

No, AI, were you
really fucked until
you were speechless?

It's so funny that you're so happy that you lose your mind. We've all experienced Ajin's attributes. We can be sisters even if we're not a couple, haha.

You cheated on your dad, and then you were fucked by another man in front of your girlfriend. How do you feel embarrassed that you are a man?

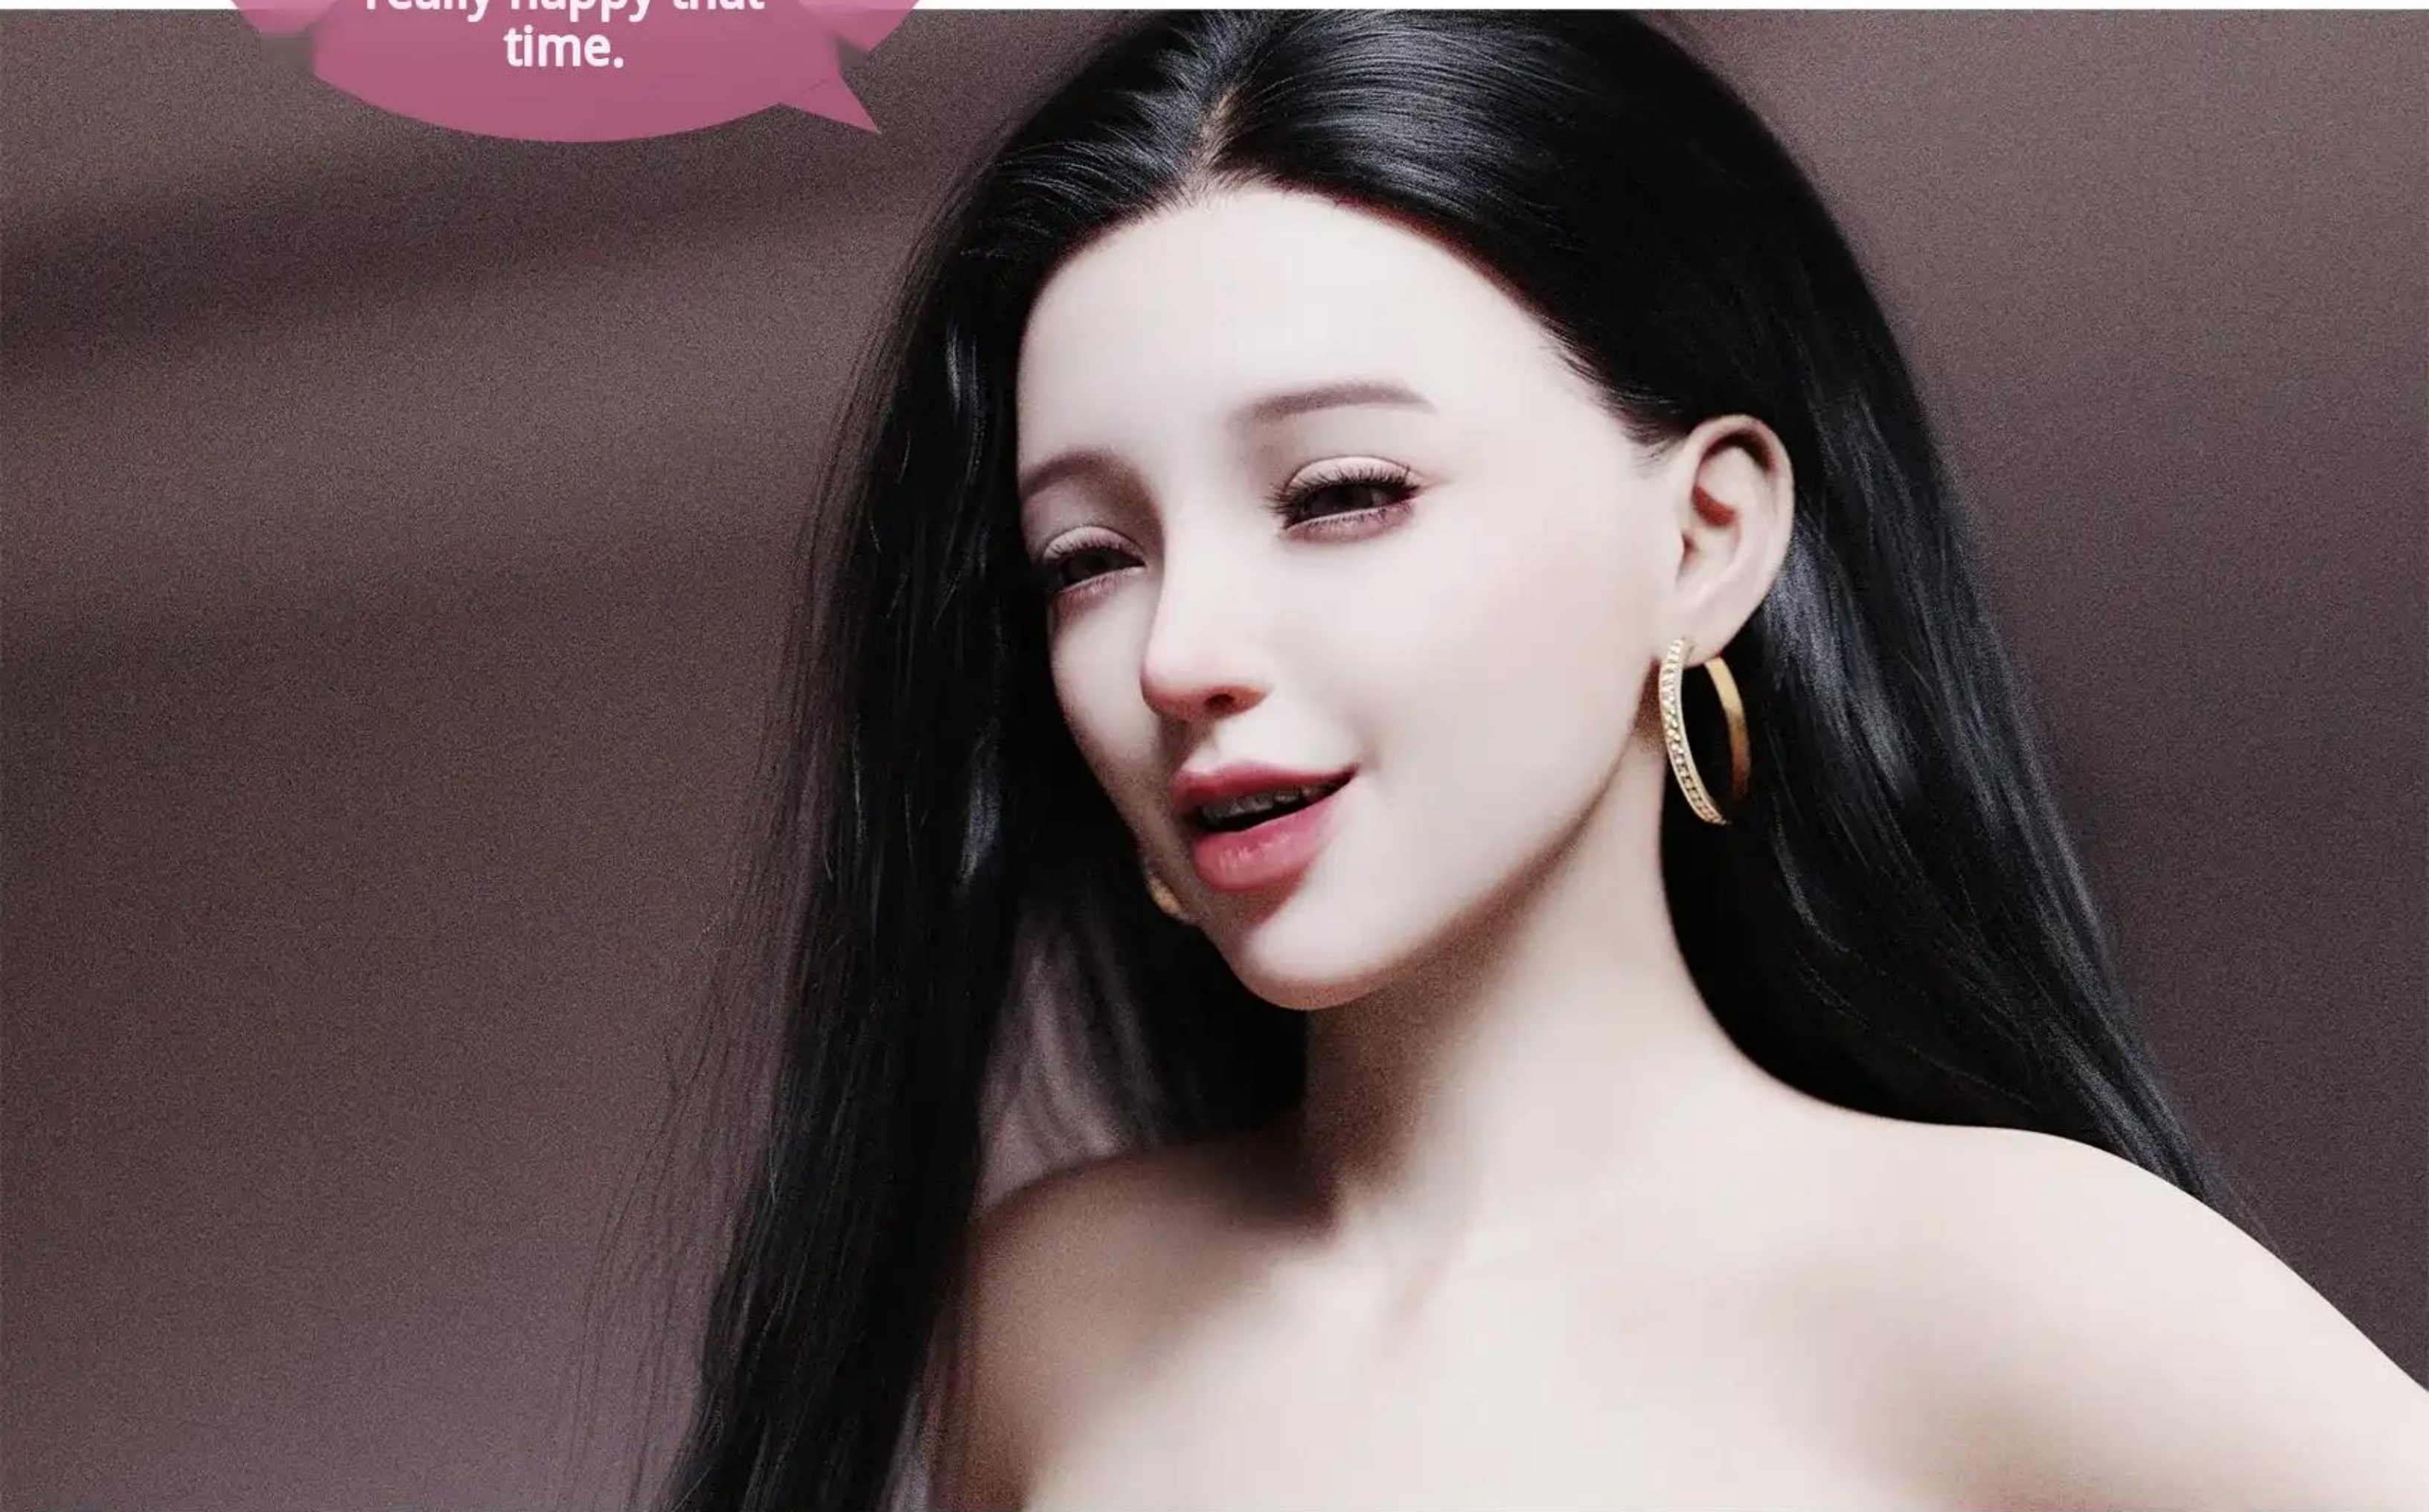

I...am I dreaming?
Make a ridiculous and
unreal story...Ajin will
definitely smile when
he wakes up and I love
Hu thought...

It can't be true...
It's impossible for
my best friend to
cheat on me with
his girlfriend...
When will this
villain end?

Hahaha, you look like this, it reminds me of the first time I was fucked by Azin, I was really happy that time.

Just like you, I couldn't even say a word. I was so happy that my whole body was shaking, and my mind was full of thoughts except wanting to be fucked again. I couldn't think of anything else.

oh! I remember,
Xiaoyi, you
screamed so cutely
at that time, and I
couldn't help but
get hard again!
But... Al, you're not
bad either!

You scream more like a
woman than a woman,
and you were brought
to orgasm by me. If you
didn't have a cock, no
one would regard you
as a man.

It feels so good to have ejaculated so much. Will you fall in love with it later? It feels like being treated like a woman. Already?

You have the appearance of a woman, a man's penis, and you like to be fucked in the ass. You gifted student has turned into a horny bear.

A woman with blonde hair is lying on her back on a light-colored tiled floor. She has her hands pressed against her face, covering her eyes and mouth. She is wearing a gold chain bracelet on her right wrist and a gold chain necklace. Her expression is one of distress or discomfort. The background is a plain, light-colored tiled floor.

No...no more!
Open your mouth!
Open your mouth
Ah!

This is not true! How
could I be cummed
by my friend Han? It
shouldn't be like
this!

Al! Al, calm down!
I'm sorry...it's all my
fault...it's dad, I'm
sorry for you.....

It's all my fault that
you are encountering
this. Don't be afraid
that dad is here...it
will be fine. Trust
me... .Al...I...

I will get you! Everything will return to normal! You don't need to worry about anything, AI will be fine and take care of things.....

That's it...but what can I do? Can I just watch my son being bullied again and again!

Are you still in
the mood to care
about others?

You can't even save yourself, but you still want to save others. What can you, a dead demon like you who is neither male nor female, do?

Don't forget that you still have to use your body to help us earn money! You have no value other than that, get it

