

good!
Ready!

The makeup seemed to be on point, and the appearance was quite in line with an office worker's look...I just didn't expect that a top student like me would have to go to the front desk for an interview.

And I still dare to act...but there is no other way. The most important thing now is to save money until I can regain my identity as a man!

It's just that I can't hide
this protrusion no
matter what I do! I tried
bridging the angle many
times but couldn't do
anything. Sigh...it looks
really bad.

strangeness.

But if we keep doing
it, we will soon meet
each other...forget it!
I'm going for an
interview, not a
catwalk, so covering
up should be fine.

A woman with dark hair in a bun, wearing a white long-sleeved blouse and a black high-waisted skirt, stands in a modern office. She is looking slightly to her right. The office has a large window, a desk with a chair, and a sofa with a grey cushion. A blue speech bubble is positioned above her head.

Show your energy!
Cheer up! I can't
handle a mere
interview? I will
definitely get
everything back on
track.

A woman with dark hair in a bun, wearing a white long-sleeved blouse and a black high-waisted skirt, stands in a modern office. She is looking slightly to her right. The office has a large window, a desk with a chair, and a sofa with a grey cushion. A blue speech bubble is positioned below her feet.

By turning back into a
man and pursuing
Xiaoyi, my life will
slowly return to
normal, and then... I
will definitely be able to
find a way to save my
dad!

However, things didn't go as smoothly as I imagined.

Every company I interviewed with was fired immediately because my gender and appearance did not match. In the end....

A man in a grey suit and white shirt is sitting at a wooden table, looking stressed with his hand on his face. In front of him is a large stack of resumes. The background is a blurred office setting.

I can only place my hope on this company, and I will pass the interview no matter what! Otherwise, you really won't be able to find a job!

I have to perform well, this is not just an interview, it is a major moment that can change my life!

The above is my self-introduction! As I just said, although I am still a student, I have participated in many extracurricular activities and gained a lot of experience in contact with people.

I appreciate the company's corporate culture very much, and I also like this position. I hope to have the opportunity to join the company, thank you!

A man with a modern haircut, wearing a grey patterned blazer over a light-colored shirt, is sitting at a wooden table. He is leaning forward with his hand on his chin, looking thoughtfully towards the camera. The background shows a blurred office or meeting room with large windows.

Hmm... I have a general understanding of your situation. What are your specialties or strengths that you think you have? advantage?

And what difficulties will you encounter in this job? And then how are you going to overcome it?

Okay, first of all I think my strengths are exactly what make me suitable for this job.

The front desk must face all kinds of guests every day and solve their problems with a smile. It can be the first face of the company.

And the knowledge I learned in the Department of Business Administration can be applied to this. I am good at content marketing.

I have the ability to analyze and solve problems. I am confident that even if I am difficult to deal with, I can stay calm and respond to them in the most professional and polite manner.

day

Your speech is clear and your answers are very good. Looking at your resume, your school experience is among the best.

To be honest, I am quite satisfied with you, but I have a question at the end that I need you to answer well....

If it's written correctly on your resume, are you a boy? Why dress up as a girl? Could it be that you entered the wrong gender?

If you are careless even in this kind of thing, I think you may not be suitable for our company.

A woman with a very muscular physique is shown in profile, wearing a white button-down shirt. Her hair is styled in a bun. The background is a blurred indoor setting with some lights. A blue speech bubble is positioned in the upper left, and a blue text box is in the lower right.

There is nothing wrong!
I am indeed a man! As
for the current
appearance...it is due
to some unavoidable
reasons, and it is by no
means special.

Special
hobby!

Please believe
that this will not
affect my work
performance at
all!

Your method is unconvincing. What normal man would want to dress up as a woman? Unless it's a mental bear!

How could you possibly be like this for no special reason? Take a look.....

Isn't this kind
of big breasts
meant to
seduce people?

You will only give
up when your heart
turns into a bear.
Do it!

I've been acting with you until now, right? You obviously want to seduce someone, but you still pretend to be here for an interview. How ridiculous!

ah! You Han Shizuo!

Stop pretending!
Doesn't a man go out
with his big breasts
just because he wants
to be rubbed? oh oh!
It feels so good, you
cum a lot
Kung fu!

No...no! I'm not
trying to seduce
anyone! I'm just here
for an interview, stop
it!

A woman is shown from the waist down, wearing a black, form-fitting dress. Her breasts are exceptionally large and prominent, extending well beyond the top of the dress. She is standing in a gym, with a treadmill visible in the background. The lighting is bright, highlighting the contours of her body. The overall tone is humorous and satirical.

Are you addicted to acting? Do you want to play hard to get? Or do you prefer forced drama?

Top!

Your hobby is really not an ordinary bear transformation, your breasts are so big that they surpass most women! Oh shit! There is softness!

It sounds like the product!
Are you so happy about
having your breasts rubbed?
Have you been looking
forward to it before the
interview?
Violated?

**No..no! Don't do
this! If this
continues I'm
going to call
someone!**

Yell! I wonder if you would believe a woman who dressed up as a bear, or do you just want everyone to see what you look like?

No...um...no...don't...don't be ridiculous...stop....

A man in a grey suit jacket and white shirt is looking surprised, with his mouth open. A woman in a white dress is in the foreground, partially visible. The background is blurred, suggesting an outdoor setting.

I tell you to let go!
You're the fucking
ear!

I'm acting with you!
I have no choice
but to do this
Yes!

Oops, Han is this?
But your answer in
the interview just
now seems to be
true.
Prepared.

So you are short
of money? Then I
can give it to you,
just play with it
for a while. What I
like most are cute
boys like you.

A woman with dark hair styled in a bun, wearing a white long-sleeved blouse and a black skirt, is looking down at a document being handed to her. The background is a blurred office setting with a wooden desk and a computer monitor.

You... I do need it,
but I want to rely
on myself through
legitimate work!
This kind of thing...

If I reject him, will he
leave immediately? If
I fail the interview at
this company, I will
have no hope at all!
What to do?

A high-angle photograph of a woman in a white short-sleeved shirt and a black skirt walking. A man's hand is placed on her hip. The man is wearing a grey patterned suit sleeve. The background is a blurred office hallway with a yellow handrail.

You are right to rely on yourself! Charm is also a kind of strength. It's nothing to be ashamed of. It's better for you to be nice.

Since there is a lack, don't worry about the abundance. The most important thing is that the final goal is achieved, isn't it? Hold! Your butt is also plump, unlike a man's!

