OUTER PLEASE

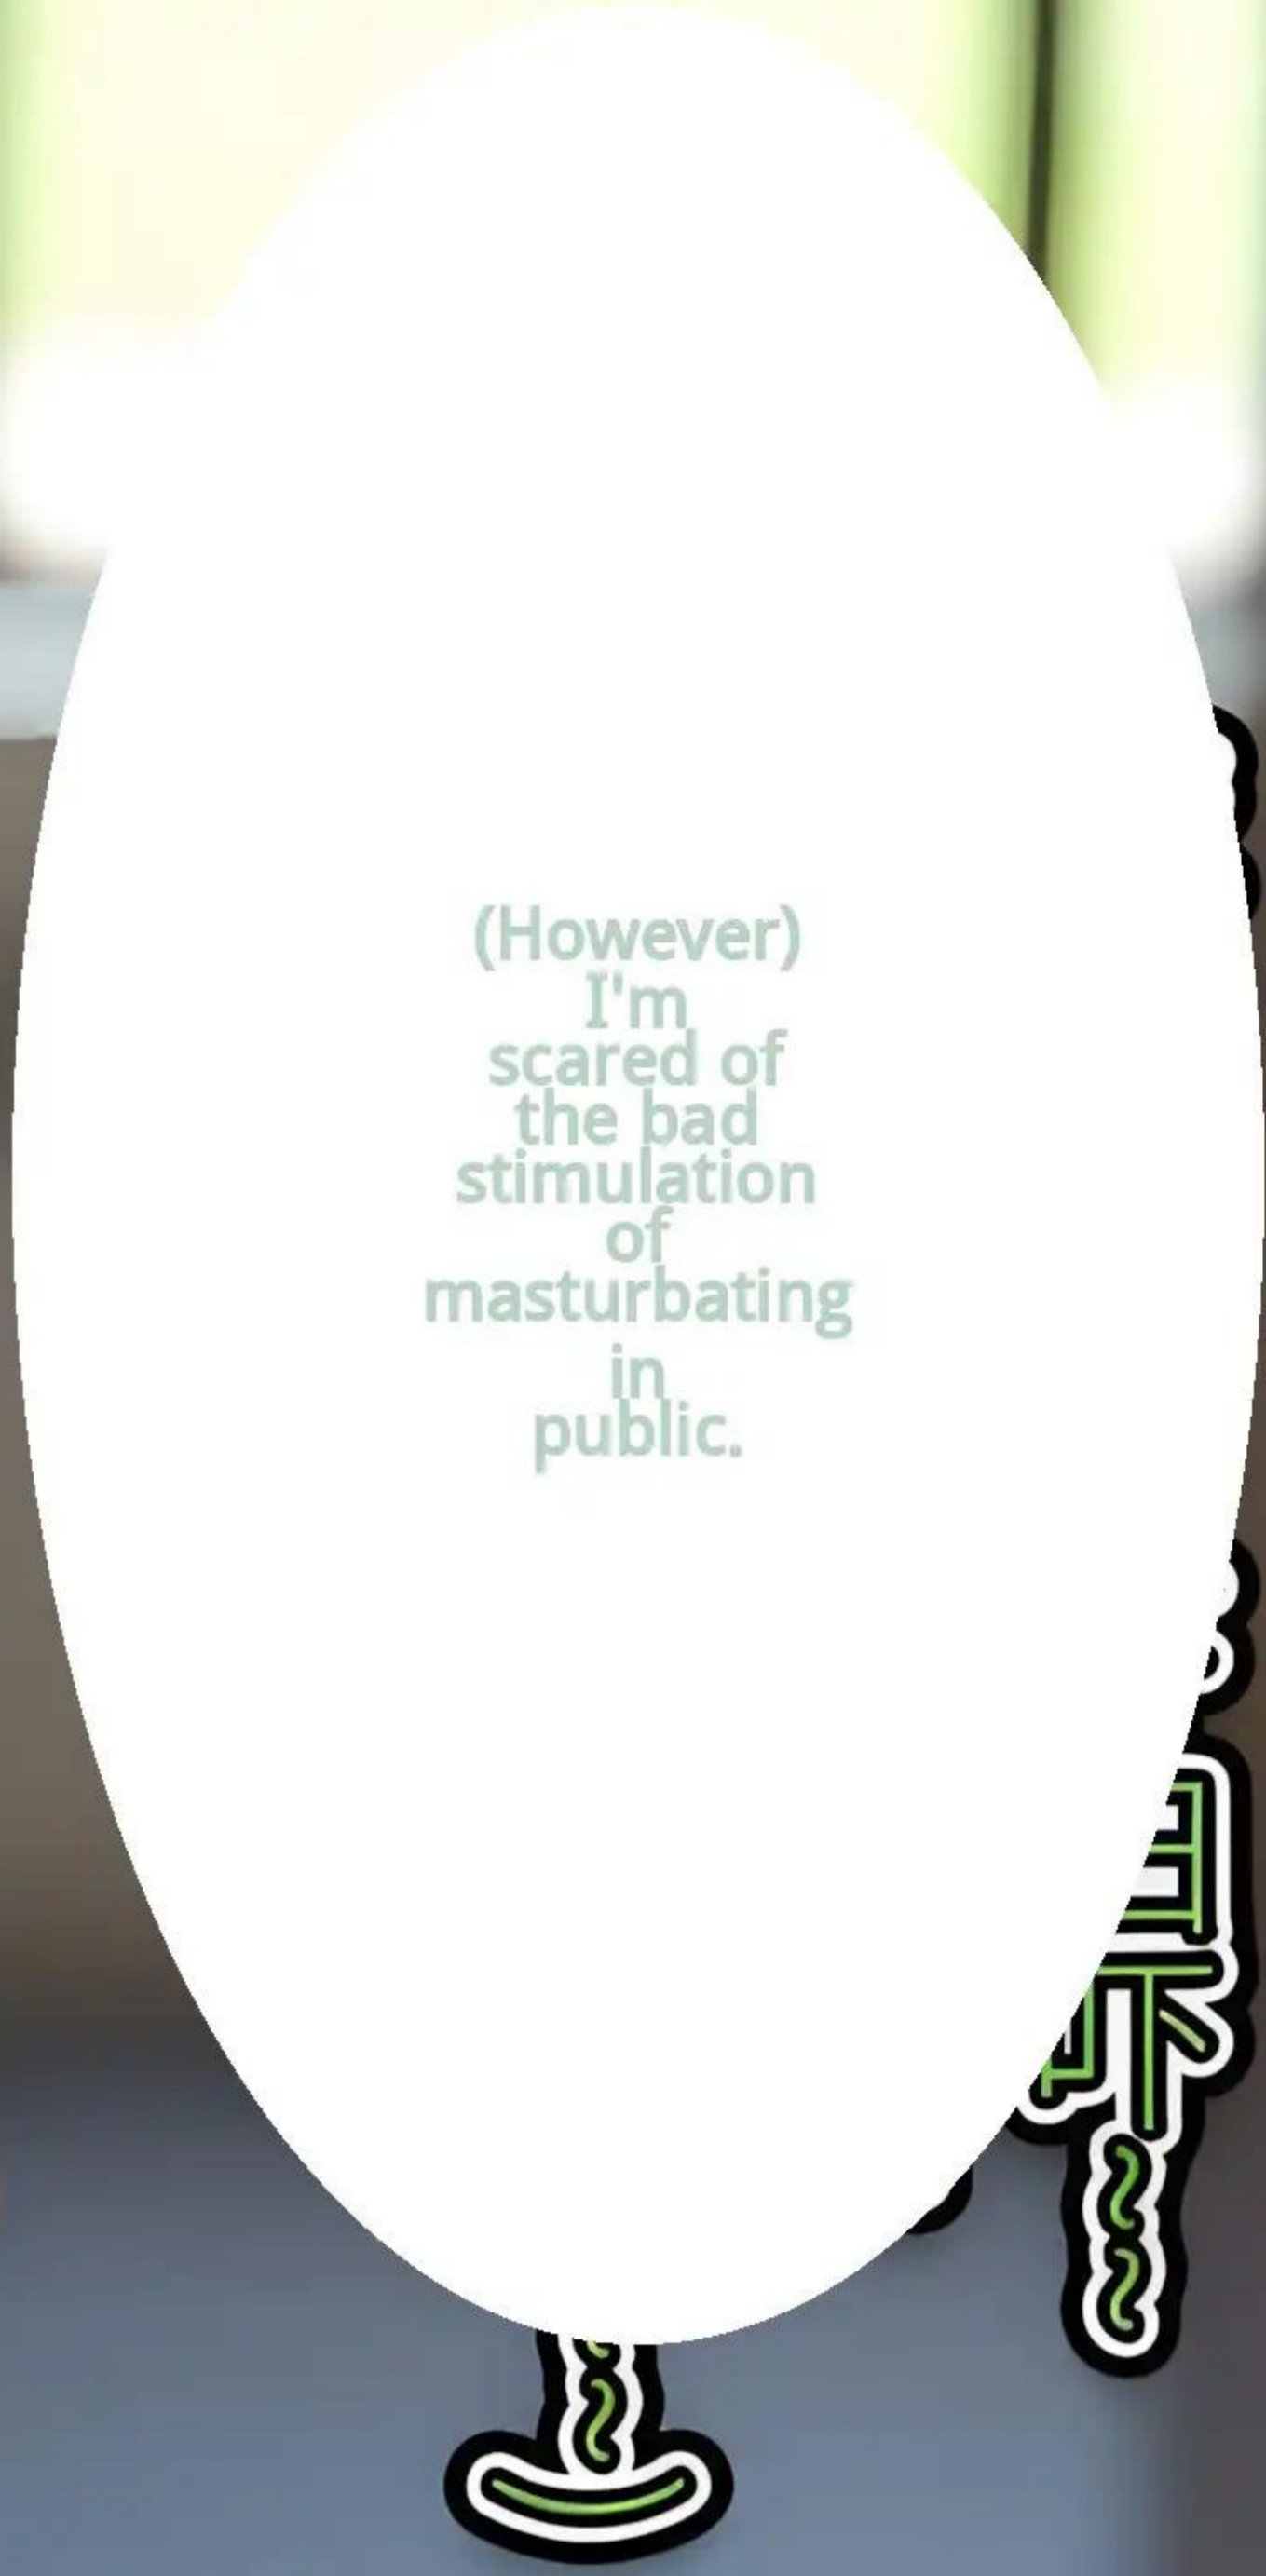

They do bad things to me one after another

Damn,
I'm so
scared.
I'm
having
a good
time
masturbating?
Suddenly
he
appears.

