

What the hell is going on! ?

! ? Why can't  
you take off  
your leather  
jacket?

Otherwise, you  
wouldn't put it on  
specially. What are you  
planning on doing?

You've already put it on.  
If you don't do anything  
now, all your efforts will  
be wasted. It's better to  
put up your resistance  
as soon as possible.  
Anyway, it's all in vain.  
Useless.

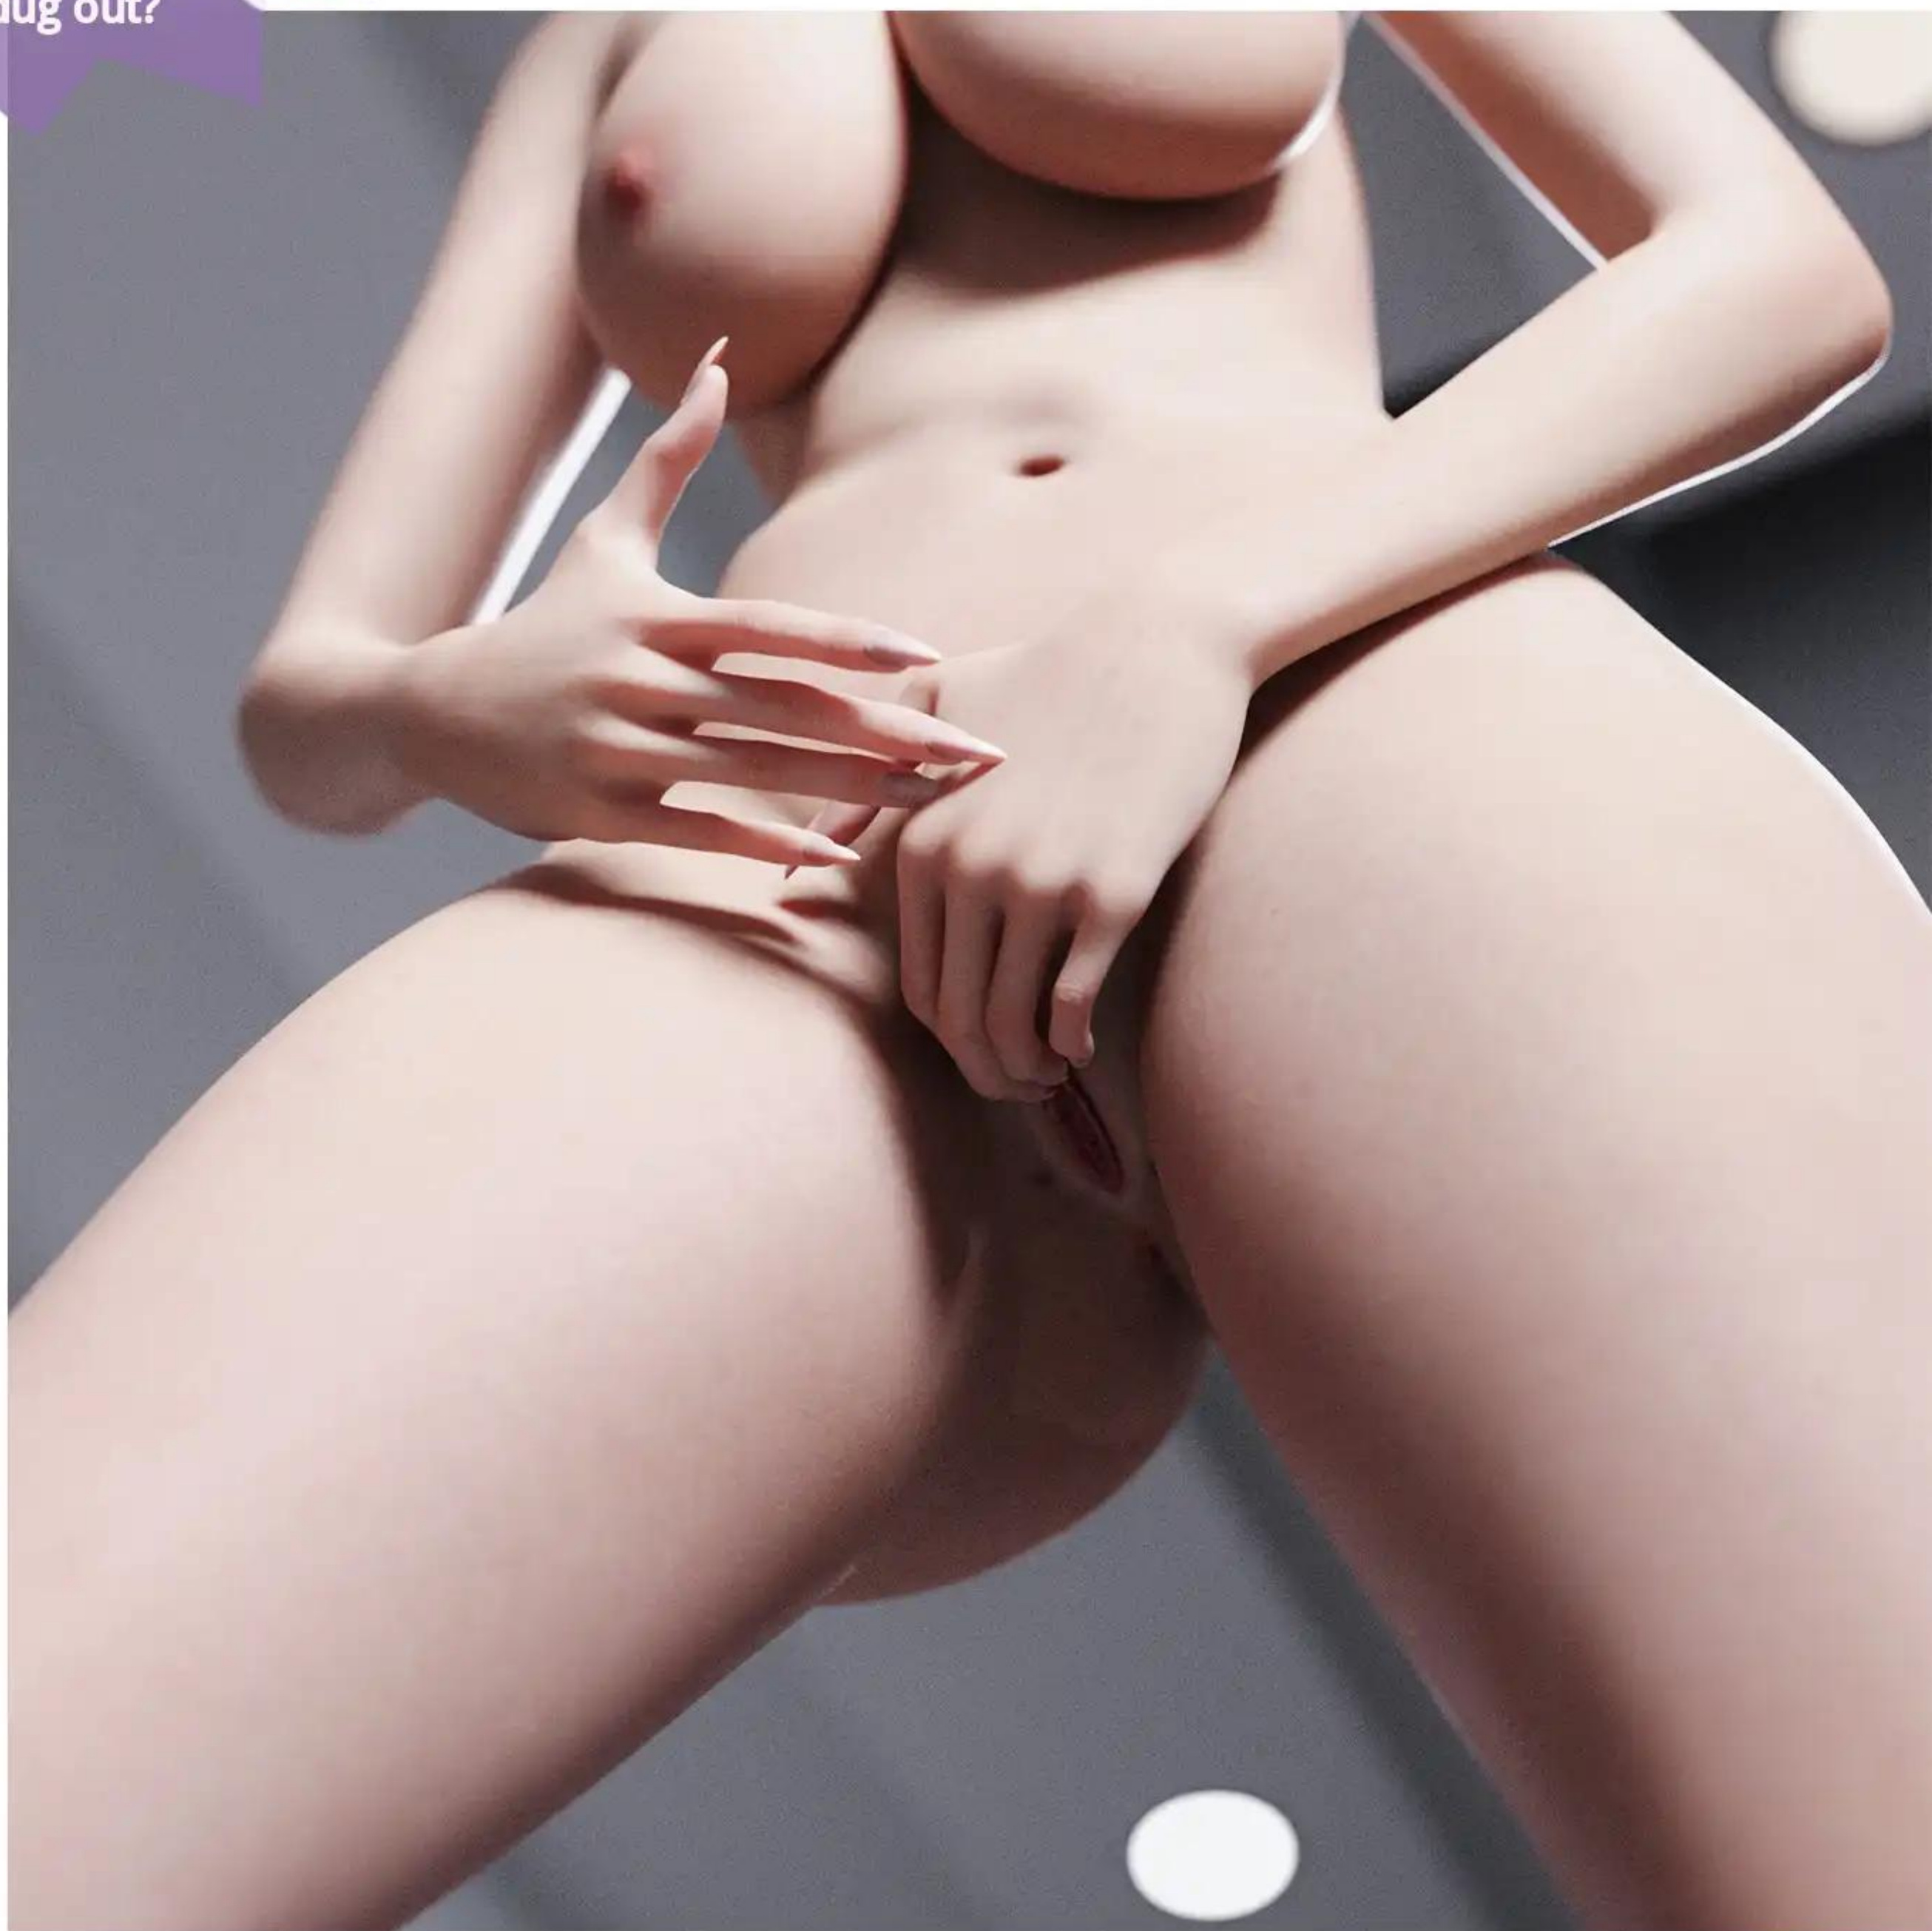

No matter what you do,  
it doesn't matter. You  
should give up as soon  
as possible and separate  
yourself from this  
human skin and become  
my chess piece.

! I just want you to stop being so perverted and want to bring Wei back. You are working under your hand!

? That's right! under! Speaking of which, if you want to take it off somewhere else, is it because this skin is more special, it's down there!

Can't come out of  
the symposium?  
Why is it strange...  
Why can't my cock  
be dug out?

What did you  
do to this  
hand!skin?

? It's a pity that I just  
took out my dick and I  
still laughed to death.  
You just want to  
masturbate in front of  
me and I'm not  
interested in fucking  
you.

Open your mouth!  
If you don't  
deserve it, I can  
beat you to death!  
Even if you ask  
me to take it off!

The thick little brat is better than me at dealing with your ignorance. I'm almost tired of seeing your stupidity. It's more boring than I imagined.

, you don't think I'm the only one who's here to sue you, do you? You have special abilities, right? Think you are the only one who is special? Ha ha!

