HEAD SWAP CRAFT 11

By AdonioGTS

Fran sat disturbed as she couldn't believe what had just happened. Brandon, whom Fran thought was the love of her life, left her for another woman, and to top it all off... That woman was her friend Amy! Now that she had swapped bodies with a busty sexy woman, Brandon was all but happy to leave Fran in pursuit of a sexier girlfriend.

Fran still held on to the belief that men where capable of loving a woman for who they where, not how they look. For her, that was true love, and that idea was still lingering in her head... For if it wasn't true, love did not exist...

Brandon you stupid asshole!
How did I ever end up with you?
adidas

Let's see, before Brandon I was dating Kurk.
Oh yes, I do remember Kurk! He wasn't such a bad guy!
adidas

Maybe he'll go out with me again if I ask him...
That's what I'll do!
adidas

Nearby, Kurk was getting ready to hit the waves.

The waves look great today!

Hey Kurk!

You didn't forget about our date tonight... Right?

Of course not babe!

I'll pick you up
8 o'clock sharp!

See you later babe! I'm gonna go catch me some waves!

He's all mine now...

Hey Kurk!

How you doing?
Long time no see!

Will you be busy later tonight?
Maybe we can go out...
What do you say?
adidas

Oh! I'm sorry...
I have other plans.

Don't play coy with me Kurk... How about cancelling those plans and going out with me?

Who knows... Maybe you'll get lucky tonight...

Who the fuck are you?!

You stay away from my man!
You got that, bitch?!

Is this the girl you where talking to me about?

I know who you are!
You where seeing someone else behind Kurk's back!

She's a skank Kurk!

You had your chance!
You blew it! Now leave us alone!

Kurk is seeing someone else?
Now it will be impossible to win him back!
adidas

Or is it?

Back at Crowley Beach Amy was puting her bikini back on after an intense love making session... While Vicky waited for Brandon to arrive with provisions.

Dammit!
What's taking Brandon so long?

Could you help me put this top on?

Looks like my virgin days are over... Uh?
I know what it's like to have sex now...
Is it normal for blood? To come out of there?
You know... after sex?

Blood?
No Amy...
Is this your
first period?

Periods happen every 28 days or so...
It's normal. Don't worry about it.

Don't get distracted Fran...

Enough Fran!
Let's concentrate
on what's important!

That message on the phone. Looks like the owner of the phone was called Lois.
Amy must take the place of Lois so we can enter that meeting. The spirit has told us so. We have to go.

The message also said that Angelina Swanson, the famous actress, was going to be there!

Never heard of her...
Do you remember how that
Lois lady looked like?
You have to try and look
like her, your face at least.
How are we going to
get there anyways?

Tomorrow I'm supposed to meet with my big sister. She wants to hang out a bit, and she does have a car! I'll ask her to see if she can drive us there!
I'll dress up like that Lois lady. I'll find a fancy dress and a wig.

Well it's settled then! Tomorrow we'll meet at noon and go to Swanson Studio. It seems like this is all part of some prophecy and we must fulfill our roles.

You look like a completely different person!

No big deal.

Hello!
Nice to meet you.

So what's your friend's name Giselle?
Robert, meet Vicky. Vicky, meet Robert.

Keep handing out flyers Robert. I'll meet with you later.

Nice to meet you Vicky! Hope to see you at the church soon!

Oh, come on Vicky! Don't be like that.
Let's sit down and have a nice chat like we used to do.

So, what have you been doing these last two years?

I've been doing lots of growing these last two years.

What do you think?

How do they feel?

They feel...
Um...

I don't remember Vicky being this big breasted!
Can't get turned on... Gotta fight it.

Stop pretending! You know you like it!

Vicky, we have to leave that in our past...

That sort of thing is a sin Vicky!
And I know that God doesn't take kindly to that.
I understand you don't believe in God
after both your parents died...
But God has a plan!

Shut up!
Shut up!
Shut up!
I don't want to
talk about that!

You know what?
Forget about it!
Don't ever talk to me!
Leave me alone!

Hey!
Come on Vicky.
Don't be so harsh!

Yeah?
Whatever!
I'm outta here...

I'm so distraught... What if Vicky is right? I've always felt some sort of attraction towards her...
And I still do...

Especially now...

Vincit qui se vincit.
Non ducor, duco...
This body now I
take over.

Stupid Giselle!
She still believes in all that horseshit?

Vicky,
Your attention
I heed.

What the hell do you want?!
I told you not to talk to me again!

