Otherwise, what is the team leader doing? Is the team leader kidding me? ..What is the situation now? Or is there a program crew coming to film some kind of persecution plan?

Does a room
need such a
surprise? Damn, what is
Lao Shao doing? Look, this
will arouse others'
suspicion! You are playing
my mother now. How
could Tangtang Hotel
team leader make
such a fuss?

The surprise and comfort when opening the door are very important. Is the team leader simulating the situation when guests check in? Indeed for our hotel audience

Is that right? Team leader He!

Isn't that why children are so excited when they come to stay in a hotel? What, ah... Yes, Yali is right

People whose parents are flowers will naturally agree! That's right! Mother of all people, people catch the thief first, catch the king first, as long as you capture the heart of the child, you will continue to stay in our hotel

Shouldn't the main audience be business people? But we are a business hotel, and according to last year's statistics, family occupancy only accounts for a small proportion of our hotel.

So this is a market that needs to be developed for our hotel! Because there are not many family guests,

**But it feels cold
and not fun at all!
That's right, look at this
room, it's beautiful**

**Why don't you put
some on the table? It's
too stingy! In such a big
hotel, guests are served
potato chips and spicy
strips.**

Why aren't there a few condoms on the bedside? Aren't all hotels supposed to attach it? Also,

Do you understand? This is not possible! We want our guests to feel at home. I just looked at so many questions.

snack? condom?
Please, is the team
leader too tired from
work to start talking
nonsense? This is not
a love hotel.

What should I do if my mother loses her job? Why don't you be so exaggerated and talk so unabashedly, you damn old Shao! I finally helped you get through it

I have to find a way to get rid of her. I can't let him ruin my mother's reputation like this anymore.

Why don't we go here first for today's inspection? Lend us a meeting! Please register this room for us, Xiao Zheng, the team leader and I still have something to say.

Then I'll go back to my post first! Goodbye sister Yali, goodbye team leader? I, I get it

close
one

Snap!

ah!

What are you doing?
It hurts!

You are playing my mother now! Are you trying to make my mother lose her job? It didn't matter if you were at home before. Do you realize that you are still acting like this outside now? What am I doing? I just wanted to ask you what you are doing!
Dead old Shao,

Oh, what a trouble!
Why are you so angry?
Look, my face seems to have been distorted.

Down-

**Phew~ It's
time to get some
air, it's so hot!**

What is the main purpose? Let me ask you, okay, don't make a face, we will come to your mother's place of work today,

**It's not
because you didn't
handle things well.
Let's get to the
bottom of it.**

It made me break out in a cold sweat! But a few days ago, my mother suddenly asked me whether my mother would have memories of that period after being turned into a skin. At that time, Lao Shao clearly asked if any of my classmates came to the house.

Lest she think of Shimo!
The final result was that when I
asked Lao Shao why he was like this,
he was so unreliable that he didn't
know anything about it. Seeing if he
could use this to blur her memory
would only turn his mother into
a skin again.

I'm really worried! Come to the hotel to work on her behalf, but if Lao Shao wears his mother's skin,

Keep a good eye on him! I could only follow her to the hotel. As a last resort,

Lao Shao selected the most beautiful one from among my mother's colleagues, the one she wore was Ms. Wang Yali.

I really want to... hmm! This skin is beautiful and sexy. I have to say that it makes people feel itchy when wearing it.

Just ask Akai to put it on and see how he looks. It's really fun! As for school, Teacher Jiang helped us both ask for leave.

Be optimistic about Lao Shao and don't let anything happen to him again! I just hope that today can go through smoothly,

A man with short brown hair and a woman with black hair in a dark blue dress are shown in a close-up. The man is looking slightly to the right with a neutral expression. The woman is looking down and to the left. Two speech bubbles are present: one on the left containing text and one on the right containing text.

I didn't expect this either! Who knew your mother had such a good memory?

Don't worry! As for that little Zheng just now, you don't have to worry. I will only be myself in front of her and you. I still have to act like your mother in front of others.

