

Sister, your
cock is so great
Damn!

It's so big and thick that it completely fills up my body! And you're so energetic, I'm almost on my knees

Woolen cloth...

, It's so nice to get to know you. It turns out that my sister knows how to fuck me now, so it's okay~, keep going and fuck me harder!

Sister-in-law,
you are
really... I I...I
can't stand it
anymore!
Mmm...ohhhhhhhhhhhhhhhhhhh
great!

Mmmmm,
sister-in-law, your
pussy is great too!
Also...it's so fuckable!
So comfortable!

As for the innocent beauty, it turned out that when we first met, I thought it was true that you had a beauty, but deep down, you didn't know that.

Like this? Then Engineer, you and your husband are having sex, and I'm so happy, haha! I really envy him!

Yeah~please!
Don't...mention
my husband at
this time! Ohhhh!

The mention of
your husband
makes you feel
even more
excited,
sister-in-law!
Mmmhhhhhhhhhhhhhhhhhh!

As for you, you are so
happy to cheat on
someone else's wife,
I'm going to give you
some advice, you are
really a naughty boy.

It would be a disaster for
us if my pussy was
discovered by you. But
little sister, you don't
want to stop being
popular. If you let your
husband
Come
down?

There are so many hard shots, and having an affair at someone else's house is even more exciting, right? Do you see your cock loving my cunt?

Can you fuck someone? Hee hee, don't let your boyfriend know about your sex. I will help you keep it a secret. In exchange, you have to fuck me hard.

Uh-huh, damn it!
Sister-in-law, you are
so awesome! Oh...oh
ah ah Han other
people's wives also...

Bang bang
bang!

It's so cool and
exciting! I can't
stop at all! So
cool!

□□□□□□ Hmm...hmm,
sister-in-law, your
vagina is leaking too
much!

So comfortable!
Ohhhhh...it feels
so comfortable
to use Korean
cocks!

What a worthy thing!
Hahaha, the cock is
really like being
addicted to drugs. I
can't live without the
cock!

Masturbation also
requires a dick to
have a dick! So
cool! I really want
it for the rest of
my life!

Do this vigorously! I
want oh oh oh
sister...sister, you
can't stand it
anymore!

I'm going to fall down...
I'm going to be fucked by
my sister until it becomes
weird! Oh..ohhhhhh slow
down!

Uh-huh, no! I have
to... I can't take care
of my body! Oh ah
ah so intense!

Damn it! It's cool!
Mmmhhhhh it feels
so fucking good! Fight
me hard! Hurry!

Great little sister,
how the fuck! It
feels so good to be
covered in flesh!

So cool! My
pussy is about to
be fucked! Work
harder! Fuck me!

Hey, sister-in-law, you were fucked so hard by me that your cock was about to fall off. Did my cock fuck you normally? Is it so good?

I feel so good that I can't stand it! So um... ah ah, I... feel so good that I want to keep inserting it into my sister-in-law's hole! ...I, I want...

Uh-huh, ejaculation!
I ejaculated with my
cock!

Mmm, it feels so
good, I creampie
my wife!
Ah!

Ah...I...again...

And it's not just a sexual dream or fantasy, it's really about other people... I actually lost control again! My wife took action!

A handsome man! I'm so right that I can't control myself and can't afford the engineer brother and Ah Hao! So shameful...·

pregnant? Or do you
want to try it too?
Sister, you can cum so
much! Are you afraid
that I will try to fuck a
pregnant woman?

, How is it, sister, is it
so special to fuck a
married woman? It's
so exciting that I don't
even want to move.
Xing?

Shi... why does it feel a little weird? Unlike before, my sister-in-law's tone and way of speaking were too disrespectful.

Same.

, no... Even if she is, I'm not very familiar with her. It's like she's a different person, a feeling..."

Wei! Where are
you? Strange...
Could it be that he
went out? I need to
call her...:

Oops! It's Hao! I have to pack it up quickly and go out. There is a bulge down there, but it shouldn't be discovered if I cover it up, right?

Ah...Ah Hao, I am here! Wait a minute, I'll be out right away!

It's a pity. I originally
wanted to have more of
your little boyfriend. I
really want to
communicate with you,
little sister, but you are so
sexy.

And he fucked me until
there was a chance, so
we can have fun next
time! There will be
more after I turn it off

Appointment

So much has changed!
Could it be that she
was... she felt really
uncomfortable! Has
the whole atmosphere
been replaced by
men?

It just so happened
that Ah Hao was here
too, so I could see if
she was going to test
whether Ah Hao was
the real person!

I did feel a little strange when I saw her just now, but I wonder if your sister-in-law is weird? Hmm... is it an illusion?

Question! We have to test it, but since even you are doing this, maybe she really wants to take a look?

It would be nice to see
if she has
superpowers and see
if she is herself, but I
don't want to kill a
grass snake! Use your
words to be unfamiliar
with her...

There is probably no
substitute for the
temptation. We have
to end it first. If she is
really calmed down,
we can think of
countermeasures.

Is this the next pack?
He should obviously
tell him immediately
that I, Hao...
probably didn't see
my situation, but...

Keep following me,
so I want to keep my
cock and play with it
secretly. If Hao finds
out, it will definitely
be inconvenient for
him to use it with
him!

Sorry, Hao... I didn't mean to hide it from you, but I really need a cock, and I can't live without it!

Wait until I get better. There is no way to return to the original state now, and Hao will only be anxious when I come out..."

Wei is right! We
have to be careful.
If my sister-in-law
doesn't do anything
now, she will really
be replaced...

, Bad guys can't
continue to hurt
innocent people,
okay! We must also
come up with a plan
and let me take a
look!

Ability activated!
Saw it! She...she
is herself?!

Very good! It seems
that Wei Tai and I were
together, and that's
why we felt something
was wrong.

Wei! My ability has indeed not been replaced. You can pass. Sister-in-law, there is no problem.
Reassured.

Maybe it was just our misunderstanding before. Fortunately, my sister-in-law was fine...otherwise, the engineer brother would have been very sad.

It shouldn't be possible for people's sixth sense to go wrong, right? Could it be that the sister-in-law is really herself? Am I really like that as a woman?

So last night was really just a nightmare? But what about my lower one? Could it be that I was sleepwalking?

Can human skin be peeled off and put on again and again? I don't understand it anymore!

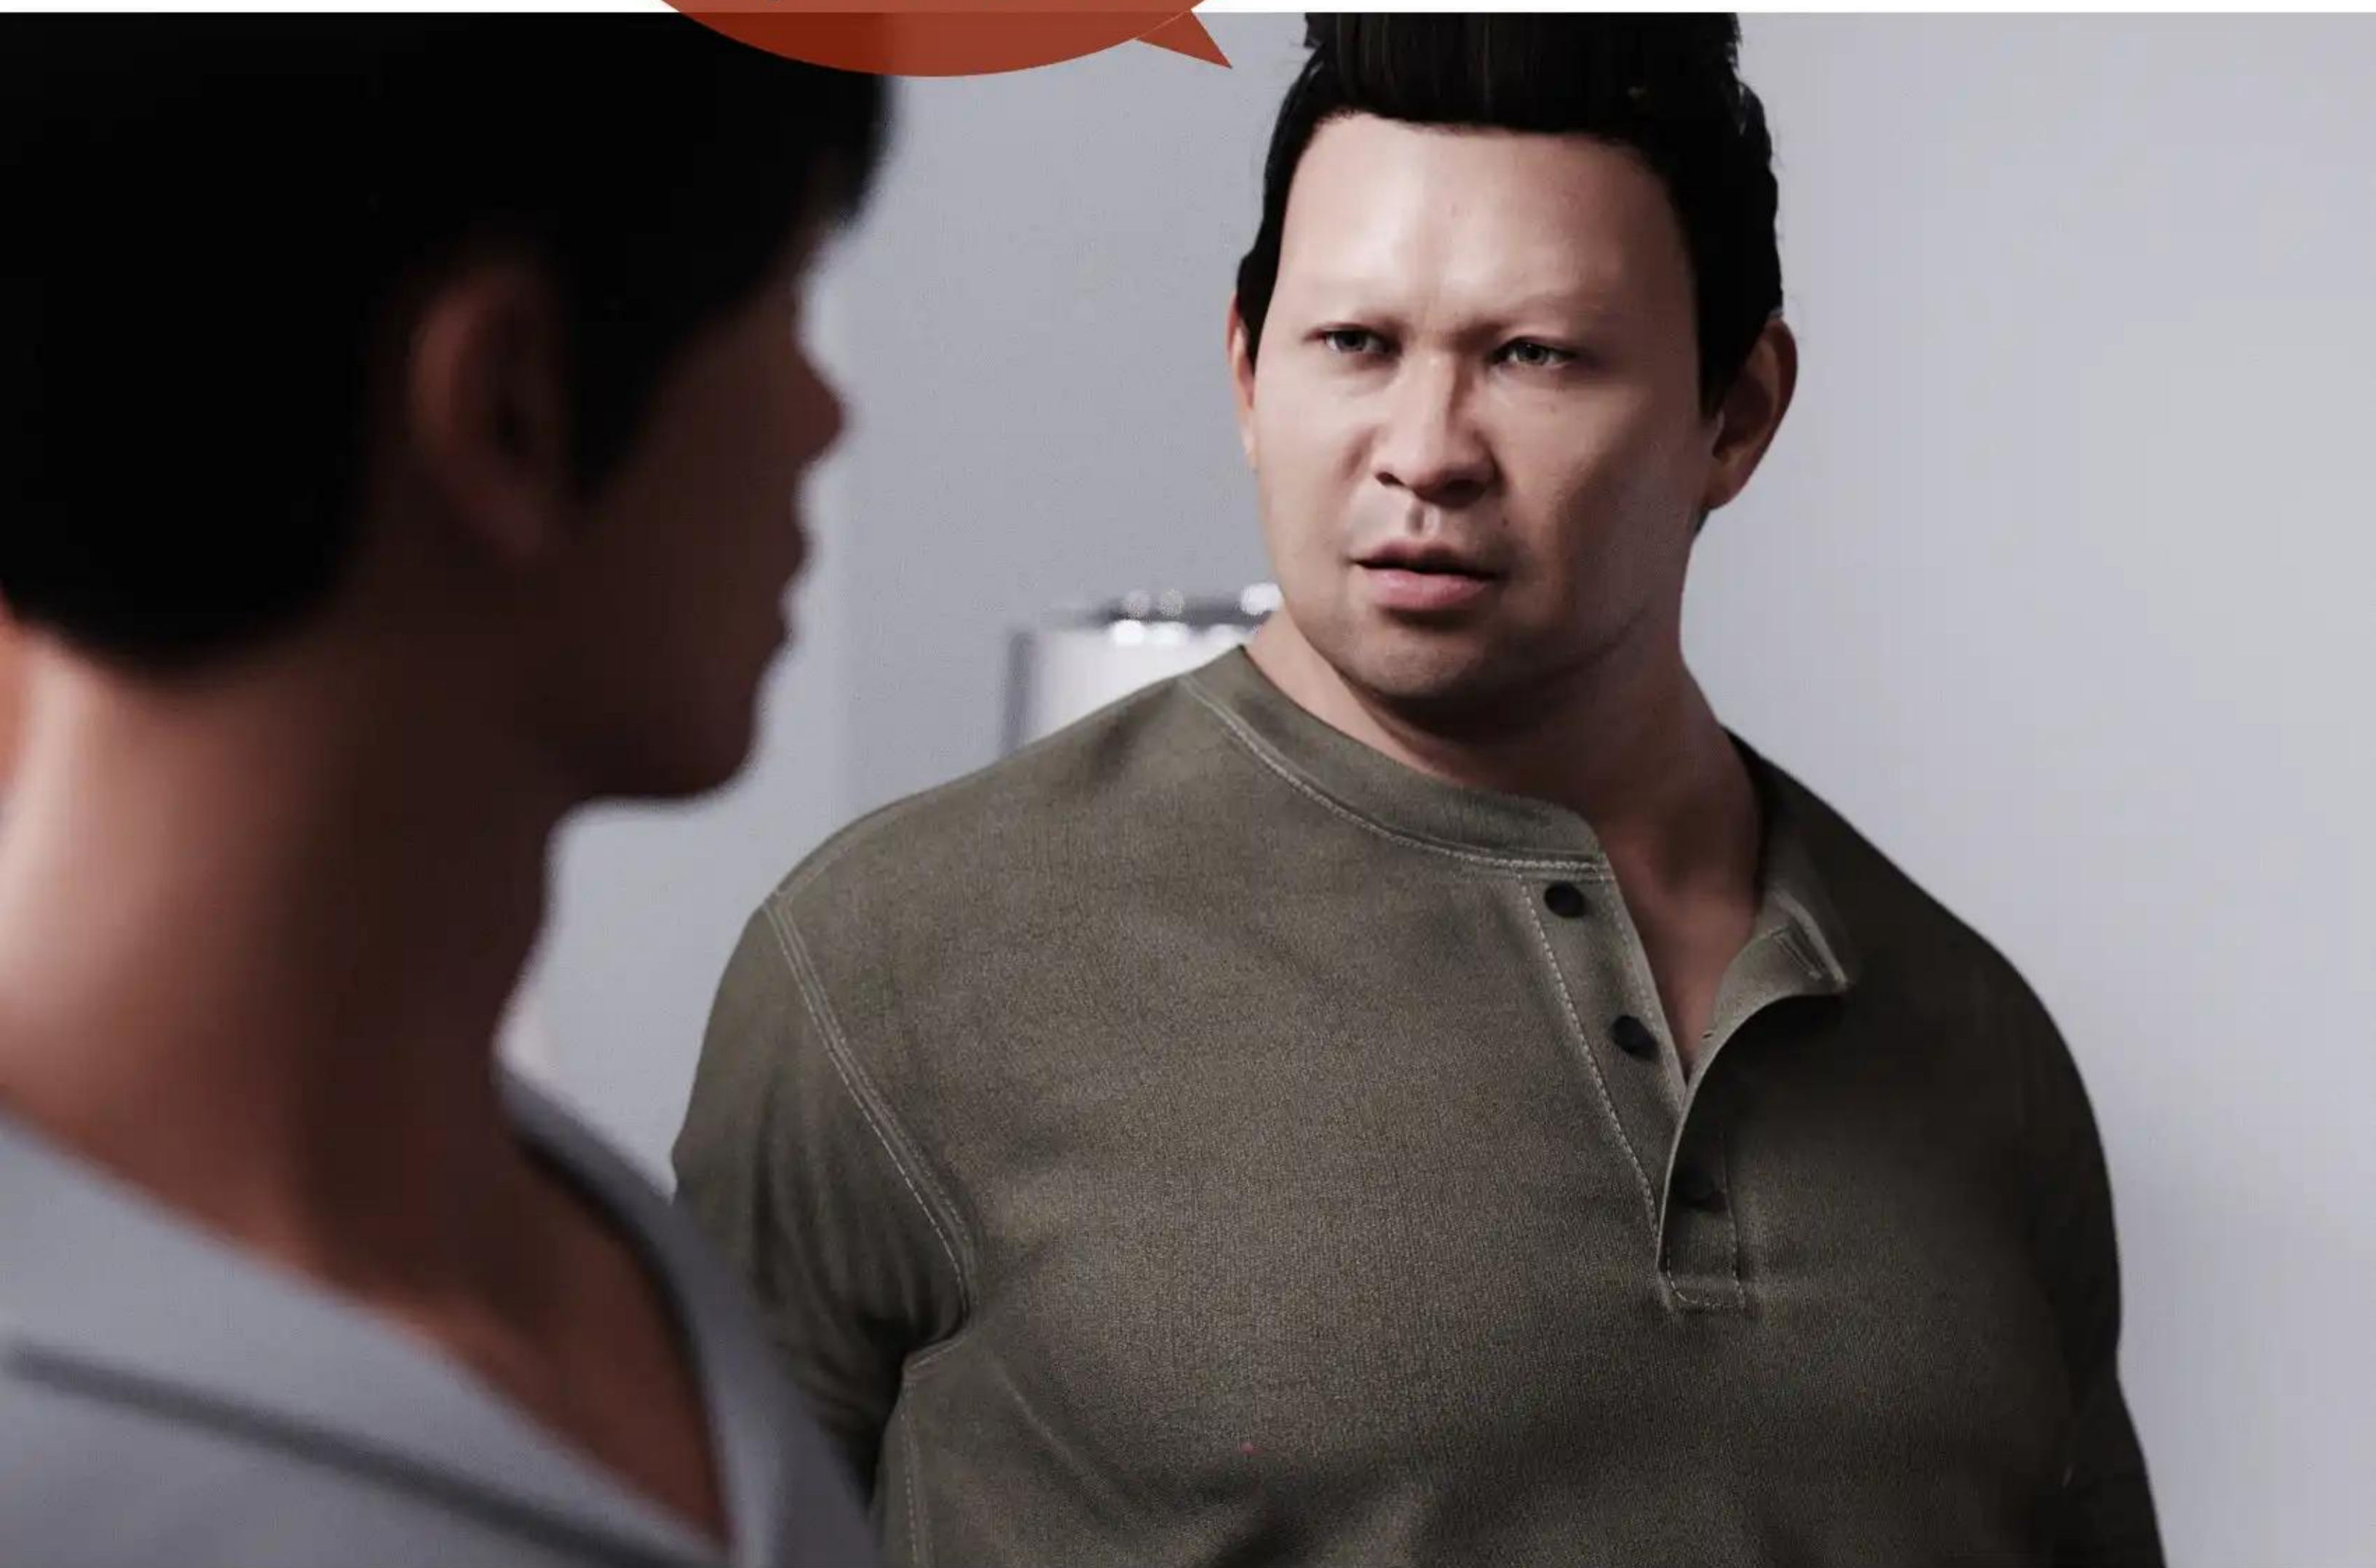

Are you still used to
living here today? By
the way, you have to
What amask
I?

Sorry to stay at your house for so many days. We just wanted to ask you if you feel something strange about your sister-in-law recently?

But we still have a strange feeling, and we can't rule out that every time we use super powers, we see the sister-in-law herself, and she is very cautious.

Strange place?
Um...what do you
mean? If it's
strange...it seems
impossible, but...

Question, I probably
didn't find out that
my physical condition
was not good, and I
didn't come up very
well... She had an
affair before.

Just like her own behavior?
That's not what I'm referring
to here. We want to ask my
sister-in-law if she has done
anything. After all, you are
the person who knows her
best.

There is something wrong
with my wife, otherwise my
intuition would still tell my
sister-in-law that there is no
way to interpret it!

You guys, there is something wrong with me. I actually thought that it was a little difficult for her to start on the rainy day before..."

All right! You are my benefactors, and I trust you enough, so I will tell you the truth!

Like everyone show,
my wife has always
been a gentle and
good woman, and her
personality is not to
speak loudly.

She was in the living
room that day without
touching her body. I
have never seen her
like that! After
knowing her for many
years, these strange
words came out!

Ah, that fat man
could actually
marry such a sexy
wife, her breasts
are too big! So
envious.

Some college
students believe that
their bodies are well
maintained, right?
They should touch
their skin well! So
smooth....

It's suitable to be fucked!
It's so exciting that I can't
even touch it, so my
vaginal fluids can't stop
flowing. This physique is
so suitable for that fat
man!

I will fuck her
non-stop from
morning to night
every day, and cum
inside her every day.
If this were my wife, I
would do it ten times!

Ah~ there is such a cool thing. You can play with this body as much as you want, and you can also play with your pussy.

Just play it
up

Come on! A woman's masturbation is so exciting! It feels so tingling and numb at all...it's so comfortable that I can't stop!

Wife? ! What is
she doing? And
those strange
If so...

What does it
mean? The tone
of voice is also
unusual! It's too
winged!

I can play whatever I
want! Hahaha, the
wife's hot tits and
cunt are like a
dream!

! What a dog that
deserves to be fucked!
Hehehe, I'll be so
happy if I insert that
naughty hole of yours!

Wife! Are you...are
you okay? What's
wrong with you?

Are you feeling
unwell? I...I'll take
you to the doctor!
Let's go!

The one who was behind me? Me? It's you. You didn't notice anything, but I didn't feel uncomfortable.

Already, have a problem? Anyway, I'm just masturbating down there, it's my own body.

It's because you like my body that you want to touch it more. You also think my body is so sexy, so you want me to go home, right?

I also like it very much. When I have free time, no man can resist this sexy body. I want to love it myself.

What a great
achievement! I love
how sexy my body
looks after wearing
this dress
especially! Right?

Husband, look, my
pussy is very
thirsty right now,
making me so wet!
! I'm going crazy!

And are my breasts beautiful too? I really can't find any flaws in my whole body, every place is so easy to touch!

Not to mention my appearance, isn't the expression on my face during sex also very beautiful? Isn't it surprising that I would be in heat with myself?

strangeness? You
didn't know you
before...how did you
become like this!

No discomfort?
Still so unlike you!
What really
happened to you?

Got it! It's time to
be honest! You
talk too much,
keep talking!

With? Don't you see
my naked body
without an erection?
?

If you are sincere,
come and confirm it
yourself? Feel it and
see if it's healthy?

My body is full of
vitality, how about it?
Are you excited? I
seem to feel
something pushing
against me~

You really have an
erection! How
embarrassed are you?

Wife, what are you
doing! I... let's go
back to the room?
Not here...

Youwang needs to solve it immediately before returning to Shizuo's room. With a man like you, he's so hard that he's about to explode, right? , it's not good to be in love.

You're fat and your cock is pretty big and crazy. I can't tell you how. No wonder you can marry a beautiful and sexy wife.

Don't move. If a woman wants to serve you, just enjoy it. How can we be polite between husband and wife? I will make you feel comfortable.

Is this how your husband's big cock is supposed to touch you? Do you want something from me? You like me like this? More exciting?

My wife feels weird, but it's so comfortable! She rarely takes the initiative. As her husband, I should satisfy her if she wants to have sex!

I can't even remember the last time she helped me with a pistol! Yes... I just have to enjoy it... It really feels good...

Oh ah ah...my
wife, you are so
cruel! So
comfortable!

The cock feels so
good! Wife, please
continue! Faster!
Mmm, ah, great!

You feel so good,
haha. Husband, your
erection is extremely
harmful. Is this right?
I can feel this
comfortable?

It's over, right? You
have to hold on, it
won't be fun if you
ejaculate too quickly
and you'll feel the
pleasure.

Please use your cock
to satisfy me... I
can't stand it
anymore! My cunt,
hubby!

Uh-huh, ahhh...
it's coming in,
ahhh... it feels so
good! It's too long
and it's so fun!

, but it seems that it is a bit difficult to insert my little pussy. This big thing must be very familiar with the softness of your cock.

That's right, measure my body, you've fucked me a lot before, right? Swallowing so much in one go is really a dog!

How can you care
about having sex at
your own home?
Human color?

Bang bang
bang!

Just focus on fucking
me! Oh oh oh so...so
comfortable! It feels
so good to have my
hole penetrated!

, thought it was just my brother? I didn't expect such a thing to happen. It's the first time I have special abilities.

Wouldn't it be harder for him to complete his mission? Forget it, we didn't have much hope for him anyway.

, let me come and see for yourself what I am capable of. First of all, don't worry about that unimportant brat. Get your body up.

No, Jiahao should also feel um... His cock is already so hard that he can feel it, right? This kind of pleasure is really unbearable!

It's really interesting.
I really want to see
what it will be like
when Jiahao wakes
up. It must be very
exciting.

But if you continue
to moan in that cute
voice, I won't be
able to bear it for a
while. I feel like I'm
about to get erect.

thinking about it. I'm so
happy!

in-depth

Hello, Good, Good,
Little Sister...".
