

Haha...sister-in-law,
you are so
awesome! Even if
it's just a fantasy, it's
still sexy, isn't it?
OK!

Ohhhh that's great!
It seems like I
really fucked my
sister-in-law!

bang bang bang!

How...how could
it be so good! It's
so comfortable!

It's so comfortable!
marvelous! Koreans
use cocks for real
So cool!

So fuckable! Oh, oh ah
ah ah I can't stop at all,
sister-in-law, you are so
beautiful... my pussy is
too
Ahhhh!

Haah...haah...sister-in-law,
your
vagina is
SO
beautifull

Oh oh oh ah! I
can still shed
water! Well, I'm
about to cum!

Uh-huh, uh-huh,
cum! I ejaculated
with my cock!

! Cum...Cum inside
the wife's body.
Cum inside the
wife. I'm cumming
inside her!

My sister-in-law also
enjoyed being fucked by
me, right?
Haha...awesome...haha,
it's so comfortable,

It's so cool! I really
want to keep using
my cock... I like this
feeling so much...

Ah~ The semen keeps flowing. It's all because my sister-in-law is so beautiful, I can't control it at all! It's so torturous!

Ejaculation is so exciting, my cock feels so comfortable, I really want to keep masturbating! I want to have it so much
Cock!

Now, I feel so happy that all the pleasure disappears and my mood becomes better!

It feels like I'm relaxing in a hot bath. It's so comfortable and warm...

Oh no! What the hell
am I doing! Gotta
take it off quickly
Just come!

And put it away
quickly! I need to keep
my voice down...don't
wake others up..."

Someone discovered it? Really...how can I keep it in someone else's house! There should be no living room that does this kind of thing.

I actually carried Hao on my back...but oh no! I'm too, I really can't control myself!
Coming!

If Hao finds out,
it's really
inappropriate. You
know what he will
think of me... I'll
go back to sleep.

What happened? It's so
strange that my head
hurts so much... Why
have I been sitting like
this recently? What on
earth did I get... It's
really wrong... ·

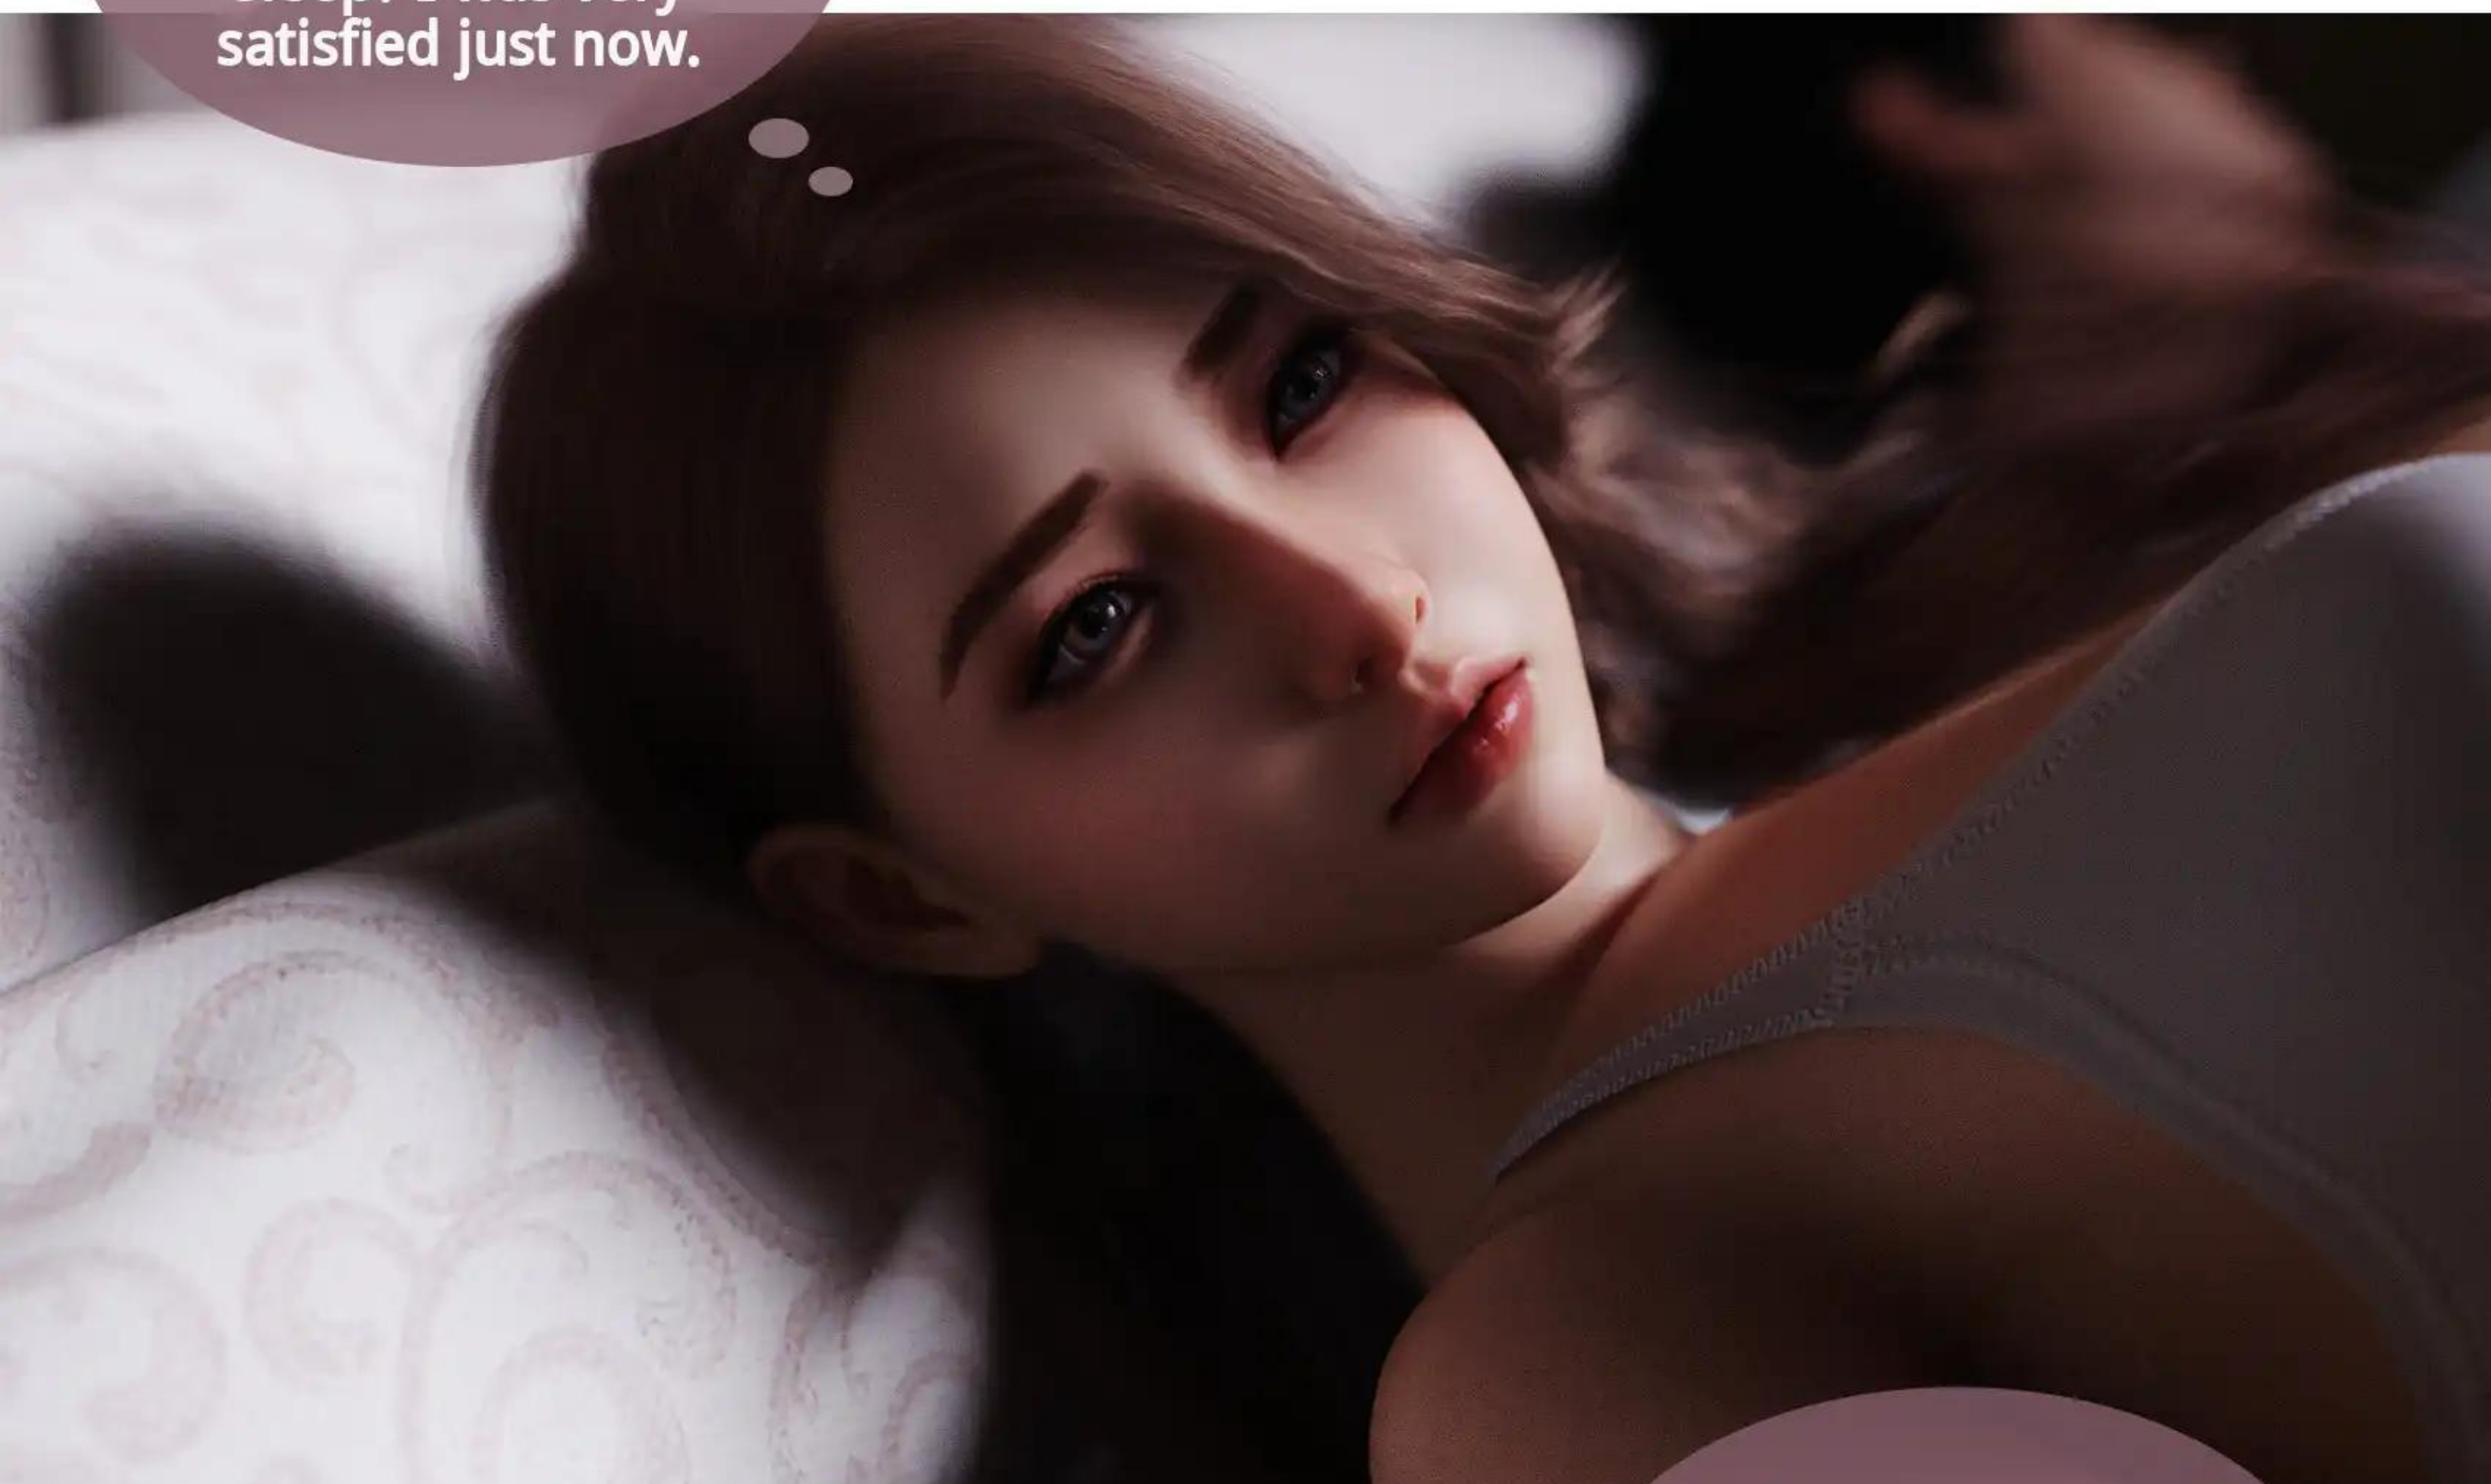

Let's go back first,
my heart is so tired
and my throat...:

I haven't gotten up yet, and I haven't noticed that Hao was sleeping soundly. I feel like it's just fine now... It's too late, I really should go to sleep.

? What a waste! My self-control is so poor that my bags are all in a ball. I'm so tired.
ah....'.

Too many things
happened today,
but why can't I
sleep? I was very
satisfied just now.

I want it... Damn it!
I'm no longer sleepy,
so I can only do it
again. Why now... it's
a bit...
times?

It should be easier to sleep after orgasm... Just masturbate as usual, right? End it quickly! I want to sleep so much!

Mmm, ah, ah, how come the pleasure is still there? Try harder... try faster... it still doesn't work!

How to solve desire?
It's impossible to
wear skin again! How
do you want to seat
yourself? I'm thinking
of another way..."

Will it become like
this? In the past, it
was very comfortable
to tear the vagina
apart! Why can't I be
satisfied?

Can't climax anymore? Should I do it? I don't have a cock, so what should I do if I have one...:

Already have a cock? Otherwise, if I continue to touch it, I will never be able to orgasm...just imagine that I won't be able to orgasm!

, I'm masturbating...
I'm right... I'm not
touching my pussy,
I'm holding my own
cock! Ah~ the cock
comes out again!

You have to have a
cock! Mmmmm, I feel
pleasure immediately
after I touch the cock!
So cool! Sure enough,
masturbating is so fun!

Hao would never have thought that his girlfriend's cock is so good! Ah, so exciting! Do you want to masturbate next to me?

