"But dad, back at home I was respected, here even a spoiled girl like Nicole can make fun of me" complained Zack.

"Son, you'll get used to this place. I know changes are tough, but Magnatown is a great place to leave".

"I can't see any advantages of leaving here!" he insisted.

"I'm sure you'll soon find some" Tom assured.

"Hey, little ones! What's going on?" Nicole interrupted, suddenly appearing.

"Oh God..." murmured Zack, intimidated.

"Oh, hi Nicole! We were just having a little father-son talk" Tom explained.

"Of course! Everything you guys do is LITTLE" she joked.

Haha, you are such a funny girl, Nicole..."

"Yeah, so funny" Zack growled between his teeth

"Come on Zack, don't be so grumpy" Tom tried to assuage him.

"That's right Zack, try and be nice like your adorable daddy" said Nicole, ruffling Tom's hair.

"You are such a nice couple... I'll leave you alone and go to my room" Zack muttered sarcastically, turning around and leaving.

"See you later" answered Nicole, cheerfully

"Thank you for standing up for me with mom before... You are an adorable little gentleman" said Nicole, picking Tom up.

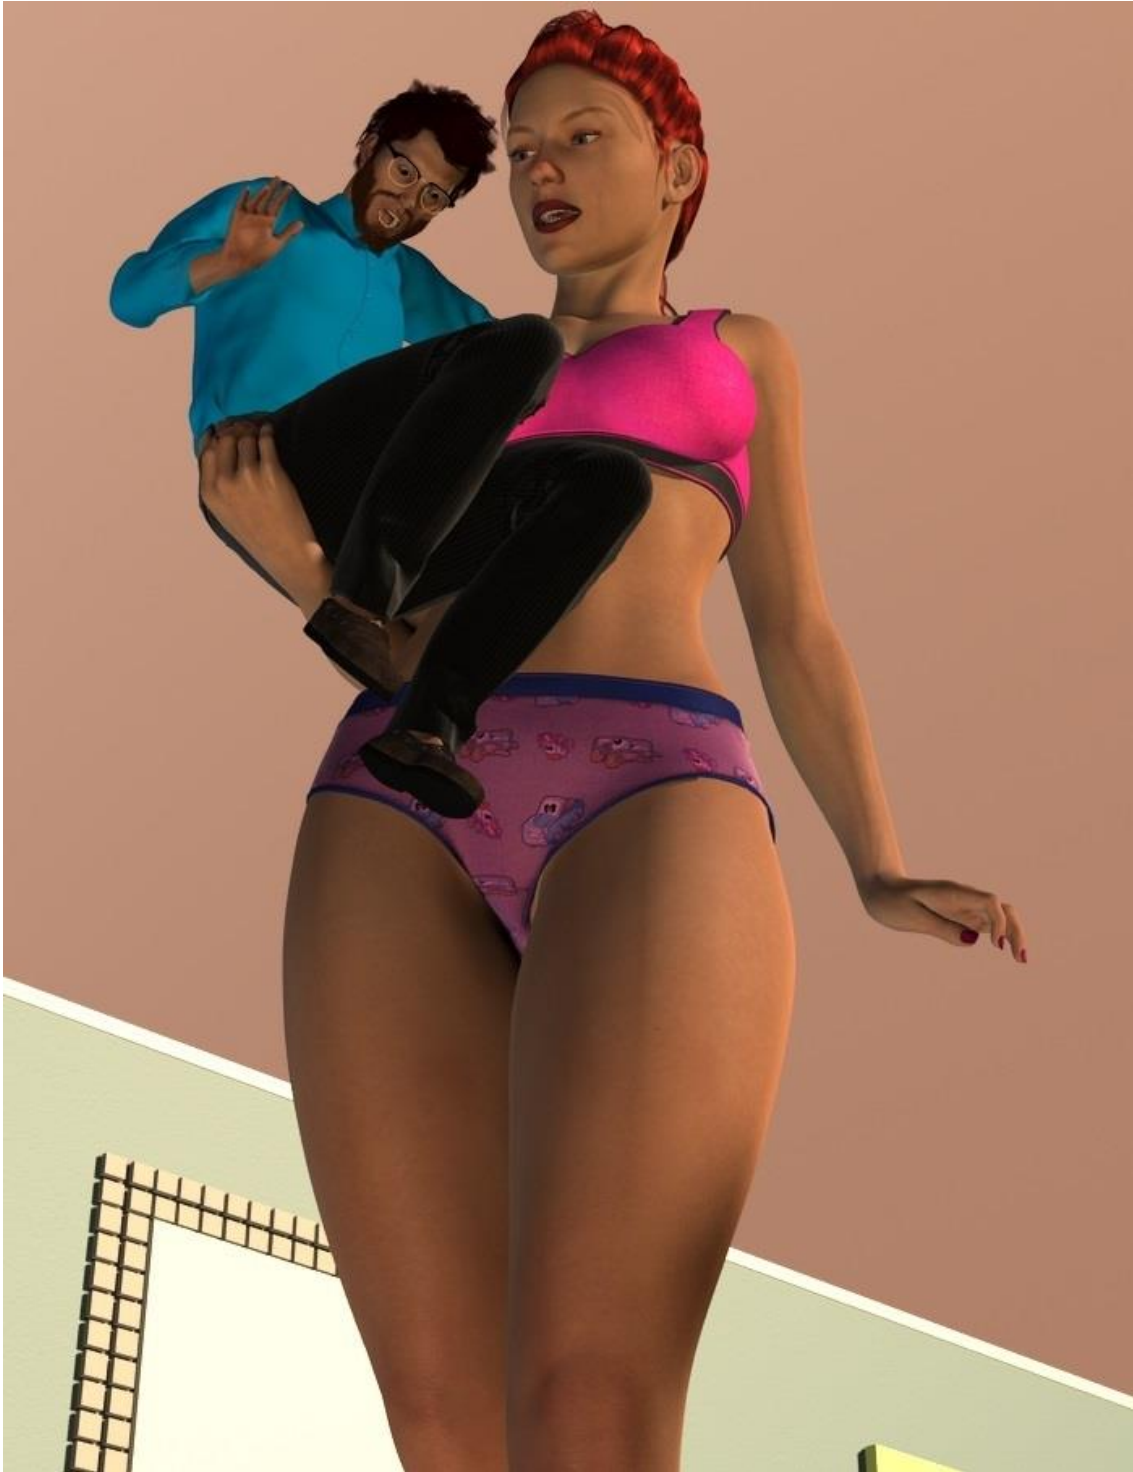

"Oh... W-Well, no need to thank, I was just saying what I was thinking... You seem like a very nice girl... By the way, do you know where Corey is?"

"Yes, I think he is in my room... I'll take you there".

"I'm still getting used to how big everything is here!"

"For you our house must be as big as a stadium" she laughed.

"Oh hi Corey! How are you son?" said Tom, looking down.

Nicole couldn't help giggling at the situation.

"Hi d-dad, what are you doing up there?" Corey asked

"I was looking for you and Nicole gave me a ride!"