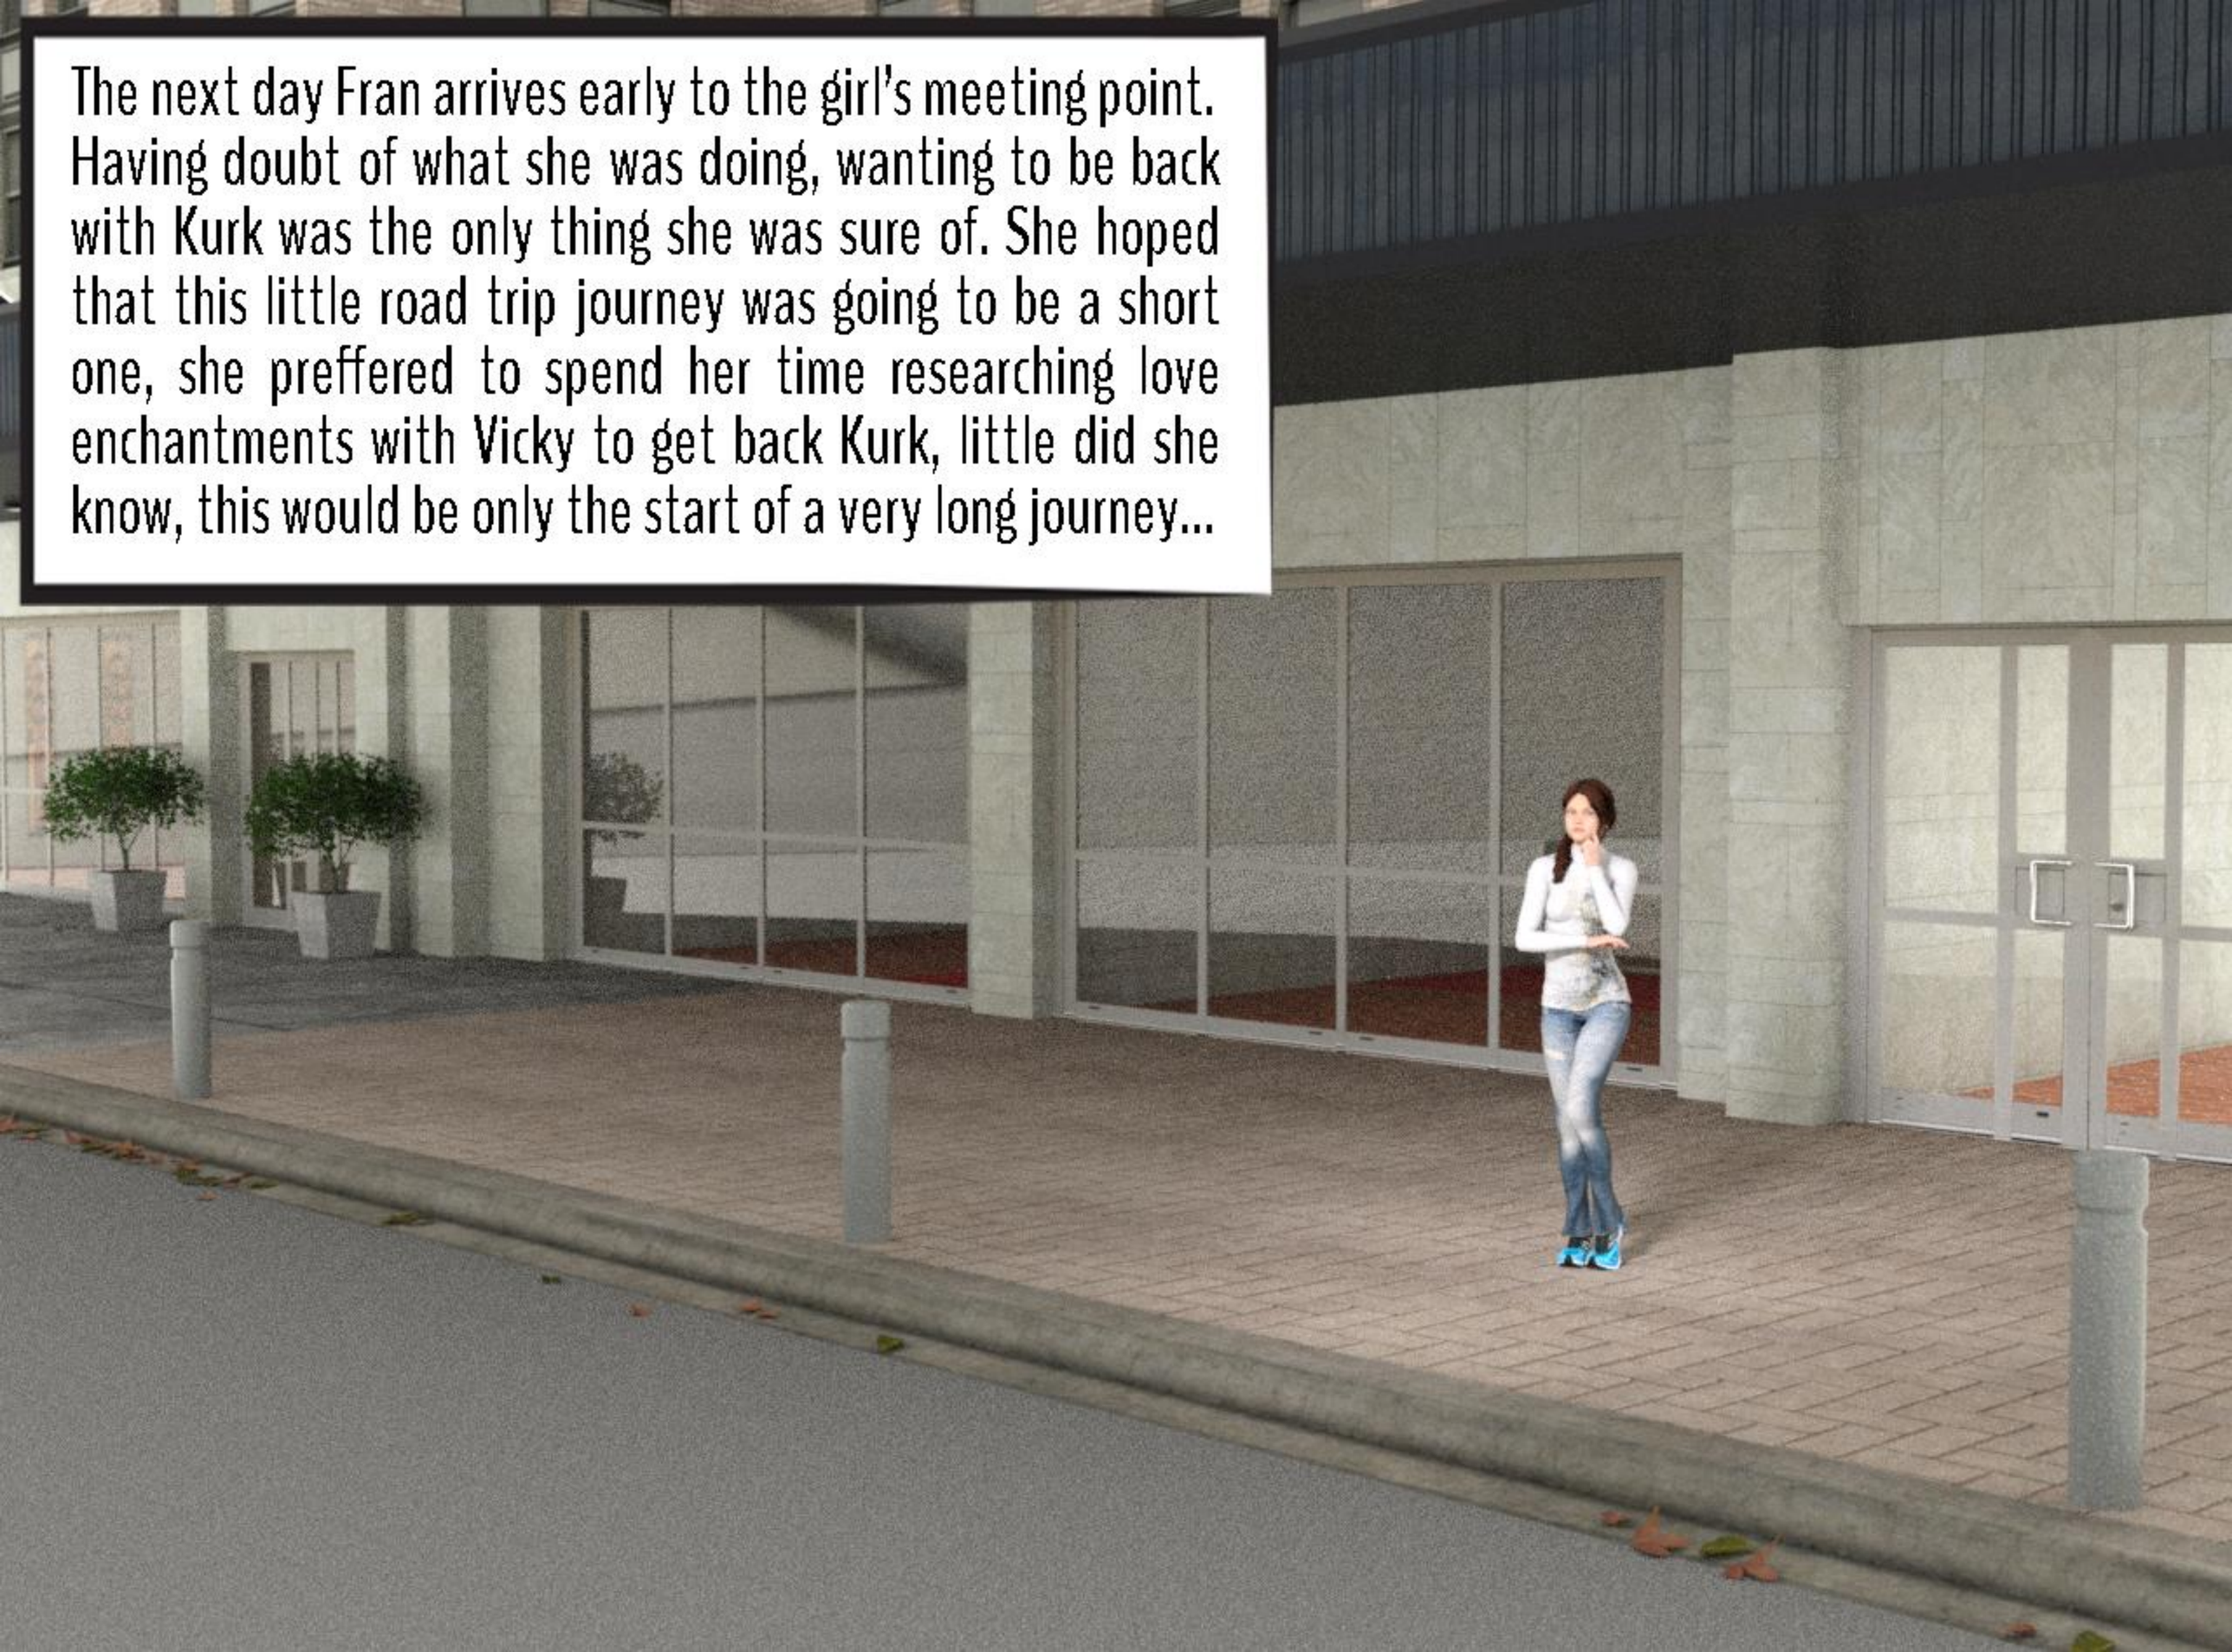
With God your resentment is justified Vicky.

You're talking out of your ass Giselle...

Enjoying your new body I hope?
Be gracious, the generosity of the Dark One is reserved for just but a few.

Sacred is our duty to fulfill the Dark One's prophecy.
It's in our destiny to open the gates, for in Heaven a new war is to be waged.

Come, explain everything I will.



The next day Fran arrives early to the girl's meeting point. Having doubt of what she was doing, wanting to be back with Kurk was the only thing she was sure of. She hoped that this little road trip journey was going to be a short one, she preffered to spend her time researching love enchantments with Vicky to get back Kurk, little did she know, this would be only the start of a very long journey...

They're always late!

Hey Fran.

Have you seen Amy?

MEET THE NEW FACE OF IVY

Looking down at the face she carries, IVY feels a kind of with reverence. It's an amazing thing, he thinks, what some people will do for others—to give them a heart or a liver, even a face. He says a silent prayer of thanks and takes the face to its next life.

We are members of an exclusive group: animals that recognize their own faces in a mirror. Besides us, great apes, Asian elephants, Eurasian and magpies.

My. Self. Our faces are the outer image we attach to our inner sense of self, to who we are and where we fit in the world. Faces root us in our culture, in the rituals and rules about how we present ourselves and how we see others. In some cultures, faces are veiled and hidden. Other cultures draw attention to faces with displays of tattoos, piercings, and scarification.

