

morning 000000

Good morning!

Otherwise I will
really be late haha!
Fortunately, your
mother called me. I
slept so deeply last night
that I almost couldn't
get up in the morning.
Hey, I may have been
too busy recently.

Otherwise, people will be worried ~ that's why it's like this! Dad, you have to take good care of yourself. Oh~ Dad must be working too hard.

Dad is full of motivation and energy! It's okay, it's okay, dad is still young, not to mention you two are here

What
can I say,
^{so}
lively?

Don't be late for work and school! You guys, hurry up and have breakfast.

Thank you for your hard work, Mommy!
Wow~Thank you mommy for preparing breakfast

.....

However, I don't think my brother ever thought it was delicious? I kept a straight face in the morning because I didn't like the breakfast my mommy made.

hold
tightly

It's just a school
exam. I'm just thinking
about today... You're
thinking too much.

**Concentrate
on eating, it will
be too late to
continue chatting!
Okay, okay,**

Wife,
let's go
first!

Got it,
be careful
on the
road!

Orbiter
-

Dear Mommy!
Haha, my father
and brother have
both gone out.

Actually, it's
four men! It's just
that they probably
never dreamed of the
person sitting at the
dining table just
now.

It's really
lifelike! You play
the role of the
mother of this
body, I have to
say

...I did what
you said, what do
you want me to do
now? Obediently
play the role of a
good mother.

I think it's not impossible for us to reconcile, right? Oops, don't be so hasty. In fact, after these few days,

I'm just using some tactics to make sure this isn't too much, right? Look, you didn't steal my gun first, you just got my things back.

Let's enjoy the fun brought by leather guns! It's not like you don't feel good about letting you wear skin, right? I thought we could turn enemies into friends, and I didn't do anything to you afterwards.

And look at you, pretending to be a mommy, you like it so much that you don't want to take it off, right? How natural it looks! You must like this skin very much, so I can make your dream come true in disguise!

But what about your friend? I don't mind letting you play mommy all the time. As for me, I was quite satisfied with the sex last night.

Why don't we ask you to take off your skin right away? His best friend actually pretended to be his mother! What if he knows

Only then are you willing to let me wear it a second time! It was also to confuse his mother's memory... Indeed, Lao Zhou didn't like me wearing his mother's skin before, even when I went to the hotel later

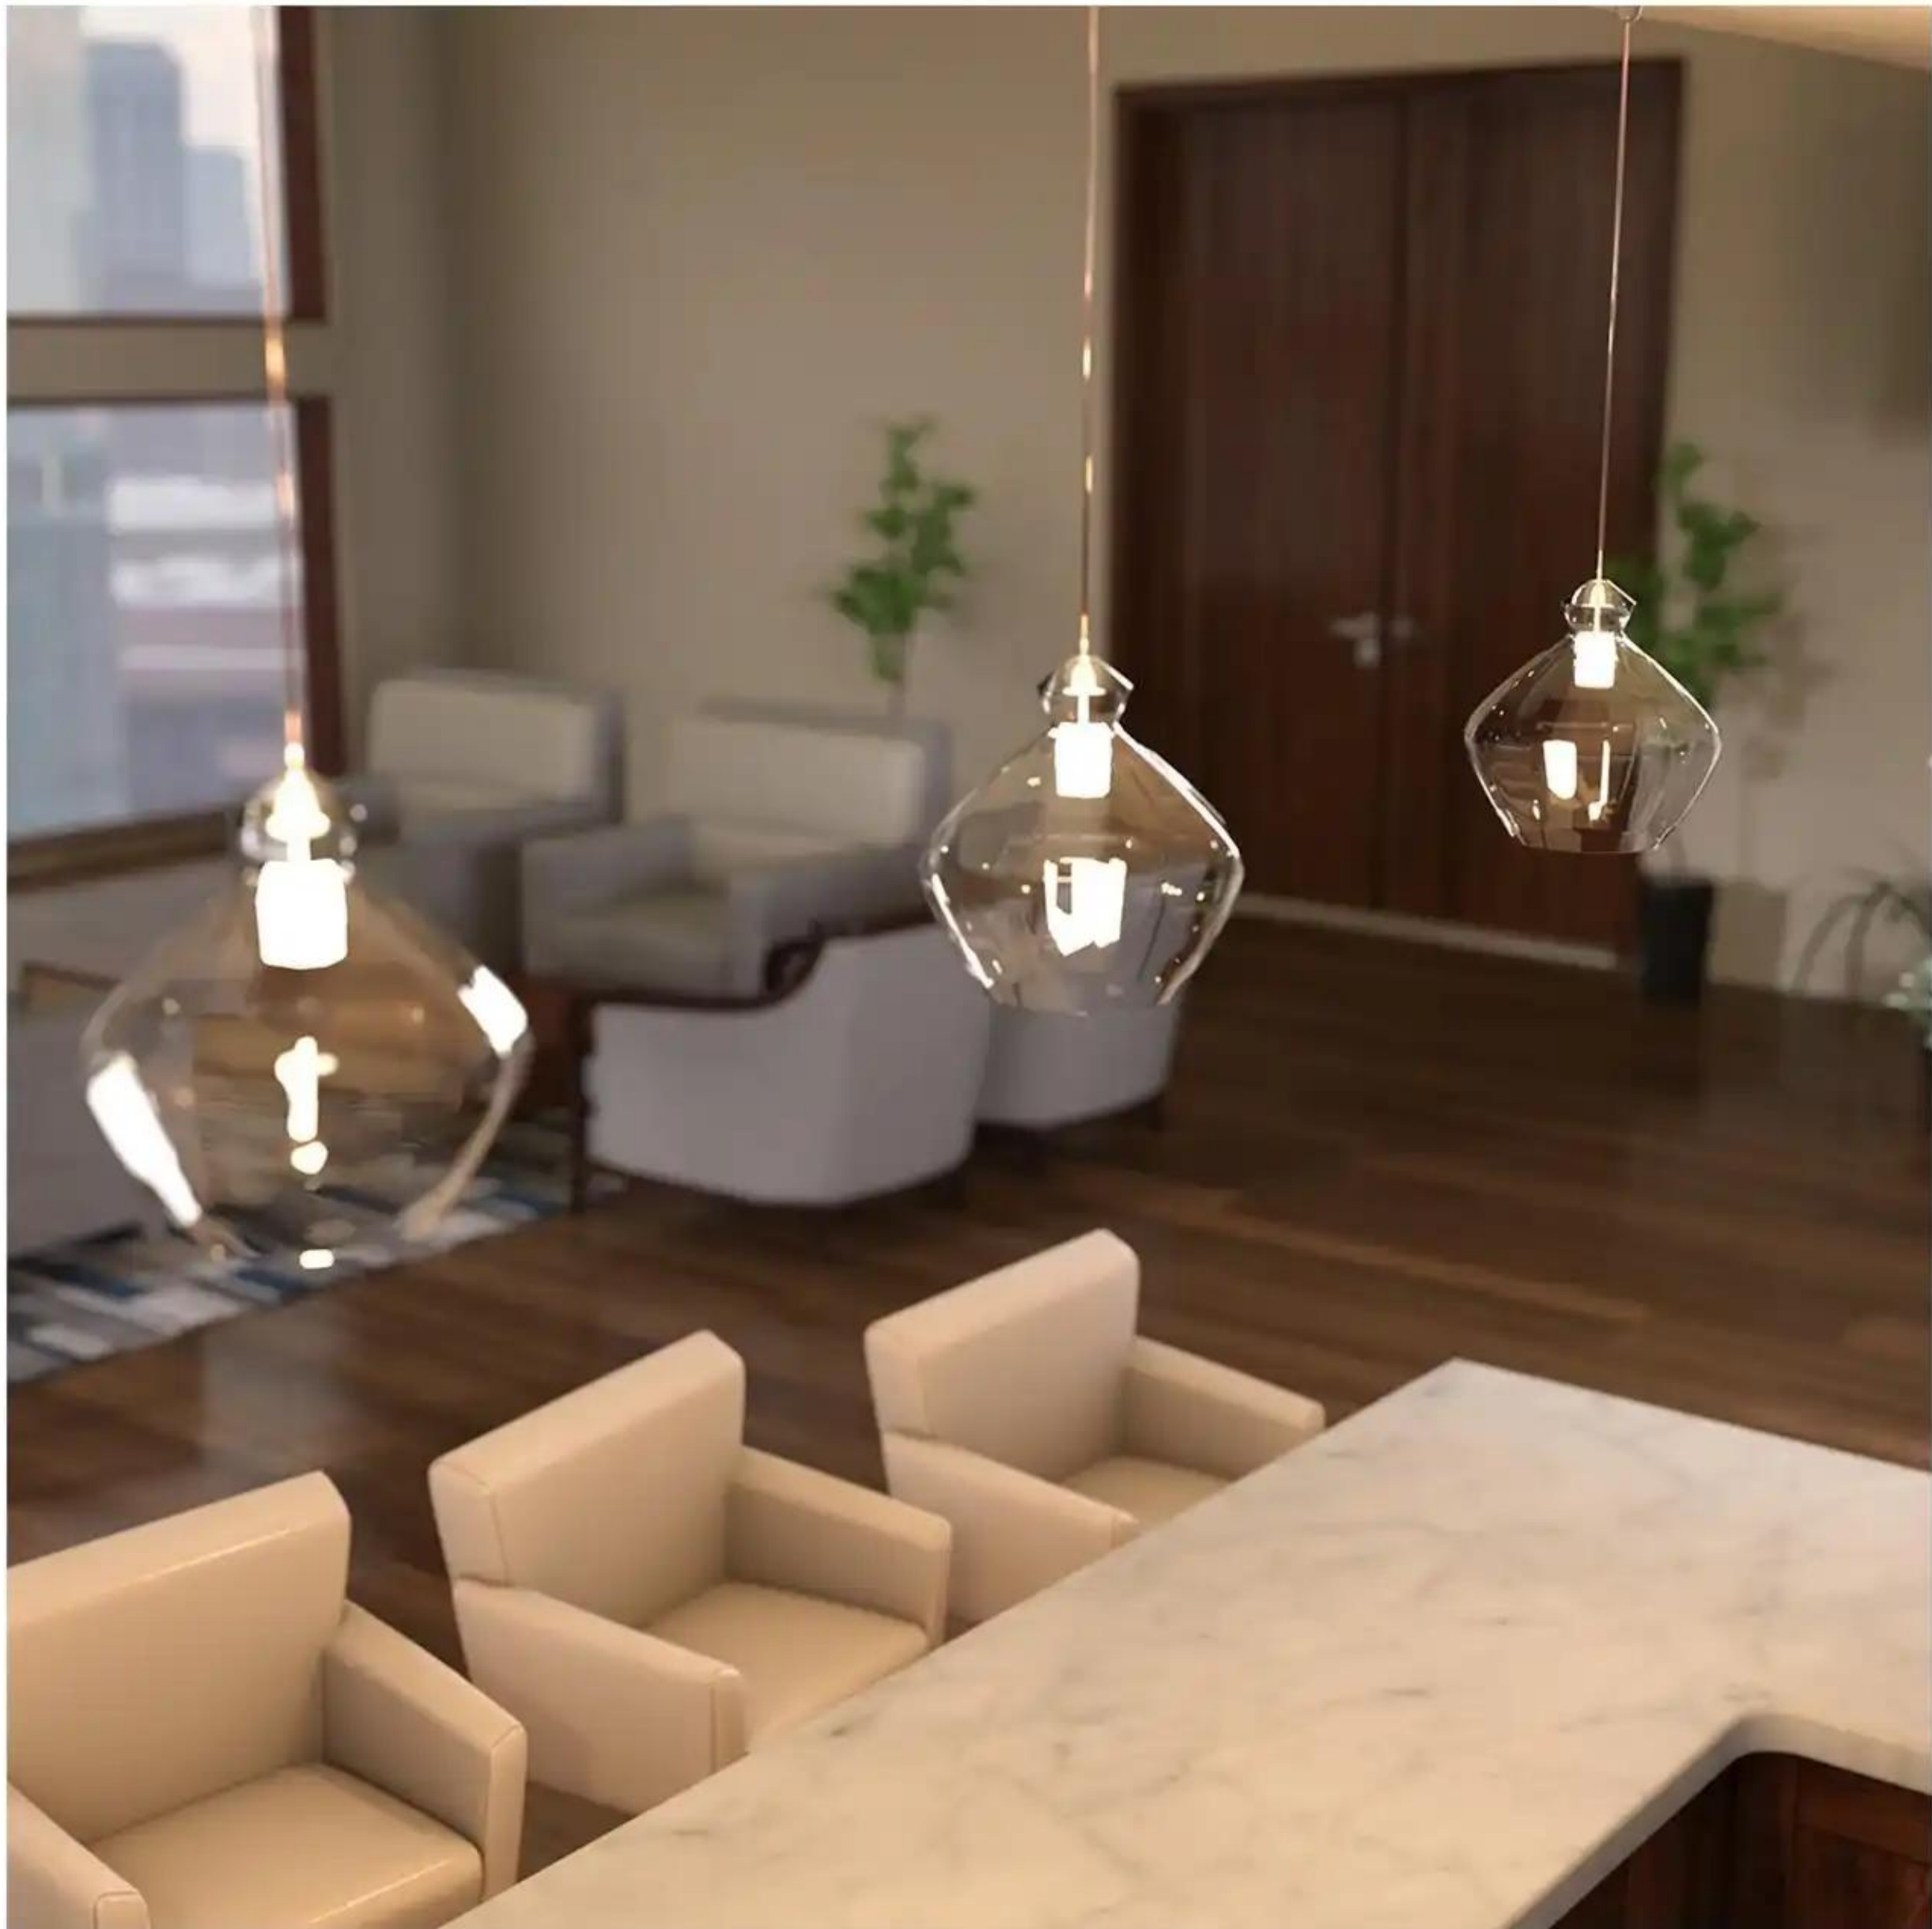

**All in all, I'm very sincere.
Wouldn't it be better than
having a little fight with your friend
before? If you fight for the sake of
friendship, follow me to ensure that
your beautiful woman's human skin
will never be worn out, and you can
experience the pleasure of
making love all the time.**

Think about it for yourself, Mommy! This is all I have to say,

I won't be back tonight, haha! I will continue to go out and find beautiful women to play with.

Did he really want to win over me when he suddenly came to me today? What is the purpose of saying this?

