

唉.....
Zhou Ming
(voice-over)

So what should we do with the leather gun?

Are you willing
to use it? What's
there to worry about?
A leather gun is such
a stupid thing.

But... I think the matter is beyond the pale, so why don't I discuss it with the police? What we can control

You are crazy! Wouldn't it make the matter even bigger if we go to the police? You and I will be prepared to spend the rest of our lives in jail! Although the law does not specify the penalty for turning a person into skin, once the police find out,

Isn't it good that we are like this now? I really don't understand you. Why are you worrying about this?

What's great, don't forget, there is also Brother Yong, we were totally following him that day.

.throatl

**In short, he will
not give up! Zhou
Ming (voice-over)**

Hu...Ming...Wang
Yali (voice-over)

..
...Guest,
are you
satisfied
with this?

hehe...

Are you thinking too simply?

Now that you know my secret, you still want to leave?

Did he find out that I came to test her with Lao Zhou? No way? What secret?

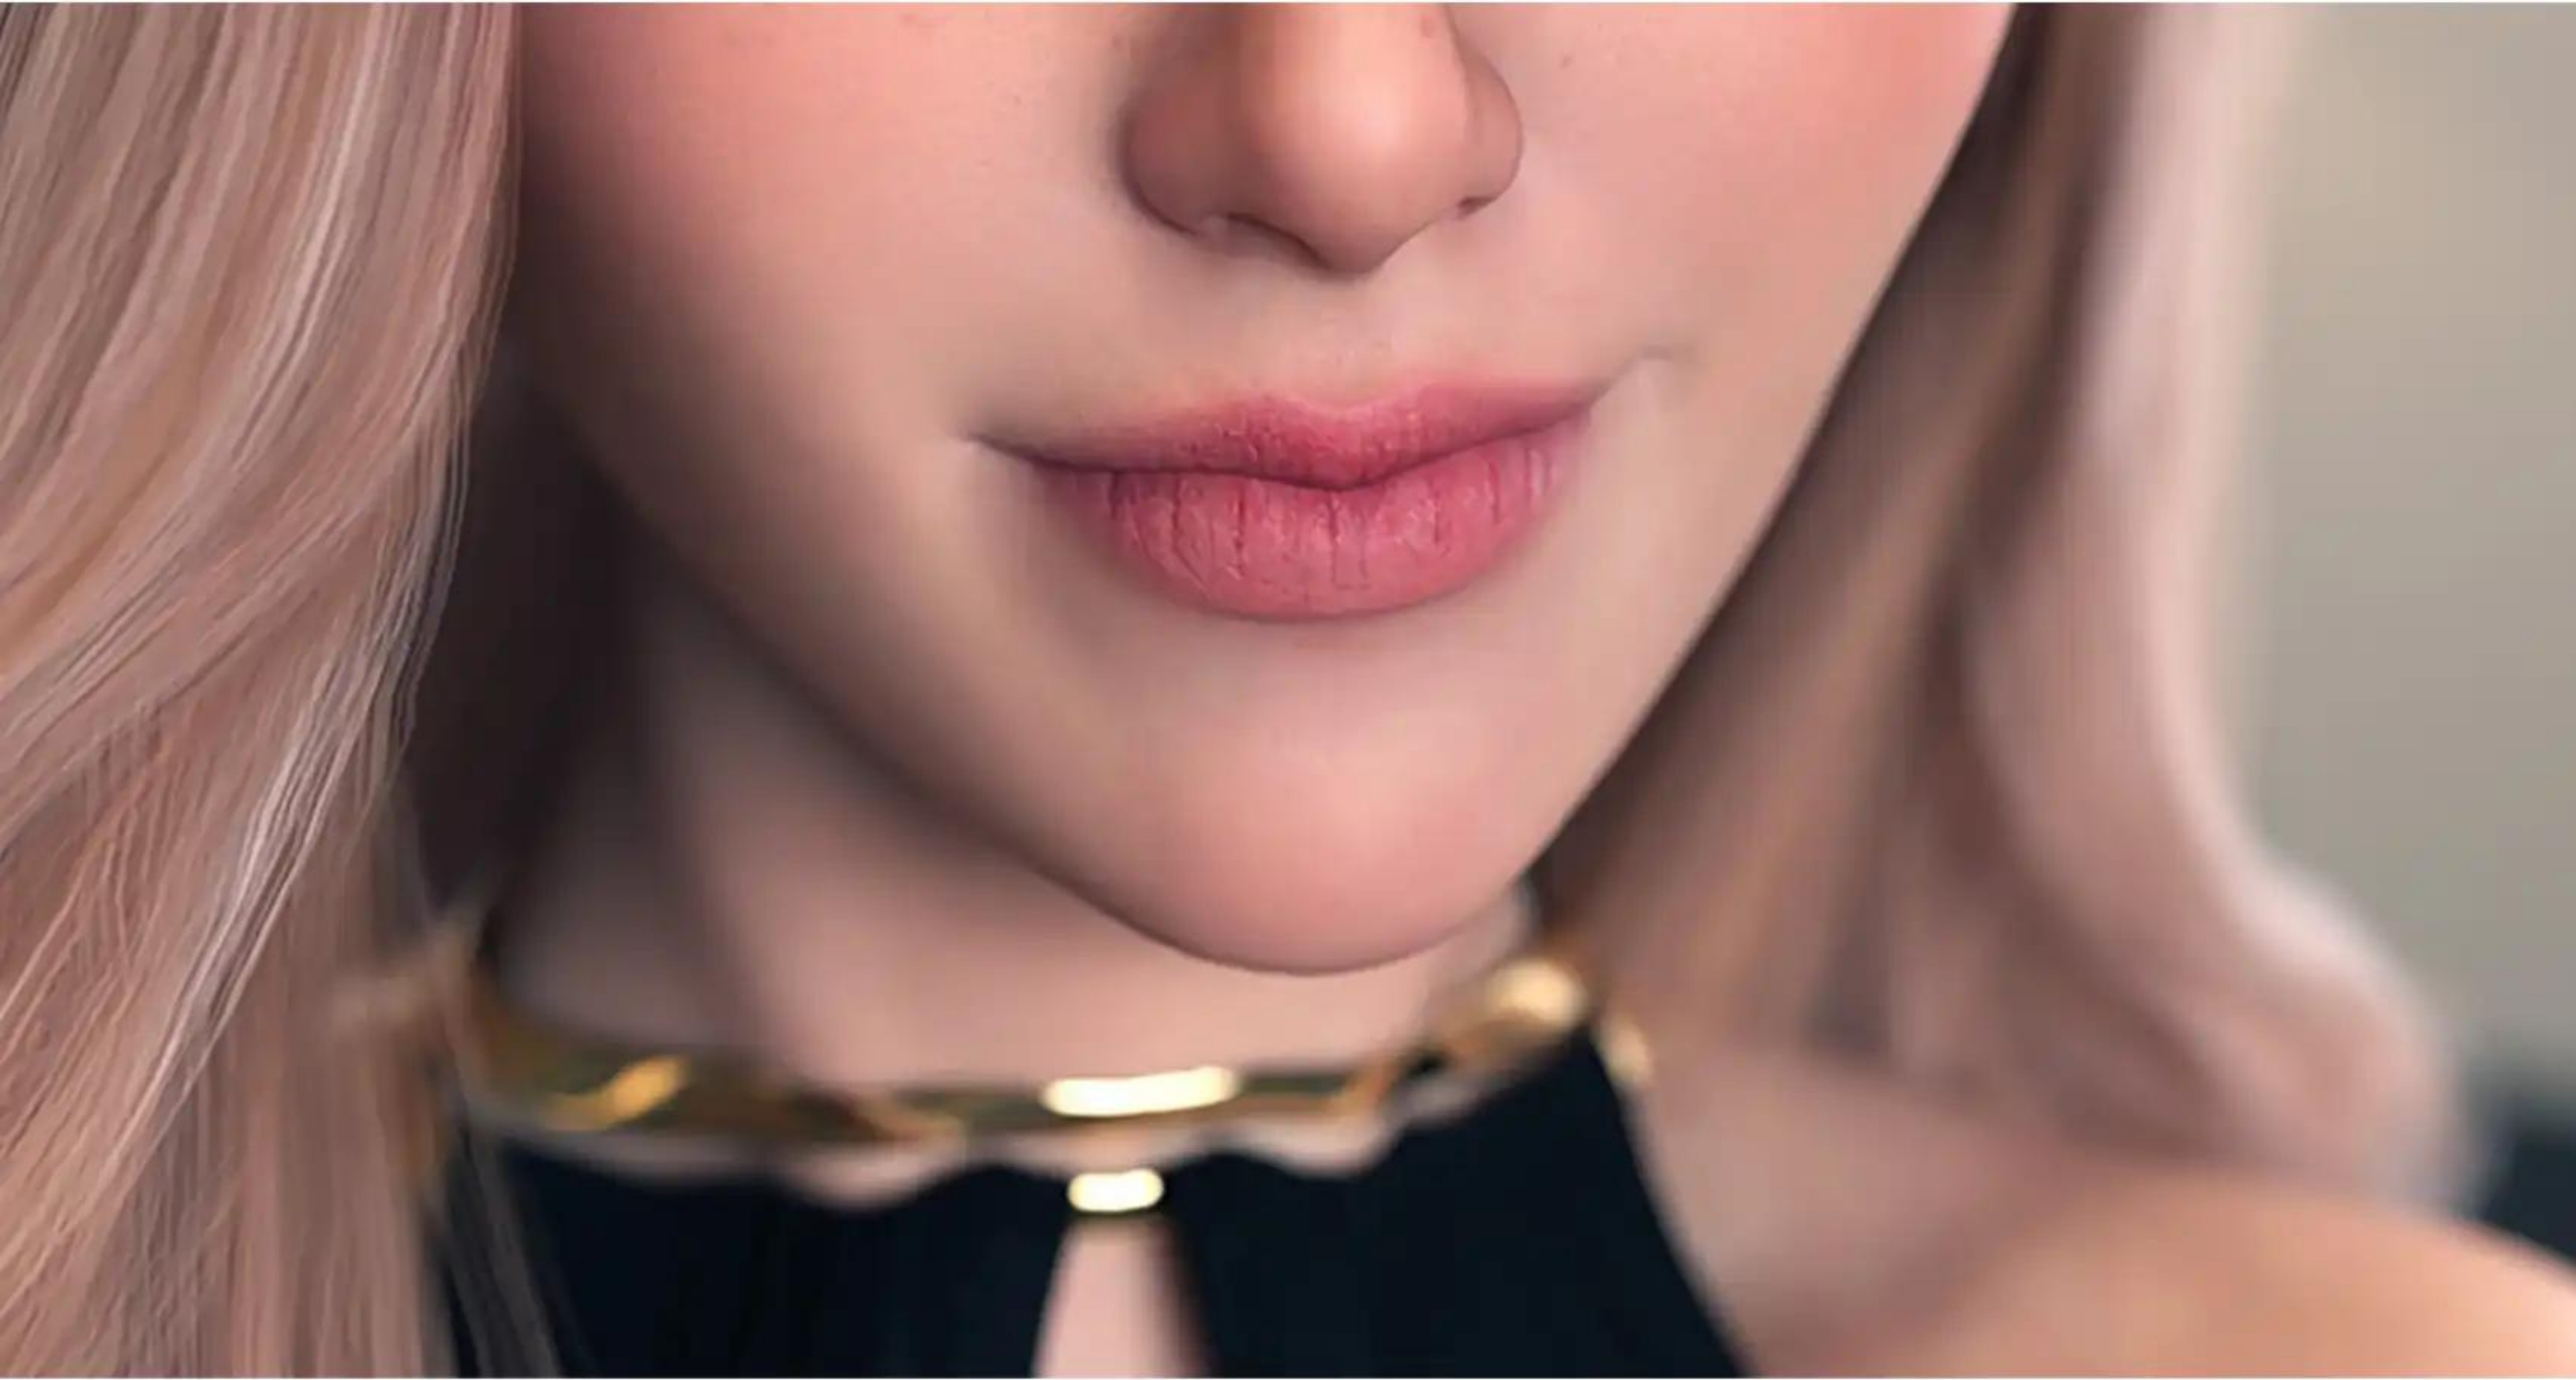

W-what are you talking about? What secret?

So I won't tell anyone about having sex, don't worry! Oh, I know, it's my fault for getting your phone wet,

Yeah? If
that's the
case, what
are you
afraid of?

Is it because
what I just did
didn't feel good
enough for you?

snort! Ever since I made up my mind to pull you out, I never thought about letting you go! From the moment my cock comes to fuck you,

How could I let you spread my secret? I already let you know that I am a man

Damn it, what does this lunatic want to do? You don't want to kill people and silence them, right? I've lowered my posture to let you go.

It's okay, one on one, I don't believe what she dares to do to me! As long as I run out of this room,

Isn't that a more realistic wearable toy? ...I don't understand what you mean, guest,

Everyone's sexual preferences are different. I won't comment on this part, and you don't have to worry about me saying nonsense.

I still have work to do... You see it's getting late,

Stay and play with
me! Leaving now? It's
still early

ah!

this, **Is this the difference
between high school
students and adults?
Hiss...oh my God, he is
too strong**

What...what are
you going to do?
She will come to me!
I'm warning you, don't
mess around! I...my
colleague saw that I
didn't go back,

Haha, that's just right...

