

How did  
you... do it? ?

Although I didn't see anyone using a leather blade, how did those mothers suddenly lose their skin?

fine! Did you move anything and... the baby even has his hands?

The Baby Gang's party has finally arrived, hehe, it seems the time has finally begun!

Old man! Why don't you explain it to me first?

Original  
Book

Bar? This is the routine of every gathering of the Baby Gang, and every time we see that our harm goes smoothly!

There is no problem how we can talk or play now that we have so much time!

I also like you quite a bit. Well, it is really very harmful, and you can do this kind of thing without anyone noticing.

In an instant, all these mothers were turned into skin.

People, and you should also add, don't worry! The only ones who are awake now are joining us.

It's about the baby. Actually, of course I will sue you for the baby.  
.....

Being able to control others becomes a person with abilities among us! The time of his ability

Before the party, those mothers had just activated the effect, but they had already been stabbed by the blade, as you saw later.

A baby with a bald head and blue eyes, wearing a white ribbed short-sleeved top and shorts, stands with hands on hips. In the background, a person is lying on a bed with a blue patterned blanket. The room has large windows with a view of a city.

Are you the one who  
wants to join the  
Baby Gang? I'm the  
boss's esper!

How wonderful!  
First of all, your  
expression just now  
was the same  
reaction as  
someone who  
knows my abilities,  
haha!

A close-up photograph of a man with a beard and a baby. The man is on the left, looking slightly to the right with a serious expression. The baby is on the right, looking up at the man with a slight smile. The background is blurred, showing what appears to be a window or a doorway.

They all look down on us. It's been a long time since those baby people have had anyone join us.

No vision!

You should be different from those guys, right? You want to join only if you share our philosophy, right?

A woman with dark hair styled in a bun, wearing a grey, form-fitting, short-sleeved dress, is looking down. To her left, the head of a character with a large, textured, brown, bear-like head is visible. A purple speech bubble is positioned above the woman's head, and a dark blue speech bubble is at the bottom right. The background shows a modern interior with a white armchair and a window with a dark frame.

Of course you came here to join the Baby Gang, but don't you want eternal life? That's what I'm here for.

, as a user with various abilities who had only experienced a change in power once before, he was so cautious that he didn't expect to be more cautious.

If you have the opportunity, slowly introduce the baby to the members who are like-minded and trustworthy companions, and I will let you know them later.

Alas, the baby's body is really weak, so he can climb on the sofa

A photograph of two baby dolls standing on a bed. The doll on the left is wearing a light-colored, short-sleeved dress and has its hands on its hips. The doll on the right is wearing a white long-sleeved sweater and light-colored shorts. They are facing each other as if in conversation. The background shows a bed with a patterned blue and white blanket and a white pillow. Two speech bubbles are overlaid on the image, containing text.

The way you climbed up was so funny, my dog's movements are even more agile than yours!

Where did you come from? Damn boy, if you looked more carefully when you passed the pet store before, your mother would buy it. What a blessing!

I treat you as my boss, isn't your mother the same? It hurts so much, look at how gentle your eyes are!

Desire, okay, just talking and looking at her can arouse my sexual desire so far. It's time to play, it's time to have something exciting every time with her.

He has to think about how to deal with them. He doesn't know if there are other people with abilities in the Baby Gang.

They are more like companions, so let's get along well first and treat me as a peer rather than a superior-subordinate relationship.

Then let's start the most interesting part of the party, hehe!

I'll do it  
first!

It's been a long time,  
but today I finally have  
the chance to see how  
good your mom is at  
tasting it!

I just like this  
youthful short  
hair style that  
looks lively and  
cute, I feel so  
excited!

A close-up photograph of a baby's hands reaching for a piece of light pink fabric held by an adult. The baby is wearing a white long-sleeved onesie. The background is a soft, textured surface, possibly a bed or blanket. Two speech bubbles are overlaid on the image, containing text.

Woolen cloth!  
Even this skin is  
difficult for my  
little hands to  
control and it's a  
bit heavy!  
oControl force

But her  
fragrance is  
unbearable!  
She's going  
back to work  
soon, right?

As a young OL mother, with these attributes combined, there must be many people in the company, which makes me even more excited! Care about lusting after her.

You and she will take over before the company is still remembered by the supervisor, right? Before taking maternity leave, I was faced with various difficulties.

When I set my sights on my mother, she was still a newly pregnant OL, but she was bullied by her supervisor because of her baby, and the child became violent.

I couldn't decide to target her, so I decided that my mother would go back to work because I was touched by that kind of motherly love!

Then you have to stick to her even more! She cries loudly when she can't see her, which means she can't let go of you and can't live without you.

oh oh! There's so much space inside, and it's much lighter than when wearing baby skins! Went in immediately.

, the scenes of stealing and burrowing into the skin of a baby are so sincere, and their words are so disgusting,

, can't they gain the baby's trust? But I have to know this or show disgust.

Oh oh oh! The space is slowly shrinking, and she is about to be sucked up and returned to her mother's belly! ! This feels...as if

Great...this sense of security is so reassuring! It's so comfortable to be wrapped in Fan!

Coming...coming...I can feel that hers is going to be mine! Ah, it's completely posted!

Expansion

Same here! So happy...good! It's like being held in a mother's loving embrace, so warm...

A photograph of a woman with short black hair, looking down and to the right. She is unclothed. In the background, a baby is visible, also unclothed, standing on a light-colored surface. The setting appears to be indoors with a window in the background.

, and I feel that my body is slowly getting bigger and bigger, and I can't get used to this strange body being tightly absorbed by the skin.

Ohhh... the baby's recovery is slow... it seems... the sight is also slowing down and the body is about to become an adult and get things!

You can see it! You can  
move your hands too!  
My hands suddenly  
became much longer  
and my speech  
became much clearer!  
It sounds so good.

My body is not easy to  
control even when  
walking or talking to a  
baby, so it is not very  
convenient...

Body, it's so cool to  
be able to move  
freely and freely with  
your energetic body,  
haha!

It's pretty cool  
too! Young and  
beautiful girls  
have good bodies  
because of other  
mothers!

A woman with short black hair and a gentle smile is holding a baby. She is looking towards the camera. The baby is in the foreground, slightly out of focus, with its hands held up. The background shows a window with a view of a city skyline.

It was really funny when we were babies, but you suddenly changed. Haha, you look so cute from this angle. I didn't feel it just now.

It's so funny. Okay, now that I'm talking to you as a baby, do you want me to put you directly into my skin?

A woman is shown from the side, looking at a baby doll. The doll is standing on a white surface, wearing a light-colored, ribbed, long-sleeved outfit. The woman's face is partially visible on the left side of the frame. The background is a blurred indoor setting with a patterned wall and a white chair.