(However)
I'm
scared of
the bad
stimulation
of
masturbating
in
public.

What?
It's
really a
weirdo
and a
ghost.

Are you
stealing
books? "If
it were
true~
would it be
very
troublesome
to
investigate?"

I have
to think
about
how to
deal
with
that
arrogant
young
lady.

Recently,
many
boring men
3 have sex
with fairy
girls 32 in
the library,
and the girls
are no longer
willing to
come.

But today, I met the senior sister I've been in love with for a long time, which reminded me of that magical thing.

不
姐

Why do I
have a
vague
sense of
ominous
premonition~?
Forget it~?
I'm
probably
too tired to
do it
quickly - get
off work.

(Great~

No one is in the office

It's a good
thing that
that
annoying
mother and
daughter
didn't bless
that thing
with
alcohol...

(Last time, Yong Yuan quickly put it back here secretly. I hope the two mother and daughter didn't take it away.)

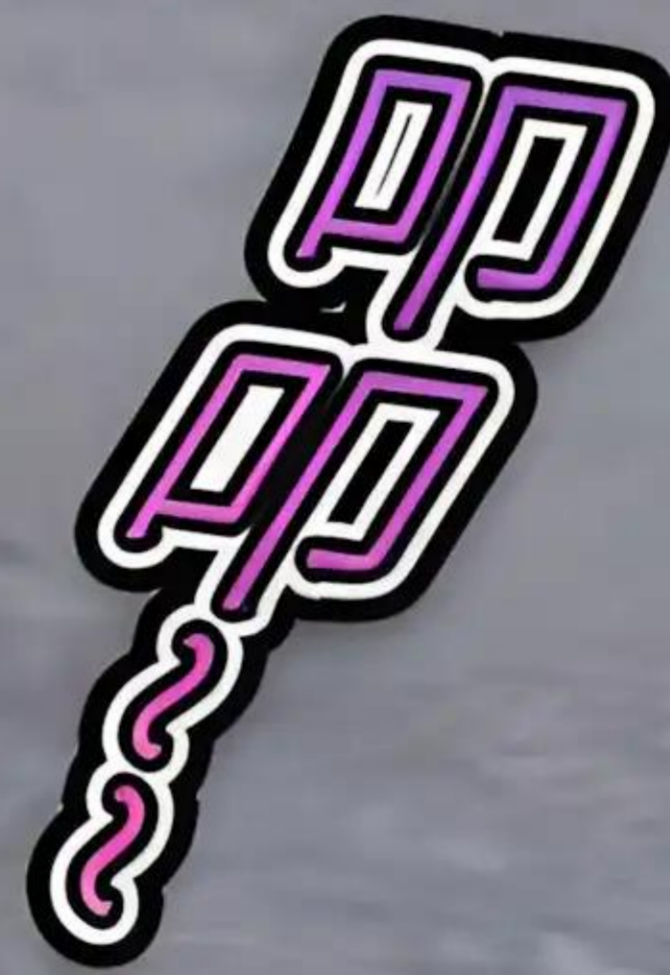

?Great - still there. Fortunately, the stupid mother and daughter didn't know the importance of this thing~? If I had it, I would carry it around the clock

It feels like I haven't walked on the street so relaxedly in a long time.

It's been a long time since I wore a low-cut outfit, so my breasts can feel the breeze caressing me.

女性了

Thinking about it, I had to straighten my head and study, almost forgetting that I was a bitch

I usually stay indoors and let the natural wind pass between my legs like this. I feel an indescribable sense of pleasure.

According to my previous observations 32, it turns out that the senior sister's habits have not changed! It's great

That back view is correct. The senior sister was indeed taken to my house? Indeed, he seems to be on vacation as he wanders around the street.

I haven't been through this neighborhood before, but I had a map before and there is an alley in front of it where I can take a shortcut home.

(You must be right, right? It's a bit dark and scary.)

