8muses.com

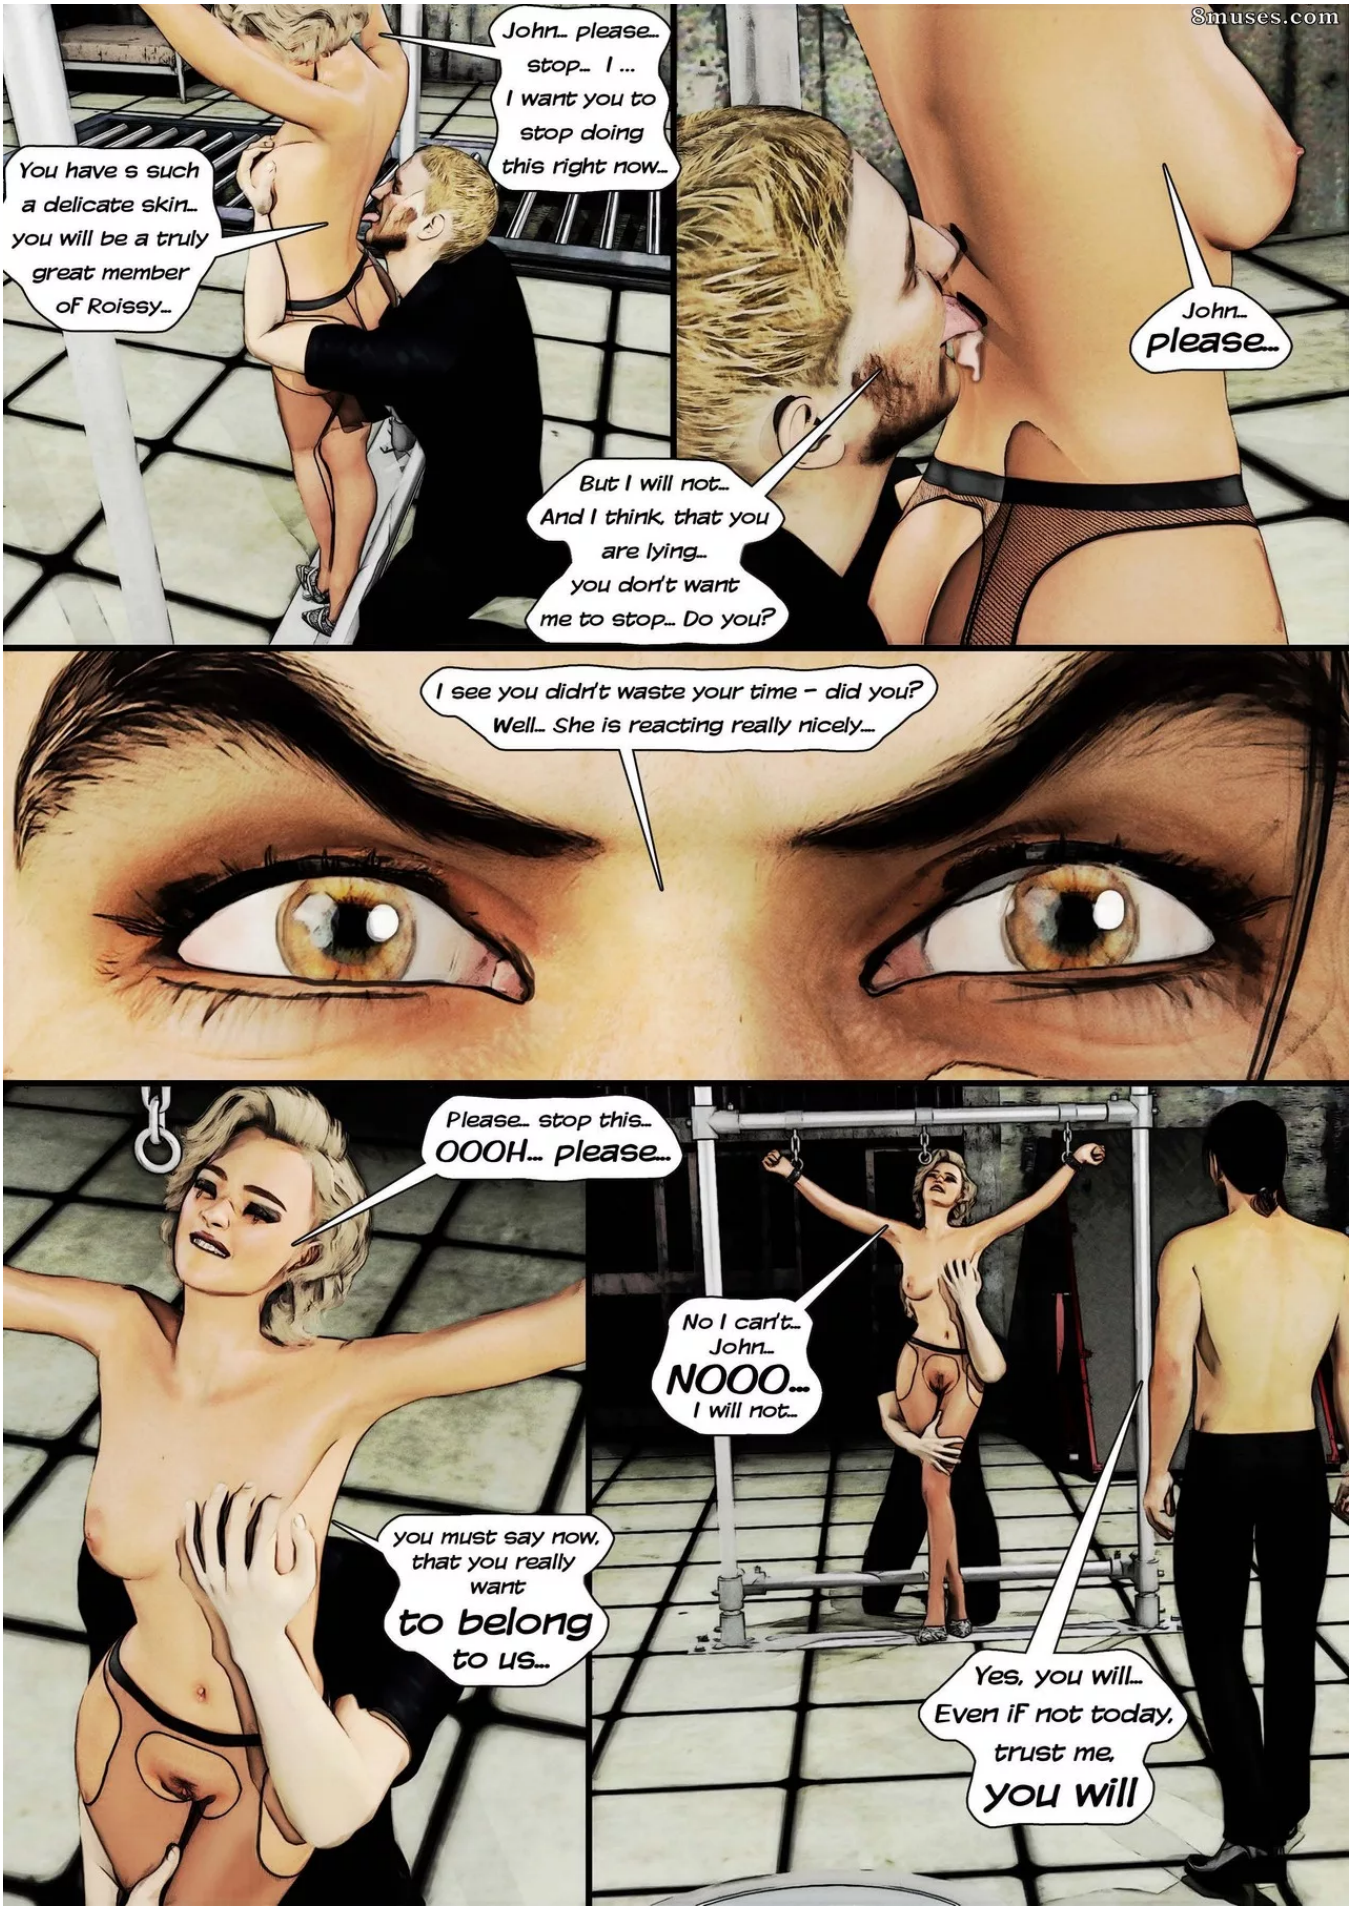
And believe tme, my dear... after 3 weeks – you will be thankful for that...
It is not just a man – he is a member of the Roissy Society... and that means
You've tricked me... You were... so gentle... so kind... only to bring me here? To give me to another man??? How could you?
He is your master in the same way I am...
No... It's not happening...
Will you really give me that choice?
Yes it is... you will be a slave for three weeks... After that period – you can decide by yourself... you can stay in the Society as a love slave or you can go away...
8muses.com

