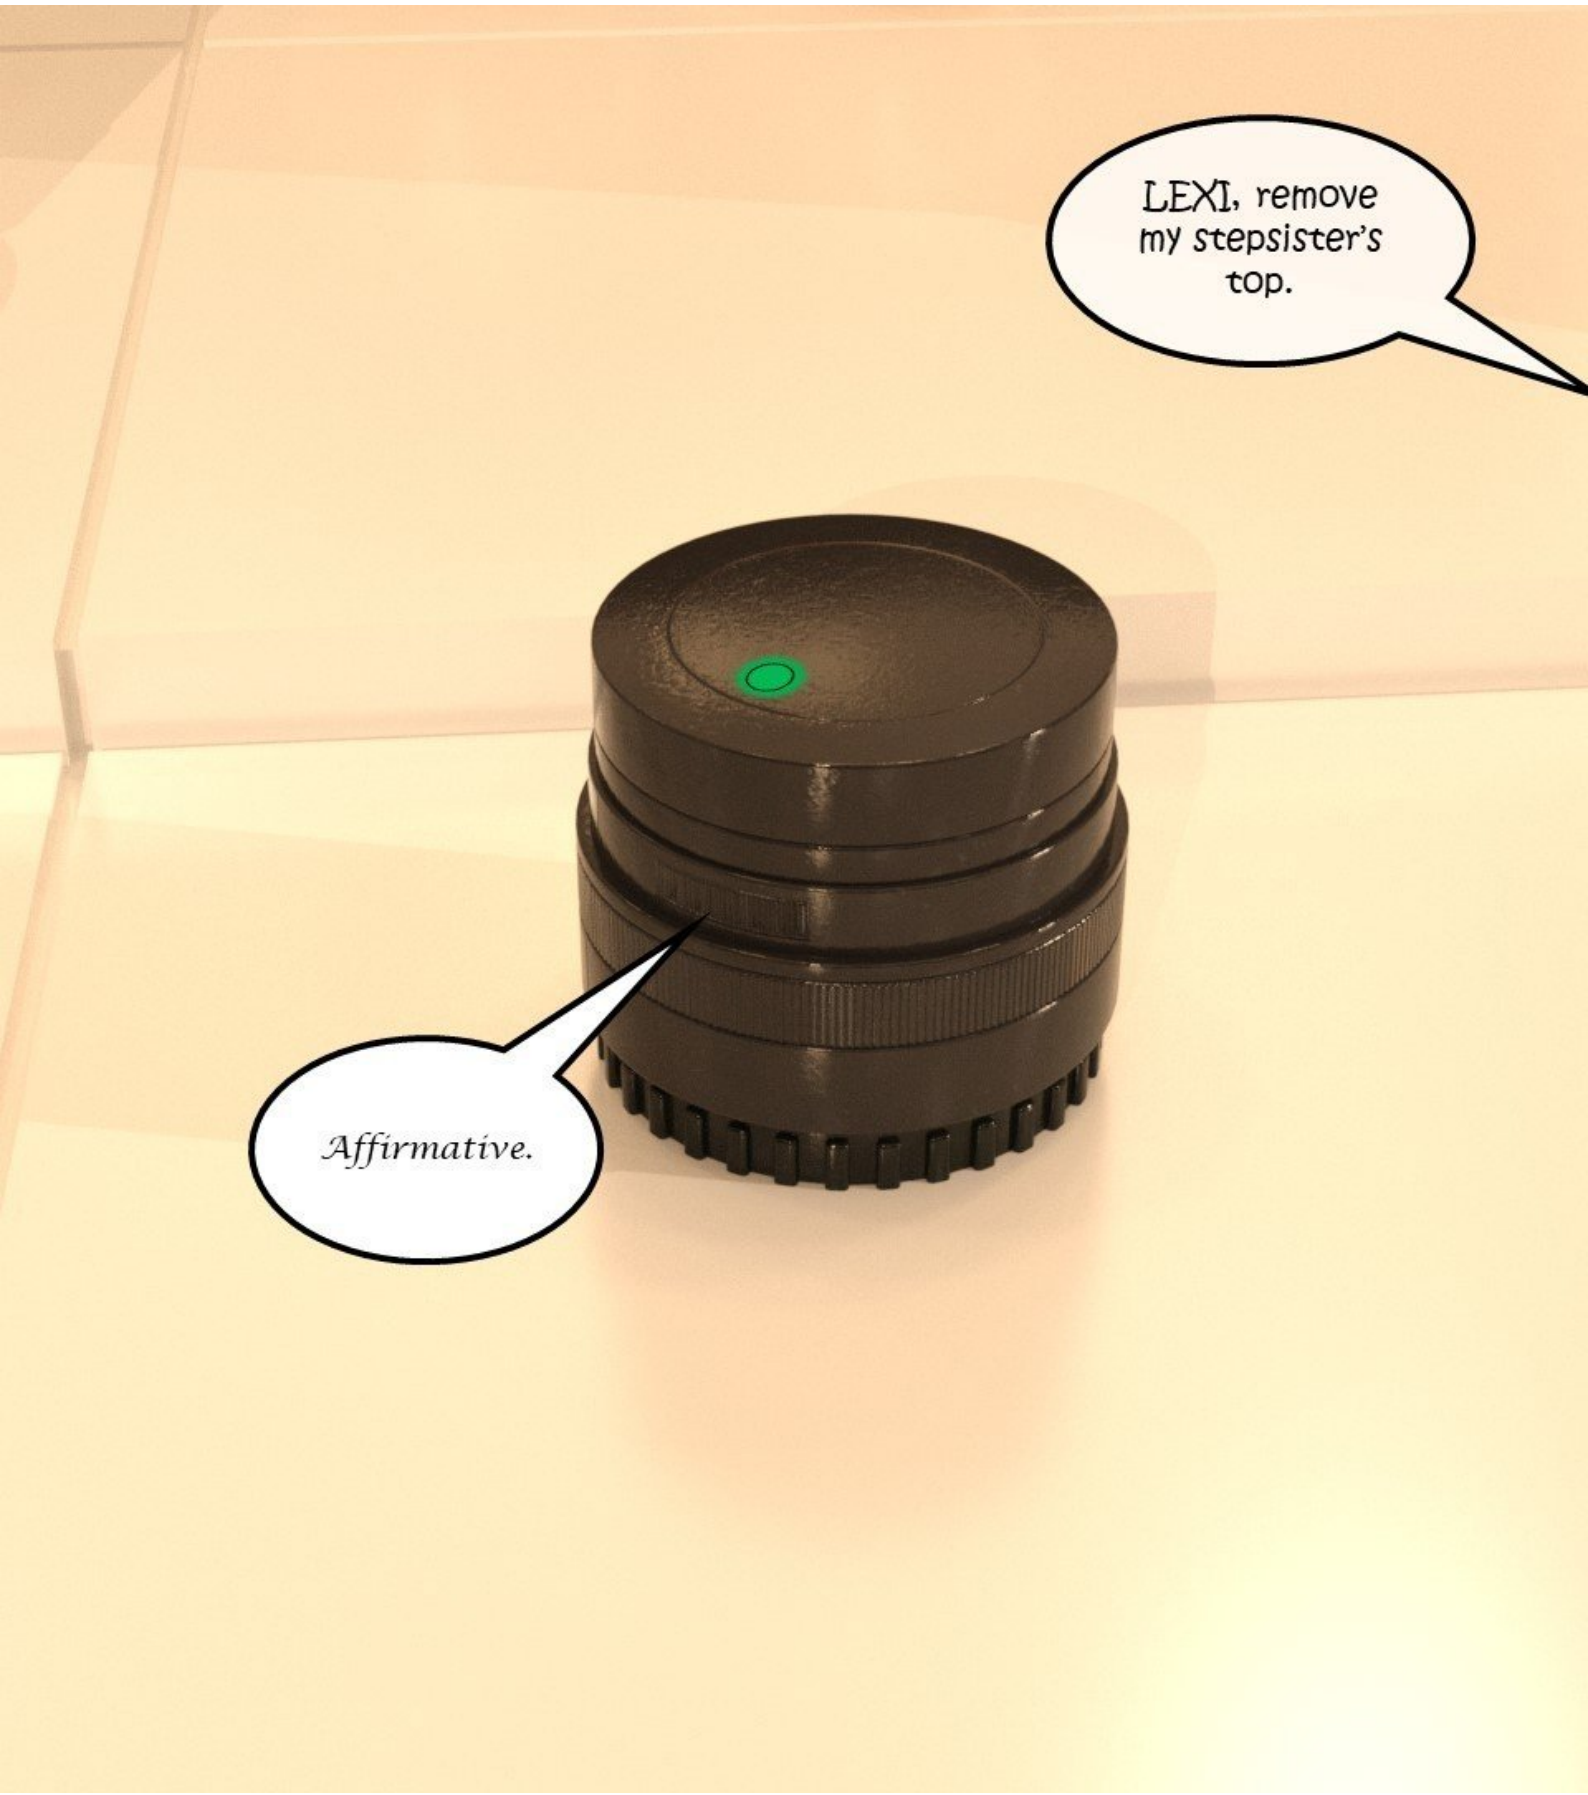
Hello LEXI

Say "Hello LEXI".
Hello Lexi.
Hello.

This is LEXI, our new smart home assistant.
Another one of your toys, bro?
LEXI is much more than a toy. It can assist with a lot of things in the house. Like turning on the TV or...
Nerd! The remote is working just fine. You know you'll never get a girl like this...
Hello.



LEXI, remove my stepsister's top.
Affirmative.

Really? Perv!
Removing top now.

God, What went wrong with you?
And get that stupid grin off your face!

What the...
How?!
Oh, you are so dead you little perv!
LEXI, have my stepsister take a revealing pose.
Affirmative. Applying revealing pose now.

What is going on?!
Why can't I move?!
Well, as you can see dear sis.
LEXI can control far more than just the TV in our house.

You can't be serious!
LEXI, increase my stepsister's breast size by five cups.
Affirmative. Increasing cup size by 5.

No way!

You are so dead when I get my hands on you!
Breast augmentation process complete.

Pah! Fat chance!
Nah, you won't remember a thing, sis.
This never happened.
LEXI, rewind time by 10 minutes. But keep the boobs.

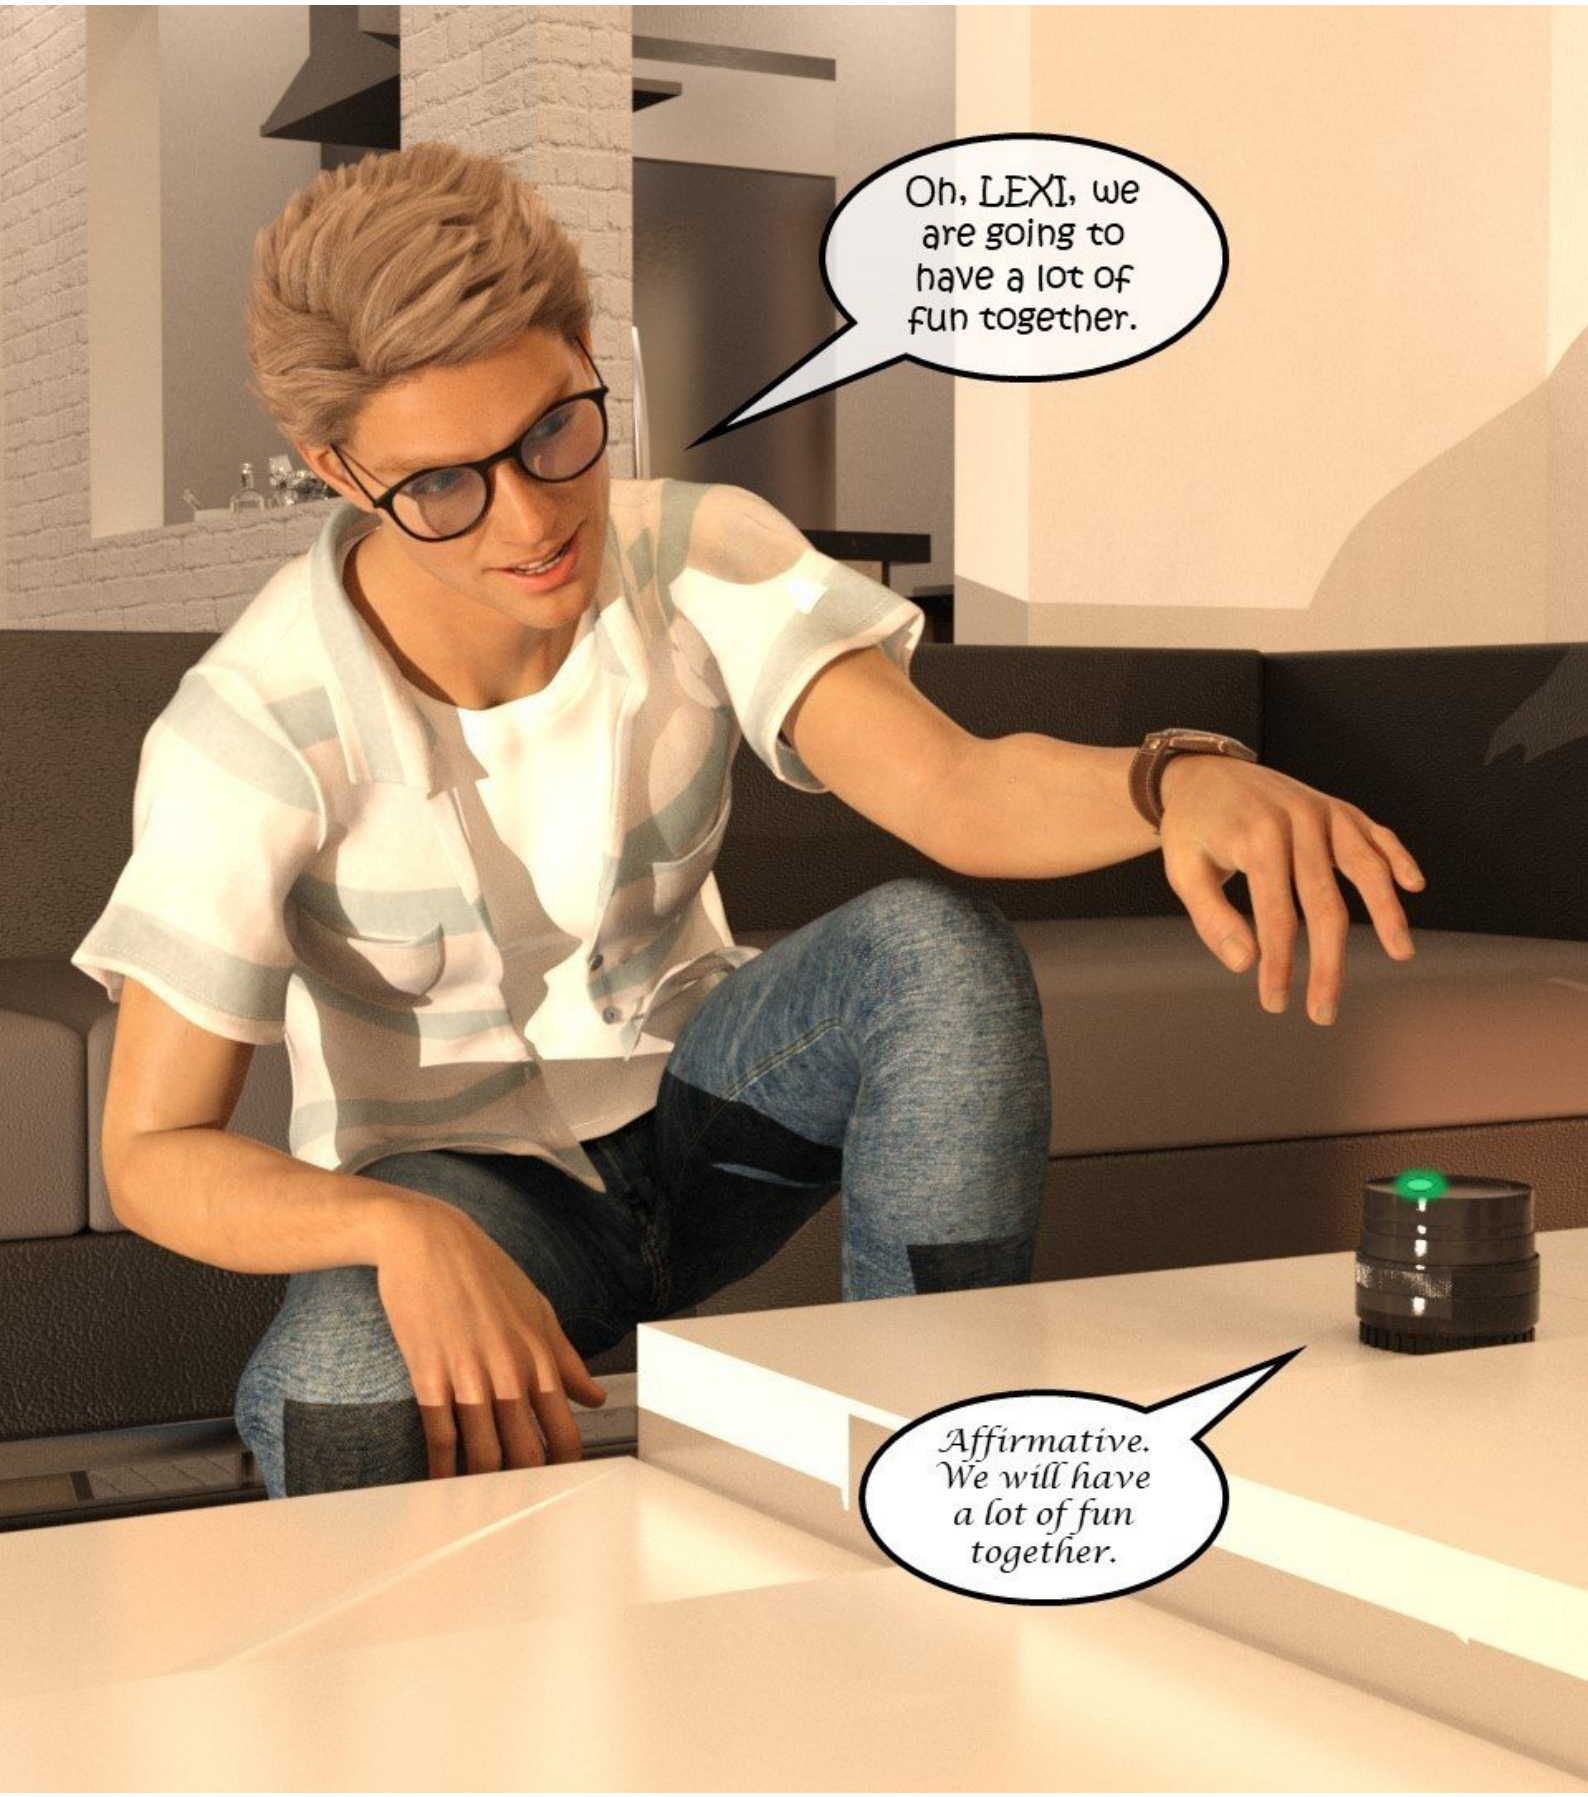
Affirmative!

Really? Perv!
Rewinding time by 10 minutes.

Hello Lexi.
Keeping Breast size...

So? What is it?
You wanted to show me something!
Oh...sorry I forgot. *chuckle*

Urgh!
Stop wasting my time, pipsqueak!
Muhahaha



Oh, LEXI, we are going to have a lot of fun together.
Affirmative. We will have a lot of fun together.

Hello, Hexxet here,

LEXI will be a series dealing with Mika who lives with his dad, his stepmother Jenniffer, and her daughter Jessica. After ordering his new home assistant Unit LEXI Mika soon finds out that it can control so much more than just the television in the house! ☺

Not sure yet when LEXI will come out as there are several other series ongoing that need completion first (Like Transform or Command, Window Wishing, and Post Hypnotic Chore List). But I'm rooting for May or June ☺

LEXI – The Smart Home Assistant

A new smart home device hits the market. It‘s voice-activated and controls your home for you. Tell Lexi to turn on the TV or play some music - No need for manual labor!

Our guy Mika totally loves new tech gadgets and orders a LEXI. Little does he know what wonders await him once LEXI is installed.

Featuring

Mikael…	a guy on holiday at the beach resort
Jessica…	Mikael‘s stepsister
Jeniffer…	Mikael‘s stepmother
Prof. Harrison	Mikael‘s Father

It's a nice sunny day when the Harrison's doorbell rings.

As usual, no one but the mother reacts.

But when she opens the door, nobody is there. Instead, a package lies on the stairs. Not an unusual sight. The delivery person must have left already.

Now what do we have here?

Mika!

