

午后.....

Look, the  
minutes of  
last week's  
meeting, well  
I...

Then we have to arrange a meeting tomorrow. This document needs to be sent to Xiao Zheng.

Yi cry~ Yi  
cry~ ah ah~

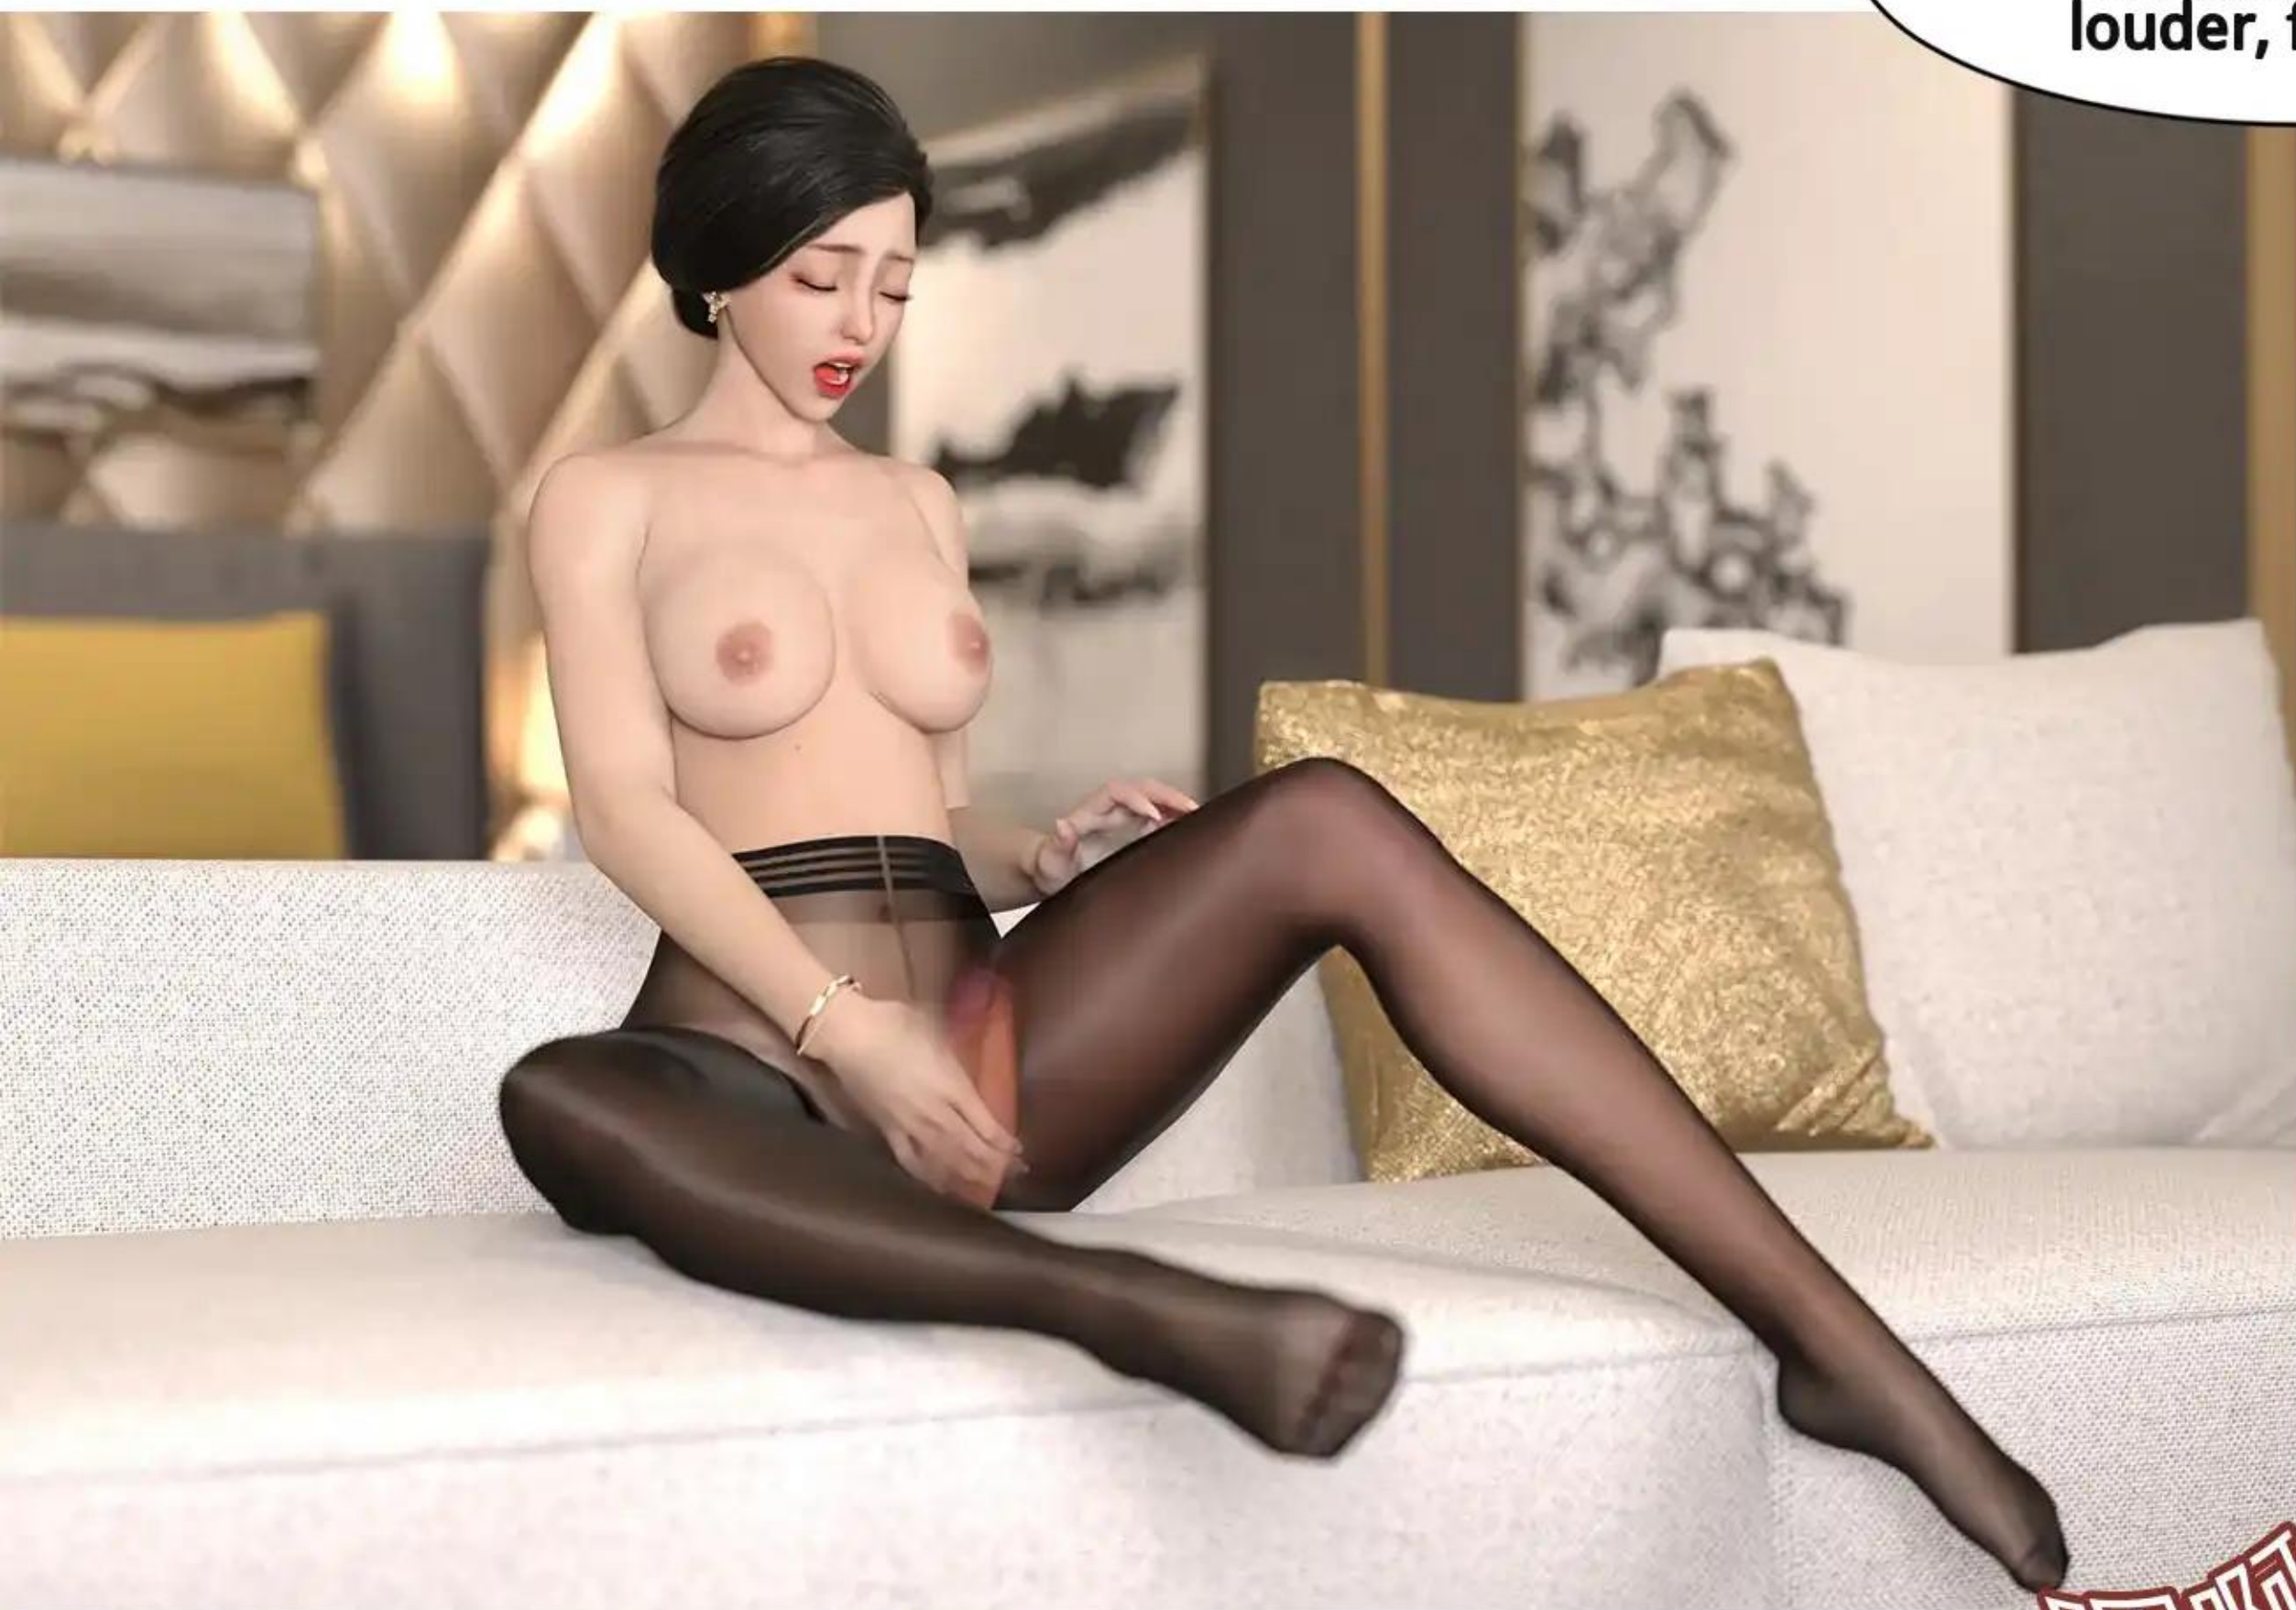

Yi cry~ Yi  
cry~ ah  
ah~

.....  
..Ah! That's  
enough!

Oh yeah!  
Scream a little  
louder, fuck me!

嗯啊~ 嗯啊~

Yeah~Yeah

Lao  
Shao!

Can't you just keep your voice down? If you want to watch Katajiri Gun or something, I'll handle the work here.

