This comic is a collaboration between **3D-Swede** and myself. I‘ve commissioned 3D-Swede to create the renders for this comic, while I‘ve provided the script and added the text. I‘ve also bought the rights to sell the finished piece from 3D-Swede. Note that the base idea for the script was derived from my Patrons who could put options to vote and the most voted options were turned into this script.

Once upon a time, a young man found an amulet…

Window Wishing VI
Costume Party Arc II

Previously on Window Wishing we saw how Erik and his girls started a costume party at home. During said party, the girls are allowed to use the wishing amulet, but only for wishes Erik approves of. We‘ve gone through several sexy changes and it‘s just about to get even hotter as Erik‘s new neighbor, the city‘s mayor, joins the party, dressed as a slutty nurse. How will the wish frenzy continue? ☺

Cast of Characters:

Erik … A young guy with a boring job

Yvonne … A strong independent business women living across the street, now Erik‘s devoted girlfriend

Carin … Erik‘s feisty neighbor, now his devoted girlfriend

Beatrix … hostess of the speed dating event

Cheryl … girl at the speed dating. She was a bit insecure cause guys always stare at her huge knockers! But now she loves them as she can please her new found lover Erik.

Melinda … Previously shy and insecure, she has now a stunning body thanks to Erik‘s wishes. She knows about the amulet‘s powers!

Katarina … Previously a tall self-assured businesswoman – now shrunk to half her size. While forced to love Erik, she is still kinda pissed about the situation. She knows about Erik‘s wishing powers.

Jana … 18-year-old girl who applyed for a house-keeping job, now the live-in-maid

Nicole … The major in town.

Previously on Window Wishing...
Wow!
This must be an awesome residential area!
Huh...
Why, who is that beauty?
POLICE
You are neighbors with our town's Mayor – my boss – and don't know?!
Really?
You don't know who that is?

I love this wishing magic!
Just been hit by another growth and **devotion** spurt!
Yes, Master! I **wish** she was about to join our party!
Nice!
grow
Cute costume!
POLICE
The End.

Now...
Phew
What a day. I
deserve to relax
a bit now...

Oh! The Party!

Phew. What a day. I hope I'm not too late for my neighbor's costume party.
It's so nice for him to invite me. And I've already got this hot nurse outfit.

Ding
Dong

Heya!
I'm here for the party. Am I too late?
To think she's this town's leader... she looks so slutty! *giggle*
No Madame.
The party is still ongoing, everybody is awaiting you.

Cool costume, by the way. Those ears... they look so realistc!
How did you get them to look like that?
Thanks!
Come in and you'll find out. *chuckle*

We were just playing a wishing game.
You'll love it!
What's a wishing game?

Hello neighbor! Thanks for the invite!
Er... Yes, of course! Welcome to my humble home, mayor.
Hi, boss!

I didn't know you knew my neighbor Katarina.
Also... are you shorter?
It's a long story...
chuckle Please, have a seat. Everybody is waiting to continue the game.

So... we were playing a wishing game before your arrival. You in?
Well... er... how does it work?

It's simple.
Wish for something.
Anything!
As long as Erik thinks it's hot it will come true.
Err...
That's it?

Well, no. You need to hold the amulet while wishing.
Oh, wow! Erik, your place got some really advanced tech!
Is that the new flying Alexa Avatar?
Errr... Alexa, what amulet are we talking about?

I'm no avatar! I'm a fairy!
Here, let me show you by example.
I wish to look like a real elven princess.

Cool, isn't it?
No way...
This is also how I got my ears done.

Darn, that's some pretty awesome quick change!
leaner
Uhh! That tingles. *giggle*
slimmer

How do I look?
Truly beautiful!
I'm always playing an elf in the games I play.
This is a dream come true for me.
I'm so happy that Erik is into elf girls!

That's a real neat trick...
Hey, Cheryl! Bring over the amulet. I'm gonna show our mayor what a real wish looks like.
It's not a trick, I assure you.

That Alexa Avatar sure seems handy!
One amulet coming right up.

Wow!
It's as if you are radiating light. So, hot!
It's the elven skin. We store and reradiate sunlight...
Darn, Jana looks sexy now...

I wish I was wearing something sexier.

Oups!
I guess that was a wish.
giggle

She's so cute!
Well done, little one.
Phew! That thing is heavy!

So...
about that
amulet...
whisper
Nice dress.
But my next wish
will steal all of
Erik's attention!
whisper
You sure?
These boobs look
damn good in my
new dress!

She who laughs last, laughs best.
Why are you looking at me?
POLICE
Now I'm curious.

I wish I had the biggest set of boobs by far of all the girls in here!
POLICE

POLICE
Oh, yeah!

Hey!
You stole
my wish!
POLICE
I see what you
did there. Those
Bazongas are
even bigger than
Beatrix's now!

Impossible!

Holy F!
They really are much bigger than mine!
No way...
Yes way!
Here, catch!