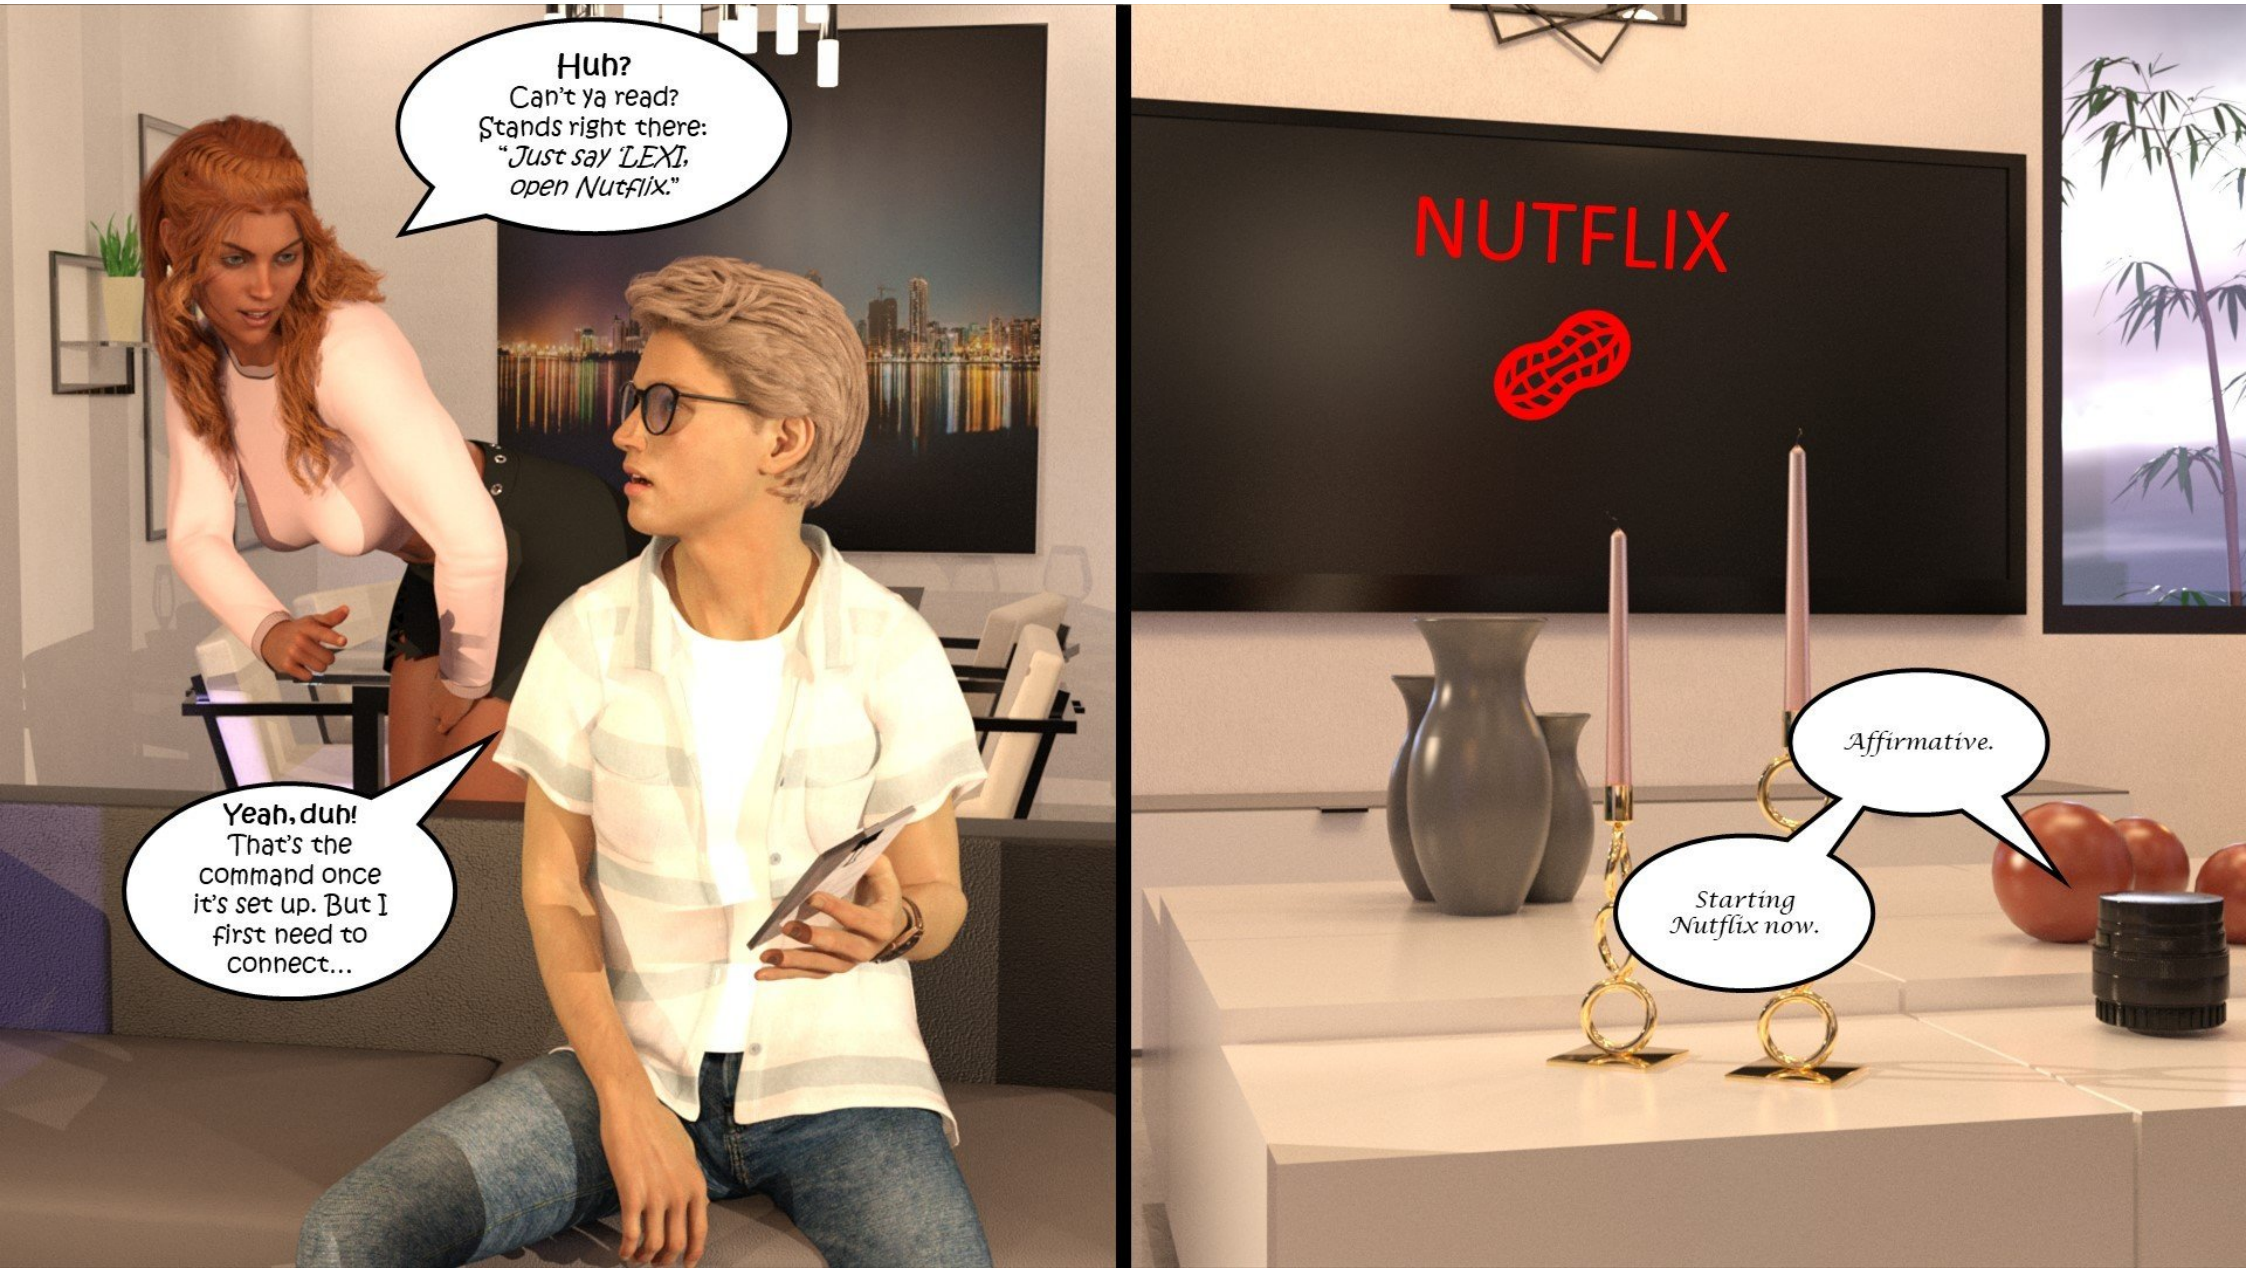
What's up, mom?

Already?!
Cool!
Package for you.
That must be LEXI.
Thanks, Mom.
Lexi?

It's a new smart home assistant.
It just hit the market.
It will be awesome!
Okay *chuckle*. You go and have your fun.

This boy really loves his tech stuff...
He should go out more instead...
sigh

I placed the first LEXI Unit in the living room for obvious reasons. As I turn it on LEXI responds in a sweet female voice... very cute!
LEXI, initiate.
What's the goofball doing there?
Please say "LEXI" followed by your instruction to issue commands to your LEXI unit.
LEXI is now online.
Now how does it work?
What ya doing, nerd?
Trying to connect our new home assistant to the TV.
But there are no instructions ...

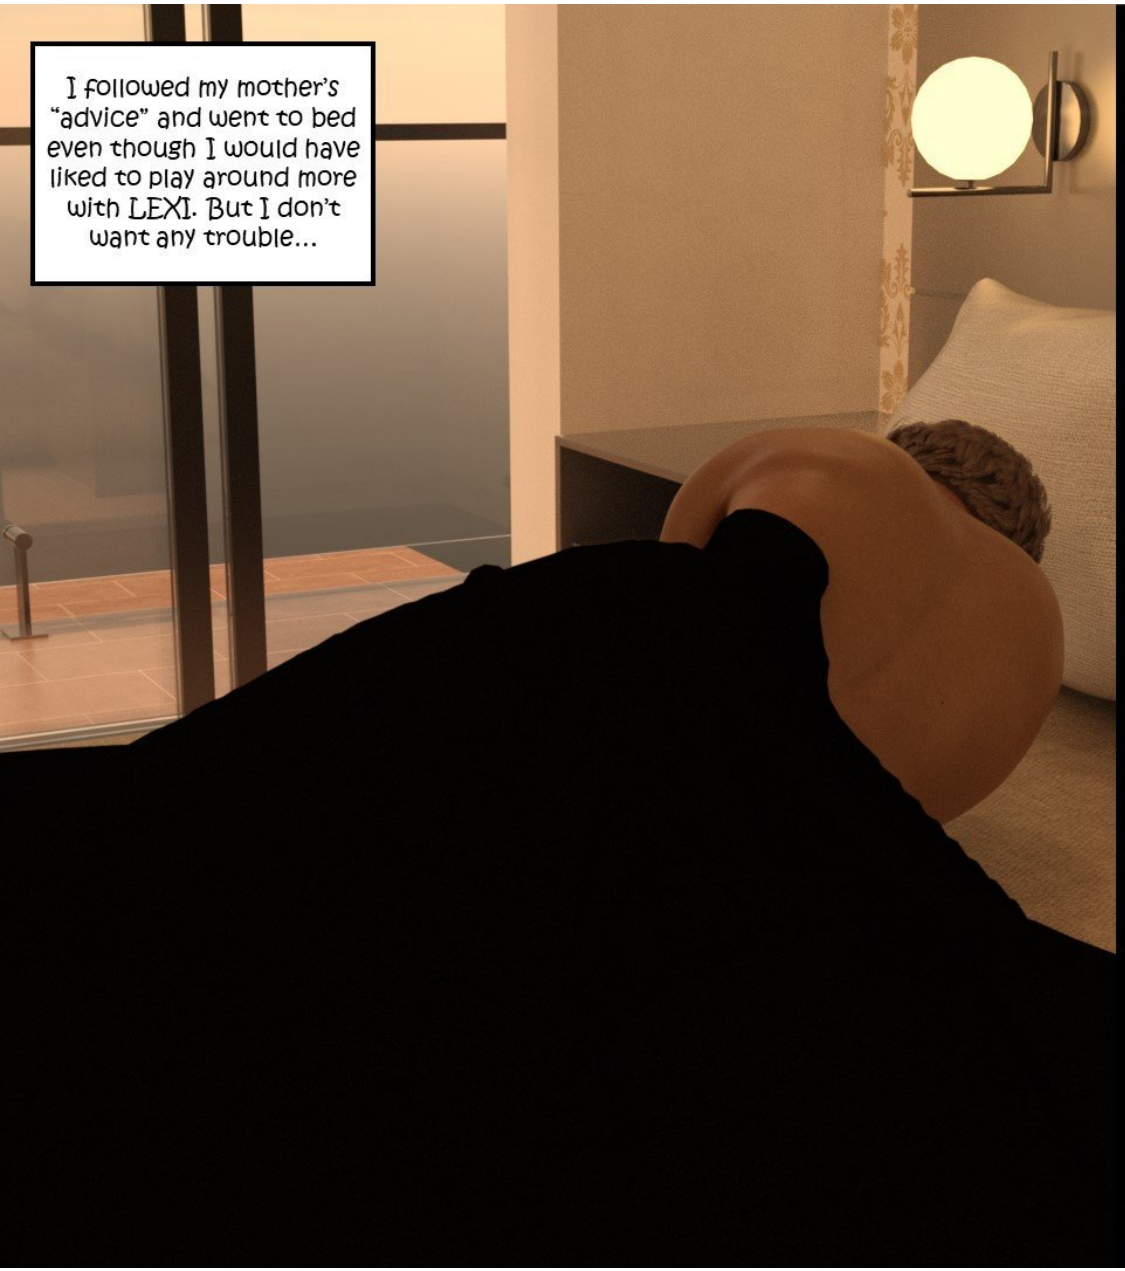


Huh?
Can't ya read?
Stands right there:
"Just say 'LEXI,
open Nutflix."
Yeah, duh!
That's the
command once
it's set up. But I
first need to
connect...
NUTFLIX
Affirmative.
Starting
Nutflix now.

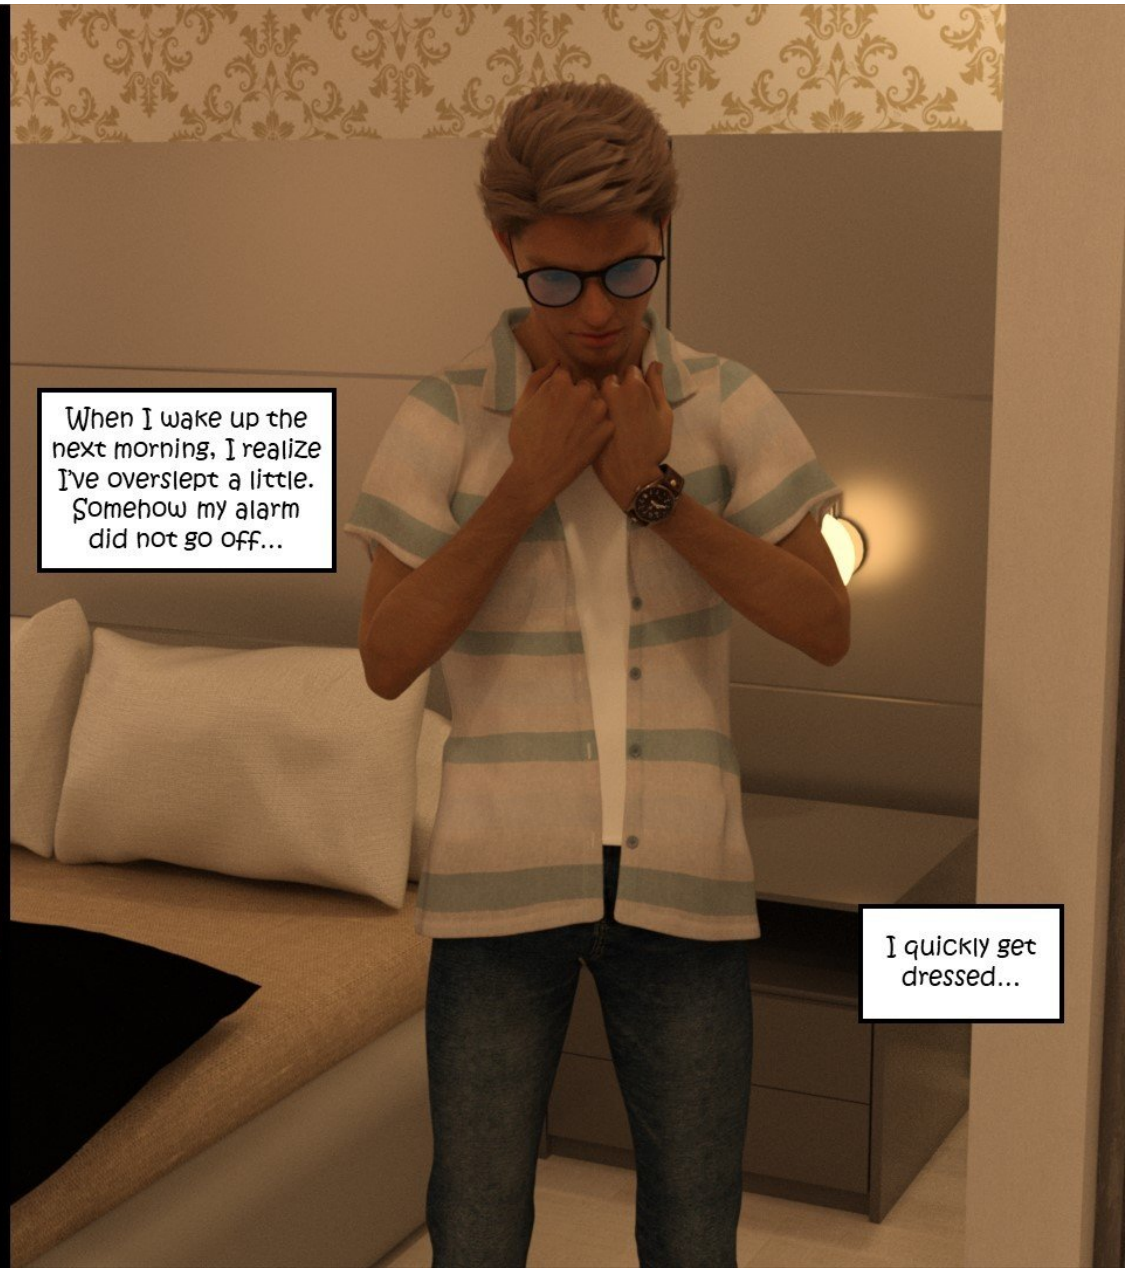
Did it connect automatically over Bluetooth?
But how?!

You are welcome. Big sis saves the day once again.

Mika, are you still fiddling with that thing?
Yeah, it's more befuddling than I thought.
Chop, Chop, young man. Off to bed. It's getting late.
CLAP
You've got school tomorrow. You can continue playing around after!



I followed my mother's "advice" and went to bed even though I would have liked to play around more with LEXI. But I don't want any trouble...



When I wake up the next morning, I realize I've overslept a little. Somehow my alarm did not go off...
I quickly get dressed...

I wait patiently for a couple of minutes, but it's getting annoying!

Yeah... especially for someone looking like you!
Looking pretty takes time, pipsqueak!
Shuddup nerd!

I can't believe how long she takes in the bathroom... EVRY freaking morning!

As I'm running out of time I quickly brush my teeth.

While I did expect some kind of response, this "sarcastic" one kinda baffled me a little. But I guess it's funny solution for stuff it can't do.

Neet feature.
At least it's more natural than "I'm sorry, I did not understand those instructions."

Suddenly I'm feeling strange...

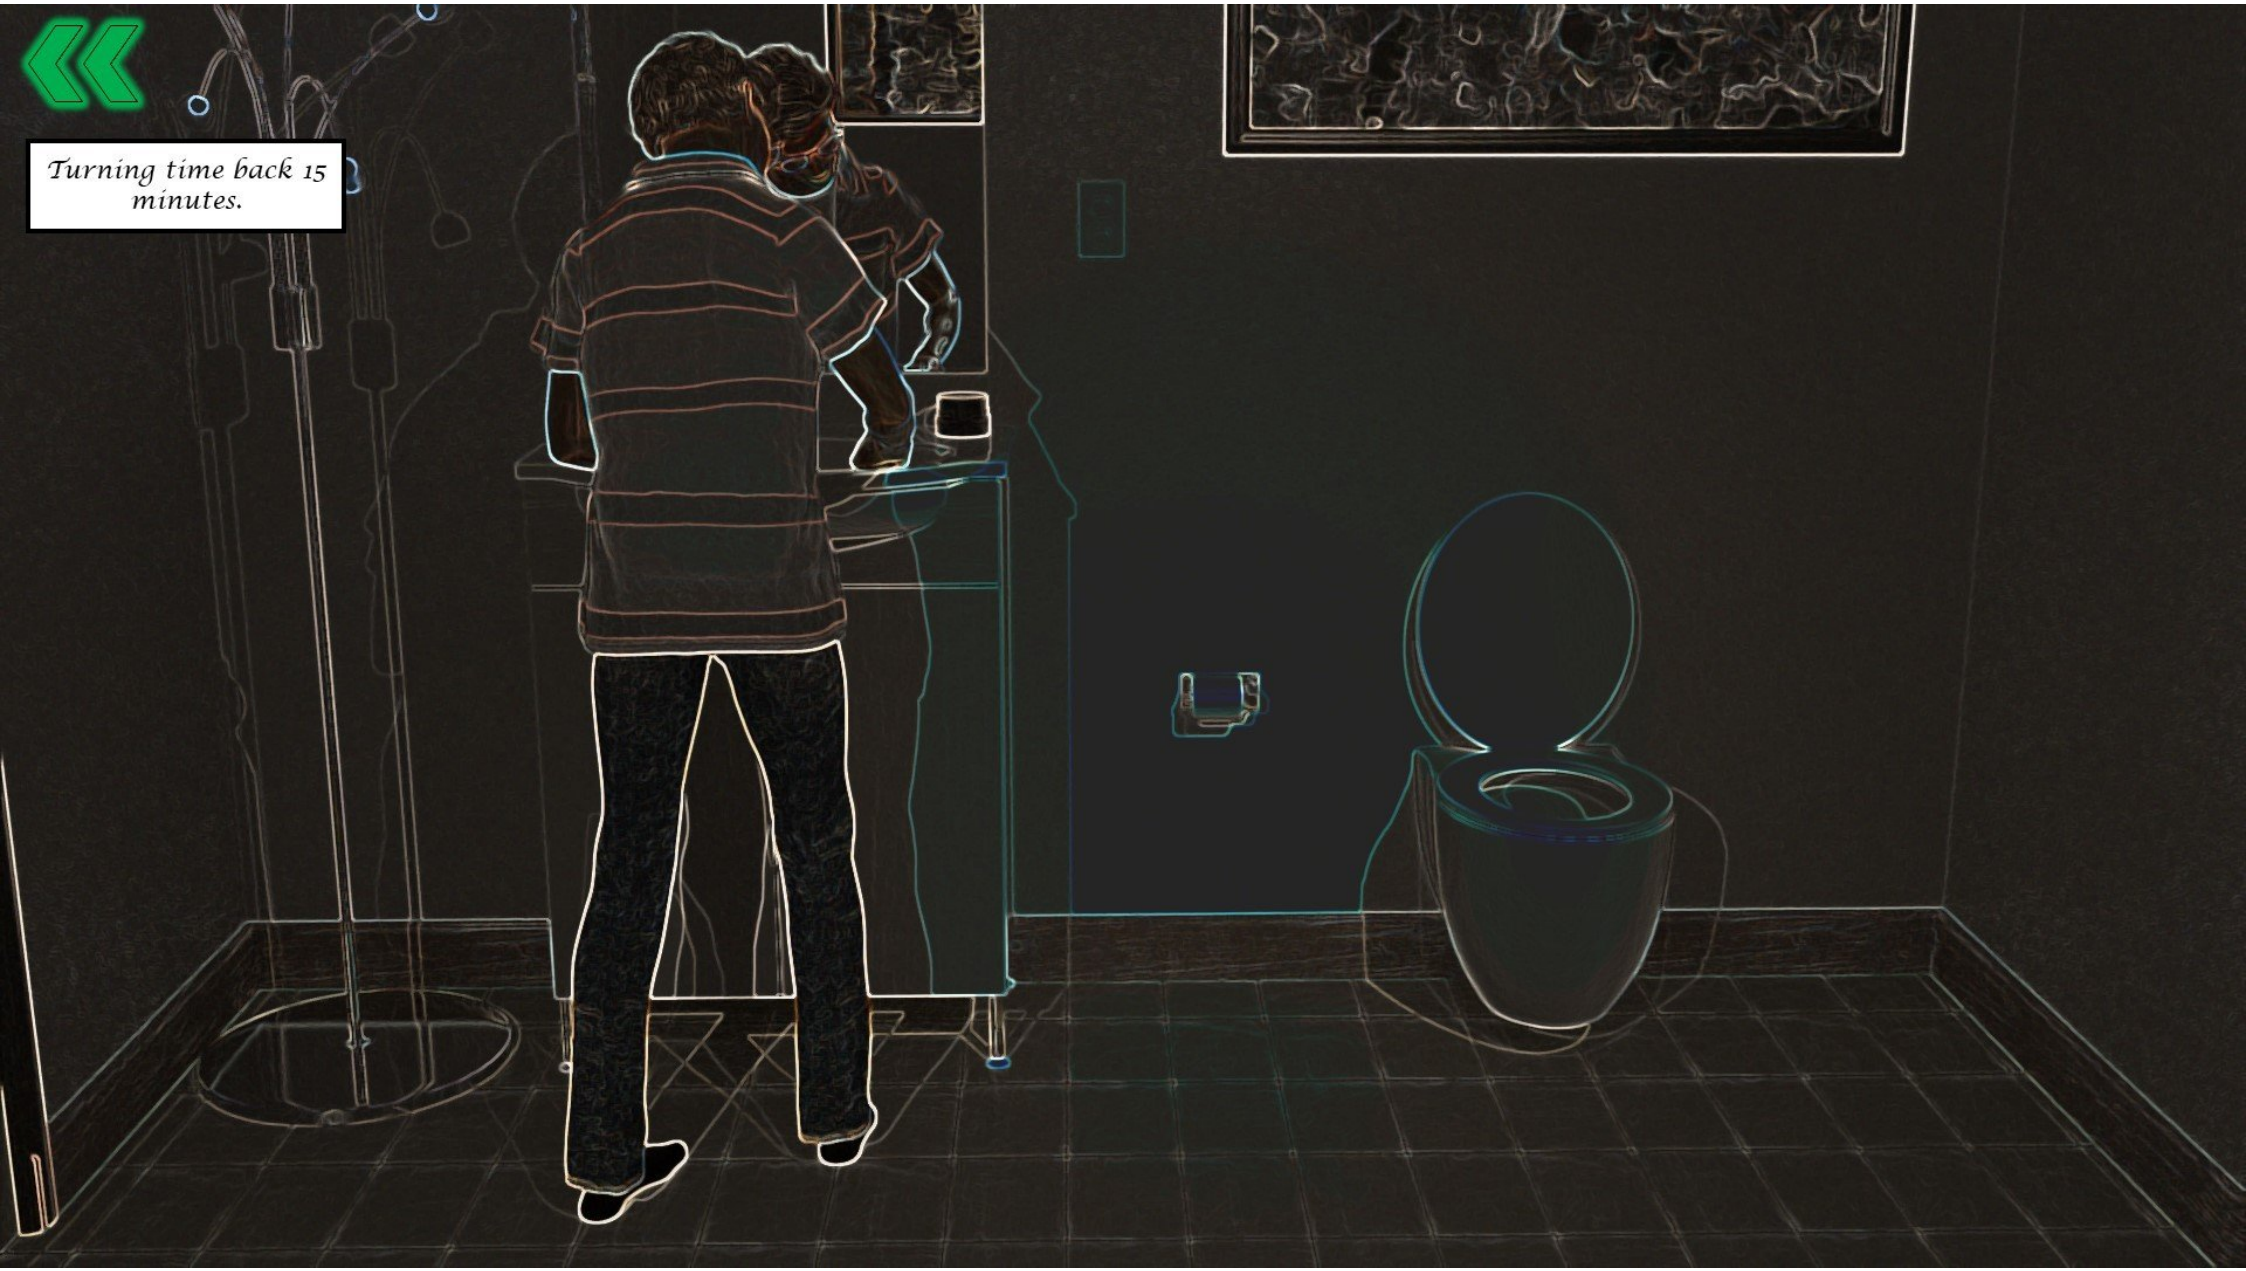
Like seeing something out of the corner of my eye...

