

later

Yeah!
Yeah!

What
should I do?
Lao Shao is
not well
yet?

I can't bear
it any longer!
If he doesn't
come again,

After all, watching
my mother fuck Teacher
Jiang in such a rude and
vulgar way, this picture
and scene is really...

Do you like
my big futar
cock, haha?
How about this
beautiful
teacher?

You've
already cum three
times! Don't do it
anymore, please,
please... uh... no

I just want to use
this beautiful mother's
body to cum all over him
today! ! What's the point
of just three shots?

I'm going to
die if I keep doing
this! Oh oh oh oh
oh! No

Use your body to
continue living, haha!
Because I will replace you
soon, hahahaha, I'm a jerk!
Don't worry, you will never
be fucked to death.

Don't...don't...

Creampie on my son's teacher haha! I want to use the beautiful mother's cock to hum again! Gonna cum

射了啊啊啊啊啊!

Cum!

I'm really,
really going to die...
Huh... Huh... I can't
do it anymore.

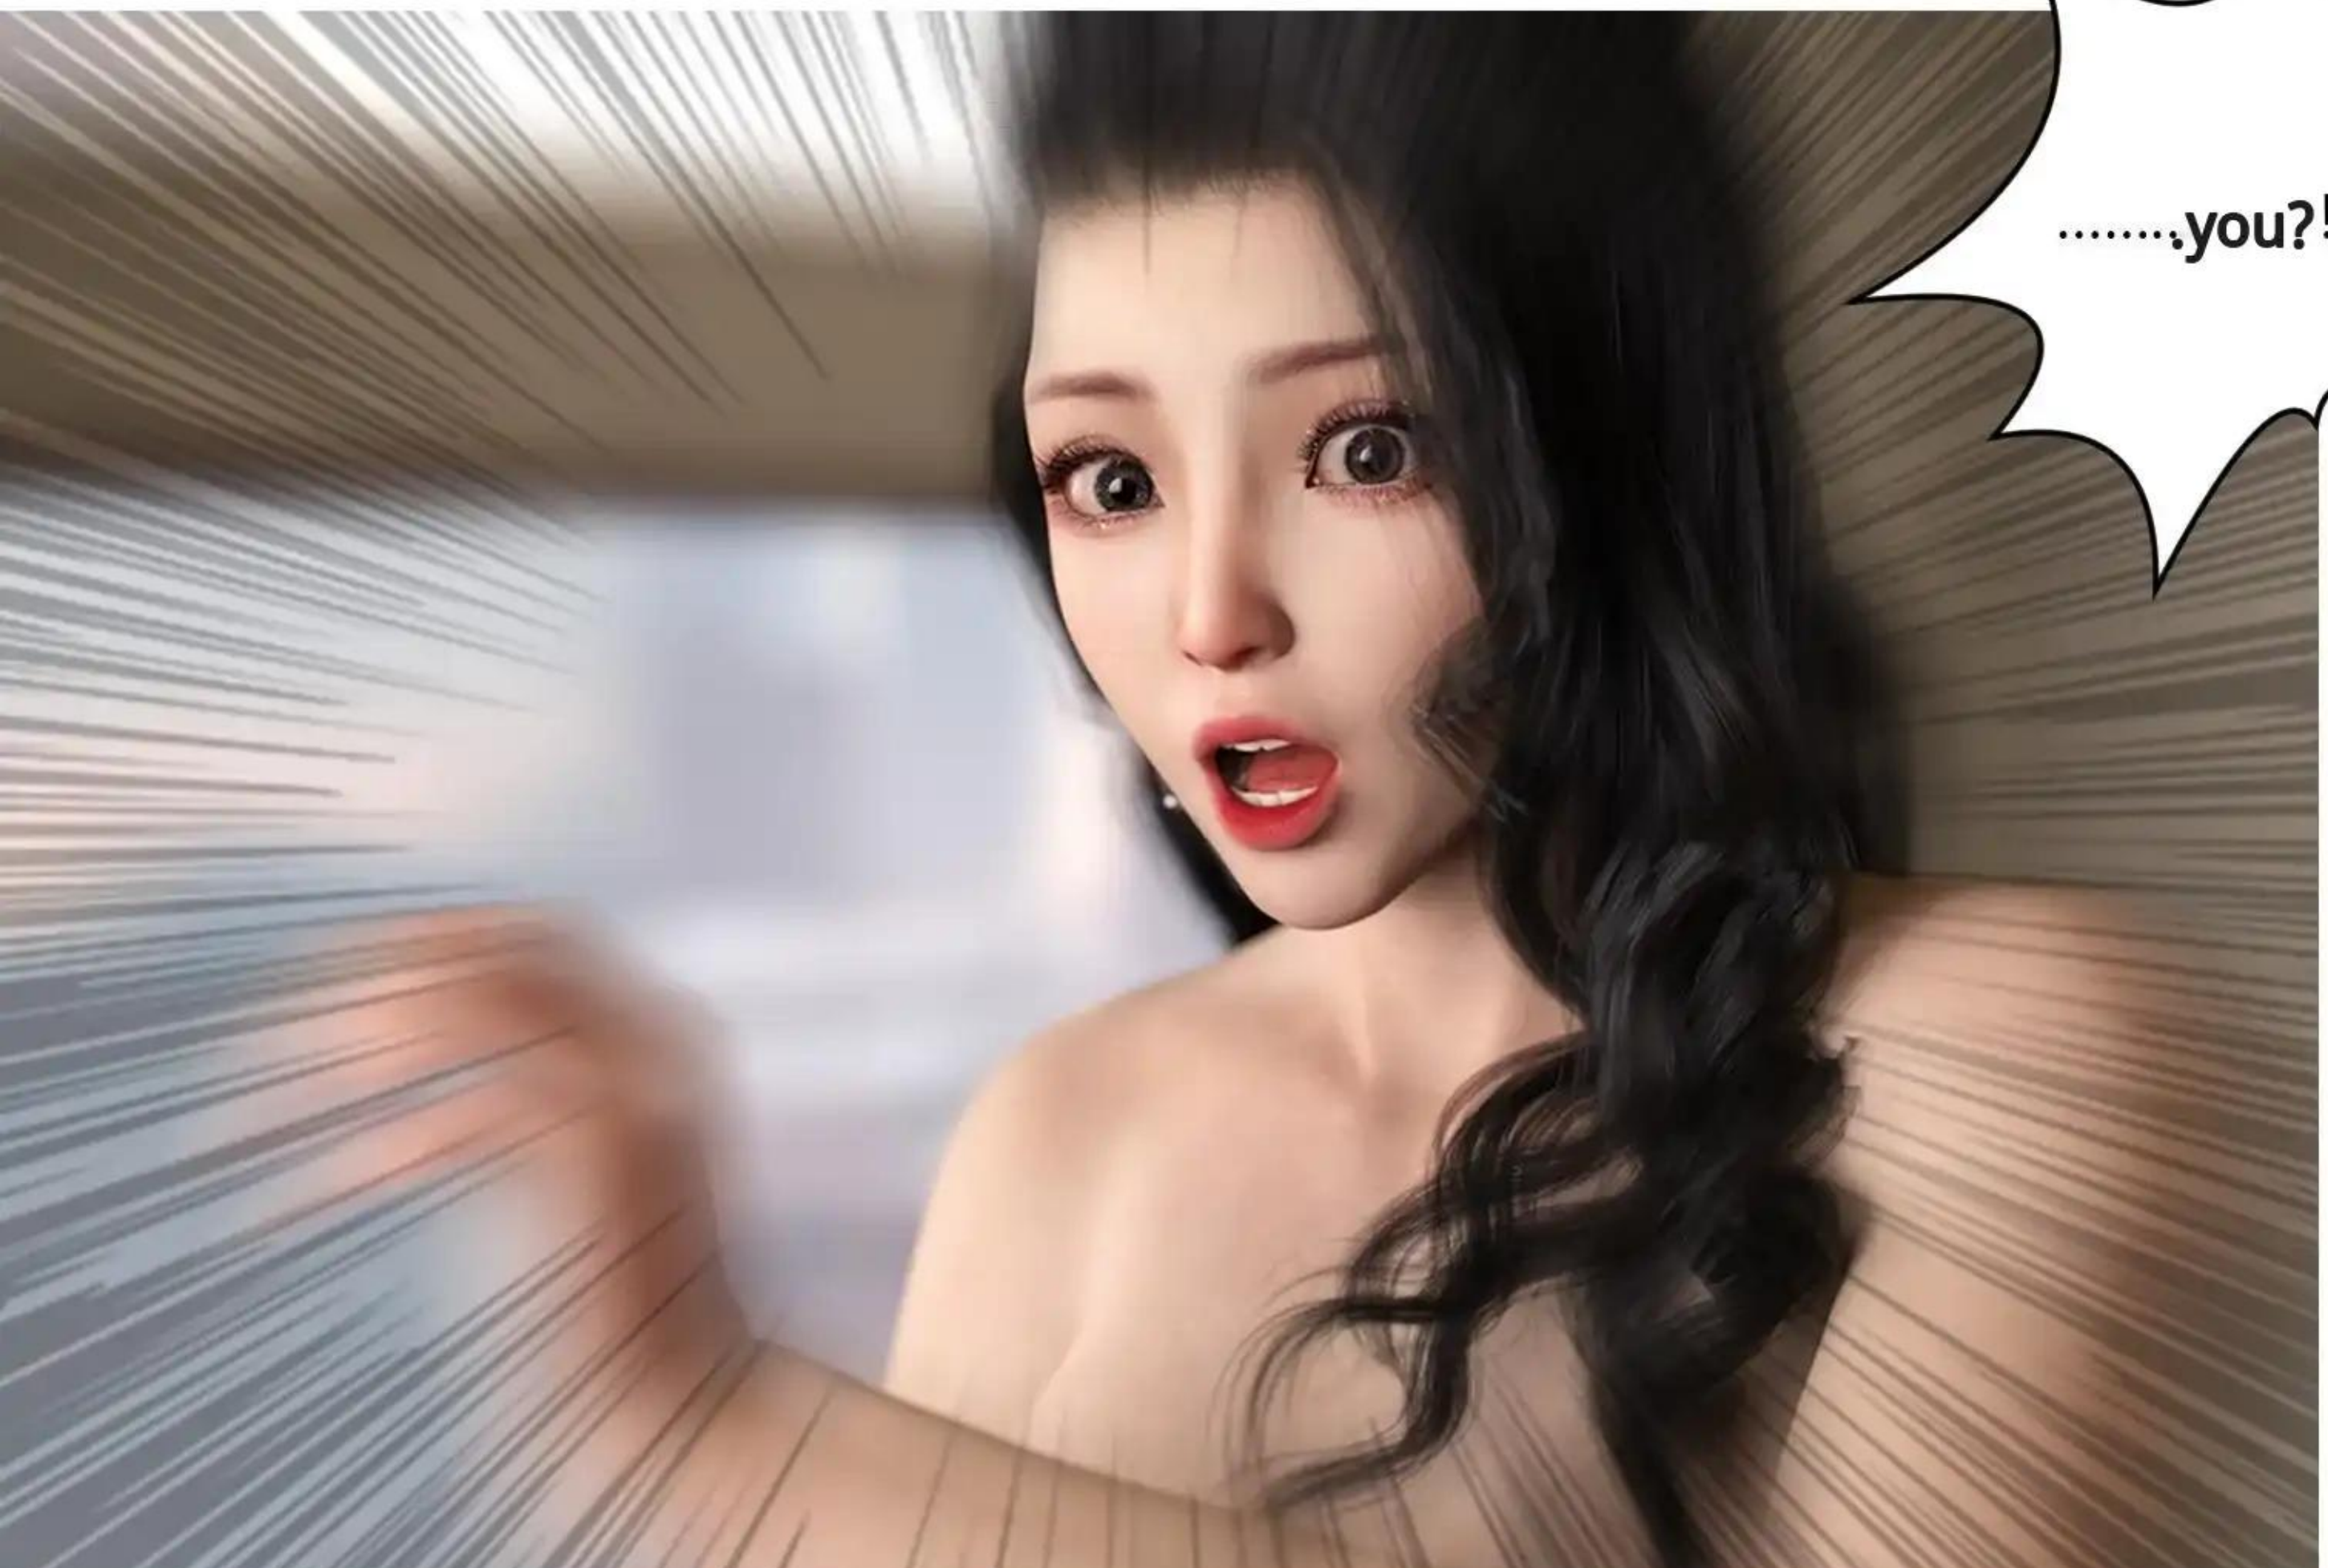

It's time to turn our beautiful teacher into human skin and wear it haha! Then comes my favorite part, it feels so good to cum.

It's true that
someone will
turn into skin
today.

.....you?!

But
unfortunately,
that person
won't be her.

Lao
Shao!

It's you perverted
bastard! Today I'm
going to turn into
skin

How could
it be! If you
were here,
then she...
...

Huh, you didn't expect
Lao Shao to secretly let him free
his hands to find this leather gun!
Let me take his identity and follow
you, take off my sister's skin and
give it to me,

I haven't forgotten
your part, but you actually
repaid kindness with hatred?
You...you're so fucking good!
While I'm wearing the beautiful
woman's skin myself, I think
I'm treating you well.

Where does the kindness come from that is worth talking about? You treat me like your little brother and just a tool. Don't say it so nicely. You're just doing it to satisfy your own desires.

