

one

Ah, Ah Hao...
wait a
minute.

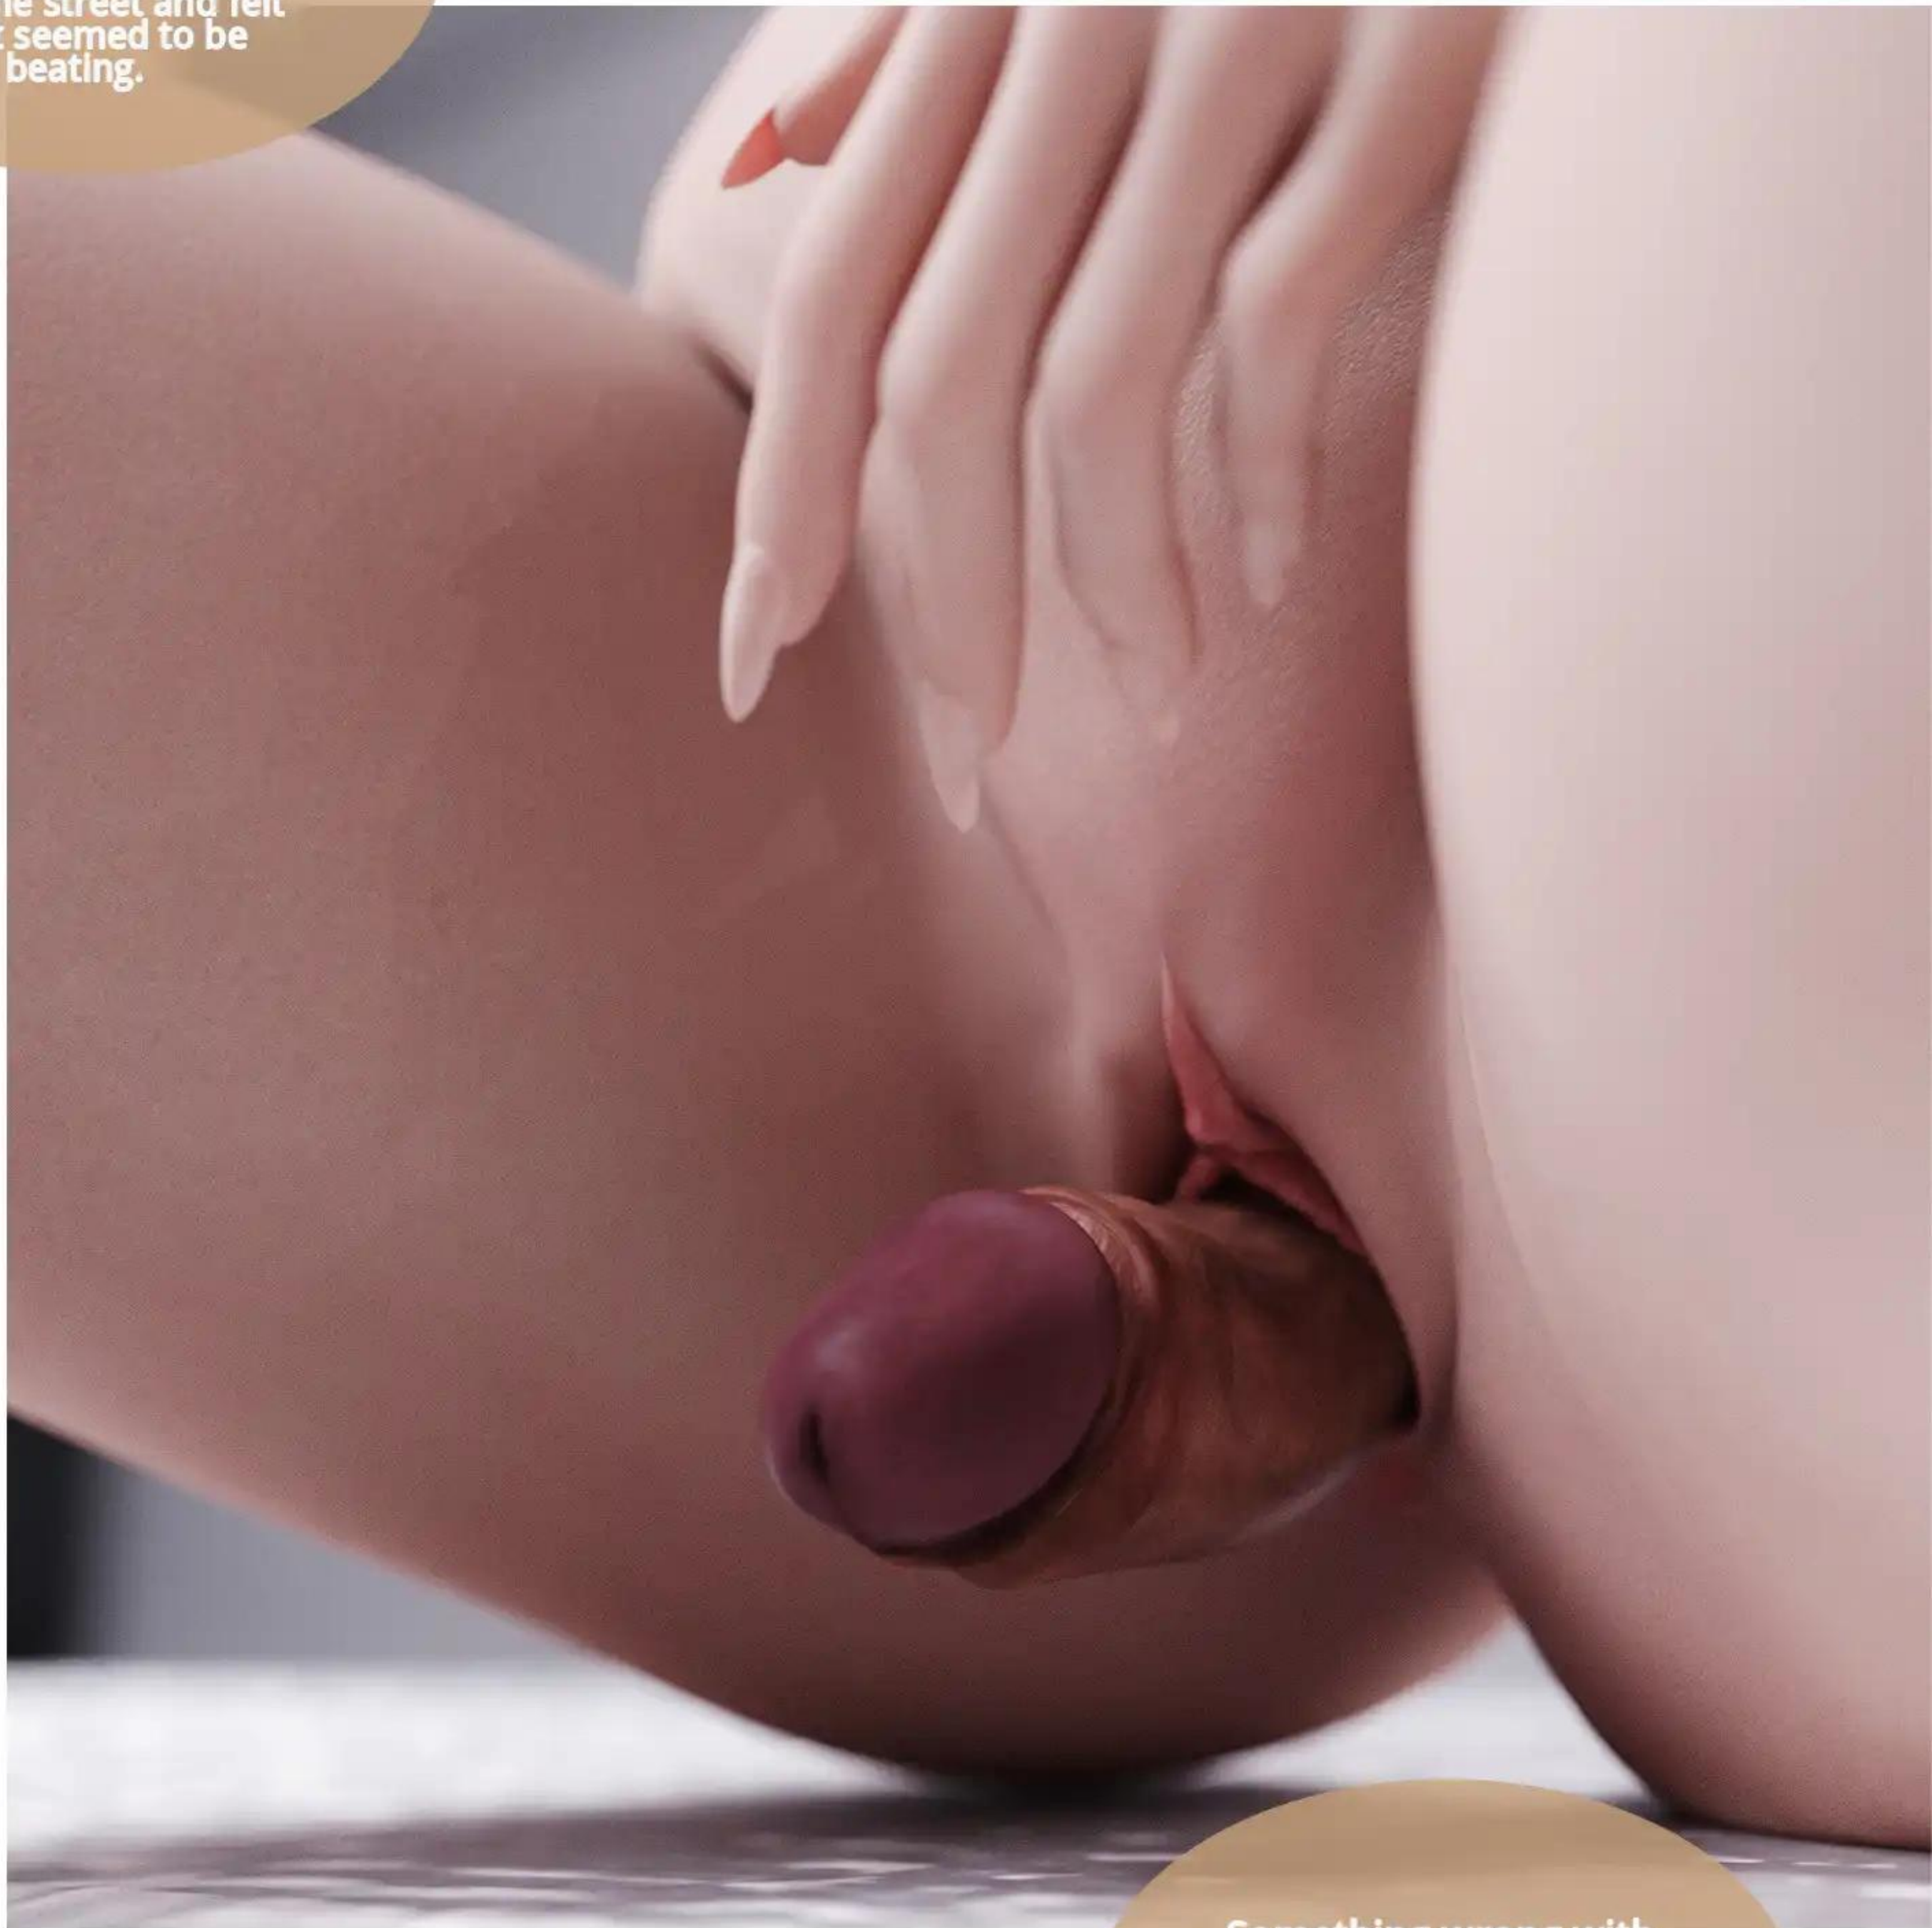

? It feels so strange...I can't put this thing back in and it won't come back...it's just..."

disturbed

It's getting harder and harder, as if it's urging me to touch it... I can't control it at all!

