The next morning
I need to finish preparing the first batch for that porn studio. They will call me this afternoon to confirm it.
I was lucky to get that commission opportunity. I will need that extra money later.

Haha. Thanks, sweetie. What are you going to do with that amount of money?
I don’t know... I need to improve my lab and buy some new equipment.
Wow! You are the best mother ever.

I was expecting so. Is it for the commission job that Peter told you about?
It is for you, Mom. I have a bad feeling about that black pill. Peter is taking his time to do the analysis. I can't wait for him. I must analyze that pill myself.
Yeah, it is for that purpose.

She will bring her bags first, then we will go together to the shop. It was a sweet suggestion offering her to come and live with us.
Is Mia coming here first? Or will we meet her at the coffee shop?
You don't mind, do you?
No! I liked the idea.

I need more this time.
Yeah, of course. Your pill type is so special.

SUBSCRIBESTAR.ADULT/MANOOLOGICA

I don't want money. You can come in and we... maybe... Haha
Are you blackmailing me into having sex with you to get the pills in return?
Better than nothing!
I don't care about these damn pills. I can get them from any other source.

I don’t think so. First, we are the only source who produce those special pills. Second, I am sure that you have tried other pills, and nothing worked. You need ours badly!
Tick Tock, Tick Tock…
SHUT UP!
He is right… I am completely addicted to that damn black pill… Nothing else worked with me. I don’t have any backup plan…

What do you want…?
Haha, you lose your temper quickly!
As you have just said, we will have some sexy moments together. You are so fucking hot!! I have always been waiting to fuck you! You drive me crazy, Madam!
SUBSCRIBESTAR.ADULT/MANDOLOGICA

...
Let’s go in. You will enjoy it and get the pills too. Come on, be a good girl.
SUBSCRIBESTAR.ADULT/MANDOLOGICA

I am sorry, Richard...
I am very sorry...
