

later

So...(Shao
Yuchen)

Do you know
how long I waited
for you alone in the
toilet? I feel like I'm
going to catch a
cold! And I'm still
naked,

Where is the point? How long has it been and you are still thinking about this? Have you made a mistake?

Is it really his thing? The point is that Brother Yong, is that leather gun what he said?

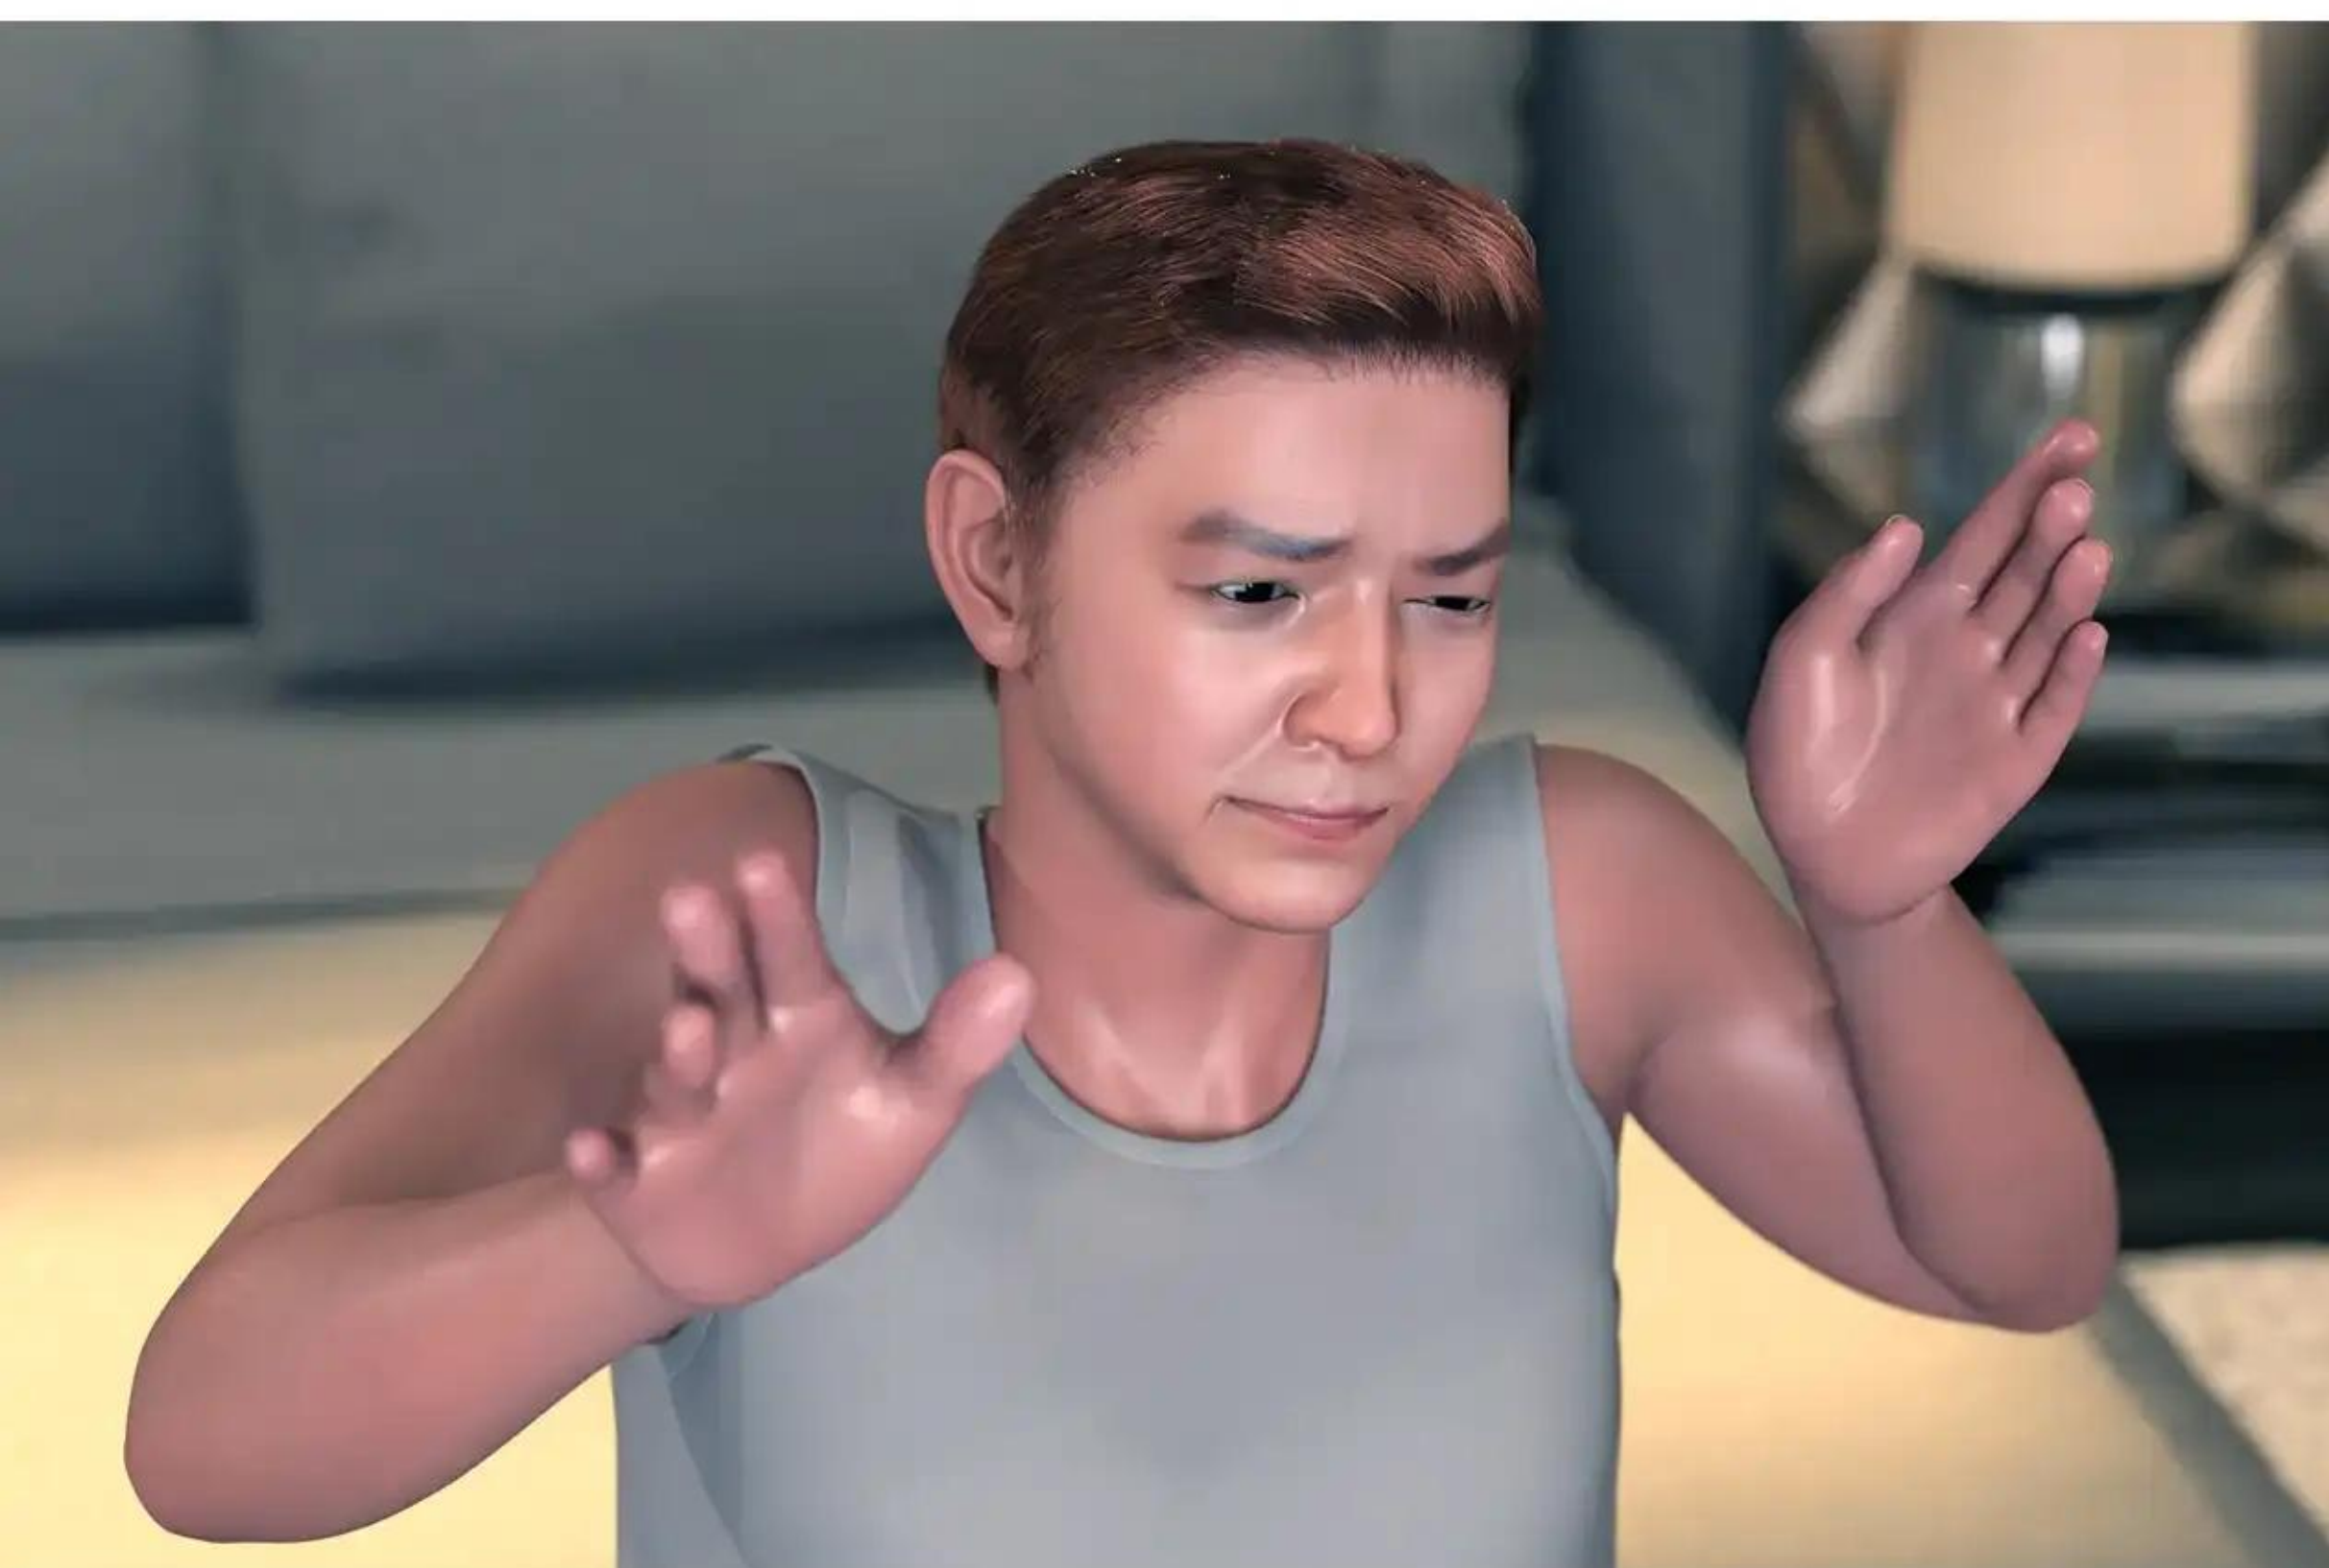

...Should, it
should be.

What should
be? If it is, it is, if it
is not, it is not

How do I know
who the last person
who owned it was?
There's no name
written on that
leather gun, I
just picked it up

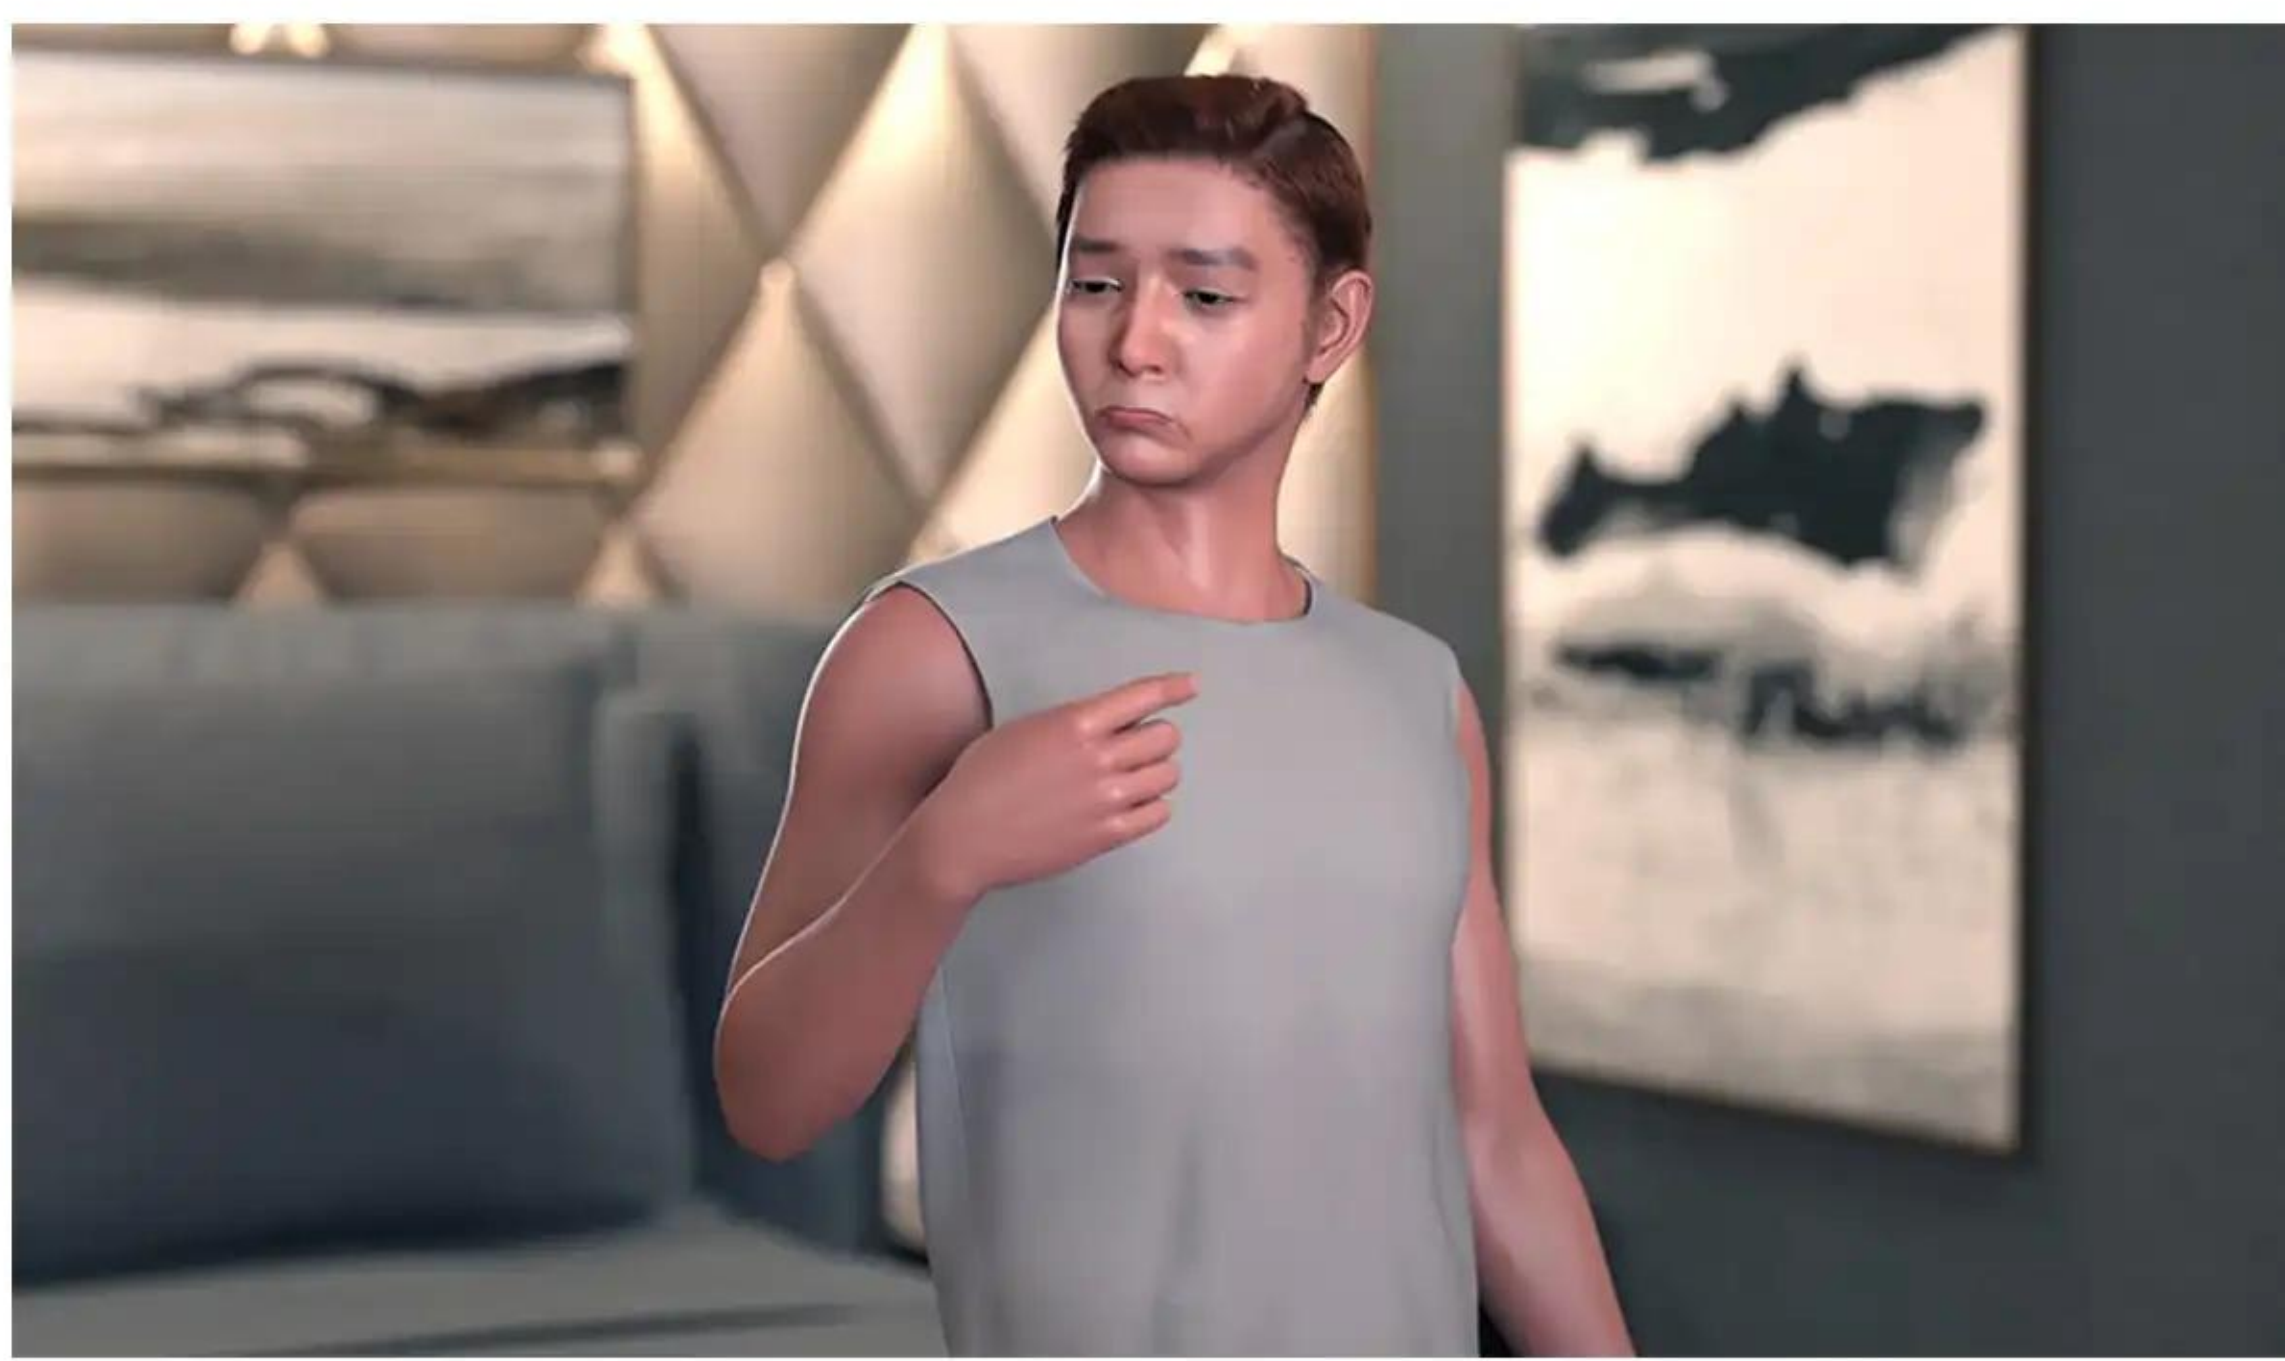

Picked up? ! So you
had such an unexpected
idea at the time? I said you
"accidentally" got that
leather gun

You are
appropriating
lost property!
Oh my god,

I just... I just borrowed it...
It's too ugly to talk about
appropriating lost property.

You, you are worse
than a child! Even if you
find a penny, you have to
hand it over to the police.
Taking it without telling you
is called stealing! Even
children know it

It has been occupied privately for so long! You picked it up after he accidentally lost it! Oh my god...So what Brother Yong said is true, we...we actually took other people's things and the leather gun was really his thing

Oh, Lao Zhou, there's no need to be so excited, right? Do you really want to return it to the other party? But for something as magical as a leather gun, I know you are a good student.

The other party has come to your door, how can you still refuse to pay it back? Do you still want to take it for yourself? What's more, even if you want to do this, if you don't return it to others,

ah! Oops! I'm afraid that all of us will be arrested. If he makes things worse and he comes to the hotel, what else can we do besides returning the gun?

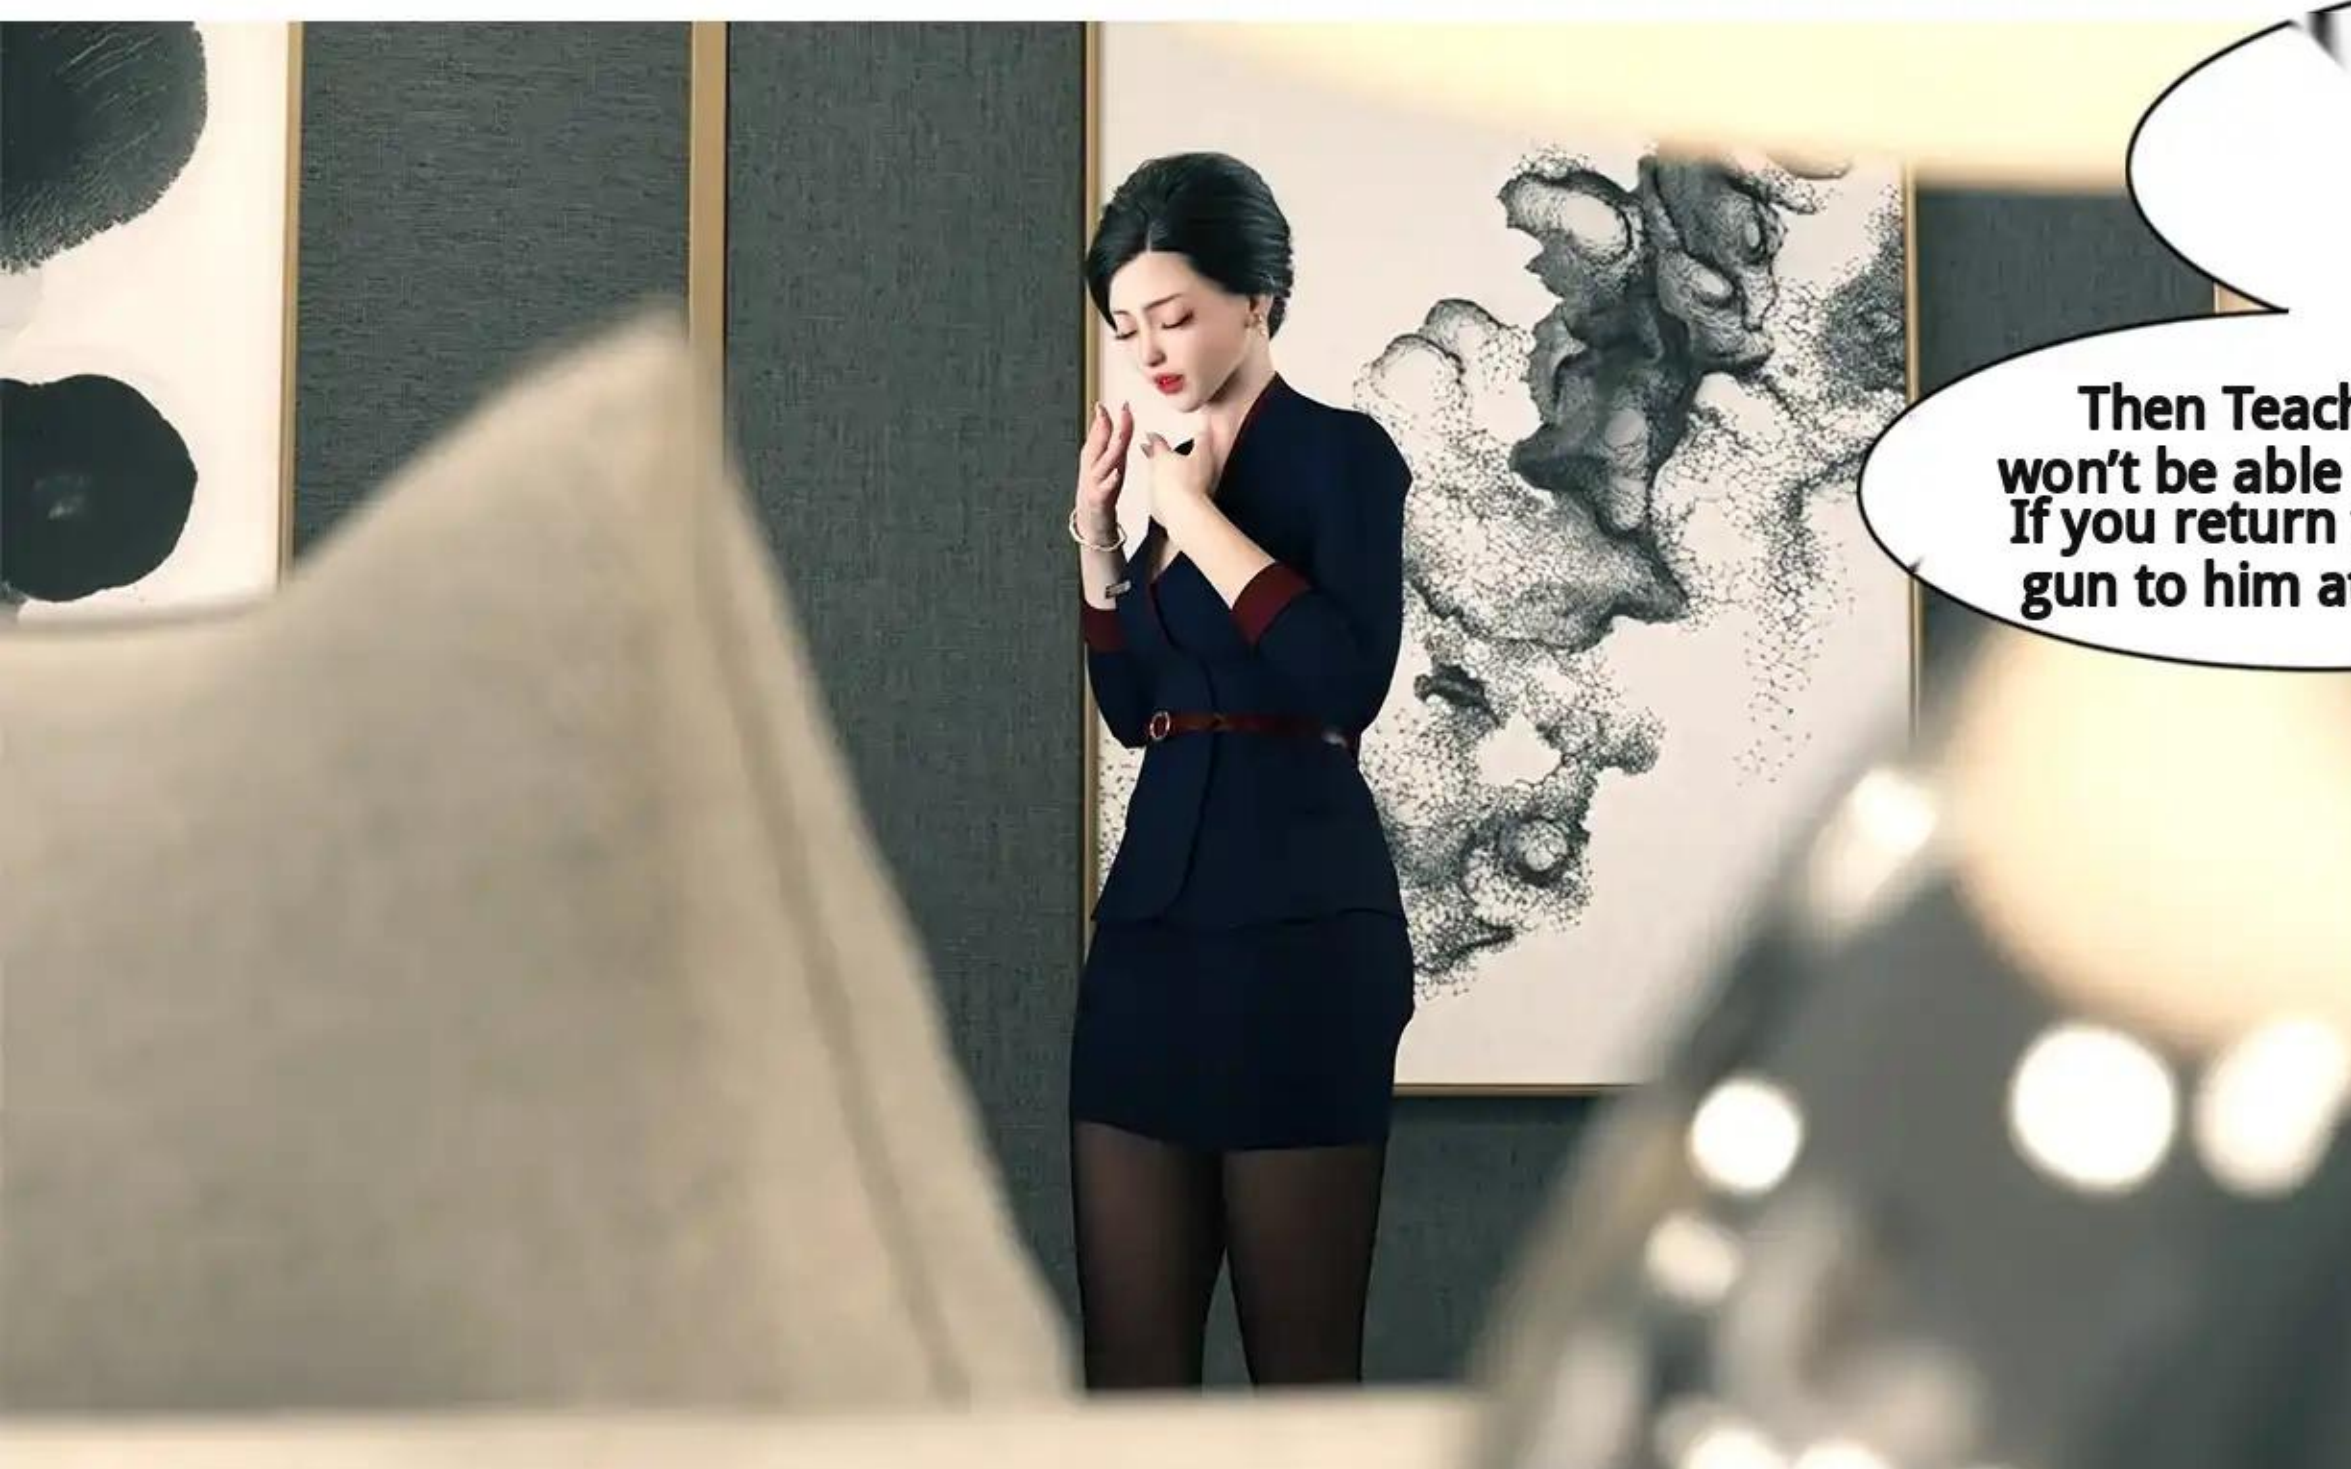

.....

What's wrong? What happened?

