

**I-I'm  
back!**

Huh?  
Strange,  
mom is not  
at  
home?

call

If my mother finds out, I will definitely suffer again! Fortunately, otherwise I would have been five minutes late going home today

**Make me wait  
in the classroom  
in vain! I left school  
first without saying  
a word, it was all  
Lao Shao's fault.**

**I don't  
think so!  
What kind of  
joy did you  
give me?**

? The light is on, so mom didn't go out?

Mom, I'm back...Hey!

Chew~chew~chew

Oh, old...cough!  
Son, you are back!

I-I'm  
back,  
Mom...are  
you okay?

I'm fine,  
what can  
happen?  
It's okay,

You must be  
exhausted from  
attending classes all  
day, right? Come  
here and have a  
good rest!

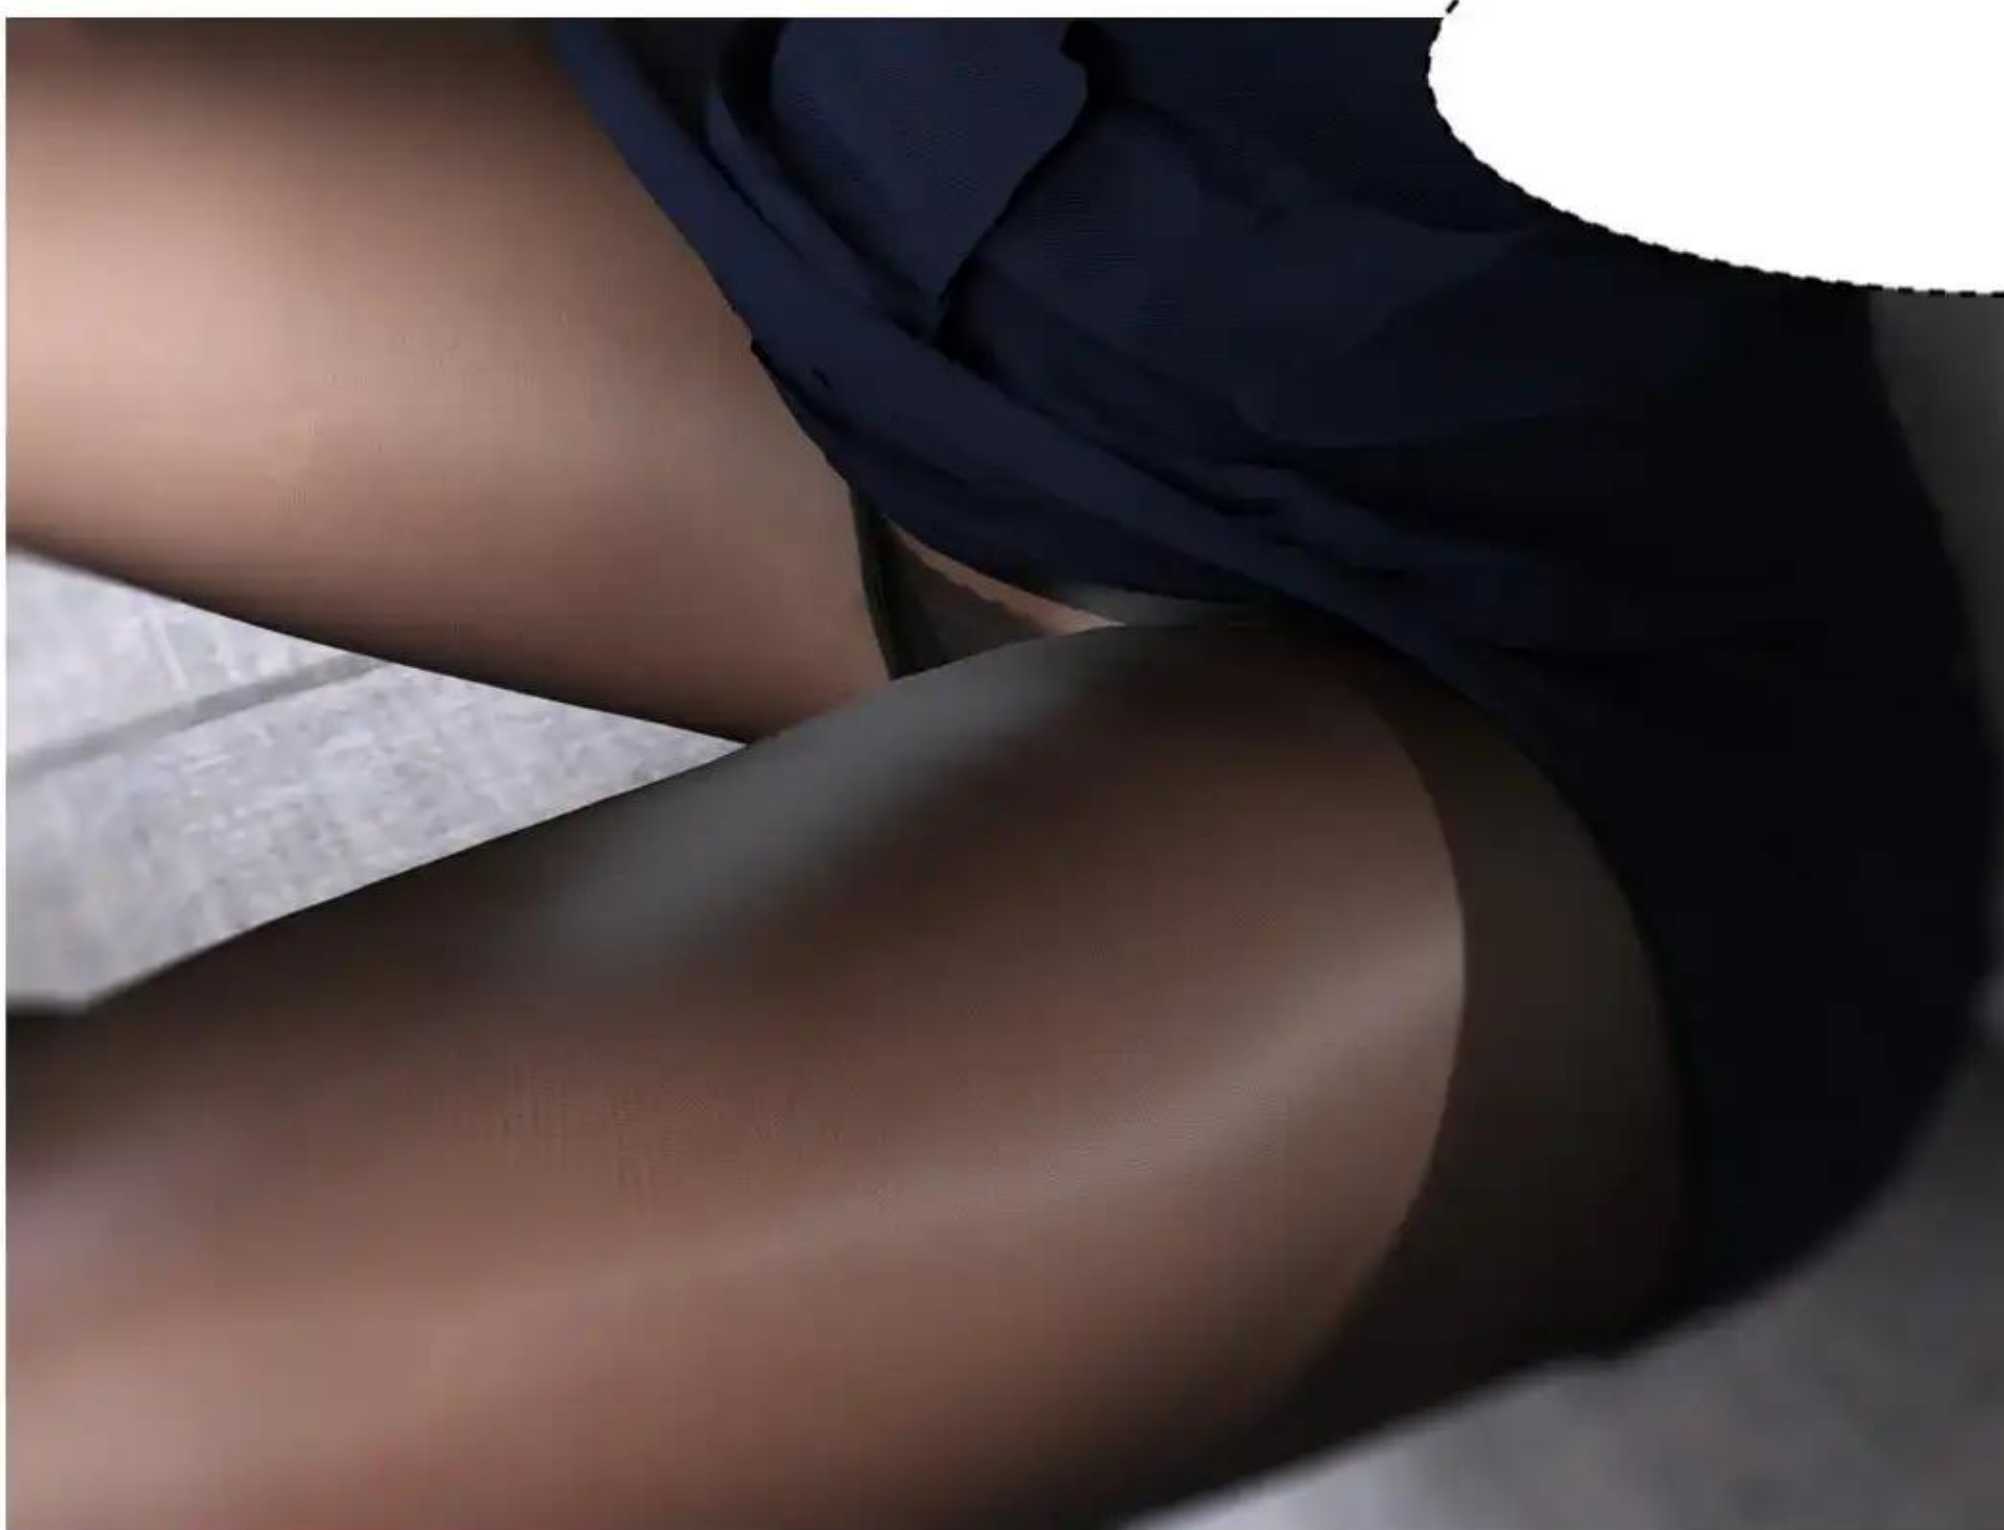

**Mom, what happened today? They would even drive me into my room to do my homework. Normally, you would have asked me why I came home late.**

**Why do you seem to be a different person today? Even at home, we are required to sit upright, and she keeps herself well behaved at all times. She always pays attention to tidiness.**

Wasn't she afraid of being exposed before and was only willing to wear long pants?

Mom didn't just put on a short skirt, damn! Did I read that correctly? Even wearing black stockings? !

It feels like my underwear is about to be exposed! And her posture and angle... ..

Son...

What's wrong?

You were looking  
at your mother just  
now. What were you  
looking at?

No, nothing, that...I...

shake

摇

Why are you here? This...isn't this Lao Shao's schoolbag?

But something suddenly happened, so I left my schoolbags at our house first. Well, your classmate just came over to find you.

**You will definitely get scolded now! Done! Mom never likes me being friends with people with bad grades.**

He actually came here by himself! I obviously told him that our family is very strict, Mr. Shao.

I'm done, I hope he didn't say anything nonsense! His arrogant look is what mom hates the most.

Shao Yuchen is such a good boy, yes! Clever and intelligent.

You have to get along well with others! A person with a good personality and loyalty is not only good-looking but also

clever? Handsome?  
Clam??? He's obviously  
stupid as hell.

...Mom,  
are you  
serious?

Isn't he your  
best friend? Of  
course~ Isn't Shao  
Yuchen a bad  
person?