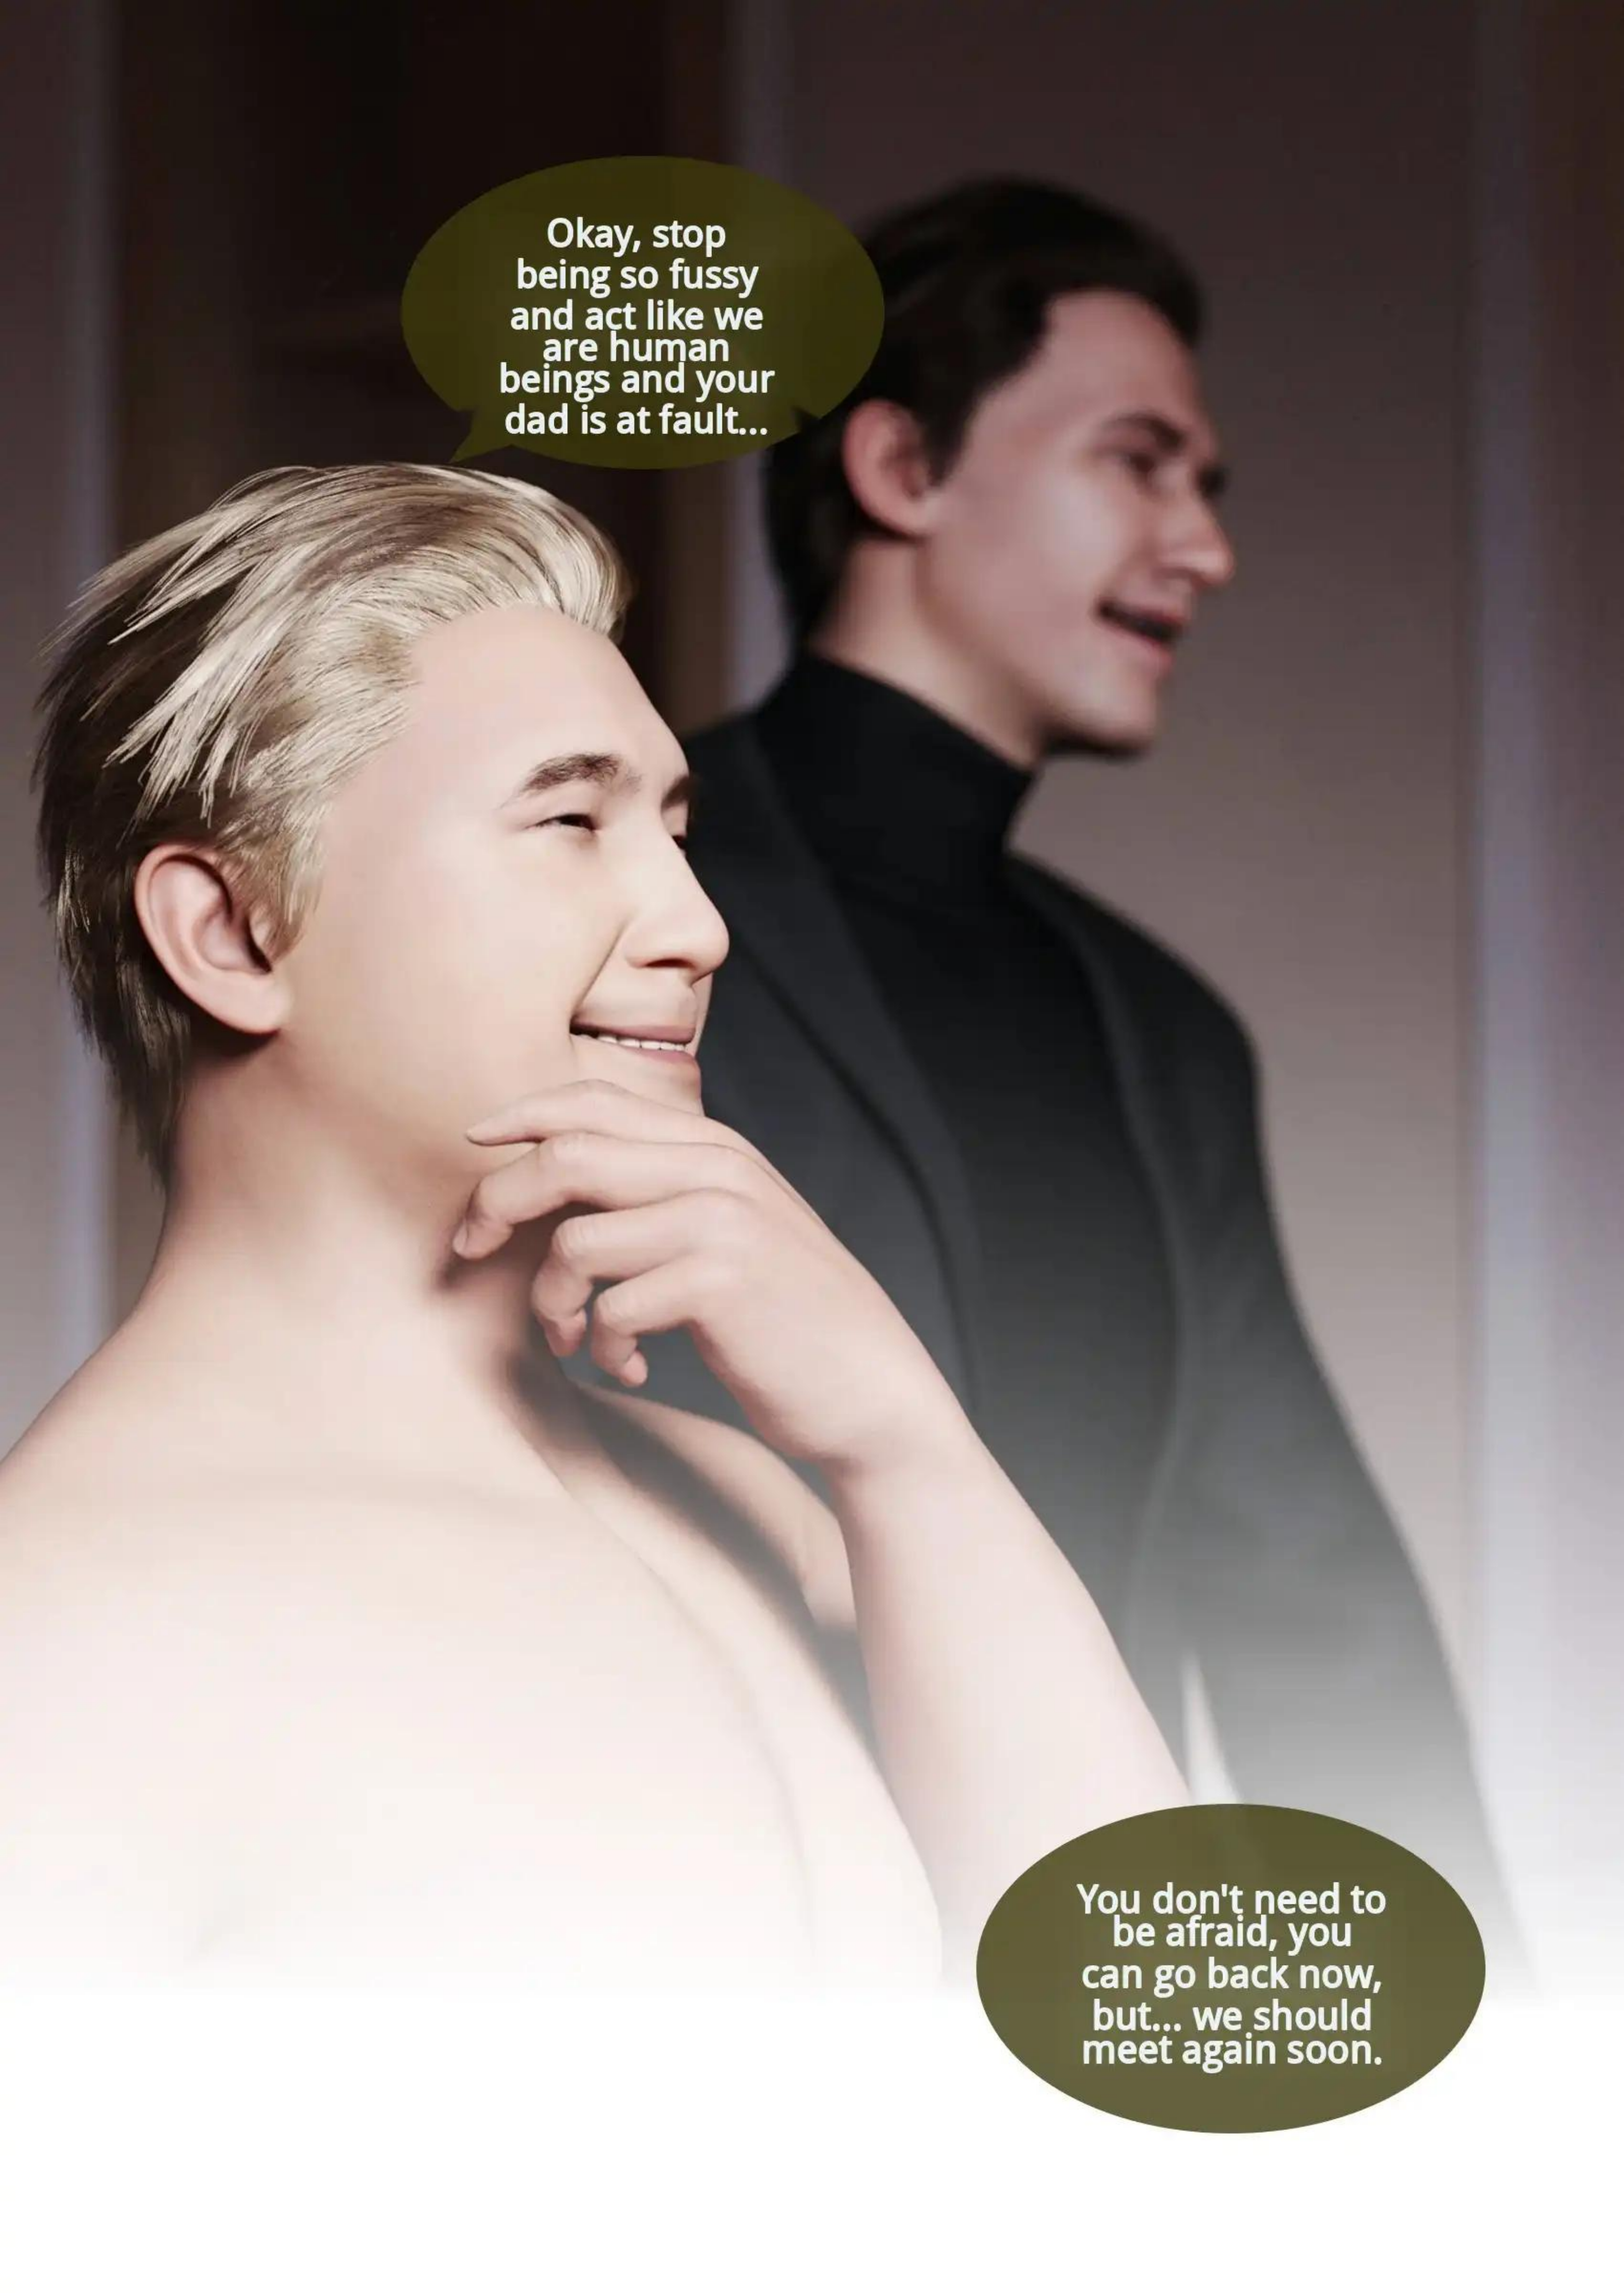

The situation!

Take a good look at your precious son, this is what will happen if you are too arrogant! Don't you father and son love to look down on others the most?

He always thinks he is great, and now he deserves the retribution! Regret it! Hahaha!

Okay, stop
being so fussy
and act like we
are human
beings and your
dad is at fault...

You don't need to
be afraid, you
can go back now,
but... we should
meet again soon.

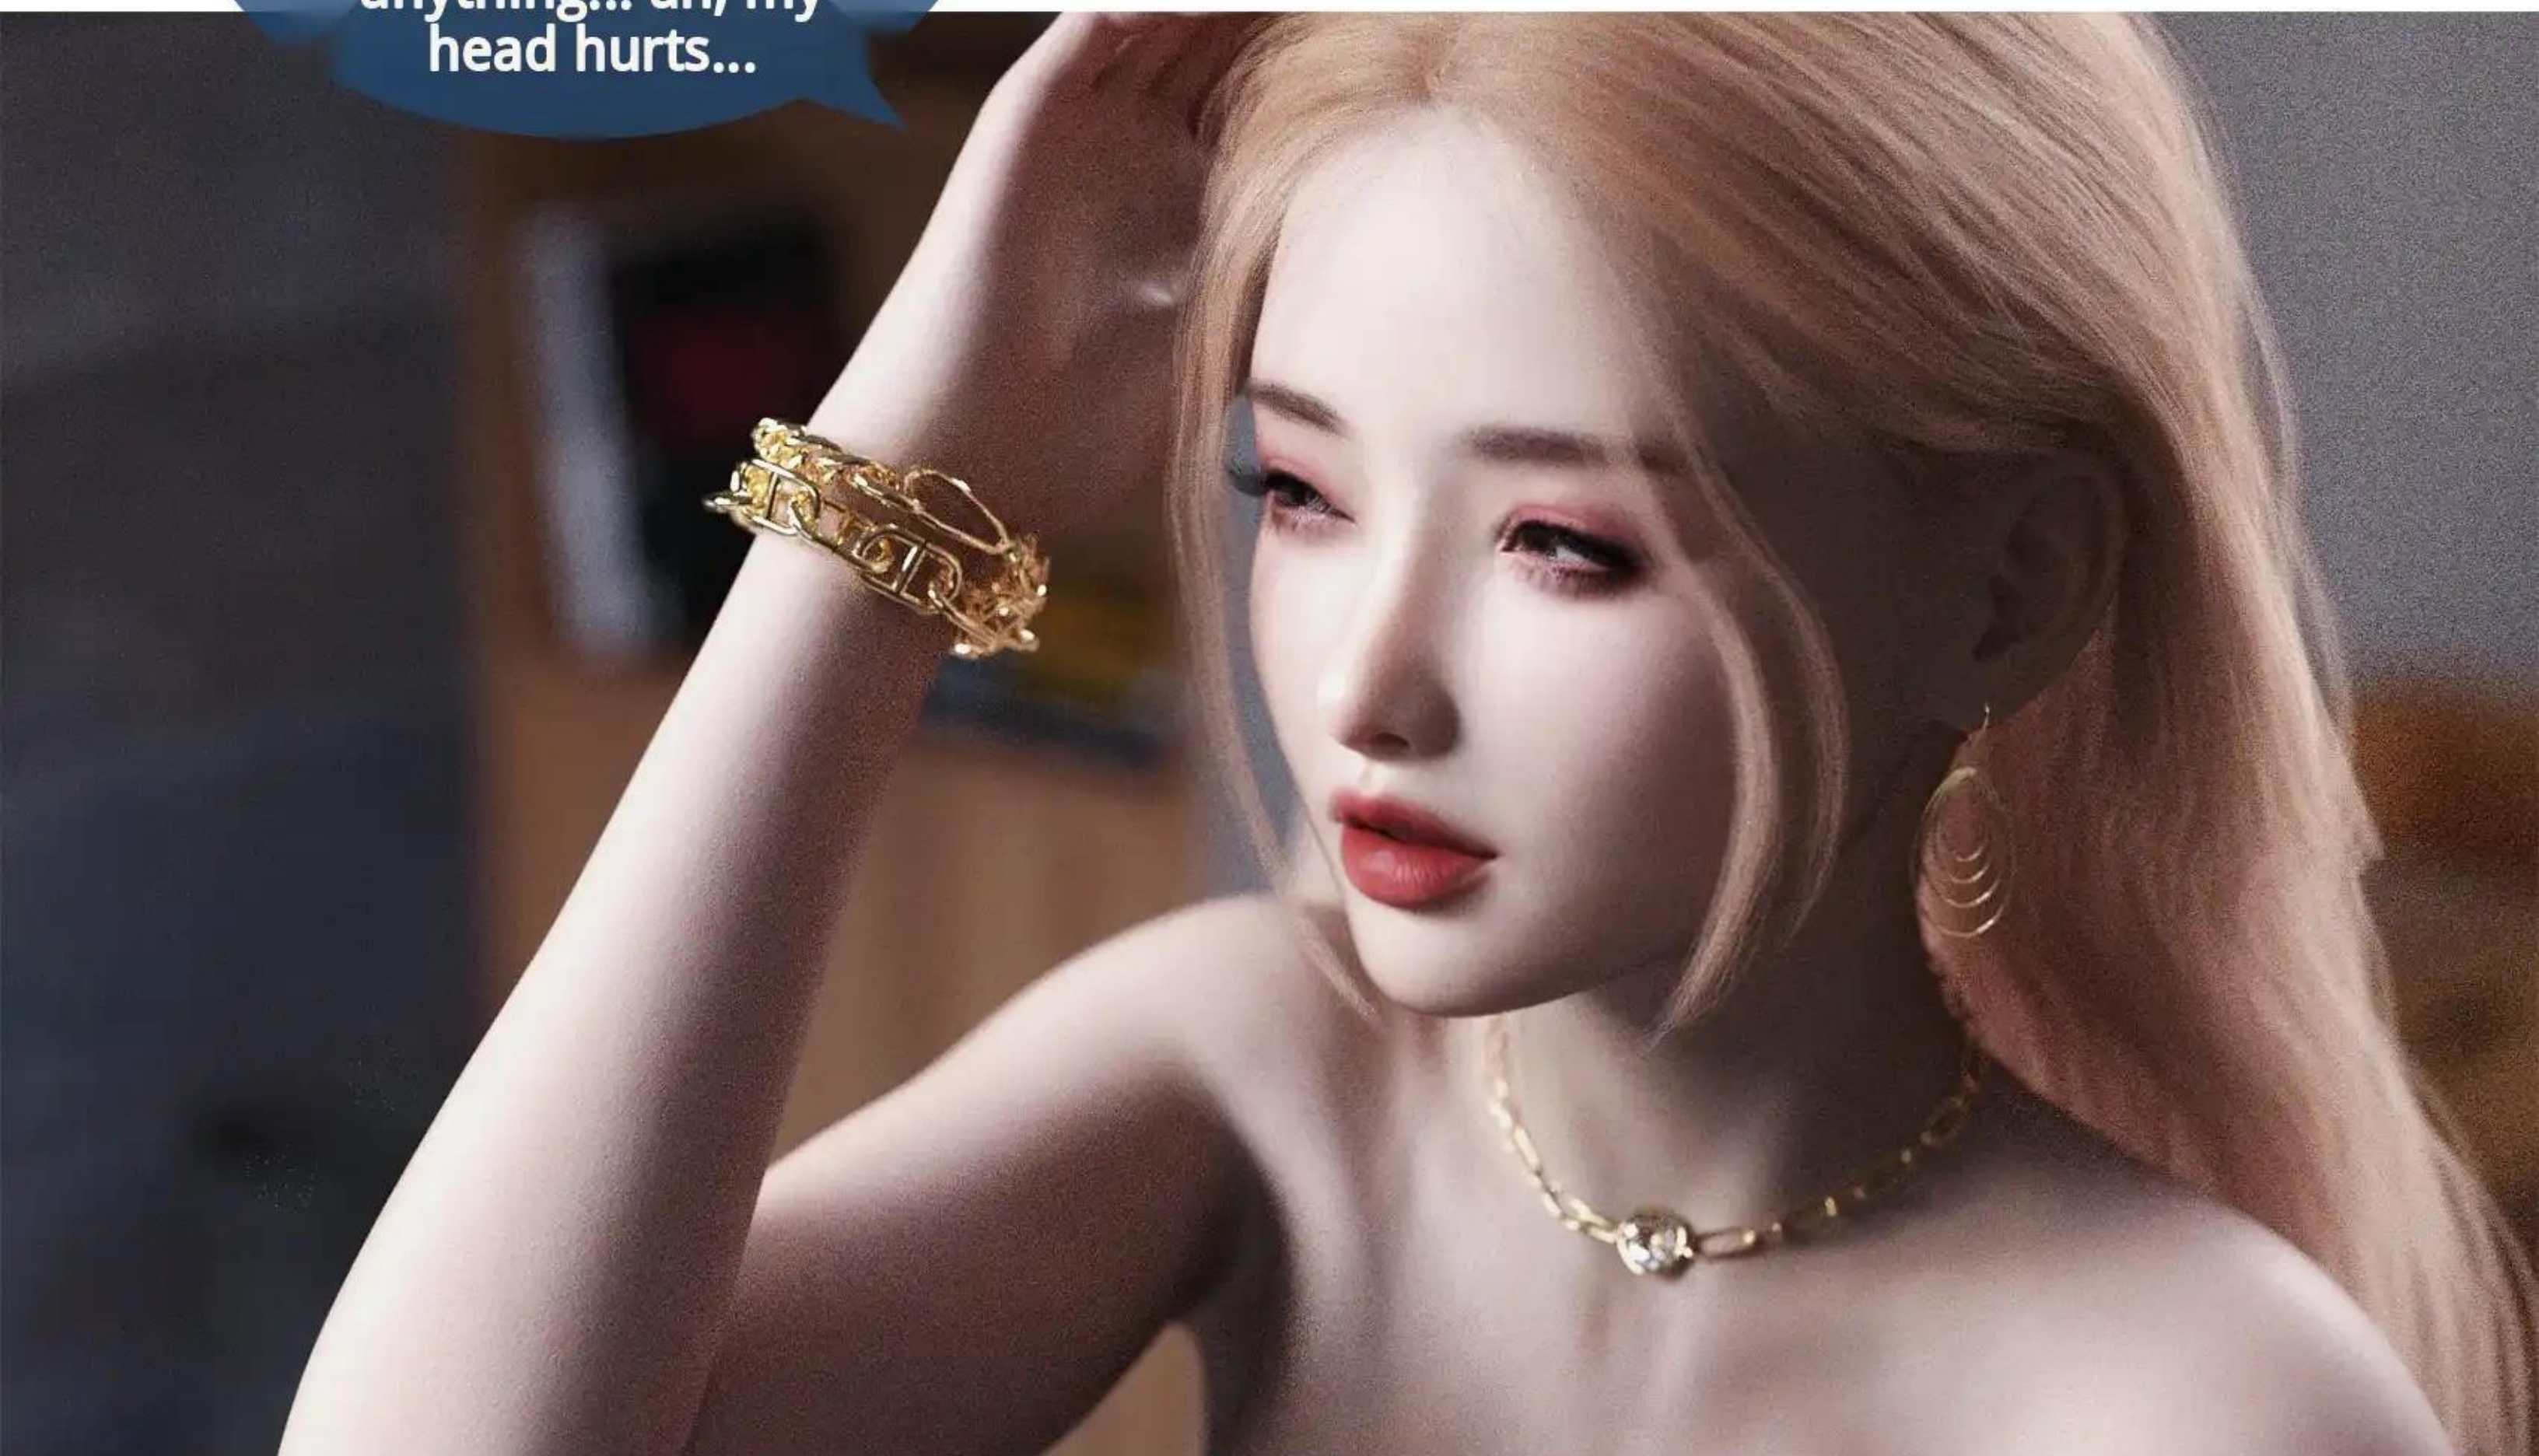

Am I...really
back home?

