

Hmm.
Things are
moving along
nicely, but...

I don't want
to go too fast though.
Lily's pretty damn
stubborn.

I think I should change
some of the chasity conditions.
With Mia around and the
hormones kicking in soon,
I should be able to move
things up a bit.

I wonder how
long it'll be until
she-oh!

stomp
stomp
stomp

We're baack! It didn't take much to make Lily cum, as usual. Hehe.

Hmph!

I put her back in chastity so no worries there.

Hey, perfect timing! I was just thinking about you two. Did you have a good time?

We did! Lily had a *very* good time playing with my boobs. And I enjoyed it too, of course.

Boobs are so much better than I imagined!

They are, aren't they. I bet you'd love to have a pair of your own, huh?

Ugh, you too?

Why are you talking about me having boobs all of a sudden?

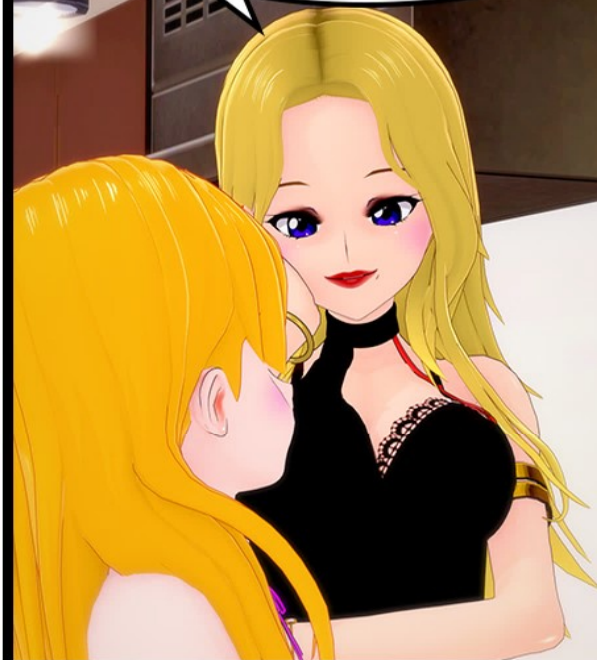

Because you're a girl now.

And girls need tits, the bigger the better. Imagine having ones the size of Mia's...damn!

No! Oh my god, what is wrong with you all? I don't want to be a girl!

that be nice? Being as big as me?

That doesn't matter, does it? While you live here you are a girl, babe.

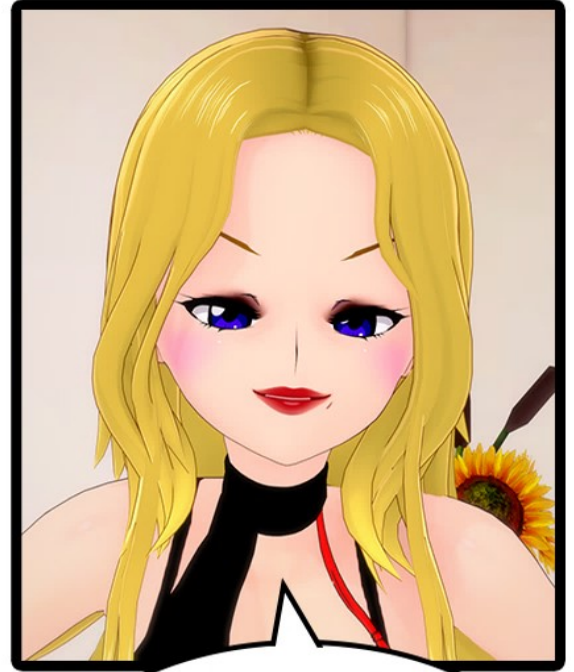

My girl, and I like my girls having

You just don't understand yet how wonderful being a woman is.

But don't you worry, hun. I'm going to show you the pleasures of womanhood, so you can become your true self.

