I hope nothing happens to him! Then he must be a very vicious person. I shouldn't let Lao Shao go find him alone. If that Brother Yong is really the mastermind behind the serial disappearances,

Did you bring
your leather gun?
Yo, finally here? Just
in time, I have
something to ask
you.

ah? Um,
um...I, I
remember...

I came
here just
for...Ah!

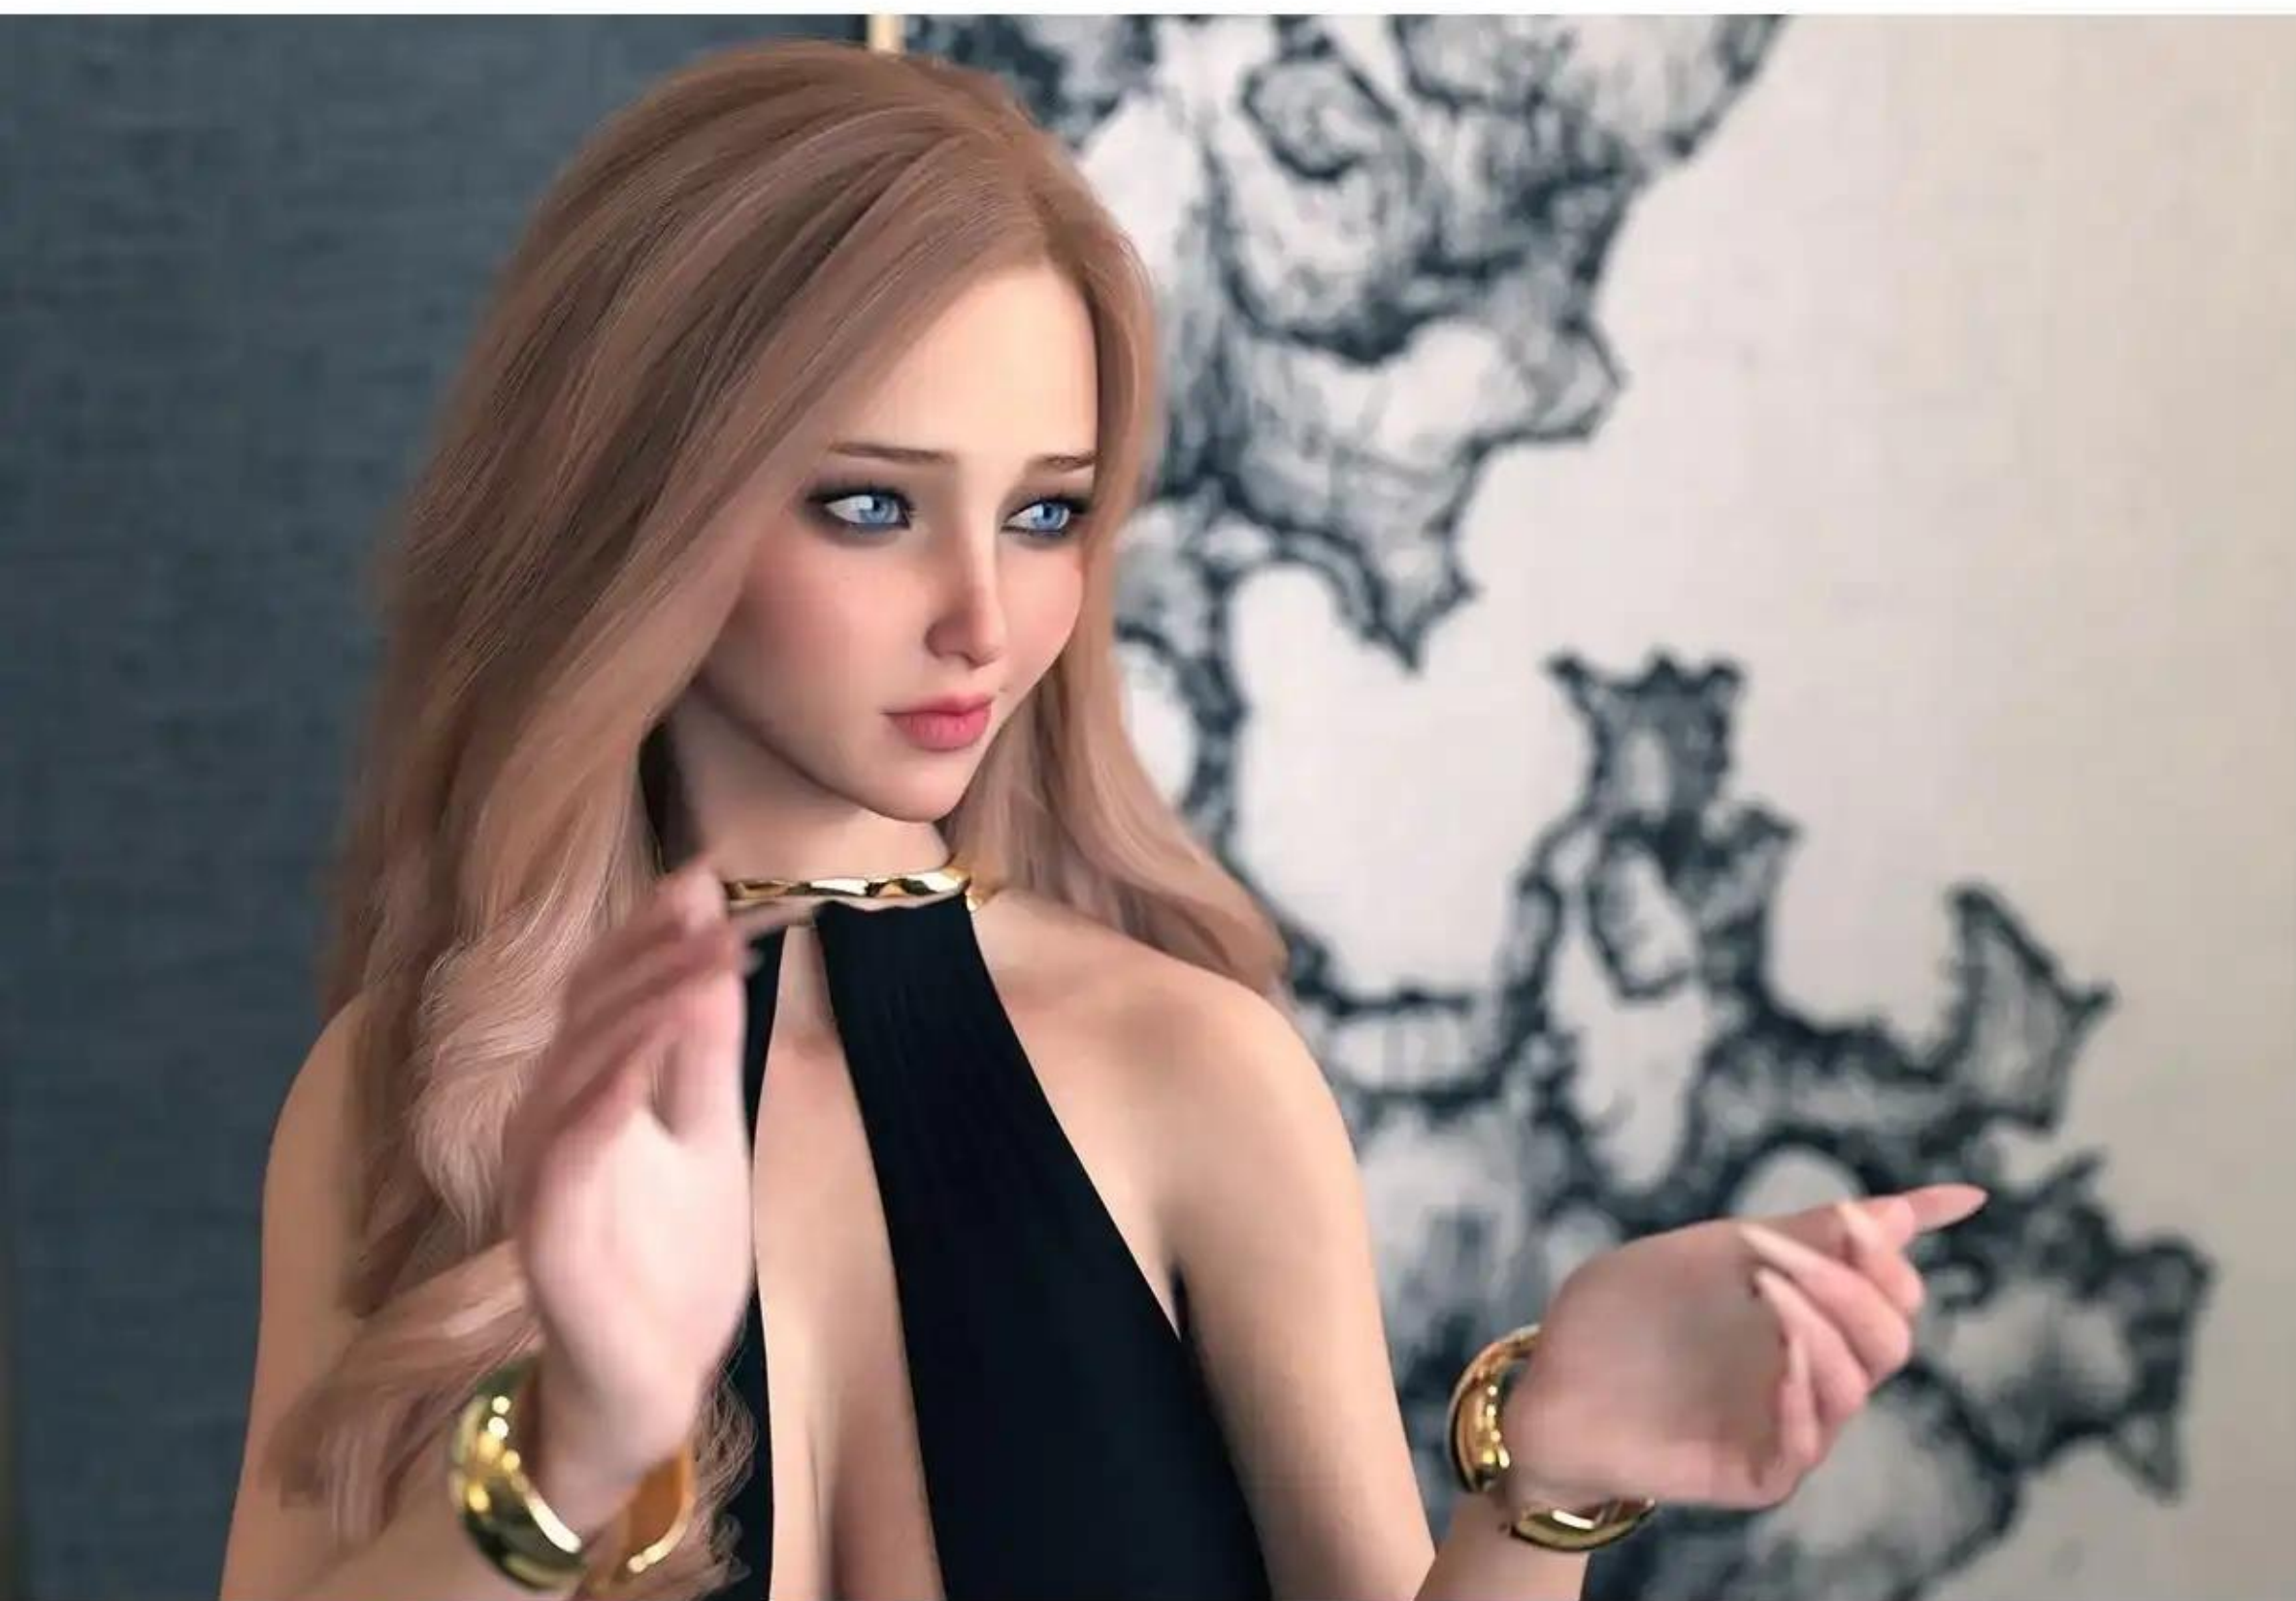

Oh my God!
You...what did you
do to her?!

I just got rid of
her by accident!
Oh, I was just too
excited at the
moment,

What's the big
deal? Anyway, just
turn her into skin.

But fortunately, he seemed to just treat him as an ordinary hotel employee! I didn't discover Lao Shao's true identity. Sure enough, this man is not a good person.

万

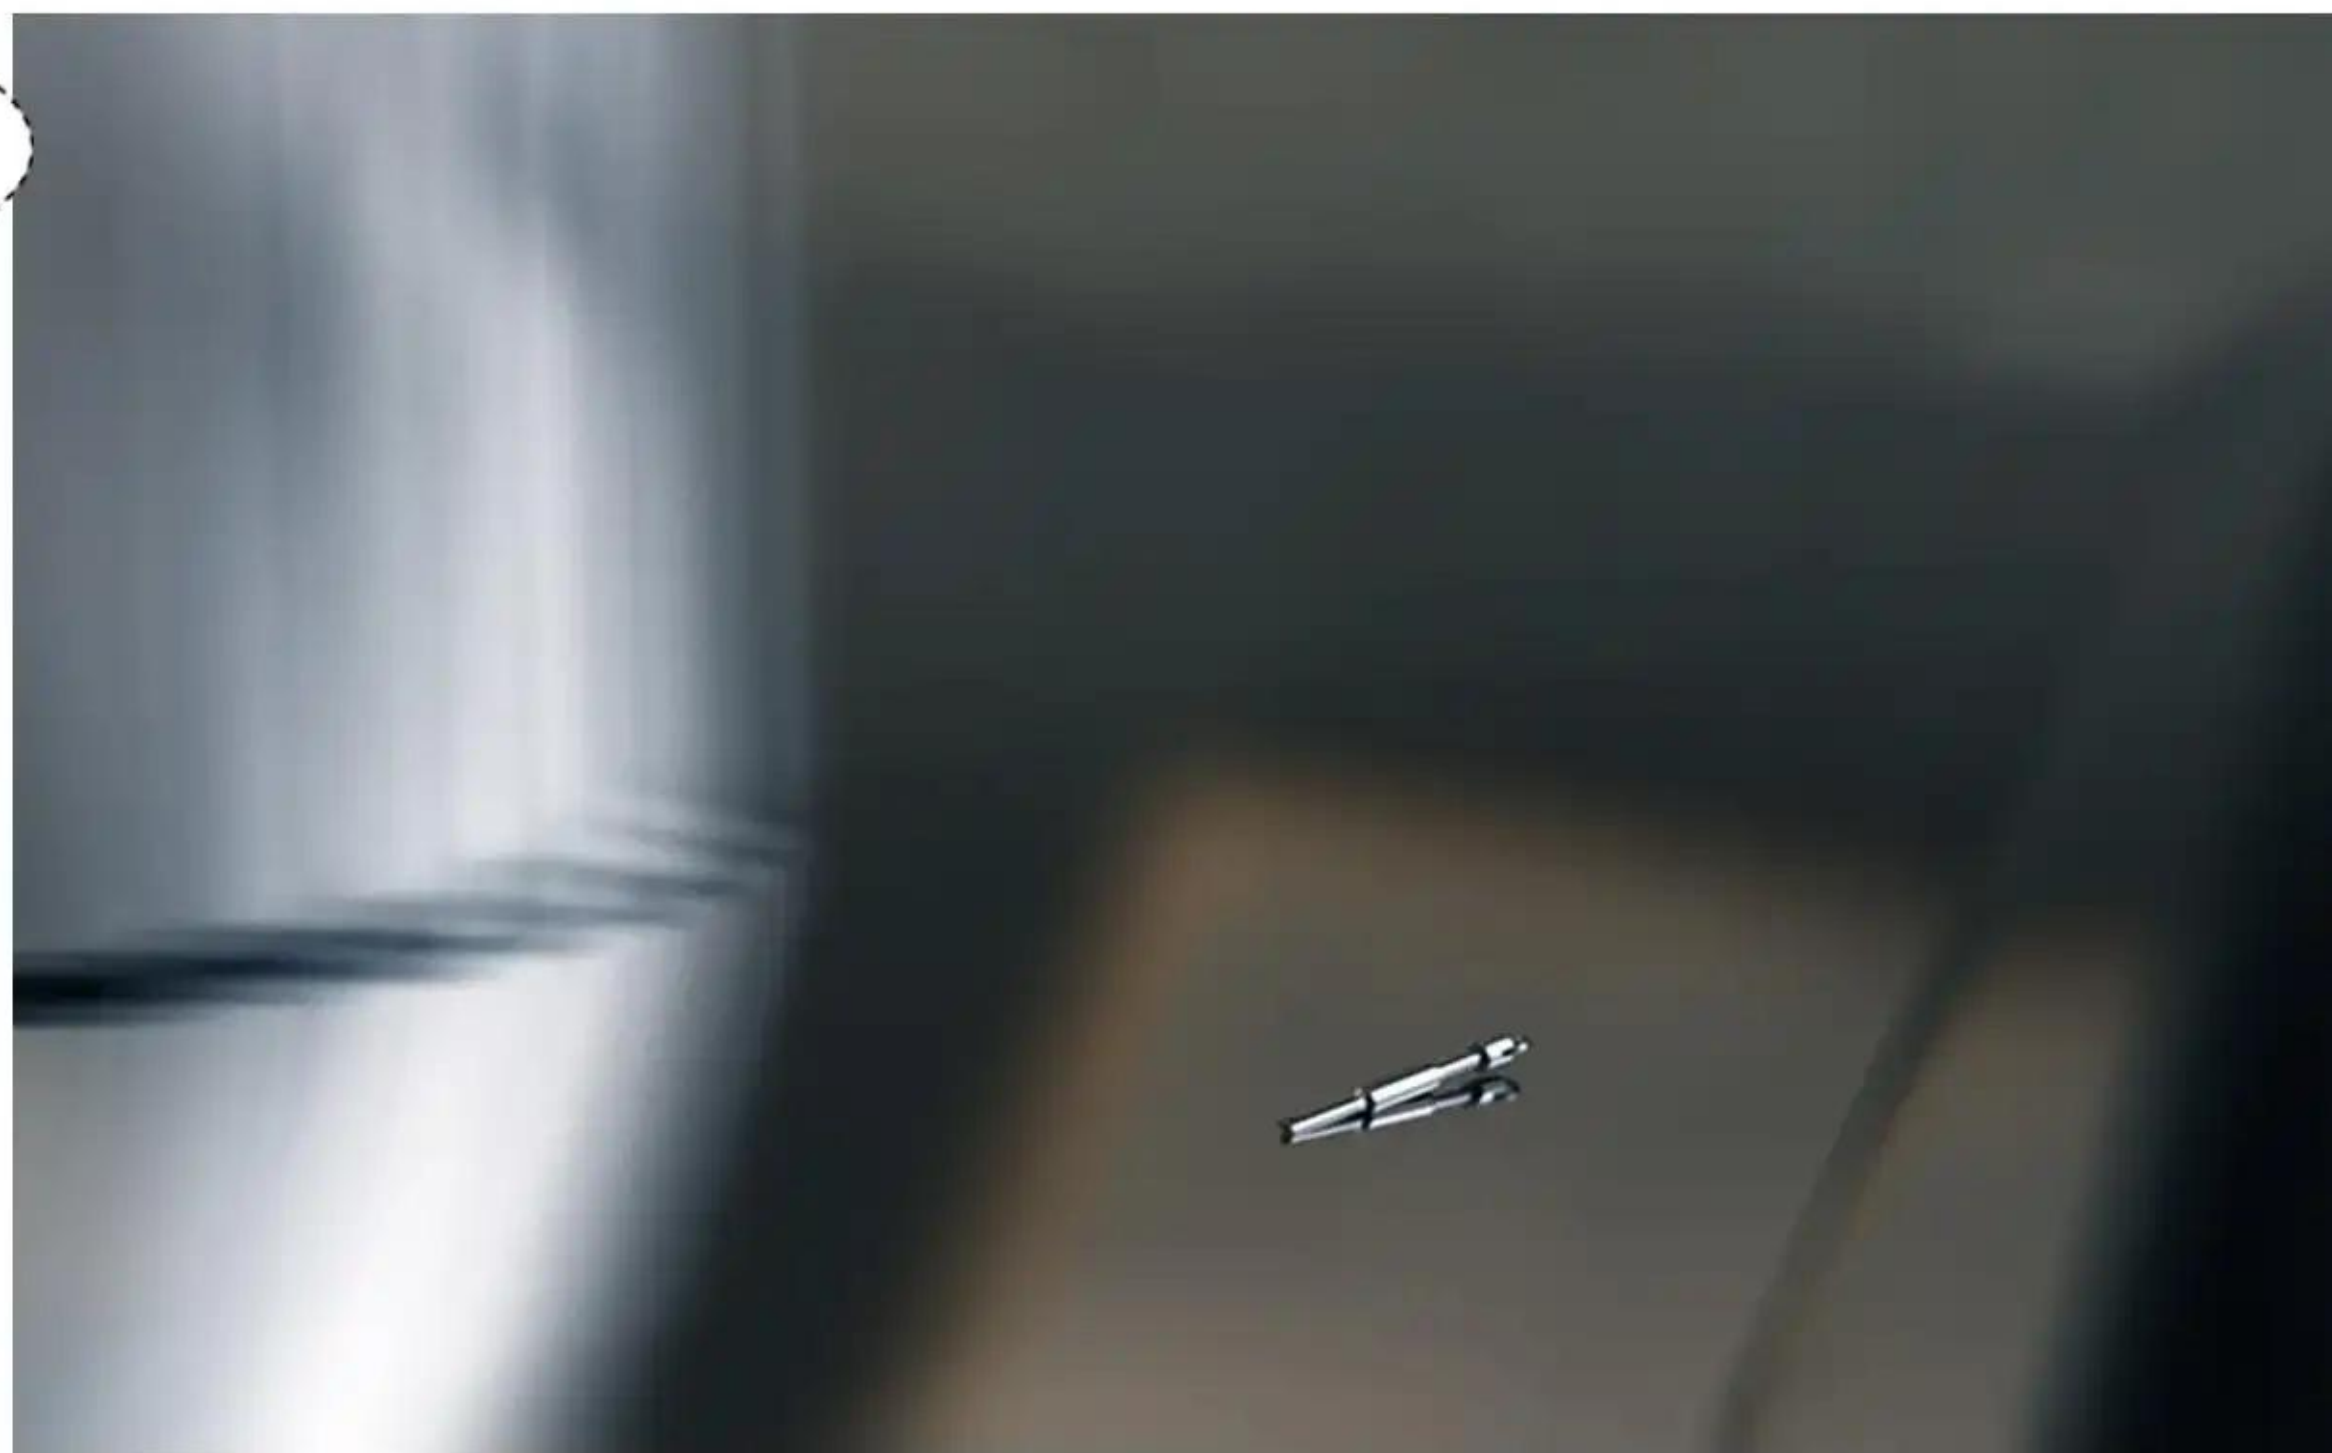

If he discovers that there is a boy in Wang Yali's skin, he will probably break up with me on the spot! But, what should I do in this situation now?

Um? Lao Shao was winking at me. The direction he had been looking at was,

ah! It's the key!

I will change that woman back
Don't worry, I'll wait until I've had enough fun.

If you are interested, I will not be stingy about lending you some clothes, haha! You don't have to worry, as a fan of human skin

Kapiyi

you! What are you doing!

What if this woman makes you crazy? ! Why don't you take her back quickly! What if we tell our secret?

Give me the
gun and I'll deal
with this bitch
myself.

end!

ah!

Paint! You are
fucking crazy!
Dare you take
action against
me?!