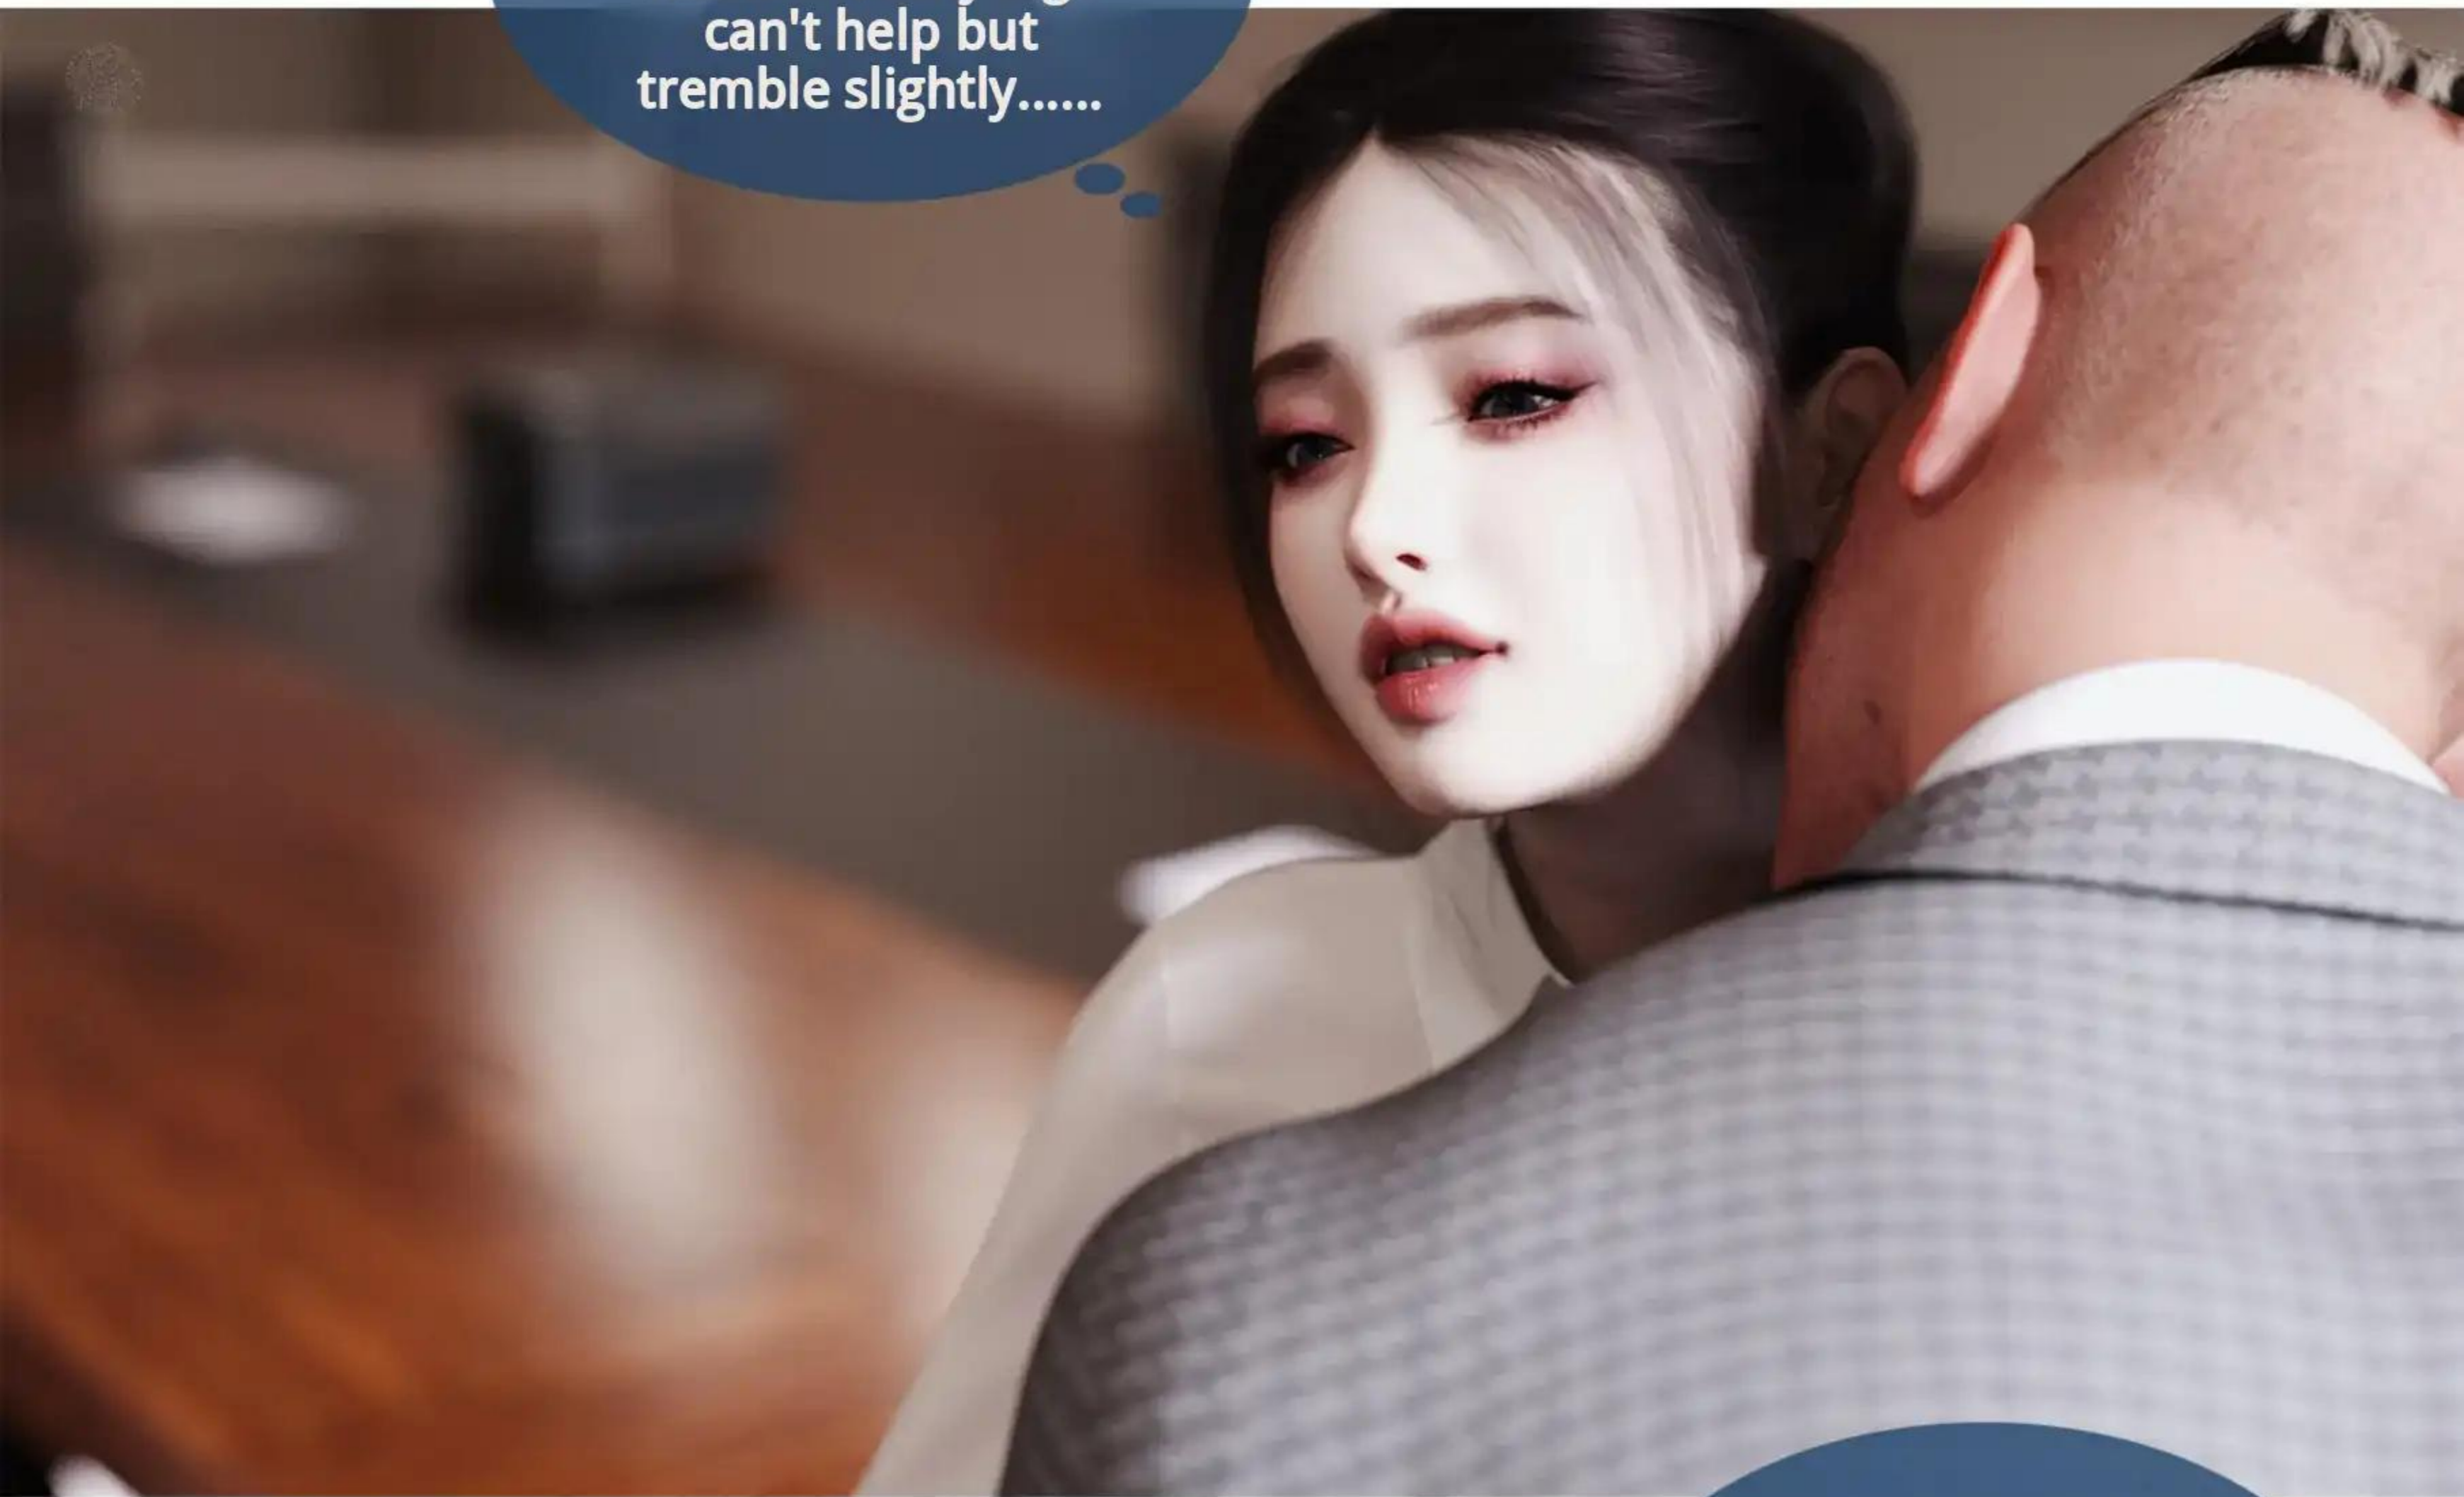

Your skin is so delicate
and smooth, and you
don't have the smell of
men's sweat. You are
so cute.

Come
on.

Wait...don't
keep coming
over...what if
someone comes
in!

The more I see you,
the more I like you.
Since your
appearance is already
known, why bother
with the interview?
Wouldn't it be better
to take a shortcut?

It's over.. I don't even know what to say! My body is numb and my legs can't help but tremble slightly.....

Isn't it just being kissed on the neck? How can I be so sensitive that I can't restrain my trembling...I...Am I becoming more and more like a woman?

A man in a grey suit is holding a woman in a white blouse from behind. They are standing in an office environment with large windows in the background. The woman has her hair in a bun and is looking to the left. The man is looking towards the right. A wooden conference table is in the foreground.

Uh-huh...ah!
Don't... stop!
Someone will...will
come in! Stop it!

Don't worry, there
won't be any shouting
during the interview,
but you can shout
louder if you want to
be watched.

The sound of your
screams can easily
arouse men's
sexual desire! It's
so sexy that my
cock is hard!

How can any man gasp
with a voice like yours?
In fact, you really want
to be fucked, right?

No! I don't!
No...don't lift my
skirt!

Hey! That big bulge
underneath you is so
sexy! The cock stuck
in Silvi is actually the
eye-catching side of
this house!

A man in a grey suit is choking a woman in a white blouse and black skirt. The woman has a distressed expression. The scene is set in a room with a wooden table in the foreground and a white cabinet with gold handles in the background.

