

Al, you and your
girlfriend have
Everything
okay? been

That's great. It's not like you don't know how much I love my girlfriend!

What's the matter, why are you asking this suddenly?

Well... I want to talk to you about something, you have to calm down with me!

Your girlfriend...she seems to have cheated on you!

What are you? Did your Xiaoyi cheat on her? How is this possible?

You know how much I value Xiaoyi, don't talk nonsense like that!

A young man and woman are standing together in a coffee shop. The woman has long black hair and is wearing a black school uniform with a white collar. The man is wearing a white V-neck t-shirt and dark pants. They are looking at each other. In the background, there is a sign that says "Coffee" and a brick wall.

My girlfriend Xiaoyi and I met in high school and have been dating ever since..

Although we are now separated because of college, we have always kept in touch, and there is no chance of any problems in our relationship!

However... Xiaoyi is not only beautiful, but also has a generous personality. She must have made many new friends in the new environment.....

Maybe there will be a boy from Xiaoyi in college, but I believe that she is innocent and will not cheat on her!

In short, I don't believe that Xiaoyi will cheat on her. If she really cheats on her, I will definitely do it.
Found it!

So if you don't have evidence, don't make up random stories to taint my girlfriend's innocence!

Hey, calm down! I'm not a slut, I treat you like a brother!

When I was shopping the day before yesterday, I happened to bump into your girlfriend and she was walking with a boy. They were so intimate and unusual!

Seeing how
clear-cut he is,
could it be true?
Indeed, there is
no need for him
to come to me...

But I don't even want
to believe that Xiaoyi
will do anything to
feel sorry for me!

Well...otherwise,
since you don't
believe me, why
not go see it with
your own eyes
and find out!

Let me pretend that
you are a girl, so that
you can sneak into
your girlfriend and see
if she has cheated on
you!

**Varied? ! You
want me to dress
up as a girl?**

**You are crazy!
How can this be
done!**

If Xiang Xiaoyi knew that I was doubting her innocence, she might be so angry that she would break up with me!

Not to mention if she saw me disguised as a woman... I simply can't imagine what would happen.

What's going on!

A man with blonde hair, styled back, wearing a white button-down shirt, is smiling and talking to another man. The second man is seen from the back, wearing a black long-sleeved shirt. They are in a modern, brightly lit indoor space, possibly a bar or office. A green speech bubble is positioned above the man in the white shirt. In the bottom left corner, there is a small graphic with the text 'LINE' and 'Cash' next to a QR code.

Just because your girlfriend can't find out it's you, you have to choose a disguise that will least attract suspicion!

My sister is a makeup artist, and I have learned a lot of skills from her. Trust me, I will definitely make you look like you!

Um...is that so? But I can do women's clothing, and I always feel so ashamed!

Don't worry! When I finish it, you can sneak into your girlfriend's circle of friends as a girl to spy on her!

Hmm...I feel like it's impossible, but when I think that Xiaoyi might be sorry for me, I feel anxious all the time...

drink

He is my best friend. There is no need to worry about Xiaoyi. I might as well just do what he wants and give it a try!

Hey, what are you
little devils talking
about?

Um? Dad,
good morning,
Did it
bother you **WE**

A muscular man with a very short haircut and extensive black and brown tribal-style tattoos covering his neck, shoulders, and arms. He is shirtless and wearing black athletic pants. He is standing in a gym, looking upwards and to the right with a slightly annoyed or thoughtful expression. The background shows gym equipment and hanging lights.

snort! I just came out
to take a look
because I heard
someone's annoying
voice, and sure
enough, it's you
again!

Al, didn't I tell you that you
didn't hang out with people
like this too often? With a
sinister look, it's obvious at
first glance that it's nothing
nice one!