I should just kill you two bastards, it would be much cleaner! OK, very good! I shouldn't have shown mercy in the first place and turned into human skin and thrown it into the garbage.

It's too early to be happy, haha... But you don't have to

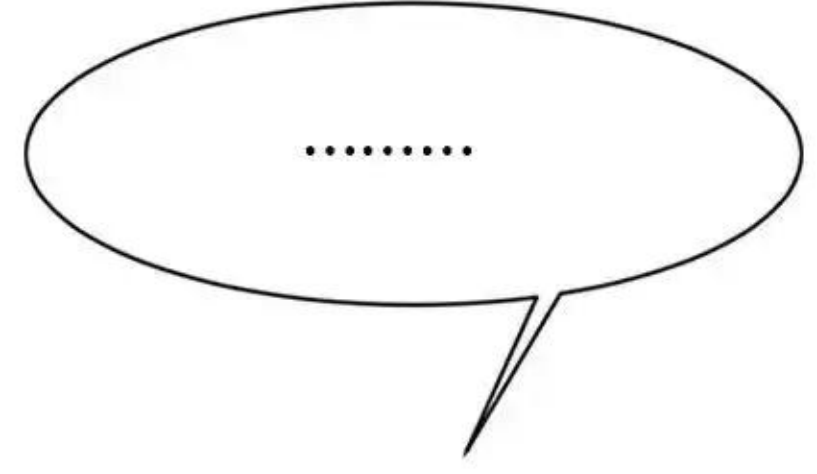

He wants to escape! Lao Shao, launch directly!

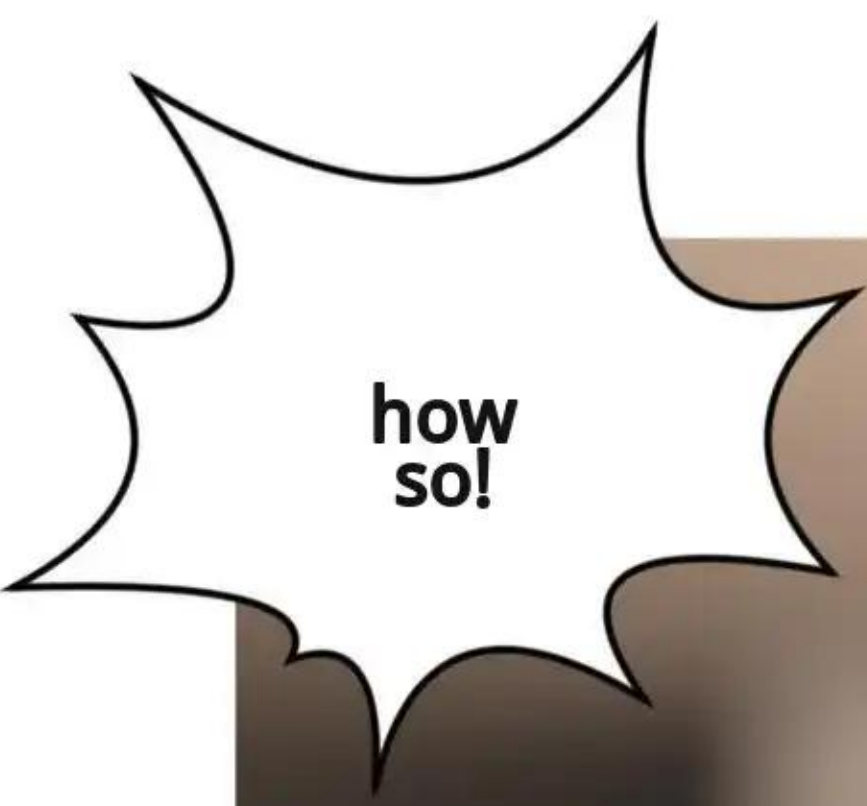

Where
to run!

Pull
it!

Hahaha,
of course
that's
because.

Real
leather
gun...

Be here with me
from beginning to
end!

**impossible!
So what's going
on with the one
we have?**

It's perfect for you
two idiots like you who
have no brains and won't
grow up, hahaha! A specially
customized model gun toy,
it was just the bait I used
to catch two brats.

**.I see, no wonder
you let me never think
that you were testing me
from beginning to end! I
peeked at where you put
the gun, and I thought
you were too careless.**

They all end in failure,
haha! Your score will be the
same as your ending. You
answered correctly, but
unfortunately in this test

And what will be the consequences of teasing adults again and again, you two little brats...ah! Now I'll let you know,

If you want
to touch them,
you must pass
my level first!

Fuck,
bitch, let
me go!

Bring me the
leather gun! You
just let me go,

**You really don't
want to fucking live!
How dare you fight
me?**

**Then I will make
it happen for you!**

ah!