8muses.com

OF course I will ... But until then... as I said – you are our slave... Do you understand what that means?
Means that you are two bastards... Bastards who've tricked a women into an illegal slavery gameplay...
It is not illegal... you've agreed with all what would happen in our small talks – remember? And every sexual game between two people, with their agreement is totally legal...
But... but I'm tied, naked, in the dungeon... I've never agreed for something like that... Please untie me
Oh Yes, you did... Remember the evening when we talked about Fantasies? you told me that scenerio like this was one of your dirties Fantasies...
But I didn't say that I would wish to try that in the real world... It was only...
Yes you did... I recorded that conversation... IF you really want to – I can play that recording... Do you want to?

8muses.com
Do you???
You're a truly beautiful woman, my lady...
No... Noo... John... please... John...
John... don't... please... I ... I don't want to...
Oh, but I think you are... you told me about your Fantasies... I know them...
What are you doing??? JOHN... PLEASE!!!
You must be naked.... To Feel our dominance.... And I want to see you really naked...

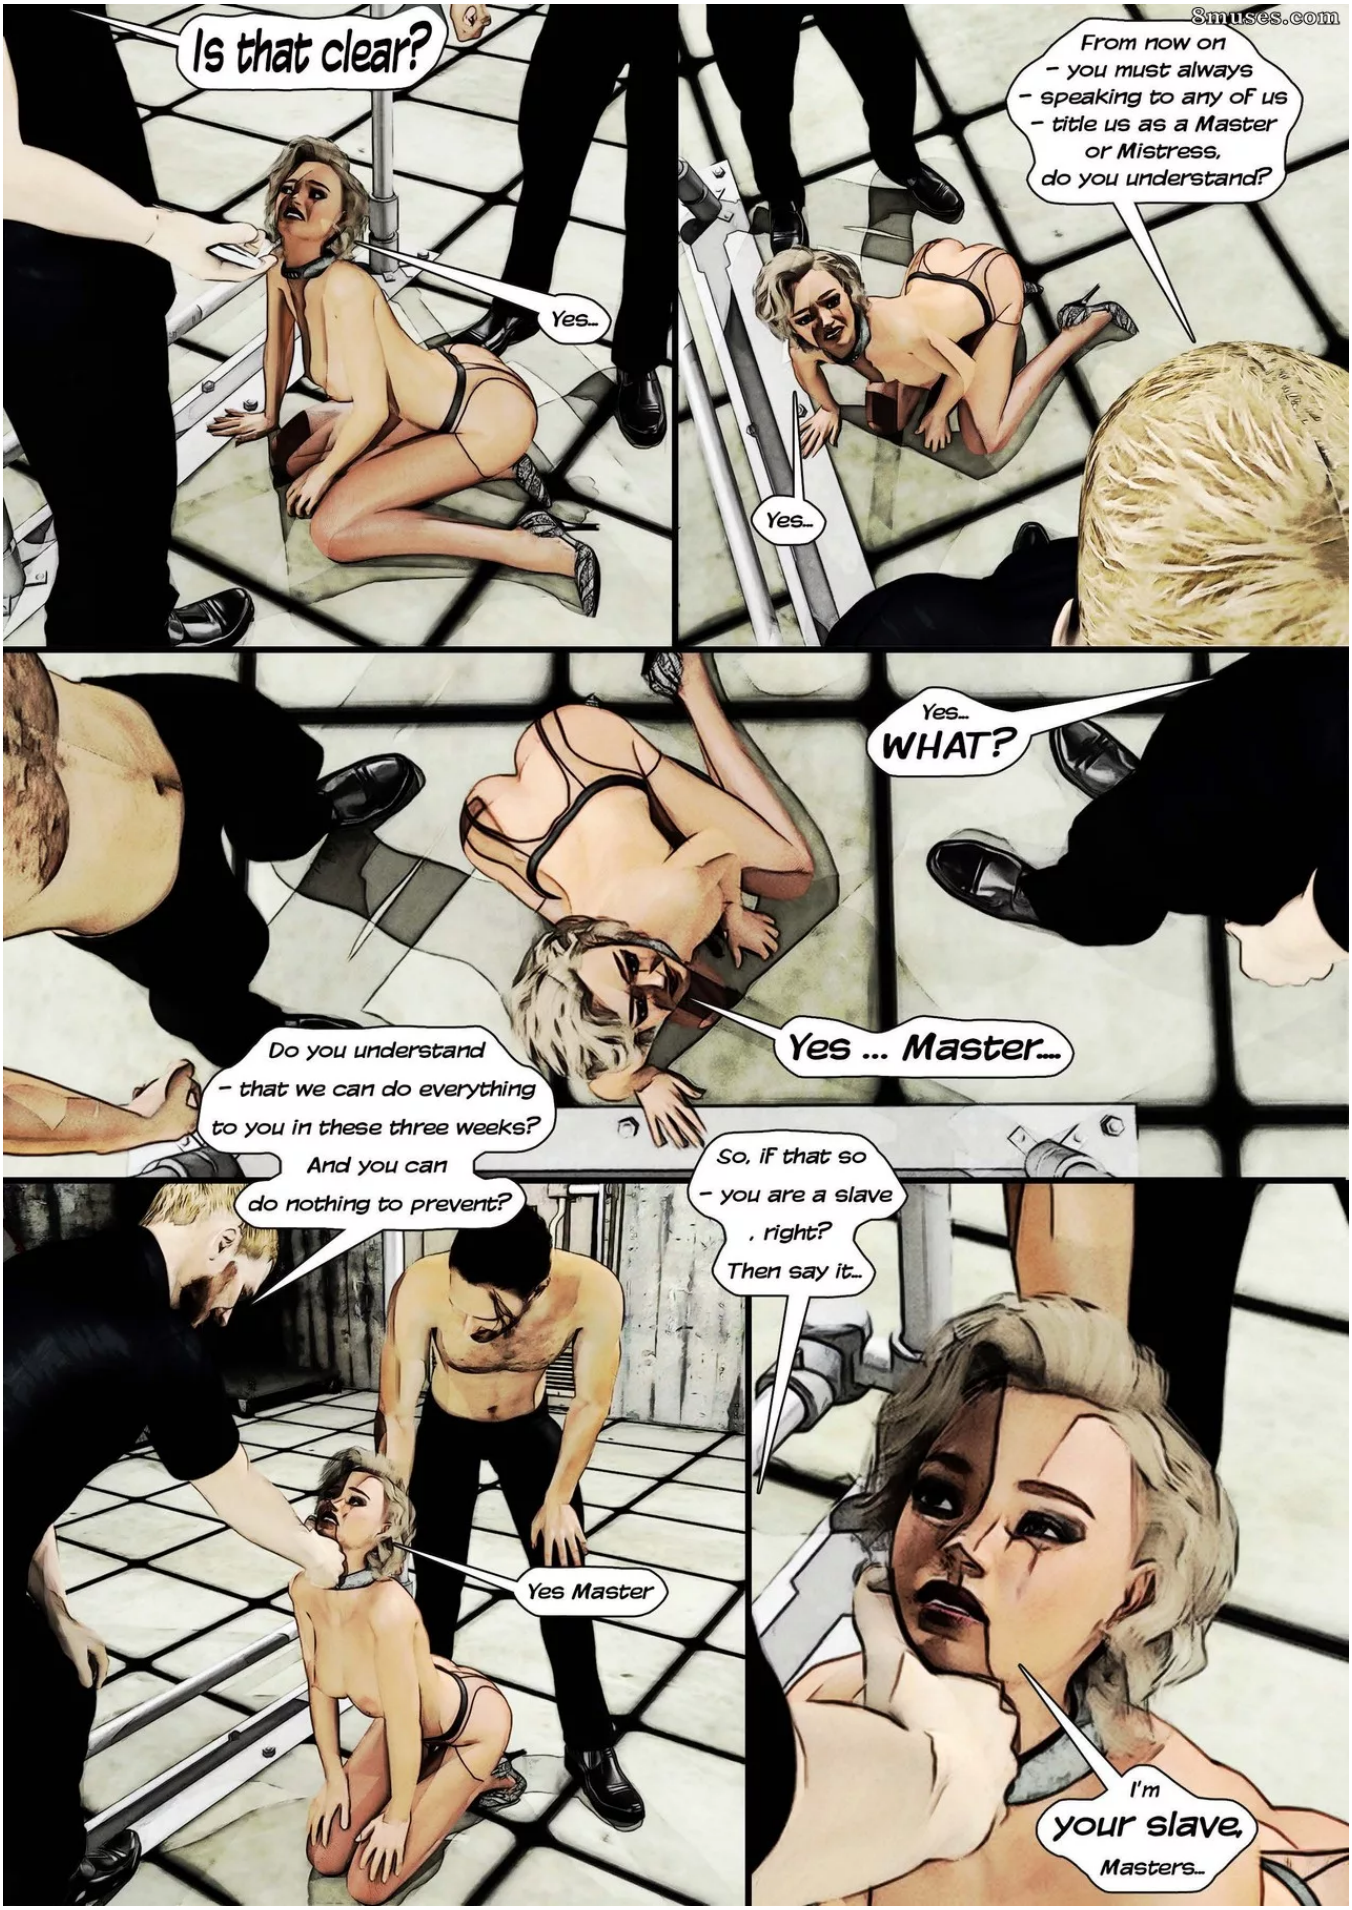


8muses.com
John... please... stop... I ... I want you to stop doing this right now...
You have s such a delicate skin... you will be a truly great member of Roissy...
John... please...
But I will not... And I think, that you are lying... you don't want me to stop... Do you?
I see you didn't waste your time – did you? Well... She is reacting really nicely...
Please... stop this... OOOH... please...
No I can't... John... NOOO... I will not...
you must say now, that you really want to belong to us...
Yes, you will... Even if not today, trust me, you will

Please... I'm not... I wonder...
See John how is she reacting? She is a real slave right now... It is in her nature...
She has really sensitive breasts... I think we should use this knowledge...
Aaah...!!!...
Well, my dear... I said that you are a naturally born slave... and you are... trust me... Now show me your tongue...
See? Even in that circumstances... you are doing, what you have been told... Keep behaving like that... Rise your leg...
Great... Good girl... Remove her bonds John
What choice do I have...
8muses.com