As if he had independent consciousness and didn't know if it was wrong, he eagerly went out to the street and felt that it seemed to be beating.

Something wrong with your body? Or how could people be like this? Is it a side effect of this skin condition?

Relax and take a deep
breath. This is not a
strange phenomenon.
Don't worry.

Those of yours are all
situations that men
usually encounter. I
occasionally feel
trapped due to sudden
reactions, but in practice
just fine.

, you should regard yourself as the first, I will teach you my experience, we will go step by step and slowly, the little boy who responds first.

It turned out to be normal, so good. I thought there was something wrong with my body. Now I really look like a child who doesn't understand anything. I remember being so panicked during my first menstrual period.

I am at a loss, and I will have to deal with it when the time comes. I will definitely be more miserable than you. If I met a student when I was wearing skin, it would be you and me.

You have to get used to a man quickly, so let's continue: desire is enough.

Okay...I'll try my best!

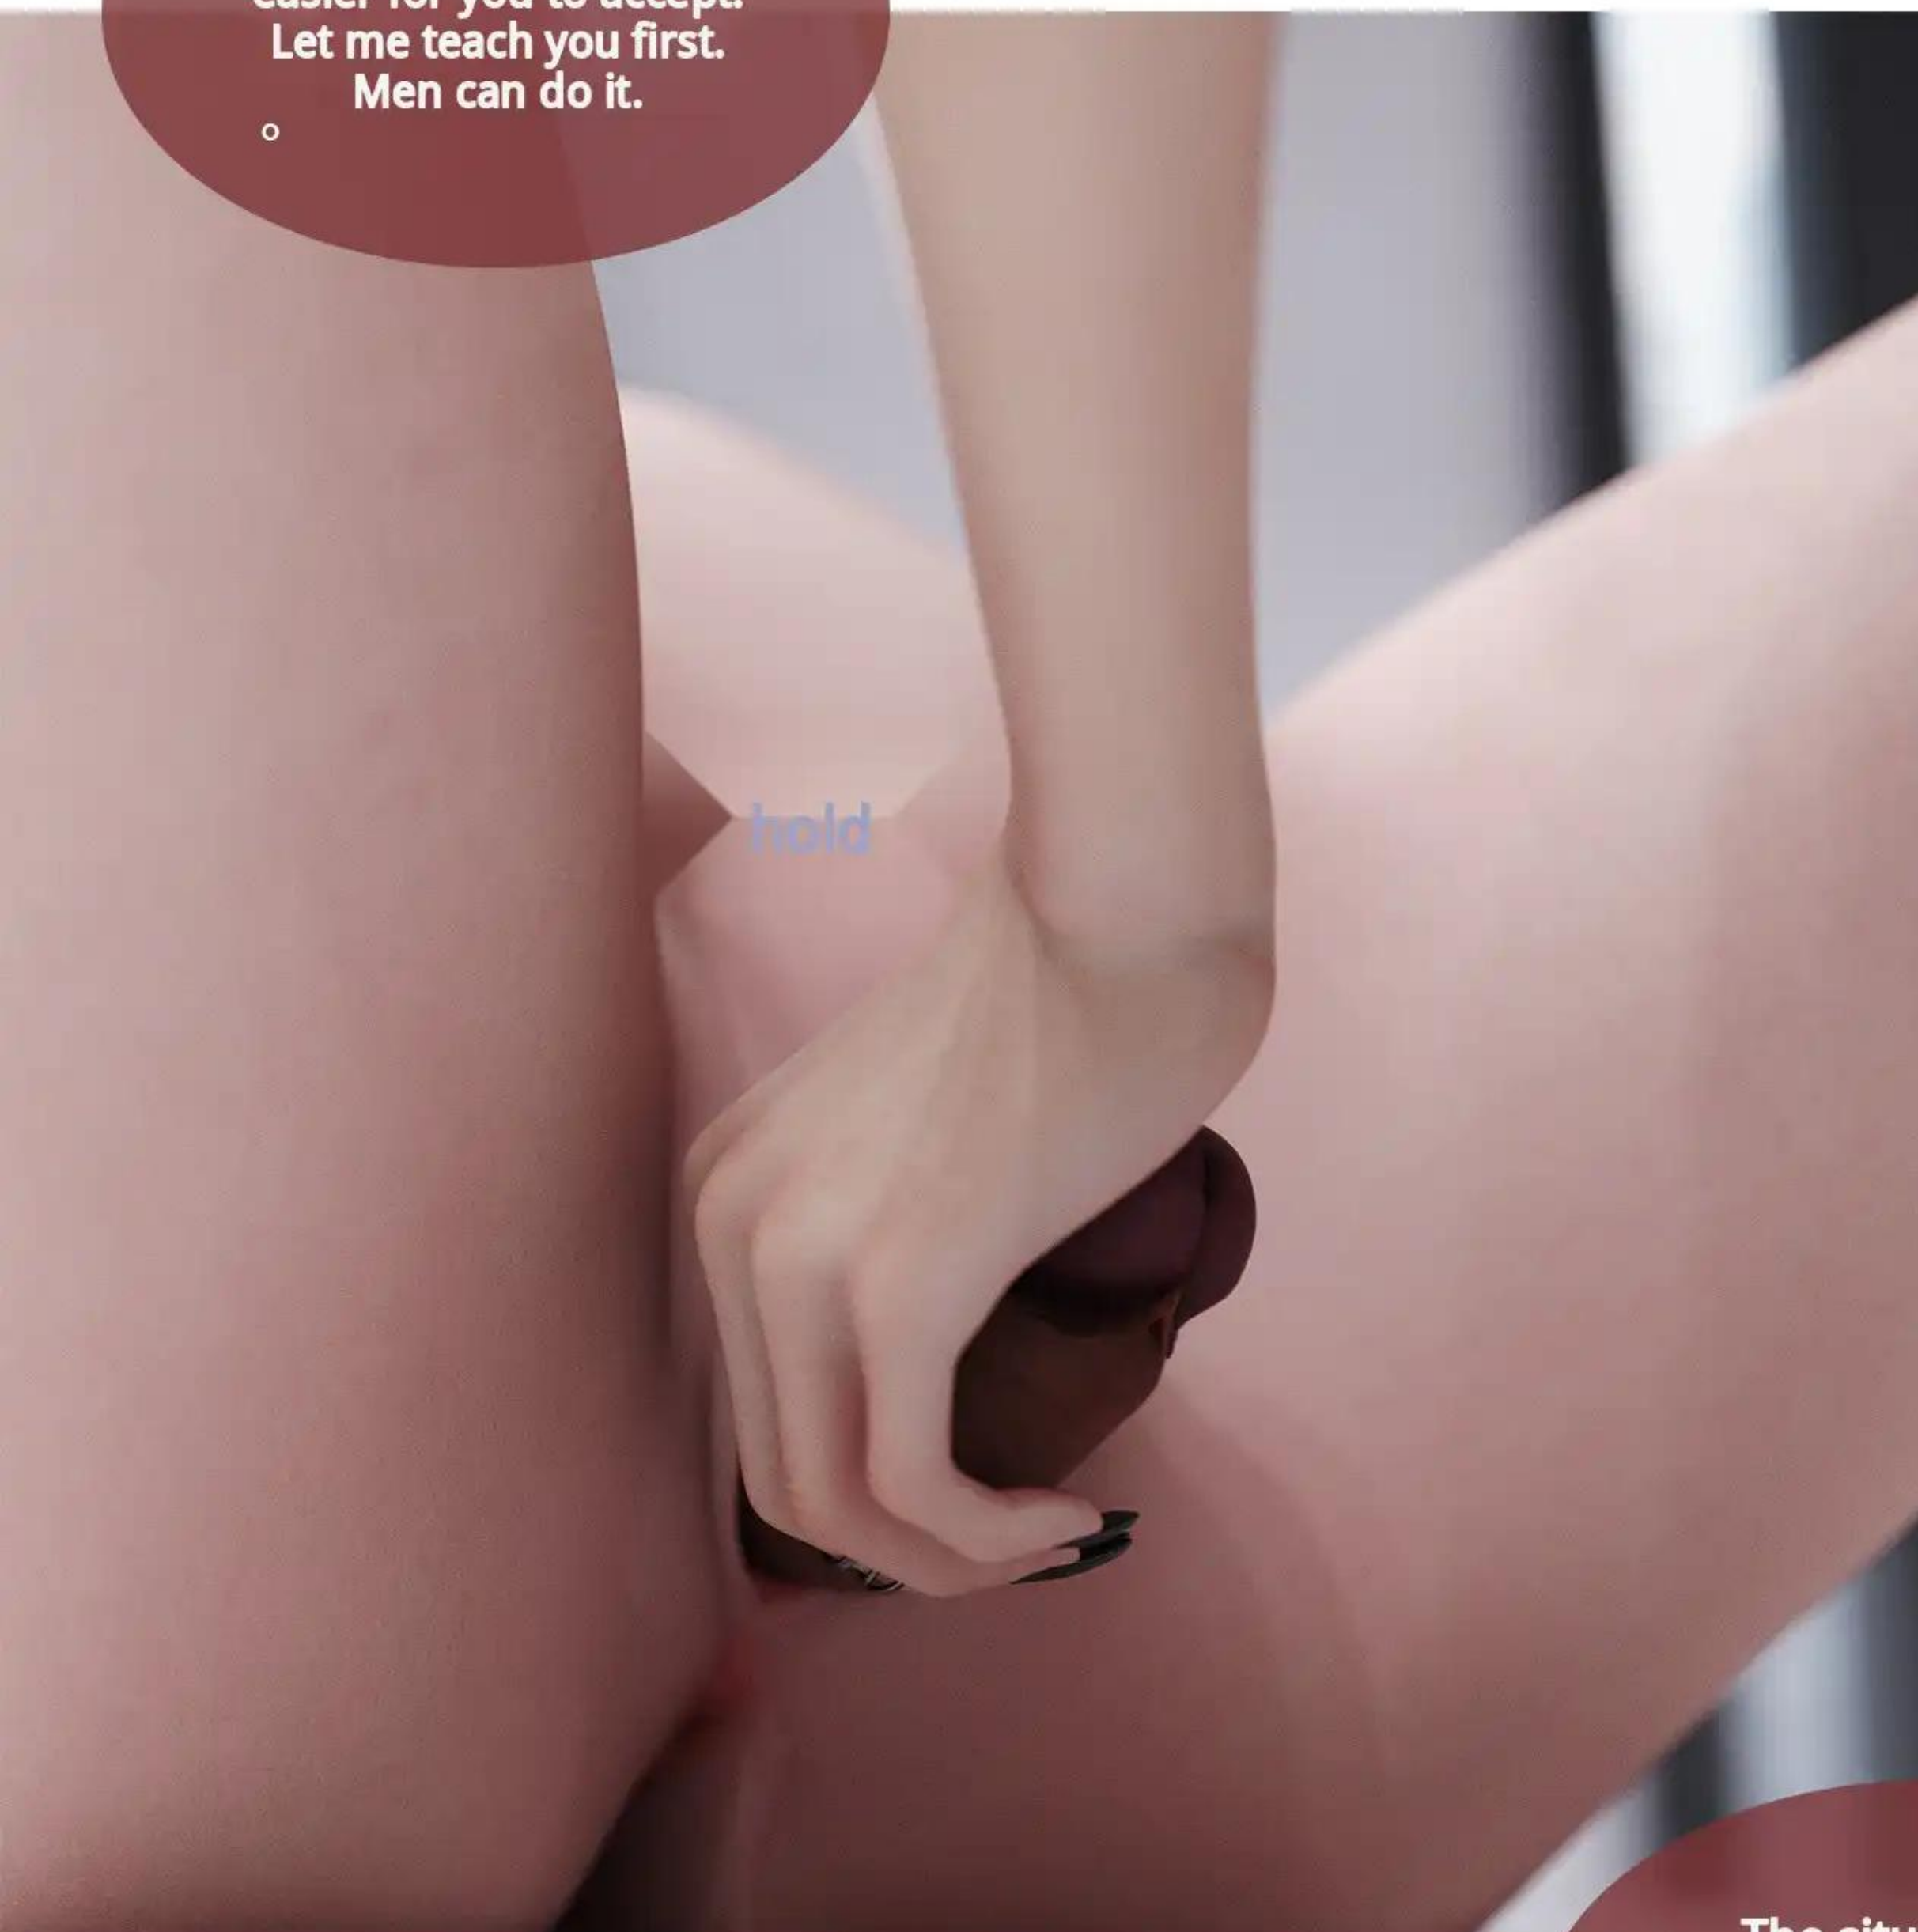

People with no conscience will think that if I sneak in and wear it, we will be in trouble. You know what those people are doing.

Masturbation, it's very simple and it should be easier for you to accept. Let me teach you first. Men can do it.

o

hold

The situation will resolve itself, just hold it and shake it if you are alone and encounter it..."

Ahhhhh, just a slight touch...!

Get used to this pleasure! It's too strong to go crazy! I can't
Yes!

It feels completely different from the feeling of masturbating as a girl, which is a pleasure that I have never experienced before.

o

My body seemed to be coming back to life. A strange and unprecedented strong desire instantly overwhelmed me. There seemed to be something written on the male body inside my body......

Is it his own memory? Or is it my imagination? But it feels so real... It's like I'm at the scene, but I've become him!