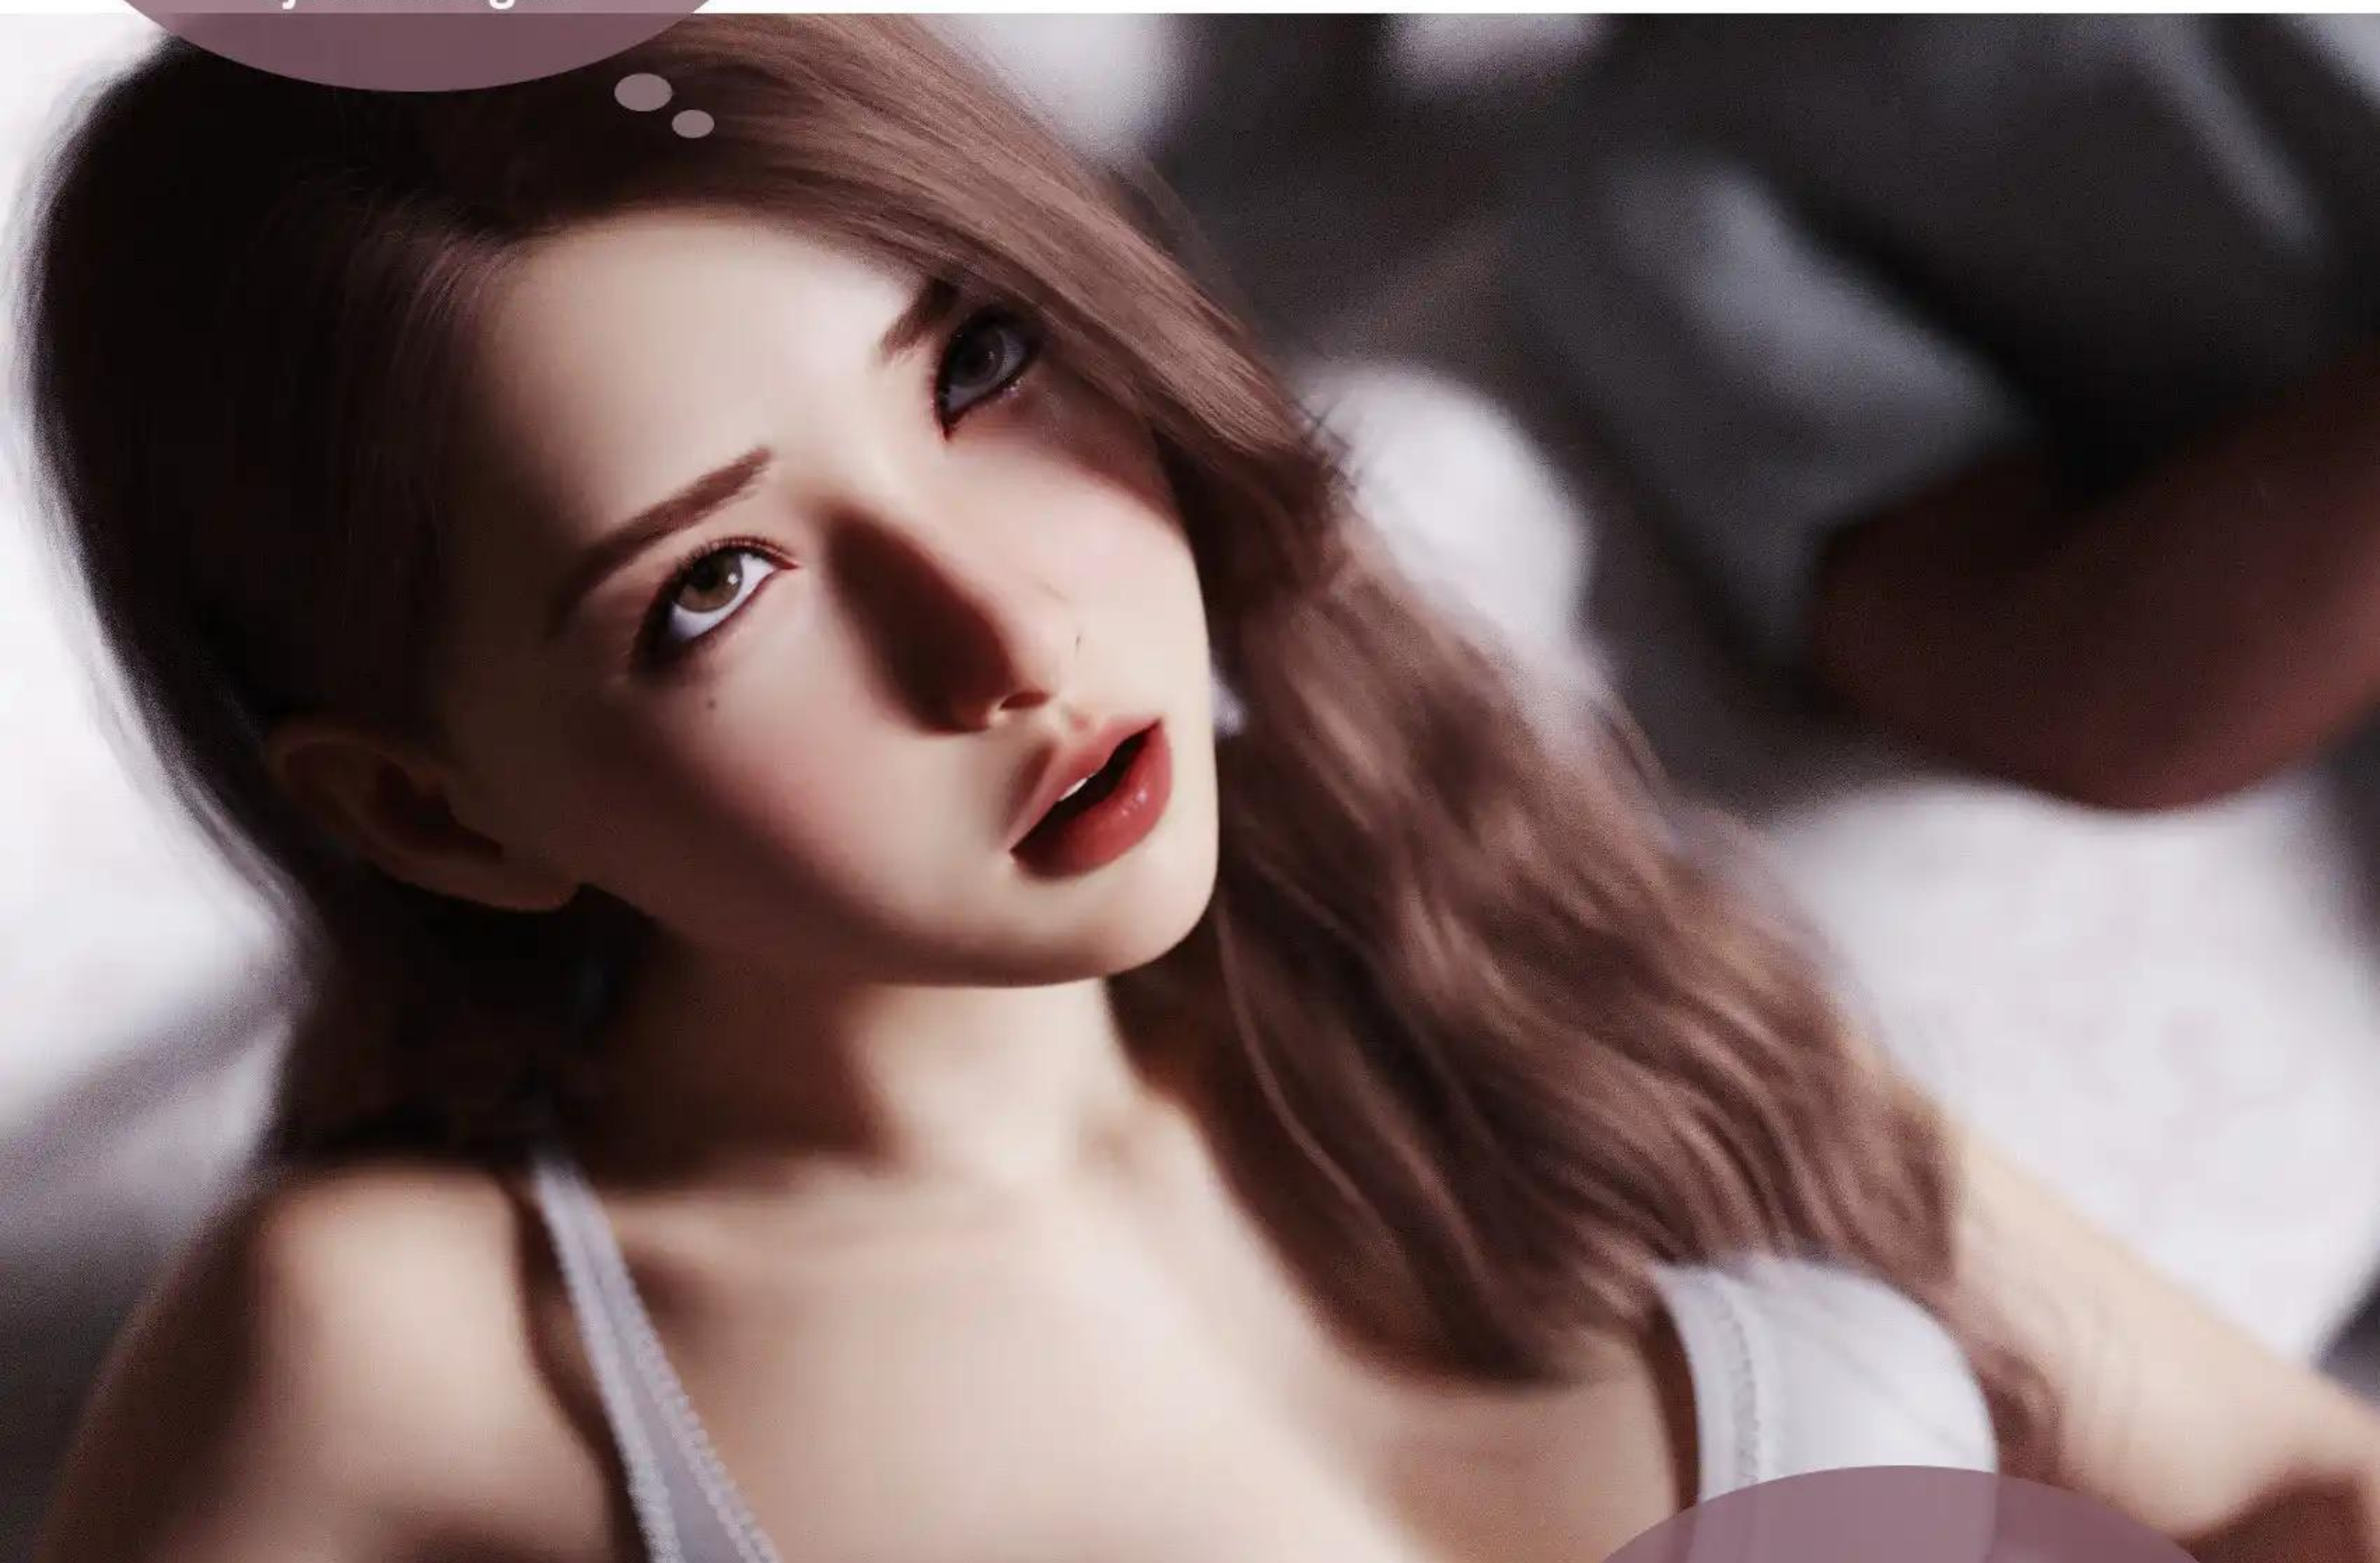

Having a cock is just different! The pleasure is so intense! Mmm, um, ah, it feels so good! Oh...oh ah ah I feel so comfortable!

I ejaculated next to my boyfriend, ah, ah, ah, ah, ejaculated! Ah!

I squirted so much semen that I couldn't stop, oh oh oh, so much cum! Ahhhh!

Sigh... I still feel a bit empty. Can't I just rely on imagination without a real cock? I really want to ejaculate again.

I can't get rid of that stimulating feeling. I can't go back to the taste of ejaculation once...

It's almost dawn if you don't sleep anymore. Don't think about it anymore! I'm so tired that I can't move a finger. Let's go to bed early.

I can't open my eyes. I'm so tired. I can't even open my eyes anymore. I'll have to think about other things tomorrow. I'm so sleepy..."

Am I dreaming? My
consciousness feels
so strange...I'm so
fuzzy...

ES

Also intermittently...
What am I doing...
am I falling asleep
or...? memory
What's
going on?

...what again? What a good wing? When did I... sit up? The feeling of holding it in my hand...

I remember I fell asleep and I have no memory at all...I...when did I get up? What to do?

Has the skin been taken out? It was because he was not satisfied before going to bed that he did it to me again.. Why did he fuck him again? dream?

I'm moving...it's just a dream if I can't get the seed...right? But it's like I feel... wrong, when did I walk out of the room?

Behind me? This is sneaky huh? Why am I suddenly following my sister-in-law to...? Oops...I have a bad feeling.

? Is it because it's in a dream? I want to speak but no sound comes out... Why can't I control my body?

Ahhhh! She...how
did she turn into
skin! It's...it's me
Made?

Is it a leather
blade? Why should
I...have this thing
in my hand?

All the behaviors and behaviors are so strange, and their expressions are not like mine at all...so strange, I, so unreal...

? I do feel drowsy... Could it be that I feel sleepy and hazy...

Is this just a
nightmare? It's
because I'm too
tired...

Ah ah ah no! stop!
Sister-in-law, run
away!

Coming? It's better to
wake up
haha...haha...I'll go
back

Already?

It was indeed a nightmare. It had already woken up Hao. He was also tired yesterday. It had been a long time since he had woken up. Fortunately, he didn't sleep for a while.

It must be because I had random thoughts before going to bed. It felt like a strange nightmare, and I didn't even get any rest...

Sigh, I feel so dizzy and dizzy, I'd better go see a doctor for treatment. It's such a strange thing.

That's fine. But I'd better take it first. My whole body doesn't feel right. I have to go to the hospital to get some painkillers.

And...ah, ah, ah,
what is this thing
below me?

? Why is the
cock growing
on me... a
man's cock? !

matter? How could this place be such an incredible thing? Calm down. What happened to me? I need to calm down first!

Take a deep breath...Yes, there must be a solution, otherwise there will be no solution at all. Calm down your mood first.

problem →

! How could such a thing happen? Stop looking! Cover it up first...I have to think carefully about the reason...:

There have been too many things, and I, Hao, woke me up. He wanted to worry about Wei Zhi, so he couldn't make any fuss and had to deal with it himself!

Weird Luo, when I woke up, I suddenly wondered why the Virgo would do that weird thing...Why did all this happen...?

Have you awakened your super powers? But it's not quite right. I feel like I'm also weird like Koichi...