A small number of people can randomly gain special abilities after wearing the skin, but most of them are useless.

When the skin exerts its power, the effect is that the next person who puts it on cannot take it off. How about that? Now you and I happen to have a subordinate who understands right?

You...you are here!  
Besides, what do you and  
I gain from this? I don't  
have to worry about this,  
I just want to be your  
subordinate!

You will know. As for  
now, don't worry.  
When the time  
comes, you will have  
to change your  
barking personality.

**Moral bastard!  
After all... you guys  
don't have any  
conspiracy! ?**

**If you do this and  
humiliate others... you  
will get retribution!**

A woman with long, wavy reddish-brown hair, wearing a white spaghetti-strap top, is leaning towards a man. The man has dark hair styled back and is wearing a green polo shirt. They are in a close, intimate pose, looking at each other. The background is a simple, dark grey wall.

No one among you  
will send retribution?  
Even if I kill him now,  
will you come to give  
me retribution? You  
are not young  
anymore,

Don't you still believe that  
there is any fairness and  
justice in the world? The  
reality of this society is  
that if you have power,  
you can do whatever you  
want.

A woman with dark hair is lying on her back on a white sheet. She is looking upwards with a slight smile. Her body is partially covered by a light-colored, possibly pinkish, fabric. The background is a simple, brightly lit room with a white floor and a dark piece of furniture in the upper right.

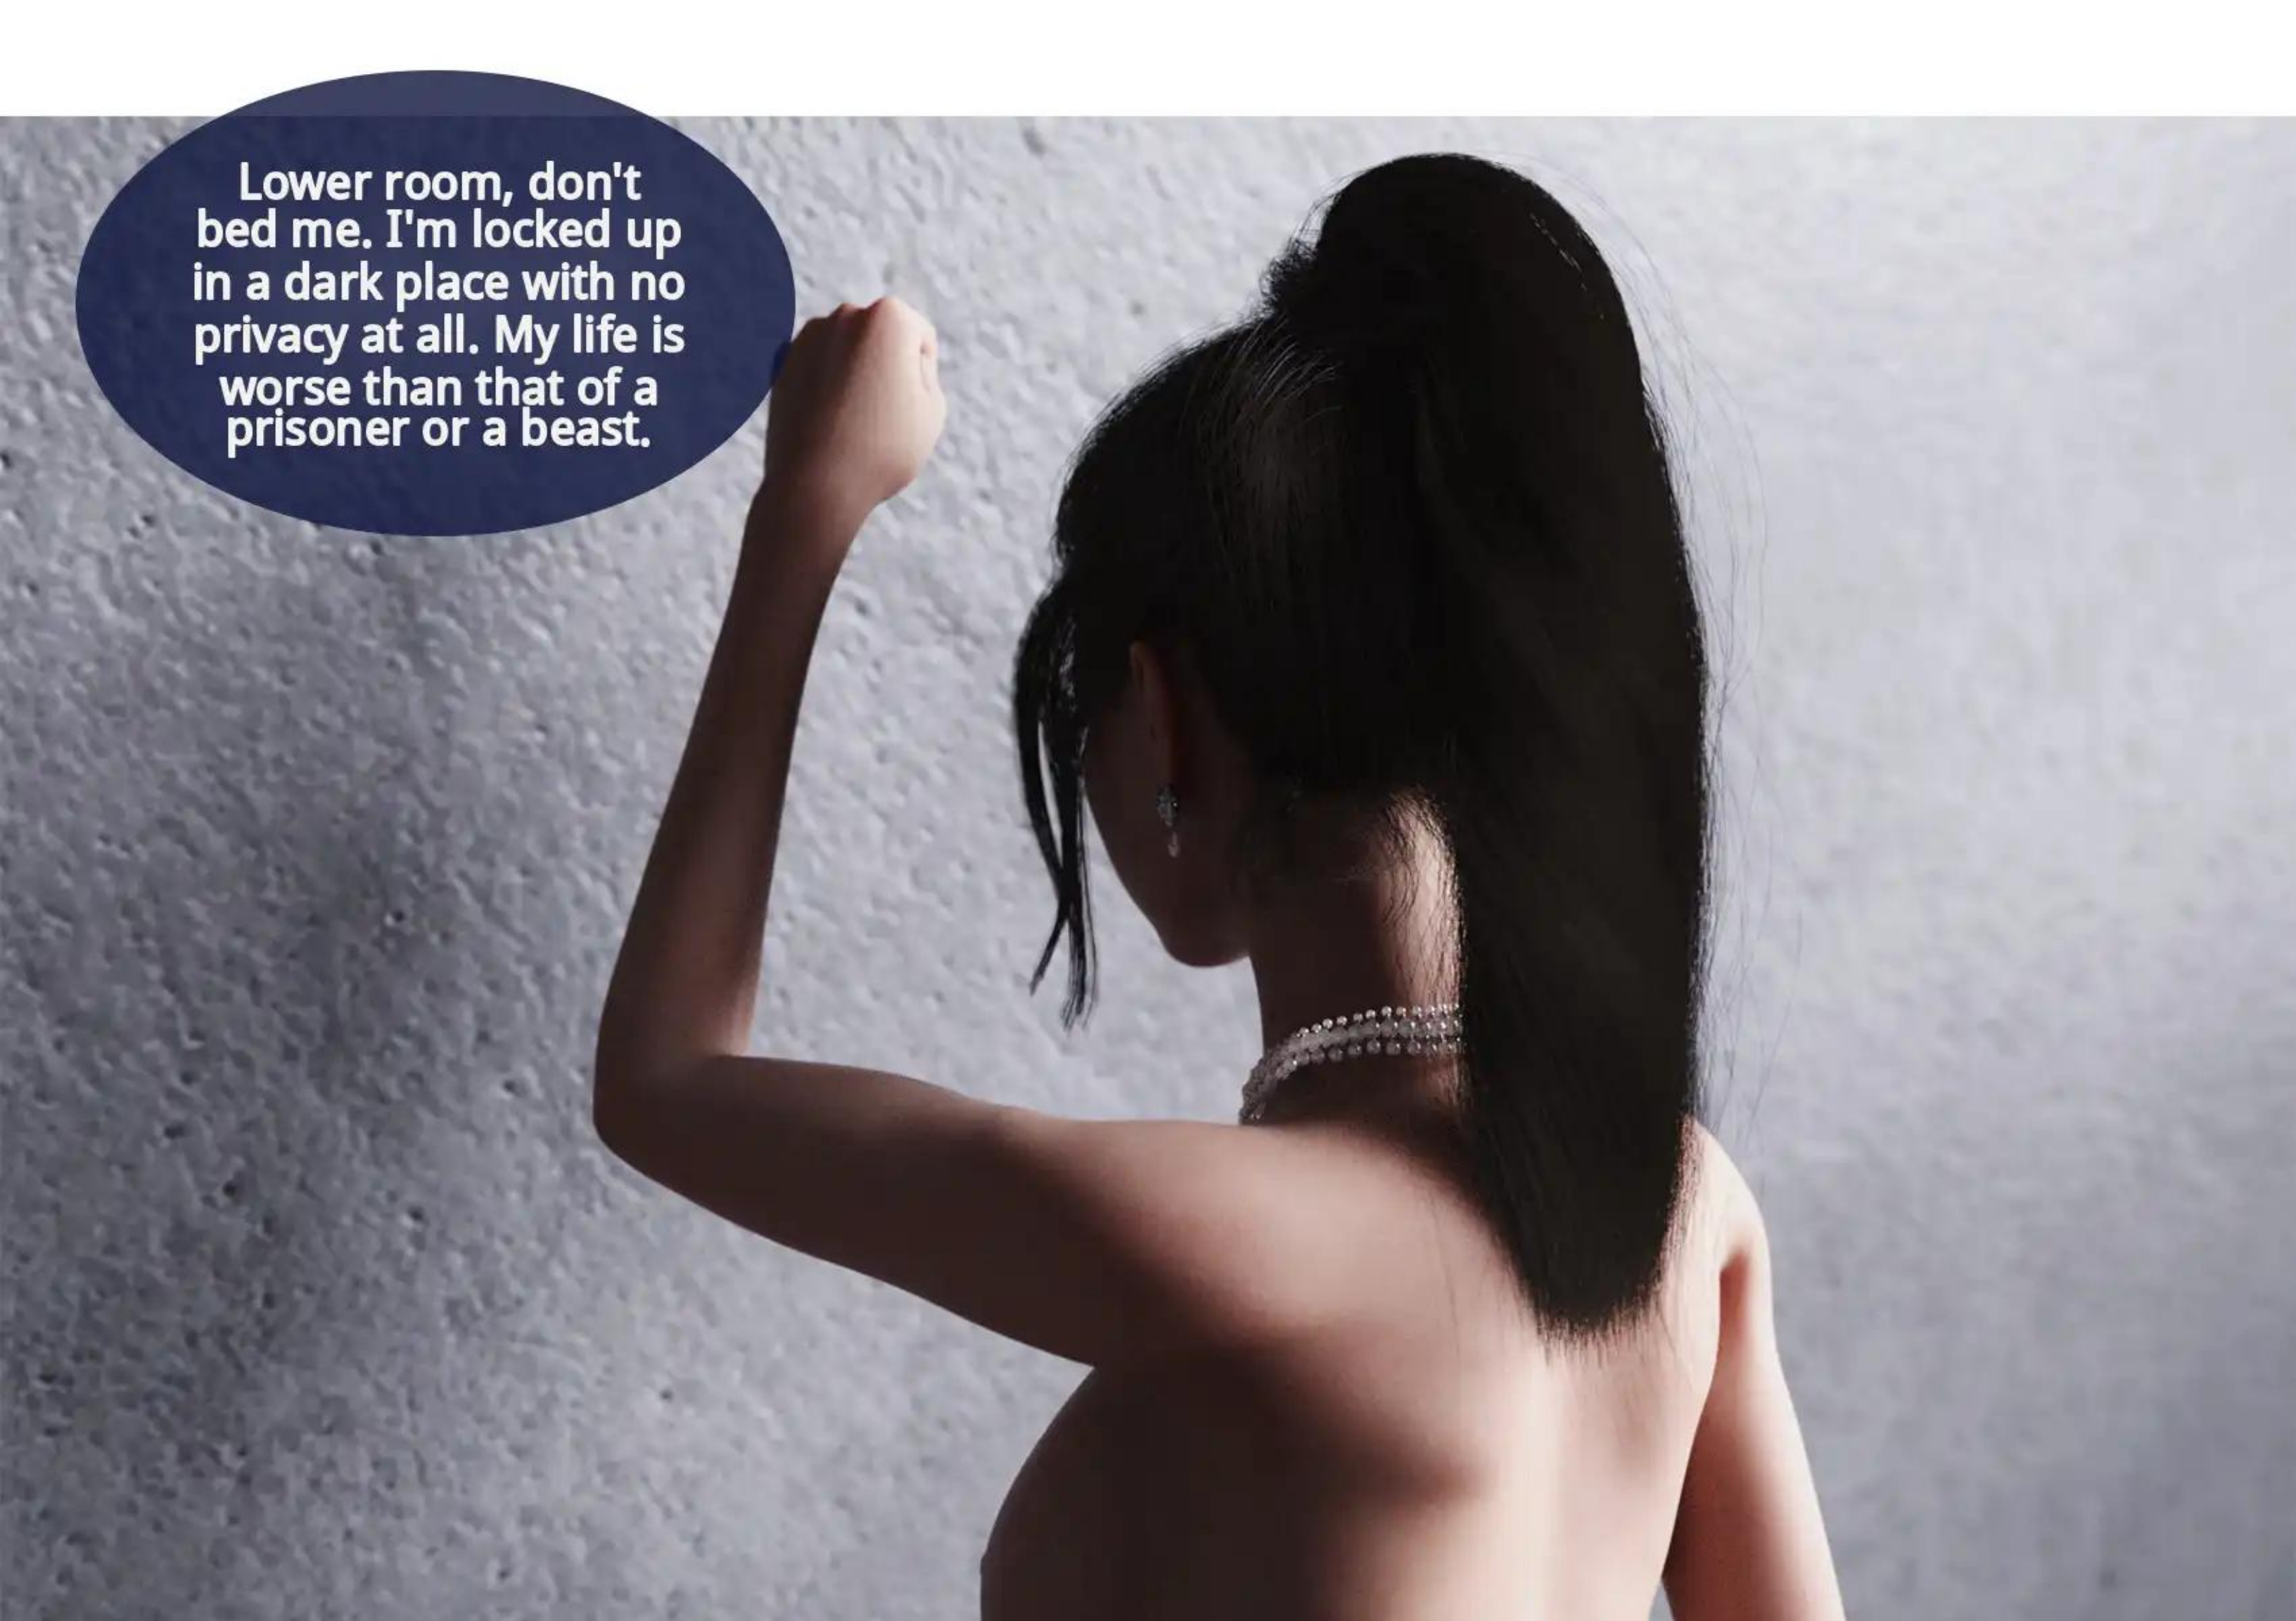

As for you, you are  
all involved, so I  
can't possibly forget  
to let you go if you  
don't say anything.

Another leather jacket  
that I can't take off,  
put it on quickly. Don't  
look, I've prepared  
one for you too,  
forcing me to do it.

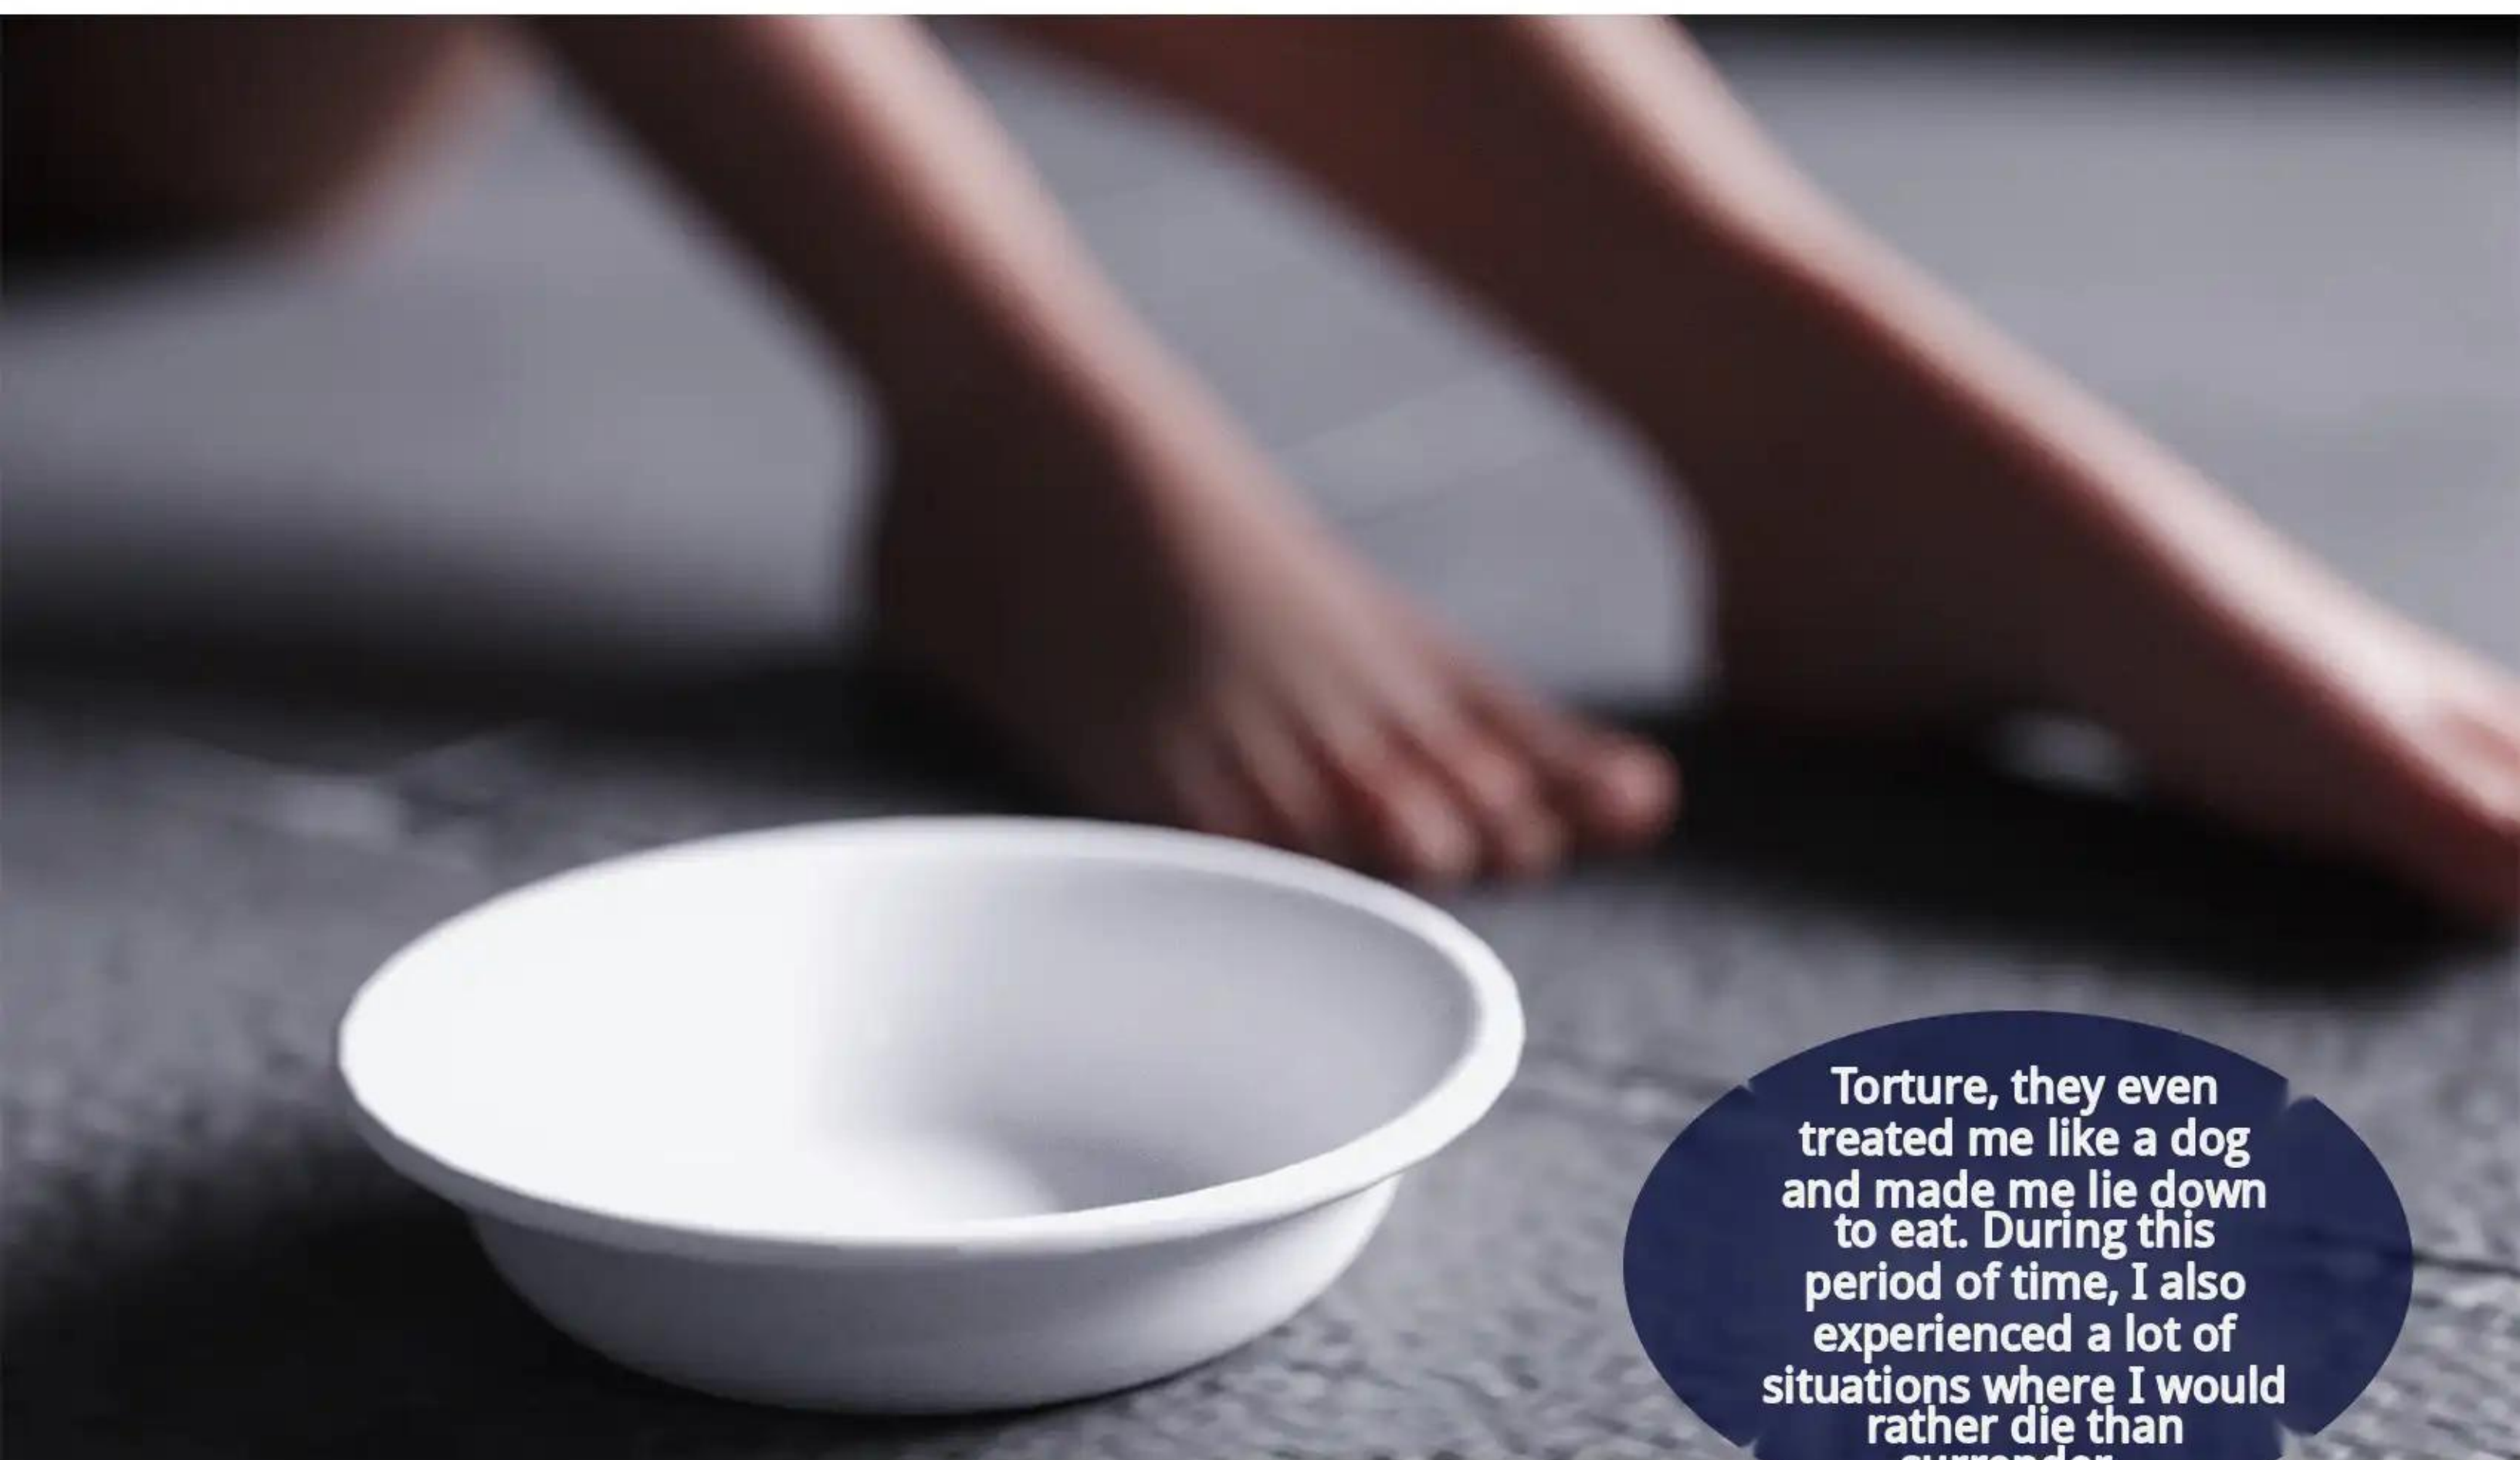

**, I originally wanted to ignore the resistance of the men in black who were fighting to save their lives, but suddenly they appeared, so the engineer brother and I took control.**

**It turns out that this bastard, in order to deal with the small forces... we investigated in this way and had already developed a plan to prevent him from being taken to different places.**

Lower room, don't bed me. I'm locked up in a dark place with no privacy at all. My life is worse than that of a prisoner or a beast.

Torture, they even treated me like a dog and made me lie down to eat. During this period of time, I also experienced a lot of situations where I would rather die than surrender...

How could the engineer brother be forced to provide it to someone? Maybe she is like me, and has become the young lady who pretends to cooperate with sexual services.

But what worries me more is that where Wei goes, I don't think she will be treated in a safe way that she doesn't know about.

After being put on by others, she did many things that were against her, and there was nothing she could do about it. I'm so worried that I'm going crazy. I'm probably going to be like my sister.

What's wrong? What are you doing? Come here quickly!