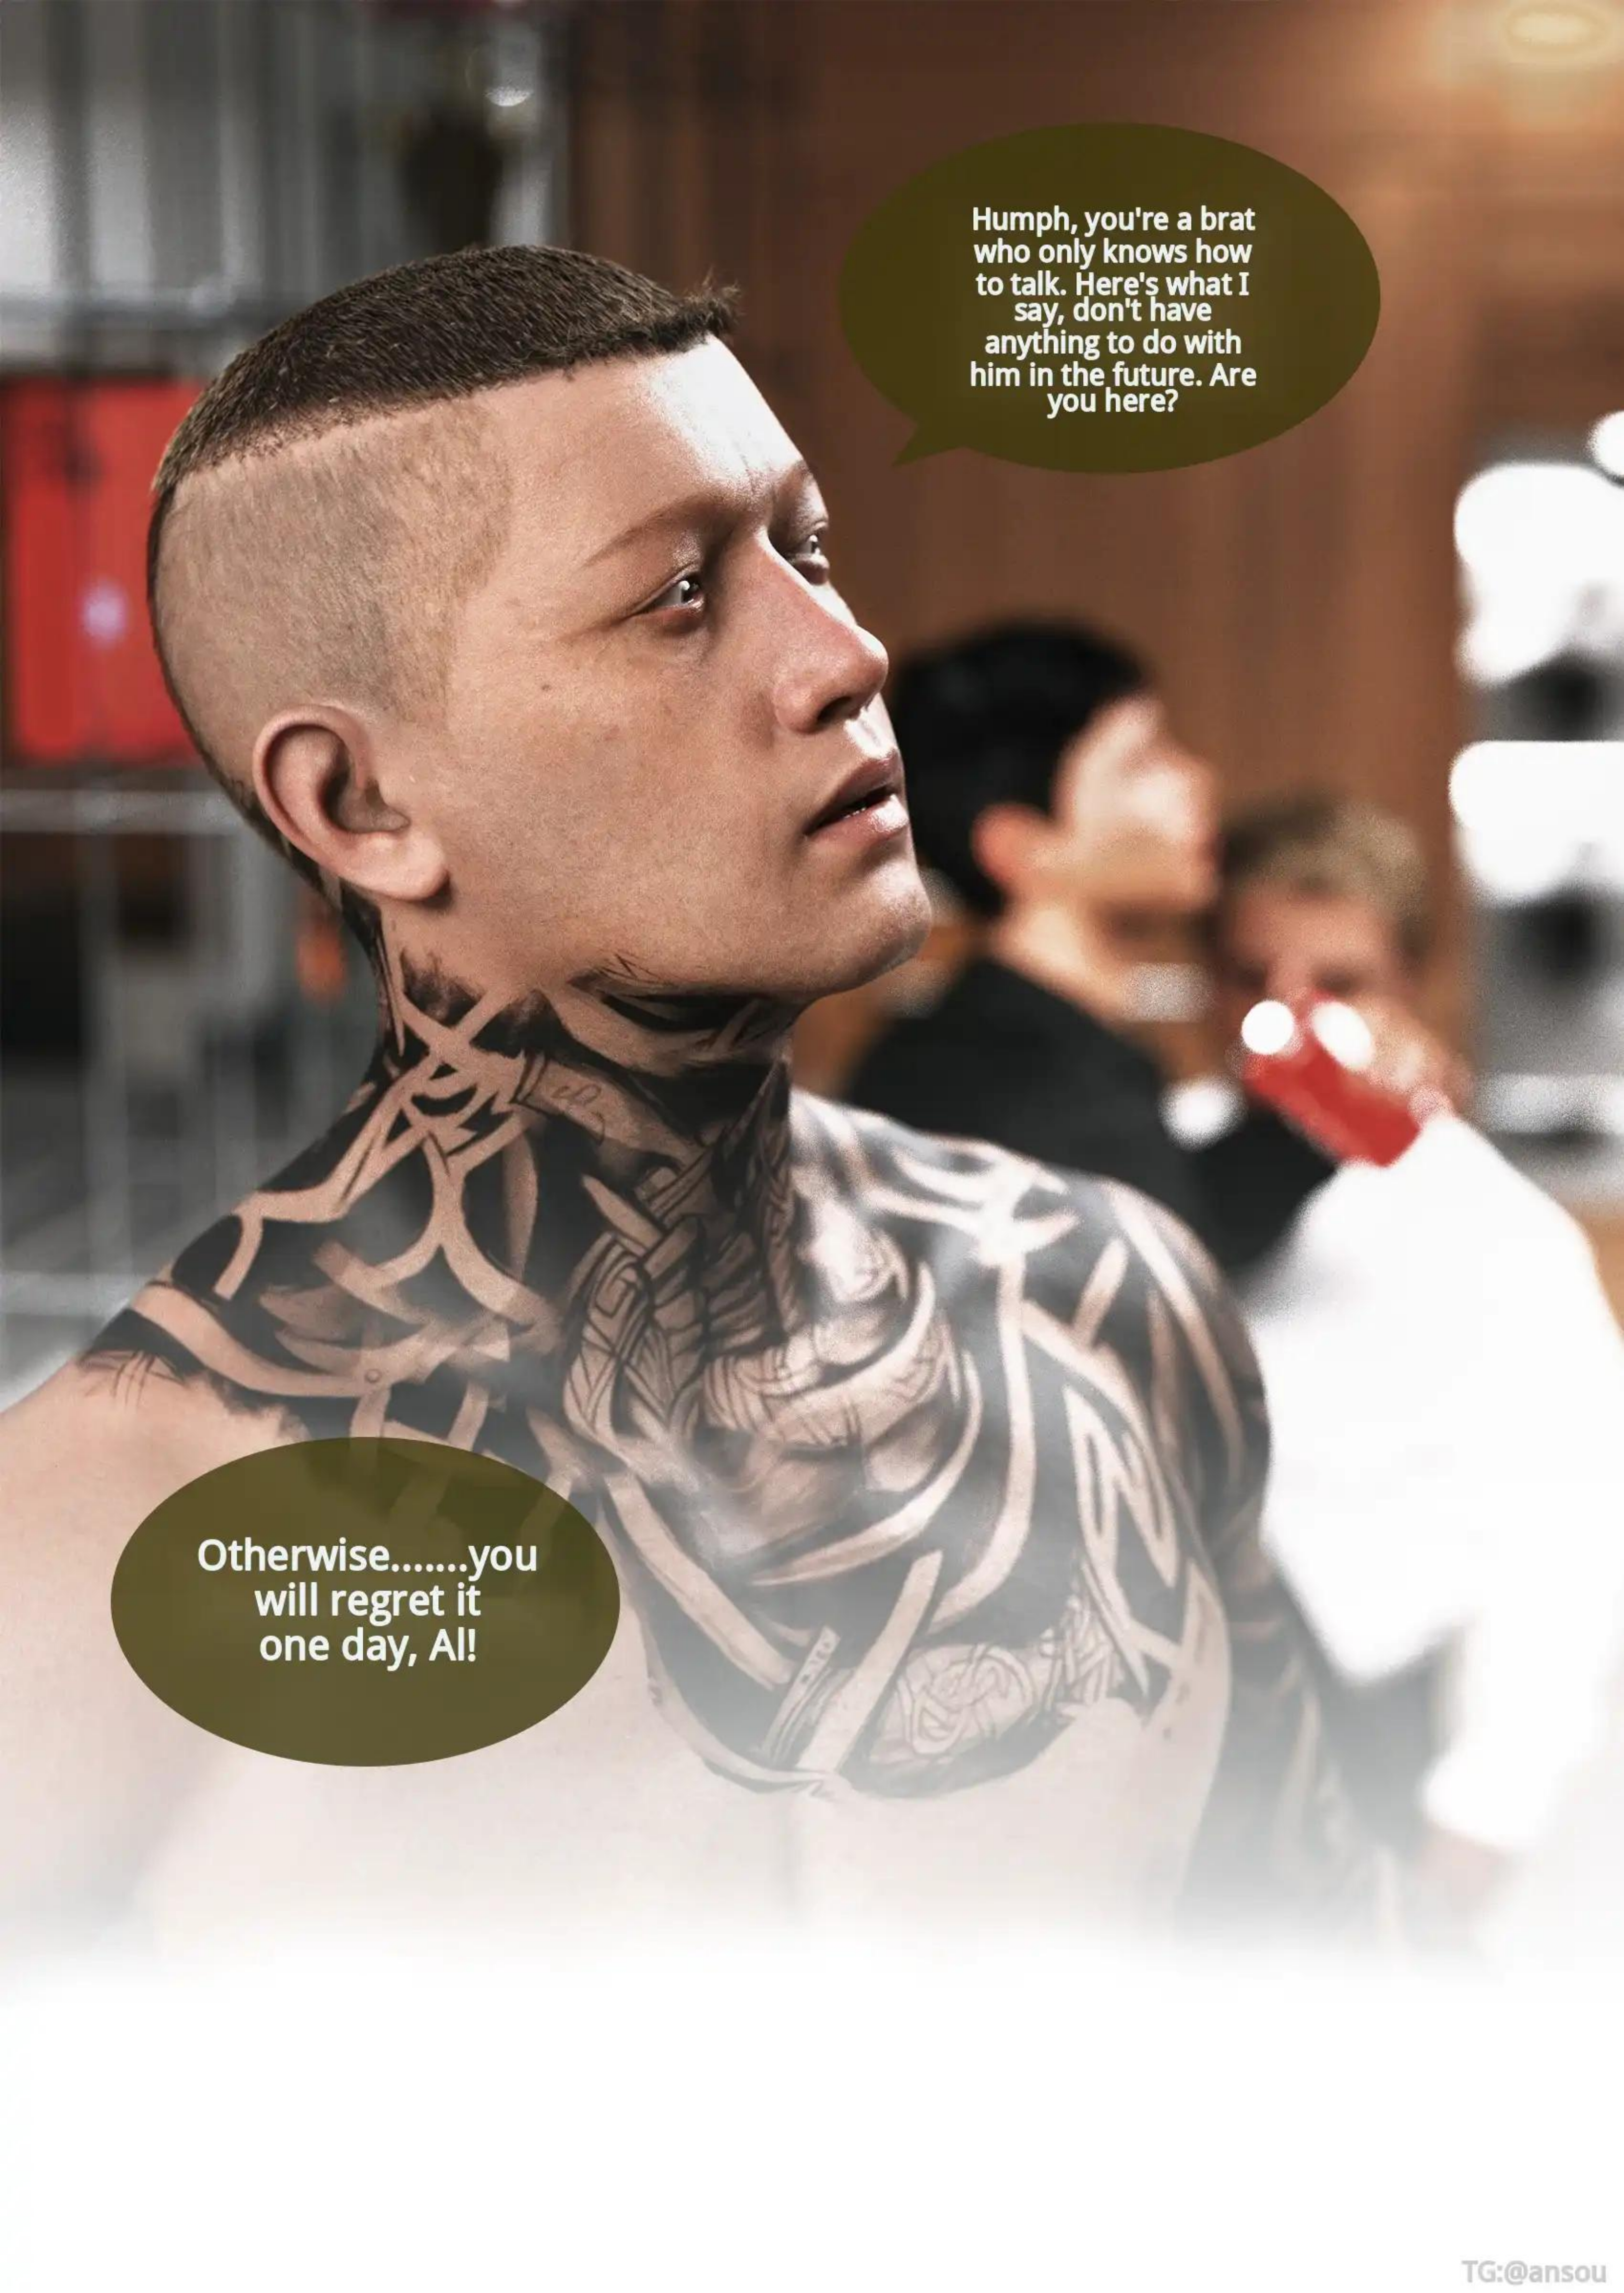

Dad, why do you do this every time? It's so rude. He is my friend!

snort! It's okay Al, I'm used to it, but this isn't the first time Uncle Jing has judged people by their appearance!

But you have to judge a book by its appearance. The tattoos on my uncle's body are really menacing. At first glance, he is a gangster, right?

Hey...Bless you, you should also use less rain words! Don't be so tense every time we meet.
So nervous!

Humph, you're a brat
who only knows how
to talk. Here's what I
say, don't have
anything to do with
him in the future. Are
you here?

Otherwise.....you
will regret it
one day, Al!

Come in, my family
has gone out, no one
is home now, no
restraint!
Use

I'm sorry, my dad
doesn't know why, but
he acts like that every
time he sees you....

If he finds out that
you want my
women's clothes, he
will definitely go
crazy, so he can only
come to your
house...

A man with short, styled brown hair, wearing a white collared shirt, is shown in profile, looking towards the left. The background is dark with some blurred lights.

It's okay, it's not the first time your dad has that attitude, I've already gotten used to it!

You can come to my house to get some. Cosmetics, clothes, etc. are quite complete. Come and take a look!

I borrowed a set of clothes from my sister, as well as some costume props that she used at work...

With these things and my makeup skills, you can ~~Don't~~ worry!

Wow! There are
so many things?
Clothes, silk and
high heels....

