«Open up, this is the police!» the angry voices said at the house's entrance.

«Ooooh, would you look at that, the rescue team is here!» Irina smiled, putting back a pant she found nearby in her bedroom.

After not answering, the police broke the door and ran toward where the yell came from.
When they arrived, they found Irina sitting on the ground, her pant barely back on her, her top on the other side of the room.

«Are you alright ma'am? The neighbors warned us about you yelling for help some minutes ago!» one policeman said.

«I have never been better...thanks for coming tho, but it was just me having some fun with myself» Irina replied, a huge smirk on her face.

«But...why were you yelling for help?» the policeman asked confused, sensing something was wrong with Irina.

As he kept looking at her, her smirk faded, her eyes started to get wet, and tears slowly dropped out of them.

«Please Mr. Policeman, you have to help me! The thief is here, somewhere...abusing me...making me do horrible things...you have to find him... please» Irina whispered in the policeman's ear, her voice sharing all the fear she had.

«What? You just told me you-» the policeman replied.

«He held me, hostage...he said he can do whatever he wants with my life...please...help me» Irina interrupted him, her eyeliner running on her face because of the tears.

«Sorry for not understanding this situation earlier. We will do our best to find him! Jimmy, stay with her, take an eye on her while we look around!» the policeman instructed one of his colleagues, as they started to look around the house.

«Wait, can it be a girl instead, please? This thief made me afraid of men and I would be more comfortable if you let this young sexy policewoman stay with me» Irina asked, trying to contain her smile.

«No problems. Anna, stay with her. The other, come with me!»

Hostile Takeover - Part 4

«How long do you plan on letting me in her body?~» The hooker complained, adjusting her latex suit on her.
«I can't stand this anymore! The latex on her skin, I feel like a squishy toy~»

«But to me, you are, hihihi~» Manon replied with a smile on her face, caressing her vagina gently as she stared lustfully toward the hooker.
«Don't you think women's bodies are amazing? in my male one, I would have cum already, and the fun would have stopped there. But as your sister, I can masturbate as long as I want and never get tired~»

«That's what disgusts me the most! First, you took over my mother and made me do horrible things, then you took over my sister and made me wear the hooker you shot earlier~» Nathan said as the hooker grabbed her tits firmly.
«And since then, you wanted me to stand in front of you, doing sexy poses, while you watch me and masturbate in my sister's body!»

«And I really don't have enouuuuuugh... huuuuuuuuuum~» Manon moaned, fingering herself gently.
«It would be impossible to do that as a male. Keep being sexy~»

Unable to do anything else, as the criminal had his mother and sister as hostages, Nathan complied, posing as sexily as he could, watching his sister masturbate in front of him, hearing her moans from time to time.

After a moment, Marion stopped, relaxing with her legs wide open on the couch, a devilish smirk on her face.

«Aaaaaah, I am done...This felt so good! Dude, your sister's body is amazing!~» Marion said, toying with her boobs.
«Although, her tits are pretty small...I preferred to play with your mother's one, hahaha~»

«Don't talk about her like that! You made me do horrible things!» Nathan complained as the hooker.

«Horrible? I remember you cumming inside of me... again...and again... Admit it, you loved it~» The criminal inside Marion said, using Sophie's voice.
«And now mommy is wearing your sister...She is quite petite, but I am sure she can be a complete whore...just like mommy~»

«Don't use her voice, you pervert! My mother would never say that!» Nathan yelled.

Hostile Takeover - Part 5

Having discarded Sophie's body for the escort one, Jehu decided to play with his new assets.

«We have half an hour left, thanks to Sophie who rented 'me'~» Jehu said in his new mount's voice, caressing her latexy outfit.
«I am in freaking love with your high boots! Their feel on my slender legs. I think I am going to wander a bit in the club once I am done here~»

Then, lustfully, Jehu began his body exploration.
First, he gently caressed the escort's face, enjoying seeing her smirk devilishly in the mirror.
He realised she had put her purse on the counter.
He opened it and checked her ID, finding out her name.

«Becca...Huuuuuum, that's a sweet name for s slut like you. We are going to have a good time together. Don't worry... or do. I will make you do things you would never think about. We are going to both enjoy yourself together» Jehu said in his own voice coming out of Becca's mouth.

«What? Who... Who is talking? Who are you?!» Jehu said with Becca's voice, faking to be afraid, enjoying her expression in the mirror.

«I am you...or rather inside of you...I can control your body... Make you do whatever I want» Jehu added, caressing her assets, pulling off her top to reveal her boobs under it.

«For example...you see, I am a perverted man, and I can make you show your tits...play with them»

«You sick pervert! Give my body back! Don't make me do that!» Jehu replied as Becca, faking again to be frightened.

«Not anytime soon, hehehe! There is a no touching rule for men in this club but...it doesn't apply to men wearing the hookers» Jehu smiled, sliding her hand between her legs, caressing gently her pussy through the latex.

«Ooooh! No...please...don't...gnnnn~» Jehu moaned as the hooker, caressing her inner legs with one hand, while using her other hand to try to remove it.
«No...No...Donnnnn't~»

«Huuum, using your hand to try to block me? I think you forgot something...Hehehe» Jehu laughed, using both hands to masturbate.
«I am now you!»

He masturbated as her for a bit, excited by his little role-play.
He climaxed as Becca, pulling her pants back up.

«Well, time to have some fun in this hooker's club» Jehu smirked as Becca, looking at Sophie.
«Farewell mommy, you were fun to use. Now, let's enjoy being a wolf in a sheep's barn~»

«Well, my sweet Camille... Are you ready for us to go use your body to lure innocent women into getting fucked by me?» Jehu said in his new victim's body, looking in the mirror devilishly

Earlier, while wandering in the back of the club as Amanda, he randomly entered the private rooms in which shows were given to the clients.

He found no women who were matching his lust until he met with Camille, a busty blonde who was waiting in her room, reading a book while waiting for her next client.

«Amanda! You spook me! I wasn't expecting you!~» Camille said, jumping a bit on her chair when she noticed Amanda entering her room.
«Are you alright? You seem...weird...»

«I have never been better... Look at you, you are so fucking hot~» Jehu said as Amanda, coming close to Camille, his mouth drooling out of excitement.

«What's with this face... you are weirding me...» Camille stated, backing up a little when Amanda began to run her hands on her, groping her tits firmly.
«Hey, what are you doing?!»

Being taller and stronger, Camille easily pushed Amanda away, making her fall on her back.

«Fuck this, this whore is just way too fragile» Jehu said with his own voice coming out of Amanda's voice.

«Amanda... Why did you just talk with a man's voice?!» Camille asked, worried, staying away from Amanda.

«Ahhhhh, oups, seems you broke my focus, and I ended up talking as my old self» Jehu kept adding with his own tone, tearing up Amanda's mouth and revealing Irina's face under it.
«Aaaaaaaah, better! Say hello to the new me and soon... the one who will be wearing your beautiful skin~» Jehu explained, with Irina's voice this time.

«What is happening?! Something isn't right. You are not Amanda! Heeeelp !!!» Camille yelled, realising she could not escape, as the skin thief was in front of the door.

«I was some minutes ago, but now...» Irina smirked, pulling off the costume gun and shooting Camille with it.
«I am going to be you for the next part, judging by what I saw. I am going to enjoy it thoroughly ~»

Hostile Takeover - Part 7

After the long and lustful shower, Jehu went to bed still wearing Irina, and collapsed immediately because of the exhaustion, feeling Irina's pussy on fire after using it so much for his own twisted and perverted pleasure.

Irina's body was perfect for him; her blonde hair, busty chest, and curvy figure made her a walking wet dream. He loved the way her skin felt against his, the way her pussy hugged his dick when he slipped it out. But what he loved most was the power he felt when wearing her. He could make her do whatever he wanted; no one would ever know it was him.

Having a devilish idea in mind, he rolled over and picked up Irina's phone, tapping out a message to his ex-boss's daughter, Sara.
He planned to use Irina to get to Sara, and then he would have an easy way to get revenge on his boss.

«Hey, Sara. It's Irina. I'm a friend of your dad's, and I've been dying to meet you. How about lunch today? My treat.» Jehu typed out the message, Irina's pussy getting wet at the thought of what was to come.

Sara responded a bit later, excited to meet the mysterious Irina. She suggested a trendy restaurant downtown, and Jehu agreed.

He got up and went to the shower.
As he soaped up Irina's body, he imagined what Sara would be like. She was probably in her early twenties, young and naive. He smirked, thinking about how easy it would be to get to her dad as her.

Her dad had been a real asshole to him, and this was his chance to get some revenge.
Using Irina's body, he could get close to her and gain her trust. Well, he had plans for that, too.

Jehu dried off and dressed Irina's body in something sexy but subtle: a form-fitting dress that hugged her curves and showed just enough cleavage to be enticing.

His perversion, highly driven by having a hot girl's body to himself, Jehu couldn't help but let his hand on the soft fabric covering Irina's chest.

«Oh gosh... I will never get tired of that. I love my new self so much~» Jehu moaned, massaging his tits lustfully.
«Maybe one day I can let someone wear her, to have her as my personal sex slave. Hihihi! But for now...»

Then he headed out, his heart racing with anticipation.

Hostile Takeover - Part 8

Page 1/9 - by Aribeth

«Huuuuuuuuum, at this point, I am so happy, I think I reached a non-return point~» Jehu said as Irina, looking down at his cleavage, a cup of coffee in his hand.
«I can just wear whatever slutty sexy thing I want and use my own reflection to masturbate all day and all night long. And when I get bored, I can rent a hooker like last week and fuck her raw by making her believe it was a realistic dildo! Hahaha, the look she had when I creamed on her face~»

Lustfully, Jehu explored Irina's body again, knowing well how to stimulate it ideally.
He had been wearing her for months now and knew perfectly everything she once was before him.

He knew her job, her family, and her friends as if they were his, and none of them had ever suspected anything.

Sure, all had realised that Irina had suddenly become sluttier, getting handier with her female friend, and way easier with her male friend, that were now secretly all in a private group with Irina, trying to be the next in line to get lucky.

This girl, who was very protective before to her friends, respecting everything they did, was now careless, seducing single friends, both male or female, but also those in a relationship, making sure to record their sexy time to blackmail them, and for Jehu to enjoy alone later.

«Hey, Irina... You are up early! Who were you talking to?» A male voice said in Irina's back, making Jehu jump out of surprise.

He recognised Nathan, one of Irina's friends, wearing nothing but his underwear.

«Oh, Nathan! What are you doing here?~» Irina asked, confused.

«You don't remember? You asked me to come to your house yesterday to help with some stuff. We drank a lot and hugh...we...» Nathan began to explain, Jehu trying to recall the last night.

«Fucked hard, despite you being in a relationship with Lea? ~» Irina smirked, turning toward Nathan, who started getting red.

«Yeah...about that...not a word to her, please... I don't know what went into me, I should have never» Nathan apologized.

HOSTILE TAKEOVER – PART 9

Convinced by Jodie that nothing was wrong, Sarah happily began to suck on this incredibly realistic dildo that was coming out of Emily's pussy.

She playfully cleaned the 'toy' with her tongue, as she would with her boyfriend, and was weirded out by how realistic it tasted.

«Aaaaah fuck it slut. You are really a goddess at sucking~» Jehu loudly moaned as Elodie, his dick twitching from pleasure, while Jodie was taking care of his boobs.
«Now I am going to fuck you~»

With those words, Sarah felt surprised.

«Wait, no, I don't want... Something is wrong here...3 Sarah said, feeling the atmosphere of lust and troubles.

Jehu looked at Jodie with a smirk, who understood what to do.
She went behind Sarah, forcing her onto the bed, and blocking her from moving.

«Jodie? What the fuck is going on!» Sarah asked, afraid.

«Oh, nothing wrong dear, I just love the way you're right now... helpless...ready for my dick» Jehu said with his own voice coming out of Elodie's mouth, enjoying the scene, wanking his dick coming out of Elodie's private part.