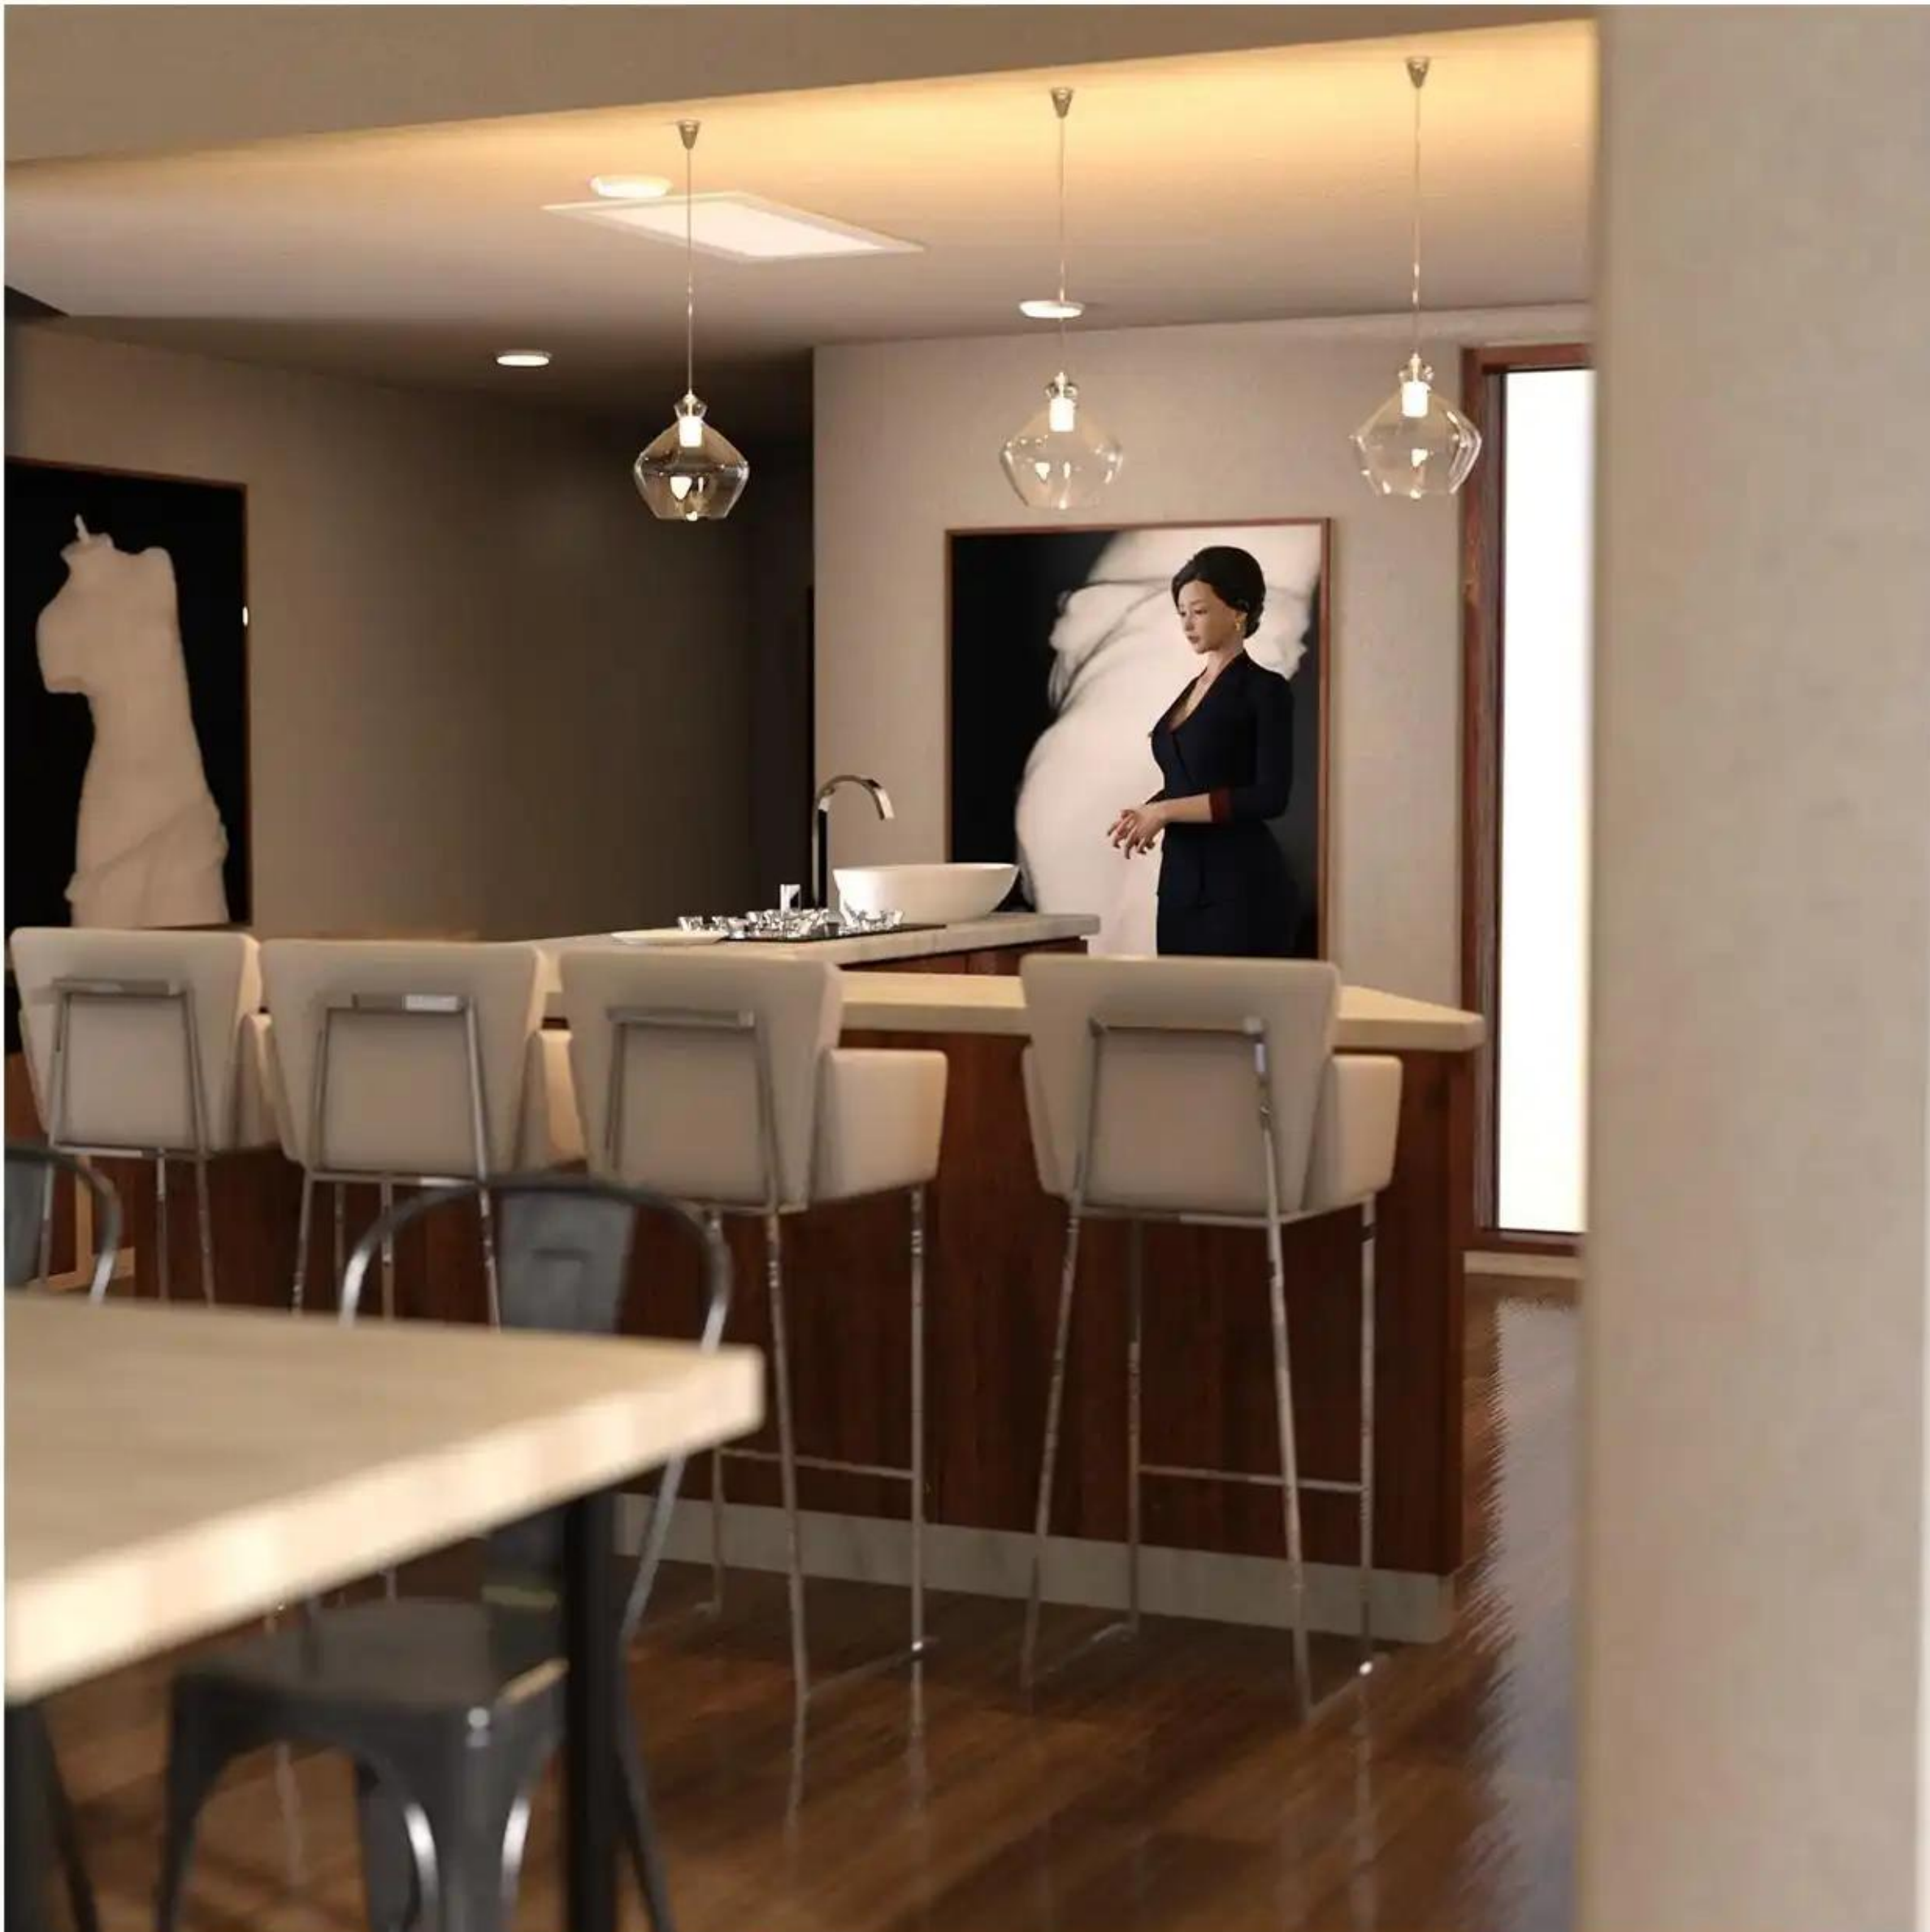

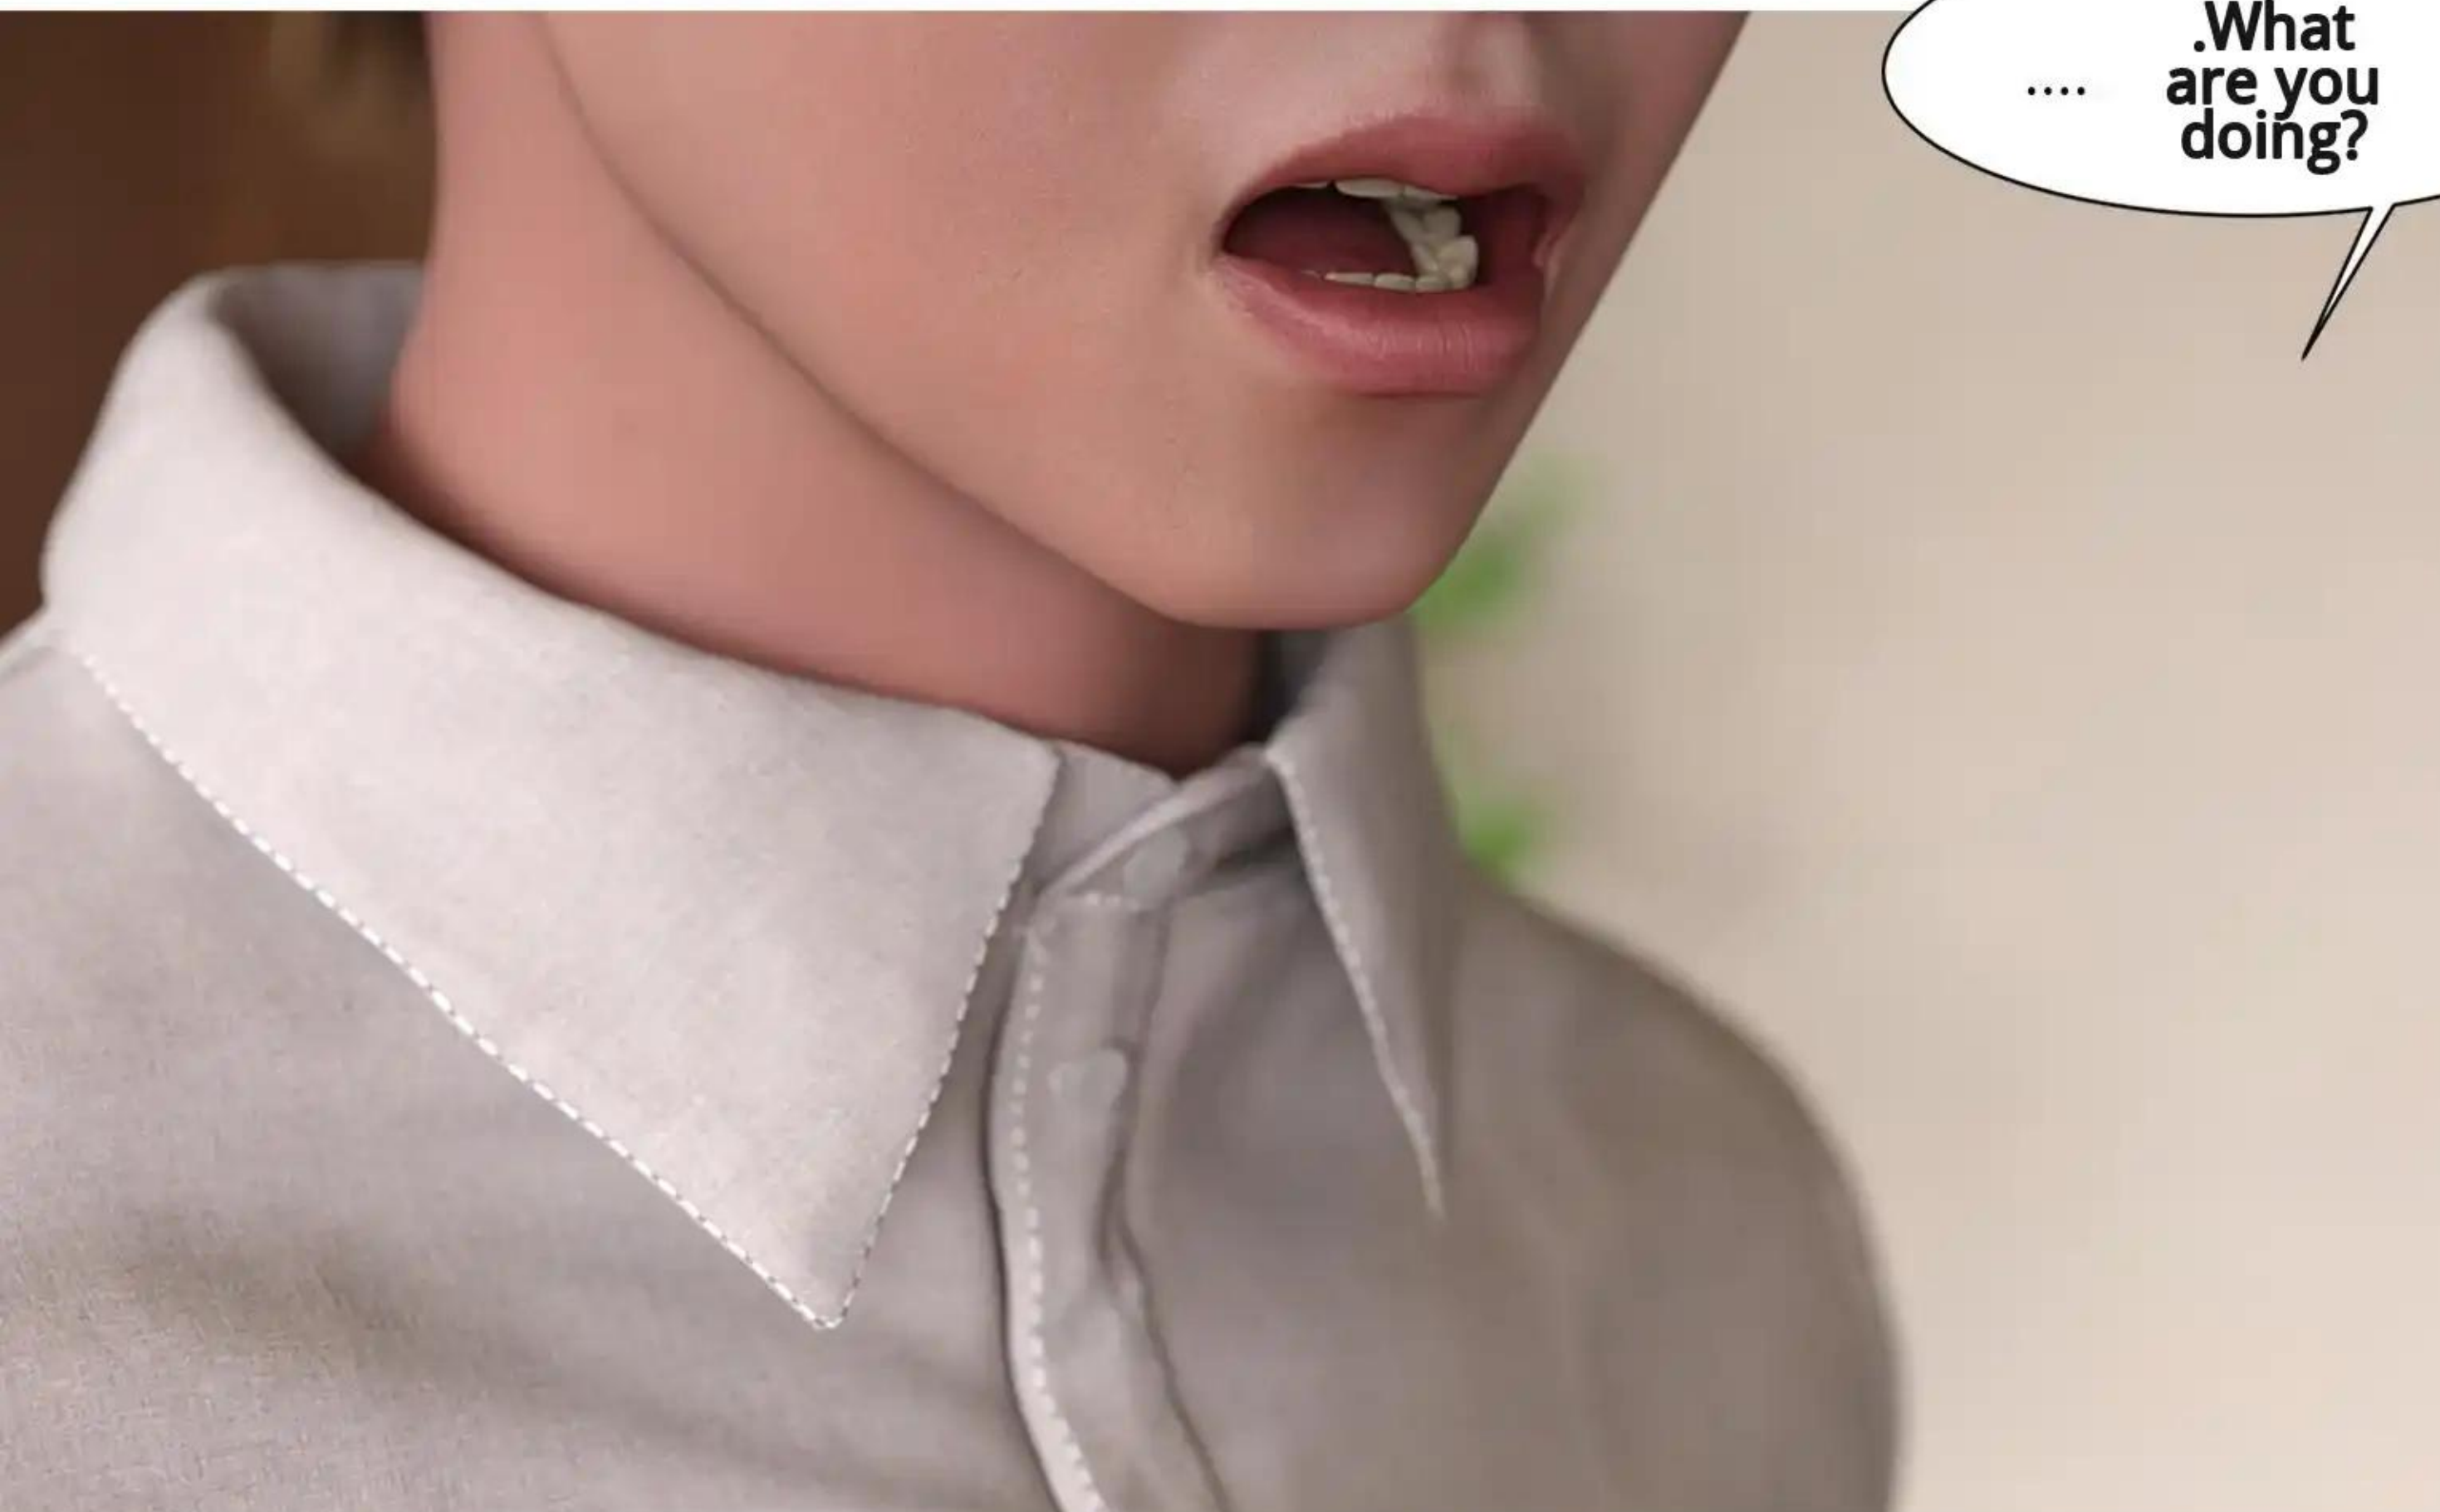

He said nicely that he could turn into him after putting on human skin, but he just supported him the most and let him play with it! Wanting a younger brother who can be driven by him,

As long as he still holds the gun, it doesn't matter whether I answer him or not, but the current situation is that I can't resist...

So should I simply obey the other party? Since they all have the same result,

It's really fun... and I've enjoyed so many different ways to play. Apart from the discomfort of having to listen to him give orders, he's actually right. I've been wearing all kinds of beautiful women's skins with him these days.

....
**.What
are you
doing?**

ah!
Who is
it? !

My mother was shocked! You kid, why are you walking so silently, ah... It's, it's Zhou Ming,

.....

Didn't you go to school?
Did you forget to bring
something? Why did it
suddenly come back?

.No, I am in a
bad mood and feel
uncomfortable. I
want to take a day
off to rest at
home.

.....

Alas, Lao Zhou probably felt uncomfortable when his sister was suddenly turned into human skin and was dressed in human skin by a perverted uncle!

Go back to your room and rest! That's it, then mom knows

Remember to
take the time to
cancel your leave
yourself, Lao Shao, I'll
also ask for leave for
you by the way.

OK,
thanks....

ah!

**You...how
did you
find
out...**

**Ha, sure
enough, it's
exactly what
I thought!**

Lao Zhou, you are sick! Did you come back here just to test me? !

Then you still pretend to be my mother and talk to me, who is sick!

How could you still
attack my mother? My
sister has already fallen
into the hands of that
pervert. Tell me, when did
you turn my mother
into skin again?

It wasn't my idea to turn your mother into skin! Lao Zhou, calm down, the gun is not in my hand

What can I do? He wants me to pretend to be your mother. Now I can only take orders from that perverted Brother Yong.

Then he is not here now,
why are you pretending to me?
You were forced to succumb to that
perverted power. I think you were
thinking of surrendering to him!
Why are you still aggrieved?
Okay, if it's like you said

You are going too far!
Do you think I will agree to
him? I said, Lao Zhou, you
heard what he just said to
win me over

Am I going too
far? My mother and
sister both repay me too
much? I have become
your plaything,

Do you think I am willing? Then am I not innocent? certainly! Your mother and sister are pitiful. I was called back and forth by that Yong brother.

If I don't wear your mother's skin, let alone wear it for me next time. It's better than wearing it for that Yong brother, right? I am the one who was turned into human skin!

But you actually enjoy it too! Since you are here, who among us is following the other? Don't I still understand you? It's one thing if you're forced;

And do you dare to say that you are not moved by Brother Yong's proposal? You should have confessed to me a long time ago! Why are you pretending to be my mother? Otherwise, we will be alone now. If you don't have any evil intentions in your heart,

You know what will happen to you! The reason why I don't tell you is because I'm afraid that you will go crazy and scream around like you are now, in case you make that Brother Yong unhappy.

Why don't you think about your own problems? What's more, instead of blaming all the fault on me,

What is my problem? Lao Shao, tell me clearly.

Do you think you have no responsibility at all? How could your sister and your mother have turned into skins? If you hadn't been stupid enough to hand over your skin guns to others.

What do you mean, this is all my fault?

Will it trigger a series of events behind this? If you hadn't picked up things randomly at first and pretended to be my mother to tease me, then I would have something to say.

Turn into skin together? Okay now, why didn't you push your mother out of the trouble you caused, but you have to let my family suffer the consequences?

Then just give it to others whatever you do! You also know that I picked up the leather gun. I really fell out of love faster than turning over a book! Say I'm teasing you, as if you're not enjoying it

I'm too lazy to tell you, it's so unreasonable!

Give me my mother back! Who is being unreasonable? Shao Yuchen, stop here.

And that leather gun was taken out by you a long time ago! But is there any way you can change her back? Don't forget it, give it back to you? Okay, I'll take off your mother's skin now. You have to use that leather gun to restore the skin to its original state.

Enter
the
room

snort

Oh, or does our baby Zhou want to put on her mother's skin herself and use this method to transform her back?

She's still a mommy who always looks for her mom when something happens! After all, you are not only an Oedipal pervert, I should have thought of that

No matter how
perverted I am, you
are no more perverted!
You guys can't take your
eyes away when you see a
cock! you! Why do you say
that to me? I think you are
addicted to pretending
to be a woman.

Damn it,
who are
you saying
is gay?