....I agreed with that Brother Yong, Akai is still wearing Teacher Jiang's skin! I'll return the gun to him after get off work, but I forgot

Then Teacher Jiang won't be able to recover? If you return the leather gun to him at this time,

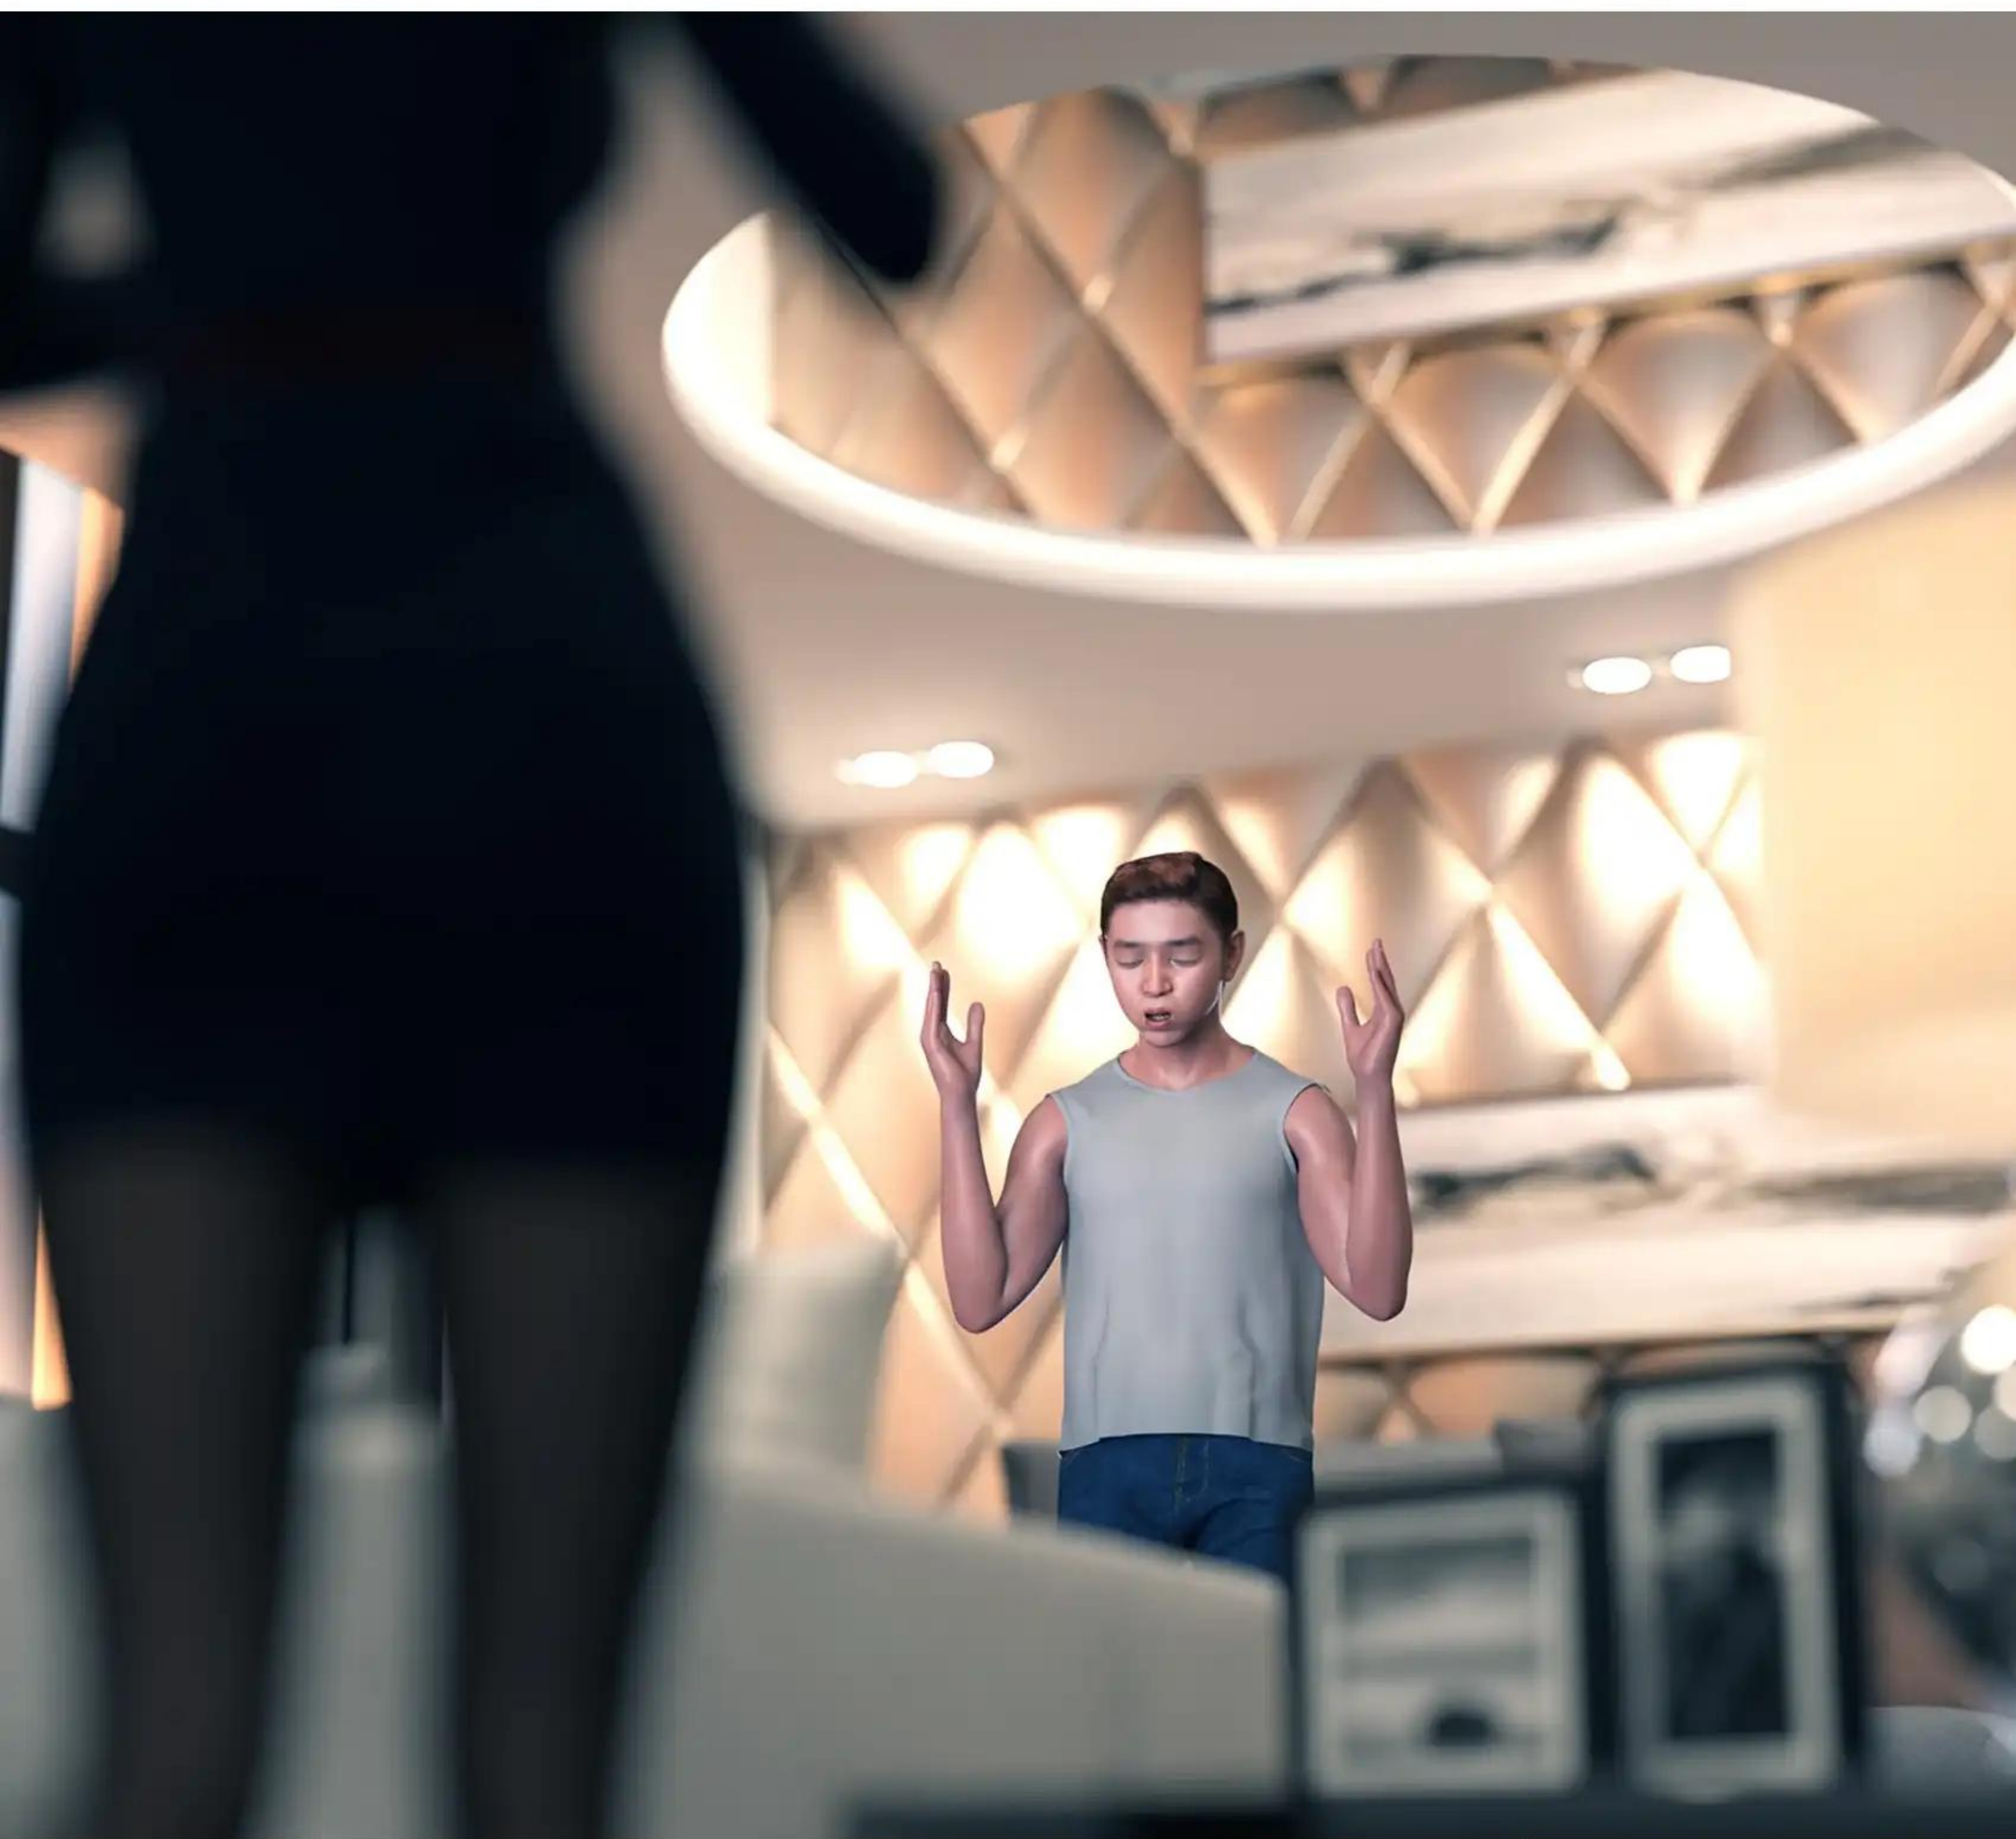

We absolutely
cannot return the
leather gun today!
yeah! Ha ha! So it
looks like,

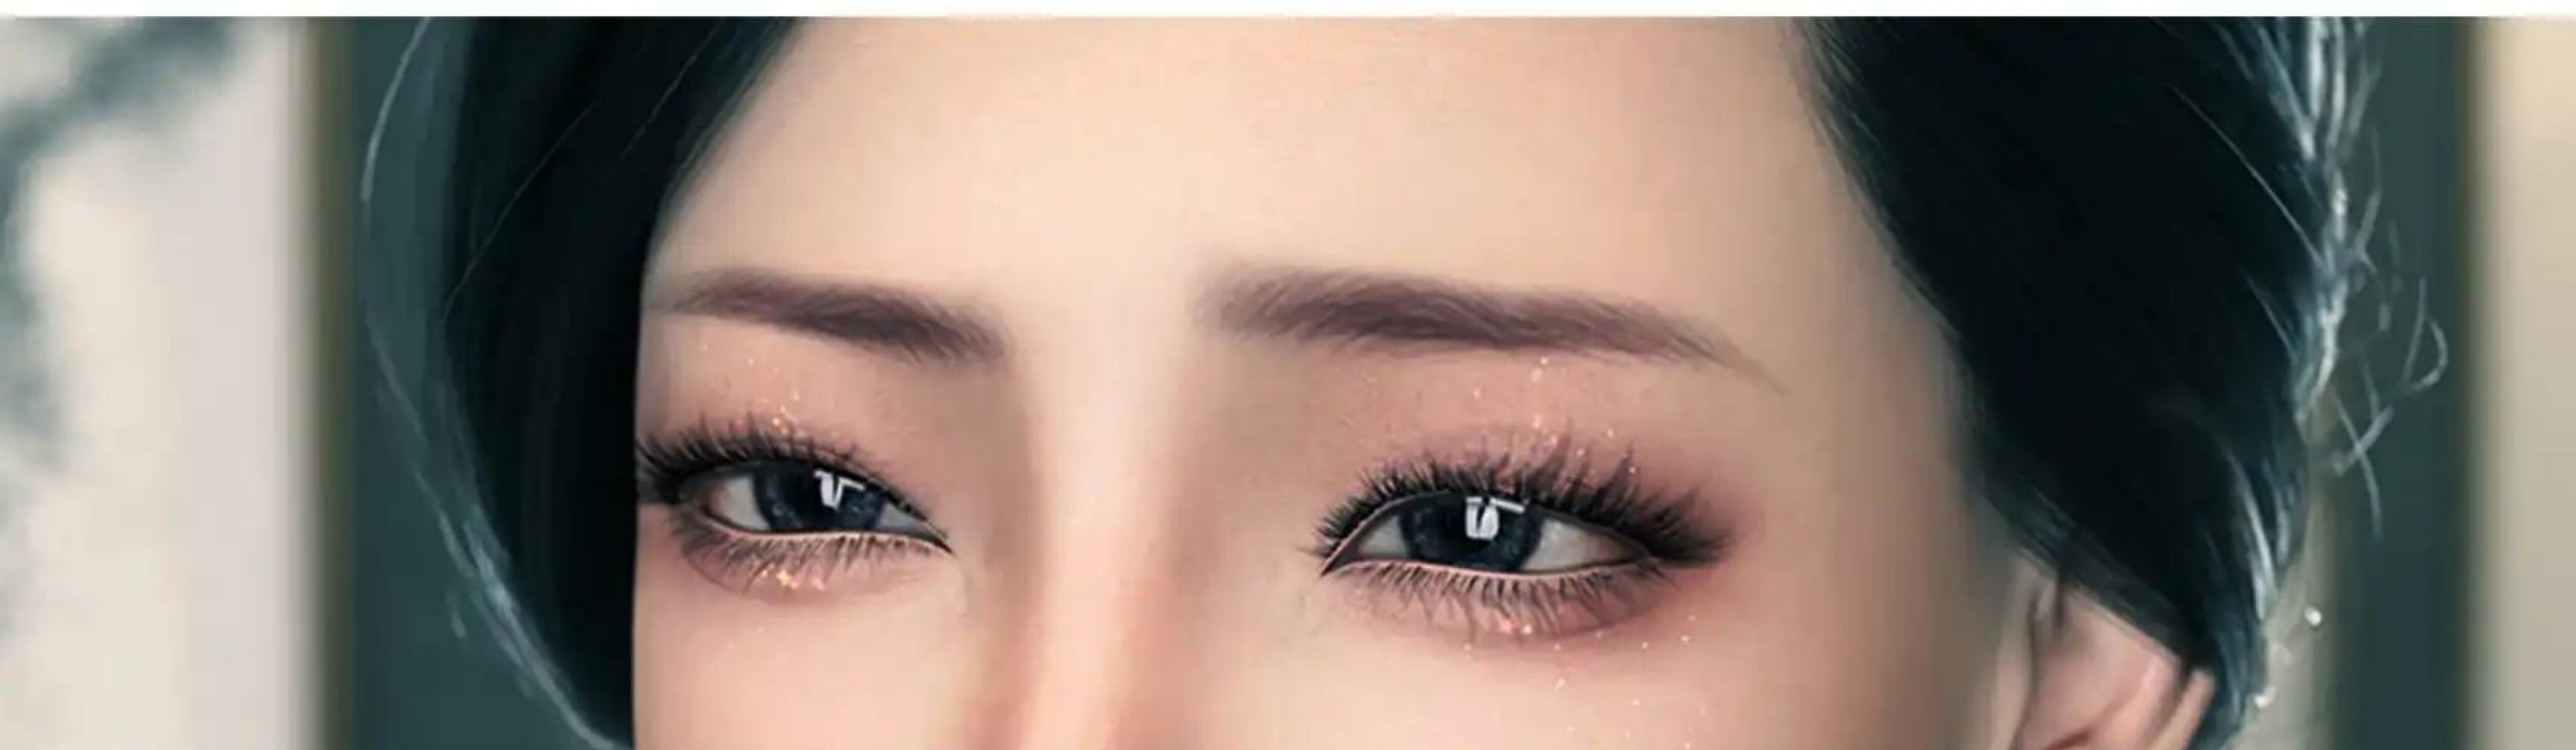

..Lao Shao, don't
have any evil ideas!
Let me tell you, the most
I can do is explain the
situation to Brother Yong
and let him wait for one
more day! The leather
gun must be returned

Can you lose your
virginity without it? Can
you have skin-to-skin
contact with your beloved
mommy? Have you forgotten
the happiness it brings to
you? Sigh, I really don't
understand why you are
so anxious to return
the leather gun.

Are you just going to
accept everything he says
without any hesitation? What's
more, you just believe in that
so-called Brother Yong,

.....
What
do you
mean?

Why did he lie that he was also wearing leather? I mean, how do you know the other person is really the owner of the leather gun? Because we saw that we were using leather guns, in order to trick this magical prop in case she was just an ordinary girl.

**This is...impossible,
right? It really looks like a
woman being dressed by a
man! I noticed her tone of
voice and actions,**

**He is also a man
who puts on a girl's skin?
How can you be sure that
he has exposed his dick to
you? No! In this case, what
if someone is acting it
for you? After all,**

This means he is experienced! He can dig my cock out of my pussy accurately, well...
no! I remembered

This means that he has indeed used a leather gun in the past! No matter if he is a boy or a girl

I have actually
used a leather gun.
Okay, I'll just
assume that he is
indeed a man

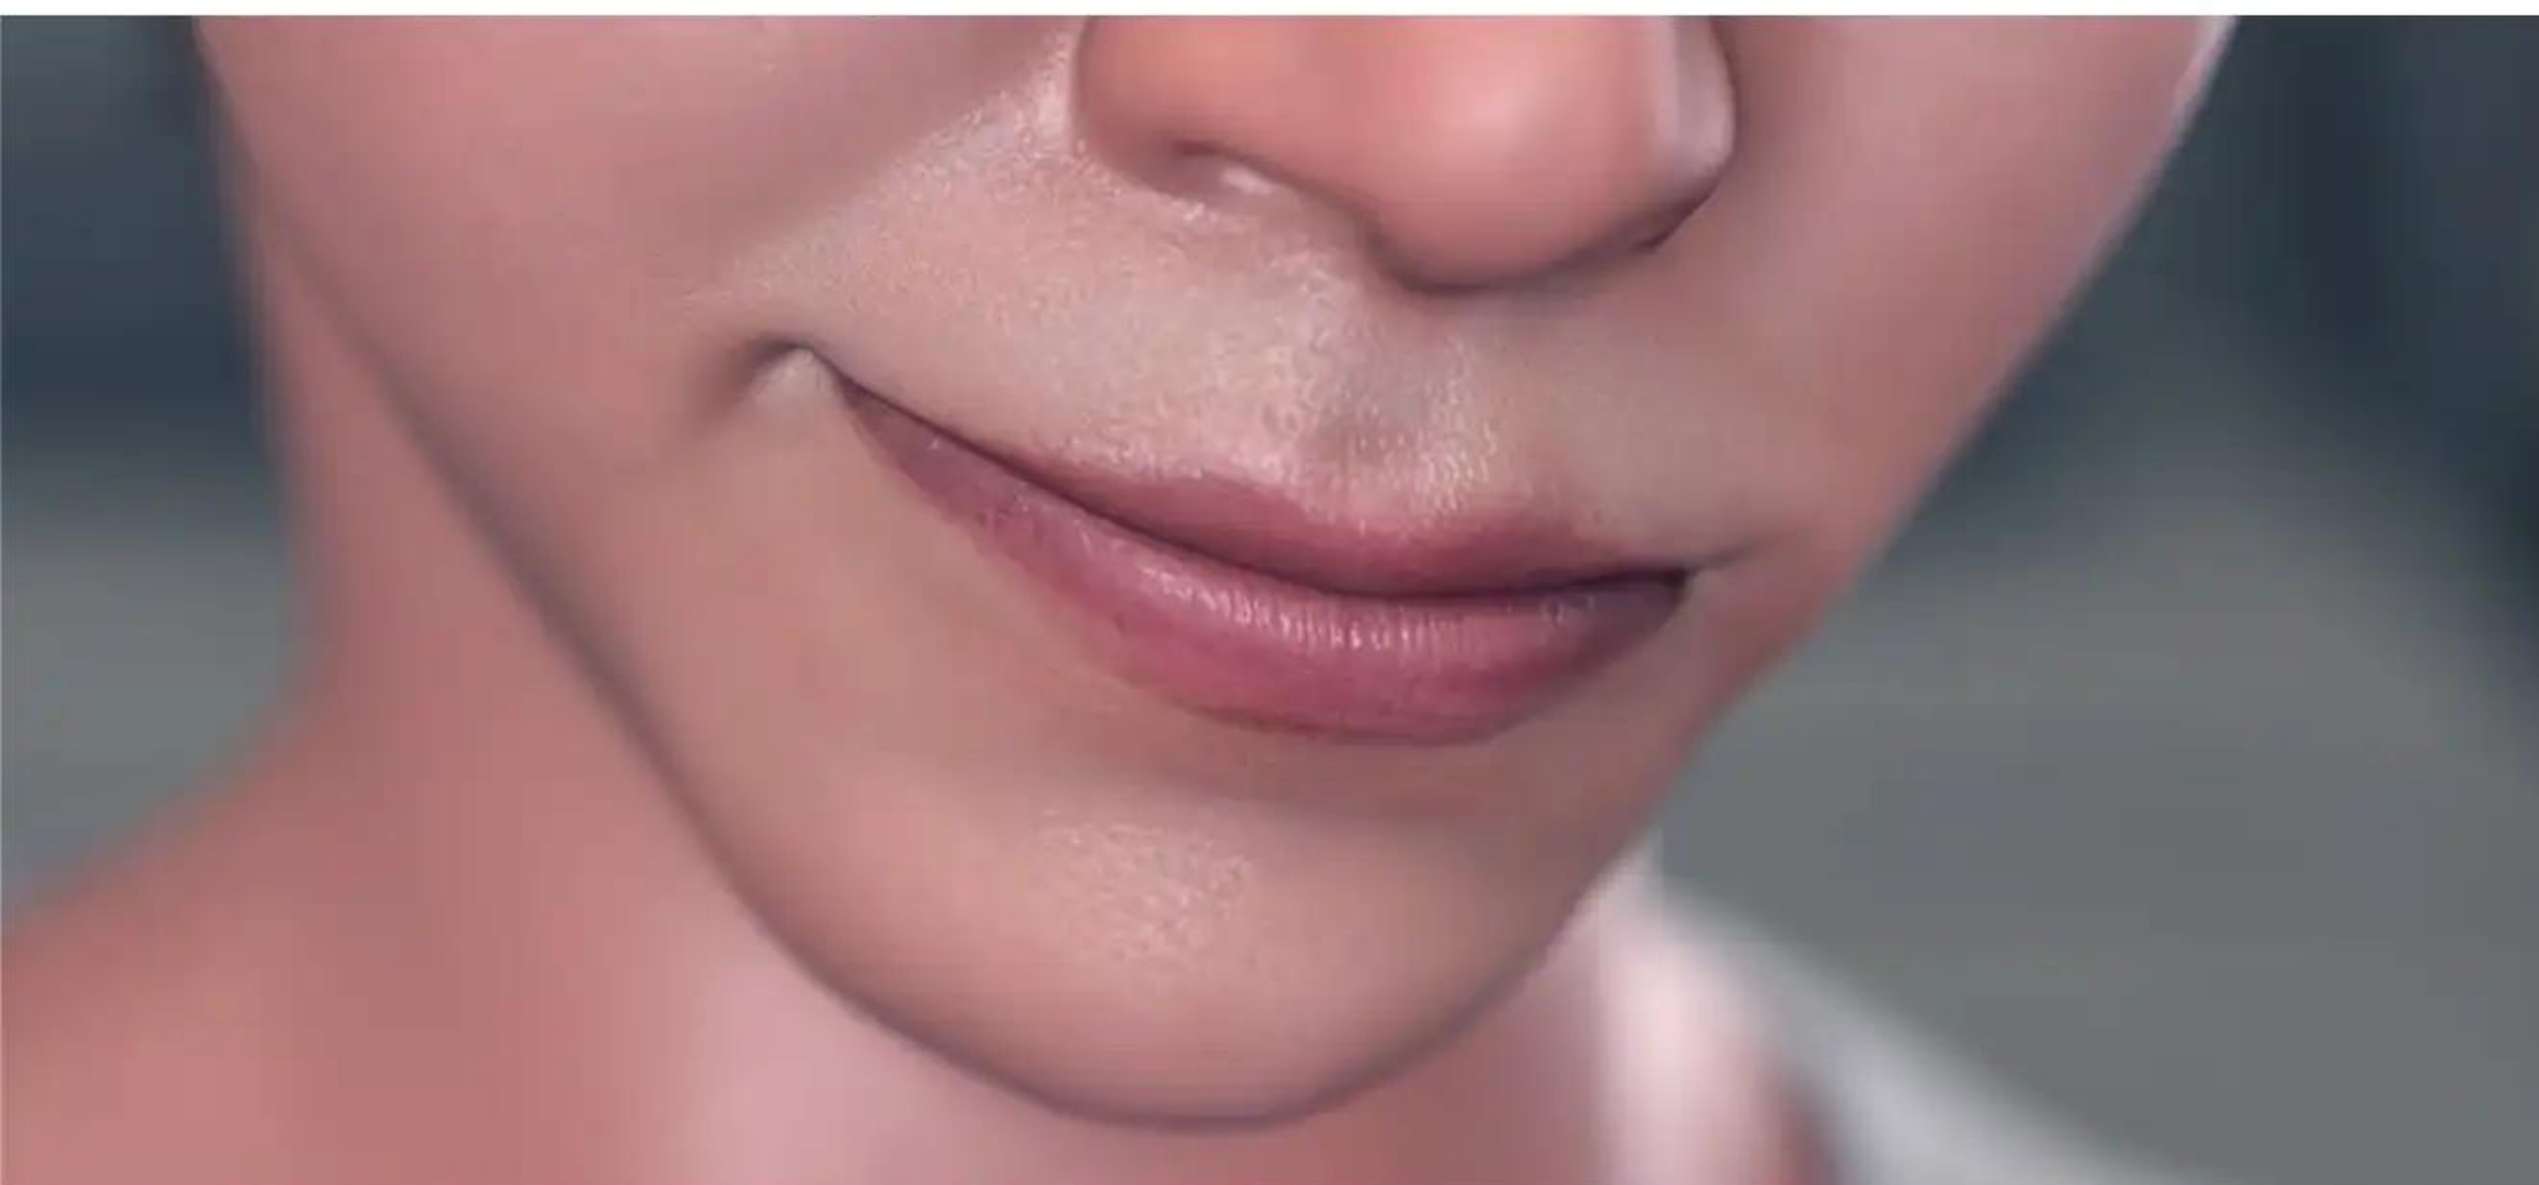

Is this leather
gun really his? So,
how can you be
sure,

Otherwise?
How could this be
wrong? It was indeed
you who picked up
the leather gun.
People can tell you
the time and
place.

What if this
leather gun was
stolen by him? I
mean,

ah?

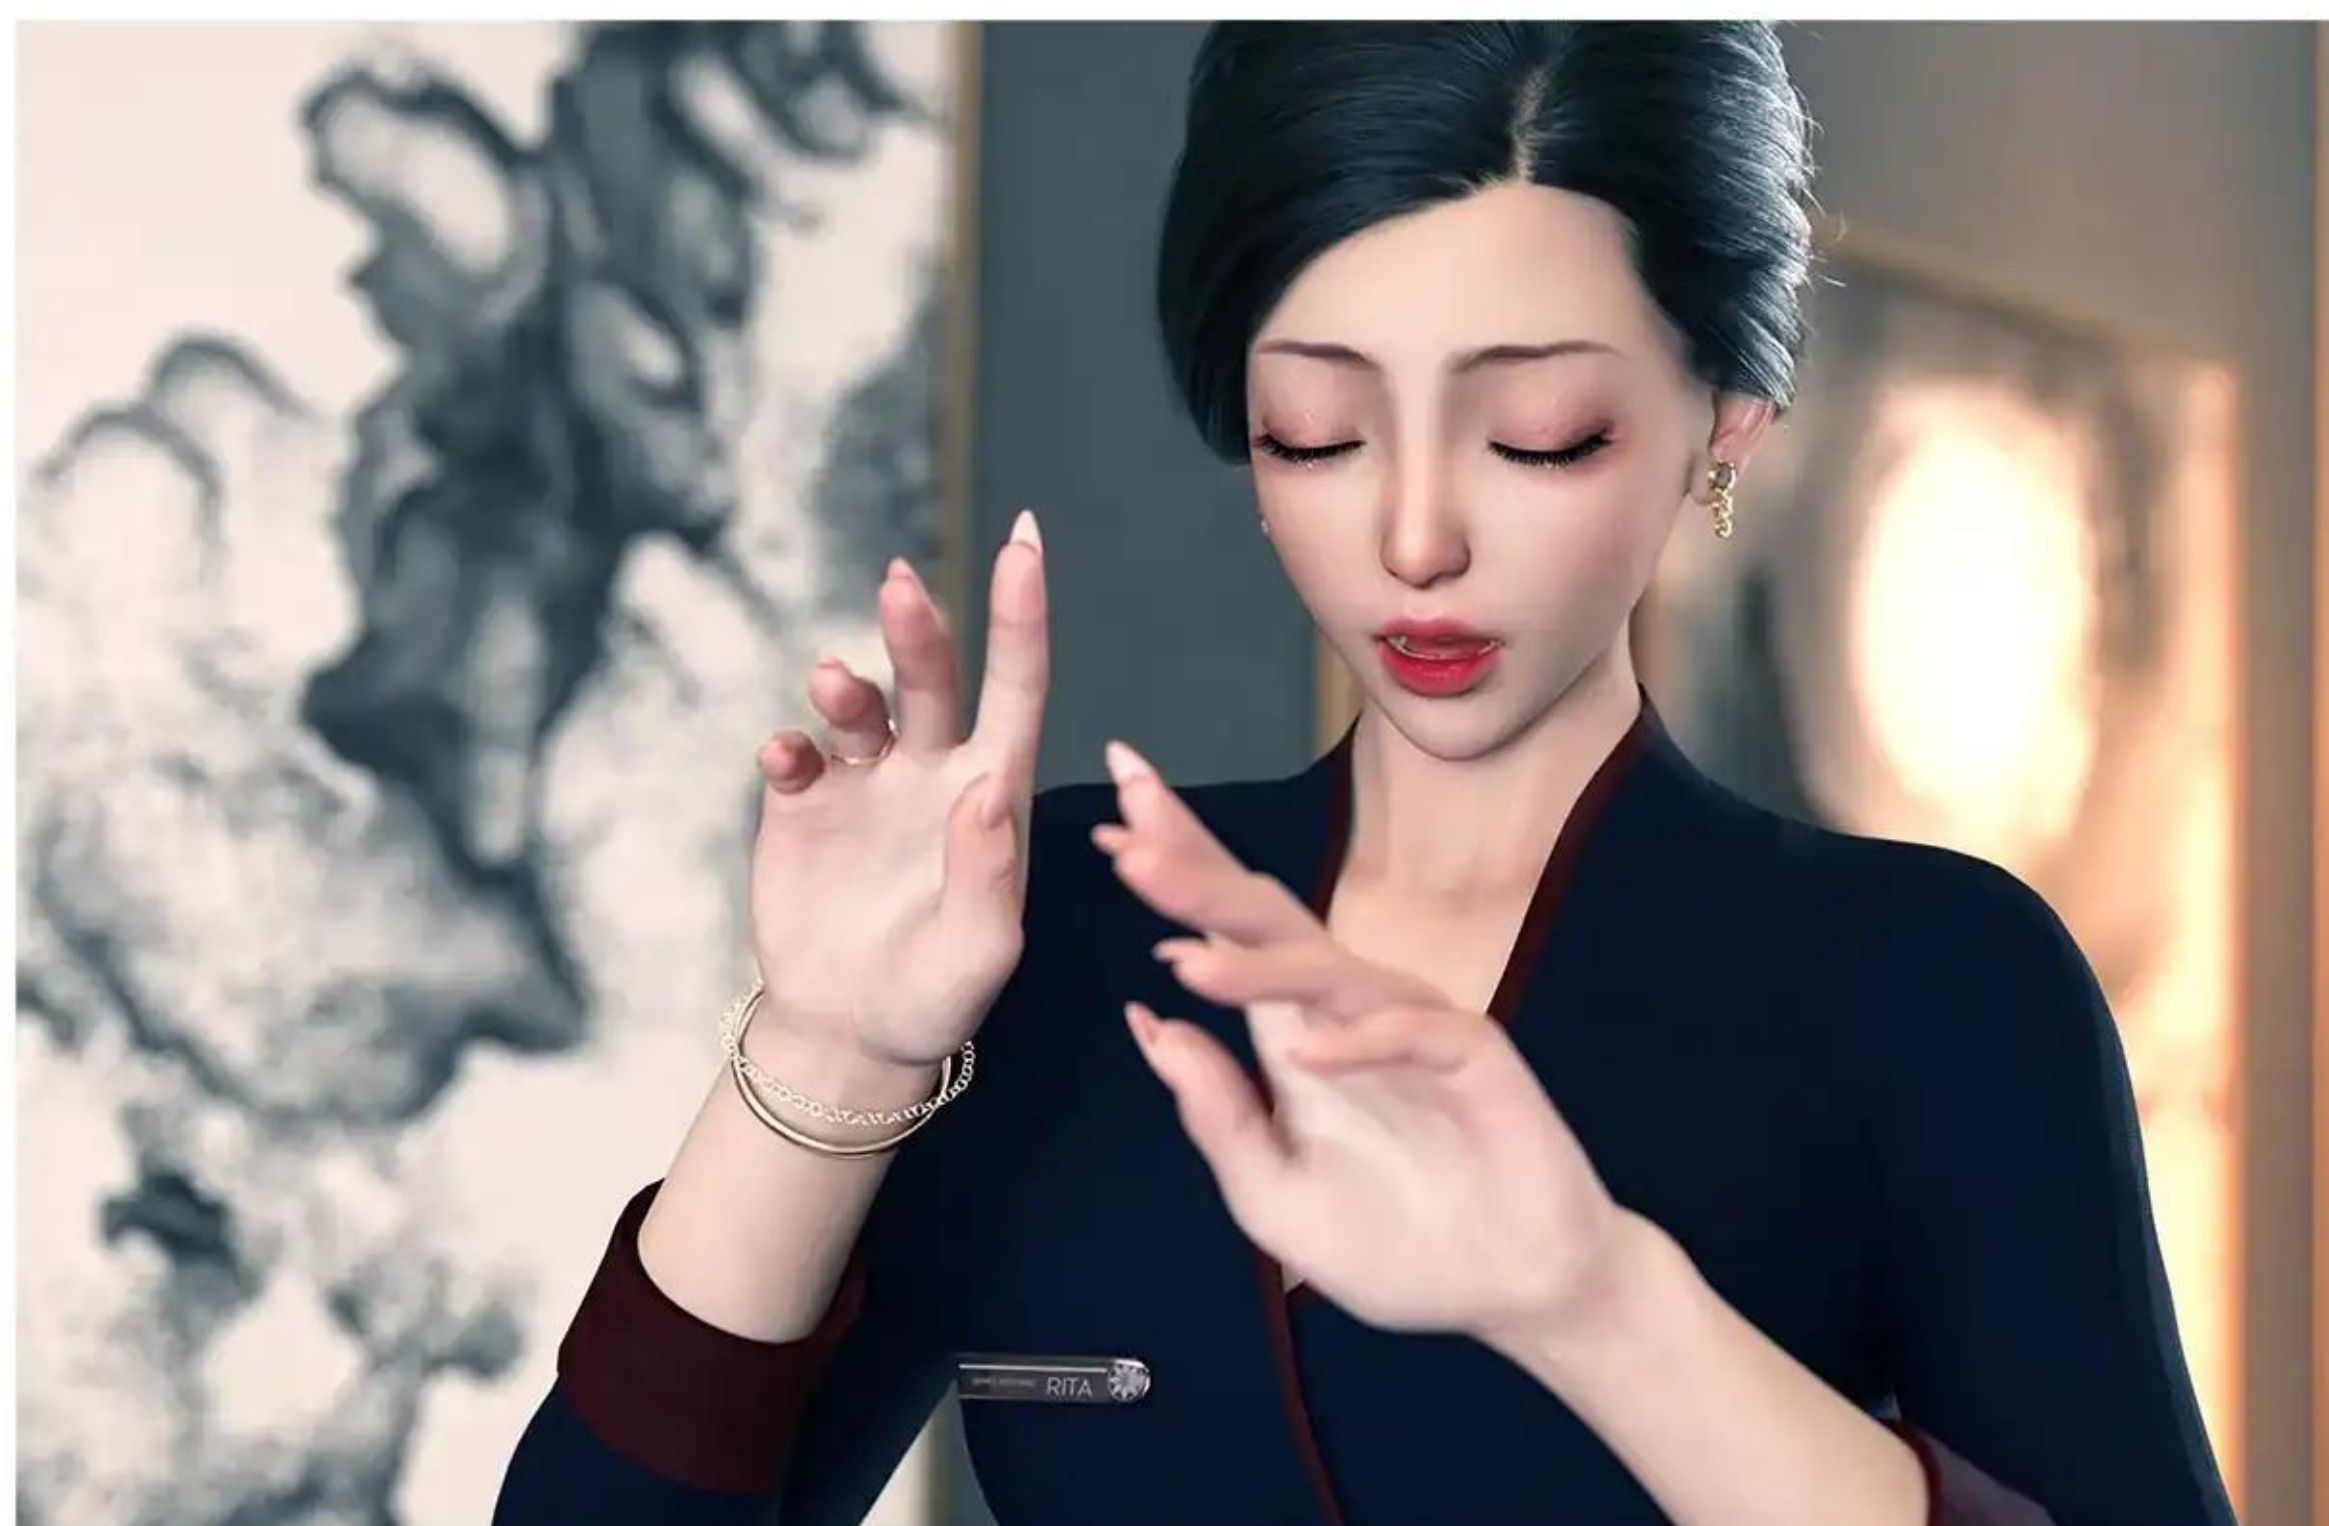

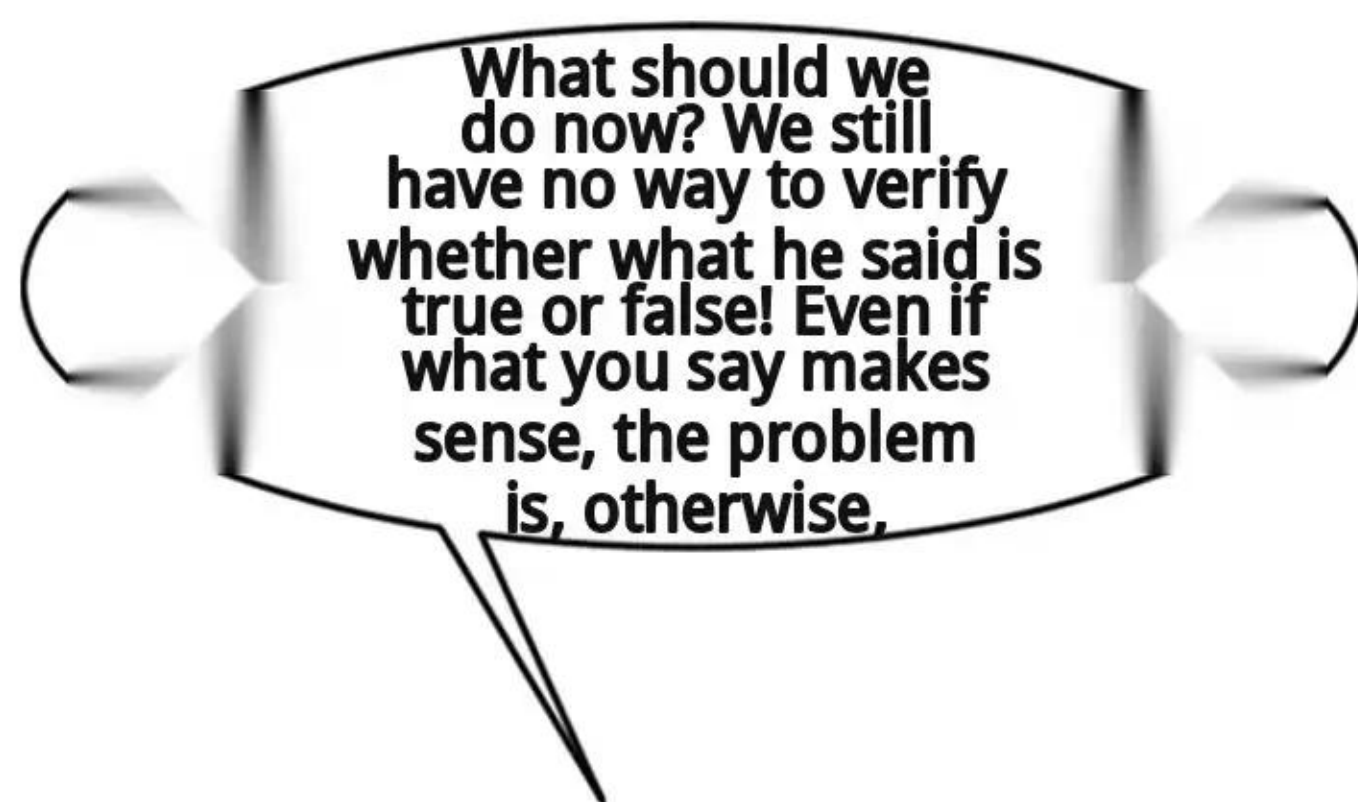

I also thought
about this, but he
said it was because the
data was stored in
that leather gun.

