..Shh!

Wait for me to confirm...don't act rashly,

Okay, there's no one here now, let's go!

What should I do if someone discovers it? I know, please be quiet.

It's all your fault, Lao Zhou! Ahhhh! Really,

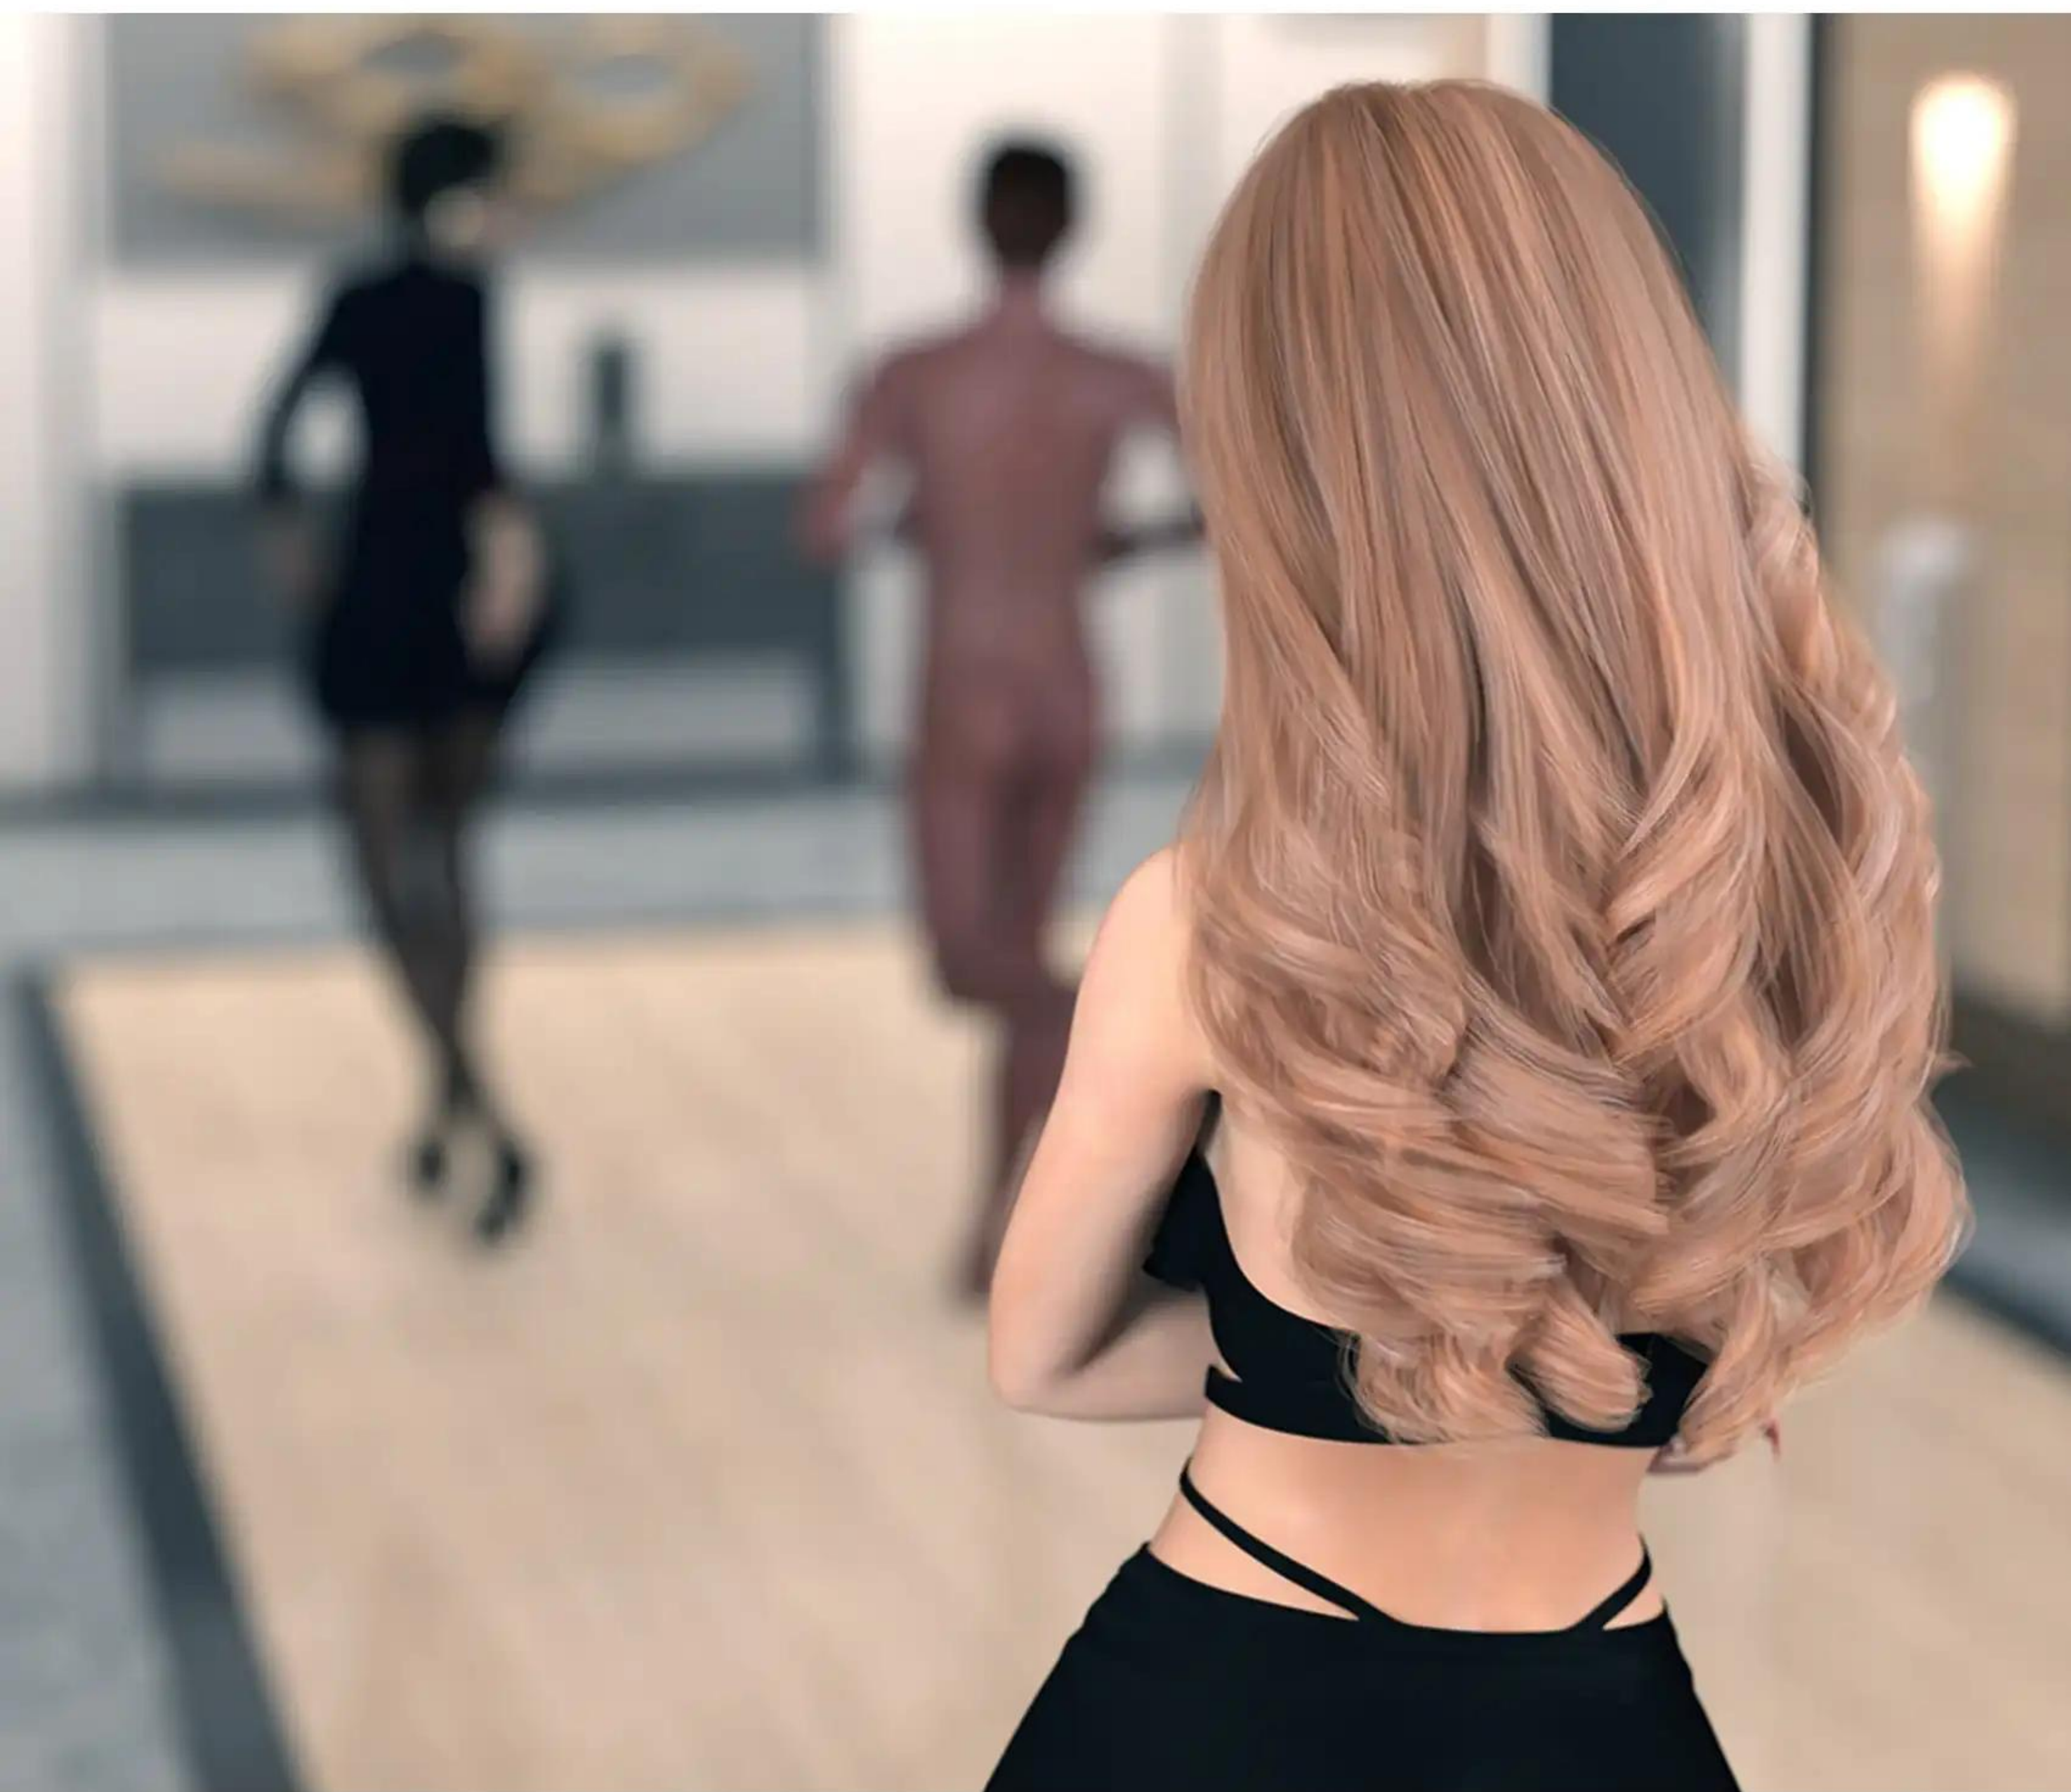

Why am I running naked here now? Who told you to wear my human skin and leave me alone there?

Did you make me almost show off in front of the guests? This is my mother's human skin, okay! Who just played with my body casually, what is your human skin, and you dare to say

speaking as
if you were
not
happy.

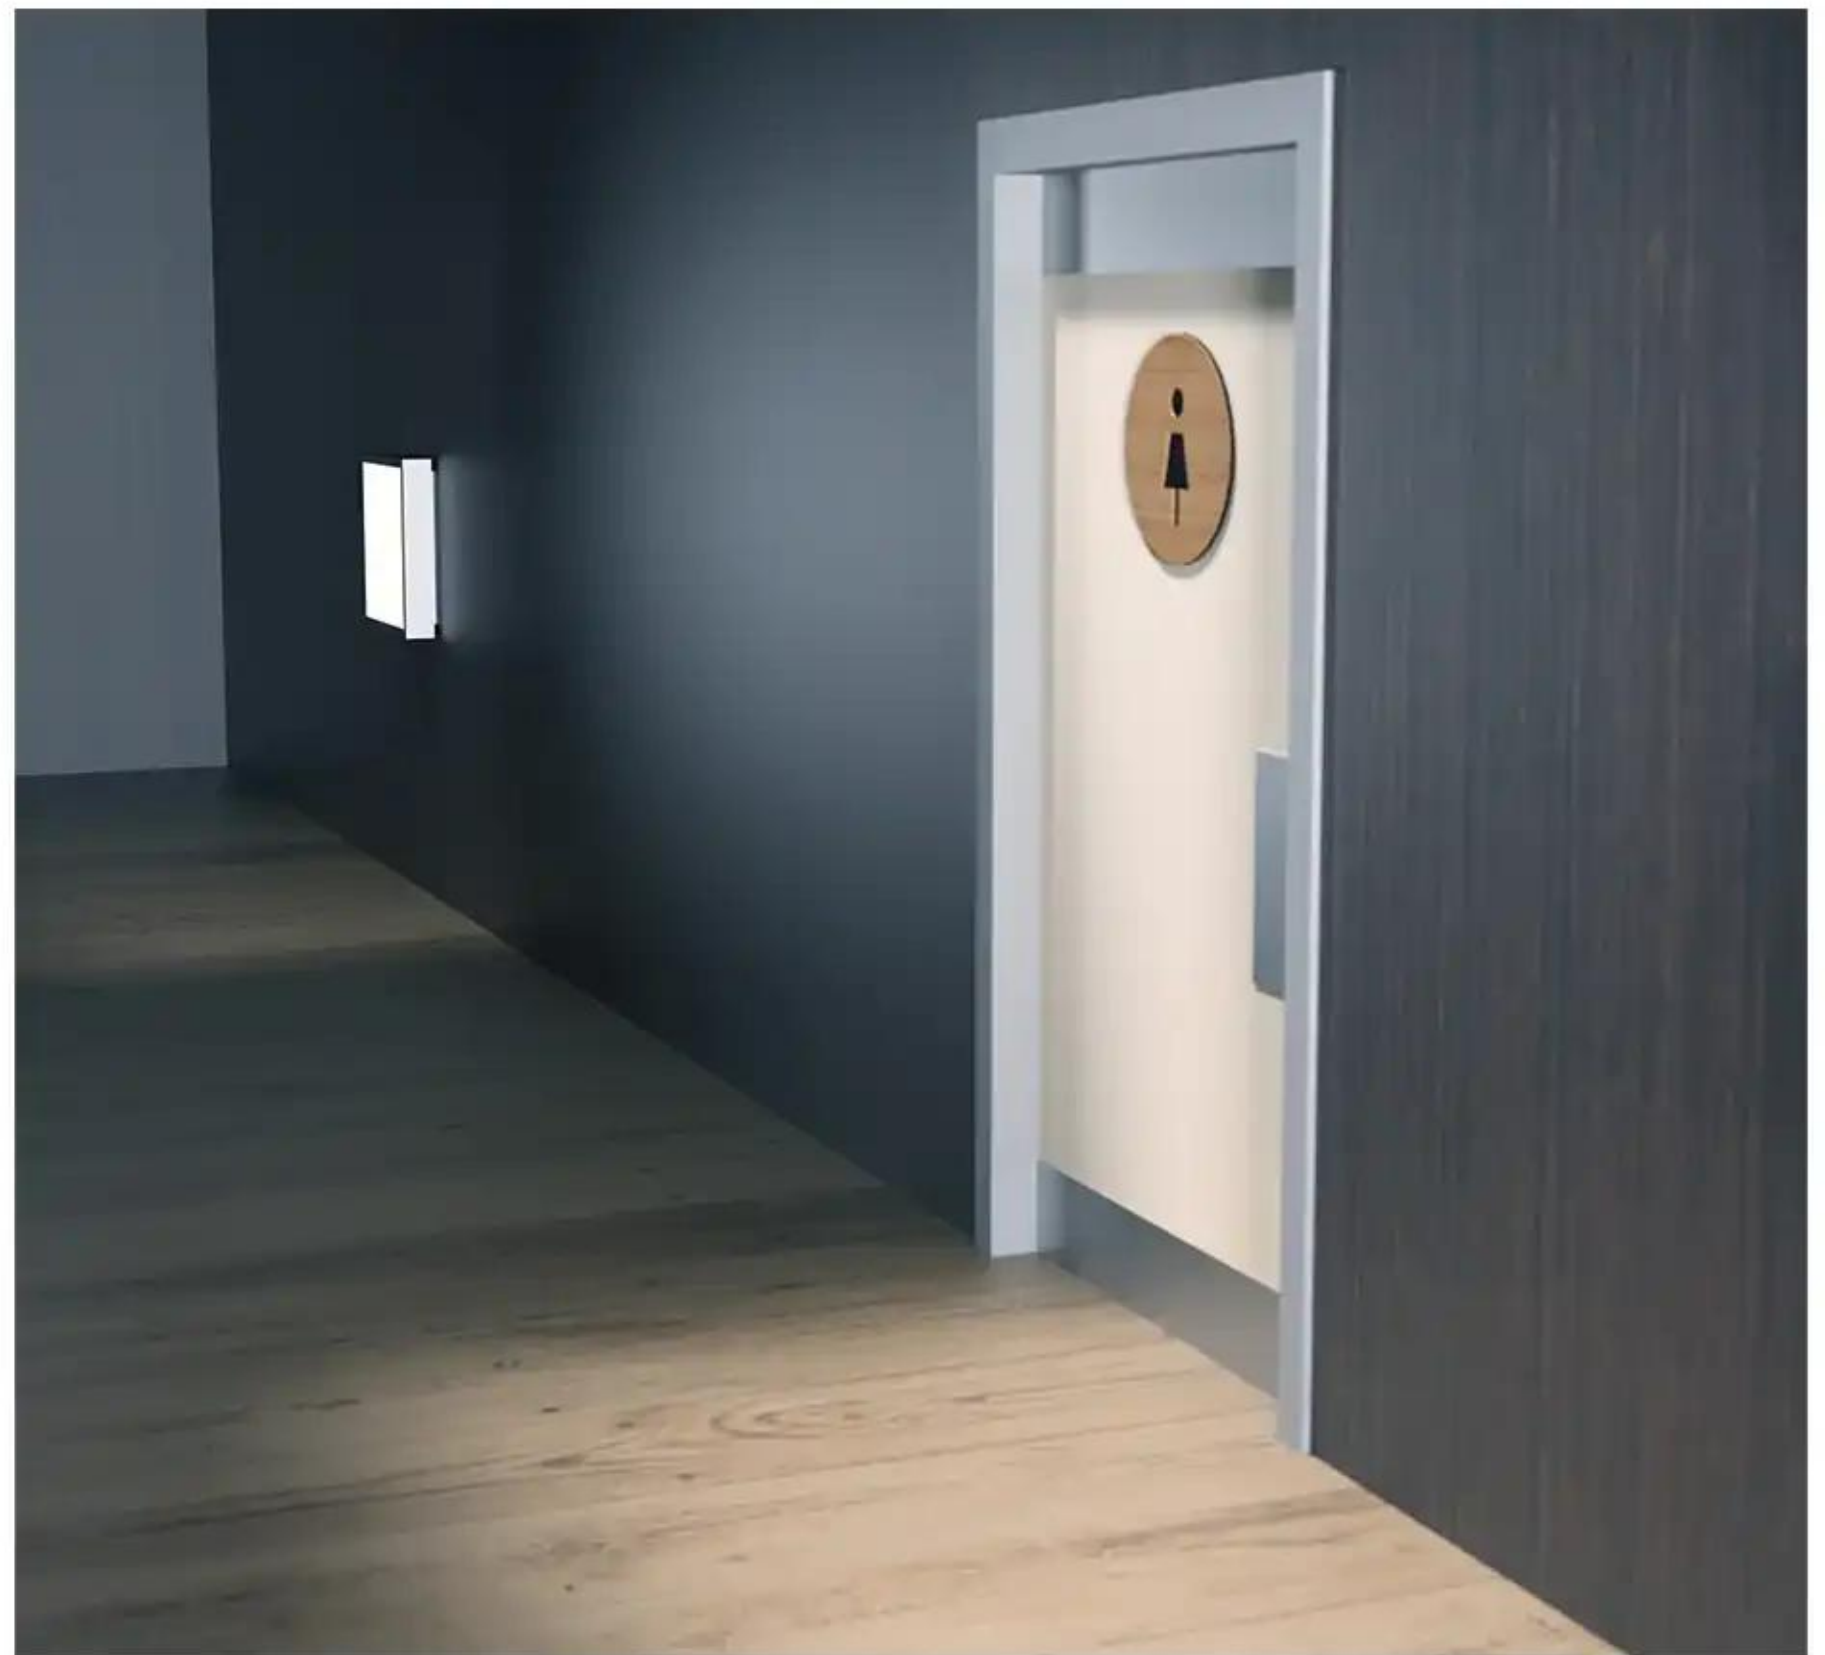

...Shut
up and
leave!

**Haha...finally...finally
found it!**

Huh...huh...huh... ..

Streaking in a hotel is really...fucking...I don't want to experience it again!

**-No one
found me on the
road, otherwise it
would be terrible!
Phew...it's okay,**

**this
one**

Leave me alone
in my room naked?
You also know that it will
be bad if someone finds
out, so why don't you
wear the skin away?

