

11

My sister is not only sweet-tongued, but also very good at talking.

I In the past, my life was basically the same as that of Mei Luo. Ah, sister, you are so good at it! The current Japanese dog is worse than that.

As a driver, you have to hide and stay hidden from the light, and you don't have much time all day long, and the prostitutes don't have to hide and make a lot of money.

, now it's great to be able to get beauties like young models who are pretty bad at being pretty! I never thought that my life would change so drastically.

I pay the bill. I love it so much that everyone is trying to please me. When eating out, there will be stupid men who turn into beauties and the bodies around them!

, but it's true that the organization only gives you a beautiful body to make more money. I will teach you how to sit down later, so we can lie flat on our backs.

ha!

Coming soon! What do you mean by my little sister? You've been enjoying this for a long time and you don't want to be with me? soft! I really want to serve you just by standing there and watching.

Just pretend I don't exist, and I'm very happy watching it! You don't have to, please continue slowly haha..."

ah! Can't you just concentrate on playing and join your group of transforming bears so that I can sneak away? Ah Hao must be very anxious outside.

clawdie

How can a person bear it? You see, my little sister is doing so much harm, so just say goodbye! You're such a lustful licker, and you didn't forget my cock.

If you can afford it, it would really be nice to have you as her partner. She would definitely respond to your cock having already exploded. Come and feel it! ? Why are you so polite?

Why are you standing still when I can let you alone? I don't have any fun. How can we believe that you didn't respond? Take it off quickly and don't let your cock get so crazy.

Hello! Wait, don't lift my skirt
son! skirt

The skirt is like a little girl's and I want to lift it up. What's wrong? What a weirdo, those who didn't know thought you were really a woman

Where are the people.

Come on, you weren't like this before. You would play weird things when it was more exciting. What are you afraid of if you can't let go today? You won't be asked to pay.

Very interesting...
You, you can't... I just
didn't touch me
today, um... put
down my skirt
quickly!

My dick is almost
coming out but you still
try to serve us. Are you
not interested in
supporting us? The little
sister will be sad if she
tries hard.

Your cock came out on its own. It's really fun. Go ahead! I'm not touching you now. Sister Xiang, please feel comfortable.

Uh-huh, no, no, come out!

Male desire dominates, I feel!
Going to be as bad as last time! It's this kind of out of control again, my sanity is about to...

Oh oh it's all out! I can't stand it anymore...so comfortable!

Ha ha! That's right! This is how I know you!

Come on! We are good brothers and have sisters, so we should do it together!

? It's wet and you can take a look at it. My pussy is beautiful. Sister, I've been waiting for you for a long time. Sister, it feels so good!

The rod is so hard that I can't help it. I'm so beautiful...and the color is so beautiful. I really want to insert it into my flesh. Can I really do that?

A woman with long, dark, wavy hair is sitting on a bed. She is wearing a white, low-cut, sleeveless top and black stockings. A penis is visible in her lap. She has a thoughtful or slightly annoyed expression. The background is a simple room with a wooden cabinet and a white bed.

Blame this thing, and it's trying to hurt me because her pussy is so charming? Why do I, a woman, feel as out of control as before!

People's desires cannot be controlled at all, and their tolerance has reached their limit now, and their reason is completely overwhelmed, ah, I really want to penetrate it! Male desire is estimated!

, our cute little sister, I wonder what you were doing just now, it's fun when there are people, but my pussy has been empty for so long!

, I am the most unattractive girl, so you have to make up for her pain. I won't let you go if you are sad. I won't let you go. I won't make my little sister cry again!

You feel sorry for me
when you see my
cock is so hard! Look,
don't just worry
about your little
sister, be virtuous!

Press
and
hold

Little sister licked
you for so long, you
learned a lot, right?
Let me enjoy it.
Open your mouth! I
can't wait!

Open up! My
cock can't go in!

Stuff it
in!

Phew! You,
wait!
Uh-huh...!

A woman with blonde hair, wearing a grey spaghetti-strap dress, is performing on a stage. She is smiling and looking upwards. A man in a white outfit is kneeling in front of her, performing oral sex. The background is dark with a spotlight on the woman.

The young girl's oral sex is so good! It's so comfortable! quilt La!

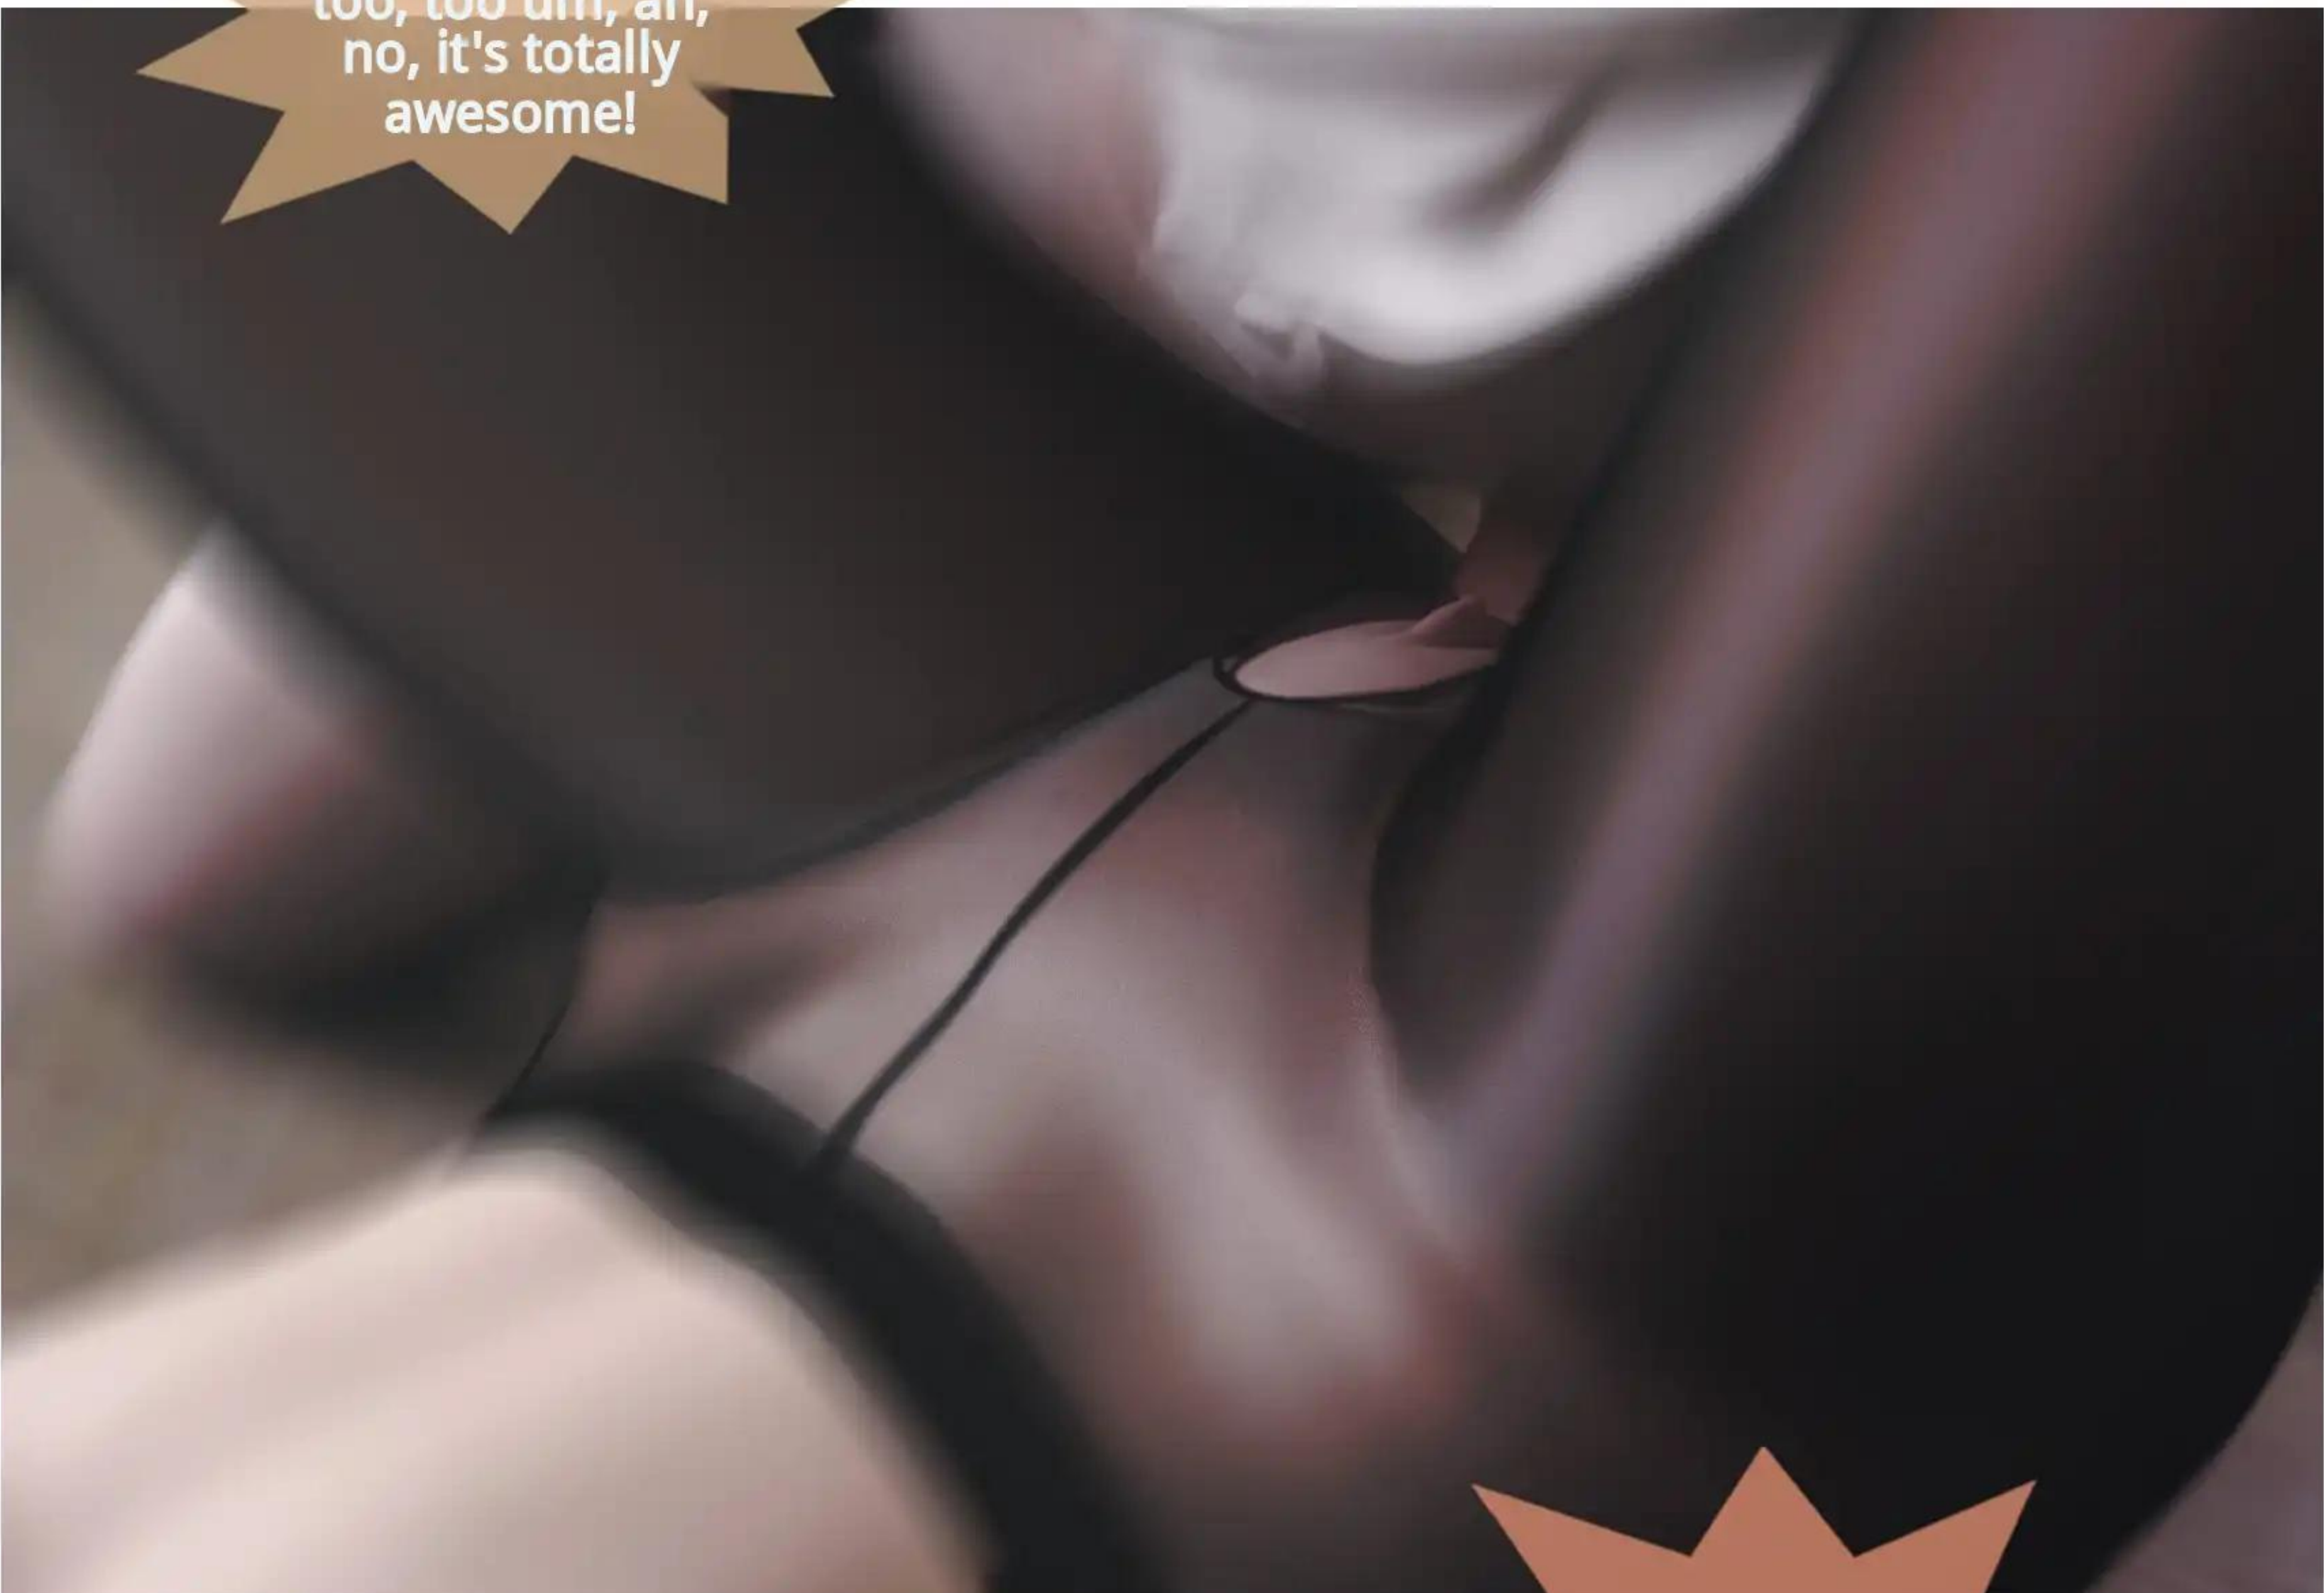

Uh-huh! Lightly, lightly!

Brother, you really have a good-looking skin! Seeing the little beauty sucking my cock makes me cum a hundred times! Mmmmm, it's so cool!

Um, oh ah ah, it's
really, really good!
So great and so
comfortable!

Bang bang
bang!

Thumbs up,
huh, huh,
huh! Slow
down...!

Can't stop! It's
too, too um, ah,
no, it's totally
awesome!

Ah, ah, sister,
sister is so evil!
I'm going to... I'm
going to kill him!

, how can I... But I,
how can I... Ahao is
still out there
carrying his heart, I
really can't control
it!

It feels the same
as last time. Her
screams are so
seductive, her
silk is so good,
and this little
girl's cunt keeps
sucking my cock!

It's wet and soft, and my
cock is nowhere near
Hao. Will Hao be
disappointed in me? I
didn't want to either,
but it was so
comfortable and my
pussy was so tight
Not
open!

Hmm, ah, ah, I can't tell you're pretty good at sucking, brother!

Oh oh oh so, so hot...so good ah ah ah!

The cock is going to fuck her to death ah ah ah ah sister, sister's big meat ah!

Yeah! You, why are you pushing me suddenly?

push down

Yes, did I push too hard and hurt you? I'm sorry...I didn't mean it, I just lost control of myself...

My sister fucked me
so well that I'm
sorry, sister, please
don't worry! I just
want to have fun. I
don't feel
comfortable at all.
Just try another way?

, it's my job to serve
you, I can't keep my
sister doing her best
work, not to mention
she's still pregnant, just
lie down and enjoy it!

The cock you just had is smaller than my sister's, and your pussy is so big. I'm so happy! It's so thick and strong!

I almost lost my mind because of you, now it's me who repays the favor with my top-notch skills, sister!

My skin is smooth and fair. Sister, I will definitely try my best. You smell so good! I like my sister so much. How can she be so beautiful? More comfortable!

Come on, get off me. I, let's calm down first, I'm afraid I'll lose control again. Wait a minute...You're too close.

Ah Hao, I'm sorry,
what can I do! Am I
going to make the
same mistake
again by inserting
myself? Why can't I
control strangers?