«Relax, don't worry, I am your sweet friend from childhood, and we are going to have sex together... or at least, I will put that dick inside of you»

Hearing the male's voice coming out of Elodie's mouth made Sarah even more scared.

«You are not my friend! What the fuck happened to her? And Jodie, why are you helping her? Don't you hear the male's voice? Something is so wrong!» Sarah added, trying to get away from Jodie's firm grip, watching the impostor come between her legs, tapping his dick on her pussy.
«Stop, don't do that! No, no, no!»

With a devilish smirk, Jehu slid his member inside of Sarah's vagina, groaning of pleasure as he felt her sweet velvet entrance wrapping his rod.

«Aaah, your pussy is so tight! I love it, my dear friend~» Jehu said as himself, pushing his member deep inside of Sarah, massaging Elodie's huge boobs, taking time to appreciate the moment.
«I can only imagine all the guys that wanted to touch those. And here I am, violating her friend while having those two for myself»

Hostile Takeover - Part 4

«Alright... Now to the fun part~»
Marion smirked, using her own voice, spreading her legs open again and caressing her vagina.
«Now it is time your dick goes inside this~»

Nathan froze for a second.

«Wait, no! You can't do this to me! She is my sister!» Nathan stated, furious.

«Don't be shy, brother, I am extremely horny and...I want you inside of me~» Marion said sensually.

«No no no stop it. My sister would never say that!» Nathan said as the hooker.

«If you want to get out of this hooker's body, you will have to satisfy my need, my sweet brother~» Marion smirked.
«You just have to take your dick out of this hooker's vagina and slide it inside of my sweet young college pussy~»

Knowing well now that he couldn't do anything about it, still worrying for what the criminal would do to his sister and his mother, Nathan agreed in despair.

He took off the latex suit that he was wearing, feeling the smooth skin of the hooker being rubbed by the rubber.

Despite wearing her skin for hours now, Nathan was still uncomfortable being in her body, feeling all the smoothness of her body and the weight of her boobs on his chest.

Nathan couldn't decide what was the worst and the weirdest.
Feeling a girl's body as its own or his beloved sister looking at him in a pervy way.

After a bit of struggle, Nathan managed to remove the latex suit and stood in front of his sister, fully naked.
He felt the bruise between his legs, the caress of the wind on his erected nipples, and whenever he looked down, he saw a pair of tits with no dick down his belly.

«Nice body. I may try it later~» Manon said.
«Now, put your hand deep inside of your pussy...you will feel her skin stretch and your dick under it. Pull it out~»

Hesitating first, Nathan shoved down his hand inside of the hooker's vagina.
It felt pleasurable at first, then weird, to feel his hand caressing his pussy, before reaching down on his own legs behind.

Hostile Takeover - Part 4

Page 3/8 - by Aribeth

He felt his member and grabbed it to pull it out like he would with a pant.
It popped out with ease, and once out, Nathan felt the hooker's vagina tightening around his dick, giving him a bit of pleasure every time it moved slightly.

«Now that's more how I like it! Come on, brother, make sis feel good~» Marion purred with a devilish smile, laying a bit on the couch, his legs opened.

Knowing he had no choice, Nathan did as asked, looking at his meat disappearing inside of his sister's vagina.

It felt good and so wrong at the same time.
He was in a woman's body, feeling all of her assets as if it was his.
And on top of it, he was nailing his sister, who was biting her lips in pleasure, looking straight at him in the eye.

«Your dick is so big, brother...I love it~» Marion moaned as Nathan began to move his hips gently.
«Do...do you think we...can do that again later...when our parents are home?~»

Disgusted by what he was doing, Nathan proceeded to thrust more and more inside of his sister, wishing the quick movement would make him cum quickly.

Unfortunately, all the hate he had made him last longer, making them spend almost an hour fucking, making his sister moan louder and louder until he couldn't hold it anymore.

He came inside of Marion, who moaned one last time before smiling at him in a malicious way.
Still, with Nathan inside of her pussy, Marion switched to a seductive face, enlacing her brother with both arms and legs.

«It was amazing, brother; I think I...I am in love with you...This felt so good~» Marion whispered in his ears, kissing him sweetly on the cheeks, caressing the hooker's tits.
«I think I love you better in this body...maybe you should keep it forever and...we will have this kind of fun all the time...what do you think?~»

The sweet face of his sister, along with the post-coitum state, almost made Nathan accept.
But he quickly came back to reason, remembering why everything was this way.

«No way I will accept that, monster!» Nantahn replied as the hooker slid himself out of Marion.

Hostile Takeover - Part 4

«Imagine what we could do! We could fuck every day, go as your sister and her 'new friend' to her friend's night, and ... violate every single of your sister's friends in their sleep, and they would never know what happened~» Marion smirked as Nathan was backing up.

«Are you hearing yourself? You are a pathetic pervert! Get off my sister and leave my family alone!» Nathan shouted, trying to pull off the hooker's skin from himself. «How do I get this off?!»

«You are not someone fun. I was ready to share all those pleasures with you...fine~» Marion smiled, putting her hands inside of her mouth, stretching it wild, making Sophie's head pop out of it.
«That's how you do it, my sweet boy~» Jehu added, now in Sophie's voice, as he continued to take off Marion's skinsuit.

Nathan started to do the same after watching his own mother take off his sister's skin.
he put his hand in the hooker's mouth,n and pulled it off.
It was painful at first, but as the skinsuit slowly detached, the pain faded away, letting Nathan completely take off the hooker's skin.

It felt slightly weird for him to feel his dick back in place, without boobs or a sexy figure.
He threw the hooker's empty husk on the ground and looked at the criminal, still wearing his mother.

Nathan felt weirded out again as his mother was staring at him, biting her lips devilishly, playing with her boobs lustfully, fully naked.

«Aaaaaah, your mother's body is so perfect, those huge boobs...I feel natural, at home as her...maybe I will keep her, after all~» Jehu said as Sophie.
«I understand why you couldn't hold it whenever you fucked her. If you were wearing her, I would make you my sex slave forever~»

«You said you were going to leave us alone!» Nathan complained, looking at his sister's empty husk lying on the ground.
«Turn my sister back to normal, you monster!»

«No need. She will be back to herself in a few minutes. When a skinsuit isn't worn, the person goes back to life after a moment...with no memories of what happened... So don't try to fuck her after, you dirty pervert, because she won't remember our sexy time~» Sophie explained, pointing to the hooker's skinsuit.
«And so will she, so you better think of what comes next~»

Hostile Takeover - Part 4

Page 5/8 - by Aribeth

Without thinking twice, Nathan grabbed both skinsuits and rushed to his sister's bedroom to put her there for when she would reshape.
He quickly dressed himself and went back to the living room.

The criminal was still as his mother, watching a porn movie on the TV, fingering furiously, moaning with her voice loudly.

«What are you doing? Get the fuck up and take her off or get her dressed! My father will be back in some time, and my sister will wake up too! I don't want any to find out that a pervert took over Sophie!» Nathan explained furiously, the hooker's skinsuit in his hand.
«I have to go out to throw that one somewhere. When I get back, I want everything to be normal again... please...»

«As you wish~» Jehu said as Sophie, a smirk on her face, watching Nathan rush outside to his car.

Jehu waited a bit for Nathan to drive away before standing up.

«He really left his home with me and his sister's skin upstairs? Hehehe~» Sophie laughed, groping her tits.
«Hopefully for him, I don't care about her anymore... Mommy got plans~»

Jehu rushed to the mother's bedroom and started to look into it, trying everything he could.
He took again a lot of pleasure dressing up sexily as Sophie, her huge and generous assets hanging just right on his chest.

After a bit of searching, he found a short latex dress, which he tried on immediately.

«Huuuuum, this is perfect! I look so ...fuckable...Don't you agree?» Jehu said with his own voice, coming out of SOphie's mouth.

«Yeah, I do! Make a complete mess out of my body, I love it so much to be used~» Jehu said after, with Sophie's voice this time, roleplaying a bit.

However, it got quickly cut as he heard Nathan enter the house again.

«This guy was quick at hiding the hooker's skinsuit» Jehu thought, looking down at Sophie's cleavage.
«Now it is time to show him how bad mommy is going to be~»

Hostile Takeover - Part 4

Jehu went back to the main entrance, dressed sexily, and found Nathan in the living room.

«Mommy's going out, sweetheart, see you later ~» Jehu smiled as Sophie, pushing her tits together.
«The world needs to see those beauties~»

«Wait no, I won't allow you to do that! You promised to-» Nathan started before Sophie cut him.

«I promised nothing. I didn't touch your sister's skin, but in exchange, let me do what I want until your father is back...You can come with me if you want, but we might end up doing it again~» Jehu smiled as Sophie, caressing Nathan's face.
Jehu picked up one of Sophie's jackets on the coat hanger and put it on, stuffing her boobs behind it after a bit of effort.
«Ouf, your mother's boobs are so huge, it wasn't easy to stuff them in the jacket, hahaha! Imagine if this pop out all of a sudden!~»

«I hate you» Nathan replied, letting the way for his mother to get out.

She smiled at him sweetly, going out, to the taxi who was waiting outside.

Jehu sat inside of the car, enjoying to feel Sophie's butt on the soft fabric.

«Where are you going milady?» The driver asked, obviously looking at Sophie's assets in his rearview mirror.

«To the strip club. I need to satisfy some needs~» Jehu smirked as Sophie opening the jacket, pulling down her top a bit with her fingers, caressing her cleavage gently while looking at the driver through the mirror.
«I am a very bad...bad mommy...Don't get distracted by those fun bags while you drive, and I may let you feel them once we arrive ~»

«Hugh...Are you...I mean...» the driver gulped down, getting turned on by the hot milf sat on the back of his car.

«Get me there, and we will see~» Sophie winked, putting her top back.

The driver gulped again, looking once more in the mirror before starting to drive.

«Hehehe, sure, being this slut is convenient. Men turn into puppets when they think they can score. Maybe I will let this one have a little fun with Sophie...after all, this isn't my body. I don't give a single fuck what happened to it» Jehu thought, a smirk on Sophie's face.

Hostile Takeover - Part 4

They arrived at the club later in the beginning of the night.

«We are there, ma'am. This would be 20€ for the drive» the driver said, breaking the silence.

«20€? Maybe we can...you know...find an arrangement~» Jehu said lustfully as Sophie, tapping the seat next to him.
«Come here if you want...I will use this body to please you~»

«You are speaking in the third person...that's hot!» the driver said, happily going out of his seat to go to the one in the back.

«Good boy~» Jehu said as Sophie when the driver sat next to her.
Jehu pulled out her top, flashing one of her enormous tits to the driver.
«So...you were trying to take a look at those...right?~»

The driver stayed speechless for a moment, drooling at the sight of the tits.

«They are huge!» He finally said after a bit.

«I know, right? It surprised me too the first time, but trust me, after playing with them for a bit, we get used to them, hahaha~» Jehu explained as Sophie, confusing the driver a bit because of the nonsense this last sentence was to him, as he had no ideas the woman sat next to him, was turned into a skinsuit, and worn by a pervert.
«Come on, touch them~»

Without being asked twice, the driver put his head on Sophie's tits, sucking her nipple like a baby.

«That's a good boy~» Sophie purred, caressing his head with one hand, running the other on his pants, trying to open his zipper.

Understanding what she was trying to do, the driver helped her, pulling his pant down a little, letting Sophie caress his hard dick through his pant before grabbing it full hand.

She began to wank it slowly, the driver still playing with her boobs.

«Mommy is very bad. Wanking a stranger...I am a married woman, you know~» Jehu said sensually as Sophie enjoying the situation.

He wasn't the only one, as he soon felt the driver's cum pouring into Sophie's hands.

