

Hey,
hurry
up!

I'm really
impressed by
you! You can still
procrastinate. It's not
like you have to take
a test. We are just
here to have fun.

What book
would I rather
take the exam
for...

A woman with long black hair, wearing a form-fitting green dress and high heels, stands in a modern, brightly lit interior space with large windows and a reflective floor. She has her hand near her face in a thoughtful or coy pose. A speech bubble is positioned above her, containing text.

But there's no need to drag me along, right? Why do you have to let me wear my mother's skin...and just pull me up? If you want to come and play, I have no objection.

**Don't you think we
all need to relax a bit?
Isn't it a good idea to let
you come on vacation for
free? So many things
happened recently,**

**I feel like I have to
make up for it, don't you
understand? It means that
God also feels sorry for my
experience. I was lucky
enough to get a coupon
for a luxury resort.**

You want me to pretend to be your mother... I don't want a bitch like you! What do you want me to do? Come with your family.

I finally got the gun back, but I won't do it! I didn't want to call you mom, but if you come with my family, you can only stay on vacation and do nothing.

Is there any reason not to relax? Anyway, it's a holiday, your mother doesn't have to go to work, and we don't have to go to school.

Anyway,
I'm just a
tool person,
huh!

Hello, I
want to
check in.

**Do you have a reservation?
Hello madam,
welcome to
Chengshuang
Resort**

Two adults. Yes,
the registered name
is He Manhua.

Okay, Ms. He...please wait a moment...? ! Yes, this is a double room with a hospitality voucher. Then I will check in for you.

Hey, can
you move a
little
faster?

Are you the only employee in such a large resort? Call everyone out! My time is very precious and I am different from you poor people.

Isn't this the eldest lady from the wealthy family in the next class, Shen Zhining, the son of the Shen family? Why is

How am I supposed to play? Damn, you can travel to so many places in the country, why did you meet a classmate from the same school?

I was the only person left at the counter. It turned out to be Ms. Shen. I'm so sorry. Even our colleagues are busy during the holidays.

Am I wasting my time here? Could it be because of the negligence of your resort? What? I did you mean,

How could it be? I will help you handle it quickly now. Please sit down for a moment.

etc! We were here first, right?

I have asked my colleagues to assist...so...please wait a moment, this...because Ms. Shen is the VIP of our resort

Wouldn't it be nice to go take some photos to pass the time? There may not be a way to come back next time! Anyway, I think it's your first time to come to such a high-end place.

How can they be compared? For a super big customer like me! Da, you are also very funny. Guests like you who use free hospitality coupons

Hello! What are you talking about? Do you have a tutor? Has the eldest lady of the Shen family never learned it? Why, first come, first served principle?

You were in the next class and one day it turned out to be your mother?... It was you? I remember being a poor guy who was scolded by the teacher all night

The same unclear situation is indeed the same thing! Oh! As expected of a mother and son,

There's no need to
escalate to a personal attack,
right? Miss Shen, if you have
something to say, please
speak it carefully.
But your attitude
is so disrespectful! The
reason for jumping in line
today was because you
were ignoring other
classmates. If you are in a
hurry, it's okay to let
you go.

Why should you
teach me a lesson?
Who are you?

Ning
Ning!

No matter what happens outside, I should have told you that you must not lose your manners.

Do you understand? Nothing is more important than the image and face of the Shen family.

Why should I
break it again?
Okay, I know!

Wow, is this Shen Zhining's mother? But she looks too young and beautiful! She really looks like a lady dressed in glittering gold.

Put it on my account as an apology. Send me a fruit basket and wait until you upgrade the rooms of these two.

Is our room ready?

This is the VIP viewing room you stayed in before. Okay, okay, Mrs. Shen, please come here and my colleague will take you there.

....Is this
the evil
rich
man?

Neither mother nor daughter is a good person! Humph! Stop looking

Just like her mother who looks down on others! Shen Zhining, who took the lead in bullying classmates from poor families, relied on his family's wealth to do mischief in school.