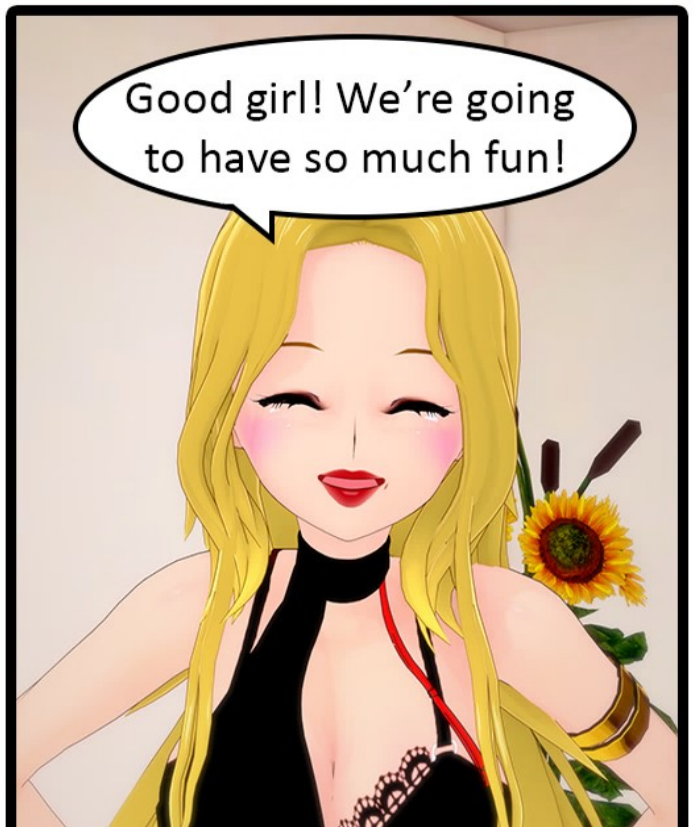

And you're going to fucking love every second of it. Just like you did when you sucked my tits.

U-uhm! I don't really get what you're saying,

but if it means getting to touch your boobs again

Good girl! We're going to have so much fun!

A man with dark hair and a woman with long blonde hair in a black dress. The man is speaking.

You and I are going to have even more fun, Lily. I'm going to make you feel better than you can imagine. You should count yourself lucky that I'm the one feminizing you.

Yes! Reece is a pro at turning men into women.

I am indeed haha.

A woman with blonde hair in a purple top.

Ugh. I'd rather just have Mia be in control of my feminization.

A man with dark hair.

Well, too bad! I'm in control, not you or Mia.

Hmph! Whatever...

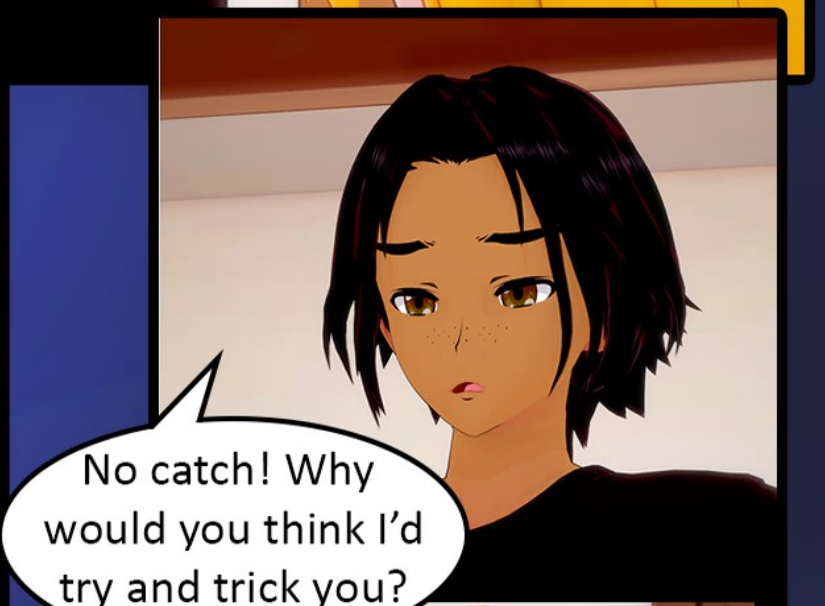

Speaking of being in control, I've decided to change some things.