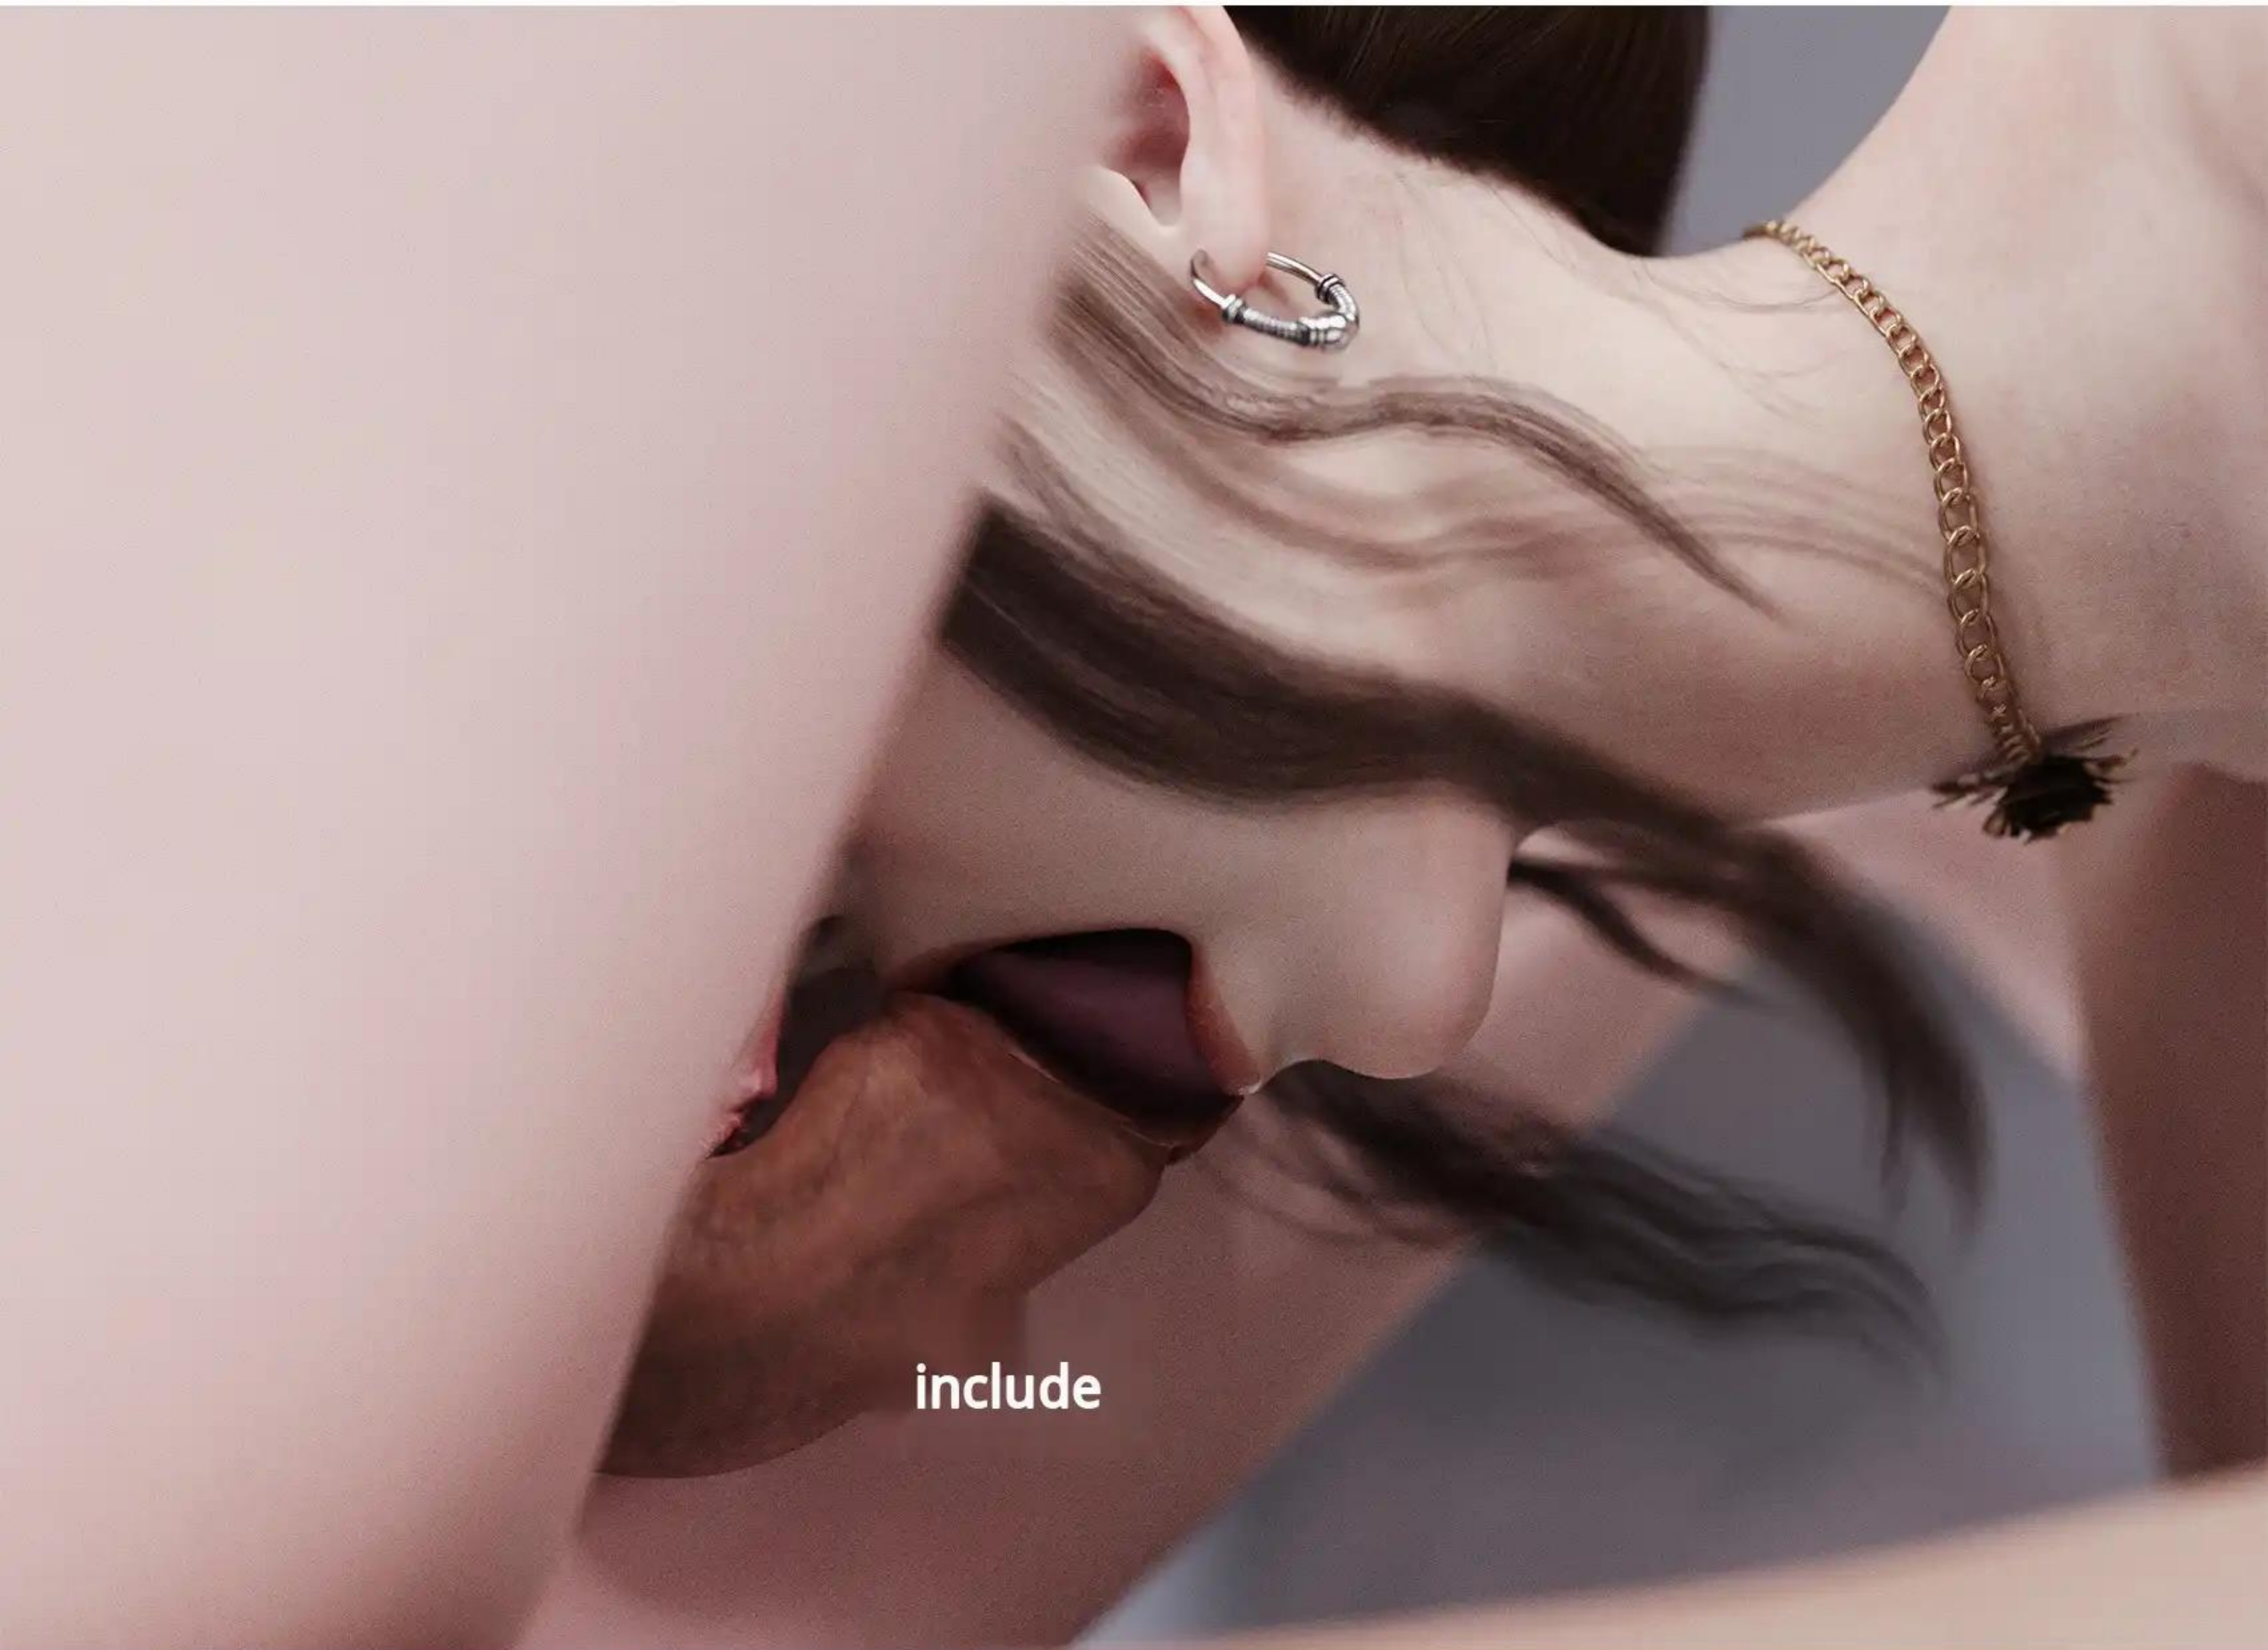

Familiar-Hurry! Hurry up! I am so familiar with the feeling of handjob...as well as the speed and strength that I can no longer master it and it makes me so happy that it goes to heaven!

In addition to masturbating, licking with your tongue is also a method. A man's head is very sensitive, and he will feel it when he touches it.

Licking

, it's like being electrocuted and my body is shaking uncontrollably, ahhhhh, so weird! So numb!

You, you
took it in?!

include

Ah Hao, go
deeper and spit
it out quickly!
Oh oh so hot
and warm...
Bye, okay!

The first time I was given oral sex, I felt like I didn't understand what was going on... This body must be... So strange...

They become addicted to sex, it's like taking drugs, it's so good when you take it, no wonder men can't quit.

Wei, wake up! You want us to change positions, and then let's get down to business and learn to resist desire!

, Don't worry, I took
a breath, it's okay!
I'm sober...Okay, I
know

Just go
down

Yu

Ah Hao, don't always
worry about me, but also
pay attention to your own
condition. If you feel
uncomfortable, you must
talk to me! You cannot
force yourself.

? What if I am swallowed up by desire again? Unlike before, this time I am the one taking the initiative. What should I do if I really want to take this step...

Do it! I don't care about everything when I'm with you. You're bigger than me and I don't force myself. I'm dealing with people like you.

Woolen cloth.

I never thought about using male genitals to insert into female genitals...

good! Is a woman's vagina so narrow? Why is it so difficult to stuff a genital in a place where a child can be born?

insert!

This part sucks really well, it's amazing. It's like getting to know my lower body again. Is this the same? It can't be pulled out.

A woman with long, dark, wavy hair and large hoop earrings is looking upwards with a surprised expression. She is wearing a gold chain necklace with a dark pendant. In the background, another woman with long black hair is visible, looking towards the camera. The scene is set against a plain, light-colored background.

Ouch! I'm not familiar with this, and I'm not used to women's pleasure yet.

It doesn't matter, I can bear it. It seems I still have a lot to learn. Wei, please try harder.
of!

From the moment I determined to become a journalist and even more determined to expose the people, I was mentally prepared to face the dark side of society and expose various scandals.

Come down, I really want to pump harder for fear of hurting you, but I really can't stop. Hao, are you comfortable? I, I'm good

Insert!

bang bang bang!

But am I doing the right thing now? Will I, who controls other people's bodies without authorization, become one of the perpetrators......

What are you doing?

What kind of sex are couples doing secretly? What's this about you two little sex lovers?

? But the little brat is just a brat. He played with this brat without telling me. He only knows that having a hole makes him happy. He is ostracizing me.

Insert.

Real male
perverts can't
play like you, it's
a waste.

step
on

By the way, if you are
a kid in Xiangyu, I will
kindly teach you to
open your eyes.

Strange, why do I feel this way? I have also worn Sisiwei, and I have a similar feeling.

Wei ah...

She looks like a nice person, the lines on her legs and the black stockings of Ji Guangzhe who I want to touch are so beautiful...

move.

The way you don't turn your eyes away, you must be feeling the seductive charm of looking at the little sister in black stockings, right?

Many men like black. Do you want to come and feel the silk for yourself? The human skin in your body must be the same, okay?

As soon as my hand touched it, I couldn't move it away. Silvi's ice was so slippery, and I could feel the warmth of her skin. It opened...

How could this happen? Isn't it just an ordinary silk machine? It's like being controlled by magic,

Why didn't I realize
that silk is such an
attractive thing
before?

West?

There are always sounds
inside that want me, I
can't stand it anymore.
The more I look at the
