

AMAZING

COUPLES

By ElRelator

Welcome to Amazing Couples!
This is the TV show where the most unexpected
couples make their dreams come true!
Today we have two stunning guests with us!

Amazing

Couples

Amazing
Couples

So far, we have seen how the most astonishing matches are made: people belonging to different upbringings, countries, ethnicities, religions and lifestyles have found out that they are not so different after all!

Amazing

Couples

But today we are going to discover together what happens when two different SIZES meet!

Our first guest is a man from New York, and his name is Phil Hoffstadter. He is an IT expert, and he likes classical music and travelling. But there is something incredibly special about him. He is only 2 ft tall!

Here you can see him
with his two nieces.
He is 38 years old,
but he is way shorter
than them!

He is so small that even his younger niece can pick him up, as if he was a toddler!

Aww... He is adorable, don't you think?

Thanks!

Please, let's have a round of applause for Phil!

Amazing
Couples

Phil, welcome to amazing couples!

Thanks a lot, Dolly, it's a great pleasure to be here!

Tell us about yourself and what do you hope to find in our show...

Well, Dolly. To be honest, I've never been very lucky with women, maybe because of my height. I've tried dating very short women, but most of them were still too tall for me, and they preferred taller men. Haha!

Oh God! He is so ridiculously tiny!
Is this an adult man?

So I finally started to play with the idea of dating a very tall woman, who is used to dating much shorter men.

That's an incredibly interesting point of view. But do you really think an amazon would be eager to date a much shorter man?

I'm here to find out, Dolly!

Tell us Phil, can we ask you what is it that you are most attracted to in a woman?

Well, I like them to be nice, gentle and... well, I guess also maternal and protective.

Amazing
Couples

Awww! That's very sweet, but you know that our audience is here to know our kinkiest sides... So now I'm going to ask you what your favorite body part in a woman is.

Well, if I have to be perfectly honest, I have a really special kink: Women's feet. I love to touch, massage and pamper them.

Feet? Haha! I think I'm gonna have some fun with this smurf...

And the audience too..

Amazing
Couples

Oh! It would be an honor! Haha!

Oh! Really? Maybe you could rub my foot so I can tell our other guest if you are good at it?

My foot is way bigger than his head! I could easily step on him...this makes me horny

Couples

Yeah! I'm a bit nervous, actually, hehe...

Who would have thought it that one day you'd show your skills on TV?

Don't be... I'm sure you are very talented...

This is a skill I developed because feet are the part of a woman I'm closest to, due to my short height.

Oh, I see! It makes sense, haha!

Couple

I must say you have wonderful feet. They are so soft and feminine!

Awww!!
Thanks!!!!

Wow! You really are an expert! I guess having such little hands is an advantage.

Would you recommend me then?

No doubt about it!

Thanks! I hope she will like my foot rubs as much as you do!

We'll find out soon!

Now we will ask Phil to leave the stage for a while, so that we can meet our other guest!

Amazing

Couples

Today's second guest is a woman from Los Angeles, her name is Lottie White. She is a personal trainer who loves hiking, swimming, rock music and travelling. But what amazes most is her height. She is over 10 ft tall!

MINUTES	5:02	SECONDS

HOME	VISITORS	

Lottie is only 24 years old, but she is a true GIANTESS. She is used to towering over everyone. Her size can be intimidating, but she is just your next-door girl. Her friends and family have told us that some people are scared of her height, but when they get to know her, they realize that this huge woman has a huge heart...

MINUTES	5:02	SECONDS

HOME	VISITORS	

Here you can see her with Kevin, her older brother. He is a tall guy, but Lottie dwarfs him when she stands by his side!

Welcome to our
Show Lottie!

THANKS!!

Oh my God!!!

ing
Couples

Yes, I've heard that a couple of times, haha!

Welcome to our show Lottie, you are probably tired of hearing this but your height is impressive!

I was feeling so big next to the first guest, but now I feel like a doll...