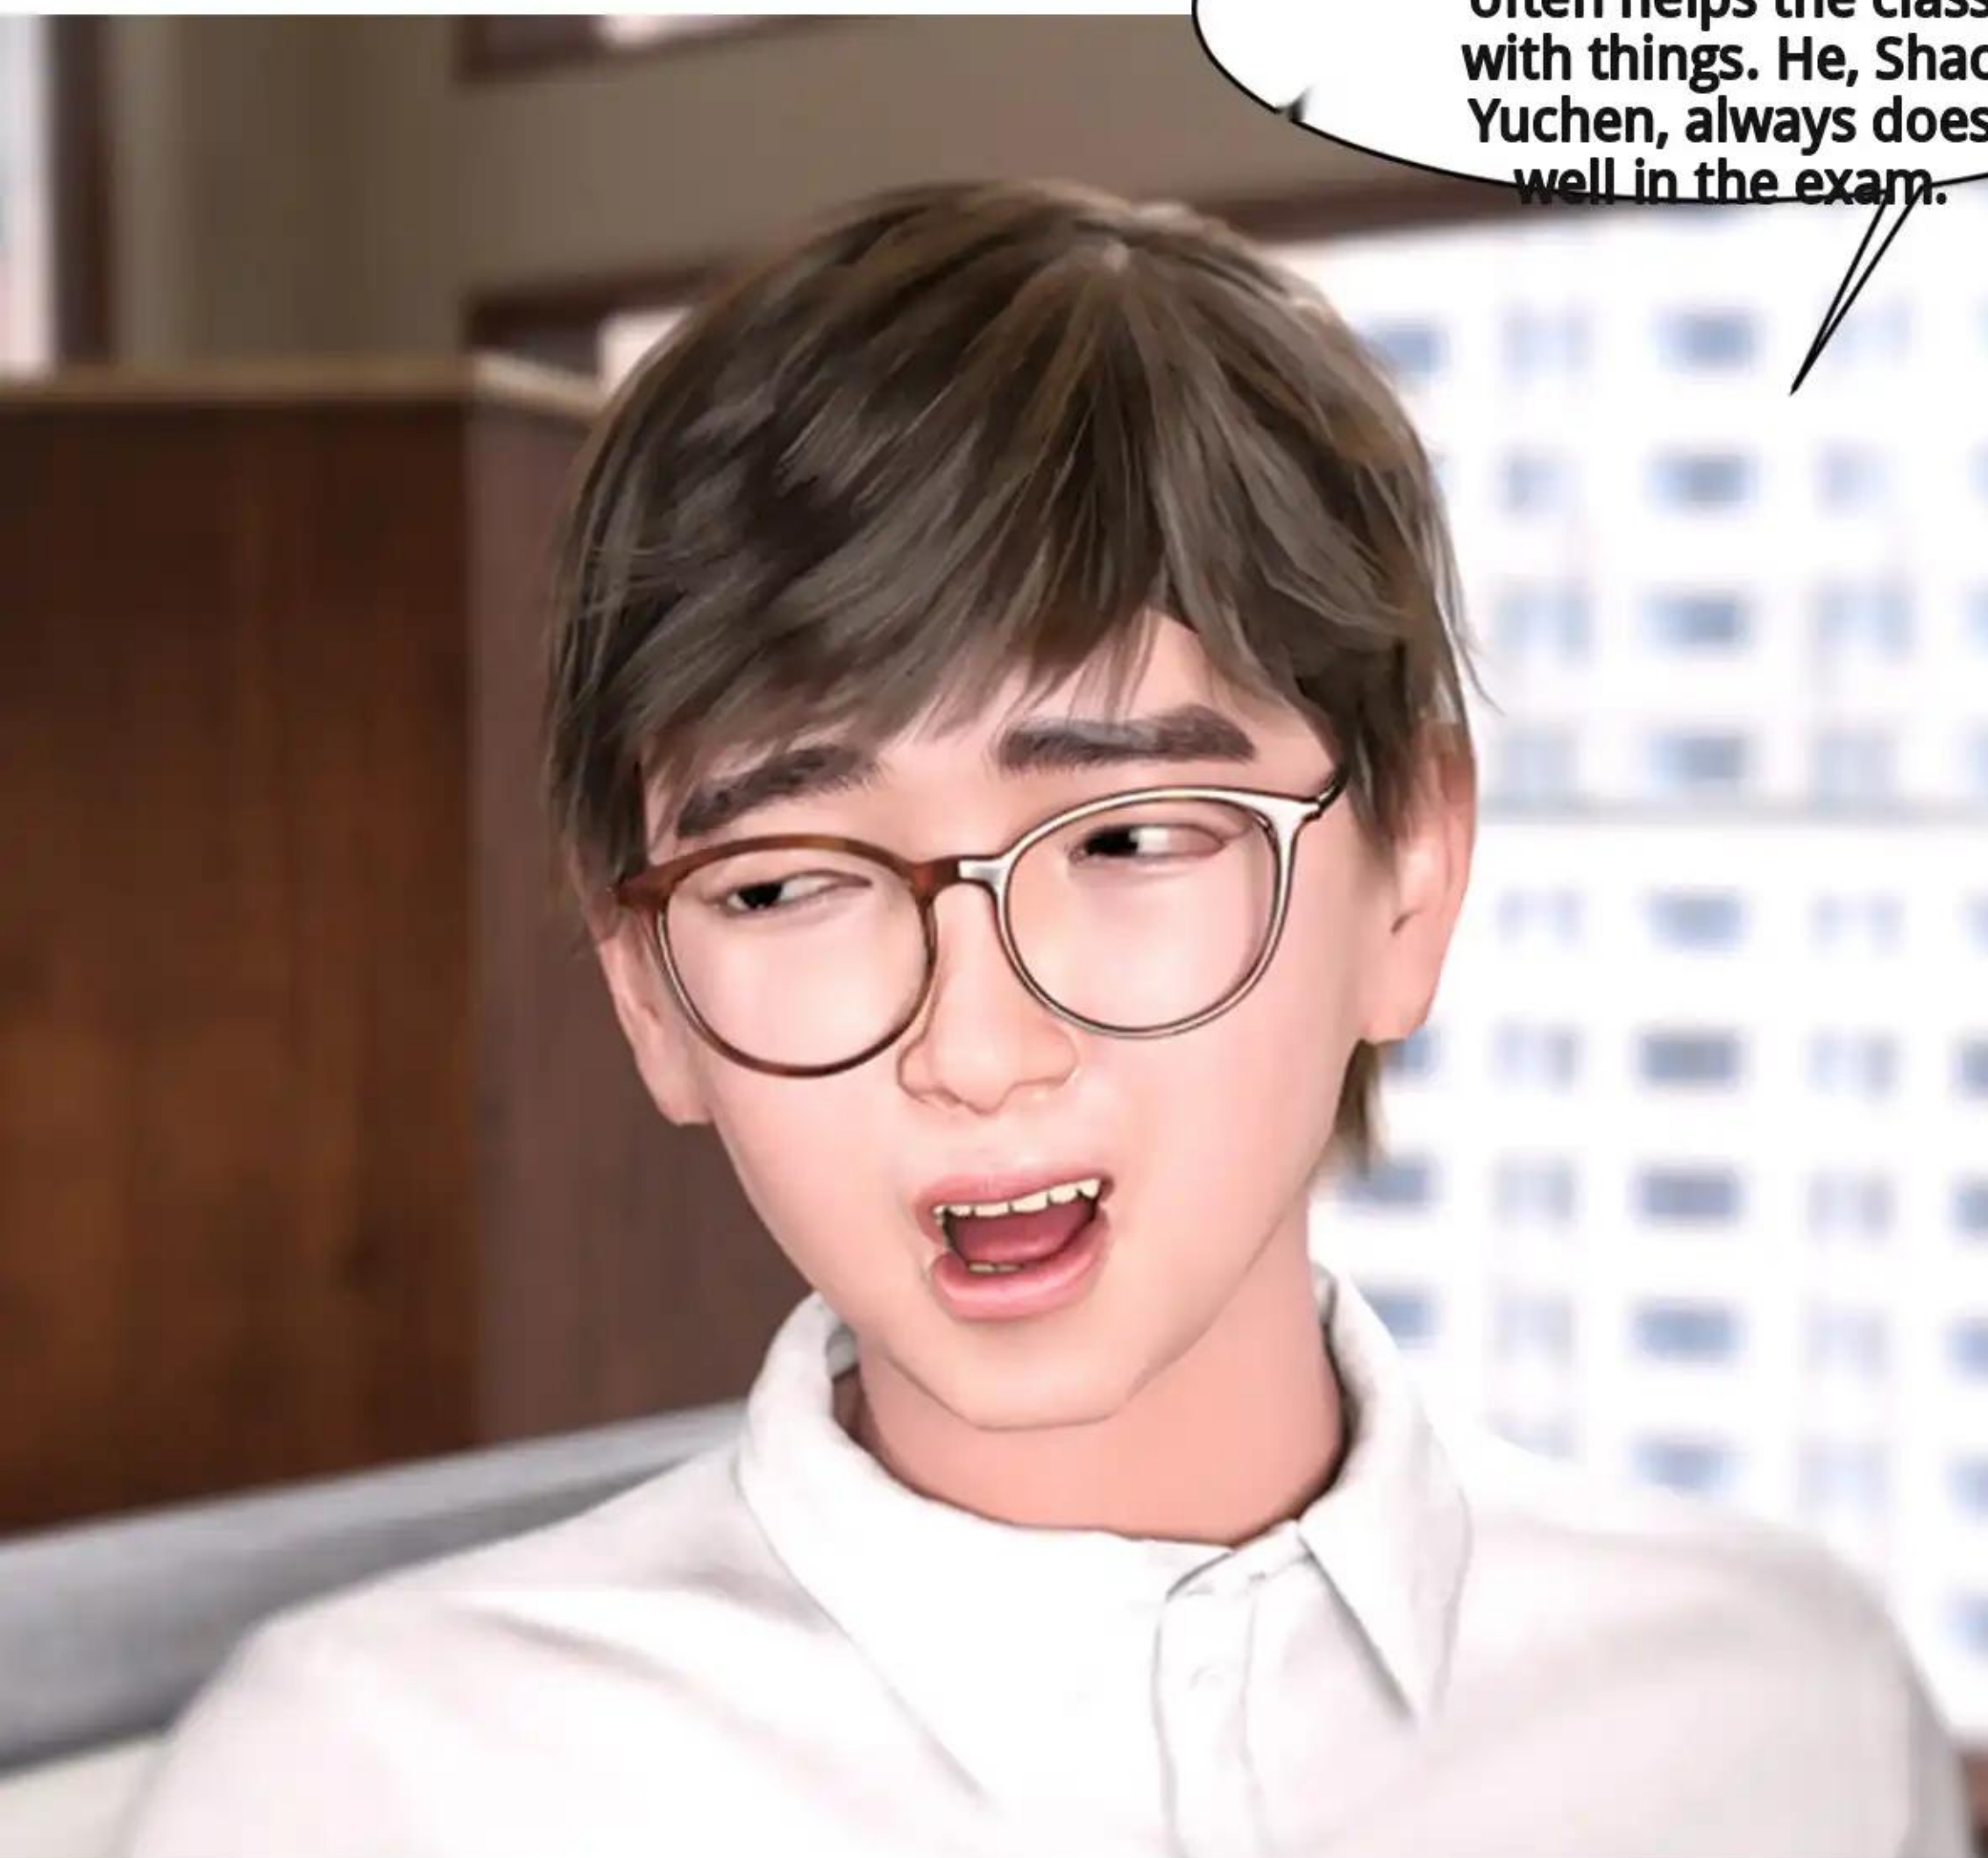

But to say he's a good person... just because he's such a jerk? Lao Shao is indeed a good friend.

Not only does he have the worst grades, but he also likes to skip classes and get into fights. I don't know how many times he has been called home by his parents! But he can't let his mother know about this.

Is it very popular with teachers and classmates? Judging from Shao Yuchen's appearance, he must have done very well in school.

Everyone likes him very much. He often helps the class with things. He, Shao Yuchen, always does well in the exam.

Poof

Do you believe these words yourself? Hahahahaha! listen to what you are saying

I never knew you were so good at joking, Old Zhou! The results are so good, it's so funny!

**Mom, what did  
you just call me?**

Why, Lao Zhou,  
haven't you  
noticed it yet?

Then you have to look carefully!

Hey

Surprise!

you!!  
How could  
it be! Lao  
Shao?

Hehe,  
how do  
you like  
this?

Not only can it turn a person into a human skin, but it will look exactly the same from sound to appearance. A few days ago, I accidentally got a mysterious leather gun on the road. After putting it on, I can perfectly transform into that person.

Turn her into skin and wear it! Just take a step before you come back. I see your mother is also very beautiful.

Don't you want to come out to play? After I got this magical prop, I thought, hadn't you always complained that your mother was too controlling?

Turn her into skin and wear it! Just take a step before you come back. I see your mother is very beautiful too. 

Is this skin really made by my mother? so...

This skin should be able to change back, right? Lao Shao, tell me honestly,

Isn't that just killing someone? Of course, if you can't change back,

Don't worry! I've tried it at home, and that leather gun has a recovery function.

Huh ~  
That's  
good!

Thank you for  
wanting to dress up  
as my mother... but  
you almost scared  
me to death. ...

I look good! Hehe,  
how's it going?