At the simplest level of identity, our faces function as our passport photo to the rest of the world. But they're also the way others seek to know us more deeply, to discover who we are behind that photo. "Appearance is the most public part of the self. It is our sacrament, the visible self that the world assumes to be a mirror of the invisible, inner self, Harvard.

Whether the emotions we express with our faces are evolutionary adaptations or learned social behaviors is a topic hotly debated among social scientists. Charles Darwin argued in 1872 that facial expressions displaying some emotions are universal adaptations. In the late 1960s the psychologist Paul Ekman concluded that Darwin was correct.

IVY COSTUME

Meanwhile at Kurk's room.

Hey Kurk...

So, what do you think of my new schoolgirl costume?

This costume is going to be a hit at the cosplay event tomorrow!

I have a surprise for you, but it's under this costume.
Today's the big day...

Here, I'll help you take it of.

Stop it Kurk! You are ruining my costume!

I'll be right back...
Okay, okay... Sorry!

Finally, the day arrived!
I haven't had sex
in such a long time!

Ah?

So whatcha think of my new lingerie?

Kurk, why are you looking at me like that?

What the fuck?

Hey!
Who the fuck

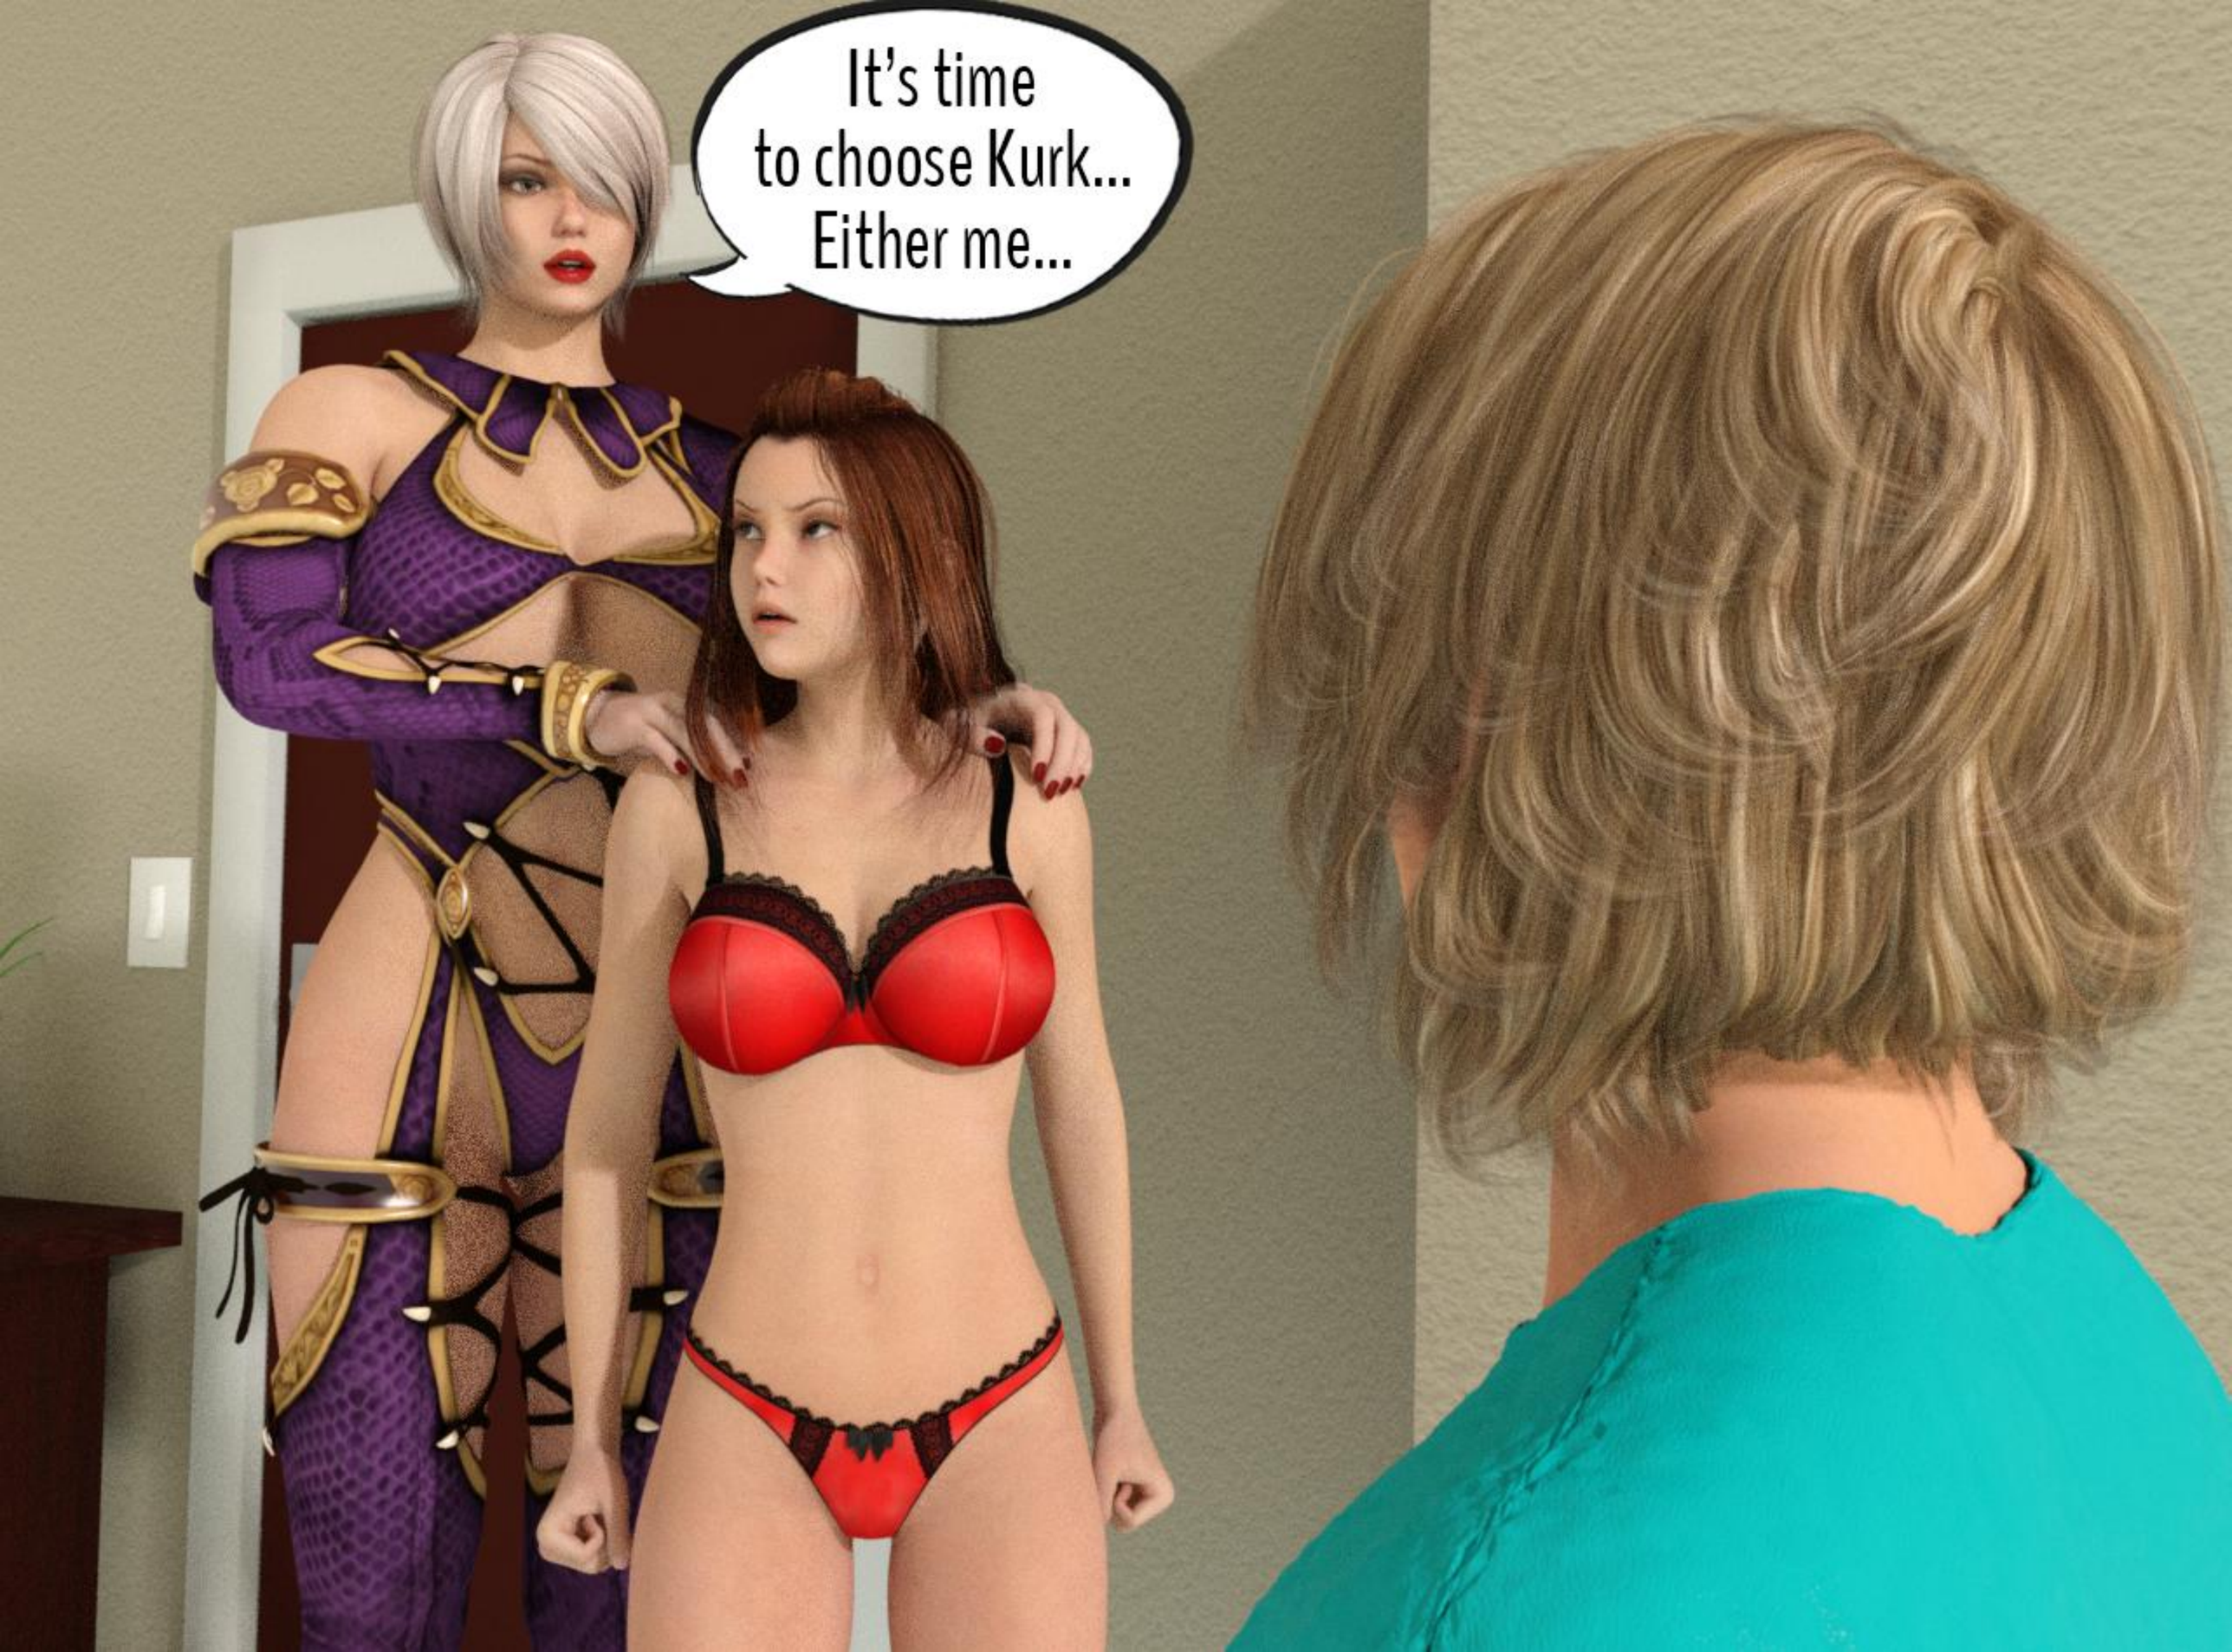
I'm IVY!
Vampire hunter!