Next time you want your male clothes for a day, you'll have to kiss me every morning and night while you live here. And if you want out of chastity it's just a blowjob, nothing else.

Really? You got rid of me having to speak more girly. Why? What's the catch?

No catch! Why would you think I'd try and trick you?

Because you didn't tell me I'd have to live as a girl here before letting me move in, asshole. You trick me all the time.

I did that. Oops.

Excuse me? You didn't tell her she'd be living as a girl?

It was for her own good. She wouldn't have moved in otherwise!

Regardless of if it was for her own good, you still should have told her. It was cruel not too.

Yeah, my bad. I'll be more upfront in the future.

Mia's defending me!
Aah, she's so cool!
Get fucked, Reece.
Haha!

...heh...this is so easy

and talk about this more, but I need to get going. I've got another client, another friend to catch up with!

Oh yeah. You've been here for hours, haven't you? I hope you won't be late.

Nah, it'll be fine. I wish I could stay longer though. There's a lot I still want to talk to you about, Lily.

I wish you could stay too. I...I really enjoyed spending time with you. When are you coming back?

She'll be coming back next Tuesday! What are you two going to get up too, Mia?

teach her how to do her hair
and make-up so she looks sexy
and stunning!

Then I was thinking I'd help
her with bras. You've only
got one here and it's *booring*.
Does that sound nice, babe?

Not really, unless
we get to uhm, have
some fun together
again?

The boob
kind of fun?

I'm going to be making you wear a bunch of different bras and show you how to wear them properly. Of course we're going to have 'fun'!

Eee! I can't wait!
Having to wait a week
is going to be torture!

****Hahaha****

Damn, she's

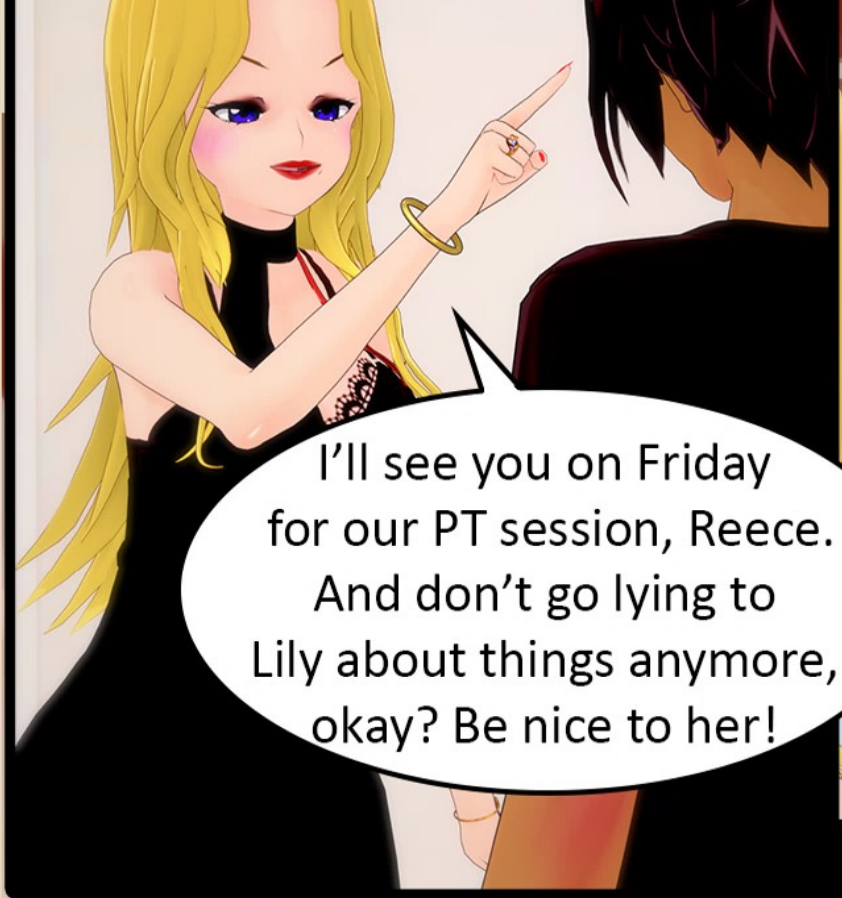

It was wonderful to meet you, Lily. I'm very much looking forward to next week. Have a great week, babe! Goodbye!

