

It hurts so  
much, let me  
go!

**Talk less! give  
me the skin**  
Take it off!

**Stop pretending to  
be weak! I won't fall  
for you! If you don't  
cooperate with me,  
I'll have to  
compromise!**

I have tried this trick before. If I forcefully pull your skin off, you will be in unbearable pain.

Ahhhhh it hurts so much! it hurts! Stop it!

The one pretending to be my sister plays you deserve it. You are just like this, and you don't deserve sympathy for the pain!

Woohoo!  
Then...how is  
What's going on? that?

Being pulled like  
this? ! When he  
comes...how can a  
person's skin be  
damaged? What on  
earth is his skin...?

No matter how much  
you beg me, you still  
don't want to resist?  
Didn't you talk to you  
properly just now?  
Will  
believe it!

It hurts me! Do  
you want to kill  
someone? Let go!

Let people go!  
What do you want,  
you lunatic?

Don't move! I won't  
let you go! Don't  
think about it!

Why are you trying to stop me? Could it be that you...what are you doing? Why...were you bribed by them?

Already?!

Whatever you want, just stay well and don't force me. I won't let you go or hurt you.

Wrong! Please stop  
and don't make me  
wrong! i really know

Got  
it!

Please let go! I  
will, I will come  
down by myself!  
It hurts like hell!

otherwise I will advise you not to try any more tricks... I believe you for the last time and I won't let you go!

I know, I'm here...I'm taking off my clothes...I really want you to calm down and stop moving...Don't dare! You believe me!

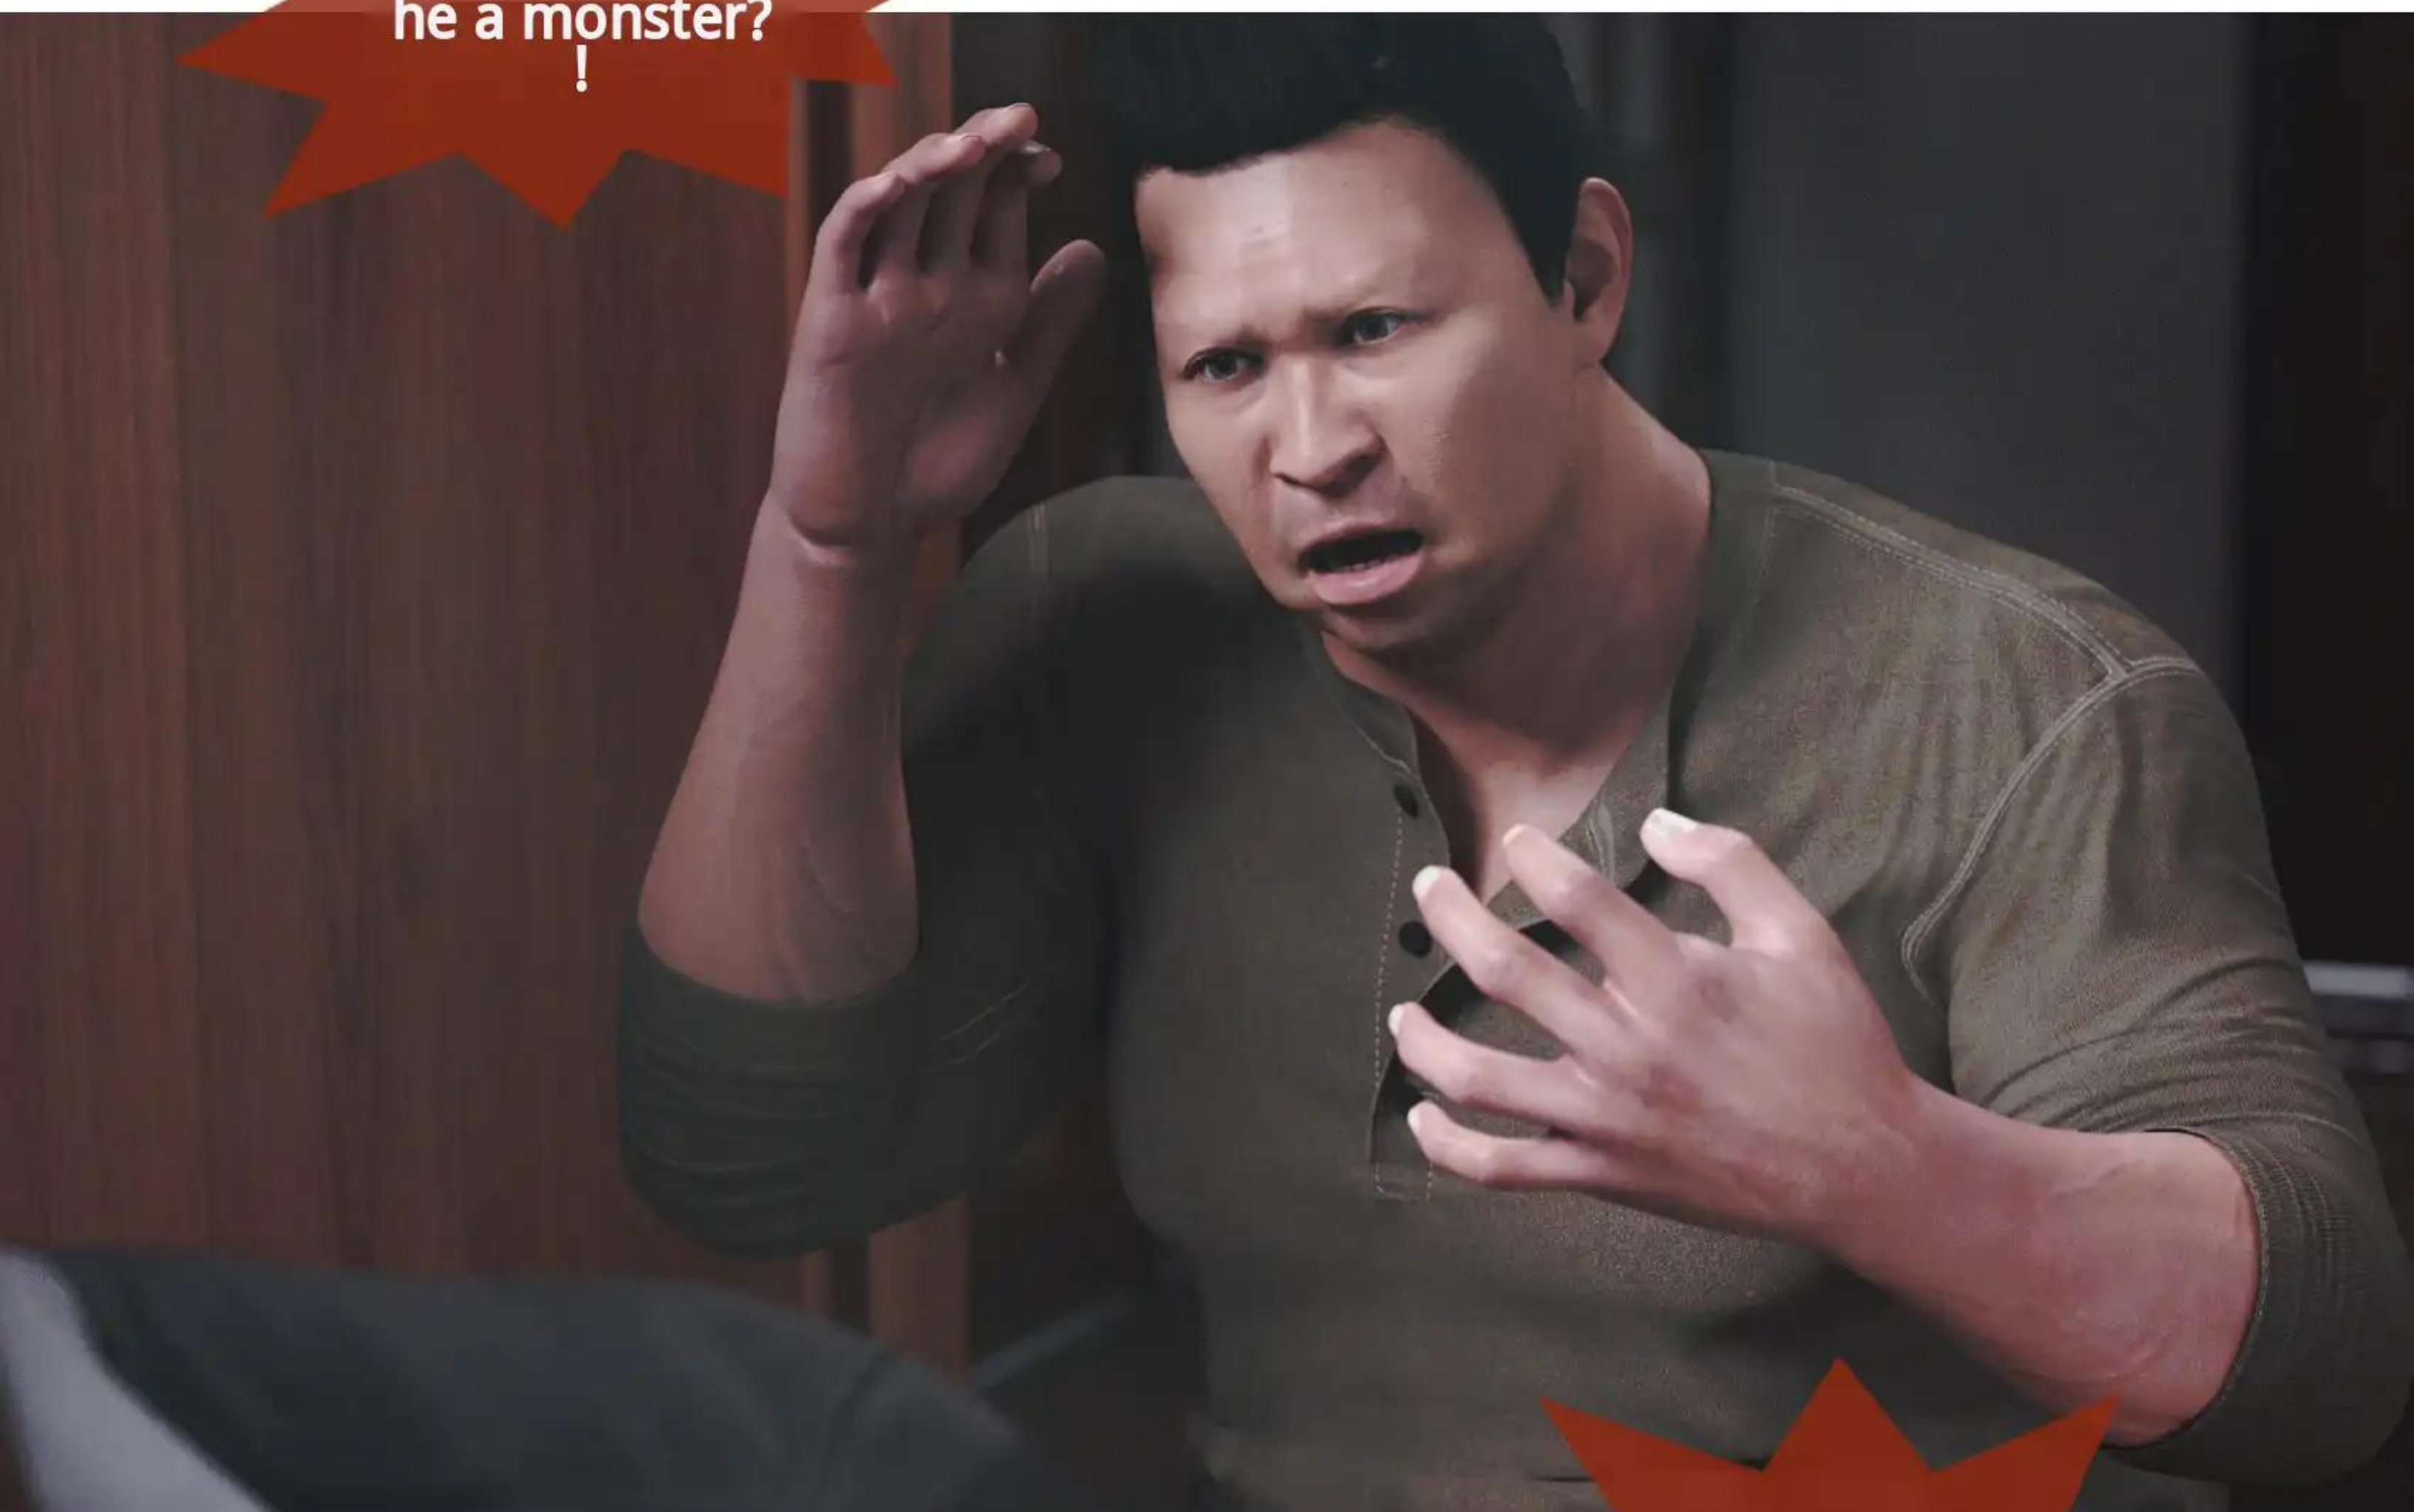

...call! Do you think I did what I did? Stop being violent! Then take it off! Can you believe I'm in so much pain?

Take it off!

! Later, when you let your guard down, I will beat you until your own mother is dead. How dare you do this to me? Don't come out!

And that damn ATM engineer, don't even try to escape, I won't let you go. Ours!

Oh my God! Is  
he a monster?  
!

Why is there a  
man's head inside  
him? This...what  
exactly is this..."

It's over, and I was subdued and someone saw my skin... It's over... It's all over... What should I do...

The boss will definitely not let us go. Will I be thrown to the sharks or will I be made into a Canceling block?

, now that I am about to become a grown-up, I used to dream of buying a sea view room to be in the first row with sea view...

No matter how much you pretend! It's all up to you.  
You knew it would happen before you did something like this.

Retribution!

! Stop sweating that girl. Take off all your skin for me. You are really human.

Heart!

Okay...Okay...I .....

How could this happen?  
The situation has  
changed and I have to  
find an opportunity to  
counteract it. It has  
become out of control.  
Do I have to take his  
mouth?

I also wanted to do  
something real before.  
Why did he accuse me  
like this? Once your  
career is over, what will  
be the result? ! That brat  
pisses me off so much

The fellow countryman  
I trusted treated me  
like a fool and used me  
as a fool. What did I  
get in exchange for  
being down-to-earth?  
Nothing!

Being an honest person  
will not end well! You  
damn kid, I'm here to  
teach you a lesson so  
that you can  
understand the cruelty  
of society!

Yes, if you want to take it away...I'll take off the skin and take it away. Can you let me go?

It's the same thing. I will delete the video after we do it, or you can delete it yourself! Just pretend you don't know me, okay?

Is this human skin?  
! You...are you  
actually a man? !

How could  
such an  
impossible...how...wonderful  
thing  
happen in  
this  
world...

Then, the person  
who slept with  
me before was...