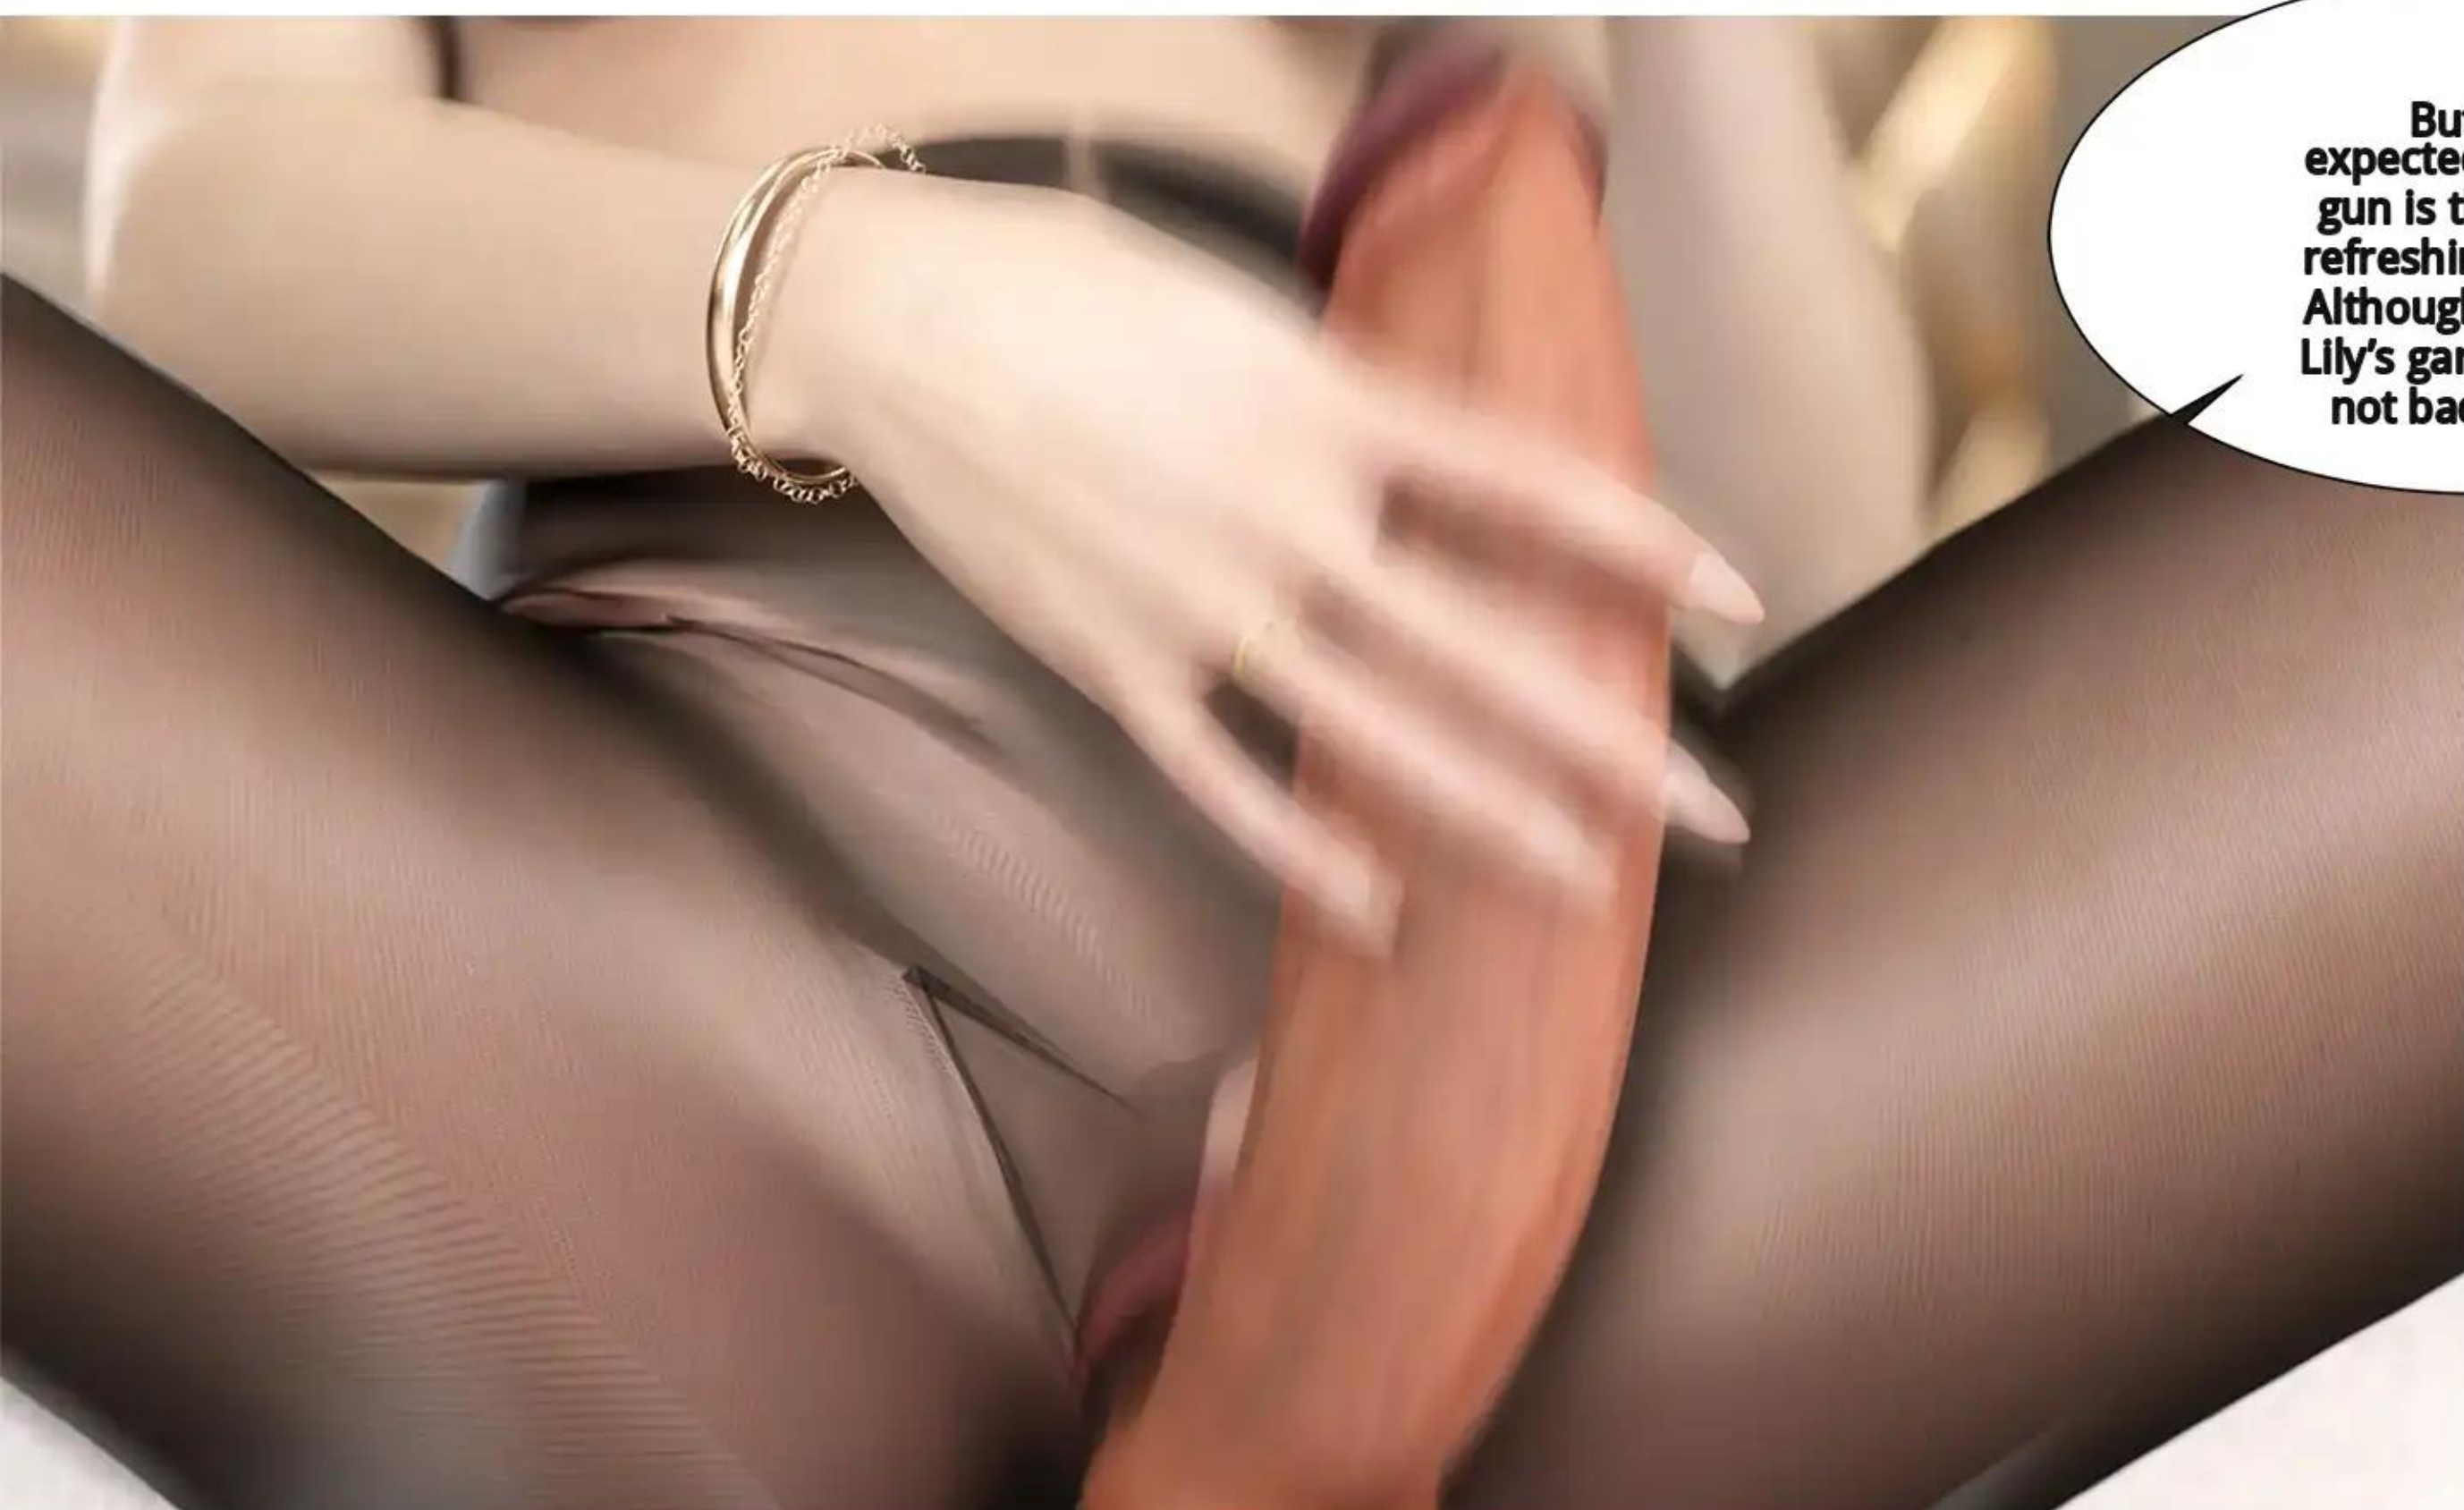

There will be water spraying down there! Come and see, this actress is so sexy, why is she so serious? Oh, we are not really here to work.

It's really cool! You can also use the big TV to play porn movies in the suite. Hey, not only do you not have to go to class,