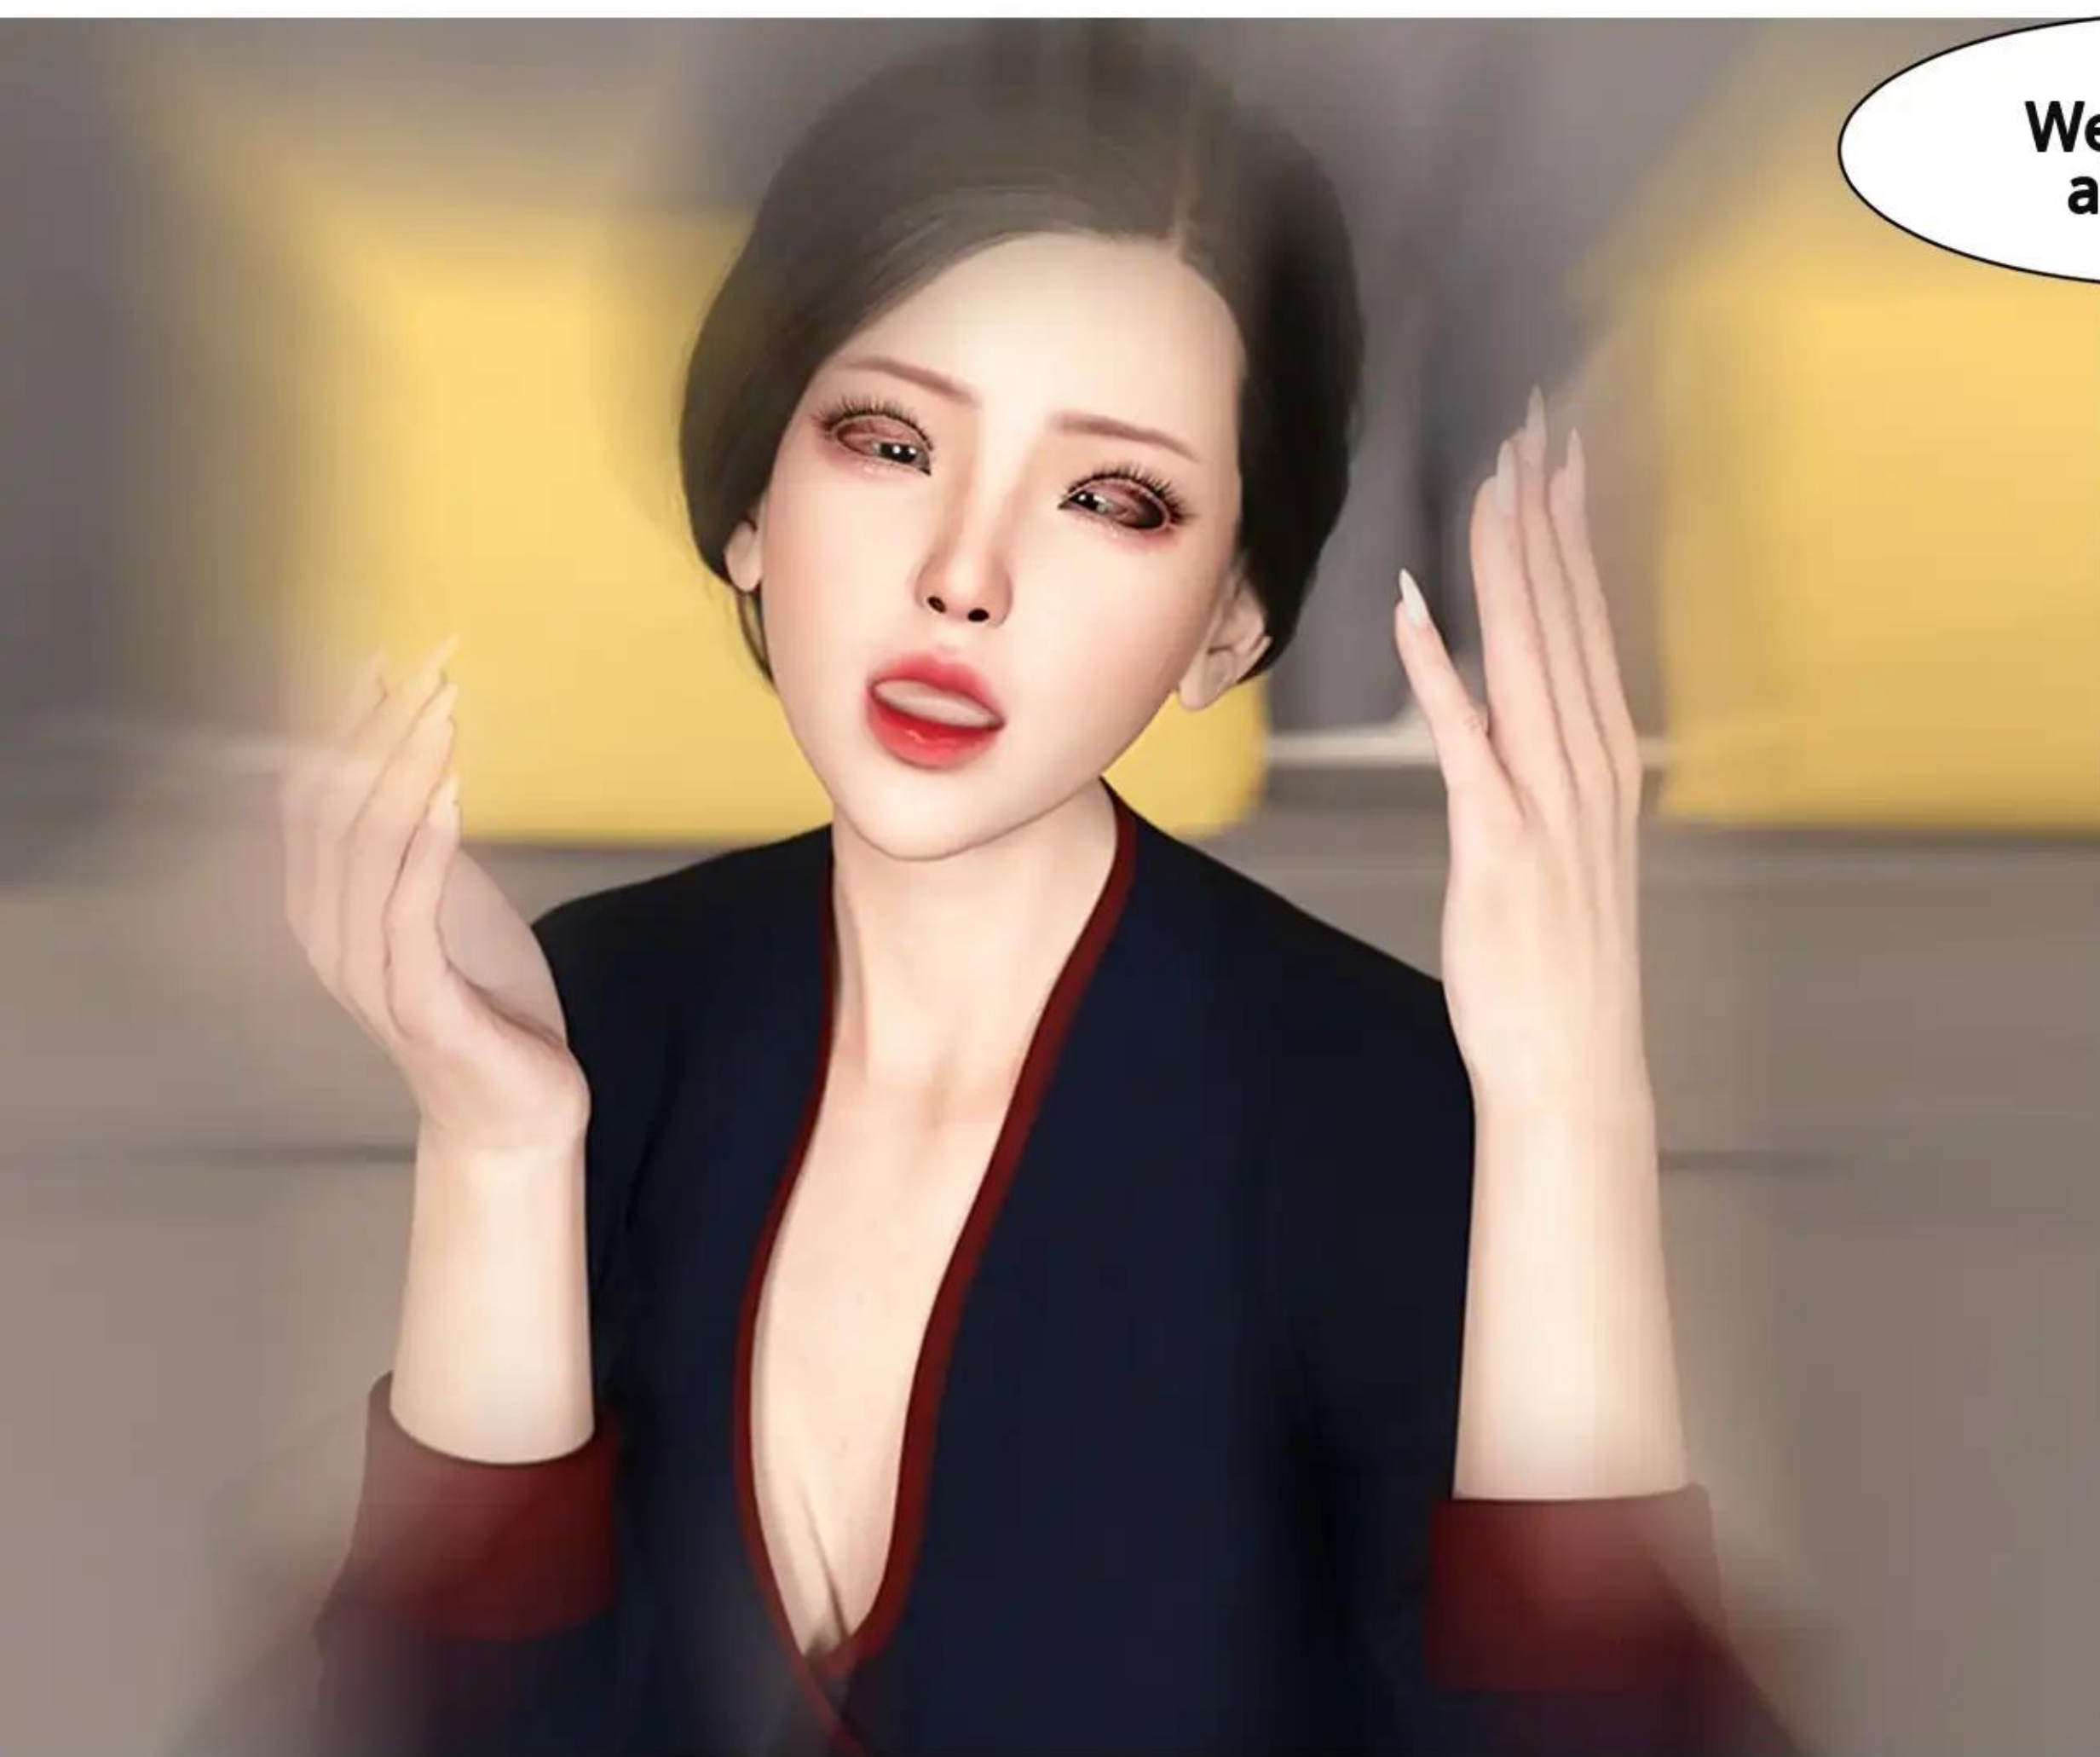

Otherwise, if you cause my mother to lose her job, let's see how you are responsible! It's best to do this,

What if someone comes in waiting? Also, put on your skin quickly,

Be careful one day you become a housekeeper! Okay, I see you are worrying about all kinds of things all day long.

Well, that's all right!

So cool! You don't have to sit in the classroom and listen to the teacher chanting sutras~ Sure enough, it's better to live an adult life

If we don't do it first, then you think adults don't have to work and don't have to go to work? What a blast! Make up for missed homework,

snort, I would rather be like an adult than go to school again!

With Lao Shao being such a jerk, I really don't dare him use my mother's identity to work!

It's only been a day, so it should be fine, right? Although it's not a good idea to skip work, it's the hotel's off-season anyway, and my mom is the team leader.

Ming!
Wait, this
feels like.

I drank too much
water and wanted to
go to the toilet.

What weird expression did you make suddenly? Constipation? What's wrong

Can't you be more polite? I need to peel Watch the door for me while I take off this human skin.

You haven't experienced the feeling of a girl going to the toilet, right? Although it's not as satisfying as having sex, but...hey hey, it's also a very special experience! Just wear your skin and go! It's just for peeing, why bother taking it off?

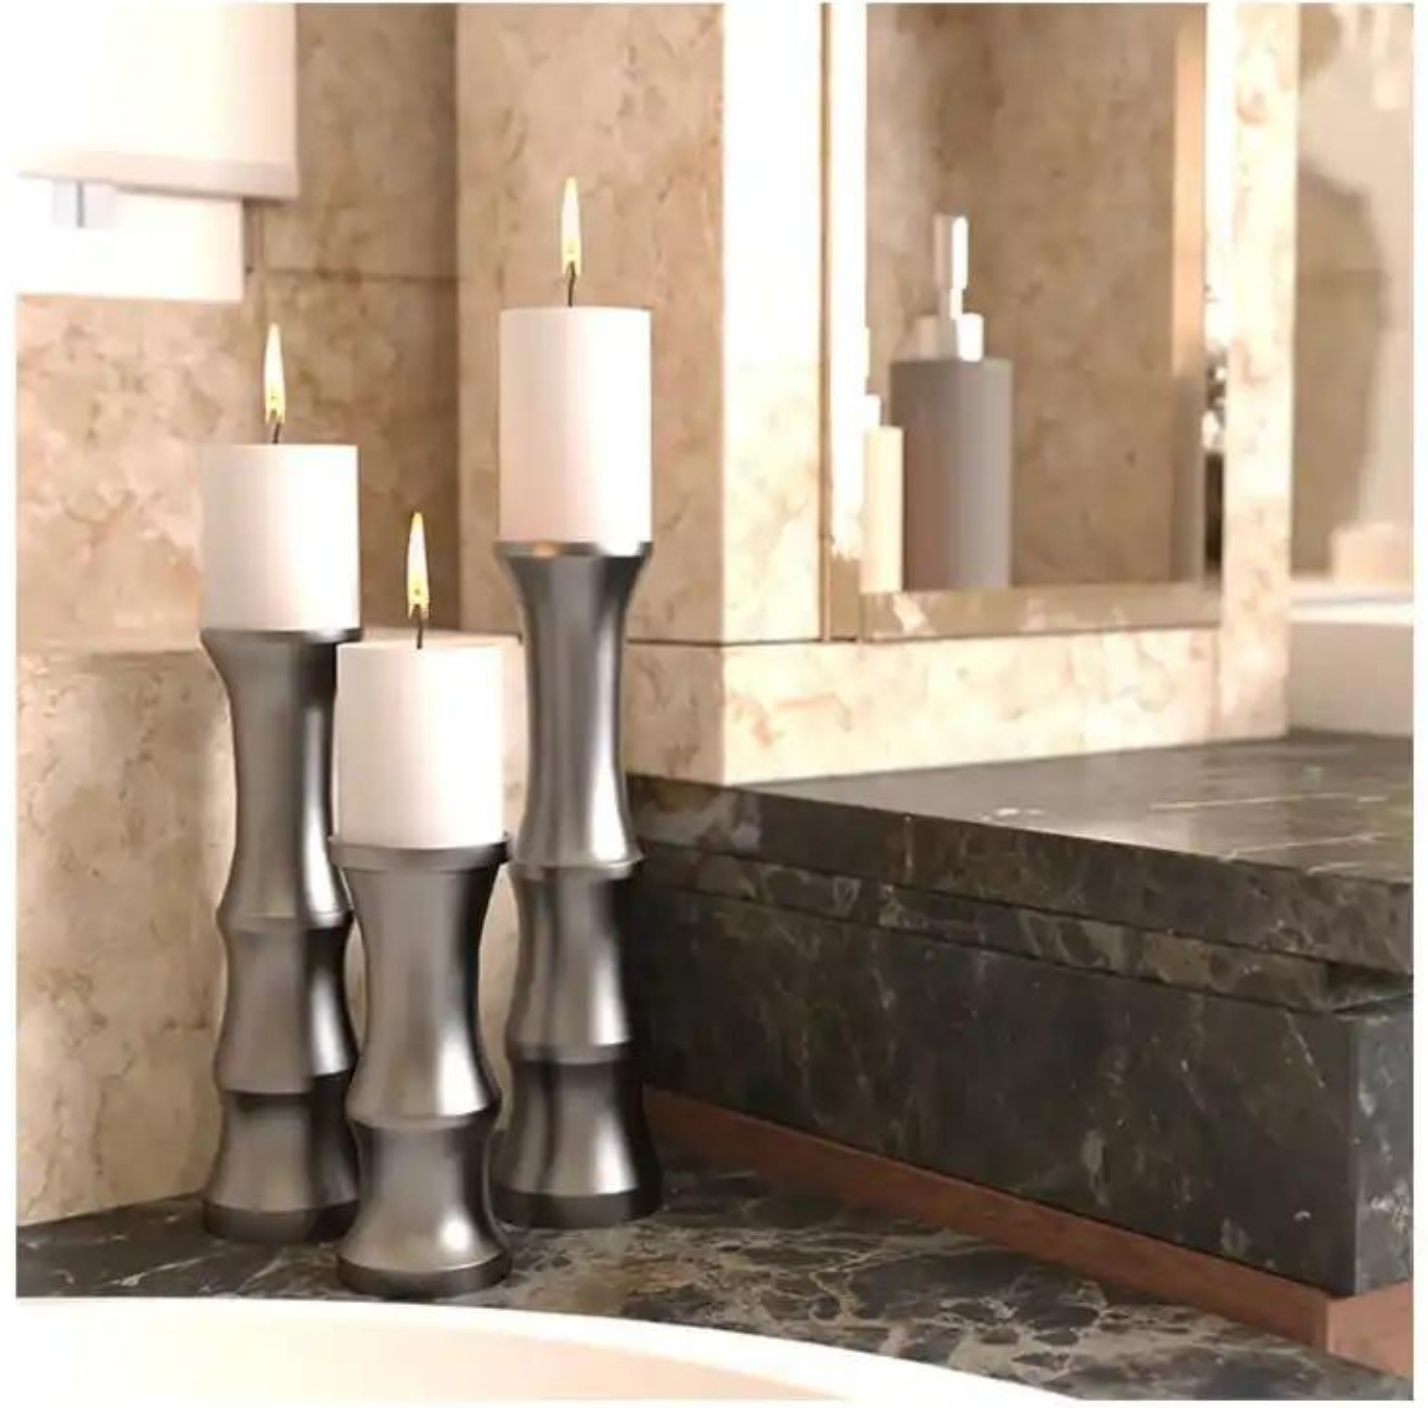

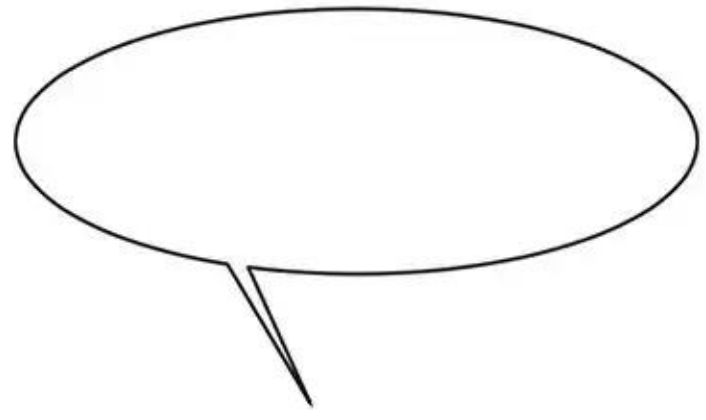

ah? But, but, this is not good, right?

Then, shall I go? Hmm... But you're right, it's really troublesome to take off this skin.

**He Manhua
(voice)! A guy with a
bad mouth and an
honest body.**

but

The thought of using a girl's body to pee makes me feel so ashamed that I can't pee at all! What should I do? My bladder feels like it's going to