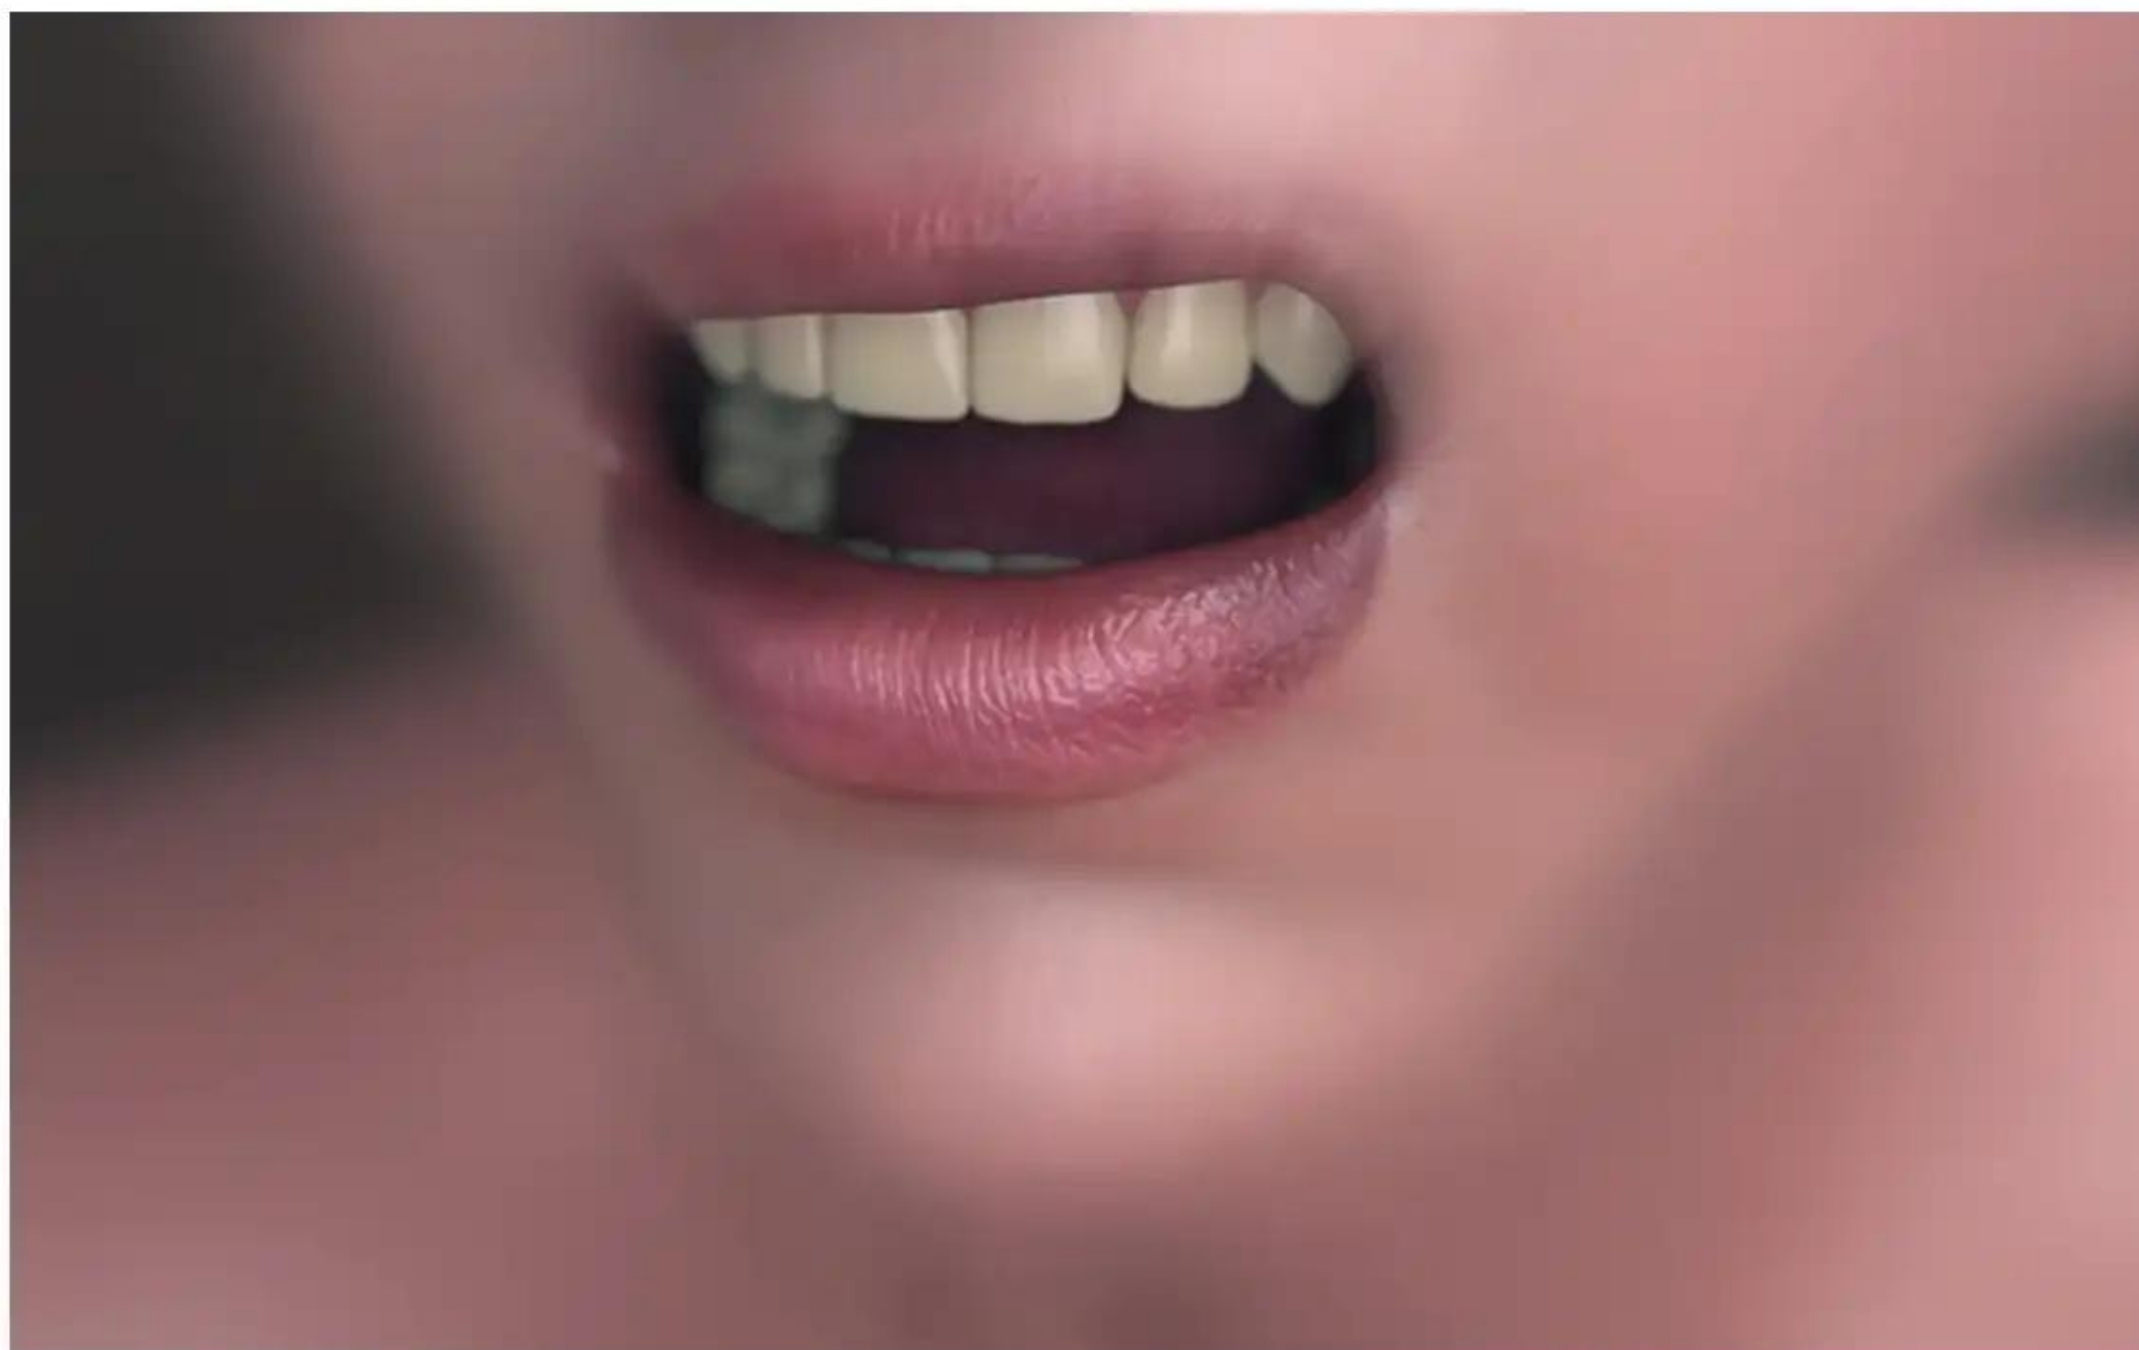

Obviously I feel great,
but haven't I been
discovered yet? What's more,
why are you talking about it?
The mouth is too honest and
the body is upright..

I'll get you
some clothes!
...Okay, there's no
point in us arguing
anymore. Anyway,
save me and wait
for me here.

,etc!

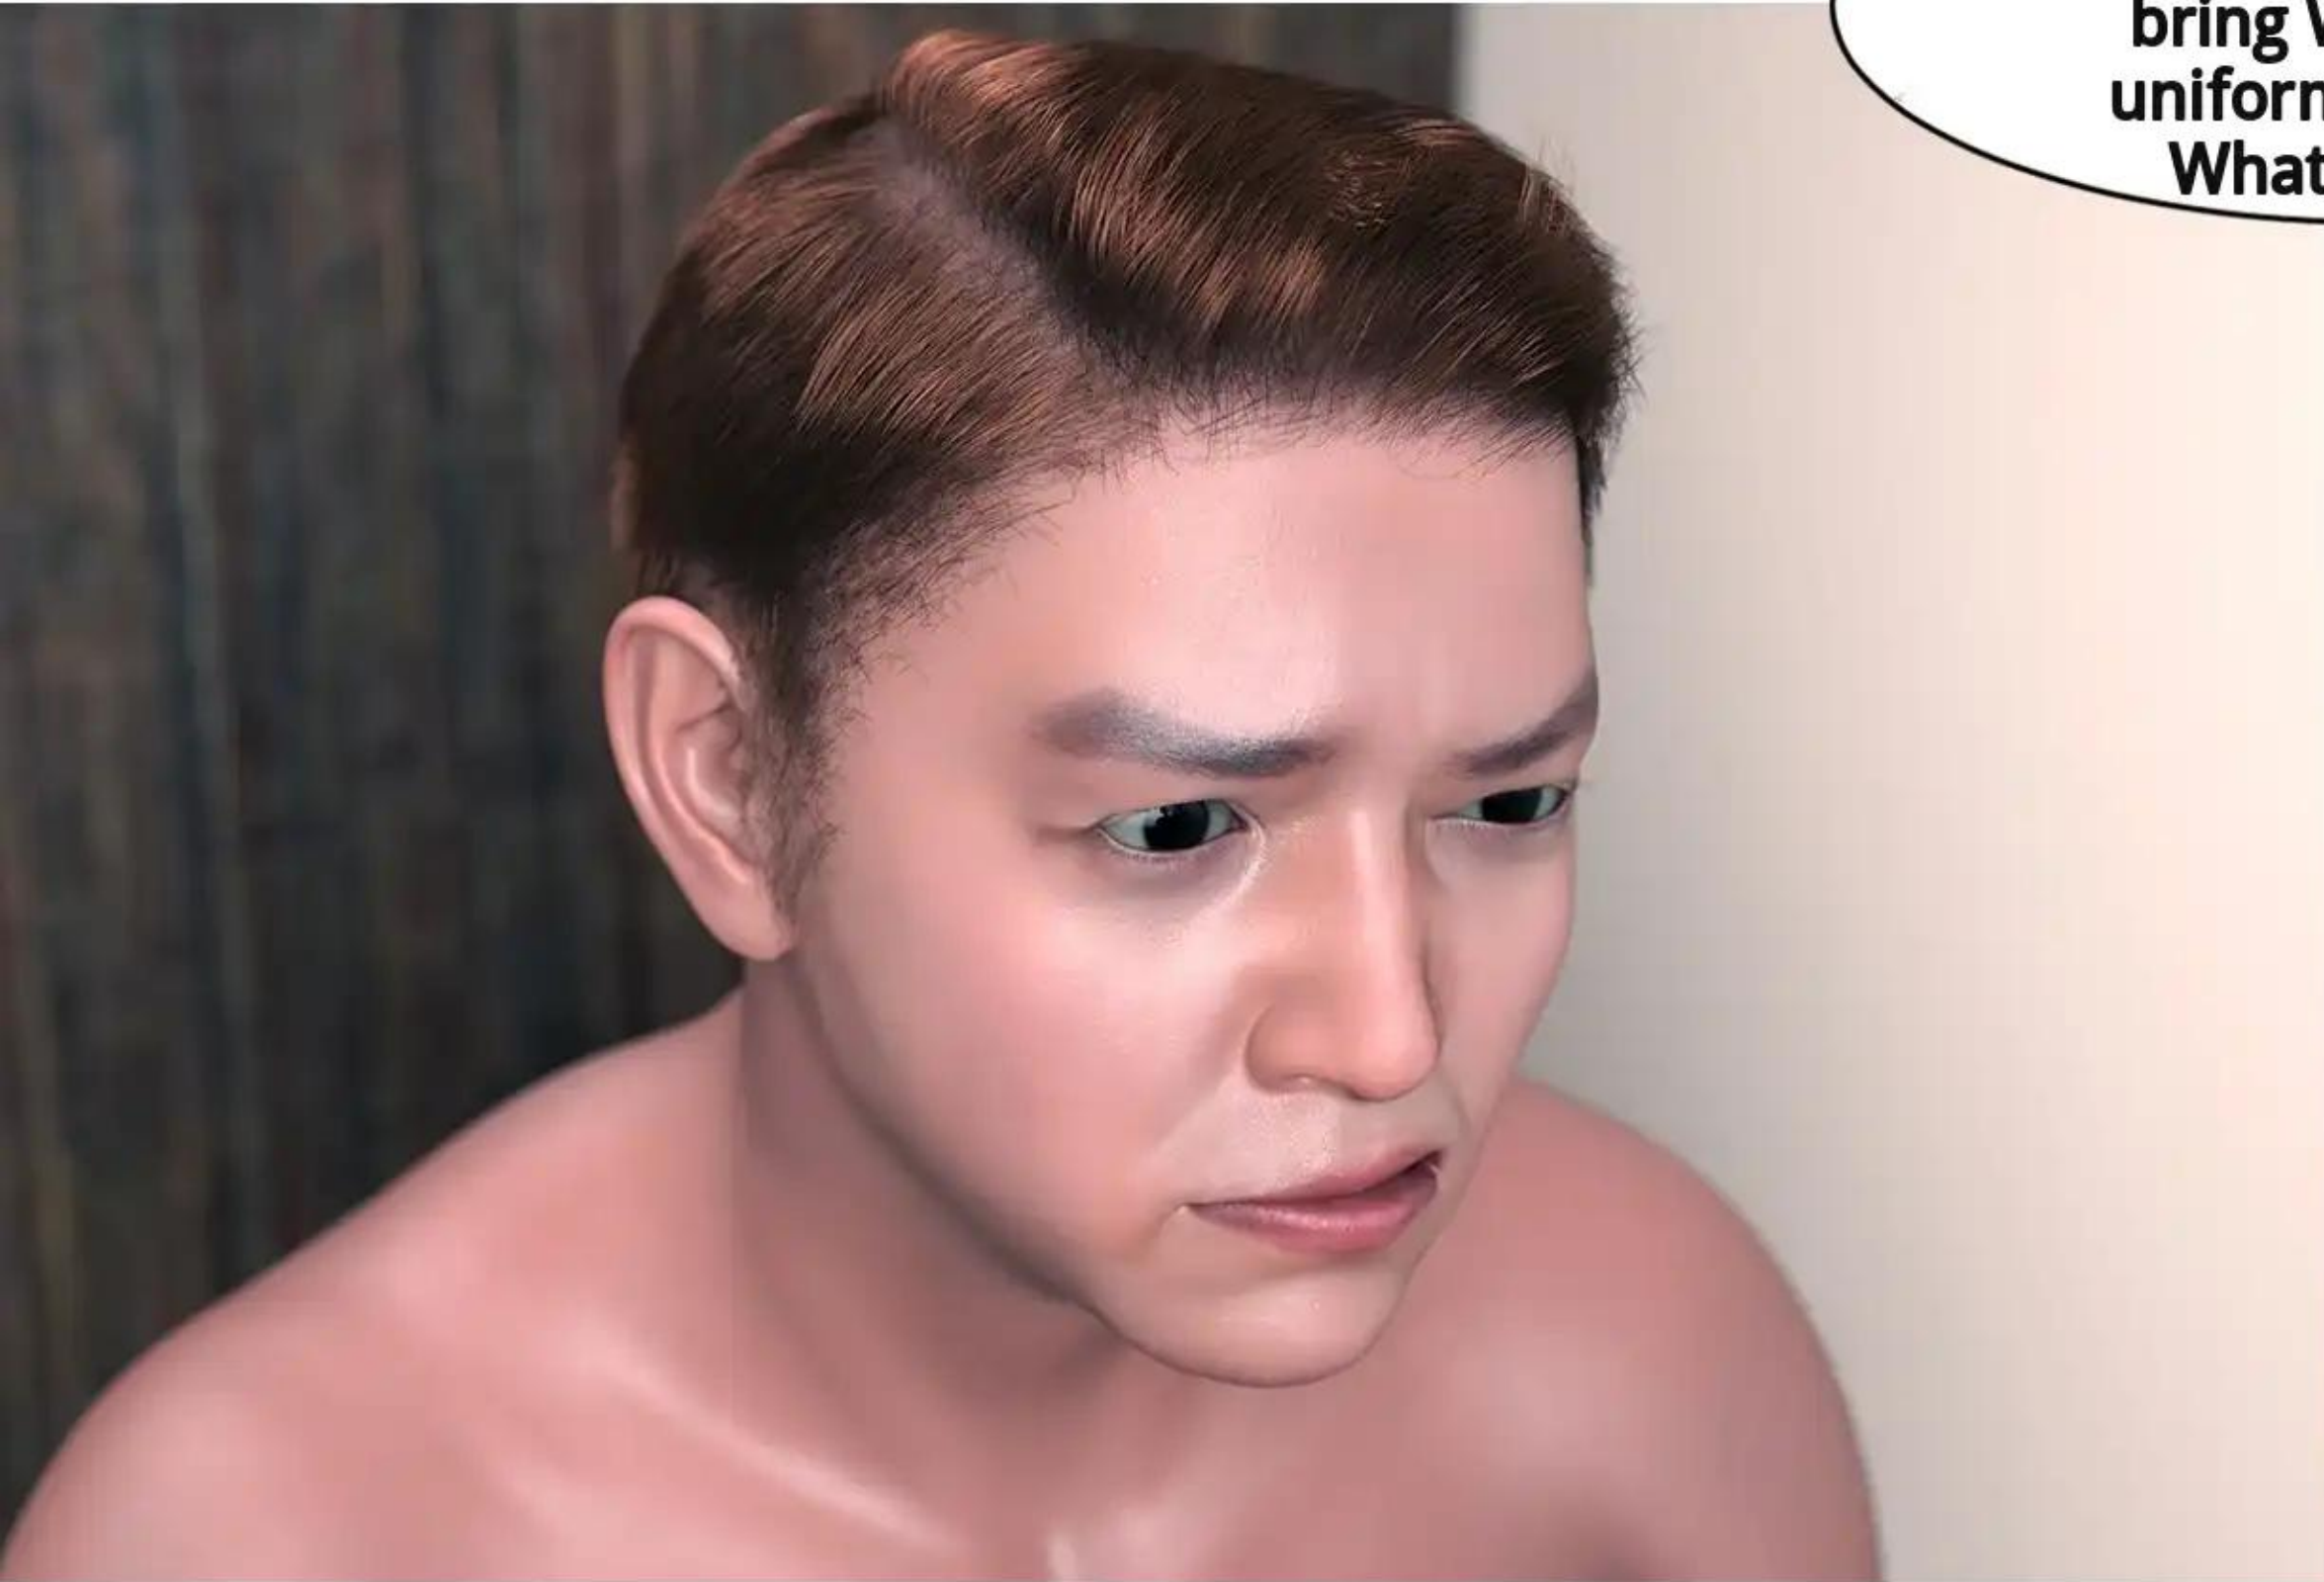

Wouldn't it be faster if you just take off your mother's skin and give it to me? We are all in the toilet,

But Wang Yali in my
skin is naked! Where am I
going to produce a uniform at
such an impromptu time? I said to
you, think about it carefully, okay?
I can take off my mother's
skin and give it to you.

Shouldn't he still be in that room? Didn't you bring Wang Yali's uniform with you? What the hell?

Of course, put it back in the staff room first! Nonsense, but I can't keep her clothes with me all the time, otherwise people will think I did something to her. How could I leave her clothes there?

Go back
quickly! Why is it
^{so}troublesome...Okay,

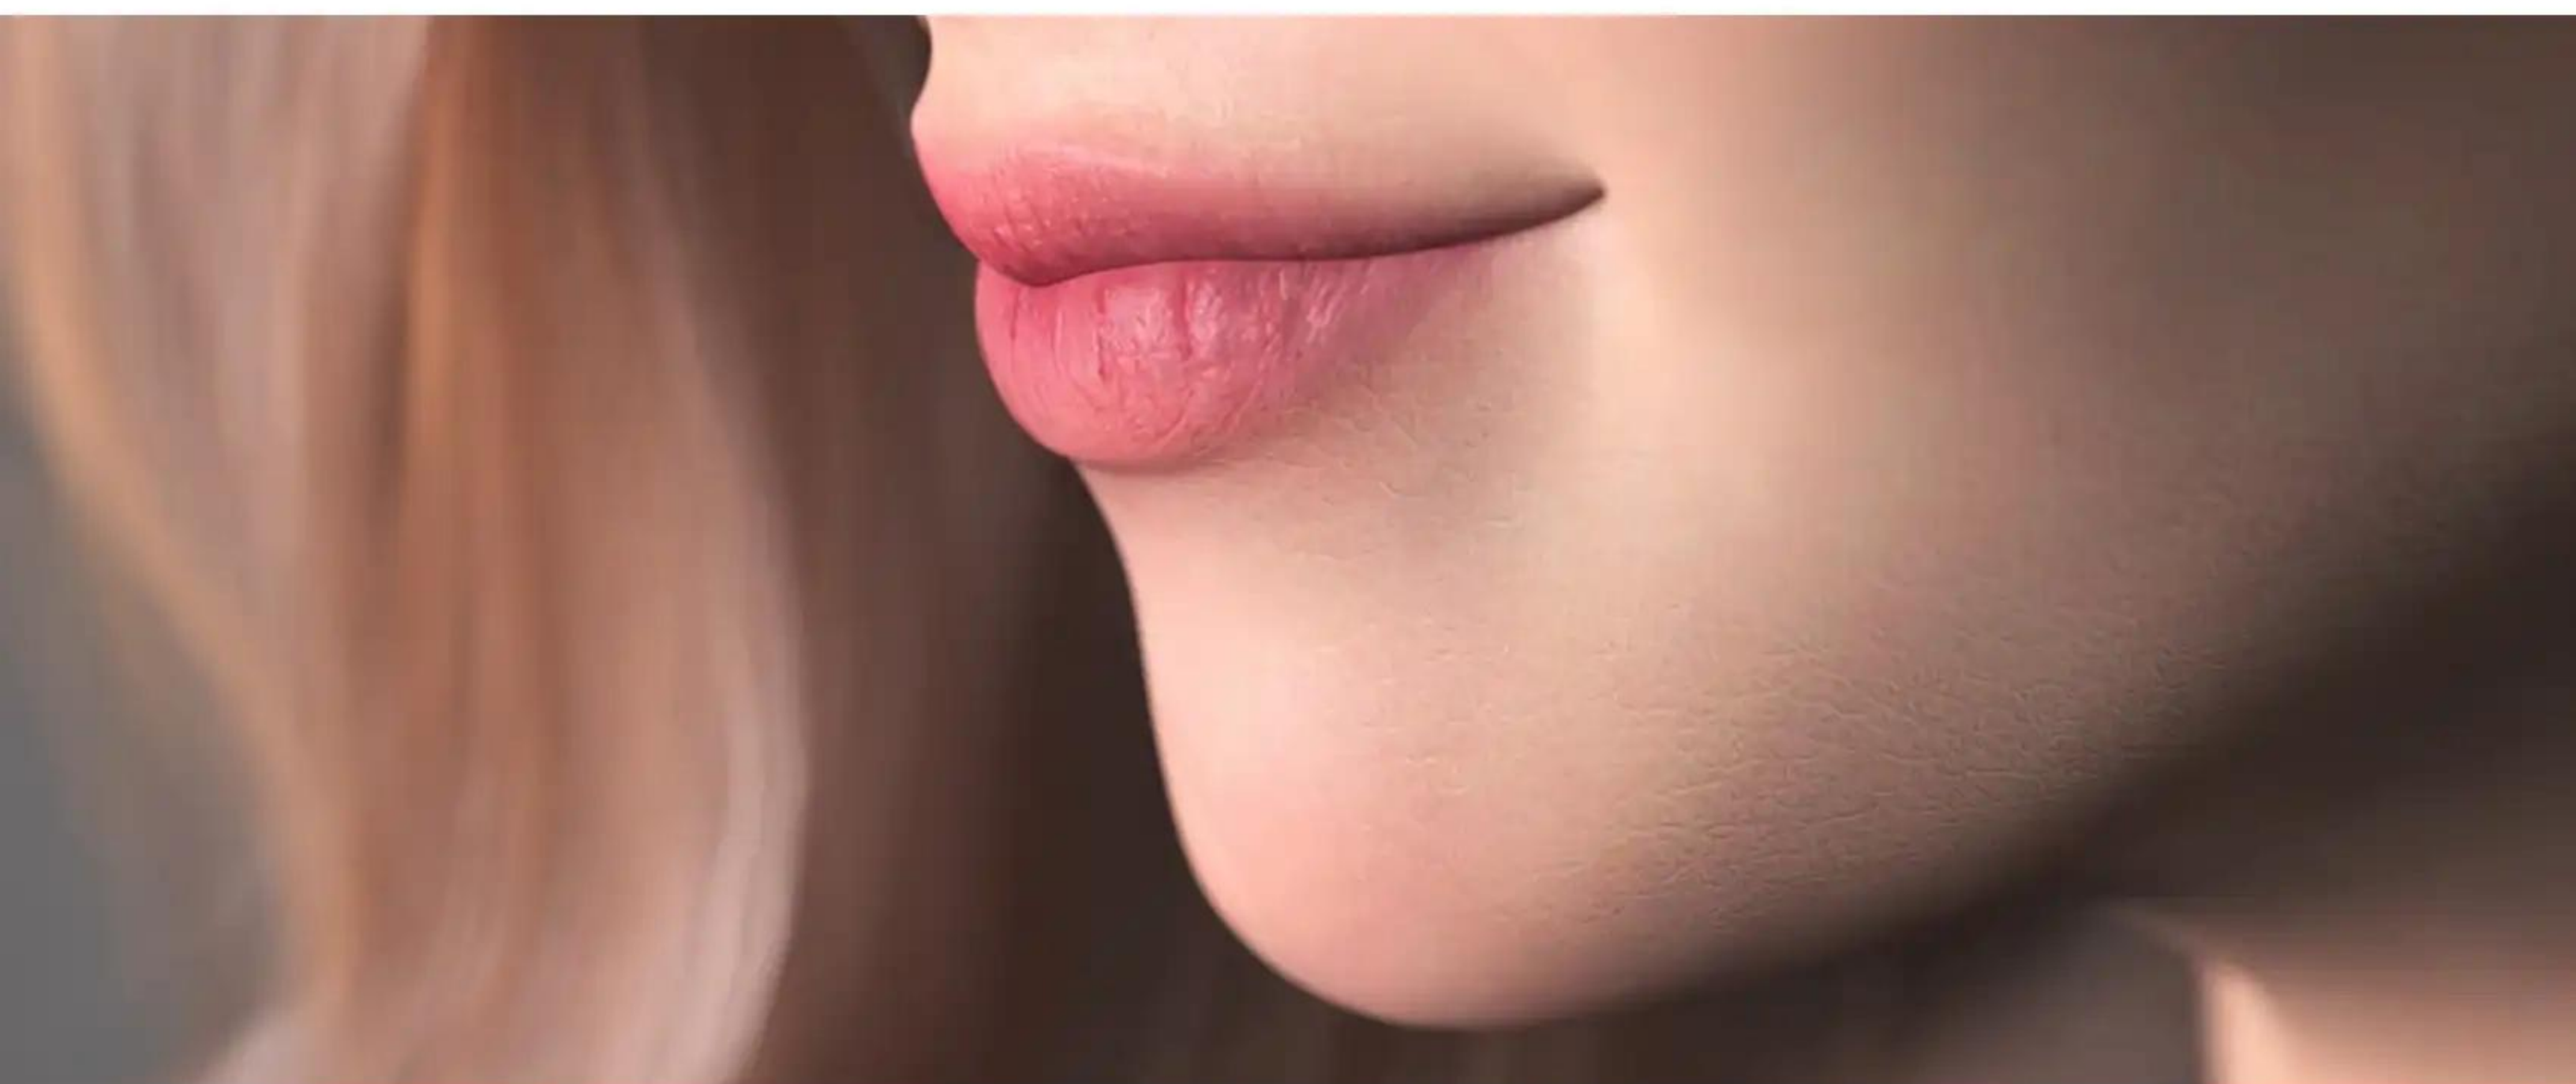

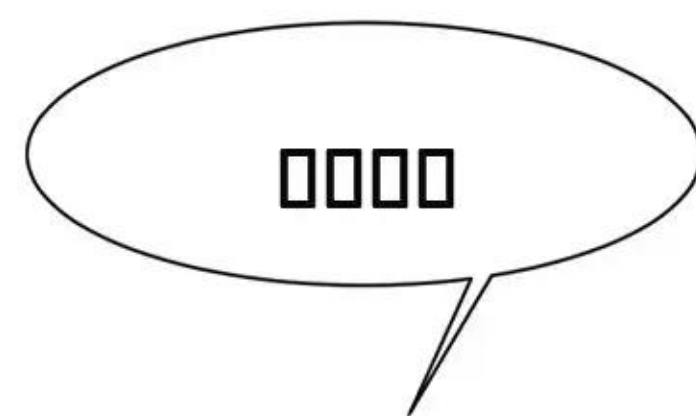

Oh, I finally put on my mother's skin, how could I take her off so easily?