And that skin
color thing,
are those fake
breasts?

A black wig is mounted on a silver stand on a bed with a blue and white striped sheet. A black jacket is draped over the bed in the foreground. The background shows a wooden headboard and a window with blinds.

You even have fake hair. Your sister is indeed a professional makeup artist. She has so many things!

So this set of clothes is for me to wear?

Hmm...it's just that
this dress looks good,
but it doesn't have
any other styles?

pick
up

I prefer the light and
gorgeous style,
without princess
skirts and the like.

Pretending?

Hey, so this is why you don't understand! If you want to cross-dress as a woman, you have to use clothing to modify the boy's body shape..

Believe me, the one you choose is the most suitable! If you don't believe it, just change it now
knew!

Okay, okay, I'm professional, I'll just put it on right now!

But... when I really took off my clothes and saw my boy's body, I always felt that it was really impossible to dress up as a girl!

For someone like me,
there really is a way to
perfectly dress up as a
girl.
What does it look like?

Will you look like a
pervert after putting on
makeup, and others will
see through it at a
glance....

Don't lose confidence
before you start! Let's
put on this corset first.
Can you have a girl?
Raw
waist!

Come on, take a
deep breath, I'm
ready...

.... .three! I pull!

Oh oh oh
oh oh oh!

Shuju!

A woman with short black hair, wearing a black corset with lace detailing and a striped skirt, is being strangled from behind by a man in a white shirt. The scene is set in a room with a mirror in the background. A blue starburst speech bubble is positioned above the man's head, and a green oval speech bubble is positioned near the woman's waist.

Hiss... holy shit!
Are you trying to
strangle me?

Oops, the patience will
pass. This is the price of
becoming beautiful. If
you don't believe it, see
for yourself. Isn't the
waist stretched out now?

Hmm... let me see,
indeed, the waist has
become very thin, and
the entire arc of the body
has become
Got it!

It's just that it's
hard to breathe
just now. How
difficult is it to
dress up as a girl?

A man with short brown hair, wearing a white button-down shirt and dark trousers, is holding a large, realistic-looking prosthetic breast piece. He is looking at it with a focused expression. The background is a library with bookshelves and a silhouette of a human figure on a shelf.

This is just the beginning! Next is the fake breast part, put it on over your head like a top!

With the waist and the breasts, the whole girl's body shape will be amazing
Coming!

Ouch...so tight! No, this is too difficult to wear. I won't wear it out, right?

Put
on

Don't be afraid, this kind of fake breasts are made of silicone or silicone, and they are extremely malleable. You can't pull them out no matter what!

Huh... I finally put it on, is that okay?

It's just...the fake breasts stick to my chest, and the heavy weight makes me subconsciously want to put them on my waist.....

Hehe, now that you have breasts and a waist, you can give me your clothes
Put it on!

This women's clothing that I carefully selected will suit you very well!

A woman with short dark hair, wearing a black turtleneck dress, stands in a room. She has her arms crossed and a slightly concerned expression. A man in a white shirt and dark trousers stands to her right, looking at her. The room has light-colored walls and a wooden floor. A bed with a striped blanket is visible in the bottom left corner.

Whoa whoa! Sure enough, it fits perfectly, and you can't tell it's a man just from his figure!

Yes, yes?
Don't I look weird?

If you really want it,
your skin is a bit
darker, but just apply
some whitening lotion!

Then the body hair
also needs to be dealt
with, but you can't go
out with this leg hair!

Wait, even if you put on lotion, you have to shave your legs. If you are discovered...

Okay, just change to wearing long pants and no one will notice your leg hair!

Next is the base
makeup part, let me
put some foundation
on you.

As your body becomes
whiter, it must also
follow suit. It can also
cover blemishes, and
your skin will become
smooth, tender and
delicate!

Come on, your eyes are fine, I'm going to put on foundation!

smear

Wow...it has a cool and sticky feeling on it, and the brush feels good....

Well, let me take a look.
The toned color is almost done. The base makeup is done. Now we can start.
Makeup is on!

Varied? Is it just the beginning of that long journey?

I just adjusted your skin tone. If you just apply it casually, it will become too pale and uncomfortable.
Of course!