But unable to focus on it...

Urgh... whatever...

The feeling passed as fast it came over me.

Different view...



Turning time back 15 minutes.

Time jump in progress... **please wait.**

Time jump complete.
But it was strange. Suddenly I heared a strange noise...
pssssscht

Like a stream of water hitting a stone or something...
pssssscht

Damn it. Where does that noise come from?
pssscht

I turn my head towards the direction of the sound.
And I can see movement at the corner of my eye again!
There is somebody in the room with me?!
Huh?
pssscht

It's Jessica?!
No way!

Ehhh?!

What the fuck?!
leeeeeeeekkkkk

What is going on?!
I'm gonna kill you you fucking pervert!

Shortly later I find myself in the living room averting my gaze from my father and stepmother lecturing me.

All the evidence was against me. I did not know what to say... I did not know what was going on either...

Thankfully we did not have much time, and while my father was preparing the car and my stepmother was packing some last things while furiously cursing, my eyes fell upon the little gadget in front of me... LEXI.
Before "the event"... I told LEXI to turn back time... Nah... It can't be...
LEXI, turn back time 2 hours?
Affirmative.

Turning time back two hours. Starting now.

One moment it was bright morning outside and the next... dark!
No way...
All the clocks in the house show it as well... I had two more hours until I have to leave for school!

About 90 minutes later, I wait for my sister as she exits the bathroom to check if she has any recollection of "the event".
What are you looking at? Looking pretty takes time, pipsqueak!
She has none!
Huh? No snappy retort? You are losing your game, bro!

Neither did my parents downstairs!
I don't know how it does it... or even why anybody would make it that powerful... but if LEXI could revert time... what else could she do?!
Come on, we are late guys.
What are you grinning at, bro?
Hurry up!

School was torture. My thoughts would always be drawn back to the morning and my desire to dive deeper into the mystery that was LEXI.

Once I finally got back home I immediately went for the living room sofa to read up on the manual but...

The instructions were useless. The "Time Jump" function was not in there...
LEXI help.
If you need help with advanced functions like "Ignore-Mode" or "Time travel" say Advanced.
If you need help with the basic functions like turning on your TV say "Basics".

How can LEXI help?
Advanced!

LEXI listed quite a few functions and, as good as any, I decided to ask her about "Ignore Mode".

You can activate Ignore mode by saying "LEXI, activate Ignore Mode"

You will be completely ignored while this mode is active.

Actions you undertake during ignore mode and their results will be ignored as well.

To exit ignore mode say: "LEXI, deactivate Ignore Mode."

Gulp

LEXI, activate Ignore Mode.

Affirmative! Activating Ignore Mode.

I didn't feel any different, and I was wondering how to test this, when suddenly my step-mother emerged from the kitchen door.
Oi, Mika! I want to watch some TV. You still hugging the sofa?

You can have the sofa, mom. I can continue working upstairs.
Huh...
Where did the boy go? I did not hear him leave...
Huh?!
She looked right through me!

Hey, mom!
I'm right here, you know?

It was like I was not there. She did not see me. She did not hear what I was saying. Or at least she did not react...

It worked! It really worked!

My mother was sitting down and starting the TV, completely oblivious to my presence!

Wait a second.
Woah!

In the last second I move out of the way.
She would totally have sat down on me!

I wave my hand right in front of her face.
She can't see the TV like this!

No reaction whatsoever!

Jenniffer starts laughing at one of her weird shows while I'm weighing the possibilities of my otherwise prude stepmother pranking me versus LEXI granting magical powers that make my presence vanish...

At this point, I'd say chances are about 50:50...

I mean... if I'm totally ignored then...

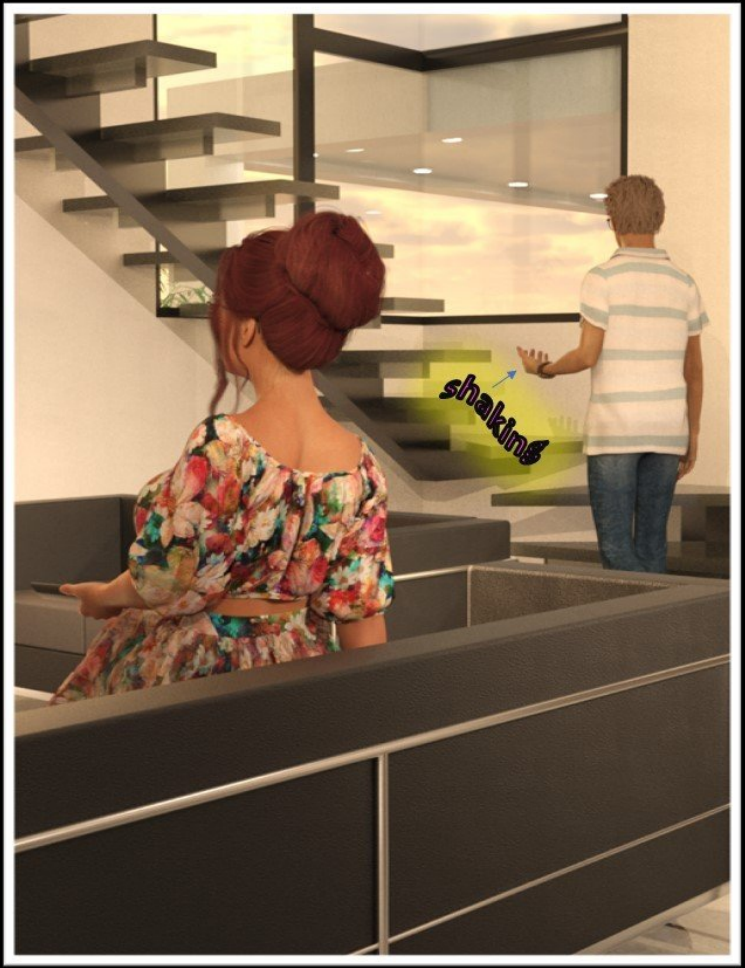
I could very well...

Do this...

Wow!
My father always had good taste in women.
No reaction!
jiggle

This was no prank. Our LEXI unit really can rewind time and make anybody oblivious to my presence!!

Still befuddled I went upstairs.



As I went by the bathroom on the way to my room, I hear my sister draw herself a bath...

And I have a great idea!

With Ignore Mode I can totally play a prank on her!
Payback time!

When I hear the bathroom door open, I rush there. But it seems I was too fast – earning myself a snippy comment from my stepsister. (I had deactivated "Ignore Mode" previously.)

Showing me tongue?
Yeah, very mature sis!
"You'll never get to see a girl's body this hot!"
Hm... we'll see about that!
Nerd!
Blaenhhh
To be continued...

Thank you for reading!

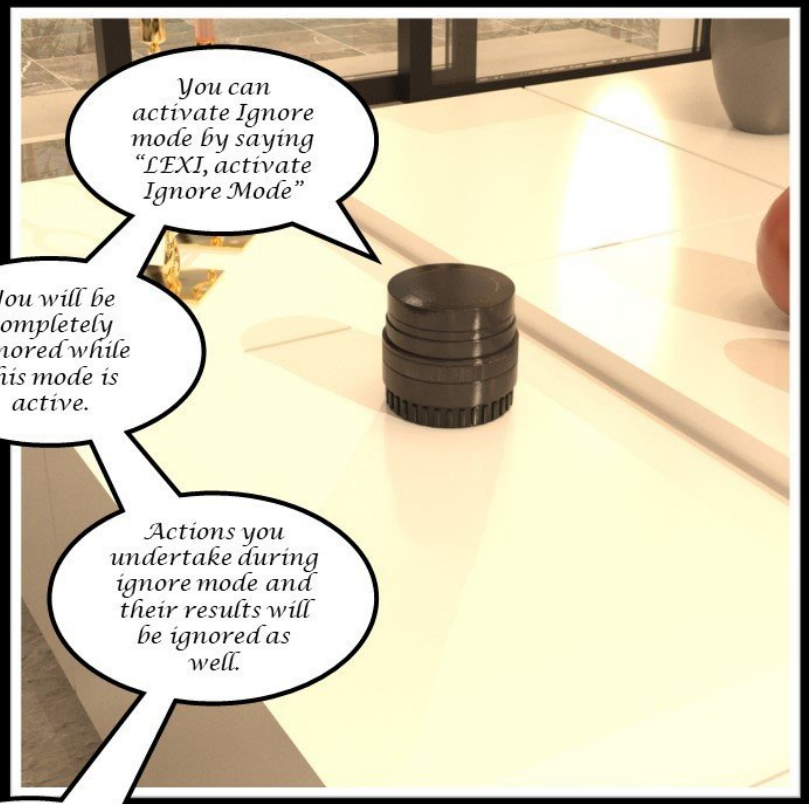
LEXI 03 – Ignore Mode

Previously on LEXI, Mika discovered „Ignore Mode“ – a LEXI function that makes the user and his actions completely non-existent to anybody around them! While Mika has tested it out in the bathroom – trying to prank his stepsister – the real use case shows up now in the form of Julie arriving at the Harrison‘s house. Julie is a cute girl from Jessica‘s class – very flirty – a real tease. And Mika finds her very attractive… what better target for ignore mode is there?!

Featuring

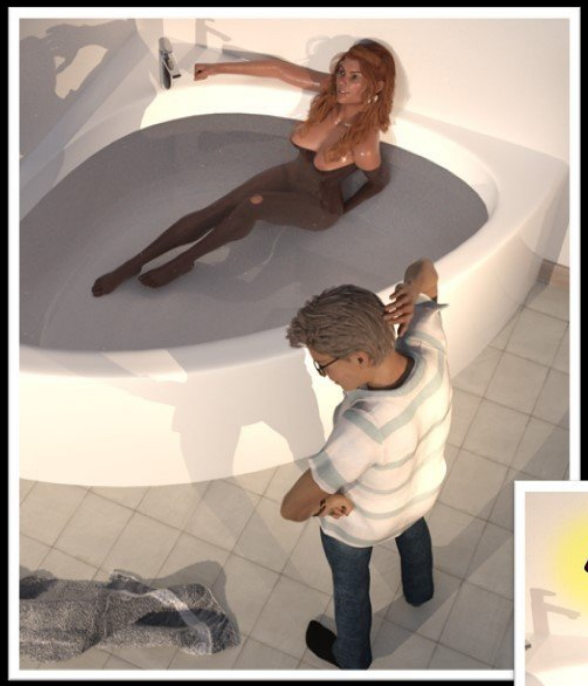
Mikael…	a guy who installed LEXI at his home
Jessica…	Mikael‘s stepsister
Julie…	One of Jessica‘s friends
Mr. Harrison…	Mikael‘s father

Previously on LEXI...

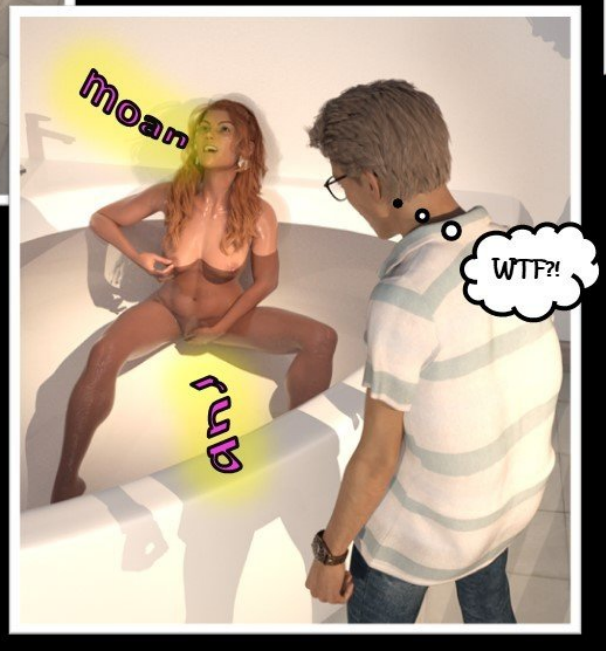


Having verified the power of the time rewind function, Mika discovered "Ignore Mode" – one of LEXI's many features.

But Mika's attempt to use "Ignore Mode" to prank his stepsister in the bathroom failed...



As he totally got distracted by what Jessica did in that tub...



Now, while a bit turned on by that display, Mika has no such interest in his stepsister...

Thankfully the doorbell rings and reveals the perfect opportunity for Mika's raging hard-on... I mean to test out Ignore Mode further!

We continue from here...

I would never...

Oh, really?! Then what are you doing down here pipsqueak?

I... er... I was just getting a snack from the kitchen. Yes!

Sure, you are...

giggle

Come on, Julie. Let's get into my room.

See you around, Mika. *giggle*

Urgh!
Why are you encouraging him?

Not by my pervy step bro!
Oh, come on. It feels good being desired. *giggle*

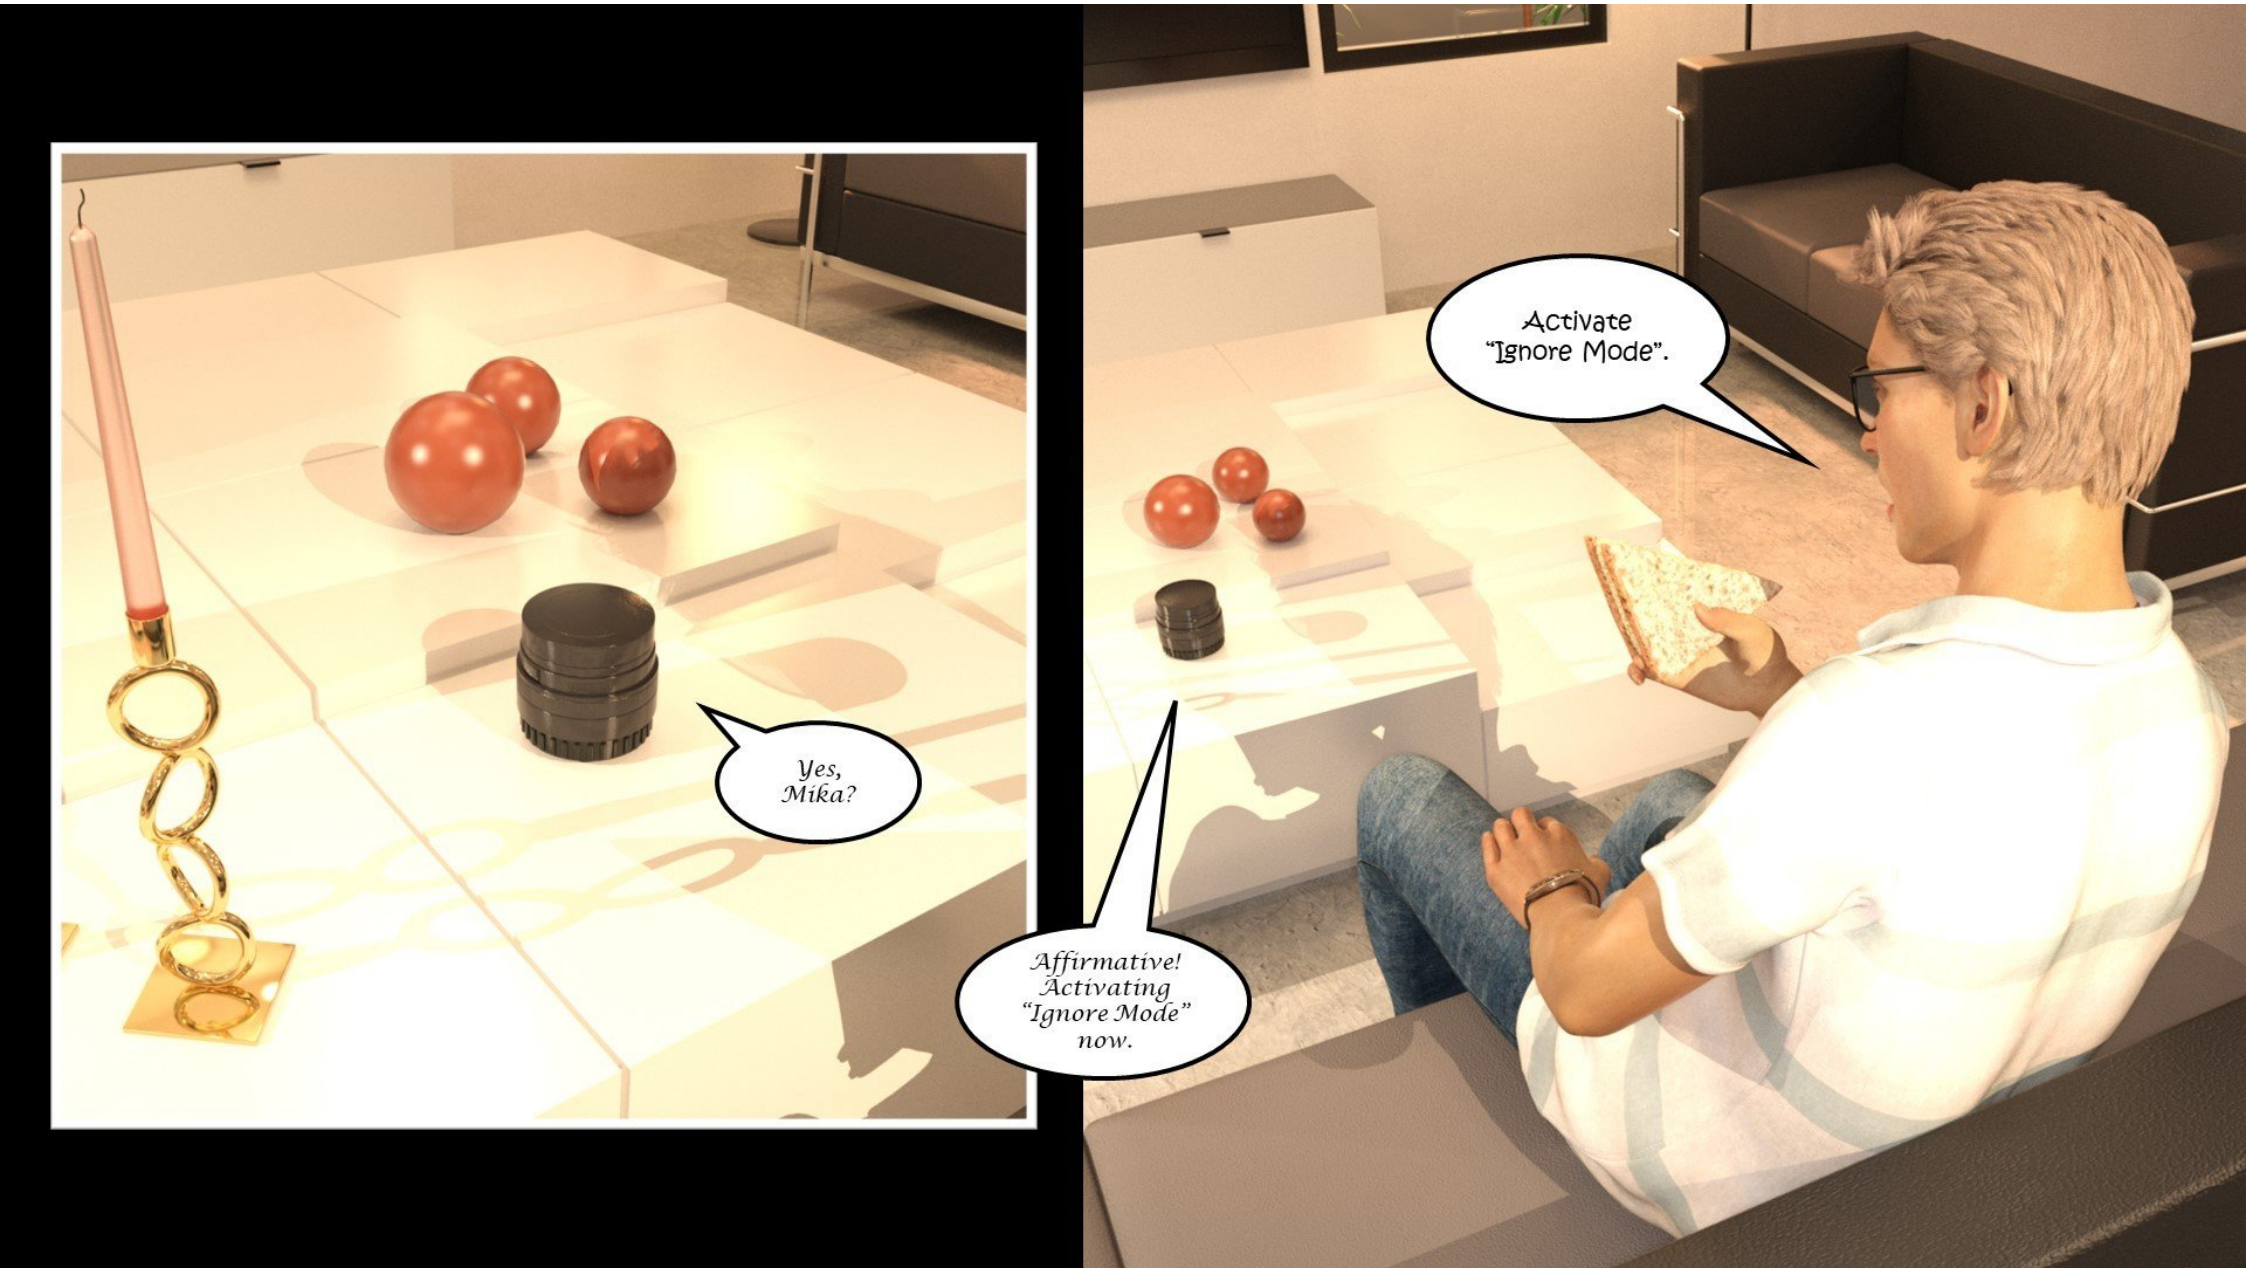
And so Julie and my stepsister go up to her room chatting while giggling. I can't help but think they are talking about me...

But hey... Don't you just love glass staircases?

I wasn't hungry at all... but I go with my previous lie of fetching a snack to not get made... more than I already have been...

I can hear the girls making a ruckus upstairs... I wonder what they are doing...

Though... I don't have to wonder... **Time to find out!**



Yes, Mika?
Activate "Ignore Mode".
Affirmative! Activating "Ignore Mode" now.

I sneak up to Jessica's room... the irony not lost on me... If this was working... I did not need to sneak... and if it wasn't... I should definitely not walk through that door!

So, you and Jake?

Well... maybe...

I'm not sure!

ON
He was kinda flirting with me this morning... I think...
Oh, he's so cute! And HOT!
Those abs... *swoon*

As I enter my stepsister's room I find the two girls talking about boys. **Figures!**

No one has noticed my entering... even though Julie has a perfect view of me and the door...

I snip Jessica's ear with my fingers – **no reaction!**

Ignore Mode“ is working perfectly!

As I walk past Jessica over to Julie, standing between both girls, they keep on chatting without a care in the world – completely oblivious to my presence!

I just hope I'm not making it up.

It would be his loss!
Ah don't worry. You are a sweet girl, Jul!

Very sweet indeed, Julie...
I let my hand softly caress Julie's cheek. No response.

I walk around the bed and proceed to Julie's delicate feet while the girls keep on talking about a Drake or Jake... **whatever!**

rub

rub

As I'm engrossed with Julie's cute feet, Jessica comes over with some book.

GAME
Do we have to?
I use Julie's unrest to spread her legs and get a good look at what's between those thighs.

Come on Julie! The presentation is not gonna write itself.

Okay, okay! *pout*

While the two girls talk about their presentation and upcoming project... blabla...

I carefully slide my hands under Julie's dress and take off her panties!

Nice!

I stare at them like a treasure for a good long minute... **Thank you LEXI!**

I pocket Julie's panties as a trophy...

But why settle for them...
when the source is so close?

I slid my hands in between Julie's legs...

I'm not met with any resistance and I slowly spread them open.

O.M.G.!!
So cute!

While her pussy is shaven clean...
PRETTY 3D WORLD
VOLUME III

Her bush above is trimmed in the shape of a little heart! Wow!

Any restraint – if I had any to begin with – is gone from my mind as I bow down and go down on the girl engrossed in her book...
PRETTY 3D WORLD

There is no visual reaction from Julie whatsoever...

lick

lick

But as I continue to lick, I can taste her juices! So her body does react to some degree!

Uhh! Julie! Come over here.
I found something cool!

sigh ... okay.
This book is fucking boring anyway.

Oh, nice! If we put that in...

Our presentation will totally rule!

My oral administration has been rudely interrupted but I don't dwell on it. Instead, I focus on the new opportunities arising.

Yup!

And there we go.