Just let him stay here a little longer! Anyway, Lao Shao is in good health and is not afraid of catching a cold even if he is naked.

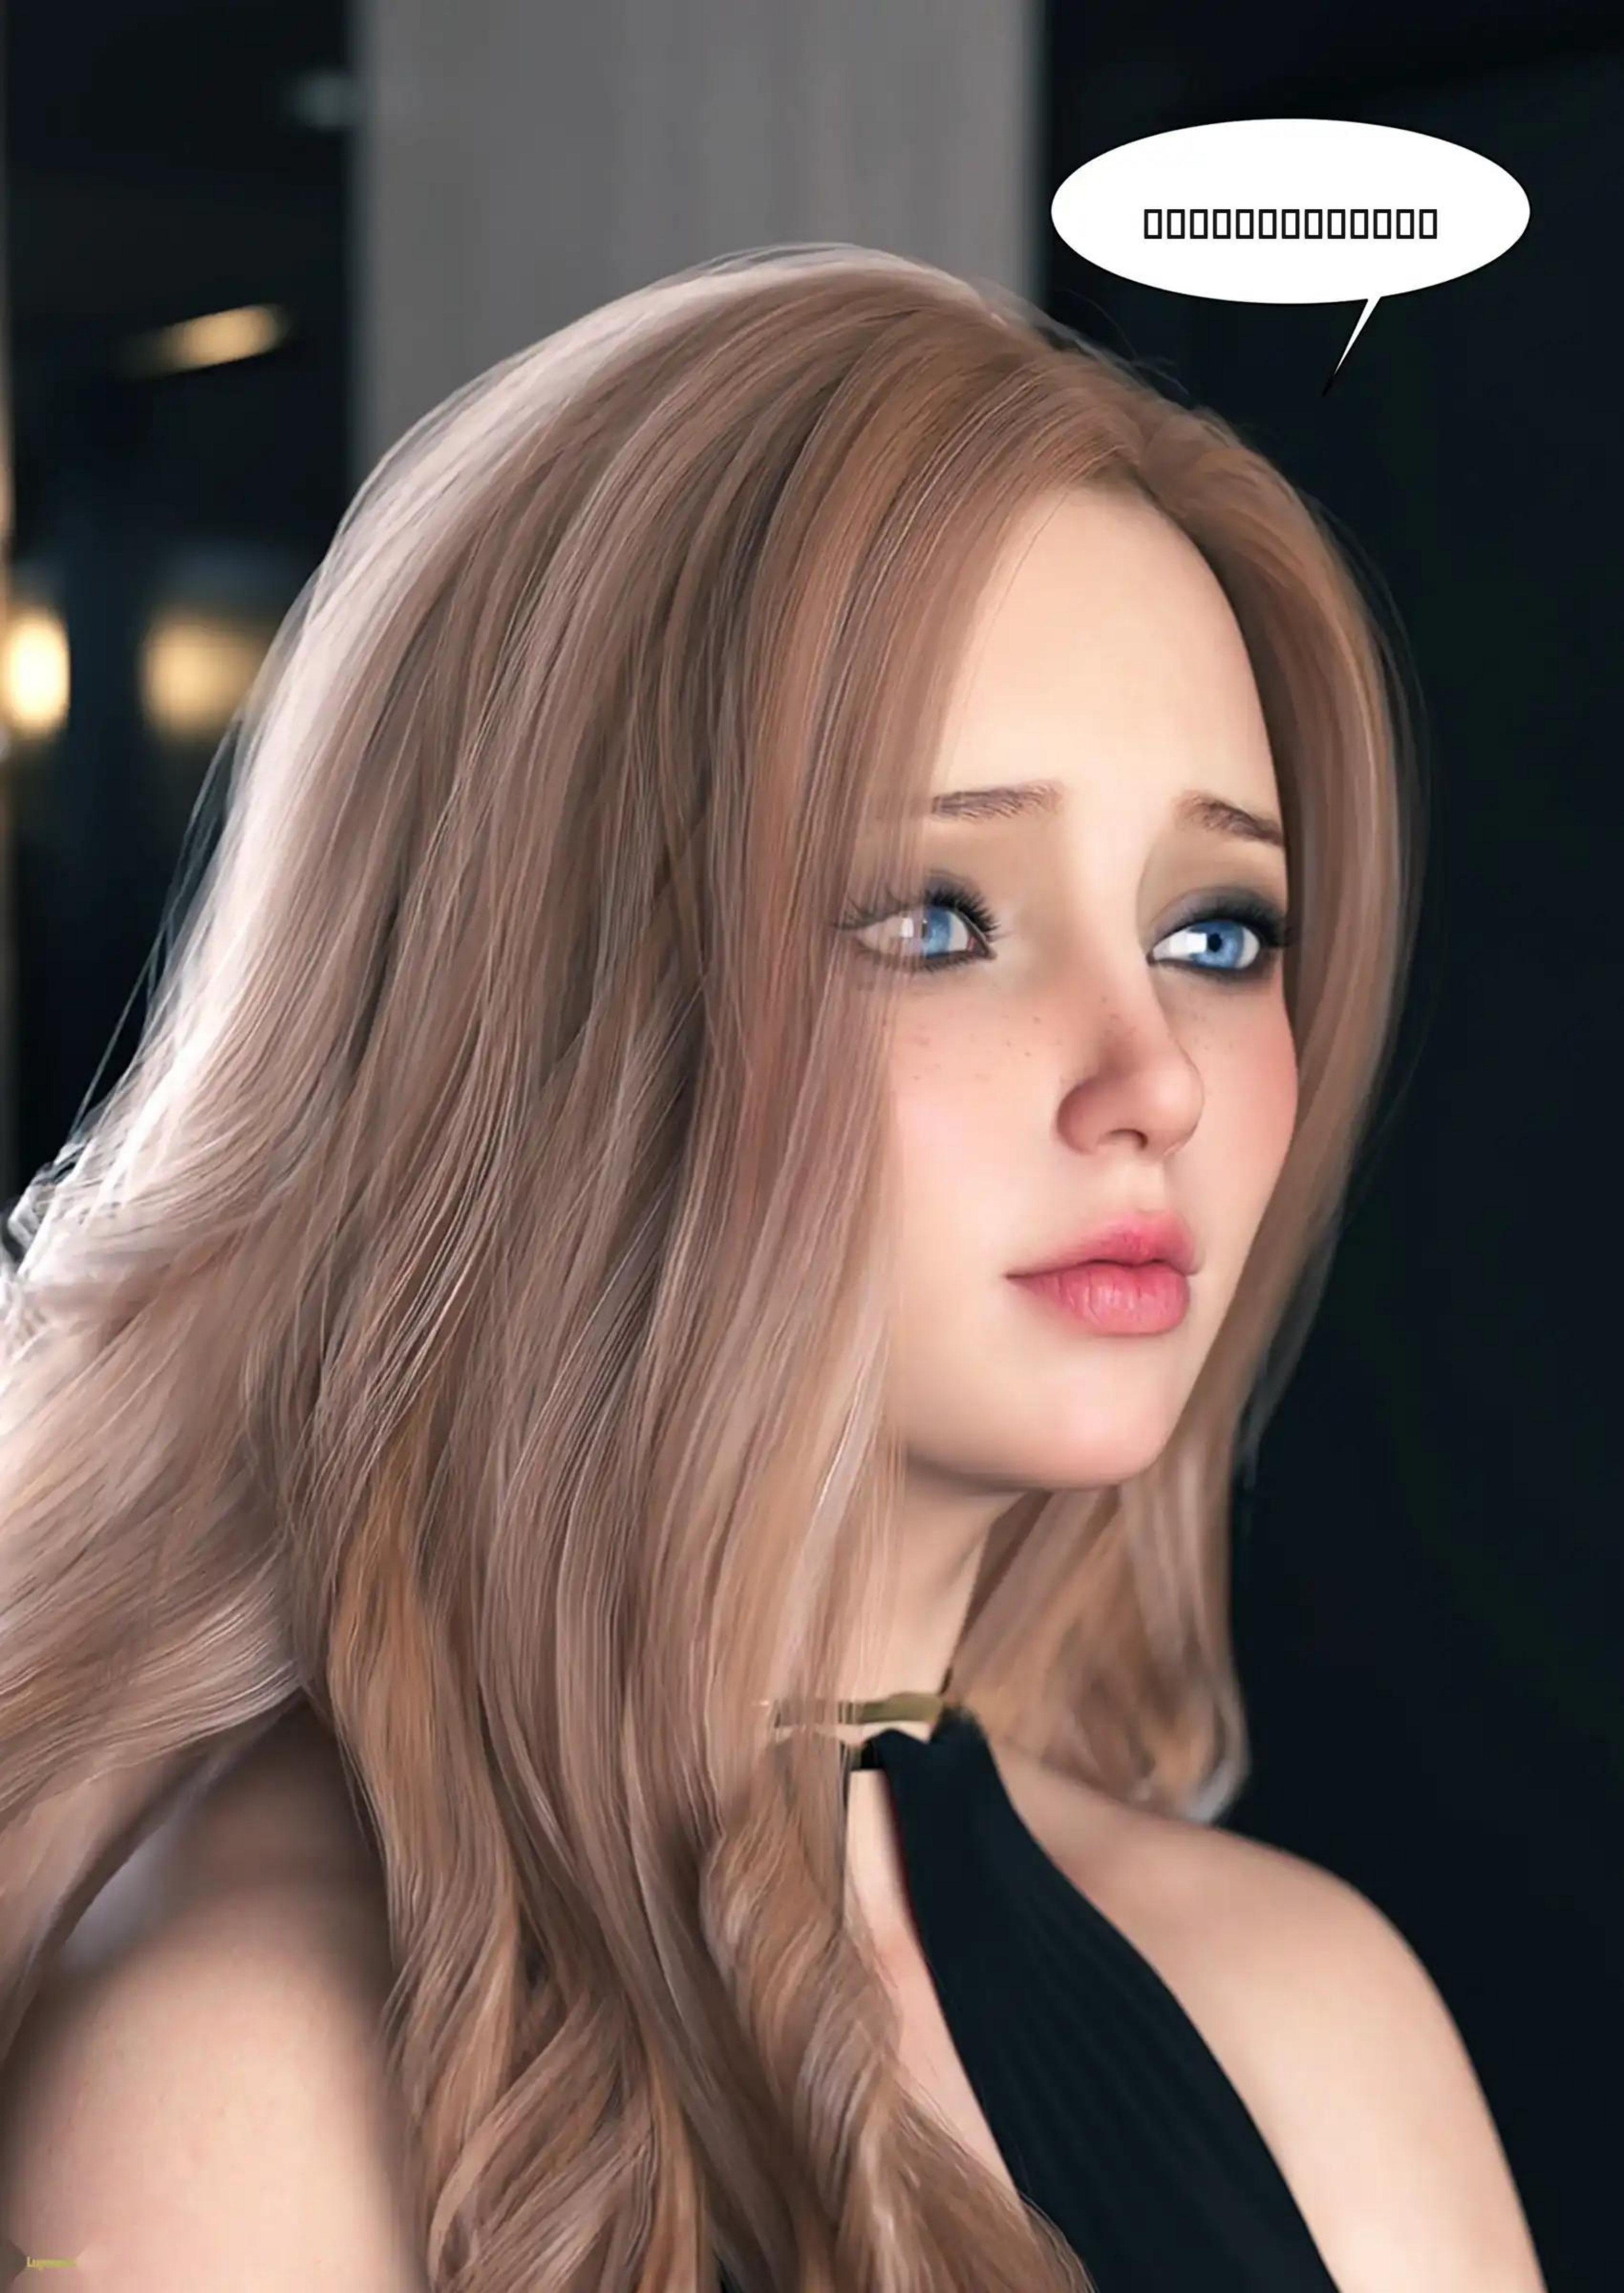

I want to take this opportunity to continue enjoying my life as a mom! Let Lao Shao stay in the toilet for a while,

**They are all
boys wearing
women's skin!
really! He is just
like us,**

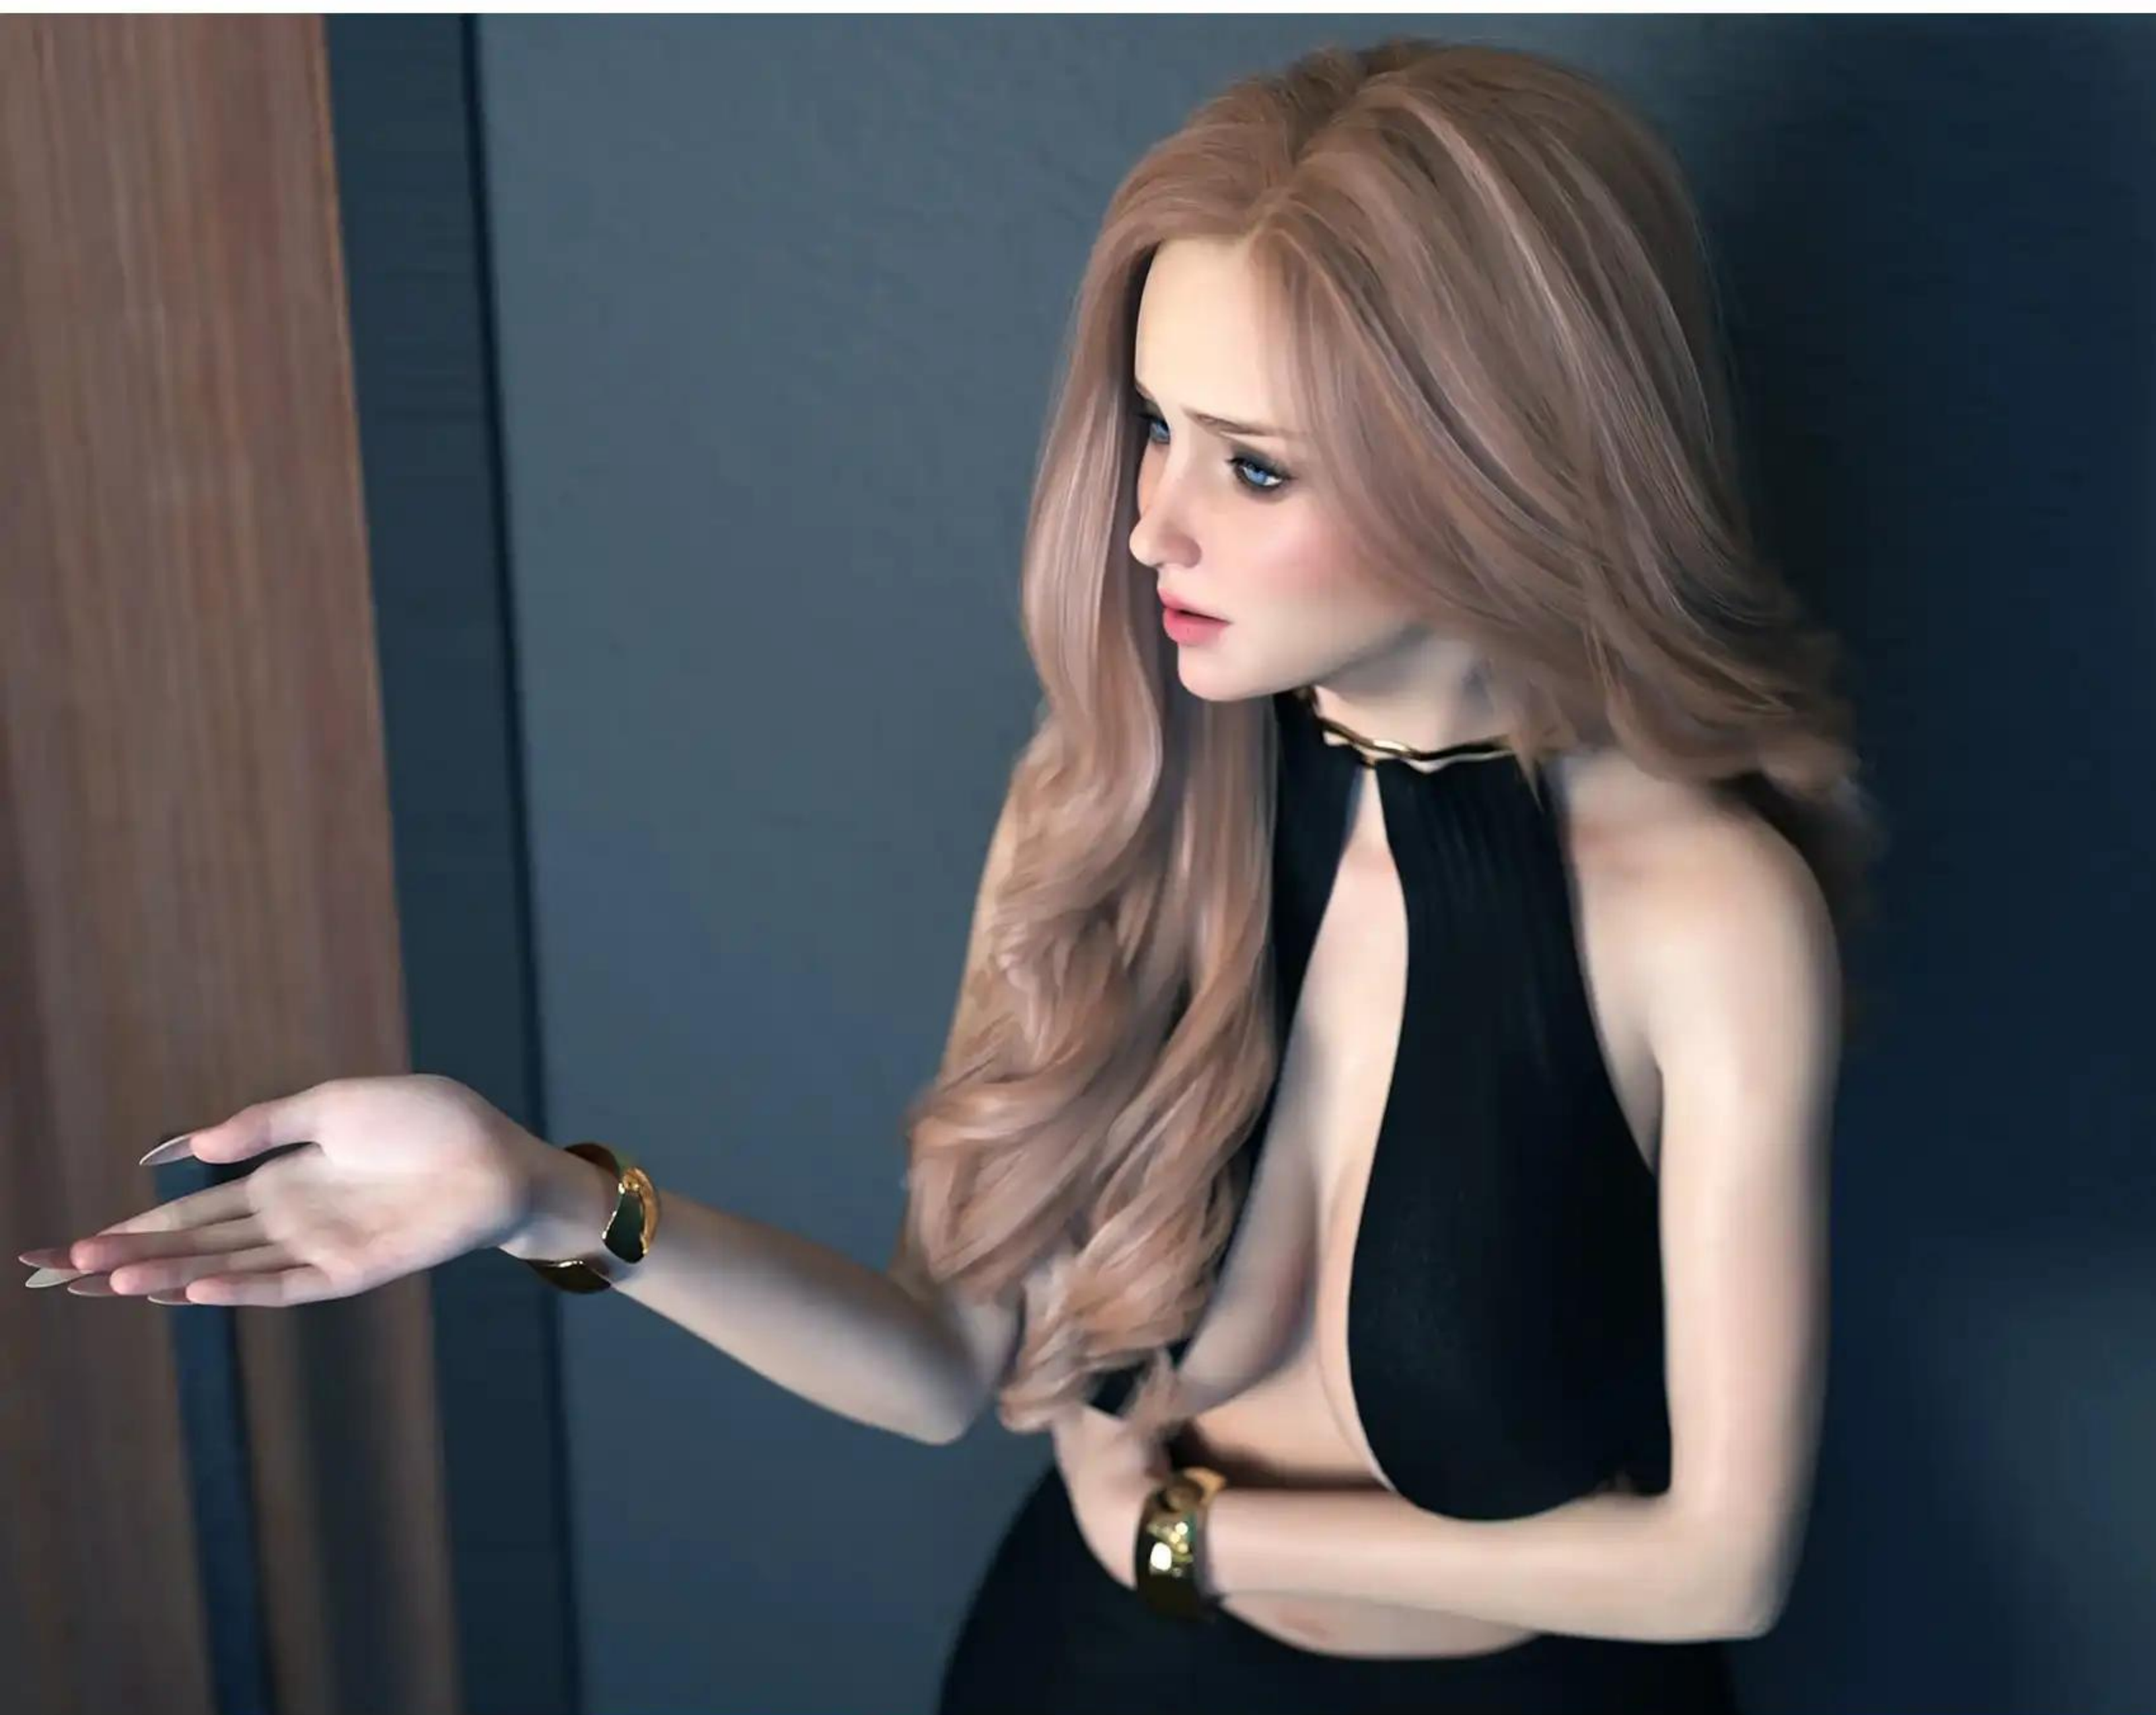

**Could it be that
Lao Shao stole that
leather gun from
him? I always feel that
the person who comes
here is not kind, just
listen to his tone,**

Are you looking for me because...? So this brave brother,

We can only show weakness first! Now I know nothing about the situation;

For what
else? Of
course it's for
the leather gun
you took
from me!