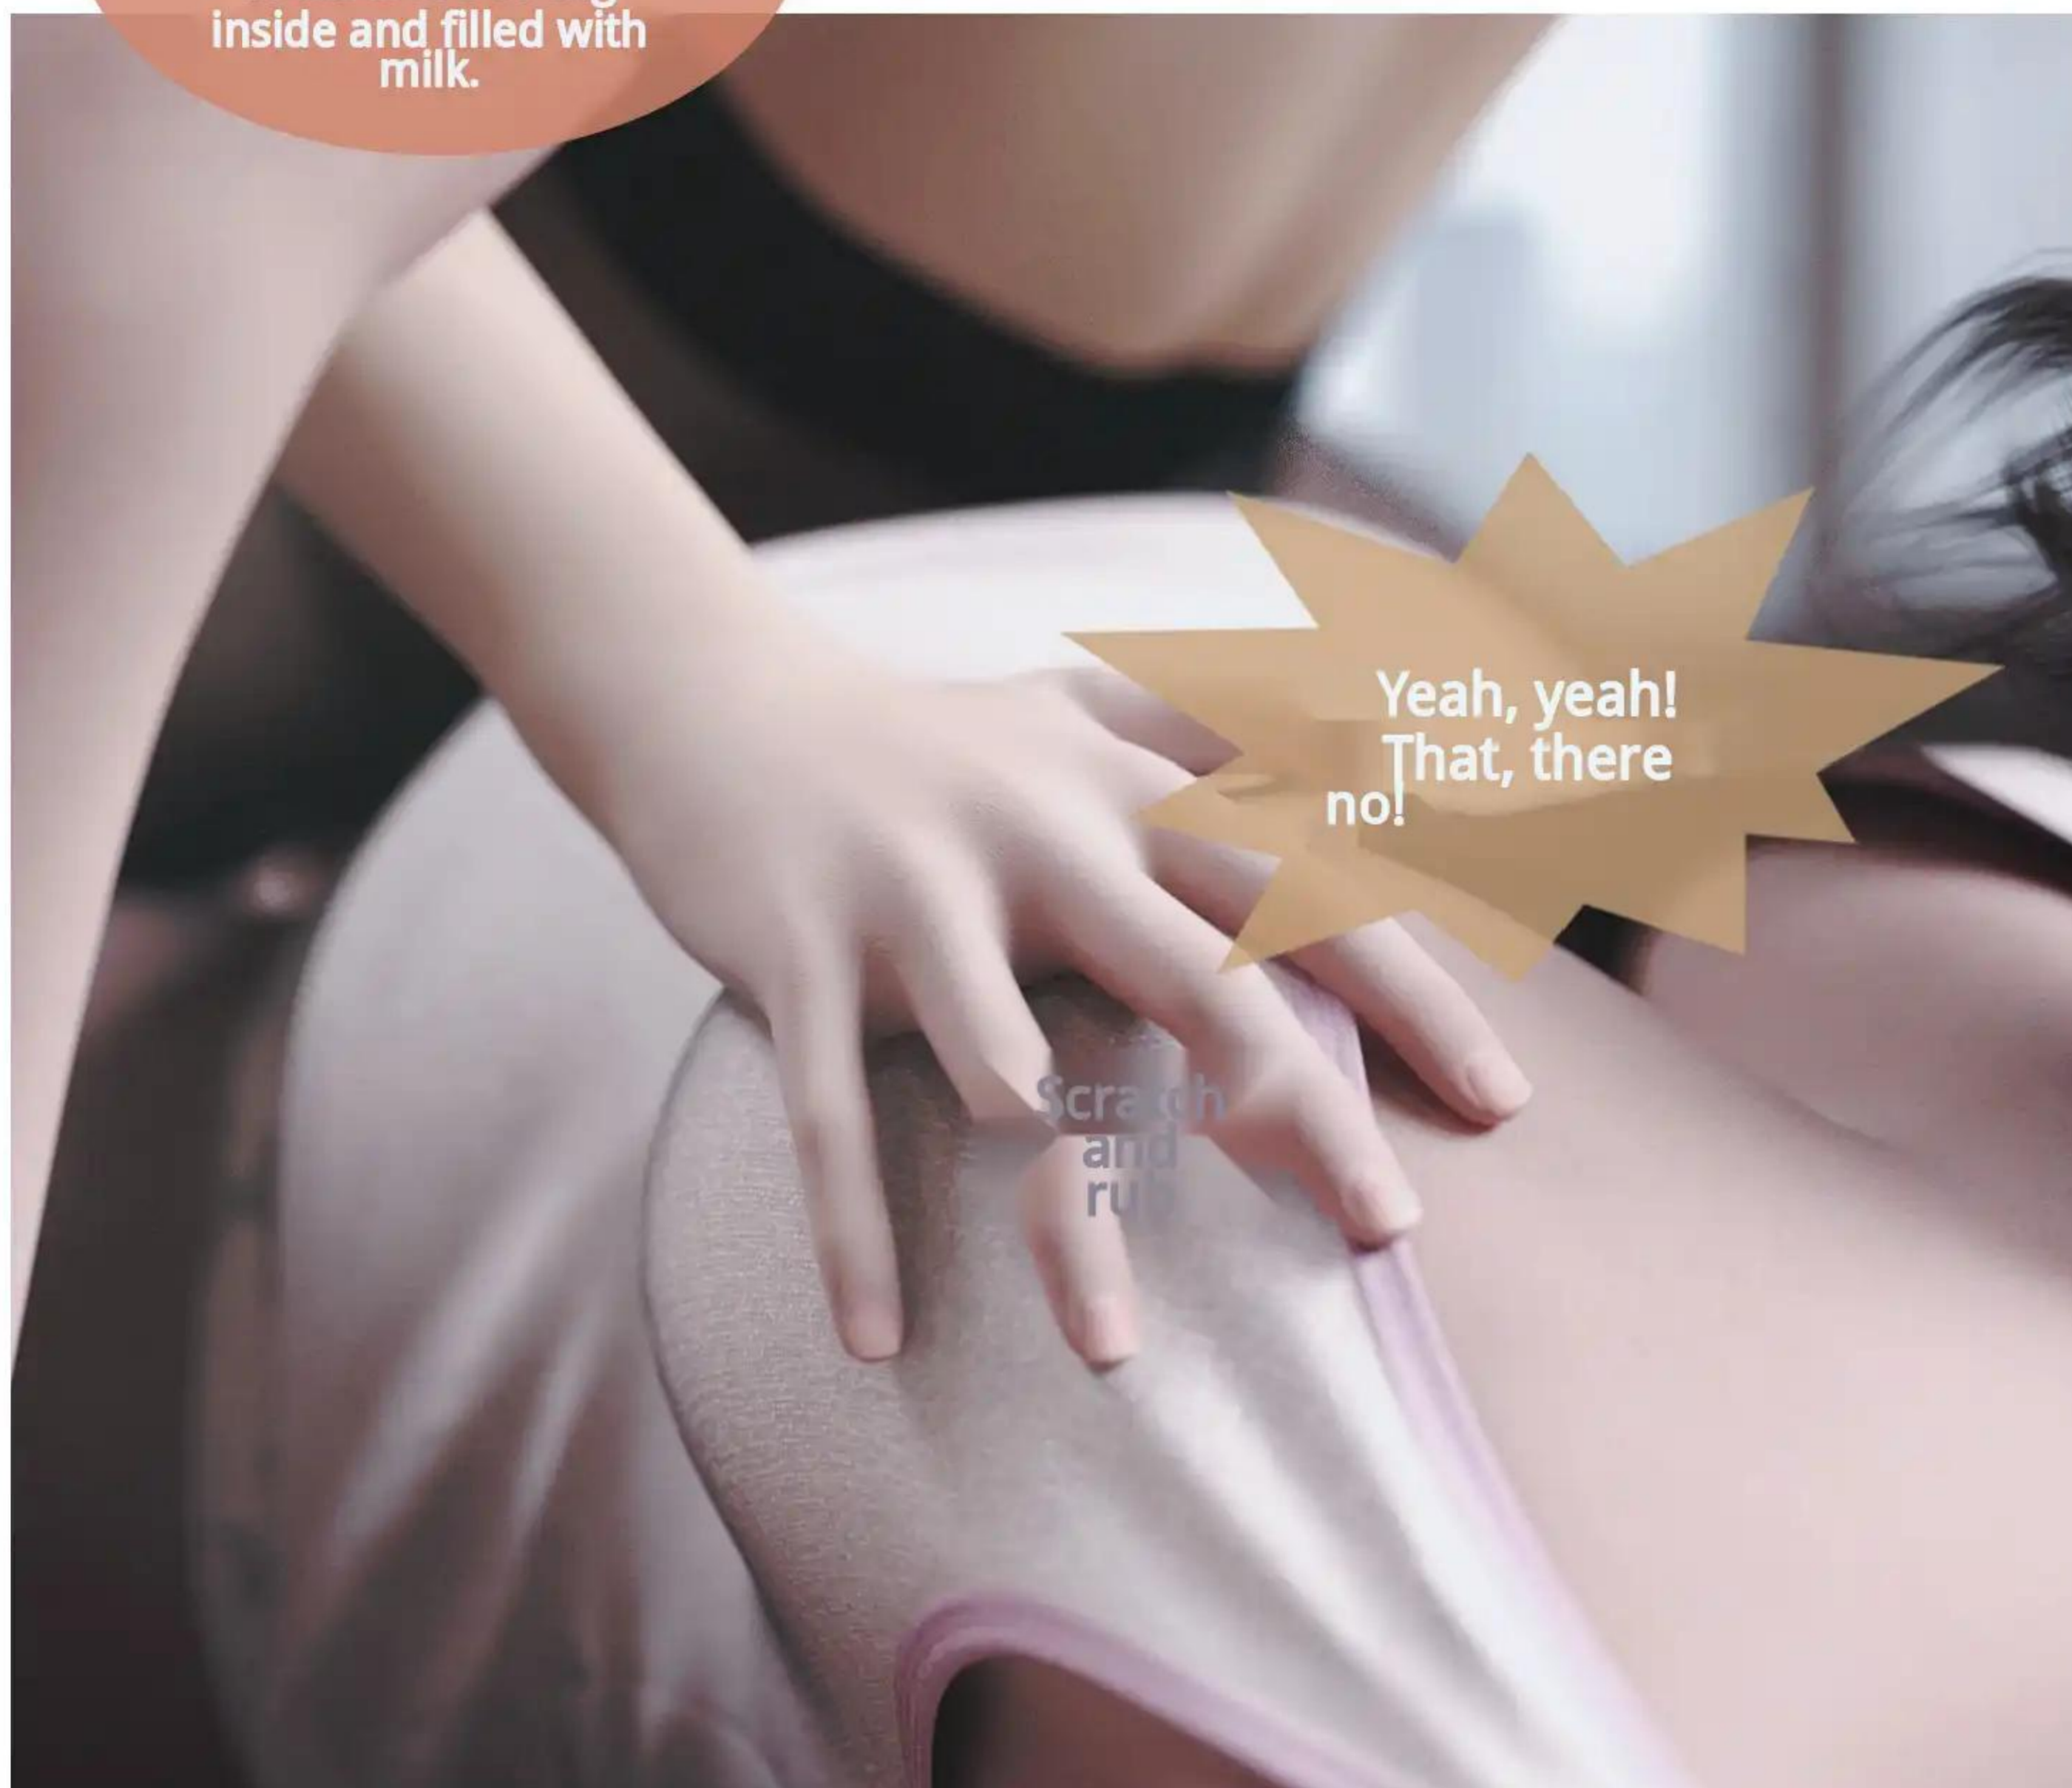

this? Just like that Yu
is a prostitute? Am I
going to become a
man who can't
control the fact that
the boys in the lower
half of society are all
in trouble?

**! I want to be fucked
by something thick
and long, um, um, ah!
It feels so comfortable
to wear my cock!**

**bang bang
bang !**

**Oh, stop, stop!
I... I will...
ahhh! So cool!**

It's much bigger than others, wow! It's so soft and feels like my sister's breasts are so big inside and filled with milk.

Yeah, yeah!
That, there
no!

Scratch
and
rub

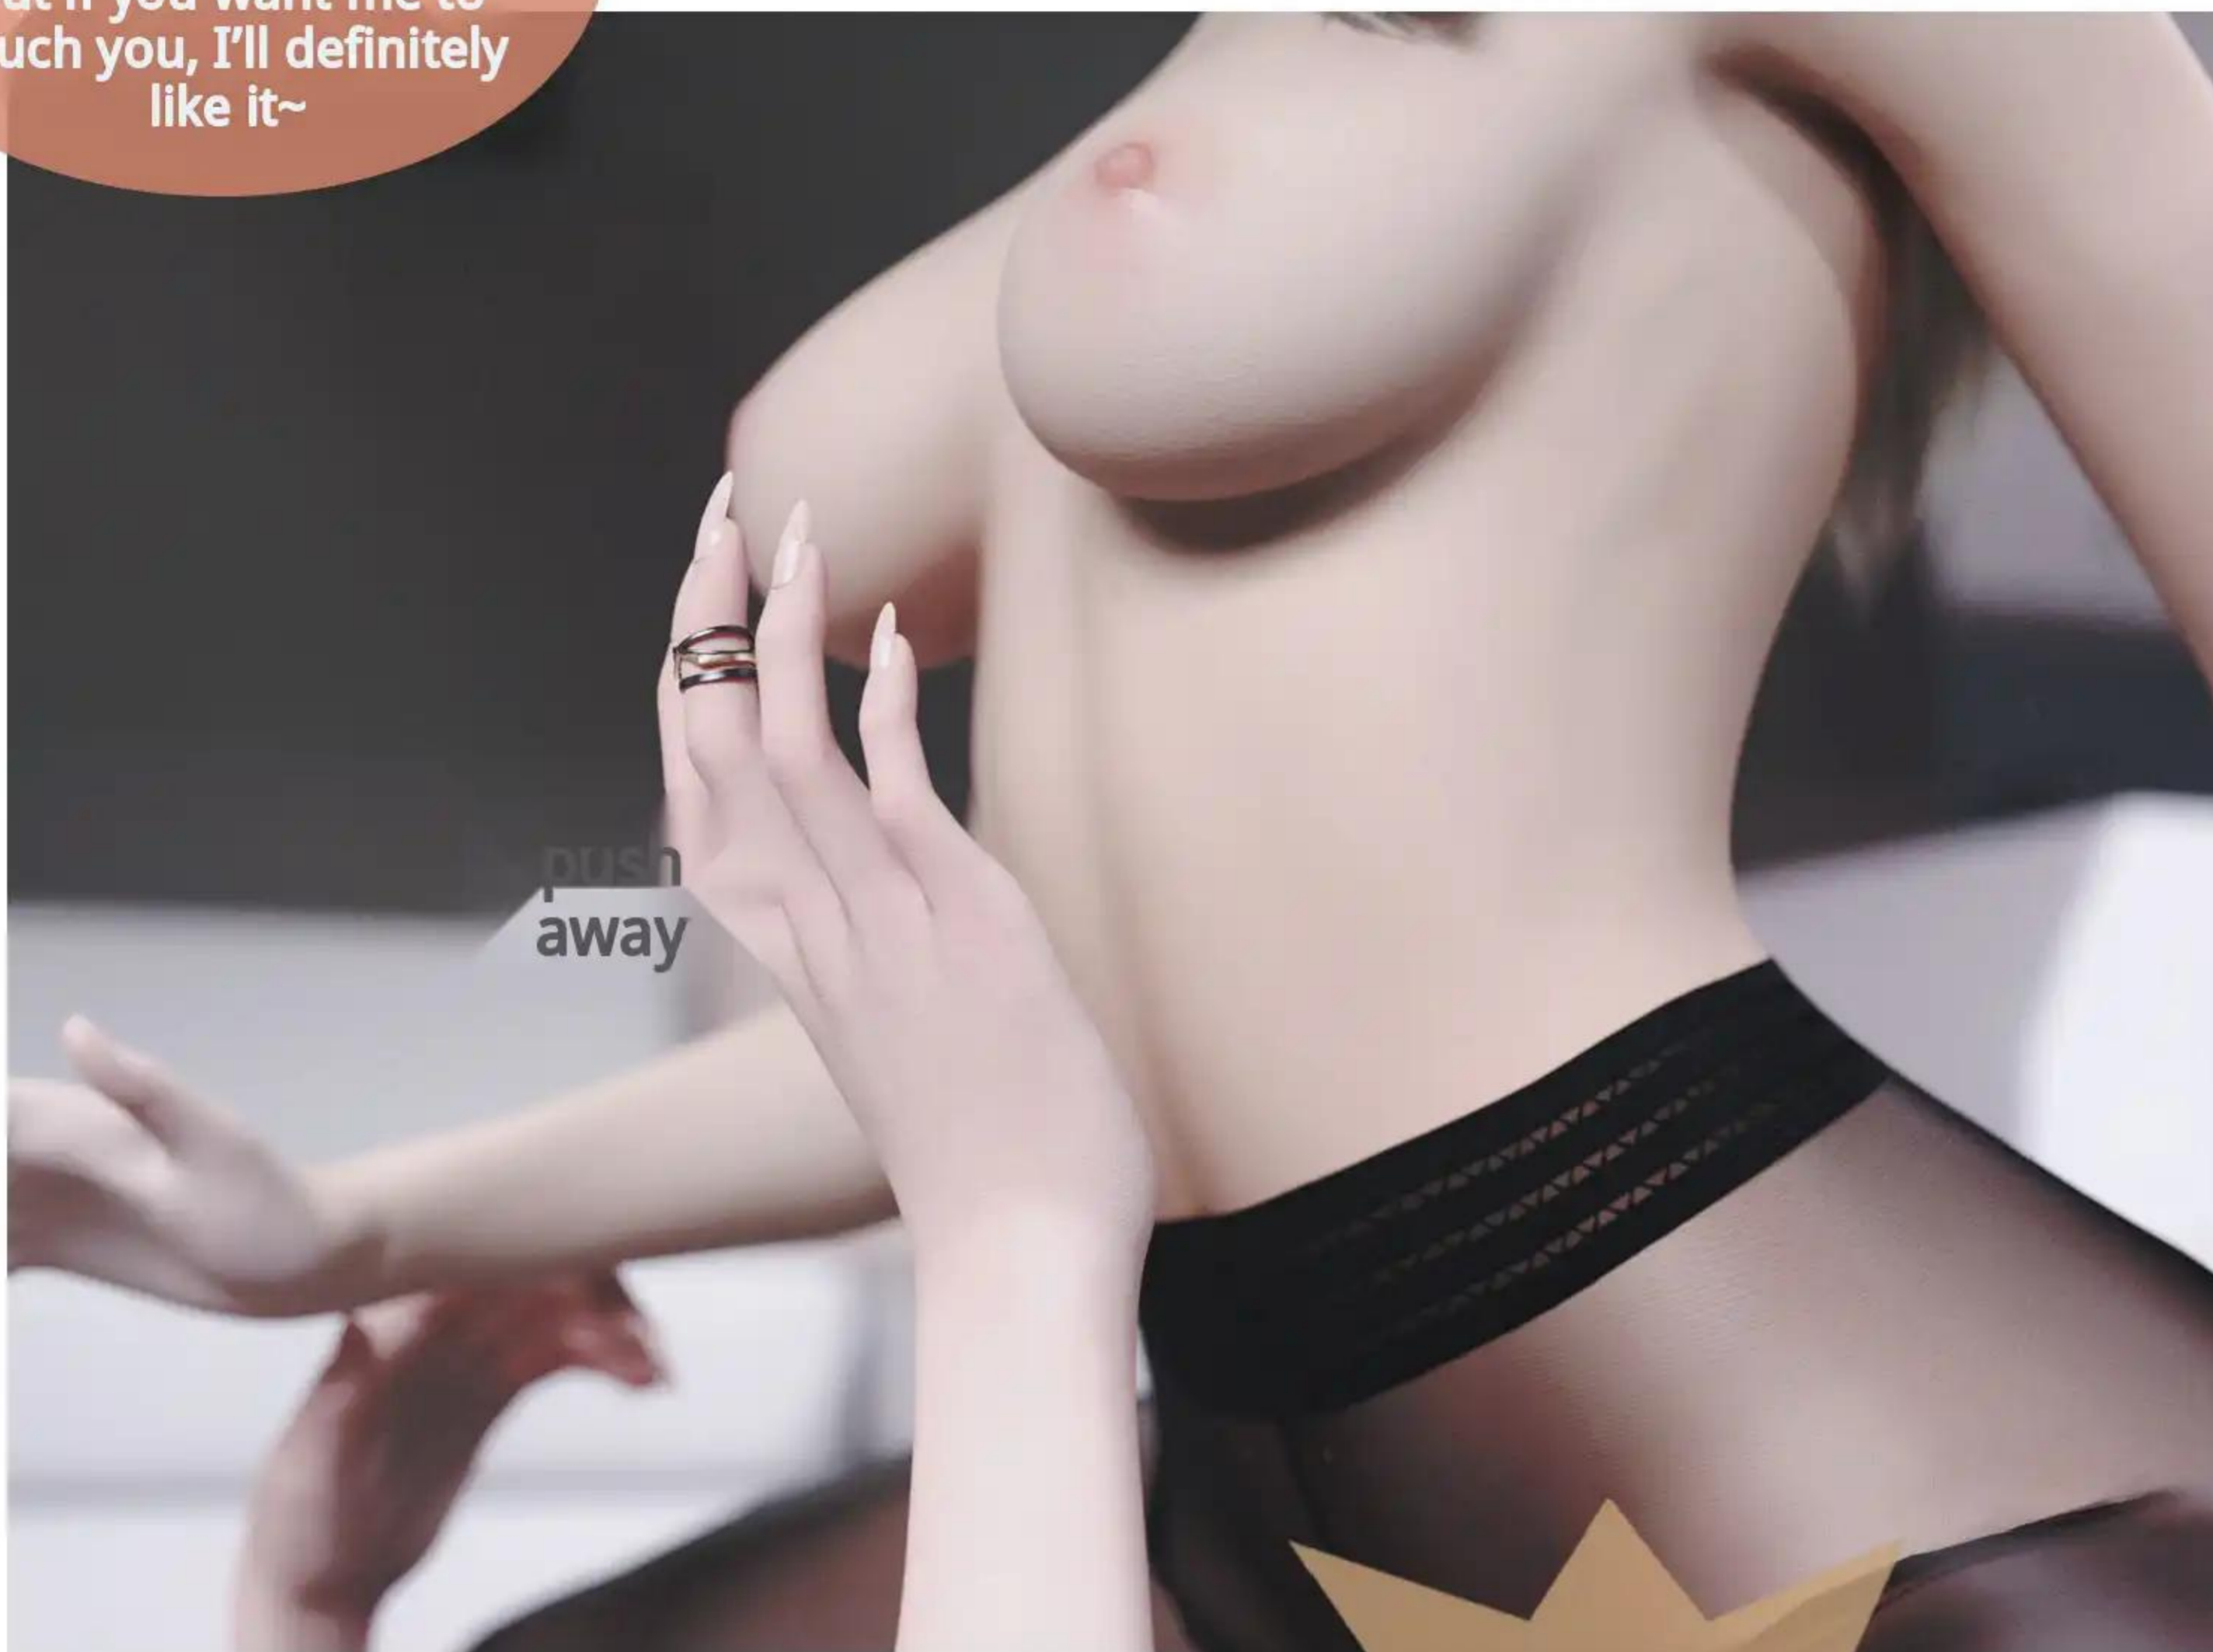

Most people are more sensitive. Is it comfortable to rub my sister like this? Or are pregnant women's breasts really stronger than before?

Too much! Her hands are so flexible! It feels like the milk is being squeezed out, so, so great..."

How can such a bad girl have so many sexual skills? No, I look so petite and useless. I need to regain my senses quickly!

The certificate is pure natural, feel your breasts? It's not big, but if you want me to touch you, I'll definitely like it~

push
away

I...don't
come here!

Oh, sister, what happened to you suddenly? It hurts so much.

Fall
down

? You can tell me directly what I did wrong, but I like to be rough, but it's not good to do it directly, right?

Hug, sorry, it's not your question! That...that's me...that's the point, you're very nice and cute, it's just that I'm not used to it.

I'm pregnant, so my mood is not stable. Anyway, I'm sorry that you bumped into me. Listen... is it because I'm not pregnant? Injured?

, I want you to have fun with us and feed me! What's your tone of voice? I have tolerated you for a long time and have been in Naxing.

, now everyone is having a good time and you push them away again. You are so nervous that you are not interested in seeing a pretty girl. It depends on the occasion, right?

You want to push me away. It seems right. You are really not moving today. You were not feeling well in the park just now...

I thought you just wanted to be strong, right? Your reaction of resisting is also very strong, but you have been playing for too long and it doesn't look like you are pretending. It's so strange!

You're not that kind of guy, are you? The atmosphere we get along with is completely different, my dear! Who are you? What's the purpose!

You, you are here. ah! it hurts!

Talk less! When I take off my hood, I'm wearing a piece of skin and want to be pulled off to see how you can still pretend to be, do you think we are fools?

Ah, it hurts!
Let go!

If you pull it off any more, the hood will fall off! Take your hands away, I want to take it off myself. Calm down! It hurts so much!

Can't you say something nice? I'm wearing the skin of a pregnant woman, and my body is so heavy that I can't escape. I really don't know what you are doing with me.

Aimed at me, right? It will be too much later! Isn't that why you are so suspicious and you should apologize to me?