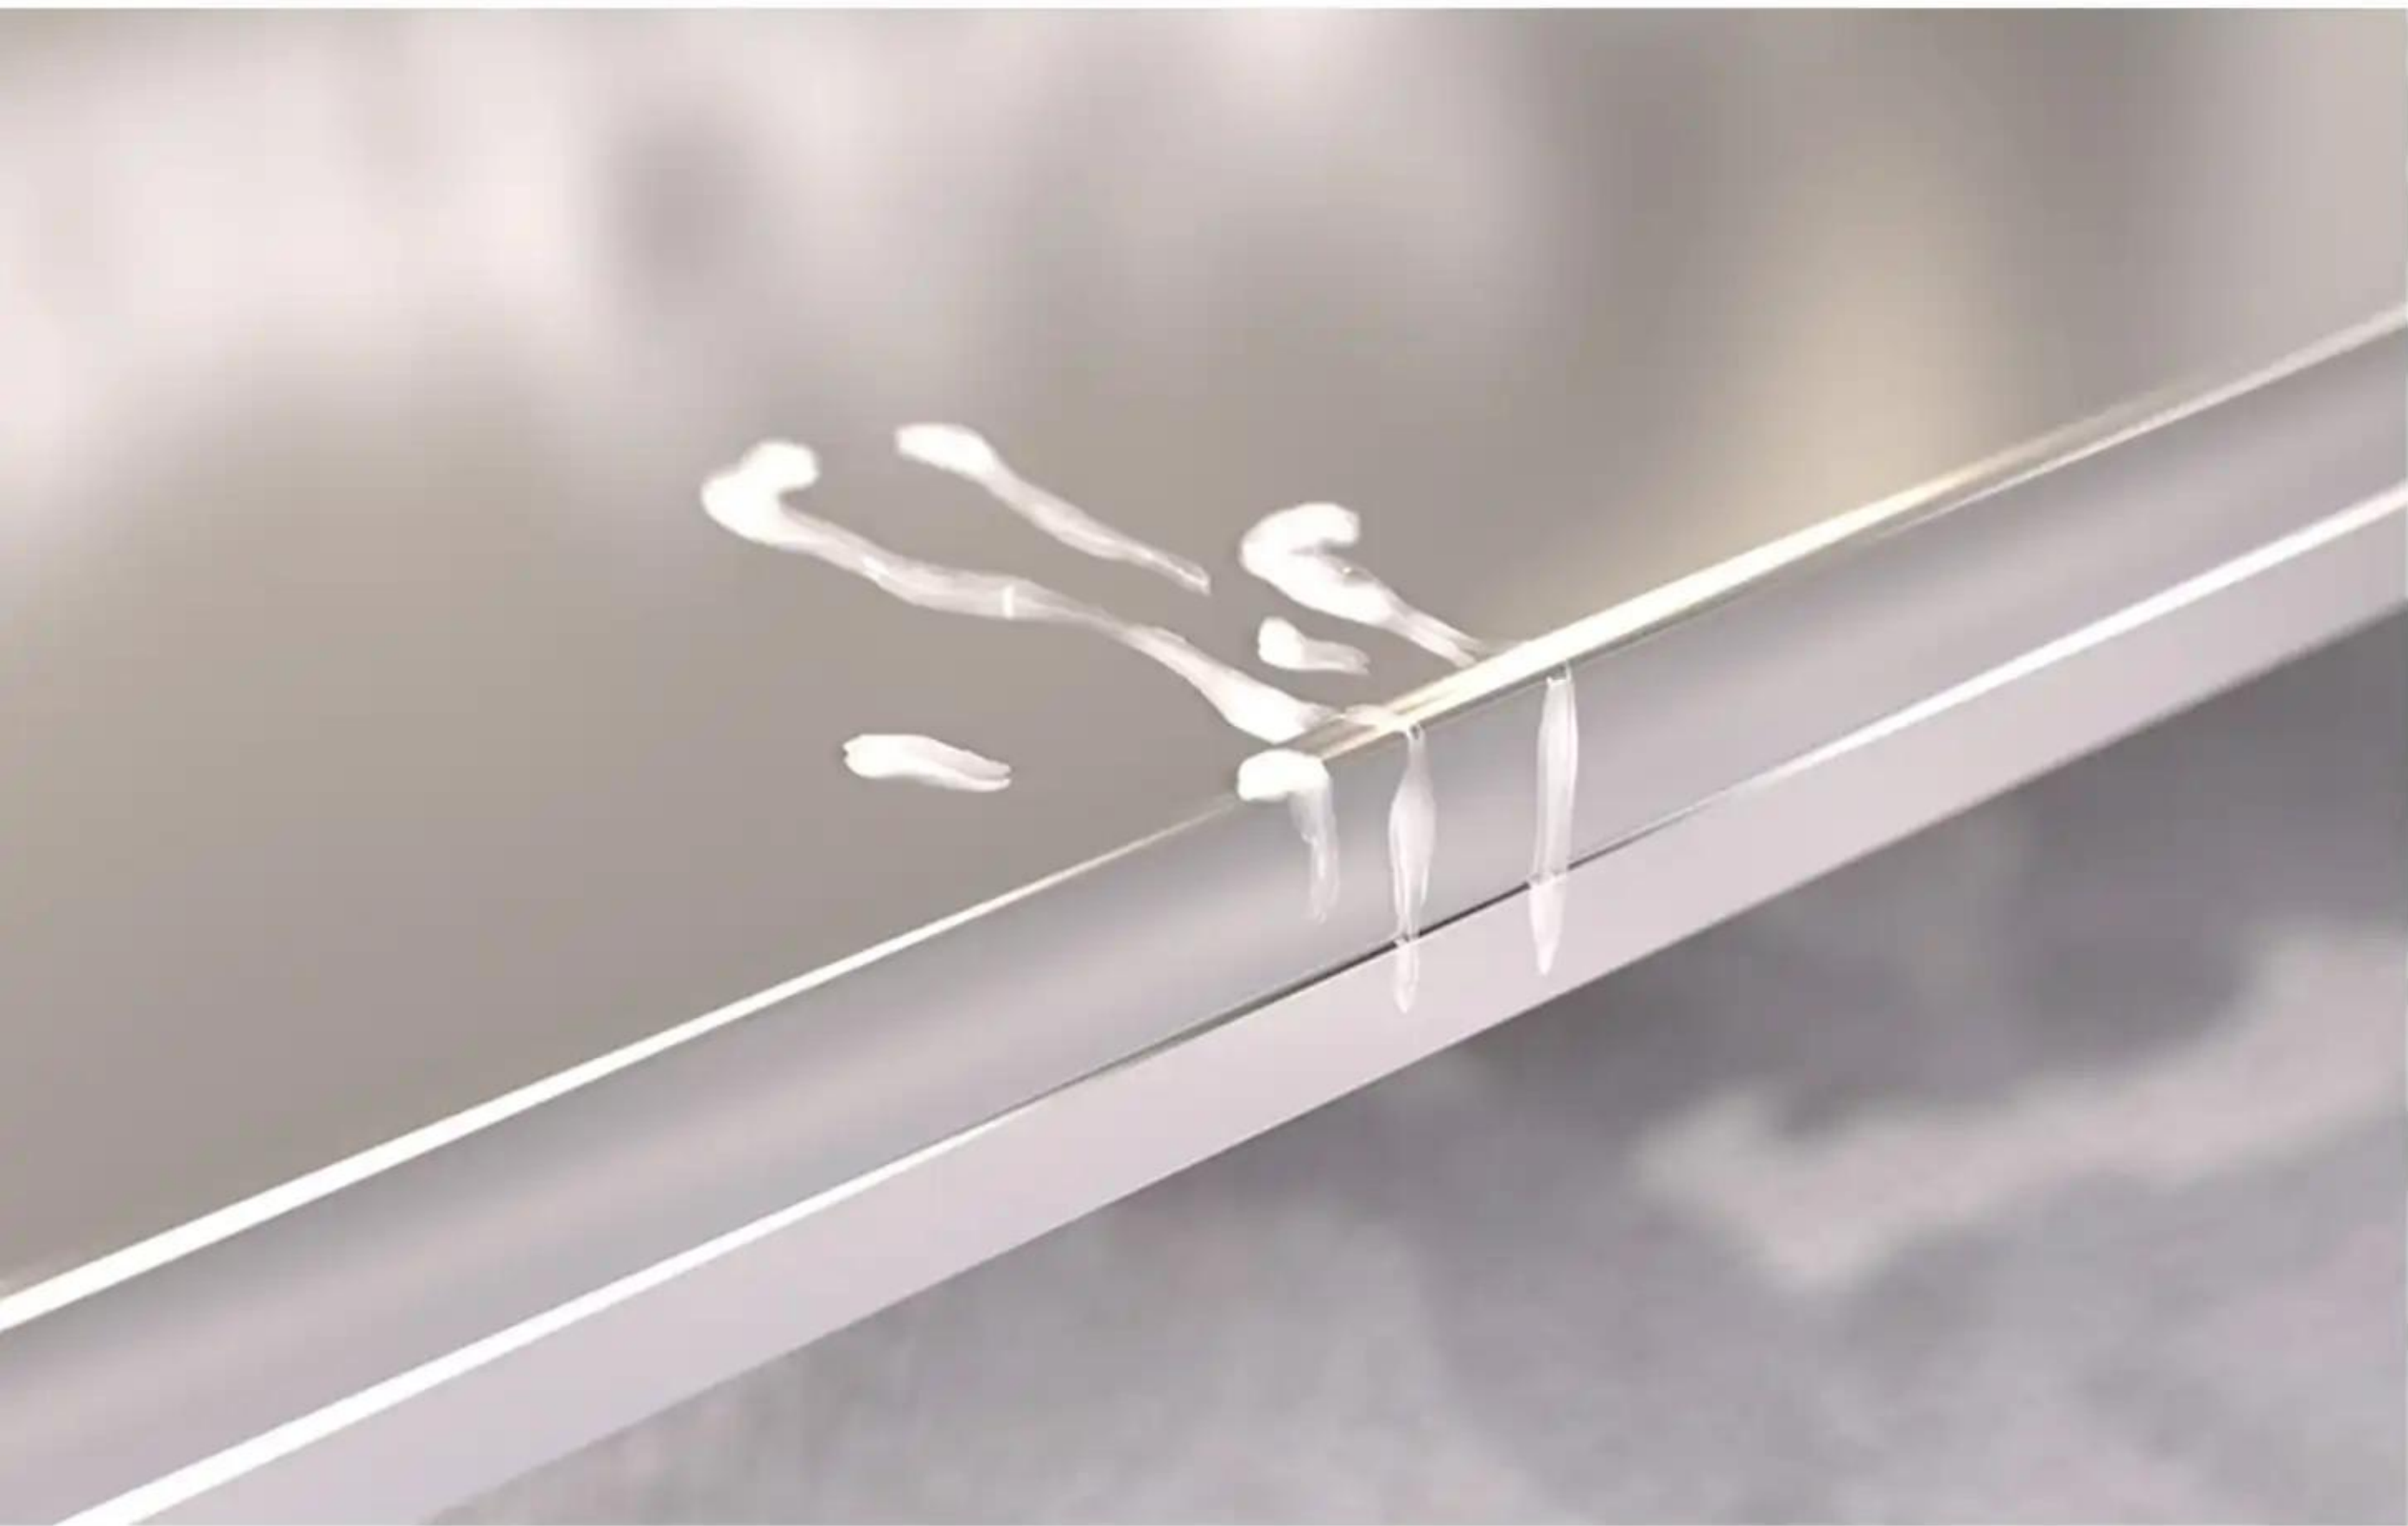

But as expected, the Jiri gun is the most refreshing, haha! Although the girl Lily's gameplay is not bad either

Oh, go,  
go, go!  
Gonna cum,  
cum!

Cum!

Now I am  
satisfied!  
Hehe...haha! So  
cool, so cool,

After all, you always  
need to replenish your  
energy after ejaculation!  
Well, Lao Zhou, tell me, do  
you want to ask the hotel to  
send some food to the  
room?

Are you fooling around here? We two work or not. You have to let everyone in the hotel know.

People who don't know think that we have sex between men and women during working hours! And this room is filled with the smell of your semen,

What should I do if I see your semen in the room? This room was vacated in the name of my mother having a meeting. You have to know that if the housekeeping colleagues come in to clean it,

It's still a bunch of work messages! But the skin I wear is that of an ordinary employee who can still have some free time. Even if I said I was in a meeting with the team leader, not to mention, my mother is the team leader.

Just feel good and that's  
it! Hey, you don't care about  
them! You're not really Wang  
Yali, screw your work or  
whatever.

Can you take responsibility? How could this be possible? She has a husband and children! We have gone too far by using her body without her consent. If we cause her to lose her job,

