It's much more enjoyable than just watching the works before! No...I feel so good that my mind goes blank...

Not only can I enjoy this motherly body, but I can also fuck beautiful girls. This is something I could never experience in my poor life before!

Good opportunity... It's not a waste of time. My body finally recovered. Zhang put on the human skin suitable for violence.

You can be arrogant now! See if you can still laugh later, I will deal with you, you pervert!

It's possible that it's a snake. I'm thinking about letting him go back and clearing the grass. Is there any other way...

It's definitely not feasible to take him back directly for business. I can't think of a way even if I try hard!

Crossover... got it! I thought of an idea that could deal with this person and get the best of both worlds.
Clues attached!

He has never seen the traitor, but there is still no connection between them.

Use his identity to infiltrate, maybe if I can turn him into human skin, we can catch each other!

Wei and I are still so
happy that it is just a
small step, but the first
cooperation has ushered
in success.
Unable to
extricate myself.

, on the one hand, in order not to expose Wei's address while we temporarily stayed at the pregnant woman's house and waited for the company's progress.

On the other hand, it's because the child won't stop crying.

We cannot leave this helpless child behind, let alone tell him the truth about his mother's murder...

Wei then volunteered and took the initiative to take care of the children.
Heavy.

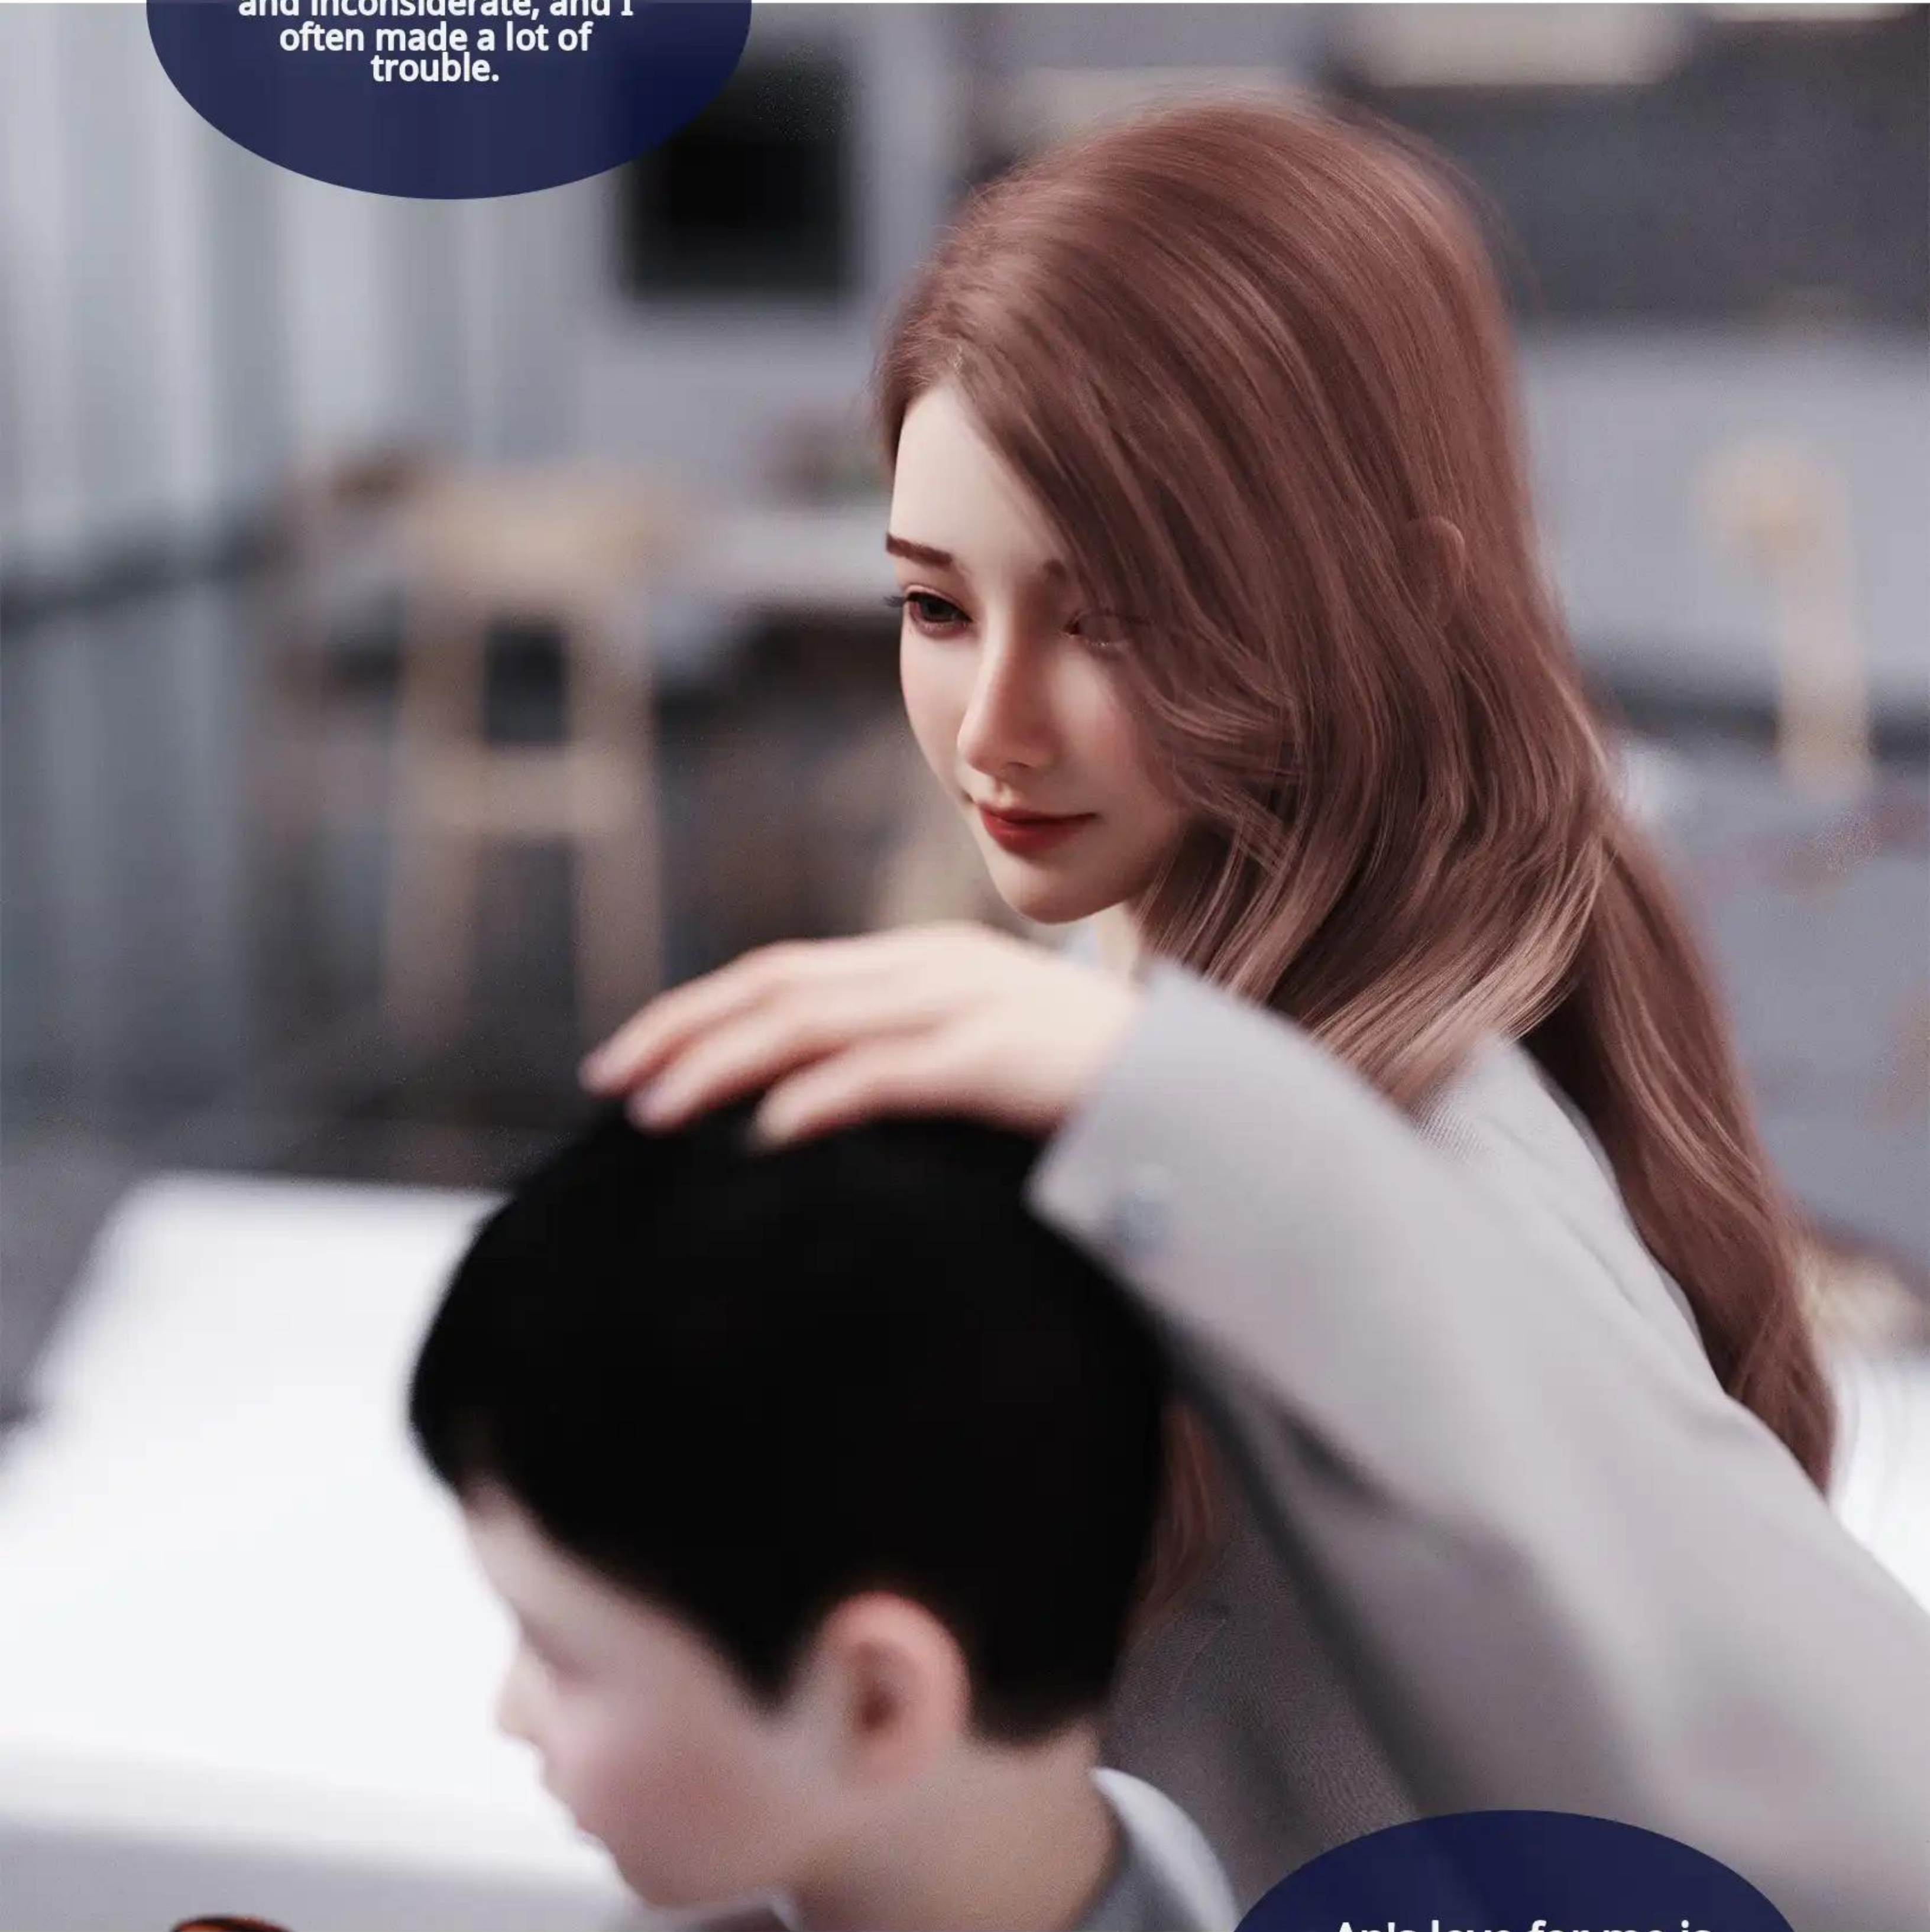

She is so gentle and has never been impatient when she cries. Facing the child

, I couldn't help but think of Wei when I looked at her and my The day sisters. fate.