Azin...and that boss
actually let me back
like this? It's
obviously my own
home...why do I feel
like it's unreal...

I thought I would
be like my dad...
imprisoned there
and forced to be
used as a prop...

Dad... He suffered so much torture without me knowing it... I didn't know anything... ah, my head hurts...

My head is in a ball, and I don't know where to sit or what to do! And this damn fake...take it first
Come down!

I have
to...organize my
thoughts first
three...

Damn it! I still don't understand what Azin is thinking! Since you are so dissatisfied with me, why don't you sue me?

How could he do this to me...and to Xiaoyi...to...Xiaoyi, my beloved girlfriend.....

How could that gentle,
lovely and pure Xiaoyi
say those words to me!
In my memory, she has
always been kind and
playful.

She likes me the most...
she likes the way I
patiently teach her her
homework, likes me
staying with her, and
likes to kiss me.....

A scene from a video game. In the foreground, a woman with long blonde hair, wearing a shiny purple dress and a gold bracelet, is kneeling on a light-colored tiled floor. She is looking up at a couple in the background. The couple consists of a muscular man with blonde hair and a woman with long black hair wearing a black, shiny, strapless dress and black high heels. They are standing close together, with the man's arms around the woman. The background features a wall with a dark, textured pattern and a large, dark, ornate chair. Two blue starburst-shaped text boxes are overlaid on the image.

How could Xiaoyi,
who has always loved
me, get together with
my good brother! ?

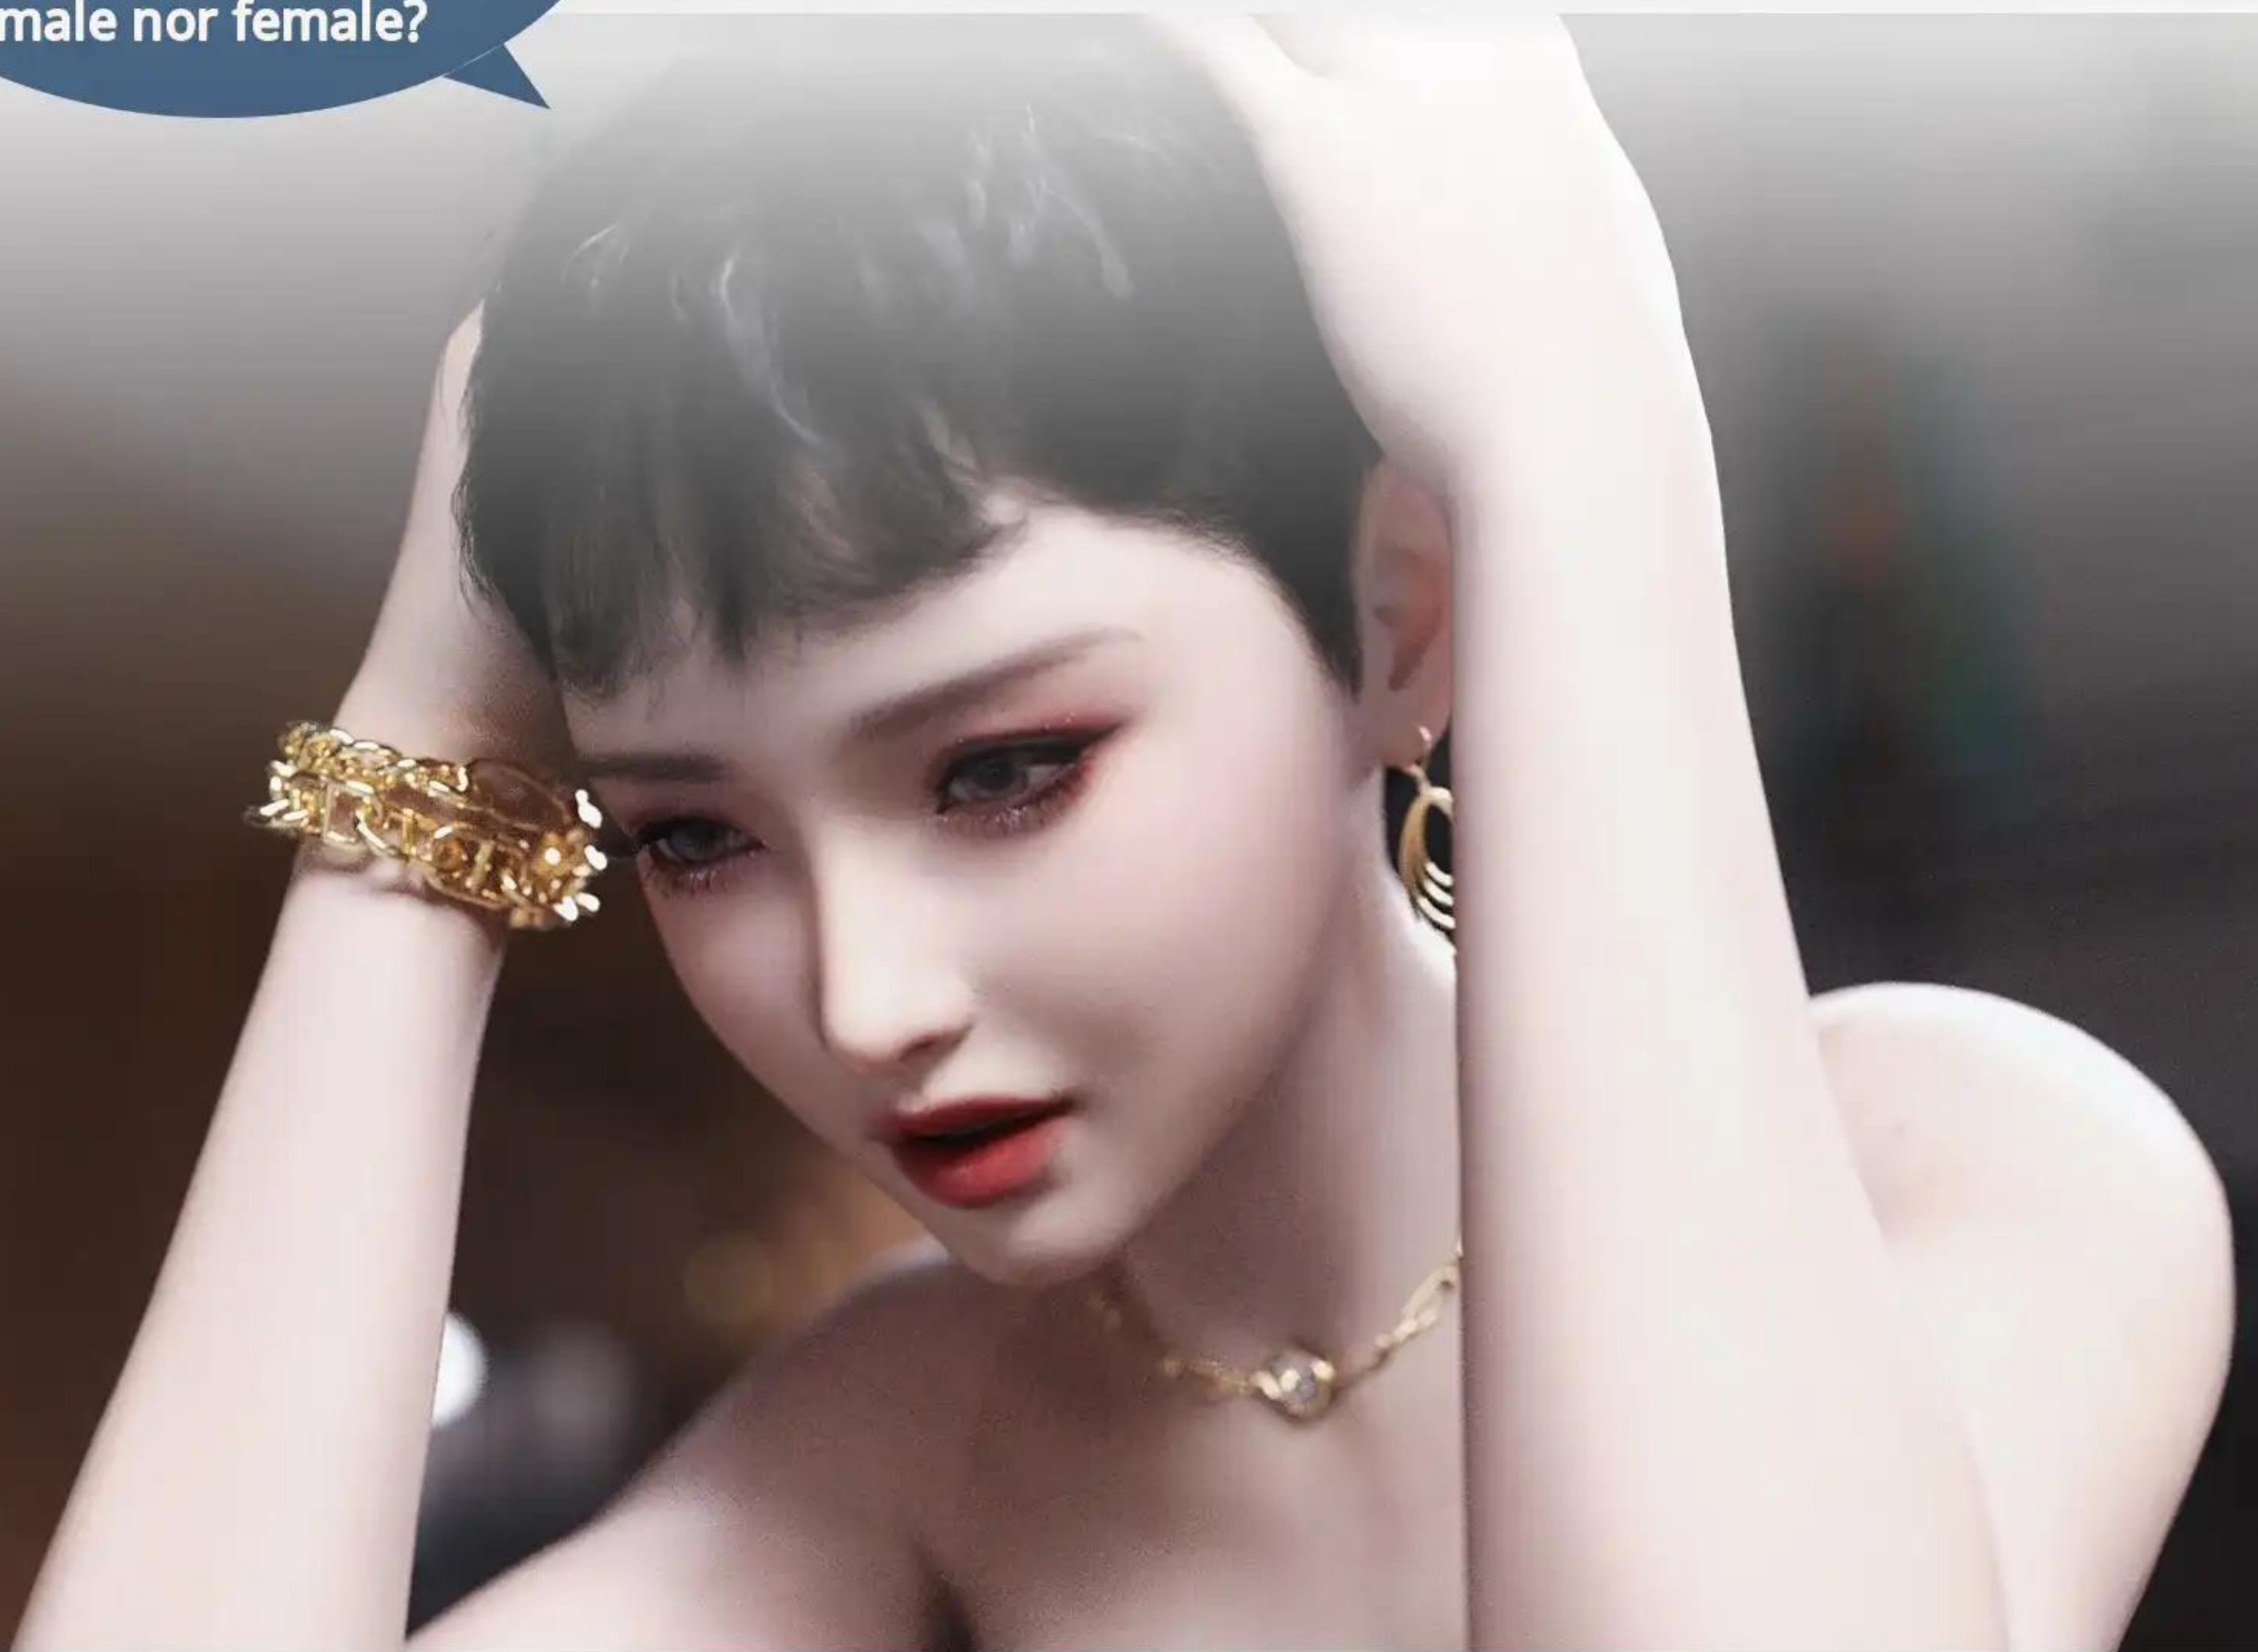

He said so many
things that lowered
me... It was like he
was a different
person!

He even had sex with Azin in front of me, showing an expression of enjoyment that I had never seen before!

When she feels comfortable, the words she calls out are no longer my name... Her every breath tortures me...

Xiaoyi...What should I do to make her change her mind? Does she dislike me because I have become neither male nor female?

As long as I change back to my original appearance...as long as I have it, will Xiaoyi come back to me?
Got pregnant?

I...Is there a way to get everything back on track? With these breasts on my body, can I really return to the life of a boy?

I really had to be kicked in the head before I agreed to get a breast augmentation. I trusted Azin...
It's all his fault!

Don't think about it!
Anyway, let's change
back into our original
clothes and find a way to
hide our breasts.

It's just...I can't hide it at all! My chest feels like it's about to be touched! The clothes that used to fit me now look like this!

It doesn't work at all! Even if I change my clothes, I still can't change back to my original appearance? Damn it...!

I don't look like a boy at all in the mirror...I can't find any shadow of my past, even if I wear conservative and simple clothes,

I still look like the goods! Like a bad, immoral woman! This is not me! I shouldn't be like this!

With those big breasts here, it doesn't matter what kind of clothes you wear... you have to get rid of them! In order to return to normal life, it must be dealt with!

As long as I get rid of my breasts... I can at least look like a man, Xiaoyi... I won't Me?

A woman with short dark hair, wearing a black t-shirt and black pants, is sitting on a grey couch. She is looking down at a smartphone in her hands. The background shows a modern living room with a metal shelving unit and a tiled floor.

But I have already spent most of it trying to look like a waitress... and I can't find anyone to borrow it from.

Mainly because I don't want others to know my current moral character... I'll see if there's any part-time job with a high salary.....

Uh-huh... I have
too little money...
How long should
I save it? I can't
even ask for
this...

What's next?
There is no
suitable one! This
is less. No college
students can do
more?

Sigh... I haven't measured my career yet. All I can do is shop assistant or hard work... It's not only hard work, but it's not much either.

It looks like I can't find a job that I can save money in a short period of time... Is there anything else I can do?
Law?