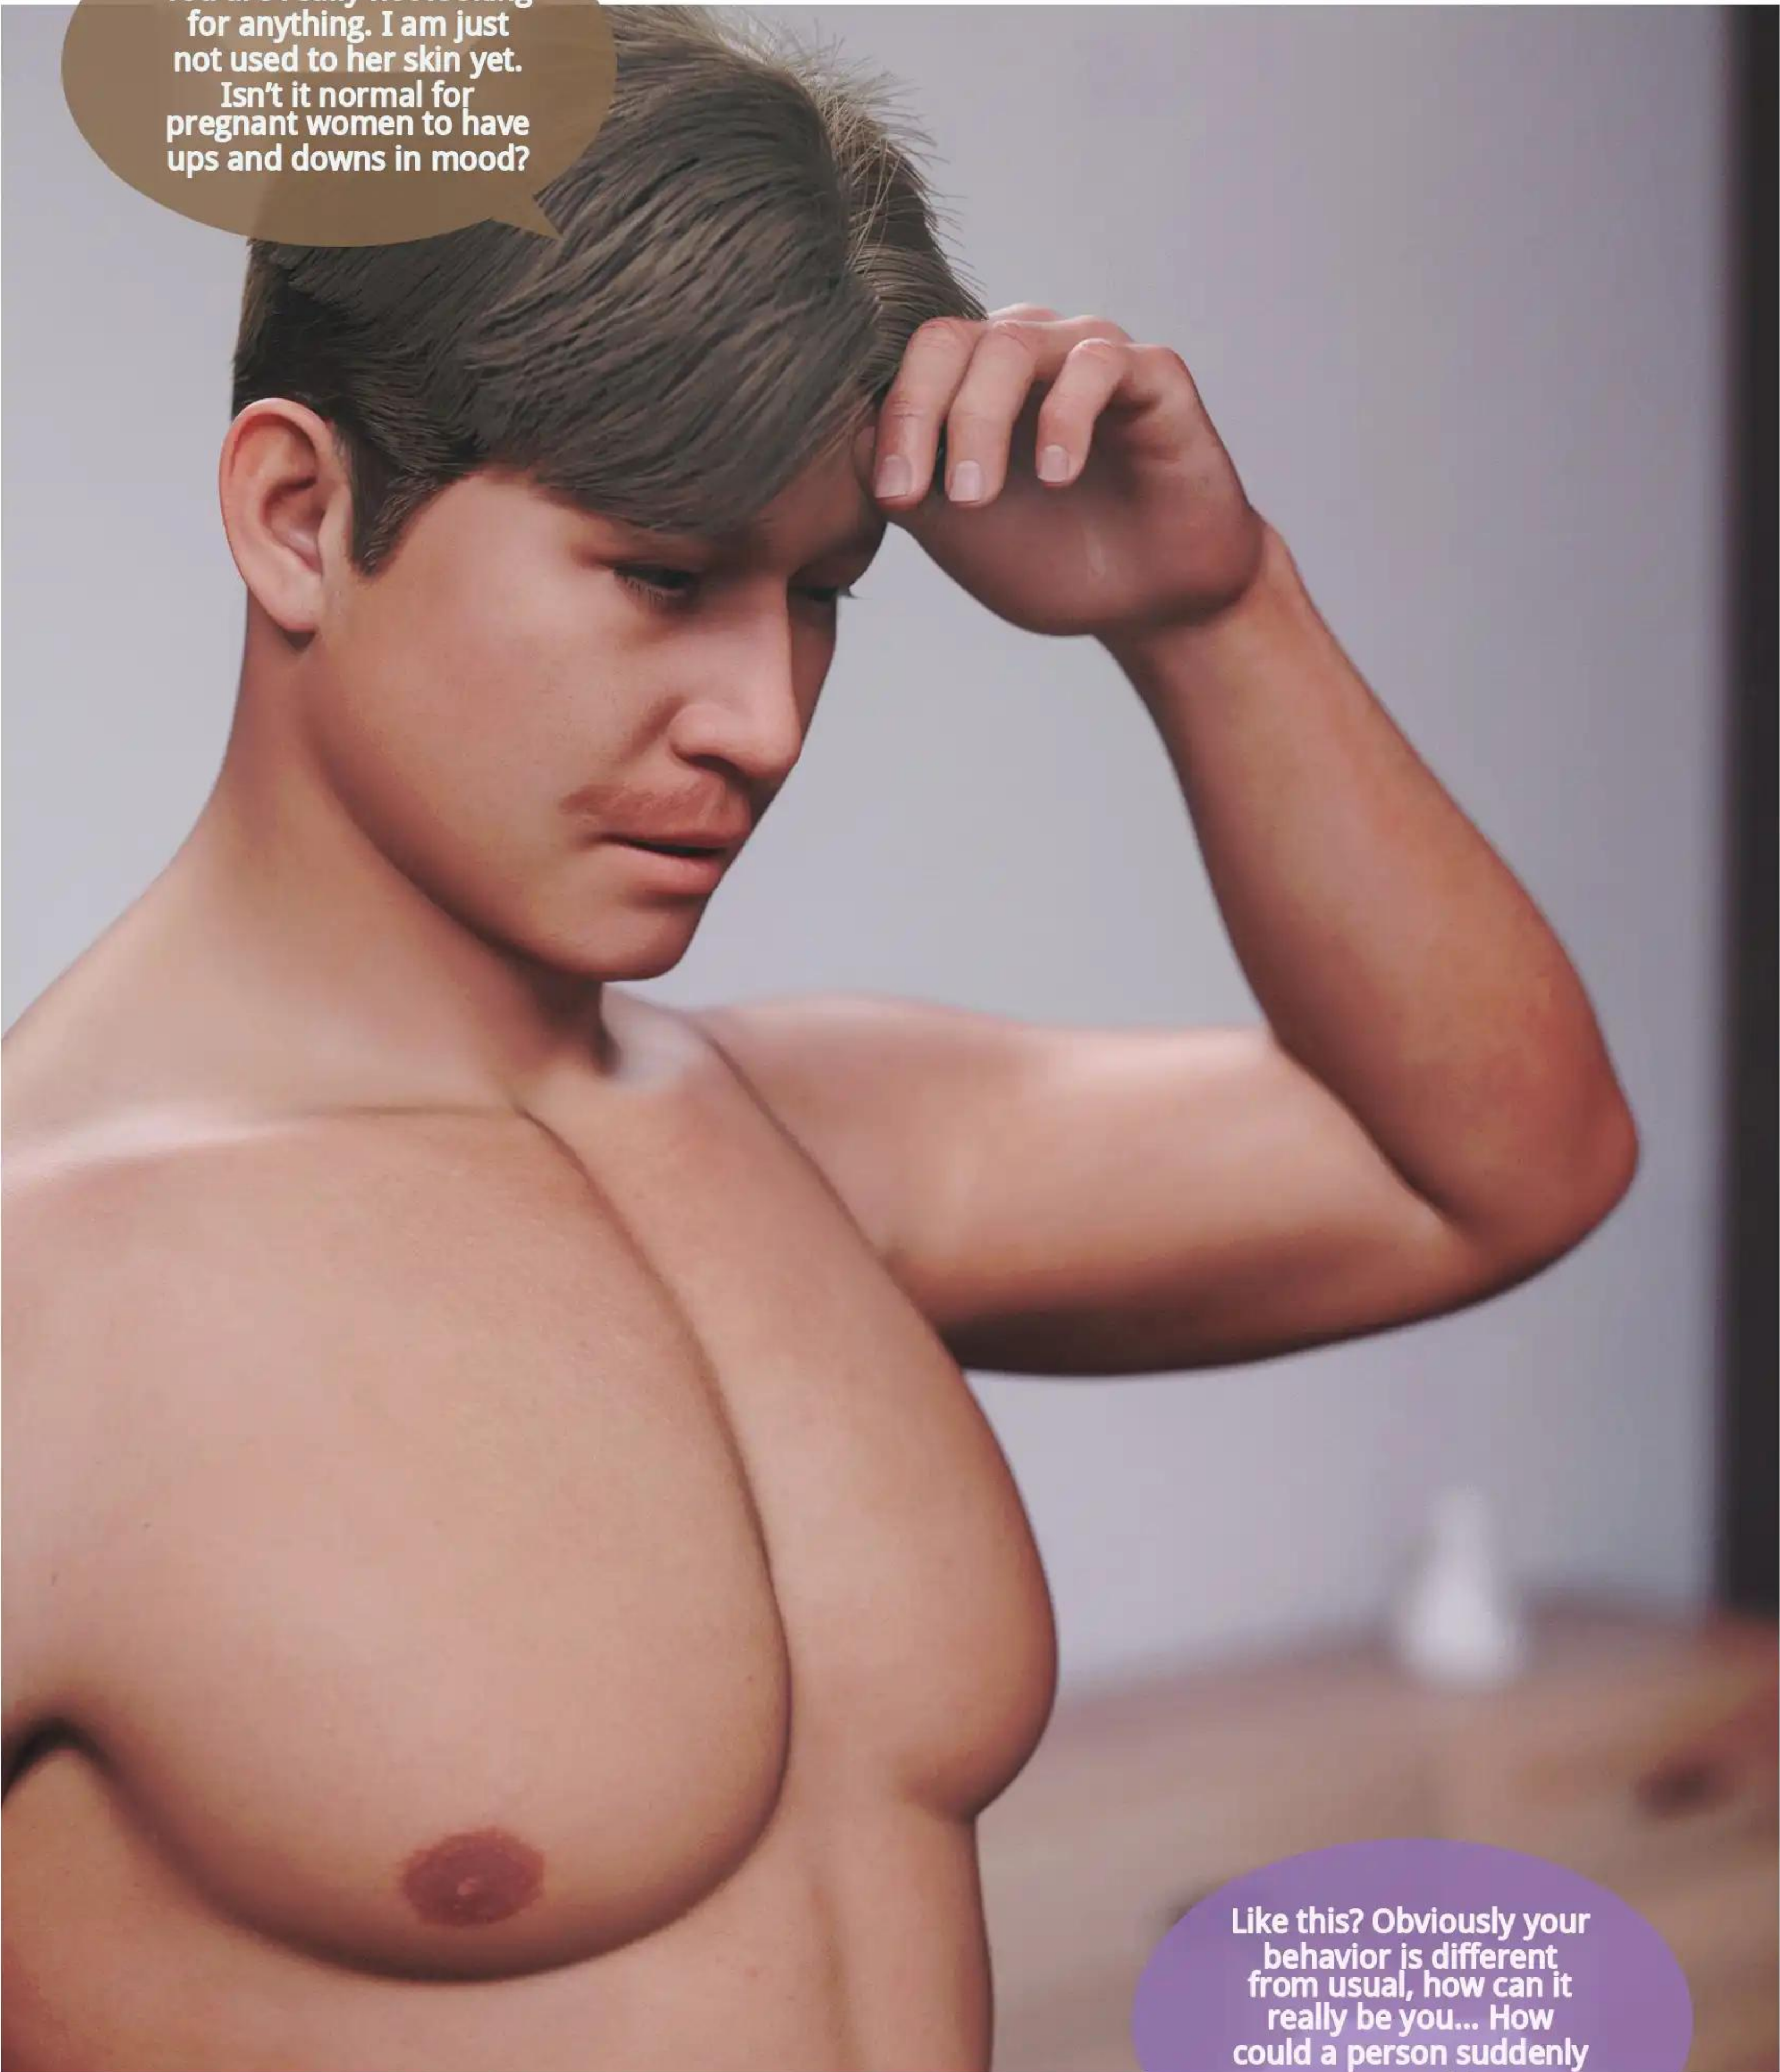

Can someone help me and make me feel relieved now? Can't see clearly! Am I right? Exactly the same, right?

take off

There is no doubt that I, like Han Zhang, will spend a lot of time and money, but I still talk about Dali Pain? Not only are you so pregnant that I almost thought I was going to die!

Or do you have to
take it all off before
you believe it?

You are really not looking for anything. I am just not used to her skin yet. Isn't it normal for pregnant women to have ups and downs in mood?

Like this? Obviously your behavior is different from usual, how can it really be you... How could a person suddenly change his temperament?

It's because of the
shadow puppets of
pregnant women
that I find you weird.
Sorry, you...

Yeah!
This is...

You, you took off
your human skin

, Is it a prop? But
what happened?
It's lifelike...and
why does your
voice...'

There are many unlovable people in this world. Don't be afraid, shush~ keep your voice down and yell about things that are hidden behind your face.

You don't need to meddle in your affairs, we just left obediently, pretending that we are planning to hurt you, and just take it later and it doesn't happen.

Like this! I really miss Han! How can you make things happen too much? Am I too suspicious? It shouldn't be...

, but it turned out that all my hard work was in vain. I felt that you were abnormal while you were still in the park, so I brought you here to make me feel so happy!

Or an undercover agent in disguise, I just thought you were a bullet ready to deal with you, alas...I feel so tired.

Many, I am not in the mood today. It seems that we really want to continue playing too much. It is a pity for this little beauty.

I can't make up for it, but I'm also very innocent. I was inexplicably picked on. Are you too tired recently? The brain is suspicious, it kills me!

□ But you are indeed very abnormal, and your actions are weird, you are really being fucked!□□□□□□□□□□□□□□□□

Maybe it's because I like having children so much that I didn't even notice that my mother was pregnant. Hey, even this woman's wife was a little too involved in it for me.

I want to become a great reporter, but I, as a highly educated top student, failed in this role. I will end up in a place like this in the future!

Got it!
Open your
mouth first!

, your tone and actions are so stupid, Isn't it all your fault that you are so different from your usual routine, are you still in the mood to joke? OK! The thought of it makes me angry!

leave

Leave him alone
and deal with
the little girl first.

Still in a daze? Put it away. Once you put on your clothes, you can go out. Thank you for your hard work today, little sister.

We'll give you more, and if you don't want to end up in a mental hospital, don't tell anyone about what happened here.

I, I haven't
seen anyone,
and I won't
reconcile...I
know anyone!

I thought their cocks
were just condensing! Is
there really such a thing
as turning a person into
human skin? I'm really
a toy, how could I...·

I...I'm leaving
first, you can't
afford it...No,
thank you...·

Alas...

That cute
little one is so
cute!

But even if she goes out,
unless someone
believes it, and she
seems to have seen it
with her own eyes,
everyone will not be
stupid.

Human beings are like this.
Even if they witness the
facts, they will never
believe what they don't
believe. No matter how
many proofs are presented
to them, it is useless.

I only have real feelings
after experiencing it for
a while, but I
understand what you
mean, and we still have
to pay attention.

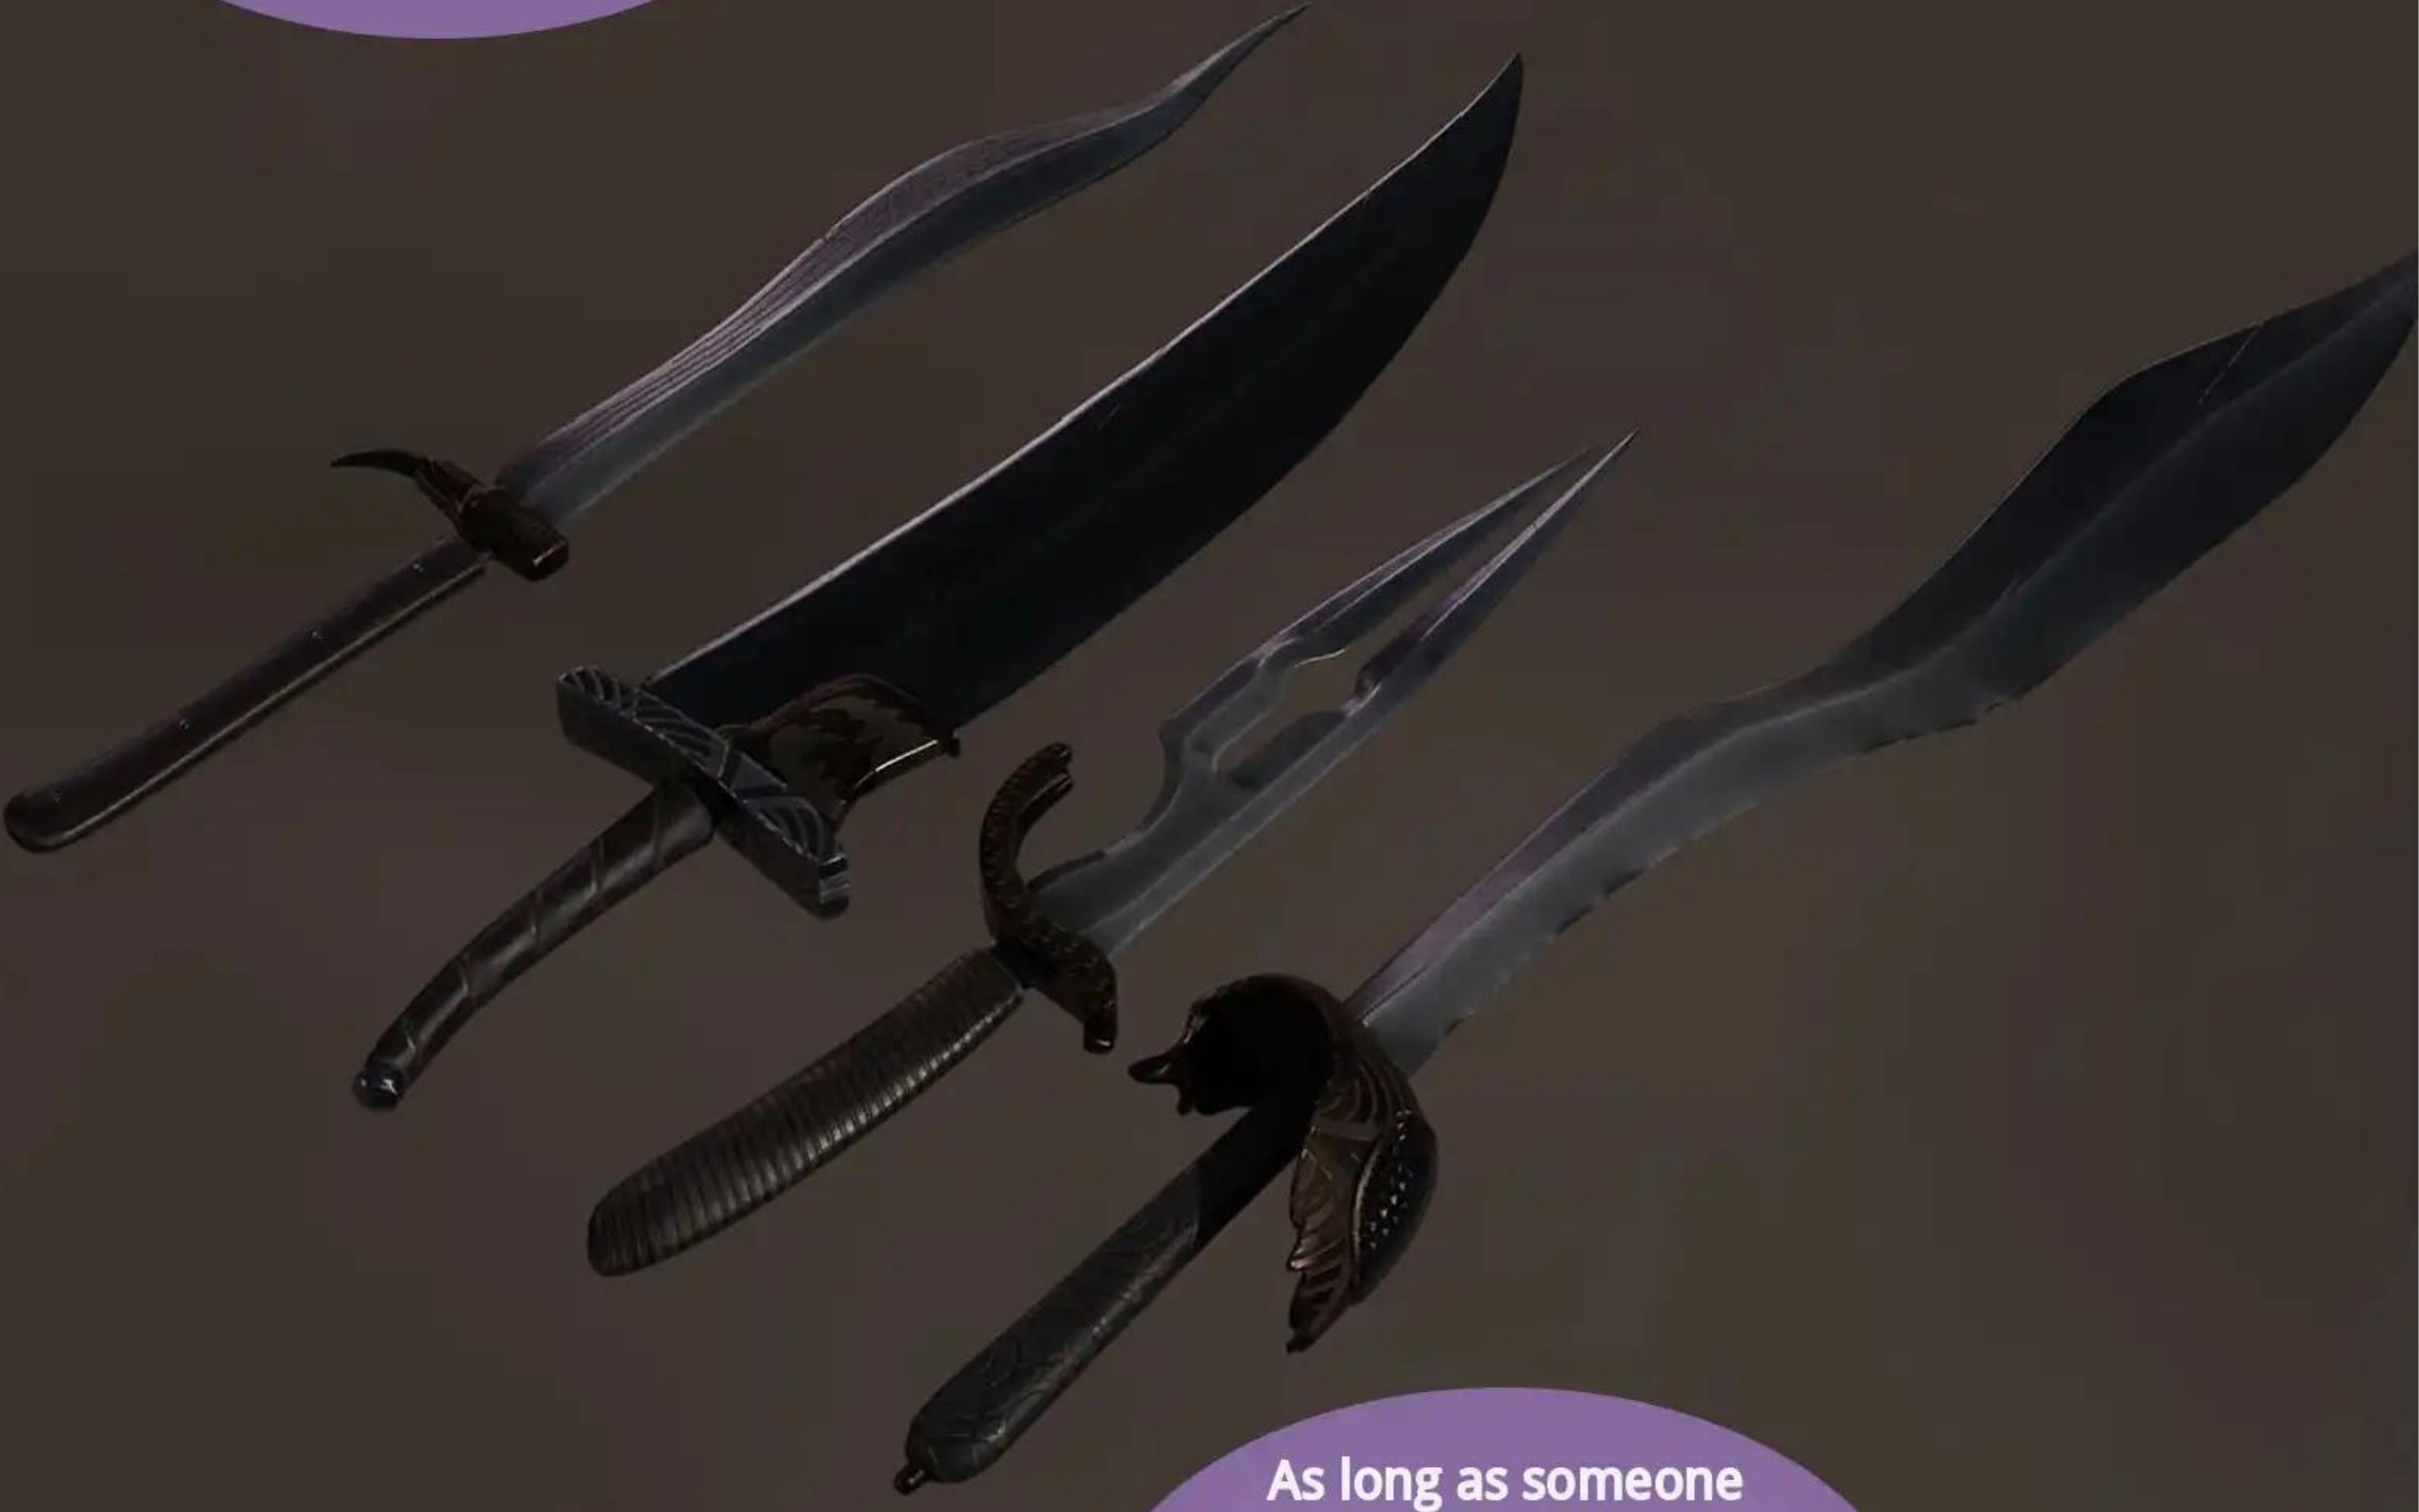

! The most important
thing is the boss...
everything will be in vain,
otherwise the couple we
have now don't want to
go back to the previous
life.

A man with a slight smile, shirtless, holding a sword. The background is dark and textured. A purple speech bubble is positioned above his head.

The boss has to deal with some things, and now he's nowhere to be found. I haven't heard from him for a while.

A man with a slight smile, shirtless, holding a sword. The background is dark and textured. A purple speech bubble is positioned below his chest.

Although everything seems to be calm now, if something happens to the boss, our power may be in danger of being reduced.

My boss's operation this time is related to other organizations. Although the leather blade is magical, there are actually many, scattered around the world.

As long as someone arrives, it will easily develop into a street conflict like ours, where forces will compete with each other. If there are interests, there will be sectarian disputes.

If you guessed it right, the boss is going to deal with this kind of thing. The severity can be imagined, so I think we must be more cautious.

It's not that we can't be easily discovered by others when we dress for fun as before, we just need to be more careful about being skinny and pretending to be someone else.