**Rather, the
more the better!
Hee hee. I'm not
afraid of more
beauties.**

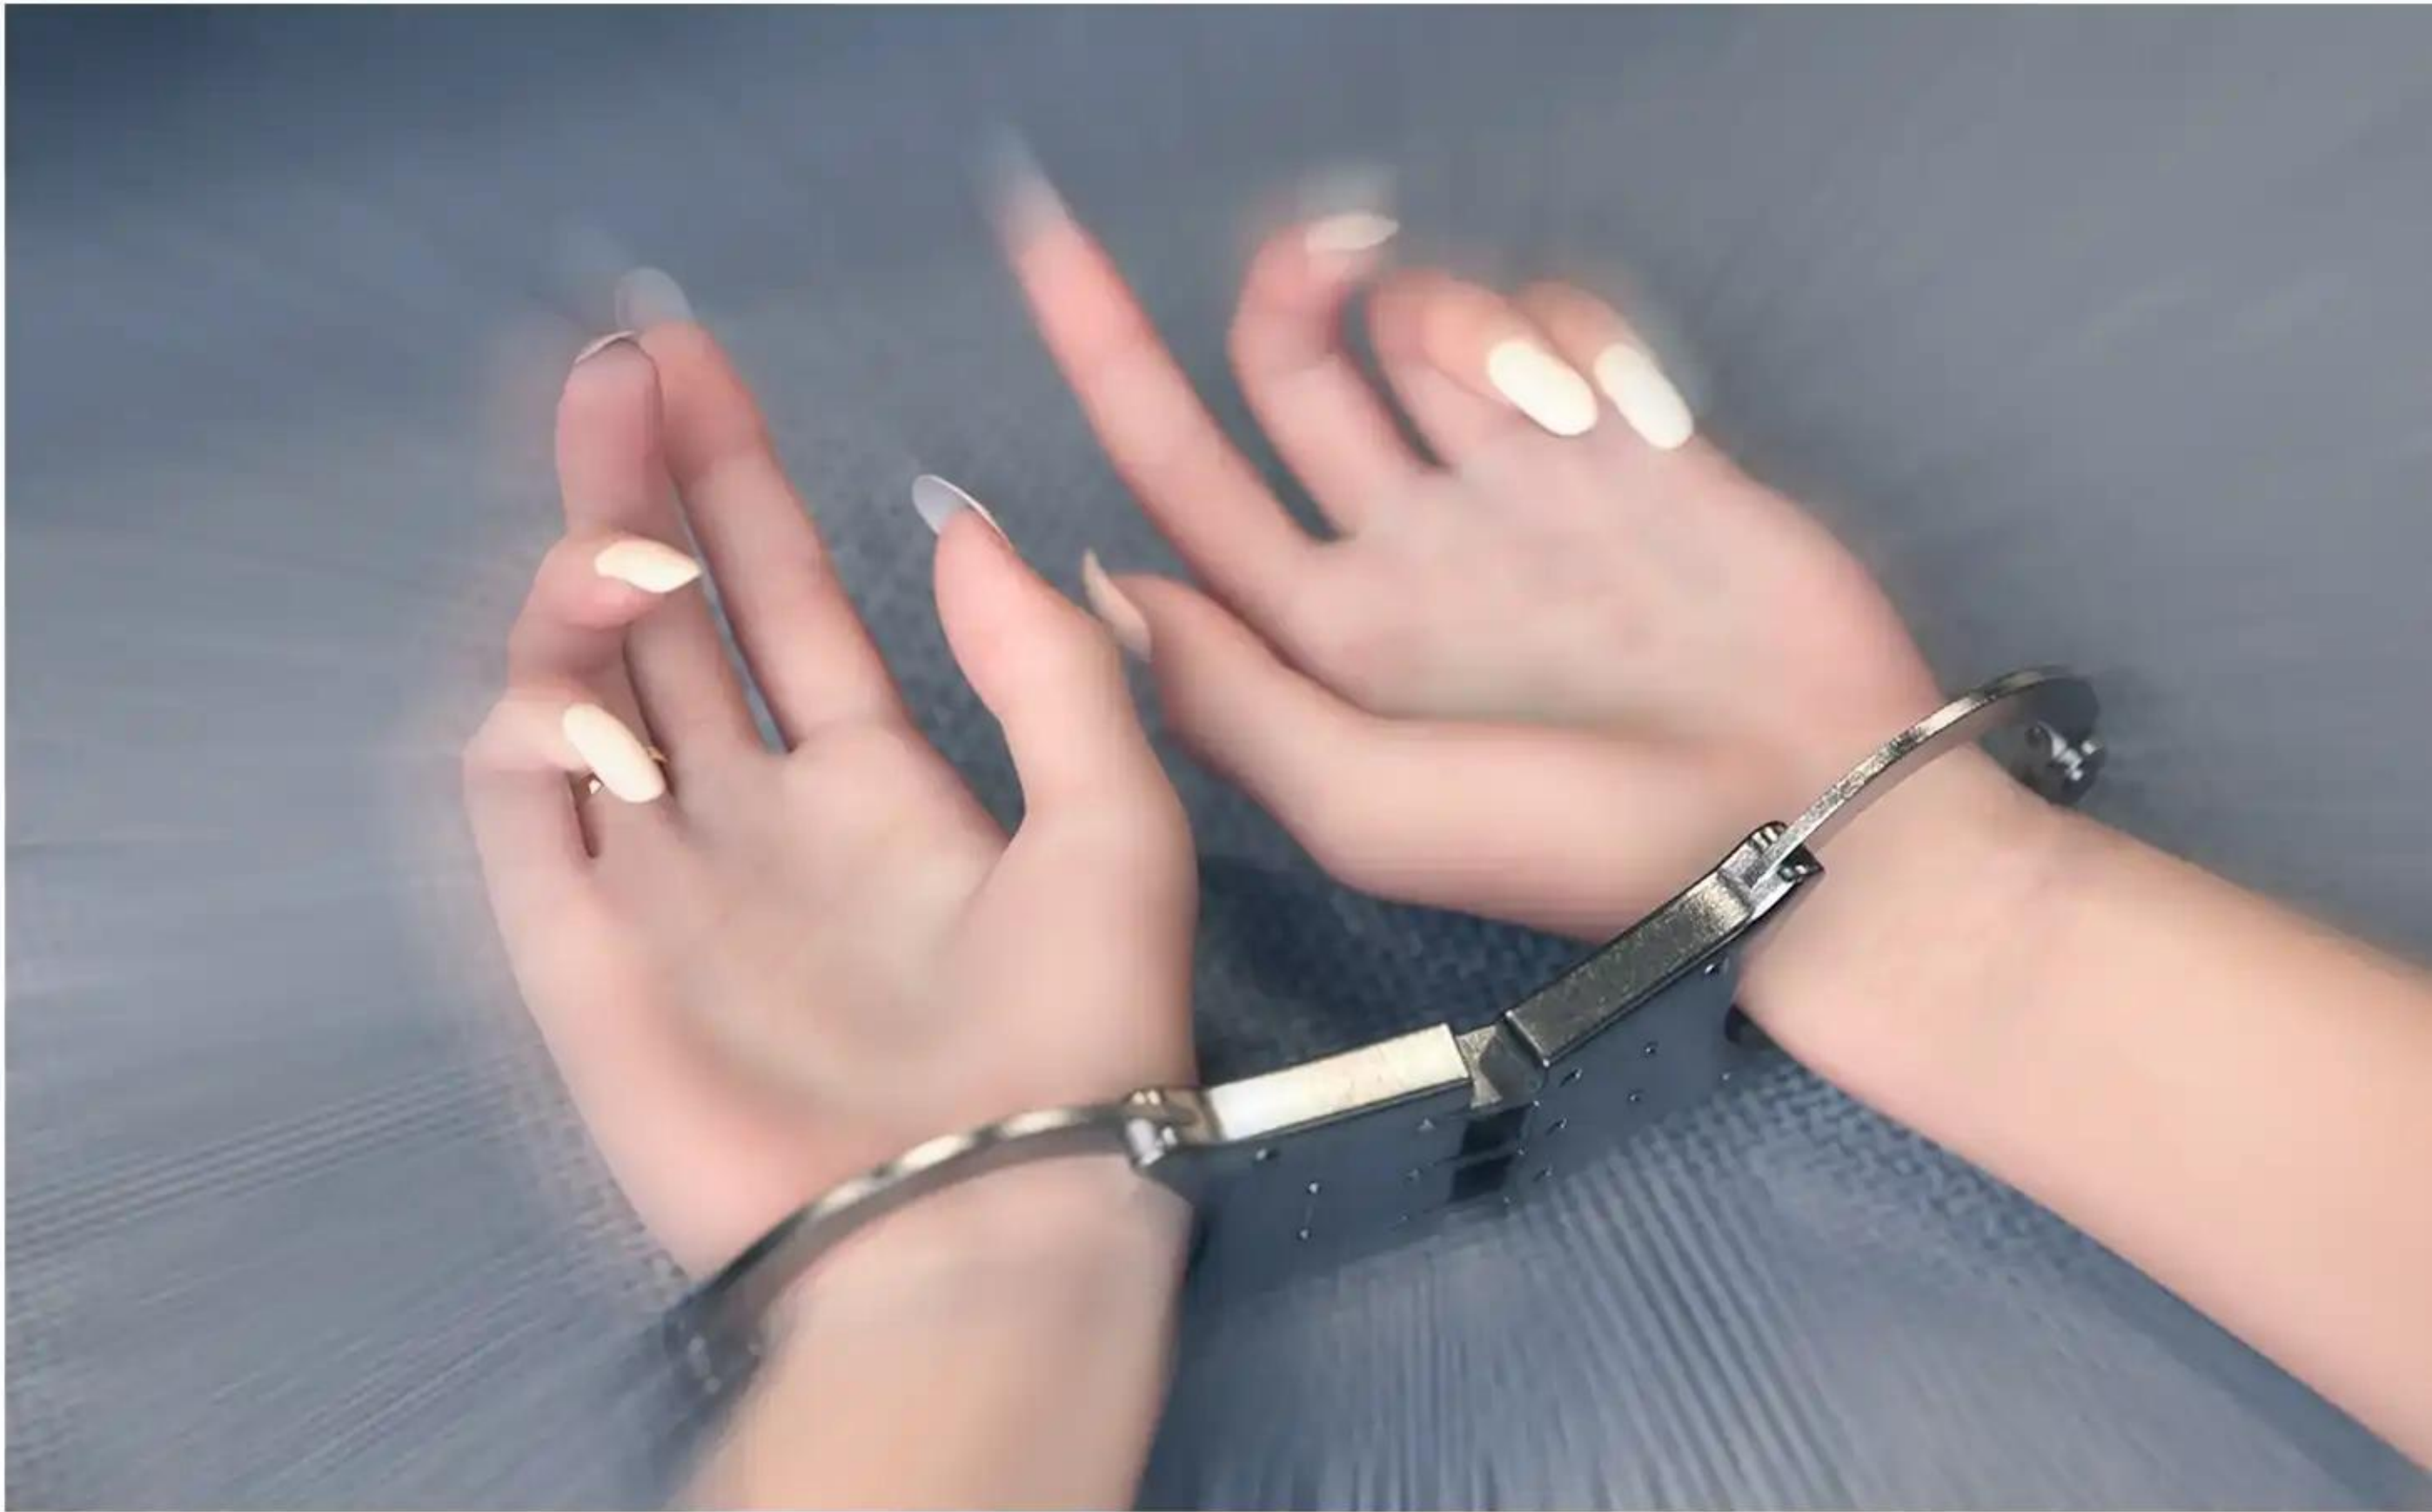

There's a pussy with lots of explosions to fuck, hahaha! This way I will have an endless supply of women to play with.

Let's continue
the fun and
perverted futa sex,
little beauty

Wohoo...woooooow!

(Hurry up and let me go! Ooooooh!)

MONICA (V.O.) Isn't it much quieter now? Oops,

Why are you struggling all the time? Really,

Ah~ If I could be one, it would be a dream come true! If he ties up a beautiful woman and plays with it wantonly

**Dry! If you have any
idea, let's switch! Don't you
want to be kidnapped by a
shemale? When I take it out,
it's not smaller than yours!
Damn it!**

**I'm so strong that I
can't even resist. Is there
some kind of burly man
inside my skin? ...hateful!
It's just this madman,**

**Whining!
Woohoo!**

**What's the
fuss about? Are
you dissatisfied
with the stuff in
your mouth?
Monica
(voice-over)**

Why don't you like it? That is my favorite piece of underwear.

Does it make you extremely excited? Or maybe it's because it smells so good

Monica
(voice-over) When I
first got it, I couldn't help
but smell it every day! After
all, she is a foreign woman,
and the fragrance with a
slight fishy smell is
particularly strong.

How do you taste? I just don't know,

Oh oh oh
oh oh!

Greedily smelling the heat between her breath, I can feel my most private body parts.

It's still so exciting! Even in this extremely tense and dangerous state, do it! This is really too sexy,

It's so charming...the smell of sweat that comes from having to kneel down for life, ah...what a great smell, plus the lustful smell from my pussy that I just fucked, a workplace beauty who has been working all day

There might be something else inside, you are wrong! What you smell is my big cock mixed with the smell of Wang Yali's pussy! There is the smell of sweat left behind when Lao Zhou wears leather!

Tasting me with relish, I feel so good even if I am tied up, huh! Looking at you like an idiot, the smell of a big cock,

Monica
(voice-over)
Then I should
return the
favor.

How does it taste! Let you recall, this cock that you just climaxed with,

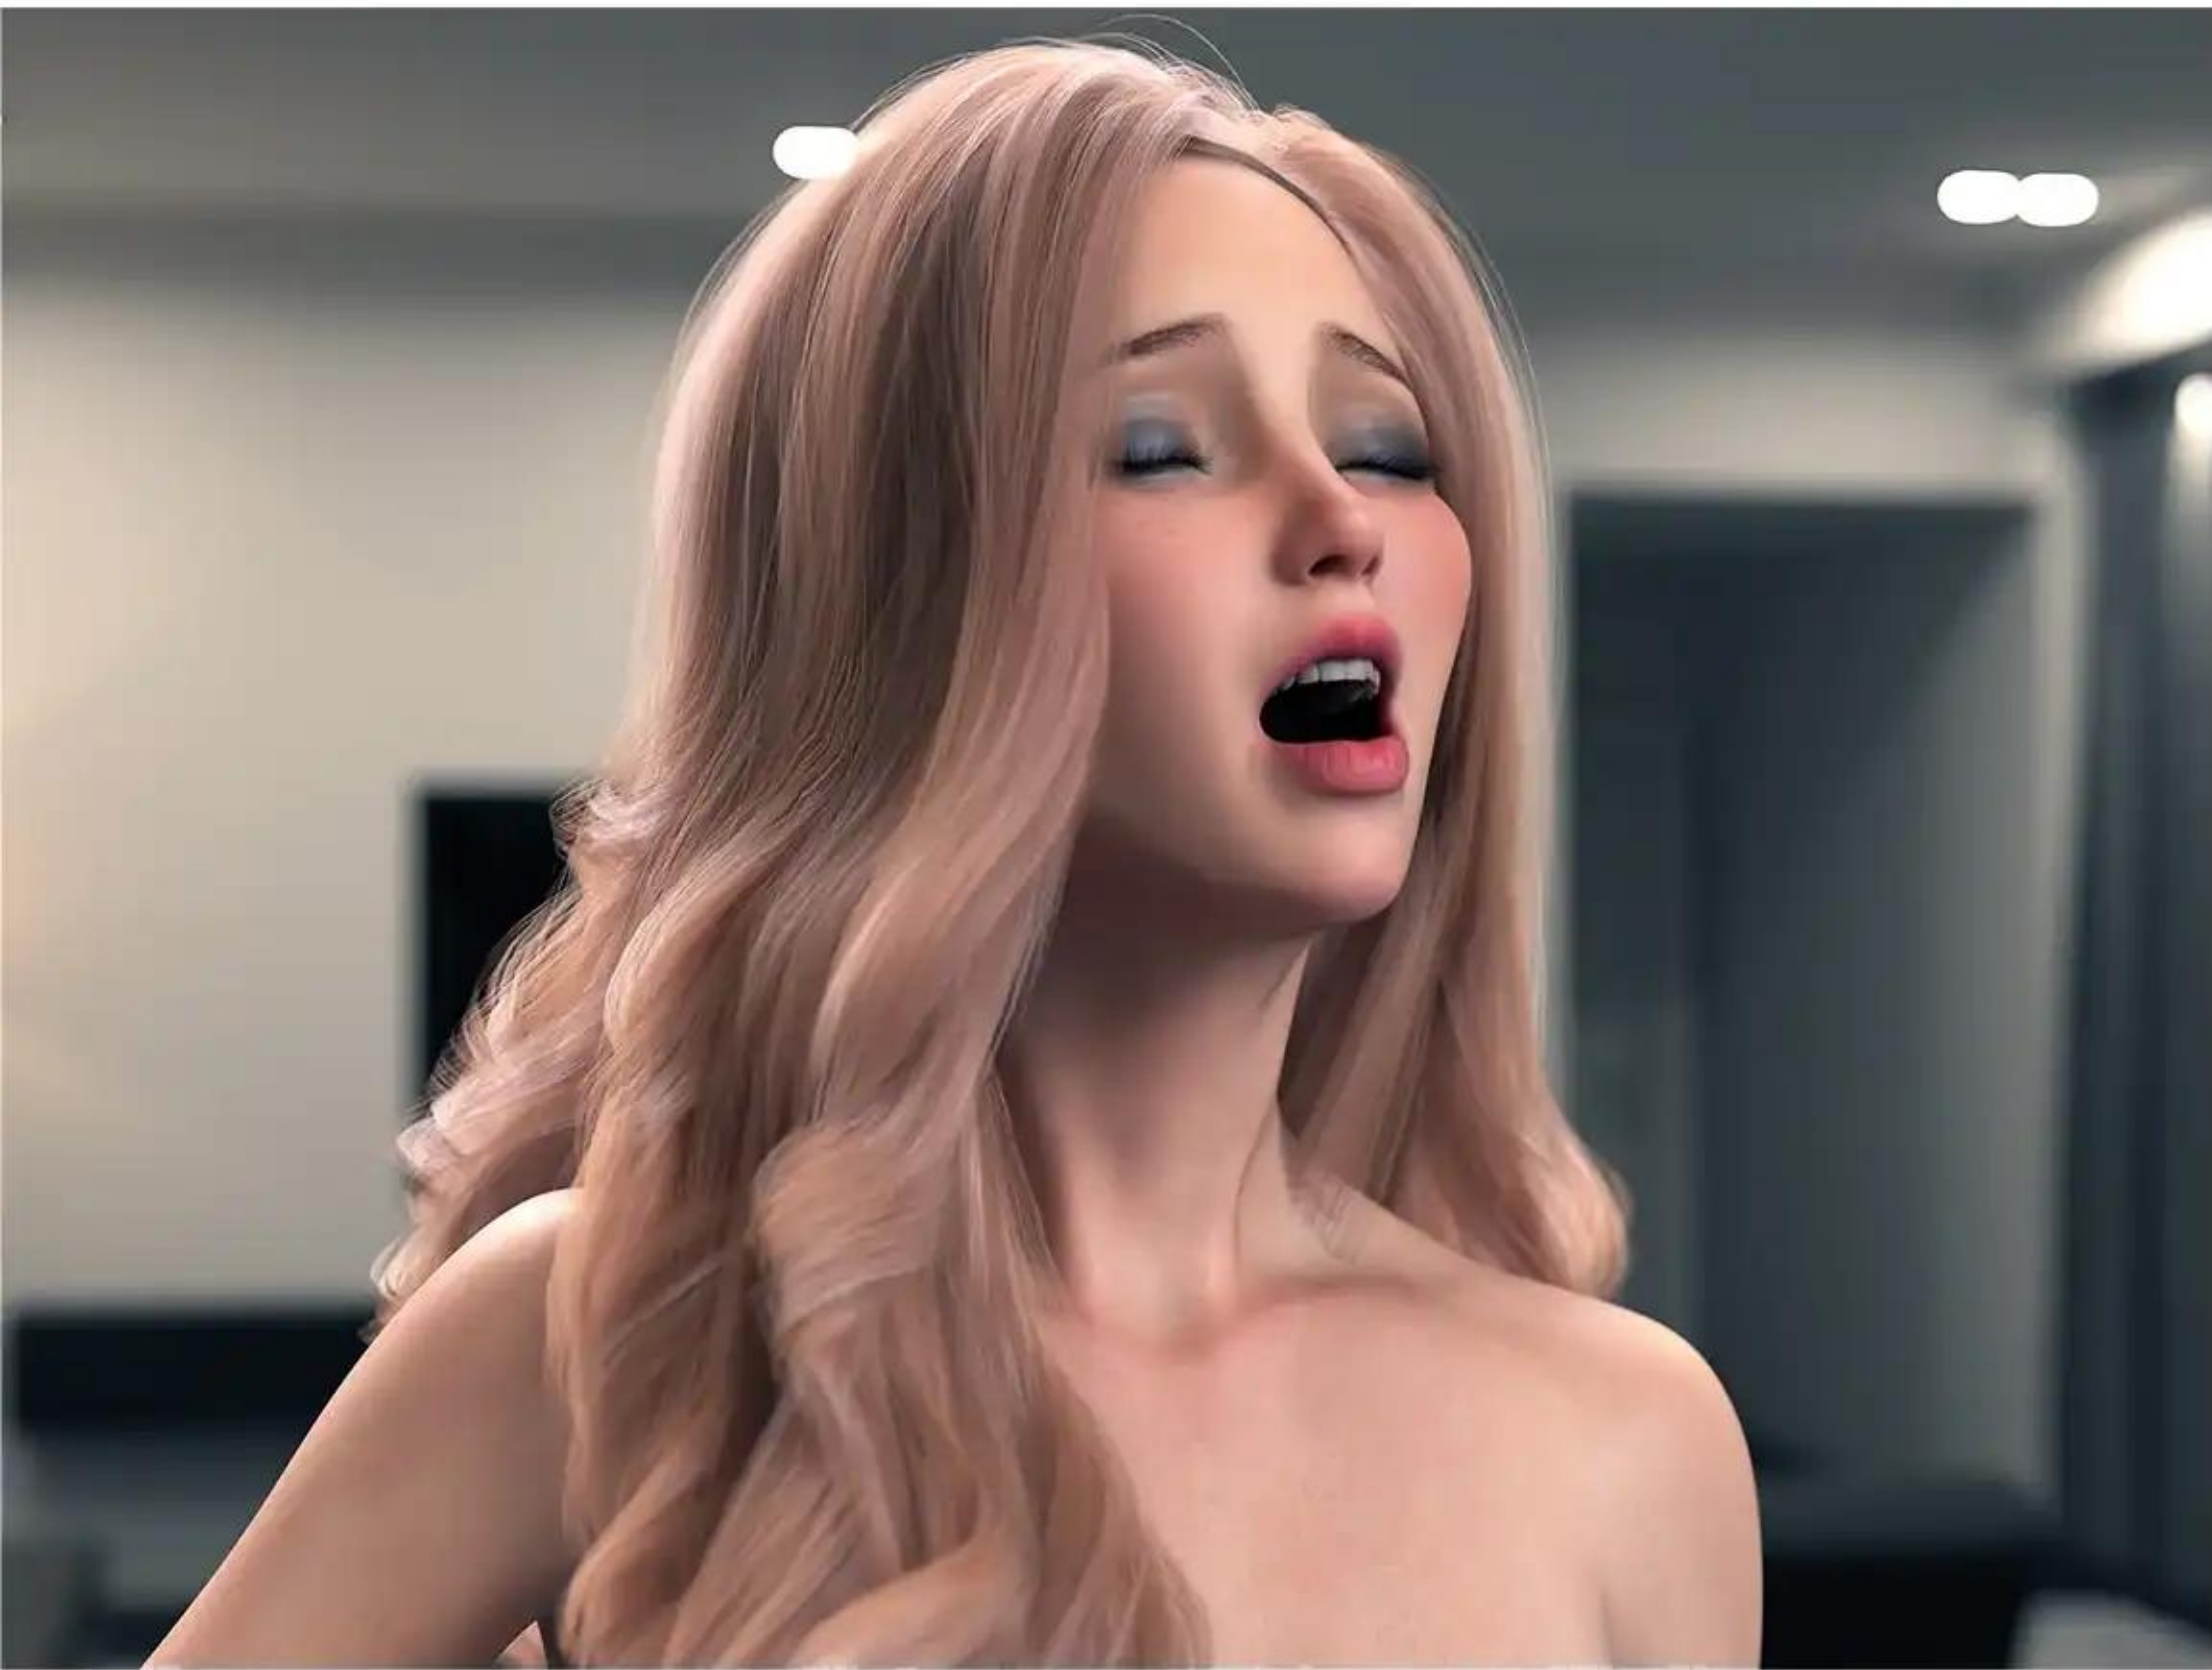

**You pervert,
how dare you do
this to me!
Cry...take it away,
take it away!**

**Damn it, it's too
shameful, Ming... But
now I feel like a lamb to
be slaughtered - I
pretend to be weak
and get fucked**

**Generally,
the same
thing,**

嗯啊
My cock is ..
dripping with juice
from rubbing against
it! It's tender and
smooth, and your
little face is so
comfortable,

But that's not cool
enough for me! Although
facial cumshot is also a
good option, Monica
(voice-over)

Wang Yali
(voice-over)
Cough! cough!

