That day Doug walked into a bar to wait for Lucy. Little did he know that a simple date, just like dozens he had had before, was the beginning of his hottest and though most humiliating adventure.

**"Hi, what can I get you, sir?" Asked the waitress behind the bar.**

"I'm waiting for my girlfriend, but it seems that she is not here yet. If you don't mind, I'll wait for her before ordering"

**"Ok, I'll ask you again when your girlfriend gets here" she said with a smile.**

All of a sudden, brisk steps were heard in the bar, the clicking of a pair of high heeled boots announced the arrival of an outstanding woman.

Doug turned around and his eyes were filled with the imposing body of the lady: He had never seen such a tall person in his life, specially a female. Her height was beyond believe.

"Hi Jenny! How are you?" the newcomer said.

"Hi Selena! Wow! Why are you so elegant? Sure you're not wearing that for me" answered Jenny, the waitress, giggling.

"Unfortunately, I know I have no chance with you, beautiful" joked Selena in a warm, confident voice"

Doug couldn't keep his eyes off her. Not only she was a towering Giantess, but she was also amazingly pretty.

Her body was perfectly built: her legs long and toned, clad in those sexy knee-boots and pantyhose. Her waist was narrow, her hips were wide enough to give her an hourglass figure and her bottom was perfectly rounded.

Also, realizing that he barely came up to that perfect butt made him feel extremely aroused and pathetically inferior at the same time. It was emasculating, feeling so small next to a girl, but also so hot.

"Selena, are you wearing heels?" inquired Jenny "Don't you want to leave some hope to us mortals?" she joked, jealous of Selena's height.

"Haha! An amazon never feels tall enough, cutie" Answered Selena, smiling down at her.

Doug kept looking at her as if she were a skyscraper, everything about that woman was fascinating: Her beauty, her addictive perfume, her melodic voice, and above all that powerful presence and intimidating size.

**"Well, it seems you have already an admirer here" said Jenny, looking at Doug and giggling "This little gentleman can't stop staring at you, girl"**

"Whoops! I didn't even realize that he was here!" said Selena, noticing Doug's insignificant presence.

"What?! N-no! I wasn't staring at her! I- I mean, I was, but... without bad intentions!" Doug explained, having been caught red-handed.

"Don't worry, little one... I don't think you could ever represent a threat" said Selena, patronizingly, looking at him from her towering height, as Jenny giggled childishly.

"I-I'm sorry... I was just impressed by your height" he apologized.

"Really? You are the first one who tells me..." Selena retorted sarcastically

"Well, yeah... I guess I'm not very original" he replied meekly "Can I buy you a drink to show my good intentions? M-My name is Doug, by the way..."

"Awww, you are so cute, little Doug, it's so sweet to see you try..." she answered, obviously knowing how desperately he desired her, just by looking down at him "Why don't we skip the drink part and instead we start making out?" she teased.

"Oh! D-do you mean...? Really?!" he stuttered nervously "I just thought I d-didn't stand a chance!"

Selena looked down at him in silent for a few seconds, making him more nervous.

Doug knew he was just a little wimp standing in front of a GODDESS, but he really wanted to believe that she could like him.

*"Why ever not? You are such a specimen of masculinity and strength" she added, while Jenny laughed without even trying to hide it.*

*"A-are you m-making fun of me?" asked Doug shyly, with a weak trembling voice.*

"Just a bit" she said. "Don't you think I would be a little bit out of your league, shorty?"

"Well, y-yes..." he admitted "B-but..."

"Anyways, it's not even the case, because I'm not into men at all"

"Y-you mean you are... into w-women?"

"Definitely. You are out of luck, tiny"

**"Come on Selena, stop teasing him, he is not really hitting on you" Jenny explained "He told me he is here to meet his girlfriend"**

**"Oh! Then I guess he was just being nice to me..." said Selena.**

"So you have a girlfriend, hmm?" asked Selena "Is she ok with you chatting up other women?"

"Well, s-she is not really m-my girlfriend! We are in a kind of an open relationship" answered him, still believing he could have a chance with that Goddess.

Doug knew that Selena had said that she was a lesbian, but he was just too excited to use his brain properly.

"Oh, then maybe I should meet her" she joked "I'm not interested in you, but I might be interested in her"

"M-maybe the three of us c-could do something together" Doug proposed sincerely.

"As I told you, I'm not into miniature men like you, sweetie. Only girls..." she said, ruffling his hair as if he was a puppy "I know it must be frustrating, but you must accept that I won't have sex with you".

The way she belittled him, making him feel so inferior, was turning him on. He desired her more and more every second.

"W-well, it doesn't have to be s-sex... J-just being close to you, or pleasing you in any way would be amazing" he begged with a weak voice, looking up at her with lust.