I was still young at the time, very impetuous and inconsiderate, and I often made a lot of trouble.

An's love for me is just like Wei, who is always there patiently now...

It's just that I can't see my mother on sunny days, and the child is getting more and more uneasy. banana...

Wei couldn't bear it and came to me to ask for help. For the sake of her child's peace of mind, she planned to dress in human skin. Play mom.

Although she was still a little resistant, I could see from Wei Yu's actions that I could understand her feelings...:

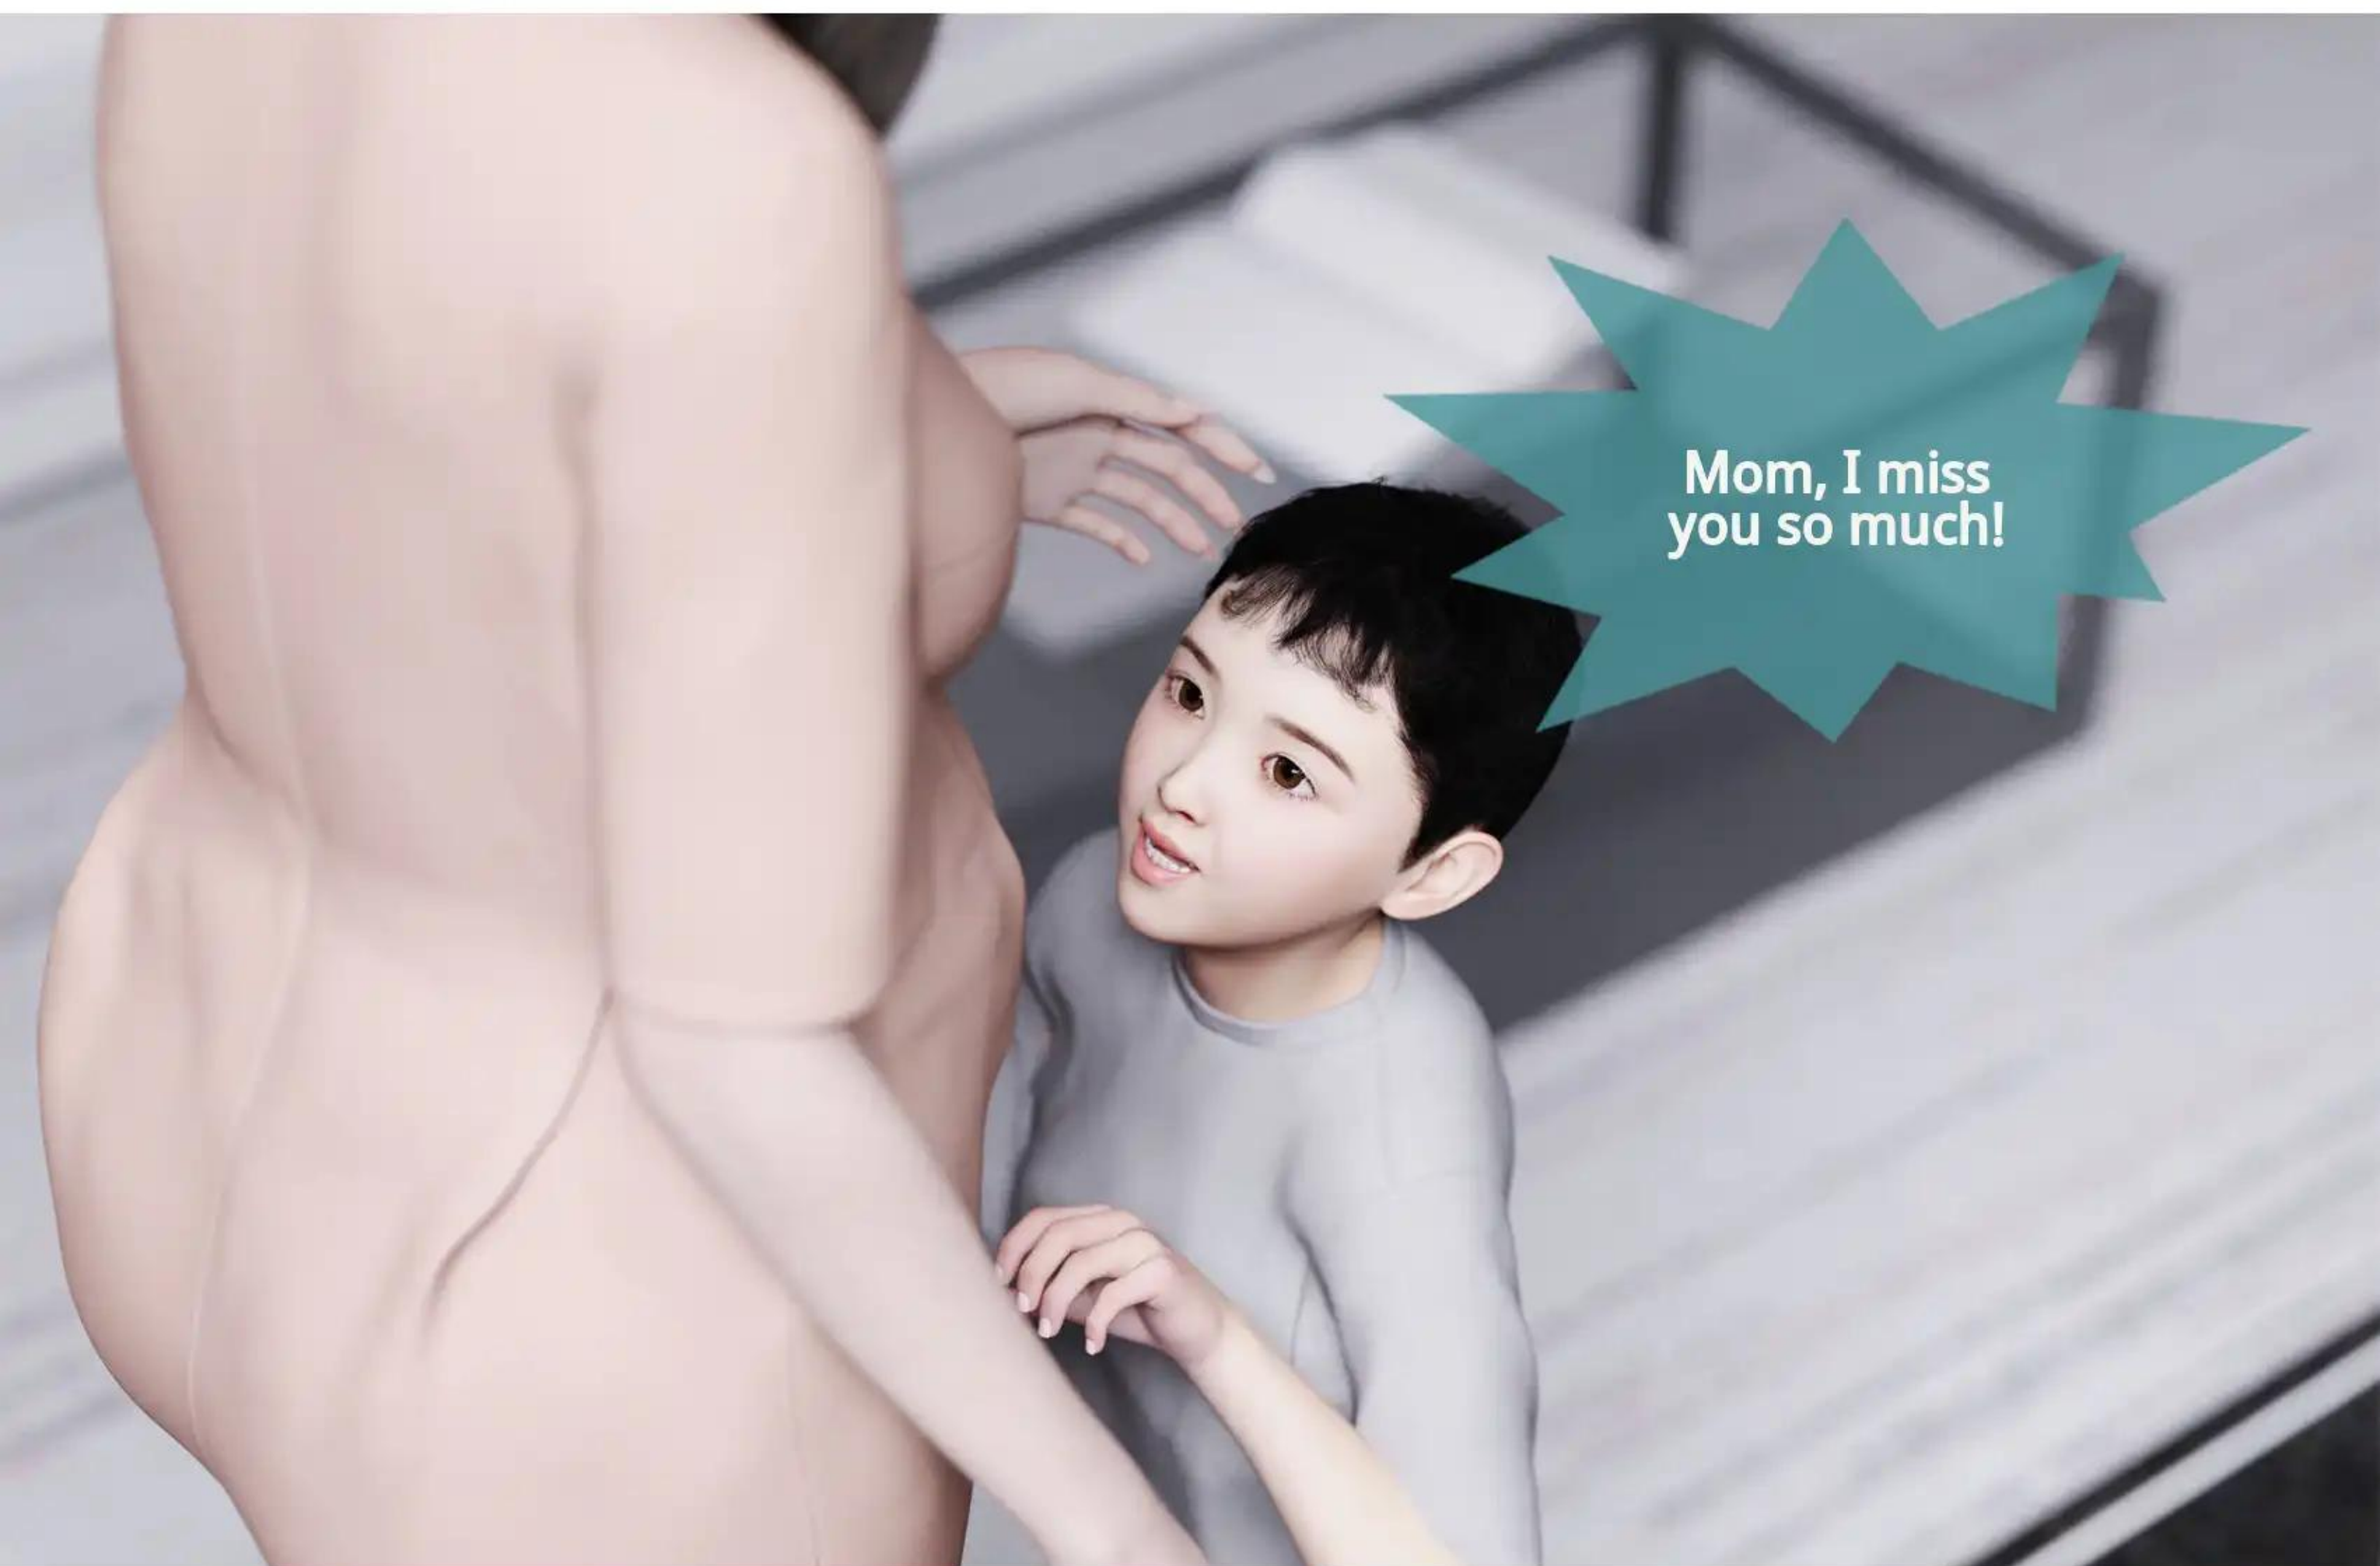

Life that should have been alive is now like a toy, unable to resist, asking for help and can only be played with...:~

However, for the sake of her children, she still suppressed the temptation and did it without hesitation. Put on human skin.

I believe the mother of the child can also understand Wei's behavior?

Finally she smiled
and saw her
mother's child again,
arms

Everything seems
to be worth it...
Look at the child's
happy face,

I don't know whether it was the influence of human skin or Wei's own temperament. At this time, she was full of motherly love.