black stockings, the more
fascinated I am. I keep
touching my body.

Wei has never been intimate with other girls in front of me. I don't want to see such a fascinated expression at all... catch.

But if we want to join the camp, we must understand the preferences of these perverts, so as to ensure that the identity of the real treasure is not discovered...

It's so comfortable to rub! How could Silvi's legs be so beautiful? I didn't even notice that I had such a good thing in me before!

It's amazing how you can experience this kind of pleasure without masturbating or having sex!

You know, black can increase the effect. Now you know that I don't have any sense of mystery.
Attractive.

Coupled with the ability to modify the shape of the legs and the silky and delicate material, it is both visually and tactilely appealing.

A woman with long, dark, wavy hair is shown from the chest up, holding a foot to her nose. She is looking towards the camera with a slight smile. The background is a dark, textured wall. The image is overlaid with two purple speech bubbles containing text.

Of course it's not just that. Smell it carefully and see if there is a wonderful smell?

Retained in it, it is as sweet as the morning dew. The most original taste is completely wrapped in Silk Veil and wraps the beautiful legs. Bar!

Once you taste it, you
will forget how
delicious it is! So
sweet! This rich
No more!

Savor it, ahhhh it's
so delicious! No
matter how great I
am, I really like it!

It can make me happy. I can tell you that my sister is quite knowledgeable. If you want it, can't you tell? Xiao Xiang, you have more experience~

Thanks to you, I want more silk machines for me and my conversations! bye leg!

Hahaha! The power of black stockings is indeed harmful. The bear-shaped man skin inside your little sister's body will begin to affect your words and deeds.

When you feel comfortable licking me, come on and serve me well. point.

Suck, suck, suck

, it seems that you are born with it, hmm~ your tongue is quite flexible.
Han's business.

Move, you can't stop
licking these sacred
Silk legs if you want!
Not until I can

! Please give me Siwei
quickly. I will be
obedient and patient.
Legs!

Your juices are flowing. Seeing how cute you are and your patience, I will teach you other interesting things.

Outflow!

Heart, I am really a thoughtful sister who can have more fun in bed with my brother after I learn well!

But little sister Baohua, you are really irresistible to sexual desire. How can you complete the undercover mission like this?

end

I can just go into heat casually, but I don't want to send a little bitch full of thoughts to have sex. They want to send an undercover agent in.

You not only have to learn to understand these fetishes, but you also have to stay rational while enjoying them, otherwise don't sneak in, you're basically giving them free time.

Fall to the ground

ah! What are you going to do?

, what else can I do if I have nothing to say about the charm of Si Wei's legs? Of course, I want to train you to be known as an excellent person. Do you want to expose your identity as soon as you enter?

? The feeling of having your cock stepped on is nothing more than touching and licking it. The next step is the most important part. How can it not be so exciting?

Oh ah ah ah this,
this pleasure... no!
I'm going crazy!

Help! Yes, something
is moving... is it my
belly? !

It's fetal movement!
I feel that the child is
so alive and vital in
my body, reminding
me of his existence
all the time.

What a contradiction!
The pleasure of my
cock, the movement of
my fetus, and my
identity as a pregnant
woman... I felt like I
was a man,
What is it?

You were looking forward to it, but now you're so happy that you're speechless even before I do it? I was originally disappointed with my true destiny.

Well, no matter which one it is, you have to blame it. Are you too innocent? Are you a bear in your heart? Even if you can't resist the desire, it's still because you continue to receive training.

The wet silk is even better, so drool! Did you lick it just now? I feel that it's not all you
More starts.