"Really? Then maybe you could be my little servant" she said, sitting and crossing her long legs, still towering over him "It would be funny, having a male servant who can hardly reach my butt"

"Your s-servant?" he asked, feeling his heart beating faster with excitement "I... I would really like that!"

"Great... But I won't pay you" she said, giggling "The pleasure of being my little slave would be your payment"

"O-Of course! I... I wouldn't ask for money!" he said immediately "I'll work for free!"

"Awww... you are so submissive, even for a man..." she pitied him, rubbing his head with her long fingers "I don't wanna take advantage of my power, maybe I should give you something for your services..."

"Well... May... M-May I ask for something?" he stuttered, extremely turned on.

"Sure, just ask, shrimp"

"Could you let me at least... k-kiss your feet and... y-your legs, from time to time?"

"My feet and my legs?" she said, laughing, and holding his chin to make him look into her hypnotic eyes "You are a tiny little pervert, aren't you? Your girlfriend would get mad if she found out"

"Please, d-don't tell her" he begged, turned on by the touch of her soft hand on his face.

"My legs are taller than your puny body, do you like that, shrimp?" she asked mischievously.

"Y-yes... I love it..." he confessed.

"Does your girlfriend have long legs like mine, Doug?" Selena asked.

"N-No..." he admitted "Lucy is very petite"

"Mmmm... A tiny woman! She must be cute, I want to meet this Lucy" she laughed "But I don't think I can let you kiss my legs for the moment... You don't deserve that honour yet"

"P- Please... just once" he begged, completely hypnotized by those toned thighs, forgetting that he was in the middle of a bar, as he touched the soft material of her silky pantyhose.

"I said no, little midget" she said.

Unfortunately for him, Doug could not resist. Having those endless legs in front of him was too much for him, so he surrendered to his lower instincts and started kissing her knee.

"Hey! What are you doing?" she protested.

"Oh my God! Stop drooling on my leg, shrimp!" She commanded, while Doug kept kissing her.

"Enough!" said Selena, standing to her intimidating height.

Suddenly, Doug woke from his trance, realizing that he had committed the mistake of annoying someone twice his height. He immediately covered and started shaking pathetically.

"I- I'm so sorry" he stuttered, scared "I r-really couldn't resist! I don't know what happened to me!"

"I'm tired of little pervs who can't control themselves" she said, walking towards him and forcing him to step back submissively.

"Please! A-Selena! Don't hurt me!"

Then, Selena placed her huge hand on his belly. Before he could even react, she suddenly...

... lifted him up above her head, as if he weighed less than a feather.

"I hope you enjoyed doing that, because it's the last thing you are going to enjoy" she threatened him.

"P-Please, put me down! I won't do it again, I swear!" he implored.

"No. I think you haven't learned the lesson..."

After hearing those words, Doug felt a tingling sensation all over his body. He didn't know what that was, but then he suddenly started...

SHRINKING!

His body, already absurdly small compared to the Giantess's, now was even more so. If before he was as big as a toddler to her, now he looked like a puppet in her hand.

"W-What... What have you done to me?!" he squeaked, frightened by the height, while she was holding him as if he was a toy.

"I've shrunken you" she said "Maybe this will show you your place, bug..."

"B-but, how have you done that?" he asked "Are you a witch or something?"

"It's a special power that I possess" she explained "I can absorb energy and mass from other people and use it to grow bigger or stronger".

"That... That's amazing! You are practically a GODDESS!" he exclaimed.

"Flattering me won't work!" she warned "I should crush you like a bug, but I'll be merciful this time..."

"I'll leave you here so can think about what you've done"

"But... Y-you can't leave me with this size!" he protested "Please Selena! I'm begging you! Turn me back!"

"You'll go back to your normal size in a few minutes, if you call that a normal size" she laughed. "This has been just a warning, insect. If you wanna be my servant you will obey everything I say"

"B-But my girlfriend is about to turn up, I don't want her to see me like this! I am a man you know! I n-need the respect I'm entitled to"

"Respect? Do you respect your girlfriend? You were hitting on me, so it does not seem likely to me! Maybe you deserve to be seen like this, like the worm you are"

"Wait! Please! W-what if I fall? What if a cat gets me?"

*She just walked away, offering the tiny man the awe-inspiring vision of her perfect gigantic body, swaying her hips from side to side.*

While he was still thinking at the intense emotions of the day, Doug felt a strange tingling in his body...

...and he noticed that the mammoth things around him started going back to a more normal size...

...and he felt strength running back into his veins...

...until he realized he was back to his size, which now that Selena wasn't there, seemed perfectly acceptable for a man of his age.