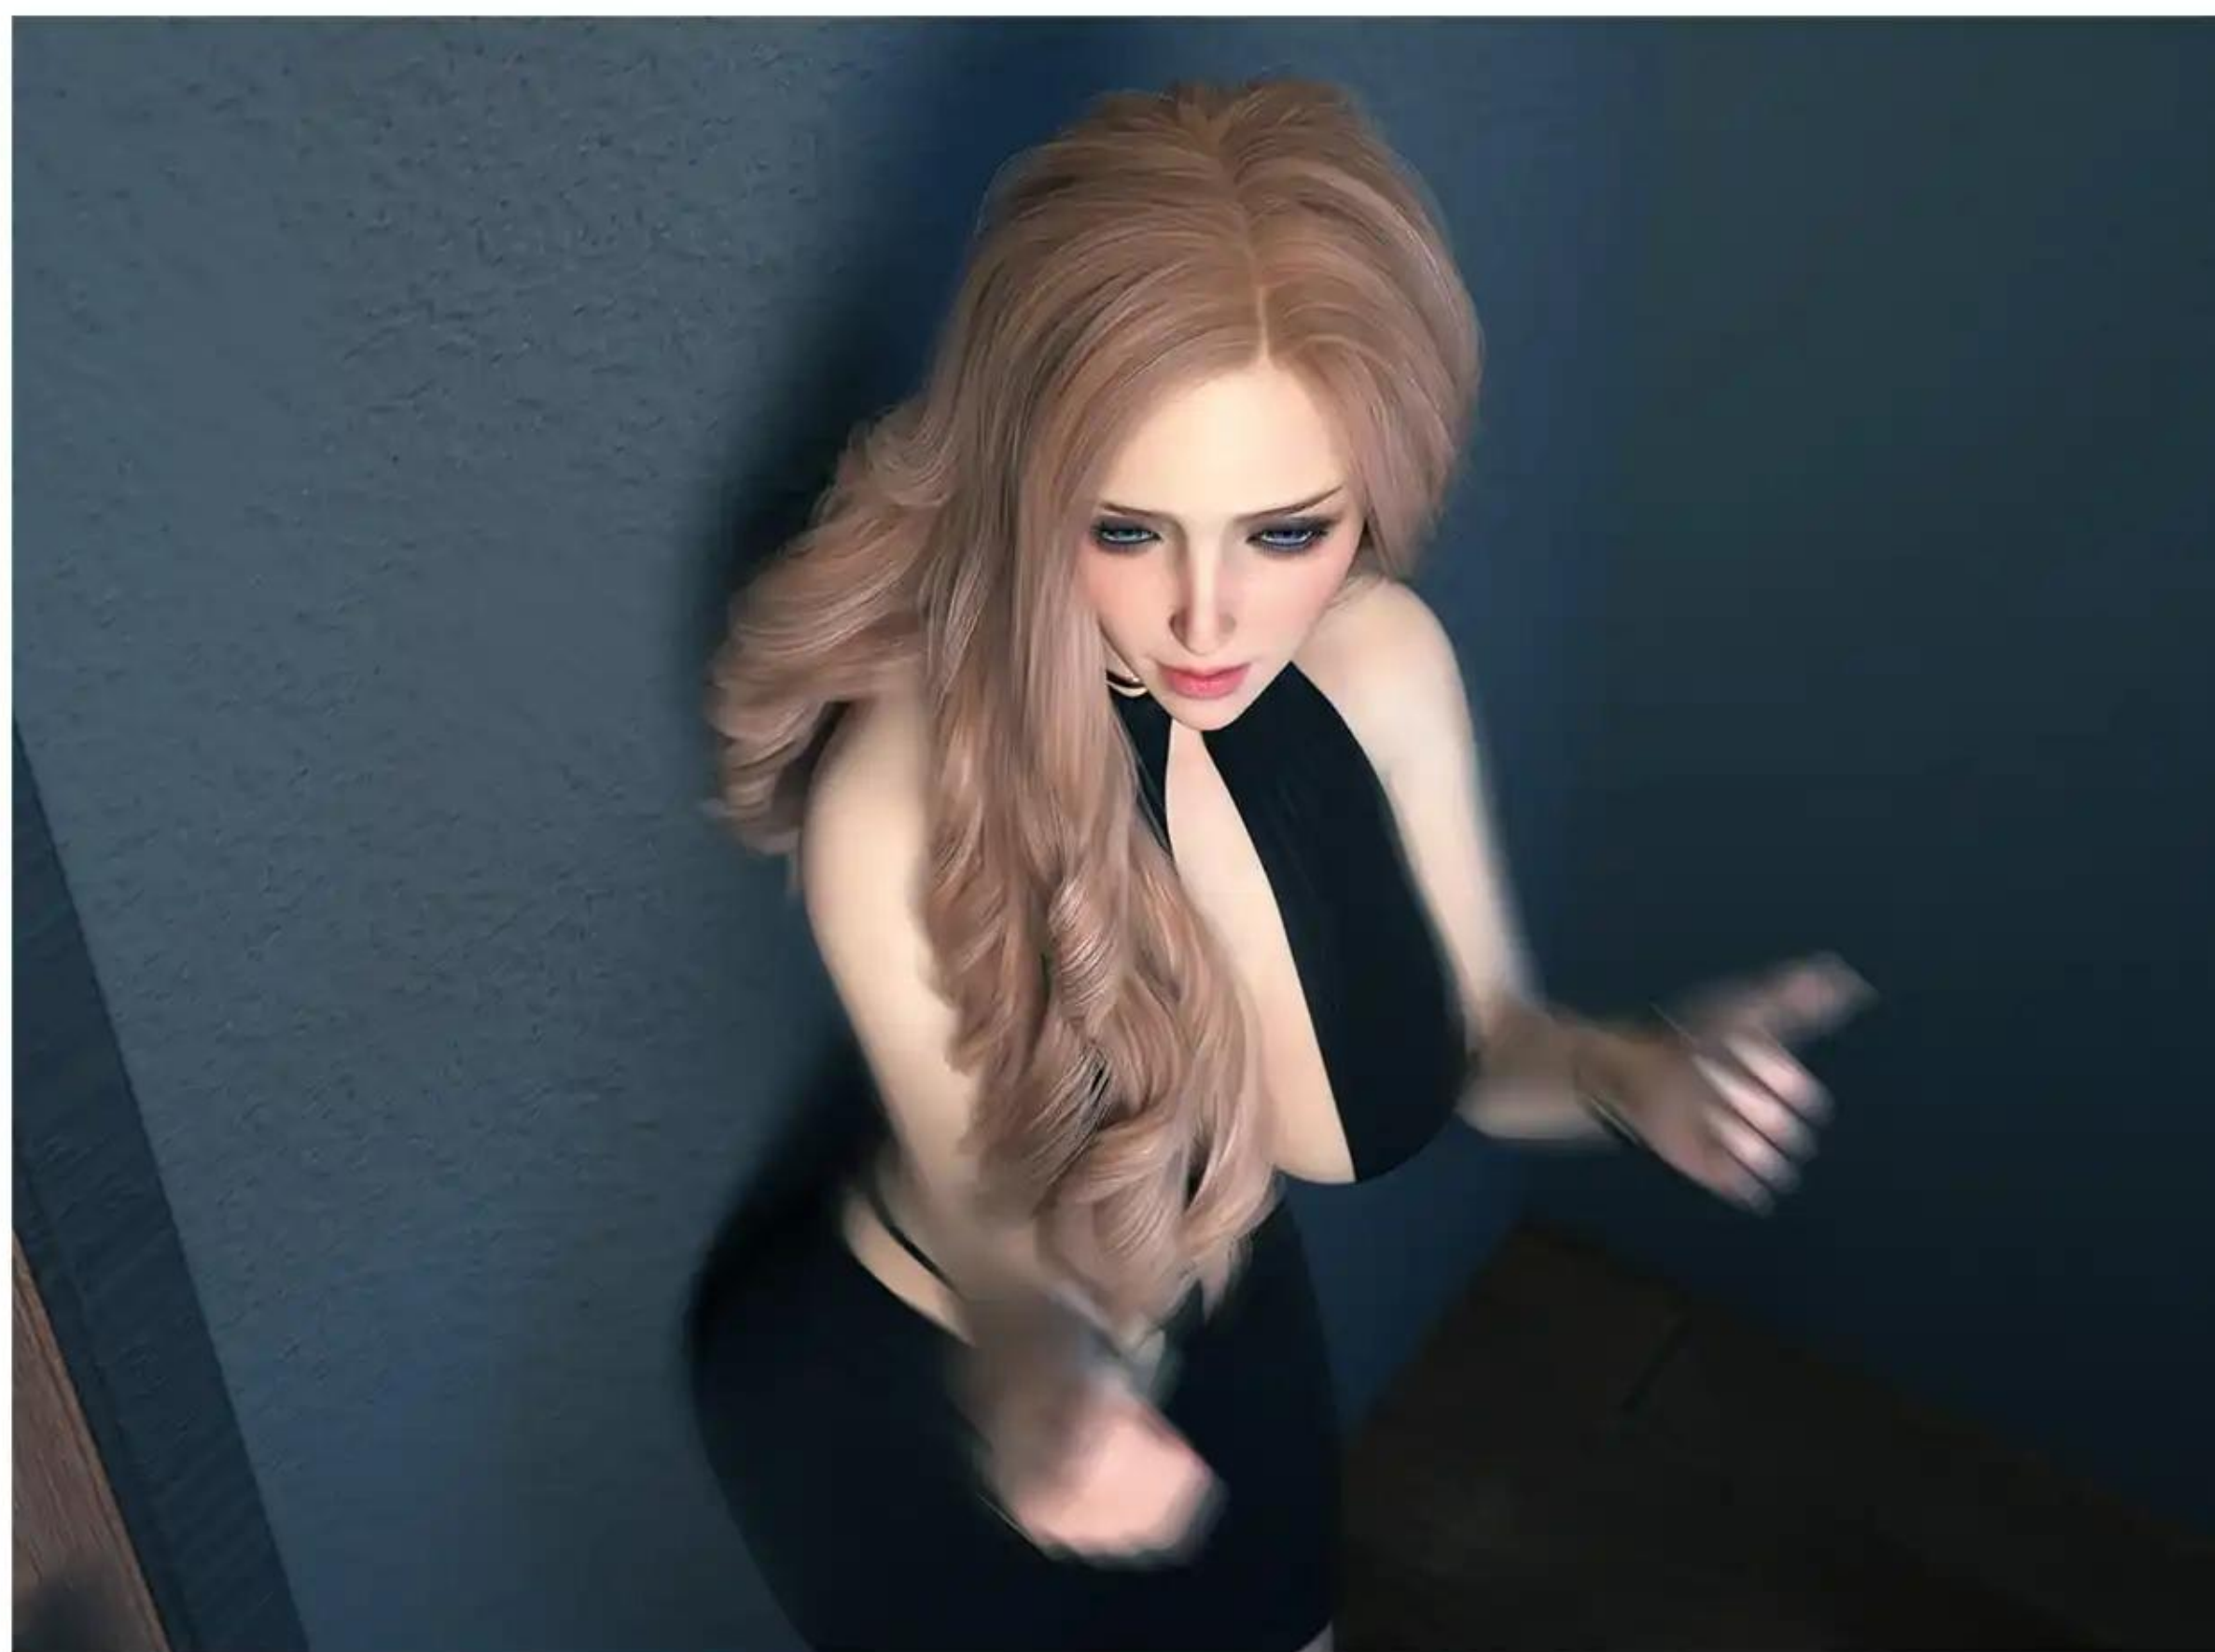

The leather gun has already been picked up by you! I accidentally dropped it on the road that day after I used it. I didn't put it away until I found out when I went back to look for it.

I can only live pretending to be her. I can't restore this skin without the gun.

I have to be trapped in this skin! But even if I have her memory, I just like the appearance of this foreign girl, and I don't want to teach the tongue-twisting bird language at all, but because of you,

Come on, give me the leather gun! I finally found you after a lot of hard work,

Did he happen to be
picked up by Lao Shao?
He accidentally lost it when
he was using a leather gun.
Well... from what he said,

You seem to have
mistaken me for Lao
Shao? But how did he
find us? It seems that the
information he has is
not that complete!
And his tone

Maybe I
can use this
to get some
information.?

How did you
find me? But you
can just tell me, I
understand.

I also hired a private investigation agency, and finally found you! I finally managed to adjust the monitor. It took me a lot of effort to find you. It's about throwing away money and selling out beauty.

This matter wouldn't have become a big deal, otherwise... Humph! I am a guest, and now you are an employee of the hotel. Hand over your gun obediently.

How can I give it back to you? Even if you say so, I don't have a leather gun with me.

Besides, how are you going to prove the origin of this leather gun? Is that leather gun yours? Why don't you bother me and tell me,

Otherwise, where
do you think this skin on
my body came from?
This...that leather gun
was originally mine,

I know this leather gun. Where did you get this leather gun? But what I want to know is that it was originally in your hands

This makes me really want to know its origin! It feels like it's beyond the scope of human technology. Such a magical thing,

I, I can't say...
this... this... is
confidential,

Just return the
things to me! Knowing
too much is not good
for you! You, don't
worry so much,

Always feel a little strange? How about trying to deceive him? Um? Look at her look, (He Manhua's heartfelt voice)

Why do you care about secrets? I already know about the existence of leather guns.

Then I'd better put on the leather gun. Could it be that you also picked up this leather gun? If that's the case, let's see how you look and hand it over to the relevant unit.

You actually want to hand in the leather gun? What? You are crazy! What's in it for you! Once the secret of the leather gun is known to others,

What if you use it to do bad things! There's nothing I can do about it. I don't dare to hand it over to you casually. If you can't explain the origin of such a powerful thing,

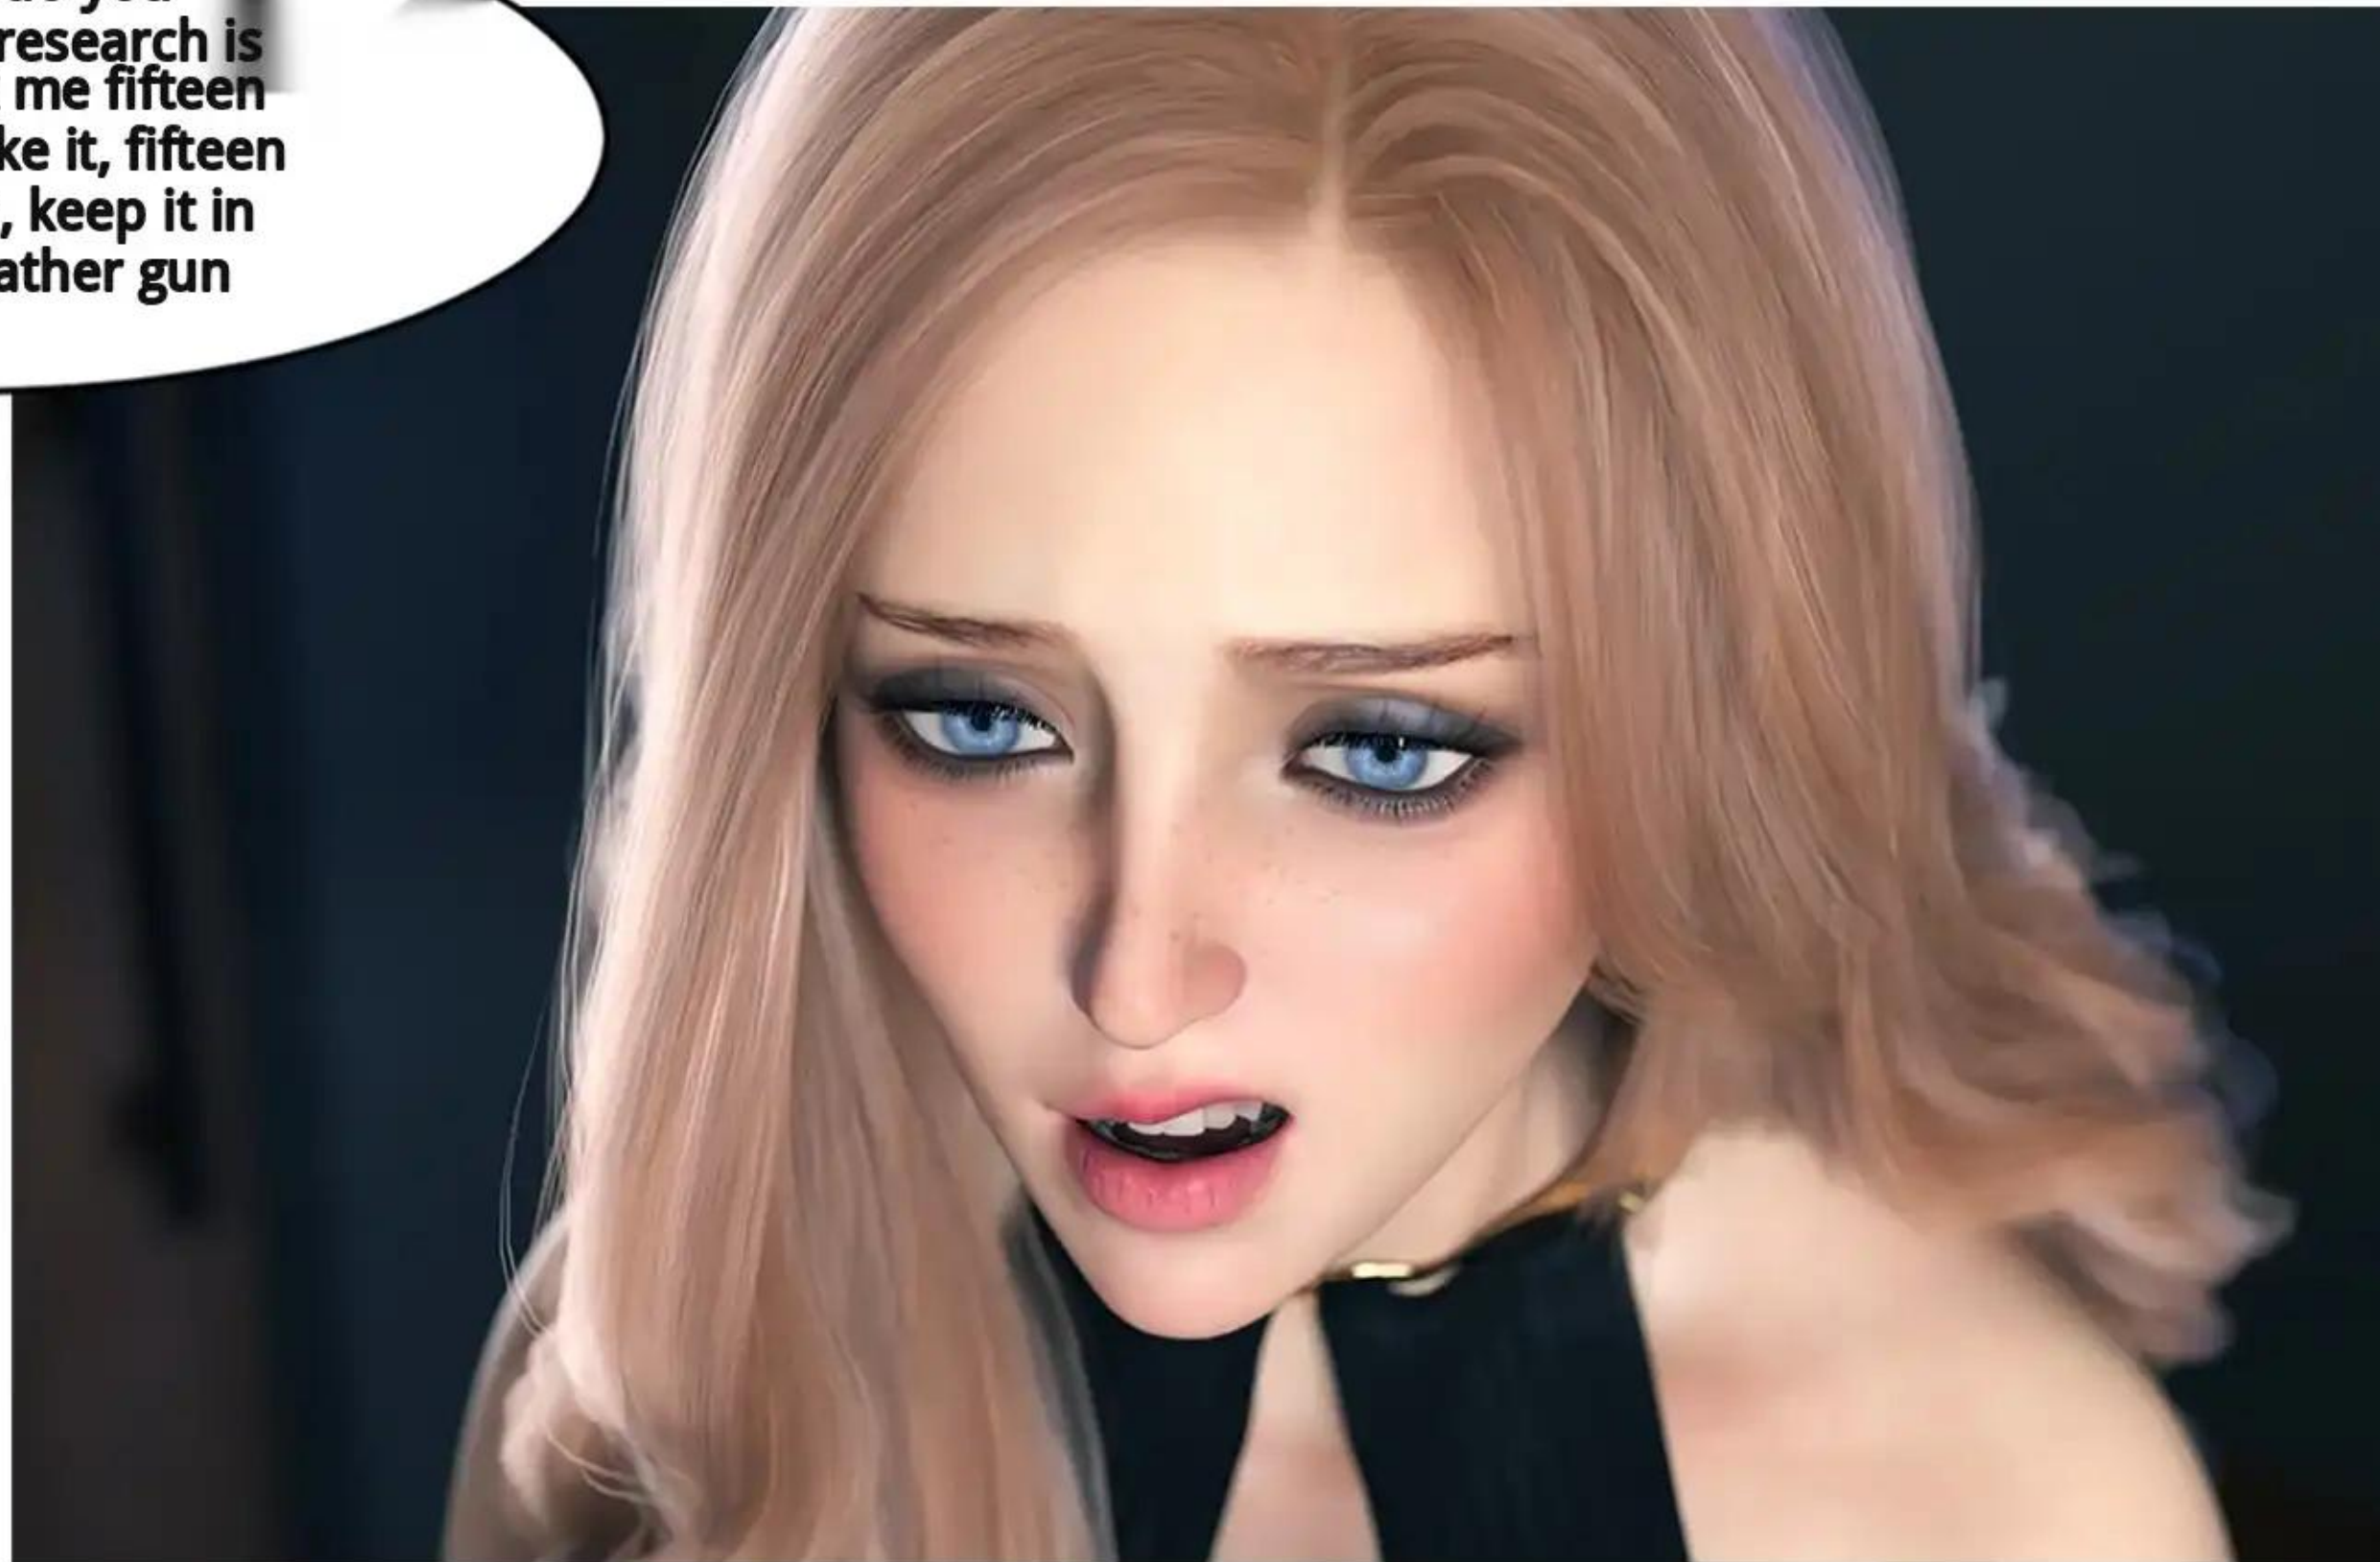

Really, I am afraid
of you! You! Ahhh,

So you must not let others
know, do you understand? This
leather gun is the latest product
independently developed by me! But
because it is still in the testing stage and
involves some human experiments,
which violates scientific ethics, I
will tell you honestly.