Just cut off the lower part as soon as possible and go to sex change yourself! I'm talking about you, the pervert who is looking for men to fuck with you. I want to say that you are not gay.

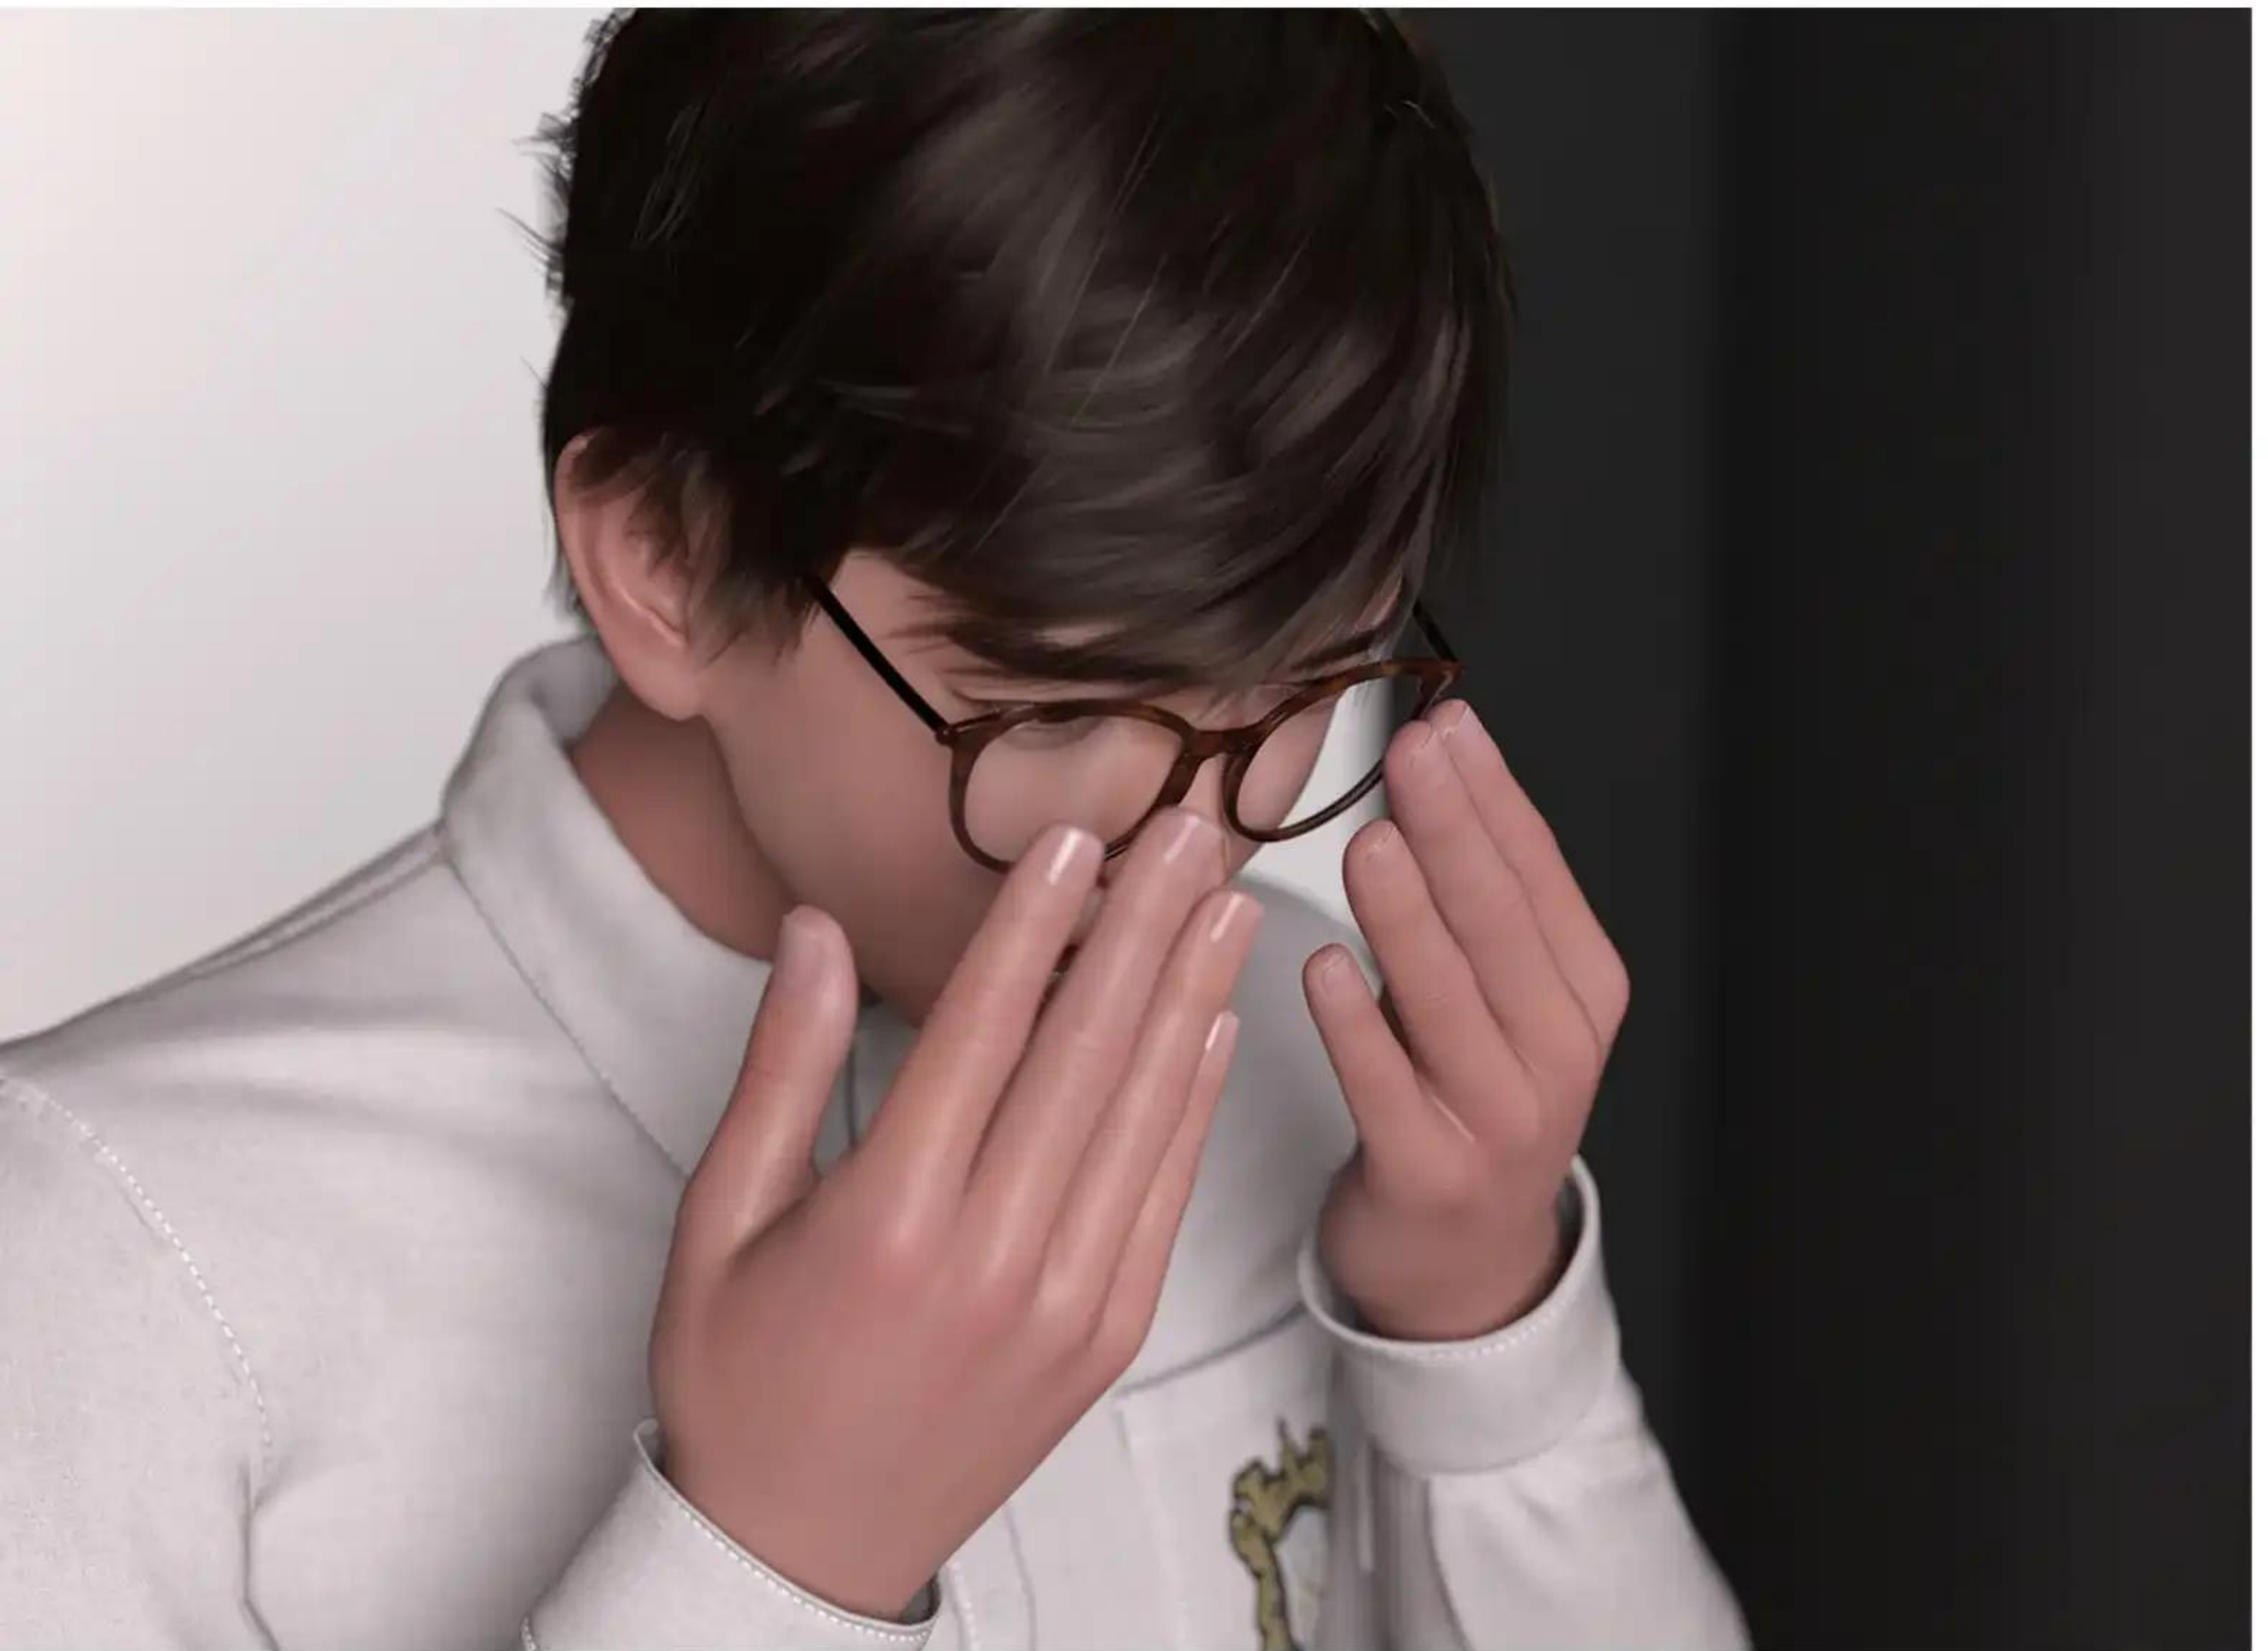

I'm looking for a man to fuck with? Haven't you ever done this before, I, Ruil

Being fucked by a man is not my problem at all.. Stop slandering me over there. I am a pure man.

ah!
What do
you do?

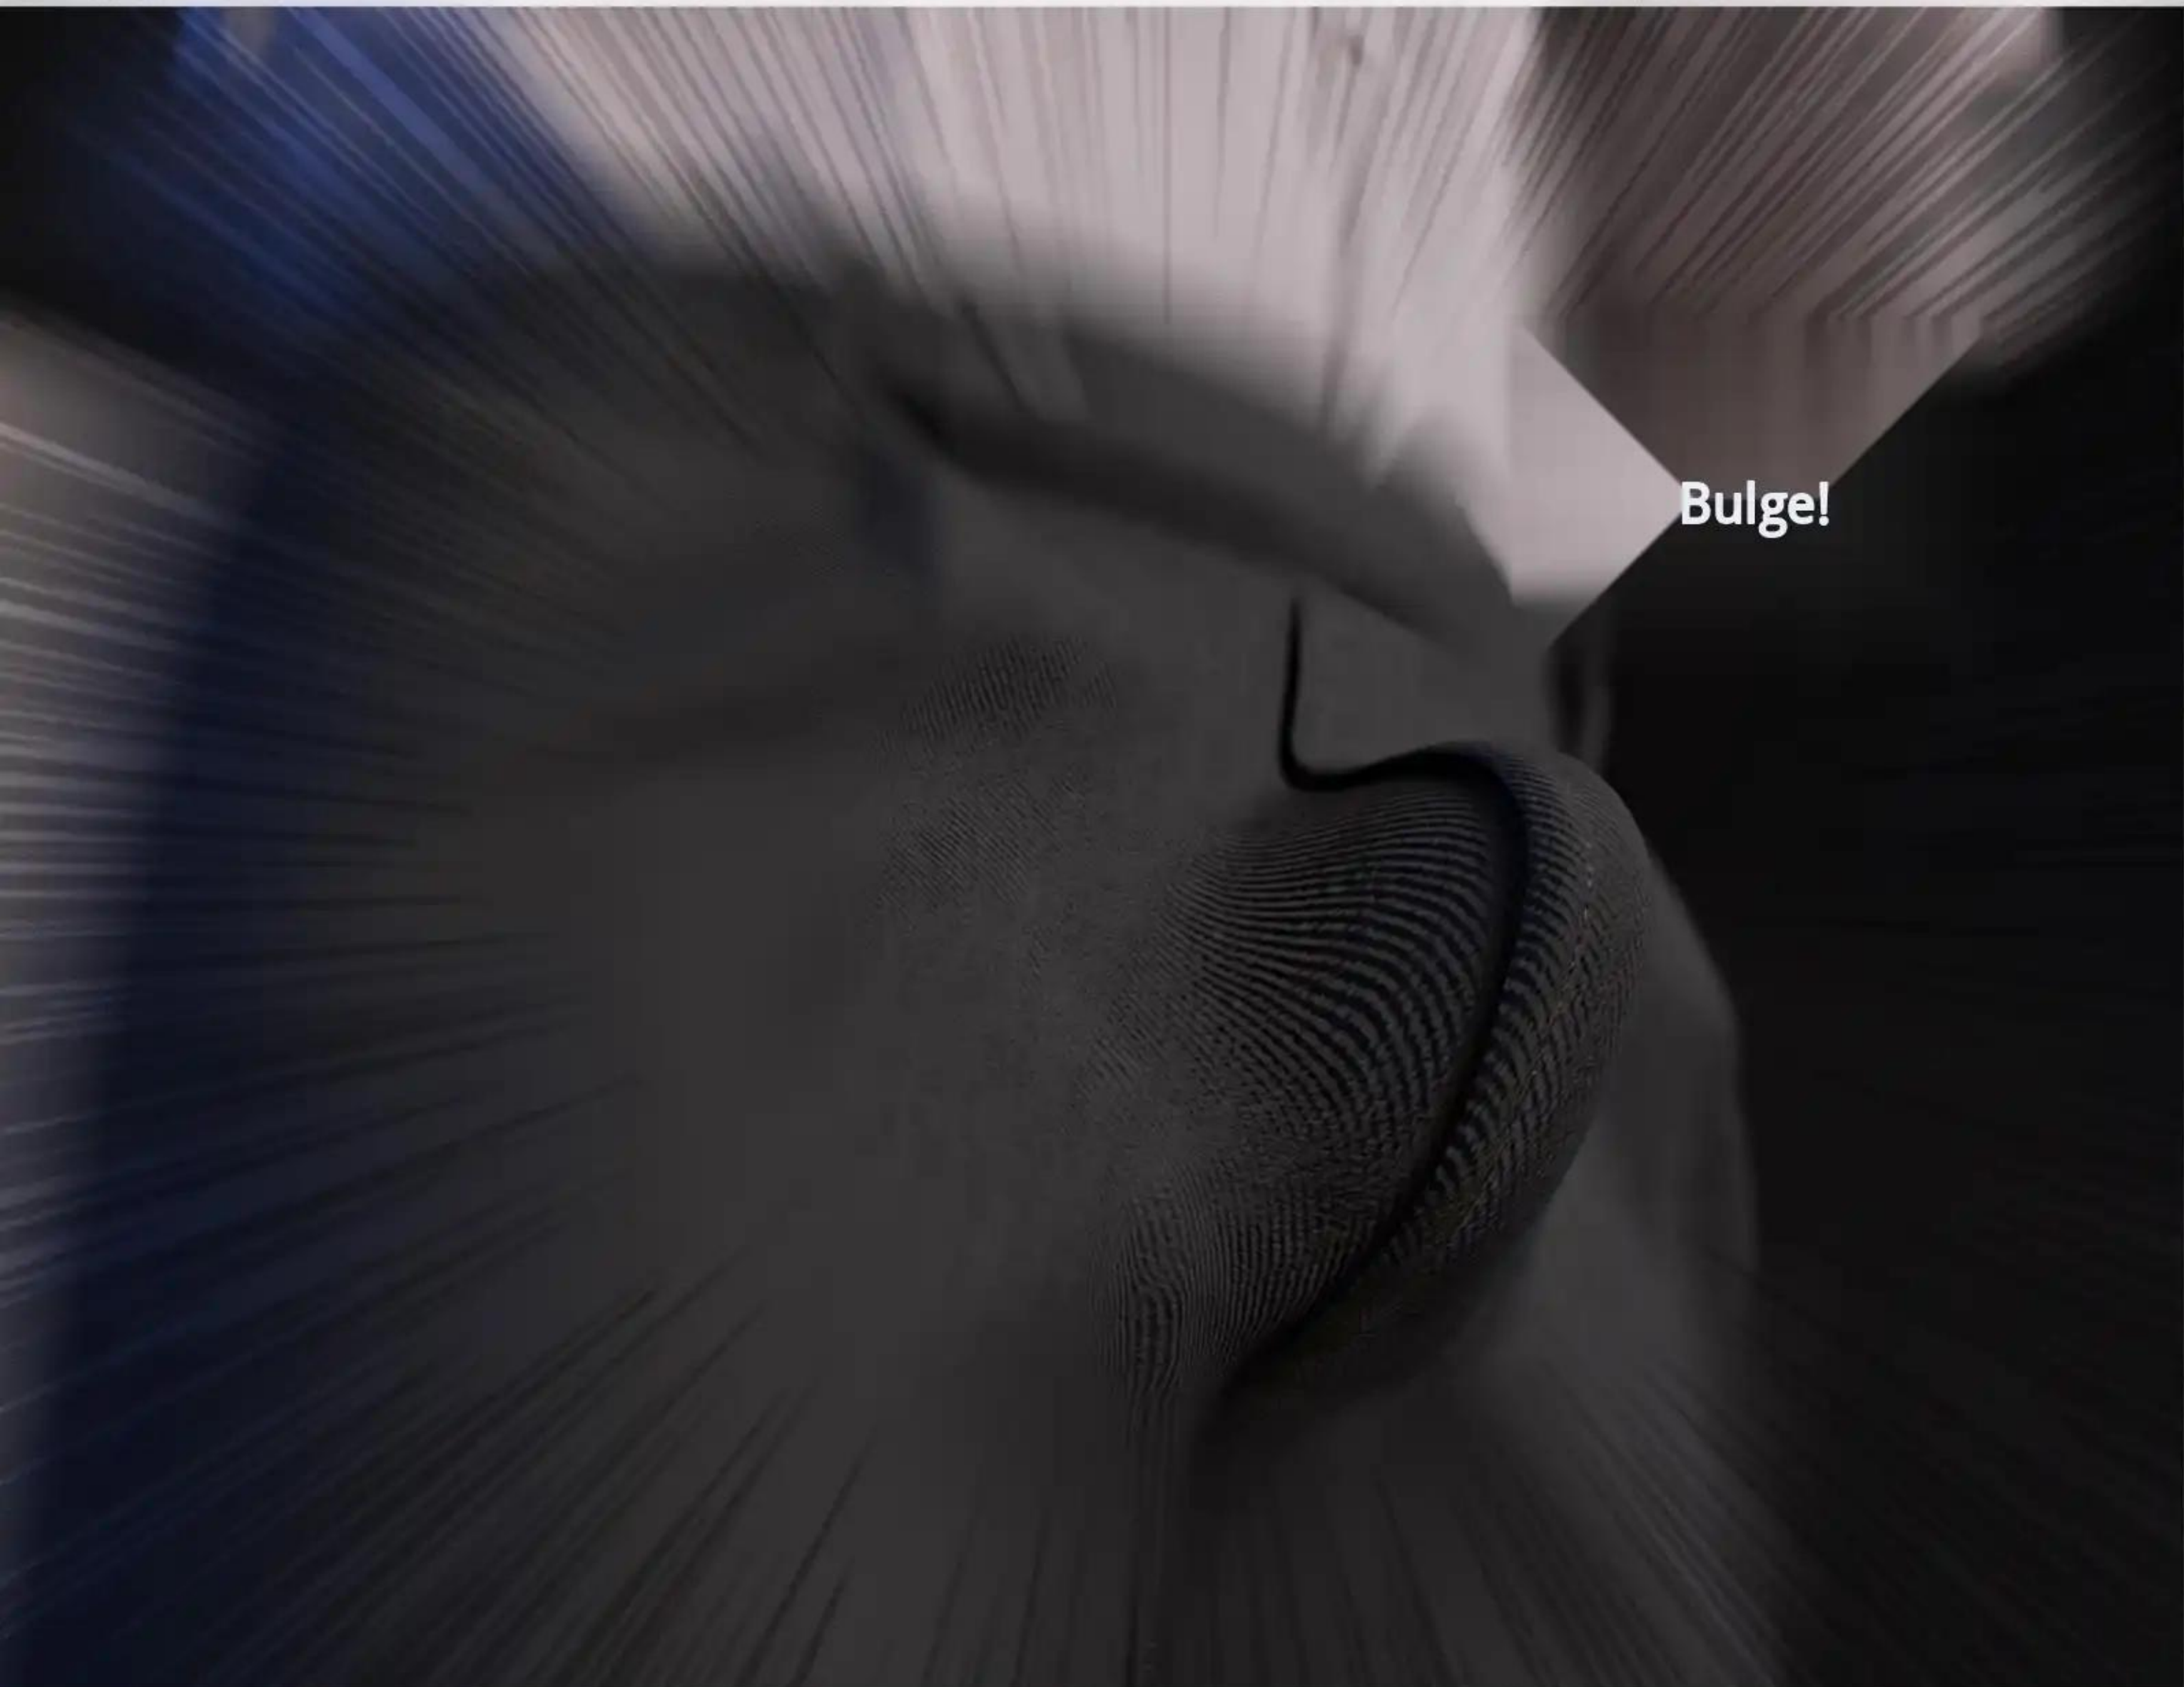

**It's all because your
mother is a slut who can't
live without manly flesh! Let
me tell you, I will be fucked by
a man, because my body is
too sexy and lustful,**

**You, shut
up and put
on your
clothes!**

Ha!