Brilliance.

So gentle that people can't take their eyes away...

It's been a long time since I've met such a kind person. Most people who come out of the society are smiling and hiding their secrets.

Bizarre and terrifying things... If it weren't for Youwei, I would have been disappointed with human nature after encountering these things recently.

Days passed after that,
and we played the
same thing, spending
every day with laughter.

Same, everything in the
past seemed like we were
a real family of three and
it was just a nightmare...

I want to be with Wei Shen, and the warmth she brings keeps her innocent and hearty smile, and the atmosphere of letting go.

Days have passed in my heart, and I can't imagine my existence without her, which is more than just a friend.

It's hard not to be moved by her... She is as kind and strong as my sisters. I understand my own feelings. ..

And Wei seems to have a crush on me too...

I couldn't suppress my heartbeat for her. Every moment I faced Wei, my desire was increasing.

Ah Hao,
I...

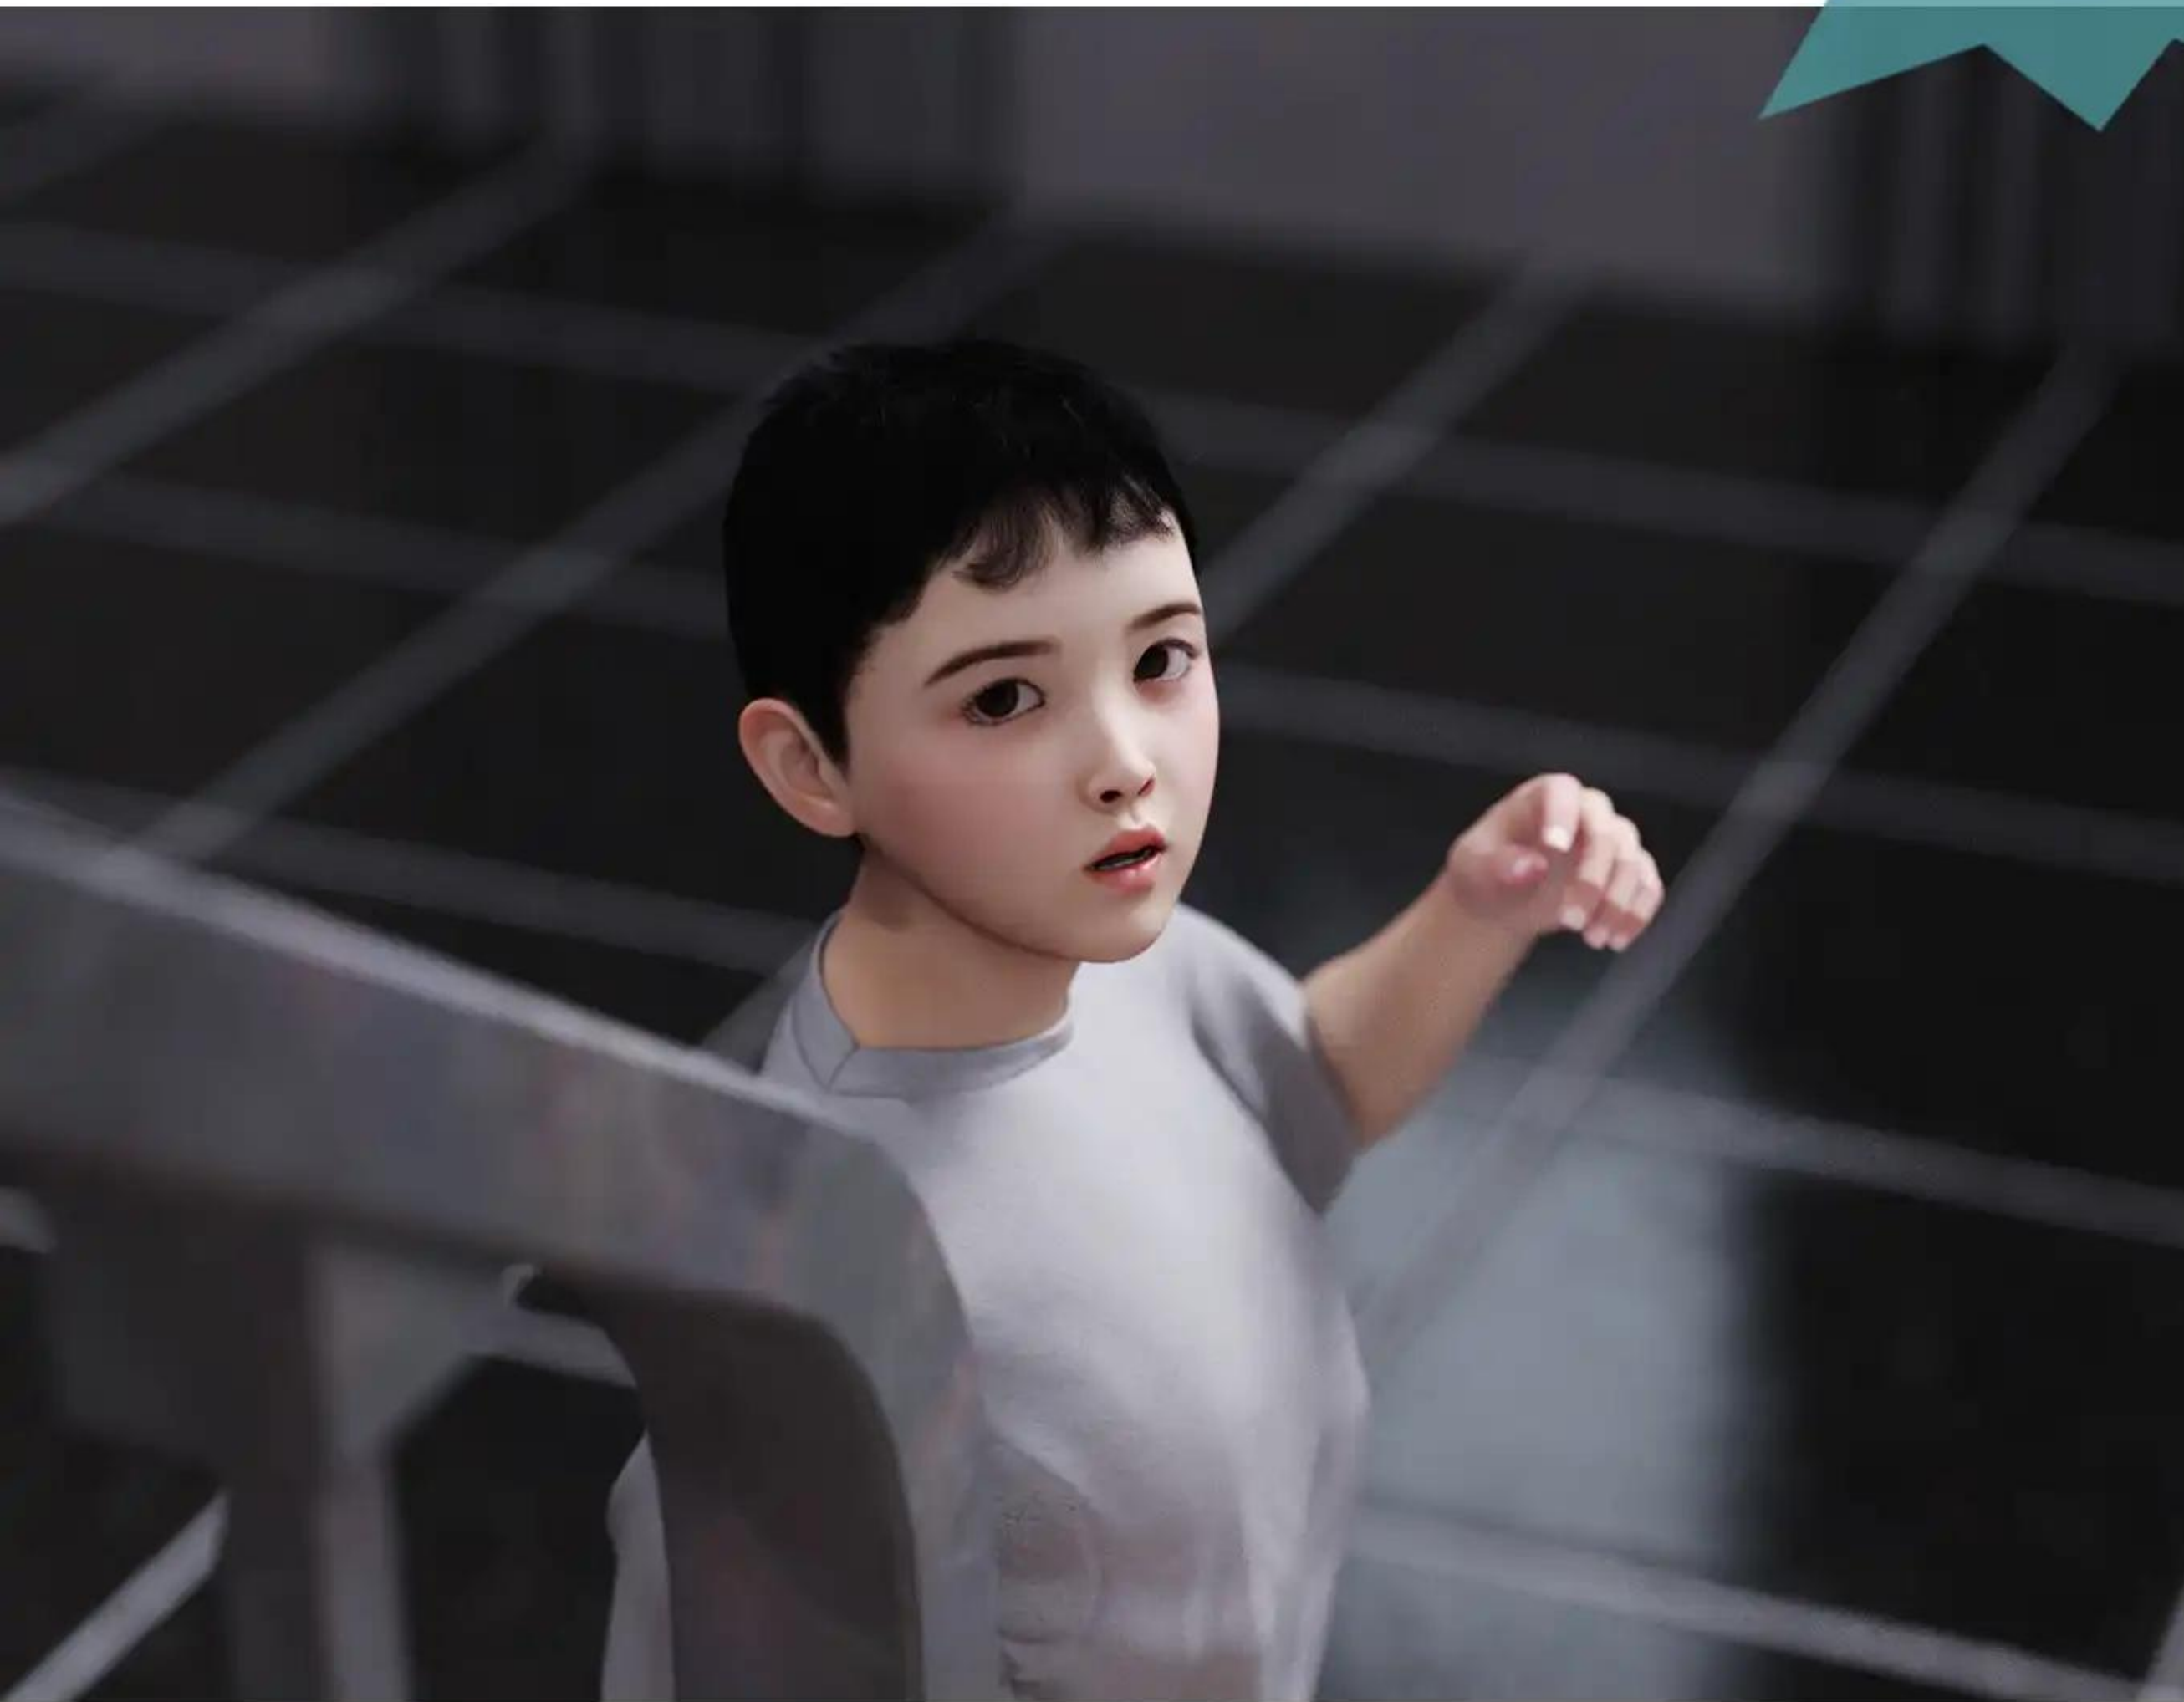

When a man and a woman live together in the same room, it is so logical and logical that it happens.
No surprise.

Sincerely, I like you.
Brave Wei, I like
you! I am just and
yet gentle......