He silently thanked God for the timely occurrence, as he saw his girlfriend, Lucy, entering the bar and walking towards him.

"Doug! Why are you sitting on the counter?" asked Lucy.

Lucy was a beautiful girl, but she was tiny. She wasn't as intimidating and powerful as Selena, but at least Doug could feel confident and masculine around her.

"Hi doll, long story. Aren't you pretty today?"

"Yes, I'm wearing this dress that you bought me! I know how much you like it!" she answered smiling.

"Did I buy this? Well, it looks pretty on you, the more you show the happier I am, as long as it's clear that you belong to me" said Doug, starting to feel again at ease, big and powerful, after the humiliation suffered at the hands of Selena.

"Of course, I'm yours! Whose else could I be?" she replied gazing ecstatically into his eyes.

"Come here, baby" he said, pulling her towards his body, firmly.

As he kissed her, he could feel his dominance and control coming back.

That feeling, though, was not there to last, as he glimpsed a huge human figure approaching them.

It was a muscular, tall man whose confidence was tangible as he came closer to the couple. Lucy however hadn't seen him and looked puzzled at Doug, gaping at the intimidating vision.

Lucy however hadn't seen him and looked puzzled at Doug, gaping at the intimidating vision.

The guy put his heavy hand on Lucy's shoulder and blurted with a booming voice.

"Hey babe, what are you doing here with this loser?"

As Doug was too flabbergasted to say a word, Lucy was left to fend for herself.

"E-Excuse me, sir, w-who are you?" she stuttered nervously.

"I'm the one who's gonna give you some fun today! Haha" laughed the man, placing his large hands on Lucy's breasts, finally causing Doug to react.

"Hey! That's not cool" protested Doug, too scared to even move.

The guy, however, had no intention to stop.

"Shut up, wimp.... The little beauty is mine..."

"Did you have anything to say about it, chicken?"

"P-Please, s-sir..." begged Doug, shaking.