That's it! Don't move your cock until it hurts. Let me enjoy your body wrapped in black stockings!

pinch

Ah... I was choked so hard that I almost couldn't breathe! Being controlled like this, I can't move, I can only wait to be fucked... Why am I a little excited?

A photograph showing the back of a person wearing a white long-sleeved shirt and black stockings. The person is leaning forward, and the camera is positioned behind them, focusing on their legs and buttocks. The background is a plain, light-colored wall.

Han! The legs in black stockings are so beautiful. It would be a pity not to have such slender legs, and your butt...

The round and full buttocks are covered in black stockings...fuck! That's great! But there should be a "bigger" thing under your shirt, right?

A close-up photograph of a woman's torso and arms. She is wearing a purple lace bra and high-heeled shoes. Her hands are positioned near her chest. A blue starburst graphic is overlaid on the top left of the image.

Ahem! My clothes...this is a company...no!

A close-up photograph of a woman's torso and arms. She is wearing a purple lace bra and high-heeled shoes. Her hands are positioned near her chest. A dark oval graphic is overlaid on the bottom right of the image.

You've already come to this point, what are you still doing, oh oh! This big breast... shirt has not been touched!

Feel how hard
my cock is?
You are very
bad at
seducing men!

I...was grabbed,
humiliated, and
violated at will like
a real woman...but
compared to Shen
Nu...it was more of
a strange pleasure!

Raise your ass! If you are more sensible, if you make me unhappy, not only will your job be in vain in the end, but you won't even get it!