My cock is going to be trampled, it feels so good, ahhhhh~ so wet and sticky!
Ahhhh!

I can't stand this man! Want me to look at my girlfriend and others

Got it!

That pervert is simply satisfying his own selfish desires in the name of teaching, and he wants to teach as his boyfriend. I'll teach you!

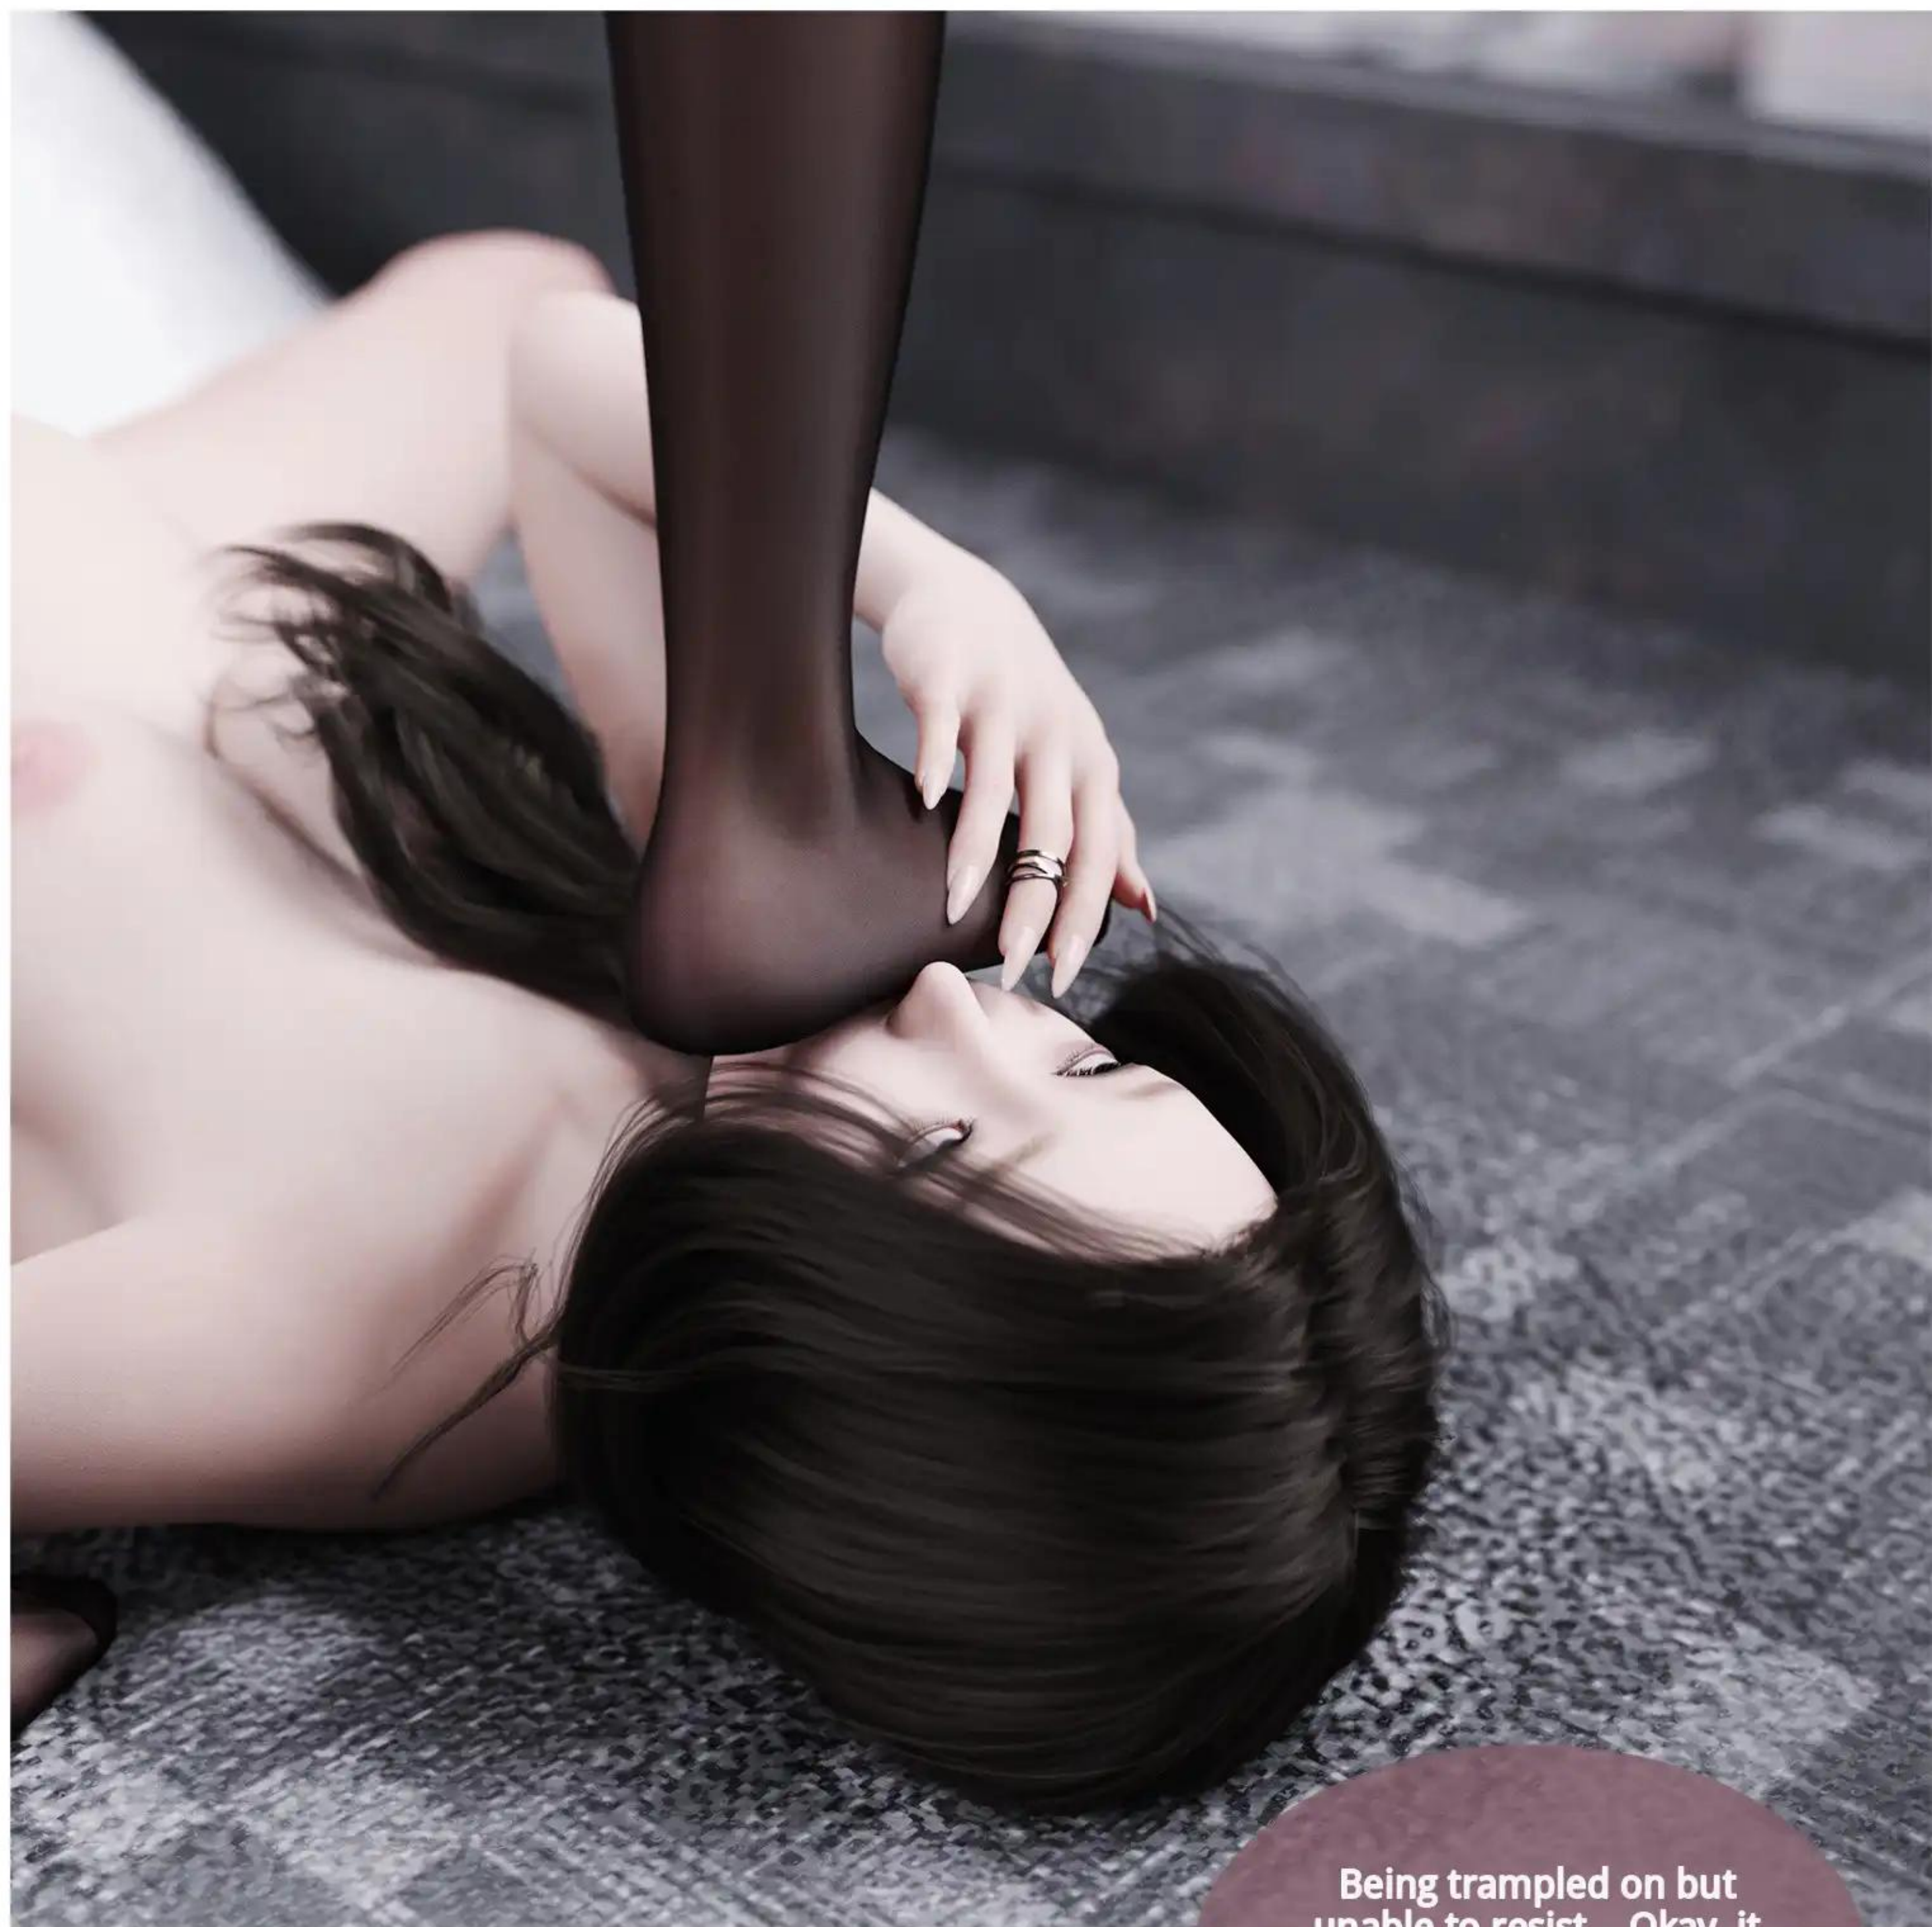

I also have a
silk
machine!

