## Collaboration Notice

This comic is a collaboration between **3D-Swede** and myself. I've commissioned 3D-Swede to create the renders for this comic, while I've provided the script and added the text. I've also bought the rights to sell the finished piece from 3D-Swede. Note that the base idea for the script was derived from my Patrons who could put options to vote and the most voted options were turned into this script.

If you want to know more about 3D-Swede, have a look at his Deviant Art Page. He has already created a lovely story about mannequins that is over 300 pages long and I'm looking forward to anything new he might create in the future:

## Window Wishing XI

### Sex Romp Arc I

### Sports and Arts

The story of Window Wishing has concluded with Chapter X, but there are several cute girls King Erik did not get to fuck. This Bonus Arc is here to amend that! So buckle up for a sex romp through Fairyland, revisiting places from chapters 7 and 8 as the fairy King uses his wish-granting amulet for sexy stuff only!

### Cast of Characters:

**Erik ...**

**Joggers ...**

**Police Officer...**

**The Fairy King**

Two elven joggers at the promenade. They work as financial consultants.

Erika, an elven police officer on patrol

It's another beautiful day in fairyland and the inhabitants go about their life as normal. Like these two women going for their morning jog.

How's it going with your new client?

Oh, don't start. His portfolio is a total mess.

Time to enjoy this amulet for real!

It is this day that King Erik decided it was time go and enjoy the beauties of his country on his own. With his wish-granting amulet around his neck he leaves the Castle and looks for something fun today.

Now who do we have here...

Hi there!

Are you seeing what I am seeing?

I think he did!

Did he just wave at us?

That's King Erik!

Hi there, ladies.  
Beautiful day,  
isn't it?

Y...Y...Yes  
my liege. It's  
an honor to  
meet you.

How can we  
be of service,  
Your Majesty?

Oh, please.  
There is no  
need to be  
nervous.

I was just taking a stroll, enjoying the nice weather when I saw you two lovely ladies jogging my way.

And that's when I started wondering how your lips would feel wrapped around my cock.

So, ponytail, why don't you lose the top and get down to work?

I wish you'd grow some really big tits and a nice bubble butt.

Huh?

I wish your hair was longer to go with that new bimbo look.

lengthen

Oh...  
Wow!

Longer!

If bigger breasts are what you desire, my liege, I'm more than happy to present to you this new form you have bestowed upon me.

Er... yeah... actually... I **wish** your brain would go with the looks. Be giggly, bubbly... stupid. A fun bimbo!

\*giggle\*

Oh my. I feel  
totes di...  
dif...diff...  
new!

My head feels so... light...

Like what were we doing?

You were about to show me your tits.

suck  
suck  
suck

Right! Sorry! Sometimes I just forget stuff.

swoosh

Oh, and Ponytail, while you are down there.

I wish your tits would grow to match your friend's.

suck

Her lips tightly wrapped around her King's cock the elf keeps on sucking as her breasts start to expand.

As the growth starts to settle her previous B to C cup-sized tits are now pressing into King Erik's legs – enhanced by approximately another 10 cup sizes!

slobber

Oh, Yeah, Ponytail!  
Keep sucking!

You know, your friend's a great cock sucker.

whoop whoop

suck suck suck

giggle

rub

What the hell...

Just as King Erik is enjoying himself with these two ladies a police car drives by and starts its siren.

Really? Again?!

Whoop whoop

Hey, you!

What do you think you are doing?!

You can't do that, in public!

And... is that a man? Are you seducing a tourist?!

Oh... shit. The fairy King. AGAIN!

What seems to be the problem, Officer?

moan

suck  
suck  
suck

I'm so sorry, my liege! I did not see it was you.

Of course, this is absolutely fine if it's you.

If you'd like I can block the street, so you aren't disturbed any further, my King!

I think I have better use for you, officer.

Why don't you join in?

Moan

Oh, my god! Really?

I'd love to!

slurp

That looks so nice.

Oh, yeah!  
Give it to  
her, my king!

Moan

O.M.G.!!  
Your cock feels  
like so big inside  
my tiny pussy!  
\*giggle\*

As King Erik jams his meat in that newly wished bimbo the other two girls start to undress.

I wish you'd be putting your kingly rod in my gushing cunt.

Make it a good show and I might consider it.

Yes, my King!

Why don't you two get it on while I fuck your busty friend?

Yes, my liege!

Oh, my god! This feels amazing!

Moan

lick

moan

lick  
lick

Turn around.  
I wanna see your  
bubble butt as I  
drill my cock  
into you.

Moan

\*giggle\*  
Yes, me  
lord.

Oh, fuck, YES!  
Gimme that  
cock! Harder!  
Faster!

Ohhhhh!!

His eyes fixed on his bimbo's bottom Erik inserts his dick once again and starts pounding her as she bends over the car – her huge tits squishing against the engine hood.

Groan

Alright!  
Ponytail, you  
may line up next  
to your friend  
now.

The jogger with the black ponytail stops her task of eating out Erika the police officer and lines up next to her now busty friend – sticking out her butt – wiggling it in anticipation – while Erika scoots over to give her a passionate kiss.

Thank  
you my,  
liege!

kiss

There we go, ponytail.

moan

I never knew such pleasures existed!

It's undecribeable!

moan

How does the King's cock feel?

I believe you!

I only had it in my mouth once.

Turned my world upside down!

Oh, fuck your cunt's tight, ponytail!

Moan

I'm about to pop my load!

Get ready for the money shot, girls!

Yes, my liege!

Please grace us with your kingly load!

Give yummy cummy!

The girls squeal in delight as Erik's enhanced load covers their face to tits in sticky white.

Please cover me!

Yeeee

Me too!  
Me too!

You came so much!

Wow!

Yummy!

I can't believe we got to fuck the king!

I'll miss that COCK...

Could I ask you two a favor?

I gotta go back on patrol and no matter how much I like the feeling of our King's load drying on my skin...

It would be a lot to explain again and again.

So... would you help me clean up?

Cleaning off the royal load of a fellow Elf? Duh! What a redundant question. Obviously, those two were game!

After slurping all that cum off Erika's breasts the two proceed to her face...

lick

lap

Until she is squeaky clean and able to redress in her professional Elven Police Uniform.

Like no biggie!

We are like cum buddies now! \*giggle\*

Of course. Have a nice day officer.

Thanks a bunch!

Alright!  
All clean, Uniform in  
order. Hair in place.  
Ready for duty.

It's a pity I did  
not get to fuck  
the king...  
AGAIN!

Oh, those  
lucky two...

Right!  
\*giggle\*

We should  
be going  
as well.

Don't want  
to make the  
boss wait,  
right?

I wonder what  
the other's will  
say to our new  
assets. \*chuckle\*

Having put their clothes back on (over King Erik's load!) the two finish their jog before it's back to work.

Best jog ever!  
You ready to hit  
the desk and get  
to work on those  
finance books?

Yeah!  
I'm totally  
pumped!

Ehhh?!

Like... what's  
finance again?

# To be continued

Hello, Hexxet here.

King Erik truly had his fun with those two joggers. Turning one of them into busty bubbly bimbo – super hot! But how will she handle work from now on? We don't really care! Next chapter we will follow Erik to his next playthings!