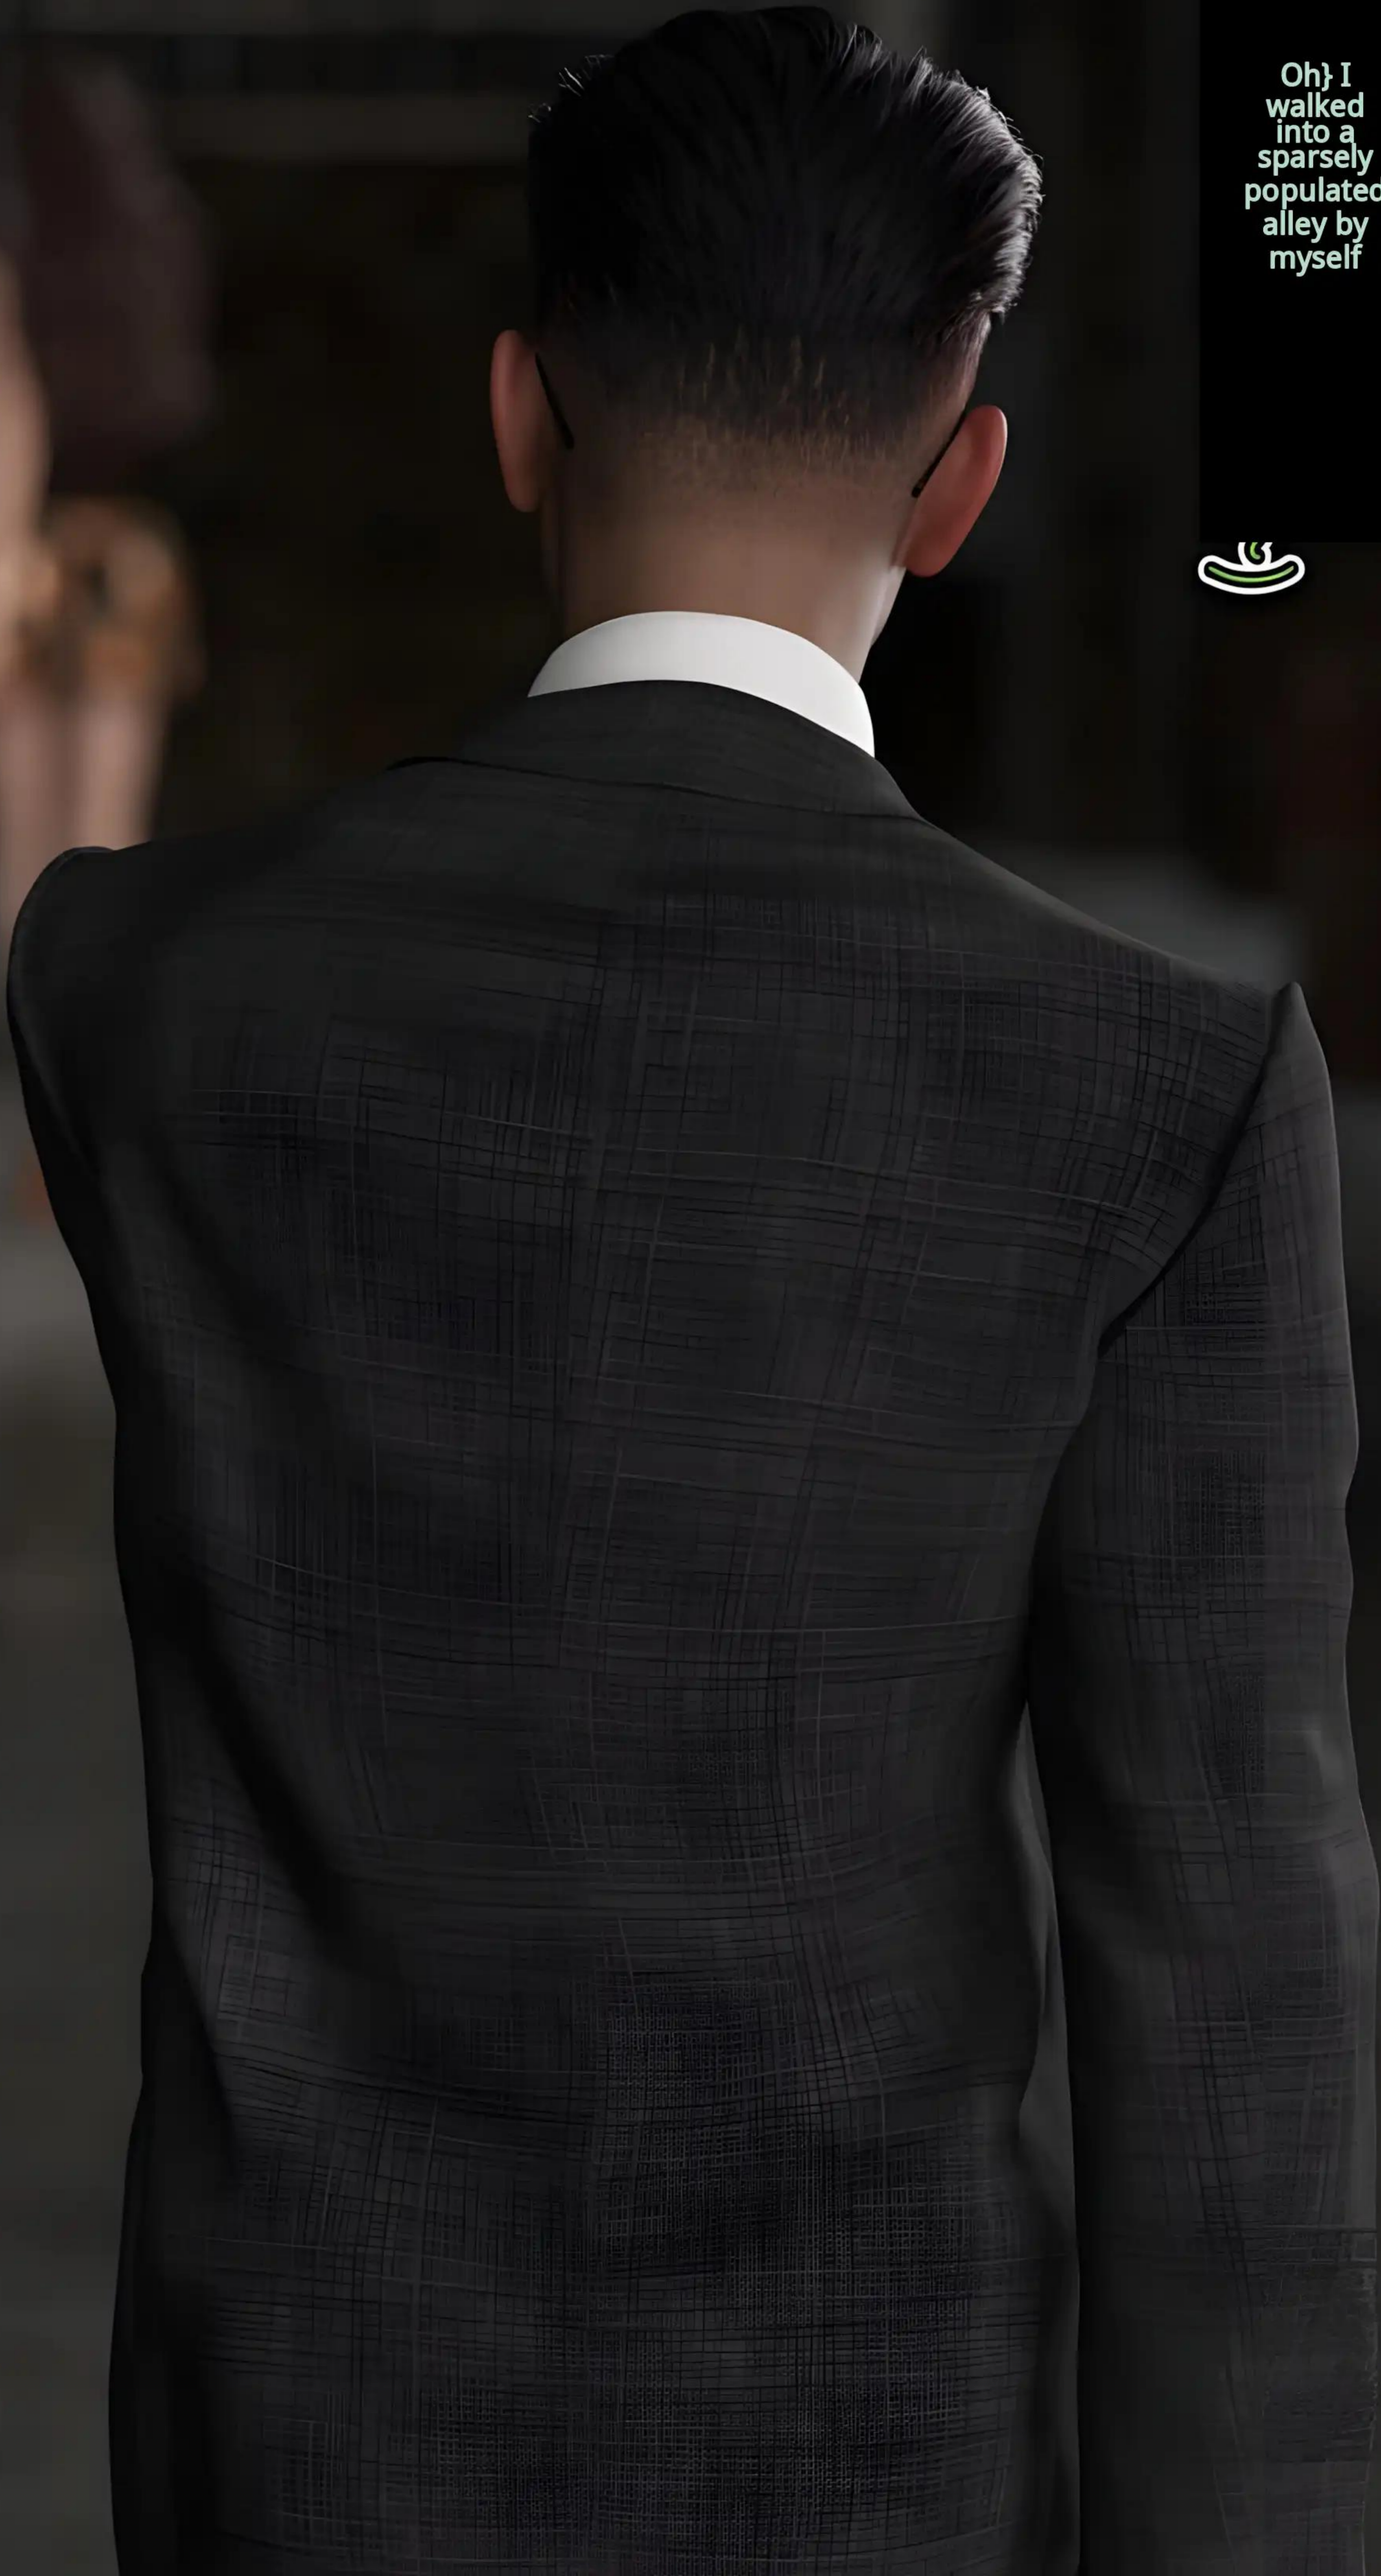

Is it strange
that after
staying in
the
laboratory
for too
long, my
sense of
direction
and
memory
have
deteriorated?

Oh} I
walked
into a
sparsely
populated
alley by
myself

A woman is shown from the waist down, standing in a dark, stone-walled environment. She is wearing a black, sleeveless, sequined top and a short, black skirt with a vibrant floral pattern of red, orange, and pink roses. She is also wearing a gold bracelet on her right wrist and a pair of high-heeled shoes that are yellow with red soles. The background consists of dark stone walls and a stone ledge. The lighting is dramatic, highlighting the woman's legs and the details of her outfit.

Even my
legs felt
the cool
breeze
blowing
through
my feet.
They
were
quite
cold.

After so many years, my senior sister's figure is still so good) Those charming long legs make people water.

Well,
Forget
it, just
bite the
bullet
and
move
forward.

It's such an exciting moment) It's as if I have become the master of this world

The transformation process is really fascinating.

Why is
there a
chill
behind
Wei Jue?
Isn't it
someone?

01

My feet feel so frightened that I can't move them, as if a small animal is being preyed upon.