Let me go
quickly...Ting! I'm
warning you, you
damn pervert,

The atmosphere that was finally created is gone! It's true, it makes so much noise once you take it off.

But when it comes to eating meat sticks, it's not ambiguous! ...Although your mouth is a bit noisy

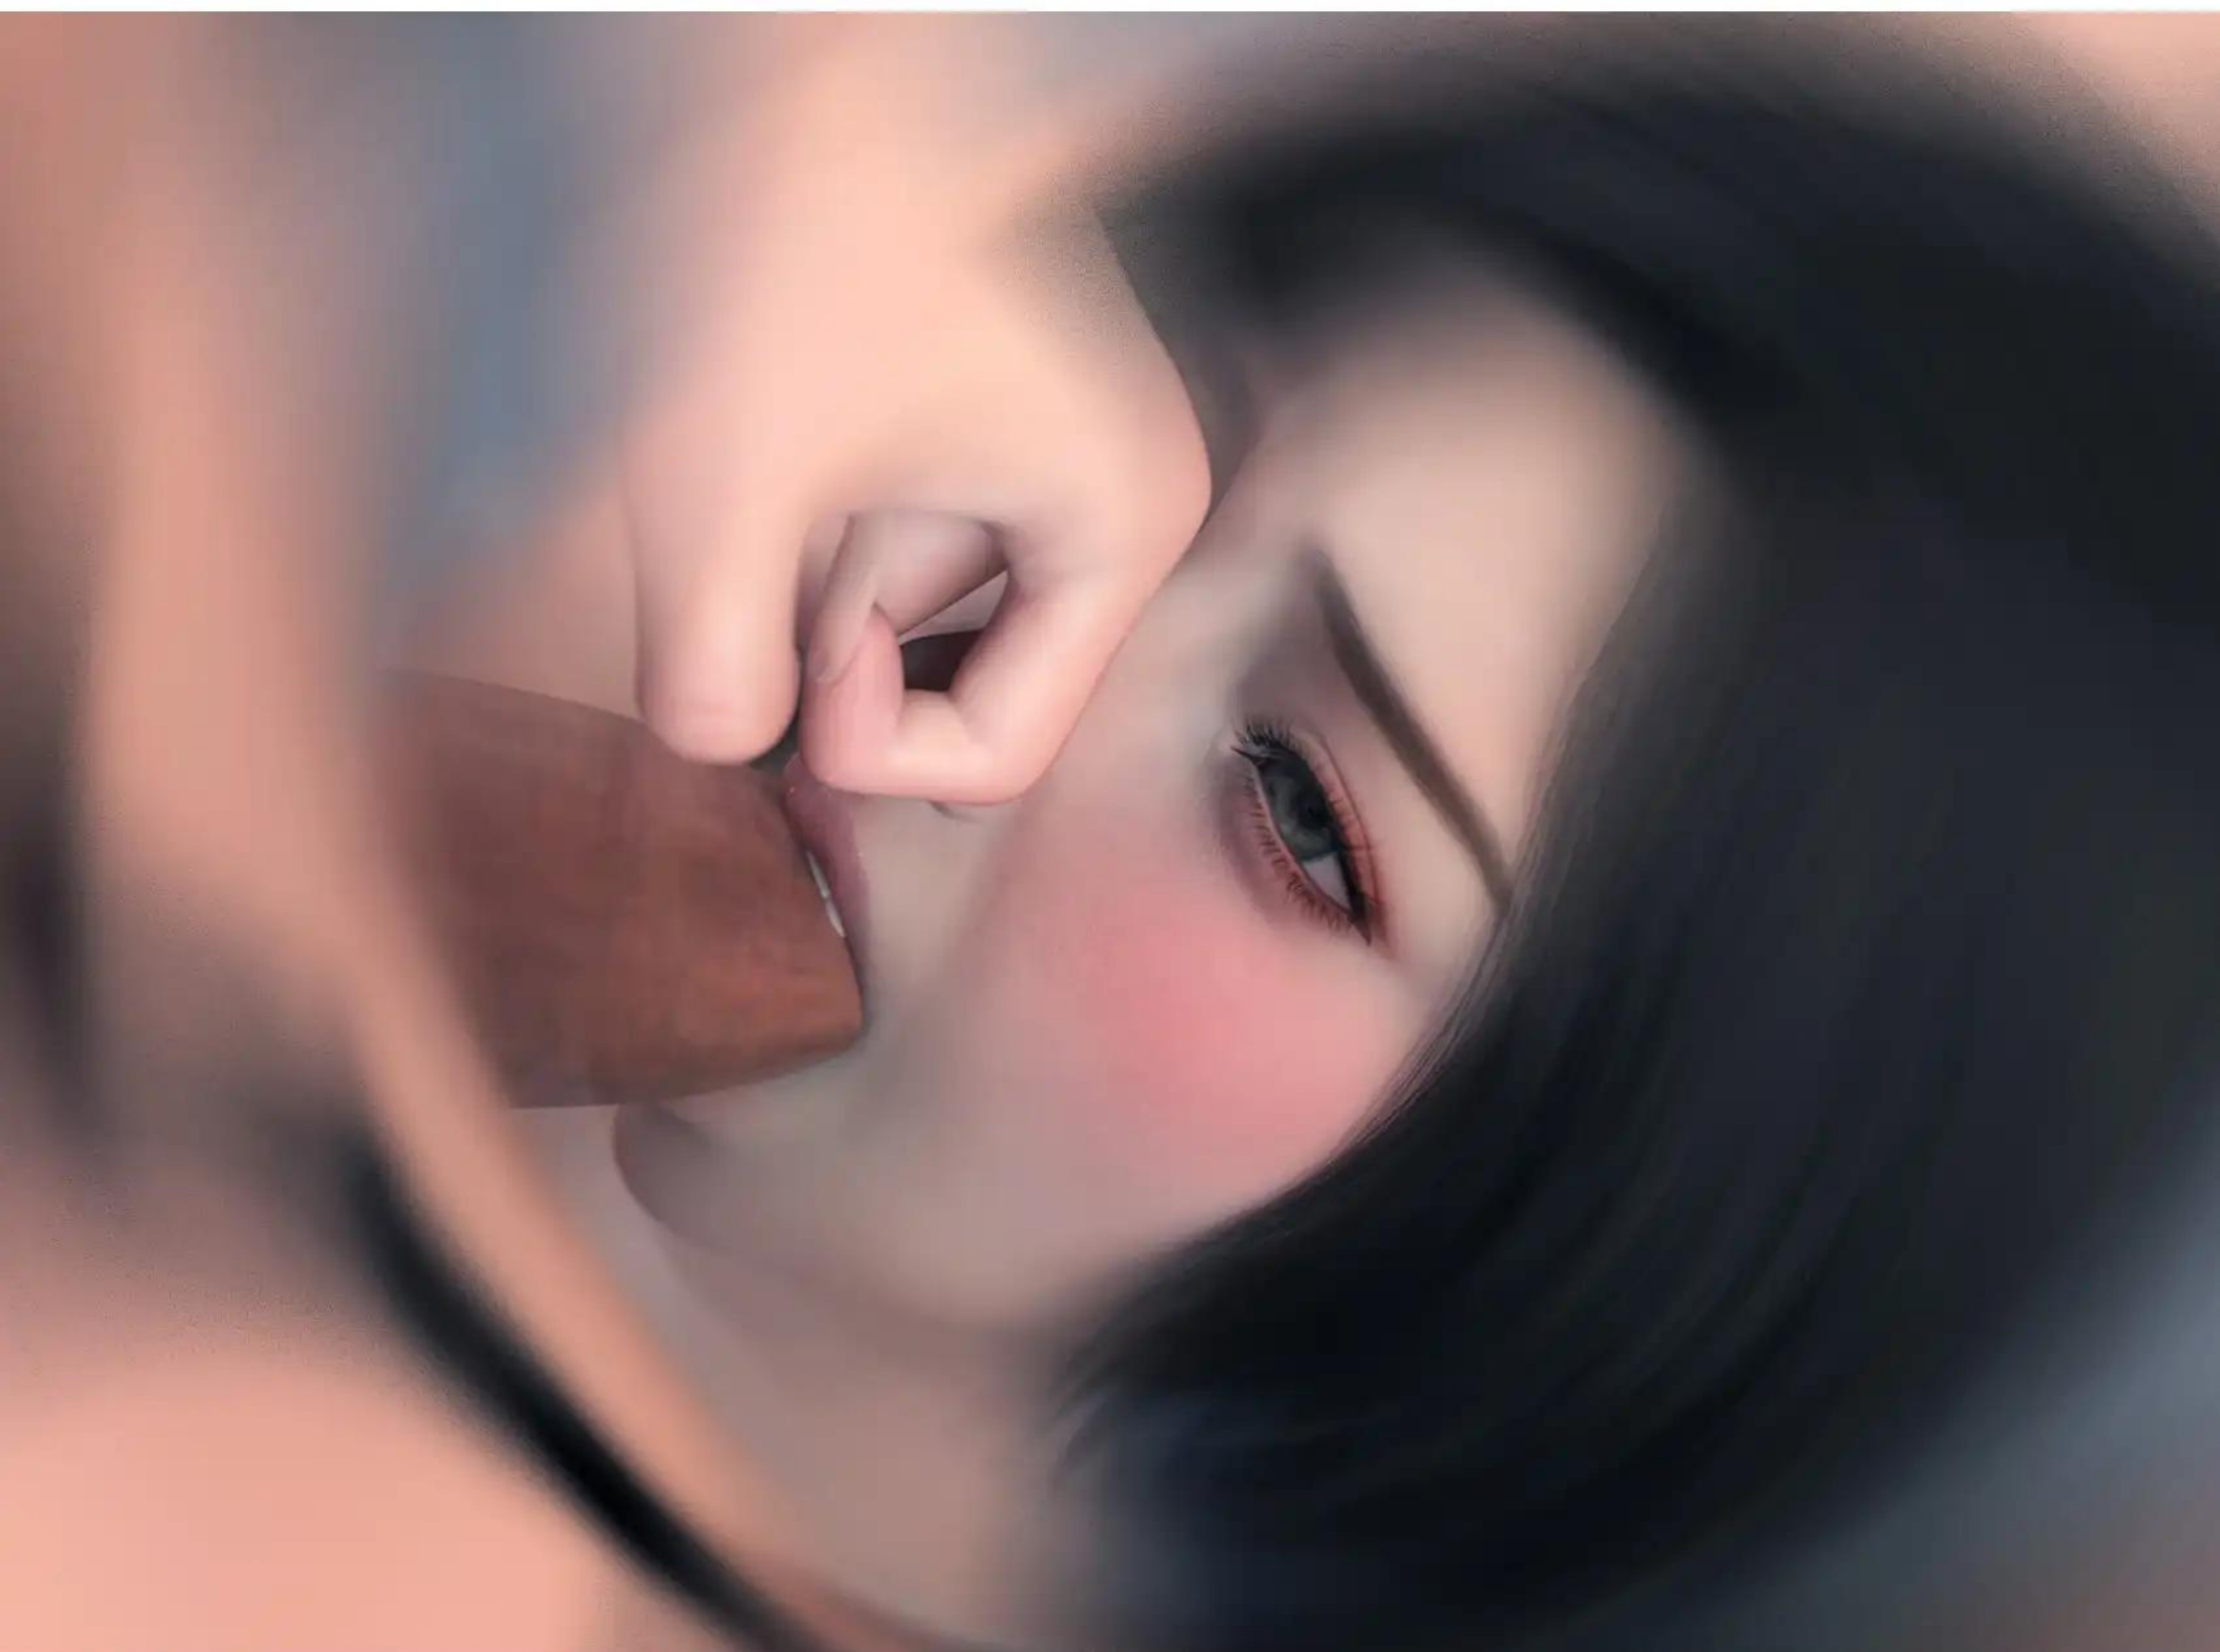

Be good, lick me well, and treat me like a VIP guest in your hotel Monica (voiceover), do you know?