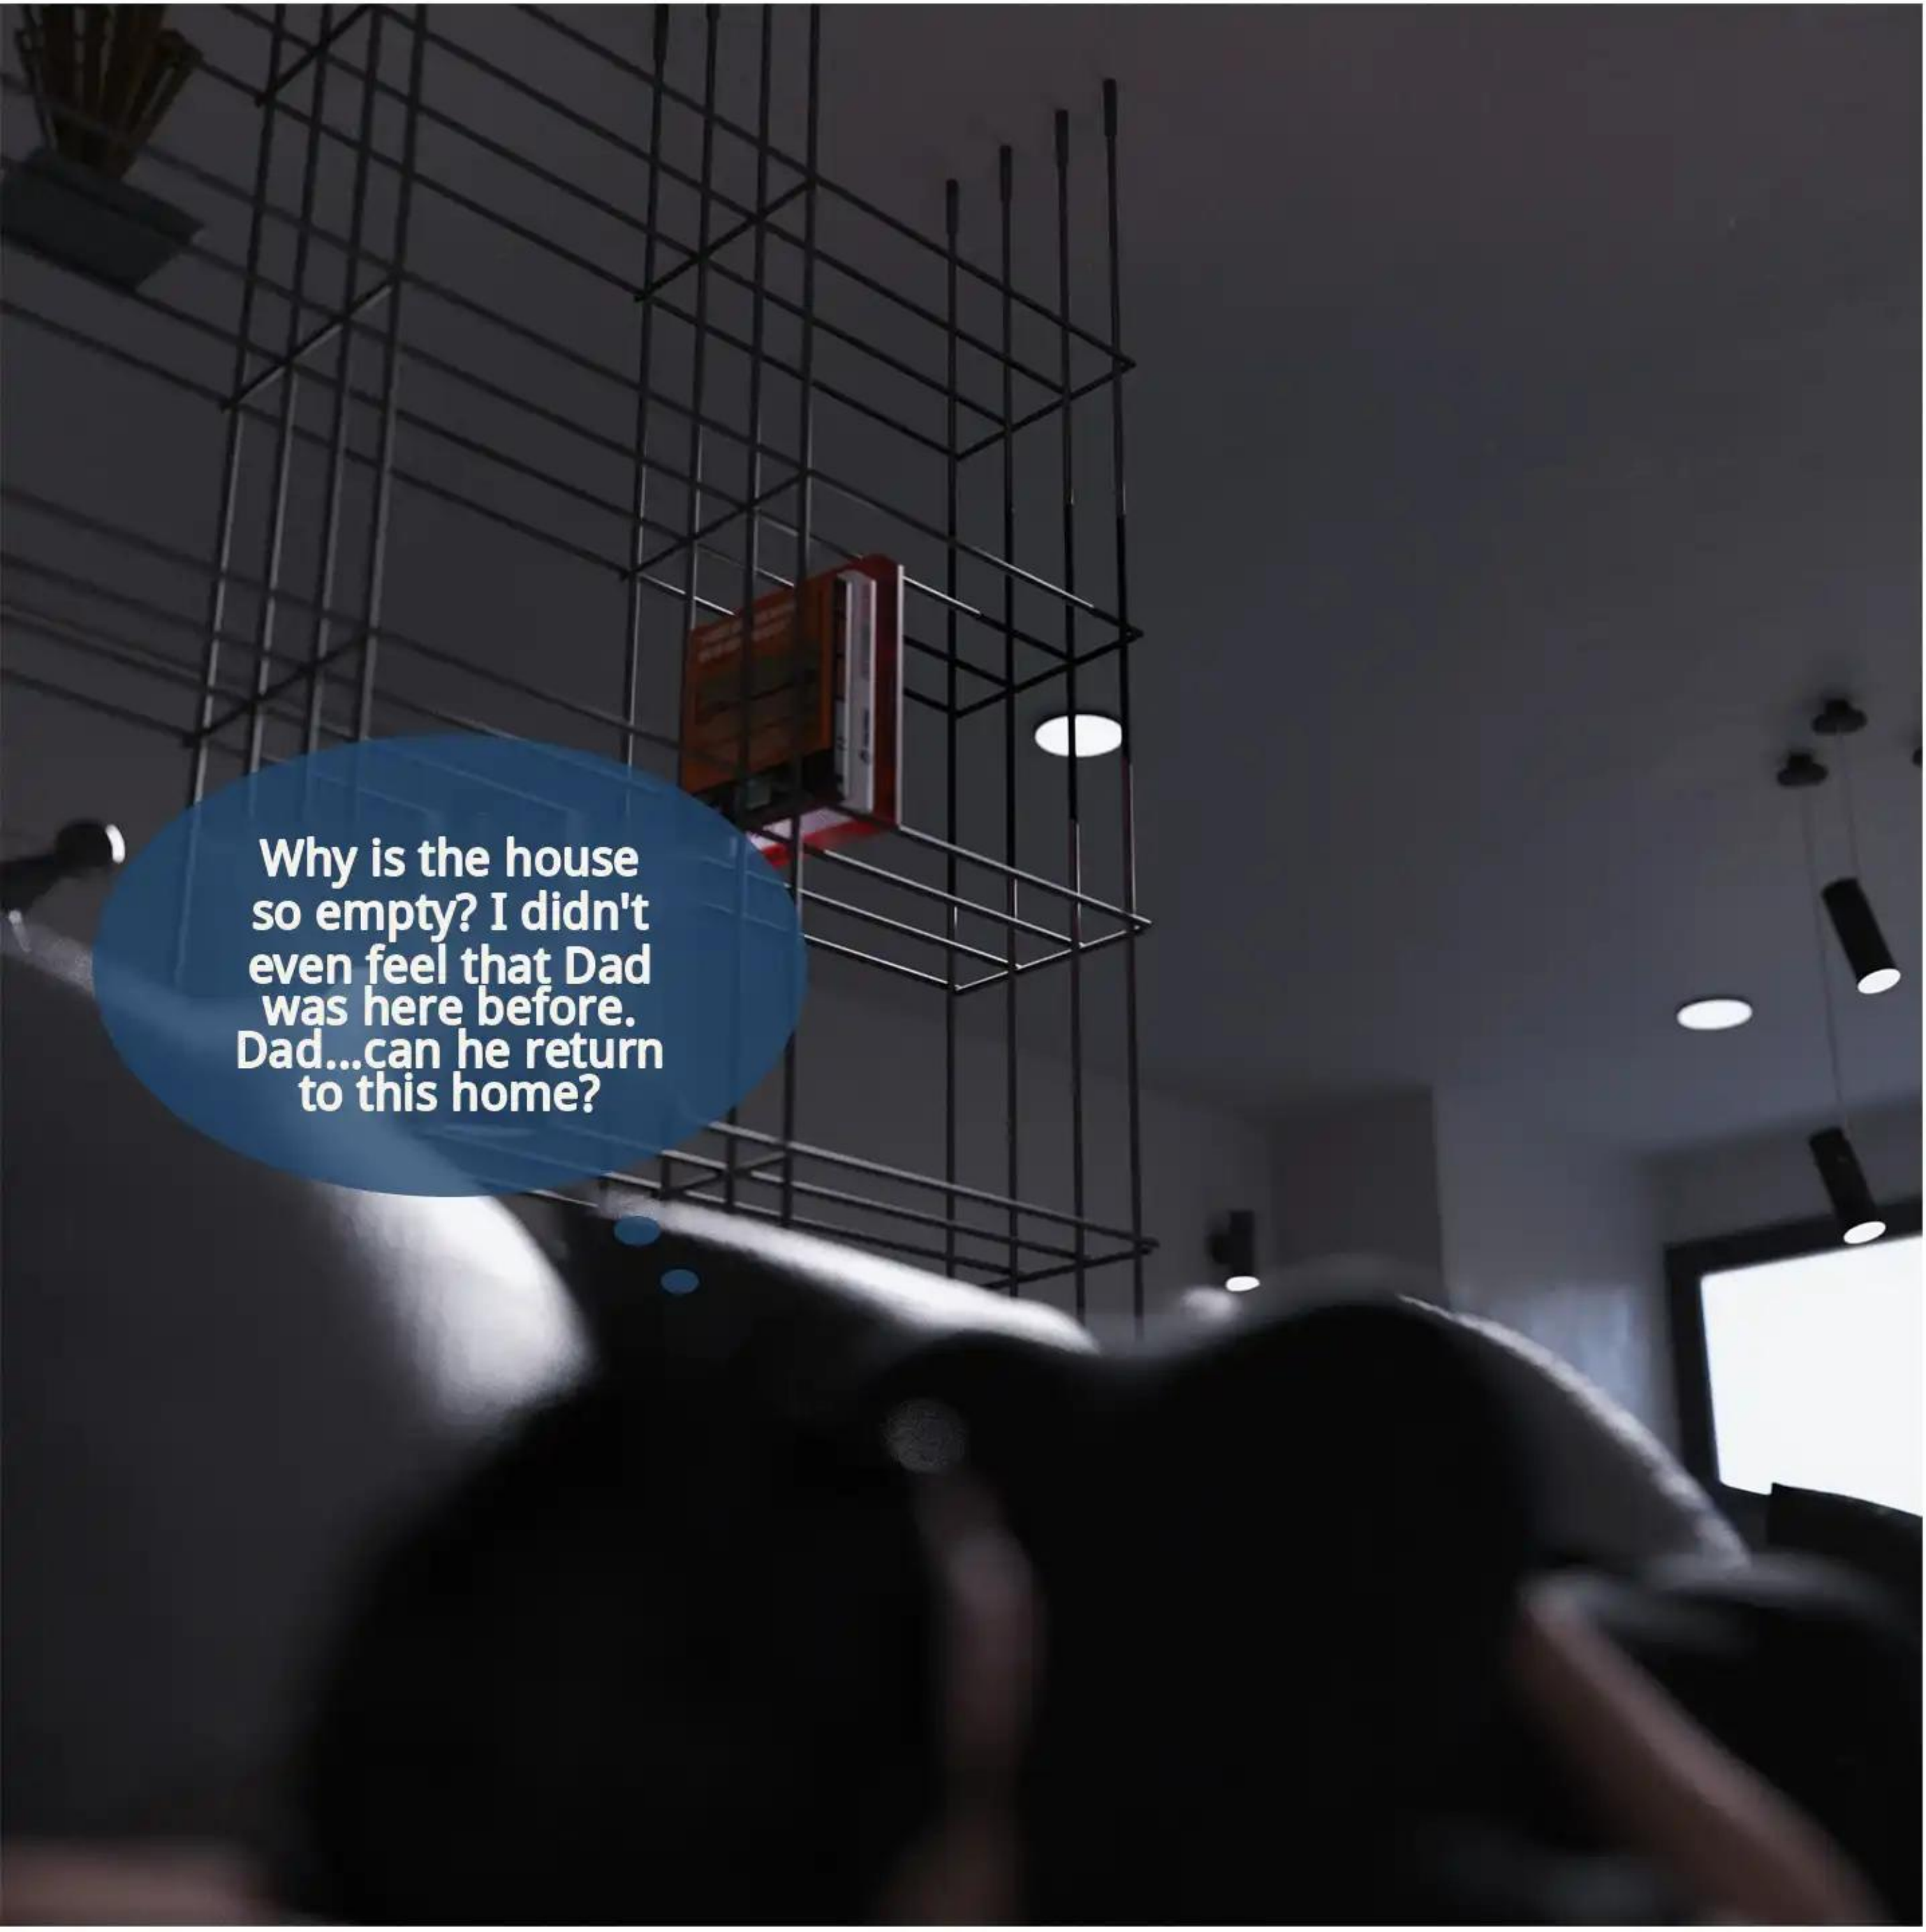

In other words...
I can only keep
this shoji like this.

So tired...Why on earth did things develop to this point? I am obviously just an ordinary male college student with a promising future.....

Now that I am no longer like this, my father, brother, and girlfriend are no longer with me, and everything has become so strange.

Why is the house so empty? I didn't even feel that Dad was here before. Dad...can he return to this home?

How am I going to survive? Familiar people and things are gone... I really wish I could go back to the past. It would be great if nothing happened.

It would be great if when I wake up, I still look like a boy, and my dad is as impatient as ever, urging me to go to school.

Ajin also laughed and chatted with me as usual, chatting about non-nutritious topics, and then during the holidays I was able to have a sweet date with Xiaoyi...

AI, are you
at home?

Huh? I... fell asleep? It seems like... there's some kind of sound? It must be wrong to feel dizzy, right?

How could anyone come to me... They... They won't come back... No one will come back...

AI, you are at home,
why are you ignoring
me? Are you angry
with me? I'm sorry.....

Xiao...Xiaoyi?
You...why did you
come to my house?
It's not that you
don't want to see
me again...

How is that possible!
What I said at that
time was not true.
You have always
been my favorite, Al.
I regret it. I want to
stay with you.

Our relationship from
high school to college
is impossible. Only you
can bring me
happiness. I love you
Al.

Xiaoyi! Have you
really changed
your mind?
Great..Great!

hug

ah! You hugged me
too much. Don't be
so excited. I won't
run away. We will
be together
forever.

real? You won't leave me again? You really can't bear to part with our relationship for many years...Xiaoyi...I love you so much...

I will cherish you! I will treat you better than before. I will satisfy you whatever you want...as long as you don't leave...

I'm so touched, so
in order to wish us
peace, let's have
sex? I miss
sleeping with you
so much.

Come and satisfy me,
give me the pleasure
that reaches your legs,
okay? Just like every
time before...make love
happily!

wait...! Why is this sudden? And where are your clothes? Why did it disappear all of a sudden? Xiaoyi, what the hell...

What are you doing AI? Didn't you take off your clothes too? Look at your body

ah? When did I...
wonder about
my clothes! ?

And how could
my lower body...
how could it
become like this!

Oh my God, AI, not only your breasts, but also your lower body has become like a woman's? How are you going to have sex with me like this?

How are you going to fuck me without a cock? Still want to give me happiness? Stop joking, you damn bitch has your heart!

No! It's not what you see! Xiao Yi me... these are all fake! I am a man! I have always been a man!

You also know...you have seen my body before, I didn't originally look like this...I'm not...it's all fake...it's fake!

Xiaoyi, don't go!
I am a man! You
believe me!