Hostile Takeover - Part 4

Page 8/8 - by Aribeth

«Already done? I thought you could last until I give you a blowjob~» Jehu laughed as Sophie cleaned his hand on the driver's pants.
«Thanks for the drive~»

Jehu got out of the car, leaving the driver with his soiled pants inside of his car, unable to follow Jehu.

Jehu went inside the strip club and sat on one of the comfy sofas inside, facing the dance floor.
He thoroughly enjoyed watching all of those sexy women dancing half-naked or covered in latex.

«Hehehe, none of them knows I am a man. All believe I am a sexy milf~» Jehu thought.

Having enough of watching after two drinks, Jehu went to order a dance with one of the escorts.

«I am not used to dancing for a woman, to be honest...I don't quite know what I can do too...» the escort said to Sophie once they were in a private room.

«Don't worry, do as if I was a man, and...we are both girls, so it should be ok to touch each other inappropriately, right?~» Jehu asked, running his hands slowly on the latex outfit of the escort, grabbing her butt firmly.
He whispered in her ears, bitting it gently, pulling out the costume gun from Sophie's purse.
«Your boy is exquisite, and to be honest that's the reason I wanted to have you~»

Before the escort could see or understand anything, she crumbled into a pile of skin on the ground.

«Perfect! With this body, I can wander around this strip club as freely as I want and get to try every single hot slut I can find» Jehu laughed in his own voice, starting to tear up SOphie's skin from his head.

After a minute, Sophie's skinsuit was fully removed, leaving Irina's naked body visible.

«Aaaaah, Irina, I really can't get enough of your hotness! Maybe I will make you my permanent form after all and wear other sluts on top of my new body» Jehu said in Irina's voice, cupping her boobs.

He picked up the escort skinsuit and wore it on top of Irina's body, reshaping shortly after as her.

«I am not used to dancing for a woman...but I will gladly be worn by a perverted man~» Jehu purred in the escort's voice before picking up her clothes and wearing them.

He enjoyed sliding her sexy latex outfit on him, feeling her smooth skin covered by the rubbery costume.
He then proceeds to pick her huge red boots and slide them on her gender legs, enjoying the result shortly after in front of the room's mirror.

«Being a sexy catgirl is a nice next part! Bye-bye, the milf body. Hello to the high sexy boots. Let's find more body to have fun with~»

Hostile Takeover - Part 5

Jehu went out of the room, putting a 'Do not disturb' sign on it, and started to wander in the backstage.
Being in a love hotel, Jehu heard multiple purring sounds coming out of the doors in the long hallway.

Out of curiosity, he opened some, checking what was happening inside.

«Eh! Becca, close the door. This room is taken!» One of the hookers said when seeing Becca at the door while she was performing a lap dance.

«Oooops sorry, I wanted to check...how everything was going on. Do you mind if I stay a bit? I want to watch it too! And I am sure your client won't mind having such a hot piece of meat next to him, right?~» Jehu smiled, looking at the client.

«Hugh! No, I... I already paid for Violette and...» The client started to explain.

«Don't worry, I am doing this for free~» Becca smirked as she walked to the couch, looked at by her colleague.
She sat next to the client, in an unlady way, her leg opened, her arm widely spread on the couch.
«Go on, dance for him. You have such a hot body, I want to see it in action~»

Confused by the behaviour of her colleague, Violette resumed her dance, launching some stares at Becca.

As for the client, he was confused about where to look.
In front of him was the woman he had paid for, dancing almost naked on his leg.
Sitting next to him was Becca, sexily wrapped in her latex catsuit, sitting in an unlady-like way, a grim on her face.

For a reason he couldn't tell, the client felt that Becca was dirty, way more into breaking some rules than Violette.
Once Violette was done with her time, sweet music filled the room, informing everyone the show was over.

Violette left the room, expecting to be followed by the client.

«What are you doing? The show is over. You have to leave» Violette explained, looking at the client, then Becca.
«Tell him, Becca»

«Don't worry about it. He has paid for another dance. I'll take it from here~» Becca explained, winking at the client.

«Oh, OK, I had no idea. Well, see you later» Violette smiled, leaving the two alone in the room.

«So, now that this slut left... I saw you staring at those breasts... Do you want to have some fun with this body?~» Jehu said sensually as Becca,opening her top to show her boobs.

Hostile Takeover - Part 5

«I have paid for nothing... I am confused...» The client added.

«I know, dude, I just wanted an excuse for this slut to leave. Now that she is gone, I can have some fun and discover this body~» Jehu said as Becca beginning to strip down.

«What do you mean? Will I get a free dance?» The client asked.

«Yeah, hahahaha! I will dance...on your dick~» Becca laughed, throwing her latex outfit at the client, ending up in underwear.
«I want to try this body fully, and you are the lucky guy who appears to be on my way~»

«What? What...do you mean?» The client added, gulping down as he sniffed Becca's outfit.

«I mean that you...and I...are going to fuck on this couch~» Jehu explained as Becca sitting down sensually next to the client, pulling down her bra.
«You must have been excited with the previous whore dancing on you. So let's you help you to relieve your needs~»

«Are you...*Gulp*...sure? We can't do that...what if someone spots us?» The client wondered, gulping down, as he got turned on by Becca's acting.

«Pfffft, are you really going to let your chance go? Look...3 Jehu added, standing up and heading to the door, locking it, before taking off the rest of the underwear, being completely naked as Becca.
«Now nobody can get in. We are just the two of us. Are you really going to pass on your chance to fuck her? I will leave and find someone else if it is not you~»

«Hugh...ok» the client gulped again, taking off his pants, revealing his hard dick, who started to shiver as Becca came sensually toward him.

Becca smirked as she sat down on the client's lap, taking his dick in her hand before sliding it down inside of her pussy.

«Oooooh my! She is so tight! I bet that despite her whore look, she is very loyal to her husband and only fuck him~» Jehu stated as Becca, feeling Becca's vagina filled by the client's dick.
She laid down on him, stuffing the client's head in Becca's tits.
«You are so lucky to get the chance to nail that body, hahaha~»

«You speak about yourself at the third person...that's hot!» The client smiled, as Becca bounced on his dick, her tits in his hands.

«Yeah...whatever...Huuuuuum, this slut's body is so sensitive~» Jehu moaned as Becca, really enjoying her assets, his mind filled with pleasure.

«I never thought I...would be fucking one of those whore one day...this is so great!» The client said, grabbing Becca's ass tightly as he came inside of her, his body shivering as he emptied his balls.

The criminal tried to keep going, but soon as the client's dick shrank, he felt it slide out of Becca's pussy, ending up feeling no more pleasure.

«What? Already? Pfffft, I didn't even have time to enjoy it...» Jehu sighed, looking at Becca's pussy, dripping from the client's cum.
«You came so much inside of her. Let's hope she was on birth control, hahaha! Now leave, And tell this to no one~»

The client did as told without asking any questions.
He took his clothes and put them back on before heading out of the room while Jehu was dressing back as Becca.

«Tssssst, what a wasted opportunity. I couldn't even enjoy this body fully... And this idiot came inside of it. I need to change if I don't want to walk around with my legs leaking» Jehu thought, finishing putting Becca's latex suit.

Once done, he headed out of the room, back into the hallway, and took the first door next to him.
He entered the room and surprised a petite girl inside, who was apparently waiting for her next client.

«Becca? What are you doing here?~» The girl asked as Becca closed the door behind, a smirk on her face.

«Huuum, your body is quite petite, but it will do nicely~» The criminal said as Becca went next to the girl, grabbing her ass firmly once he was close enough.
«Firm...so nice! I bet you love jumping on dick a lot~»

«Hugh? What do you mean, what is going on-» The girl was replying as Jehu tore apart her fishnets, caressing her pussy right after.
«What are you? Stop... No Becca... What is going on?!»

The girl managed to push hard enough to get out of Becca, staring at her furiously.

«What have you done? What is going on?!» The girl added furiously.

«Just testing out my new body» Jehu said in his own voice coming out of Becca's mouth, spooking even more the girl.

Hostile Takeover - Part 5

Before the girl could say anything, Becca had pulled the costume gun and fired at her.
She crumbled into a pile of skin, and Becca ensured the door was locked.

«Finally, I can take off this used whore, and get a newly cleaned pussy with this other one~» Jehu said as Becca, tearing open the back of her head, revealing Irina's face under.
He slid Becca's skin away, ending up naked as Irina.
He gently caressed her body, moving her tits in his hands.
«I am definitely going to be her forever... bye-bye the old fat male me, hello to the new perverted sexy feminine me~» He said as Irina, a devilish smirk on his face.

Being now alone in the room, he looked everywhere for the personal stuff of the hooker who was in the room.
He found her suitcase, filled with sexy clothes and underwear.
He picked some of the ones he liked and tried them on Irina's body.

«I love it. I look so sexy with those sexy underwears... Even if I am too busty for them... I look so depraved...gotta love it~» Jehu said as Irina, enjoying his body, resuming his search in the hooker's suitcase.
He found an expensive-looking bra, along with some jewellery.
«Ooooh, what do we have here? It looks expensive...and mine now~»

He put them all in a plastic bag, once being sure he had seen everything.

Then he looked back at the two hooker's empty husks on the ground and began to fondle his tits.

«While I am alone...let's pleasure myself up a bit~» He purred as Irina, putting a hand in her vagina before pulling out his dick, which he wanked slowly to keep it hard.
He picked Becca's empty skinsuit and stuffed a hand inside of her, using it to wank himself.
With his other hand, he took Becca's empty face and put his dick in her mouth, using the flesh inside of her empty head to masturbate.
«Aaaaaaah, the feeling of domination and power! I am masturbating inside the head of my previous mount, hahaha!~»

He finished inside of her head before throwing her back on the ground like a used tissue, smiling as he saw his cum leaking out of every hole in her head.

«I wonder what will happen when she will take her life back. Someday, I got to do that with a real whore and not a skin~» Irina smirked devilishly, finishing to wank on the bed, moaning loudly with the last drop.
«Hahaha, I will definitely never take you off Irina. I love myself so much as you~»

As the new Irina was still enjoying herself, someone knocked on the door.

«Amanda? I had a reservation with you... Are you there?» a customer asked.

«Oh shit, I forgot that. She said she had a client soon» Jehu thought, rushing Amanda's empty skin suit.
he slid her head quickly over Irina's face.

«Yes, I remember. Give me a second. I am finishing some surprises~» Jehu said in Amanda's voice.
After pushing Becca's skin suit under the bed, he quickly removed everything he wore on Irina to wear Amanda fully.

«Such a shame I can't even try her a bit before...3 Jehu thought, cupping Amanda's tits as he reshaped as her.
«She is so petite... But, on the other hand, those boots I saw earlier, I couldn't wear them as Irina. So as her...let's get sexy~»

He put on some underwear he had previously tried as Irina and took her latex boots.
He slid her smooth legs inside of them slowly, enjoying the feeling of the fabric on her legs.

«Oh damn, I freaking love wearing that kind of high-heel boots! I will have to buy a lot for my new self once I am back at my place~» Jehu said as Amanda sitting on the couch, posing sexily.
«But first, let's have fun here~»

«Come in!~» Jehu yelled as Amanda looking at the door that opened, a customer behind it.

«Sorry for the wait. I had some stuff to do~» Amanda smiled, as the client stared at her for a bit.

«Damn Amanda! Every time I paid for you, I found you sexy, but today... You look even hotter!» The customer said, staring lustfully.

«Well, do you want to touch this body?~» Amanda smirked, sexily posing.

«Are you serious? I thought you were strictly following the club rules, which forbid touching...» The client added, surprised.

«Really? You paid for her multiple times, and you could do nothing but look? Let's reward you for being a loyal customer~» Amanda added, standing up from the couch before approaching the client.
She took his hands and put them on her butt, enjoying the surprised look of the client.
«Does it feel like in your dream? ~»

Hostile Takeover - Part 5

Page 7/8 - by Aribeth

«Oh my god, Amanda I... Why do you suddenly let me touch you?» The customer wonder, his hands tightly grabbing her ass.

