

Atsu, how are you going to prevent me from being discovered that I am a man when I am wearing a swimsuit? This is impossible!

Hey, since I dare to
agree in front of
Xiaoyi, naturally I will
certainly!

Watch out, as long as
I have this injection
of medicine in my
hand, no one will
find out that you are
a boy!

A man with light brown hair, wearing a white lab coat, is shown from the chest up. He is holding a large medical syringe with a green plunger and a blue needle. He is looking towards the right with a serious expression. The background is a blurred indoor setting with vertical lines.

This is a potion that
I got from abroad.
After applying it, it
will give you a
female-like figure!

As long as you
combine it with a little
makeup skills, you
won't be exposed
even in a swimsuit!

Varied? ! I don't want it. Where did you get this ghost potion?

It's okay for you to dress up as a woman, but I won't do it if you ask me to take an injection and become a transvestite!

Calm down, unlike ordinary hormones, this potion can be naturally metabolized and will change back after a while, so don't worry!

Are you already planning to let go of your relationship with Xiaoyi? If she goes out to date other men, you won't be able to Place?

...Real or fake, with
this magical thing, you
guarantee that you
To change can
back?

Hmm... There seems
to be no other way.
There is really no way
to fool around with
swimwear like
before.....

Okay, for
Xiaoyi, I'll just
do it!

Don't worry, brother, can
he still harm you? This
medicine is not easy to
get, so show off your
arms!

.....hiss!

injection

Don't move, it will be fine soon... OK, the injection is complete!

