DON'T YOU THINK YOU'RE BEING A LITTLE TOO NICE?

AVA, IT'S IMPORTANT WE BIULD ALLIES NOT ENEMIES. I'M AT WORK MOST OF THE DAY AND YOU'RE A STAY-AT-HOME MOM. i DON'T WANT TO WORRY ABOUT YOU WHILE I'M AT WORK BECAUSE WE'RE NOT BUILDING SOLID RELATIONSHIPS.

I'M NOT SAYING CREATE ENEMIES CHAD. WE DON'T KNOW OUR NEW NEIGHBOR. LETS WARM UP TO HIM RATHER THAN MAKE HIM BELIEVE WE'RE OK WITH WHATEVER SHENANIGANS HE'S UP TO TONIGHT.

I'M REALLY TIRED...

IT'S NOT EVERYDAY WE SEE OUR NEIGHBORS KIND IN THIS AREA. I WANT HIM TO FEEL COMFORTABLE. IT'S LATE. I'M TAKING YOUR SEXY ASS TO BED.

Hey um... now is not a good time. I'm kinda busy.

Oh dear god. Please cover that thing up. I'm married.

Can I... help you with something?

I havn't been able to sleep. Whatever the hell you're doing in your apartment is keeping me up at night and now the same goes for this morning. Please stop or I'll contact law enforcement.

Contact law enforcement just becasue I'm fucking bitches? Wow, that's a new one. Have it your way. I'll try not to fuck my sluts as good going forward.

Hey big daddy. Did You forget about me? I'm not finish cumming on your big fat dick.

Bonding with my neighbor. I'll be right in.

SLAVE
Beat it granny! You're killing the vibe.
Hey hey, easy. That's my neighbor.

Can't keep the hoes waiting. Good talk.

I could never tell Chad that I saw our neighbor's cock. Why was it so huge? No wonder the woman he's been with seem to be having the time of their lives.

*Later that day...*

Mom can you help me with my homework?

Hi sweaty. I didn't hear you come in. I will start your homework tomorrow.

But mom we always do homework right after school.

Tomorrow Brianna!

Maybe I can finally get some sleep now that I've called my neighbor out on his disrespect. But seeing the way he treated that girl he had in his home... it kinda turns me on. Ill... Ava stop it. I could never!

That's the way I need to be talked to. My husband is too nice in bed. I want to be treated like one of your no-good whores.

Where the fuck you going? Get over here on your knees and suck my dick.

What if my husband finds me sucking your dick in the hallway for all the neighbors to see?

Fuck your husband. When he's at work you're my bitch. Put your slutty mouth around my dick... now!

AVA!

AH!!

You aren't usually sleep during this hour. Everything ok? Brianna said you couldn't get to her homework today. What's that all about ? Also, you didn't go talk to the neighbor did you? You seemed angry in our text exchanges.

I told you I couldn't sleep this morning because of the noise from our neighbor. Brianna has tomorrow off from school. I will get to her homework tomorrow. And no... no Chad... I did not... I didn't say anything to the neighbor.

Why can't you be a man and tell our disrespectful neighbor to be more respectful so that your wife can sleep!

Relax Ava. It seems the neighbor finally stopped. *Assaulting* my manhood isn't gonna make me move any faster by the way.

I'm Sorry Chad. Blame it on my sleep deprivation.

Good morning beautiful. I'm off to work. Stay out of trouble will ya?

I'm going to catch up on more sleep. You know I'm not my best self when tired. Have a nice day honey.

The Next Morning...

Gotta be fucking kidding me! Who in their right mind has loud sex in the morning? Doesn't he have a job!

BUMP BUMP

1 hour later...

Chad must know about this.
It's the second time!

Chad! The neighbor's at it again!

Ava I'm at work. Give it another day or two and lets see what happens.

Absolutely not! No more playing nice. I'm heading over there.

Ava no! Do not say anything. Wait until I get home. I have to go. But do not confront our neighbor!

BUMP AHH!
AHH! BUMP

You had your chance. I must do it my way now.

You always follow my lead.
And that turns me on.

I have the best

M3DC

I'm going to shower. When I get out can we have a little sexy time?

Sure... honey.

Ava is in the mood for sex but for the first time in her marriage with Chad she was more interested in a new sexual experience.

M3DC

Yea honey... that was nice.

Chad is a hard worker and provider for his family. The last thing Ava is going to do is make her husband feel as if he can't please her sexually..

M3DC
patreon.com/mature3dcomics

I'm going by the neighbor house before work to see if he has any party ideas this morning.

That's unnecessary honey. I'm going to get a massage in an hour. I won't be home anyway.
Have a nice day at work.

**The next morning.**

M3DC
patreon.com/mature3dcomics

All Ava thinks about is her neighbors dick. She hopes a trip to her regular massage session will take her mind off her neighbor. She's ready to get back to her stay at home mom and housewife routines.

M3DC
patreon.com/mature3dcomics

Mrs Ava you unusually booked a second session. I can do it but you'll have to share your space with a new comer today. Is that ok?

Sure. I need that second session. Who's the new comer?