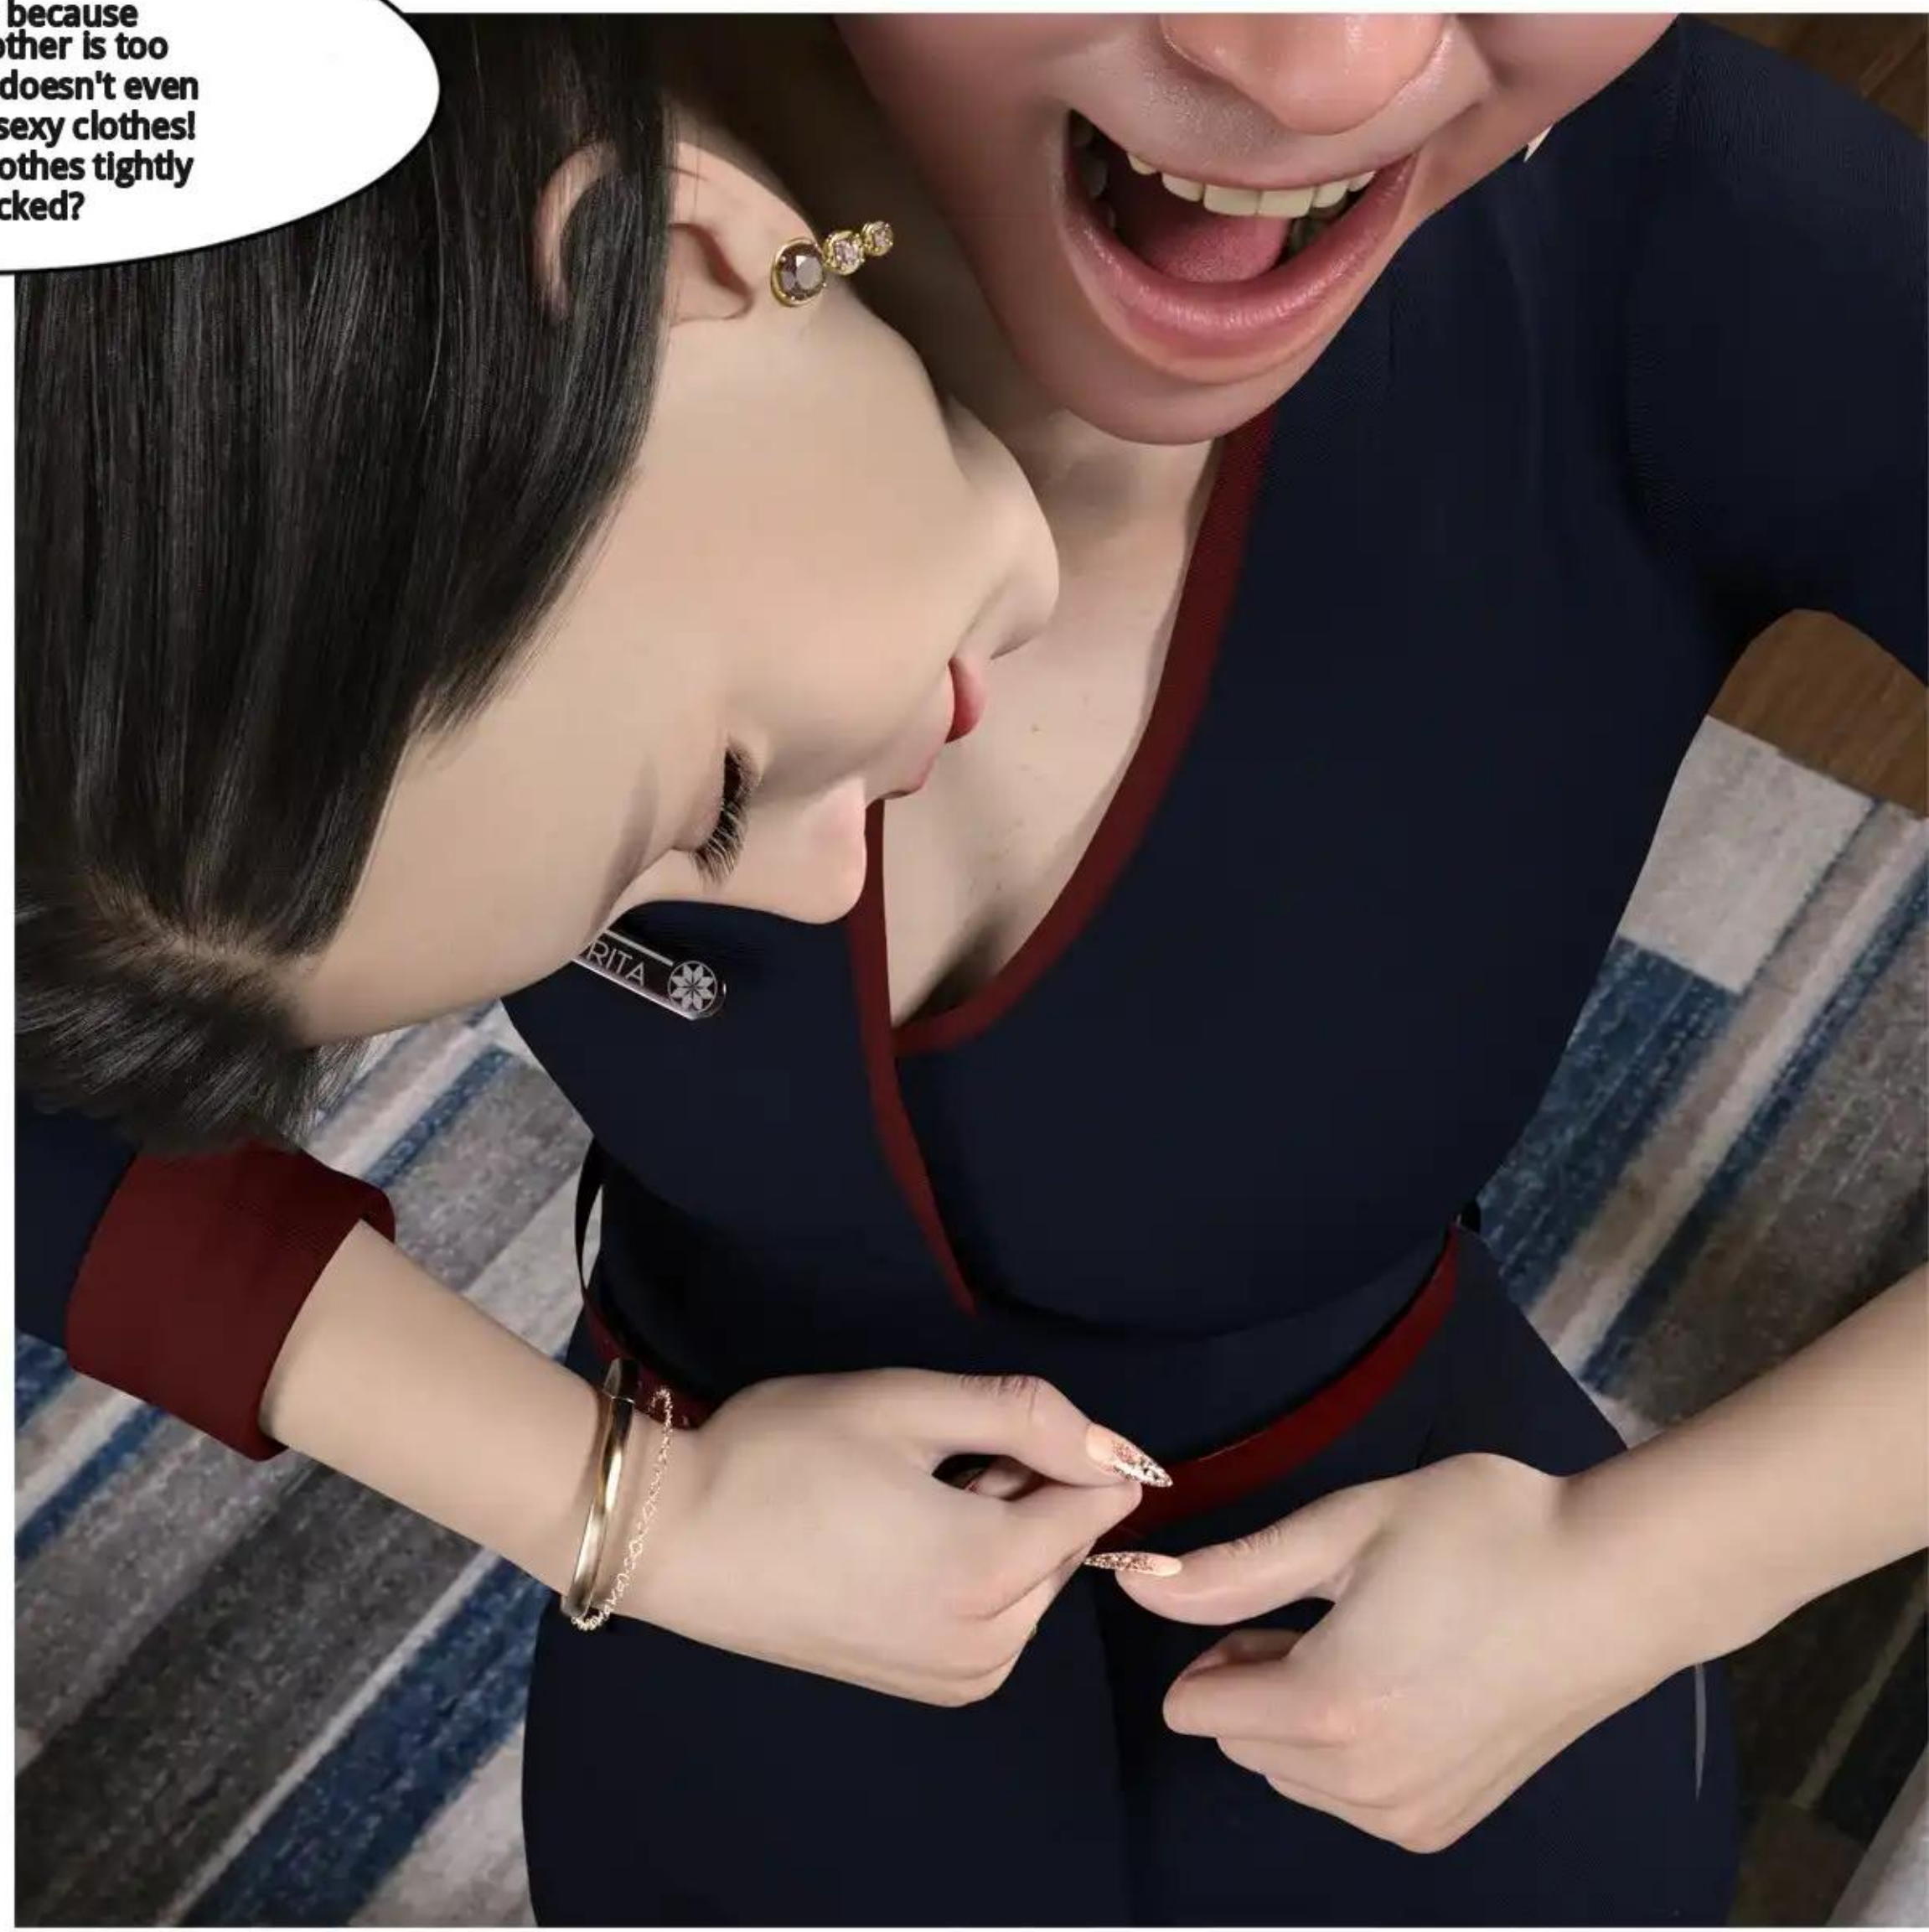

It's obviously full of flaws, okay! Where is good

My mother would never act as rudely as you! If nothing else,

Lianyuni  
That's because your mother is too rigid. She doesn't even have any sexy clothes! Are the clothes tightly packed?

twinkl.com

!

Can you put your face and clothes back on? And don't take off my mother's clothes casually! Evil~ Stop being disgusting! Let me ask you for help,

So weird! Watching my friend's face being put on my mother's face,

snort! Just wear it, there are so many requirements. ....

呜呜

0000

How are  
you, son~  
Mommy is  
back!

Go to hell, Lao Shao, stop taking advantage of me!

But she is your mother now~

Can you do less  
of these actions?  
You...you are a  
grown man

Hey~ My dear son  
is shy? So cute!

Mom and I have never been so close, her breasts were pressed directly against me!