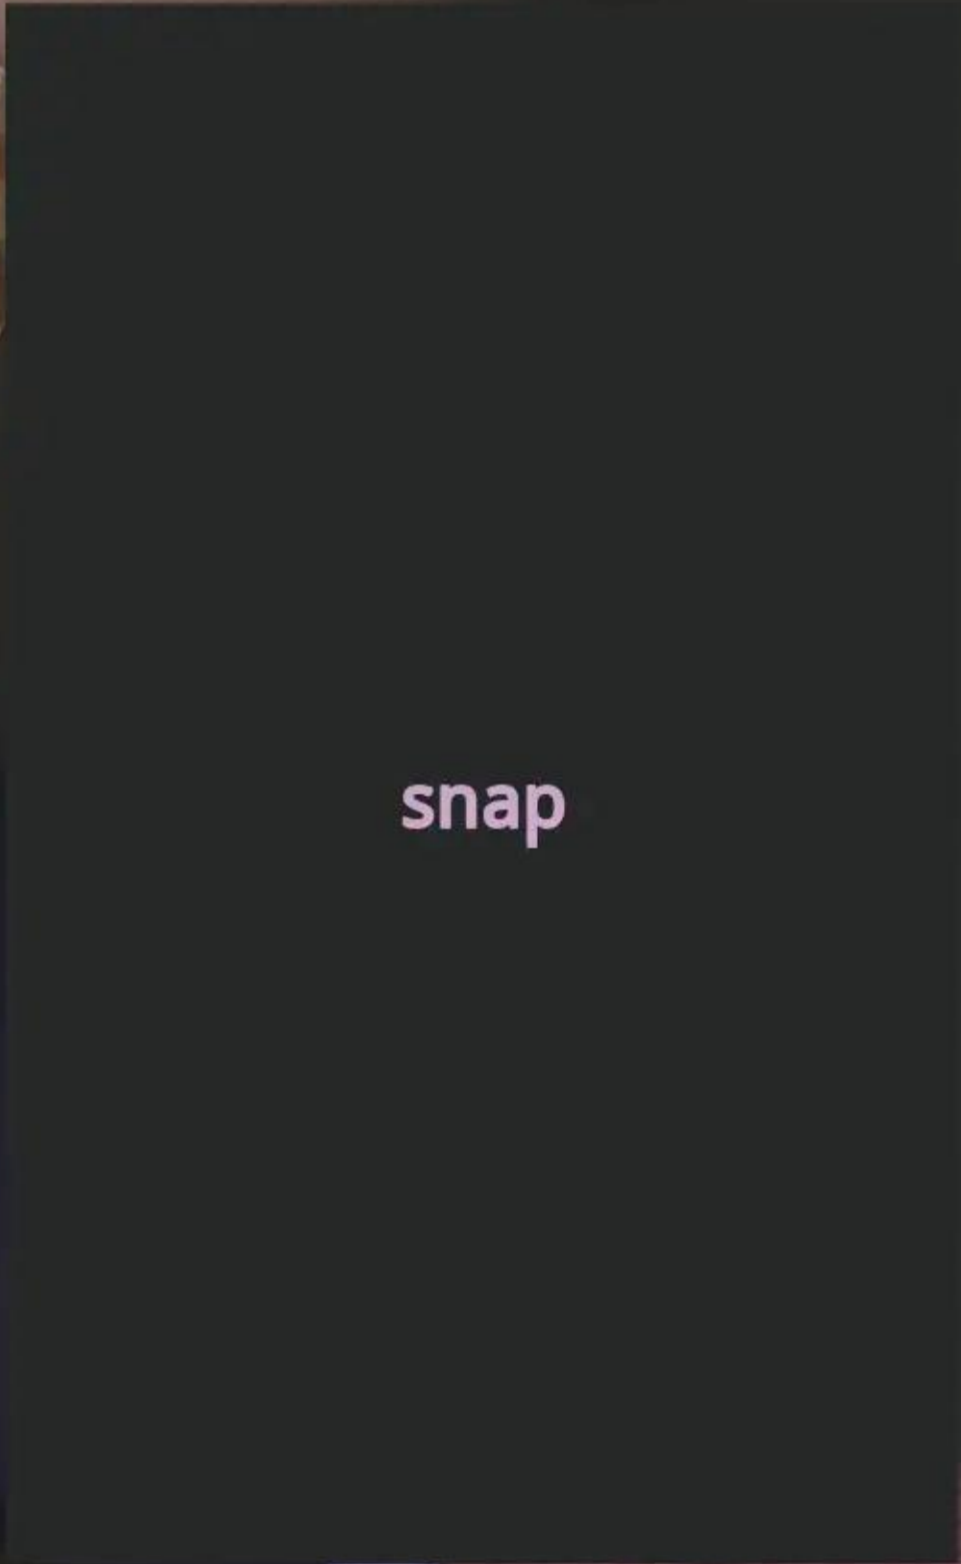

Senior
sister?
Hello!
We
meet
again.

It's
you}-What
do you
want to do?
{BWhat is
that? What
are you
going to do
to me?

嗶嗶

Your junior brother, what is that you are holding? Why is it that a numbing sensation spreads from your hand?

A man in a dark suit, white shirt, and tie, wearing round glasses, is shown in profile. He is holding a glowing, spherical object that emits bright purple and blue light, resembling a stylized flame or energy orb. The background is dark and textured.

Haha~~Senior,
what
should I
do? I want
you to
experience
a brand

and add
some

your dull