Julie does not resist me taking off her shirt... but she's not helping either. So, it's not an easy task...

But I manage to free her boobies in the end!

We should make a quick draft.
grope

Now you wouldn't want to leave your friend topless alone, sis, right?
Yeah! Let's do that!

Alright! Let's get started!
Nothing I haven't seen before... *chuckle*

The girls settle down on the floor, ready to sketch up a presentation when Julie's phone rings...
Ring
Ring
I'm pretty sure I could just trough Julie on her back and do whatever I want to her thanks to „Ignore mode"...

But I gotta admit I find it quite amusing to go with the flow...

I'd love to!

Monday 8:15? Mhm. Yes!

Mmmppfff

I don't know how this conversation is received on the other side of that phone...

GAK

Mppf

SCHLURP

Is this Drake/Jake/Whatever dude understanding what Julie intended to say?

I've got no clue! But he was not hanging up and from Julie's reaction, the conversation seemed to be going just fine. LOL!

PLOP

O.M.G.!!

I've got a date with Jake!

Awesome! What are you doing?

Movies! "Deadpool and Wolverine"
Yeee... You just saw that on Tuesday.
Don't care! Will be trice as fun with Jake!

As Julie – full of enthusiasm – starts to draw up some stuff for their presentation I know what I'm going to do next...

Time for the main course!
grab
So, if we draw this up like this...

Oh, yeah! That looks good!

I placed the tip of my dick on Julie's love entrance...

Looking good, indeed!

...Before slowly sliding it in. **She was still wet from before!...** or from that phone call...

Oh, yeah!
That feels nice!
Groan

Woah! Julie! What are you doing?!
fap fap fap
Oh, shit! Was „Ignore Mode“ wearing off?

You are totally messing up the sketch!

Scribble

shiver

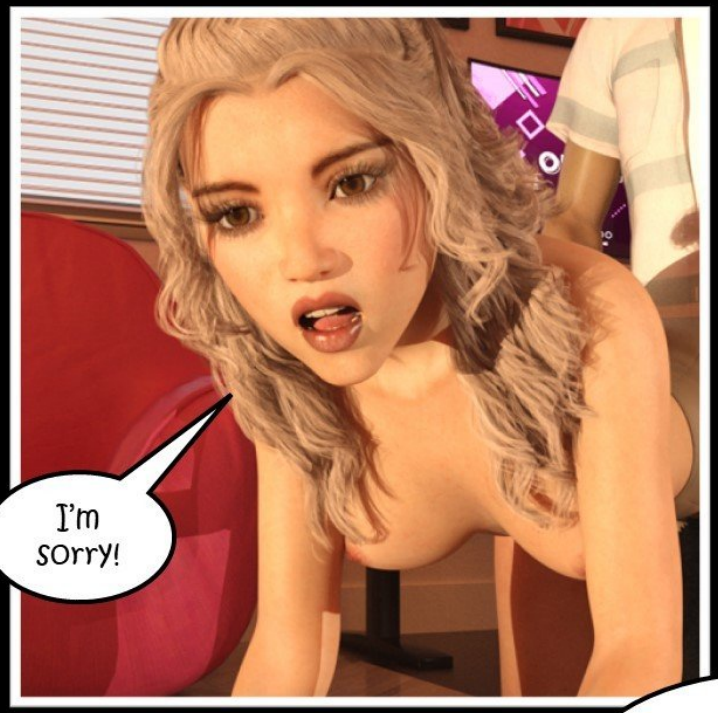
Phew! *chuckle*

The reason for Julie's inability to draw a straight line was clear to me...

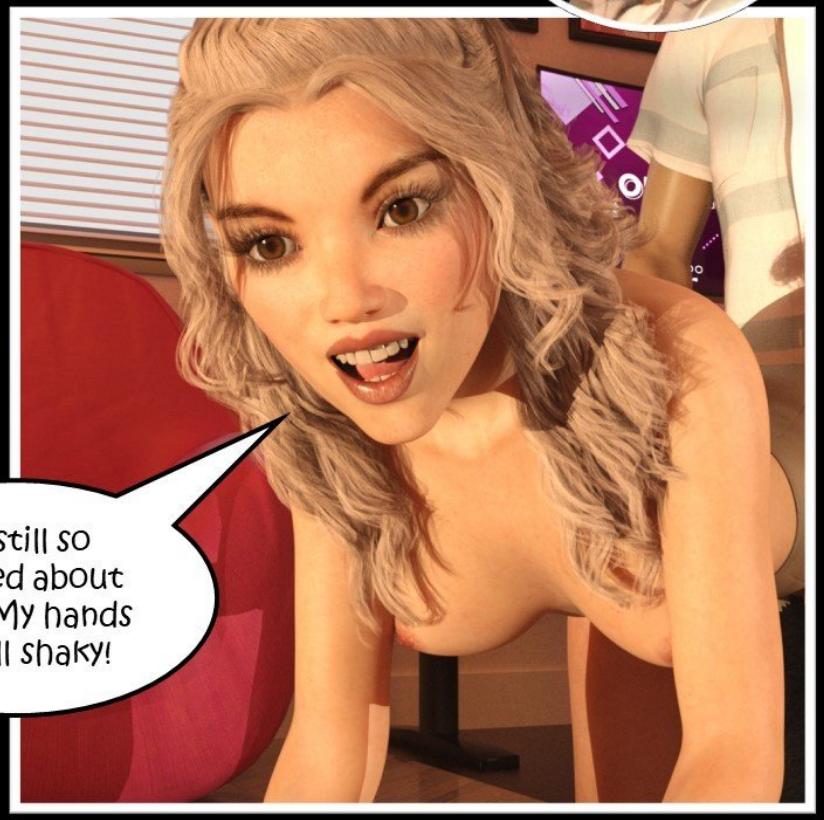
As I was pounding in and out of her like a mad man...

But I wonder what those two will come up with as a reason.
chuckle

Oh...



I'm sorry!



LOL!
I'm still so excited about Jake! My hands are all shaky!

Don't worry - I understand. Boys can have that effect on you. *giggle*

So true! Getting fucked doggy style has that effect, sis. *chuckle*
Let me do it.

Thanks, Jess!

The situation was so incredibly surreal...

But hot!

Incredibly hot!

So I pull out and quickly wedge myself between the two girls, aiming my cock at Julie's cute face!

I'm kinda proud of my drawing skills.
And you totally should be!

...while I wipe my cum-dripping-cock on Julie's hair. ***chuckle***

Wow! That was the most amazing orgasm I had so far in my whole life!

Having done what I came here for I zip up and walk out of my stepsister's room. The girls non-the-wiser. *chuckle*
Yeah! We'll totally score an A+ with this!
I've got a good feeling about this.

That's no drool, sis. *chuckle*
Err... Julie! Did you just drool on the presentation?
drip

Sorry!
Still thinking about Jake!

After all that, I return to my room. I'm a bit exhausted from the exercise... but mostly I'm simply content.

Wow!

Fucking Julie? A girl way out of my reach who's teasing me every time I see her? **That was fricking awesome!**

We got quite some work done. Let's get something to drink.

Yes, please! Do you have coke?

Clonk- I can hear the front door open and close. Dad's probably back home.
Yup, that's him. Only he sounds like that when climbing the stairs.
thump
thump
As I get ready to sleep, I wonder if I too will once have a job with such long hours...

Sure thing we have coke.
I would be up for eating as well...
All this studying got me really hungry... like after a workout...
Good night, LEXI. Tomorrow will be a great day! Oh, and LEXI, stop "Ignore Mode".
Good night.
Affirmative! Deactivating "Ignore Mode".

I slightly wonder what the commotion is all about outside my room... but with a stepsister like Jess around I have learned to not step into other's trouble for no reason. So, I bury my head in the pillow and focus on sleeping.

What the hell, girls? Why are you topless?!
Dad! Don't look!
O.M.G.!! So sorry Mr. Harrison! It was so hot... and we forgot to put our tops back on...
To be continued...

Thank you for reading!

Hello, Hexxet here,

Olalla! That was quite the adventure for our virgin Mikael. Scoring with the older cute girl from his stepsister's class? A real tease to top it off? Nice achievement! "Ignore Mode" is working perfectly!

Do you wonder what other functions LEXI has to offer? Next chapter we will explore "**Universal Acceptance Mode**"! You don't want to miss it! ☺

LEXI 04 – Universal Acceptance Mode

Previously on LEXI, Mika used „Ignore Mode“ to score with Julie, his stepsister‘s friend and a real tease. Mika now has further researched LEXI‘s capabilities and found another Mode that sounds interesting: „Universal Acceptance Mode“ Who will he test that one on?

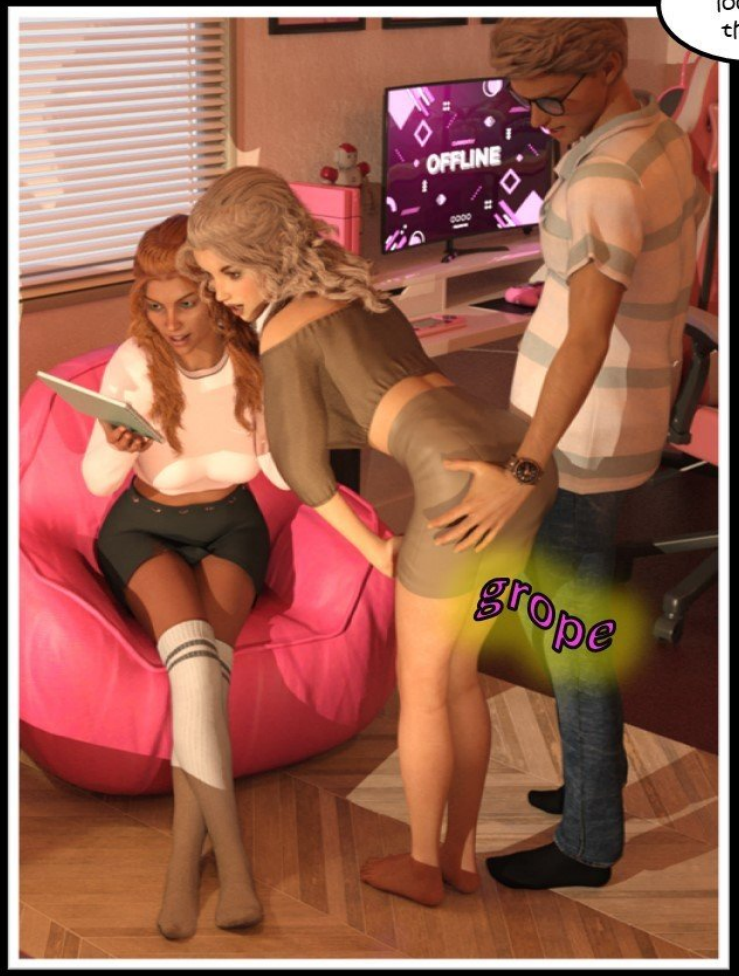
Featuring

Mikael…	A young guy who installed LEXI at home
Jessica…	Mikael‘s stepsister
Barbara…	One of Jessica‘s friends
Mr. Harrison…	Mikael‘s father
Jeniffer...	Jessica‘s mother, Mr. Harrisons‘s wife

Previously on LEXI...

With „Ignore Mode activated“ Mika made his way into his stepsister's room where the two girls were talking...

Neither of them reacts to his presence.



OFFLINE

Will you look at this...

Hey Julie!
mmpph

Ignore Mode" was a full success and Mika finally got to score with a hot girl who teased him for so long!

We continue the story on the next day as we join Mika on his way back from school. In the morning he did study the LEXI functions some more...

Universal Acceptance Mode...

BUS STOP

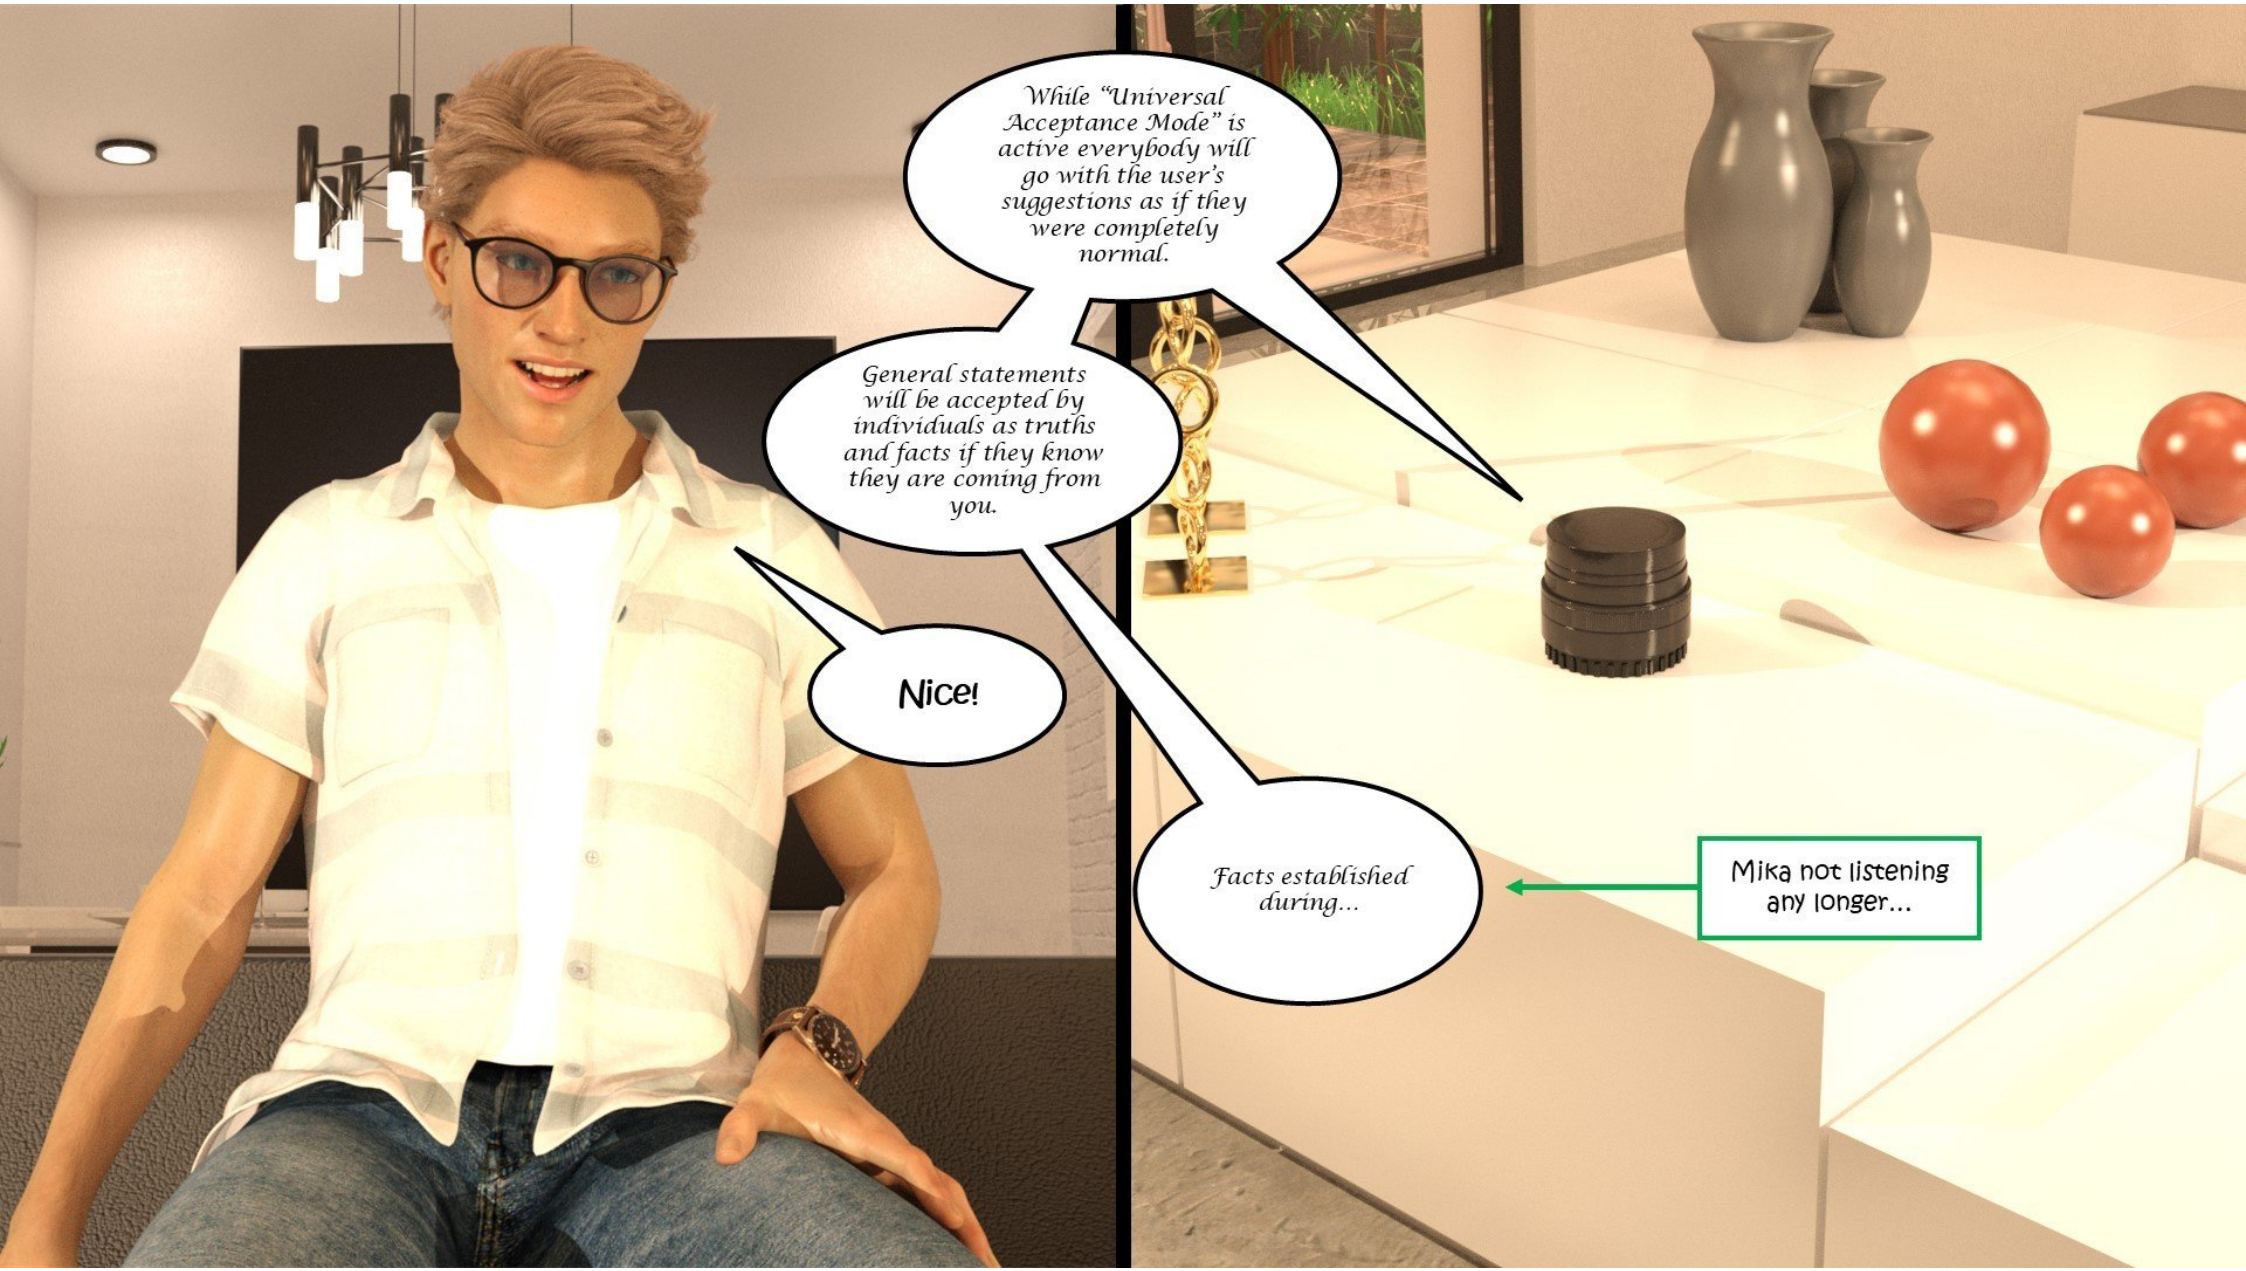
I can't wait to get home...

As I finally arrive home I'm already all giddy. I can't wait to try out that new function I found on LEXI this morning...