**Hold! I even want to serve men! I actually want to do these things of the heart! Why is this happening!**

**Not only did they force me to sell my body to make money, they also forced me to learn how to talk and use techniques to please customers. They basically treated me like a prop.**

How come you become such a quiet person, but you are like me? When I really see the outside world, I feel like I have changed and encountered many things.

There is a problem in the business, and it is necessary to make a comeback, otherwise it would not be bankrupt. Fortunately, I am here to fuck you again, haha!

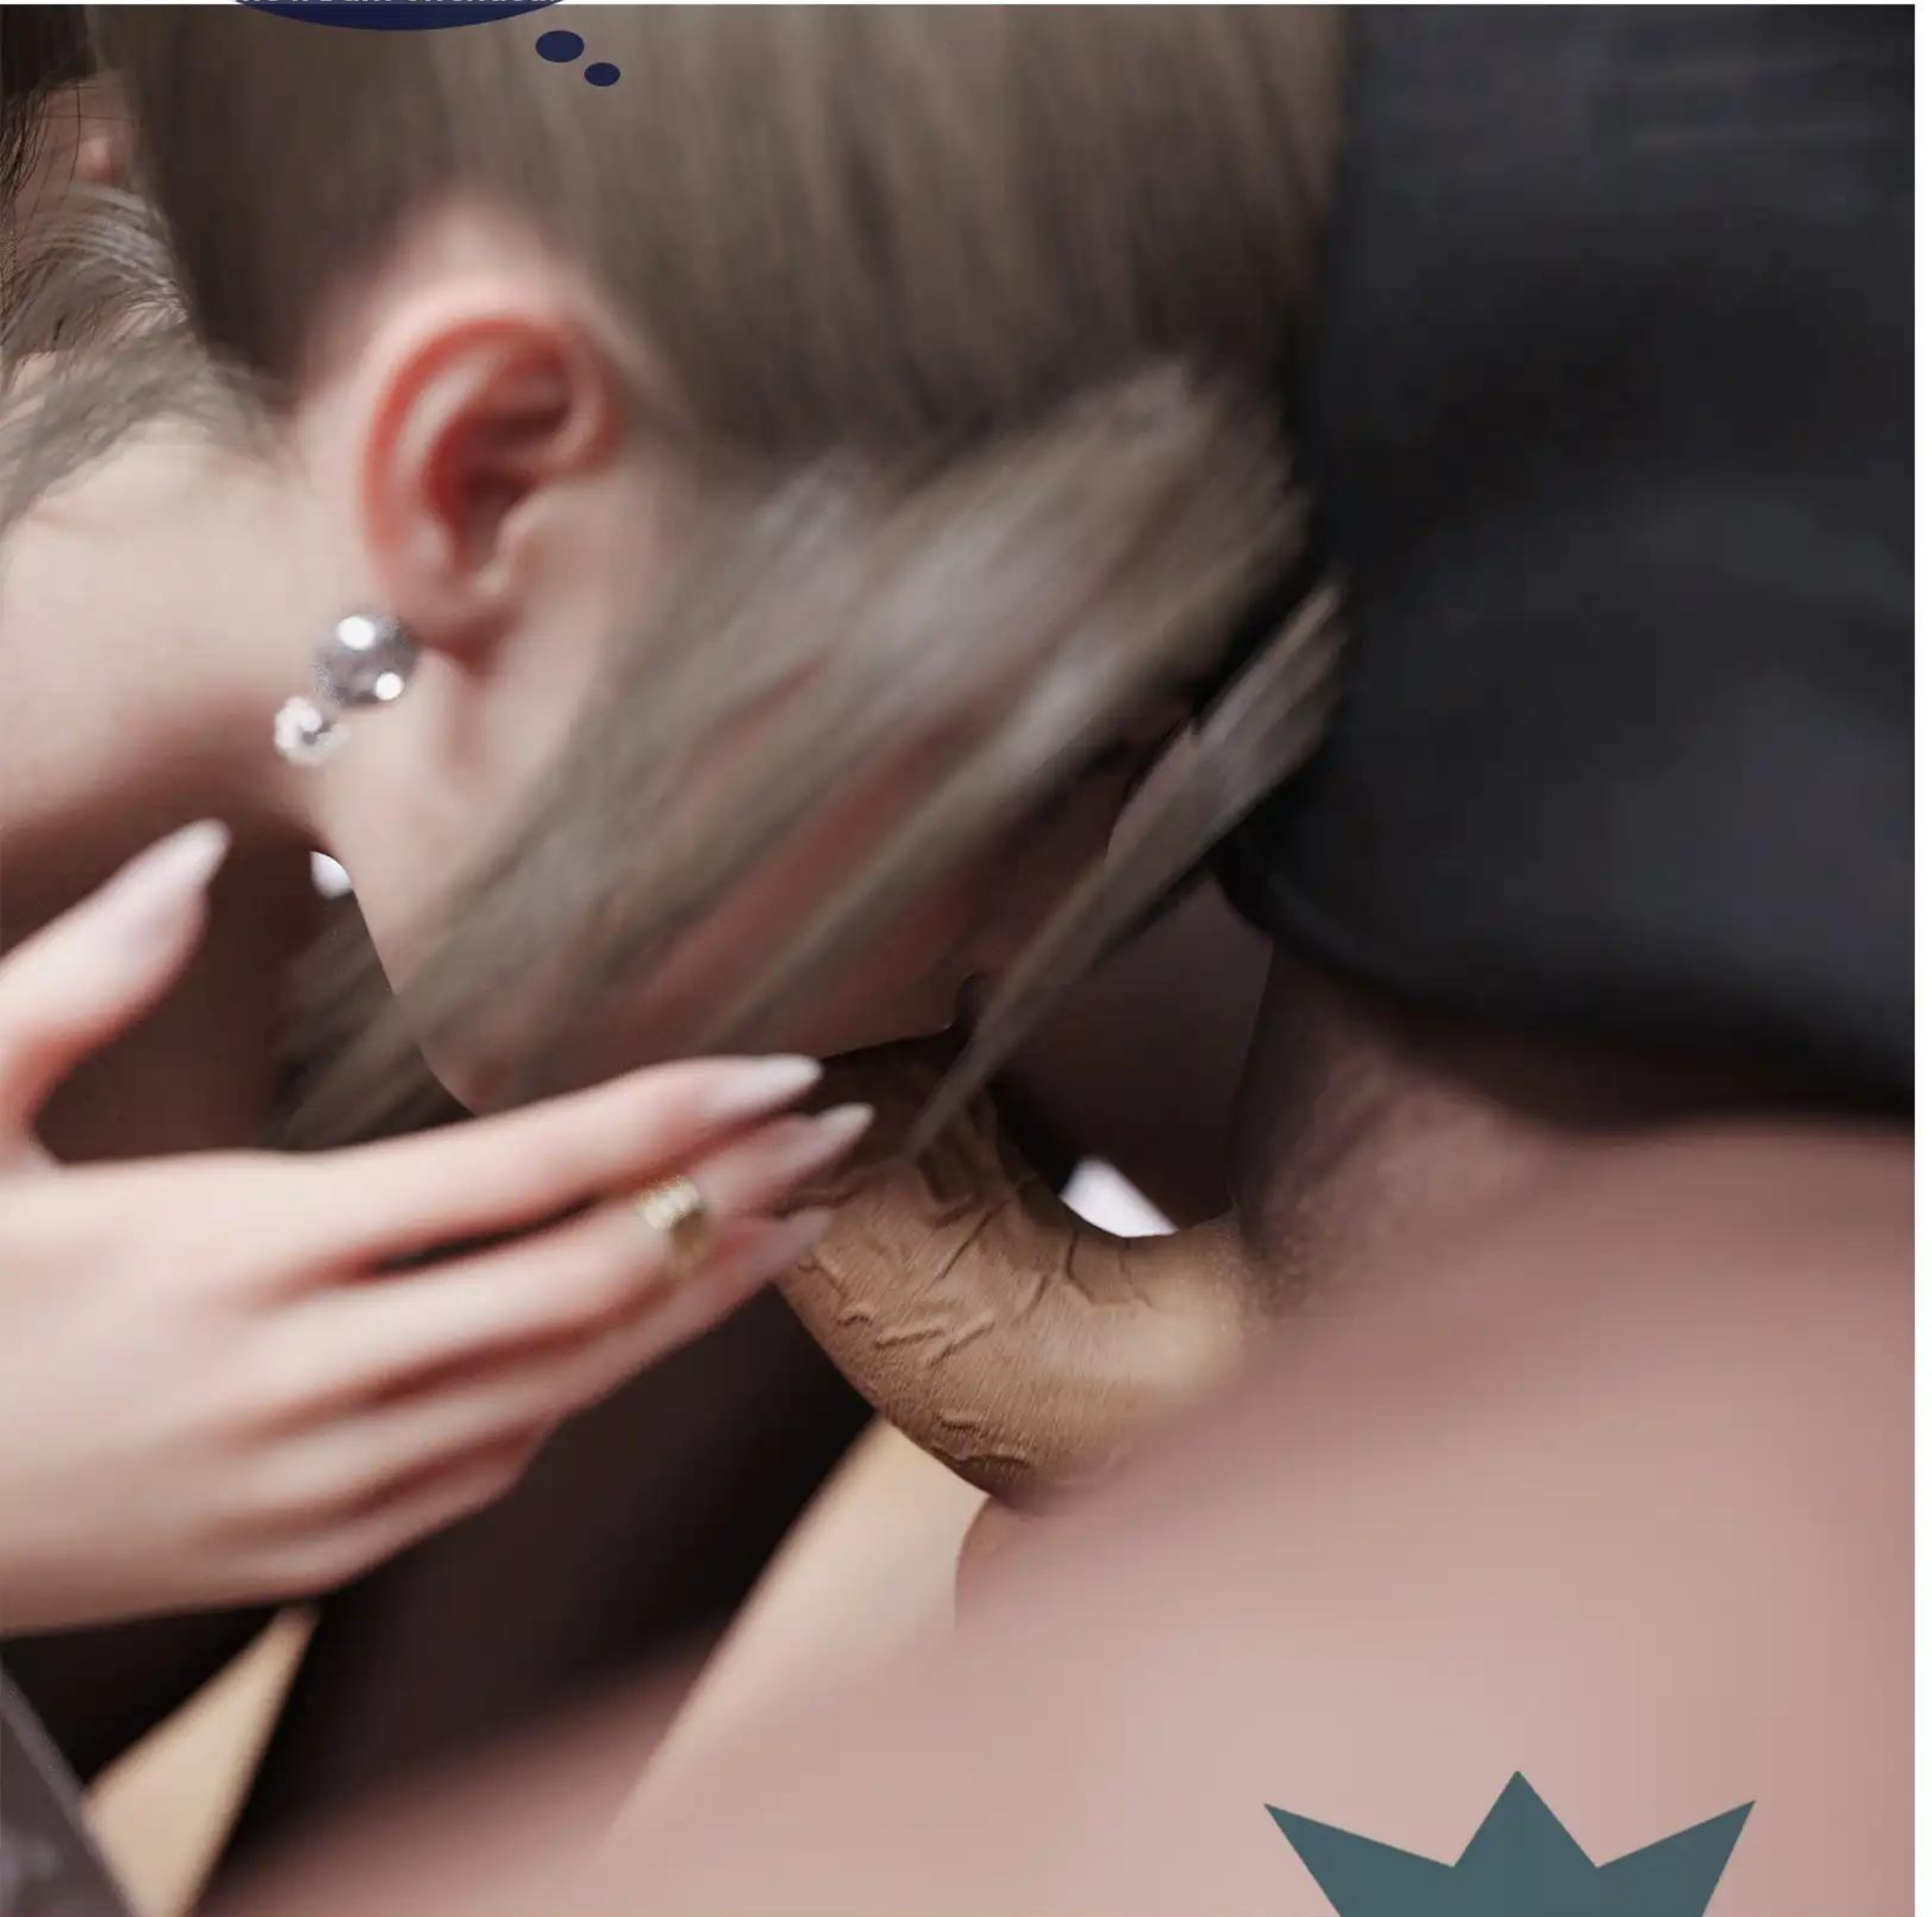

Yes... As expected of  
Kim Dong, what a  
great harm... haha...

, quickly use your  
mouth to soothe  
your little mouth,  
it's still as sweet as  
honey! I almost got  
an erection from  
you!

It's just that those men in black must be unhappy with the guests, and they are looking at me. In addition to preventing me from escaping, they will come in to repair me if I am offended.

Oh oh oh fuck! quick! Stick your ass up! I can't help it!

A woman with long dark hair, wearing a white, strapless, form-fitting dress and black tights, stands with her back to the camera. She is looking towards the left. The background shows a blurred cityscape with tall buildings and a body of water. A man's head and shoulder are visible on the right side of the frame. Two dark blue speech bubbles with white text are overlaid on the image.

Full of hate, I just want to live a stable life in my heart with this feeling of powerlessness and fear.

Why is this happening to my family, my girlfriend, and myself? And those scum can enjoy life with peace of mind! ?

Down! Don't jump in suddenly and um ah ah ah! Wait...wait a minute! Slow down...slow down!

The little guy really knows how to bark  
Watch me fuck you until  
your legs go weak! Lift  
your butt higher!

**I It's going to fall!  
Want...Yeah!  
Ah...um, ah, ah, it's  
not going to work  
anymore!**

**Bang bang  
bang!**

**! Oh oh oh so cool!  
You just gotta fuck  
this bitch, her pussy  
is so good at  
sucking!**

After the guest arrives, they will immediately arrange for the next one, leaving no room for breathing after having managed to cope with one guest..."

I Spread your legs, you capable bitch! When you come out to sell it, give me the appearance of being sold! Ohhhhh it's so wet...∴.

, but the man in black beat me up in anger, because I didn't want to pick up the guests before

Yes, she is obviously a bitch who lets others, but she is still pretending to be uncomfortable and screaming loudly. Stop pretending to be innocent! You feel great, don't you?

Ugly people wanted to be treated by me, and later I deliberately found some old people. But in order to end the torture early, I almost strangled them to death many times, but I could only grit my teeth and endure it.

Why should I be humiliated here with all my teeth broken? I am full of dissatisfaction, I really hate it!

The fat man in me! I really want to go out and rescue Wei immediately... I really want to punch me and knock me over. How could a man end up being a prostitute! ?

Ohhhh!  
Gonna... Gonna  
cum! So cool! It  
feels so good!

, I would really be  
unable to restrain  
myself from revealing  
the secret of human  
skin and make things  
worse. Maybe I could  
have escaped in the  
chaos if the skin hadn't  
been taken off...

When I wasn't picking up customers, I would be locked up in the basement without even being given water. If I didn't behave well, I would be yelled at and asked to learn how to bark and crawl like a dog.

Why is it that everyone I care about is hurt and the people I love live in a world where I just want to save my sister and be taken away...

After the voyage is over, you can still laugh and enjoy the days of hurting others wantonly and enjoying endless suffering. They trample on my dignity

tread! I always believe that I am right to do what most of us can only be punished for. One day they will be punished and everything can be restored to the way it was before.

? Why don't you, the legal and moral scumbags who do harm to heaven and earth, not have to pay the price! We can't sanction them!

What are you  
talking to yourself  
about? Get up!

Go to the reception! A new customer like you is here and you are an idiot who offends Big Brother. It would be nice to just spare your life. How dare you be lazy?

What a shame! If you don't want to get punched or hurt in the stomach, just be smarter!

How could  
it be you! ?

A woman with long brown hair in a high ponytail, wearing a brown, form-fitting bodysuit with cutouts and black horizontal bands. She is looking slightly to her right with a surprised expression. The background shows a wooden door and a window with blinds.

of? The company should tell you how you came to this place and discovered that I was missing... Have you traced it to this point?

Have you discovered that defector? Are you going to get rid of him?

A woman with long dark hair, wearing a black long-sleeved dress and black high-heeled shoes, is sitting on a green sofa. She is leaning back with her legs crossed, looking towards the camera. The background is a red brick wall. There are three speech bubbles containing text.

A little bit of progress? Can you please not see me for a long time? Why are you still not so naive after months of not seeing each other?

I was watching your move, and then I looked for the project manager and found that there was a girl who couldn't find your whereabouts.

I'm a girl, but I don't want to take the risk of saving you, so I just renewed my contract and guessed that you might be one of the women I dated. If I know more about you, I'll have clues about you.

What a fucking joke  
are you kidding!  
You're teasing me!

After leaving, you are  
still in the mood to use  
me, so you all know  
that I was fucked by  
Sister Dao's body?

Conscience, right? If you haven't found out yet, do you still want to blame me? My conscience is that if you fall into your trap, what does it have to do with me if you are taken away? The reason for this.

I care about you, but you can only be like worthless garbage. If your superpower hadn't been useful, I wouldn't have died here.

You just want to  
come here to fight?  
Less of those that  
are available and  
not available!

Don't you want to  
catch that dead  
defector? Send  
someone quickly!

Not hiding here,  
this one...you still  
don't understand  
the situation, and  
the defector is one  
of his properties.

A digital illustration of two women standing in front of a brick wall. The woman on the left has long, straight black hair and is wearing a black, long-sleeved, form-fitting dress with a deep V-neckline. She has her hands on her hips and is looking towards the other woman. The woman on the right has long, wavy brown hair tied in a high ponytail and is wearing a dark, spaghetti-strap dress. She is seen from the back, looking towards the first woman. A purple speech bubble is positioned above the woman in black, and another purple speech bubble is positioned below the woman in brown.

, I was still looking forward to it, but it turns out that you have hatred in your eyes and are still ridiculously stupid. You want to defeat the defector and take back your sister's body, right?

? Really accomplish nothing but what can you do? Stupidly expecting someone to love you! You deserve to be bullied!

Is there a dog  
anymore? You don't  
have a body, and  
you want to  
humiliate me by  
taking away my  
sister for no reason?

, and the defectors  
have nothing to do  
with each other!  
Anyway, the people in  
your company are all a  
bunch of scum. I don't  
expect you to help me,  
so we all suffer!

I will sue you.  
People with no  
power deserve to  
be trampled on. The  
law is just a tool to  
protect others.

take  
off

Ordinary people want  
to have a conscience  
that is not bullied,  
otherwise there will be  
no one to take the  
blame for you if you  
are tortured to death,  
so you can only seek  
justice in vain.

You see, I just don't have a good son! I just don't have the morals to steal your sister's knowledge so that I can live a comfortable life.  
body!

? pray? Still want to watch, what can you do to call the police? Can you be fast and you can only point out the reality with your eyes?

You can't feel a woman's nipples, and you can't play with such a sexy body in your life, right? If I were an honest man: the pleasure of.

In the past, I could only make mediocre people become friendly and live my life. Now that I have a beautiful body, not only my surroundings but also my surroundings are easy to come by.

Those who have a beastly heart will harm everyone in society and sacrifice innocent people for the sake of greater benefits.

A woman with long dark hair in a high ponytail, wearing a black mesh dress and jewelry, is shown in a dramatic, low-key lighting setting. A purple starburst speech bubble is positioned above her head.

Stop it! Stop making  
excuses for your  
shamelessness!

A woman with long dark hair in a high ponytail, wearing a black mesh dress and jewelry, is shown in a dramatic, low-key lighting setting. A purple starburst speech bubble is positioned below her.

People, I only  
encounter evil  
and unreasonable  
things like you!

so what? What's the use of these for you? Do you think I will regret it? Will the defector cry and regret hurting you?

Laugh at your stupidity and then squeeze out value. This society is like this and you won't be able to use the last bit of value! We only laugh operational.

Because your useless conscience has been played with by me, everyone you want to protect will eventually die, and your sister will also continue.

And Xi Sheng.

Why seat! Why is  
this happening! I  
can't do  
anything?

Sister...Wei...it's  
really all  
because of me...

What happened to my sister in fate was because I was incompetent and I harmed them... They were dependent on me... It shouldn't be like this...:

I can earn rewards by joining the society. I watched my sister work hard to raise me since I was a child. I always thought that I was out of touch with her, but it turned out...

My sister got kicked badly! Just because I believe in that bullshit justice, evil will be punished.

Wei will be replaced, and only then will you believe in God! It's all his fault! I just don't have the ability...it's all my fault...

A woman with long, dark hair, wearing a black blazer and black stockings, is sitting on a green couch. She is looking towards a person whose back is to the camera. The background is a brick wall. There are two speech bubbles containing text.

You finally understand that if you want to protect the person in the past, you have to learn to wait for other people's conscience to find out that it is the stupidest thing. If you have the ability to choose no means.

Definitely they are also protecting people who hurt you, not because no one will sympathize with you, when you think others care.

It's nothing. Of course, more people will show mercy for the sake of profit, and no one will sacrifice others for you, no matter how good you are.

Use irrelevant figures to calculate? Tragedy, betrayal or cheating. Only humans can exchange countless wealth for many things. In other words,

, is the truth of society. If you are not ruthless, you will be trampled on. This is human nature. If you are a cannibal, this is the world.

I am too stupid and too naive to let... You are right, I always think of things too simply and people bully me.

Do you want revenge? I miss you so much. What do you want to do now to inflict pain on you, my "good brother"? Bar?

I want him to suffer  
so much! I want him  
to regret messing  
with me!

Fuji's methods  
include using  
multiple  
aircrafts! I want  
him to pay the  
price!