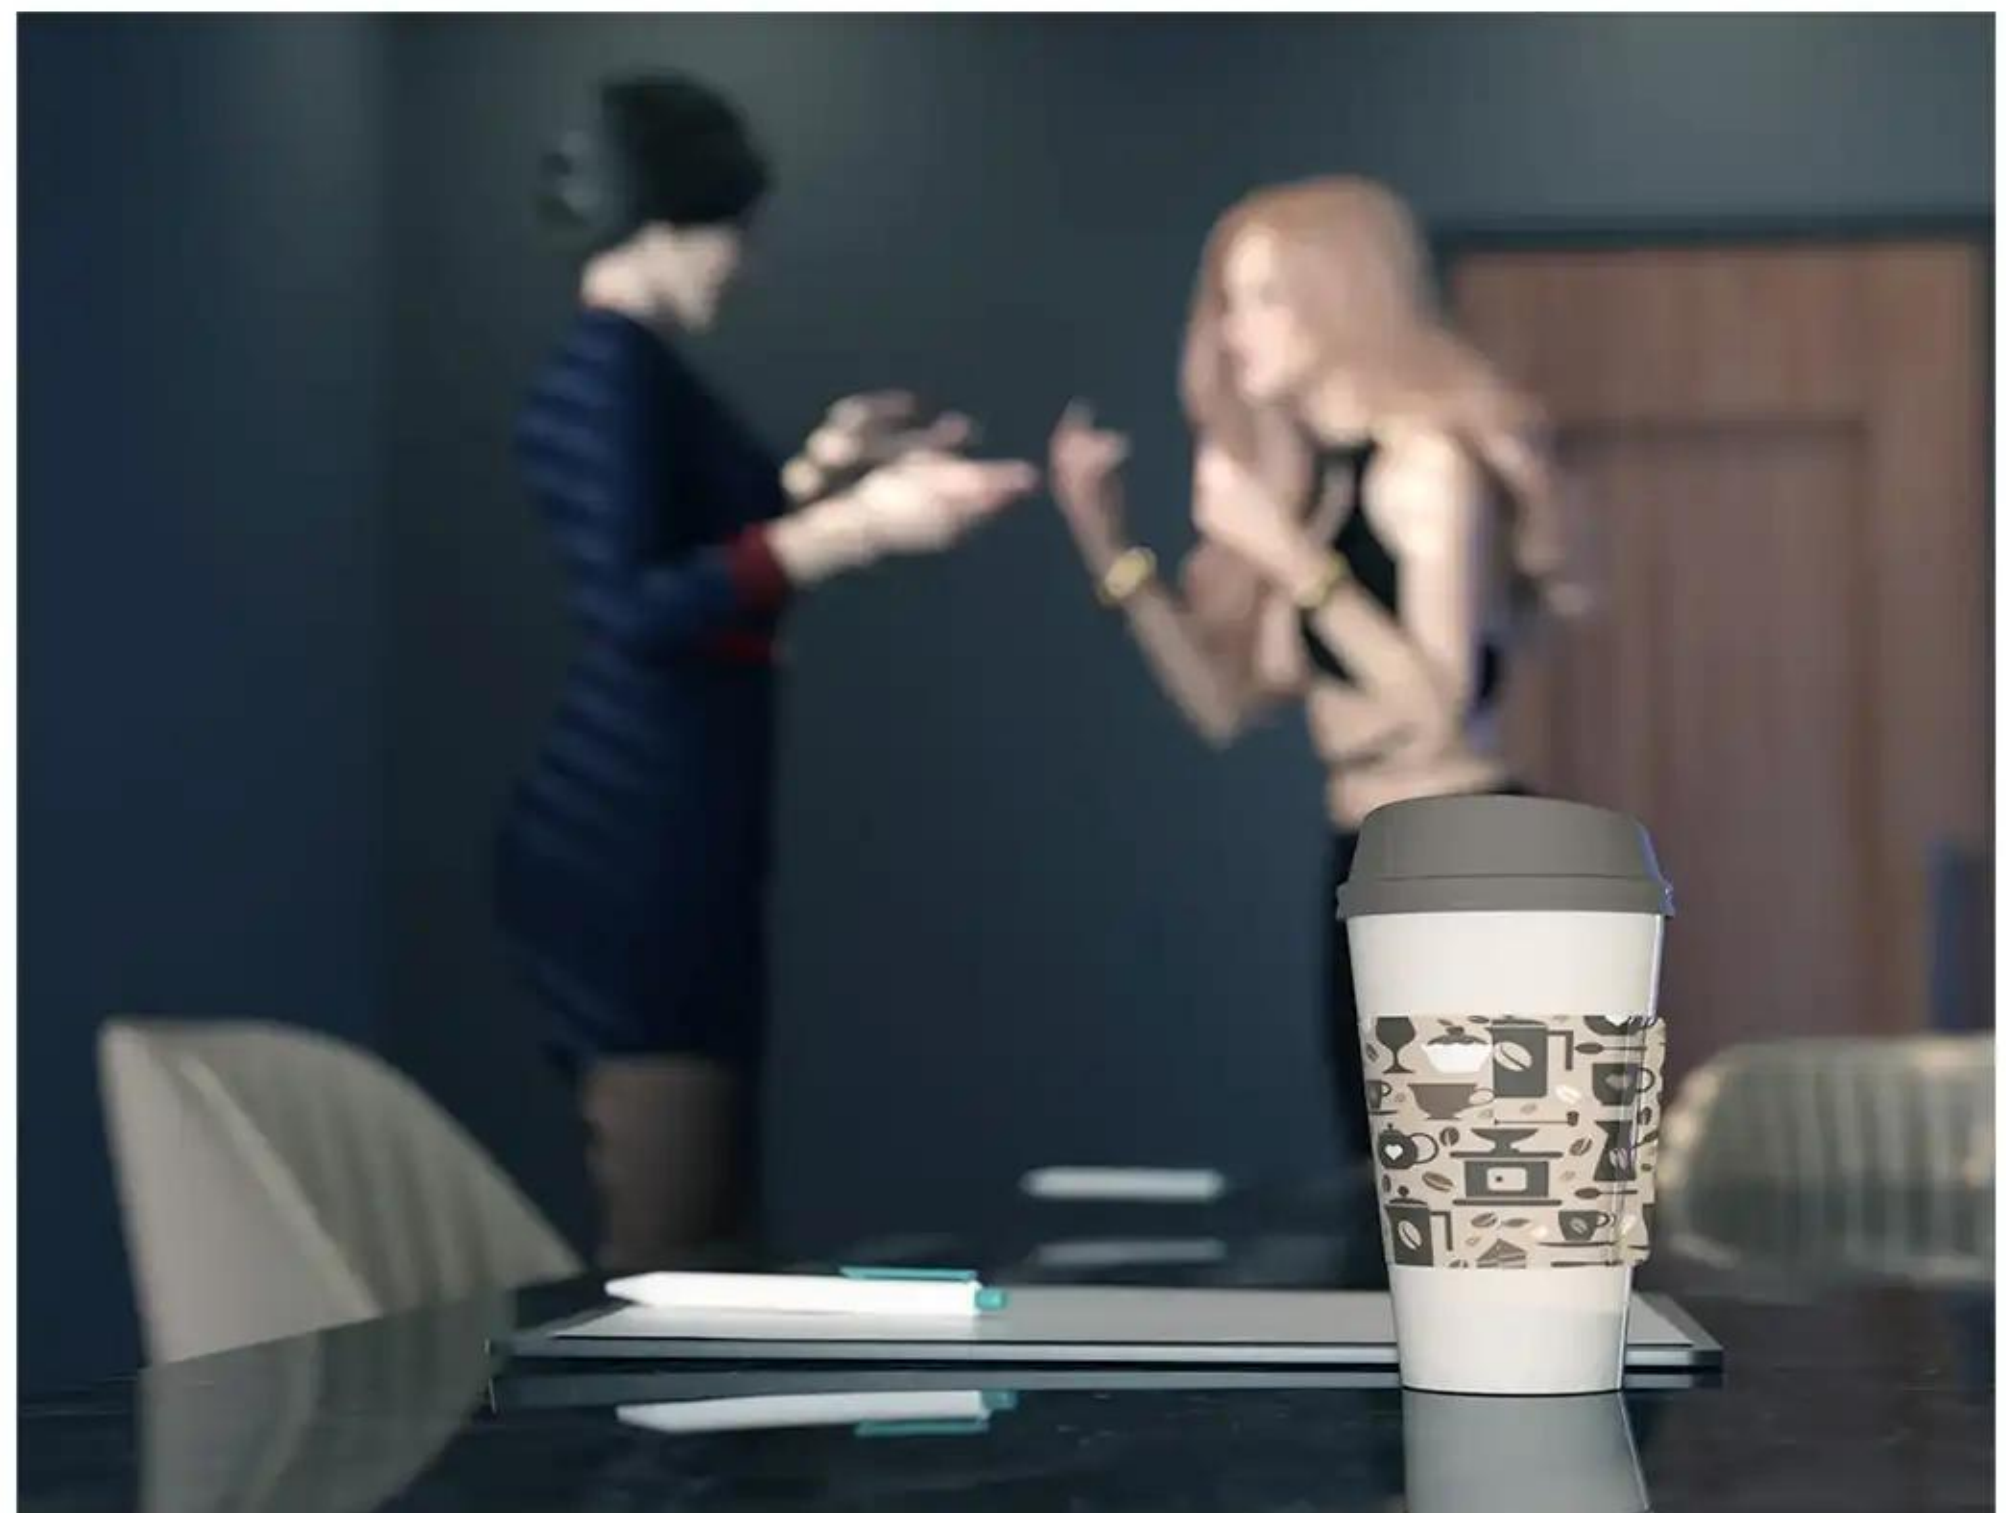

...are you an inventor? Wouldn't it be nice if you did it again? It doesn't look like it! And if the leather gun is independently developed by you,

Putting aside a lot of my data, do you think scientific research is so easy? It took me fifteen years just to make it, fifteen years! Children, keep it in the original leather gun

Whose skin does this
on your body belong to?
Your mother, your sister, or
some lady you have a crush on?
I assume you are still at school
age? What, are you determined
to keep the leather gun for
yourself? I said, kids, let's
have a good talk.

If I don't care who
she is, you will be able
to change her back one day,
right? If you tell her all these
things, what do you think will
happen? I've already
written down her name
and job position.

This is not possible!
There will definitely be
some doubts! Even if she
didn't immediately believe it
when she heard about the
leather gun, mom was already
wary because of her
memory confusion.

Oh, okay,
I'll just give you
the leather gun!
You, don't be
impulsive!

Can you give me your room number and I'll deliver it to you later? YouSO, have booked a room in a hotel, right? It's just that I really didn't have the leather gun with me.

I'm still working here, I can't run away! Don't worry, just like you said,

I'll believe you just once. The monk can run away, but he can't run away from the temple, um... ok,

Should I pay some interest? But you borrowed my leather gun for so long

You...you want money, right? Profit, interest?

Of course what I want is...why would I ask for something tacky like money?

And
Futa
beauty

?!!!

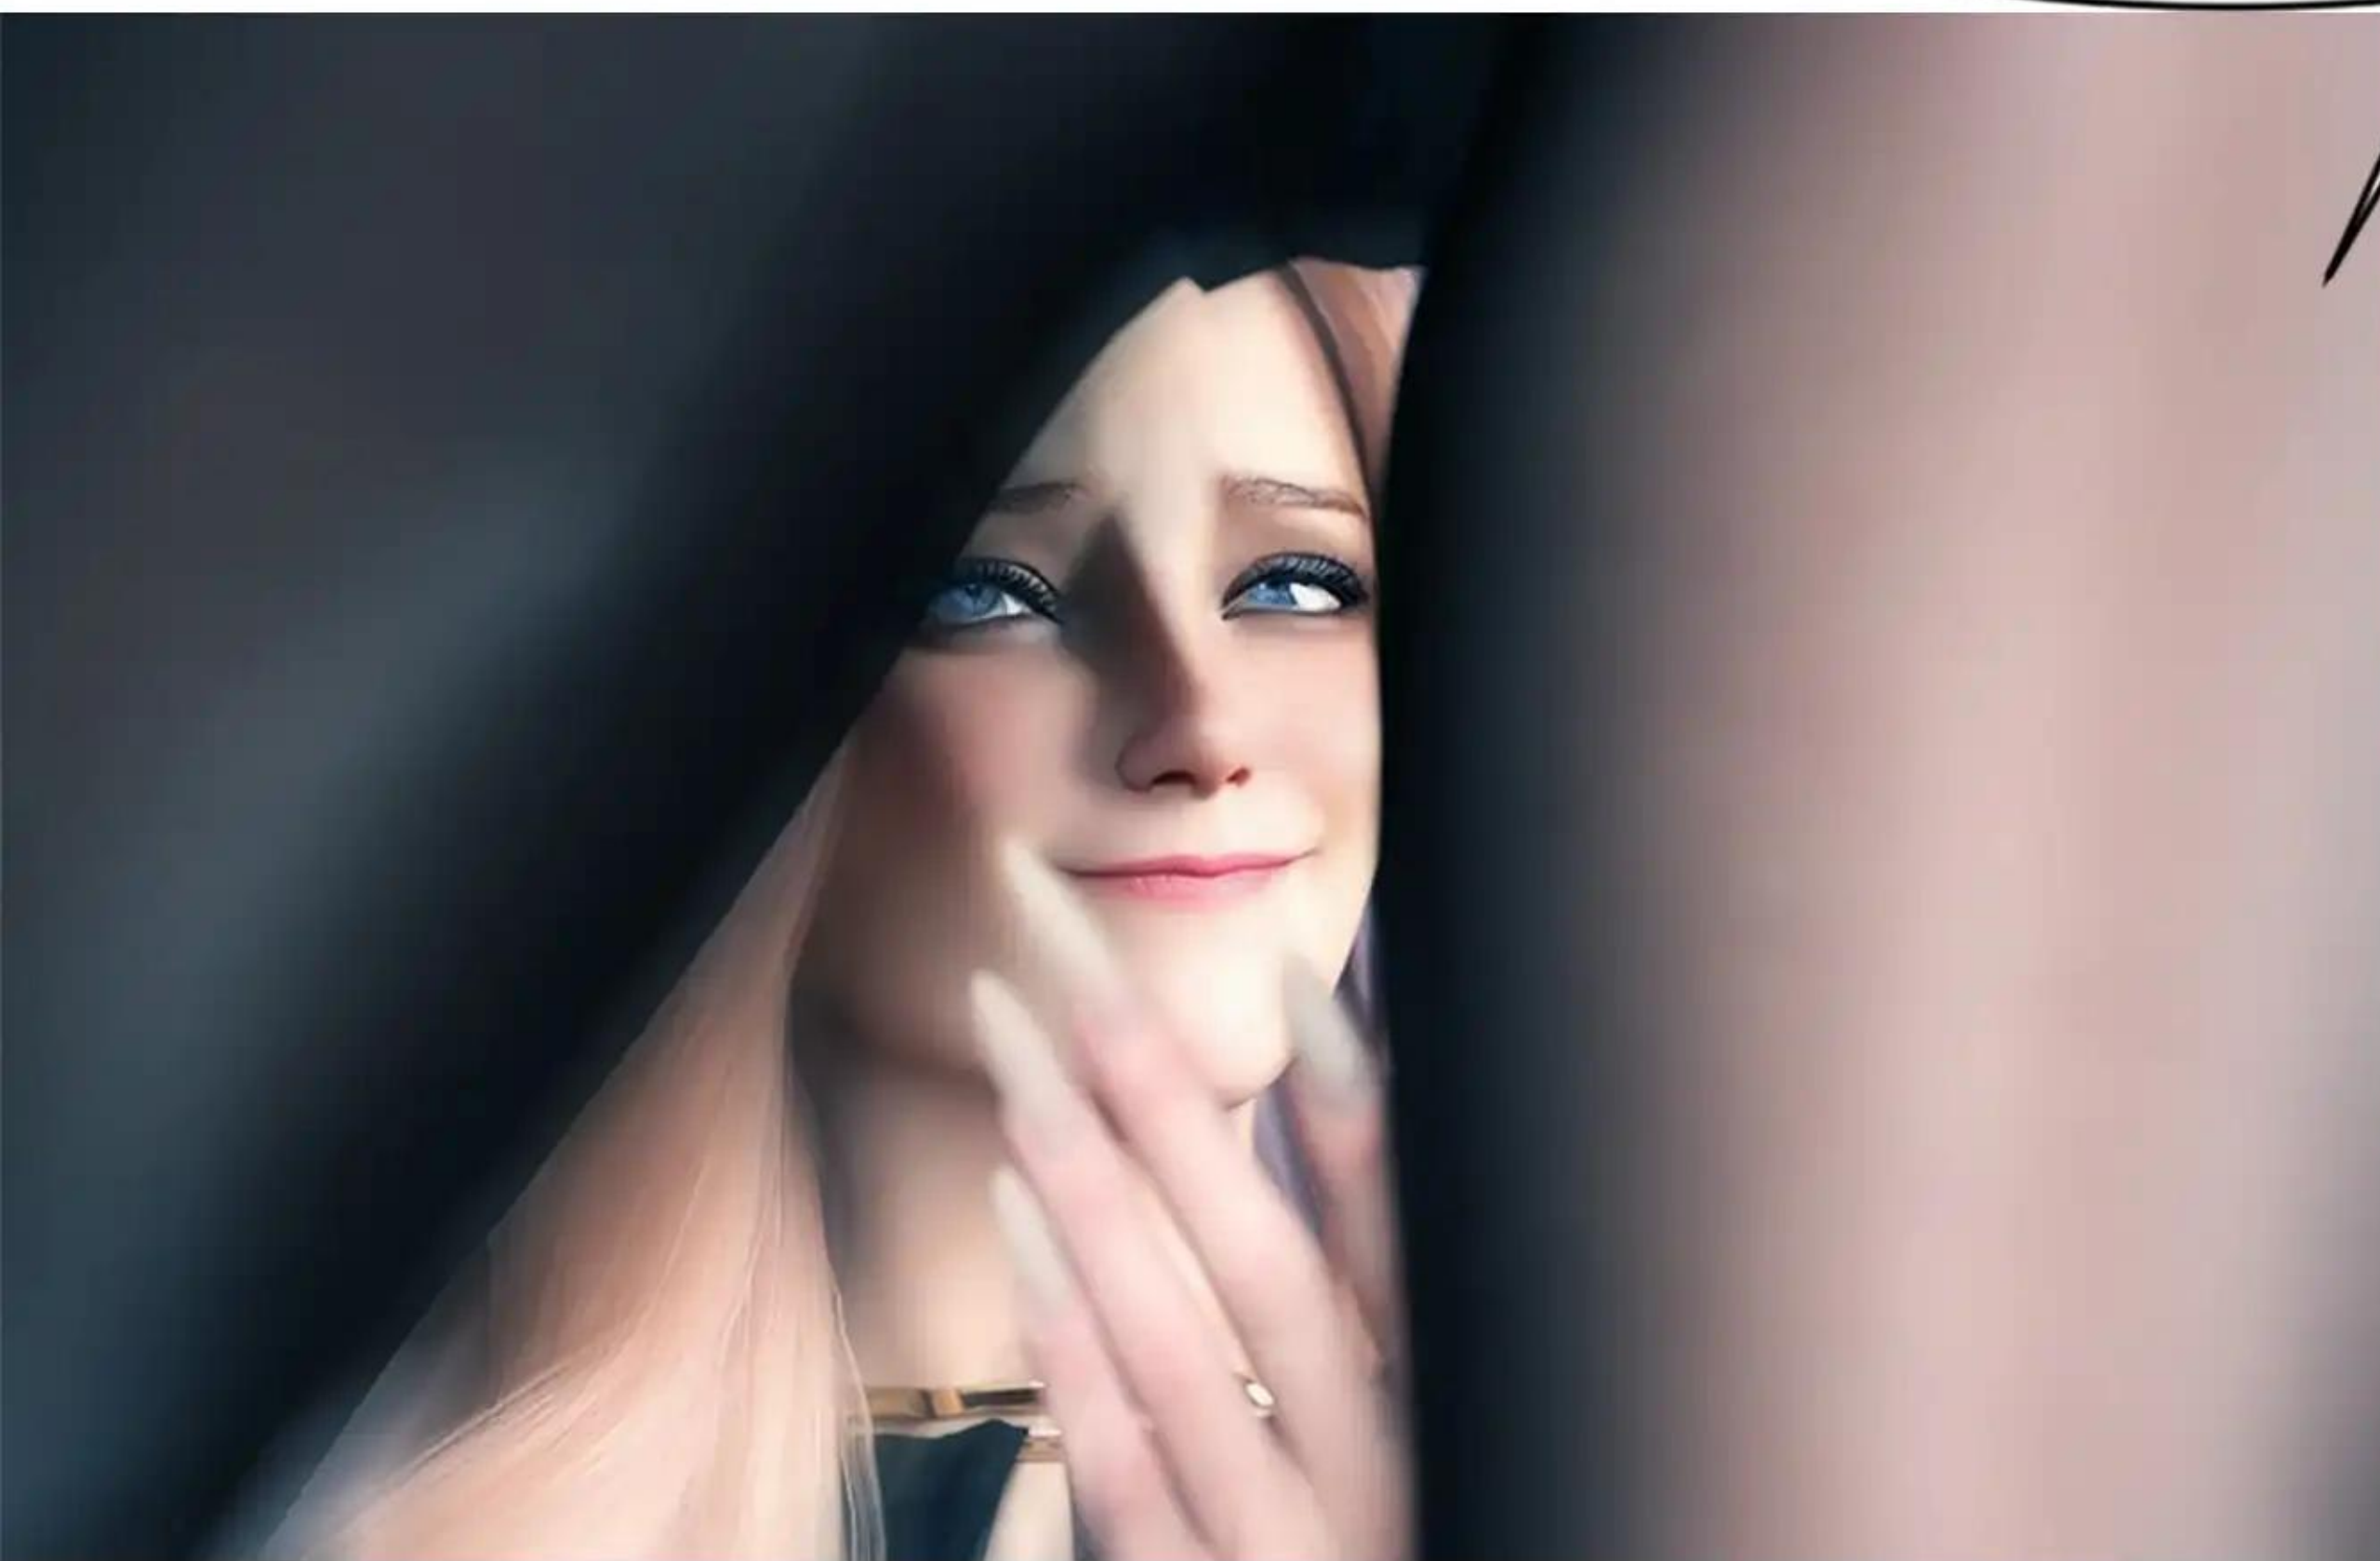

Hey, it's right for you
to make me feel trapped
so you can let me have some
fun, right? This skin has been
in the skin for so long,

What's more,
my skin is just for
fun with a
fair-skinned beauty,
so you won't suffer
any loss, right?