I'm not just in a
hurry, I really want
to date you!

My stomach feels
good! Mom,
where are you?
Click here to

Hahaha! The child is looking for us, shall we go down first? But I got your message.

I, but you are my Bai Wei... our partner when everything is over! As for the rest, let's continue?

Eat green peppers! Today, the teacher at school paid tribute to my mother. Now I dare to do it!

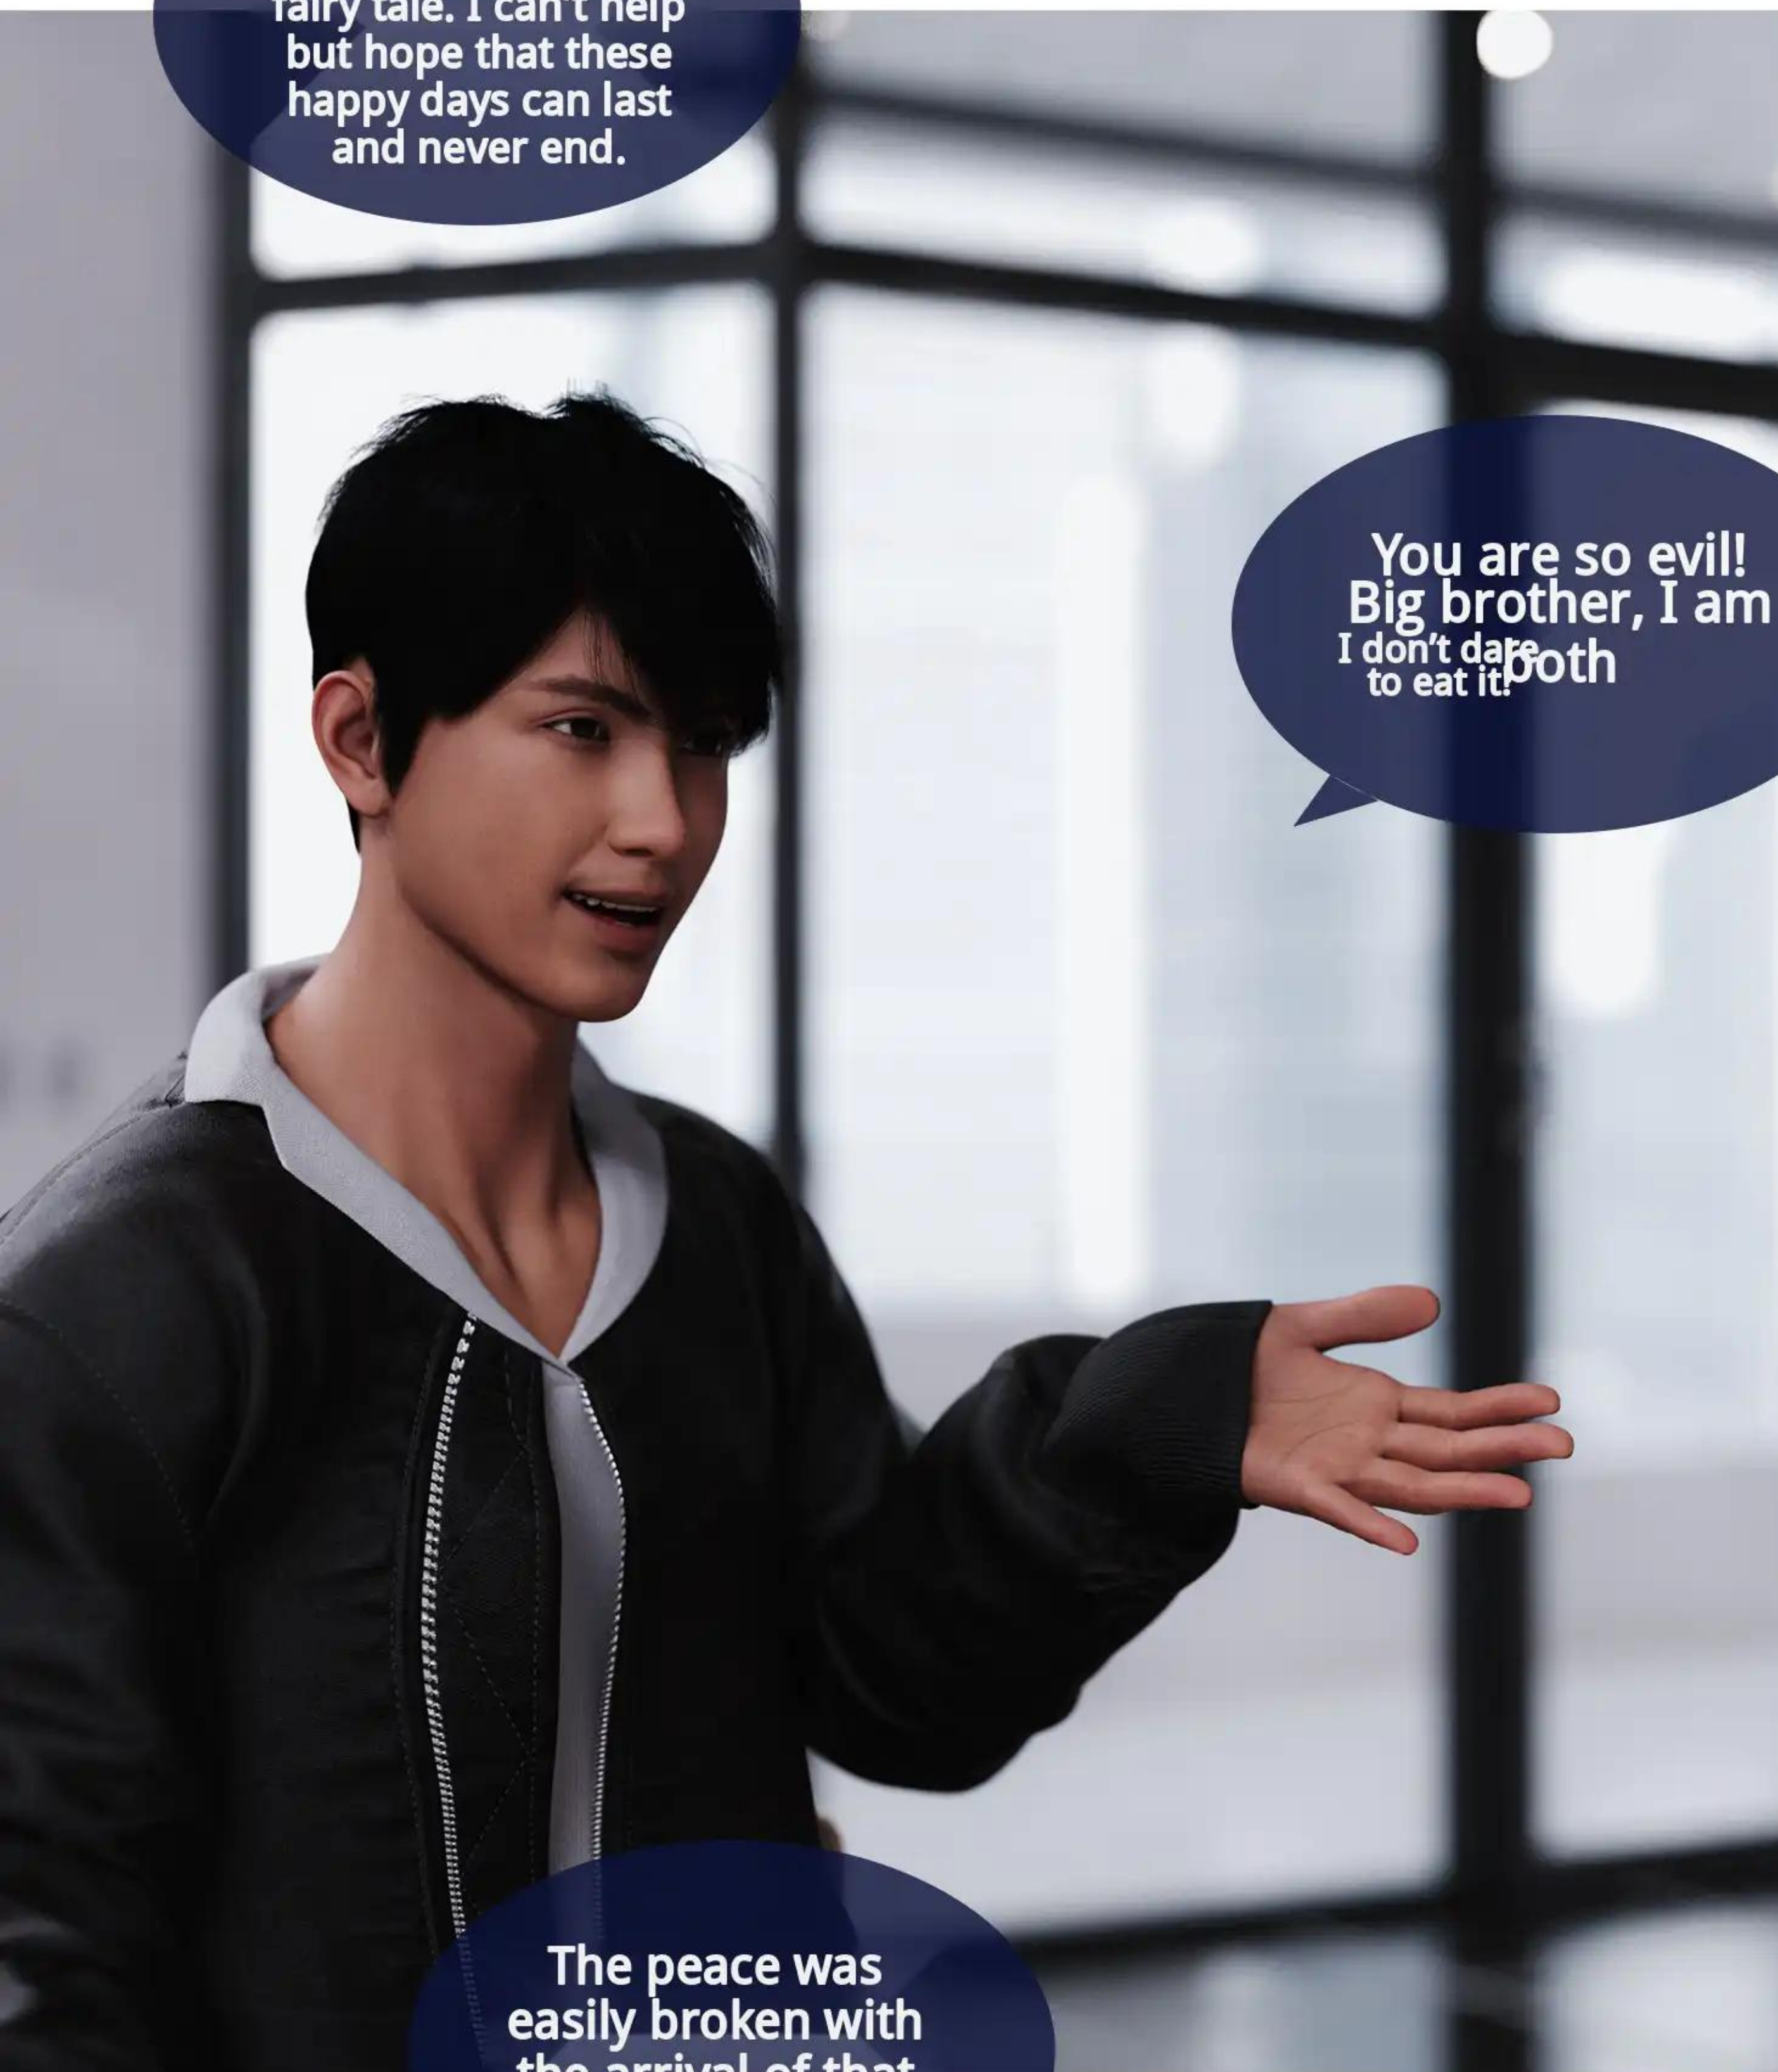

Baby is awesome!
Mom is so proud to
have such an
outstanding child like
you!

The picture in front of me is as warm as a fairy tale. I can't help but hope that these happy days can last and never end.

You are so evil!

The company actually sent you here? What do you want? Get out of here! Don't stay here!

Okay!

Is this the way you should treat your sister who has reunited after a long separation?

Isn't it time for a touching hug? You are so me So sad!

**Open your mouth!
Don't use my sister's

**No one will act with

you are doing!**

My heart broke. I'm afraid of you. You are really hurt and miss your sister so much.

You have good intentions, but you can't be considered a companion if you don't treat us well, right? Do you actually doubt my kindness?

After being ruined like that, Ah Hao is the one who takes over Ah Hao's sister's body? How uncomfortable it is for your loved ones...