Gradually
I no

disappearing
out of
thin air

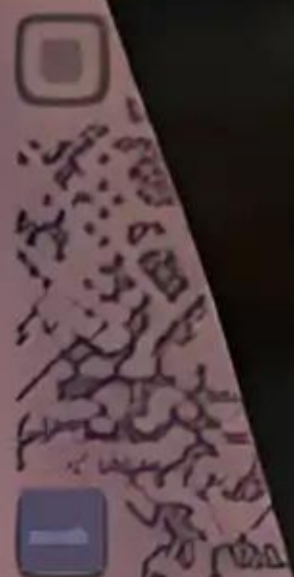

Why did
my eyes

my scalp
felt
numb?

Houyo
Houyo,
senior
sister, why
is your
whole body
weak? You
need junior

Hehe,

great to be
like this
now.

这不就是我一直想要的吗?

What you are experiencing now is a field that is difficult to reach with modern science. Isn't this what you have been dreaming of all your life?

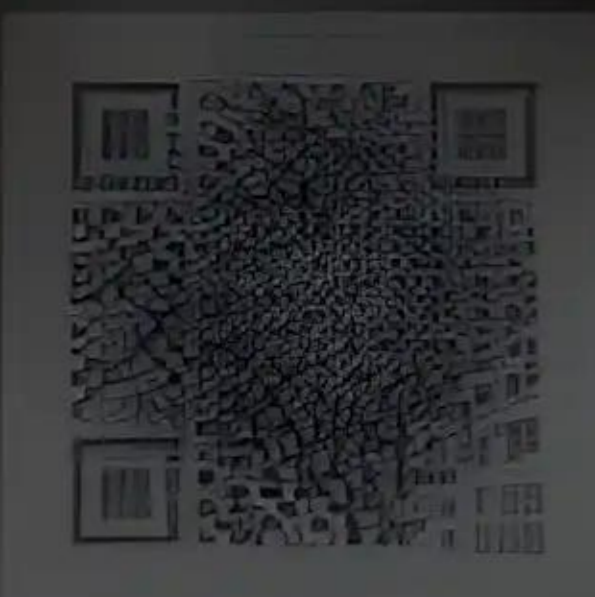

My voice
can no
longer
come
out, and
my
consciousness
has
become
better.

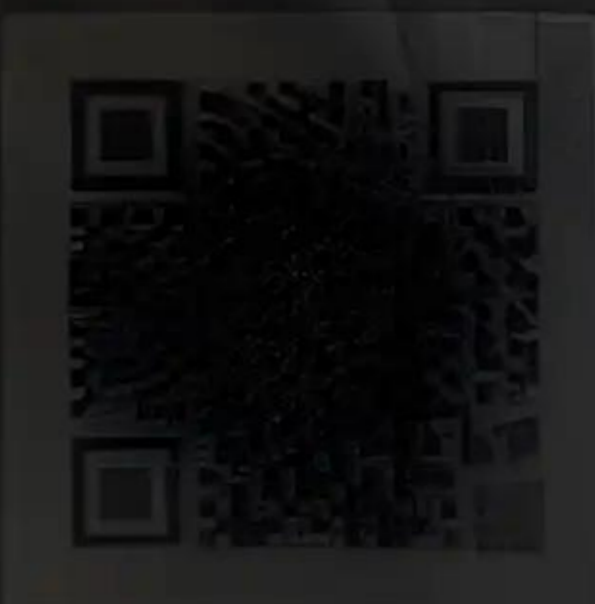

The
body's
sensations
also
changed
from
clear to
numb
and
insensible.

Senior
sister?
Don't be
afraid. Let
me take
care of you
when you
are so
vulnerable.

My throat,
my
senior's
body is
really soft.
You can
lean on me
with peace
of mind.

My senior's skin is so tender. I've long wanted to see it.

Stop
it

What
is
that
slimy
thing?

Suilu-Senpai
Suilu's face
is really
sweet, her
skin is as
delicate as
egg white

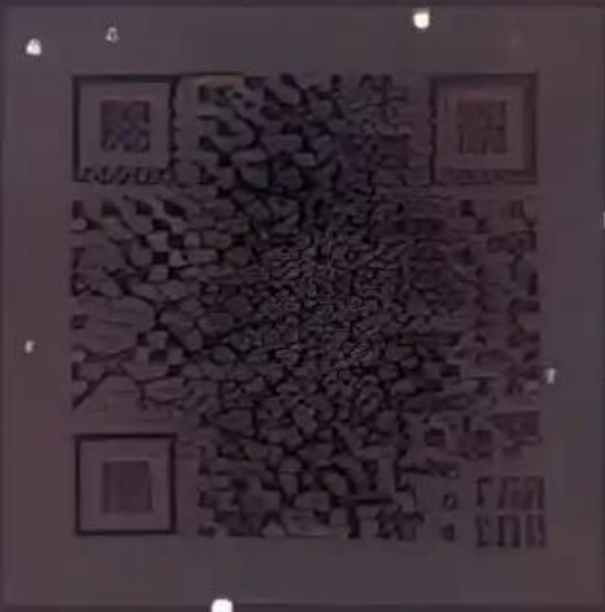

Although most of the body's sensations have disappeared, even if only the two T-spots remain, I can still feel the evil man's aura.

Senior
sister's
little
mouth?
Even
though
the skin
has
turned
off, it's
still very
moist.

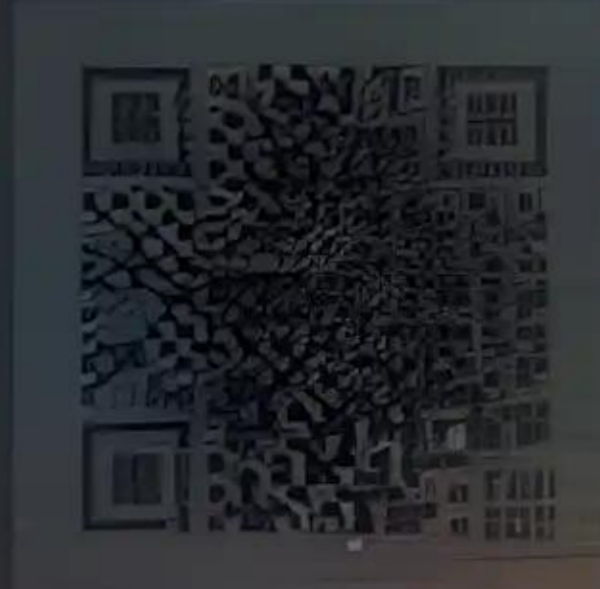

Is our

Sexual fantasies about you in the library

Yes~Yes,
what a
coincidence)
Are you
right? My
junior is
pretending
to be a
female store
voice...

Then let's not stay here and go somewhere else to play, okay, okay, 22 pretending to be a female voice and talking to herself..

Hissing, the high heels that were still warm after taking off the senior's feet~333 The smell of leather plus the slight smell of sweat is really head-turning~3

Senior
sister, how

It's quiet

Is it? Thank you, junior, for finding such a quiet place and pretending to be a female voice.

No, no,
don't

me like
that. I'll
be
embarrassed.

Senior
sister?
Let me

It's so itchy that I can't help but want to masturbate.

senior, I

your shoes?
22

Wow,
I've
seen all
the
inner
parts
of
senior
sister.

It feels slippery and tender inside. I can't wait to put it on my senior sister.

Really worthy of being a senior? The skin is really tight, so you have to put it in harder.

Gang
Sheyuan's

the senior's
skin is

tender.

Senior's fingers are really slender. My fingers are gradually fitting into Senior's hand shape.

Noisy

Senior
sister, it's
amazing
how our
faces can
fit so
closely
together)

I love you,
senior
sister. Look,
we are
gradually
becoming
one. Are
you happy?

Senior sister?
We seem to be
in close contact
now. We are
kissing each
other. I will
adjust it a few
more times.
Senior sister,
please bear
with me and
watch. My

big.