What the hell is going on here?

Eeeehhhhh...



It's time to choose Kurk... Either me...

Or this little girl...

Who are you calling a fucking little girl bitch?!

AH!!!!

My wig!

You're that girl! That girl that left Kurk for another guy!
What the hell are you wearing? Fake boobs? A wig?

You still seeing that fucking bitch? Behind my back?

And you...
You look ridiculous

I've had it with this!

You two weirdos!
I hope you two are happy with each other!
GOODBYE!!!!

BLAM

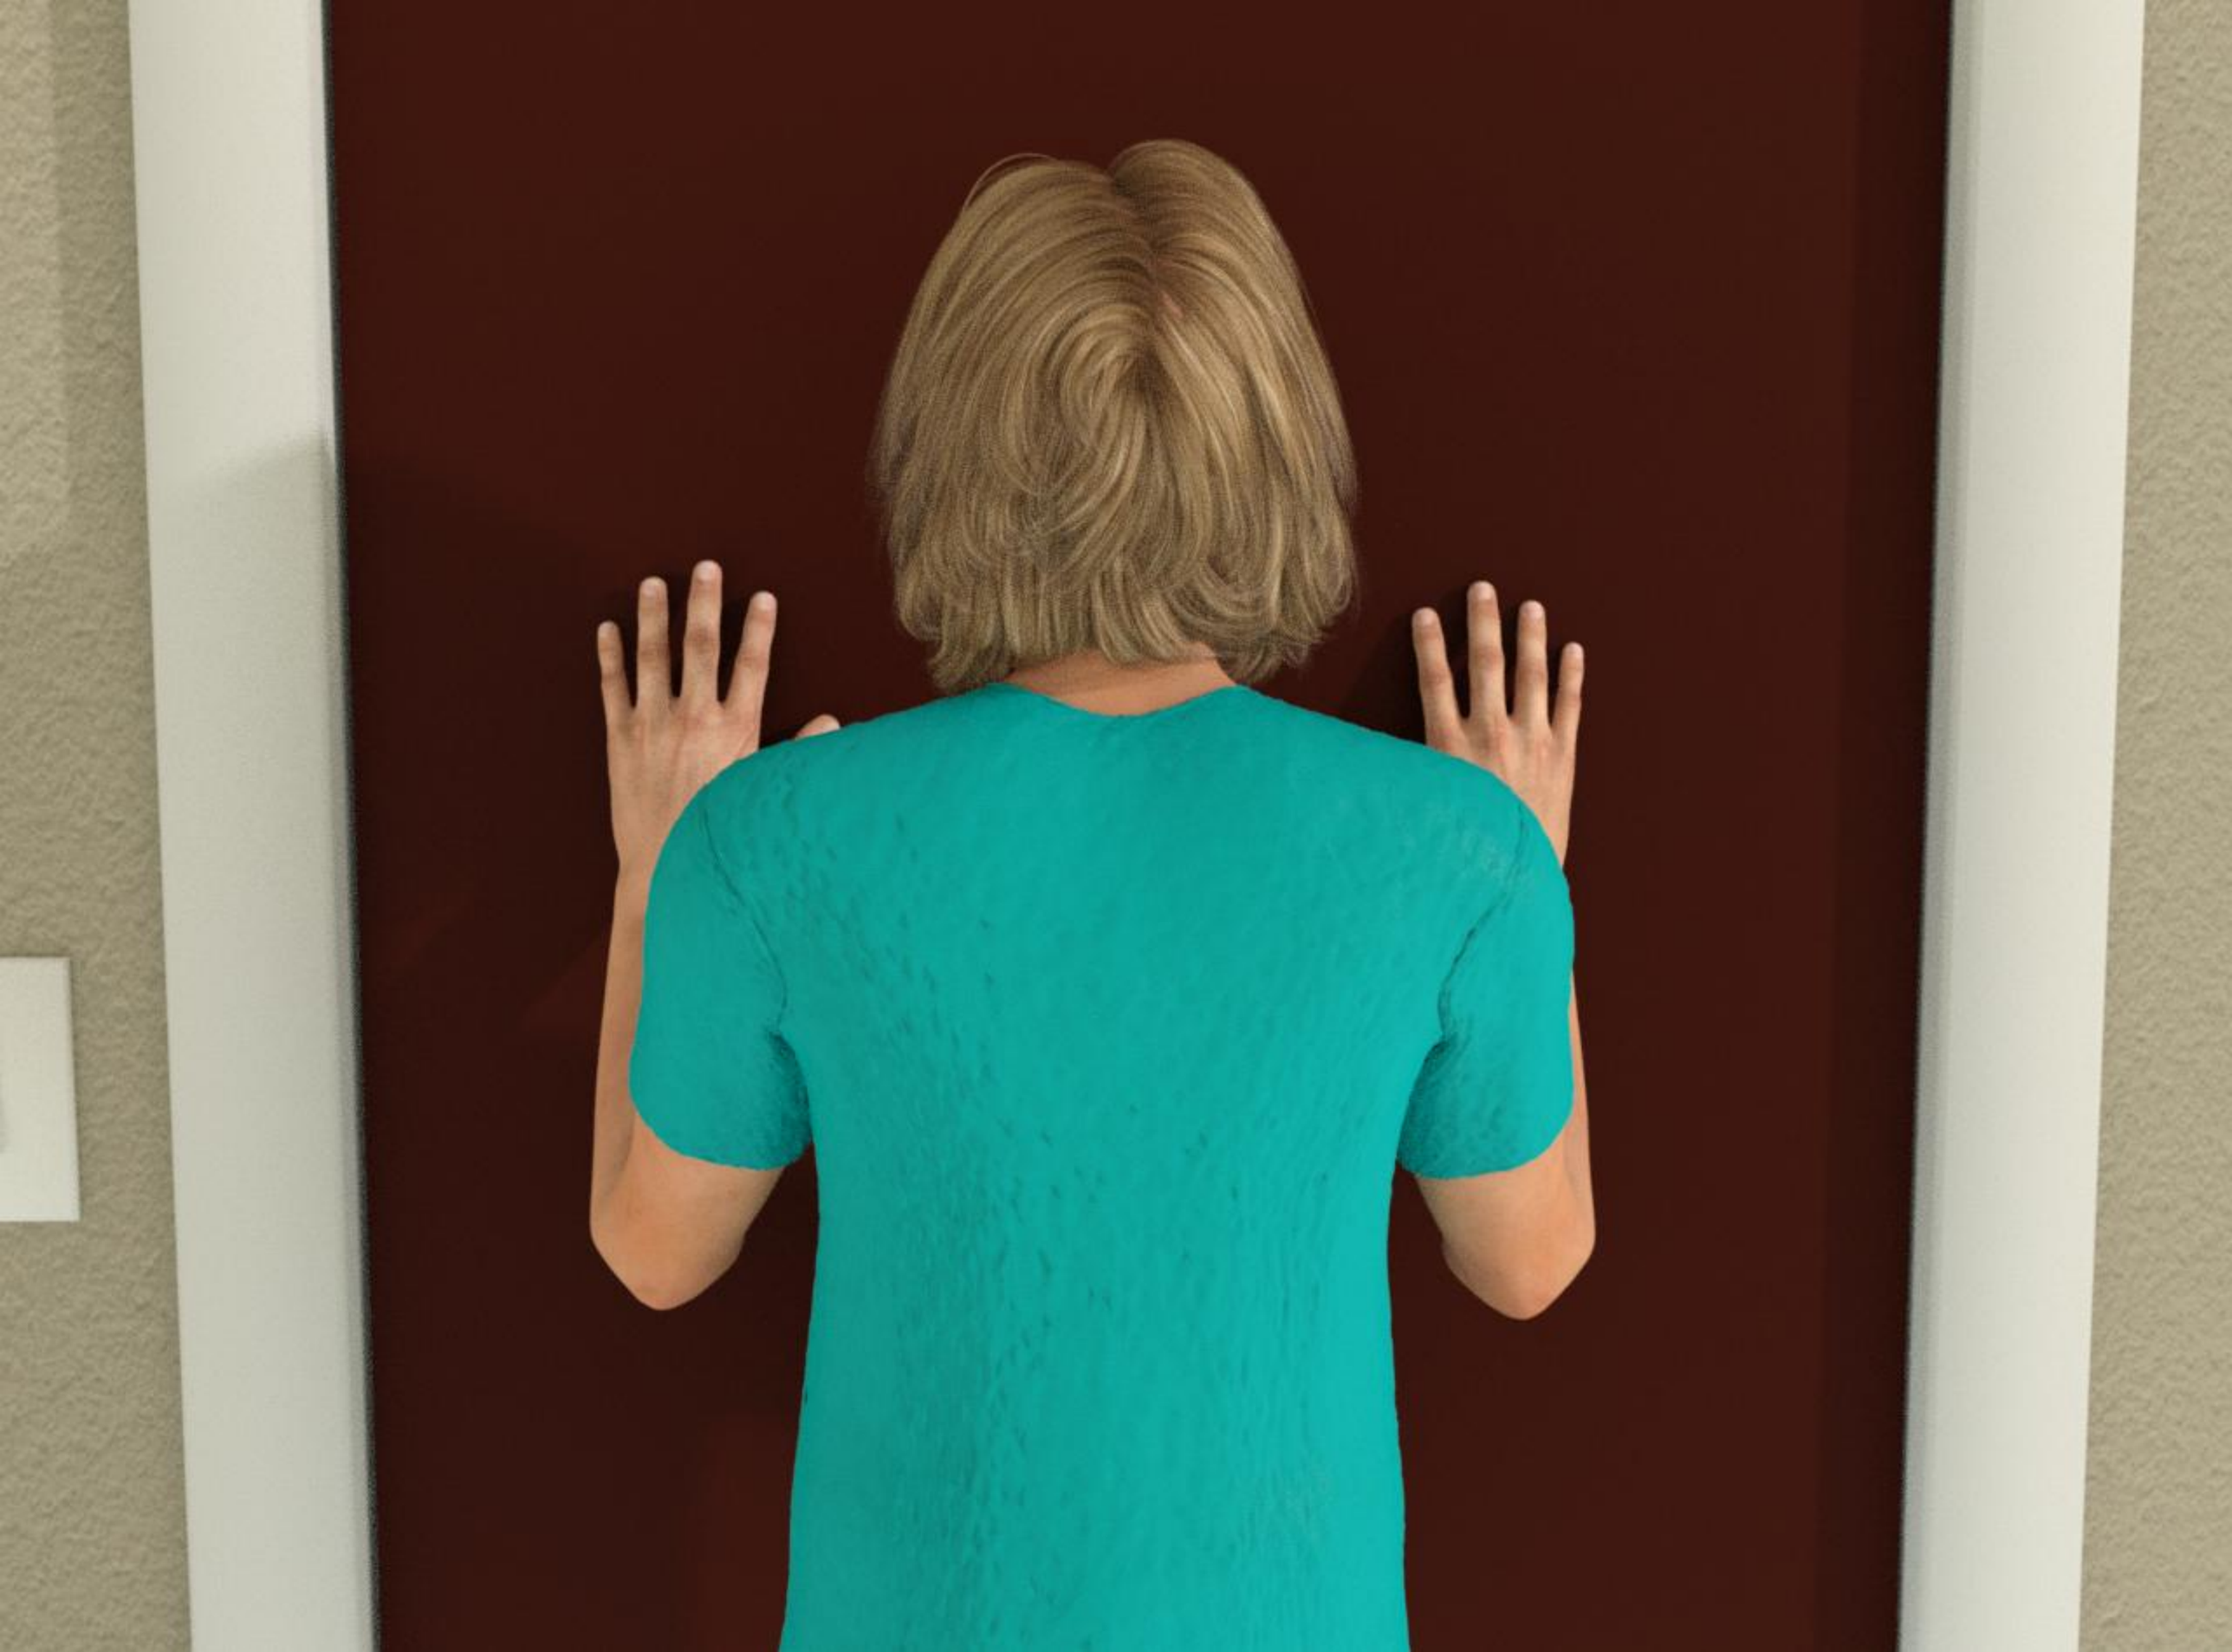
WAIT!