No! The most interesting thing about wearing skin is to feel the body slowly merging with the other person. The baby looks so small!

It doesn't feel good to enjoy the close contact, and I don't like wearing rain-layer leather.

A photograph of a man with a beard and mustache, wearing a white chef's hat, holding a baby's head to his ear. The baby is looking down. The man has a focused expression. The background is slightly blurred, showing a patterned fabric on the left and a textured wall on the right.

Use your own  
body's talents!  
Boss, you are an  
incomplete process,  
and that kind of fun  
is irreplaceable.  
Understand this.

oh oh! As expected, I  
can't speak clearly  
enough even if I  
speak softly. I'm  
exhausted from  
using a baby's  
speaker!

, but occasionally I still think that it feels so good to be full of strength when a baby is taken care of meticulously in an adult's body.

At this moment, my mother went deep into understanding the next thing, and it was my turn to come and talk!

Pi, I don't want to show that I didn't want to wear Ben personally. It's all because of this appearance that no one will be gentle to me.

So every time I have a gathering, I look forward to the tender love and affection of many mothers! How happy to be able to see Xu Zi once!

After that, I ran away with someone. My biological mother gave birth to me and my father was beaten into a vegetative state because he owed money...

A photograph of a woman lying on her back on a light-colored sofa. She is wearing a white top and has her arms crossed over her chest. Her head is tilted back, and she appears to be resting or sleeping. In the foreground, a large, shiny, copper piggy bank sits on a dark, round table. The background shows a window with a view of a building.

, I can only be treated as a fool, and my relatives are shirking their responsibilities when I move to different houses, and they look down upon me.

I can watch other children in my mother's arms, but if I take one more bite of food, I will be beaten! Every day...every day...only

like! I also want to be held in my arms, and I also want to be loved by my mother. I always have it in my arms! Is he being beaten or hacked because he obviously didn't do anything?

They didn't even dare to shake my hand! It's so unfair! Even when I grow up, because of my appearance, don't hug me.

A photograph of a man and a woman in an intimate embrace. The man, on the left, is bald with a goatee and is looking towards the right. The woman, on the right, has long, wavy red hair and is looking down. Her hand is resting on the man's face, with her fingers near his cheek. She is wearing a ring on her finger. The background is a plain, light-colored wall with a framed picture partially visible.

The existence of being able to turn into a baby body has never been achieved. Fortunately, I know the mother's love that I have never experienced!

Moreover, you can wear various mothers' skins, and the dense feeling on the skin is more intimate than hugging! Happier!

A woman with short, straight black hair and bright red lipstick is shown from the chest up. She is looking slightly to her right with a subtle smile. The background is a blurred indoor setting with patterned cushions.

It is because of various reasons that all the members of our baby gang are suspected, or those who have no relatives can best understand the discomfort of loneliness.

In this case, we can get everything we want on our own! No one paid any attention to us, obviously we just wanted to be cared for:

That's right! These  
are what I have  
grown up with  
because of my  
mother's care! I was  
supposed to be  
fucked just to take  
back what was mine!