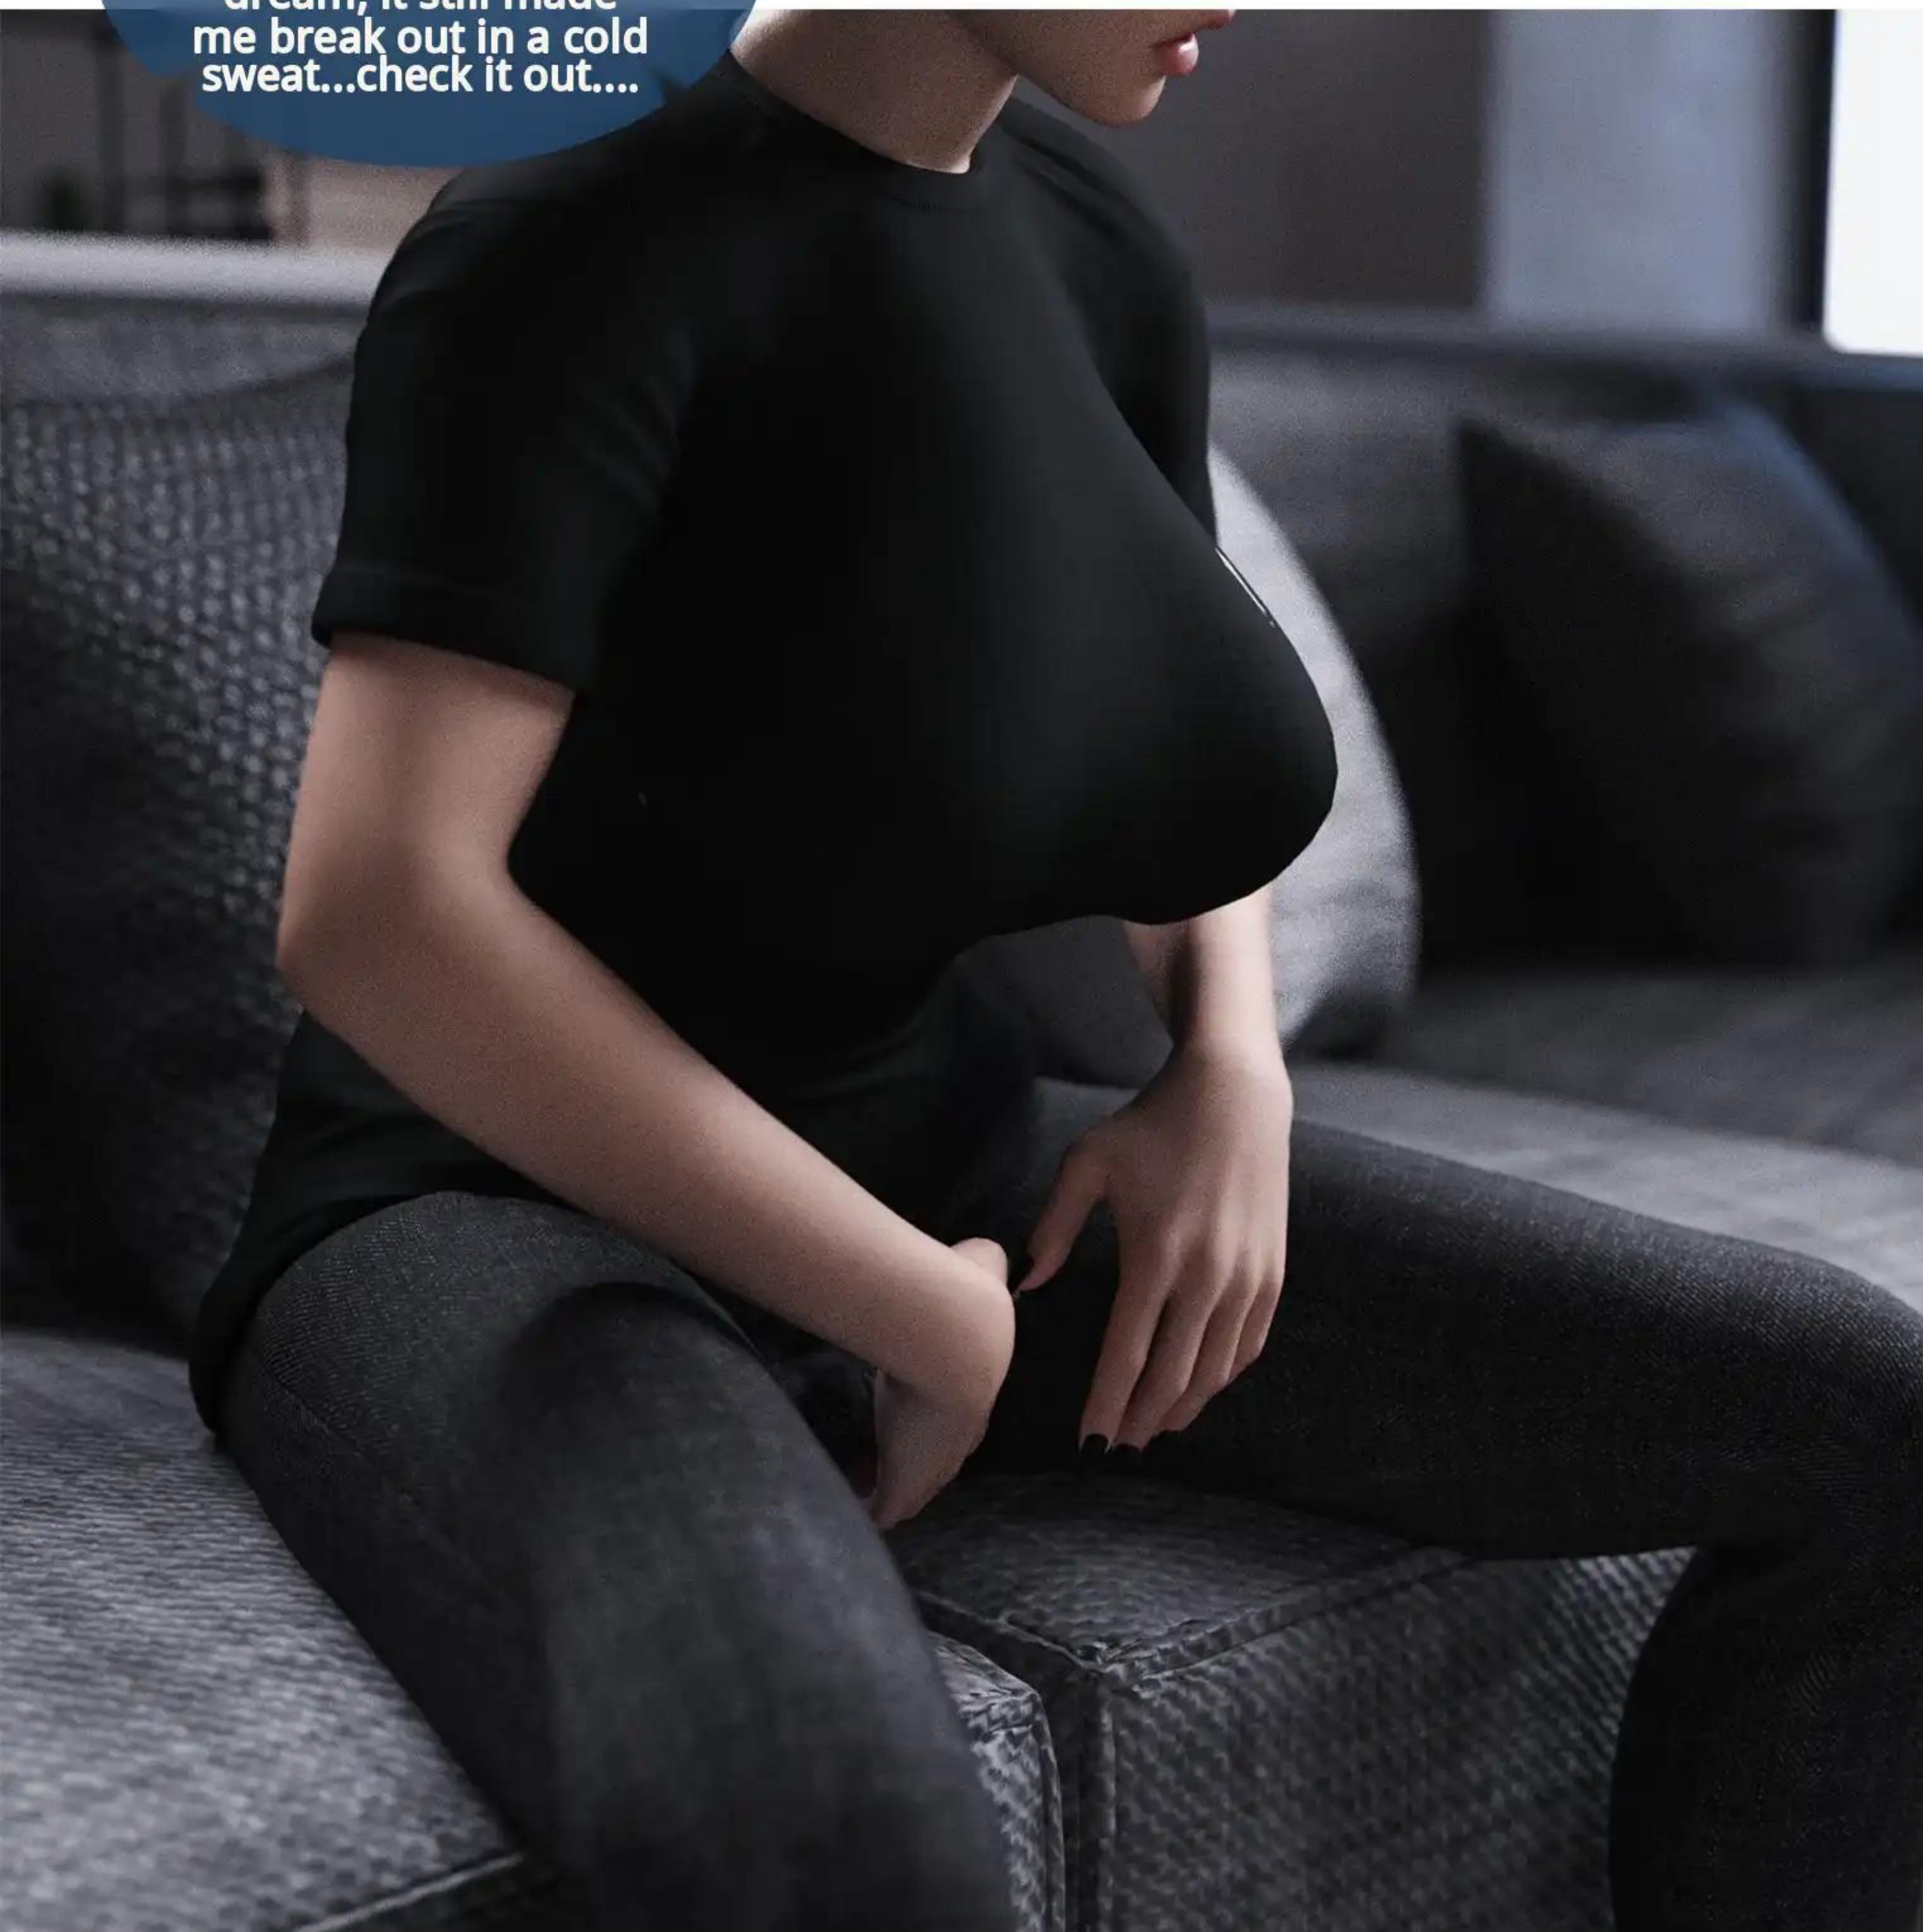

I'm not a mother!
I will get back to
normal! I.....

Huh...huh...what the hell? Is it just a dream? It kills me...but I thought Xiaoyi really wanted to come back to me.

Xiaoyi... she must be disgusted with me now... she would want her boyfriend to look like this... what should I do....

My cock...should still be there, right? Although it was just a dream, it still made me break out in a cold sweat...check it out....

Still...just...seems a little strange? In the past, not everyone would have a morning erection when they fell asleep!

A woman with short black hair, wearing a black short-sleeved dress, is looking down at her groin area. She has a concerned expression. The background is a dimly lit room with large windows in the distance. Two blue speech bubbles contain text.

No response at all!
How could this
happen... There is no
sign of an erection at
all... What's wrong?

It's so weird... Even if I
don't have a morning
erection, I shouldn't be
so lethargic! It can't
really be...something
happened.....

Stop thinking nonsense! Why are you so nervous because of a dream...I'm just...because I'm stressed and in a bad mood.....

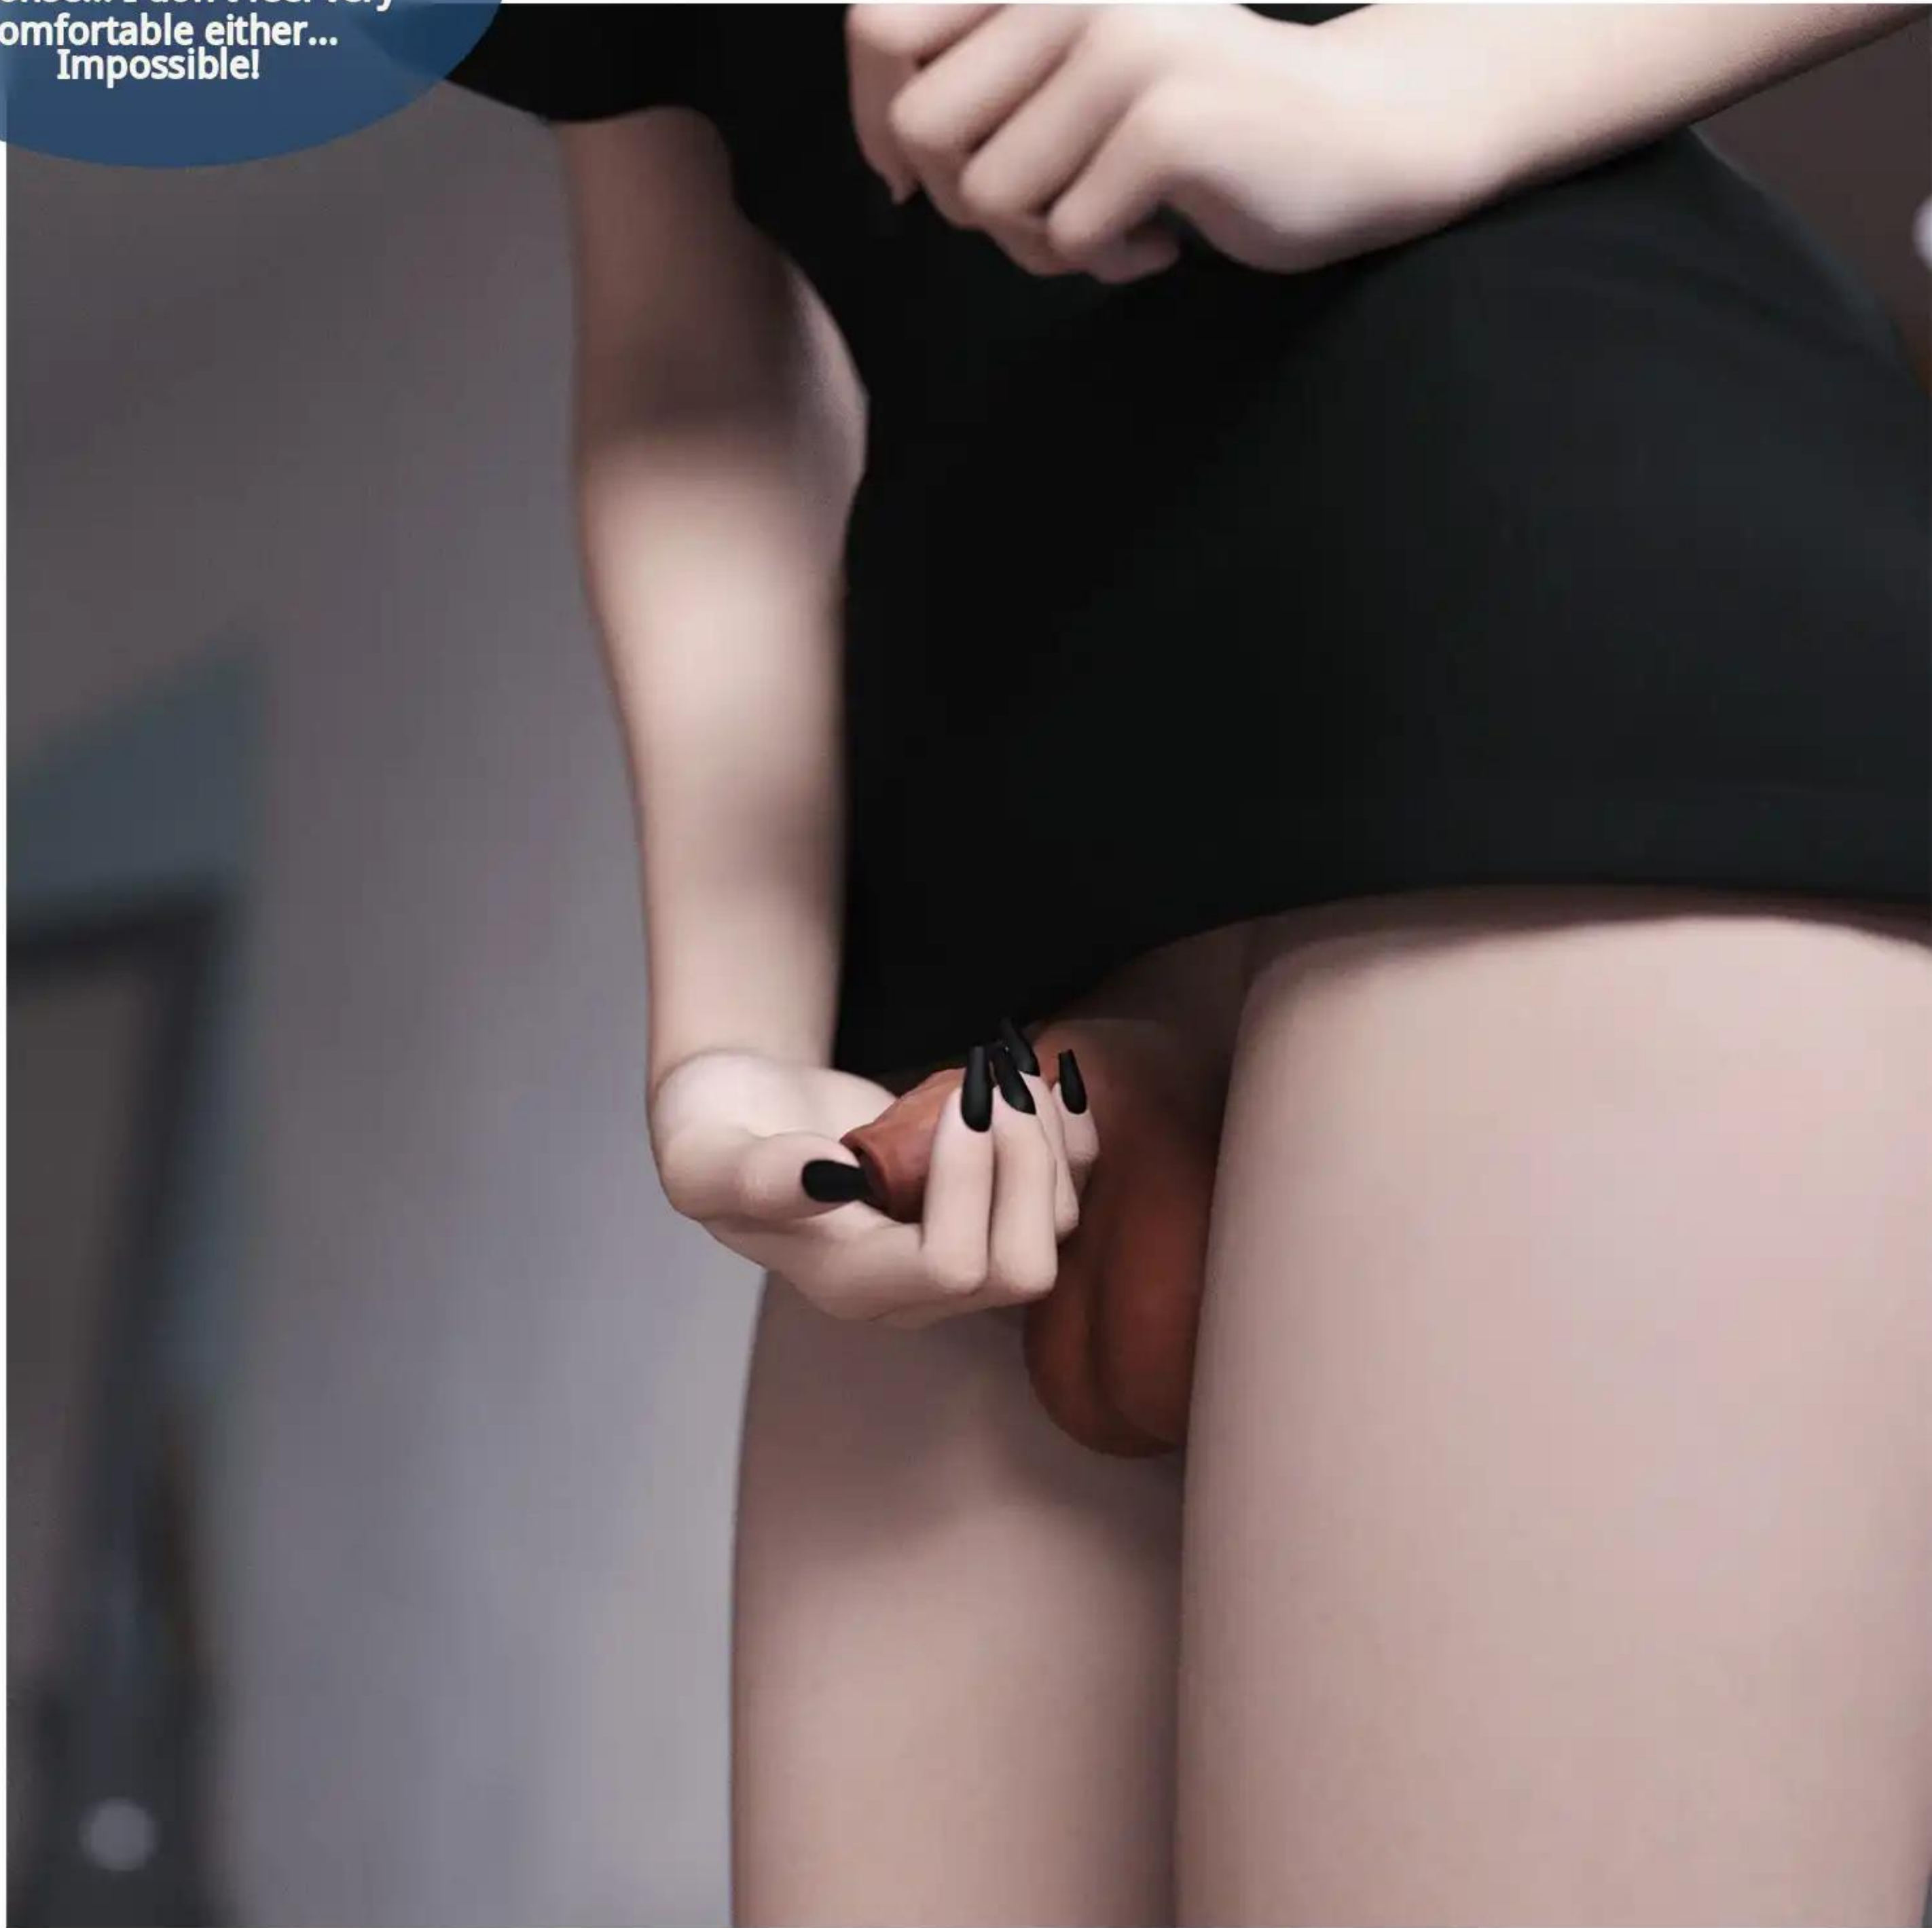

I can recover after masturbating for a while... As a normal man with strong energy, it is impossible for me to Can't get hard!