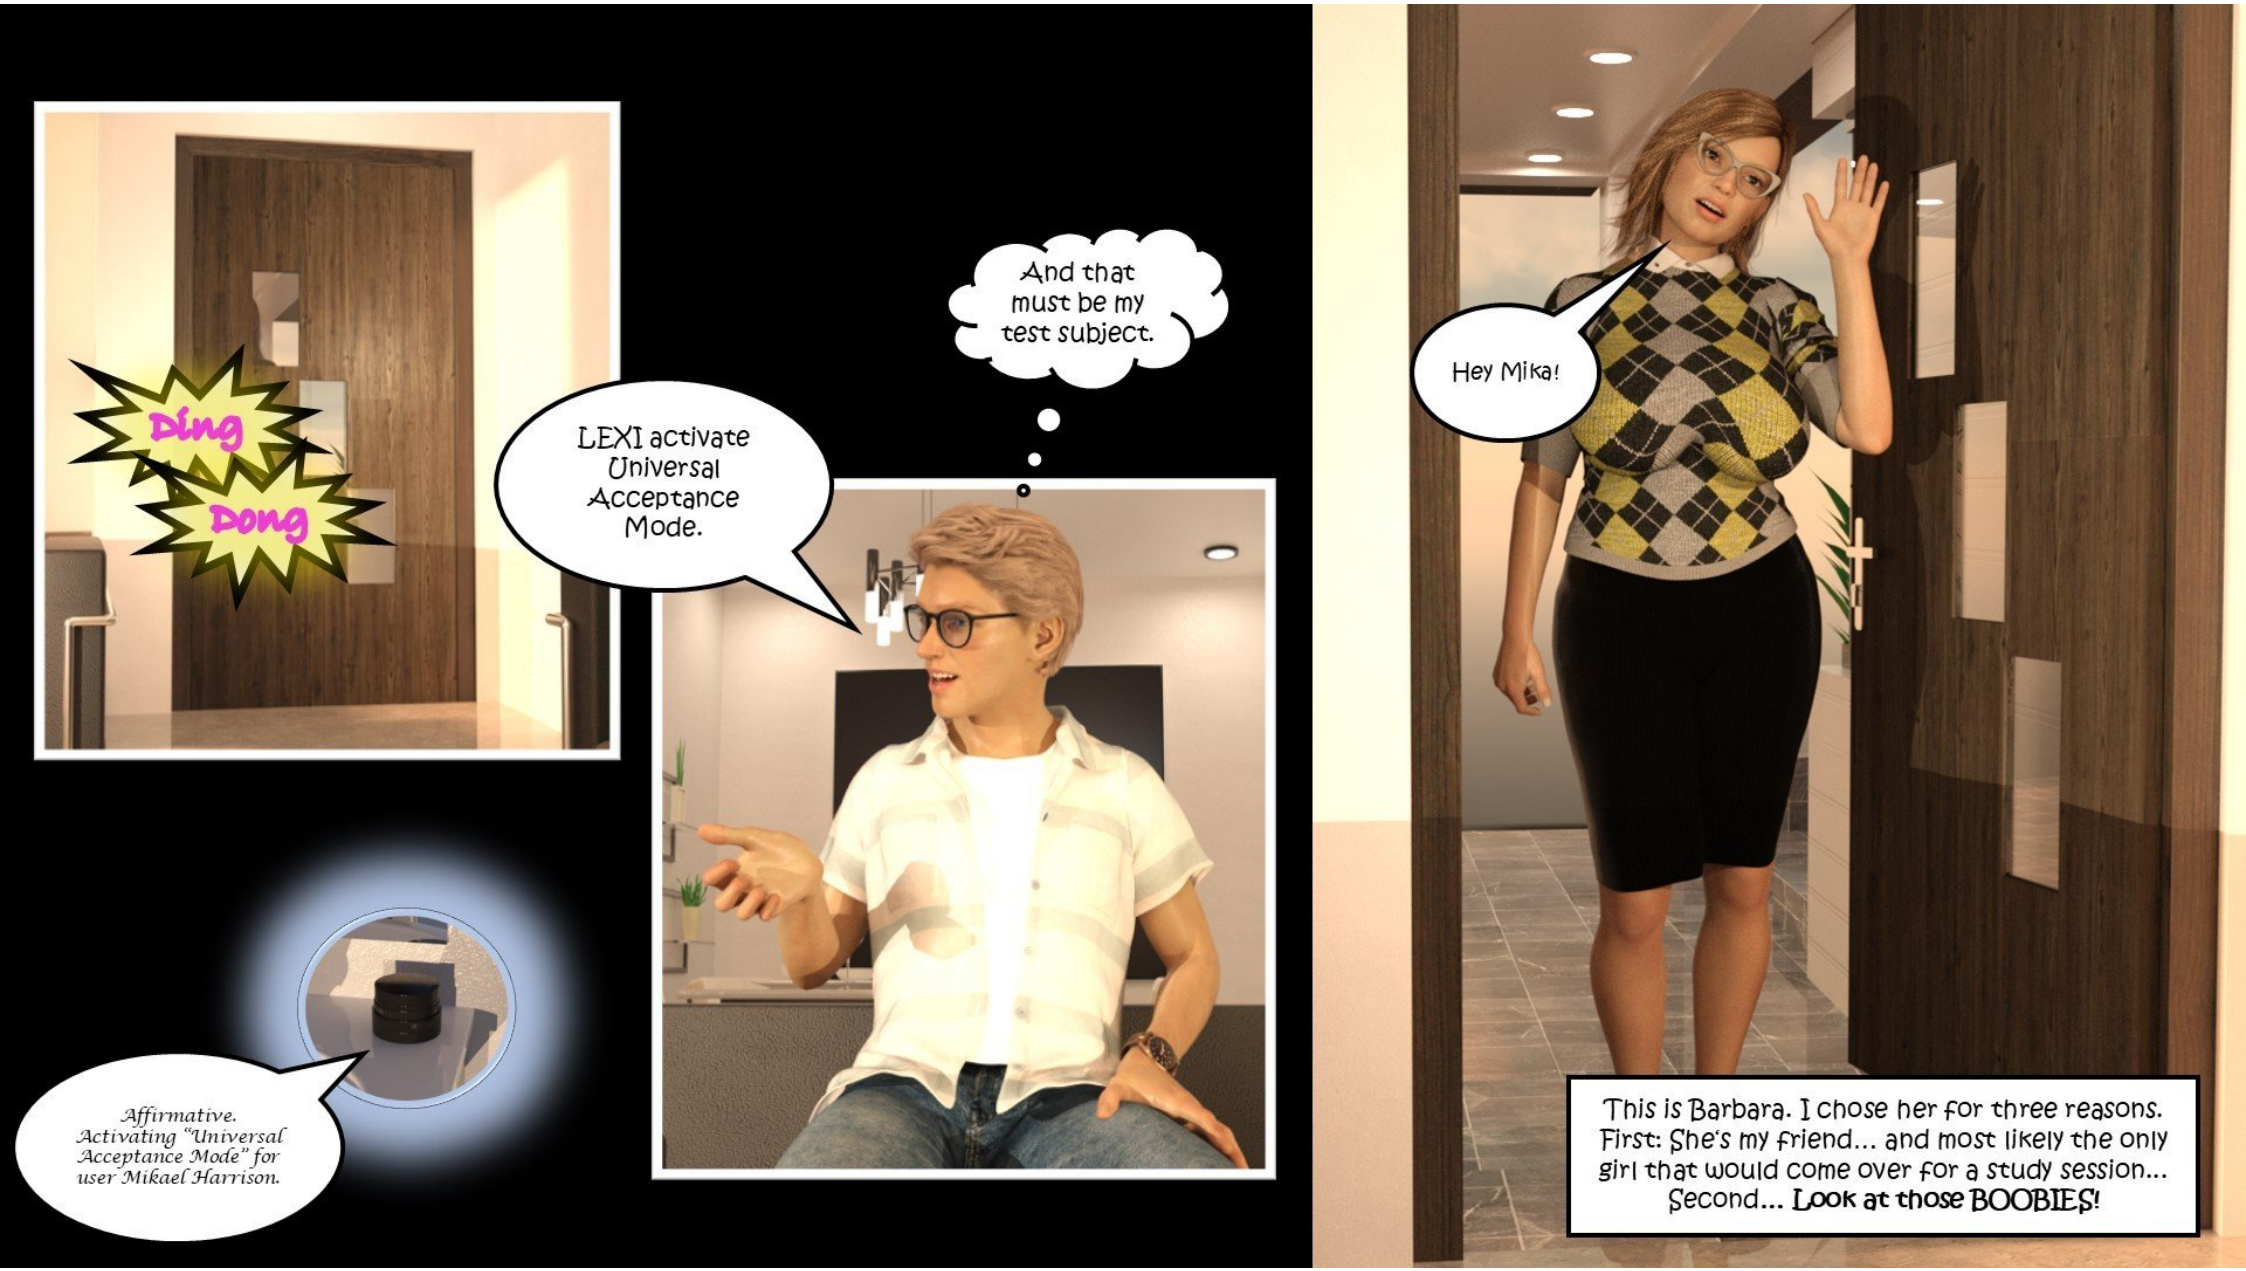
Since nobody is home yet, I crash on the living room sofa, and let LEXI unit there explain that newest function once again.

LEXI - Explain "Universal Acceptance Mode" to me once more.

Affirmative! Explaining: "Universal Acceptance Mode".



While "Universal Acceptance Mode" is active everybody will go with the user's suggestions as if they were completely normal.
General statements will be accepted by individuals as truths and facts if they know they are coming from you.
Nice!
Facts established during...
Mika not listening any longer...



Ding
Dong
LEXI activate Universal Acceptance Mode.
And that must be my test subject.
Affirmative. Activating "Universal Acceptance Mode" for user Mikael Harrison.
Hey Mika!
This is Barbara. I chose her for three reasons. First: She's my friend... and most likely the only girl that would come over for a study session... Second... Look at those BOOBIES!

Thanks. You ready for some studying?
Babs, please, come in.
I... Of course.

But... there is one thing since you last came over...
You see... we have this new rule.
Mhm?

Women at our house are ... err... going topless now... you know?
I blush a little as I tell Babs this obvious blatant lie...

If „Universal Acceptance Mode“ does not work I have to sell this as a joke...

But my fears are unnecessary. Babs starts stripping off her top without hesitation! O.M.G.!

As she lifts her sweater above her head I can already see the two objectes of my desire in reach!

My anticipation rises as she fiddles with the clasp of her bra...

And there they are! Sweet globes of pleasure! I have known Babs for a very long time now... Ever since she grew those on her chest... I was curious about them. Now it's finally time to see them in action!

gulp
Yup! Absolutely.
Thanks for abiding by our house rules.
We good like this?

Wow!
But of course. Anything else would be rude.

With every movement of her hands...
Alright!
jiggle

Barbara's giant breasts jiggle like crazy!
Let's go upstairs and get some studying done!
jiggle

Are you alright, Mika?

Heartbroken, I detach my eyes from Barbara's humongous breasts and assure her everything is alright. Then I invite her to follow me upstairs.

Mika seems a bit strange today...
They are so damn huge!
Wow!
What should I tell her next?

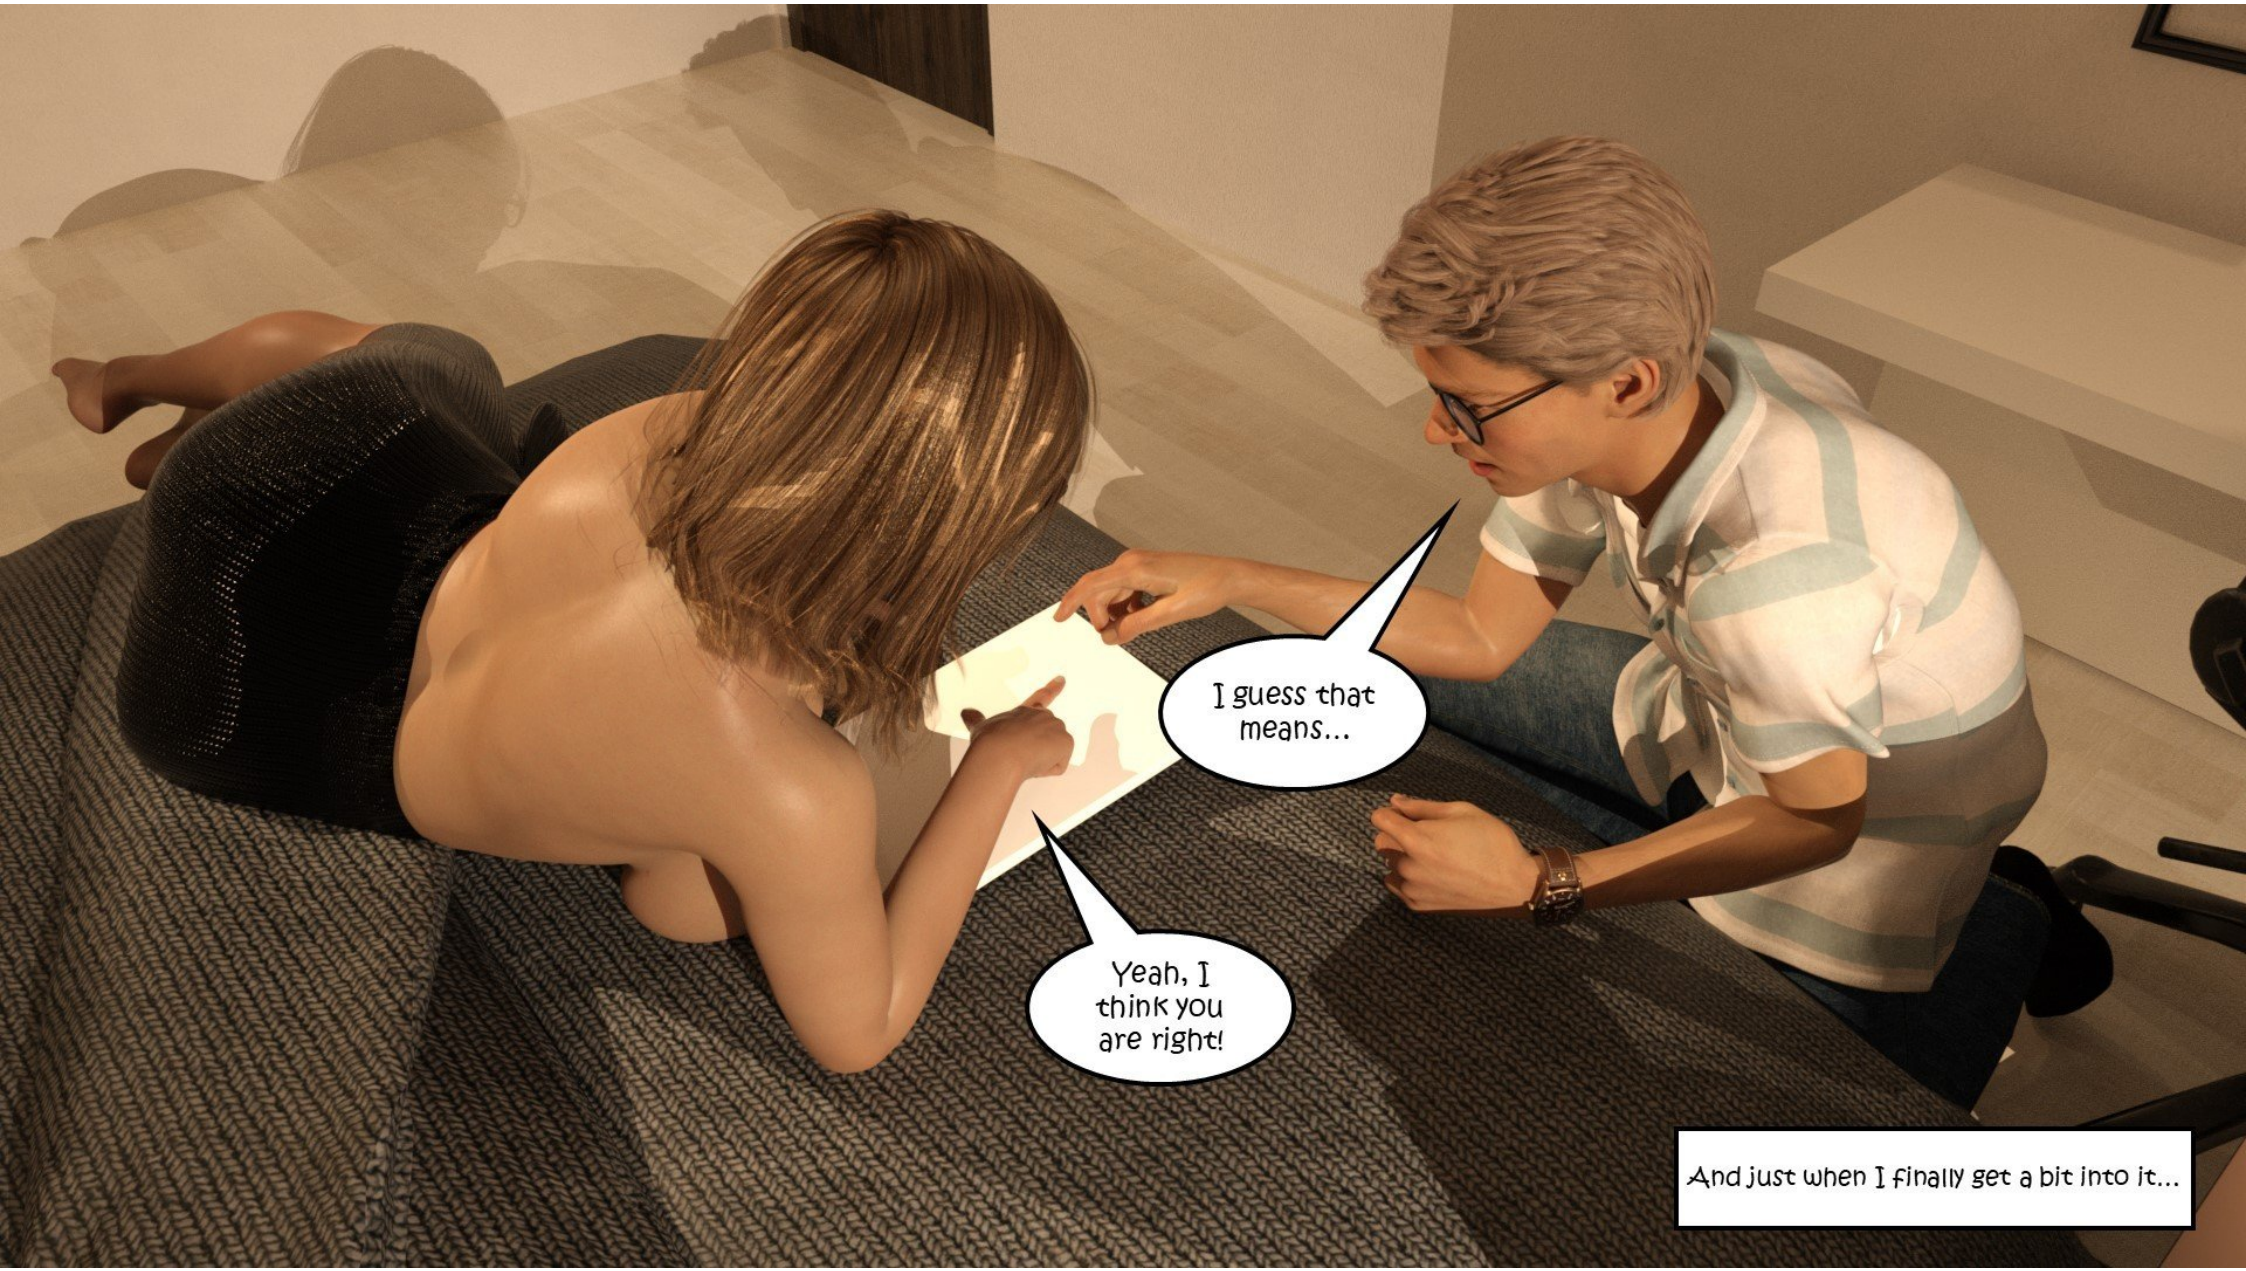
Babs was eager to start the session... of studying that is... while all that was on my thoughts was...
Note Pad

BOOBIES!
What is wrong with you today?
Just because I comply with your house rules does not mean that it's fine for you to stare at my breasts all day!
Note Pad

Can't you... just let me look?
Gulp Sorry. It's... just really calming

Oh, well if it's calming...
Sure, stare all you want, Mika.

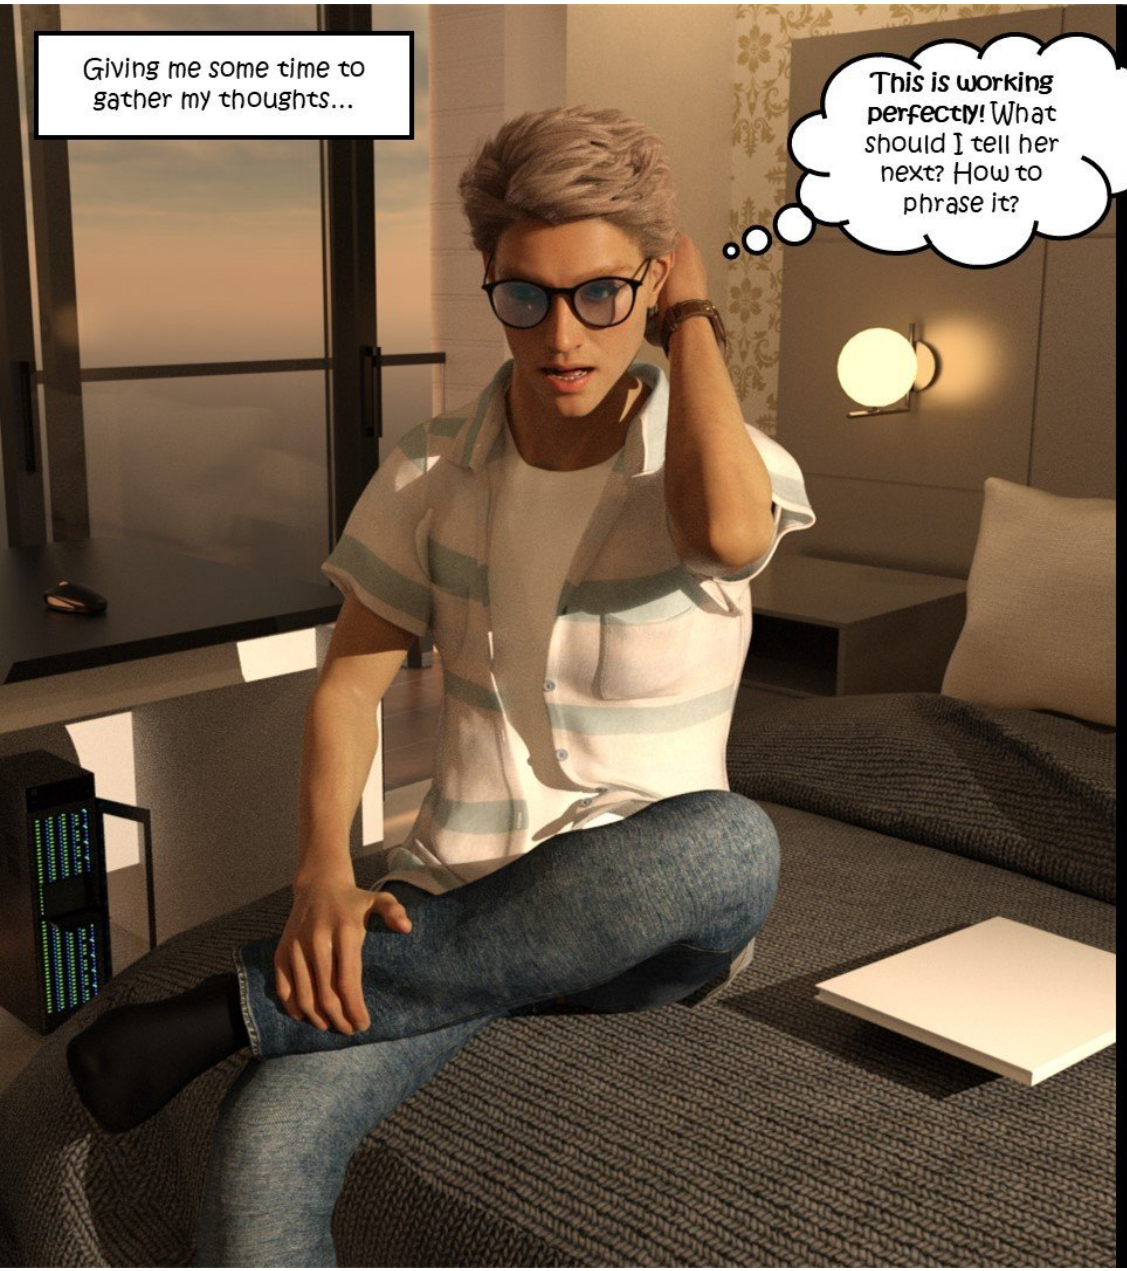
We kicked off our study session... and Babs was quite into it... but truthfully... I was just staring at her cleavage...



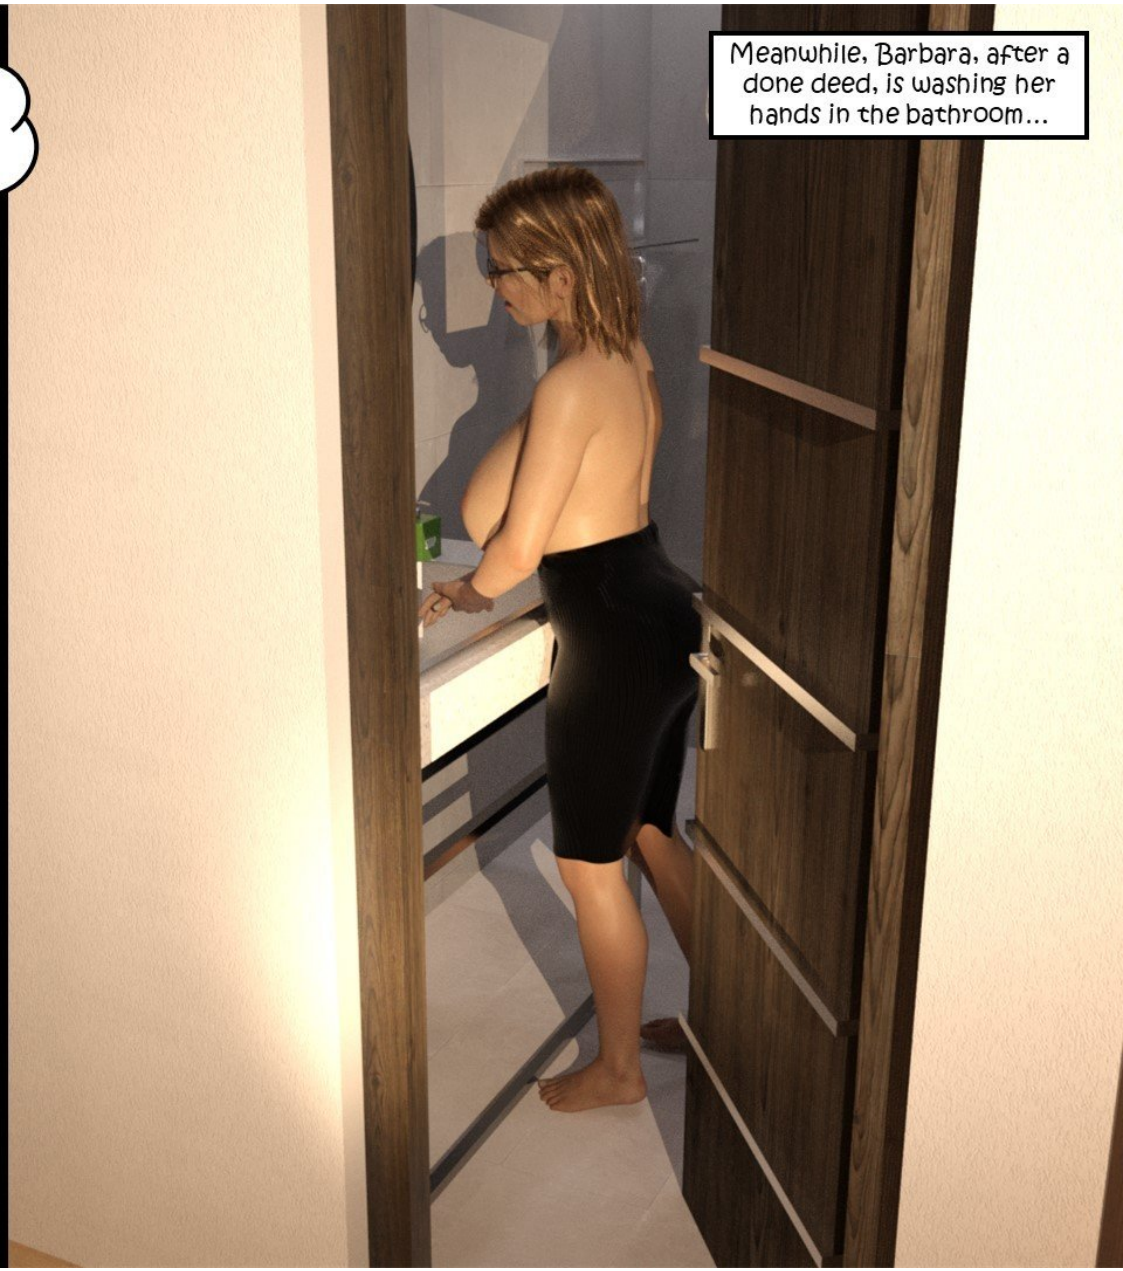
I guess that means...
Yeah, I think you are right!
And just when I finally get a bit into it...