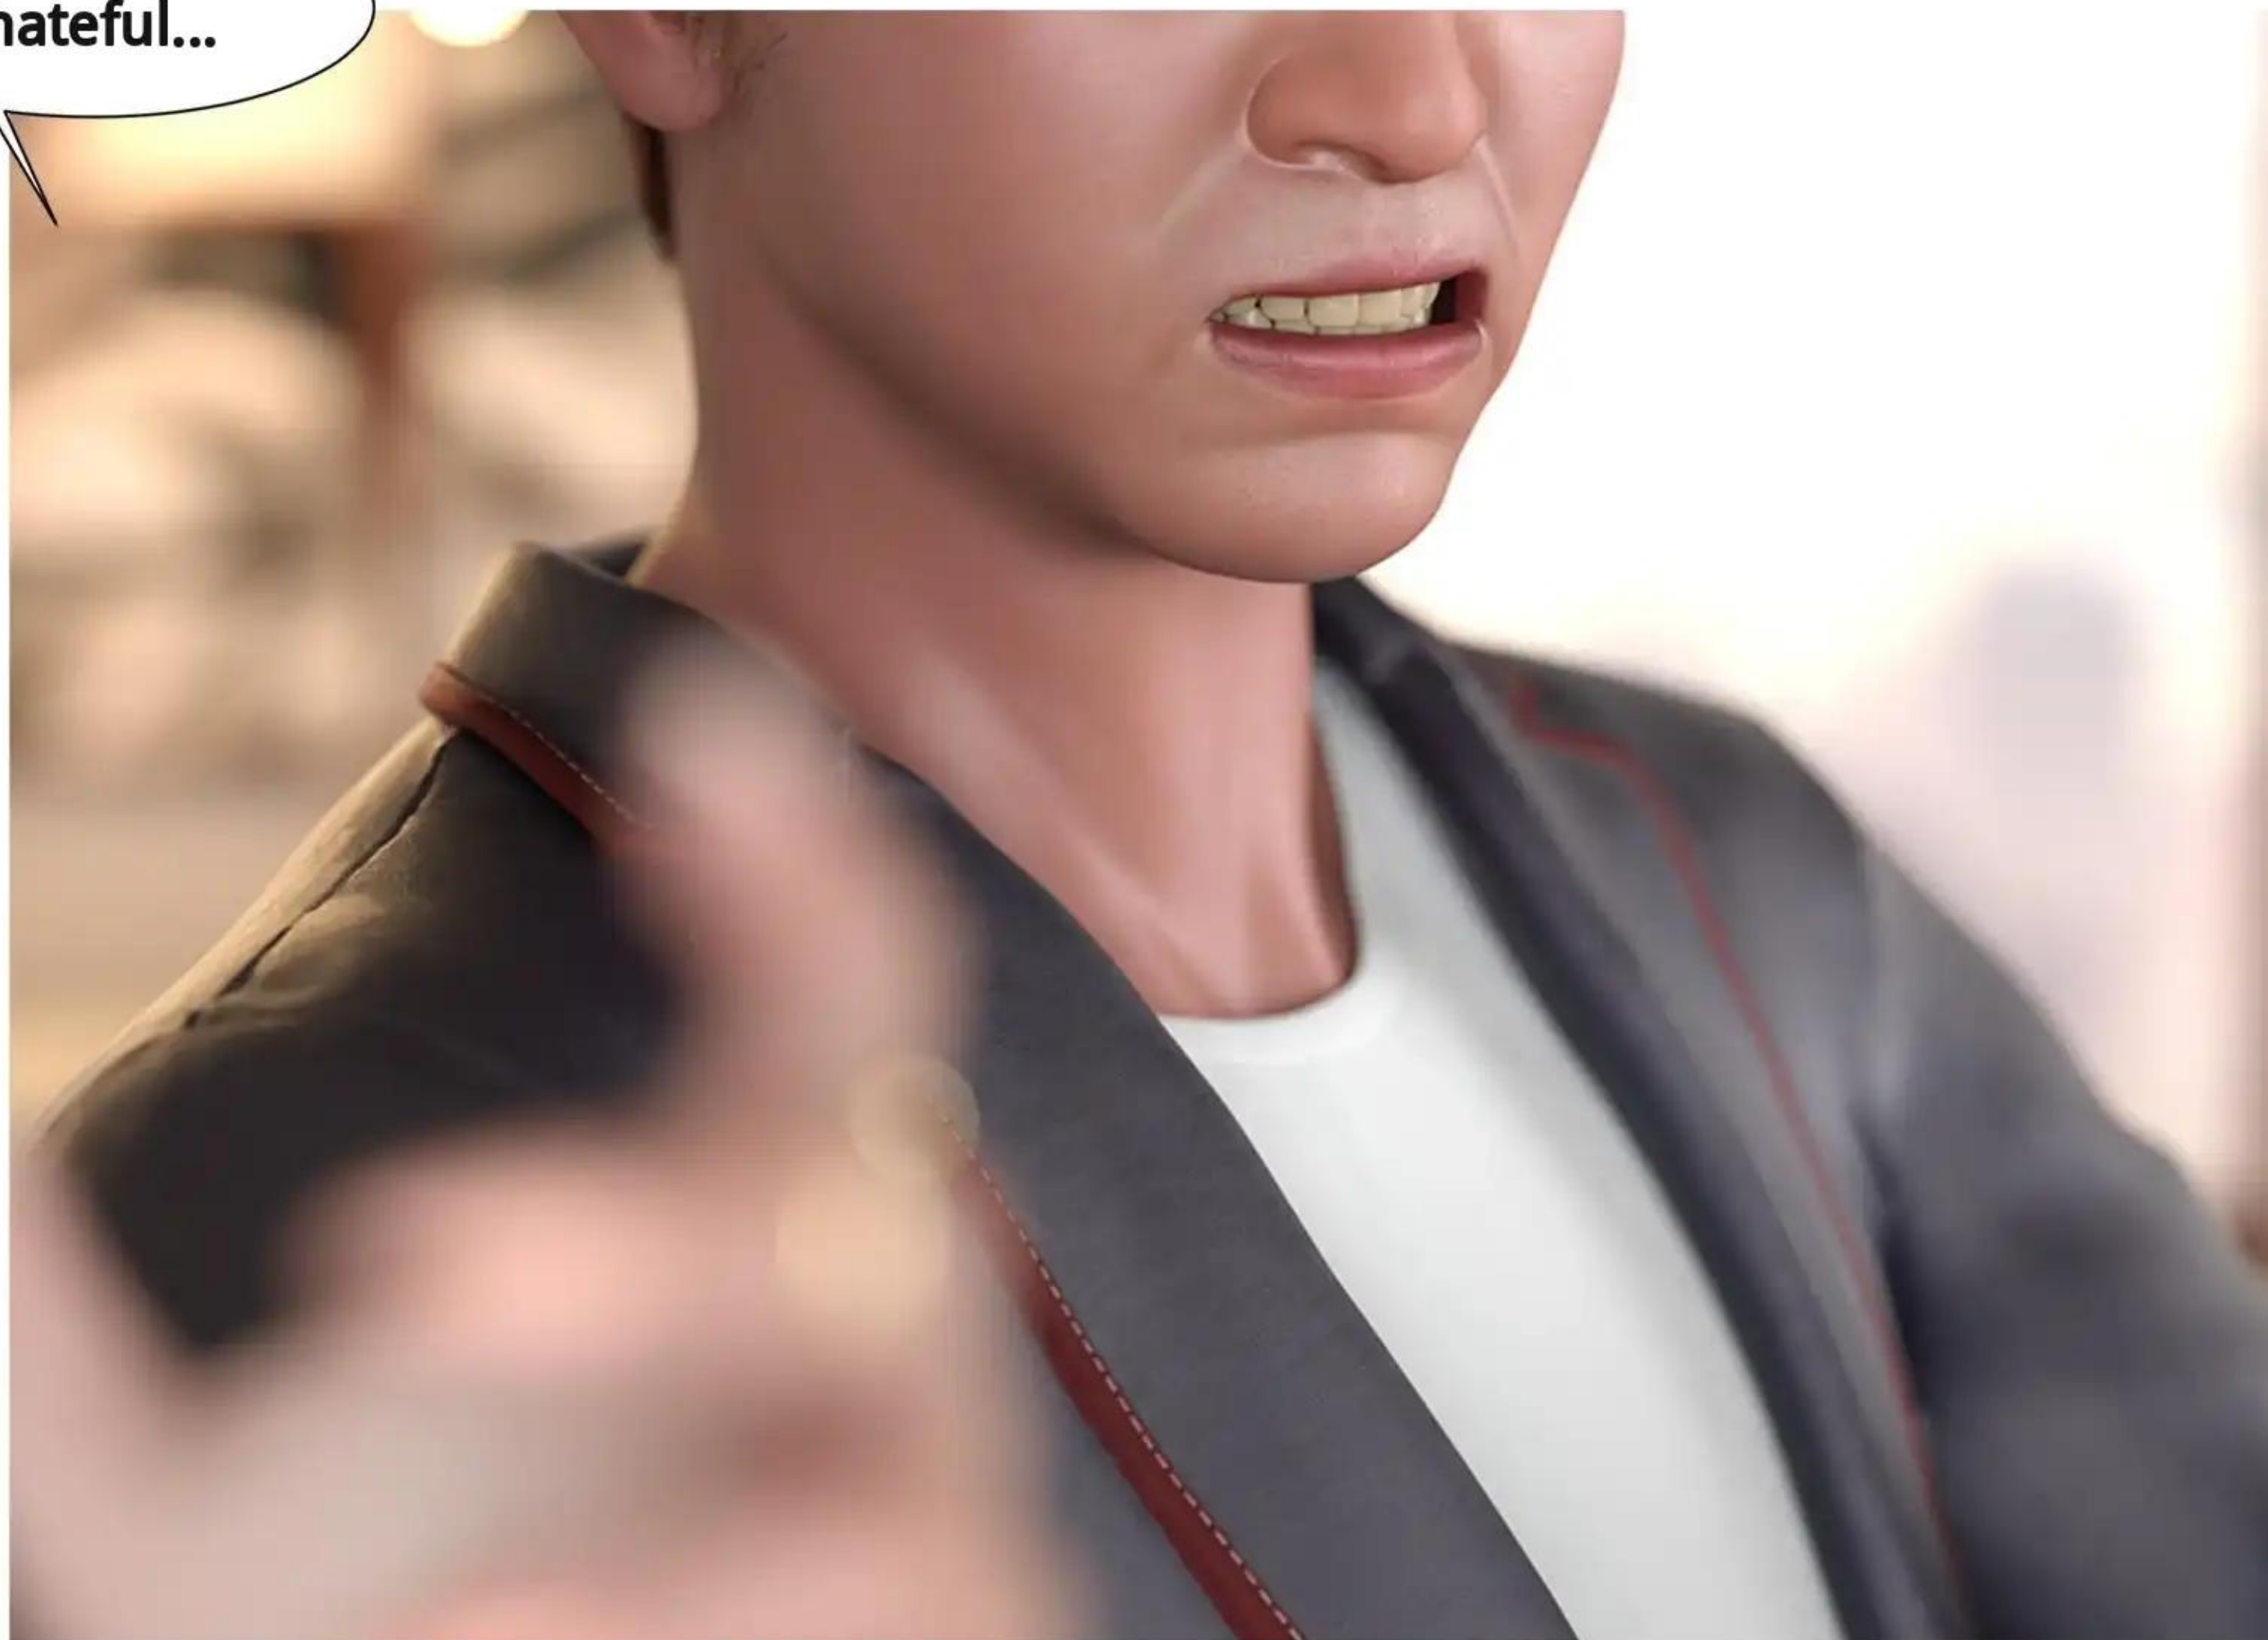

No!

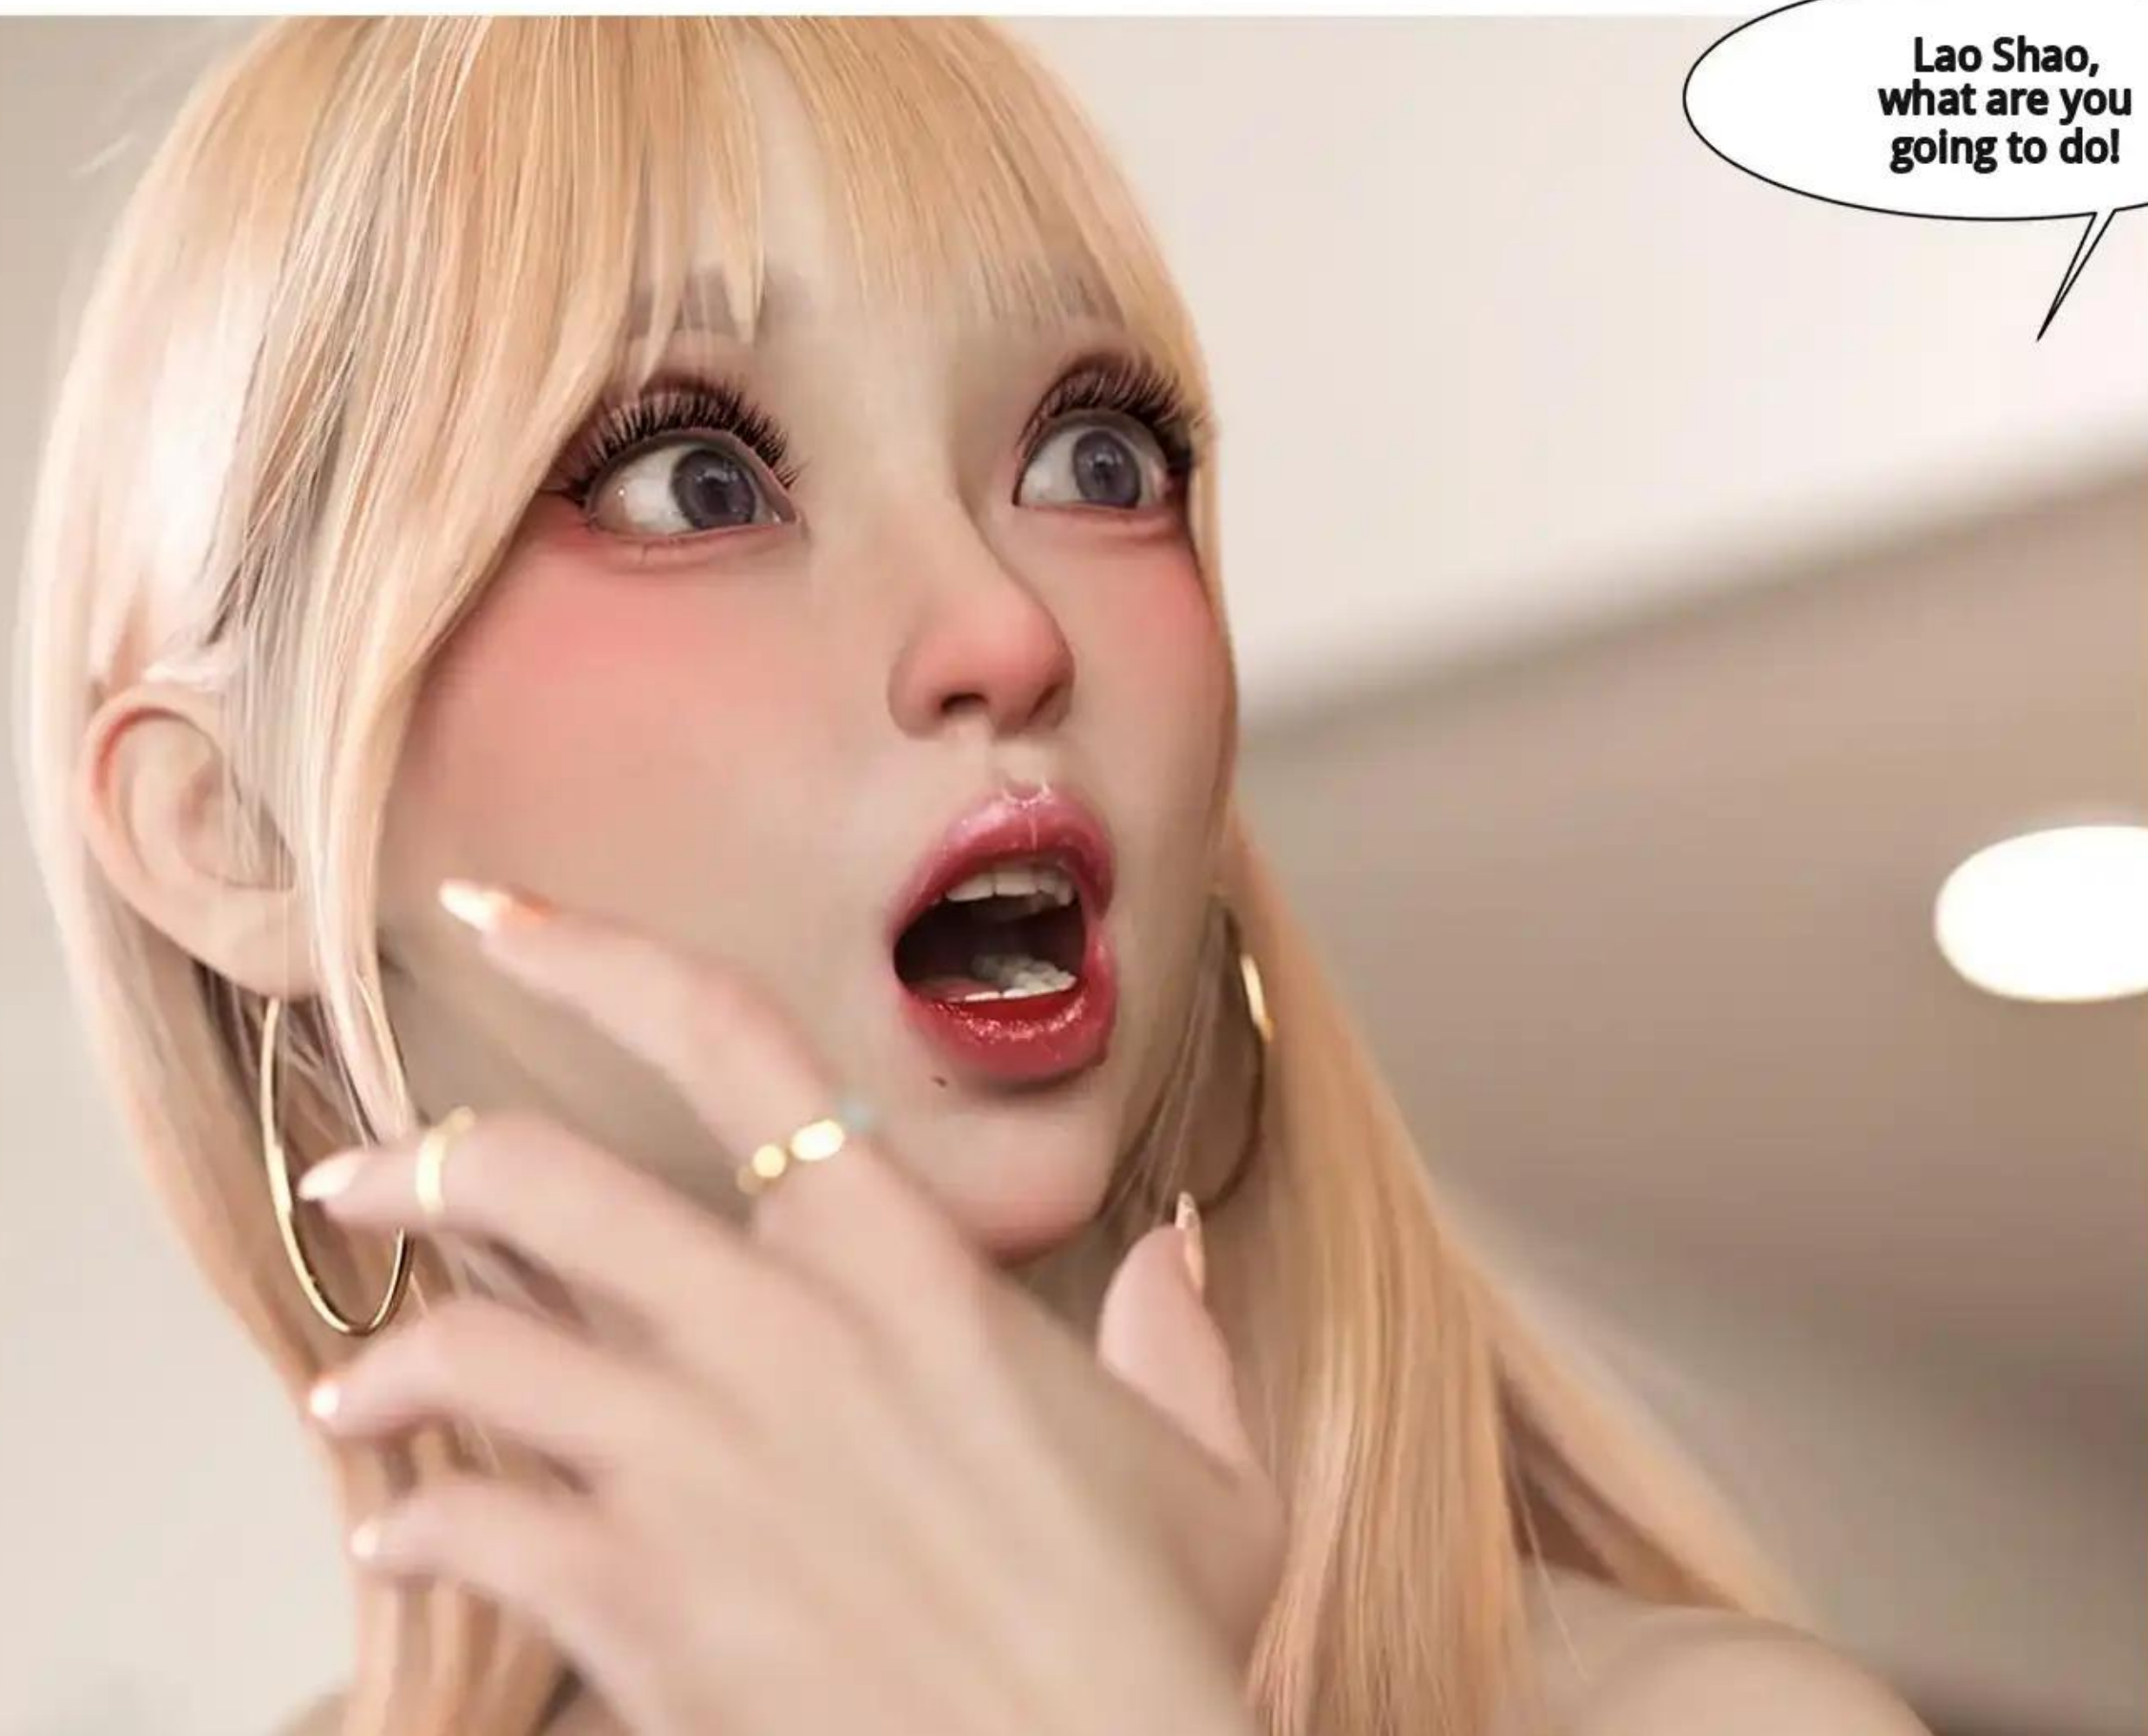

Then I will turn your whole family into skin!
Shut up! You two little bastards, you dare to plot against me, right?

hateful...