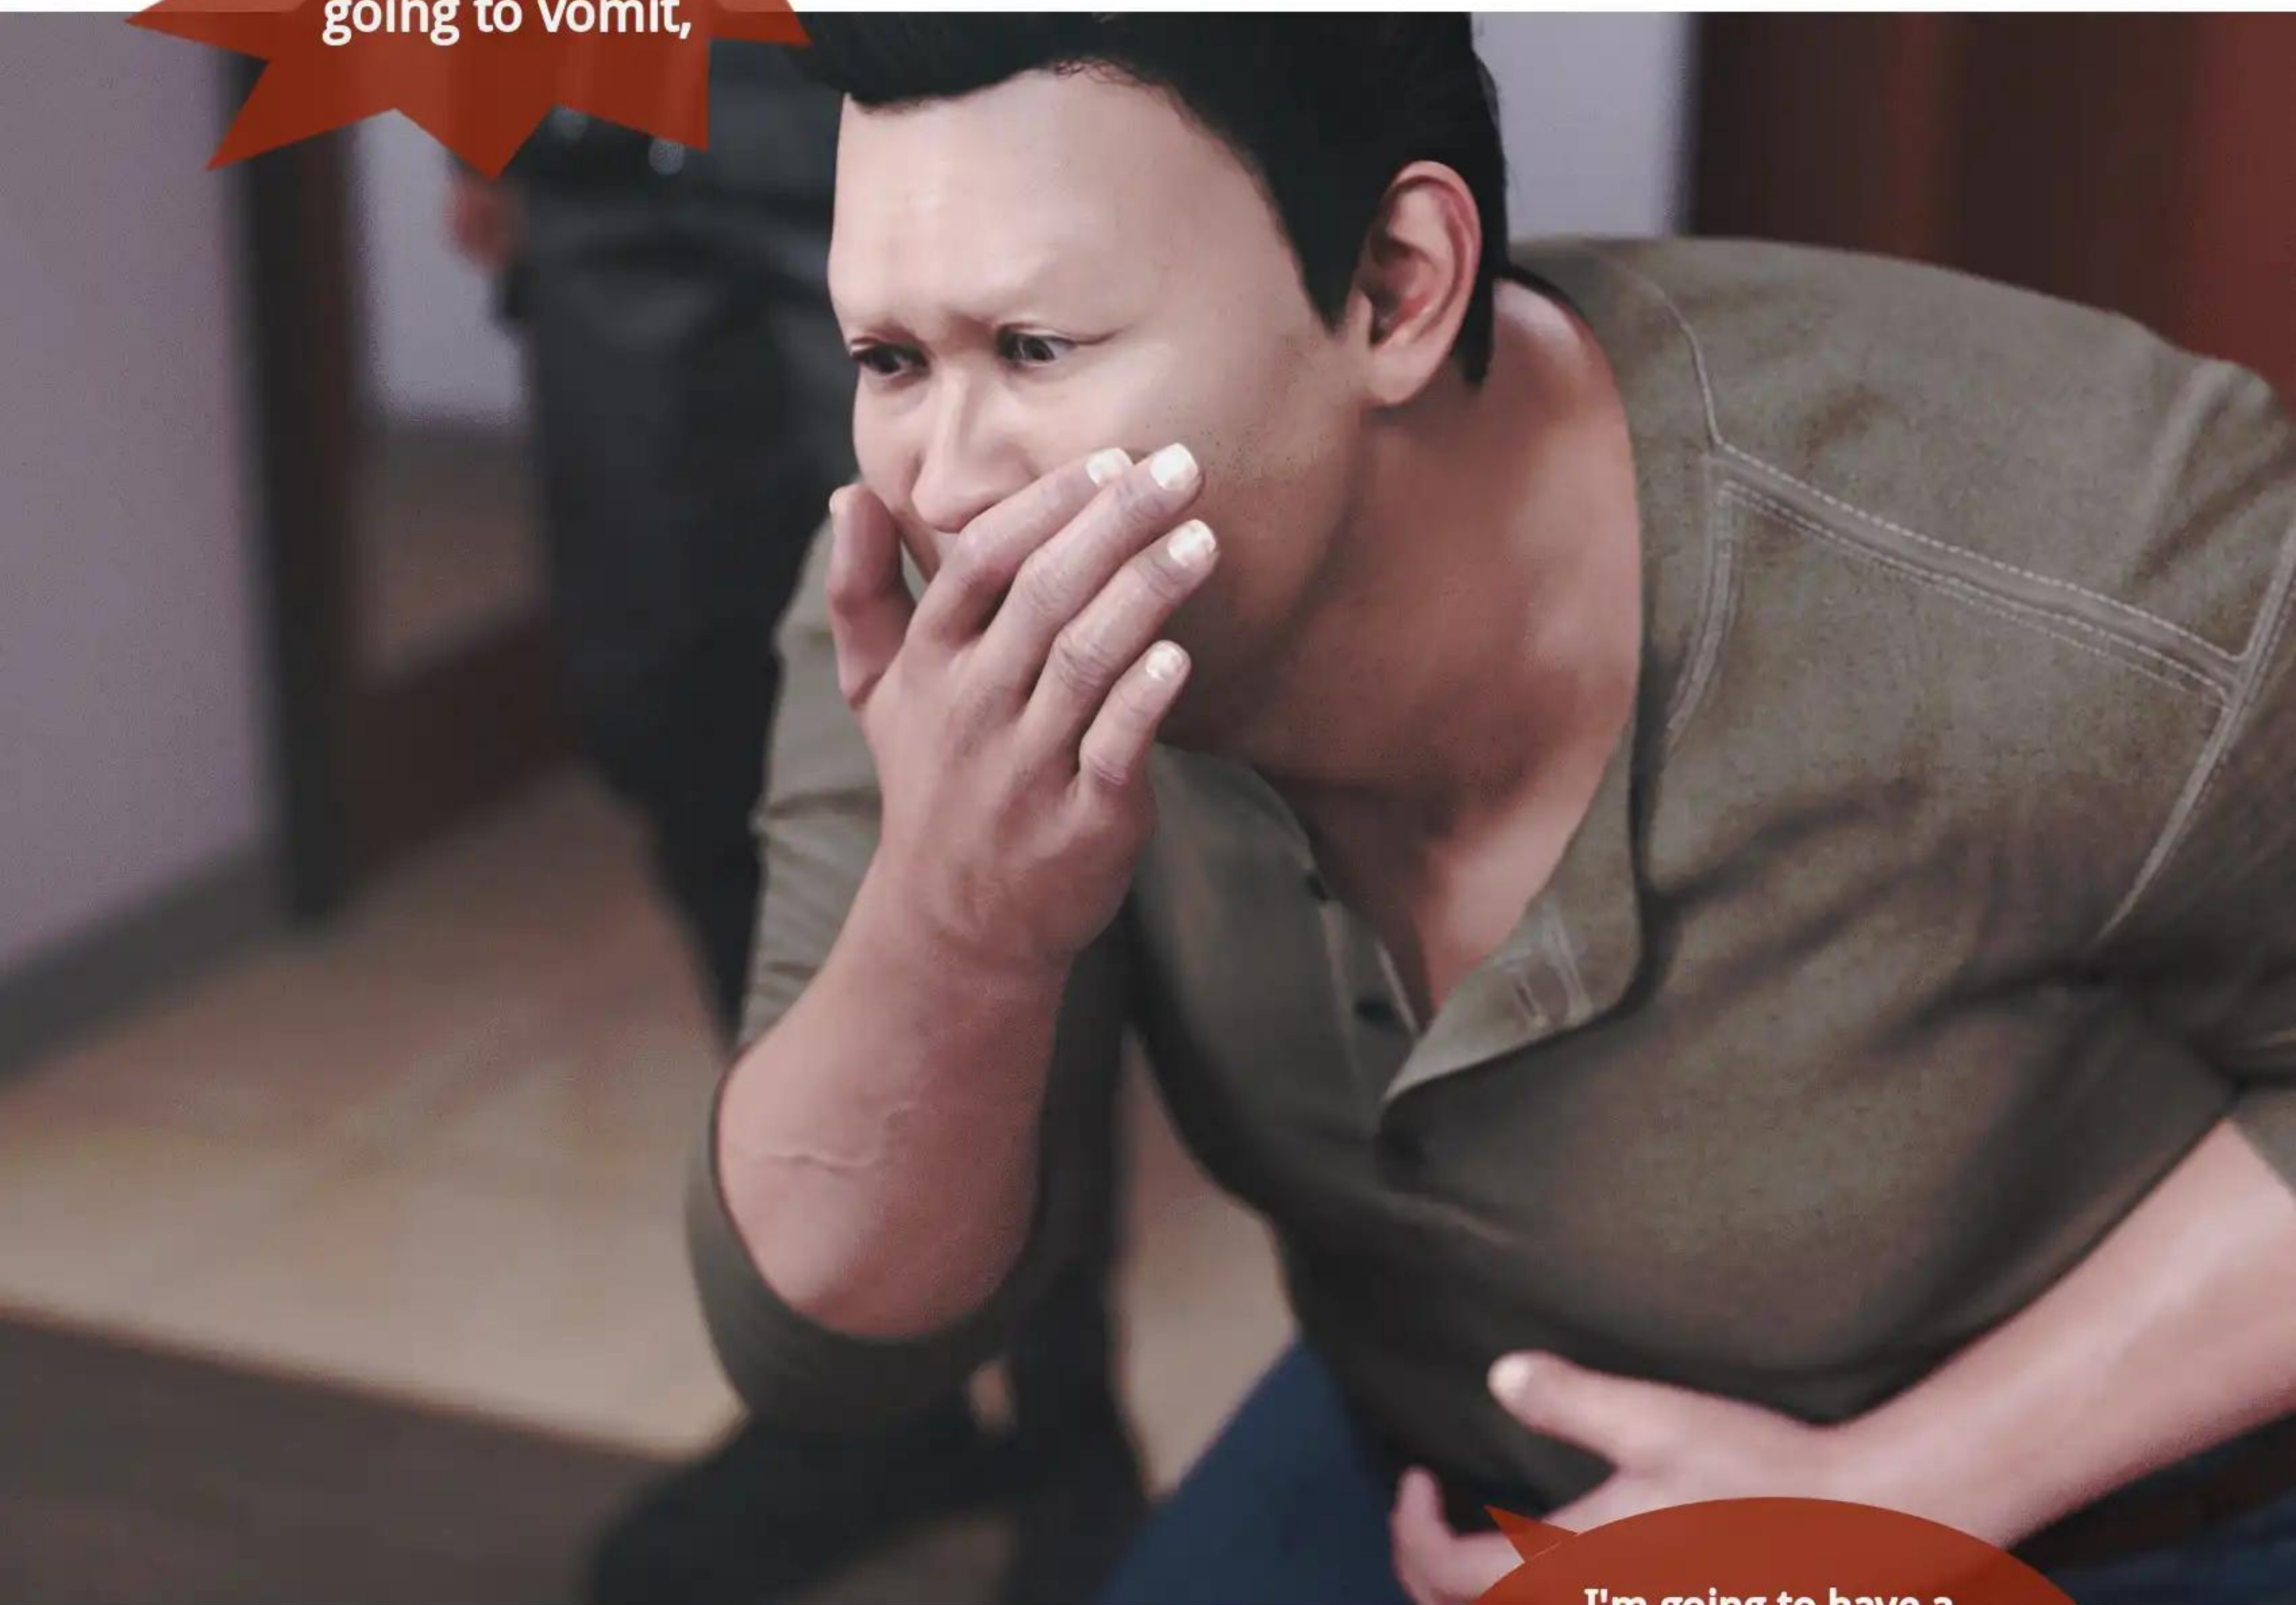

Is this the old  
and ugly man in  
front of me? !

! The feeling I felt at that time and the feeling of inserting it were completely invisible...:

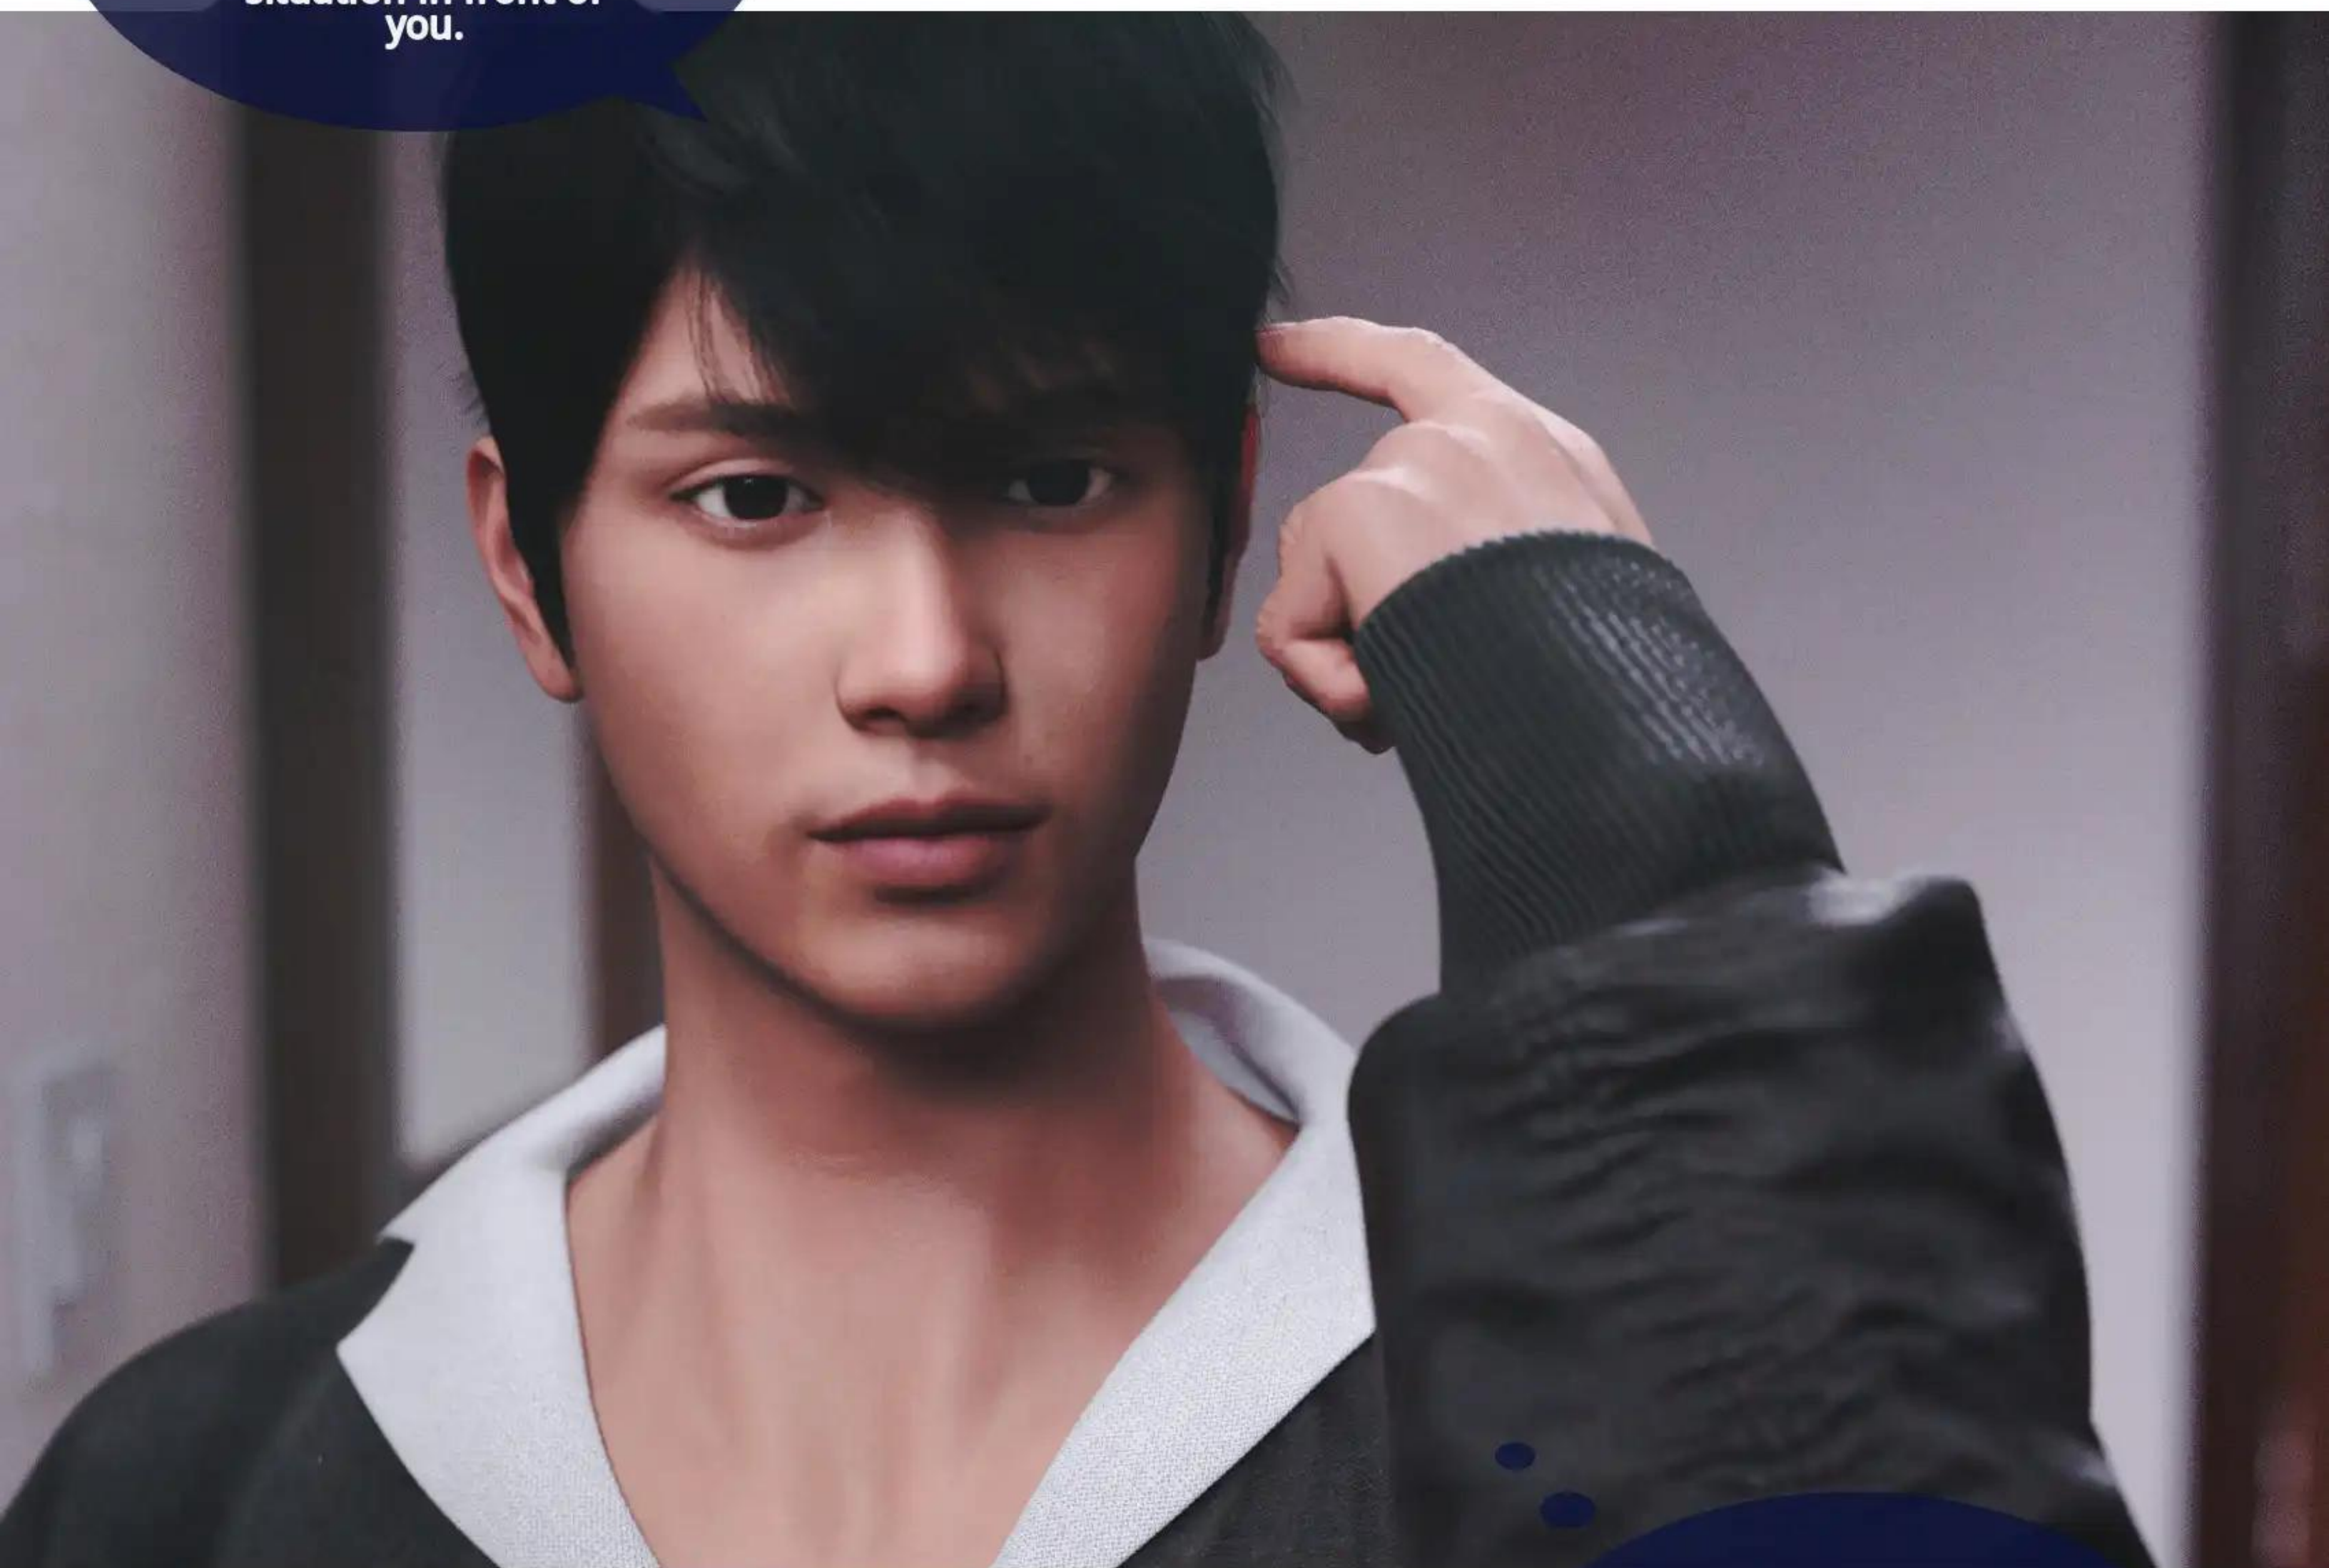

She is obviously just like a normal woman!

Wow! Good intentions...I'm going to vomit,

I'm going to have a shadow... How come I actually fucked an old man! Damn it's so heartwarming! This is so charming..."

Don't think about it any more. Everything has already happened. Alas... Sir, please calm down and deal with the situation in front of you.

? If you can ask for more information, um... how to deal with them, anyway, let's take a look at his heart before making a decision.

, I'll take the opportunity to get the kitchen knife! I have to slash them to see if they all put it down!

Haha...what should I do? I'm very sleepy when things develop like this. Can I go to a place first? I need to urinate... .

In fact, we can't bear to miss him at all! Damn you for pretending not to know what to do! He is indeed not well  
Kill them all!

you.

Um? So  
what?

You miss  
someone again,  
right?