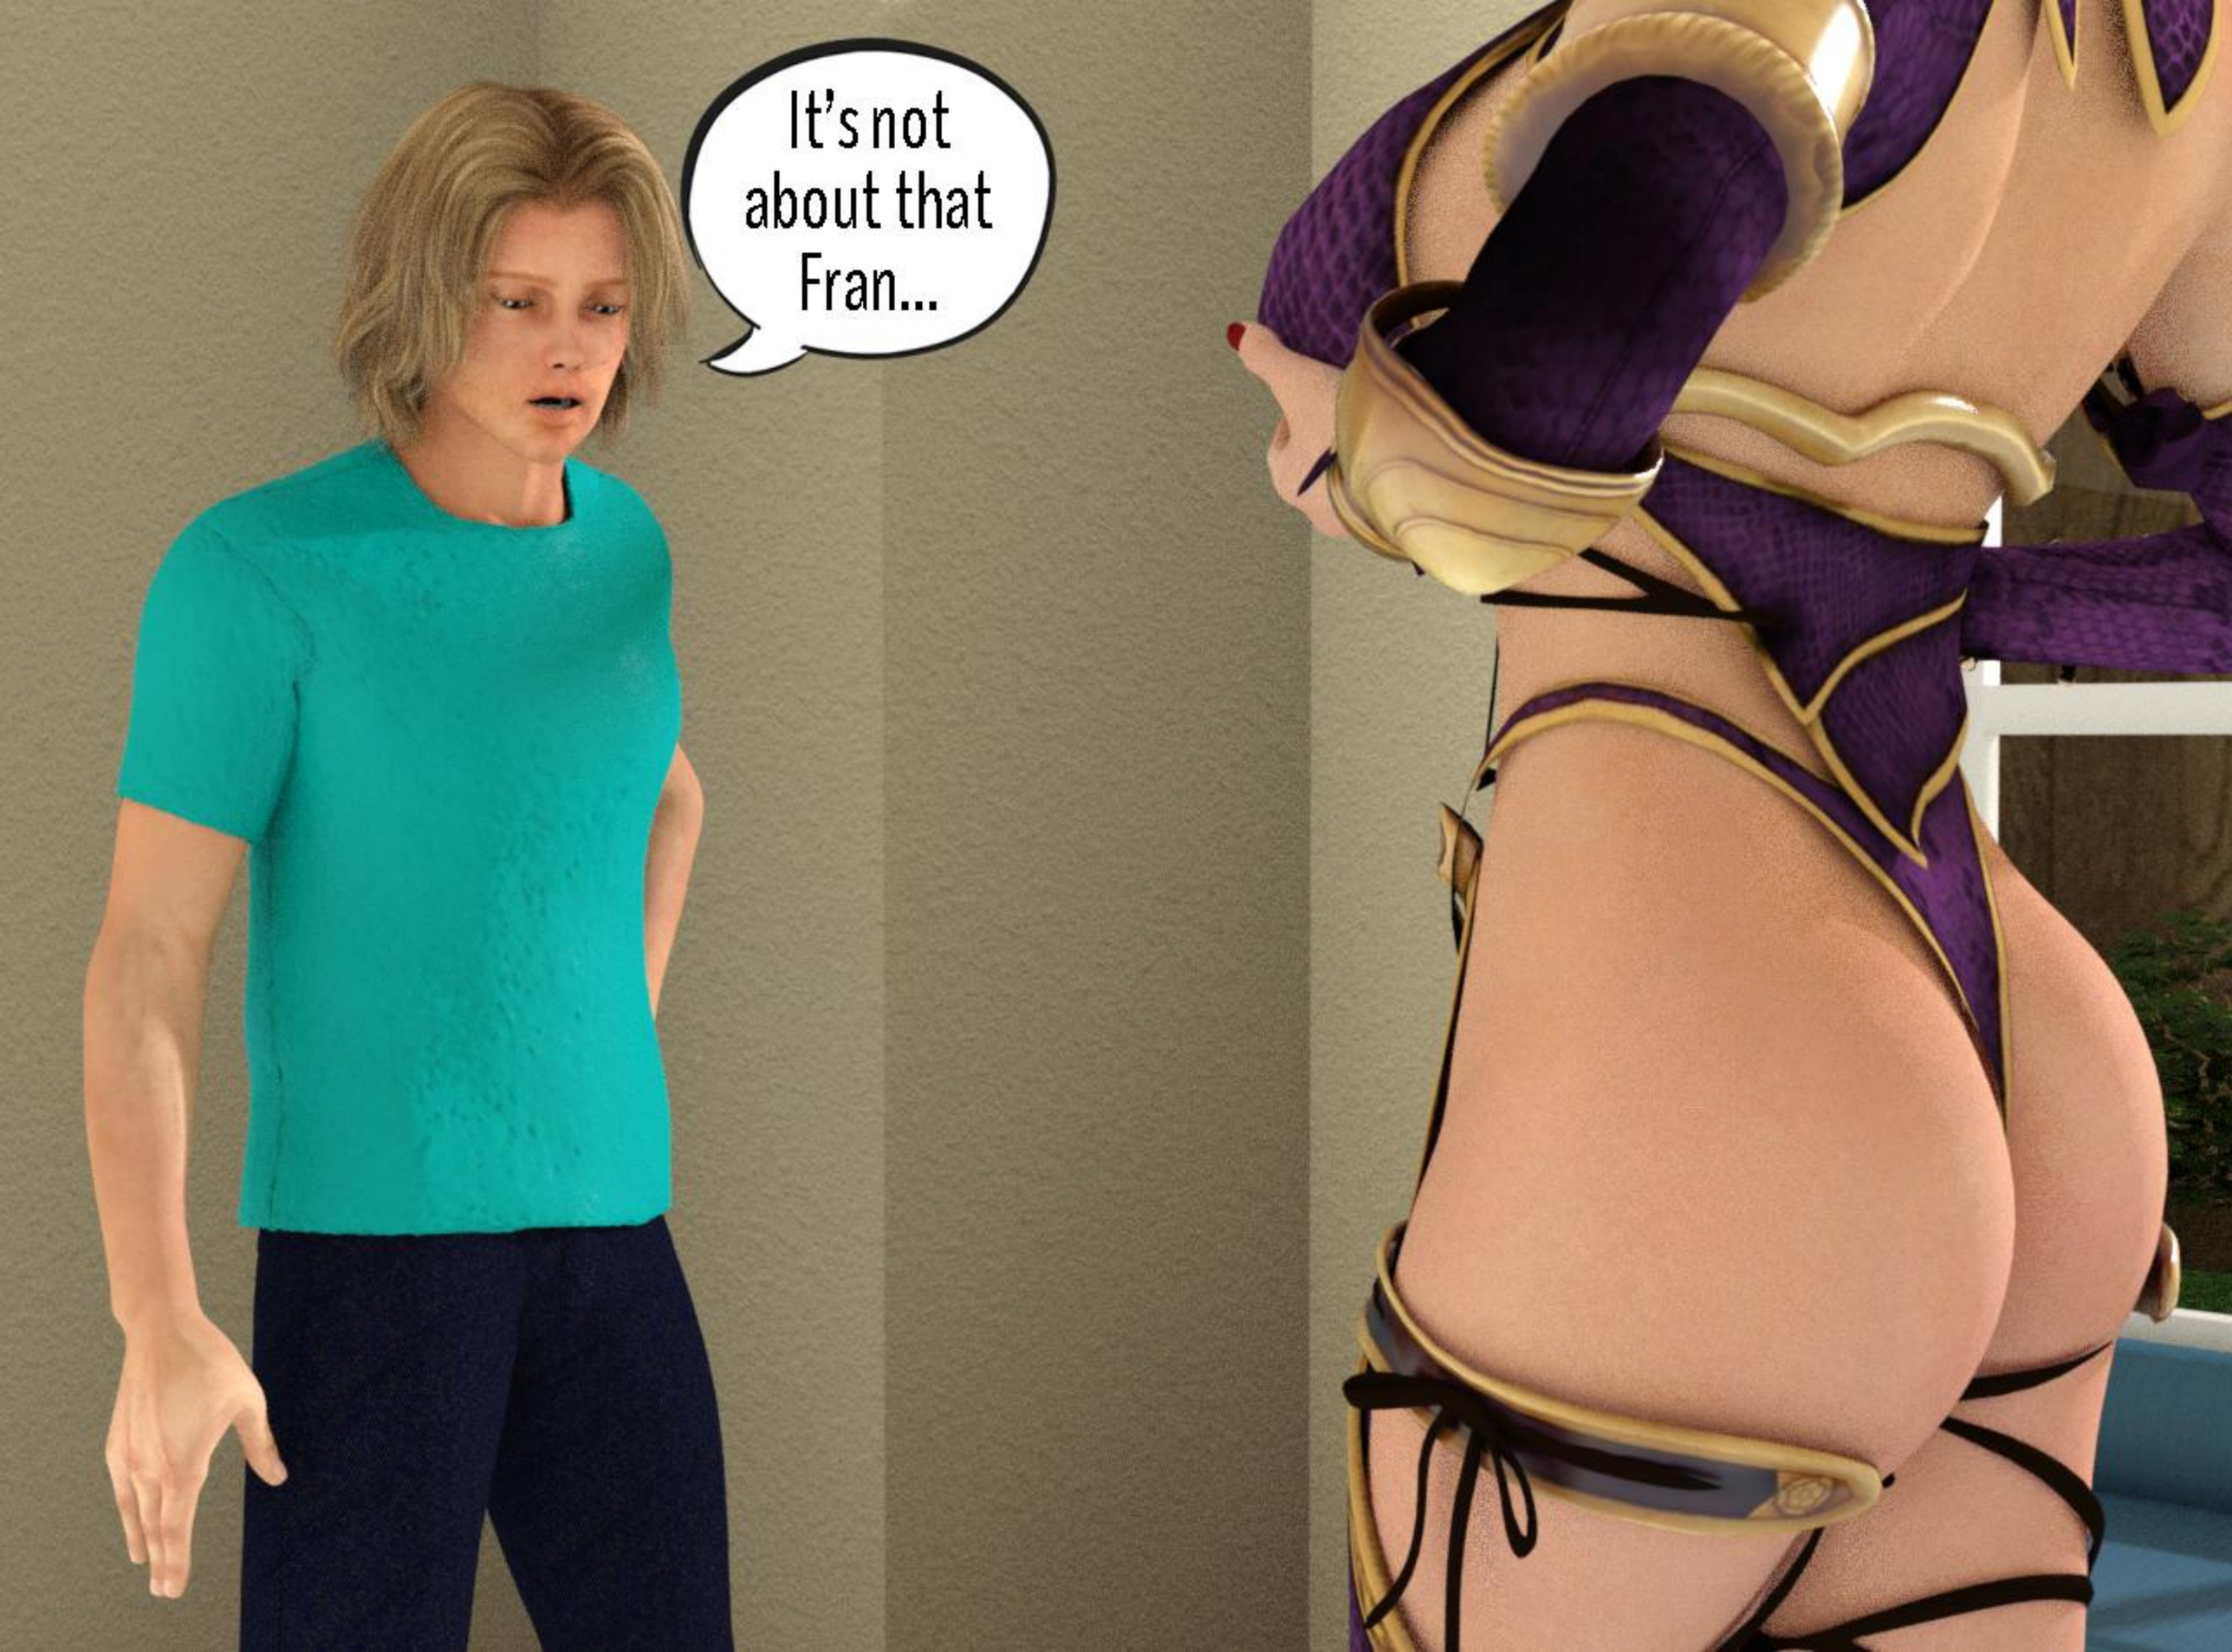
You really messed things up now Fran!