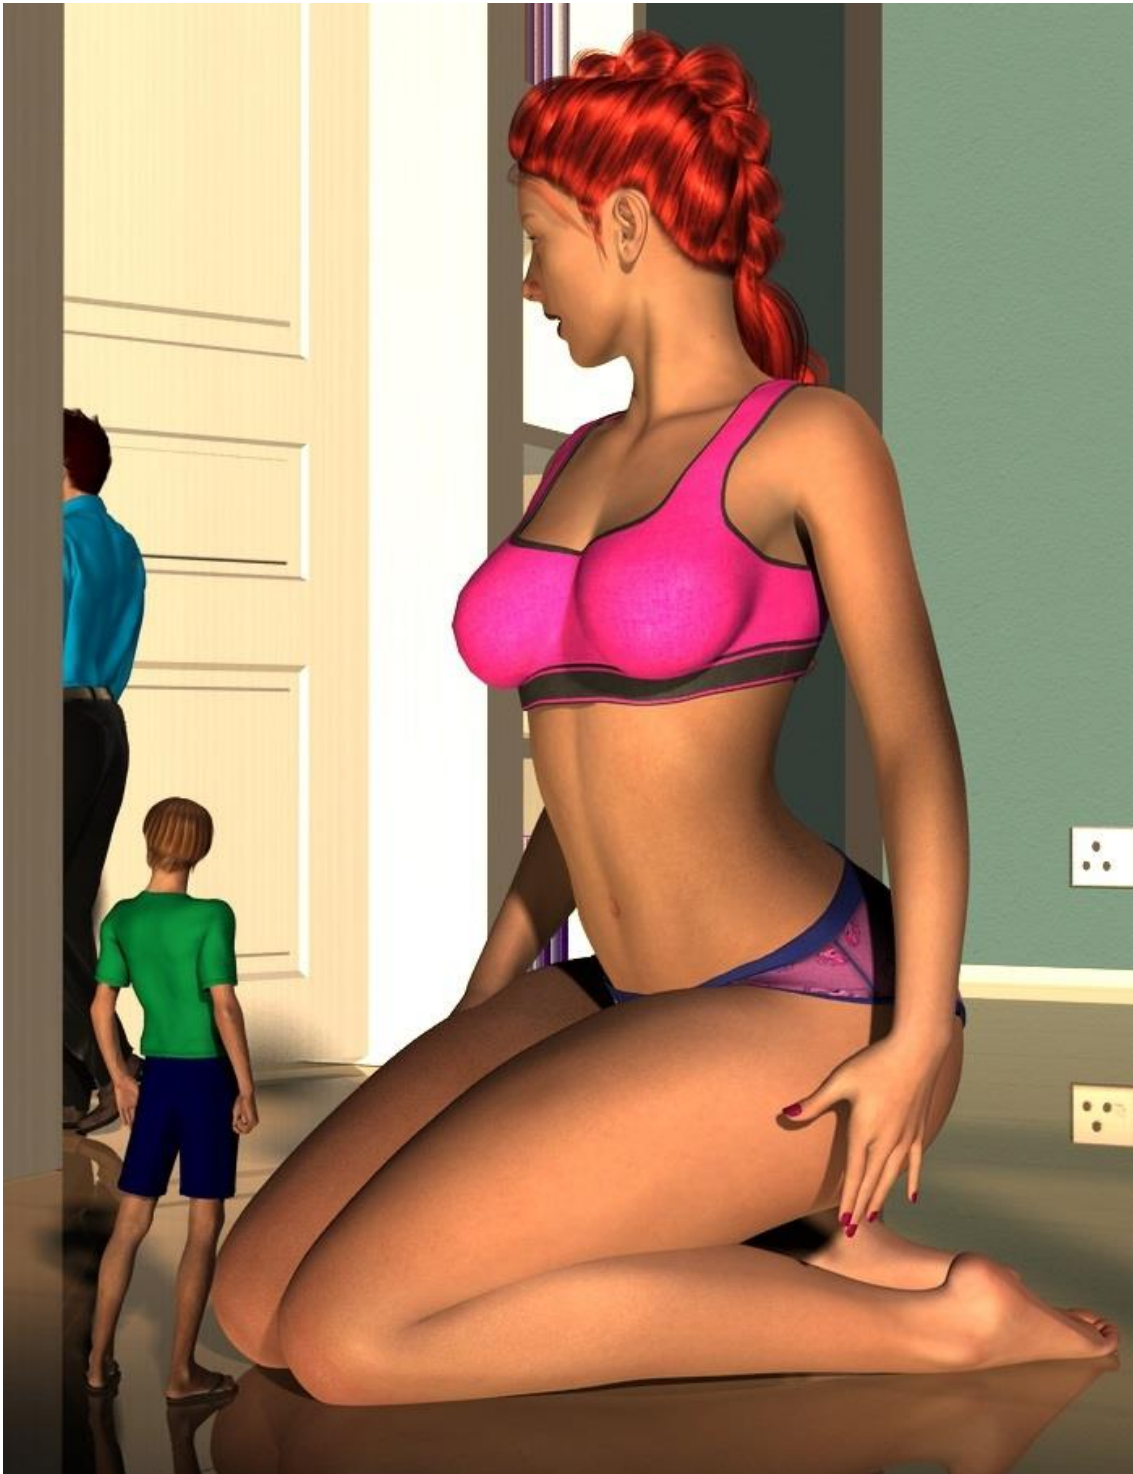

"Your dad is so nice Corey"

"Your brother is a bit upset, son, so I just wanted to make sure that you are doing well..." Tom said.

"Yes dad... I'm doing fine... I was the little runt in Micropolis anyway, so it's not a BIG change for me..."

"Poor thing... you are small everywhere..." Nicole teased.

"Well guys, I'll leave you alone now, you be good"

"Bye dad, see you later"

"Don't worry, I'll take care of the tiny one" said Nicole.

"Ok, little toy, what do you wanna play today?"

"D-do I have a say in this matter?"

"Normally toys don't, but I'd like to know what you tadpole are into... Sit on my tummy and tell me"

"Oh... O-ok..." Corey stuttered.

“Well, shrimp... Tell me what would do with me if you could decide”

“I... I don't know Nicole... I've never been asked by a girl what I wanted” he said, not feeling very confident.

“Wow, you really are a pansy... Just be brave and tell me what you would like me to do” she teased, standing up to her towering height.

“Ok...” he stated, trying to muster as much authority as he could “Get down on your knees, b-babe...”

“Oh, I’m not hating this...” she uttered, feeling impressed that such a tiny guy could sound so confident “What now?”

"N-Now I'm gonna touch you wherever I want, princess..." he answered, rubbing her thigh.

"Wow! What a male..."

"N-Nice butt, bae..." he continued, rubbing her but cheeks, feeling as horny as ever, and not believing his luck.

"Thanks, I work out a lot..." she said, letting him play

"It shows, baby, it shows" he mumbled, leaning forward and kissing her girly underwear, pressing his body against her ass.

“Hey, that’s enough, you cheeky smurf! Don’t forget your place...” she scolded him, picking him up easily.

“Whoaaaaah!”

"I should punish you for being so spunky!" said Nicole sternly.

"No please, don't! I thought you wanted me to!"

"I could do anything I want to you!" she added, scaring him.

"No please, I'll do whatever you want, but don't hurt me!" he whined.

"Ok, I feel merciful so I won't punish you if you do something for me... you have to go to my sister's room and, without being seen, you have to find out where she is going tomorrow night... It's vital that I discover that"

"But..." started Corey, feeling confused.

