Or had I taken a liking to that statue... and would find a compromise?

Maybe turn her into a music box doll – a singing statue?

*Her skin is soo smooth!*

*Is this really what we wanted, girls?*

*Sure! The music's still good!*

Or was it time for a new law in town?

Civic statue duty!

Whatever I'll decide...

I'm sure it's gonna be fun! \*chuckle\*

Let's see... What should I do with you... I wish...

# End of Teaser

Hello, Hexxet here.

This chapter is very statue/doll transformation themed. So, several women turning from statue back to normal and from living being to statue (or doll).

## Window Wishing XVI

### The Audience Arc II

### The Artist

Last time on Window Wishing we joined King Erik at his audience where fateful subjects and foreign emissaries can ask the King for favors and wishes. We saw how royally he handled that situation with the bimbo joggers and now another issue from the past catches up to him. Next up are a bunch of fairies... **And a statue?!**

### Cast of Characters:

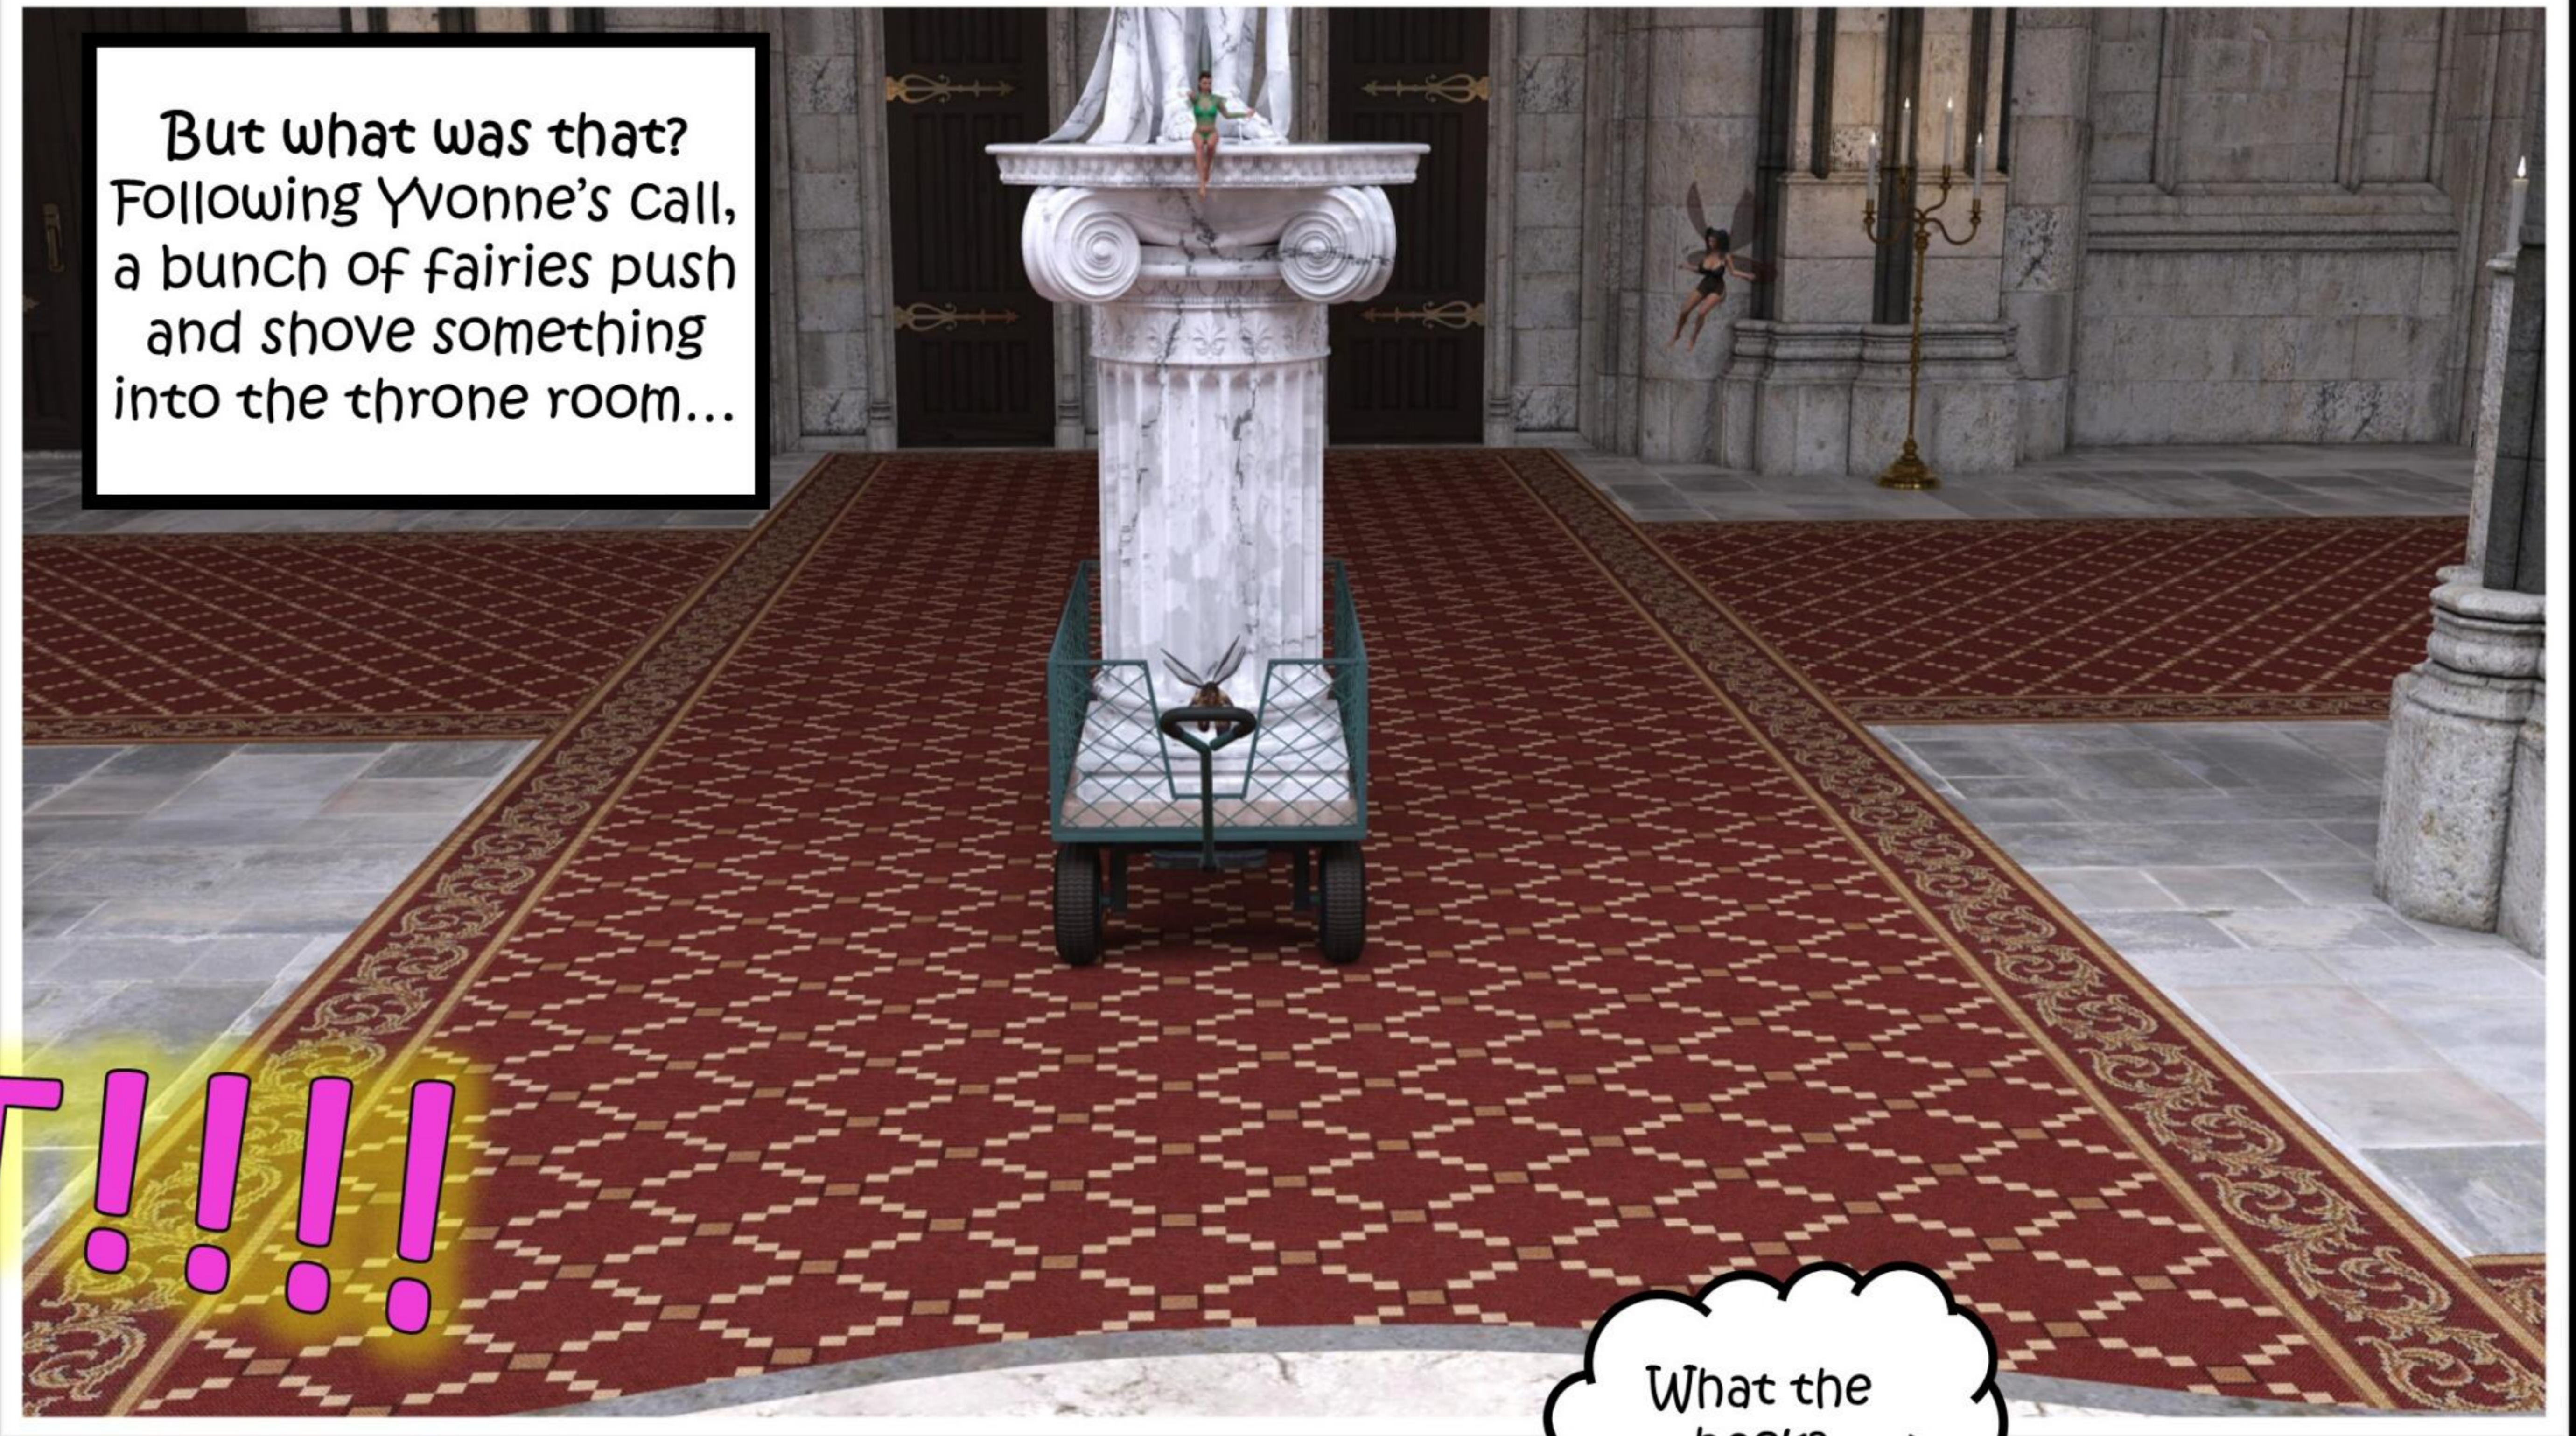

|                      |   |
|----------------------|---|
| <b>Erik ...</b>      | <b>The Fairy King</b>   |
| <b>Fairies/Elves</b> | Several Elf girls and Fairies that are Erik's staff attend                  |
| <b>3 Faeries</b>     | Three faeries we know from the park. They love elven music.                 |
| <b>1 Elf Artist</b>  | She's an artist. She's a singer... She's been turned to stone by king Erik. |

After settling that issue with those joggers – marvelously handled if I may add – Yvonne calls in the next petitioners...

**NEXT!!!!**

But what was that? Following Yvonne's call, a bunch of fairies push and shove something into the throne room...

What the heck?

A pregnant fairy is sitting on a stone pedestal with a marble statue on it... packed onto a small wagon...

Come on girls!  
You can do  
better than this!

She's been impregnated by his  
majesty not too long ago...

And she's spurring on two more  
fairies to push the construct  
further into the throne room...

Your Majesty,  
we are sorry to  
disturb you.

But Jaqueline - our  
muse - has been  
petrified for over two  
weeks now and we  
yearn to hear her  
beautiful voice again.

If your majesty  
wills it, it would  
be our greatest  
wish for her to  
sing again.

What was I going to do here?

I'll restore her. It always was meant to be temporary anyway!

We need a monument in that park... but her singing voice... Oh! I got it! Music Box Doll!

People like that statue in the park... but it does not need to be her I guess...  
Civic Statue Duty!

Would I just turn her  
back to her normal elven  
flesh and blood?

So, she can continue her beautiful songs in the park...

Oh, Yes!  
I can feel your  
music vibrating  
through every fiber  
of my body.