No! No!
Wait a minute!

CONTROL FREA

Hey Kurk,
I could be all yours...
CONTROL FREAK

And when
I mean all...
I mean,
aaaaalllllll...

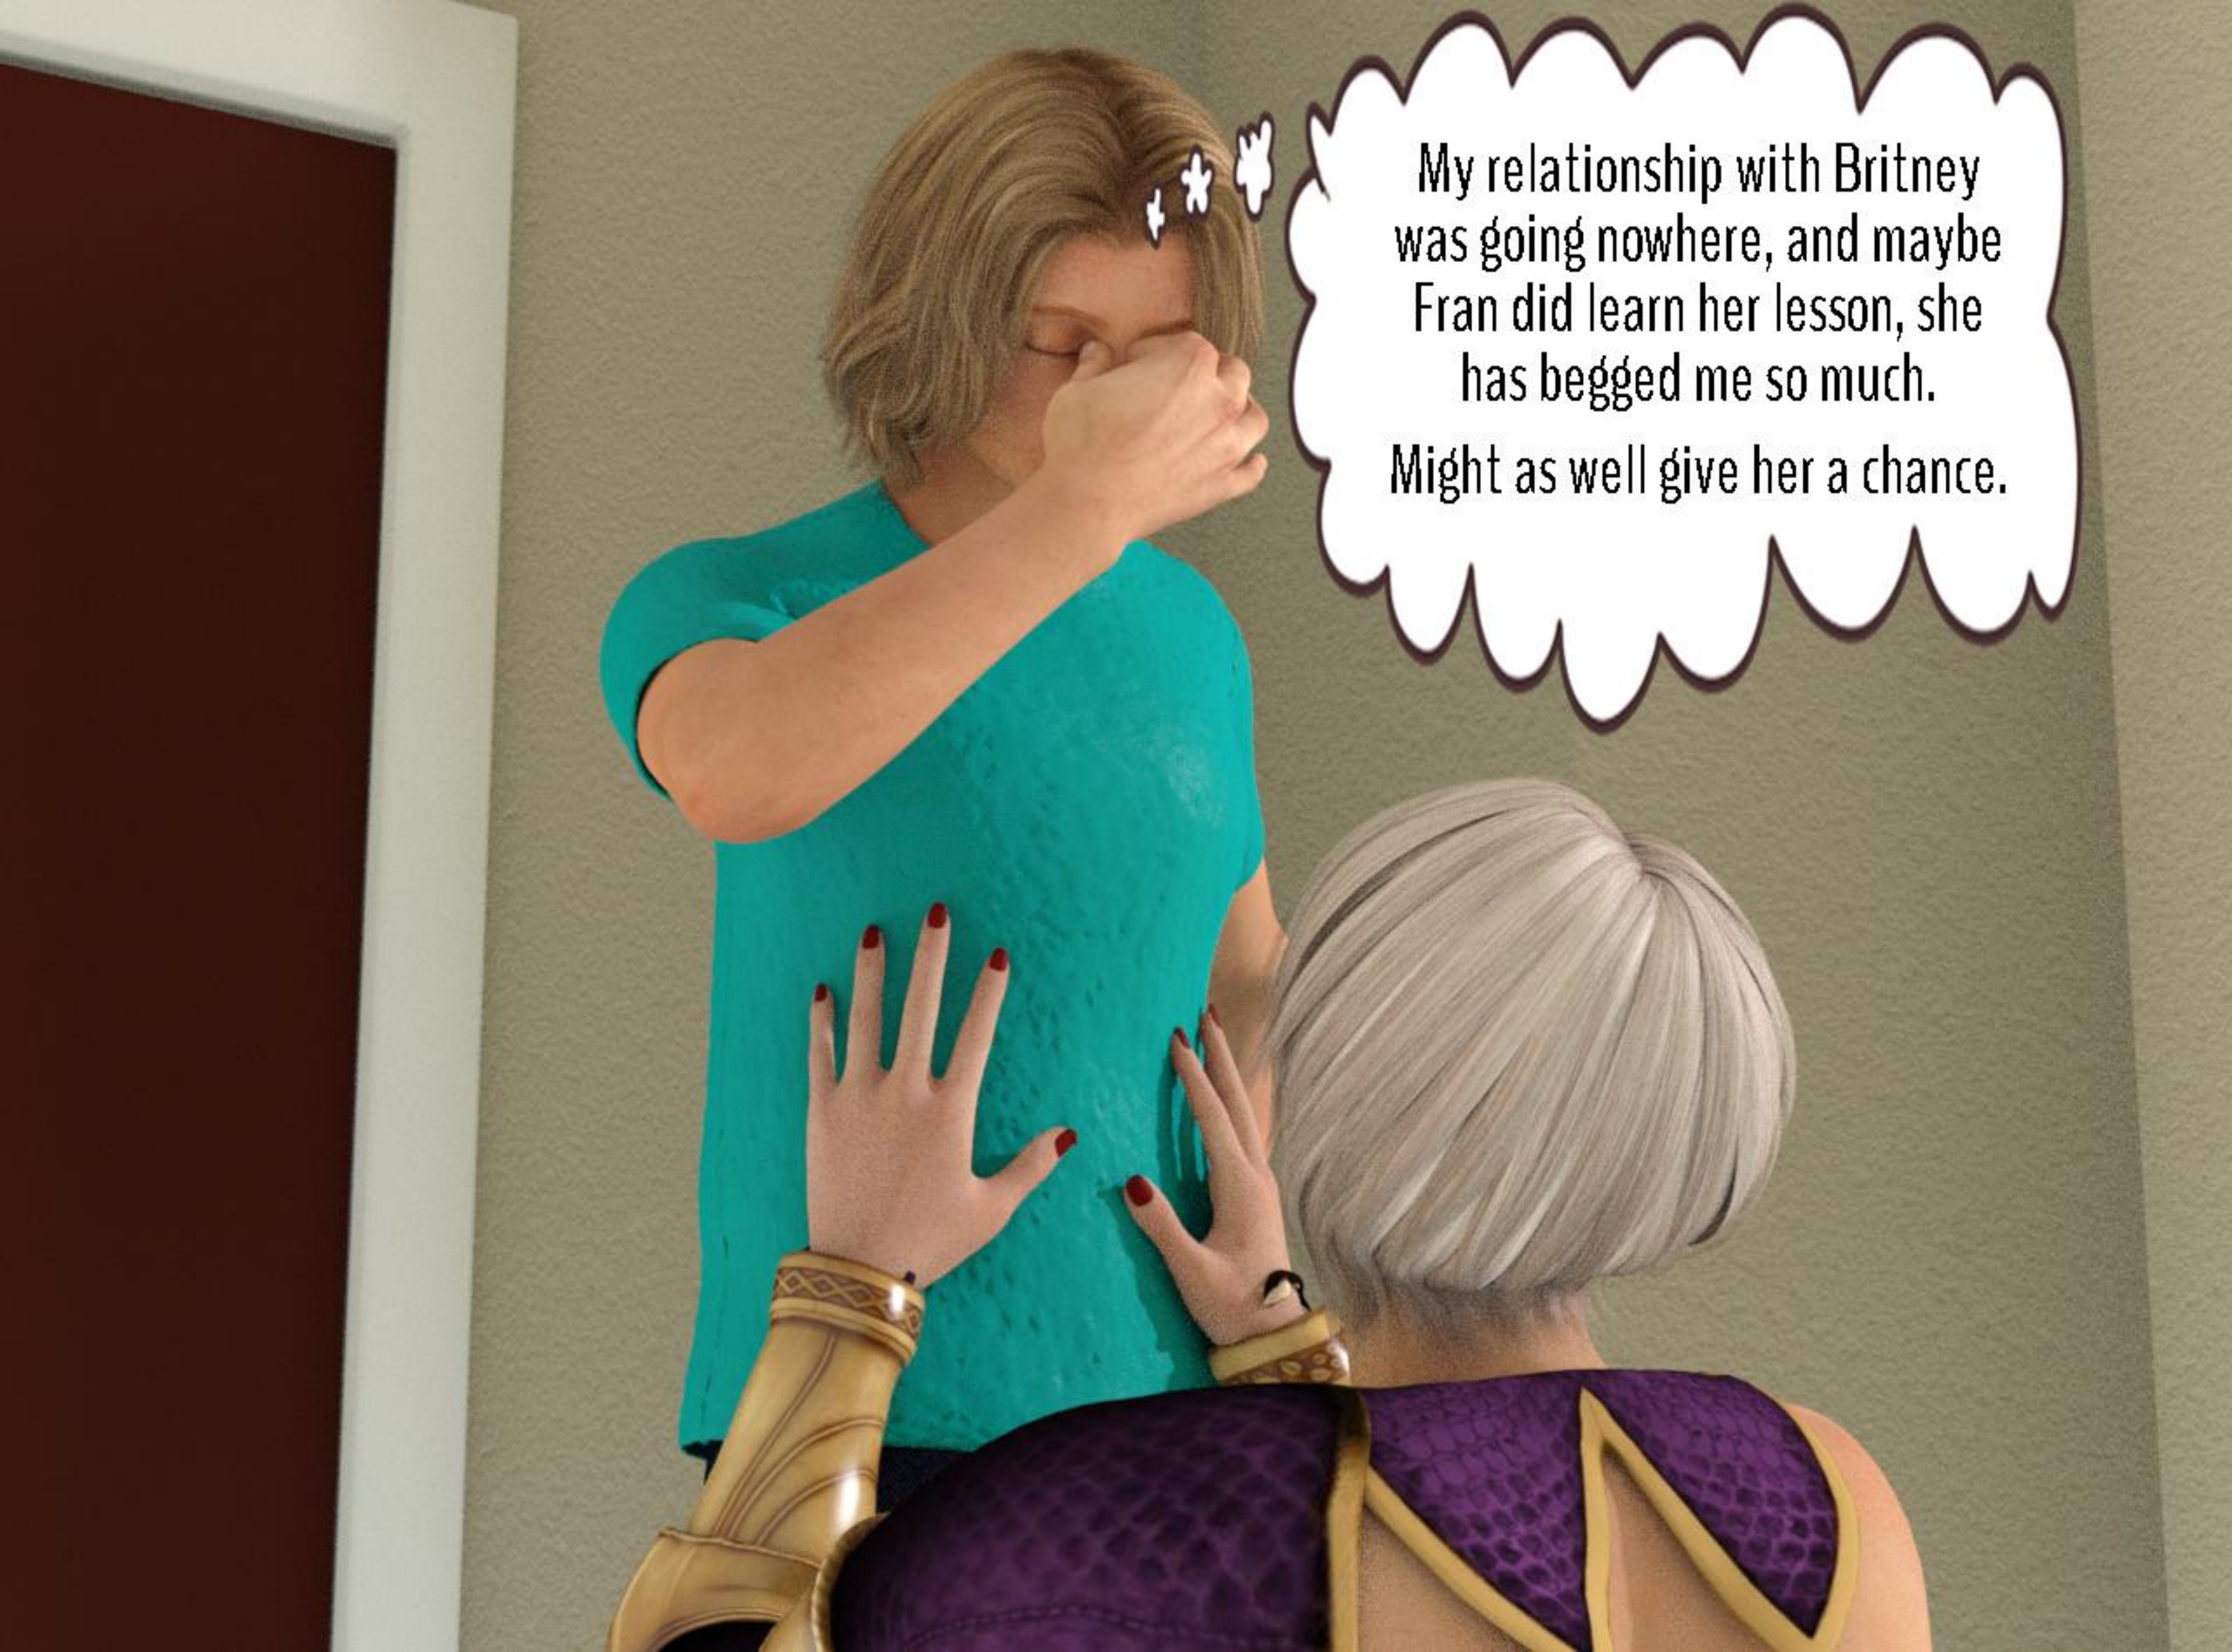


It's not about that Fran...

Kurk! I have learned the errors of my ways! I have changed!

You are the only man I've ever really loved Kurk.

Oh Fran...



My relationship with Britney was going nowhere, and maybe Fran did learn her lesson, she has begged me so much.
Might as well give her a chance.

It's okay Fran, I forgive you.

REALLY
KURK?!

I knew my Kurk would never abandon me.

I've been waiting for this moment for a long time...
CONTROL FREAK

I want to see you squirt some more! But this time, inside me!

Take me Kurk!
VERON

AH!

While Fran slid Kurk's penis as deep as she could, a sudden jolt of pleasure enveloped her body, a sensation she had never felt quite like this before...

Kurk was trying his hardest to hold in his cum, they had, after all, just started having sex, he didn't want to cum so fast, but Fran now could make him cum with out even trying, and he couldn't hold back any longer.

Sex feels so different
in this body!!!

It feels...
SO MUCH BETTER...

VERON

VERON

While Fran jumped up and down on Kurk's dick, with every movement she felt a jolt of pleasure, more intense than she had ever felt before.

FRAN! FRAN!
I CAN'T STAND IT
ANYMORE!
I'M GOING TO
CUM!!!

I can feel Kurk's cum inside me!

Fran lay on the bed and thought to herself, “so this is how sex in a woman’s body feels like”.

I don't know what just happened, but it felt good, and I want more.
I still haven't cummed yet...

That felt great Fran...

Yes Kurk, it felt great...
Wanna do it again?!

Kurk, this time I want you to fuck me as hard as you can.

Kurk got on top of Fran, and slowly slid his erect dick into her. She immediately felt that jolt of pleasure once again, and this time, Kurk was determined to please Fran as best he could.

Kurk tried and tried to make Fran cum, different positions, humping and humping as long as he could, yet, Fran couldn't cum...