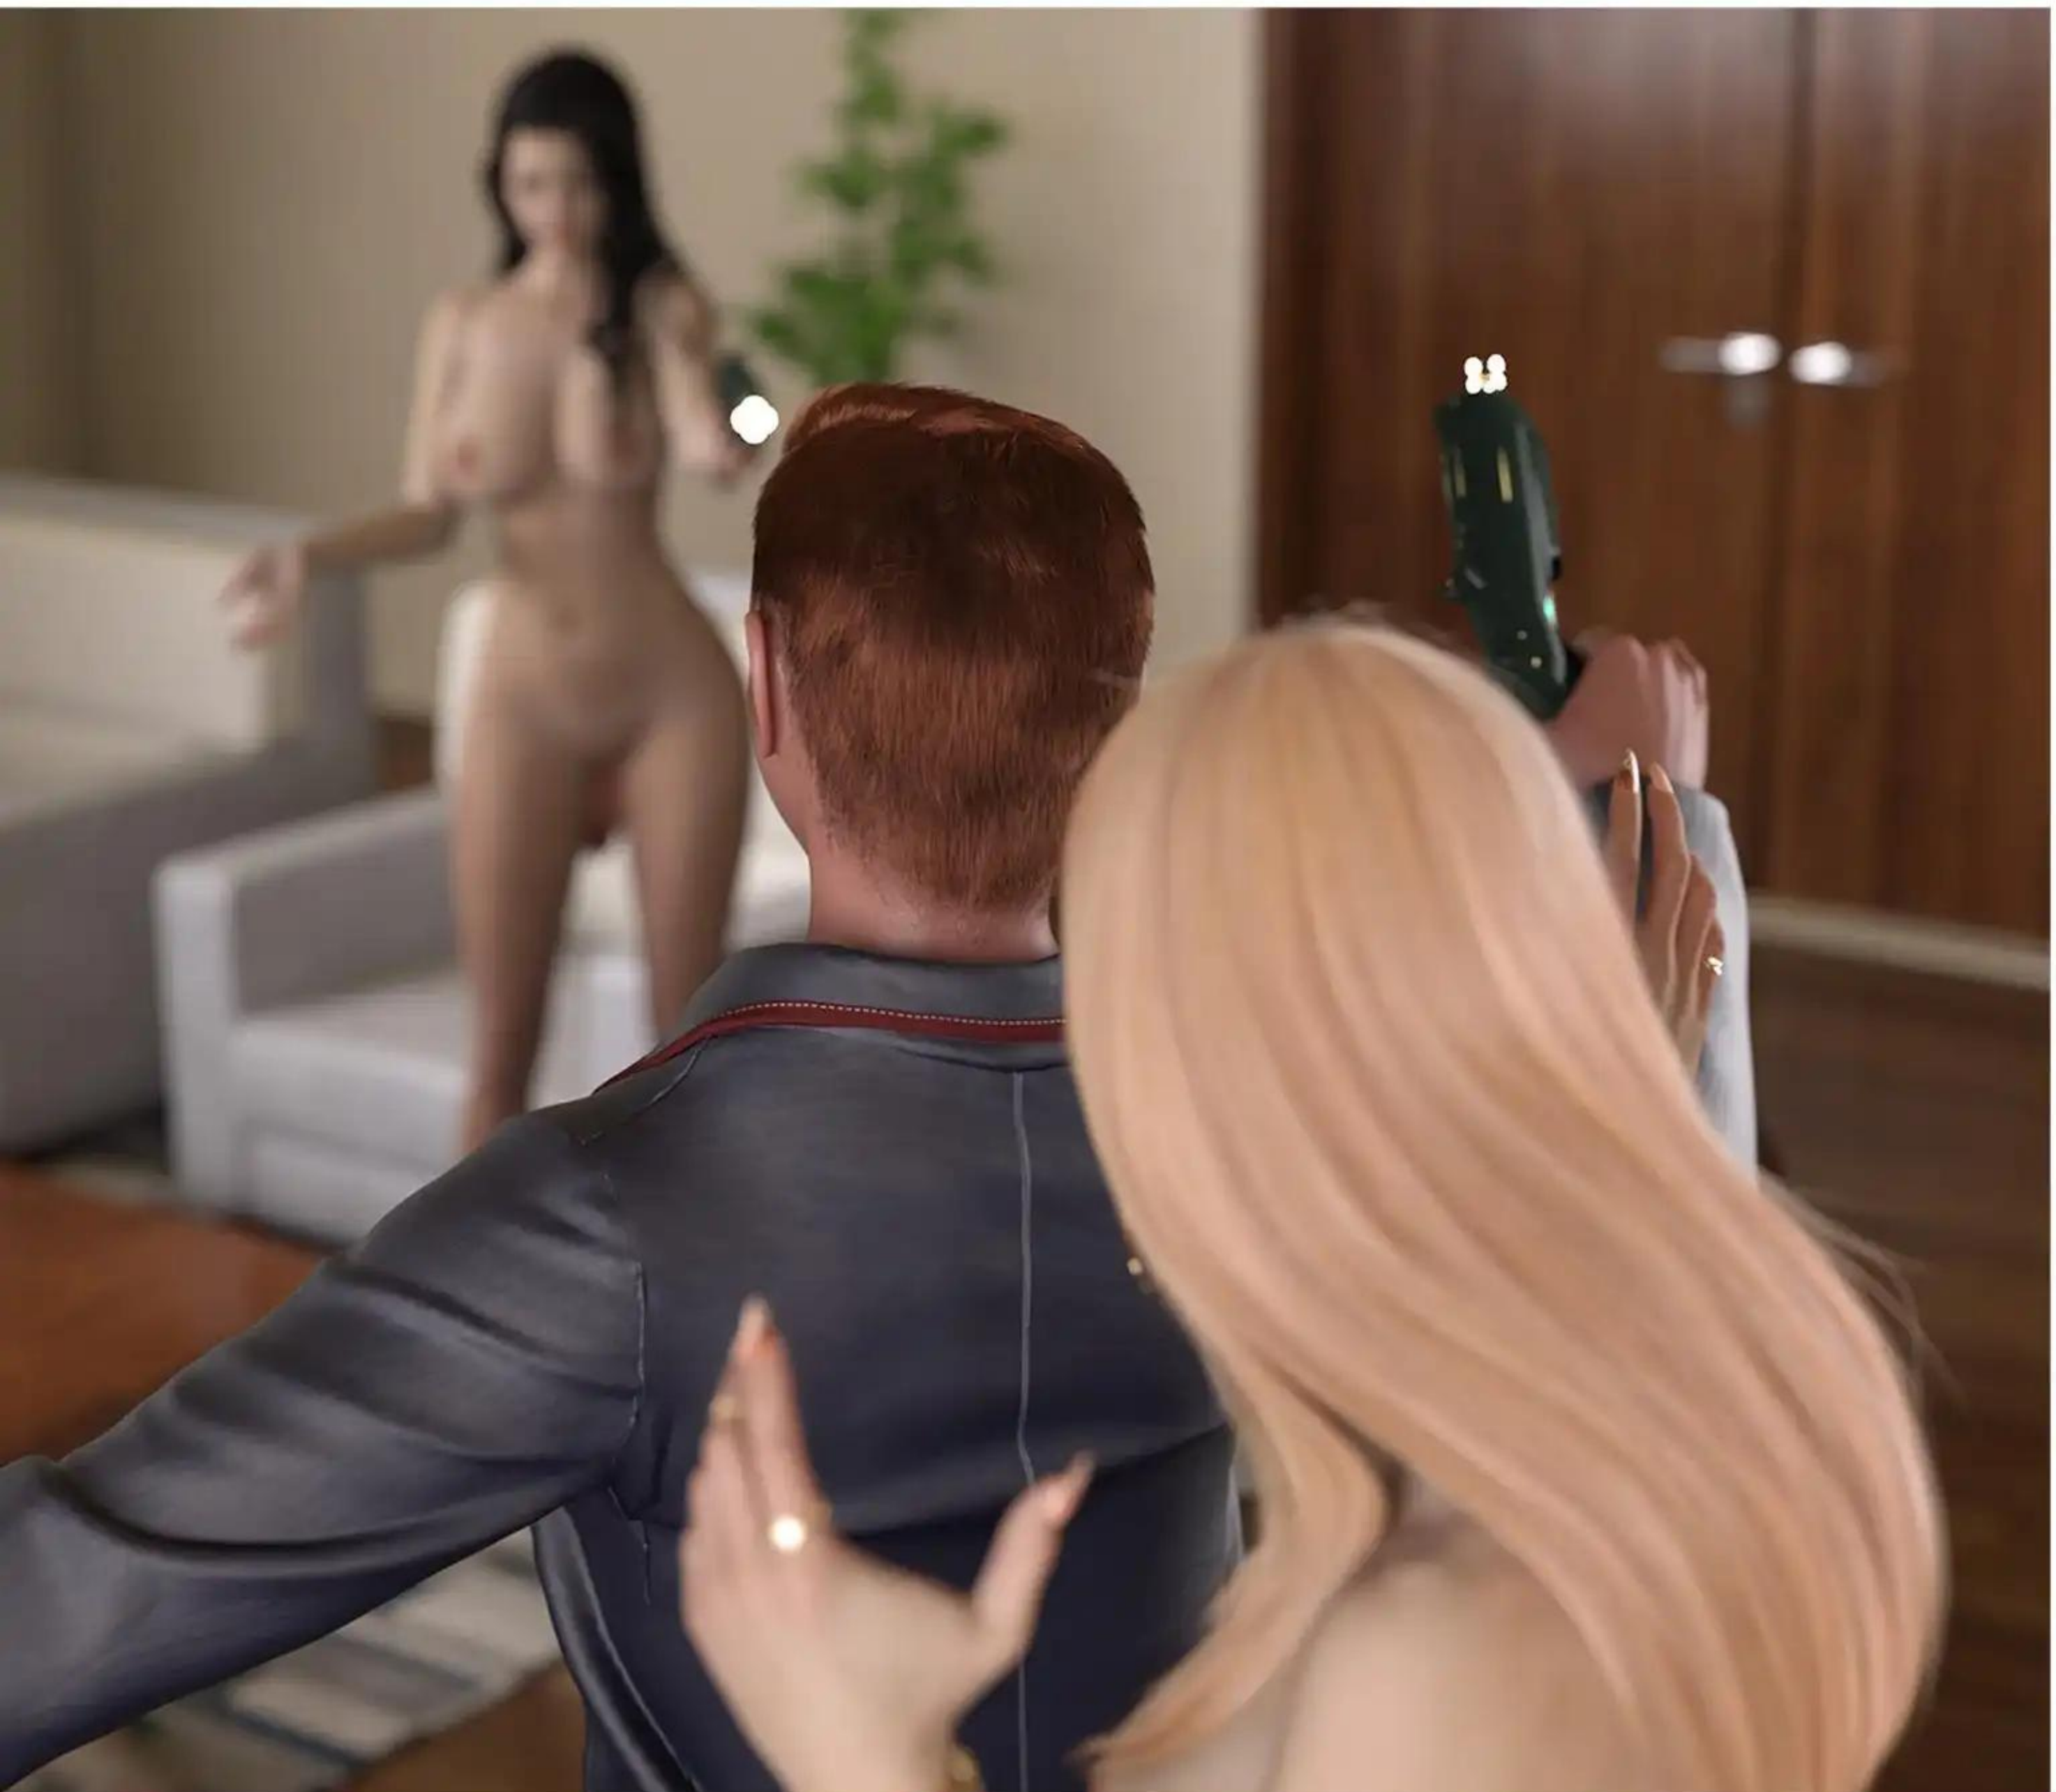

Lao Shao,
what are you
going to do!