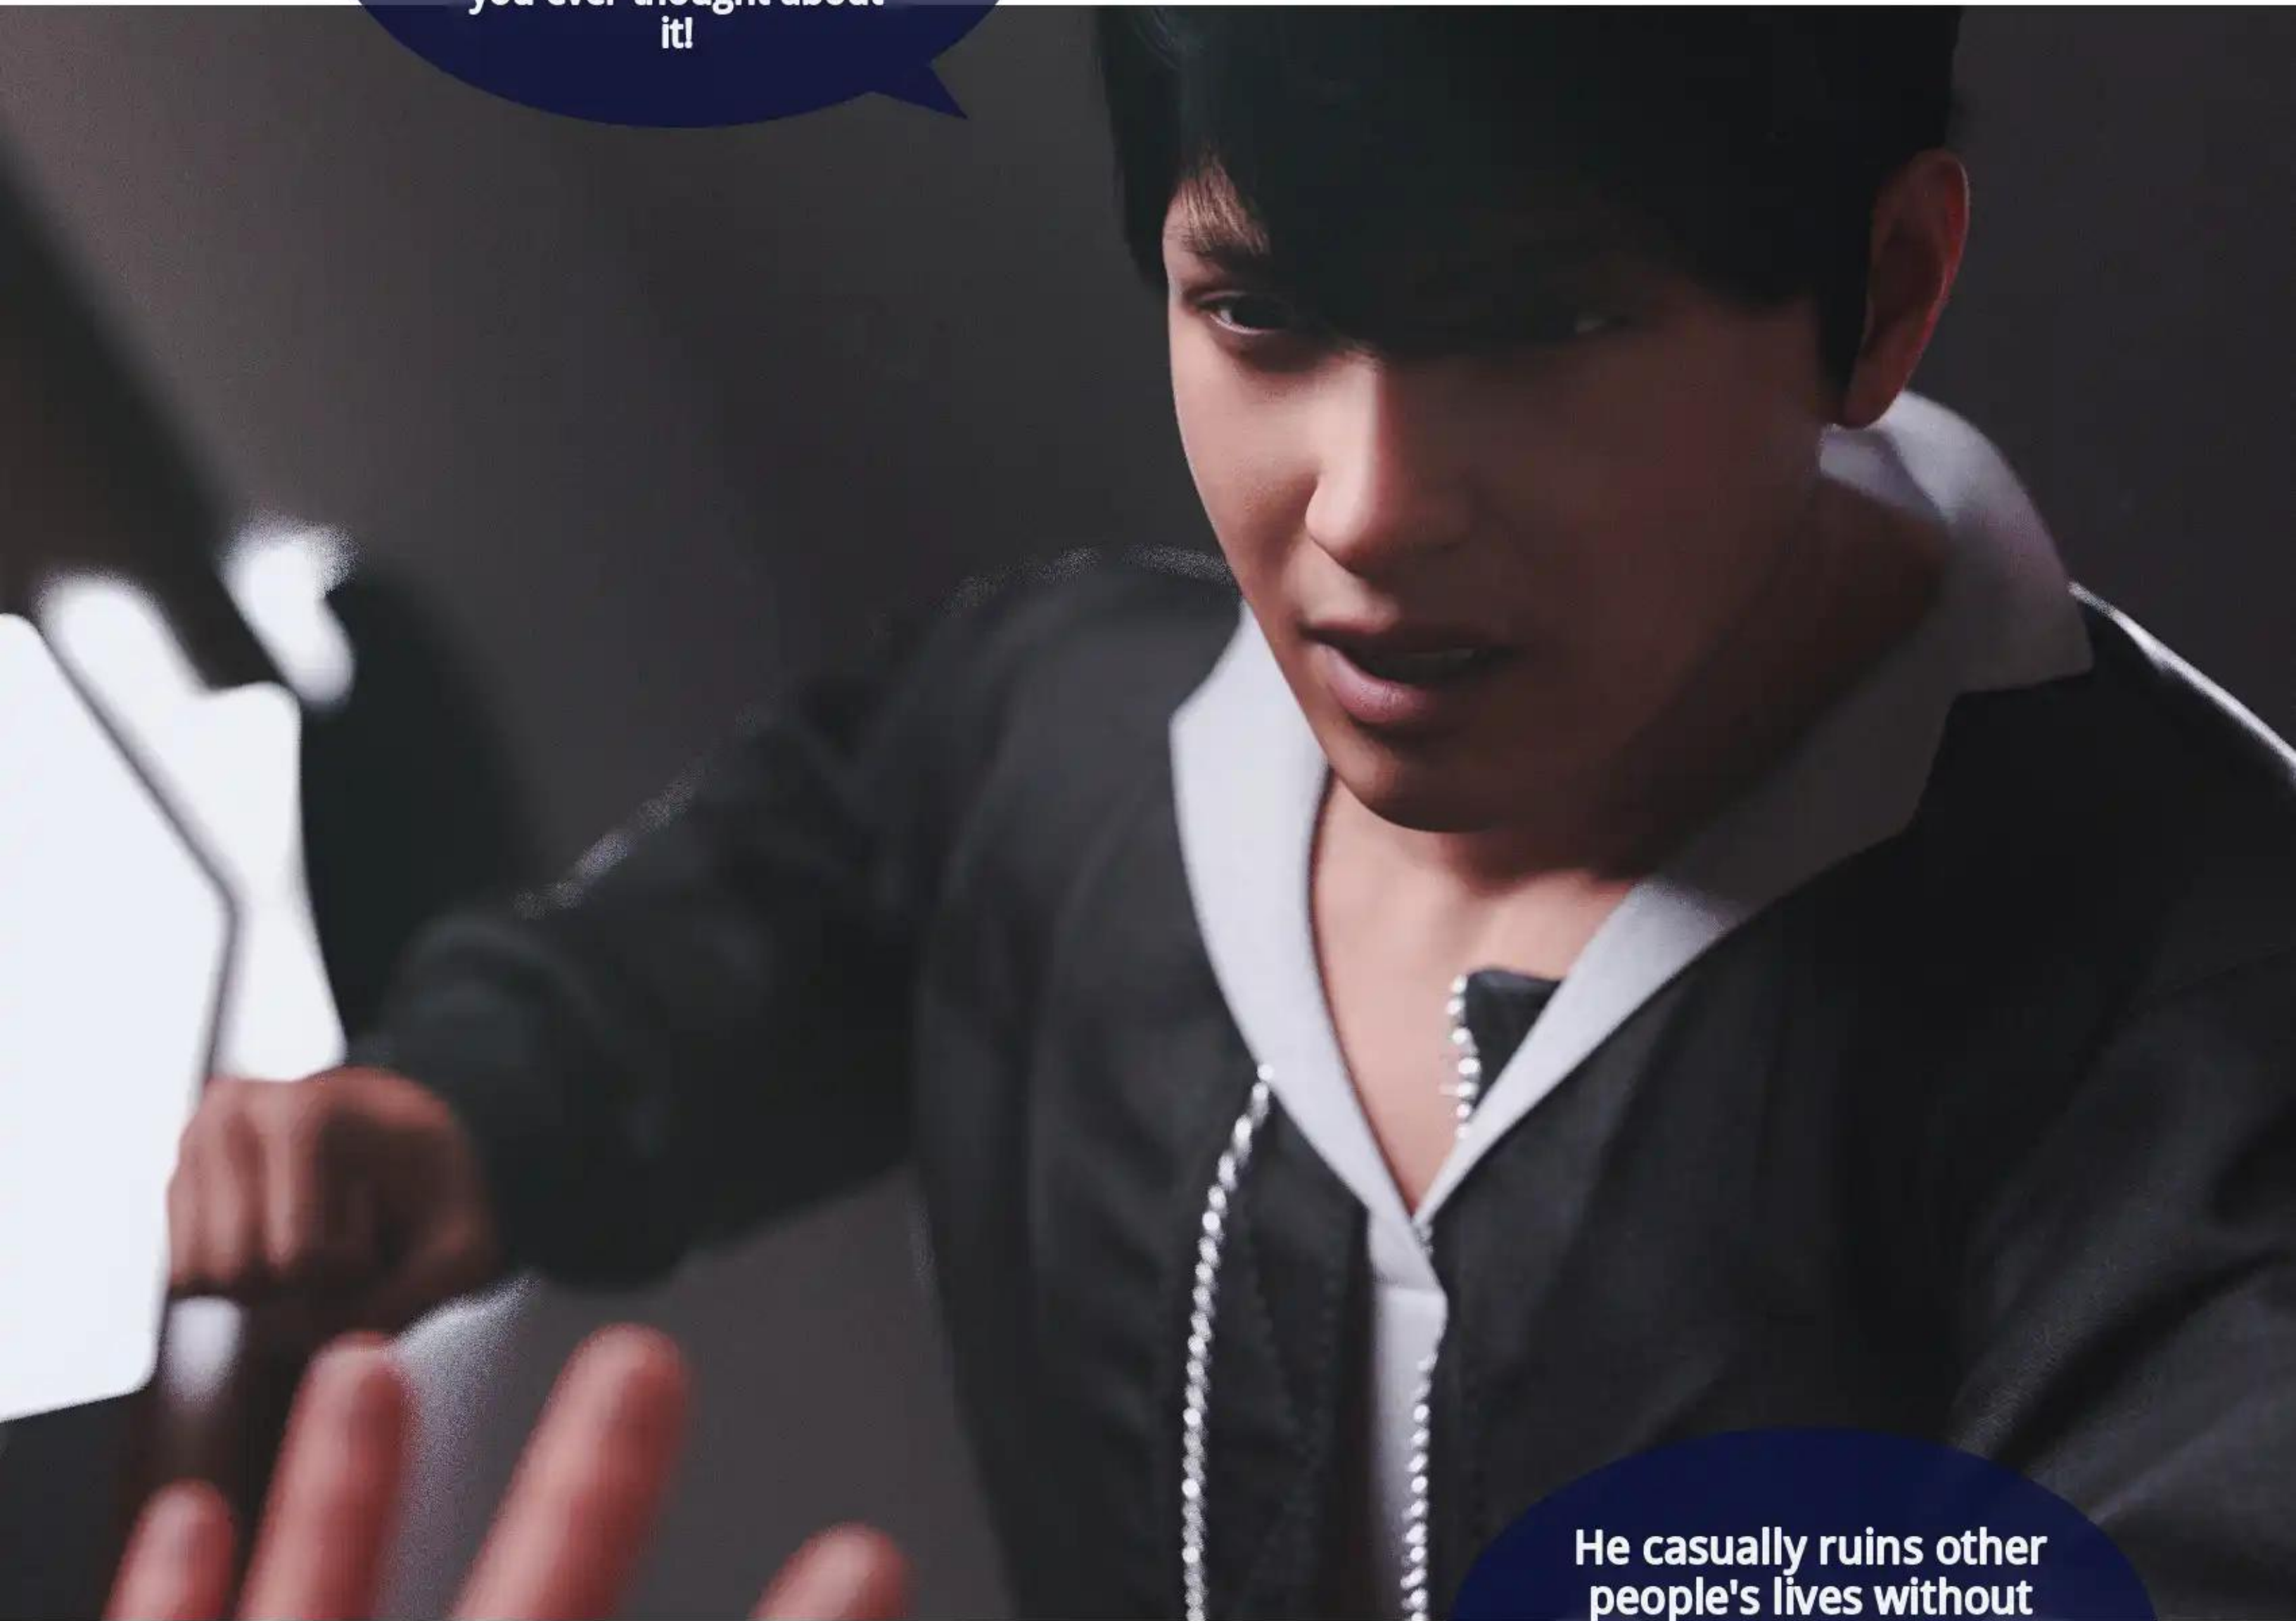

People like you  
don't even know  
how to repent!

**You never feel  
like you are at  
fault!**

**Hurt others  
and still do  
one thing and  
do another!  
Congratulations!**

How many friends and family do you have? Have you considered the people you have hurt? His hope! Have you ever thought about it!

He casually ruins other people's lives without any fault for his own fault! How could...how could there be people like you? !

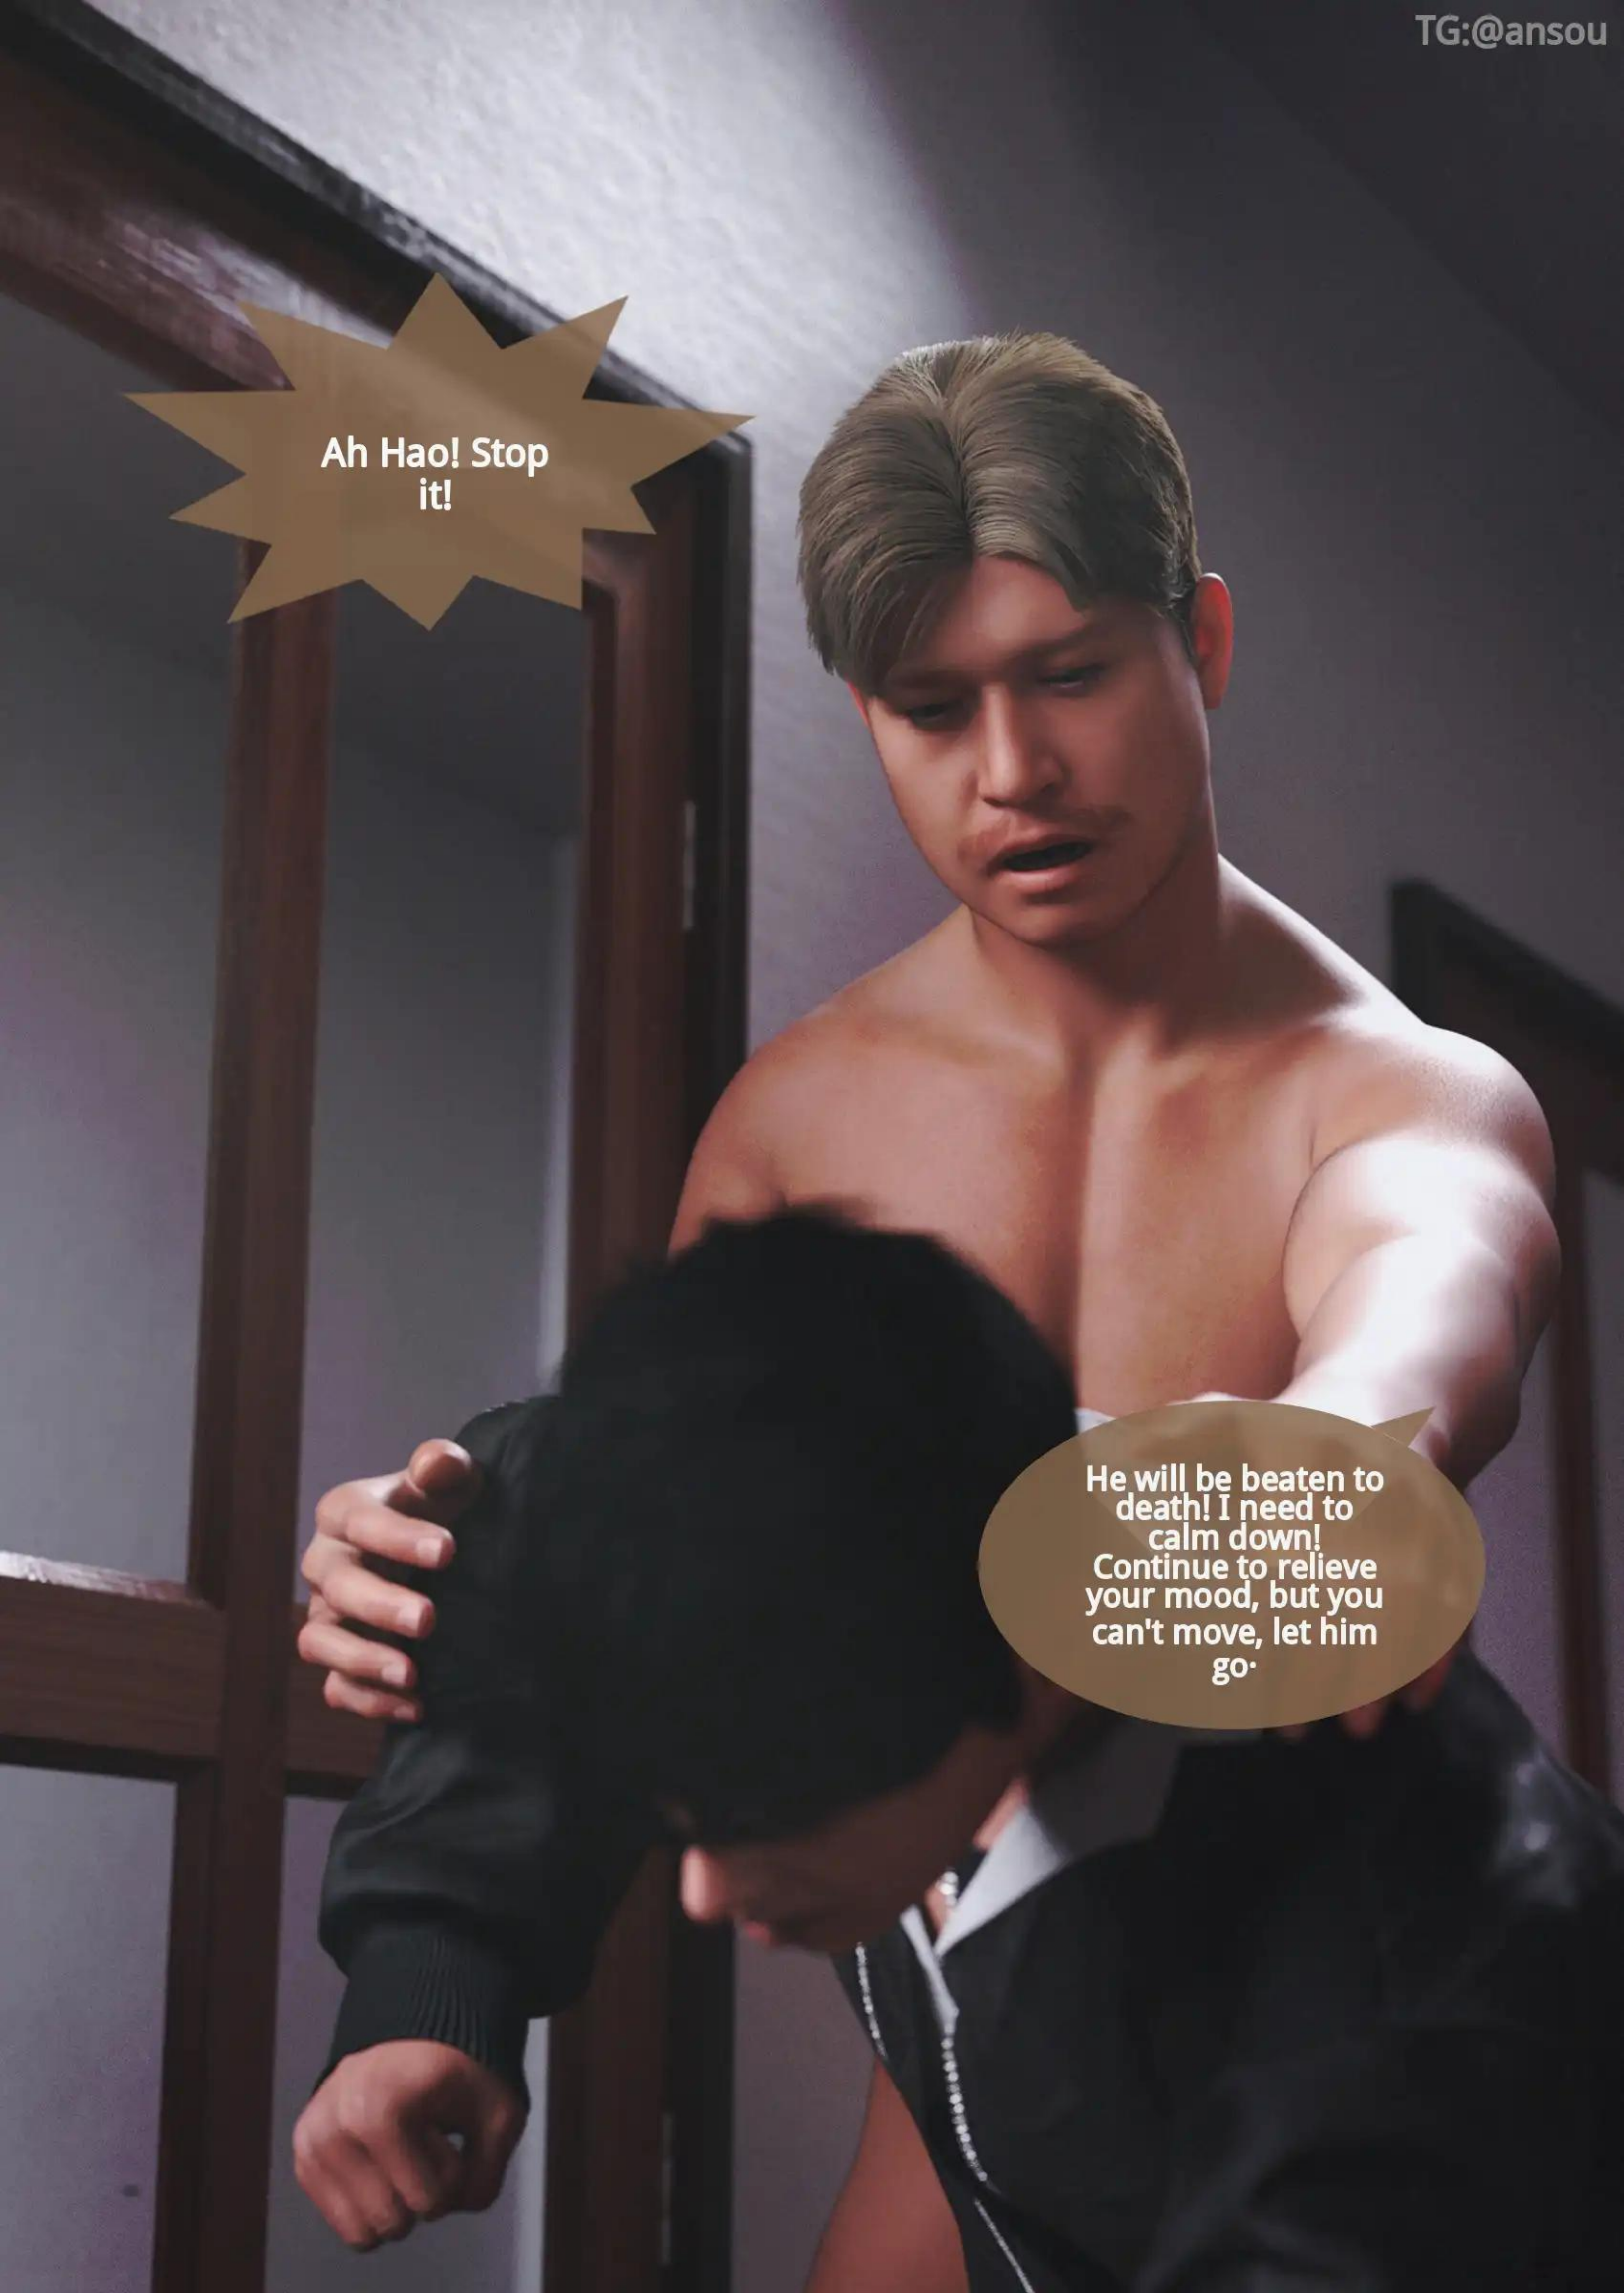

Woo! Don't,  
don't fight...I  
was wrong...

Pretend again!  
You keep  
pretending! You  
have no regrets  
at all!

Ah Hao! Stop  
it!

He will be beaten to  
death! I need to  
calm down!  
Continue to relieve  
your mood, but you  
can't move, let him  
go.

**I...! I'm  
really angry**  
Got  
it!

When I saw him like that, I just... thought of my sister... My sister was just sorry that I lost control for a moment.. I was raped by people like them...•

**My sister, who took care of me and depended on me for my life, just because of their personal relationship...**

**Her body was controlled to do those ridiculous and unreasonable things that were against her will...I can never forgive them!**

? Could it be that he is mentally ill? What is he doing now? Why did that man suddenly go crazy and run out of the hospital?

, and no one noticed me, but no one is checking me now, I want to be sure

opportunity!

Very good...  
quietly get the  
kitchen knife

Already

As long as you succeed in stealing, don't blame me. If I accidentally stab you to death, the crisis will be resolved, and we will come to cause trouble.

I can't let you go astray, otherwise the organization won't let me go, and I don't want to be in the front row of the sea view.

Die! I and  
Got it! you

If you don't let  
me go, you  
will die!

Pfft...!  
Depend on.....

Don't try to  
steal!

Still want to come back? I'm paying attention!

You bastard Koreans are pretending to be women? You made me do that...and you even want to blackmail me, which is too much!

Do! It hurts!  
my belly  
Son, one!

I still look like a  
woman now! Do  
you understand  
Xiang Xiyu?

It killed us all, and  
I was too cold!  
Thank you for  
saving you...you  
reacted so quickly  
and calmed down.

You probably still have  
many questions, right? Are  
you free to chat with us?  
Although we have gone  
through many twists and  
turns, our mission has been  
successfully concluded.

Afterwards, the engineer and I explained the ins and outs of everything, including what happened to Wei and I,

I told him everything about the leather items in detail. He was shocked but still believed us.

. Apart from the fact that he can't control his lower body, he is really a warm-hearted and good man with a sense of justice who even decided to help us.

The last remaining ones are these two people. It is naturally impossible to let them go, but the matter of killing people..."

, I don't want to go down the road of no return where I can't kill people no matter how hateful they are.

The rain man kept crying that he was wrong again and would never make it again. I thought about it for a long time and had no idea, but I didn't believe it.

Fortunately, the engineer brother, Dansi, was beaten by them all the time. He was really infuriating and had a way.

He said that he was engaged in some black industries, and there were people in that field who could imprison them.