Kurk...
Kurk...
Stop, I want to see something.

Maybe Kurk's dick isn't big enough for the vagina in this body.

I have an idea!

Fran asked Kurk to lay on the bed, she sat on Kurk's dick with her bottom towards him. She slowly slid his dick into her pussy. This position made Kurk's dick slide into her deeper.
WOULD
YOU
KINDLY

AH! AH! AH! AH!
AH! AH! AH! AH!

Kurk and Fran continued on with their love making session. Kurk was not about to give up on making Fran cum...

Fran wasn't about to give up. She was feeling a pleasure that made her keep on trying, she wanted to reach the peak of this wonderful new feeling.

Fran continued to jump up and down on Kurk's dick, trying to make it go even deeper. She went on like this for hours...

...And hours...

Oh Kurk!
It feels so good when I keep moving my hips like this.

OOOHHHH....
FRAN, I CAN'T HOLD IT ANY LONGER...
I'm going to CUM again!

Ooooohhhh...
Kurk's cum in me
feels so good!

Oh Kurk!
I know you tried all you could,
but I still haven't cummed!

I won't give up Fran!

I'm afraid your dick isn't big enough to make me cum Kurk, it's not your fault, it's this body's fault...
VIRON

No Fran!
That's impossible!

Give me another chance...
I won't fail this time.

Trust me Fran...
WOULD
YOU
KINDLY
OL FREAK

Kurk told Fran to lie on the bed, he closed his eyes and thought of the time he fucked her when she was still in her original body...

As he slid his penis into her pussy.

Kurk fucked Fran as deep as he could go... For hours...

...And hours...

OH KURK!
FEELS SO GOOD!

AH! AH! AH! AH!
AH! AH! AH! AH!

Keep going!
Keep going!
KEEP GOING!

AH! AH! AH! AH!
AH! AH! AH!

I'm gonna cum!
I'm gonna cum!
AH!
AH!
AH!

I'm gonna cum!
I'm gonna cum!

OH! OH! OH!
I'M CUMMING!
I'M CUMMING!

Kurk was beat, it took a lot of energy for him to please Fran now, with her now bigger body. Fran in the other hand felt great, and could continue on with their love making session. But decided to take a break... Until next time.
