Hi there! My name is Crissy. Maybe you remember me as Professor Crispin from "Our Sissy Professor? I am now the owned property of Mistress Cynthia Weaver.

Mmm that's it!

Lick me, deeper... faster!

We've been living together for about six months. It's been wonderful! She's the best Mistress

And to think that we're together thanks to one of those sex chat sites! The same site where a group of college brats caught me wearing women's clothing and then humiliated me! Mistress Weaver laughed hysterically when I told her that story...

HAHAHA!

Oh, man! You definitely would've been fired if they caught you!

She loves to humiliate me, by the way.

Her Sissy Bride

I have to admit it turns me on when she does!

Anyway, Mistress Cynthia recently got a promotion at the college. This has allowed me to quit my job and become her full time sissy slut maid!

Then one day she grabbed my leash and said we were getting married!

Like everything else in my life now what she says is the only thing that matters.

We started planning our wedding that same night.

We've been frequenting a local BDSM club for few months, so the idea of having the wedding there was a no brainer.

You two having fun?

Well, I am!

Some girls are here looking for you.

Ah, our wedding planners are here!

Did you hire wedding planners?

Not exactly hired. They said they'd love to help out for free!

Hello Ms. Hooker!

Aww, sweetheart, you know much I love to see you totally humiliated by females. From what you told me the girls are experts at it. C'mon, baby, it'll be fun! Do it for your Mistress!

Oh she needs to be tied much tighter!

She can be very naughty sometimes!

Oh, no! You three AGAIN?!

I didn't like the idea, but I knew better than to question Mistress Cynthia. I'd do anything to please her!

Just relax... we'll do all the work for a fabulous wedding!

I couldn't believe it. Dana, Cali and Lila were going to plan our wedding? I thought I'd never have to see those girls again, but Cynthia got them back together and thought it was hilarious!

Of course, their plan was anything but simple...

So why are there only three bridesmaids - us - but Cynthia has four groomsmen?

We need another girl to be on our team!

Not to worry... I know exactly where we can find another girl...

And Lila is going to set everything up.

Who? Me?

Yes, you! Cali told me that there's a new guy in your office that's crazy about you. I bet you can convince him to help us, if you know what I mean.

You want Cody to be a bridesmaid? Are you crazy?!

Come on, Lila! He's already obsessed with you. All you got to do is use your feminine wiles and he'll do whatever you want!

Exactly! Just look at these curves! He doesn't stand a chance!

Hey, watch those hands!

Next day, Lila stopped by Cody's cubicle and started to work her magic...

Cody! How's my favorite country boy?

Dead in June

Slope's Game R

Call Joseph

Hi, Miss Lila... W-wow, you look really nice today,

Thank you! You're so sweet!

Lila wasn't convinced by the idea. After all, she wasn't particularly interested in her new co-worker, but she ended up agreeing to be part of the plan.

It didn't take long for Lila to wrap Cody completley around her little finger!

Yeah, I dated a girl for a couple months in college. I hope you don't mind that.

Not at all! I'm very open-minded!

There's something about femininity that I find insanely attractive...

By the third day he was letting her do his make-up!

Wow! You look so cute, Cody... I like you all made up!

Uhhh. really, Miss Lila?

And then our big day came! Several of our friends were there helping with the decorations. It must have been quite a sight for a country boy!

Well yeah... he is a cute one, Lila!

G-glad to meet you!

Urm... what exactly is this place, ma'am?

Ma'am? That's too cute! Would you two girls get him all dolled up for the ceremony?

Yes, boss!

Of course!

I can only imagine what must have been going through Cody's mind.

What the hell I am doing?! I haven't even got to first base with this girl and she's about to see me naked, and dress me up as a GIRL!?

Cody, hurry up!

I-I'm coming, Miss Cali!

I'm pulling my pants back up and getting outta here! No wait... shucks... I made a promise to Lila. I can't back out now.

Well, lookie here, Lila. We got a little country worm in the house!!! You might catch a minnow with that thing!

Stop teasing him, Cali! Don't listen to her, Cody. Come here so I can do your makeup.

This is too humiliating! My face must be bright red. Oh, but Miss Lila is so pretty. I gotta hang in there for her!

Cute ass, country boy!

AAIEEE!

Stop that, Cali!