Mine is an OL's black stockings. If you want to be confused, the charm of women in the workplace will not lose to you!

, it's not your turn for my girlfriend, I can teach you better than you, this becomes a bear fingering calligraphy!

Can't suck in the air! It all smells like vaginal legs. This is obviously a humiliating move. Why don't I ask for it at all?

Being trampled on but unable to resist... Okay, it seems pretty good! The feeling that I can only let others control me

Coupled with the natural temptation of black silk stockings, OL Siwei's legs are pure and have the youthful and sexy look of a woman who has just entered the workplace!

Isn't this very understandable? He is indeed my good brother!

You two little lovers are so happy being stepped on, his cock is getting harder again! They really match each other~

Ah Hao's OL Si Wei's legs... are so beautiful, fragrant and sweet, and smell so good! How could it be so wonderful? →

be mine..... All Silvi legs are mine! Ahh~ I am going to be overwhelmed by the aroma of black silk!

Human right? Sure enough, I am yours most of all. This is more fascinating to Xie Wei than the silk machine legs that turned into bears.

trample

That's why you little brats hold hands and get jealous at every turn, so why don't you just give me a kiss?

step
on

Ohhhhh~ No more! It will ejaculate!

Brother, this is how adult sex should be, you are really ignorant! How happy my good brother and girlfriend are!

The novelty is just like masturbating by yourself and masturbating with others. The different gameplay and scenes will produce different excitement and are completely different.

, there are so many ways to make your little girlfriend sex, I don't even have to touch or tear Si Wei's legs, just watch!

What else do
you want to do!
This, this is? !

How could this
happen? Seeing
this scene made
my body feel
hotter again...“.

Have you never seen this wonderful scenery when black stockings come to taste my pussy? Do you really want to break up?

Woolen cloth?

This is what black stockings should be used for! Can children still bear it? I even went out of my way not to wear underwear, hahaha!

Break the black, don't be patient, I know you must really want to have sex, come and enjoy it!

She's Hao's sister, but just looking at my cock is really... it's so hard that it's about to explode!

It's like you're seducing me, I really want to use my fleshy hole... It's so nice to rub it... It will definitely feel good to insert it...

The pussy is wrapped, and the cock feels so good that it's no surprise that I ejaculate immediately! Of course it's cool! Being caught by Heisi and Yushi at the same time, come on!

Are you making trouble? Don't go overboard!

You can tolerate stepping on me, but I won't let you kick me and my girlfriend will have sex with someone else.
My sister's body!

Oh, you want to make me laugh to death? How do you get the right to make irresponsible remarks about me?

Have you forgotten how sweet we were before? Or do you dare not face it? Do you need me to recall it?

Wasn't it because he couldn't bear the temptation and slept with his own sister? I remember it clearly Erchu.

That cock is forcing itself inside me. Do you dare not like it? It doesn't feel like being raped at all? Not with?

Yes, haha! My sister's body has slept with countless people, not to mention that I have used your sister's body for a long time, and now she is the king of hundreds of people!

? Don't you know very well that you want to be a good and filial brother, but you still pretend to be angry now?
It's too late!

That's right, I didn't even say that I couldn't resist the temptation, and that it was the opposite. I didn't protect my sister well.

, who am I to say that the person who hurt my sister the most is
Blame me?
others?

He spoke to me like
a sister, as if the
sister herself was
accusing me...

, as a younger brother
and as a lover, I have
never faced my sister in
repaying the kindness
of raising her. I failed to
the point of failure.

, don't call me, I love my little sister. If you think about it, just be sensible and go away. You are incompetent and you want to prevent others from enjoying it?

, Little sister, just follow your desires. You can't be aggrieved. The cock is so hot that my ass is about to catch fire. Look at the way he stares at me.
ah

He must have been beaten very hard, and no one would want to see Hao look so sad that his girlfriend would do such a thing.

My heart is also very broken, but in order for me to know whether he is happy or not, and to better sneak into his heart, these are necessary preparations.

Moreover, the black stockings butt and black stocking legs are so delicious, he kept shaking them deliberately to seduce me...:

I can't hold it back, it's too much torture, I'm sorry for Ah Hao! I can't bear it anymore, my desire is rooted in People!

Then I...
will start... ..

High

Come on come on! I've
been waiting for a long
time until I'm so impatient
that I even want my pussy
Done!

BiSiwei's legs are softer and so comfortable to touch! The cock can be so elastic... □ ..Siwei's ass is inserted directly?

, of course you will love this to death! Fucking a broken virginity is like a woman losing her virginity
Feel it!

Body part, ah ah,
include my butt,
right? I have really
taken good care of
my body! The cock
that popped out after
a long wait is even
more delicious!

insert

marvelous! marvelous!
It's magical... is this
the same feeling when
your hymen is broken?
A girl's pussy is so
good at sucking!

During sex, Wei completely forgot about me and I was her boyfriend... Now I have to watch her with other men, and my heart is full of Others...

, but I still feel very uncomfortable. I know I am not qualified to resist. I can't stand it anymore. Please stop...

Young people are very capable even if they have no skills! My little sister is very talented in fucking, and she fucked me so well!

Bang bang bang!

! A cock can't live without a virgin little mmmm! So wet and hot
A hole!

The pussy is different...
I have never been a
man and I really don't
know how good it is to
fuck someone with a
cock! The same skin as
Ah Hao

Pussy! Will other
people's pussies be
different if they want
to fuck more? Want to
fuck more

Machinel

, I can't resist falling in love with you, right? My good brother really appreciates the charm of Silvi's legs and wants to fuck the little bitch.

Yes, I casually seduce you and you are so anxious that you are not Korean, but you are also a good match, hahaha!

So cool I can't pull out
the pussy when I fuck
it. If I want to fuck you,
it's so hot that your
cock is sucked into
your pussy!

Can't stop at all! Why are
you sitting there? I can
handle the pussy
sucking! My cock is out
of my control
So

The cock is still dripping, please stop! It's almost like my semen...how can I become incontinent... ...

Sister Hao? I...I'm sorry for something. ..I, I ejaculated, my head was so confused...I did it all! I didn't mean it!

□ Pull out the dick, right?
I wanted to escape
reality by fucking my
little sister. I fucked her
so hard that my ass is
still hurting!

Isn't it great to ejaculate
for the first time while
sleeping? Do you want
me to watch and have
my pussy fucked for you,
and then take another
blow to savor it?