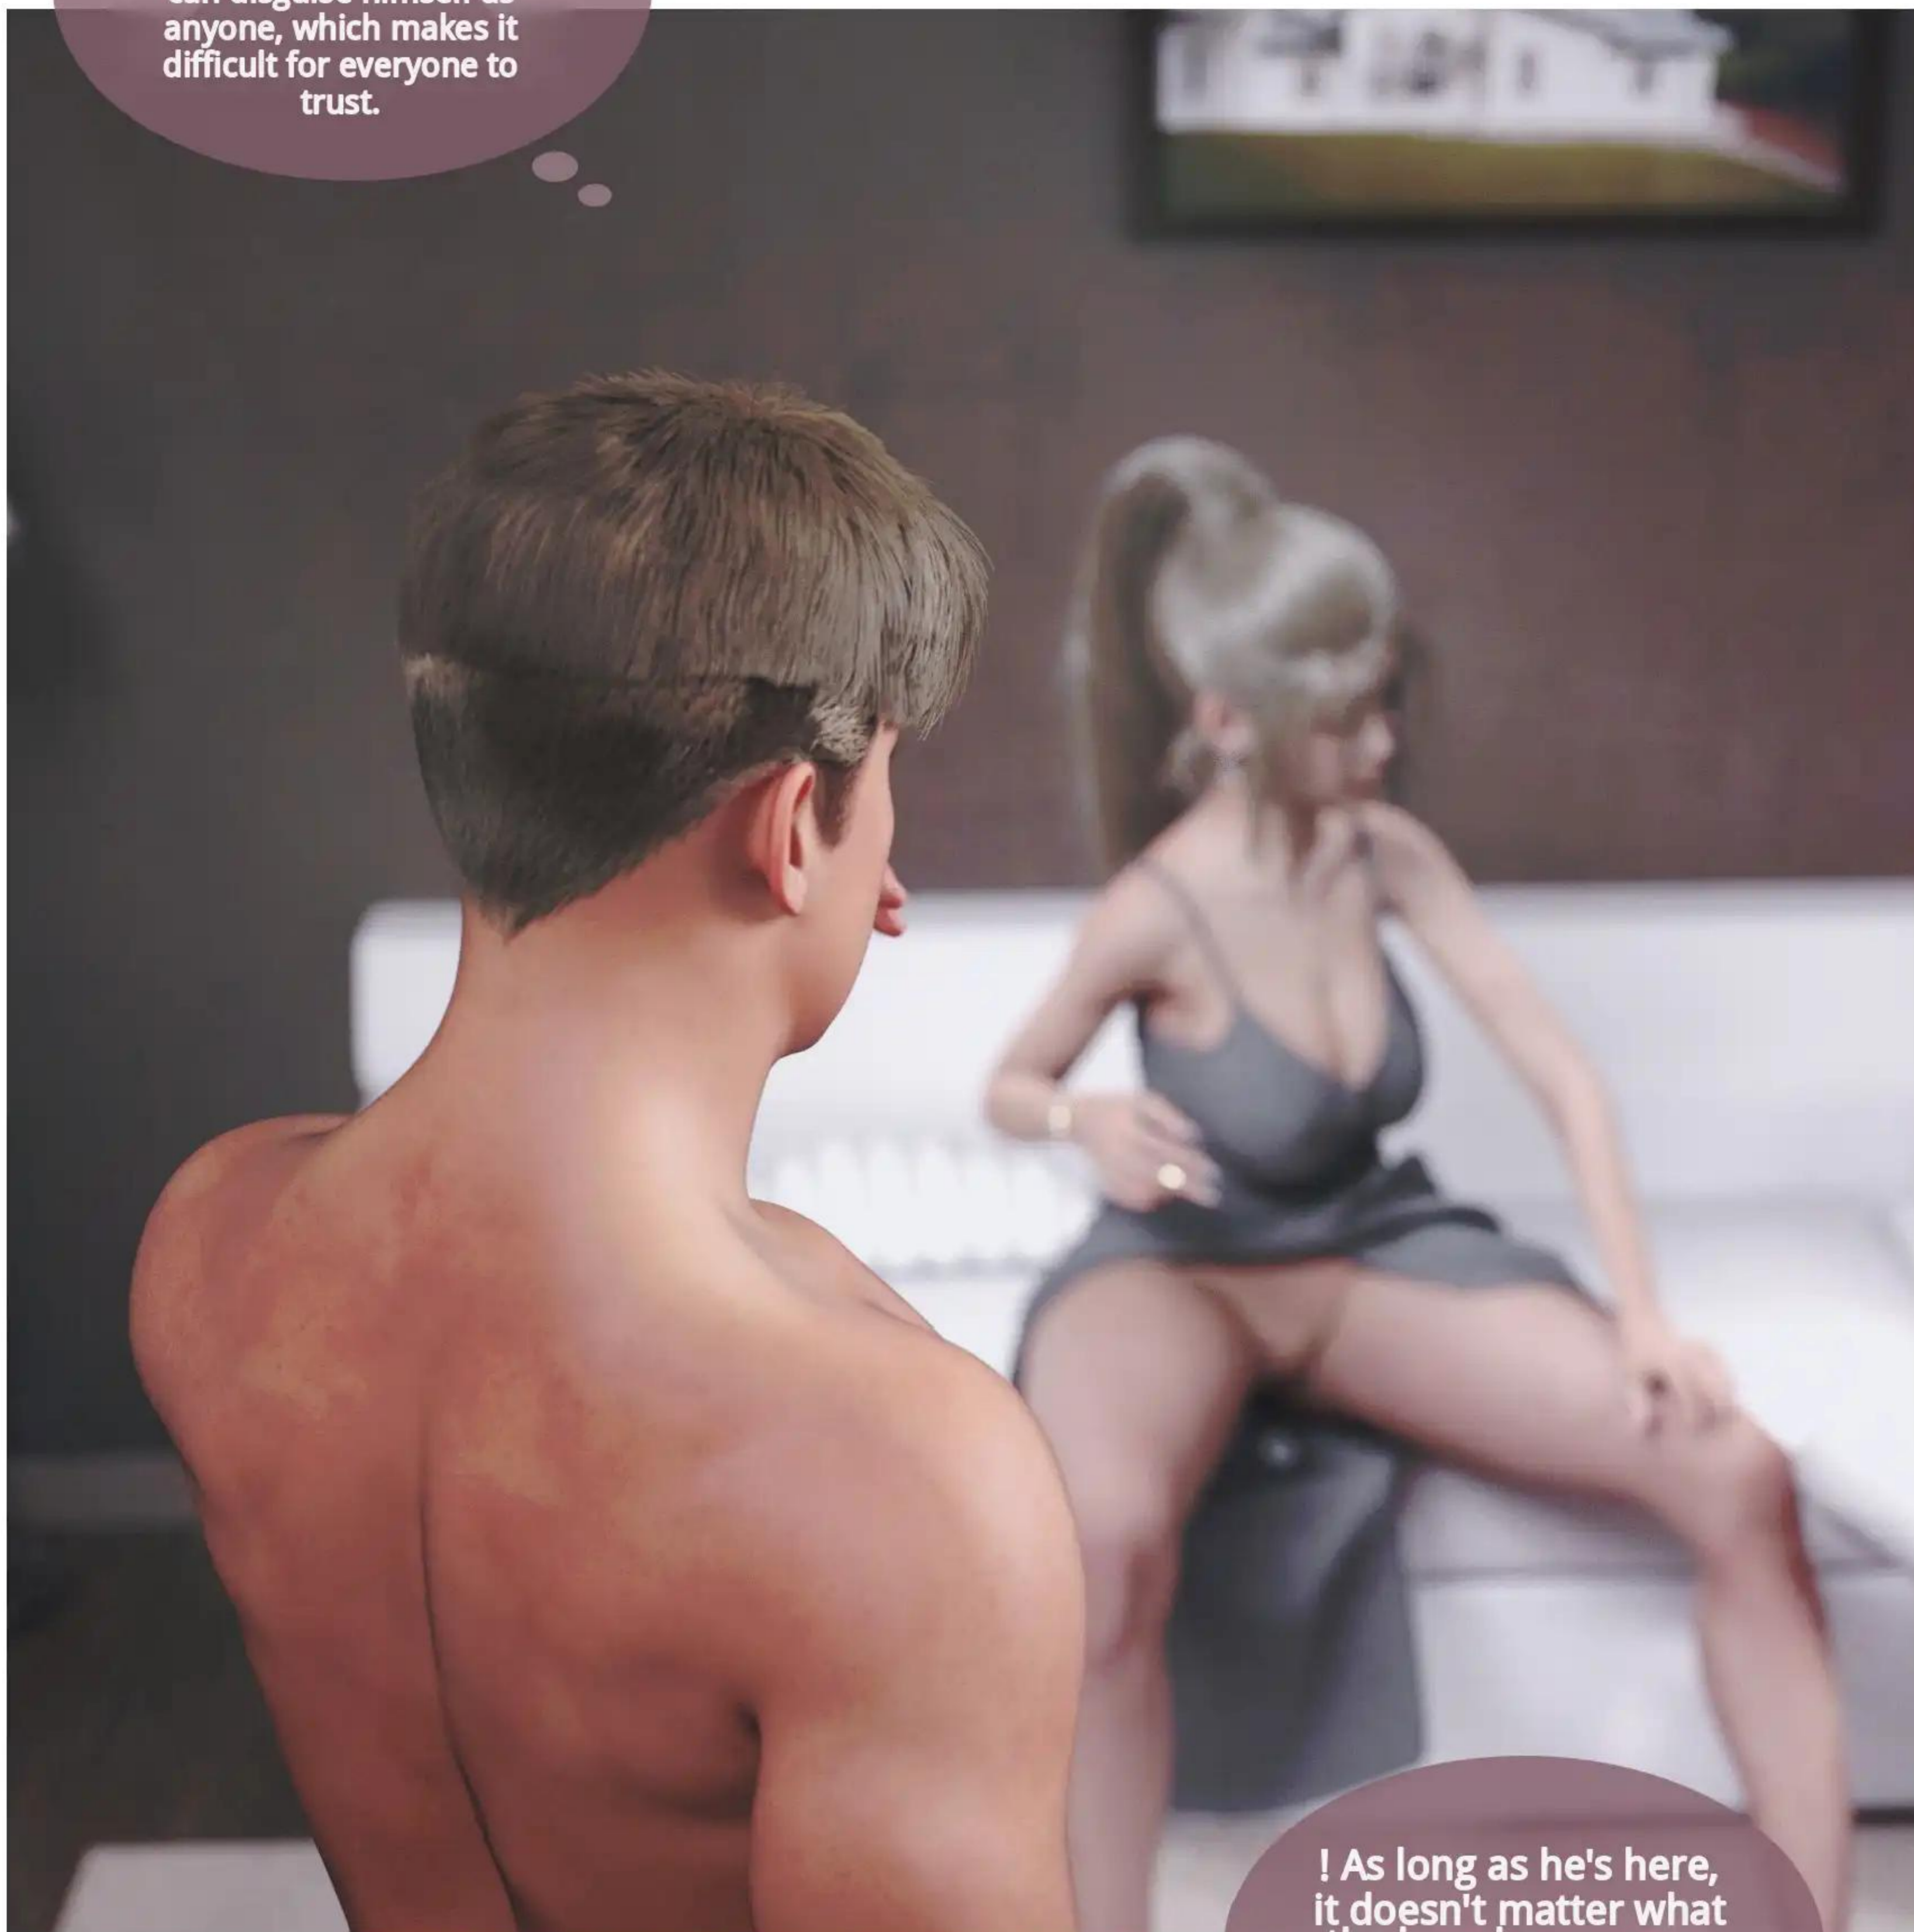

It's a big hindrance, asking him to concentrate on solving his doubts is not a problem at this critical moment. We can't delay Lao Jue Ma.

Is it us? However, Ah Hao and I, what did I get to? Could it be that the forces their boss wants to deal with are not those he joined...:

We can't escape the relationship, and I feel like their boss is very scary... What should I do, but we are already involved, will we be hunted down?

Fortunately, I wasn't exposed just now. It's just that the boss with the leather blade can disguise himself as anyone, which makes it difficult for everyone to trust.

! As long as he's here, it doesn't matter what the boss becomes or wears a layer of skin! And Hao's abilities can't be hidden.

I must be very anxious.
After us, I have to go
out quickly and tell Hao
the news. He has to be
careful about his actions
after waiting for so long.

If it's easy to untie it and it's
not a big deal, I'll go back
first. There's no point in
staying here if I'm not
interested anymore. Let's
make an appointment when
you have time.

I'm left alone at home, so I guess I can't help you, and this pregnant woman's child is crying loudly.

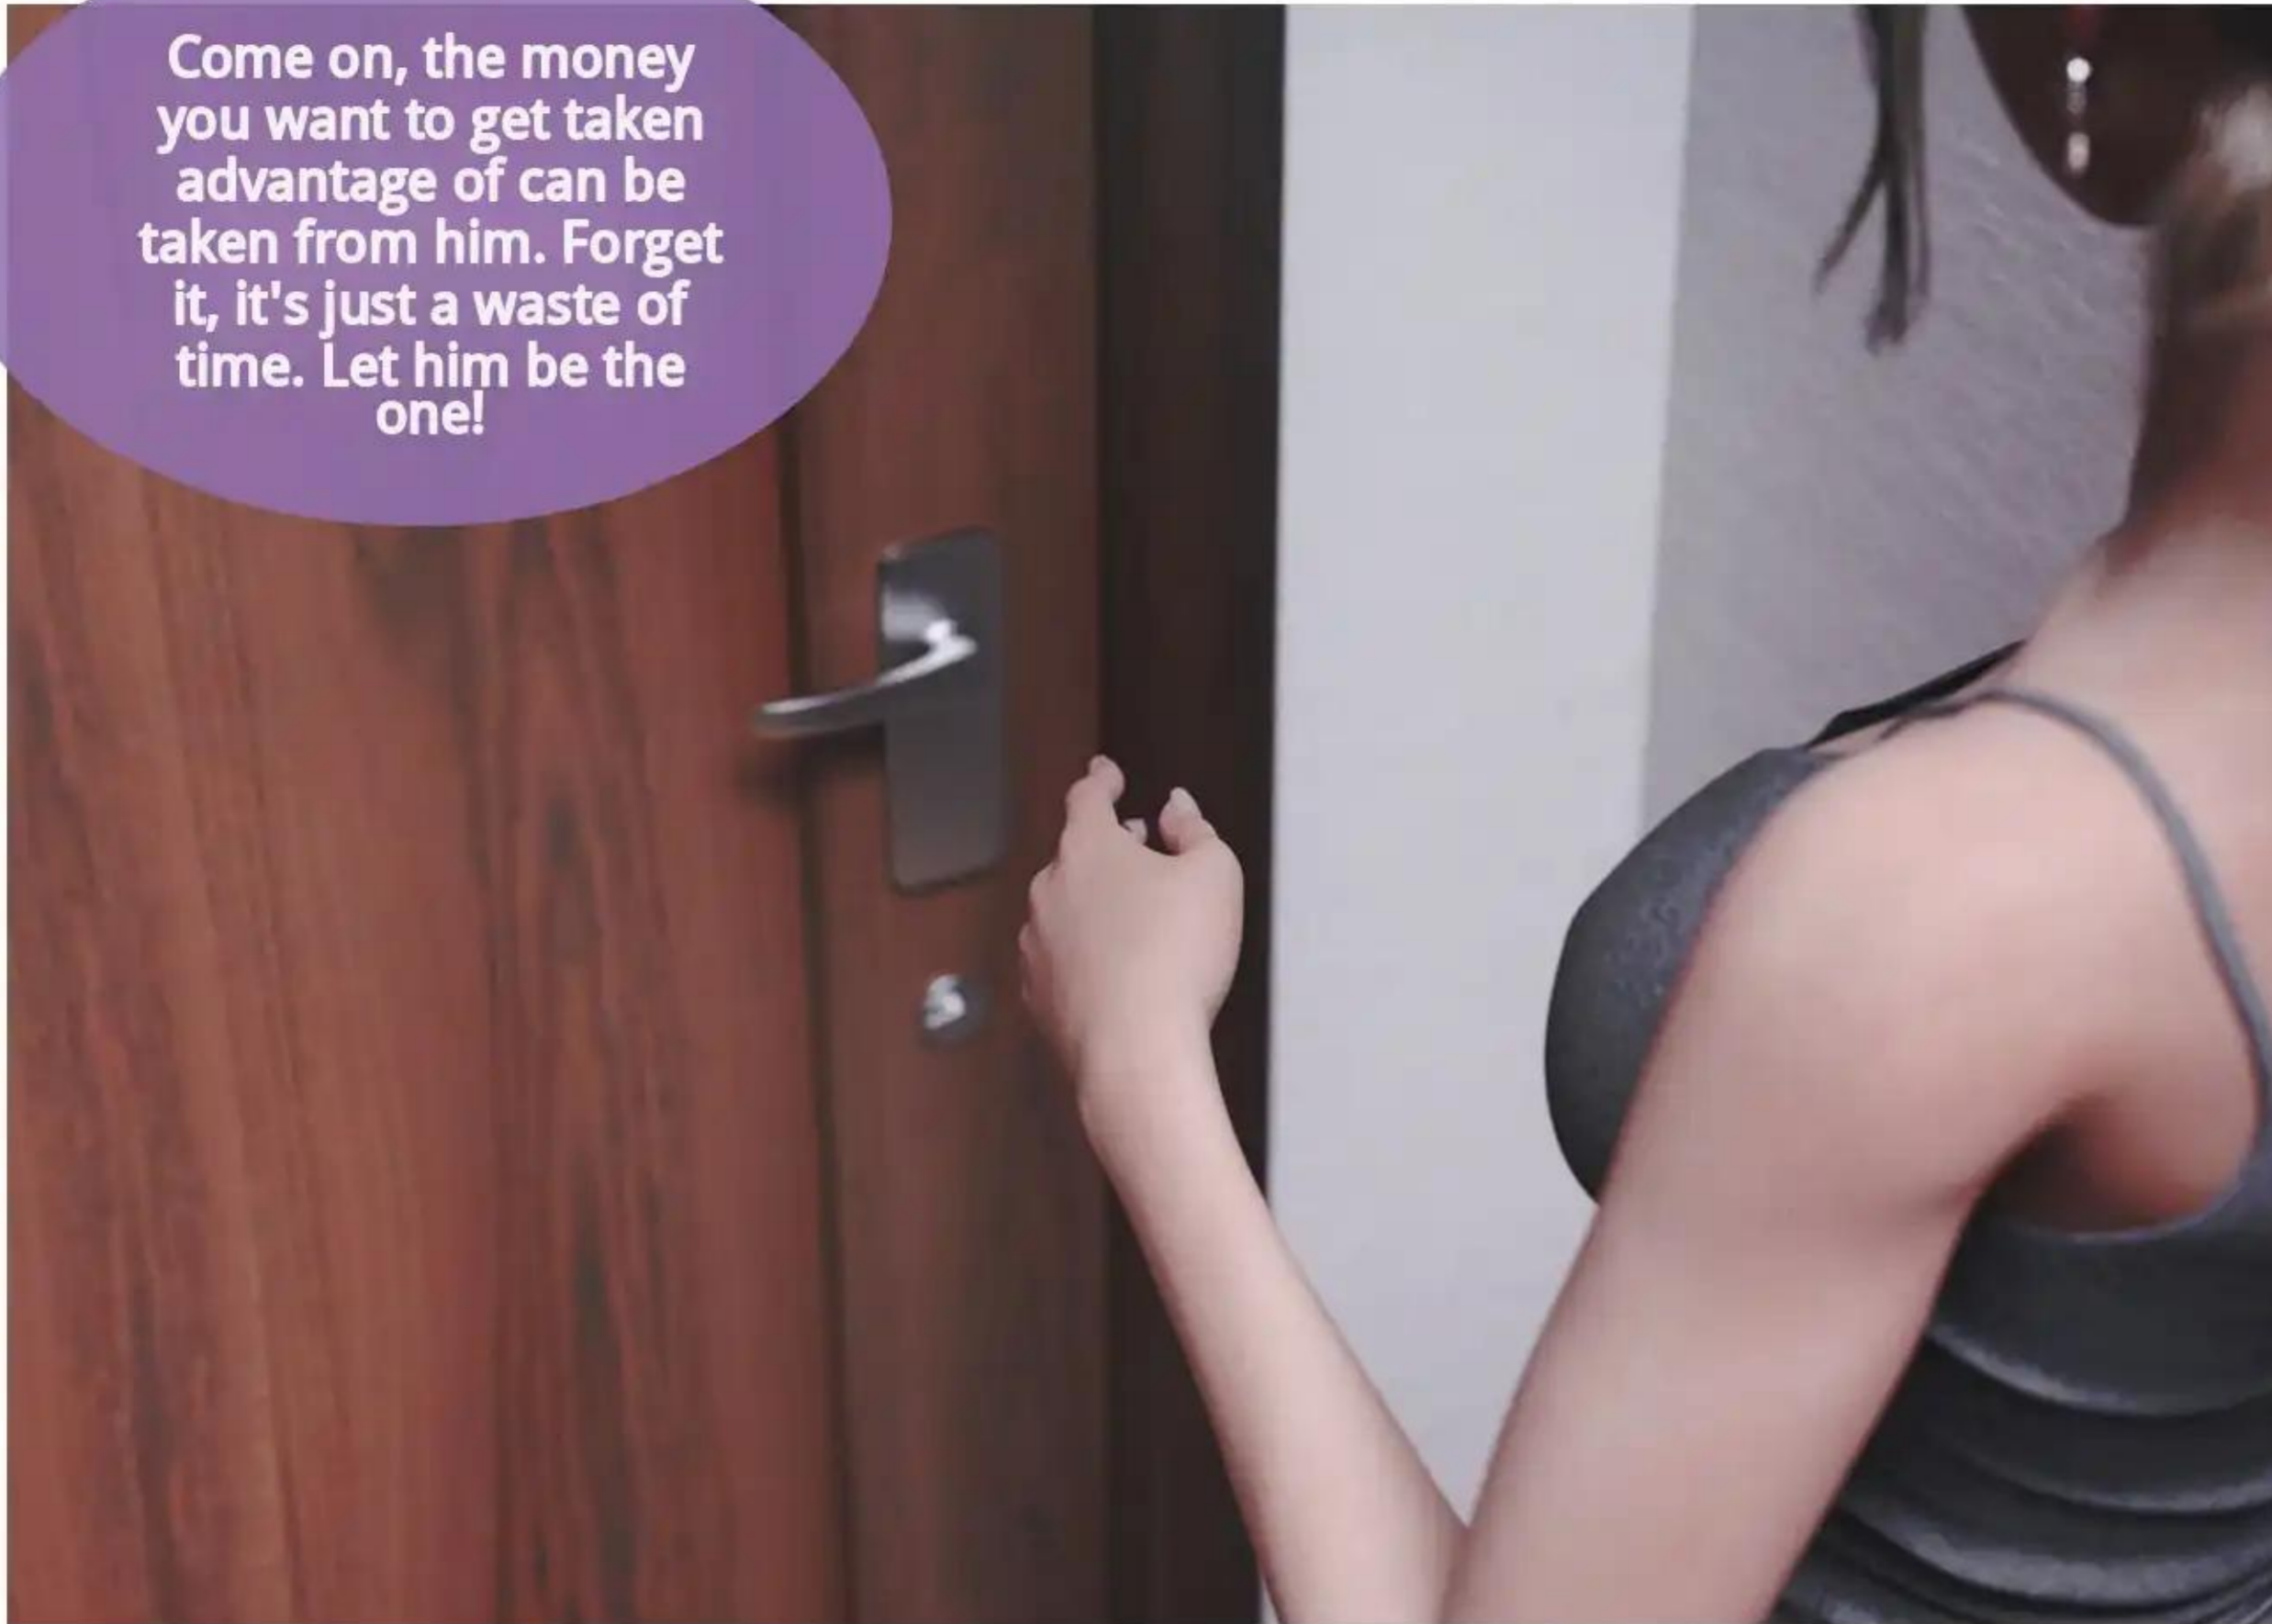

I'll call the police. We'll be in trouble if we have to deal with the police again. If I'm not sure if the noise lasts too long, it's better to go back quickly.

It doesn't matter if you are a mother, at least you won't be targeted by the police! You pretend to be fine and go back early, don't doubt your identity! ah?

bite!

Um...? Why did the engineer who was taken advantage of send the message? Want to trouble me? Hold! I'm sorry, today is already a bad day.