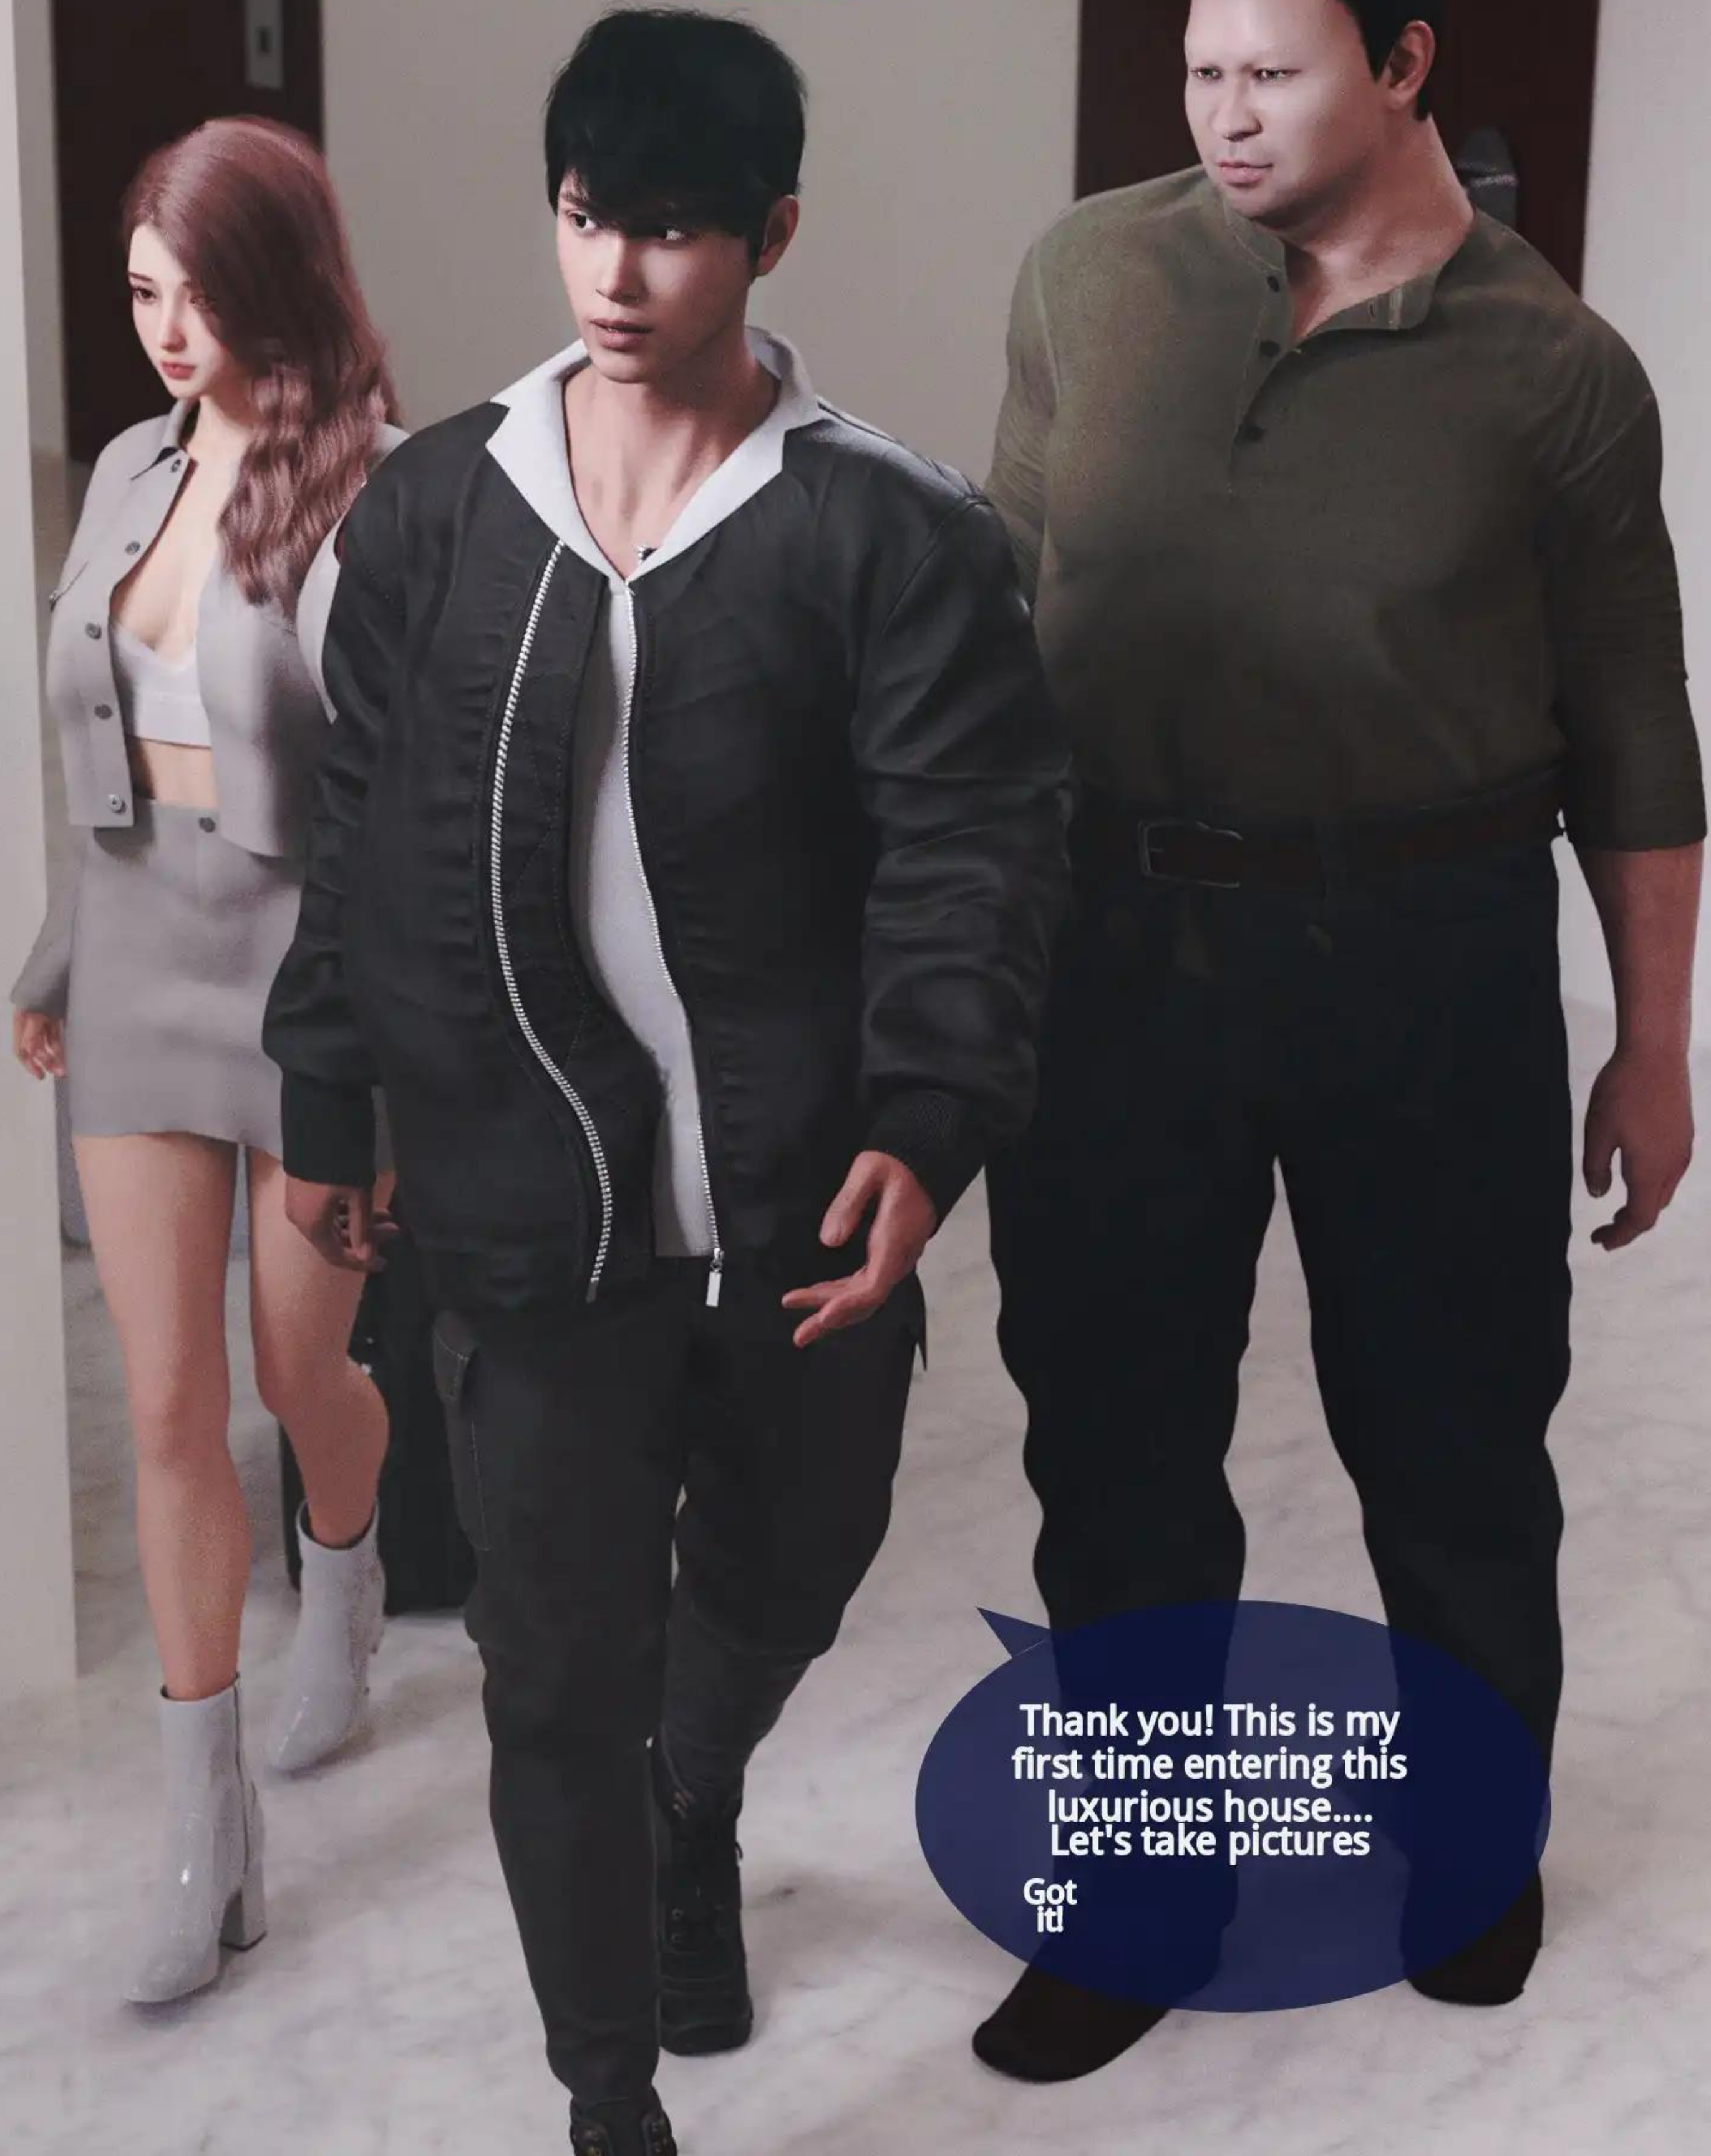

, their original identities should have been lost, so no one would care if they disappeared and kept wearing skins to pretend to be others.

?Then the engineer  
brother invited the  
matter to an end.  
This seemed to be  
the best way for us  
to go to his house.

Wow! Your home is so big!  
Beautiful good

, it just so happens that my wife and children are welcome to come in! You are all my benefactors and you are not here, just treat yourself as yourselves  
Home is good.

Thank you! This is my first time entering this luxurious house.... Let's take pictures  
Got it!

That one when  
no one else is  
around...

Let's take a look at the current situation so that we can make these skins later. Let's take stock and get them.

Intend.

But it's great that we can be safe and these girls can be restored, hopefully to their original selves.

The quantity is yes,  
but what should  
they do? Next...how  
should I sneak in,  
how should I grind  
and  
distribute...well...

We almost had to  
confess there! Be  
more cautious next  
time - and this time  
it's really too tight,  
don't get hurt

Yes, it may be an oversight! If it is really dangerous, we will lose our lives. We must plead hard before taking any action.

The method must be able to eliminate this difficulty just like we think about it together! I will also try my best to help!

Stop frowning! We are making progress, and everything is moving in a good direction. If we succeed this time, it will be a big success!

It's okay to be cautious but also be happy with all difficulties! You will be able to watch soon, we will be able to rescue your sister!

I really don't know what to do. It's so awesome to have you here...Thank you! I am alright!

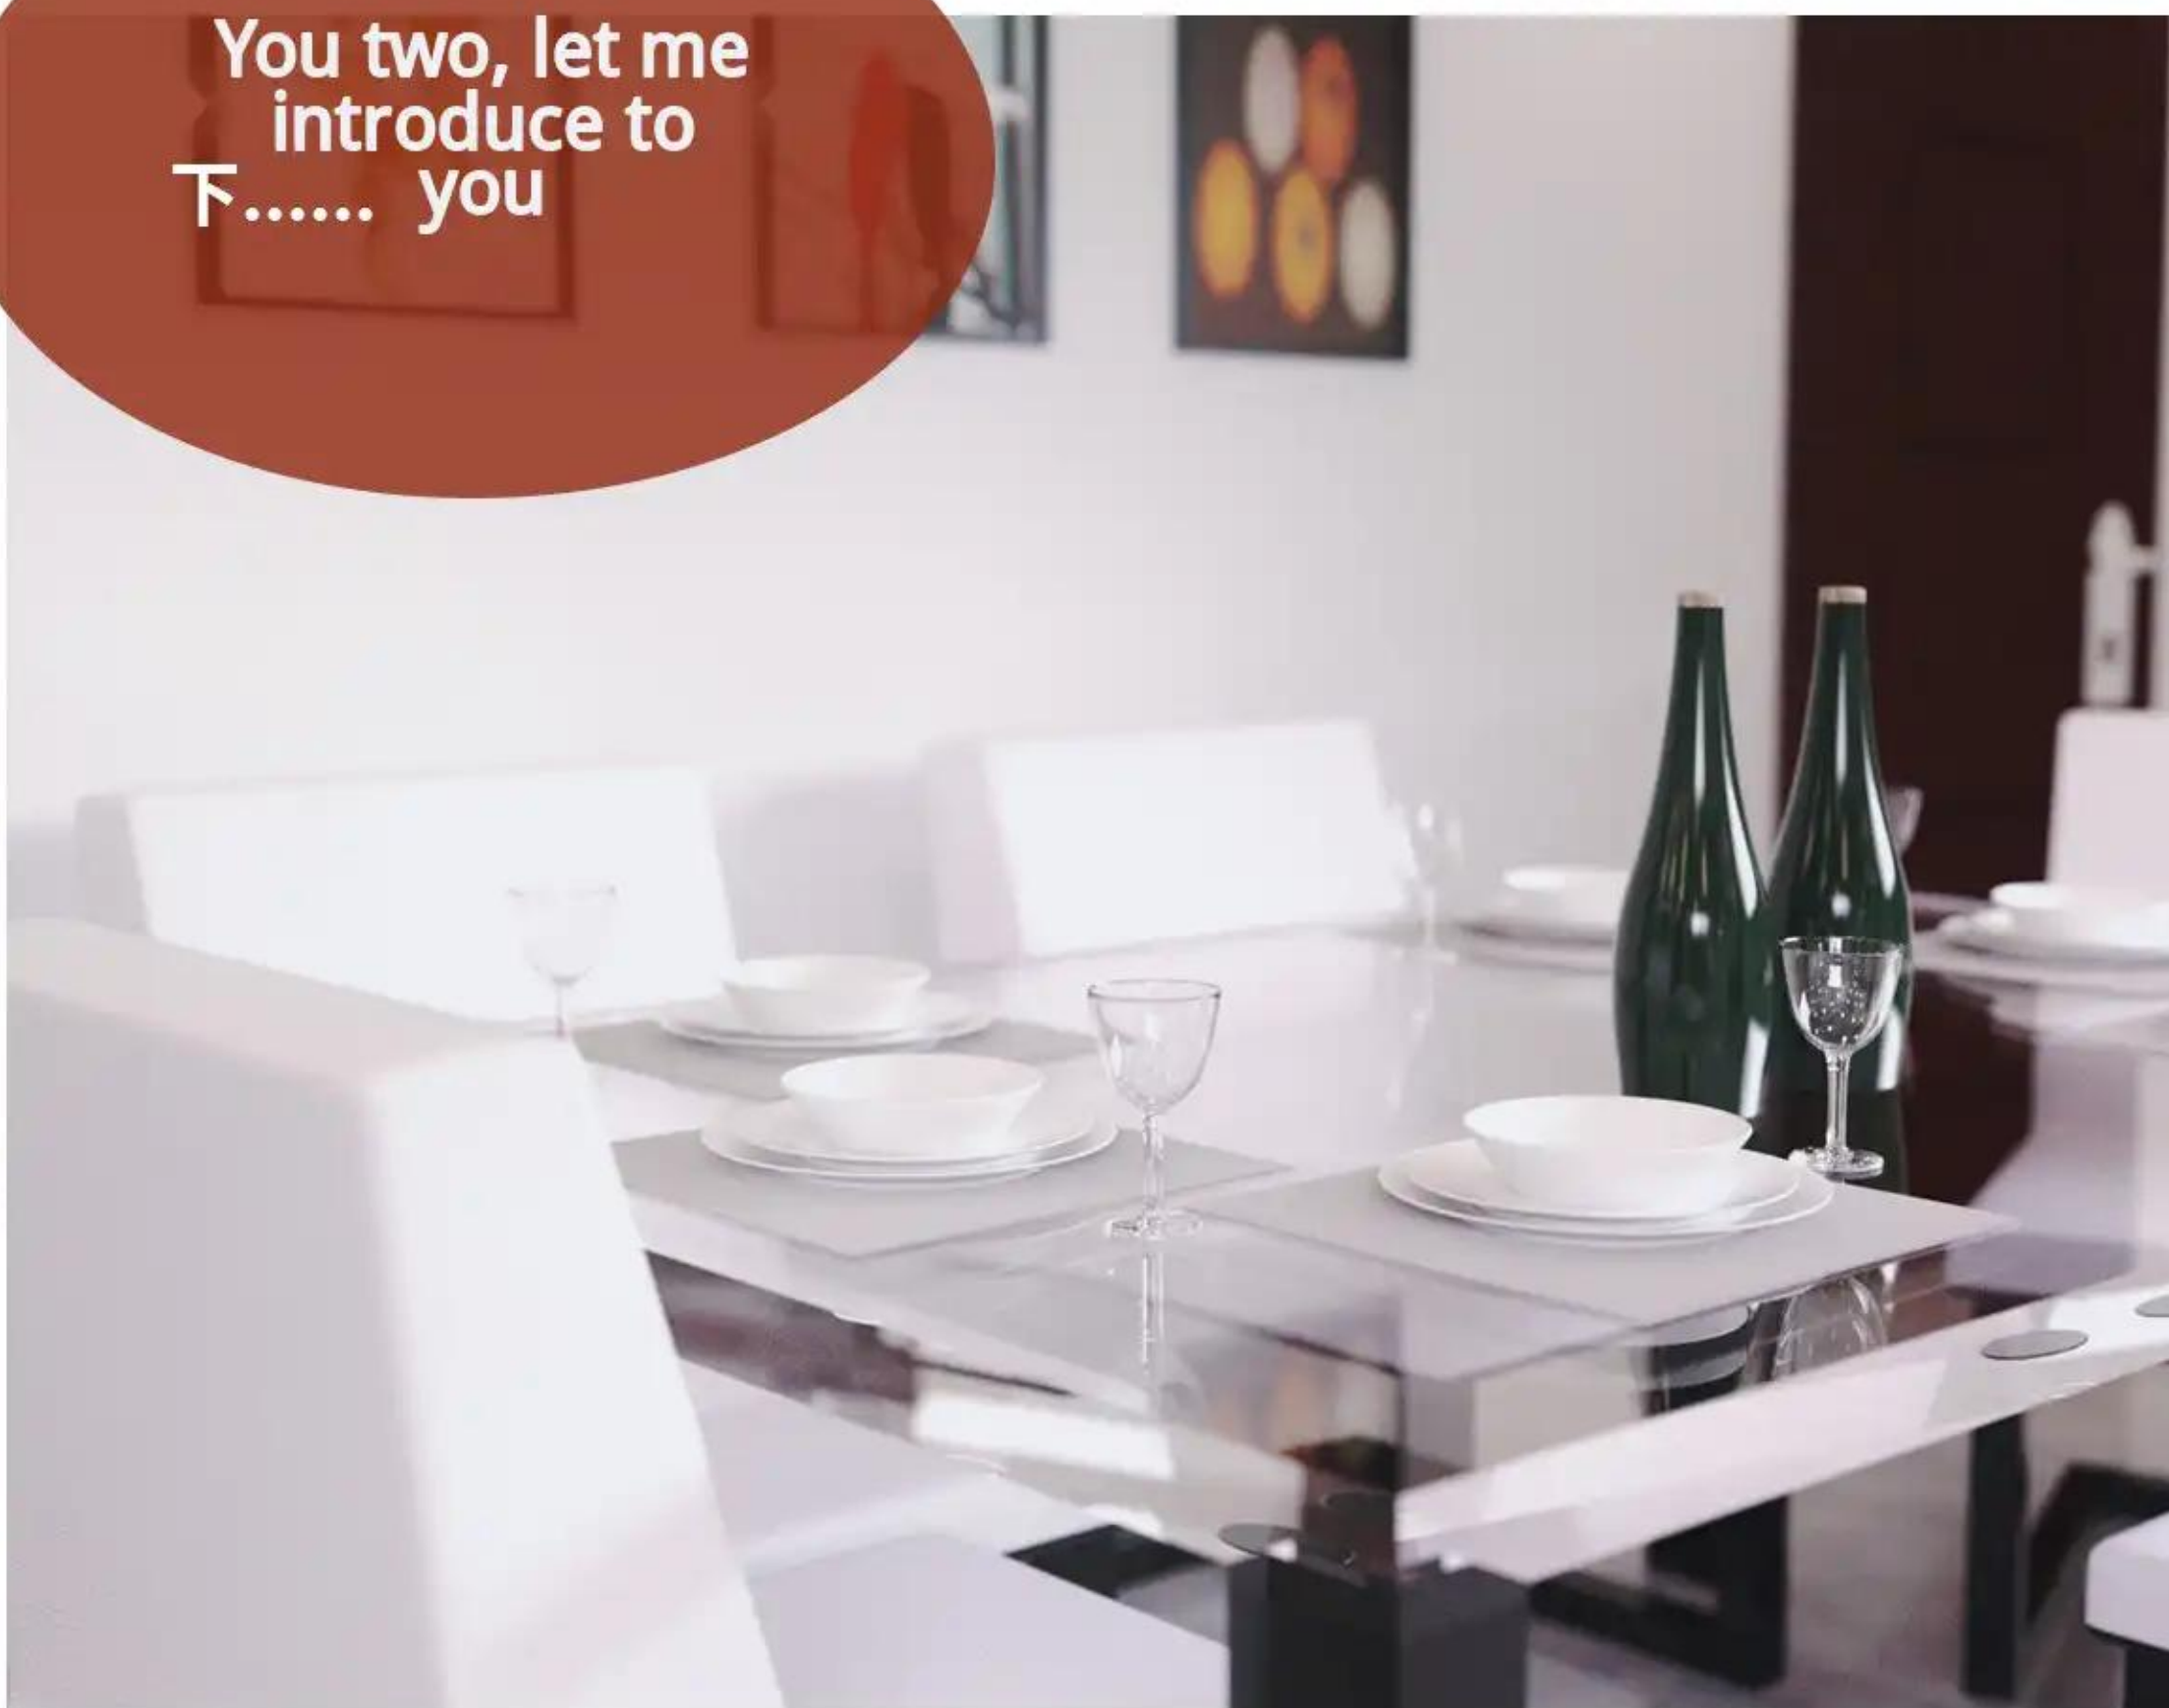

You are so polite! We should help each other. When the time comes, you should introduce me to your sister!

Although there are still a lot of unresolved problems, looking at this young couple feels full of motivation! They are so happy...".

, mutual trust, dependence and sweetness. My wife and I used to be like this, and I hope they can continue like this.

You two, let me  
introduce to  
下..... you

Po, they are you and me.  
This is my wife. She  
insists on coming out to  
say hello to you. A friend  
who always comes to  
stay for a while.

Hello! Sorry, my husband rarely brings friends to chat with you, but I'm so curious when I come back.

If you have a few seats or if you need more seats, you don't have to be polite. I'll treat you as my own home.

!!

If we accidentally make too much noise, it's us. I'm sorry to have to stay temporarily and hit you. You must stay with us!