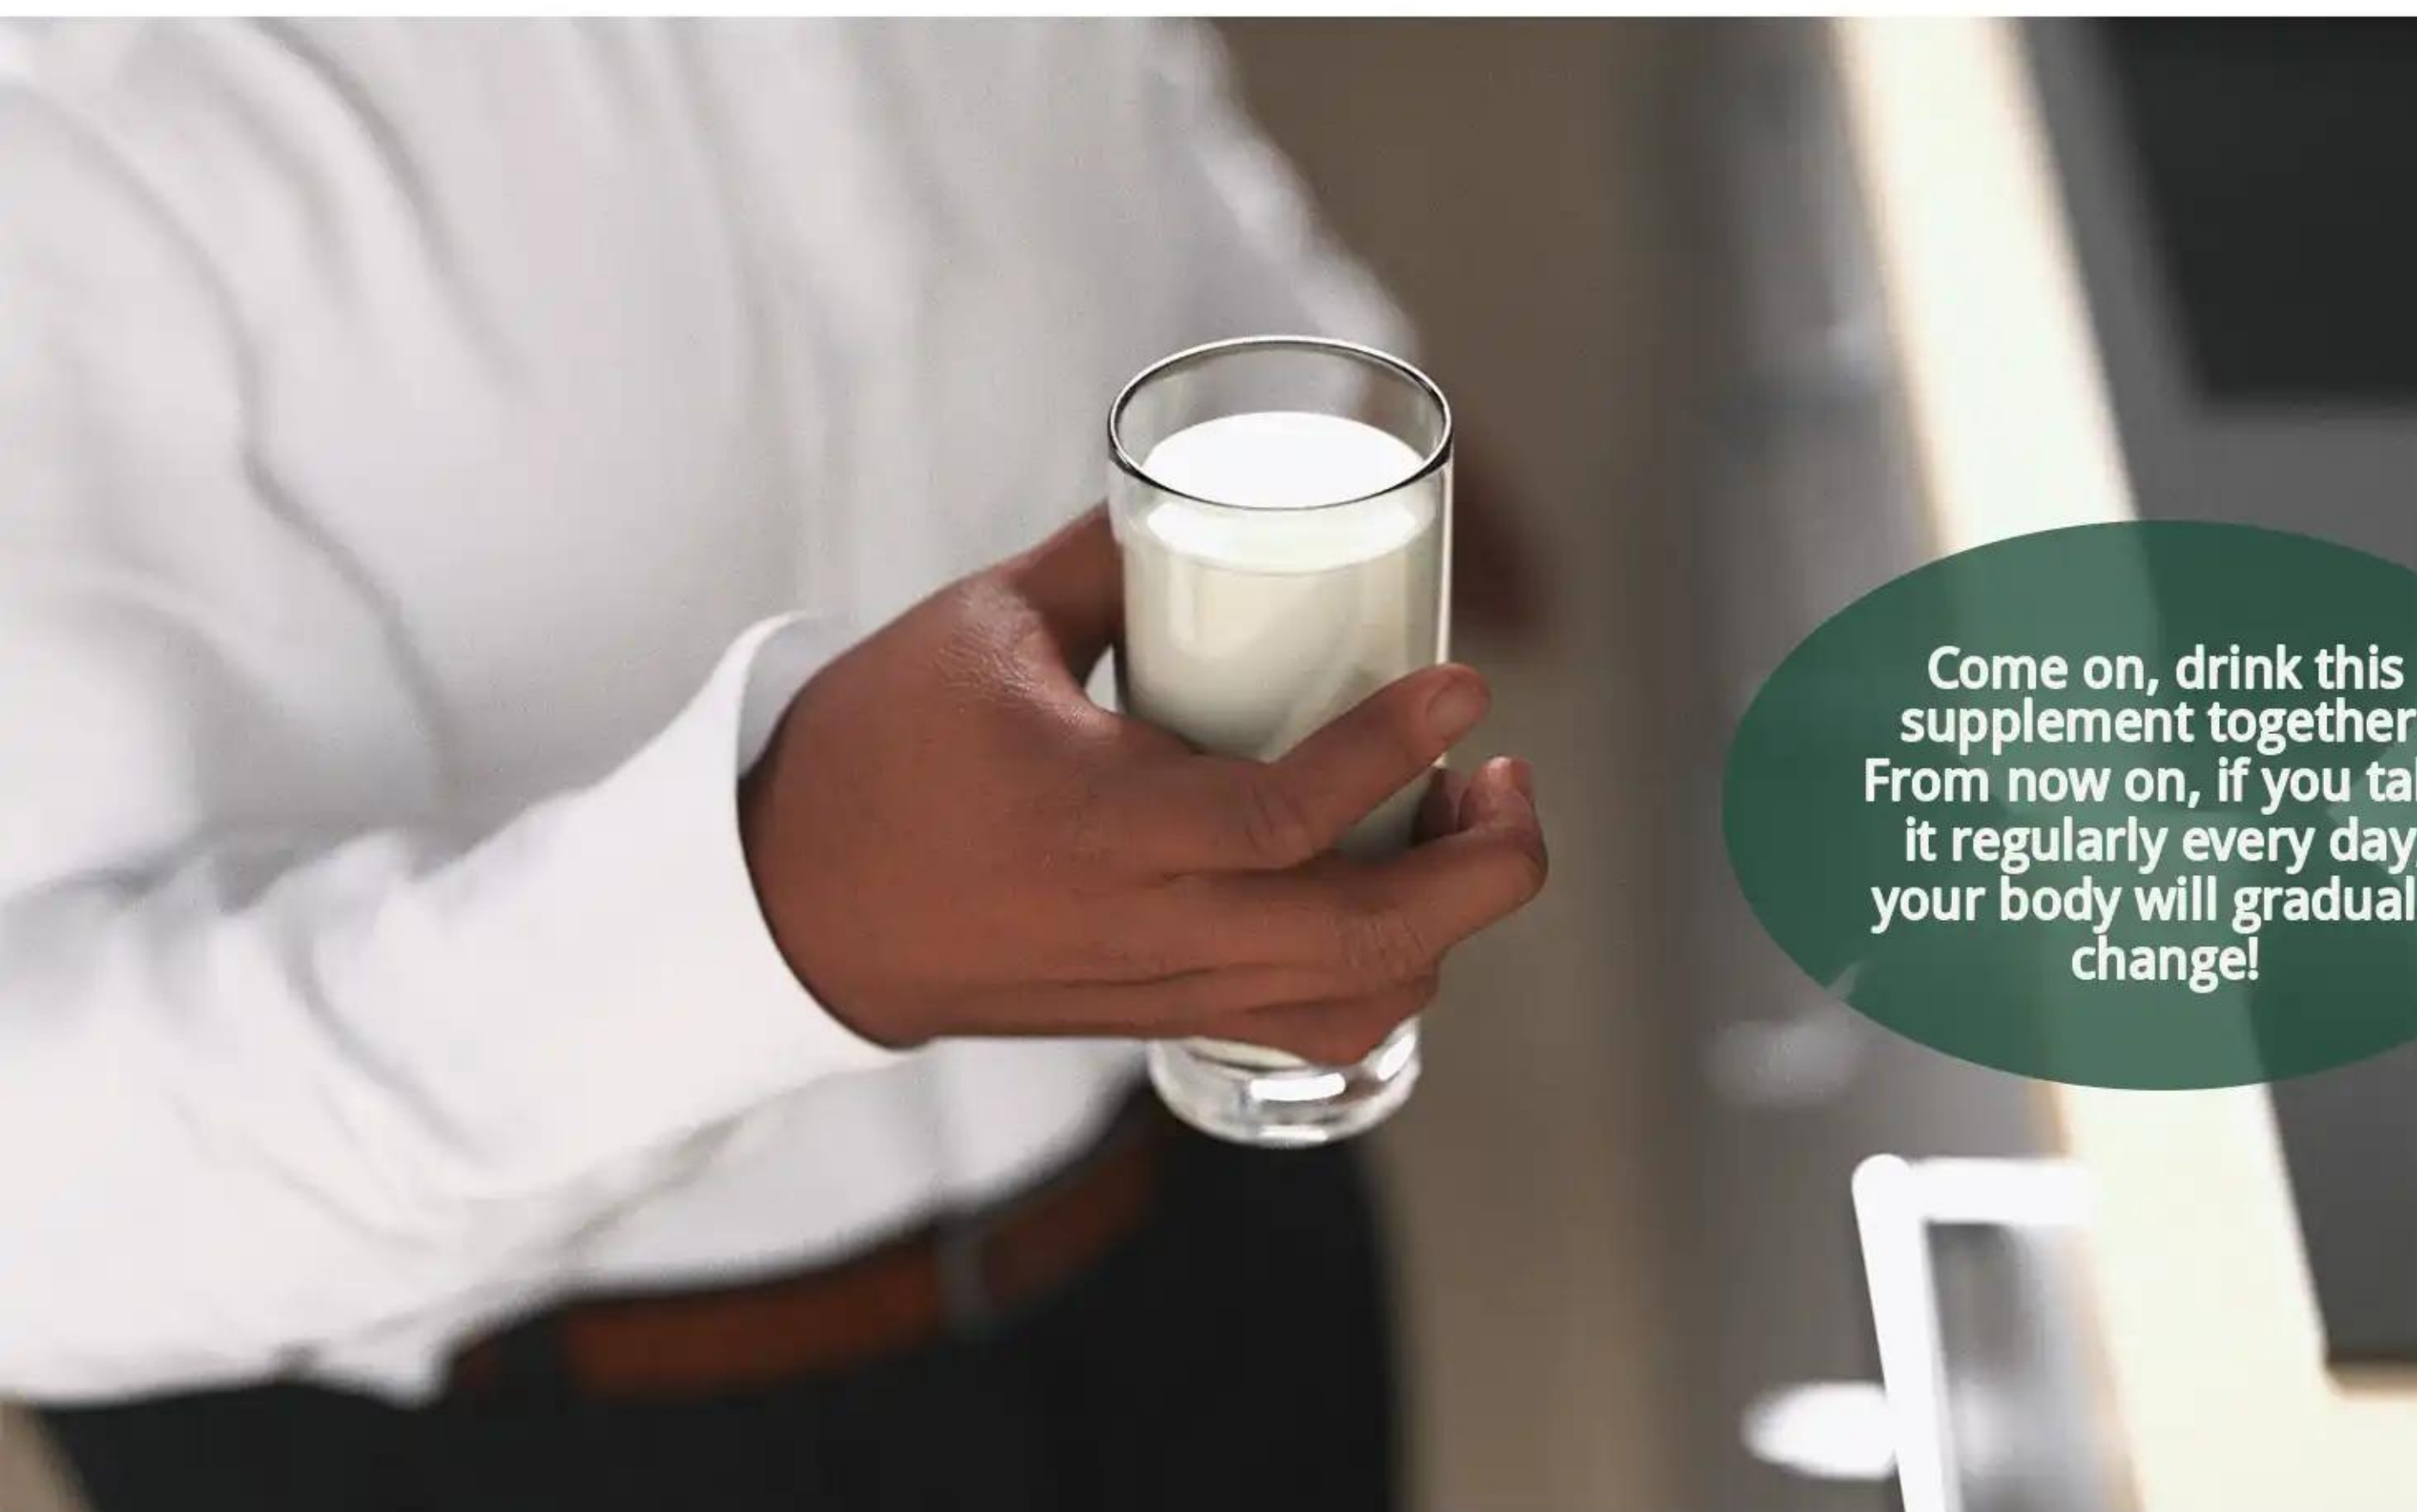

Hmm...Why don't I
seem to feel
anything? How long
does it take for this
medicine to work?

Will I be able to
look like a girl after
this injection?

How can it be possible?
It's not an elixir. You'll
feel good immediately
after taking it.
Effective!

Come on, drink this
supplement together!
From now on, if you take
it regularly every day,
your body will gradually
change!

You still have to drink it every day, why is it so numb? Are you sure drinking this won't have any impact on my body?

Of course, this medicine is only effective if you drink it. If you stop drinking it later, your body will change back. Don't worry!