The beautiful woman behind you is the person I mentioned on the phone before. Bar?

His colleague must be careful not to know how many points there are in the institute. If his identity is exposed, Wei may be implicated.

think

I know, let me pretend to be him...

A woman with long, wavy brown hair is wearing a grey, open-front blazer over a matching grey top. She is looking towards a man on the right. The man has dark hair and is wearing a dark suit jacket over a white shirt. He is looking back at the woman. The background is a blurred office or modern building interior.

etcl Don't forget
that you still have
me, I'll go in
undercover with
you too!

One plus one is greater
than two, Yu's personal
power is greater! They
can also take care of
each other.

The little sister is really brave, but she lacks an identity. Why don't you all go in first and come out individually if you both want to be undercover?

Then you will be able to complete the task of dressing my brother in human skin together.

Well, we look after
each other better
than we can do it
alone
Safety.

But Wei, after you put on
his skin, you have to put
on the pregnant woman's
skin. This way you will be
completely disguised and
less likely to be
discovered.

This is the

嗎.....

It's so rough, and there seems to be really big bulges... and the skin has a strange smell...

Yes, but I didn't expect that it was me who asked for it. Do you really want to wear it?

There is a close
observation of men,
wow! I never
thought I would be

Men walk around

looking wrinkled and
heavy every day?

It's better not to think about it. If you think about it more, I will tell you what to do after the meeting. regret.

Hao, put it on for the sake of innocent victims! For the sake of the Ahzhe, I will work hard!

It's just a little
heavier, but it's much
simpler to think
about it. Just imagine
him as a puppet! It's
hard for me!

My whole body is filled with the smell of an old man...it doesn't look like me at all, I'm still too naive, wearing a cute puppet costume.

, or did he not pay attention to the fact that the human skin has not been washed and cleaned for too long? It always feels greasy.

It's so cool to make
a female voice
when it's obviously
a man's body..."

put
on

The mission must be
successful! It should
feel better if I put it on
my head, but I don't
want to have to do it
again! Bar? It's finally
over,

Me, my voice? !
Is this the sound
I make?

Already? Oh my god, I
really want to become
a man and not be able
to express myself!

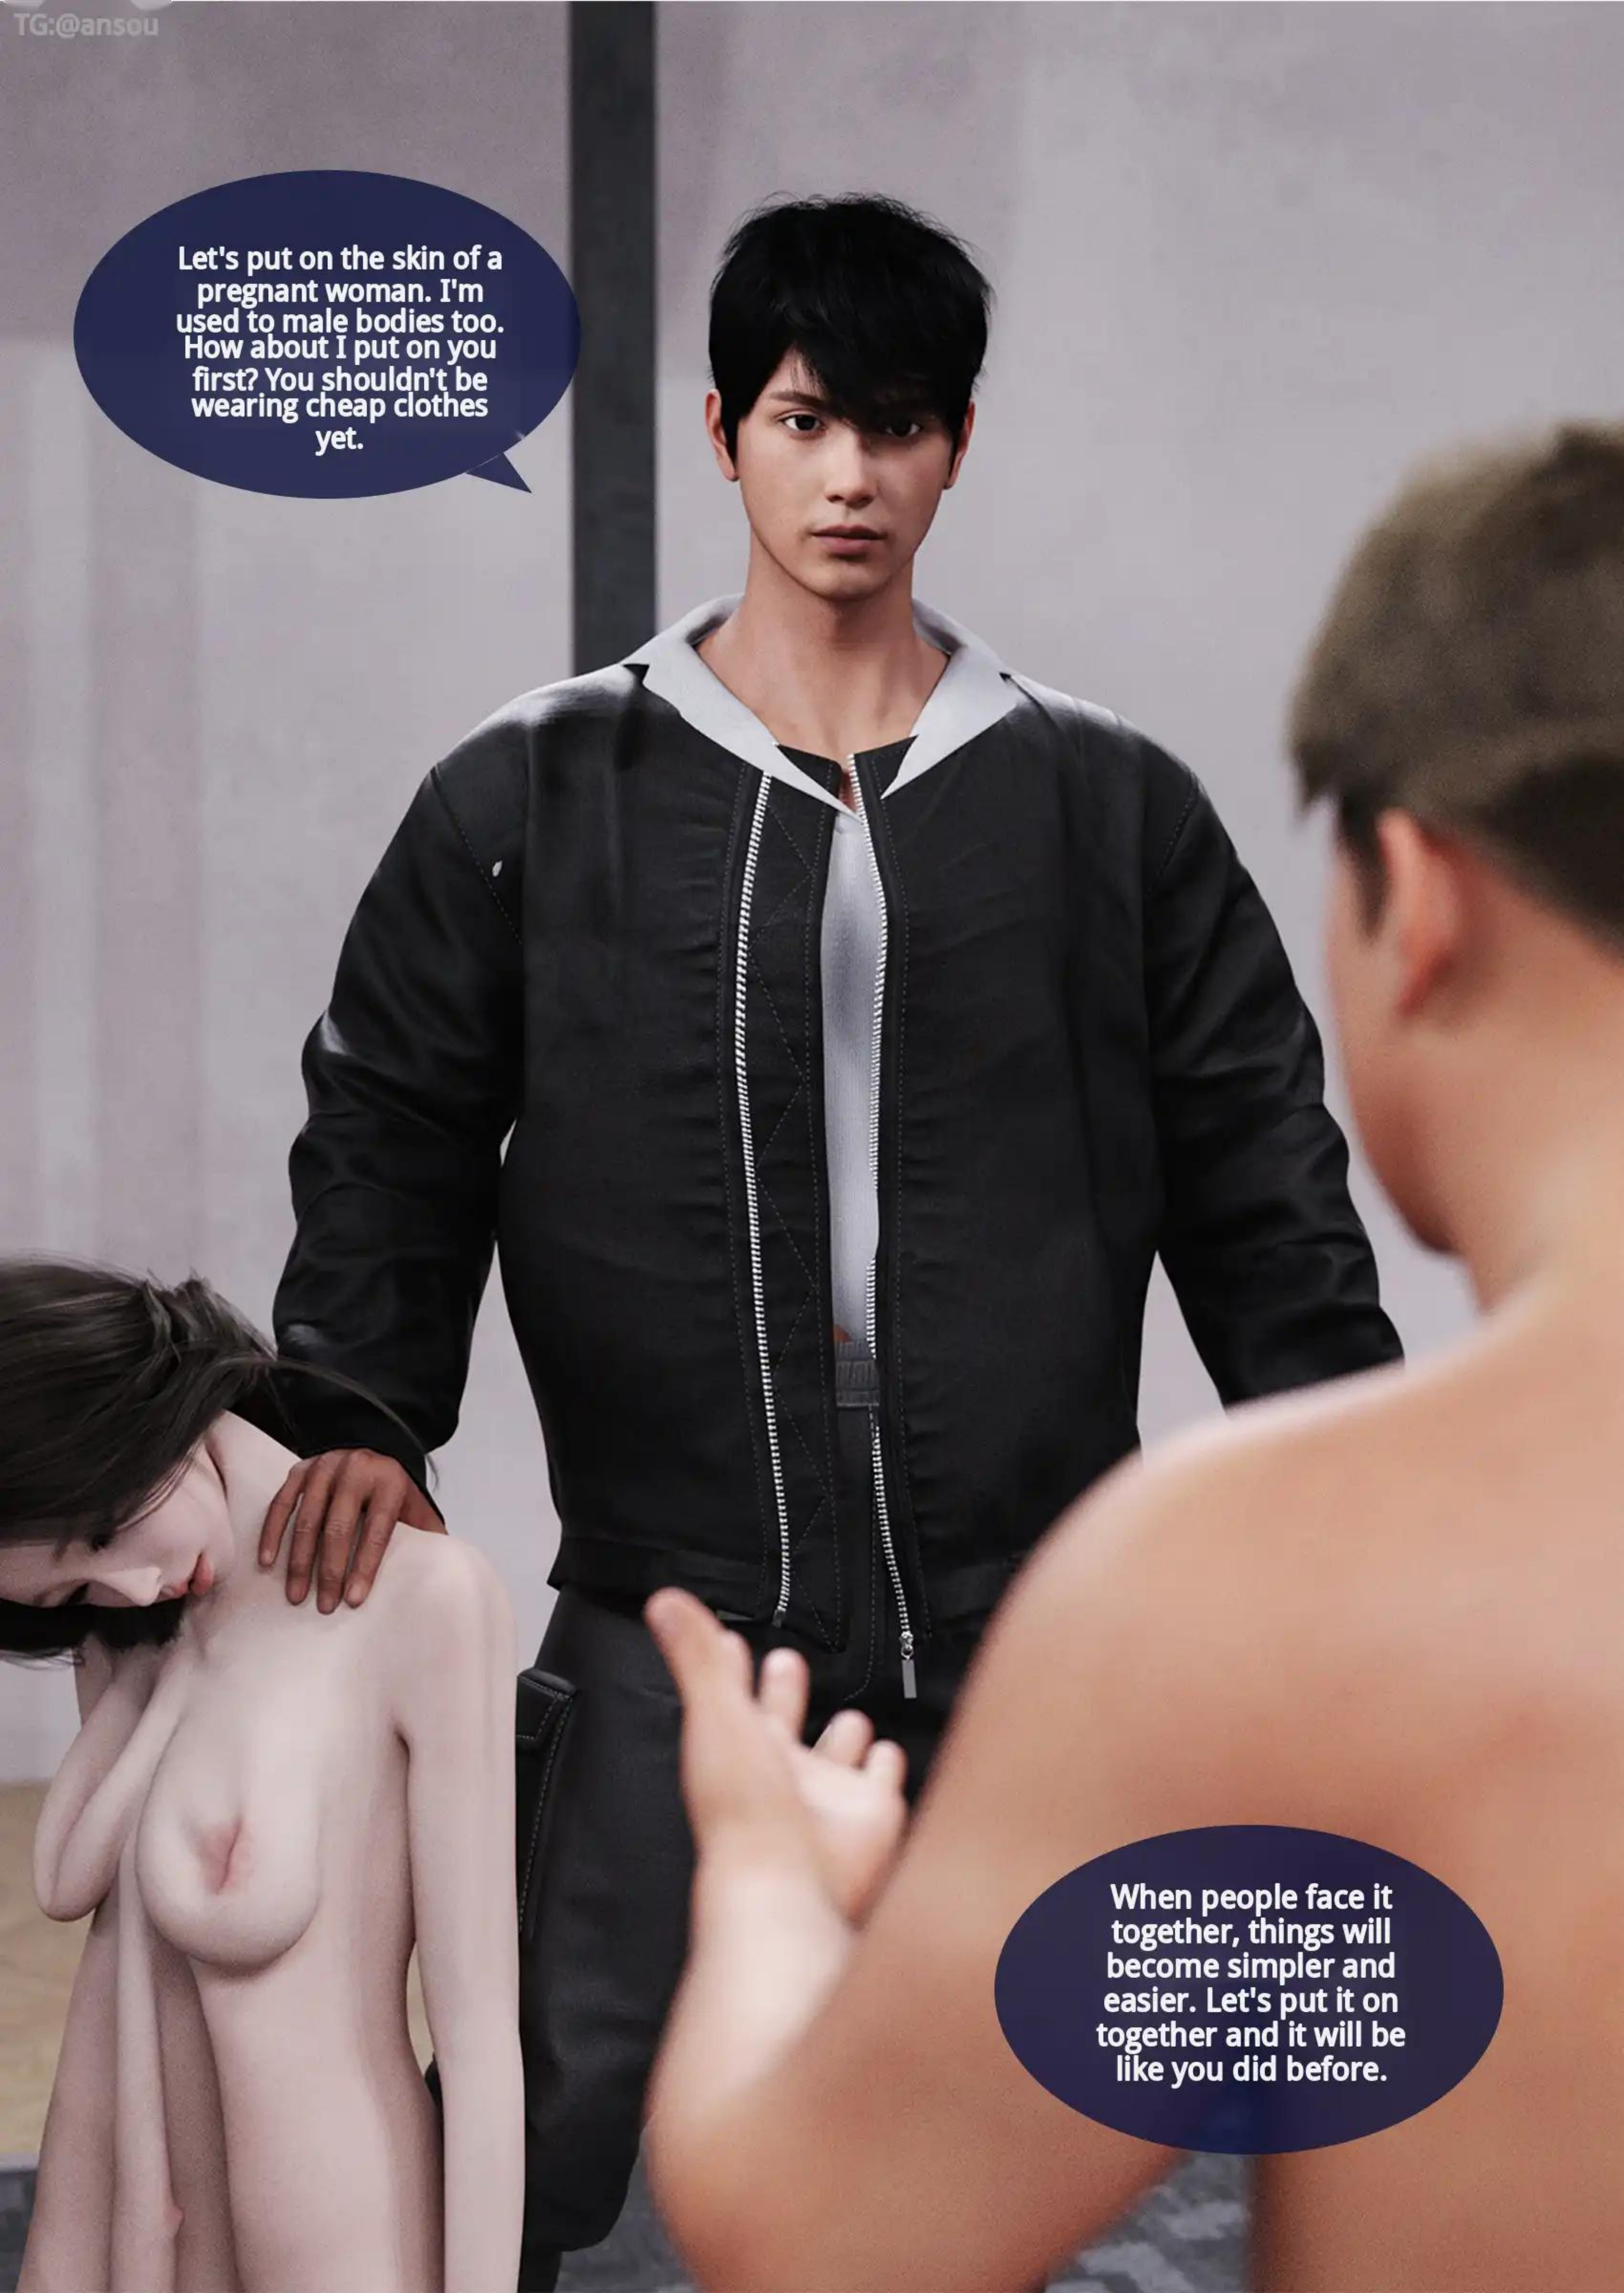

I really can't bear
to have this extra
thing down there!
Kindhearted!