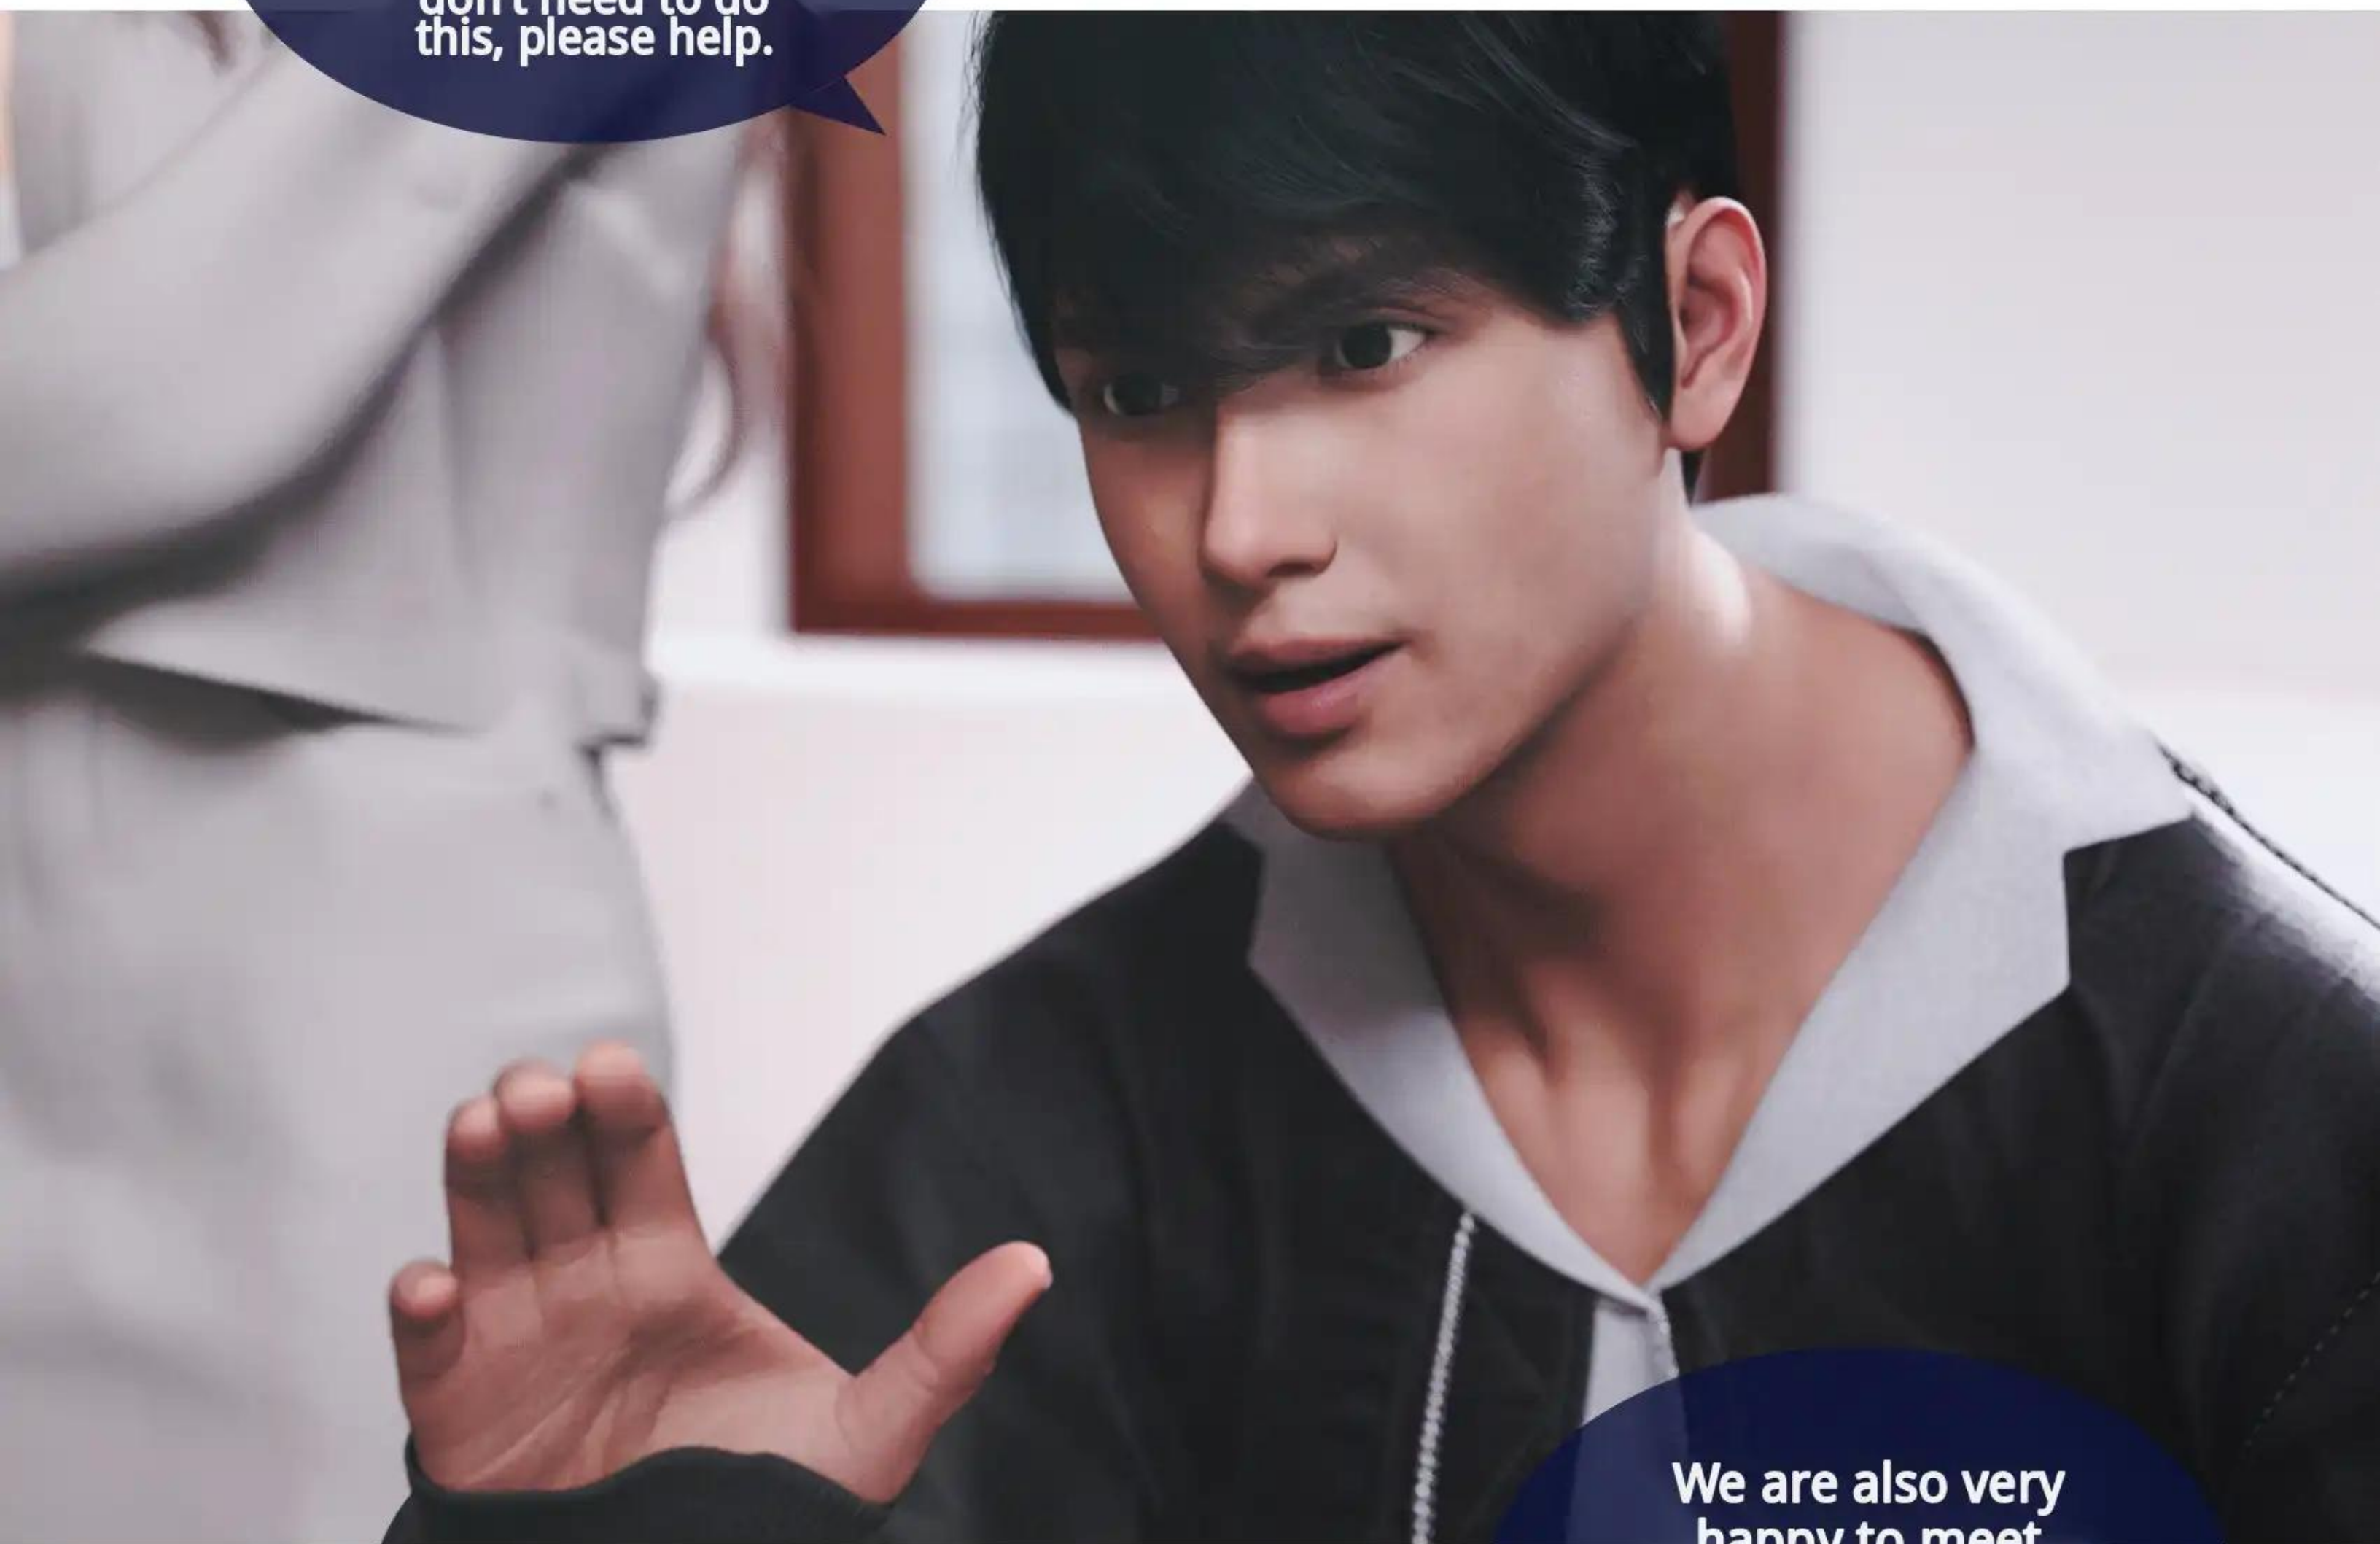

! And she's so young.. She's so beautiful like my eldest brother's wife! I didn't expect engineers to be like celebrities.

· I washed some fruits, don't worry, I'm actually very happy. Come and eat. If you want to eat anything else, tell me.

I feel that my husband is very happy to be with you. A while ago, he hoped that you could stay longer. I wonder if he is unhappy?

We are the ones treated by eldest brother and sister-in-law. You are so polite! We don't need to do this, please help.

We are also very happy to meet you. Thank you for washing the fruits. We like these!

Too comfortable, a  
bit hot and cold?  
I'm not surprised...  
I feel so  
uncomfortable that  
I can't calm down  
for some reason.

He was even more  
unbearable, he really  
wanted to talk to her and  
he couldn't take his eyes  
away after seeing his wife,  
and he wanted to say  
more words to her voice...

She is so small, so pretty and has a great figure, how could this happen... I have never felt this way about a girl.

It must be nice to touch! I really want to try it. Her skin looks so smooth, and her body smells so good: Look! I really want to hold her!

What slender legs!  
Mashiro is usually  
here, right? ...And  
there are also some  
muscles, no wonder  
it is so sexy.

Her butt is also very  
perky. I really want to  
lift up her skirt and take  
a look. She must be as  
slim and fair as her  
legs... She is so  
beautiful...

No! How could I have such thoughts about a girl or someone else's wife? ! I can't go wrong and mess things up!

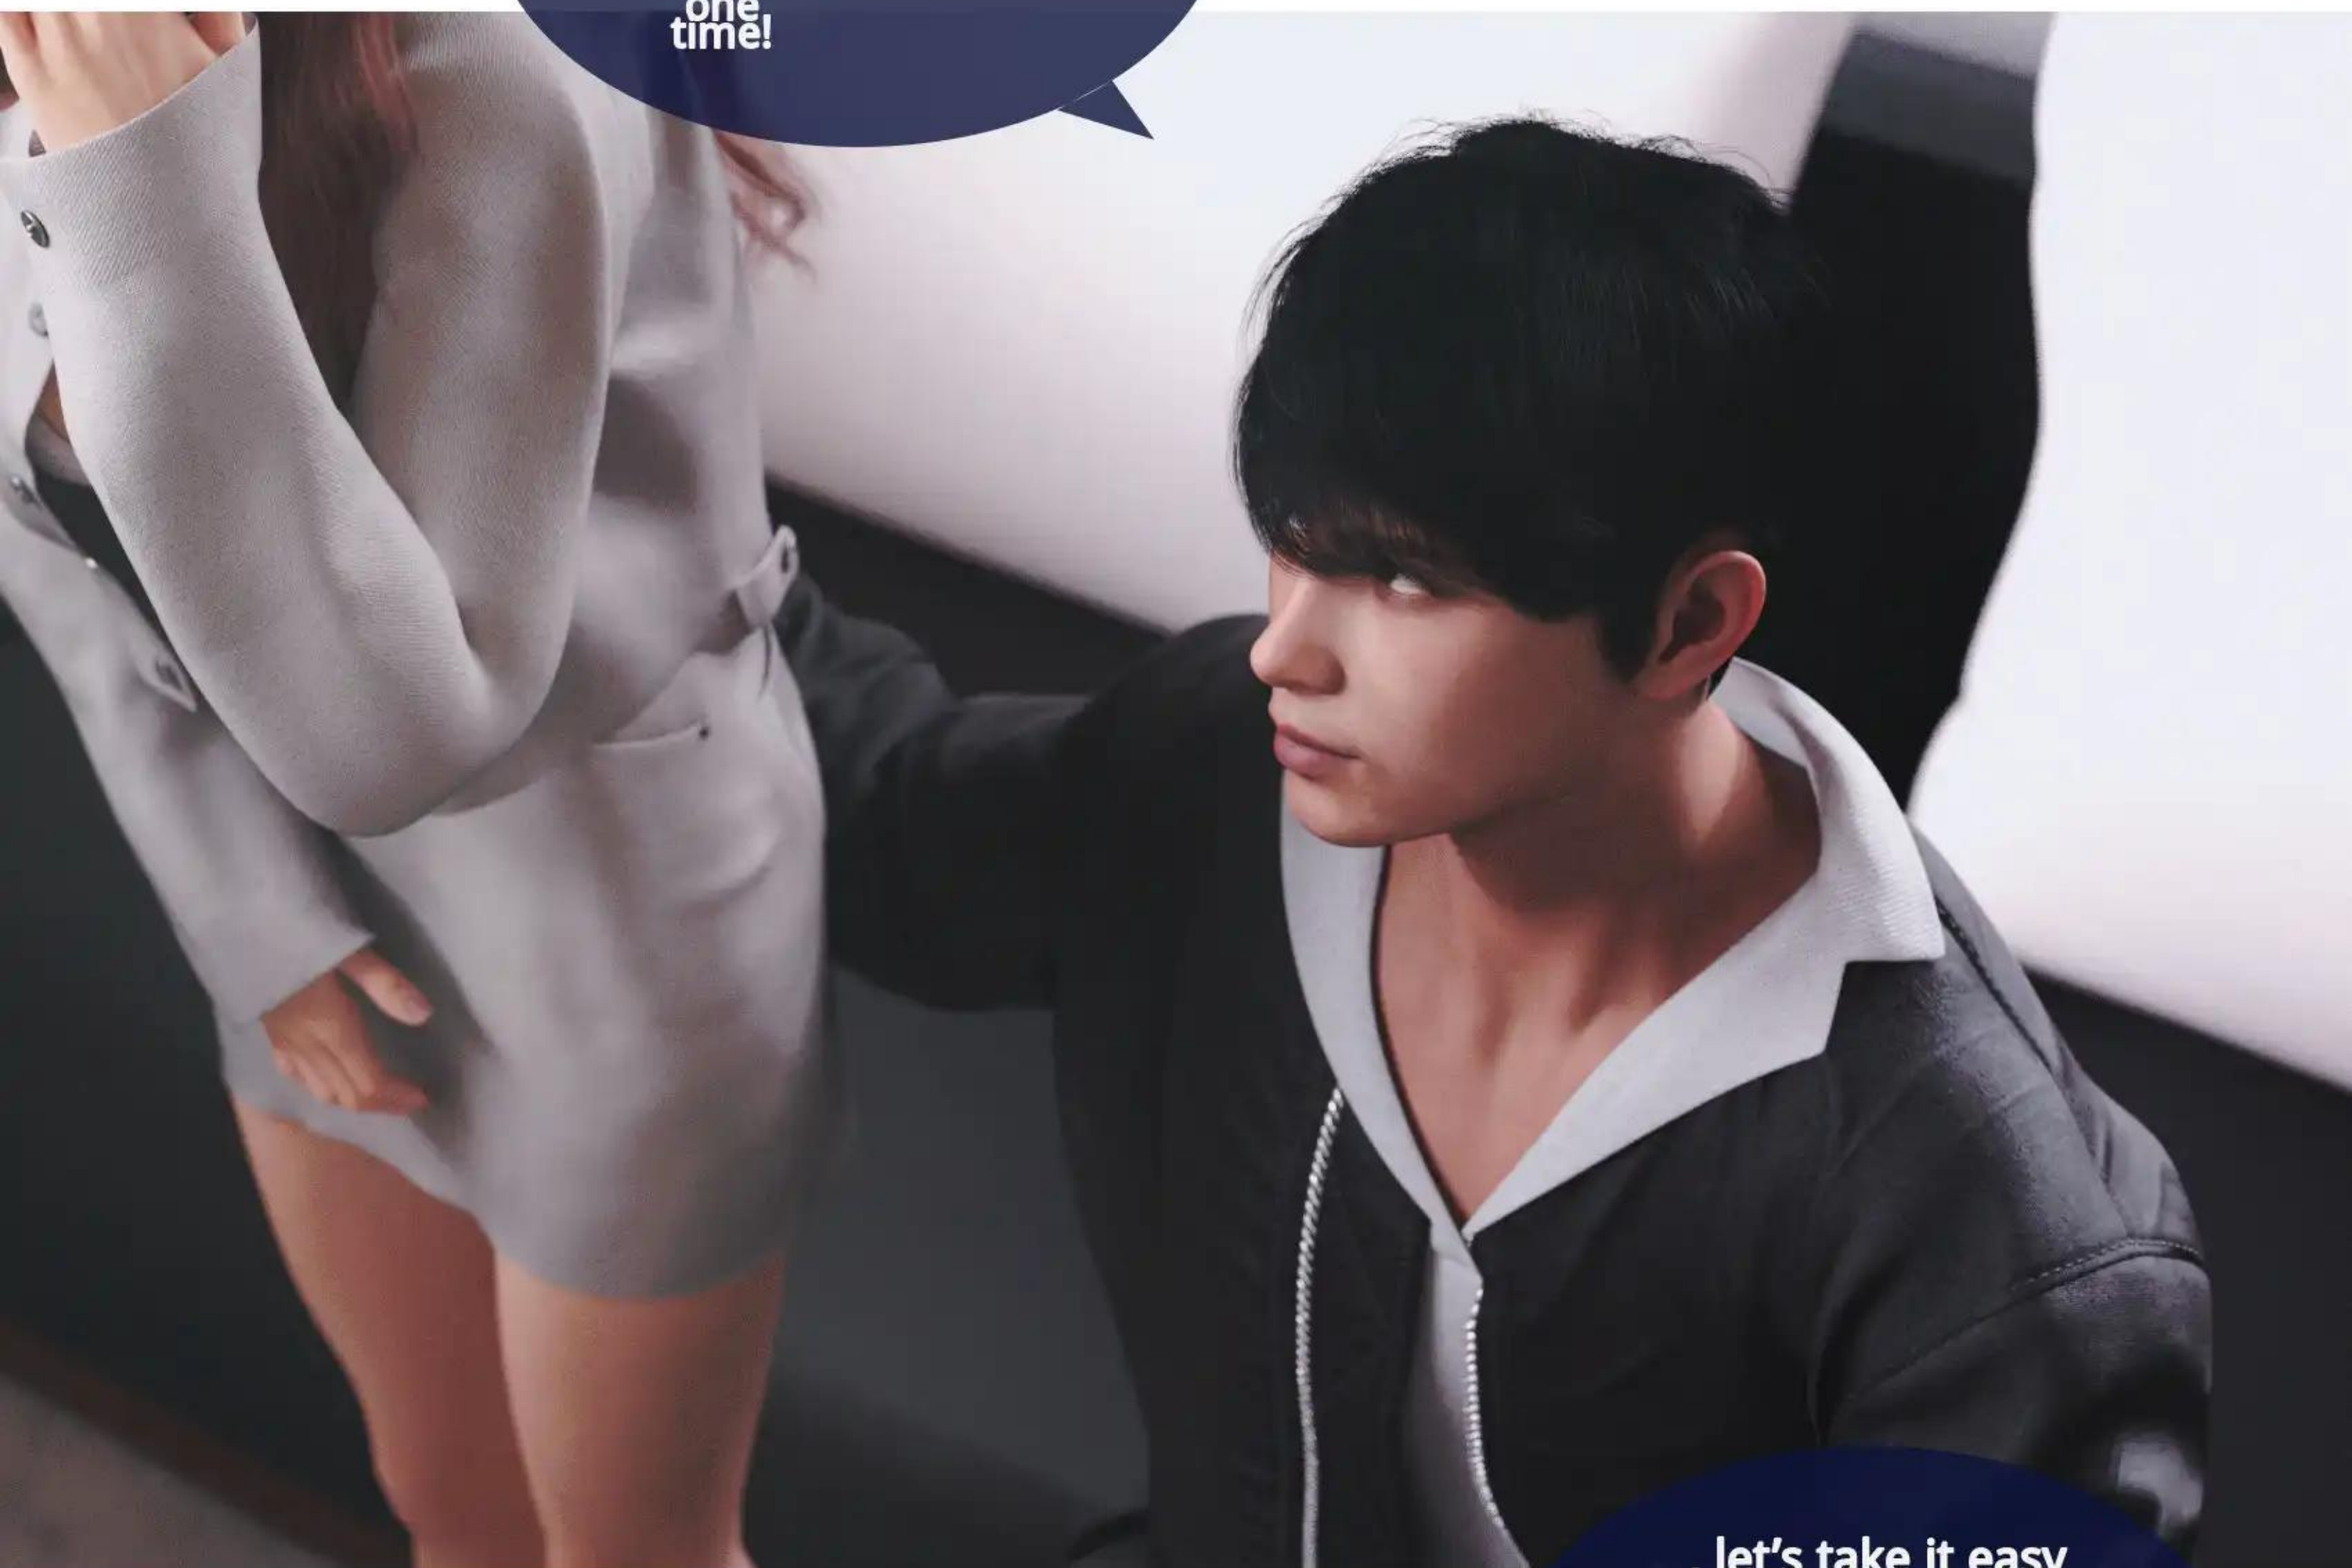

So many things have happened to Xing... Sigh, you have too much pressure recently when you have free time? See a psychiatrist.