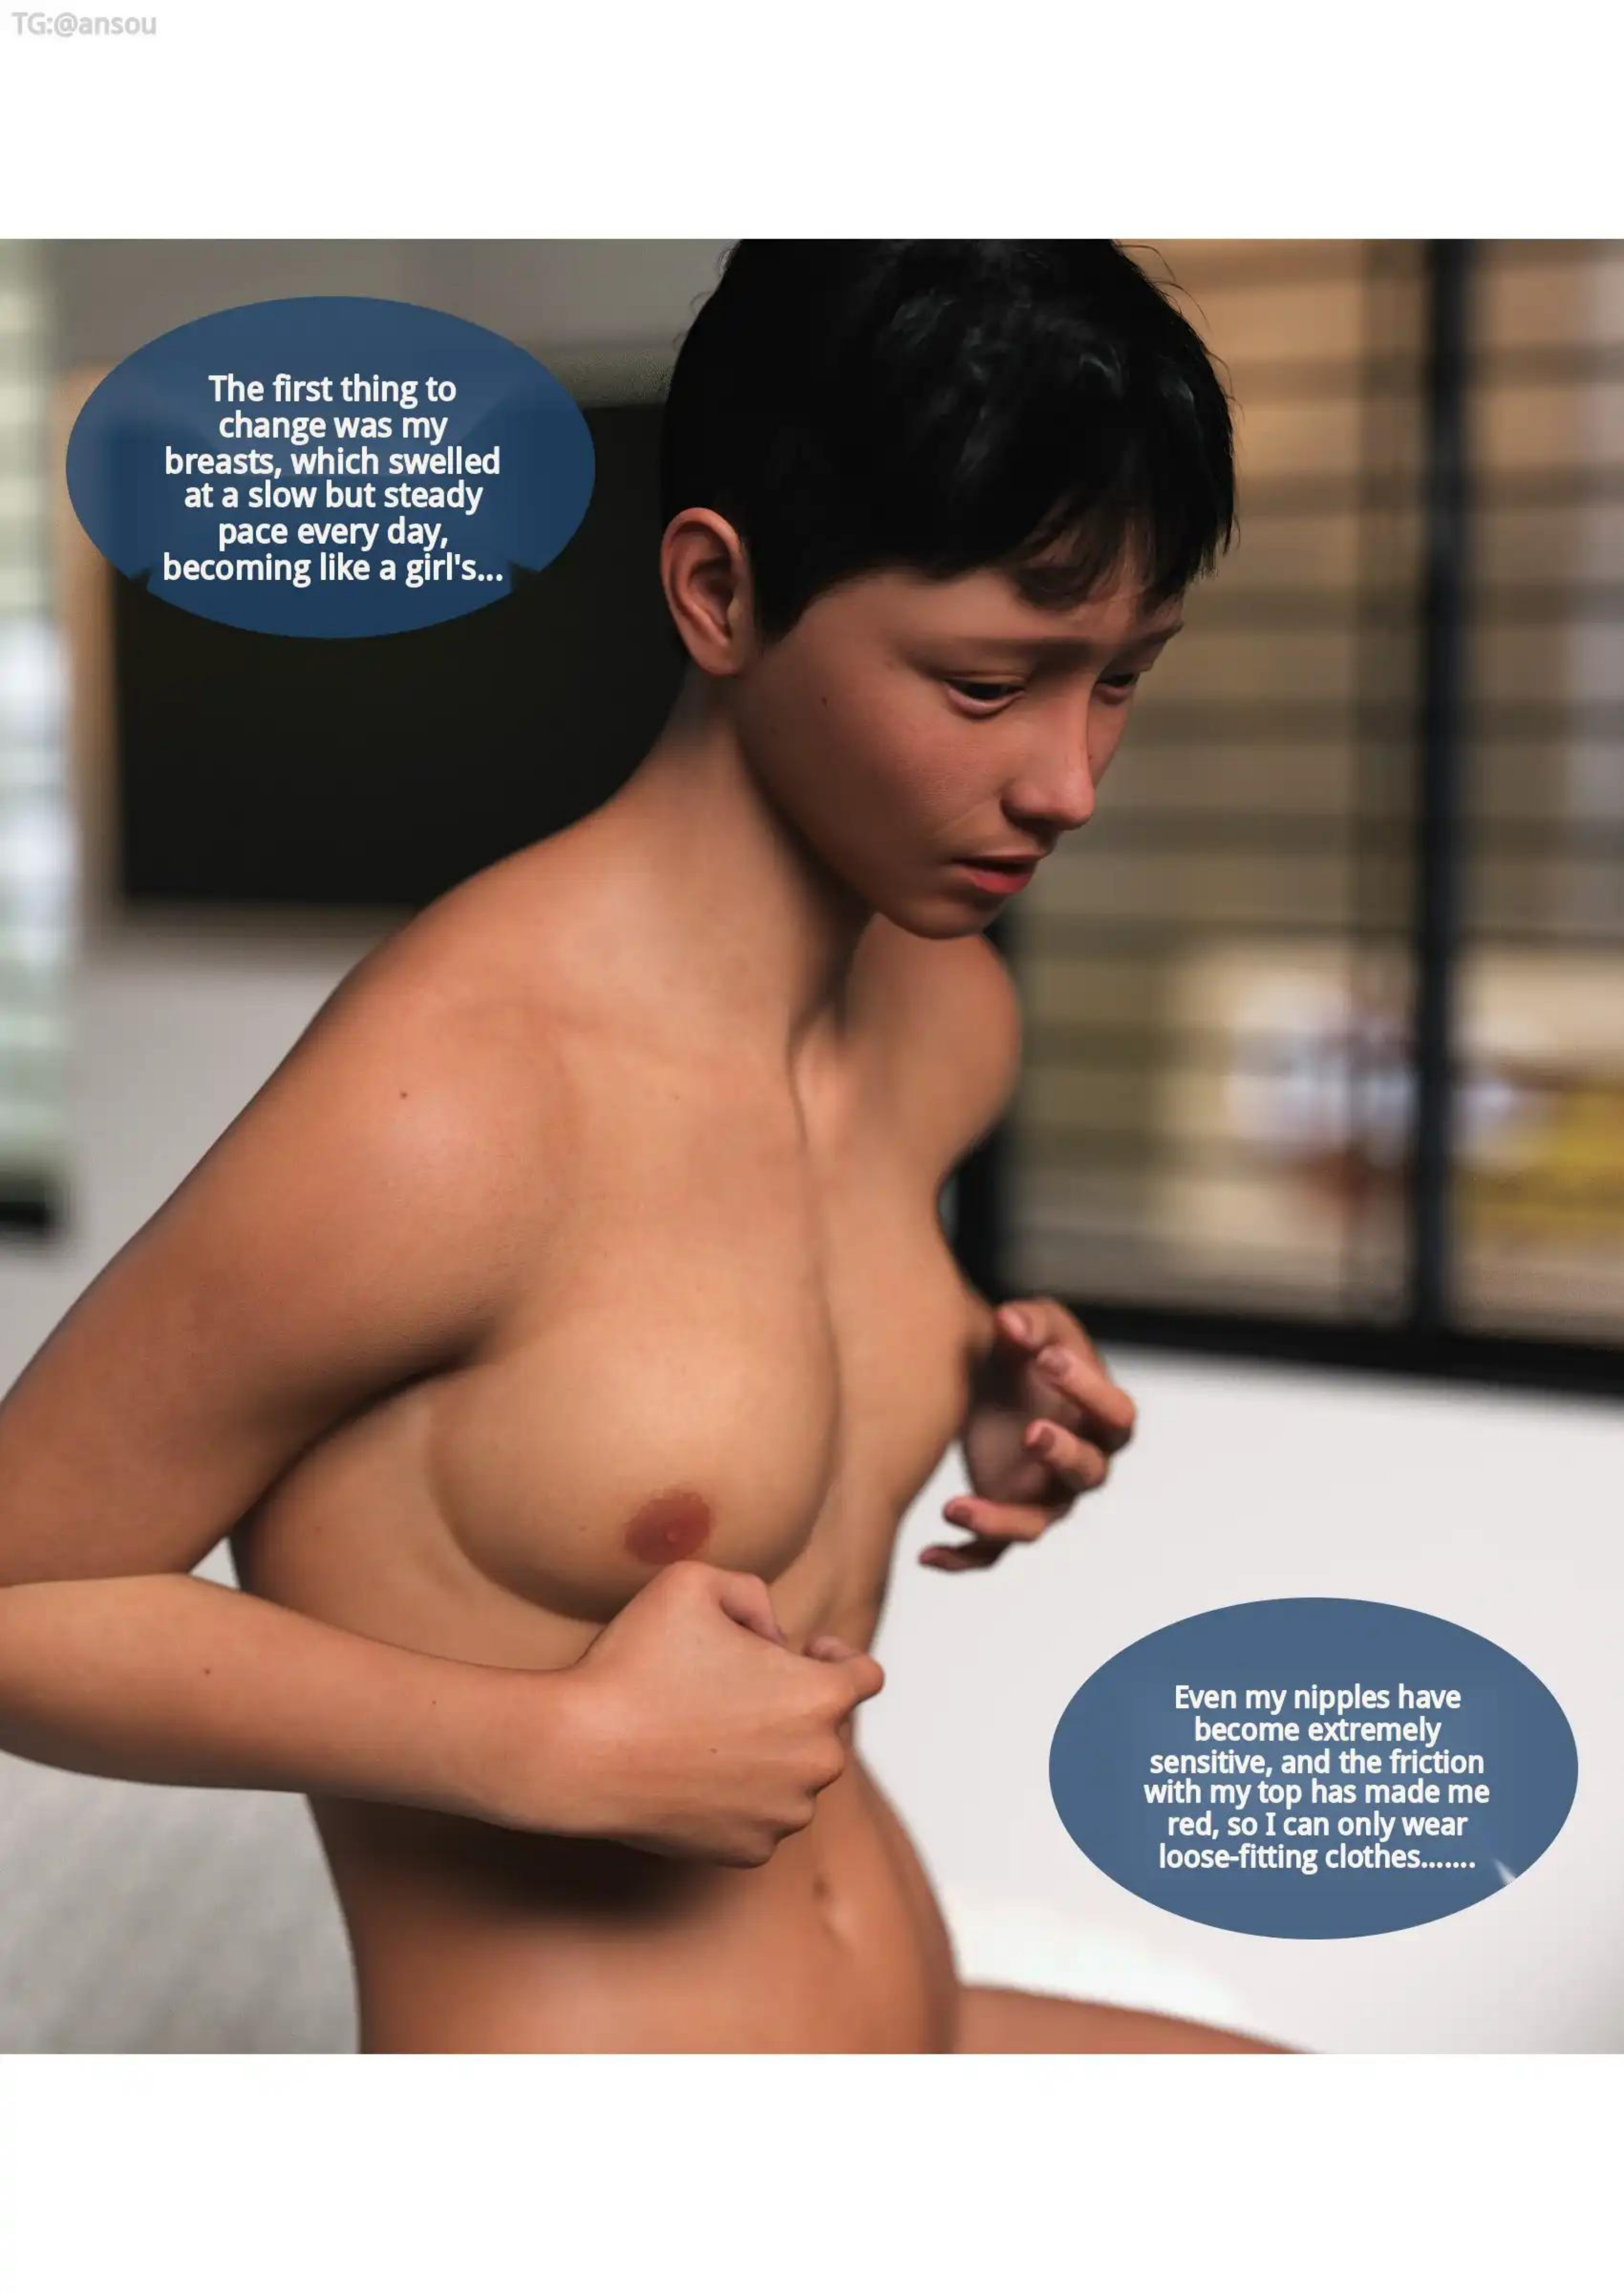

...Okay, for Xiaoyi...for
the relationship
between me and her, I
will drink!

Guru

Just like Atsumu,
after taking the
medicine every day,
my body did have
obvious changes....

It was as if I had entered
a period of growth again.
In addition to lethargy
and increased appetite, I
also felt musculoskeletal
cramps from time to
time.

The first thing to change was my breasts, which swelled at a slow but steady pace every day, becoming like a girl's...

Even my nipples have become extremely sensitive, and the friction with my top has made me red, so I can only wear loose-fitting clothes.....

A close-up photograph of a person's back and buttocks. The person is standing, and their right arm is visible, resting on a wooden surface. The skin is smooth and tanned. The background is slightly blurred, showing a room with a window and some furniture.

At the same time,
other parts of my body
also changed. My waist
began to slowly
become thinner and
some muscle was
lost.....

Instead, my buttocks
gradually filled up
and became moist
and firm, so big that I
couldn't even wear
some pants...

As for my daily schedule, in addition to taking medication on time, I also report to Azin's Jianxia Beauty Salon.....

After all, medicine can only change my body shape, and my sexual appearance is still that of a boy. If I have to rely on makeup, I can't get rid of it. I can only improve it through beauty treatments....

A young man with dark hair is lying on his stomach on a white massage table. He has his eyes closed and a relaxed expression. A woman with dark hair tied in a bun is standing behind him, leaning over and performing a massage on his back. She is wearing a light-colored, short-sleeved top. The background is dark and out of focus, suggesting an indoor setting like a spa or beauty salon.

At first I was worried that boys coming to the beauty salon would get such bad looks, but fortunately the beauticians were very professional.....

Under their skillful hands, my whole body was carefully cared for, and my appearance changed again.....

Unknowingly, I felt better. I didn't feel much at first, but when I saw myself in the mirror, I was really shocked!

Not only have I become a whole lot whiter, my figure has also become much slimmer, and my muscles feel slimmer to the touch.
Juicy and tender!

And mine, with the help of a beautician to trim my eyebrows and rejuvenate my skin, I always look like I am indistinguishable from male and female.....

Al, are you at home? Come out quickly!

.... Dad, what's
wrong? Suddenly
What are you
calling me for?

What for? Look at
you, what a ghost
you are, you look
neither male nor
female, you don't
look like a man at all!

DURL

Dad, don't be angry.
There is a reason for
me to be like this. I
am...I am because...

Because of that, I have to
participate in the school
drama performance, and I
have been taking on roles
lately!

snort! I don't care what the performance is, but a man should act like a man. Put away your sissy behavior for me!

Al, let me warn you first: don't follow your crooked friends, otherwise it will be up to you how I will teach you!

Anyway, I'm calling you out to explain to you that the people below have been a bit uneasy lately, and I'm going on a business trip for a while!

You take good care of my house and avoid associating with those uneasy and well-meaning rats, do you understand? snort!

Phew~ Fortunately, I managed to get away with it in front of my dad, otherwise if he found out about the women's clothing, Ajinko and I would be doomed!

Fortunately, since he has to go on a business trip for a while, I just need to change back before he comes back, so I can continue taking the medicine!

Since my father is not at home, it is more convenient for me to take medicine or have beauty treatments, which makes my body change more and more!

Today, if I don't look at the bottom and just look at my body shape, I look exactly like a girl, even better than many girls!

The drug also reduced
my body hair, no longer
hair on my pubic hair
and legs, and my facial
features also silently
changed!