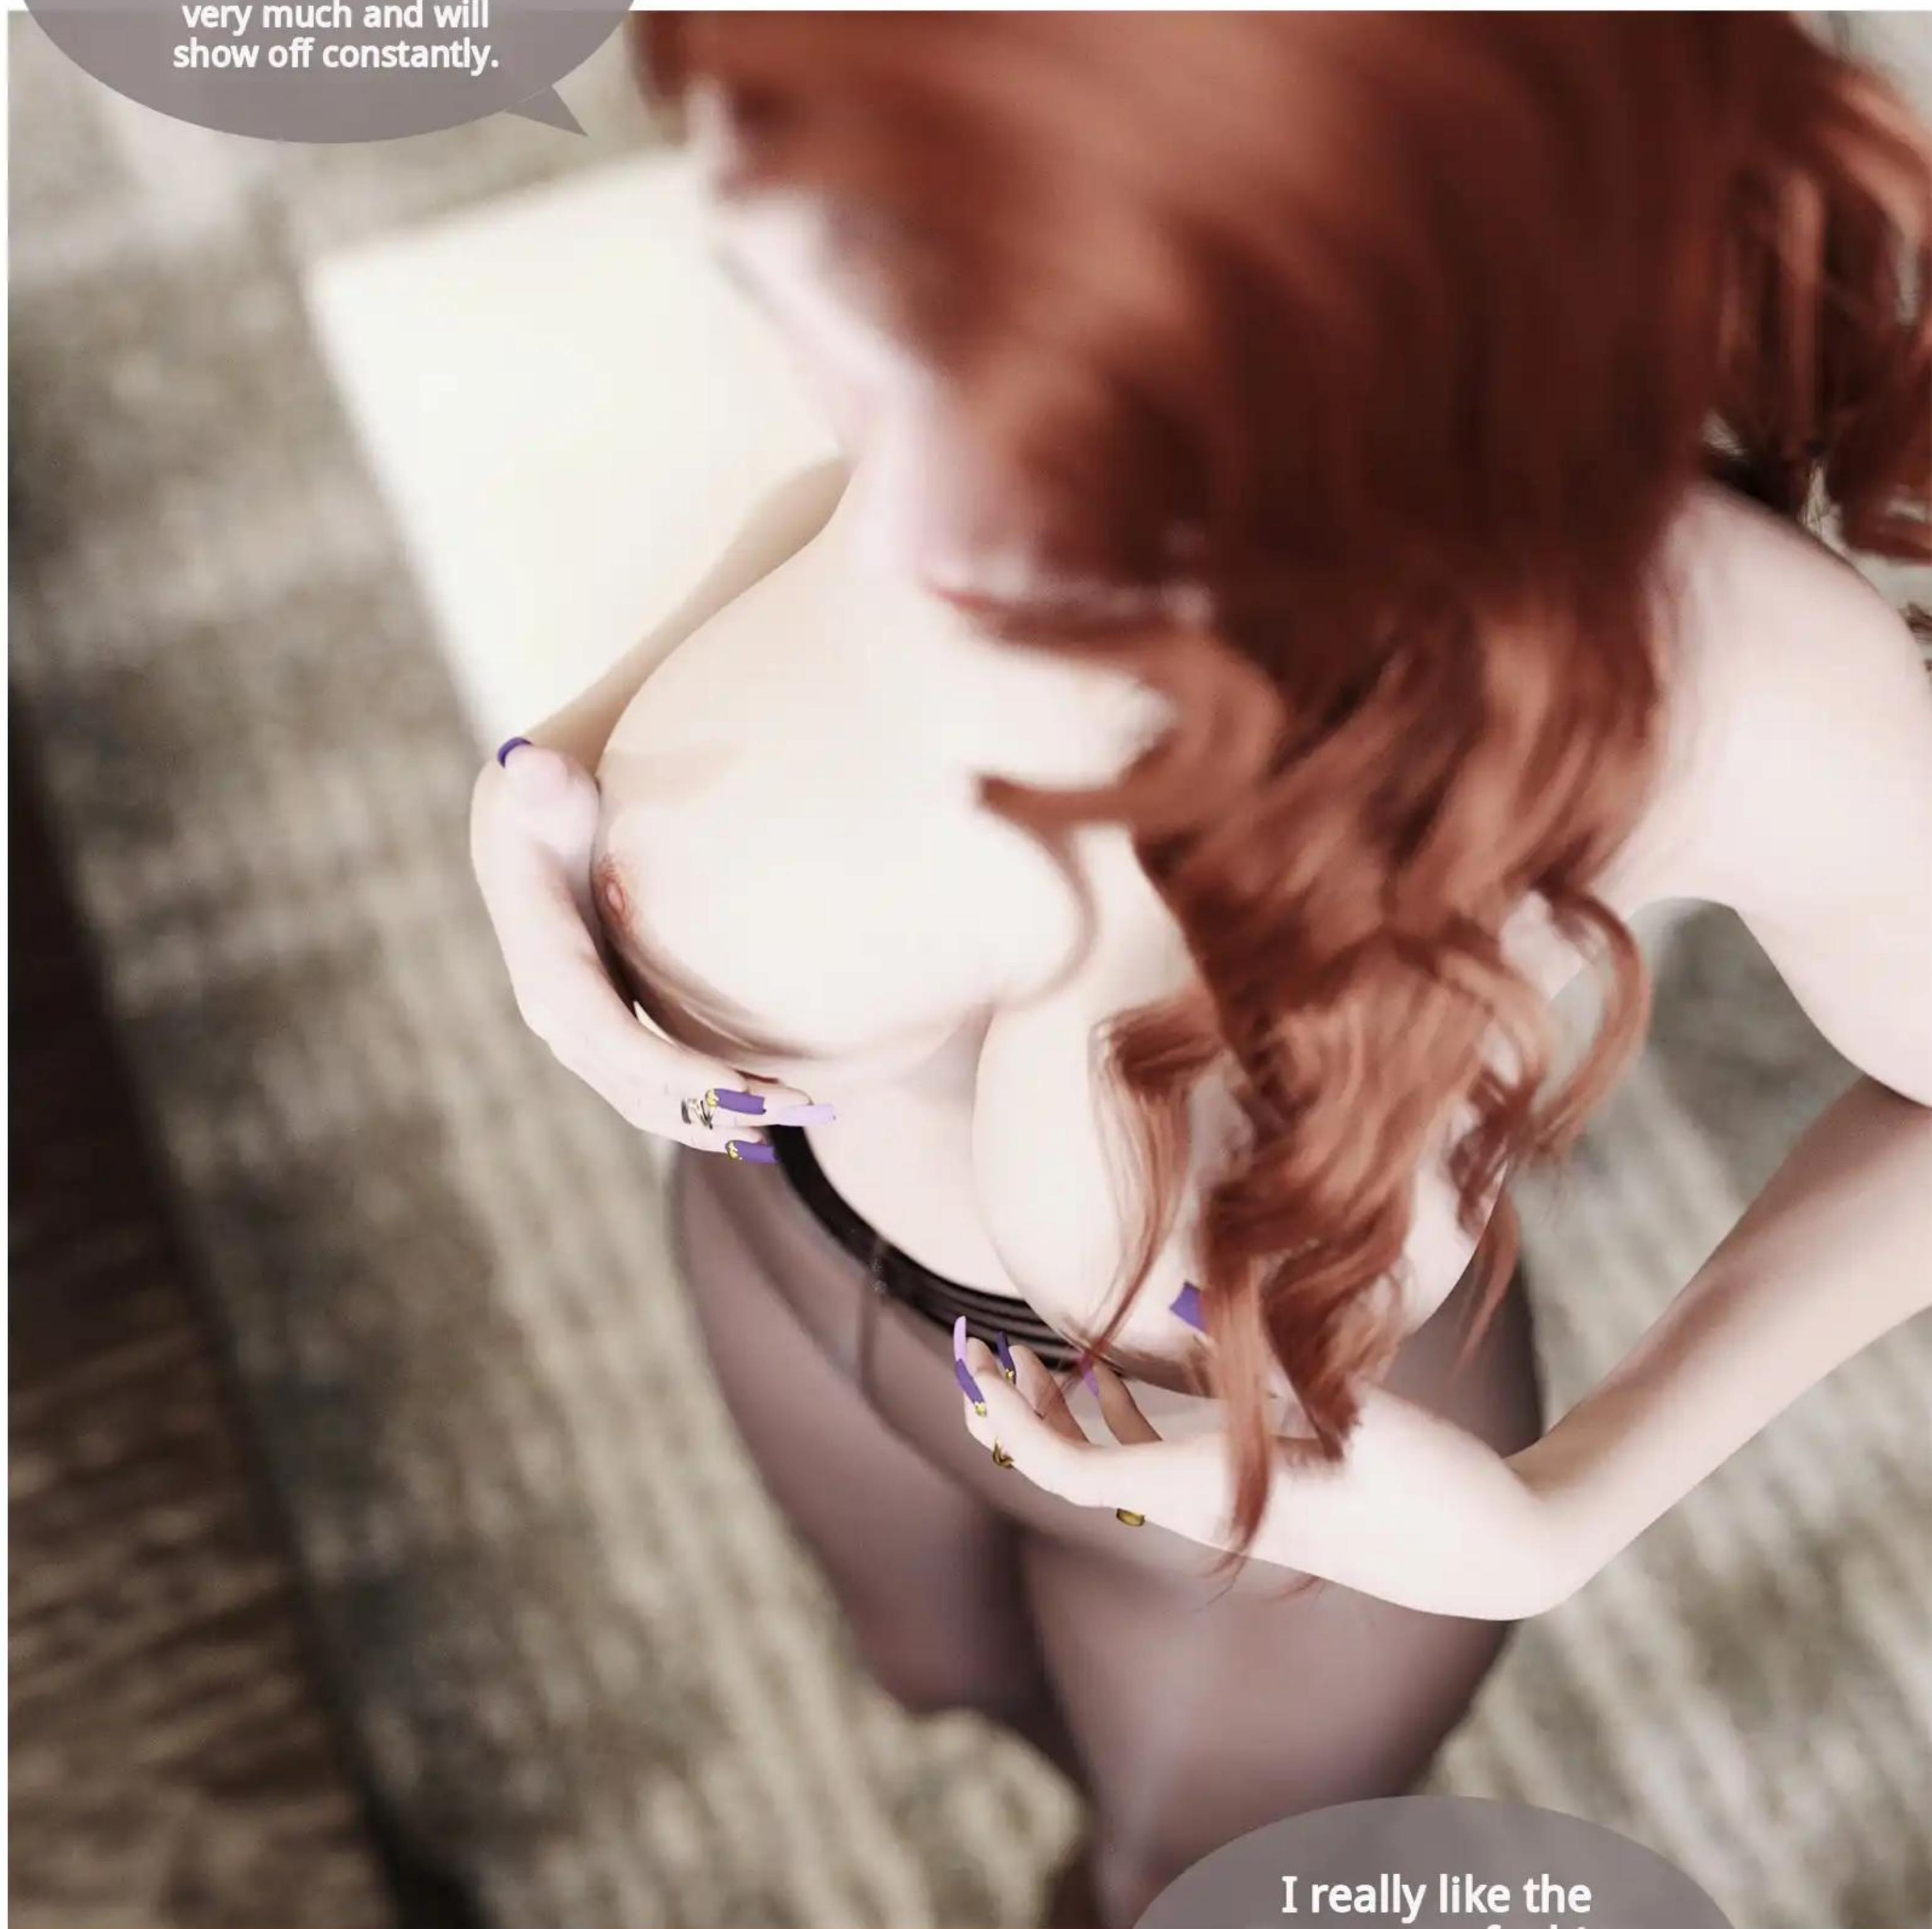

No one else would  
be so eager to stay  
with me! How  
great! Ah...so  
comfortable!  
remove

The happiness I experienced, now my whole body is wrapped in warm skin! I didn't even think about body positions before!

As long as there is a leather blade, any mother can burn my body and make it mine! It will warm me and become one!

This time my mother is particularly sexy! She looks very wild on the outside, but she loves her children very much and will show off constantly.

I really like the contrast of a bit silly! Today it's finally my turn to wear her skin! Hahaha!

It hurts, and you can tell by looking at it that every mother's breasts produce milk, and the nipples are very sensitive! It is also often sucked by babies.

Ah...so soft! There was a heavy amount of milk, which reminded me of the feeling of sucking breast milk, and my body became excited!

First, a strong man emerges from the baby's skin, and then the mad man puts on the young mother's skin... There is a street in the picture.

Although this is not the first time I have witnessed this process, I am still shocked by the huge difference in body shape.

Women, inside their bodies is actually a man who can think of this beautiful and vicious man?

She was replaced by someone else and left with her child. In the blink of an eye, she was happy and playing with her body as she pleased.

Mom, look at how  
I have grown up. I  
have become so  
beautiful and sexy!

Now, my mother  
will still love me  
now that I am  
taller than my  
mother? Will you  
still hold me like  
before?

What a silly thing to say.  
No matter how old you  
are, you are always your  
mother's baby. Come  
and take a good look at  
your beautiful body.

Love you! I really like you calling me baby, I really like you singing mommy...Mom, my favorite lullaby is to coax me to sleep.

My sweet baby is really a charming beauty, and she has become a mother. I am so happy to have such a mother!

Dear baby, open your legs. Mommy is coming to check if you have grown up too? Ah...I'm actually all wet!

The child is actually lusting after his mother. Mom doesn't remember raising you to be such a perverted child!

want! Not  
there! So  
eh!  
No...insensitive!

Oh oh oh mommy's  
fingers are so bad!  
It's so cool. I won't  
be able to do it  
anymore!

Coming! I can't  
help it! Oh ah ah...  
it's coming out,  
it's coming out!

Hehe, it seems  
that when mom  
touches the  
baby, something  
hard grows out?  
What?

Uh-huh! Got it! Got it! Can't come out again! The head...the top of the head is so exciting that the silk machine will break!

Crazy! It will be so fun! ..Ah, it's terrible! I need to stop...I can't stop! The cock is getting harder and harder! Oh

The feeling in the pussy is so horrible that the cock keeps rubbing against it!

The pleasure of sex...I want the pleasure of a man, but the woman can't stand it anymore!

The kitten's name is Spring! What's wrong with this cute cry that sounds like a good treasure? Make this expression...

Are you old? Your body is already developed. This baby is ready for sex. So sexy!

There's also a big  
cock down there  
that will erect for  
mom. It's really too  
bad. What do you  
want to do to mom?

It's so hard that it feels  
uncomfortable! Being  
stuck inside Siwei feels  
painful and pleasurable  
at the same time! It's  
driving me crazy!  
I...I...ah cock

I want to have sex! I  
want to fuck my  
mother's pussy with my  
cock!

My cock also wants  
to be loved by my  
mother! I can't stand  
it anymore! I can't  
bear it anymore!

So good! Mother likes  
honest and good  
children most. What  
you do will reflect your  
sentiment.  
Mom!

Come and fuck me  
with that cock that's  
bigger than your dad,  
and mom's hole has  
been waiting for the  
sweet baby to come  
in!

Did you see the  
baby's big cock?  
Mom's pussy is  
also leaking  
semen, and she's  
getting horny!

Now that the baby has  
grown up, he must satisfy  
his mother and repay the  
kindness of raising him.  
Come on!

However, it was too  
foul for my mother to  
show such a coquettish  
posture. She used her  
position to seduce me,  
which made my cock  
even harder!