, as if something  
wants to whine!  
Sorry...I always  
feel like I can't get  
up down there...

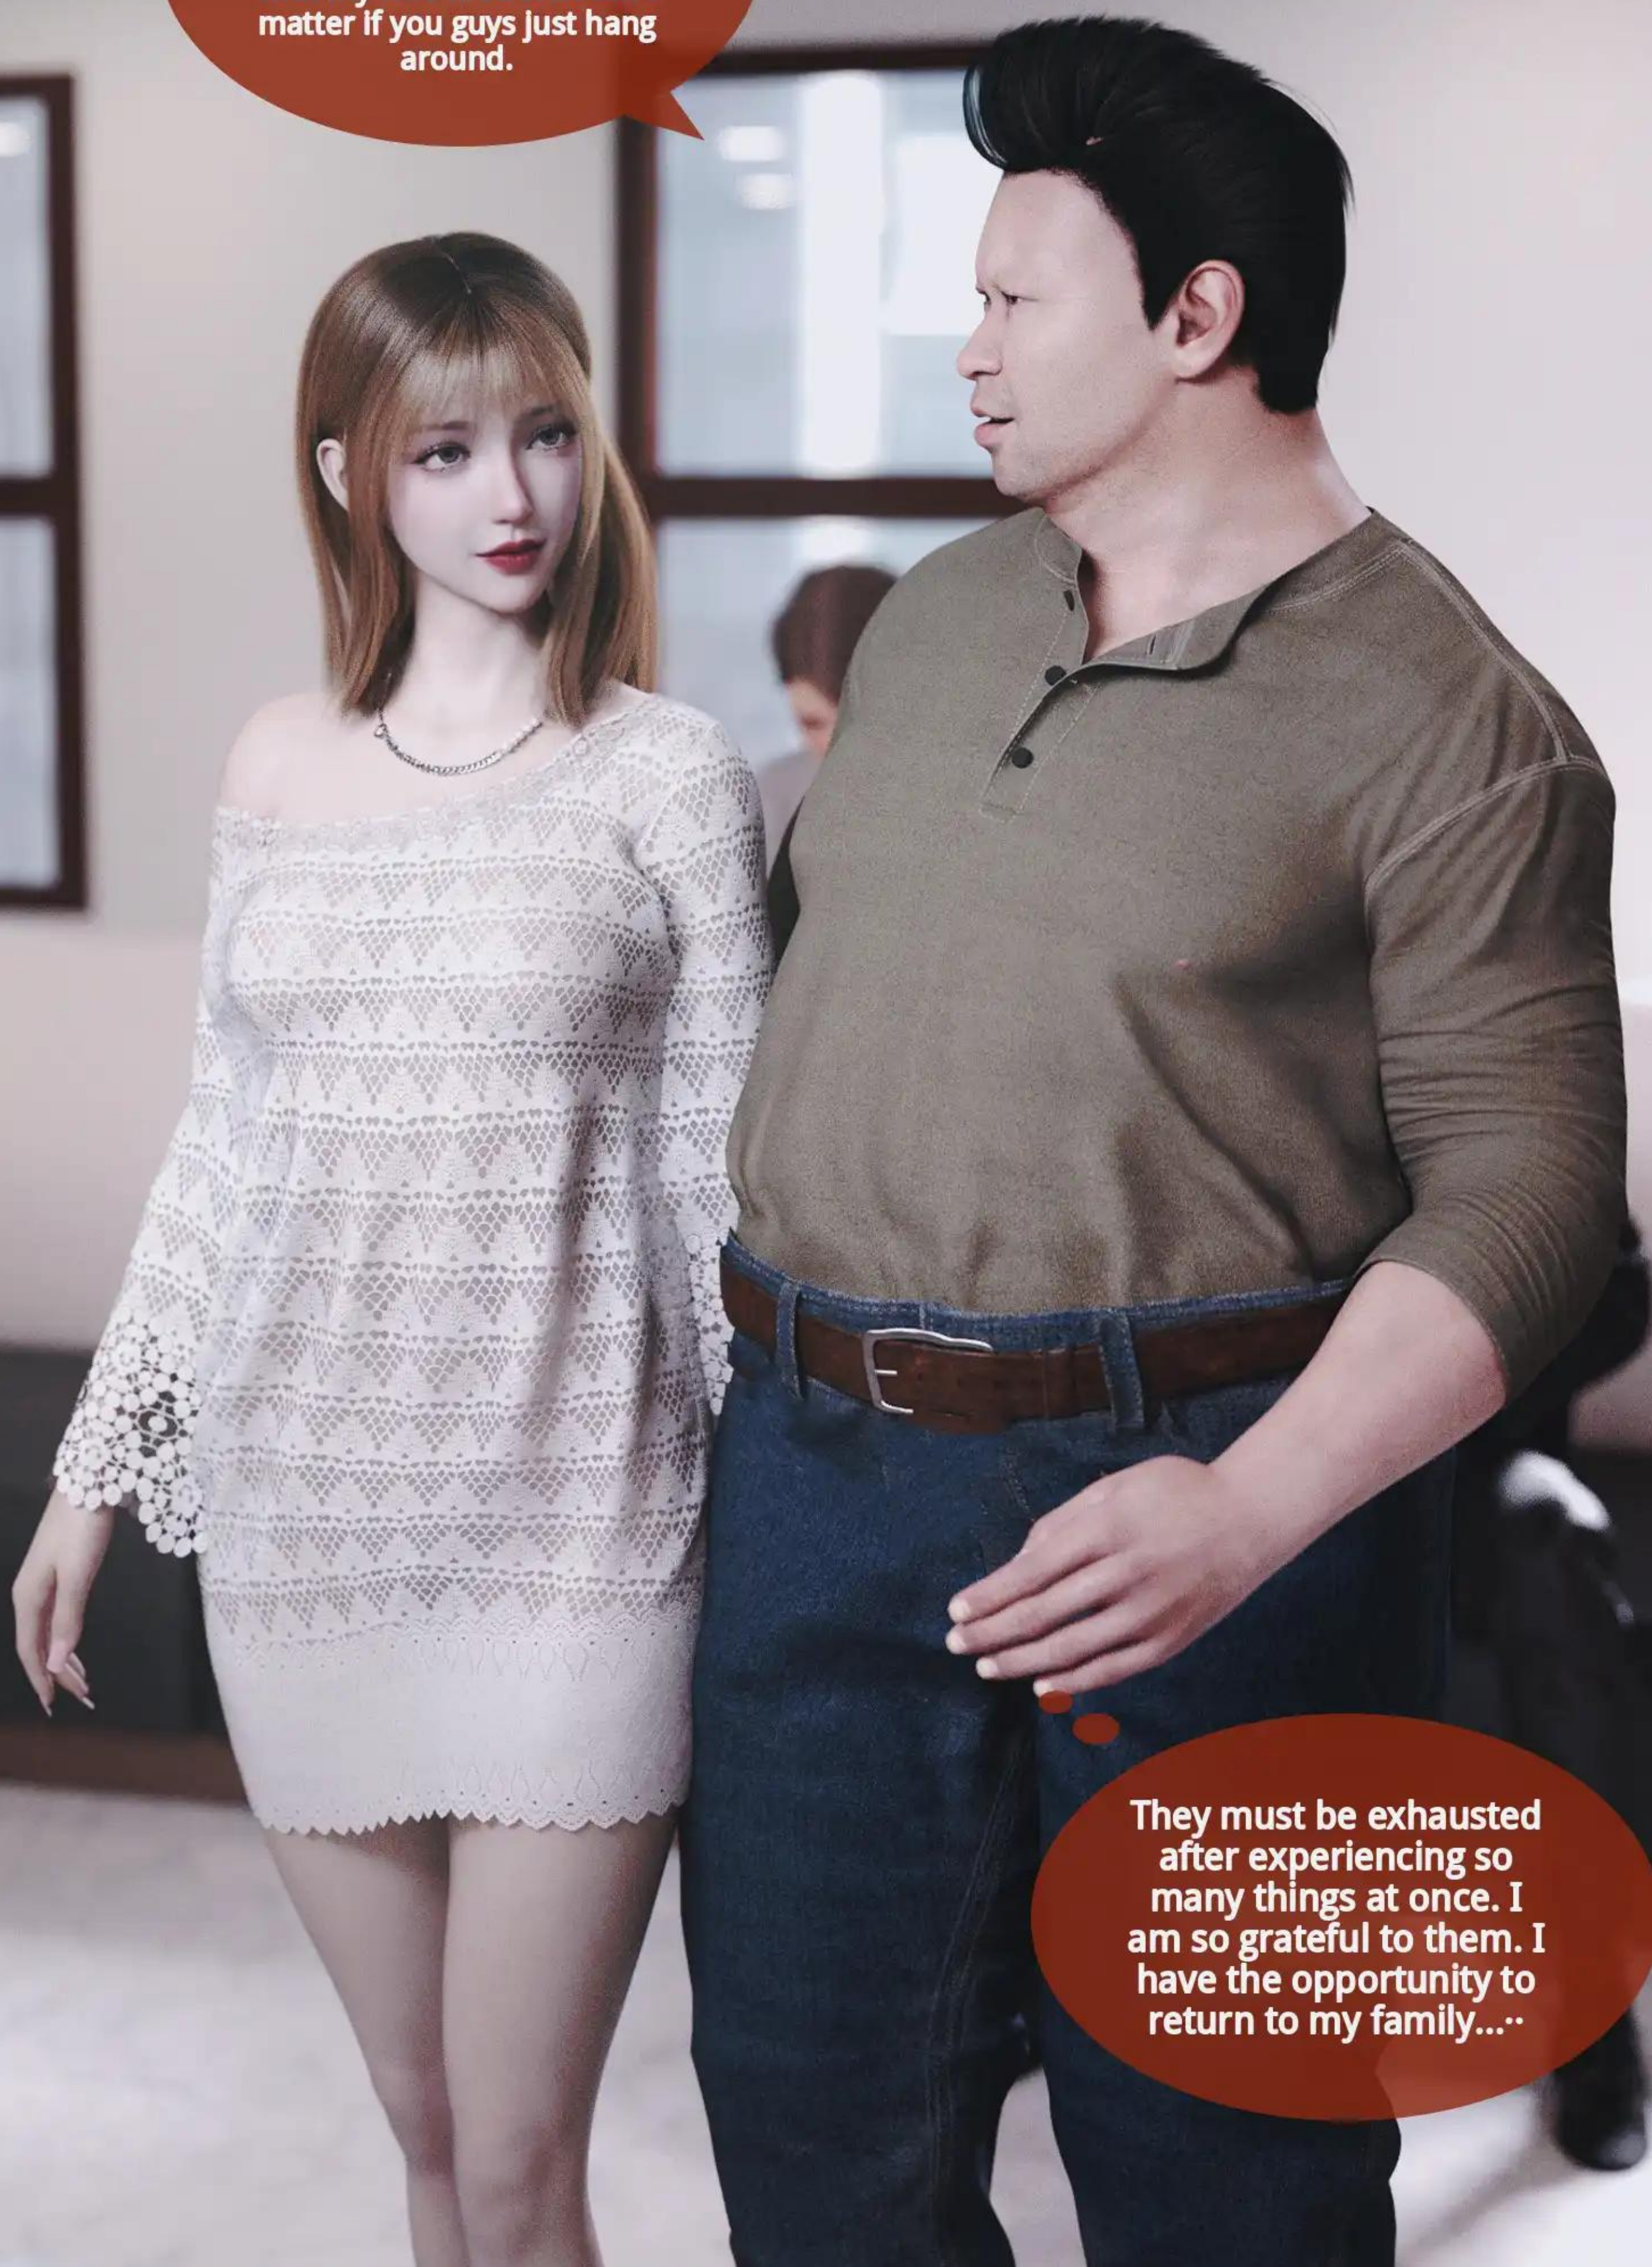

I can't help but look at  
it strangely, I really  
want to tear it apart  
with my hands, I really  
want to feel weak... I  
can't stand it anymore!

Vi okay? Sexy? Don't think too much, just relax. It's a bit bad. Go and rest first.  
one time!

, let's take it easy later, don't put too much pressure on yourself, everything will be fine, I'm here.

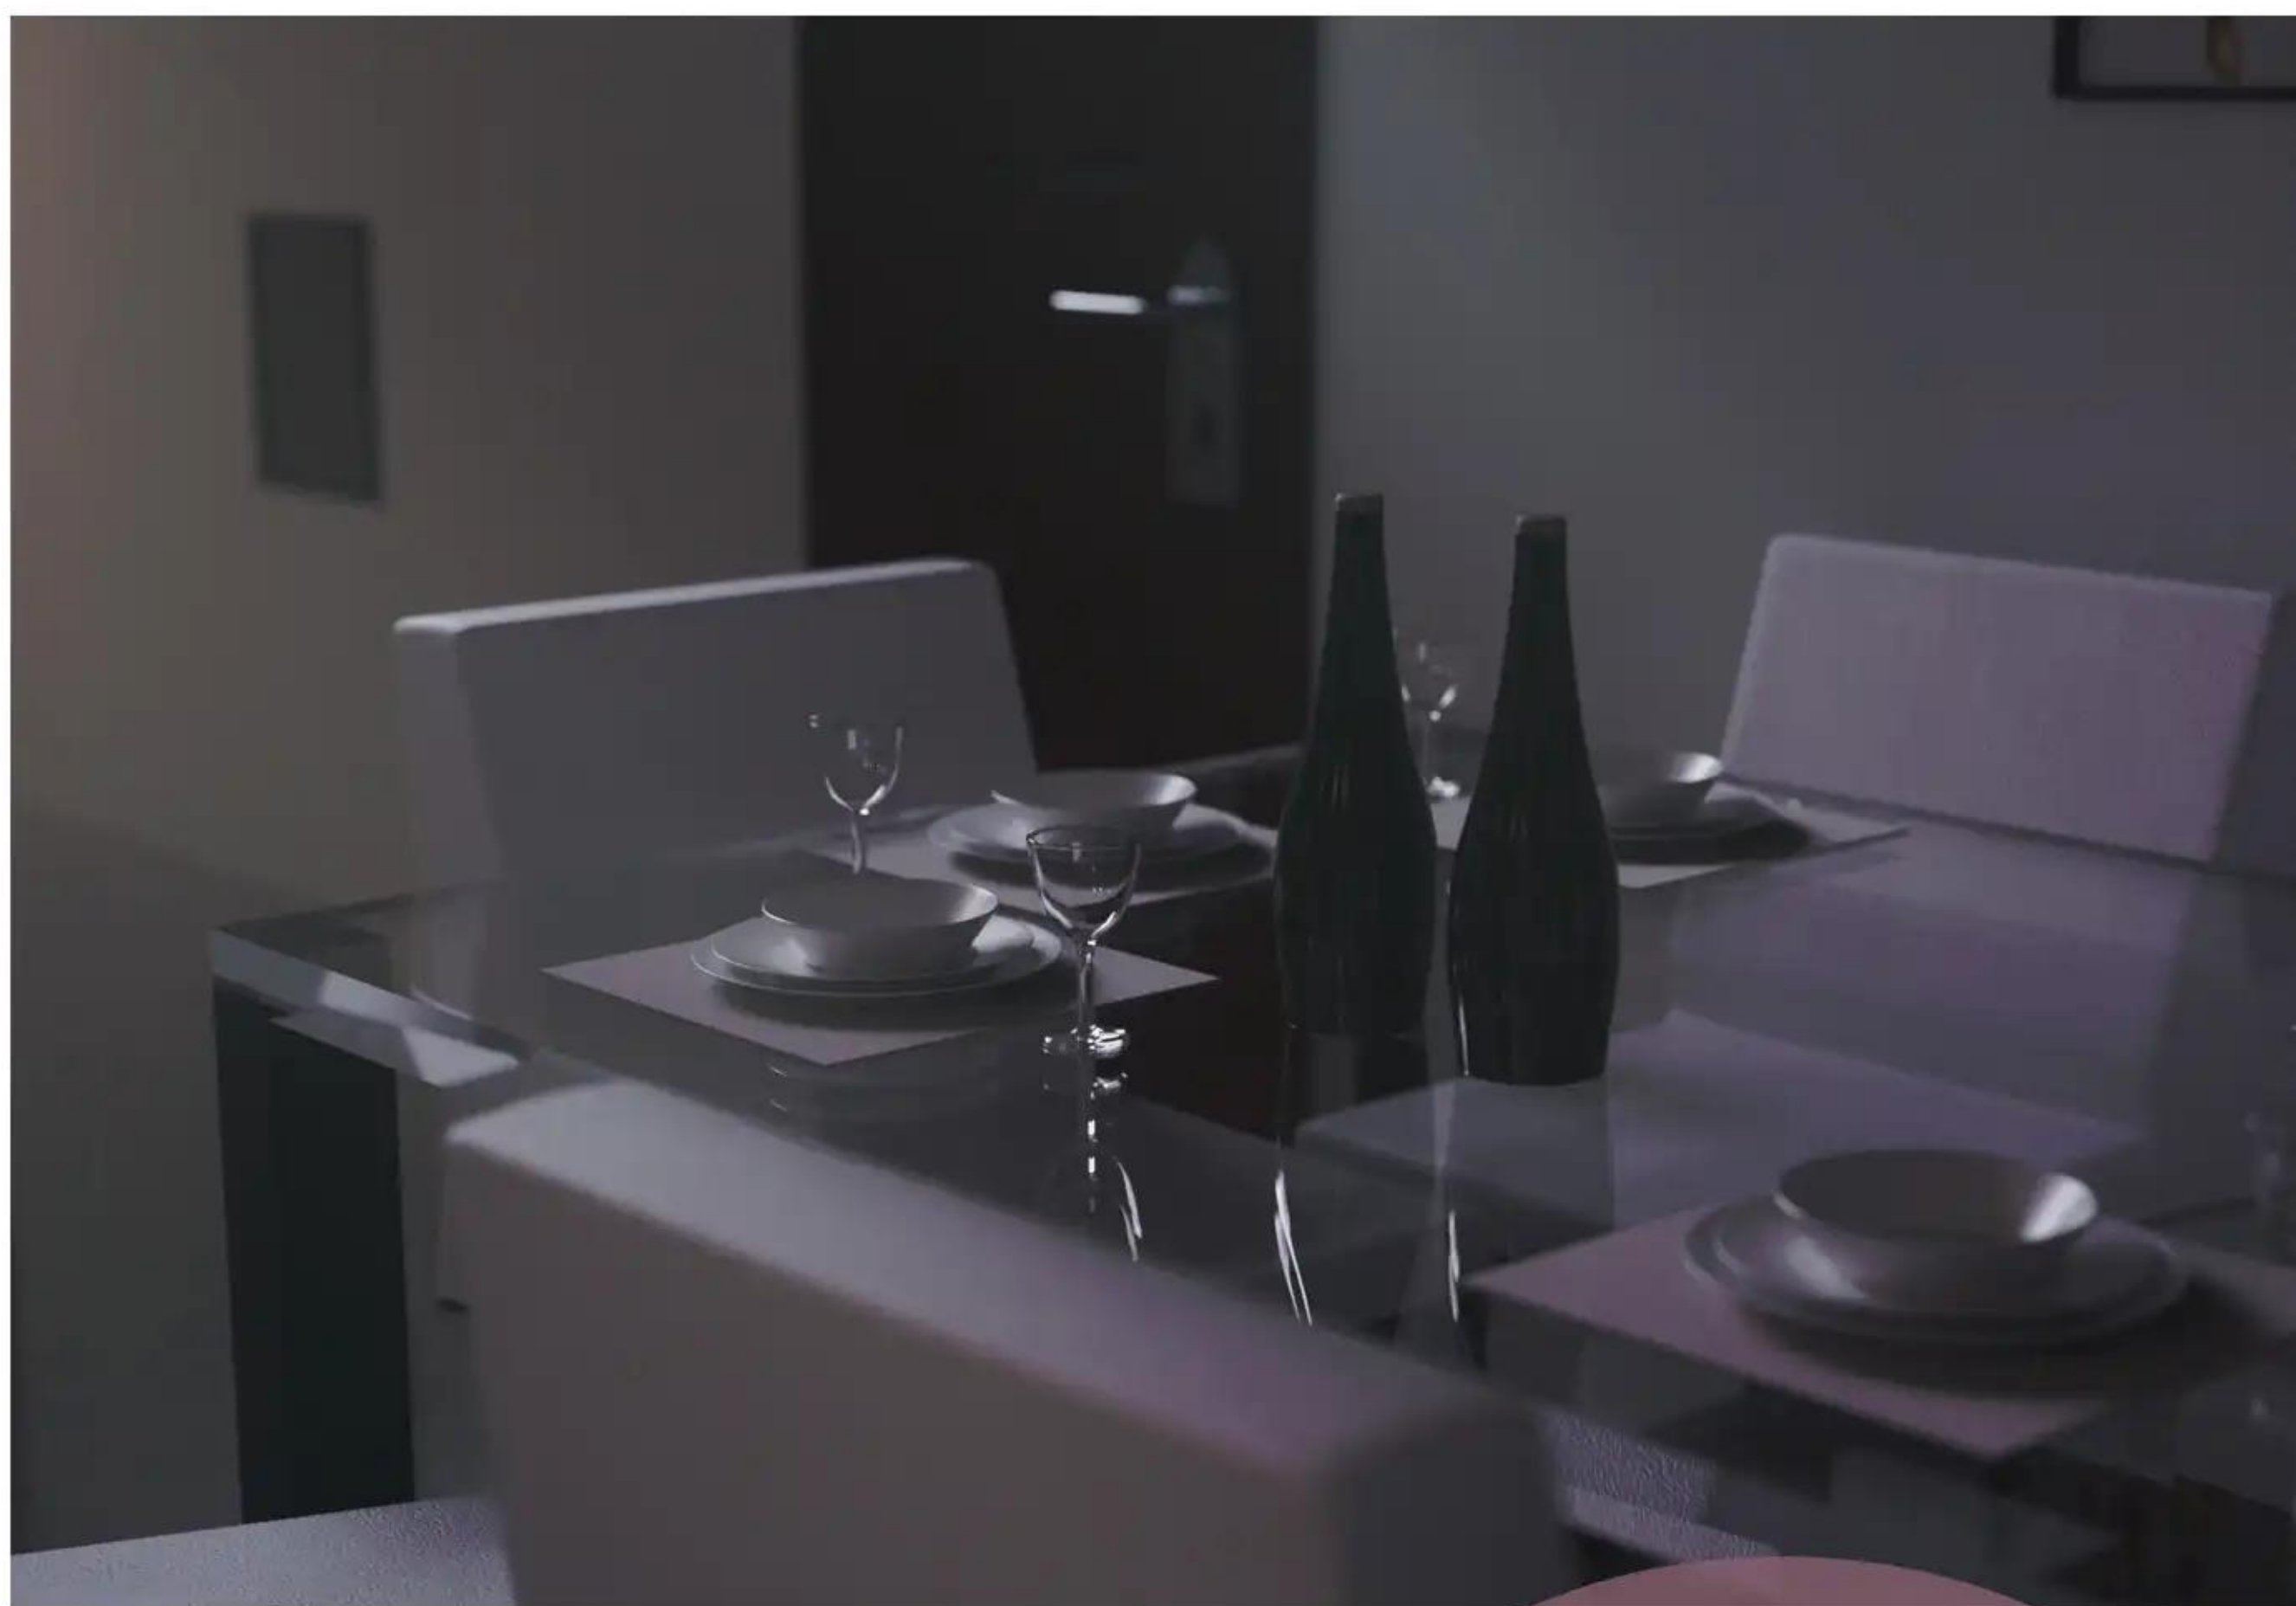

Just call us if you need anything. At home, you guys should go to bed early! I'm going back to my room with my wife first. It doesn't matter if you guys just hang around.