"Put your hands off me!" Lucy shrieked

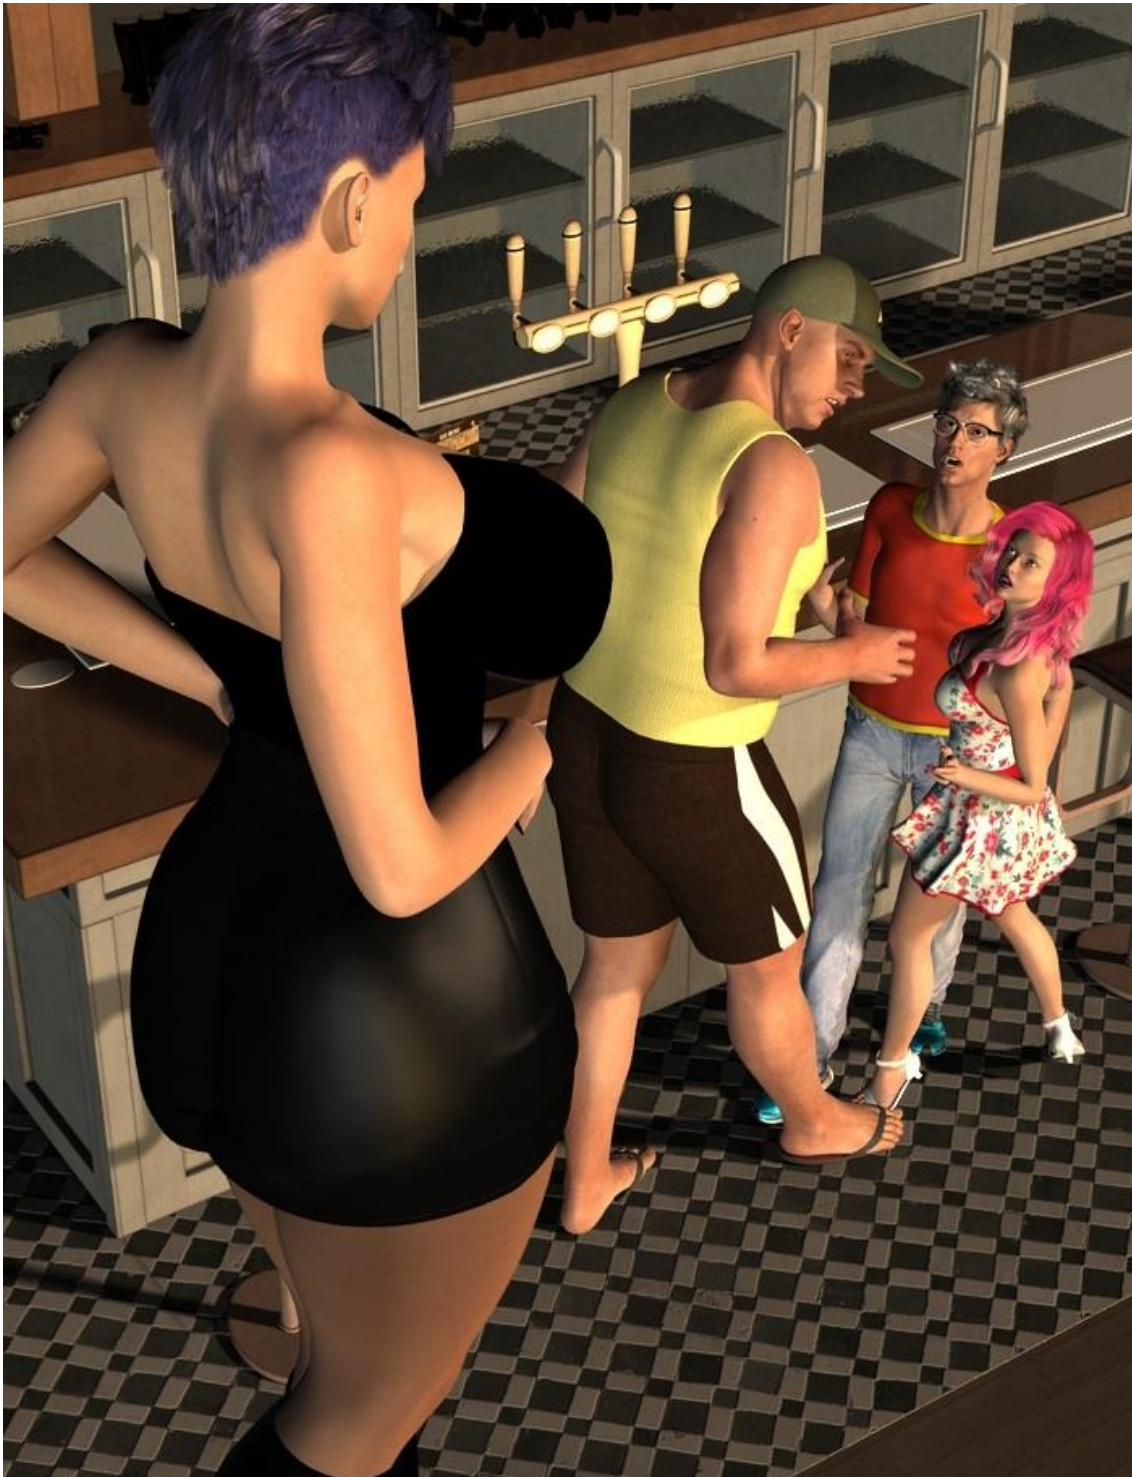

Lucy escaped his grip and ran towards her boyfriend and supposed savior.

"P-please go! We don't want any trouble" Doug pleaded.

"And what if I don't? What are you gonna do? Stop me? Haha"

Providentially, though, the sharp clicking of giant boots was heard, and the astonishing figure of Selena appeared in the room.

"Hi guys, is there a problem?" she inquired.

***PART***

She placed her hand on the abuser's shoulder, who looked up to size up the newcomer.

He could not believe his eyes, and immediately lost his confidence. He was clearly shocked by her size. Not used to being the smaller one (and much less in front of a woman), he felt humiliatingly dwarfed and threatened in his masculinity.

Then he turned to her defensively, raising his fists.

"What do you think you are doing? You don't scare me!" he said with a trembling voice, as she looked down at him from her towering height.

Despite these last words, he looked extremely upset, and even more so when, ever so casually, Selena asked him to apologize.

"Say sorry to the girl, NOW" she commanded, sternly but serenely.

W-What? You can't tell me what to do, woman!

"I said: apologize" she repeated as cool as a cucumber, while placing her colossal hand on his head and grabbing his arm in a steel grip.

"Y-you might be taller... m-much taller, but you are still a woman!" he said, trying to convince himself that he was still the stronger person in the room.

"Yes, I'm a woman... And that's why I'm superior to you, idiot. Now you'll kneel down, and you'll say that you are a pathetic worm"

"I w-won't do that!" he said.

"If you don't obey I'll break you as if you were a ragdoll" she said, increasing the pressure on his wrist "

"Oh G-God!!!" he said, feeling that she was really strong enough to crush his bones.

"It's GODDESS for you" she corrected him "Now, get on your knees"

"Ok! S-stop! G-GODDESS! I'll kneel!" he said submissively.

"Faster!" she said, pushing his head down, and forcing him to bend his knees "I'm a busy woman, don't waste my time"

"P-lease don't hurt me!" he said, almost crying as he knelt.