"If you don't do it... I'll crush you, ant..."

"N-No, please!! Nicole, don't.... don't crush me!

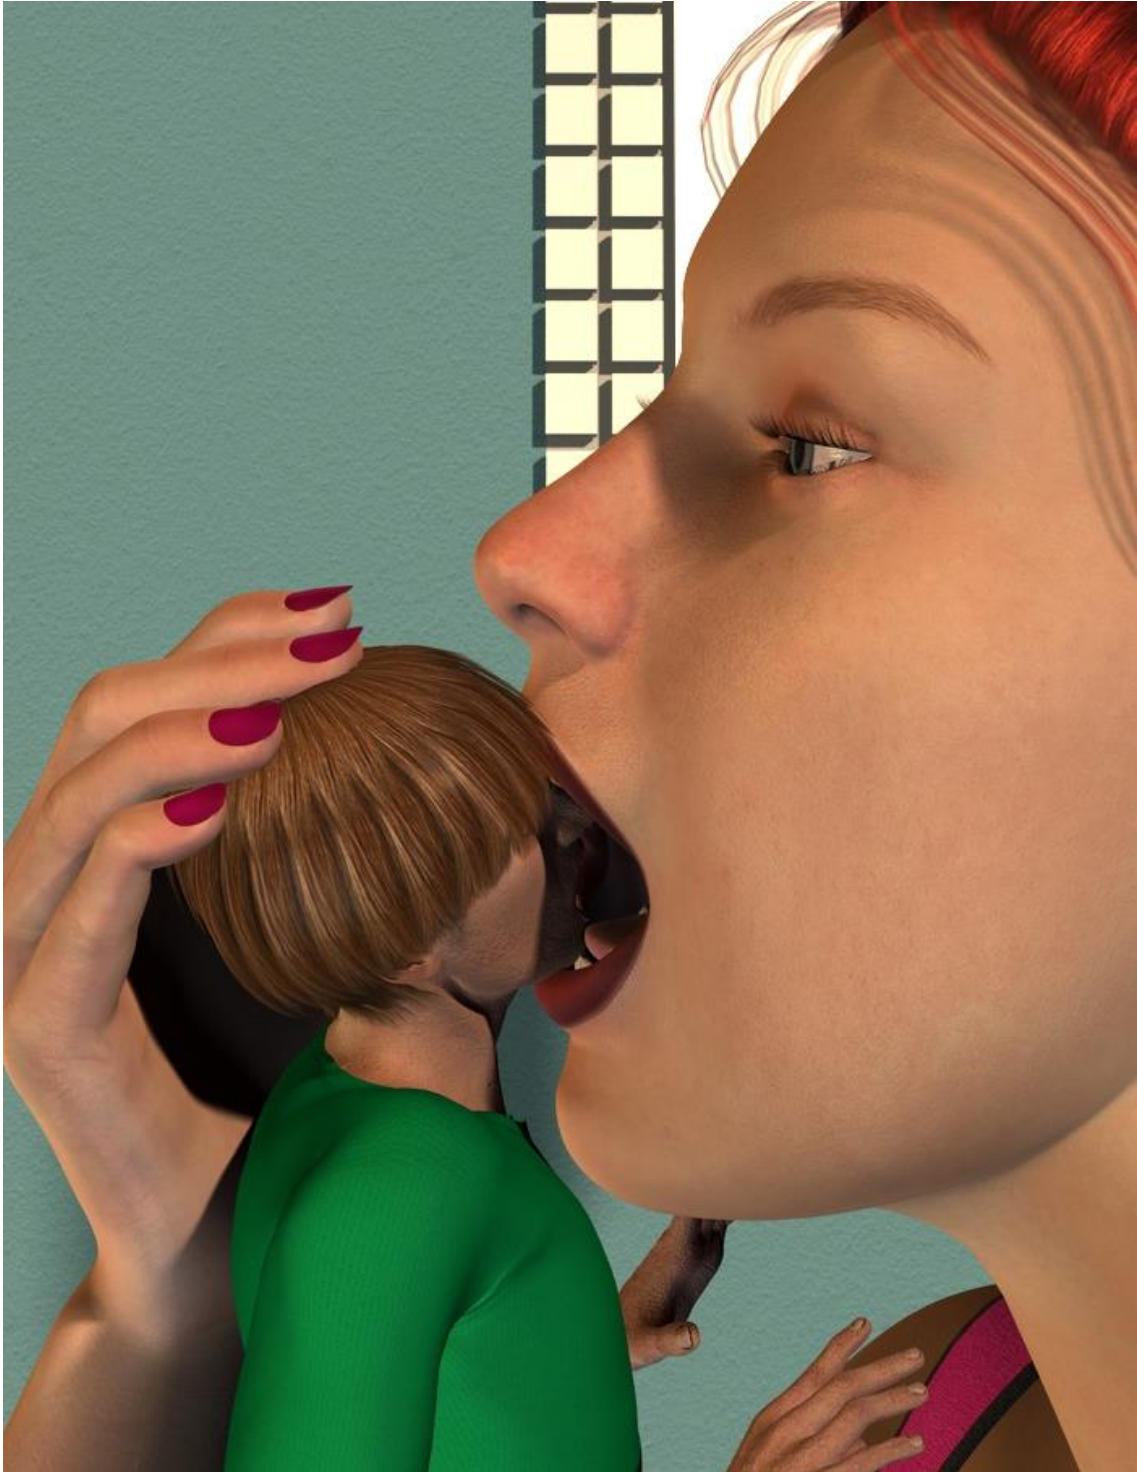

"Oh... You are so cute when you are scared! If you do that for me I will cuddle you, but if you don't..."