Would he not
even notice that the
gun was dropped? It
would be even more
strange if this data is
really so precious,

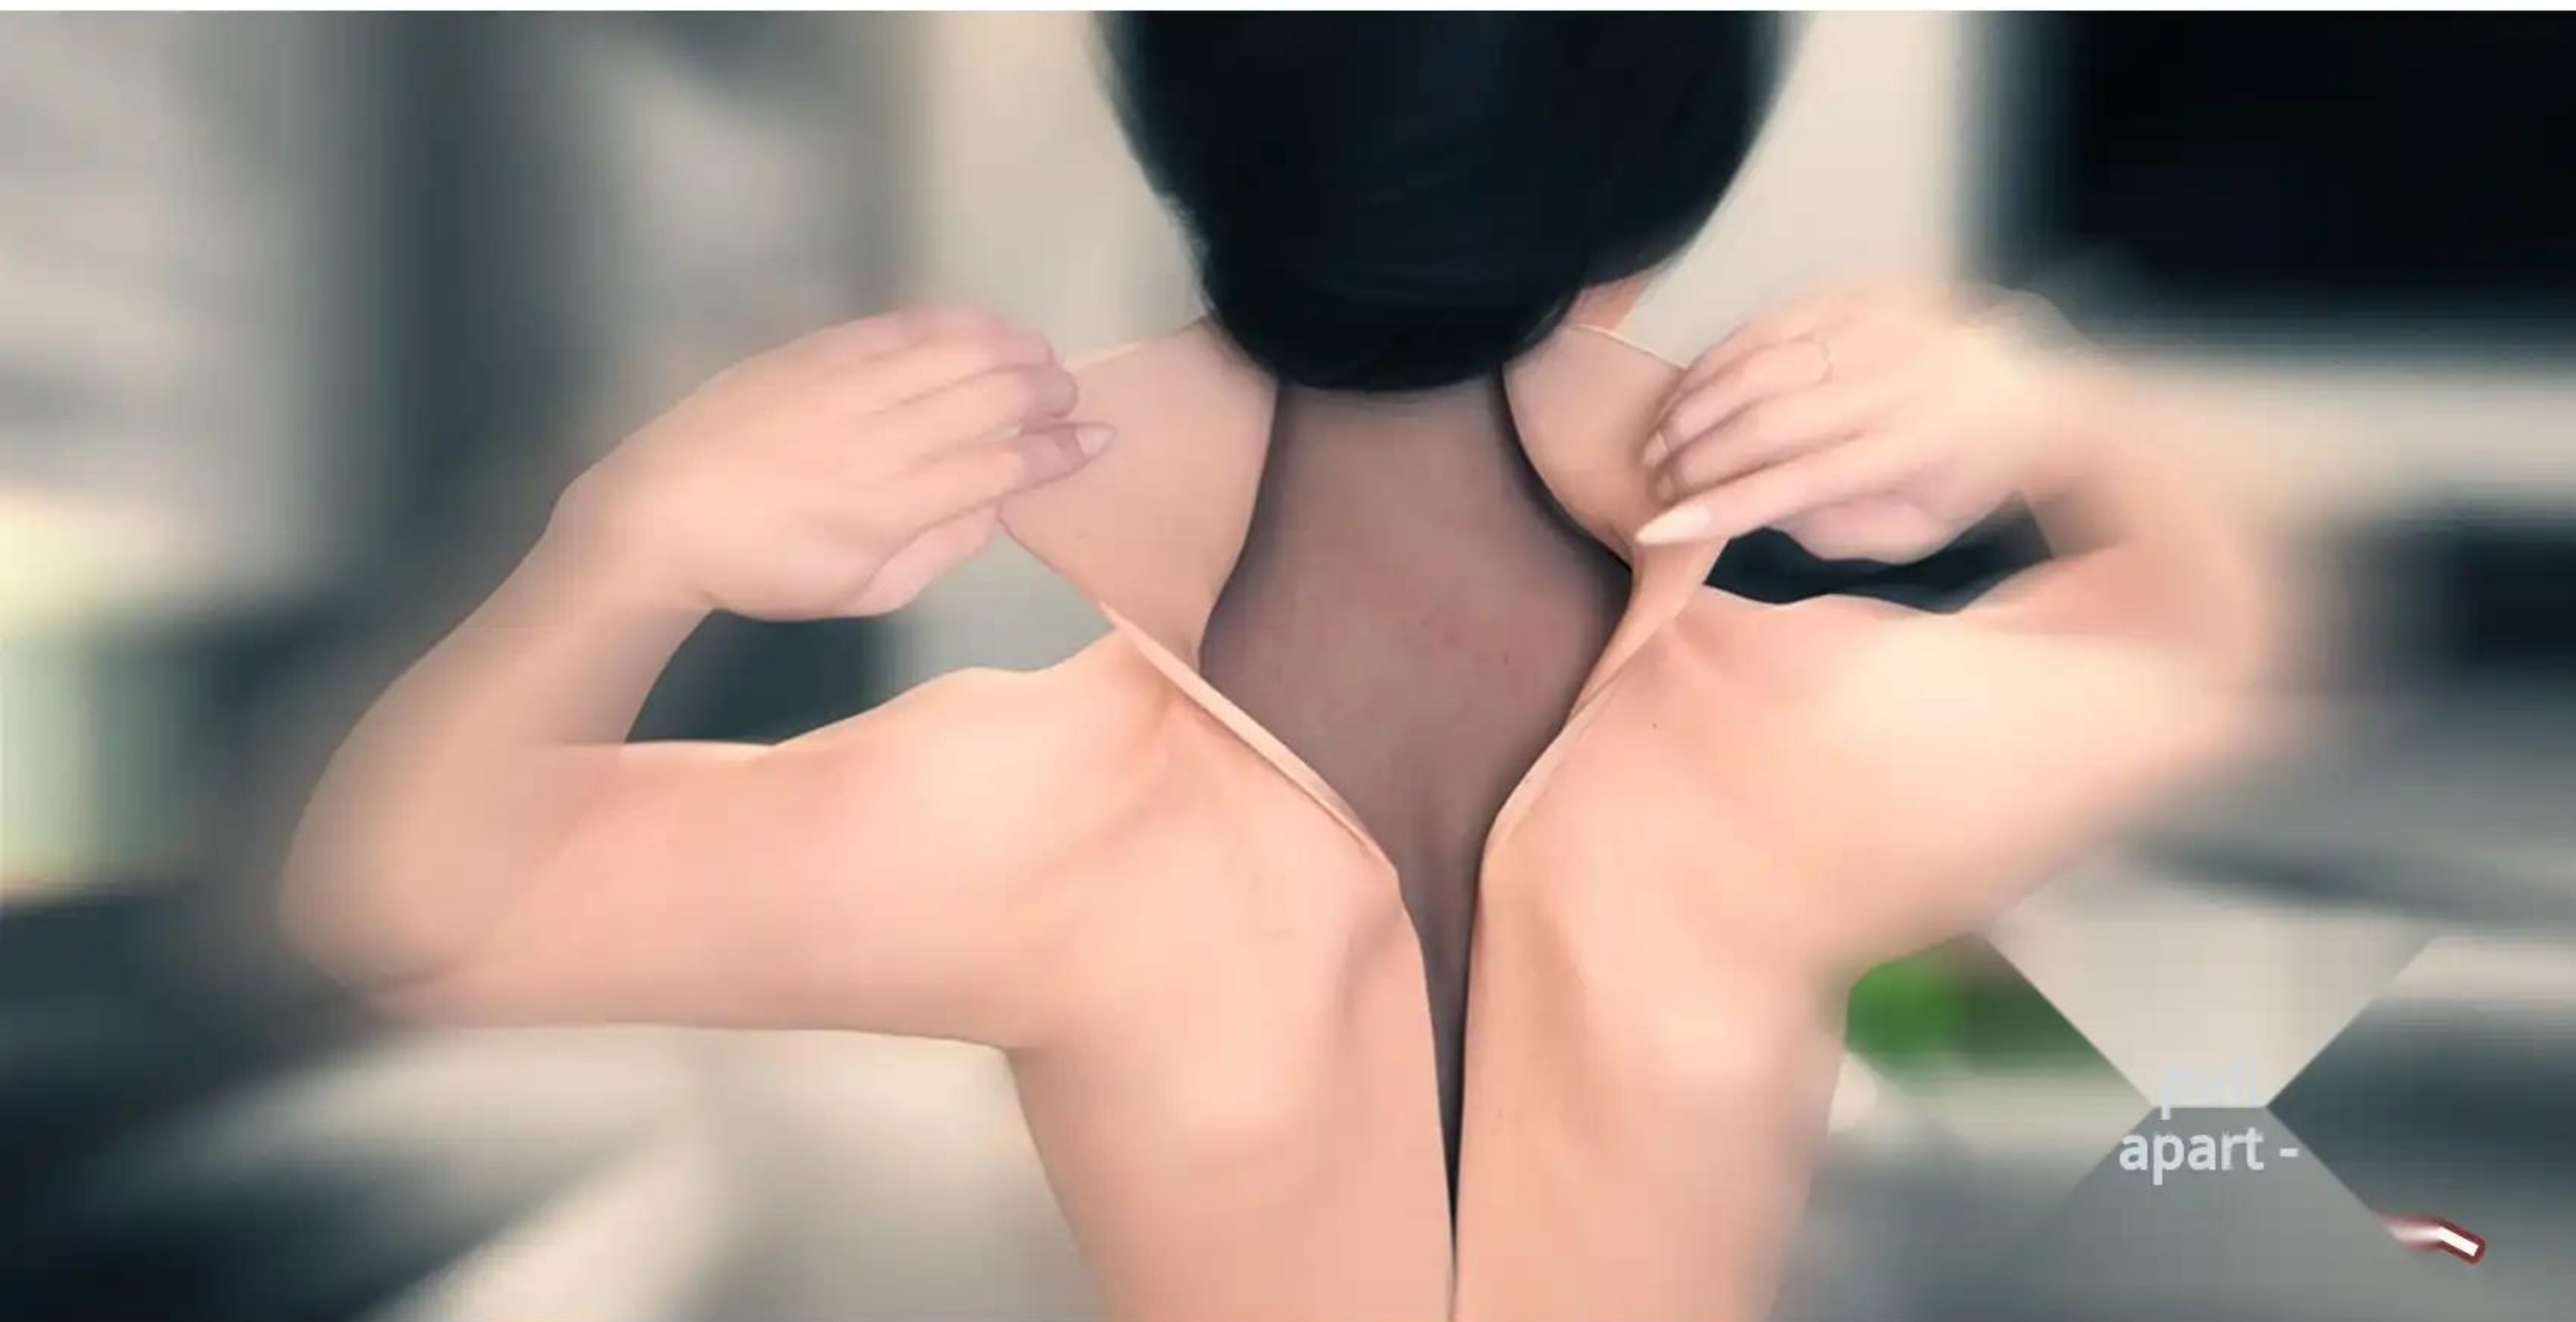

Well...just
leave it
to
me!

call!

Wearing two layers of skin is really tiring! I didn't feel it when I put it on, and I didn't know until I was about to take it off.

take
off

Phew~ Now
she has changed
from mother to
Wang Yali again!

I will try it next time too! I actually want to wear two skins at once, but you are smart enough, Lao Zhou.

Why,

It feels almost the same! In fact, wearing two layers of leather and wearing -

layer

Okay, stop talking
nonsense, I haven't
finished taking off my
clothes yet, hurry up!

! What are you
urging me to do?
It's true!

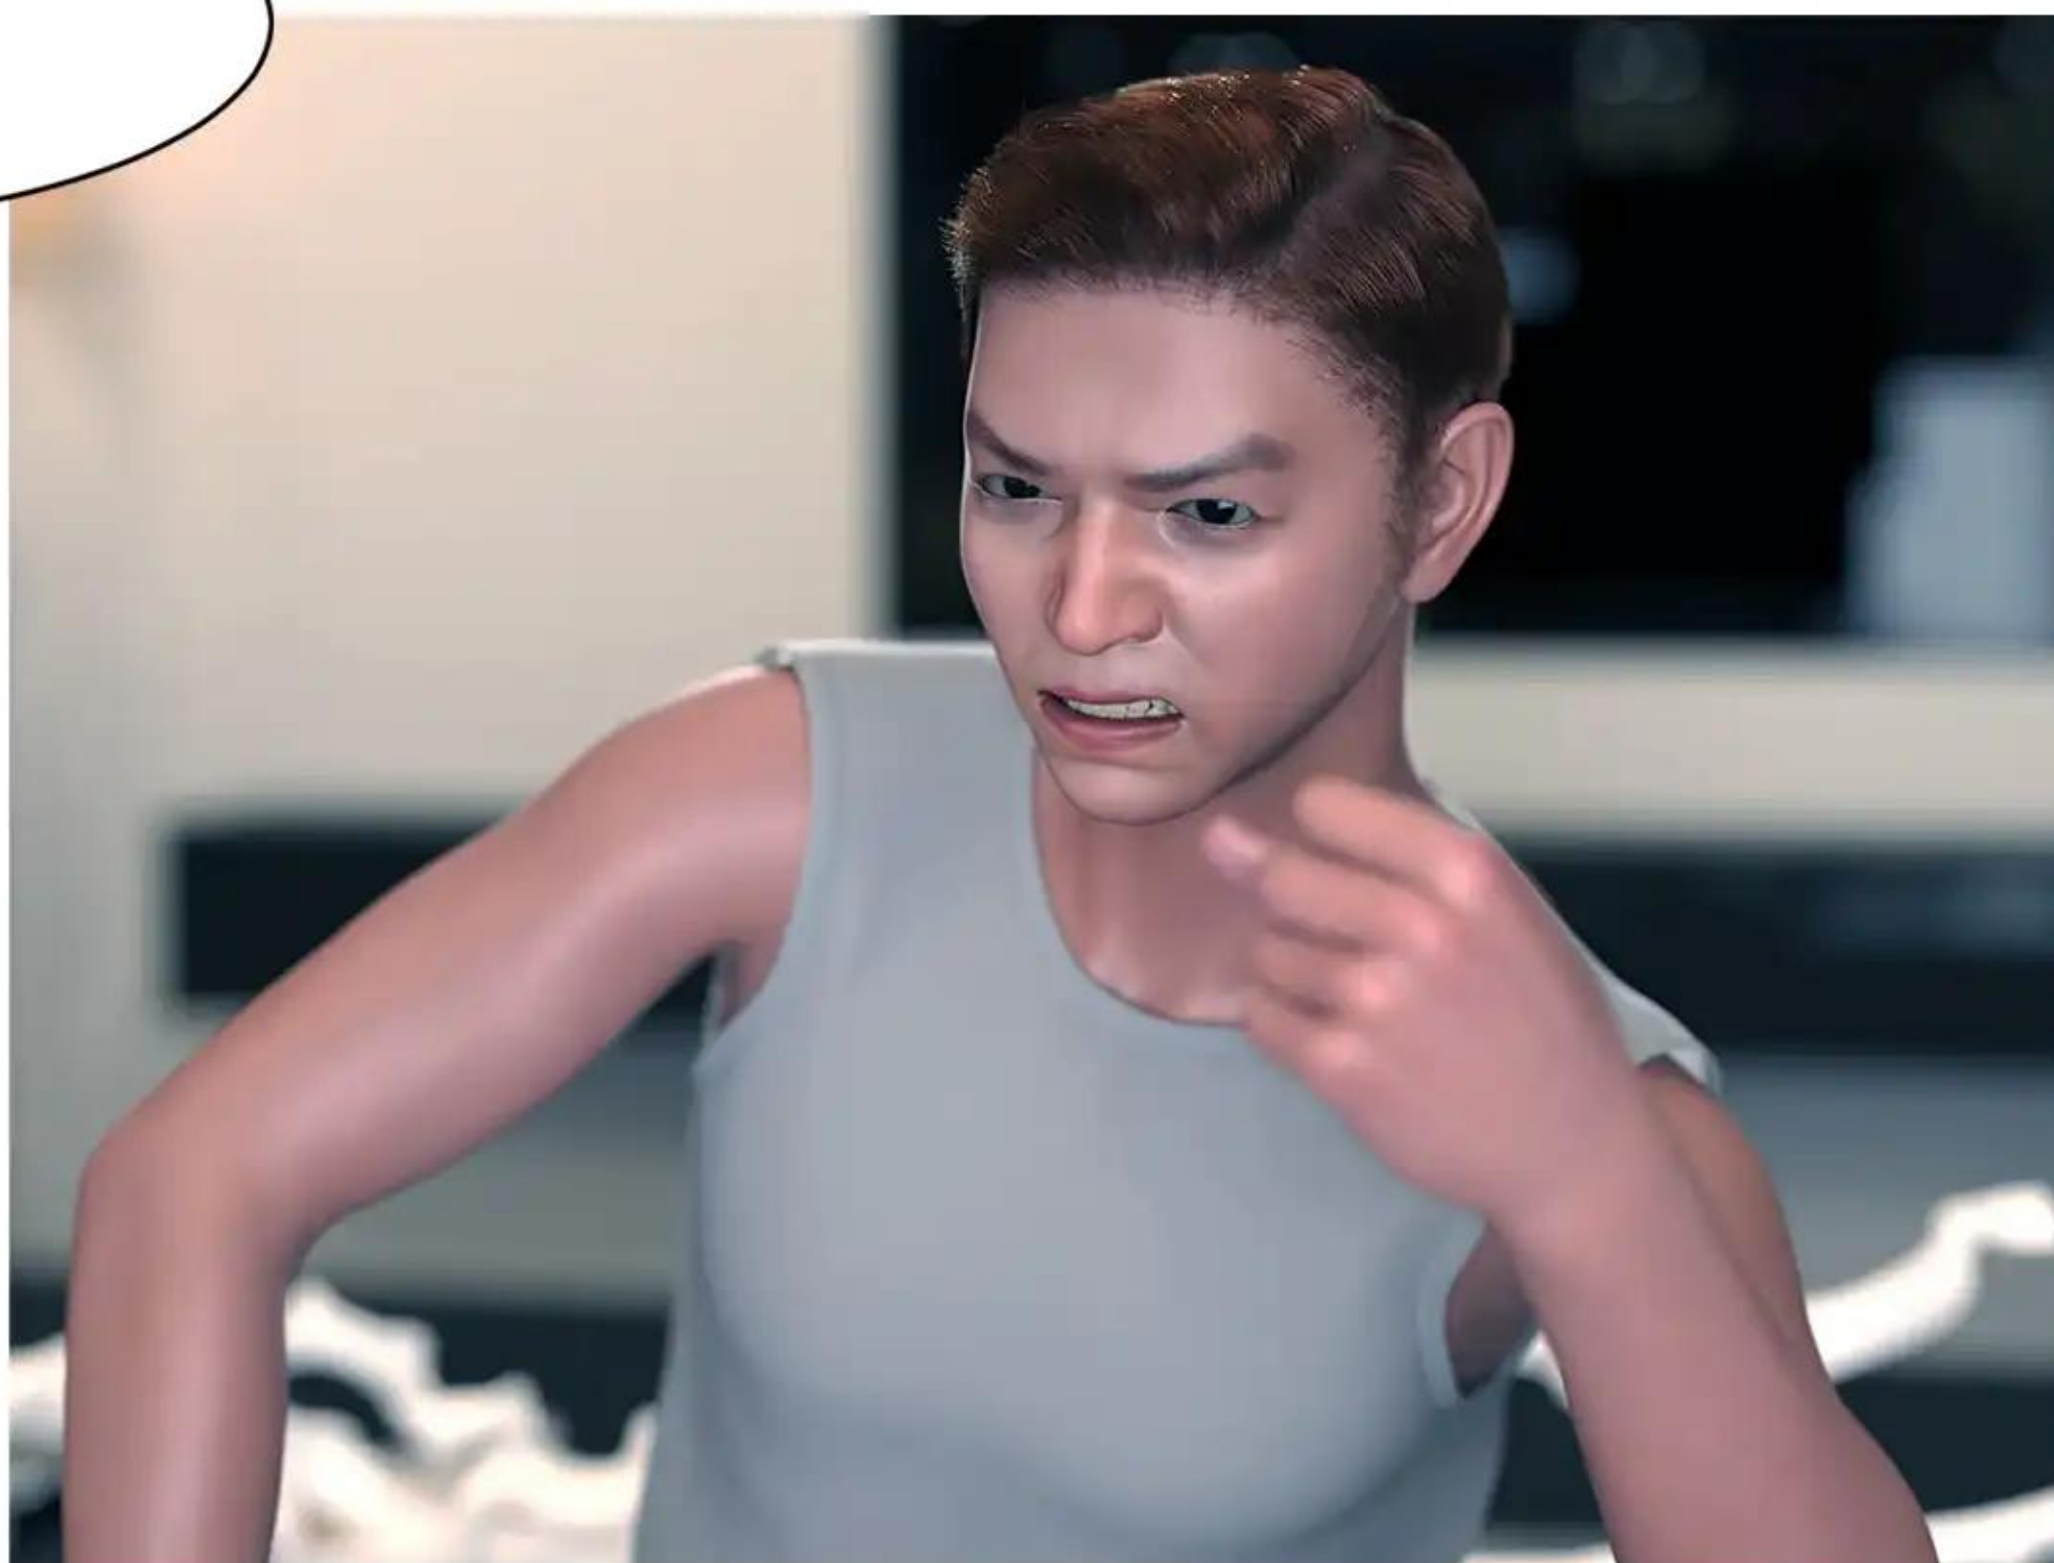

...Wow!

Ming...where are my glasses? My vision was blurry, and I suddenly used my own eyes again.

Take off the skin first! Anyway, I'm going to have my skin worn again later, so don't worry about the glasses, they still have to be taken off.

snort! That's because you don't understand that my back hurts when I stand and talk! The pain of us glasses people

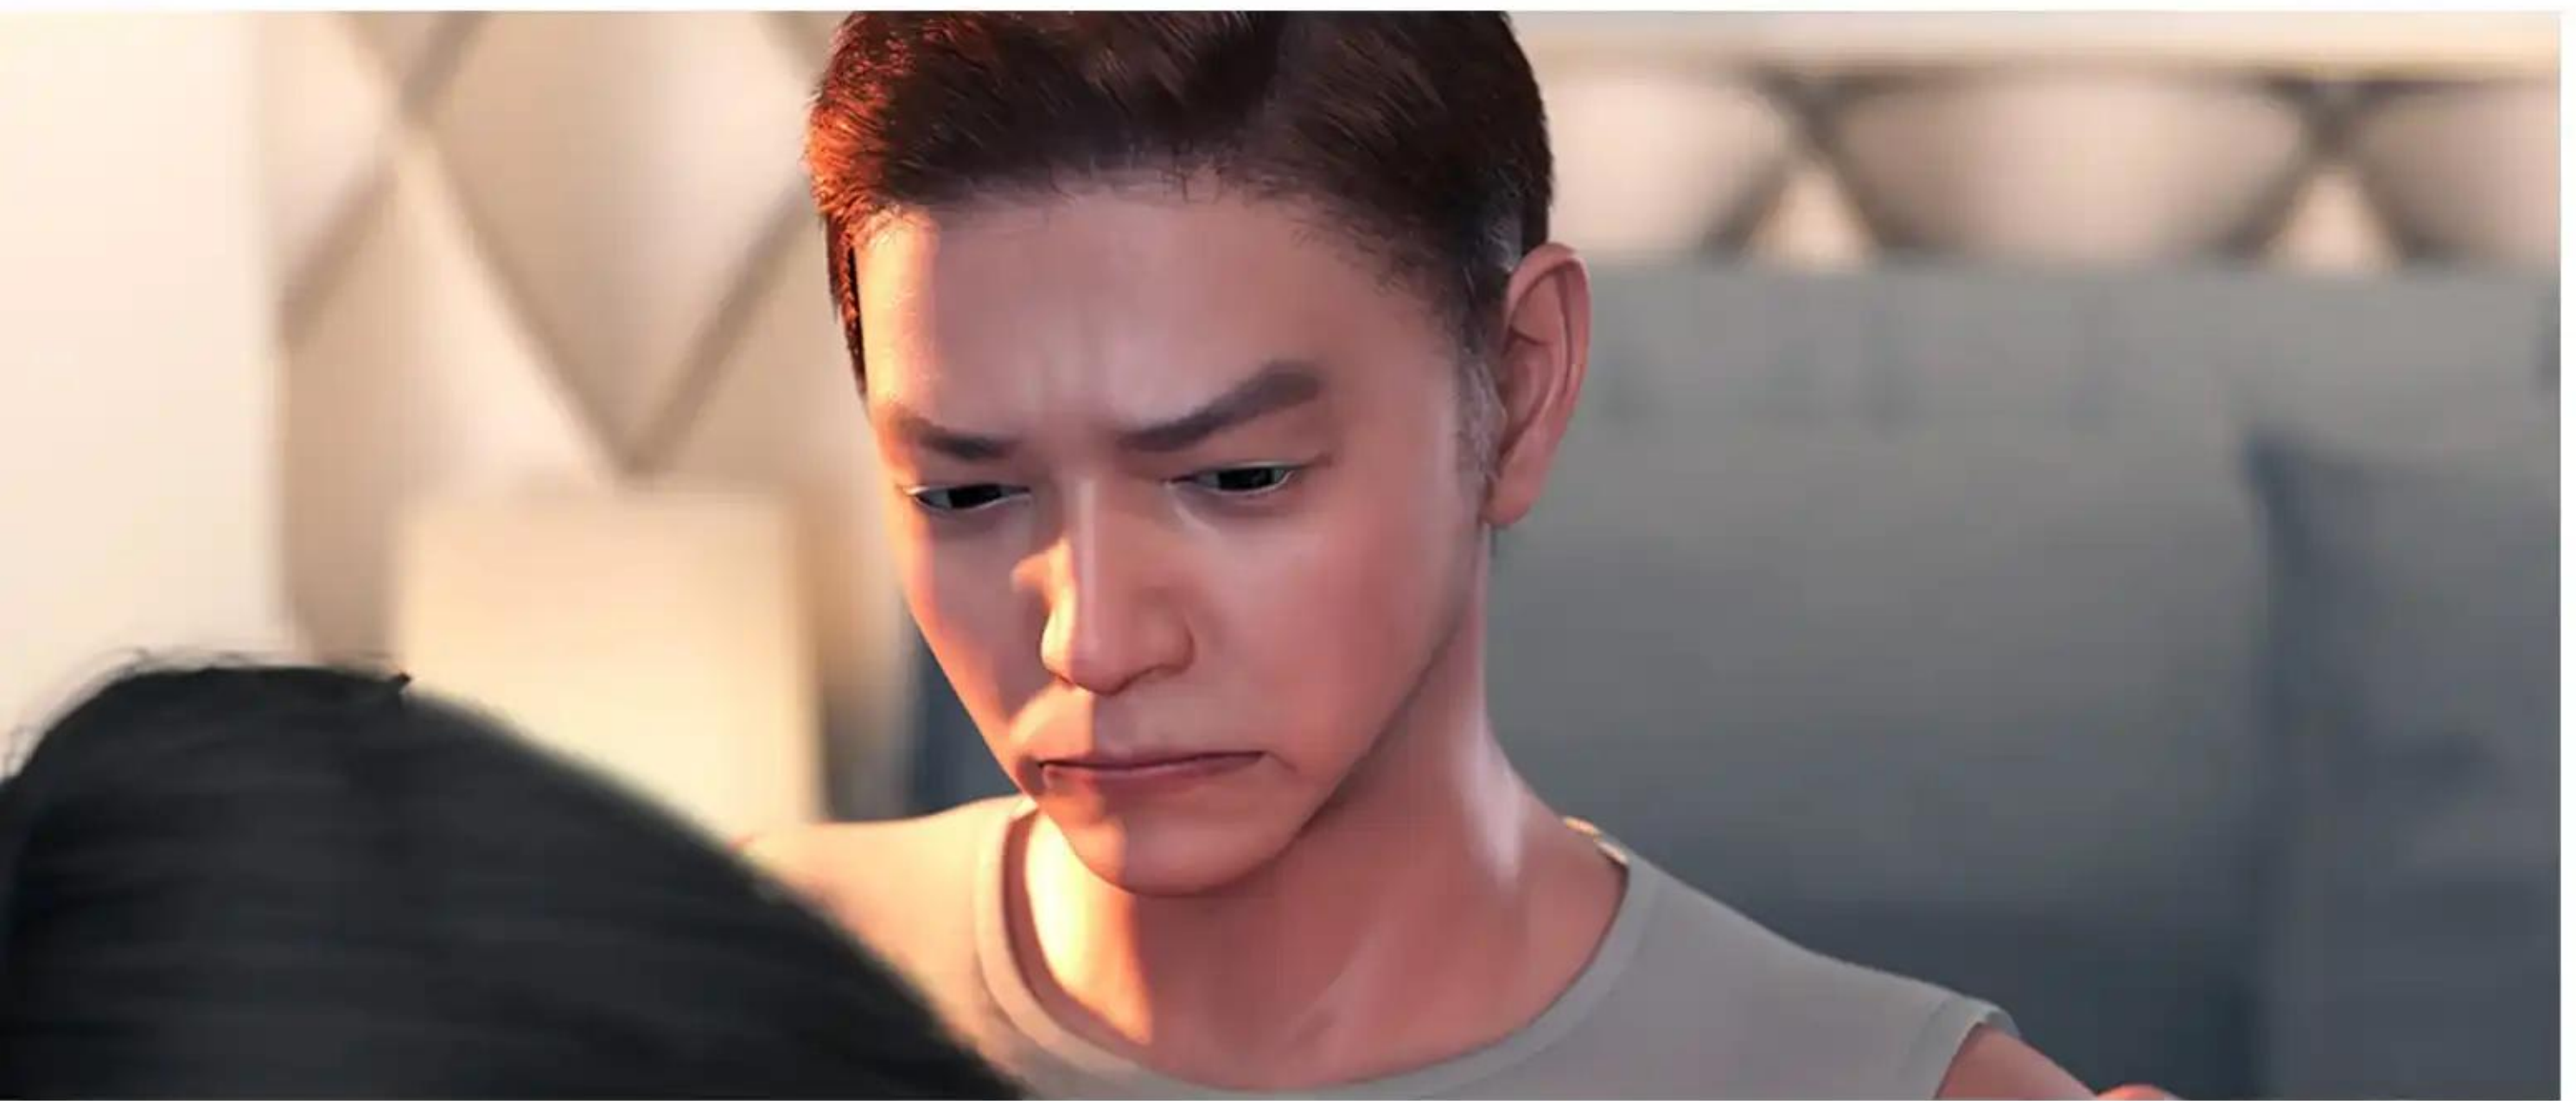

Now it's
my favorite
part again!
hey-hey,

This is only fair! Do you know? Come, one skin per person,

Isn't this the only time I'm going to wear two layers of skin? You need to keep talking! Got it

Well, but when
you think about it, isn't
it all your sweat? Evil is
something you wear
and then take off,