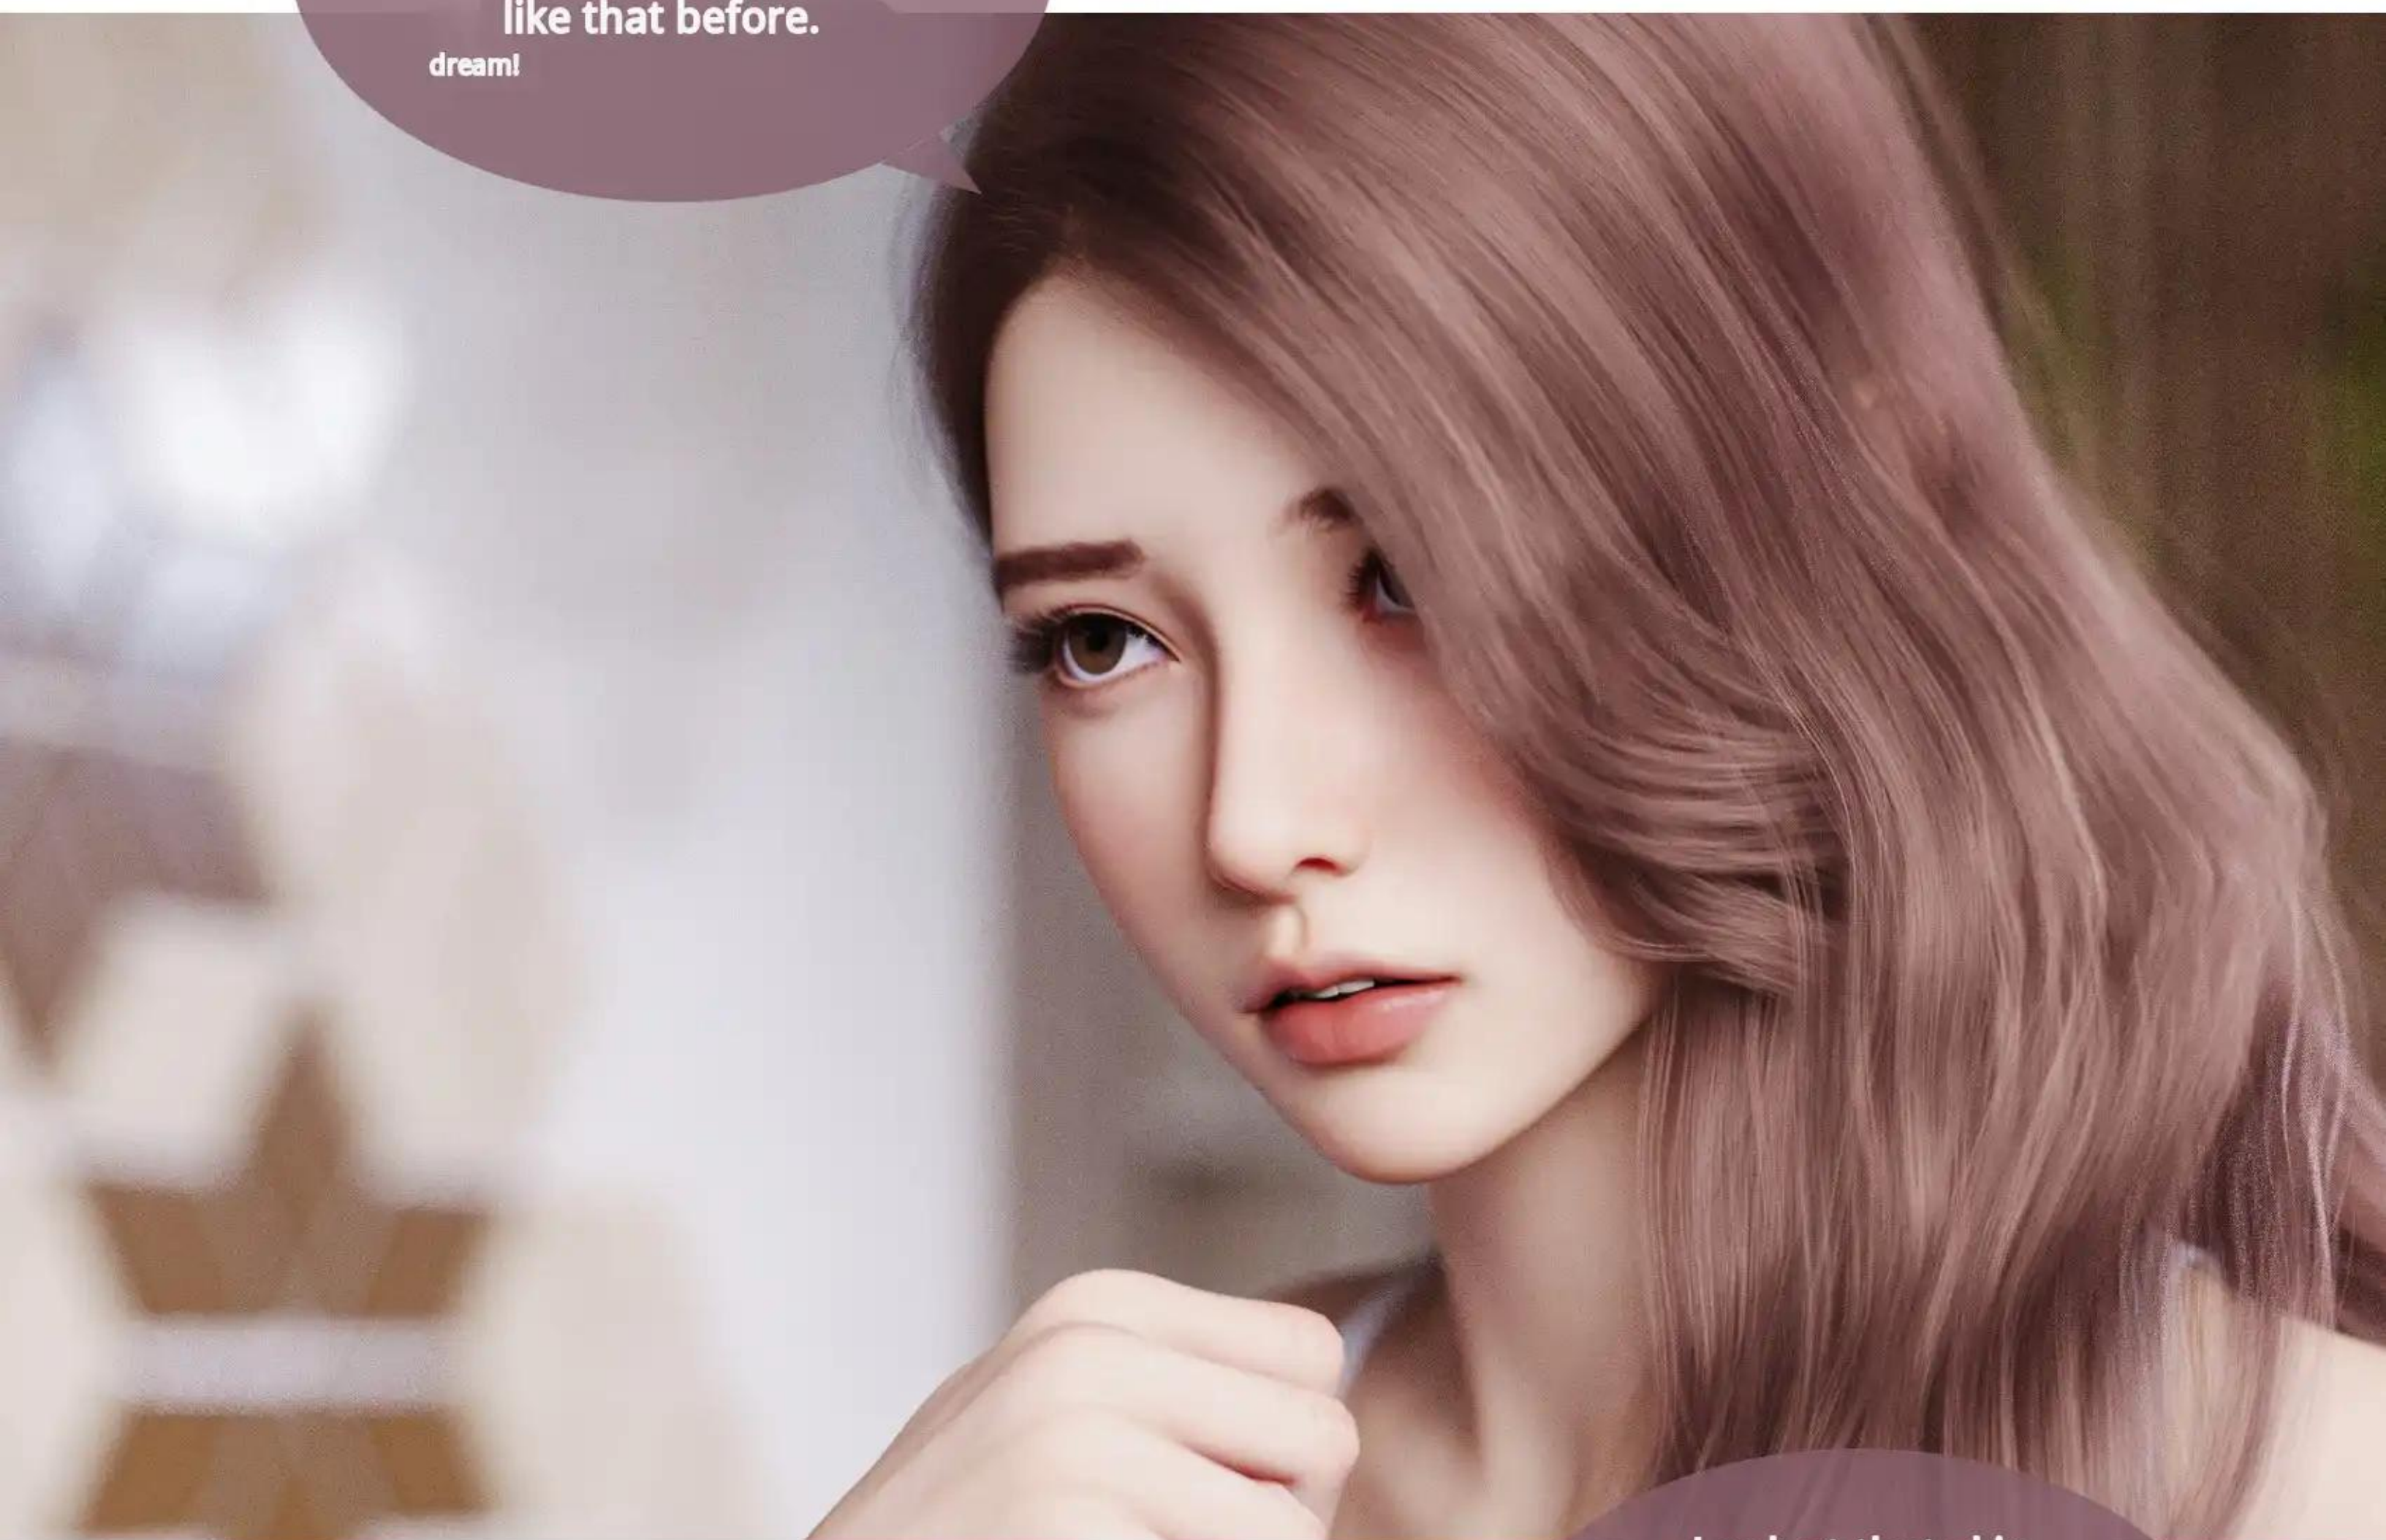

You can't run away all the time. Just calm down and observe carefully. Everything has happened... huh? This thing...

And then stick to me? So I didn't grow it myself? This feeling of déjà vu is like human skin. There is a piece of skin connected to the vagina,

That's right! Could it be related to luck in dreams? I've never done anything dark like that before.

dream!

Look at that skin, maybe it can be closed, okay! There must be some kind of thing that I don't know what to look for first.

A man with dark hair is lying on his back on a light-colored mat on a wooden floor. He is shirtless and appears to be in a state of rest or recovery. A speech bubble is positioned above him, containing text. In the background, a white box with a lotus flower logo is visible. To the right, the back of a woman with long brown hair is partially visible, looking towards the man.

I originally planned to stay away from this human skin for a while and restore myself to normal... but I didn't expect to take it out again.

A woman with long brown hair is sitting on a light-colored mat on a wooden floor. She is wearing a white top and is looking towards the man lying on the mat. A speech bubble is positioned above her, containing text.

Forget it, I just want to solve the problem quickly so that Hao won't find out. Okay, turn it over!

really! There's a piece missing underneath it! It's a mark of being cut!

I didn't expect that human skin could be cut off like this...it's amazing.

So it was the penis that was stuck to my body after it was cut off, right? If you don't look carefully, you might think it's grown out.