**It smells so good... I never knew my mother's body was so soft before.**

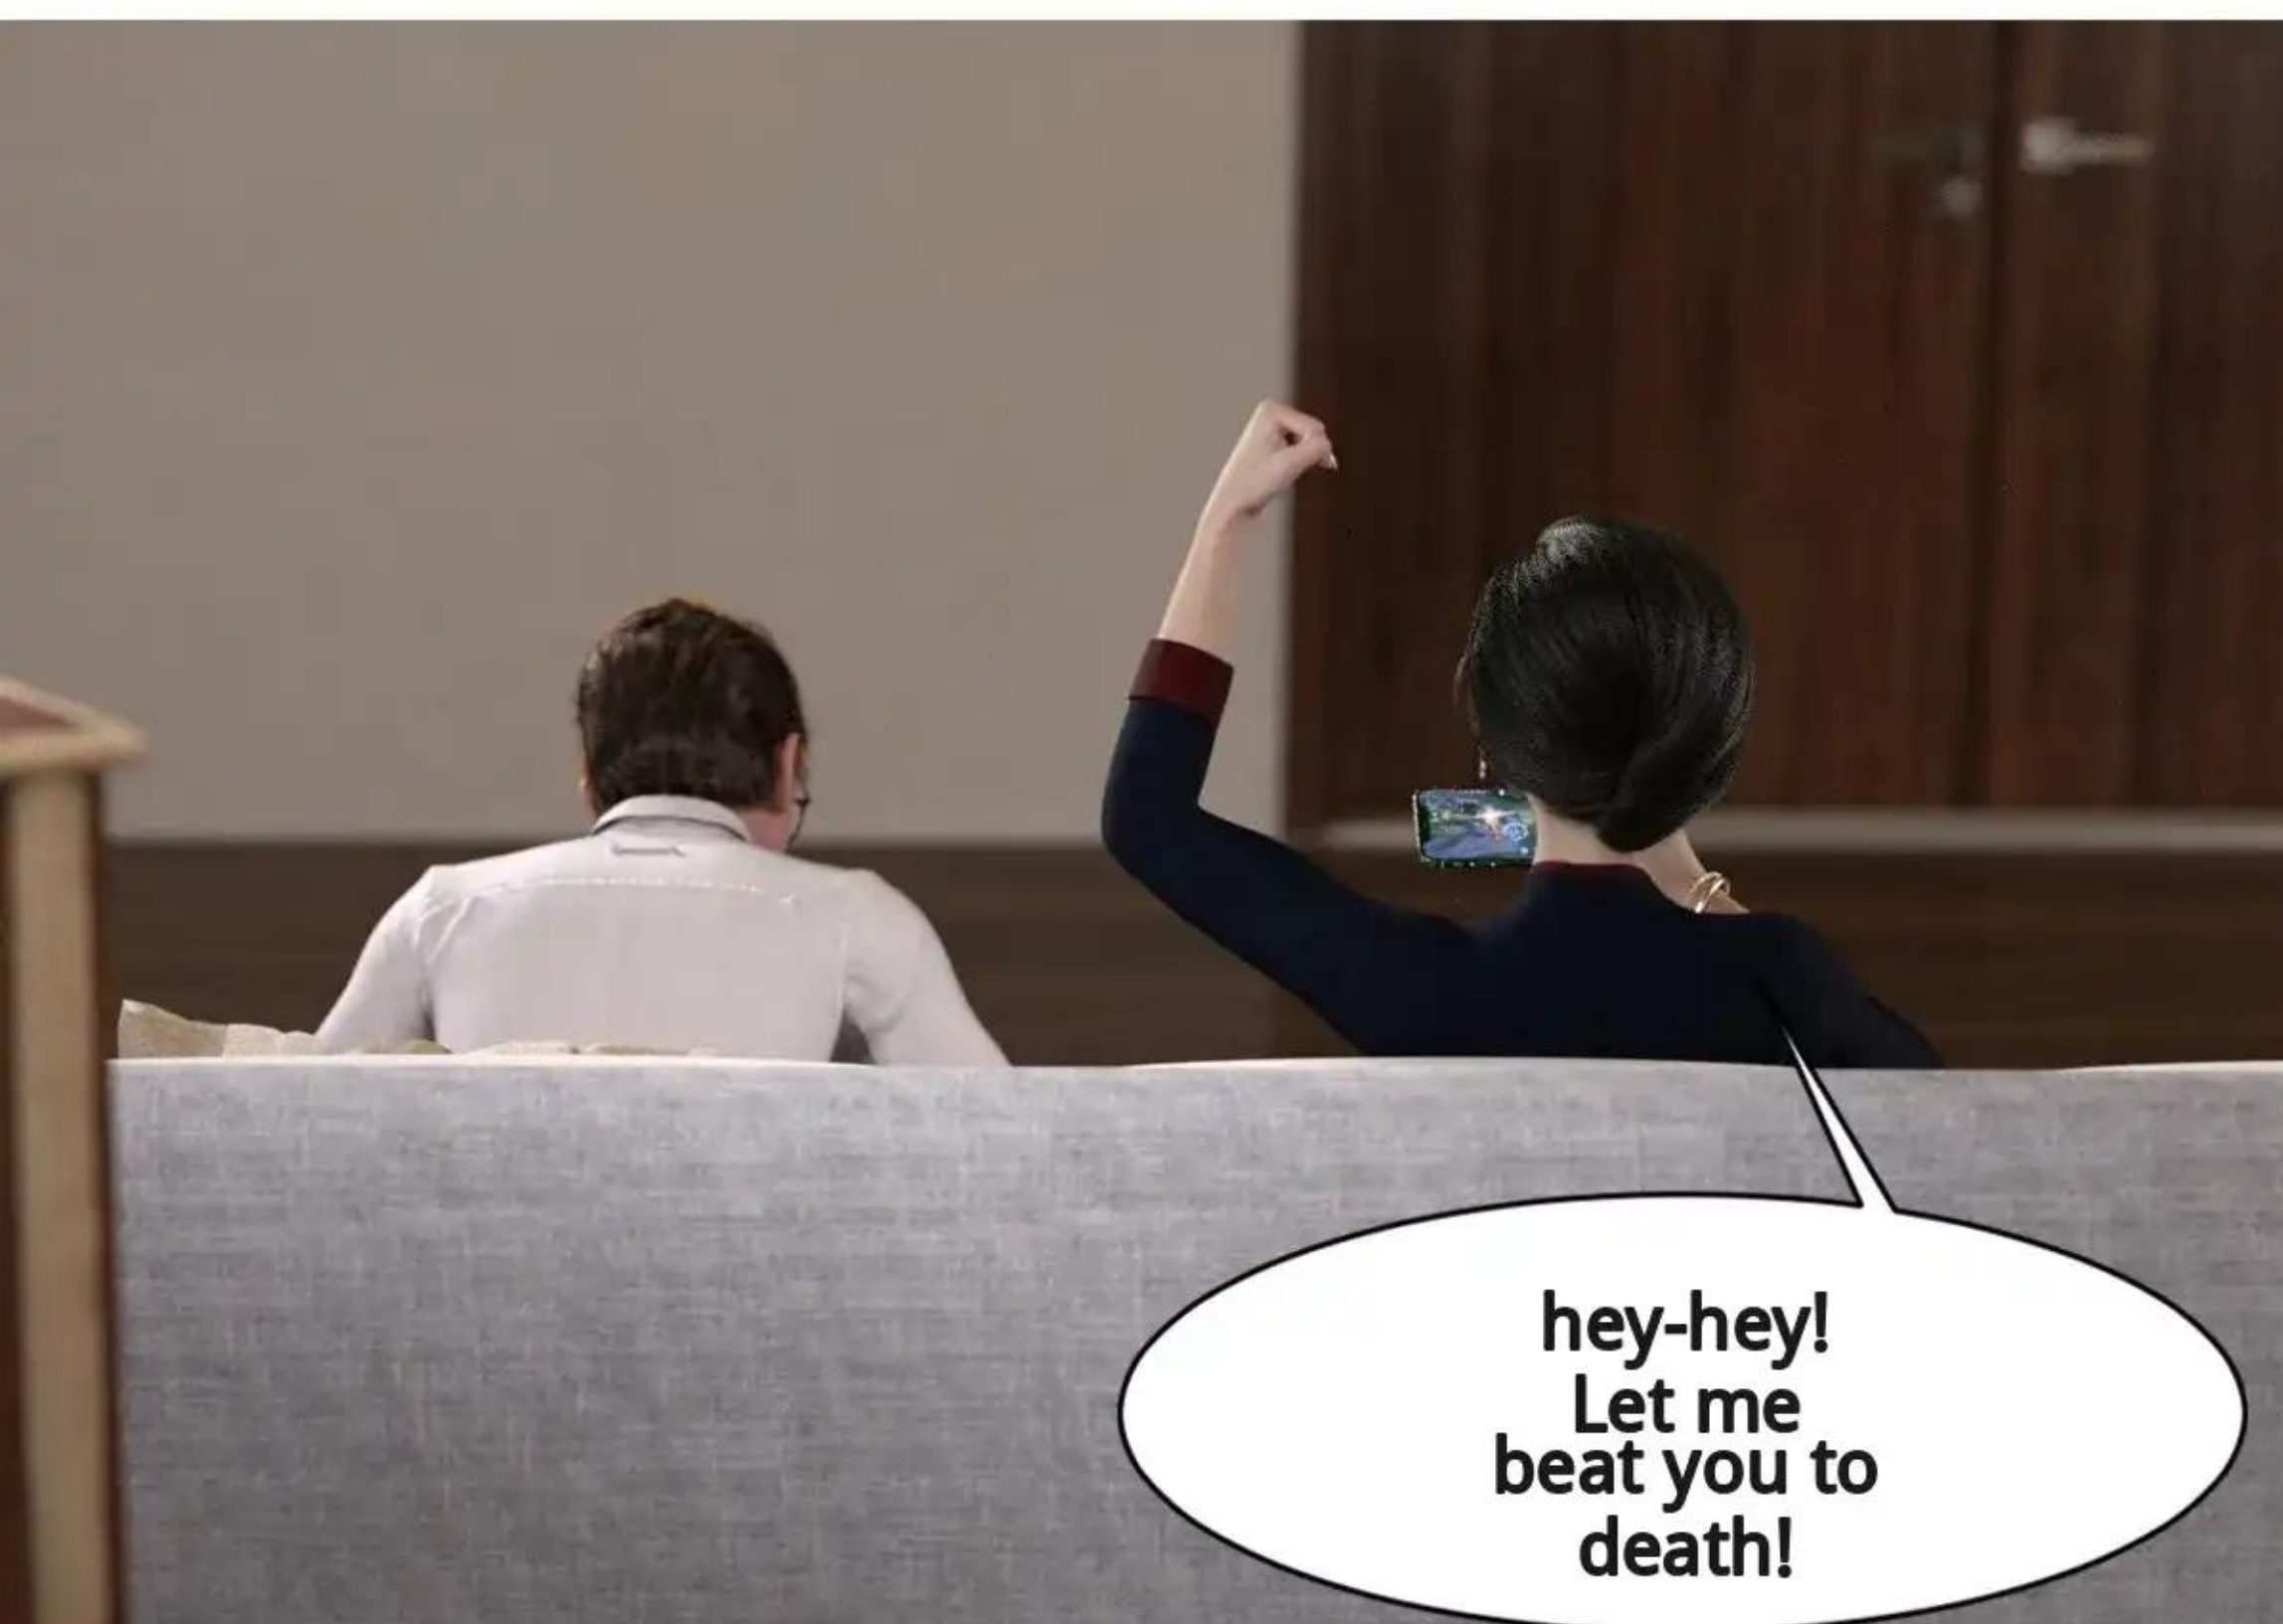

Mom, stop teasing you! It's time to put on your clothes, hehe, okay~  
Look at your face blushing like this ...

Let's have  
a game? How  
to polish it?

Come on, come on, there's someone up there! rush!

**Dry! Go  
to hell!  
Hey!**

**Although I knew  
that the mother in front  
of me was Lao Shao, I still  
had a strange feeling. If it  
were her original self, she  
would never say bad words,  
she would never play games  
with me like this, and she  
would never let her hair  
down casually and  
make it so messy.**

She would never let me see her slender and beautiful silk feet like she does now. ....

噹!

ah!

A woman with dark, curly hair is shown from the waist up, wearing a dark blue, long-sleeved, form-fitting dress with a red cuff. She has a distressed expression, with her mouth open as if crying or shouting, and her hands are raised in a gesture of despair. A speech bubble above her head contains the text: "Are you really useless? Why did he die again?". The background is a simple indoor setting with a grey wall and a blue and white striped rug.

Are you really  
useless? Why did  
he die again?

**What's the use  
of just reading? Let  
me urge you to practice  
your hands quickly first!  
The game is a mess. If I  
were your mother**

So hungry!  
Alas, I won't  
play  
anymore.

Is there anything  
else to eat at your  
house? Lao Zhou,

What grind? Have  
you eaten these fried  
chicken snacks yet?

**Alas, I just want some  
delicious food when  
playing games!**

La~la~la~hum~hu~

When I get home, I don't have to do homework and review lessons immediately. I suddenly feel that this kind of life is not bad! Not only can you have fun playing games, but you can also order takeout for dinner!

It's finally here  
and I'm starving!

FALL IN  
LOVE WITH  
PIZZAFAULIN  
LOVE WITH  
PIZZAFAULIN  
LOVE WITH  
PIZZA

What are you doing?  
Aren't you hungry?

Let's go, let's  
have dinner!

He actually secretly lusted after his own mother! Hum hum, this guy Lao Zhou can do it.