"Now say that you are a pathetic worm"

"P-Please, don't make me say that"

"Why not? Does it hurt your little male pride?"

"Y-yes, it... it does" he answered feebly.

"Maybe I should make you the size of a real worm so you'll feel like one. That would help"

"T-The size of a worm? What do you mean?!" he asked, scared and confused.

And, all of a sudden, that man also experienced the tingly experience that Doug had had before shrinking... and his body magically started diminishing. "What's happening to me?!" he cried out.

"I'm just turning you into what you deserve to be, insect..." she explained

"Please! Stop! I beg you!!!"

That guy couldn't believe what he was seeing. He was so small that Selena could step on him and crush him easily.

"Say it" she insisted.

"I'm a pathetic worm!" I'm s-sorry!" he shouted, expecting the towering Goddess to hear his little squeaky voice from her unbelievable height.

"See? It was easy... You just needed to accept what you are.

"Now say sorry to the girl, and after that I'll end your miserable life"

"W-What?! No, please! Forgive me!"

"Are you telling me what to do, worm?"

"Y-yes... I mean... N-No! I... I don't know! Just... let me live, please! I'm begging!"

"You seem confused... Your tiny male brain can't understand a simple order?"

"Y.Yes! I'll obey all your orders! But don't crush me" he cried.

"Why not? I'm bored and crushing a jerk under my sole seems a fun thing to do" she said lifting her boot over his head.

"NOOOOOO!!!!!" he screamed.

"P-Please! I'll do anything you want, I'm s-so sorry!" he begged, desperately.

"Ok, it's fine... you have my permission to live for this time... I guess I'm a merciful Goddess; but next time you'll end up like a little stain on the sole of my boot. Now say sorry to the girl and go"

"I'm sorry, please forgive me, lady" he apologized to Lucy, who looked down at him, enjoying his humiliation.

"You are a horrible man! Go away!" she scolded him, angrily.

"You've heard the little lady, go away before I change my mind and I step on you! You have THREE seconds to get out of my sight" said Selena "One....."

"Two..." she continued.

Lucy was astonished, not being able to believe her own eyes, as the miniaturized man ran away from them.

"Thanks for saving us!! I- I really thought that guy was going to hurt us! We can't thank you enough for this!" said Lucy, looking up at Selena in admiration.

*"It's fine, little one... Girls must help each other. I know how it feels being bothered by a disgusting pervert"*

"You do? Well, but you are not as vulnerable as we are! I mean, you are a GIANTESS compared to us! And also... y-you SHRANK that guy somehow! How did you do that?!" asked Lucy, unable to conceal her excitement for the presence of the impressive amazon.

"It's just a special talent of mine... All the women of my family have it" she explained.

"Really? It's AMAZING! I wish I was as powerful as you!"

"Well, you might not be physically powerful, but you are so cute that you make people feel like protecting you, little Lucy" Selena said, sweetly.

"Hey! How do you know my name?! Do you have the power to read my mind too?!" she asked, in amazement.

"I wish I had THAT power; but no. I just met your tiny boyfriend before. Right, little Dougy?"

"Y-yes... we met before" he admitted nervously, blushing, and hoping Selena would not tell Lucy about how he acted like a pervert with her.

"Oh! What's your name by the way?" Lucy asked, admiring Selena and ignoring Doug..

"I'm Selena, and I'm VERY pleased to meet you"

"Selena, I can't believe how tall you are! Your leg is bigger than my whole body!" exclaimed Lucy, hugging Selena's toned thigh.

"You seem to like that a lot, little doll" giggled Selena.

"Of course, I like it! We were so scared of that guy, but you could have just crushed him like an ant!

I- I wasn't that scared, j-just a bit nervous!" said Doug, defending his hurt masculine pride, and being ignored by the girls.

"Lucy, you could have crushed him too, sweetie... After I shrunk him! Haha!" pointed out Selena.

"But I can't shrink people! You are the only person I know who can do this! And what is even weirder, is that you are the last person who would need to go shrinking people! I mean, look at your size!!!"

"Your boots are as tall as my waist! This looks so unreal!"

"Lucy, that's also because you are very short, babe" explained Doug.

"Doug, you are super small too, compared to her! Why don't you stand by her side?" Lucy asked, mischievously

"I- I don't think it's necessary, Lucy... I m-mean, we know she is very tall" faltered Doug, shocked by Lucy's gumption.

"Come on, Dougy... Do as she says" Selena commanded "She just wants to have some fun after a bad experience"

"I r-really don't see the point of this silly comparison..." Doug hesitated.

"Just come here. You obviously can't protect her, but at least you can entertain her. Don't you think?" teased Selena, in a mesmerizing tone

"O- Ok" responded Doug mechanically, still in awe of the giantess.