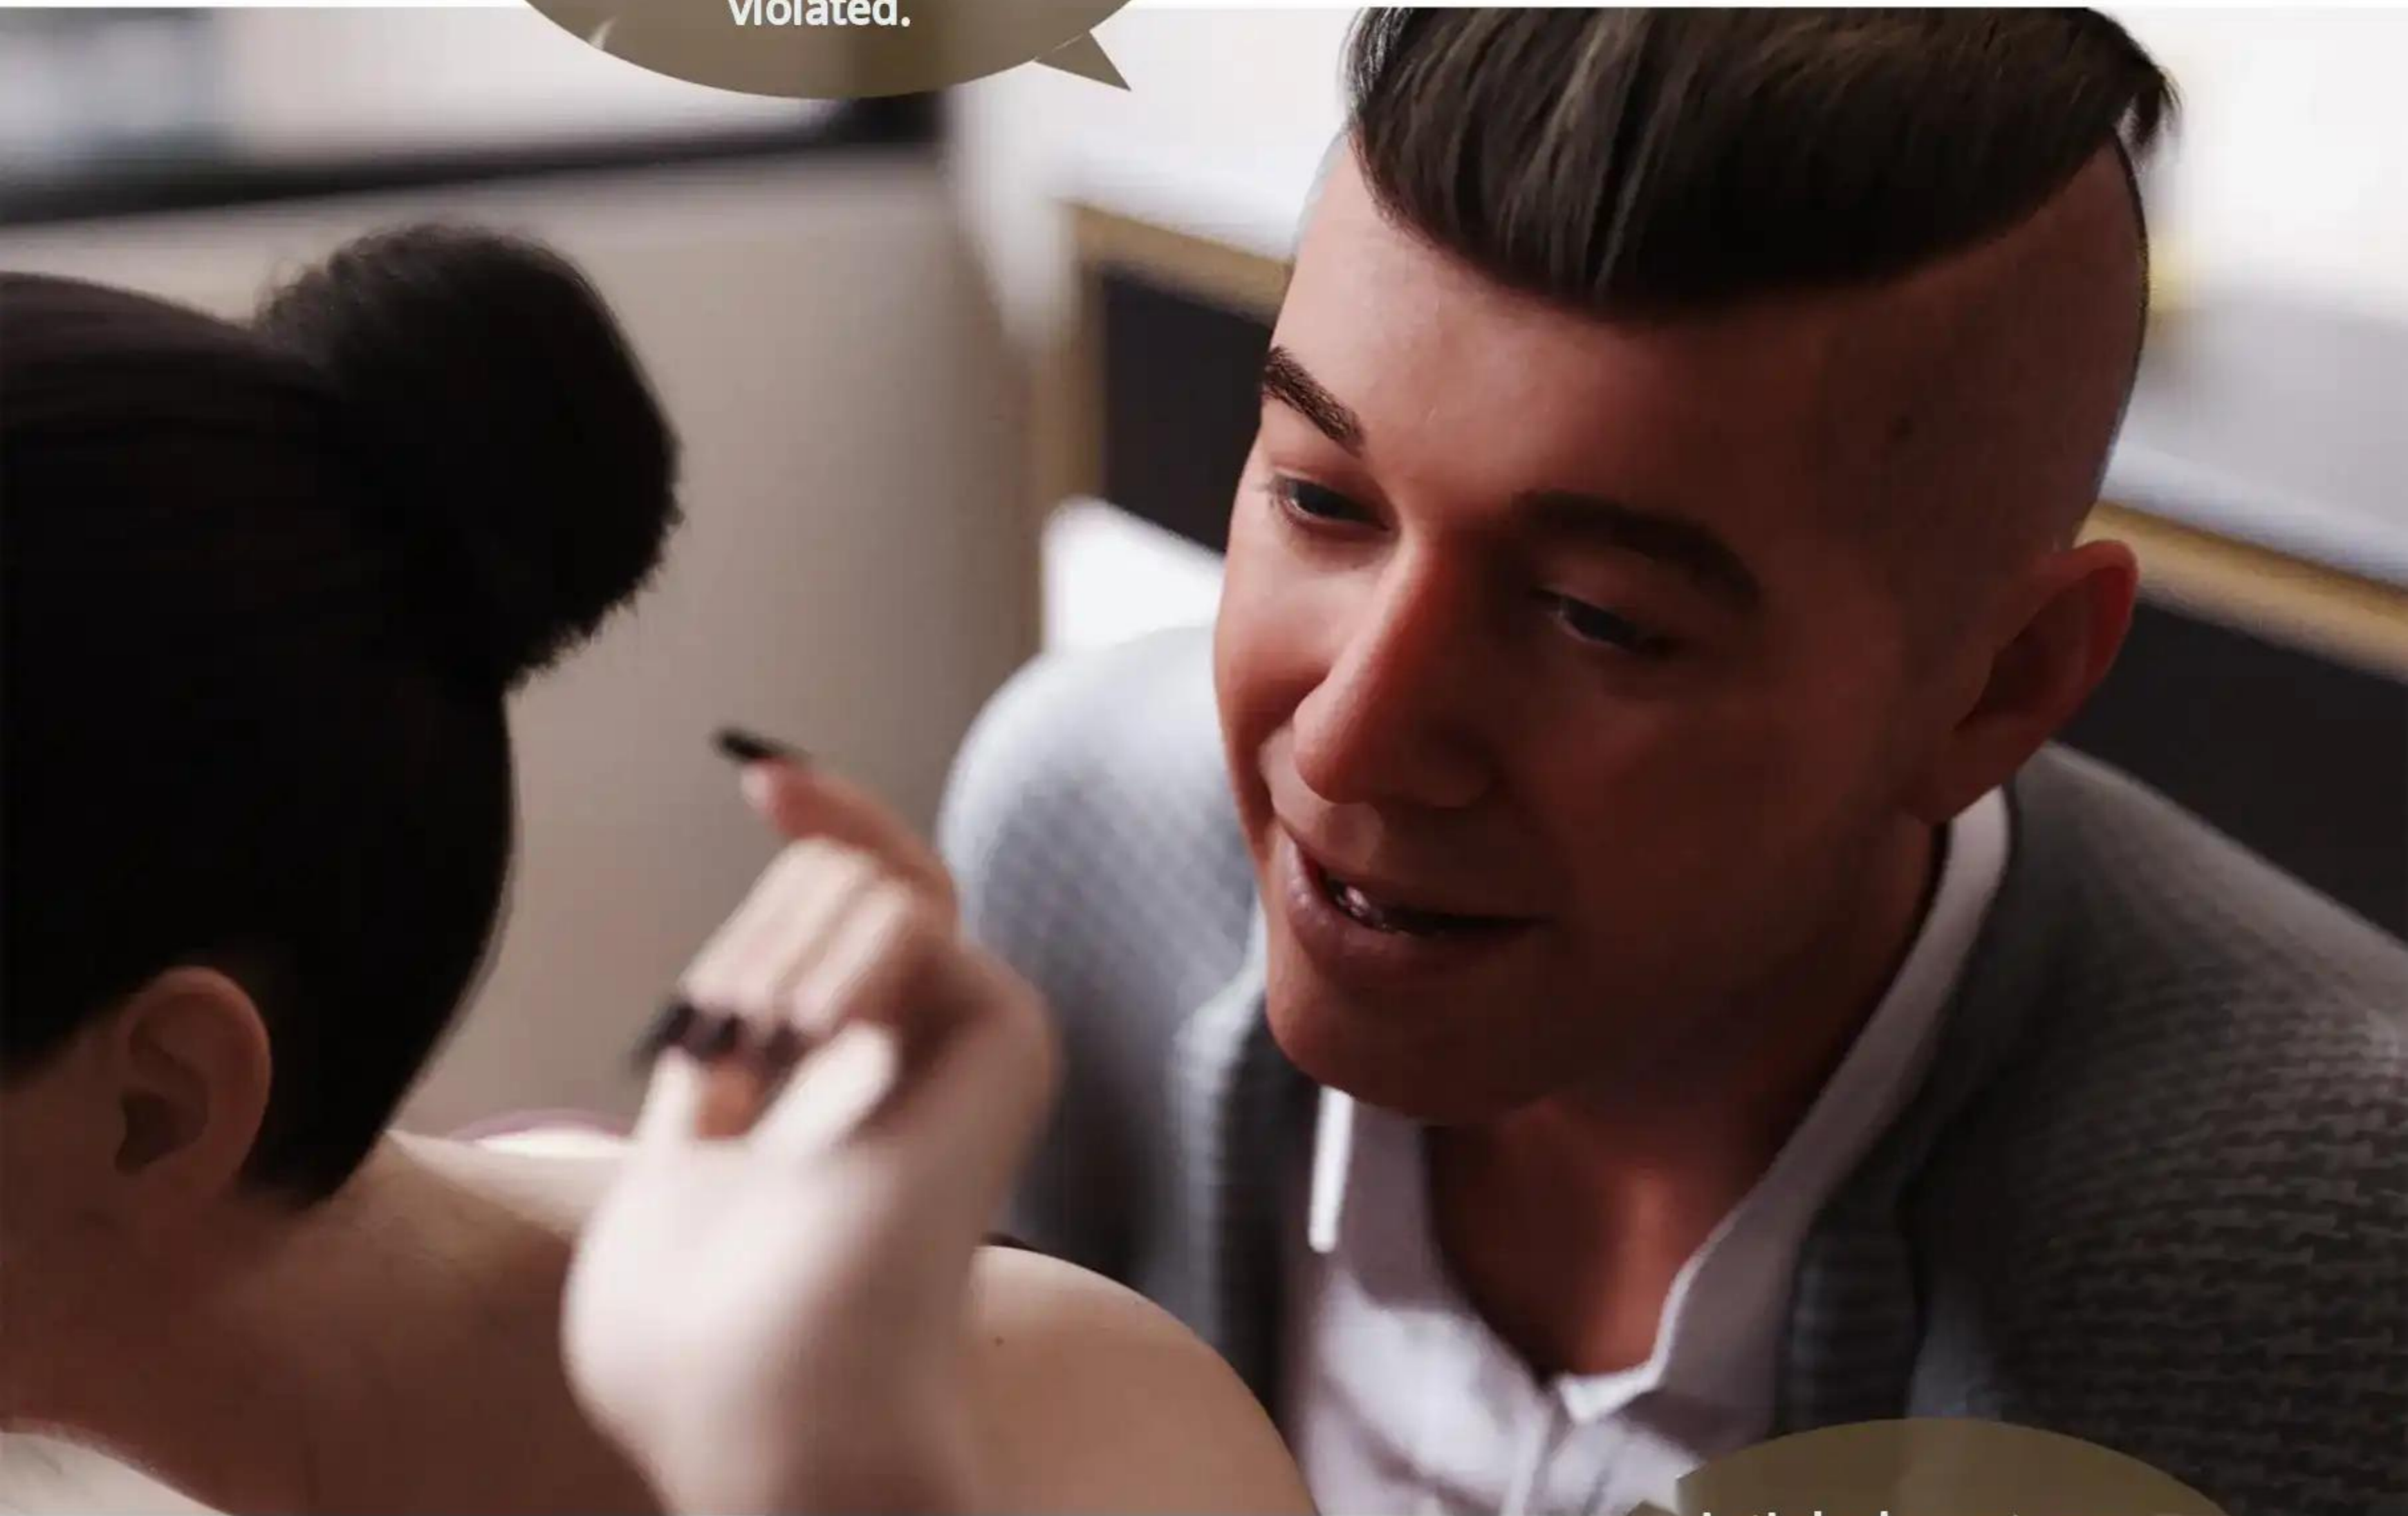

dawdle

Oh! So soft... You must have been lusted after by many men on the way here. Have you had your butt touched?