explode. **To think that she is a man's wife, let alone using someone else's body without permission, is like voyeurism and cheating.**

But Lao Shao is still outside! Or do I have to pull out my dick and pee like Lao Shao? But if I do that, I will definitely get a shot.

No more, I can't bear it anymore, it's going to explode!

Uhhhhhhh~

Haa... Haaa...
Haaa... It's like, it's
like there's an electric
current running through
it, but it's the most
sensitive part of the
body, although it's not
as strong as
ejaculation.

No wonder girls have to use toilet paper when going to the toilet..

meow

Well, I'm
fine...

call
out!

It scared
me to death,
what the hell
is this!

**Of course...It's
pillow fight time!
They all came to stay
in the hotel.**

**You actually
carried out a
sneak attack, right?
See how I deal with
you! Good old
Shao,**

Ha ha
ha ha..

**Whoop,
whoop,
whoop...**

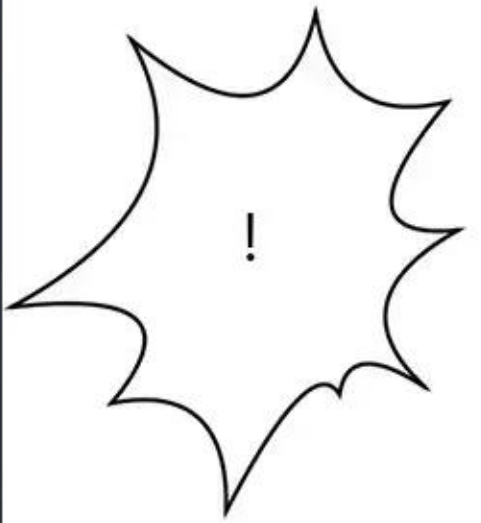

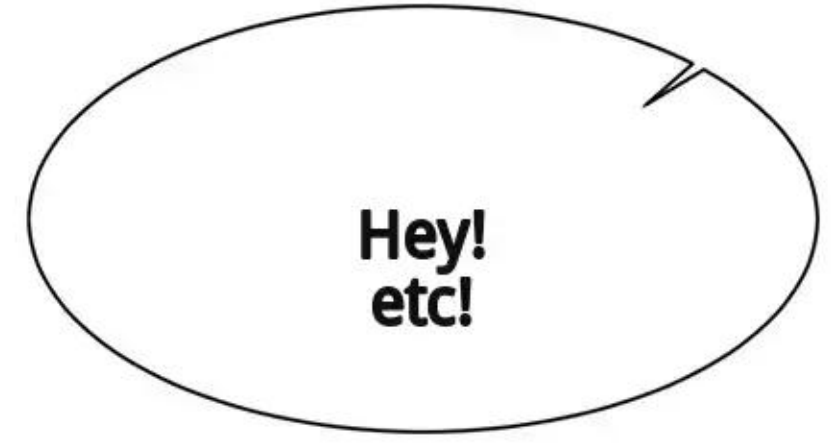

I should win, hehe!
Judging from the results

It's not because you don't have martial ethics to conduct a sneak attack, huh!