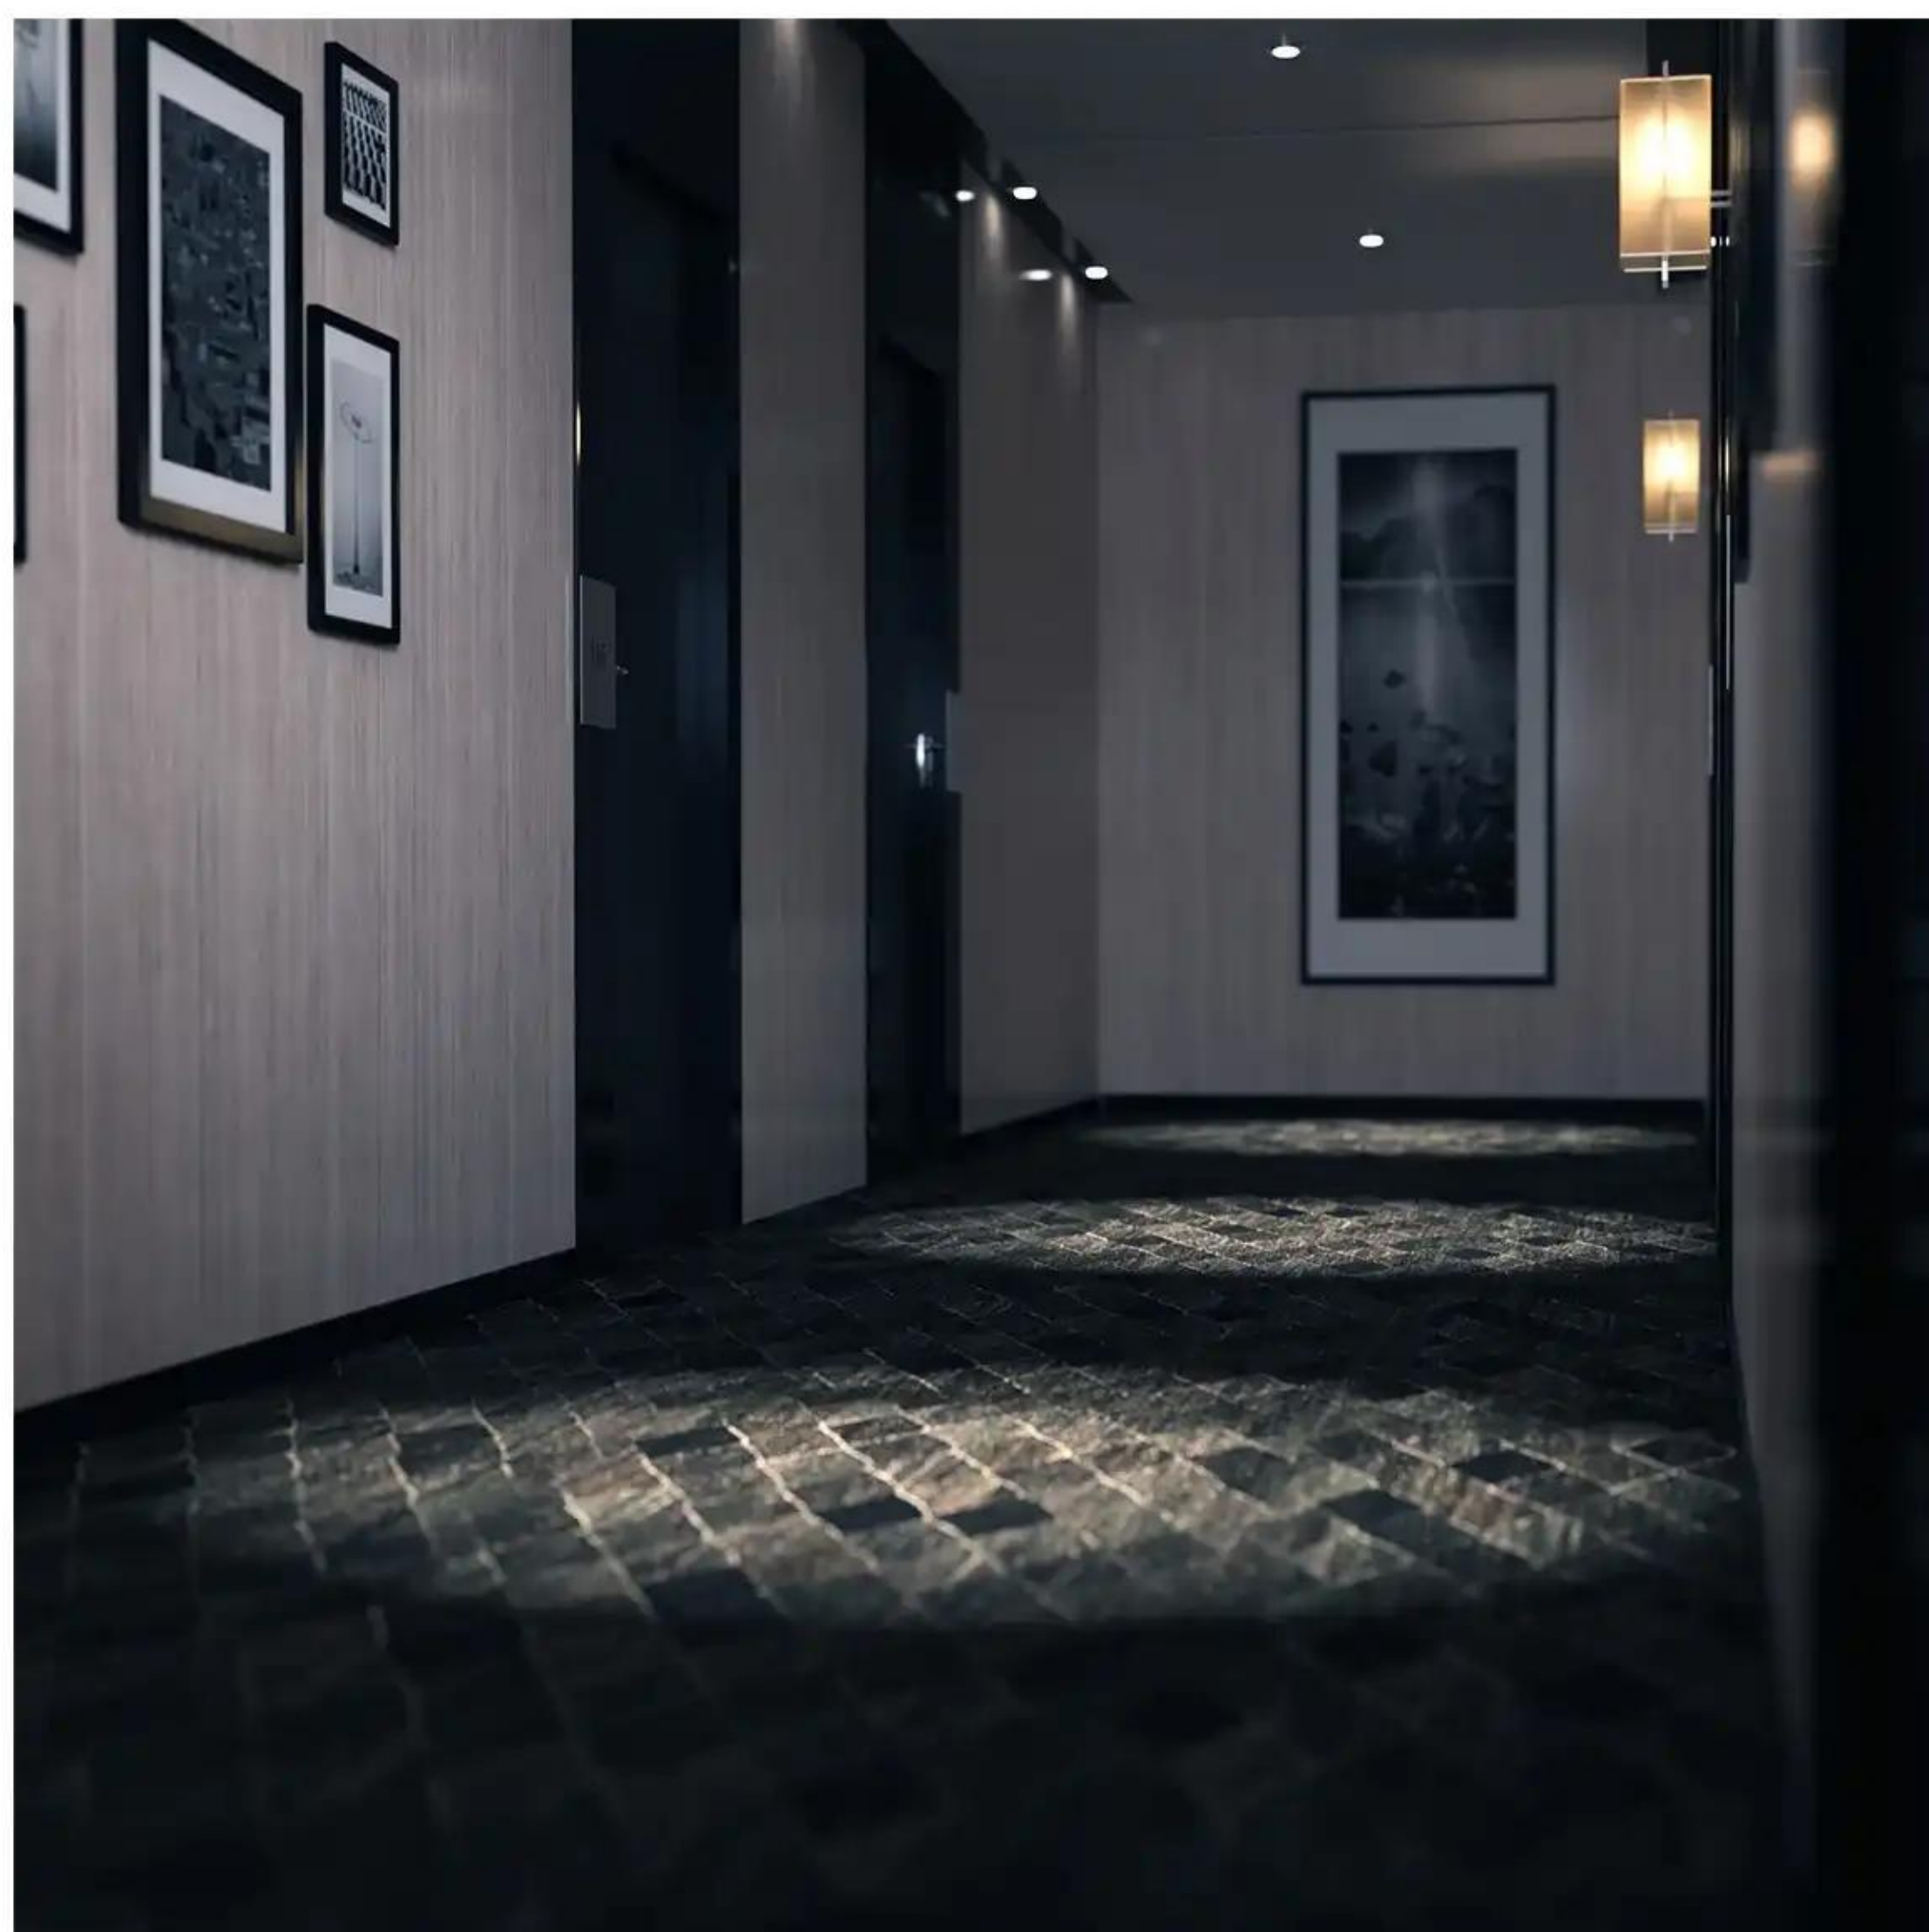

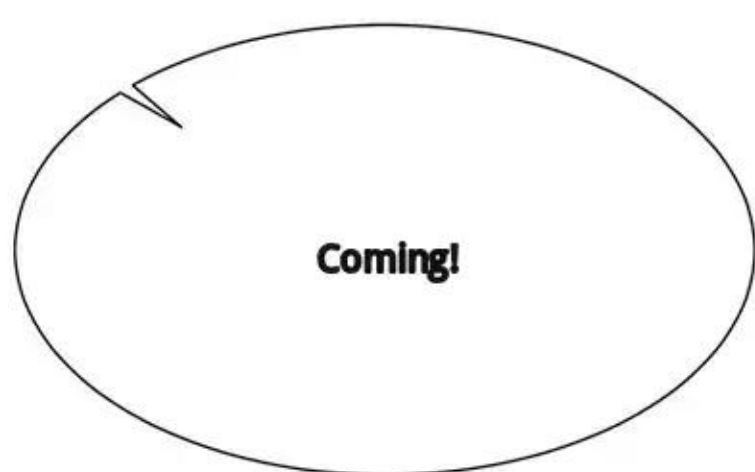

You...if you don't
want to wear it,
don't wear it!

After all...this is
related to our
subsequent plans! I'll just
make do with it! Alas,
there is no way,

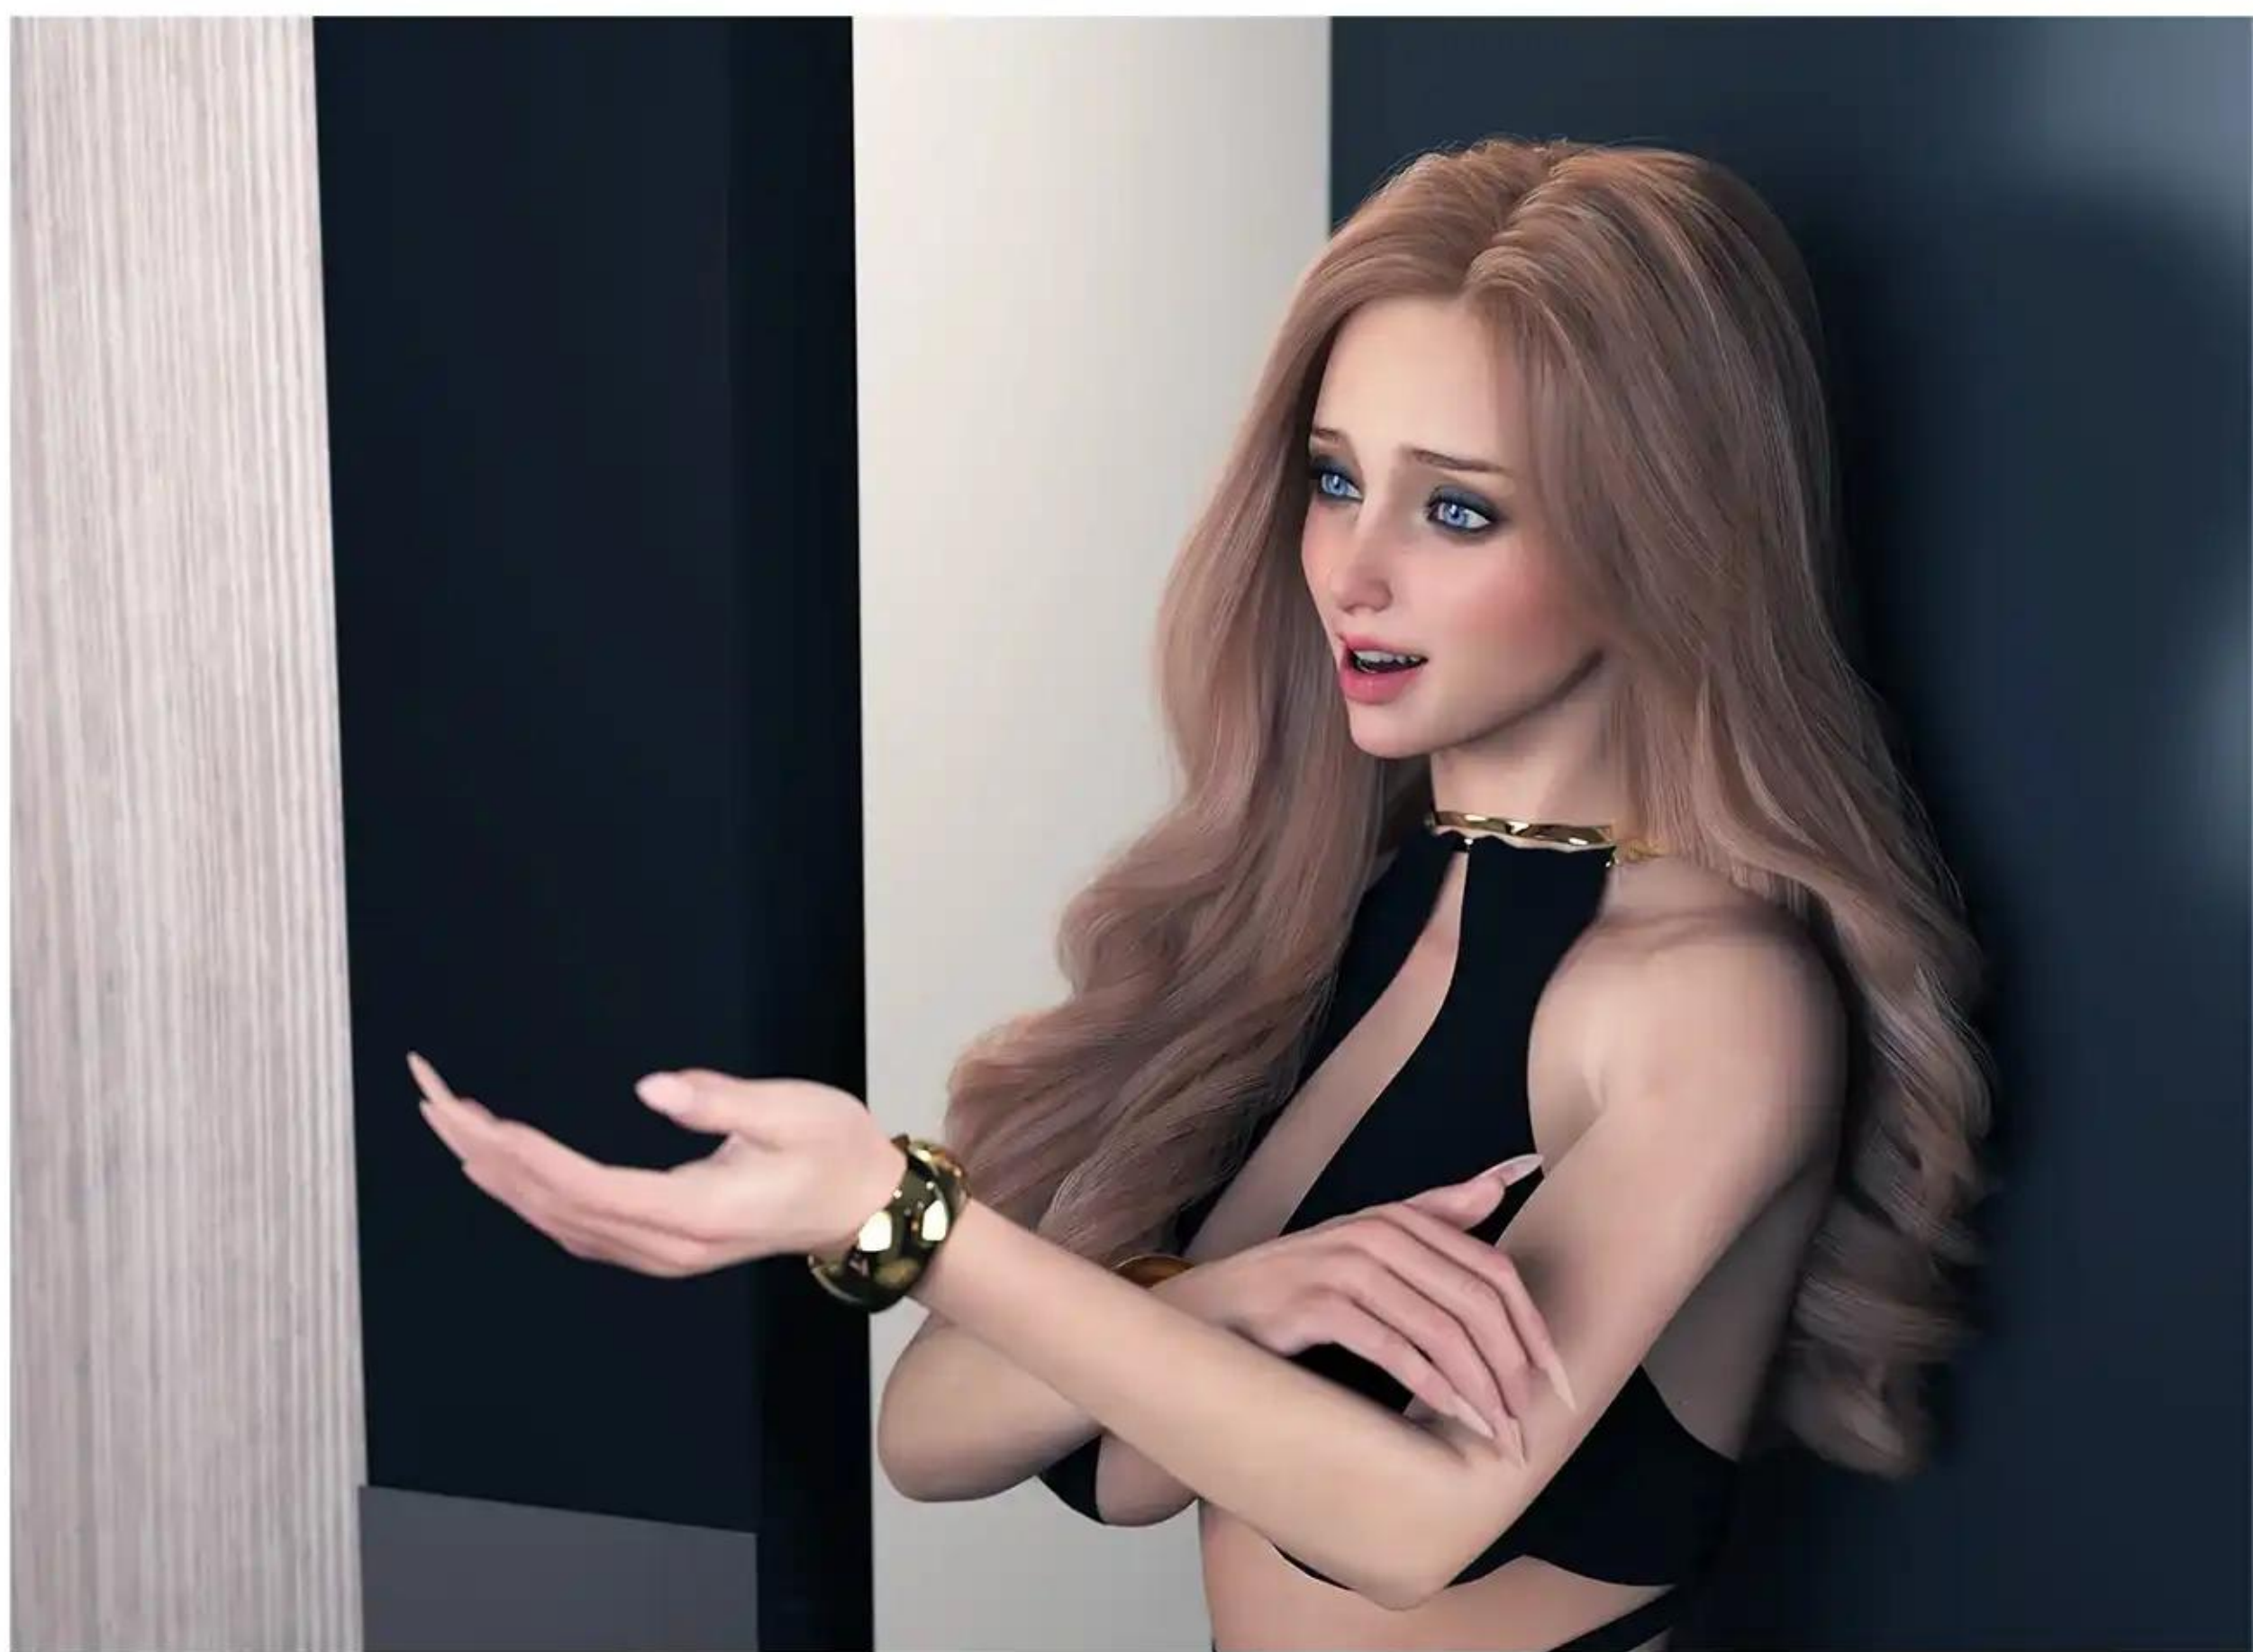

Who? What
are you looking
for me for?

Hello, I'm
sorry to disturb
your rest. My
surname is Wang.
I am an employee
of Akhaman
Business Hotel.

I came here
today to ask if you
have time and are
willing to help us
complete the
questionnaire?
Accommodation
satisfaction survey.

Come in
quickly

Sure enough, the beauty's appearance is so good! I didn't expect to be able to contact him so easily

I don't want to wear someone else's skin! But if he hadn't met Zhou Ming and his mother, even though the skin looks good,

**Then we will
start today's
satisfaction
survey.**

.....

What am I, teaching foreign languages! I am thirty-two years old, just call me Monica, professionally speaking.

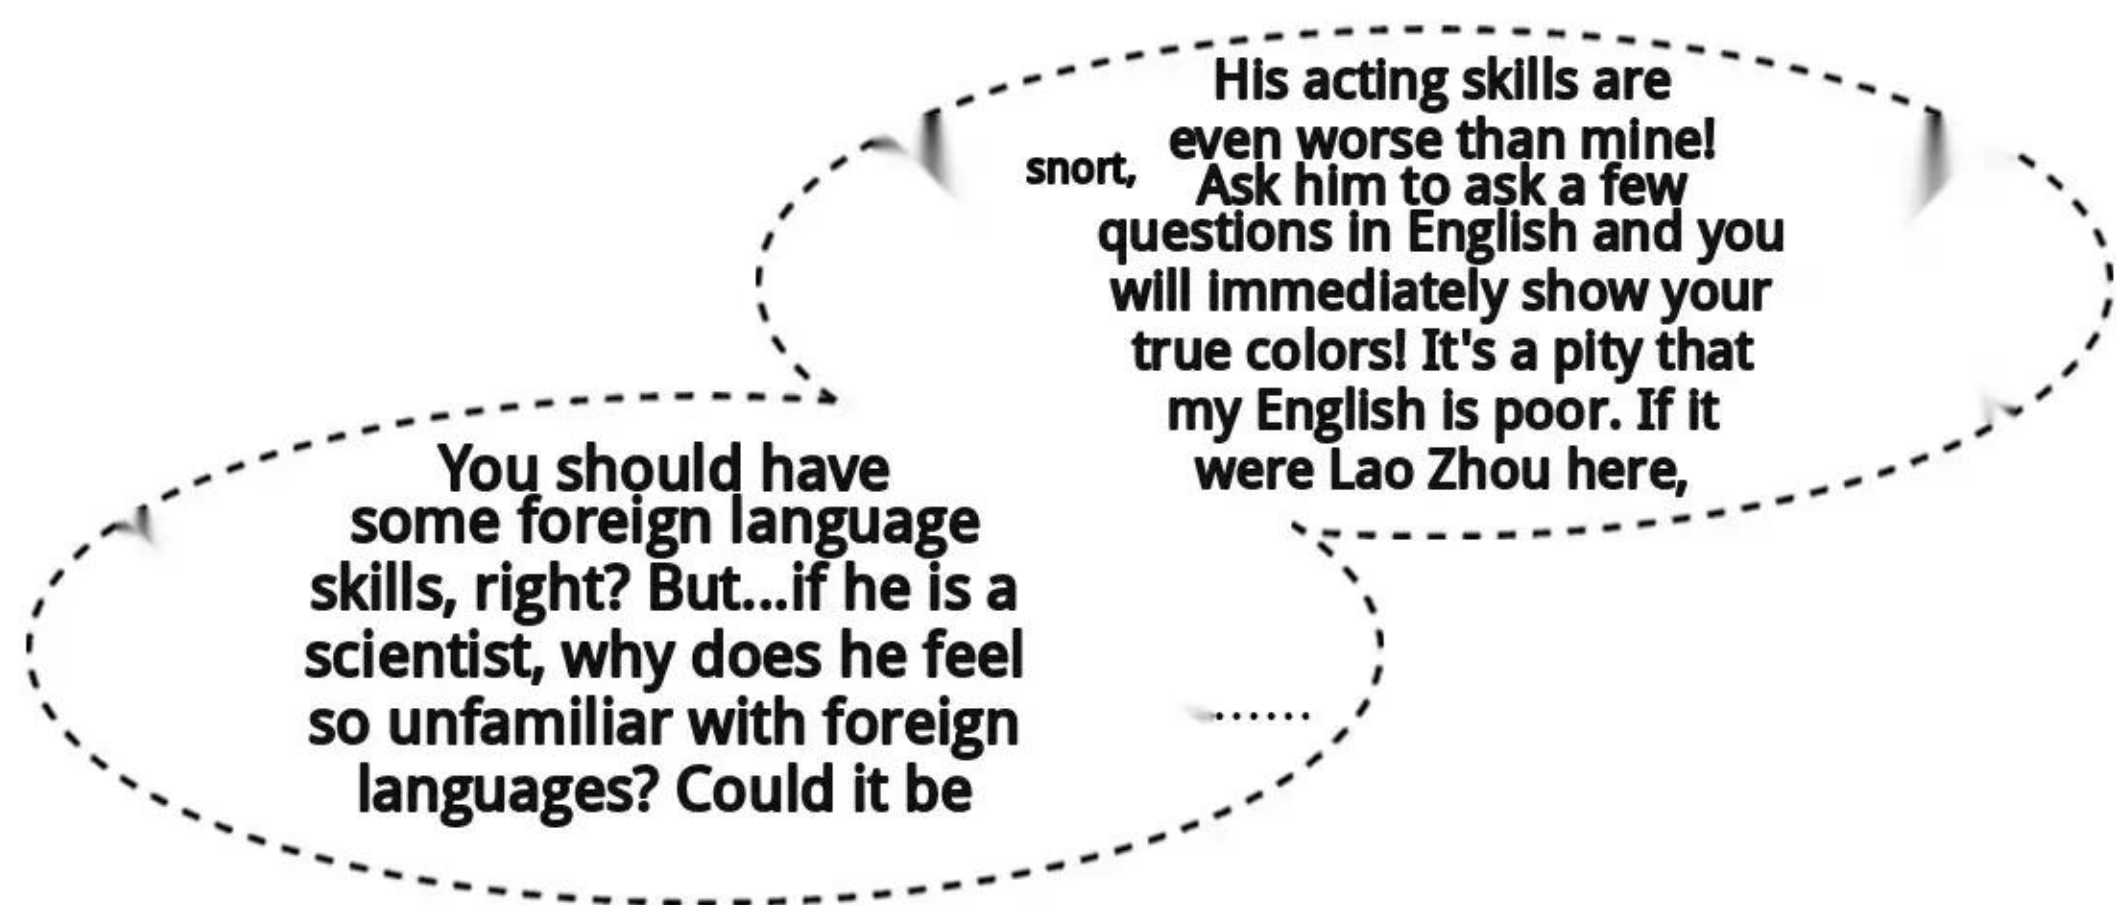

So you are a teacher? I almost thought you were from China! But your Chinese is really very good.

So are you generally teaching students or adults? Are you focusing on grammar or conversation?

Students' words, language and grammar? Well...it depends on the situation, it depends on the situation! Well...it can be taught by everyone,

Will there be some information about him in it? Hey, is that his mobile phone? If you can find a way to get it.

Okay, then I would like to ask you some thoughts about this hotel.

ah! My
mobile
phone!