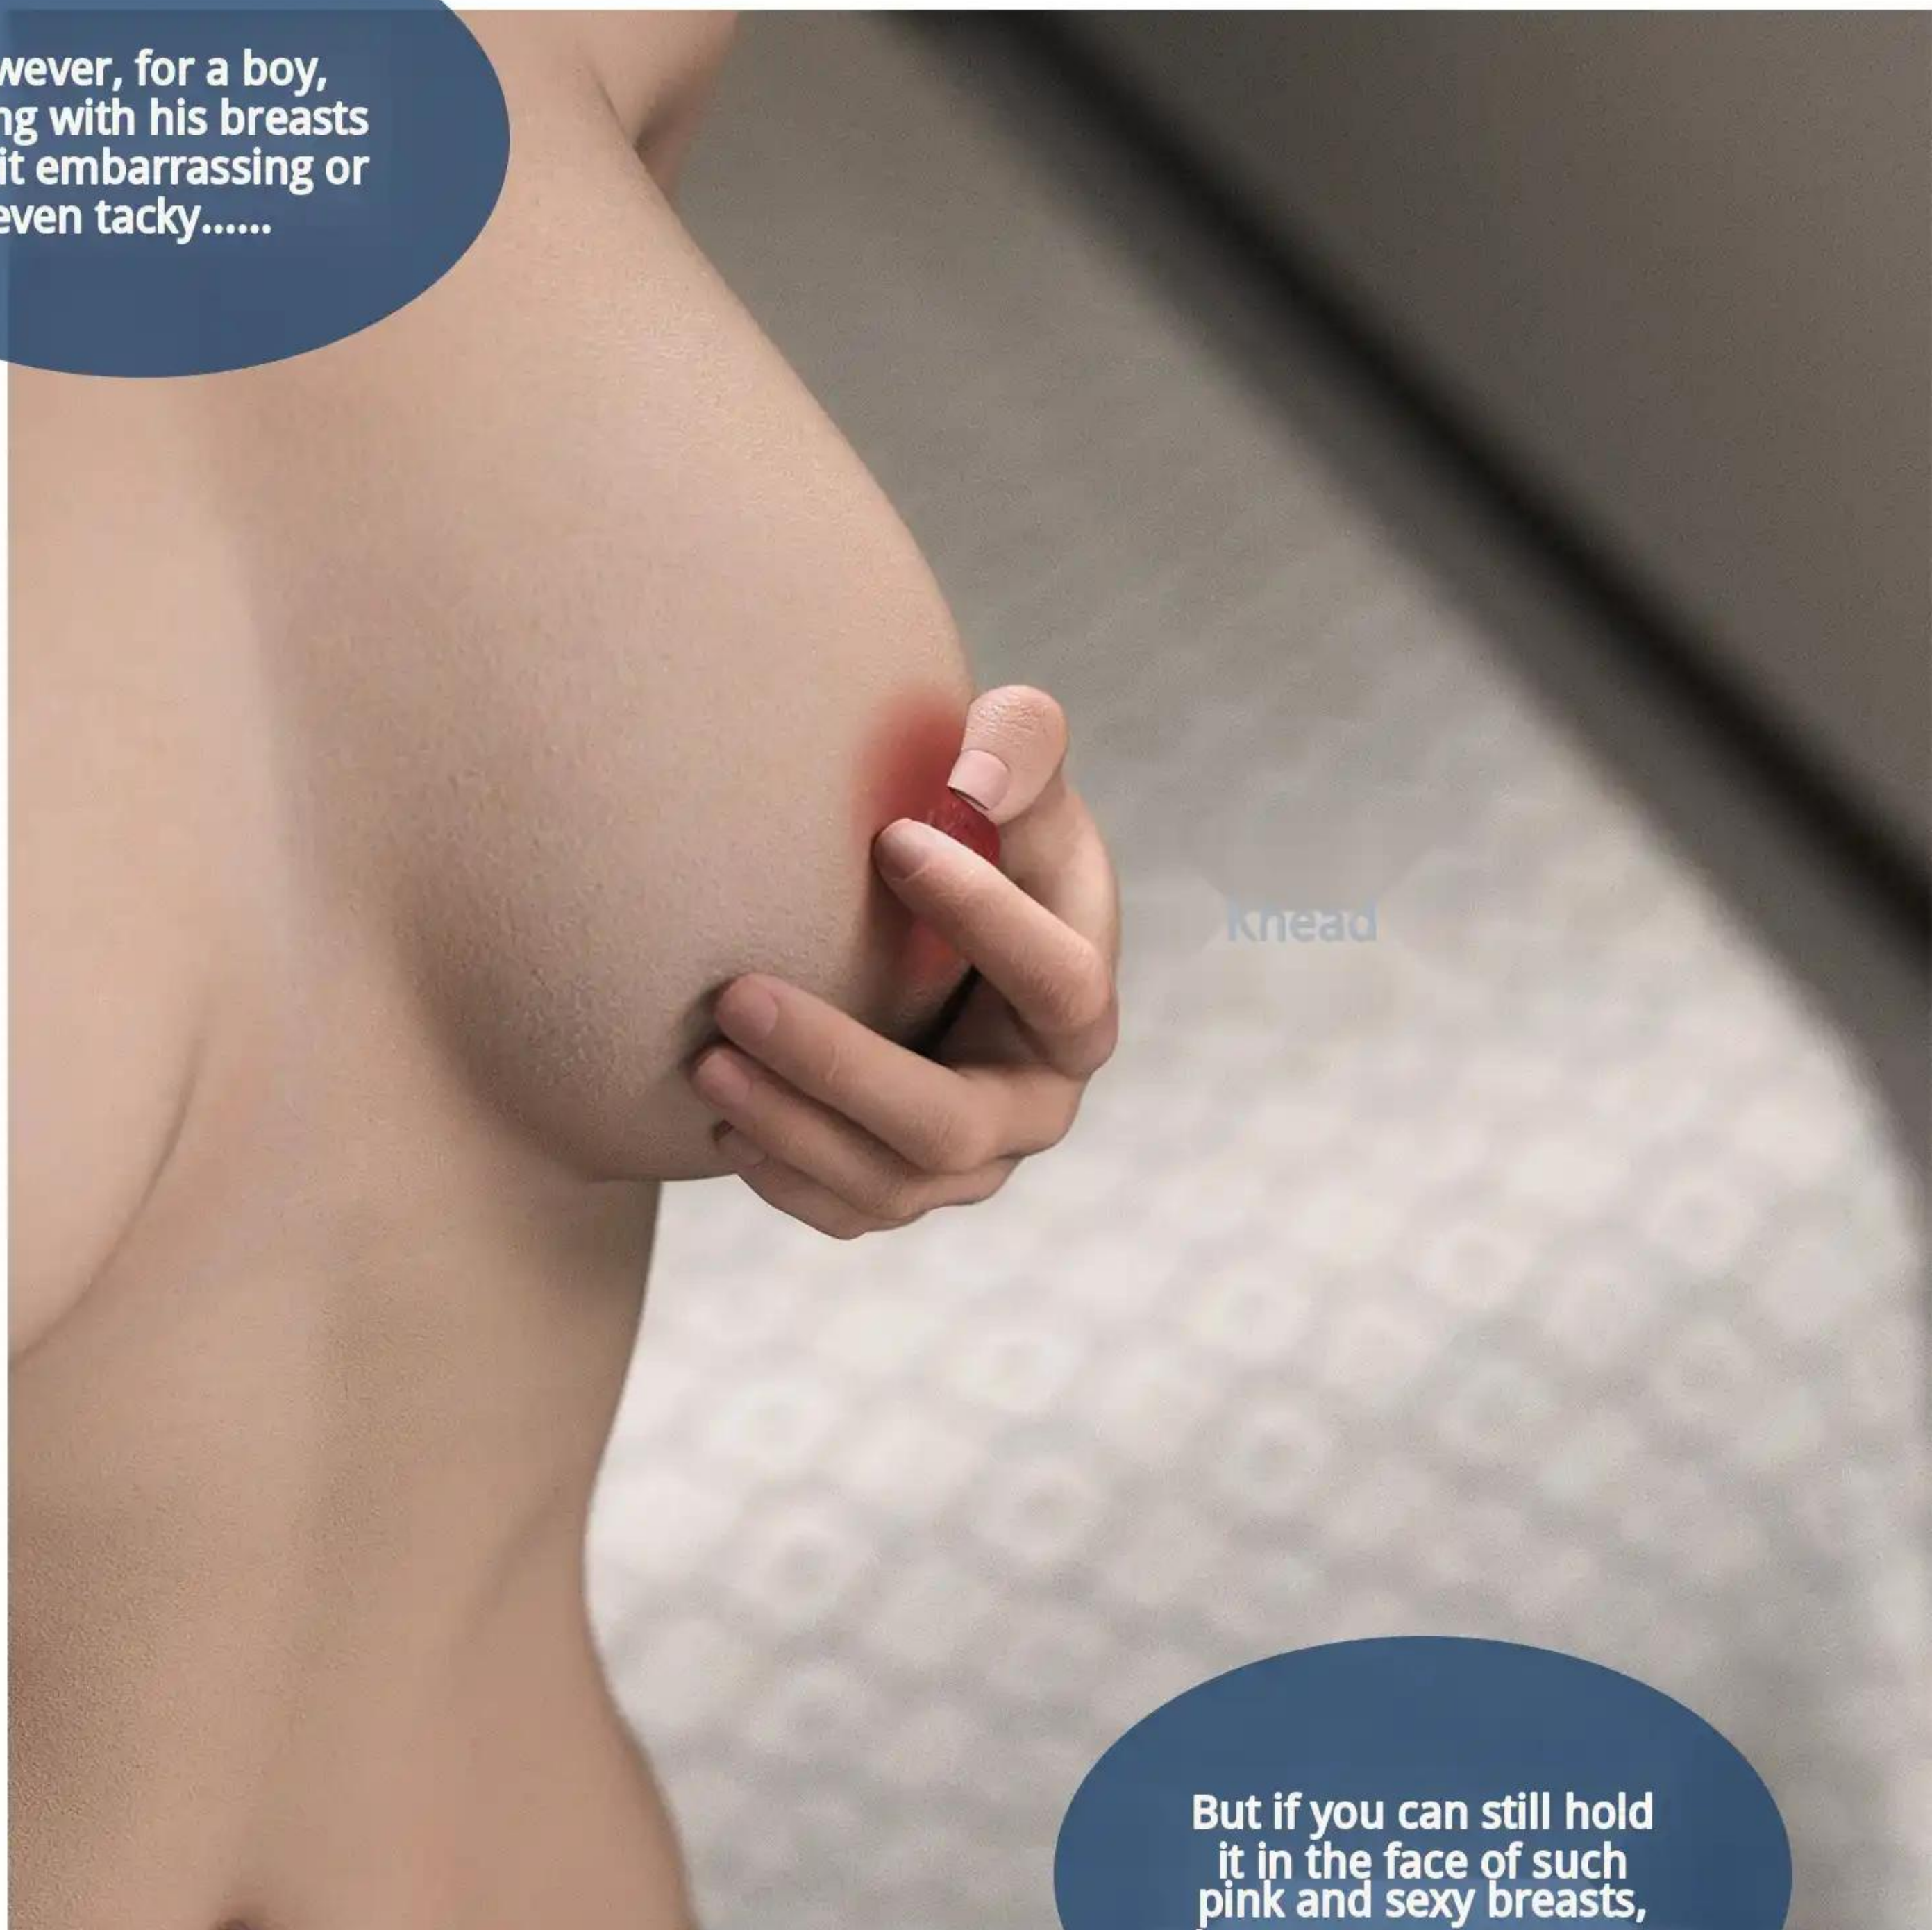

My hair is smooth and
thick, and my lips are more
plump and supple,
becoming more and more
like a
It's a girl!