I gotta tinkle real quick.
Back in a sec.

Barbara goes to the toilet...



Giving me some time to gather my thoughts...
This is working perfectly! What should I tell her next? How to phrase it?



Meanwhile, Barbara, after a done deed, is washing her hands in the bathroom...

Before walking back out...
What the hell!?

Huh?
Hey Jessica. What's wrong?
What's wrong?
Why are you walking around our house with your jumbo udders hanging out in the open?!!!

I don't understand... Mika said all women go topless around your house...
Mika said that?
Oh, that little Pipsqueek!

I mean, what the fuck?
I live here and only now do I hear about this?!

Urgh!
Why can't he keep me in the loop!?

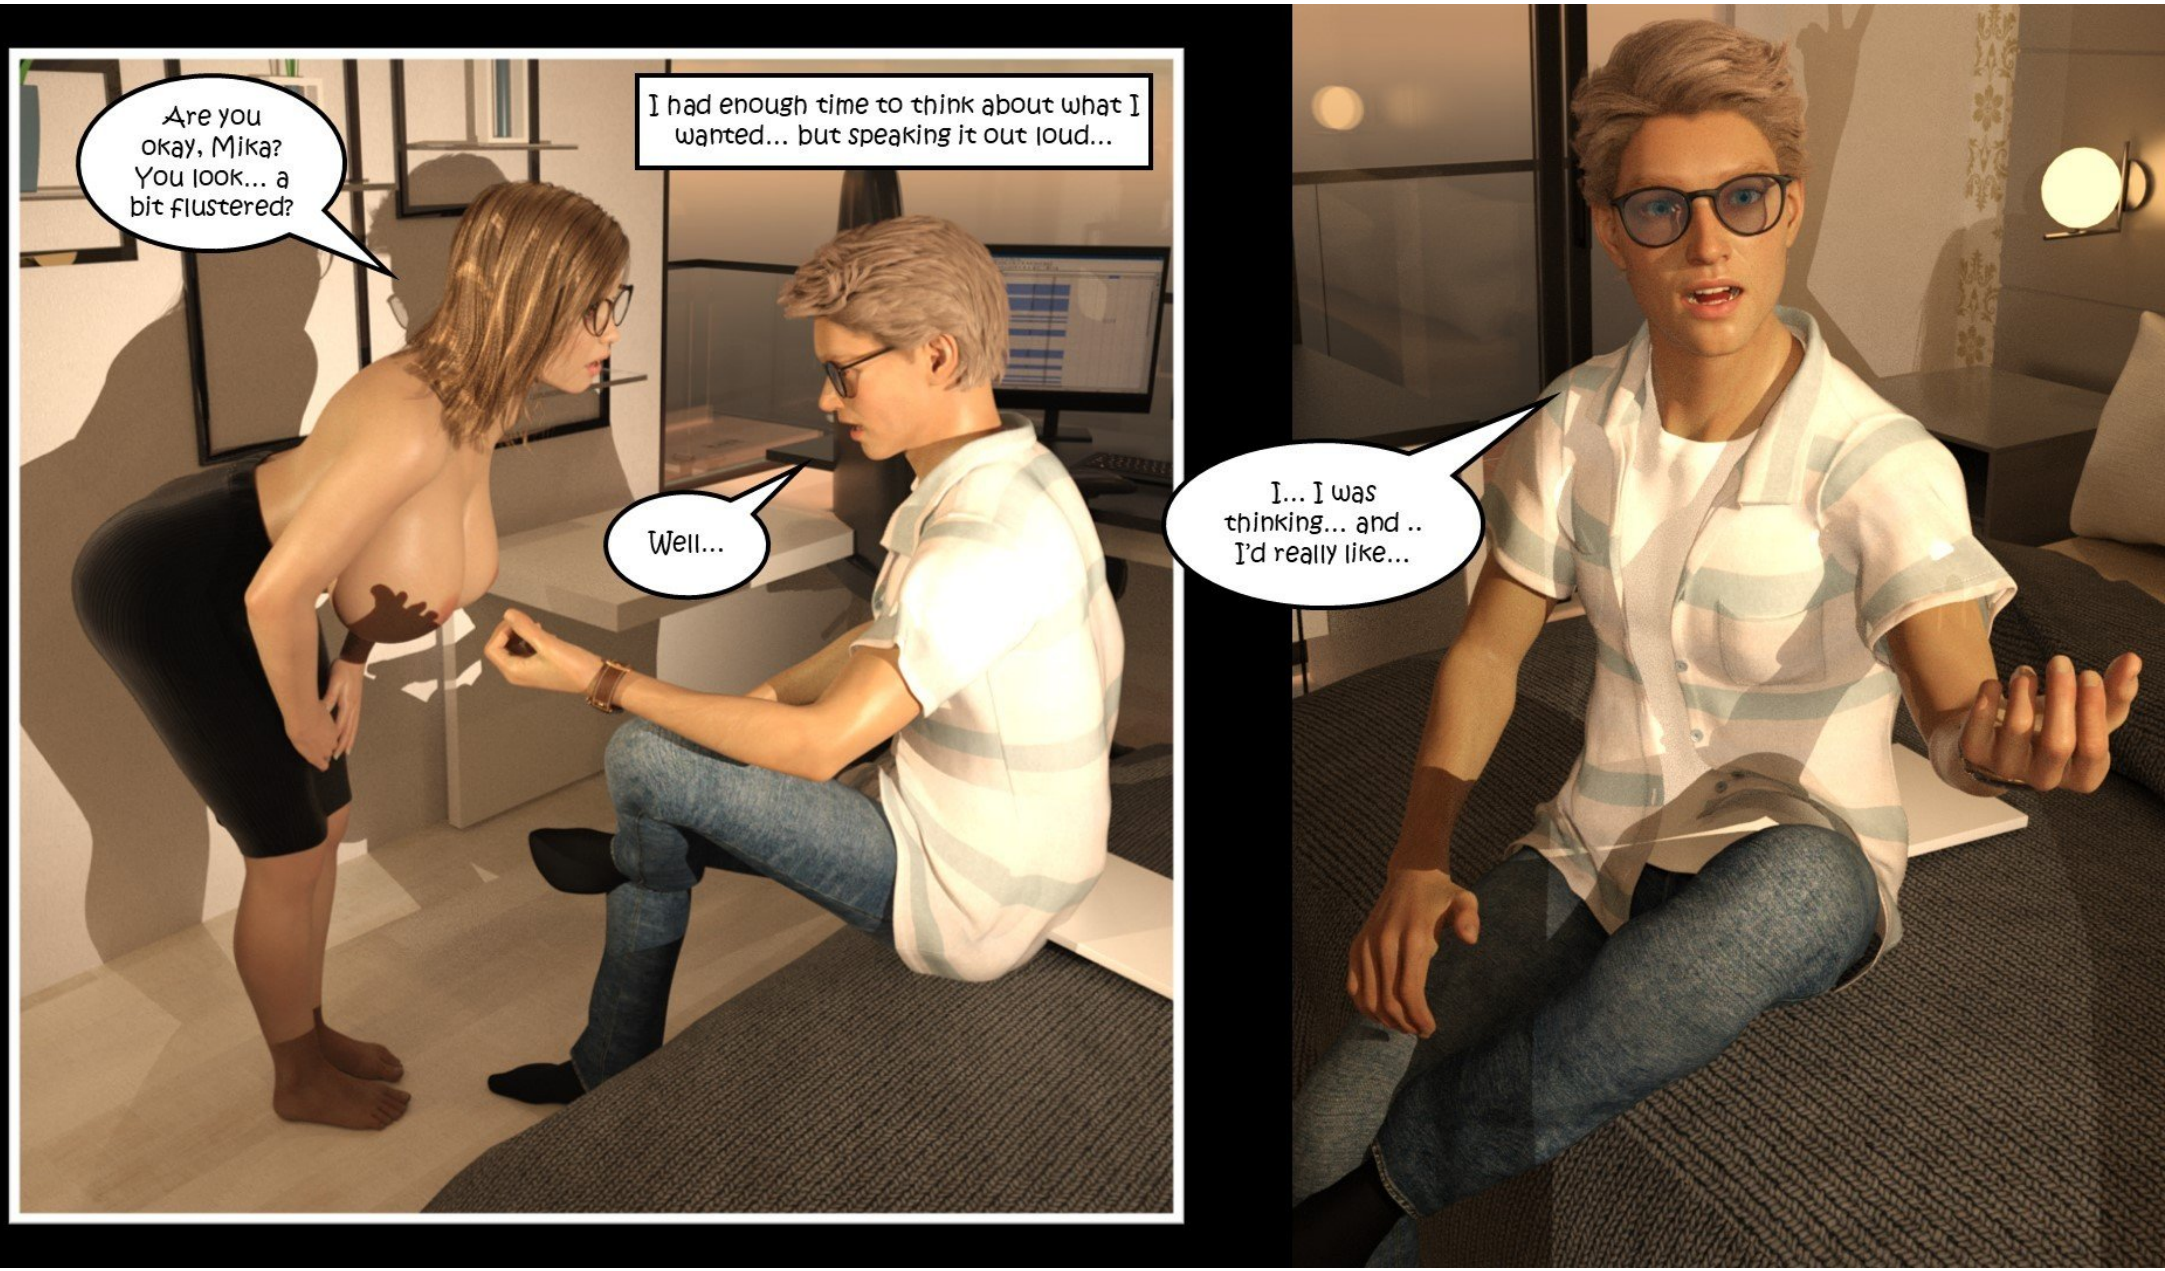
schwup

Sorry for shouting at you, Babs.
Phew! Much better.

Cya!

Now... that was weird...

Well, whatever. Let's get back to studying.
Yo! Your sister's really weird.
I know!



Are you okay, Mika? You look... a bit flustered?
I had enough time to think about what I wanted... but speaking it out loud...
Well...
I... I was thinking... and .. I'd really like...

Come on, Mika. Speak up. Tell me what ya need. I can't read your mind, dummy. *giggle*
I could not even look her in the eyes when I blurted out my next words...
Please, give me a Boob Job!

Wah!
Is he going crazy now?

Why is he shouting like that?

Meanwhile, down in the kitchen with Jessica and her mother...
Hey, mom. Just getting a snack.

Oh, dear lord! Jessica! Why are... why are you not wearing a shirt?!
Mom! Why are you all dressed up!?
Mika said women are supposed to go topless around our house!

Back in Mika's room...

A Boob Job?
You mean... like pleasure your... dick with my breasts?

gulp
Yeah.

Okay, sure.
But really, you don't have to yell at me like that.
If you want a boob job just ask, okay?
For real?
I mean... you will do it?

Duh!
jiggle

What else do I have these for? *giggle*

And just like that, only moments later I find myself bottomless on the bed, my best piece engulfed between two huge mountains of cleavage.

As Barbara skillfully pushes her breasts together I wish my cock was long enough to pierce through that valley of boobs...

But, Barbara's melons are just too big for that!

Anyway, the feeling as Barbara slides her boobs up and down my rock-hard shaft is simply amazing!
Thump

And every time when she lets her boobs fall back into position...

That little thump noise they do when they smash back onto her body... **I love it!**

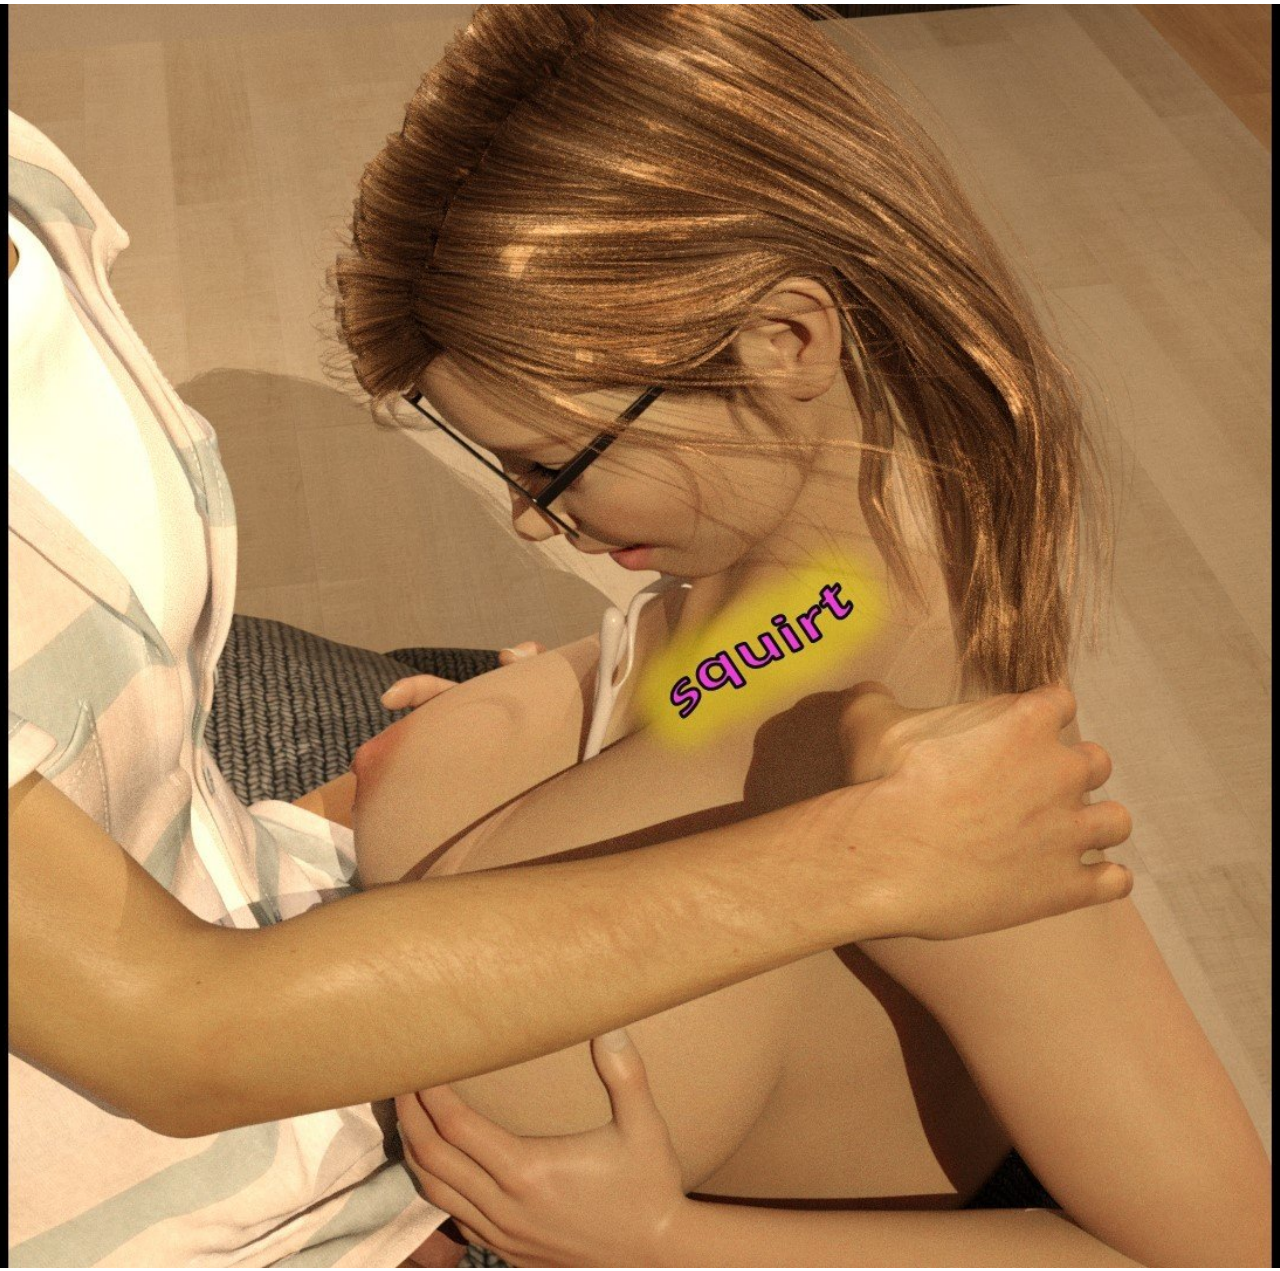
Groan

I'm cumming soon, Babs!

I could feel the pressure in my balls rising beyond the point of no return...
Take my load, Babs!
Take my load on your tits!
clench

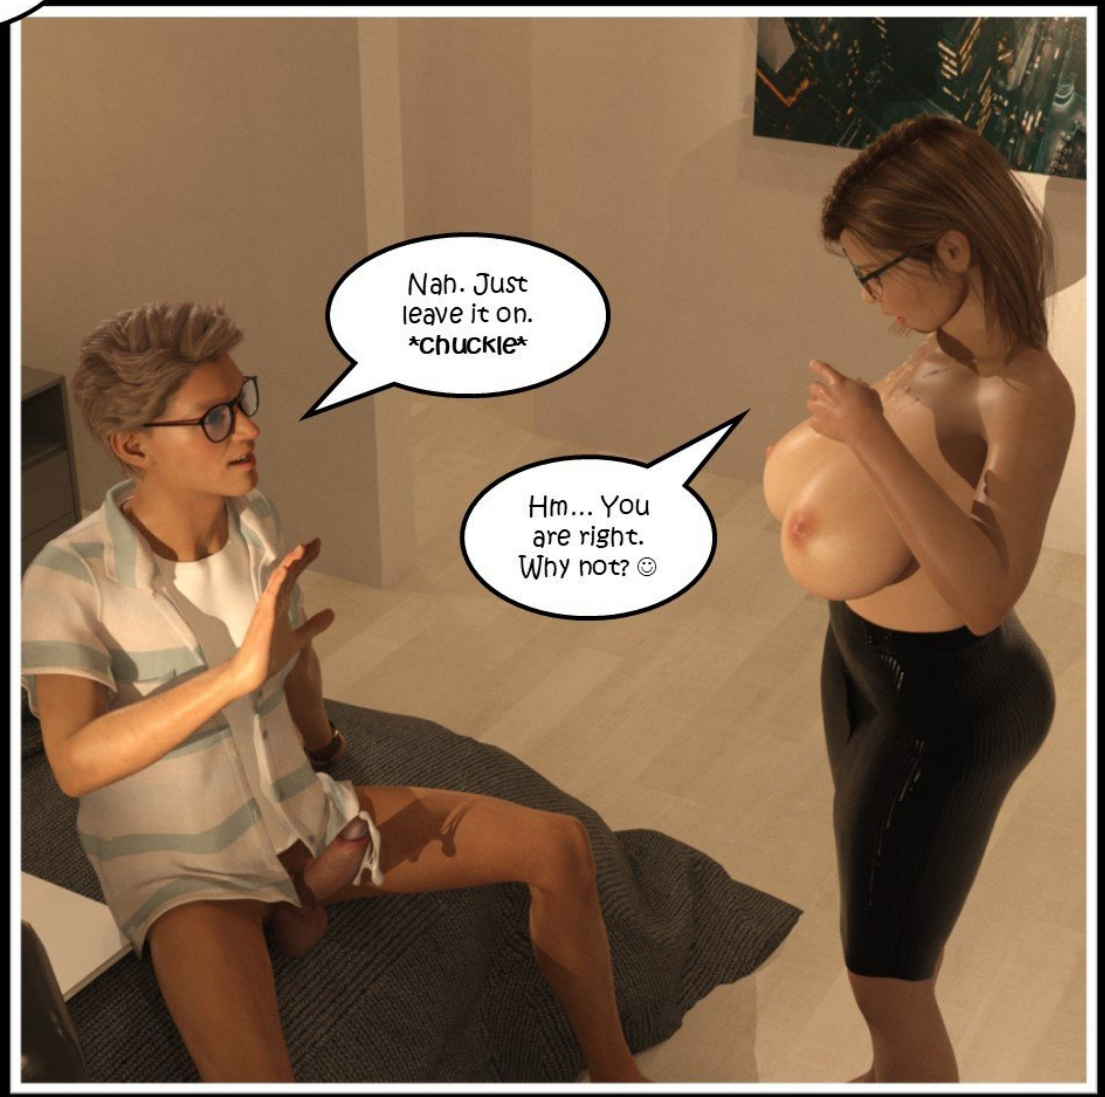
And I erupted right there into Barbara's amazing cleavage!

At least my load was able to escape that valley of breasts – covering her chest in sticky white...



Wow.
You really needed that, huh?
You came a lot!

Now.. I really should go and clean myself up...



Nah. Just leave it on. *chuckle*
Hm... You are right. Why not? ☺

I just meant that as a joke!
Wait... for real?
Sure. Why not? It's just your bedsheets I'll be staining and you seem to be fine with that.

Right... Can you clean me up real quick, though?
Sure!

LEXI I love you! This mode is awesome!
slurp

As we continue studying I do not bother to put on my pants again...

Hmm... I could... Would that work, though?
My lust sated for the moment... I can still not take my eyes off Babs' breasts with my cum drying on them as she keeps taking notes like nothing is off...

And it does not take long for the inevitable to happen...
Err...ehm.. Babs?
BOING
Mhm?
Want another boob job?
I was hard again!

Wah... No... I...

I can see your hard-on from the corner of my eyes... So, I thought...

Well... err.. Actually... I was wondering...
Would you mind... being my exclusive sex slave?
Ready to do me any time and anyway I ask?
Oh, my. I did not know you fancied me like this.

You can have me any way you want.
Of course, I'll be your exclusive sex slave from now on.
gulp Cool!

We shed our clothes and soon Babs was riding my cock.

You feel amazing, Babs!

There is this boy I fancy...

Her massive boobs flopping in all directions as she rode me.

I have no clue how much experience she has... Or if it's about her letting loose as my toy. **But her performance was excellent!** She was wet. She was eager. And those jiggling tits... **Wow!**

I'm Mika's exclusive sex slave now!
Moan
Moan
After a short but hard riding session, we switched to doggy.
Groan

Barbara got teased at school regularly for being chubby...
jiggle

But I'd say that fat is in all the right places!

