

Uh-huh~

Although she is an adult woman, haha! Your sister's body is really good, but she still has a sense of rawness and vitality.

Thinking of such a cute girl makes my cock want to ejaculate right away, haha! Being put on by me, a pervert, my dirty and obscene sexual desire will contaminate her from within.

**Sure enough,
foreign girls have an
advantage in this regard!
It's a pity that your
sister's breasts are a
bit too small.**

It's also very
fascinating! Uh-huh!
But it doesn't matter,
this unique fragrance
of young women,

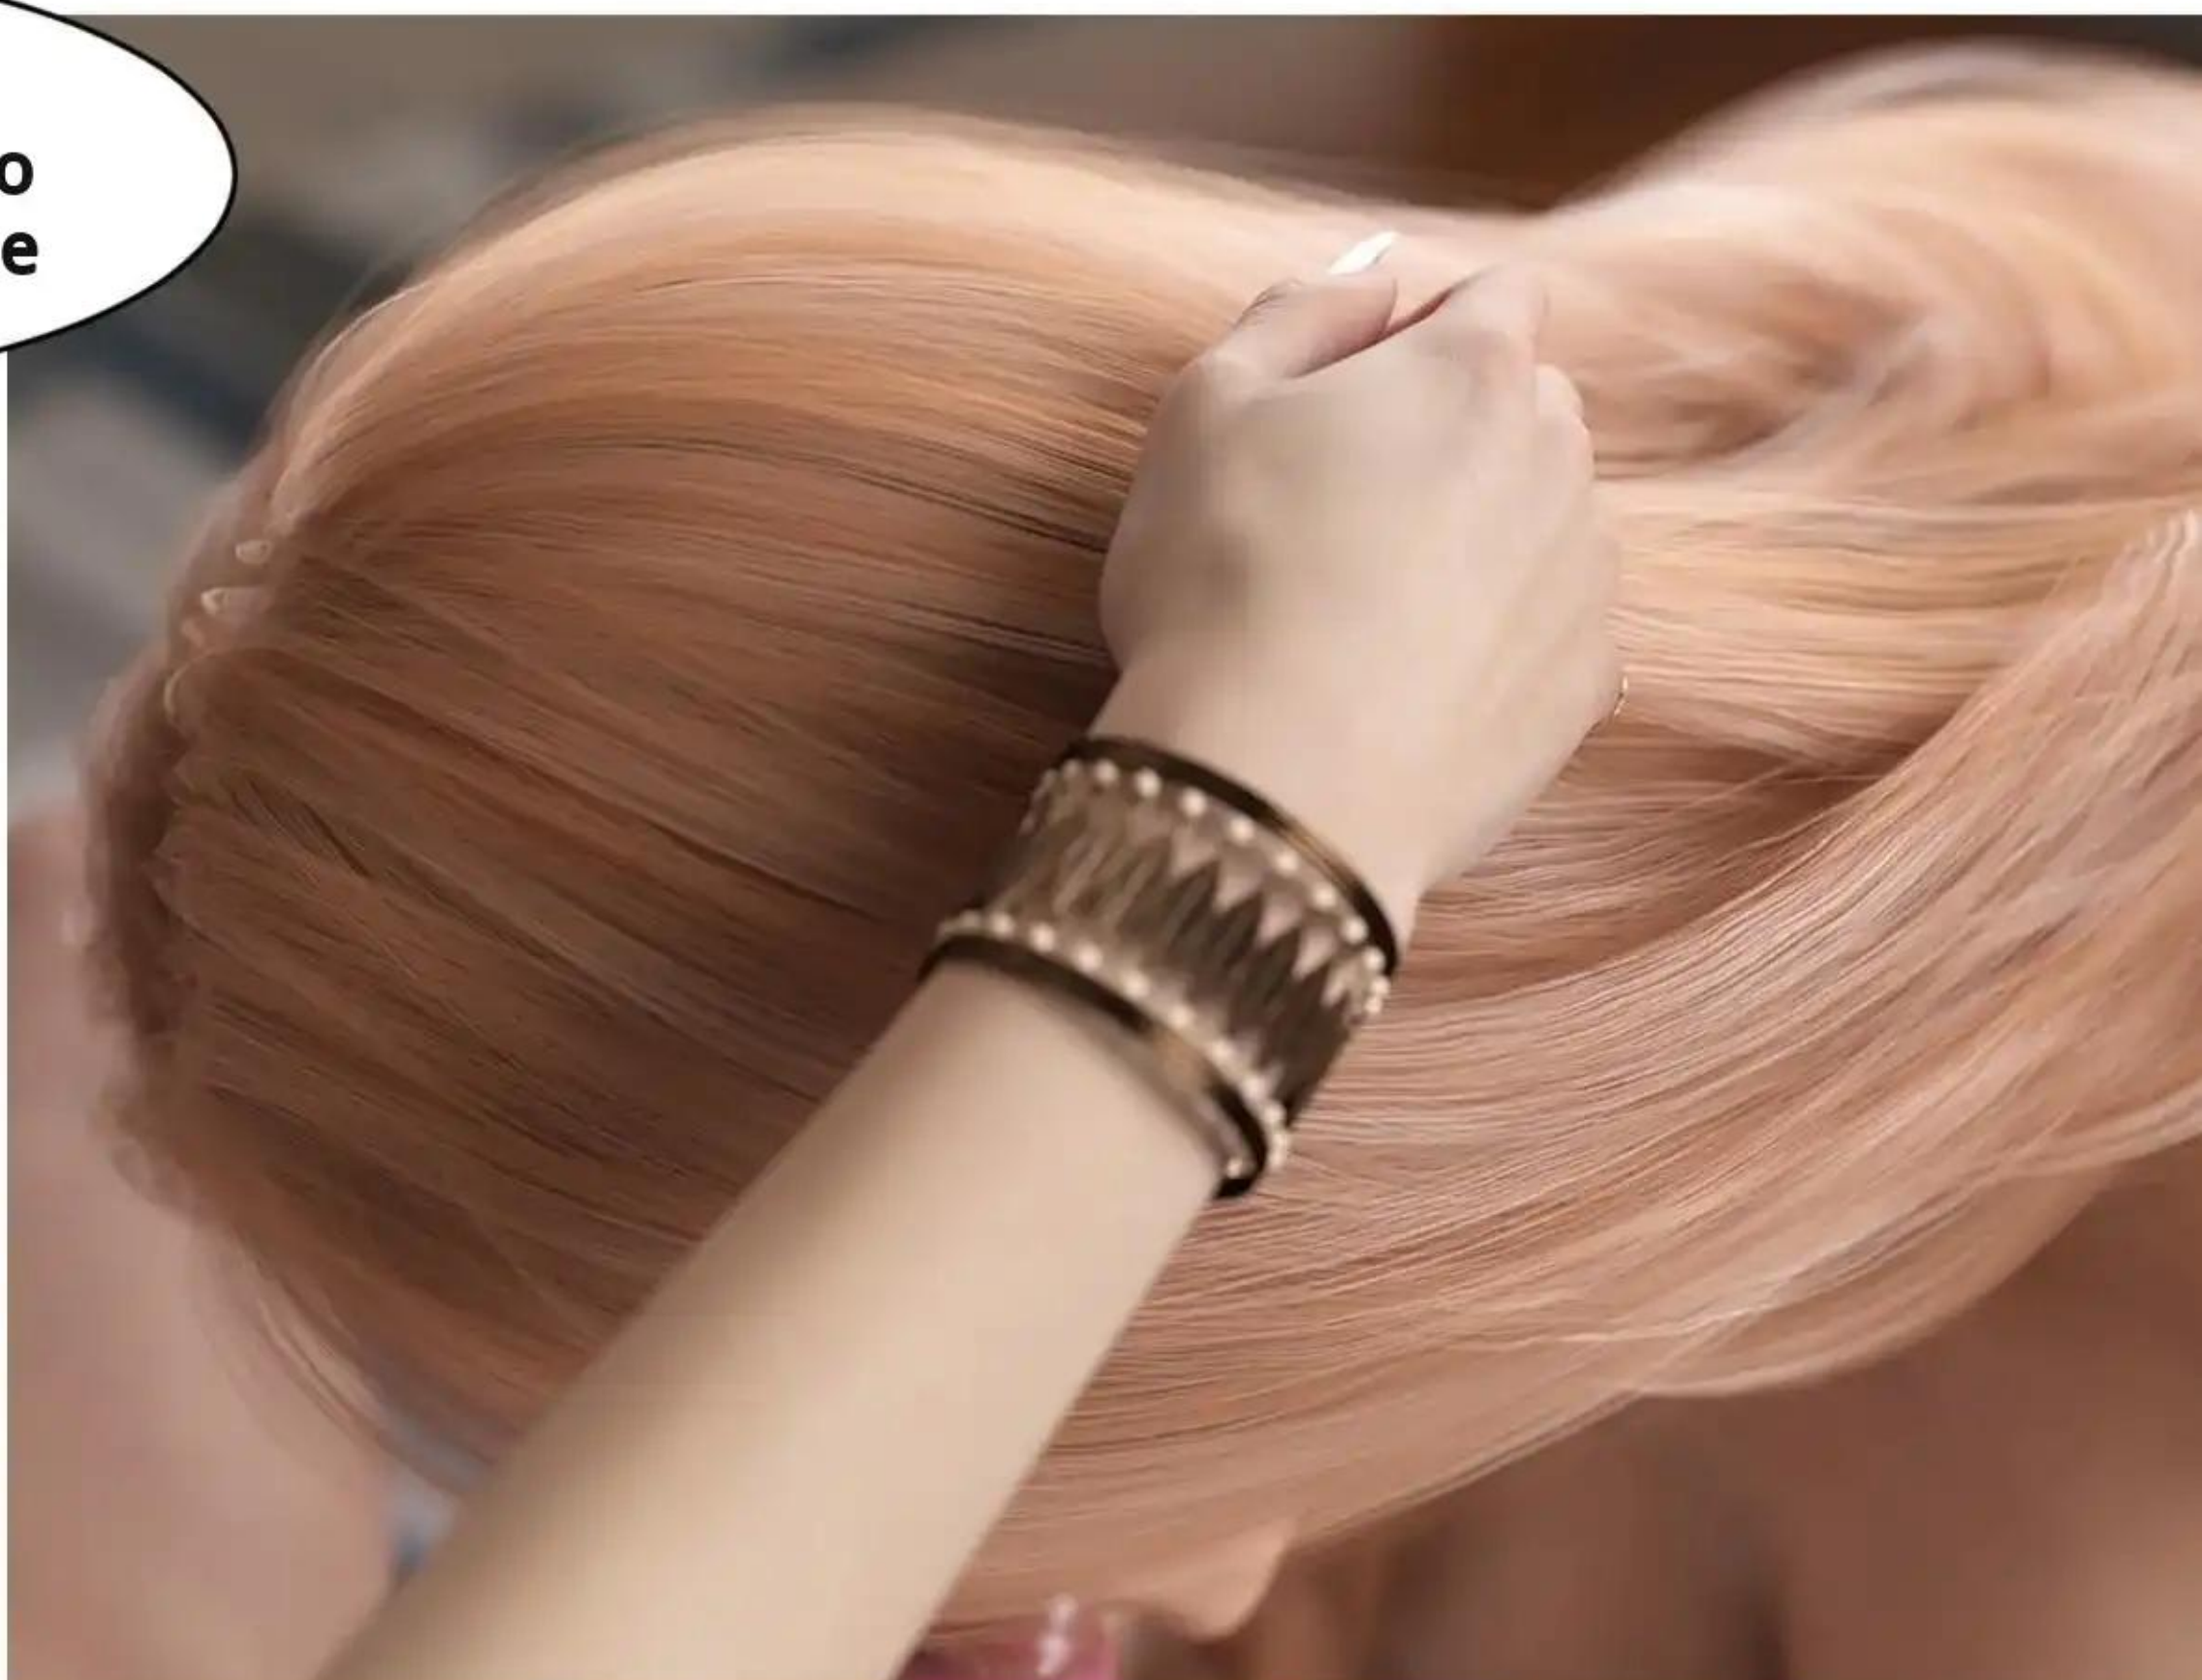

smell

And what's
even more
enjoyable is

The sex slave is
serving me...I also
have a special one

Do you think so?
The old me?

**Woo!
Woohoo!**

**Your mouth is
filled with the taste
of his cock! Meat! It
hit my throat**

Uh-huh! My sister's
cock feels so
comfortable, what
should I do~

But I still can't
get angry! Even
though she knew he
was a scumbag at
heart, she still had
such a cute face

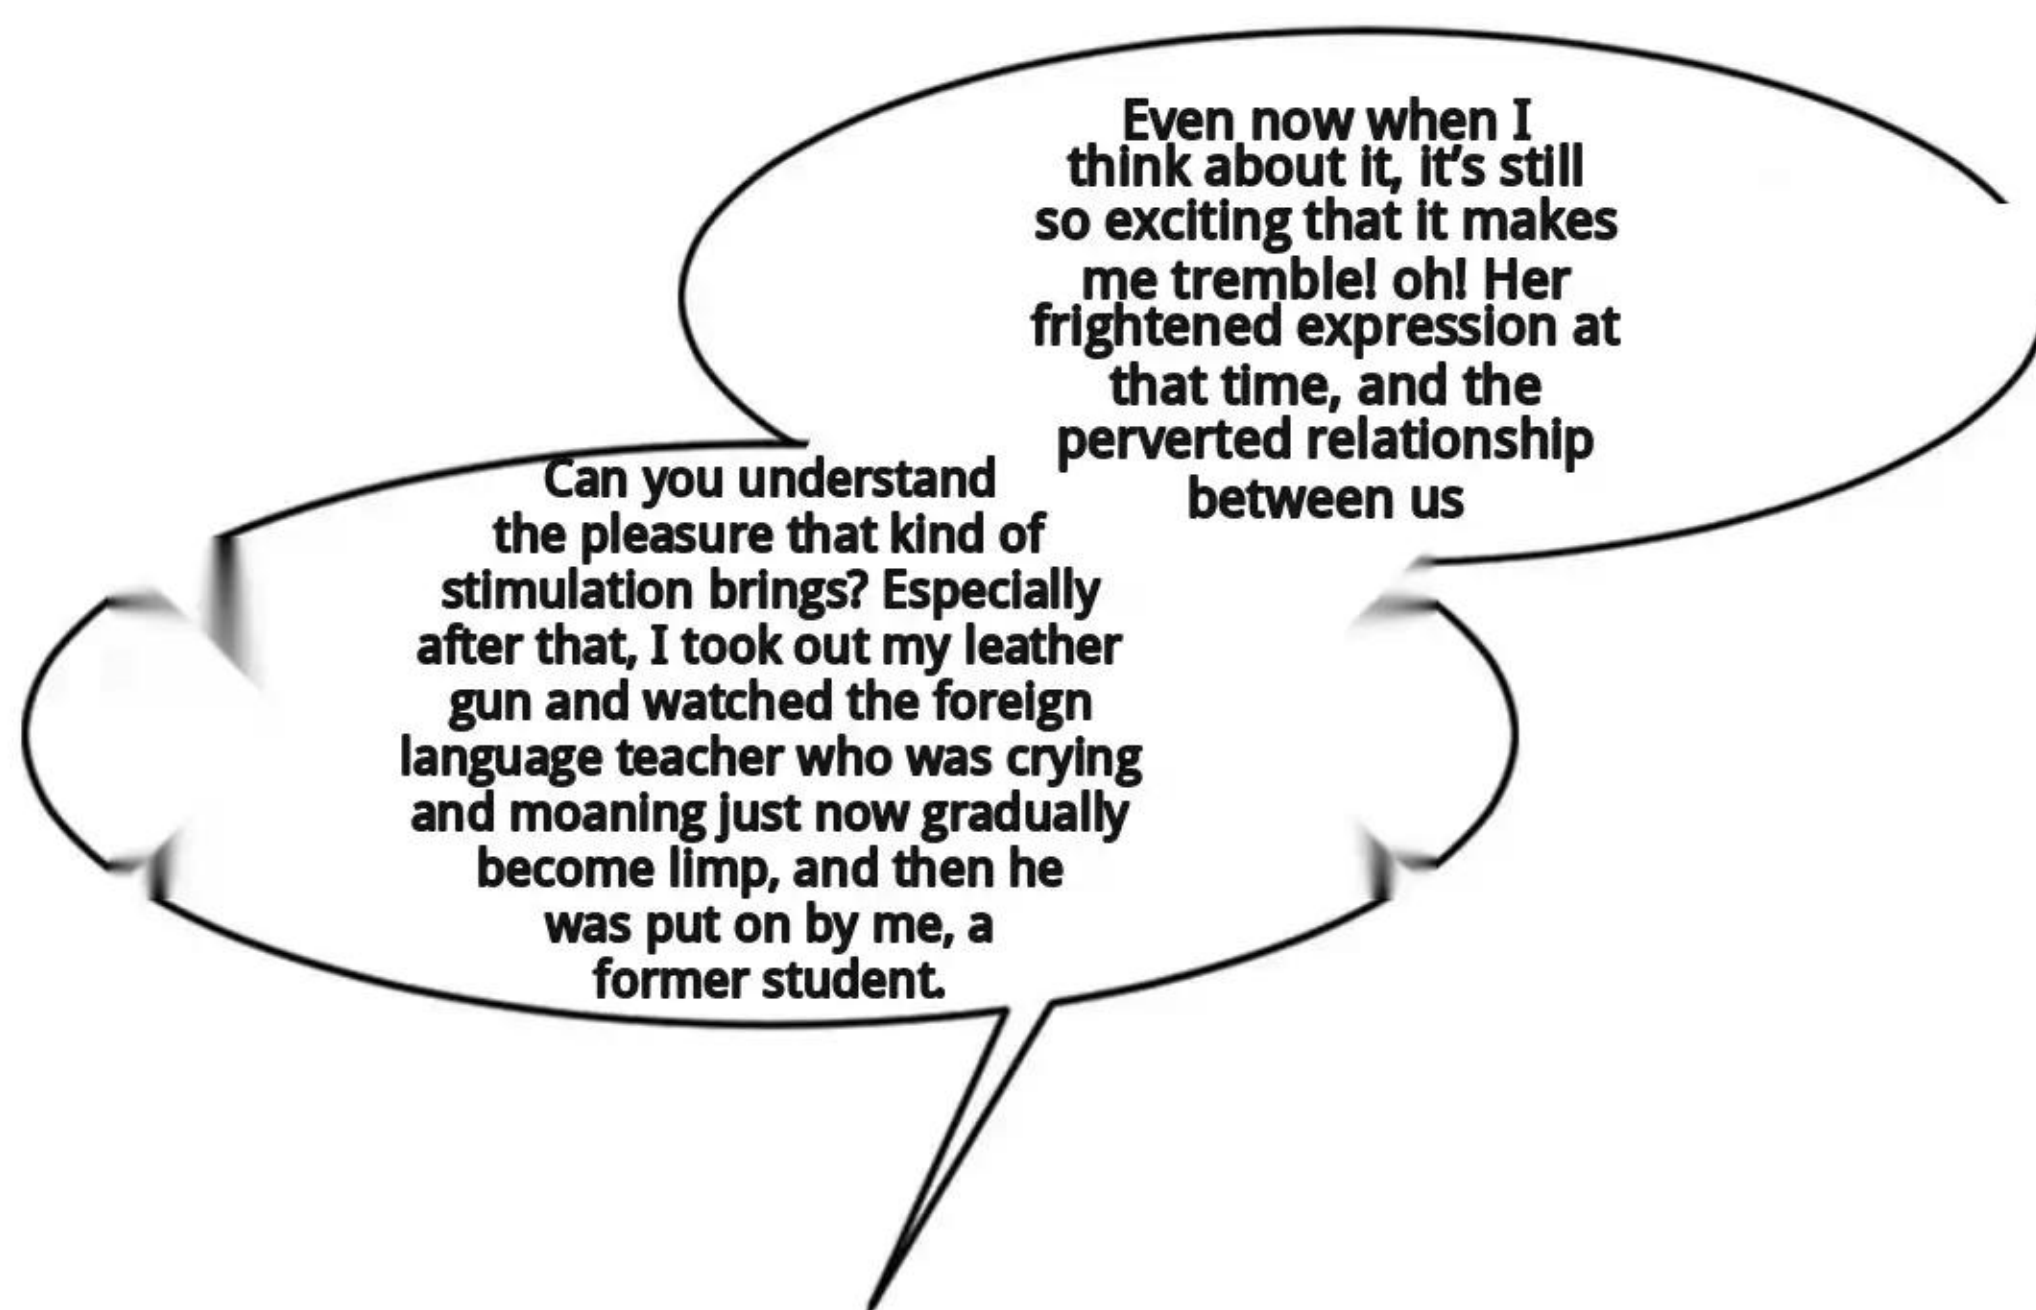

Now you can see her working hard to eat the cock, which makes people feel confused but excited, haha!

I also have some feelings for this foreign girl! Ha! As the leather I wear the longest,

The experience that turned her into skin! It reminds me of the time when I approached her and saw your cute and sweet appearance.

Then I fucked her hard with my big cock under my skirt! At that time, I wore the skin of one of her students and was alone with her under the guise of asking questions.

.....
.**He is truly a
hopeless pervert and
simply a devil! You still
enjoy other people's
pain and treat women**

-like playthings.It's all my fault!

**It's all my fault
that my sister, who
was always sunny and
cheerful, now has such
an evil and perverted
expression.**

Ahhh! Recalling
that time makes me
unbearably happy! The
ultimate pleasure,

It feels so
good, so good!
I'm going to cum
hahahaha!

Woohoo!
Woohoo!

i

Cum!

cough!
Ahem!
Ahem!

**.evil! He actually
ejaculated directly in
my mouth! I was forced
to swallow a little bit of it
and it made me so sick!
Not only does the fishy
taste fill your mouth,**

Ahhhh! It's coming,
it's coming! Now
everything is mine! Her
memory, her life, this
woman's memory flowed
into my mind with the
climax, and here comes
my favorite part,

**It's so
fascinating! Ha!
It's cool, it's really
cool! This sense of
intrusion, of peering
into other people's
memories without
reservation,**

**I also have time to enjoy
it, hahaha! Sure enough, after
getting the leather gun back, I
became more confident.**

Can you take off my sister and restore her body? I also got the leather gun. I'm asking you to ask me to help you. I... I told you that you feel good too.

Why do you have to keep my sister? Now that the gun is in your hand, you can have any kind of beautiful woman you want out there.

I remember everything clearly, sister!
As your sister, I know everything about you, whether it's the fact that you still wet the bed when you were five years old, or the fact that you almost got lost when you were ten.

What are you talking about? I am your sister Zhou Ying! Oh, my dear brother

Peep into my
sister's memories, they
belong to her and our
family... shut up! You are
not allowed to have
precious memories like
this!

It's so funny, but
so many precious
memories? puff!
Hahahaha,

It's like I haven't read other people's memories! It sounds like you two have never worn anyone else's skin.

The one who owns the leather gun now... is me! You and I are the same thing, don't laugh at the fifty steps and the hundred steps. The only difference is,

Be careful, your whole family will be turned into skin by me! Wahahaha! So my good brother, you have to remember it carefully. If you dare to go out and talk nonsense...hehe, from today on, I will be your sister.

Of course I will take your sister off! But don't worry, as long as you just wait for the day when I have enough fun and have fun

You'd better calm down for me, do you understand? So you two, during this time

...He...will there
really be a day
when he lets his sister
go? What can I do? But
now, apart from
obediently listening
to his words, I

Sister, I'm
sorry, it was
all me who
hurt you!

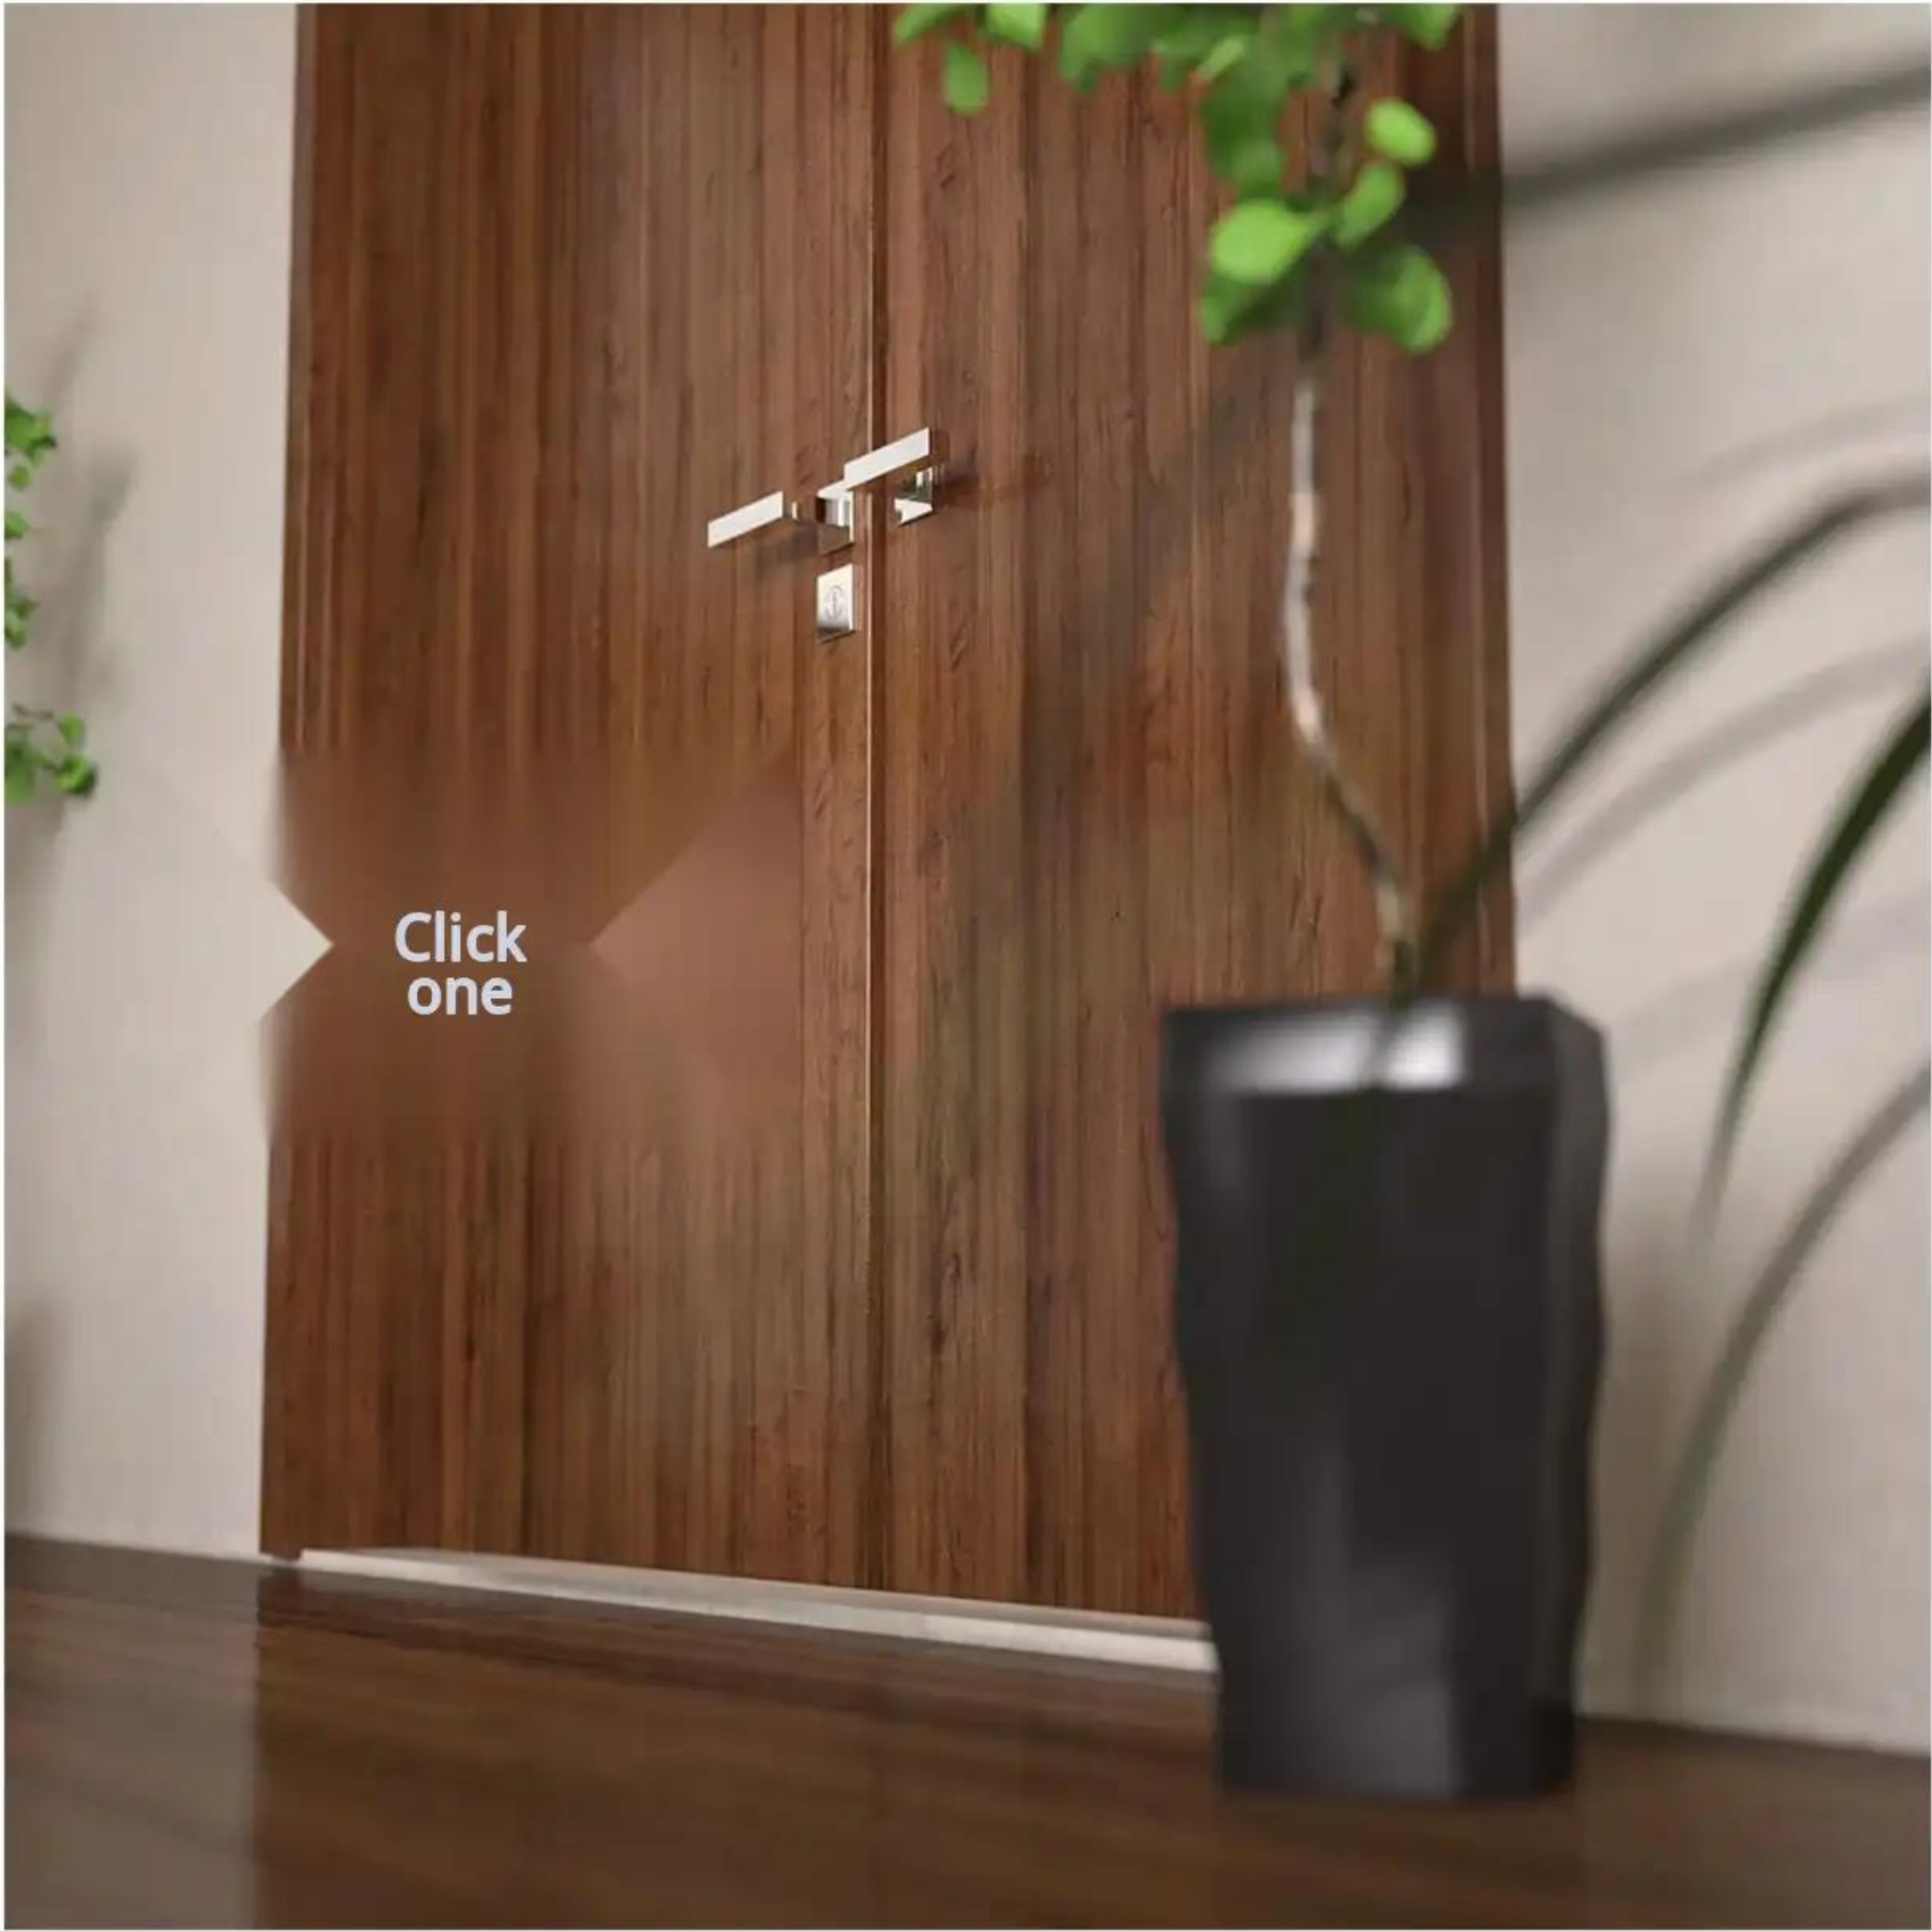

I also got a nice piece of skin! Haha, not only did I get the leather gun back now,

I enjoyed it to the fullest at home haha. Next I can be here and the happiest thing is

later

I'm
back.

Alas, I don't know what happened these days. My body was feeling groggy from time to time, my memory was getting worse, and even my work was not going smoothly.

But I don't remember it at all! what is going on? He also said that he had already reported it to me, Xiao Zheng, saying that there was some naked pervert in the hotel.

Even Yali looked distracted!
Xiao Zheng always looks at me
strangely today and I don't know if
it's my imagination.

Everyone down there
is so uncaring, really! It's
the anniversary of the
establishment of the
hotel.

Mom,
you are
back~

Didn't you say
you wanted to have
dinner with friends?
Huh? Xiaoying, why
are you at home?

So I canceled it!
Oh, my friend is temporarily busy,

....
.Since you are not going out, why are you dressing up like this? Didn't your mother tell you before that girls should dress appropriately and modestly when going out?

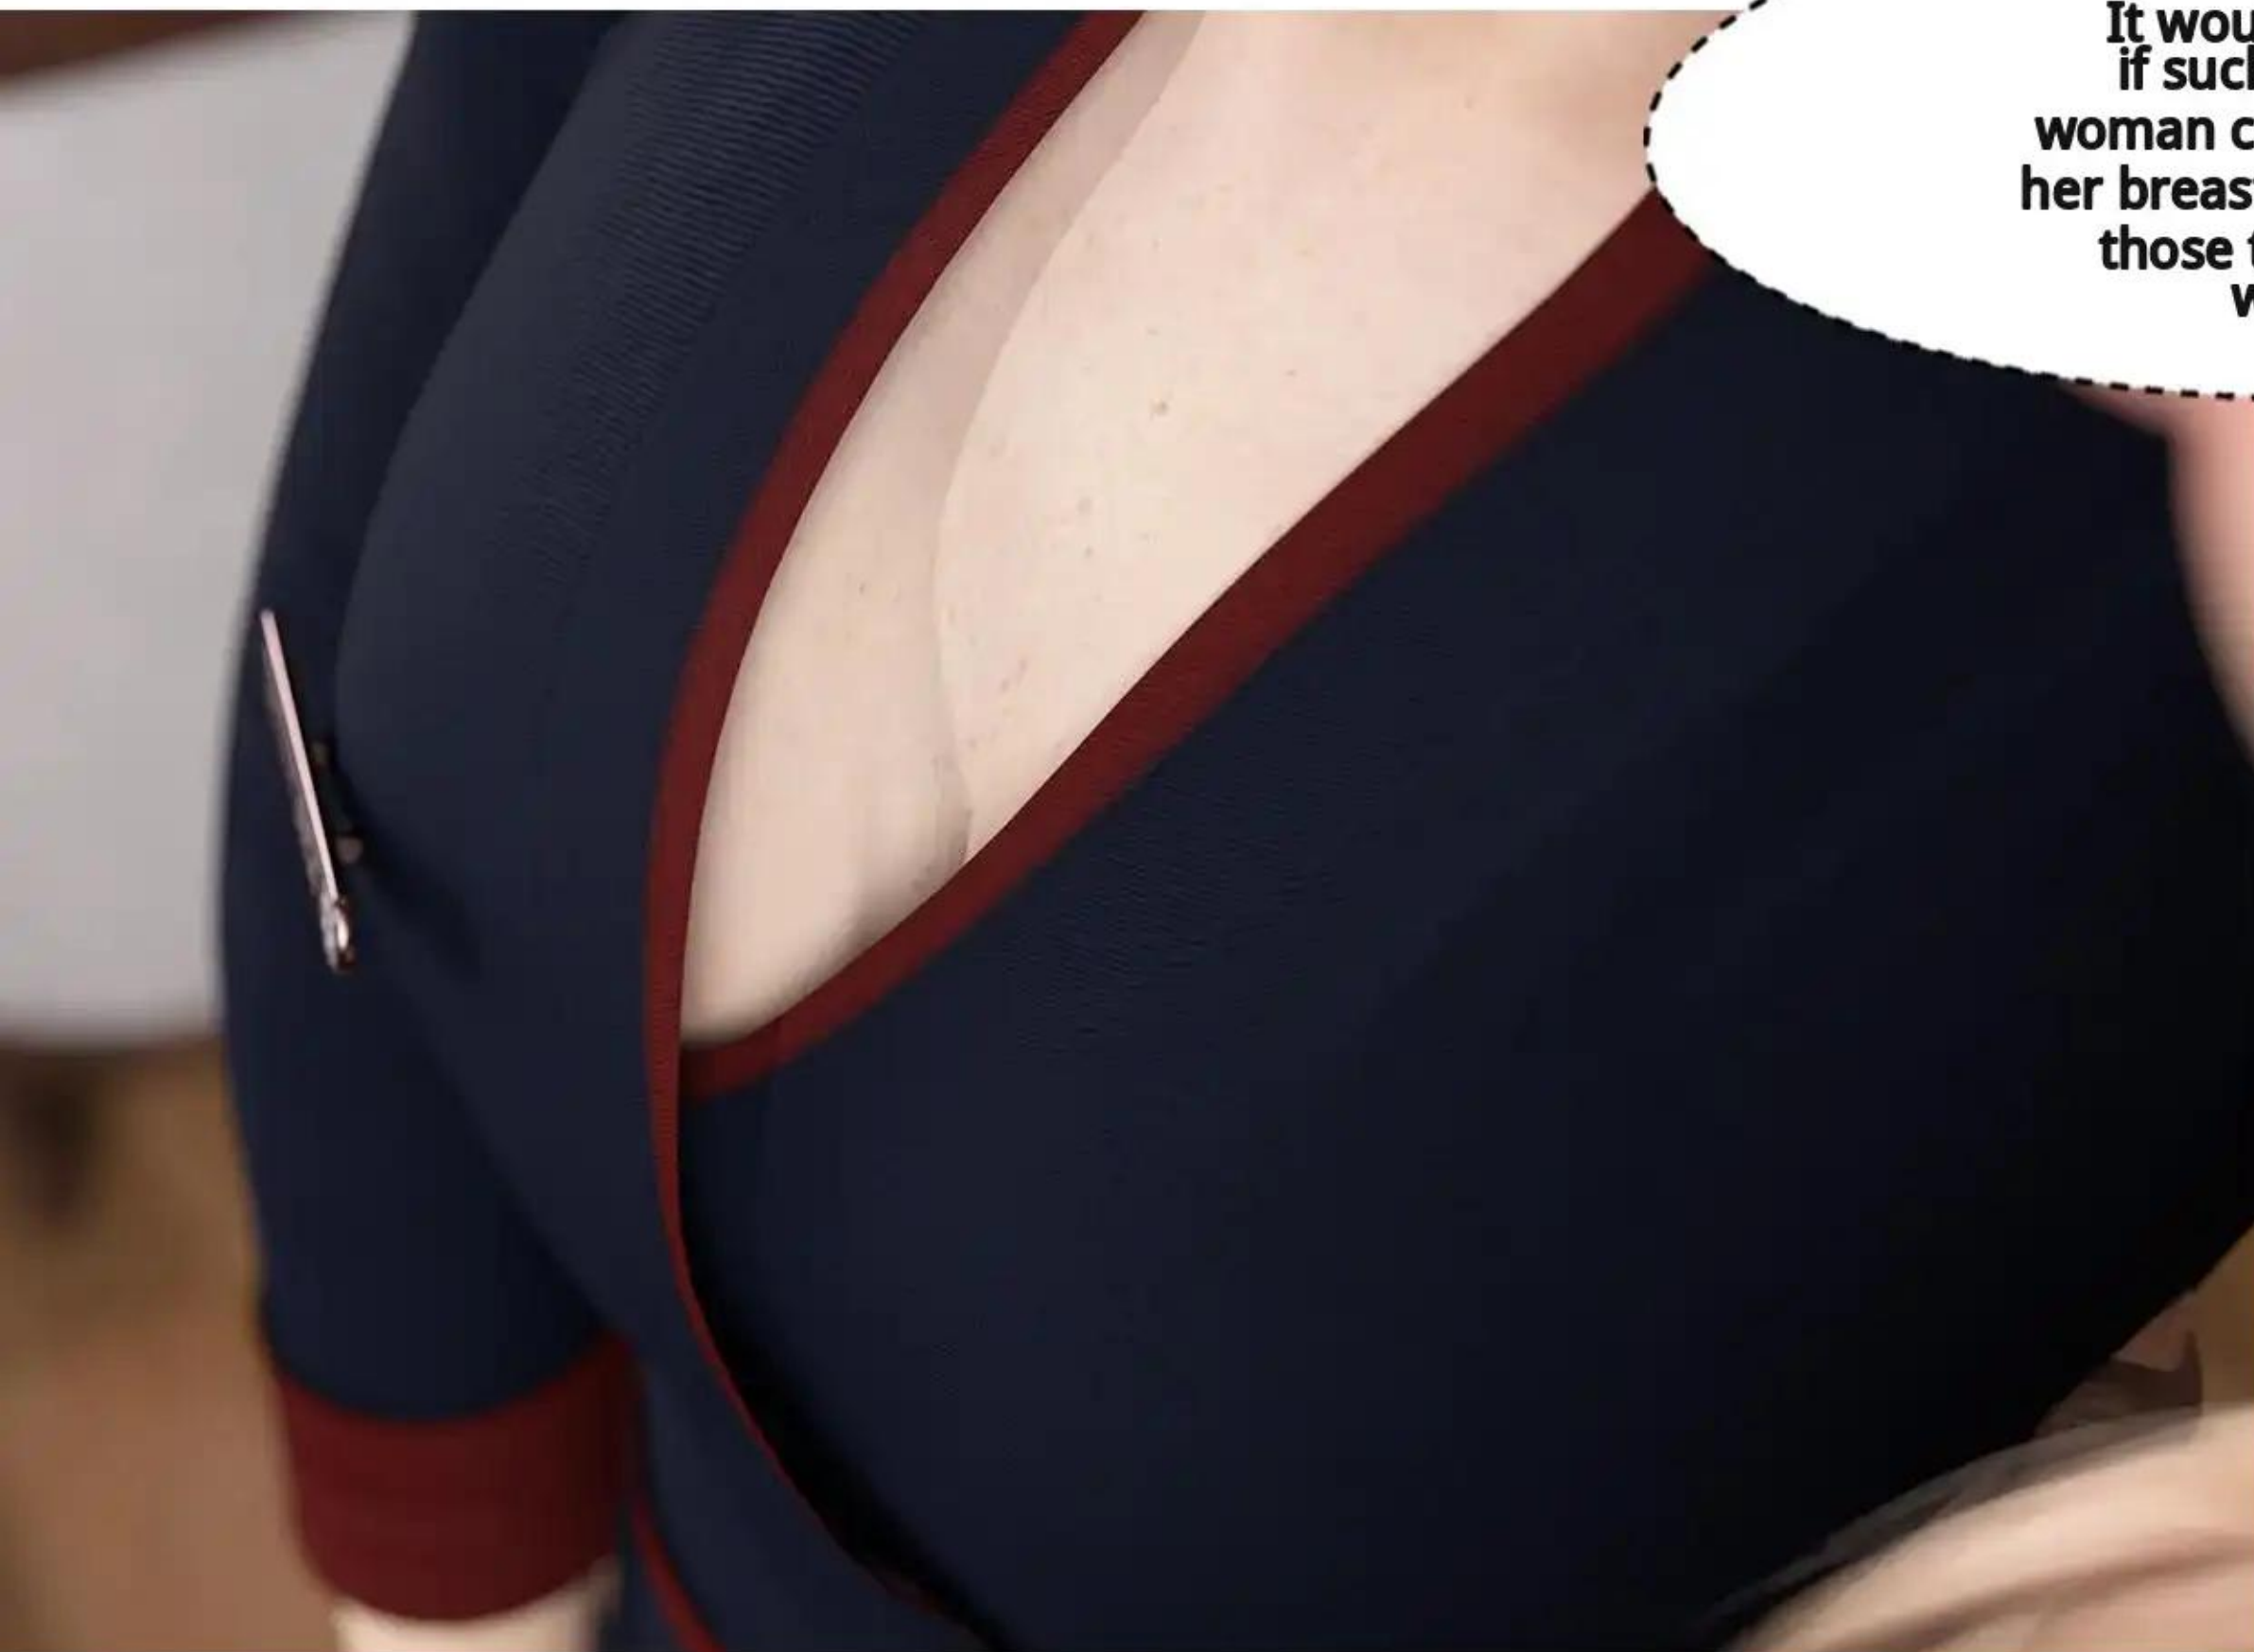

You won't dress like this, mom, don't worry! Oops, I know, so you don't have to go out? if i really want to go out

His mouth is really instigating! Whoops! When we were in the hotel, I felt that this woman was decent enough, but it was a pity that she was a mother

It would be a waste if such a top-notch woman couldn't cover up her breasts and beauty for those two brats. If it were me,

Do you want to attack your mother too? What should I do? Look at that bad look in his eyes.

Should I secretly tell my mother the truth? But let alone whether my mother would believe such a ridiculous thing as human skin, it would be terrible if the bad guy found out...

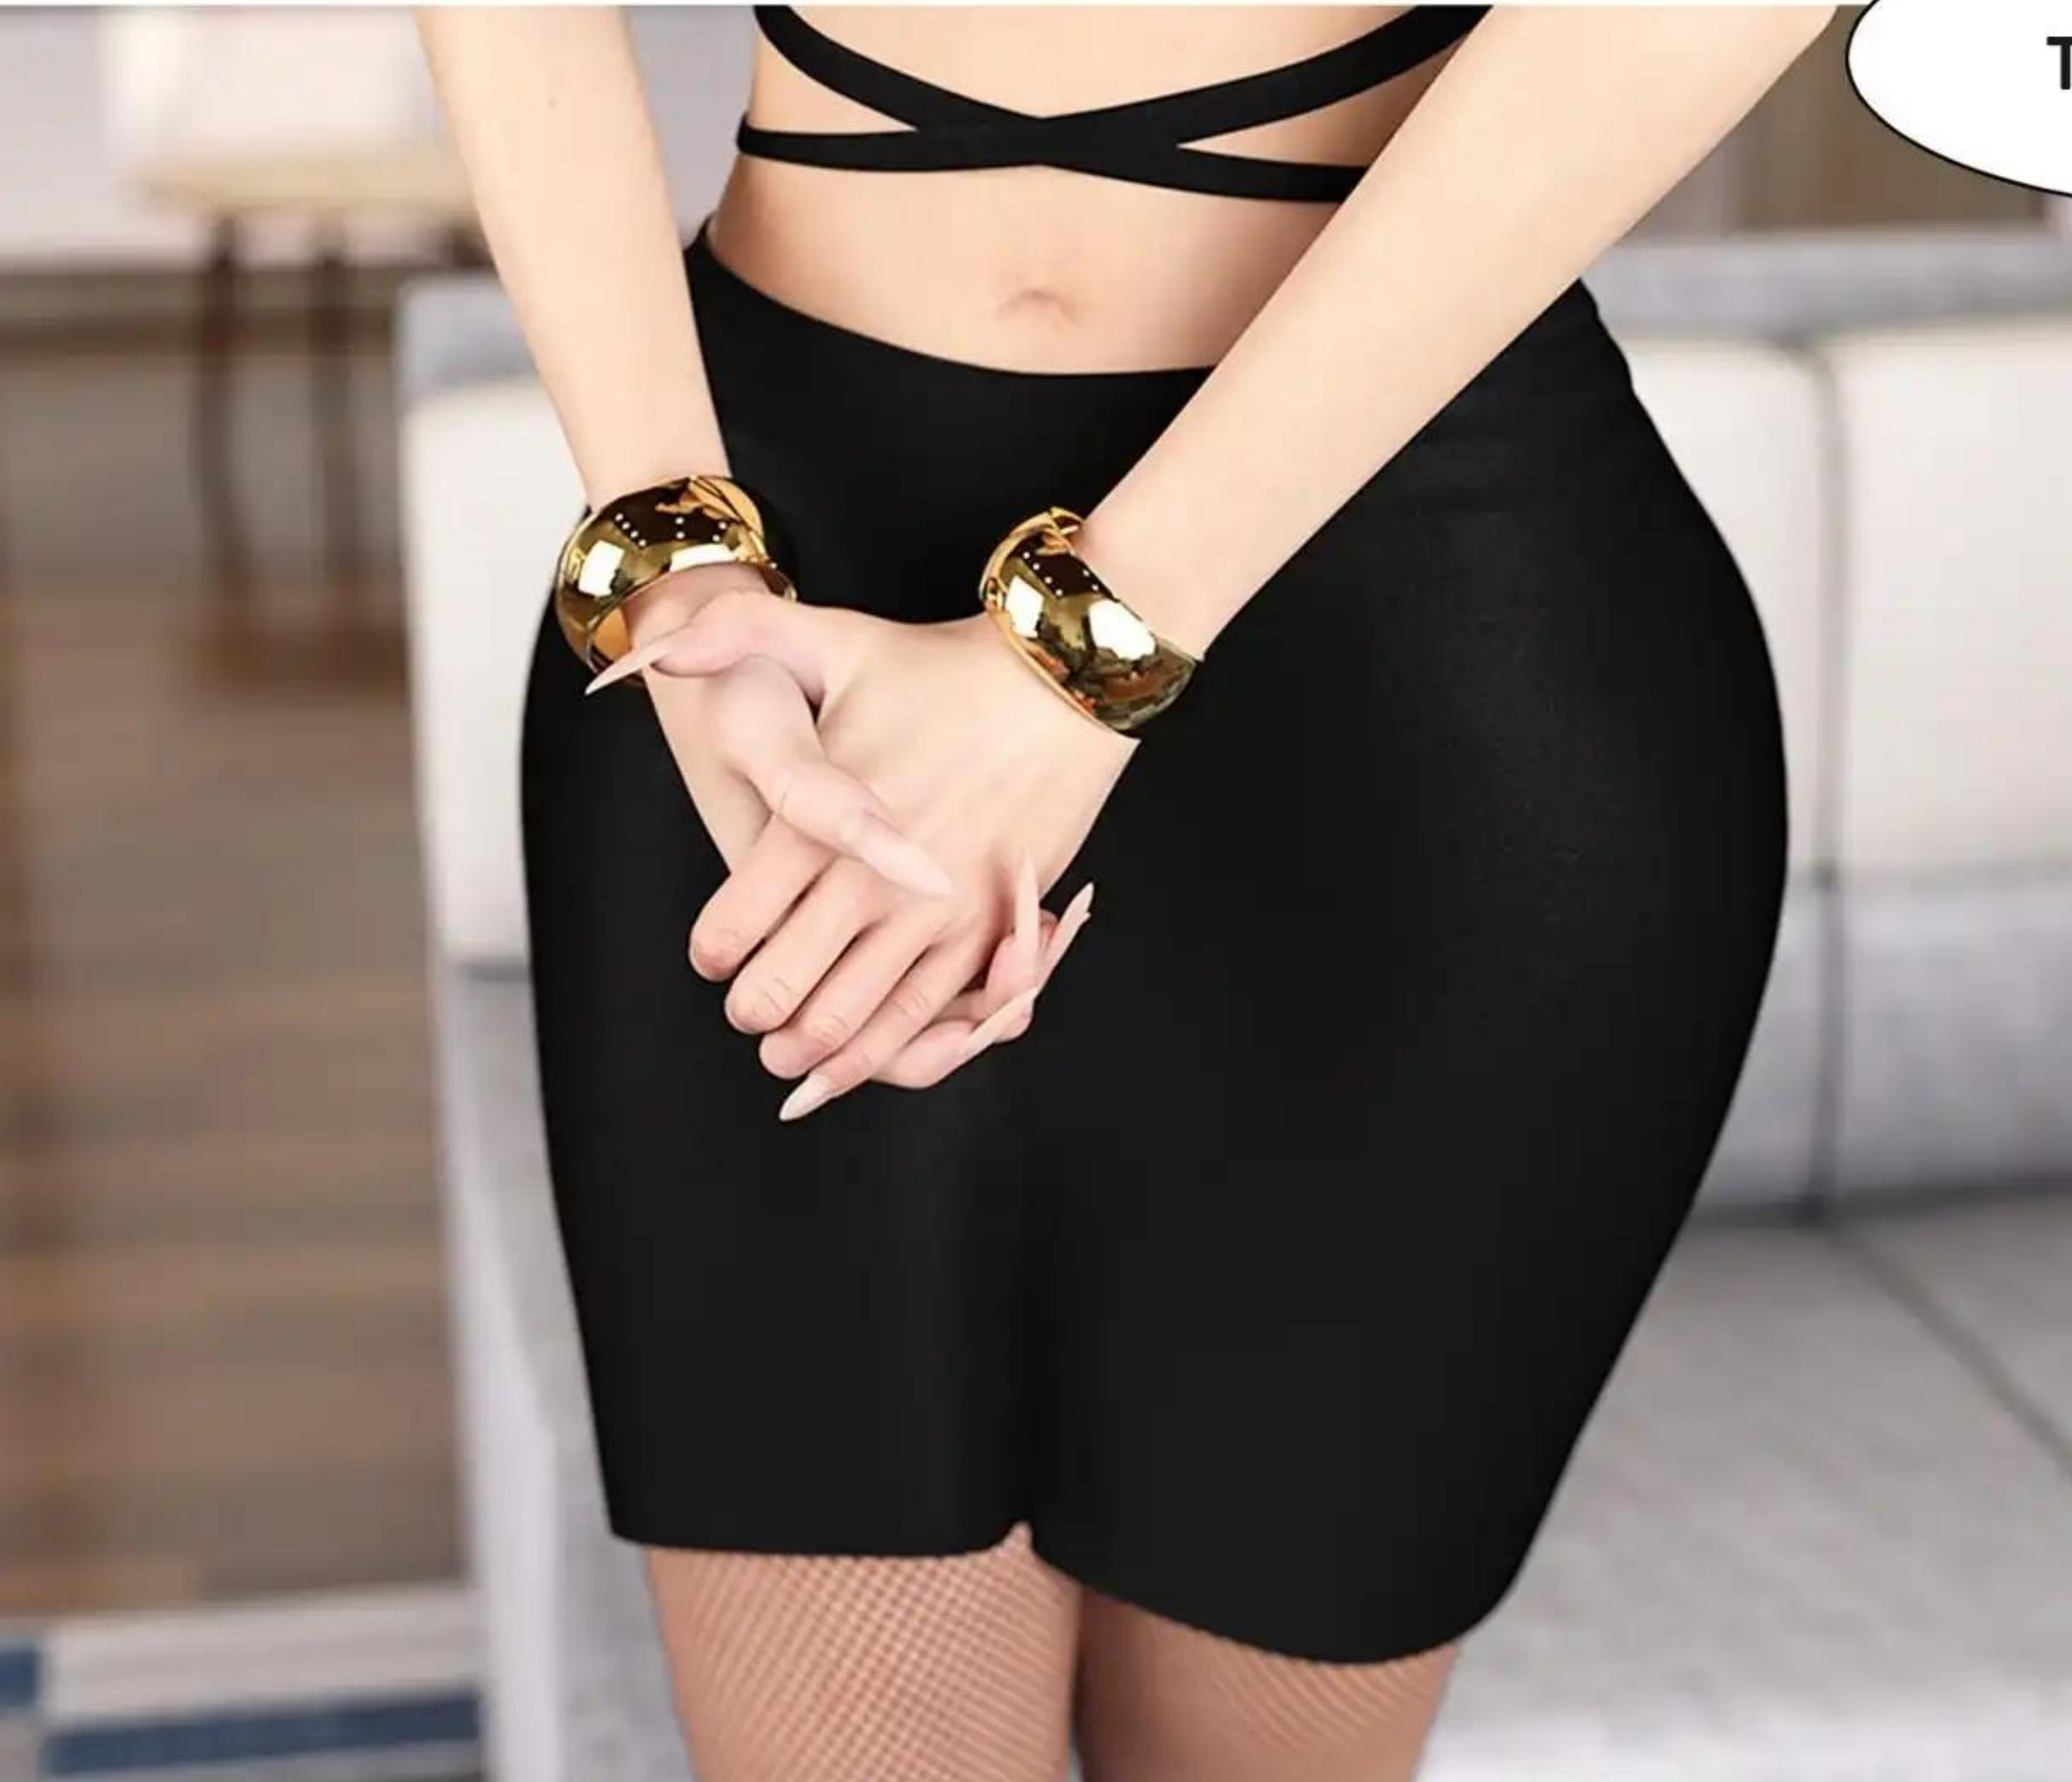

I see you usually don't tell me that I can't go out, so why are you dressing up so much? Take your words to heart, you really are ...

How much to save some face for others! There are guests at home today. My dear mother, I beg you not to be a catfish.

guest?
What
guests?

That...Hello!

Hello aunt,
sorry to
bother
you...

So I specially invited her to come home to chat with my brother today! There are areas where he needs to improve his English conversation. Just a while ago, I heard my brother mention it.

She is a tutor specializing in foreign languages! Mom, let me introduce to you. This is Monica.

Don't
you think
so,
Monica?

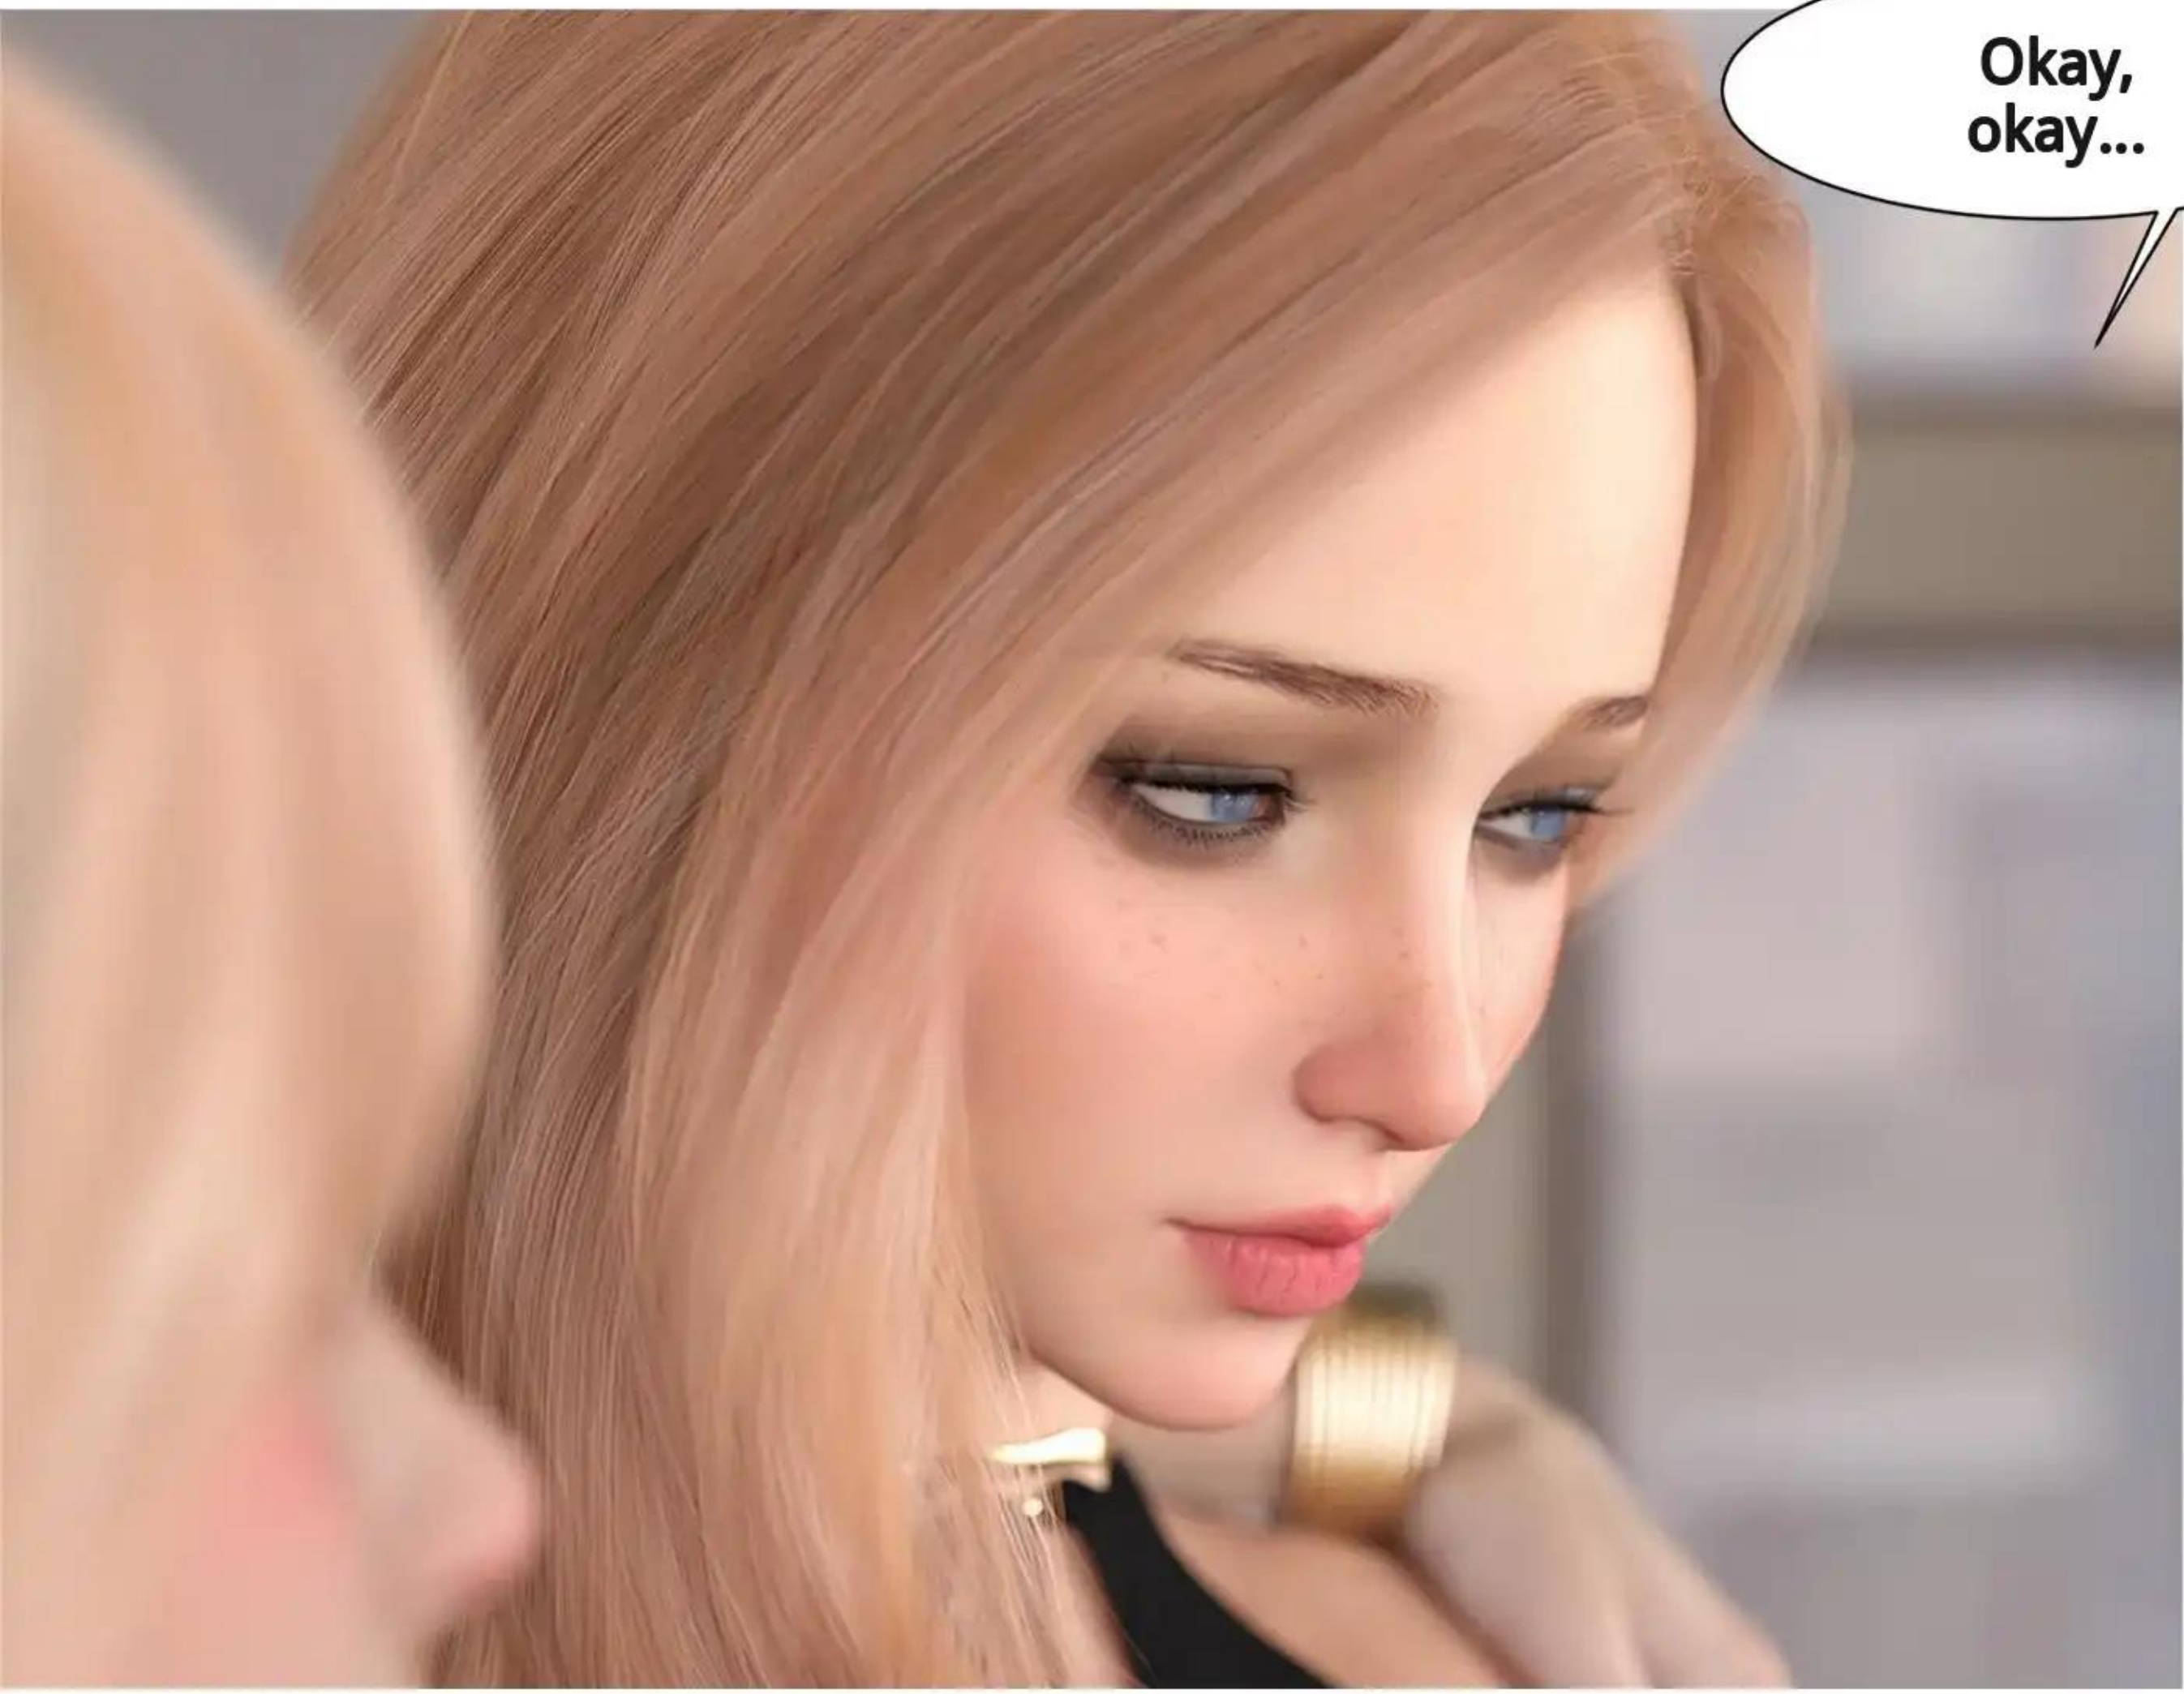

...Yes,
yes.

**Aren't tutors who
tutor students afraid of
being distracted by their
students? ..Why are you
dressed so revealingly,
even if foreigners are
more
open-minded?**

**If you don't mind
tonight, then we can
stay and have dinner
together! So that's it,
that's really
troublesome for
Miss Monica,**

Okay,
okay...

I've ordered
delivery! You don't have
to worry about dinner.
Hehe, mom, you worked
hard at work.

It doesn't matter! I promise you won't do it next time, okay? Alas, I just ate it once in a long time.

You kid, didn't you tell me that eating out is unhealthy and you should eat less? Another waste of money!

The tone, demeanor and conversation. Just listening to the conversation between the two of them, the sense of daily life revealed is absolutely flawless! It's like a real sister talking to mom -

His daughter has been replaced by a man who is even the most perverted man! Even my mother didn't notice

...
Let's go there quickly,
otherwise we don't know
what he's going to do again.
The moth is here!

Then she would be
like her sister...and she
was afraid that if she
really discovered
something, alas! Now I
hope my mother will
realize something is
wrong!

It doesn't matter
if you don't wait for
me! I have some work
matters to do, so you
guys can eat first.

Food doesn't taste good when it's cold!
Mom, thank you for your hard work. You have to hurry up.

.....
Phew, it's been a long time since I acted with someone. It seems like it's not easy to pretend to be a good daughter!

Not only does it
have a mature charm,
but it also has an
alluring fragrance that
makes people feel itchy!
Haha~ But mommy is
really beautiful.

Don't even think
about doing this to
my mother...ah! I, I
warn you,

You...what's
going on
down
there?

Do you actually want to see your sister's pussy? I hate it, my brother is so horny,

It's a pity that there is only my sister's big cock here hehe!

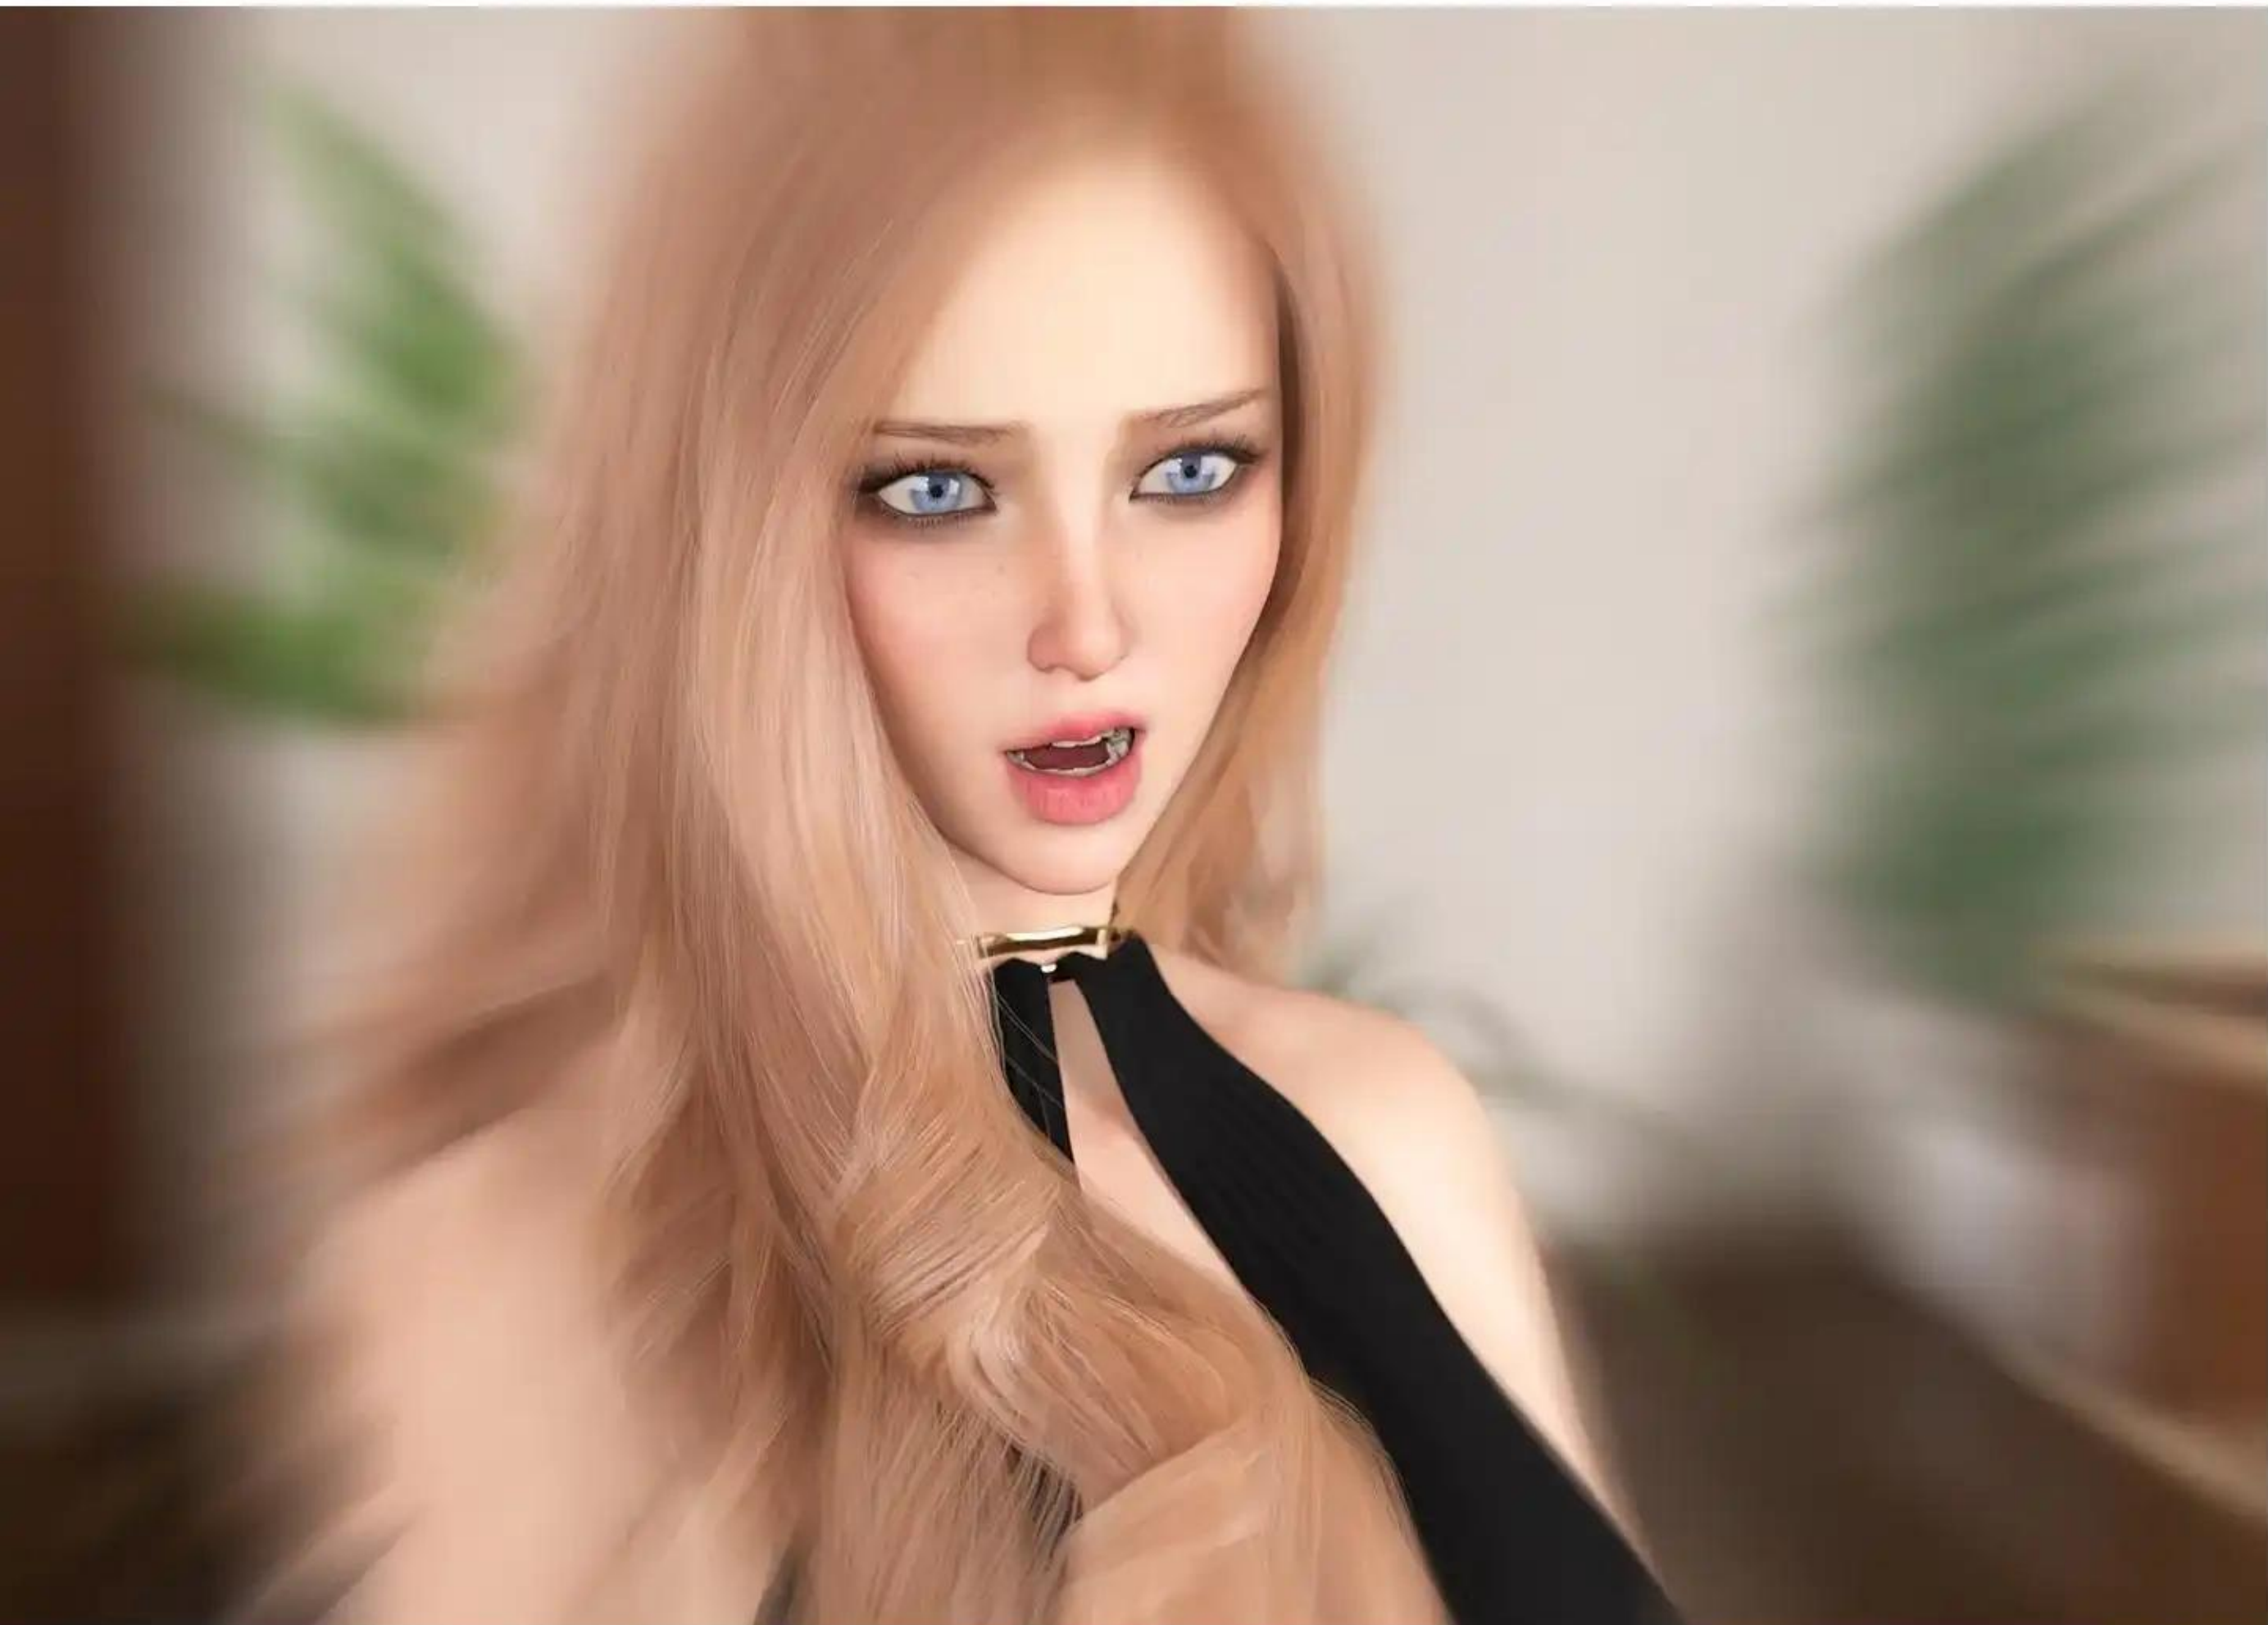

You, you are so...! I beg you, can you put the lower one back? What if my mother finds out?

Plug your mother in,
plug it in, don't tell me, just
take a look for yourself, how hard
has my cock become since you just
saw it? If you like beauties with
big dicks, start with your
mother's big beauty

If I can do
it without
wearing a gang,
then let's see...if
anyone wants
me to vent!

She will definitely be killed. You, can you just follow his wishes, just... Lao Shao, I know this is very unfair to you, but what if my mother finds out?

Tell me, how do you want to play? I...! Oh, damn it, I really owe you!

I don't know if you appreciate it or not? I just want to feed you something else before mom comes to eat with us, and I don't ask you to do anything.

Talking
like I have
a
choice...

Oh Rui,
come on, come
on and eat my
futar cock, eh~

Another bad
expression, haha. I
really like the
pleasure of seeing
dirty beauties
showing off their
men's cocks.

The exciting pleasure is so exciting that you can't stop, hahal
Ha! Especially when you think about me using my identity as your sister to blatantly receive oral sex at home.

What should I do if my mother hears it? You, you have fun, please keep your voice down.

I am still willing to accompany you to continue the show. If I am discovered... Haha, I will have another skin! If my sister's cock is not discovered by my mother,

That's what you have to worry about! Ha, then fuck me! I said brother

.. Damn it, now I can only pray otherwise, otherwise his real mother will really not notice anything unusual and will turn her into a skin!

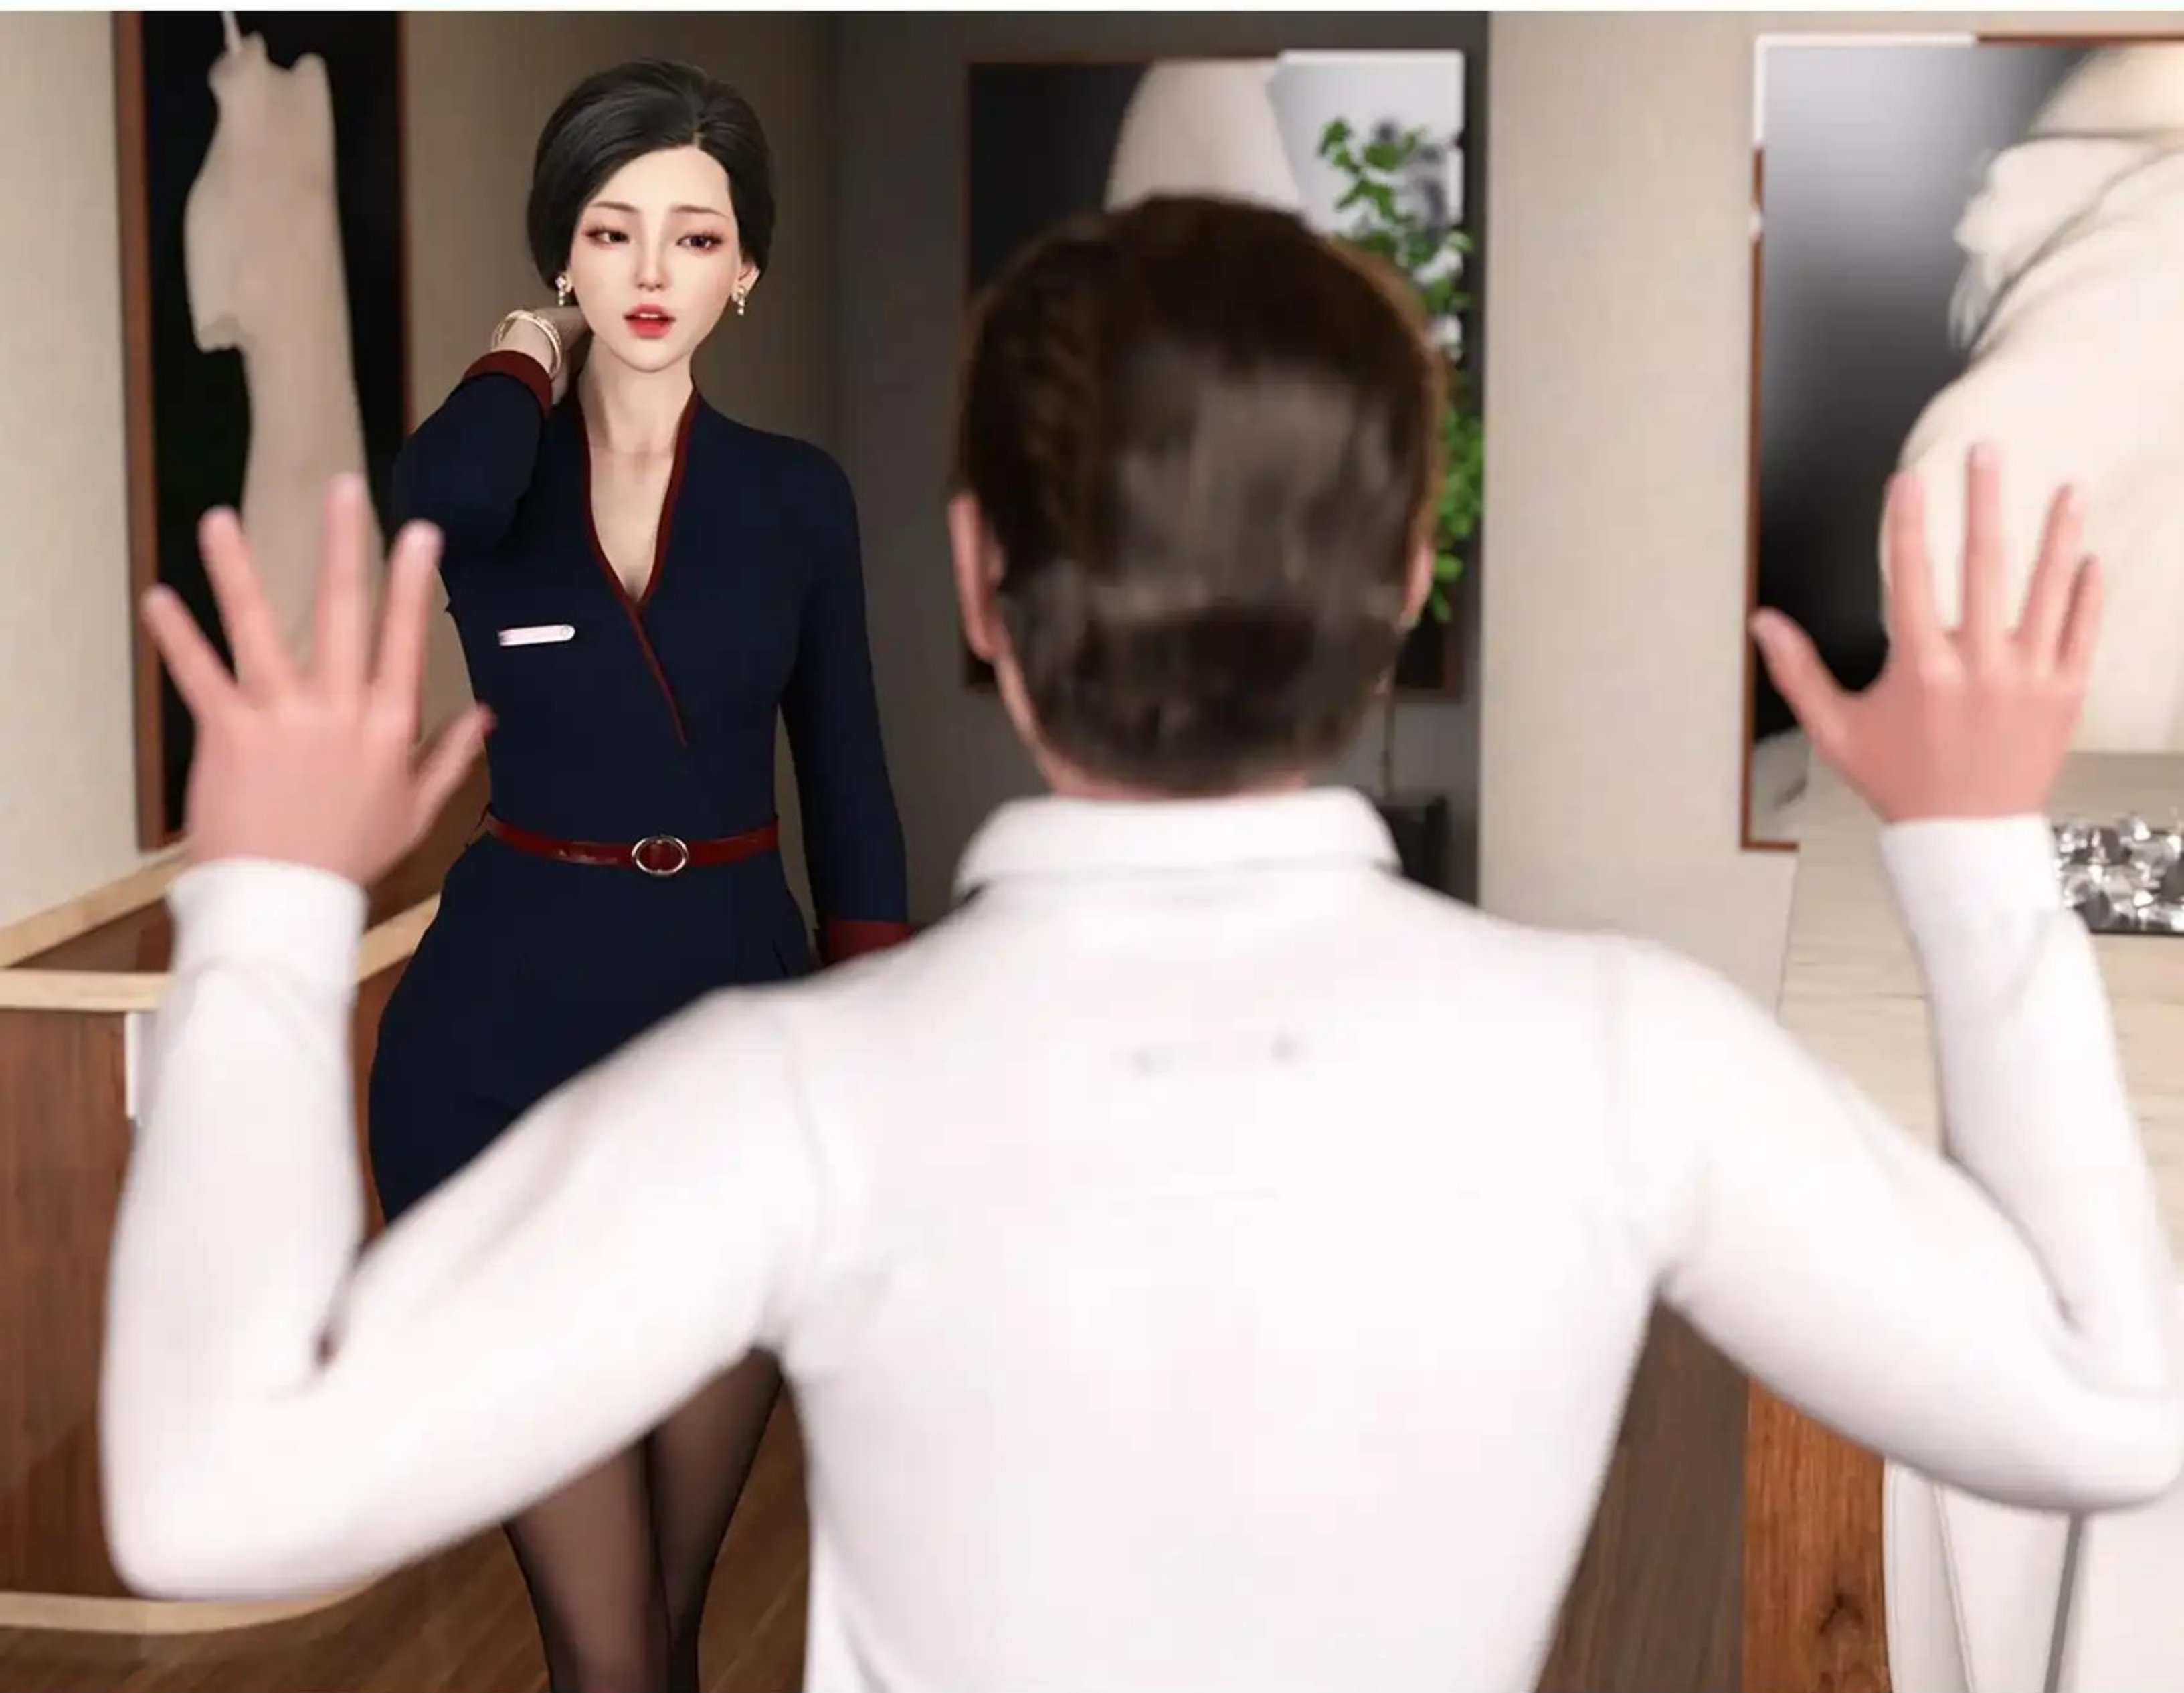

So what did you choose to eat? Pheh...you have no time to relax after get off work.

Mom, mom! You...are you done with your work?

If you don't go to eat,
what are you doing here?
Yes, after all, everyone is off
work. I just need to confirm
some things for the meeting
tomorrow morning.

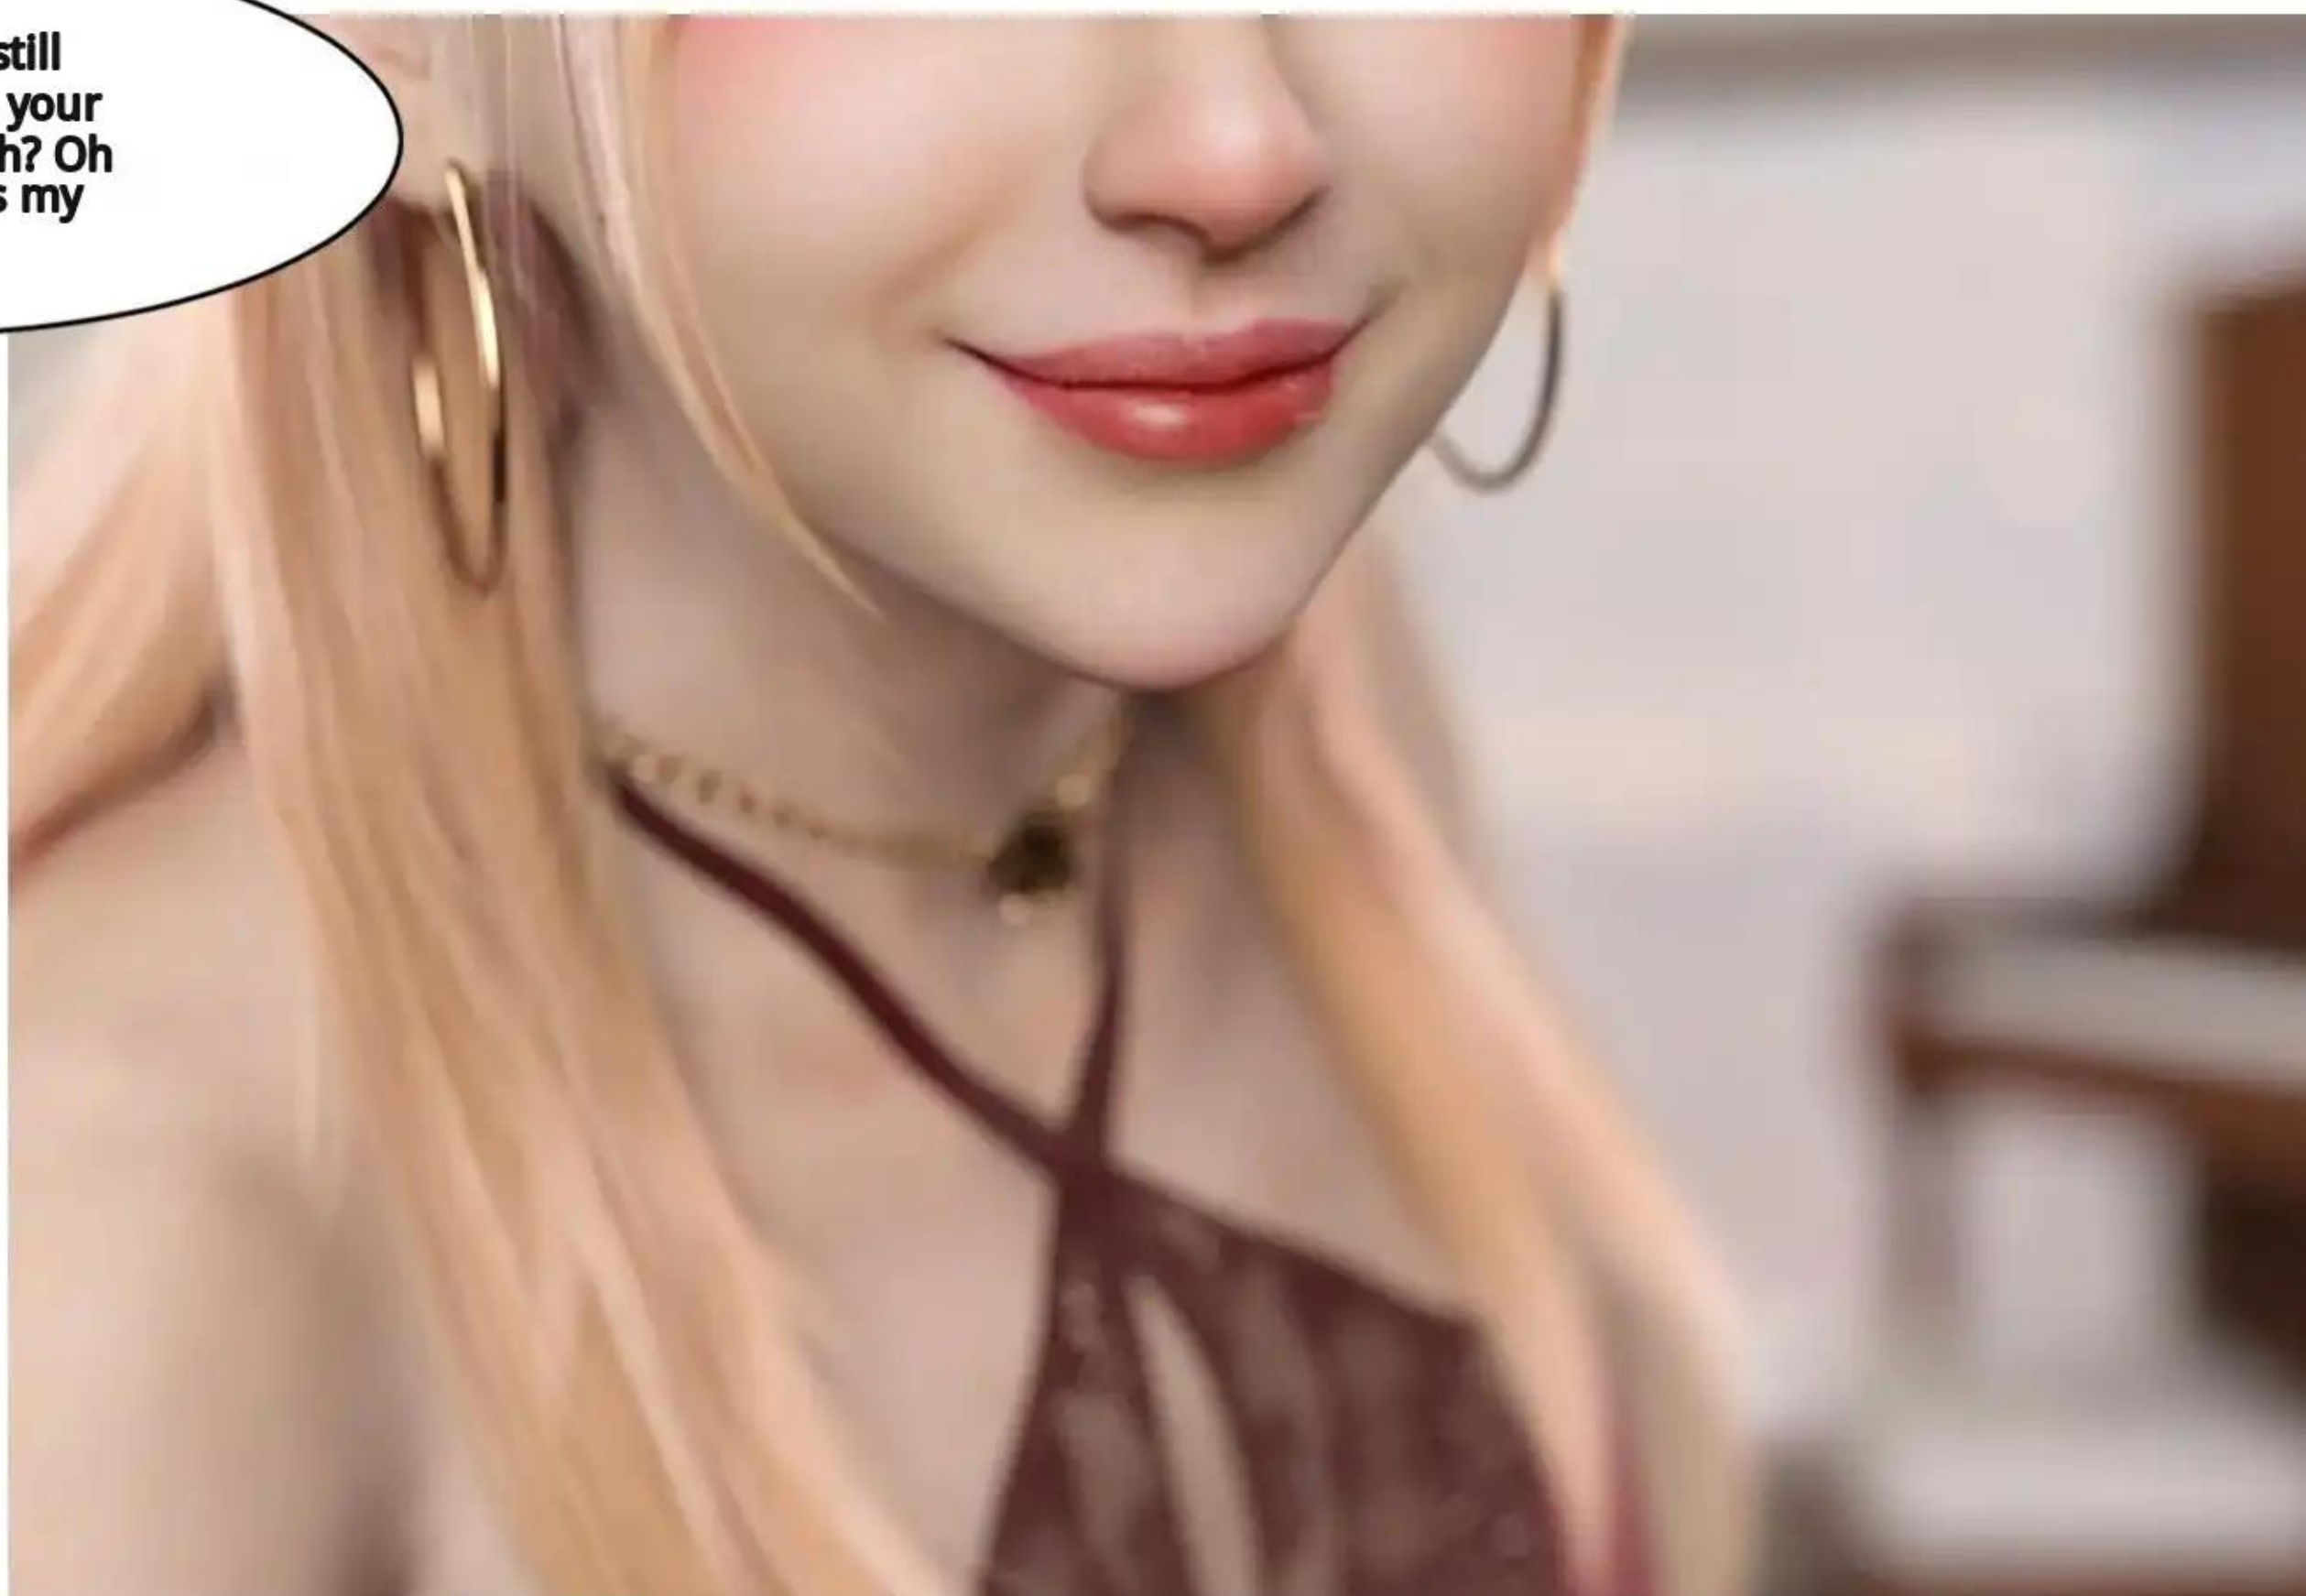

That...I...I
was... ..

hiss! Please, please don't give in and it will scare your mother to the point of fainting! Mom saw what the two of them were doing! Not to mention anything else, just the fact that my sister has a dick,

Why do you still love to cling to your mother so much? Oh my, how old is my brother?

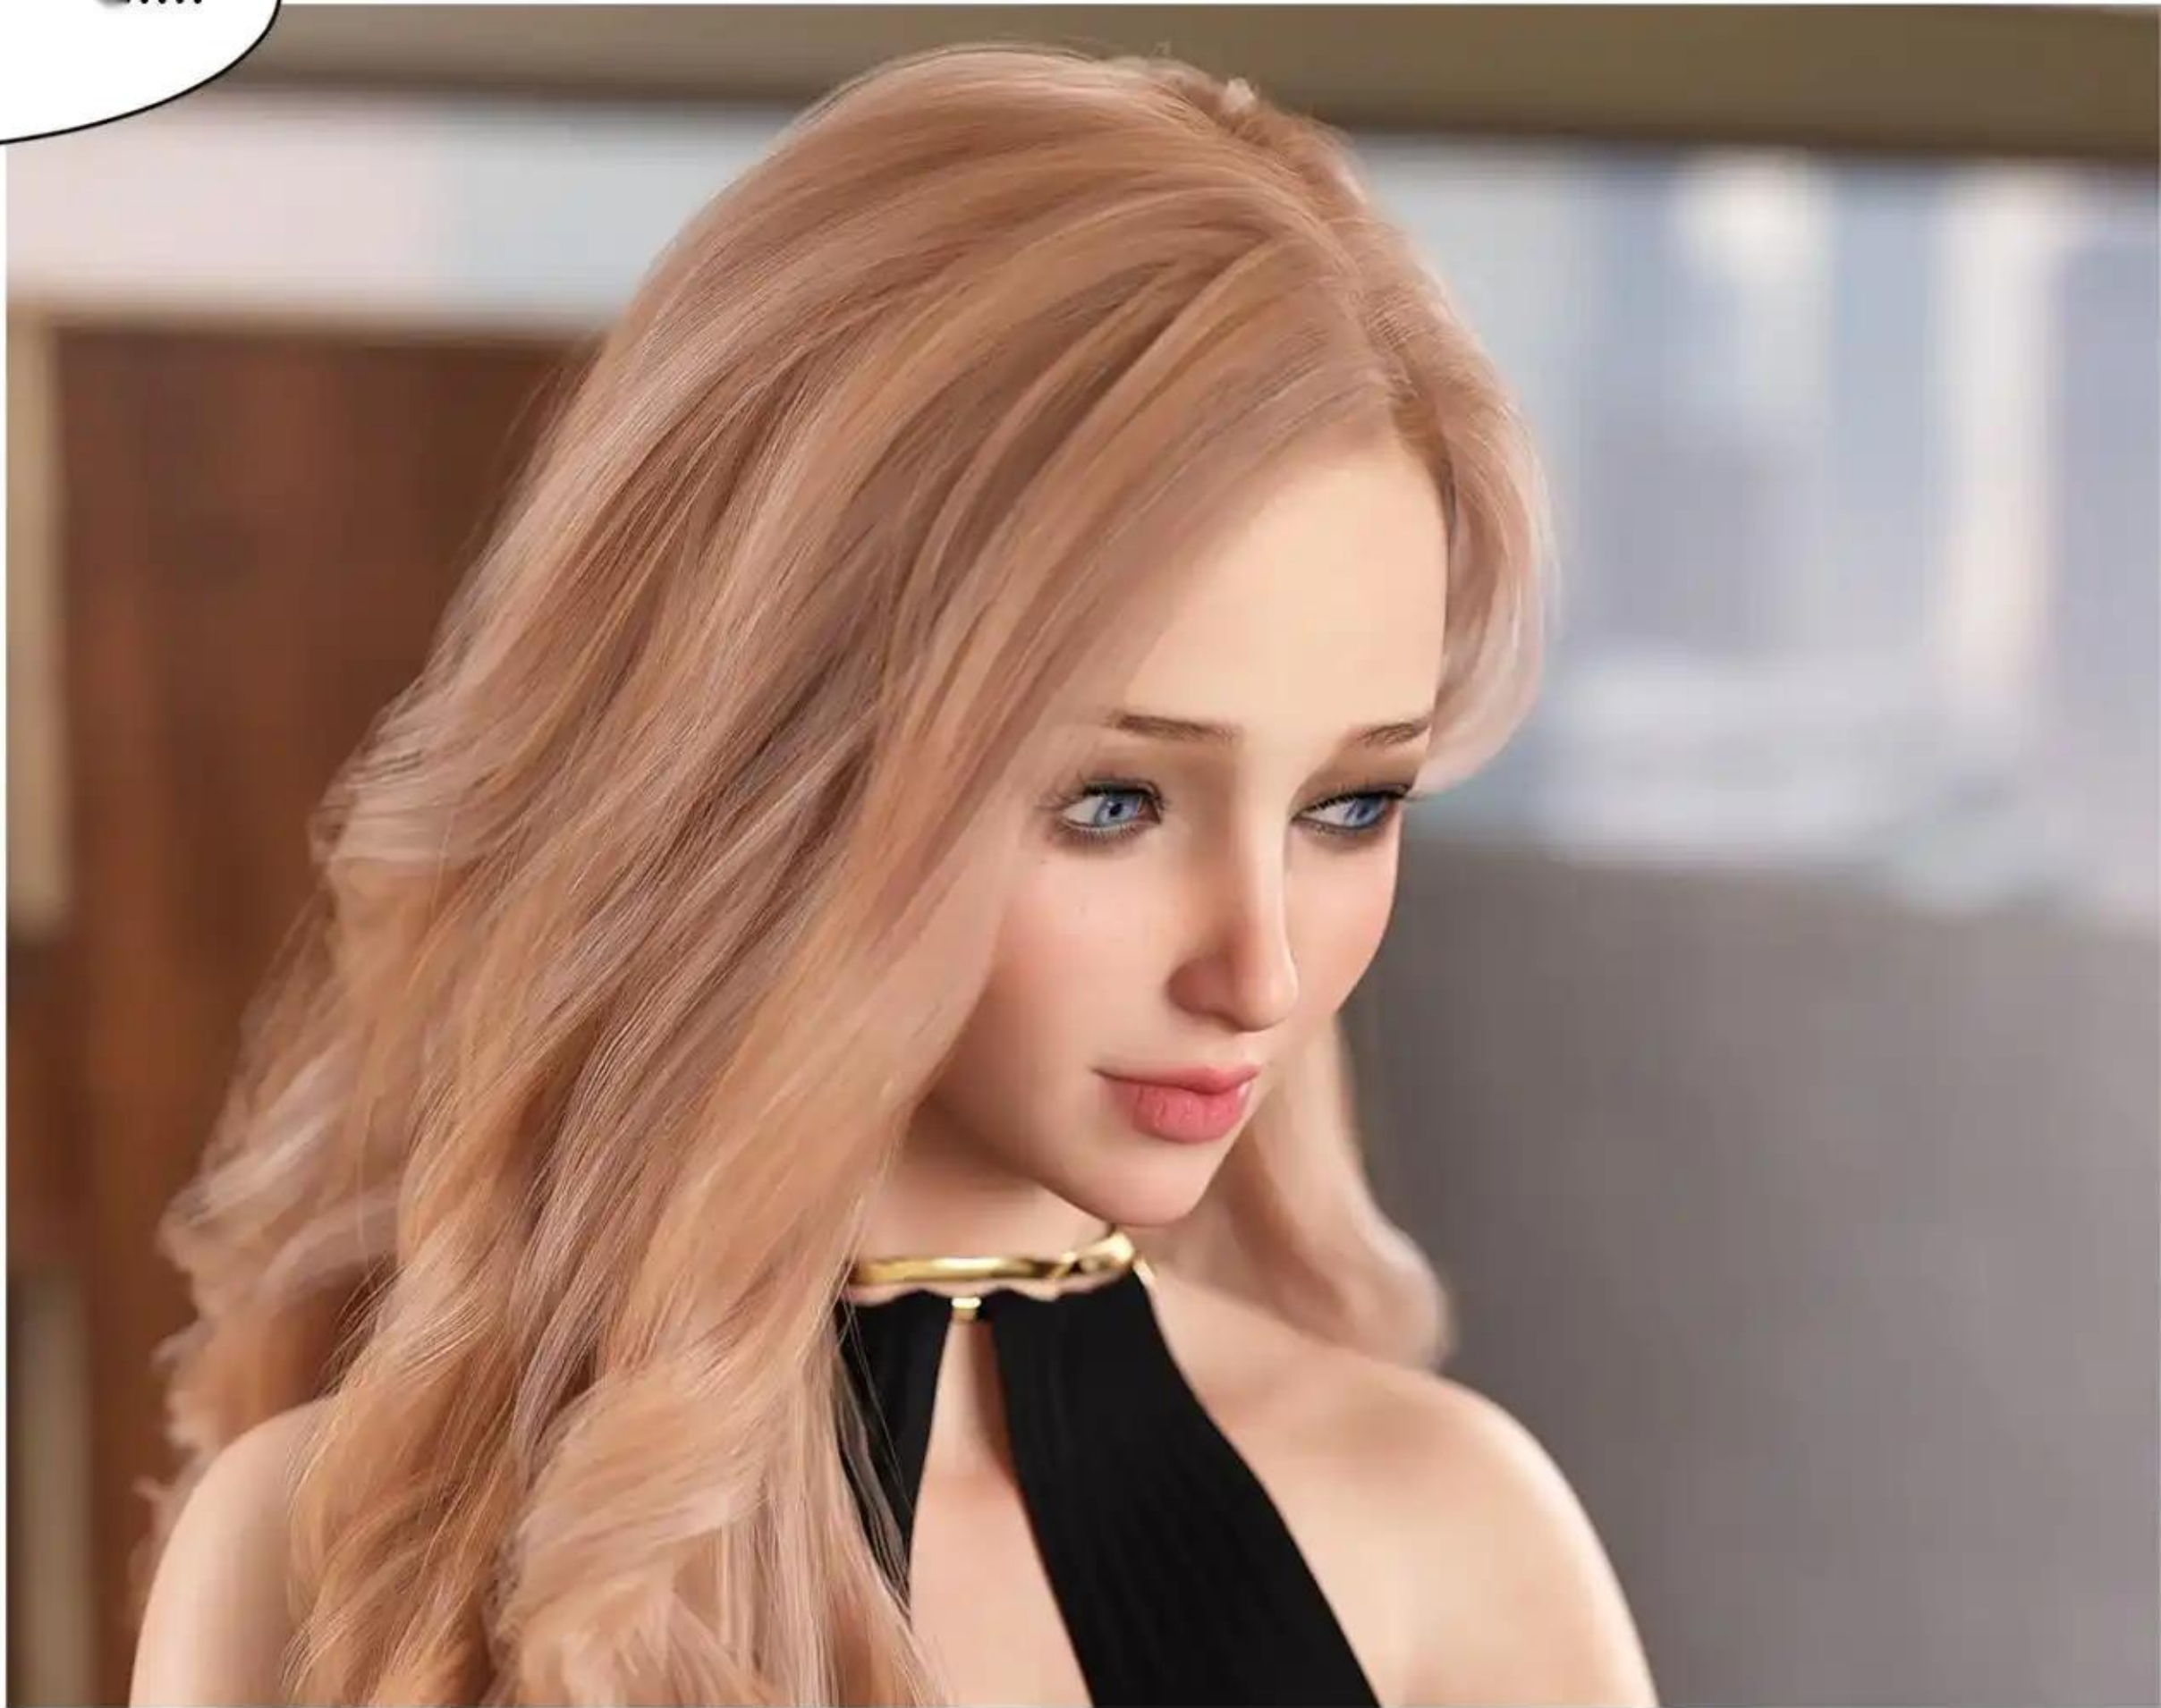

**Come and have
dinner together quickly!
But it just so happened
that my mother was
also busy.**

Just treat it as
your own home,
you're welcome!
Got it, Miss Monica,
please use it too

Okay, okay,
thank you,
auntie.

Only if I can eat
it will I become a
ghost! Meat, in this
case,

This rotten man actually let me have a fucking sperm in front of Zhou Ming! Give him a handjob in front of his fucking face,

What's all this? The point is that he only cares about having fun, and he has to be careful not to let Zhou Ming fucking find out, but I not only have to help him

Ah! Being a daughter always makes me so excited! Such a perverted thrill, being played with a cock in front of my mother.

You are still being served by the girl next to you, haha! Now there is a big cock up there. Mom must not have thought of her good daughter.

My good mother,
use your big cock to fuck
your slutty daughter to
death like last time! Especially
seeing my mother's elegant
appearance reminded me
of the last time I had sex
with her in a hotel..

....喔!

just before that

Miss Monica, is the food on the table not to your liking? It seems to me that you haven't eaten much?

ah? No, no, just...don't worry about me! It's just that I'm not very hungry,

How do you eat a man's dick? I'm holding one fucking hand

Eat more!
That's right, sister
Monica, please don't
be polite to us.

!

Reach
in

What are his hands doing... Damn, is he trying to do something again?

Woo hoo!
Come on,
come on!

Using his sister's
body to molest me...
Yeah! He, he actually
did it in front of Lao
Zhou's mother

**..hateful! It's
obvious that when I'm
fucking someone, my
fingers are so flexible and
delicate... Yeah! Running
rampant like a virgin,**

Otherwise, Zhou Ming and his mother will definitely find out... Yeah! No, I, I have to be patient and not make a sound.

But, it felt so comfortable to have my pussy constantly being touched. I could feel that I had wet the entire chair, and her fingers were stroking it back and forth.

**I, can I really
endure it
without being
discovered?**

Remember to entertain your guests well! You young people go to the living room and chat by yourselves! Okay, mom can take care of things here.

What should I do,
should I secretly
explain everything to my
mother while the bad
guy is not around?

If my mother knew
that Lao Shao and I were
taking advantage of her, she
would definitely be very angry!
But let's not talk about whether
my mother will believe it.
She is playing
wantonly in her body.

Is there any way to successfully grab the gun from that bad guy? Especially even if my mother knows about us two students plus her-

What if he turns his mother into skin too? If you offend the other party, you should still consider the long term.

Having said that,
Lao Shao's behavior
at the dinner table just
now was very strange. It
must be because he was
secretly being played
by that bad guy!

It's just that they
don't know what to do in
the living room...ah! I really
wronged him. Fortunately,
he didn't show off in
front of his mother.

What
are you
doing?!

My pussy feels so good... Ha... Ha... It feels so good,

My pussy... my pussy needs more... I want more!

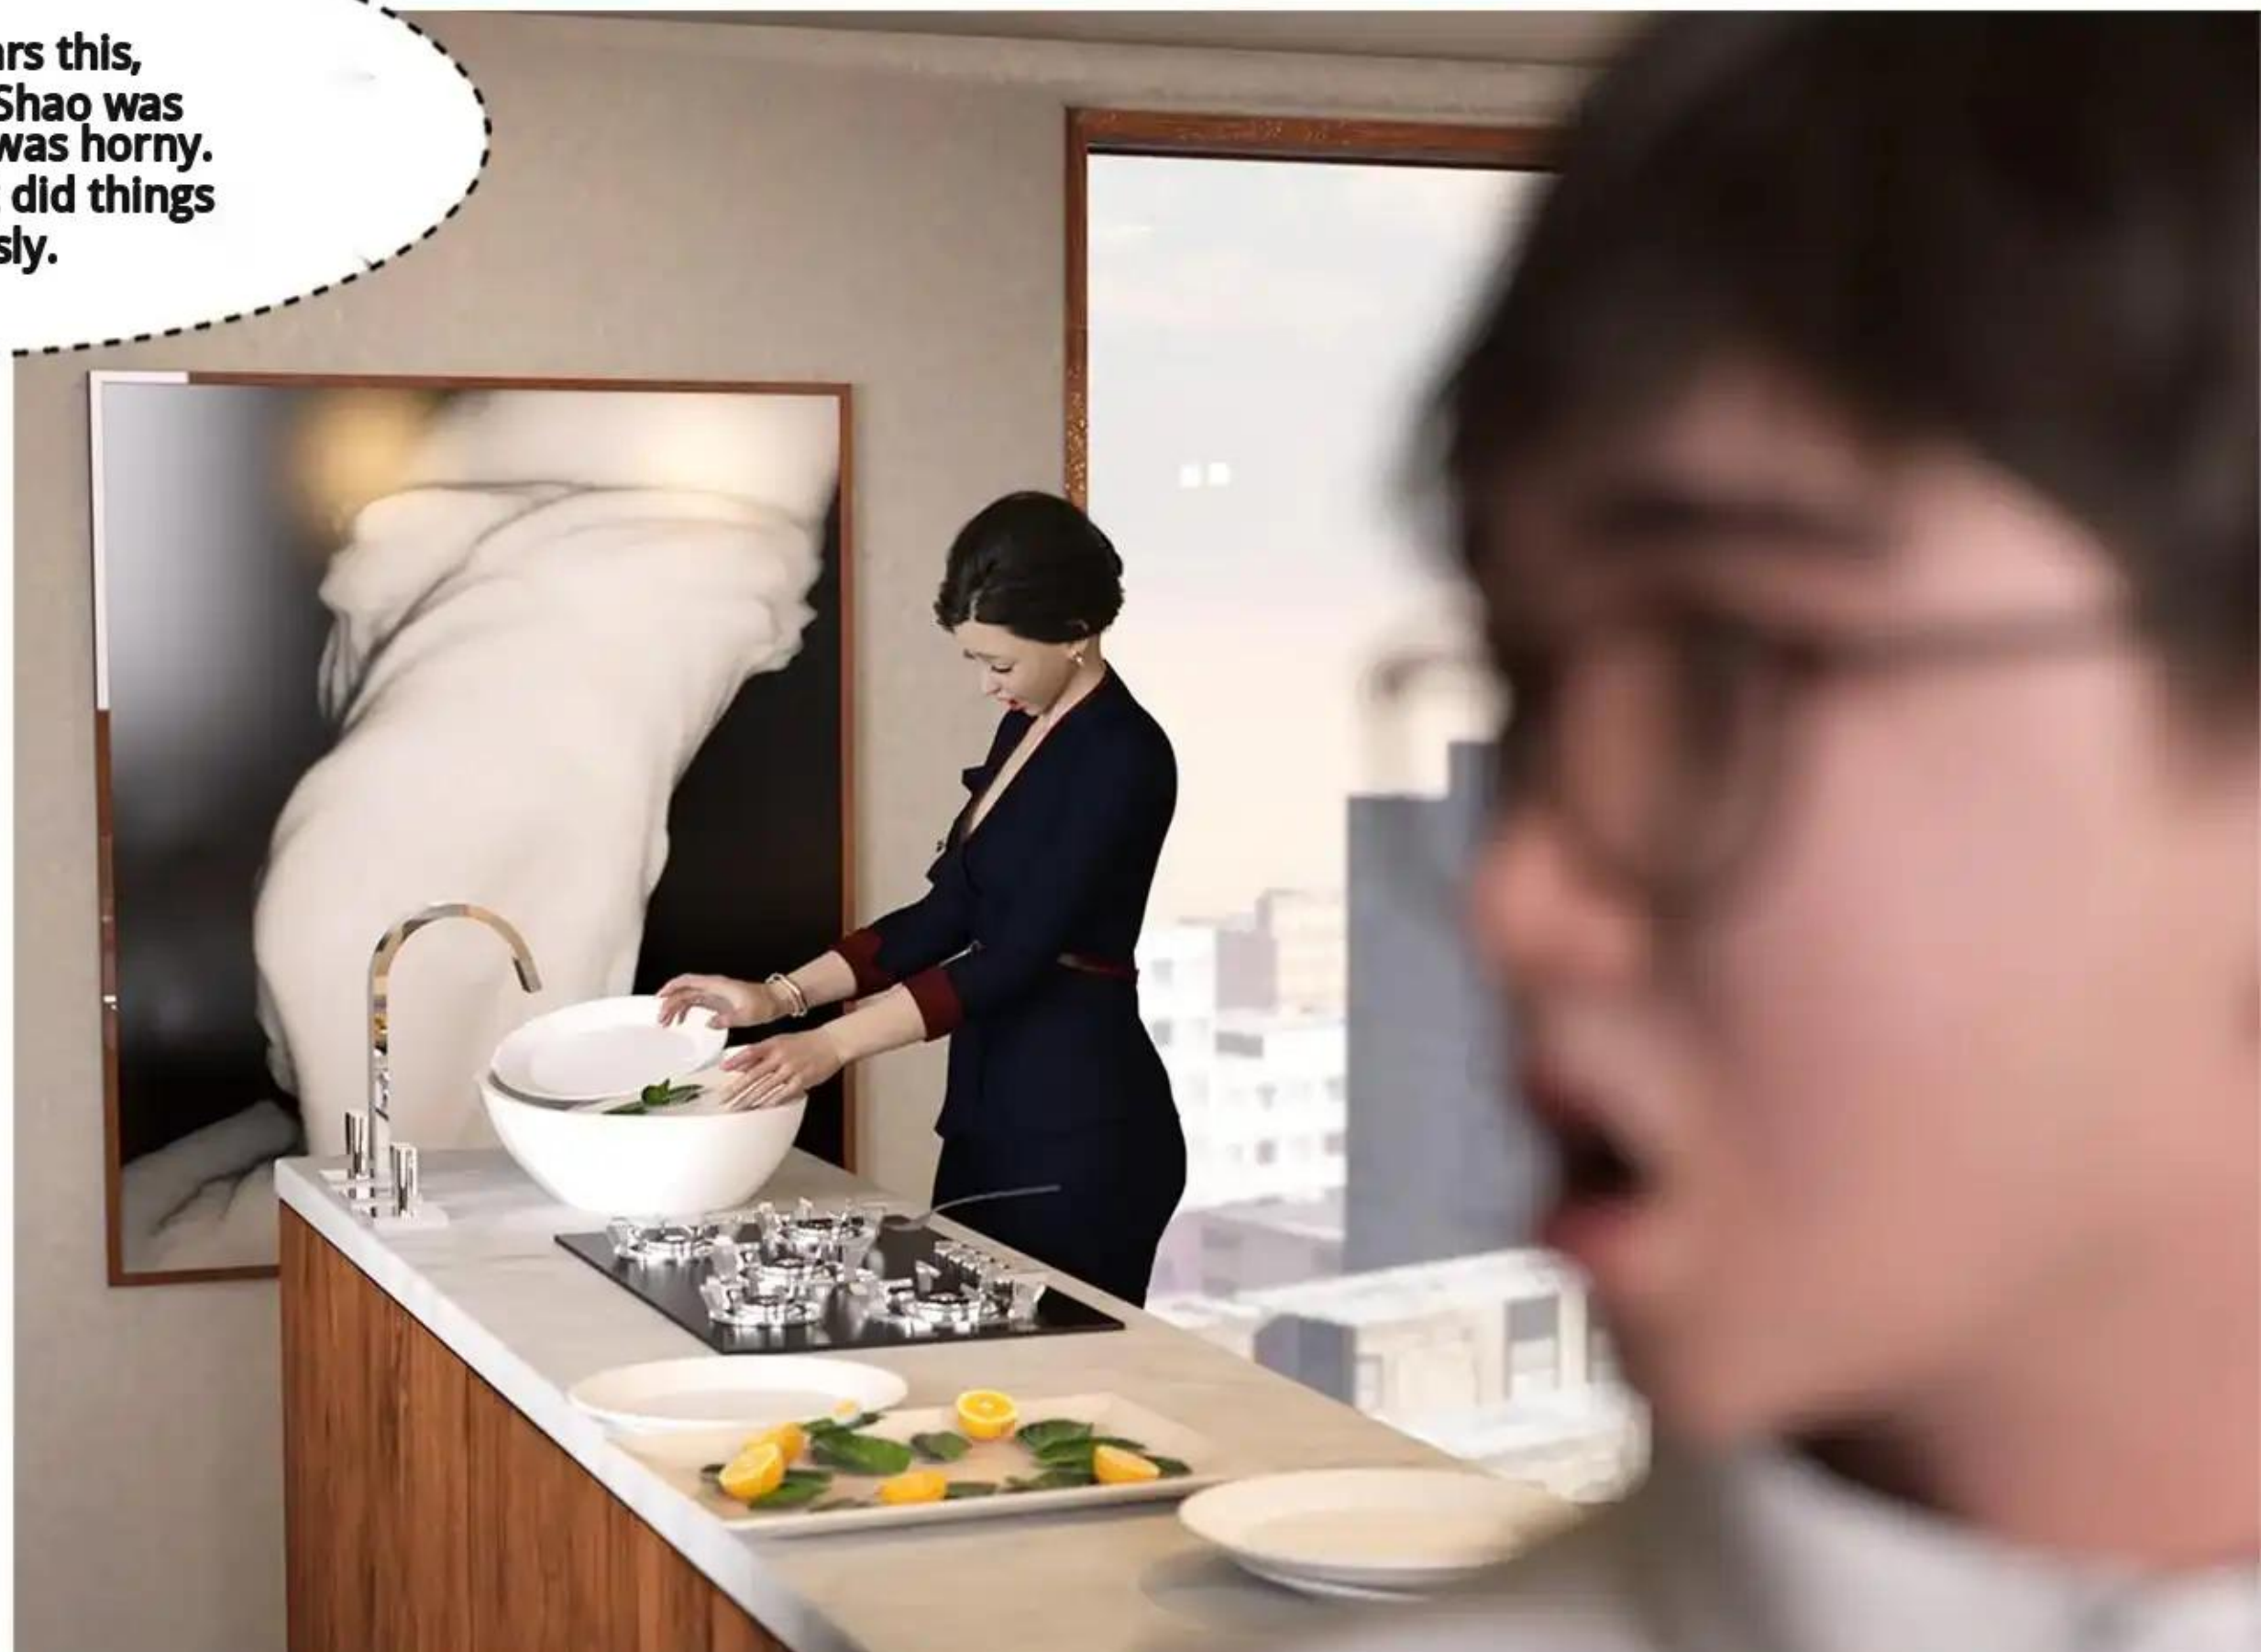

Now I can finally
have some fun! do what?
Of course it's sex haha! I
just endured it for so
long while eating

Can't you guys
just go back to your
room and do it? you!
Please keep your voice
down, what if my
mother finds out?

If my mother hears this,
it will be over! Lao Shao was
also fucked until he was horny.
Damn it, this pervert did things
unscrupulously.

Um? What's the matter, what are you doing standing there without chatting with your sister and Sister Monica?

I...I...that...

I'll cut a plate of fruit and go out and give it to them! I don't know if I'm too restrained in other people's homes. By the way, I just saw that Ms. Monica didn't eat much.

I...just come!
You have been tired from work all day, go and have a rest!! Mom, no, no need,

Otherwise...otherwise
you will be turned into a
piece of skin by that bad guy!
Please, please say you are
going to rest, mom. Don't cut
any fruit or go to the living
room.

You can go to school after practicing your conversation. I won't disturb you and you can't miss your homework. Do you understand? Young people chatting, but Zhou Ming

Don't worry, Mom! Hurry, go and have a rest! I know...I know,

Let this dinner
pass...Pheew...Finally,
a near miss.

Fortunately, my
mother found
nothing in the end,
but...

A photograph of two women in a living room. One woman with long, wavy blonde hair is sitting on a light grey sofa, wearing a black halter-neck top and black lace-trimmed stockings. The other woman with long, straight blonde hair is standing next to her, wearing a maroon tube top, a black lace-trimmed skirt, and black thigh-high boots. She is adjusting the stockings of the woman on the sofa. A speech bubble is positioned above the standing woman, and another is on the sofa in the foreground.

Why didn't you bring your mother to enjoy it together?
Haha! Oh oh oh oh! My brother comes back to see how his sister uses a big cock?

Oh yeah! Oh yeah! Feel free to show off in front of your friends haha! Scream louder, slut

This way you can also enjoy it hahaha! How are you, brother? As long as you bring mom here, we'll have two cocks and two cunts.

I don't know how terrifying it will be! When I think of my beautiful mother's expression, hehehehe! If you see your daughter with a big dick,

No
no! My mother has nothing to do with this, and I won't allow you to take action against her!

But maybe when the time comes, you take the initiative to invite your mother and I, who still want to play with me for a while, to play together! Haha, don't worry, it's a rare Jiajia wine,

Uh-huh! My
cunt needs to feel
really good! Got
fucked bad,

How long can these two
brothers keep up their good
drama! Haha, first use female
pleasure to get one. I was caught
off guard by you two against one,
but I don't believe it anymore.
When you are in a different
situation.

We are the most easily manipulated creatures by desire! Besides, as a man, I know very well.

Is there really a way to resist temptation? And you, who have experienced that kind of pleasure, once put your own mother on,

bulge one

I'm just afraid that it will be completely destroyed within two days! They're just two little kids trying the forbidden fruit for the first time.

Let me play with you, hahaha! At that time, you can only be my futa sex slaves

It's the day when the family is reunited, hahahahahahahahaha! Ahhhh! My sister is really looking forward to us