Obviously, Doug didn't feel very confident in front of her. He had acted like a pervert before, and he had acted like a coward with that huge guy, So he decided to obey, and let Lucy laugh at his tiny size.

"Oh my God! You don't even come up to her hips!! I never realized that you were so little" Lucy exclaimed, raptured.

"I'm not little, Lucy! She is a Giantess!" protested Doug

"You are right, Lucy. He really is little... Wanna see him from up here?"

"Yes! I'd love to" she answered eagerly.

"W-what do you mean?"

"Come here little doll" said Selena, enfolding her long hands around Lucy's tiny waist and lifting her up in the air.

"Wow! I'm so light for you!" uttered Lucy, ecstatic.

Doug looked at them, unable to react, as Selena took his little girlfriend, just as if she belonged to her.

"Your breast is bigger than my head!" blurted out Lucy, mesmerized.

"You are so funny, everything about my body impresses you" noticed Selena with interest.

"I've never met a giantess before! It's amazing! I feel sooo small right now! So petite!" trying to surround one of Selena's gigantic boobs with her arms.

"Well, of you wanted to be my little doll, you'll get to know my body very well..." Selena hinted.

"Lucy, w-what are you doing?" uttered Doug, aghast.

"Really? Your.... Little doll?" whispered Lucy, obviously horny

"Yes, my cute little doll..." answered Selena, with her seductive voice, while her gigantic mouth moved towards Lucy's "I'll have the right to play with you. In exchange I'll protect you.

"I feel so protected in your arms" Lucy confessed "I w-want to be your doll"

Selena kissed her tenderly but passionately, and Lucy was swept off her feet in a sudden erotic impulse.

How could Lucy say "no" to such an offer? That towering Goddess would protect her from any pervert who dare to bother her. Selena clearly had the power to humiliate any man, and Lucy would receive that protection just by accepting to be Selena's favorite toy.

"Er... excuse me... I-I'm down here!" interrupted Doug, feeling ignored, excited but emasculated at the same time.

He felt he should protest. After all, his girlfriend was kissing another woman in front of him; but he also felt he didn't have any right to complain. How could he act like a jealous, dominant boyfriend? After having begged Selena to be her slave? After cowering pathetically in front of that big guy?

Lucy showed no sign of hearing him, and the girls kept making out passionately.

Doug just waited patiently while Selena kept having fun for a few minutes.

The kiss continued until Selena withdrew her soft lips from Lucy's.

"Lucy, how can you do this to me?!" protested Doug shyly, standing on his tiptoes.

"I'm sorry Doug, I... I really couldn't resist!" she apologized, quite perfunctorily.

"Sorry shrimp. Lucy feels attracted to power, as many other girls. And a helpless minuscule male like you can't give her that... I think I'll take her to my home right now to have some fun with her"

"What?! L-Lucy!! Is that true?! You prefer her?!"

"I'm so sorry, Doug... I don't want to hurt you, but I don't know what has come over me!" Lucy tried to explain

"Well, don't worry little man, you can always be our tiny pet. I'm sure you can make us laugh a lot!" reassured Selena, nonchalantly, knowing that was what Doug wanted.

"B-but... this is not fair!" uttered Doug "I was h-her boyfriend and now I'm just a pet?"

"Oh, poor baby! Life is unfair, it's the survival of the fittest! And the biggest!" Selena mocked him, ruffling his hair.

Doug knew that Selena could turn him into a microbe whenever she wanted. Also, deep inside, he wanted to be her little property too. So, he let her make fun of him and accepted the new situation.

"Are you comfortable in my arms, cutie?"

"I-I am, ma'am" replied Lucy mechanically, lost in Selena's eyes, feeling her strong thighs underneath her.

Doug just looked at them lost for words.

"Don't worry, my little fairy...nobody is gonna harm you here. You are safe" Selena reassured her.

"I- I know, ma'am" was Lucy's reply.

Doug was about to say something when they hear steps approaching.

Jenny appeared from the kitchen.

"Sorry guys, but it's late and we have to close" she said, apologetically.

Doug looked up at Jenny. The fact that even she was clearly taller than him only made him feel more insignificant.

*"It's ok Jenny, you go. I'll lock everything up, thank you. You are efficient as usual. I'll see you tomorrow"*

**"As you want, boss. I'll see you tomorrow at the morning shift" Jenny replied and left.**

"Boss?" Are you the owner of this place?" asked Lucy, surprised.

"I own many things, including YOU now, tiny princess. And your boyfriend offered to be my slave earlier, before you came here, so I guess I own him too" laughed Selena.