He thought I didn't notice it? That lustful look is so obvious

But it's no wonder, who told his mother's body to be so sexy?

Maybe, I can...

alright!  
Let's eat!

Mmm~  
delicious!

Ha!  
Cool!

嗝~

Are you that hungry? My mother would never eat as much as you do! Like a starving ghost reincarnated,

Why do you care so much? There is no one else here

Now that you're full, let's continue another game?

**Just  
come! Who  
is afraid of  
whom!**

**But just  
competing  
is too  
boring!**

**How about it?  
Whoever wins asks  
the loser to do one  
thing unconditionally.  
How about this? Let's  
make a bet.**

**I don't want to choke you. How can I be better than you? Who doesn't know that you have fast hand speed and high points?**

**Still not a man? You don't even dare to compete. Why are you so unambitious?**

**I haven't gotten used to it yet! Could it be that you can't even beat your mother? If you can't beat me, forget it, let alone if I wear your mother's skin**

What do you want me to do if you win? Well...then you should make it clear first

It's too outrageous and I won't agree to it!

How about it~ Just let me use your mother's body to feel good! Hehe, my condition is very simple!

**That's my  
mother! No way!  
Hello, old Shao,**

**Isn't it rare that  
you are not curious  
about the pleasure of a  
girl's body? Roar~Okay!  
Please! It's rare to  
become a girl, but if it  
were you,  
Okay~ I don't  
have anything to  
do, just touch my  
breasts**

...really  
just a  
touch?

Of course,  
there is no such  
thing as a lie  
among friends!

Stop procrastinating! I  
asked you for your opinion  
first because I regarded you as a  
friend. I would have done it a long  
time ago and if I really wanted  
to do something

What's more, as long as  
you beat me, wouldn't it be  
fine? Are you so weak that you  
can't even defeat your mother?  
Or do you think,

good!  
Come as soon  
as you come,  
be afraid!

yeah! I  
won  
hahaha!

I see that  
your movements  
are very smooth.  
Even if you change  
your body, it won't  
affect you, right?