Haha! Well, I AM very strong... I work out a lot!

I barely come up to your waist! And you look very strong too!

Could you... Lift me up?

Lift you up?
Why? Hahaha!

Our first guest is looking
for a protective woman
who can take care of him.
So I'd like to check your
strength!

Also... My
neck hurts a
bit... Hehe...

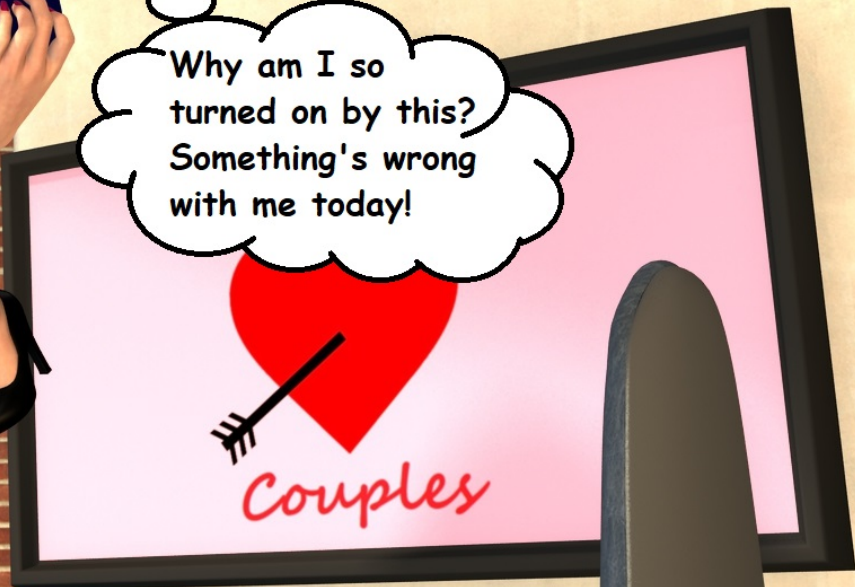

Come here,
little doll!

Oh God! I'm
flying!!

I don't know...
Genetics, nutrition
and excercise I
guess...

This is amazing!
How can a 24 year
old girl be so
powerful?

Why am I so
turned on by this?
Something's wrong
with me today!

Did I pass the test then?

You won't dissapoint him, I'm pretty sure!

Amazing

Couples

Haha! Why are you touching my breast?

Every part of your body is... gigantic!

Sorry, but I must check everything! Is my job!

Amazing

I wouldn't believe
you! His whole body?
No one can be
THAT small!

What would you say if
I told you that this
breast is bigger than
our other guest?

Amazing
Couples

Well, Dollie. As you can imagine my height can be daunting to your average man, who is used to feeling dominating and in charge. I know I won't find men taller than me, so I'm here to find a man who doesn't mind being smaller.

So tell us, why are you here?
The audience wants to get to know our giantess!

I like taking care of smaller people...

I think that you and the other guest will find each other interesting, as you look very protective, just what he is looking for...

Amazing
Cov

I like the idea,
I just love foot rubs!

Lottie, our other guest has a thing
for feminine feet, and I can tell you
that he is a great masseur, so maybe
you could take off your shoes as a
special treat!

We've met our two guests separately. Now we'll ask Lottie to leave the stage. So Phil can come back!

Yes, I figured out that seat wasn't for me, haha!

Phil, now your going to meet our other special guest. She is going to sit on that chair...

Hahaha! Clever guy! Are you ready to meet her?

W-Well... I'm a bit nervous but I think I'm ready...

Then you just have to look up!

What the...?
This can't be
real

Wow! He is minuscule!

Hi down there, It's so nice to meet you! Hehe!

I'm v- very pleased t- to meet you too!

Amazing
Couple

How can a woman be so colossal?

S- Sorry if I
don't shake
hands...
I'd need a plane to
get up there!

It's fine, Dolly told me you prefer feet anyways!