Otherwise, you can see for yourself, if the heels of your hands have turned a lot whiter now, then of course they must have the same lusty look!

Next is the application of eye shadow and lipstick: look up, open your lips slightly, raise your head a little, don't move!

Like, like this? This is the first time I know that it is so annoying for girls to put on makeup.....

...Is it better? It
still needs
Longer more time

It's almost done. It's
almost done. Finally,
put on false eyelashes
and apply mascara, so
that you can have
charming eyes~

Hey! That's done. Let
me step back and take
a look at the whole
thing.
ah.....

There's nothing wrong
with the makeup, the
clothes match well,
there's nothing
missing.....

Well... let me
take a look
too...

Wow! This person
in the mirror is
really, really
I?

Don't worry, brother, under my skillful hands, you look super beautiful!

It's just that your hair is a bit short now and looks a bit out of place. As long as you wear a fake, no one will be able to tell that you are a man!

Hmm... Let's see if my fake hair is crooked when I wear it like this?

It's just that the whole scalp is asking for help, my head suddenly changed a lot, and my eyesight also changed.

Okay.

Not used to it!

Haha, it's perfect!
Even I almost
missed you, Al, you
have really turned
into a beautiful
woman now!

You put on your silk
and high heels, and
I'll help you with your
nails....

A woman with short black hair, wearing a black turtleneck dress and black high-heeled boots, stands in a modern kitchen. She is holding a black bag. The background features grey kitchen cabinets and a wooden floor. There are two green starburst callouts with white text.

! Welcome our beautiful new student to the stage!

Look at that perfect, tall and slender figure paired with this sexy outfit!

Exquisite and three-dimensional facial features, matched with the most popular makeup of this year!

Very seductive lips, and those eyes that seem to be electric!

A person is shown from the waist down, wearing a black long-sleeved top, a black skirt, black stockings, and black high-heeled shoes. The person is standing in a room with a window and a shelf in the background. Two green starburst callouts contain text.

And these slender and sexy legs are decorated with black stockings and high heels!

Not to mention the complicated and rusty butt after adding hip pads!

A man with light brown hair, wearing a white long-sleeved shirt and dark trousers, stands in a brightly lit room. He has his hands raised in a gesture of surprise or admiration, with his mouth slightly open. The background is blurred, showing what appears to be a window with a grid pattern.

When I think
that I personally
created such a
beautiful
woman, I have
to admire
myself!

Not to mention
that you are still a
man, so this is too
harmful to me,
haha!

Hmm... I also think you made it very beautiful and beautiful, to the point where I can't even believe it myself... .

But there is a problem. Regardless of appearance, do I need to wear girls' underwear on the inside?

A woman is shown from the waist down, wearing black lace underwear and black stockings. She is holding a flashlight in her right hand, which is shining light on her lower body. Her left hand is pulling up the waistband of her underwear. The background is dark and out of focus.

Look, my lower
body is so
constricted by
these underwear?

erection!

The fabric covering
it and the constant
friction will cause
me to have an
erection!

I'm constantly stimulated just by walking like this, so I'd better change back to my original underwear!

Stop it! Women's clothing must be complete to look good, and it can also remind you at any time that you should keep your girlish heart outside!

If you put your clothes down, no one will notice. You may get used to it after a while.
Yes!

Hmm...Okay, it's just that it still feels weird down there, I hope I can get used to it quickly.....

good! In this case,
let's set off and go
to your girlfriend's
school to find out!

Well... I hope no one
will find out that I am a
boy, and I also hope
that Xiaoyi has not
cheated on her..

Phew...so nervous!

I didn't expect that I actually went out wearing women's clothes...

I'm Ajin, is it really okay for me to dress like this? Doesn't it look weird? It won't be recognized as a boy, right?

A man with light brown hair, wearing a white button-down shirt and dark trousers, is looking towards a woman whose back is to the camera. She is wearing a black dress. The man's shirt is pulled down, revealing a woman's chest. The background is a blurred indoor setting with a white chair and a wooden shelf.

Okay~ Even if you don't believe in yourself, you still have to believe in my makeup skills!

Don't worry, in other people's eyes, they see a super beautiful woman, and they won't even think that you are actually a boy!

Hiss...that girl Na Yi is too pretty. With such a good figure, she must be a model, right?