They're laughing at me! I should be angry, but somehow I'm excited! Lila's boobs were only a few inches from my face when she did my make up!

OK, OK... calm down, calm down before they notice. Think of something... milking the cows... No! Not that... Um... Wow, these stockings feel so good on my legs! Lila's touch feels even better!

Wow, you must really like these stockings, hun!

HA HA HA Well, maybe we can fish for something a little bigger now! HA HA HA!

Suck it in!

Ooh! it's too tight!

I found the perfect wig to match your real hair! Let's get his... um, her dress.

Do we have to? Let's make him go just like this!

Oh my goodness, what have they done to me? And why is my cock rock hard? I can't make it go down and the more Cali teases me the harder it gets! I'm just glad that Miss Lila is happy!

I thought all I had to do was wear some makeup and a dress in exchange for seeing Miss Lila in lingerie. But look at me now! They're treating me like their frickin' Barbie doll!

You look hot, baby!

Aw, honey... your little thing is so excited your pretty pink dress can barely contain it!

I don't think anyone at THIS wedding will mind, Lila... they'll enjoy it!

I can barely stand in these high heels!

Don't worry, you'll have plenty of time to get used to them.

What did she mean by that? How long am I gonna be dressed like this?!

OK it's not so bad... I just have to stay like this until the end of the wedding. It's only a couple hours.

Why do I have to walk with the only groomsMAN?! There are THREE groomswomen! Why can't I walk with one of them? Oh right, Cali paired us together. This is SO embarrassing!

At least I'm not the only man in drag here. Speaking of which, where's the "bride?"

Look, Lila! Here she comes!

Let me see!

I don't know what's worse -- walking in these high heels or having every eyeball in the place fixed on me! I can hear their snickering and giggling. I must be bright red!

I'll never forget the moment I entered that room.

Everyone was looking at me as if I was a movie star or something like that...

But all I could focus on was my beautiful Mistress!

Oh my...

Dana spent hours getting me ready for the ceremony. She also designed and made my wedding dress.

I can't deny I was still angry with her at first, but after seeing that beautiful dress, I decided to forgive her.

Don't get me wrong, I still think she's a little brat, but she's quite talented.

You look so beautiful, Mistress!

You look so hot, slut!

One of the members of the club was a "pastor" that could perform the wedding ceremony for us.

Welcome to all who have gathered here this day to share in the marriage of Mistress Cynthia and her sissy slut, Crissy.

Although we were surrounded by people dressed in leather and latex, our wedding was fairly conventional.

Pastor Dan gave his speech, we said our vows...

Cynthia gave me my ring...

And I gave her hers.

Then we kissed in front of the guests. In short, it was the happiest day of my life.

I get excited as a little girl just remembering that day.
And to think I used to hate weddings when I was younger.

Hi, Mrs. Weaver.

For me, that day couldn't be more exciting...

... but my new wife still had some plans for me....

Shorty after, we went to the reception room to celebrate the wedding with our friends.

We cut the cake, took some pictures together and received congratulations from everyone. You know, fairly regular wedding stuff.

Hey, Cynthia! Eric told me that you're purdy good at bondage. Why don't you give us all a demonstration?

Sure! But maybe it's time I had my own apprentice. How about a quick bondage lesson, Lila?

Hmm... Sure, why not?

Do you want to be my model, Miss Cody?

Eh, I...

Well, d-don't you...

Um, OK Miss Lila.

WHAT DID I JUST SAY?!

Cythia has been really into bondage since we joined that club and I was always happy to help her explore her fantasies, so I took off my dress without question and got ready to be tied.

Cody looked a little nervous, but I'm sure he couldn't wait to play with us.

WHAT THE FUCK AM I DOING?! Everyone's looking at me! And I don't blame them, I'm practically naked!

Oh, the rope is pink! How cute!

It's cute, but also quite strong. Just like a good Mistress.

Let's get the party started...

Being tied up by my Mistress makes me so hot. Her rope restraining me more and more, that feeling of helplessness and vulnerability...

It's wonderful; makes me feel like her toy. And the best part is, I'm wrapped up like a gift.

Why did I agree to do this?! Lila hasn't finished tying me up yet but I can barely move! It's like I'm living in a nightmare: a rope around and across my body, all those eyes looking at me, Lila's hands touching my body... WHAT THE HELL?! Is this turning me on!?