Lao Zhou, run!
I'll hold on here, you
go call the police!

Lao
Shao,
you...!

Go quickly, show your sister's skin to the police, don't hesitate any longer! Your mother and your sister have already folded in, so don't worry they don't believe it.

The gun in my hand is faster! You two idiots, if you want to run away, just run away! I think you have fast feet.

**You brat wants
to be a hero, right?
Then I'll stab you
first...fuck you!**

This is impossible!
you! Why didn't
you turn into
human
skin?

Akai!
Great, you're
okay!

Come
on, come
together
and control
him!

Look at me,
bring me the
leather gun!

Give me
my mother's
body back!

Let me go,
let me go!
Ahhhhh! you
bastards

Why don't
you let me go
quickly! You...you
are so brave,

I must turn all of you bastards into human skin, ah ah ah! Just wait for me until I get the gun back.

Why don't you face reality yet? You have already lost haha! Save it, this leather gun has fallen into our hands, and you are also under our control,

But I still got
the leather gun
back! Not bad,
although the plan
was not as
expected

Why didn't you
turn into skin? It's
just that Kai, you
weren't shot by a
gun at that
time.

But do you think it's because I'm wearing Teacher Jiang's skin? I don't know either

Logically speaking, if she is shot by a leather gun, she should be transformed back, so the effect of the leather gun is directly nullified! yes! Teacher Jiang has turned into skin but because you are still wearing her

So it's okay, that's probably the truth, right? As for you in Teacher Jiang's body, because you were not directly shot by the gun,

How did you turn this female teacher into skin? Could it be...could it be that...? Wait...You, you are actually a man too? But how could it be, I never let it leave my sight, ever since I got the leather gun

I have already put on the human skin of Witch Ginger! In fact, long before they went to the hotel, Heng Heng, my acting skills are pretty good!

Living pretending to be her for so long! I can only wear her skin all the time. Speaking of which, it's all your damn pervert's fault.

Just let me
lose completely?
Actually...it turned
out to be like this,
just because of the
playfulness of a few
idiots, plus a series
of coincidences
and luck,

**Not because of
any luck! You are
wrong, the reason
why you lose,**

go

You will lose sooner or later! But you don't have any allies around you. You base your happiness on the pain of others and create so many enemies for yourself.

It can make us turn against each other. People like you must have no friends, right? So I thought I was just making a few remarks

But as everyone knows, it is because you still have blind confidence in yourself that will lead to your failure! The contempt for our friendship,

What about
friendship? Bah!
go! Sure enough,
he is a little kid
who really thinks
life is like a fairy
tale.

Can you still
maintain your
ridiculous friendship
like this? I'll wait and
see when you two
friends face
interests and
desires.

Because it's impossible for you to see it when it's about to turn into skin! I don't need to worry about our friendship.

Today I will let him experience for himself what it feels like to turn into skin! Doesn't he like turning people into skin the most? Lao Zhou, take your mother's skin off him,

Isn't it too cheap for him? , wait, wait, let him turn into skin like this

You have to let me take revenge, right? I just endured the humiliation and was fucked to death by him, not to mention that for our grand plan, I

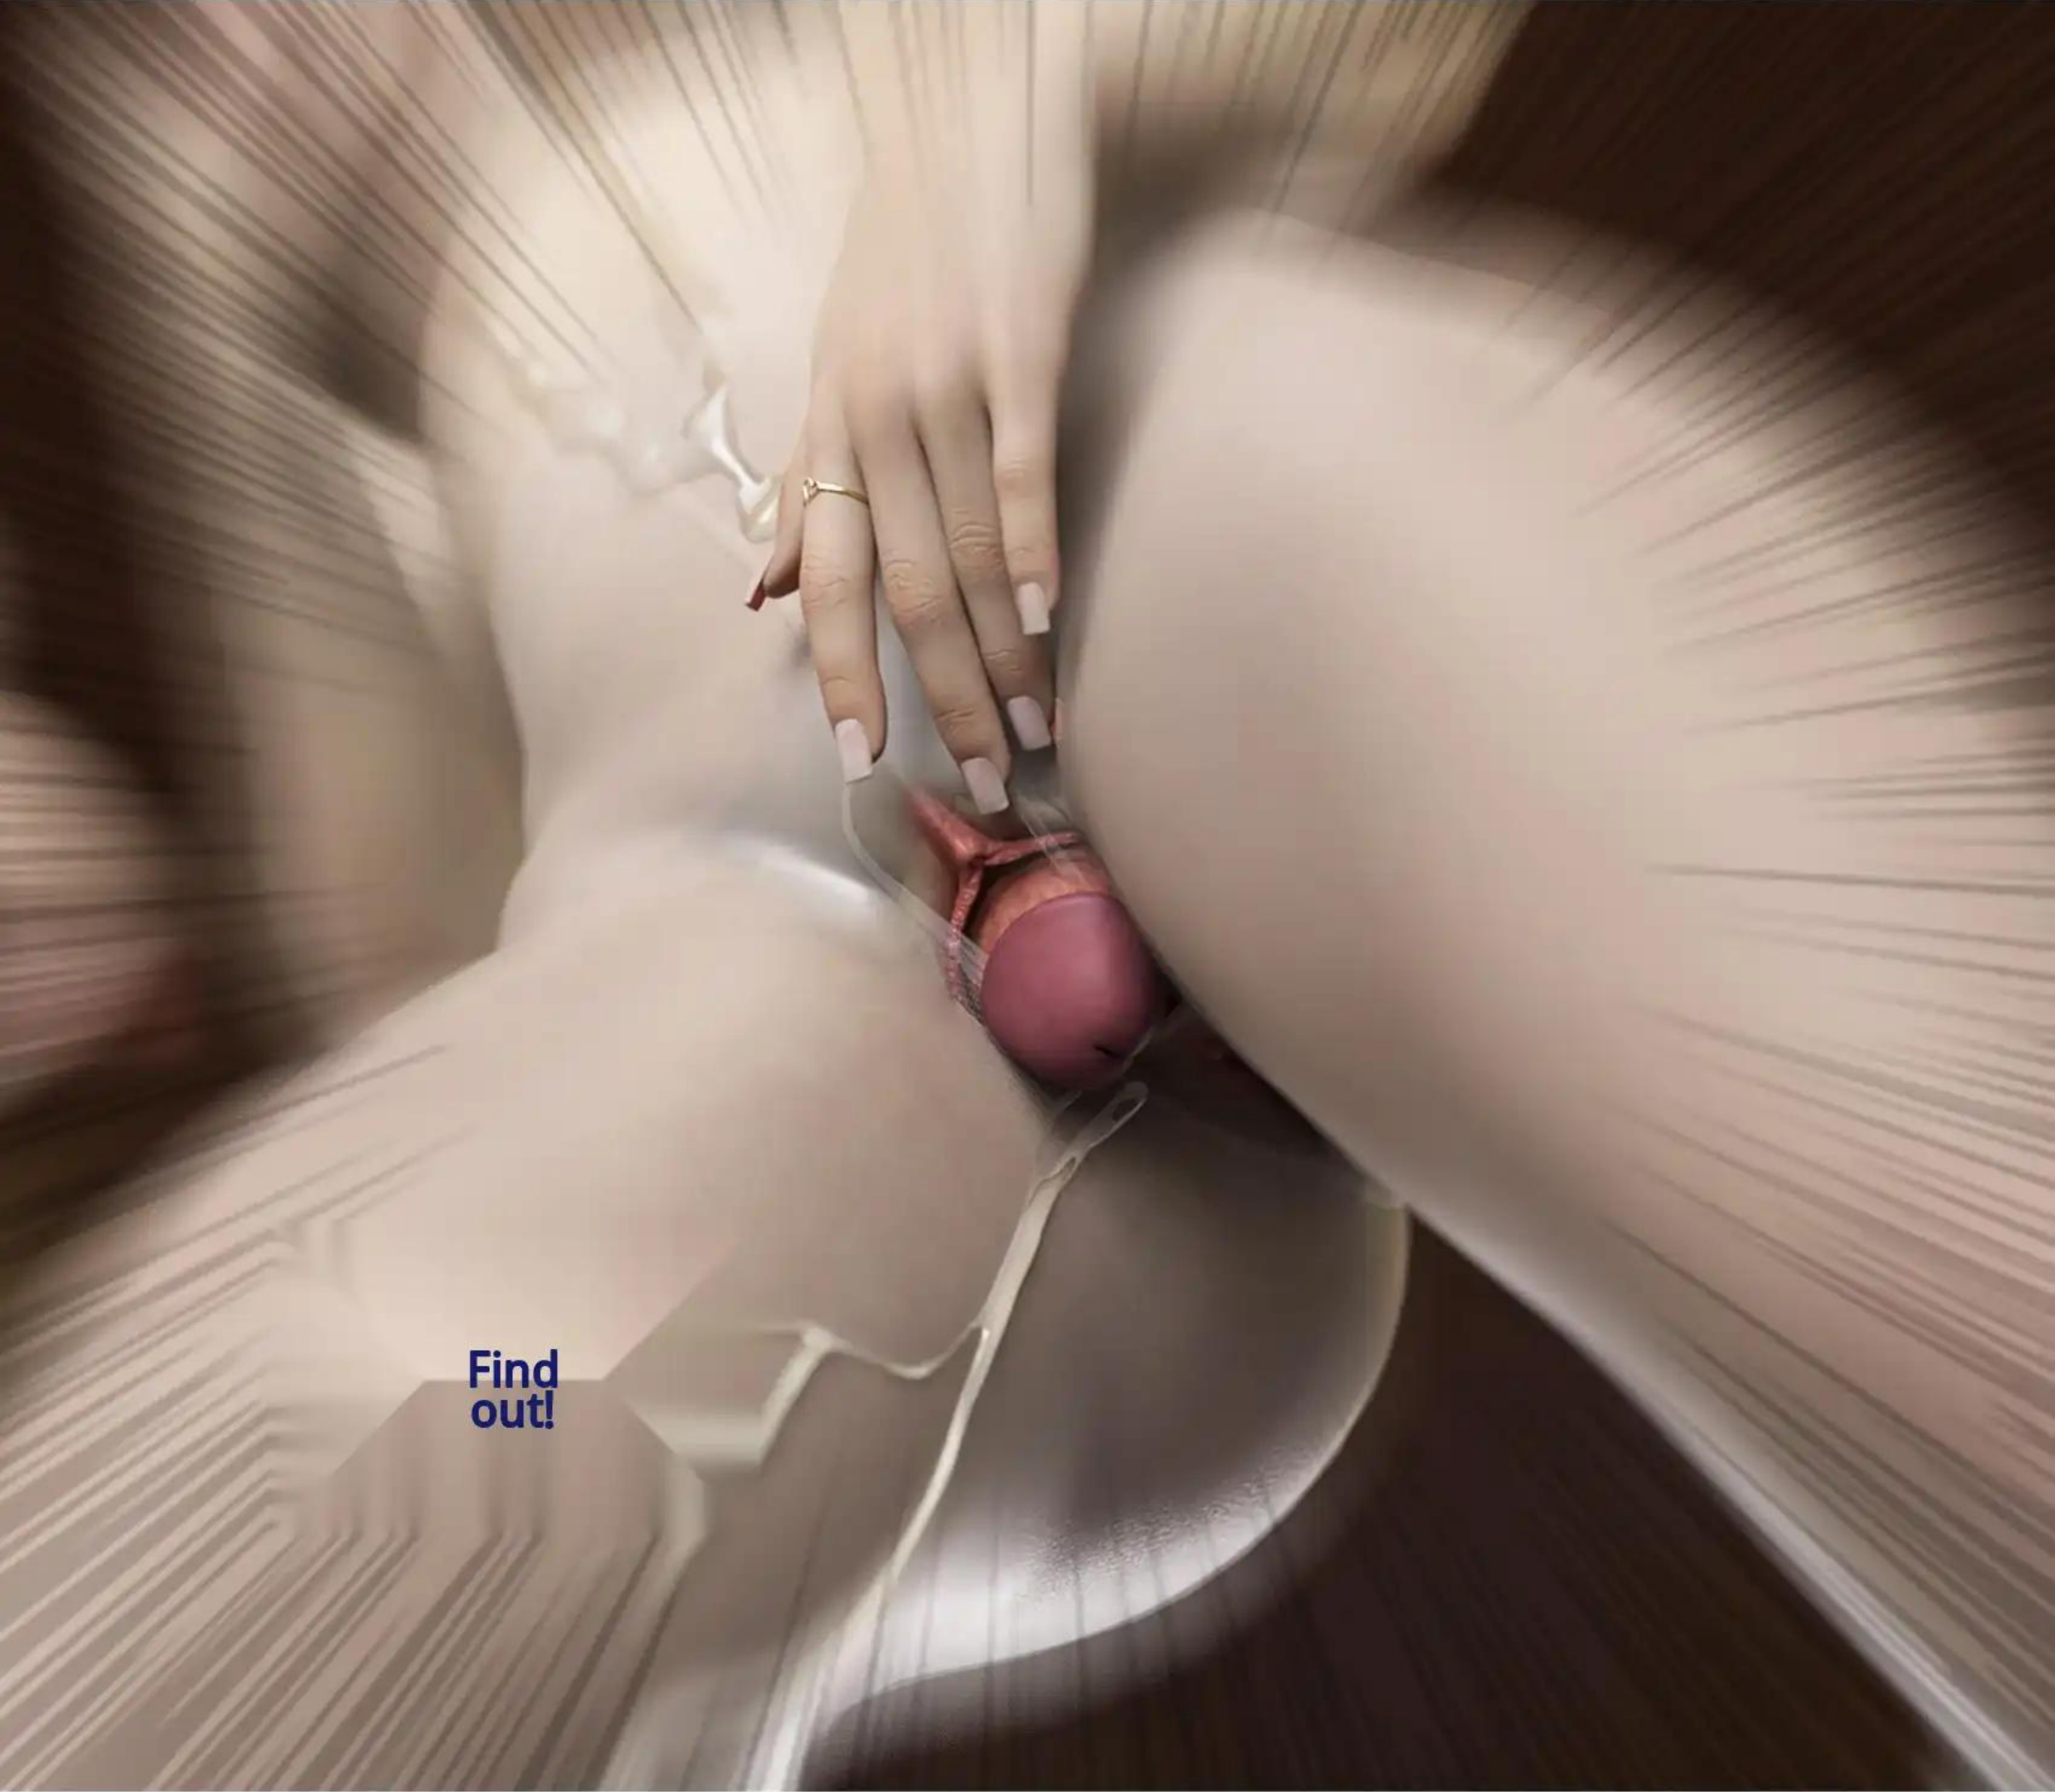

As a son and brother,
it is unjustifiable not to
avenge them! ...Indeed, he
played with my mother and
sister like this

**We have to pay
back double what we
have done before! Before
he turned into skin, right!
We can't be the only ones
being played by him.**

Hey!