Gifted student, I won't stop you! Okay, okay, you are the Great Sage

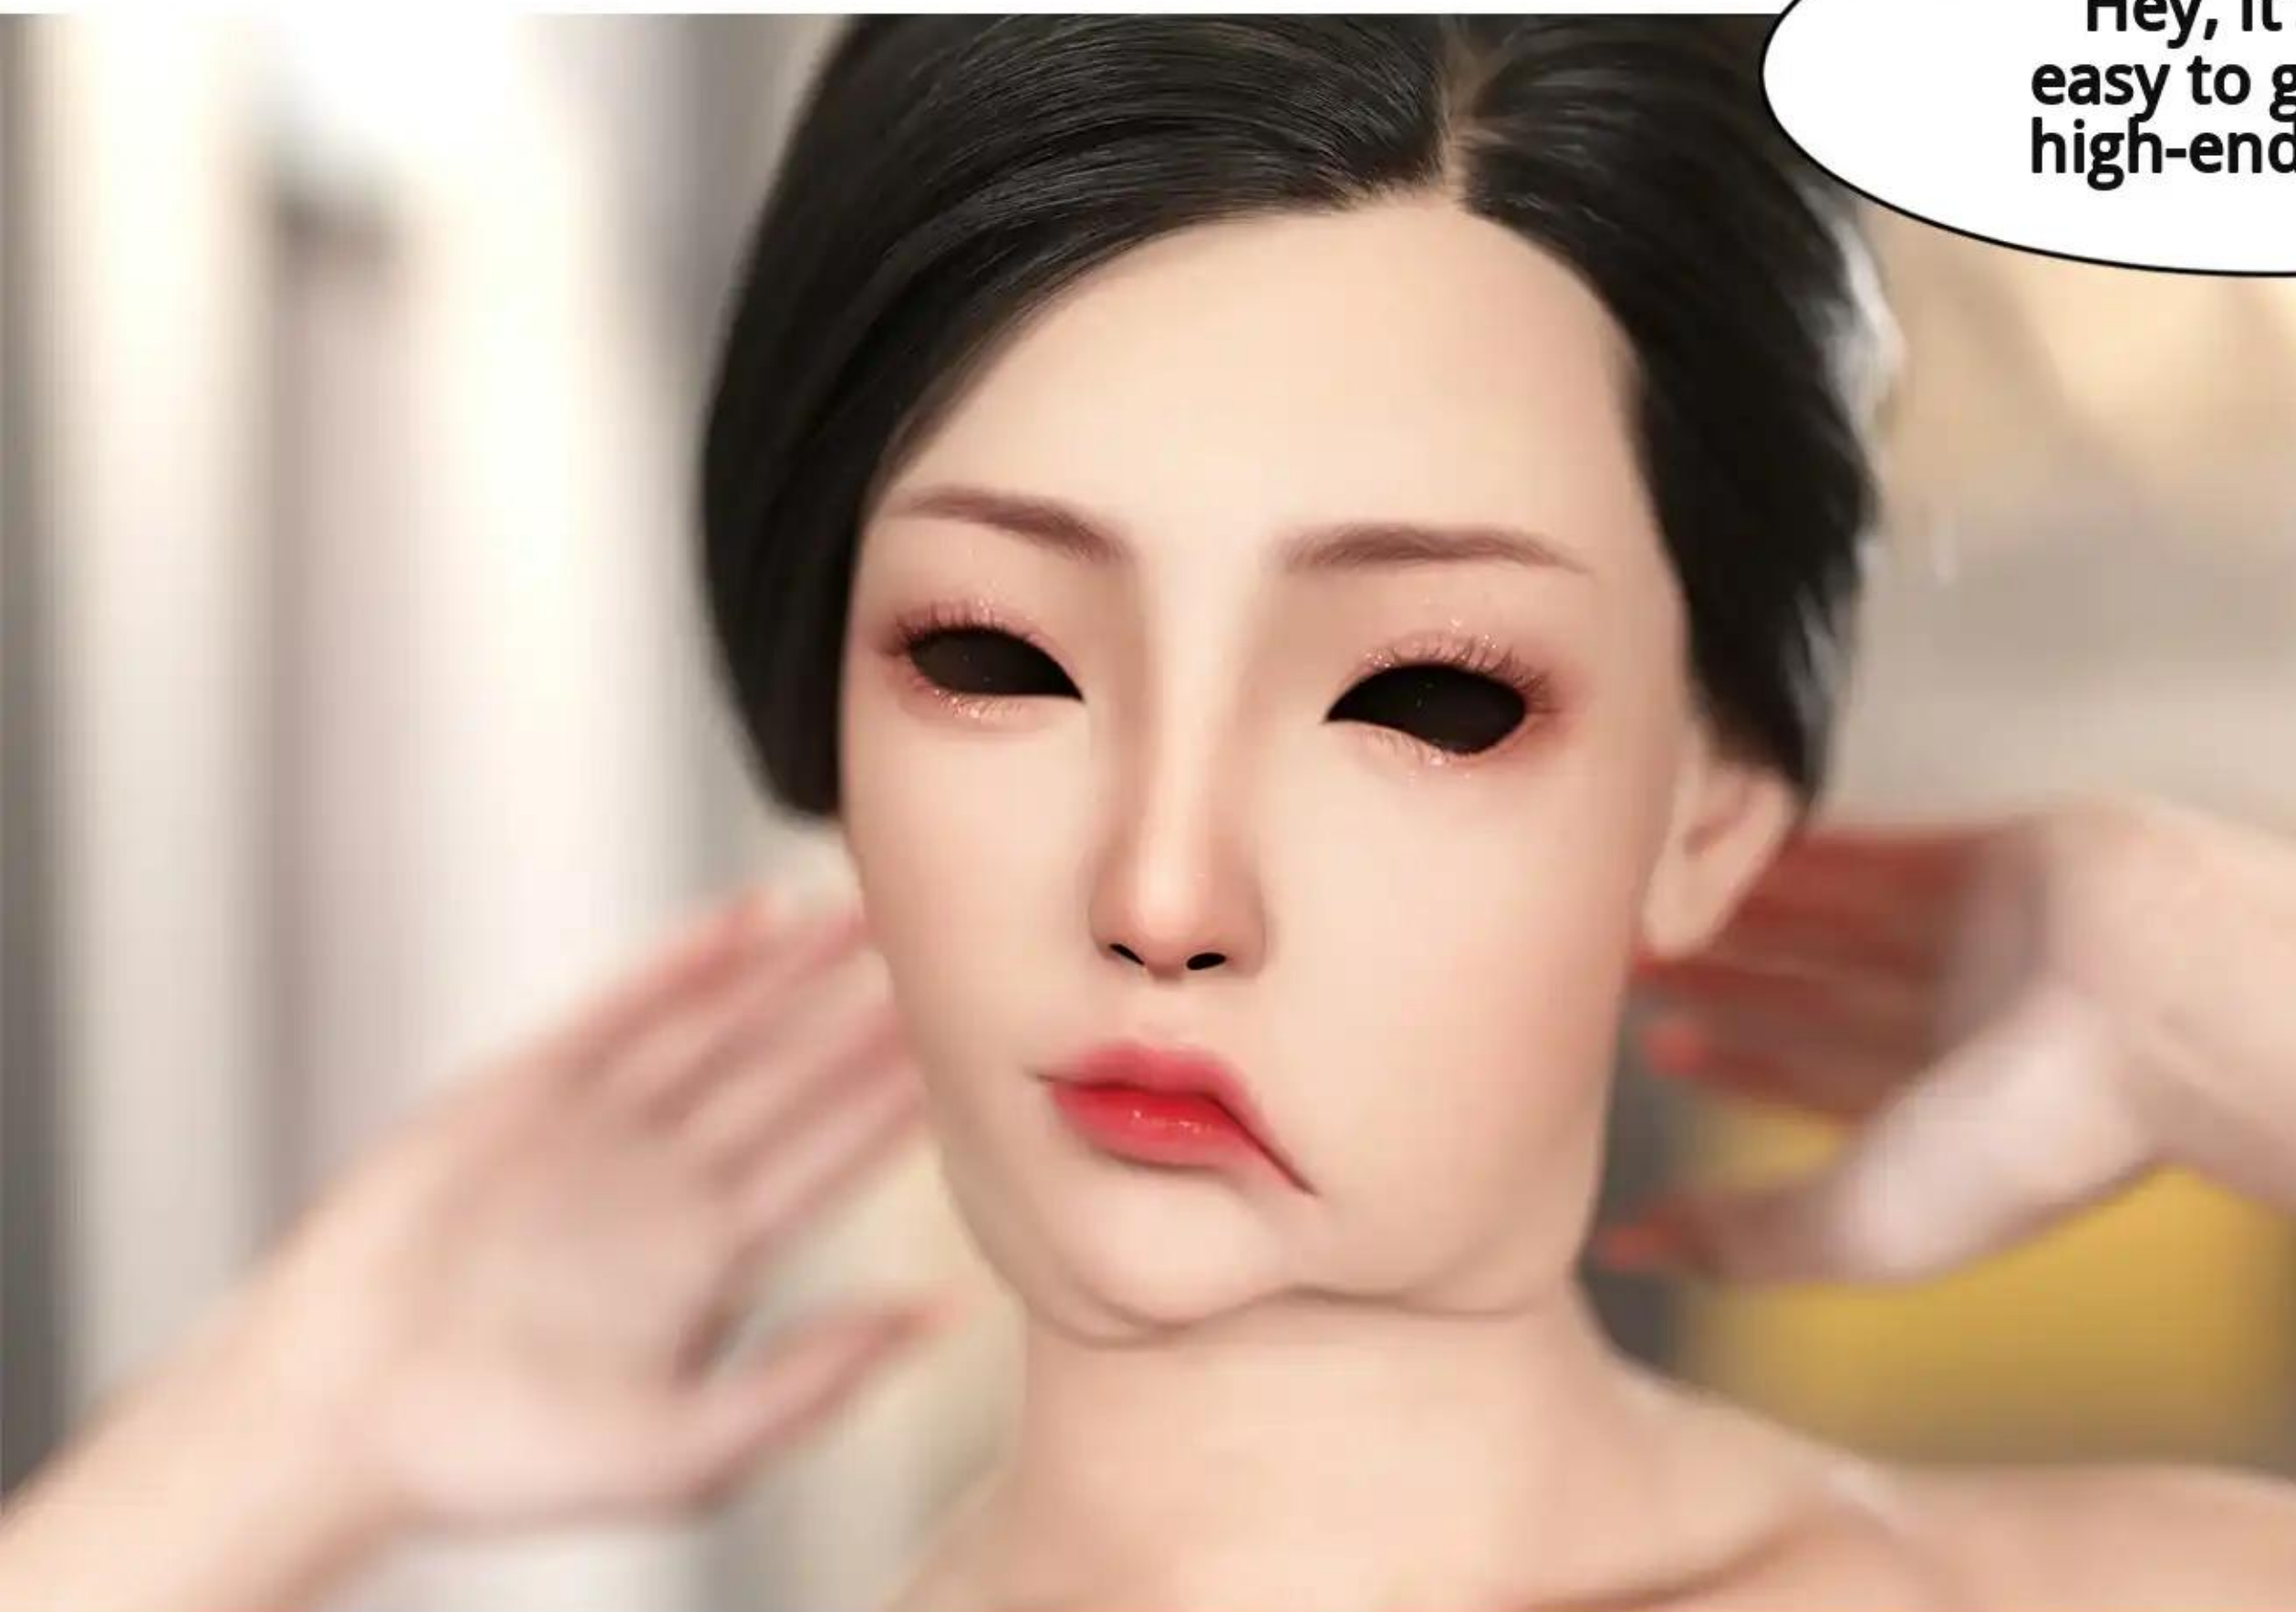

Phew~  
I feel so  
tired after  
ejaculating.

Wait, what  
are you  
doing?