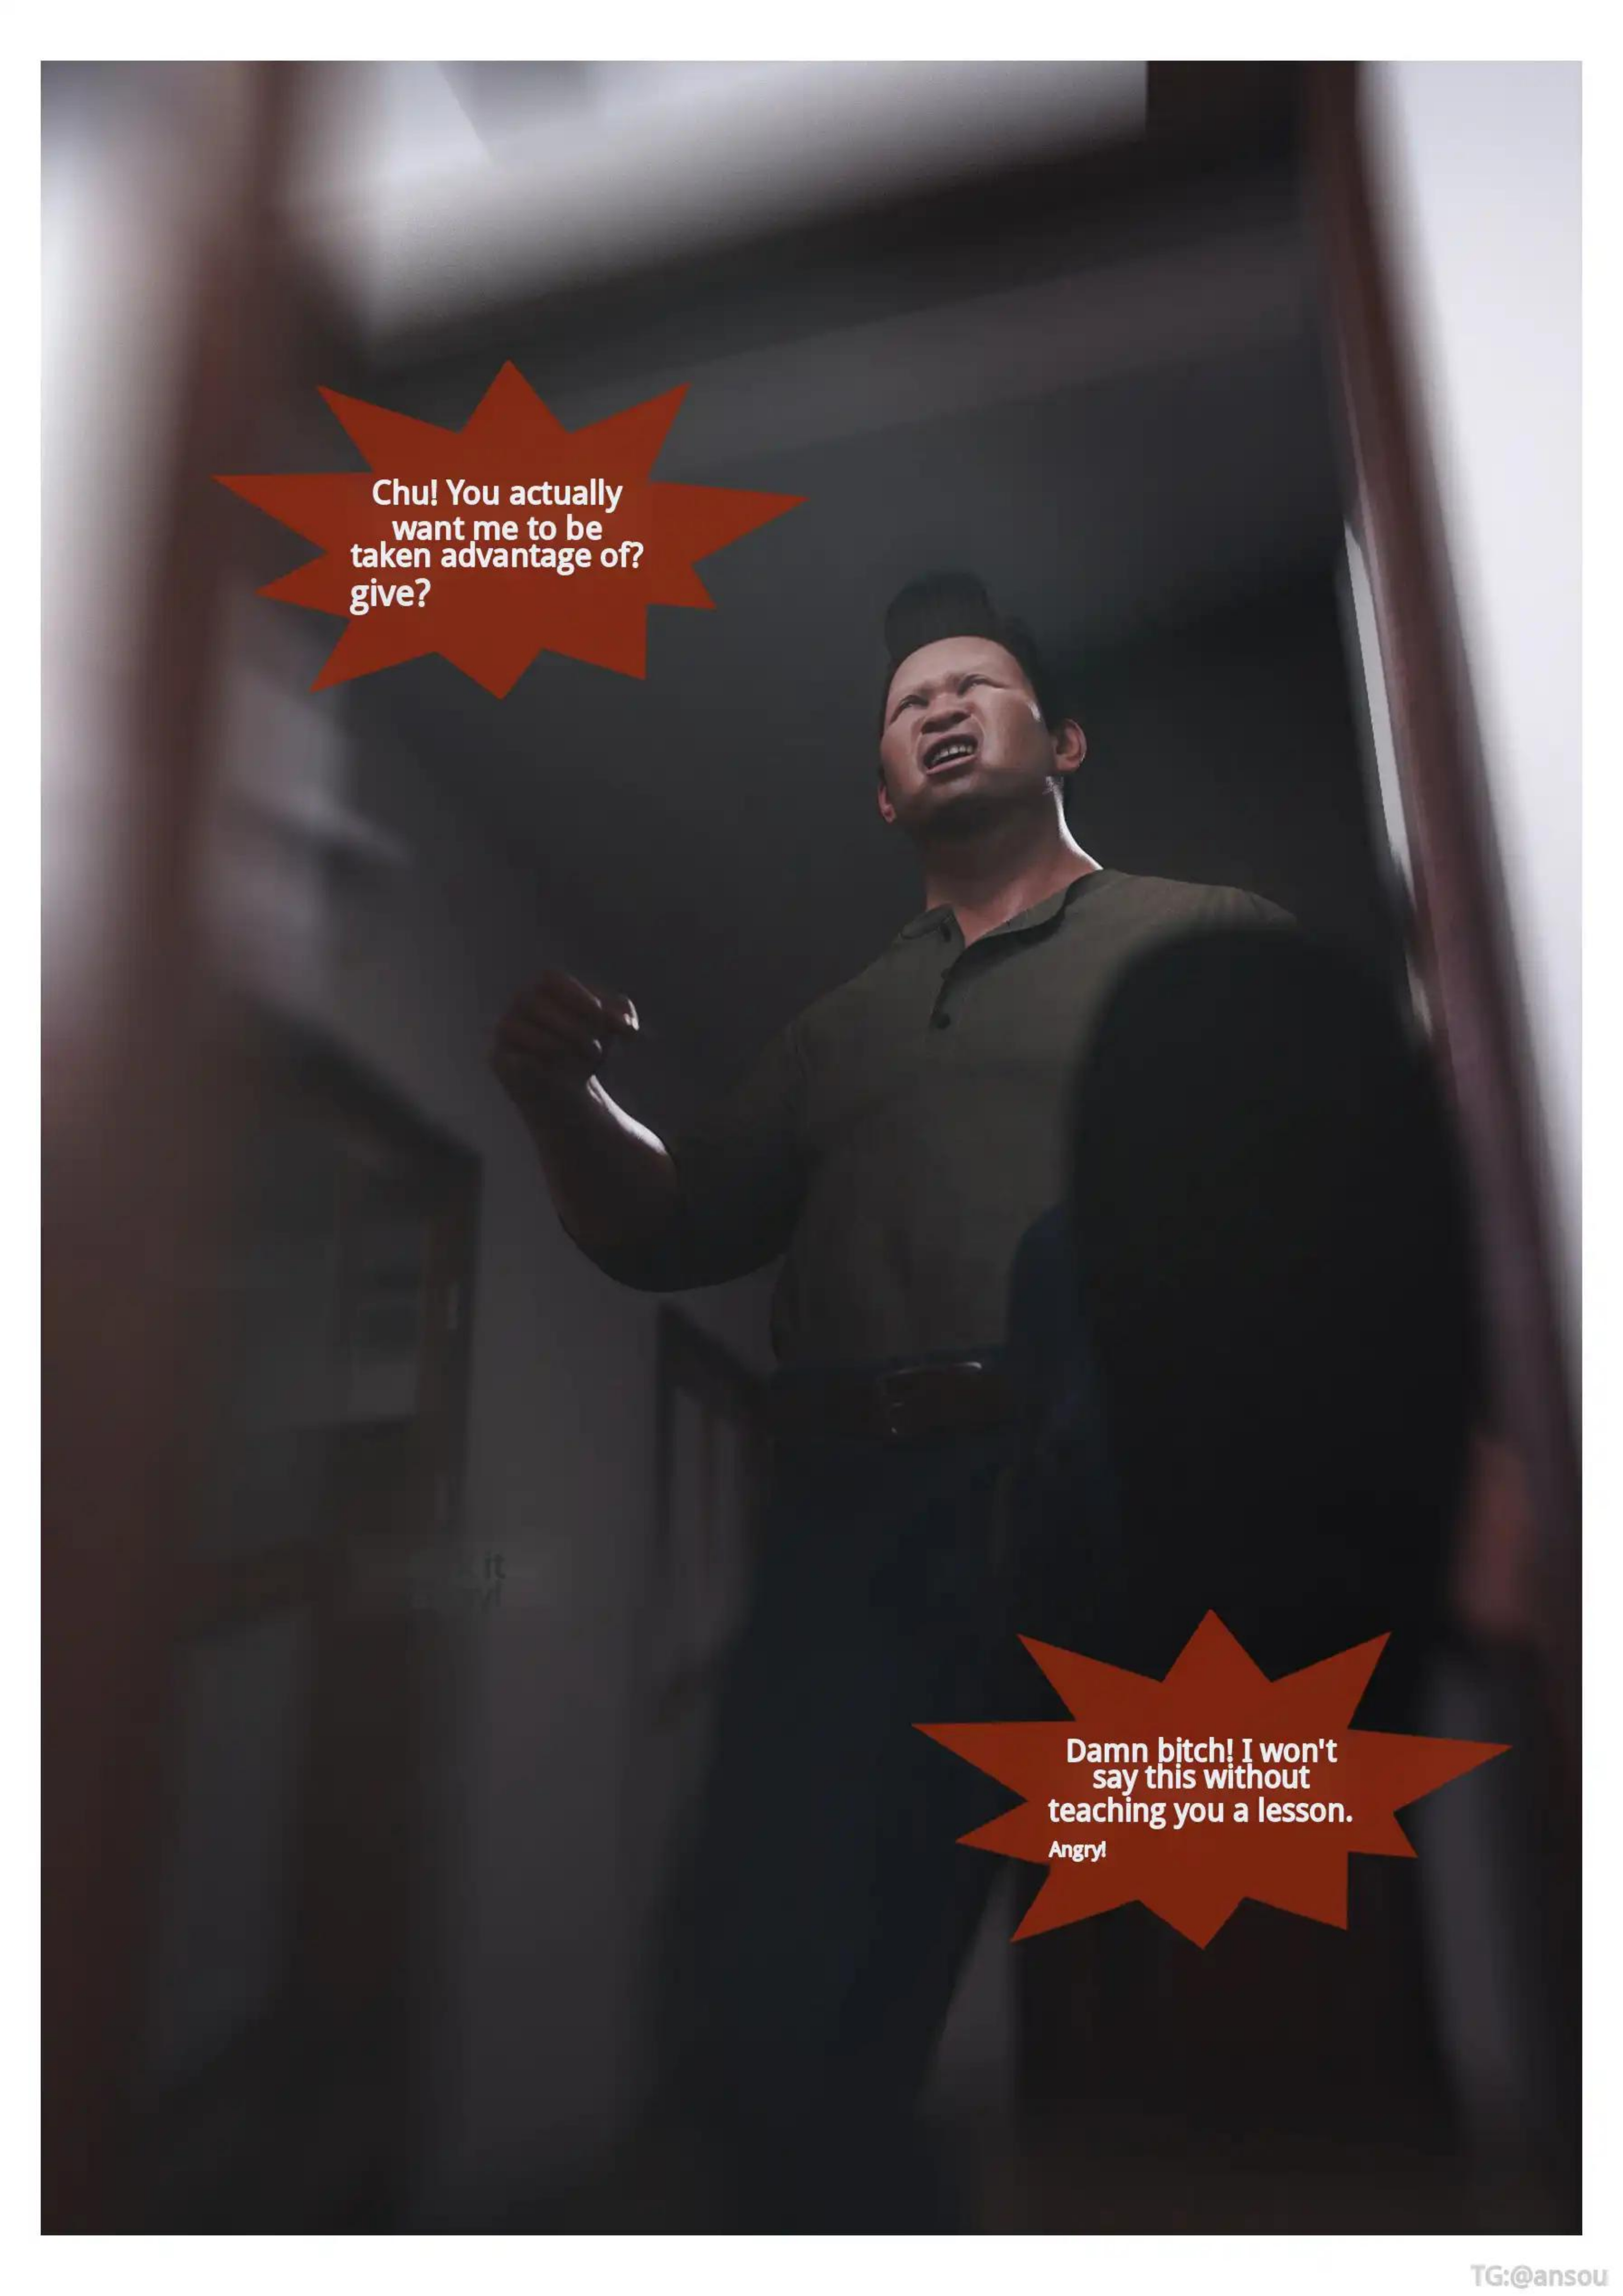

Come on, the money you want to get taken advantage of can be taken from him. Forget it, it's just a waste of time. Let him be the one!

Tikka

This time it won't be enough for one hundred thousand. If you are stupid enough to send it to your door, don't blame me for making a fortune...:

Chu! You actually
want me to be
taken advantage of?
give?

Damn bitch! I won't
say this without
teaching you a lesson.

Angry!

Wow! What are you doing? Do you want to die?

Why did you come in suddenly! How long have you been standing outside without any further contact? Why are you here again now?

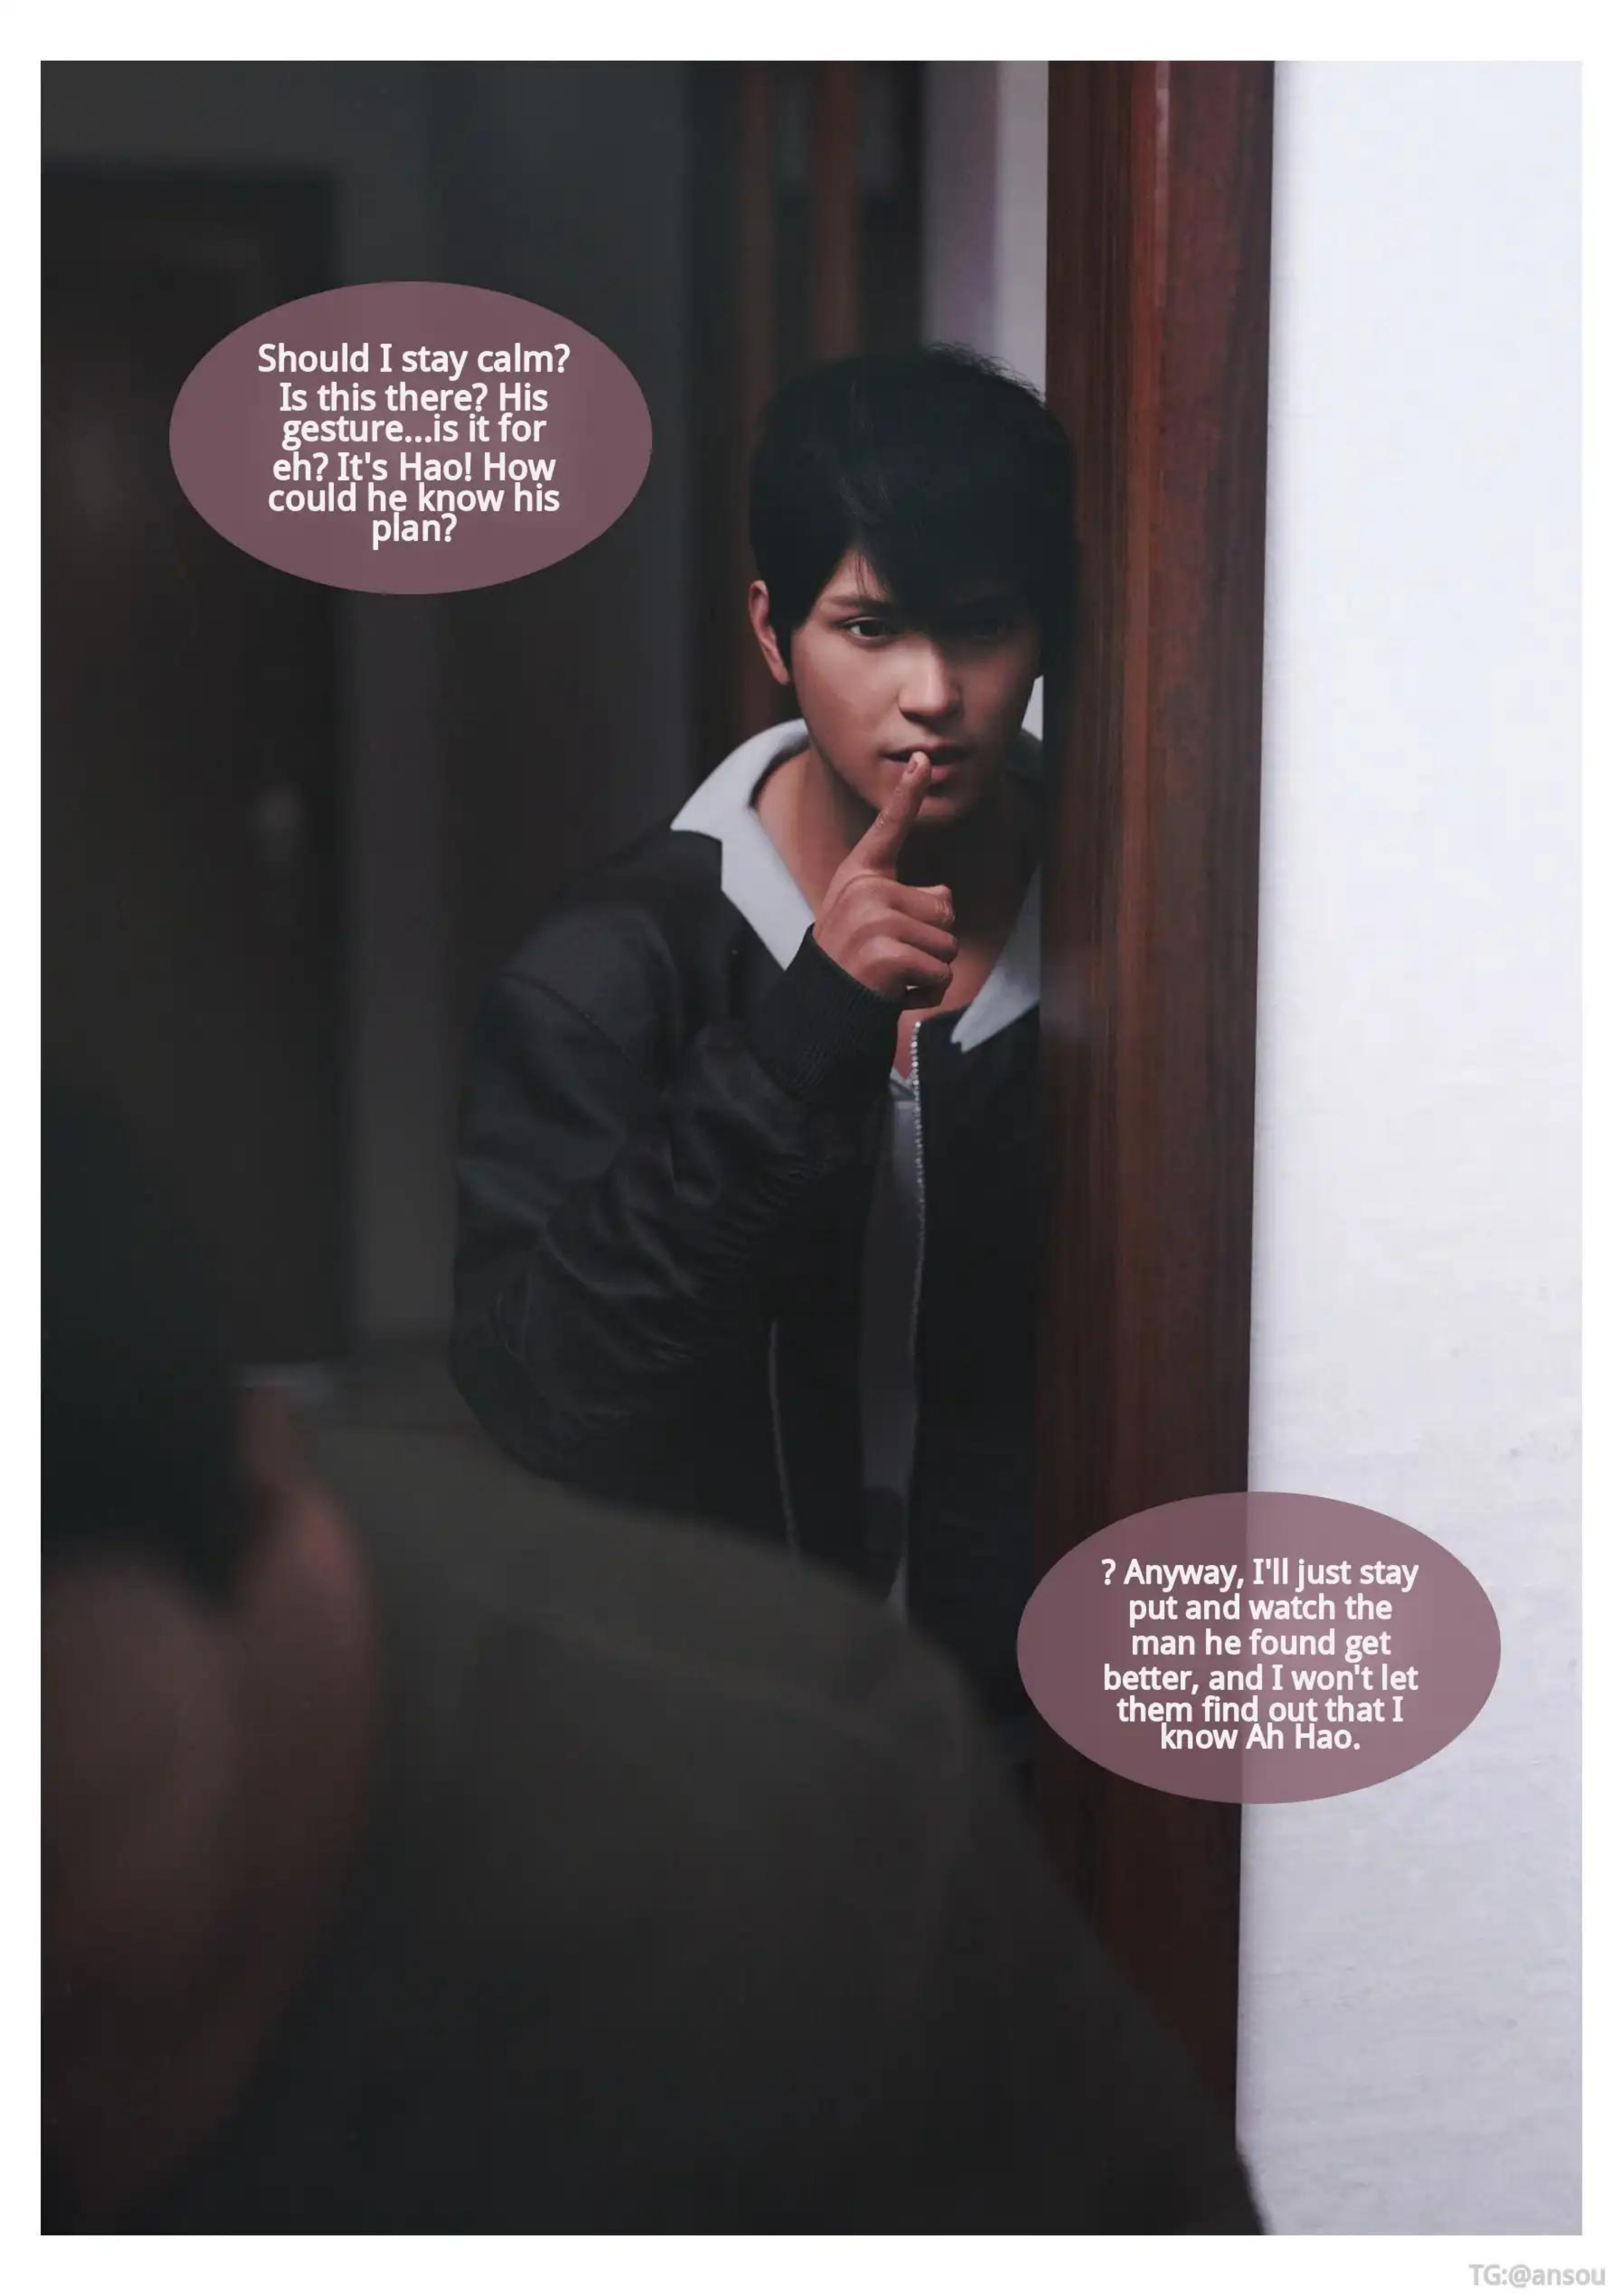

I was at the door
when I sent you
the message!

I would rather die
than wait for you
to open the door
and walk in! I'm
going to end it
with you bitch, and
I won't blackmail
you again!

Yeah! Why did
someone come in
again? It's not easy to
leave. Please don't let
anything happen again!
Let me go, woo
WOO...:...

This time I took
advantage of the courtesy
and ran away and they
agreed! If I really can't
survive, I shouldn't care,
right? Whatever you do,
come and save me!

Should I stay calm?
Is this there? His
gesture...is it for
eh? It's Hao! How
could he know his
plan?

? Anyway, I'll just stay
put and watch the
man he found get
better, and I won't let
them find out that I
know Ah Hao.

! I feel so relieved to see him. I feel so good about their conversation just now! Ah Hao came to save me. My arms are almost broken.

Suppression is also very relaxing! Although I couldn't send them in immediately because I had a companion, it was really different to be able to see the villain being trapped!

One thing after another, there are always people waiting to come in? Damn it, how could it not be over! There's something unfavorable!

The little beauty was already tired before I fucked her, and she kept getting into trouble! I have been possessed by the God of Desolation, and I have to save people...

The human skin is hidden! They are in front, so they should be careful. I need to report the news that I am not pregnant first, right?