You'll have an erection soon...hurry up...get hard! Strange...how could it be so different from before? The pleasure is not strong either.....

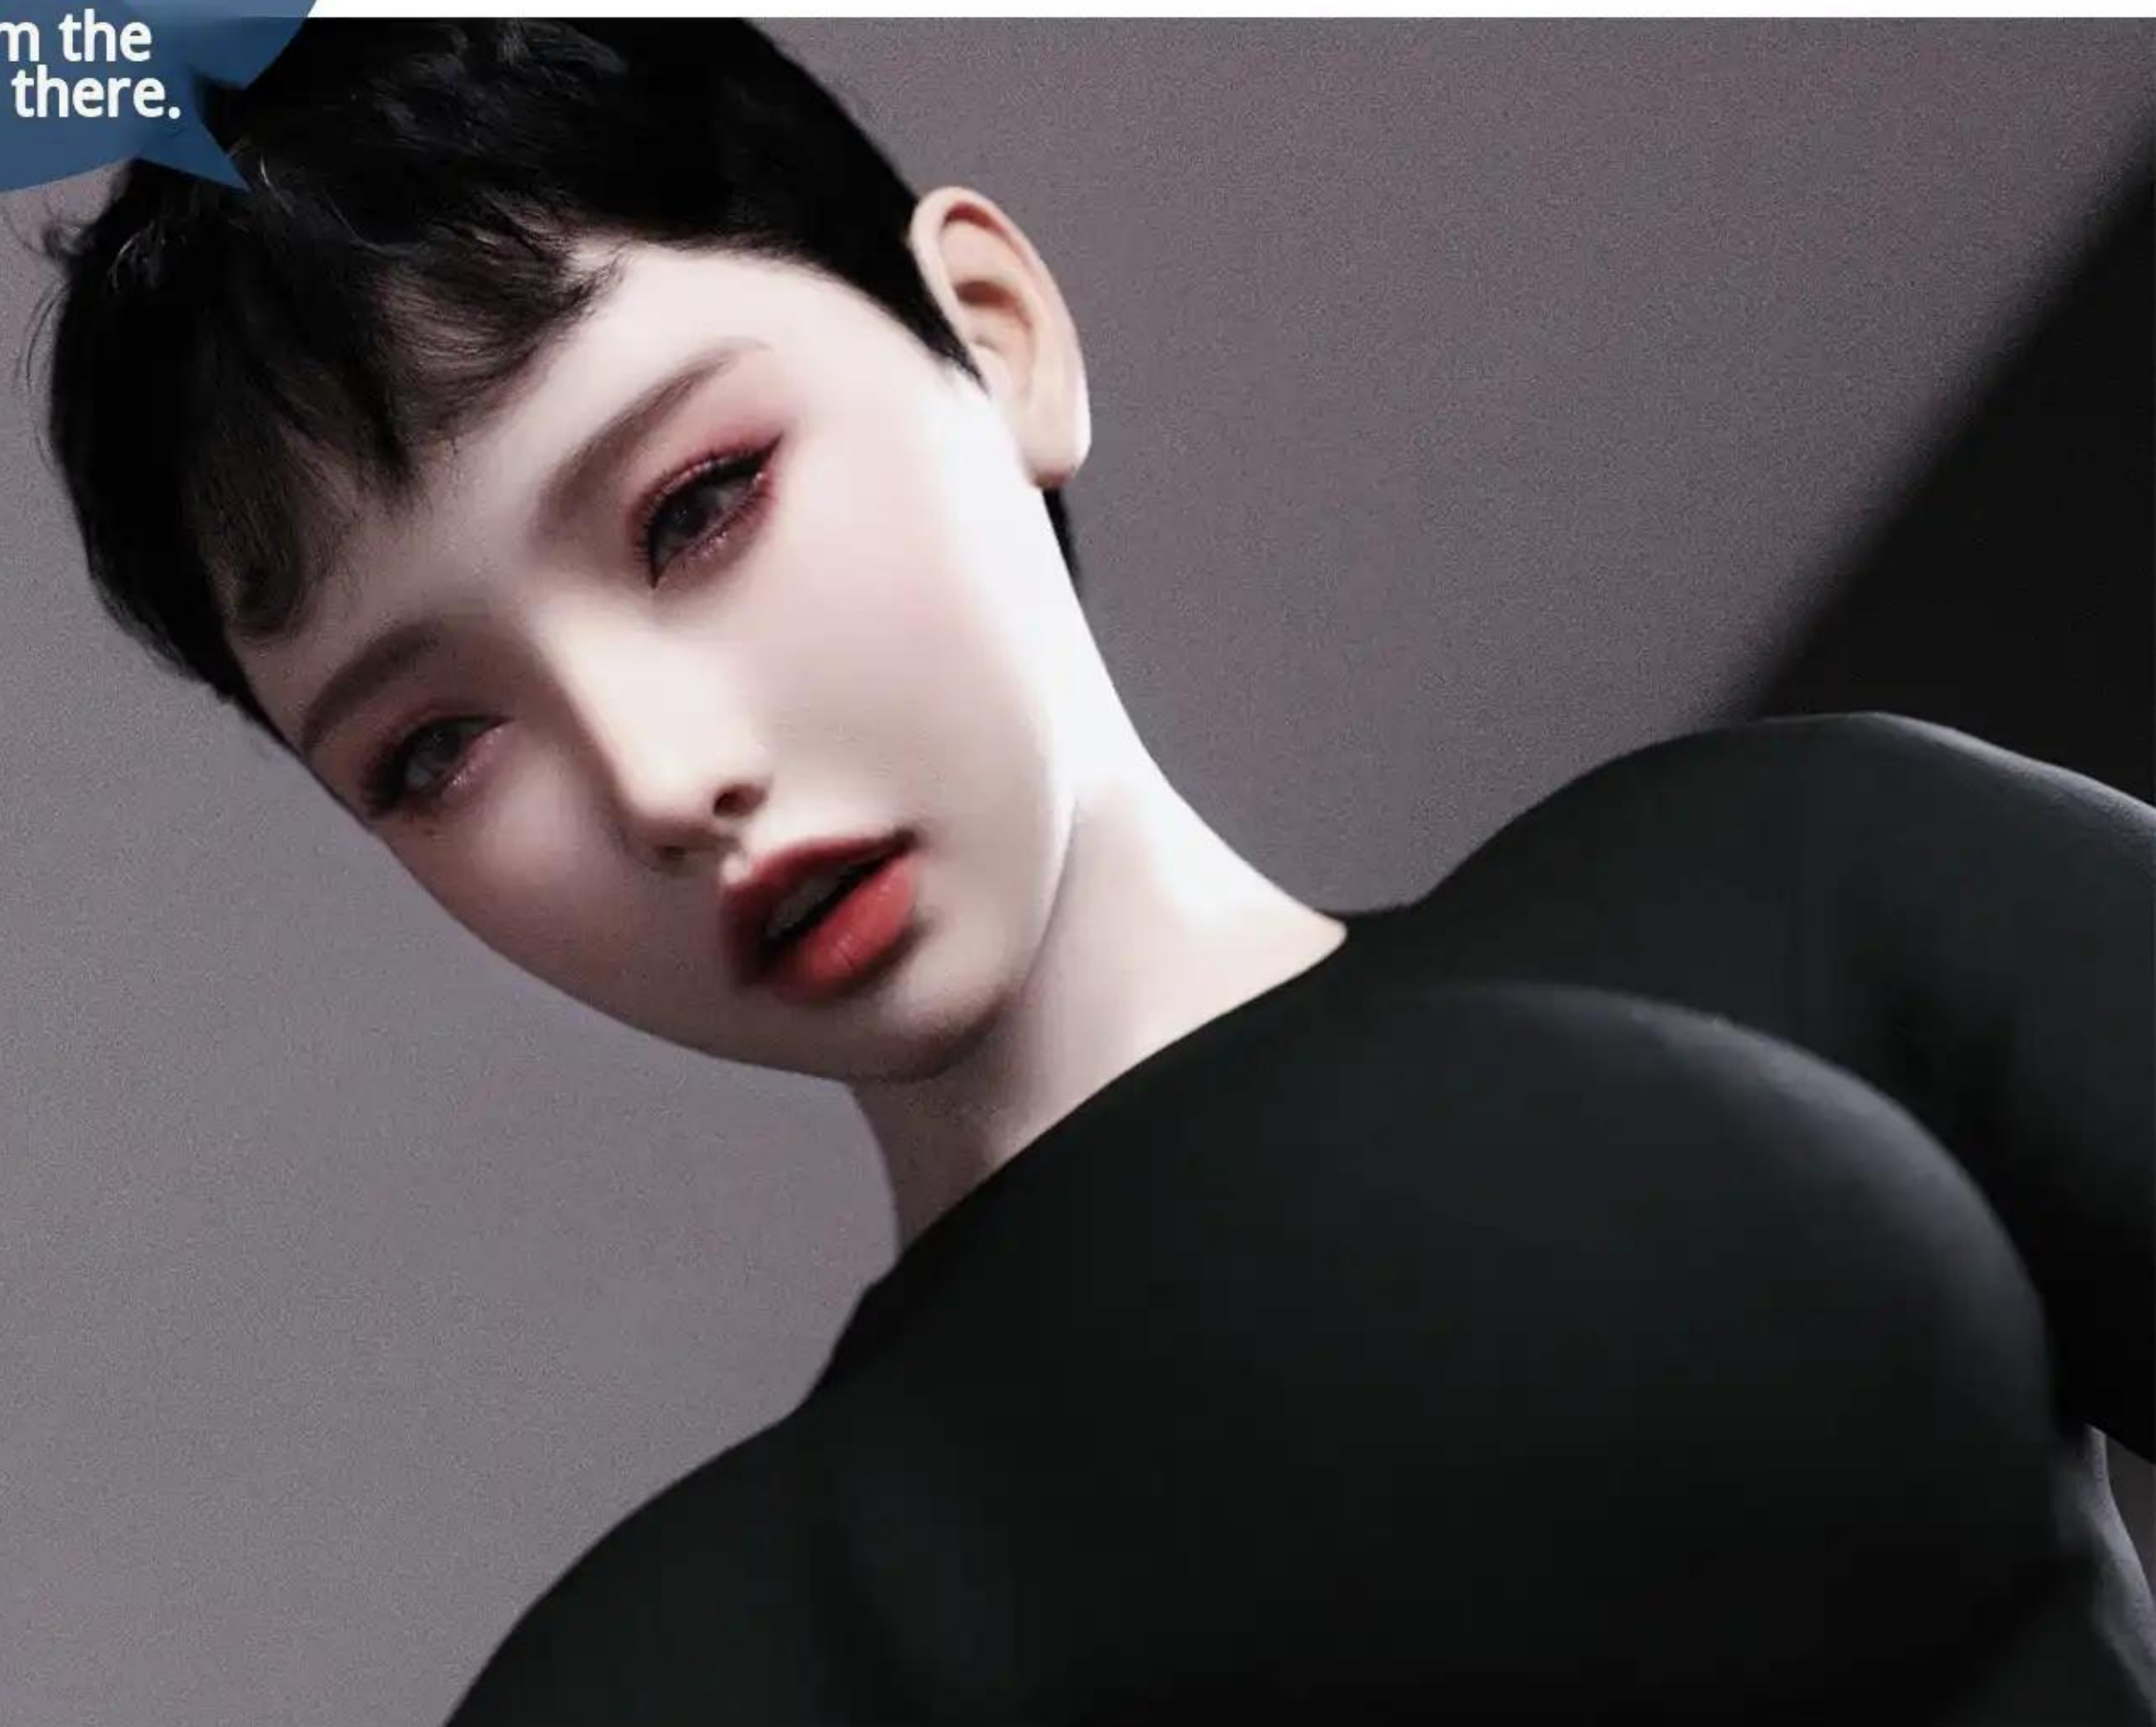

In the past, I got hard quickly when I masturbated! Now I clearly feel something but I can't feel better no matter what I do...why...what's wrong with me...?

I have fired pistols many times and never encountered this situation! Not only is there no response... I don't feel very comfortable either... Impossible!

It used to feel so good to figure it out like this... Why isn't it hard yet? Could it be that I am impotent at a young age?

No... there must be something wrong or something that's not irritating... Let's take a look at it. I'm the most sensitive there.

Uh-huh! Okay...it seems to have some reaction...a little more complex. There it is! I feel pleasure! Continued...

A woman with long dark hair, wearing a black dress, is shown from the waist down, performing a hand job on a man's penis. She is using her fingers to stimulate the penis. The background is a light-colored tiled floor.