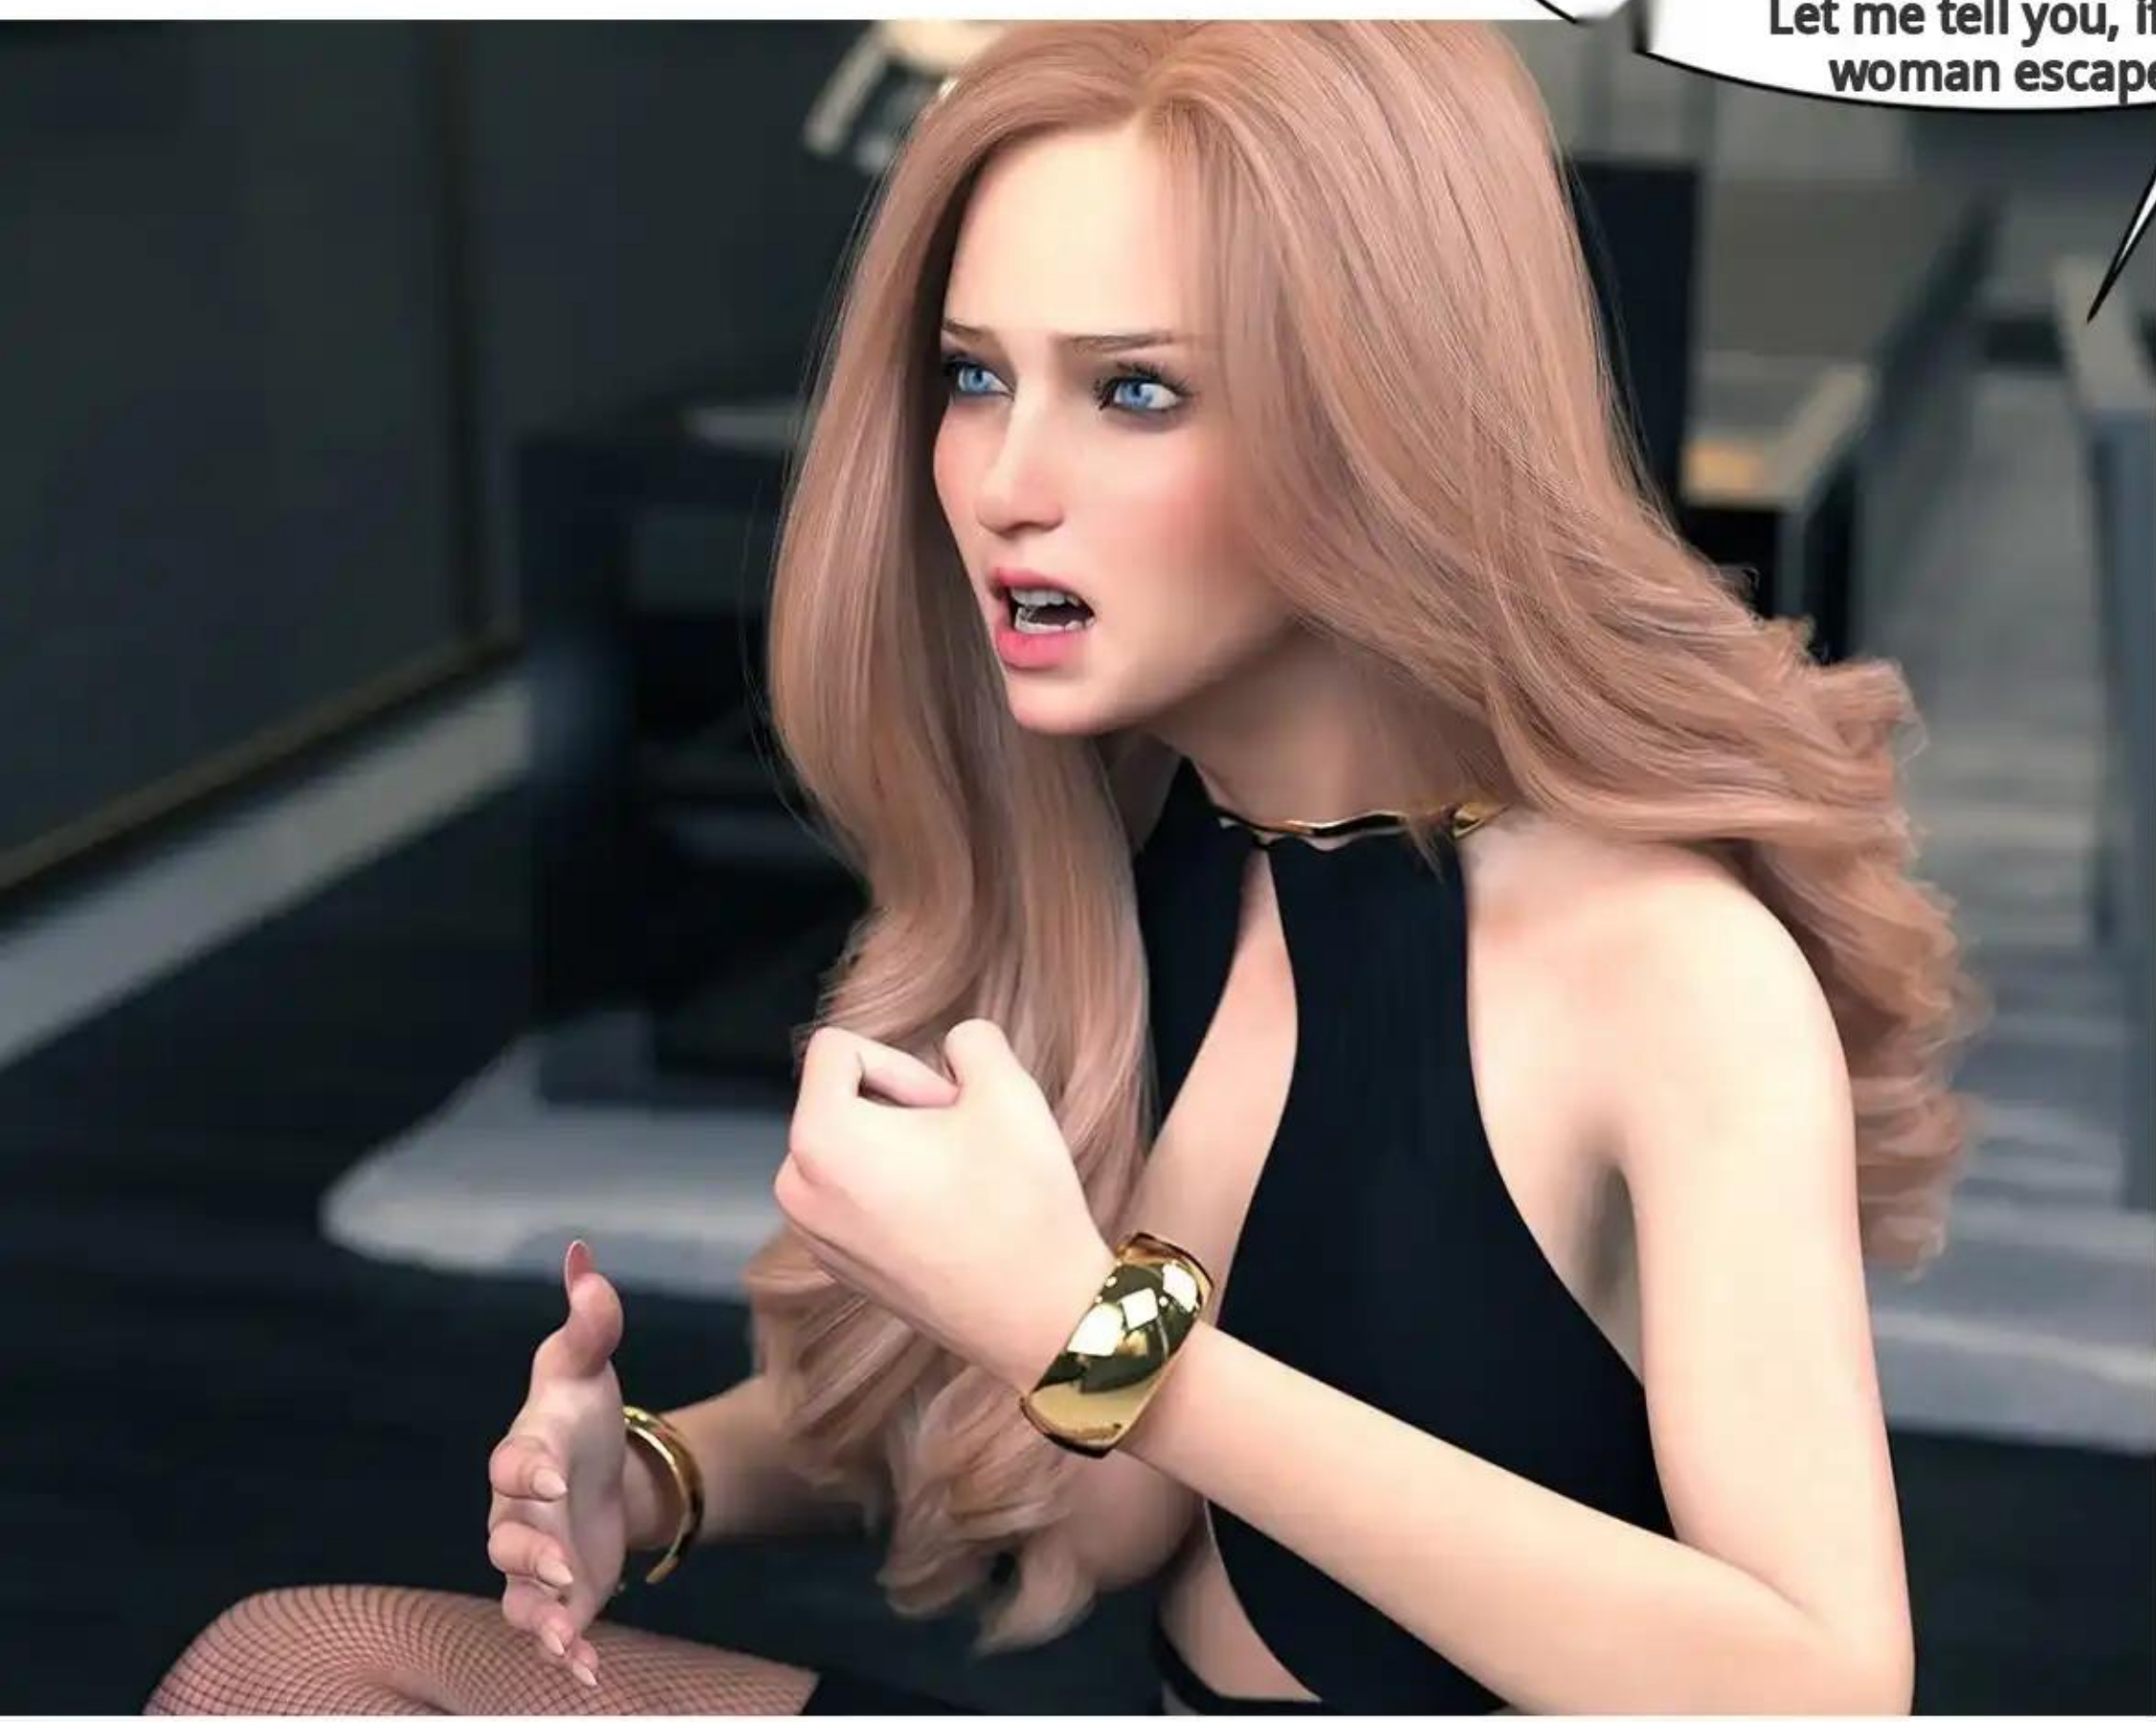

Is this all your doing?
I'm going to kick this scumbag
like you! My friend, who is a good
person, has been irritated like this
by you, and there are more than
ten cases of missing women in
the neighboring city.

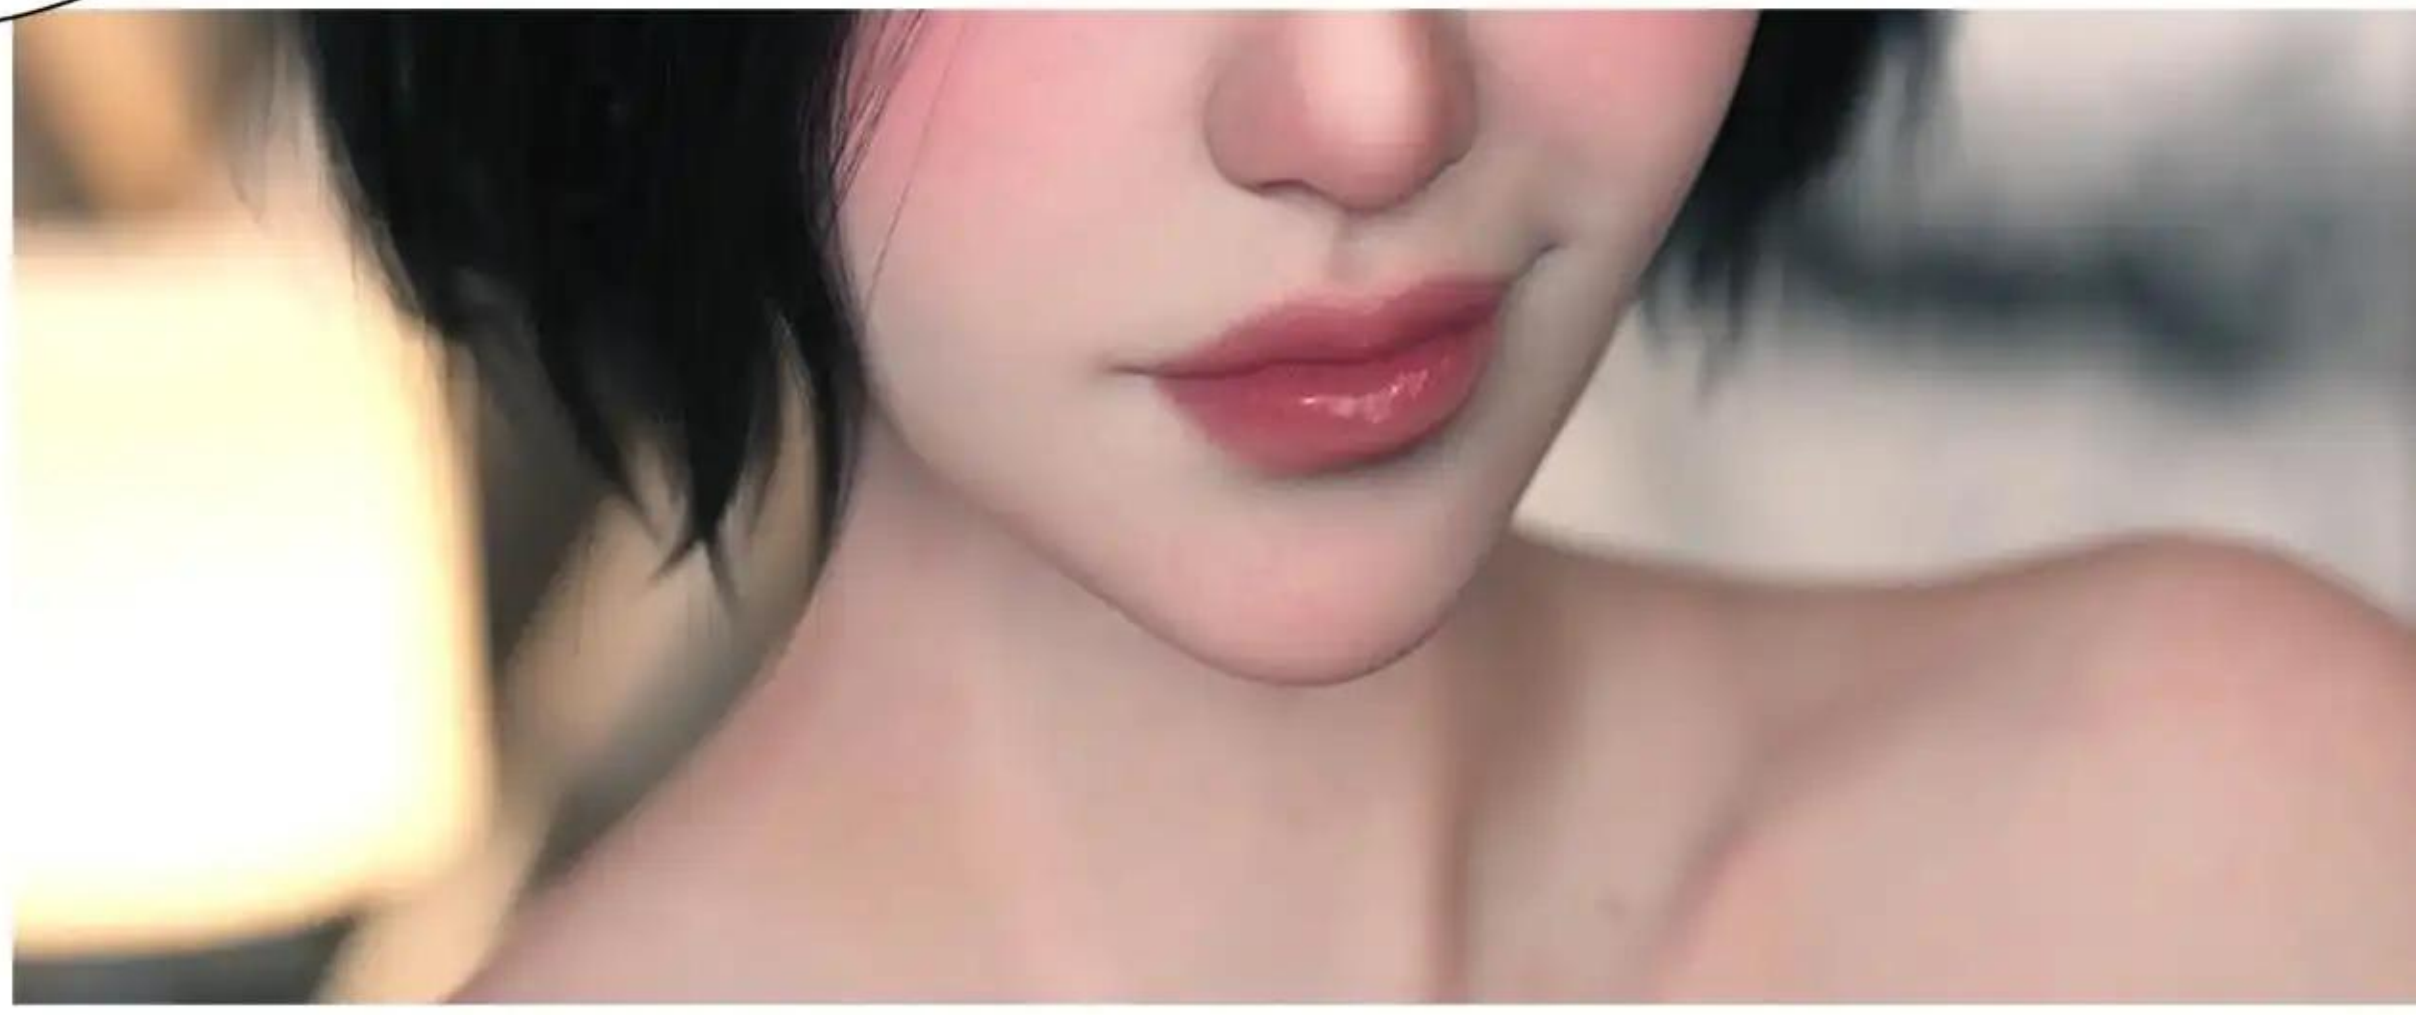

They are lucky that I like them! So what? ! They're just a bunch of sluts,

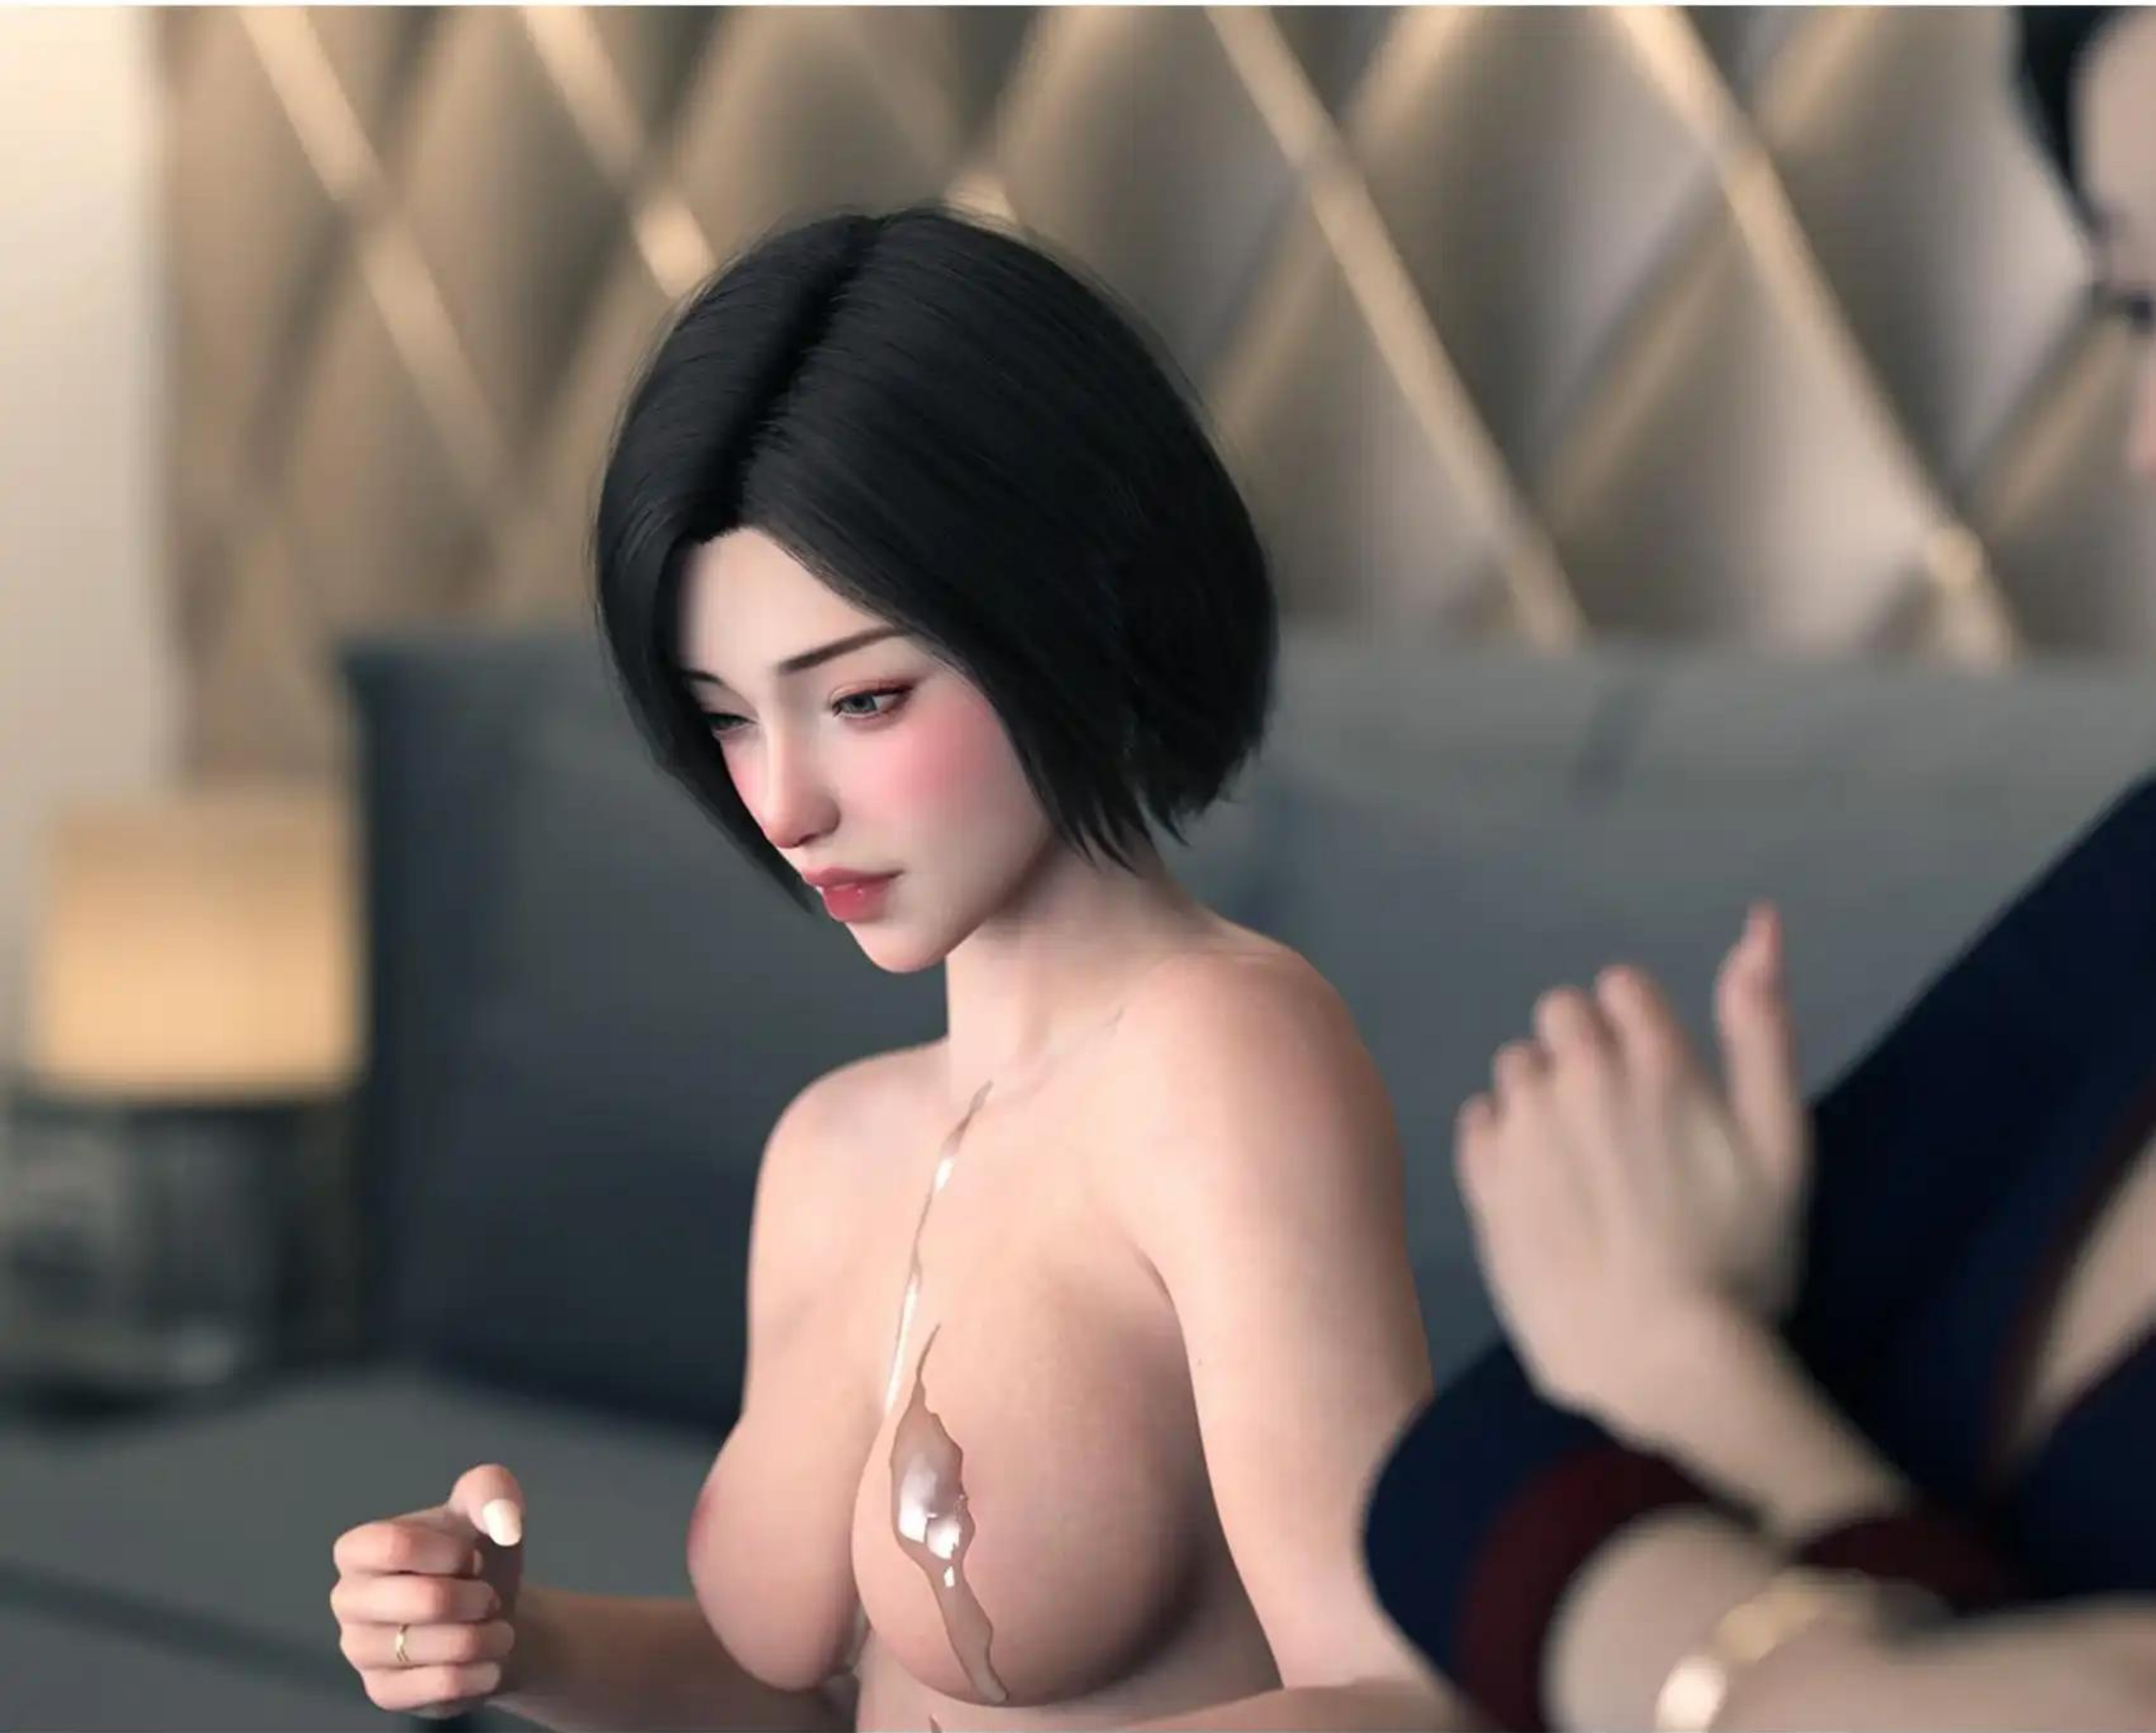

You can't run away either! What, do you want to be a messenger of justice? Let me tell you, if that woman escapes,

Oh, really?

I'm afraid
it's just you! But
I think the only
thing that can't
escape here is

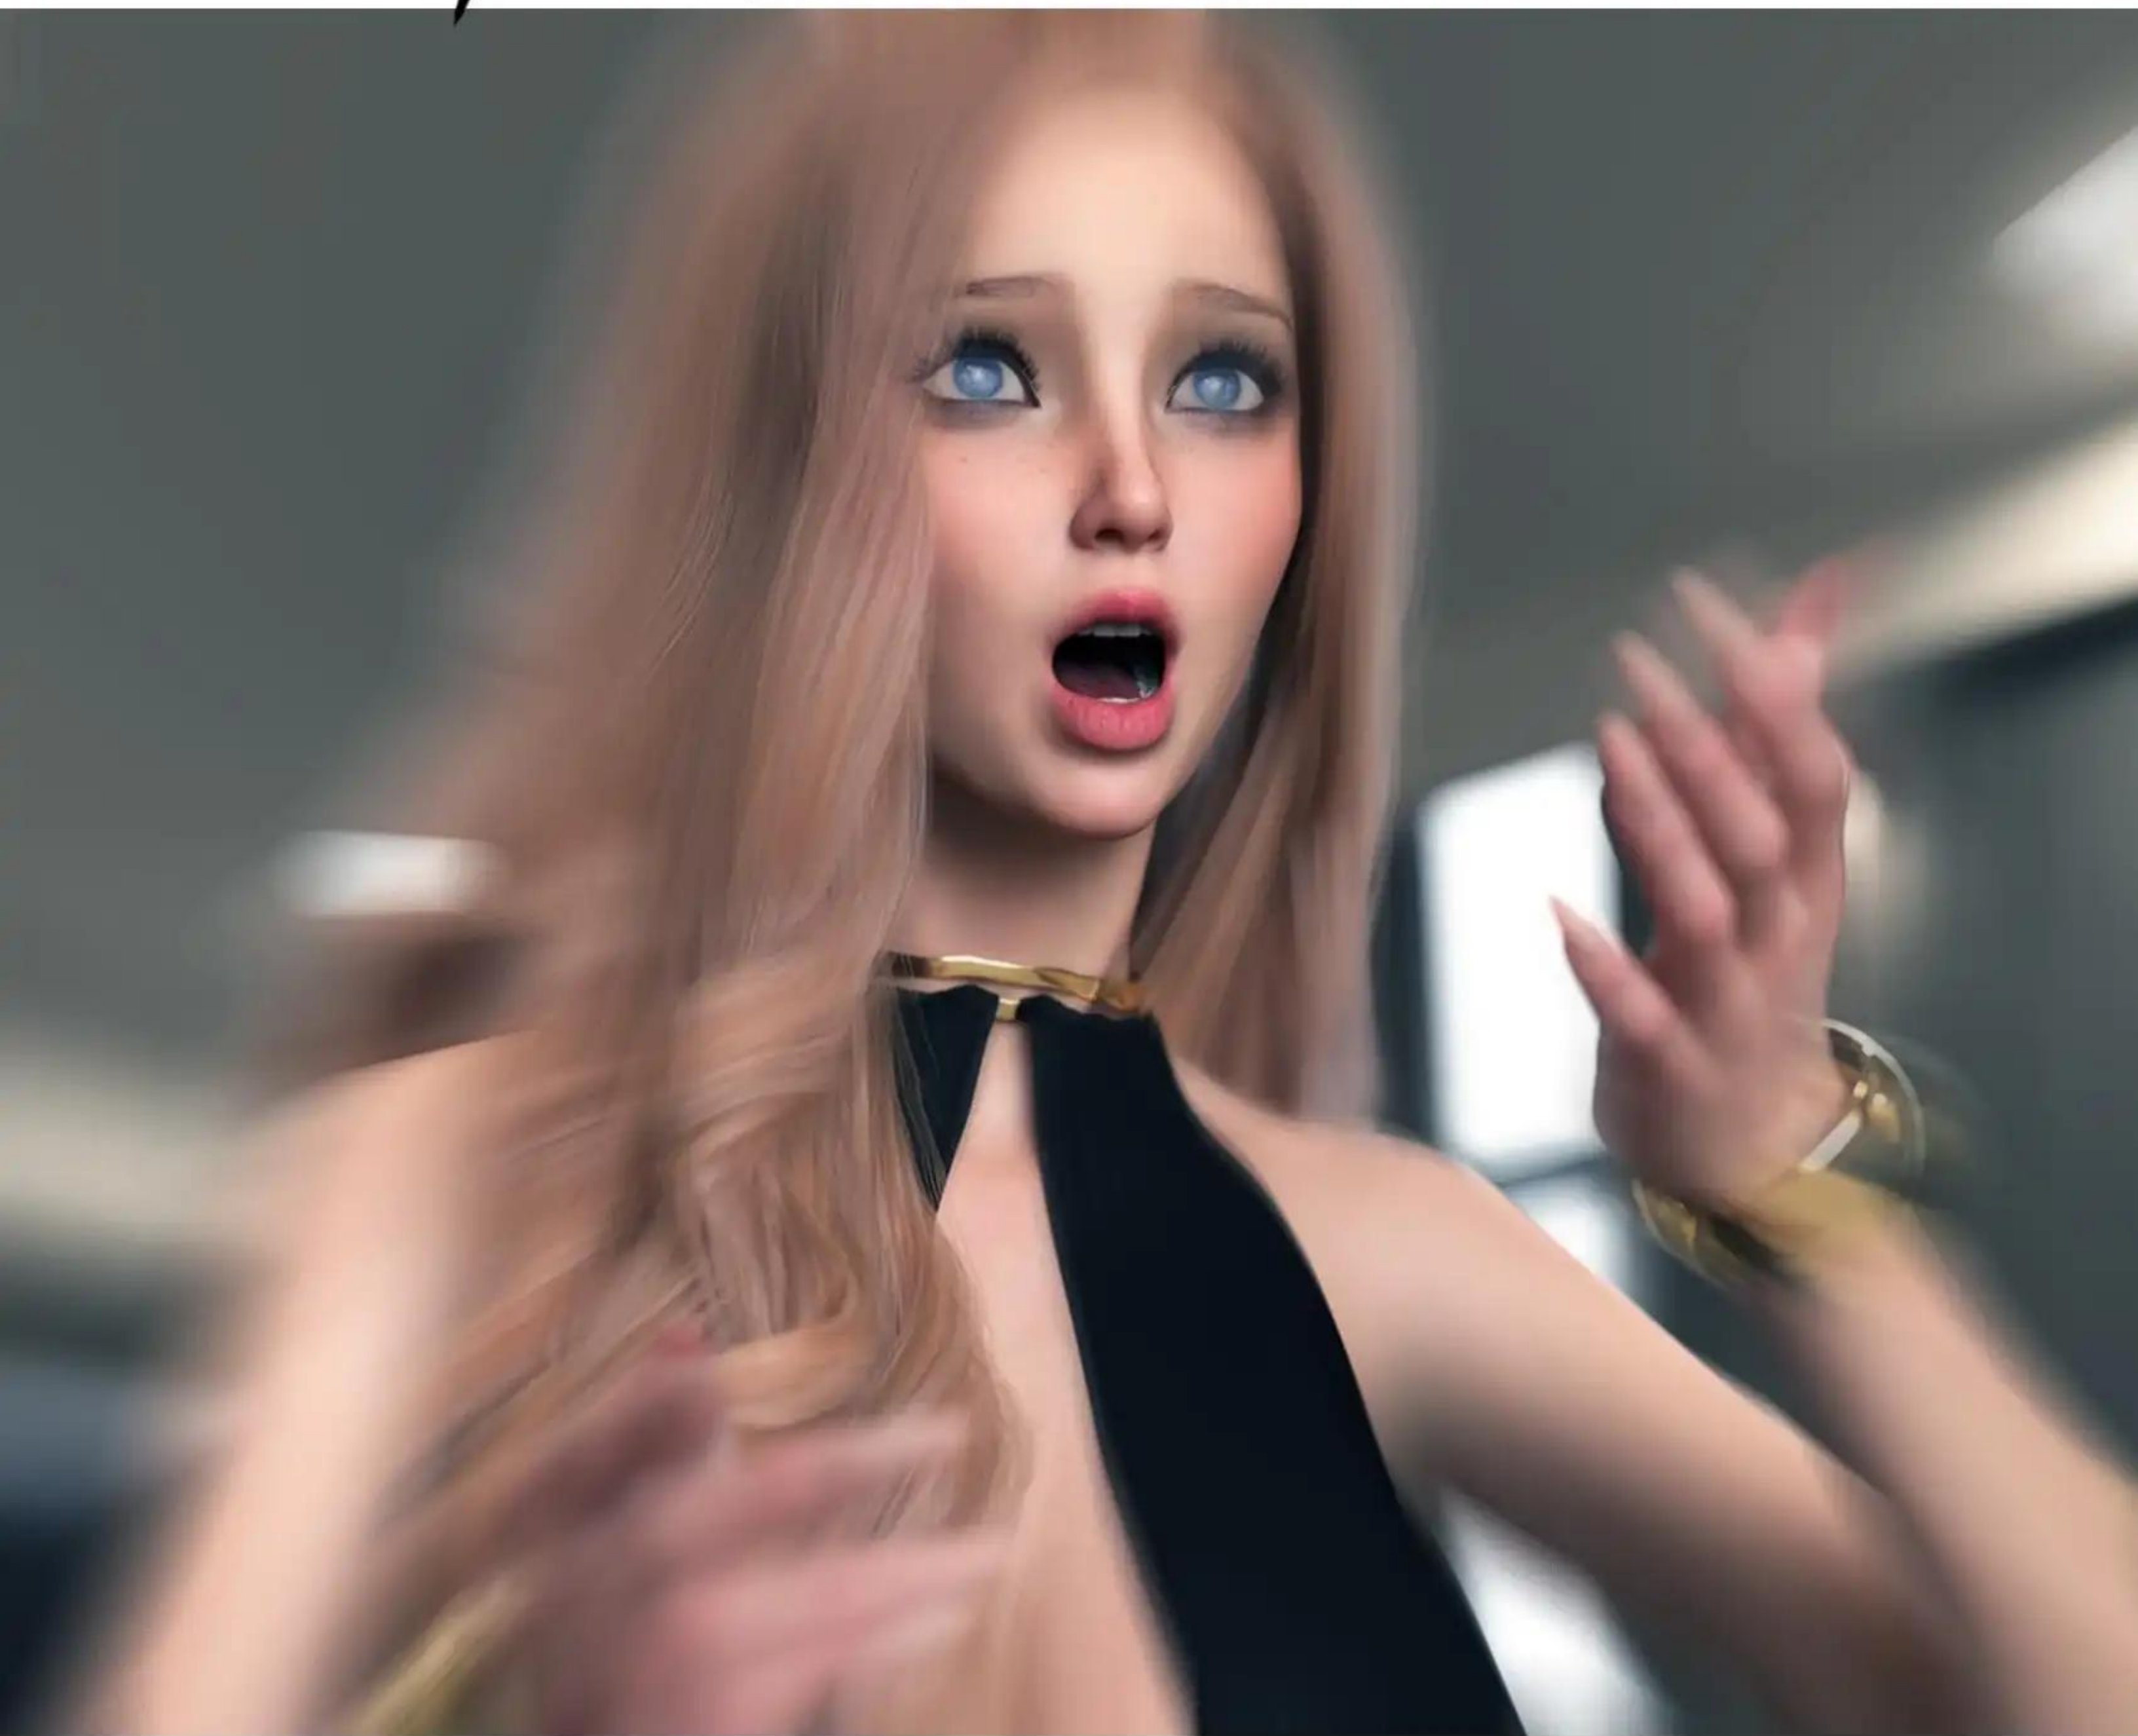

Haha, you think
the people around you
are just men wearing the
skin of girls! Is that Team
Leader He a good
person? I tell you, he
is just like me,

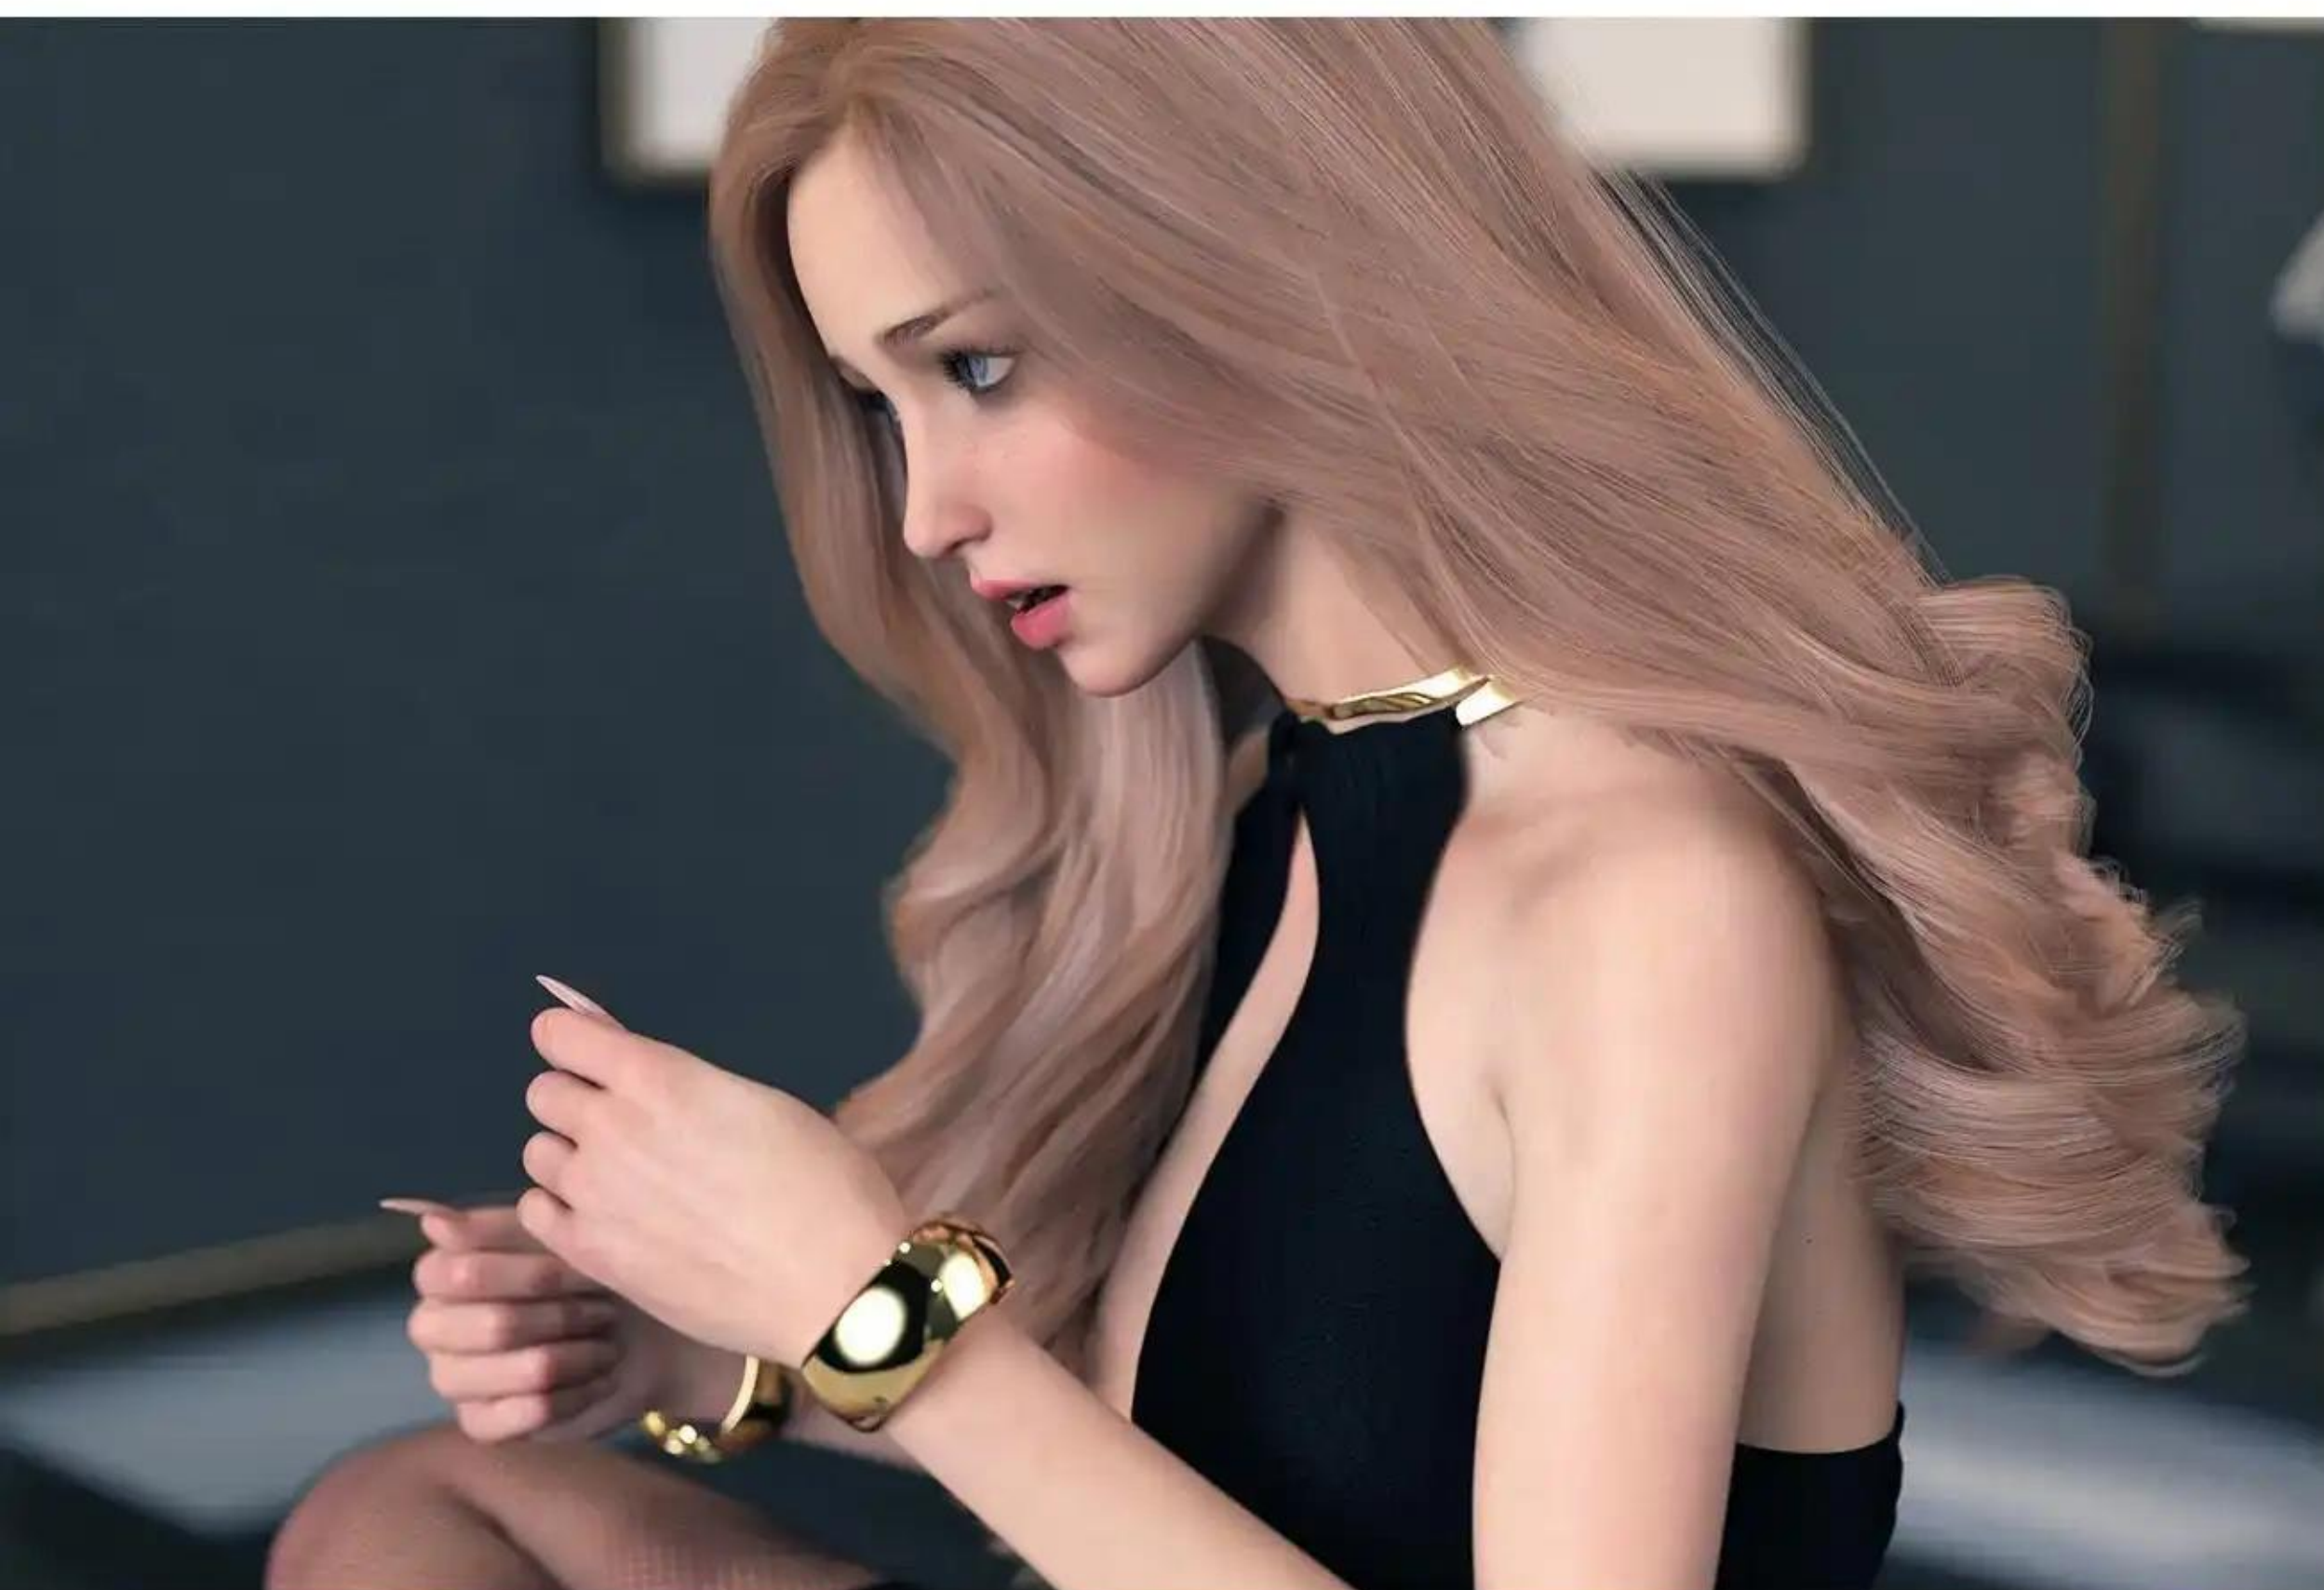

Even...I
just wore this
skin of hers
not long ago!
I know,

**You...what
did you say? !!!
Could it be said
that you are also
a man wearing
human skin?**

Aren't you afraid that one day, the other party will use a leather gun to turn you into an immobile human skin? How is it possible? How dare you two share the secret of the leather gun with each other?

But we will not
attack our brothers!
How do you understand
the loyalty between our
brothers! Ha! For people
like you, we usually play
and make trouble,

Just, that's right,
we are different from
bad guys like you who
do evil things!

Let's see how to deal with the person inside! Let's take off this skin from her body. I won't say so much. Lao Shao, come and help me.

...want to catch me? What a beautiful idea you have!