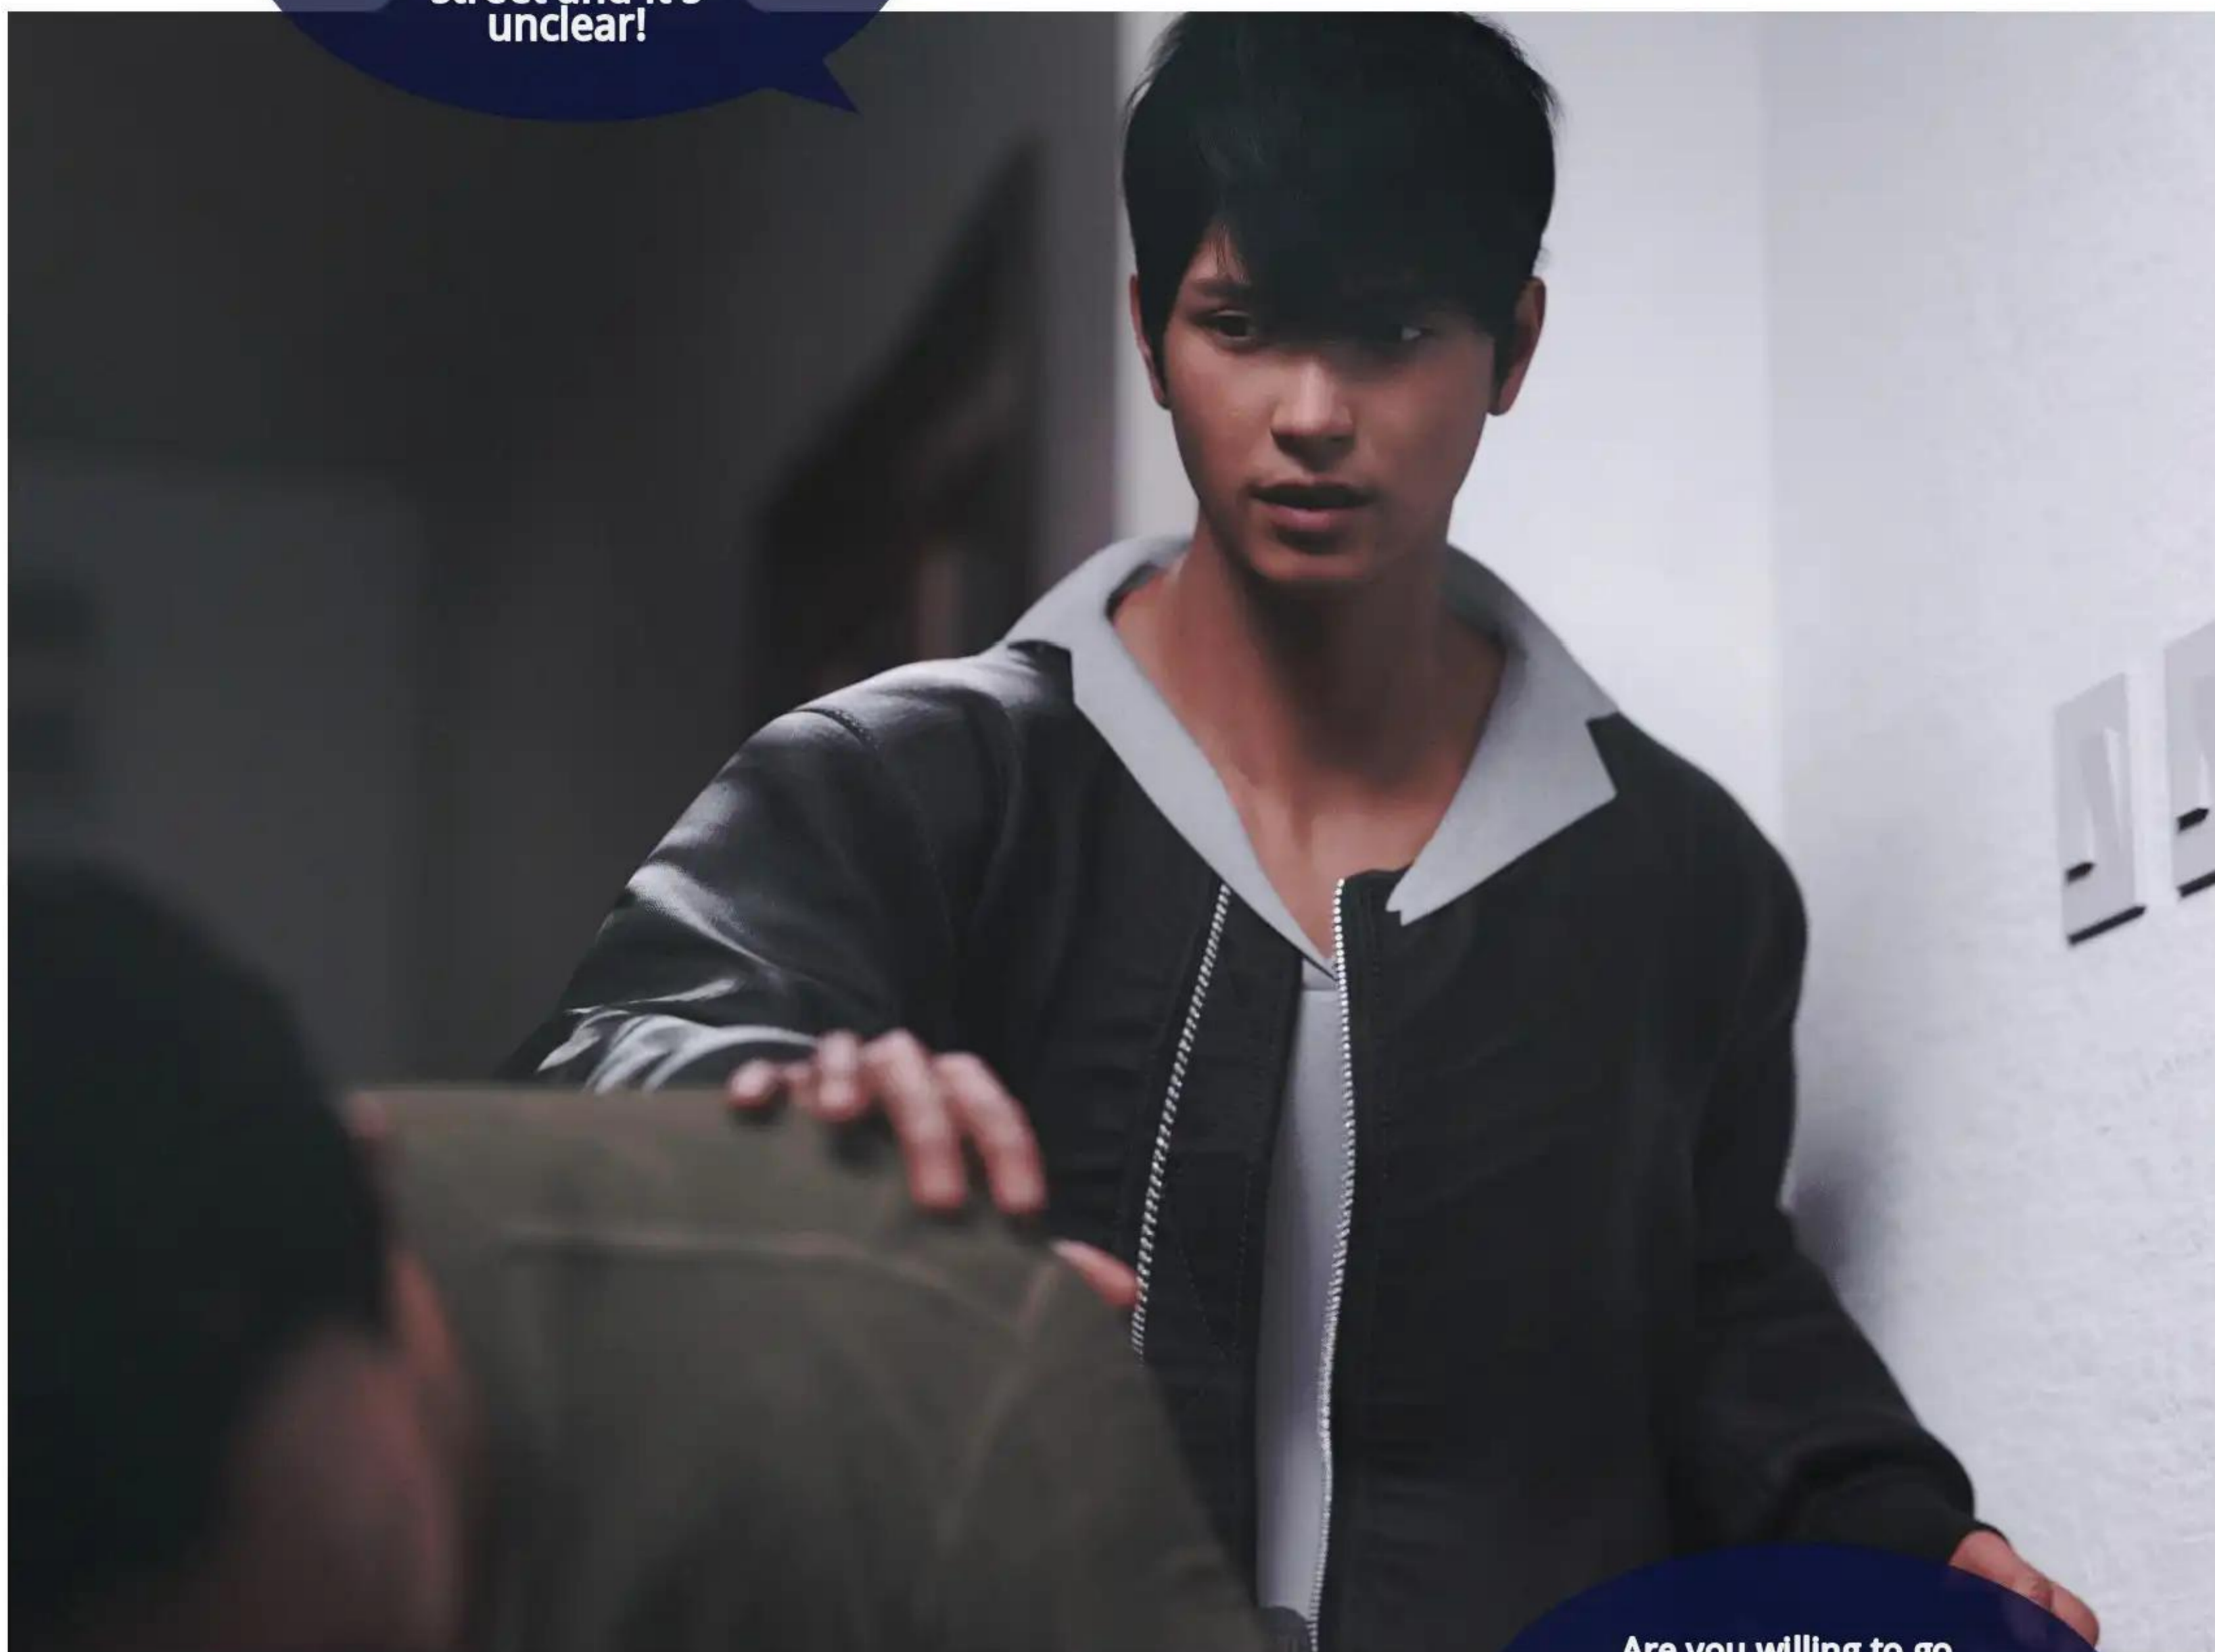

If it is discovered that the human skin was given as a gift to the boss, I might be thrown into the sea to fish, hiss... it's too scary!

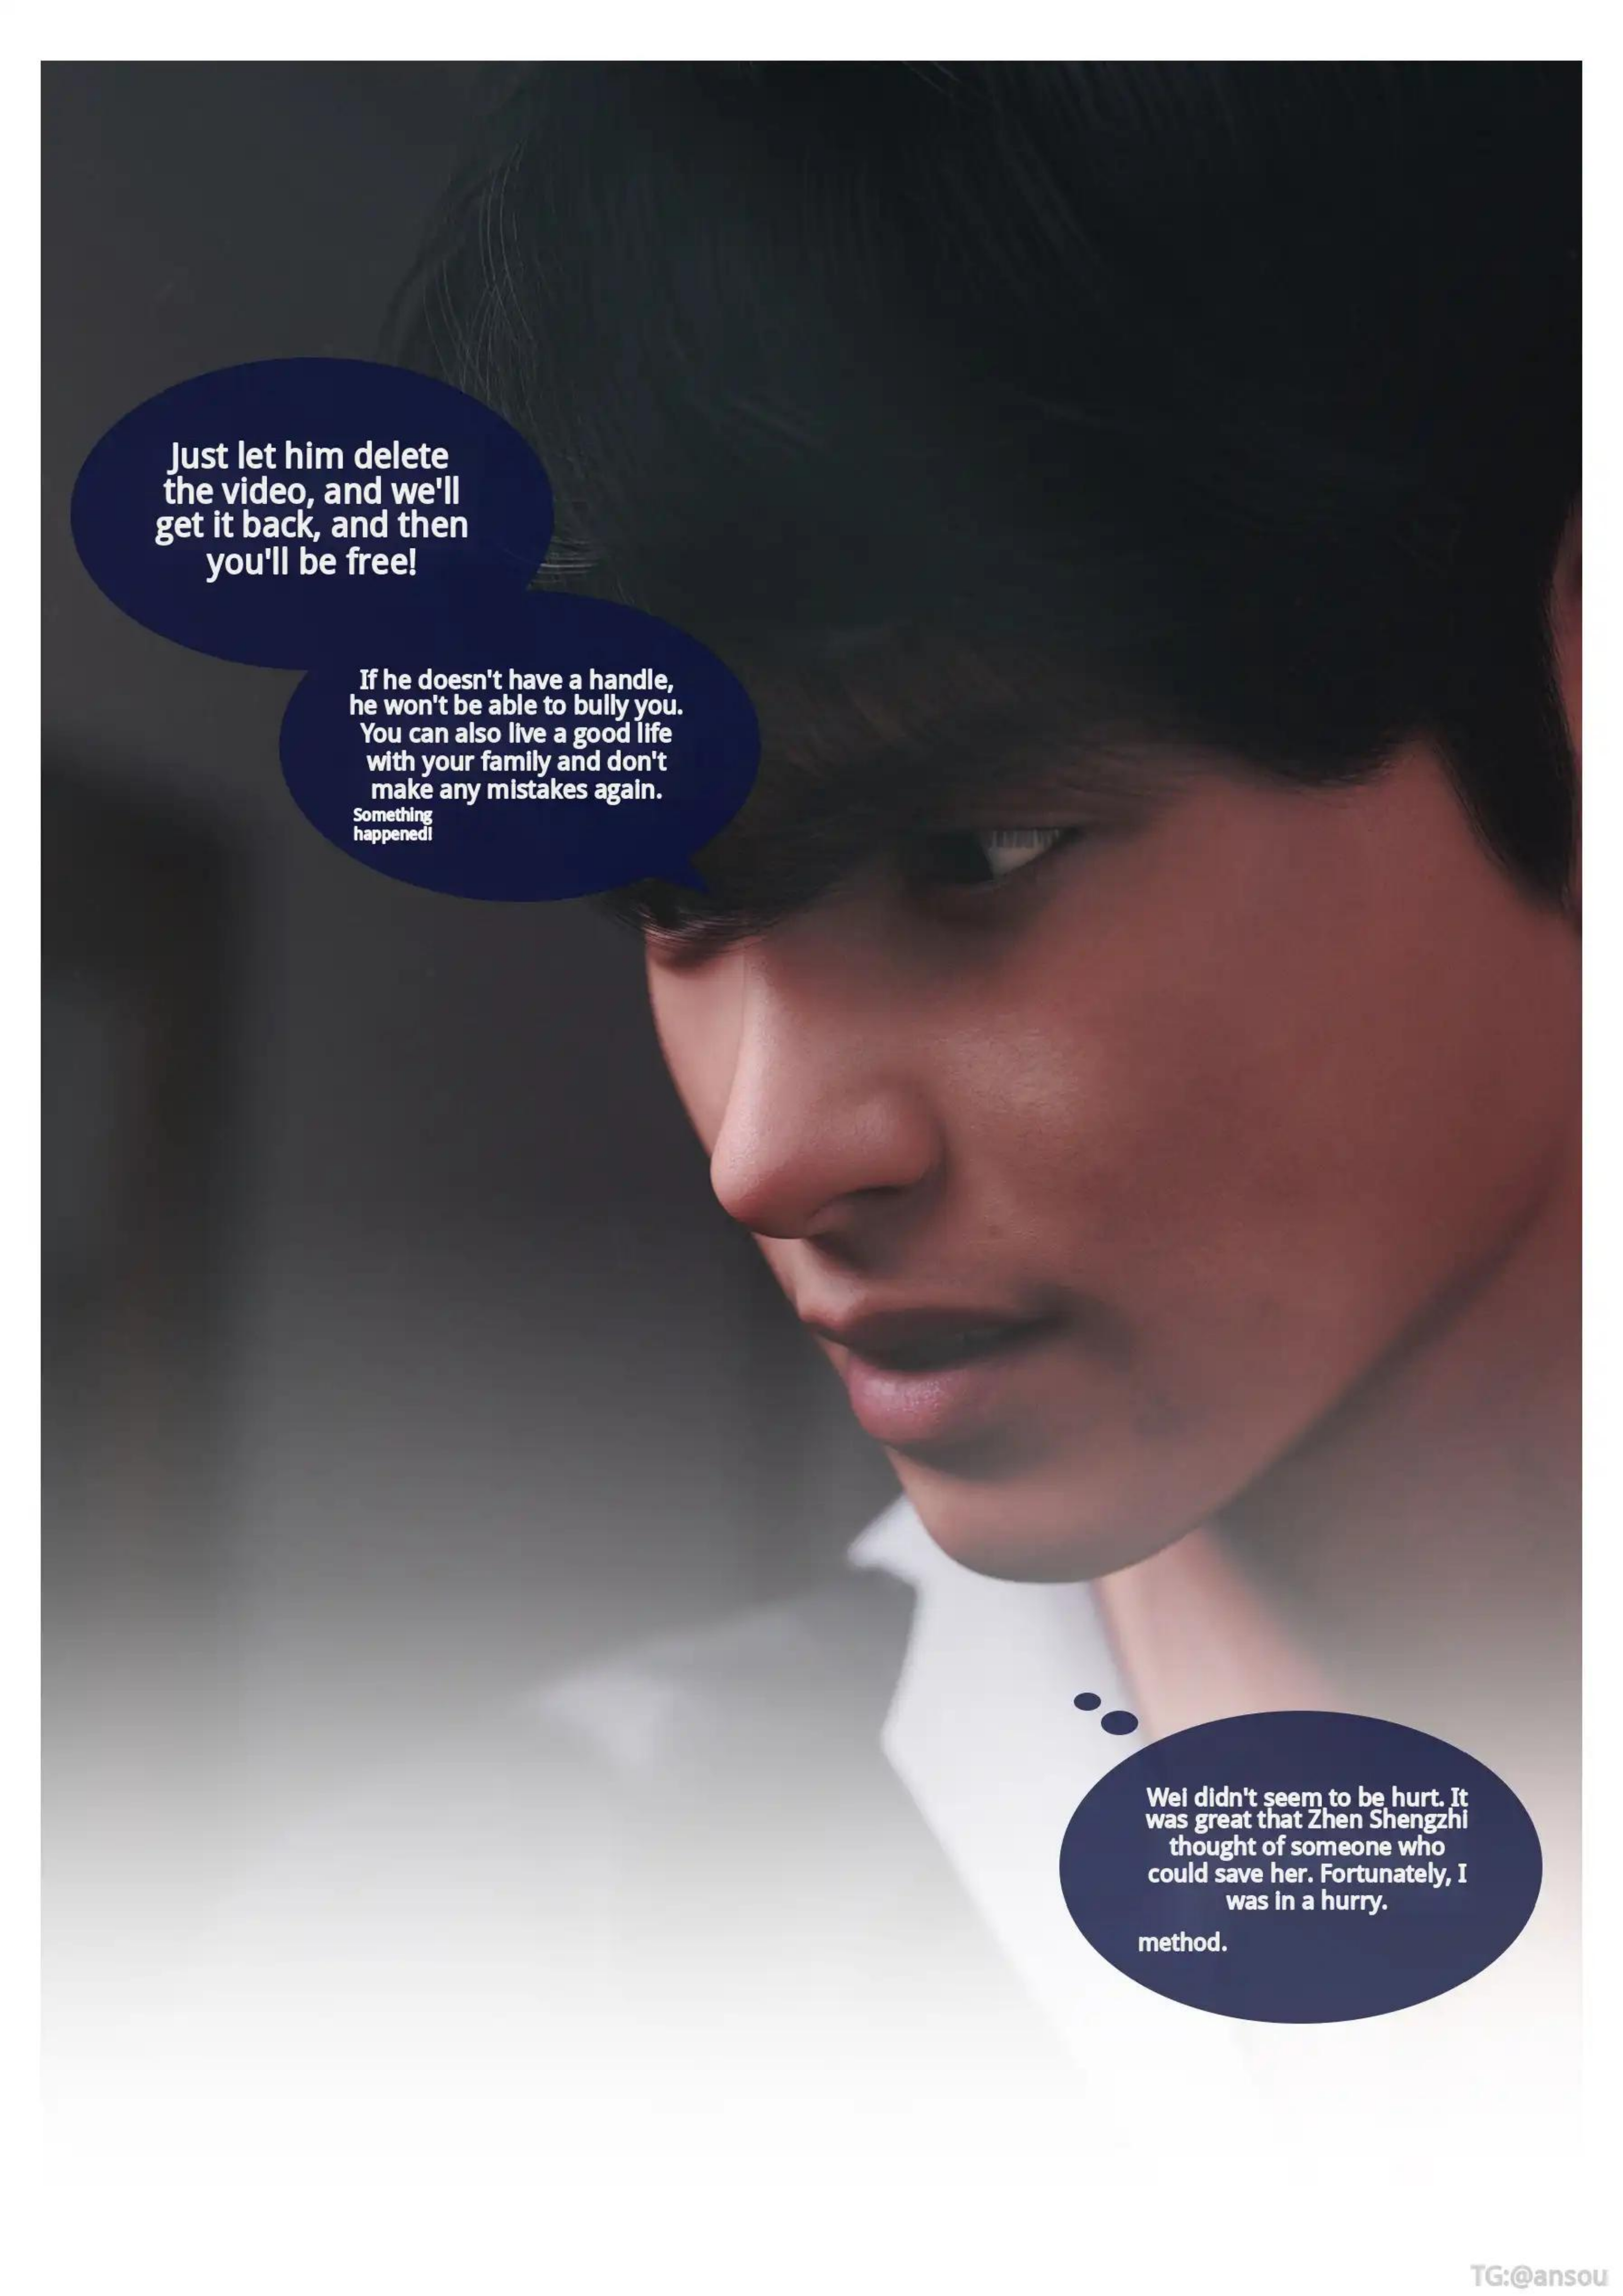

Delete the video now! Don't make me beat you up!

Ahhhh! Calm down! Don't do it!

**! If you do it, you
will get into a
lawsuit, Mr. Xu!
Don't move
around in the
street and it's
unclear!**

**Are you willing to go
to jail because of him?
Think about your wife
and children, they are
still waiting for you to
come home!
gentlemen!**

Just let him delete
the video, and we'll
get it back, and then
you'll be free!

If he doesn't have a handle,
he won't be able to bully you.
You can also live a good life
with your family and don't
make any mistakes again.

Something
happened!