Oh oh oh so cool!
Just rub it and the
juice will start
flowing like crazy! If
you're a receptionist,
go be a prostitute!

Um... no... don't
touch me like this...
I... I'm not a
prostitute... I'm a
man... I'm a man...
Uh-huh no...
Uh-huh!

What kind of man are you? She has big breasts and wears makeup, a skirt and a bra. She only moans when being violated.

Let's be honest, you are a bitch! She's a bitch who wants to be fucked by a cock. She really wants me to fuck her hard, right?

A close-up photograph of a woman with dark hair pulled back, wearing a purple bra. She is looking down and to the right with a somber expression. Her hands are visible, with black nail polish. The background is blurred, showing what appears to be a man's arm and shoulder. A blue speech bubble is overlaid on the top left of the image.

I'm not! How could I be a bitch... I just want to be a man again... I obviously want to find a job....

But in my heart... I was really looking forward to being treated more roughly... being restrained by a powerful man and then fucking me fiercely....

Not yet?
Look! How
erect is your
cock?

How could it be! ?
When did I get
hard? I... am I
really going to turn
into a slutty bitch
inside?

Pretend to be
resisting, but you are
really being played by
me
Happy!

I think you are a bear!
You can still get hard
after being forced. I
think you don't care
about anyone finding
out. You just want to
be watched having
sex!

Do you want the whole
company to see how
mean you are? I came
to the interview and it
turned out that I was
seducing people. Are
you so horny? Bitch!

The reason you want
to come to work here
is to be fucked by
different strangers
every day, right? Is
your hole wet too?

Oh! So cool! Every time I
see the girls in the
company wearing black
stockings, I want to try
using sex