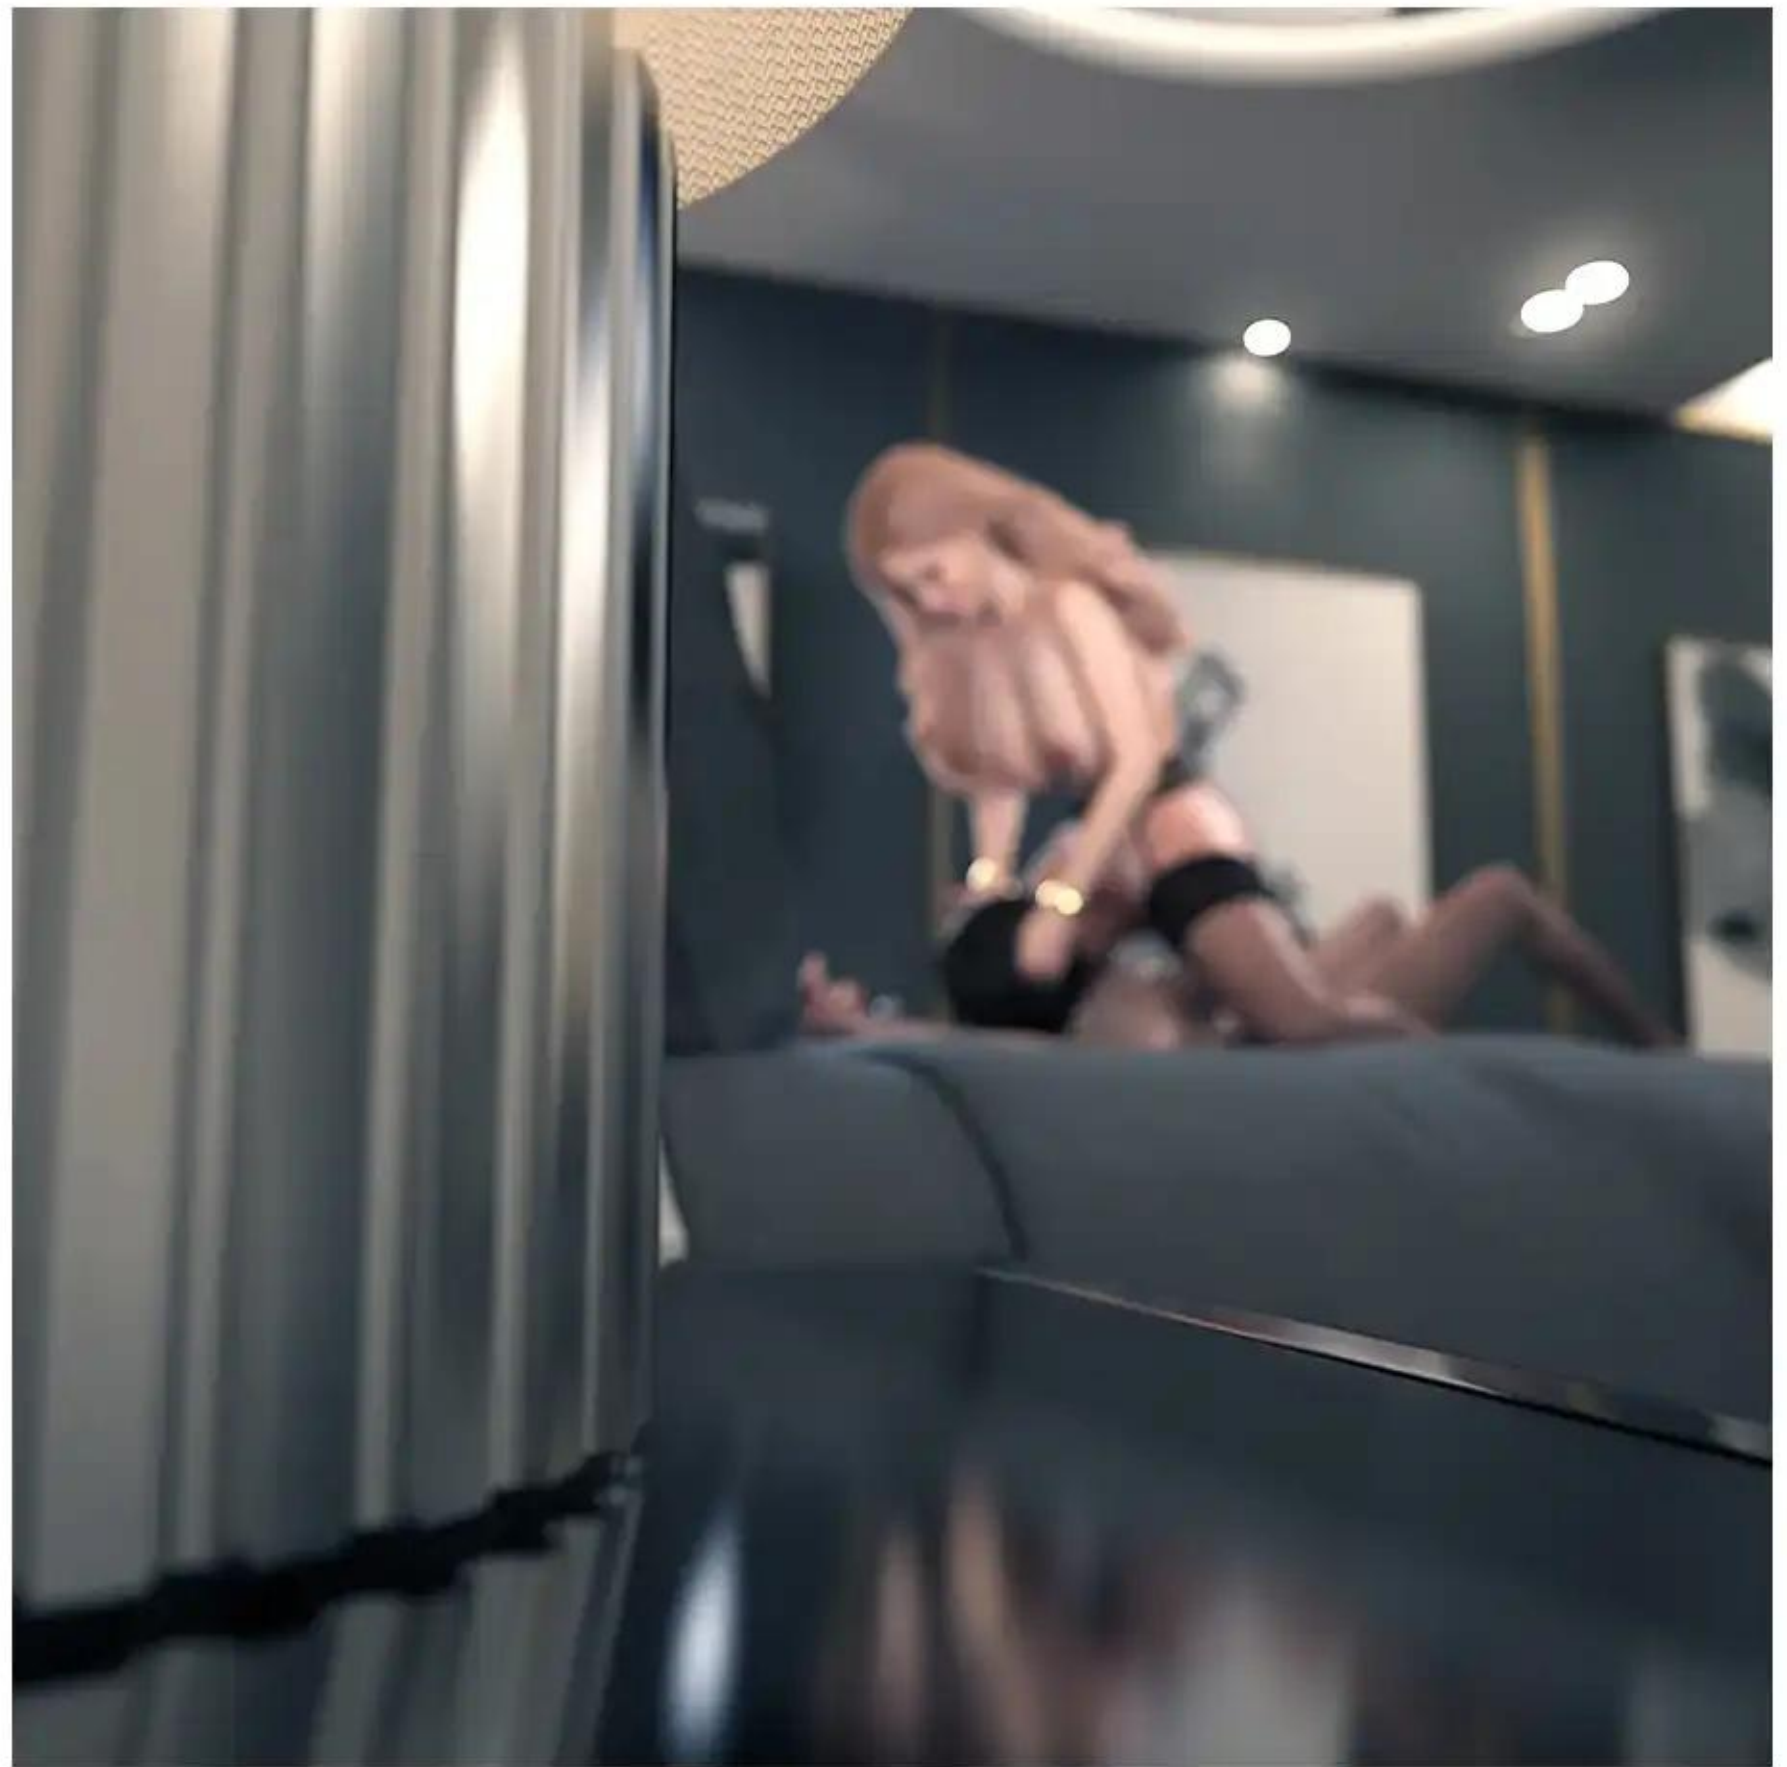

Do you really think I am a hotel employee? Damn it! What kind of bullshit VIP?

I can't breathe anymore, Ming! Hiss...the fishy smell of the dick keeps coming, spreading all over the mouth

**You must swallow the
VIP's big cock obediently!
Yeah! Open your mouth
wider, (Monica)**

**Woo...woo!
(Wang Yali)**

I'm defiling this beauty's body! How bad hahaha! ah! It's so satisfying. The real-life blowjob of Futa came out of this beautiful body with my obscene cock.

**You're not even a woman at all, haha!
Anyway, you can't escape from my grasp, and you're not a foreign language teacher. I'm not a VIP in your hotel, so I'll tell you the truth.**

This cock is the best proof! A man disguised as a woman is actually just an empty human skin, and I am a man wearing human skin. The me you see now,

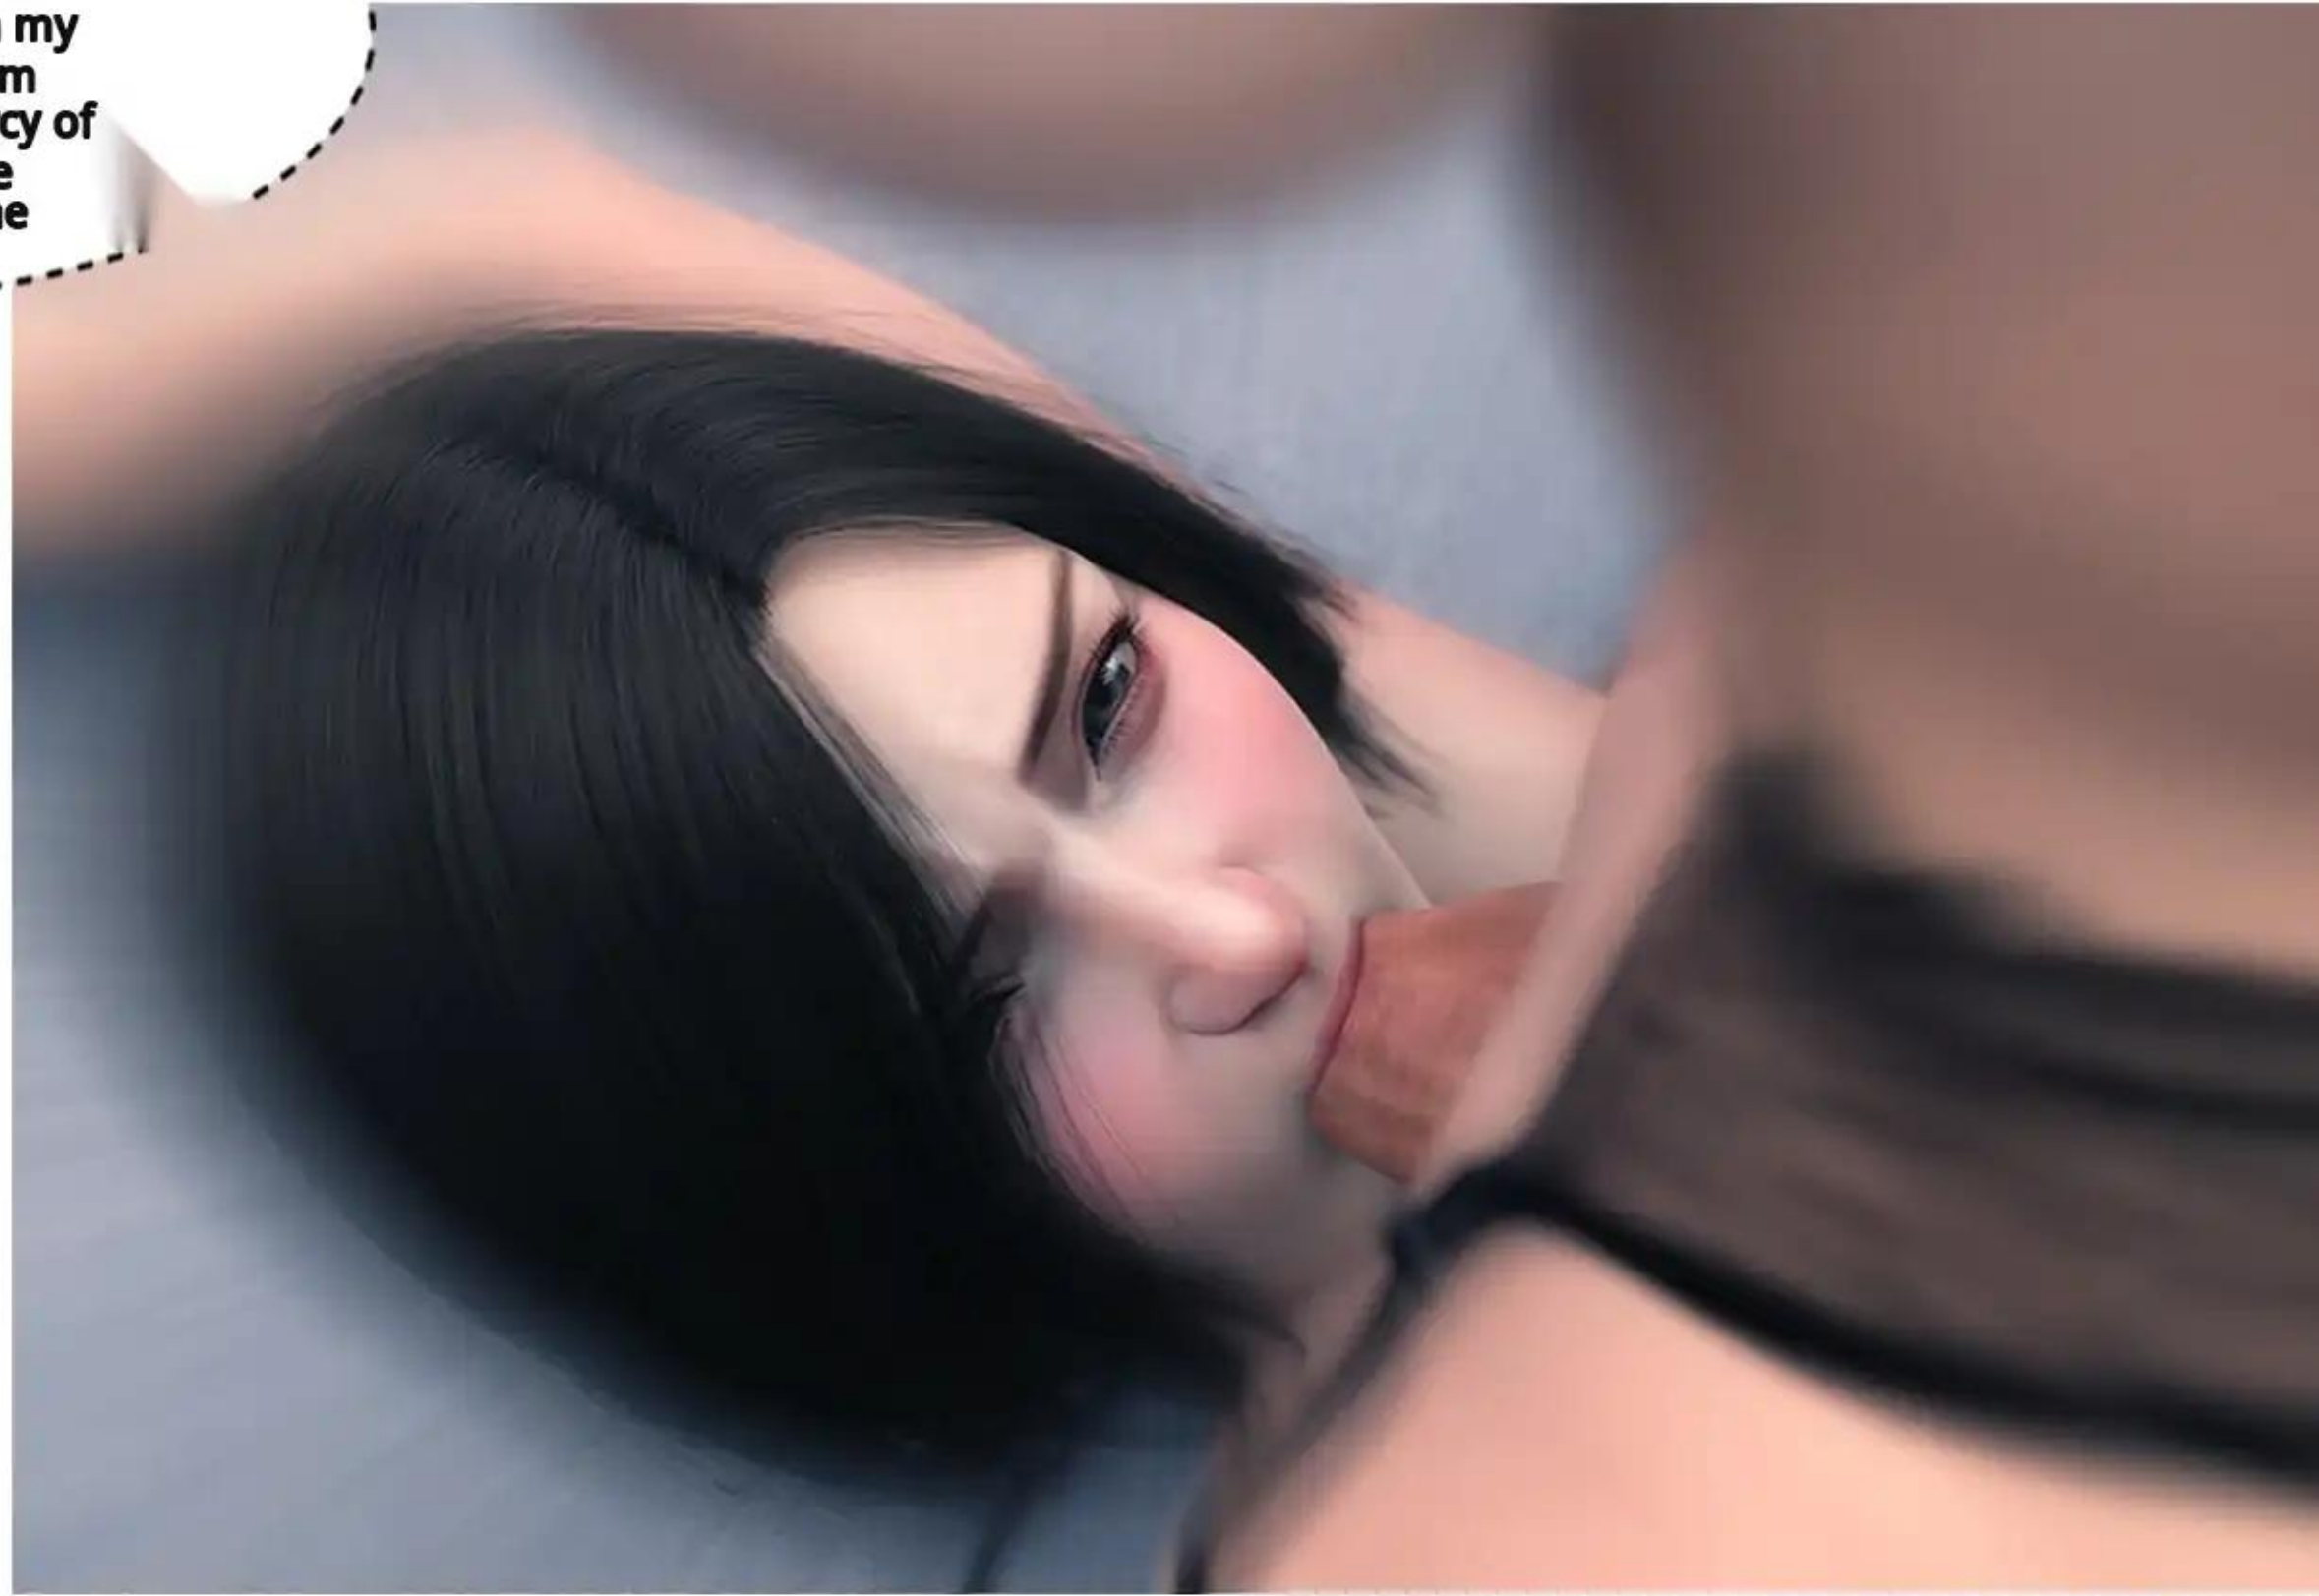

bring it on! Let me see your expression of extreme fear! Be afraid! It's my favorite part again~ tremble, the secret that I am actually a man is revealed,

Ah!
just thinking about it makes me excited to the point of orgasm! You can't escape the fate of being turned into human skin by me. Your body and your life will all belong to me! And next,

Ming....

..If I were really an ordinary girl, I would probably be scared to death! It's just that in my current situation, I'm completely at the mercy of others! It's like the opponent's airplane cup,

I'm obviously the one who can act like a ~~bad~~ ^{know} ~~mouthpiece~~ ^{tomorrow} to this pervert here! No, I am a person who enjoys the world with a leather gun

MONICA (V.O.)
I almost came!
Phew, your little
mouth feels so
comfortable.