After an hour of tying and binding ropes, Cynthia and Lila finished their work...

Thank you so much! But I couldn't have done this without my sweet assistant, Mistress Lila!!

Oh please, you did all the hard work! I love the way you posed them, though!

I wonder if your wife likes having Miss Cody's panty tent so close to his, um her face!

I didn't realize how "excited" your little friend was, Lila. It's so cute, too. Don't you think it's cute, Crissy?

Please, Mistress. You know I'm not into this...

...

Do it for me, baby. It would make me so hot to see you suck on a "girl's" cock!

I'll promise you'll have a honeymoon you'll never forget! C'mon, show me what a slut you are!

OK, OK... only because I live to make you happy, Mistress!

W-wait, what!? You're not serious, Miss Lila!?

We're very serious, slut! What, you don't like having your dick sucked?

LUSTOMIC.com

We talked about me being with another sissy a few times. I know Mistress really wanted to see it. I wasn't into it at all, but marriage means...

making sacrifices for your spouse. It wasn't so bad. Cody's cock smelled like perfume, not the dank musky smell I expected!

Mistress put her hand on the back of my head and slowly pushed it down on Cody's hard dick. I could tell Mistress was getting excited.

My wife caressed my ass and rubbed my dripping clitty through my white silk panties. This made me forget all about what I was doing.

Actually I never had my dick sucked by anyone. And I never dreamed my first time would be like this. This is crazy, but it feels so good!

My cock has never been this hard!

We can't let these sluts have all the fun!

I think I'll open one of our wedding gifts.

Whoever gave me this present, you're an angel! Look, Lila, there's one for you too!

Me? I don't know...

Come on, sweetie... Just do as your pet and go with the flow!

I... What the hell! Why not?

They got a rhythm going in no time. Mistress pushed in while Lila pulled out. The motion swung me so Cody's cock slid in and out of my throat!

I felt like one of my physics experiments... every action has an opposite equal reaction! Thank Goddess I didn't have to work as a Professor any more!

Lila's huge boobs are against my back... the bride's tongue playing with my dick... That dildo fucking my ass... And all these people are looking at me...

This is too much. How can a girl resist all this?

A MAN!

I mean How can a good MAN resist this!?

And I bet those people are getting off watching me!

I like that redhead.

Do you want me to talk to her when the party's over?

Yes!

Who am I kidding?

If I were really against this, I would've left before the wedding even started.

Deep down, I love everything about this.

I LOVE it!

We put on a show for a good twenty minutes! Finally I couldn't take it anymore and I begged Mistress for permission!

Cody's cock began to throb and I tasted the salty clear drips that could mean only one thing!

I-I AM COMING!

Oooh!!

WOW!

Damn, that was hot!

Oh yeah!

When we finished, Mistress let me down and told me what a good girl I was!

However, our little show completely changed the atmosphere of the party.

There wasn't a dry pussy or limp dick to be found in that room!

At least none that weren't locked up in chastity, but even the sissies were stiff in their cages!

Round four! Now tell me, is it a dick or a dildo?

O-oh my... I think -Oh!... D-dildo?

And that was my wedding in a nutshell.

The next day we packed up and went on our honeymoon to Miami.

I usually have to wear my chastity device when I'm with Cynthia, but she decided to let me out until our vacation was over.

According to her, it was my reward for being so obedient during the wedding.

We've been having a great time together here in Miami, but to be honest, we've barely left our hotel room, if you know what I mean.

PLEASE DO NOT DISTURB

I have no idea what the future has in store for us, but right now, I could'nt be more happy, and I'm sure my Mistress is just as happy as I am.

I wonder whatever happened to Cody. I'll have to ask the girls about that...

I can't believe it! Is that really Cody?

I won't lie, he's pretty good. How did you say he got into this?

It was at Cynthia's wedding. Some guy asked him if he would be interested doing movies. Apparently, he's doing pretty well. He's even considering quitting his job!

Good for him! So, tell me, how does it feel to date a porn star?

Oh, we never dated. After the wedding, I asked him if he would go out with me and he told me that he was going through kind of a thing and we should be friends for now.

Wait! Did I hear that right?

Did you get friend-zoned by your own sissy?!

OMG! You must be the worst dominatrix in the world!

HA!

The End