I wish everything at work today had worked out the way I planned it!

Sorry, girl. That's not how it works.
Only sexy wishes today.

Er... I wish for bigger breasts?

Moan

Woah!

This is crazy! These are huge!
Define huge...

grow
This is amazing!
Thanks. You look amazing with... your new assets.
But you were trying to change something about your job? Got troubles there?
Oh, don't get me started.
It's stress incarnate!

grow...
Master would make for a truly benevolent leader!
Urgh! No way.
Everybody wants something from you.
And you try to scrape up budget wherever you can. It's hell!
I can relate... my job was... well it sucked!
But I always thought being in a top leadership position like yours would be a dream come true.
Well... looks like first, we need to help you relax...

Having been hit by another growth spurt Katarina is almost back to her original size, which means her devotion toward Erik is almost maxed out as well due to Melinda's previous wish!
I want to help Master in any way I can!
I know a great way to relax! I **wish** we were having an orgy! That's alright Master, isn't it? You'd like that, right?

And with this simple wish, everybody in that house got horny – feeling eager to take part in an orgy ☺.

May I please you first?
Show me what you can do, little one.

Smoooooch

I'm grinding bing my whole body along your shaft as I massage your tip.
Do you like that, Erik?
grind
rub
rub

While Cheryl's full body cock massage felt amazing, she soon is swatted away by larger girls who want to play with a dick as well...
I can't believe I'm going to participate in an orgy...
1
2 You wanna go?
Hell, no! Whether it's the amulet making me or not I don't know... But I'm looking forward to it!
3
Finally, I can show my Master that I'm his loyal devoted love slave!

Hey, don't forget about the horny fairy!
You look so hot!
Shall we... fuck?

Having satisfied his neighbor, Erik moves on to enjoy some of his other girls. More than willingly Carin climbs on top of his huge cock and starts riding it as Melinda provides two comfy pillows for Erik to lean back into.

Carin looks completely different. It's like I'm fucking her for the first time. And don't get me started on those giant marshmallows behind me. This is heaven!

You like that?
This sister's gonna ride you til you pop if you want.

A little while later with all the girls satisfied, Erik decides it's time for him to blast his load.
Cover us in your load, master!
Give us that cum!
Flying is so much fun.
Are you ready girls?

Splash your mayor with your white sticky love juice!
Let it all out!
Oh, what's going on here?
Do it, master!

Oh-oh!
squirt

Wow! This... actually tastes nice!
It's so much! *giggle*
What a load, Master!
Uff!

drip
drip
drip
That really is a fucking huge load!

Does he always cum this much?
Pretty much, yeah.
A girl could get addicted to it, right?

As the “tall” girls start a discussion about Erik’s white gold, Cheryl starts to shake her body...

Her wings start to vibrate and cum is splashing everywhere... well at least from a fairy's perspective.

Ta-da!
Self-cleaning
fairy magic!

Oh, boy.
This is so much better than my doing my job...
I wish somebody else would do it so I could stay with you guys.

grow
Nicole doesn't like her job... Erik surely would like for her to stay... I've seen how they fuck. *giggle*
Thank you!
I really like your ears, Jana.

Erik is into elves and fairies...
Before today I did not know I was this much into elves and fairies. Ha-ha.
This wishing party was a great idea!
And you, Cheryl. You look so cute!

Having been hit by her final growth and devotion spurt Katarina searches for a way to make all of Erik's desires come true...
Master! Your humble servant has a great idea.
Please let me entertain you with my next wish.

First, I wish that we were all clean again, so we won't dirty our new outfits. *giggle*
Then... I wish for this town to be Master's Elven Kingdom.
I wish for him to rule over it as the fairy king.
And I wish all inhabitants were obedient slutty female elves or fairies worshipping him.

Woah!
That's a lot. Can the amulet really do all that?
Ha-ha!
Good thinking, slave.
I approve!

With those wishes spoken and approved the world around Erik's house changes. And so, do his girls... At least those who do not yet look the part. ☺

Oh, wow!
What's
happening?

giggle
That tingles!

All hail the fairy king!
Guess you don't need a mayor anymore. *giggle*
Wow! Everything seems so big!

Uhh!
I can't wait
to see my
new self!

Somehow I have a bad feeling about this...

Uhh... New clothes!

Cool! Guess I'm a dark elf now. *giggle*
Oh, dear! Should have seen this coming... Just when I had grown back to normal...

You up for this, jumbo-tits?

Oh, I am ready!

Woah!
That really
tingles!

Guess I've got the biggest tits after all.
Not on a relative scale!
You can call me the boob fairy!

All hail the fairy king!
buzz
buzz

chuckle First, I have to inspect my new kingdom!
Any thoughts on what you wanna do first, your highness?
The End.

To be continued

But since she used the wish last hers are much bigger!
These boobies should do for now.
You wanna have the next wish?

Woah!

I'm stacked!

The orgy gets started with a fairy's kiss.