**Tasting your pussy
again! That's too boring, but
if you cum like this, I want to
do it before you turn into
human skin.**

My cock will be completely integrated with your pussy! How does my cock taste, Monica (V.O.) Hee hee! After I put you on

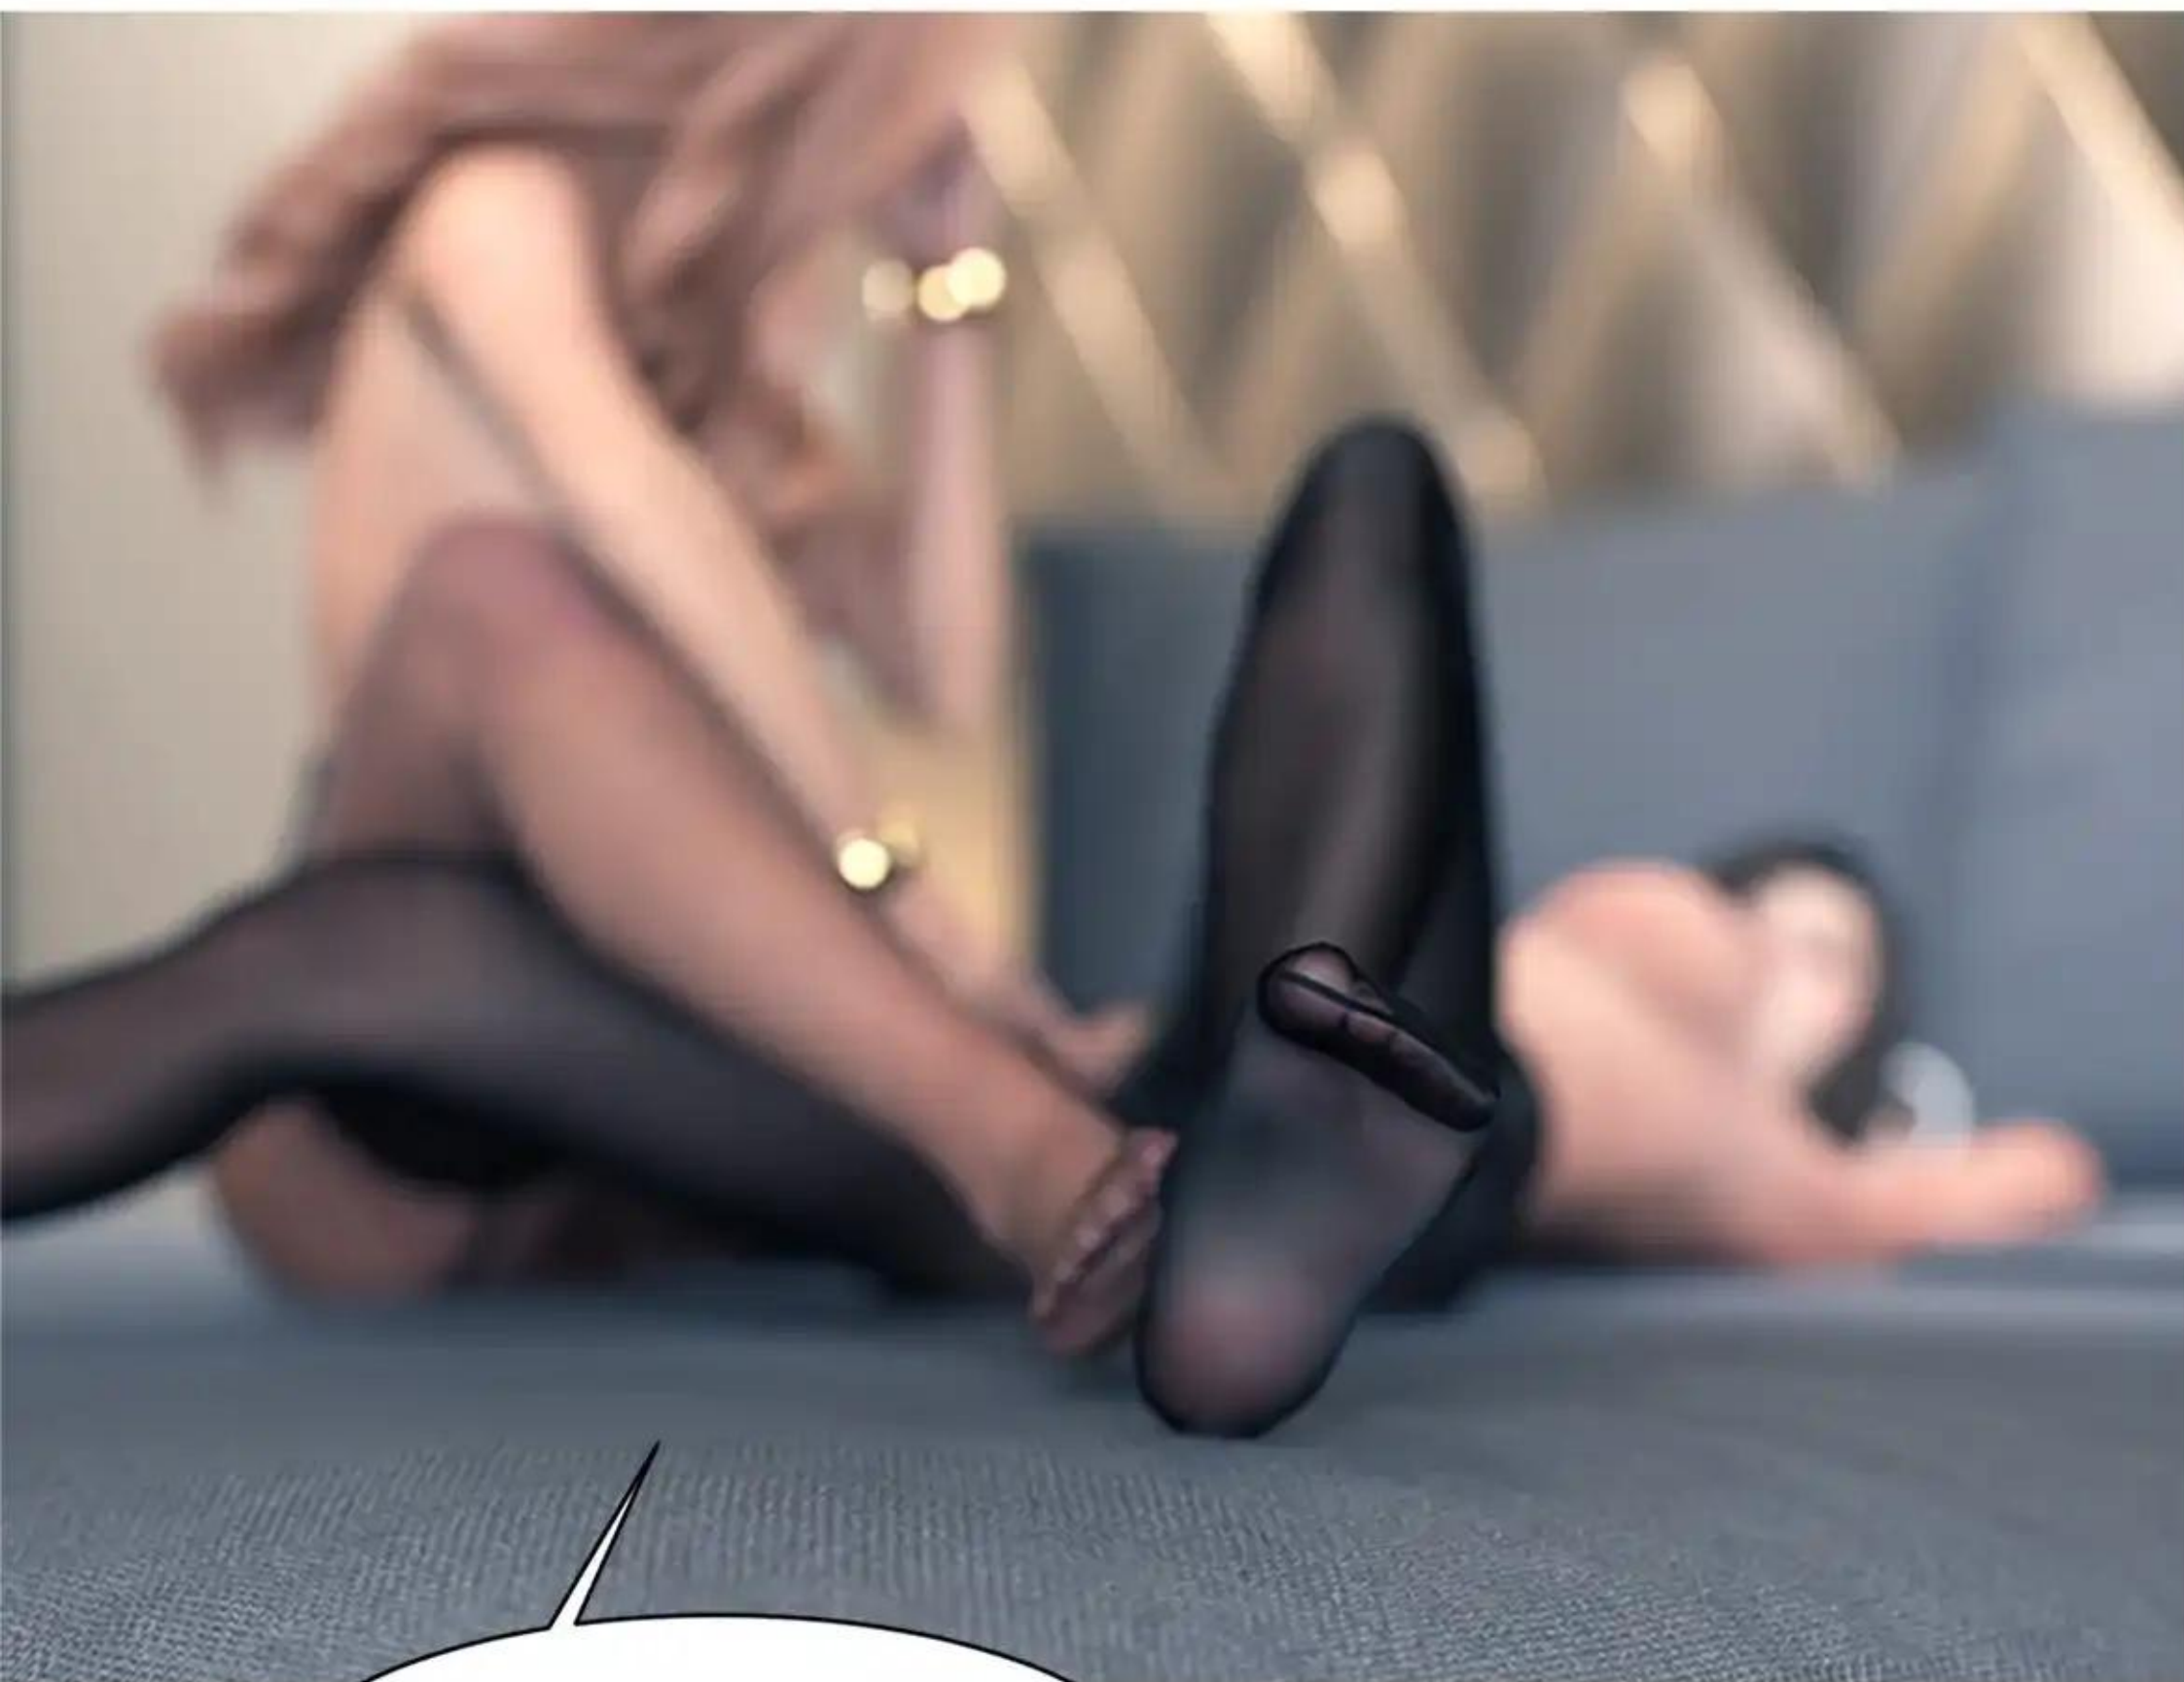

You...you
pervert,
go to
hell!

That will only
make your body feel
so good! Haha, even if
I really want to die,

insert!

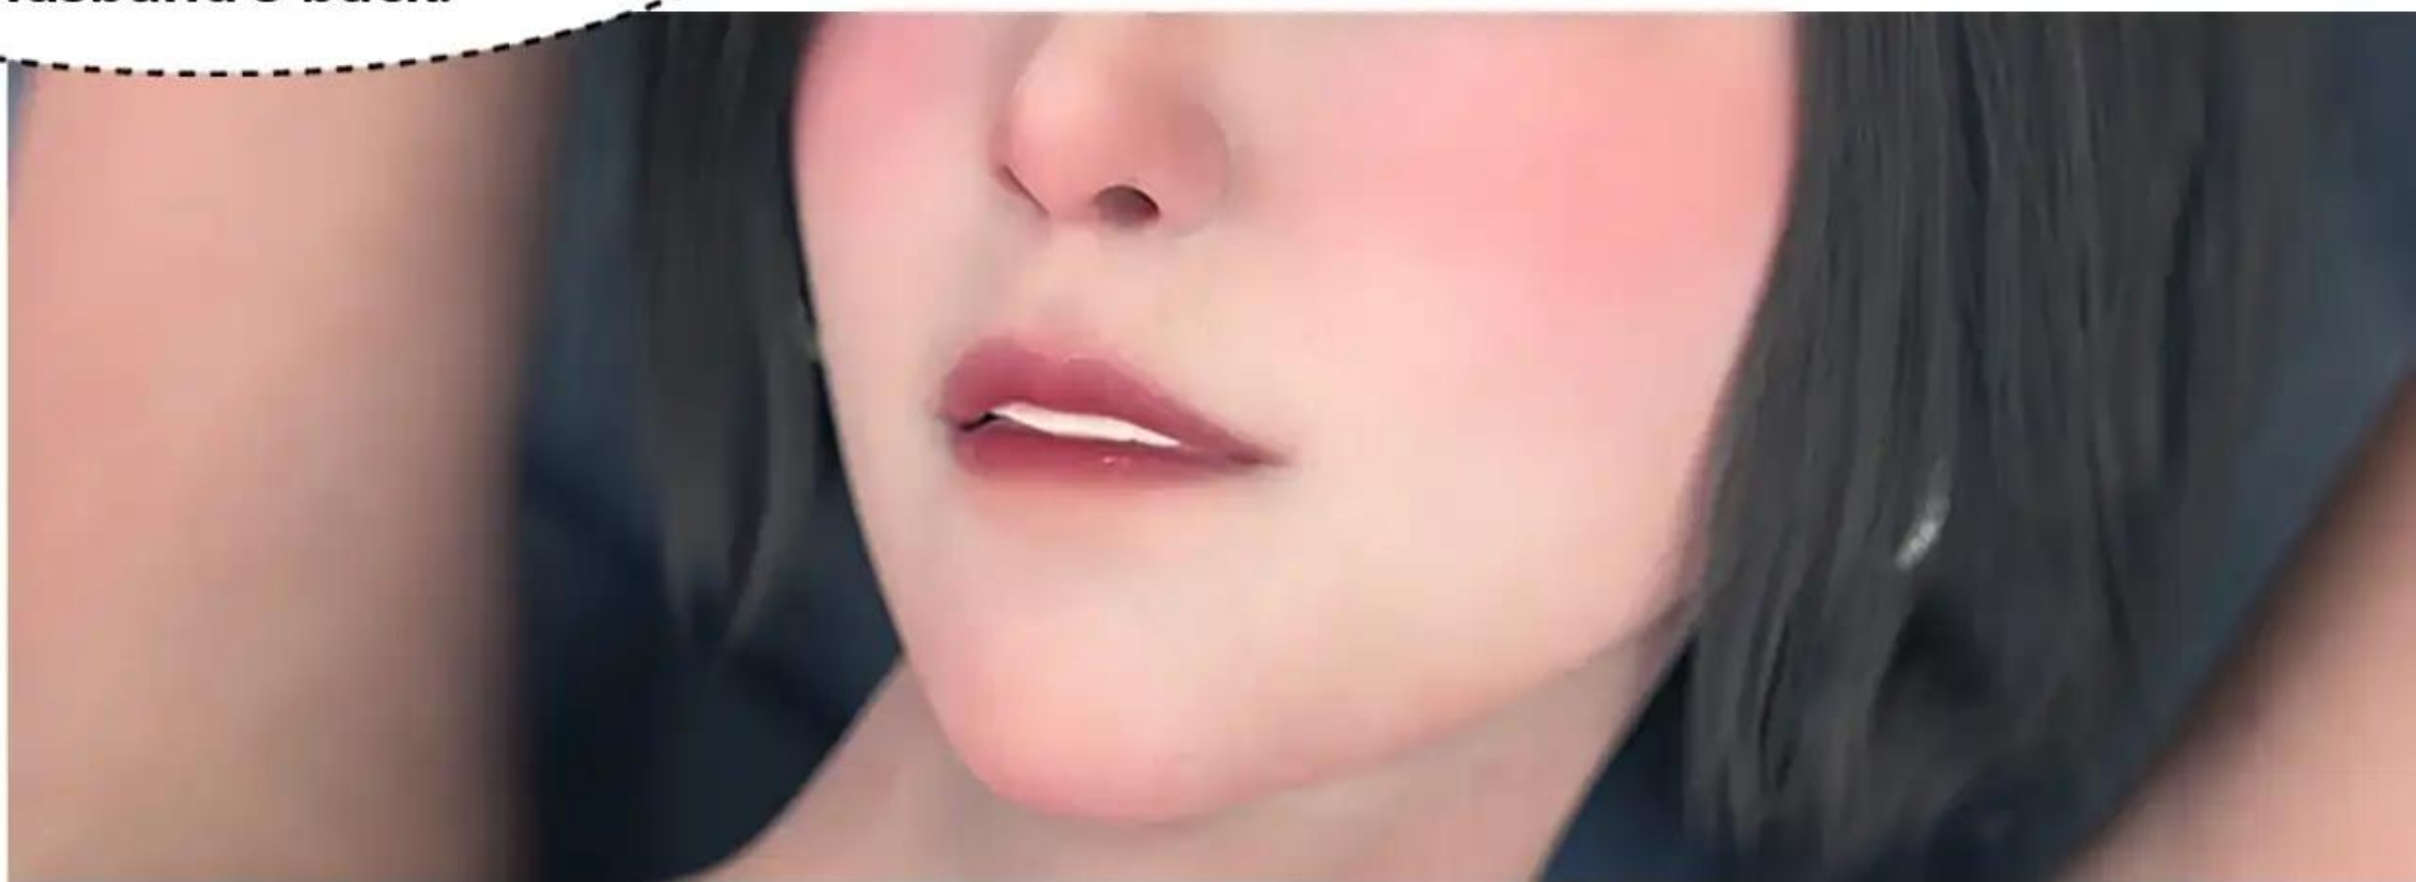

Woohoo!
What do
you do?!

Doesn't your husband usually have some foreplay with you? Why this reaction? It's like a virgin who has never been played with before. Why, I just want to loosen my cunt for you first.