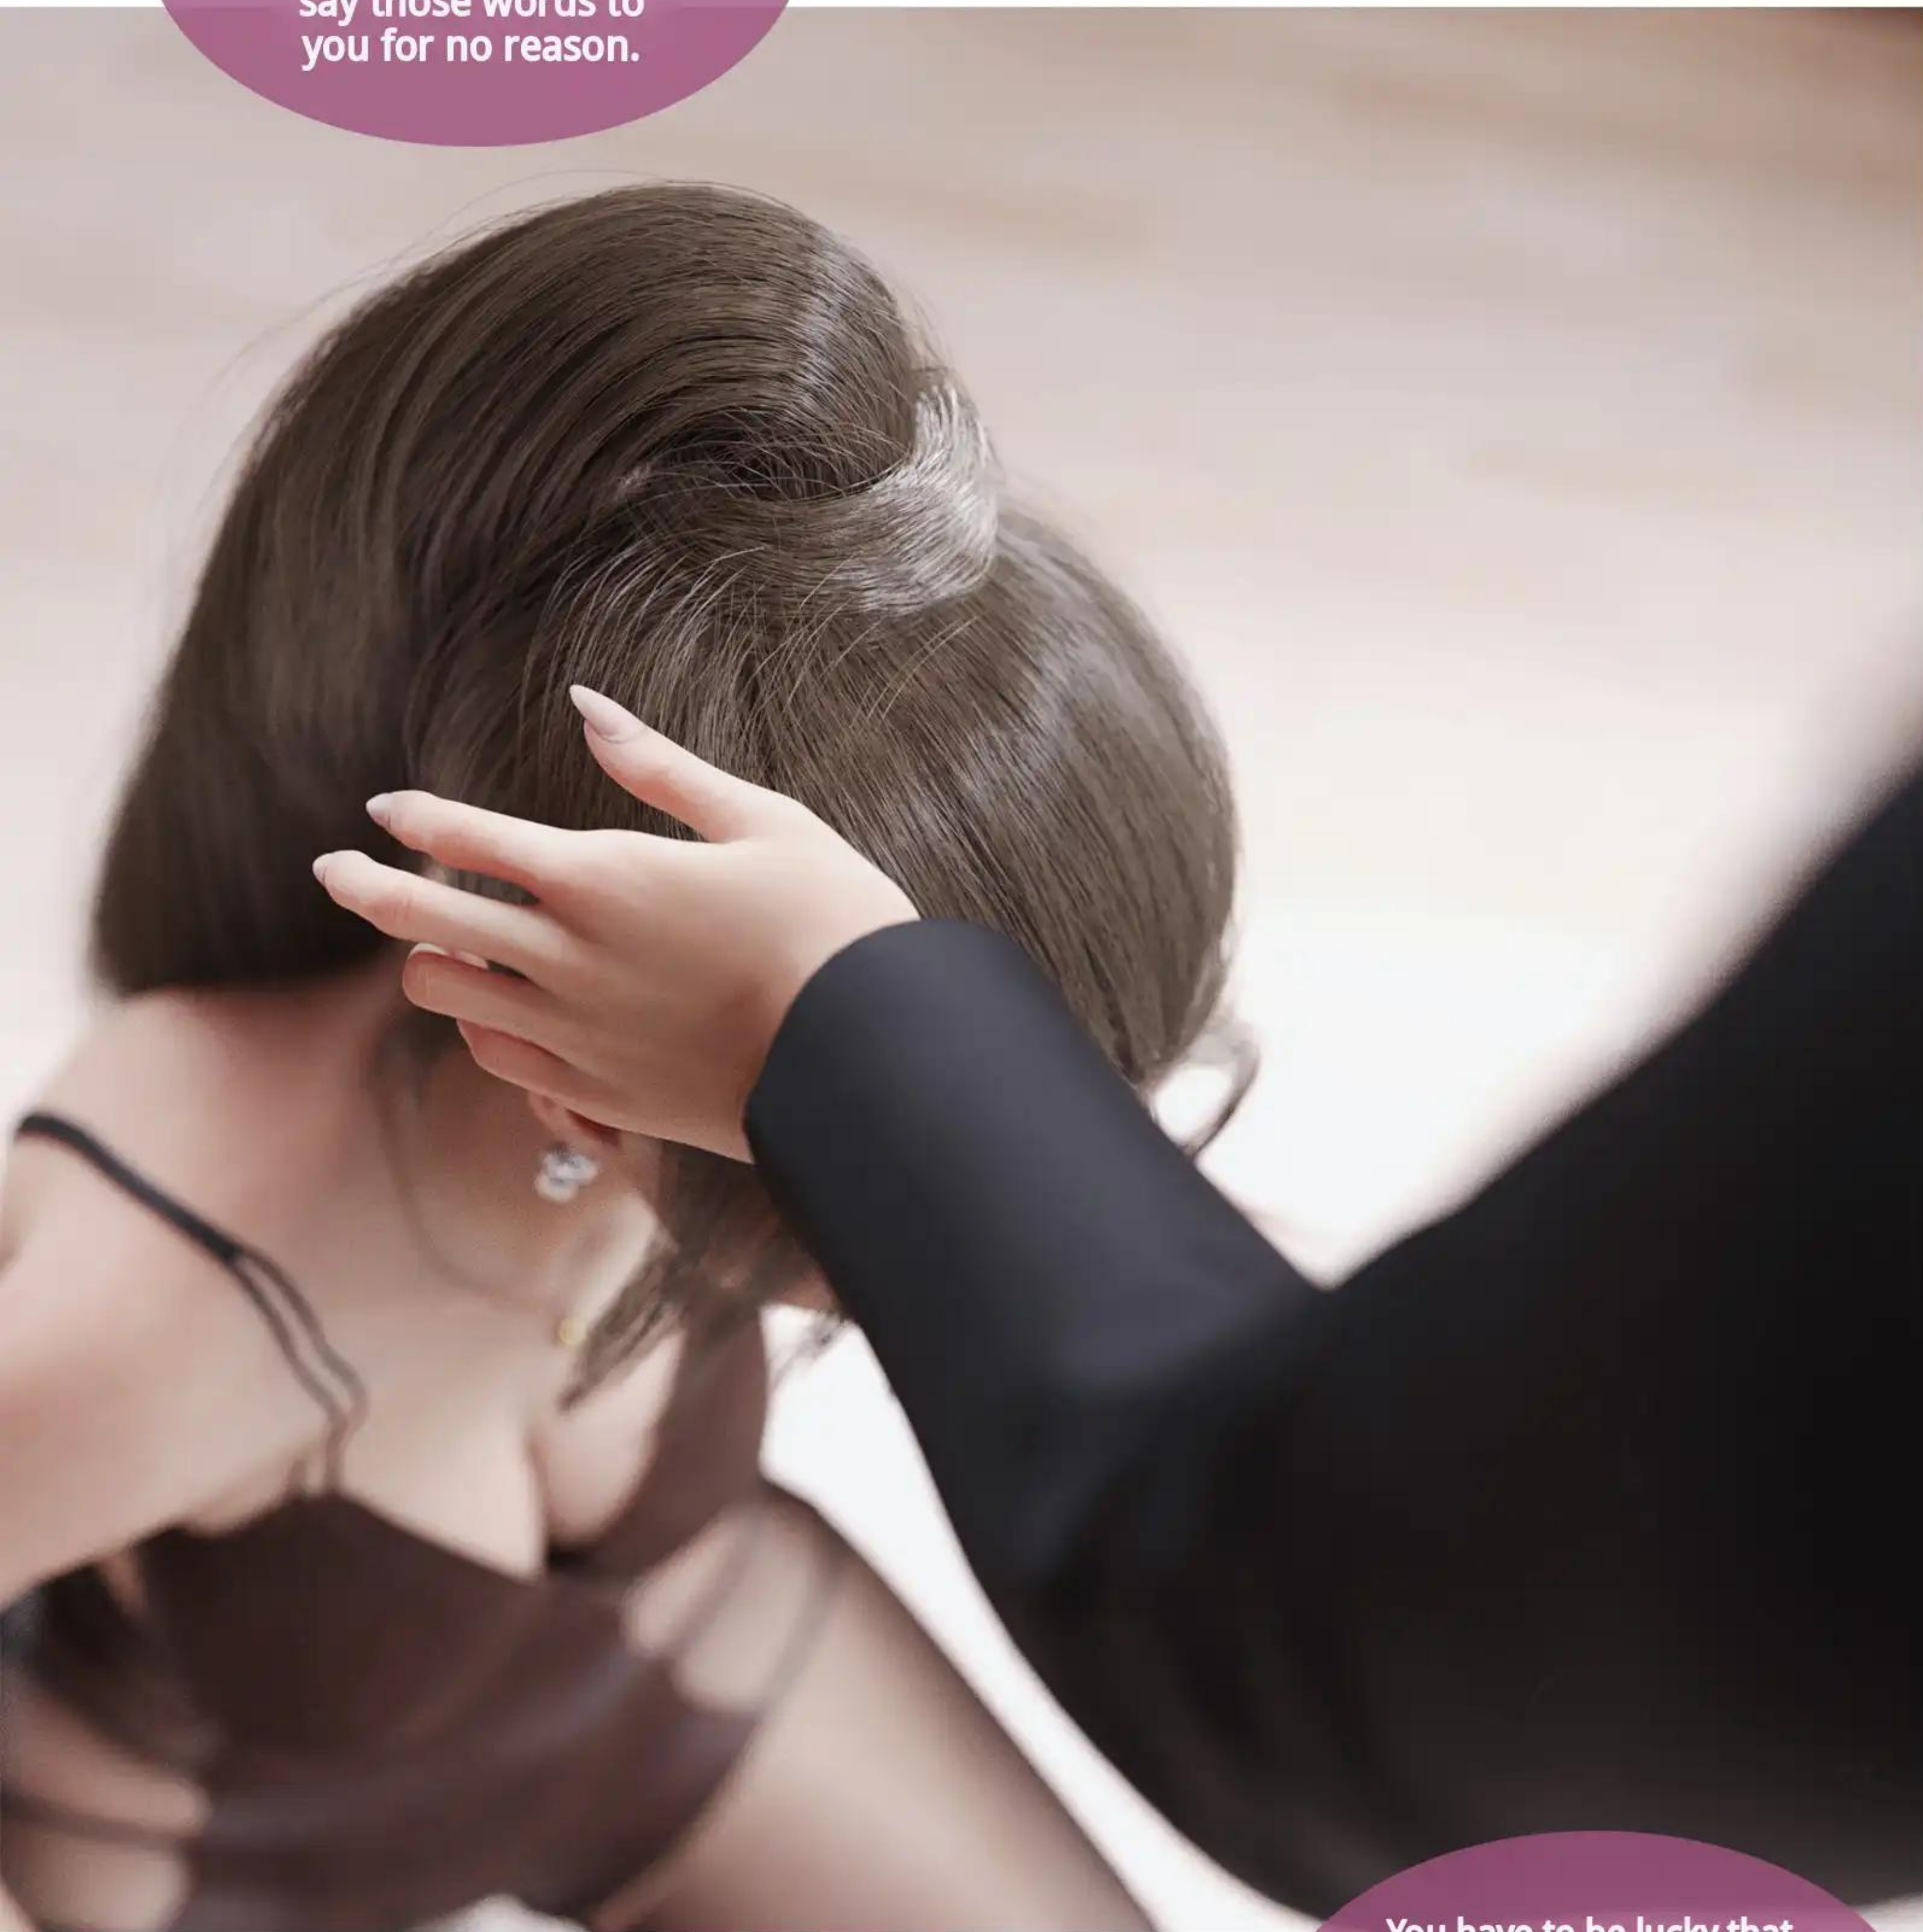

The eyes are good,  
okay! Now that you  
are very cooperative,  
I can help you.  
value.

You have to remember  
that there is no eternal  
person in the world.  
When the interests are  
consistent, they will be  
eternal friends; there  
is no

Move  
companion.

Cooperate with me, I need your ability, and you should also know that I didn't say those words to you for no reason.

You have to be lucky that you are valuable, otherwise I will not care about you even if I know your whereabouts or know that you have been killed.

A digital illustration of two women in black outfits standing in front of a brick wall. The woman on the left is taller, with long black hair, wearing a black blazer and shorts, looking down at the other woman. The woman on the right is shorter, with long grey hair, wearing a black spaghetti-strap top and shorts, looking up at the taller woman. A purple speech bubble is positioned above the taller woman, and another purple speech bubble is positioned below the shorter woman.

, I really like your funny way of saying that to be honest, I don't like you either, but I need your ability and for justice, it's a fact.

Adults, don't just think about solving things with your strength, likes and dislikes, you must know how to use this is what you have matured. others.

A woman with blonde hair in a high bun, wearing a dark, form-fitting dress with horizontal cutouts, is looking distressed. A hand from a person in a black suit is touching her hair. The background is a light-colored wall.

What qualifications do you have to ask me to use my abilities? I know you don't mean to do good, but I don't care!

Will you exchange my hatred for you later with me? Don't forget what you are doing. I don't care whether you are harming others or wanting to defect.

A woman with long, straight black hair is shown from the chest up. She is wearing a black, single-breasted blazer with a deep V-neckline. She has a slight smile and is looking towards the camera. The background is a blurred indoor setting with a window showing a view of buildings.

Does it matter whether you ask for it or not? We can all be in each other's heart. As long as the person who gets the heart wants what is beneficial to him, wouldn't it be fine? Then we can cooperate.

Well, to show my sincerity, how about I return your sister's skin to you? Isn't this what you've been expecting?

Do you really want to give me my sister back? If you dare me, I will immediately call out those slanderers... You are not kidding me, are you? Come in!

If they know you are Richard's man, they won't let you go! I won't make it easy for you even if I die!

It's so scary~ But I'm quite relieved to see you. This fierce and intimidating little kid has finally grown up.

Don't worry, you want to cooperate with me, but I still need you to use your skills. Naturally, I don't know how to help you.

A woman with long, straight black hair is shown from the chest up. She is looking down and to the right, with her hands touching her hair and neck. She has a small earring and is wearing red lipstick. The background is a blurred indoor setting.

Your sister's skin is  
of little use to me.  
I'll figure it out  
later as long as  
you agree to help  
me.

, after using me for so  
long, you have to  
protect her well. Now  
come to welcome the  
touching reunion of  
sister and brother, and  
I will feel a little  
emotional after  
returning it to you.

Stop staring at me.  
Didn't I take it off?  
Stay calm, if you make  
any noise and are  
discovered, everything  
will be ruined.

, you know your skin is  
not good, right? Be  
patient and wait for  
me. Don't act like you  
want to come out on  
the street and call  
yourself... You have  
experienced doing it  
yourself.

Are you really? You still sued me for all your purposes, and I didn't agree to it. Are you sure you want to pay me back?

Aren't you afraid that I'll get my sister's letter back? You didn't think of this, and you're incompetent? What exactly do I have planned?

, take it. As for those of yours, I'm afraid that you've gone off to work. What did I take off? Your sister can't recover without the leather blade.

You can't just want to get her skin back. Anyway, we don't have to guard against me. The stakes are now aligned,

I will definitely take the test on all the tricks, but don't think that I will completely trust you. If you have it... bring it! I know how to cooperate  
Kill you!

You also don't show that you have done a good job and replaced my sister. If it weren't for it, there would not have been a series of troubles!

**You will be targeted at night, even without me, the outcome will be different. You have that special ability, it will be better sooner than now.**