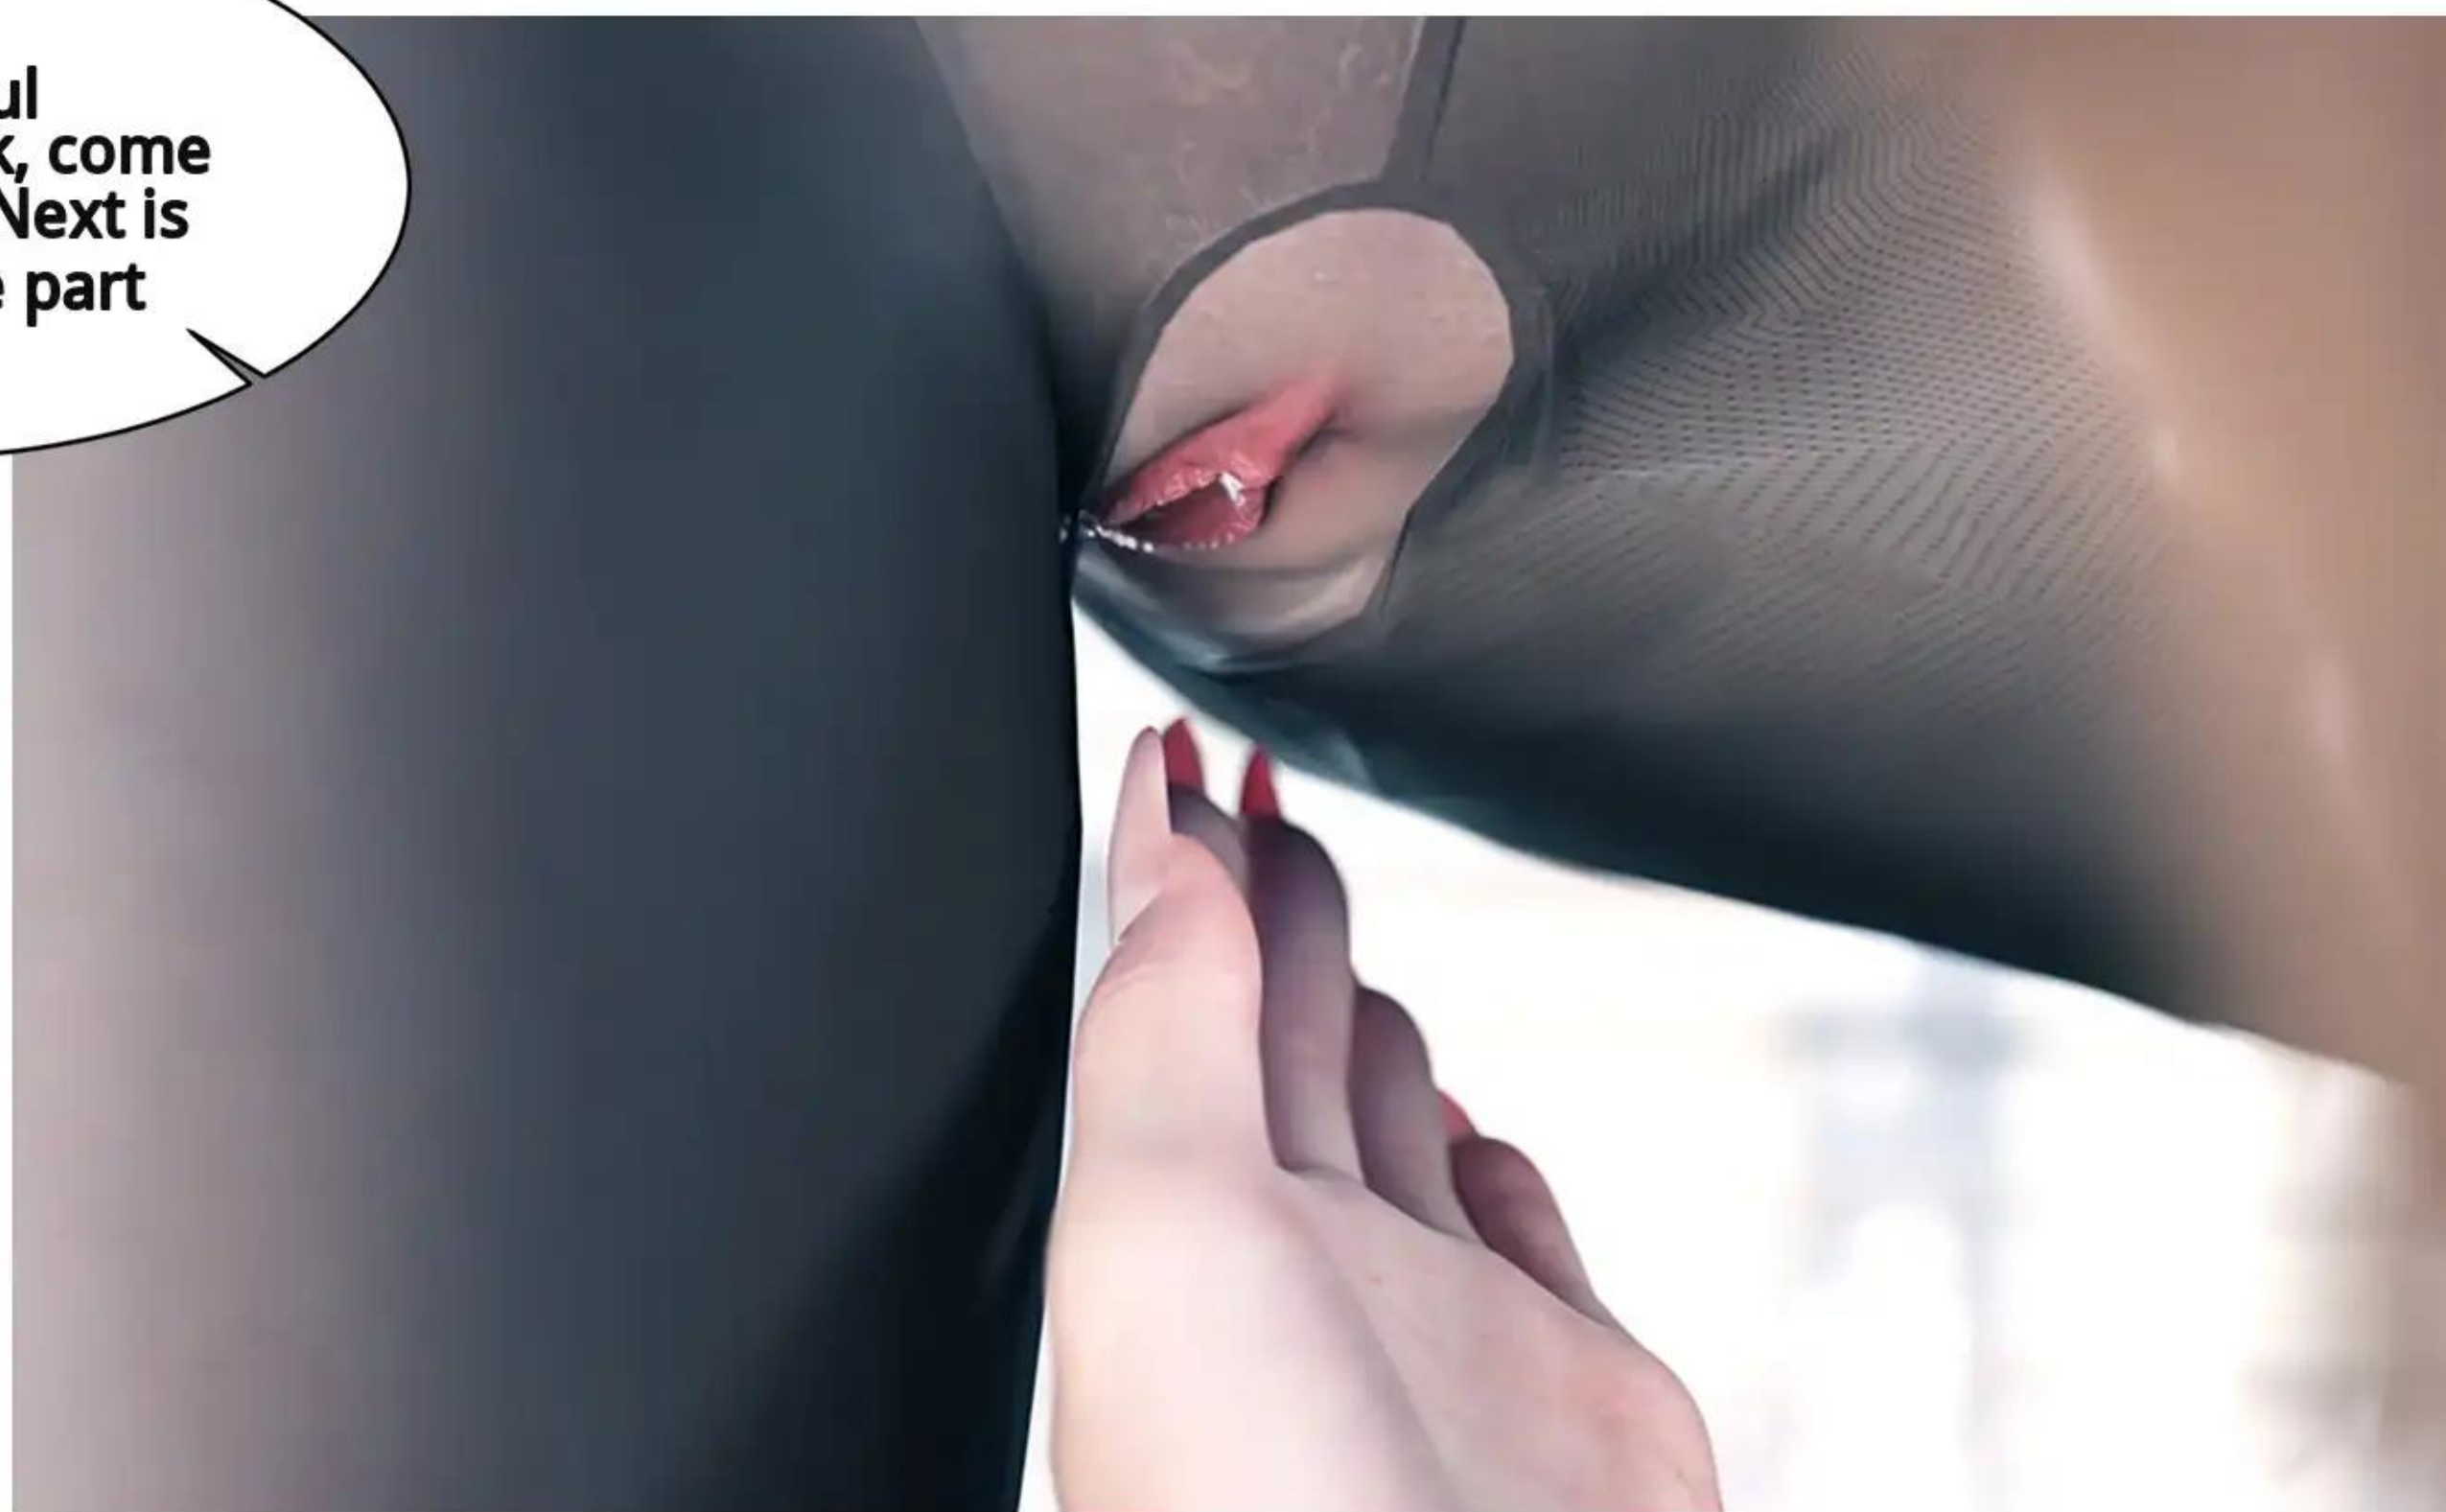

The beautiful woman was taken over by a man, which completely touched my sexual fetish! I like the Futa and sex transfer works the most. The sexy female body has a male cock, haha~ you don't know

Unexpectedly, the appearance of leather guns made me realize my long-held dream, which I originally thought I could only rely on comics and novels for comfort in my life! This is my special sexual fetish

Beautiful woman's cock, come out quickly! Next is my favorite part

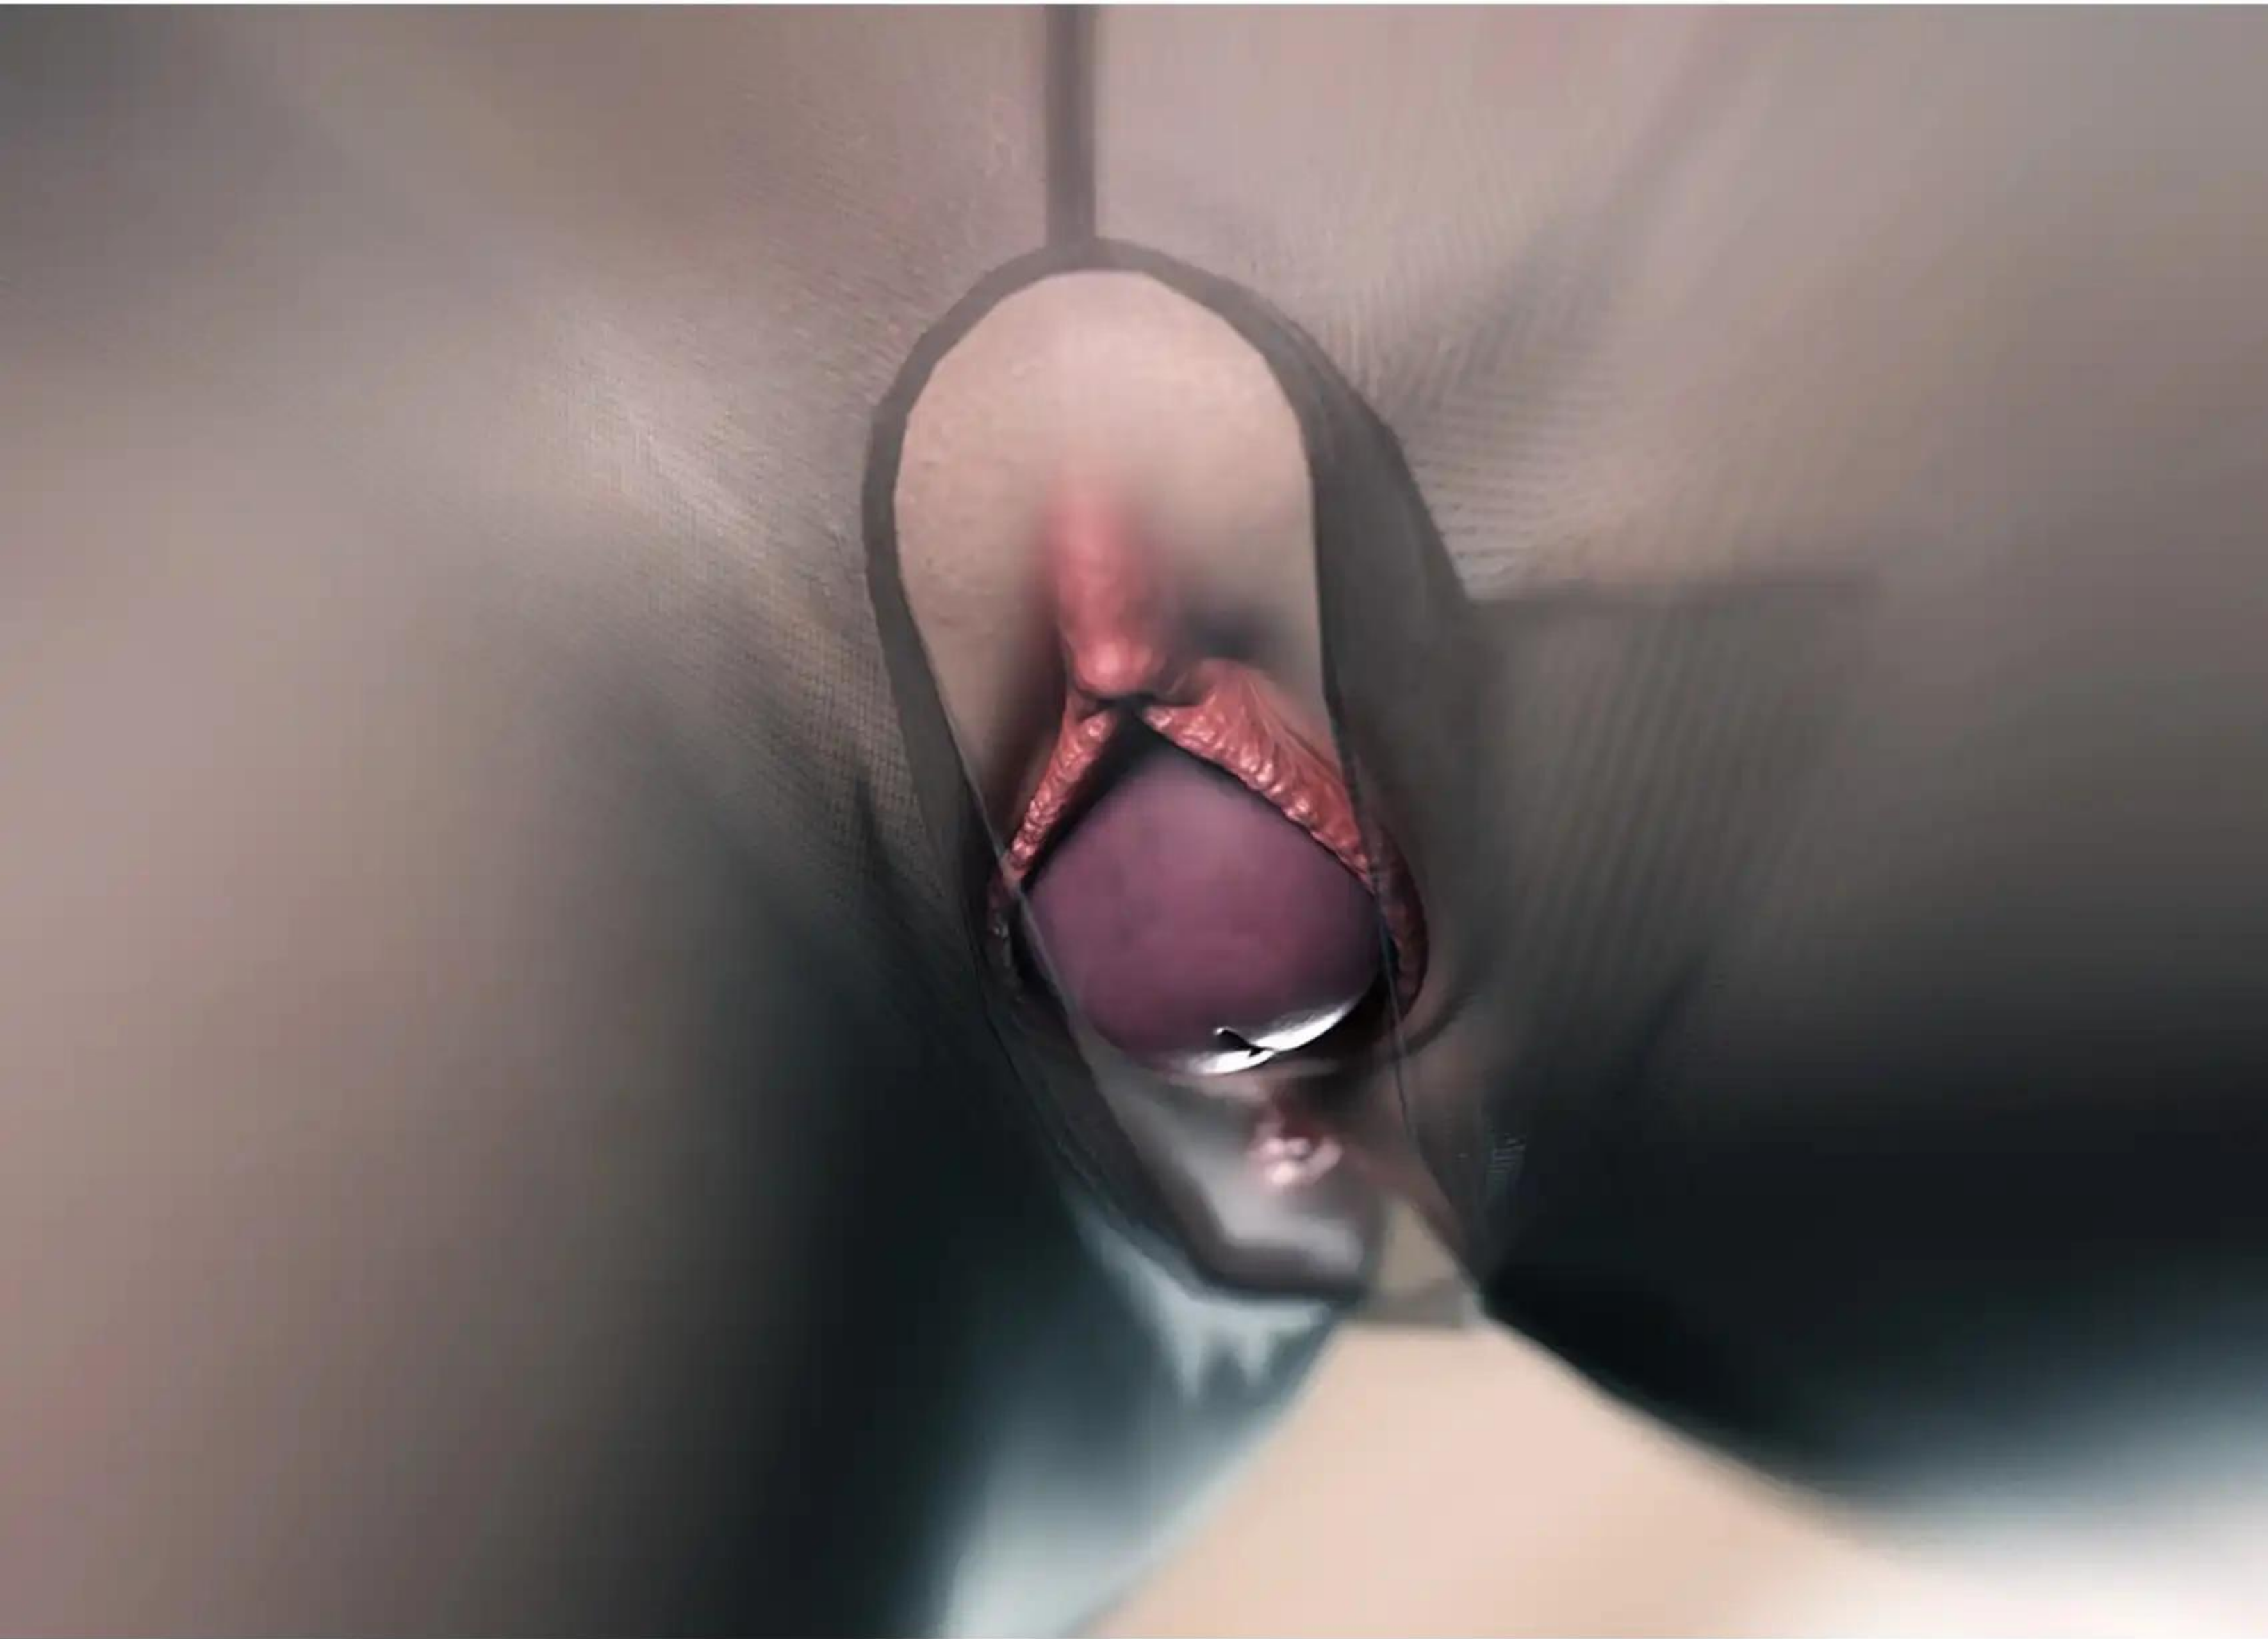

Yeah!
You, wait,
no!

It is completely different
from the pleasure of being
penetrated in the vagina. What on
earth is this... Ming! This feeling as
if something is coming out...
This, this feeling

Will it be possible for me to wear two layers of skin to be discovered? Wait, he's doing this to me,

My cock, my cock, it's not working anymore! Ming... There is a tighter feeling than inserting into the vagina,

My cock
is coming
out
ahhhhh!

Out, out!
Oh oh oh
oh yeah!
Beautiful
girl's cock

No, it's too dick... With such a proud cock and such a pretty face,

I can't wait to taste the beauty's cock!

Do you feel comfortable with me doing this to you? How are you, beauty?

I will. Yeah!
Wait, wait, if you
do it like this,!

This is much better
than masturbating! My
cock was being squeezed
from all sides, moaning....
Her breasts were soft
and elastic,

This perverted pleasure that seemed to take over her body...ah! It's unbearable! Not only did I feel like I was being tightened, but I also saw my dick growing out of my mother's lower body, and my dick poked out from the two skins.

Are you so excited? It's so lustful to take over a woman's body, wow... Beauty, your cock is so hot and hard!

When I think that the beautiful woman in front of me is actually a perverted man pretending to be a pervert, this contrast makes me feel so happy and exciting!