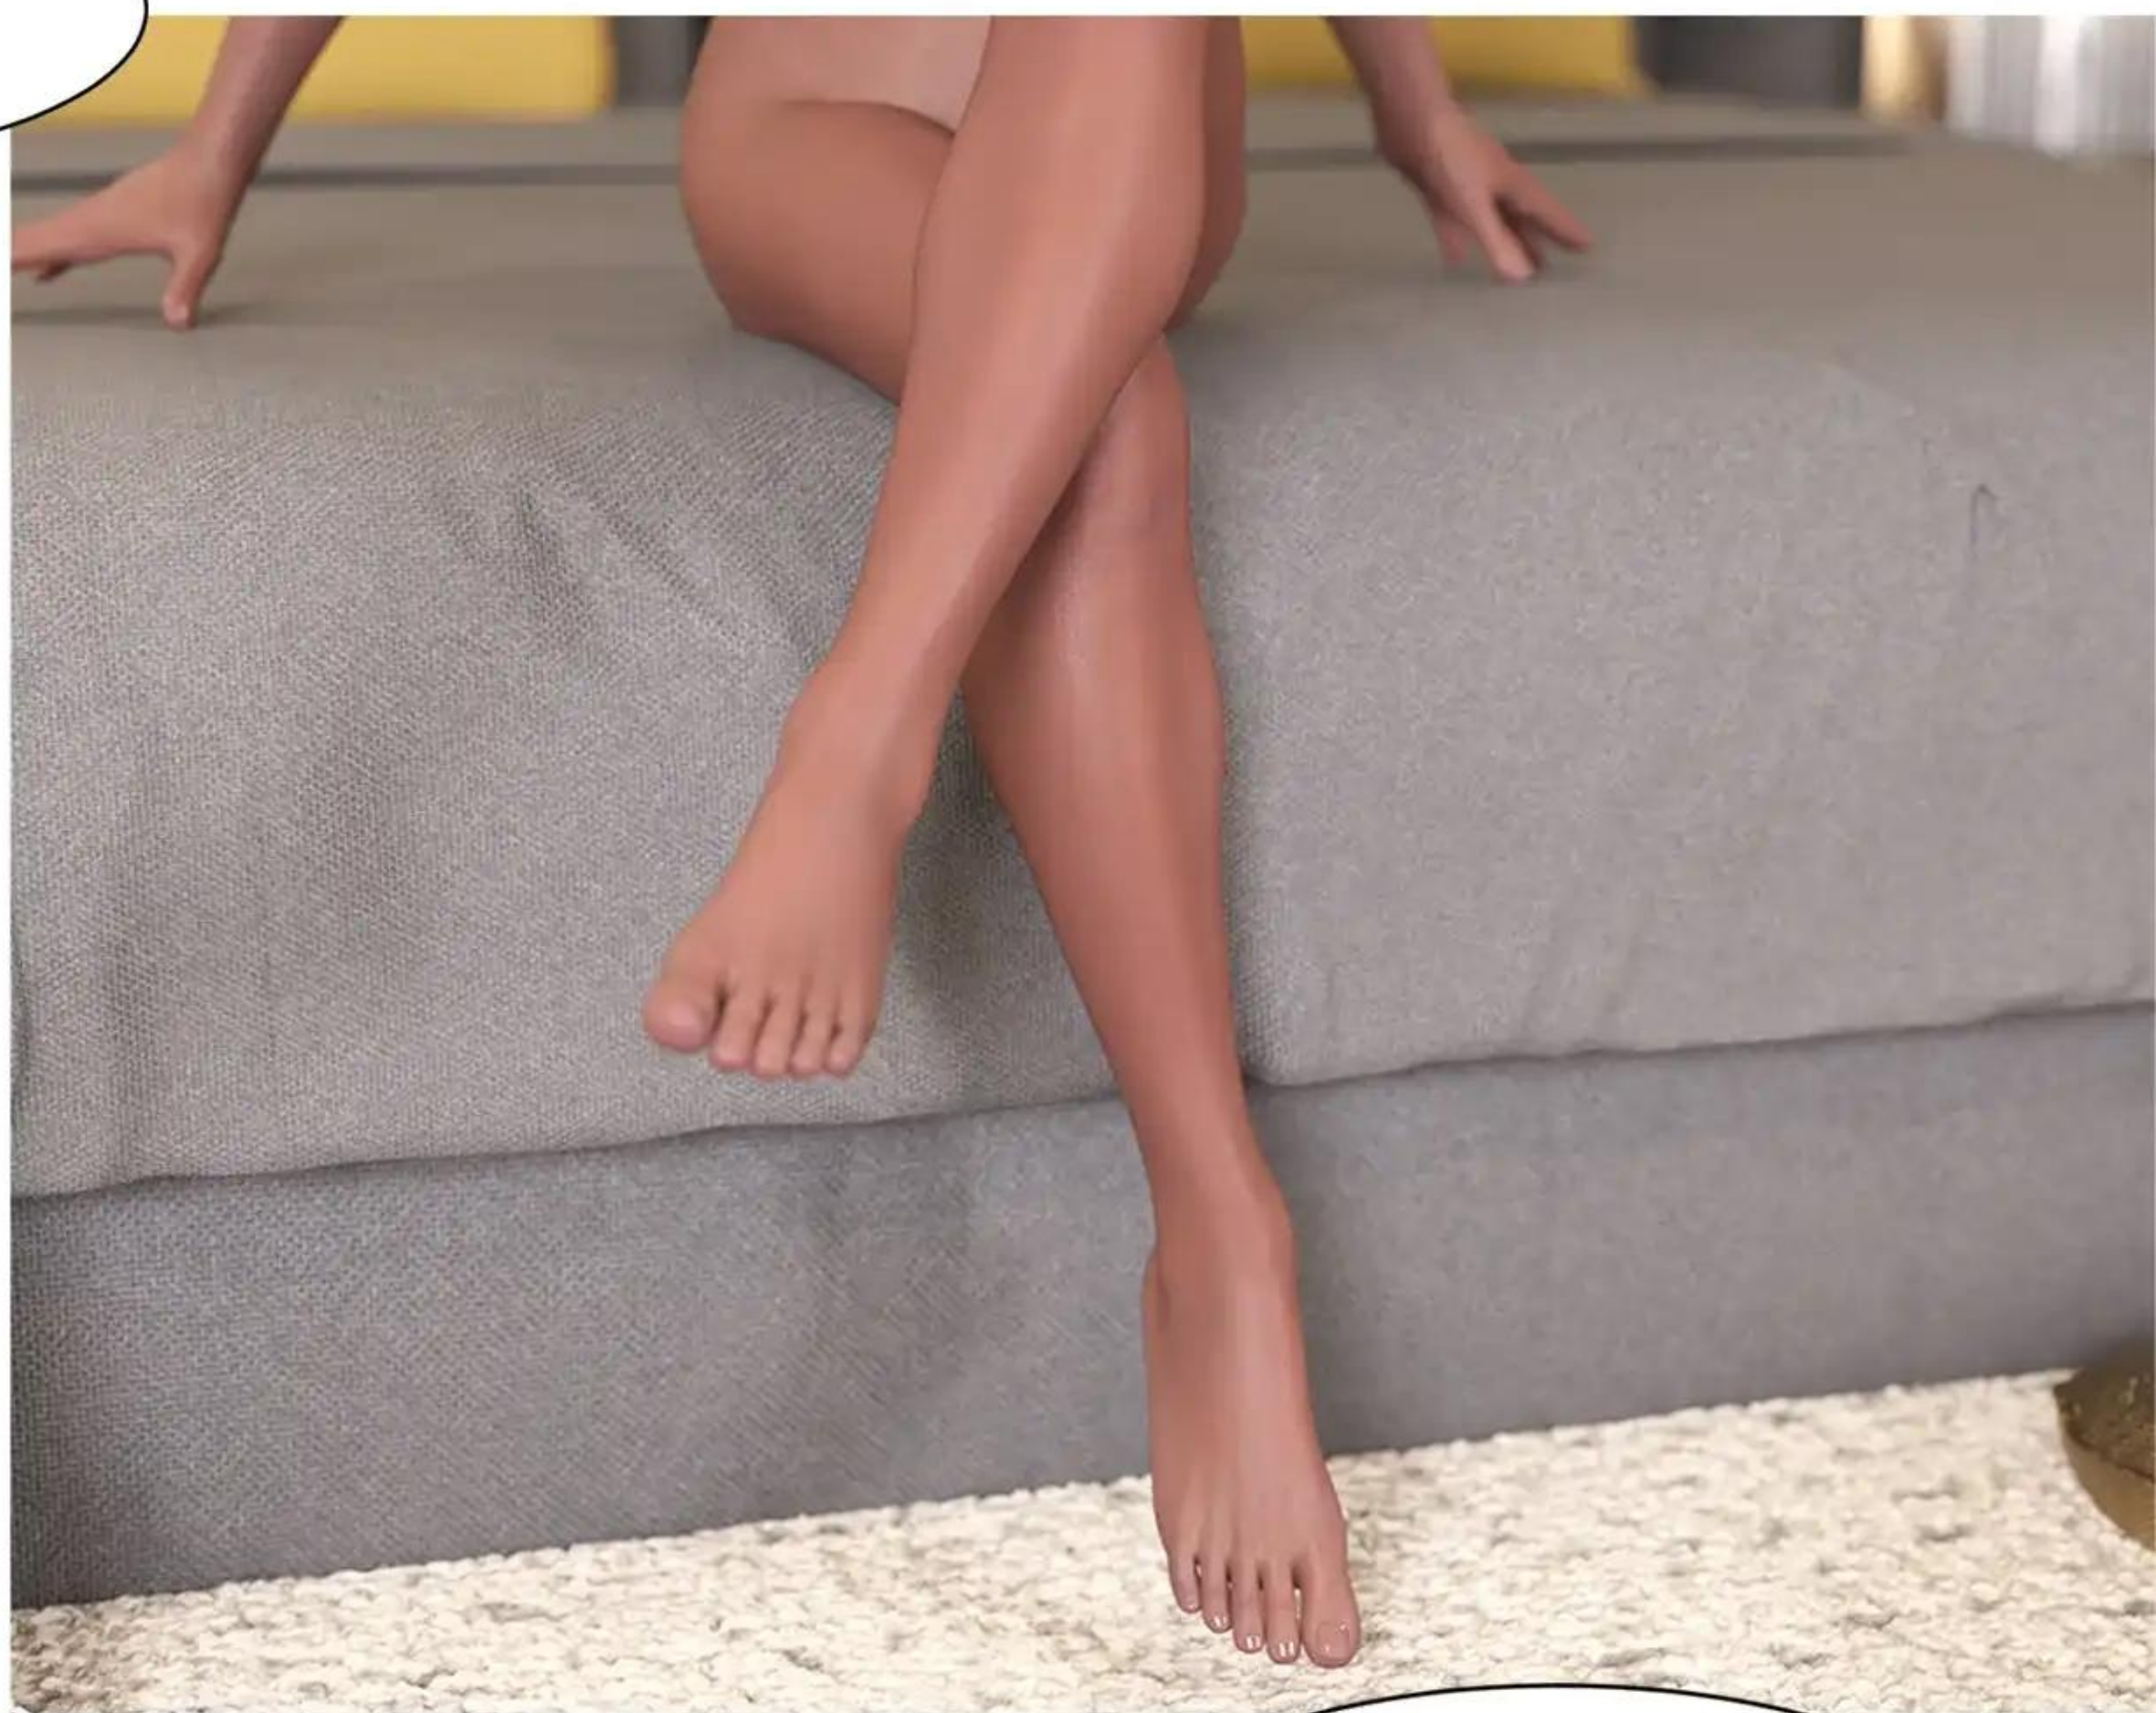

Hey, it's not  
easy to get to a  
high-end hotel. ....

**This is worth the price of admission!  
You have to enjoy it with your own body.**

Hey!

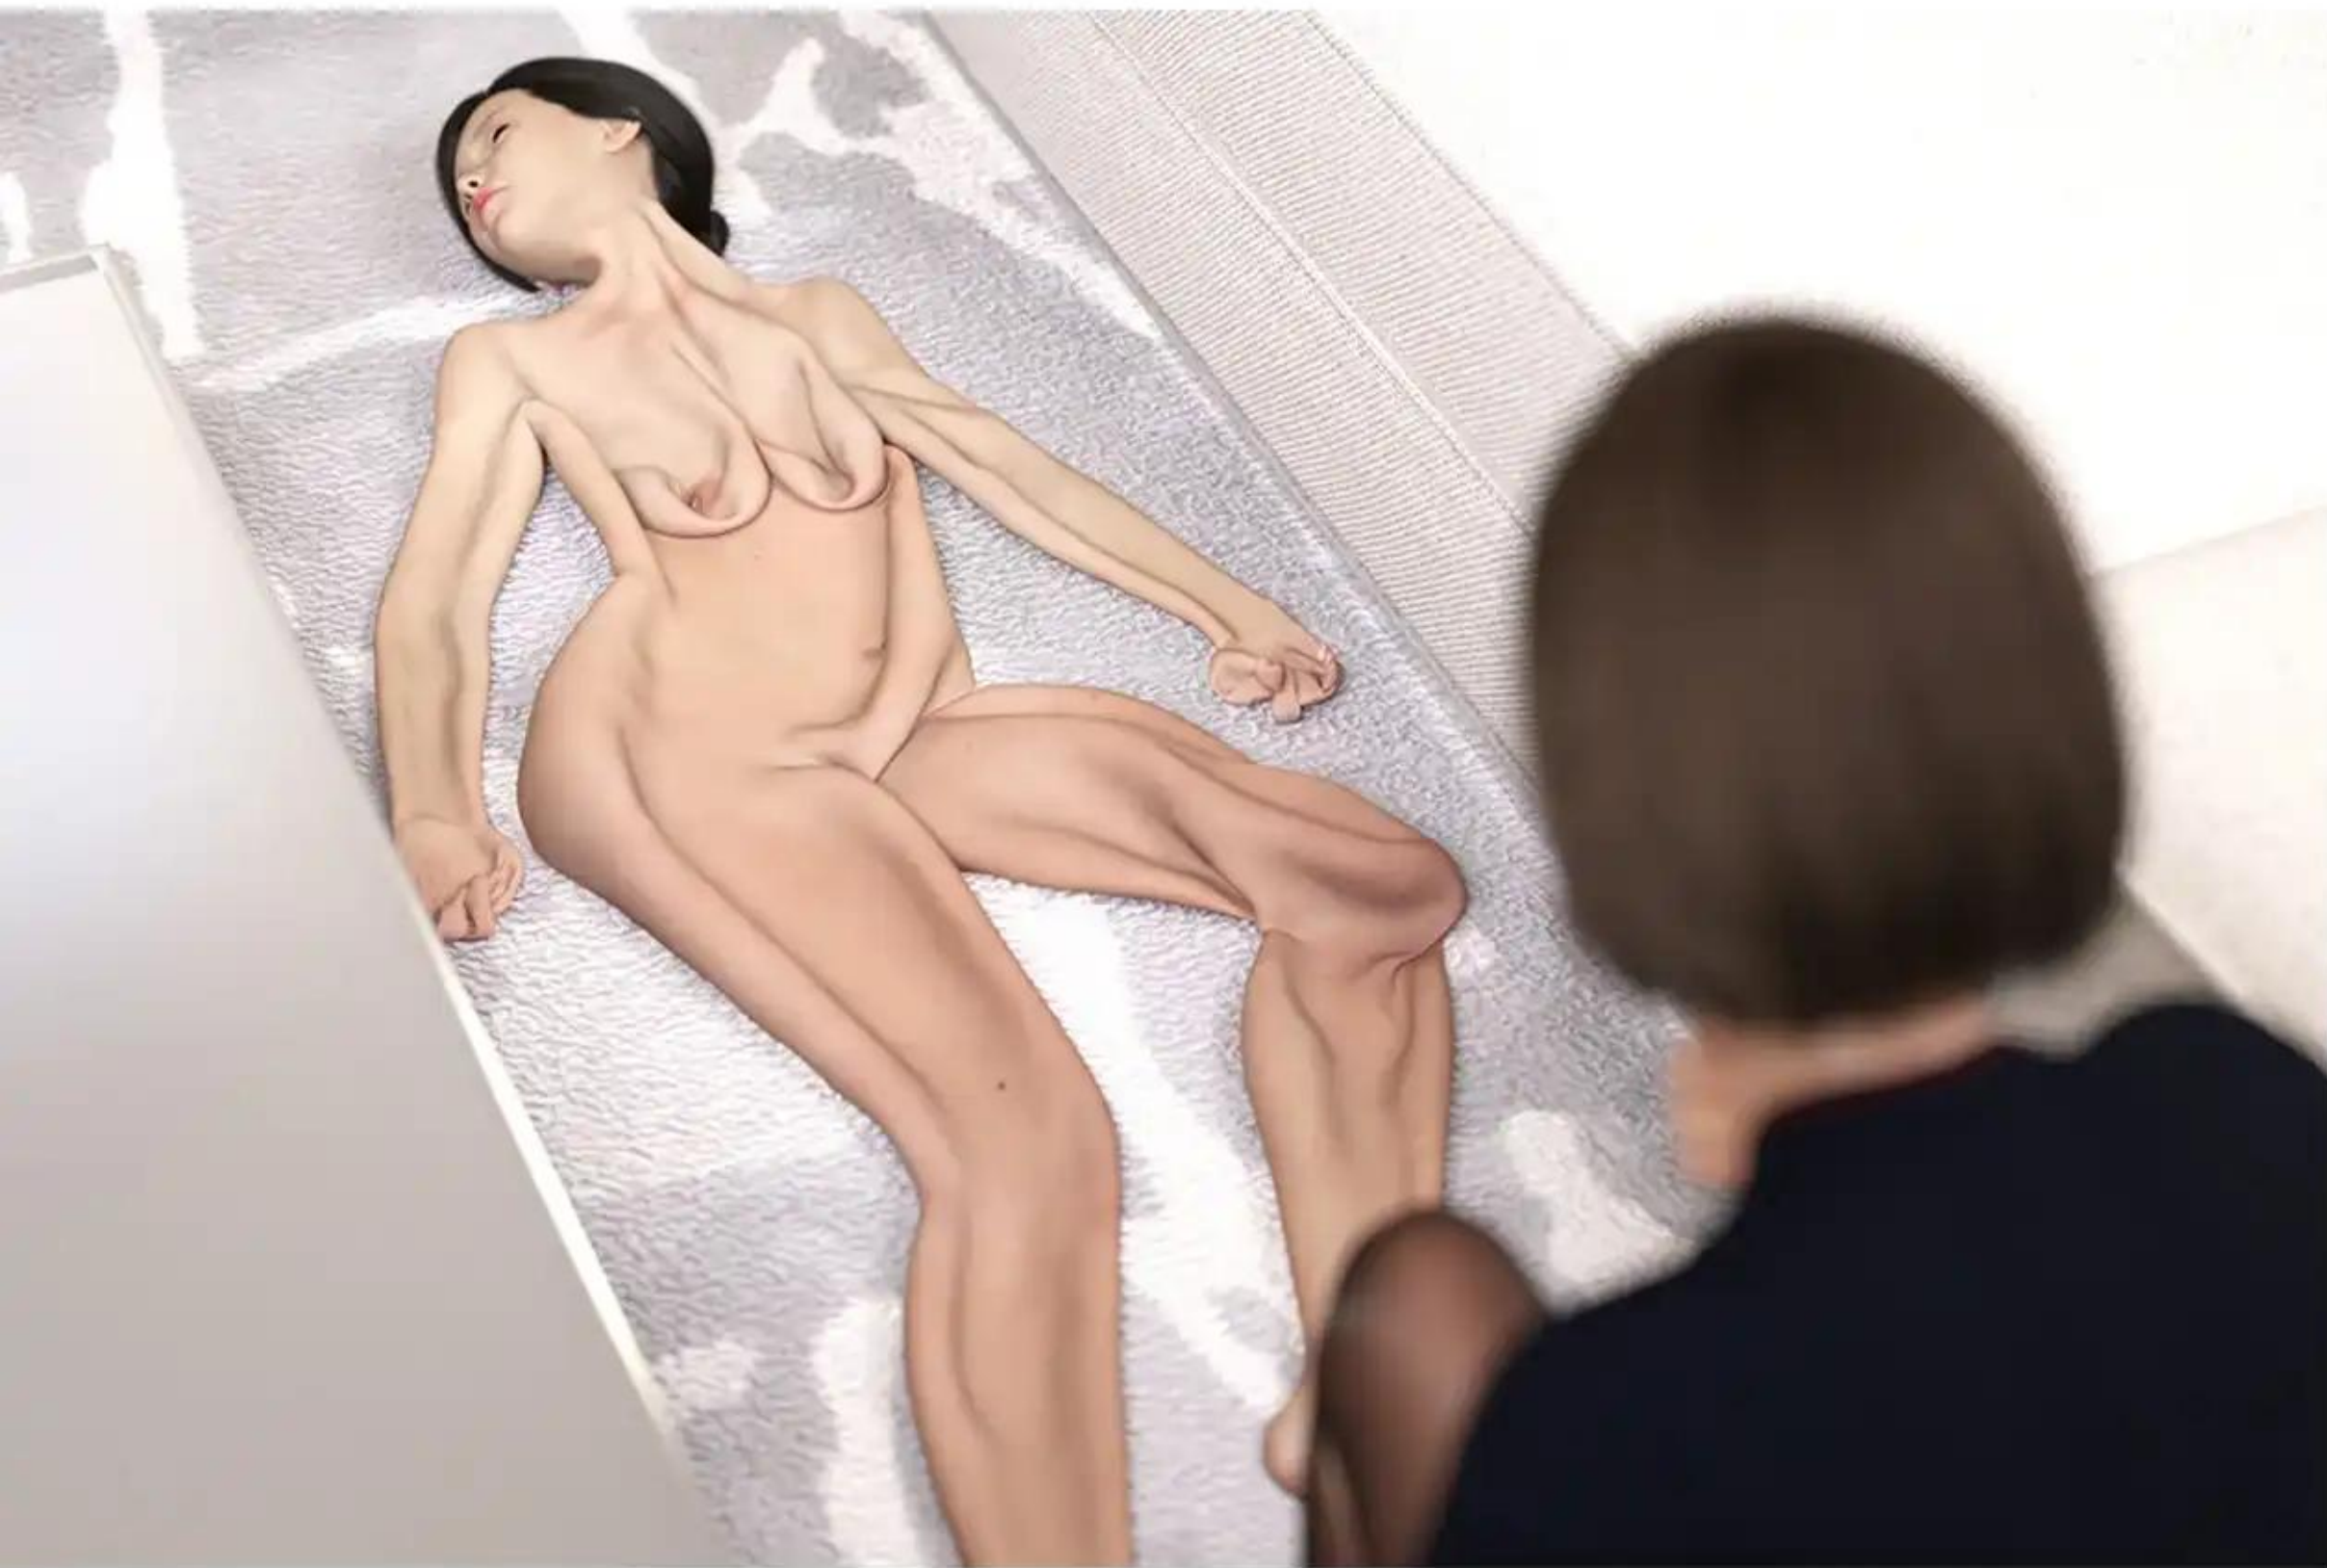

It's comfortable to lie down on! Wow, it is indeed a bed in a superior suite.

Do you think  
so, Lao Zhou? This  
is much better than  
the hard desks and  
chairs in school

This is...is  
this my  
mother's  
skin?