«Let's just say I am a different me today...a lot more ...horny, a lot more ...thanksfull~» Amanda explained, retaking the client's hands, putting them on her chest.
«Do you like those silicone breasts? Come on, don't let me do all the work. Put your hands wherever you want! Today, I will let you dance on me~»

With a satisfied smirk, the customer began to let his hands run on Amanda's body, Jehu enjoying her light and petite body to be caressed by such big hands.
For once, not being in a tall body, gave Jehu the feeling to be dominated, to be at the mercy of this big man's desire.

However, despite trying to move sexily on him, the customer never dared to put his hands between Amanda's legs.
Jehu forced him to the way, taking his hands to put them between Amanda's legs.

Feeling him about to say something, she turned toward him, biting her lips.
Jehu could feel the client's erected dick behind his pant
The client took his hands out, unsure.

«I don't know Amanda... Are you sure? I mean, this is really different from the other time, you never let me do that and...» The client explained.

«And I told you, different me, different time. Look at this body, you saw it dance on you multiple times already, and now you know how those assets feel. Wouldn't you want to know how my lips feel wrapped around your dick? And I mean...those lips~» Amanda smirked, caressing her vagina.
«Don't think for too long. The offer is a one-time only. I give it only to my favourite and most loyal customer... you~»

The client froze, not knowing what to answer.
Jehu took this opportunity to sexily take off his pants, finding his erect dick behind.
He wrapped it in Amanda's lips, gulping it down, making the client moan lightly.

She sucked him a bit before standing up, a smile on her face.

«So, do you want to stuff this dick inside of me now?~» Amanda asked.

«Yes» the client replied, tearing down Amanda's underwear, throwing her on the bed, and sliding his dick violently inside of her, making Jehu feels totally dominated by the colossal customer.

Hostile Takeover - Part 5

Page 8/8 - by Aribeth

Jehu felt merciless, unable to move as he wanted, controlled by the client's horny will.
It felt different but so pleasant, the client ramming his massive dick into the tight pussy of Amanda.

Jehu moaned as Amanda, strongly, not caring any more to be heard or anything.
Loving the moment, the client thrust deeper into Amanda, moving her as he wished, fucking her from behind, turning her into his sexual slave.
After a moment, unable to contain himself, the client released his load inside of Amanda, filling her so much that it made her pussy squirt with semen.

The client slid himself outside once he was done, laying on the bed next to her.
Jehu's mind was blurred out from pleasure, making him see stars in his eyes.

«Damn, I never expected you to be like that! For years, you have been dancing on my lap, but never would have I thought I was in the room with such a huge whore!» The client explained happily, slapping Amanda's butt so hard that it made Jehu goers back to reality with a huge moan.
«Hahaha, your depraved body is made for sex, to satisfy men... to satisfy me»

Waking up from this pleasurable dream, Jehu stood up, still panting, feeling Amanda's legs completely numb, exhausted from being rammed so hard.
He managed to stand up as her, his mind back to his depraved thoughts.

«I agree. This body is made for you to fuck without even asking. So next time you rent me, don't hesitate to penetrate me like this violently. I will play hard to get, so force it. I may scream, so silence me. Fill me like the whore I am~» Jehu sensually said as Amanda, knowing well he would take her off right after the client left, leaving the real Amanda to be abused by this same client the next time they would meet.
Jehu caressed Amanda's vagina, playing with the drop of semen pouring down.
«What about you pay me a bonus for filling me like that? You know, a huge one~»

«If this is how you like to play it, gladly» The client smirked, reaching for his wallet, taking all his bills out of it, and throwing them on the bed in front of Amanda.
He then took his clothes and dressed back before heading to the door.
«See you next time. I look forward to this moment»

«Me too~» Jehu smiled as Amanda before the client closed the door, leaving him alone.
He caressed her body, still really sensitive.
«Well, I never expected this to happen. For the first time, I was not in control, fully used like a whore by that man. Now I need to relieve the same energy into your colleagues, and you will help me with that...Right, Amanda?~»

Hostile Takeover - Part 6

He closed the door, ensuring nobody could disturb him at the most unfortunate time.
Sliding off Amanda's skinsuit, he couldn't help but enjoy Irina's assets popping out of Amanda's petite body.

Once fully removed, he threw away her skin like a used towel before heading to Camille's skinsuit.
He picked it up, sniffing her smooth skin.

«Aaaaah Camille, you smell so good. I will take pleasure impersonating you~» Irina laughed, putting the skinsuit on from the bottom.
«I never get enough of feeling a new body reshaping over my old one~»

Irina finished putting Camille on, grabbing her assets firmly with her own hand once it was done.
She put her clothes back on, admiring her figure in the mirror.

«I feel so much stronger compared to the previous slut, this body is amazing! I think I will keep wandering around and...use that strong body to do a lot of naughtier things around this place~» Camille said, adjusting her underwear.
«Then maybe I will leave this place and have fun as Irina. I mean, I never used my new body fully yet...hehehe~»

Once he had adjusted the clothes on his new mount, he headed outside as Camille, lurking around for someone to have fun with.

Jehu used Camille's body to navigate through the dimly lit hallways of the club. The sounds of moans and thumping music filled his ears as he approached his first victim of the night: Delilah.

Delilah had been Camille's best friend since they started working at the club together three years ago. They shared everything with each other - hopes, dreams, and even their darkest secrets. But one thing Delilah didn't know was that her best friend had become a vessel for a pervert.

Jehu burst into the dressing room, where Delilah sat on a stool, applying lipstick to her pouty lips. She looked up at her friend, surprise written across her face.

«Cam? What are you doing back here? You're supposed to be on stage» Delilah said with concern in her voice.

Jehu grinned maliciously as he lunged towards Delilah, pinning her down onto the stool.
Delilah's eyes widened in fear as she struggled against Jehu's grip. «Cam, what's going on? Let me go!»

Camille's laughter filled the small room as he tore off Delilah's skimpy outfit, leaving her completely exposed. Jehu ran his hands over her soft curves, relishing in the fear that radiated off of her.

Hostile Takeover - Part 6

Page 3/6 - by Aribeth

Delilah's eyes filled with shock and surprise as Jehu pulled his dick out of Camille's pussy. He pulled Delilah's hips towards him, positioning her pussy right above his throbbing cock.

With one swift motion, Jehu plunged deep into Delilah's wet vagina.

Her screams echoed throughout the room, but no one could hear them over the sound of the club.

Jehu used Delilah's body for his own twisted pleasure, thrusting into her with passion, enjoying Camille's assets bouncing under his sight.

Tears streamed down Delilah's face as she succumbed to Jehu's relentless assault on her body. She could feel herself being pushed closer and closer to the edge of orgasm.

Finally, after what felt like an eternity, Jehu released himself inside Delilah. His hot seed filled her up as he continued to thrust into her until he was completely spent.

Jehu pulled out of Delilah, leaving her a quivering mess on the floor. He looked down at her with satisfaction written all over his face.

«That was so wonderful» Jehu sneered before disappearing from the room, leaving Delilah alone in shock.

Jehu crept through the dark hallways of the club, searching for his next victim.
He could feel the sexual energy in the air as he passed by private rooms where dancers pleasured their customers for a price.

He made his way into the V.I.P. section of the club, where he found his next target: Scarlett.
She was one of the newer dancers at the club, but she had quickly become one of the most popular because of her kink-friendly routines.

Scarlett's dark hair fell in waves down her back as she straddled a man in one of the plush leather chairs that lined the walls of the V.I.P. area. Her hands were bound behind her back with silk scarves as she ground her hips down onto his lap, a look of pure lust on both their faces.

Jehu watched with joy as Scarlett was sensually dancing on her client. Her fake moans filled his ears and sent shivers down his spine - this would be fun.

Jehu stormed into the room, making the client jum away from surprise.

Scarlett's eyes widened in surprise as Jehu approached her with a hunger, unlike anything she had ever seen before.
This made the client so unconfortable,that he decided to leave, not wanting to be part of any fight.

Hostile Takeover - Part 6

Page 4/6 - by Aribeth

Jehu tore off what little clothing remained on Scarlett's body until she was completely exposed to him. He ran his hands over her pale skin, savouring every inch.

Scarlett tried to resist, but Camille was taller and stronger.

He buried his face between her thighs, lapping up the sweet nectar that dripped from her pussy. His tongue swirled around her throbbing clit, sending waves of pleasure coursing through her body.

Scarlett moaned in ecstasy as Jehu expertly brought her to the brink of orgasm over and over again, never quite pushing her over the edge. She could feel herself getting more and more desperate for release - she needed to come, and soon.

Finally, after what felt like an eternity of teasing, Jehu flipped her onto her stomach and positioned himself behind her. She could feel his hard cock pressing against the entrance of her pussy.

With one swift thrust, Jehu buried himself balls deep inside Scarlett's tight pussy. She let out a scream that could have shattered glass as he filled her up completely, stretching her walls to their limits.

Jehu fucked Scarlett with an animalistic force, Camille's hips slamming into hers over and over again. The sound of skin slapping against skin filled the room as he used her body for his own perverted pleasure.

Scarlett's moans of pain soon turned into moans of pleasure as she adjusted to Jehu's size. She could feel herself being pushed closer and closer to the edge of orgasm, but there was something different about this - it felt like so much more than just physical pleasure.

«I fucking love this power so much! Using a whore to fuck another one, hahaha!» Jehu laughed out loud, his own voice coming out of Camille's mouth, making Scarlett turn over in surprise.
Jehu pushed her head back into the couch and fucked her even harder, making her mind go blank.

Just when Scarlett thought she couldn't take any more, Jehu released himself inside her with a bestial roar. His hot seed filled her up as he continued to thrust into her until he was utterly spent.

Scarlett collapsed out of exhaustion.

Jehu pulled out of Scarlett's tight pussy and couldn't help but look at his mess, enjoying the show.

«I can't get enough of this. She couldn't tell her friend was replaced by a pervert...she could not prepare for what happened... to her, this sweet Camille violated her...hahaha» Jehu said with his own voice, pressing Camille's boobs together.
«Your body is still so sensitive! Thanks for letting me fuck your friend»

Hostile Takeover - Part 6

Page 5/6 - by Aribeth

«Please, I beg you, let me go. Stop messing with my friends; they are innocents,» Jehu said as Camille faced the mirror.

«Why are their pussy so good to fuck, if they are not meant for my fun?» Jehu replied with his own voice.

«You can't do that. You have no right!~» he kept role-playing with Camille's voice.

«Ooooh, I can. Such as using your body the way I want, hehehe» Jehu maniacally laughed, as he used Camille's finger to penetrate her pussy.
«Like this»

«No please...I...huuuuuum...stoooop~» Jehu moaned as Camille before quickly climaxing, getting really turned on by his own foreplay.

«Damn... I get so easily turned on playing this little game. Your body is amazing, Camille, but I kind of want to experience new fun out of this place. And I better leave before anyone sees the mess I have made, hehehe» Jehu added, beginning to take off Camille's skin, revealing Irina's body underneath.

He completely removed it, picking up some of Scarlett's casual clothes, including a cute pink top and matching bra, from her room.
He dressed Irina's body with them, enjoying the feeling of casually adjusting a bra over his body.

«And now...what about Irina's friends? I mean, my friends now! I bet a hot chick like me must have some toys to play with, hahaha !~» He laughed as Irina, messing in front of the mirror.

He looked in the room, trying to find Scarlett's purse.
Once in possession, he took all of her money, stuffing his boobs and bra, finishing to dress up with Scarlett's clothes, which were weirdly fitting to Irina.

Except for one part, her boobs.
Irina was clearly bustier than Scarlett, and as a result, Scarlett's top could barely contain Irina's tits.

«Hehehe, my hot body is barely contained in those clothes~» Irina laughed, cupping her assets, adjusting one last time her top, before heading out of the strip club.