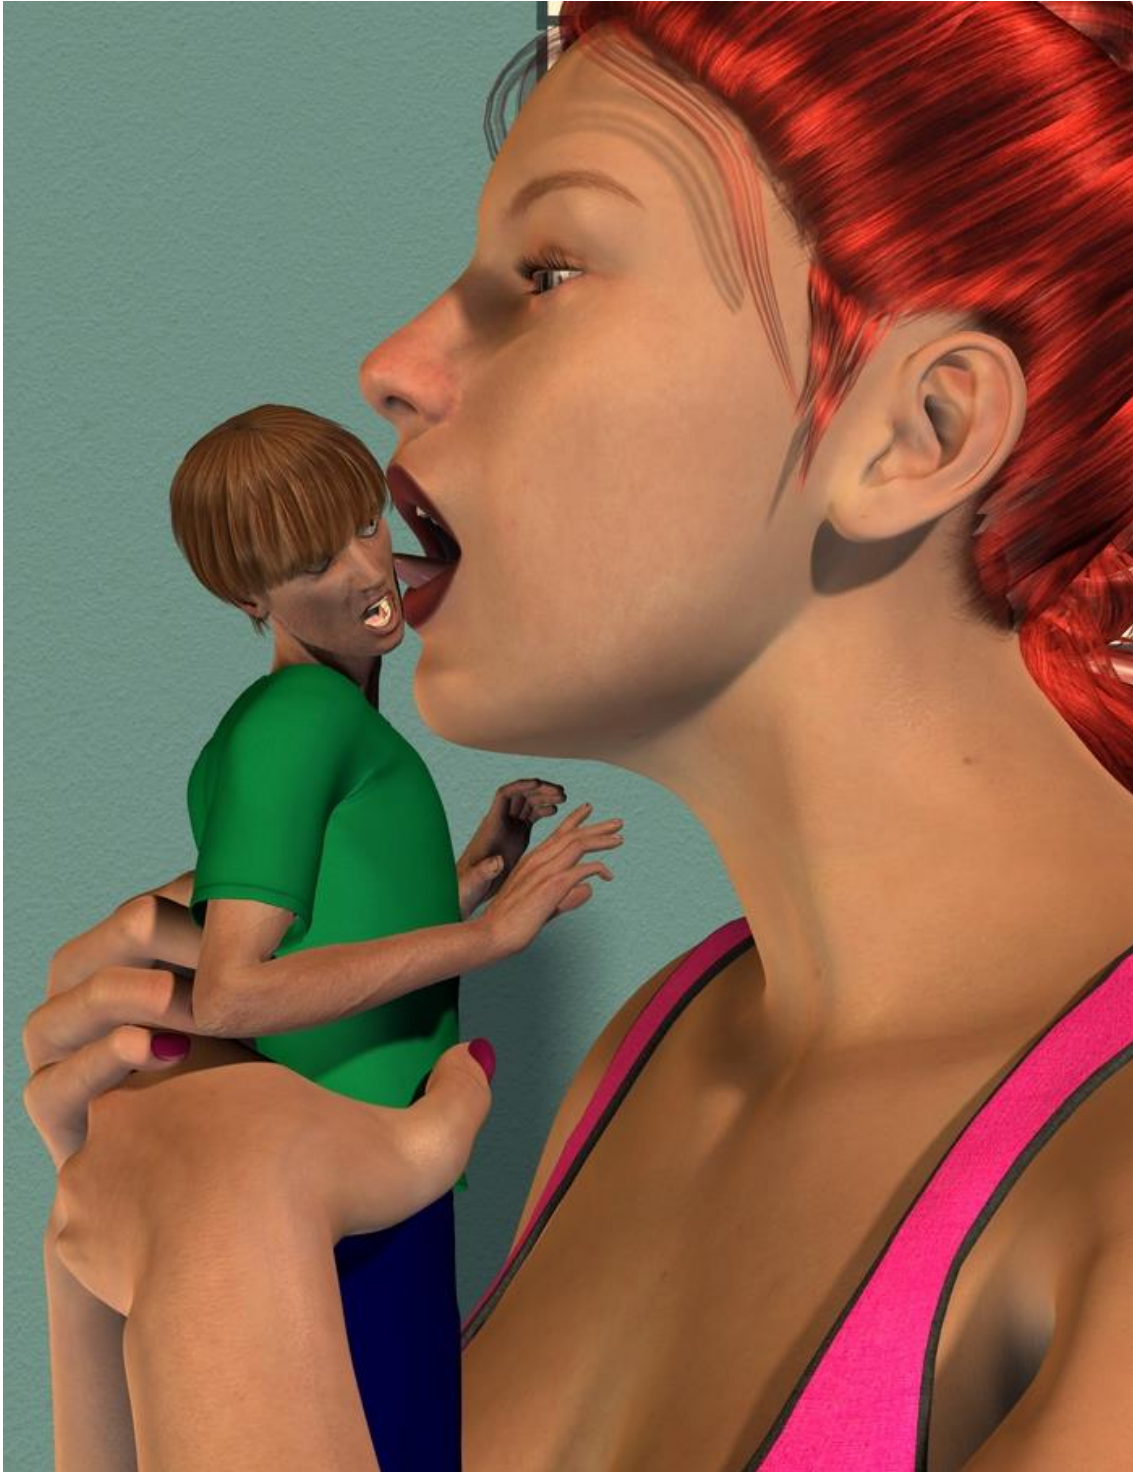

"I will bite your head off!" she threatened, pulling him dangerously closer and closer to her beautiful mouth.

"N-Nicole!!! You are.. You are joking, right?!"

"Please Nicole! You are scaring me" he cried, staring at her gaping maws"

