2 I can finally relax. There were so many things going on in the museum today that I felt a bit unlucky.

The
ruthless
man I met
today was
so mean
that he
delayed
me until I
got off
work? 32

But the only good thing is that there is still this place where I can wash away my bad mood and fatigue? 5

This large bathhouse looks great. I feel comfortable both physically and mentally. However, no one happens to be there today: it's like a private bath.

This is my little luck and my mood gradually improved! stand up!

Soak
in the
hot
pool
and
your

body

will be
instantly
released.

SP_XXX

The swollen calves caused by wearing high heels today gradually disappeared due to the hot water in the pool.

But the girl I
met today is
pretty
good-looking. I
didn't expect
someone to
have such
good looks in
the library.
222

Hi, can I go
into the pool
and have a
bubble?

(Oh someone is talking to me?)

Ah, what
a

You

we would
meet
here.

没戴眼镜

Aha, what a coincidence, it's that pretty girl from the library? I almost can't recognize you without my glasses.

Careful about slipping? Give me hand and I will hold you down

Of course, okay? I'll take off the towel first when I get off.

came here
to take a

XXXT4S

Come on - come on down. Beauty, I haven't been here for a long time. I'm so lucky to meet you today.

美女

Just for today's chance encounter, I just ordered the best red wine here from the counter? Let's celebrate

You are so kind?
Thank you, beauty. My name is Zhao Yingzhao. What do you call me?

SP_XXX

My name is Song Sihan and I am a researcher at the Immortality Research Laboratory.

连身材也是高等呢

Wow - what a great book - it's amazing that you are a researcher of immortality at such a young age.

SP_XXX

**I'm a little
embarrassed
to be praised
so much by
you. It's just
that I worked
harder when
I was a
student.**

I was also interested in scientific research back then, but something happened at home that made it impossible for me to continue studying.

Let's not talk about this for now. Let's have two drinks and continue chatting.

SP_XXX

Let's have
a drink
first. &
Don't tell
me I'm
70 here
just to
relax.

SP_XXX

我
等等就让你快乐一下

Yes, yes,
don't say
these sad
things (but
hehe). Drink
it. I prepared
it specially
for you.

It tastes good but seems a bit strong. My whole body feels hot and the itching sensation down there is getting stronger and stronger. I want to be caressed.

SP_XXX

Not bad!
Isn't it
delicious?
22 Use
your feet
to touch
and
tease.

SP_XXX

I can call you, Xiaoxi. Do you want me to come and make you feel more comfortable and relaxed?

Oh, okay, but what to do?

SP_XXX

Close your eyes, relax your shoulders, no matter what I do, just enjoy 22

The hot water pool combined with the effect of alcohol made my pussy very sensitive. The places where Sihan's fingers touched became numb.)

Xiaoxi's hole is so tender and feels so good to the touch. You can feel the water flowing out of it in the pool.

Why did you stop? 8 It's so itchy! I can't help but rub my hands, wanting to stuff something hard into them.

The cock in
my body

been
swollen

about to
burst
through
the hole.
It's time to
let the cock
out for air.

Oooh, it's getting harder and harder? 38 will be more pleasurable when inserted into the pussy if the hardness is increased.

(Okay~
If you go
down
further, you
will be in
the village?
Hurry up
and insert it
into Xiaoxi's
hole.

Xiaoxi? I'm very big, so you have to be patient (it's very tight). As soon as you get in, you'll be clamped so hard that you can't move.