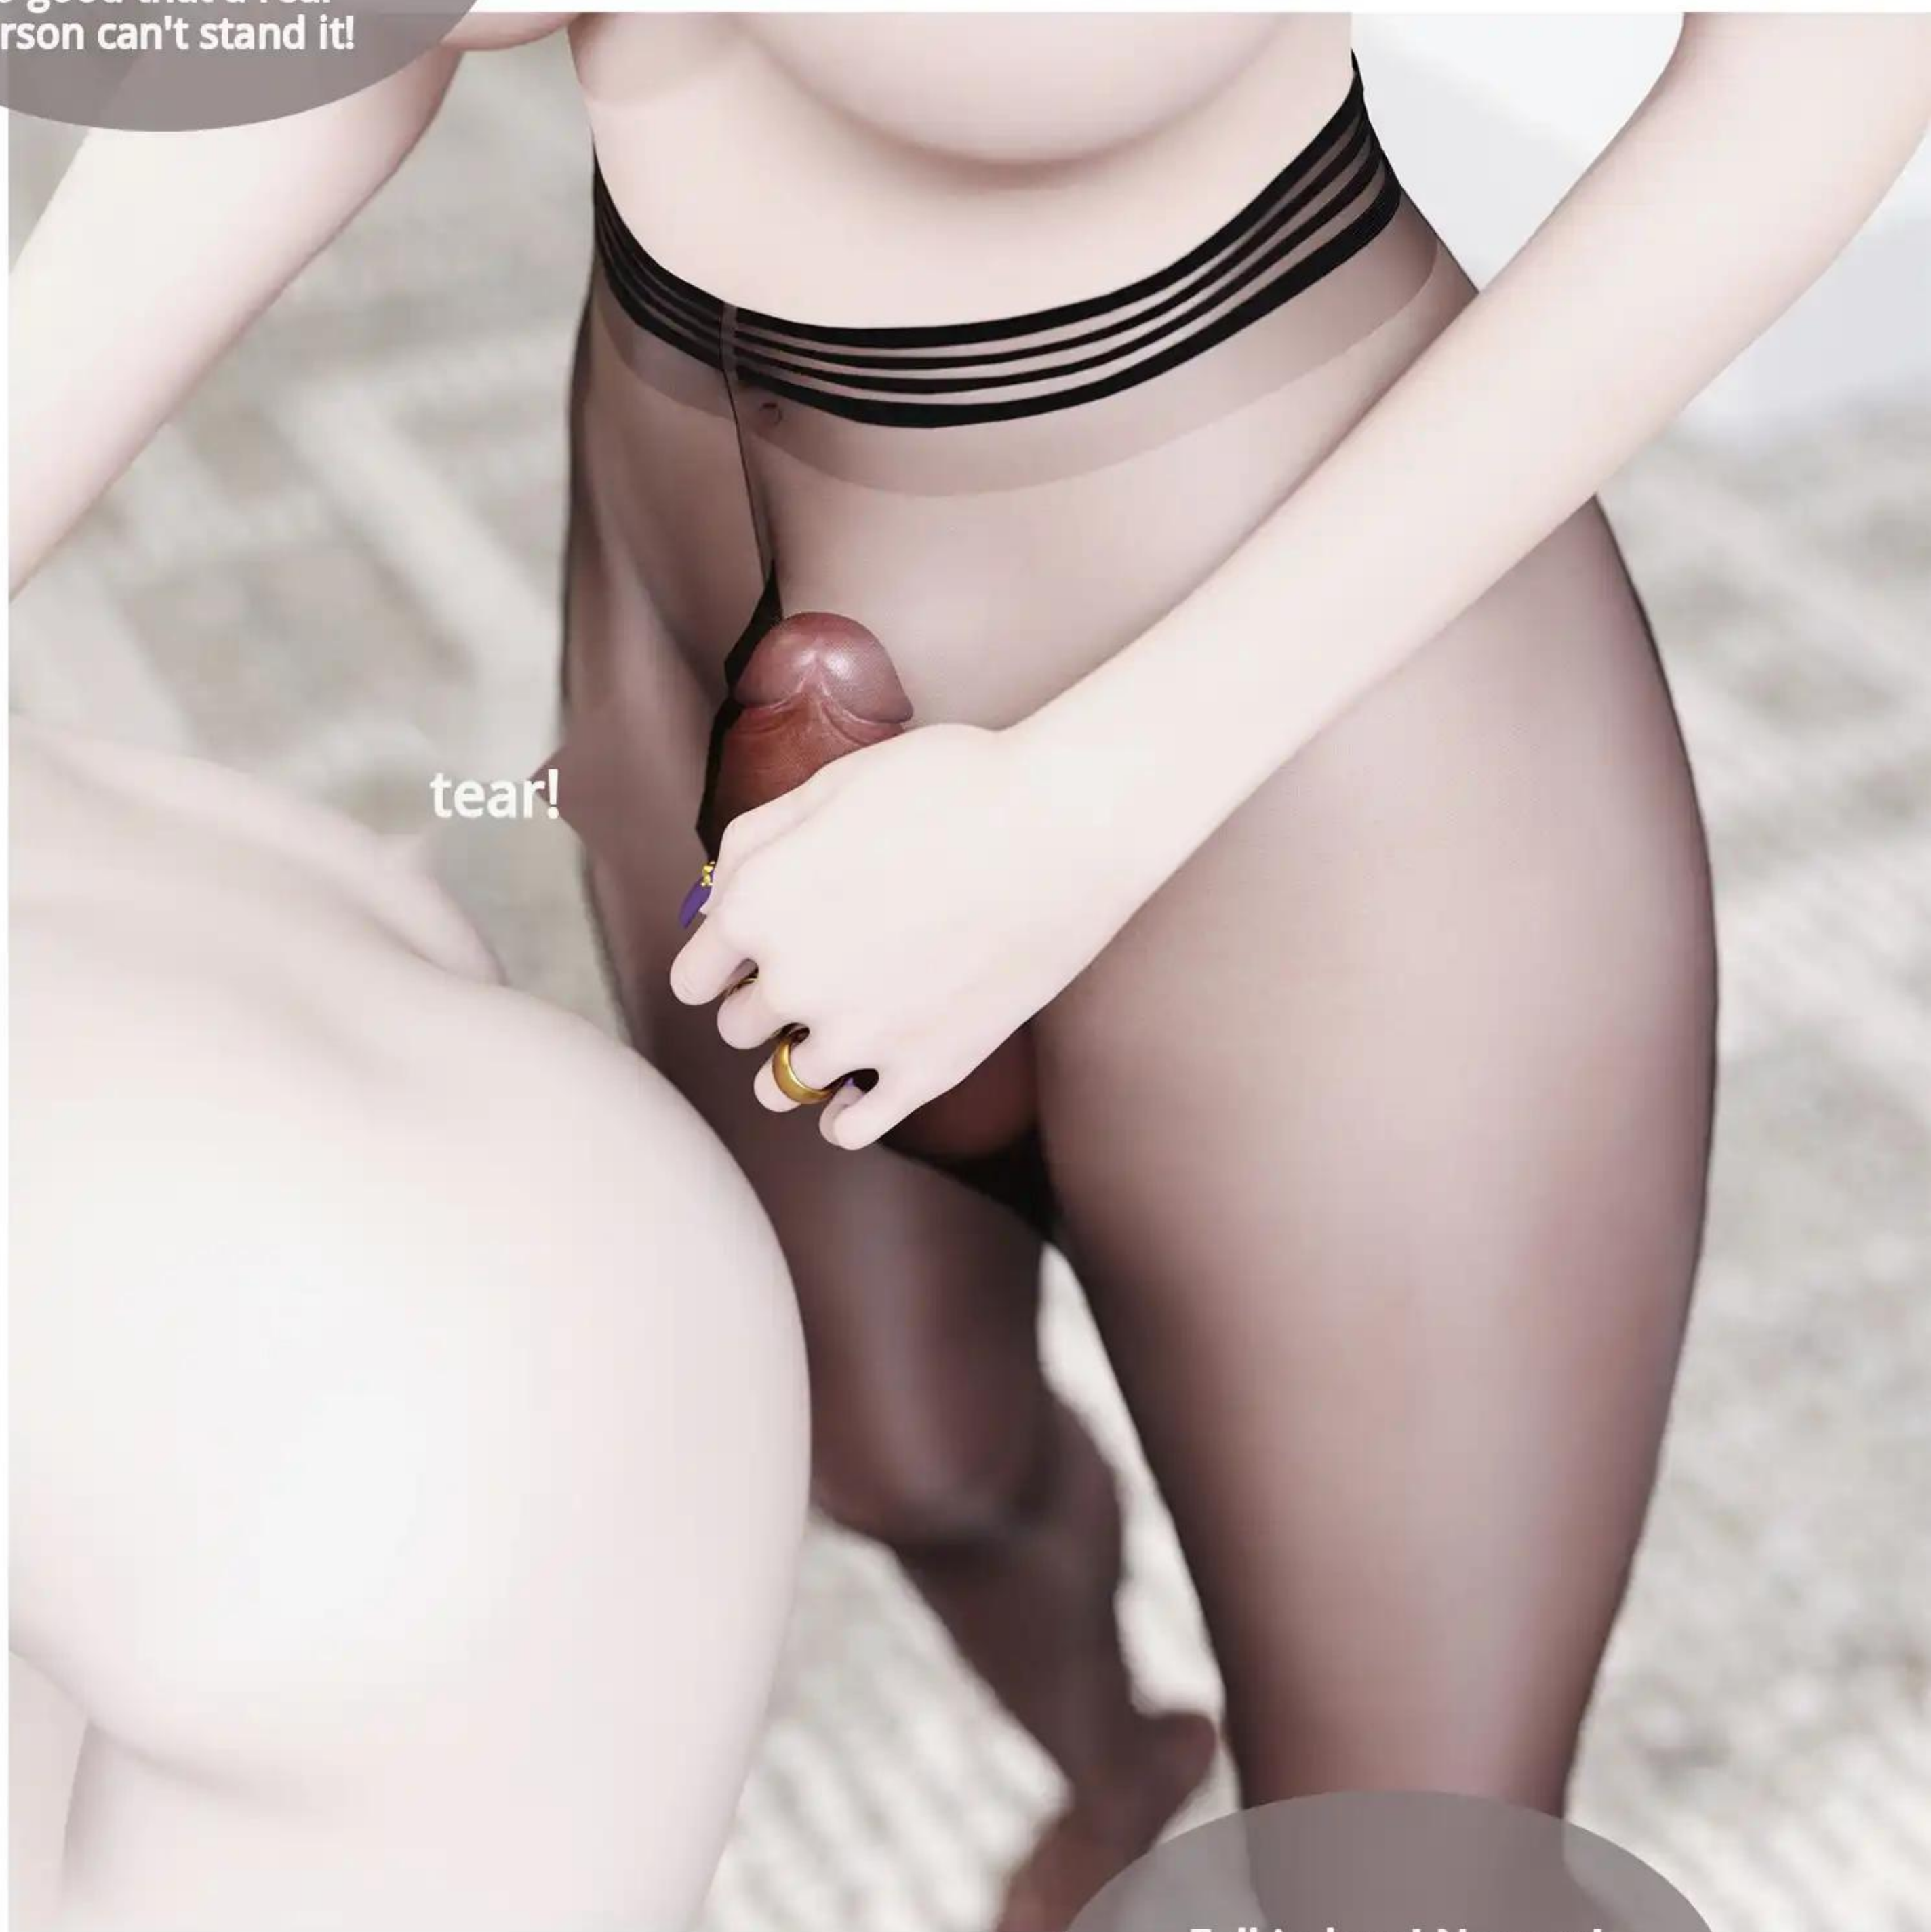

Ah! Mom's ass is so  
good, ohhh...ahhh,  
I can't stand it, it's  
so good!

Uh oh oh cock...  
give me your  
cock now!

dawdle

It feels so good to  
touch my butt! Oh  
so comfortable!  
My cock is  
grinding...ahhh!

The rough feeling of Si Wei and the soft butt of the mother who stimulates the flesh inside and outside are so good that a real person can't stand it!

tear!

Fall in love! No way!  
My dick is stuck in  
the silk frame and I  
have to put it out!

Ah, finally relieved! When I saw my mother having an erection for the first time, I couldn't get an erection, which made me very painful every time!

, and I don't need to take any medicine, and now I finally don't have to endure it anymore and can do it until I am sober, so happy!

Mom blocked? This body is so good. When my mother's pussy is touched by a cock, the water will flow. She wants to have sex even without help.

Come use your big cock to fuck your pussy, and now mom's pussy! This baby is going to be fucked by my baby!

Mom's pussy... is  
so beautiful...  
tempting me to  
penetrate it! Ahhh,  
I'm going back to  
my mother's body!