She took a taxi, and Jehu couldn't help but notice that even in nighttime light, the taxi driver was clearly trying to stare at Irina's boobs every time he could, in the rearview mirror.

Jehu loved the feeling so much.
All his life, he could only wank himself in front of pics of hot girls like Irina.

But thanks to the costume gun, now he was one of the girls making others wank, and abuse this.

Hostile Takeover - Part 6

Page 6/6 - by Aribeth

«I tell you, dude, it is bad luck for you that I fucked so much during the last hours because otherwise, I would have let you score with this body~» Jehu teased the driver as Irina, showing him a bit more of her boobs.
«But here is a bit because I am more generous than the previous owner of this body, hehe~»

The driver watched without asking any question on the last part of what Irina said.

He let her at Irina's flat, as Jehu found back the place where he began his journey at, thanks to Irina's phone.

He carefully entered her place, looking around to be sure it was empty.

Because of the police search the last time he was there, the first time Jehu took over Irina, the place was a bit messy, but there was nothing that Jehu could care about.

«Hehehe, it feels so weird to come back here after all of that happened. I remember how I broke inside that house, turned that girl into a skinsuit and now... I will be her forever» Jehu laughed as Irina, a devilish smirk on her face.
She put her hands in her pants, reaching deep between her legs until she could pull Jehu's dick out of her pussy.

Still devilishly smiling, she pulled it out of her pants, making it hard quickly.

«Hello, little guy! I see you are happy already. Let me give you a bit of love~» Irina sensually said, wanking her boner.

She masturbated in the middle of her living room, her free hand grabbing her boobs, playing with them passionately.

«Hohoho, it feels so fucking good! Ahhhhhhh! I am that slut, I am so hot, hahaha!~» Irina moaned as she kept wanking herself, making lewd faces.

Her hand was still on her dick. She put the other one on top of her clit, massing it furiously.

«OoooOOooooh ! My... fucking.... huuUUUuummm.... god!~» She moaned even louder.
«I can...fuck...aaaaAAAhhhh...get fucked... I can do whatever I... Oooooh.... I am going to...I am going to... I...~»

With her last huge moan, she reached the climax, jizzing on her floor, also adding her love juice from the squirting. She looked down at the mess, panting.

«What a mess... hahaha, I cummed on the floor... I wet my pants with my squirt... I am dripping wet... Hahaha, my new life is about to be so so sooo amazing~» Irina said, putting her pants back, heading away to her bathroom, leaving the mess on the ground.
«I have so many plans... so much to do~»

Hostile Takeover - Part 7

Sara was already waiting at the restaurant when he arrived. She was even more beautiful than he'd imagined: long brown hair, big brown eyes, and a body that could rival Irina's.

«Huuum damn, this is going to be so much fun» Jehu thought, feeling his pussy getting wet, the more he stared at Sara.

«Irina, hi!» Sara stood up and waved, a bright smile on her face, as she noticed the woman staring lustfully at her.
«It's so nice to meet you finally. Dad never tells me about his friends or coworkers»

Jehu smiled, showing just the right amount of teeth. «Likewise, Sara. Your dad and I go way back. I've heard so many great things about you, I just had to meet you myself.»

They chatted over lunch, and Jehu learned more about Sara. Jehu played the part of Irina flawlessly, laughing and flirting just enough to keep her interested. By the end of the meal, Sara was eating out of the palm of his hand.

«I'm so glad we did this, Irina. I feel like we could be great friends.» Sara smiled warmly, her eyes shining with sincerity.

«Me too, honey~» Jehu leaned forward and touched her hand gently. «In fact, I have a proposition for you. I'm looking for a new roommate, and I think you'd be perfect. What do you say?~»

Sara's eyes widened, and she bit her lip, a nervous habit Jehu had noticed throughout their lunch.

«Really? I mean, I've been thinking about moving out of my current place, but I wasn't sure...» Sara said.

«It's settled then. We can help each other out. And we can get to know each other even better~» Jehu winked, and Sara blushed, looking more adorable than ever.
«Do you want to visit my place quickly before going back to your place?~»

«Hugh...sure! Dad told me never to go into a stranger's place, but between women, it is fine. Not like if you were a dangerous pervert hidden inside, hahaha~» Sara laughed, and Irina followed.

This was subtle, but for a brief moment, Sara could have had a glimpse of the truth: that she was indeed going right into a trap.

Hostile Takeover - Part 7

Page 3/10 - by Aribeth

They drove back to Irina's place, Sara unaware she was in the car with the employee her dad fired for being a dangerous pervert.

They arrived, and Jehu invited Sara inside, locking the door behind her.

«That's my place. Let's get comfortable, shall we? We are between girls after all~» Jehu smirked, taking off quickly Irina's clothes, ending up in underwear in front of Sara, who blushed.
«Is everything alright, honey?~»

«Yeah...I... Don't mind if I don't follow... yet?~» Sara replied, embarrassed, trying not to stare at Irina's body too much.

Jehu could tell she was into Irina's body.
He told her to sit down while going to take some glasses.
He came back later with two cocktails.

He sat down next to Sara on the couch, giving her a drink.

«Cheers,» he said, clinking his glass against hers. «To new beginnings.»

Sara smiled and took a sip, relaxing on the couch. «To new beginnings,» she echoed, her eyes still wandering in Irina's legs.

Jehu set his glass down and turned to face her, their knees touching. «Sara, I have to confess something. I've enjoyed getting to know you. You're even more beautiful and interesting than I expected~»

Sara blushed, looking down shyly.
«Thanks, Irina. That means a lot coming from you. You're so gorgeous and confident~»

He reached out and took her hand, giving it a gentle squeeze. «I want to show you something, Sara~»

She looked at Irina, her eyes wide and curious.
«Okay...»

Jehu stood up and took off Irina's remaining clothes, ending up naked. «I want to show you what it's like to truly let go. To give yourself over to someone else completely~»

As Irina sat down next to her, Sara gasped, her eyes glued to the display

«Irina...» Sara breathed, her voice filled with desire.

Hostile Takeover - Part 7

«Shh...» Jehu placed a finger on her lips.
He stepped closer, taking her hand and placing it on Irina's breast. Sara's breath quickened as she felt the soft flesh, her nipple hardening under her touch.
«Touch me, Sara. Show me how much you want this~»

Sara needed no further encouragement. She stood up and pressed her body against Irina's, her hands roaming over the soft skin. Her breathing became ragged as she explored, her nipples hardening as she took off her top.

Jehu felt her desire, and it fuelled his own. He reached between Sara's legs, rubbing her clit gently as Sara's hands explored Irina.

Sara's fingers found Irina's pussy, sliding easily into the wetness. Jehu moaned as he grasped Sara's butt.

«Oh yeah!~» Jehu cried in pleasure.
«The boss's daughter is fingering me~»

Her fingers worked faster, thrusting into Irina's pussy as her thumb rubbed circles around her clit. Jehu could feel his own orgasm building, the pleasure intensifying as Sara brought him to the edge.

Then, with a cry, Jehu cried out as his own orgasm washed over him, Irina's pussy contracting around Sara's fingers.

Sara looked up at Irina, her eyes sparkling with a mixture of wonder and satisfaction. «That was...» She trailed off, unable to find the words.

Jehu, as Irina whispered hoarsely, «I want to try something, Sara. ~»

Sara, her eyes sparkling with curiosity and lust, nodded eagerly. «Anything, Irina. I trust you. I want this so badly~»

Jehu smirked internally.
«Close your eyes and let yourself go, my love. Just feel and enjoy.»

As Sara obeyed, her anticipation building, Jehu quickly and skilfully removed his dick out of Irina's skinsuit. Positioning himself between Sara's legs, his hands grasped her hips firmly, his hard dick rubbing Sara's pussy.

Sara felt a moment of confusion as the sensation changed, but her eyes remained shut tightly, trusting in Irina. Then, she felt it—a hard, thick intrusion pushing against her entrance. Jehu's rock-hard dick slid into her wet pussy, and Sara gasped, her eyes flying open as a mixture of pleasure and surprise washed over her.

Hostile Takeover - Part 7

«Oh my God...Irina...what...?» Sara stuttered, her eyes searching for an explanation.

Jehu chuckled, a sinister edge to his voice as he began to thrust slowly. «This, my dear Sara, is a very special dildo. Looks and feels just like the real thing, doesn't it?»

Sara's eyes widened as she processed this information. The sensation was incredible—the thickness, the firmness, it felt better than any dildo she'd ever experienced. But it was the movement that confused her. It wasn't static like a toy, it pulsated and thrust with a life of its own.

«Oh my God...» She breathed, her confusion and pleasure mixing into a heady cocktail.

His thrusts became more insistent, his hands gripping Sara's hips tightly as he pounded into her. Sara's confusion began to melt away as wave after wave of pleasure coursed through her. Her concerns were forgotten as her body took over, responding to the intense stimulation.

«Oh, fuck...yes...» She cried out, her head tipping back as Jehu hit a sweet spot deep within her. «It's so good... I can't... I can't think straight...»

«You like that, don't you, Sara?» He growled as Irina. «You like my special dick fucking your tight pussy. Admit it, you're a dirty little slut who loves to be fooled.»

Sara cried out, her body shaking as an intense orgasm ripped through her. «Yes...yes, I am...oh, God, I'm a slut for this dick...» She panted, her body throbbing around Jehu's invasive cock.

Spurred on by her confession, Jehu increased his pace, his balls slapping against Sara's sensitive skin, his eyes staring at Sara's face. «That's it, take it, you little bitch! Oh my god, I am fucking the boss's daughter, hahaha~»

His words sent Sara over the edge, and she screamed as an orgasm crashed over her. Her juices flowed freely, coating Jehu's shaft as he continued to thrust, his own orgasm building to a climax.

«That's it, milk my dick, you little whore,» he groaned as himself, his voice hoarse with desire. «Oh, fuck, I'm going to cum...going to fill your pussy with my special load!»

«What? Why do your voice...? Who are yo-» Sara was about to scream out of fear.

With a roar, Jehu unleashed his pent-up desire, his cock twitching as he filled Sara with his warm, sticky cum. Sara cried out again, her body spasming as she felt the heat of his release deep within her.

Hostile Takeover - Part 7

Before she could say something else, Jehu slid his dick out of Sara, jumping on the costume gun and shooting her with it.

«Hahaha, this is going to be fun~» he smirked, back to using Irina's voice
«Ooops, seems like my inner self popped out because of the pleasure~»

Not losing any time, he quickly wore Sara's skinsuit, reshaping as her in a moment.

He ran his hands over his now perky breasts, enjoying knowing that it was Sara's body he was touching. He bent over, testing her flexibility, and admired the round, firm ass that was now his. Jehu let out a moan, already planning all the ways he was going to use this new body to his advantage.

But first, he had some fun to have. Jehu spent the next hour exploring his new body, caressing every inch of Sara's skin, moaning as he discovered new erogenous zones and imagined what it would feel like for Sara.

He played with his new pussy, fingering the tight hole and imagining how she felt when he fucked her earlier.

Another climax later, and Jehu decided it was time to implement his plan.
He picked up Sara's clothes and began to wear them.

«Hihihi, the boss's daughter, is mine! Her hot, sexy body! I can do whatever I want with it~» Jehu grinned, licking Sara's legs after bending them over to his mouth, enjoying the nylon he had covered her legs with.
«But let's finish dressing first~»

He intended to use his position as the boss's daughter to get close to him and exact his revenge for years of bullying and humiliation. It was risky, but the potential payoff was more than worth it.

Jehu quickly gathered his things, ensuring he had everything he needed to maintain the illusion of being Sara. He took a moment to admire his new body. With a final wicked smile, he left Irina's place.

Stepping out, Jehu felt a rush of anticipation. He was now Sara, and as he looked down at his new body, he knew he could convince anyone of his identity.