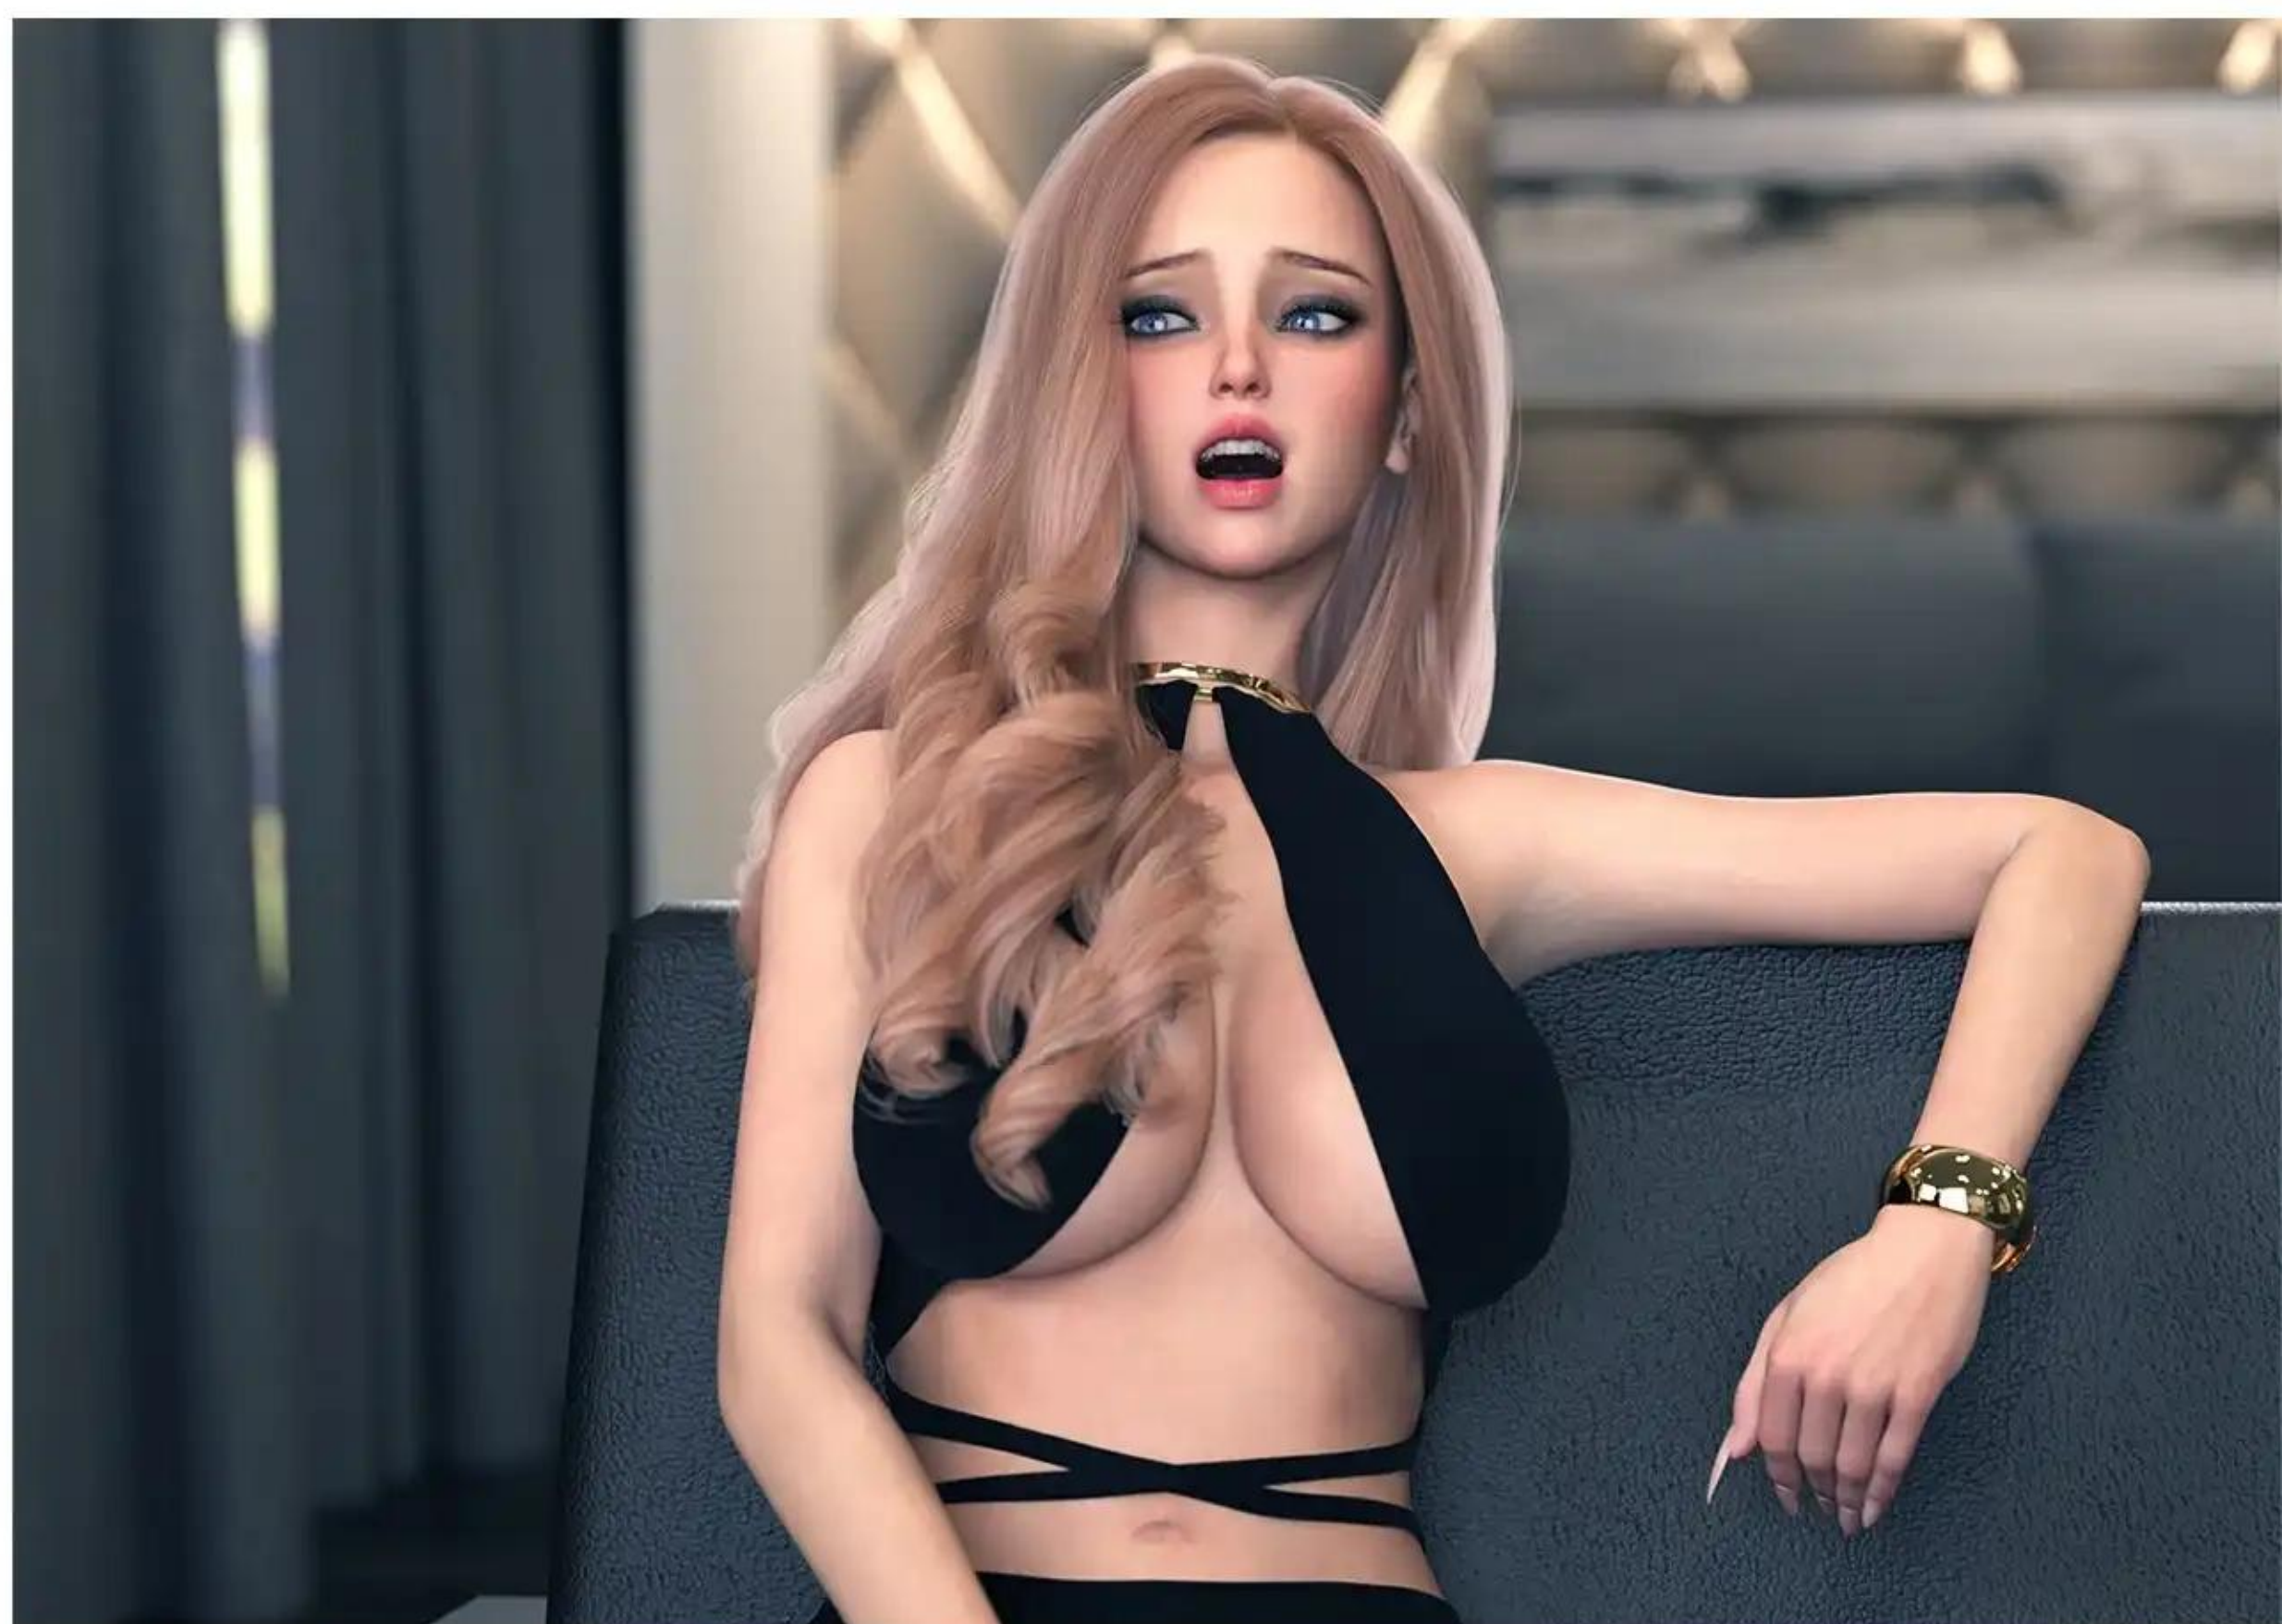

I'm really sorry. Is
your phone okay? Oh
my God! Quick, wipe it
with paper quickly! I
was too careless

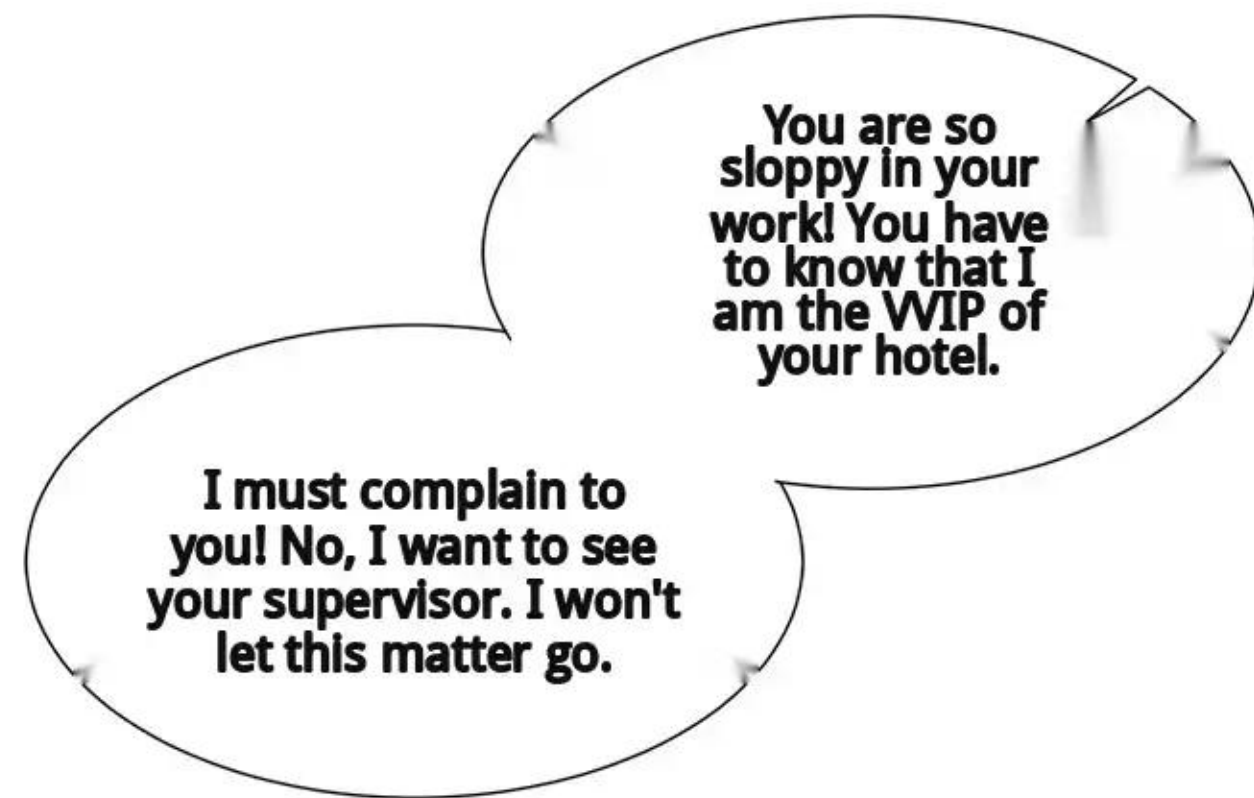

.It's hopeless! The whole glass of water is poured on it. What should I do now? I can't even turn on my computer now.

I will definitely be fully responsible for the repair costs of your phone! I'm really sorry! Please rest assured,

Isn't this a question of compensation? How are you going to compensate me for this? It would be very inconvenient for me to live without a mobile phone in the rest of my life, and my mood during this trip was also ruined.

Unless...
hum!

It's not my imagination, she was really peeking at my silky feet just now, right?

Hmm...then am I doing lewd things to me? Is it better to just let things go? Does she want to blackmail me with a complaint?

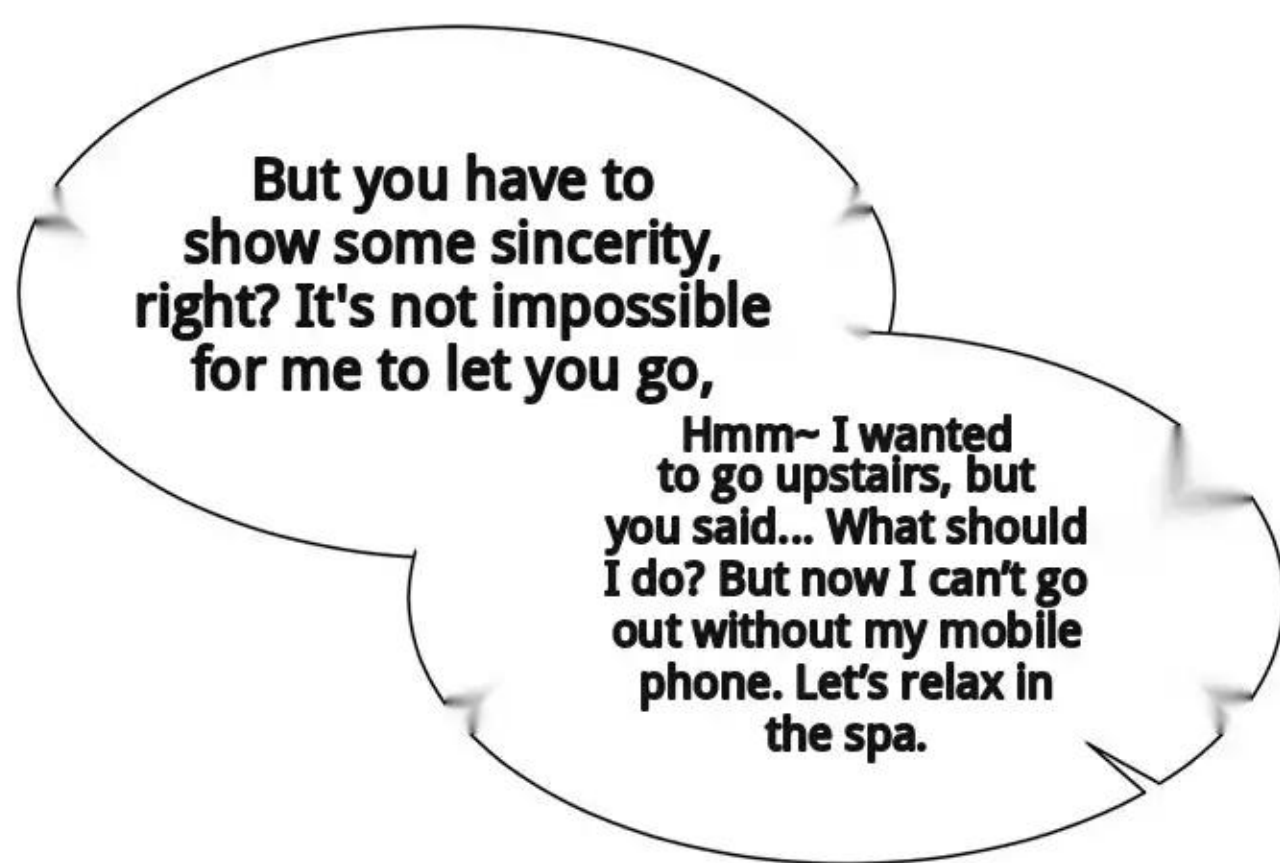

You will also lose
your job! Your complaint
may cost me my bonus. My
boss doesn't like me. Ms.
Monica, please don't
complain. I still have
children to support,
so you can't live
without a job! Please
be kind to me, I still
have a husband at
home,

I wish I had a
dick, hehehe! There is
something between
the two of us, but it
doesn't matter.

Not bad! Yo~
So this is still a
wife? Otherwise it
would be even
better! It's a pity
that she didn't
help him,

It doesn't even have a
great taste! Wang Yali (voice)
It's great to play such a forced
and weak character. You really
played it for me, right? I have
to say,

Isn't it just a
pretense? I wish I could
learn from Lao Zhou's
useless look! Then I will
play with you thoroughly.
Since you want to play,

How about I
give you a
massage? If you
don't mind it,
please, sir, please
have a lot of
it,

Try it, try it! My
craftsmanship is
pretty good,

I'll just cancel the cell phone thing! As long as you serve me happily, fine, I'll give you a chance to atone for your sins.

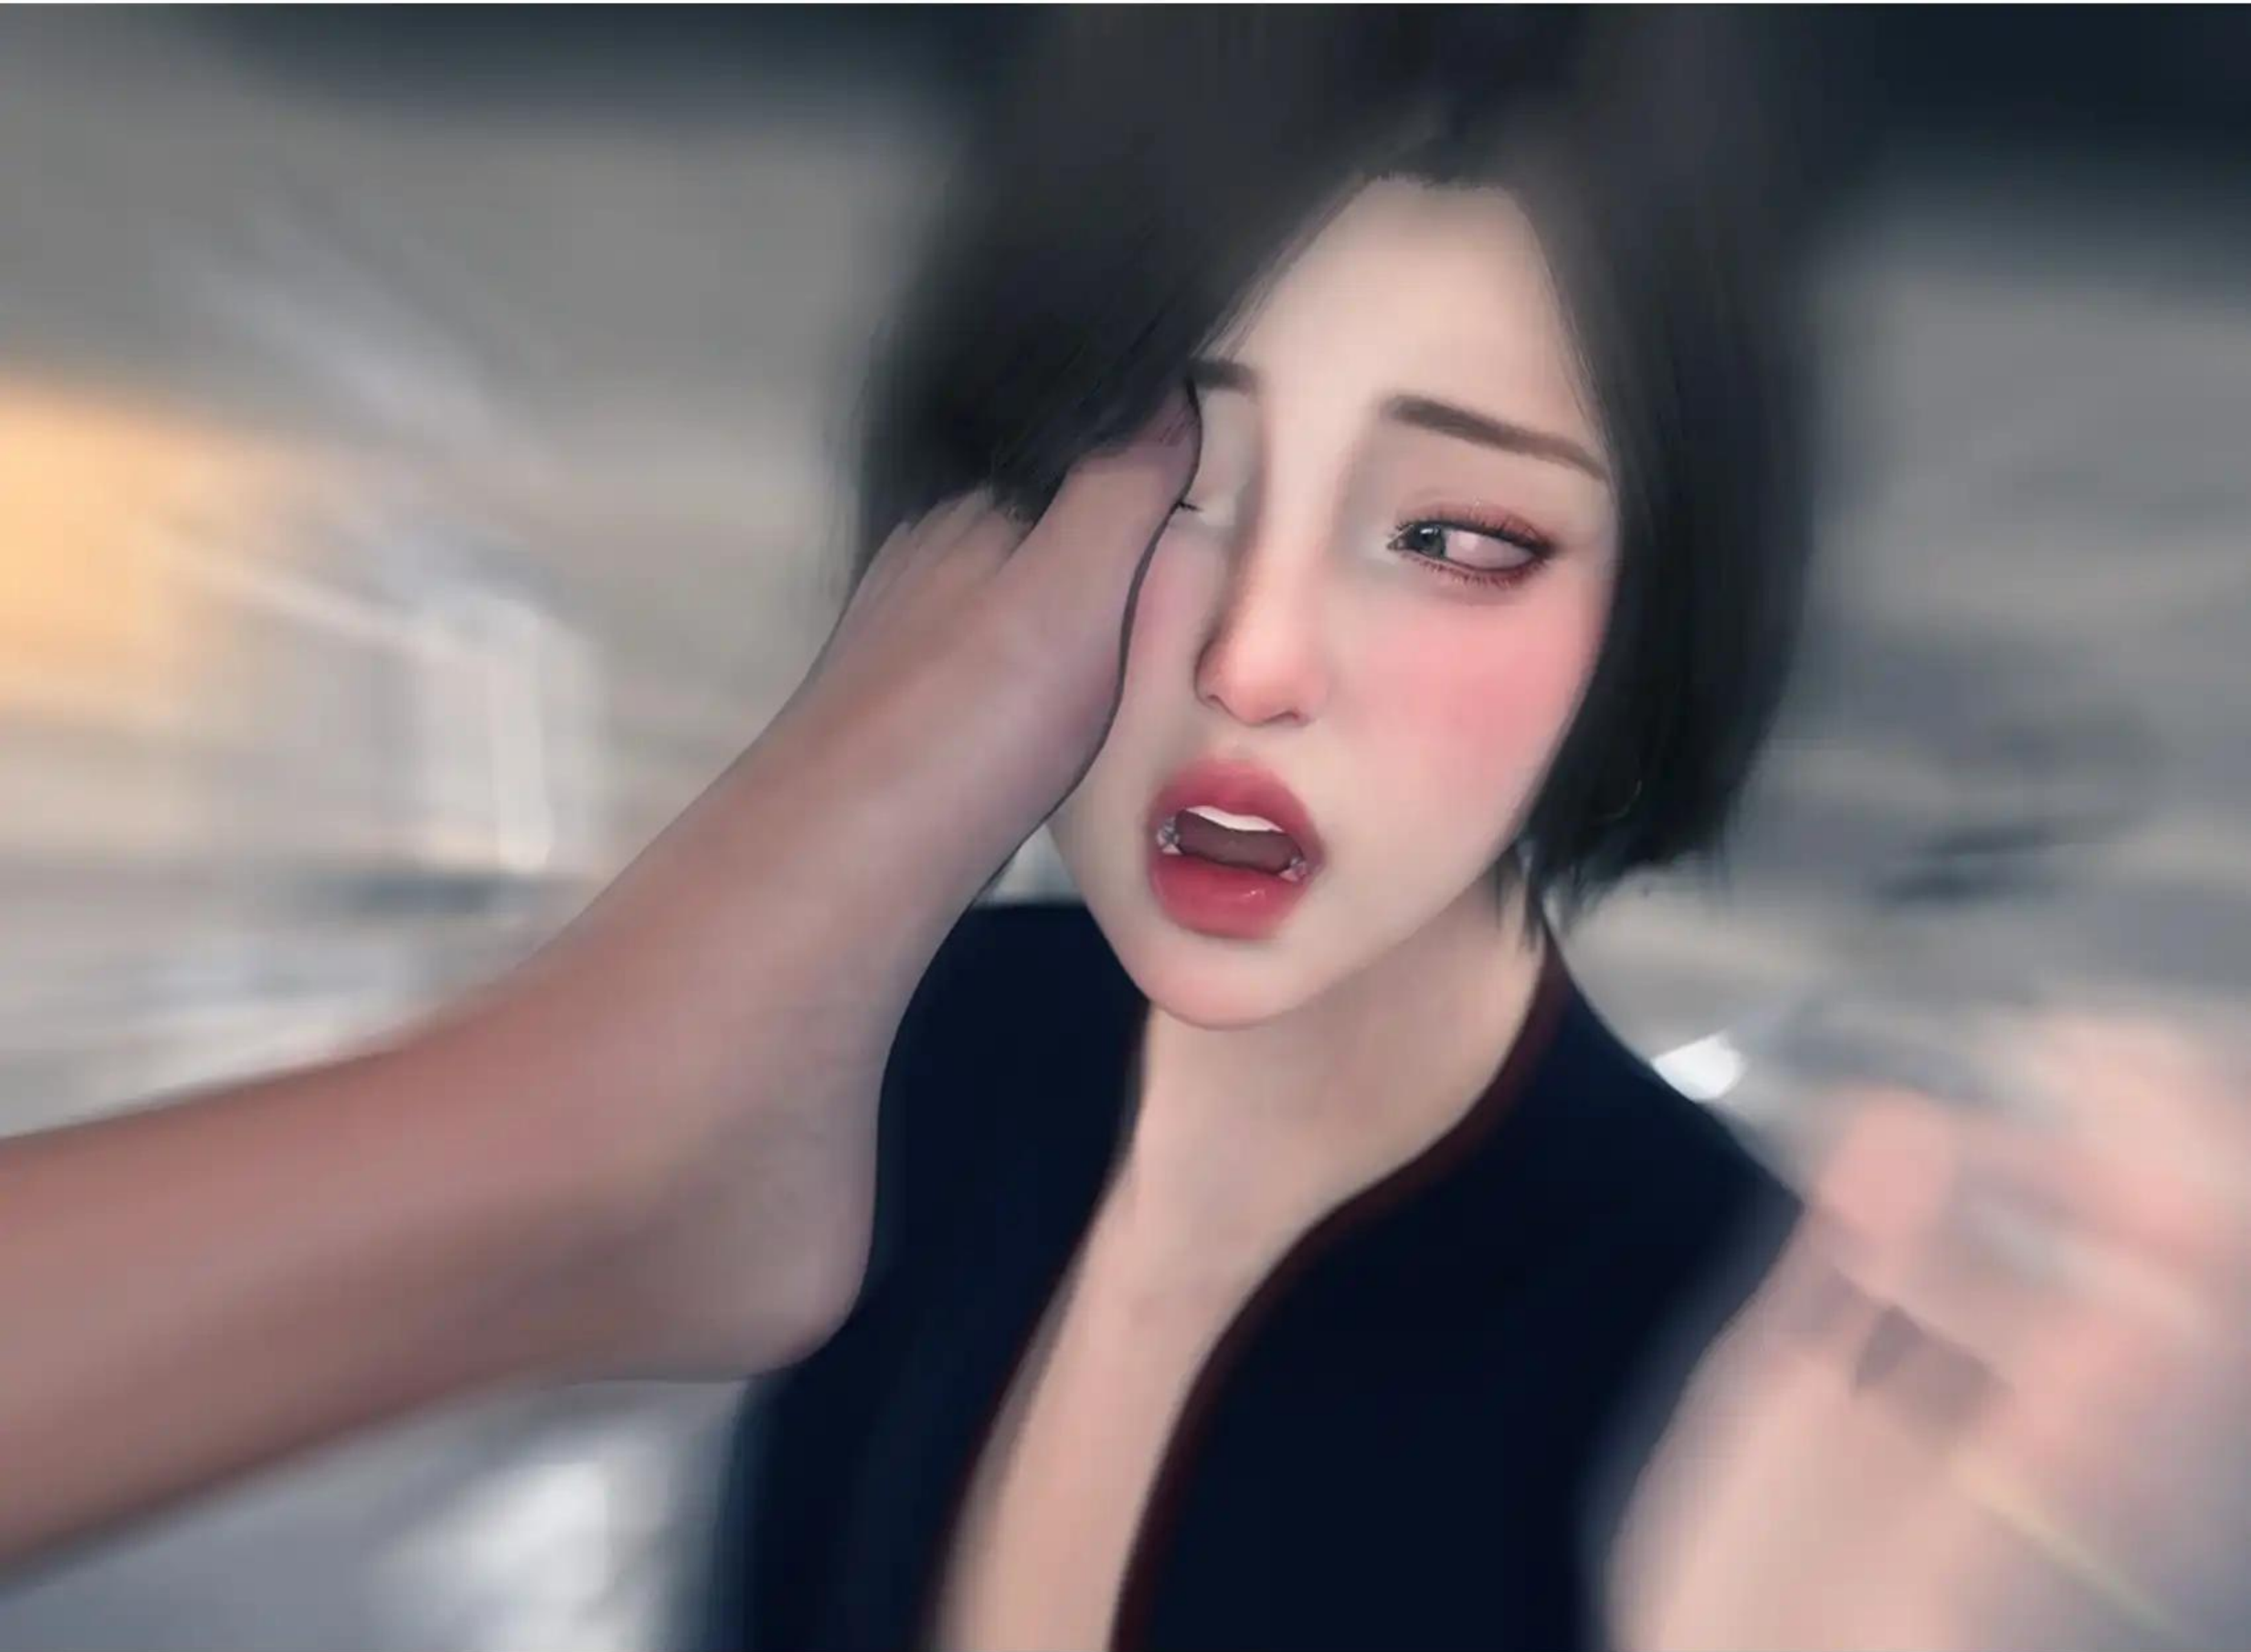

It's fragrant and
pretty! Your legs are
not only slender but
also beautiful,

Then you can taste
my beautiful legs! oh?
In this case,

Please don't
do this, ah! ah!
Female, lady,

Just be quiet! If you
don't want me to
complain and ask for
compensation, stop
talking nonsense.

In fact, it's the smelly feet of two men, haha! She must have never imagined that the beautiful silk feet in front of her could only be played with by me. It felt so good! Seeing a beautiful woman be so humble, haha.

Desire is rising
hahal My whole
body was on fire.
Seeing her weak
look, ah, I can't do
it anymore.

It's time to let
my little brother
come out and have
some fun, right? I just
experienced female
pleasure,

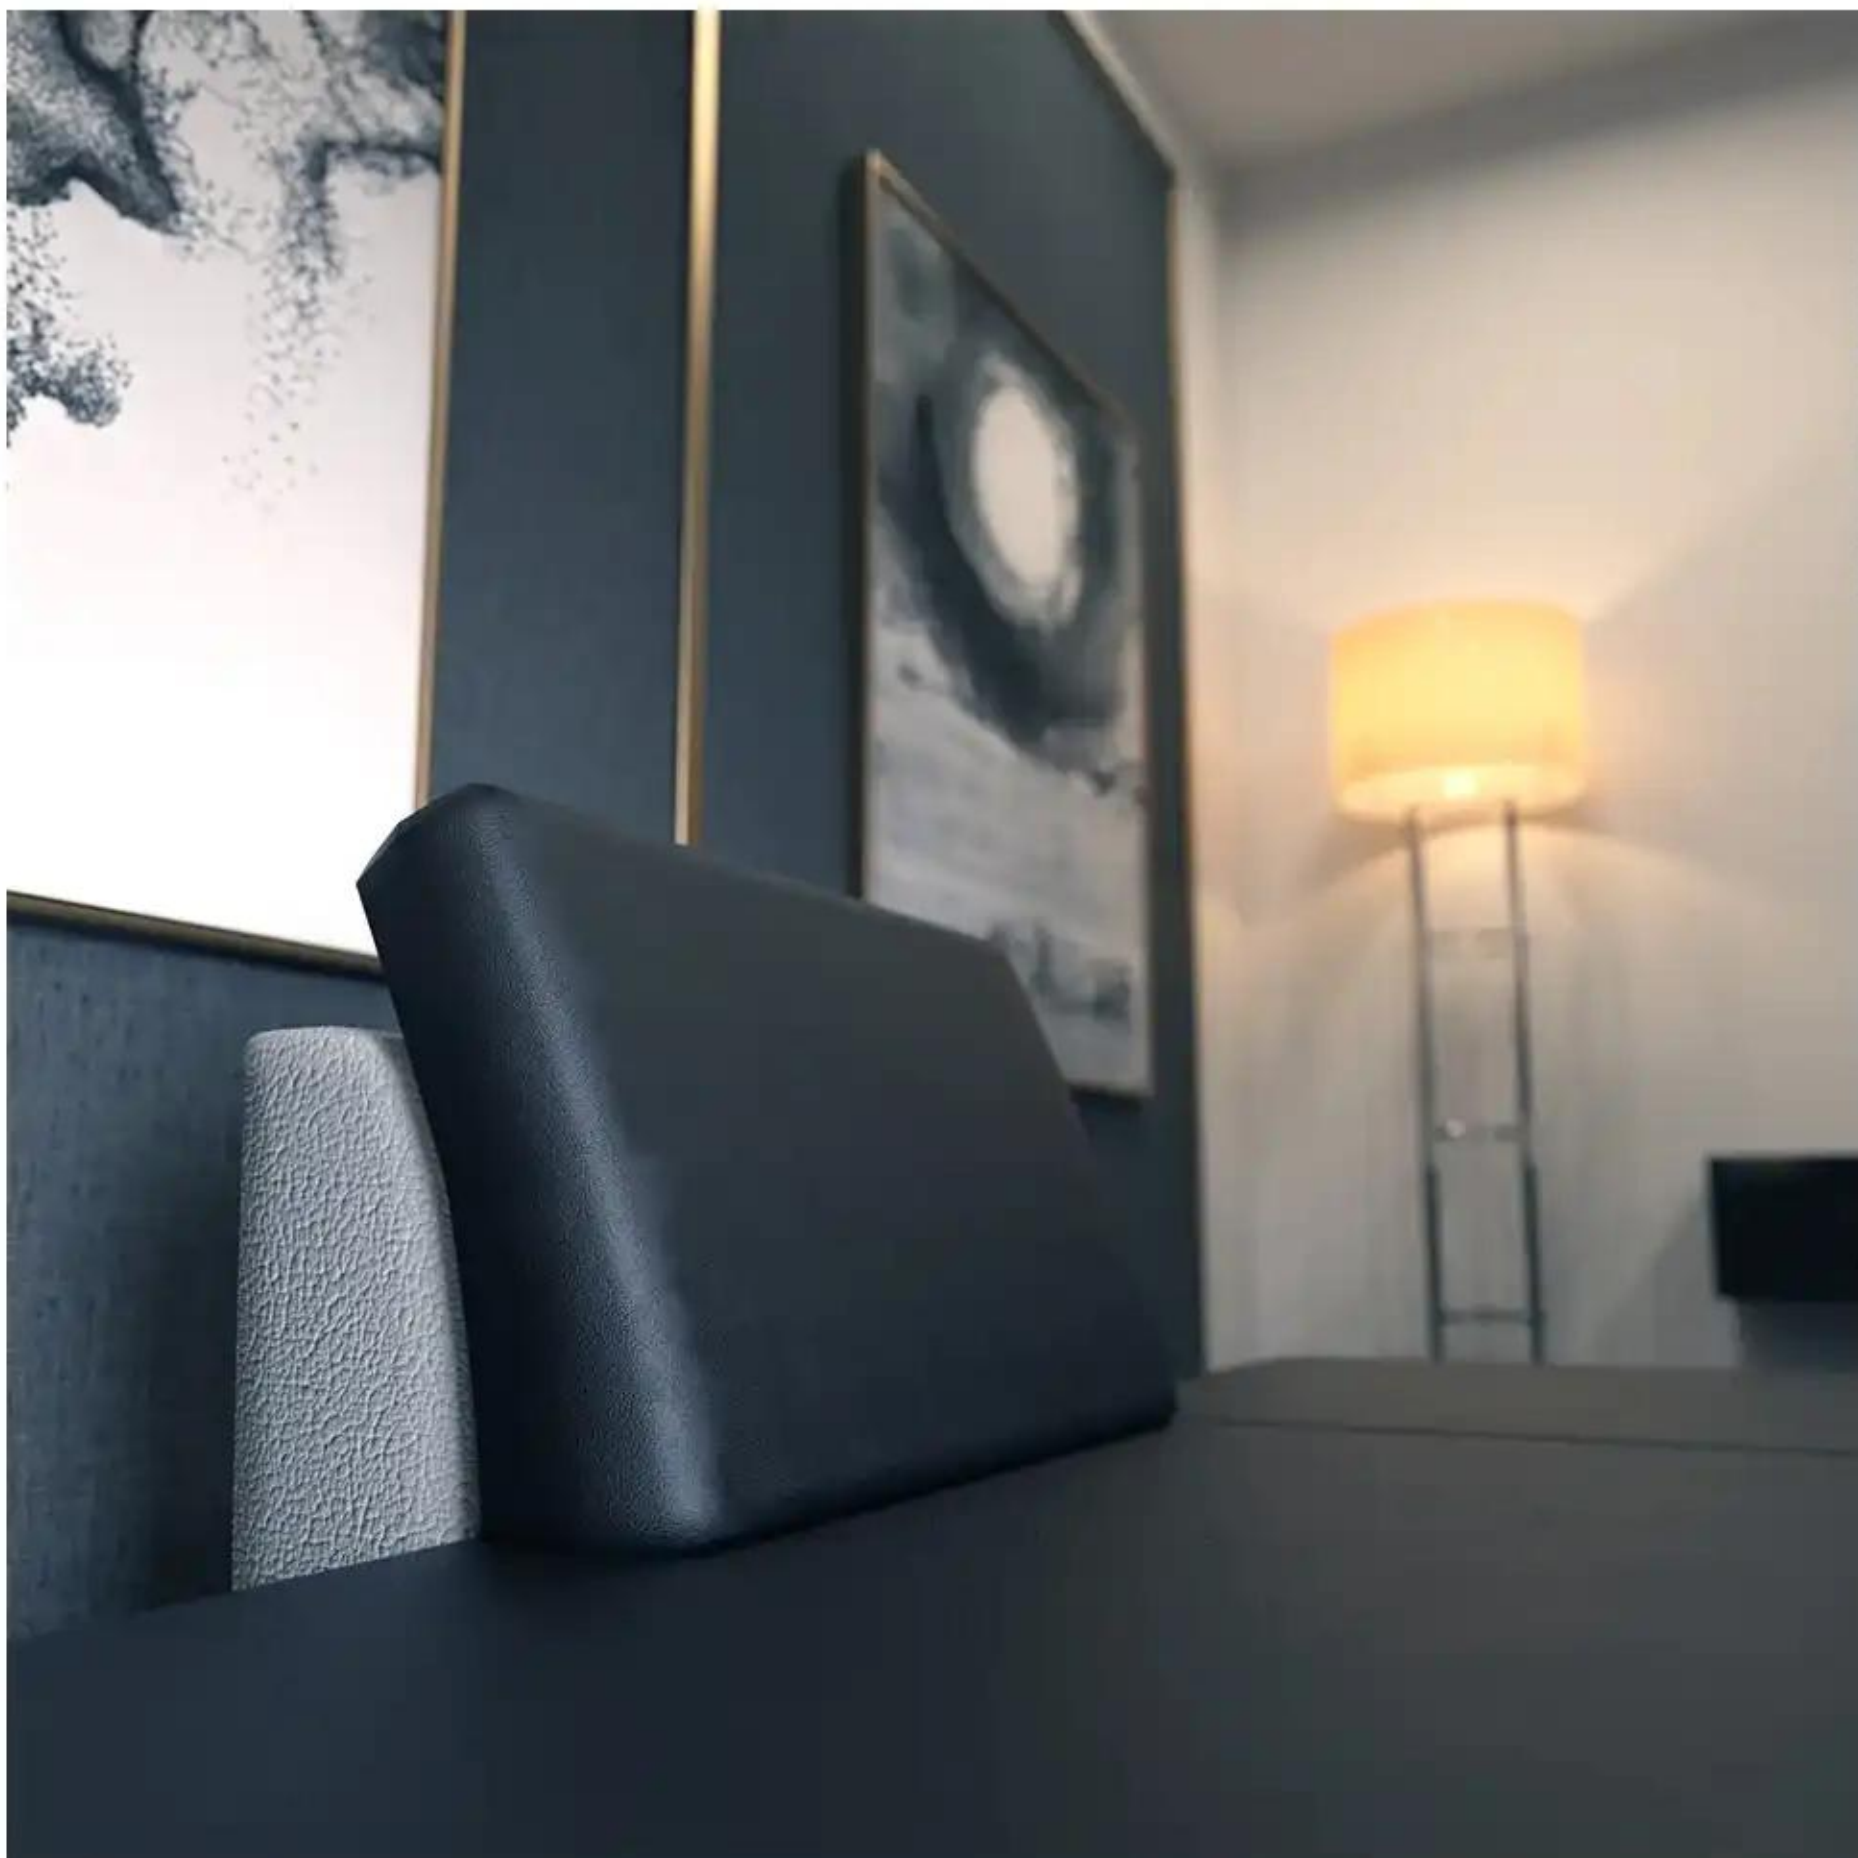

Ah! I can't
bear it
anymore,
come
here!

ah! It
hurts! Be
gentle...