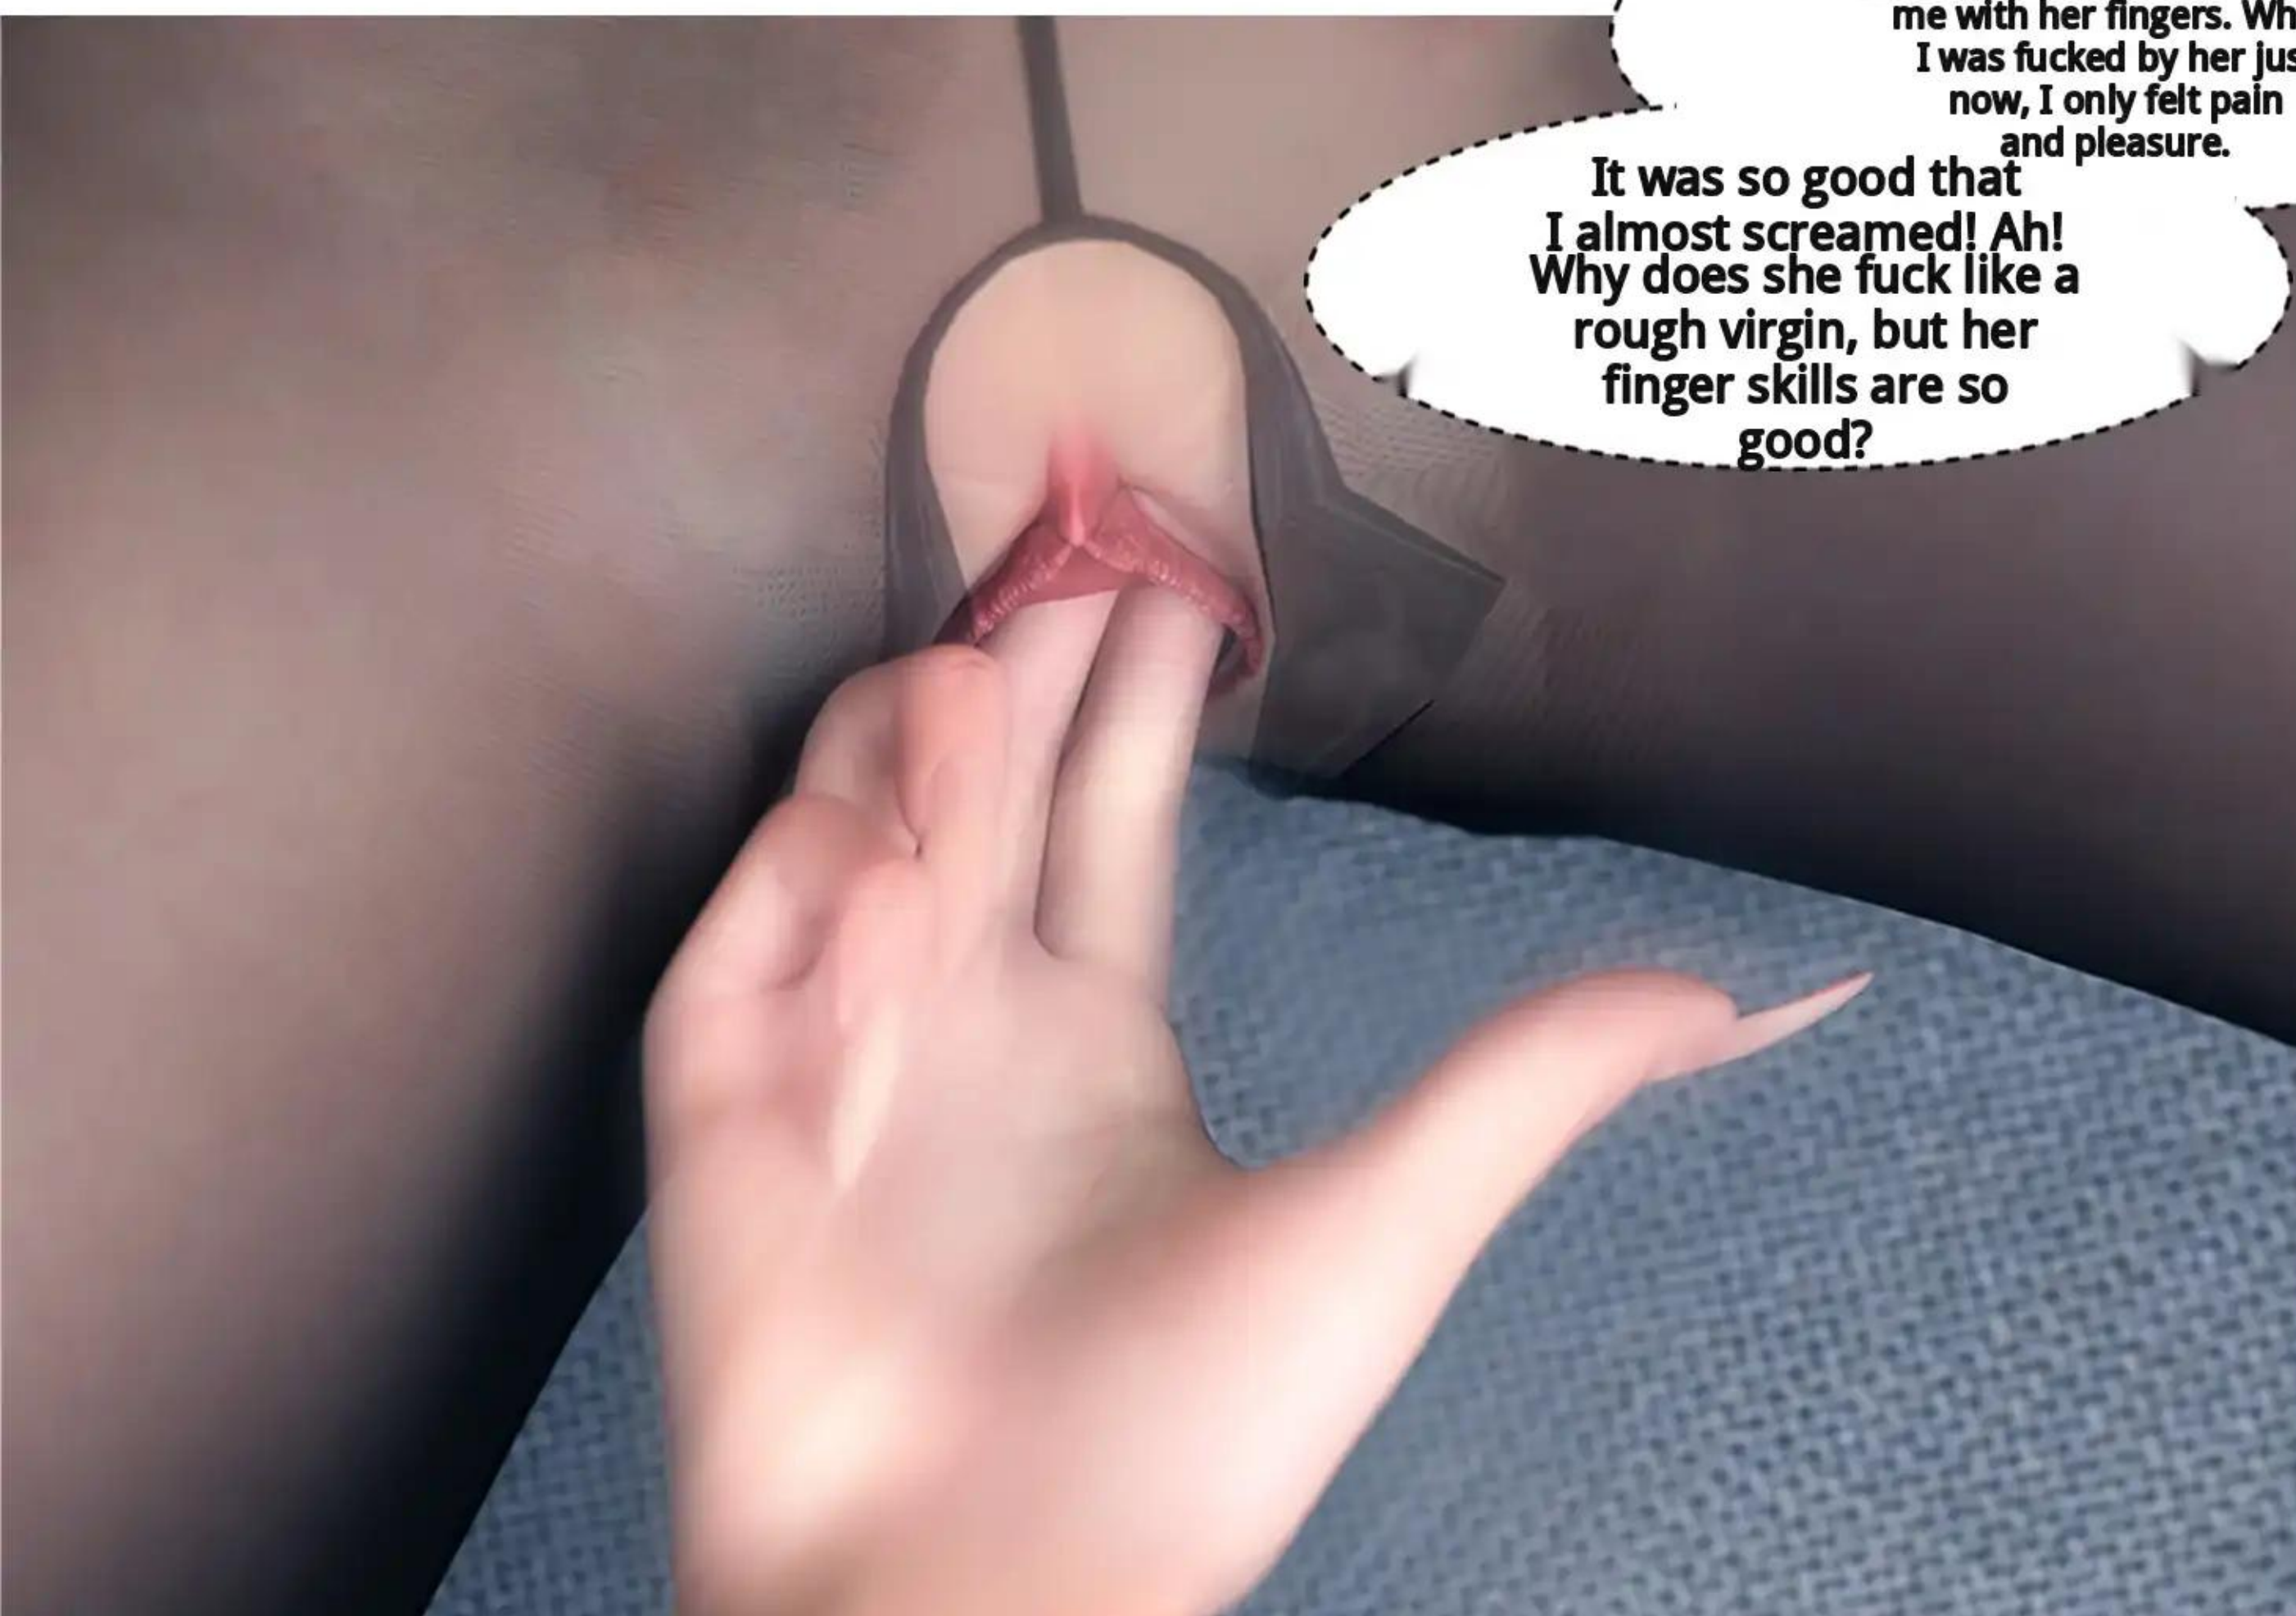

I seem to really want to become a wife with a family and children! The memory belonging to this body seems to be slowly awakening... so shameful! I am not a wife! What husband comes with it is the sense of immorality of eating outside behind your husband's back.

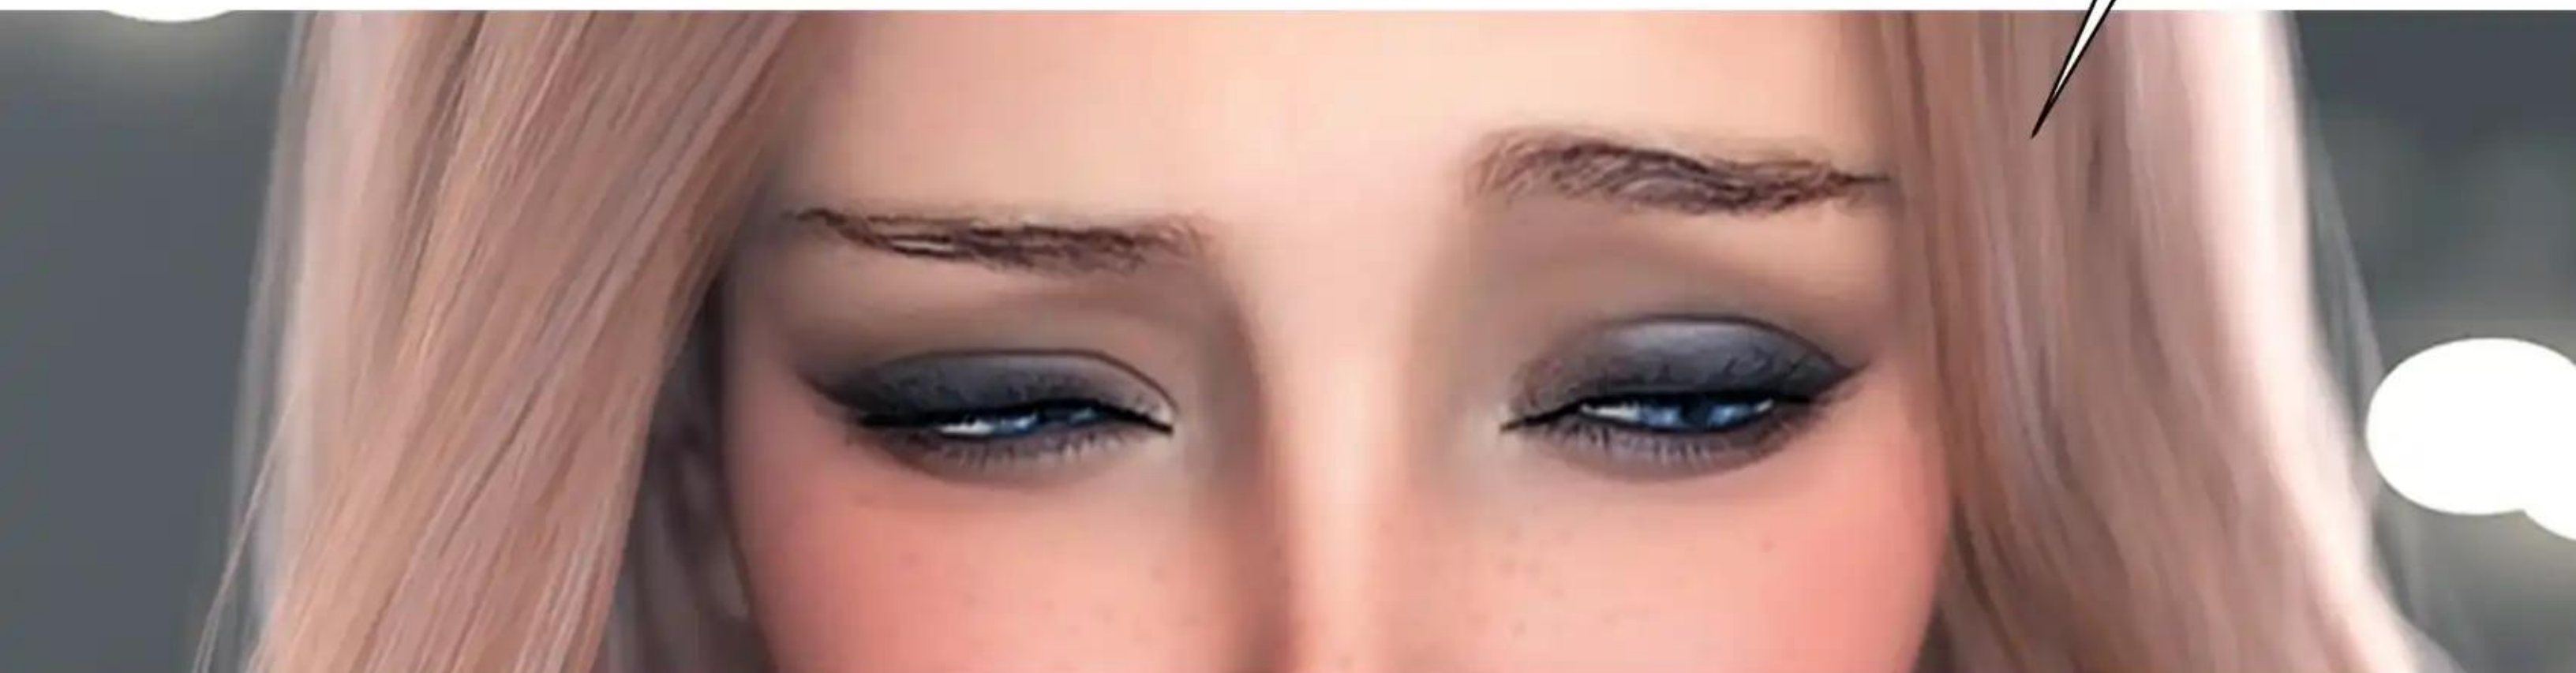

That feeling of being neither up nor down is so torturous! But now she keeps playing with me with her fingers. When I was fucked by her just now, I only felt pain and pleasure.