A woman with long, dark, wavy hair is wearing a green, low-cut, ribbed dress. She is adorned with large hoop earrings, a gold necklace with a heart pendant, a gold bracelet, and a watch. She is gesturing with her hands as if in conversation. A man with short brown hair is partially visible in the foreground, looking towards her.

But didn't her mother help apologize? We got a room upgrade for free, what's there to be unhappy about? Why are you so angry? Shen Zhining is completely rude.

Please, is that an apology? What kind of airs are you putting on, huh! From the beginning to the end, he didn't even look at us. He seemed to be giving alms to others.

You have stepped on the tiger's tail, but now... Humph, if you dare to offend me, who is holding a leather gun, before I could only swallow my anger.

Instead, you push to provoke him. Isn't this looking for death? You mother and daughter, don't hide away. Lao Shao, who came to the resort to find a new target, had originally made up his mind.

By the way, let's help mom take care of her body too! Enjoy the facilities here, I'd better relax,...it's none of my business anyway,

As for Miss Shen and Mrs. Shen, I can only say, you wish for your own good. 😊.....

I always feel
so tired! Oh, I
come here
every year

I'm the only one stuck here, and I'm bored to death! Just go to the southern country for diving and sightseeing. My friend is not going to F country for tourism and shopping.

And come on, why don't you even bring a nanny assistant to harm me and I still have to squeeze in at the counter with those poor guys?

.....

Do you have to be cared for in order to live? Didn't you just put the previous nanny into the hospital? As for Xiao Chen, your dad has some serious business for him to handle.

You might as well think carefully about how to get on the line with them! It is said that the young masters of the Yan family will also come here for vacation. Instead of shouting bored here, we are here for the company's bid.

He's nagging
all day long, and
I'm not interested
in him! The Yan
family is just a
boring gourd.

You and Dad
just work hard on
your own, but don't
drag me into it! If
you want to get in
touch with
someone,

We are so lucky!
Don't hold me and
your dad back. I didn't
expect you to succeed
in the first place.

Don't do that in
front of the Yan family,
you know? It's just a
disrespectful behavior
like yelling at the
counter just now.

That's up to you! In the eyes of you and Dad, apart from the company, there is only business. Anyway, I have known for a long time, hum, I know that you dislike me,

Wait,
where are
you
going?

Only then can I comply with what you and Dad want, huh! Can't you go out for a walk? By the way, think about how I have to grovel so that I can have a relationship with that person surnamed Yan.

Bang!

Alas,
this
child...

Can she really
get along with the
Ho Van family's
children? ! Obviously
could she be so
surprised her father and I are
both such smart
and calm
people.

I guess it was the
confidante who started
making trouble again, ha!
With a child like that, the
father is not worried, saying
that there is something
unexpected at the
company.

Wait for Mrs.
Yan to come, I will
try harder, alas!
That's all, in the end
you can only rely
on yourself,

Ding
dong

Could you please sign for it?
Hello, this is the housekeeping department. We have a gift for Ms. Shen Zhining.

Got it, wait a minute!

open the door

....Huh?

What's this

啊啊

啊啊啊啊啊啊!

What did you do to me....Ting! Who are you? you to me.

Come...come someone...come someone!

Me, my body...

You...why...ah...

Humph, didn't you look like you had eyes on the top of your head just now? It's up to me to look down on you, haha! As a result, how long has passed?

**It's quite refreshing!
But for a rich lady like you,
you have worn it as a teacher,
as well as as a foreigner, and
this is not the first time that
your classmate's mother
has worn it.**

Whoops...

It's really incomparable to the leathers I've worn before! There is also an elegant fragrance on her body. Not only does her skin feel tender and smooth, she is indeed a rich lady.

Now you can only wear it obediently by me! Hehe, but no matter how rich or powerful you were before

Woo! This familiar yet subtly different sense of firmness.

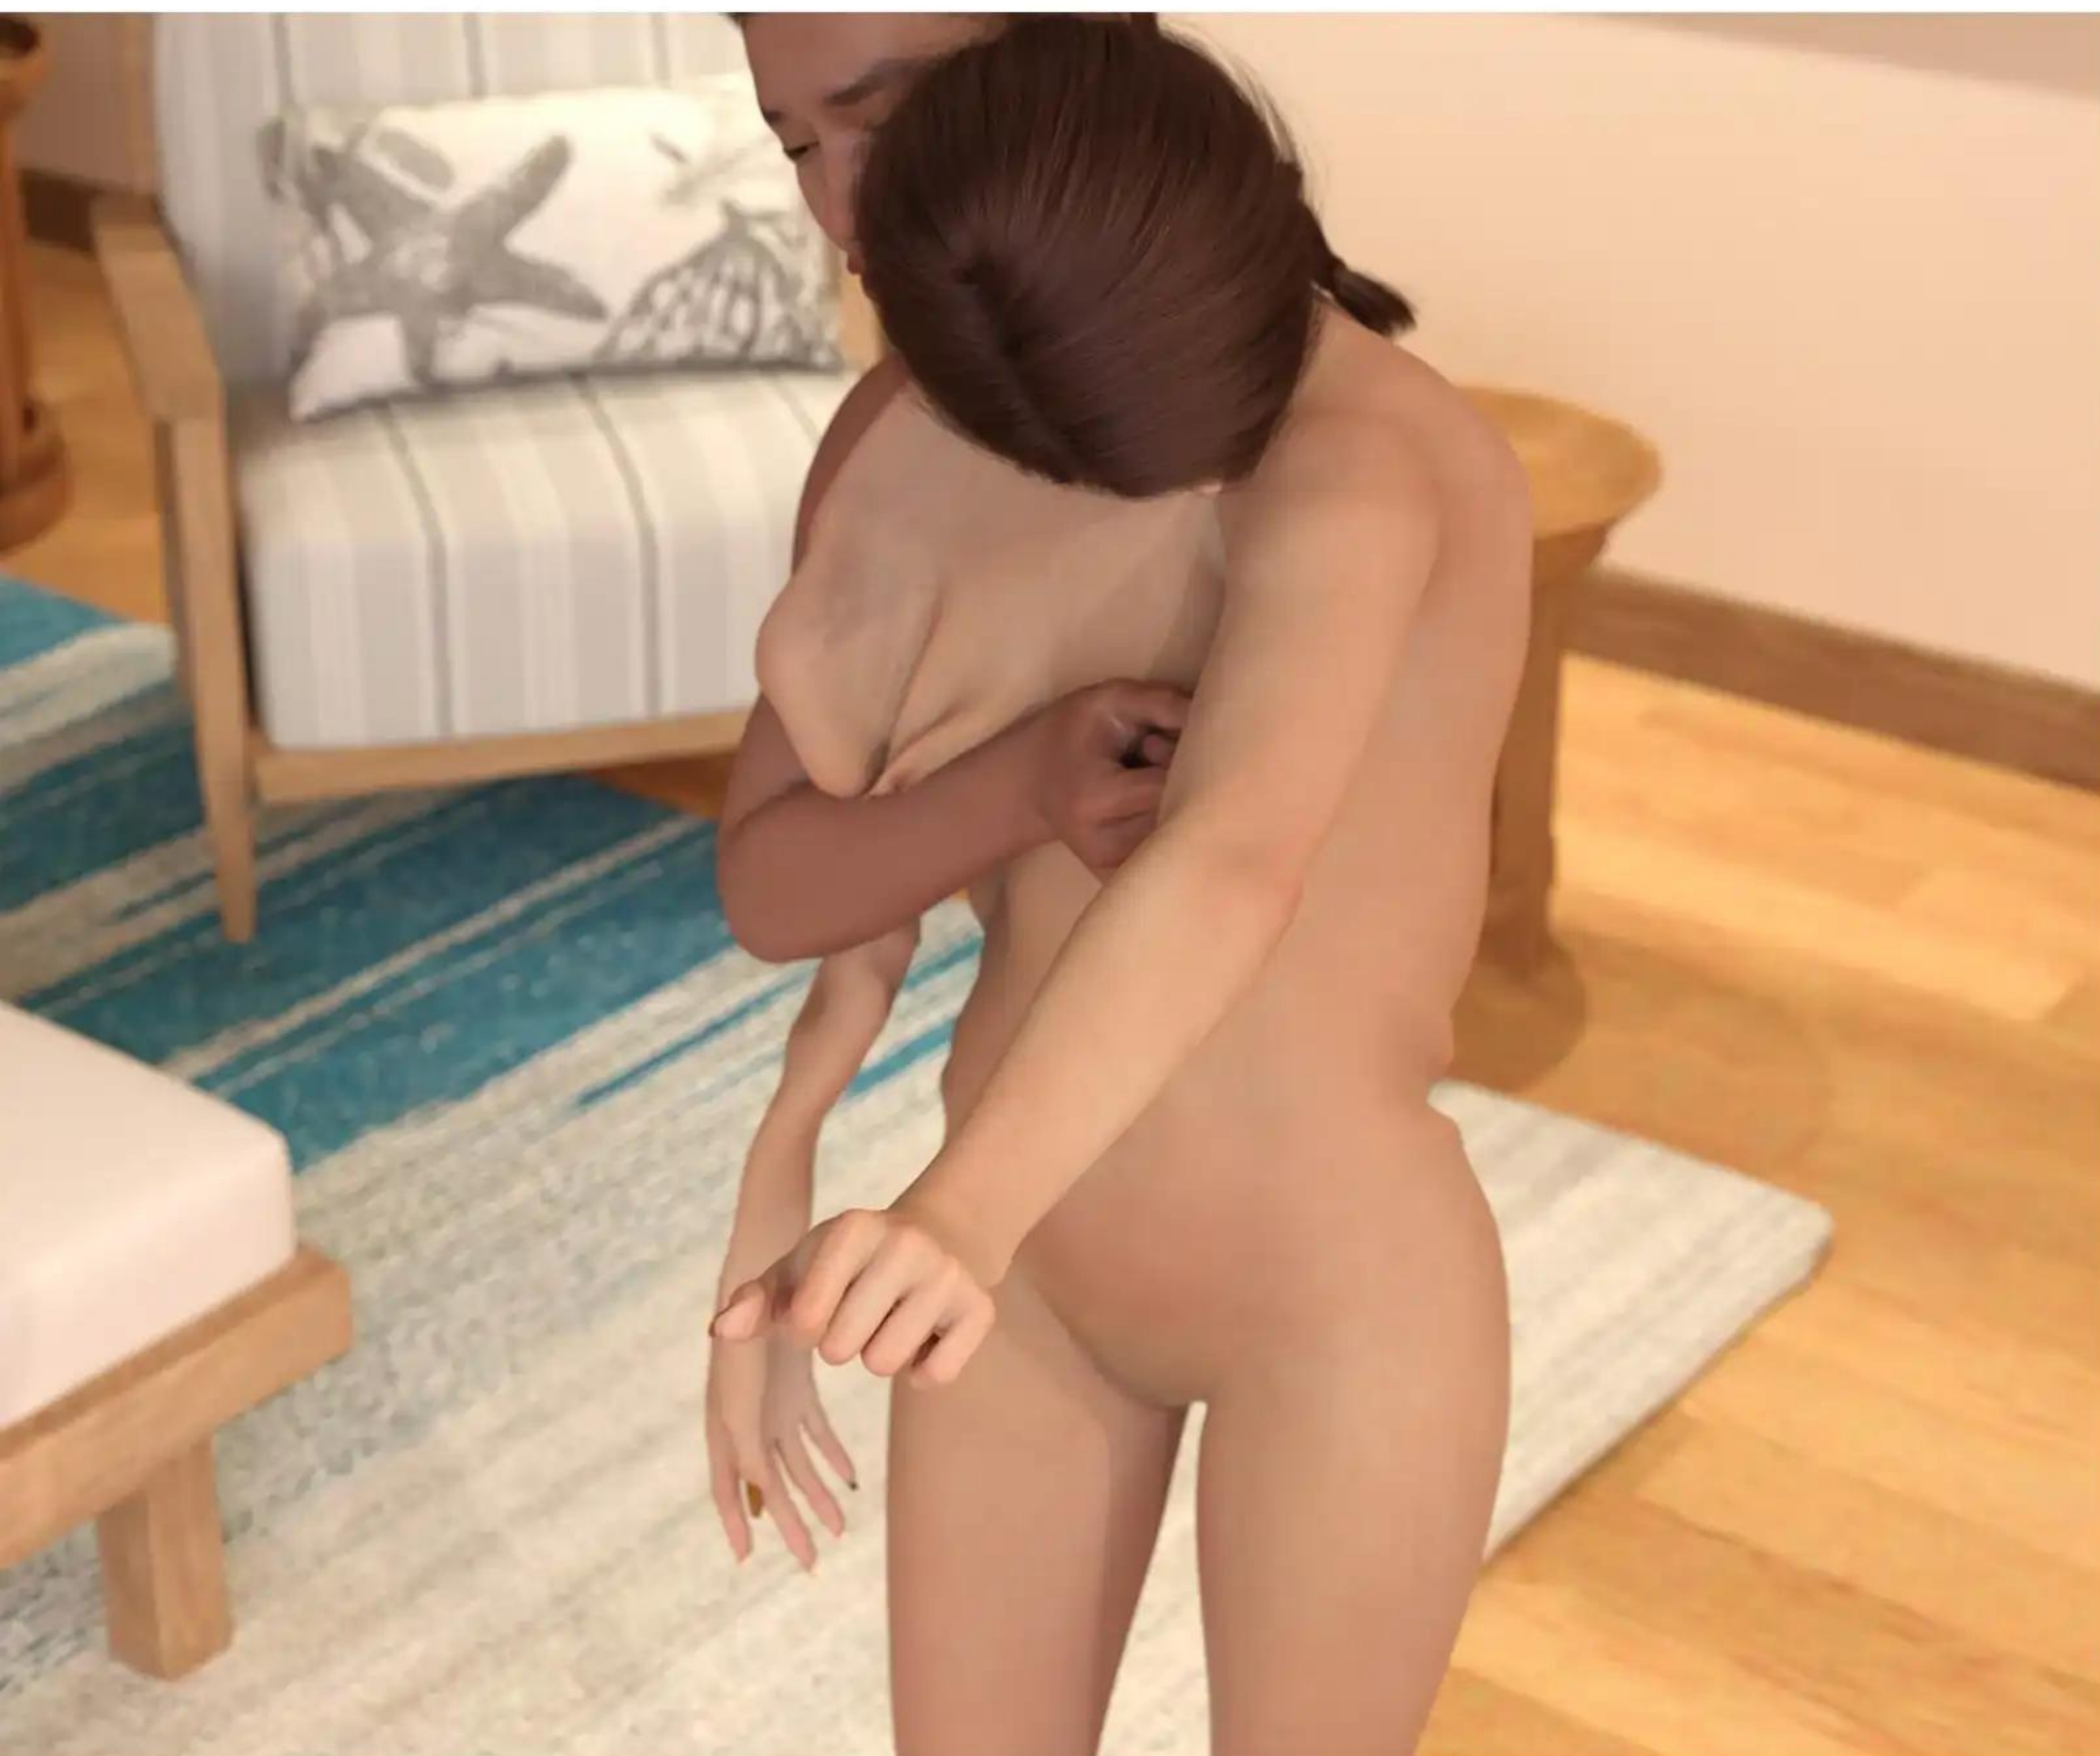

I was neither forced nor threatened, perhaps because there were no bad guys watching when I wore human skin this time.