Hum! Who said I was the invincible fighter in the world?

Okay, I'm willing to admit defeat!

hey-hey! I've  
been waiting for  
you big tits for a  
long time!

And those  
naughty  
nipples...are too  
sensitive! The  
breasts are soft  
and big, oh!  
Do it, do it!

It's so damn cool!  
Is this a woman's  
pleasure? Fuck it, I'm  
going to die,

Even though it was an agreed upon agreement, I still feel like I'm useless! But watching Lao Shao playing with his mother's body like this,

There is another contrasting feeling of turning into a bear! But when I saw that my mother, who was always elegant and graceful, actually showed such a lewd expression and made such an indecent gesture,

I got an erection from watching Shao Yuchen masturbating with my mother's body! , damn, I...I actually looked at my mother

Bob~

Just rubbing my  
breasts feels so good,  
but I don't know how  
comfortable it will be  
down there. ....

Come  
and  
explore with  
me!  
hey-hey.....

You... this is not okay! etc! The promise was just to touch it,

Touching the vagina is also touching! What's wrong? Touching breasts is touching;

Then let's have another round and let me beat you! If you want to touch the lower part, then, anyway...it's not possible anyway!

It's all my fault for ruining my good deeds! hatefull I almost touched it! And I haven't rubbed my breasts enough just yet! My body always feels so hot.

It just adds to my winning streak! If I win this time, please stop chirping! snort! just compare,

It must be because this body is too obscene! There's an empty itching feeling down there, just because I played with my breasts.

Come and satisfy me... I really want something to comfort me. I really want to touch it down there! Ahhhh!!! i really

Dilly-dally~

**I...I fucking lost?  
Oops! Distracted by  
body's desires,**

**DEFEAT**

Lao Shao, is this my first time?  
Oh my god....I actually won,

Then you can't play with my mother's body anymore! Now that I win! That,

Okay, okay, I'm willing to admit defeat! What reward do you want your mother to give you? So good son, since you won,

DEFEAT

Whatever  
mom has, I  
can give it  
to you!

I...I don't  
have anything I  
want mom...to  
do for you!

Really not? My son likes black stockings very much! I think you are embarrassed to say it, hehe! Mom clearly remembers,

Lao Shao, stop talking nonsense there! I! I didn't, mom... no

Mom, how could I not know your preferences, my son? Come on, how many movies have we exchanged in the past?

Whether it exists  
or not, we will find  
out if we try it?

**! Wait a minute!**

**Wow~ My son has really grown up!**

**You...you are not allowed to speak like this in my mother's tone!**

**Don't you just like your mother like this? Why? My son's cock is so excited**

Be  
good~enjoy  
your mother's  
reward

.....嗚!

Ming..Stop, stop, not over there, over there!

Sure enough, you  
are just a perverted son  
who likes his mother to wear  
black stockings! My son's cock  
is getting bigger and bigger!  
Yeah~ Mom can feel it

I...;...I'm  
not, I  
don't...

Uh-huh...ha...hah...

Ah ah ah, how could it be, how could it be so comfortable! The smooth and fine touch of stockings, and the feeling of being tightly wrapped by the soles of your feet

He's my good friend! No, I can't do this. The person in front of me is my mother.

I can't even get excited! No matter how comfortable the stockings feel, no matter how sexy and attractive she is dressed,

I didn't feel as disgusted as I imagined. I originally thought that touching a man's cock would be disgusting, but maybe it's because of the influence of this human skin.