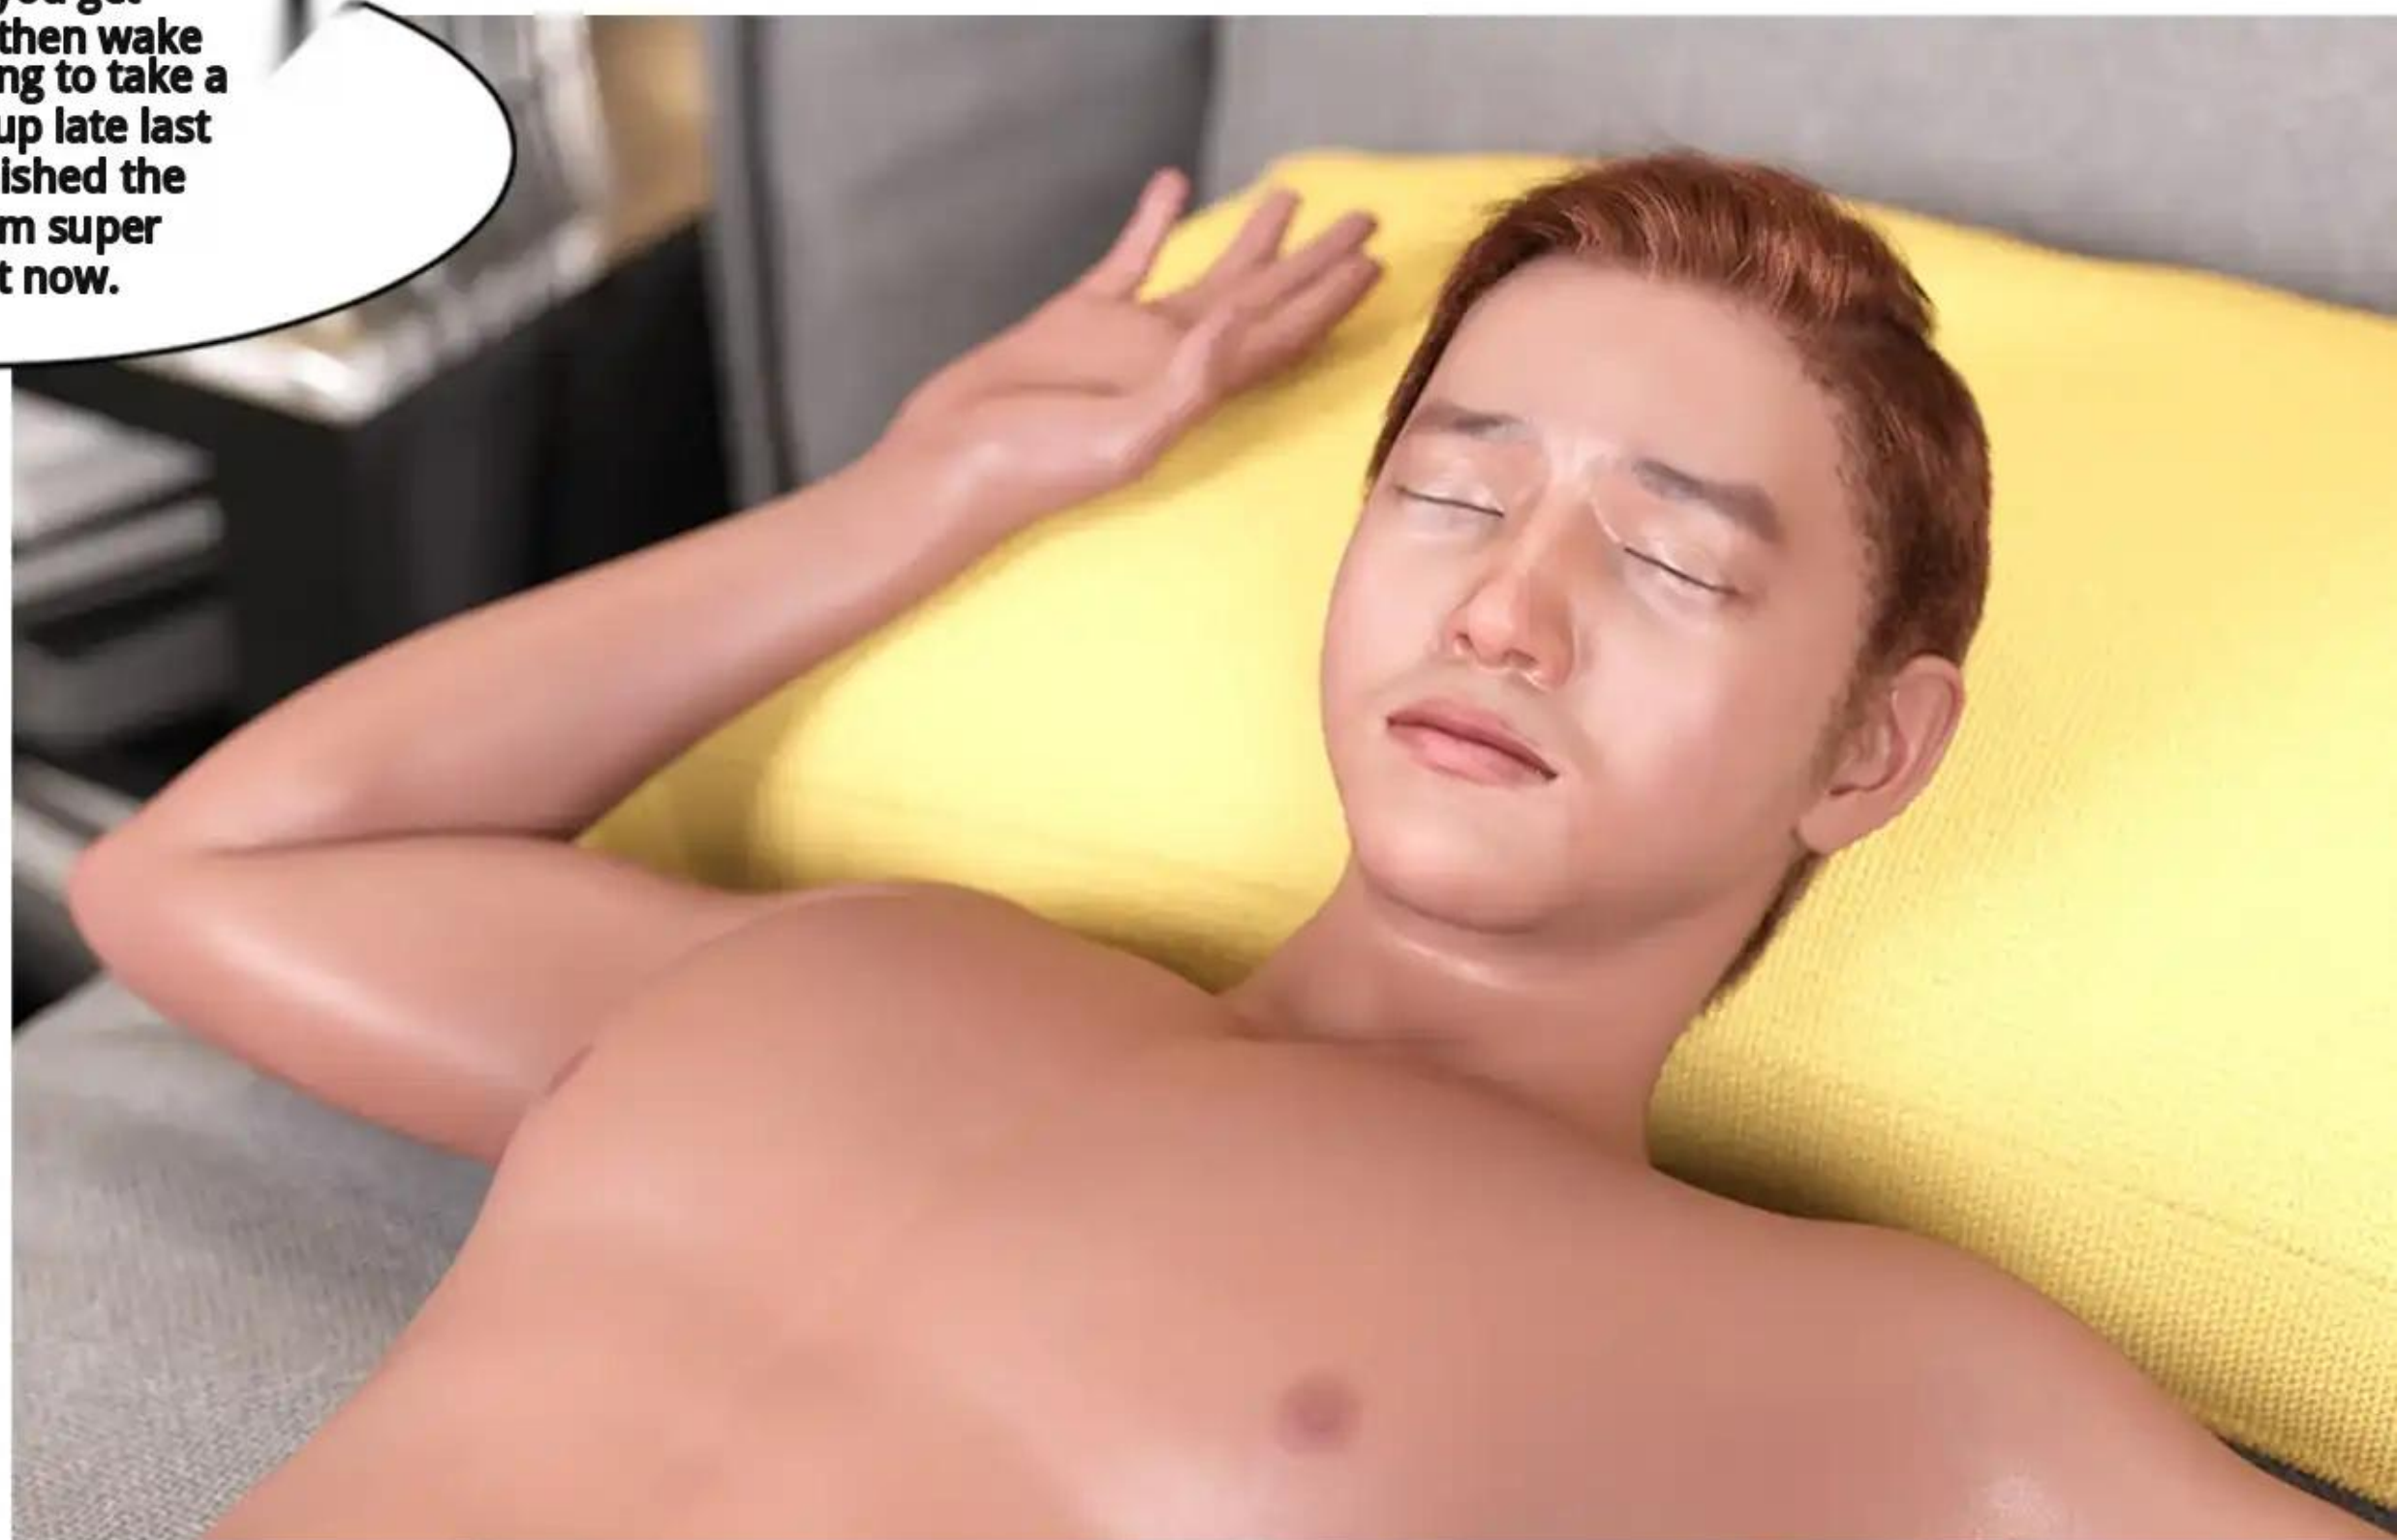

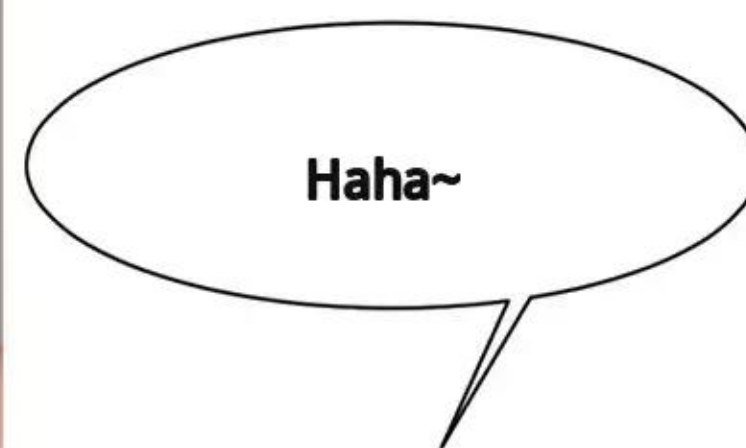

Lao  
zhou!

What are you  
talking about? Ah! What  
are you doing?

**.Why are you in a daze?  
There's just something wrong  
with everything, right? I see you  
haven't been to school for a day  
and been a good student.**

Oh, I understand, go to sleep!

Falling asleep now?  
When my head is empty  
and carefree, sometimes I  
really admire how people  
like Lao Shao can  
immediately fall asleep  
when they touch  
the bed. ..