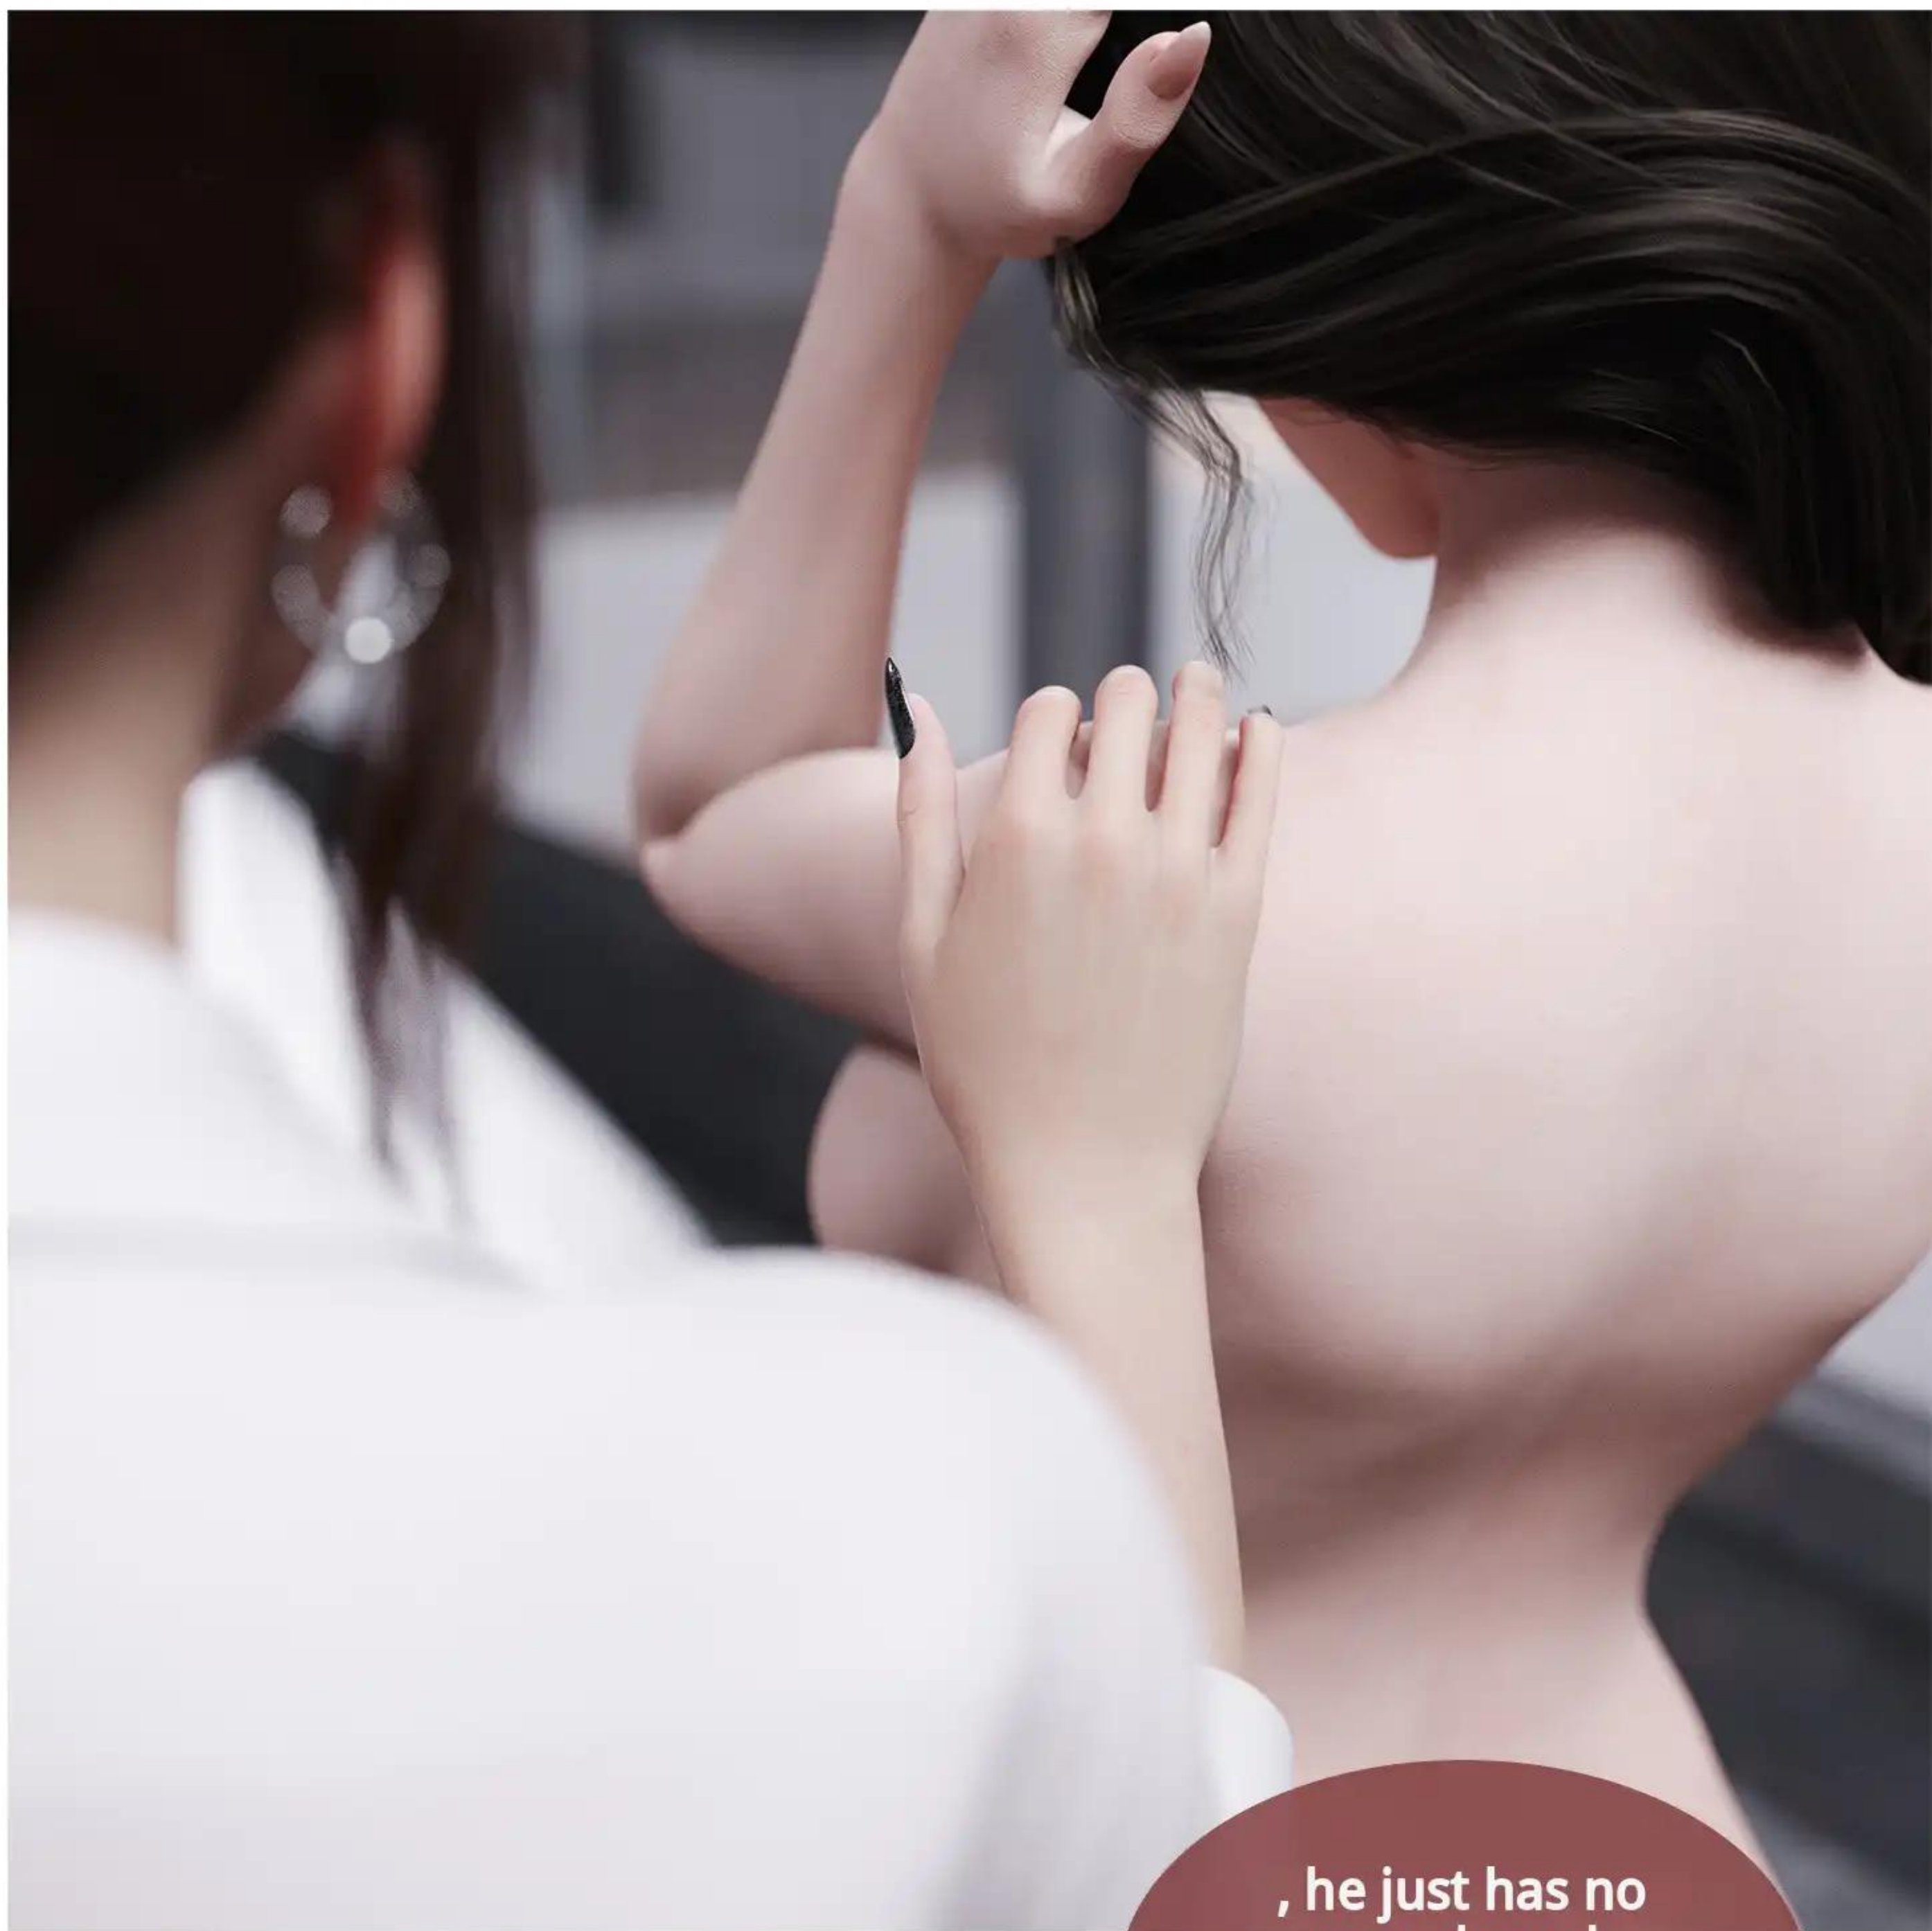

I'm not! I don't! Not anymore!

Hold your head

...that's not me!
How can I have this influence on Sister Ah Hao's human skin!

Calm
down! Wei!

, he just has no
morals and
wants to see us
collapse

Evil
man!

I have experienced this many times before and this is normal. When you experience male desire for the first time, of course you will feel uncomfortable and out of control.

It's your fault. I know Wei is kind and strong, so it's impossible for me not to blame myself. This was not intentional to hurt others.

But escaping reality is really what I remember, right? My sister was also more experienced by my brother back then. Don't you remember that the young couple showed off their affection again? You did so well~

Okay, we are a family that loves each other. You all love each other. Let's get along well.
Right?

Not anymore!

My skin was almost peeled off. If you don't talk about it, will you die if it hurts? You are the one escaping from reality, right? Who was the one who cried and begged before?

If you are old and have a bad memory, I don't mind if you reply Think about it.

It works. Do you think it's a pity for you and me? This trick is different for me. I only know how to fall in love without making any progress at all?

, as long as I find that nothing happens, the outer headquarters will not only send me to interview, but someone will come in to support me at any time, so you should just be nice and keep your mouth shut.

I'm too lazy to talk to you. Get away as far away as you want! Wei, let's go and leave him alone.

Sorry, Hao,
I'm so
useless!

, I didn't expect that after putting on human skin, I would be completely led by desire. It seemed that I was the one being controlled - I thought of things too simply.