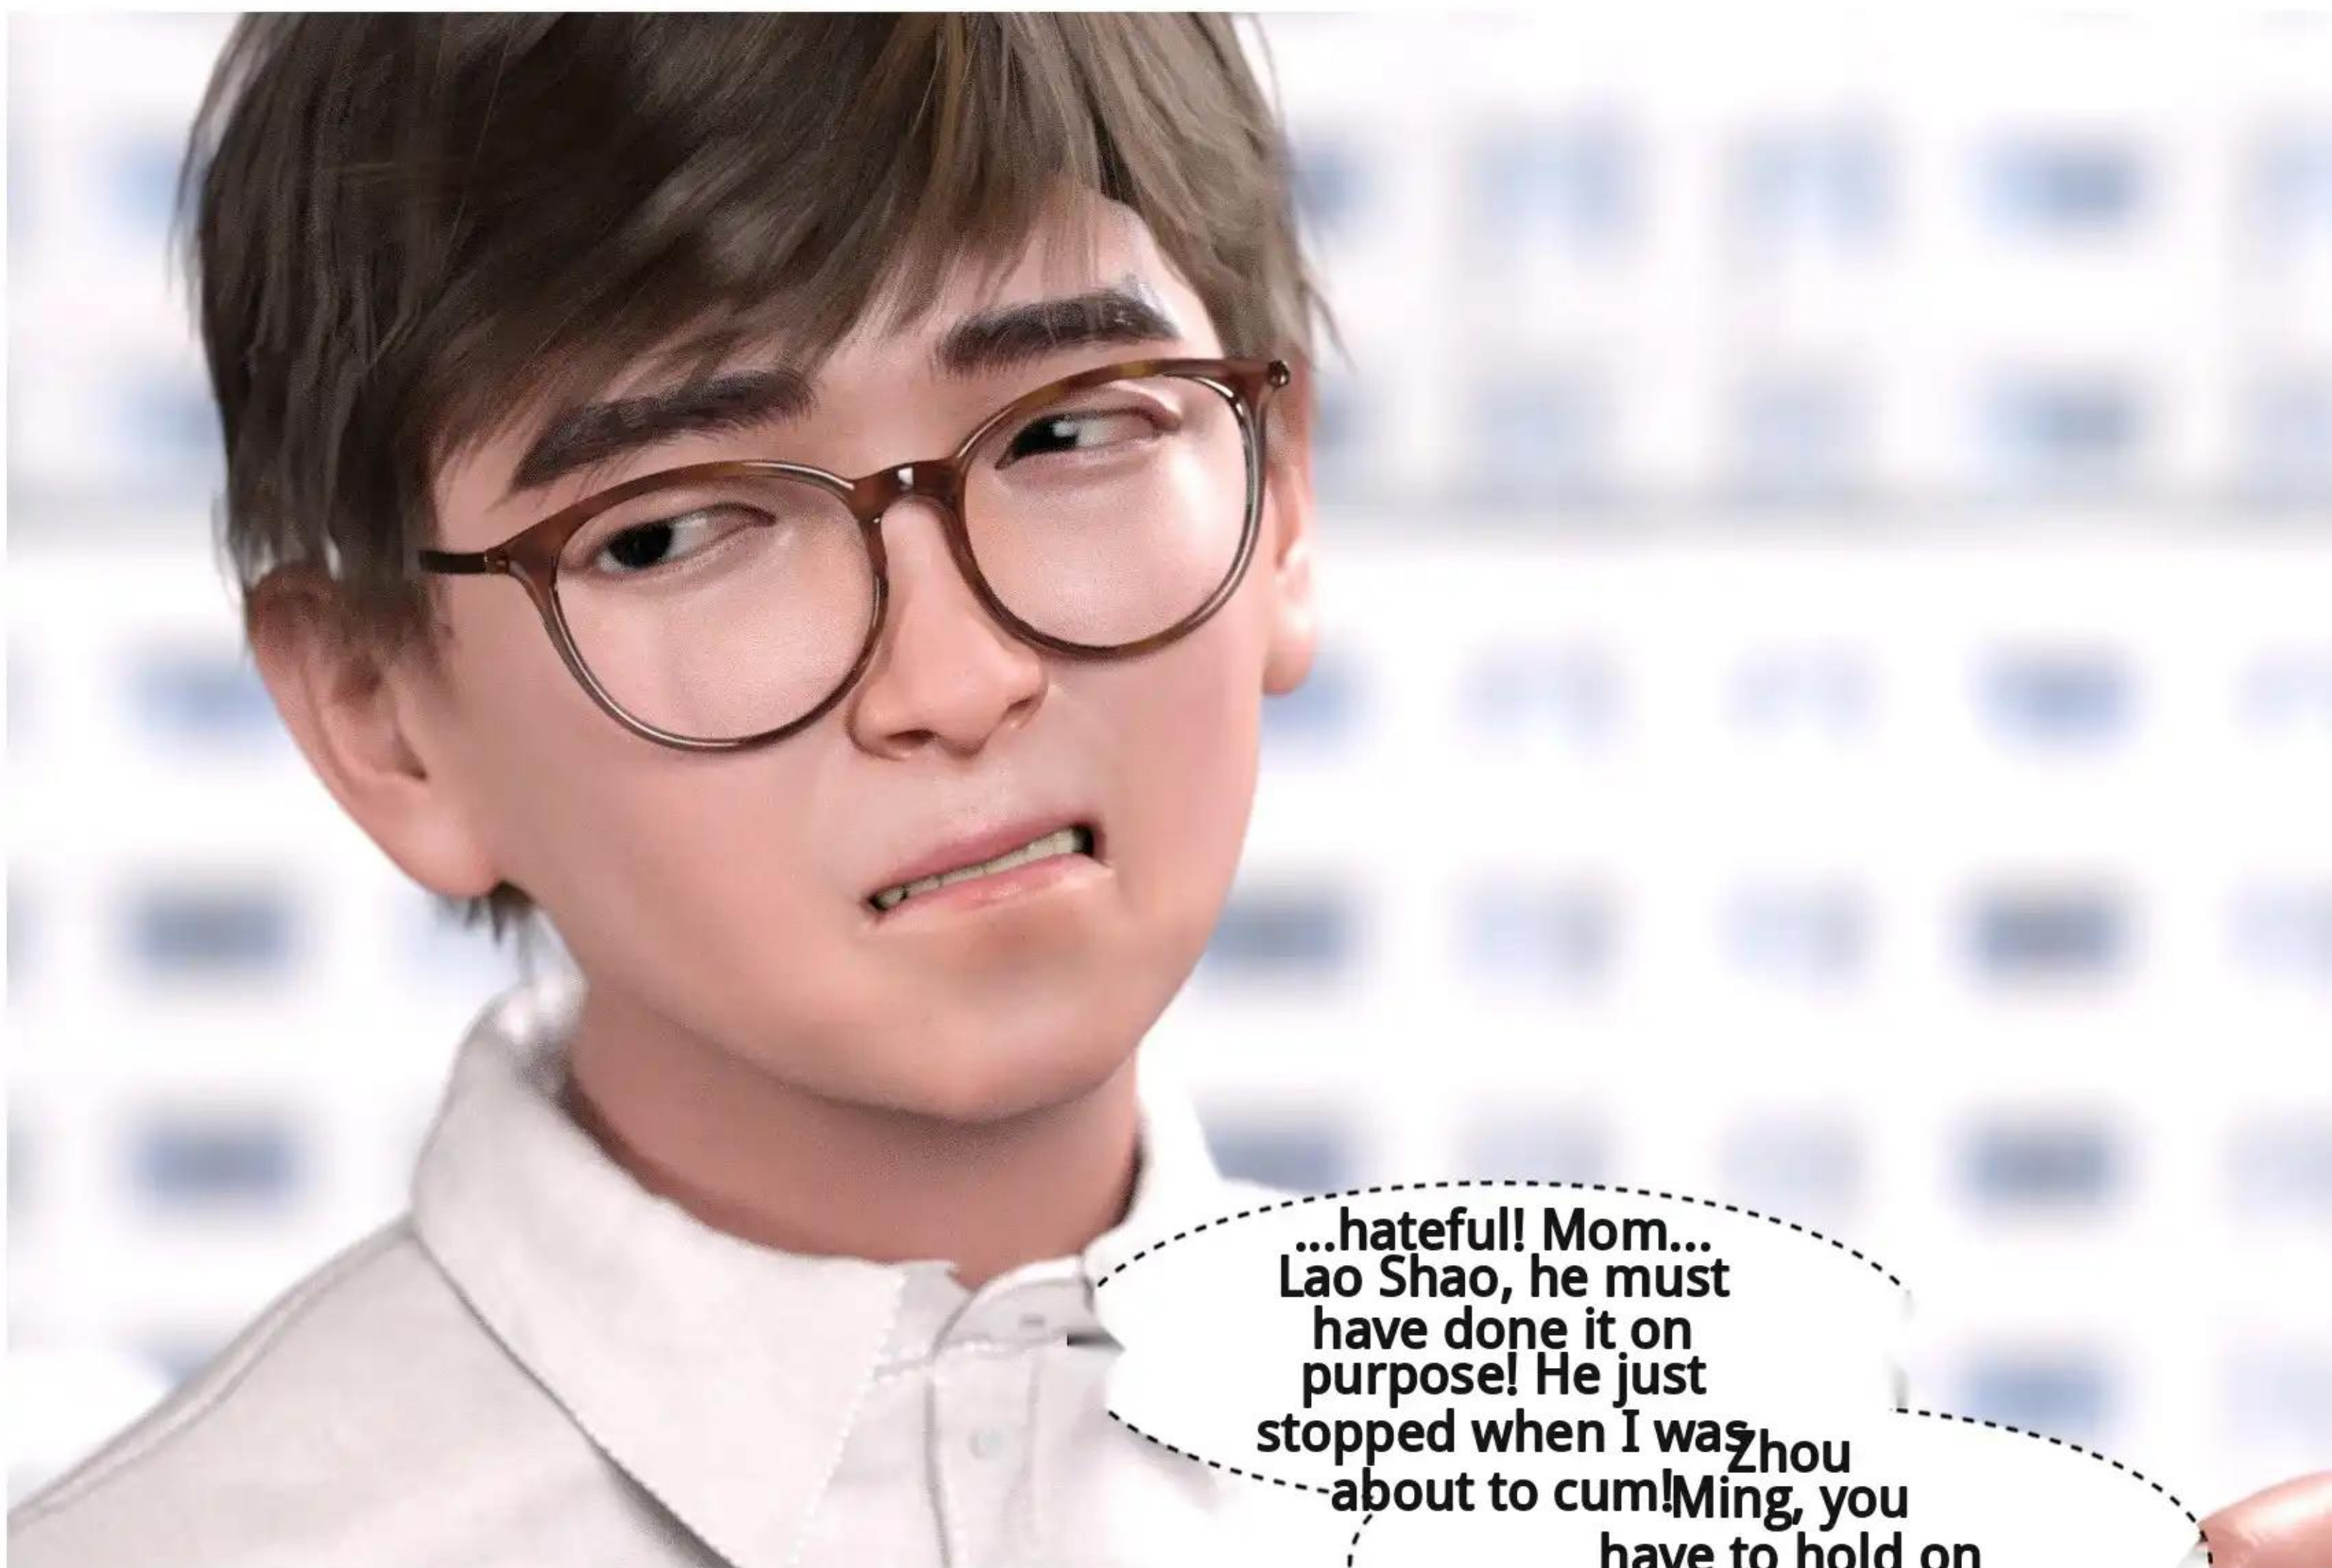

On the contrary, it gave me an inexplicable sense of accomplishment! And I saw the man being seduced by this beautiful body and losing his armor under my toy.

Haah...haah...

If you don't tell me, they won't help you. My dear son, tell me, does your mother feel comfortable doing this to you?

...hateful! Mom...  
Lao Shao, he must  
have done it on  
purpose! He just  
stopped when I was  
about to cum!  
Zhou Ming, you  
have to hold on  
and don't just  
follow his  
will!

...But the cock, the  
cock is so comfortable!  
I really want to cum with  
my mother's beautiful  
black stocking legs! I  
really want to ejaculate

I want to  
cum... I want  
to cum... I  
want to  
cum!

I'm going  
to cum with  
my mother's  
silk feet! !  
!

嗯啊啊啊啊啊啊!!!  
**Cum cum!**  
**Everything ejaculated!**

Squir-

The most...I love my mother the most...I love my mother's silk feet the most...hehe... ..

What fun!  
This is the first  
time I have seen  
this boy Zhou  
Ming almost  
collapse.

But he must have  
cum too damn much!  
Sure enough, this is  
what virgins are like!

And I was left  
with this foot full of  
semen! It's good for you,  
just fall asleep after  
cumming without  
saying a word

Forget it,  
that's fine... Now  
I can understand  
the mood of girls  
who ignore them  
after being shot!

This is the happy  
time your mother and I  
spend alone together.  
From now on,