They must be exhausted after experiencing so many things at once. I am so grateful to them. I have the opportunity to return to my family....

My wife noticed my mood, but I didn't expect that in Yu Wen's eyes this time... I'm so confused! She is so caring.

My wife will never do anything sorry to her again. I want to be the head of the family who wants to change my mind and keep my job!

throat..

My body feels so weird,  
I can't press my butt,  
what's wrong with me?  
I feel so tired...but it's  
so hot that I can't sleep  
at all...:

How can this happen? It  
can't be done at all,  
especially down there... I  
feel scratchy and  
uncomfortable, and I'm  
really going crazy! Have a  
good rest!

! Aren't you going to be Hao Baiwei's help to cheer you up? Don't you want to help more people?

Yes! I don't want to...  
I don't want to hold you back any longer.  
I can't do anything  
now.  
God me!

Will die! I can't do anything unless I can solve it quickly! Fall in love with me no more! It's so hot...

Pour it? I can get a good night's sleep if I do this quickly, and I'll be back to normal tomorrow when everyone is still asleep!

Already so wet? And the temperature is so high, and it's so hum... Why is my vagina shrinking all the time...".

I have to be more restrained...but...but I am so hungry and thirsty, oh...this, this is when others are flowing water...".

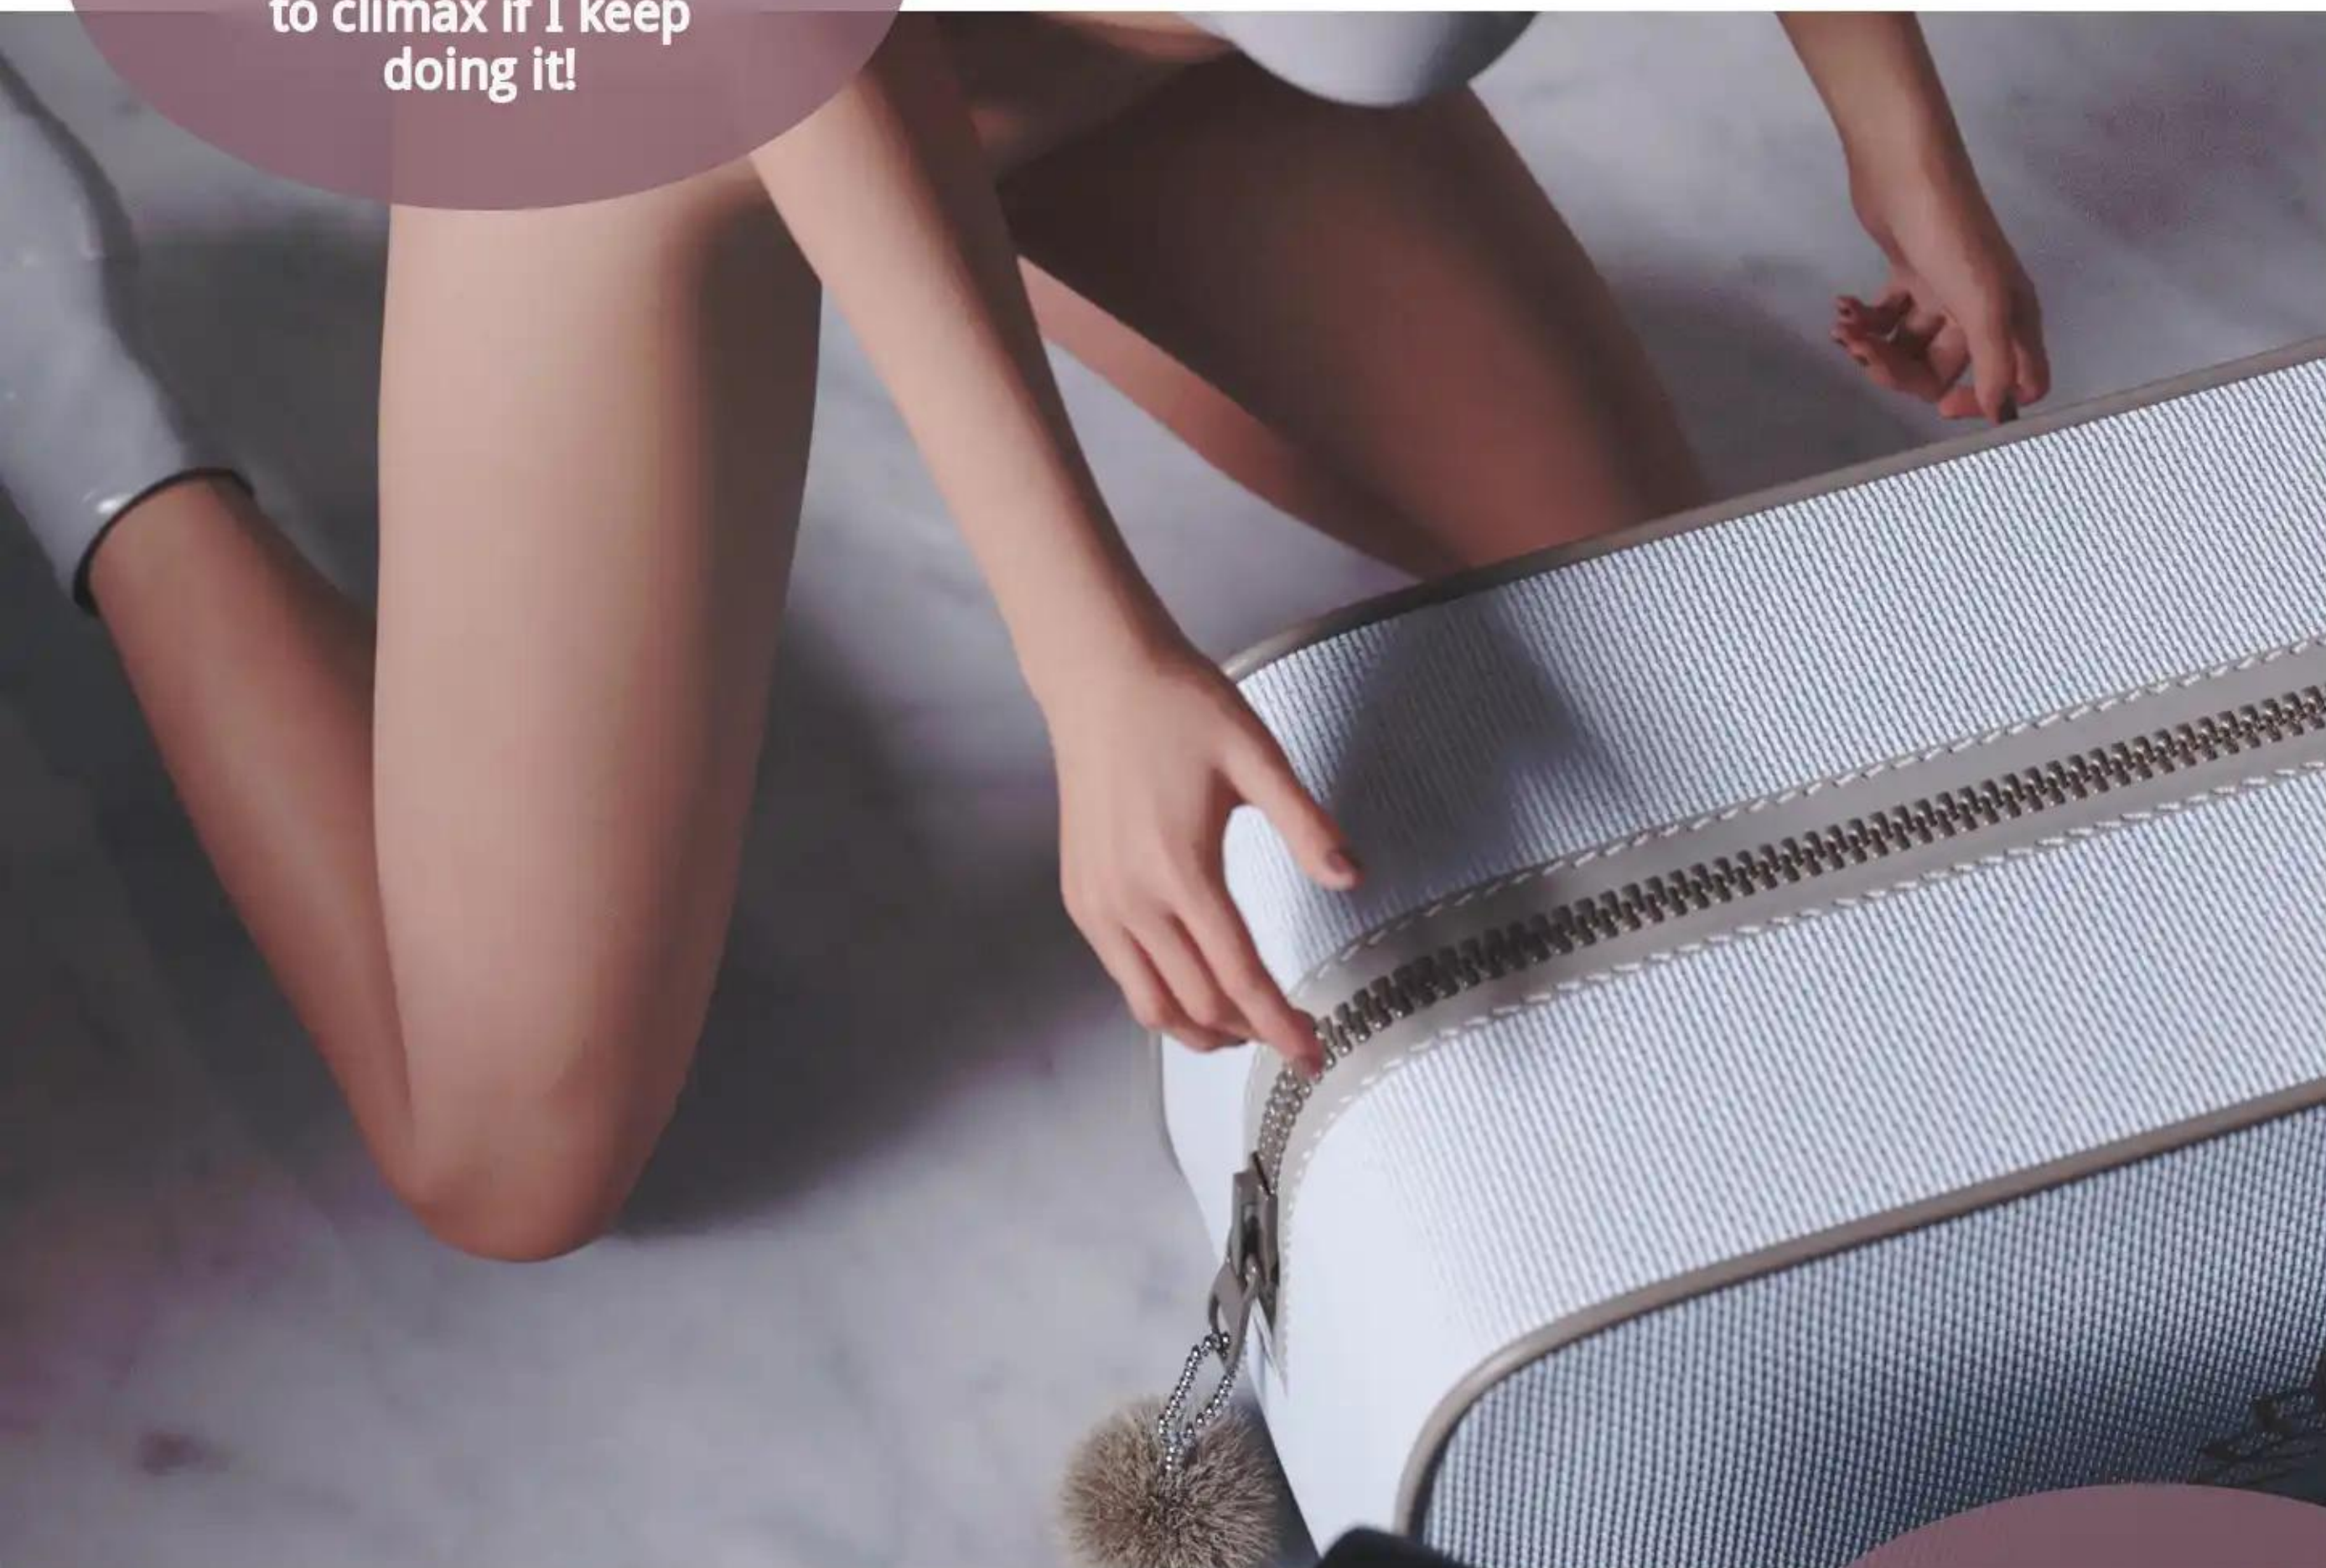

Are you more sensitive than before? It's so hard. I feel like my body is getting hotter and hotter... I want more...

Uh-huh! Why... it's different from the feeling of masturbating before, no matter how fast or hard... Uh-huh...".

It's like missing some seats. It's comfortable enough but...it just doesn't feel right no matter what I do...What should I do? Try again?

, I need...need something more ah, the pleasure is not stimulating at all...like...that's right! Use that!

I do, but I really can't bear it, otherwise I know I shouldn't do this! I won't be able to climax if I keep doing it!

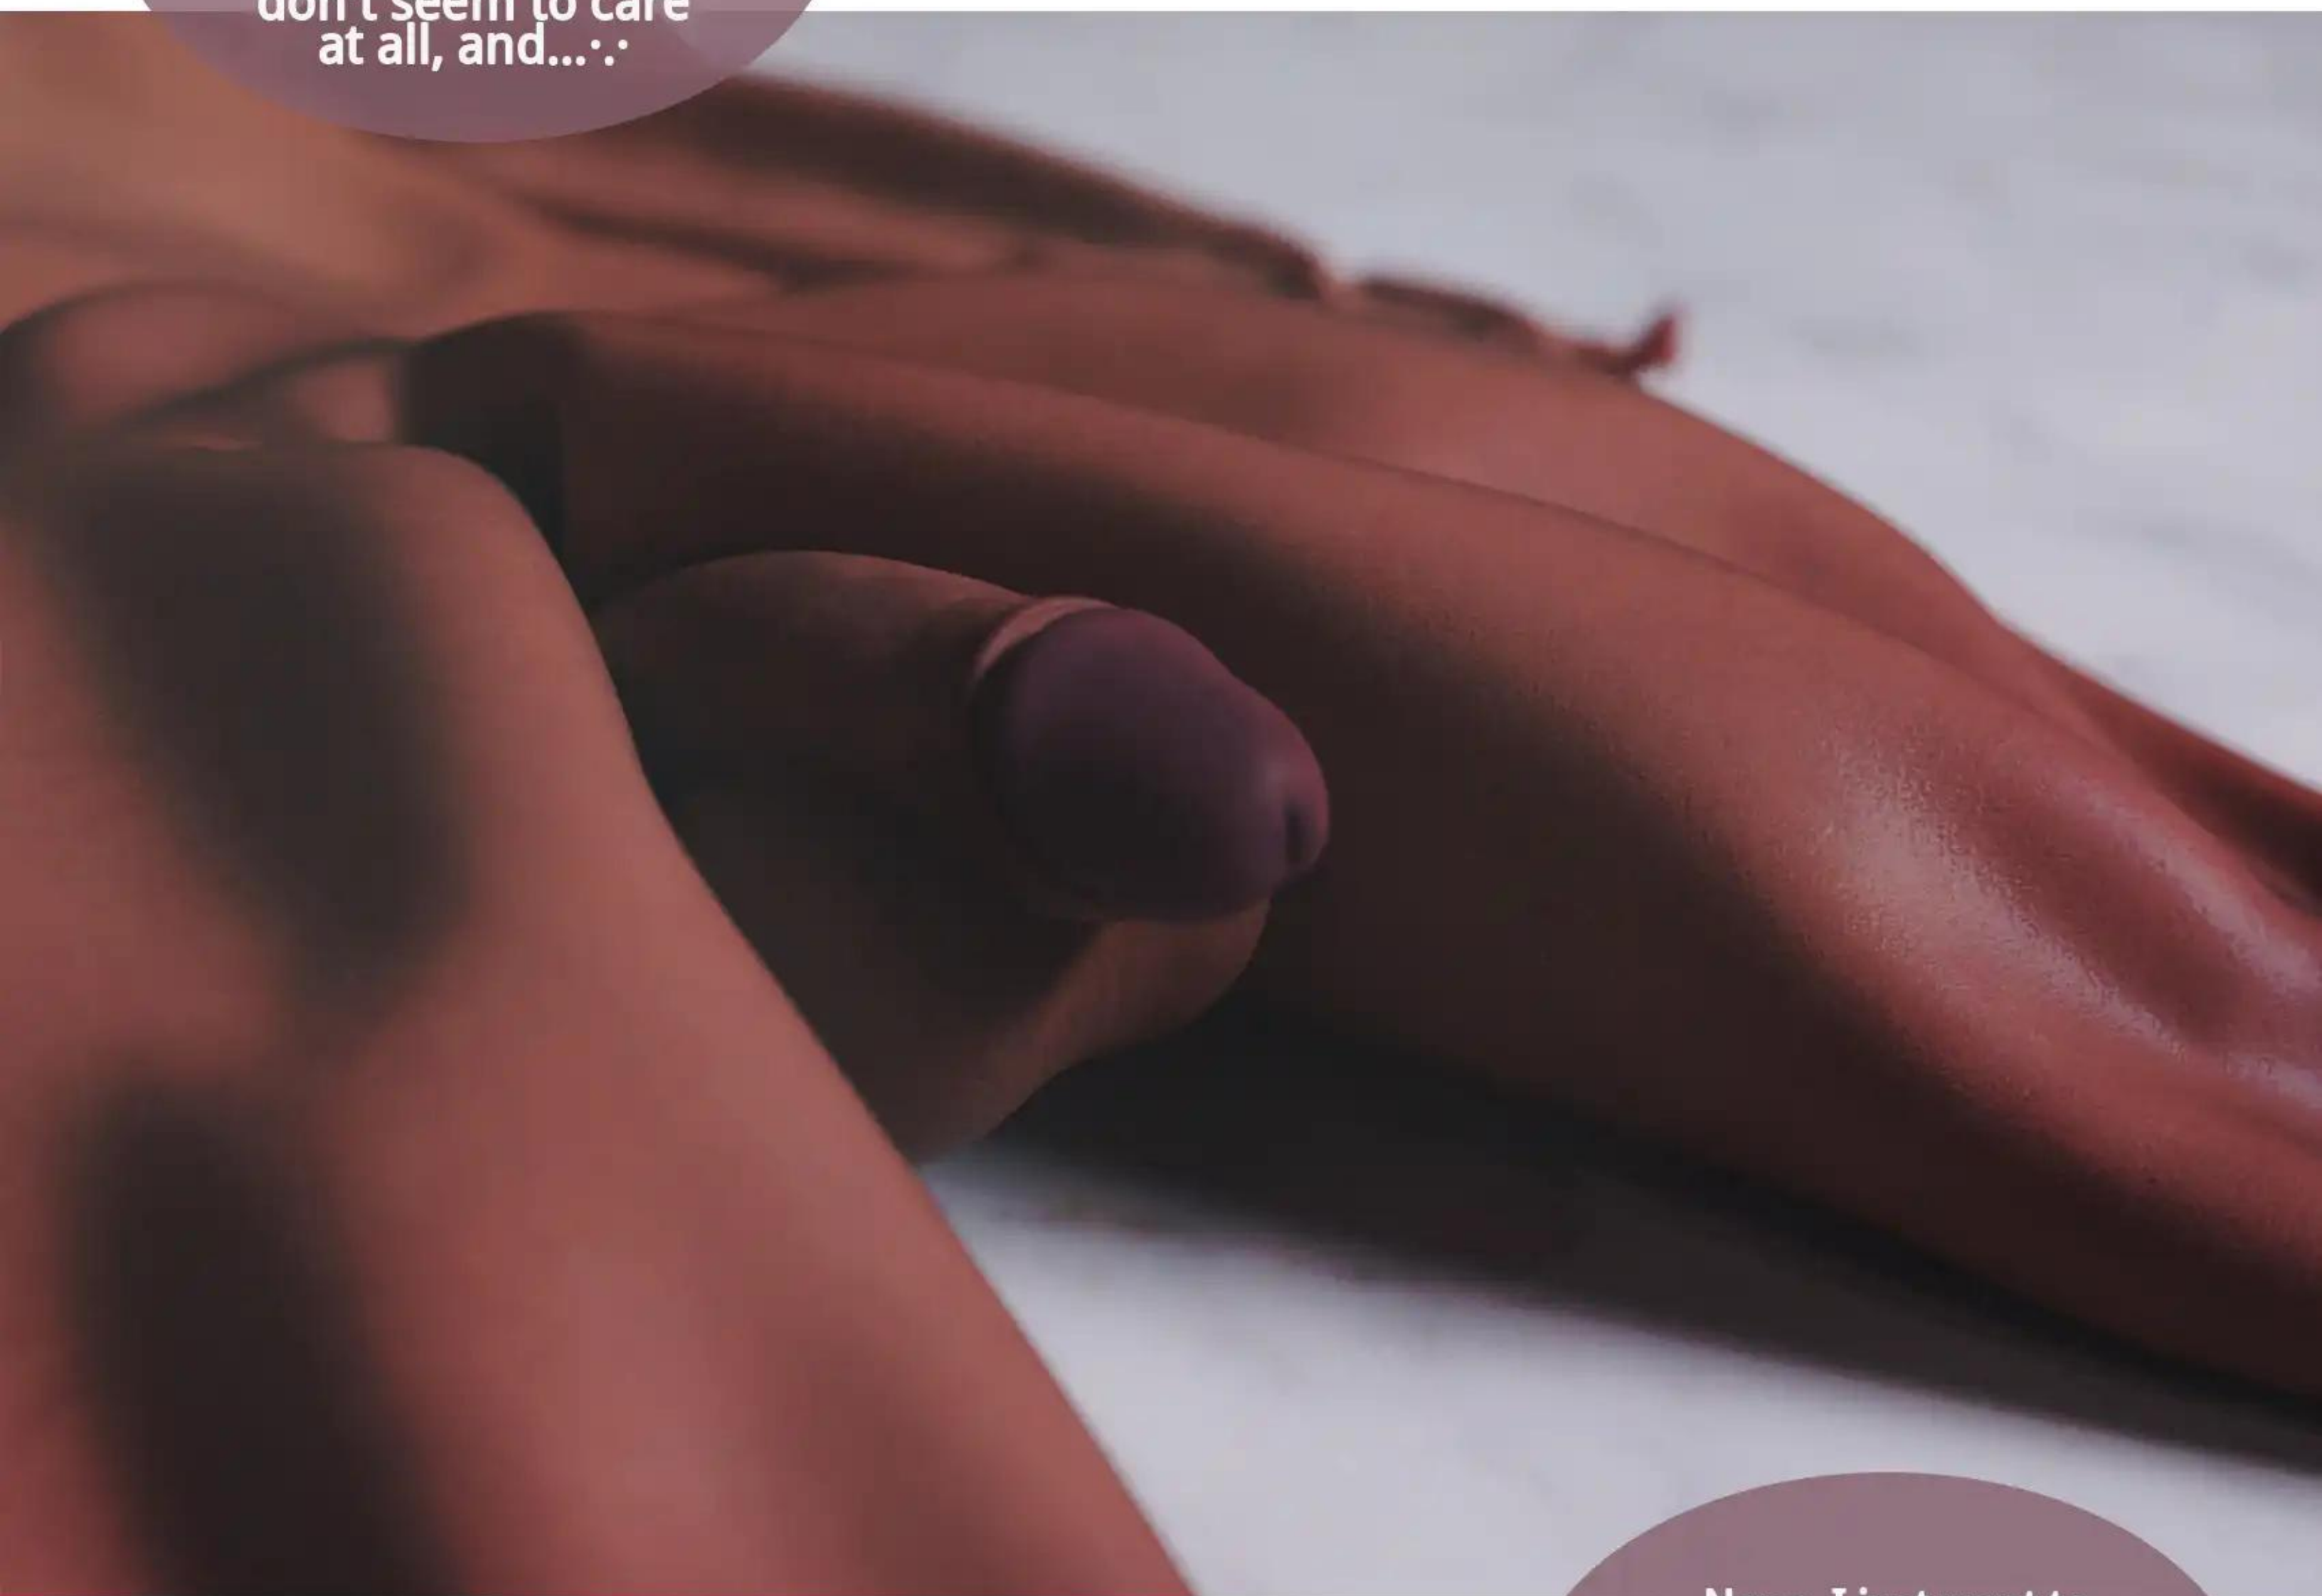

After packing it up, no one will ask questions, right? Just use it as soon as you finish...it shouldn't show up...:

It was clear that I felt heartbroken when I looked at it before, but now why do I suddenly feel the urge to wait? I really want to put it on quickly.