It seems like I have gone back to the first time I wore Zhou Ming's mother's skin, the abnormal stimulation and excitement, and the process of my body gradually transforming into another person.

And that sense of control over someone else's body! It's a more intimate contact than penetration during sex, especially when the whole body is tightly wrapped by a woman's skin.

Haha, haha...if I wasn't looking forward to enjoying it! The happy time after wearing the leather, I really want to prolong the process of wearing the leather.

此

**It makes me want to
put it on quickly! But when
I think about wearing leather
and doing a bunch of obscene
things with this elegant and
noble beautiful body,**

**I'm afraid
no one can
understand it!
This conflicting
mood,**

**Just let me
enjoy it alone!
This abnormal and
special pleasure,
but it doesn't
matter,**

Then I hope you will like my new mommy! Since you are so impatient with your original mother, haha, the eldest daughter of the Shen family

I, I'm going to... I'm going to become the noble and beautiful wife of the Shen family! Ming..that soothing and numb feeling,

.....Haaah!

Sure enough, it's the best thing to be able to do whatever you want like this... Wearing the human skin I like

Let me take a closer look at your body! What is the difference between us ordinary people! Such noble Mrs. Shen, let me see the bodies of you rich people.

Or was it made by spending money in a medical beauty clinic? These breasts that are so plump that you can barely hold them with your palms were made by spending money to maintain them in a high-end beauty salon.

Did you hire a personal trainer to practice it bit by bit? Or was it slowly raised in fine clothes and fine food? And this tight buttocks, lean and slender body

I'll find out the answer myself, as long as...because I'll be able to rely on you soon, it doesn't matter if I don't have an answer,

It can also allow us all to have a happy time! As long as your cunt cooperates obediently, you can not only share your memories with me,

Oh oh
oh oh
oh!

insert!

It was sucked right in! Uh-huh! God, God! fingers directly,

My fingers started to stir inside it too, oh oh oh! I don't want to let go at all, it's so good, my pussy is sucking my fingers tightly

Will it allow your fingers to slide in unimpeded? It's because I received too much stimulation when I just penetrated the skin, which made this body leak out a lot of vaginal fluid in advance.

Who would have thought that the wife of a wealthy man would look so slutty in front of others?

**Insert a
little deeper,
come in a little
more! Oh oh
oh! More,
more**

**Even I will
become a slut!
Uh-huh! This
woman's body
is so
naughty**

But I can't bear
to take my fingers
out, what should I do?
Yeah! I really want to
have something
thicker inserted,

Shouldn't I be in
heat like a slut every day?
How on earth does Mrs.
Shen maintain that
paralyzed face and have
such a lustful body?

After all...um...it
feels so good to
masturbate with this
body...ohhhhh!

I'm afraid your
poor health has long
been overdue! Oh yeah!
It exploded because of
dissatisfaction with desire!
Mrs. Shen, you should
really thank me, if I
hadn't been here to
help you

So cool! Yeah~ masturbate
I can't stop my
fingers, my pussy
keeps making such
a bad sound,

Auntie's body feels really good and comfortable! "Yeah~ Thank you, thank you Yuchen, thank you for using your fingers to satisfy auntie's pussy. "In return, you can play with Auntie's body any way you want. If it's not enough, then I'll call my daughter over and let us mother and daughter serve you together!"

Your mother has a really bad look on her face now! Ah! Shen Zhining, how arrogant are you?

Turn you into a little whore... Yeah! Wait... Uh-huh! After I finish taking care of your mother, I'll deal with you next

It makes people so
happy that they go crazy!
That perverted scene of
mother-daughter donburi, ah!
Just imagine using this body
to fuck Shen Zhiqing

No, it's too
sexy, I feel like I'm
going to have an
orgasm with my
aunt... Ming!

etc!
What
happened
there?

The touch
of your
fingers, this
is...!

It's a cock!
My cock is
coming
out!

This time the
cock is really going to
come out! Oops, I'm too
obsessed with fantasizing
about fucking Shen
Zhining with my cock.

No, no! Now I will be so happy! My whole body is already so happy, coupled with the pleasure of my cock,

You can't come out, you can't come out! Go back, get it back quickly,

The cock is about to burst out from inside! Ahhhh! No, it's time to come out

It's about to come out of the lady's cunt!
Out! Perverted high school boy's smelly cock

Eaaah!
Cum, cum, cunt and cock both climaxed together,
ahhhhhh!

Cum!

No, not at
this time! Oh oh
oh oh! Memories,
memories come
pouring in

I'm really going
to die! I'm squirting
wildly down there, my
head is being poured,
I'm going to die.

Huh...huh...

The pleasure
of having a man
and a woman climax
at the same time is
really so exciting...

It seems that this woman's body is not to be underestimated... The last time I felt such extreme pleasure was when I explored Lao Zhou's mother's body for the first time.

And having her memory allows people to know a lot of secrets.

Didn't you
think this place
was too boring just
now? My dear
good
daughter,

Ways to make the trip fun! Then I need to let you get to know this new mommy.

I promise, it will be something you will never forget, haha...

Why did you
suddenly call
me back?
Really,

Obviously it wasn't
there before I went out!
Alas! Why is there a
strange smell in the air?
What do the staff here
do for food?

A close-up shot of a woman's face and neck. She has long, wavy brown hair and is wearing a blue patterned top with a multi-strand pearl necklace. Her mouth is slightly open as if speaking. A speech bubble is positioned in the upper left corner.

Shen
Zhining!
Stand still!

A woman with long dark hair and bangs, wearing a white dress with black polka dots and a pearl necklace. She has a shocked expression with wide eyes and an open mouth. The background is filled with radiating lines, suggesting a sudden event or shock. A speech bubble is in the upper right corner.

You
scared me!
ah! What are
you doing,
mom?

You don't even take my words to heart, do you? Still from beginning to end, I asked you to come back, but you delayed for so long. You took the opportunity to get angry with me.

Do you still see me as your mother? Humph, you dare to shame me and even slam the door and leave.

Is it necessary
to be so angry?
No...I, I just came
back a little late,

Otherwise, why
are you so angry?
Mom, what's wrong with
you? Or something
happened to dad?

What an unfilial daughter! How could I, Qiao Yayuan, give birth to a daughter like you! Haha, you are looking forward to something happening to your father and me.

Now turn around and stand still, face the wall and think about your fault! I must teach you a lesson today

What? Facing the wall and thinking about your past? Mom, you are crazy!

Then get out of this room! Do you want to do it? I Don't want to do as I say

Mom, what's wrong with her? She's not like her usual self at all. Why did you suddenly become so angry and shout like this?

Turn around~~

Could it be that dad was caught eating secretly? But this is nothing unusual. If there was a problem with the company, she would have rushed back to deal with it...

**You can't just listen
to instructions like a child!
Pretend to be grand in front
of your mother, hum, let you
be majestic in front of us**

**Then I will teach you
a lesson today! Since your
parents didn't educate you
well, they raised you to be
arrogant and rude.**

It should be barely worth it, hahaha! I miss your young and sexy body. As for the tuition fees.

This is what I, as a mother, should do! After all, we are mothers and daughters who care about our daughter's physical development.

**This kind of contrast...hey,
it's really exciting! If you can be
trained by me to be a slut kneeling
on the ground crying for a cock, a
rich young lady who was so
arrogant just now**

tuyauji.cc

**Mommy's
private training
time begins
now! So, baby
girl,**