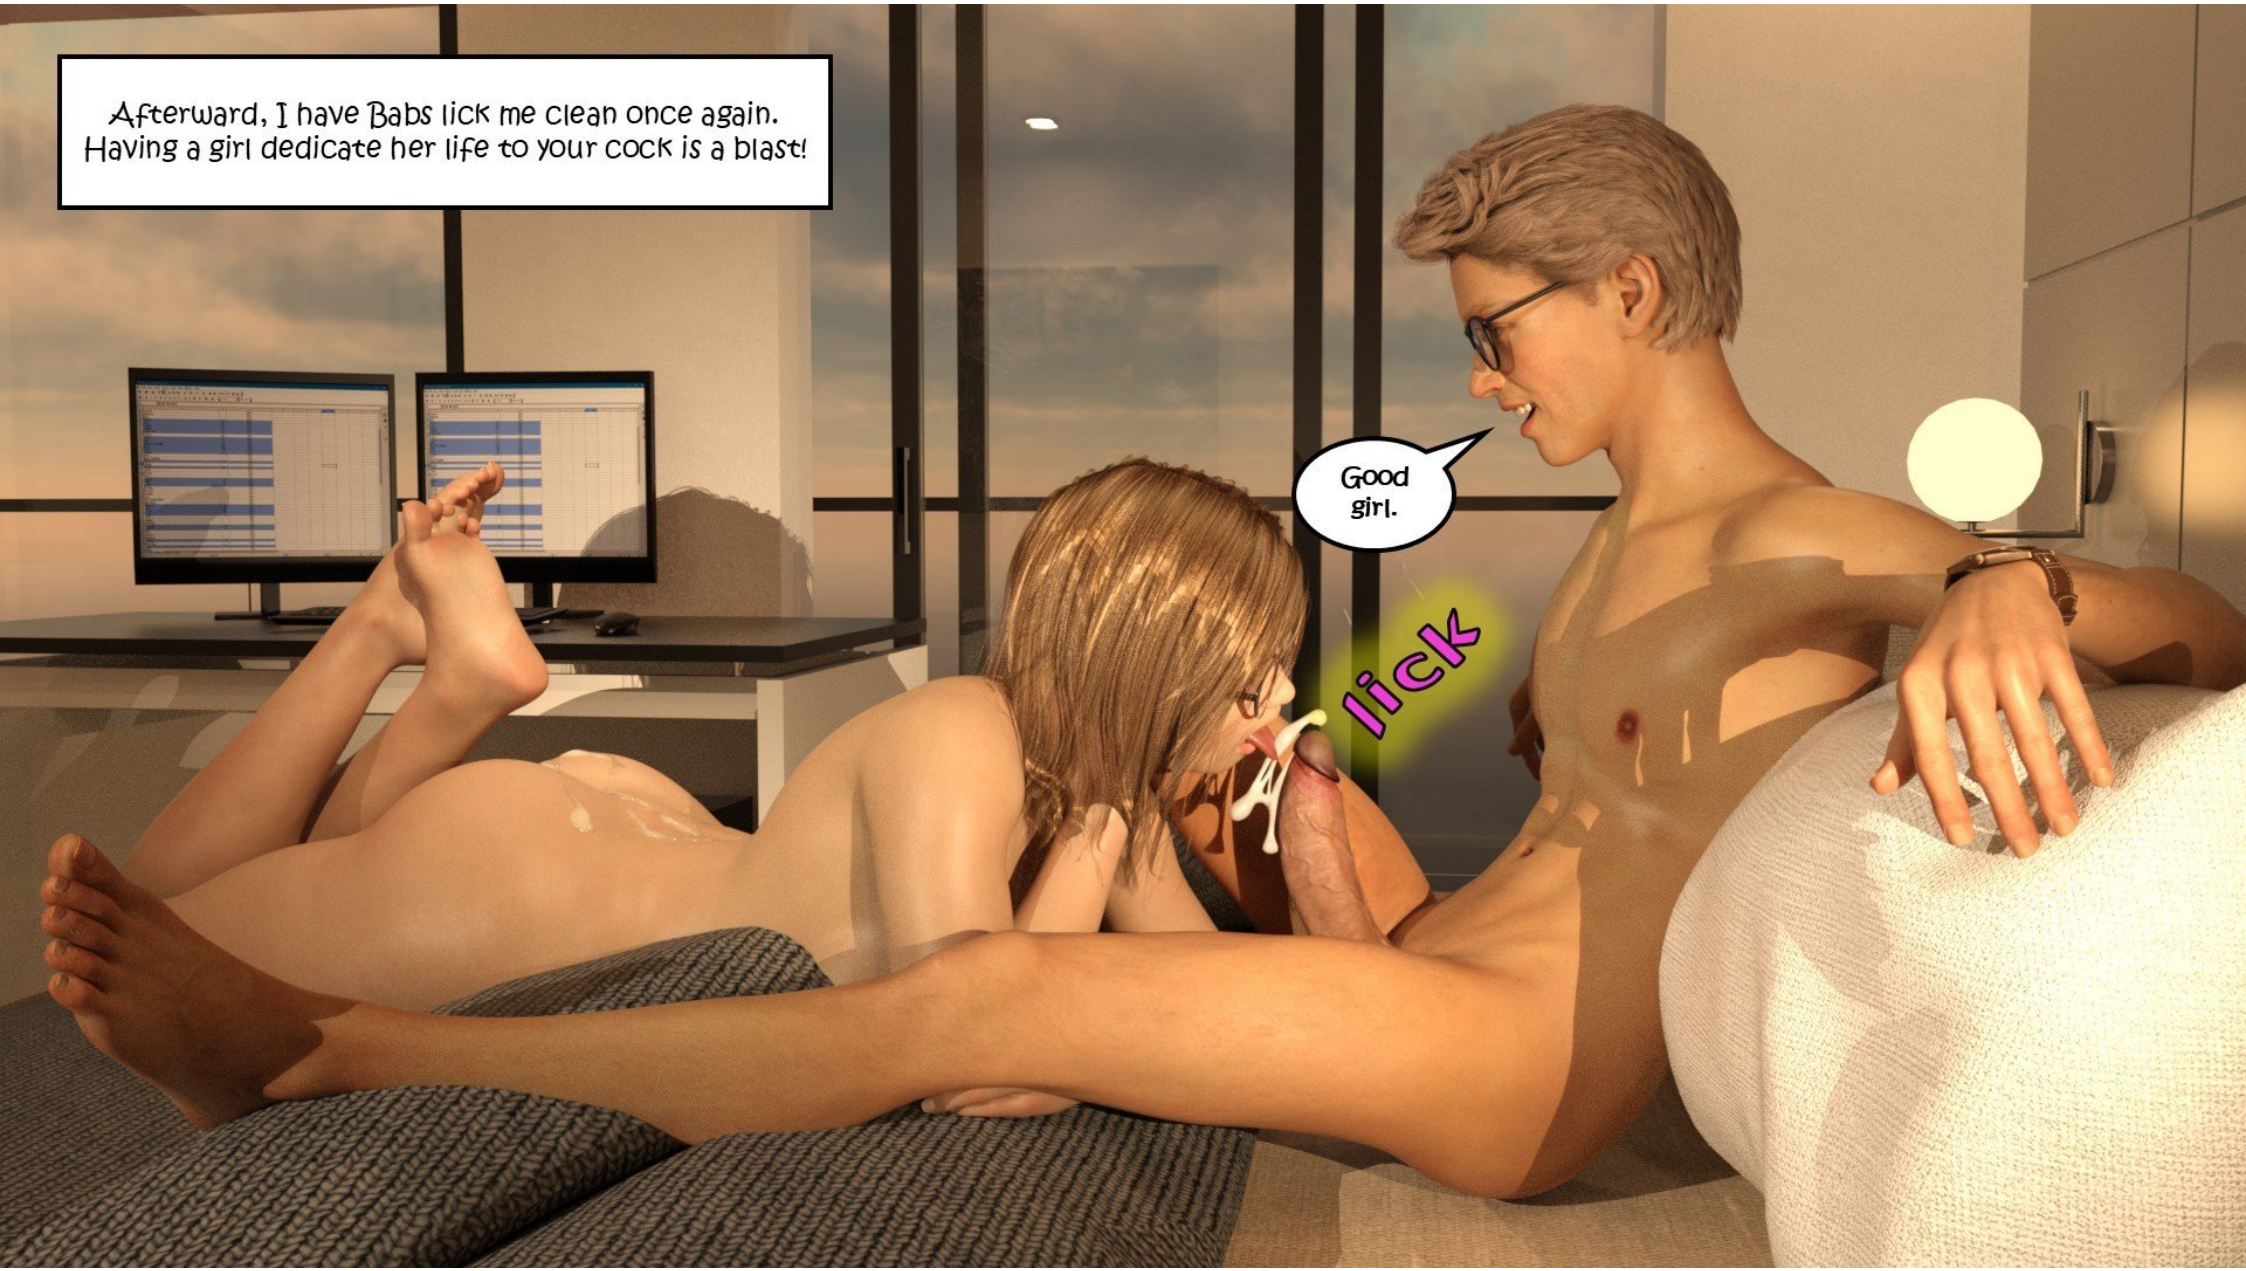
As I piston in and out of Barbara's slick pussy...

I can feel my second orgasm approaching.

I push Babs down and increase my pace.

At the last moment, I pull out as another huge load erupts from my cock...

All over Barbara's back and ass!



Afterward, I have Babs lick me clean once again. Having a girl dedicate her life to your cock is a blast!
Good girl.
lick

As amazing as all of this is...I'm no monster...

And so, I tell Babs...

LEXI, deactivate "Universal Acceptance Mode".

Affirmative. Deactivating "Universal Acceptance Mode" for user Mikael Harrison.

Shortly later...

Thanks for coming over, Babs. That was... a great study session.
I wonder how much she remembers from the time during „Universal Acceptance Mode".
Of course! Though... we did not get far with the books...

Seems like she's back to normal and does not care about the fuckin. Good.
Sure! *chuckle*
Cya!
But we can do it again anytime!
Bye!

Wow! That was something else! LEXI, you are the best!
Hey, son!
Family Movie Night!

Care to join in?
You can sit between your sister and me.

My stepmother and stepsister were both topless!
Great movie!
What the fuck...

Come on pipsqueak, sit your ass down or leave!
You are ruining movie night!

Oh, fuck...
LEXI, what have you done!?

Thank you for reading!

Hello, Hexxet here,

Wow! That “Universal Acceptance Mode” is really powerful… would you use it? And what for? ☺

Anyway, the next chapter is planned to be a Halloween special! When Jessica and some of her friends dress up for a Halloween party they discover some new functions of LEXI. **Physical transformative functions!**

LEXI 05 – Halloween Costume Fitting

Last time on LEXI we saw Mika use the „Universal Acceptance Mode“ to get Barbara – his classmate and childhood friend – to go topless in his house and sleep with him. After saying goodbye to Barbara and deactivating the mode Mika is thrilled and thinks everything is now back to normal... But what is that? All women now go topless around his house? And despite his knowledge, Barbara still regards him as her Master?!

We continue from here a few days later as the Harrisons are about to leave the house.

Featuring:

Mika	A Tech savy guy who installed that new LEXI unit at home
Mr. Harrison	Mika‘s father
Jeniffer	Mr. Harrison‘s wife / Mika‘s stepmother
Jessica	Jeniffer‘s daughter / Mika‘s stepsister
Barbara	Mika‘s classmate and childhood friend... Also now his sexslave?
Sierra	A friend of Jessica
Gina	A friend of Jessica

I don't want to be too late to work, girls.
Are you coming?
Man... This is pretty wield... Maybe I should have tried changing things back...

Yes, dear! Almost done!

Just need to get my top.

Jessy?
You done?
Yes, yes...
Just my
shoe and...

Good to
go!

In accordance with our new house rules my stepsister and stepmother only put their tops on as they are about to leave the house... and nobody thinks that this is strange...

Finally!

They take even longer now that they dress up at the entrance... But well... It is what it is...

gulp

What are you looking at creepo?
Nothing!

Come on kids! I'm on the clock here!
Coming!

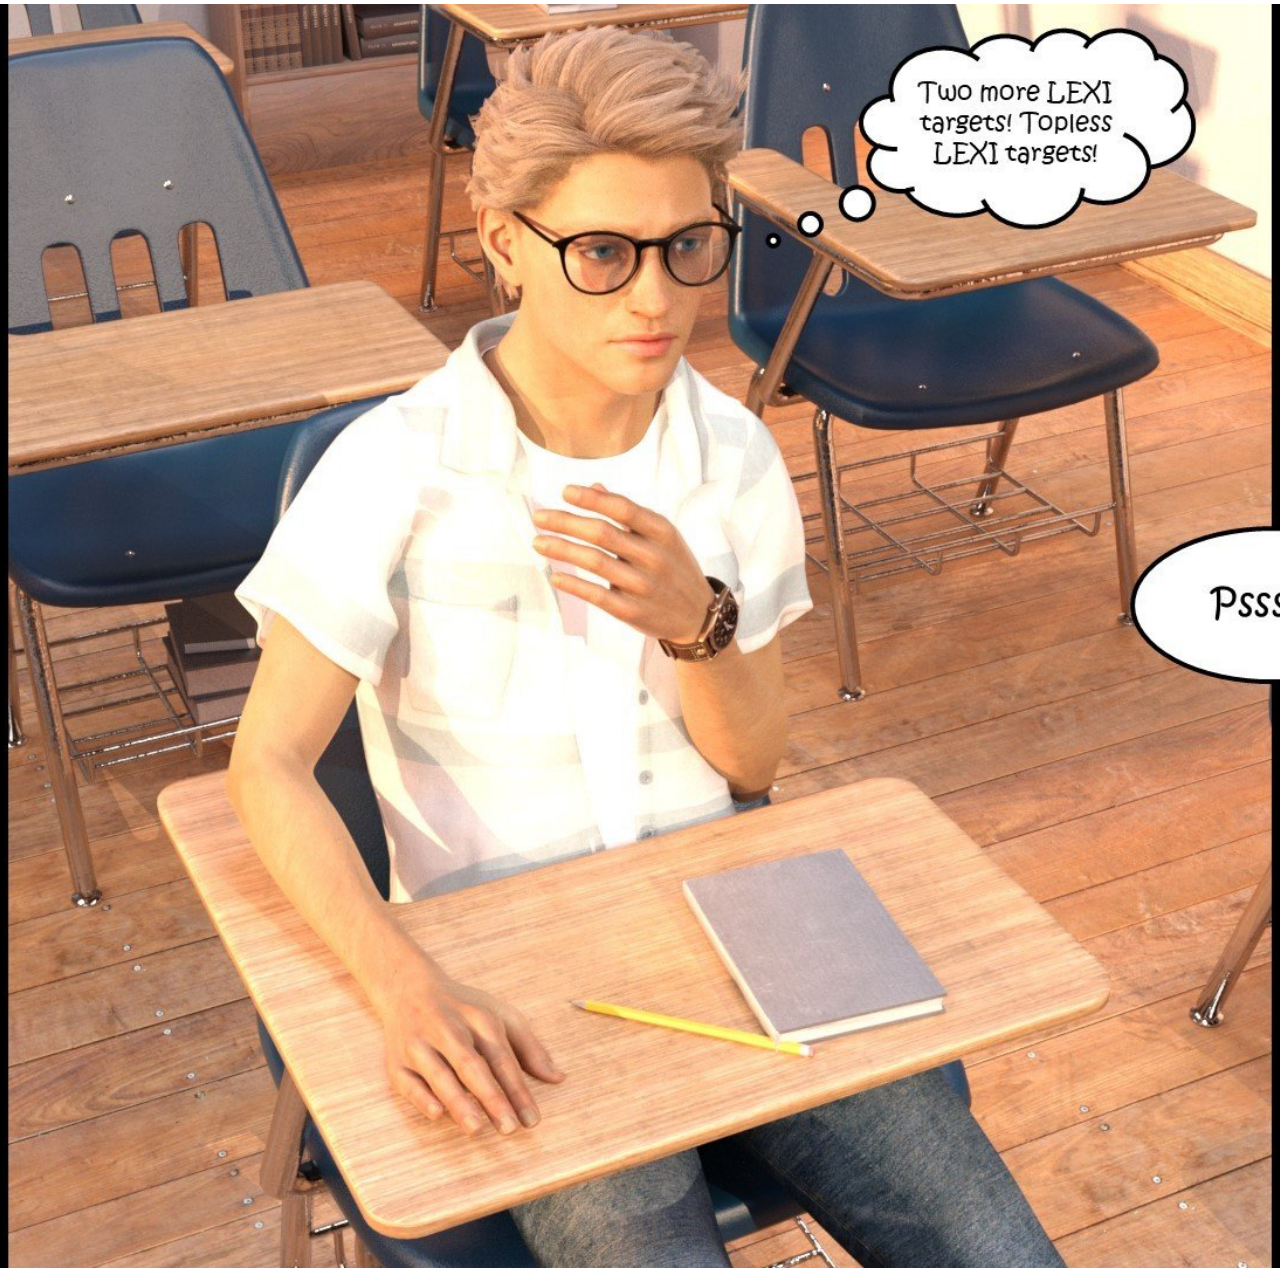
Bye, Dad. Bye Jeniffer.
Bye.
Have a nice day, kids.

I don't want to see you around at home today, pipsqueak.
Huh?! What did I do now?

Nothing... Yet.
But I'm having Gina and Sierra over to try on costumes for Halloween.
!!!
Also, since when do I need a reason to not want to have you around?

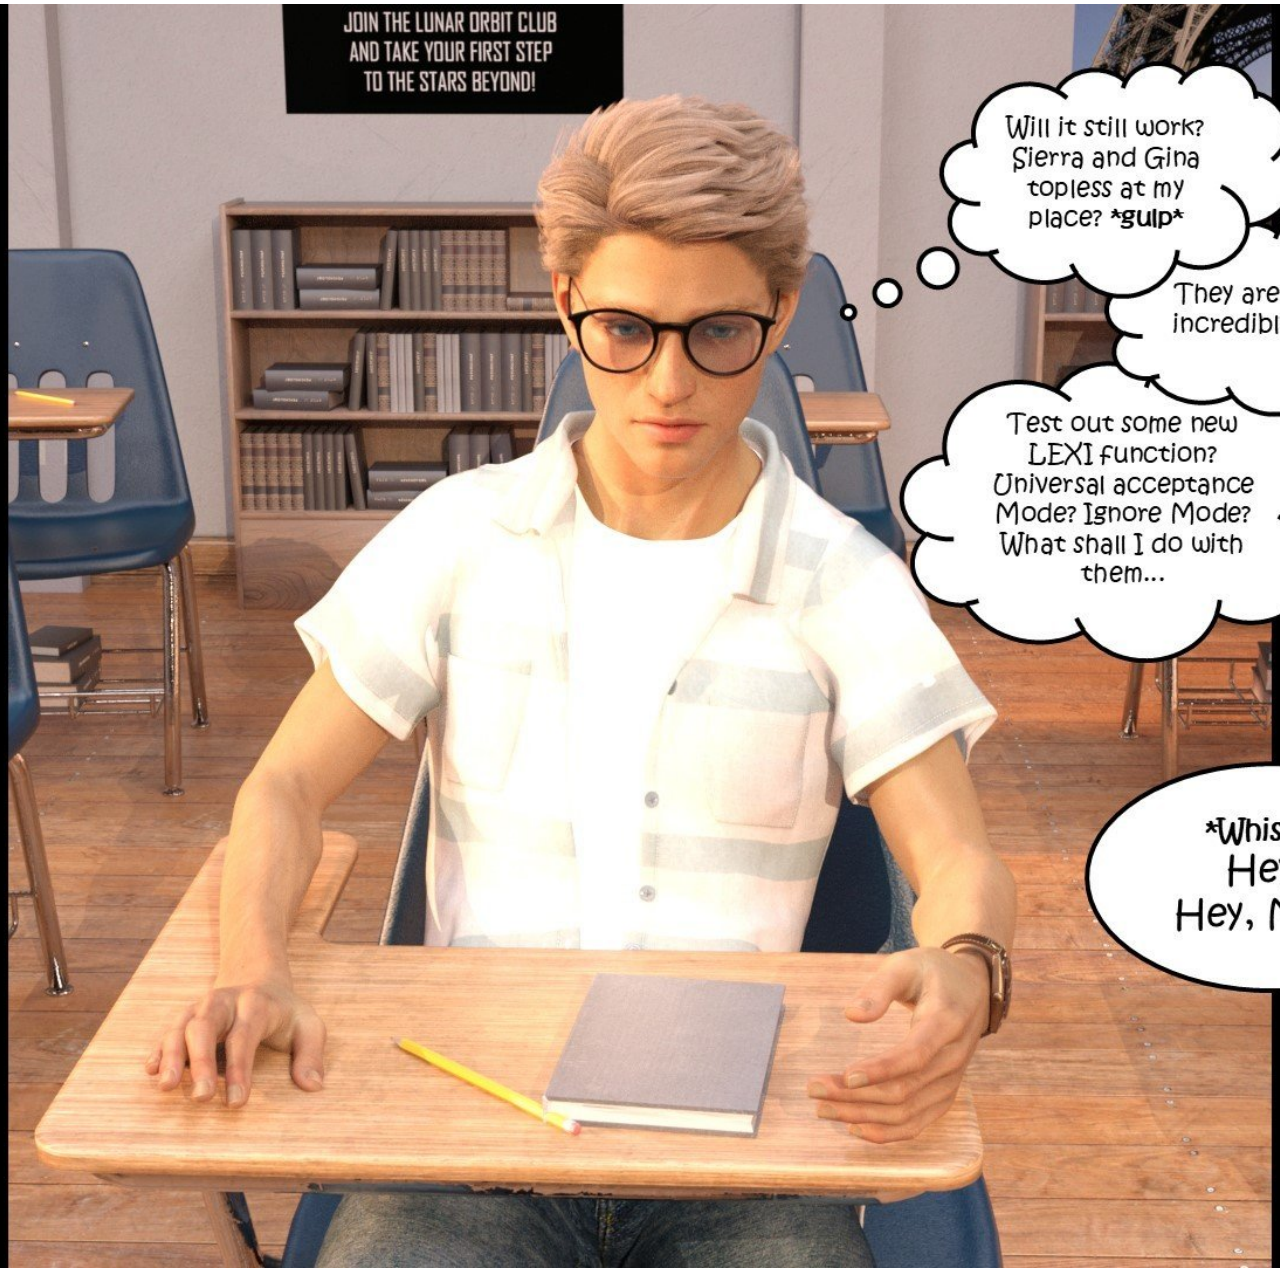
giggle
Tsk! Bitch!

Inside my stepsister and I go different ways to our separate classes. As I sit down, I can't stop but think about the two girls joining his stepsister at home...



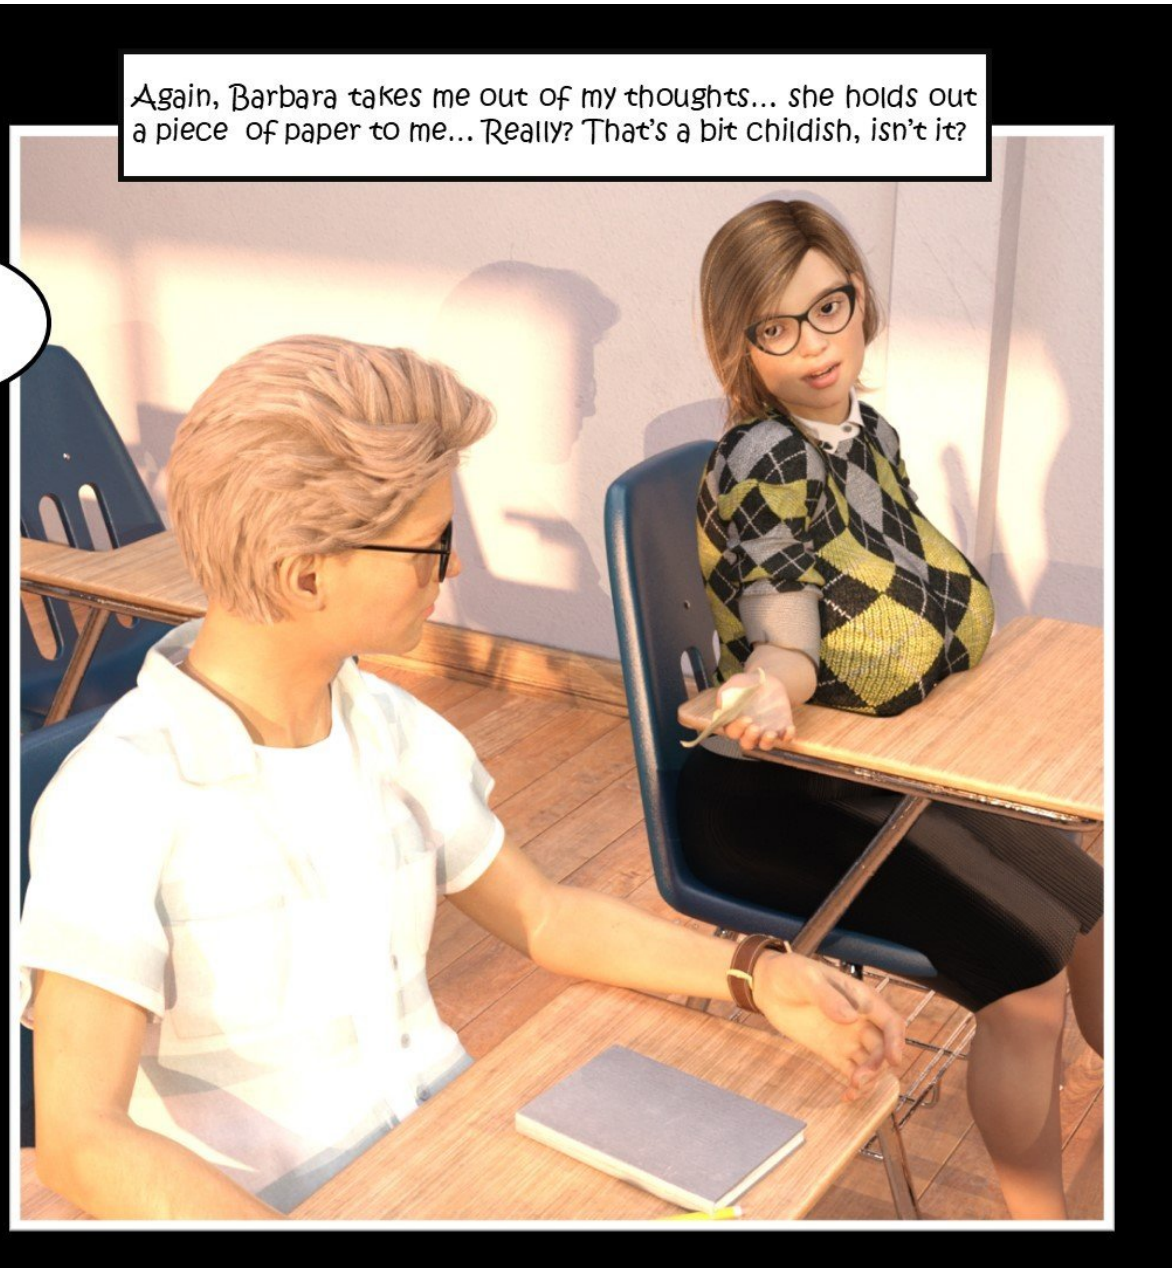
Hey.
Hey Mika.
Huh?