Wang Yali
(voice-over) Ah!
You, what are
you doing!

W-what are
you doing? Let
me go!

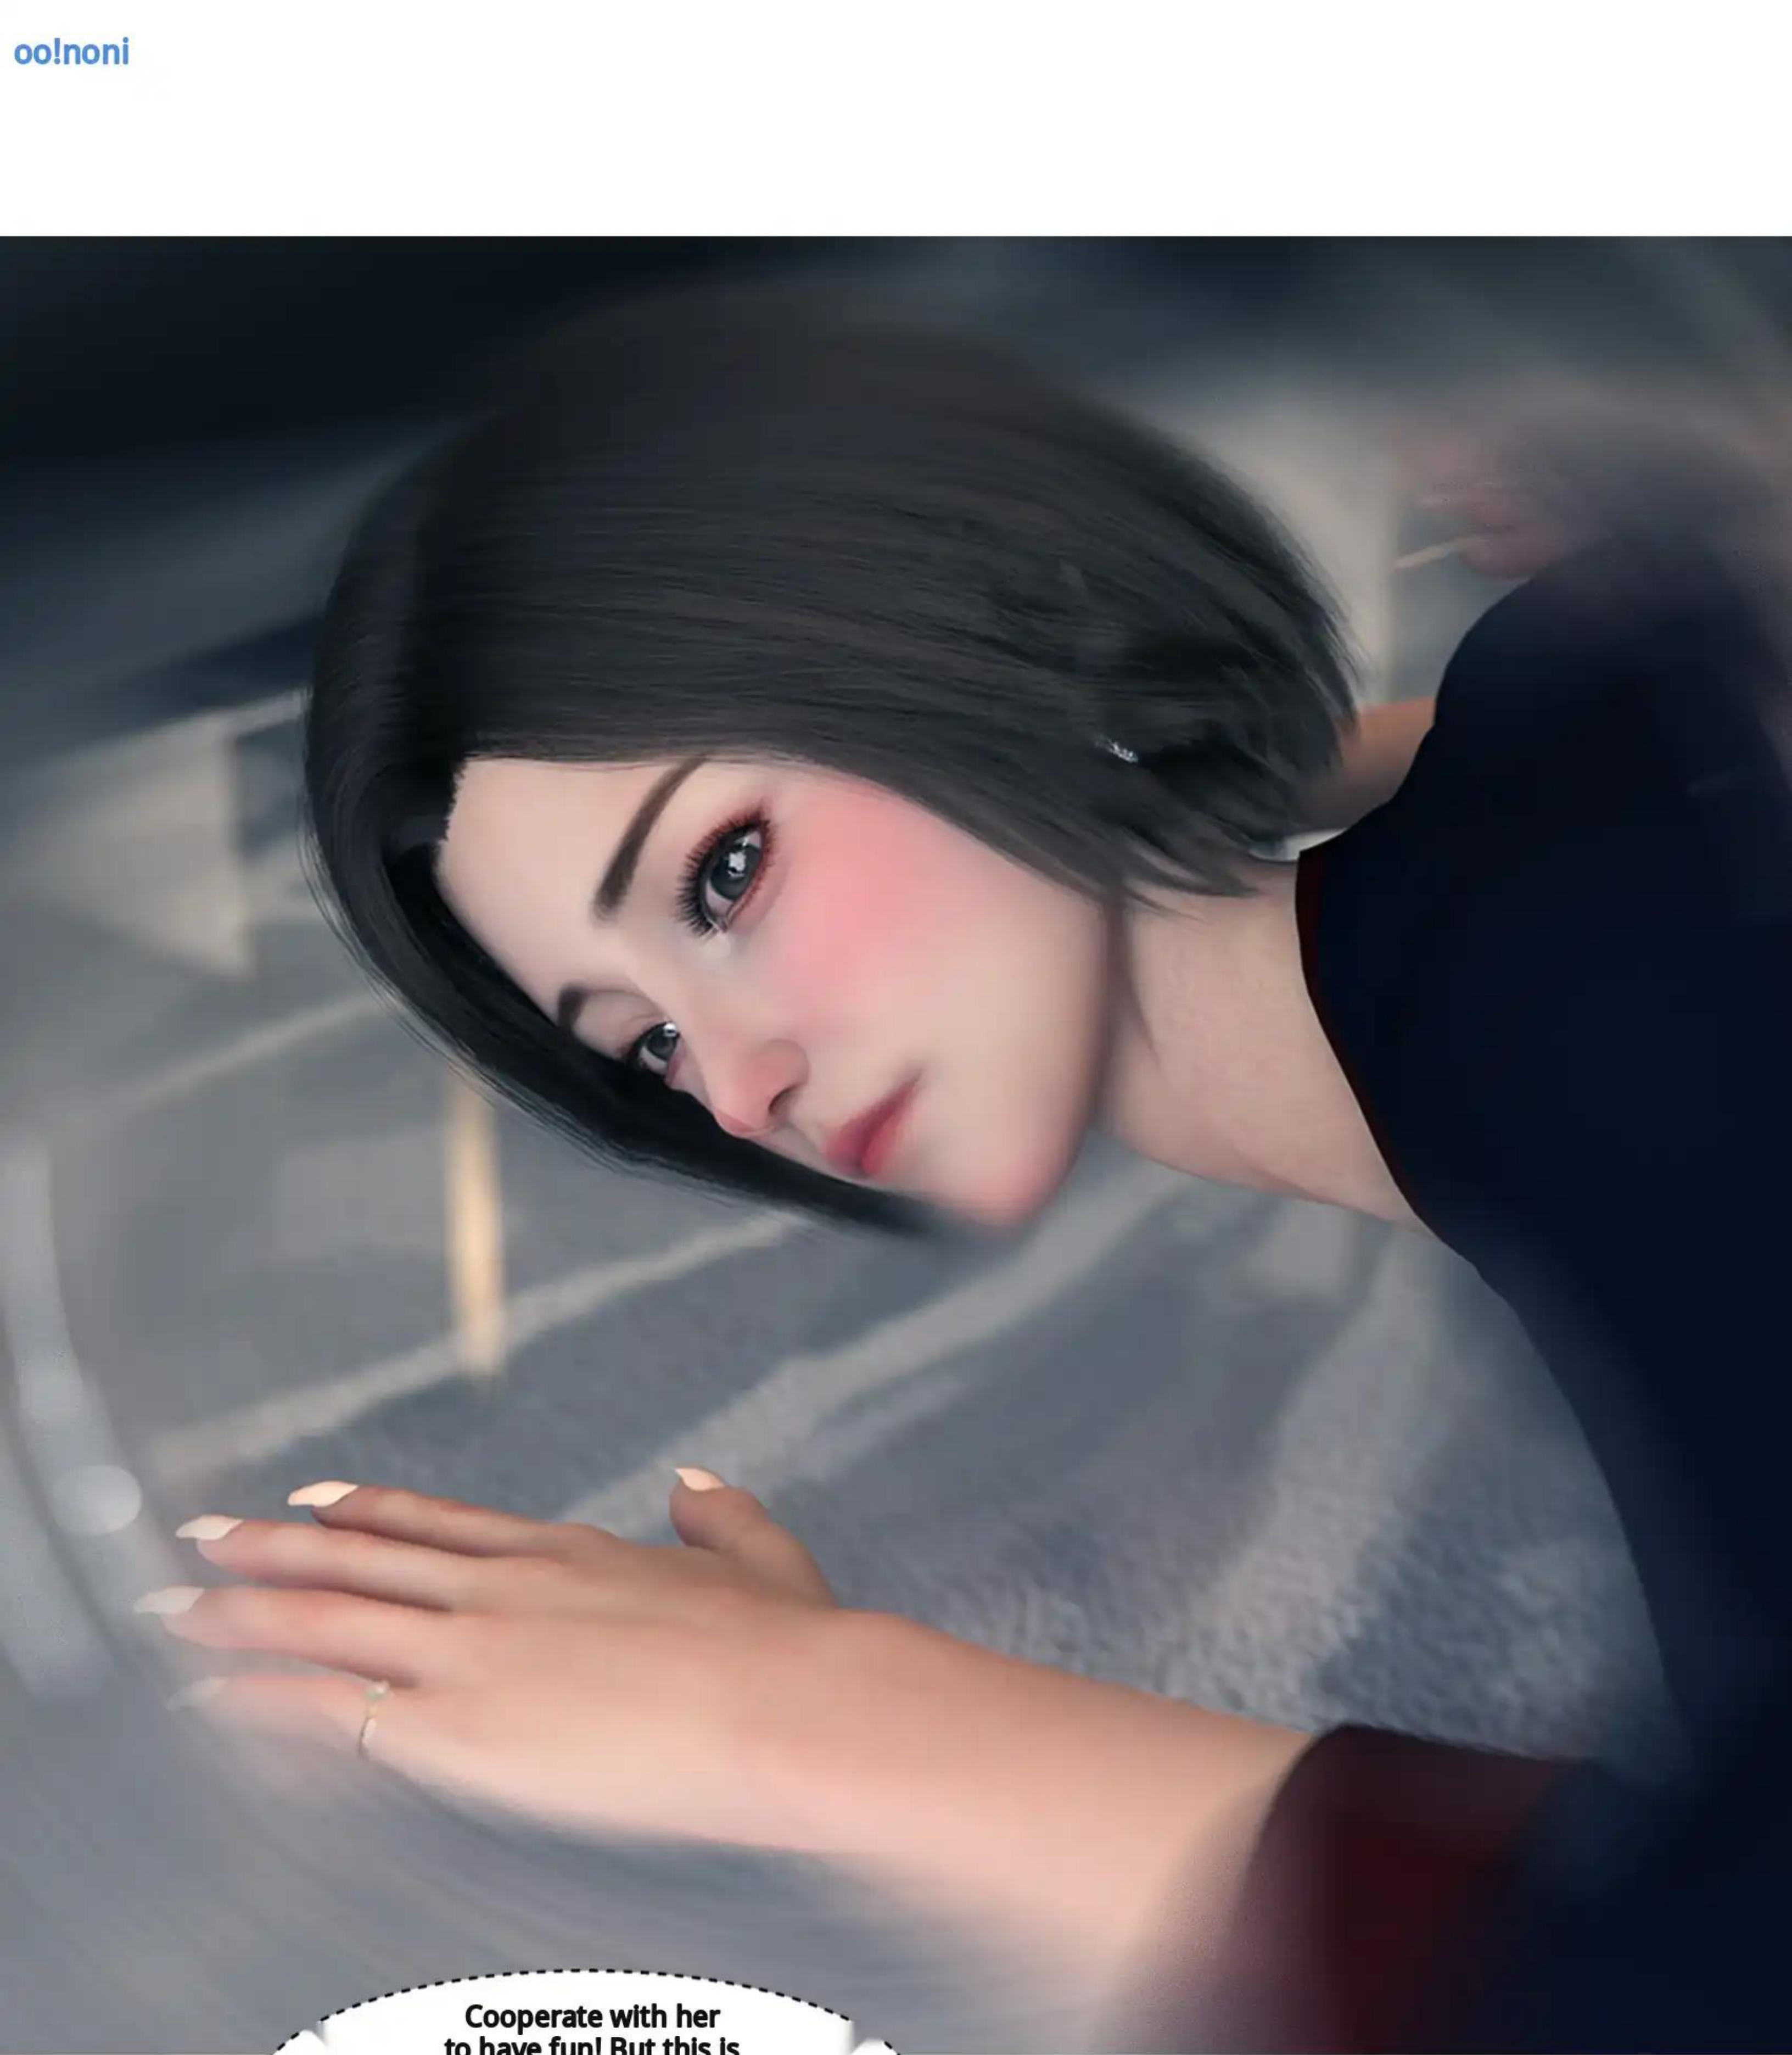

do what? You
don't think this can go
away so easily, do you?
Just press my feet.

I can only play with
you with toys, and you
won't suffer, right? We are all
women anyway, so you don't
want to lose your job, right? I see
that you are beautiful, but the
current economic situation is
bad, so I am willing to use
this method to offset it for
you.

Do you really
think I don't know it's
genuine? What kind of
toys are you talking
about? Your cock is
touching my butt.

**bulge
one**

Cooperate with her
to have fun! But this is
my first time to play this
kind of coercion plot, well...
although this posture is a
bit shameful, she is still
a beauty anyway,

Just playing with
toys? I gave it to you to
play with, so you won't
complain about me?
Really...really just,

certainly! I
am a very
trustworthy
person hehe!
(Monica said)

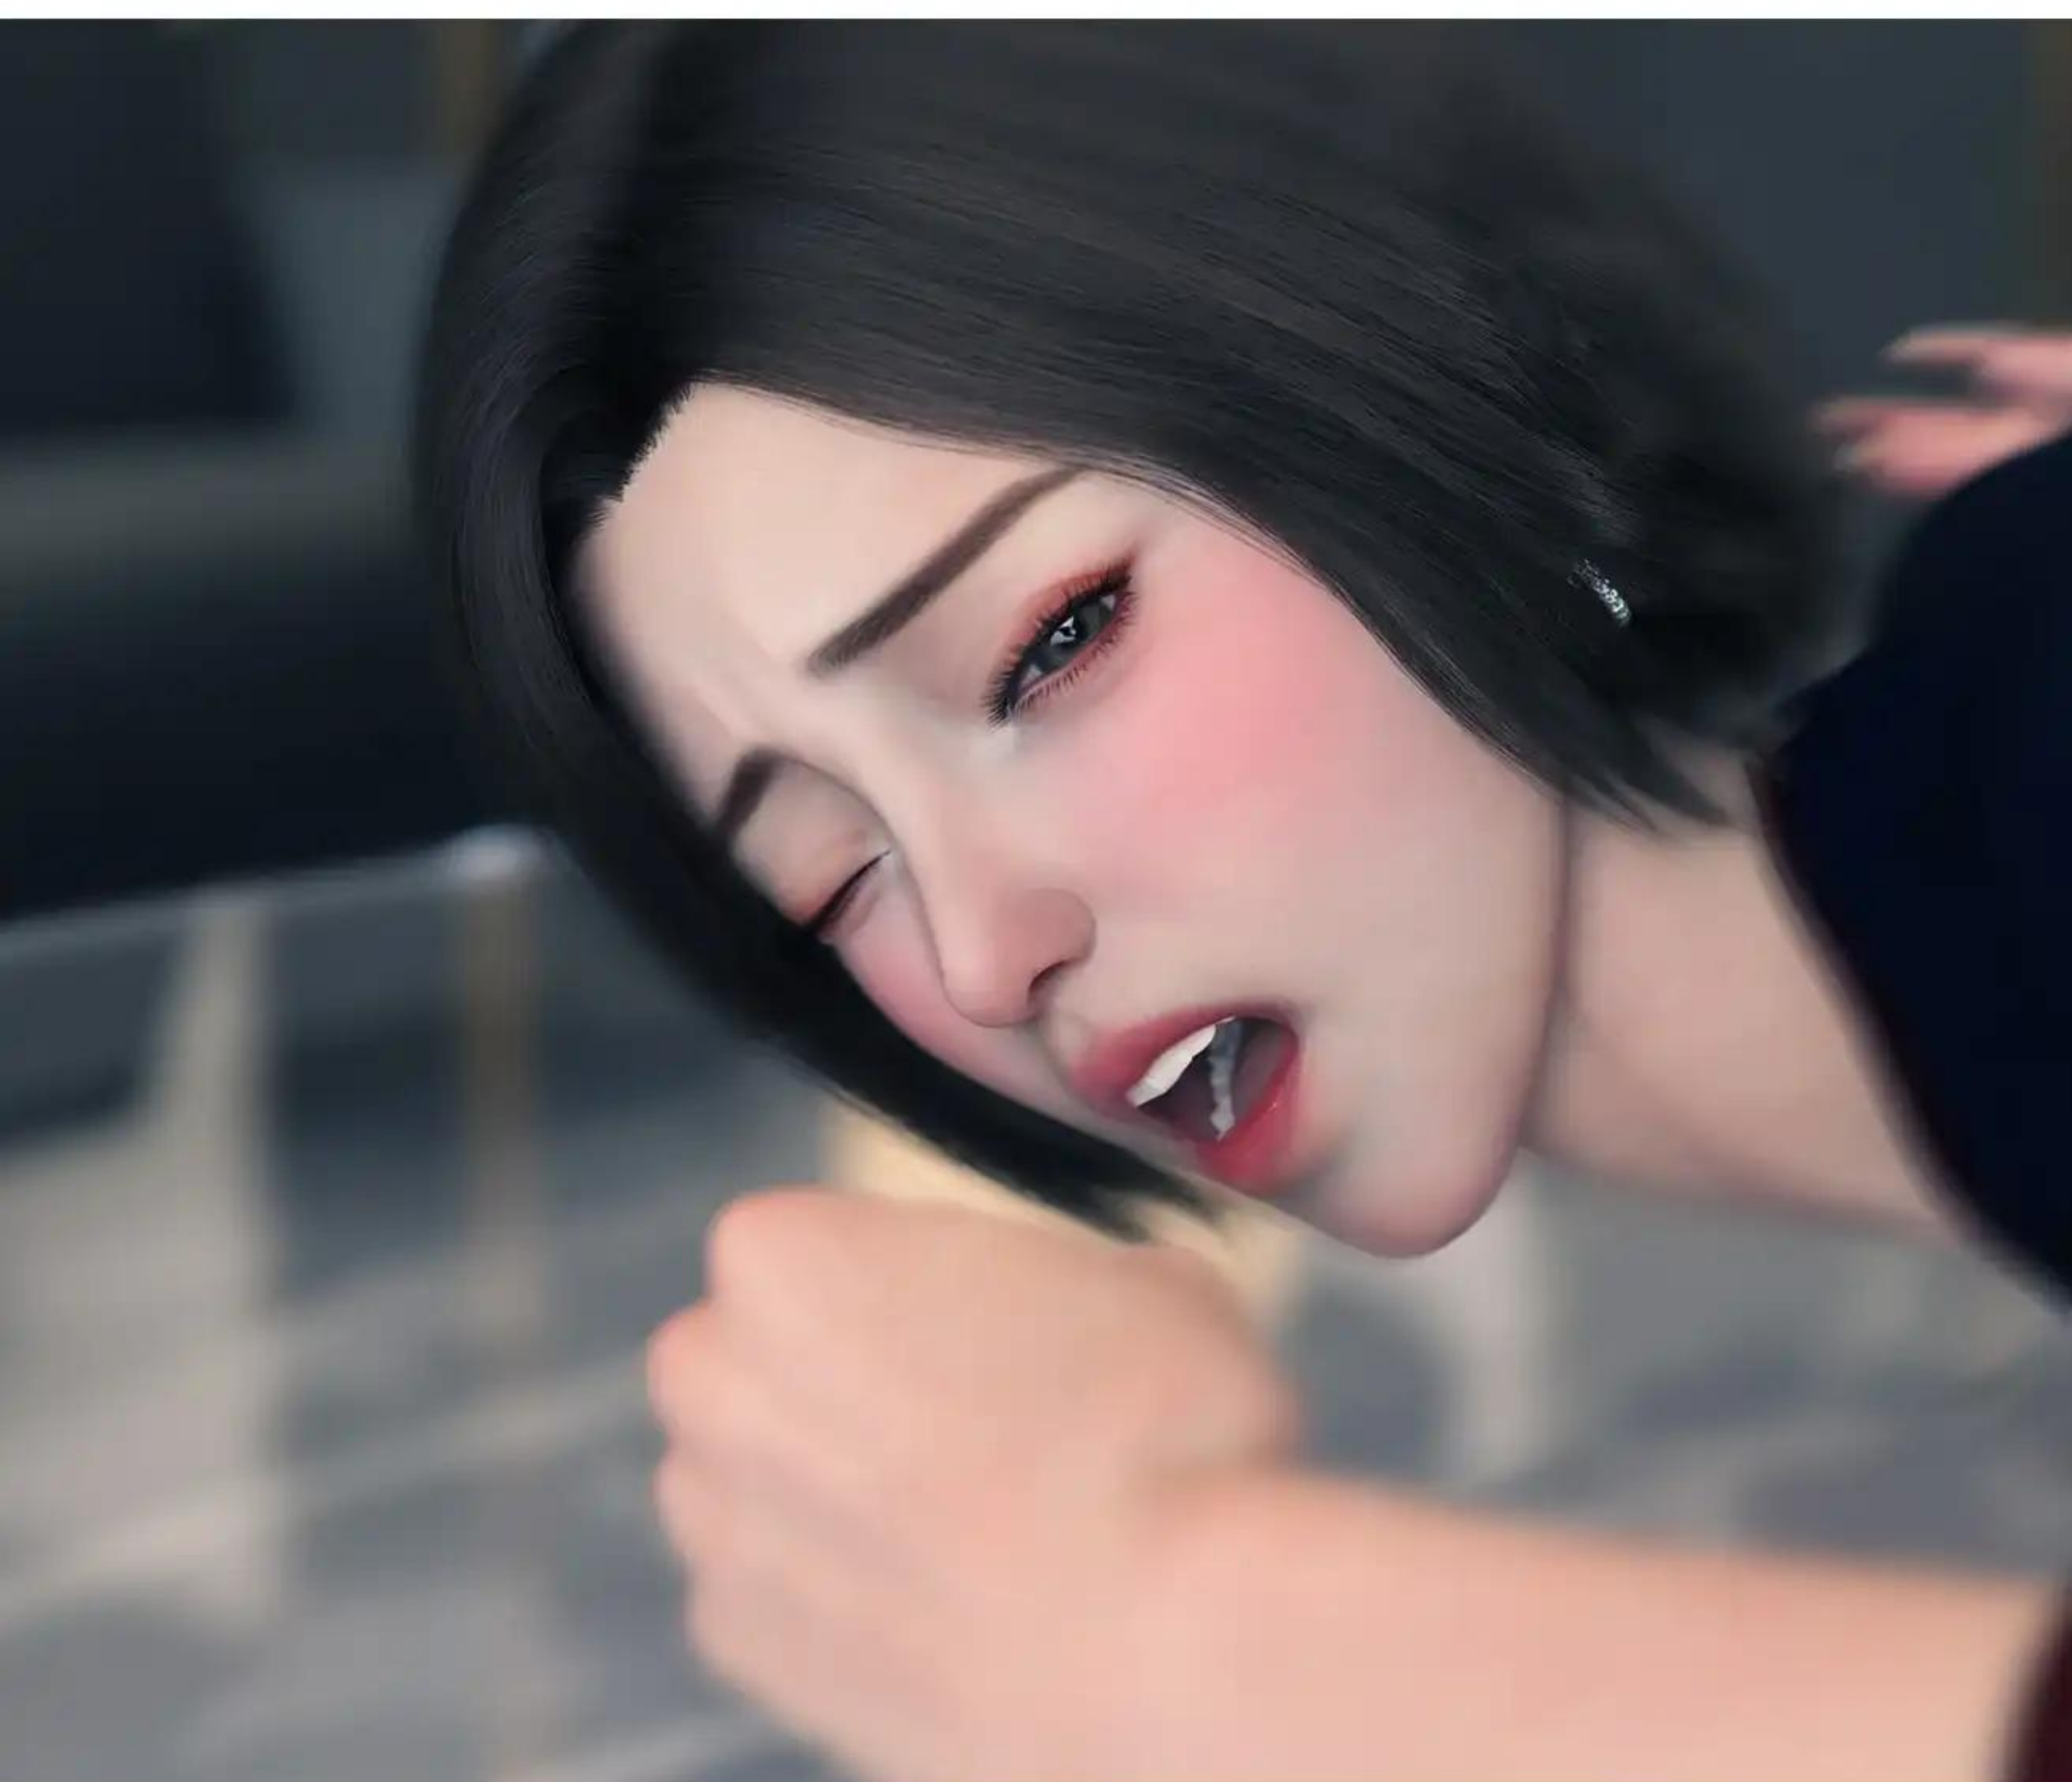

Wang Yali
(voice-over) Why
is it still warm? Is
this really a toy?
Yeah! So, so big,

The size and
temperature are restored
one to one, and it is guaranteed
to be more powerful than your
husband's cock, hehe! Even the
touch is exactly the same. Of
course, this is our country's
latest toy, Monica
(voice-over)

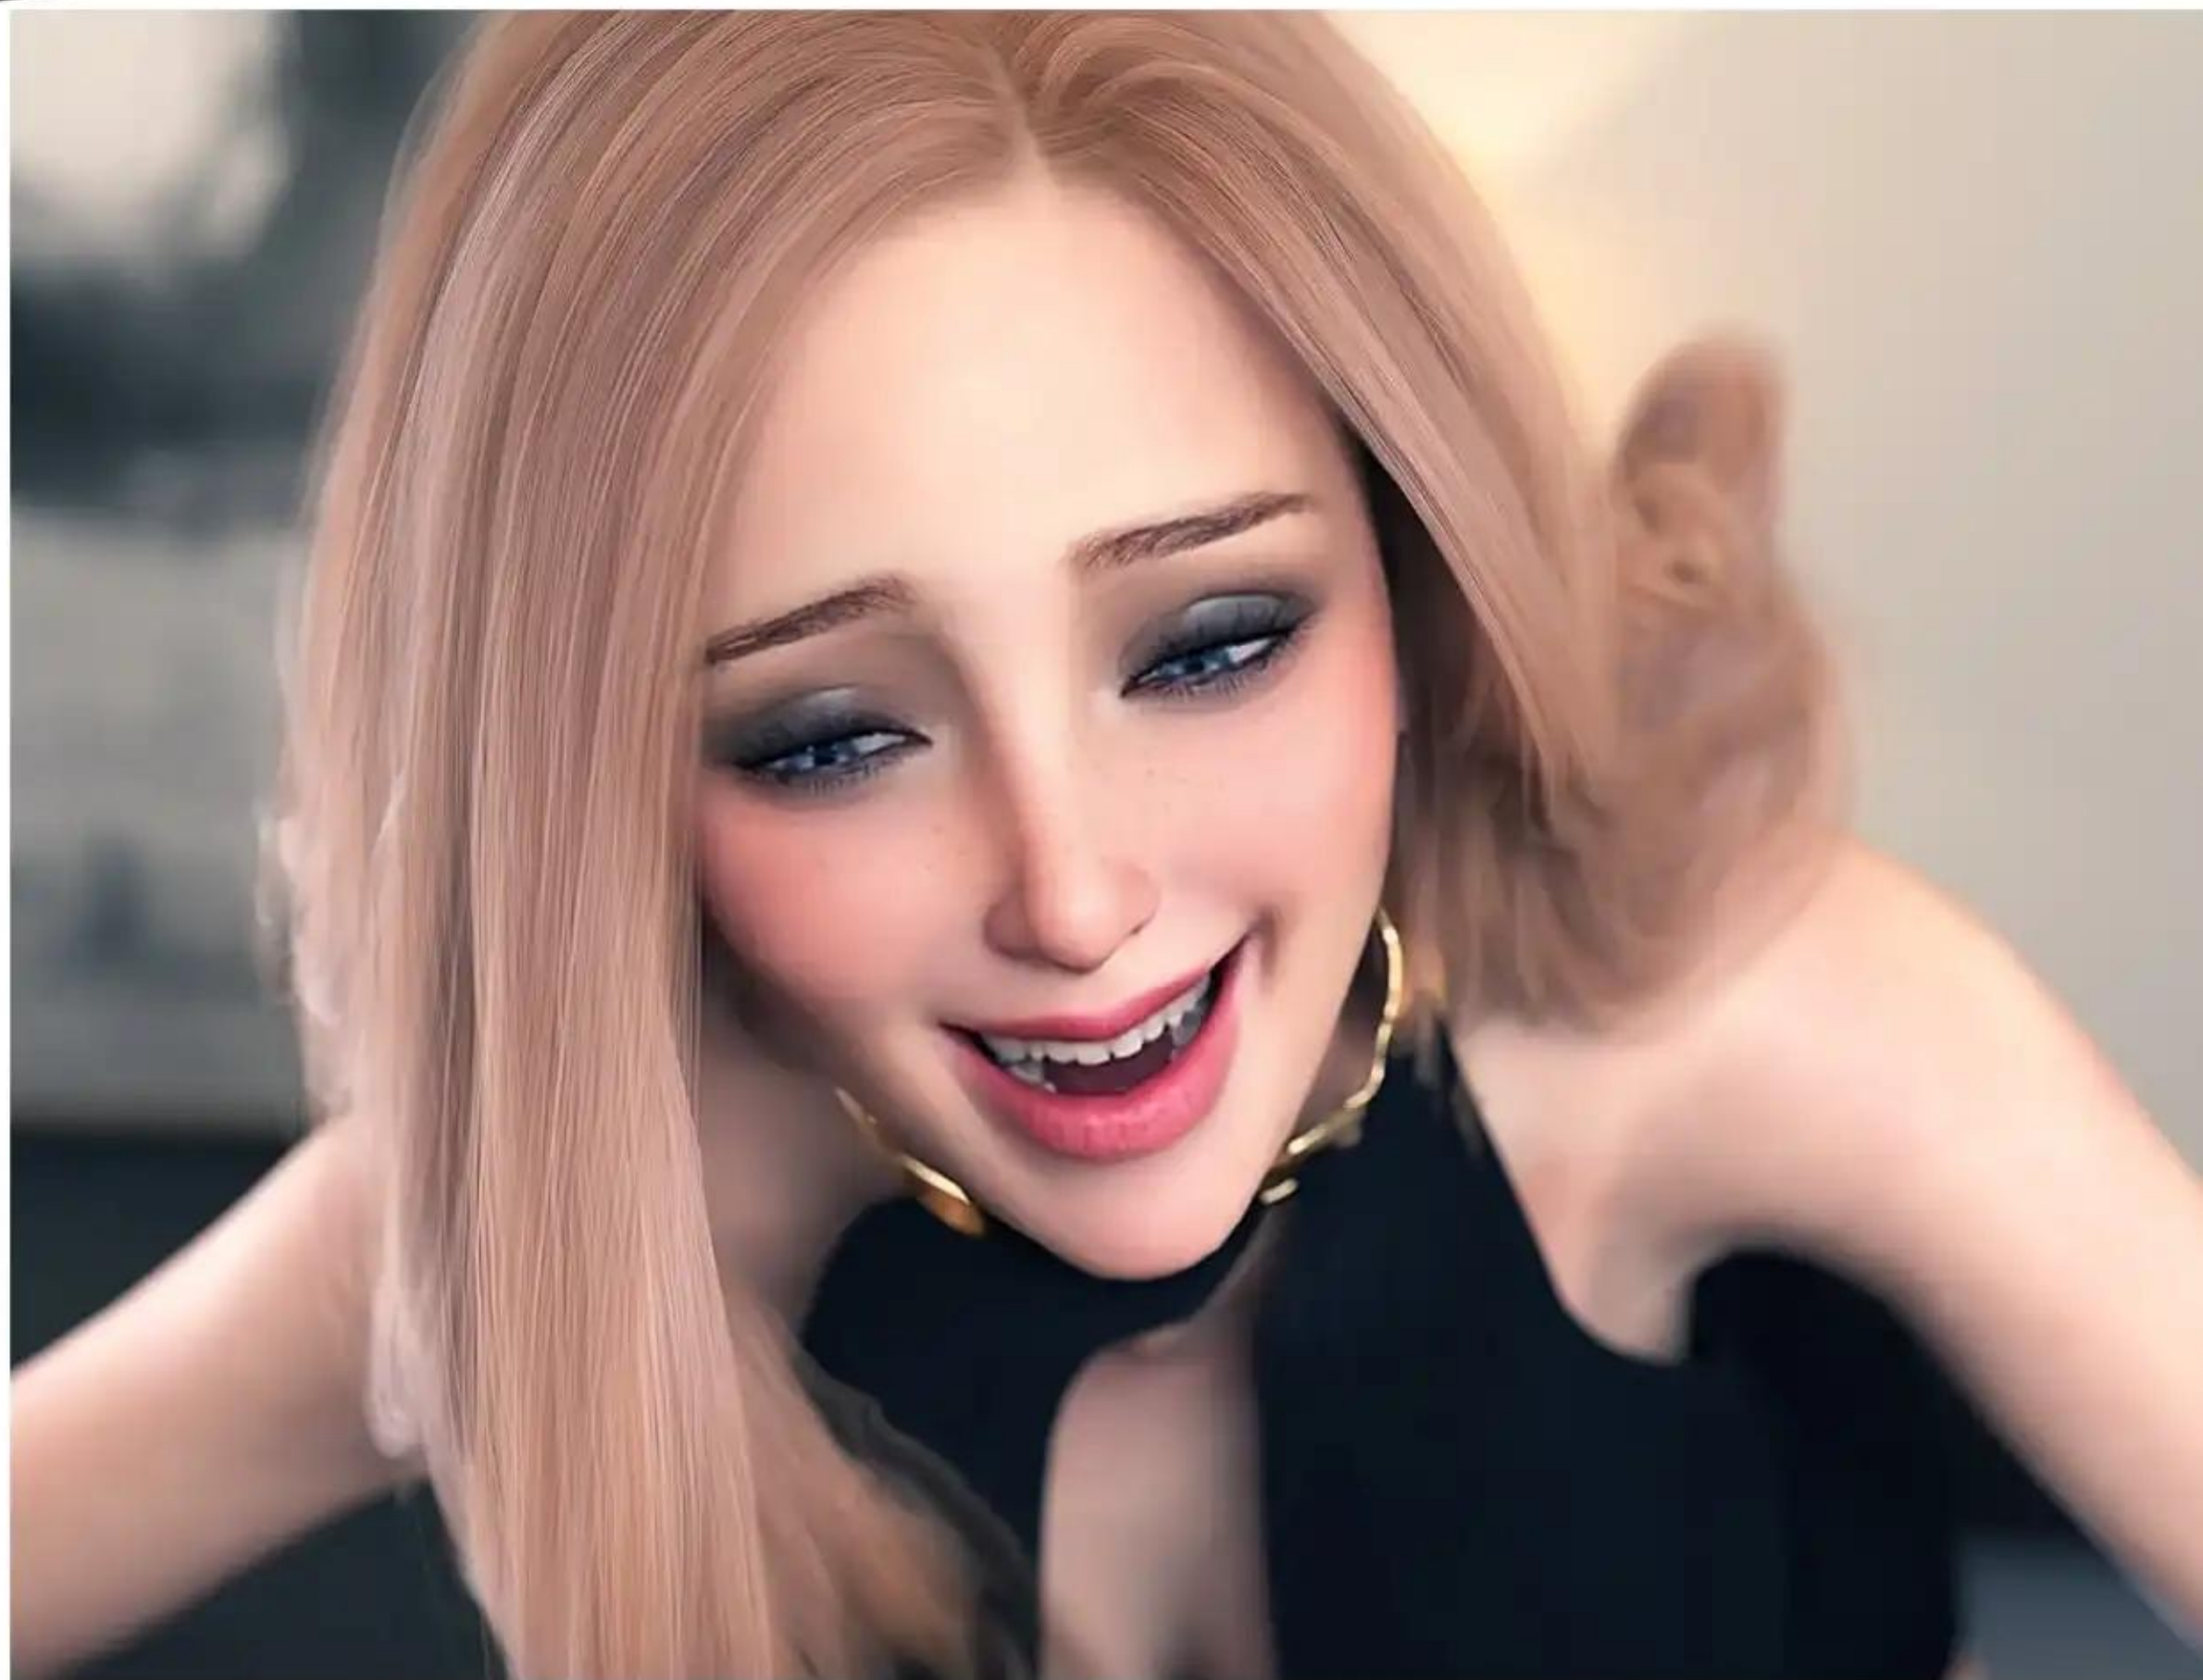

It's such a
strange feeling,
Ming... You, please
hurry up, please, I
still have to go
to work...