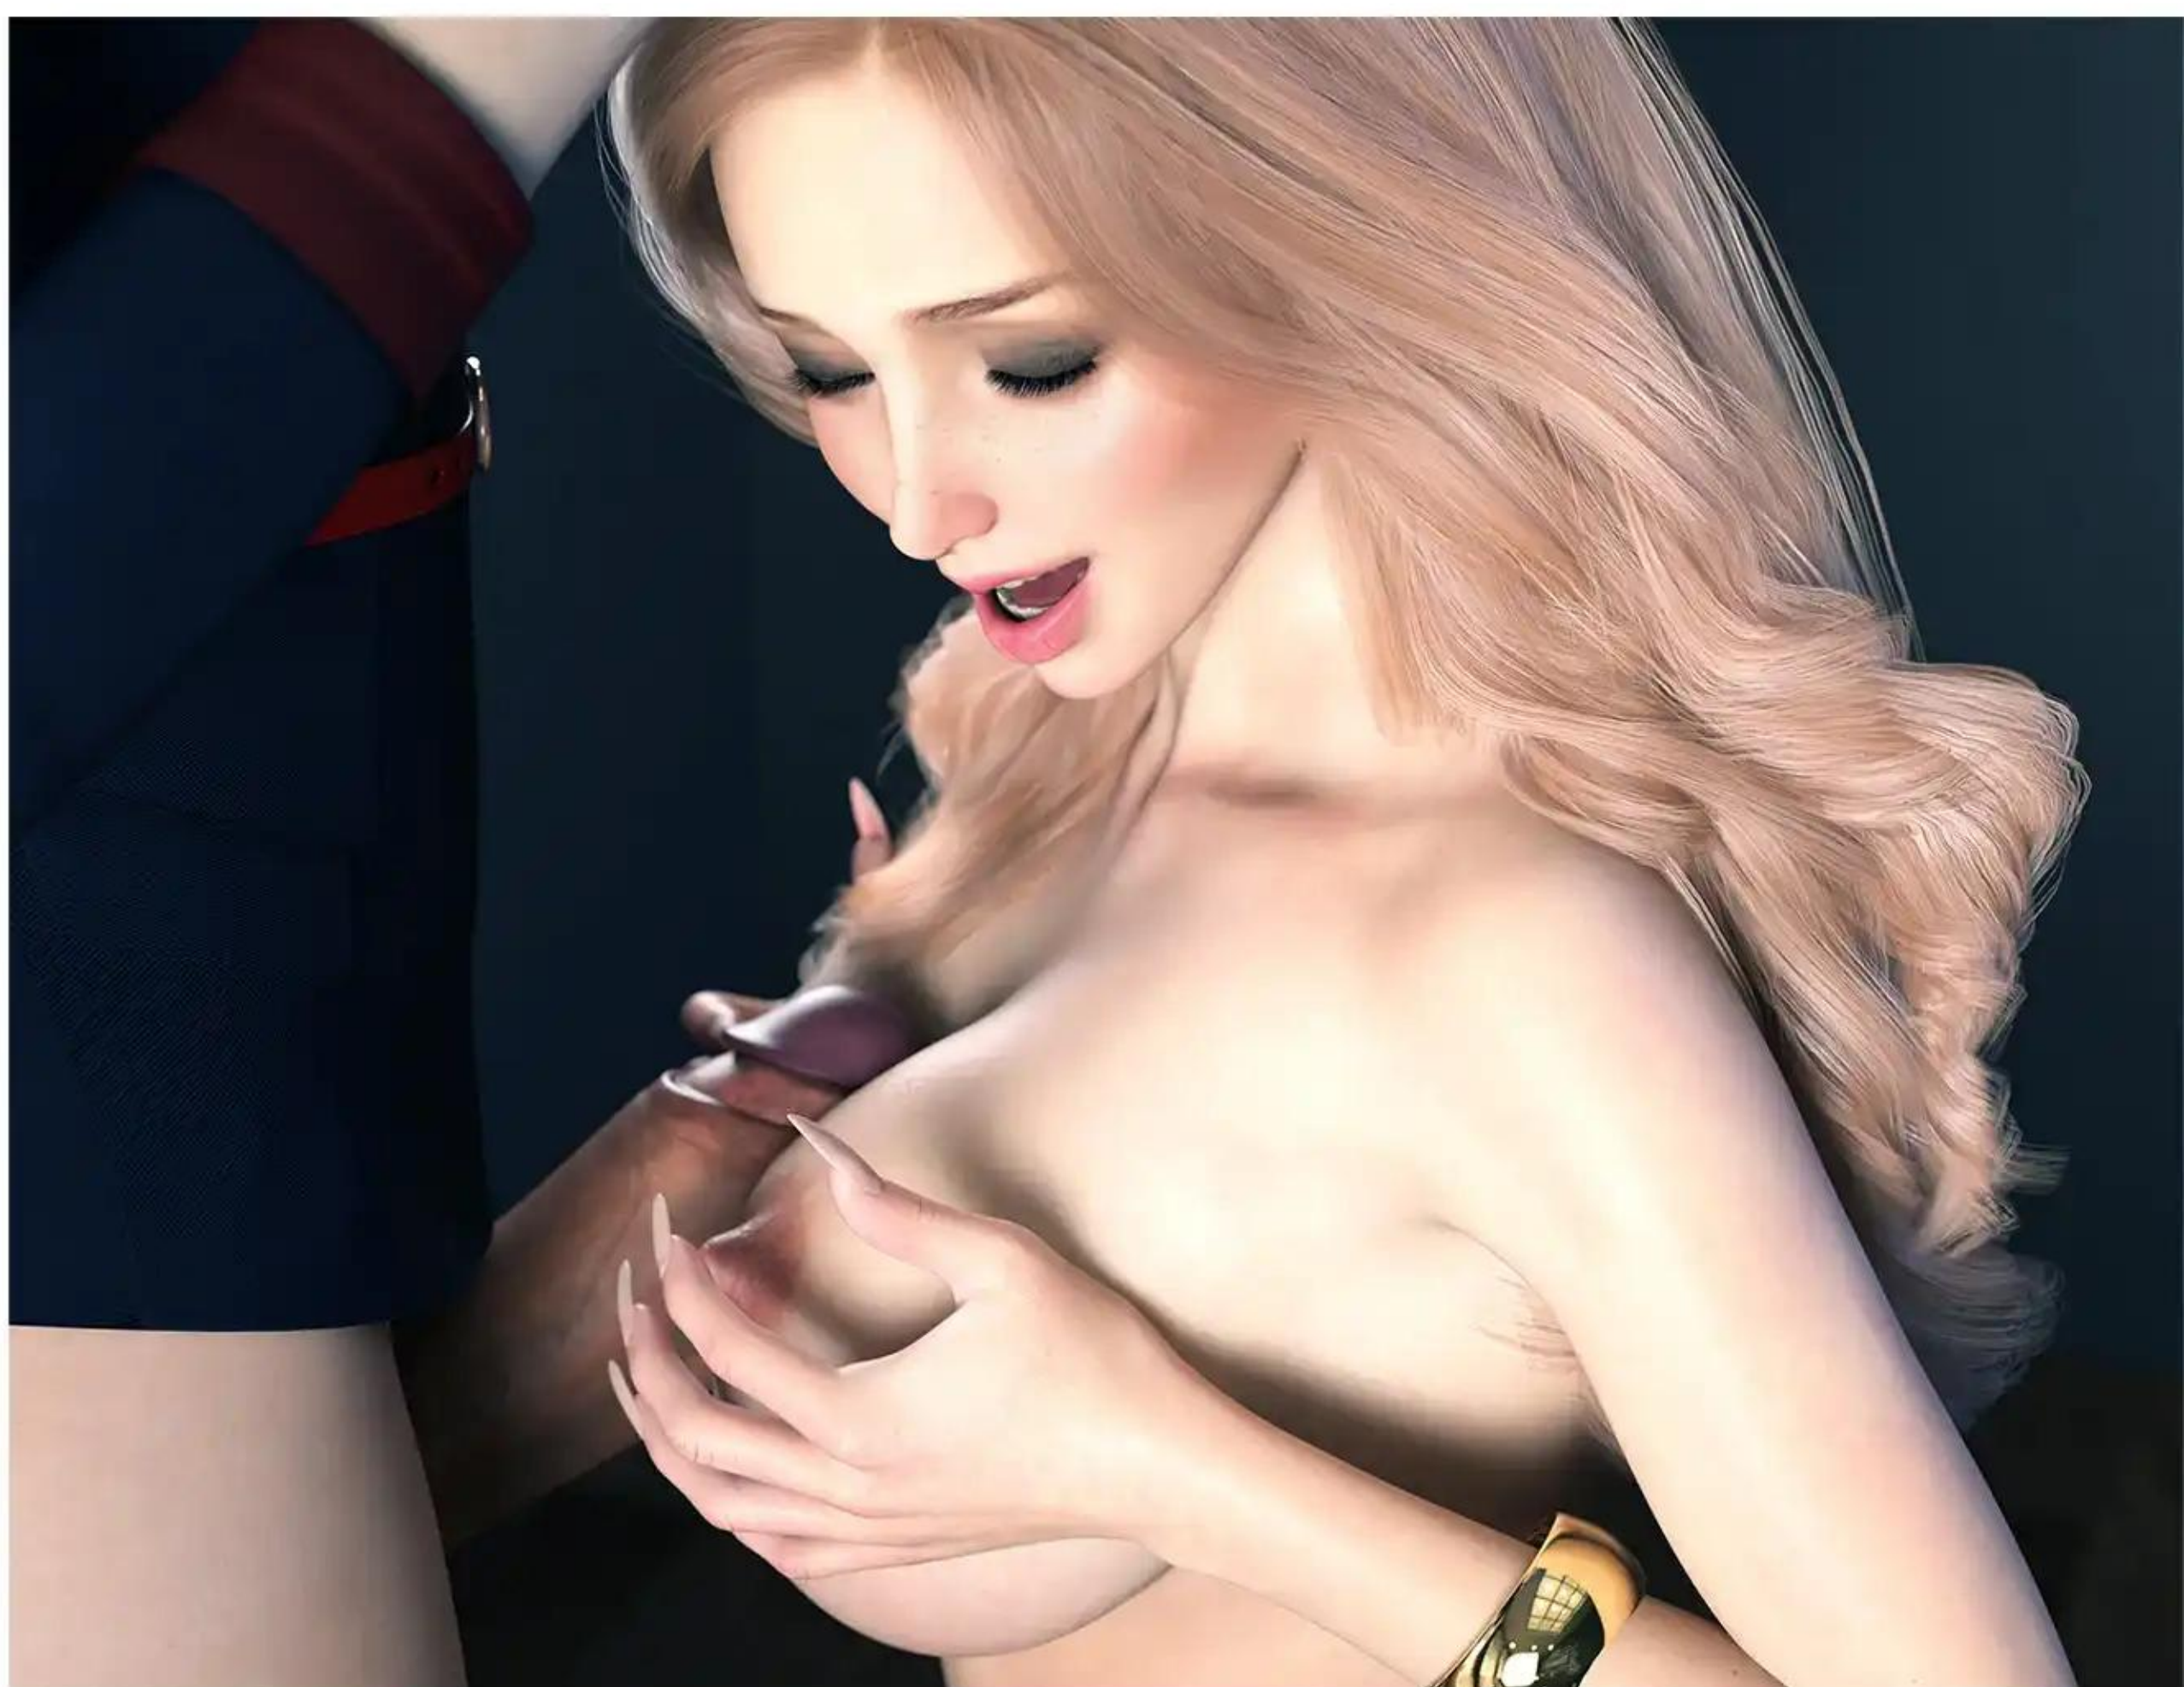

Too, too
shameful...Ming...you,
please stop talking,

Aren't the
foreign beauties' big
cow-level breasts
enough to satisfy you?
Hey ~ Beauty, isn't
your cock
uncomfortable?

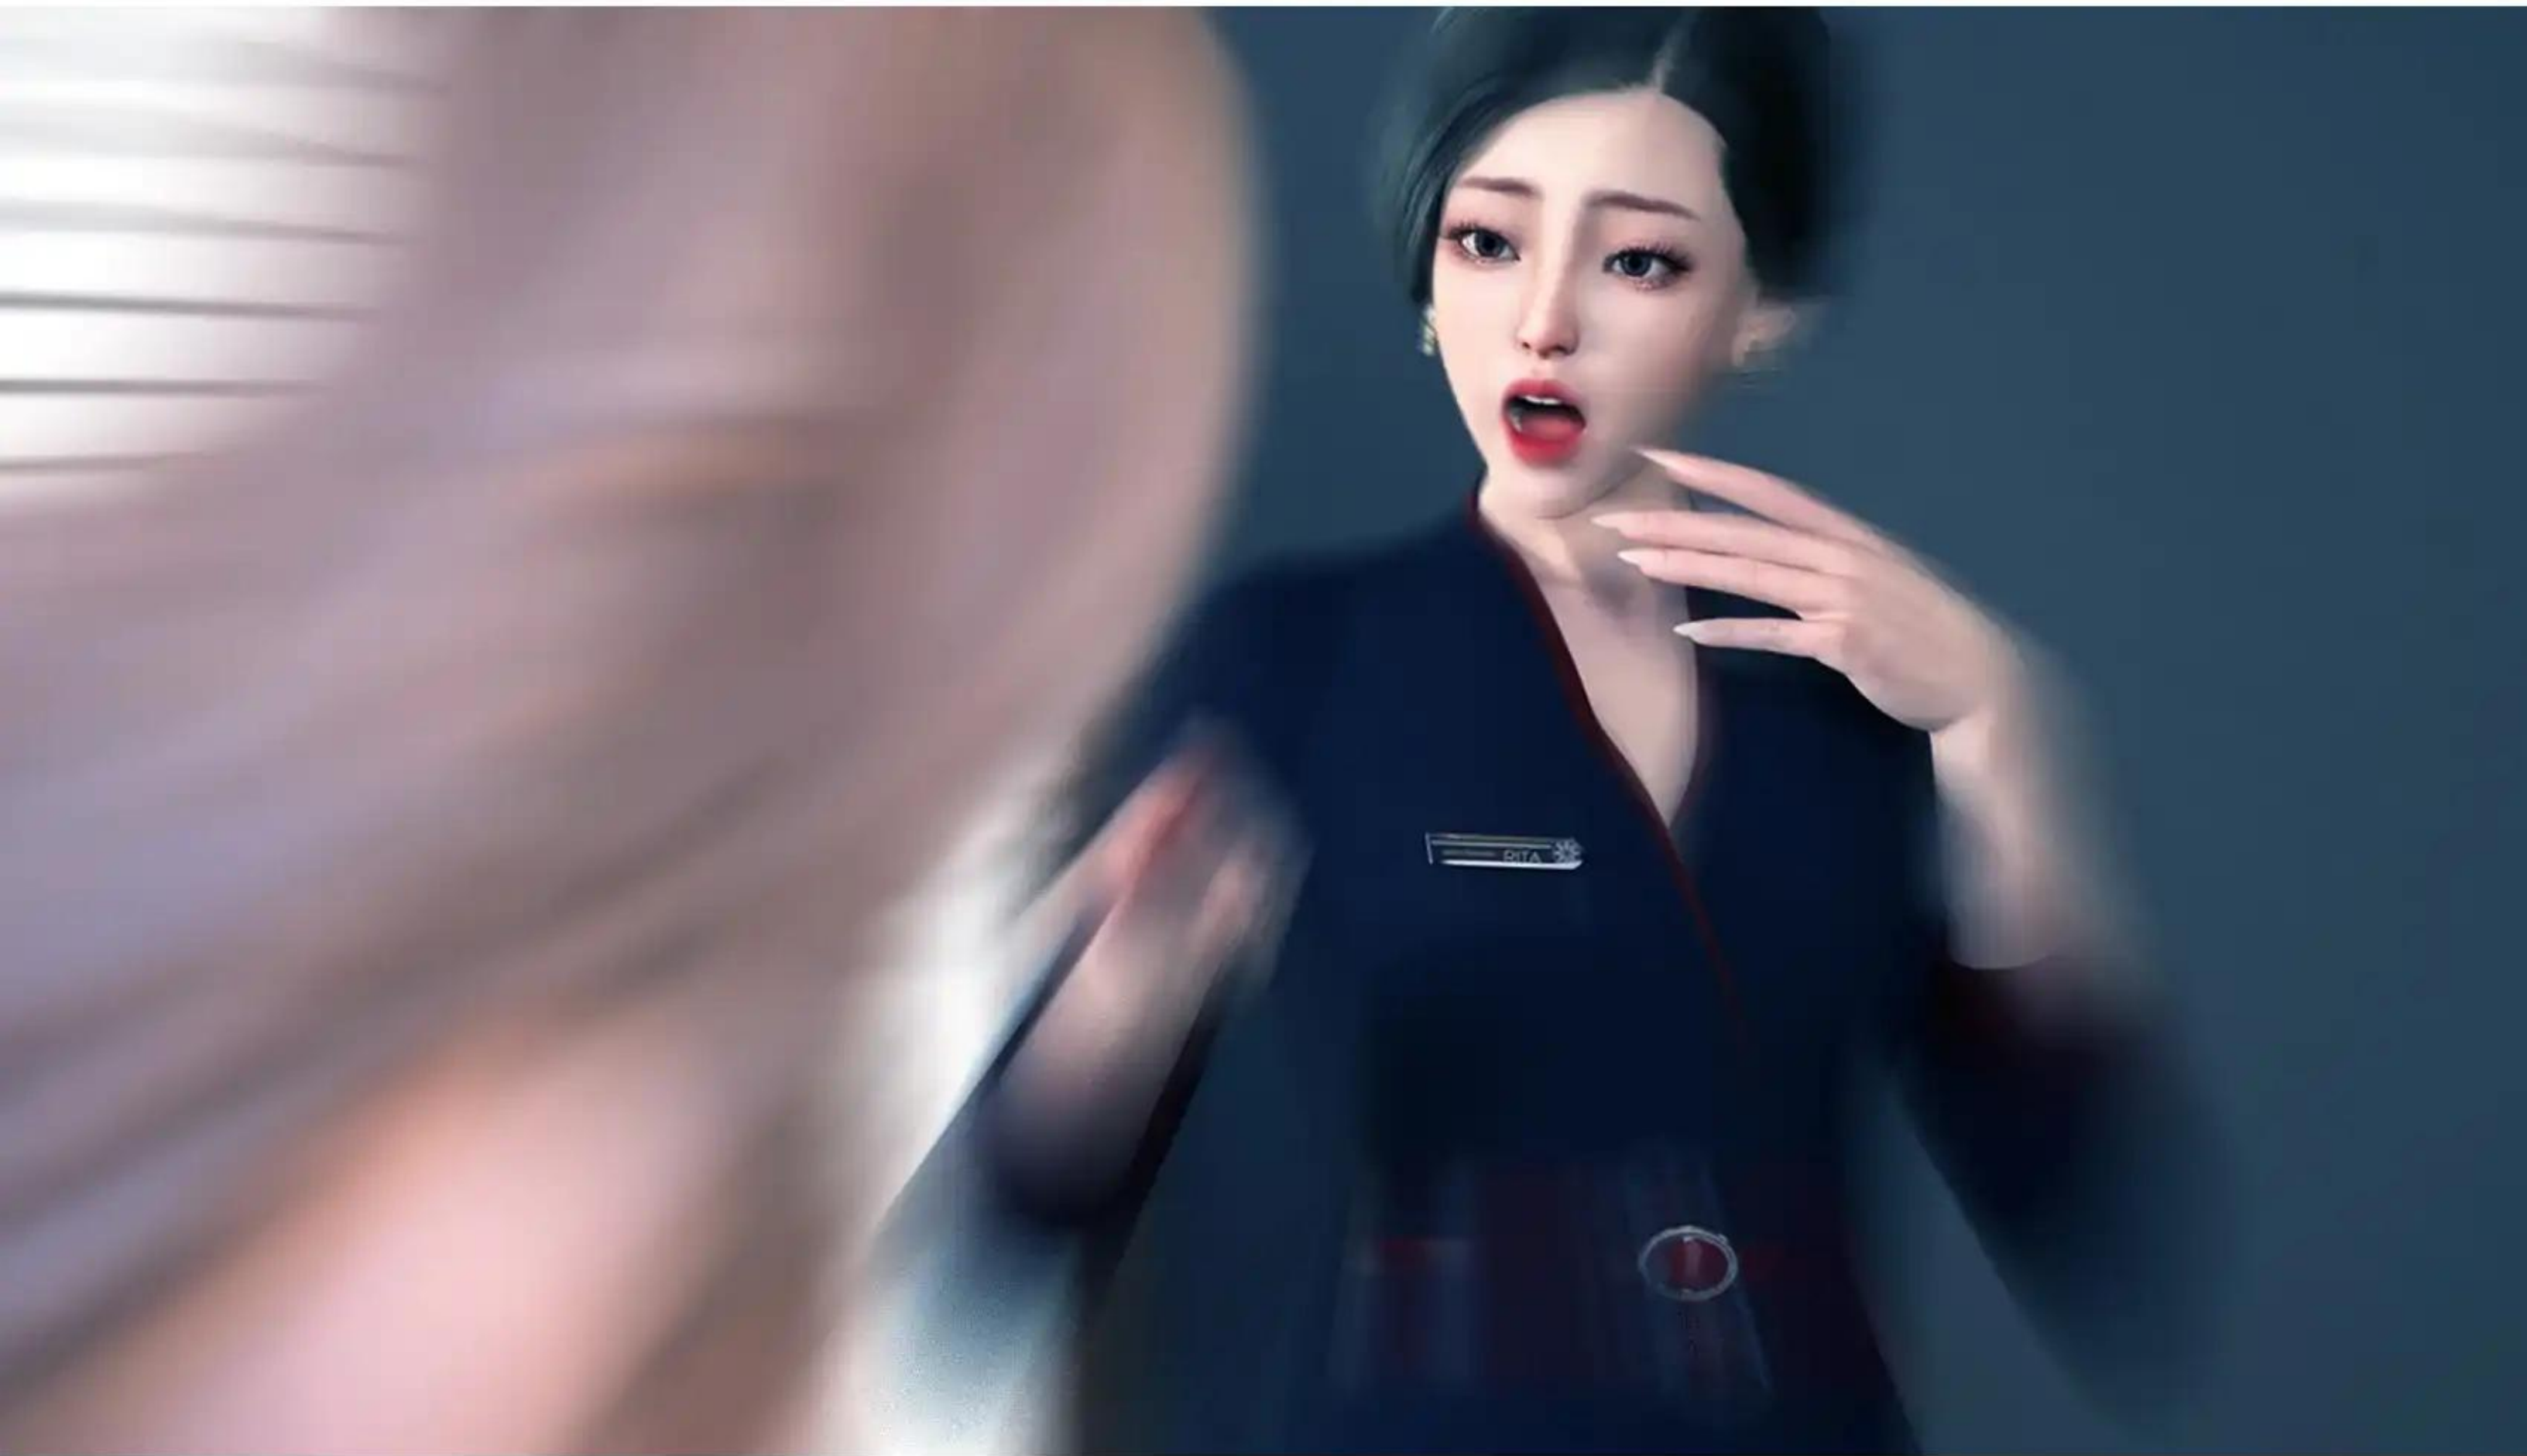

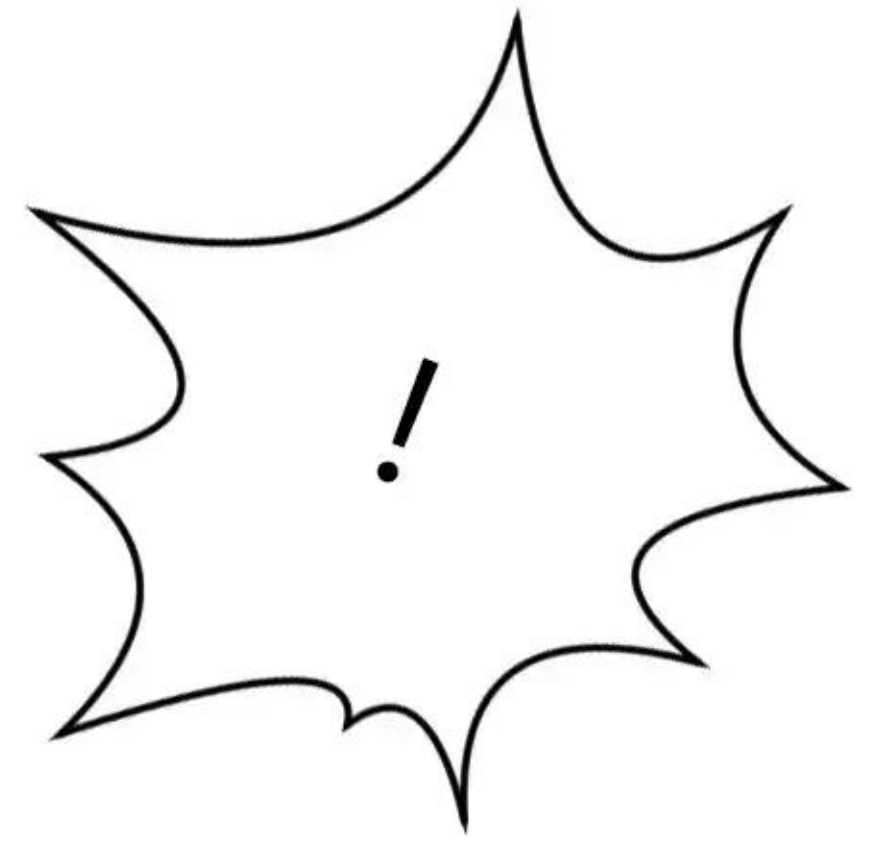

I have to show
my real skills too!
It seems that he
wants to hear the
obscene screams
of Futa beauty

AM

This scene, this whole scene piques my sexual fetish! Now he is relying on the skin of a foreign beauty to make such obscene and coquettish actions, ah! I am obviously a vulgar and ugly man, and what I am seducing is another man pretending to be a beautiful girl.

She really needs a hot futar cock inserted in her! Look, beauty, my pussy can't wait anymore.

