Throat? I originally thought that I could live the life of a housewife and just eat, drink, have fun and buy things every day, but I didn't expect that?

This woman is quite capable and can manage such a large company~~ She still had the energy to go to the nightclub at night 2

SP\_XXX

By the way!  
I've been  
too busy  
lately and  
that  
important  
thing  
should still  
be there.

It's not as

Oh  
this!?  
Someone

SP\_XXX

Hello?  
Why are  
you lying  
on the  
ground  
like a  
dog?

SP\_XXX

Is it  
bad?  
"That  
one? It's  
gone."

SP\_XXX

Which one?  
Is the one  
below you  
missing?

SP\_XXX

So we can't change back and we can't restore them?

Let's  
calm  
down  
and think  
of a

SP\_XXX

How do  
you want  
me to calm  
down? I'm

Can you please  
calm down~  
Calm down

By the way, this is the office. There should be surveillance?~ Let's take a look

You are  
so  
smart? I  
wish you  
could  
think of  
it and  
check it  
out  
quickly.

Use the locator to track Zhang Teshu's whereabouts and lock it in the vicinity 2

I have no  
choice but  
to try my  
luck and  
pray that I  
can find  
the mouse  
that bit the  
bag.

However,  
the locator  
is not very  
accurate  
and you  
still have to  
find the  
error value  
yourself.

SPXXX

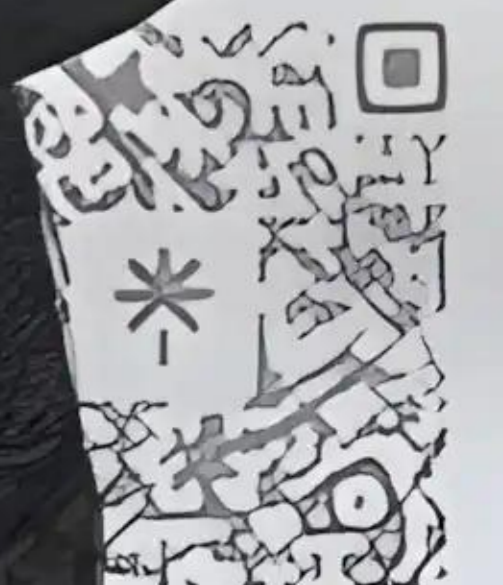

The back figure in the front looks familiar, isn't it a mouse?

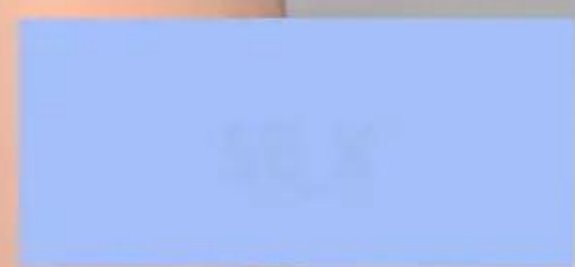

I'm so lucky to meet my senior sister Jingran today)

P\_XXX

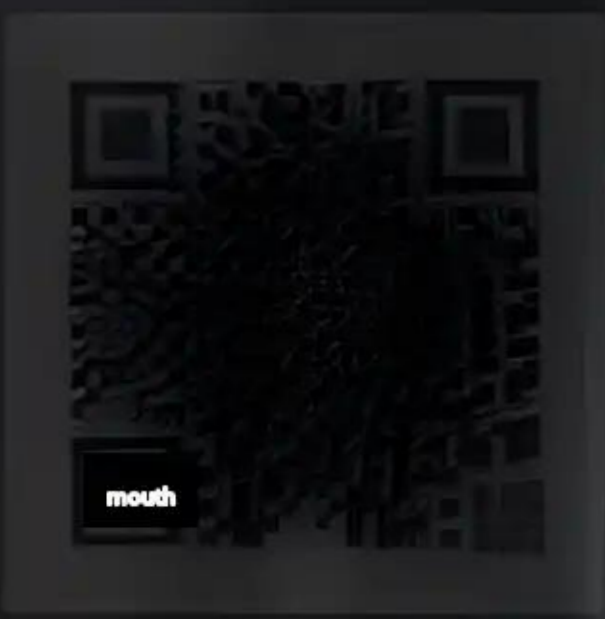

I found you. Look, that mouse is right in front. 2

Where should we go? After staying in the laboratory for a long time, my sense of direction is not good either.

X

It's really him - 2 meters - let's pay him quickly and stop him

S\_X

We finally caught his whereabouts, why don't we rush forward now~}~We still have to wait~Two of us are afraid that it won't happen yet

Wait a minute. If we go there and cause trouble on the street, he will be wary and it will be harder for us to find him.