Look at you,
you are so hard
when you see your
mother naked! Your family is
really full of talents,
haha! My son is an
Oedipal pervert. I am not
saying that my mother is
a nymphomaniac who
can do anything
she wants.

Ahhhhh!
Shut
up!

Holy shit, what are you doing? !

What do you do...
Uh-huh! Lao Zhou, are you crazy?

**It belongs to me
alone... No one is allowed
to take it away... I, I want to
change my mother back!
Mom, mom is mine,**

Yeah!

Fuck!

No, if
you do it
like this, I
will,

Wait,
this
is...

Is this
semen?
!

Or some wild man? Speak to me! You damn slut! There is still semen in the body! You, you actually used my mother's body again and said, is it my father or that Brother Yong?

None of your business!
After all, it's not your
mommy's fault!

Huh....it's
none of
my
business?

Is this none of my
business? ! You use my
mother's body to fuck
other men,

The real slut is not
my mother, but you!
Okay, then I must
prove it today

insert!

ah!

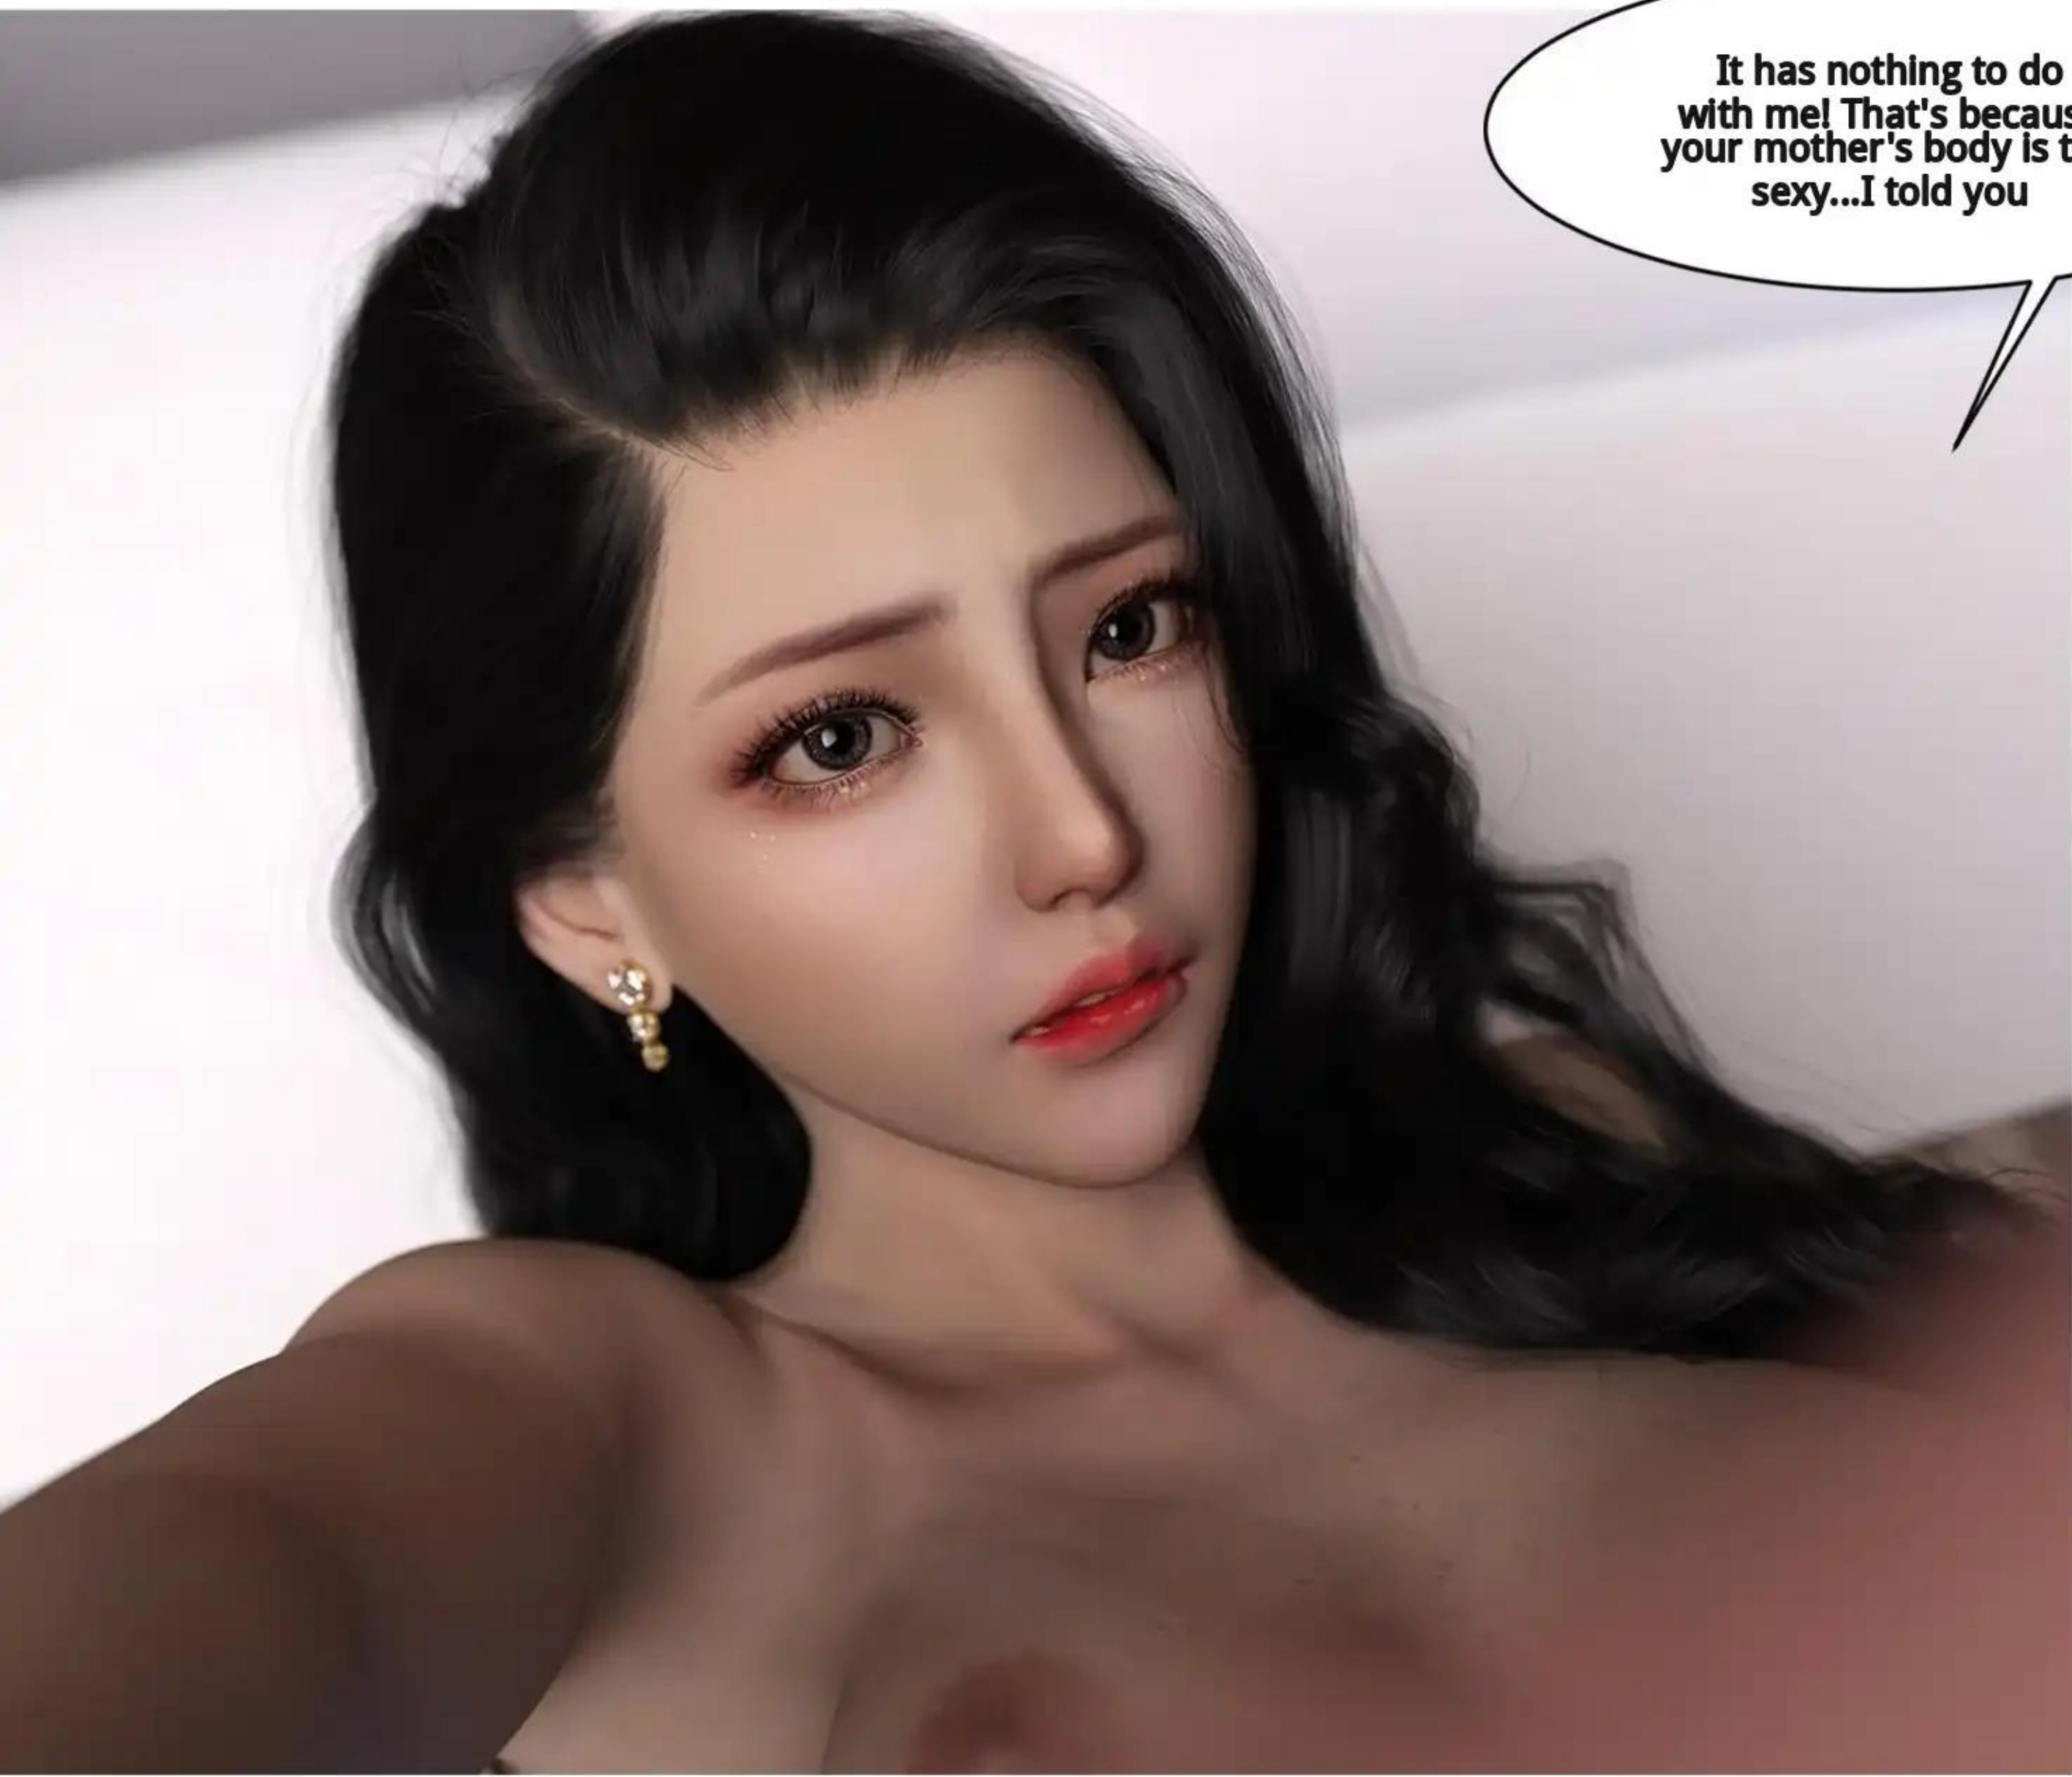

Damn, Lao
Zhou, why did
you suddenly
go crazy...
Yeah!

Otherwise, why are you clamping so tightly down there? pain? I see you obviously like being fucked like this, right?

Hurry, stop, I'm going to kill you, it'll hurt if I do it so hard! Yeah!

It has nothing to do with me! That's because your mother's body is too sexy...I told you

Then don't scream if you have the guts! Hehe, you're going to talk back, right?

嗯啊啊啊啊啊啊啊啊！

suck

He actually deliberately
played there! Ming... Damn it!
This brat Lao Zhou knows that his
breasts are very sensitive.

If this continues, I will really turn into what Lao Zhou calls a slut! Her nipples were sucked and her pussy was fucked so violently

No, I, how could I let Lao Zhou press on me like this!

ah!