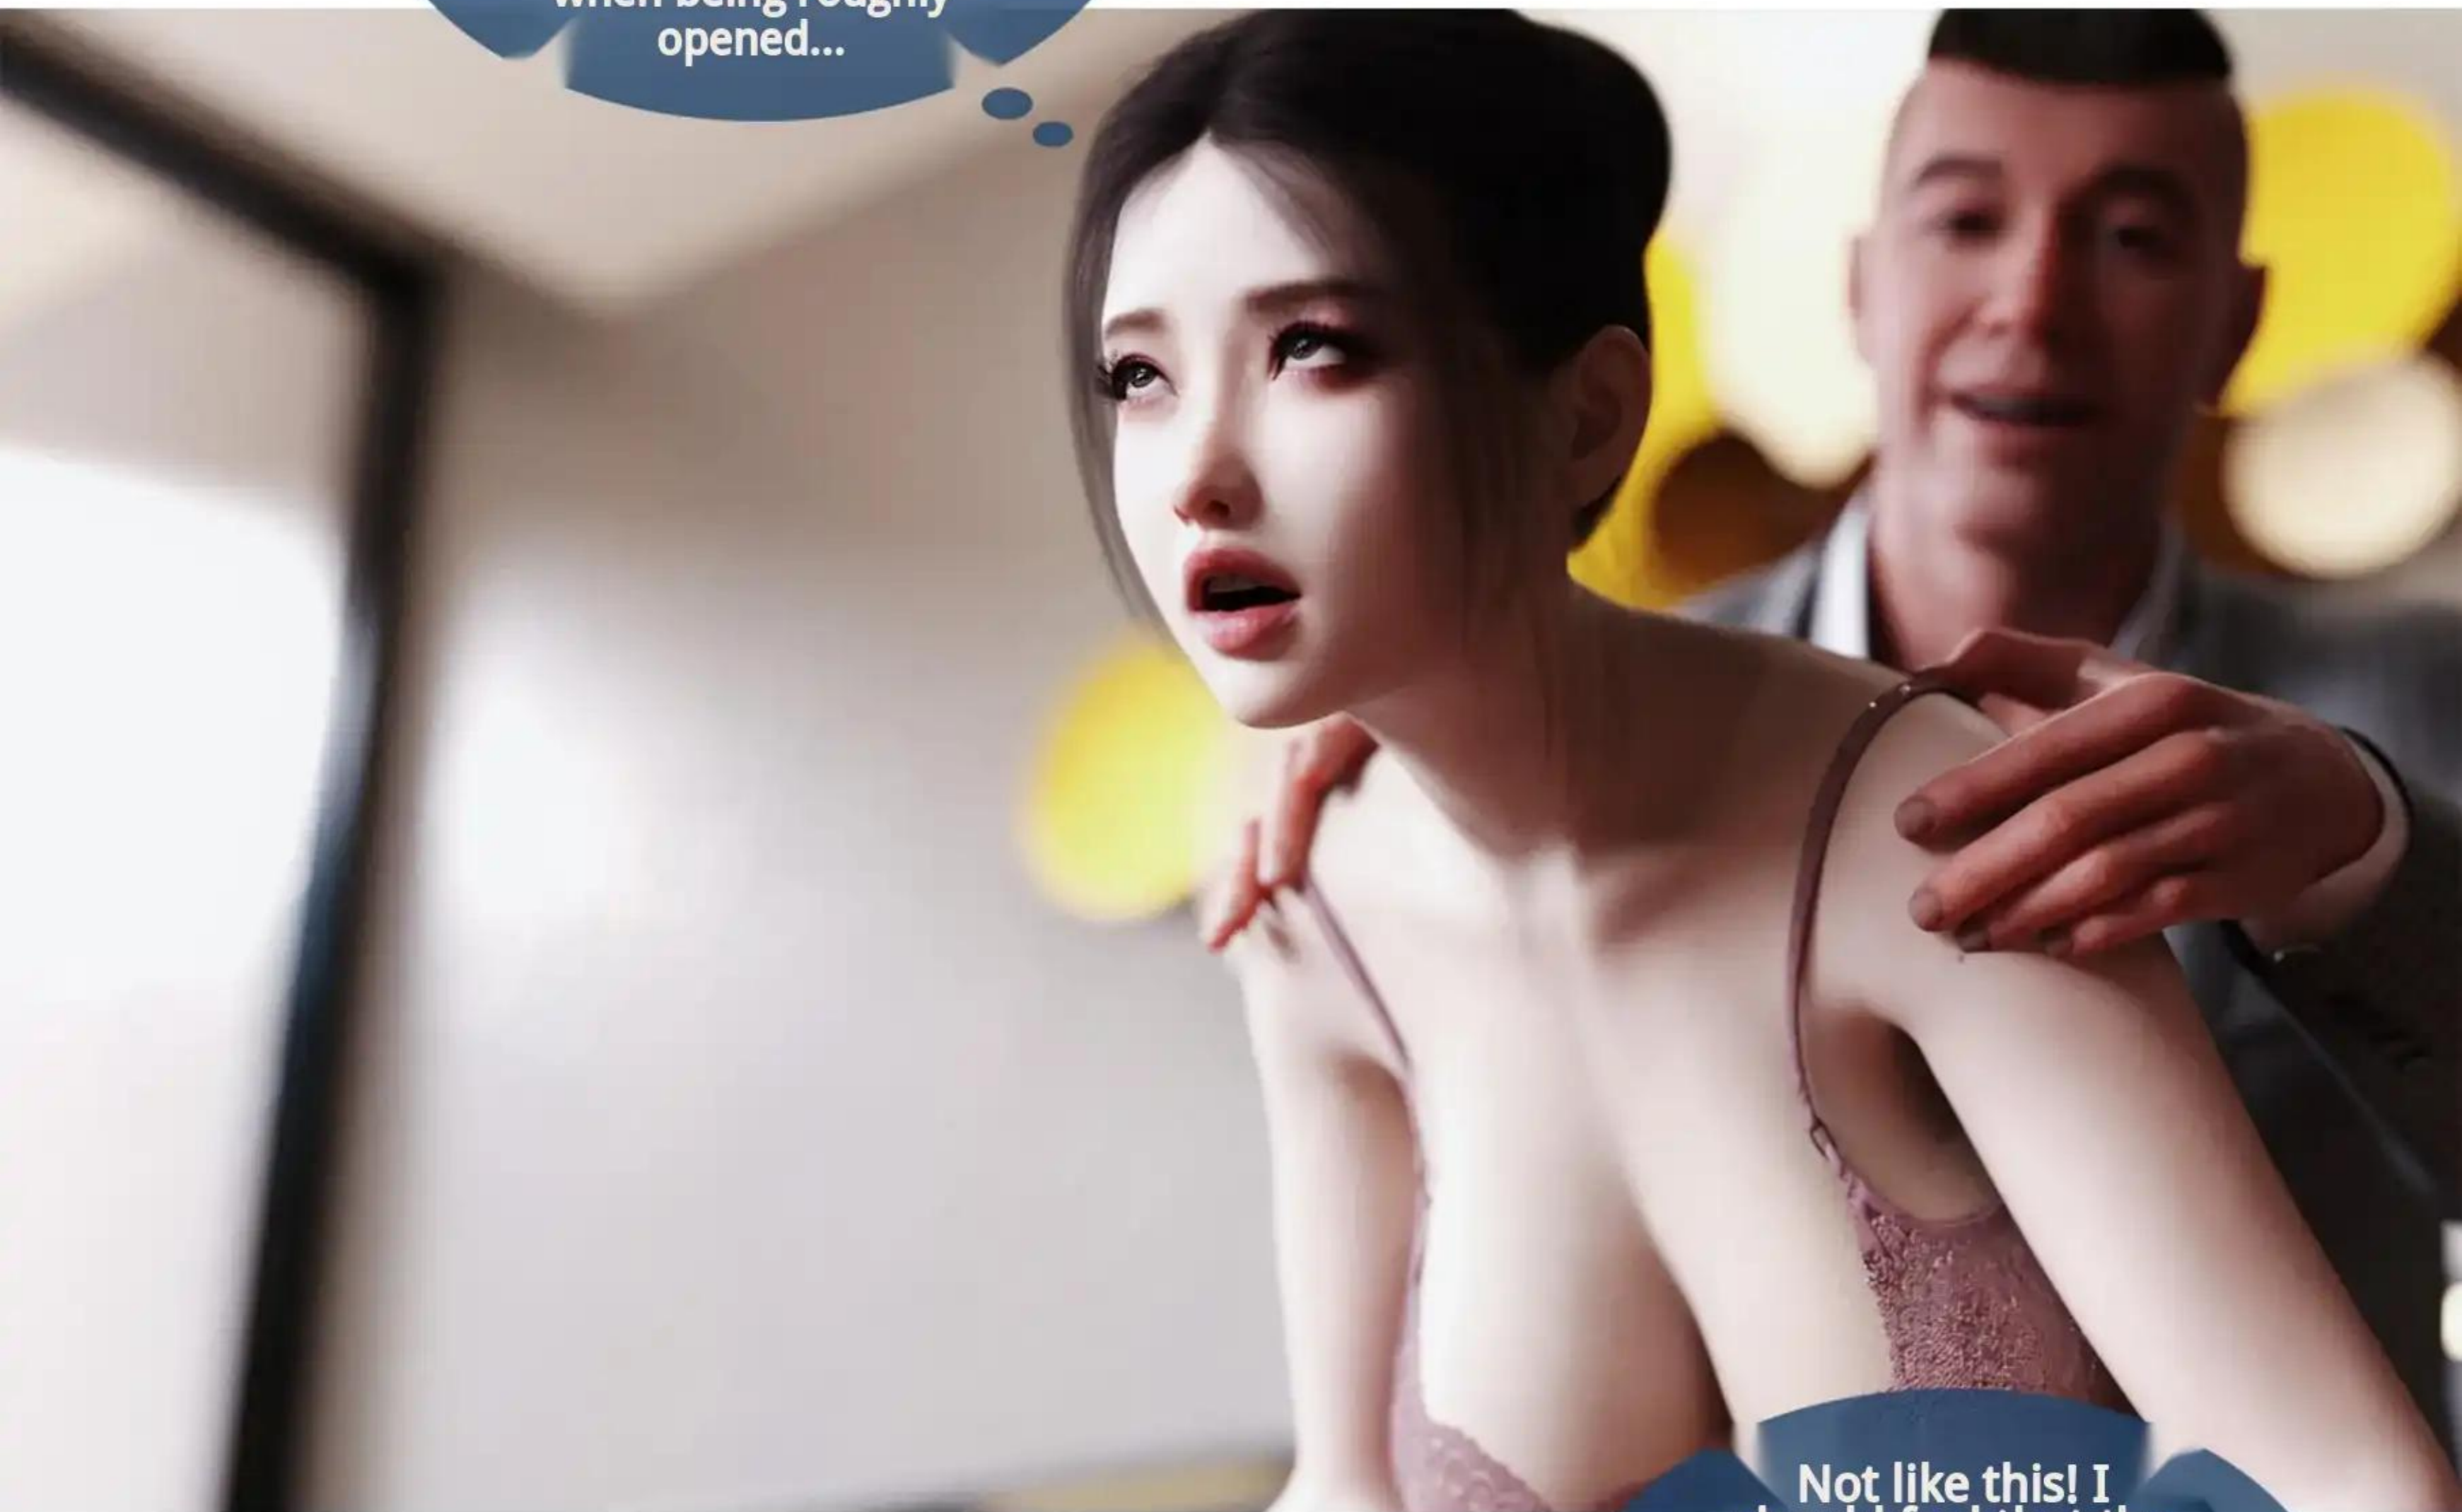

The top of the
stick breaks!

Uh-huh! cannot!
Stop getting in
the way!

Haha, don't you
know that with your
ugly appearance,
people want to fuck
you even more?
Ohh...fuck! My pussy
is sucking non-stop!

Insert...insert in! The feeling of the cock entering the body is so familiar, and it doesn't feel uncomfortable at all when being roughly opened...

Not like this! I should feel that the pavilion...ah, I can't stand it anymore...I really want more...what the hell is going on with me!

You feel so good that your legs are shaking! Your pussy is still sucking my cock crazily. This is not your first time, right?

Oh...so cool! I didn't expect to be able to fuck a cute girl during an interview. If someone passes by outside, will you scream?

Even if you insist
on denying it, isn't
there fluid
secretion down
there? Can you still
enjoy being raped?