, I really can't bear it for a second, it's too hard to ignore! Don't think it's too long...it's so painful...

Here... I didn't want to take another look at it before... Now I don't seem to care at all, and...:·

None, I just want to have it as soon as possible. Thinking about this thing, I feel a little bit of weight coming back to me...·

Got it! Ah...it's so warm, and it's so spacious inside. I can't help it! I, if I wear it, it will make people feel at ease.

The feeling gradually disappeared, and I found that the strange heat and restlessness just now became full of anticipation, and a little bit...

Xingtai.

It's just a little bit better than the net...! The temperature inside is so comfortable! How could this happen... I only feel like masturbating...:

It's the same place, but it's even more exciting! It's great. It's like I'm back in my own skin. It's so heavy.

I kind of understand those bad guys, but it's not the first time I've worn it, but it still feels amazing! It seems to be taken off for a reason.

They are different. I am not surprised that they regret it every time they want to take it off... No! Me and the person who wants to harm are just.....:

Just want to solve my problem! His legs are finished! ..ah! Fanfantie is all mine!

This solid and powerful feeling... It's completely different from my own, and sadistic sex doesn't suit me very well, but...it's great! I love it so much!

The cock that can bring you the feeling of being cut off from your vagina is back! I miss it so much... This is the completely different pleasure of a man.

The pleasure...ahhhh, it's so big and thick! Being able to have a cock on someone like that is something I can't forget  
So happy!

Oh oh oh, this heavy weight in my hand, um... ah ah ah, I feel numb when I touch it!

, and the feeling of the cock is indeed better. I can't stop feeling this kind of pleasure...it's so good!

, Mmm, it's so comfortable! Thank you...that's it! Tai can actually feel so good! I feel like everything is gone,

How could there be such a feeling of relaxation all over the body? Enjoyed it so much! The cock is so good...

Such a thrilling  
pleasure! Enjoy it, I've  
felt it for a long  
time... It's unbearable  
to sit down and enjoy  
it!

hold!

, it's also like I'm serving  
other young girls who  
are masturbating for  
me. It looks like I'm  
young.  
man.....

Fadu is so exciting!  
Stopping your hands is  
so... so refreshing!  
Yuzhong thought  
ohhhhhhhhhh it feels  
so good! Not coming  
down!

! I...I want to hold  
my hand, ummm,  
ahhh, it feels so  
comfortable! My  
cock is so thick  
that I can't stand  
it!

In the past, when I played by myself, I always watched some videos to entertain myself... Now I can only rely on fantasy first... Ah, that's right!

The wife of the engineer brother is really beautiful. When I think of her, I start to get excited again. I really want to touch her...

I really want to take a closer look at the scent of her body! Mmm, ah, she really wants to hold her in my arms, her body must be very strong!

I don't know how good it will be when my sister-in-law's hole is inserted... Ohhhhhhhh... It seems like it's penetrated her body! It makes me so happy!

I won't open your hole anymore! You are also good at sucking! My cock is so close, oh oh oh, sister-in-law, sister-in-law, you...are you having sex with your husband like this?

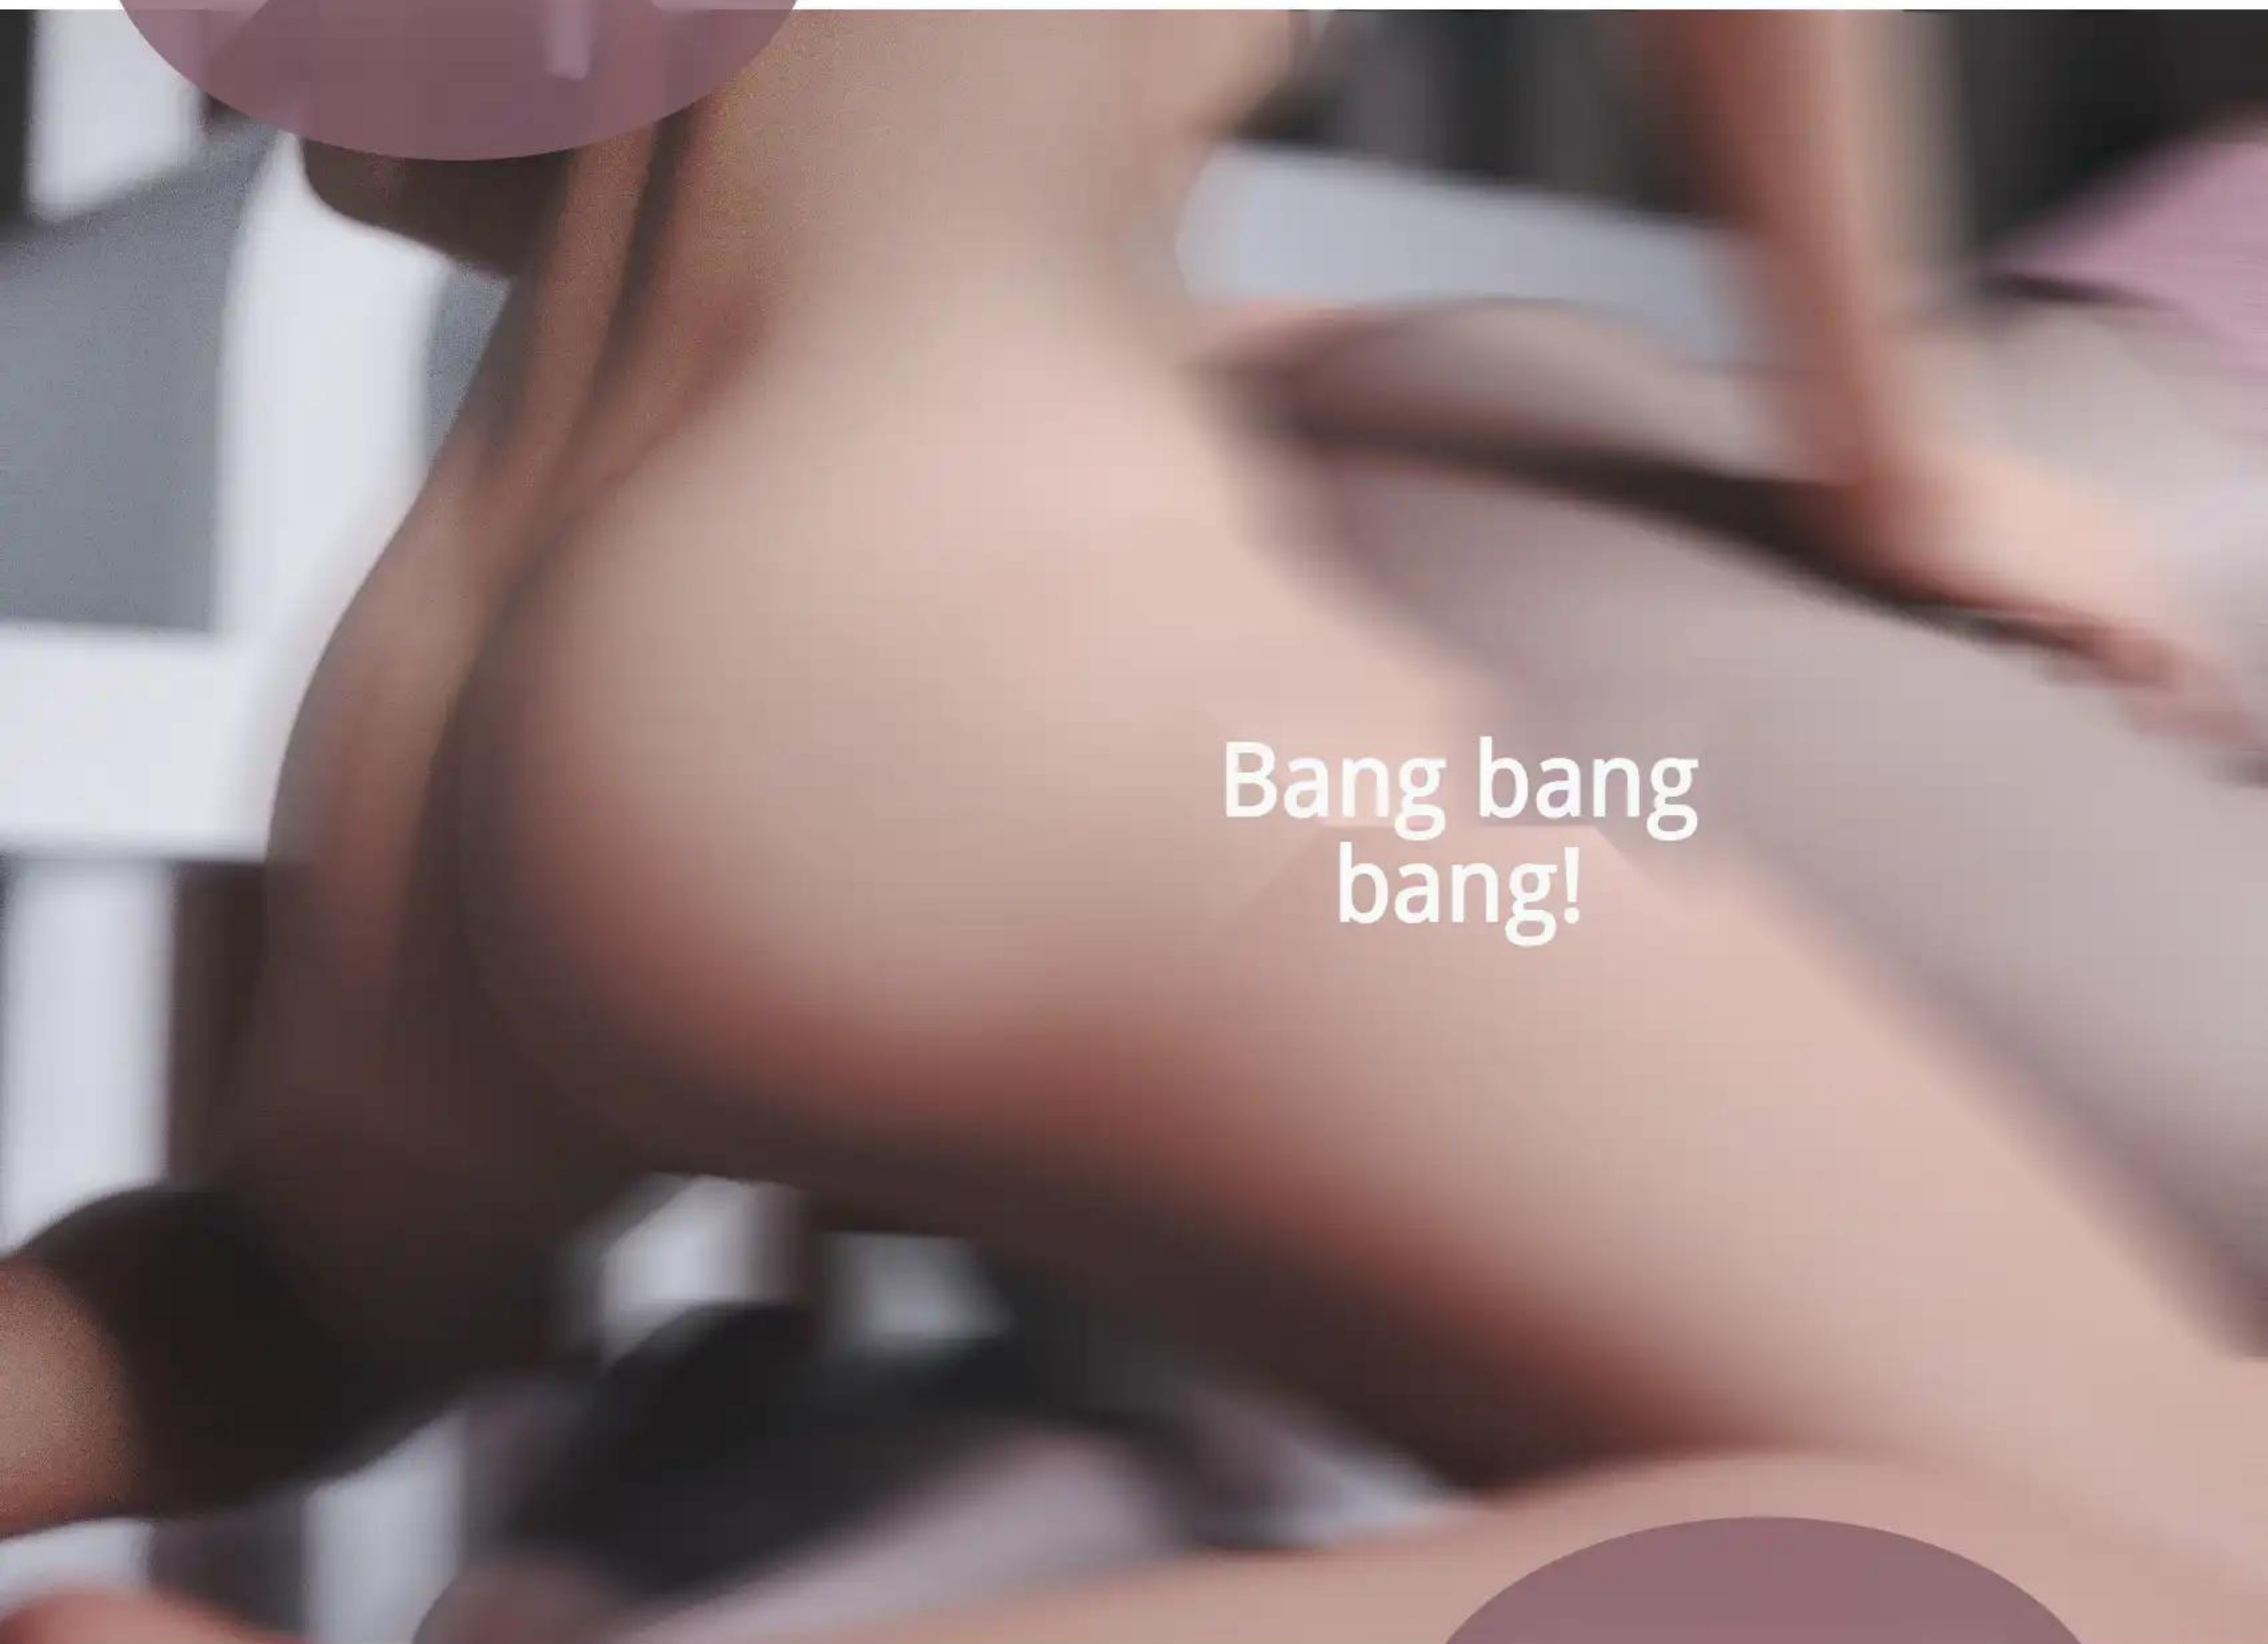

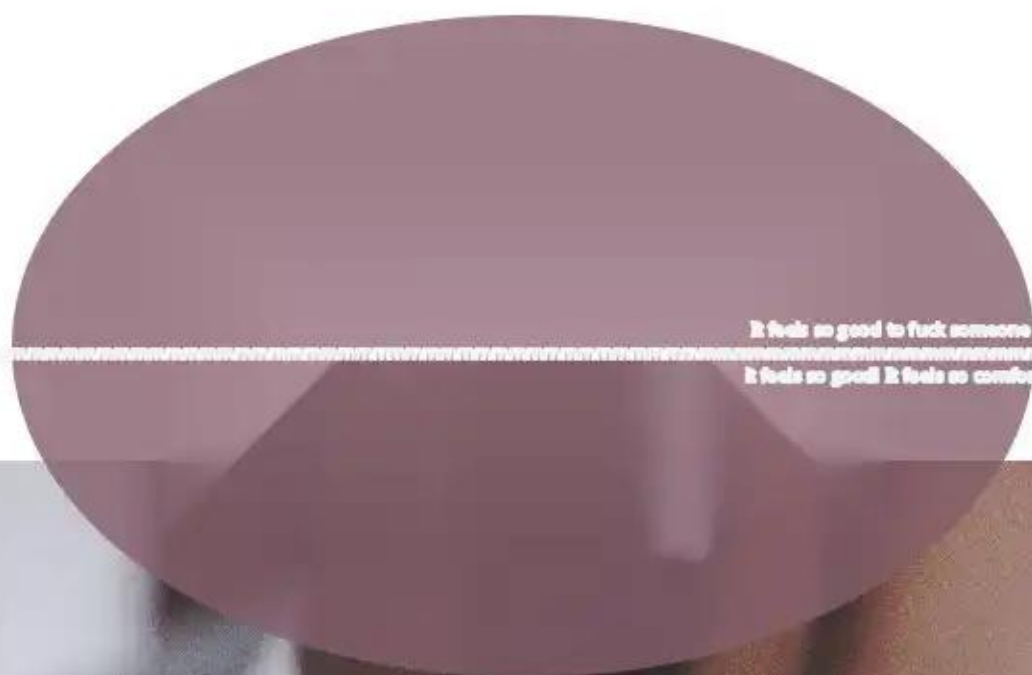

! You are so good at shaking! Oh, um, um, um, um, um, um, um, um, um, um, ah, ah, it's so nice! So hot sister-in-law...your skills in bed are so bad!

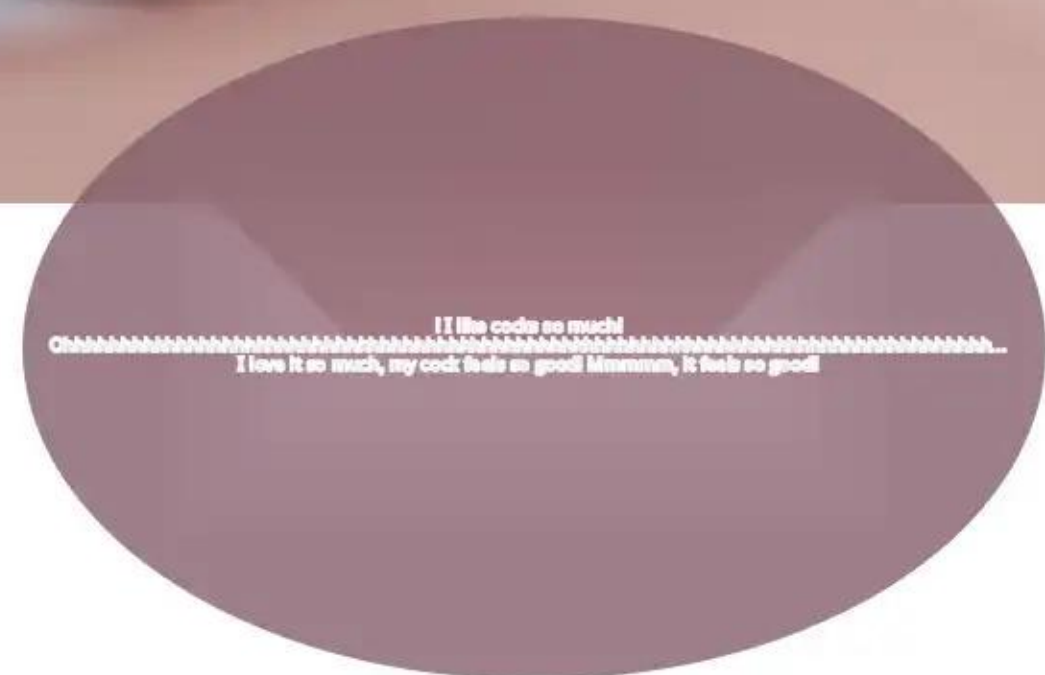

Sister-in-law, let's change positions? This way I can work harder, oh oh oh your waist is so thin! The skin is so smooth and tender!

? Oh well! If you suck, your husband knows that you, sister-in-law, also have a pretty ass.  
That's great!

Bang bang  
bang!

Uh-huh...sister-in-law,  
your vagina is  
so delicious!  
Oooooooooooooooooooooooooooooo  
Um

Clothes?

So happy that you are  
speechless? Oh yes...are  
you so obsessed with  
me? Well, I, I feel so  
comfortable that I  
almost can't stand it  
anymore!

I seem to have woken  
up to a strange sexual  
thrill, the immoral  
thrill of fucking  
someone else's wife...  
What should I do?  
Addicted...:
