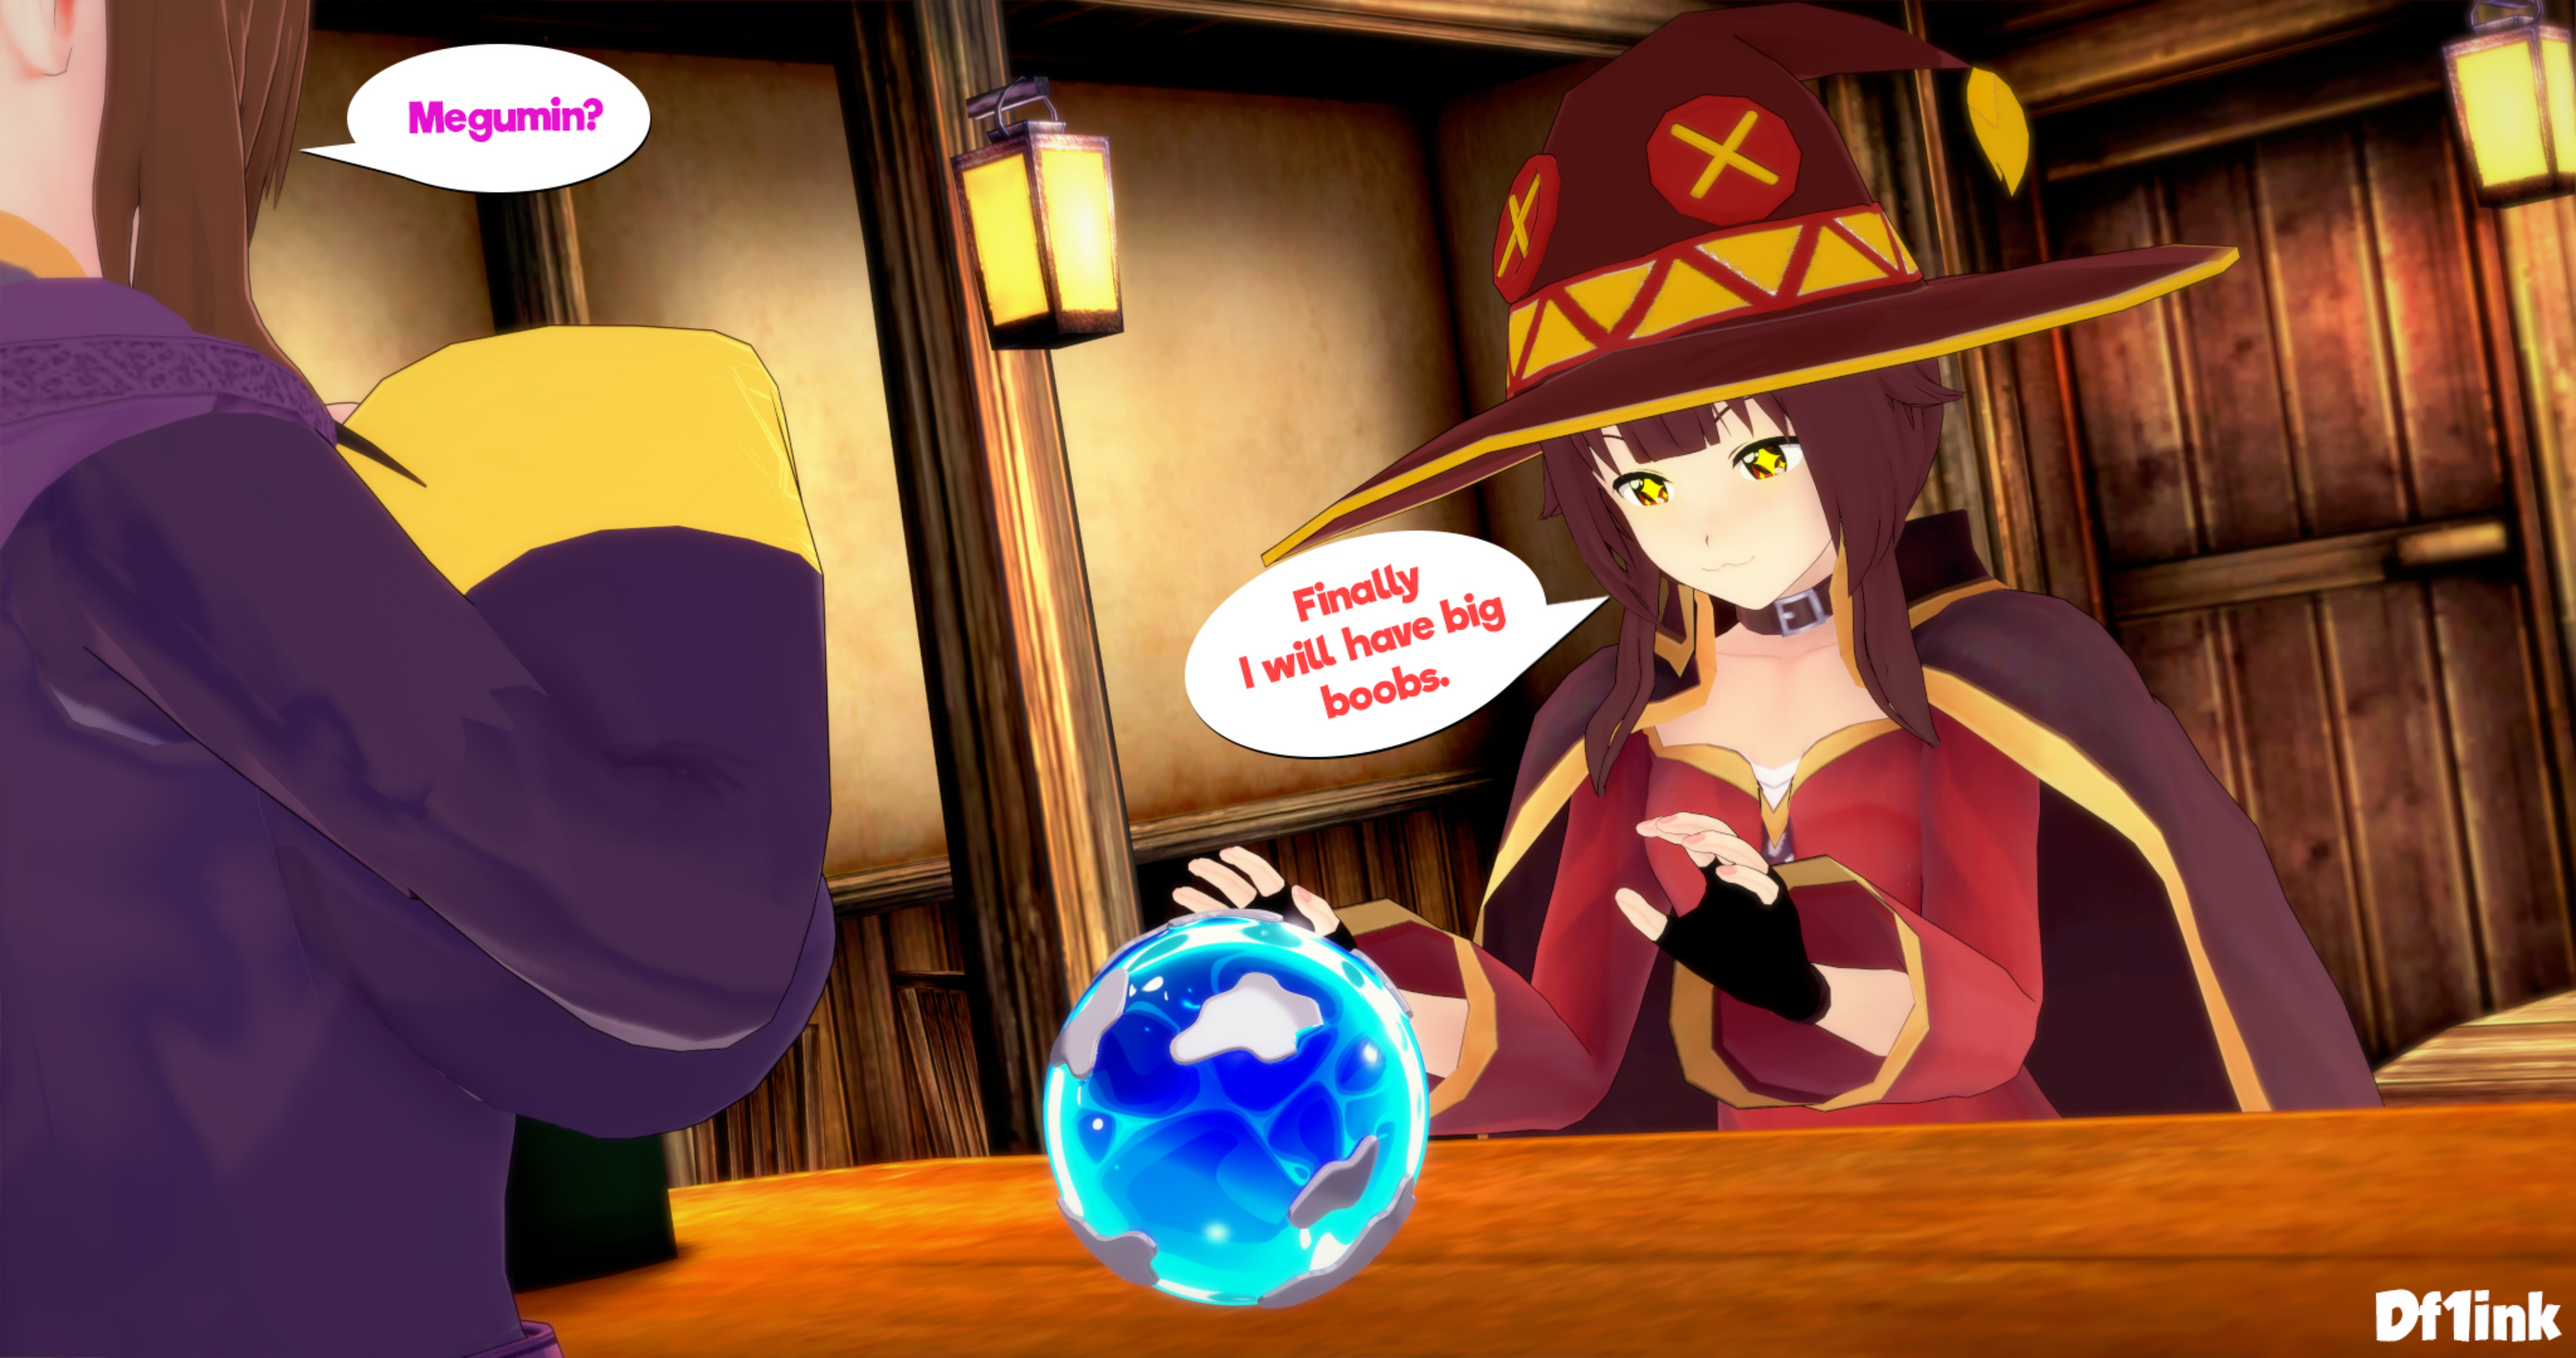
Wiz has such huge boobs.
Why am I the only one deprived by nature?
Df1ink