Find out!

Are you working hard and enjoying yourself? So now it's your turn to make me happy, right? snort! You weren't very arrogant just now,

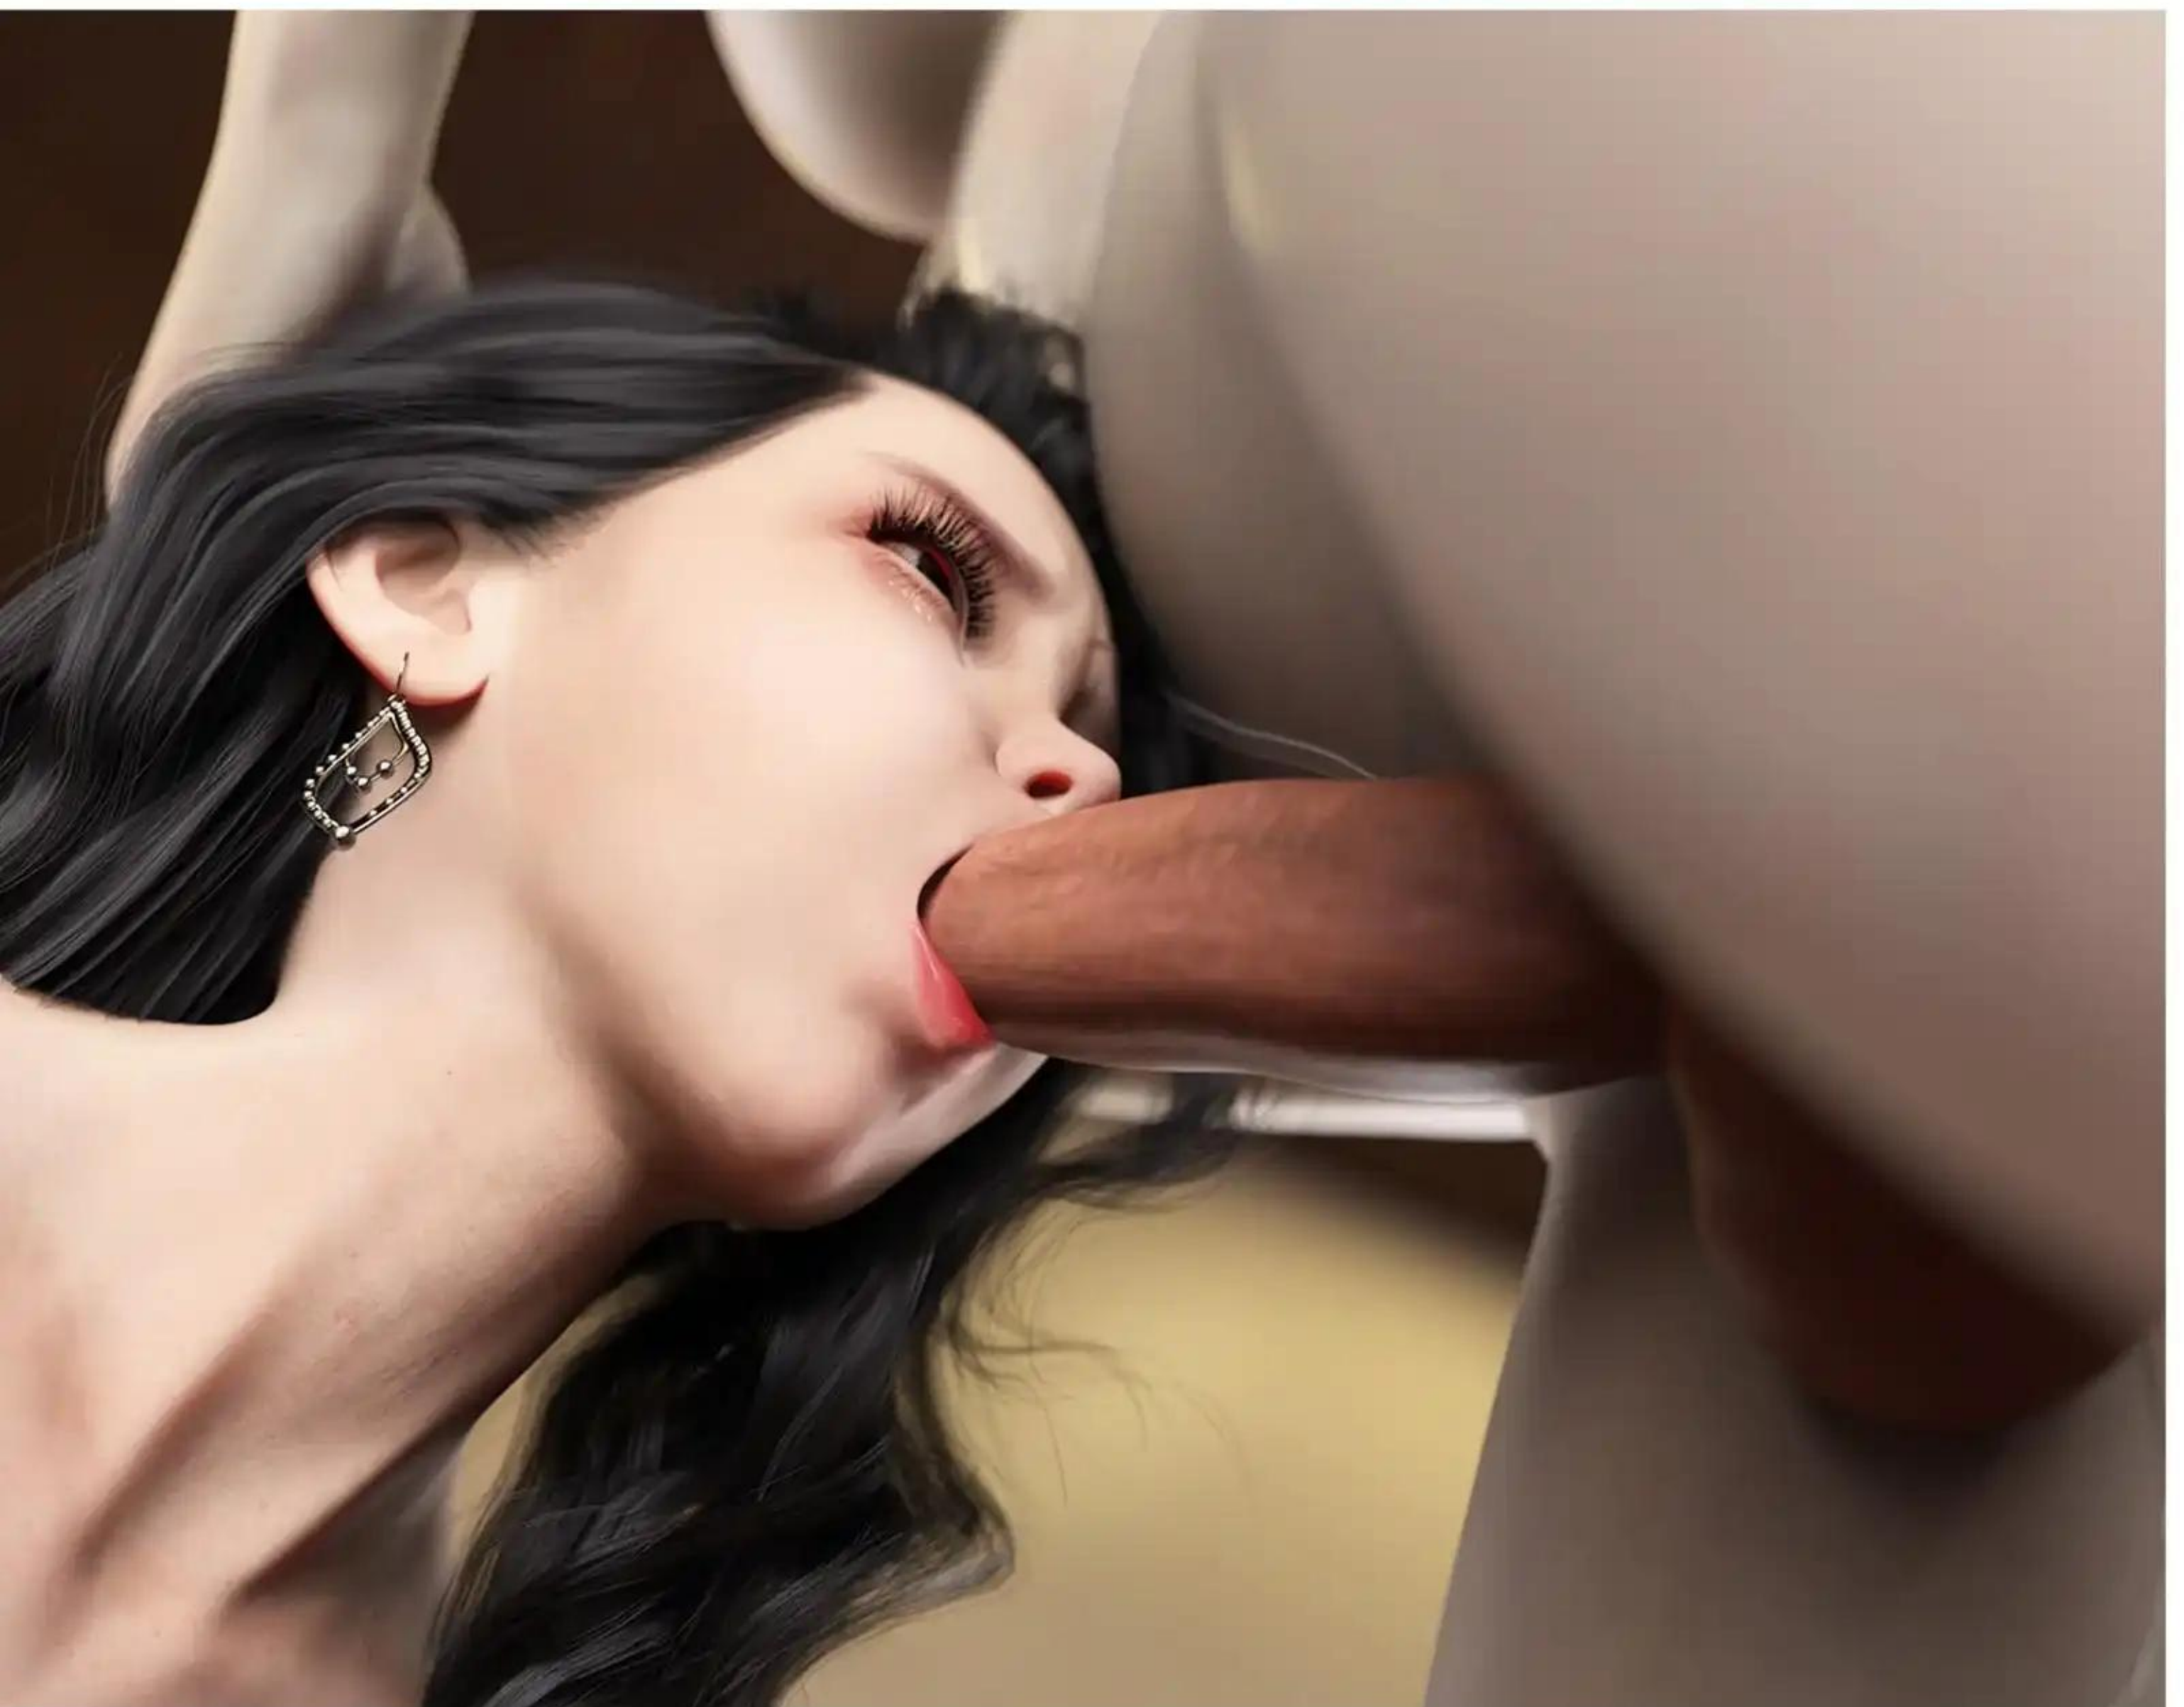

**You fucking dare
to touch me... Wu
Ming Ming!**

I moved,
what can you
do! Eat my cock
obediently,
hahaha!