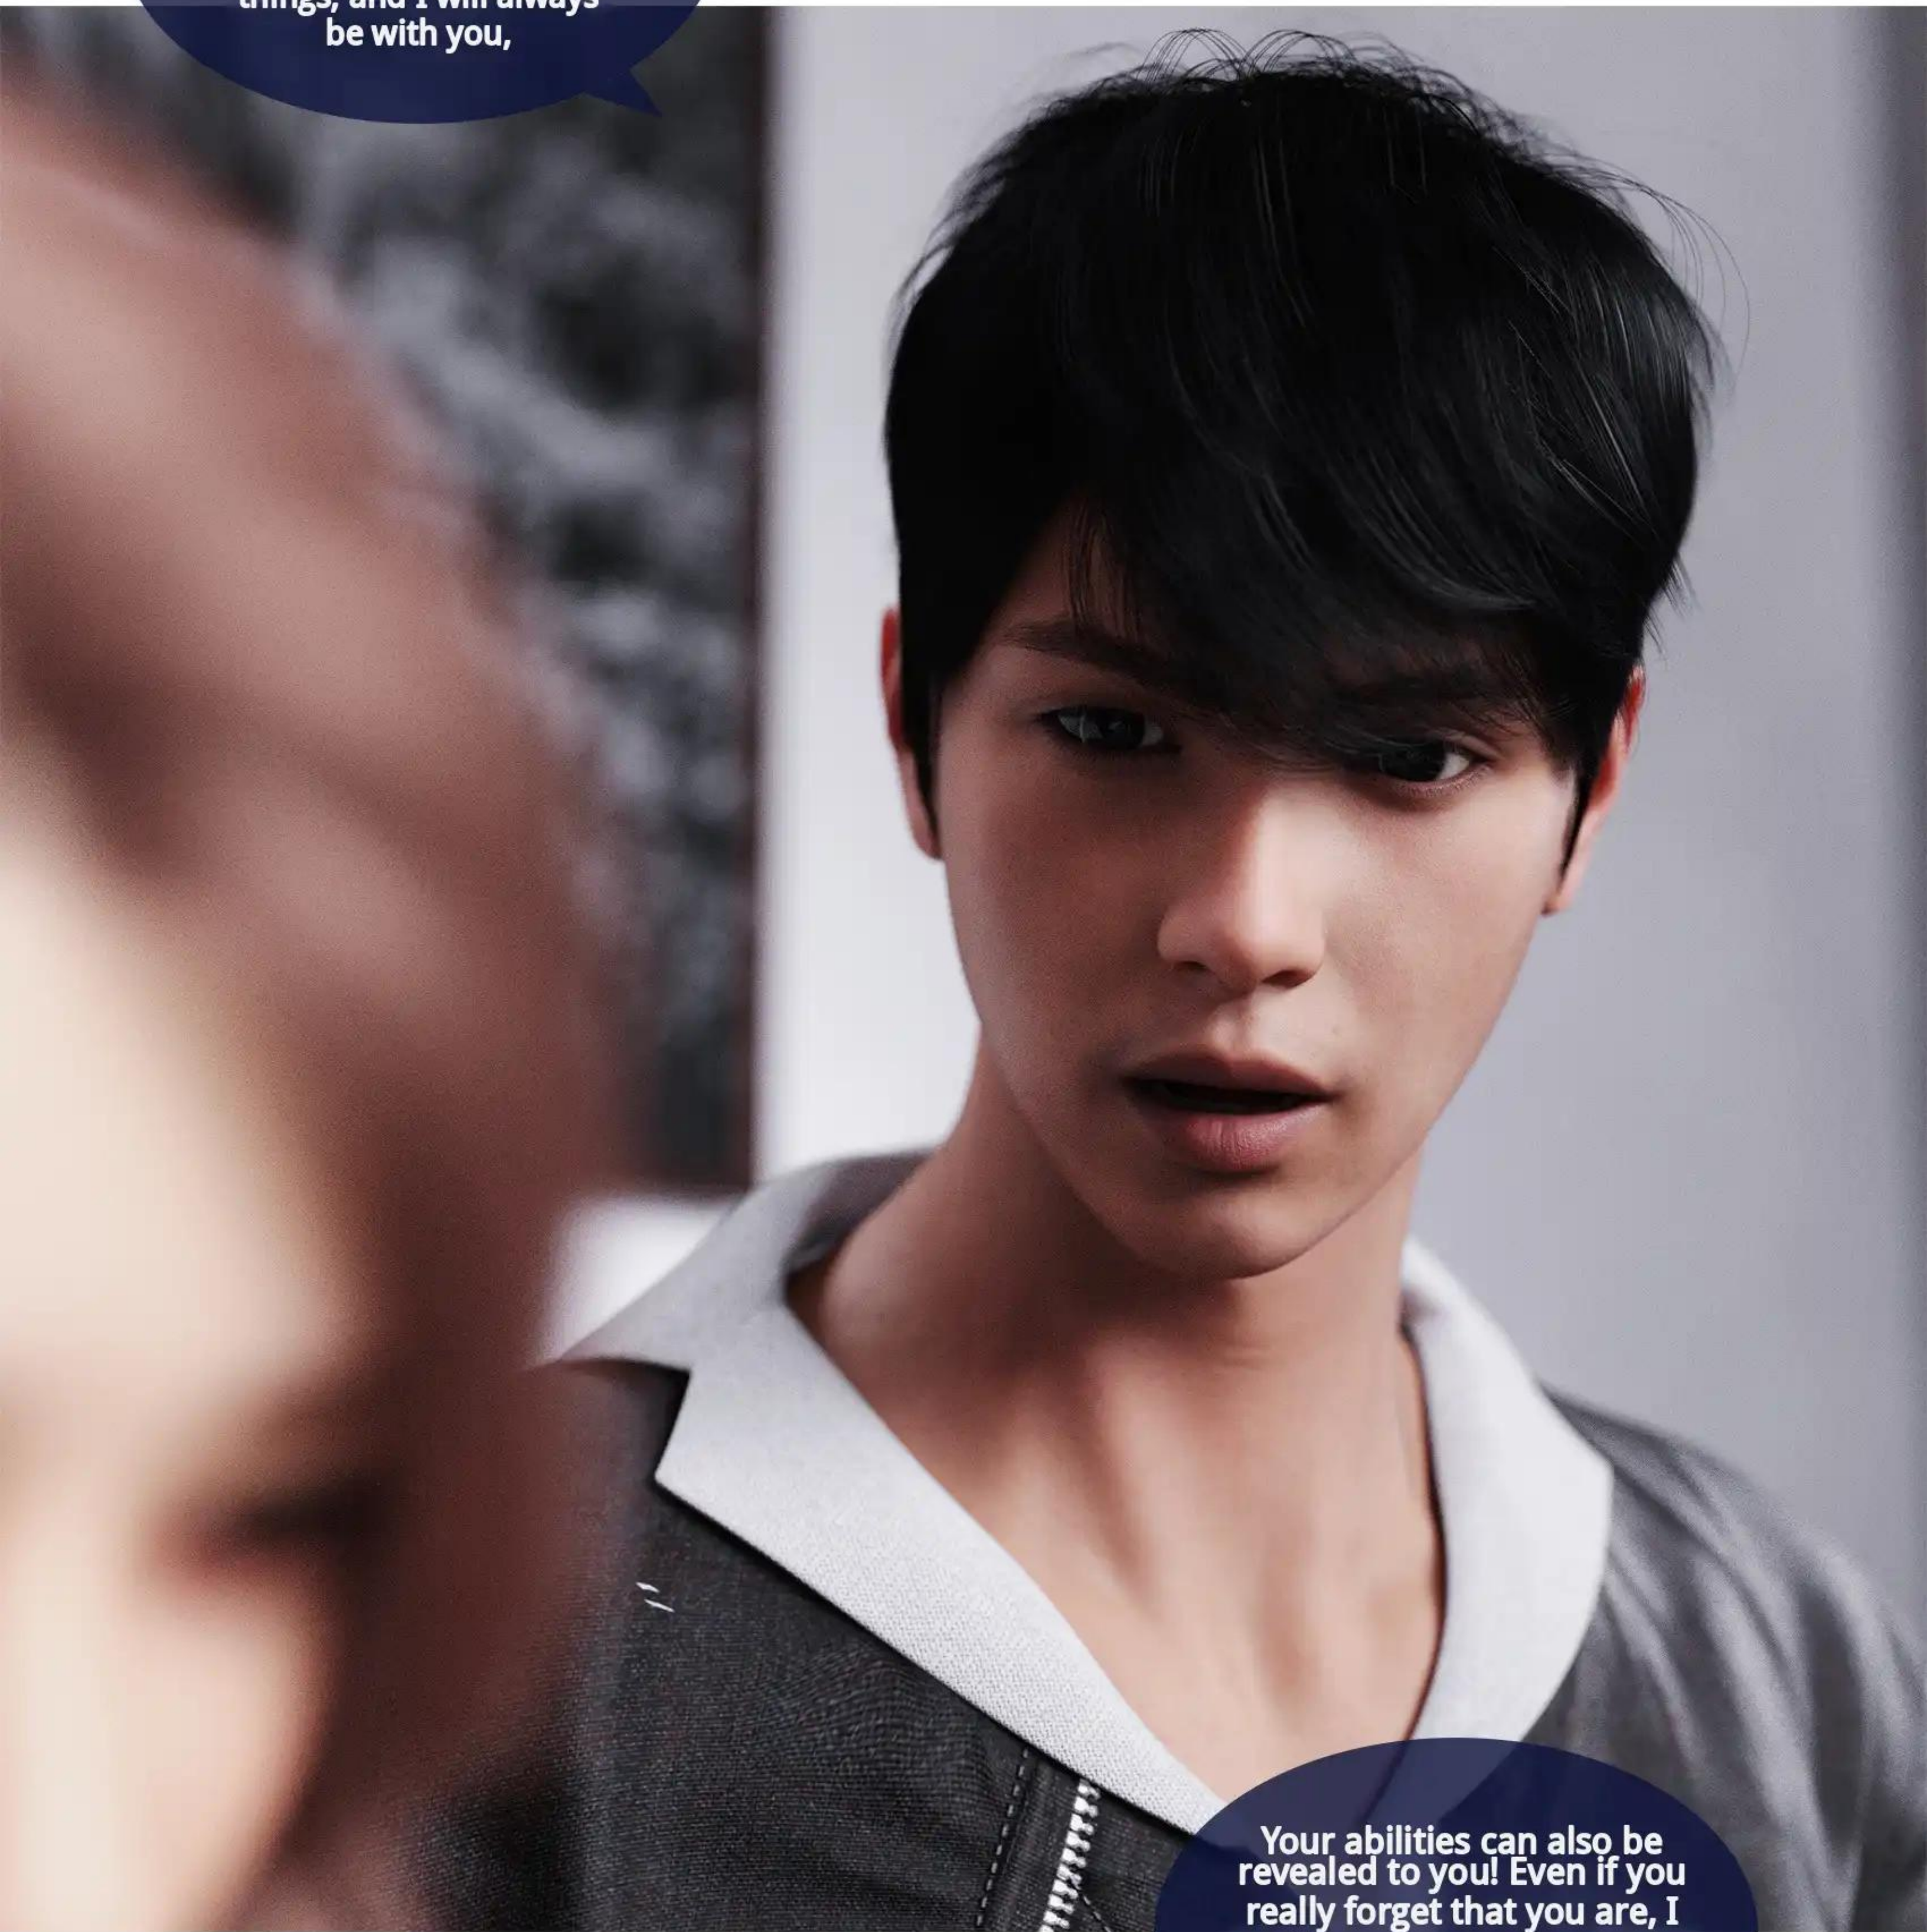

Like..."

It was as if my consciousness was being swallowed up. For a moment, I felt like I was... I was actually a little scared. I didn't even know that I was...

Don't put too much pressure on yourself, no one will not be afraid when encountering these things, and I will always be with you,

Your abilities can also be revealed to you! Even if you really forget that you are, I will accuse you over and over even if you put on a hundred layers of skin.

You are Bai Wei who is trying to find out the truth for the big reporter. You are going to be an adult. We will sneak into the clinic together to find more clues.

But as we help each other, we will definitely encounter many dangers. Before this process, we still need to use human skin to disguise our identities. Help, right?

You have to be right! I have to cheer up. How can I quit after failing once? We haven't even taken the first step yet.

Dream, we want to help your sister, pregnant women, and countless other victims who have become a reporter to take back their bodies!

**I want those evil
people to be
punished!**