Amazing
Couples

Oh!!!! I- I...

W- Well.. y-you got me there... I admit it...Hehe...

Oh God! I'm in Heaven!

She also told me that you are a great masseur... Is that true, little shrimp?

I think I'm already in love with her... I could kiss her toes all day... This is just too good!

W- Well, I think I'm very talented and... I'd do my best to please a woman like you!

Amazing

Come on guys!
Don't forget that
you are still on
the stage!

Oh God! He is
practically an
insect to her...

S- Sorry Dolly! I- I
guess I wasn't mentally
prepared for this!

He reminds me of
Papa Smurf! Haha!
Soooo adorable!

Amazing

I would say he is incredibly cute, Dolly; but maybe I should have a closer look!

Tell us, Lottie, what's your first impression of Phil?

He is a handsome shrimp... Hehe

He is super-small But he is an attractive man...

Phil... You can't even talk! Haha!
What do you think about Lottie?

S- She is incredibly beautiful!
A gorgeous Giantess!

Awww, thanks!
You are such
a gentleman!

I am! And I'm pretty sure it will be an awesome experience!

I'm so glad that you have both made such a good impression on each other!
Phil, are you ready to spend a week with her?

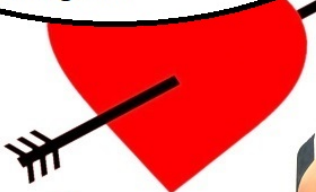

I think it has been love at first sight for him!

Lottie, I- I know we've just met but I promise I'll please you in every possible way... With my size I can't do many things, but I'll do my best to satisfy you!

I can't say no to the idea of a little man pleasing me like a servant... I could protect you in exchange...

Couples

HMphmph!!!
T- Thanks! I won't dissapoint you!

Phil! Are you licking her toes again?
Guys, I remind you that you are in a TV show, in front of a big audience!!

He is so submissive to her... This really turns me on...

Awww! Poor little male... He is addicted to me... Hehe...

I don't care how many people are watching me... This is a dream come true!

I- I'm sorry, Dolly! I... I just can't help it!

Amazing
Couples

Dolly was right when she told me you were a great masseur. What is your secret, little one?

I t- think it's because of my tiny hands...

Amazing

Couples

They are so small compared to mine, hehe! You are like a doll...