2 hours later...

M3DC
patreon.com/mature3dcomics

He goes by the name Quint I believe.

Oh fuck! That's my neighbor!

M3DC
patreon.com/mature3dcomics

I THOUGHT ABOUT YOUR DICK WHILE I SLEPT WITH MY HUSBAND. I'VE NEVER FANTASIZED OVER ANOTHER MAN BEFORE UNTIL YOU MOVED IN. I ALSO FANTASIZE ABOUT BEING TREATED LIKE A SLUT. MY HUSBAND PLAYS IT TOO SAFE. SEX HAS BECOME TOO PREDICTABLE. IT'S BEEN THIS WAY FOR YEARS. I'M SORRY... I SHOULDN'T BE SHARING ALL THIS WITH YOU.

Ava you're almost naked. I can see your nipples through your shirt. Why didn't you cover up more before answering the door?

Sorry Chad. I forgot my robe while rushing to the door.

No worries Chad... the last thing I would do is hit on your wife. I'm here to give you and Ava something special.

M3DC
patreon.com/mature3dcomics

Something special?
What do you mean?

M3DC
patreon.com/mature3dcomics

Two free round trip tickets to Jamaica. I'm leaving tomorrow for a week. You and Ava should come with me. It's my peace offering for all the disturbances my guest and I have caused you.

M3DC
patreon.com/mature3dcomics

Free trip to Jamaica for a week! Man this is right on time because I'm currently on vacation. Ava and I would love to come. When is the plane leaving?

M3DC
patreon.com/mature3dcomics

Chad! We should discuss this first. And we have no one to watch Brianna.

Any wife of mine willing to decline a free trip to Jamaica while I have time off from work is out of her mind! But you are my wife. And you're very smart so it looks like we're going to Jamaica. We have many options for Brianna.
She will be well taken care of.

M3DC
patreon.com/mature3dcomics

Then it's settled. See you both around 9am. Plane leaves at 10:30am. We're flying private. You two should get packing right now.

Flying private too! Damn Quint, I'm not mad at the disturbance you and your guest caused anymore, haha!

Something doesn't feel right about this. What is Quint up to?

The only problem is she's married. Her husband is coming with her.

Even better. Nothing beats stretching and cumming inside married pussy.

Figured you would say that.

Chad are you sure about this? I have a bad feeling about accepting this over generous gesture from our neighbor.

Ava the only trouble our neighbor has given us is load sexual sounds from his guest. This is his way of apologizing. We're taking the trip. It's a no brainer. Don't worry so much.

It's the neighbor isn't it? You like him don't you! I see the way you look at him. Dad doesn't like the way you act when you're around him. Mom why?
Brianna no! It's not what you're thinking. Your father and I have grown apart but that doesn't mean our love for you will change.
How the fuck does Brianna know about Quint and I? Has Chad told her about us? Did she see Quint and I hanging out in the hall? I have so many questions but right now all that matters is her knowing that I will always love her.
M3DC
patreon.com/mature3dcomics

Stay with your friend for now. Chad or I will pick you up in the next few days. Brianna do you hear me?
Yeah sure... “whatever you say mom.”
M3DC
patreon.com/mature3dcomics

Hi sister. I’m on my way. Thanks for letting me stay with you until I figure everything out.
M3DC
patreon.com/mature3dcomics

My life is over because I married a whore. I did everything right. I was a great father, husband, great provider for my family and I make great money. Ava had everything and she still went and fucked me over!
Feel your feels Chad but please don't say your life is over. It's actually just beginning. You can do everyhting right but sometimes having it all is actually still not enough. Whatever Ava is going through it has nothing to do with you. She's battling her own mental issues. That's the risk we all take falling in love. One day you're a happy family and the next day we're dealing with a midlife crises.

Tinder Account? Do I look like I'm ready for a new relationship Bruce?
Who said anything about a relationship? You need to hookup with a hottie Chad. New pussy won't fix your problems but it's for damn sure a nice distraction.
M3DC
patreon.com/mature3dcomics

Maybe you're right but I thought that app was for relationships?
Fuck no! It's more of a hookup app. The sluts on that app like to pretend they want serious relationships but their kidding themselves. The attractive 1% of alpha males on there are running through those whores like an all you can eat buffet while the nice guys take the blame and fit the bill.
But you Chad are going to be the alpha male. A handsome guy like you with money and power will do just fine on that app. You're a little out of shape but you have status and those woman will love you becasue of your status. You'll match with everyone.

Ava you're my sister and I want what's best for you. I try to stay out of your business but I'm sorry I've gotta ask. How good is this motherfuckers dick? He has you throwing your whole family away. Eveything you and Chad have worked hard for is gone because you can't seem to keep your pussy off this mans dick? There has to be more to the story.
There is nothing more to the story. I cheated on my husband because I became curious about something I have never experienced before. Once I tried it I couldn't look back. It was like my eyes opened up. I felt trully alive for the very first time in my life. Marrying Chad and starting a family was all great but I always felt that I was missing something. When Quint moved next door I realized he is what I've been missing. It's fucked up but it's my truth.