Although she looks sexy and fashionable on the outside, there is a sense of youthfulness and shyness in her hands and feet....

I don't know if I have a chance to get to know her. It's best to treat this kind of pretty girl who is not very confident.

Yes!

She and that golden retriever should be just friends, right? Otherwise, it would be too unsuitable for Yu!

Ugh... Even though
Ajin is like this, I
still feel so nervous
and scared.....

If someone discovers that
I am a boy wearing
women's clothing, I will
definitely be regarded as
a bear!

A person is shown from the waist down, wearing a black, form-fitting outfit. The skirt area is significantly bulging, indicating the presence of a large object. The person is holding a black strap or piece of fabric. The background is a blurred indoor setting.

Especially I don't know if it's because the underwear is too close to the body or because of the complicated feeling in my heart.....

bulge

My cock down there has never softened, and my skirt is so bulging. Will people find out that I'm a bear dressed as a woman?

Yeah~ The more you focus on the lower part, the more you can feel the feeling of your cock being wrapped in silky women's underwear.....

Coupled with the stimulation that seems to be discovered at any time, the cock becomes harder and bigger. What should I do?

deSnLakTe

Miss, Miss? Are you okay? Are you feeling unwell?

A woman with short black hair, wearing a black high-collared dress, is looking back over her shoulder. The background is a blurred crowd of people. A blue starburst speech bubble is positioned above her head, and a blue oval thought bubble is positioned below her head.

Little...Miss? Are you talking to me?!

Some people would actually mistake me for a girl...
Could it be that my cross-dressing was really successful?

Um...it's my
business. Excuse
me...where is the
bathroom?

A woman with short black hair, wearing a black turtleneck and black gloves, is looking at her reflection in a large, dark-framed mirror. Her reflection is slightly out of focus, while she is in sharp focus. The background is a simple room with a door and a wall.

call! I hid in the office
without thinking too
much. Just looking at
the girl in the mirror,
I still felt
uncomfortable.....

Is this beautiful girl in
the mirror really me?
I...I can actually
become so beautiful?

ah! Yes, a girl
has come in! Yes,
this is a
women's office...

She...she
shouldn't be
able to see
anything wrong
with me, right?

Tikka

Wow... I realized that I was actually in the women's bathroom, and I couldn't help but get hard...

It's already bad to enter a woman wearing women's clothes, let alone with a cock erect, it's really a bear!

But the girl didn't seem to notice anything. Was my disguise too successful?

Yes... Measuring...
Measuring my current appearance is that this place is beautiful, this place is beautiful.....

Ah! The exciting feeling
of being able to
penetrate a woman
with such force despite
being a boy.....

And the contrast between
my beautiful female
appearance and the
man's erect lower
body...it's so satisfying!

A person wearing black lace lingerie is shown from the waist up. Their right hand is placed on their hip. The background is a soft, out-of-focus light color.

Yeah! The erect
cock was restricted
by Si Wei and her
underwear, and the
pressure made it
even more exciting!

erection!

I obviously dressed
up as a woman for
my girlfriend, but
now I'm secretly
wanking my cock in
the women's
bathroom.....

This sense of immorality, as if one is doing bad things, is something people really love and hate at the same time!

But I couldn't stop my hand at all, my cock was harder and more pleasurable than ever!

That girl must not have thought that there is a woman here dressed as a bear secretly masturbating!

If she looks over just a little bit, she will notice how terrible I am. The thought of this makes her feel even more excited!

Al? Are you okay?
Your
girlfriend...cough!
I'm Xiaoyi, coming
soon!

ah! Wait...wait a
minute, I'm
going out now!

Are you okay? Why have you been here so long? Are you feeling unwell?

I'm going to meet Xiaoyi soon, are you sure you can do it?

A woman with short black hair, wearing a black turtleneck dress and large black hoop earrings, stands in a library. She is looking towards a man in a white shirt who is partially visible on the right. The man is holding her hand. The background consists of wooden bookshelves filled with books.

Well... I can't. I was addicted to the pleasure of my cock in the women's bathroom, so I dragged this For a long time....

No, I'm fine, I just made sure there's nothing weird about my appearance.

It's okay, just remember, I will introduce you to Xiaoyi as my classmate, but you must not expose the secret yourself!