It can also be inserted  
into the mother's  
body. Even if I can't  
feel the feeling of  
being in my mother's  
belly, I can enjoy my  
mother's love!

Oooh...ohhhh!  
It's great to  
have it inserted!  
Yeah! Dead!

bang bang bang  
bang

The cock is so  
bad, oh... ahhhh!  
The baby is so  
big! Uh-huh!

Put my cock  
inside my  
mother's hole and  
suck it hard! Oh  
oh oh so cool!  
Um..Uh-huh!

So wet! So warm!  
Oh..Wrap me up!  
Oh oh ah ah  
mother's love is  
complete ah ah...  
oh oh oh!

Good baby shape!  
Uh-huh...the hole  
is going to turn  
into ah! Still.  
More!  
Uh-oh...ahh!

Um...ah! So...so  
comfortable!  
Ohhhh  
meat... The cock  
feels so good!

A photograph of two nude women in a room. The woman on the left has short black hair and is looking upwards. The woman on the right has long red hair and is looking to the side. They are standing in a room with a white wall and a framed painting. A blue starburst speech bubble is positioned near the painting, and a grey starburst speech bubble is at the bottom right.

The cock is thick  
and long, oh  
so...so deep! baby  
Ah!

Ah...ah mother!  
Mom's pussy is  
the best!