A close-up photograph of a woman's bare torso, focusing on her breasts. Her right hand is touching her left breast near the nipple. The background is blurred, showing what appears to be a doorway or a window. Two dark blue speech bubbles with white text are overlaid on the image.

The most prominent
thing among them is
my breasts. Unlike the
slight bulge before,
they now have obvious
cup sizes!

Even my nipples and
breasts have become a lot
bigger. They are a perfect
pair that all men covet
today.
Feeling beautiful
breasts!

However, for a boy,
playing with his breasts
is a bit embarrassing or
even tacky.....

But if you can still hold
it in the face of such
pink and sexy breasts,
then you are not a man!

Oh oh oh oh
oh! No, no, it's
too sensitive:
My nipples are
too sensitive!

The nipples seem to be
connected to nerves,
and when you pull
them, you feel so good
that you can't stop!

The strong and long
pleasure in my nipples
seems to have opened
the door to a new
world. I want to try and
enjoy this new body...

However, compared to
my current neutral
appearance, I am
obviously more attracted
to myself by wearing fake
hair and makeup!

Fortunately, during this month, Azin and I learned a lot about makeup techniques, and my beautician sister also shared some knowledge.....

So even though I didn't know anything about makeup before, I can still put on perfect makeup with a lot of practice and practice!

A close-up portrait of a woman with dark, wavy hair and bangs. She is wearing heavy red eye makeup and red lipstick. Her hands are raised behind her head, and she is looking directly at the camera with a slight smile. The background is blurred, showing what appears to be a room with shelves.

The process of dressing up makes everyone feel inexplicably happy. It feels like a child doing something, and at the same time, there is a proud sense of accomplishment!

Looking at myself in the mirror, that beautiful and sexy look, I feel pleasure and shame mixed with each other, and my body becomes completely hot!

Although I feel
embarrassed like
this, I am so beautiful
and cute now!

Seeing such a beautiful
woman standing naked
in front of me makes me
feel embarrassed and
excited at the same time.
Hehehe!

In addition, there is
also the pleasure of
having an affair...
...Xiao Yi, please don't
do it, I didn't cheat, I
just played with myself!

Compared to going out
to find women secretly, it
should be more
acceptable for your
boyfriend to turn into a
girl and masturbate,
haha!

It's just that my heart is obviously very restless, but my cock doesn't feel like it's getting hard at all..

It seems that it is waiting for me, waiting for the beauty Xiaojing to serve it with my hands
Looks like!

Hmm... My body feels
so hot, and my dick
and dick feel so bad...
This wrong feeling...

touch

I seem to be a boy
being jerked off by a
girl, and I also seem
to be a girl serving
the boy, eh.....

Uh-huh! My cock,
my cock is getting
hard!

The young lady's
hands feel so good
and comfortable, don't
stop touching other
people's cocks!

A close-up photograph of a person's legs spread apart, holding a red vibrator. The person is lying down, and the background is a patterned surface. Two blue starburst text boxes are overlaid on the image.

Yeah! How bad I am,
actually
masturbating while
pretending to be a
girl!

But this
unprecedented
sense of excitement
and excitement is
really great!

Oh oh oh! I'm so bad
at dressing up as a
woman, I grab my
cock and won't let
go!

Xiaojing is really
a woman,
disguised as a
perverted boy!

Xiaojing, Xiaojing is
the sluttiest and the
best! I really want to
fuck you with my
cock!

Xiaojing also likes
it so much, she
wants to give her
own cock, right?

No, it's so cool. I'm
AI. I'm AI who
wants to fuck
people with my
cock!

I'm Xiaojing, and
Xiaojing is a
crossdresser who
loves cocks the
most!

Uh-huh!
Gonna cum,
cum!

Cum!

Xiaojing is going
to have an
orgasm with AI!

call! It feels so good to ejaculate, especially the feeling of being a man and a woman, the psychological pleasure it brings is really incredible!

Now that I have calmed down, I feel like I have turned into a bear like this, but...that kind of stimulation is so exciting that I can't let it go!

But compared to the psychological pleasure bonus, why do I feel that my cock seems to be less hard and less pleasant?

Is this also because of taking medicine? It seems that the cock will return to its original shape after the medication is stopped!

After masturbating in women's clothing, I completely fell in love with the feeling of dressing up as a girl.....

Sometimes I even forget that the reason why I did all this was for my girlfriend Xiaoyi.....

My breasts became very sensitive due to the drugs playing with me. Just rubbing against the fabric made my legs feel so good!

Because of this, I put on a sexy bra, which brought the completeness of my women's clothing to a higher level!

Different from the
cute style before,
this time I tried a
more mature look.

Now that I have put a
lot of effort into
women's clothing, it is
no longer difficult for
me to change my look
and style!

And since everyone
was wearing a bra, the
matching underwear
naturally followed suit.

I have to, my firm
ass paired with
these sexy panties
is so beautiful that
even I can't stand it!

The more I put my heart
into women's clothing,
the more joy it brings
back to me.
The bigger it
gets!

Looking at my beautiful
appearance now, would
you believe that I am an
ordinary male college
student?

Of course, the only thing
that was broken was my
cock, but there was
nothing I could do about
it!

But the feeling of my
cock being wrapped in
a girl's panties is still
exciting!

I carefully selected the clothes this time to match the mature makeup style this time, and it really feels different!

After my figure gets better, I feel like I have more muscles exposed, but there are some protrusions down there, but no one will notice!

Now I, whether it's
Xiao Yiazin or my
father, I'm afraid
they can't help me!

Will you believe that this
charming workplace beauty
is actually a boy who has
not yet graduated from
college?

Where is
the son?

Haha~ I am really beautiful and sexy. I don't know when I started to catch my own disease!

But there's nothing I can do about it. Why do I look good in women's clothing? This is how you go out, right? There is a problem!

TG:@ansou

Just as I expected, no one noticed that I was a boy even when I walked on the street with my skirt sticking out!