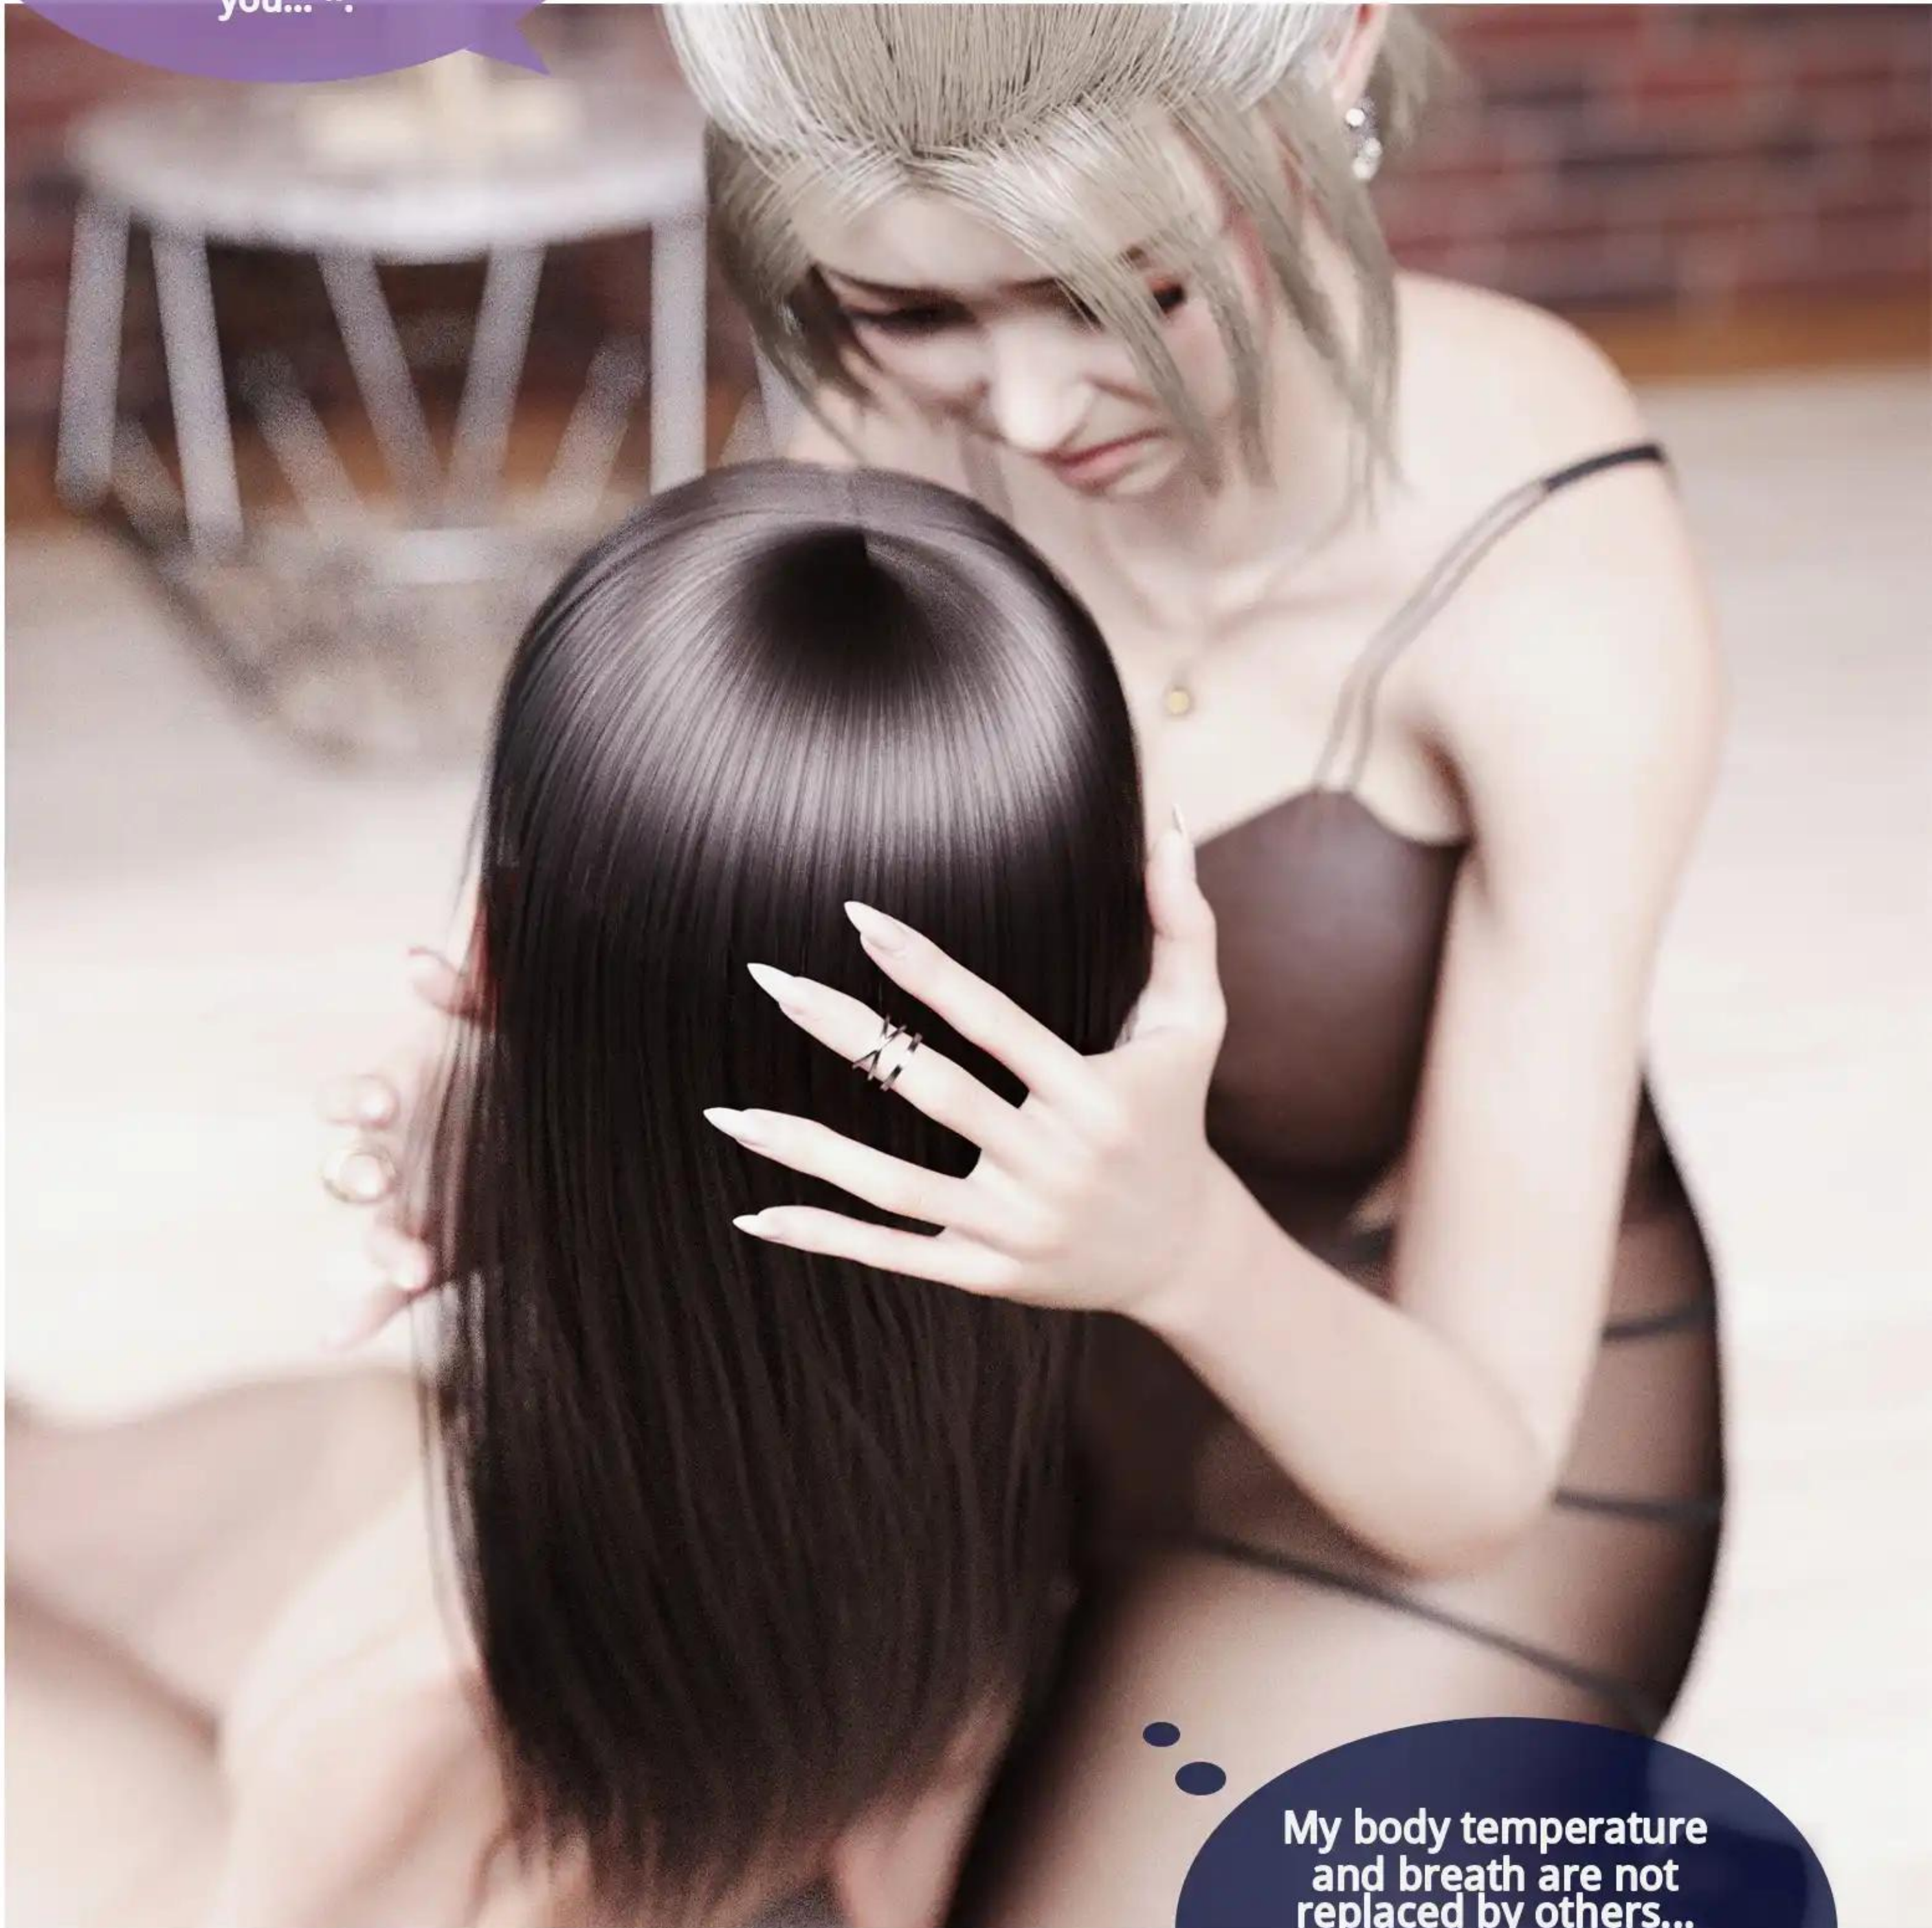

**I want to sue you. To achieve your goal, you have to give the other person enough space. Just force me to take it off like you did before. Isn't it useless?**

Must talk! I don't want to think about your voice right now... If you don't want me to turn over, just be quiet.

Next, using the "correct" method, I don't want to admit that he is right and just believe that as long as I work harder, it is because I can defeat those scum.

I'm sorry for causing you to encounter these things... It's all because I don't have a sister... It's really you... I'll protect you... 〃.

My body temperature and breath are not replaced by others... It is really my sister, she is missed so much...

A woman with long dark hair, wearing a black bodysuit and black stockings, is leaning over and embracing a nude woman who is sitting on the floor. The woman in the bodysuit has her hands on the nude woman's face and neck. The background shows a wooden door and a window.

Although I'm still a  
stupid bear now, my  
sister is indeed back.  
The sister who  
raised me and was  
gentle...

Same, she is the most  
important to me, she  
is like my mother and  
family, but I actually  
caused her to suffer  
so much...

Sister...I will definitely restore you. No matter what, I will get the blade. Even if it means hurting innocent people, I will never mess with you again.

, but that can't protect the people I value at all. Facing a group of evil people with no bottom line, kindness will only make my sister's character the most important thing. Seems ridiculous.

Human time, but since I don't want to fight this feeling, you have reached the point, I should also come to my purpose.

That's what I want too, but what you need most next is a leather blade, and that's exactly why....

It's a lot of money, but you have a good body. Even if you are popular, you can use your body to make money. I'm tired of playing with your sister all the time.

The comfortable life is far from what I expected. Youlai doesn't seem to be willing to let you go, not to mention you look like a sister.

Your beautiful family  
doesn't have that kind  
of life, and every day I  
want to live a life  
where someone is  
drunk and rich, no  
matter how much  
your sister is.

, taking up everything  
she had, so I set my  
sights on a famous lady,  
and I planned to replace  
her.  
Have It for  
yourself.

**, that lady is not good either, but I don't have any skin contact, so I need you to be busy.**

**You have to restore your sister, and Pi Ren and I are close to replacing each other. It depends on your ability.**

**Celebrity.**

**Moving companions on the same ship. You go first, there will be a lot of trouble next. In short, we just don't want to let me down.**

I'm back

Is anyone home? It's been so long since I've been back that I almost couldn't find the key... But she should be here at this time, right?

? Hmm...Should I go first to the second...second sister? Did you call her at home? I was in such a hurry to come back that I didn't think much about it.

A woman with short brown hair and bangs, wearing a white, ribbed, off-the-shoulder mini dress, stands in a room with wooden floors and white curtains. She has her hands clasped near her chest. In the foreground, the back of a person's head with long dark hair is visible, looking towards the woman. A blue starburst speech bubble is positioned above the woman.

Oh my God! Big sister? Is it really you? I thought it was an illusion!

A blue starburst speech bubble containing text, positioned in the lower right foreground of the image.

Why haven't you and Hao been home for so long? I will kill you with all my heart!

A man and a woman are shown in a dramatic scene. The man is shirtless and looking to the left with a serious expression. The woman is wearing a black, low-cut blazer and looking down with a sad expression. The background is dark and out of focus.

However, Ah Hao has apologized to me, but he has been too busy recently and has no time to contact you. An, don't worry, he is fine.

I'm at home, and you're so sorry... I'll leave you with my heart, I won't do it again.

Got it! I thought you were  
whimpering... wuwu,  
what happened to you  
when you finally got  
home?