Just to beg me to fuck
her... Haah... Haah... cock...
my cock is so excited now.
Such a beautiful girl actually
shows such a lustful look,

No, I can't help it
anymore...and I'm still
wearing my mother's
skin, and my mother's
body is still connected
to my cock,

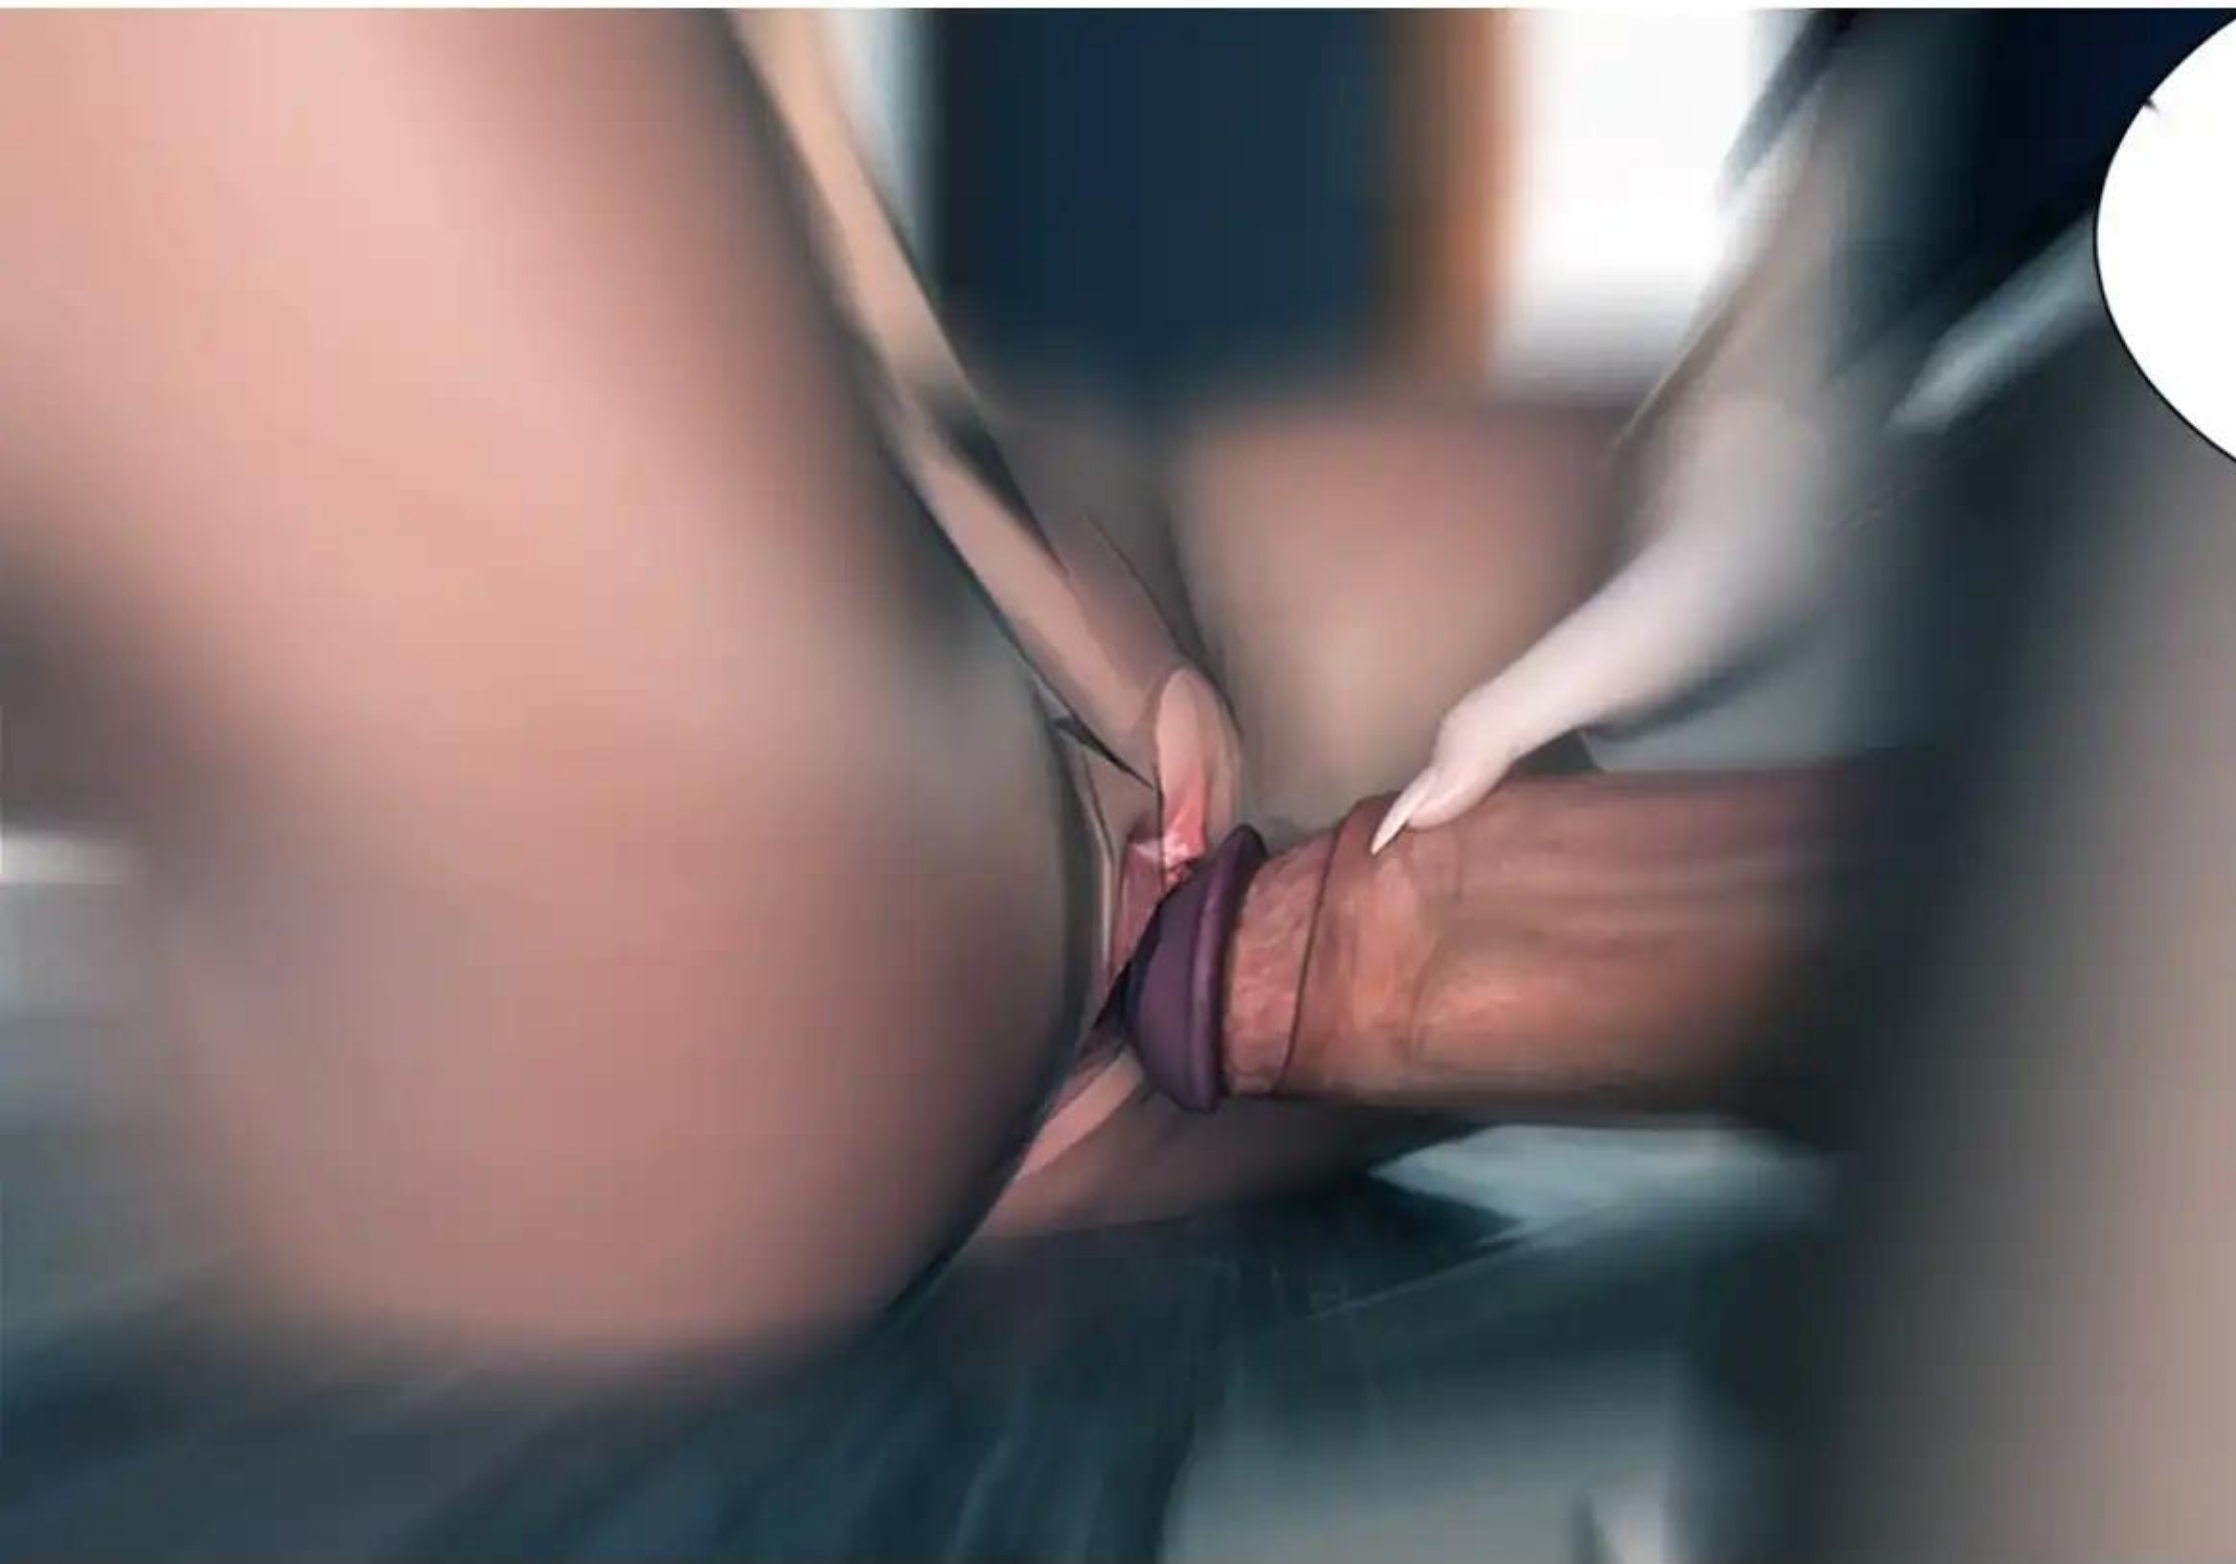

It was also the first time I used a woman's body to fuck someone. It was also the first time I met such a lustful woman like her.

But wearing a woman's skin always feels so abnormal and terrible! Obviously I use my dick to fuck people, but I still use my mother's body.

Yeah! How great! Oh yeah! Oh Rui! Futa, the beauty's big cock is about to be inserted.

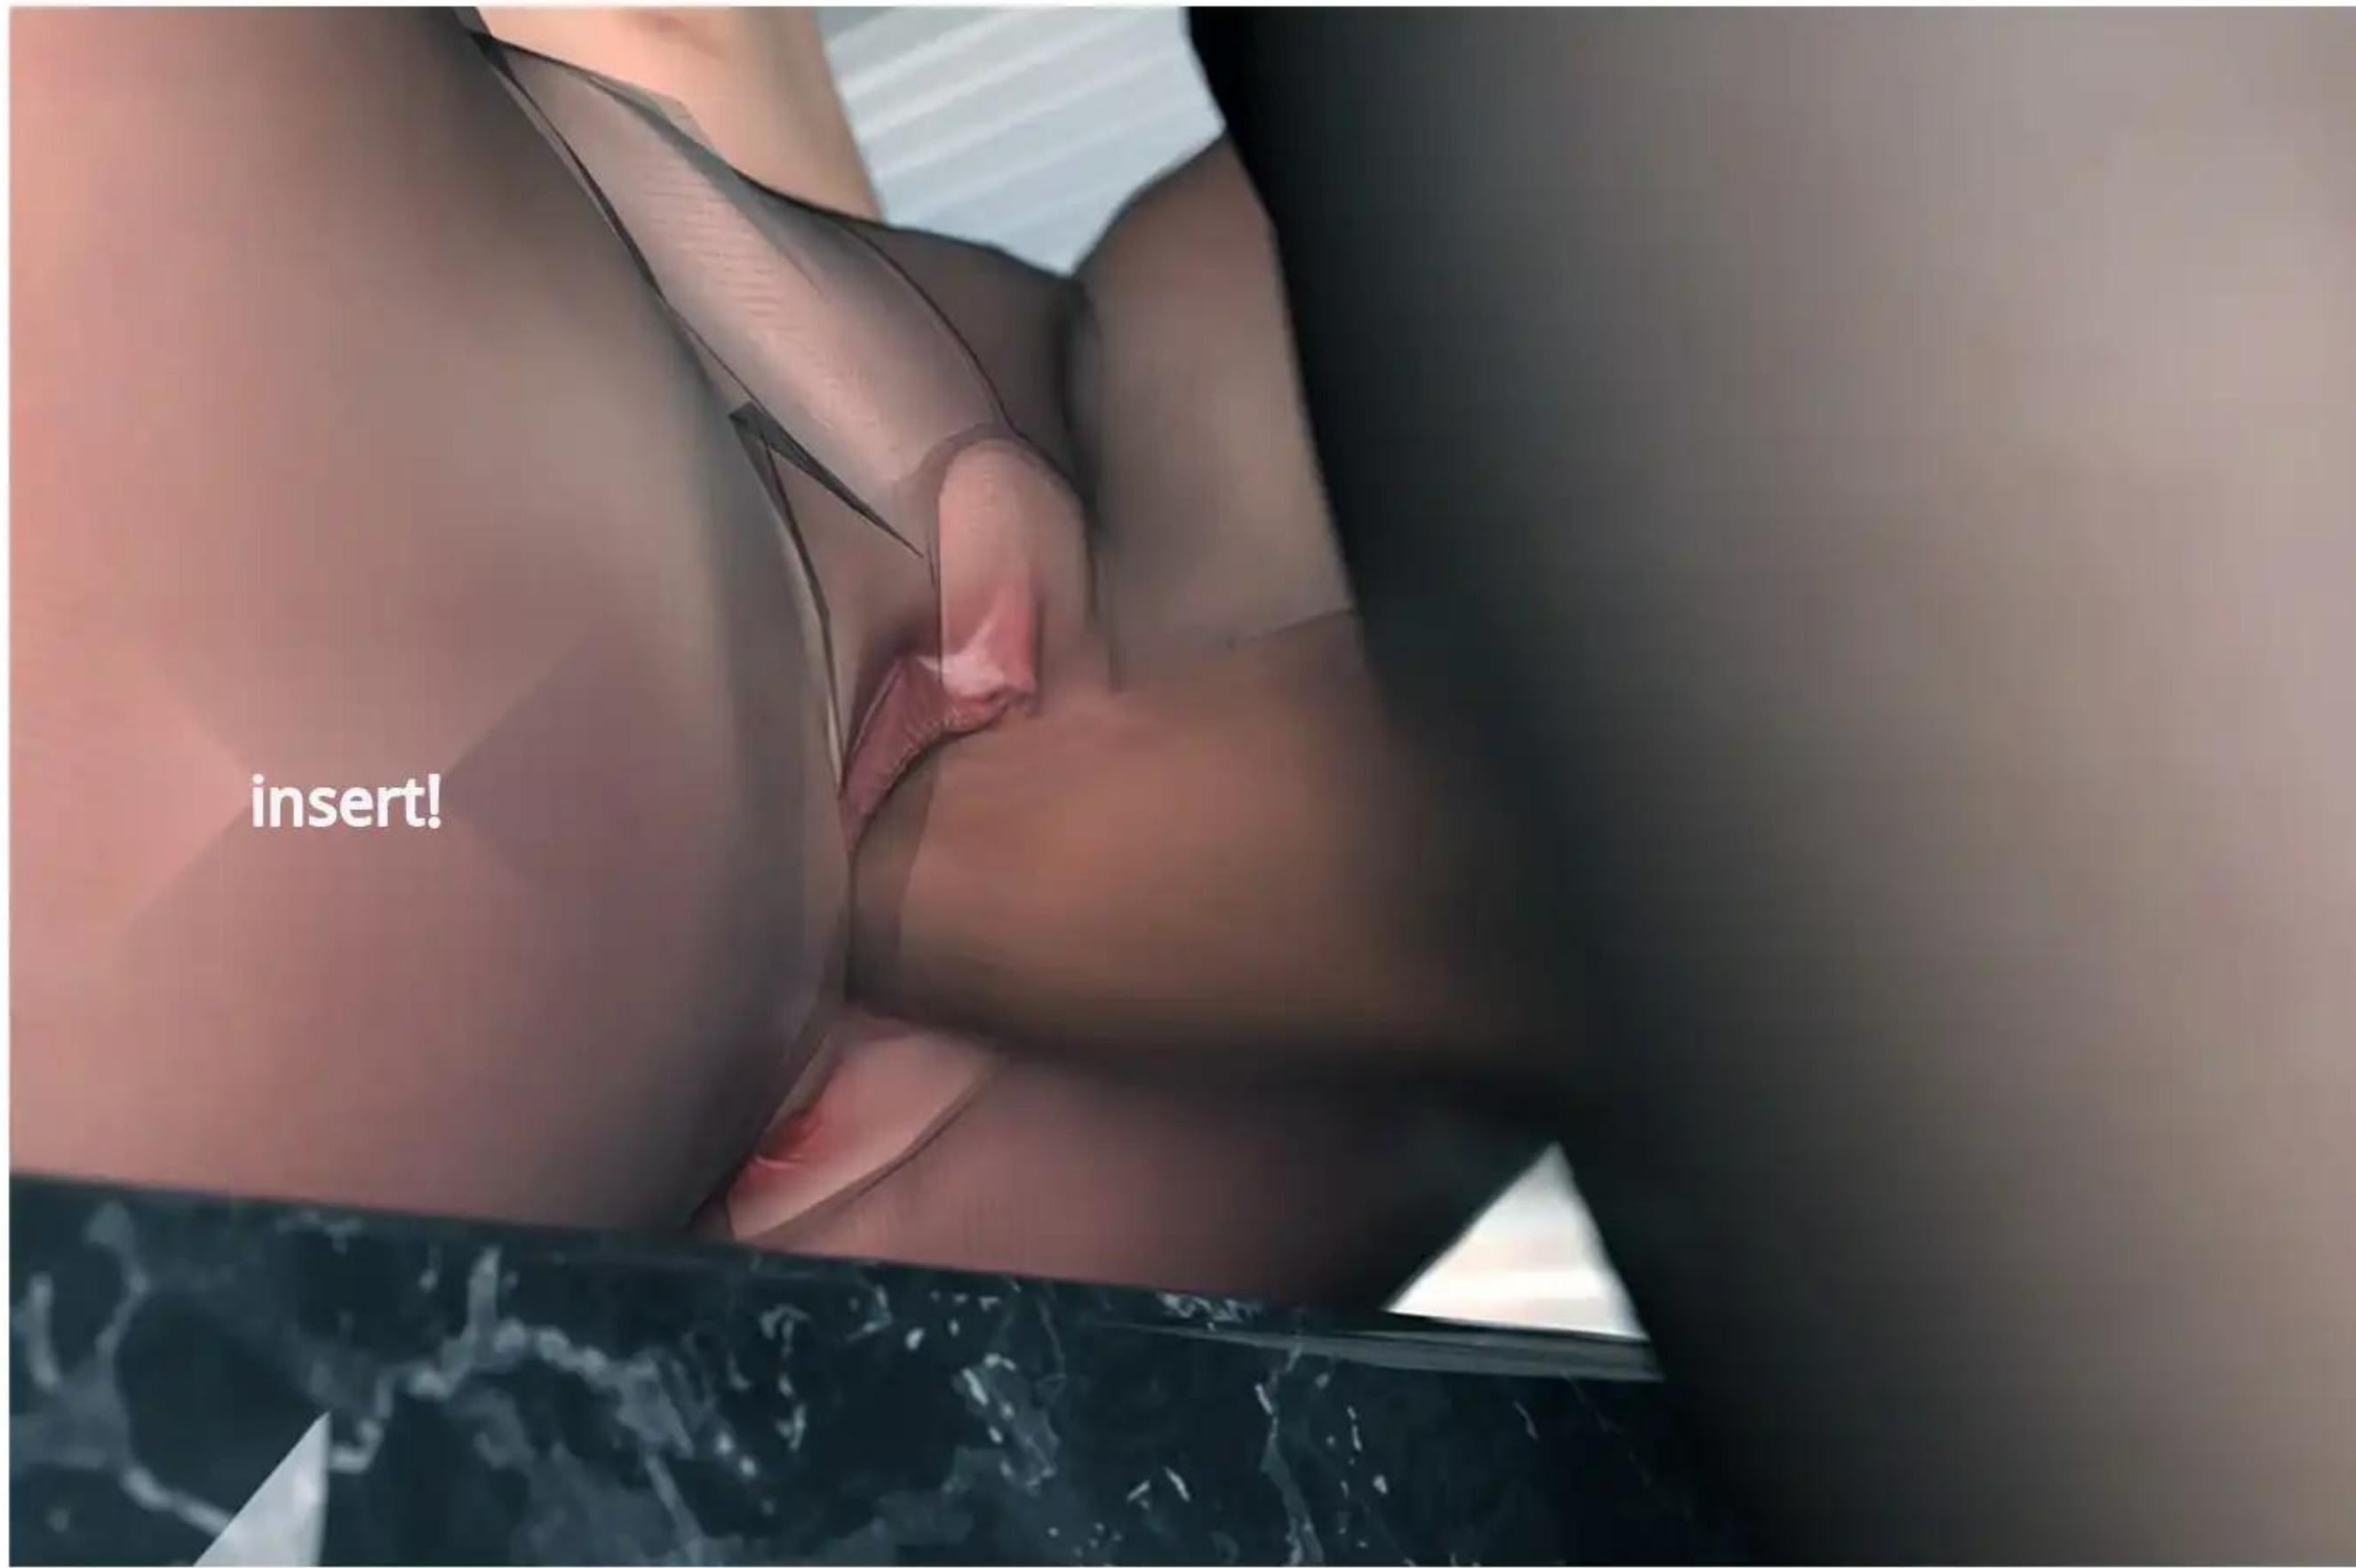

Fuck me to death, a perverted sex-converting futa lover! Put your big cock in, hurry up, hurry up! Beauty,

Uh-huh! Insert, insert in!
I am being fucked by a beautiful
woman holding his big cock,
yeah yeah yeah!

le
PROKCT

So, it feels so good! And it can be inserted so deep, the whole cock is firmly absorbed, um... Her, her pussy is so tight,

My cock
feels like it's
melting, so...so
comfortable!
Oh...oh!
cock,

Yeah! No, don't stop! Don't stop! Don't worry about anything, just fuck me to death!

Ah! It's so exciting! My whole body feels like it's on fire.

**It's so foul! Ah,
a woman's
pleasure is so
exciting, so big, it
makes me feel so
good! (Monica said)
Beauty, your cock
is so thick.**

The most
slutty woman!
Ah hiss... you,
you are really
the one I have
ever seen

I really can't
bear to inject it!
You keep calling
me like that

Really? Is it really the sexiest thing you've ever seen? Hearing such comments makes me so happy! A woman disguised as a perverted man like me

If you want to cum, cum inside me! It's simply a dream come true! Being able to be helped by a beautiful woman to ejaculate inside her is just a piece of skin after all.

Ahh... the air is filled with the obscene smell, so lustful, so lustful...

This lustful smell, this lustful cry, and this hot body temperature!

Bang bang bang!

Bang bang bang!

Okay, it's so
sexy, I'm going
to cum! I'm going
to cum with my
mother's body!

射了啊啊啊啊啊啊!

Futa beauty's semen was all ejaculated into the cunt of a fake woman like me! Oh oh oh oh oh! semen!

So... so much, so much semen was ejaculated as a woman, hehe.

Woo hoo...
hoo hoo hoo...
(sounds made
by Monica)

Hmm...slow down... ..

How can it be wasted? Minglu... Minglu... No, help his semen! (Monica said)

I just ejaculated
and am already hard
again, hehe! Sure
enough, being
young is good,

A mere
ejaculation cannot
satisfy me! It's rare to
be able to have sex
with Futa beauty

It feels good too! Now I realize that I had someone to play with. Well... I used to play alone and enjoy myself.

I have completely fallen in love with the pleasure of gender reversal! But after actually having sex with a man who also wears leather, it can only satisfy my sexual preference.

Originally I had made up my mind to know that it would be nice to keep him by my side as a plaything! I'll get rid of all the secret people, but for the sake of him satisfying my desires, maybe after I get the gun back,

**I have to have sex with
transsexual beauties every day,
so I want to build a pervert and
make it last forever! Futa's cock
beauty empire! After I get my
leather gun back,**

Uh-huh~uh-huh!
Come again,
come again, it
feels so good!