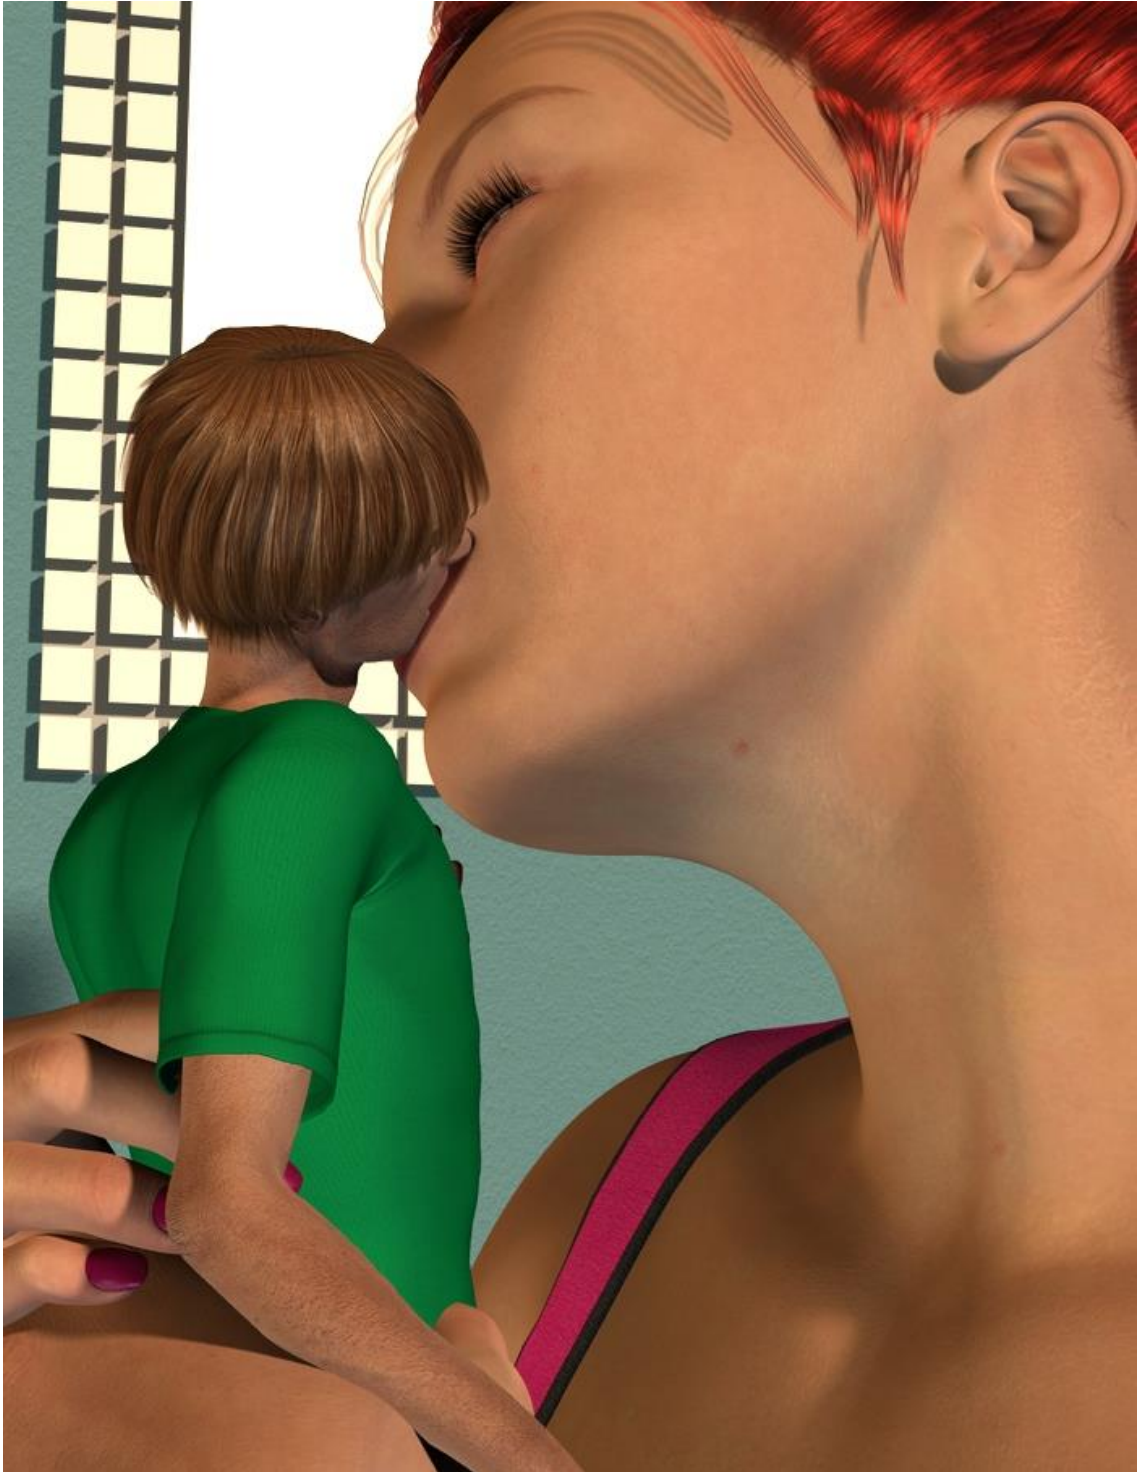

"Don't worry... For the moment I won't eat you, little candy... I'll just lick you like a lollipop" she joked, caressing his face with her warm, moist tongue.

"Oh G-God..."

Suddenly, the licking became a gigantic kiss, and her colossal plump lips engulfed his face.

Corey had never felt so excited in his whole life... He had always been so shy and no girls had ever paid attention to him, despite his handsome features. Now, in a very short time, he had passed from being a runt to being kissed by an incredibly beautiful girl. He knew Nicole was using him, but he enjoyed it all the same.

"So... Would you do that for me, little toy?"

"I... I'd do a-anything for you, Nicole..." he promised, still recovering from the experience.

"Good boy, that kiss convinced you... didn't it?" she said, holding him by his hands and making him dangle before her eyes.

"Whaaah! It... It certainly did!" he stuttered, feeling powerless as the gigantic girl toyed with his puny body.

"And your little friend seems to have enjoyed it too!" she teased, looking at the bulge in his pants.

"S-Sorry... I can't help it" he apologized.

"Let's see what we have here!" she mocked him, pinching his manhood.

"Whoaaah! Nicole, s-stop please!" he said, embarrassed and turned on at the same time.

"You really want me to play with your tiny thing, don't pretend you don't"

"Oh, God!! I think I'm gonna cum in my pants!"

"Haha! Is this too much for you, shrimpy?"

His heart pounded in his chest, and his breath quickened.

"Ok... You'll have more of this... But now I want you to spy on my sister... Find out where is she going tomorrow night!"

"Ok, I'll do what I can" he whispered, leaving the room.

"You'd better succeed, shrimp!"

Corey silently tiptoed to Nadia's room. Fortunately, the door was ajar so he could get in unseen.

As he got into the room, his heart skipped a beat: She was lying naked on her bed, her amazing, gigantic body like a flesh statue of a living Goddess.

She was in a video call, so he scuttled across the room, reached her bed and started climbing it, grabbing on the bedspread: he was sure that, being so tiny, he would be unnoticed by the colossal woman.

He crawled on the bed, towards her. Her feet were as big as cars, but in their intimidating size there was still incomparable grace. Probably the cleverest thing to do would have been to hide under her bed and wait for her to leave the room to spy on her phone. But he just couldn't resist peeping at that amazing body, which attracted him like a magnet.

He realized she was wearing purple underwear, and that aroused him even more than as if she had been naked.

As he got closer his nose got a whiff of the feminine scent emanating from her intimate parts, and he felt surrounded by her neverending legs as if he was in a magic cave. He couldn't stop and kept creeping, even if his rational mind was warning him of the danger.

“Oh my God! What the-?” she said suddenly, catching a glimpse of his tiny body.

"Corey, is that you? I could have mistaken you for a bug! What are you doing in here?!"

"S..sorry, I was... I was just...." He started stuttering.

"I asked you a question, shrimp! Why are you in my room and in my bed?!"

"I- I was just curious to... see your room..."

“Do you think I’m dumb, little guy?” she said, reaching out and picking him up with her gigantic hand.