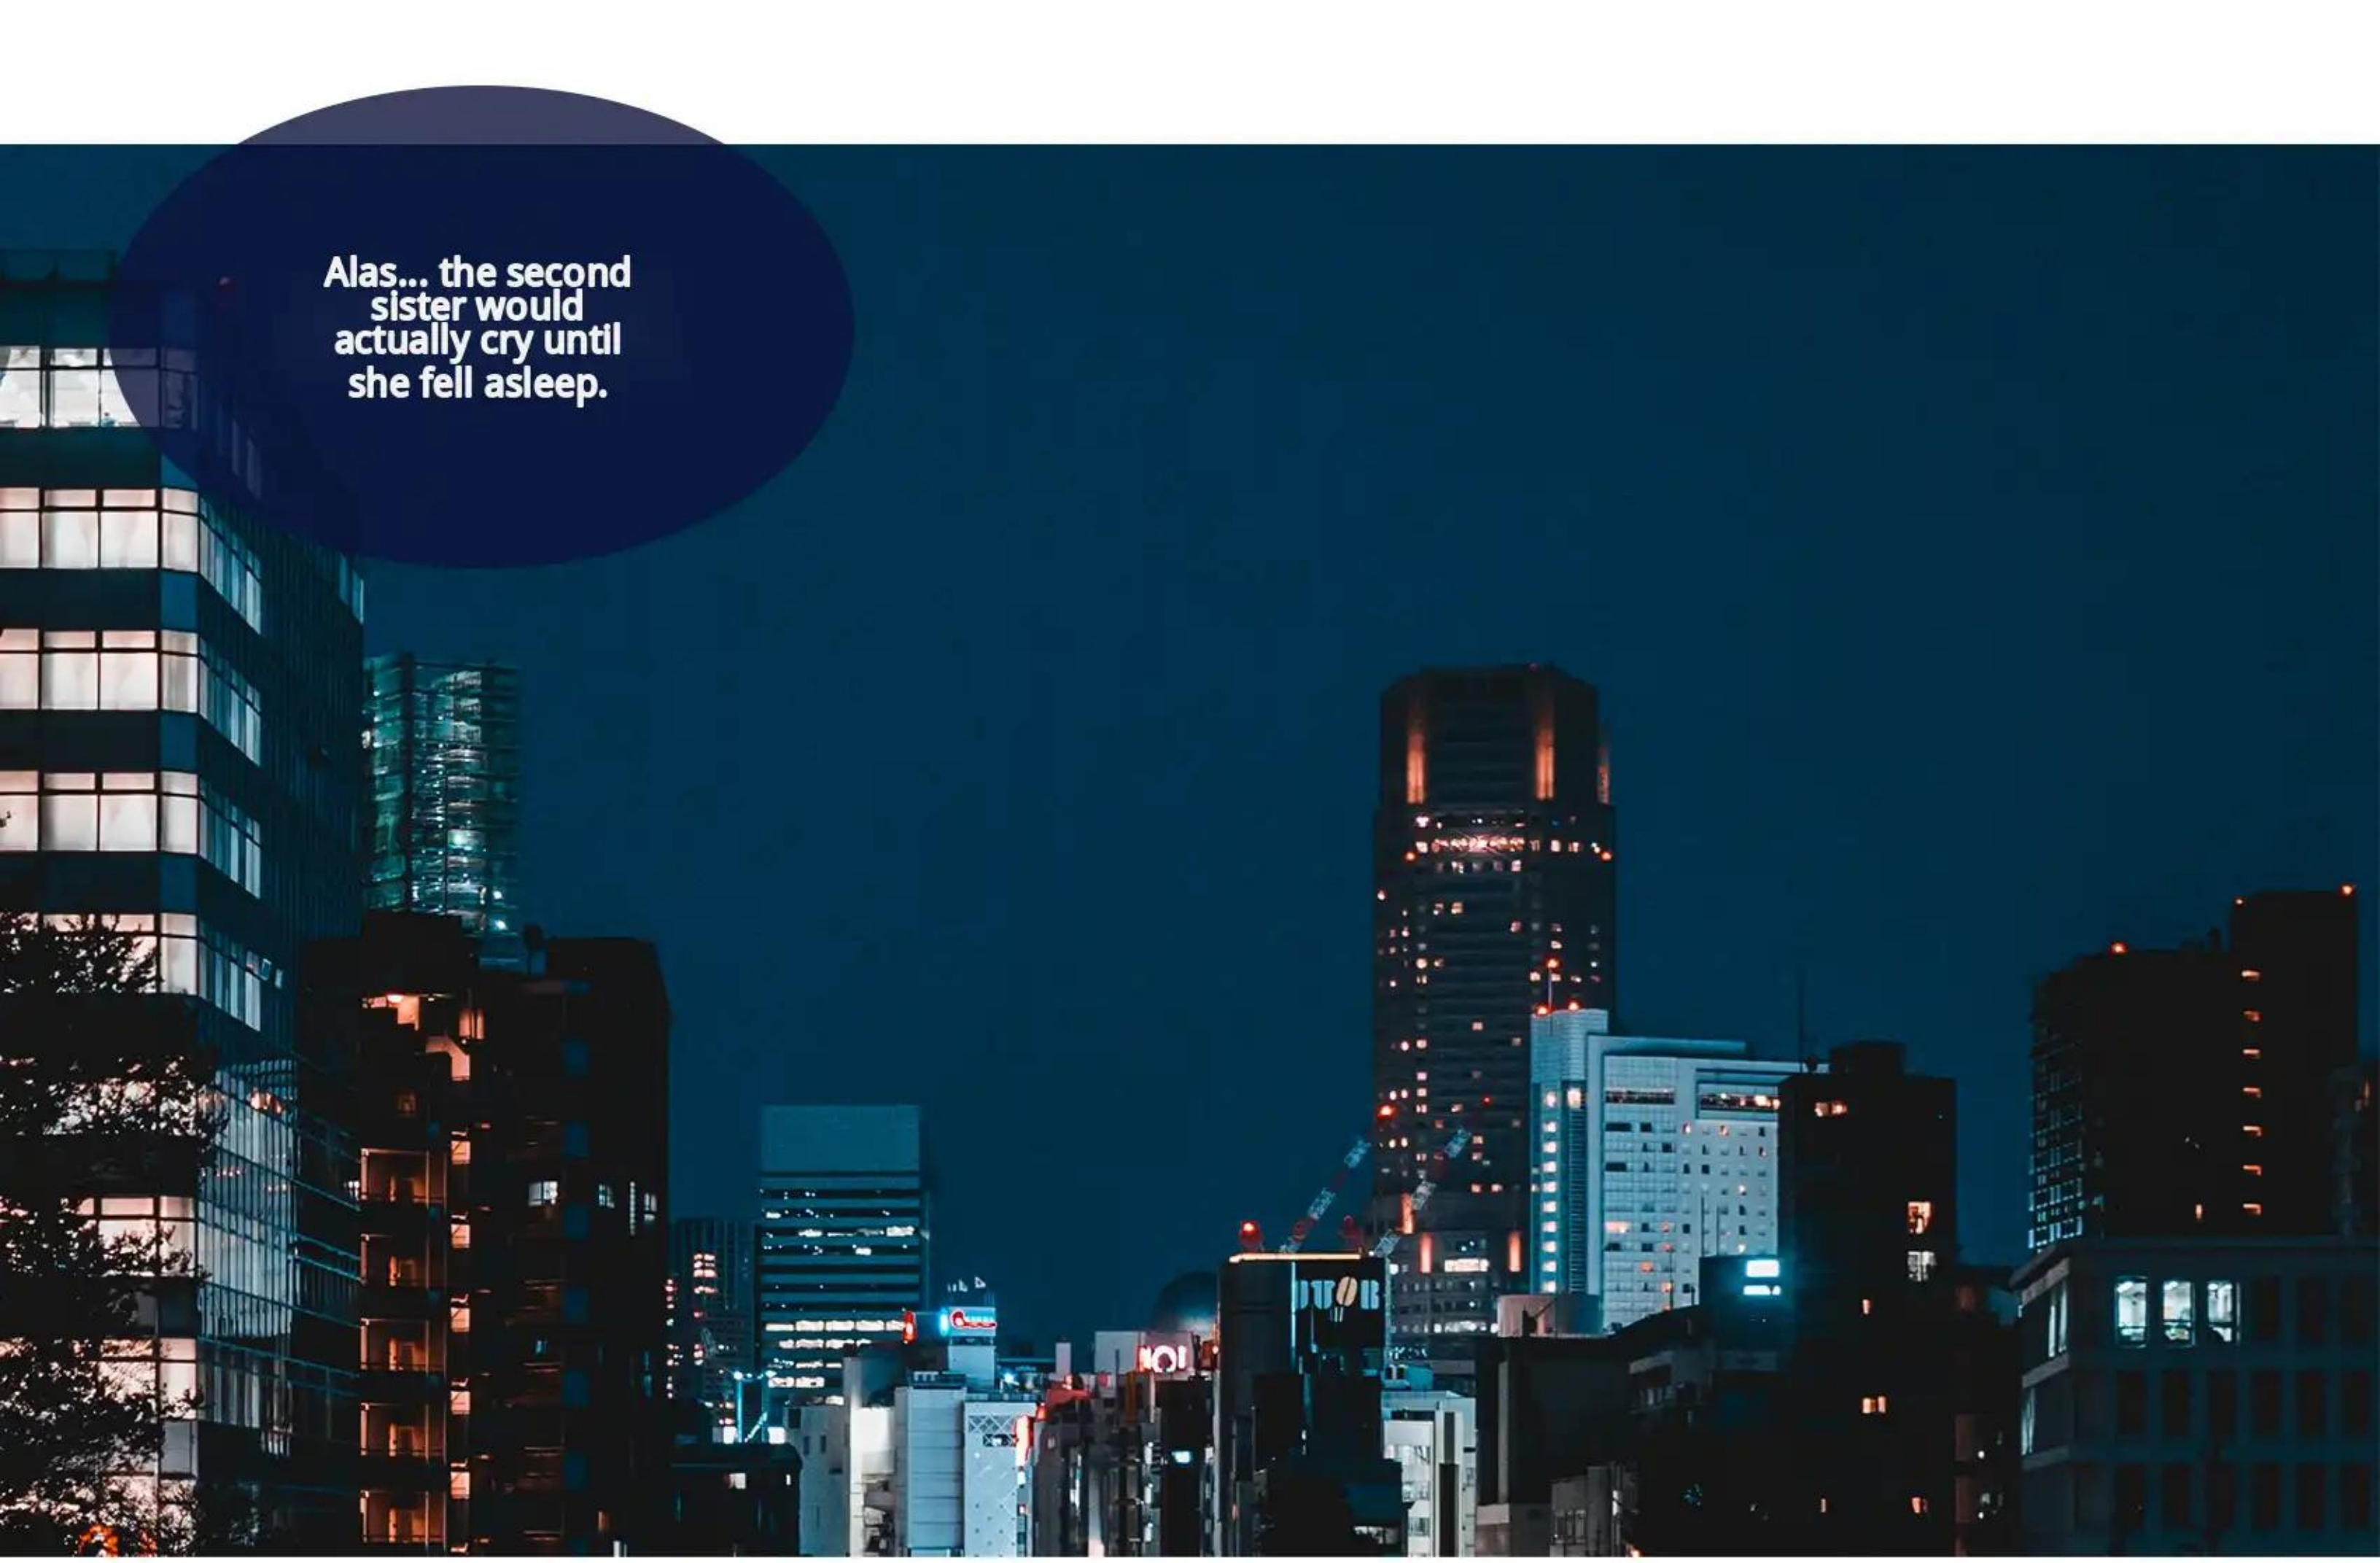

I'm so scared...  
Just come back!  
As long as you  
are safe!

It's okay, Ahao will be back soon. Our family will be reunited soon and we won't be separated again.

No! I didn't expect that something would happen to the always cheerful me and my eldest sister...my sister would cry like this, if only she could protect them better!

A nighttime city skyline with various skyscrapers and buildings illuminated by lights. The sky is dark blue.

Alas... the second sister would actually cry until she fell asleep.

A woman with short brown hair is lying on her side in a bed, wearing a white ribbed sweater. She has a peaceful expression on her face, suggesting she is asleep.

Every time I think of my second sister, I think of her smile first. As a pistachio in our family, she is obviously smiling.

Even with the slightest hint of consciousness, when I got stuck in that perverted situation, I still had the intention to harm innocent people...

It's against the grain, but after seeing my second sister in tears and the education I received as a child...

, then why would I  
want to completely  
disappear into  
nothing and only  
cherish the pain of the  
person, if my kindness  
has nothing to do with  
the person?

As long as the  
existence that I  
have looked down  
upon and despised  
the most can be the  
person I once was, I  
am fine with it.

OK, let's get started!

No matter what  
the cost, I have  
planned  
everything, and I  
am going to start a  
rebellion! Be  
successful.

As long as I can  
achieve my goal, I  
will do whatever it  
takes to get rid of  
anyone who stands  
in my way...

No matter how  
despicable or  
despicable the method  
is, I will use it...