As a winner, there should be some benefits, right? Even if it is a sneak attack, I will win!

What do you want to do?

A woman with dark hair, wearing a dark blue dress with a red lining, is leaning over the shoulder of another person whose dark hair is visible in the foreground. She is smiling and looking down. The background features a grey textured wall with a gold-colored frame and a piece of abstract black and white artwork.

Don't tell me you
don't want to! Aren't
you asking knowingly?
Of course I want to do
something sexy!

The skin
I'm wearing is
someone who
has a husband!
Wait, wait, this
won't work,

Sticking between girls doesn't count as cheating! It's like your mother is single.

I've been thinking about it all day! Haha ~ beautiful silk feet

**I'm afraid you don't
have time to adapt to this
new body, right? Let the team
leader train your employees!
we have time today**

If you do it like
this, I will... Yeah!
Ming! Wait, wait

But this sense of taboo transgression is so fascinating! Ming... Obviously, obviously I know it can't be done

The non-stop pleasure of the slippery tongue and stockings is so torturous! The touch keeps rubbing the clitoris,

The lustful expression was helping me, especially when I saw my mother using this kind of contrast, it was really...ahhhh! Still licking my pussy,

Are you feeling so good at home that your sexy nipples are erect? This is how you seduce your husband! Look at you,

It doesn't work over there, it's so cool! Oh oh oh oh! Boobs, boobs,

Make more,
and people will
want more!
Uh-huh~much,

Wow, we, Yali,
got angry so quickly?
The slut team leader
wants to give you a
reward! Such a lewd
performance,

Well

Well

**It's like
having an
orgasm, it's so
exciting and
blissful! Just a
kiss, a lily kiss
with mom,**

**I really want...
I really want to
stay in this beauty's
body for the rest of
my life and keep
playing with my
mother like this.**

Uh-huh

Isn't your husband ready to be a cuckold every day? Squirt, Yali's bottom is so wet! You are so hungry, how can you go to work like this? My water started to flow as soon as I went out, just because I was touched a few times.

We are really terrible slutty employees! Not only did she skip work, but she also secretly did lewd things in her room.

Even others want it! Yali, what should you do? But seeing Yali's naughty look,

I want to have great fun with my mother ~ I want to have sex! I want it too, I want to climax,

Very good.
He is indeed
my favorite
employee. 

~Yeah!

Yeah

Yeah~Yeah!