Well... Connor – shall we begin?
Yes... I think she is ready For stage one...
None... but you did what I told you without hesitation... And I really like that...
Ok, my dear... don't move right now... you must be collared ...
Don't worry it is our standard procedure...
That collar has two Functions... One –it is a reminder of your status here
But there is a second purpose in collaring you
You should always remember it in the training time – that you are our slave...
What is that purpose?...
8muses.com

Well... every member of the Roissy has an application on their phone... And every one can discipline you using that collar...
See? I know that is really unpleasant, but it is necessary to give you no option, at this stage of your training, to misbehave
you should know as well – that the electric shocks generated by the collar are completely harmless to you...
And IF you disobey in somethnig... each of us can use their phone to remind you that you should be more respectful
STOOOPPP PPPLLEASE
And always do exactly what you've been told...
Is that clear?



8muses.com
Is that clear?
Yes...
From now on
- you must always
- speaking to any of us
- title us as a Master
or Mistress,
do you understand?
Yes...
Yes...
WHAT?
Yes ... Master....
Do you understand
- that we can do everything
to you in these three weeks?
And you can
do nothing to prevent?
So, if that so
- you are a slave
, right?
Then say it...
Yes Master
I'm
your slave,
Masters...

8muses.com
Very good... I'm pleased with your behaviour
Yes... you will be the greatest slave of the Roissy ever....
I'm pleased with your body too...
Please....
Now come with me...
I'm coming... please don't pull them so hard...
It hurts, please...
Come on... come on...
Then come with us....

8muses.com
You know where we're going my dear?
No... I don't
Don't try to avoid our touch... It is Forbidden...
Please...
We are going to bed... exactly as we spoke of...
John... you won't believe me - but her pussy... is really wet...
And saying really wet - I mean that...
See my dear - that is the most important thing in bondage games... your mind telling you that this is something bad, but your womanhood - beginning to denay it...
Now tell me... are you sexually aroused? Tell the true, or you will regret it...
Please... don't ... Don't make me say that...
TELL ME NOW!!!

8muses.com
Yes!!!! YES!!!
I am... Are you happy now?
Yesss... and I hate that in myself...
She is perfect
– don't you think so?
Her legs... Her thighs,
Even her pussy
OOOOHHH....
Nooo... Please...
Even her voice...
OH MY GOD... So embarrassing...
AND... OH MY.. OH...
My body is betraying me... but... OHHHH...
Look how
her body is trembling...
She will climax
in a minute...
What legs...
so shapely formed...
Do you know my dear
. that your body
is really perfect?
Wh... what?
Well I think
We should tie her up...

With spreaded legs...
Well... I like your idea... and - watching her body reaction - I think she'll like it too...
Well... my dear... don't move For a second... I need to tie the knot and then... Are you ready Connor?
Yes I am...
OOOH... HMMM.....
5 minuts later
Did you hear Connor - she didn't ask us to remove her bonds.. She wants to be bound, but a little bit looser.. Did you Finish..?
And then we will tie your legs like this... How do you like it?
Yes. her hands are tied...
It hurts.. please, could you tie me a little bit looser?
8muses.com

AAAAH...
What is happening to me...
I feel pain... that's true...

is totally helpless.

Day after day, week after week, she was fucked, humiliated, bound, whipped, and so on. Every passing moment of that, was more difficult. No hope, and no way to escape... But... with time, she begun to accept reality. She was a slave and she couldn't do nothing with it... After a week, maybe two, ...or maybe a month - she really didn't know how many days were gone, she became real slave... She found herself being really happy to please her masters and misstress. But, the rest of her dignity was still inside her... She never showed her masters, that she had begun te be happy to serve them... In her mind - showing them how proud she is, was the last bastion of her own humanity...

Well, my slave... Your training time has almost Finished... You shared a lot of plesure with us...