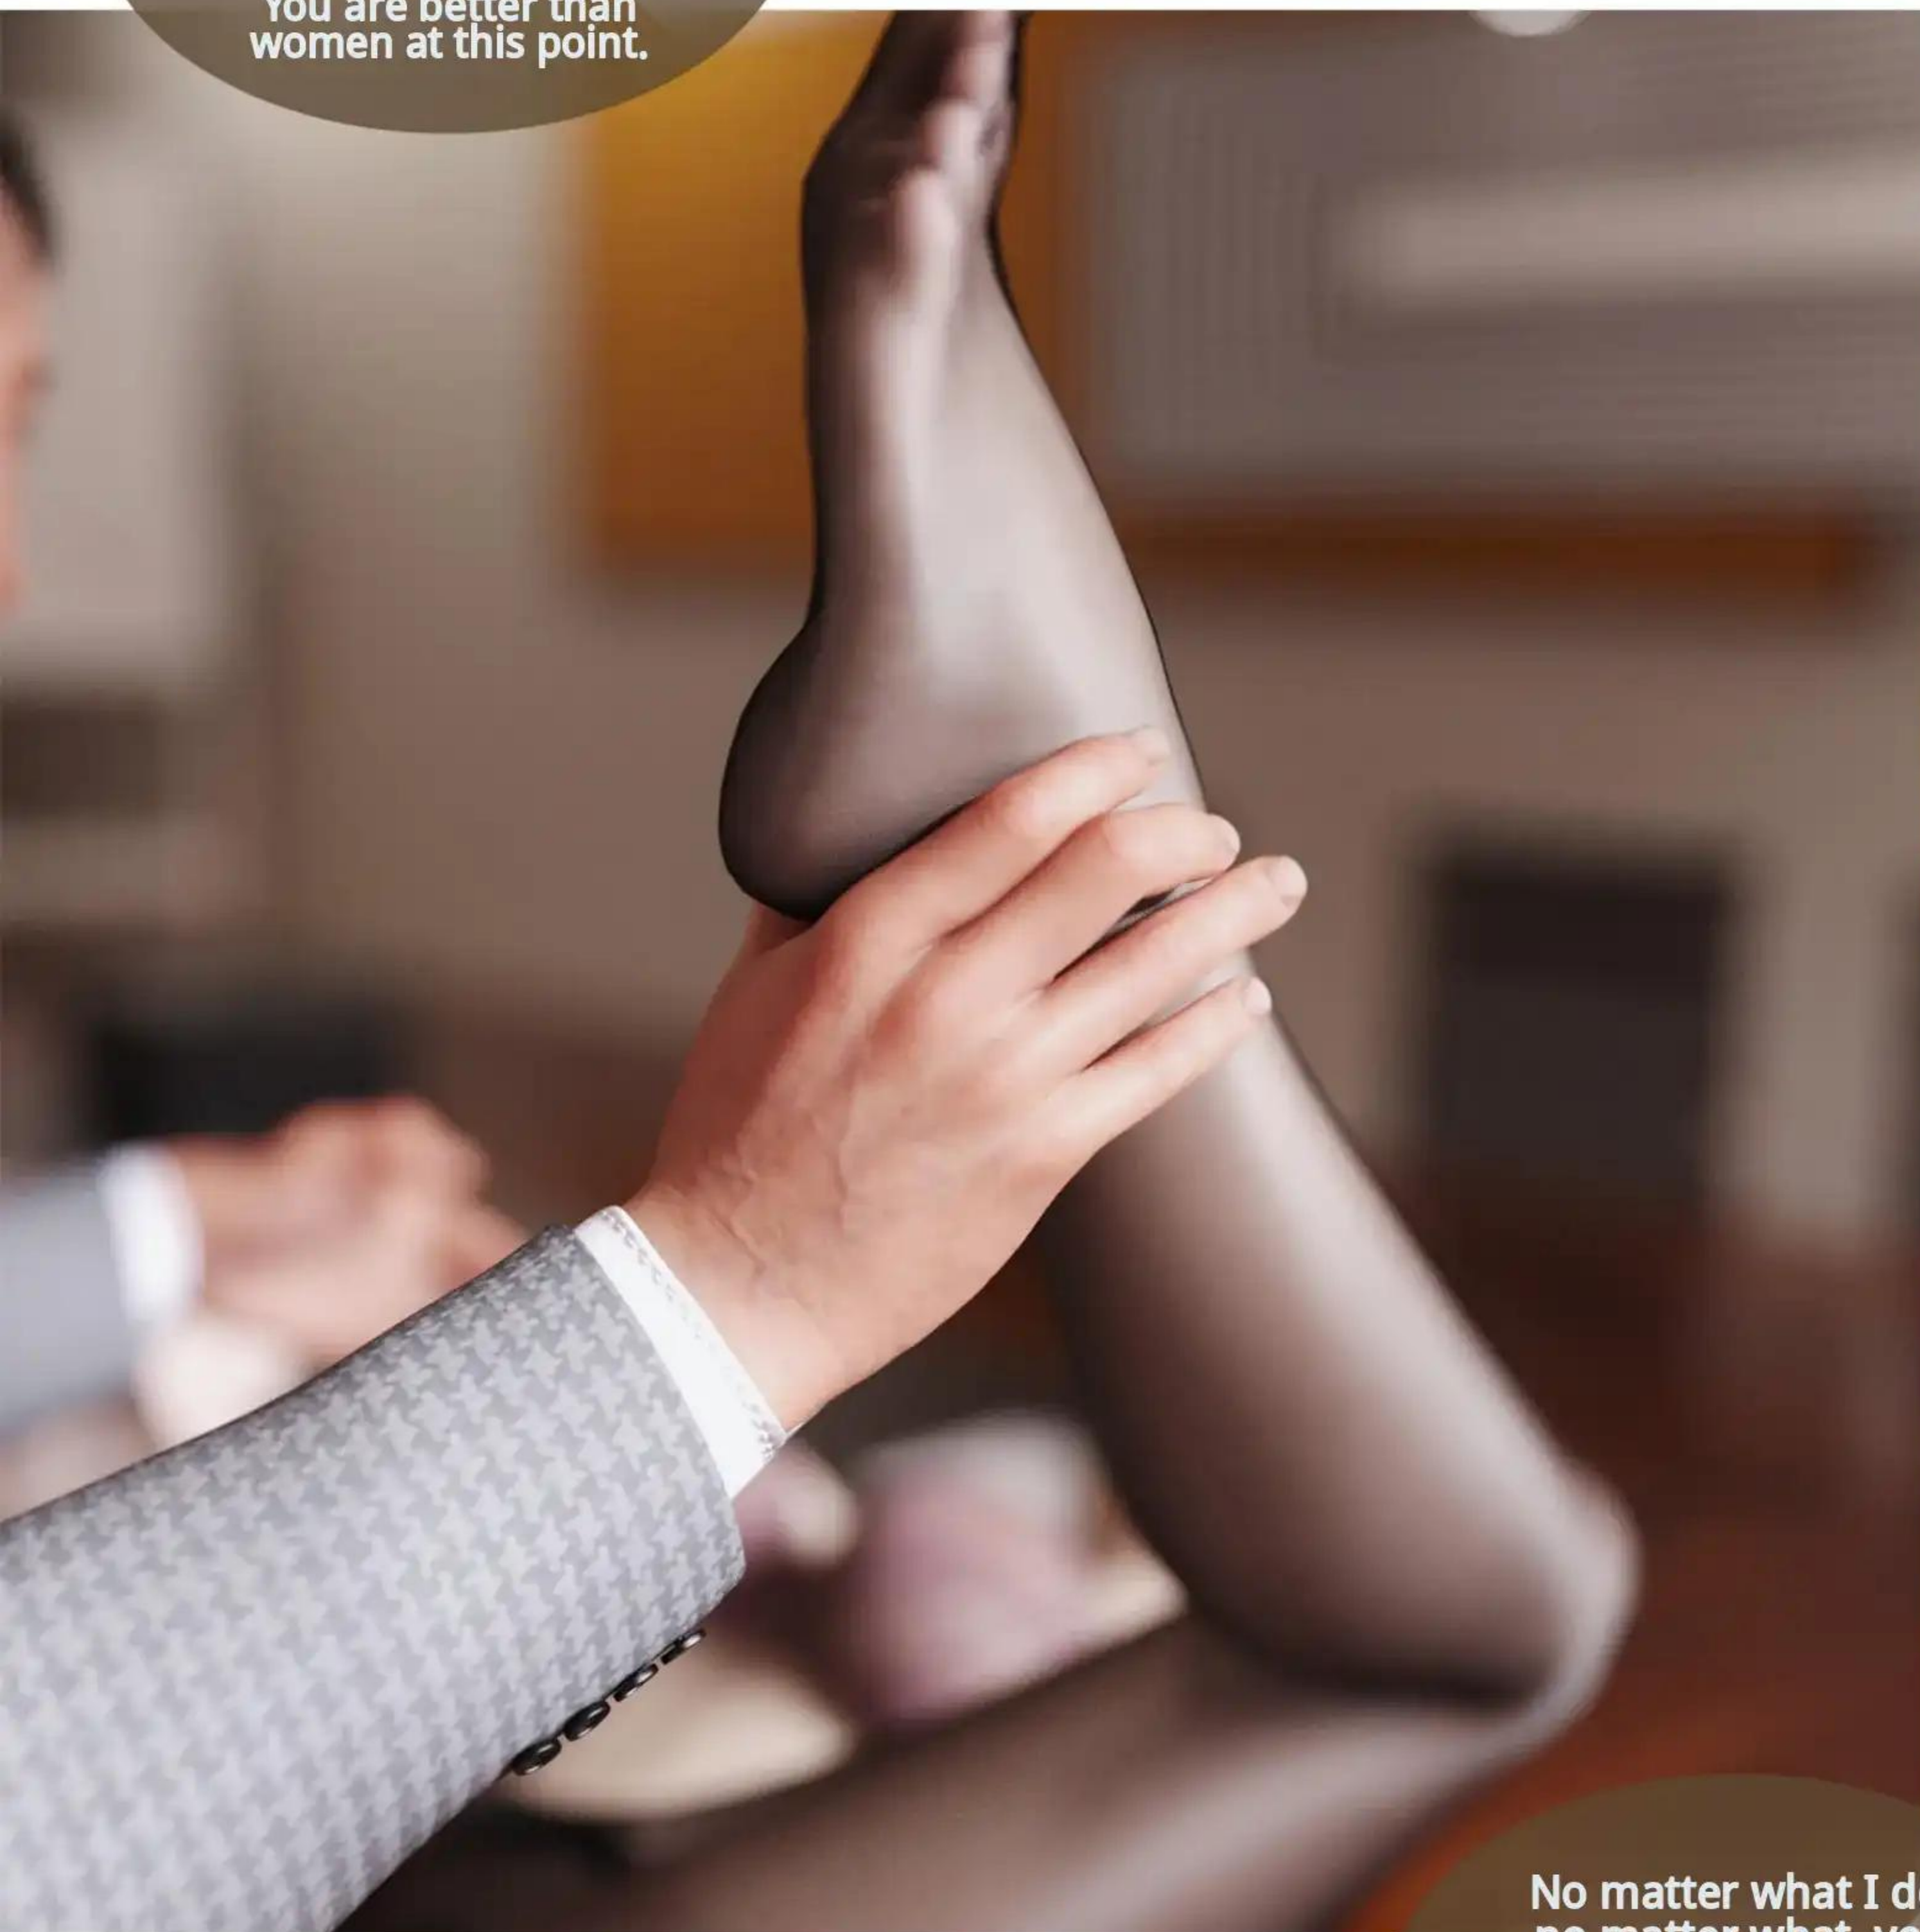

If you don't seduce me,
it's not considered
rape. Are you
comfortable? How
come you are here?
Looks like a
guy!

Your cunt is
wet because
of me, you
slutty woman!

Uh-huh!
No...I'm not
a
woman...Ah!
No more!

Your expression
when being fucked is
so charming! You are
so cute that I want to
get you pregnant.
You are better than
women at this point.

No matter what I do,
no matter what, you
will get pregnant. You
can rest assured.
Ha ha!

The women in the company are obviously dressed similar to you, but they don't look as sexy as you! You will definitely not be as happy with Han Qi!

It's so comfortable...it's really comfortable...I don't want to admit it at all, but I'm almost so happy that I scream at the top of my lungs!

A 3D-rendered scene showing a man in a grey suit and white shirt leaning over a woman on a wooden table. The woman is wearing a purple lace bra and black stockings. She is lying on her back, and the man is positioned above her, looking down. The scene is set on a dark wooden surface.

So cool! These big breasts and black stockings are sexy! Hey, your Siwei is all stained by what you leaked out!

Your anus keeps sucking my cock inside, and the juice from the front keeps flowing. You've gone too far, like a bitch in heat!

The product is suitable
for spreading your legs
or raising your butt!
Why don't you call? So
happy that you are
speechless?

Don't be ridiculous!
Hehe... no... ahhh!
Not there! Stop
getting in the way!

Ohhh...ohhhh
it's so intense!
Will fall! It's
going to fall!

Damn you, Han,
you big titty! Oh oh
oh my breasts are
so good to rub!

Women are all
bitches who say they
don't want it, but
actually enjoy it. You
are the same!
Obviously enjoying it!

And you feel so much
better when fucked
than a woman! He can
bark again, he was
born to do it.
life.

Uh-huh! Don't touch it! Too...too sensitive! It's going to be... or it won't work! stop! Stop it!

Don't you want to rub these big breasts? Women will be jealous if they see it, right? As soon as I rub your anus, I'll suck you even more, you're really horny!

don't want!
Really not
possible! I...I
will...umhhhh...!

Gone!
Cum..Cum.
Ah!

I..How come I was fucked from behind again until I ejaculated? It feels so good...how can it be so good to be fucked from behind? I can't help it at all.....

It's so comfortable that I can't feel any strength..I even want my cock to be extended! This kind of pleasure will never be forgotten!

You were so happy that
you ejaculated so much
that your semen was all
over Si Wel, and even the
woman squirted without
you.
Sheet!

Do you just like cocks?
Do you like being fucked
from behind? It's really
the best product, I owe
you more.
I'm going to
die!

Don't think it's
over like this. I'm
not happy yet. It's
rare to meet a
cute guy like you.
I have to have
fun!

Huh...huh...?
What... what? etc!
I've...really can't
do it anymore!