Jehu made his way through the city, his heart racing with anticipation. He imagined the look on his boss's face when he would see him pop out of his daughter's body. The thought of deceiving him, of using his own daughter's body to get close to him and exact his revenge, made Jehu hard. He could barely contain his excitement as he approached the boss's lavish home.

Hostile Takeover - Part 7

He made his way to Sara's house, a smirk playing on his lips. He entered through the back door. Jehu made his way quietly upstairs and entered Sara's bedroom. He loved invading her private space.

He searched through Sara's wardrobe, knowing she had a thing for sexy, revealing clothes. He chose a tight, black top, showing off her cleavage, and a short skirt that stopped just above the legs, revealing Sara's rounded ass cheeks. He paired this with heels, knowing that the click of the stiletto heels on the hard floor would be a turn-on for any man, and furthermore, loving to be able to use women's shoes.

Feeling confident, Jehu made his way downstairs. He knew the boss was home alone, and the thought of seducing him while wearing Sara's skin excited him. He found his boss in the study, and the man looked up, a little surprised to see Sara there.

«H-hello, Sara,» the boss stuttered, his eyes roaming over her body. «What are you doing here, honey?»

Jehu put on his best innocent expression, batting his eyelashes. «Hi, Daddy,» Jehu purred as Sara «Is it okay if I come in? I need to talk to you about something.»

«Of course, honey. Come on in. Would you like something to drink?» Sara's father asked.

«Yes, please,» Jehu said, dragging out the words in a breathy voice. «It's so hot outside.»

Sitting down on the couch, Jehu crossed his legs, ensuring that the short skirt rode up even higher, giving His boss a glimpse of Sara's thighs. «So, Daddy,» he began, «I wanted to talk to you about something important~»

His boss handed him a drink and sat in an armchair across the couch.
«What is it, honey?»

«Well,» Jehu said, affecting a shy tone, «I've always thought you were so handsome and kind. You know, I've had a crush on you for a long time~»

His boss's face reddened, and he shifted uncomfortably in his seat. «Now, Sara, you know that's inappropriate. I'm your father, and I'm a married man.»

Jehu pouted, letting his hand trail up his top, opening it, and freeing Sara's boobs from it. «But I can't help the way I feel, Daddy. I'm a big girl now, and I know what I want... And wouldn't you want a piece of those beauties ?~»

Hostile Takeover - Part 7

«What is going on with you? Stop this nonsense!» The boss added.

Jehu decided to up the ante. He stood up and walked over to His boss, placing his hands on the older man's shoulders. «Please, Daddy,» he whispered, pressing his body against His boss's. «Just one kiss. That's all I ask.»

«No way! Get away!» The boss replied, pushing his daughter away and looking at her with furious eyes. «What is going on with you? You suddenly sound like a pervert!»

«Huuum, I see... Wait, you need more~» Jehu purred as Sara, going back to her room.
He took off her clothes, choosing the sluttiest one.

Opened top, a latex dress, and two high-platform boots.

«I would nail myself so much if I could. Hehehe,» Jehu laughed, going back to his boss.

This time, he chose a more aggressive strategy.
He sat next to him on the couch, lifting the short dress, to fully show Sara's legs.

«Is it better, daddy? Would you be more willing to tap into that ass now?~» Jehu asked as Sara, grabbing her butt.

The boss looked at his daughter once more, his eyes filled with confusion and anger. He did not know what had happened and wondered how his daughter could have a personality shift like that.

«I must be dreaming. You are not my daughter. What happened? Did someone threaten you and ask for money? Tell me!» the boss added, his eyes now full of despair.

«He he he he he~» Jehu laughed as Sara, unable to contain it.

«What? What is so funny?» The boss asked.

Jehu stood up, getting closer to the boss, pressing Sara's tits on his shoulder.

«You see...daddy... that employee you fired months ago... well, he is wearing your sweet daughter... controlling her every move...doing whatever he wants with it» Jehu said in his own voice coming out of Sara's mouth.
This scared the boss, who backed up a little
Jehu grabbed his arm, and took the opportunity to sit on his lap as Sara.

«Hey, Daddy, don't be scared, this is alright! Maybe if we fuck, he will leave me. Let's try it...if you understood the situation you are in~» Jehu smiled as Sara.

«She is my daughter, you sick fuck!» The boss tried to reply before Sara grabbed his head between her hands.

«Shhhh, daddy... Think a bit. I think you prefer me being here, rather than nailing a random dude outside, right?~» Jehu smirked as Sara, before kissing the boss.
«Huuuuum, daddy, I feel so wet right now~»

«Don't... use her voice like that...» The boss tried to say.

«But...daddy...I am your hot daughter... Look~» Jehu added with Sara's slutty voice, before taking her top and bra off, showing her bare boobs.
He made them jiggle in her hands.
«Have you never thought of playing with them? They are so big...so soft... I bet your dick can fit there...Don't you think I can't feel it hardening? Daddy is turned on by hearing the slutty daughter?~»

«No, I am not...» The boss lied.

«Really? Then let's prove it: Take those pants off.» Jehu smiled, standing up to free the boss.
Seeing him not doing anything, Jehu laughed in his own voice.
«Remember, it is either you or a random dude outside»

Understanding he had no escape, the boss did as asked, removing his pants, showing his raging erection.
Jehu closed the gap again, wanking the boss slowly with Sara's hand.

«Huuuum daddy, does it feel good when your daughter touches you?~» Jehu said as Sara, before pushing the boss back on the couch.
He sat on him, making sure to rub Sara's pussy on the boss's cock, leaning Sara's legs, halfway covered by the huge boots, around the boss's waist.
«I love those boots so much...so erotic...don't you think? Let's do it Daddy ~»

With a smirk, Sara stood a bit, just enough to let the boss's dick slide inside of her, making her moan.

«Oooooh Daddy! That dick made me, and now...it is inside of me~» Jehu moaned as Sara, before bouncing up and down, purely enjoying the pleasure of getting fucked as a woman.

And on top of that, he was getting his revenge, making him even more excited
The boss could probably feel it, Sara's vagina clenching around his dick, because quickly, Jehu could feel the dick about to finish.

He slides away, making a clicking sound as the high heels boots hit the ground. Jehu bent down before getting splashed by the boss's cum.
Jehu took a moment to play with the fluid, purring as Sara.

«Hey, don't blame yourself, buddy! Even I, since the time I have this body, wouldn't resist for long if I were to be seduced by this body, hahaha~» Irina laughed, sitting on her table, looking playfully at Nathan;
«So tell me, what have we done? I don't remember a thing~»

«Really? Well... We started on your couch... We played truth or dare, and you dared me remove my pants. After that, you teased me, removing your top, forcing me into daring you to take your underwear off too, until we both were naked and drunk... then you sat on me and...» Nathan said, trying to avoid eye contact with Irina.

«Naughty me~» Jehu said, biting his lip. He could almost feel the cool counter against his bare skin, the excitement of being taken from behind.
Jumping down from the table, Irina placed herself on the counter, bending her back in a way that asked for more.
«Did you fuck me like that?~»

«Yes»
Nathan nodded, his eyes fixed on Irina's body. He whispered.
«I entered you from behind, gripping your hips. You were so wet, and you kept begging me to fuck you harder.»

«I needed it~» Jehu said, his eyes half-lidded as he relived the fantasy.
«Did I scream for you?~»

«Yes» Nathan said, his voice strained.
«You screamed my name so sexily. It was so exciting... not even my girlfriend did it»

Jehu shivered with delight, feeling a tingling between his legs. It was incredible to hear about his own pleasures from an outsider's perspective.

«And did you cum inside me?~» Irina asked.

Nathan nodded, his breath coming in short gasps now. «I couldn't help it. Oh gosh, what have I done....»

At those words, Jehu felt a sharp pang of desire, knowing he needed to feel that sensation for real.

«You just had a good time, nothing wrong~» Irina sexily smirked, coming toward Nathan, putting a hand on his dick, which was obviously already hard under his underwear.
«Reminding me this just started me up again...now I need that dick in me~»

Hostile Takeover - Part 8

Page 3/9 - by Aribeth

«I am not sure if we can...I... Jodie is waiting for me» Nathan tried to say, making Irina get closer, her tits pressed on his chest, jehu was suddenly in the mood again.

Unable to resist her long, Nathan fell into the trap again, nailing Irina for a good hour.
As Nathan came inside Irina, Jehu suddenly thought about Jodie.

She was one of Irina's friends, the most shy and religious of all.
Getting tired of Irina, Jehu decided to seek for someone else to become.

«Pfiou Nathan! Jodie, is that bad in bed? You came so much, hahaha~» Irina laughed, feeling her womb full.
«Now lick my pussy clean. I hate to walk around with dripping cum~»

And Nathan did as asked, making Jehu cry out of pleasure another time.
Once he was done, Nathan headed to his clothes, starting to put them on.

«Nathan, can you give me a ride to your place? I want to see Jodie~» Irina asked, pointing the costume gun at Nathan.

«What? No, I can-» Nathan was about to reply before he got shot by the gun, crumbling into a pile of skin.

Jehu tore open Irina's mouth, revealing his own head out of her mouth.
He began to take her off fully, throwing her on the ground like a used towel, before wearing Nathan, reshaping as him soon after.

« How weird to have his dick... and to have my own voice coming out of his mouth, hahaha» Jehu laughed as Nathan looked at Irina's skin.
He put a chip inside of her head and shot her again with the costume gun to make her reshape.
«Now, with that control chip inside of you, you are basically my obedient slave, who answers to my voice, and only mine»

«Hugh...what...where...» Irina said, waking up after reshaping, confused and looking around until she saw Nathan naked.
«Nathan? What are you doing in my flat and naked?!»

«I am not Nathan. From now on, you resume your life normally, but you answer every one of Jodie's calls and requests. You are my puppet,» Jehu said, seeing Irina immediately turn inert before going back to life, a smile on her face.

«Yes, master~» She purred.

Hostile Takeover - Part 8

Page 4/9 - by Aribeth

«Good,» Jehu smiled, seeing that the control chip he had bought online on that weird website was working.

Wanting to waste no time, Jehu dressed as Nathan and headed to his place, excepting Jodie to be there, too.
Hopefully, she was, and it was only after she kissed who she believed was her boyfriend that she realised something was wrong. He was not kissing the same way, and the devilish smile on his face, staring at her, was sending her shivers down her spine.

She couldn't say a thing, getting turned into a skinsuit at the end of the kiss.

Jehu removed Nathan's skin, jumping on Jodie's one, wearing her fully.

«Hello, Jodie~» he purred, his voice a sinister blend of his own deep tone and a mocking imitation of Jodie's soft, feminine timbre.

Jehu ran his hands over his new body, cupping the generous breasts and squeezing them.
Jehu's perverted mind was thrilled at the thought of fully embodying this innocent, religious girl, turning her into his personal plaything.

«Oh, Jodie, your ass is so fine~» he cooed, caressing the perfectly rounded cheeks.
«And these legs...»

Jehu stepped back and struck a pose, twirling to admire his perfect, stolen body from all angles.

«What should we do today, Jodie?~» he asked himself in a saccharine tone.
«Should we go for a walk in the park, show off this gorgeous body to the world? Nail your boyfriend once he gets back to life?~»

As he played with his appearance, he fantasised about the reactions of Jodie's relations. They would be shocked, confused, and perhaps even aroused by this new, sexually charged version of the usually shy, religious woman.

His excitation grew strong, and he couldn't resist fingering his new body, moaning as her for the first time.

«Oh yes, Jodie, you like being touched here, right? You're such a naughty girl! Don't worry, I will take on your life from now on and use this body for the perversion it was made for~»

Hostile Takeover - Part 8

Once satisfied, having climaxed at least twice, Jehu wore what Jodie had before getting shot, in case someone would enter the room, and began to scroll her phone, looking for her friends to call.

He listed all the hottest ones and began to call them individually.