The pleasure is
no less than being
fucked by a cock!
I'm Ru!! So cool,

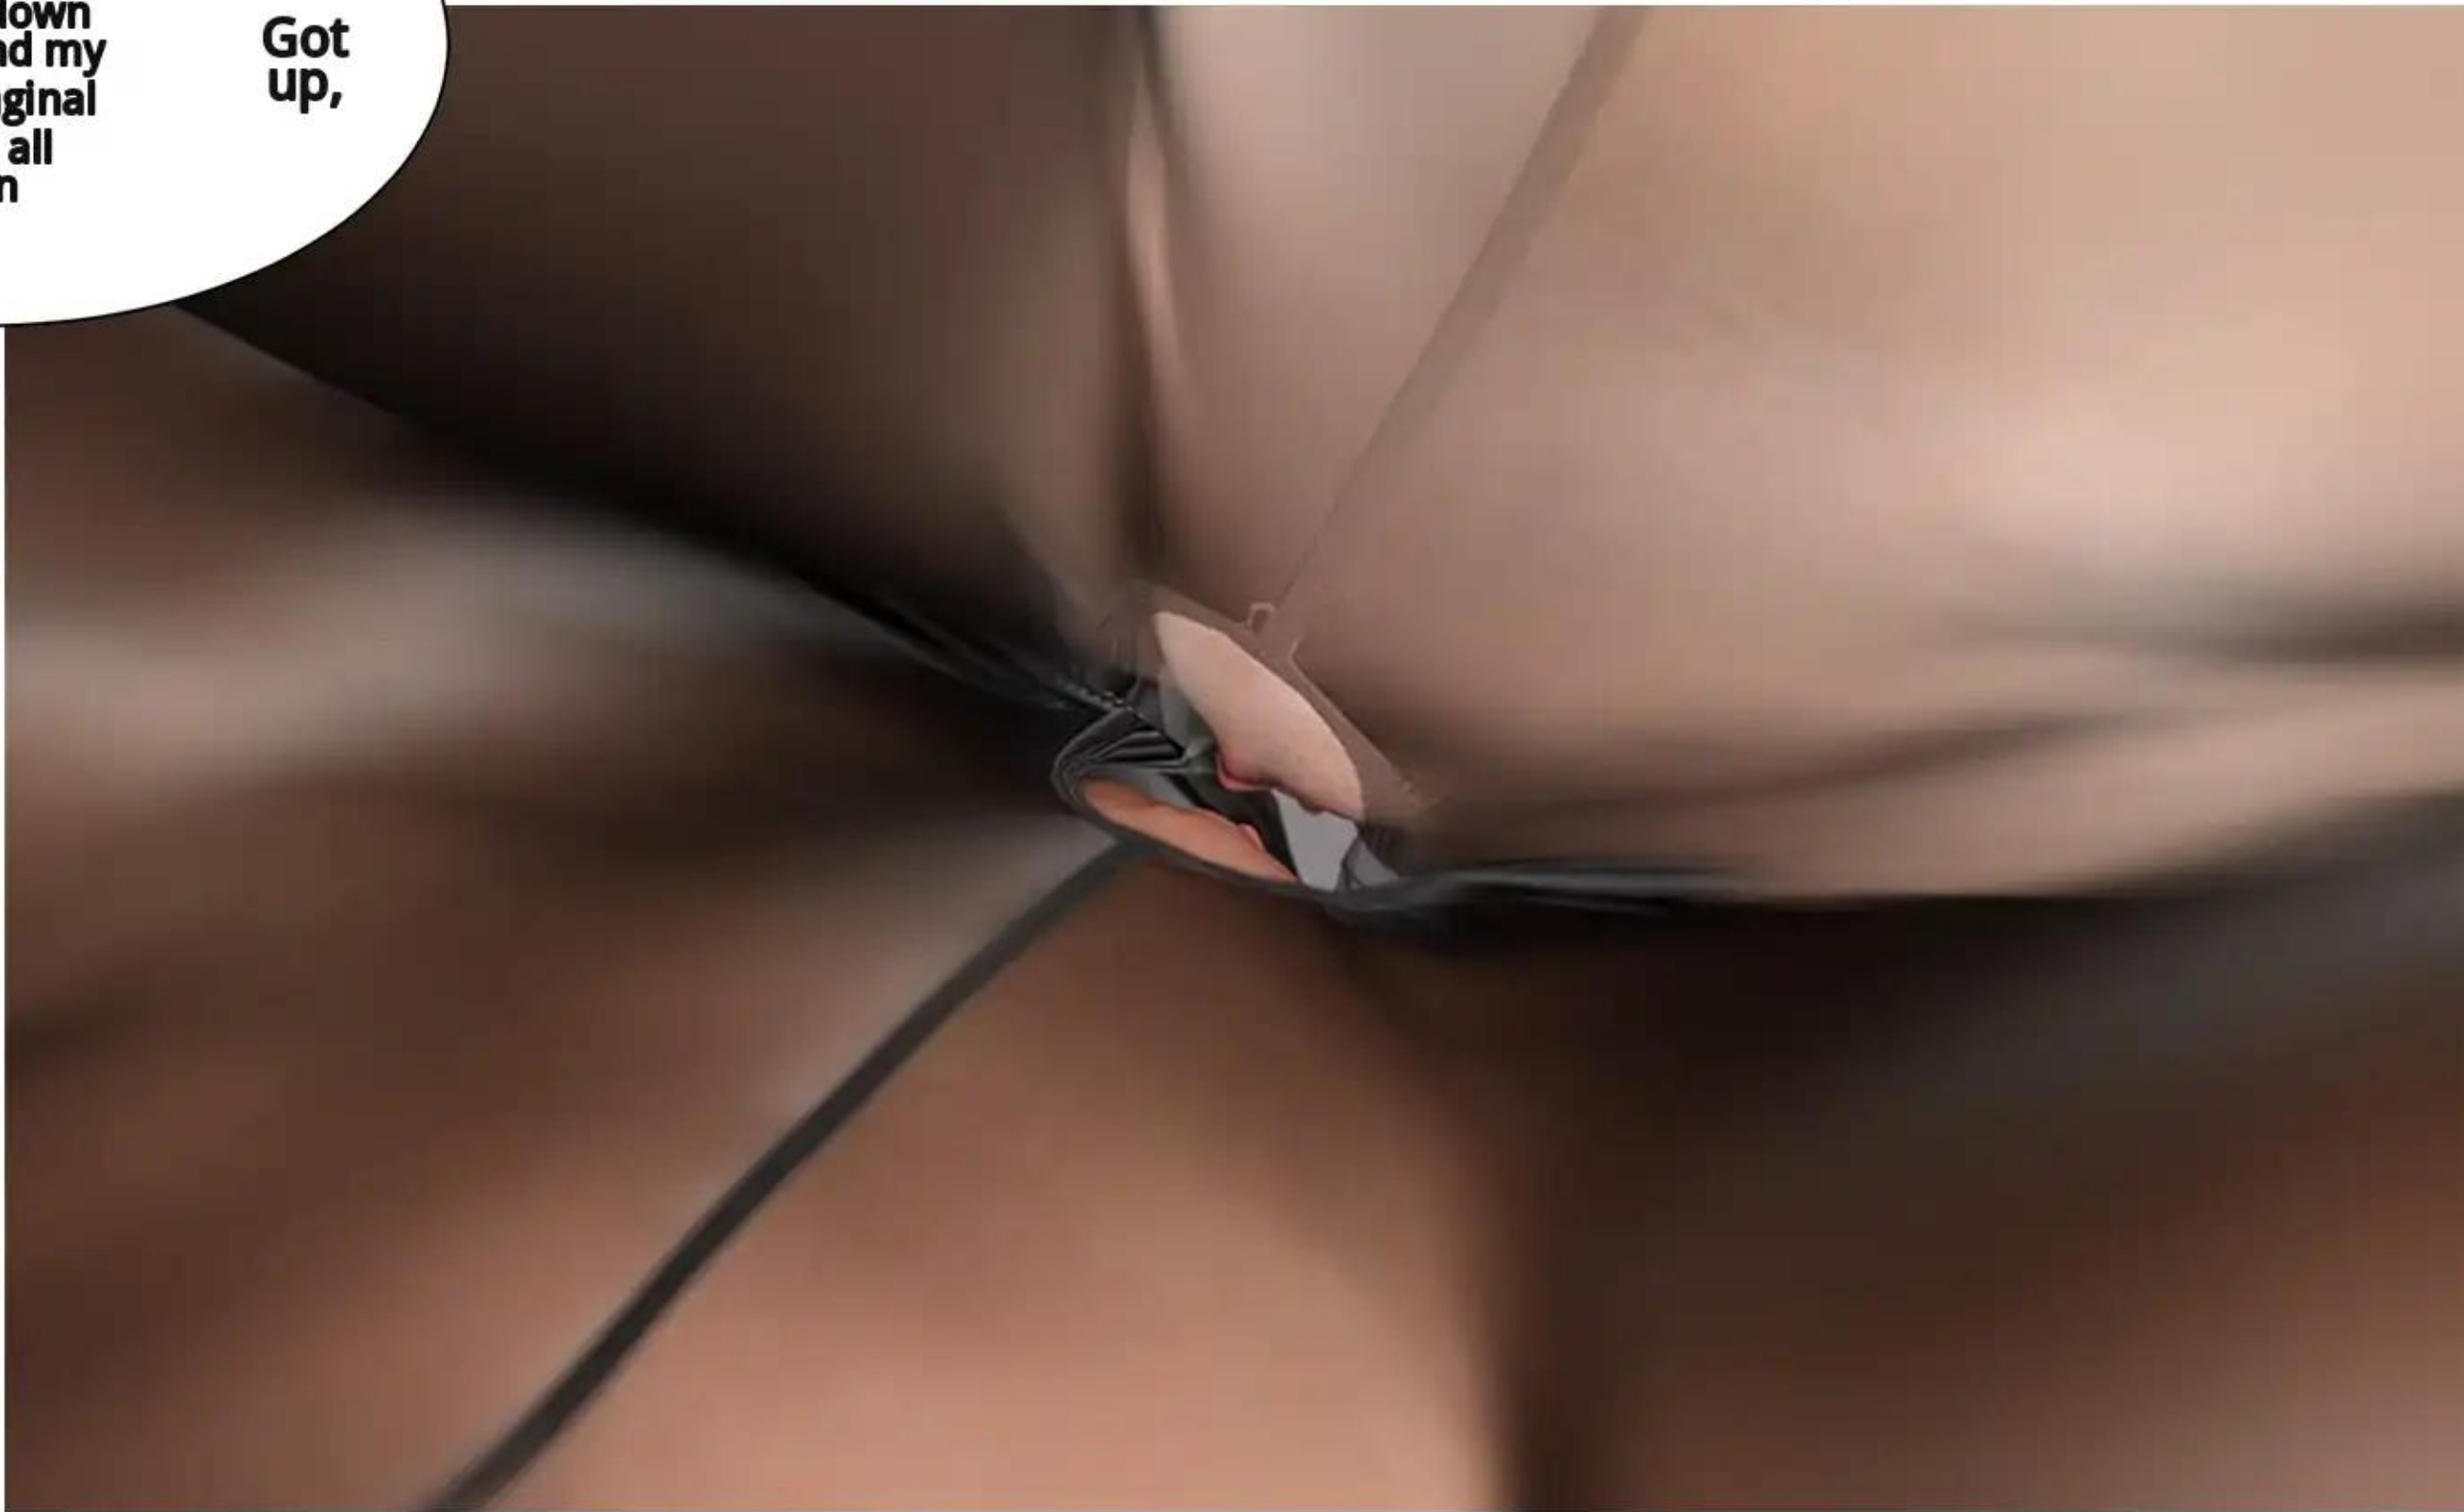

It's the most
enjoyable to rub your
lower body with your
mother! Mom, Mom, I
feel so comfortable.

It's as if I'm kissing my mother with my little mouth down there! The constant collision between the clitoris

So lustful and perverted! And it's so wet down there, my and my mother's vaginal fluids are all mixed in

Got up,

-It feels so good to think of this! This room has been contaminated by our perverted smell! The air is full of the fishy smell of sex. Who would have thought that it was actually two male high school students here? Even the sweat smells delicious, hahal sex between girls

A photograph of two women embracing on a grey couch. The woman on the right is leaning her head against the woman on the left. Both are wearing black stockings and high-heeled shoes. A large yellow cushion is visible in the background. Two speech bubbles are overlaid on the image, containing explicit text.

Slutty mom,
I love it the
most! Uh-huh,
uh-huh, mom

Lustful sluts are
the best!
Uh-huh...hah! Yali
becomes lustful

People can't stand it! What should I do if I have to climax with a girl's body? No way, with such a lustful mother in front of me, I will turn into a slut both physically and mentally.

The awesome feeling is coming again!
I'm going, I'm going!
Yeah! Coming

Squirting!

I have to climax with my mother! 

Gone ah ah ah ah!

Huh...huh.

Really, really...
My body, my body
was still shaking...
For a moment, my
whole mind went
blank.

**It's
really
great...**