And why is it
starting to get
hard? I obviously
didn't touch it!

Let's put on the skin of a pregnant woman. I'm used to male bodies too. How about I put on you first? You shouldn't be wearing cheap clothes yet.

When people face it together, things will become simpler and easier. Let's put it on together and it will be like you did before.

It's really not used to it, I feel uncomfortable now! It turns out that the bodies of men and women are so different!

Feeling much better, thank you. But with you by my side, my heart Hao.

It's unbelievable. I didn't expect that wearing human skin would be such a wonderful thing in the world. I would put on the second layer.

A person sometimes even feels that his inner voice has completely changed from his voice to his outer appearance. He has never thought that he would experience these things and his heart is gradually assimilated..

What's wrong with you physically or mentally?
How does it feel to wear male skin for the first time? body
Comfortable?

, and I haven't pierced boys' skin because I don't have much skin piercing.
...

, even if the opponent wears a layer of human skin, I can still see his original appearance...as long as I activate my ability.

. So you can also see Wei, and I can see your figure clearly now.

Heart!

I want to help you,
but the result is that
you are comforting
me as I promised
you.

The psychological
uneasiness has
been completely
solved by you, but
there is still a
difficult problem...

, the man's genitals

being constantly
rubbed and harder.
by....

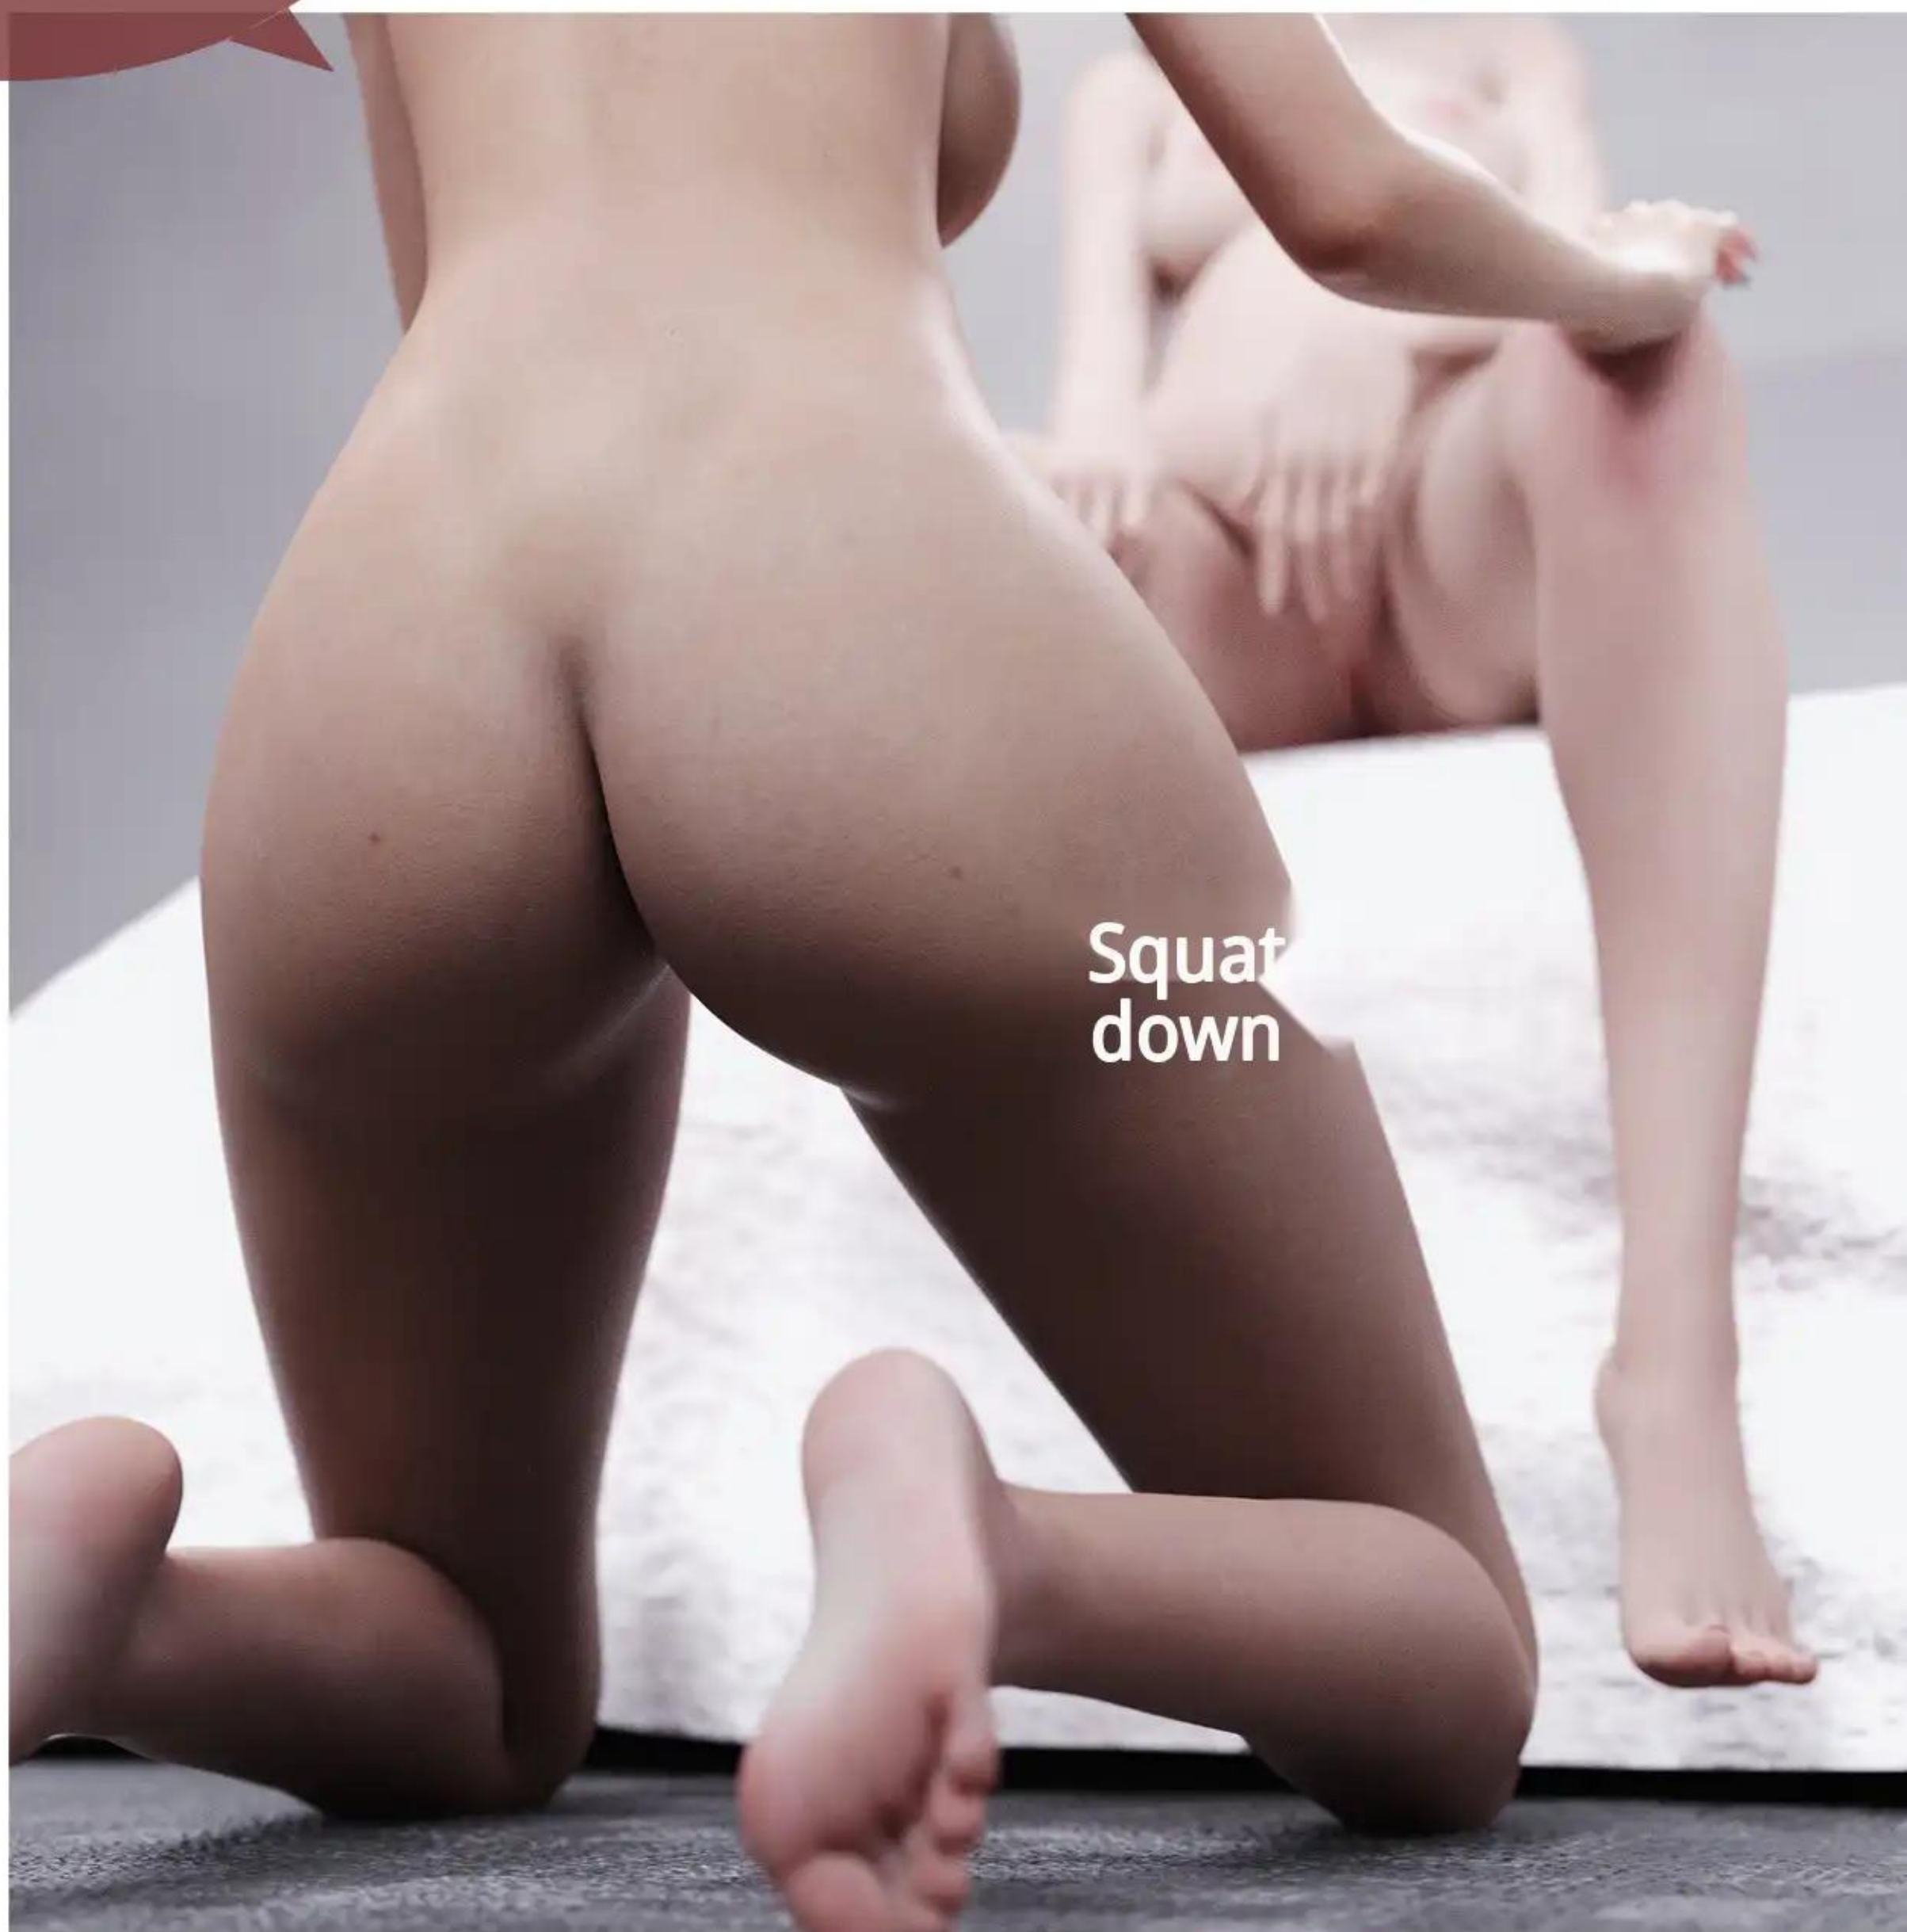

Come on, I can't
help but feel the
desire to go out
and touch..."