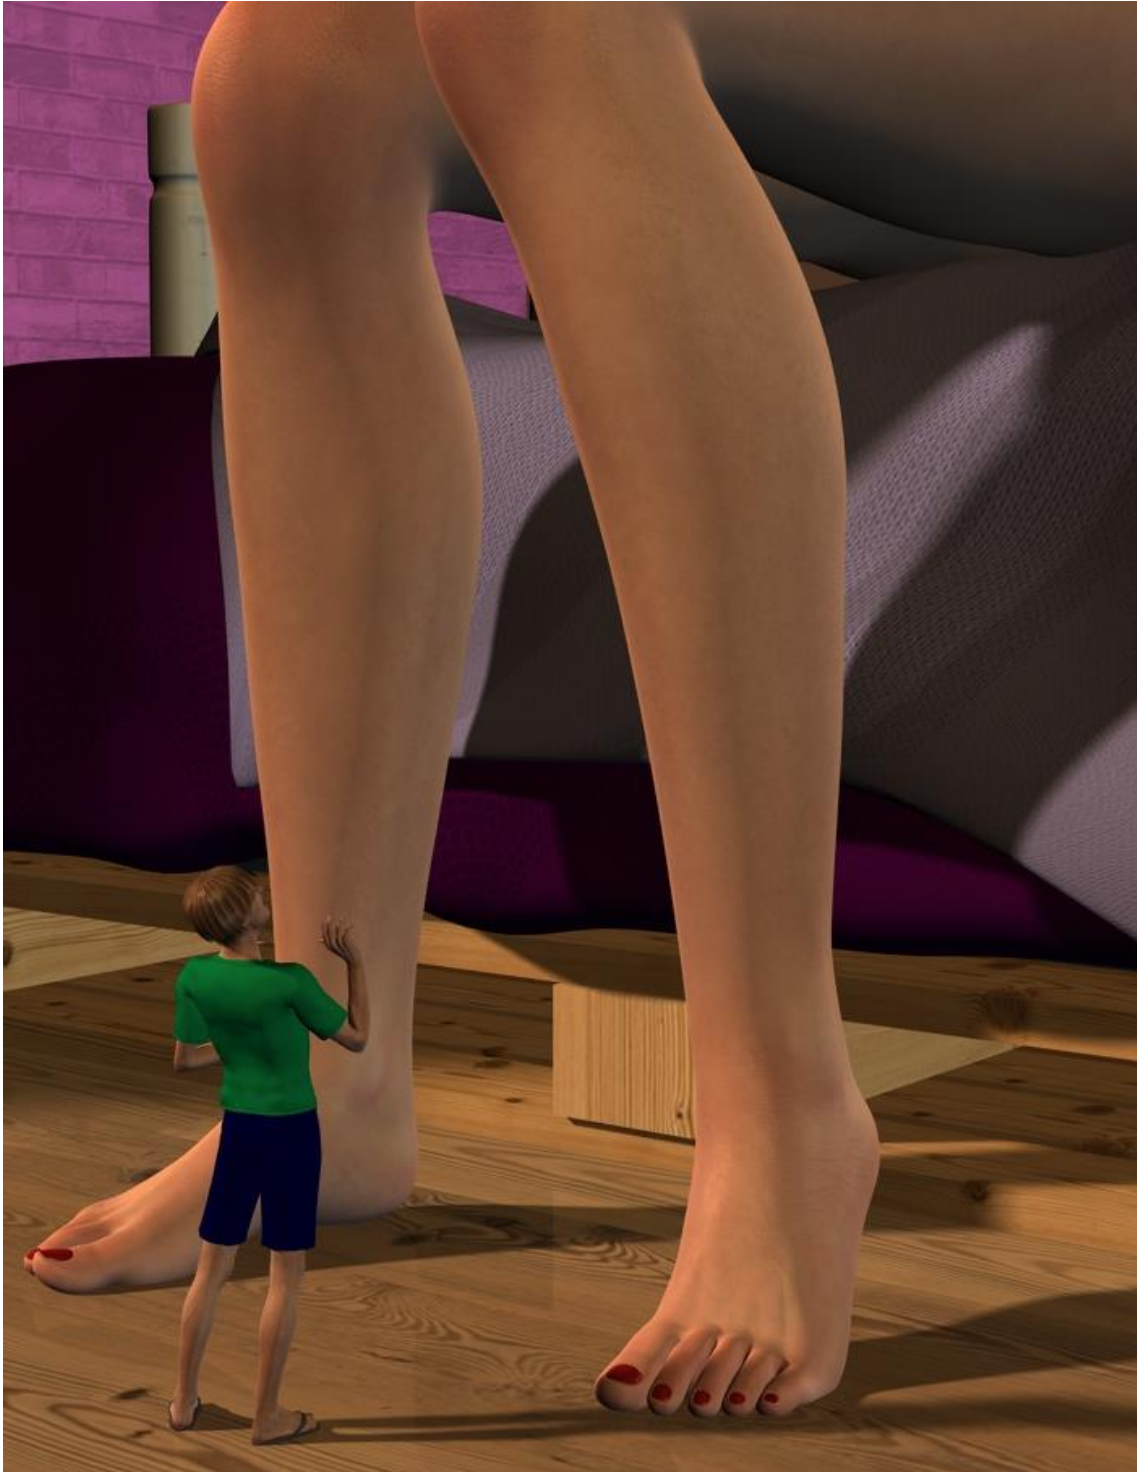

"Corey, I can't believe you were spying on me while I was chilling out in my underwear... I thought you were a gentleman!"

"Please, Nadia, don't be mad at me!" he begged.

Nadia sat up, put her feet on the floor and placed Corey beside them.

"I'm very disappointed in you, little man... You are acting like a pervert... What should I do to you?"

"I won't do it again, I promise"

"Of course, you won't do it again" she said, towering above him and looking down at him.

“Because you’ll receive a punishment” she threatened, lifting her colossal foot and pressing it on his puny body.

“No! Nadia please!” he cried.

“You should have thought of this before spying on me!” she continued, slowly lowering her foot.

“B-But Nadia!” he protested.

“Shut up” she said, covering his tiny mouth with one of her toes.

"I'm so mad at you right now! So, don't make it worse, because I could crush you like a bug!"

"No please! I- I did it cause I'm in love with you!" he shouted, at the top of his lungs.

“What?! In love with me?” she gasped

"Yes" he said simply, covering her toes with tiny kisses.

"I won't fall for that" she replied dryly, pinching his tiny head between her toes.

Before he could even react, she lifted her foot with him pinned.

"Whoaaaah!!!"