Although we have surveillance video and it's true that he took the thing, it would be difficult for us to explain the origin and use pictures if the whole thing happened.

\*mouth

He's just a thief. I don't care about that. I'm going to catch him now.

If you  
don't  
want to  
help,  
don't  
block  
me. Get  
out of  
my way.

didn't say I

It seems like you turned in from the front?

You have to  
hurry up  
and keep  
up, don't  
really let  
that rat's

Why  
did the

Could  
it be  
that

him? 2

It's unlikely  
to be  
discovered.

This rat is really good at finding holes in it.

In my

there is a

shop near  
here. 3 I  
would  
definitely go  
there to  
cause  
trouble.

Why don't  
we just go  
up there

luck to see  
if the rat  
gets into  
that store?

This punishment is considered to be an advantage for you, and you can use it as a beautiful woman's skin, right?

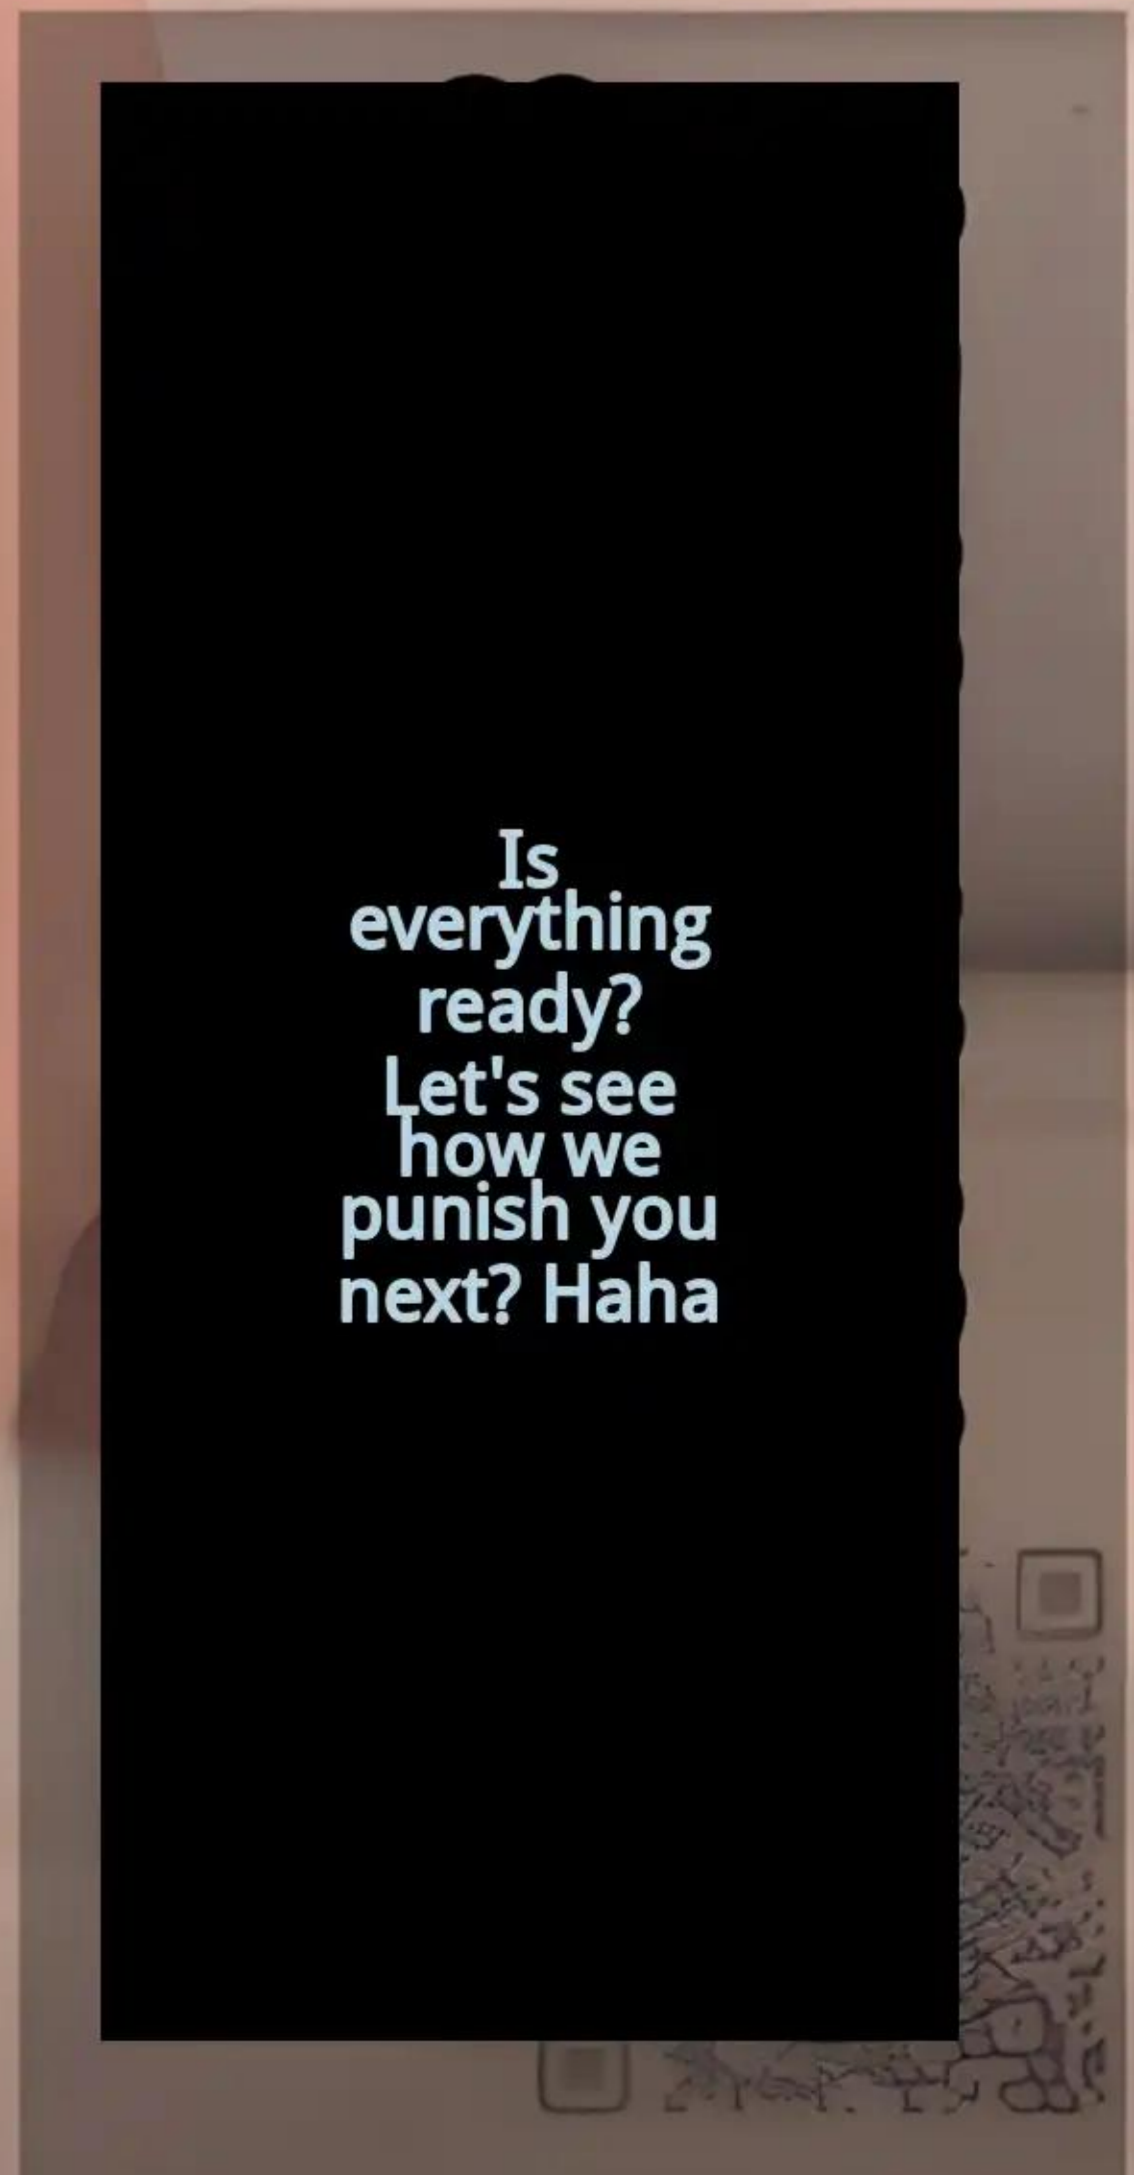

Who would have thought that I am becoming more and more skilled in trapping? Help someone set it up and it'll be set up in two seconds.

The wretched mouse is about to turn into a beautiful woman.