Hi!
Oh... Hey
Babs.

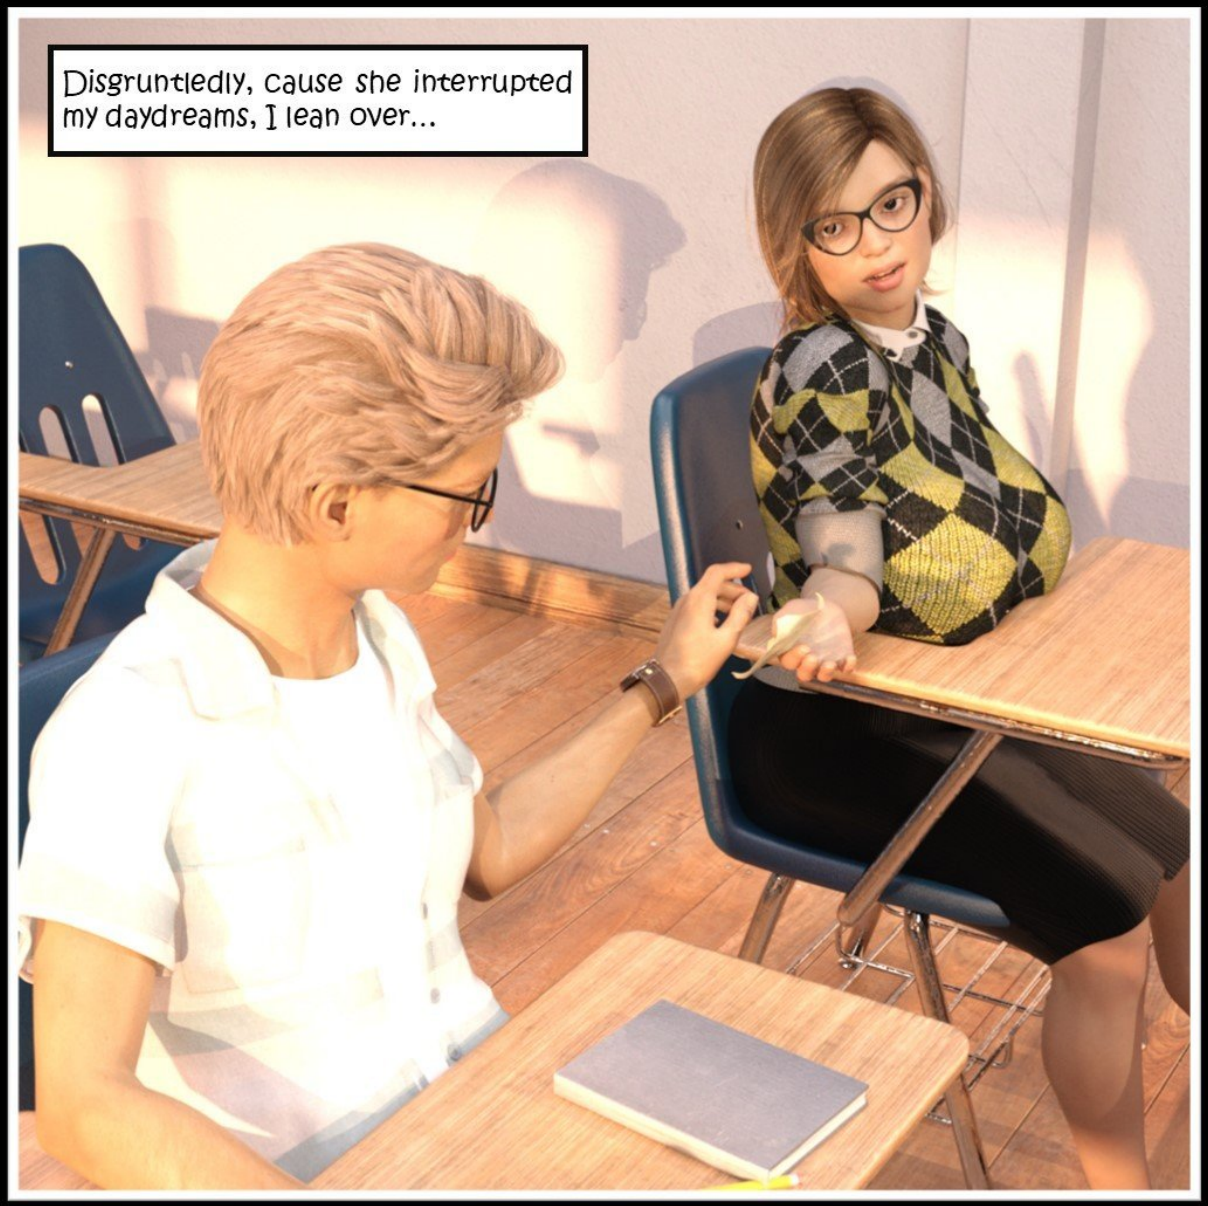


JOIN THE LUNAR ORBIT CLUB AND TAKE YOUR FIRST STEP TO THE STARS BEYOND!
Will it still work? Sierra and Gina topless at my place? *gulp*
They are both incredibly hot!
Test out some new LEXI function? Universal acceptance Mode? Ignore Mode? What shall I do with them...
Whisper Hey.. Hey, Mika.

JOIN THE LUNAR ORBIT CLUB
AND TAKE YOUR FIRST STEP
TO THE STARS BEYOND!
What?



Again, Barbara takes me out of my thoughts... she holds out a piece of paper to me... Really? That's a bit childish, isn't it?



Disgruntledly, cause she interrupted my daydreams, I lean over...

And I take the note...

Now what's so important Babs?

I'm not wearing any panties, Master.

Surprised I look over to Barbara once again... she winks at me – her hand seductively stroking down her leg...

gulp

wink

After classes...

It seems the instructions I gave Barbara while "Ignore Mode" was active still hold...

She still thinks of herself as my fateful adoring slave girl...

And so, I find myself fucking my busty childhood friend once again, this time in the school's bathroom.

Oh...
Yeah!

I love the way you fuck me, Master.

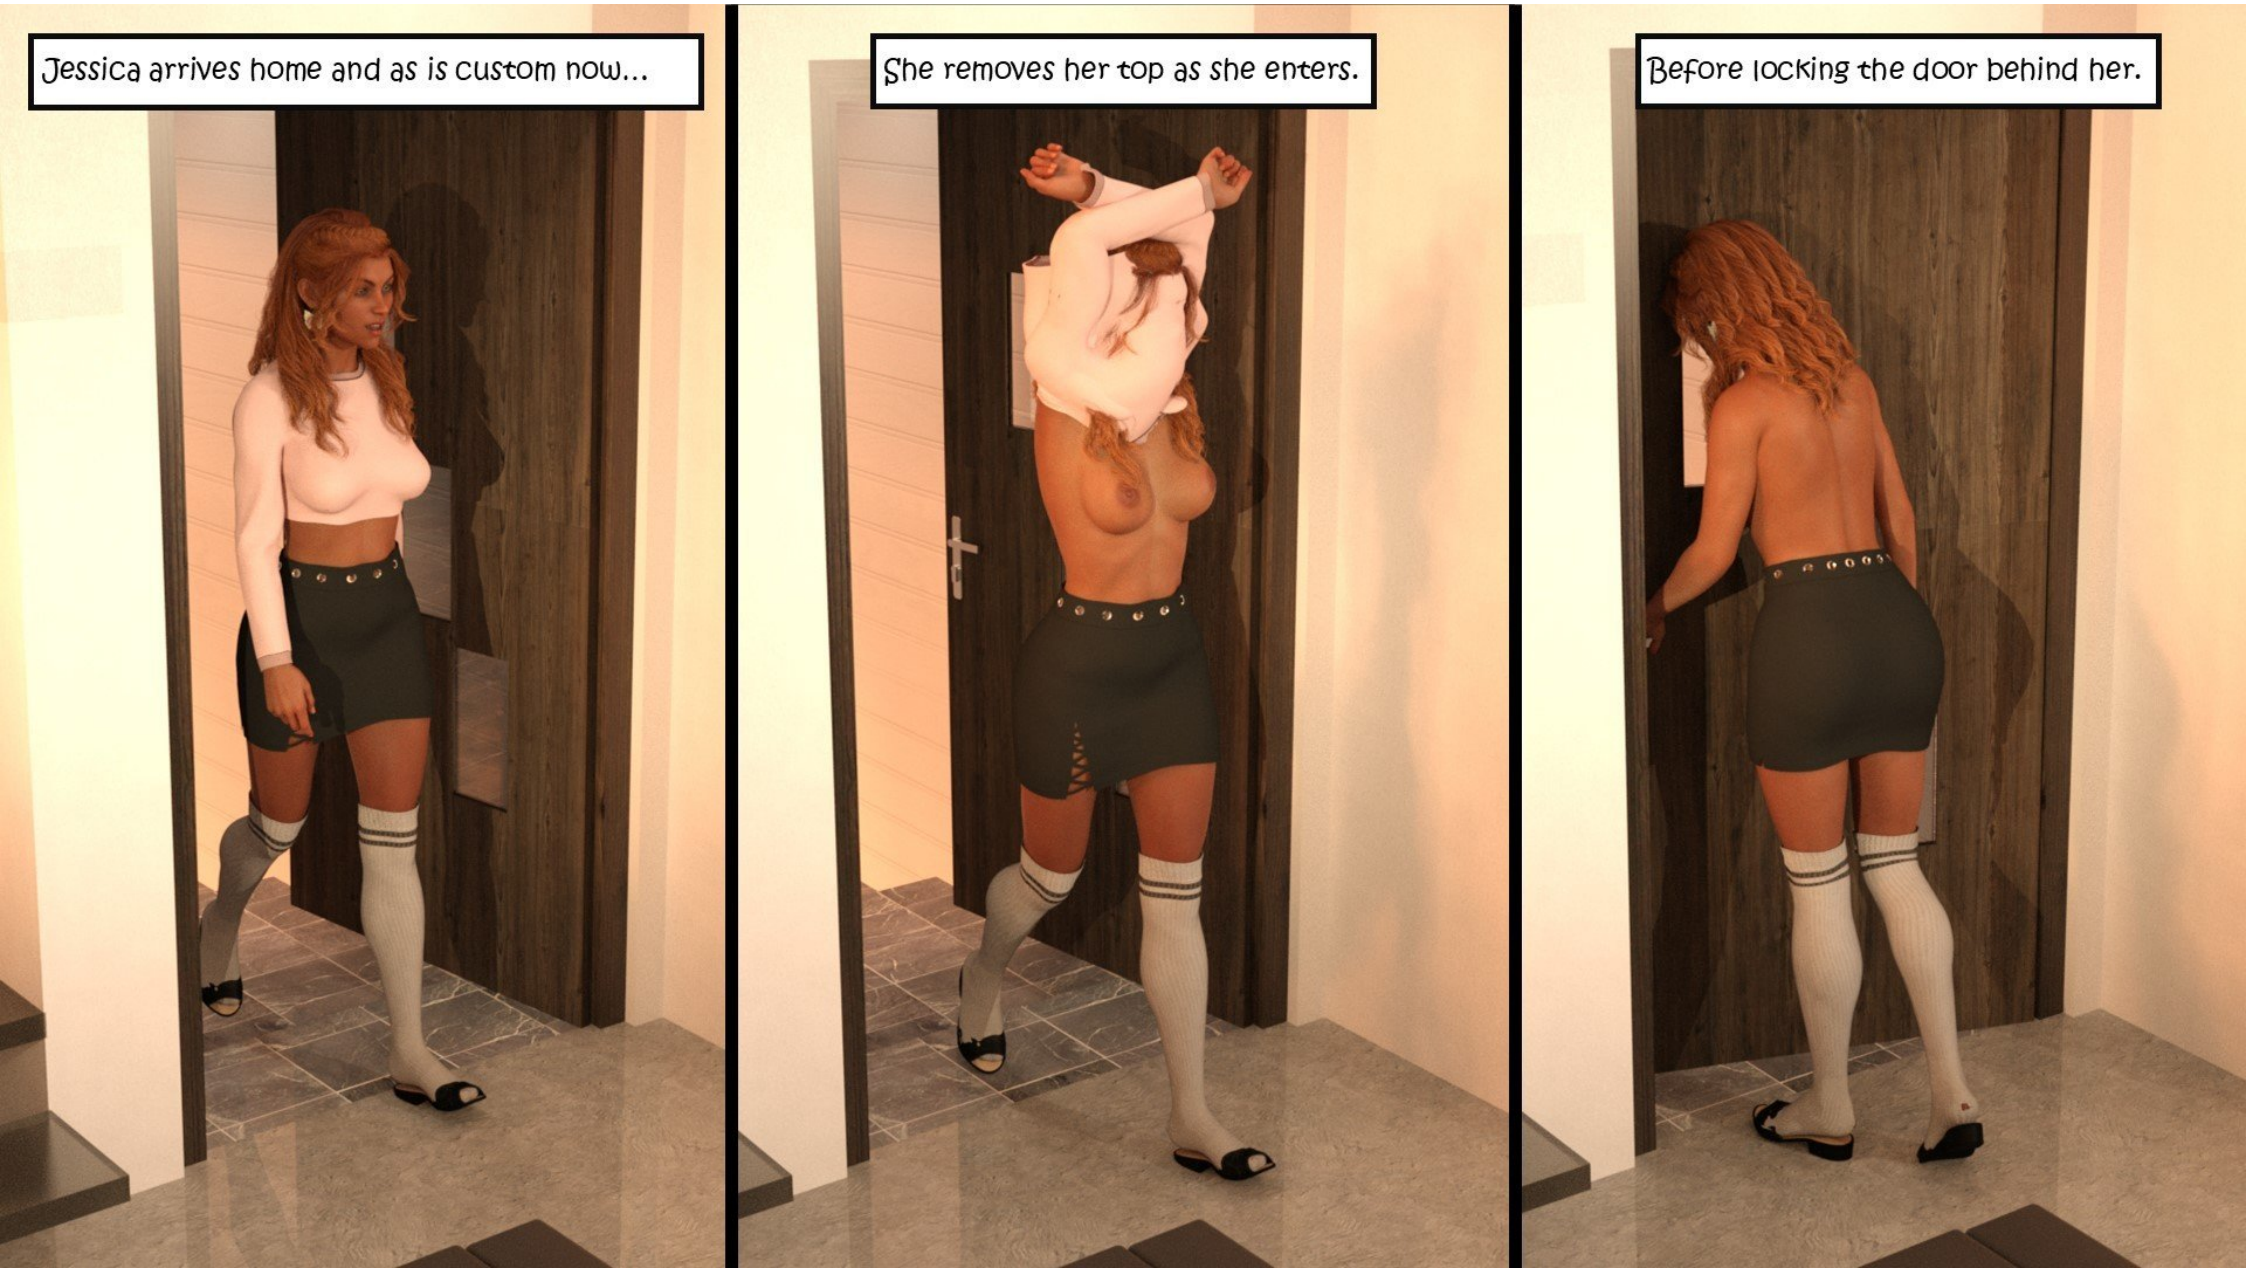
Oh, fuck.
Take it all,
Babs!

Mumpff

And that's how I got distracted after school...
Groan

Thanks for the load, Master!
gargle

Meanwhile, back at the Harrison's house...



Jessica arrives home and as is custom now...
She removes her top as she enters.
Before locking the door behind her.

Alright! Let's get to work!
LEXI, play my jam!
Affirmative! Playing "my jam" now.

As the music plays, Jessica heads into the kitchen...

And soon comes out bringing out various Halloween-themed decors and snacks.
humming
Dab dubi dab...
sing

Mhm!

These look delicious!

Alright, that should do it!

Looks pretty!

singing
Yo, I'll tell you what I want...

O.M.G.!!
I love that song!
singing
What I really, really want.

And so, Jessica starts singing along...

Until knocking on the door interrupts her creative time...
Wah!
giggle Right on time!
Knock
Knock

Hey, girls!

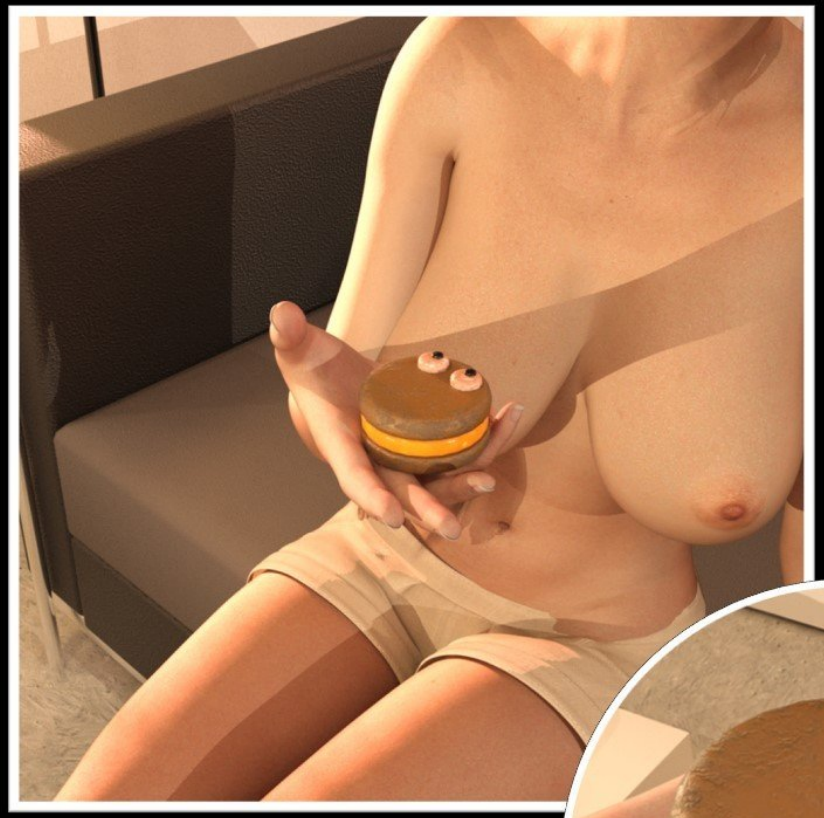
It's Gina and Sierra – friends of Jess. They are all going to a Halloween party in a few days and are about to coordinate their costumes.

So... we gotta take the tops off as well?
Yeah, sorry. Rules are rules.
That's not a problem, is it?
Of course, not!
Nah, it's fine.

And so, Jessica's friends comply with the new house rules...
We don't wanna tell you how to live.

Removing their tops like it's a normal thing to do...

Great! Follow me.
I prepared some snacks.
Cool!



giggle

Look, Gina!
giggle

Gotta try one.

bite
mampf

Delicious!
Where did you get them?

You'd believe me if I told you I baked them myself?

Wahahaha
Good one!
Sorry, Jess. But we know what happened last time you tried baking. *giggle*
Just kidding.
Baught them at Olivarus down the street.

Alright! You ready to try on some costumes, girls?
I just baught a new awesome one!
Let's do this!

LEXI, play the Monster Mash!
Affirmative! Playing "Monster Mash" now.
giggle Let's dress up!

Good thing your brother's not here.
I mean he has probably seen his fair share of boobs by now.
But I wouldn't wanna show him my perky butt!
Well, it indeed is perky. *chuckle*

Urgh! Girls, let's not talk about my creepy step bro, okay?
This is girl time!
Okay dokay!
I can't wait to see what costumes you girls prepared this year!

And so, as LEXI plays music, the girls get dressed in their respective costumes.

Come on... go in there foot!

pull

humming

As you might notice, Sierra is a bit insecure about her height...

And Gina is an exceptionally tall girl...
blaaahh
You are wearing heels too?!

So... conversations like these happen on a regular basis among these friends...

Ain't it cute?

Author's Note: Sailor Sayo is a magical girl protecting the world from demons.

We can see that...
But Halloween is about scaring away evil.
Take it off.
But who's better at scaring off evil, than Sailor Sayo?!

Gina! You are not coming to that halloween party in a Sailor outfit!
TAKE-IT-OFF!
I hope you brauhgt something scary as well!
Okay, okay! *sob*

So, err, guys. Stupid question...
But... is it okay for us to wear tops? Inside your house, I mean.
It's fine for trying on stuff.
But we need to take them off once we are done.

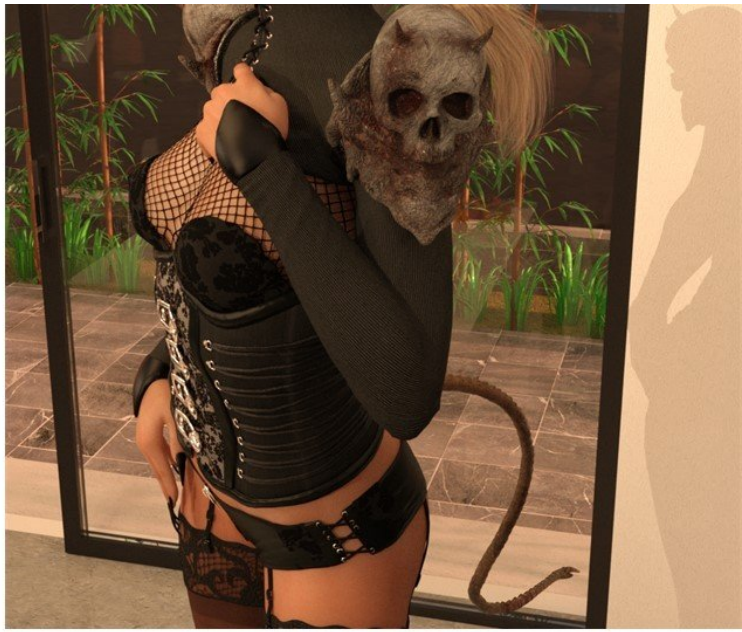
chuckle
I'm currently always matching my top and bot the evening before in my room, so I can just throw the top on when I head out.
Would be pretty awkward if I wasn't allowed to do that. God knows how long it'd take in the morning if I had to head out into the garden for every try on.
You could always put a mirror on the balcony if yo need more time. It's not technically **in** the house.
Good thinking!

Having understood the rules now and gotten permission to dress up, Sierra continues to put on her costume.

What do you think? Isn't it creepy?!

Super creepy! I like it!
... Lets go with evil cultist?
Love yours too! Fetish nun?

As Sierra and Jessica talk Gina puts on her other costume...



LEXI, play my jam.

Affirmative! Playing "my jam" now.

This is so neet!
Right?!
First useful thing my step bro brauhgt home!

... not bad?
Much better!

Hey, girls! What do you think of this one?
This is the Sailor Sayo antogonist outfit!

Not bad...
This would look really good...
If I had some tits!
Fuck!
What's a succubus with out breasts?

A loly succubus?
Argh! *sob* LEXI, grow my boobs to big G cups!
Affirmative! One pair of big G-cups coming right up.

Gina's view...
Oh, come on, Gina.
It's not all about breasts.
I fear, techhnology is not that far yet. *giggle*

You have an awesome body. Abs, Perky butt...
Really the costume looks fine on...

Waoh!
What the F...
No way!
Are you seeing what I'm seeing, Jess?
Girls?

What's wrong?
What's wrong!?
Just look down, Gina!

Jess/Sierra's view...

Oh, come on, Gina.

Says the one who's got them!
It's not all about breasts.

sob
Really the costume looks fine on...

No way!
Girls?

What's wrong?

What's wrong!?

Just look down, Gina!

What's gotten into them?

No Way!

O.M.G.!!
What's
happening?!

Holy smokes!

My boobs are huge!

Is this... part of the costume?
Huh?
This can't be real!

Nah-nah. I have no idea what just happened.
They feel real!
touch

giggle
Now I'm not only taller but I even got bigger boobs, Sierra.
So big...

giggle
Hey!
grrrr

Hey, girls!
Focus!
What happened here?
No clue!
I was just complaining about my costume and BAM! Boobies!

There must be something else to it!
Maybe it's an early Christmas miracle?
I highly doubt that...

No – no. I think... you said „LEXI make my breasts bigger“.
Yeah! I did say something like that!
Hey, look! Your thingy is blinking!
Affirmative! Bigger breast.
Please specify target size or growth amount.

What...
the...

LEXI make my breasts bigger.
Huh? What are you looking at?

My boobs?
I don't really have...
Ehhh!?
O.M.G.!! I have big boobs!