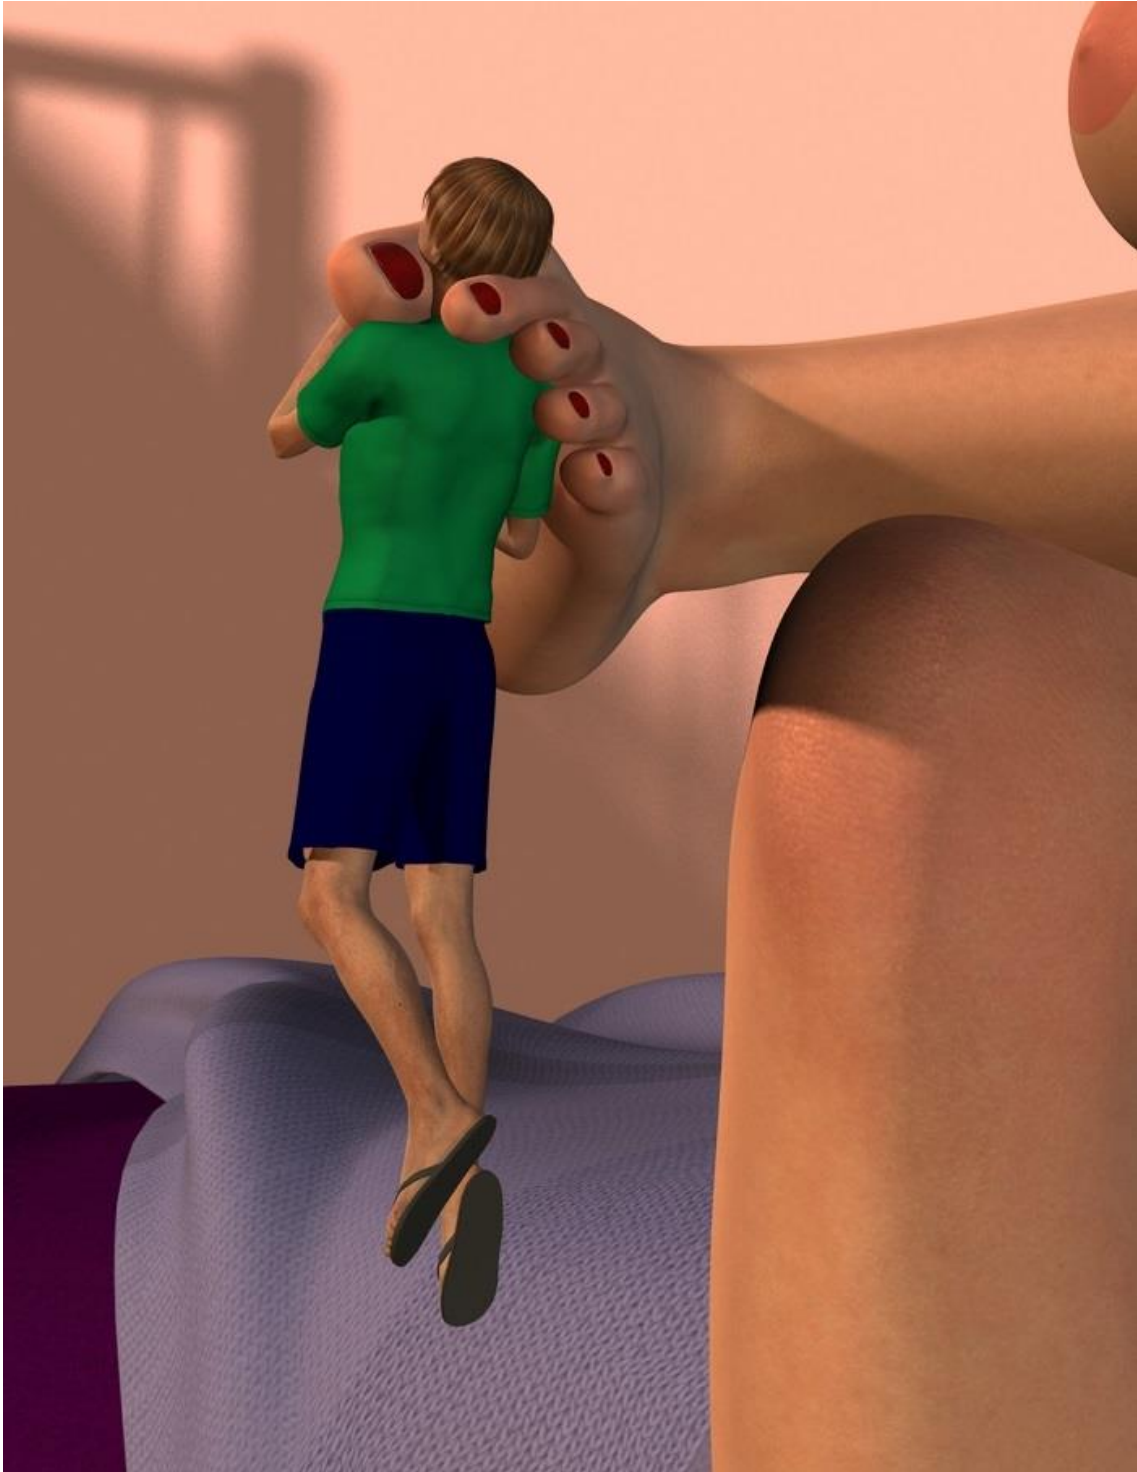

"Nadia please, put me down!" he begged, as she lifted her endlessly long leg, unwillingly showing him her glorious body in its perfection.

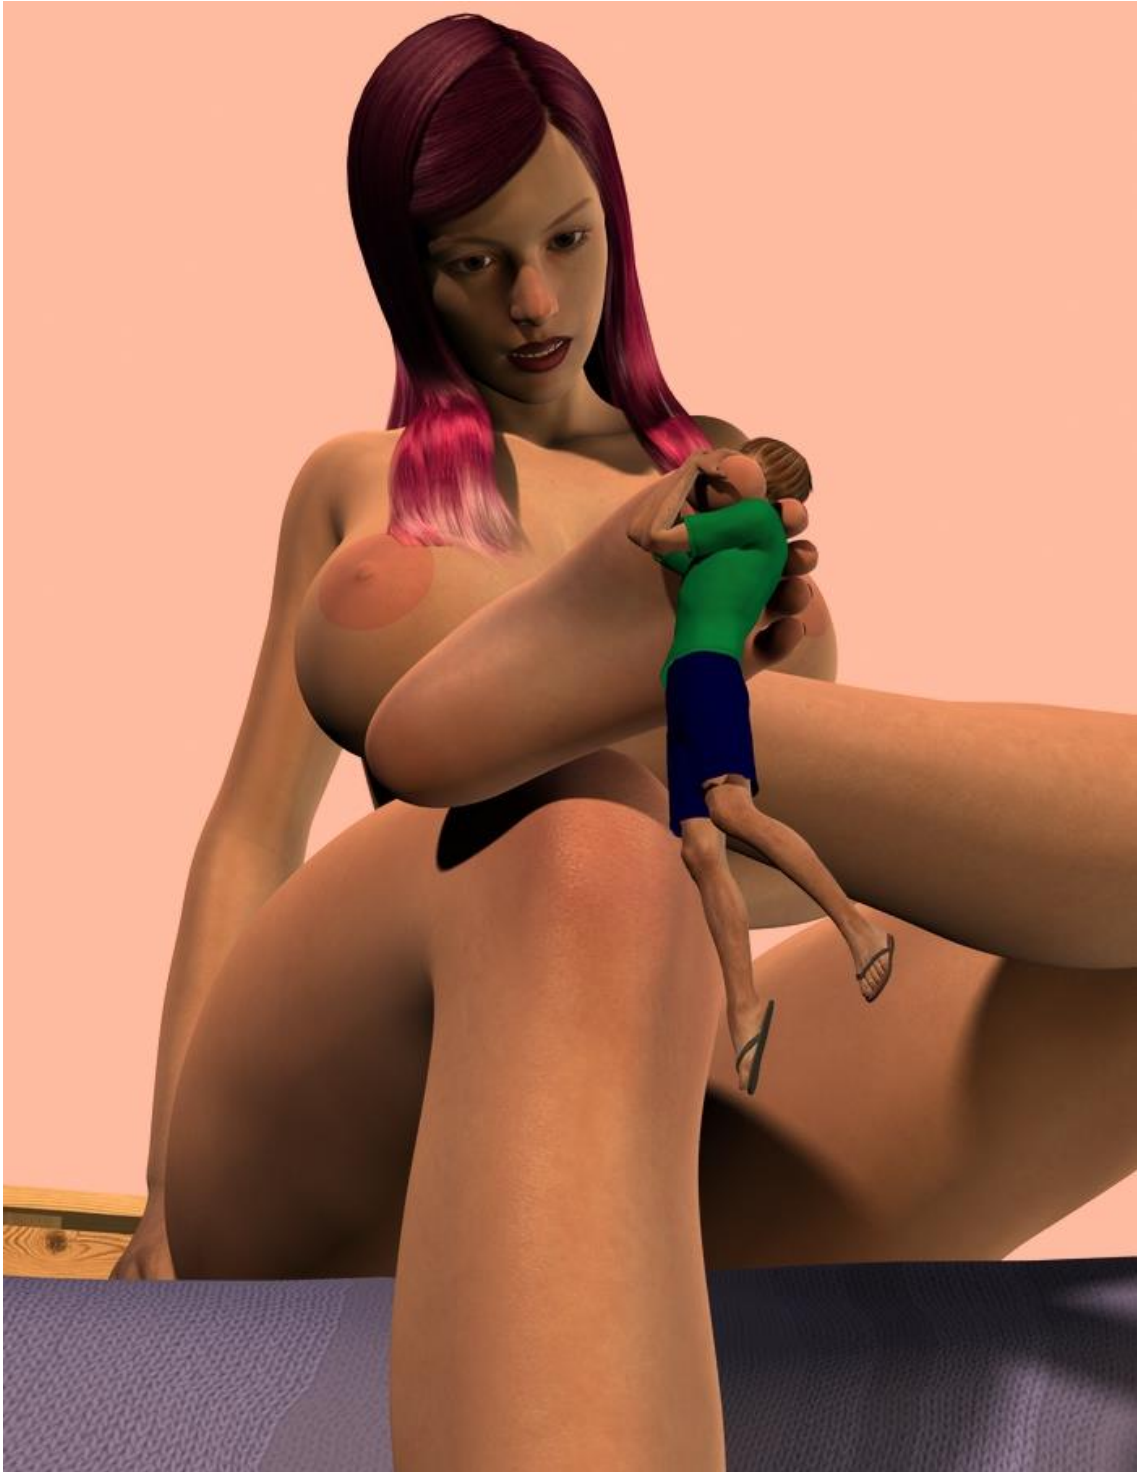

"I don't wanna fall from here!" he cried, realizing how far he was from the floor.