Well...I know, I have memorized all the words, don't worry!

錫錫

Oops~ Azin, you have arrived. Have you been waiting for a long time?

How are you doing recently? Did you get a girlfriend in college?

We haven't seen each other for a while. The last time AI and you and I went to see a movie was a long time ago~

A man with light brown hair, wearing a white dress shirt and a dark striped tie, stands in a library. He is looking towards the camera with a slightly surprised expression. Behind him stands a woman with short black hair, wearing a black turtleneck dress and black heels. She has a serious expression and is holding a small object in her hand. The background features bookshelves filled with books and a brick wall. A large, out-of-focus object is in the foreground on the right side.

Yes, but I haven't seen you for a long time. Xiaoyi, you are still beautiful. It's such a waste to ration that brat AI, haha!

Let me introduce, this is my college classmate, you call him...um...call her Xiaojing
That's it!

oh? Is she the classmate you want to introduce to me? I didn't expect it to be such a beautiful young lady!

Hello Xiaojing, I am Xiaoyi, the girlfriend of Azin's friend. I'm glad to meet you~

You...ahem!
Hello, nice to
meet you.....

Phew...Looking at
Xiaoyi like this, she
really hasn't come out
to me. I really don't
know whether I should
be happy or sad...

So Xiaojing, how did you and Ajin meet? What are your usual interests? Do you like watching movies?

I have a lot of things I want to talk to you about. Let's find a seat and sit down first and drink coffee. Let's talk slowly!

What, Xiaoyi is not suspicious at all, is she?

I'll leave it to you. Don't worry, you and Xiong Du should be more natural. Xiao Yi will never think that Xiao Jing and Ai are the same person!

It seems...it's really like this. I just raised my voice a little higher and pretended to have a girl's voice.....

But my girlfriend actually won't come out to me, and I feel very complicated...

In this way, as the girl "Xiaojing", I became friends with my girlfriend Xiaoyi...

Due to my familiarity with her and Ajin's help, the atmosphere of the chat has been very lively. However, our goal today was not achieved....

A woman with long, straight black hair is sitting at a table in what appears to be a cafe or restaurant. She is wearing a white long-sleeved shirt under a black vest. Her right hand is resting on her chin, and her left hand is on the table near a coffee cup. She has a thoughtful expression. The background is blurred, showing other tables and chairs.

Haha~ I had so much fun chatting today. I don't know why. There is always a wonderful tacit understanding when chatting with Xiaojing, as if we have known each other for a long time!

Your people also give me a very familiar feeling. We really didn't know each other before?

This...this may
be my fate,
haha...haha...

In the end, we still
didn't find out whether
Xiaoyi fell in love with
someone else. So
wouldn't today's work
be in vain?

By the way, how about we find a day to go swimming together?

Huh? !
Swim...swim? This
is not good...

A man with light brown hair, wearing a white dress shirt and a dark striped tie, is looking towards a woman. The woman has short black hair and is wearing a black dress. They are in a room with bookshelves in the background. The man is leaning on a table with papers. There are two speech bubbles: a green one on the left and a blue one on the right.

This is a good suggestion! Let's go together when everyone is free!

Atsu, you...!

Great, let's settle it then! I'll make an appointment with all of you again,~

ah! Xiaoyi, wait a minute, I, I can't go swimming! Xiaoyi~

No way? Ordinary women's clothing is no longer easy. If I have to wear a swimsuit when going swimming, I will definitely wear one!

Why did you agree with Xiaoyi to go swimming at that time?

**I'm a grown man, so
if I put on a girl's
swimsuit, I would
wear it right away!**

**You should send a
message to Xiaoyi
now, sue her about
me... sue her about
Xiaojing not to go!**

A man with short, light-colored hair, wearing a white long-sleeved shirt and dark trousers with a brown belt, is gesturing with his hands as if speaking. He is standing in a bright, modern interior with large windows in the background. The lighting is soft and natural, coming from the windows. The man's expression is calm and explanatory.

Oh, calm down. If you want to know whether Xiaoyi has cheated on you, you have to go out with her more times, right? Going swimming together can help deepen your relationship!

As for the swimsuit part, you don't have to worry about it...

Believe me, I can find a way to put on a swimsuit and you will still look like a beautiful woman, so just leave it to me haha.....