Yes, I remembered,
I had one artifact, which I
bought at a profit from
a strange merchant.

It was
lying around here
somewhere.

Here it is,
I found it!
Df1ink

But
I'm not sure
it works.
Df1ink



Megumin?
Finally
I will have big
boobs.
Df1ink

Please don't tell anyone I was here.
Thank you Wiz!
CLINK
Df1ink

I'll figure it out somehow.
But you don't even know how to use it.
Df1ink

BUM

W-Well, come on in.

I hope nothing bad happens.
Df1ink

Df1ink

I'm already looking forward to using this artifact.
Df1ink

THUMP

How does it activate?

Maybe
it needs to be
shaken?
Df1ink

SHAKE

It started working!
My whole body began to tingle!

Df1ink

I'm still conscious but I can't move.
Df1ink

Hell,
Wiz must have
been tricked when
they sold her this
artifact.
...

What do I do now?

Let's wait for Aqua maybe she can take this spell off me.

Df1ink

I'm home.
Df1ink

Megumin?
What happened to you?
Aqua help me please
...
Df1ink

Hmm...
It looks like some kind of costume, but it looks so much like Megumin.
Never seen a suit so realistic.
I'M NOT A SUIT!
...

Maybe it
was Kazuma the pervert
who bought this costume
similar to Megumin
for his vile desires.
Giggle
NO! IT'S ME
MEGUMIN!
Df1ink

Get into my body?
I don't feel any danger from this suit.
I wonder what his face will be like if I climb into it first and meet him like this. *Giggle*
Df1ink

But first you need to take off your clothes.
No, don't, don't take off your clothes!
Df1ink

I can't wait
to see Kazuma's face.
Giggle
Df1ink

Now let's take off skirt.
Df1ink

WHOOSH
WHOOSH
Df1ink

And knee socks with boots.
Df1ink

I am ready!
Df1ink

Clothes from suit must be removed too.
No, please hear me!
Df1ink

What?!
Is there a hole
in my back?
There is
a hole in the back
of the suit.
Dflink

No, Don't, you won't fit in!
Okay, I'll start with the legs.

NO!
Your foot entered me!
RUB
It's so warm and slippery inside.

It's so tight...
Logical!
You're stupid,
your body is bigger
than mine!
Df1ink

Yes, I got in.
Df1ink

I feel my legs move without my consent.
Wow, this is a realistic costume.
I feel my toes like my own.
Df1ink

Okay, legs are ready.
Df1ink

Damn, my ass won't fit, I'll have to pull by force.
TIGHT
TIGHT
NO!
YOU'LL TEAR ME APART! YOUR ASS IS TOO BIG!
Df1ink

Wow!
My butt got smaller because of the suit.
SHRINK
I feel like my body is trying to contain her big ass.
Df1ink

Now hands.
Df1ink

Okay,
the right one
is ready.
Df1ink

Now left.
Df1ink

Amazing!
Now I have small hands like Megumin.
Df1ink

It will be more difficult with the body.
Please don't, my body can't take it anymore!
Df1ink

Have I shrunk again?
My body is completely tense.
It won't be able to keep her body inside for long!
SHRINK

All that remains is to put the head on, but this hairpin will interfere with me, I will have to take it off.
Df1ink

Now nothing can get in the way.
Df1ink

Okay, let's get started.
Df1ink

Aqua please don't do this!
SOO TIGHT!
Df1ink

I don't see anything.
Df1ink

Df1ink

Df1ink

I can see again!...
My vision is back!
Df1ink

My body moves on it's own.
Complete!
Df1ink

I can hear everything!
Is this costume really a copy of Megumin?
I didn't think it was so flat...
Df1ink

My body can't handle this anymore...
What's happening?
Suddenly it was tight and hot in this suit.
Df1ink

GROW
I'm growing?
GROW

Df1ink

Okay,
now need to get
dressed.

Where to start?

Panties?

What? Don't you wear underpants?
Don't walk like that in my body!
The goddess is a pervert!
I don't like wearing panties, goddesses go without panties.
SHU
FLUTTER
Df1ink

I guess
I'll start with
stockings.

Phew. Stockings are so tight.
This is all because this suit changed its shape to fit my body.
TIGHT

Df1ink

Megumin would be jealous of such a body.
Df1ink

I hope this costume doesn't get torn because of my boobs.

You are not a scarlet mazoku FAKE!
Df1ink

It remains to wait for Kazuma.
Df1ink

Are you kidding me?
You really haven't seen it all this time?
What's this ball?
It looks like an ancient artifact.
Has it always been here?
Df1ink

DON'T TOUCH THIS!
...
Is this another strange purchase by Kazuma?
Df1ink

I wonder why he needed this thing?
...
JUST DON'T SHAKE IT!
Df1ink

NO-NO-NO!
FOR WHAT?
SHAKE