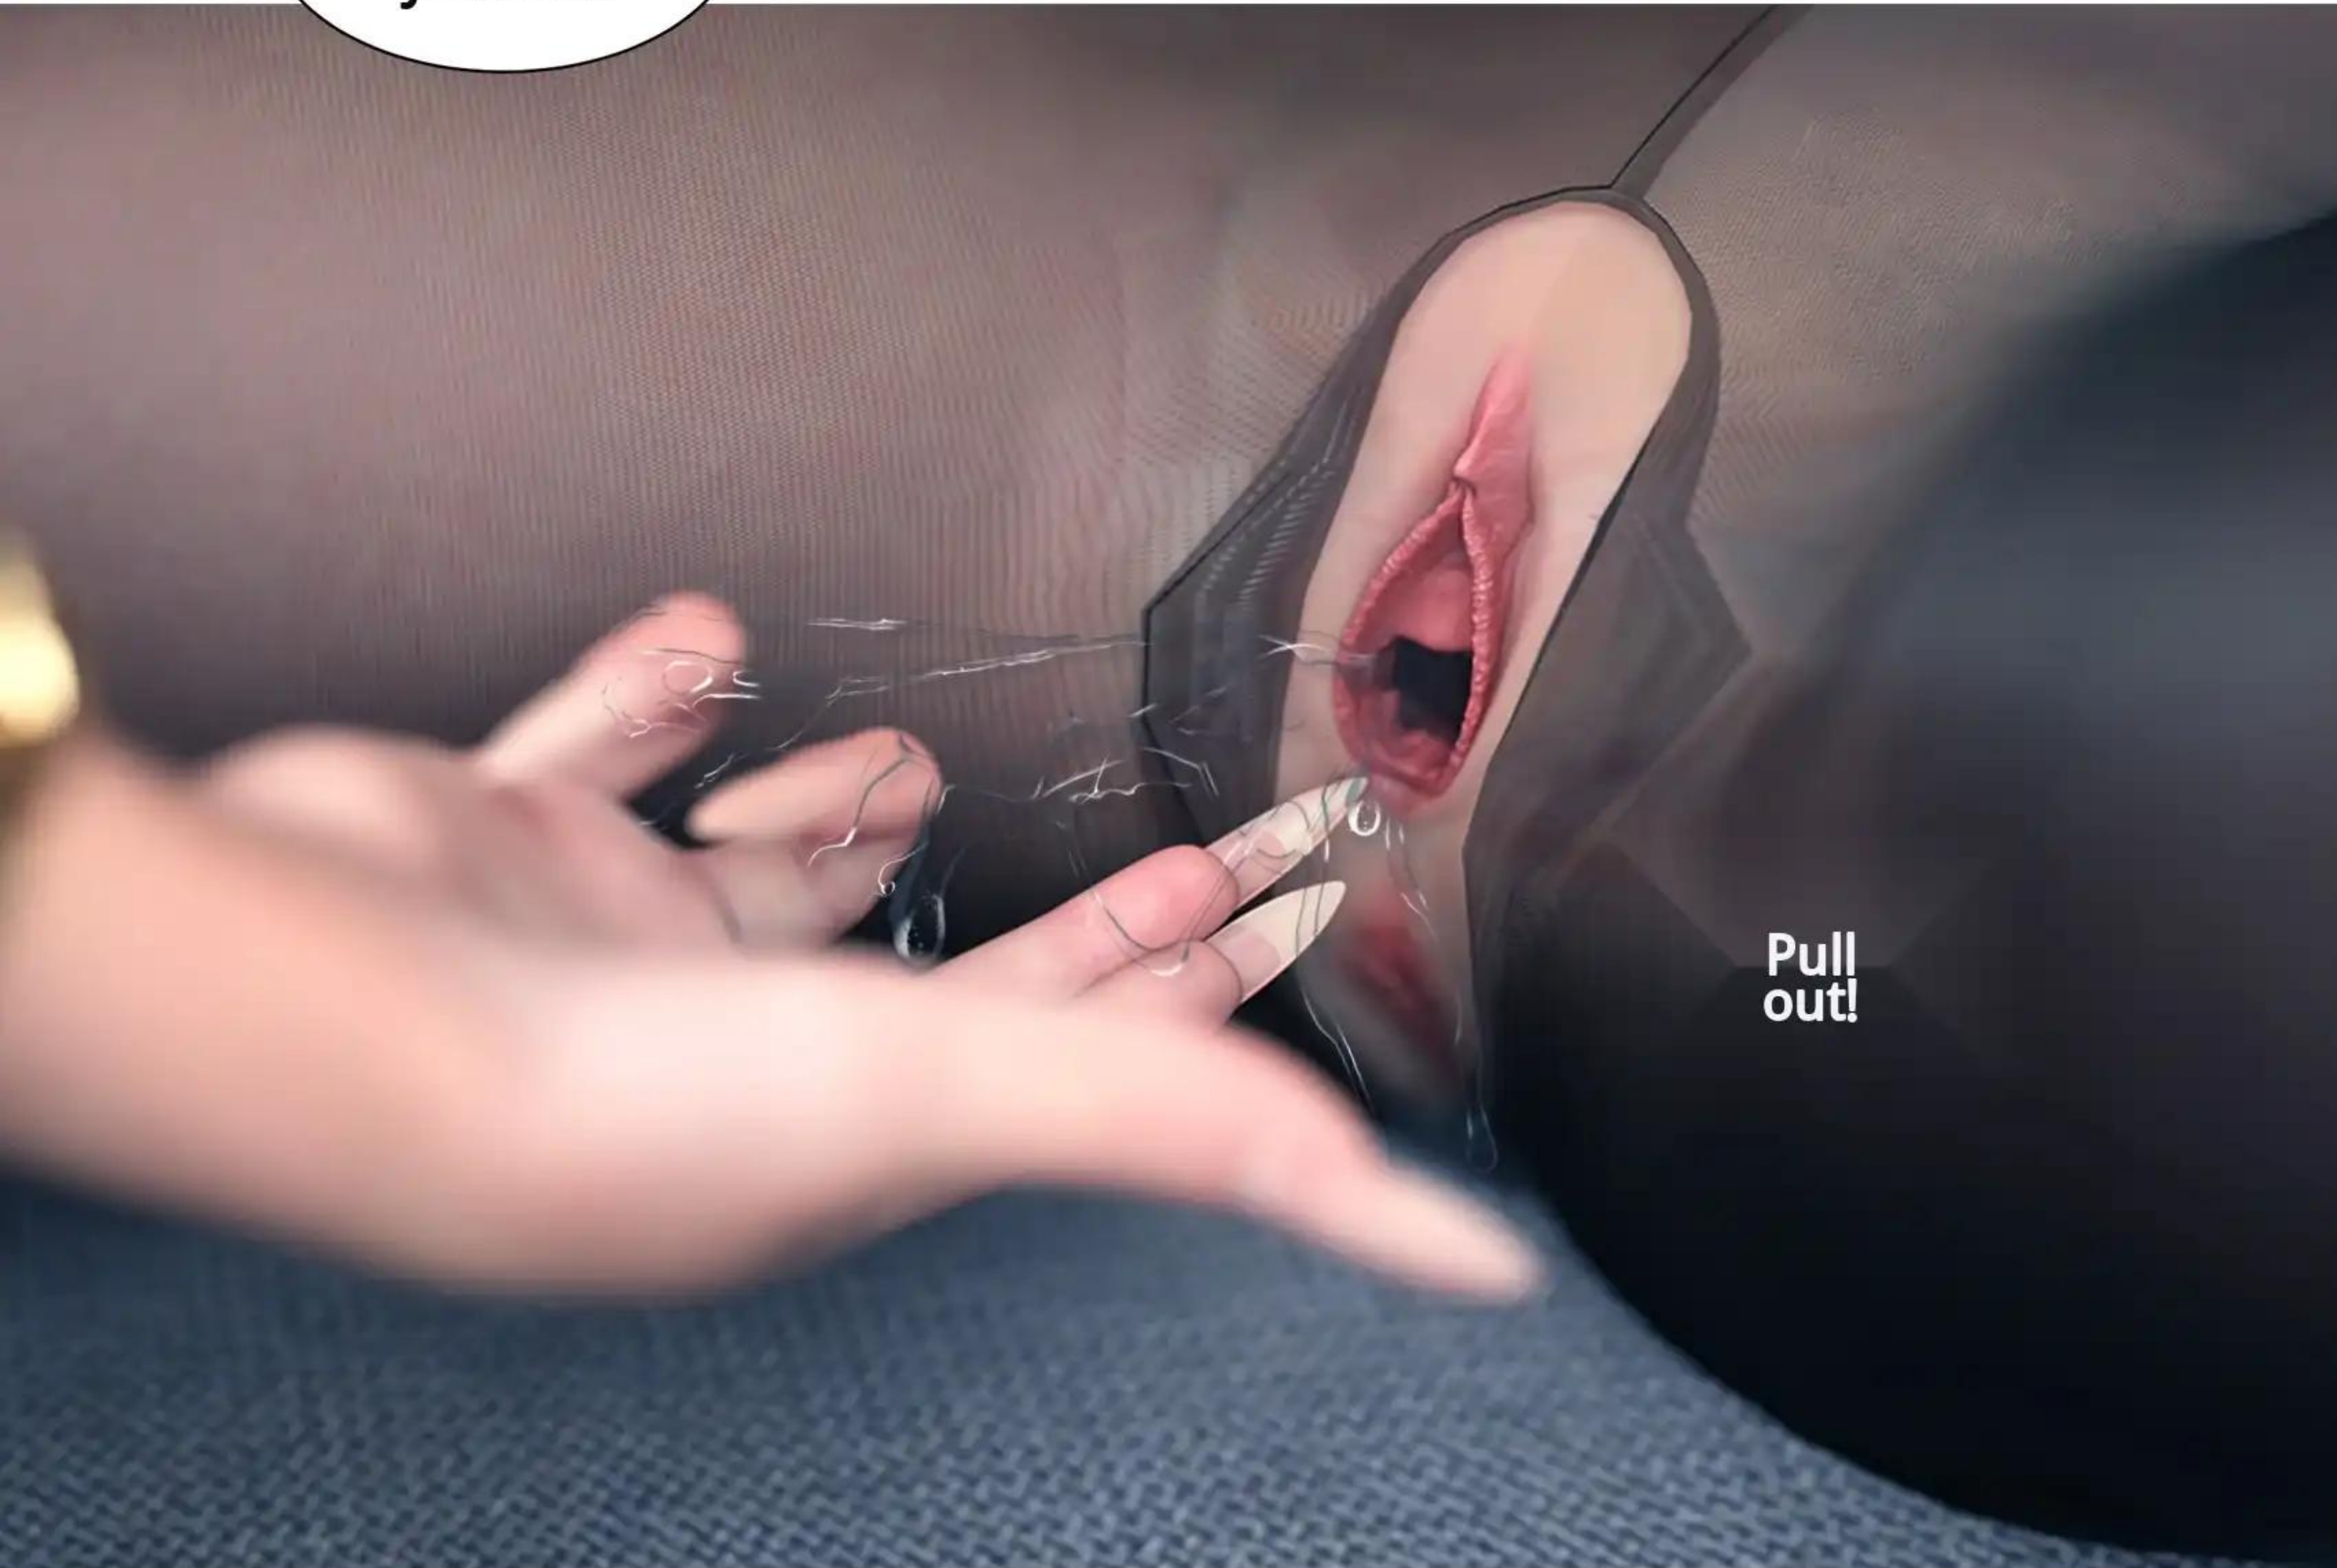

It was so good that I almost screamed! Ah! Why does she fuck like a rough virgin, but her finger skills are so good?

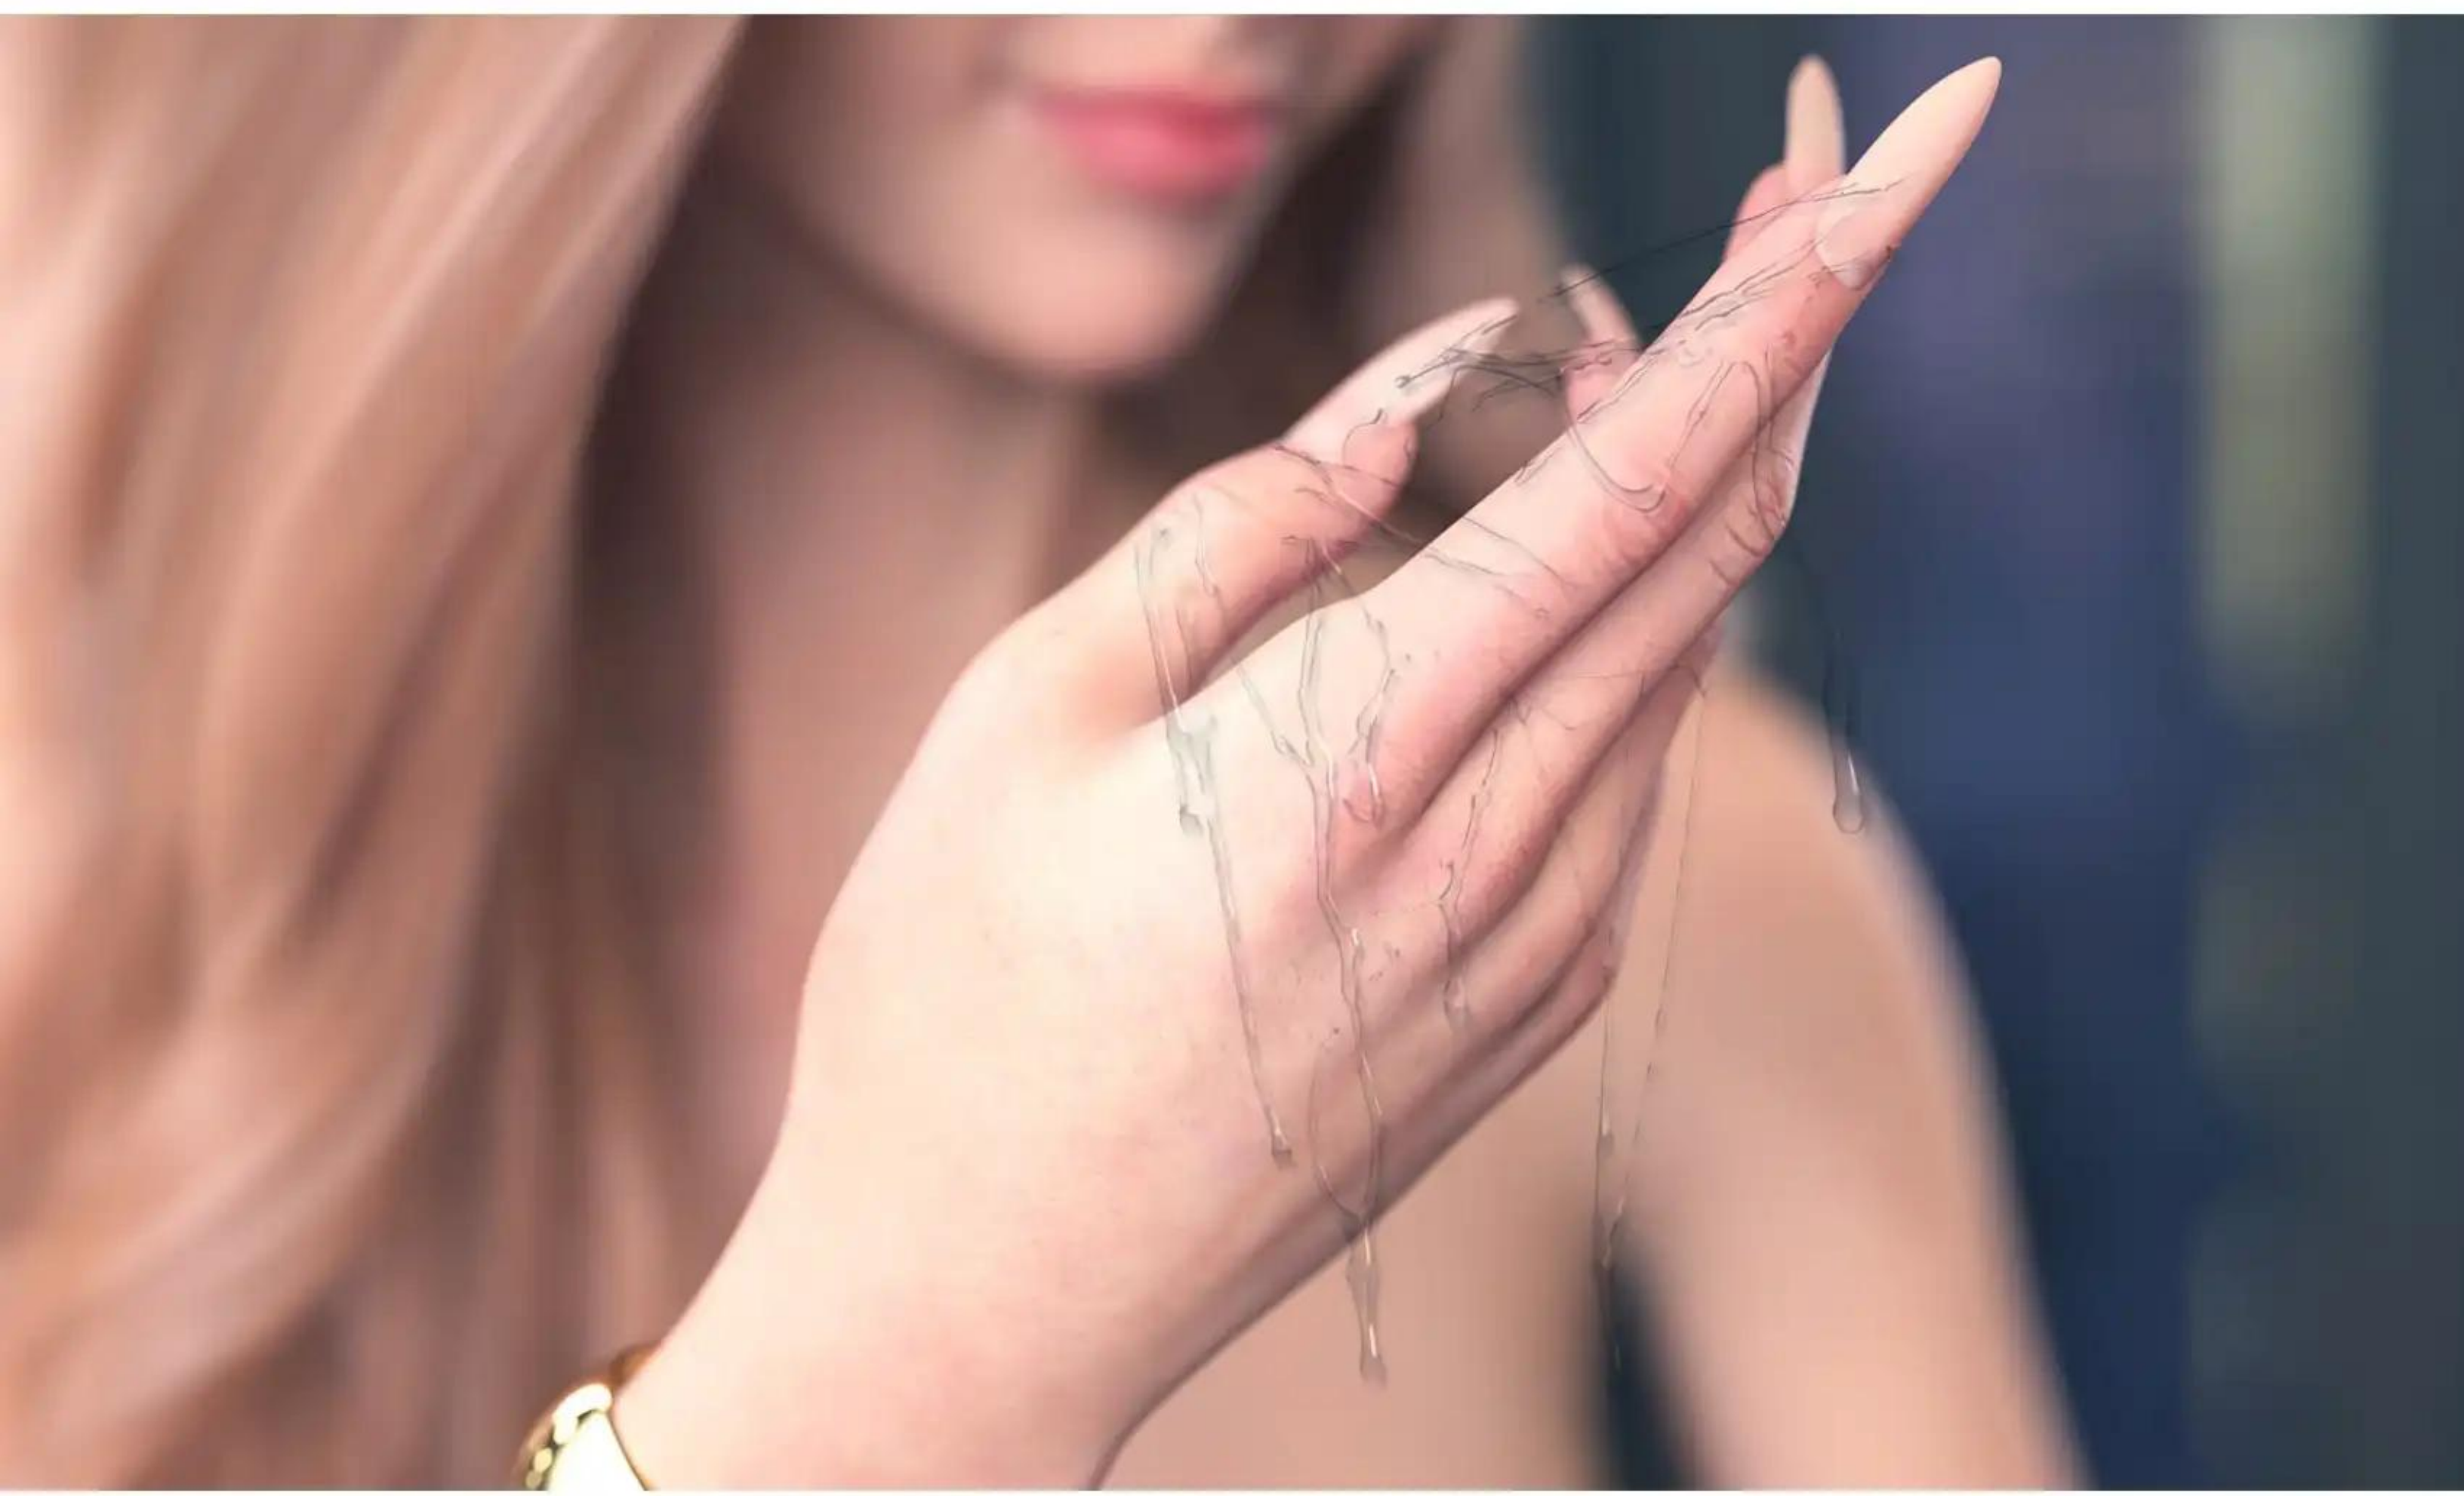

Yo~ Not bad!
It seems that you
are also a hidden
whore!