"Doug! Really?! You did that? I was feeling bad for you, but I can see that you are no better than the other boys..."

"L-Lucy! It's not what you think! That's not exactly how it happened!" protested Doug.

"Oh really? So you didn't say you wanted to kiss my legs and my feet, little runt?" mocked Selena

Then she suddenly stretched out her leg before Doug.

"What if I give you the chance to do it now? Would you refuse, shrimp?"

"Oh G-God" he could only reply, hypnotized.

"Take off my boot, slave. I want Lucy to see how desperate to please me you are"

Doug silently obeyed, embracing the Giantess's perfect calf and gently starting to slip the boots out of her leg.

With a gentle tug he took off Selena's gigantic boot, before her amused look and Lucy's flabbergasted one.

"Well done, slave. Now you can proceed to take off your clothes"  
Selena commanded sternly.

"He really does everything you say... He would never take even the slightest request from me!" remarked Lucy.

"Of course, my little fairy... Now he'll do everything we want him to" reassured Selena.

Doug stood before her, trembling humiliated.

"Wow, look at your sexy body... So masculine! My little Lucy, would you like to play with him?"

"What do you mean?" asked Lucy, in disbelief.

Selena pointed a finger at him and he started shrinking down.

"Oh G-God! Not again!" said Doug, feeling how his body started losing height. The sensation was really scary, he could actually feel how his strength diminished.

"Wow!" exclaimed Lucy, amazed by Selena's supernatural talent.

He kept shrinking before Lucy's astonished eyes, turning into a toy-sized man.

"He is minuscule now. If I had your power all men would respect me"

"If you are an obedient girl, I can shrink many men for you, sweetie"

"Come and start worshipping me, smurf!" mocked Selena

"Yes Goddess!" obeyed Doug, running to hug Selena's beautiful ankle.

*"I don't know if I'm more surprised by his change in size or in personality"* noticed Lucy.

*"Little Lucy, every man deep inside wants to be a toy to a beautiful woman. Now, I want you to make sure that you TOO are my toy. My favorite one, but still a toy. I want you to take off your pretty dress"* she added, sternly.

"But Selena, I thought..." started protesting Lucy; then she looked into her eyes and she obliged, getting rid of her flowery garment in a second.

"Lucy, you look s-so amazing now!" said Doug, for the first time acknowledging Lucy's superiority "So tall!"

"I feel like a Giantess next to you" she said, looking down at him" said Lucy to his lover, now the size of a doll.

"Maybe you'll take me more seriously now that I'm twice your height... shrimp" she said, with confidence, enjoying for the first time the idea of being physically superior to an adult man.

"Of... Of course.... You look like a Goddess to me now!" he confirmed hastily.

"Don't forget who your owner is, little bug. She is your superior, but I'm the Goddess here" said Selena, trapping him between her sexy feet.

"Of c-course" said Doug.

Then she kept shrinking him, as she rubbed the soft material of her stockings against her frail little body.

"A-Are you shrinking me again, Goddess?" he stuttered nervously.

"Yes, I wanna turn you into an insect" she laughed.

"B-but... I'm scared! If you make me too small I..."

"Shut up, ant!" said Selena, pressing her toes against his face, interrupting his weak voice "I'll shrink you as much as I want, now sit on the floor and start working on my feet"

"This is so funny! He doesn't even come up to my knees" Lucy laughed.

Doug obeyed Selena submissively. He felt his place was that

Selena kept rubbing the soft soles of her feet against Doug's insignificant body as he massaged them and kissed them in adoration.

"Good boy, keep working. This will be your main job from now on" Selena explained.