Yeah...my pussy, my pussy is so sensitive...

**Now you can finally enjoy it! I was interrupted just halfway through playing,**

**But this is really the first time to play with it myself! This little protrusion is the clitoris, right? Although I have seen it in movies many times,**

Uh-huh...uh-huh...

It's several times better than the Jiri Gun! Whether it's playing with the clitoris, it's awesome! It's just a light touch and it's so comfortable, it's still rubbing against the vagina,

Every moment my skin is clamoring for me to penetrate her! No, this body is really too hungry! That itchy feeling of emptiness,

But now I can't bear it even for a second! Originally I was a little resistant to being penetrated like a woman,

Oh oh  
oh oh oh!  
!

啧啧～～～

Oh oh  
oh oh oh!  
!!

Do it, do it!  
Why is it so cool!  
Just insert your  
fingers into it,

One finger is simply  
not enough!!! Oh oh oh  
oh oh!!! So cool! So cool! So  
cool! It turns out that all girls  
secretly enjoy such extreme  
pleasure? Damn it, girls are  
so selfish and unfair!

Whoever  
it is, come  
and make me  
worse! I want  
more, I want  
more

Son, good son, I'm  
sorry that my mother is  
so naughty, but she really  
likes to masturbate.

**Yeah! There is something, something running around inside the body, as if something is about to come out! No more! It's going to break and it's coming out! It feels so good, so good, so good!** ii

Swelling

Ahhhhhhhhh!

This is..

to be continued...