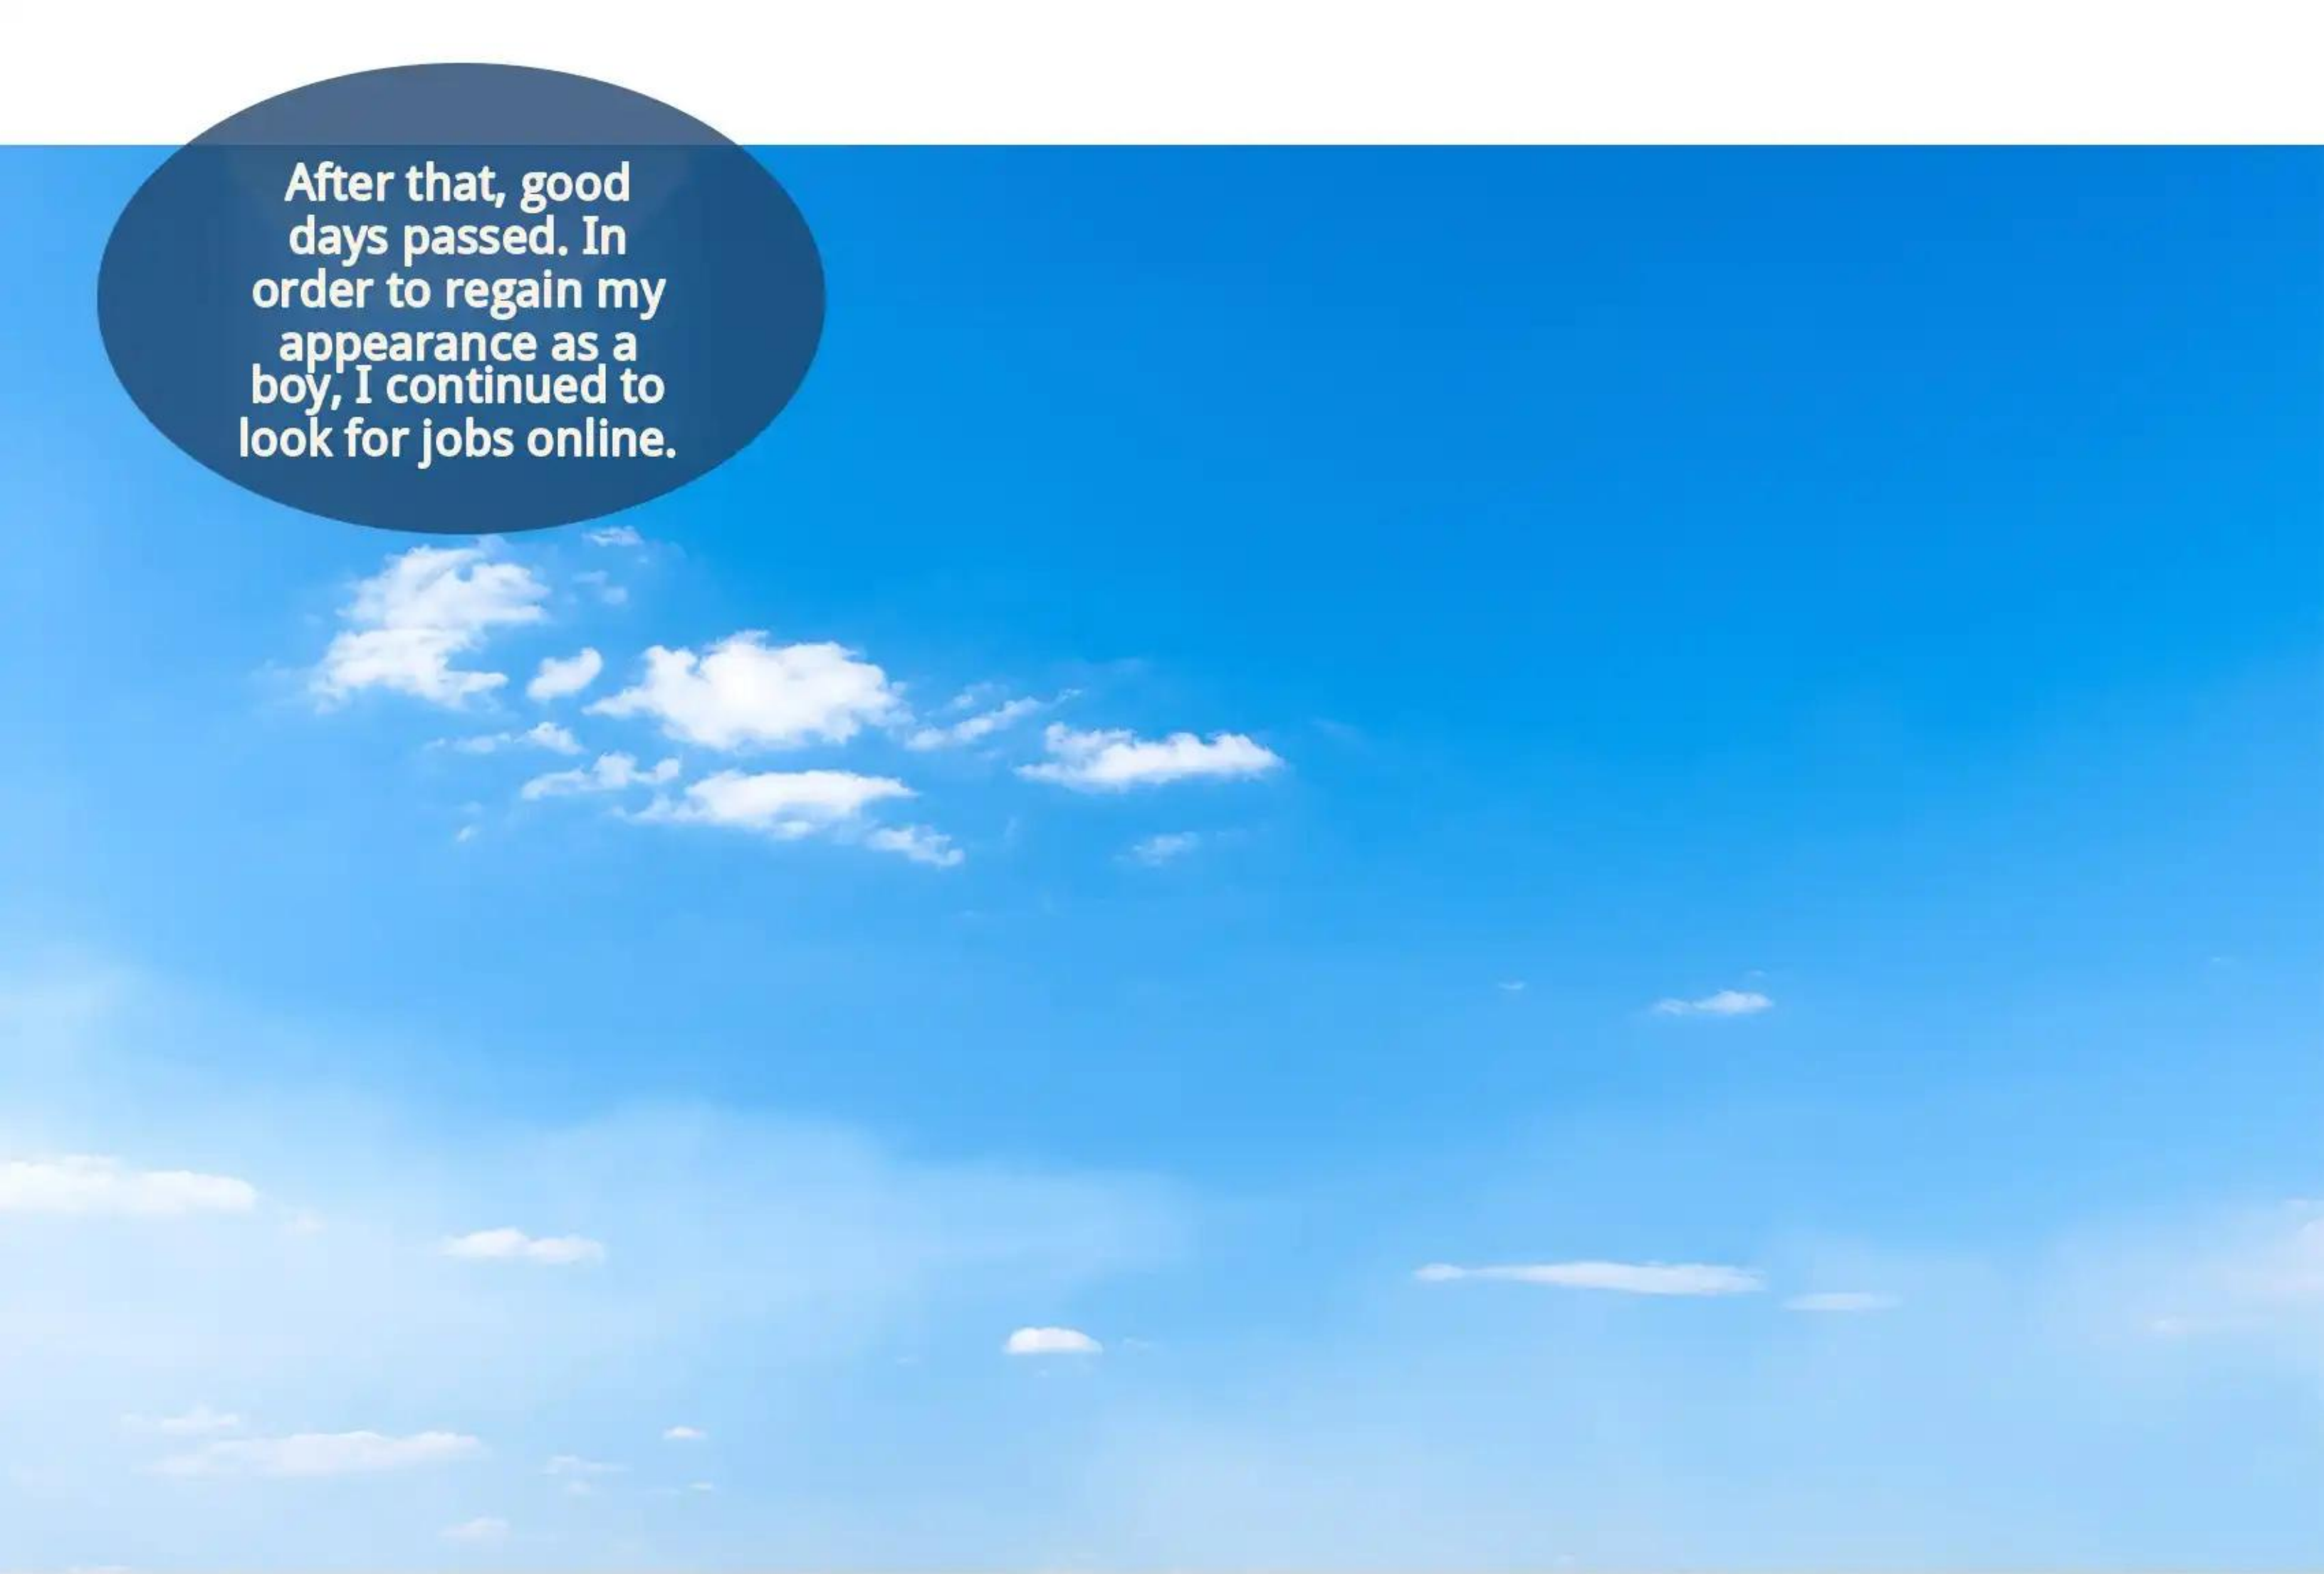

Faster! Use force!
Uh-huh...uh-huh!
Getting hard!

Ohhhh! Finally...
finally got an
erection! The
pleasure has also
become stronger!

A woman with short black hair, wearing a black short-sleeved dress, is standing in a dimly lit room. She is looking down and holding a red vibrator against her inner thigh. The background shows a dark interior with a couch and some furniture.

Although it was successful...it seemed normal...but why did his reaction suddenly become so dull? Is the cock really okay?

To get an erection like it should, it actually takes more time and requires more stimulation... It's not right no matter how you think about it...

After that, good days passed. In order to regain my appearance as a boy, I continued to look for jobs online.

After many obstacles, I finally got the opportunity to interview today!

A woman with short dark hair, wearing a black long-sleeved top and black pants, is standing in a room with a stone wall. She has her arms raised and hands clasped together above her head, appearing to be stretching. To her left is a light-colored sofa with a dark cushion. In the background, there is a wooden chair and a tall, thin vase on a table. The lighting is soft and natural, suggesting an indoor setting.

Um—! Finally, some progress has been made. If everything goes well, the work will be settled! As soon as I relaxed, I slept well yesterday.

I couldn't sleep a while ago or had nightmares... I must perform well and pass the interview and solve everything!

I was working as a hostess a while ago, and I already have some semi-permanent makeup on my face, like eyelashes...

At that time, I had taken good care of myself and my skin was in good condition. I should just put on a little makeup. Let me change it first.

Clothes!

Is there anything wrong with the shirt I bought specially? Since it is an interview, you need to dress formally to leave a good impression.