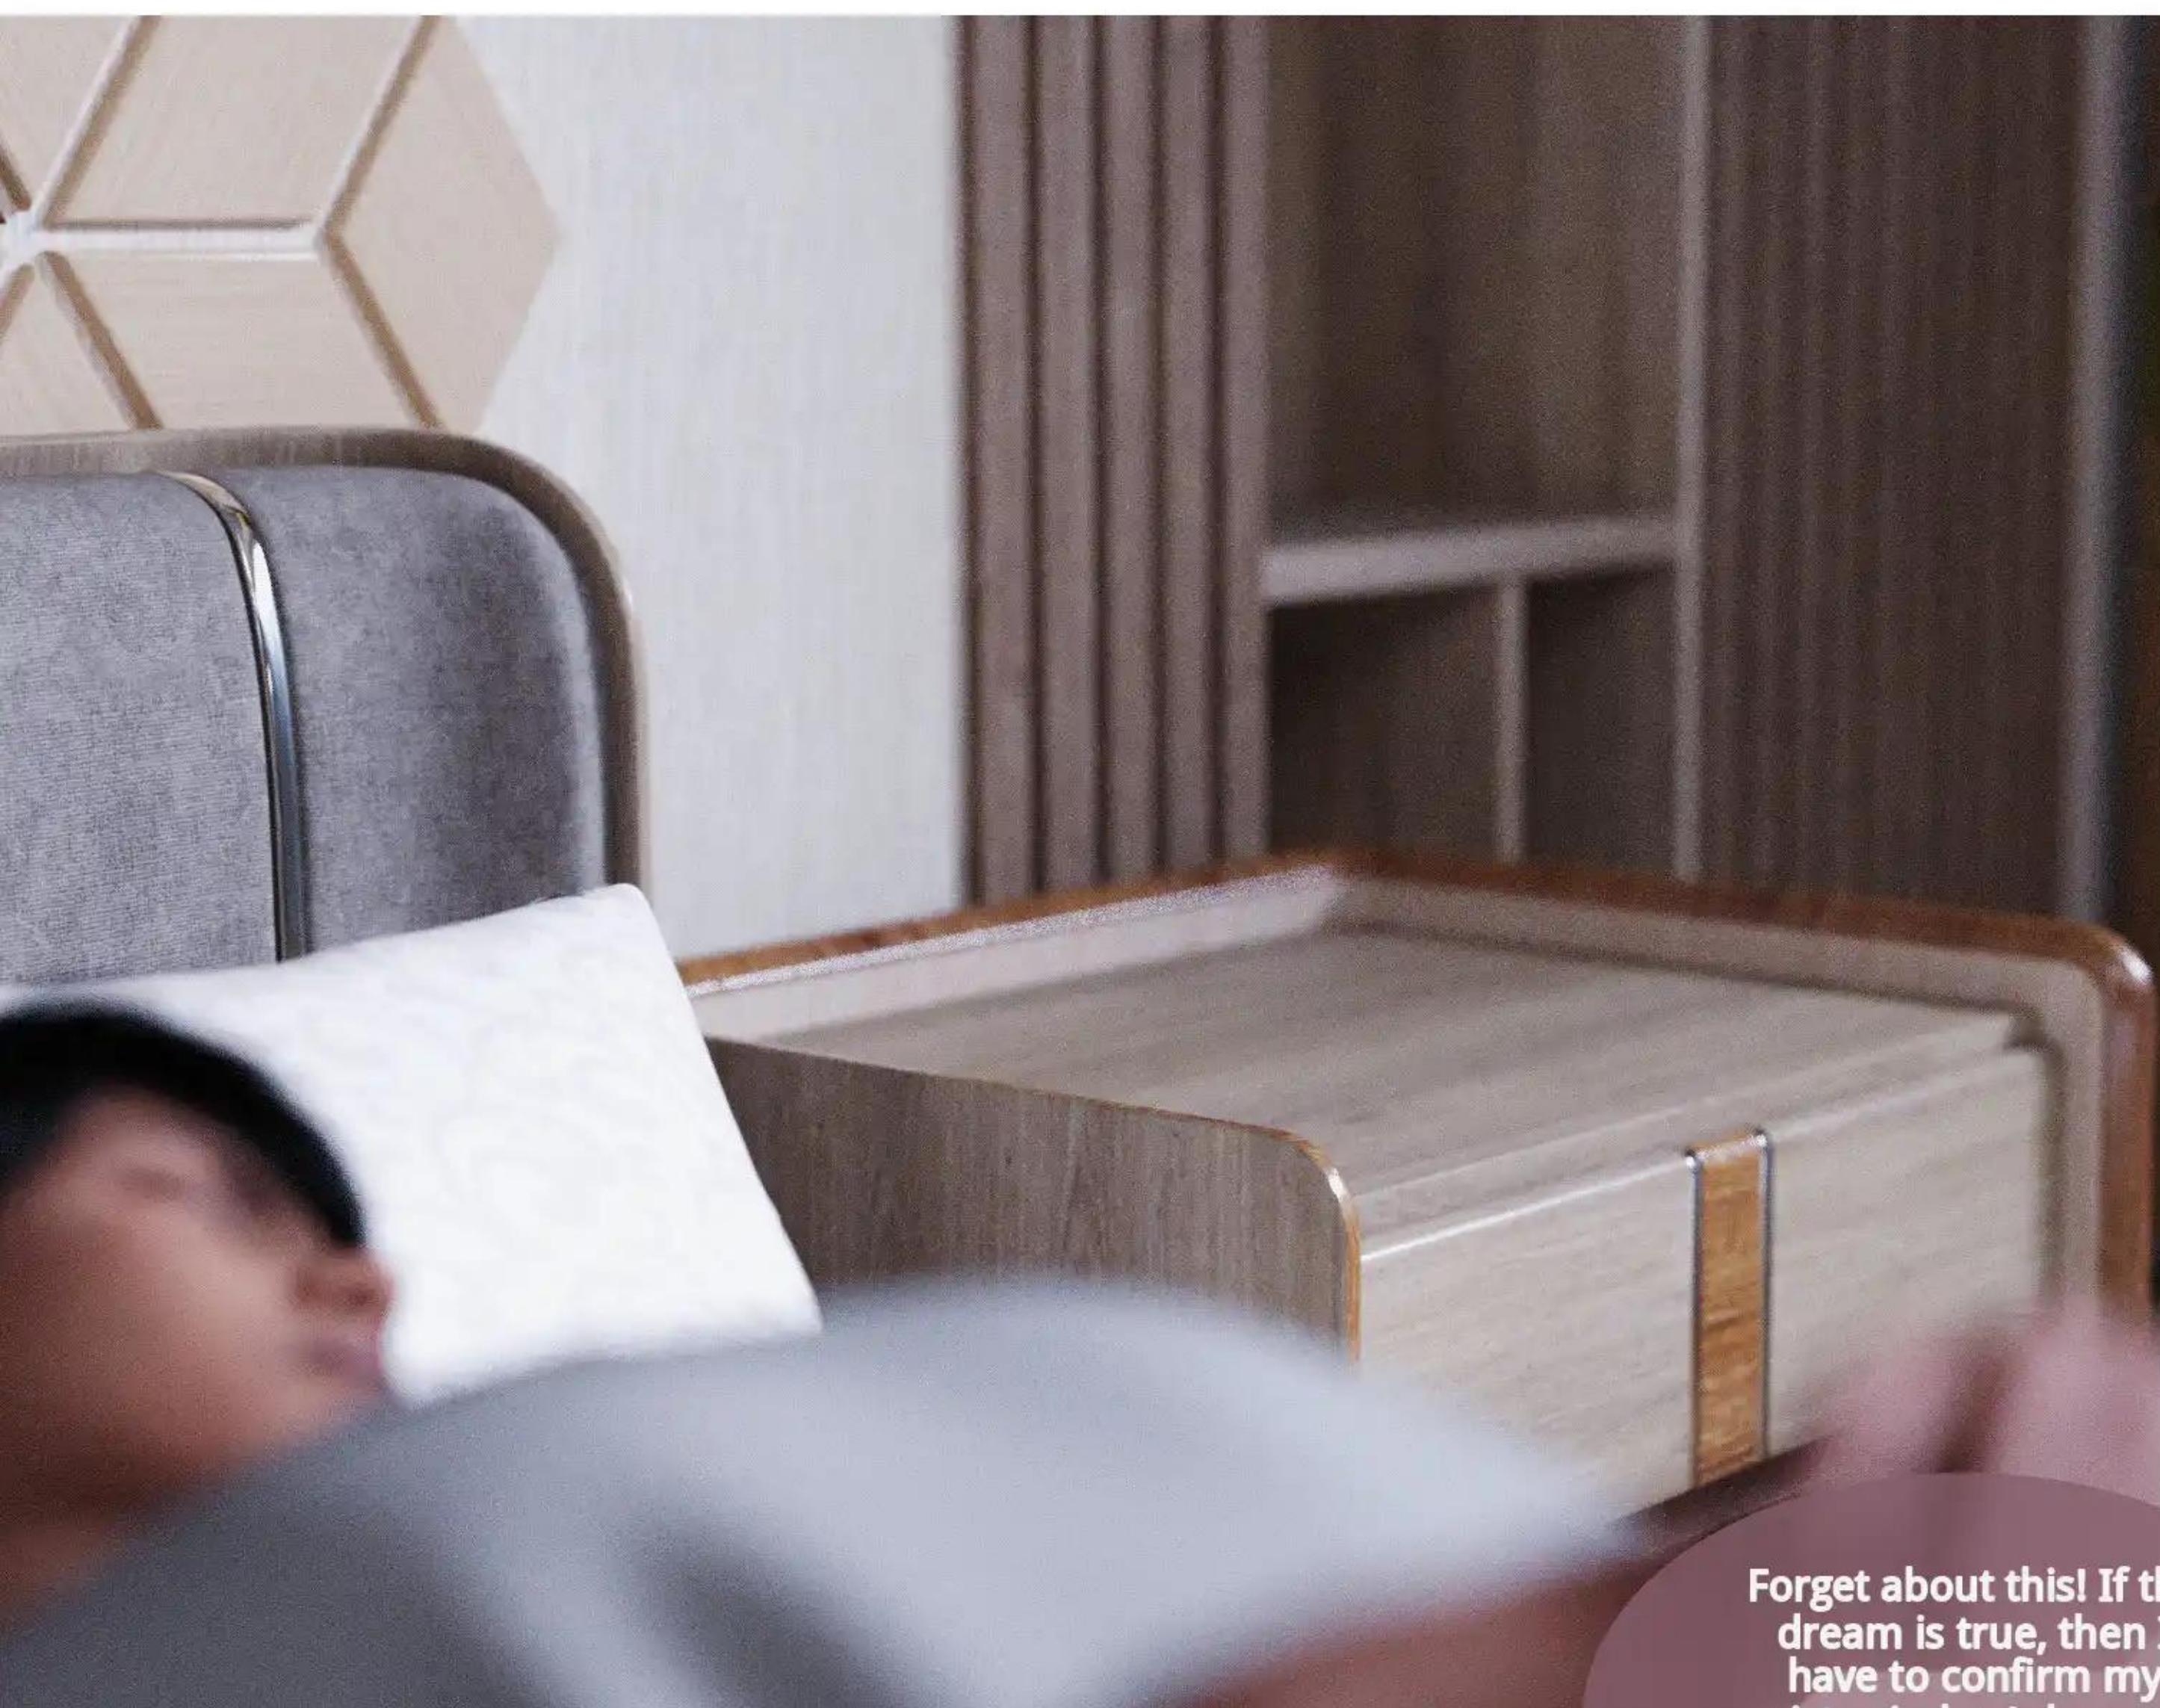

It seems that human skin has many uses that I don't know about. It's really scary that it can do such a thing...

It seems like this
nightmare is real...did
it happen last night?
I...actually sleepwalked
Already?

15388609

Obsession? But
where did the
leather blade come
from? It's not that I
want a cock so
much, I just need to
take it...

Forget about this! If the dream is true, then I have to confirm my sister-in-law's love as soon as possible.

That's all!

The bulging face is basically fully clothed, but I can't hide it. Will it be seen by others?

Otherwise, I don't know how to explain it... I haven't fully figured it out yet... I hope no one will find out.

The fabric of the clothes
will rub against the cock,
it's so difficult to move
and it's so embarrassing...
if you move a little, the
clothes will
Chatted!

It seems...a little
comfortable? It feels
a little
uncomfortable,
and...it also feels a
little numb, how
could it be like this!

Even though we have come here, I didn't see my sister-in-law in the place where I turned her into skin in my dream yesterday, and I don't know what's wrong with her now?

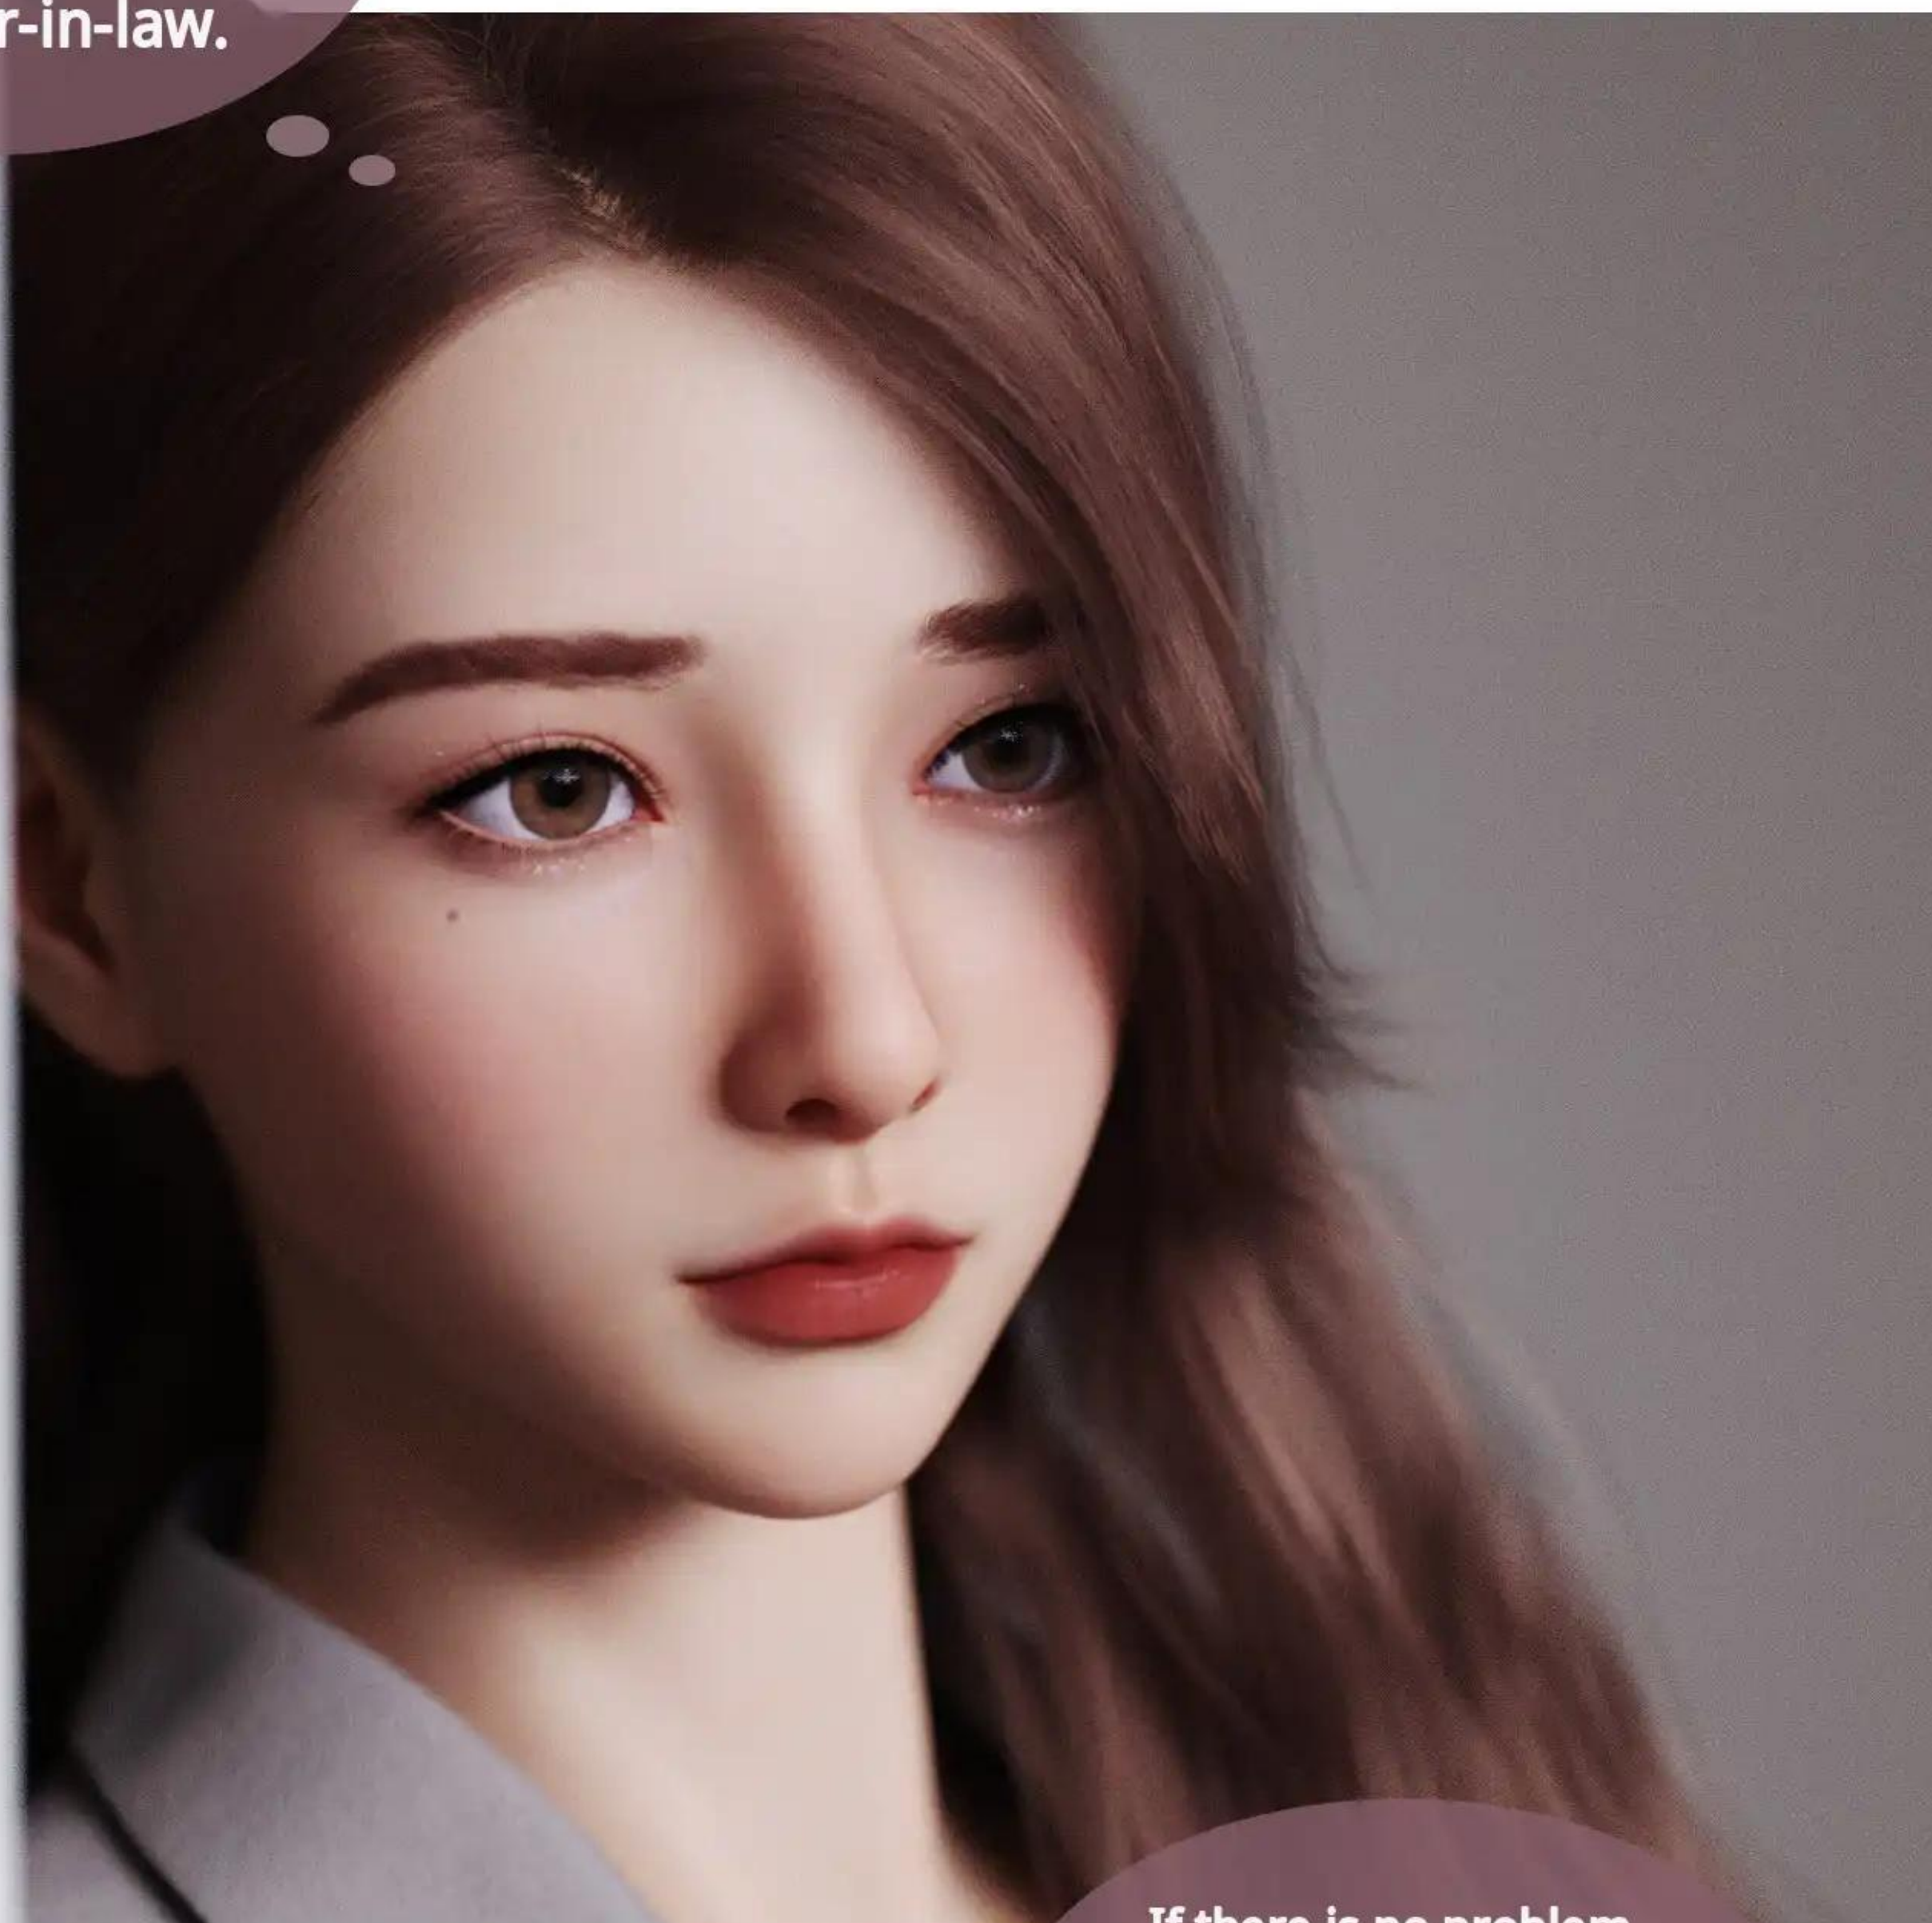

I'll hide and check first to see if she's there! I saw it was my sister-in-law! Something is wrong.

I'm not very familiar with her, but um... she seems to be normal, but I also have something strange about her.

A discovery, right? Liang is actually the couple that the engineer brother should get along with day and night.

What, should I go to Maa and use my super powers to confirm? I just met my sister-in-law.

If there is no problem, it may be that he was turned into a skin and then turned back again. I really don't feel at ease no matter how I think about it...

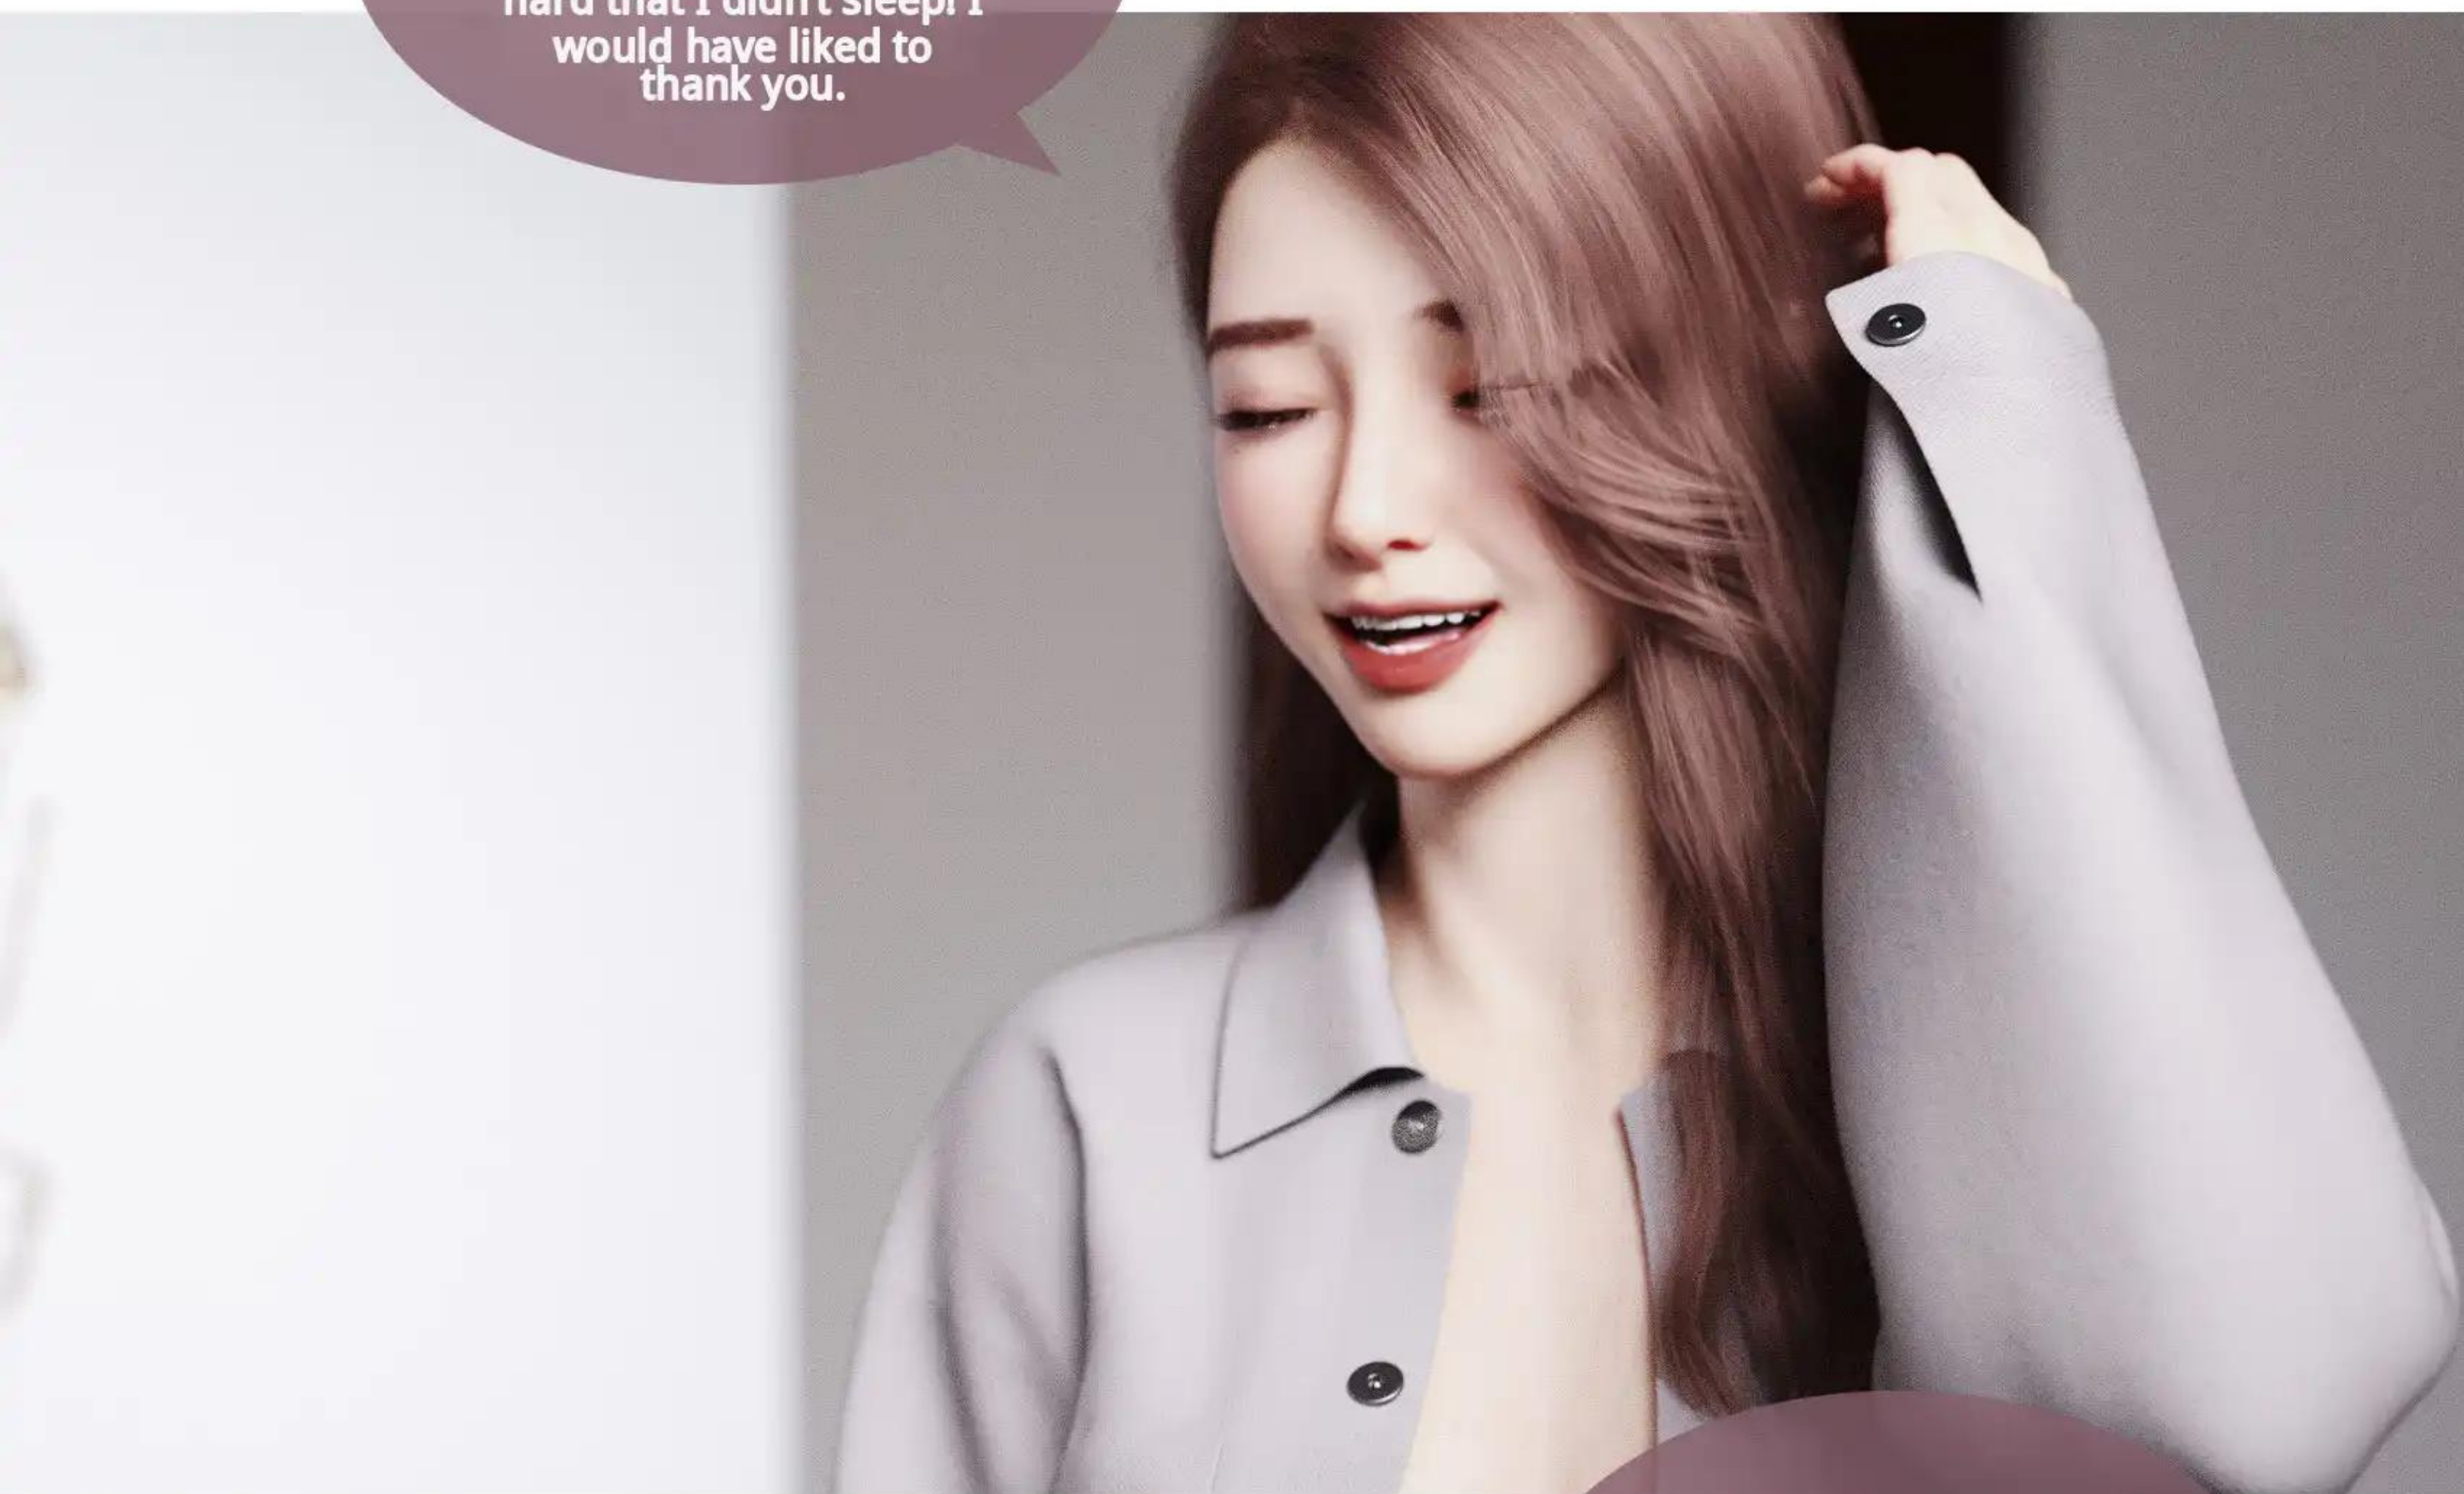

Oh, are you up? Why did you get up so early? Didn't you sleep well last night? Still hungry? Want something to eat?

But I haven't started preparing breakfast yet and I still want to eat some snacks to cushion my stomach. I have to ask you to wait a moment.

Woolen cloth?

Get used to getting up early when you come here. Don't worry, sister-in-law. I slept so hard that I didn't sleep! I would have liked to thank you.

I'm not hungry yet, so you don't need to make any special preparations. I'll go to a place first haha...

What should
I do next?
good....

Why did this happen to me? Let me think about what else...
can be done.

First of all, it's better to observe the sacrifice more carefully. Maybe you can find something. Just now, I was worried about my sister-in-law.

, but... this feeling
feels like there is no
rain that can directly
pull the vaginal skin.

Come
down.

Take it! Uh-huh, uh-huh,
I...I can't bear to take it
off! Is it okay to shoot a
pistol? But...but it feels
so comfortable to the
touch

That's what it feels like! So great and so cool! I can't stop, um, um, um, ah, it feels so comfortable! Ahhhh!

Oh oh oh my cock is so hard! Mmm...mmmmmm it's so hot! My body is so hot!

Ohhhh...baby...baby,
it's so
comfortable
here!

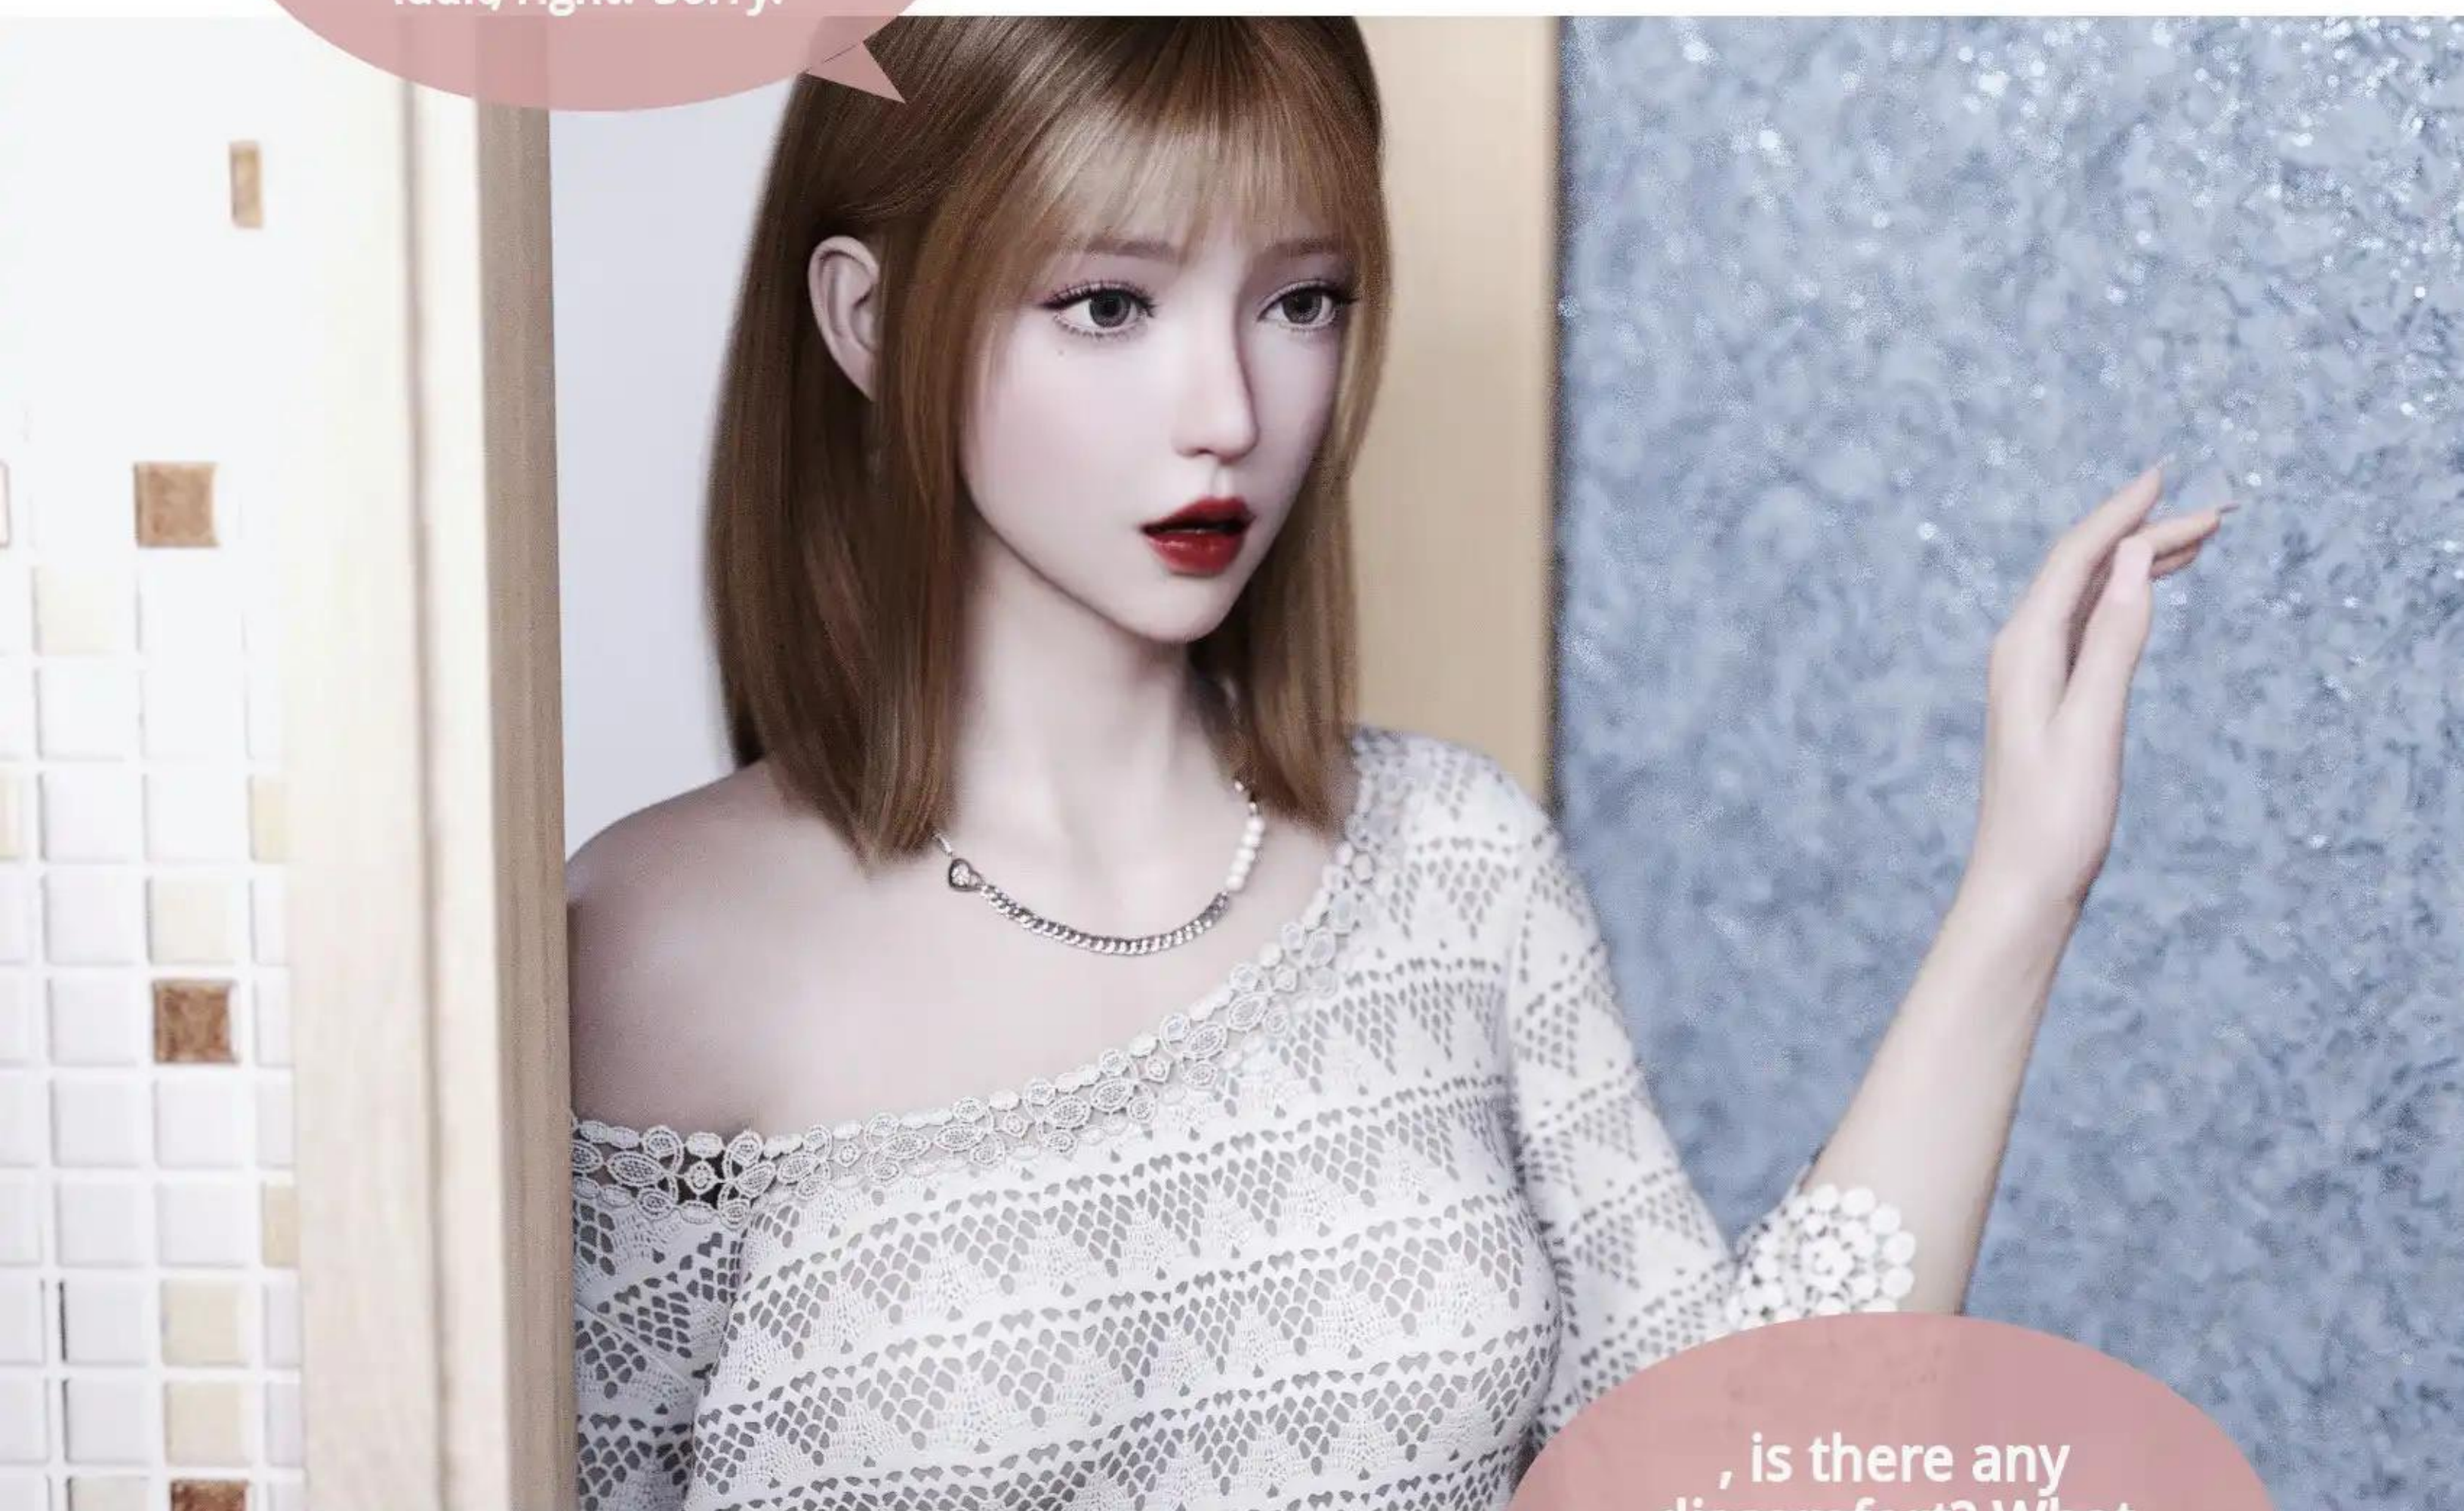

Mmm, ah, ah, it's
so good to have
a cock!

Oh oh oh it feels
so good that my
juices are
flowing! So
comfortable!

So cool!
Mmm~ Mmm,
the cock feels
really good!

? Sorry, I didn't know what you were saying yet? Why is the toilet door not locked inside? It's not your fault, right? Sorry.

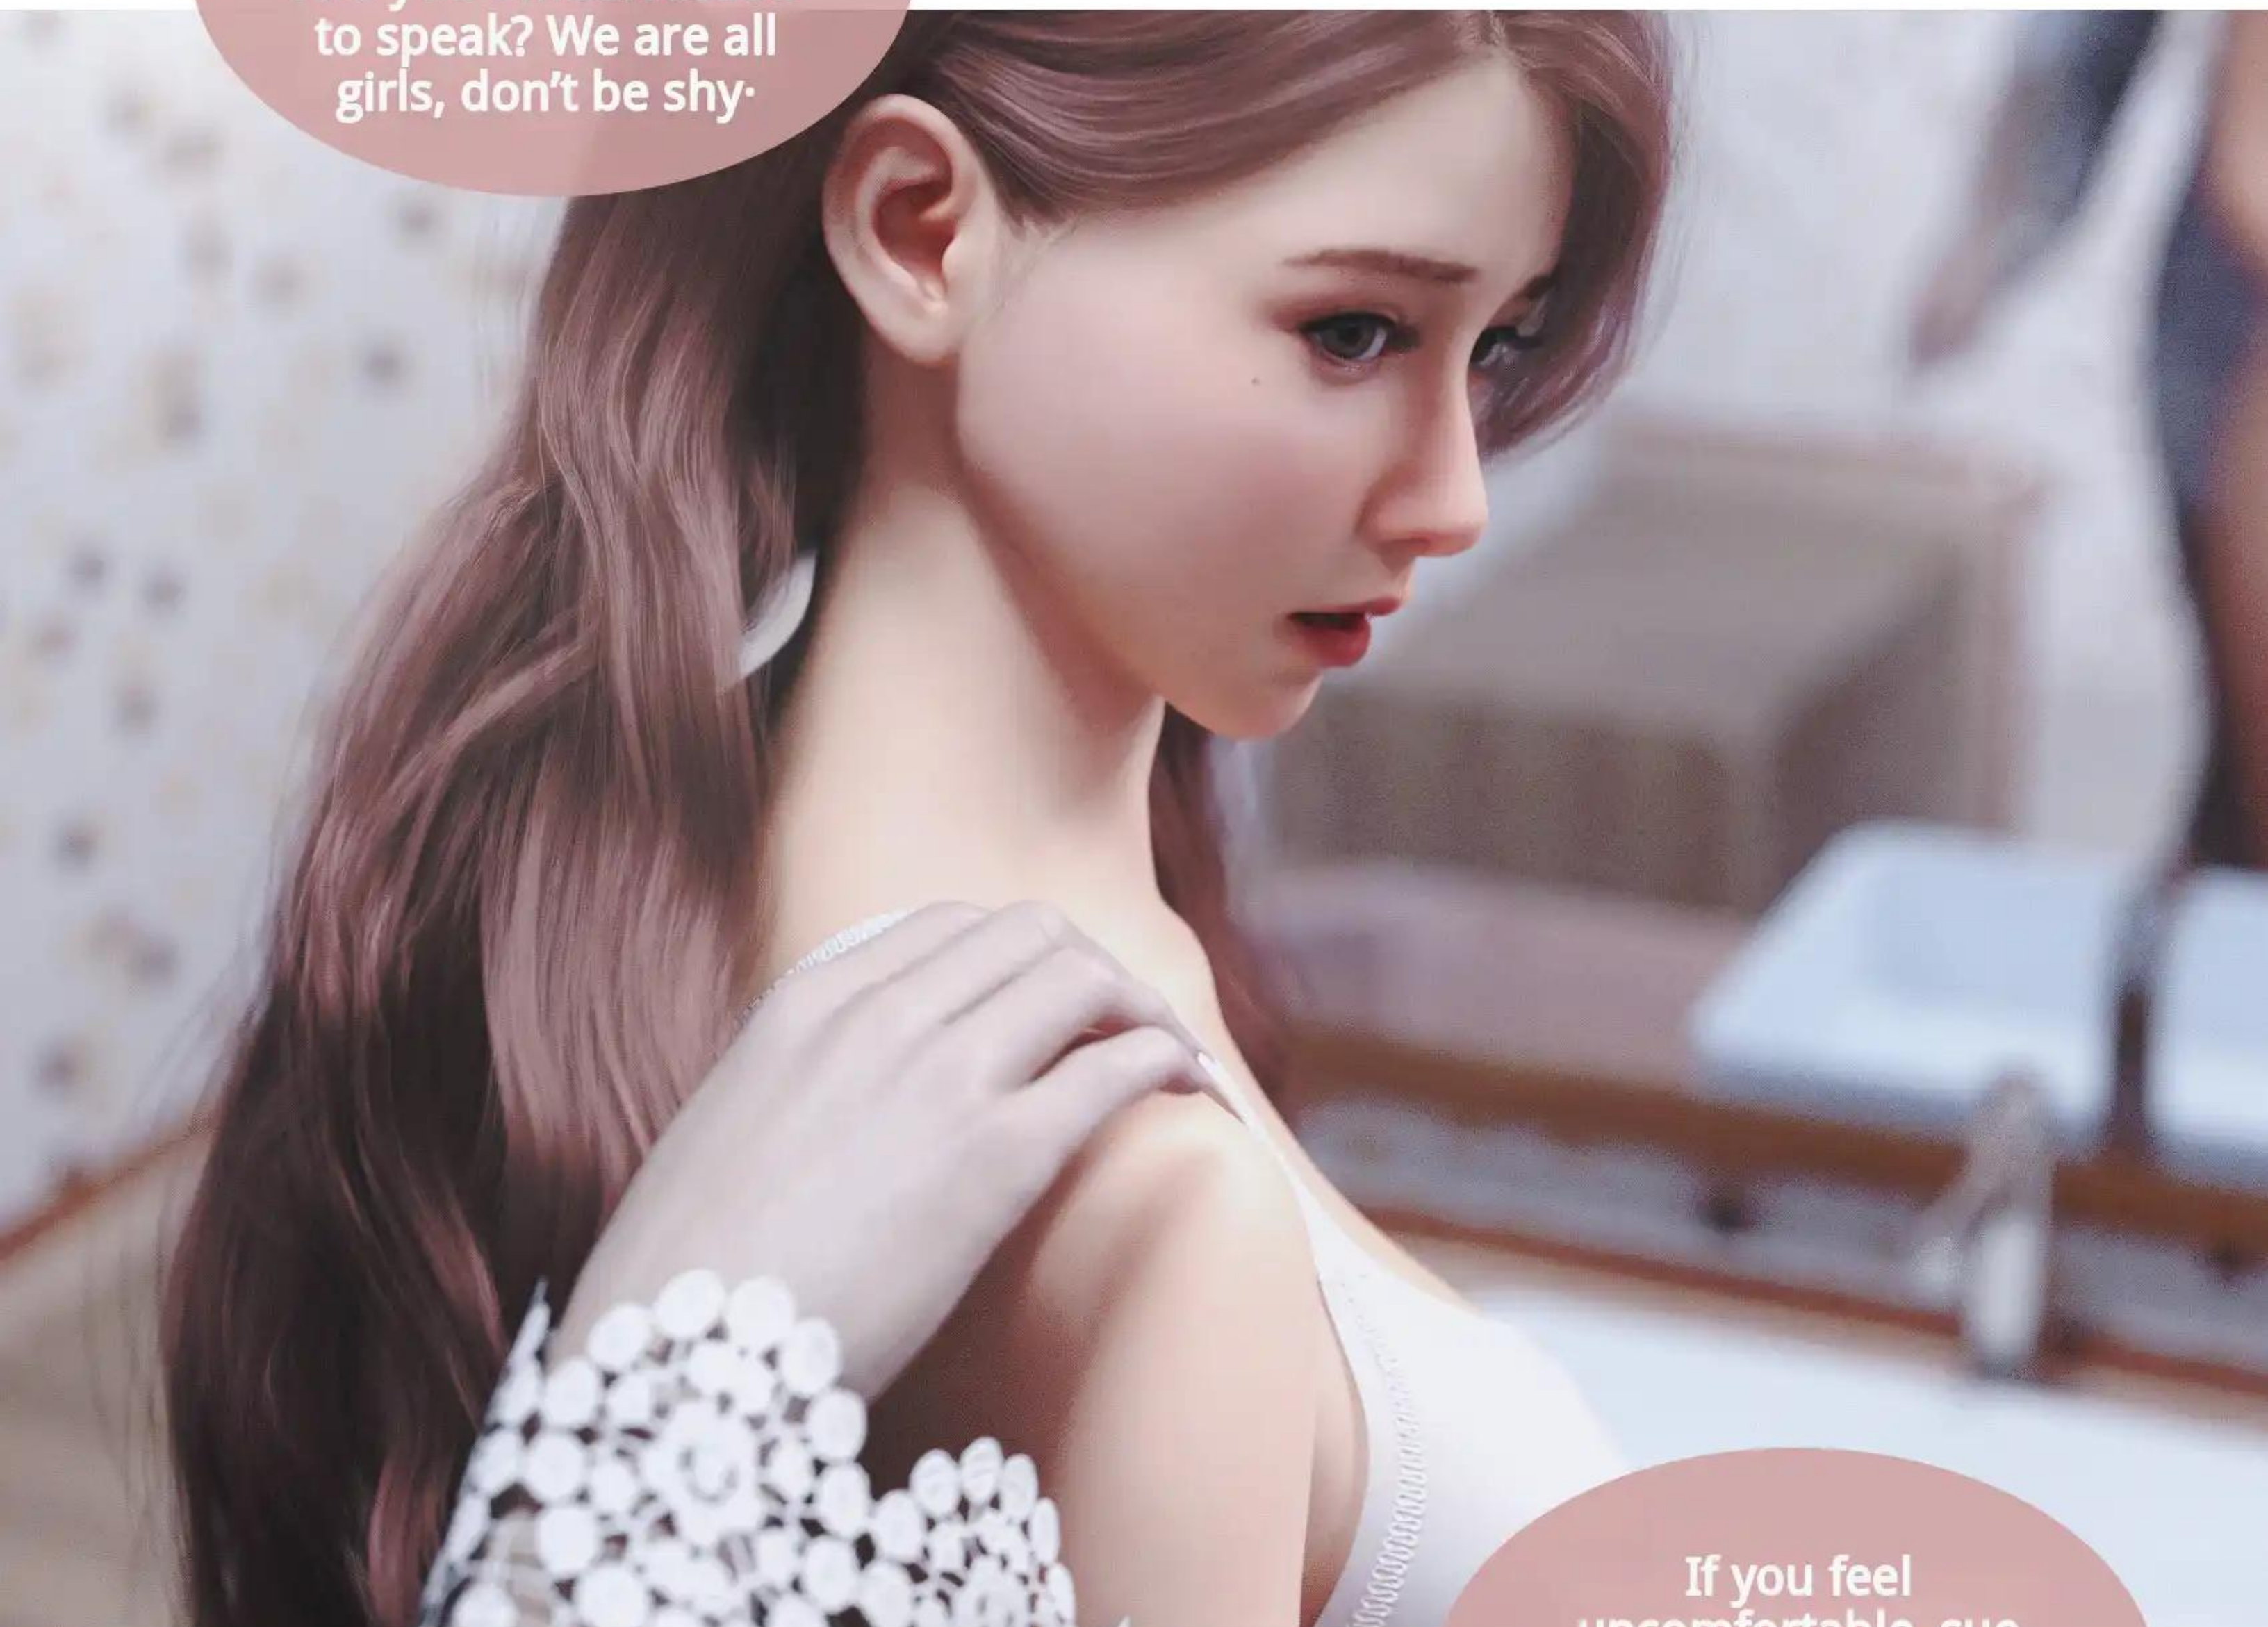

, is there any discomfort? What do you need me to do? You seem to be in a panic?

! It's so hard... Did I forget? I clearly remembered to lock the door. This is so embarrassing. I need to cover it up quickly!

I forgot to lock the door. Sorry, I'm fine! No...it's okay! I'm fine...um...

But your color really doesn't look good. Are you embarrassed to speak? We are all girls, don't be shy.

If you feel uncomfortable, sue me, or should I check it out? Please turn around first, no need to be polite to me.

Is it an upset stomach? Actually, girls, your body is so stiff every month, that day.

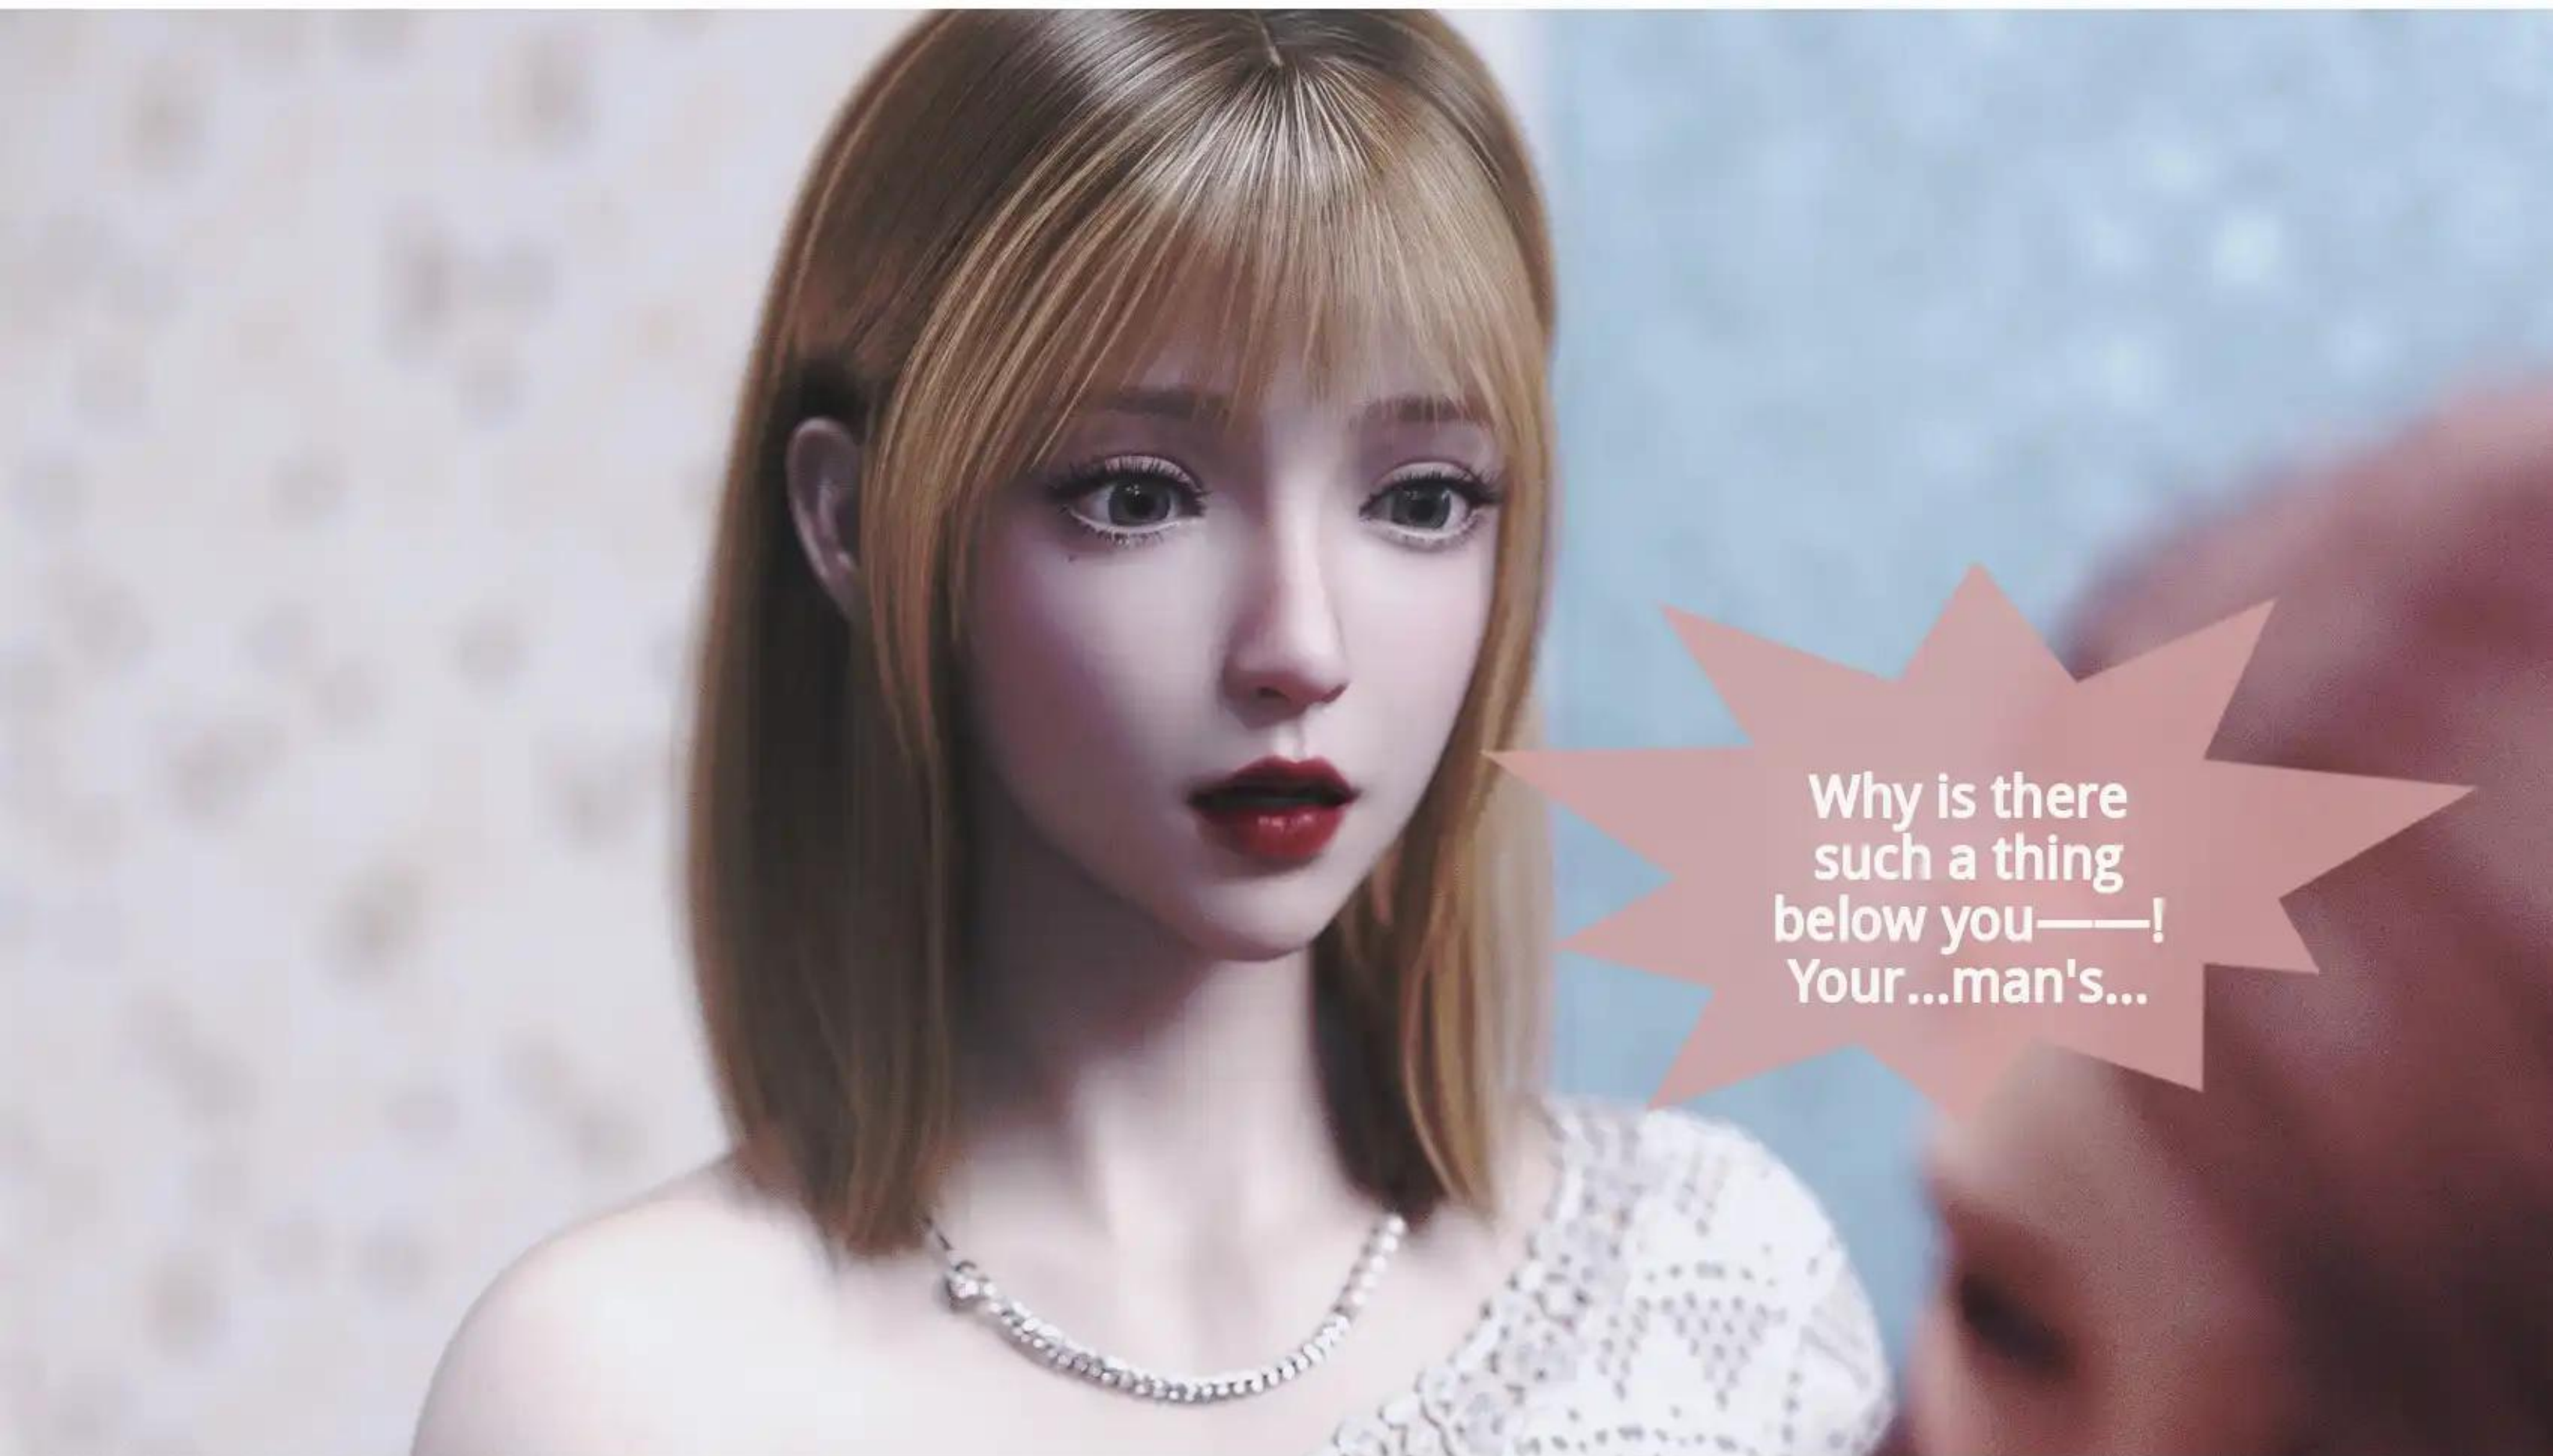

It's just that my head hurts, but everything else...no...I, I'm just fine! Well... I'm sorry for your frustration.

I'll be out in a minute. I'll take some painkillers and you'll be fine...Don't come over yet, you...

Why is there such a thing below you——!
Your...man's...

It's definitely broken, right?
What am I going to do?
What a disaster! What to
do! Been seen! It would be
great if my sister-in-law is
willing to explain after
everything is over!

My cock is still
hidden in her
bathroom. A girl I've
known for a long
time actually has a
dick down there.
Will I call the police?

Sorry, I shouted too loudly at the moment. Are you feeling uneasy? Don't worry, I won't go out.

, you look like a kind-hearted girl. Everyone has their own secrets. I believe in you, so don't worry.

Thank you,
sister-in-law, you
are so gentle... I
didn't mean to hide
it, thank you for
trusting me...

I was already very
happy while
masturbating, but now I
feel sour and
uncomfortable! As soon
as my sister-in-law
hugged her, her cock
kept rubbing against
her, until she couldn't
stand it anymore!

! I really want to bury my whole body in her arms and she is so soft and smells so good... Damn, she is so charming! I can't take it anymore!

I keep thinking about yesterday's sexual fantasy scene...ah no! I can no longer be my sister-in-law! I must hold back!

I'm sorry...I uh uh
uh uh...uh ah ah
yes, yes I really
can't restrain
myself!

dawdle

Can't stop at all! I feel
so comfortable!
Sister-in-law's body is
so soft! Oh oh oh no,
I'm going to pick up
someone else's wife!

No need to apologize.
You must have endured it
for a long time, right?
Great, thank you for your
hard work. You don't
have to be patient in
front of me.

Yeah, yeah,
sister-in-law, you
are so beautiful and
your voice is so
good...:

No wonder your lust
is this, express it
well. Damn, I can't
help it anymore, it's
already so hard
down there.

touch

Don't even think
about it, just leave
it to me. Don't fall
in love anymore.
Just do whatever
you want!

, let me first see if you can help you and serve you as you should. You have come to my house as a guest. Where do you feel uncomfortable...

You can't get out, let me help you! Oh my God, I've been hard on you all this time! Your cock needs to be softened, okay?

Got it! It's so exciting, no, ah, ah, ah, too fast!

Got it!
Sister-in-law, you are so wonderful...oh, I can't stand the harm!

Um...um, ah,
sister-in-law, I can't
do it! Oh, so warm! So
warm...so
wonderful...take it
deeper and say
goodbye...·

Can't you just use
your hands? Since I
have you all, I must
make you more
comfortable.
Um...it's so big...·

I will satisfy you. I also want to lick your big cock more. Don't worry... I'll give you whatever you want. Woolen cloth.....

Oh well...sister, you are leaking so much juice. It turns out your place is very comfortable. I am so happy.

Woolen cloth!

Uh-huh..! My sister's
cock is so big and
thick! So delicious!

Oh oh oh
sister-in-law, your
tongue is so flexible!
Uh-huh, no, I'm very
sensitive!

La! Oh, oh ah ah, I want to uh... It's so comfortable, it's abnormal. Sister-in-law, you are so good at sucking!

It's so much more comfortable than masturbating by myself! Oh, ah, ah, ah, you are so great! Hmm... um ah ah come again...

I'm very happy to see you feel comfortable, but I'm also getting hot. Let's move on to the next step, shall we?

Get more pleasure~ If Meiyu is comfortable together and can enjoy it, come and have a pleasant sex with me!

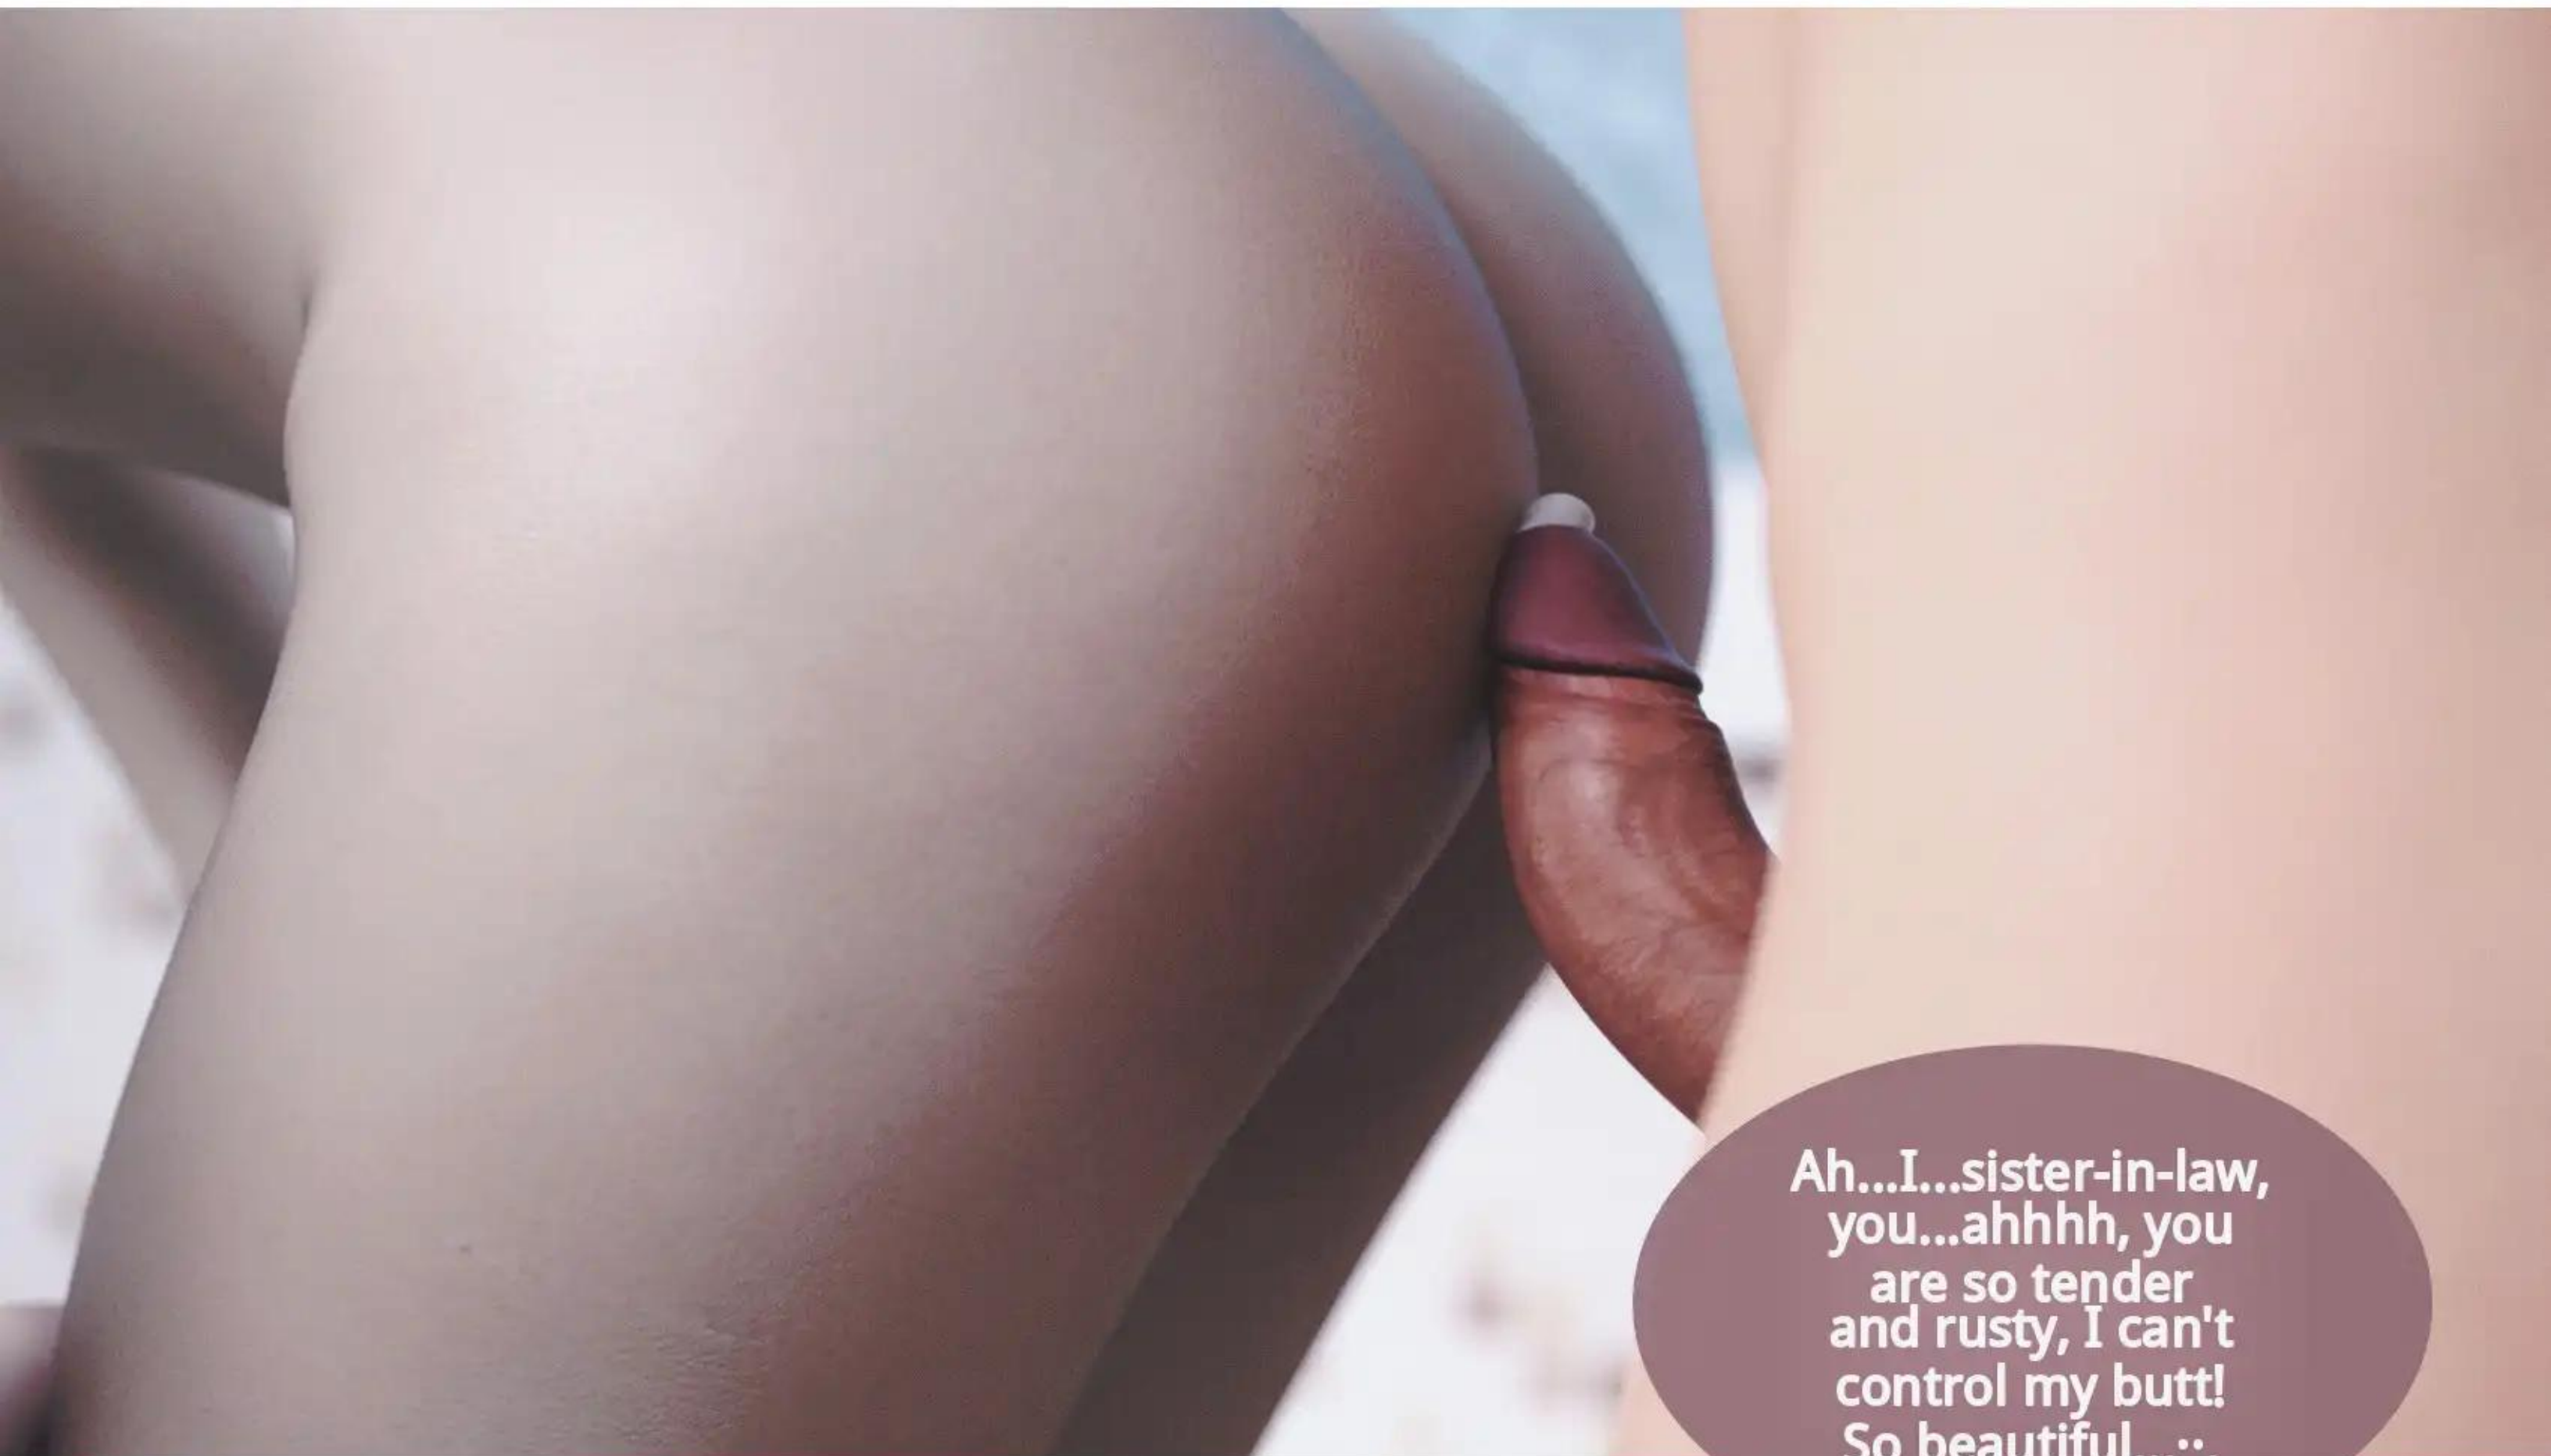

Sister, do you want
to take a closer look
at my body? Look,
my sister is
responsible for me.
I'm so sweaty,

Confident, sister, don't you like this posture? I'm quite concerned about my body, so I need to take a closer look at Pinying?

, My sister must not be able to bear to see me feel uncomfortable, right? Please thrust in quickly. I've been holding back for a long time, okay?

I can't stand it anymore! My sister, I beg you to stop me with your cock as my body has reached its peak. I feel really uncomfortable!

Ah...I...sister-in-law, you...ahhhh, you are so tender and rusty, I can't control my butt! So beautiful...".

! I...I can insert it.
The shape and feel
are great? I'm so
hard that I can feel
it
No more!

In the pussy! Ah, my
sister-in-law wants to
insert it... I really want to
insert my sister-in-law's
cock and it feels like it's
going to explode... The
good pussy is so beautiful!

I might lose control...Sister-in-law, please be patient...Ahhh, I'm really in trouble! So cool! I...I'm going to get in there!

Can't stand it anymore! I really want my sister to come in quickly! I couldn't bear the big cock being inserted into my body so hard!

Yeah~! Feel...I
feel my head
being inserted!
So big!

Come in!
Hurry up,
come again!
All of them!

! It's so warm!
Oh oh oh it feels
so comfortable
when I insert it
in.

ah!

Yeah, it feels so
good! So tight...so
wet... Oh, it feels
so good!

Mmmhhhhhhh so fast! So violent! I...I feel good too Yeah!

bang bang bang !

Oh ah ah, I'm going to be fucked bad... I'm going to be fucked bad by my sister!

, I really fucked my sister-in-law! This is simply heavenly pleasure. I never thought that sexual fantasies could come true! I used to care about my slutty sister-in-law

Can't compare! Mmmmm, it feels so good and even wet! She was even more fundamental in her fantasy than she imagined, like she was in a sweet dream!

Haah...ah...let's
change
Posture?

My sister is so cruel that she can't even stand anymore. Then she fucks me until my legs are weak. I'm going to numb you and show off my strength~

It can't be closed, and the vaginal fluid keeps flowing...Sister, hurry up and my hole will be blocked by my sister, Han Lai!

? Was Zhisu's appearance just an act? But sister-in-law, why are you like this? You are so cute like this!

It's all you. I really like you so much when I can do it with you... After meeting my sister-in-law, my head was filled with love and I was so happy!

It's red from fucking, let's take a closer look at your pussy... My sister-in-law's pussy is even more beautiful because of me... It's so wet and beautiful... Sister-in-law, you are so charming!

Meat hole! My sister-in-law can't stand it if I insert my cock...I can't help it anymore!
Gone!

! It's so deep, I
can't help it,
ahhhh, it's coming
in again, ahhhh!

Oh oh oh
sister-in-law, why are
you still sitting here!
Mmmmm, it feels so
comfortable!

Big brother has been discussing future plans with the engineer recently. Well...it's already dawn, right? , I feel so tired...

I still feel restless after a good night's sleep, but I'd better get up and walk around first... maybe I'll feel more energetic.

Already got up? It's so early and I don't know where she is going, right? Why isn't Wei here?
了.....

She shouldn't have slept very long since she got up so early, right? Or is she also worried about what happened later? Oh, thank you so much for her hard work.

**Don't let Wei feel
uneasy alone. Go
talk to her.**

Bar....:
