I want to join in!
Me too, please!
Fuck! I can't decide if I'd prefer to be fucked by him or fuck her!
Can I join?
Oh, fuck. Carin! I love you so much!

Beatrix's wish to have "the biggest boobs in the room" leads to quite the mammary, especially from our shrunken girl Katarina's perspective!
Don't you think you overdid it a little with that wish?

Yes, Mistress Yvonne. The living room has been prepared for an orgy.
Oh, goddess! I want to fuck her too!

But don't you worry, cause I think sharing this power with you girls... is an intriguing idea.
Though, I'm not stupid. I probably still can't trust all of you. Looking at you, little lady!

Tomorrow we all dress up and have ourselves a little costume party.
And I will prepare a little party game for all of us.

Once upon a time, a young man found an amulet…

Window Wishing V
Costume Party Arc I

Previously on Window Wishing we have seen Erik swoon four girls at the speed dating event thanks to the wish-granting powers of the amulet. Erik brings them home to his awesome new mansion where Carin and Yvonne are already waiting for him with the new maid Jana.

But once they‘ve arrived they can‘t believe their eyes as Erik and the new girls set their sights on Carin and her magically alluring body. Can Erik withstand her allure? Or will he fall to the powers he himself put in place? Will one or more of the girls get their hands on the amulet? Or will Erik stay on top of it?

Thanks to one more wish, costumes are prepared for everyone and the girls eagerly dress up for the party the next day…

The girls came up with the idea of presenting their costumes to Erik one after another while walking down the staircase... and who is Erik to say no to that ☺.
Alright, girls. I'm ready.

Hippity Hopp.
Everybody drop when this bunny takes up shop.
Every party needs a sexy bunny girl, don't you agree Erik?

I'm Cara!
Cara Loft, and tonight you can raid my tomb!

Wha do you think, Erik? Too authentic?
You like it? I'm glad! I always play an archer in the games I play!
Heya!

Let this bad girl here steal your heart tonight.
I hope you like it. My... tits wobble quite a bit in this spandex...

Hold it right there, burglar girl!
I will not let you break the law. His love belongs to all of us!

Hiii Erik!
Could you give me some tutoring?

I think some detention is in order!
Maybe some spanking!
Who's been a bad little schoolgirl?

I hope he likes my pigtails.
I should have worn a bra under this...
Wow! You girls all look lovely!
And as promised I will share my powers with you today!
See that amulet around my neck?

Cast of Characters:

Erik … A young guy with a boring job

Yvonne … A strong independent business women living across the street, now Erik‘s devoted girlfriend

Carin … Erik‘s feisty neighbor, now his devoted girlfriend

Beatrix … hostess of the speed dating event

Cheryl … girl at the speed dating. She was a bit insecure cause guys always stare at her huge knockers! But now she loves them as she can please her new found lover Erik.

Melinda … Previously shy and insecure, she has now a stunning body thanks to Erik‘s wishes. She knows about the amulet‘s powers!

Katarina … Previously a tall self-assured businesswoman – now shrunk to half her size. While forced to love Erik, she is still kinda pissed about the situation. She knows about Erik‘s wishing powers.

Jana … 18-year-old girl who applyed for a house-keeping job, now the live-in-maid

Nicole … The major in town.

I wish you girls could only wish for stuff I approve with.
And I wish for everyone in here to notice the changes our wishes bring.
Did you just see it glow? That means a wish has been granted.
This amulet is the source of my power.
Bla-bla. Give me that thing already!
So that's why that wish did not go through...

Let's pass this little baby around and have one wish each.
But make it sexy.
Gimme!
Is that really real? I don't think he changed me...
POLICE

Beatrix.
Why don't you start?
Thanks.
I still can't believe it.
I can wish for anything I want?
As long as I think it's hot, yeah!

Well...
I have to admit... I'm a bit intimidated by all these big breasts around here...
And this costume could use a little bit more up top...
So... I wish I had the biggest set of boobs of all the girls in here!

Woah!
You sure? Yvonne got some serious knockers! That will be a huge change!
Nice one!

Positive.
I want to go big.
Oh, wow!

But in a good kinda way!

Woah.

Tsk!
You think those big knockers make you special?
You probably can't even see your toes anymore!

Well... to tell you the truth little one, I even have trouble seeing you down there.
Ha-ha! Very funny! Give me that amulet, Boob Bunny!
I'm gonna show you how a real wish looks like!

Previously on Window Wishing...
Err... guys? Are you okay?

She does look good... But I would not want to carry that kind a weight!
Thanks!
I think you look great, Beatrix.

Carin... I wish you were a girl of color!

Oh, my!

I think it's working!
My skin kinda tingles!

How do I look?
Well... You are still enchanted by the amulet to be irresitibel. So, to us, you are the hottest human walking the earth either way...
But objectivly speaking, your blonde hair looks a bit out of place with your new look.

Well, let's amend that. I wish I had black curly hair!