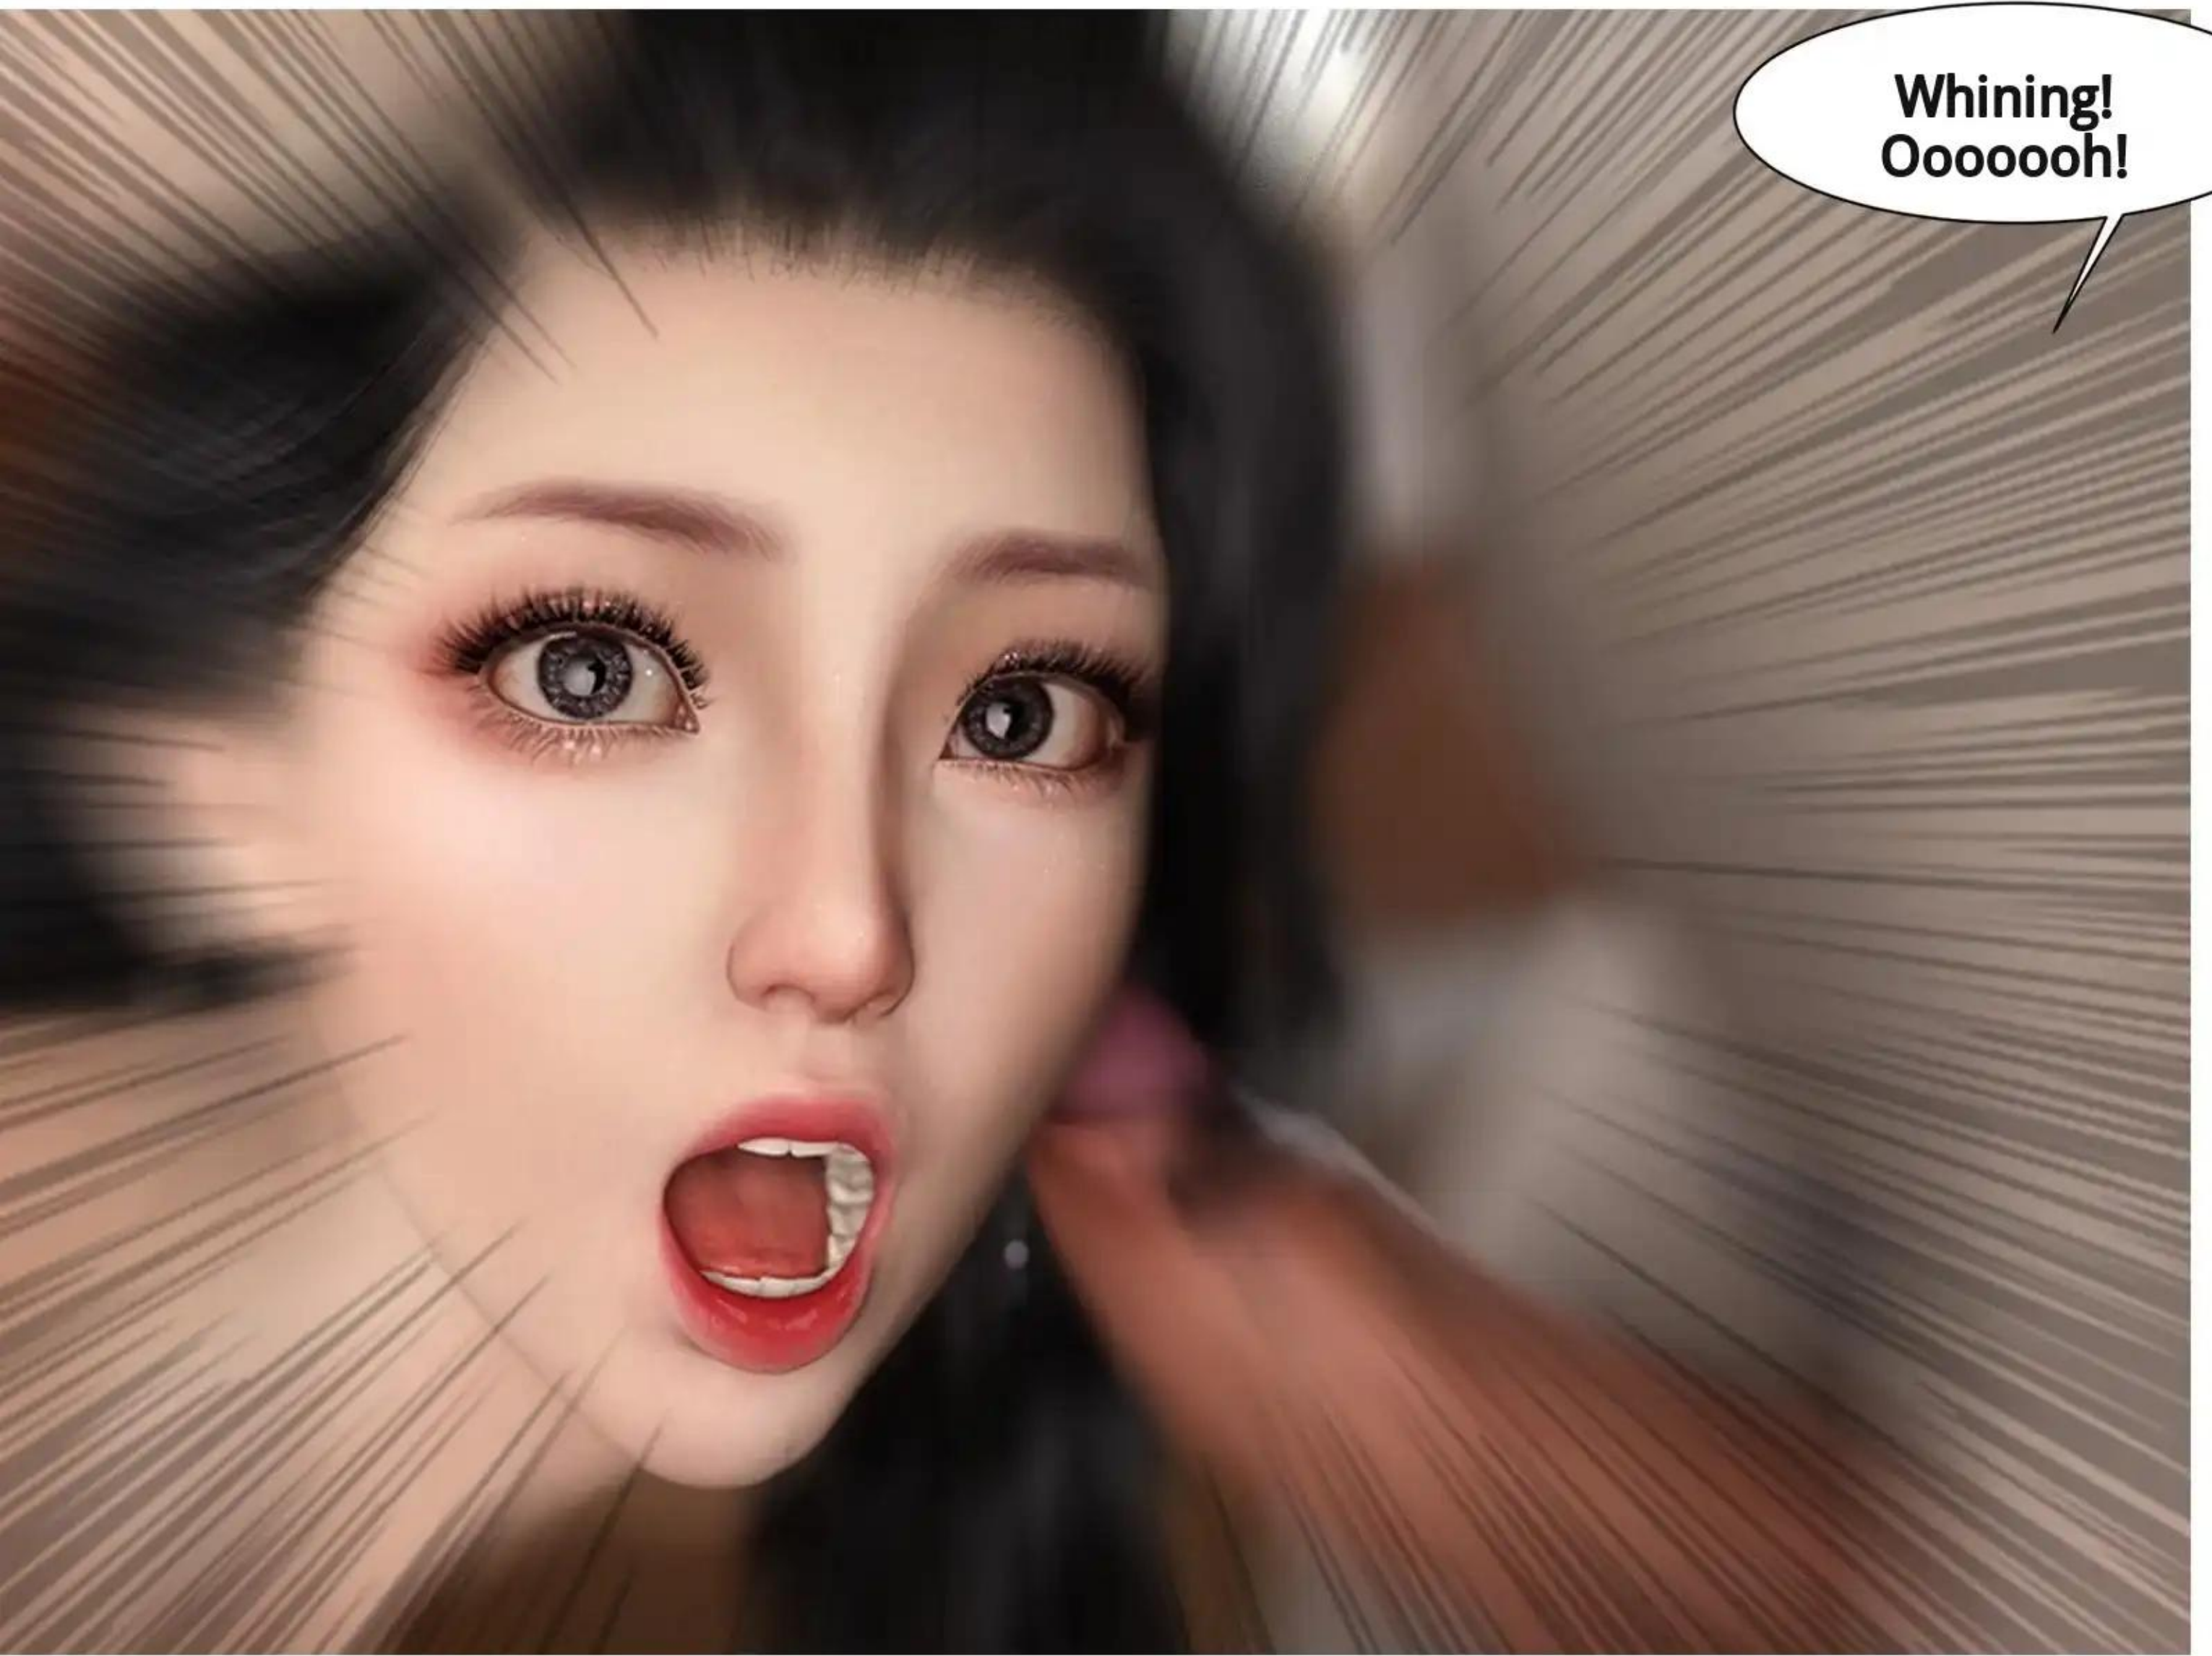

It feels so, so
uncomfortable
that I can't breathe
but I feel sick to my
stomach! That
whole throat
is full

**Why are you using
my mother's body
now? Wasn't it very
arrogant just now?
Showing a pitiful
expression?**

Whining!
Ooooooh!

Oh, now I
know I'm afraid,
it's too late!

Why weren't you afraid when you came to threaten me? This is your retribution for attacking my mother! How dare you attack my sister,

**My whole family
will not be able to live
in peace. I will make you,
this pervert, so hard! Just
because of your
perverted and dirty
sexual desire,**

Please
don't...Cry
oooh!
Woohoo! No,
please...
whine.