See
for
yourself.

Pull
out!

This is still when you are tied up! There was so much water flowing out, I just played a few times,

It seems that our lady wife is also looking forward to the day when a slutty pervert will wear you!

It has nothing to do with me! How, how could this happen, no! This must be the relationship between this body and the body itself being too obscene.

She's not some lascivious cheating wife! I can't be led away by his words. I have to remember my identity. I am Shao Yuchen. I am Shao Yuchen.

Thinking that
such a sexy body will
soon be my possession,
wow~ the smell is so
strong and sexy! It just
feels more delicious!

Ha! I can't bear
it anymore! I'm
going to fuck you
slut right now!

Uh-huh!

insert!

Oh oh oh oh my flesh!
It feels so good! This
position makes me fuck
deeper than before,

It's juicier and
firmer than the first
time! Sure enough, it's
different if the holes
are played with.

I can't stand it!
Uh-huh! Too, too fast, too fast, ...slow down,

Bang
bang
bang!

I can't do it, I will be fucked badly, stop it! Your cock is too big, you perverted shemale, ah! Oh, go, go, go! I'm telling you to slow down.

At once, the ultimate pleasure rushes straight to the forehead, body, and that point deep inside the body, and is constantly being hit.

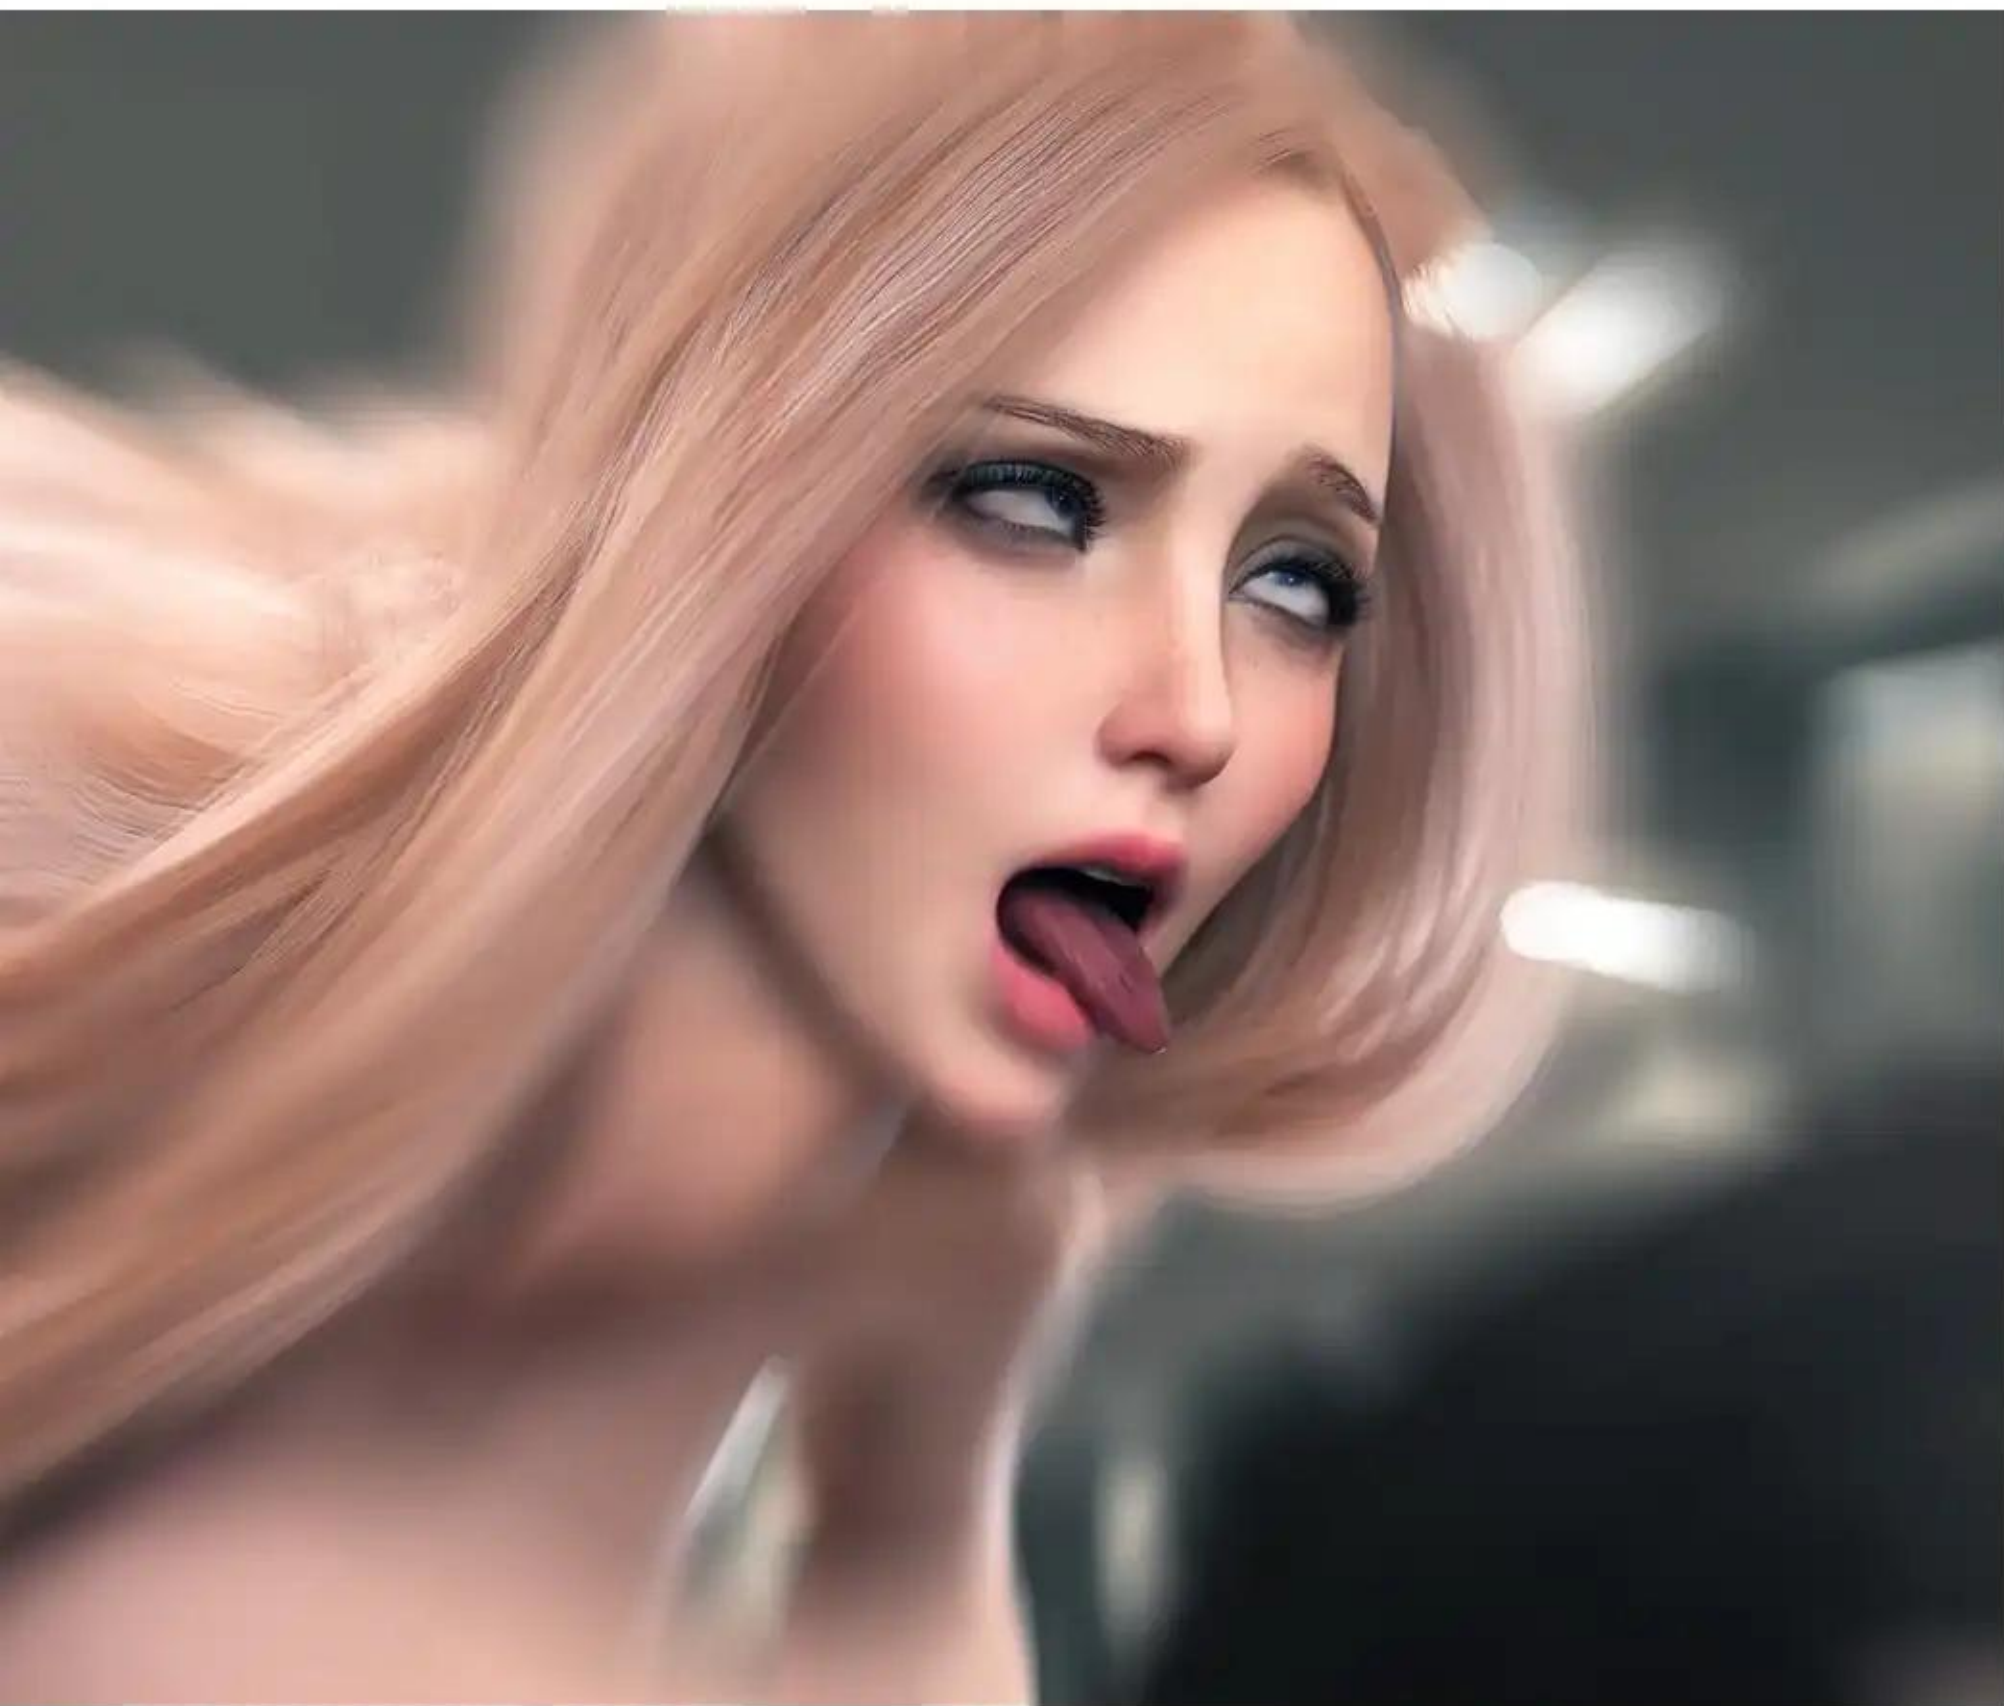

Every fuck is so bad....woo! The body couldn't help but cooperate, ah!
Body,

I feel like you are having a great time too! Or do you go to work every day just to get fucked by customers? Do you really want me to stop? The cunt is clamped so tightly, is it because she is not satisfied with her desires? Could it be that your husband doesn't satisfy you at home, ah! Your moans sound like,

Uh-huh! I don't have it, I don't have it, don't say it anymore, Mingming.

Ha! Seeing you like this makes me even more excited! Looks pitiful as if he's about to cry

Ha! It's so exciting
that I can't stop! Your
pussy keeps squeezing
my dick, I must use this
pussy to squeeze other
people's semen, hahaha!
Wait until I put on
your human skin,

consciousness,

The whole person's consciousness seems to be disappearing, as if he is about to be overwhelmed by the pleasure! Uh-huh! My body, my body is so hot,

Lao Zhou, where are you? If this continues, I will really be fucked to death by her. The pleasure is so great that she wants to make love to me. It is such a terrible thing. My whole body is turned upside down! I... This is the first time I feel,

It's so cool and beyond!
The sense of accomplishment in
stealing this woman's identity, and
the excitement brought by my favorite
futanari sex, ah! No, I feel immoral
about having sex with my wife.

No, it feels
so good, I'm
going to
cum!

I'm going to cum with Futa's perverted cock, ahhhhhhhhh!

Cum!

Huh...huh...

Finally...it's finally over.

Wait,
you don't
think this is
the end, do
you?

Just having sex once is not enough! It just so happens that the leather gun hasn't been delivered yet, so we have plenty of time! For a pervert like me who has futanaris

You will have a lifetime of good rest! Don't worry, after you turn into human skin and I put it on

No...no, I, I really can't do it anymore. Please, please, please don't.

Come quickly, come quickly and save me! Lao Zhou! Lao Zhou, where are you?

**If you
don't come
again, I will
be killed!**

Alas, I wonder what's going on with Lao Shao... ..

Nothing will happen, right? As a result, he hasn't come back after so long. He said he wanted to get some news.

What a hassle! Wouldn't it just scare the snake away... But if I rush over there,

Oops, I met you again!

ah! Hello
guest, we
meet again!

Just in time, I
have something
to ask my sister!

I saw you
earlier, sister. Is
that person your
friend? Blond
girls together,

What's wrong?
Why do you ask?
The blonde girl....Oh!
That one is also a
guest of the hotel

It looks very much
like the victim of a previous
serial disappearance of
women! Hmm...because I
always think she looks very
familiar,

Can you...can
you...can you tell
me more about it?
Serial disappearance
case? ! How could
that happen?

It is said that the neighboring cities have been doing well a while ago. This is a case of a missing woman that happened when I was making a video! I learned about a case,

That means the victims knew each other! There have been more than a dozen victims. This disappearance case has been reported so far. Moreover, this disappearance case has a very special place. The victims are all young.

He also gets close to other girls for no reason! According to the information I have collected, the temperament of the missing women will first change drastically. According to the descriptions of relatives and friends around them, they seem to have changed into different people.

The woman she was close to also showed signs of changing her personality. After she disappeared, one after another...

Sister, tell me, is this whole incident very shocking? Those women have joined some kind of cult organization, so they behave differently from the past. The current view is that the reason why they get close to other women is to attract people into it.

It's just that foreigners all look the same, maybe I made a mistake! She looks exactly like the blonde girl I just saw! It was a foreign language teacher named Monica. I remember the last victim.

And he didn't even recover half a person! It was Brother Yong who turned all those girls into human skin, no! This is not a cult or a disappearance! it's him

It's terrible that he is so unscrupulous!

Getting close to girls is to find the next victim... there are more than ten of them! The reason for the drastic change in temperament is because they were replaced by men

Did I say something
too scary and scare you?
elder sister? elder sister?
How are you,

Sorry, I'll excuse
you now! ah? I, I'm
fine, I just suddenly
thought that I still have
work to deal with.

Oops, I didn't expect that Brother Yong to be such a dangerous person. I have to save him quickly! Lao Shao is in danger.

Please, Lao Shao, you must not let anything happen to you!

I don't know what will happen if it's a little later...Sister! Haha, go quickly,

It's really a close low-end duel! With two little brats who don't know what the world is up to...a fool who acts recklessly without considering the consequences.

It doesn't matter if a few people are missing! Anyway, it doesn't matter which side wins. As long as the situation is still under control, it doesn't matter which side loses.

It's just like a toy,
really! It's just a pity
that the experimental
No. 004 fell into the
hands of these idiots

It's still a task given to us by the superiors, so don't get it wrong! Just let them play by themselves and treat it as collecting information. The top priority is

Okay, okay, brother, you have the final say! Why go to all the trouble to lure that jackal over? It's just that I don't understand. When you came into contact with that little brat, you clearly determined that he was the user of Experimental Type 004.

It's just that when I contacted them, I originally planned to recycle them directly, but I discovered something interesting.

**Just wait and see!
Things...are getting
more and more
interesting!**