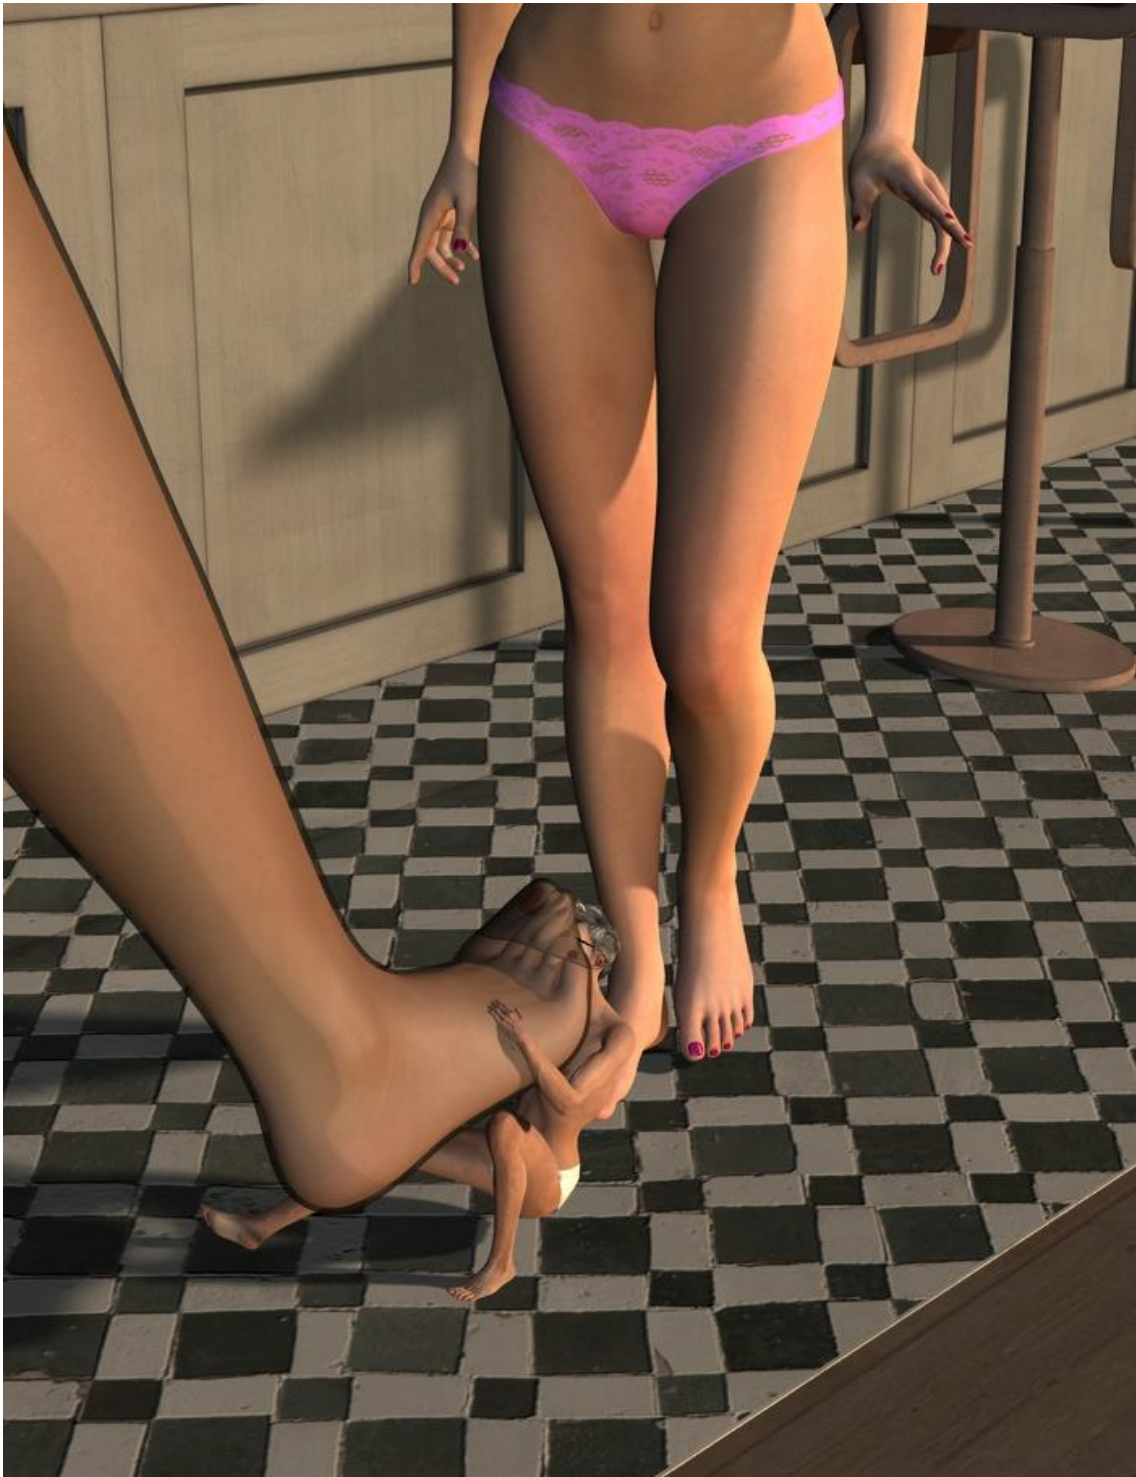

Lucy was curious. She wanted to experience that kind of power over a man. Always having been shy and tiny, she really didn't know how it felt being a Goddess.

"Lucy, do you wanna play with our toy too?"

"May I?" she asked, approaching them.

"Sure, as long as you ask for permission, you can always toy with him, sweetie... I'm sure he'll be happy to serve another Goddess."