....

Wait, maybe you will
scream with pleasure! Maybe
you will even beg me to keep
doing it! Hehe, I feel
uncomfortable now,

ah!

嗯啊啊啊啊啊啊！
**Insert,
insert
in!**

**Insert it in and
clamp me so hard, I'm
Rui! Rui, baby, your
cunt is so tight!**

Let your
cunt eat my
whole toy,
hahaha!

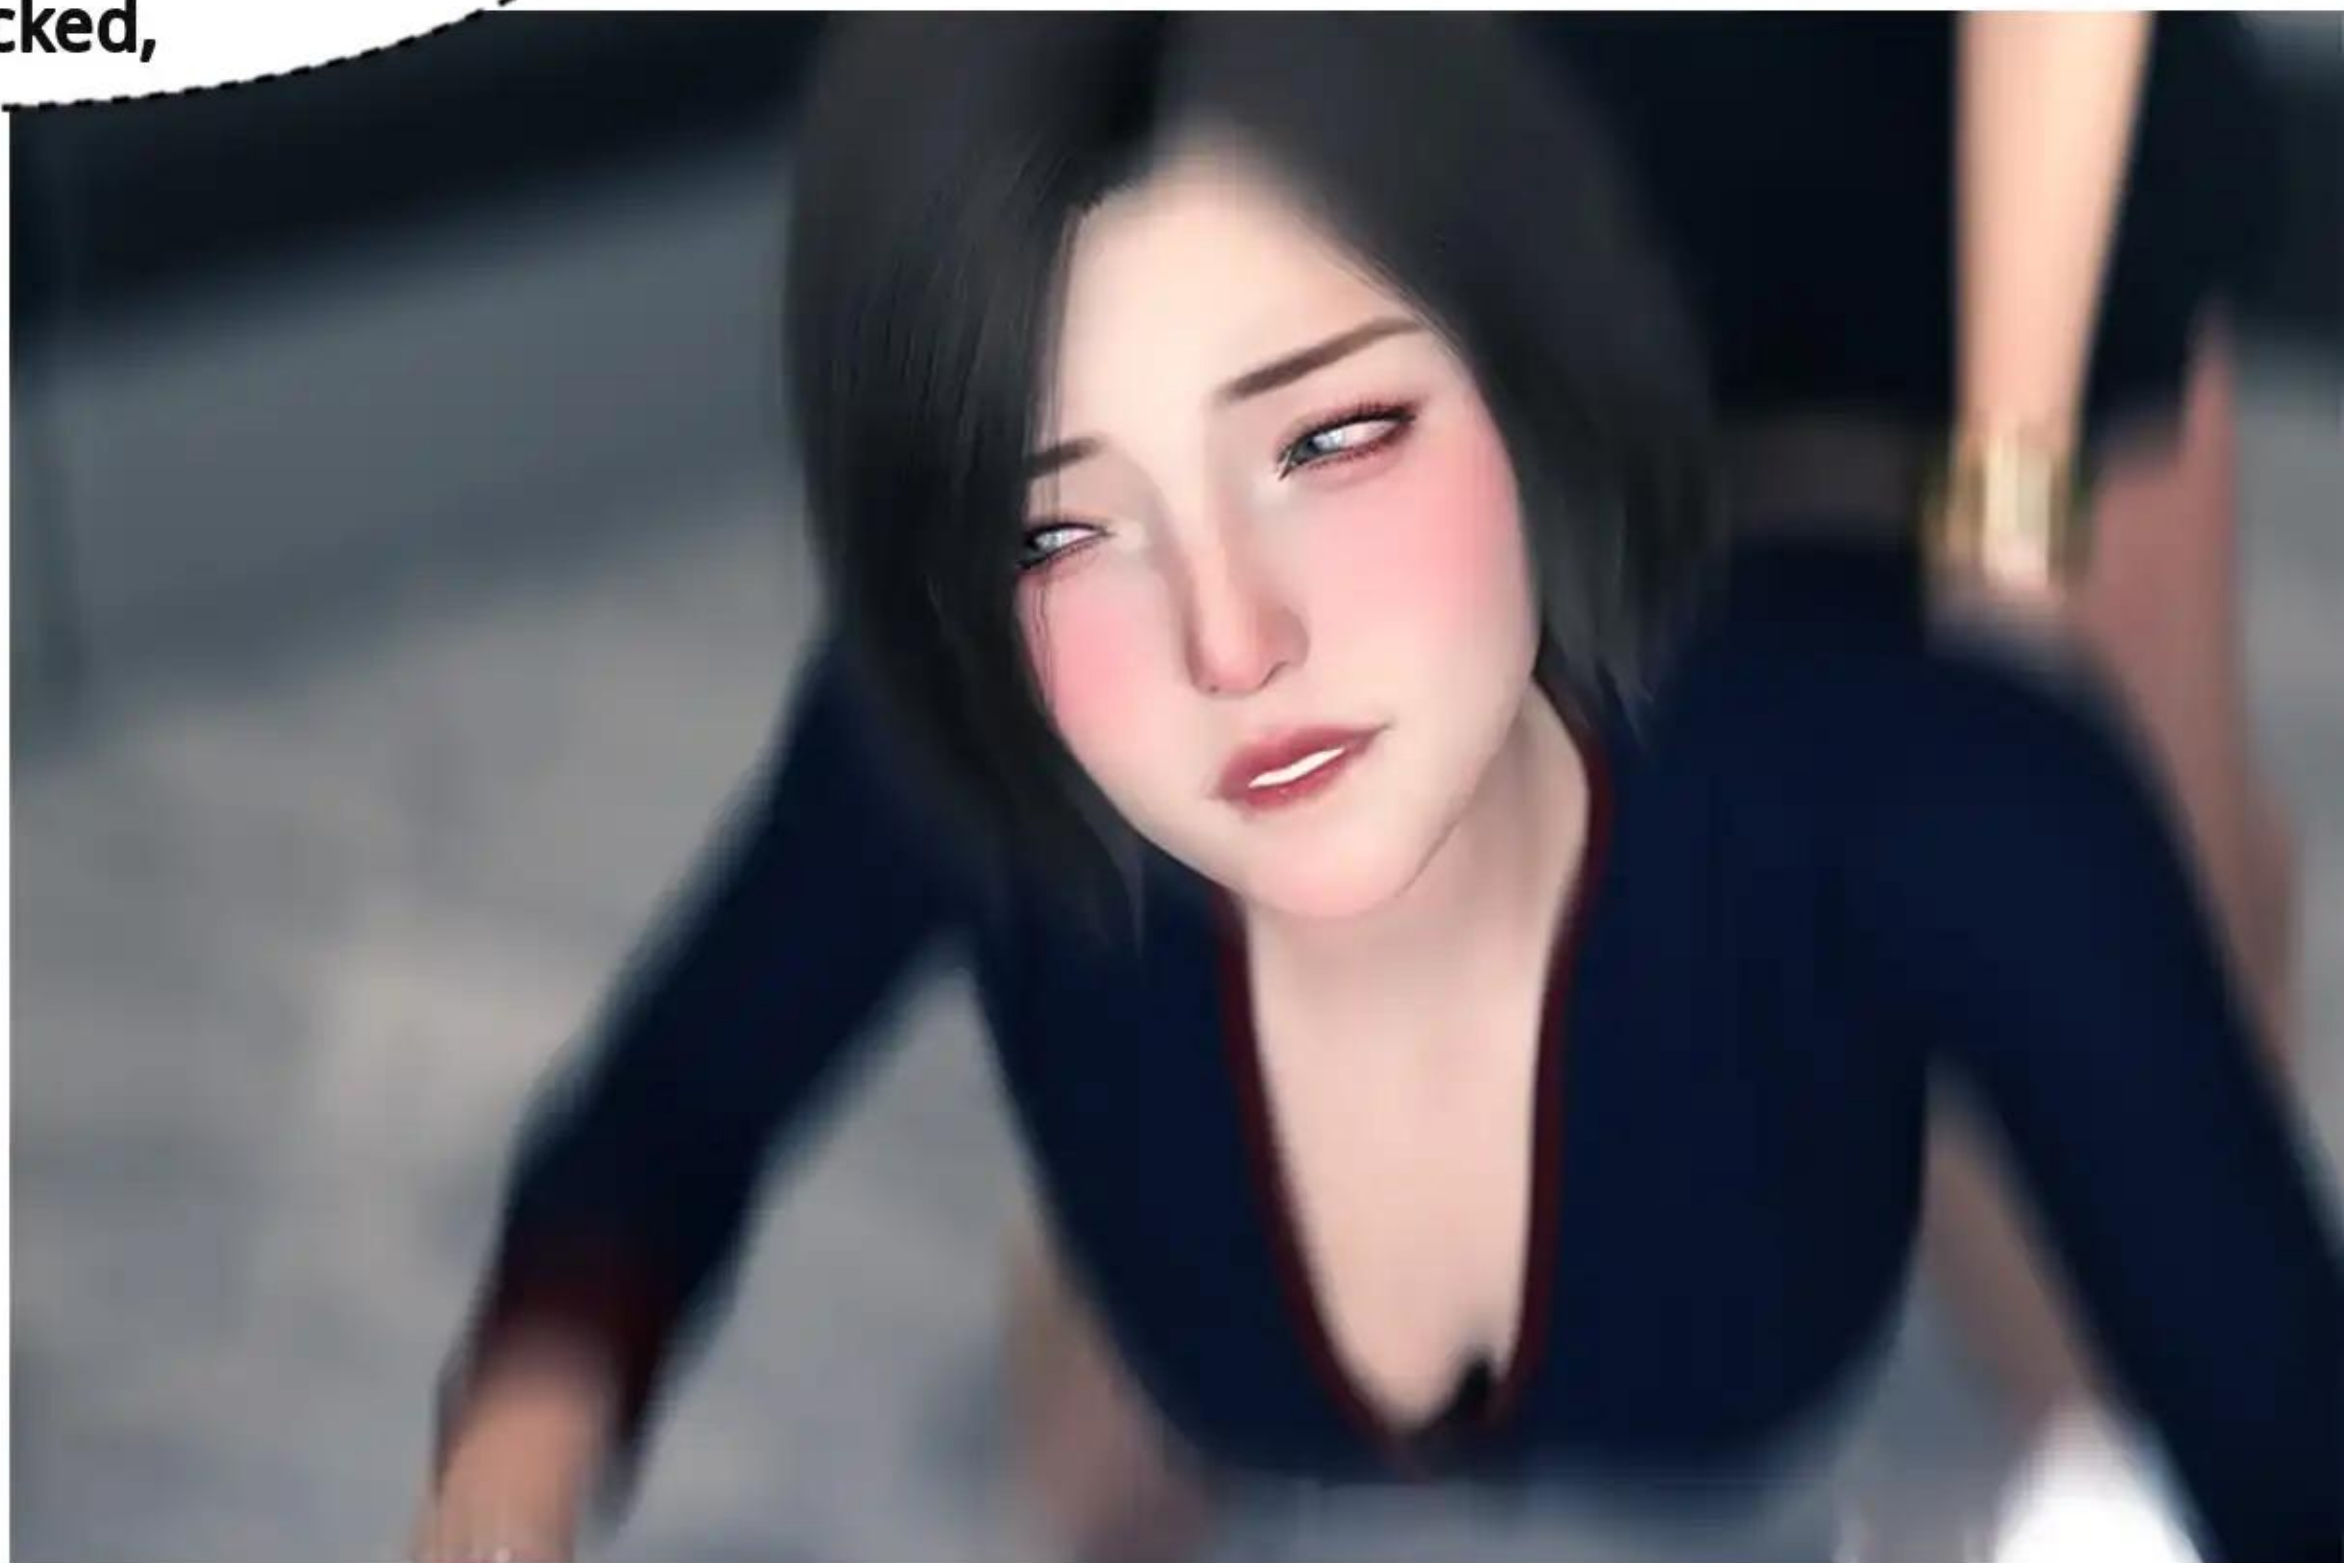

Uh-huh... S-slow
down, uh-huh! People
will be fucked badly.

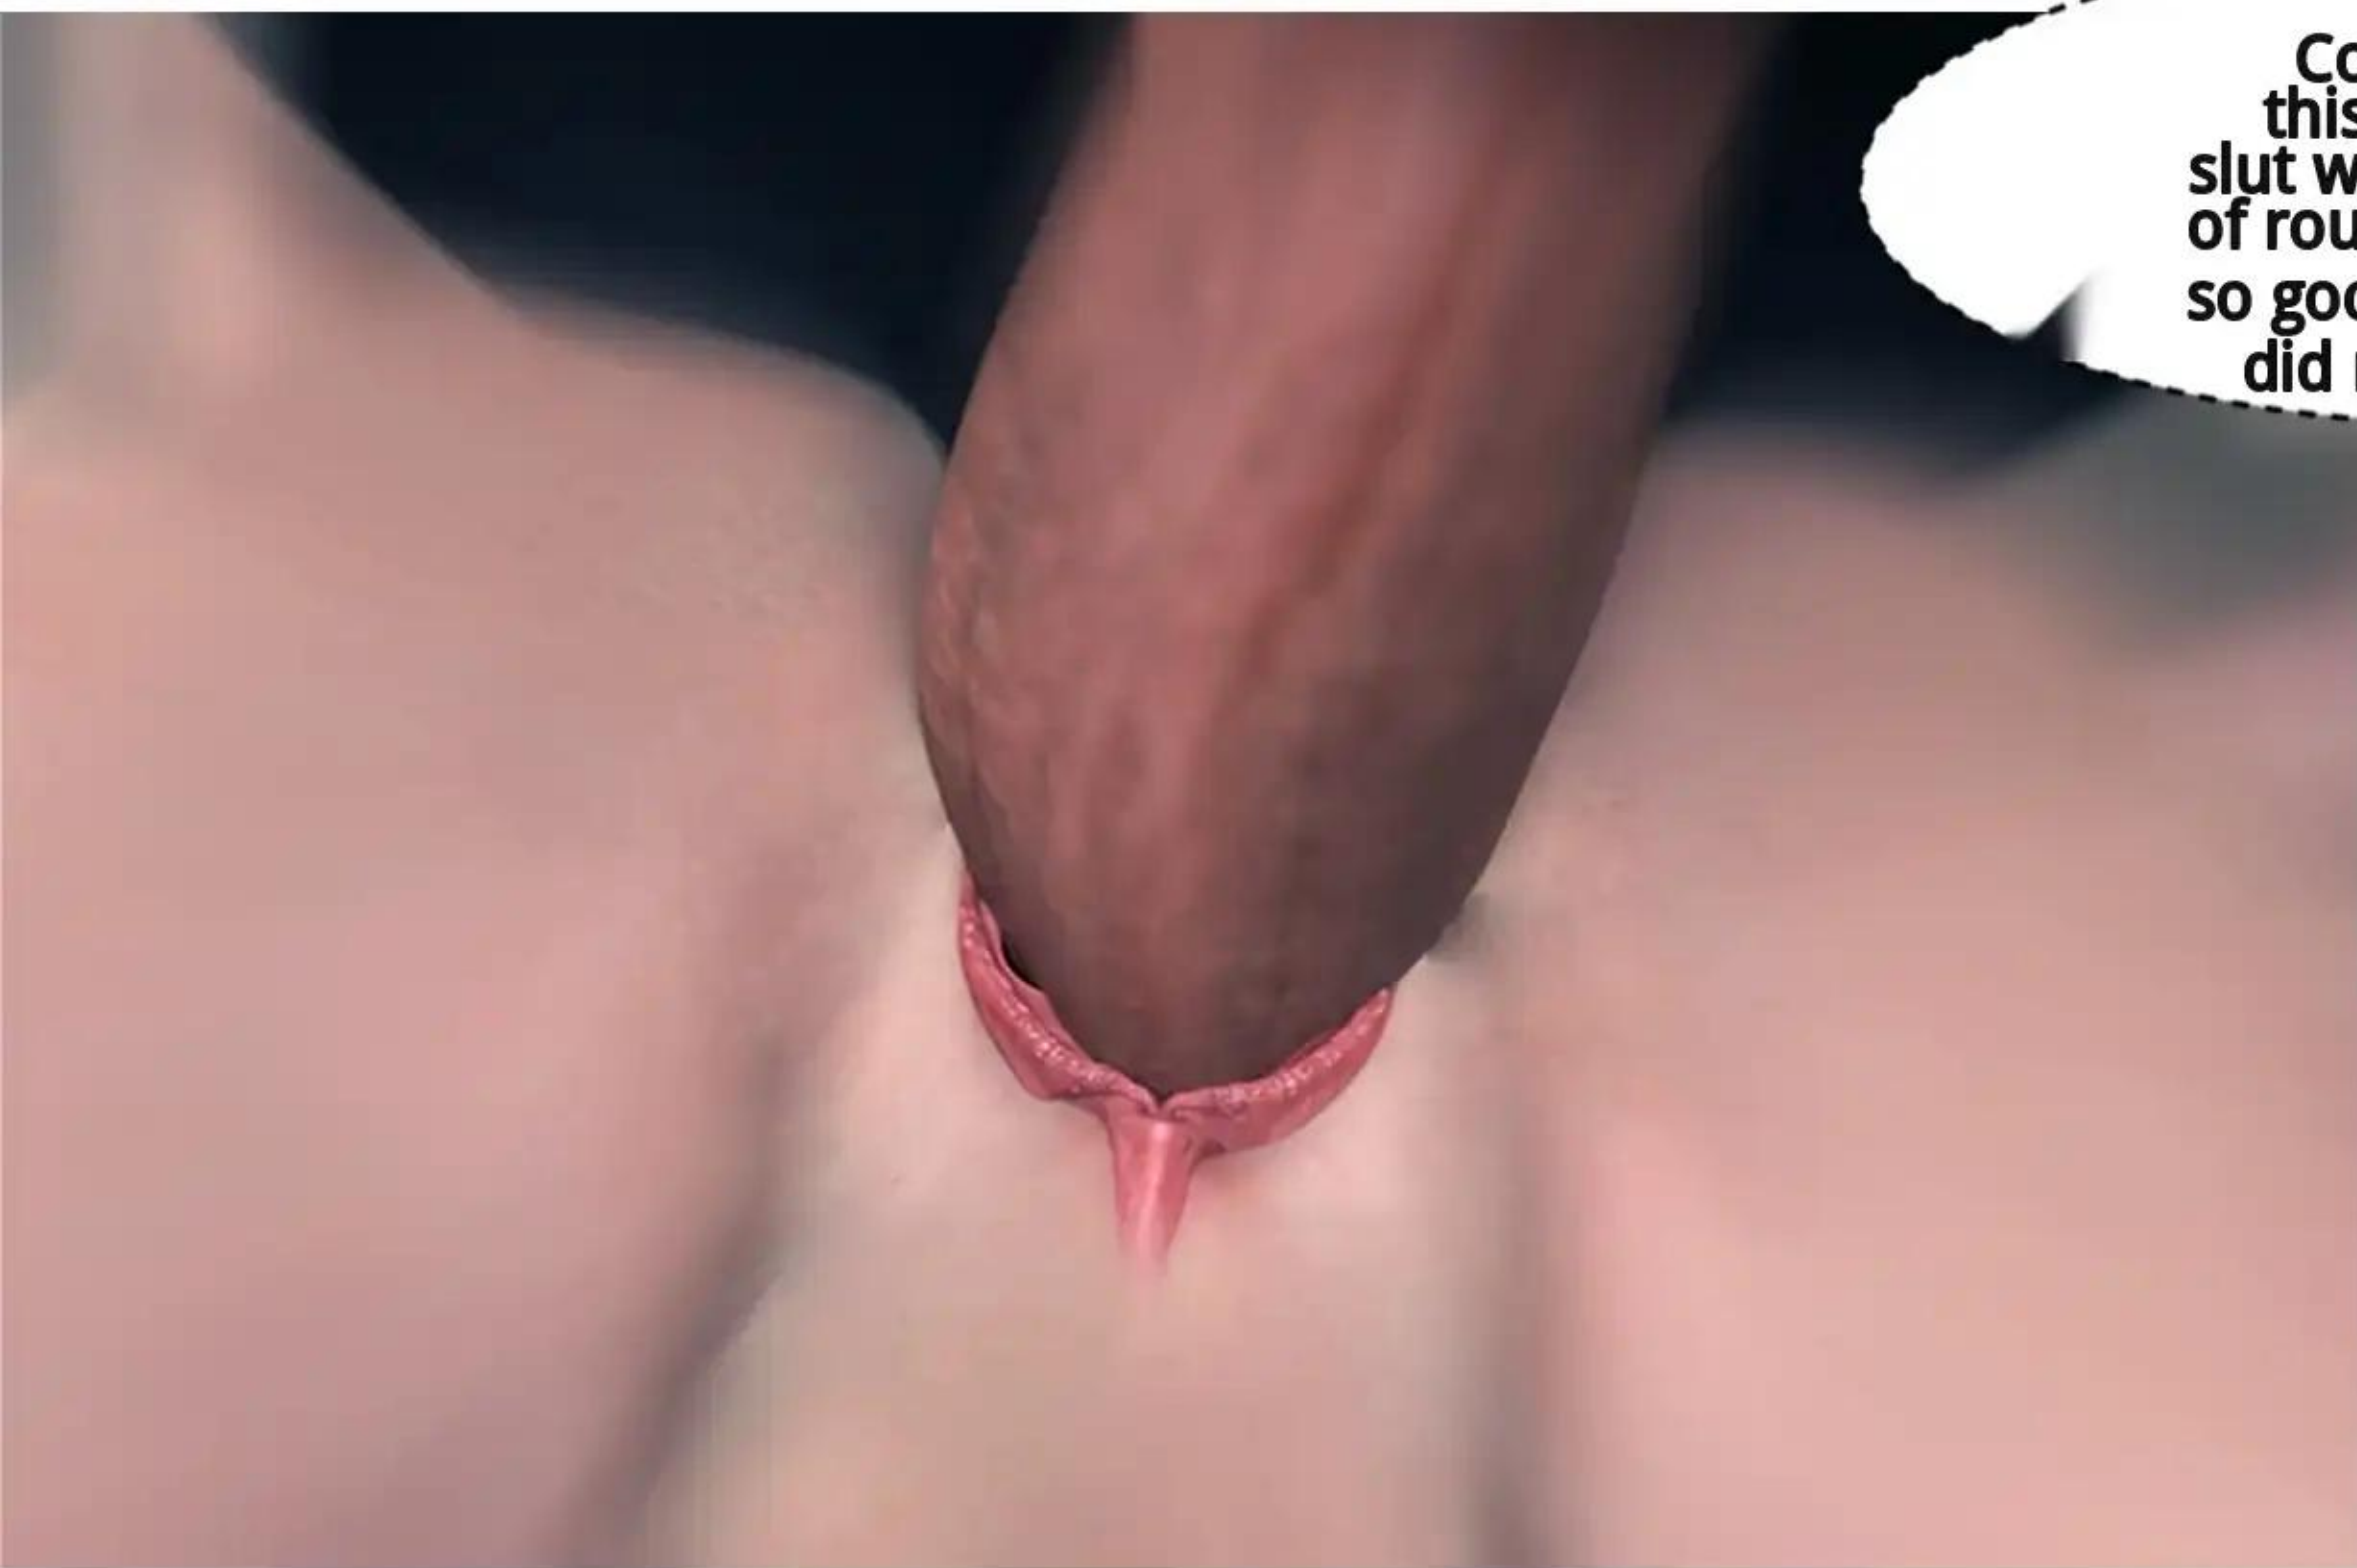

Damn, this is the first time for this person, even a real virgin like Lao Zhou wouldn't do this! What if you fuck a woman? This is too damn rude.

But didn't she
make it seem like I was
being raped? This is too
humiliating! Although I
was mentally prepared
to be fucked,

Could it be that
this skin itself is a
slut who likes this kind
of rough play? Still feel
so good? But...but why
did my body react?

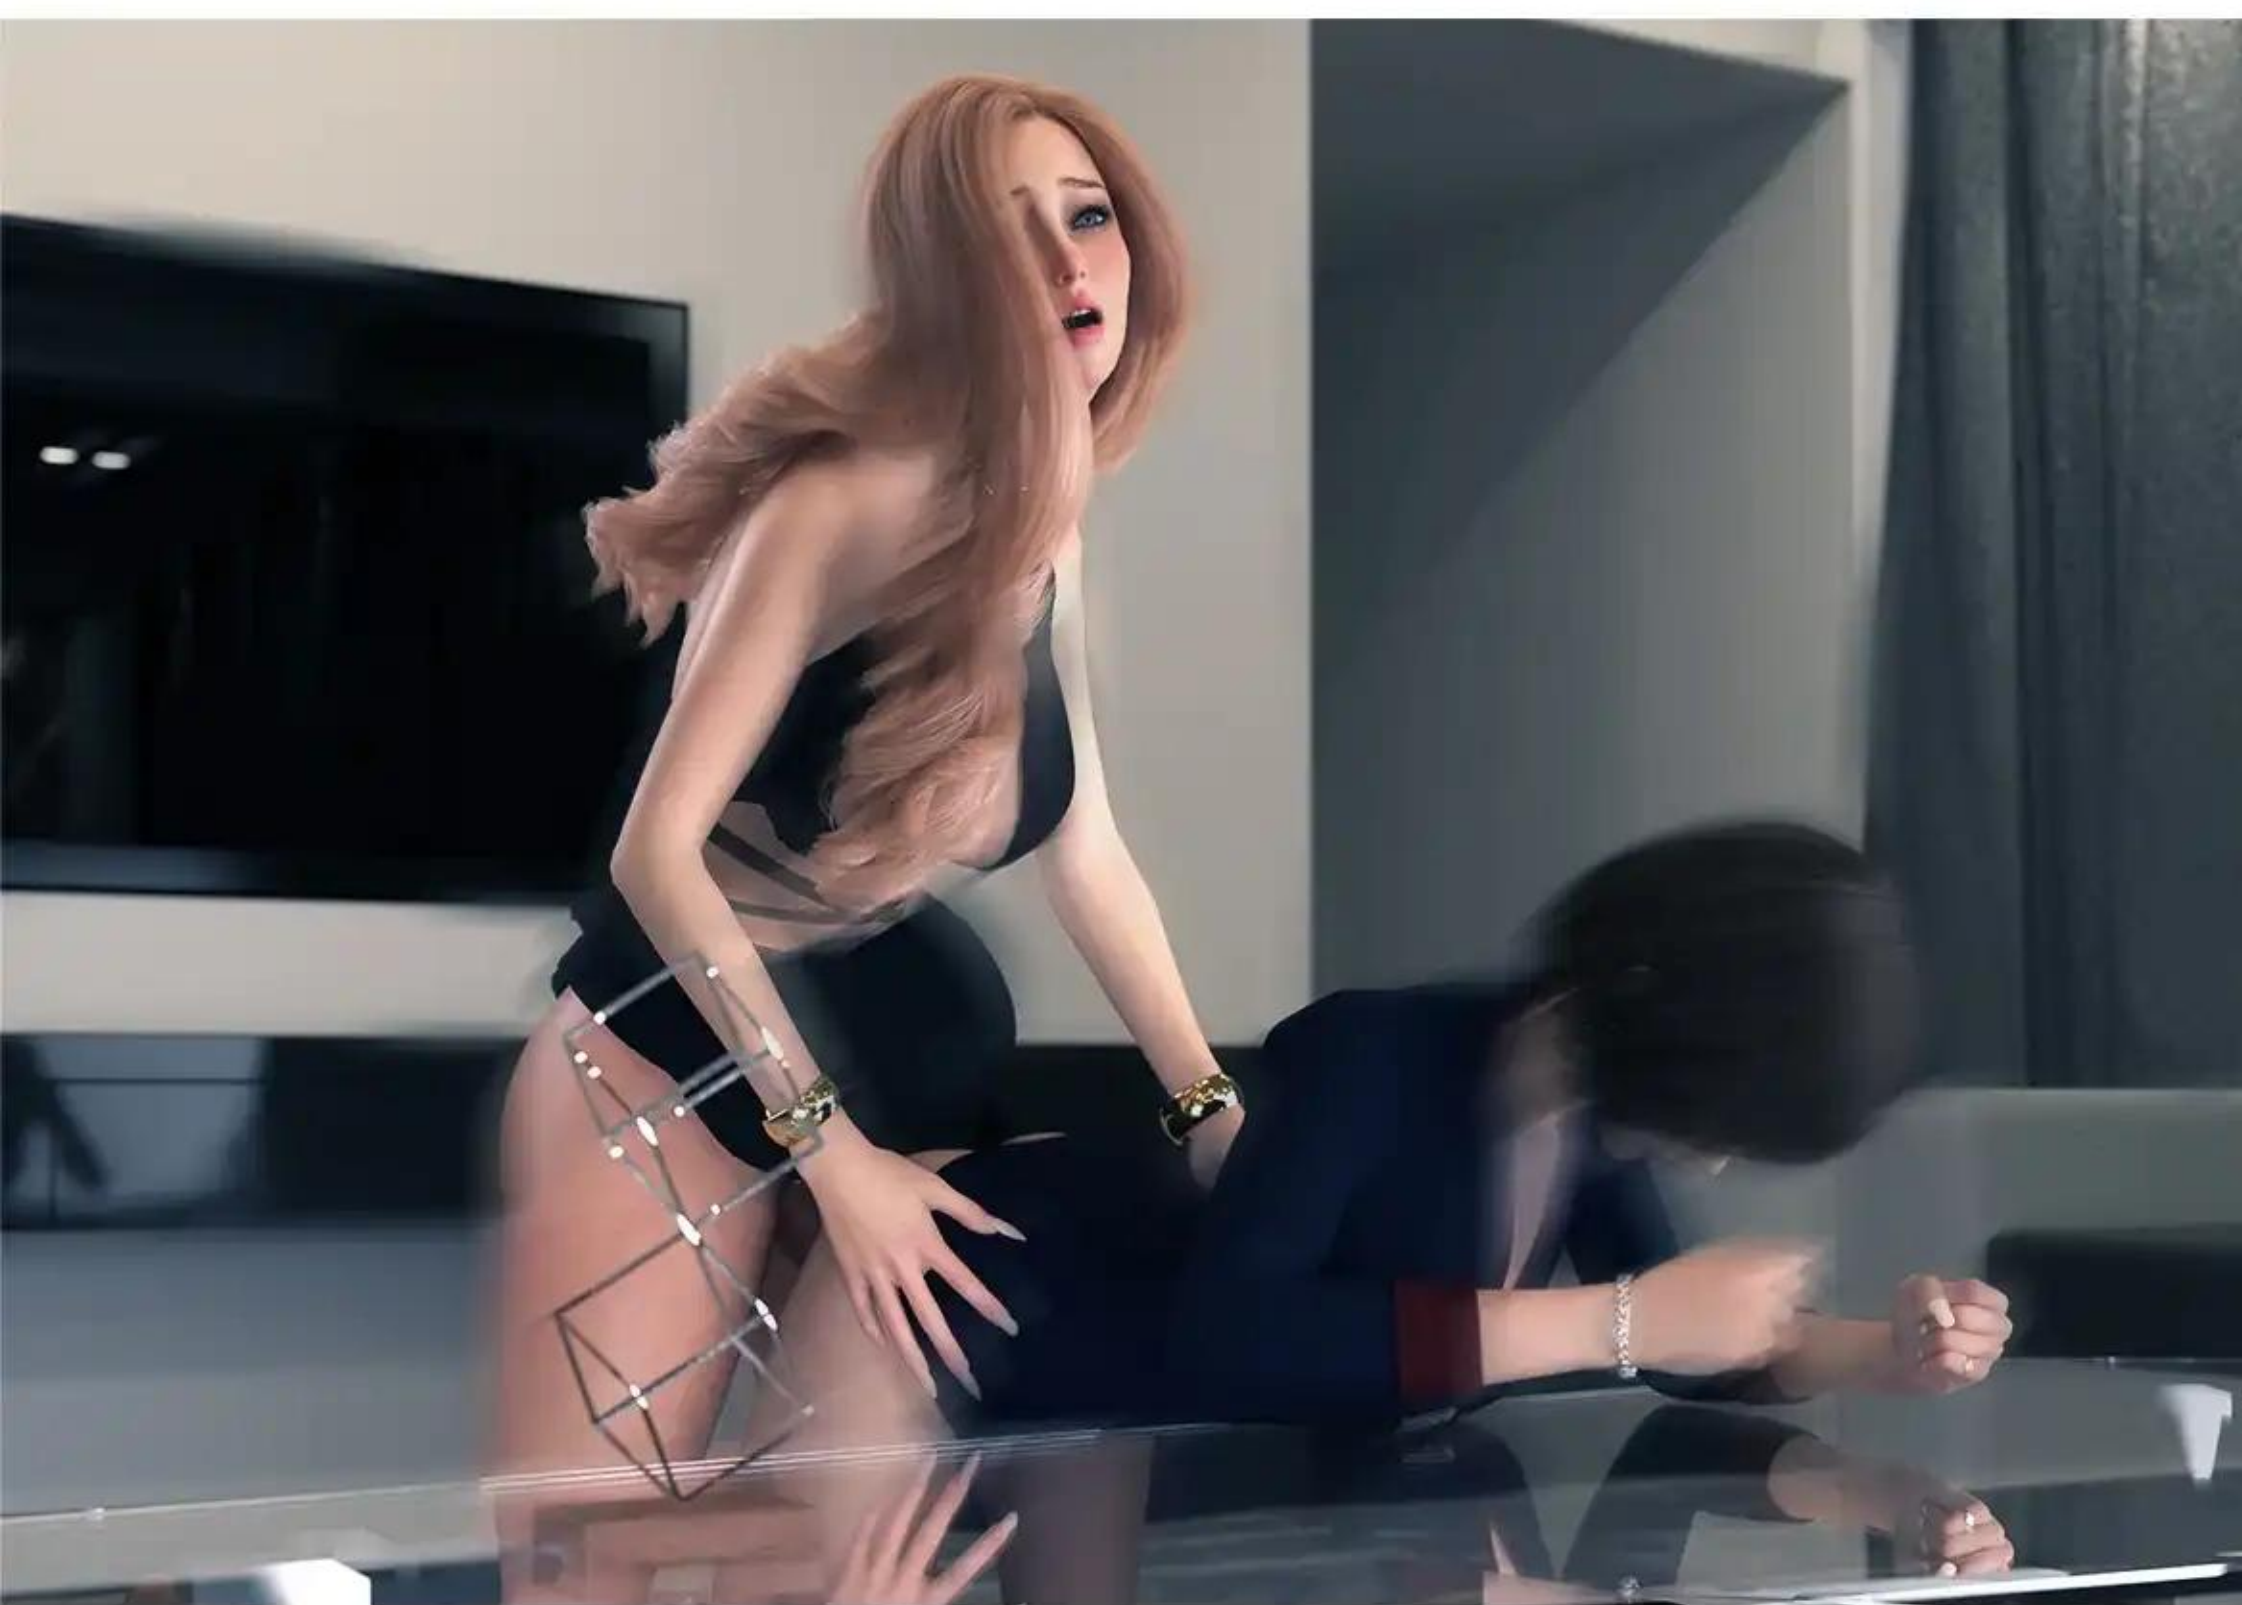

This feeling of
contrast coupled with
the fact that you are
fucking someone with your
twisted cock, oh oh oh oh oh!
It's so cool! The stimulation of
having sex with him is so
good! My appearance now
shows that I am a
beautiful woman

**This beautiful
woman like me is
actually disguised
as a perverted man!
And this woman
must not have
thought of it**

**It totally hit my
sexual fetish! This
feeling of fooling
people around,**

Is this toy of mine my Rui? Do you like me fucking you like this, baby? Is it more powerful than your husband's big cock? Tell me,

If this continues,
people will really be
ruined! Please...Uh-huh!
Please slow down, eh!
Yeah! Li, awesome, you
are better than my
husband,

It's so exciting
that I can't stop! Me,
me! You want me to slow
down, but I can't help it.
Who told your cunt to be
so tempting? This toy has
a mind of its own.

