

This is what I saw when I came back to my house...

....

....

....

My sister Caroline had rope bindings across her body and her mouth taped shut, sitting on my floor...

A woman with dark hair tied back is seen from behind, wearing a white sleeveless dress with a large, intricate cut-out pattern on the back. She is standing in a room with a brick wall and a large window. To her left is a clothing rack with various items. To her right is a large mirror reflecting her front view. She is looking at her reflection in the mirror.

Caroline is my only family in this city.
We don't live together but she always come
by to take care of me.

When I got close to her. She opened her eyes and I saw something strange...

Her eyes aren't blue and she couldn't have such big tits! And she never wears so much makeup...

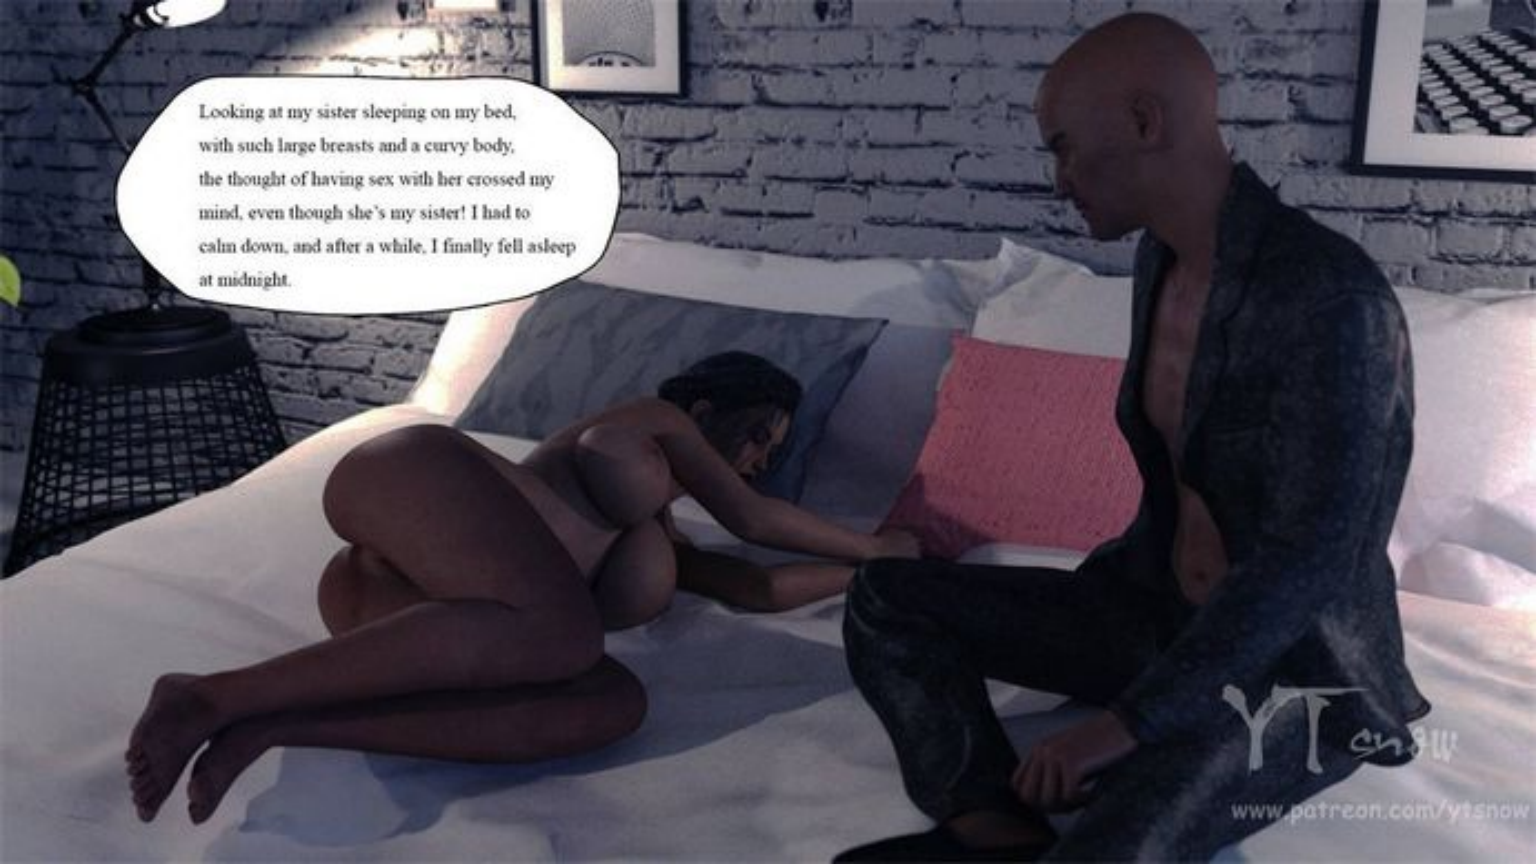

This is not my sister! But they look almost the same...

A man with a shaved head, wearing a black leather jacket and pants, is carrying a woman in his arms. The woman is lying horizontally, with her head down and legs bent. They are in a bedroom with a white brick wall, several framed pictures, and a bed with a patterned blanket. A speech bubble is positioned above the man's head.

After I untied the rope for her, and she fell asleep shortly after.
I moved her onto my bed and waited for her to wake up.

Looking at my sister sleeping on my bed, with such large breasts and a curvy body, the thought of having sex with her crossed my mind, even though she's my sister! I had to calm down, and after a while, I finally fell asleep at midnight.

The man is holding a small purple bottle in his right hand.

A woman dressed as Catwoman stands in a room with a brick wall. She is wearing a black latex catsuit with a mask that has white dots around the eyes and mouth. Her hair is styled in two long, thick braids. She has her hands on her hips and is looking towards the camera. A speech bubble is positioned to her left. In the background, there is a window with a view of a city at night, and some framed pictures on the wall.

Come on let's have some fun!

I'm still in a daze.

My sister is riding my cock dressed in a leather suit.. and this is a much sexier version of my sister Caroline...

This must be a dream...

A woman with dark hair, wearing a black latex bodysuit with large cutouts for her breasts and black gloves with buckles, is sitting on a bed in a modern apartment. She is looking towards the camera with a slightly annoyed or demanding expression. The room has large windows overlooking a city skyline, a brick wall, and a bed with a pink blanket. Don't stare at me with such a silly look on your face! You should be more appreciative!
