

late at
night

It's really
envious, alas!
Seeing my husband
sleeping so soundly,
it's not like I'm
always tossing
and turning.

But my colleagues said that I had done...Some strange things have always happened at work recently. I clearly have no memory of many things, and my memory is not as good as before.

Zhou Ying suddenly took annual leave without telling him, the company had problems, the family was uneasy, and even Zhou Ming became taciturn.

Zhou Ming, on the other hand, refused to tell the truth no matter how much he was bullied at school, so he only tried to deal with me. But when I asked the two children, they all pretended to be deaf and dumb. I was thinking that Zhou Ying had a problem at work.

After all, it's not like before where I had to tell my mother everything, and the children are getting older. It's better to get up and read a book to induce sleepiness! Seeing that I can't sleep anymore,

Well, what sound?

Hmm~hmm

Who can't sleep at this late hour?

Oh my
God!
You...what
are you
doing!

This, this woman's body is really too sensitive, eh! Uh-huh, no, please slow down.

Did it wake you up? There was too much noise during sex, oh, it turned out to be Mommy! how

Stop it quickly!
...what are you
doing in the living
room? Zhou
Ying...how could it
be you?

Even the slut in me won't do it! Even if I were willing to listen to Mommy and stop, this wouldn't work, not to mention that I still haven't had enough fun.

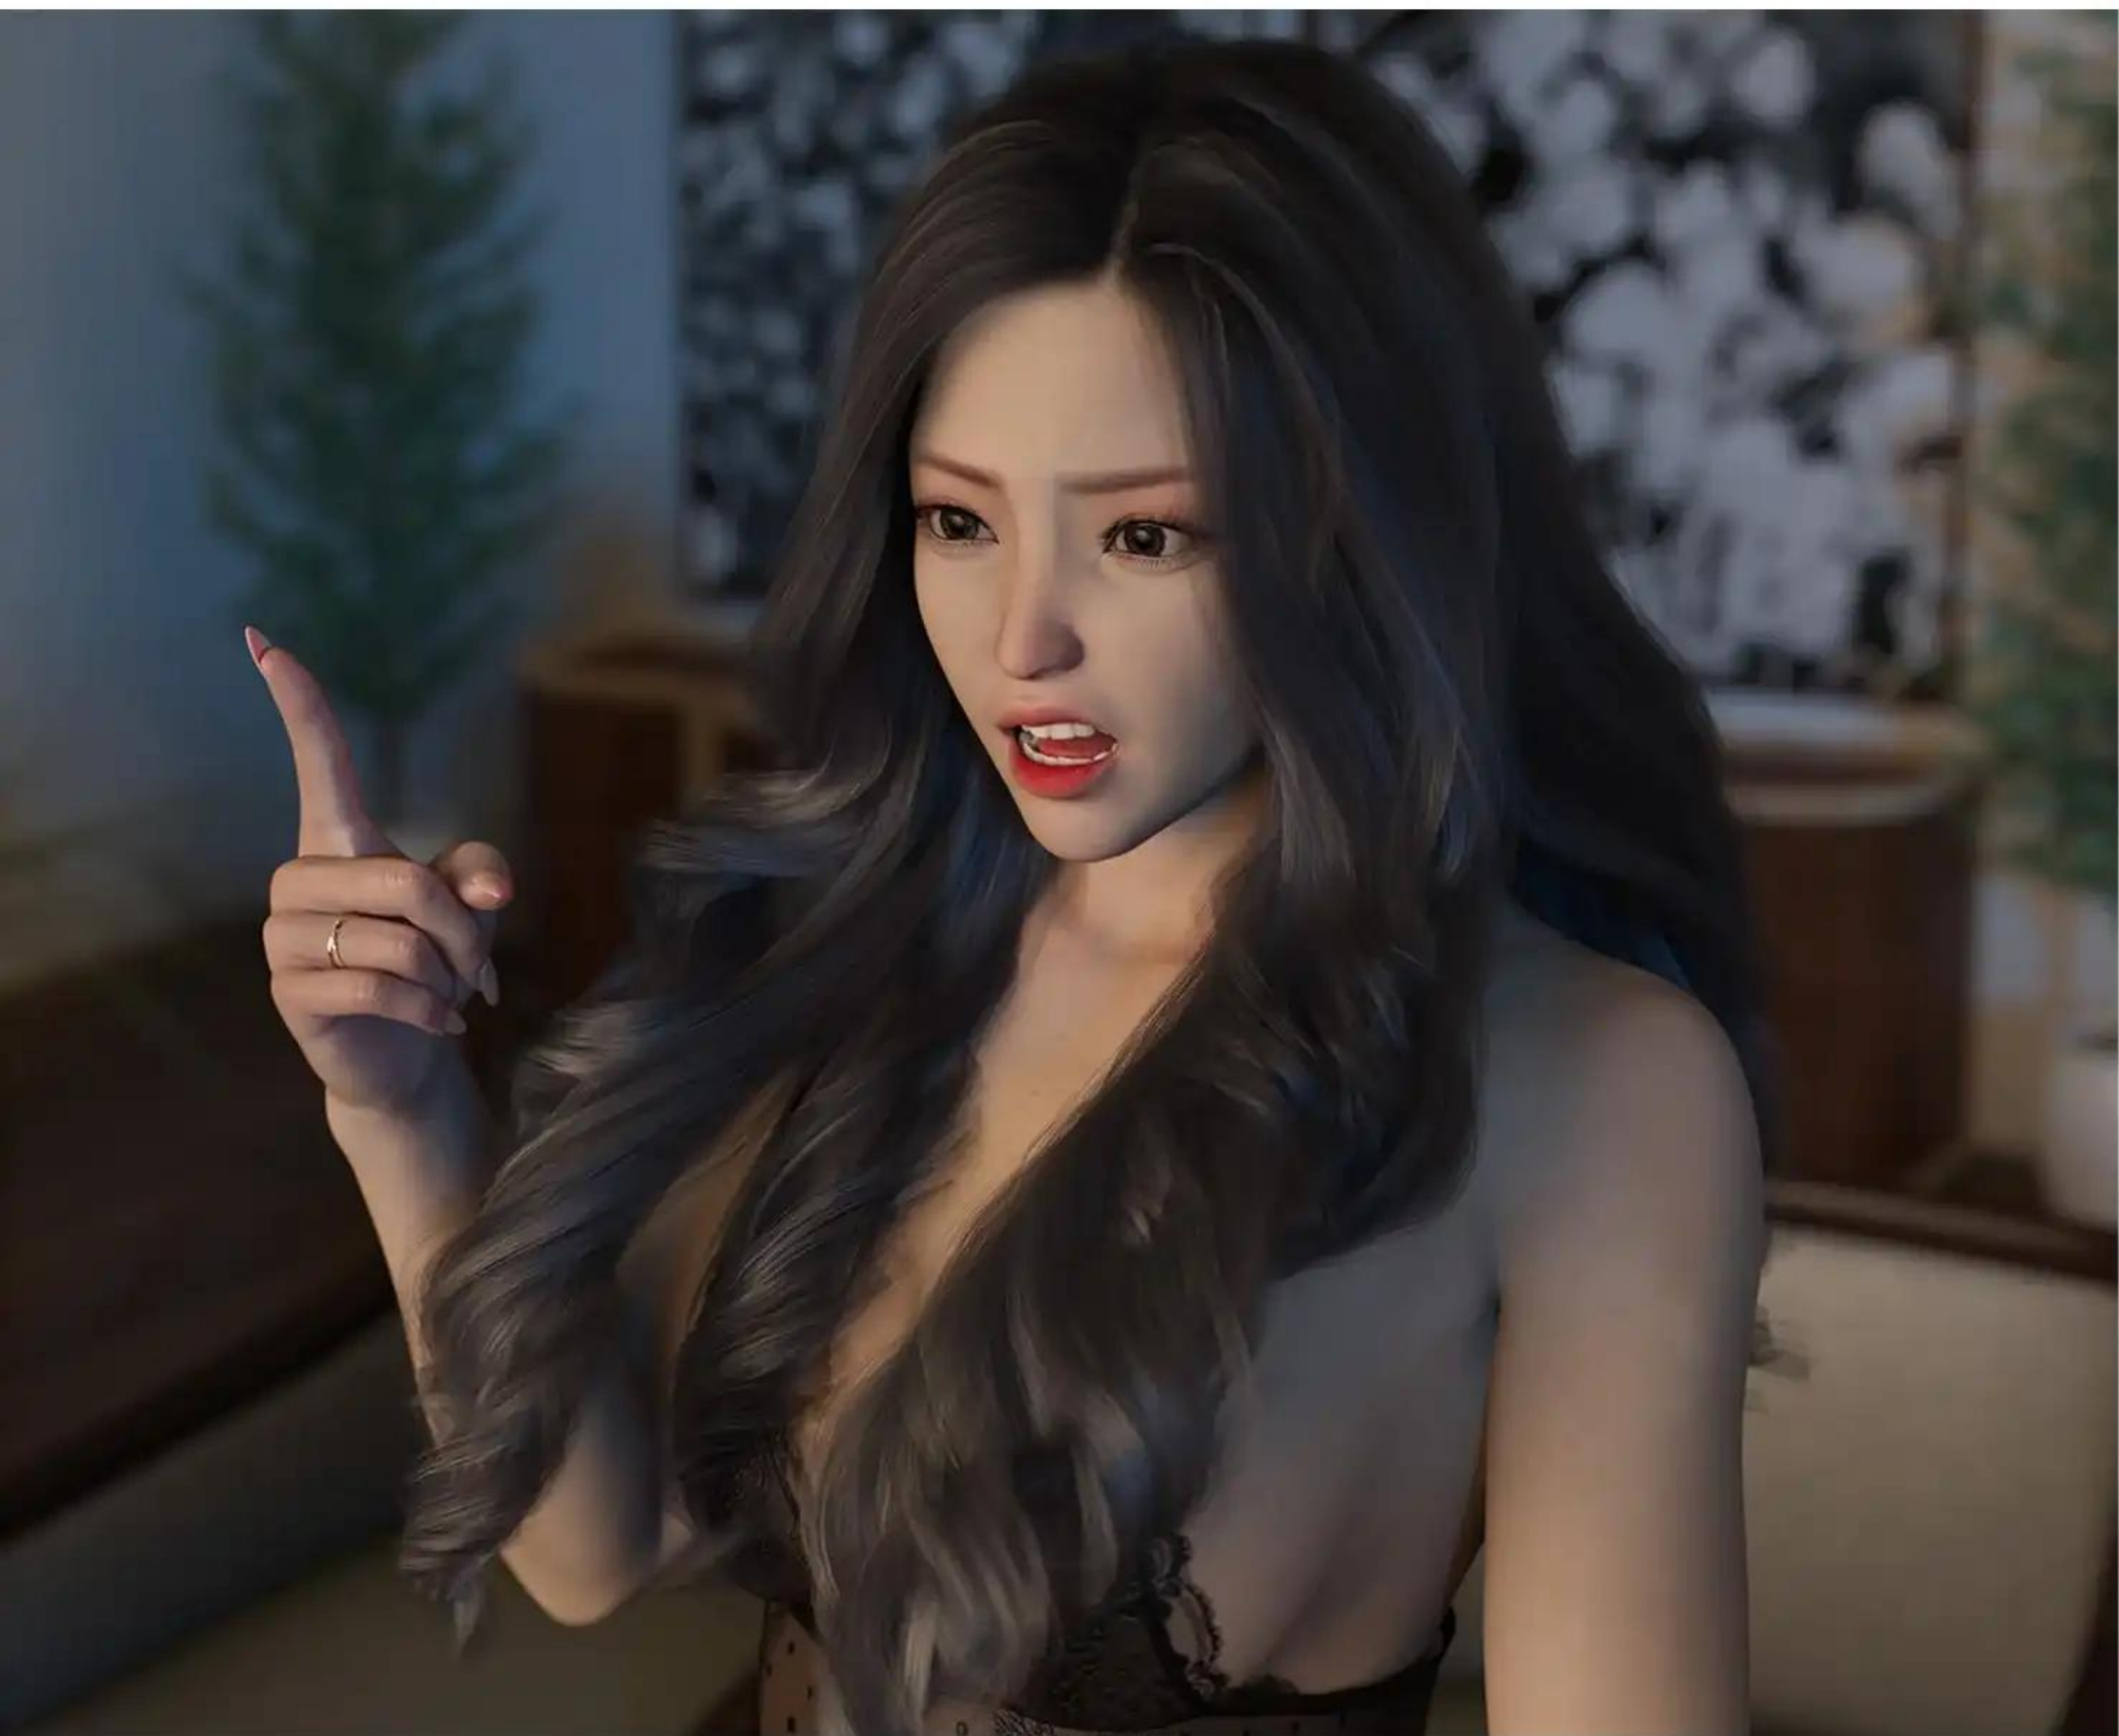

It feels so good...ahhhh...the big cock feels so good

How do you want me to stop? If you don't believe me, just look at her look of ecstasy.

Where is your shame?
Why don't you put away your
greasy accent? Zhou Ying! Are
you crazy? How can you talk
to me like this?

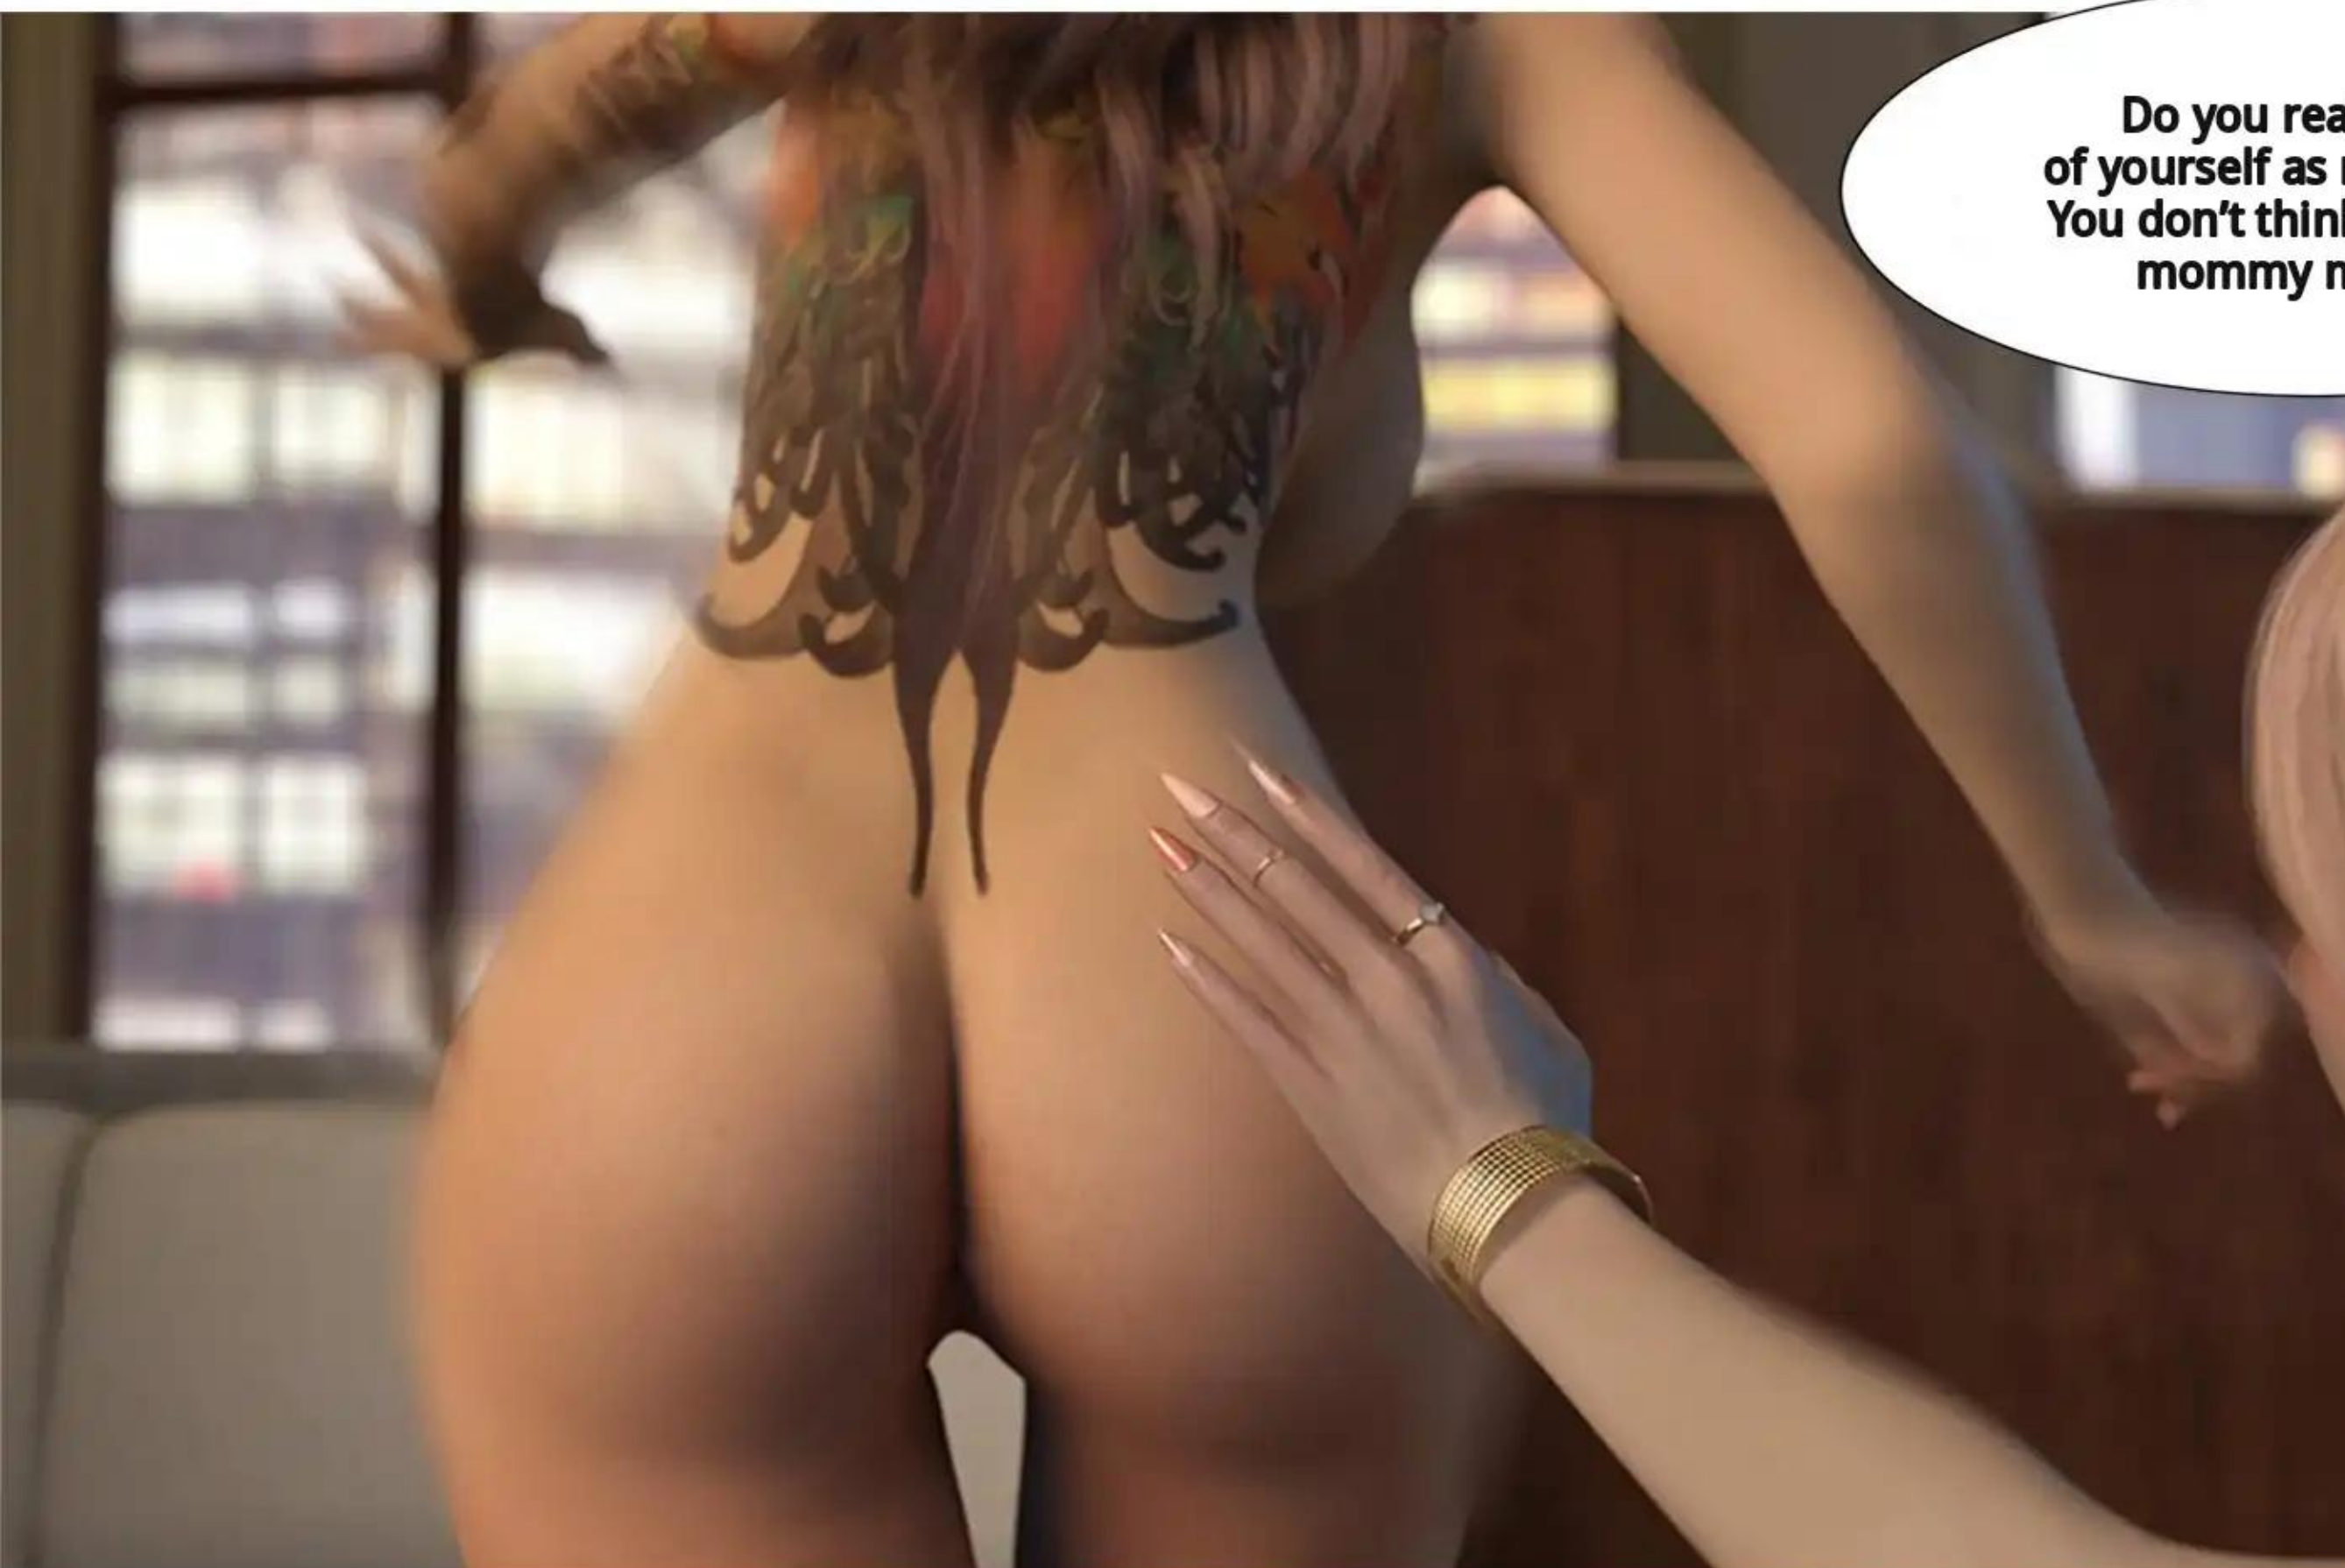

Let this...let
this girl go back
to me! Stop it
now, I command
you,

You dare to mess with me first? I haven't gone to find you yet, go! Instigated to death

Do you really think of yourself as my mother? You don't think I'm calling mommy mommy

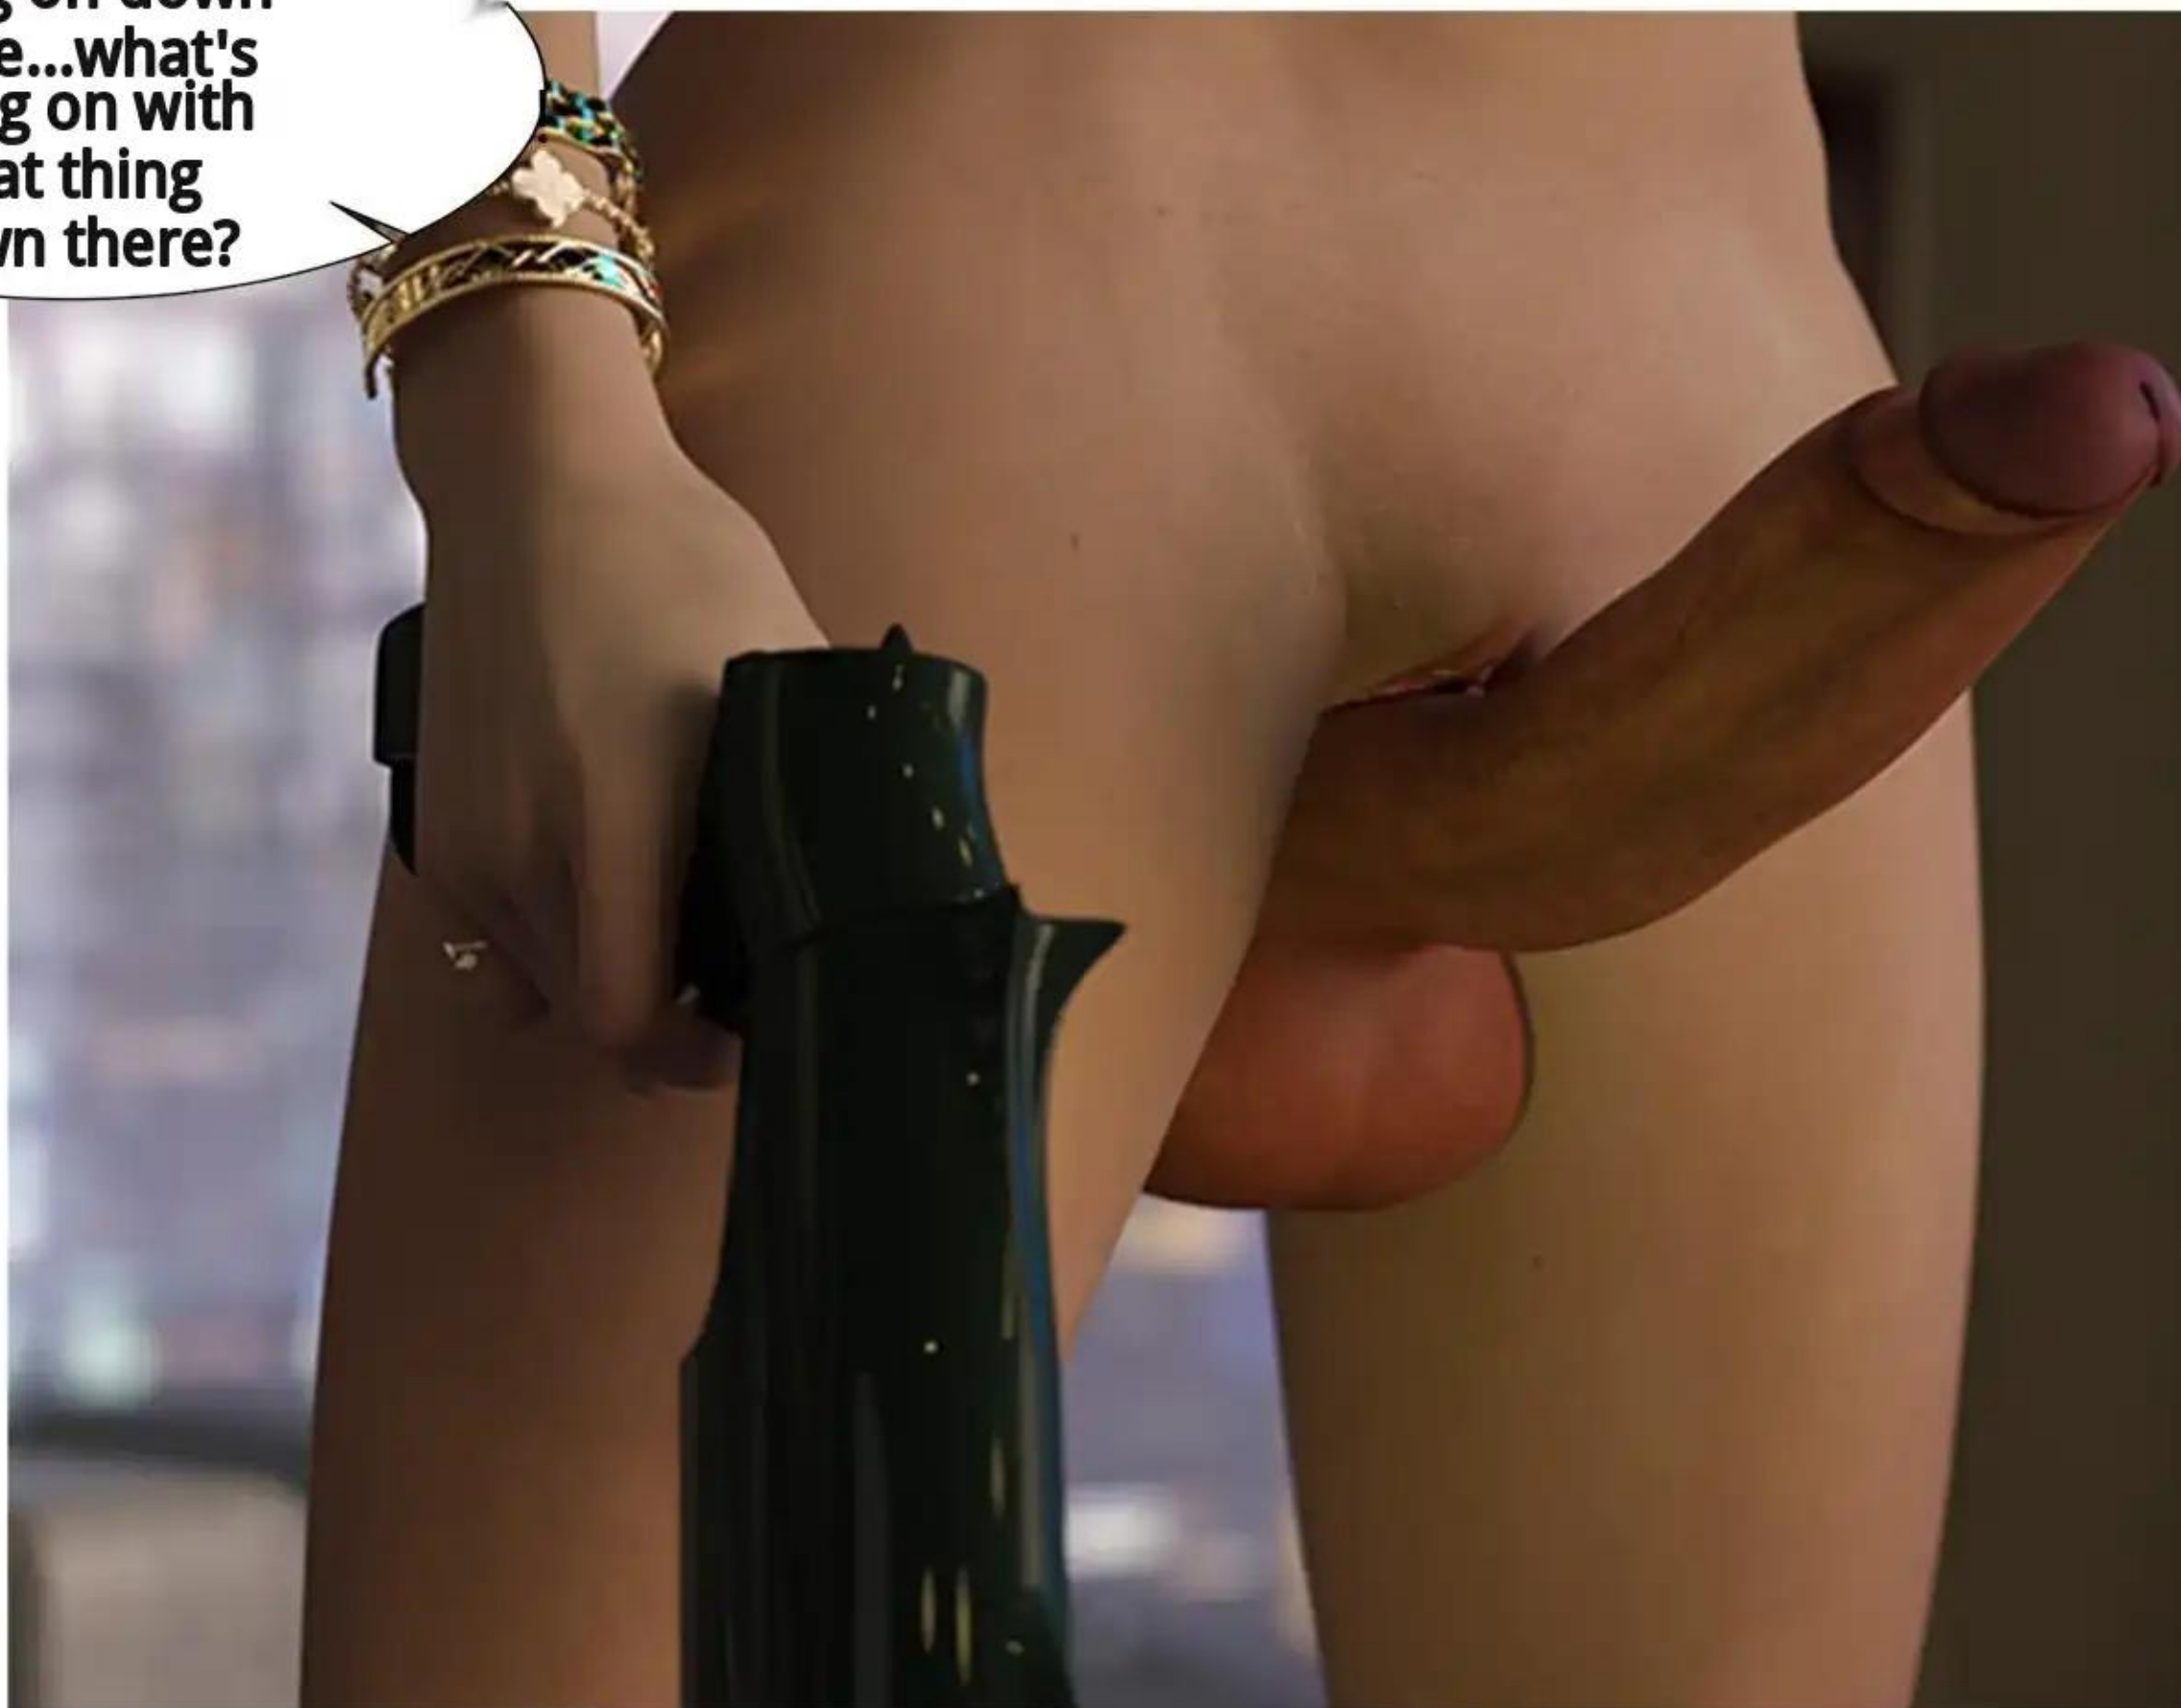

I would also like to collect some interest from you first! I originally wanted to continue playing pretending to be drinking with you, but when I thought about what your good son did to me before,

What are you talking about? Zhou Ying, what on earth are you doing?

And what's going on down there...what's going on with that thing down there?

Why can't
you even
recognize a
man's cock?
Haha! They are
all mothers,

This is a long story~ How
about I have someone actually
demonstrate it for you? Oh, I
understand, what you want to
ask is why I have this
thing, right?

Show it to my
dear mommy! Take
off this skin, hey,
come here,

In, in front
of her? Ah...
right now?

How about I take it off for you in another way? What, are you doubtful? It's okay if you don't want to take it off

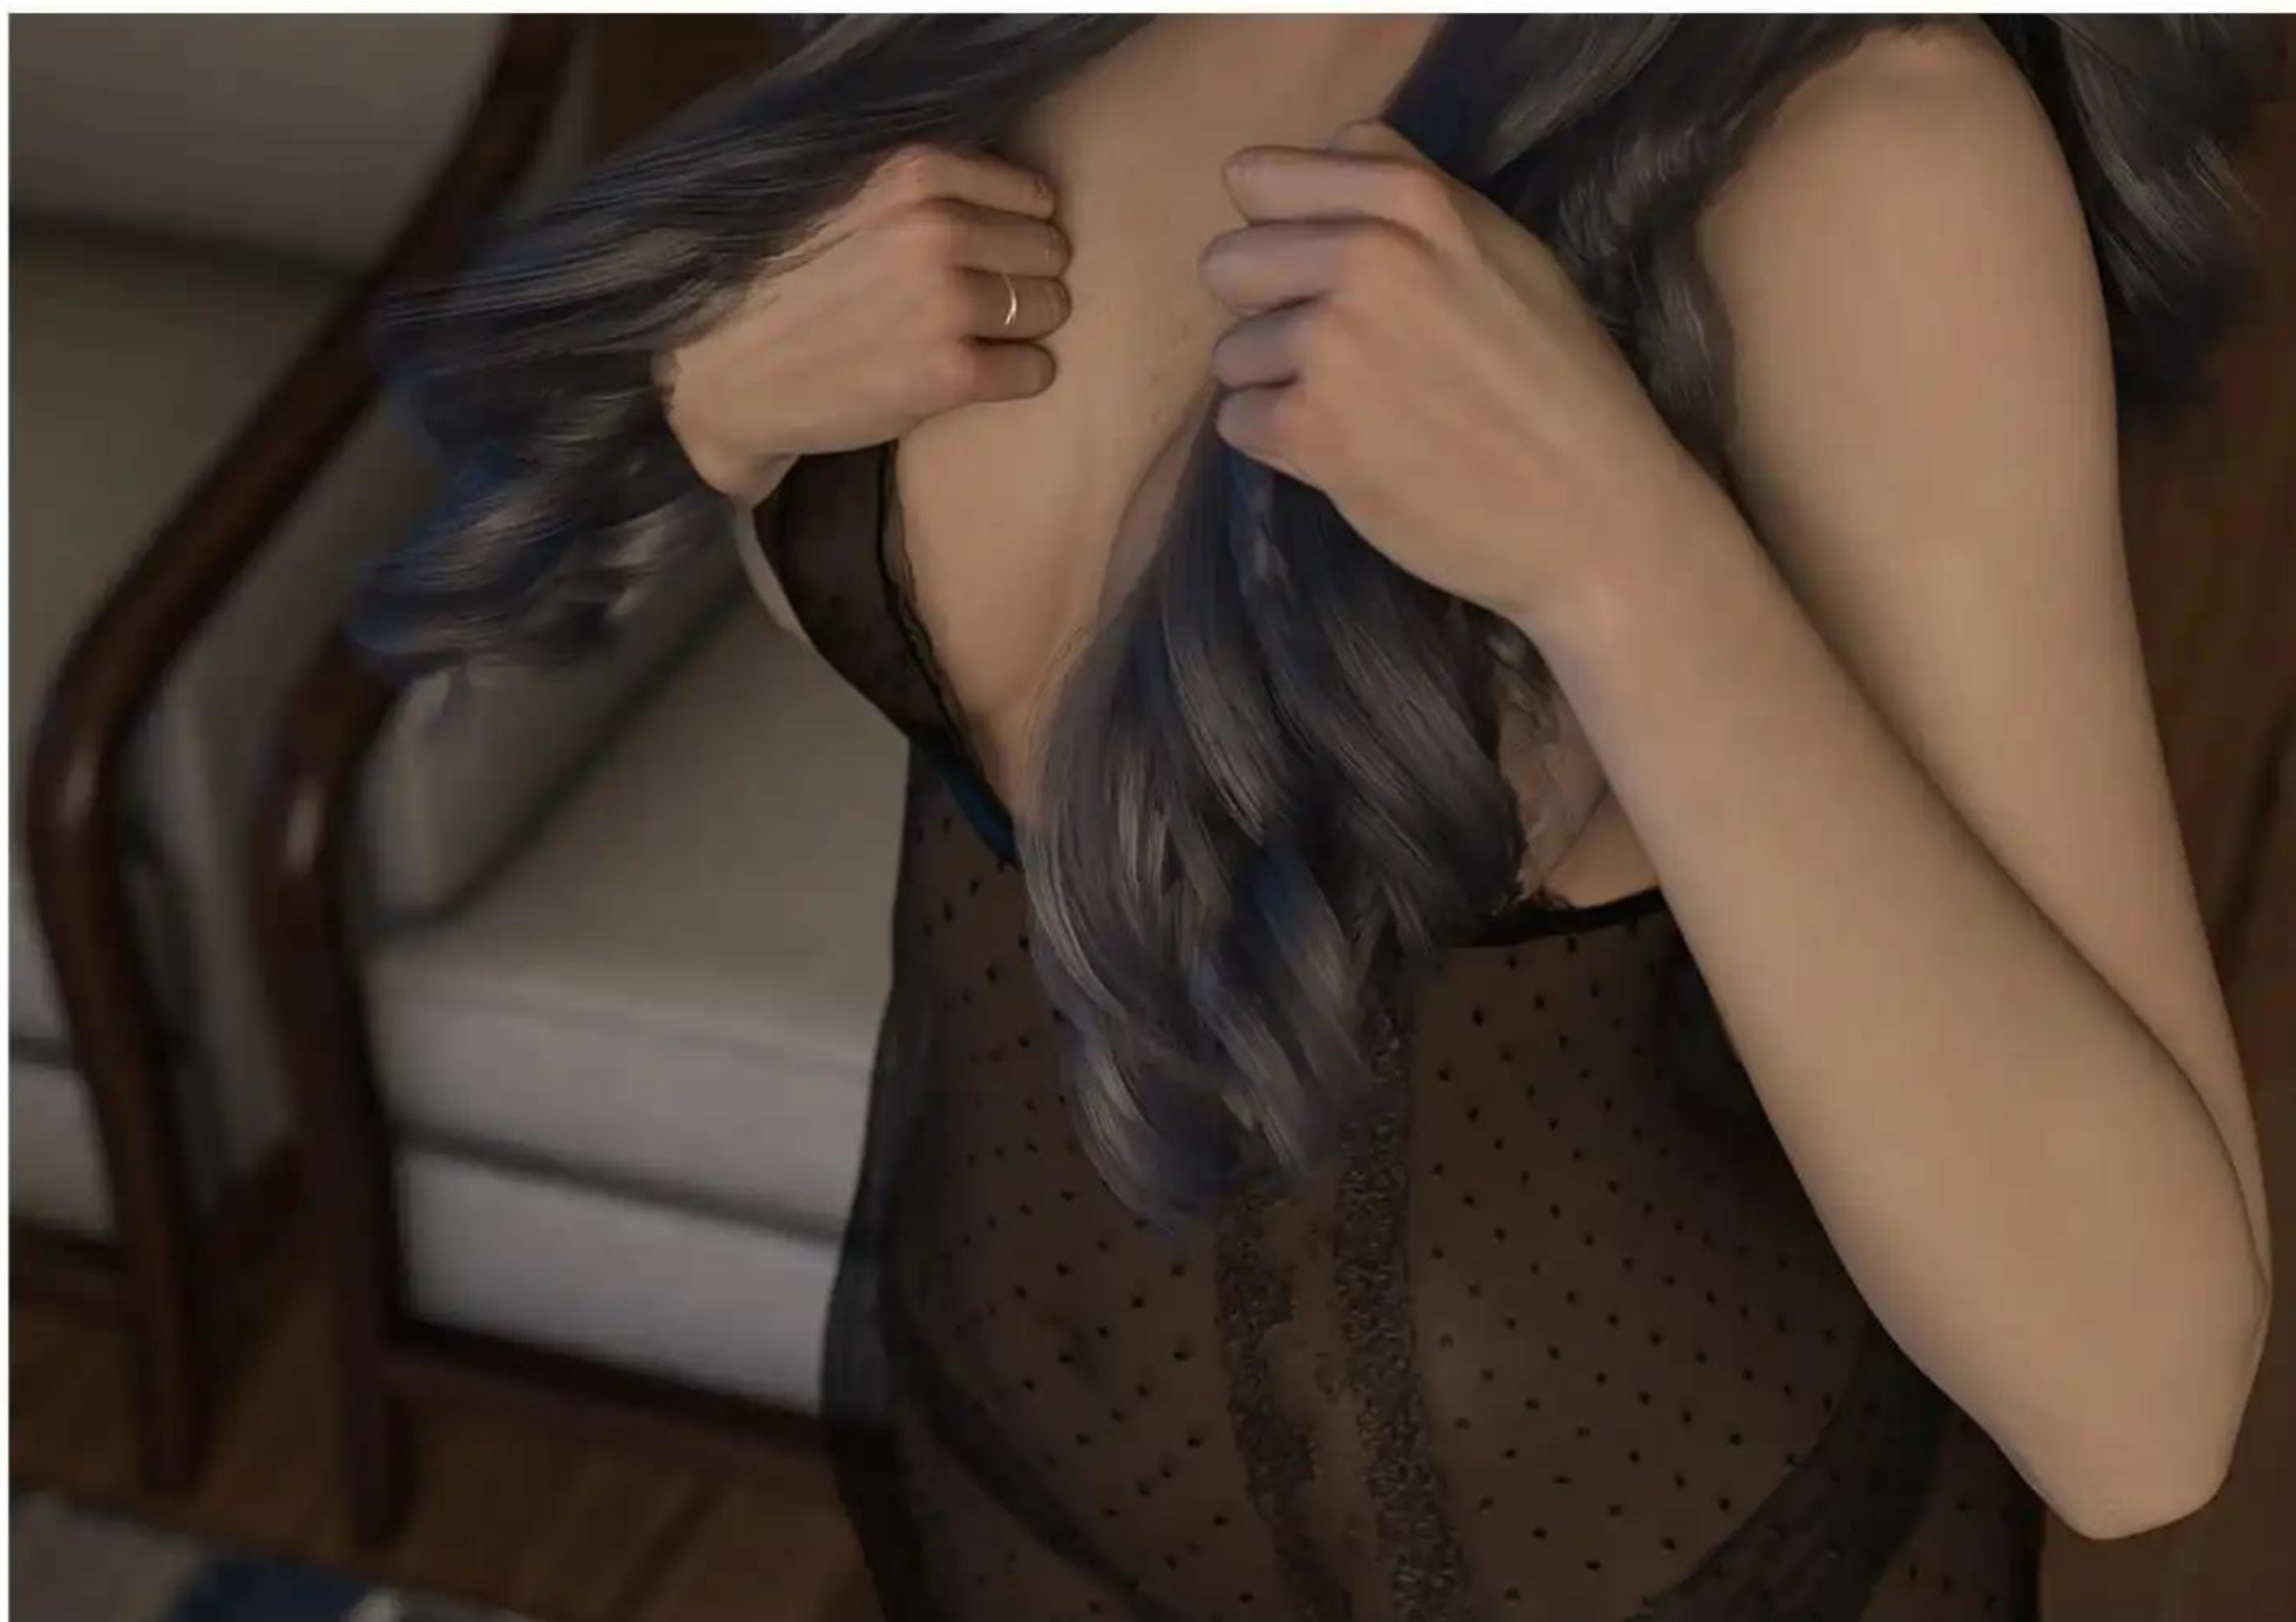

Don't!
I...I just
take it
off!

Thinking about it carefully, plus what happened tonight, it always makes people feel on tenterhooks. Her weirdness is indeed not

Not only has her whole attitude changed, but what's wrong with Zhou Ying? She even speaks and acts with a gangster air, and there's that thing underneath her.

It's been two days,
.....

But I felt a sense of fear of facing robbers. It was obvious that the person standing in front of me was the daughter I was most familiar with.

We made such a big noise, didn't my husband and Zhou Ming hear it? Should I wake them up?

I actually had to face
Zhou Ming's mother. I didn't
expect that he is becoming
more and more lawless! Take
off this human skin

But in order not to turn into skin, I have no other choice. I can only obey orders and do things even if Zhou Ming's mother witnesses this -

cut,

Take
off one

Hey!
call....

This skin
is really
hard to take
off...:

A boy...A boy
actually emerged
from a girl's body?
Ahhhhh!
This...what is
this?

, why is it too rare and weird for people to show their faces? It's just a head and it's so scary,

You'd better take it off quickly, so as not to scare other people's mummies. But this look of being neither male nor female is really weird.

He is just a pervert who likes to see people say he is afraid of scaring others, but the pride on his face cannot hide the shock and pain of others.

Otherwise, I really don't know how he would treat me! Fortunately, he likes women with dicks, so he reluctantly uses it because I can wear it.

Who knows if he will go crazy one day, just like he has a knife hanging out of his head, will he really turn me into skin? The smell on my head is really unpleasant

I refuse to leave my sight for a moment. If I can't get the leather gun, I have no other choice! He treated it like a treasure, but since he got the gun back,

How could such
a thing happen?
I...am I dreaming?
God...oh God,

**The woman who
was standing in
front of me just now
turned into a piece of
skin...and, moreover,
she was disguised as
a man!**

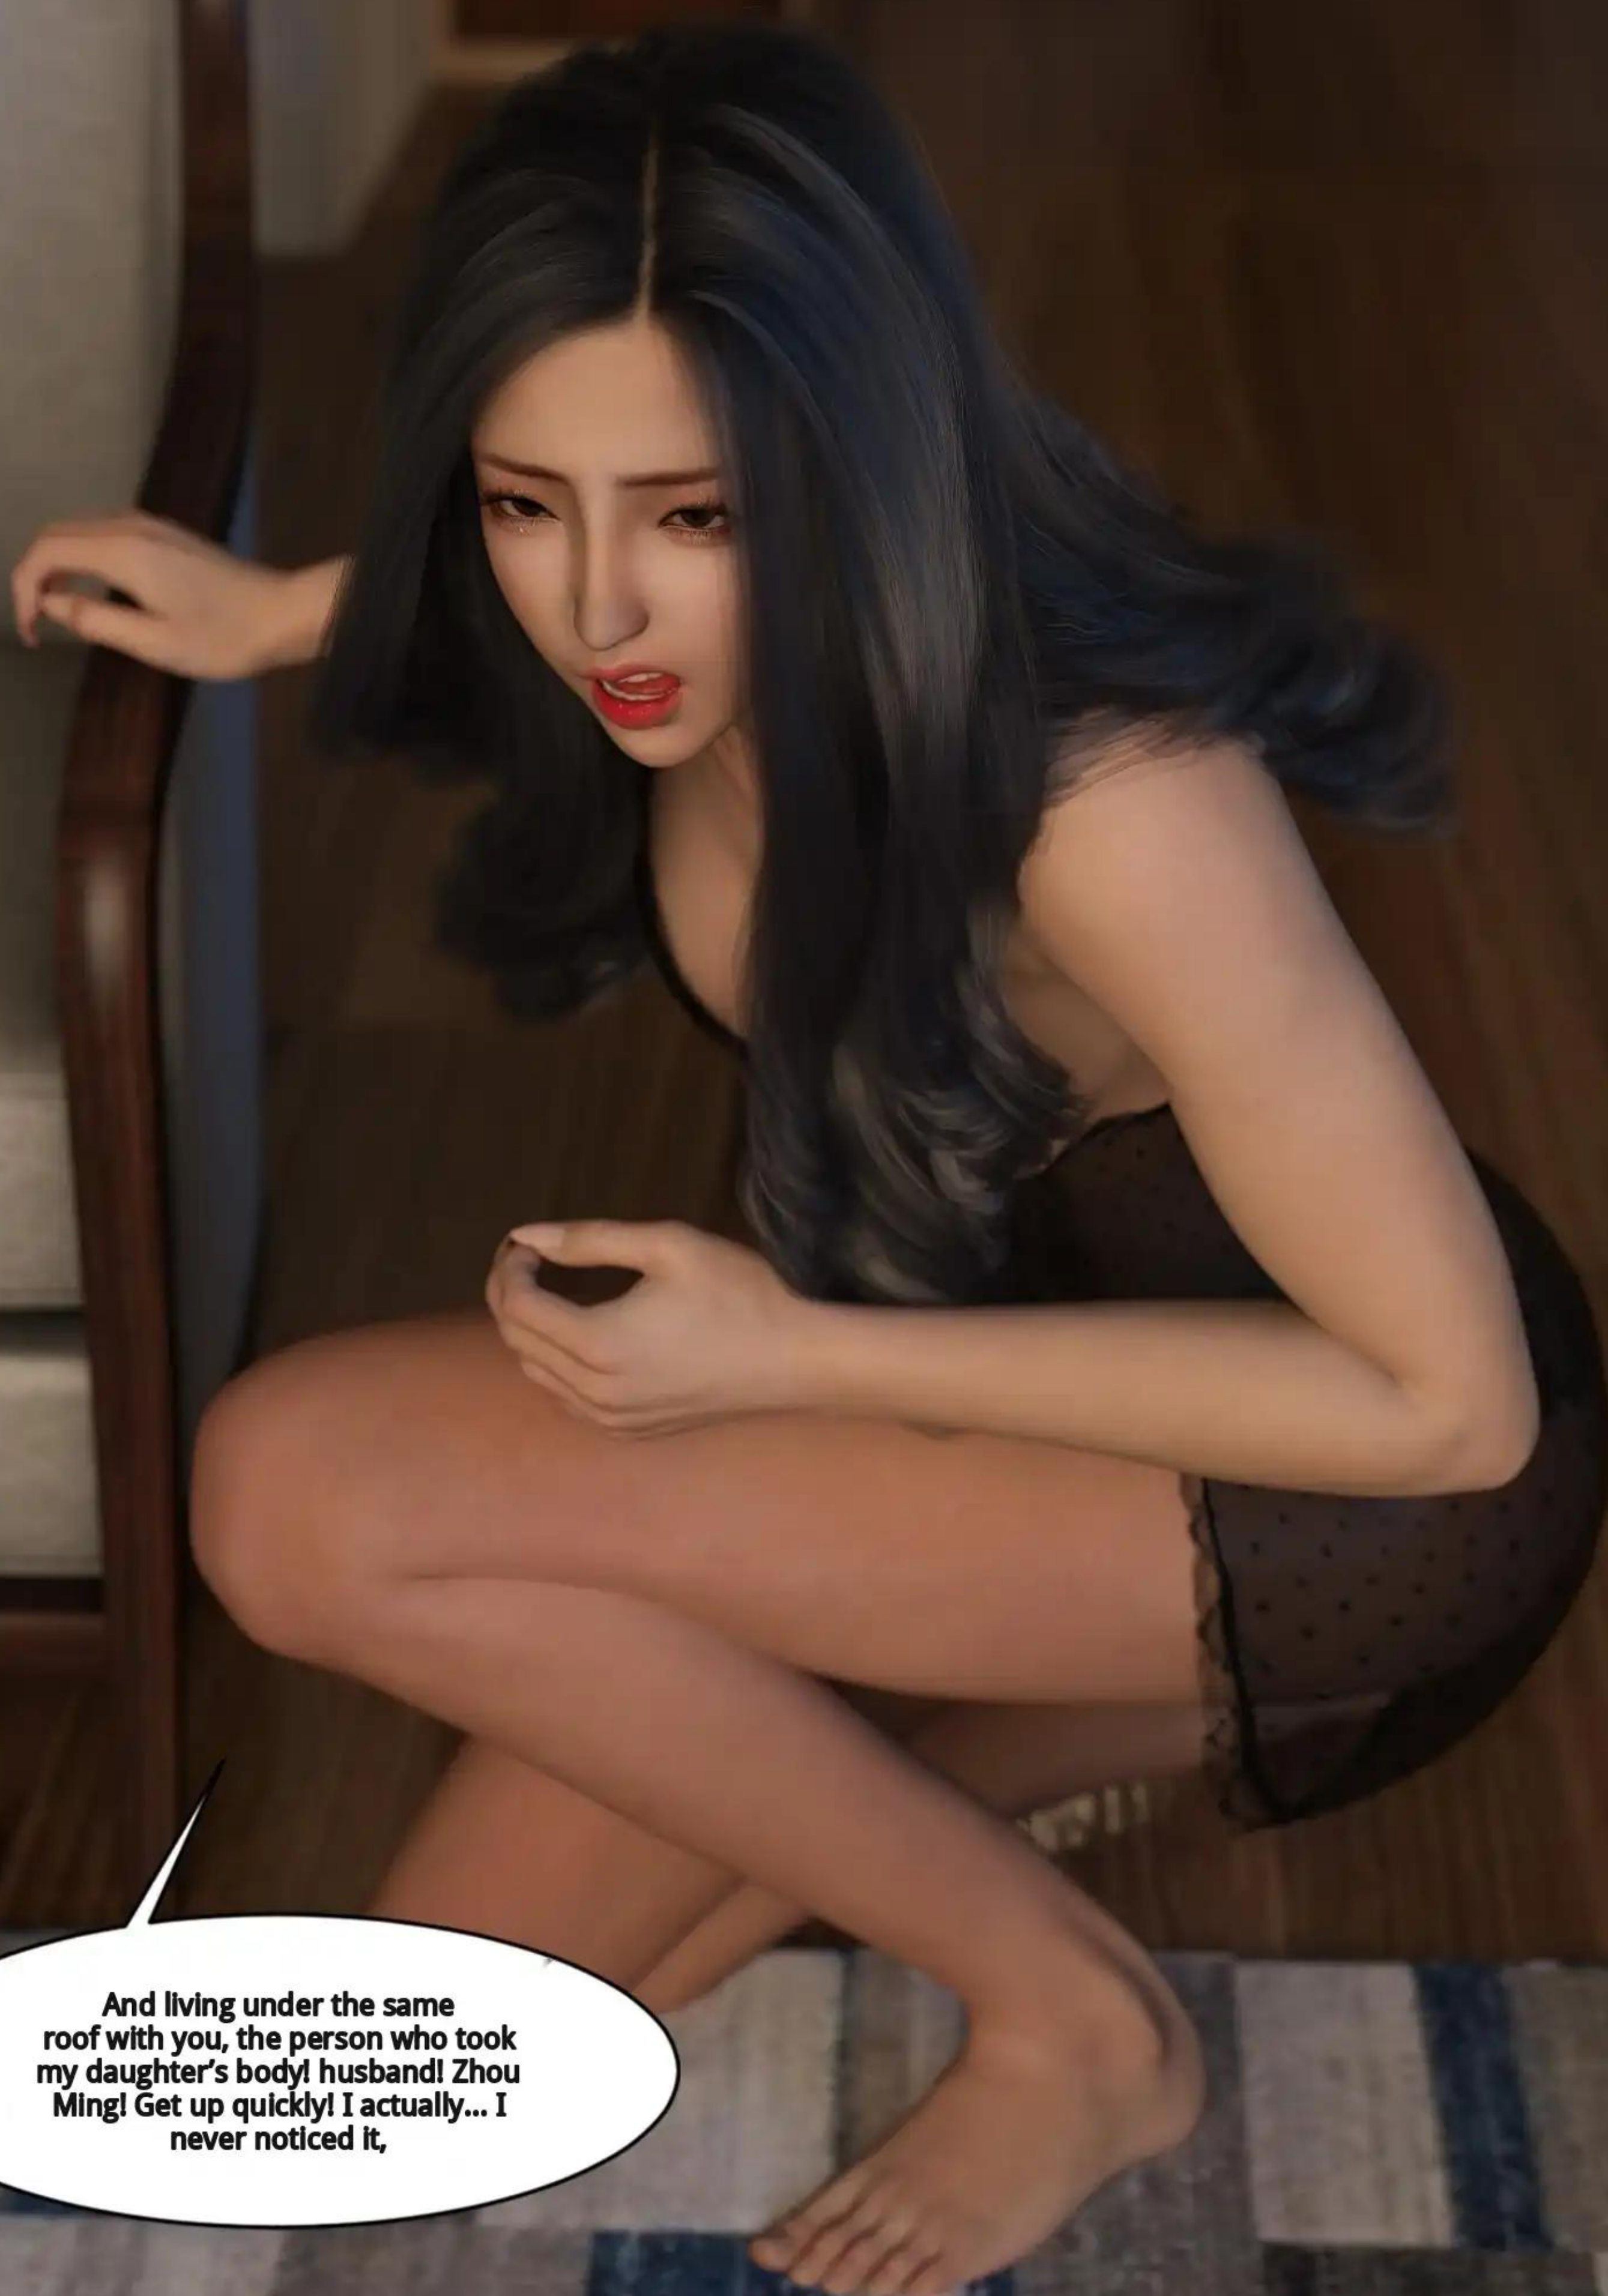

etc! Could it be that...you are not my daughter at all! Zhou Ying, she was also turned into skin by you, right?

I won't let it go easily! High-quality and top-grade goods like your daughter, haha, of course

And living under the same roof with you, the person who took my daughter's body! husband! Zhou Ming! Get up quickly! I actually... I never noticed it,

Stop shouting,
even if you shout
to break your throat,
I have already given
sleeping pills to their
dinner, haha! They
won't get up, after all,
in order to enjoy
tonight -

What...you drugged them but let me alone, could it be

That's right, the purpose is to turn Mommy into skin and wear it!

Cum!

吧唧吧唧吧唧吧唧!

you!
What did
you do to
me?

I used to do the same thing, but at that time I was just having fun. I would turn Zhou Ming's mother into a skinny girl and I would change her back, but now... ..

ah!
Me...my
body!

My body...has
no feeling!
Consciousness...consciousness
is getting blurry

Husband...Zhou
Ming...:...run
away.

.....

Hehehe...

Ha ha ha ha!
It's so happy to
see another beauty,
haha! Skin has been
added to my
collection

Now I can finally
have sex with you again! I
was thinking about you all
the time in the hotel and the
sex you had was even
more unforgettable.

I'm really looking forward to the mother-daughter game! You, please wear this leather this time.

Got it... got it...

What a joy! Being able to wear Zhou Ming's fucking skin,~...if he wasn't forced by someone,

There is no need to witness the sight of his sister turning his mother into human skin. The joy and pleasure of wearing skin are greatly reduced, but the only thing that is fortunate in front of this pervert is that Lao Zhou is still sleeping soundly.

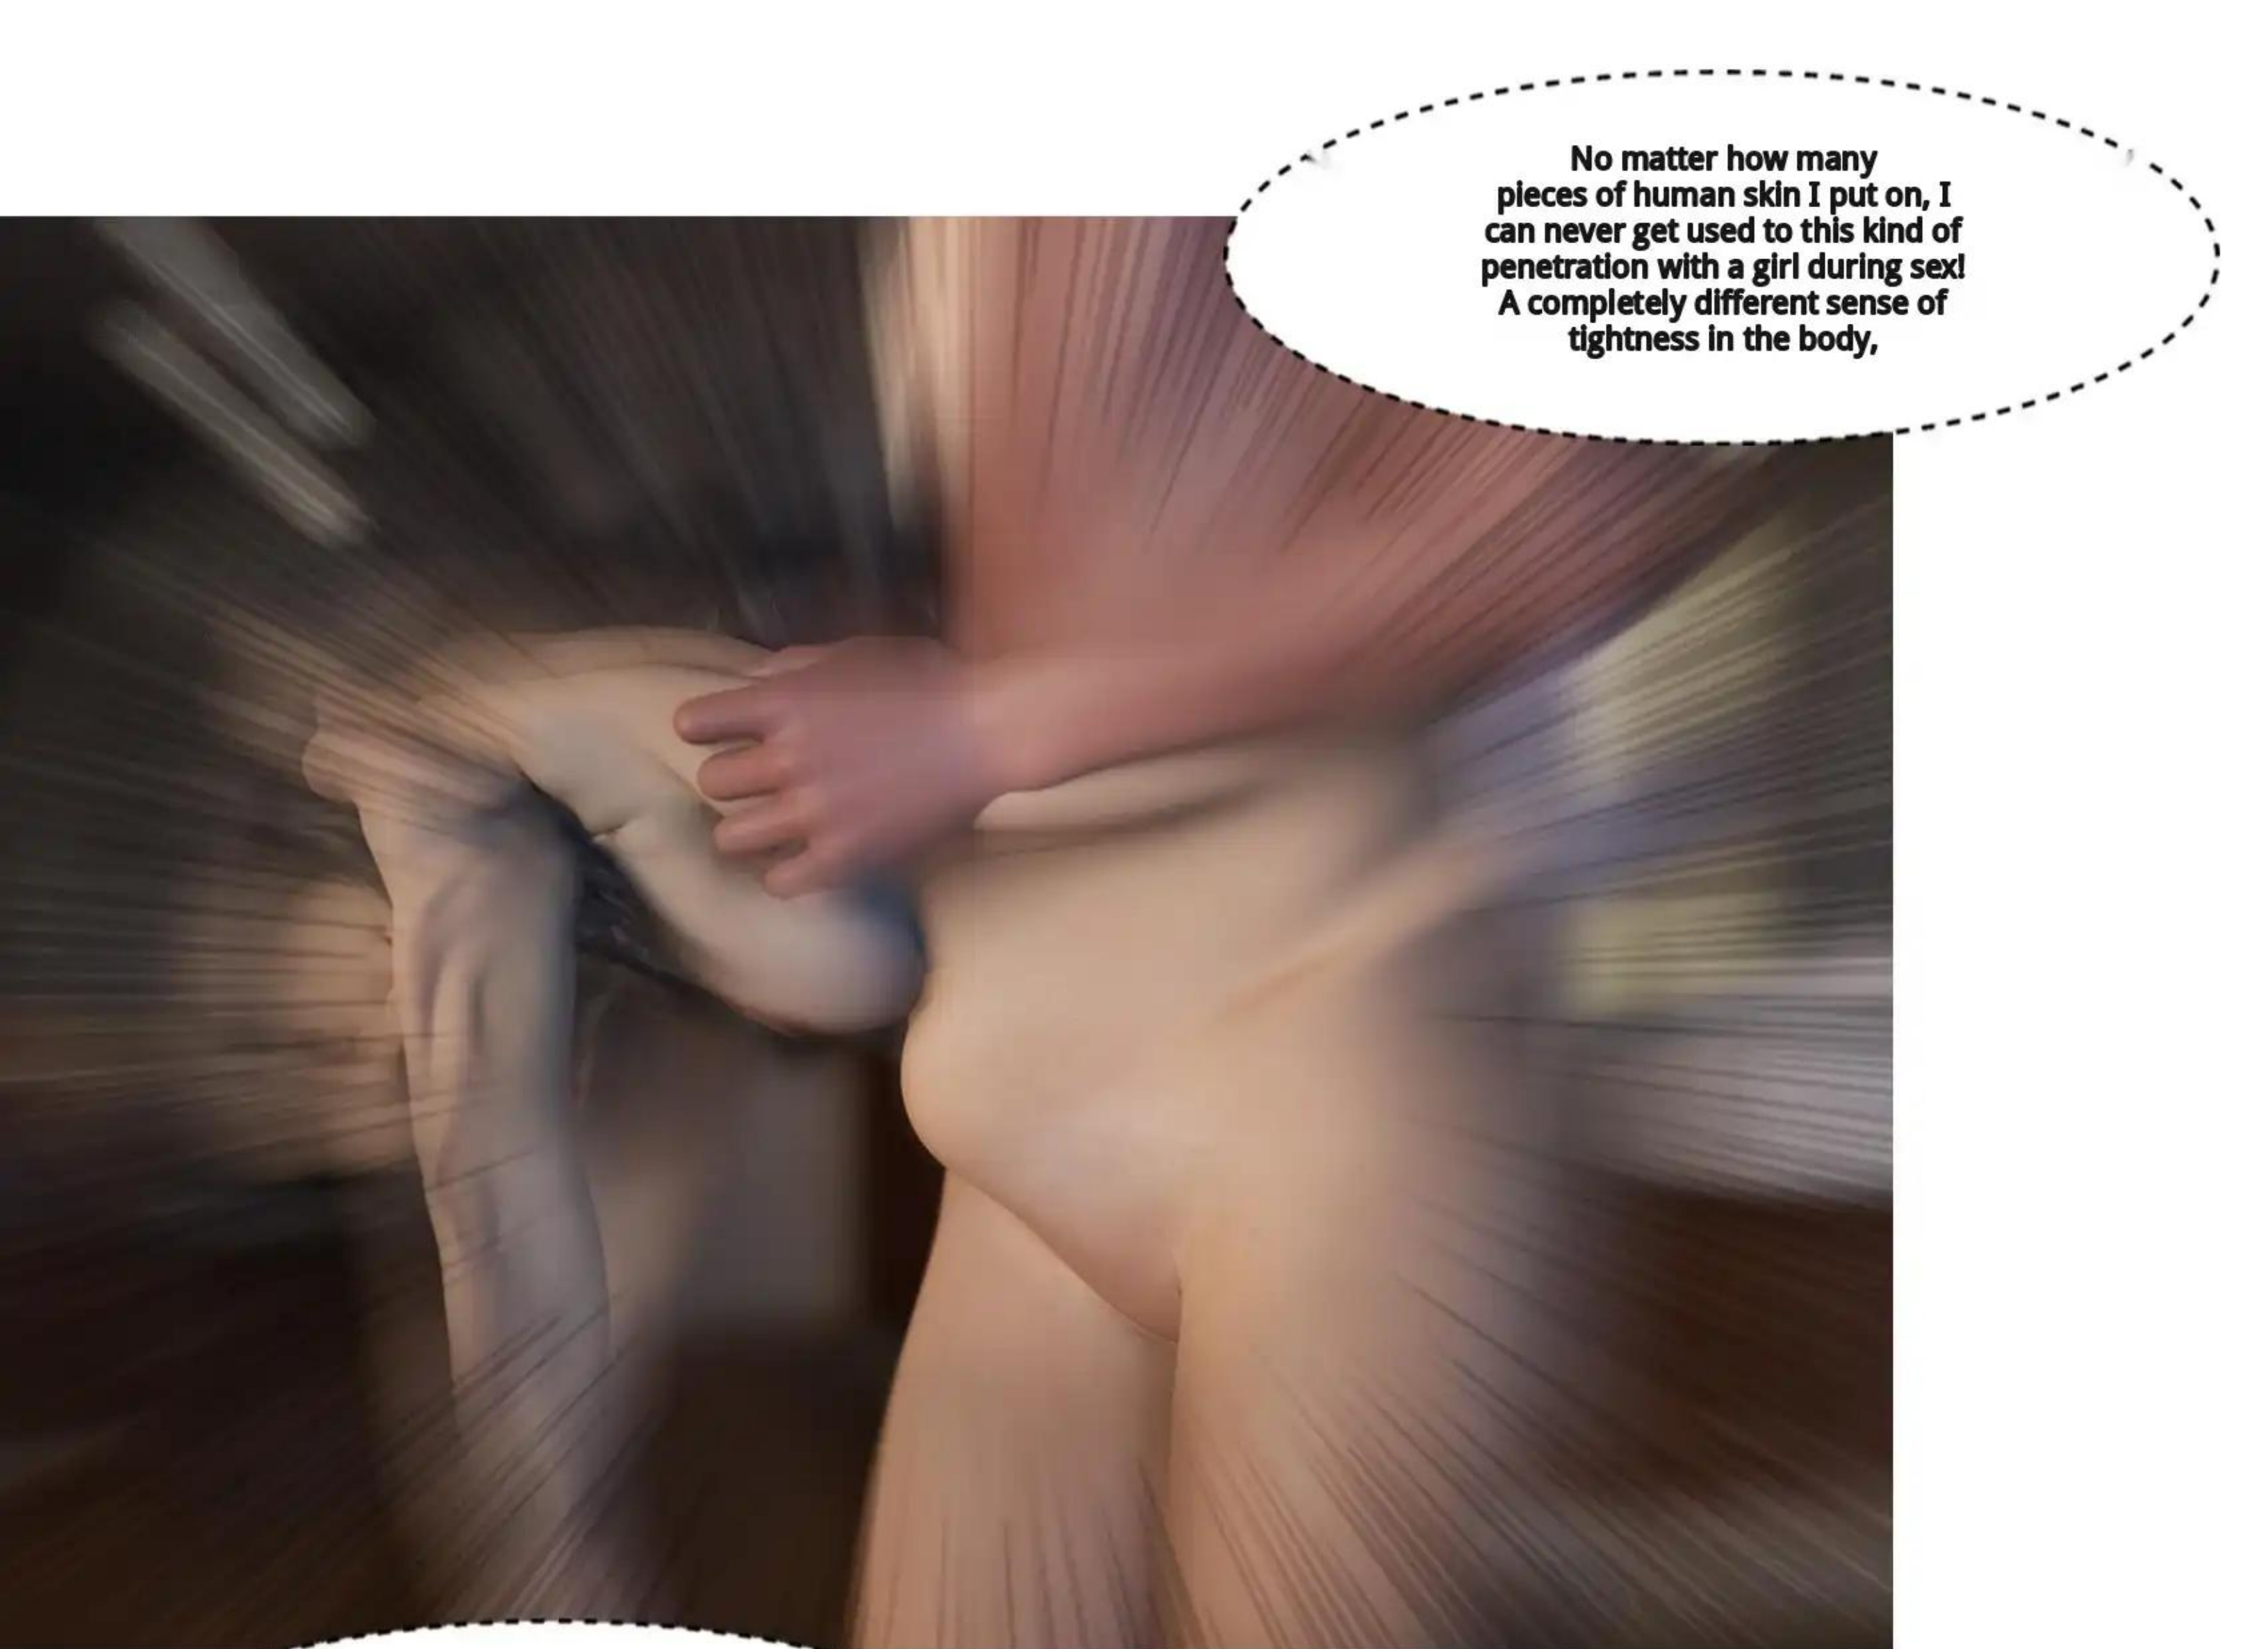

The soft skin wrapped around my rough body... reminded me of the feeling of wearing her for the first time... this tight touch

**But my mood is not
as comfortable as before!
After going around and
around, I put on Zhou Ming's
mother's skin again, although
the physical feeling was still
the same as before.**

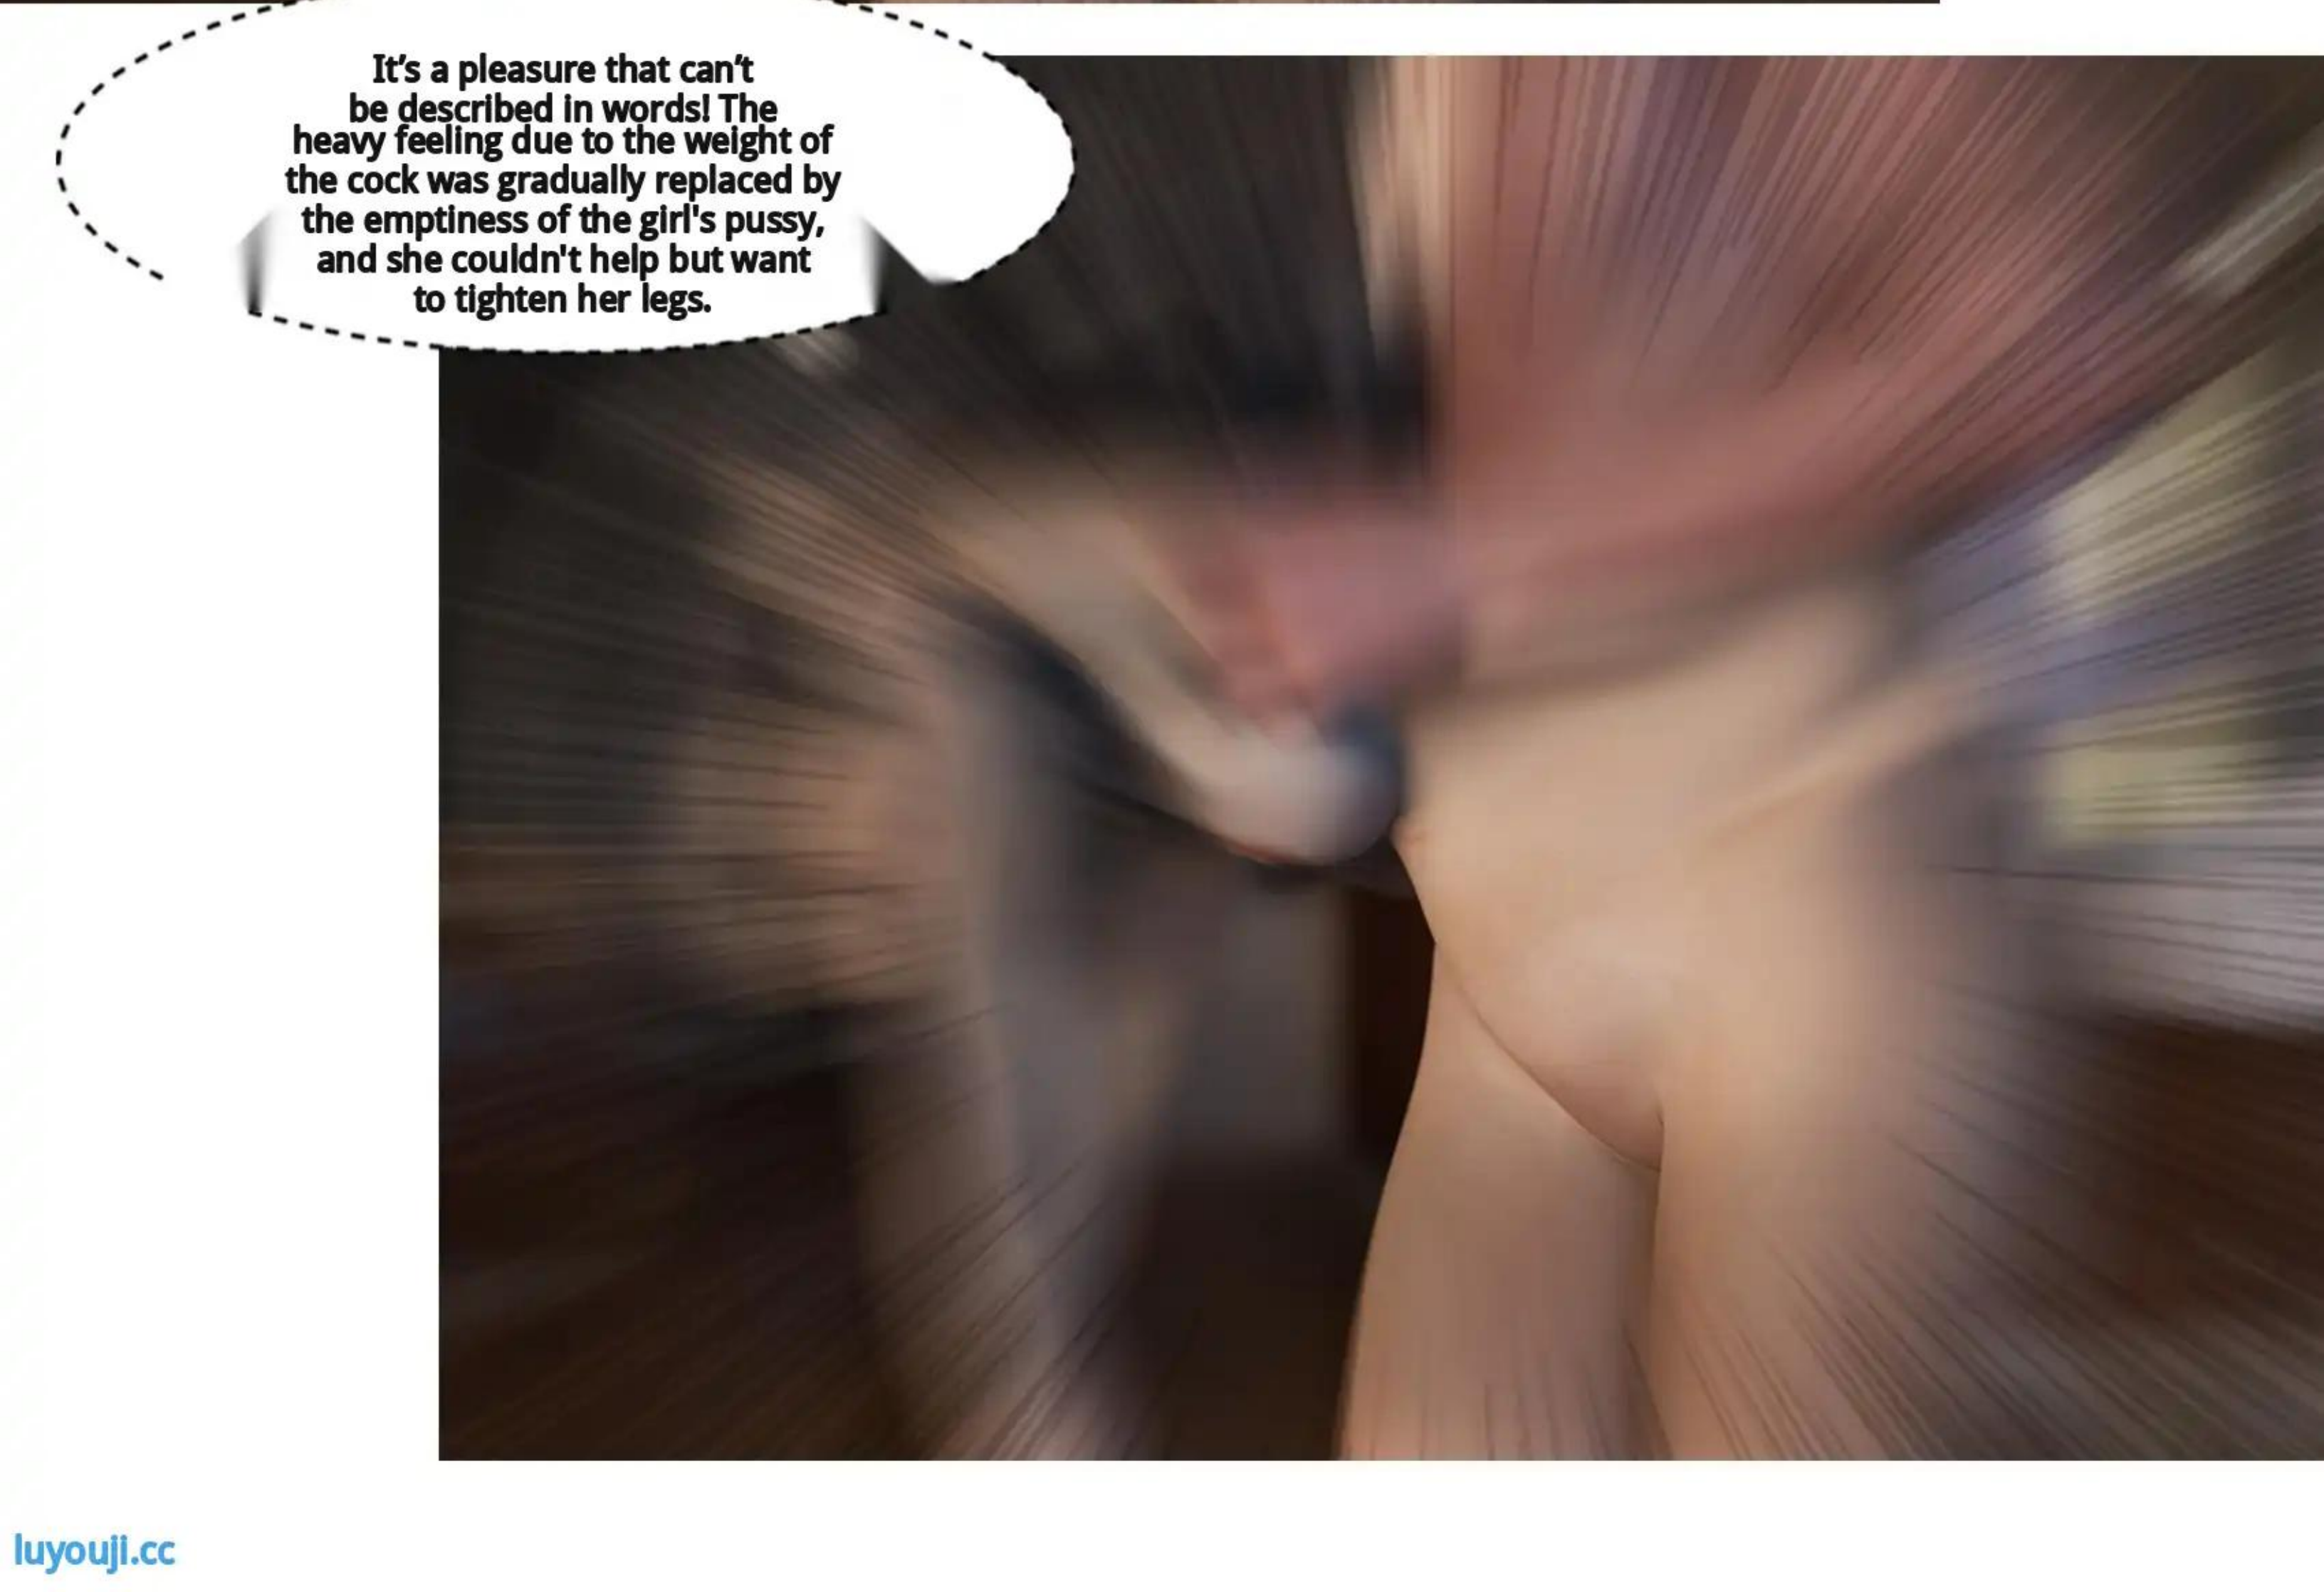

**This feeling as if
the skin below is going
to be swallowed up and
melted! Ah! Coming,
coming again**

No matter how many pieces of human skin I put on, I can never get used to this kind of penetration with a girl during sex! A completely different sense of tightness in the body,

It's a pleasure that can't be described in words! The heavy feeling due to the weight of the cock was gradually replaced by the emptiness of the girl's pussy, and she couldn't help but want to tighten her legs.

Damn it,
female

If I were alone,
I could enjoy the
pleasure of skin
penetration! Can
be biased.

Let him watch it like a performance, which makes people feel disgusting and awkward! I had to be in front of this pervert, especially with the unconcealed desire in his eyes.

**It's better to finish
dressing quickly! It's really
impossible to put on human
skin leisurely under that
kind of fanatical gaze**

I just don't know if it's because of wearing human skin, or because I want to use this skin to have sex later.

The idea of wanting to use a girl's body for sex quickly and feeling like my body is getting hot again is out of control.

**Become that
charming dream lover!
Especially now, I'm just
one step away from
becoming Zhou Ming's
mother again**

Oh oh oh oh oh! The
cheeky fit has transformed me
from a high school boy into a
beautiful mature woman! It
seems to represent my
change,

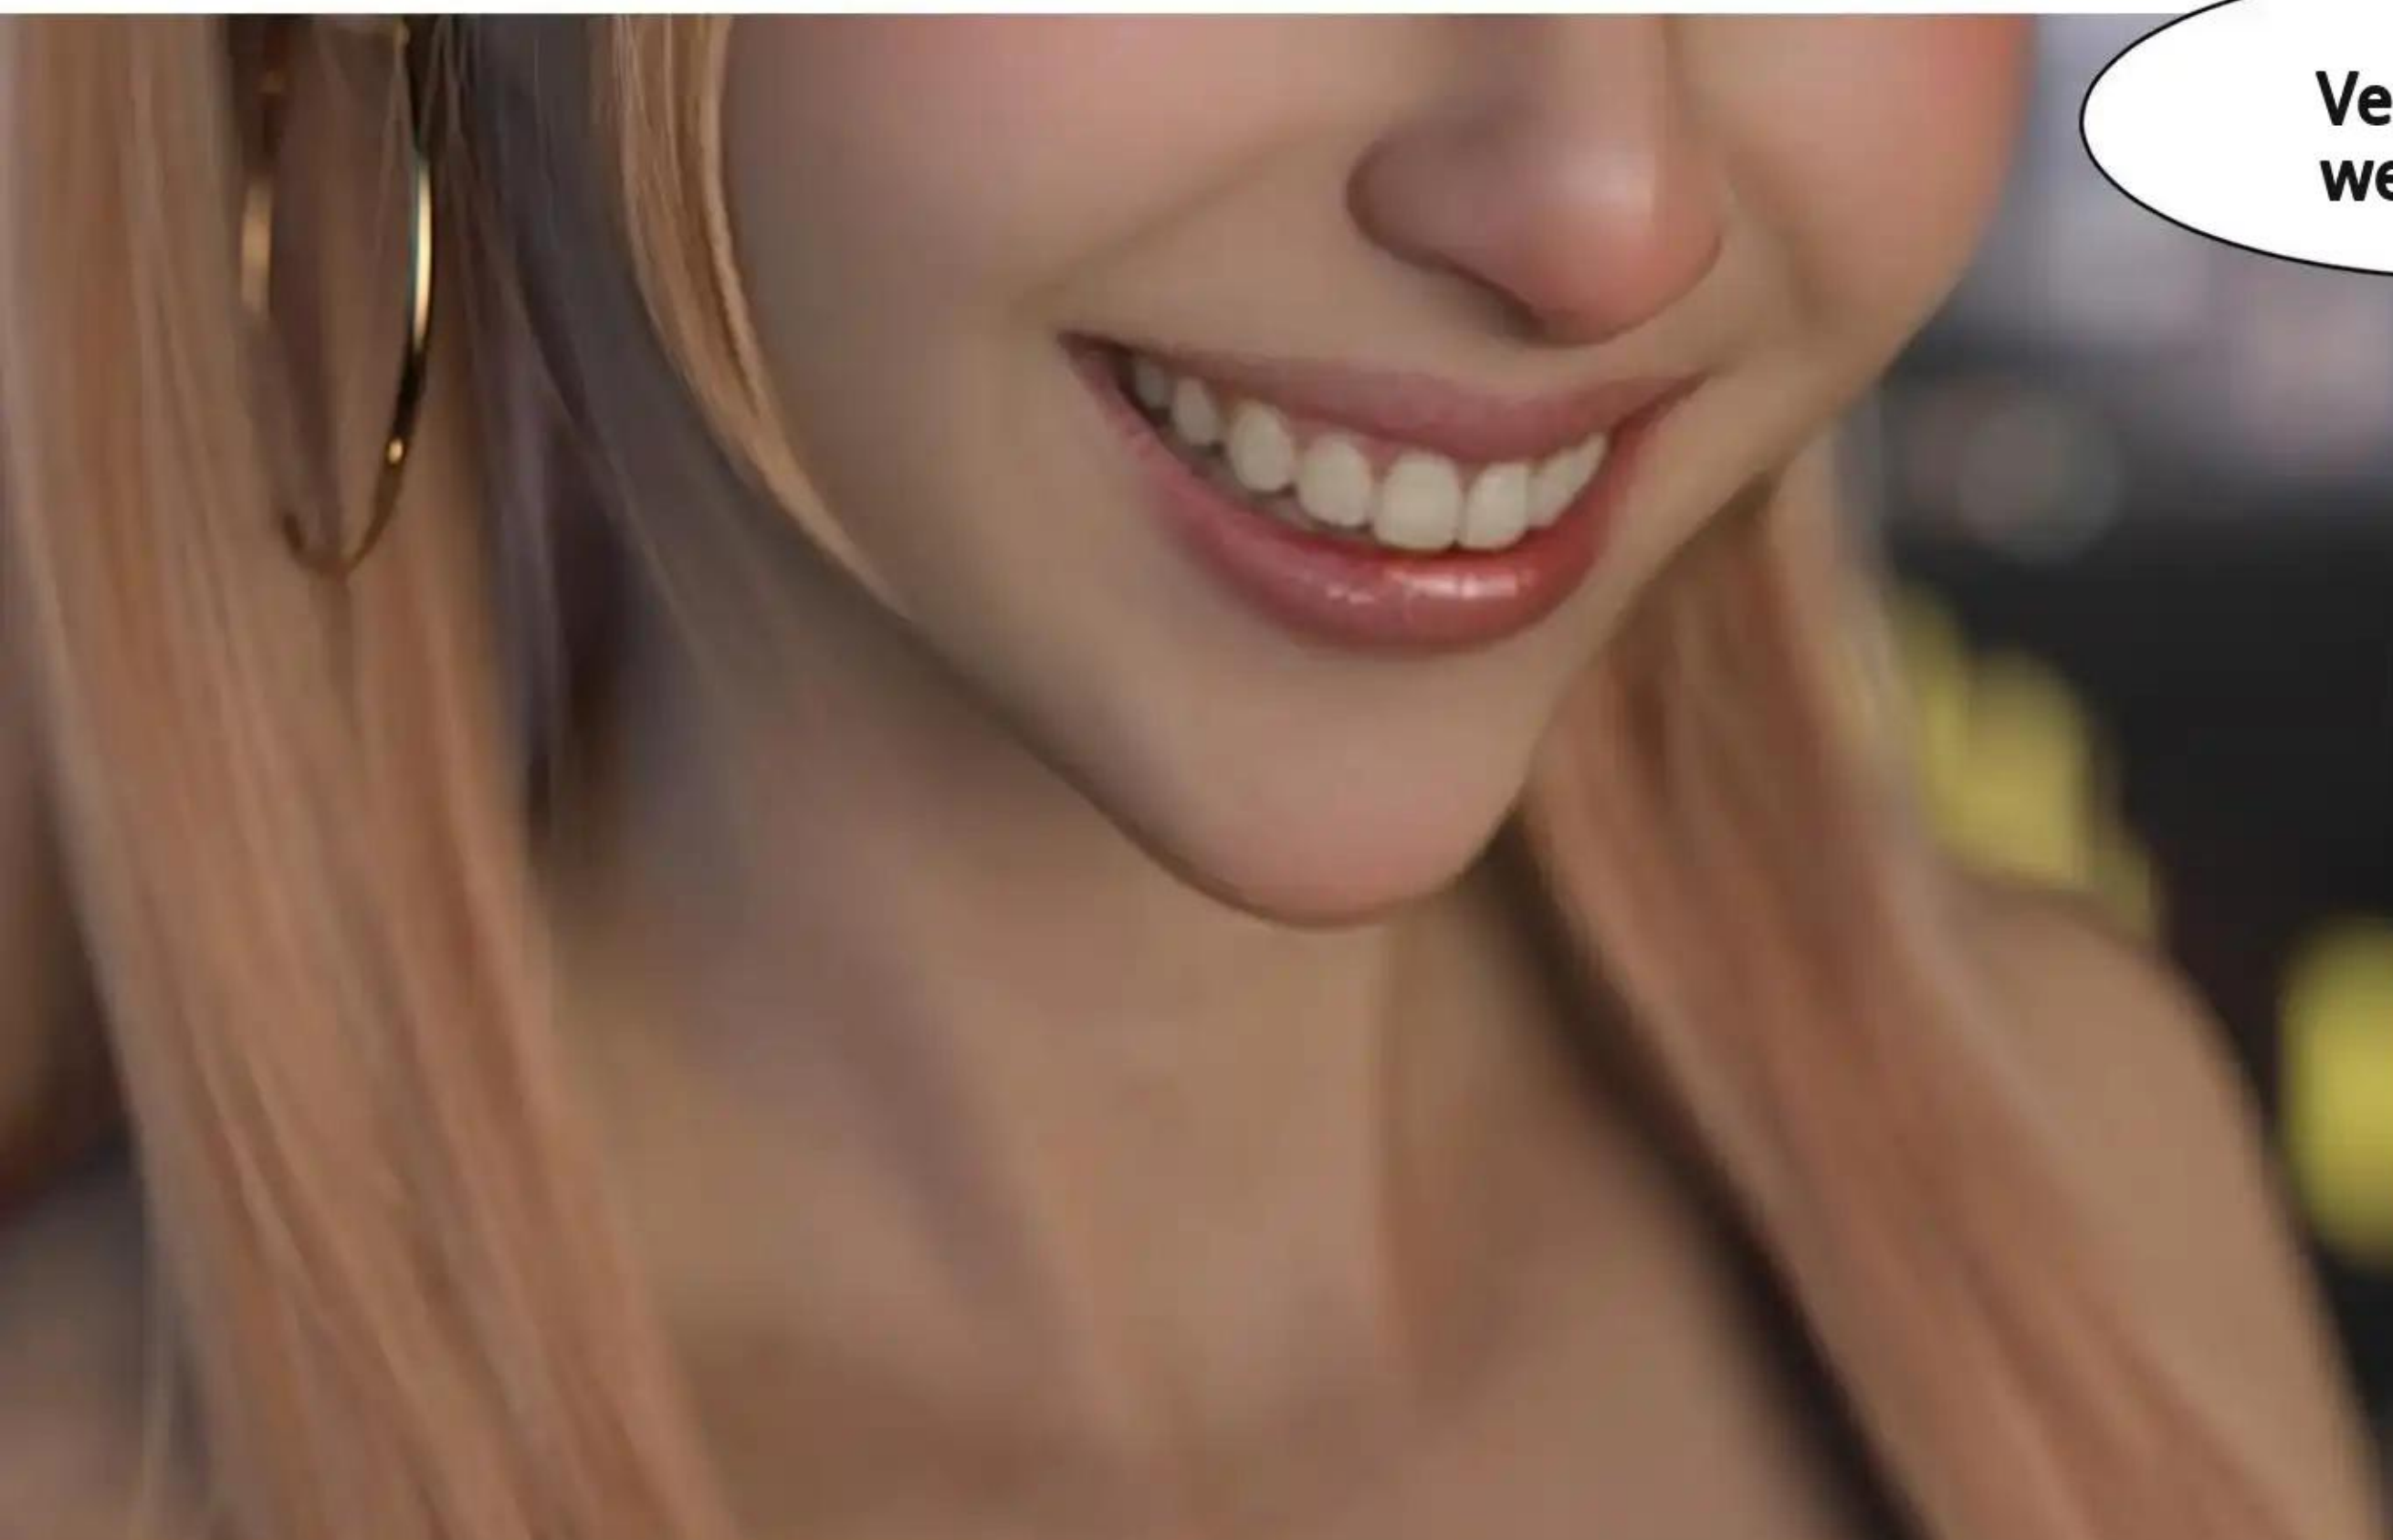

Haah...haah...my voice...are you dressed like this? My body is like this,

Bang
bang
bang!

Very good,
well done!

Then, next is the intimate time between our good mother and daughter,

Do you
have to
do it
here?

I know you
drugged them just in
case...in case her
husband wakes up.

.....

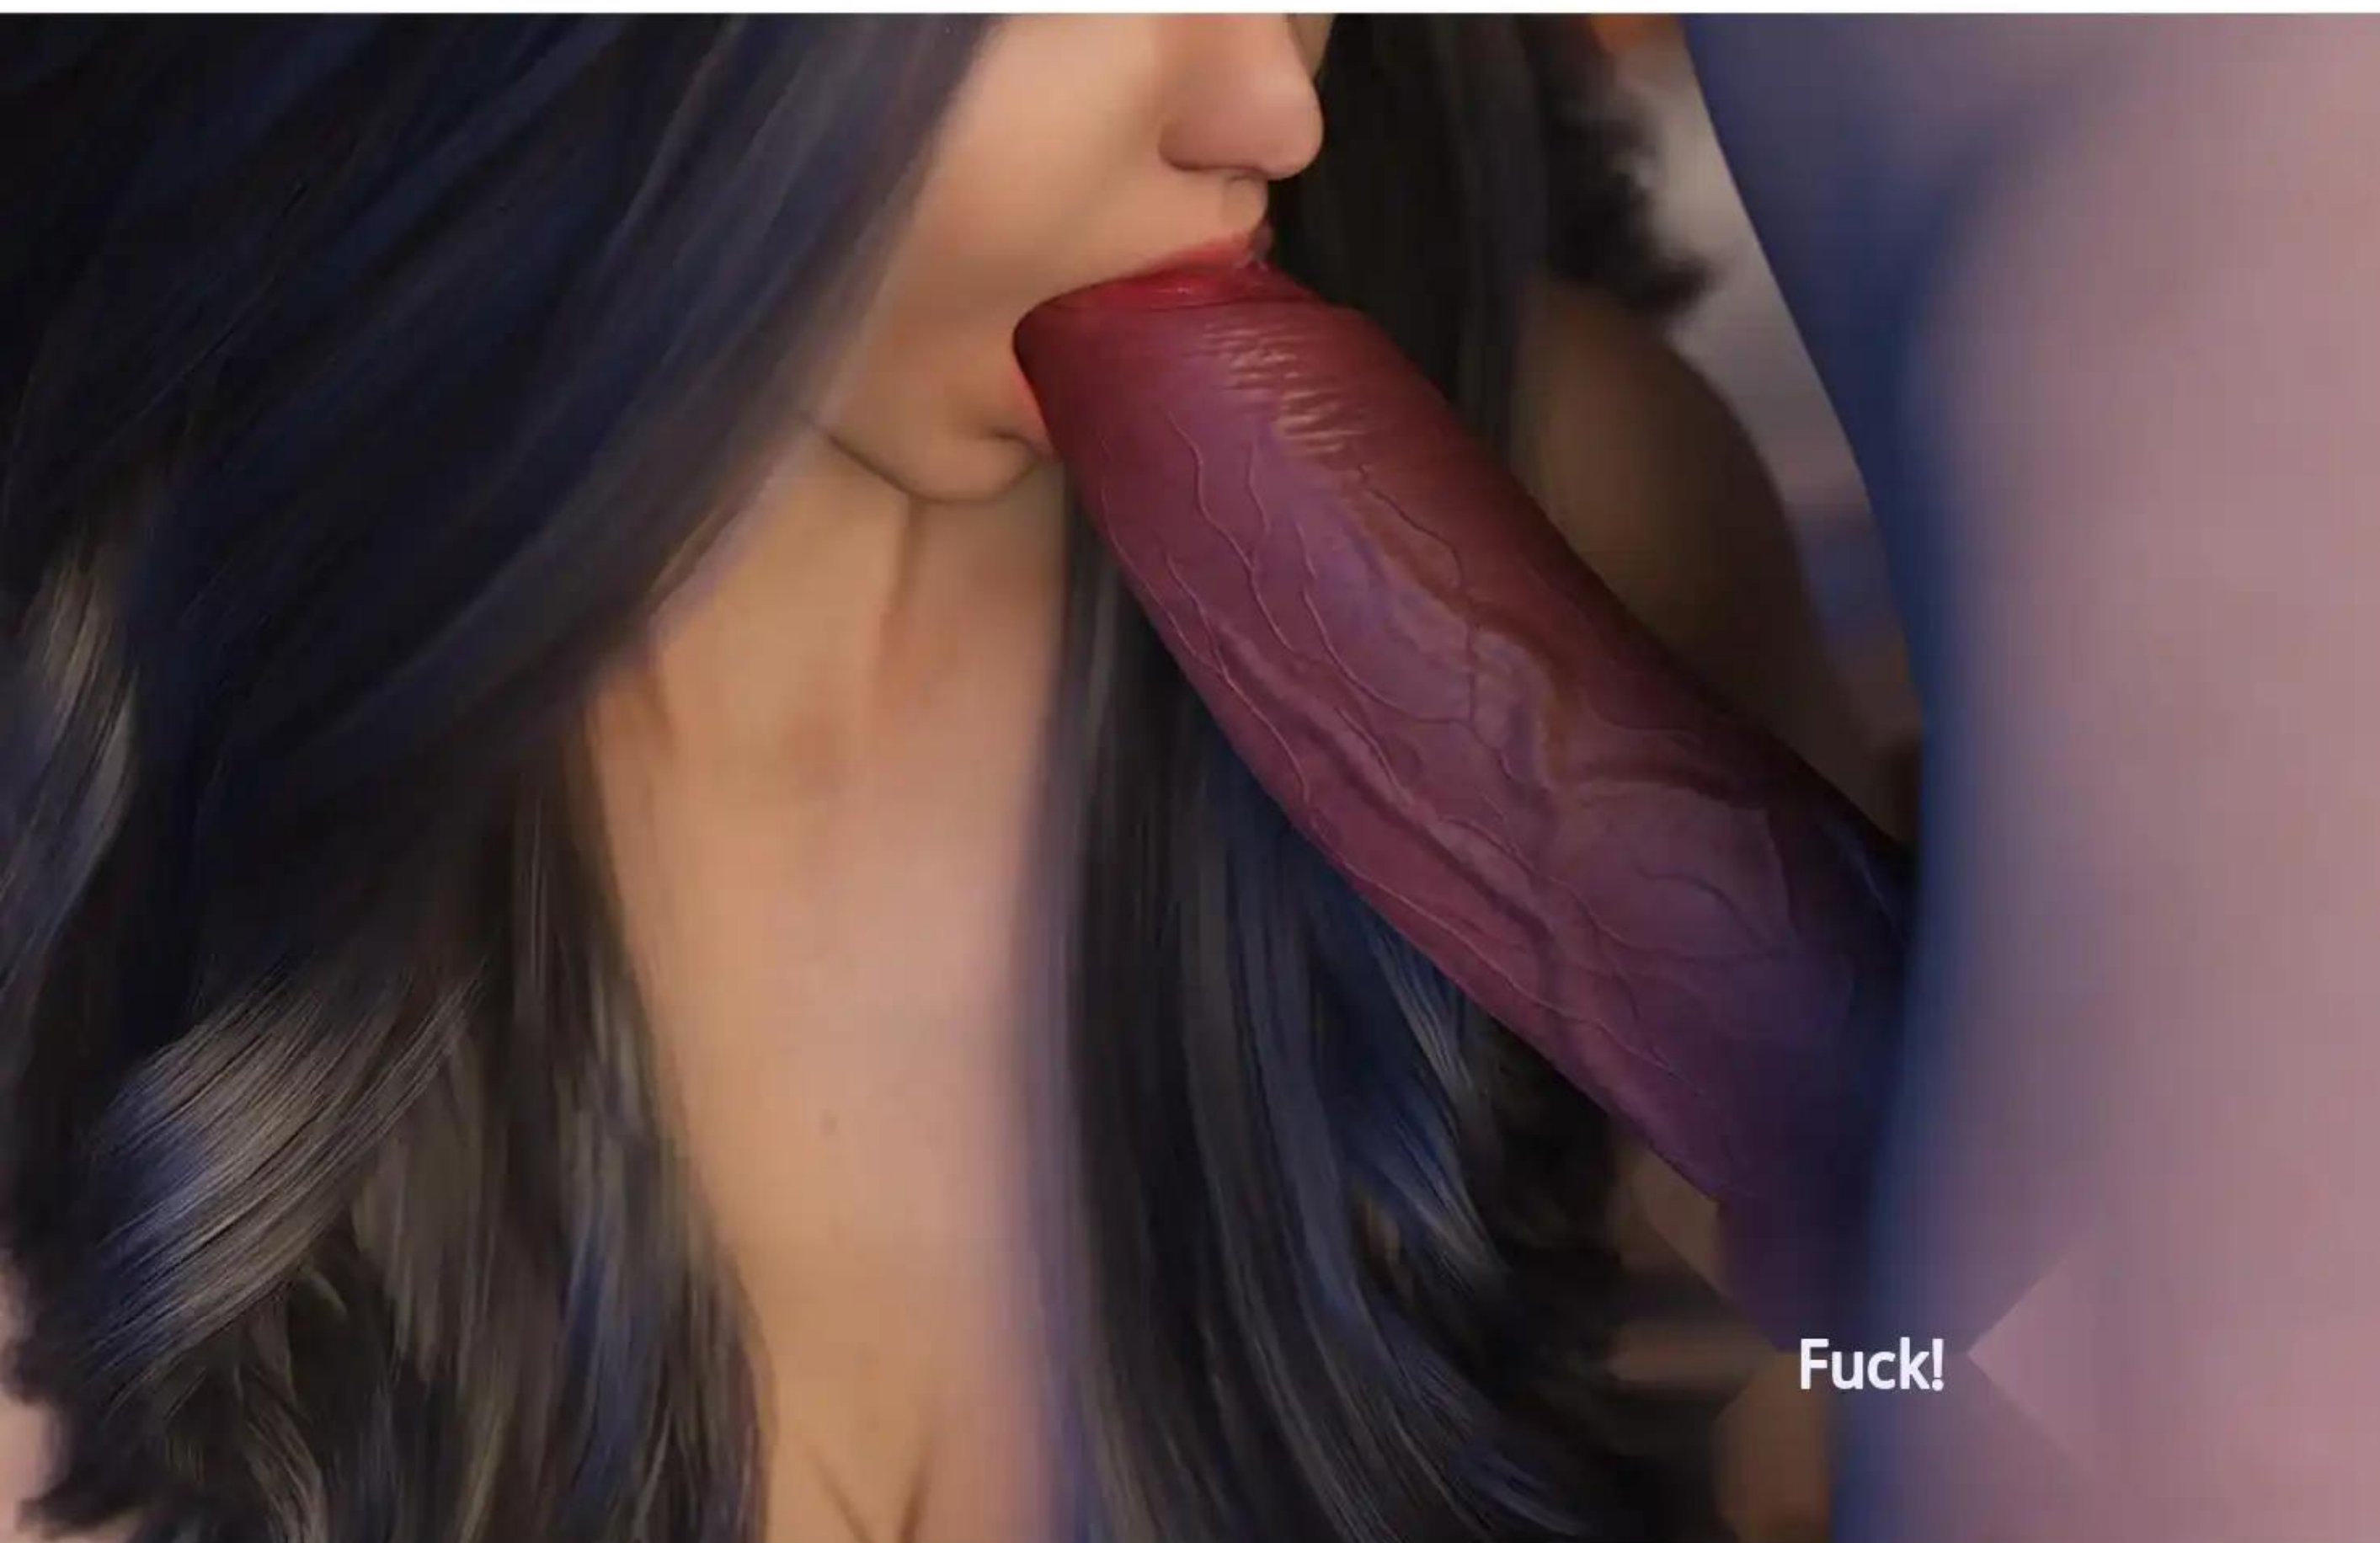

**You will definitely
be scared to death!
The daughter even has a
man's cock. If he wakes
up and sees his wife and
daughter having sex**

Maybe it can satisfy mommy's cunt! Maybe dad will be very happy when he wakes up, so what? Supporting his daughter can help him share the night's work.

It's better to come and comfort your daughter's big cock quickly! Okay, mommy, instead of nagging,

Fuck!

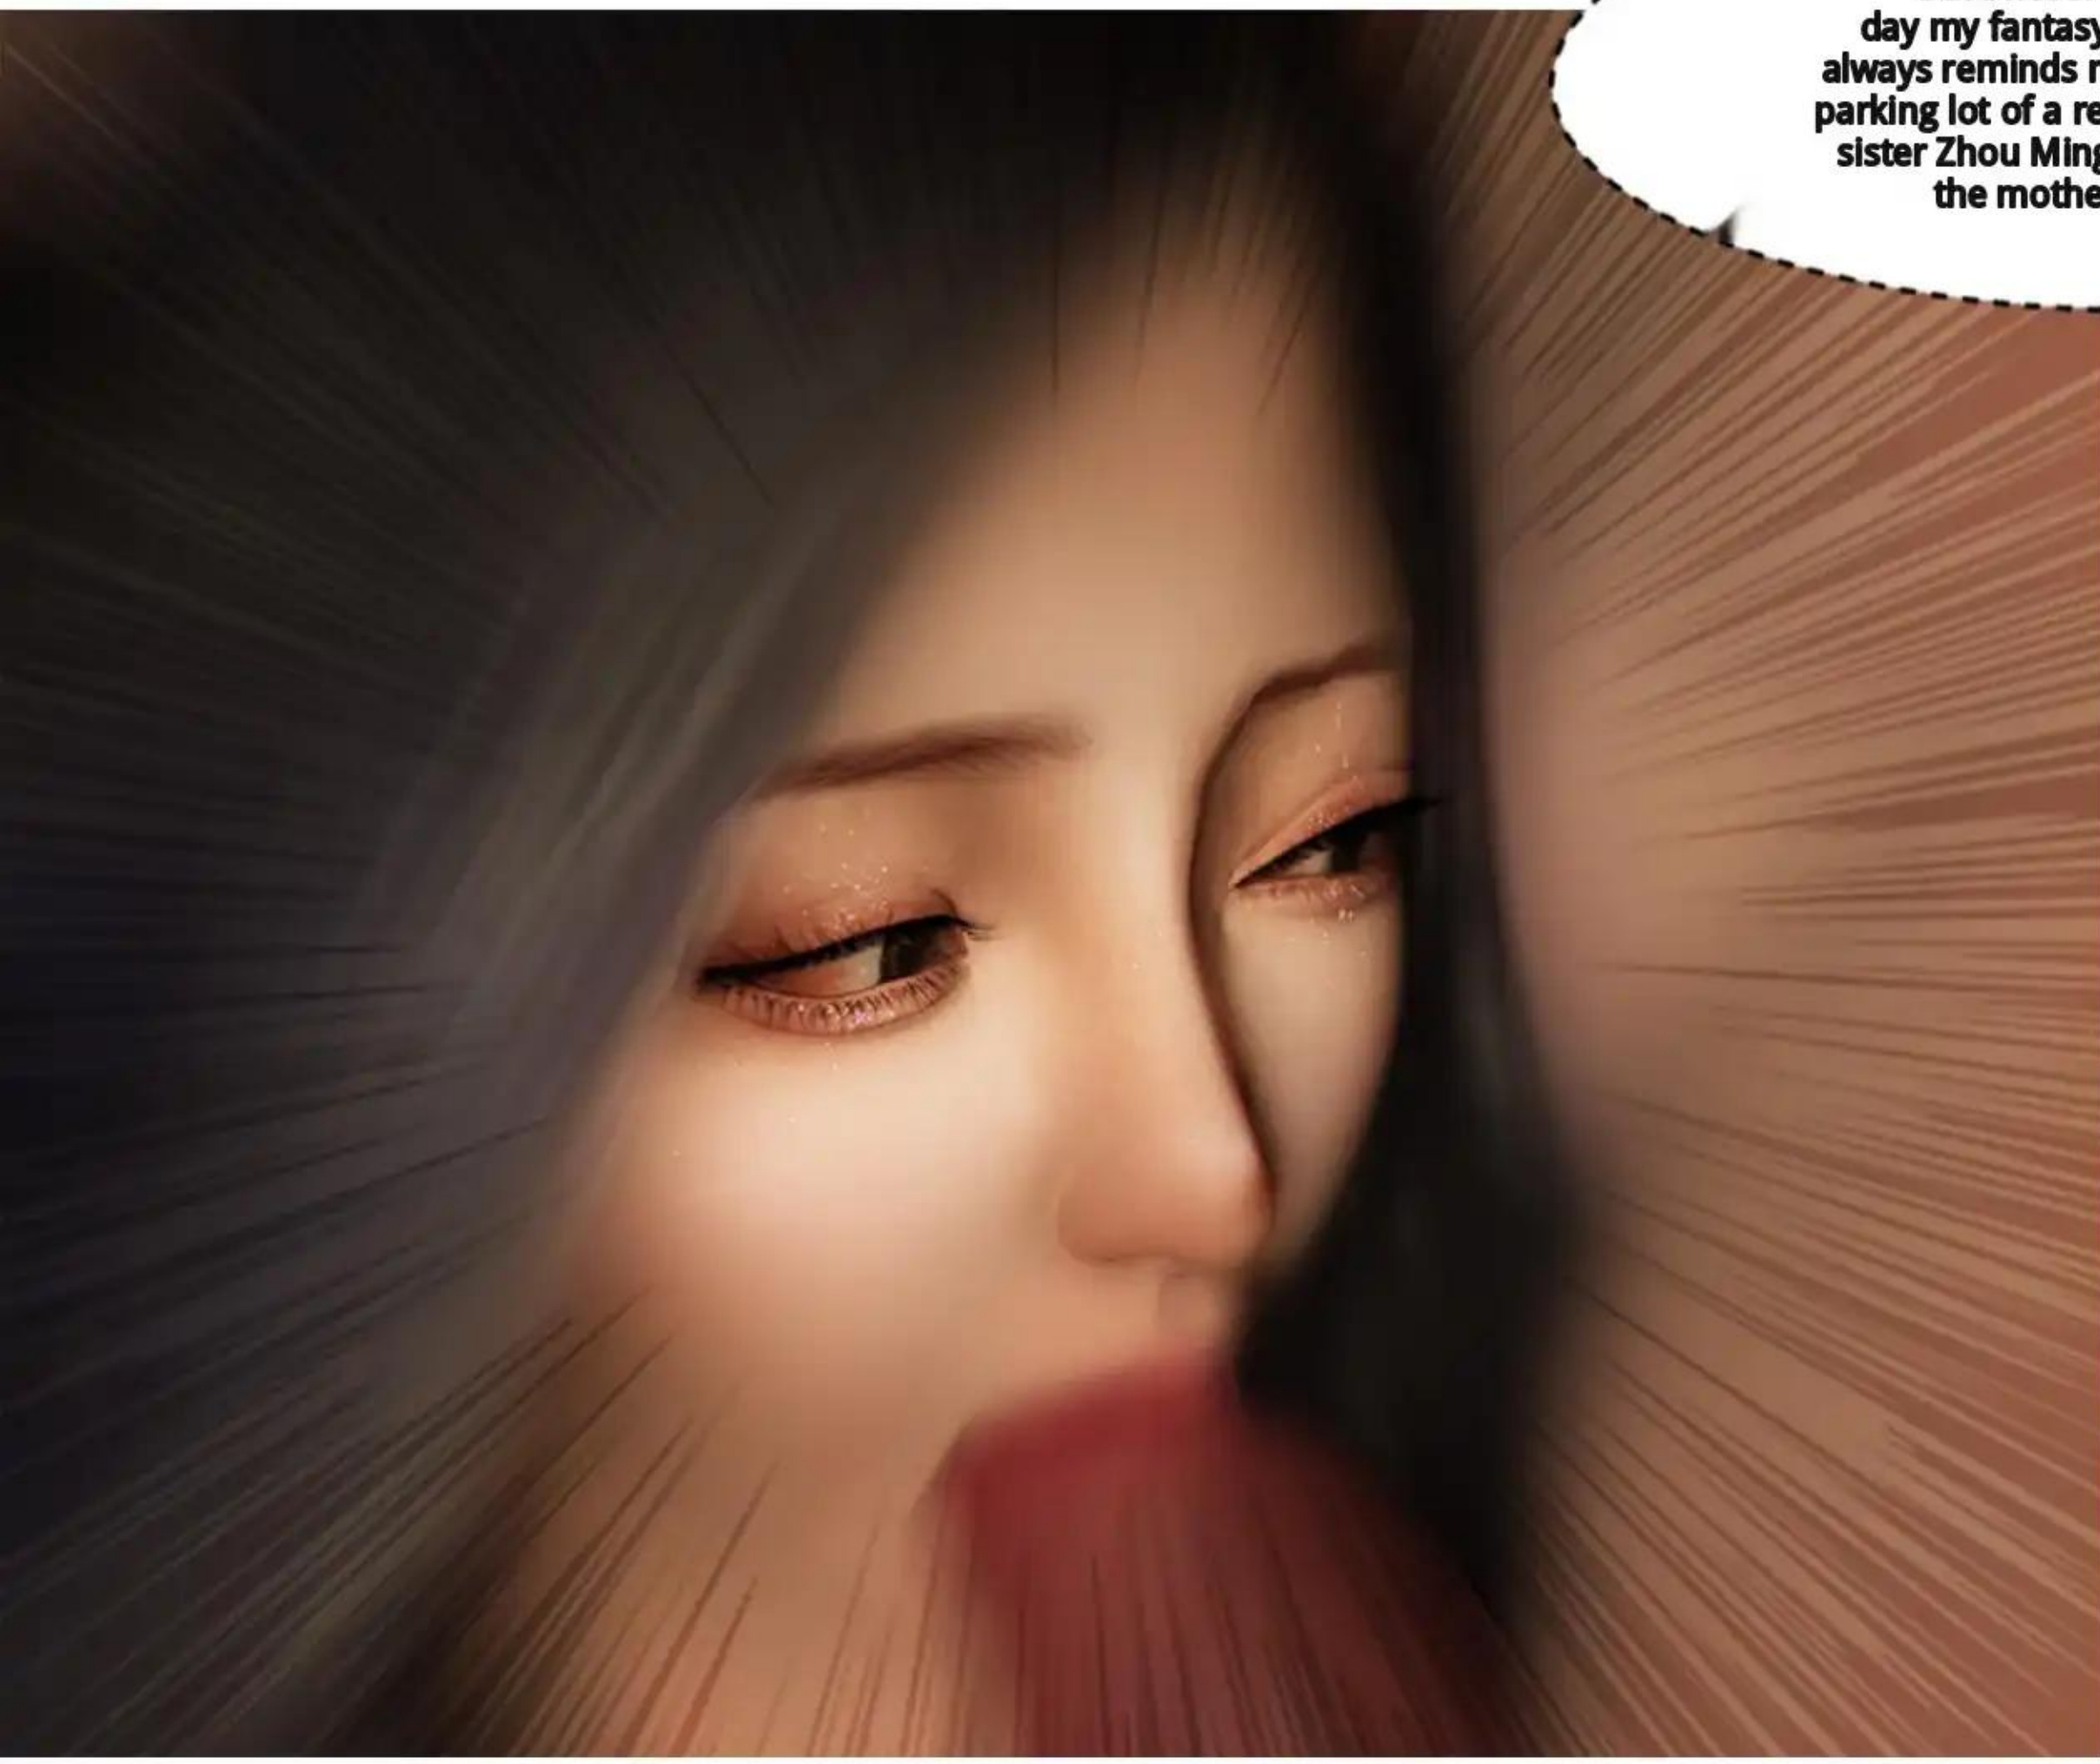

It feels so good and comfortable to swallow someone else's dick by you!
Ah! Mommy, Mommy is eating my cock,

Mommy, do you like which one tastes better? Your daughter's cock? Compared with my father's cock

Wow..Although it's not true, it seems that it's the first time I'm serving him because I'm wearing it. This familiar human skin always makes my body extra sensitive.

A close-up, high-angle shot of a woman's face. She has long, dark hair and is looking down with a tearful expression. Her eyes are closed, and a single tear is visible on her cheek. The lighting is soft and focused on her face, with a blurred background.

But I never thought that one day my fantasy would come true! It always reminds me of when I was in the parking lot of a restaurant and looking at sister Zhou Ming's face, I once fancied the mother-daughter play.

A man is lying in bed, looking up with a pained expression. He is wearing a blue, short-sleeved shirt. His hands are raised in the air, and he appears to be in a state of distress or despair. The room is dimly lit, and the bed has white pillows and a patterned blanket.

This is exactly the same as the plot I imagined when I first committed suicide! Not to mention in front of Zhou Ming's father

Rather than being
humiliated by the other party
using a man's cock like this! The only
difference is that I originally hoped
that I would be the one to fuck
Sister Zhou Ming.

Bah...bah!

Pull
out
one

Wu Ming....Ah!
Haaah...haaah!

Is your vagina itching again? For the sake of the harmony of this family, I will work hard! Mommy works so hard to feed her daughter, daddy's little dick can't satisfy you, right? It doesn't matter,

**Go find any man
outside and fuck you until
your cunt is filled with my semen!
As a daughter, I promise to fuck
mommy to death, until you can't
close your feet. In order to
prevent my dear mommy
from cheating on her,**

**It's time for
us to get down to
business! Come
on Mommy,**

Ah...this posture is so embarrassing for a man! Or as a mother,

Especially... Especially when she exposes her most private parts to her daughter next to her husband.

People have been waiting for it for a long time! Ah! It's mommy's pussy

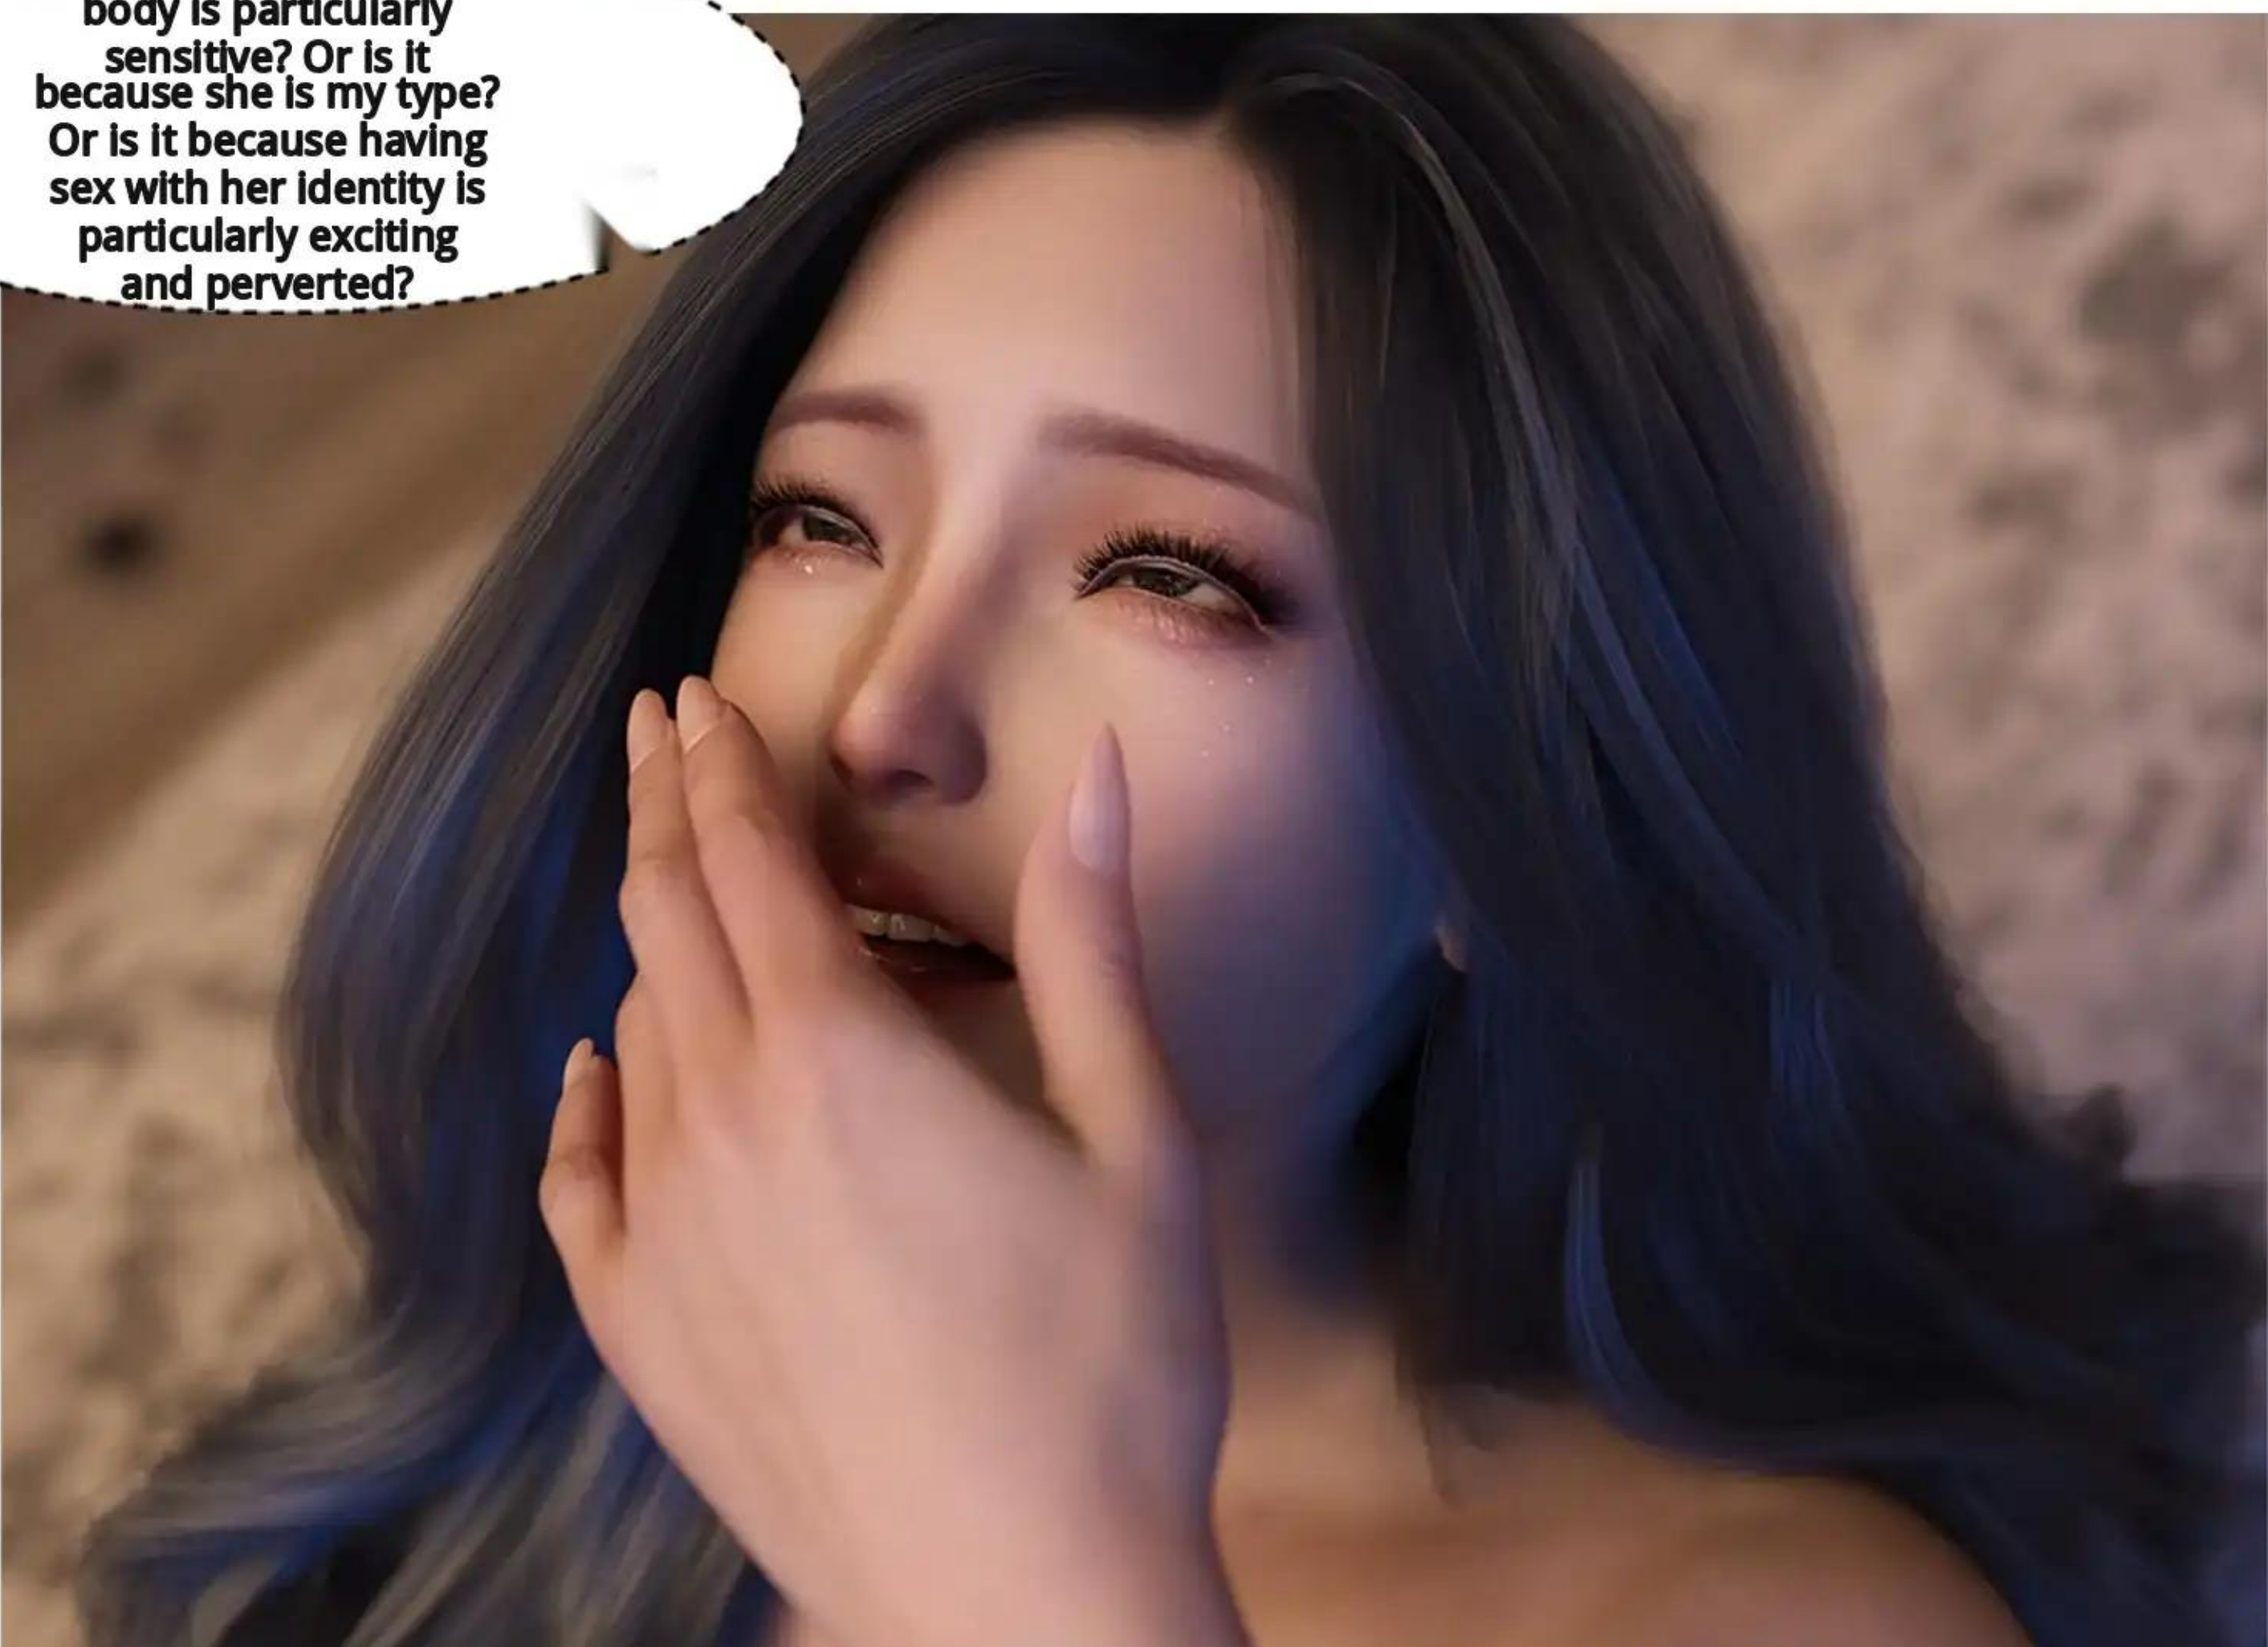

It's even more exciting for me, a futanarian! There's a man's dirty and perverted cock hidden inside, especially when I think about it in this tight and smooth lower body.

Too sensitive....Yeah! Yeah! Wait, wait a minute, it doesn't work over there, over there,

Suck, suck, suck

But Lao Zhou's fucking body is ringing...it's clear that he's the most sensitive almost every day these days! Make love with this pervert in different ways,

Is it because her body is particularly sensitive? Or is it because she is my type? Or is it because having sex with her identity is particularly exciting and perverted?

As a mother, not only did I have sex with my daughter, but she was also having sex with me! Having an affair with her husband blatantly in the eyes of outsiders

There is nothing worse or more obscene than this! Not to mention that our beautiful and sexy mother and daughter are actually two perverted boys pretending to be,

Hmm...hmm!
Haha~ Mommy
has shed a lot of
water, squirt!

It
seems...

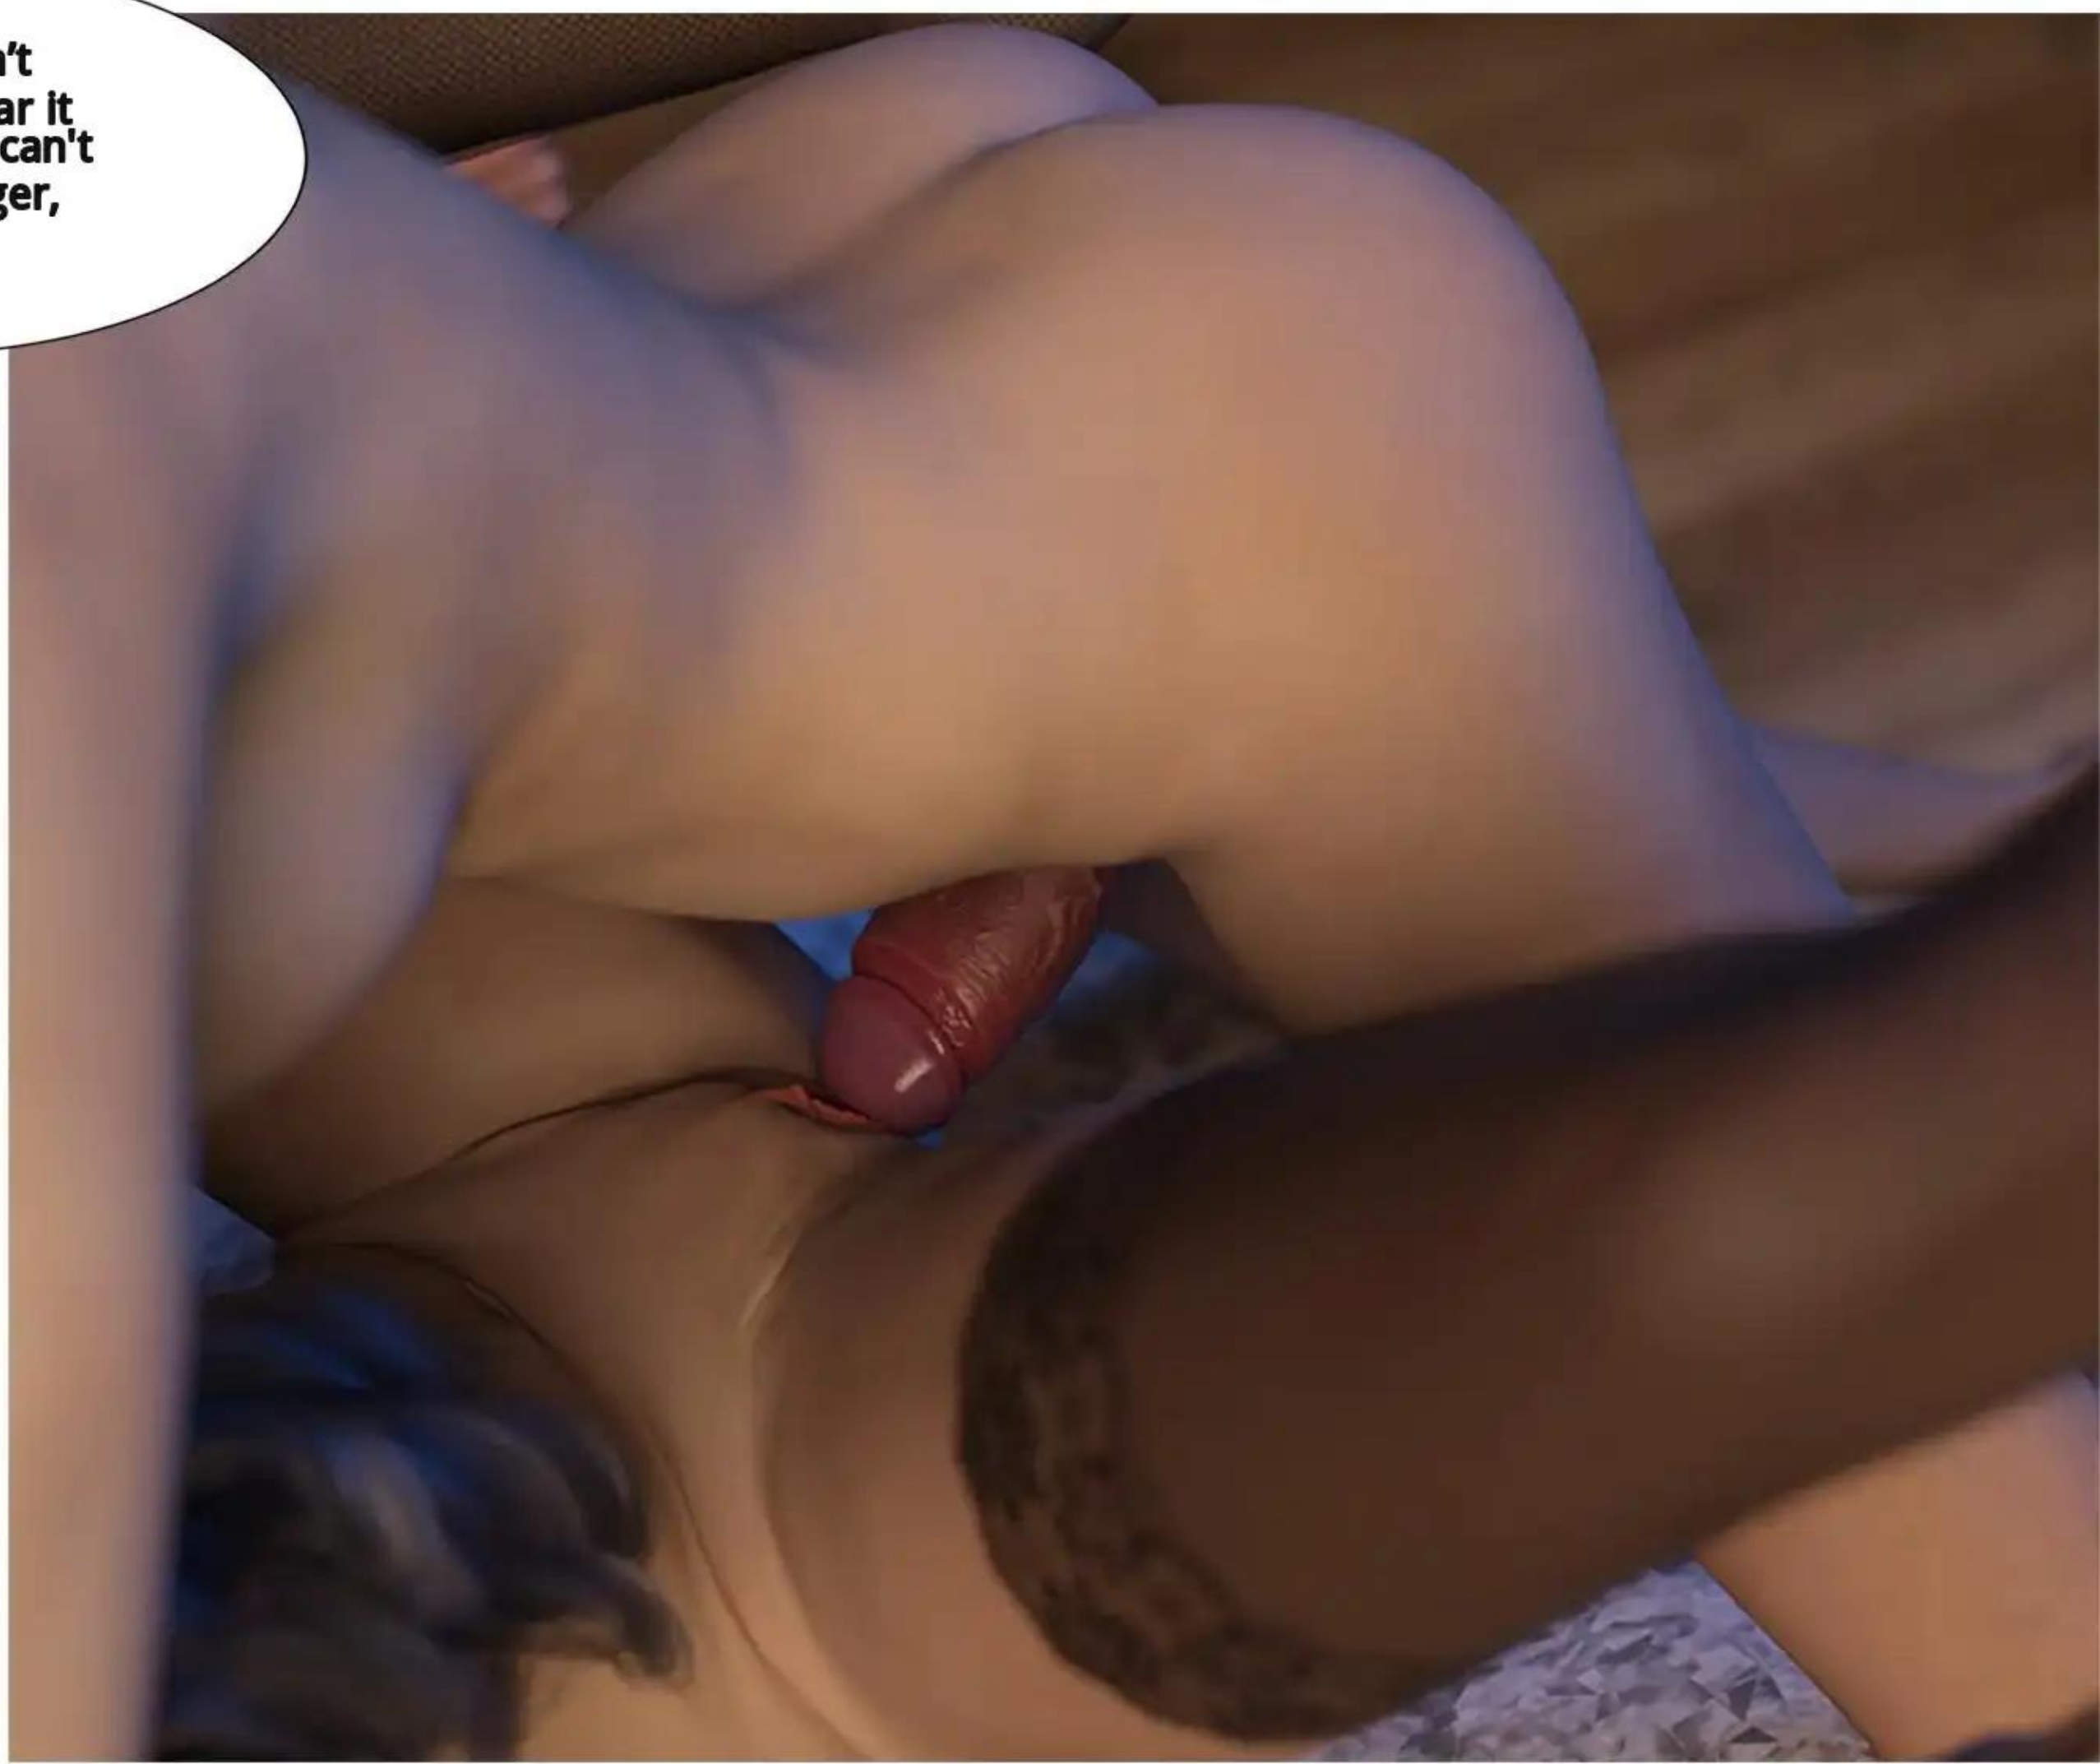

**Mommy's body
can't wait for others
to enter her!**

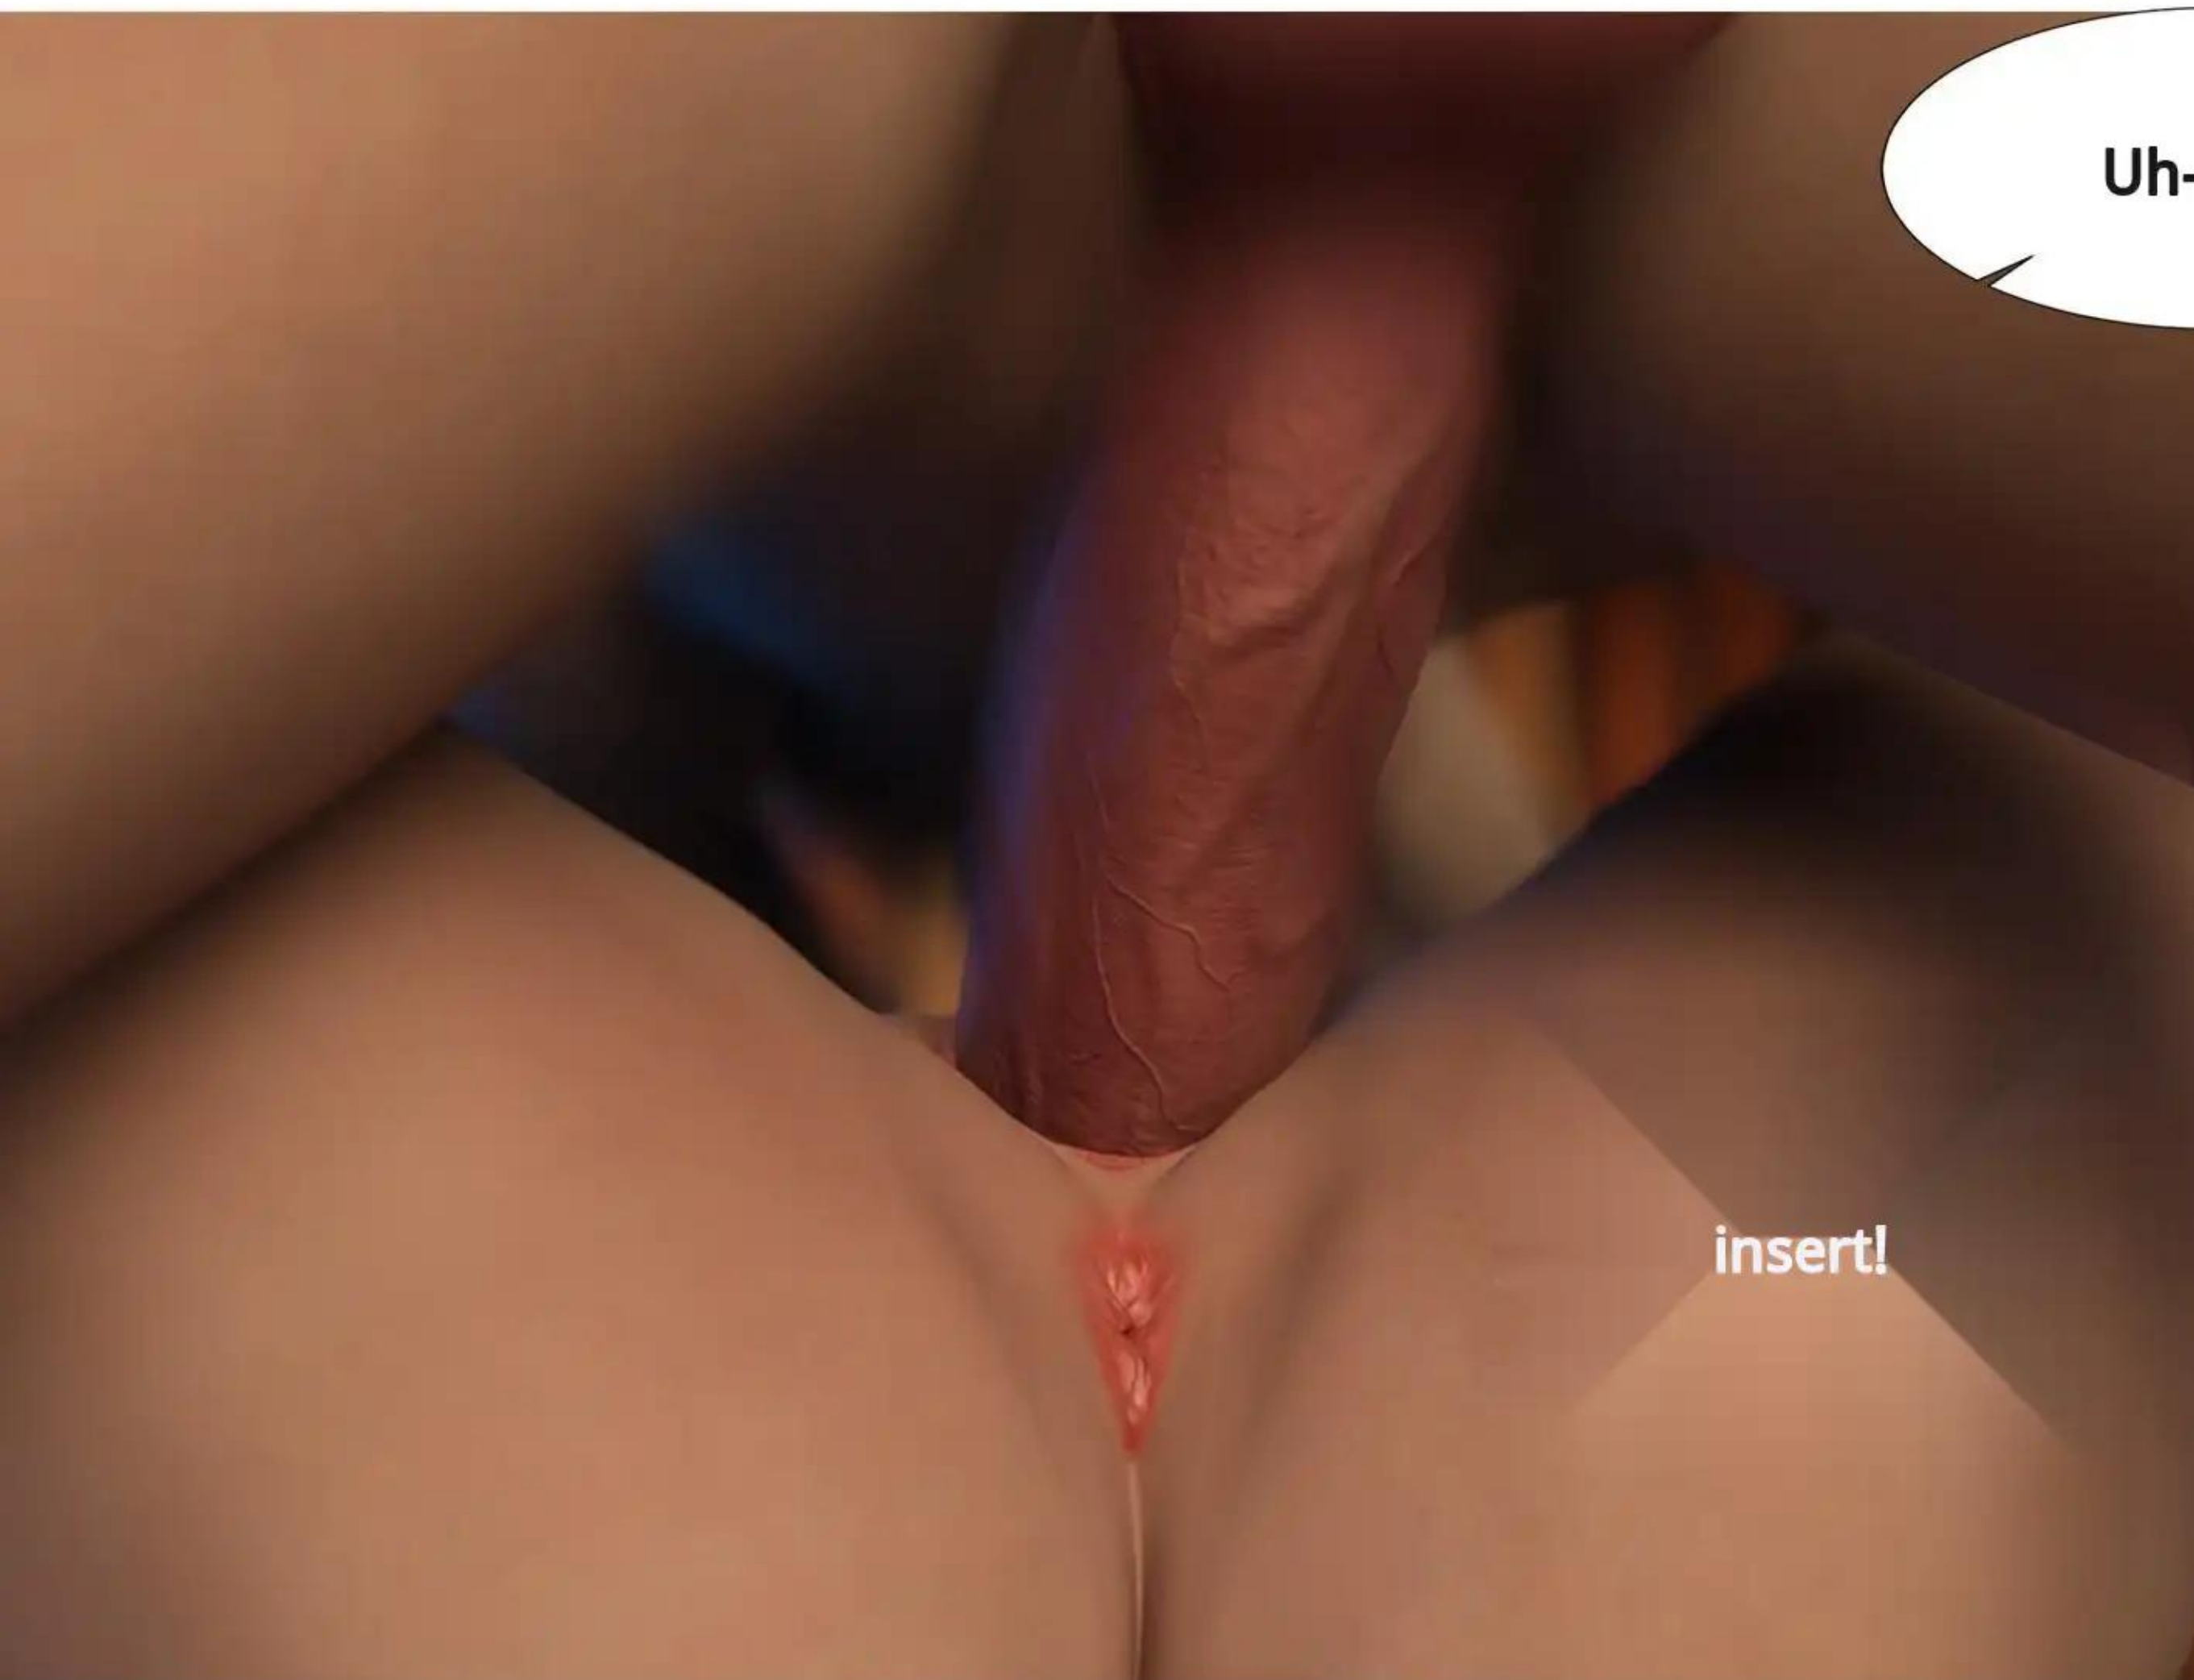

ah!
Wait,
wait.

People won't be able to bear it anymore! You can't wait any longer, Mommy.

Uh-huh!

insert!

So lustful and
lustful! Oh oh oh oh!
Mommy's cunt is
sucking tightly on his
daughter's cock,

How can
someone with such a
comfortable body also
want a pussy like Tian
Tianrul! Only daddy has it
all to himself. Mommy's
cunt is really so
comfortable.

If you are like
this...ahhhh!
Too, too fast,
people will be
destroyed! You,
please slow
down,

呜.....

What if he finds out? It's not really going to wake him up. Wouldn't it be a disaster for Lao Zhou's family?

I can't scream out!
No, I have to suppress my
voice, no matter how good
the pleasure coming from
below is,

....Ming,
Ming...Yeah!

Could it be that
you are afraid of
waking up your father?
Why are you so quiet all of
a sudden, huh? What's
wrong, Mommy?

How can he be
so virtuous? I didn't
expect Mommy to be
so considerate to Dad.
She's obviously not
his real wife.

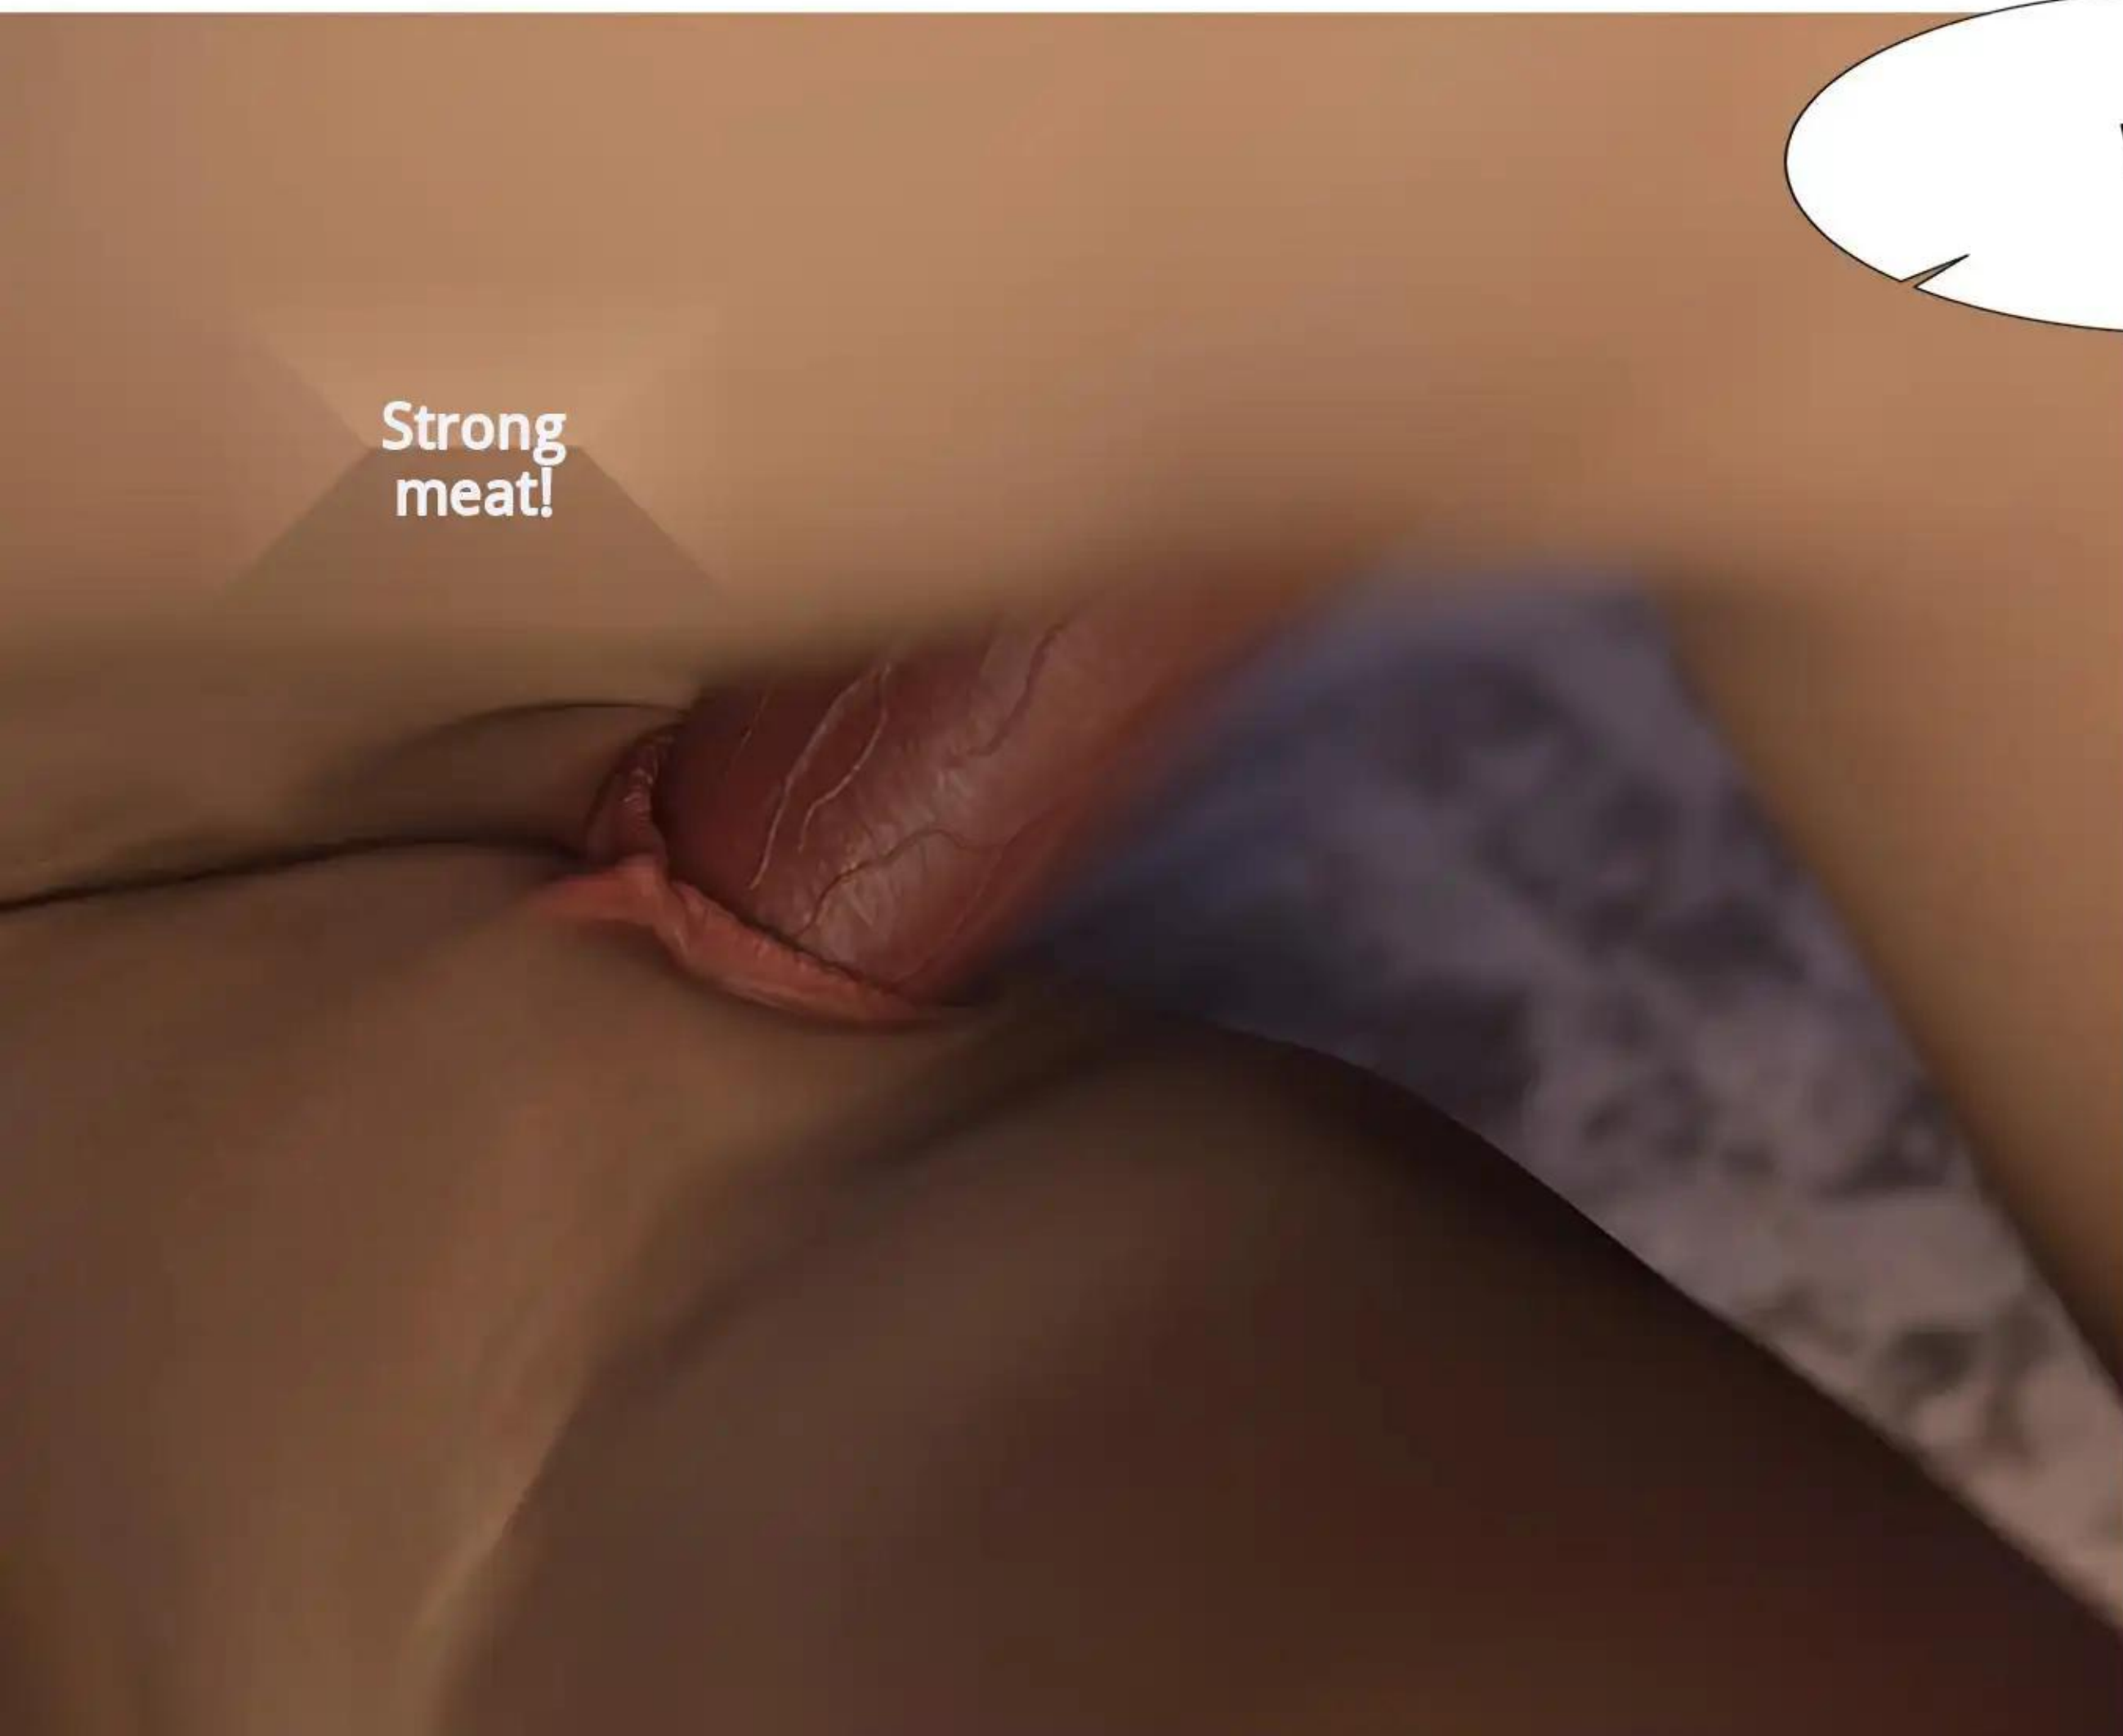

People will try their best to make you moan~ It will make you feel very lonely! So...yes, if people don't hear mommy's obscene screams

Woohoo!
!!!

Strong
meat!

**Is it because
someone else's big
dick doesn't satisfy
you enough? Yell! Yell!
Why don't you call
me Mommy?**

**So you want them to
go faster and deeper,
right? Haha!**

Uh-huh! My pussy, my pussy is so stimulated like this! Every inch of the thick thing inside seemed to be rubbed as it went in and out.

No way, I really can't stand it anymore! It feels so good, it feels so good,

**It's so cool! The slut
mother feels so good
being fucked by her
daughter's big cock!
Ahhhhh! So cool**

**Please kill
me with your
flesh! I still
want it, others
still want it**

Watching
someone use my
big dick, they will
definitely go all out! I'll
fuck you until you're
broken, haha! Since
mommy said so

Look how your
good daughter is doing.
Look at how happy
Mommy is! Use your big
cock to fuck mommy to
death, haha! Dad, get
up and take a look.

Dad, are you happy?
Hahaha! Finally, let's see
how someone cums inside
your wife! With a perverted
wife and daughter like us

I want mommy
to be pregnant! All
of it penetrated
mommy's pussy, oh
oh oh oh! Cum,
cum

It's so hot and so refreshing, my pussy is going to be filled up! All the semen poured in, ahhhhh! semen!

Haah...haah...

Semen...My
daughter
ejaculated full
of semen.
.....

A woman with long dark hair, wearing a black lace thong and stockings, is lying on her back on a bed with a patterned blanket. She is looking towards the camera with a slight smile. In the background, a man is sleeping on the same bed, his head on a pillow, with his hands behind his head. The room is dimly lit, suggesting a bedroom at night.

. Sure enough, no matter whether it is the sensitivity of the body in any human skin, Lao Zhou's mother's human skin is the best! External beauty and sexiness, or the confusion brought about by personal identity,

I really...I really like it.
I really like using his
mother's body for sex!

I don't plan to cum
once and be done with it!
After all, the night is still
long. Isn't that enough
fun, mommy?

What do you say, Mommy?

I still
want...I
still want
it...