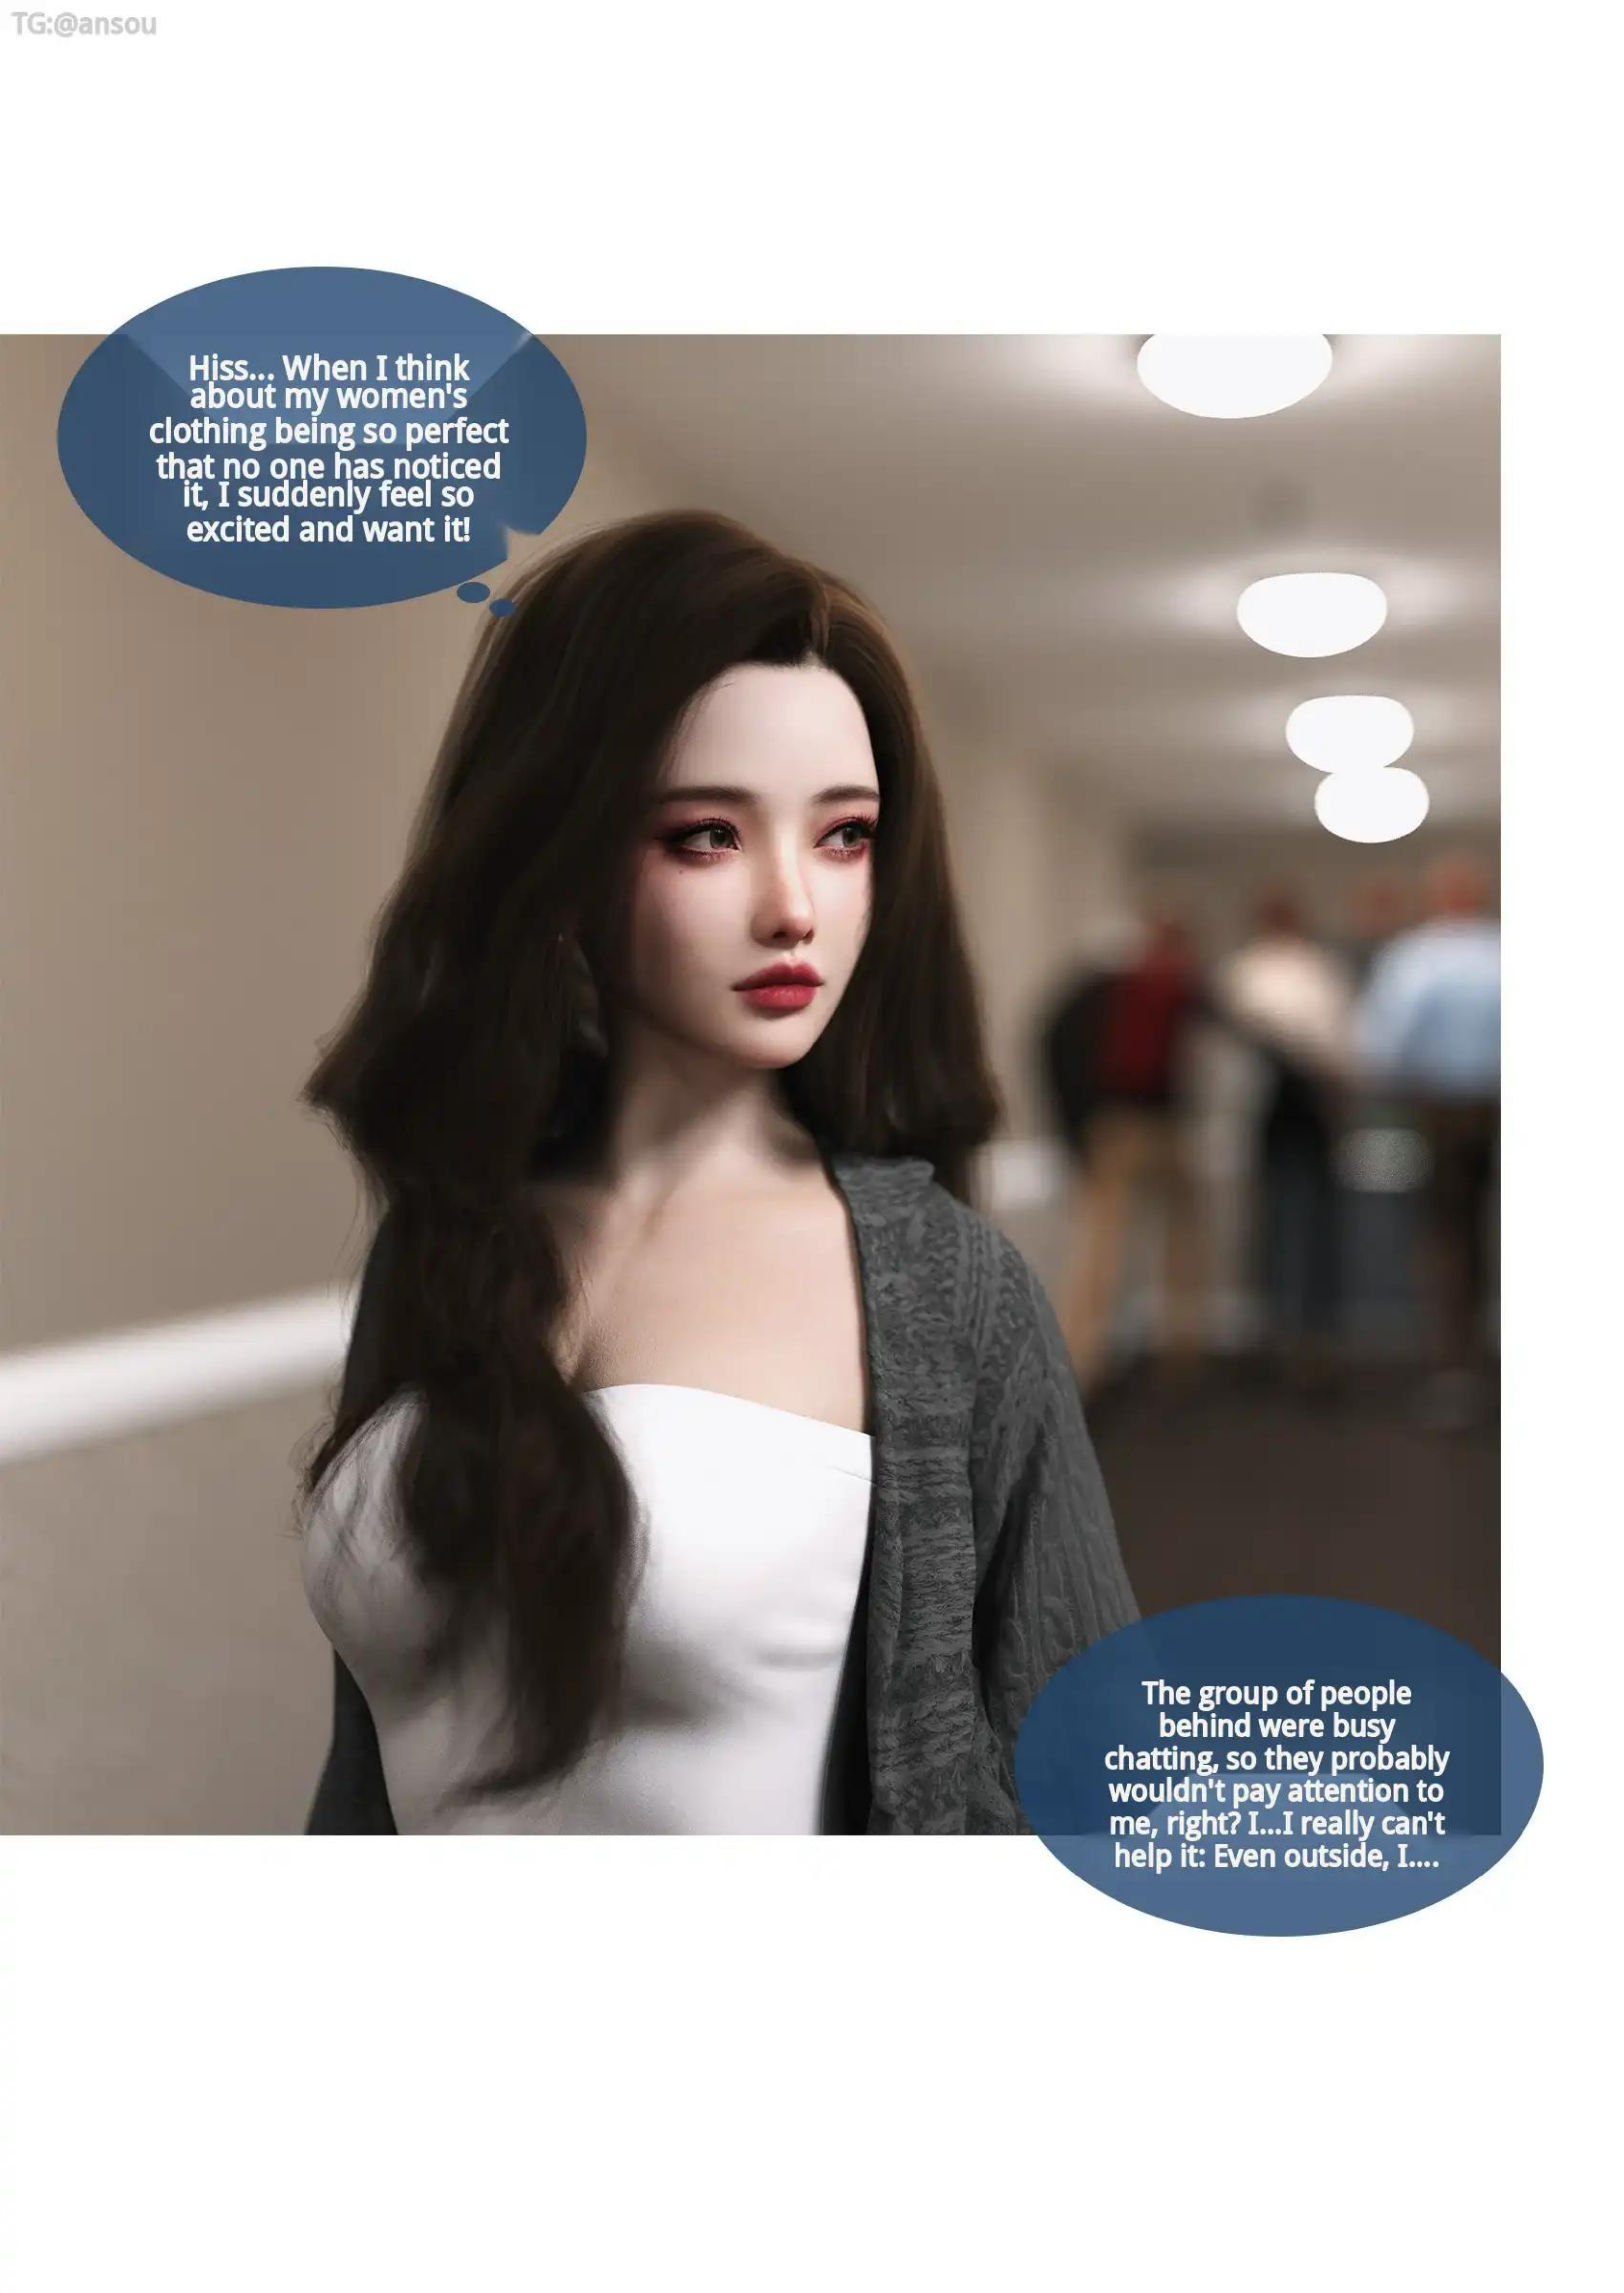

Even if I occasionally attract some looks, it is the admiration and joy projected by other men who are impressed by my beauty!

Immersed in the novelty of going out in women's clothing, I walked aimlessly into a nearby building...

Affected by my previous menstruation, women's clothing has been equated with pleasure in my mind, so now I suddenly have an idea...

Hiss... When I think about my women's clothing being so perfect that no one has noticed it, I suddenly feel so excited and want it!

The group of people behind were busy chatting, so they probably wouldn't pay attention to me, right? I...I really can't help it: Even outside, I....

A close-up photograph of a person's midsection and hand. The person is wearing a dark, textured, cable-knit sweater. Their right hand is placed on their hip, with fingers slightly spread. A noticeable bulge is visible in the fabric of the sweater at the hip area. The background is a plain, light-colored wall.

I really didn't mean to
get into heat outside.
In fact, if I didn't take a
shot, I wouldn't be
able to see the bulge
down there!

I... I just want to feel
good, I'll be fine soon,
no one will find out,
there's a pervert
dressed as a woman
here masturbating!

Well...since taking that medicine, my cock has become smaller and smaller and less sensitive, and I haven't had a morning erection for a long time.....

Later, it became necessary to put on women's clothes and dress up like a girl in order for the cock to respond...

Rather than getting an erection from banging my hand, it might as well be that I got an erection from wearing women's clothing!

On the way here, my cock was so hard inside that lace underwear that it made the whole underwear wet!

trick

Oh oh oh oh!
Just like this, the
cock is obviously
not that hard...

But when I think
about me wearing
women's clothing and
shooting outside, my
cock is leaking juice!

Uh-huh! What
should I do~ I can
no longer live
without women's
clothing!

I have been poisoned by
women's clothing, and my
body has become unable
to ejaculate without
wearing women's clothing!

A man with short brown hair, wearing a black V-neck sweater over a white and black checkered shirt, stands in a brightly lit hallway. He has a worried expression on his face and is gesturing with his right hand, palm facing forward. In the background, a person in a blue shirt is walking away, and the hallway is lined with doors and lights.

Well, well...
Madam, are
you okay?

I have been paying attention
to you for a long time. You
have been standing here for
a long time. Are you feeling
uncomfortable?

ah! I, I'm fine,
you don't, you
can't come
here!

Because I want
it, I want it
soon...!

Cum!

I'm about to
go!

Wow! Woman,
madam, are you
okay? Don't run away!

So, so cool! It turns out
that wearing women's
clothes and masturbating
outside is so
comfortable, and the
pleasure seems to attract
people, hehe.....

Finally...finally
the fateful day
has arrived!

I will go swimming with Xiaoyi soon. I have prepared well for this day. With my current body, I can wear a girl's swimsuit without any problem!

But since you want to have a good relationship with Xiaoyi as a woman, you have to pay more attention to your makeup!

Ajin, I prefer talking to a mature older sister than my fellow fan Xiaoyi.....

So today I will wear a mature and sexy dress with long boots to highlight my height advantage!

This time, I used a golden false hair and light-colored contact lenses to create a mixed-race look that is popular nowadays!

The mature makeup combined with the specially applied freckles makes the whole person look charming and charming!

A woman with long, wavy blonde hair is posing in a modern, minimalist interior. She is wearing a black, long-sleeved blazer with a deep V-neckline and a small cutout at the waist, paired with black shorts. She is also wearing black thigh-high stockings and black high-heeled boots. She is standing on a light-colored tiled floor, with a wooden coffee table and a dark sofa in the background. The room has large windows and recessed ceiling lights.

Seeing what I look like
now, I can't help but feel
that I am really talented
in women's clothing!

I look even prettier
than when I first
met Xiaoyi. I am
confident that no
one will tell me that
I am AI's!

The design of this dress is hot, and the skirt is so short that it can hardly be hidden underneath. When people look at it, they feel
Super sexy!

However, because it is too short, my cock feels uncomfortable. After wearing Silk Wei, I really don't want to wear underwear to restrain it anymore!

But just because this
dress makes my butt
look more attractive,
that's not a problem at
all.
What the
heck!

I don't know how
many men will look
at me with covetous
admiration when I
go out dressed like
this this time.
Haha....

Yeah~ When I think
about using my
beauty to attract
men's attention,
my body suddenly
feels hot...

I really want to go out, I
really want to
masturbate outside in
women's clothes like
last time!

A close-up photograph of a person's legs and lower torso. They are wearing black, form-fitting underwear. Their right hand, with long black manicured nails, is resting on their right thigh. The lighting is soft, highlighting the texture of the skin and the fabric. Two blue speech bubble-like text boxes are overlaid on the image. A faint 'touch' watermark is visible on the right thigh.

Especially without the
obstruction of underwear, it
feels so comfortable to
have my cock directly
wrapped in Silk!

Every time you touch
it, you can feel the
tingling, smooth and
silky pleasure.....

Uh-huh! The
cock, the cock
is erect inside
Siwei!

erection!

The cock feels like
it's about to break
apart, that kind of
wrapping feeling...
!

So cool and comfortable! Sure enough, masturbating in women's clothing is the best!

I really want to, really want to show off directly in Siwei like this!

Woo... But it doesn't work. I have to hold back and not pretend, and I don't really want to ejaculate. I have to change another set of clothes.....

If this keeps dragging on, I'll be there soon, and it's Xiao Yina's business that needs to be done!

Let me take a look. I
have brought everything
I should have brought. Is
there nothing missing?

Then it's time for my
sister Xiaojing to
appear. I wonder what
they will think when
they see this beautiful
me?

It would be even better
if you wait until you get
there and have a
chance to set me up
with a secret shot.....

W

Hmm~ I remember that
I made an appointment
directly to meet at the
big meeting, right?

I didn't expect there to be a lot of people here. If I were to go to such a crowded place, I would definitely be afraid of being discovered wearing women's clothing...

But I am different now. Not to mention that my women's clothing is so perfect, even if I am discovered, I still seem to be a little bit embarrassed!

oh? Ajin has already arrived first. As expected of him, there is a woman waiting!

However, Xiaoyi seemed to have not come yet. Thinking of having to dress up as a woman to meet her girlfriend, she felt inexplicably nervous. What a gathering!

But I wonder if Ajin can help me out? After all, he was the first person to help me dress up as a woman, so he should be able to come out, right?

But during this time, I have also improved a lot on the road of women's clothing, so why not make a joke with him and test it out!

A woman with long, straight blonde hair and light-colored eyes is standing and talking to a man. She is wearing a black, long-sleeved, button-up dress with a deep V-neckline and a small cutout at the waist. She is holding a small black handbag with a chain strap. The man is seen from the back, wearing a white shirt. The background is a blurred outdoor setting with a building and some greenery.

Ahem, hello, classmate, are you here alone, or are you waiting here?

Sister, I was rejected by someone and I want to find someone to kill time. Can you accompany my sister to drink coffee and chat?

ah? ! That, that
seat, my friend
and I made an
appointment to
meet here.....

No, but if it's just
for a moment, it
shouldn't
matter....

Hahahal You stinky
Ajin, you actually
want to see your
friends and forget
about sex!

It's me, it's me!
I'm AI, why
didn't you
come out?

You, are you AI?
! Really fake!

Oh my God, you
have become so
beautiful that I
can't even leave
you!

Hum ~ I have put in a lot of effort. In addition to taking the medicine you gave me on time every day, I also really studied the skills of women's clothing!

What, do I look like a mixed-race supermodel? No better than the way you dressed me up before.

Bad~

nice! It's so beautiful,
so beautiful and sexy,
men can't help but
look back!

And your figure has become
so good, with big breasts, a
thin waist, and a perky butt.
You no longer need to rely
on a corset to follow you.
**Fake
breasts!**

A woman with long, wavy blonde hair is shown from the back, wearing a black, short-sleeved, form-fitting dress. She is leaning forward slightly, with her hands resting on her hips. The background is dark with several out-of-focus, warm-toned lights, creating a bokeh effect. Two speech bubbles are overlaid on the image.

Of course, my whole
body is fake. Look at
this butt. I have no
padding at all.
Something!

In fact, I have such a
good figure and I'm very
sleepy. I can't wear
many clothes. Hehe~

You and I are like this now: Even if she is wearing a swimsuit, Xiaoyi can't do anything to me, right?

Of course, how could Xiaoyi believe that the beauty in front of her who was more beautiful than her was actually her boyfriend!

Tikka

Um? I think
someone has
my name on it!

A man and a woman are walking together in a modern, dimly lit interior space, possibly a lobby or hallway. The man is on the left, wearing a black t-shirt and light-colored trousers. The woman is on the right, wearing a black dress over a white collared shirt and black shoes. She is gesturing with her right hand. The background features a large, textured wall and a staircase with a glass railing.

Ajin, I'm sorry, my friend was looking for a parking space just now, so I was a little delayed!

Sorry, Xiaoyi's friend; it's all because I'm not familiar with this, I'm really sorry.

Hey, it's okay, the most important thing is for everyone to come out and play, not to mention we don't have to wait long!

Yes, yes, it's okay.....

Huh? This voice,
could it be...that
you are Sister
Xiaojing?

Yes, it's me, Xiaoyi
hasn't seen you
for a long time!

Wow! We haven't
seen each other for
a while, but Sister
Xiaojing has become
even more beautiful!

Your new hair style
is so beautiful, and
it goes well with
your clothes today!

Haha, thank you,
thank you, Xiaoyi
is still as beautiful!

摟

Okay, Xiaoyi, if you
continue like this, my
girlfriend will be shy!

What seat? You two
are actually dating,
so today we will
double date
Yeah!

Wait, wait, he
and I are
not...and Xiaoyi,
you and him.....

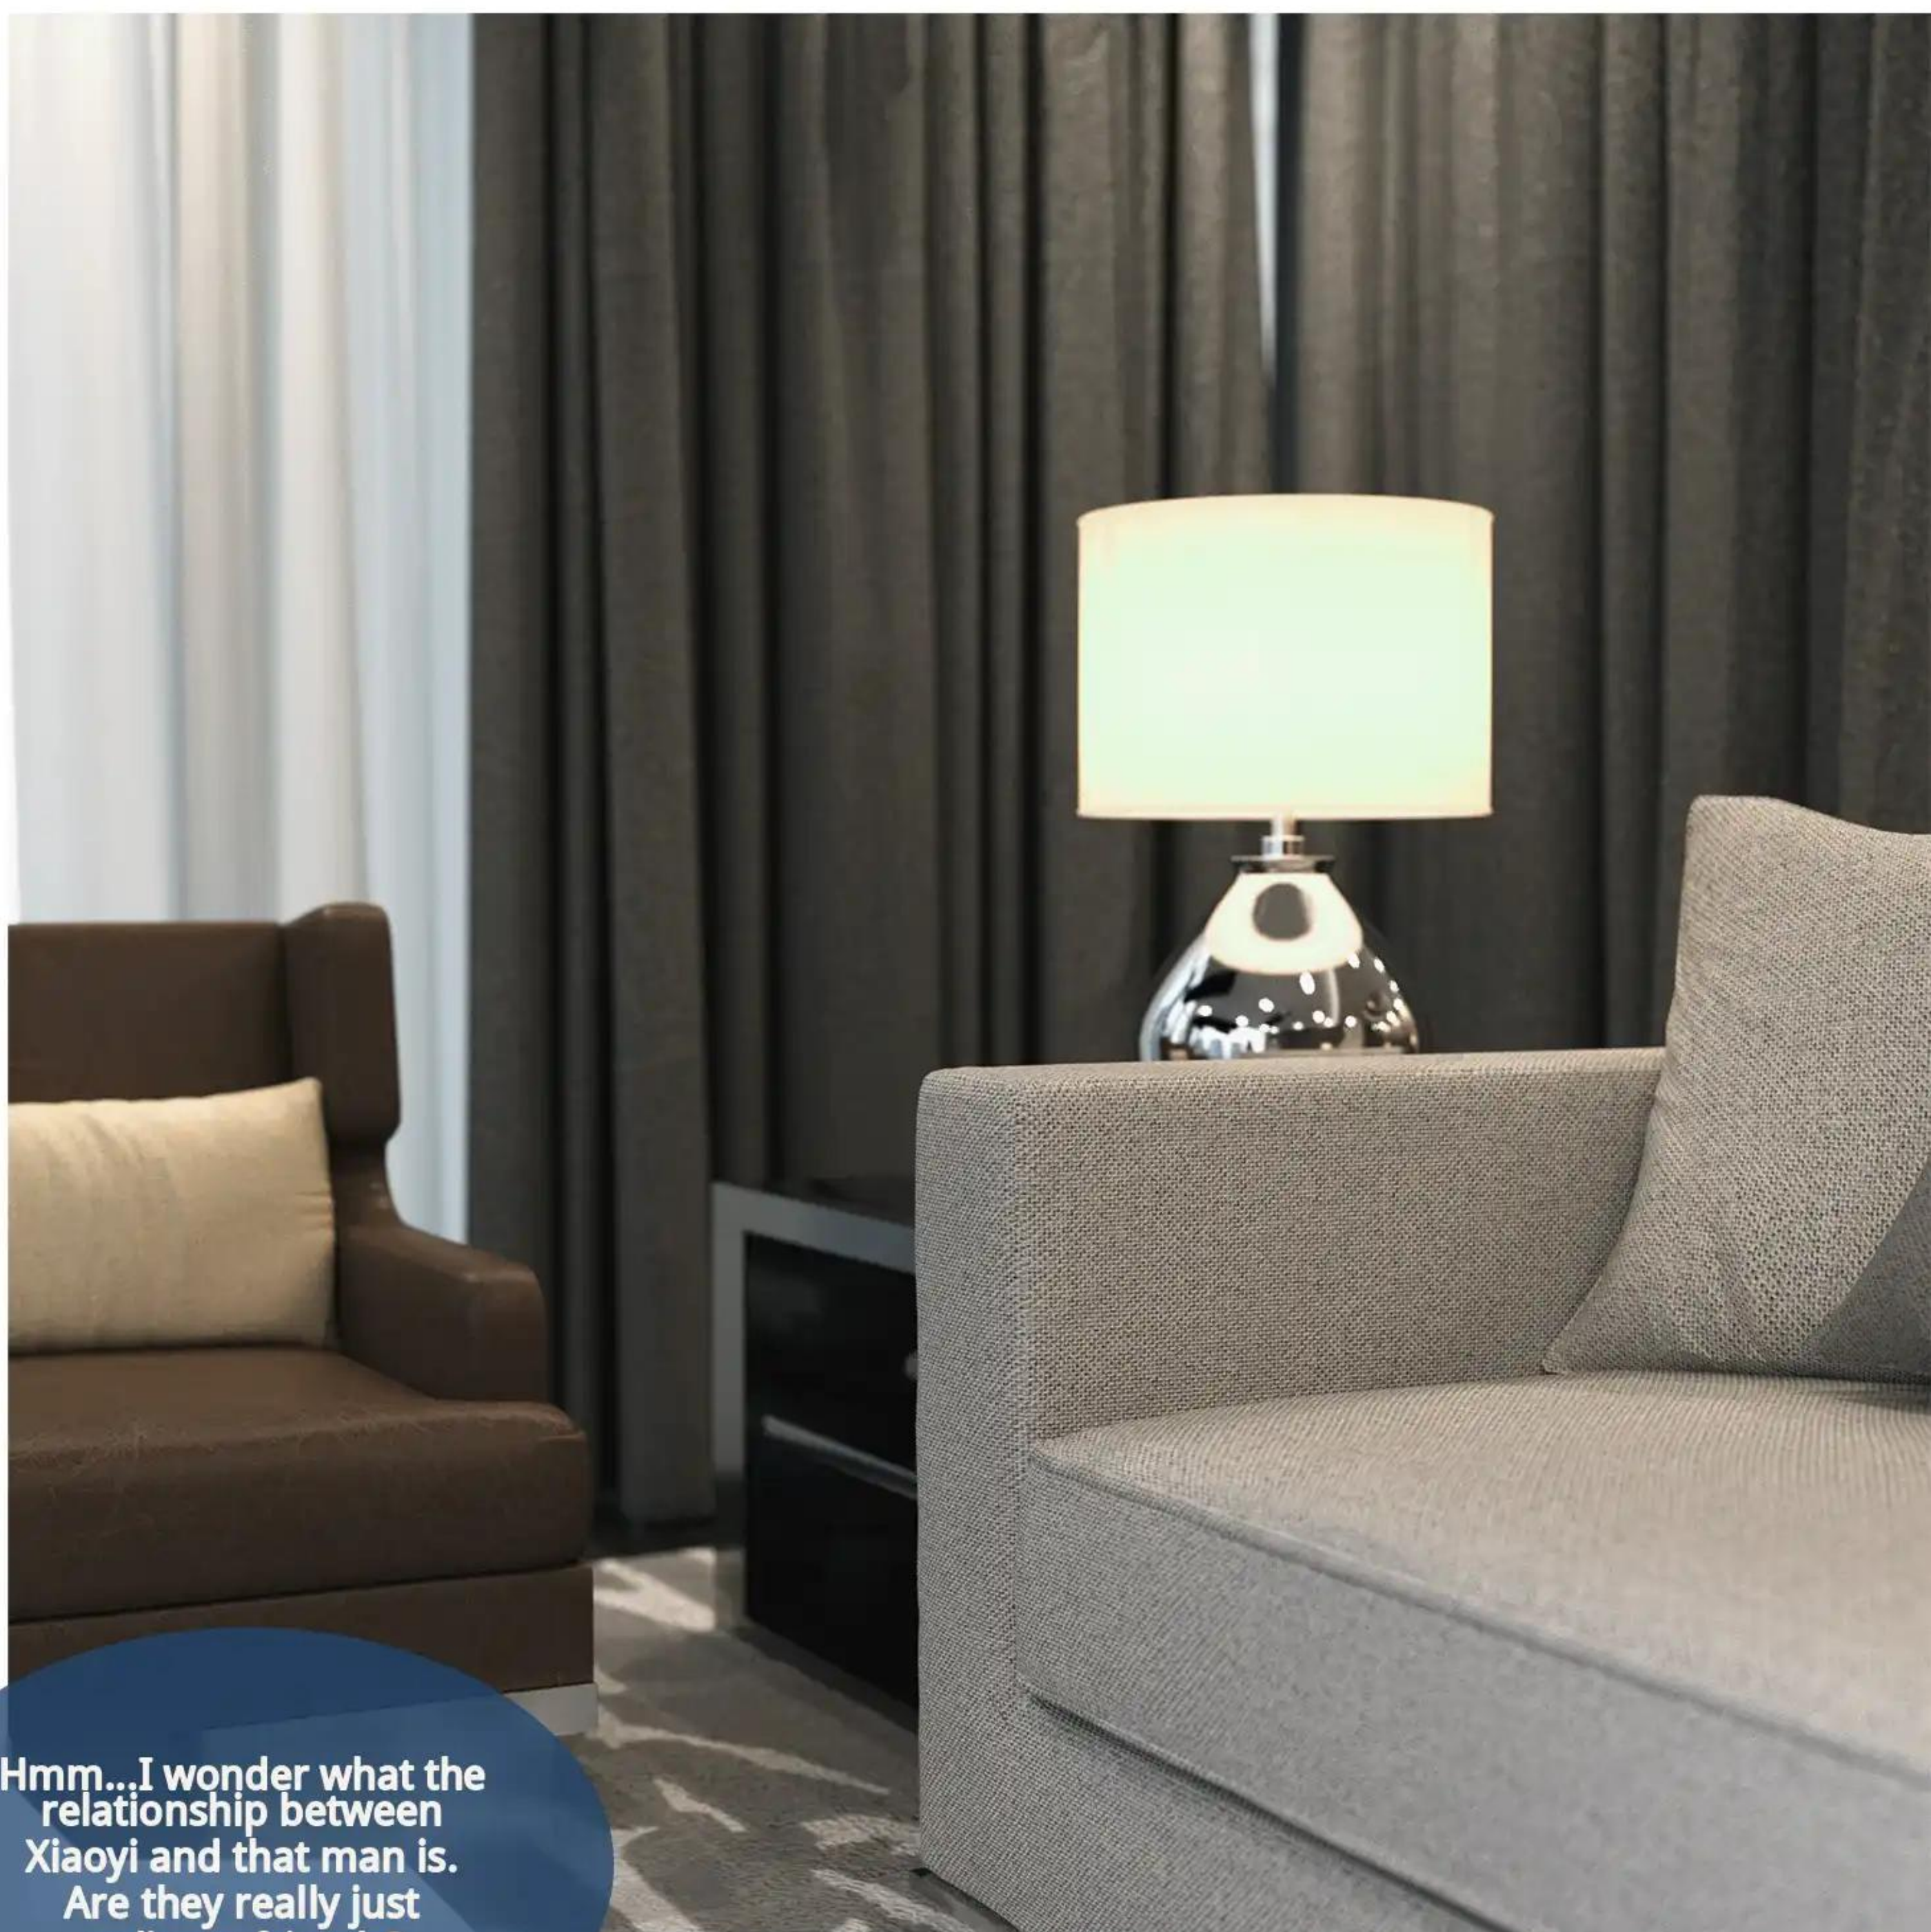

A man with dark hair and a black t-shirt stands in the background, looking to the left. A woman with long black hair, wearing a white collared shirt under a dark grey vest, stands in the foreground, looking towards the man. Two pink speech bubbles contain text.

Ah, hello, Sister
Xiaojing, I just had a
fling, he and I are just
ordinary friends, we
are not dating, haha!

In short, in order to
wish you a successful
cultivation, you must
let go and have fun
today!

Me and you, why are you treating Xiaoyi? We are boyfriend and girlfriend!

Oh, of course I have a reason for this. I will uncouple with you when I have time when I enter the room!

Hmm...I wonder what the relationship between Xiaoyi and that man is. Are they really just ordinary friends?

When I go swimming, I
still have to do some
digging to see what
Xiaoyi thinks of that
man.
What an
idea!

Ajin, come and see if
my swimsuit is okay.
This is the style I
specially picked!

This swimsuit shows
off my fair skin and
shows off my
graceful figure...

The only flaw is that
there is no way to
hide it underneath.
What should I do?....

Wow, where did you buy this swimsuit? It's too sexy!

If you, a man, dress like this, you are going to the swimming pool to dominate the crowd and outshine all the other girls. Ha ha!

A man in a white dress shirt and dark tie is holding up a pair of beige, high-tech artificial vagina panties. He is looking down at the garment with a focused expression. The background is a blurred office setting.

As for your question
below, there is no
need to worry about
it.
On me!

Come, put on this
high-tech artificial
vagina panties,
guaranteed to give you
a flat lower body that is
just like a girl!

As long as you follow my
instructions, I will
definitely make you a
flawless beauty in the
world!