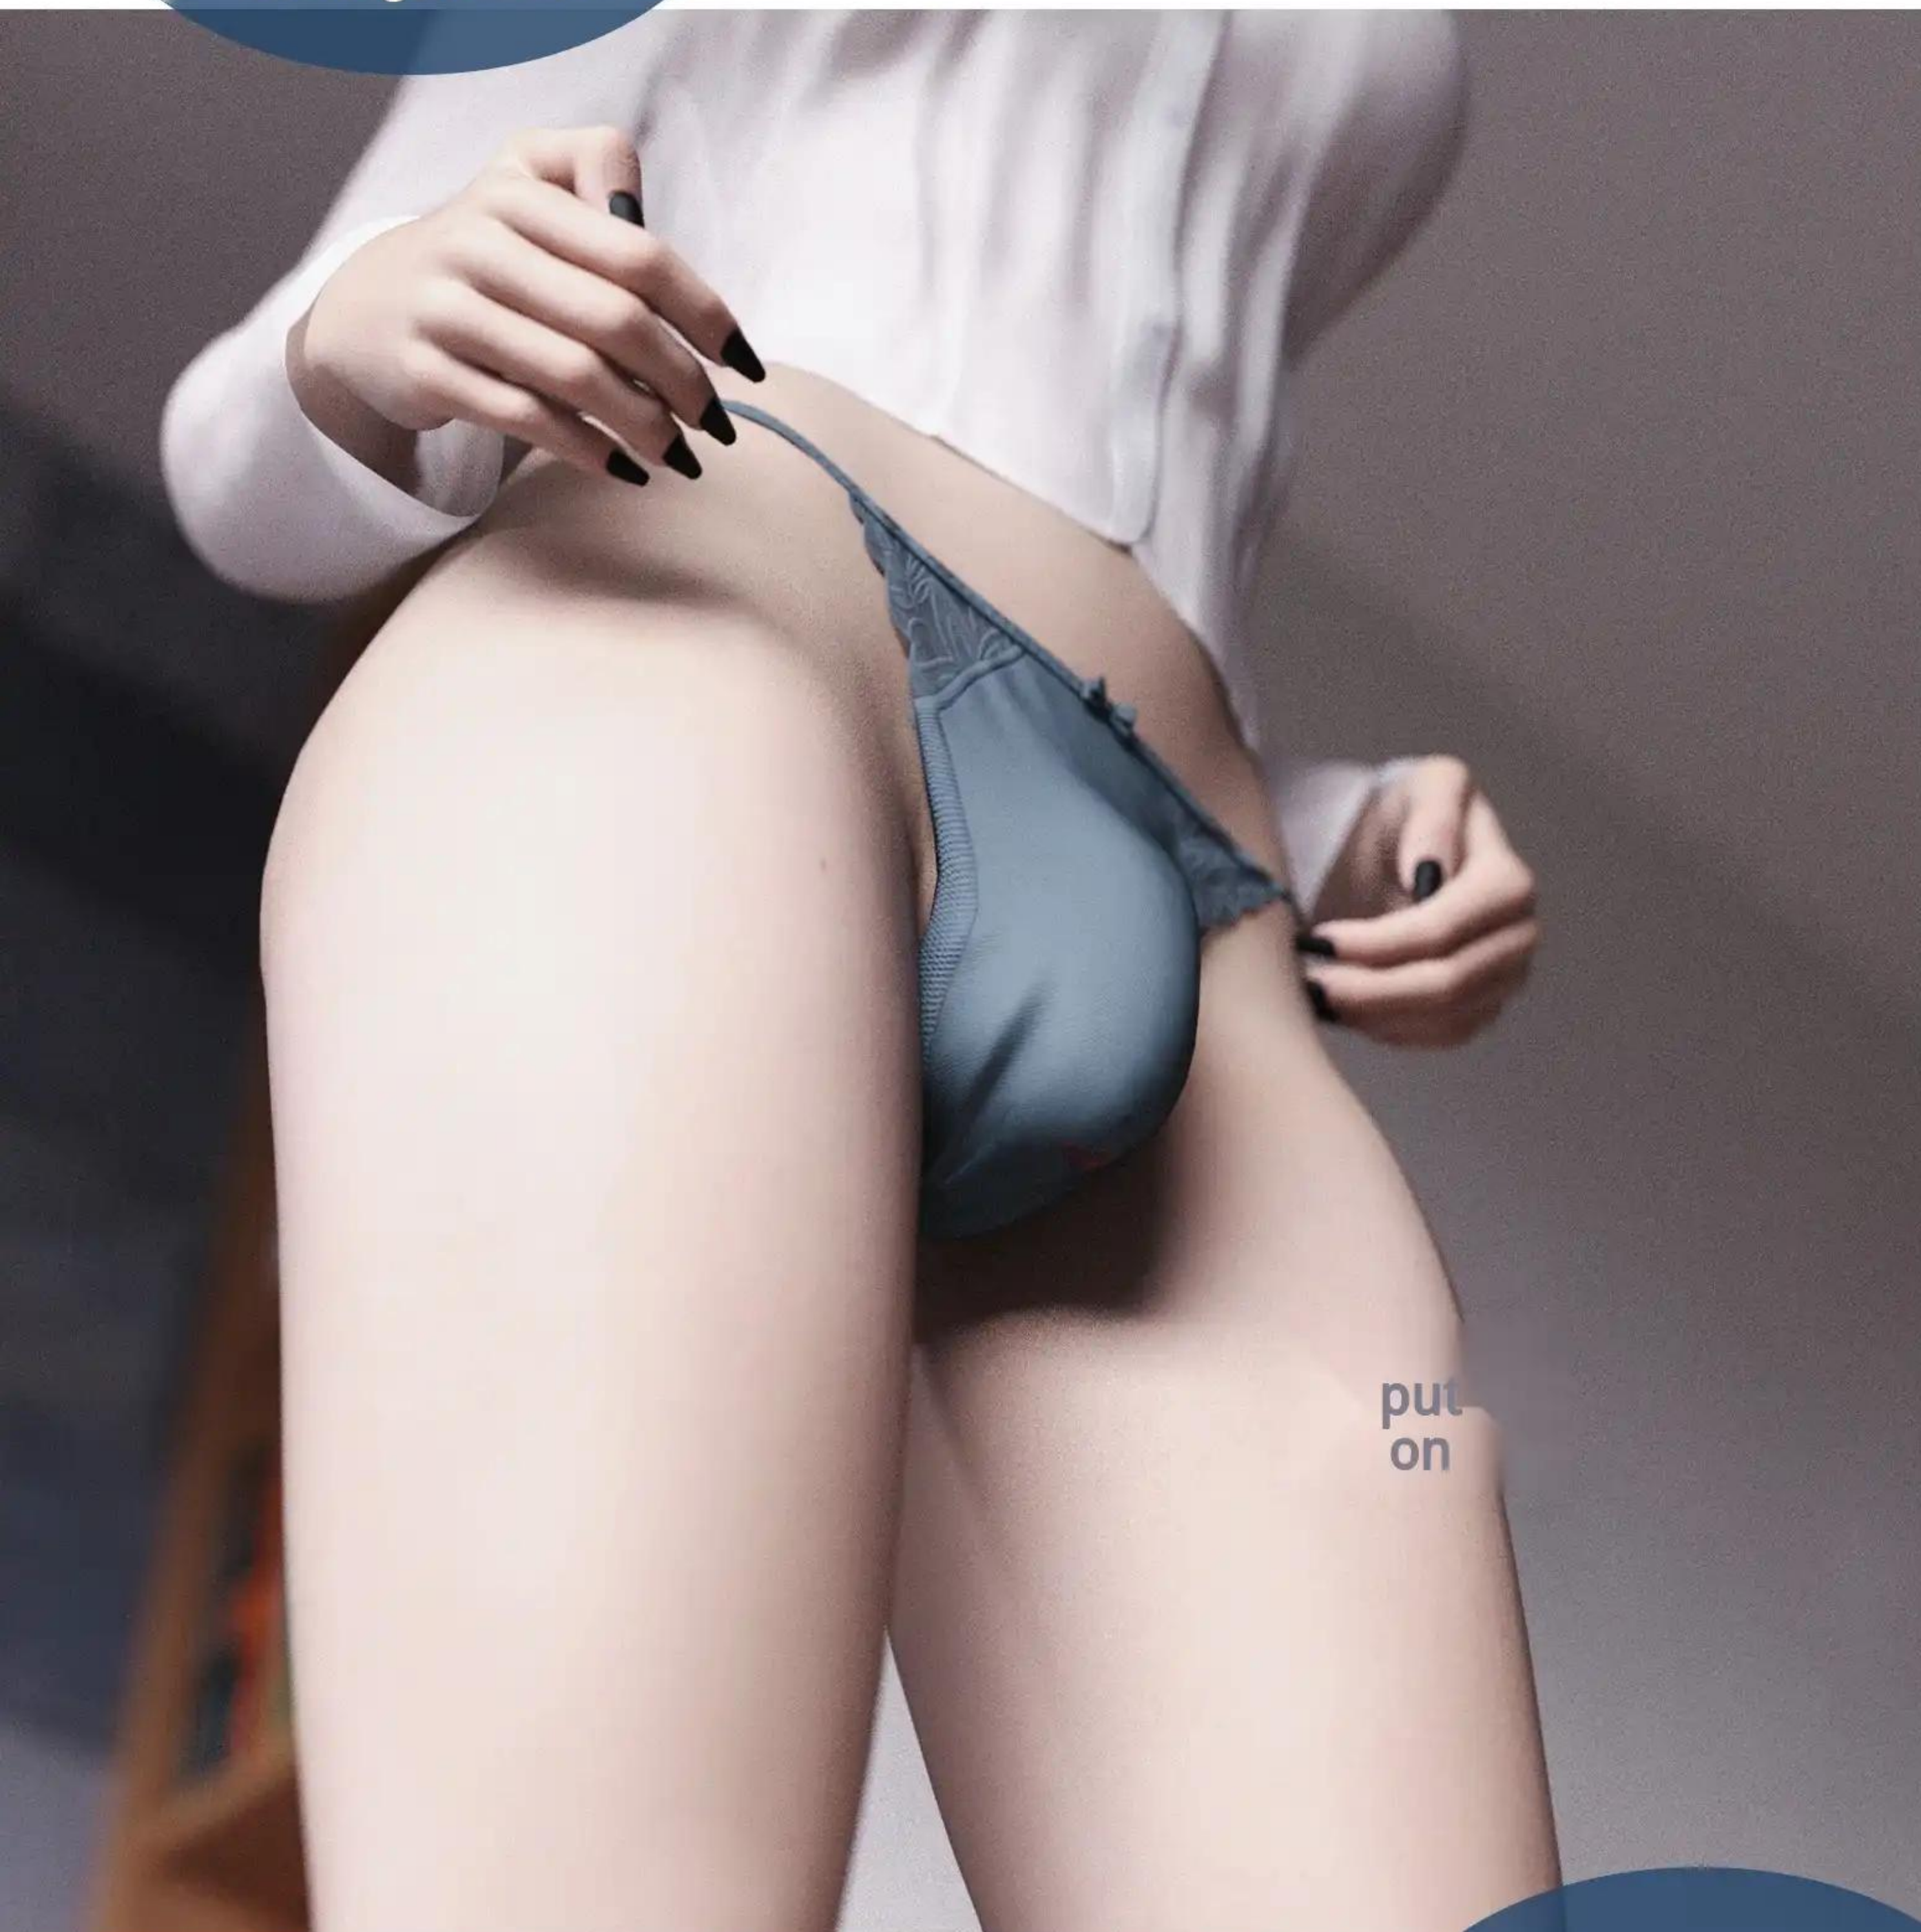

I really need it now, no matter what, I have to pass the interview and get these boobs off!

Do! But it's too much! The shirt is about to burst!

It's really hard to buy clothes when your breasts are so big! At first, I couldn't even try it on in the store, so I had to buy online...

I don't have time to go to other stores...and passersby always stare at me when I go out. It's not like I want such big breasts!

put
on

Even underwear can only be worn by women...the original fabric of underwear is relatively thick, and if you put on OL's clothing, the marks will show out.

Although there will be a big package below, I have no other choice. Now I can only prepare for the interview by looking like a girl.

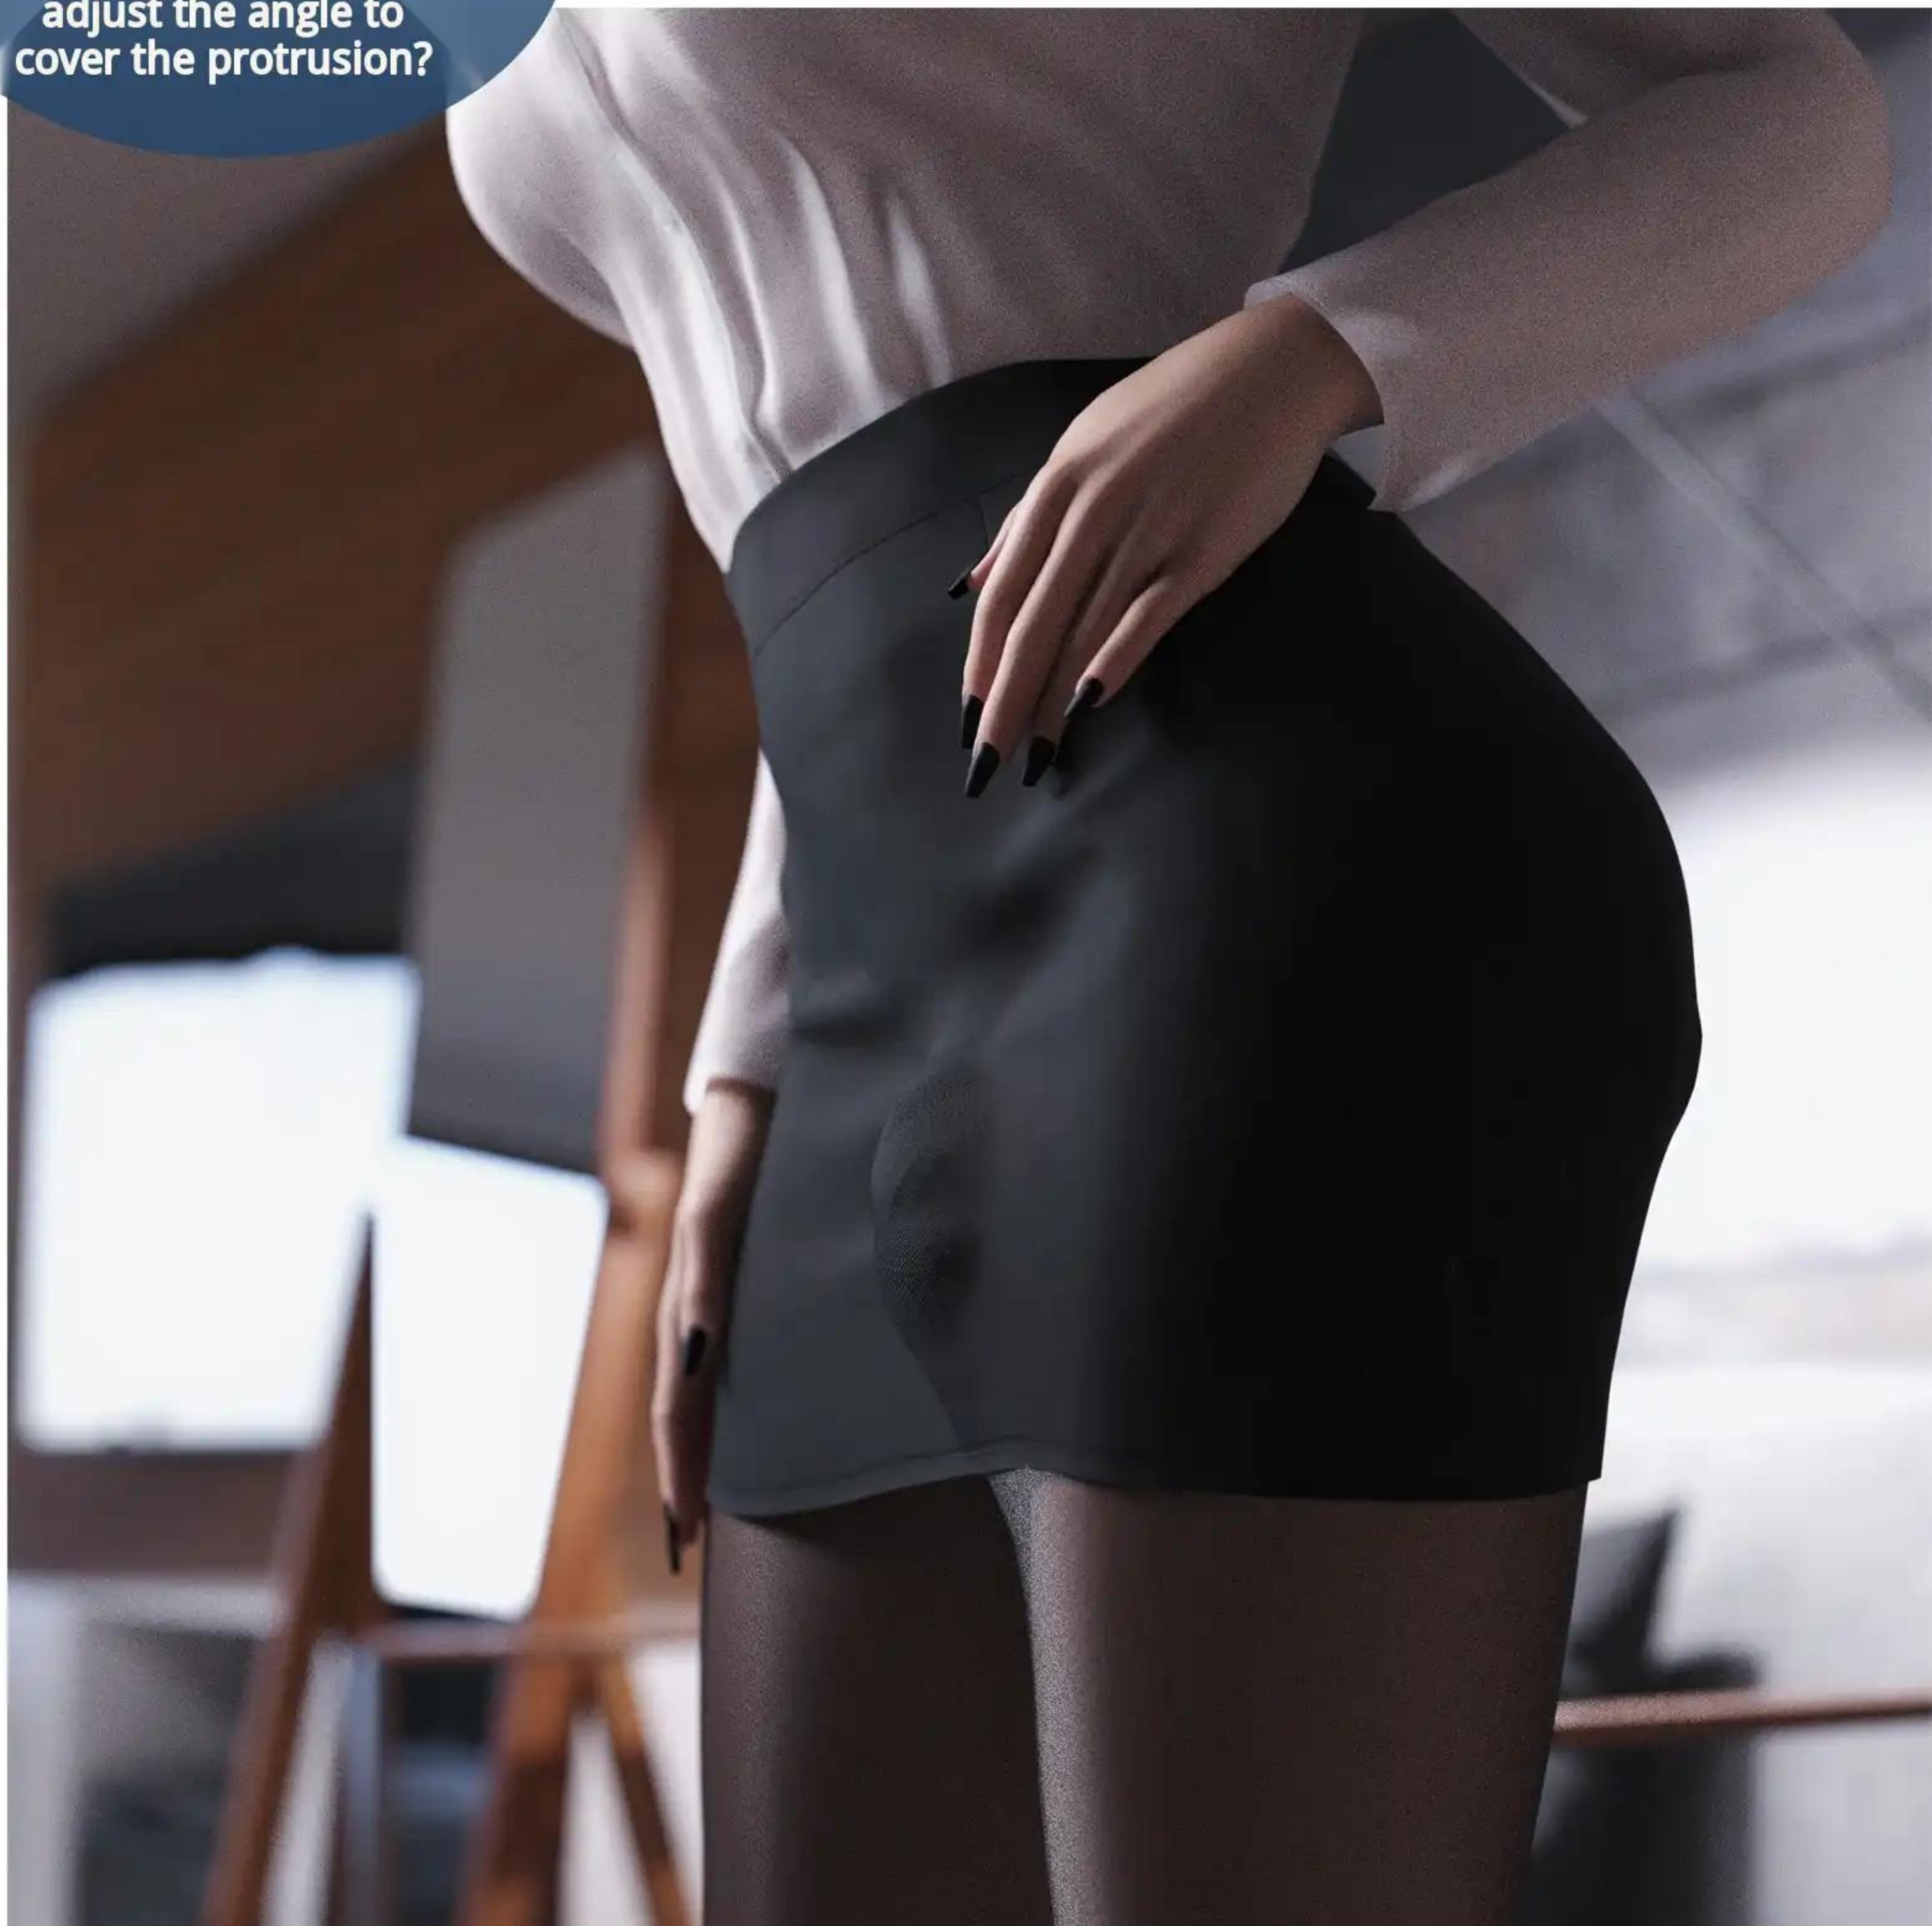

In my impression, those OLs all wear white shirts with silk. This will give people a more professional feeling, right? Ah...it's ice cold!

A woman with short black hair is shown in profile, facing right. She is wearing a white long-sleeved button-down shirt tucked into black shorts, and black tights. She is standing on her right leg, with her left leg raised and bent at the knee. Her hands are on her hips. The background is a simple room with a wooden door, a wooden cabinet, and a chair.

It's quite comfortable to put Si Wei on... but it feels so sexy! If possible, I would really like to go to the interview looking like a boy.

I dressed up as a girl because I wanted to return to normal...but why should I feel that the male life is getting further and further away from me?

No, no! We haven't even started yet, why should I hold back! Next is OL's black skirt! Can you adjust the angle to cover the protrusion?

Wearing these is a last resort...it's only temporary...if it continues, I won't even think about being a man again!

Cheer up! I'm a talented college student, can't I handle the front desk job?

I was overqualified at the front desk, well... I look pretty good now, very OL-like!

And then there's the fake one... Even the front desk job is a formal job, and the kind of job that used to be a waiter for a bartender can't be done.

Use it.

Sure enough, this hair style is suitable, clean and perfectly suitable for work! I chose really well, the rest is...

I have to put on makeup, not heavy makeup. I want to put on more pure makeup to look like I'm going for an interview. However, there is no way to make my breasts smaller at the moment.

But as long as I take care of myself, I can look like a serious person. I can definitely return to my original life and wait until I survive...

I can get rid of this
nightmare, and Xiaoyi
will fall in love with me
again...I will
definitely.....