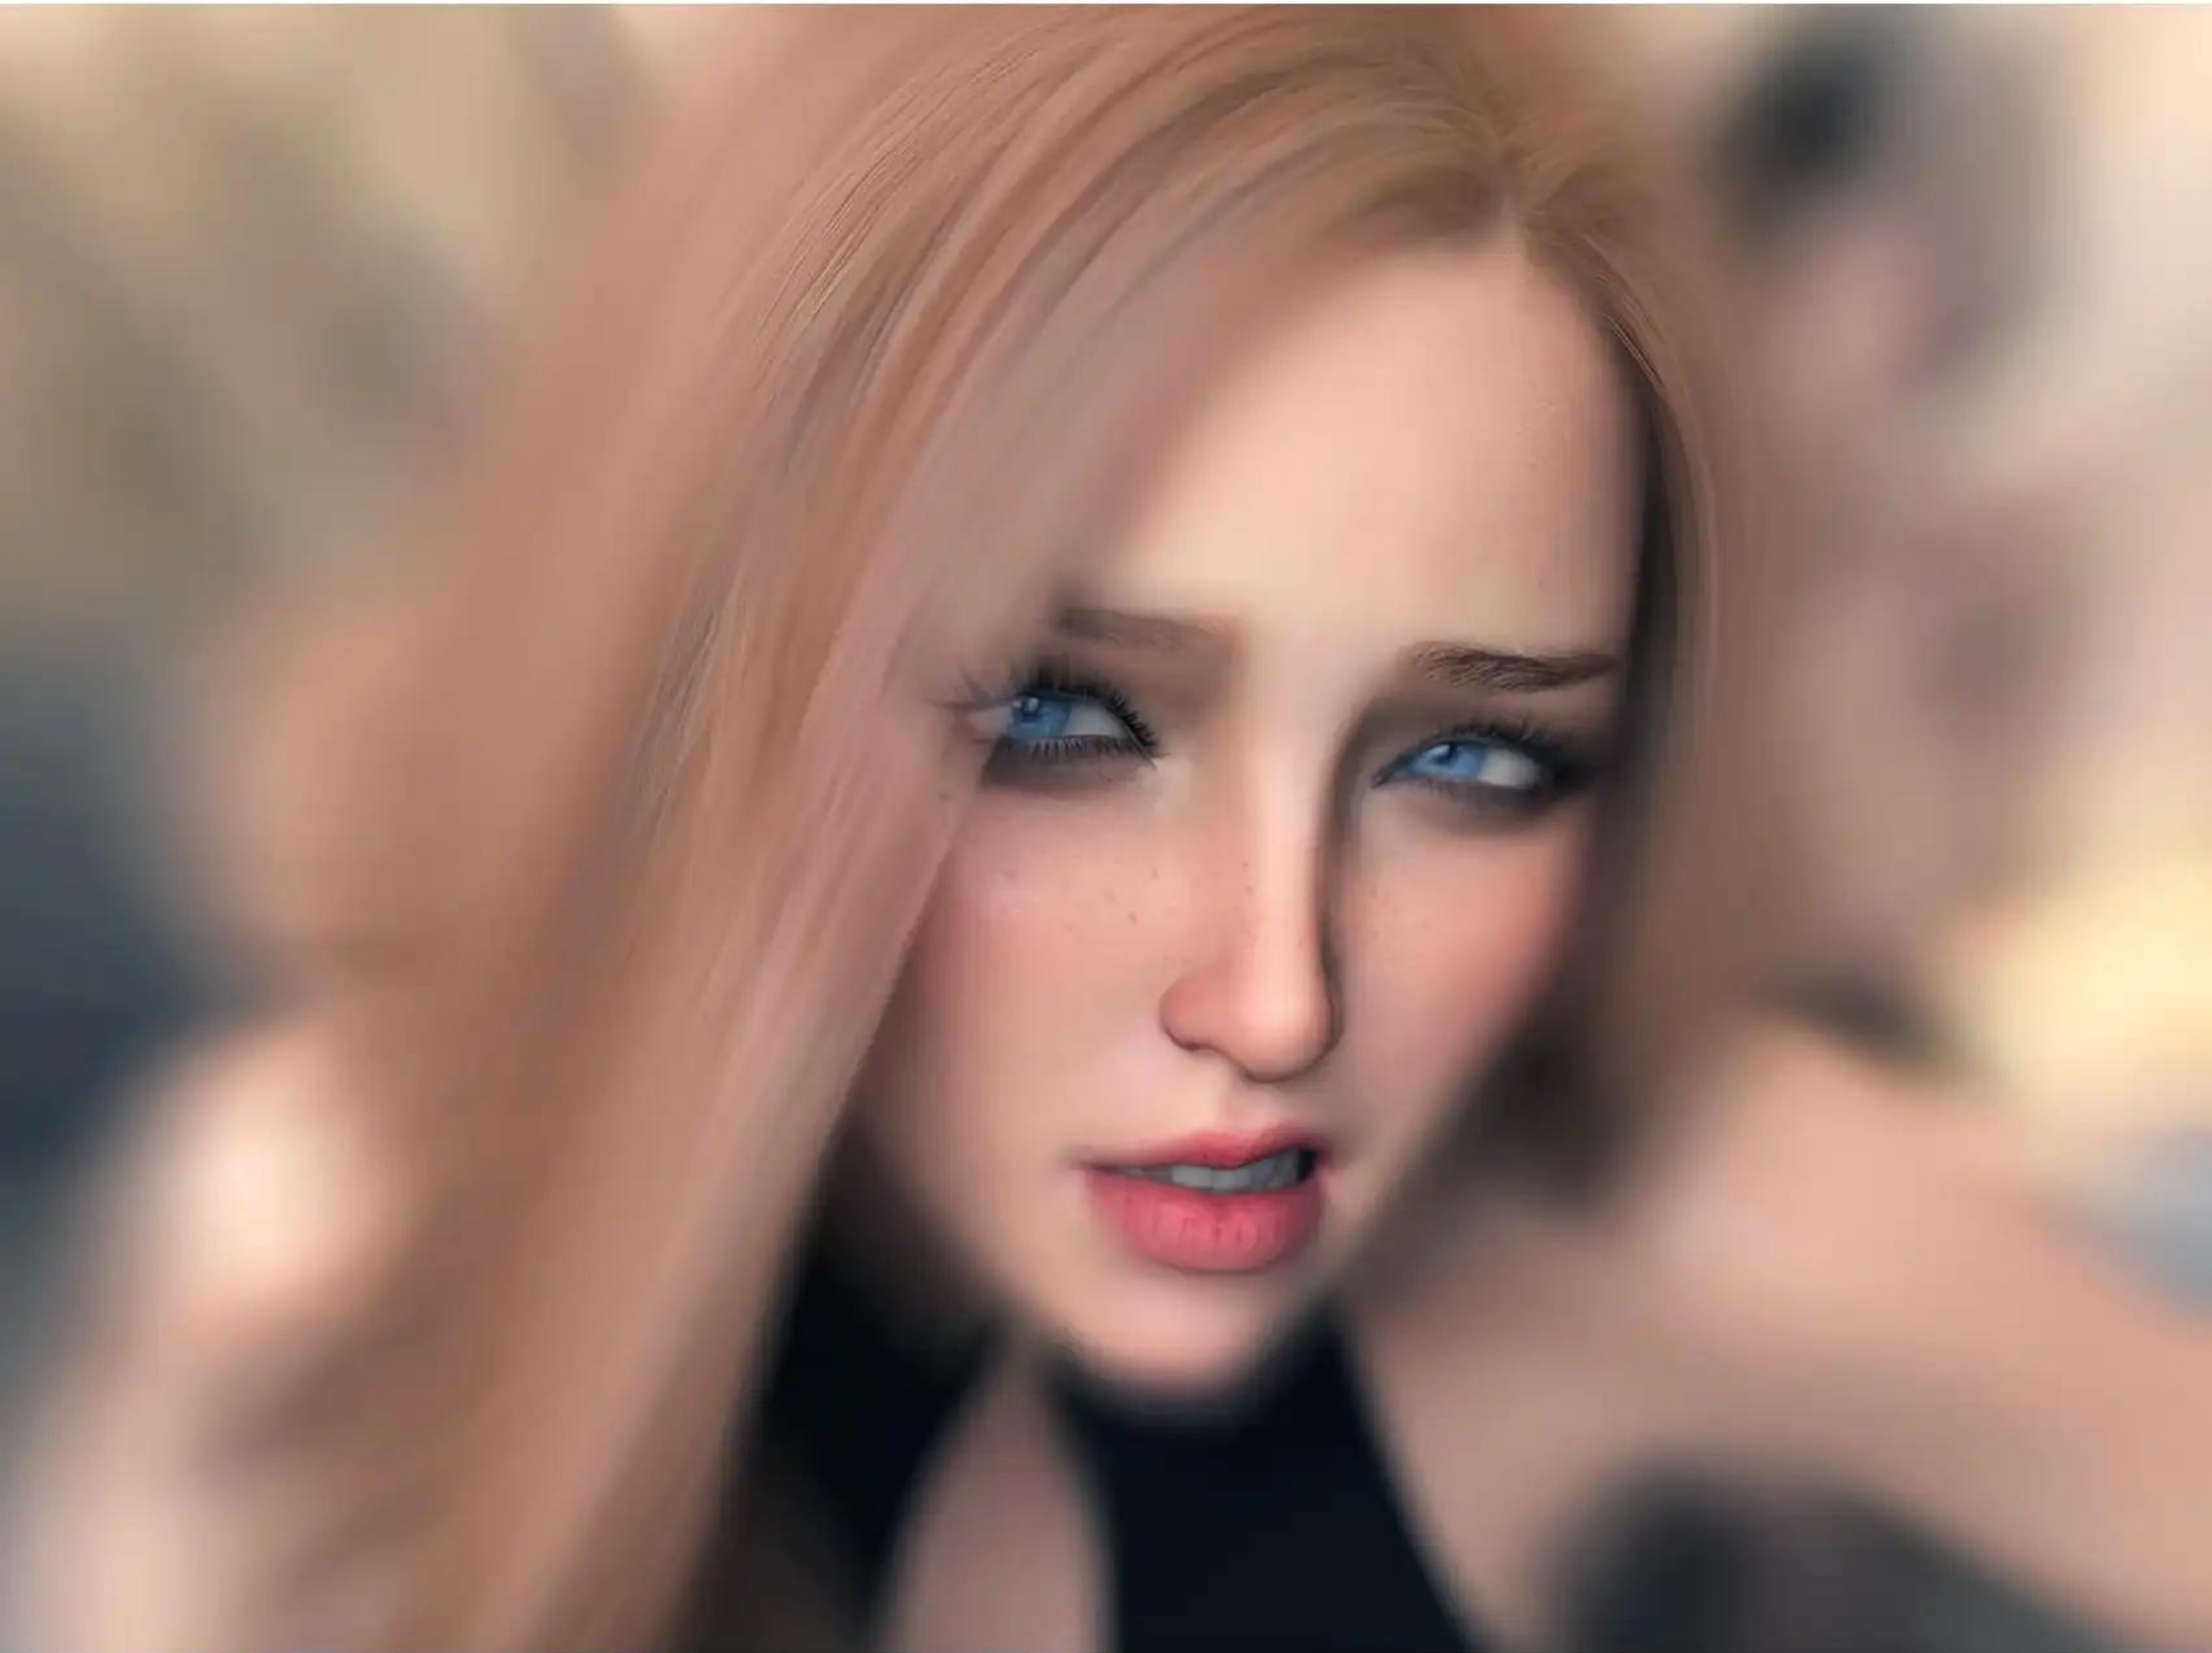

ah!

Oops, she wants to run away!

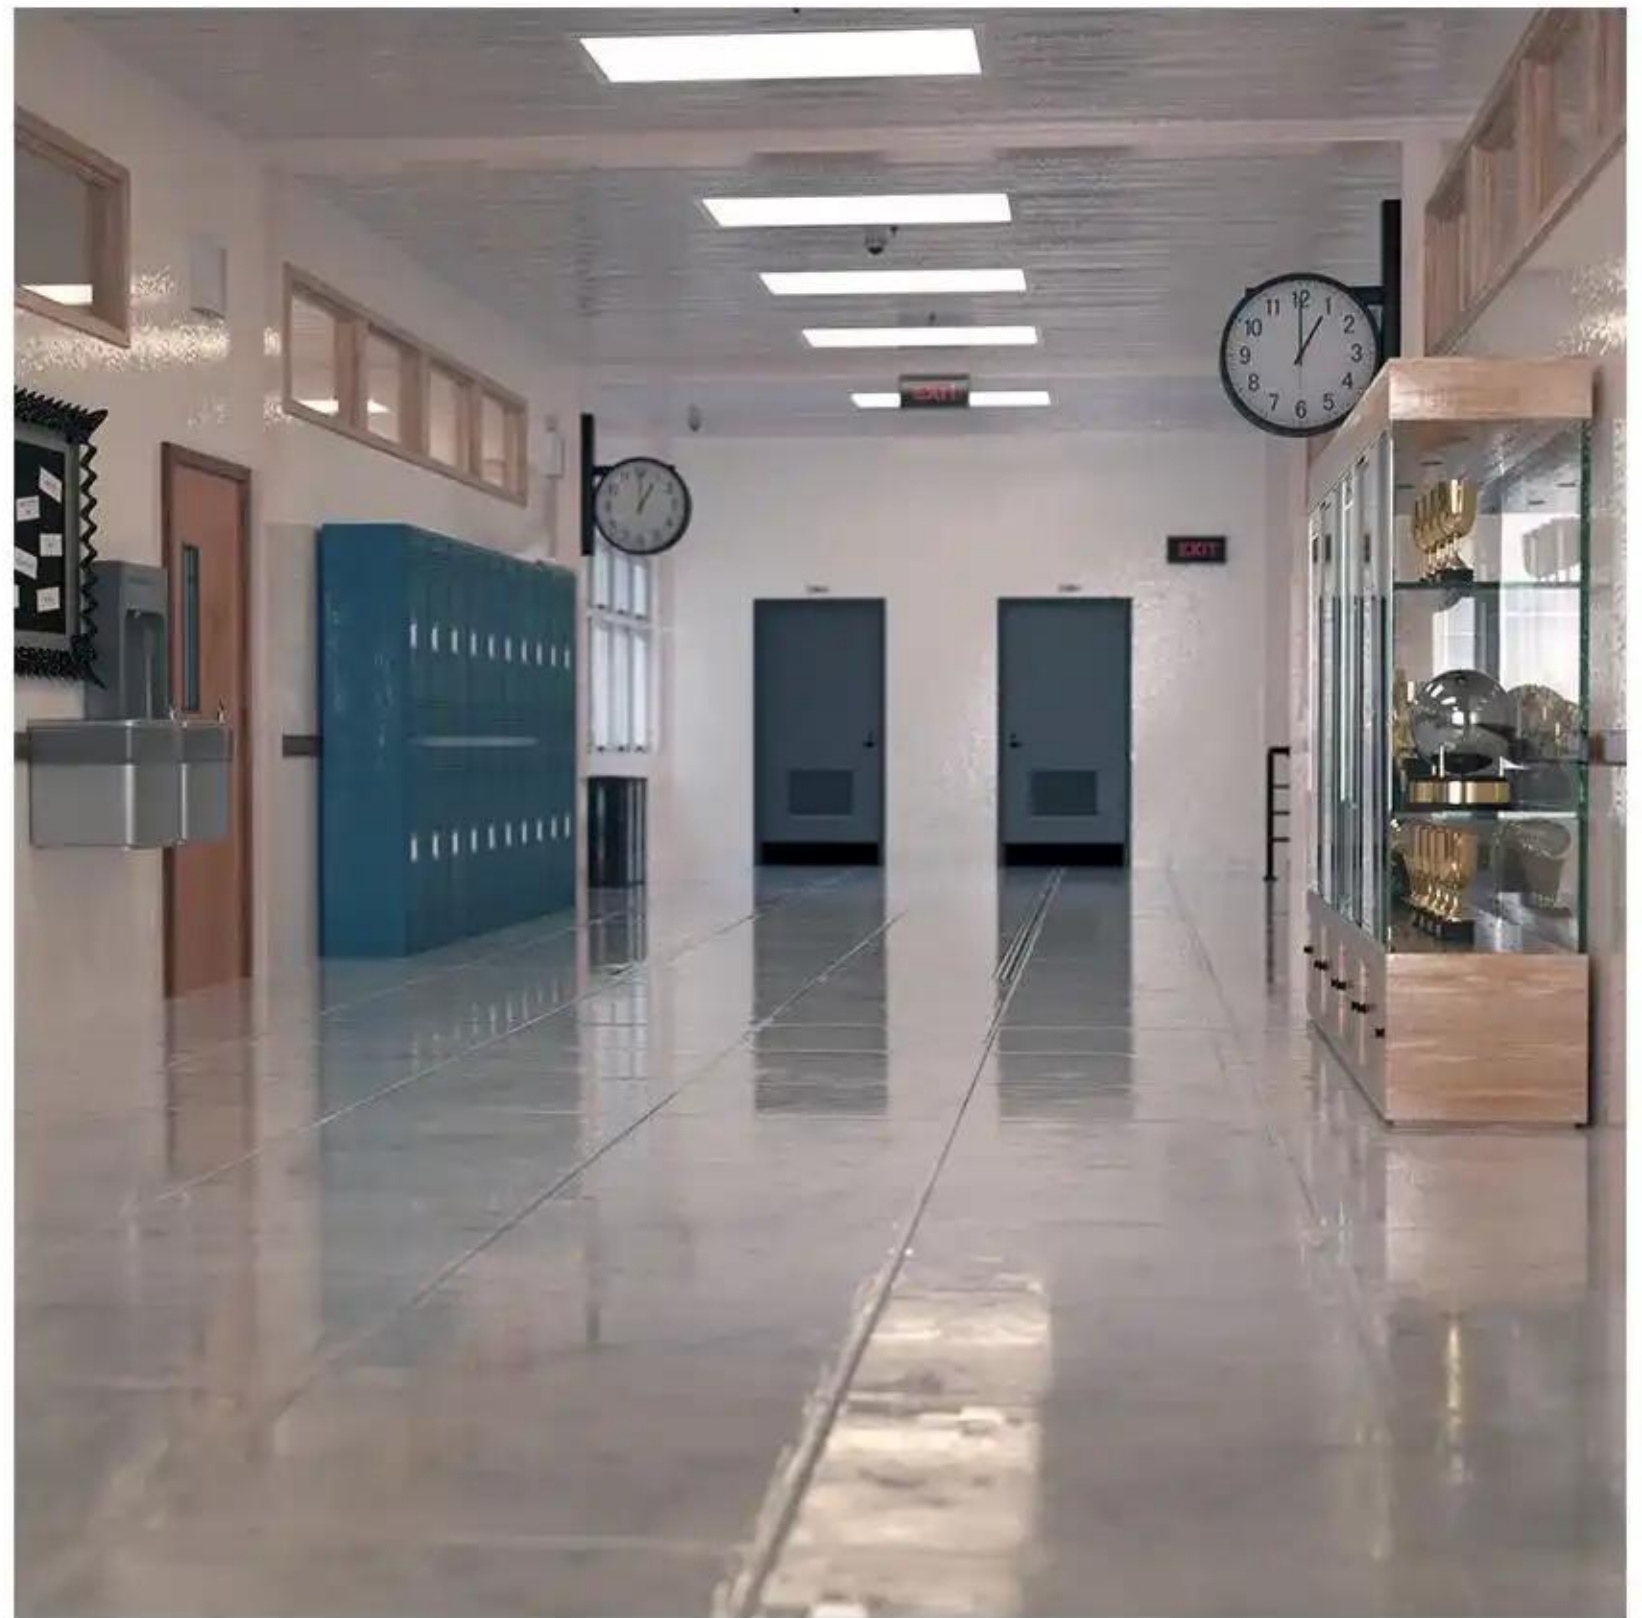

hateful! Damn it! I was actually tricked by the two of you! Paint!

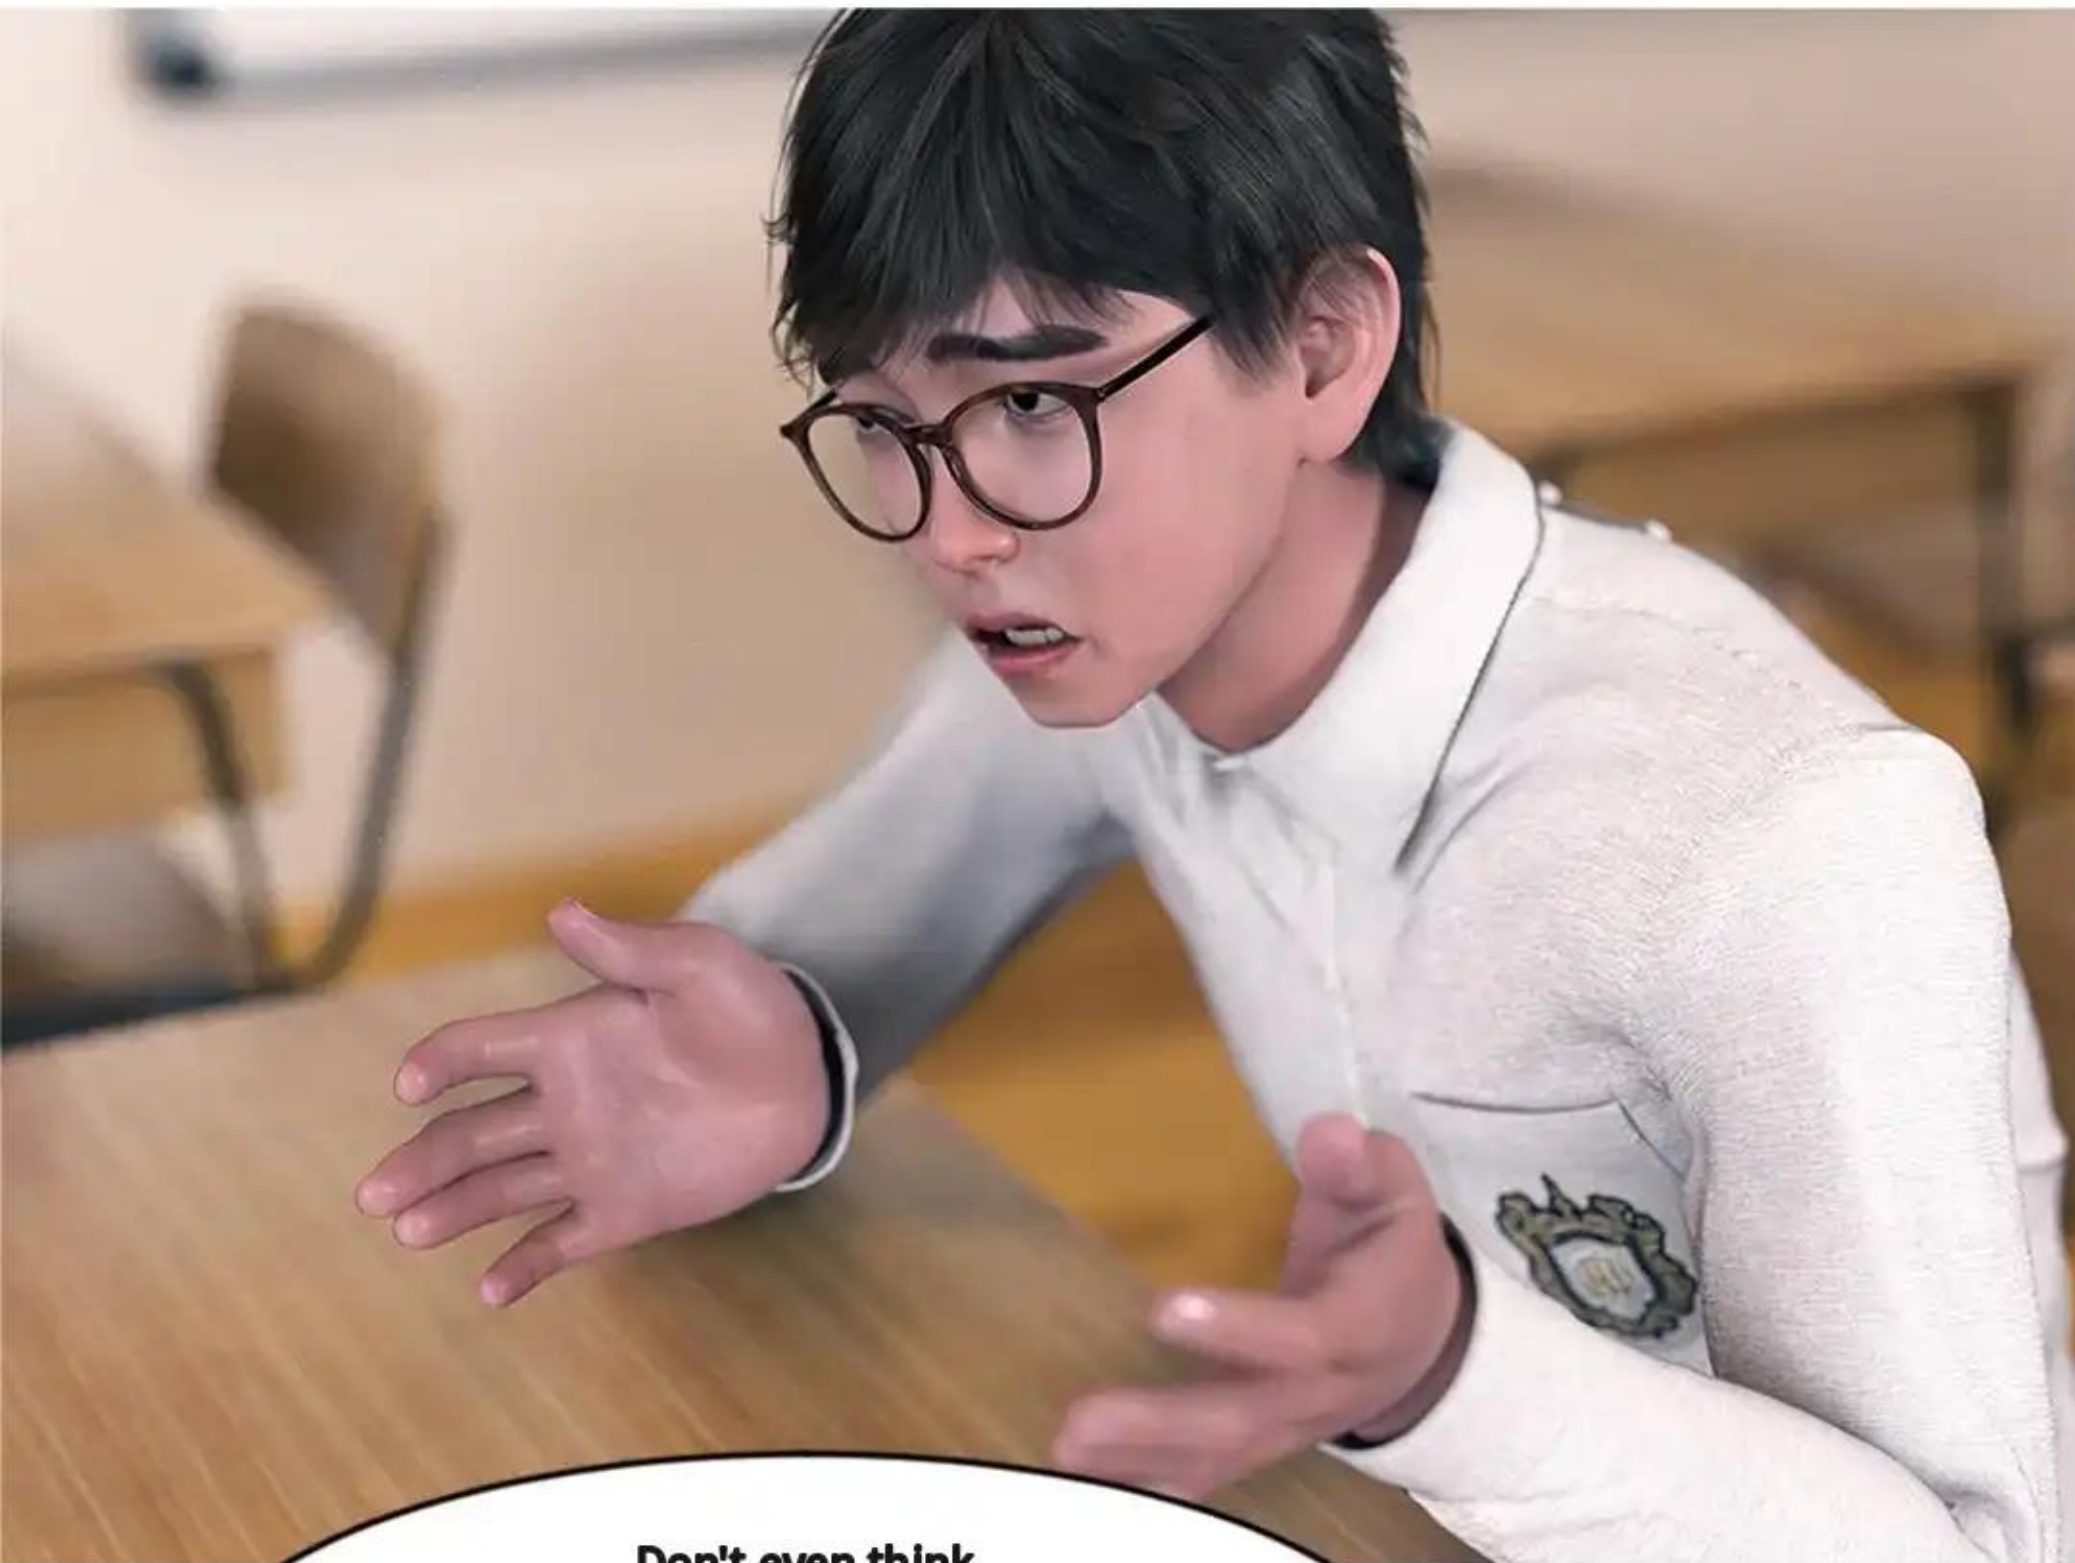

, Why do I need to run away like a wolf! If it weren't for you two against one,

**It doesn't matter, just
wait for me, I will definitely
find an opportunity to repay
this hatred twice as
much!**

It's like he's watching us from some dark place! I feel so worried, ugh...when I think of that Brother Yong,

Don't even think about escaping again, I will definitely catch him! What are you worried about? If he dares to appear in front of me,

How could he be allowed to run away? Also, if you hadn't lost your chain that day,

Please, do you know how many times I got fucked by him in the room? It still hurts when I think about it!

Just worry less, Mr. Butler! There is no one who can guard against thieves in a thousand days. People say that you can only be a thief in a thousand days.

How about stopping by to buy something to eat? How about we go to your house?

When did we agree? Wait, why are you going to my house?

You don't want to do anything to my mother again, do you? I'm warning you, don't try to use your brain! And my sister is at home on vacation recently, so you don't have a chance, you know? We had a hard time erasing the memory of her being turned into skin.

