## Window Wishing VIII Kingdom Journey Arc II

Previously on Window Wishing we saw Veronica and Erik travel the Fairy Kingdom separately. Now in Chapter 8, they both will visit a certain restaurant in town that is famous for its delicious milk. After that, we will follow Veronica to the hotel where she is staying.

The remainder of this teaser is a commercial for visiting fairyland. Enjoy 😊

Welcome to  
Fairyland!

Hi!

Hi!

Hi!

Where the girls  
wear skimpy  
dresses.

And either have  
pointy ears or are  
tiny with wings.

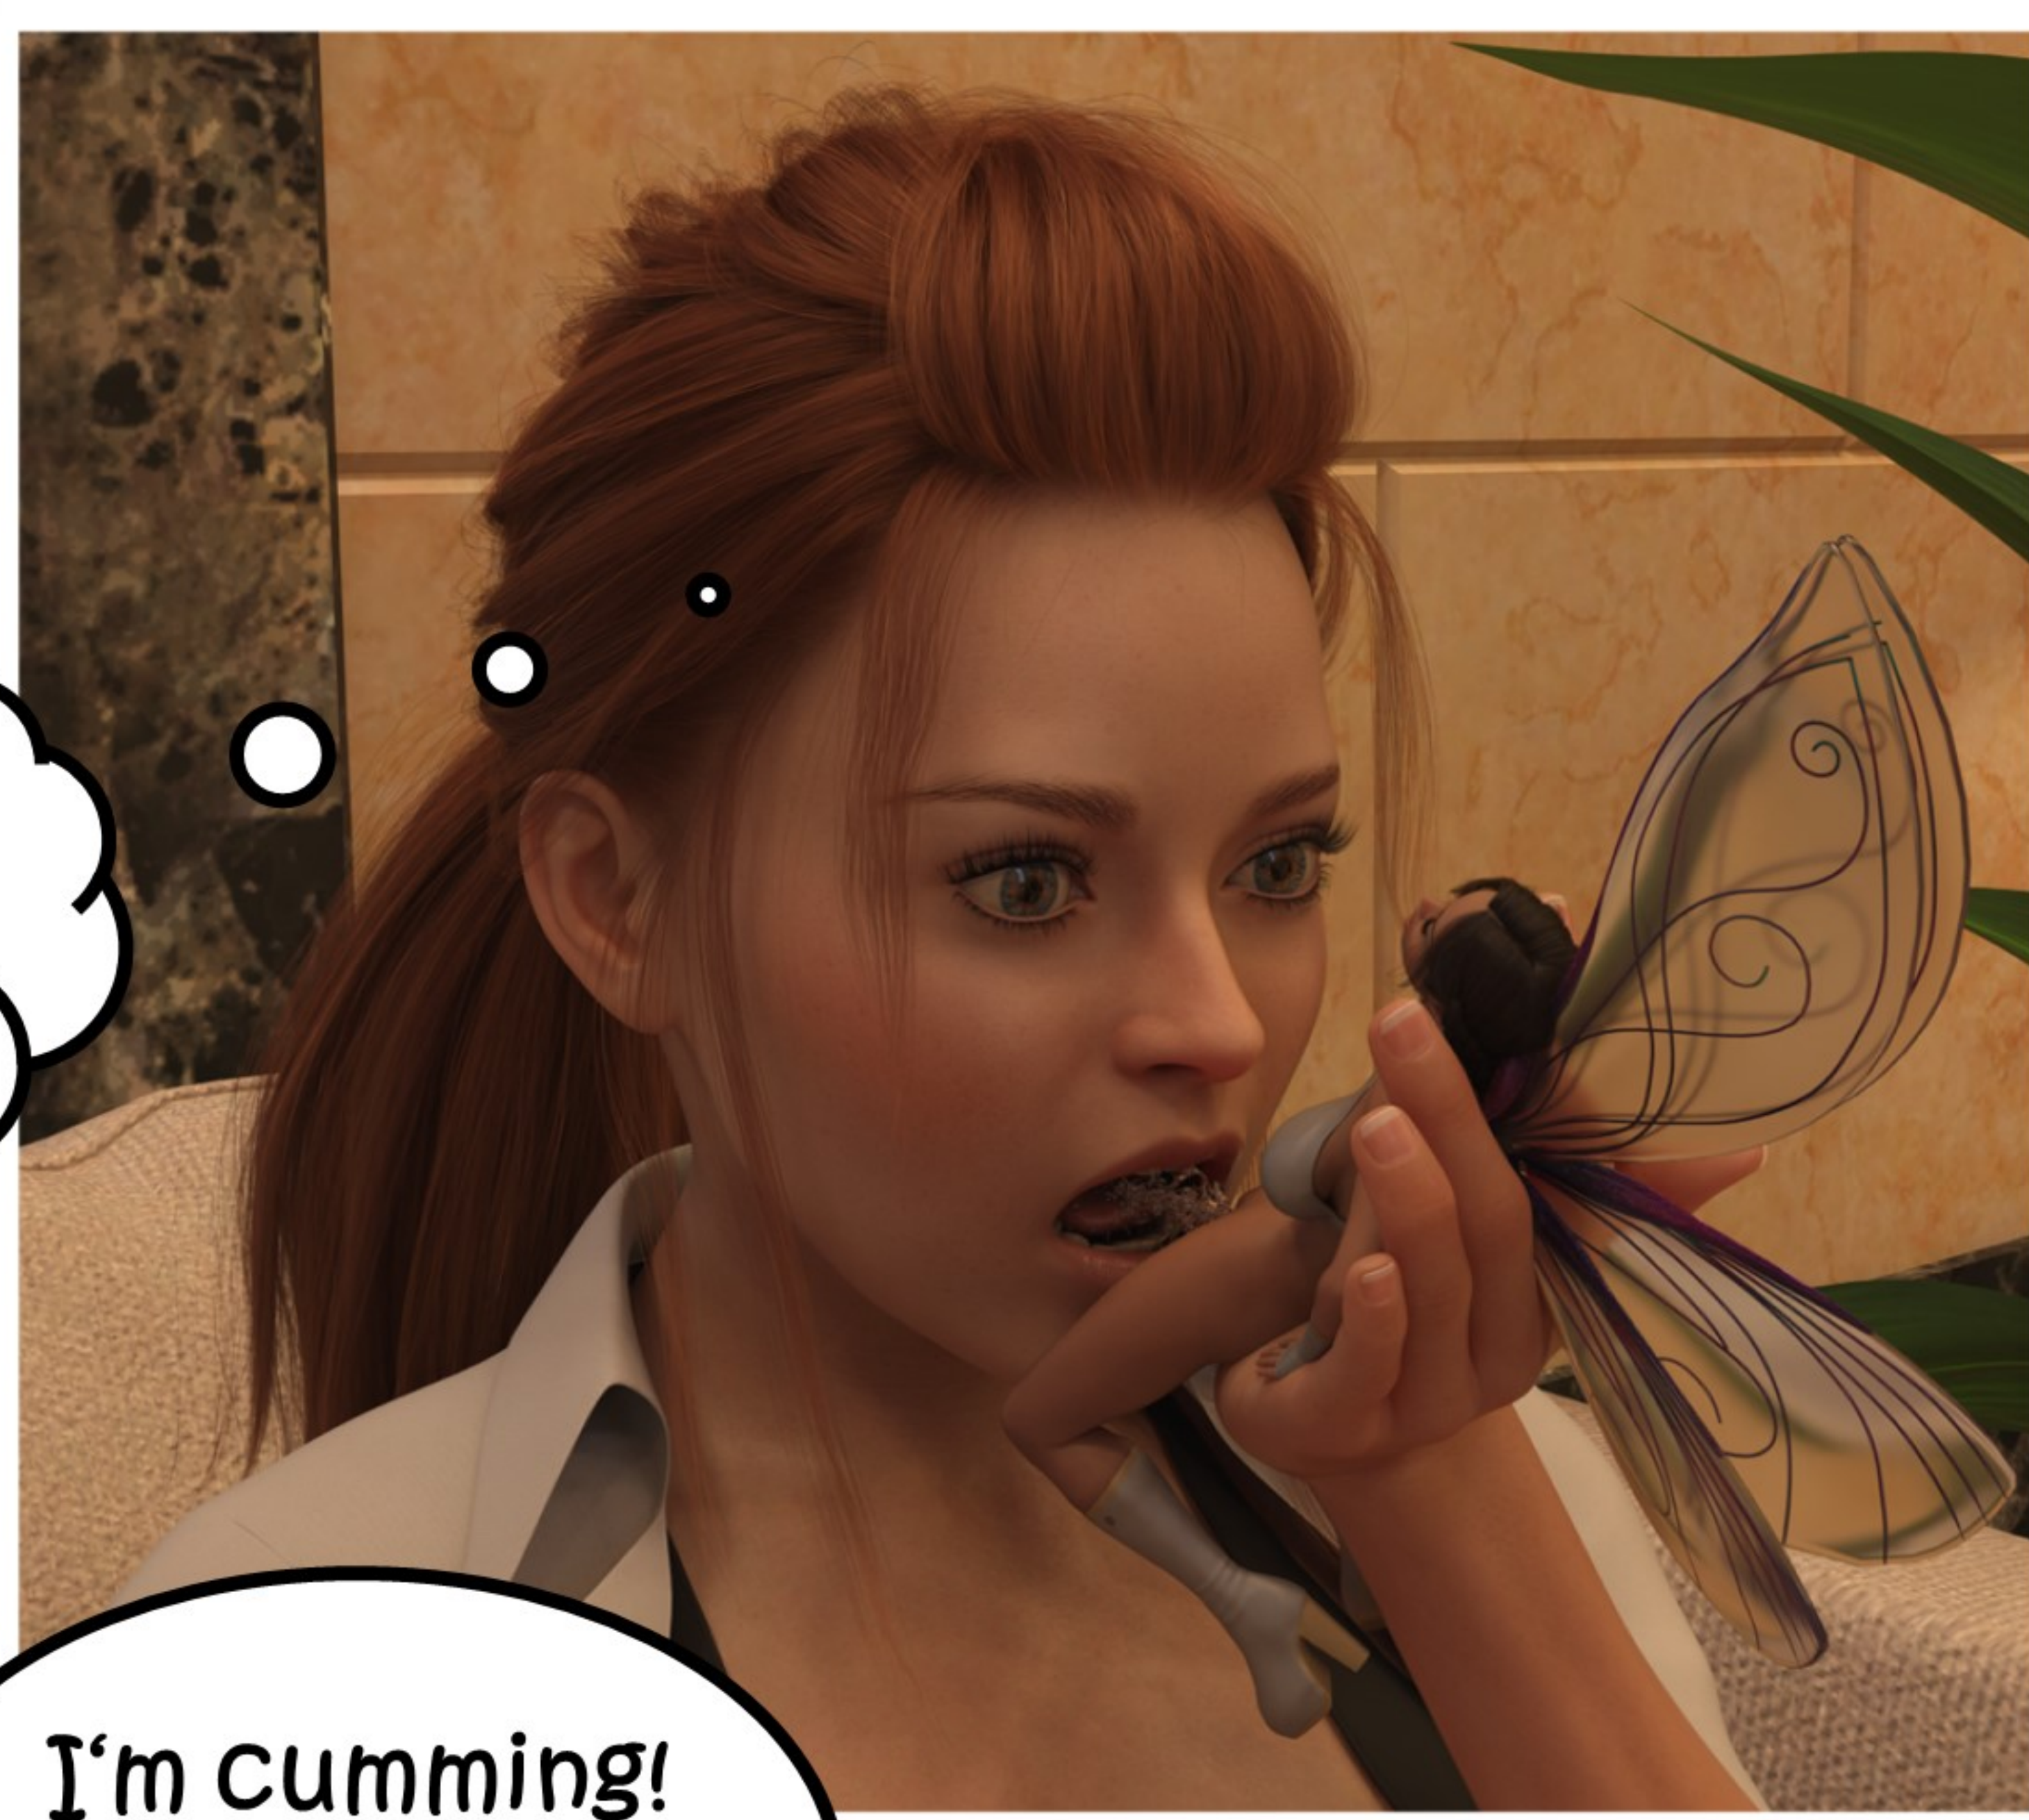

Now, before you travel to fairyland let me tell you something about its inhabitants. There are the elves – full-grown human-sized females with pointy ears. They are mostly like humans but with less inhibition and more open to sex.

And fairies... oh fairies... they are a horny bunch... where should I start....

Fairies are basically always horny and prefer to be paid in sexual favors!

Delicious!

I'm cumming!  
Taste my fairy dust!

Thankfully their juices taste very delicious. It's what people call fairy dust. 😊

Fairies are insatiable beings whether it's about love or food.

That's why fairies usually only get fairy-sized portions in a restaurant.

If you visit our kingdom you will meet various fairies and elves and you will have to deal with their advances...

Anyway, there are two places you should definitely visit when in town....

Welcome to Fairy Coffee  
Where Fairies fly the menu  
to your table.

It's  
delicious!

It's really just a  
matter of the right  
ingredients!

And only the best milk is  
served fresh AT THE TABLE!

When you visit  
Fairylund stay in the  
"Fairy Grand Hotel"  
  
We have the best  
room service!