****Smooch!****

****Giggle****

****Squish****

G-goodbye Mia!

I'll see you on Friday
for our PT session, Reece.
And don't go lying to
Lily about things anymore,
okay? Be nice to her!

Wink
Alright, no
more lying.
Heh...

Byeeee! Have a
good afternoon!
See you on Tuesday,
Lily.

Byeeee!

Mia's pretty cool, huh?
I'm glad you two got along so well. That was your first time with a woman, wasn't it?

Yeah, it was. Um.
T-thankyou for having her come over and hang out with me...

Oh! What's this?
You're actually thanking me for feminizing you?

No! Not for the stupid feminization shit. I hate that, but

I'd never have gotten to do...what I did...with Mia if it weren't for you, so thanks. But

You're welcome, babe. See? I told you this would be good for you. You've only been a girl for a few days but already you've been jerked off by a woman and gotten to play with her tits. You'd never have gotten that chance as a man.

...

And things are only going to get better for you too. I know how turned on you got making out with me, and we're going to do *so much*

I wasn't-ugh, whatever.

We're never going to make out again, and I'm leaving in around a month so this is ending soon.

time and yet ten minutes ago
you were moaning in pleasure
as we kissed and I squeezed your
sexy thighs.

Hmph! Whatever!
I'm going to my room.

Don't forget to get
dinner ready in an hour!

Fuck, she's so
hot! I can't wait to
see what hormones do
to her. Specially her
ass and thighs.

Yeah yeah yeah.
I won't.