«Hey, Marine, long time no talk! I am planning a pyjama party, between girls, next weekend. I thought of making a thematic one, like we all come with a latex outfit, the hottest we can find. Wanna come?~» Jehu explained in Jodie's voice, caressing her vagina, imagining with lust and perversion this party with only hot girls dressed in his fantasy.
«What? It sounds weird coming from me? Come on, you and Irina always tell me to be less conservative and have fun...so this is a start! I feel more comfortable dressing in hot latex if you too are... so book your weekend. This will definitely be fun~»

At the end of the call, Jehu checked her name. After a few explanations, she finally said yes, and he jumped on the next one, telling her the same and asking her to come with that particular request.

In the end, Jehu had ensured to have a bunch of hot girls dressed in latex surrounding him the following weekend.
He spent the rest of the week impersonating Jodie, passing as her and having his own perverted fun inside his new body.
From time to time, he went to see Irina, and, thanks to the chip, had his fun with his new obedient sexual slave, finally getting the chance to taste her body from the outside.

Regarding the previous request that Irina received, Jehu told her to redirect them all toward Jodie's phone, as he intended to stay with her for the moment.

So quickly, Jodie got the reputation Irina had, of a cheating, hot perverted girl, doing every of Nathan's friends without him suspecting a thing, as Jehu knew how to fuck him well at night, making him forget every rumor he had heard.

Jehu loved Jodie's body, and fucking as her felt immensely better.

Hostile Takeover - Part 8

Page 6/9 - by Aribeth

On top of that, Nathan had a high-paying job, and Jehu had no trouble asking him for money, using all of Jodie's sensuality.

Jehu would then spend entire days going shopping, trying on the sexiest, naughtiest outfits for Jodie, buying them all to fulfil his fantasies later.

At first, Nathan was reluctant to see Jodie come back day after day with new stuff.
But sometimes, coming back to work like this Friday, to be greeted by his girlfriend, sexily wearing a brand-new latex outfit, made him forget everything that was happening around him.

«Hello, honey! Back to work, I see... Huuuum, do you like my outfit? I just finished sliding on my platform boots over this ... sexy top... like a minute ago, and to be honest, I was about to finger myself at my reflexion~» Jodie purred, pressing her chest for Nathan.
«I love this body so much... and so do you, judging the bulge in your pants. Come on, make me feel good~»

Not needing to ask twice, Nathan's hands found their way to Jodie's hips, pulling her closer as he responded with a hungry kiss.

Jehu pulled away, taking Nathan's hand, and led him to the bedroom. Once in the room, illuminated by the warm glow of candlelight, he slowly turned, giving Nathan a full view of the erotically charged outfit.

«So, what do you think, baby?~» Jehu asked as Jodie.

Nathan's mouth went dry as he took in the sight.

«It's...amazing,» he managed to say, his voice hoarse with need.

«It's all for you to fuck tonight, babe~» Jehu cooed, walking over to the bed and slowly lowering himself onto the edge.
«Do me good. Show me how you want me to stay with you. Deserve me~»

With that, Nathan launched himself onto the bed, his hands eagerly exploring Jodie's latex outfit, tearing it apart in a feverish passion.

Nathan's fingers trailed down the sleek surface of the latex, sliding between Jodie's thighs, his touch more invasive now. Jehu's moans became more urgent as Nathan's fingers delved deeper, his touch triggering waves of pleasure to course through his body.

«God, you're so wet» Nathan gasped, his head dipping down to kiss the swell of Jodie's breasts.

Hostile Takeover - Part 8

Page 7/9 - by Aribeth

His lips and tongue worked her nipples. Nathan's kisses trailed down her stomach, leaving a wet path of saliva, until he reached the apex of Jodie's thighs.

Nathan's tongue moved in and out of her slit, his hands grasping her hips to hold her in place, his hungry mouth teasing her clit.

«Fuck yeah, right there~» Jehu groaned as Jodie, wrapping his high platform latex boots around Nathan to push him closer.

Jehu's moans grew louder and more desperate as he edged closer to the climax.

«Oh fuck, I'm cumming!» Jehu screamed in Jodie's sensual tone, her body convulsing violently as the orgasm ripped through him.

Her legs still wide open, Jehu moaned in ecstasy, laying on the bed.

«Fuck! That was so good, hahaha~» Jehu laughed, Jodie's voice mixed with moans.
He stood up, looking at Nathan.
«Now you need to go. I have invited some friends tonight, and you can't stay. Girl's only~»

«What? But it is my flat, and we really stop here?» Nathan replied, surprised.

«Yes, but if you want to fuck this body, you will have to let me have the flat tonight. And the girls will come soon, so I don't want to have your cum leaking through my pussy. You already destroyed my top, I have to change it. Now go!~» Jehu told Nathan, who complied.
«Hehe, this boy is so under his girlfriend's charm»

Jehu went to his changing room and replaced his torn top with a new one, full of latex.
As Nathan was about to head out, he looked at his girlfriend.

«Whoa! You are...» Nathan said, trying to find his words.

«Ready for sex? I know, but not in the way you think, hahaha~» Jehu couldn't help but laugh.

Nathan didn't get the message and left, leaving who he believed to be his girlfriend, with some of her friends for a night.

Hostile Takeover - Part 8

Page 8/9 - by Aribeth

The flat buzzed with excitement as Jehu, once again in Jodie's body, welcomed his guests. As requested, each woman arrived in a revealing latex suit.

«Jodie, is that really you?» Exclaimed Emily.
«Since when did you become a latex-loving vixen? I don't quite understand why we had to dress up with...that...»

Jodie let out a sultry laugh.
«Oh, I've always been a bit of a wild child. You just didn't know me well enough, Emily! And besides, everyone should explore their kinky side, right girls?~» The imposter batted her eyelashes innocently, yet there was a spark of sexual energy in her gaze.

The night progressed, and Jehu, as Jodie, continued to seduce and entice her friends, encouraging them to let loose. He slowly guided the group to start various sexual activities, slowly pushing boundaries. They began by playing a risqué game of truth or dare, where Jehu, as Jodie, dared Sarah, to strip down. As the wine flowed, inhibitions were lowered, and the women found themselves divulging secrets, sharing desires, and exploring each other's bodies in ways they never imagined.

Emily, always the adventurous one, initiated playful flirting that soon became passionate kisses between the ladies. As the night reached its peak, Jehu suggested they take the party to the bedroom.

That's from this point, that things got all spiced.
Jehu's strategy had worked, and thanks to the little exciting drug he had put in the glasses, all of Jodie's friends were having no trouble doing each other under the lustful eyes of the pervert hidden in the room among them.

But Jehu couldn't contain himself for long and took part in the party, licking Jodie's friends, getting licked by them, and all enjoying it together.

Jehu waited for Sarah to go to the toilets, wanting way more.
He locked the door behind her.
As he was alone with Emily, still rubbing her boobs, Jehu shot her with the costume gun.

«Hehehe, now the fun is about to really begin» Jehu laughed in his own voice, taking off Jodie's skin off, before wearing Emily, reshaping as her slowly after.

Hostile Takeover - Part 8

Page 9/9 - by Aribeth

«Had those boobs all over my face some minutes ago, and now I can play with them~» Jehu smirked as Emily, cupping her breasts.
«But I should be quick now!»

He headed toward Jodie's empty skinsuit, positioning himself above her, opening the skinsuit from the back.

«I feel my new pussy rubbing on your empty suit...how pleasant~» Jehu smirked, and after taking another control chip, he put it inside of Jodie's body.

Satisfied, he took the costume gun back, and shot Jodie again, making her quickly reshape.
In the meantime, he unlocked the door, and once Jodie was fully back to normal, he spoke to her in his own voice, coming out of Emily's mouth.

«Now you answer to this voice only! Keep acting all slutty for me, and encourage our other friend not to panic, and suck my dick, when I will pop it out of this slut's pussy. Also, when I tell you, you will lock your friend, so I can fuck her if she resists» Jehu explained, Jodie looking with interest at him.
«Understood?»

«Yes, master~» She sensually replied, before resuming kissing Emily's body, giving Jehu the shivers.

Sarah got back a bit later, joining the woman back on the bed, unaware of what happened.

«Hey, I have a new fun toy to try~» Jehu said as Emily, popping out his member out of her pussy.
«Voilà! Feels so real, right?~»

«What the fuck? I saw you take this out of you! How is it possible?» Sarah asked, curious and somehow feeling something was wrong.

That's when Jodie came toward Emily, got on her knees, and slowly wanked Jehu's dick, looking at Sarah with her convincing eyes.

«What are you afraid of? This is so much fun... this feels so real...so good... come on, suck on it with me~» Jodie sensually said, before diving into the action, followed by Sarah, that convinced herself nothing was wrong.

As for Jehu, he was about to get his own personal harem of sexy sluts he could wear whenever he wanted, controlled by his voice.
They had no idea what was about to unfold, and he got all turned on, with the perspectives.

HOSTILE TAKEOVER – PART 9

Sarah tried to move away but couldn't.
She helplessly looked at both of her friends, abusing her.

When Elodie was done, she came inside of Sarah, who felt the semen flooding her inside.
She had no doubts. Her friend has been replaced somehow by a perverted male.
But everything was so real. It was like Elodie was inhabited.

As for Jodie, why was she following Elodie? Sarah had so many questions.

They both tied Sarah to the bed, and Elodie looked at her, a smirk on her face, while Jodie came next to her and began to massage her body lustfully.

«I am telling you this because soon you will be like her, one of my loyal sex slaves and mount» Jehu said with his own voice coming out of Elodie's mouth while Jodie caressed her assets gently.
«Be happy, look at all the fun we will have. Jodie, get me the tool»

Jodie went to the costume gun and took it, before giving it to Elodie.
Jehu pointed it toward Sarah and shot it, making her deflate.

«Jodie, help me take off your slut's friend» Jehu said, waiting for Jodie to help him slide away from Emilie's skinsuit, ending up fully naked again.

He then went to his bag to pick another control chip and put it inside of Elodie's skinsuit, before shooting her again with the costume gun, making her reshape back to life.

He instructed her the same orders as Jodie, turning her fully into another of his obedient dolls.

«Now, you two suck me dry, I want to have a first taste of my new harem» Jehu smirked, sitting on the bed, waiting for the two girls to crawl at his feet.

With a lustful stare, they both began to lick his dick, making him moan in pleasure.

«Oh my gosh! A few weeks before I broke into Irina's house, I was a fat virgin loser, and now I am having sex with my slaves at one of their boyfriend's houses, hahahaha» Jehu couldn't help but laugh, thinking of the situation.
He took Sarah's skinsuit and put her head on his.
«And I can hide as anyone~» He said in Sarah's voice.

HOSTILE TAKEOVER – PART 9

Page 3/8 - by Aribeth

«My dear friends~» Jehu purred, his voice taking on a seductive tone as he spoke through Sarah's mouth. «Let's begin our little party, shall we?~»

«Do me good. Make me moan~» he whispered.
Elodie and Jodie came closer and began to take Sarah's breasts into their mouth. Their fingers circled the pink nipple, pinching and twisting gently, causing Sarah's body to arch and a soft moan to escape her lips.

Jehu's cock, coming out of Sarah's body, began to stir, growing harder as he witnessed and felt the pleasure.

Jehu's hand reached down, sliding through Jodie's silky hair, urging her on.

«That's it, my pet. Worship my breasts. Make me beg for more~»

As the two women pleasured Sarah's body, Jehu's fingers found their way to their dripping wet pussies. He dipped a finger into Elodie's folds, feeling her heat and wetness, and then brought it to his lips, sucking her essence off his finger.

«Mmm, delicious,» he murmured, his eyes closing momentarily as he savoured the taste and the pleasure Elodie and Jodie were giving him.

He repeated the action with Jodie, gathering her juices on his fingers and then sucking them clean, all while their hands and mouths continued to worship Sarah's body.

The room filled with the sounds of their moans and the wet sounds of fingers sliding in and out of warm, eager holes.

Jehu's cock was now throbbing.
He leaned on the bed, his hard member pointing to the ceiling.