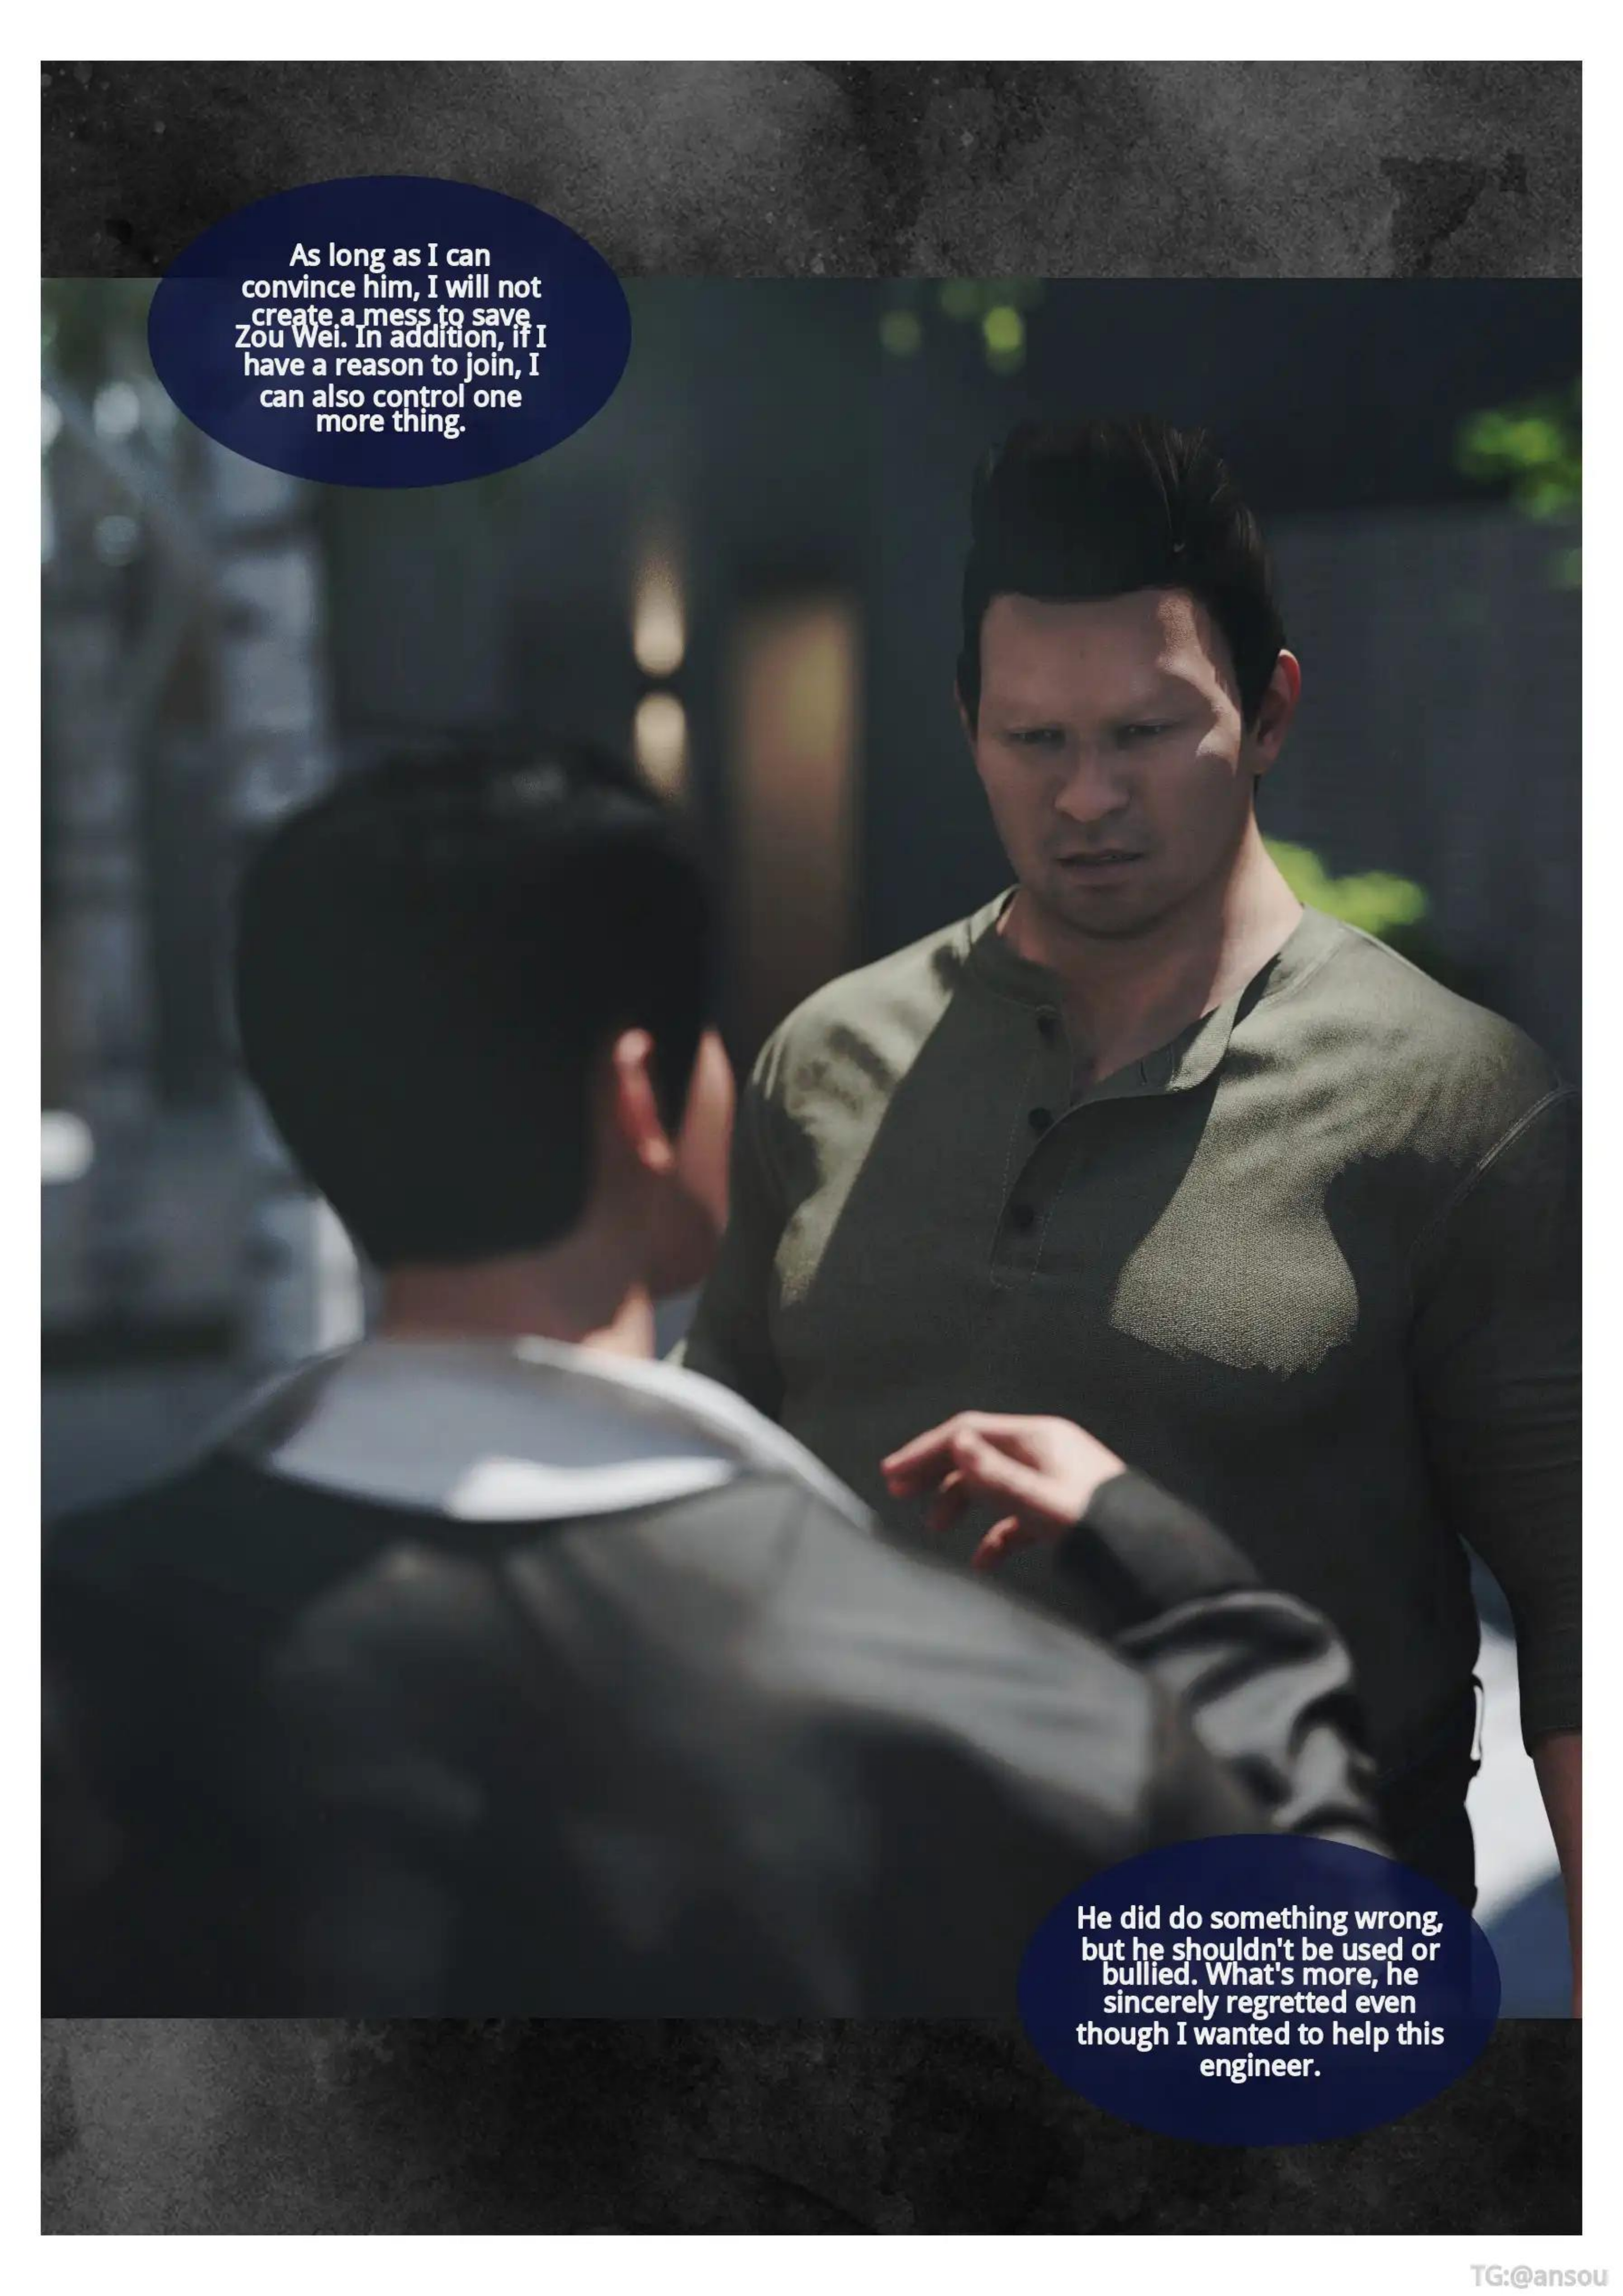

Wei didn't seem to be hurt. It
was great that Zhen Shengzhi
thought of someone who
could save her. Fortunately, I
was in a hurry.

method.

At that time, I felt bad watching Wei being taken away. However, we shared each other's position before taking action...

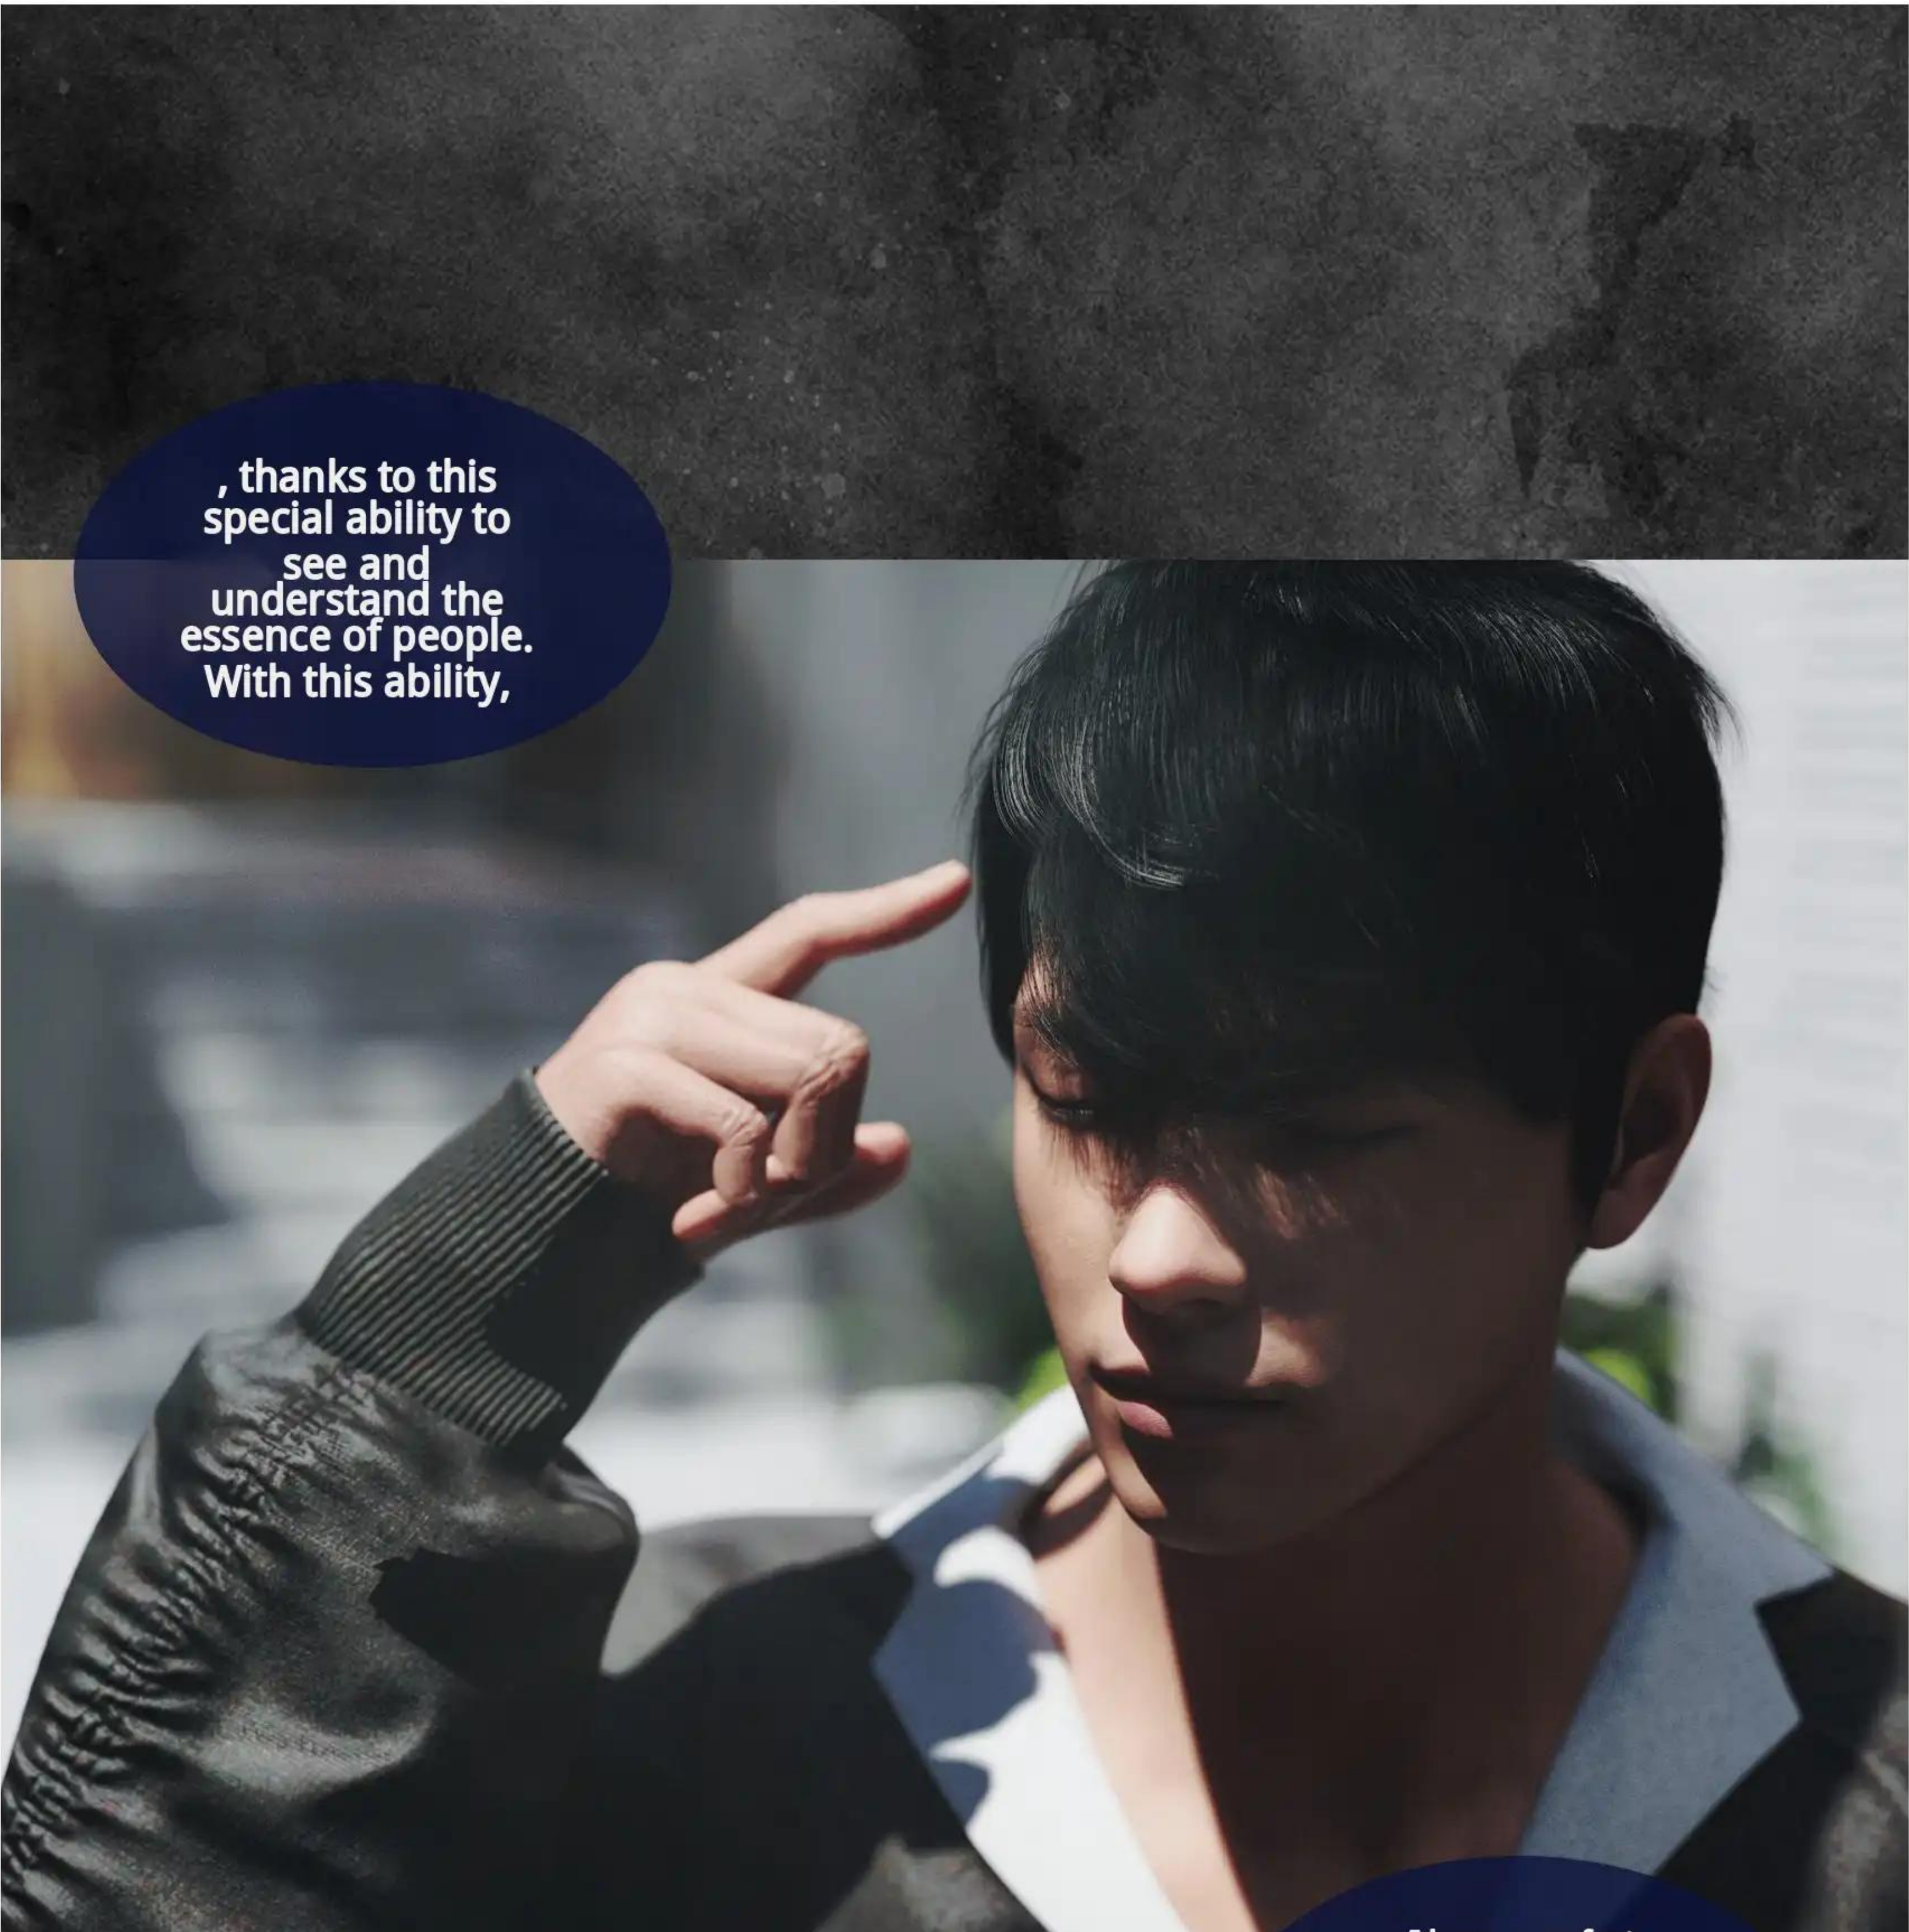

Go in for the right reasons. I only knew the address, but I didn't think twice before thinking of the threatened engineer.

A photograph of two men in conversation. The man on the right is wearing a dark green, long-sleeved shirt and has a serious expression. The man on the left is wearing a grey shirt and is seen from the back. The background is a blurred outdoor setting with trees and a building.

As long as I can convince him, I will not create a mess to save Zou Wei. In addition, if I have a reason to join, I can also control one more thing.

He did do something wrong, but he shouldn't be used or bullied. What's more, he sincerely regretted even though I wanted to help this engineer.

, thanks to this special ability to see and understand the essence of people. With this ability,

I have a perfect understanding of their thoughts at this moment, and I can definitely see the other person's state of mind at this moment.

, but I can see in his heart that he needs to be busy and fast. Although he looks tough on the outside, he is actually very helpless, confused and unable to hold on.

If he grasps and supports him, someone will be his driftwood. He knows that there is still hope and room for redemption in everything.

I can understand and forgive him, and I also know that he especially hopes for someone. His heart is constantly asking for help, and I know what he wants most at this time.

, and promised to accompany him. I encouraged him to seek justice and face the evildoers. Maybe he was too eager for the original peaceful life, or...

Because he saw hope in every word and sentence of mine, he agreed without much hesitation, even more eagerly than me.

**, If you hurt someone,
you will only know that
we are here to solve
the problem. Don't
forget our purpose: to
continue to be
blackmailed by him.**

**At that time, your
wife and children
may be criticized,
and we must be
completely clean
with him!**

It's not good to get punched by you. Look at how strong you are. I, a weak woman, want to fight you! If you beat me, I will become a vegetable.

How sad is that? As long as your family members don't take action if you go to jail, I will obediently cooperate with any request!

Hand over your phone and delete the video. I don't want to do anything to women. You'd better not try any tricks. Everything else is fine.