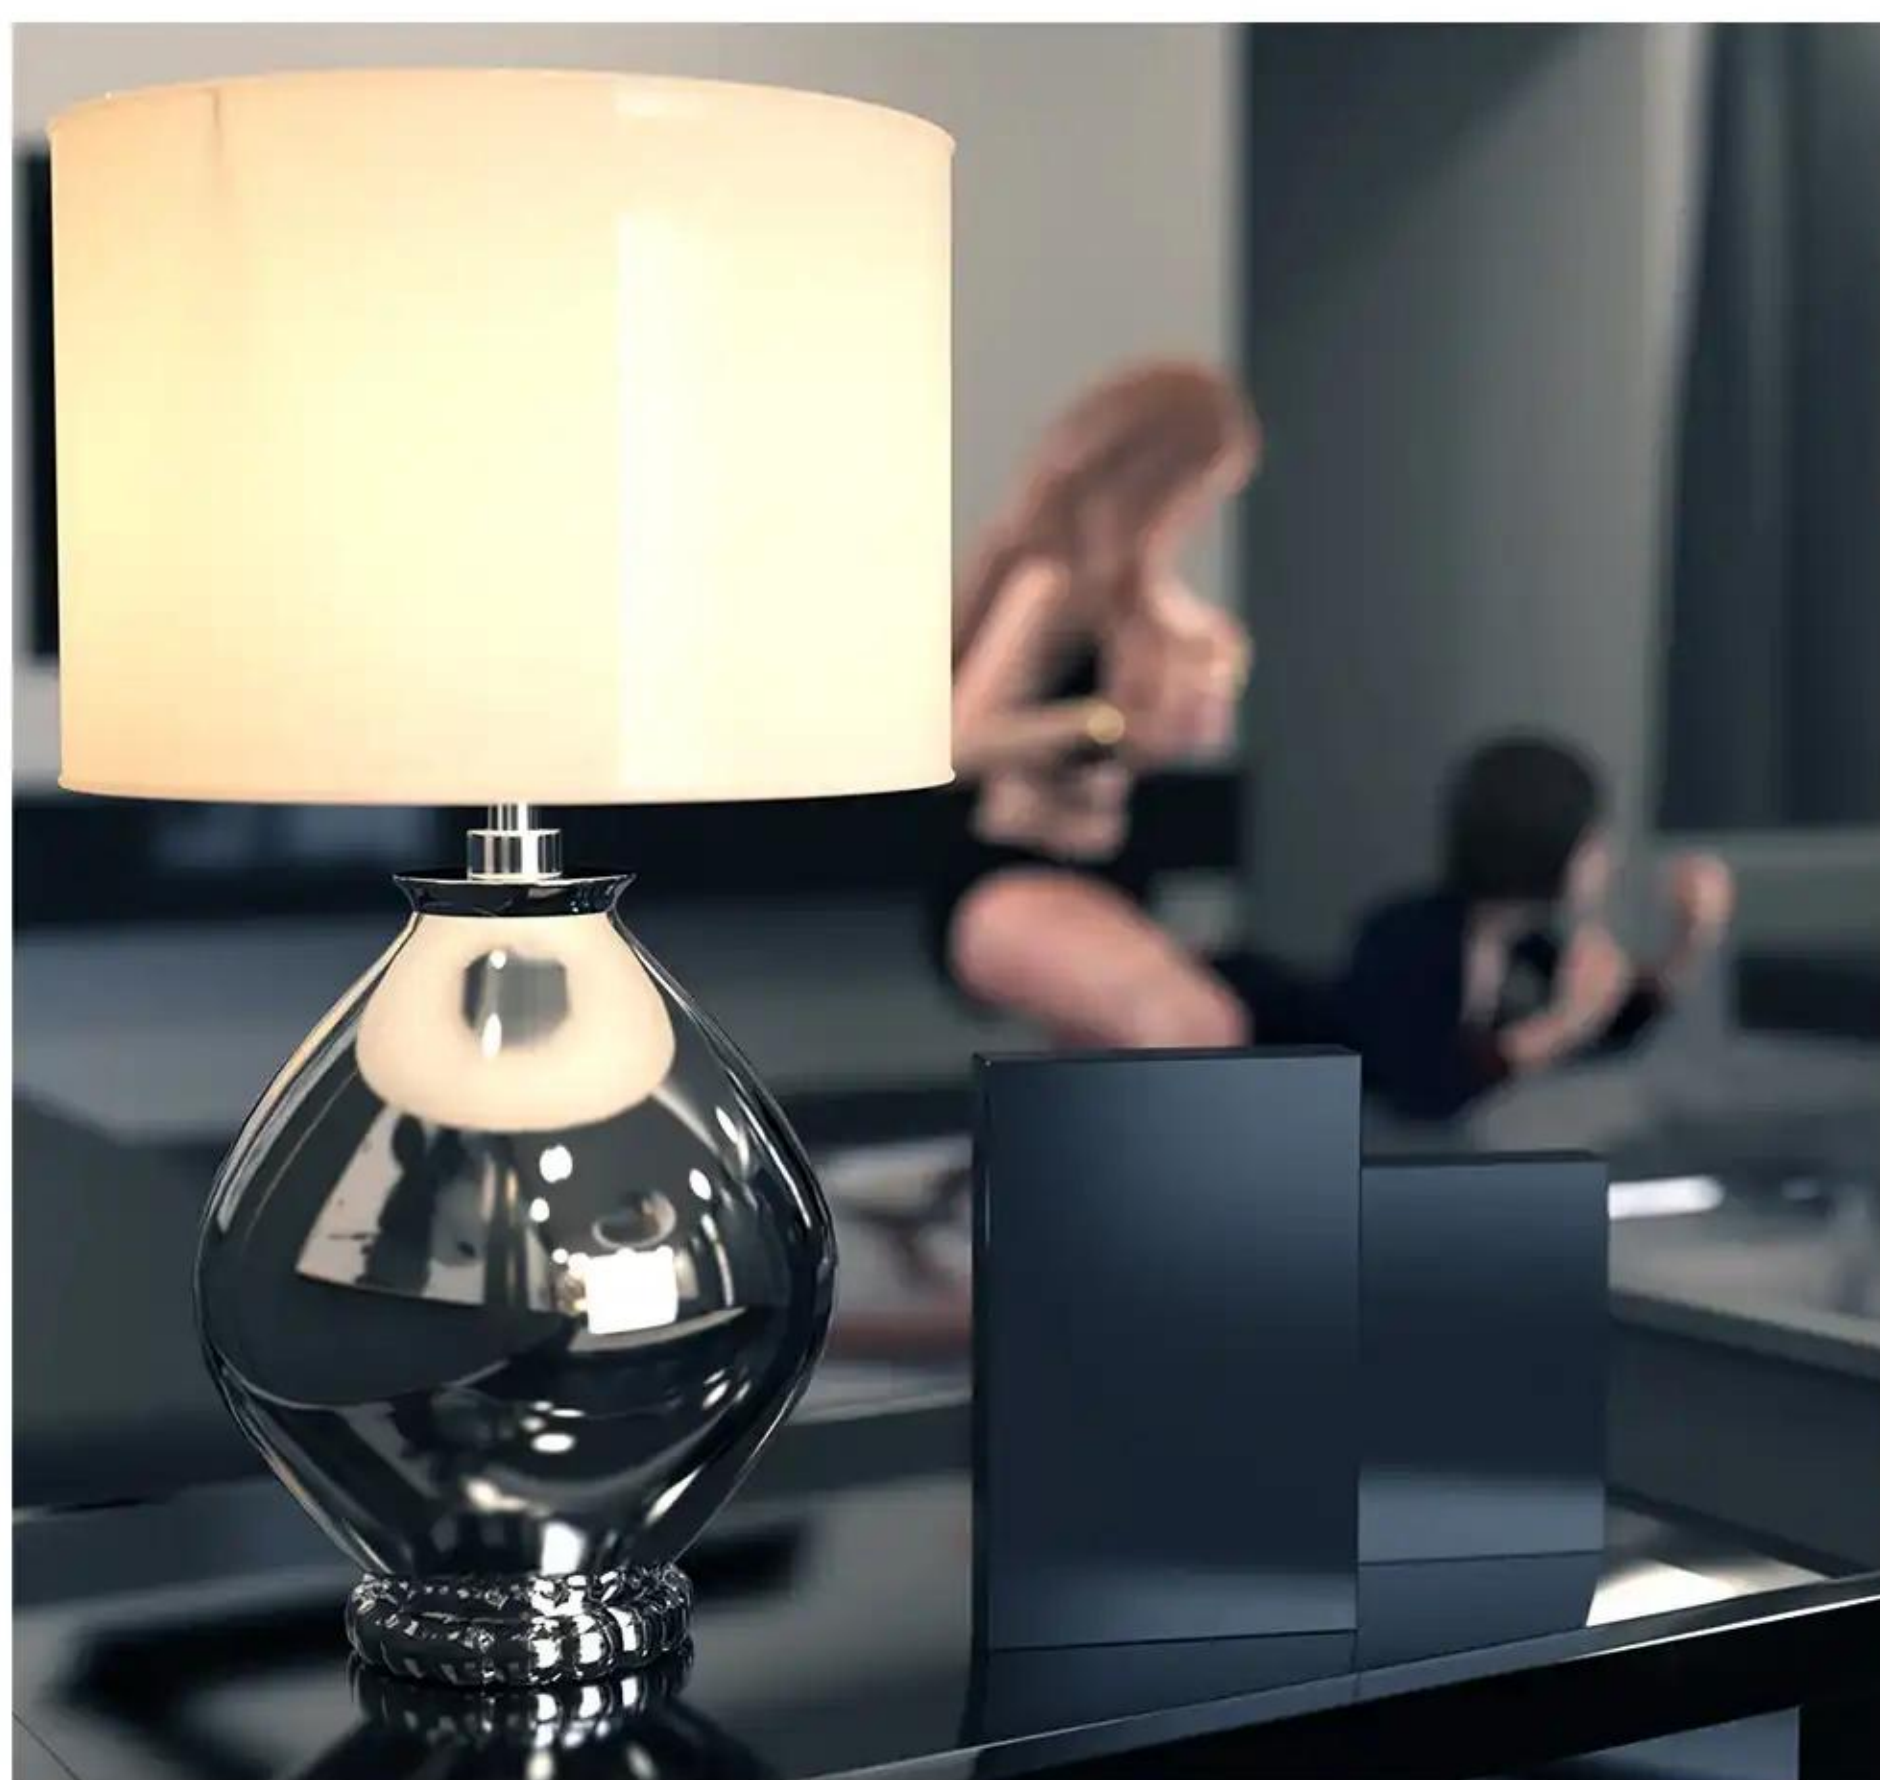

Especially this pussy
is so tight and full of
water, it really makes me
want to cum inside! Ah! I want
to cum so much! Contaminating
them with my dirty semen, I
really want to have sex
between two beauties,

Is this skin really a
bitch who likes to be
treated roughly? Why do you
still feel so good? But it's
obvious that my body feels so
uncomfortable, my waist feels
so stiff...and my lower
body hurts so much.

Could it be...Am I
the one who likes to play
like this? Everything looks
fine! Wang Yali (voice)
But...but when Lao Zhou
wears this skin,

People who play
tricks on others!
Obviously I am the one
who should stand at the
top. I am just acting to
cooperate with her!
Impossible! How could
I be a tremolo

The whole thing
down there is so wet and
slippery now, haha! MONICA
(V.O.) Oh oh oh oh! I'm Rui!
Your cunt is so lifelike that it
flows so well. A lot of water
sprouts out every time I
touch you.

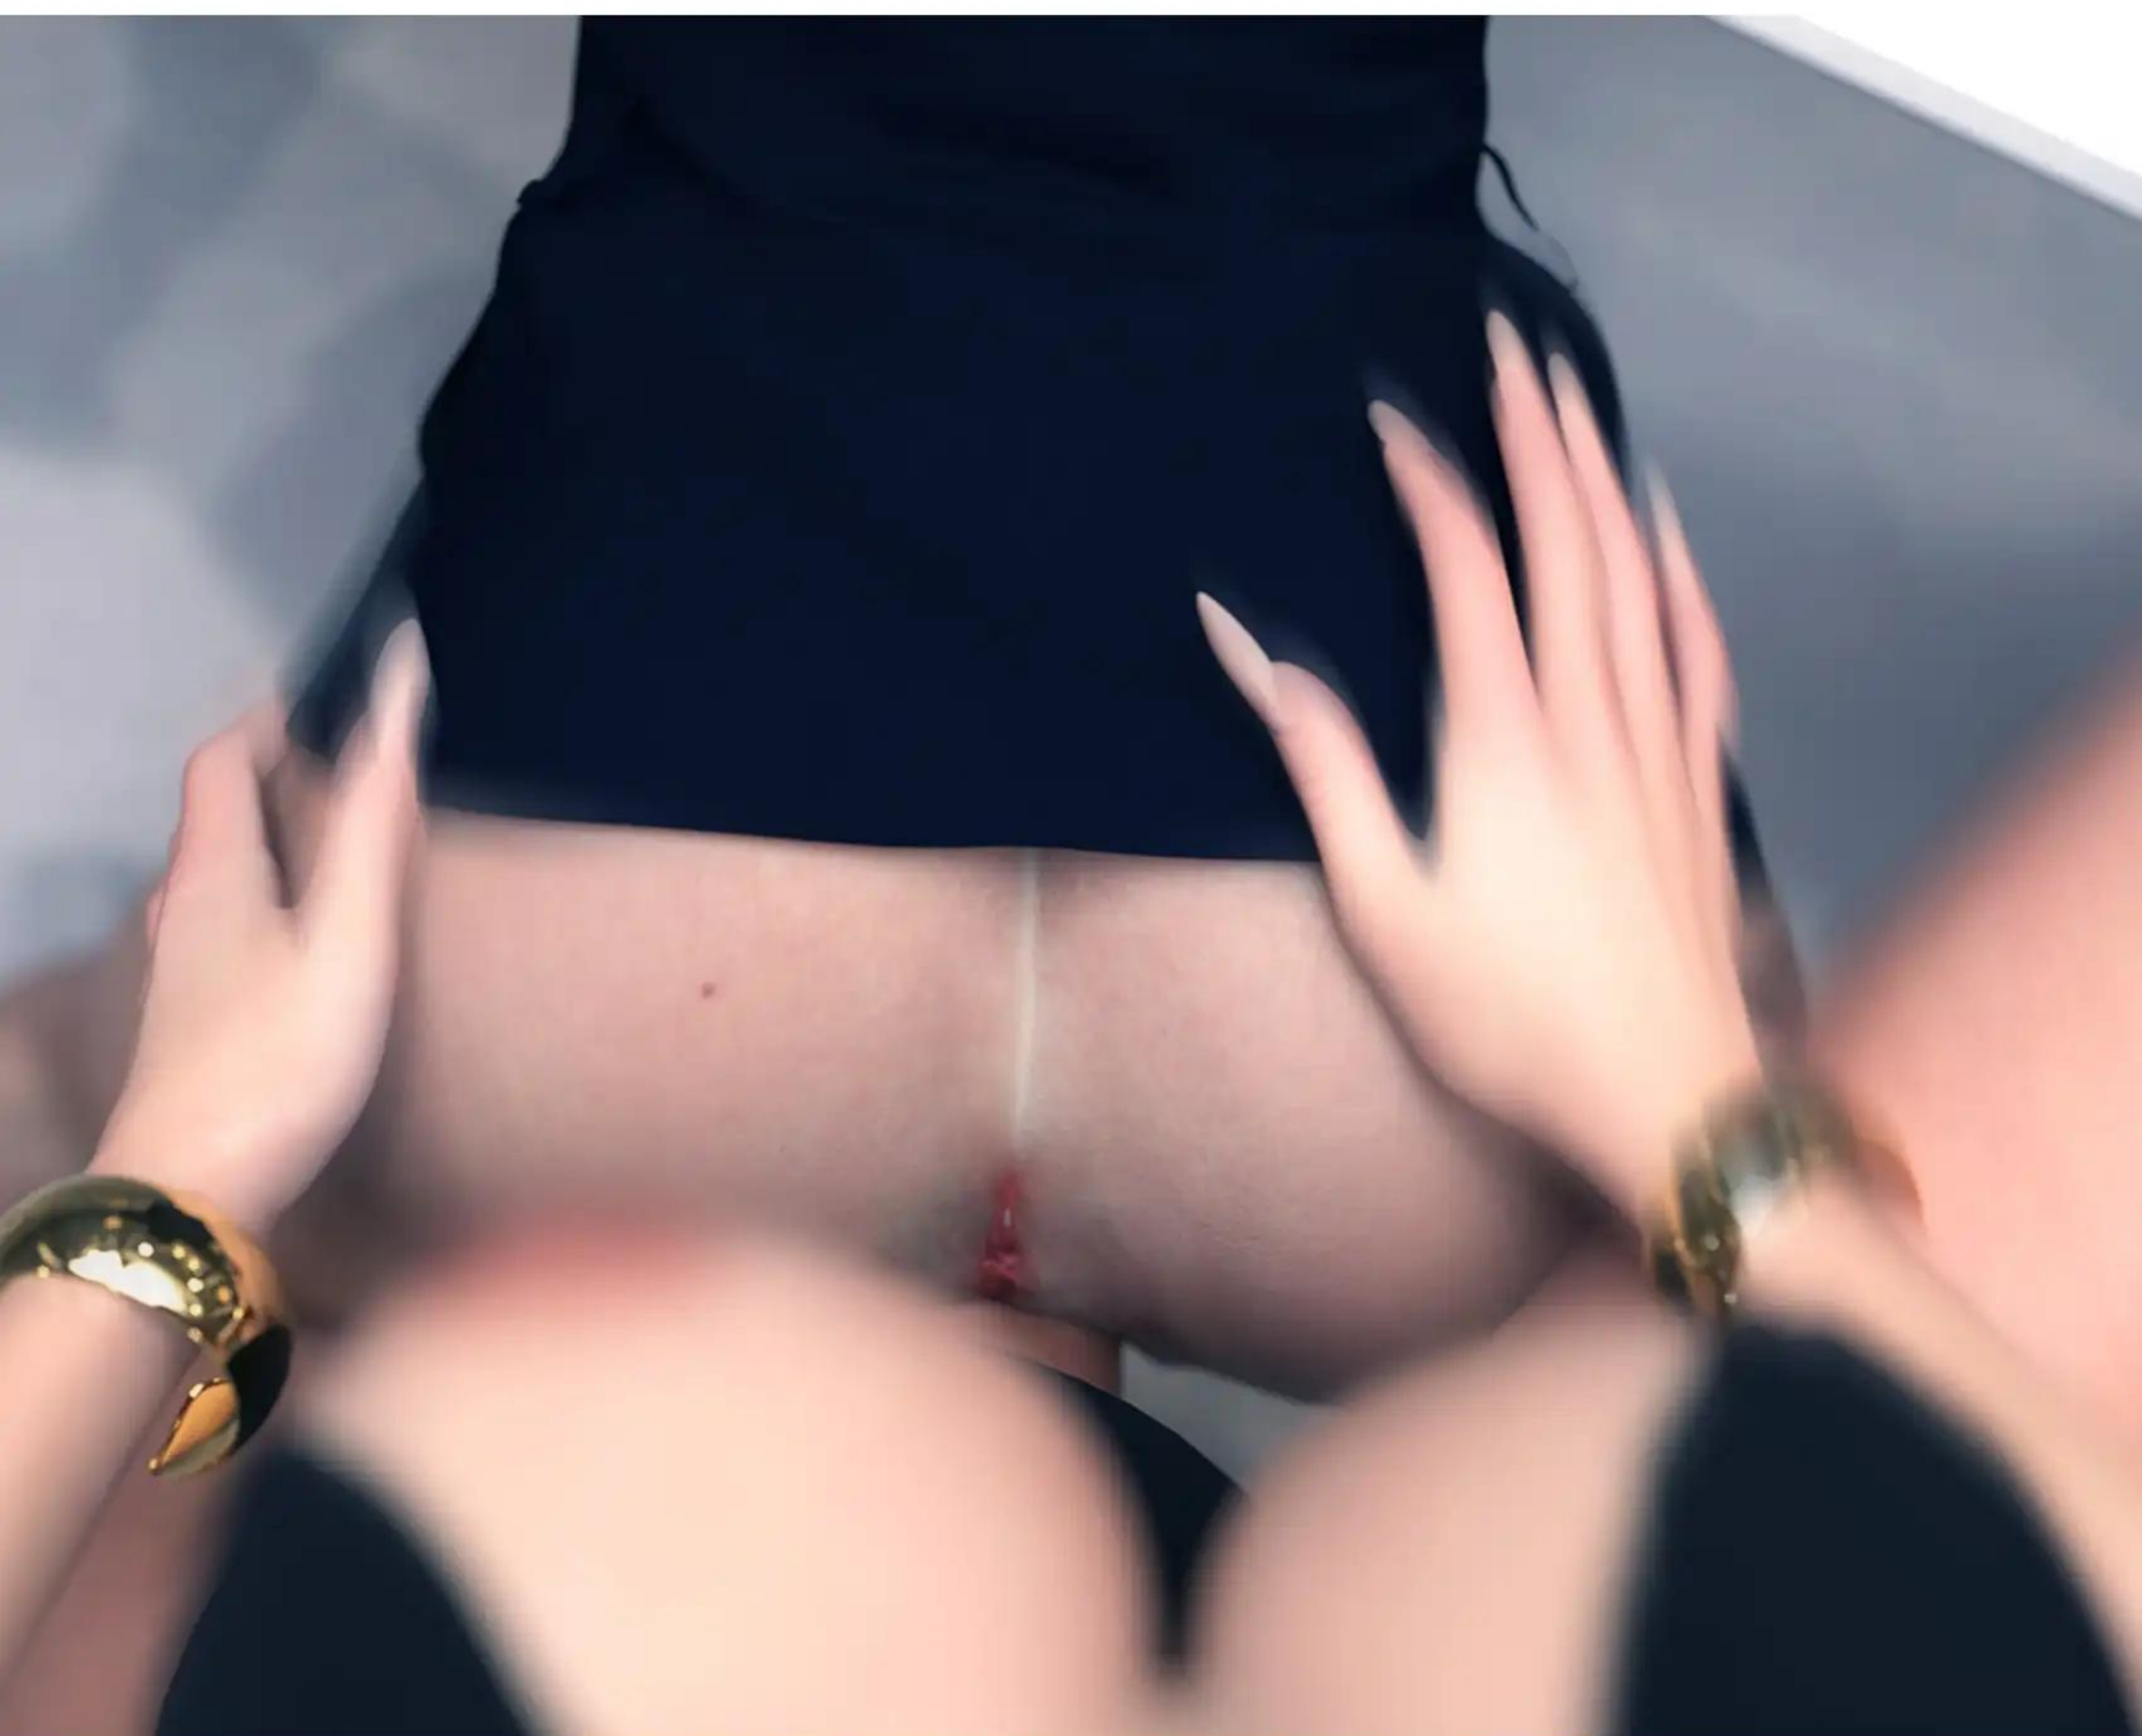

It seems like you
like it so much just
to let me fuck you to
death, haha? I use my
toys to fuck it! Didn't
you spill the water
on purpose?

That, that
was just an
accident...
Uh-huh... I-I
didn't

Accident? Then this
unexpected surprise came
at a great time! It's fun for me,
it's fun for you, it's fun for my
toy, it's fun for my cunt,
everyone is happy, hahaha!
Monica (voice-over)

I can't even tell whether she is testing me on purpose, my head is going to go crazy! Uh-huh... What should I do? My head is completely blank.

It feels so good
that I'm going
crazy! Yeah~ It feels
so good. It feels so
good to be fucked
down there. Wang
Yali (voice)

Going!
Going! Wang
Yali (voice-over)
It feels so good,
so good!

Went
ah ah ah
ah ah ah
ah!

I, Rui, are you
actually so lewd
during working hours?
I fucked until I
climaxed first, as a
hotel employee

You are
so fucking
horny!

I, Rui, feel so good, I
can't stand it anymore,
I'm going to cum!

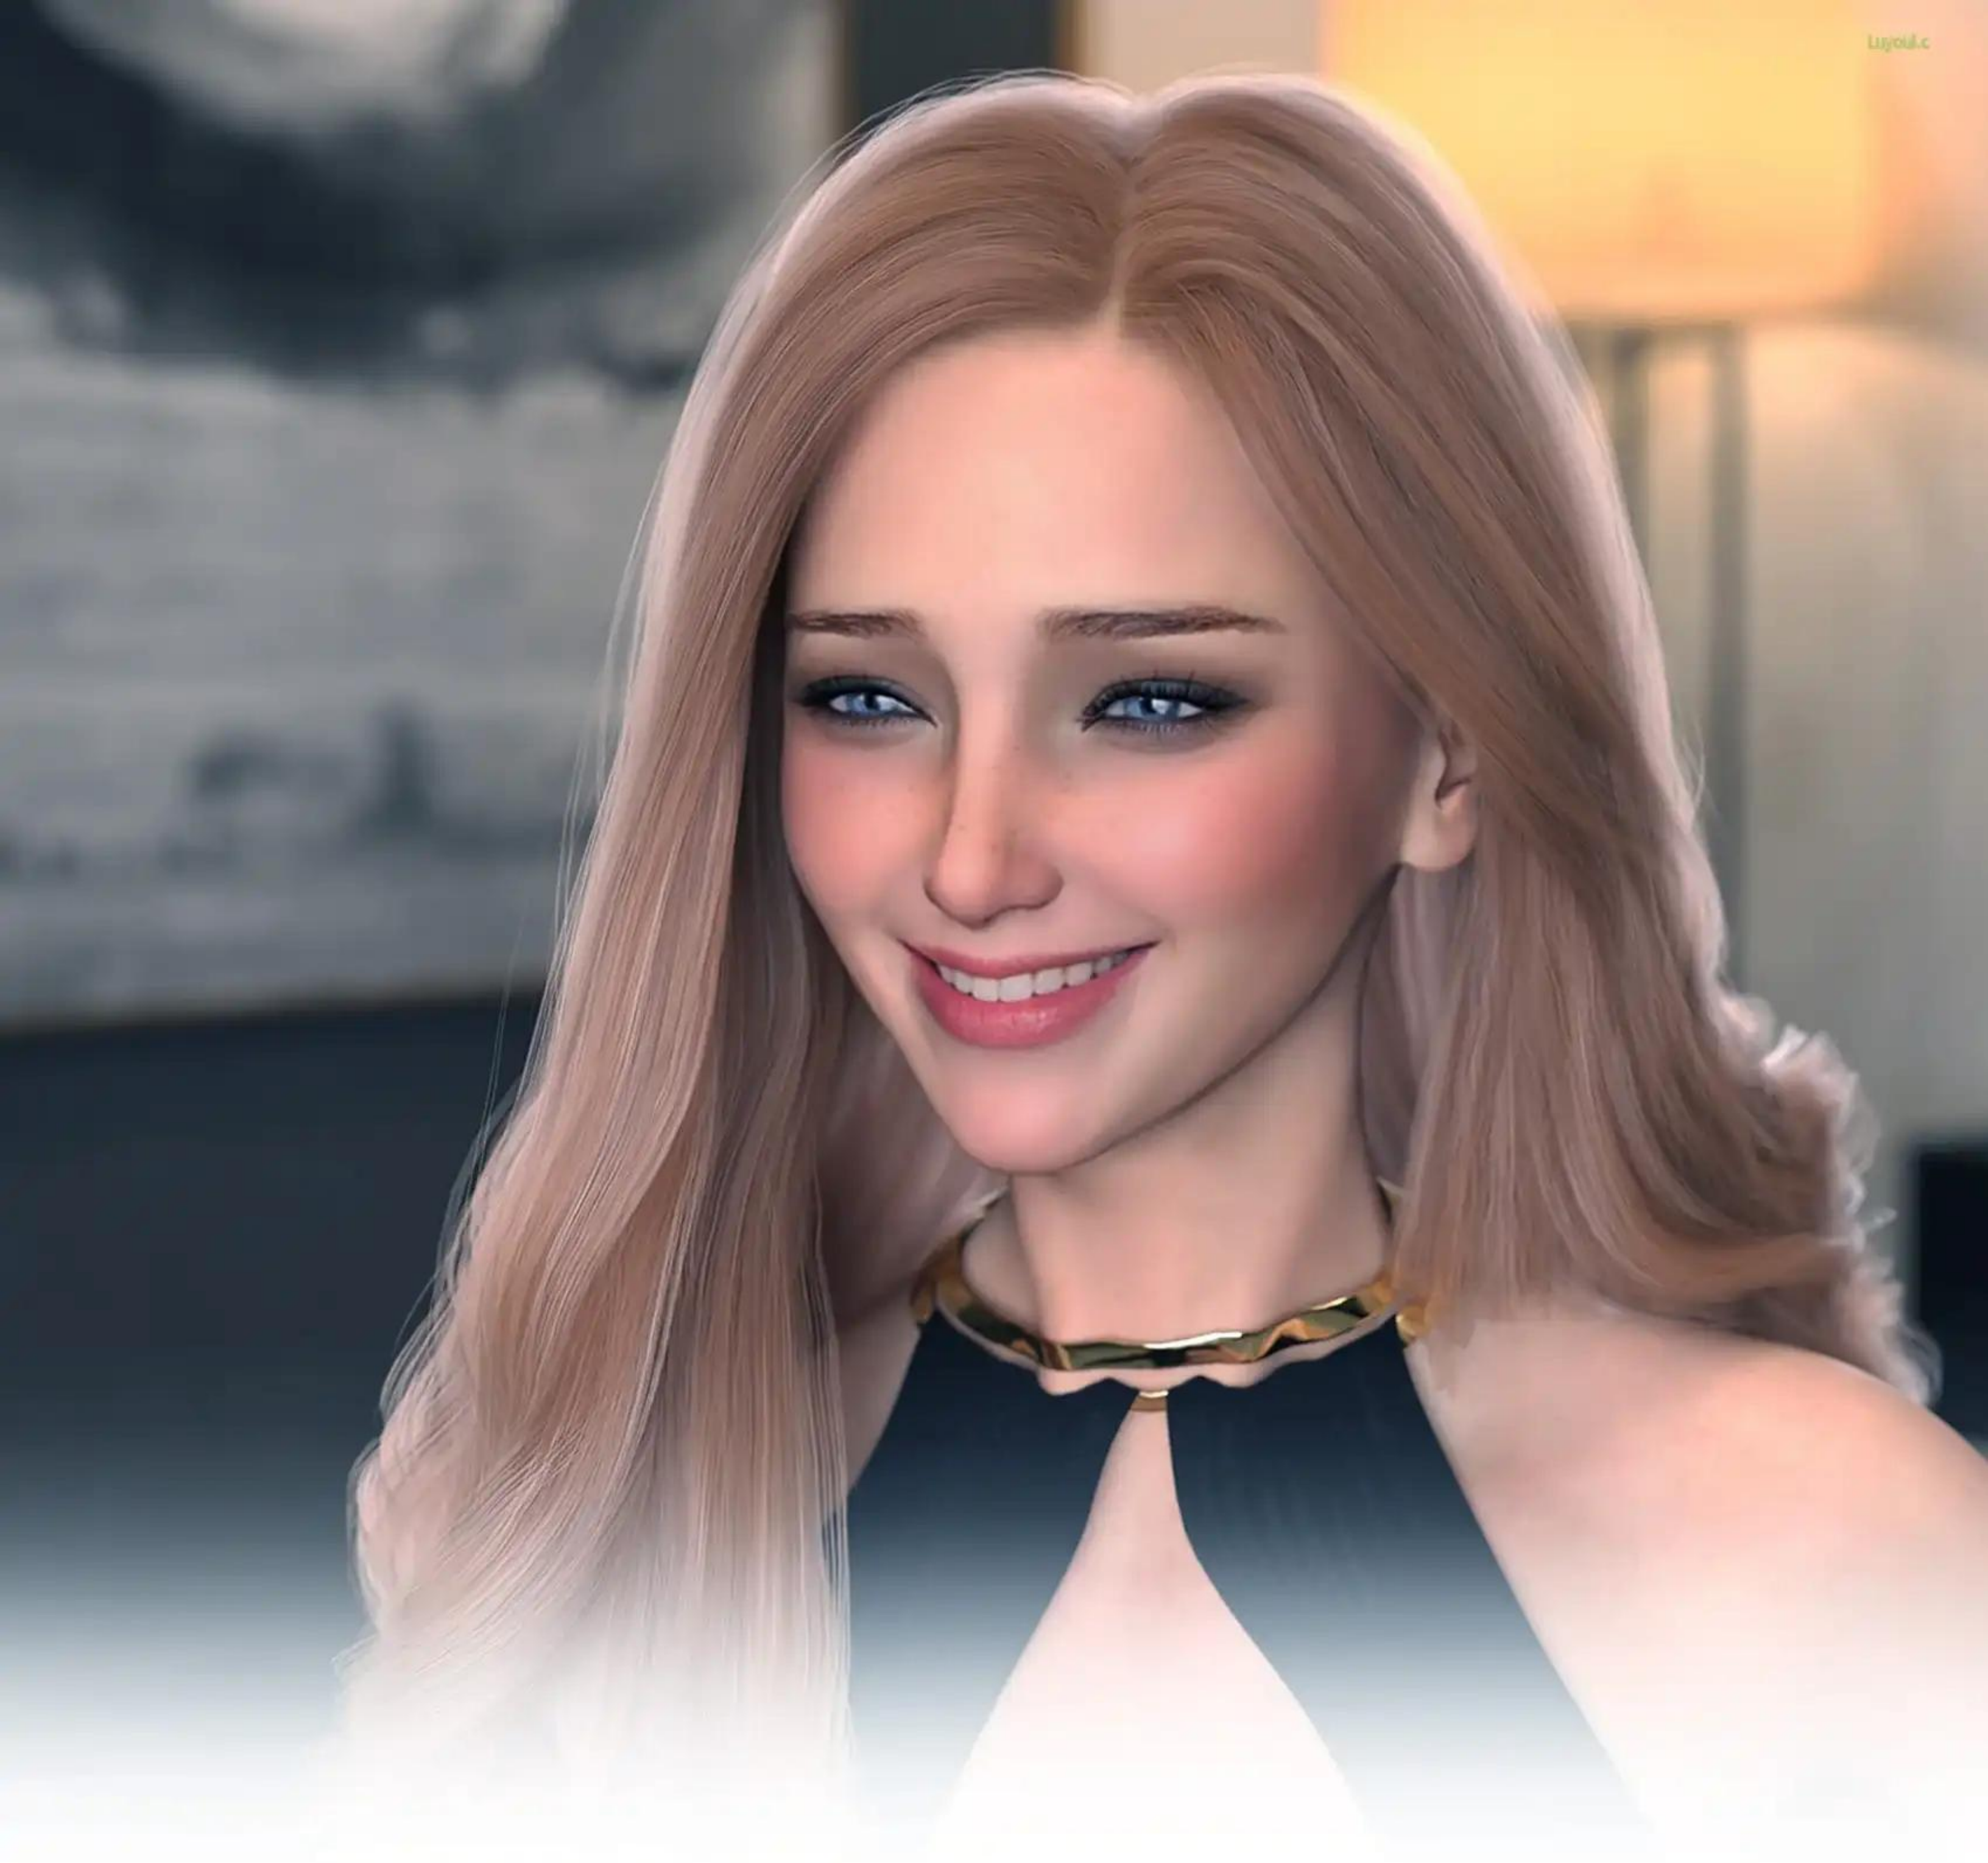

射了啊啊啊啊啊啊！

Wang Yali
(voice-over)
Huh...huh...huh...

...Black...Cum,.Cum
a lot!

Sure
enough, the
sex with him
is the best
