SP_XXX

Tell us your names?

The person I just knocked unconscious had a strange aura all over him. He was still holding a human skin in his hand. Could it be that he was possessed by some monster?

SP XXX

How did
the girl on
the
ground
become
so
virtuous?
Is it
because
of this
man?

SP_XXX

call?
Let's
talk
about
it) Is
this the
base of
some
kind of
cult?

But my
sixth
sense
is that
there
is
nothing
unusual
about
the
aura
here.

SPUNK X

You suddenly showed up, knocked someone unconscious once, and asked so many questions. Why didn't you tell me your name first?

What's
going
on? Why
did a
person
appear
out of
thin air
and
knock
that
lunatic
unconscious?

SP_XXX

I'm Xu Xingzi, a psychic who specializes in exorcism and removing bad luck.

How did
you get
here? What
is a
psychic?
Eliminate
demons?
Dispel bad
luck

SP_XXX

Ah? Hello, I've experienced a lot of strange things recently, although it doesn't feel weird anymore when someone suddenly appears.

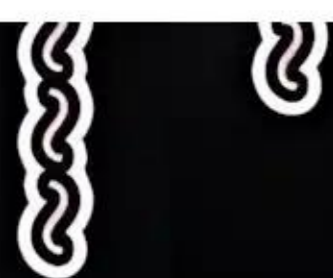

I was resetting
the barrier in
the shrine 2.
Suddenly I felt
a change in
the aura, and
it appeared
here with a
calm eye.

It sounds like you
were transported
here inexplicably,
but in this world
you are breaking
into a house~2

SP_XXX

Is that
so?
Thank
you for
solving
the
crisis
we just
had.

SP_XXX

Even so,
since I am
here, it
must be
God's
arrangement

I feel that two
of them here
have no human
aura and are
hindered by
their
professional
ethics. I should

Huh, now that
you have met
me, you have
to perform my
duty? Kill

You monster!~
Look at me,
why don't you
show me your
true colors?

飒飒飒

SP_XXX

This guy is really fast and doesn't swing forward at all before attacking. How could it be possible that a strange light of energy appears on the bat?

How
could this
kind of
coercion
and
energy
appear on
earth?

SP

XXX

It's not
easy for
this
demon to
keep up
with my
movements.
Don't take
it lightly.

SP-2

This so-called
psychic
should not be
underestimated,
but it
happens that
he has not
moved his
body for a
long time.

SP_XXX

damn, she
avoided it

I have to

respond.

Phew~~~Ah,
why do I
feel that
the other
party's
energy is
getting
stronger
again?)

STV

With
this

you

Are you
leaving here
quickly? Stop
being such a
hindrance
with fists
and kicks 52

_XXXSP

Let's listen to her and leave the living room.

OOESTRUCT

SPxXX

(Wow)
Don't
move
quickly to
avoid
being
beaten to
the point
where you
can't even
recognize
your
mother.

It should be fine for her to face such a powerful enemy alone, but I can't help for a while, so I'll leave first.

Come
on~~
Psychic,
we can
concentrate
on
deciding
the
outcome.

I don't think you monster, you can be kind and let those two humans go so that they won't accidentally hurt you.

SP_XXX

I used spells to strengthen my defense to prepare for this blow.

IRECHLO

SP_XXX

(...My
spiritual
power is a
bit lacking.
This world is
a bit
different
from the
original one.
I hope I can
stop it.

Drink~~Ah~3
Eat
my
blow)

SP_XXX

Pin~~2SP_XX>What
a heavy
blow~Almost
broke the
defense

Such a powerful psychic master ^{can} actually take my full blow, Xiaoque is really intolerable.

Humph~~You underestimated me. My spiritual power is one of the best in the world. Monsters like you can't defeat me.

Having said that, I still feel that she is vaguely different from her previous opponents.

SP_XXX

It seems
that we
can't
easily
win with
strength,
so we
have to
find
another
way to
deal
with her.

SP_XXX

SP-XXX

Ha-that's not bad. I'm also surprised that there are people on earth who can compete with me.

Hehe}
But
let's
see
how
this
trick
works
S2

SP_XXX

Yeah, what
a fast
punch?
Got a little
scratch on
the face

You dodged the hee hee punch, but the back move is my goal.

Dig
(Oops~
Are you
careless?
It feels
like an
electric
current
has
penetrated
your
whole
body)

SRXX

I feel a
sense of
dizziness
and
weakness
spreading
throughout
my body.