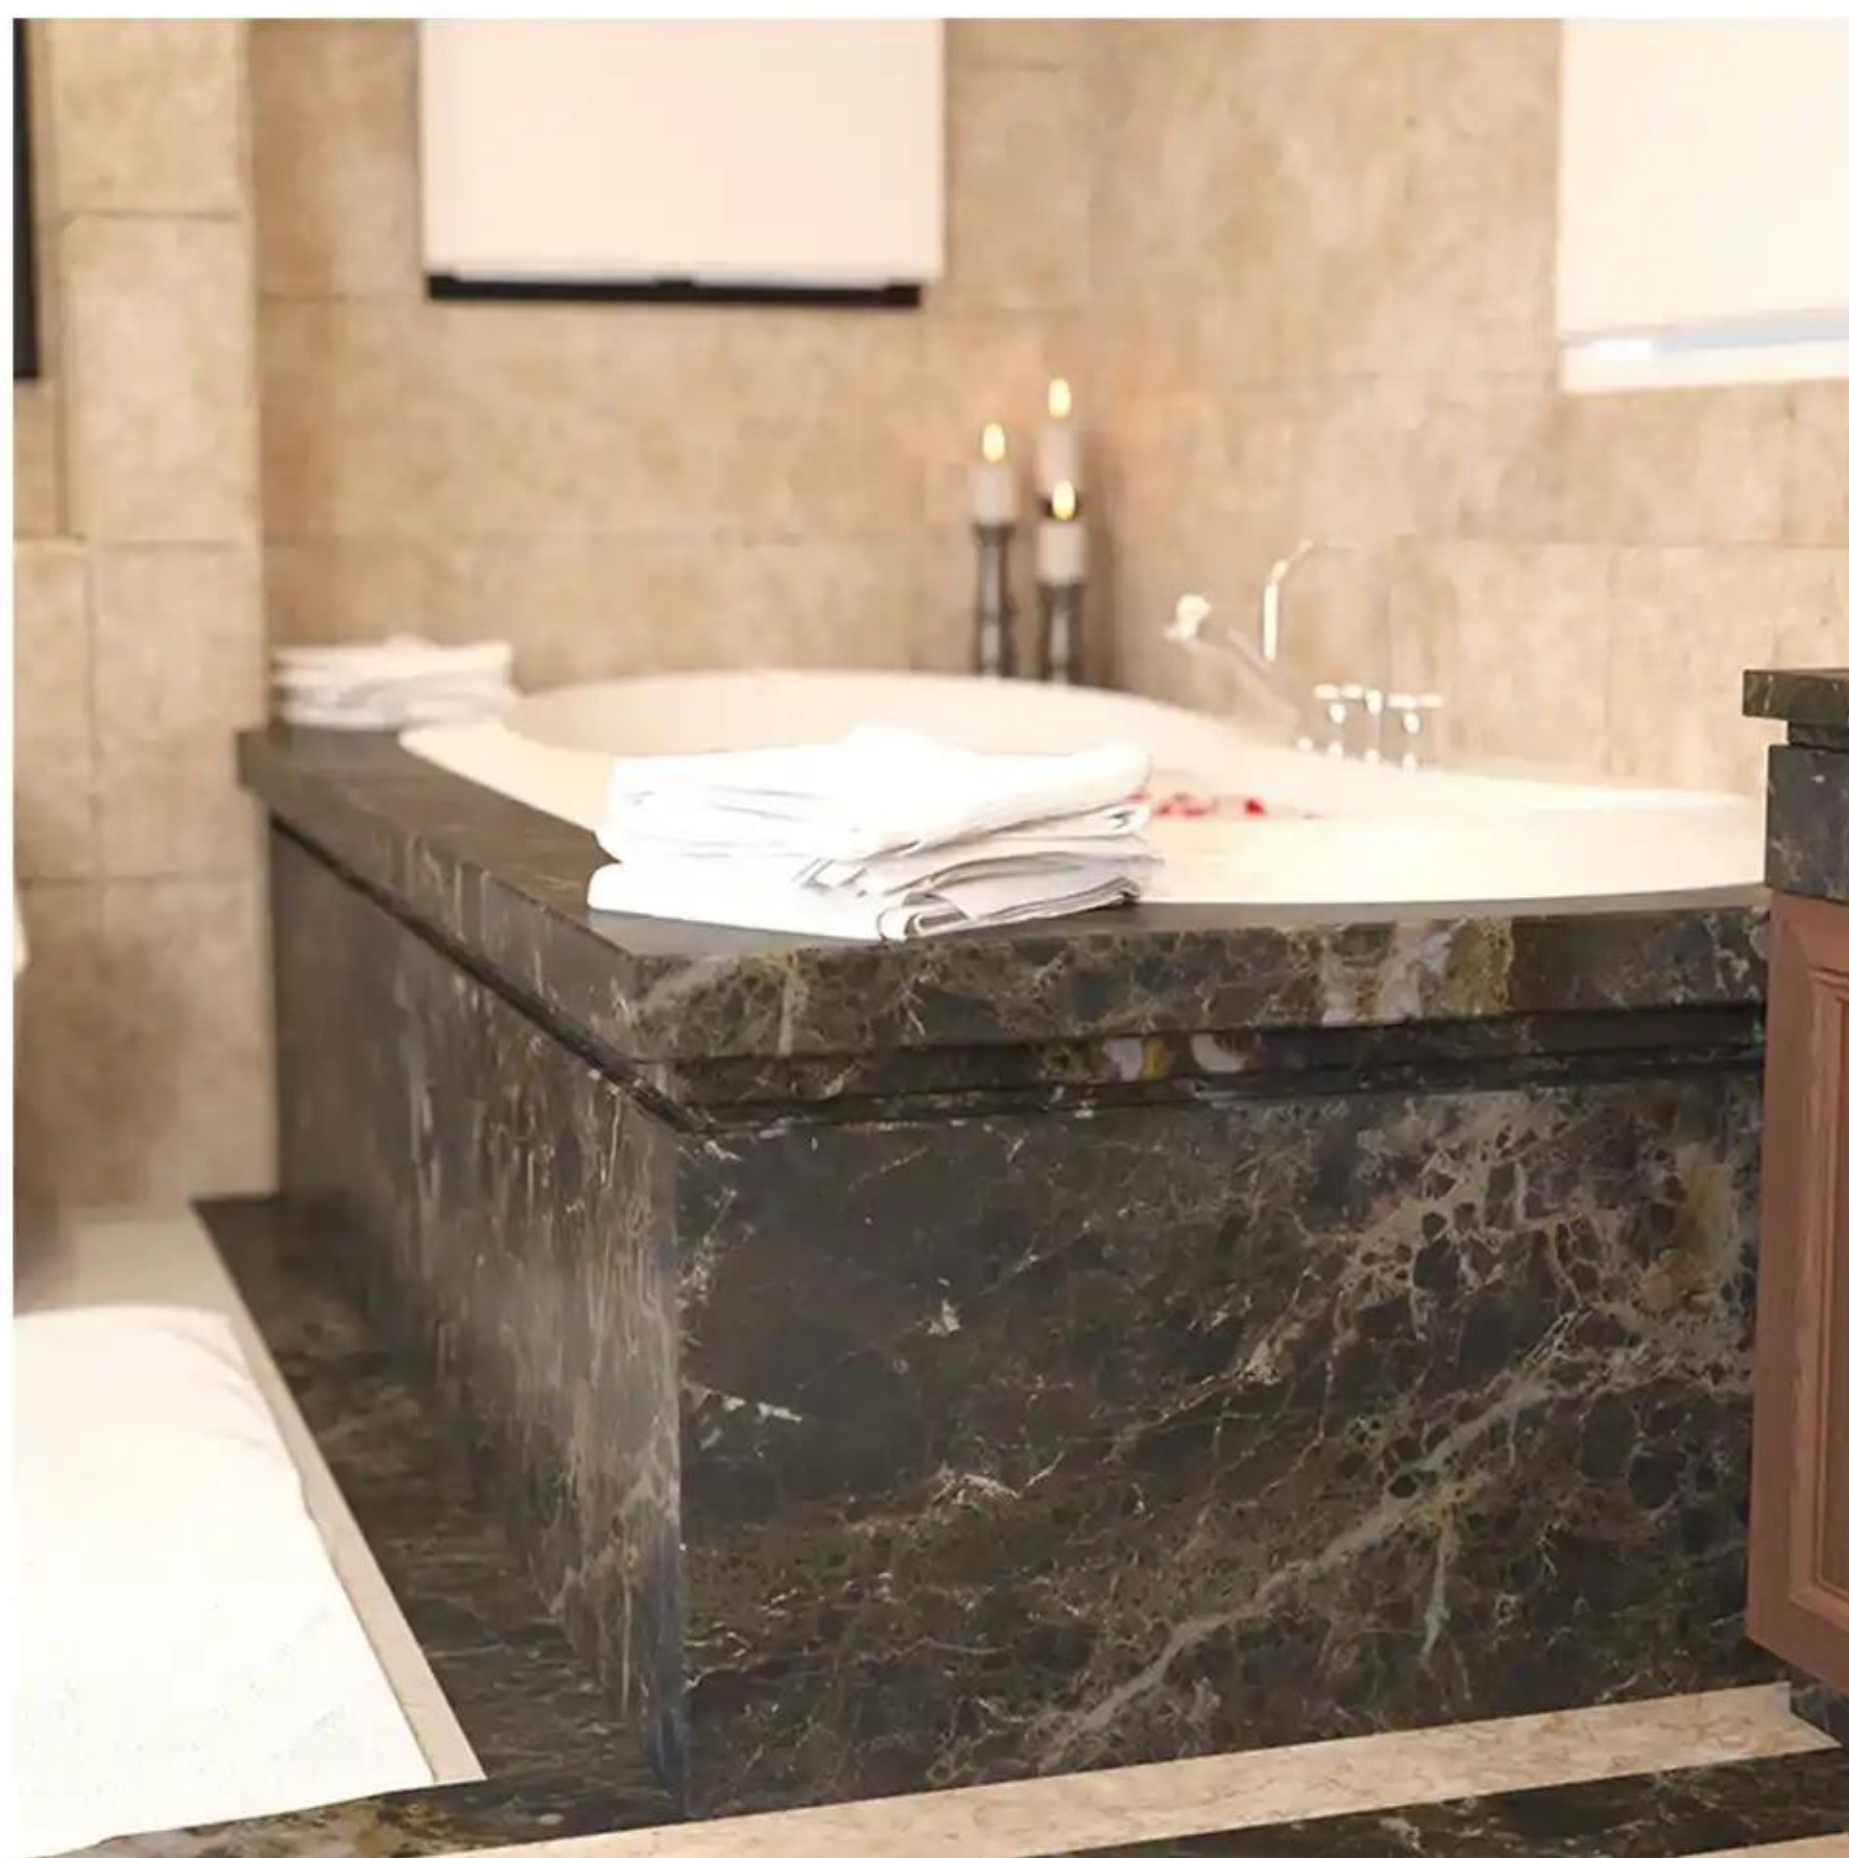

Isn't this just my  
alone time in disguise?  
Wait a minute, Lao Shao  
is sleeping so soundly,

Maybe,  
I can...

oh...  
...

Mom, my favorite mother, I have you now, your fragrance and your body temperature are all in my arms. ....

Ha...that's  
it.  
mother's  
taste

**Do you know how  
jealous I feel? I watched Lao  
Shao play with your body like  
that before. Even Akai could  
take over your skin.**

Obviously...

Obviously we are the closest family members, mother and son, connected by blood...

It should be me who takes your place! If you say who is the most qualified to be you,

Don't let go of your skin at all! But it's not too late to get you now, mom, I will feel your body well

Ming..

...Haaah!

I have really  
become a mother!  
Very good! I really have  
been dreaming about  
this day! I really,

This pair of  
sexy breasts  
makes me  
dream. ....

And the pussy  
I've tasted so  
many times. ....

I'm so happy!  
..Mother,. I really,

**How seductive  
your body is to me!  
Mom, you don't  
even know,**

Oh oh oh  
oh oh!

Touch  
the  
horns

It's something that  
doesn't exist in other  
women! This unique trembling  
feeling is accompanied by  
ultimate happiness and joy,  
God, God! Just a touch,

He will definitely laugh at me! But...if Lao Shao finds me masturbating with my mother's body, my God, I can't suppress my voice at all.

But it makes people  
reluctant to move their  
fingers! But this feeling of  
numbness

It's basically  
tempting me to insert  
it...Ming! There is also  
this obscene cunt, which  
is constantly secreting  
semen, and the abrasive  
feeling of emptiness,

**Mom's body  
is so cool and  
sexy! No, I really  
can't bear it  
anymore**

**I need to find  
a way to solve this  
heightened sexual  
desire without  
being afraid of  
being heard.**

My body...is ....  
so hot...

This size...  
should be  
about the  
same. ....

..I don't know why, but it still makes me so nervous! But now I have to play with her body myself. She has slept with her mother before.

Don't worry, be brave and go for it! This feeling of expectation and fear, Ming... don't worry,

Stuff  
it in!

Insert,  
insert in!

At this moment,  
as a team leader  
working in a hotel, I  
was using random hotel  
items in the bathroom  
to soothe my cunt.

! No, I  
am really  
too bad and  
too  
lustful!

I can't stop my hands! Mom, Mom, I'm sorry, it was me who made you so slutty, but your pussy really feels so comfortable,

Yeah!

Mom's sensitive spot was hit hard! Got it! Got it!

Uh-huh, what should I do? I want to pull it out, but I don't want to!

I really want to thrust wildly...I, I...haha, haha...I'm so hungry down there,

I can't stand it anymore!!!

Ahhhh! Mom's  
body feels so good!  
Mom, I don't care  
even if my good  
friends are  
sleeping  
outside.

**There is only a  
wall between me and  
Lao Shao, but I, I am so  
perverted, yet I want to  
play with my mother's  
body like this** .....

**Sexual fetishes are completely twisted! What should I do, what should I do? Now I am not only an Oedipus mother's baby, but also immersed in the pleasure of women.**

No, it's too comfortable. My whole body is broken from the inside out. Hehe.

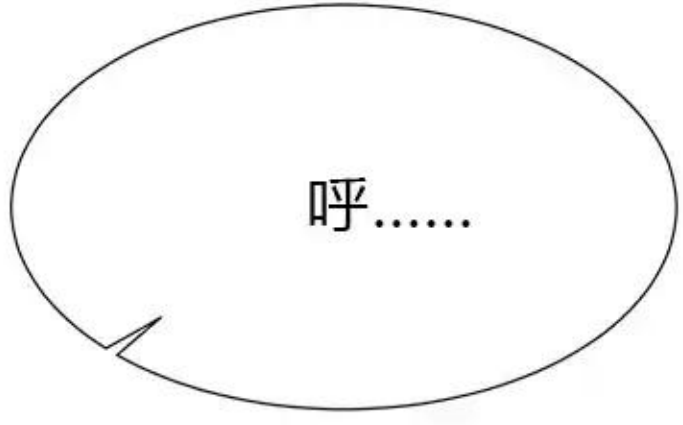

It seems like something is about to rush out! This, this feeling,

No, I have to go! Going!

Gone ah  
ah ah ah  
ah

Mom, thank you...your orgasm really makes me feel so comfortable. ....

**Why is Lao Shao so reluctant to part with your body! I finally know now,**

Then let me, as my biological son, experience it... Since you can let outsiders play with you like this

.....It must be no problem, right?

..ha!

Lao Shao can still sleep? I really didn't expect that I just screamed like that inside

Z~Z~Z~

Hmm... Do you want to wake him up?

I remember he was dressed incorrectly, wait a minute! Mom's skin comes directly to work, right?