**She crossed her legs and looked at him thoughtfully.
“Well, have you learned the lesson, little one?” she
asked.**

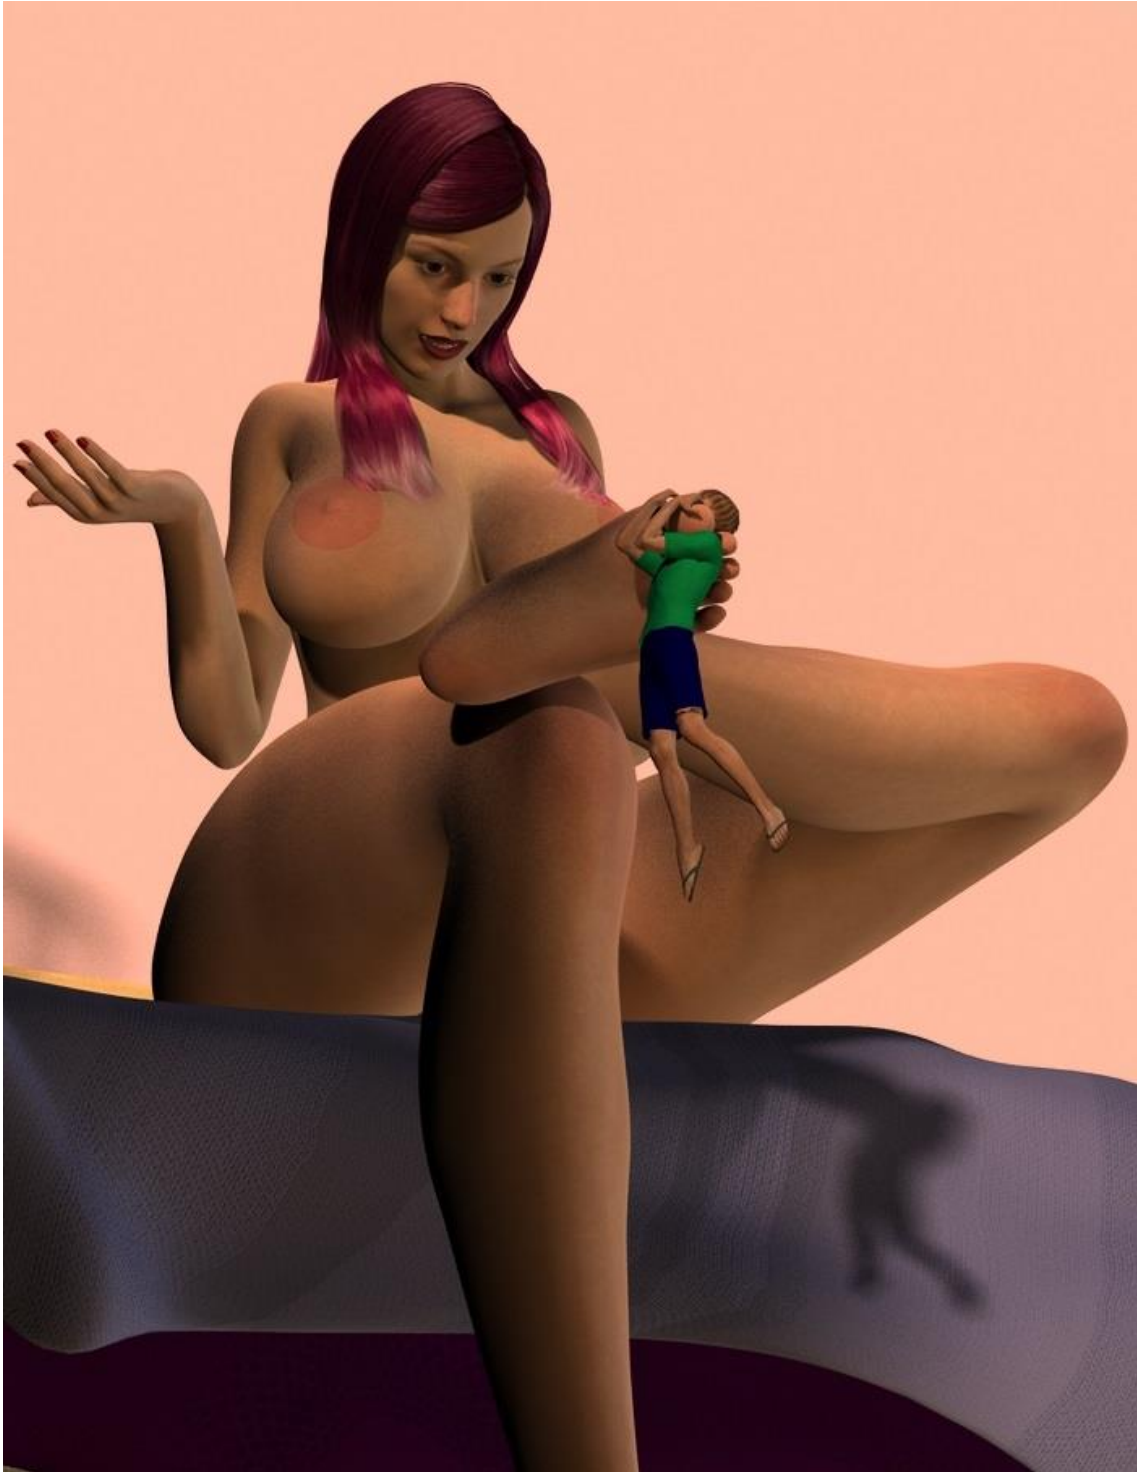

"Y-yes!! I swear!" he shouted desperately.

"You should feel ashamed, Corey... My mother and your father are dating..." she reminded him.

"I- I know, but... I just couldn't help it! Y- You are, like a Goddess to me, Nadia... You... You can't understand how it feels for an insignificant guy like me to be live with a woman like you..."

Oh, I see... You can't help it... Poor little thing... Then maybe I should do something to make you remember why you shouldn't do this again...

"Please, n-no more punishment, Nadia! I've really learnt the lesson"

Nah, this is something different...

"W-What do you mean?" inquired Corey with curiosity.

"Since you like my body so much...

"You'll be attached to it till you get tired" she said, trapping in a side of her panties "Maybe you should remain here for a couple of hours, that will cure your addiction..."