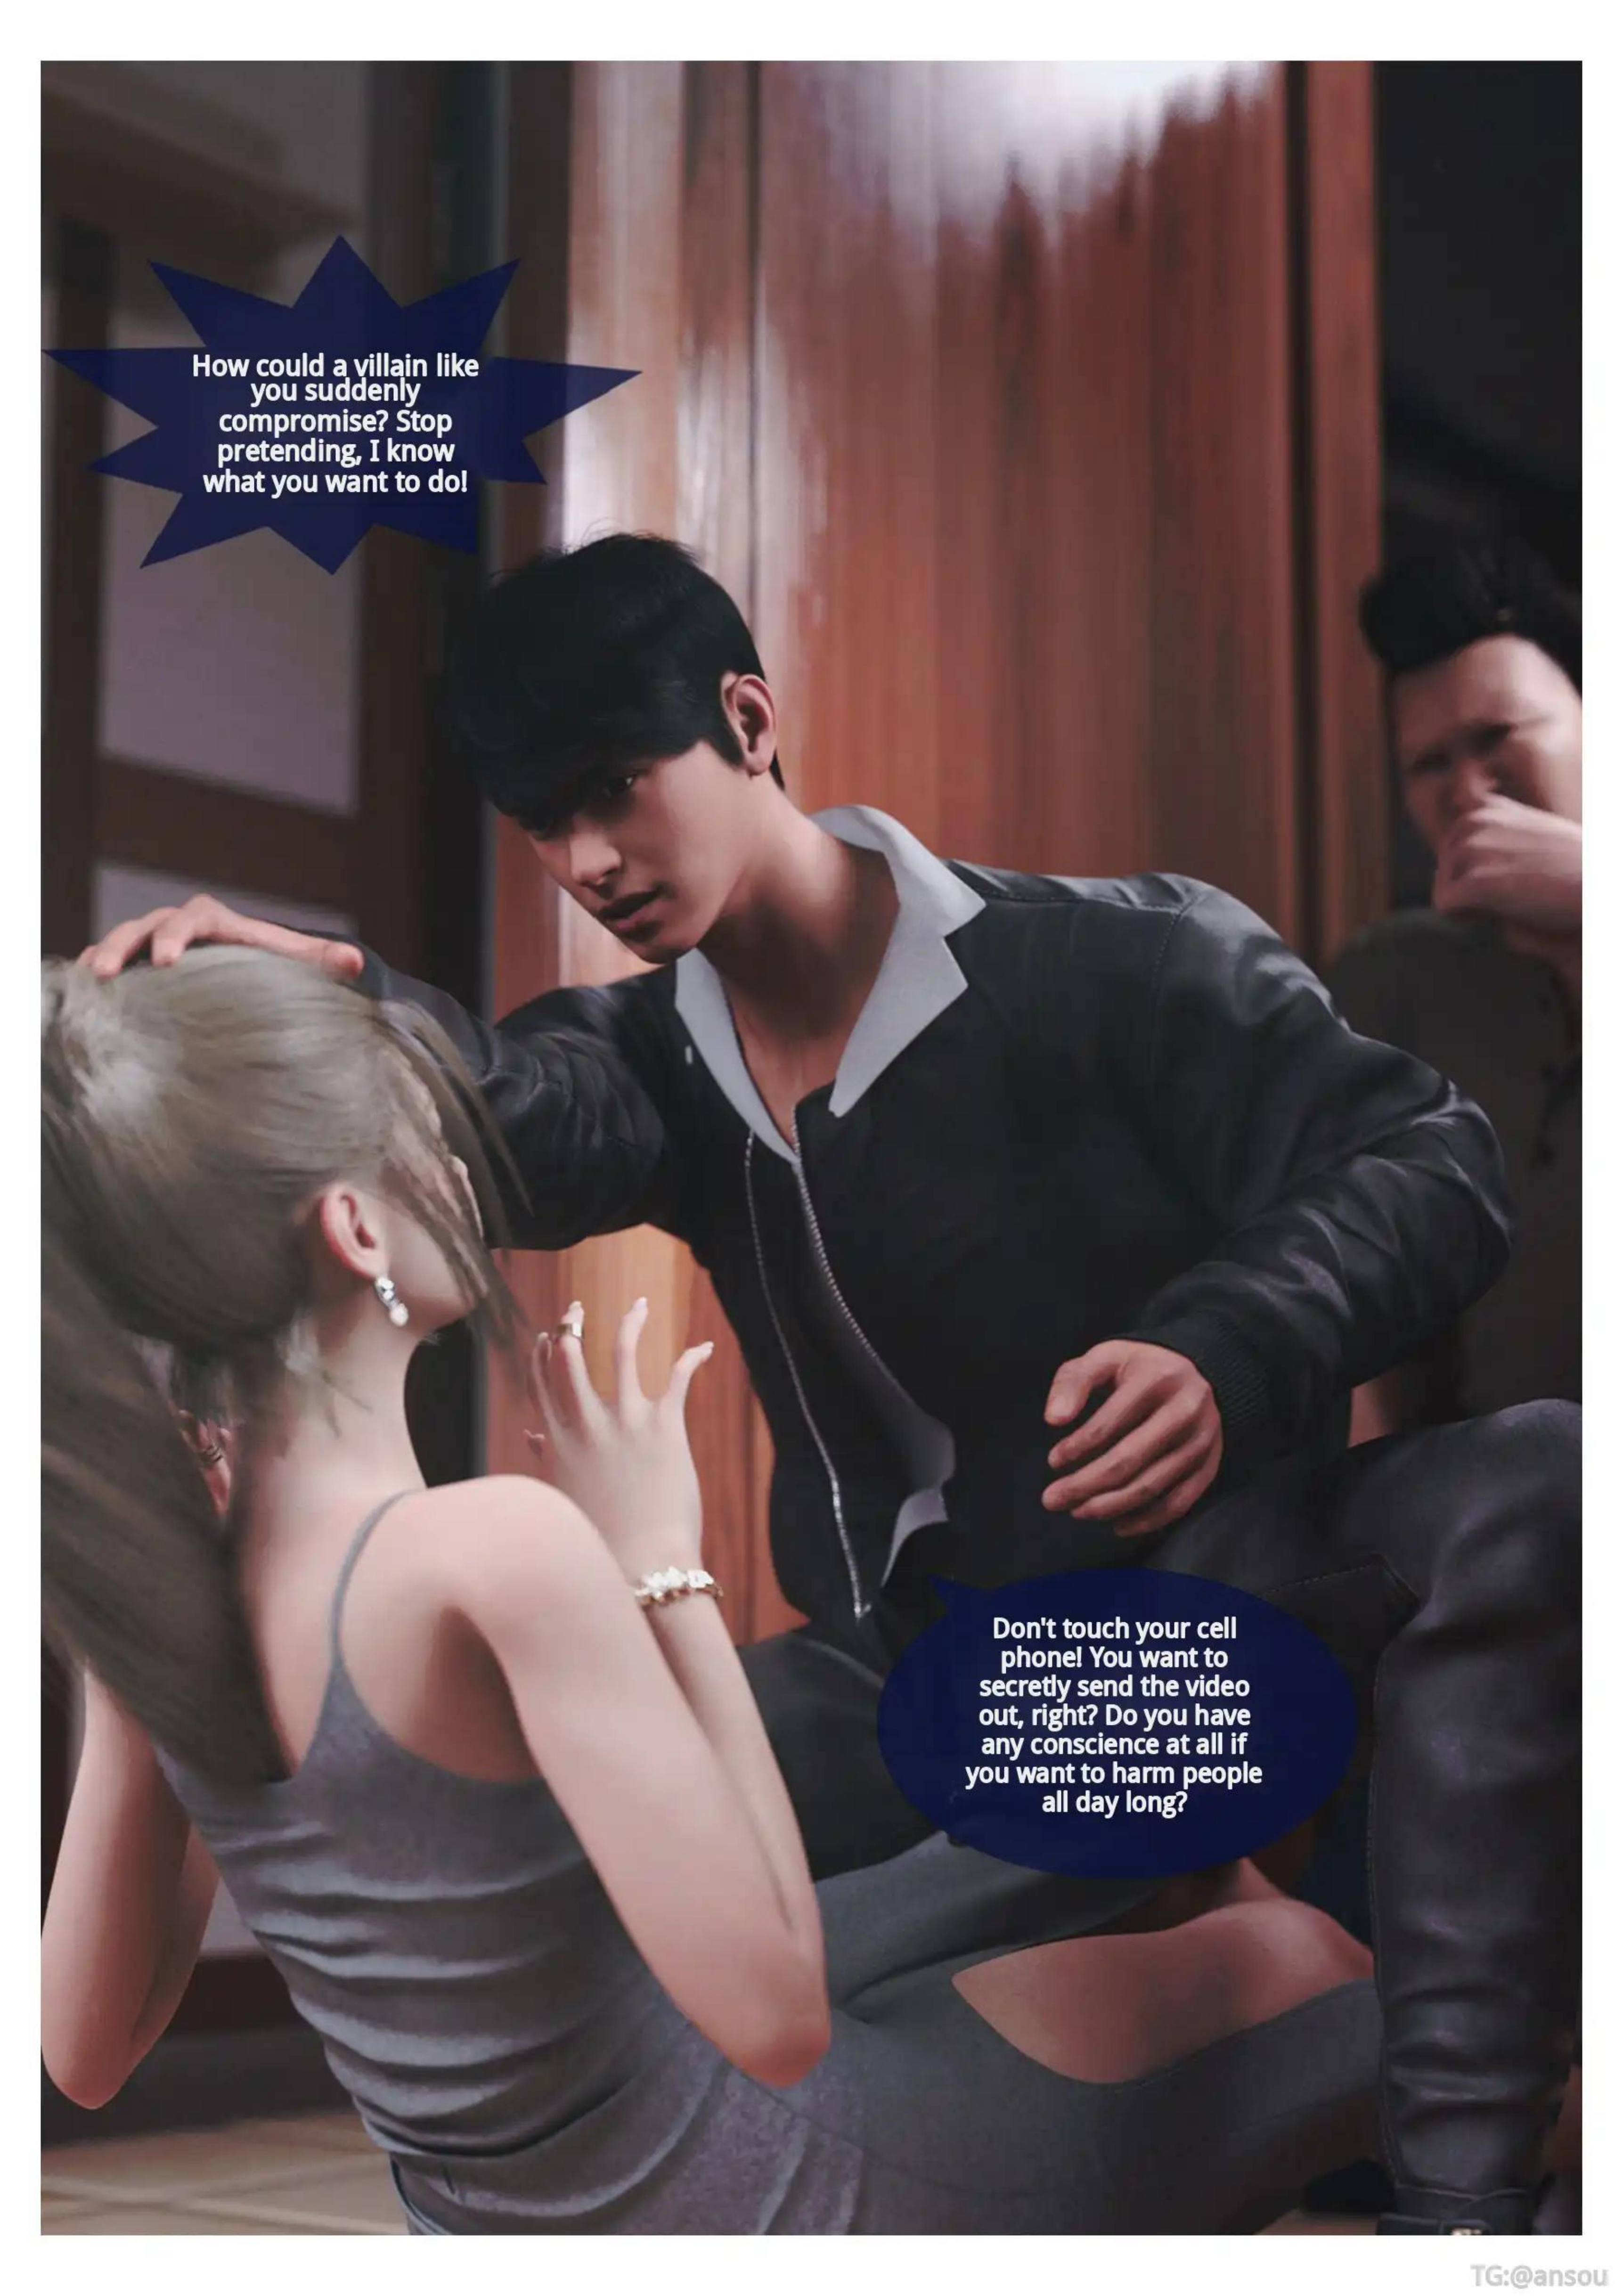

Let's not contact each other again, and you shouldn't appear in front of me again. We don't want to have anything to do with you, so just pretend we've never met!

**Wait a
moment! Don't
he! let go yet**

**I watched it with my
abilities just now, and
I think he wanted to
act like a fool and
spread the video
before deleting it!**

A man with dark hair, wearing a black leather jacket over a white collared shirt, is leaning over a woman. He has his right hand on the top of her head. The woman has long, light-colored hair and is wearing a grey tank top. She is looking away from him. In the background, another man is partially visible, looking towards the couple. The setting appears to be indoors with wood-paneled walls.

How could a villain like you suddenly compromise? Stop pretending, I know what you want to do!

Don't touch your cell phone! You want to secretly send the video out, right? Do you have any conscience at all if you want to harm people all day long?

I have to peel off
the skin of you
scum!

Ah, where did
this mad dog
Get out
of here! come from!

You, how do you know what I want to do! Open it for me! How dare you use force against a woman who is so helpless!

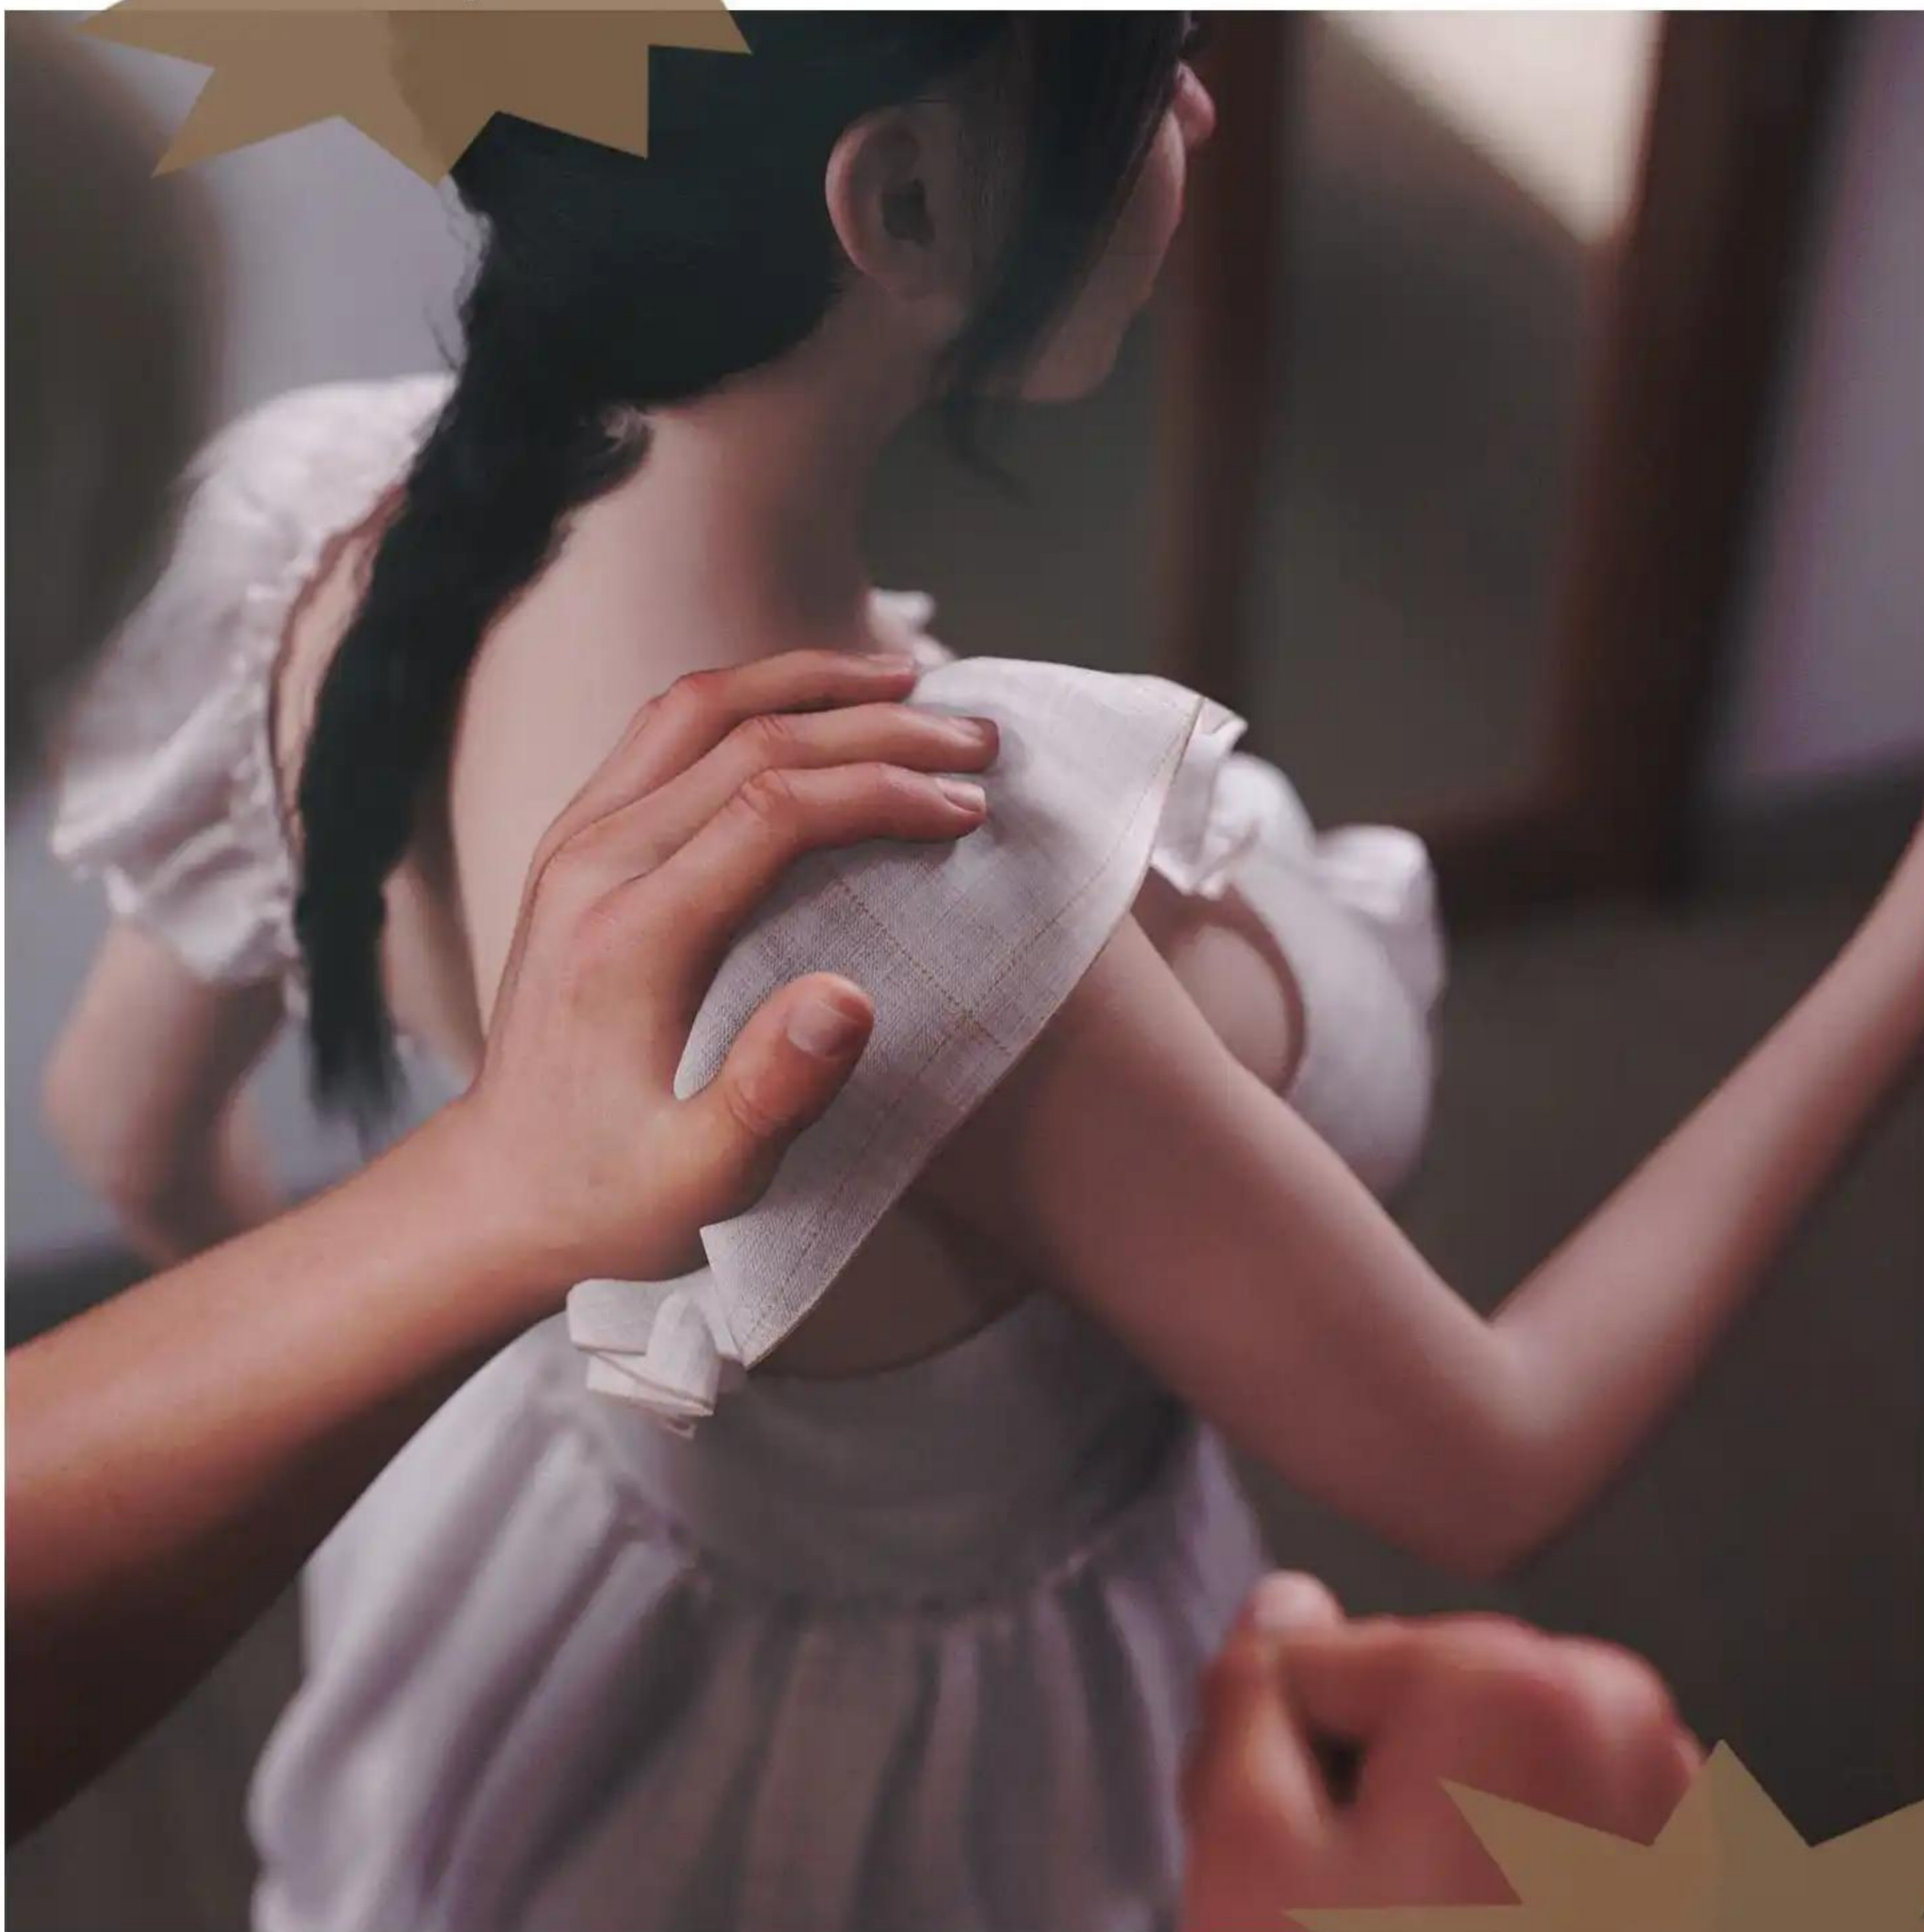

Do you want to lose it personally? I don't care how you figured out that my grown man had the intention of bullying me. If you don't let go, I'll call him!

Let go! You
think we don't
exist! exist

If you suddenly
come in and hurt
people, I think you
are the scum!

stop!

Stay where you are!
Don't come near them!

Don't go over there yet. Let's take a closer look. If the fight escalates, we will also get into trouble!

So are we going to stand by and watch? He's bullied us like a beast, what if we don't turn back?

I must stop you from
going there, don't even
think about hurting
Ahaol