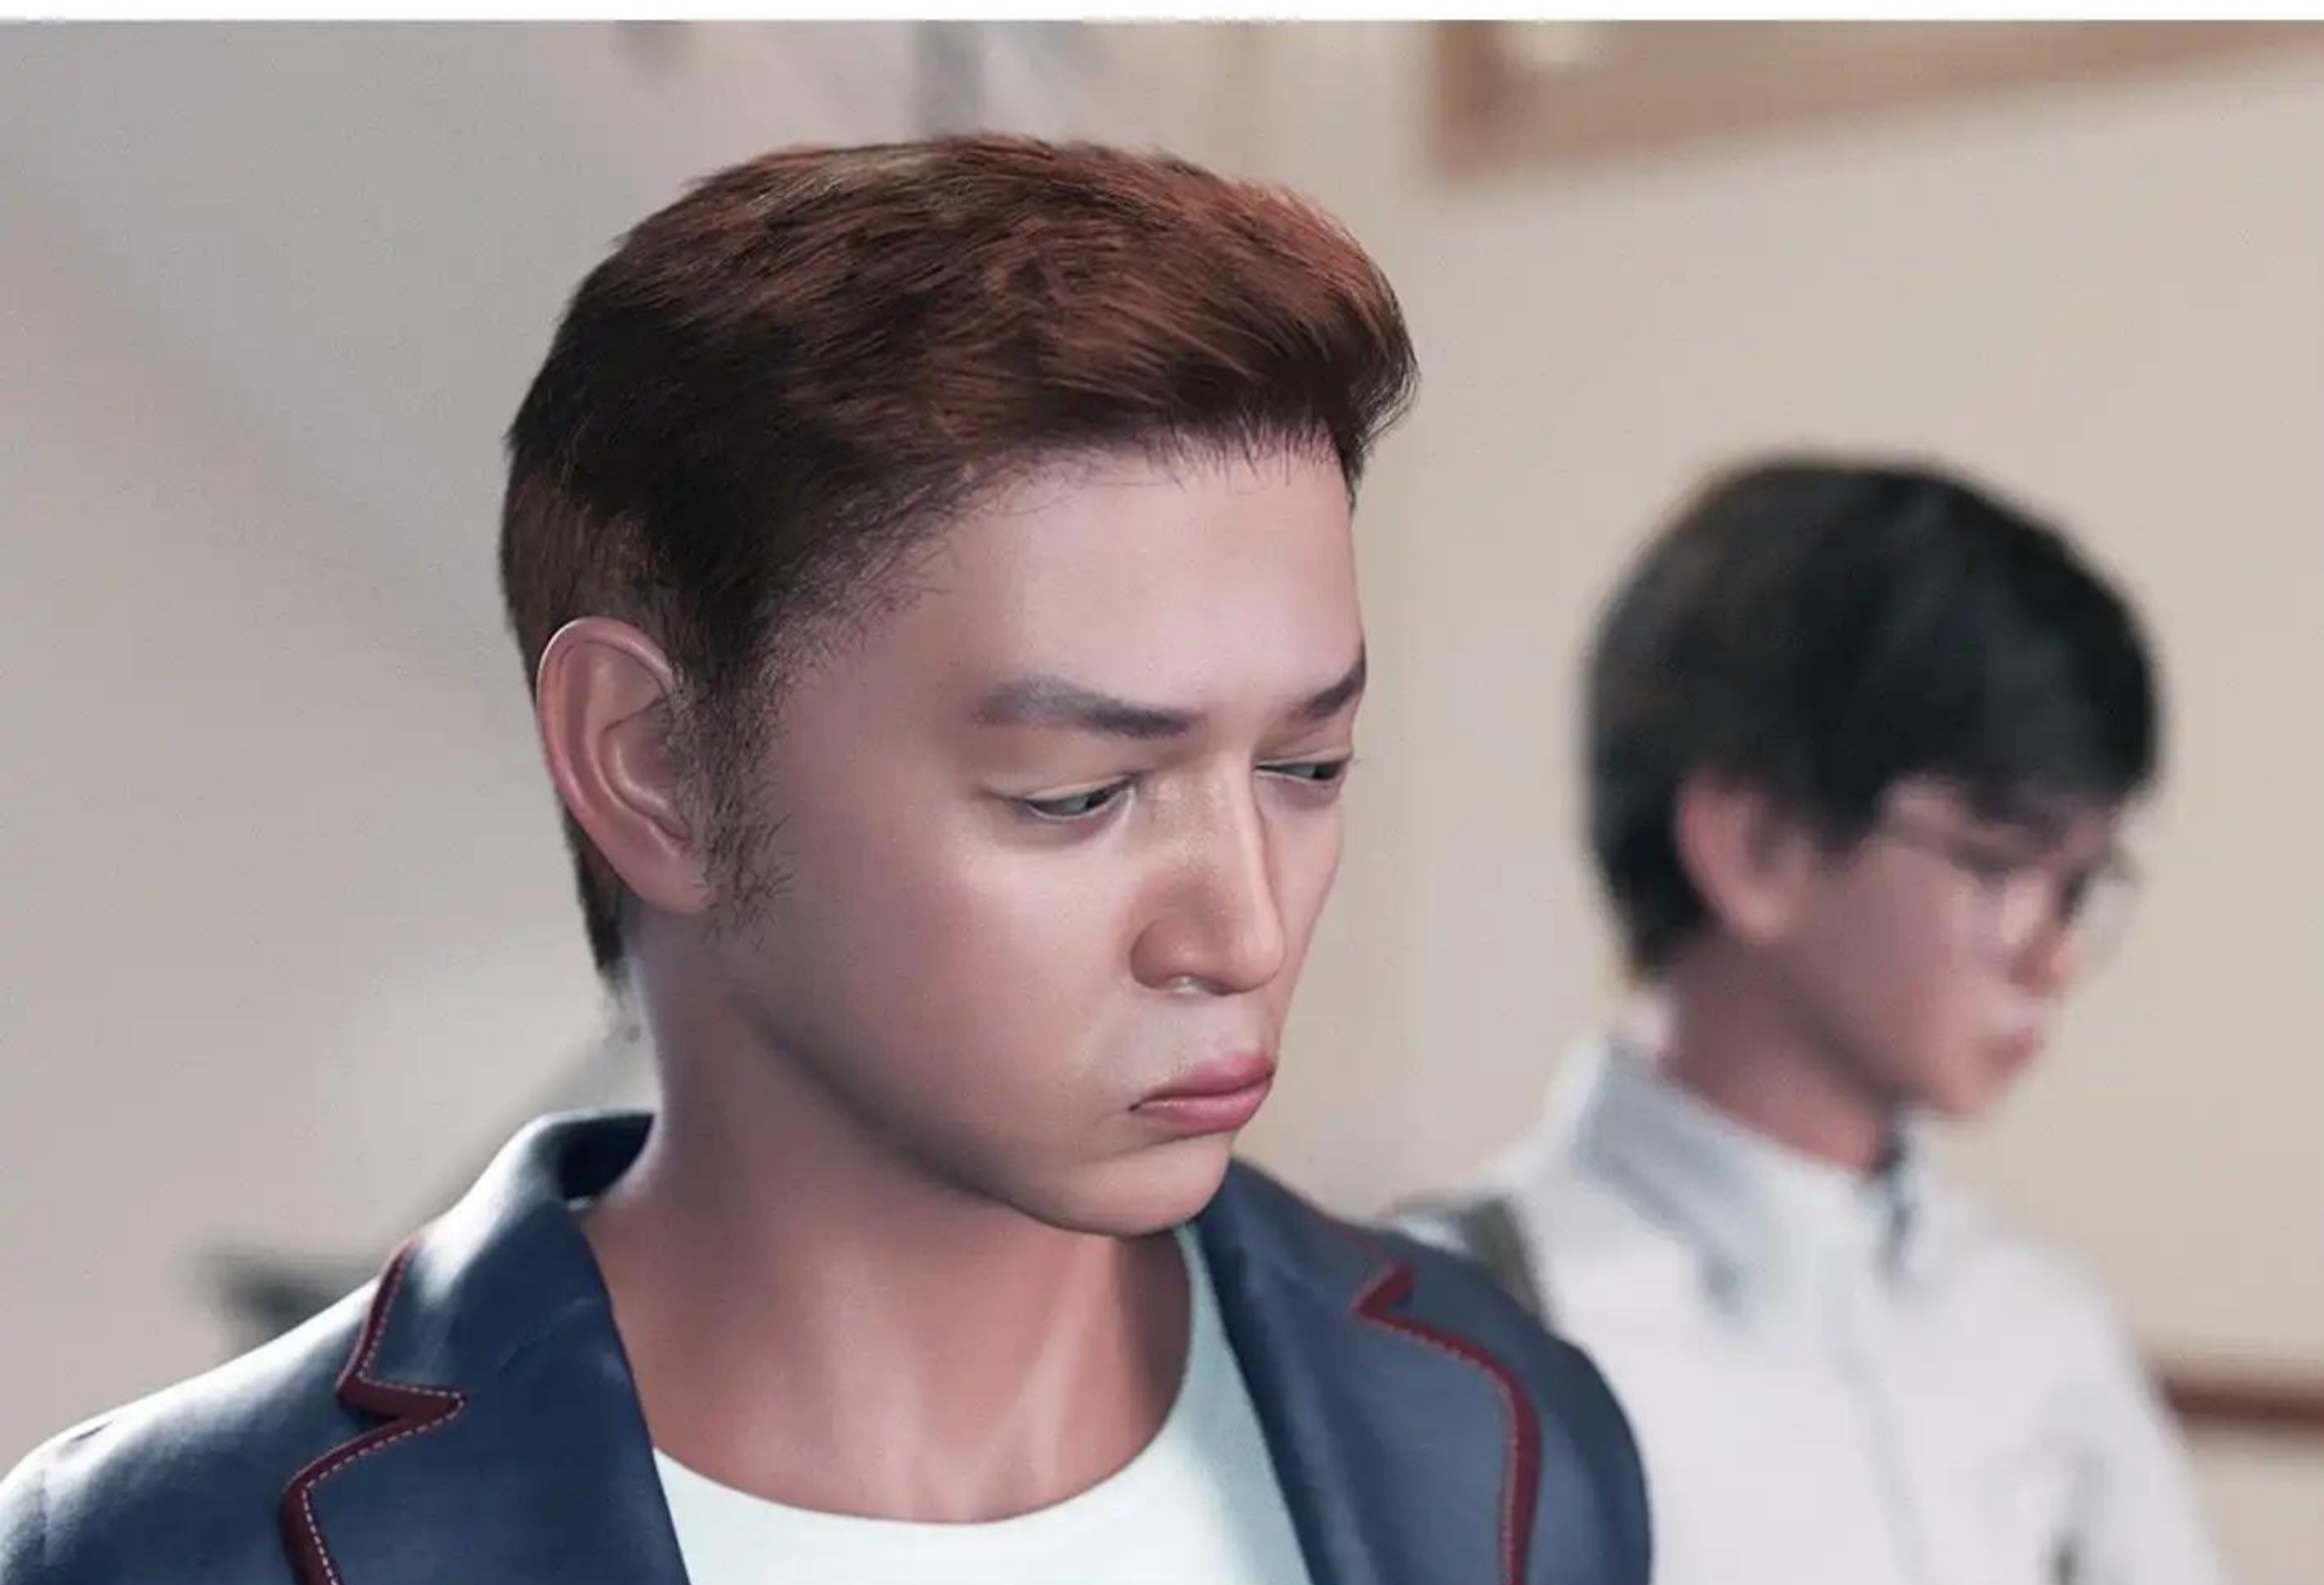

Where did you think you were going? Didn't I leave the leather gun at your house? I have to go get it back, right? We were doing it for convenience, so why don't we be so suspicious?

...Okay, you just have to get out after you get the leather gun! Otherwise, my mother will definitely be unhappy when she sees you when she comes back from get off work, and you are not allowed to talk nonsense to my sister!

I know, I've worn your mother's skin so many times, what a good classmate! Anyway, I am not the kind of good student that my parents like. How could I not know?

**Yes, yes,
you are
right.**

**I am the most
loyal, right? Something
really happened, but in
the final analysis,**

**after
school**

I'll bring my
classmates back!
Sister, I'm back,

But this seems to be the first time for such a serious visit! Hehe, although I am already very familiar with your home

You also know that you are not serious? Wait until you get the leather gun and leave quickly!

You have to let me say hello to my sister! Oh, it's not like I've never seen it before,

"You" have never seen her, so don't lie! That's my sister, and don't forget, as my classmate,

A woman with long, straight blonde hair and bangs is the central figure. She is wearing a black, backless, spaghetti-strap top with thin black ties around her waist, and a matching black, high-waisted, short skirt with a ruffled hem and thin black ties at the bottom. She is also wearing black, lace-up, high-heeled boots. She is standing in a bar or restaurant setting, with a wooden floor and a blurred background of bar stools and a window. A speech bubble is positioned above her head, containing text.

It's rare to see
you bring your
classmates back! My
brother is back,

**My name is Shao
Yuchen, just call me
Lao Shao! Hee hee,
hello Zhou Ming's
sister**

**Leave
him alone,
he will
leave
soon...!**

you!
Sister, how
could she? ...

This guy is super awesome, he's an English teacher! This is Monica, a new friend I met today, and I would like to introduce you to her.

Haha, the two brothers "met" for the first time, hello!

But he didn't expect that he would actually find his home and his sister? What should I do? Even though I know he won't let him go...why is he here?

You actually chased someone into your home, damn it! Damn, it's really haunting.

You guys sit down first and I'll prepare some refreshments! It's rare to have so many guests at home,

OK, I also want to have a good chat with my two brothers!

Do you think it's possible for me to let you two off so easily? How dare you plot against me in the hotel? do what? Of course it's for debt collection! You two brats just want to take over my pistol.

If we really want to talk about it, you want to use force on me, right? It's hard to say whether that leather gun belongs to you or not! And I see that you are not an inventor at all,

You must be all interested in hearing my story, right? Heh, so you just don't want to return the leather gun? OK, I believe that whether it is your mother or your sister,

**It's not like it's
non-negotiable!
Wait, you, don't be
impulsive,**

**Let's see who
will believe him!
Discuss what? If he
wants to say it, go
ahead and say it,**

Do you think she believes it or not? Wait until I take off this human skin with my own hands in front of your sister, Look, you still haven't returned my leather gun! Besides, you should know that I don't just have this human skin, I will come up with other ways to cause trouble for you when the time comes.

I'll just give you
the leather gun!
Come with me.

Lao Zhou!
Don't be
fooled by
him!

Well, the leather gun you want is right here!

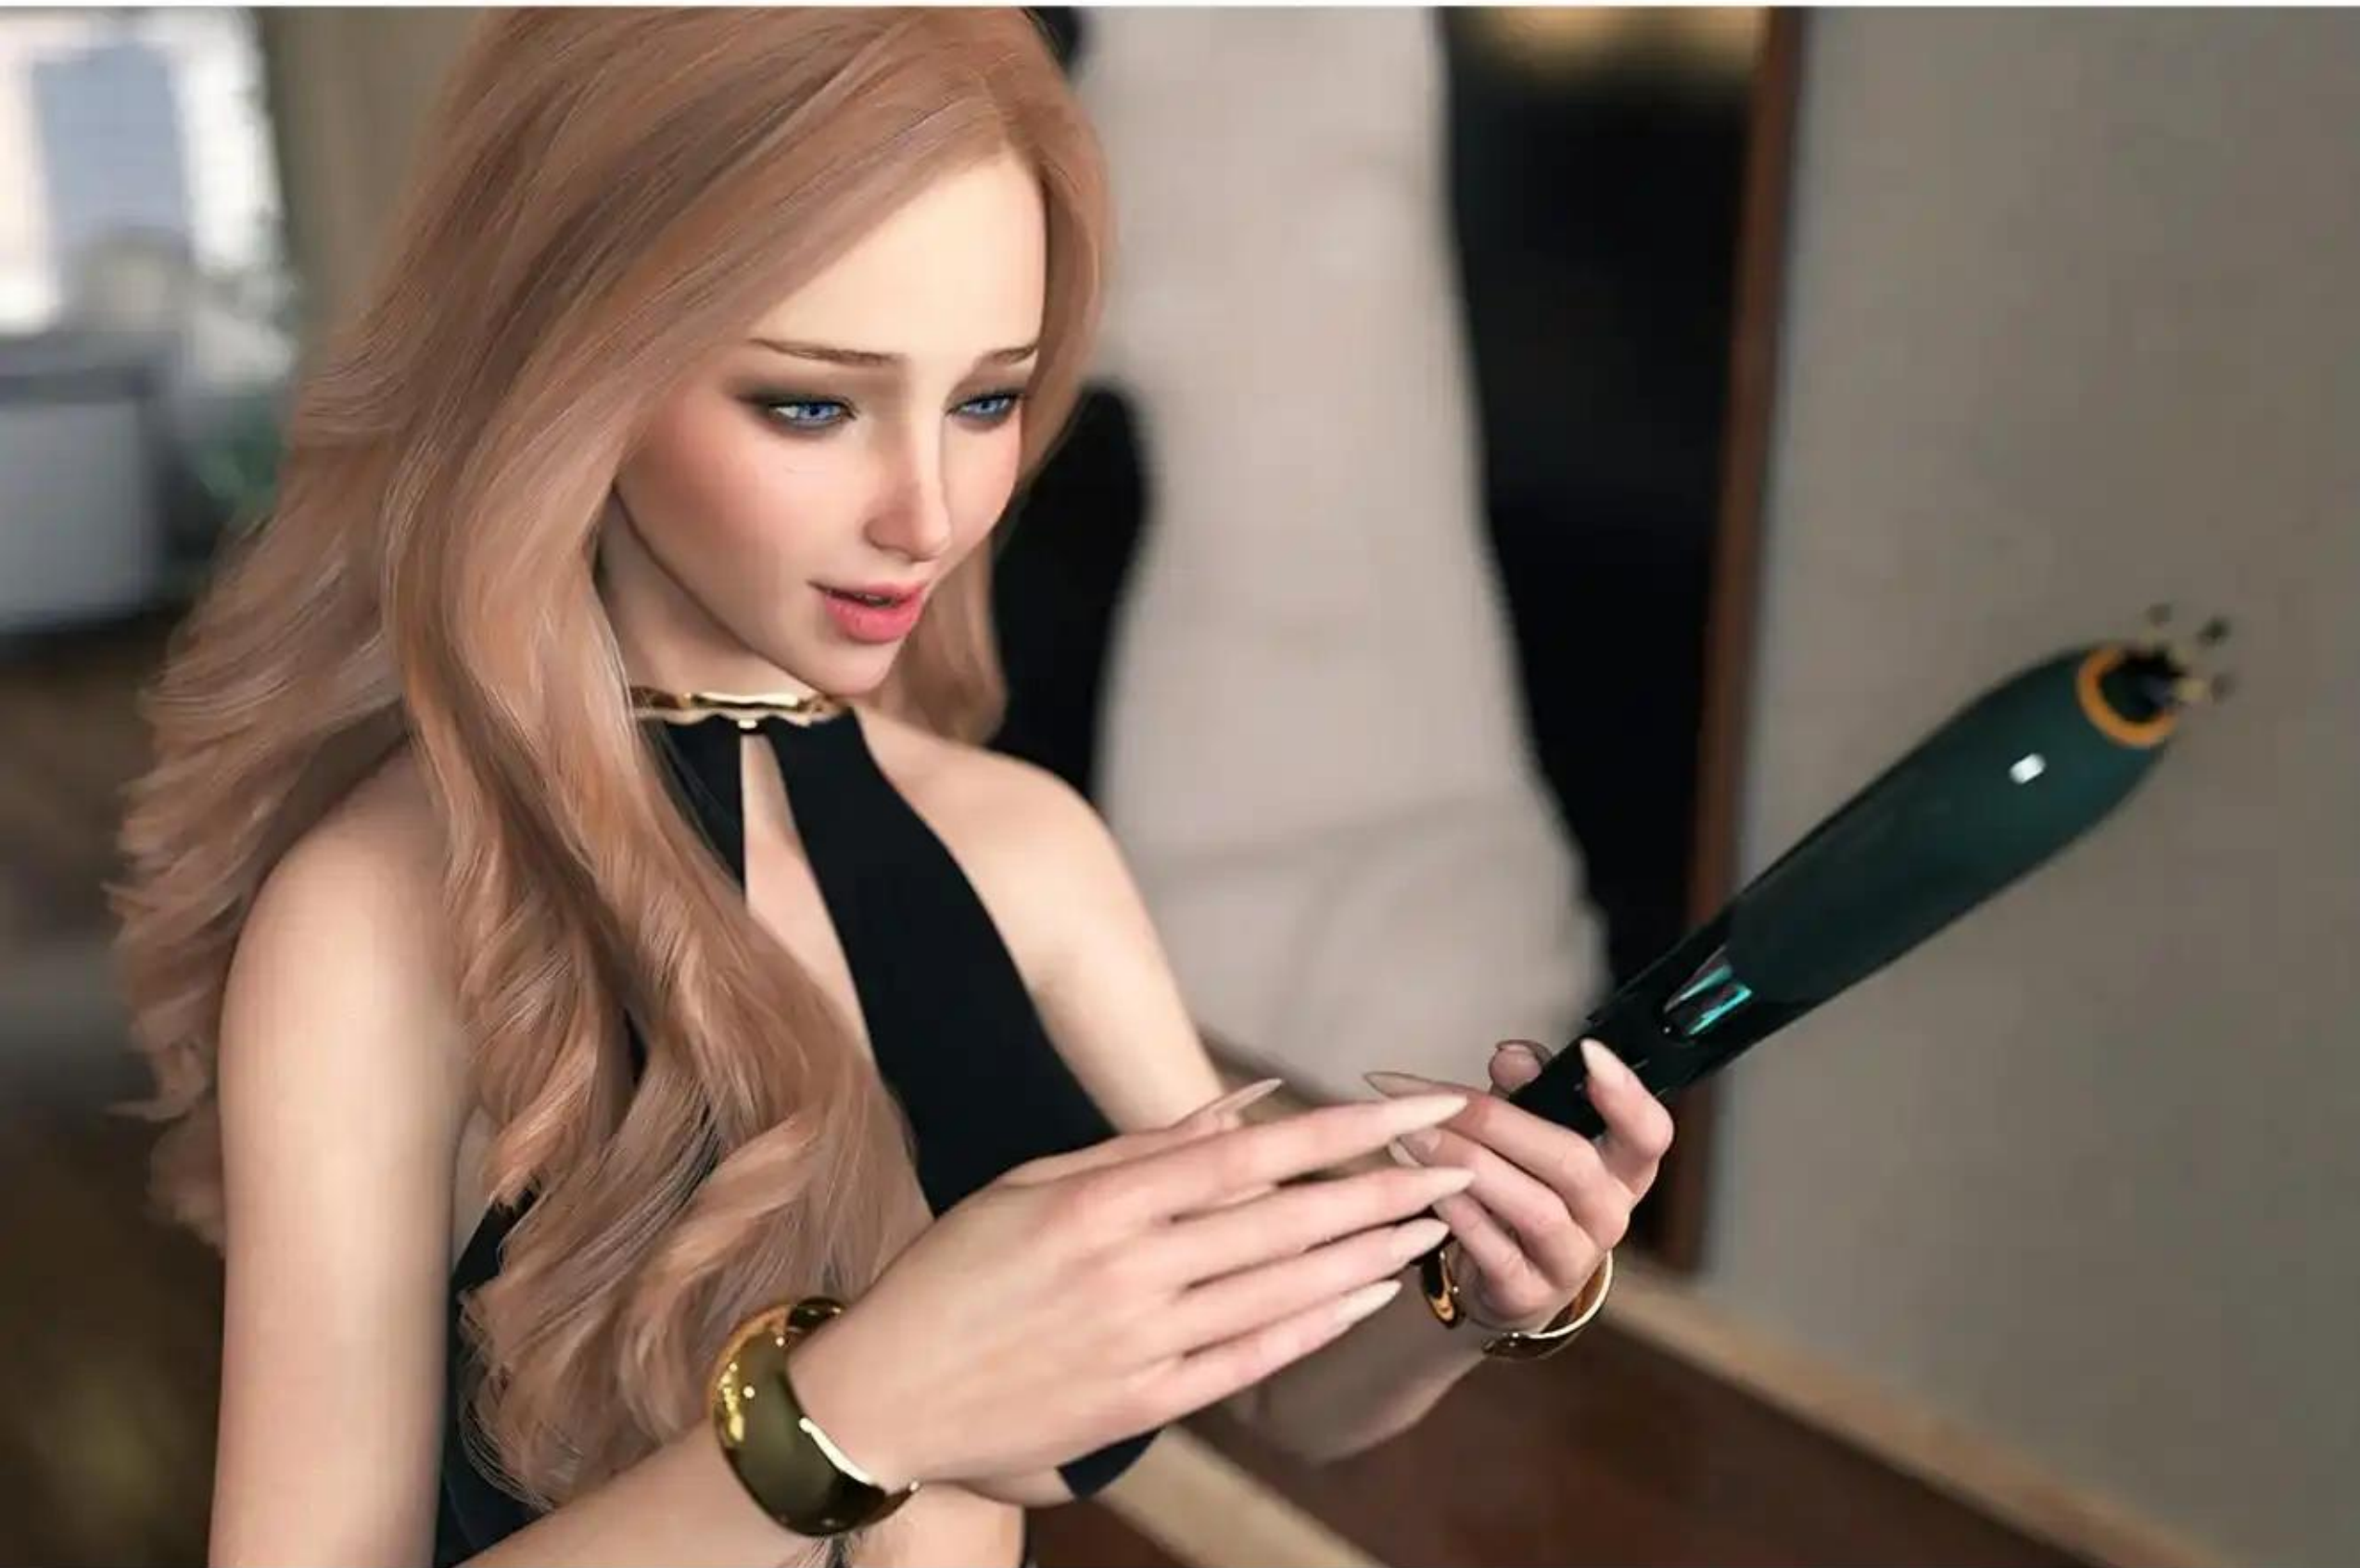

Don't you dare cause trouble for us two and our families again! ... Let's make an agreement first, I'll give you the leather gun, and we'll settle our grudges.