day

You are too selfish. You want to stop when you are done enjoying yourself? I haven't even cum yet! If you want it, show some sincerity!

Okay... let's continue!

one

Finally got home,

A woman with dark hair in a bun, wearing a white long-sleeved blouse and a black skirt, is sitting on a modern-style chair. She has her hands pressed against her face, covering her eyes, suggesting she is crying or in deep distress. The background shows a contemporary interior with large windows and wooden accents.

How could this happen! I obviously went for an interview, but I was called a seducer and....

Ah, the plan has been disrupted! I'm already dressing up normally, and it's not like I want to look like this!

I really resisted at first, but after seeing it... I gave in a little bit... I actually wanted to do that kind of thing!

But...but I really can't help it! I was rejected by every company I interviewed before, so that company is my only hope.
J

But even if it was a last resort... I still got cum after being fucked... This is the most unacceptable thing for me... It shouldn't be like this....

I still remember that comfortable pleasure. I was not this kind of person originally. I almost didn't recognize my own body!

What should I do next? What method should be used?
Alas... the interviewer actually wanted to recruit me....

But if he wants me to be his human toilet, am I really going to embark on the path of no return from the physical body?

Get up.. This time I
feel a little weird
being fucked. I don't
really get up, but it's a
little
wing.

I don't know how to
describe the feeling
of balance... In short,
it's just weird down
there.

That feeling that I
couldn't ignore...it
told me intuitively
that something
was wrong!
Before.....

It also requires
strong stimulation
of the cock to
react. Has it not
returned to
normal yet?

A photograph of a woman from the waist down, wearing a white long-sleeved shirt and a black skirt. She is standing and touching her own buttocks with both hands. The background is a plain, light-colored wall.

Originally, it would react with gentle rubbing, but now it doesn't get hard at all... and I can't feel the pleasure!

But when you get fucked, you get hard right away, don't you? After all...ah! It's hard... because.....

I injected too many female hormones before. Is it related to taking estrogen?

Doesn't Ajin slowly return to normal after stopping taking it? He even does this to me?

No matter how much I
rub or stimulate it,
there is no
response...it's still
soft...why is it sitting
there! It's already
hurting!

No...except for the pain,
there is no pleasure at
all! My nether regions
have become so
strange!

Could it be that... I will have to rely on being fucked from behind in order to have an erection and get pleasure?

I can't jerk off like a normal man, I can only be fucked like a woman?

I...what on earth
should I do to
become a man
again?