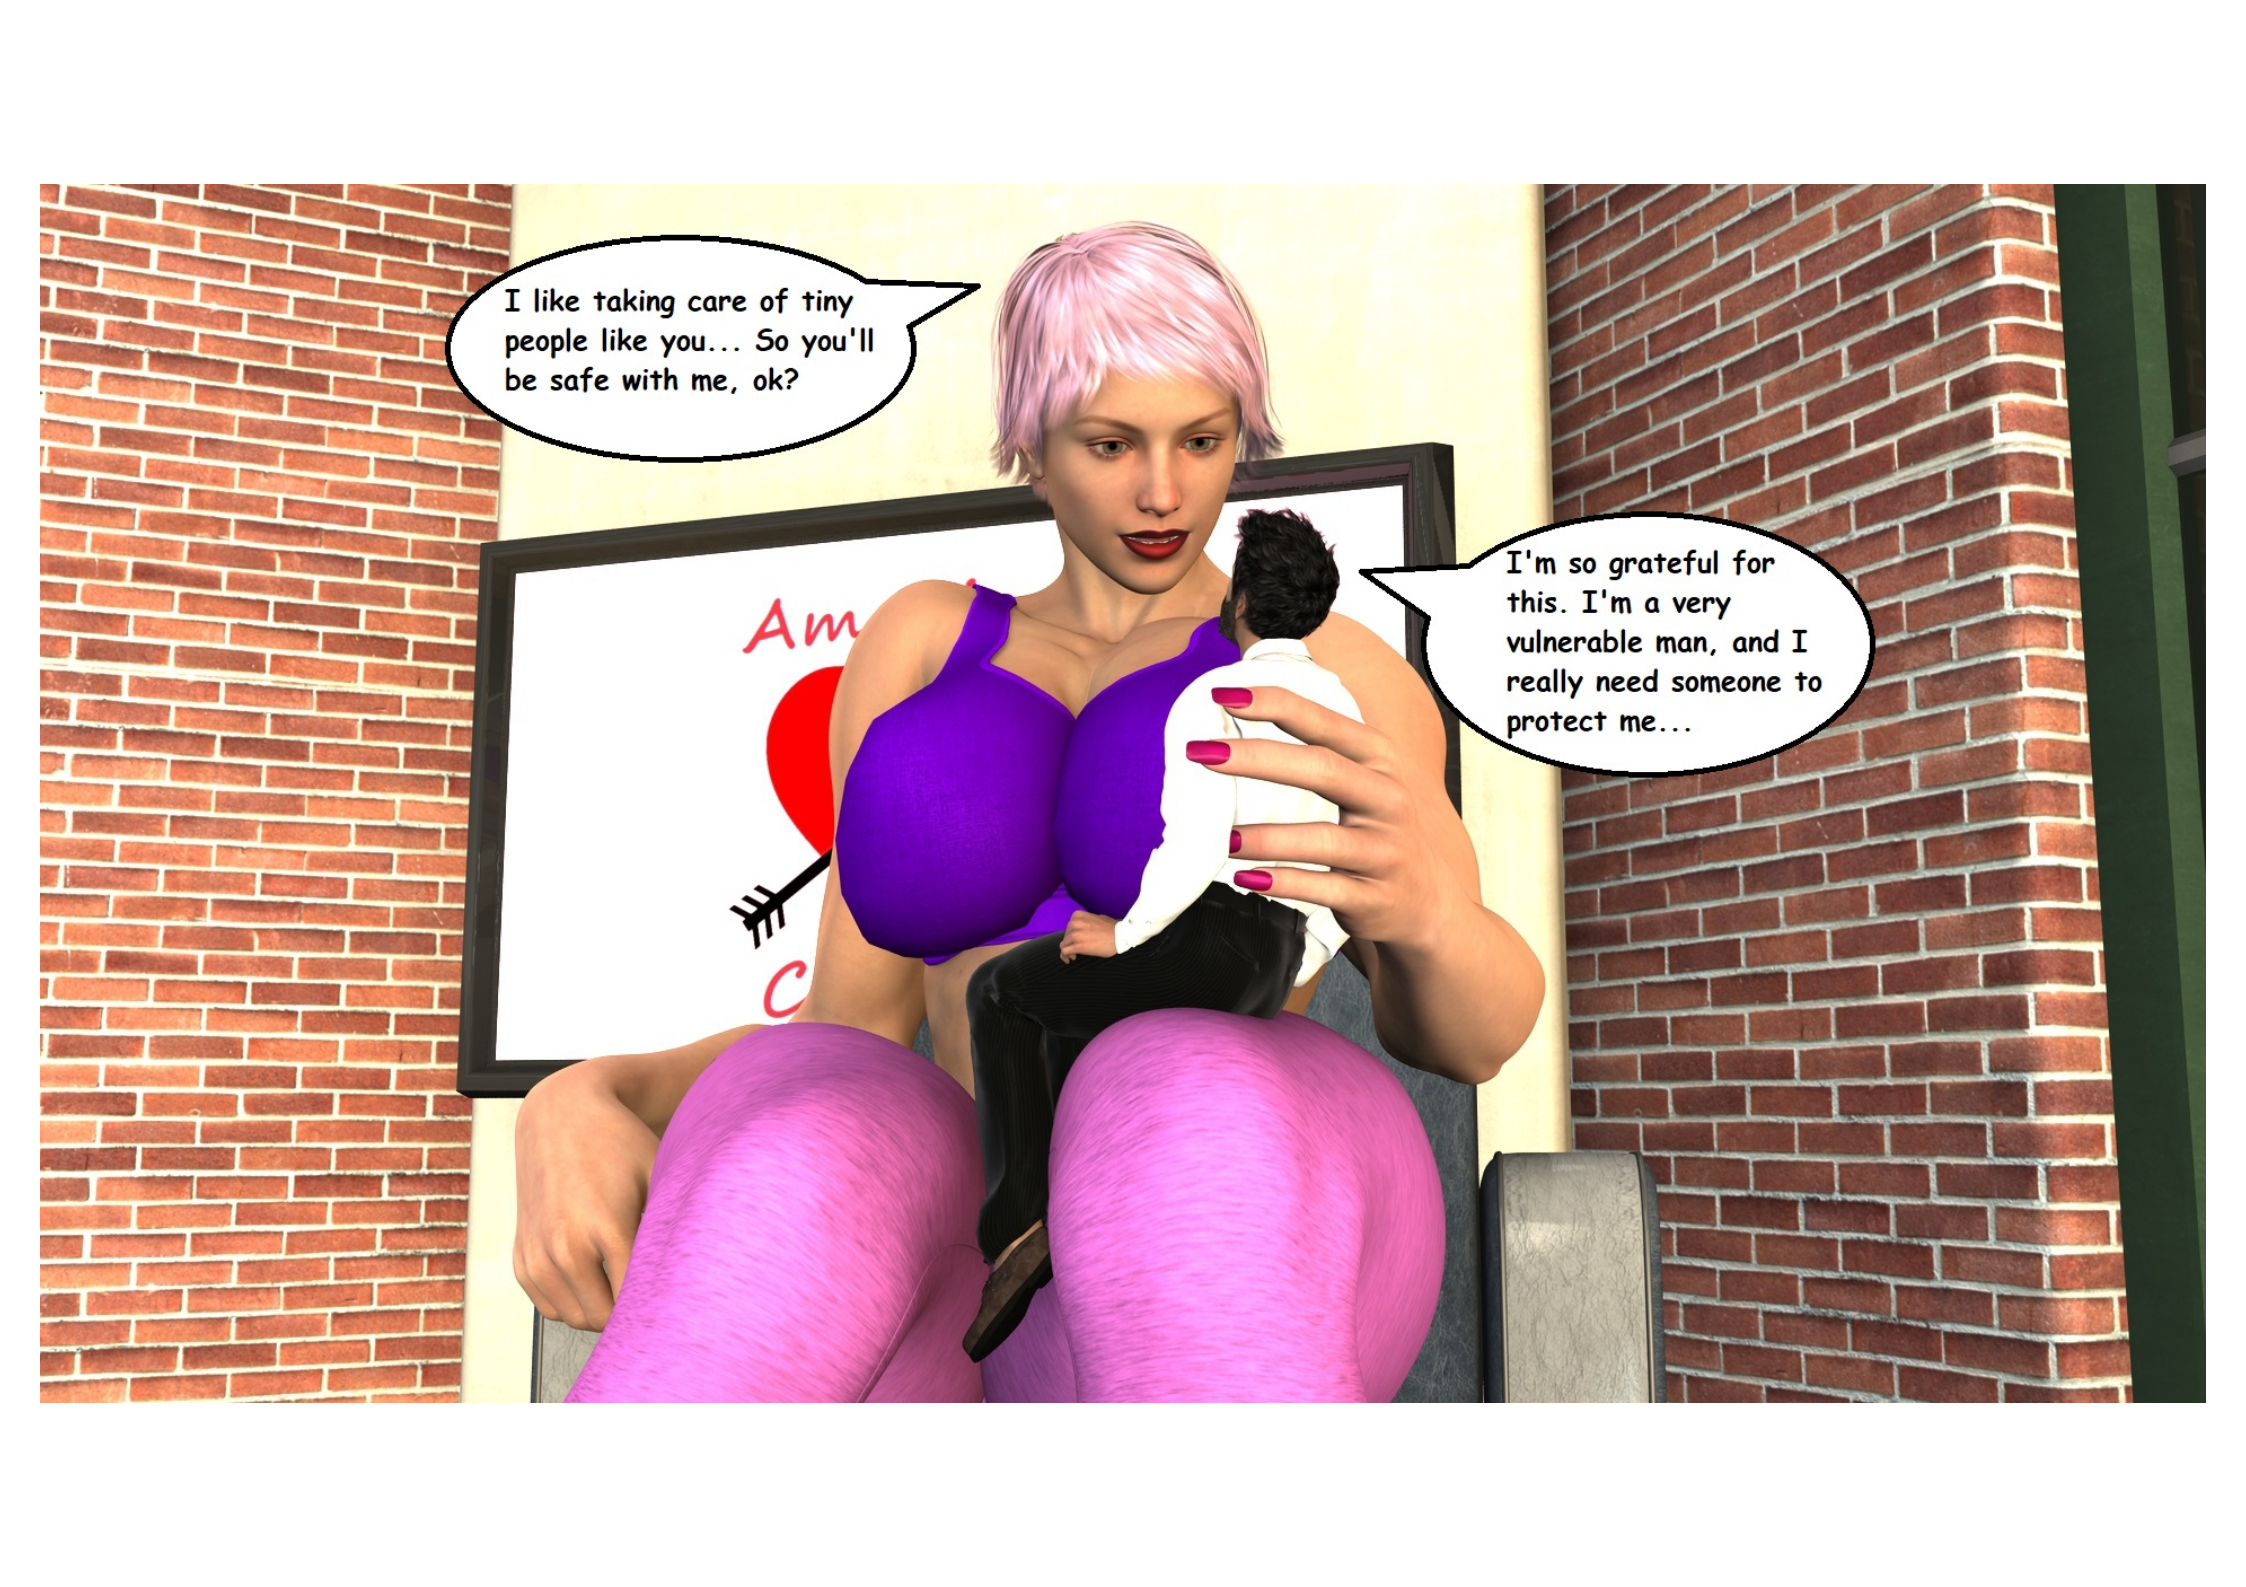

This is a bit intimidating... Y-your hands are so big that you could d-do whatever you want to me!

Amazing Couple

Awwww! Don't be scared. I'd never hurt a tiny gentleman like you!

What a beautiful moment!

I like taking care of tiny people like you... So you'll be safe with me, ok?

I'm so grateful for this. I'm a very vulnerable man, and I really need someone to protect me...

Tell us, Phil...
Do you feel
comfortable in
her arms?

Very comfortable!
