

Woah!

This weird hall of mirrors is magic... or haunted... or something.

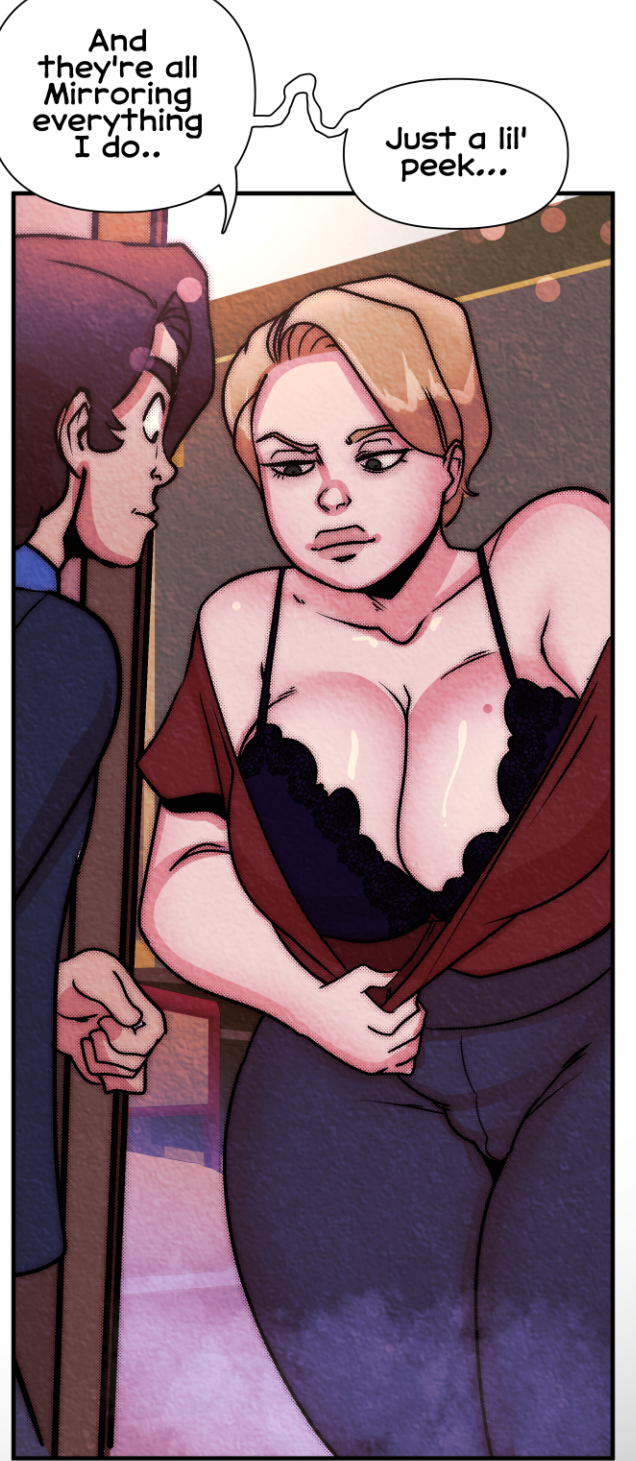

Heh. Look at this cutie! Kinda busty girl next door! Just so PERKY!

Oh! A cute spoiled girl!

Is it me...

or are all of my reflections cute... VERY busty girls... except for the first one...

And they're all Mirroring everything I do..

Just a lil' peek...

I wonder why there's a covered one.

N-Nothing ominous and spooky, I'm sure.

P-please.

Don't be some sort of Masked Slasher Killer.

Thank gosh.

Wow, She's REALLY cute!

Kinda reminds me of some sort of "Last Girl" from those slasher movies.

Huh, She looks pretty scared though.

S-something's not sitting well with me. Everything feels off.

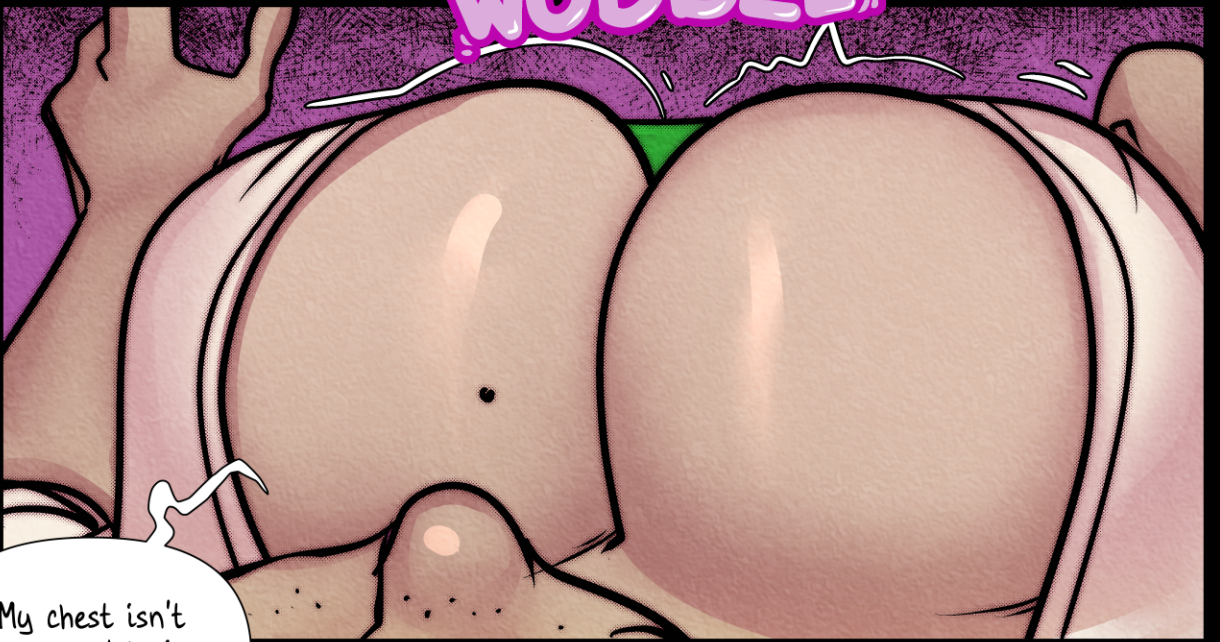

KAFF!

HCKK!!

A-hem Weird, Do I sound weird? Why's my voice all high pitched?

Jiggle?

My chest isn't supposed to j-jiggle.

Or my butt!

Like.
What happened to the lights?!

The power kinda sucks here.

You look very cute...

Do you like cosplay?