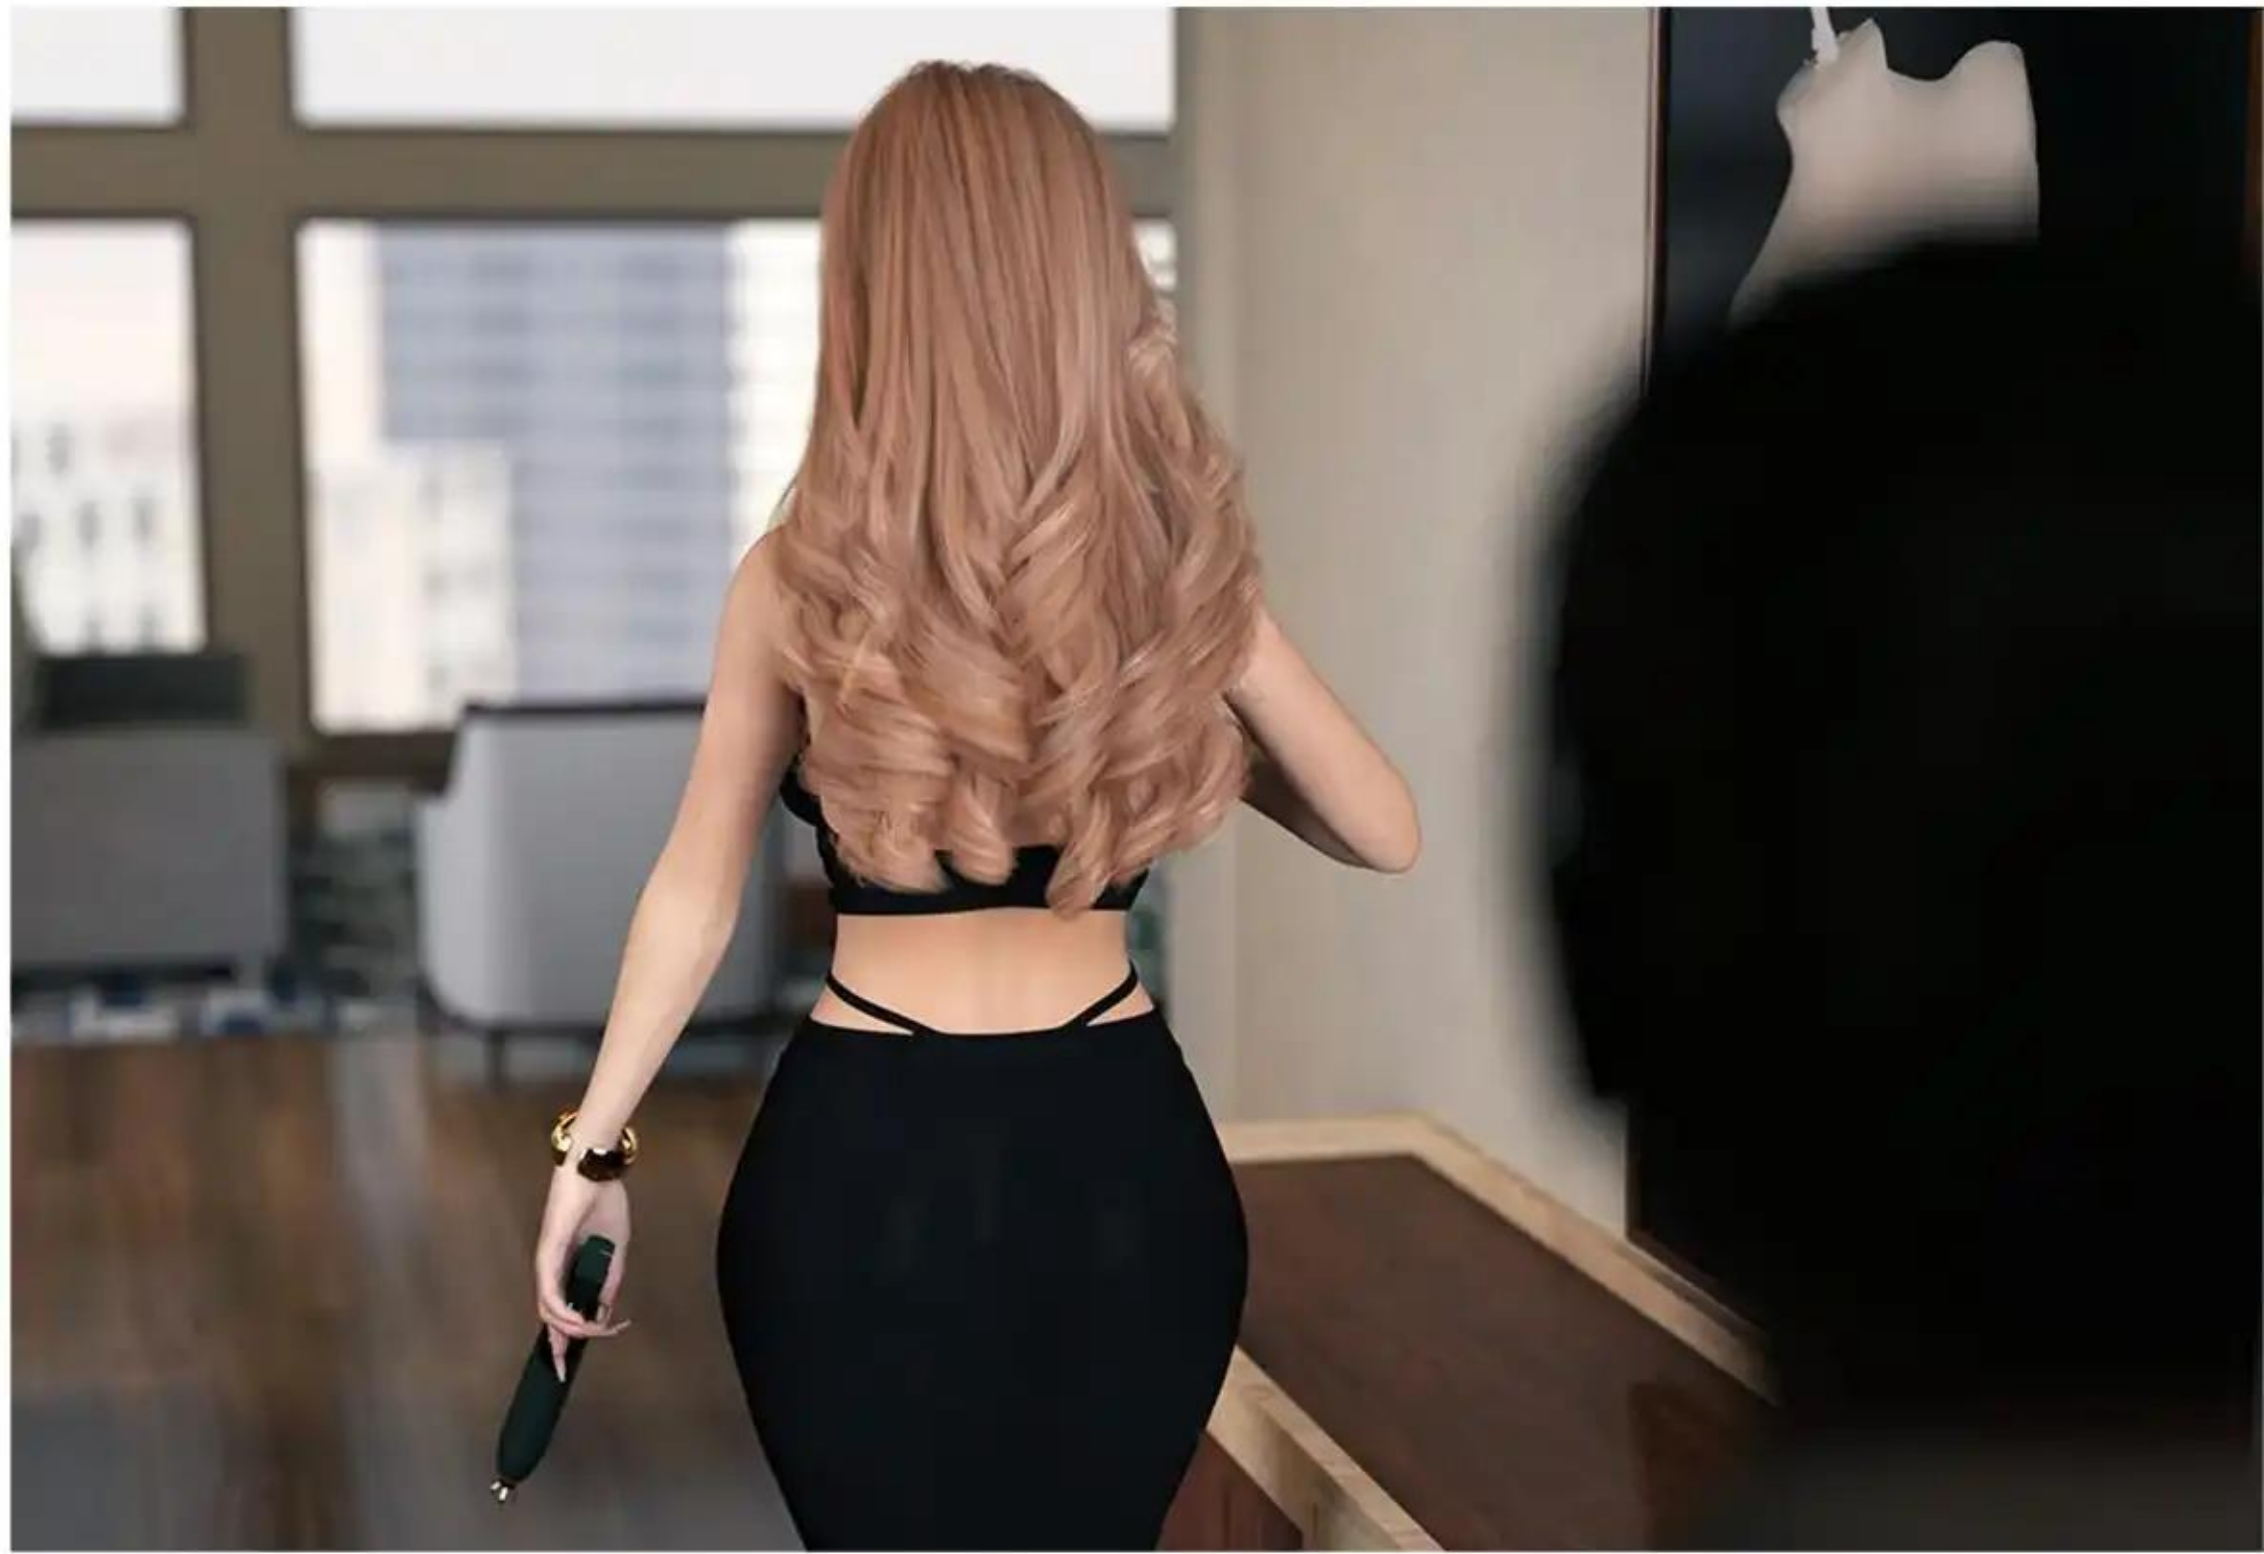

You know, I'm different from you two naughty kids, I'm very trustworthy!

You are finally back in my hands again~ Haha, my precious leather gun,

**Then it's time for
me to say goodbye to
your sister! Now that I
have the leather gun**

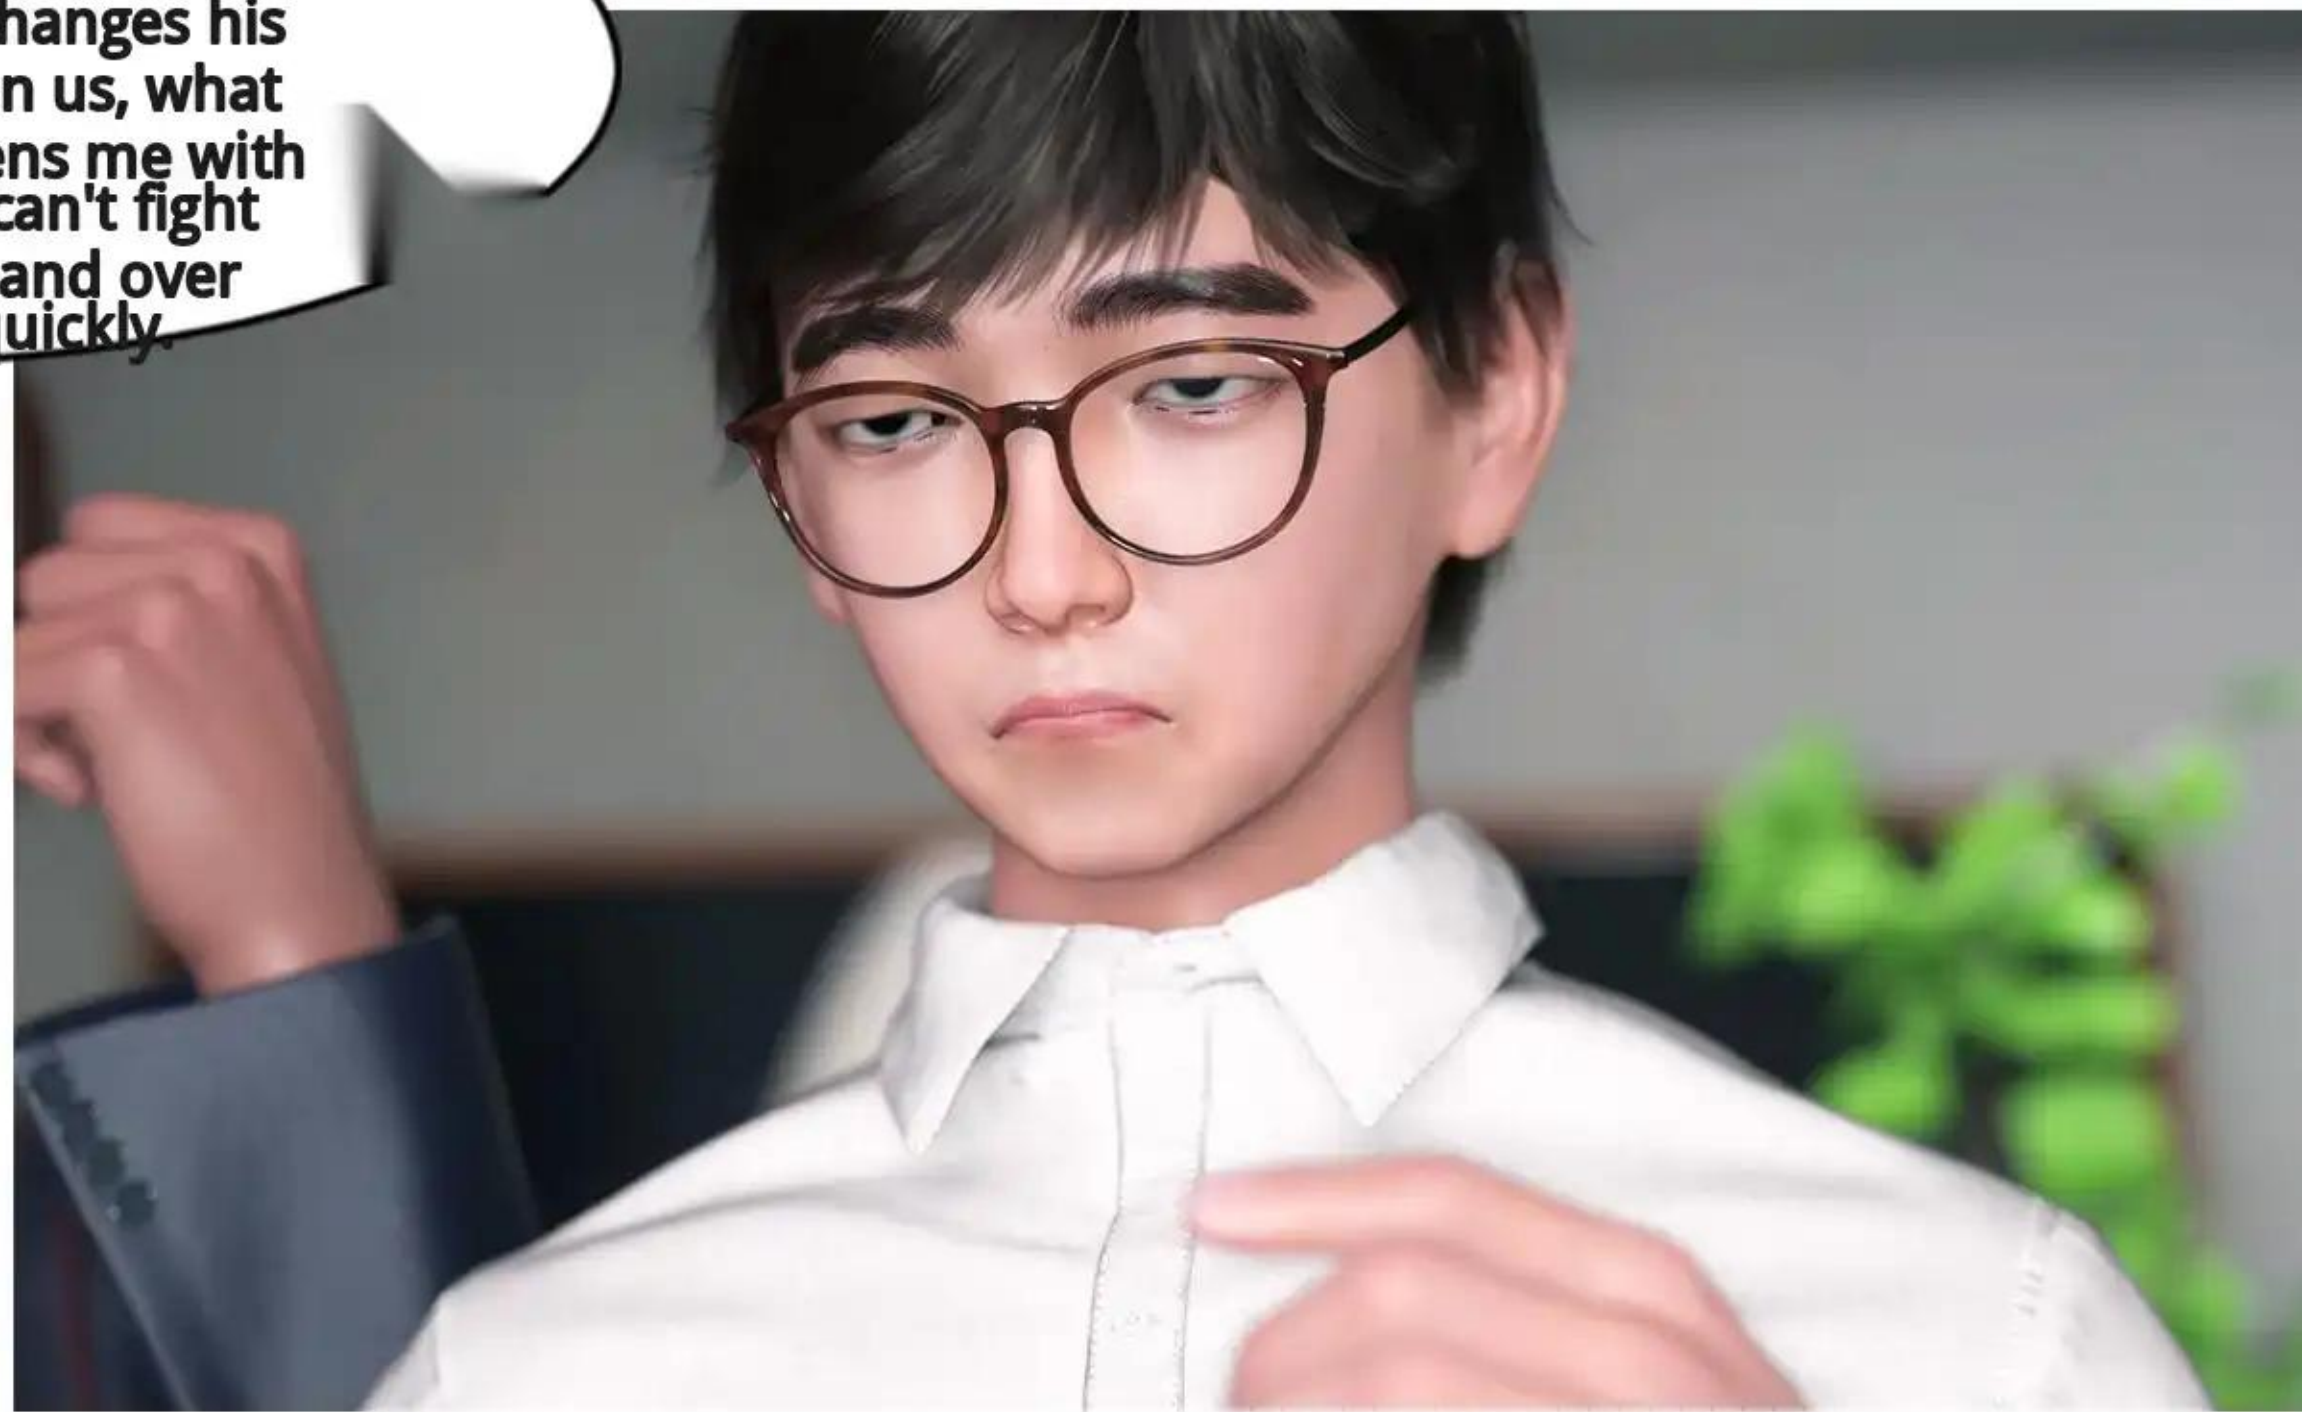

He actually took it away! Leather gun...my leather gun!

Deal with him once and for all! You should have just shot him with a gun. I said, Lao Zhou, you were too obedient.

What happened right now is just a dream... Besides, if he really changes his skin and sneaks up on us, what can I do? If he threatens me with my family, then we can't fight him! It's better to hand over the leather gun quickly.

What happened?
What's the matter,
sister?

sister!
!!!

But it seems
that I am still not
unfamiliar! Haha,
although I haven't
used this leather
gun for a while

How could you
attack my sister!
you! You actually,
didn't we agree

Come
on, come
on, turn my
sister
back!

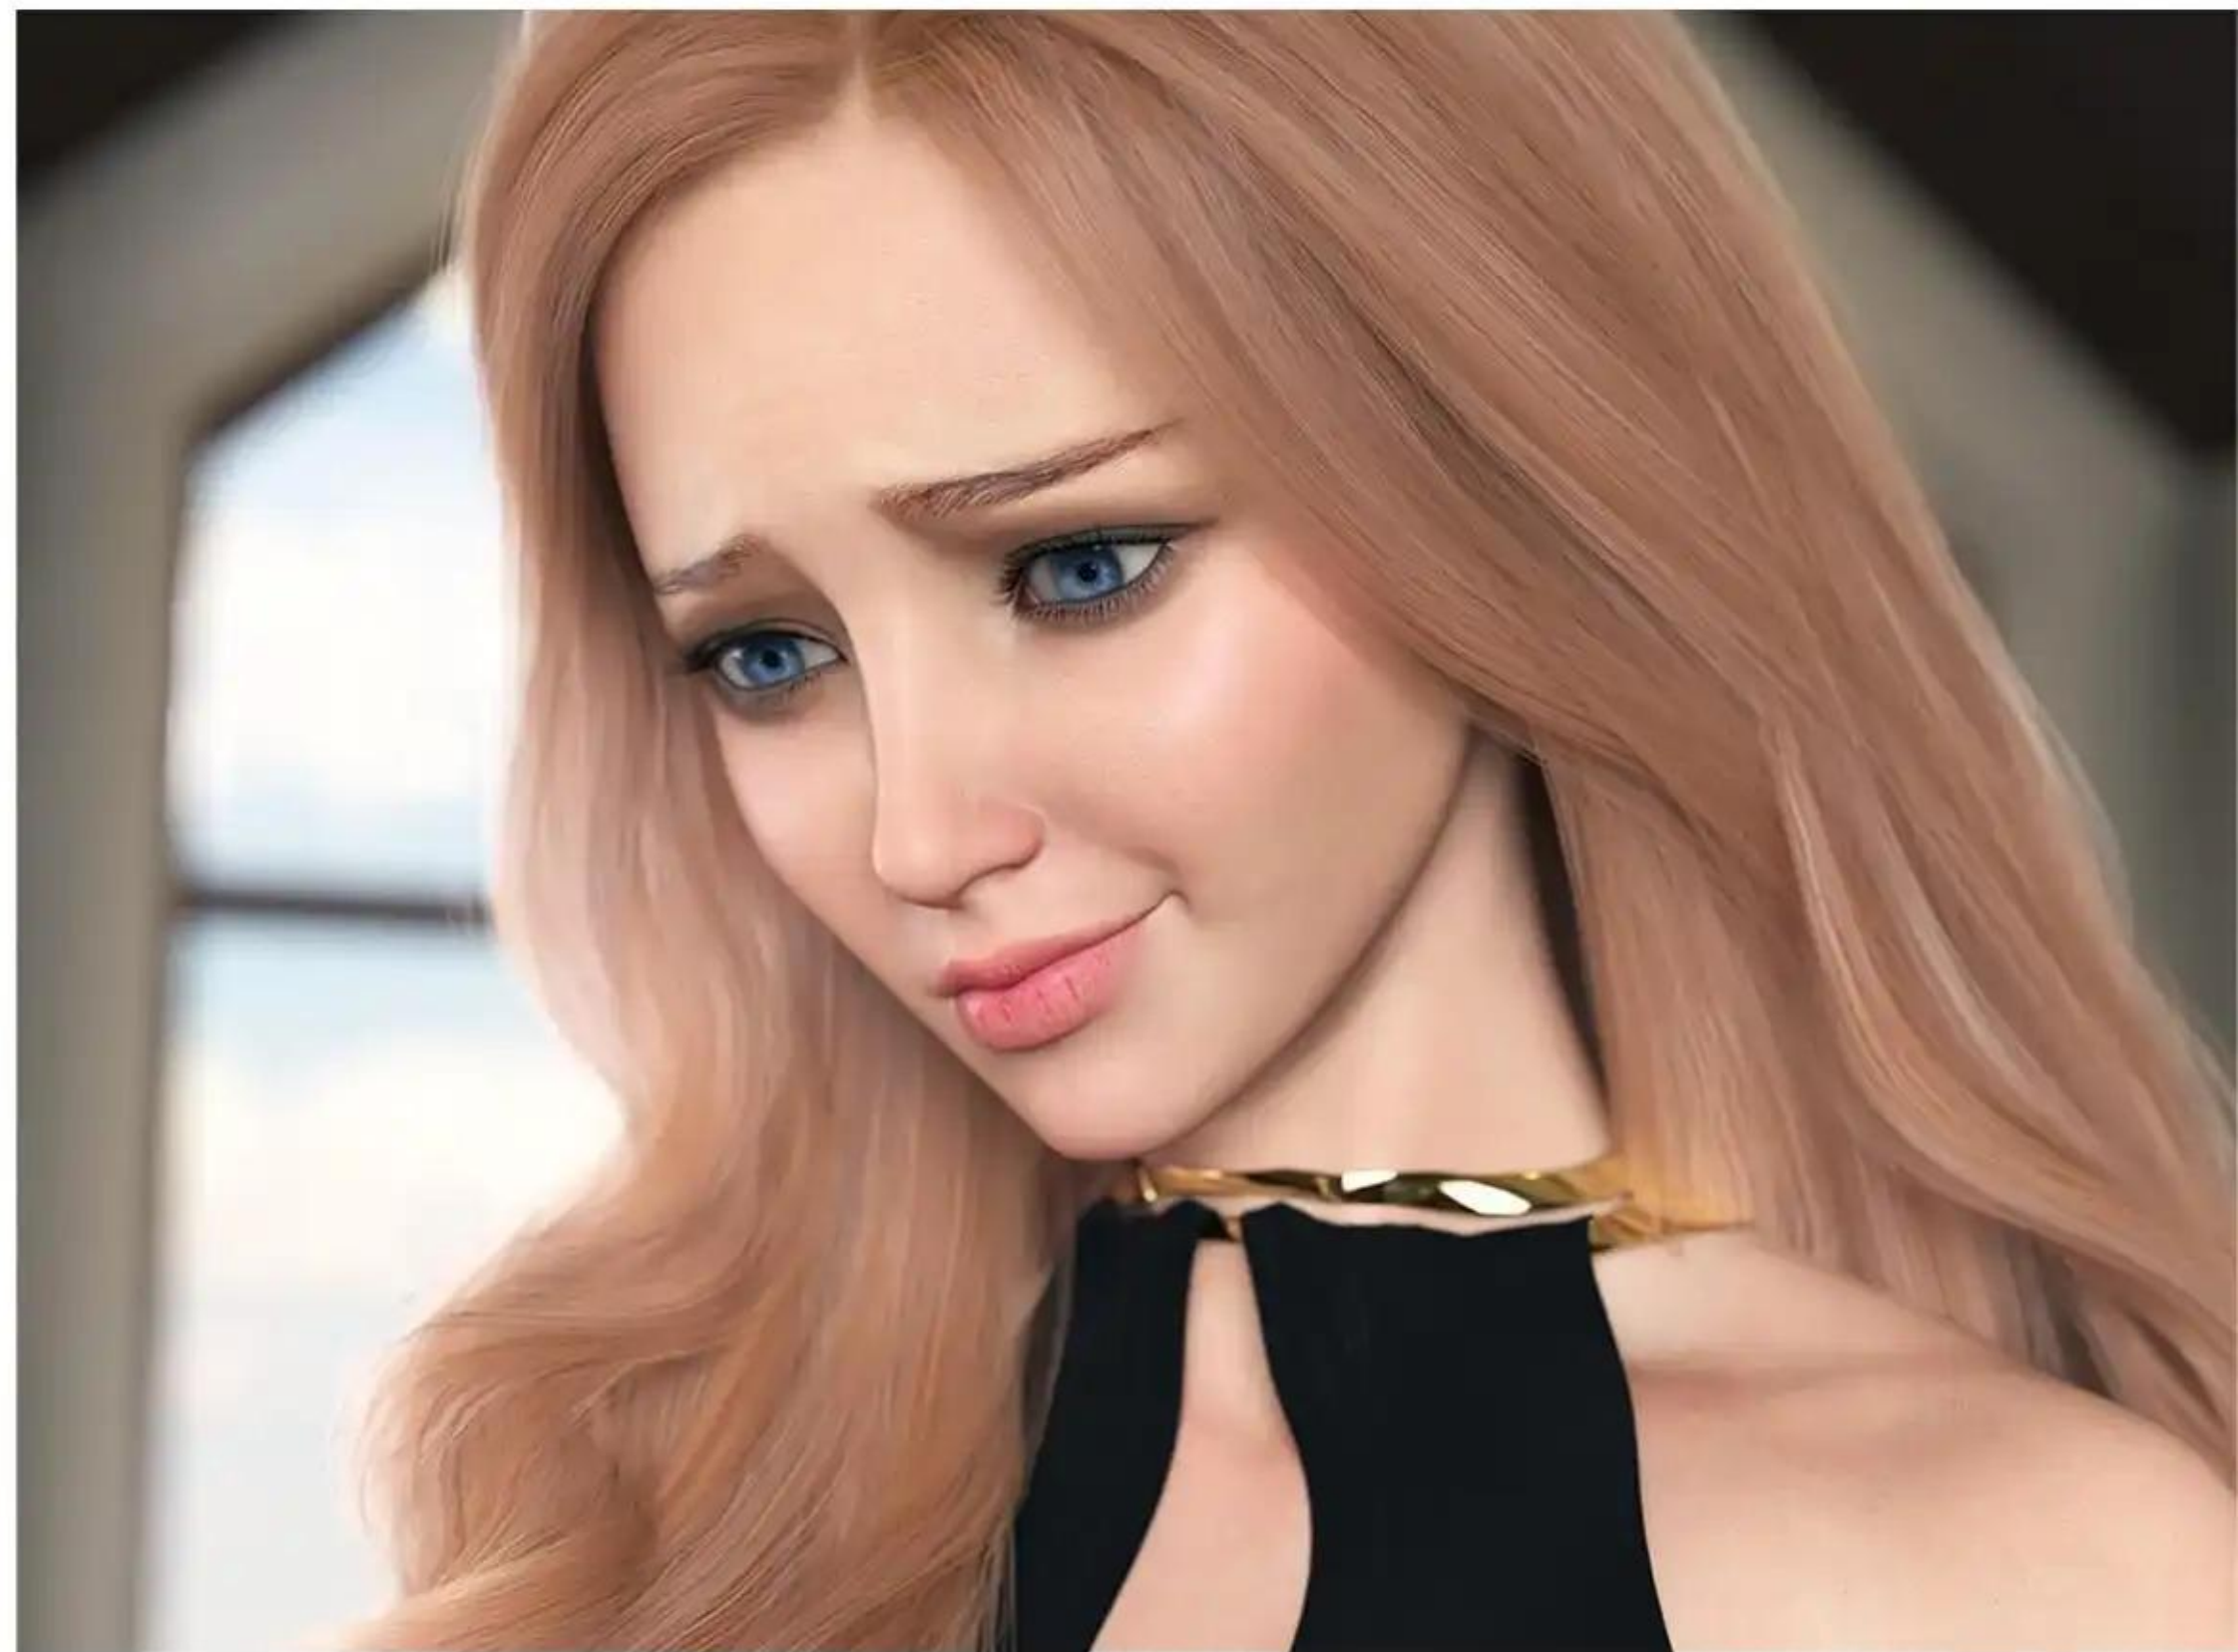

Just wait to be
turned into skin by
me! Who dares to
act rashly, stop! I
warn you,

It's a breach of contract if it's written in black and white, not to mention that we only made a verbal agreement? So it's just naive to call a brat

How could I let her go? I've long been tired of wearing this skin, and a little beauty like your sister is dazzling in front of me.