She is making me
feel like a little
baby, hehe...

Awwwww!
That's so cute!

HEY!!!
What are you touching?

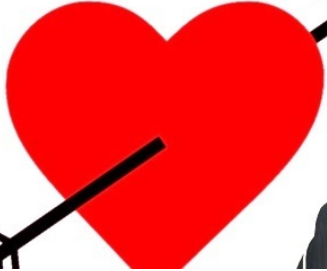

She could even breastfeed me!
Hehehe...

Whoaaaaah!!!!

Hey, I didn't give you my permission to touch me there, little pervert! Haha!

Amazing

I'm s-sorry!
Please, put me
down!!!

First, say that
you'll be obedient
and you'll behave!

Amazing
Couples

I'll be obedient!
I swear!!!
Please, this is too
high!

Hahaha!
You are so
funny!

Oh my God! Well, we know who is gonna be in charge in this relationship!

This is so exciting!

Don't forget that in a week you'll be invited here to talk about your time together!

It's been a pleasure having you here!

The pleasure is mine, and I'm sure I can speak for the little guy too!

Amazing
Couples

O-Of course, darling!!

azing
couples

T-Thanks for all,
Dolly! See you soon!

Amazing

Bye everyone!
Thanks!

Amazing
Couples

**TO BE
CONTINUED**

I wonder if the tiny guy will survive a week with that Giantess...