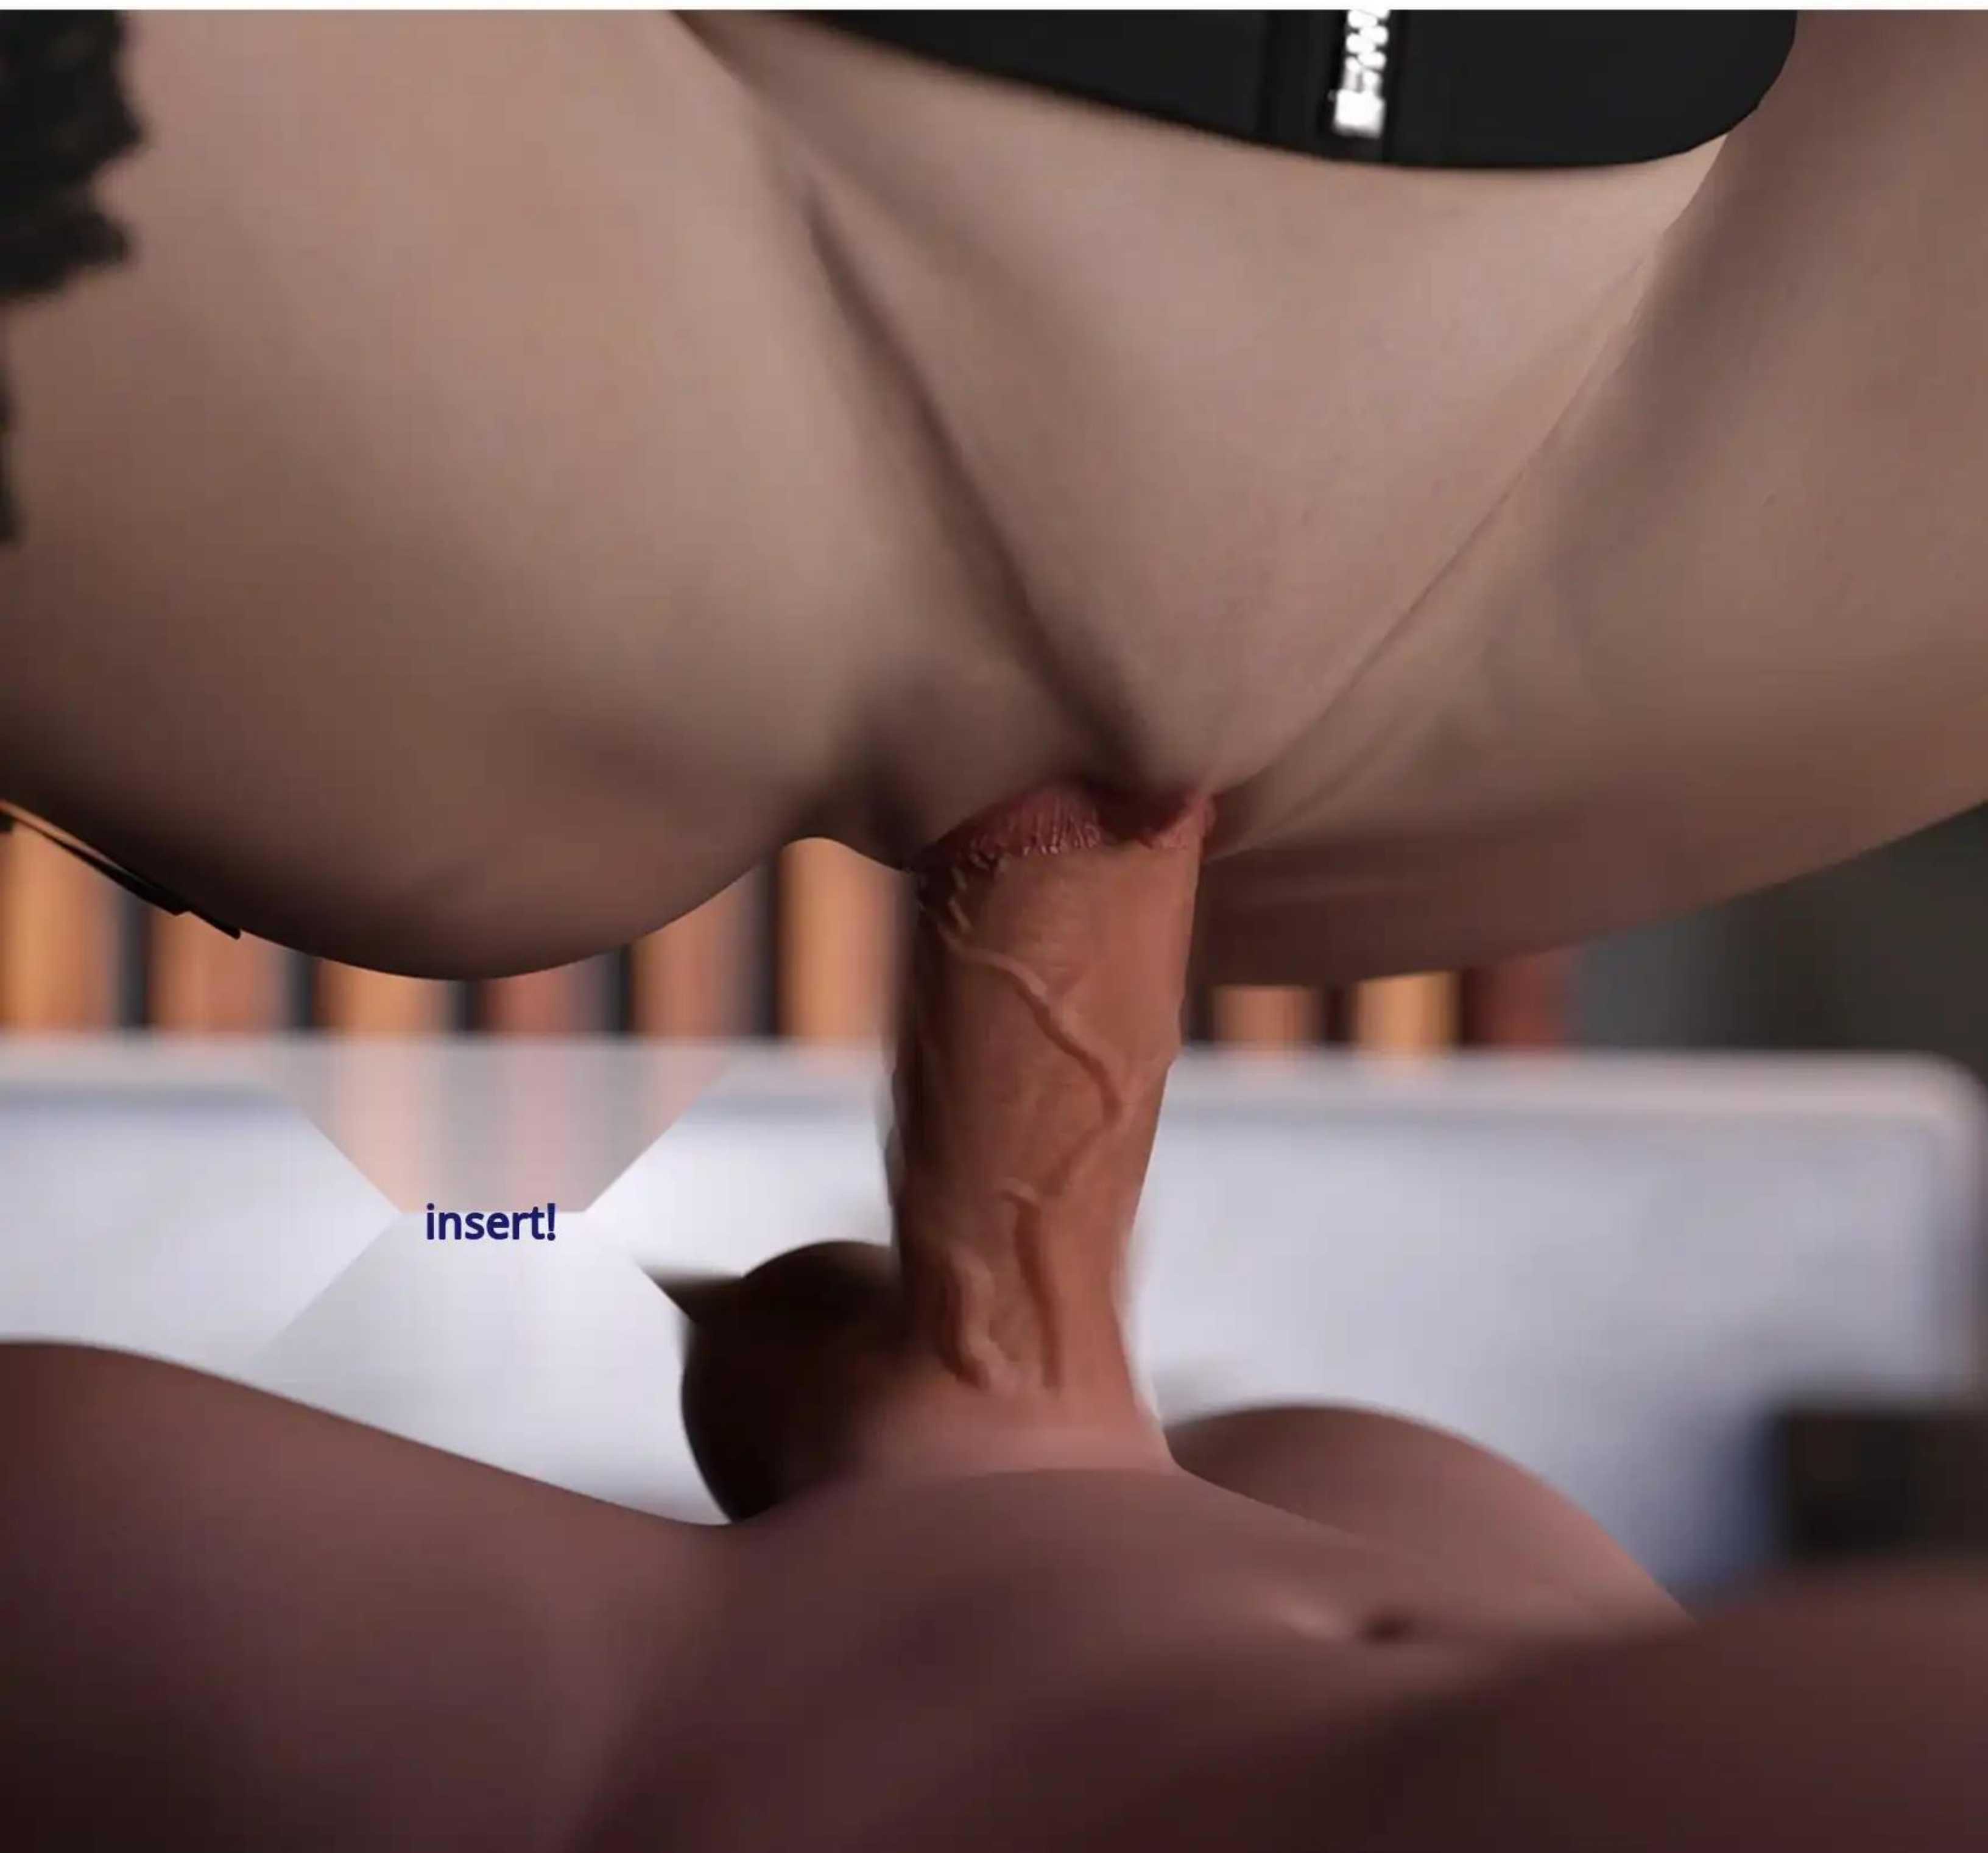

Holy shit, what are you doing?

If you keep saying
that you are not Oedipus,
please prove it to me, my
good son!

insert!

Woohool

**You can't even fuck
with a cock for a moment!
Hiss... If you want to be
fucked, just say so. I think it's
just the lust in your bones
that's come over again.**

If you can't find
someone to look for when
you see your mother's naked
body, you're probably going to
have premature ejaculation!
Humph, if you have the guts,
don't be hard down there! I'll
give it a fucking shake
twice.

I will definitely fuck you to climax first! Who, who had premature ejaculation! I will definitely

I won't even climax! Ha! Nice thought, before you fucking shine,

I really want to ejaculate... Even though I say so, I feel like I can't bear it anymore

**It's even tighter and hotter.
Mom's vagina is better than
before. I don't know why.**

Especially when I think about what I am doing and my mother being dressed by Lao Shao, there is someone else's semen in her pussy, and my sister has fallen into the hands of Brother Yong.

I can't wait to vent it all on my cock! It's as if it has turned into sexual desire, the anger caused by perverted behavior

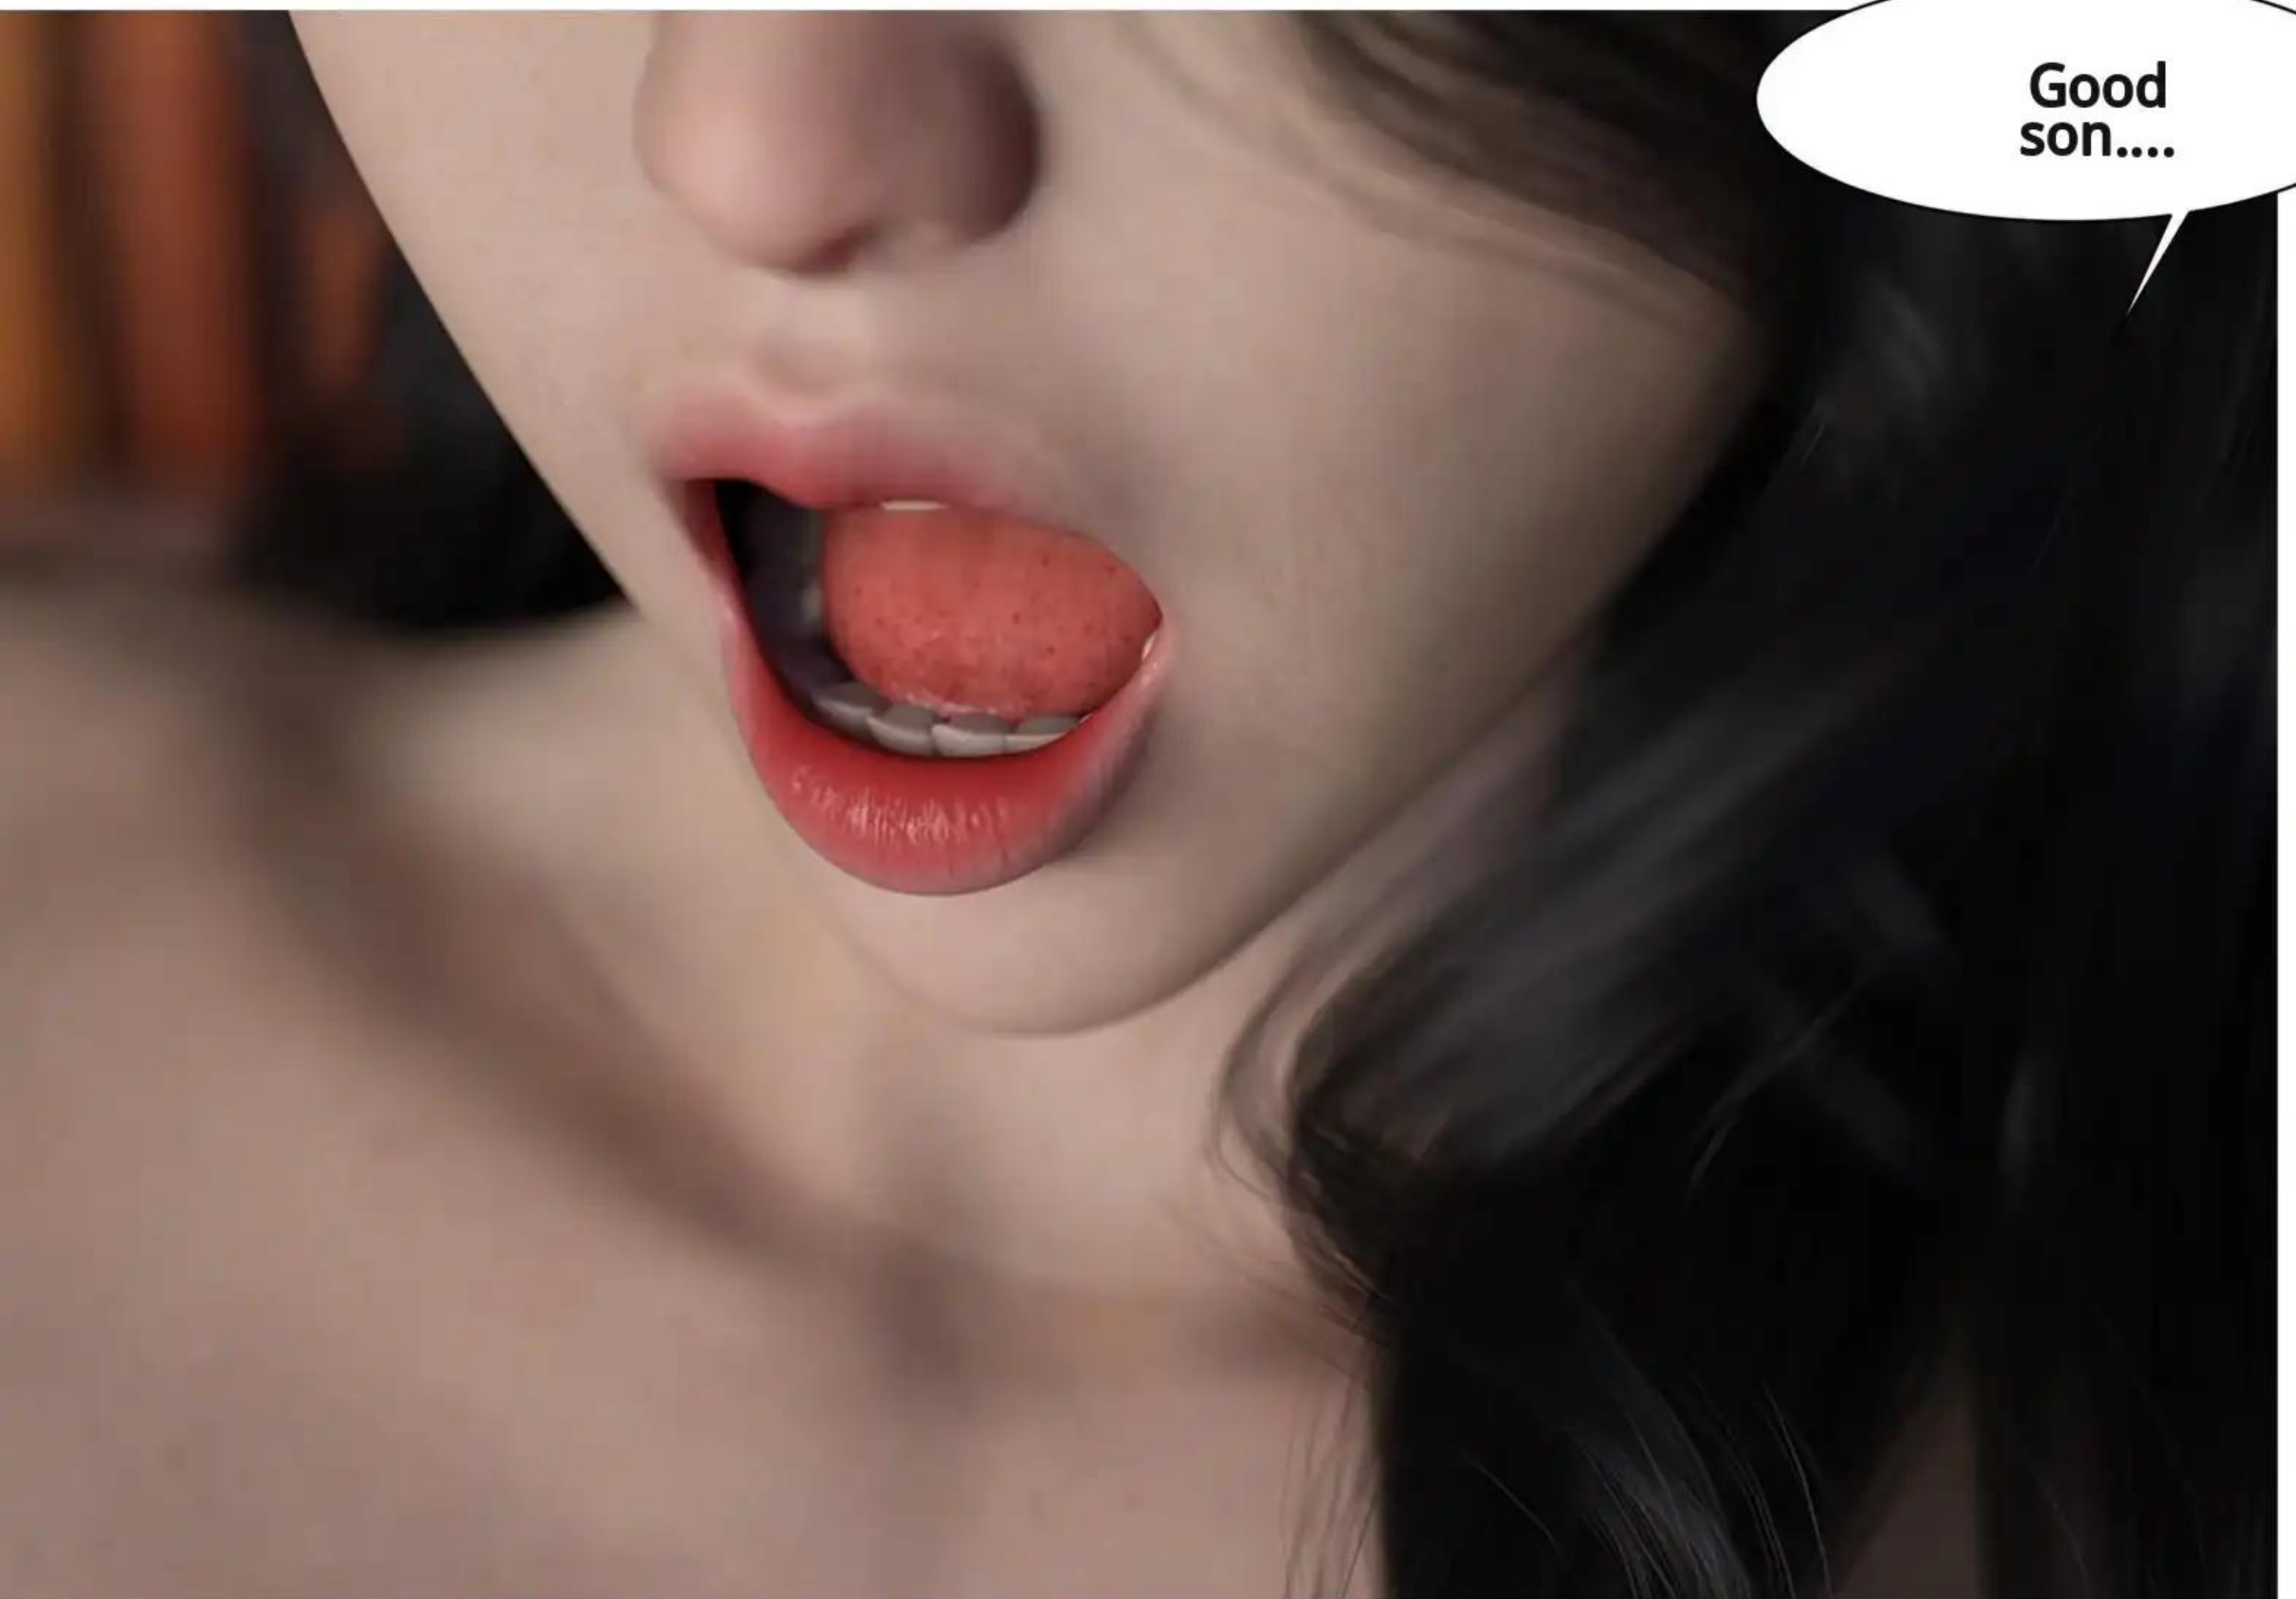

The most sensitive part of my body was constantly being hit... It made my body go limp, ahhh... Incredible, when did Lao Zhou's cock become so hard and powerful?

I will definitely go first, eh! It's really, really cool! But if this continues

Good son....

You'd better hurry up and ejaculate all your thick semen into mom's cunt! Mom will be reluctant to part with it, seeing how hard you endure it

**It's a foul!
Ming! Damn old
Shao, he actually did
this! He spoke to me
like this in a mother's
tone, coupled with
that shameless
lustful expression,**

**Then I won't
care! In this
case,**

Hurry up and cum
inside your mother's cunt!
Oh oh oh oh! Too, too fast.
Mom's pussy is going to be
fucked! Son, hurry up

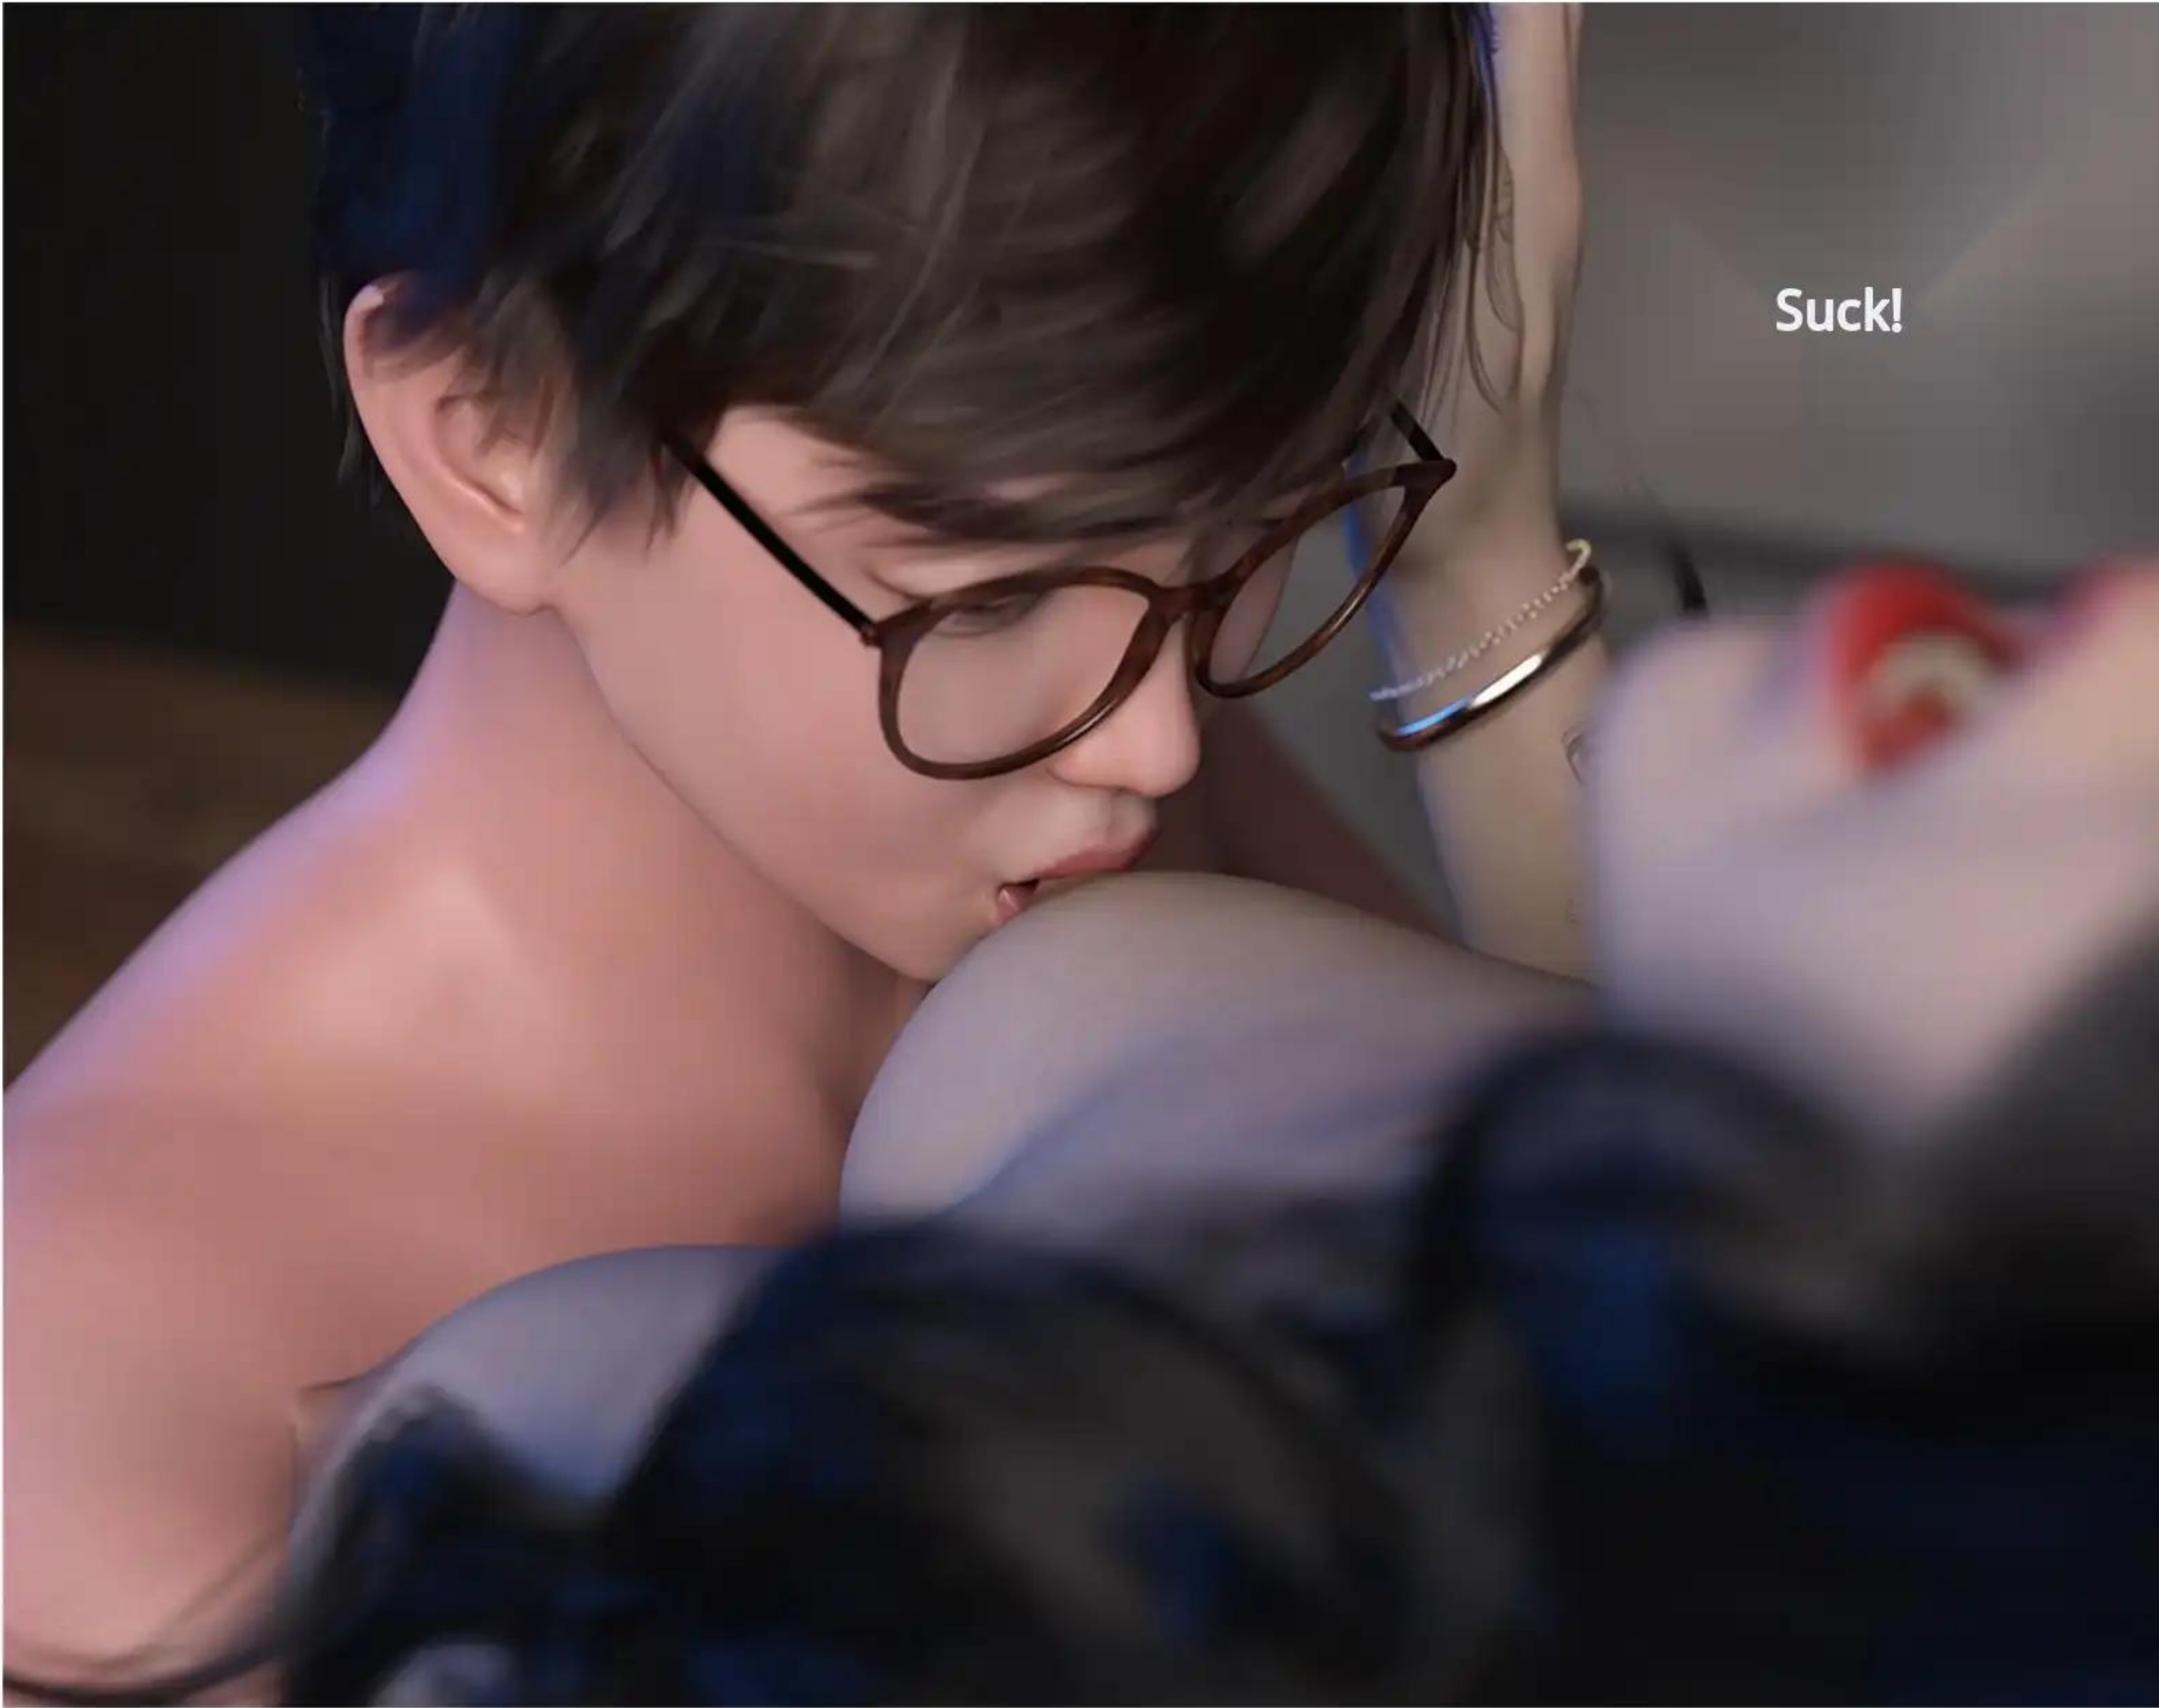

Fuck you until you climax like a woman! I am Ru! Ah! I'm Ru! Me! Fuck you to death, you slutty fake mother, I'm going to fuck you to death, you pervert.

**My dear son,
hurry up and suck your
mother's slutty breasts!
The water is flowing like a
pussy, ahhhhhhh! The
chest is so comfortable**

Suck!

It feels like I'm going to ejaculate at any moment! And every time I sucked on it, my pussy tightened, like, hiss... Mom's breasts were soft and fragrant.

Hurry up and ejaculate
all your semen to others! The
good son continues to play with
his mother's breasts and
continues to fuck her pussy, oh
yeah, oh yeah! That's it

Sure enough,
a woman's body
is a hundred times
more pleasant than a
man's! Ahhhh! My
cunt and cunt are
really fucked so
well,

I don't have any
objection! If you want
me to keep pretending
to be a woman or being
treated as a slut, if I can
always feel this way

But I really like it very much! Even though I really don't want to admit it, such a slutty mother, a mother who can let me play with her as she pleases,

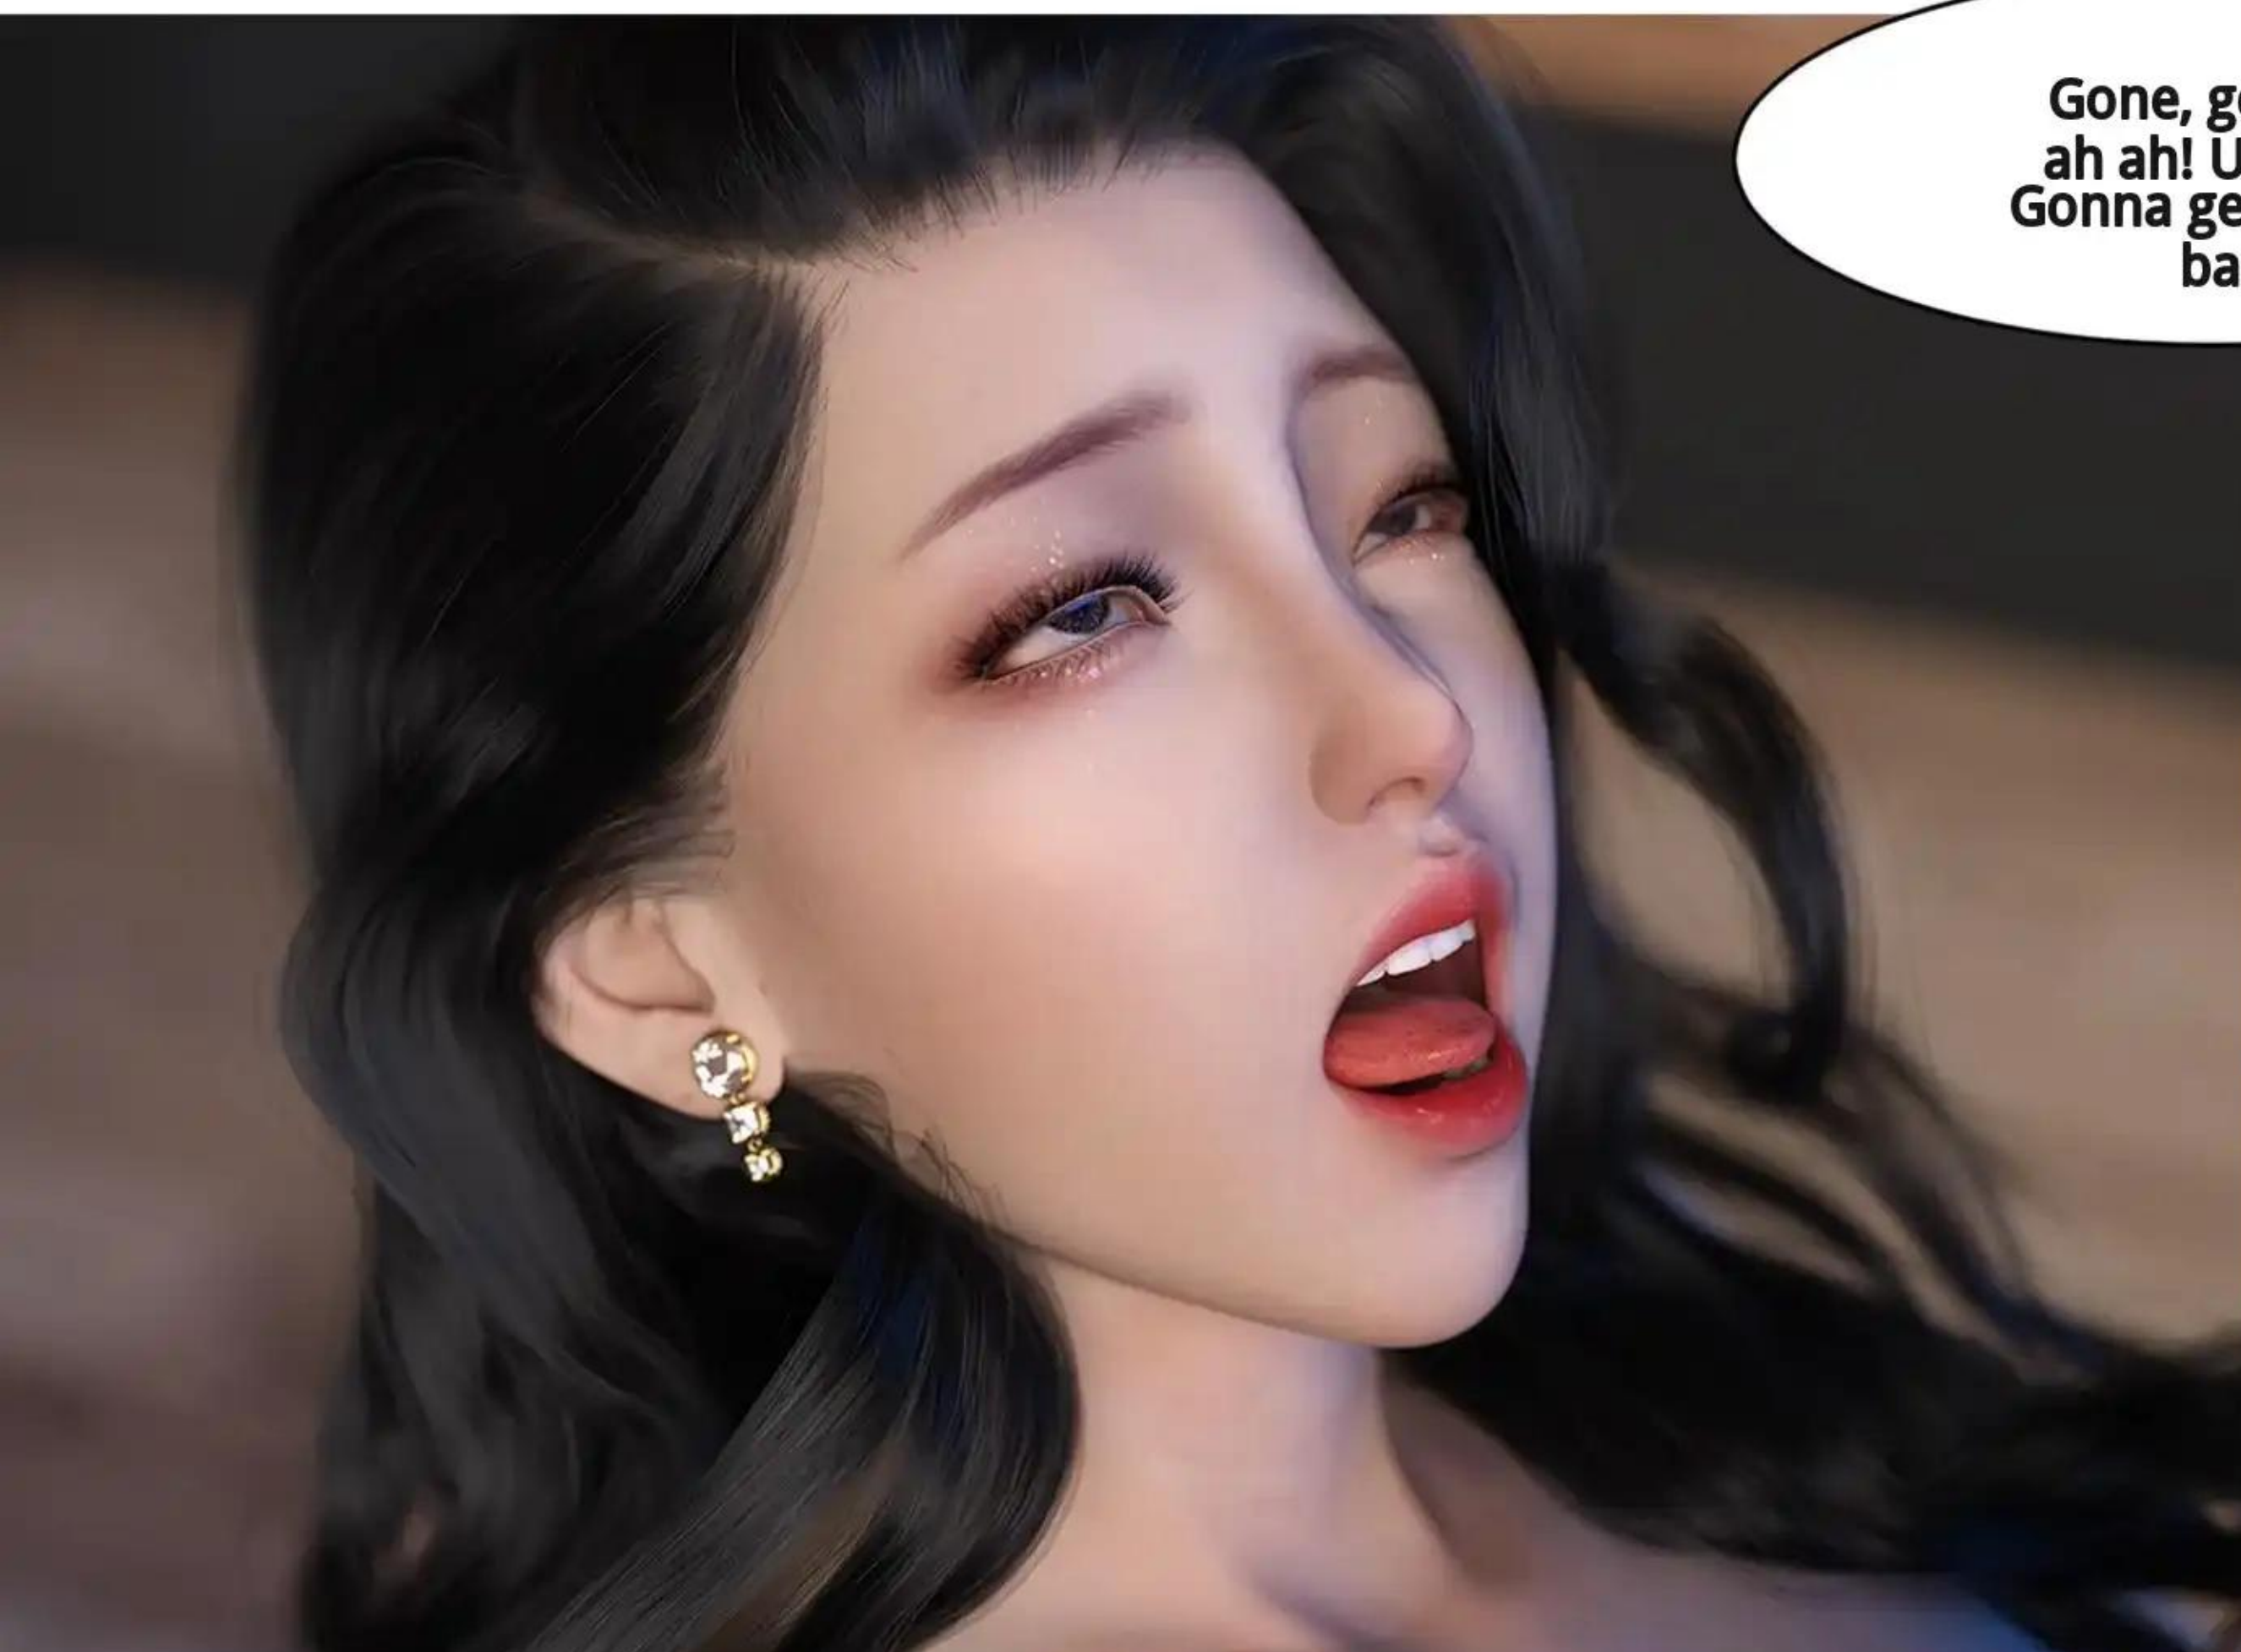

I want to ejaculate every drop of semen into my mother's body! I don't want to care about it anymore, I am Oedipus, I want to fuck my mother's cunt all my life, it is my mother's baby

No more, it's all going to spurt out, it's going to cum! Cum!

Gone, gone ah
ah ah! Uh-huh!
Gonna get fucked
bad

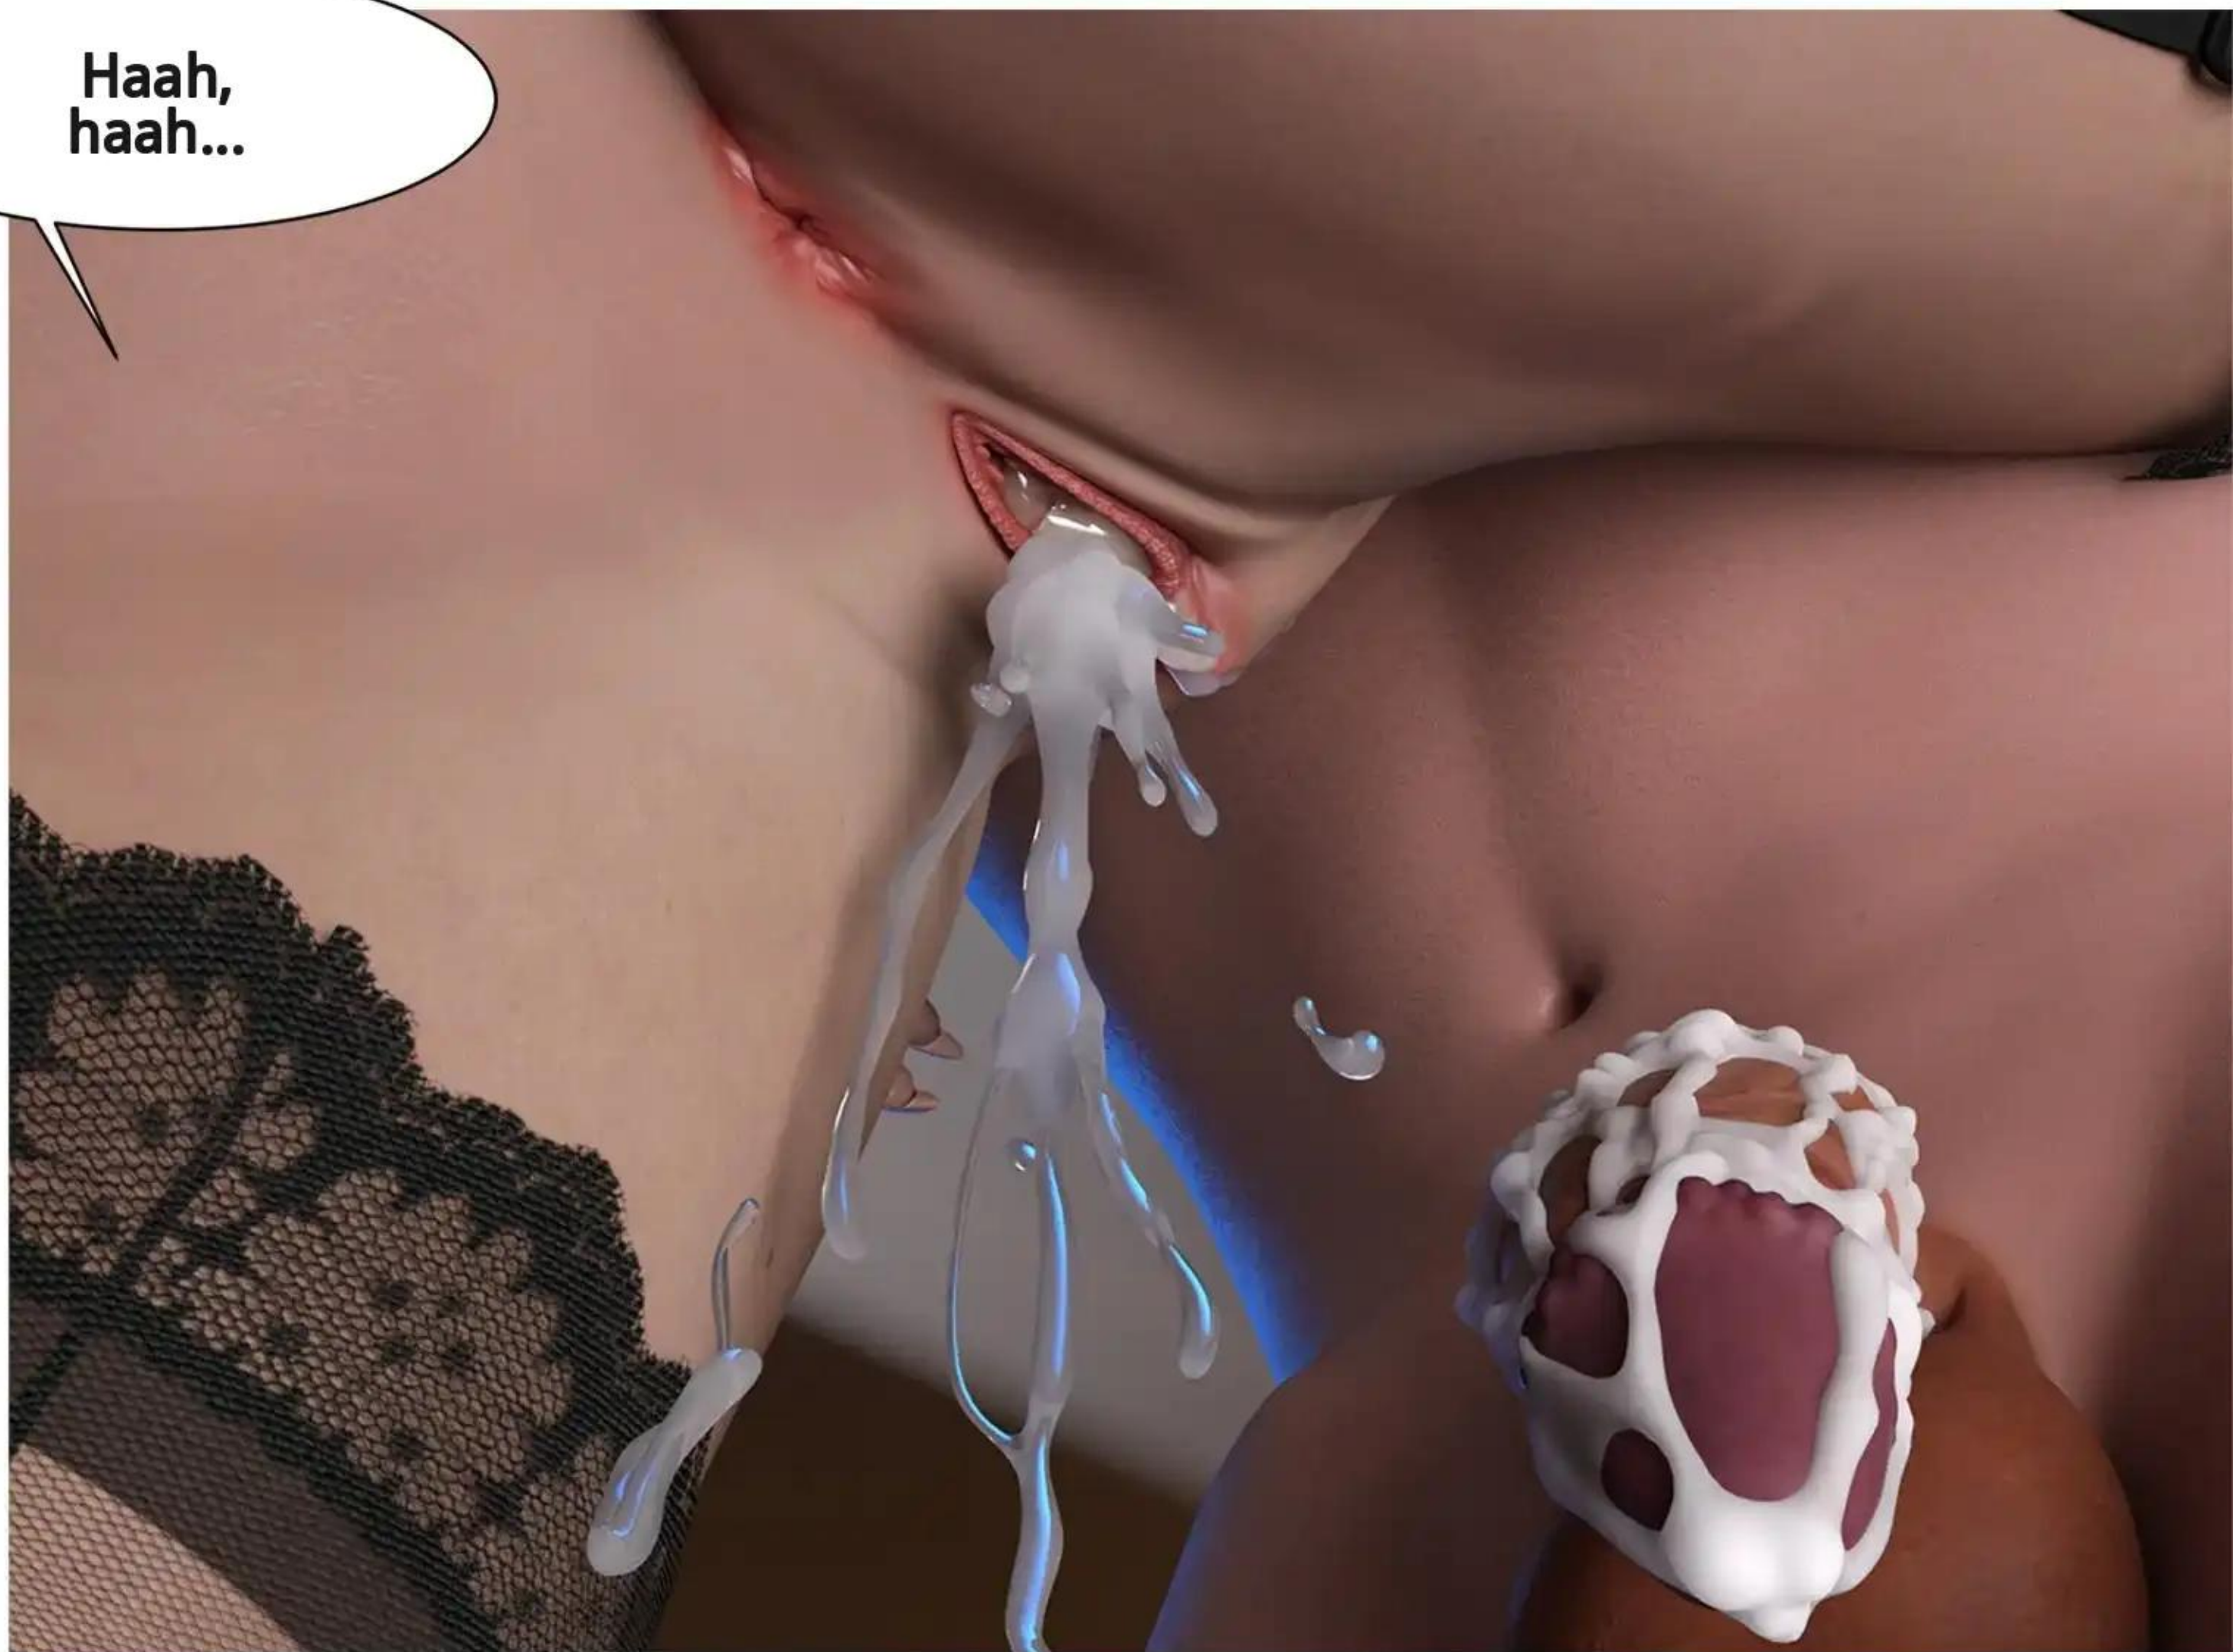

嗯啊啊啊啊啊啊!

climax

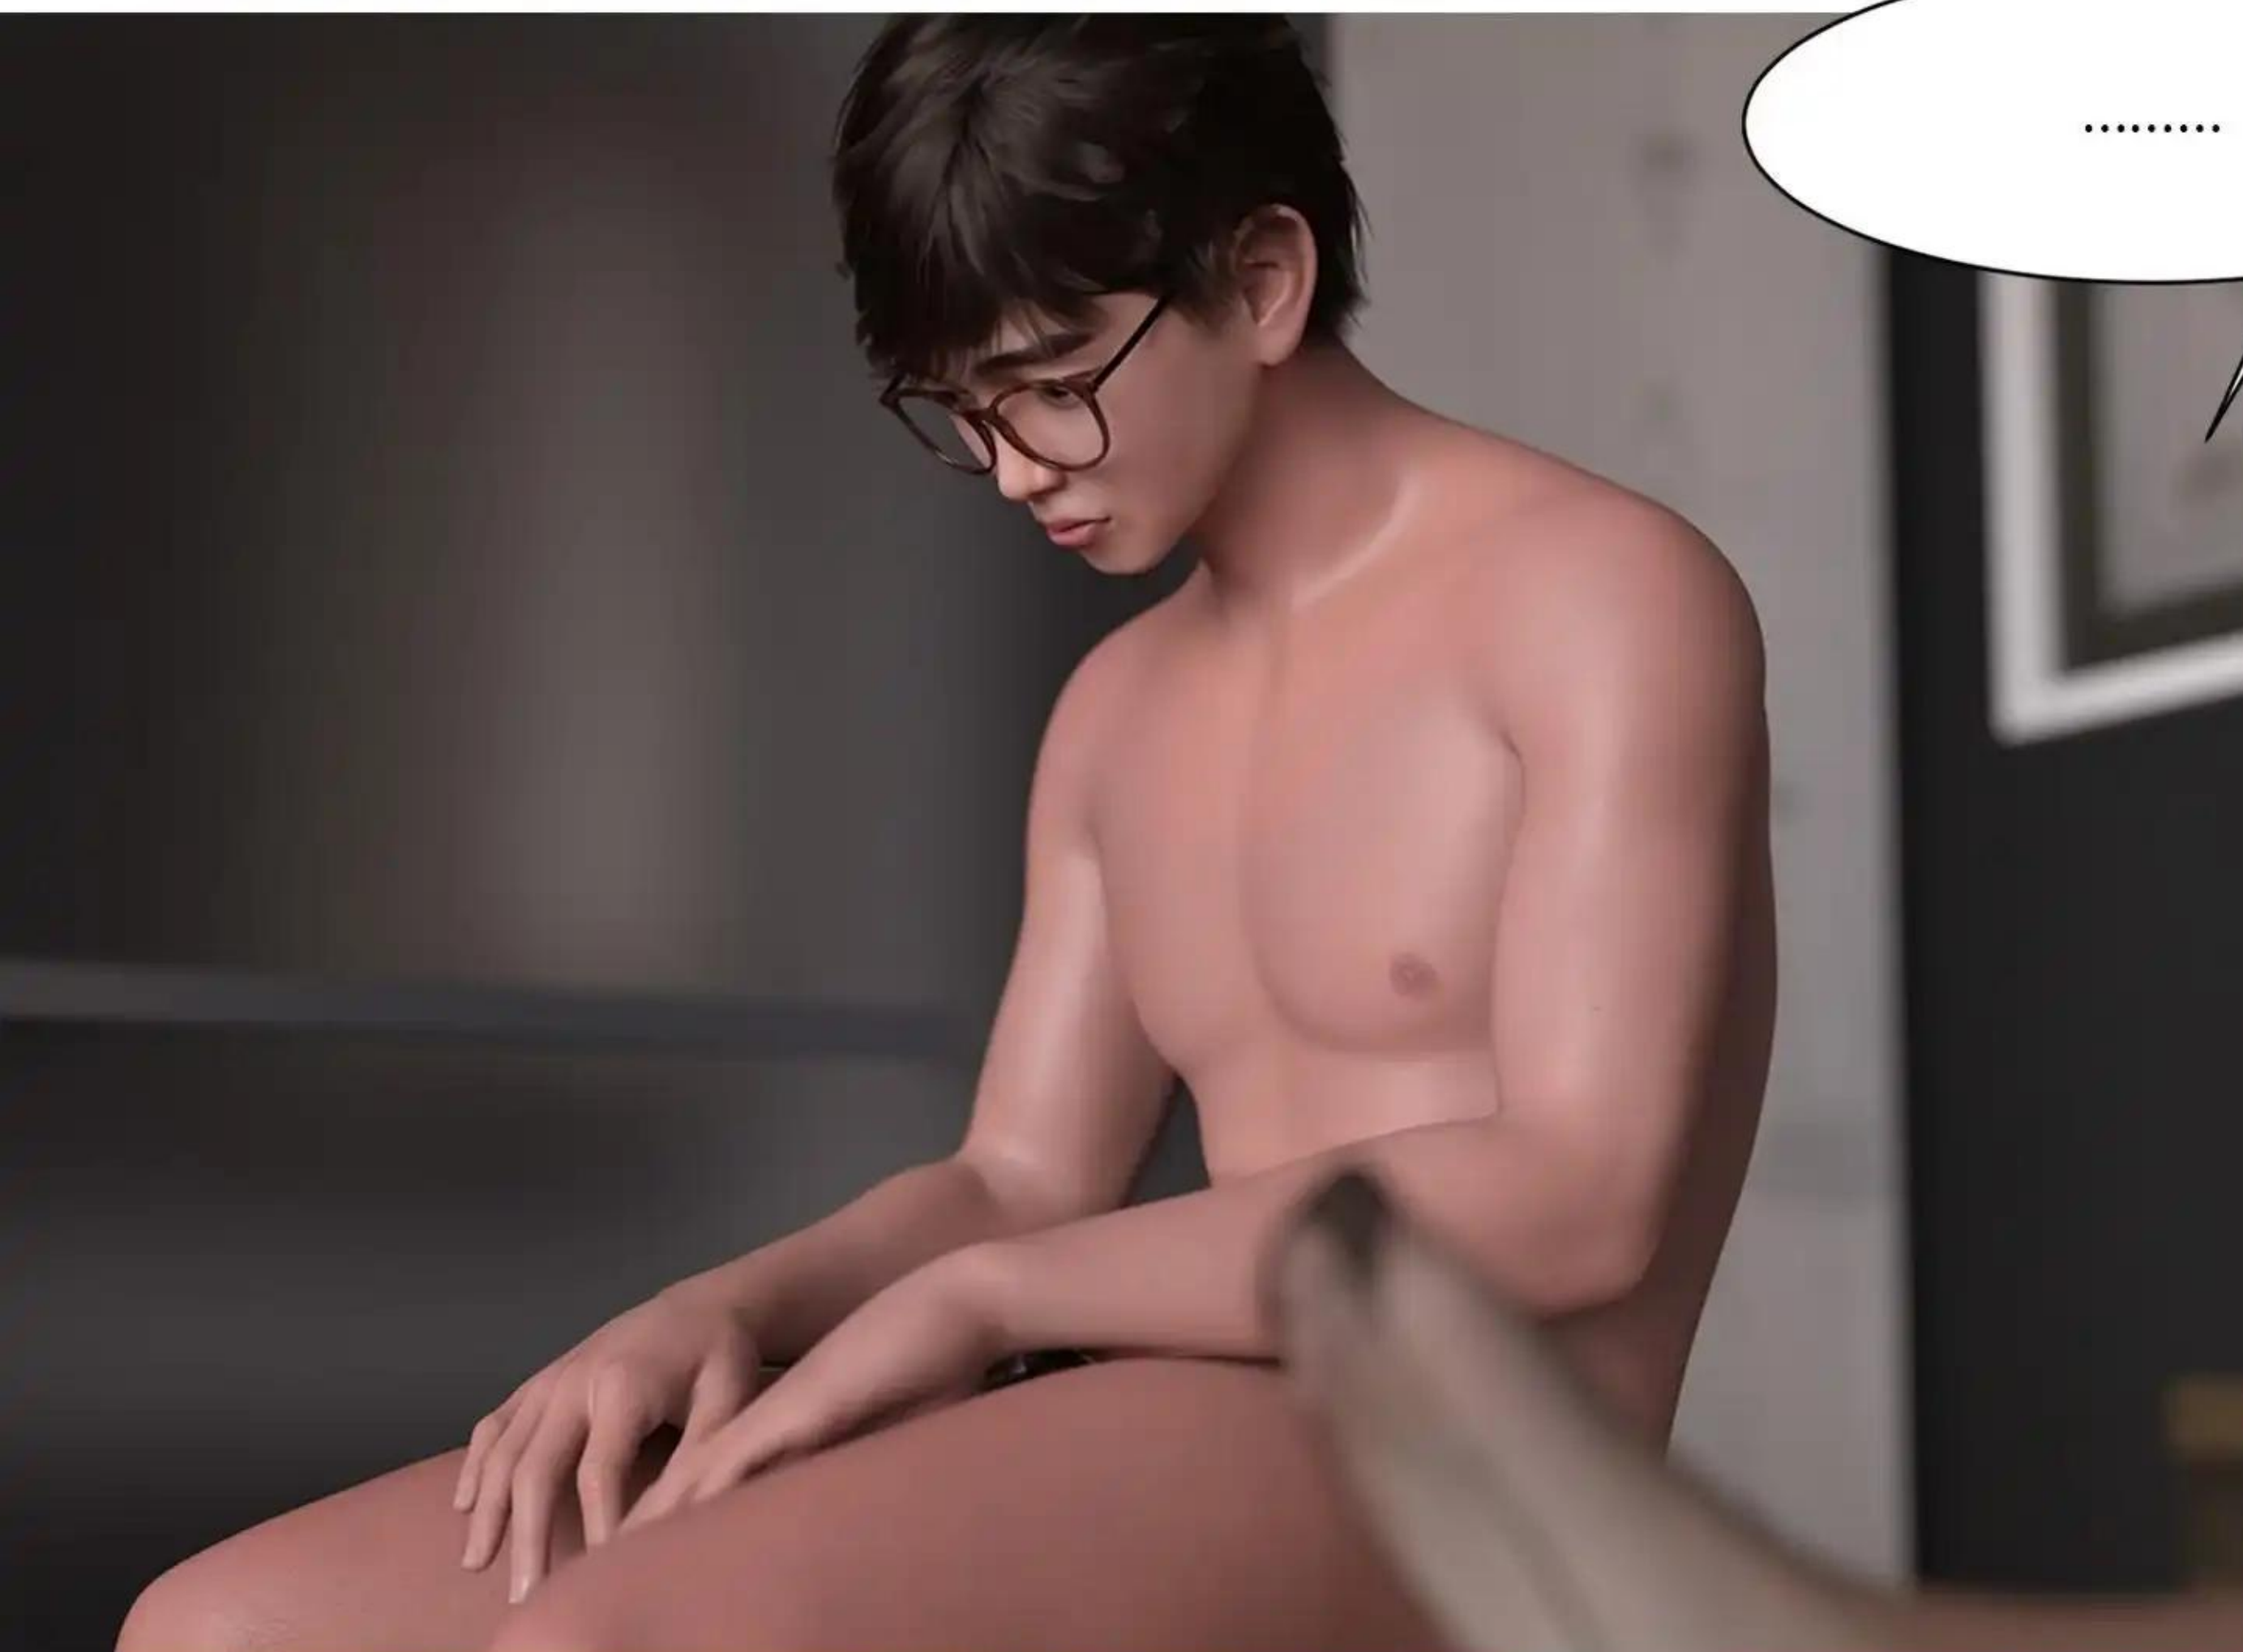

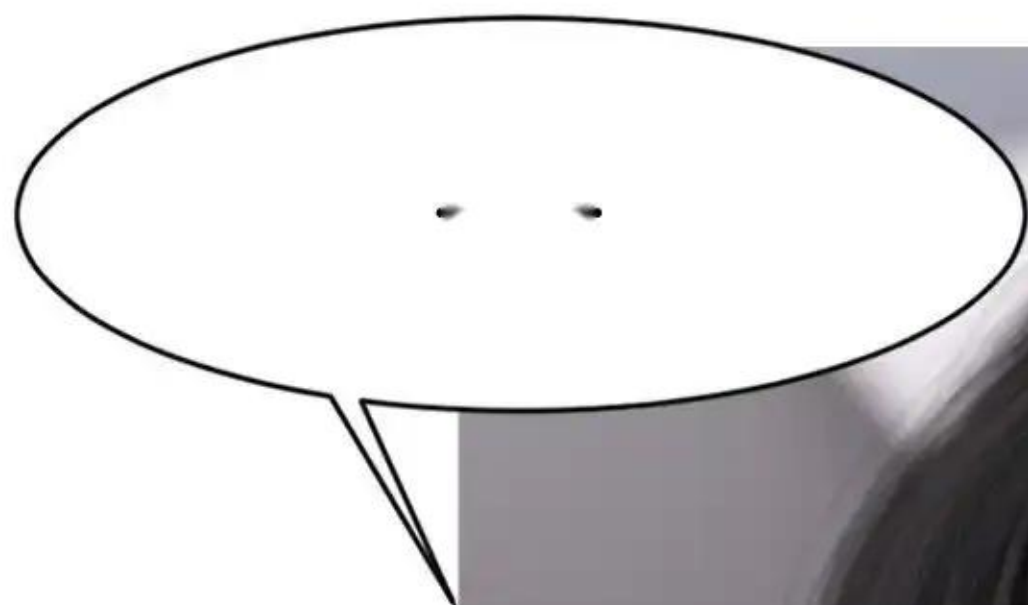

Huh...huh...

Haah,
haah...

This is really, really cool...

...We both climaxed
...at the same time, so it
should be considered a
draw, right?

....
..What, you
still want to
compete
again?

It's a beautiful
thought. Even if you
want to come again, I
won't do it anymore.
It's still swollen
down there.

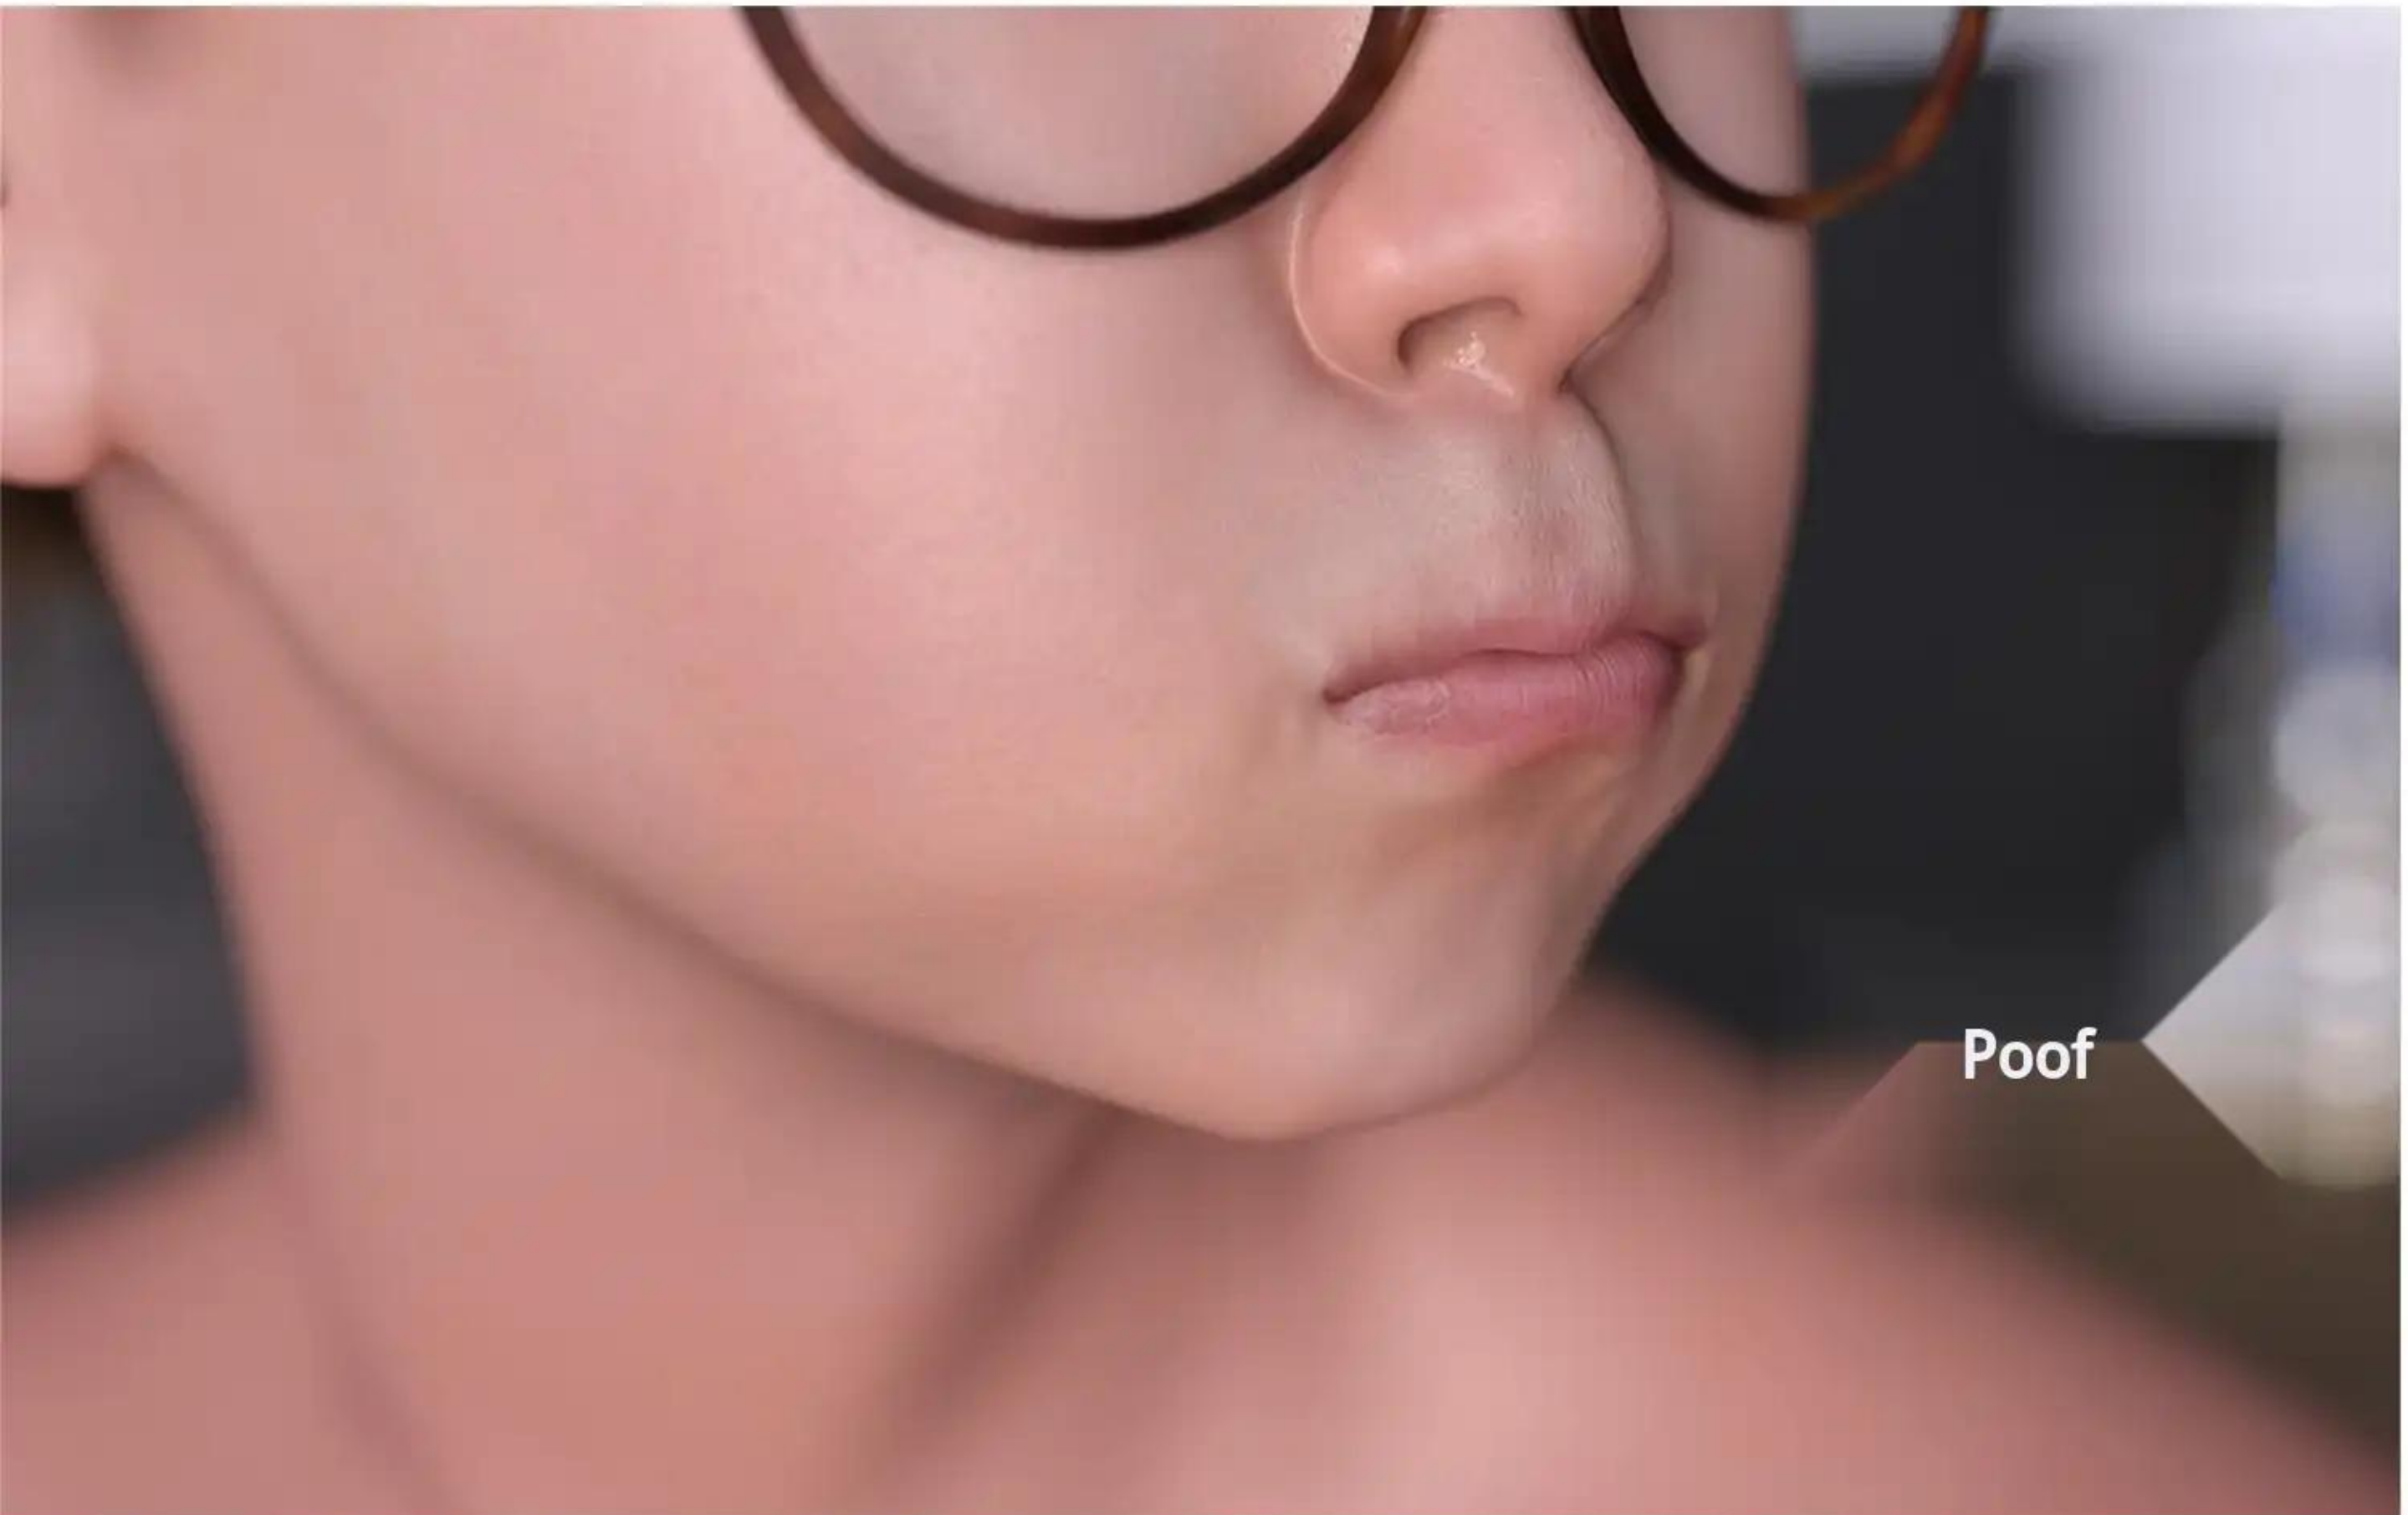

..Oh, okay, it's my fault. Who else should I say this to my mother? Who am I to be anxious about? I shouldn't call your mother a slut or something like that.

I am the one who is not serious, okay! Besides, your mother is always serious, I admit it.

It's okay, I shouldn't have said that you were a little impatient...Sorry! Gay pervert or something, I just got into it temporarily,

Although you apologized, what happened to the Oedipus who said you were a mama? What happened to the MILF? I don't intend to take it back, I am a mature woman and I am proud!

Poof

Ha ha ha ha!
What the hell
hahaha! This kind of
thing makes you
nervous, right?

What's so funny? It's really... It's better than you keeping a straight face all day long! But forget it, just laugh if you want to.

Phew...sorry!

Especially that leather gun is still yours...I'm sorry! It's all because I believed that Brother Yong and actually believed the words of a big bad guy. In fact, you are right. The reason why I handed the gun to him without permission was because I was too stupid.

I know you are also concerned and confused, not to mention that I didn't stop you from giving him the gun right now! After all, he had found your home and your sister at that time. I would be anxious too.

I shouldn't have used the gun on your mother in the first place, and you're right, otherwise I wouldn't have caused all this trouble...

But Lao Zhou, you have to believe me, I really have no intention of hanging out with Brother Yong! No matter how depraved and ignorant I am, the loyalty that should exist between brothers is still there, otherwise I swear,

.....

**I'm just angry
and using the topic
to express myself! No, I
just believe you. In fact,
I never doubted you
from the beginning.**

Are we okay, are we still brothers? Okay, that's all said and done.

Of course!

grip!

**We brothers
have only one
primary goal!
Okay, then
next,**

**And this requires
getting that leather gun
back! We have to rescue
your mother and
your sister**

**It can definitely
be done! It must...it
must be possible!
With the two of us
working together,**

**tobe
continued.**