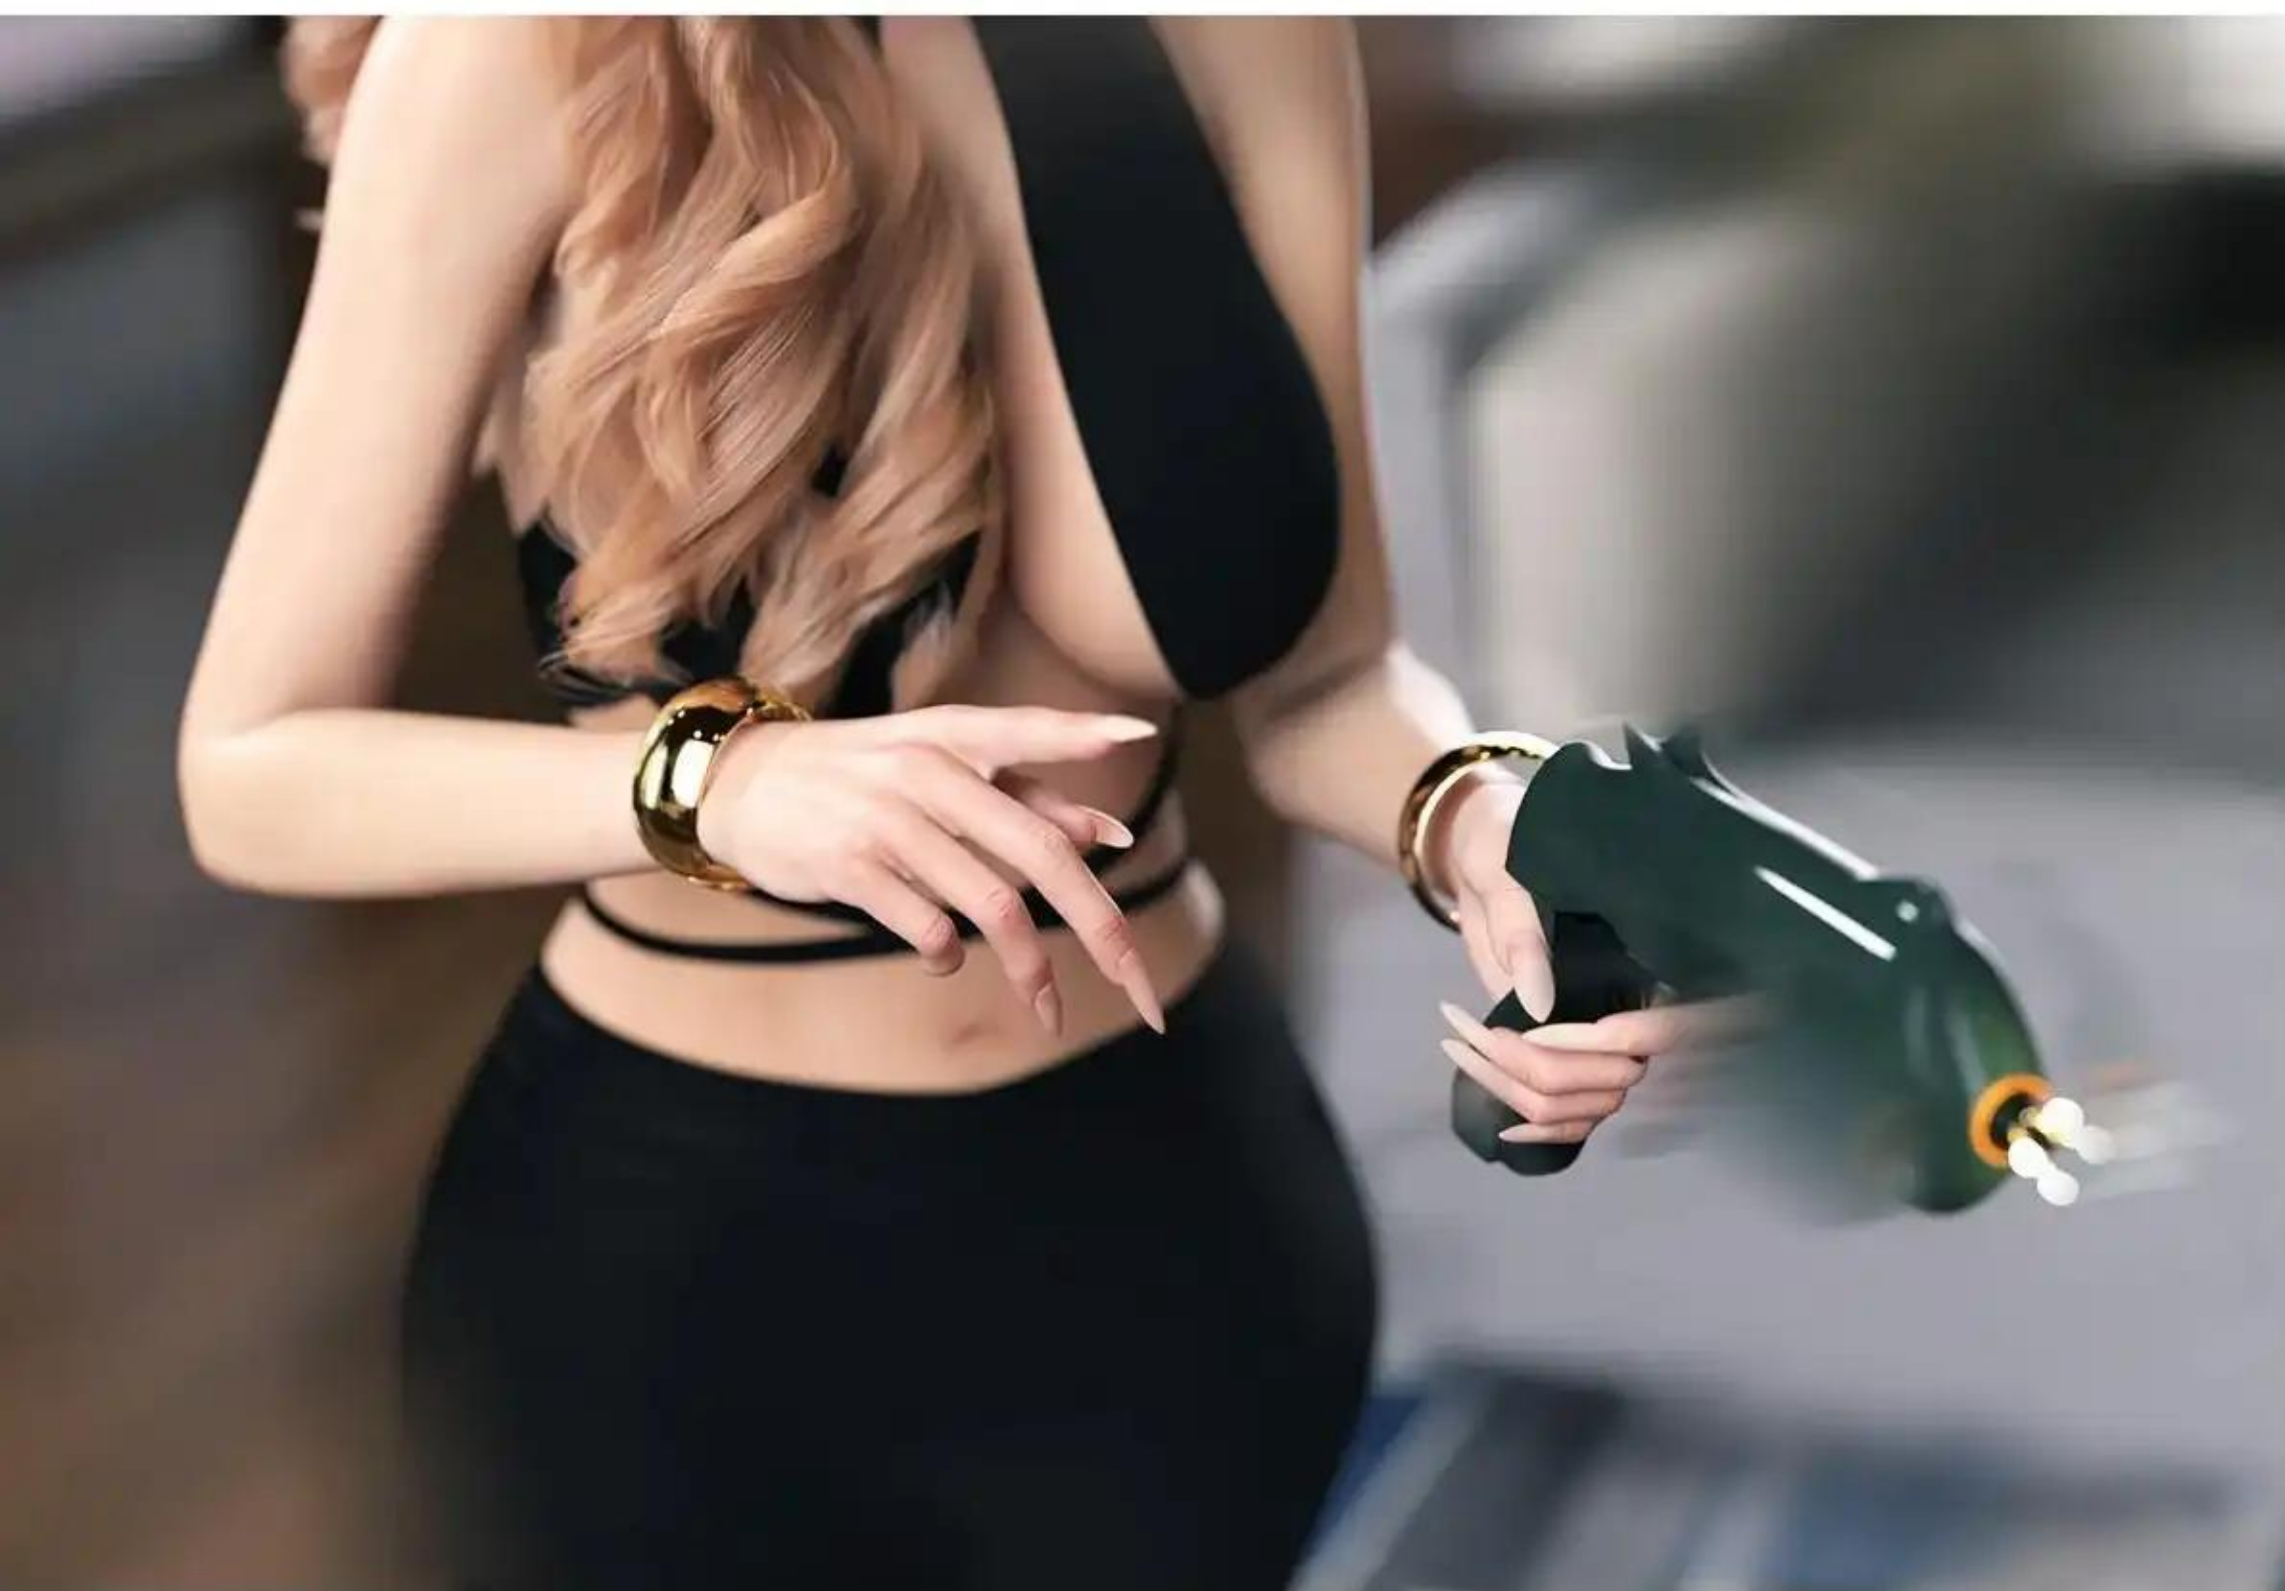

Sister...Mingming,
it was me who
harmed you! You,
you are a bad person
who doesn't mean
what you say,

So I have said it a
long time ago, this
person cannot be
trusted, damn it!

I don't want to be disturbed! If you don't want to be turned into a skin by me, just exit. Okay, stop talking nonsense. The next step is for me and your sister to have a happy time.

Don't blame me for being ruthless! I'll tell you the ugly thing in front of you. If anyone doesn't have an eye for me and comes over while I'm playing,

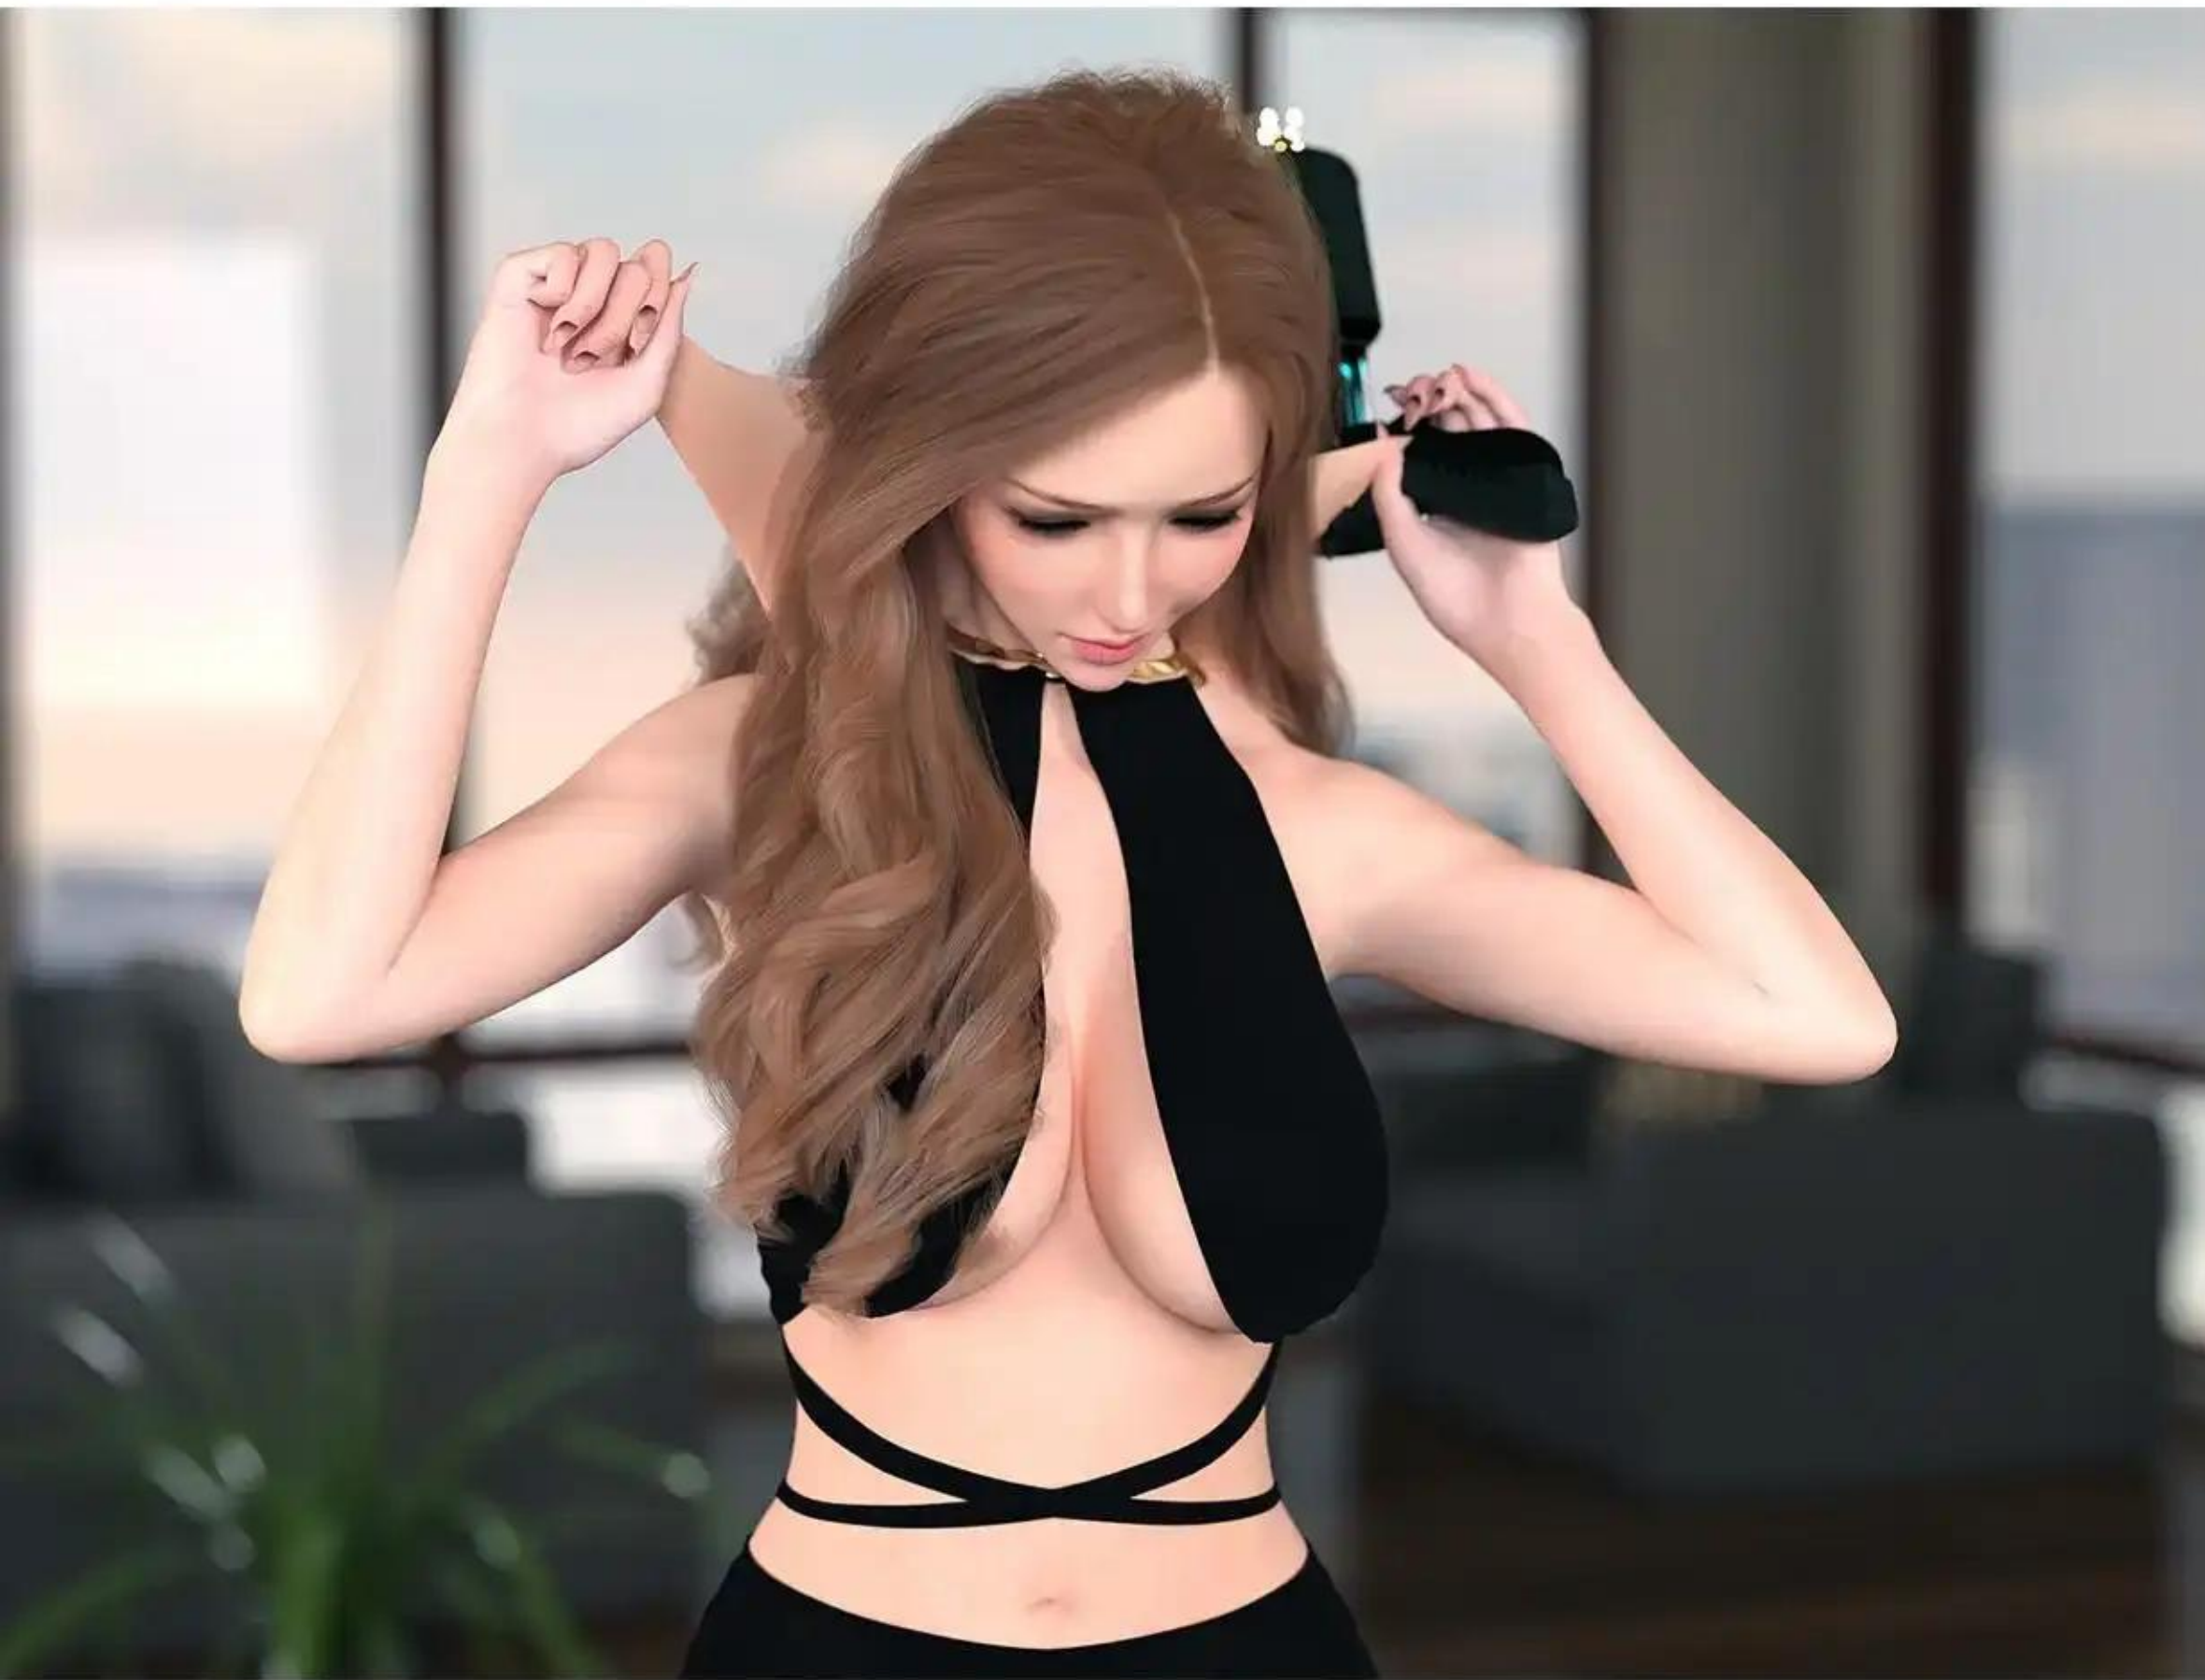

Damn it, this damn...

Just listen to him first! Okay, people have to bow their heads under the eaves,

There are new skins to wear!
Pheew...finally,

But it's time for a change! Although I like pretty foreign girls,

Haha...little
beauty, here I come!
Let's teach our
brother a lesson
together, hehe!

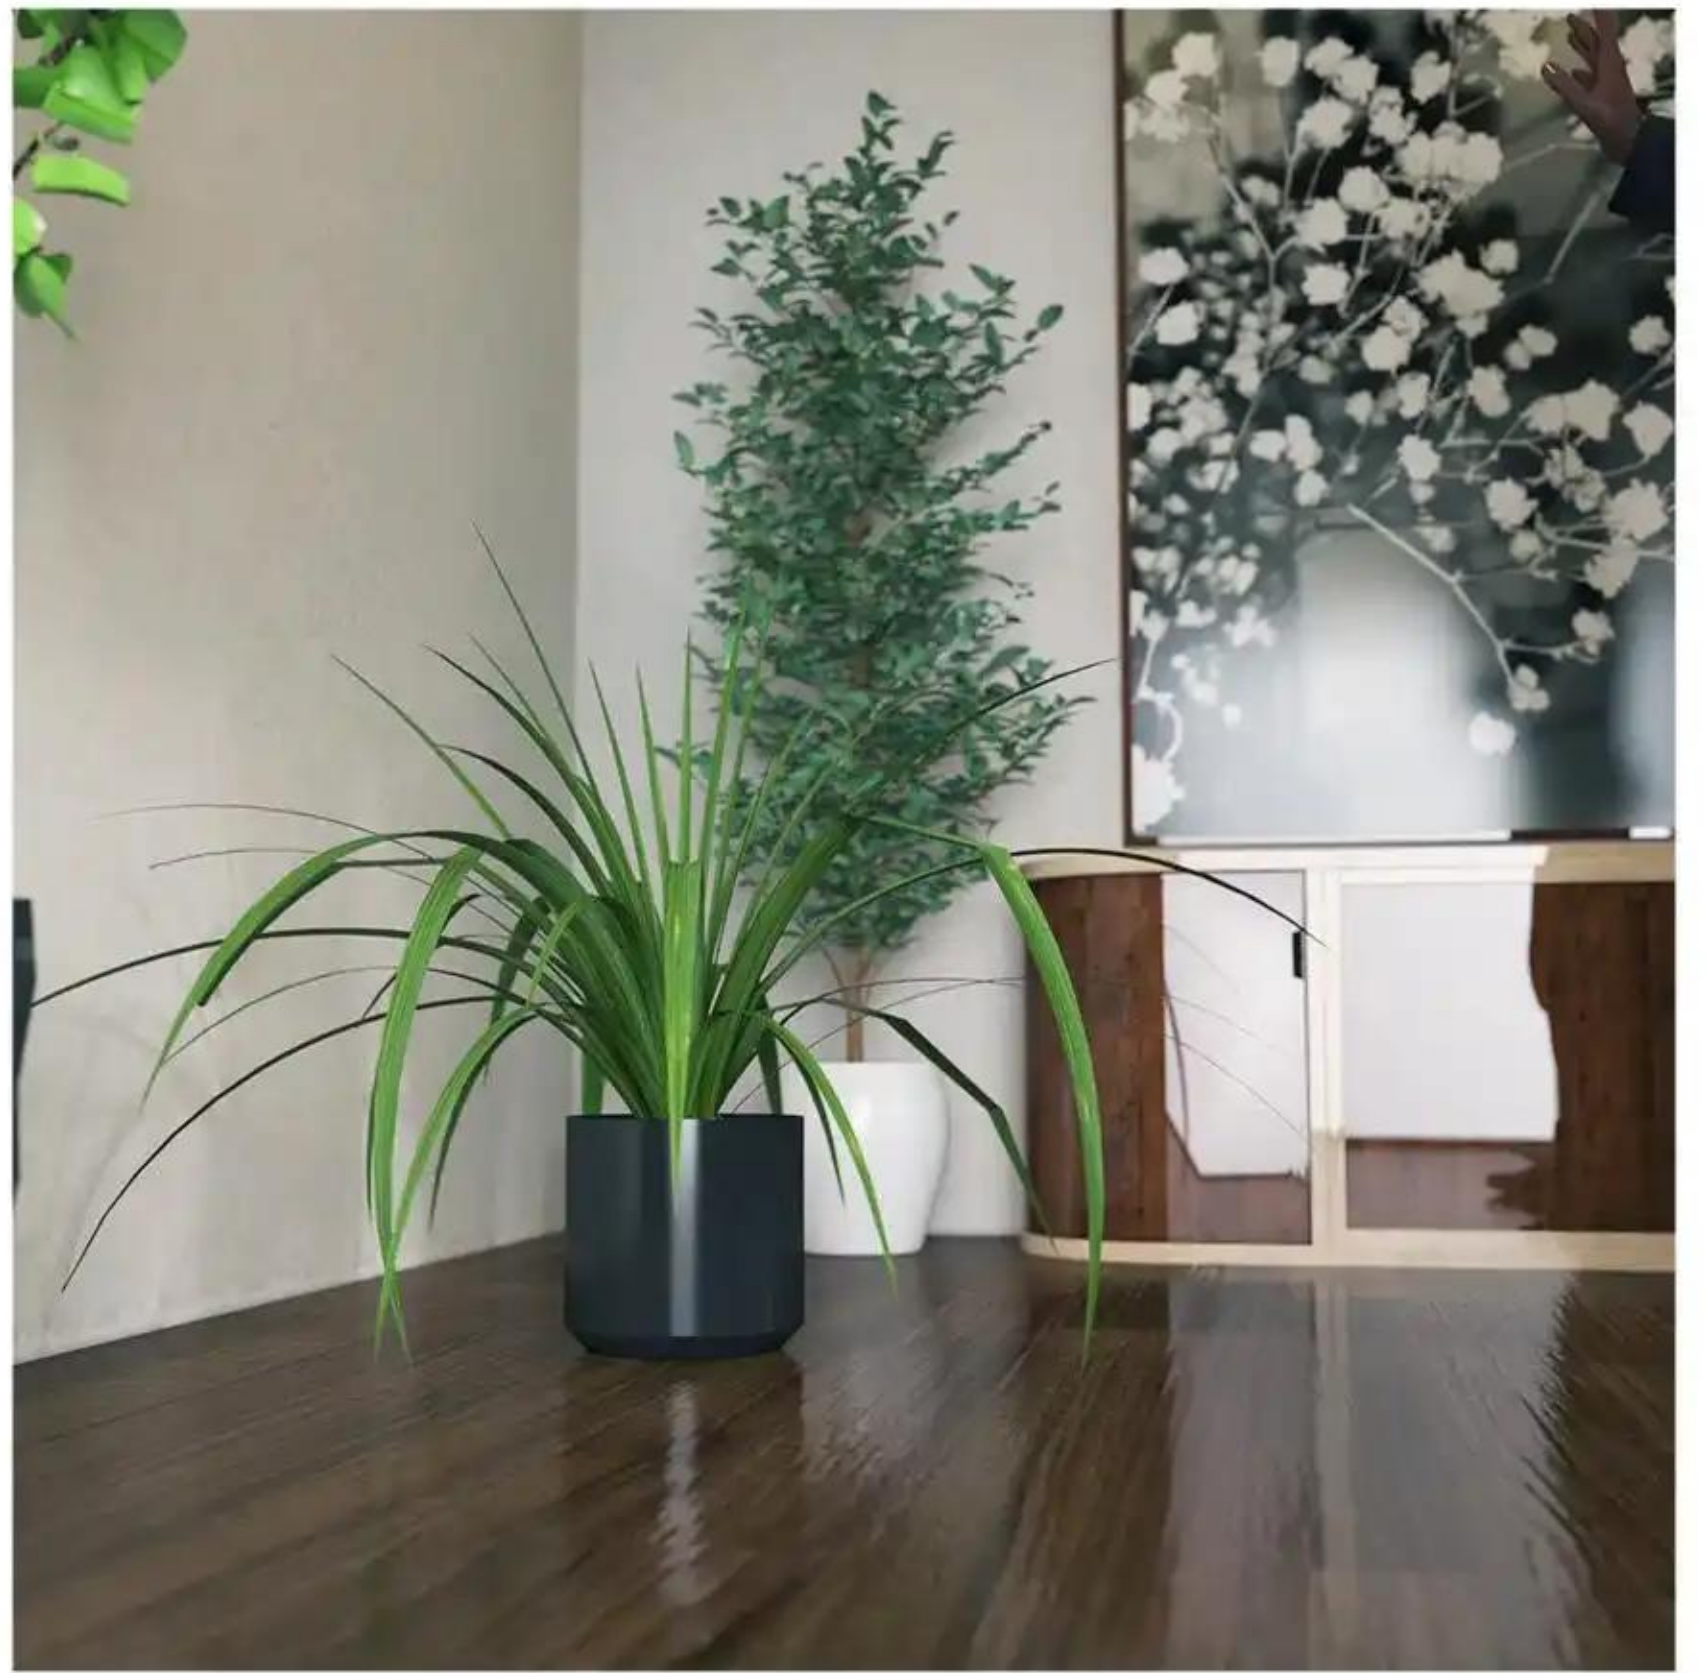

**.You say, what if
the two of us rushed
forward and snatched
the gun back?**

Can another person change the other person back after grabbing the leather gun, right? As long as you successfully grab the leather gun, even if one of them turns into skin,

But what if we both get turned into skin? The leather gun fires very quickly, and as far as my memory is concerned, the two of us combined are no match for his strange strength! Better think about it again

Hey, you
two, come
here!

Sister,
sister!

I am your sister
from today on! Right!
I've put on this little
beauty's skin

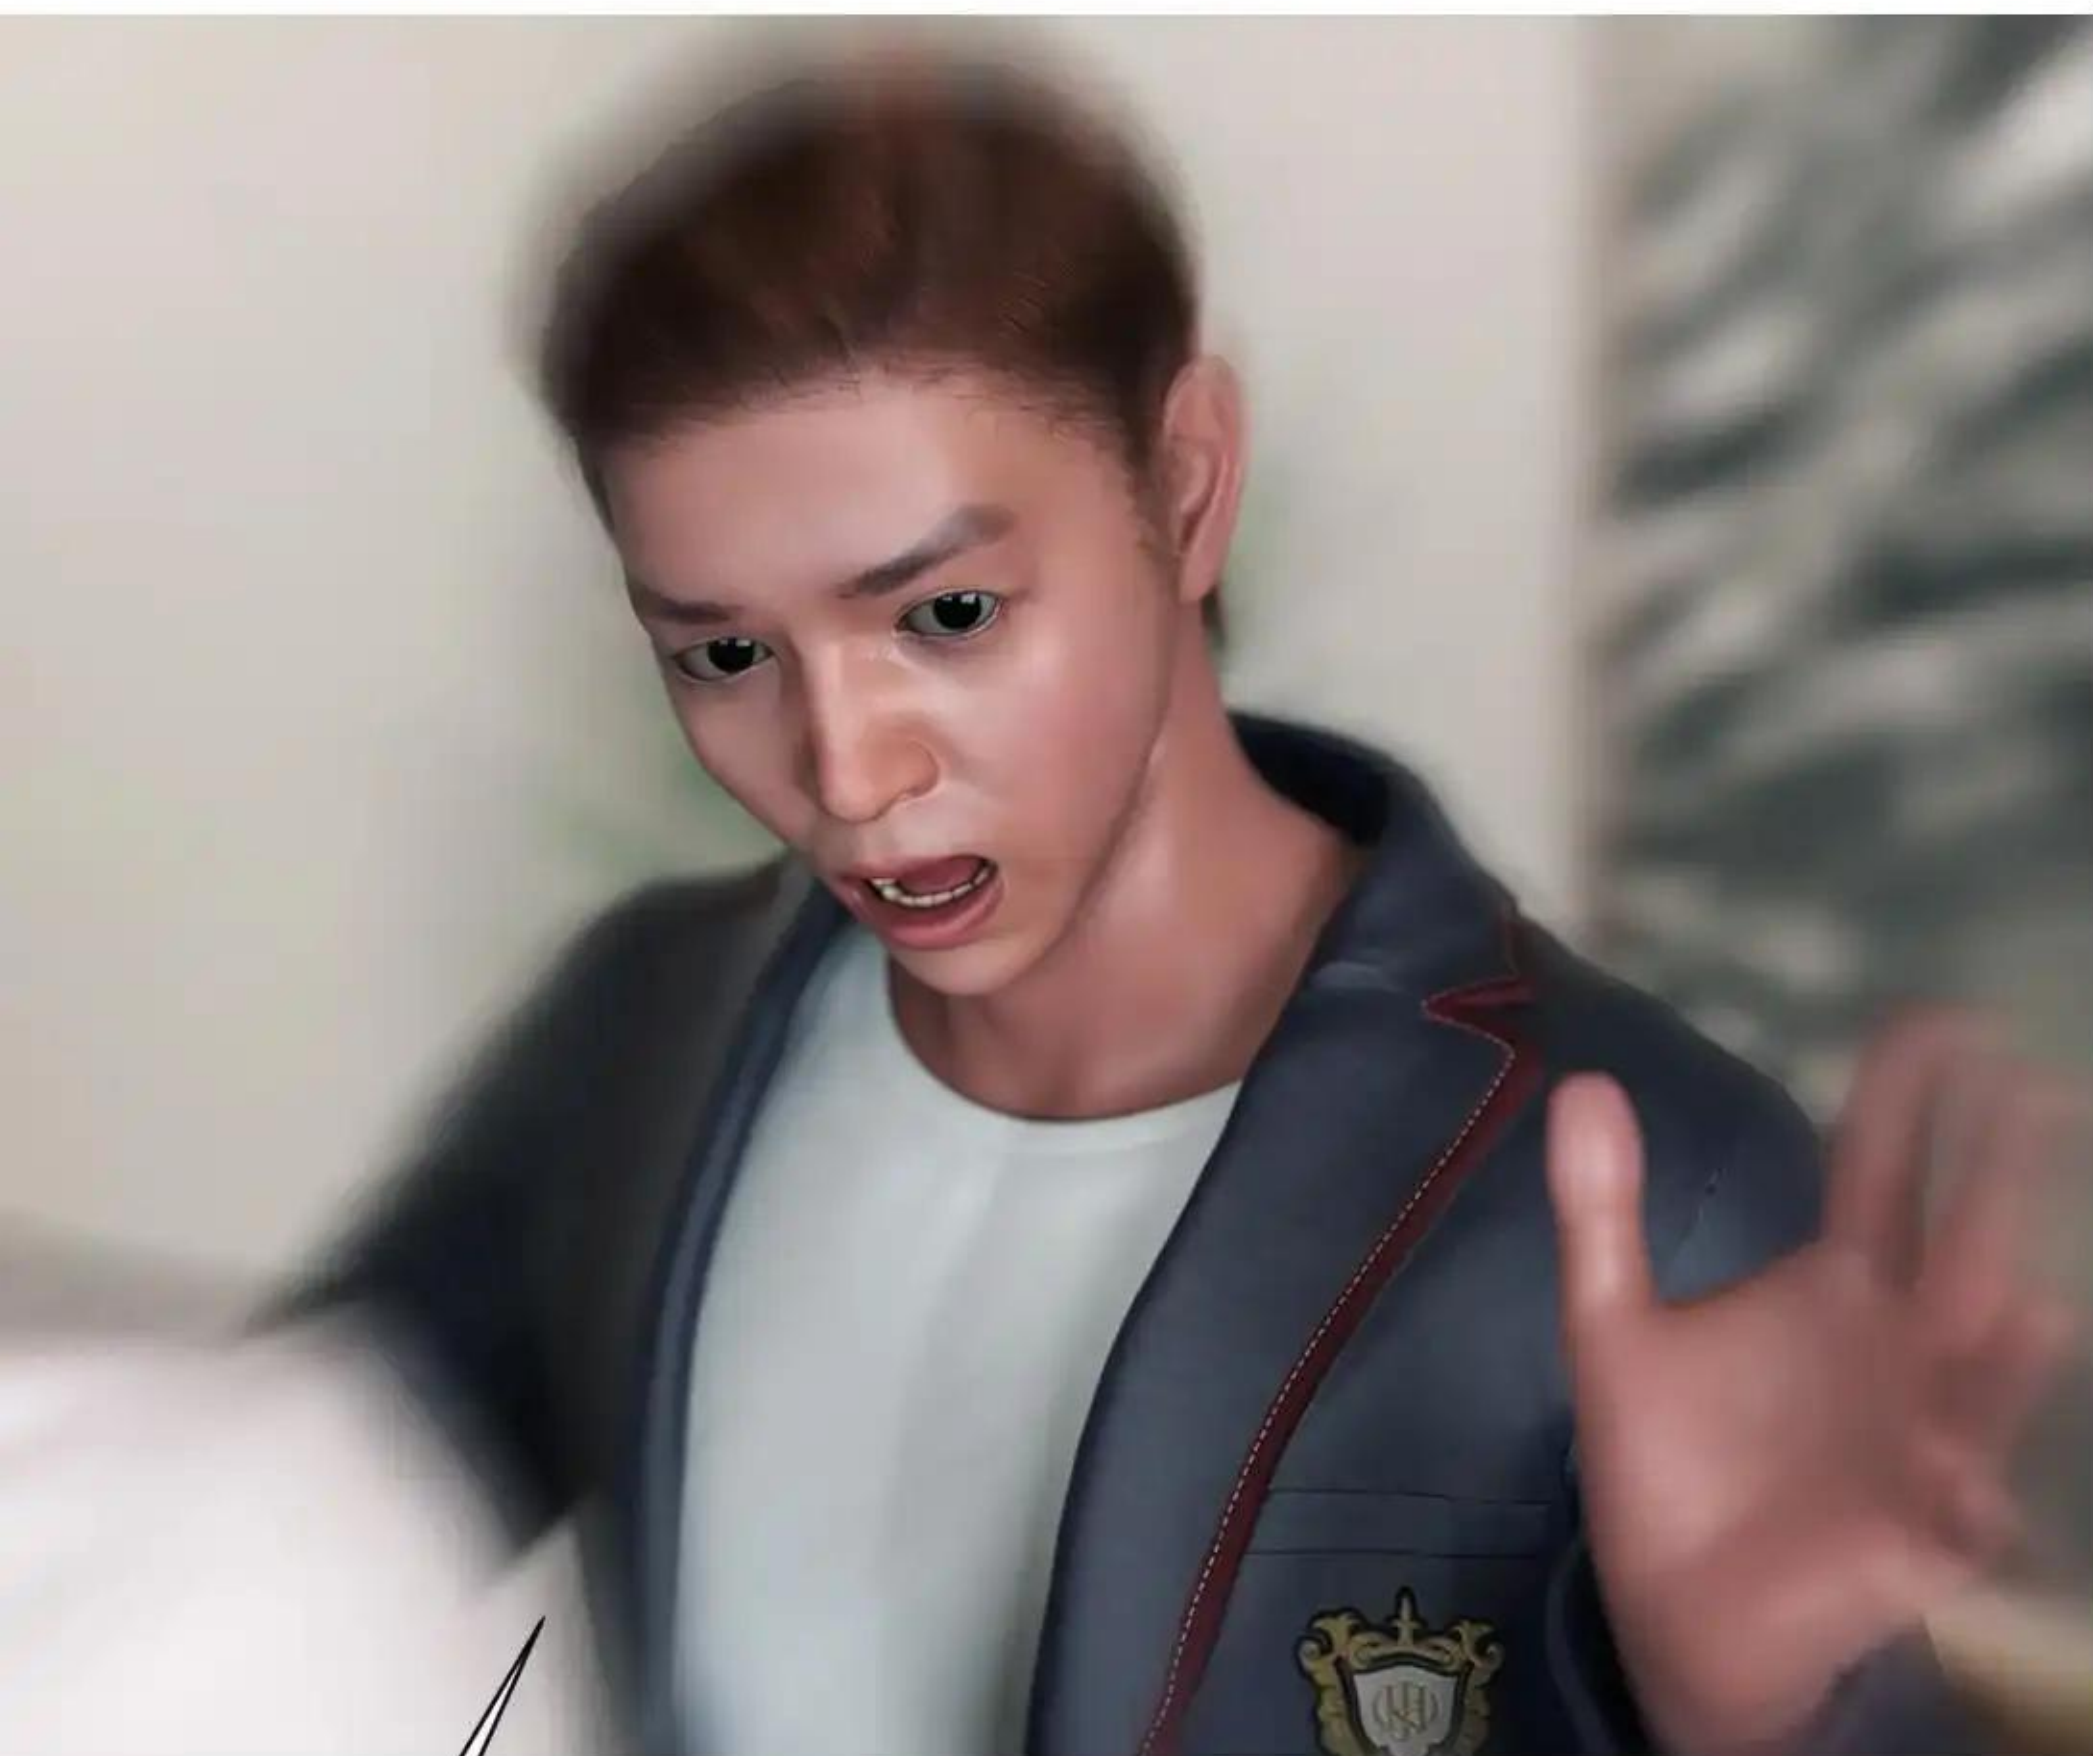

It brings me a completely different kind of pleasure! Yeah! I have to say, your sister's body is very sensitive.

It would be too boring to play alone, so...it's just a rare opportunity,

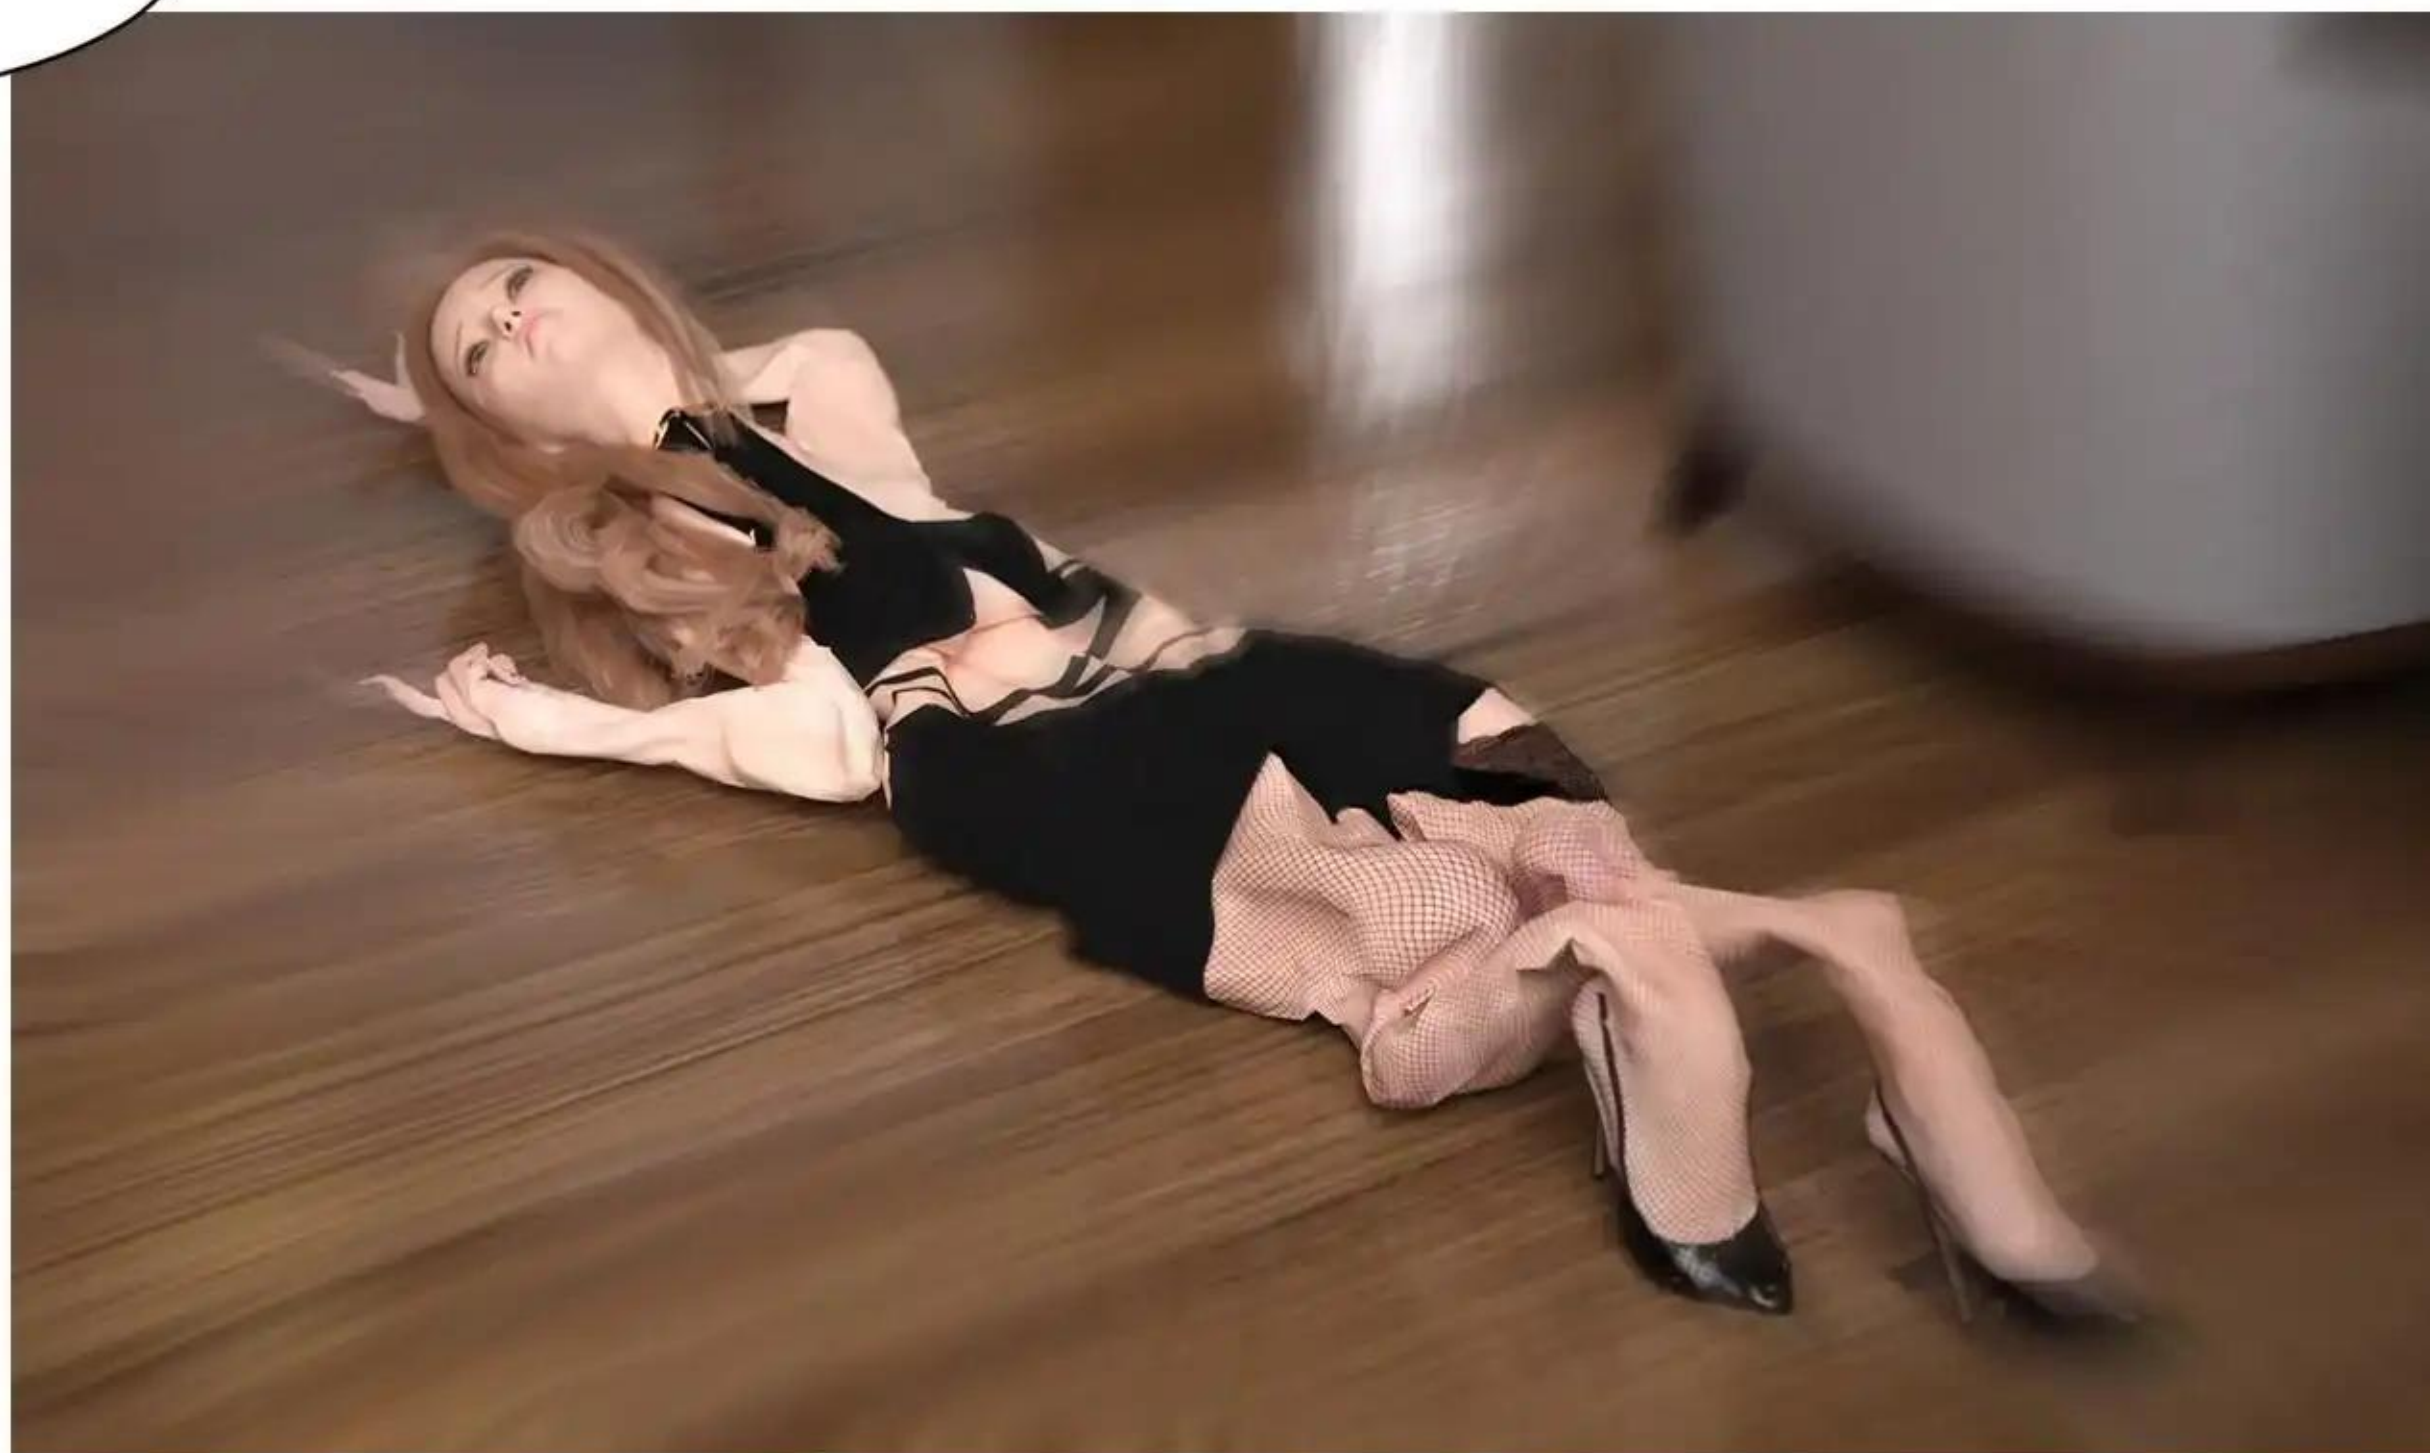

**It's you!
Put on that
skin on the
ground!**

What!

You want me to put on this human skin? !

What, you don't want to?
If you don't want to, you can
join the ranks of the human
skins, how about that?

I'll just wear it, I'll wear it now! Don't, don't get excited,

Hurry up!
This slut's
body can't
wait!

Good brother,
tell your classmates
to hurry up and put on
that human skin to
play with your sister,
hahaha!

.....

In the blink of an eye, I have to put on the human skin that this bad guy took off again, what a shame! He actually had to wear the human skin that Lao Zhou had just taken off. Thinking about it, I was still disgusted just a few days ago.

Put
on
one

Ming..so
tight!

I'm dressed, so that's okay!

There's only
one thing left to
start playing my
favorite futanari sex.
It's great. It seems
that the actors
are all here.

Oh oh oh
oh oh!

Bulge!

It's coming out!
It's coming out!

**It's coming out!
It's coming out!**

The cock
came out
of the body
hahahaha!

Sister...sister...

Mingming....Sister,
I'm sorry, it's all
because of me that
I hurt you.

I rescued you
and restored you!
I...I will definitely
find a way,

It makes me, a futagonist, super excited! Haha~ Every time I see a beautiful woman with a dick

Humph...you know what will happen, right? If you're not happy enough with me, come on little girl, it's time for you to perform

hateful! If it weren't for the leather gun in his hand, I would have...

But this similar scene directly reminds me of the last time I was insulted by him in the hotel! Although people have to bow their heads under the eaves

But with such a ferocious cock paired with Sister Zhou's body, which I had seen before in a hotel, the contrast is really great.

Even though they have different identities, they still have to give blowjobs to the same cock. What the hell is that? And I actually turned into the Monica who insulted me before, not to mention,

Whoa whoa!
Awesome! It's so nice
to use it again! And in
front of her family, my
obscene cock polluted a
pure female body,

I also had a lot of fun playing it, haha! It reminds me of when I first got this skin and saw you using this face to give me a blowjob,

Yeah! Look, brother,
look how your sister is being
ruthlessly tortured, haha!
Shamelessly exposing her
perverted big cock, how does
she use your classmate as a
mouth and toilet?

She is my sister, the one who is always cheerful and singing... This is not my sister, this is not the real her! My gentle sister is not such a pervert, Mingming!

Save your
sister from
this bad guy?
I...I really
have a way,