«I want you to fuck me both~» He said, his voice hoarse with desire.
«Ride me hard, like the slut you are~»

Elodie needed no further encouragement.
She impaled herself on his cock, taking him deep inside her in one swift motion.

She threw her head back, her lengthy hair cascading down her back as she began to ride him with abandon. Her breasts bounced rhythmically, and her cries filled the room as she found her release quickly, her body trembling around his cock.

HOSTiLE TAKEOVER – PART 9

Not to be outdone, Jodie sucked on Elodie's boobs, positioning herself above Sarah's face.

«Let me eat you slut~» Jehu moaned while his dick was taken care of by Elodie.

Jodie lowered herself, her pussy pressing against Sarah's mouth.
Jehu began to lick and suck, his tongue darting into Jodie's hole, eliciting loud moans of pleasure from above.

The sight and sounds of the two women climaxing around him were almost too much for Jehu to bear. He knew he was close to the edge.

«I'm going to cum,» he growled, his voice a mixture of Sarah's and his own.
«Oh, fuck, I'm cumming!»

He emptied himself inside Elodie, his cock pulsating. At the same time, Jodie's body tensed above him, her juices flowing onto Sarah's face as she rode out her orgasm.

He smiled, satisfied with the pleasure he had given and received.

«Now, my dear slaves,» he said, his voice regaining its usual tone, «let's explore some more of my... unique tastes.»

Jehu intended to use Sarah's body to fulfil his wildest fantasies.
And as a start, he intended to live as one of his four sex dolls.

For this, he would have to gather them all in the same place, and he thought about Irina's house for that.

«Hehehe, that house I broke into, will now be mine, and the place of my harem~» Jehu laughed, stuffing his empty dick back inside Sarah's vagina, ending up entirely looking like her.

«Come on, girls. You will now live with me at Irina's place until I decide otherwise. You will live your life as usual, but you now love and worship me. I am your only boyfriend and love of your life, and you do everything for me,» Jehu explained in his own voice.
«Before you start moving your stuff to my place, and get rid of your boyfriend for those who have one, let's get cleaned a bit»

The three headed to the bathroom, following Jodie. Jehu enjoyed the sight of their two butts sexily moving, knowing he could rub them or have them for himself whenever he wanted.

They all went into the bathtub and began to rub each other with soap, Jehu taking the opportunity to fondle them according to his will.

The intimate moment was interrupted by the sudden opening of the bathroom door.

«Hey, Jodie, you in here?» A deep voice called out. Nathan stood in the doorway, his eyes widening at the sight before him.

Jehu, quick to react, sat up in the tub, his eyes locking with Nathan's.

«Oh, Nathan, darling~» Jehu purred, using Sarah's voice, his tone dripping with seduction.
«We were just having a little fun between girls. Why don't you join us?~»

Jodie smiled at her boyfriend.
«Yeah, Nathan, come join us. It's so much fun~» she said, her voice breathy and inviting.

Nathan hesitated for a moment, his eyes flicking between the three naked women.

«Hugh...Are you sure?» Nathan asked, a bit aroused by the sight of those hot girls caressing each other. He had never seen Sarah and Elodie naked, and now he had them all in front of him.

Jehu smirked, a devious plan forming in his mind. «Elodie, my dear, why don't you show Nathan how much fun we're having? He seems hesitant to join us~»

Elodie obediently moved towards Nathan. She stood up in the tub, her body dripping wet, and pressed herself against Nathan's muscular frame.

«Let me show you what we've been up to~» she whispered, her lips brushing against his ear.

Nathan's resistance crumbled as Elodie's hands roamed over his chest, her fingers deftly unbuttoning his shirt. She pushed it off his shoulders, revealing his toned torso.

Elodie's mouth trailed kisses down his neck, her hands working on his belt, unbuckling it with practised ease.

Jehu watched with satisfaction as Elodie guided Nathan inside of her mouth, giving him a blowjob in the middle of the bathroom, watched by Sarah and Jodie.

«Do you see that, dear? Looks like your boyfriend is enjoying his time~» Jehu said as Sarah.

«I can see this. I can't blame him tho, Elodie seems to be giving an excellent blowjob~» Jodie replied, a smile on her face.

«This is weirdly satisfying and exciting to watch» Jehu thought, enjoying the hot water of the tub.

«So honey, will you join us?~» Jehu asked as Sarah, and Nathan immediately agreed.

Elodie stopped giving him head and took his hand, guiding him toward the tub.

The warm water enveloped them, and Nathan sat in the tub completely naked, his erection tenting the water's surface.

«Oh, look at that, girls~» Jehu cooed sexily as Sarah. «Nathan is so eager to join our little party. Let's make him feel welcome, shall we?~»

Elodie, still standing, straddled Nathan's lap, her back to his chest. She reached behind her, guiding his thick shaft into her wet core with one smooth motion.
Nathan groaned, his hands instinctively gripping Elodie's hips as she began to ride him, her lithe body moving in a slow, sensual rhythm.

Jodie, leaned forward and took his left foot into her mouth, sucking on his toes, her tongue teasing the sensitive skin. Nathan's breath hitched, his body tensing with pleasure.

Jehu moved closer to Nathan. He leaned forward, pressing Sarah's boobs on Nathan's face, Sarah's lips brushing against Nathan's ear, and whispered: «How does it feel? To have your girlfriend and her friends use your body for their pleasure?~»

Nathan's only response was a guttural moan as Elodie's tight heat clenched around his shaft. Jehu chuckled softly, his hands reaching to cup Elodie's breasts, pinching her nipples between his fingers.

«That's it, Elodie, ride him hard~» Jehu encouraged, his breath hot against Nathan's neck.
«Show him what a good little slut you are~»

Elodie's movements became more frantic, her hips rolling and grinding against Nathan's lap.

Nathan's hands gripped the sides of the tub, his body tensing as he struggled to hold back his climax.

Jehu pulled away from Nathan, his attention turning to Jodie.

«And what about you, Jodie? Are you enjoying the sight of your boyfriend getting fucked? Come on, Help Elodie out~»

Jodie switched with Sarah, facing Elodie.
She began to kiss her, before working her hands on her breasts.

«How do you feel, darling? Is her pussy as good as mine~» Jodie asked, Elodie turning her face toward Nathan to hear the answer.

«She is so tight... Oh my god... I love you, honey,» Nathan managed to say while Elodie bounced on him.

The bathroom echoed with the sounds of flesh slapping against flesh, mixed with moans and gasps of pleasure. Elodie's cries grew more intense as she neared her climax, her body shaking as she rode Nathan's rigid shaft.

«Oh, fuck, I'm going to come!» Elodie cried out, her body stiffening as her orgasm washed over her.
«Can I...can I come inside of her?»

«Of course, honey, fill this whore~» Jodie smirked, working her mouth on Elodie's tits.

Nathan's hands gripped her hips tightly, holding her in place as he thrust upwards, filling her with his hot seed.

As Elodie's body trembled, Jehu was watching the scene as Sarah, caressing her clit, enjoying the mess and control he had.

Once Nathan was done, Elodie stood up, letting Jodie look at her pussy, dripping from Nathan's cum.

«Hehe, look, your boyfriend came so much inside of me~» Elodie said.

«Huuuuuum, let's just be sure it is from my boyfriend~» Jodie smiled, starting to lick, and eat Elodie's vagina.

«Yes, that tastes the same~» Jodie said, satisfied after being done cleaning Elodie.

«My... I don't know if there were like that already or if a bit of my mind printed itself inside of them, but damn, they are sexily perverted... in their own way» Jehu thought, loving the scene.
«Speaking of that, I am not satisfied yet»

«Nathan, dear, can you please fetch all our clothes for us? And be nice, I am hungry. Cook for us~» Jehu said as Sarah stood up, massaging her boobs gently for Nathan's pleasure.
«Be nice, and I will let you fuck this body~»

«I... Hugh...Okay, Sarah» Nathan accepted, confused about all this but not wanting to miss the chance.

«Hahaha, this idiot is so easily manipulable. I fucking love the power I have over men, as a hot chick» Jehu thought, seeing Nathan go away from the bathroom.

Jehu washed over the soap from Sarah's body, and stepped out of the tub.

«Go get clean, once we are done here, we move to Irina's house» Jehu said with his own voice coming out of Sarah, before grabbing a towel.
The two women followed the order, following Sarah out of the tub and drying themselves.

A few minutes later, Nathan returned with everyone's clothes and bags and put them on the table.

«Damn, you were quick! You really want to taste this slut~» Jehu smirked as Sarah.
«Go make me a coffee before~»

Nathan headed away, letting the 3 women dress up back fully as they were when they arrived.

Jehu was now so familiar with bra, that he put Sarah's one flawlessly, that anyone seing that could have thought it was the real Sarah.

Jehu made sure the costume gun was in Sarah's handbag, and they all headed to the living room, where Nathan had brewed some coffee.

«Oh, thank you dear~» Jehu smirked as Sarah, coming close to Nathan, kissing him deeply on the lips, caressing Nathan's pant.
«You will need to remove that if you want to fuck me~»

Nathan immediately took his pants off, letting Jehu grab his erection, wanking him slowly while drinking the coffee.

«And how am I supposed to ride you, with my pant on? Take it off~» Jehu added, smiling as he watched Nathan eagerly taking Sarah's tight pants off.
Jehu finished drinking his coffee, and lead Nathan to the couch, making him sit on it, before ridding him raw, discovering how pleasant it was to fuck as Sarah.
«Damn Nathan, I saw it as Jodie how big you are, but in this pussy...huuuuum...you are stretching me so well~»

Nathan didn't understand the whole sentence, too busy enjoying fucking Sarah, which he had lusted on since he was going out with Jodie.
On his side, Jehu took the time to enjoy the moment, relaxing after climaxing as Sarah, before going with the next part of his plan.

«You did good...look at this mess» Jehu said in his own voice, caressing Sara's boobs, covered in cum.
«You did your own daughter, hahaha!»

«You made me do it, you sick fuck! Now give it back to me!» the boss angrily said.

«No rush 'daddy', let me lick all this cum first, I loved the taste so much... Huuuum, weirdly enough tho... Maybe that's because I am in a woman's body» Jehu said still in his own voice, running Sara's tongue on her boobs, cleaning a bit the mess.
«Imagine, if you hadn't fired me because I got caught staring at your slutty daughter... maybe she wouldn't have your cum on her... who knows»

«OK, I admit. I am sorry! Are you satisfied? Now leave her!» the boss tried, desperate.

«You are sorry? Oooooh, how sweet. Are you sure you want me to let her go? I think you enjoyed doing her.... maybe I can stay as your little princess and... we can do this again and again later~» Jehu purred as Sara, pressing her boobs together, massaging them lustfully.
«Huuuuum daddy imagine! You could do me whenever you want... Have your personal sex slave that you raised over the years... And your wife, I mean mommy, would never know... hahahaha~»

The boss seemed to consider the offer for a quick instant before turning immediately red out of rage.

«No way, you let her go!» He said furiously.

«Okay, as you want~» Jehu playfully replied.
«Follow me first...and don't stare too much at that ass... The one you fucked earlier, remember? Hihihi~»

Jehu guided the boss into Sara's room, asking him to stand still.
Jehu picked the costume gun from under some clothes and shot the boss with it.

«Tsss, what a waste. I would have loved to stay as this slut. But... Let the fun begin before I go» Jehu said, picking Sara's phone.
He dialled the police number and told them as Sara, that her father just violated her.

Once done, he took Sara's skinsuit off, going back as Irina, and dressed with some of Sara's most luxurious clothes before going away, after having put the skinsuit of the father and daughter next to each other on the bed, so the police would find them both reshaped, next to each other.

He walked away happily as Irina, smiling at the police officers he met on the way, unaware that the pervert who had created all the recent mess was in the shape of this cute woman.
What would be his next plan? he had every possible opportunities.