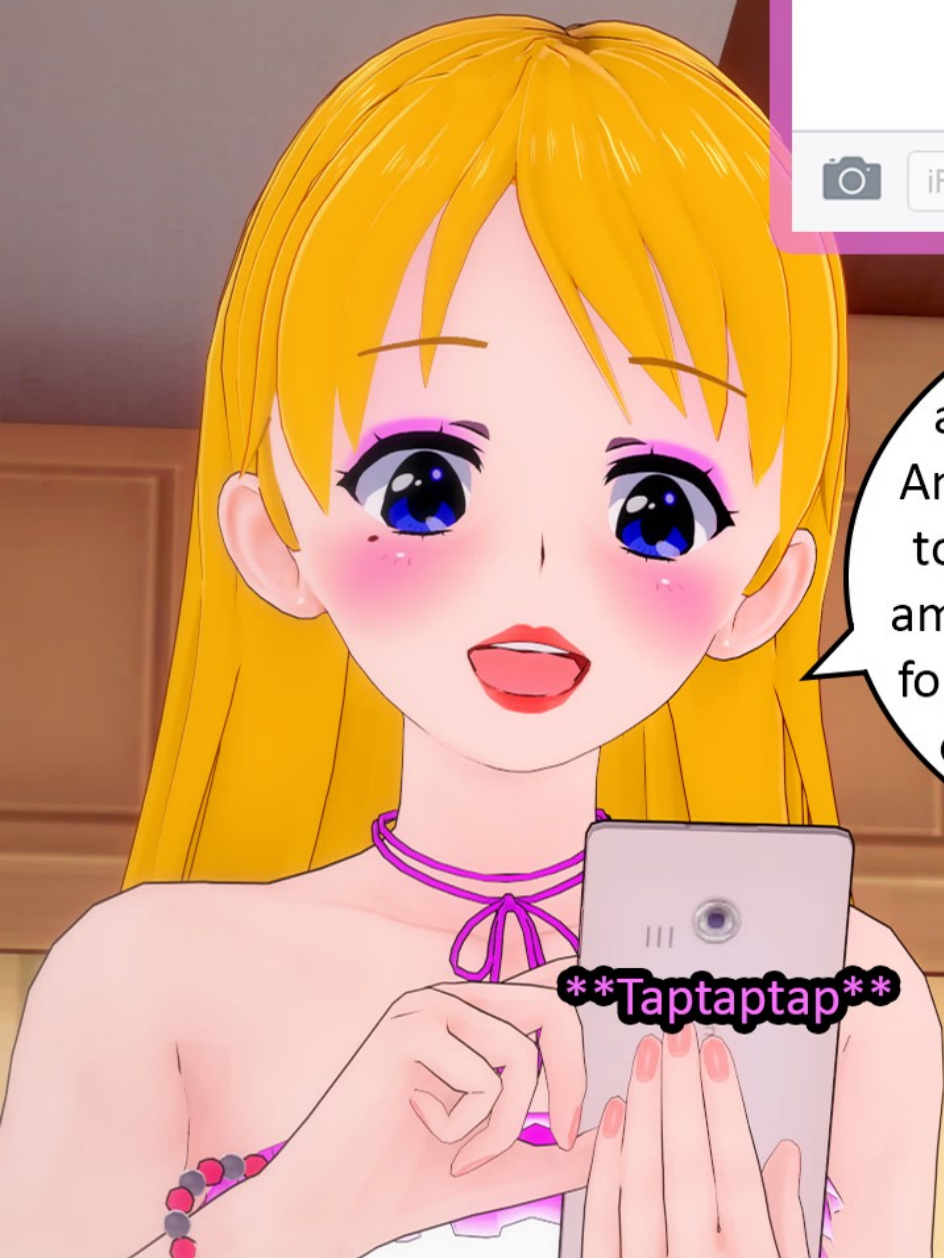

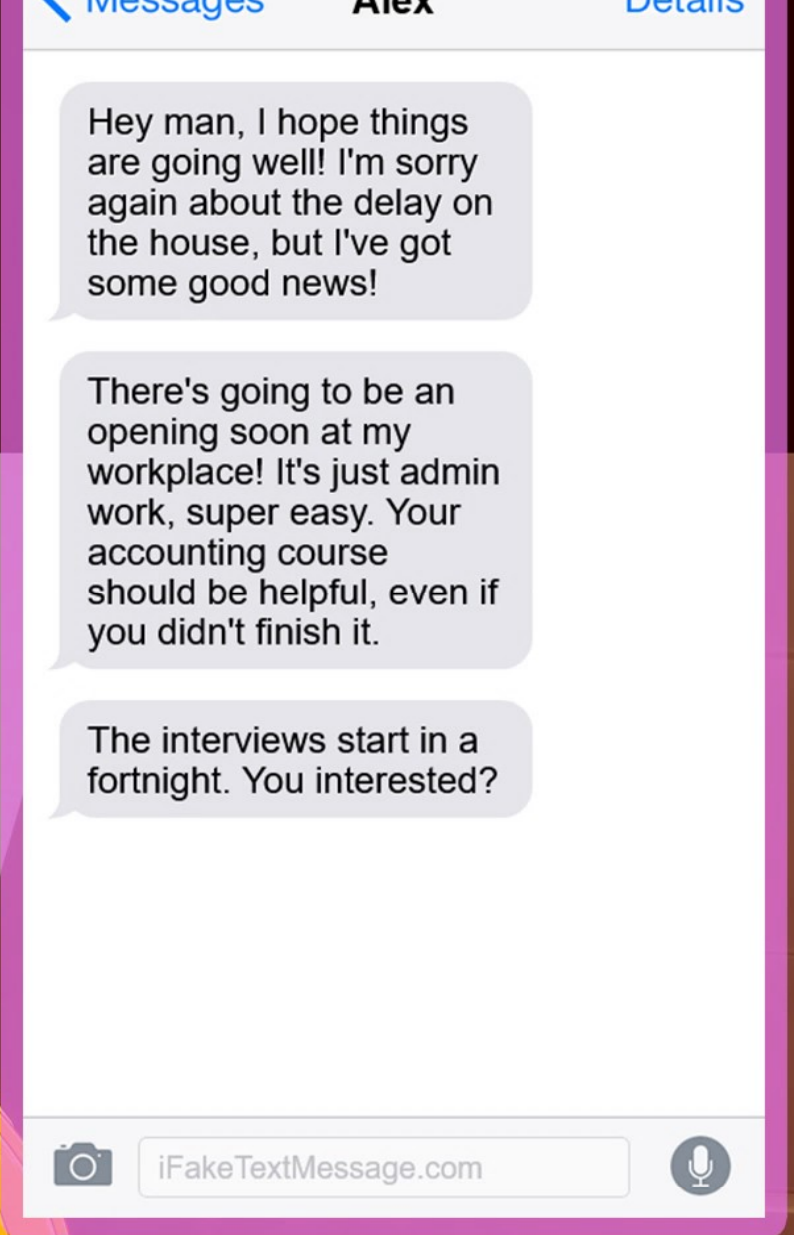

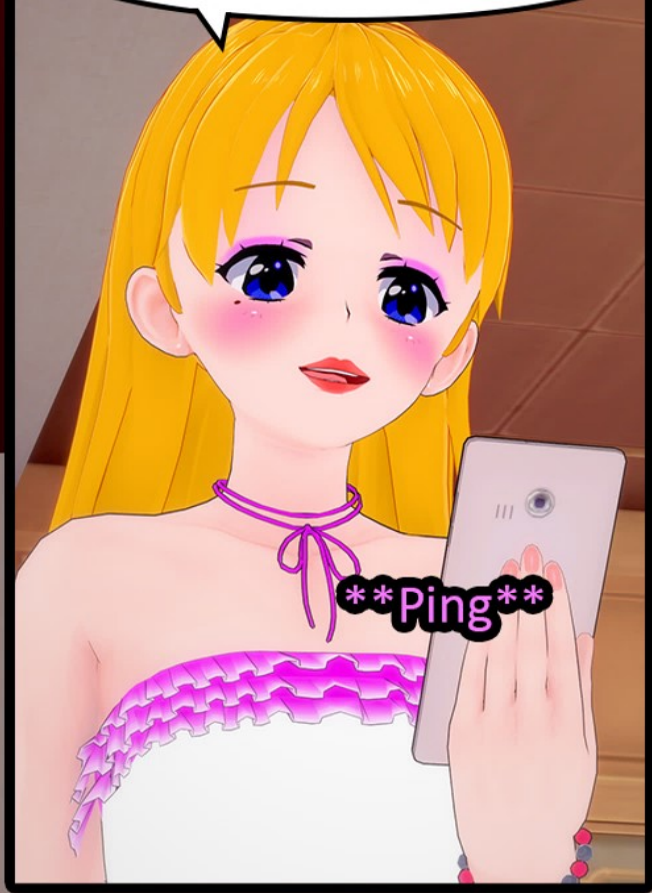

Whew...what a crazy freaking day.I can't believe I got to make out with a woman as hot as Mia! I didn't get to kiss her, or have sex, and I was treated as a girl the whole time, but still!
It was *amazing!!!*

I can't succumb to my desires again though, not while living here. I'm never going to give Reece a blowjob! No way! No matter how sexy Mia is, I can't slip up.

If I willingly suck off a guy then I don't think I can call myself straight anymore. Especially because I...I really did get turned on making out with Reece. I can't deny that, at least not to myself. Fuck...

I should check my phone to see if Alex has messaged me. Maybe he's got some good news for me.

If I want my male clothes back I'll have to agree to kiss Reece every morning and night...

Shit, wait a minute! If I get the job I'll need male clothes multiple times a week. Does that mean I'll get feminized even more each time I wear them? What the hell will Reece make me do?

I'm...oh no... What the hell is going to happen to me? Am I still going to be a man when I leave this place? Oh god...

****Stagger back****

****Tremble****

Have I...have I made a huge mistake
coming here?