This is normal, and it should be because the male sex drive in your body has not been relieved.

The mission is very dangerous, but the desire we are going to carry out next cannot take over from you.

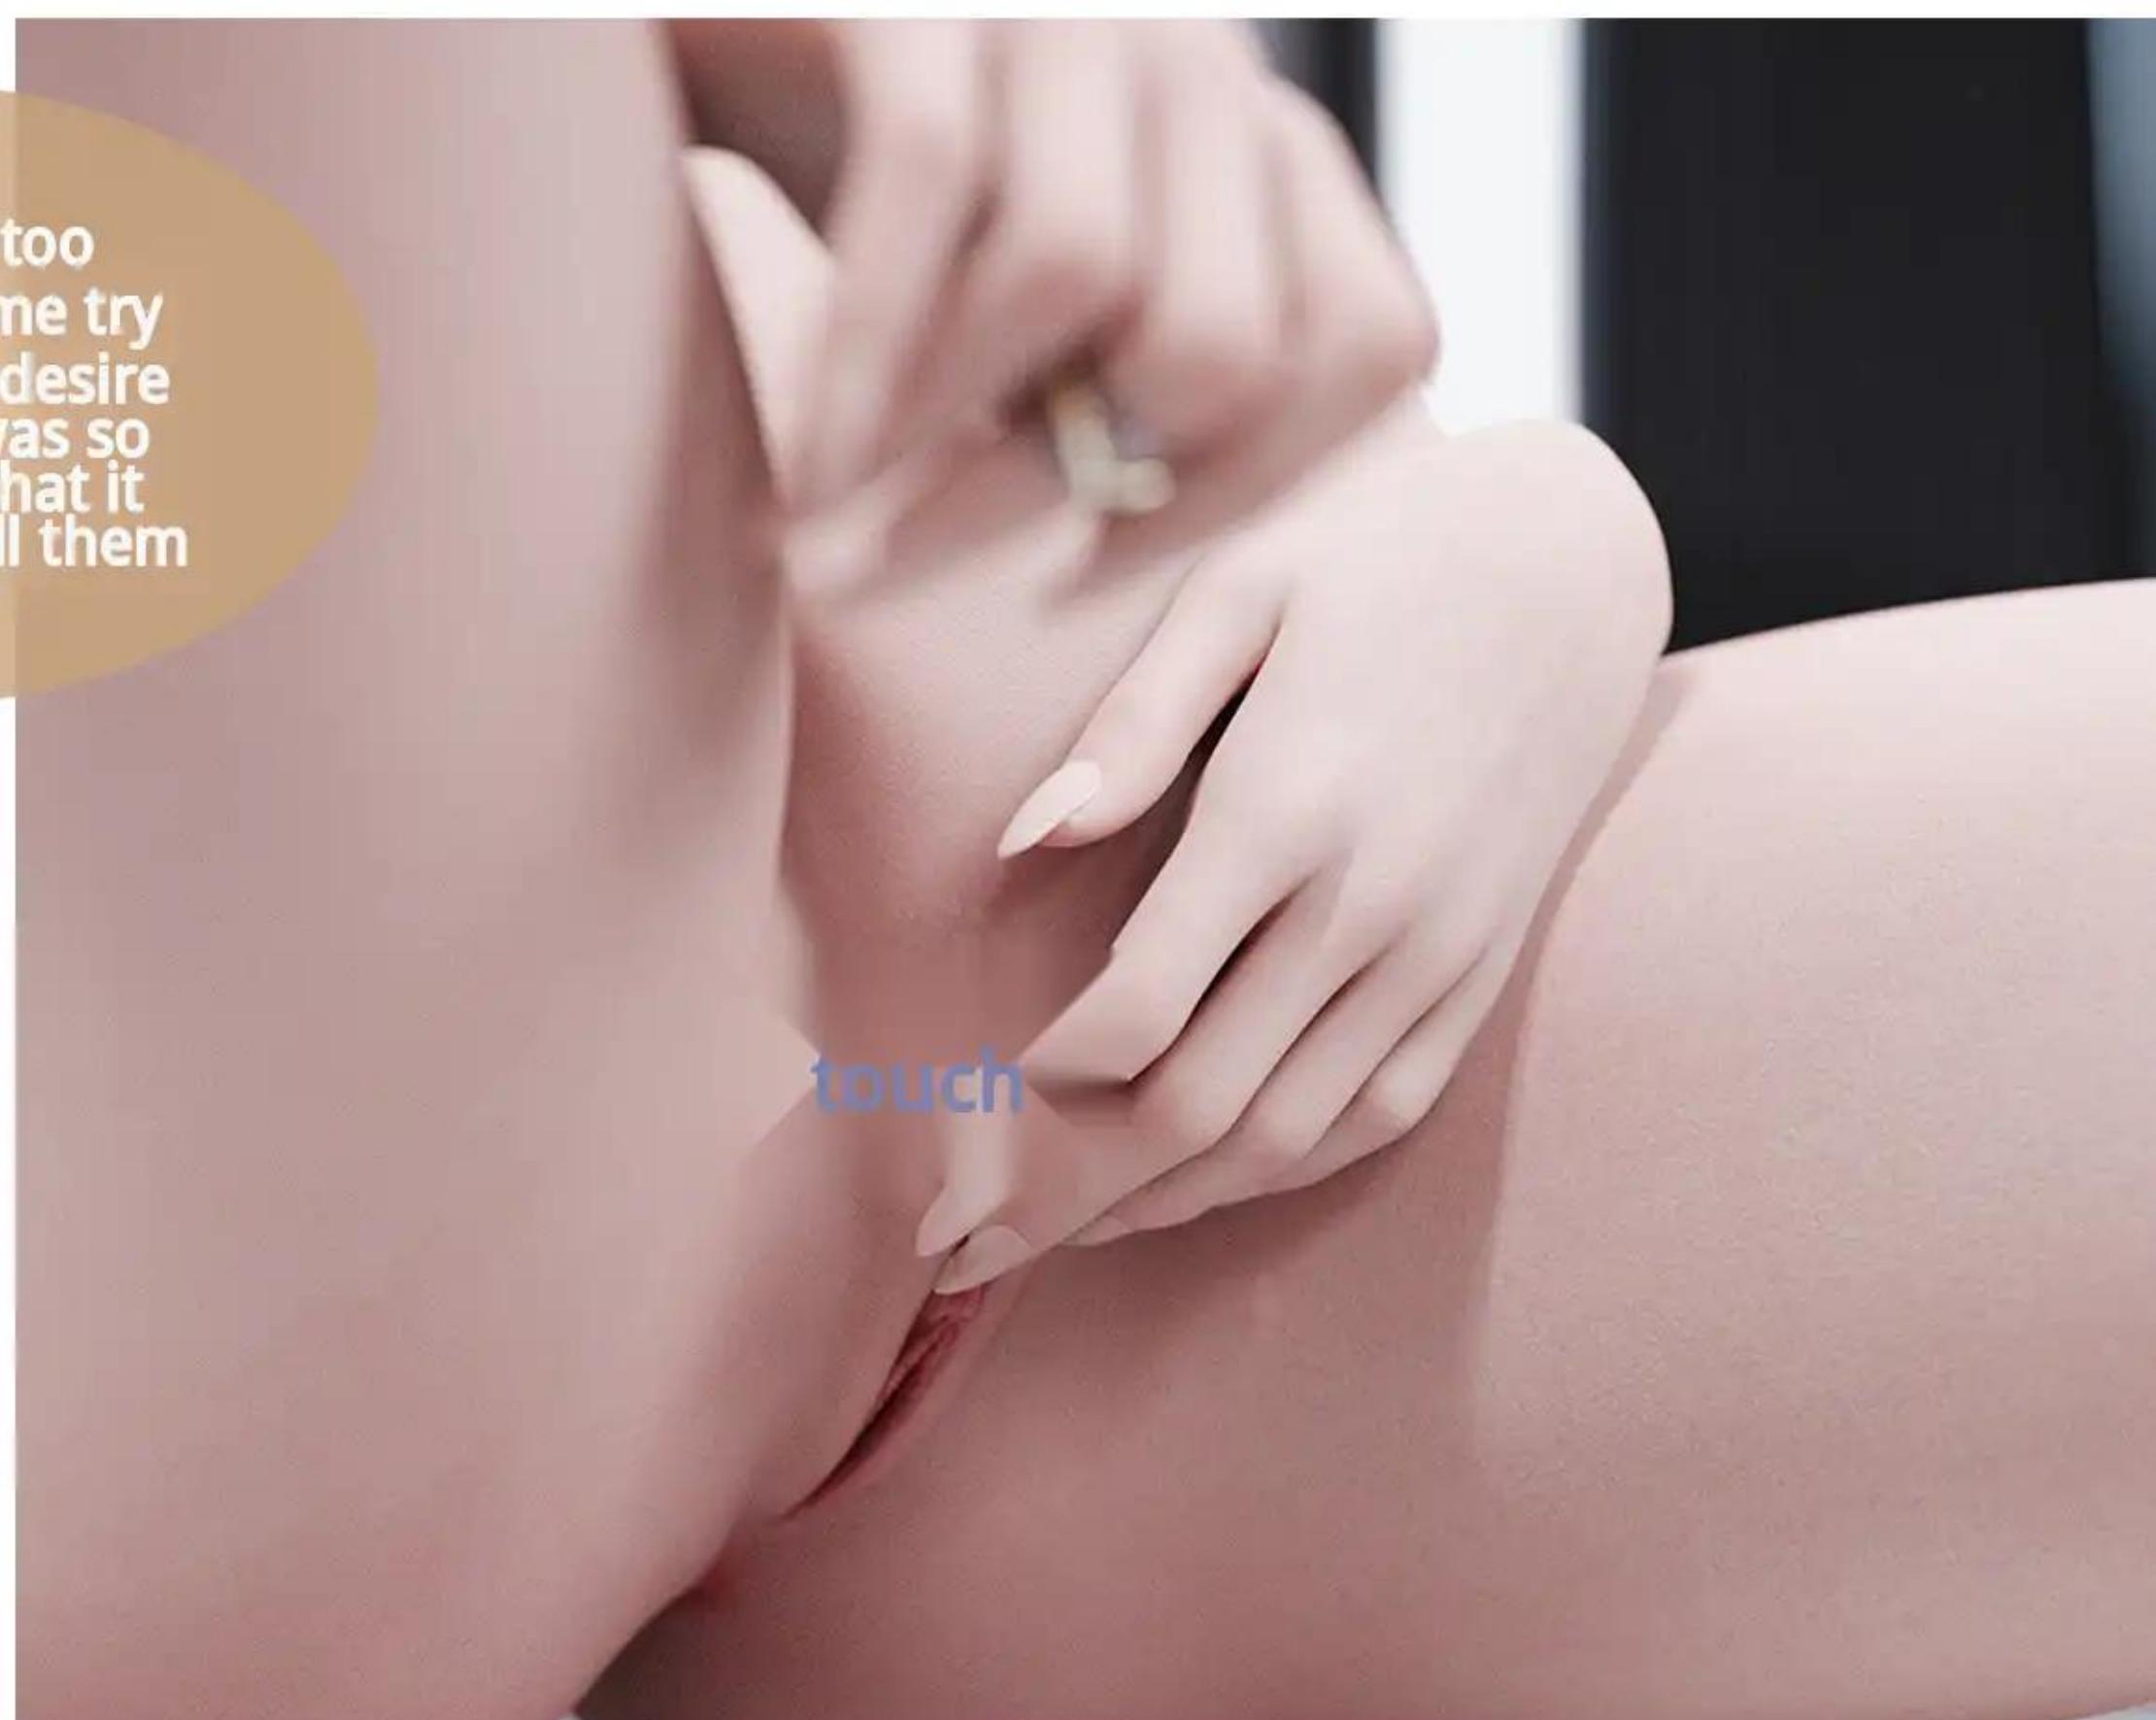

Of course, man, let me help you solve it. You haven't even figured it out before and you don't know how to solve it. you.