SP_XXX

Hahahahaha,
I won~~ But
as expected,
people on
earth still
can't beat
me, especially
since I'm still
wearing the
skin of a
space
policewoman

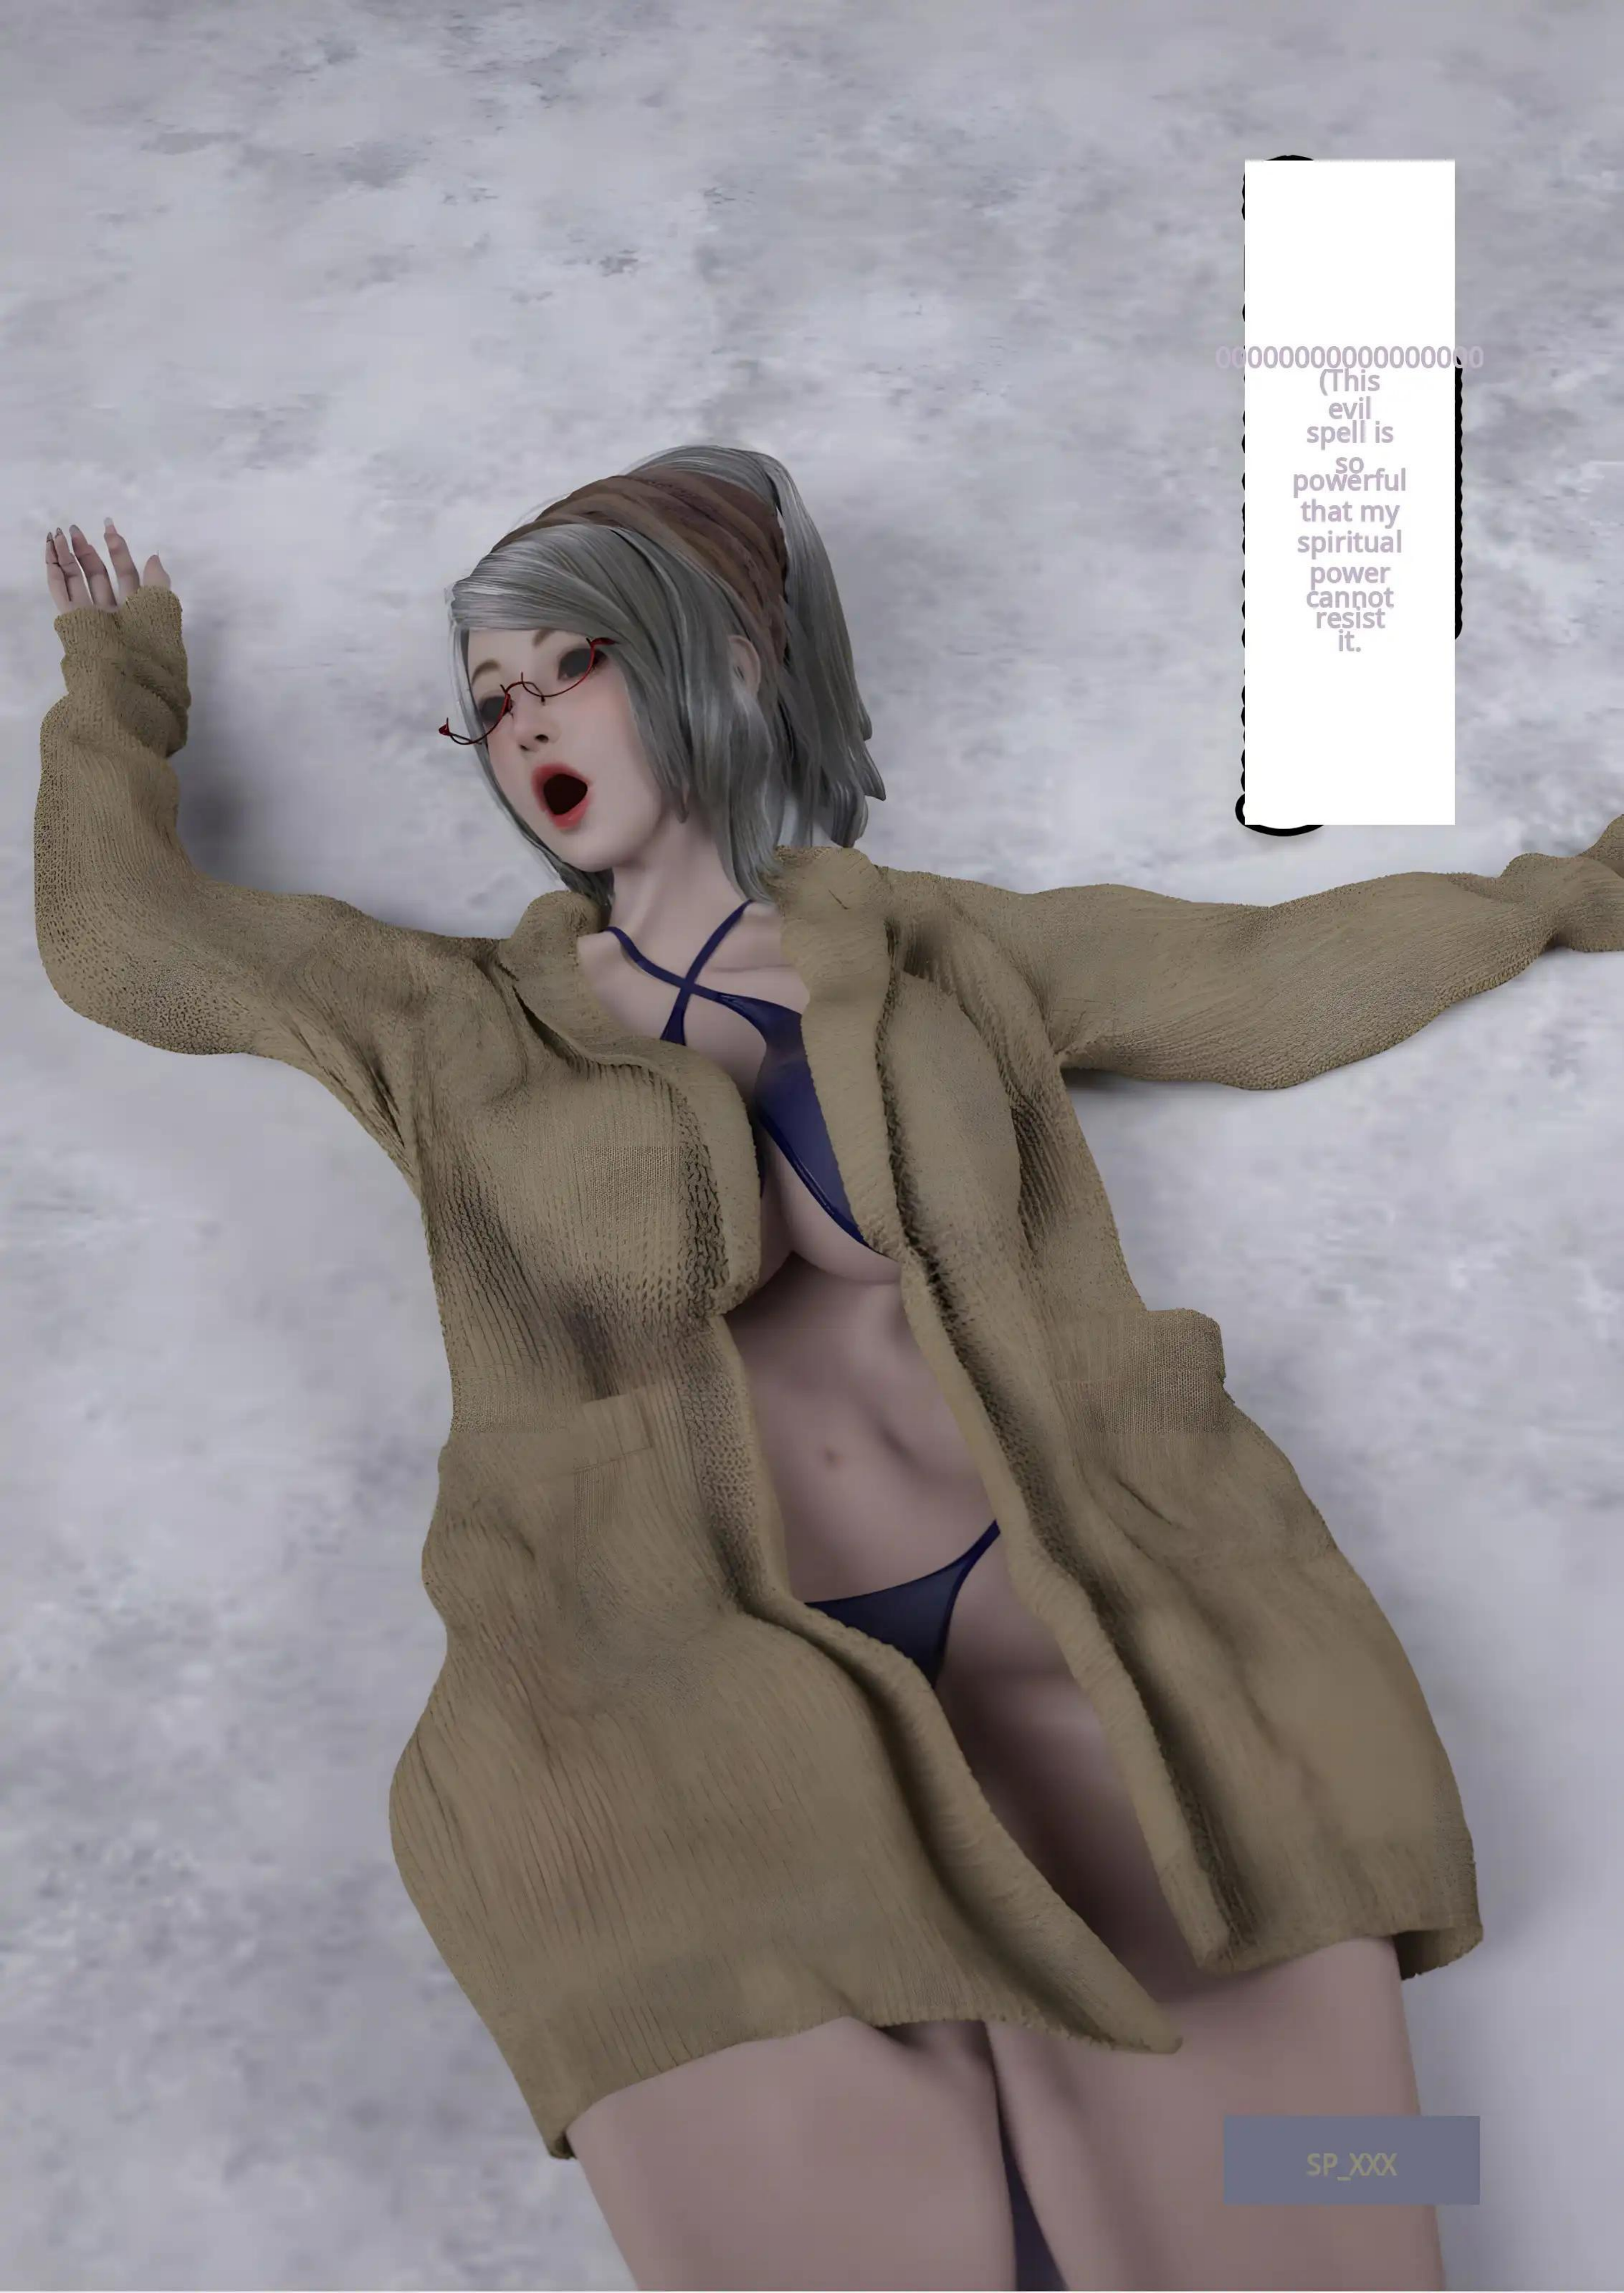

SP2XXX

I--What's
going
on}~My
hands
are so
weak~Is
this an
illusion
caused
by some
kind of
magic?

This is
not
sorcery
or
hallucination,
but the
skin-transformation
technology
of
alien
technology.

SP_XXX

000000000000000000

(This
evil
spell is
so
powerful
that my
spiritual
power
cannot
resist
it.

SP_XXX

What a pity?? 2 If you hadn't attacked me first, maybe we could sit down and have a good chat.

My head is full of metaphors and I can't think at all. I can't even remember what to recite when I want to recite the mantra.

—A

算时间应该差不多可以了

Hahahaha
that's
exciting

SP_XX

沙沙沙沙沙沙

Wow, I didn't expect that the telepathy of the Space Policewoman is so strong. It can be activated just by thinking about it.

me

It's easy
for a little
psychic to
figure it
out?3