Lao Shao  
didn't bring his  
clothes...hehe! But  
now both skins are  
on my body.  
You can't go  
anywhere but  
this room! This  
time he's naked

**Affects mother's work! It's better for Lao Shao to sleep like this, so as to save him from making trouble over there all the time.**

**Come and enjoy  
the life of a mom!  
Lao Shao, just take a  
good rest here! After  
all, it's my turn to be  
your son.**

啫啫啫~啫啫~

168

This is how my mother usually looks! Ha! Everyone is groveling because of my mother... no, my colleagues are even more groveling. This feels really good! It's because of "my" beauty that you are greeted with a smile

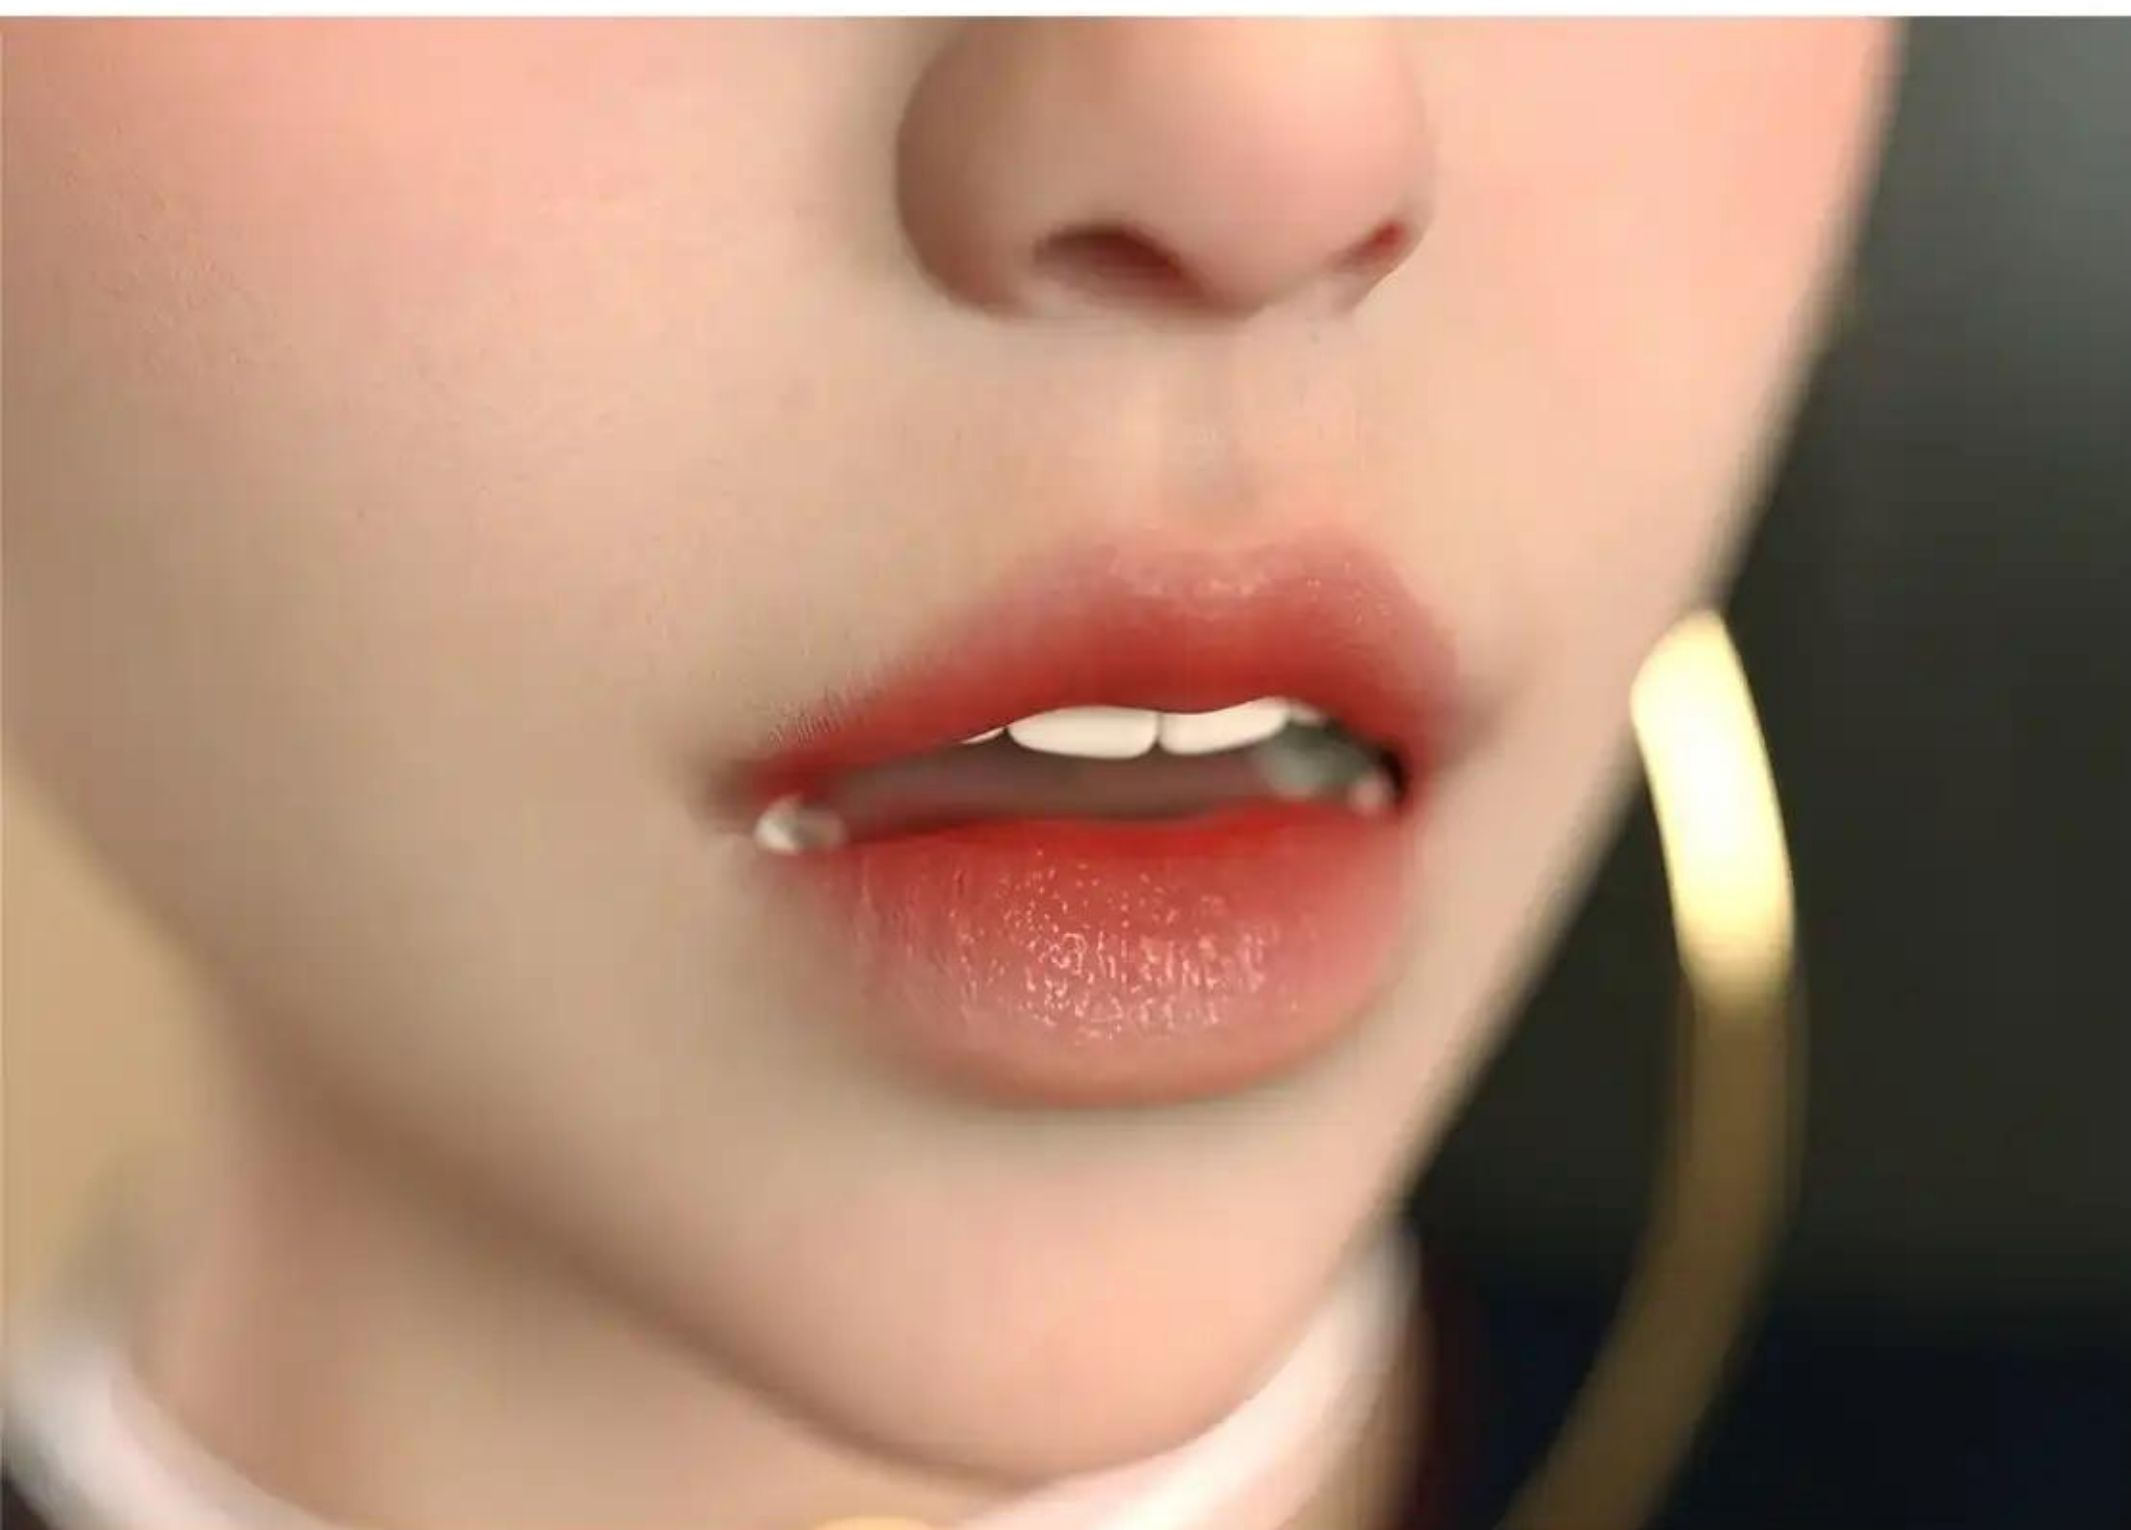

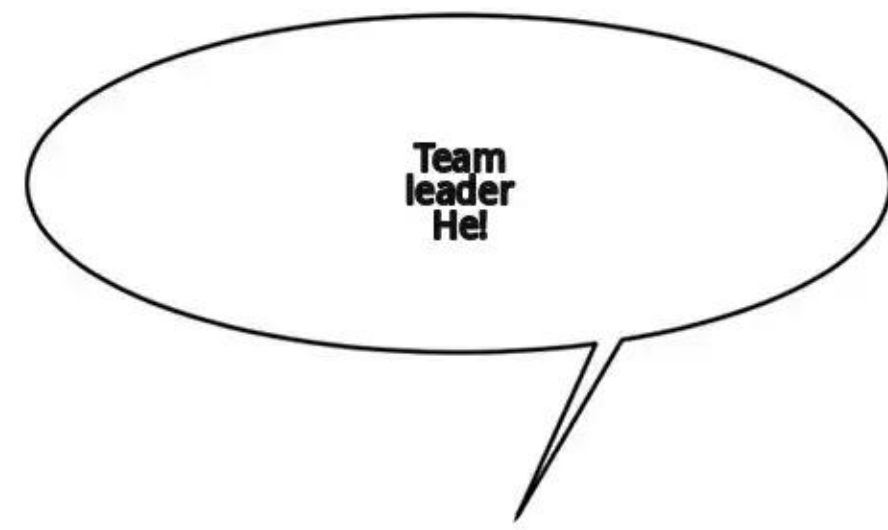

Every step seemed to be full of power. The angle of the high heels I was stepping on made me straighten up unconsciously.

The feel of the tight fabric of the skirt is so mesmerizing! The silky stockings rub against each other between the thighs, making every move feel restricted.

**I really want to  
stay in my mother's  
skin for the rest of  
my life! If possible,**

**Team Leader He,  
have you finished  
your meeting with  
Sister Yali?**

Isn't this the sister just now? Now gives me a chance to make up for it! Lao Shao made a lot of mistakes using his mother's identity in front of her.

What's the matter with you? It turns out to be Xiao Zheng. I just finished a meeting with Yali.

But this is too gentle, right? Um? It's strange, why does the team leader seem to have changed again? She used to be resolute and resolute, right? Although not as strange as before,

Please remember to take a look when you get back! This is the team leader. A document has just been sent from the Public Relations Department and has been placed on your desk.

I understand,  
thank you, Xiao  
Zheng!

In fact, there is a  
reason...the reason  
why I behave differently  
than before, that...about  
what happened in the  
room just now

I can't tell you too much... Well... there are some situations, and your sister Yali, you know, there has been a big reshuffle at the top recently.

In short,

I hope you don't mind what happened just now and don't mention it again, okay? Just think of it as my joke,

167

Don't worry, I've forgotten all about it! Okay, okay, Team Leader He,

**Will keep his mouth  
shut obediently! Humph,  
it's exactly what I thought.  
It made the matter seem  
serious. In order not to be  
implicated, these low-level  
employees only need to  
give some specious  
information.**

**Even if I actually  
deceived you adults,  
hehe! I can still take  
advantage of my status.  
I'm just a high school  
student who hasn't  
graduated yet.**

I have something to do, so go ahead and do it! Very good. He is indeed my most trusted employee.

Okay, bye team leader!

**There won't be any  
strange rumors spreading  
to cause her trouble! Very  
good, even if my mother  
comes back to work later,  
haha ~ I am really a filial  
and smart son!**

What am I going to do with my mother's body? Then before getting off work,

It's so crazy and gentle at the same time. It seems that there really is something inside that I don't understand! Well...the team leader is really weird today,

Anyway, this kind  
of thing has nothing to  
do with a 996 social  
beast like me! Phew~  
Never mind,

By the way, since the team leader and the others have finished their meeting...

.....  
**. Then you  
should be able to  
notify the cleaning  
staff to clean it,  
right?**