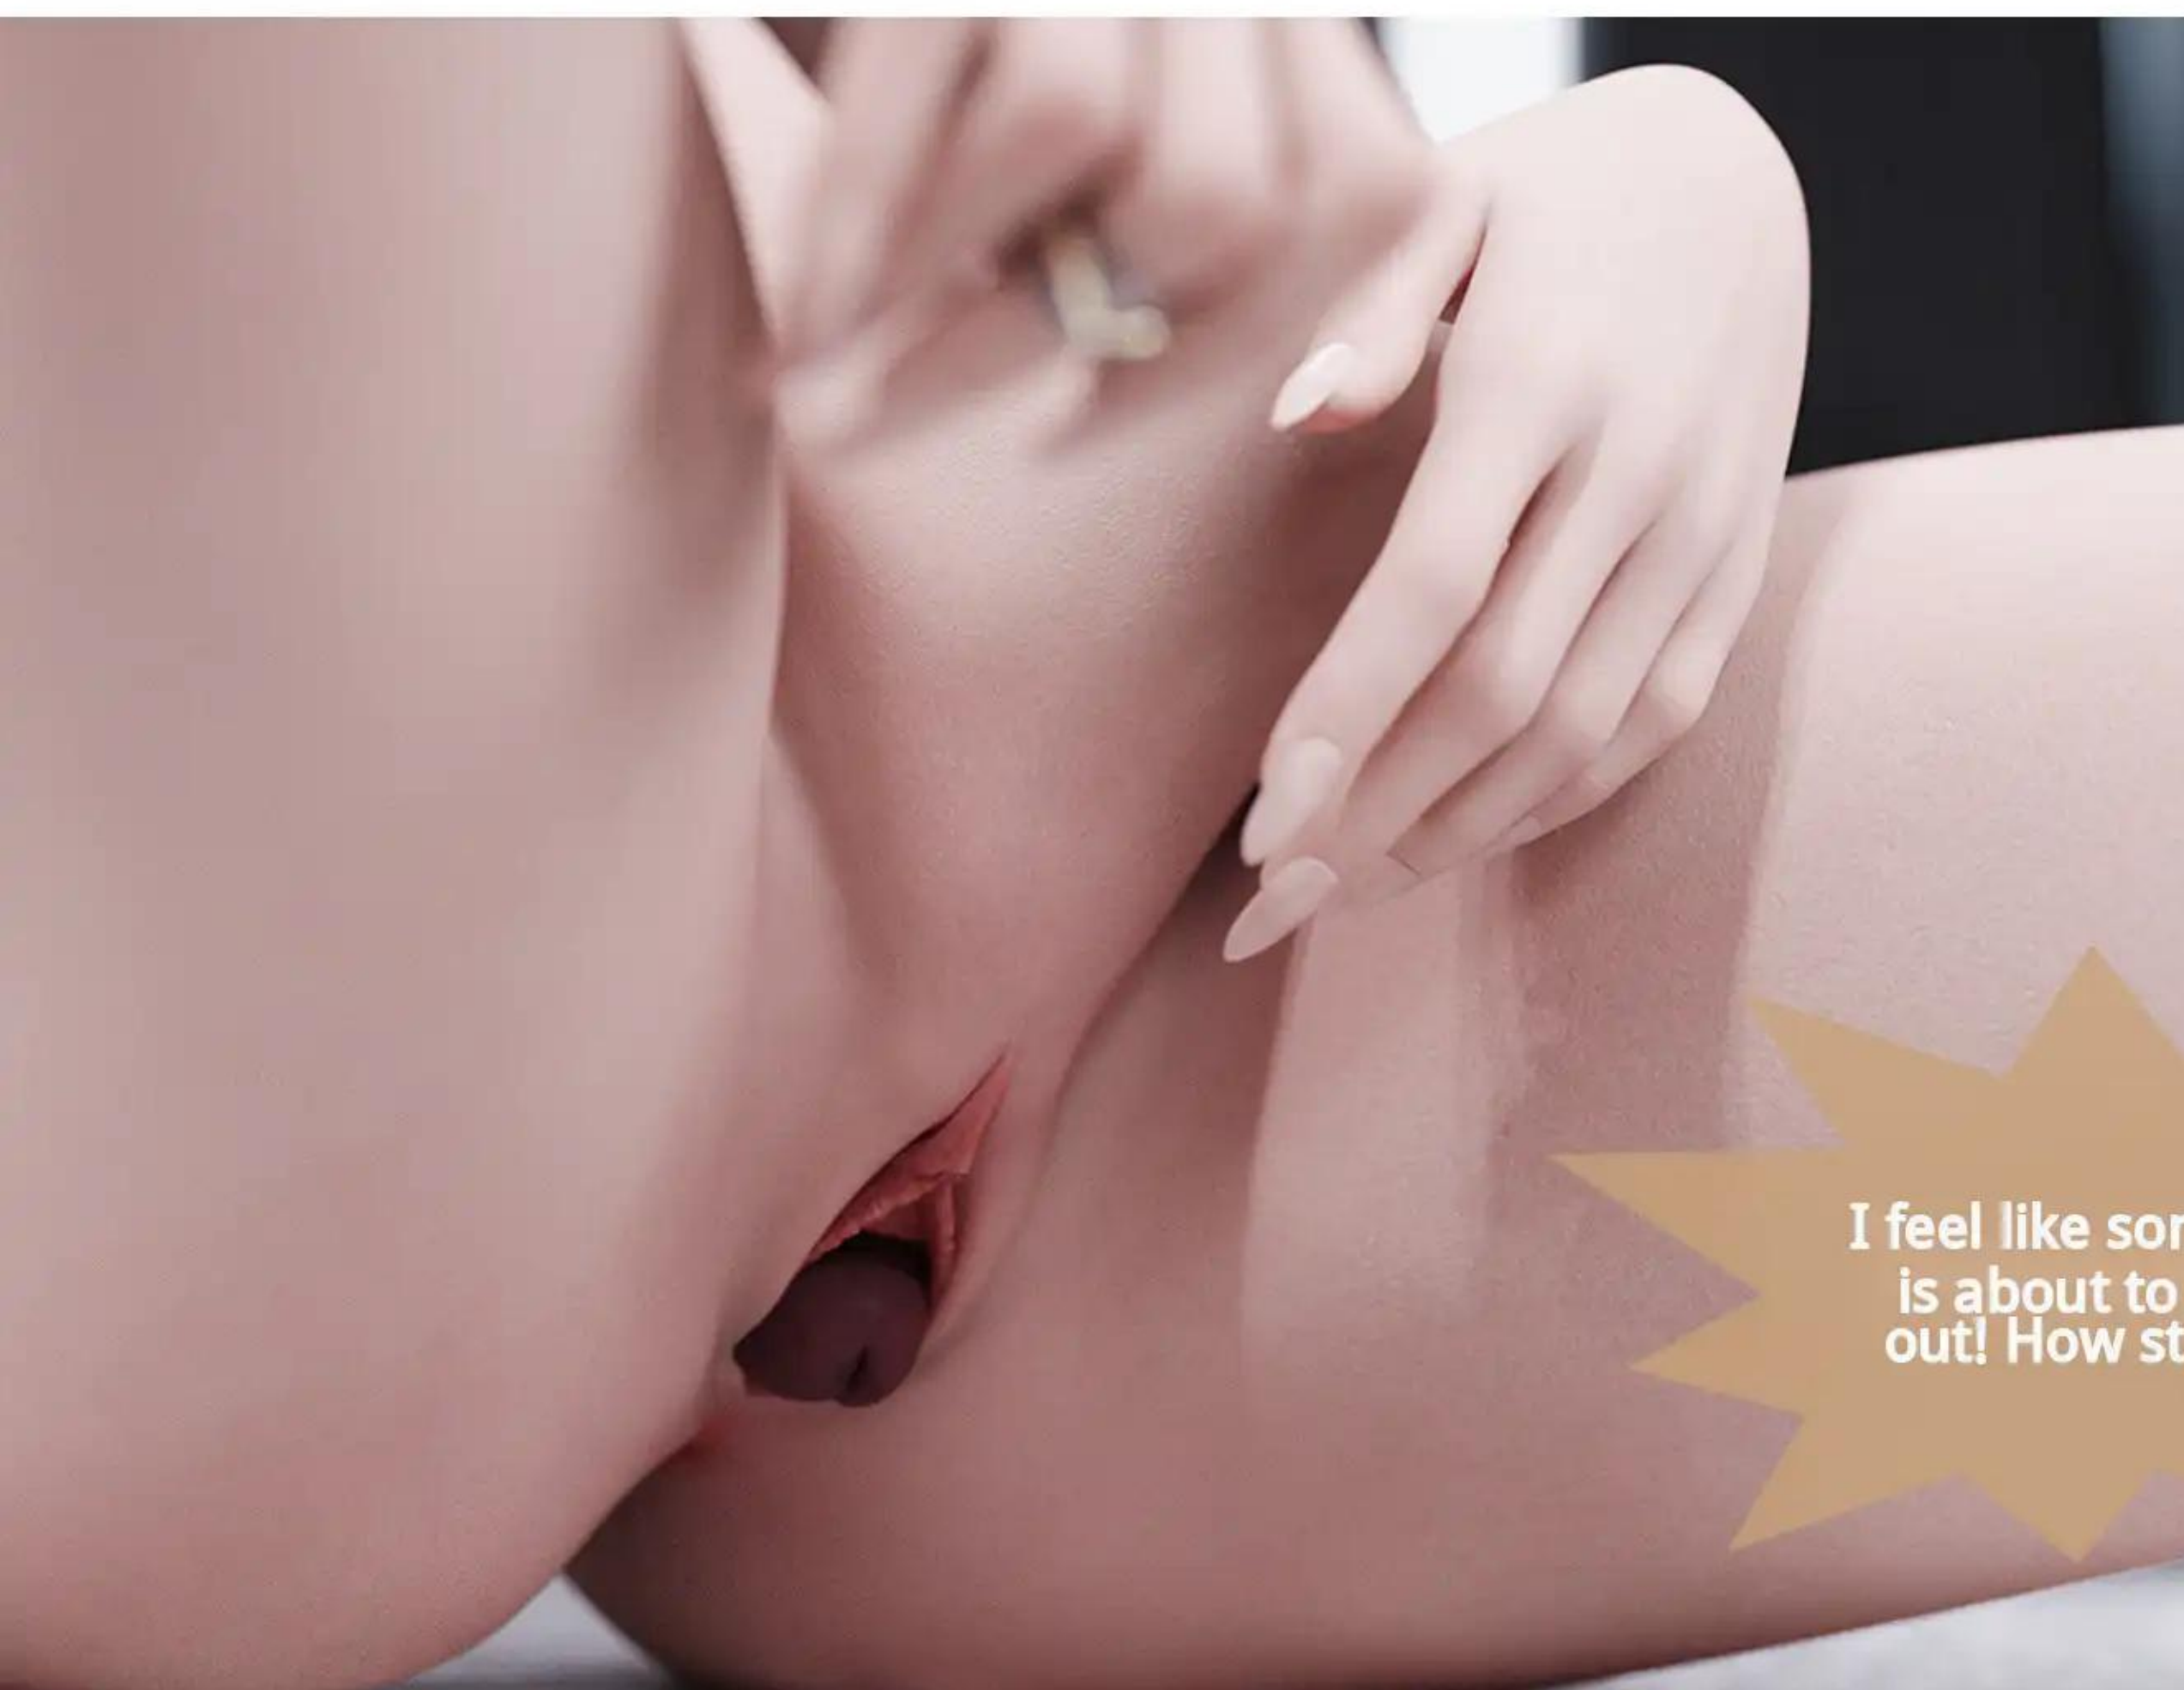

Squat down

Spread your legs further, and then try to touch your lower body to see if you can expose your dick.

My body is too sensitive, let me try it... Yeah! The desire to conceive was so intertwined that it was hard to tell them apart.

touch

I feel like something is about to come out! How strange!

I saw it!

Out! The man's
cock wants to
come out of me!

The cock is thrusting in and out of the pregnant woman's pussy, I can't stand it
Got it!

What does this feel like? My cock is so hard that it hurts, but I don't want to stop...

Don't be afraid,
men's desires are
like this,
everyone is the
same.

I didn't expect Wei's
resistance to sexual
desire to be so low. I
made the right
choice...