**Are you begging
for mercy? You still
want me to recognize you
as my big brother, so go
ahead and dream! As
bad as you are,**

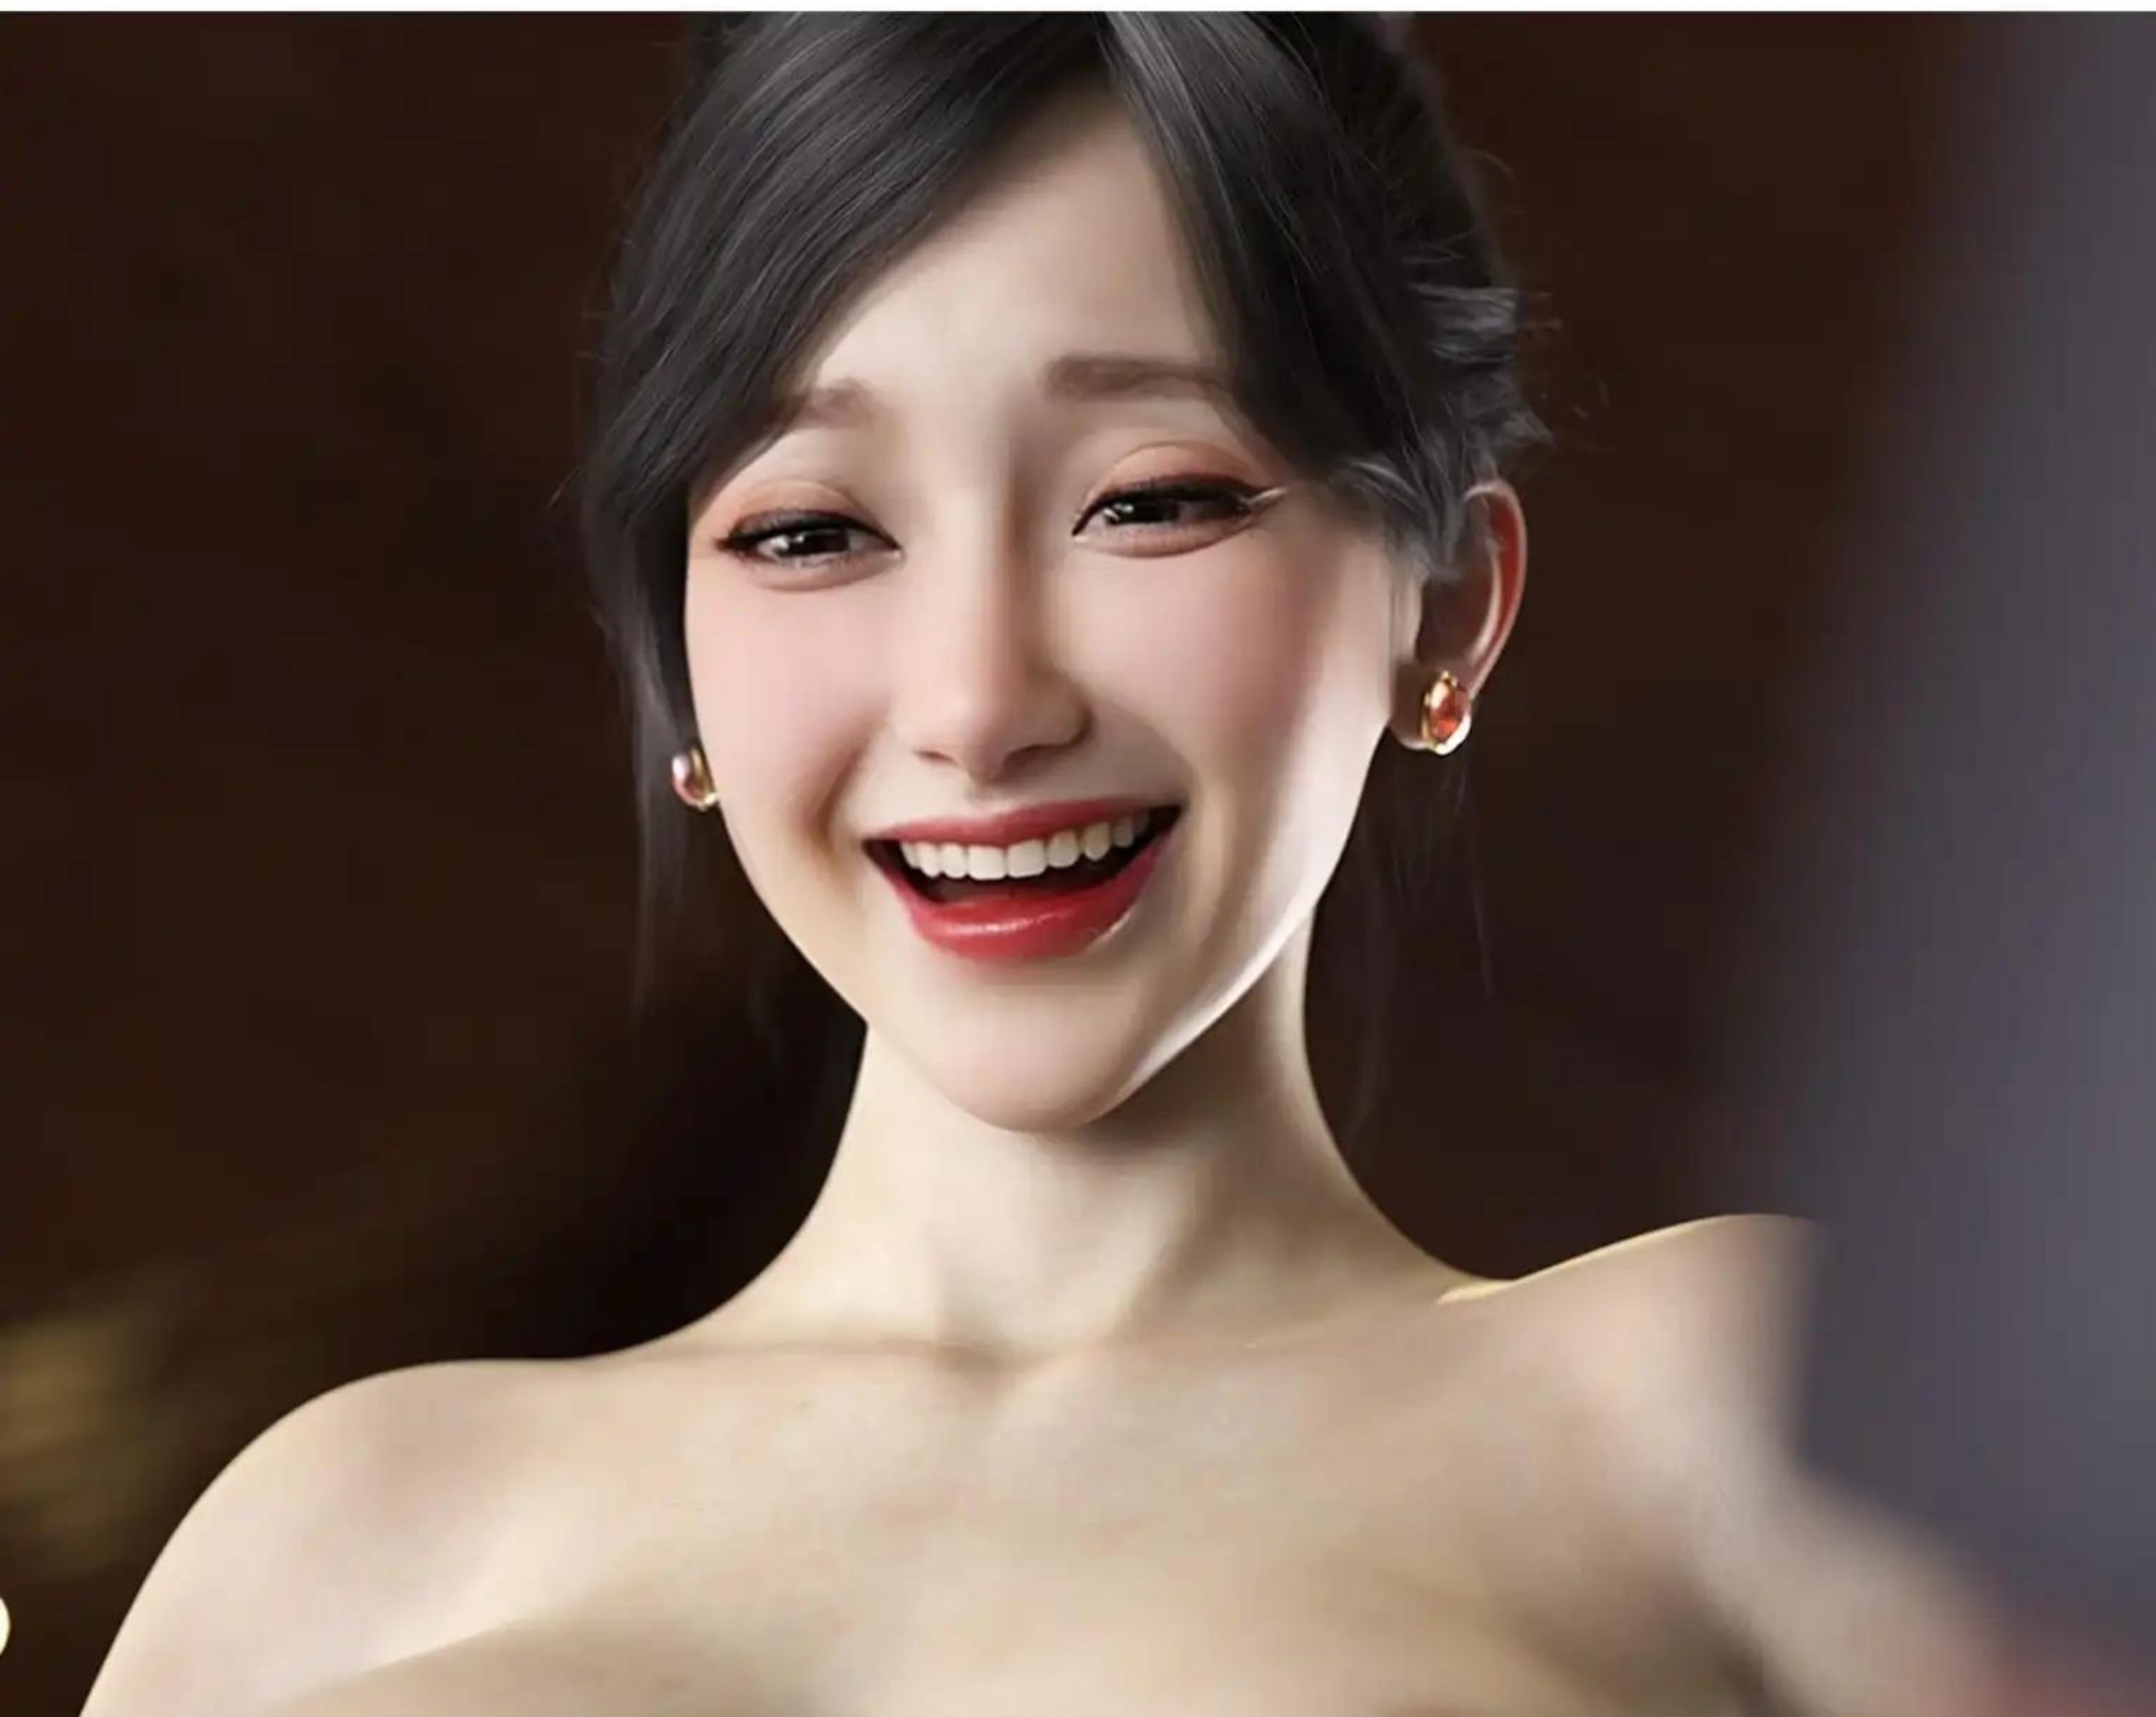

**Where are the
sensitive spots on
her body? I can tell
you for free, but as a
senior who has put
on this body**

Just enjoy the human skin you took away from me!

Oh oh
oh oh oh
oh oh!

Why do you still look
unhappy? I heard that you
are a pervert who likes to
support him. Now you have
the Futa cock that you have

It must be been longing for.
because I don't
eat enough, right?
I know! It's okay,
I'll let you swallow
the whole thing!

My throat was being violently rubbed back and forth, and my mouth was filled with the taste of cock. No, I couldn't do it anymore.

That taste is not pleasant, haha! Otherwise, my nipples will become swollen the next day, but I don't dare to play with them for too long. It feels so good. I used to play like this when I wore this human skin.

**It provoked my nerves
again and again. My breasts
were so roughly kneaded that
they became so numb that I felt
a strong stimulation as my
fingers pulled them.**

Grasp

Let you wear my family's skin! Sooner or later I will destroy you, hum! Let you take action against my family!

That kind of
strange pleasure that
hurts and feels good at the
same time. Even the lower
parts are being stepped on
layer by layer. I, I feel...
I feel so happy.

Yeah!
No, I can't
bear it
anymore!

I'm
going
to cum
ahhhhhh!

Wuwuwuwuwu
evil!

ejaculation

He was still stepped on by Lao Zhou and ejaculated, haha! Wow, look, this pervert actually squirted! I don't know if he was raped by Akai

Otherwise, I have never seen a girl who can give another person a blowjob until she climaxes herself! It's true that he likes cocks. It seems you said he is a futanari.

I think he is not only a supporter, but also a viper, right? I am not gentle enough to give him a footjob! I have never seen that man being trampled and ejaculated by others.

ah!

**It's only reasonable to
punish him four times,
right? do what? You don't think
that once you ejaculate, everything
is over, do you? You also pretended
to be my sister, drugged my father,
and turned my mother into skin.
We are a family of four. You
must know that you not only
deceived me**

Aren't you still going to fuck me regardless? I will give it all back to you now! How many times did you fuck me just now? You are right. No matter how much I begged for mercy just now,

It's time for him to have a taste of that! This pervert has quite a private collection. Hey, let me go find some toys.

I can no longer
ejaculate, please let me
go! No...don't...I, I really
can't cum anymore

Turn me into skin! Let me beg you! You, you might as well just do it

No
ah ah
ah!