It's so cruel that your mother is so worried that your legs can't stand still: Huh...huh... Can you please change your posture for this Noble Phantasm?

You see, my hole has been fucked red. Fuck me in a more comfortable position. Let's touch mom, right? Baby talks the most!

, I am willing to do anything, and I also want to watch my mother having sex as long as she continues to love me...

Mom... you must always love my comfortable expression, Mom... I want to see my mom being fucked by me until... she can't leave me!

Fan, dad usually  
doesn't oh oh oh  
how come this  
mom belongs to  
me! Does it  
satisfy you?

Stop getting in the  
way! My stomach...  
my stomach is going  
to be stretched out,  
hmm! Slow  
down...slow down!  
Laaaaah!

It makes you happy to have  
a good baby, and your  
mother will love you forever!  
Just to the point where I  
can't stand it anymore,  
oh...oh ah

ah!

Uh-huh... it's so... so  
cool! It doesn't  
matter if Han dies,  
I'm going crazy from  
the pleasure!

! Scream for me  
more  
ohhhhhhhhhh...  
mommy's cries  
are so cute and  
so satisfying!

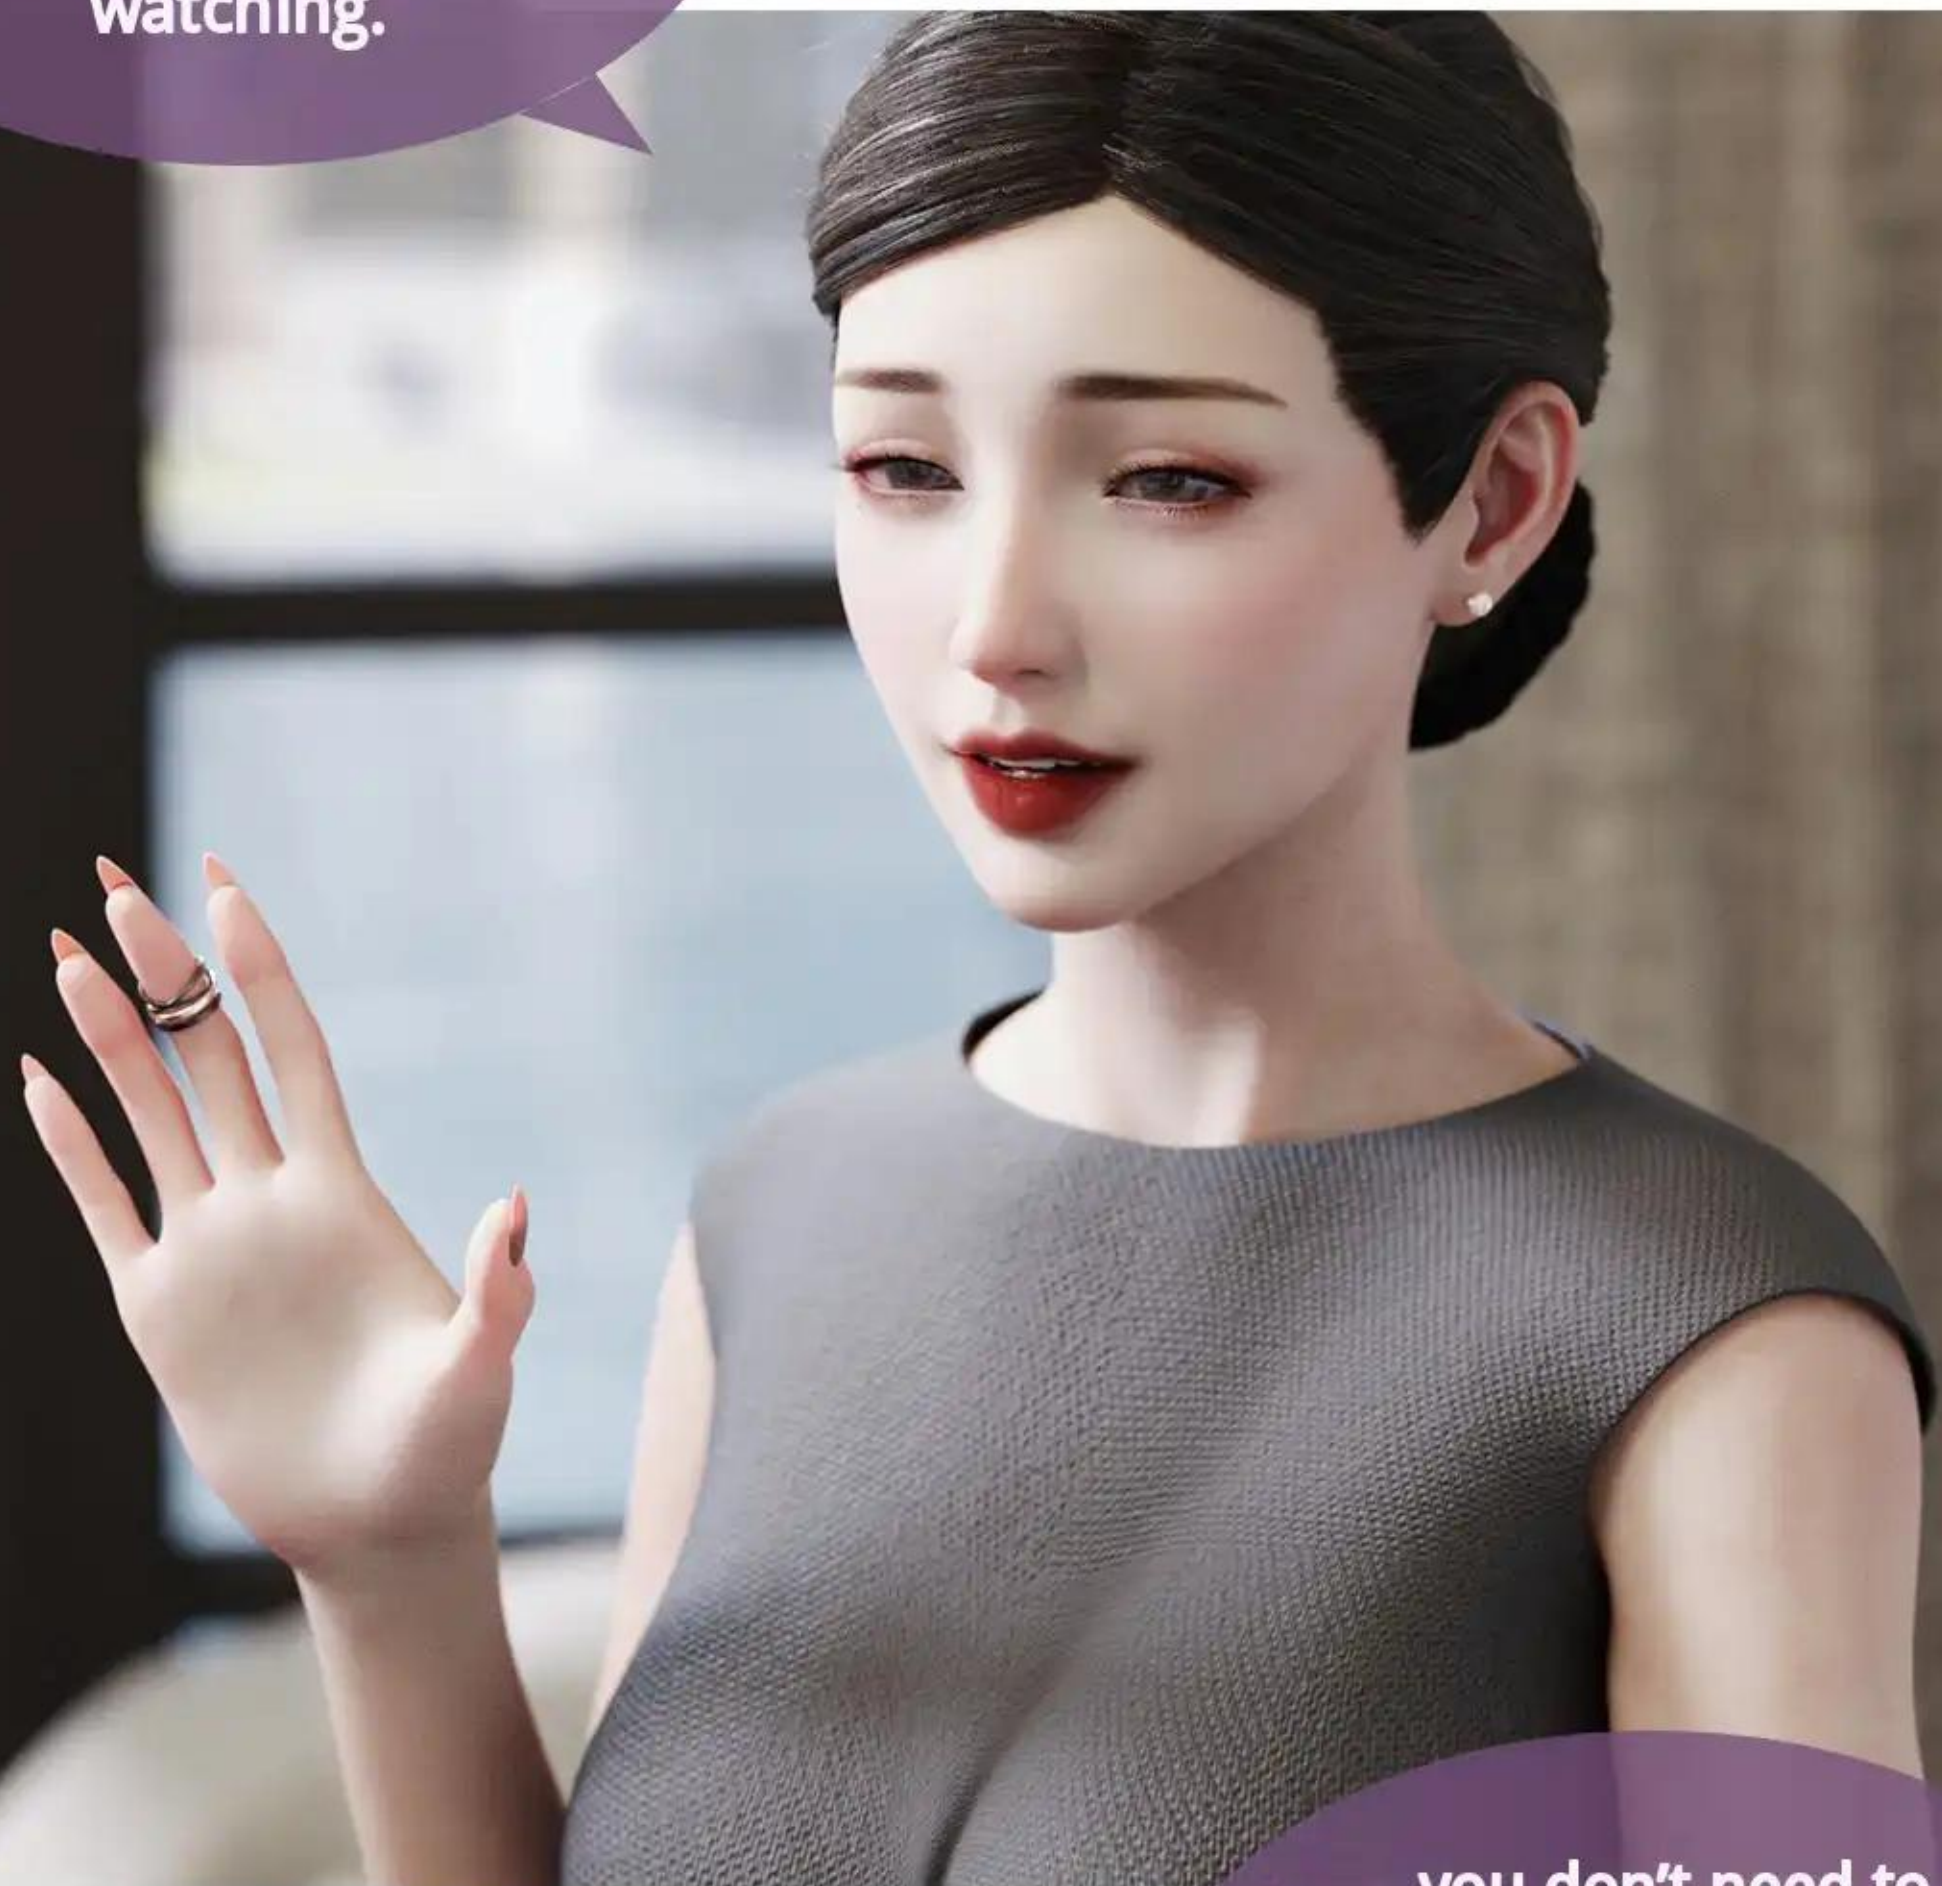

The kid I  
raised is so  
thick...I didn't  
even know  
how big a  
cock he was!  
Ohhh...oh...umhhhh!

That's the good thing about it. I want to be able to have sex with my mother as I want. It's great! You can have fun together wherever you want.

, don't be embarrassed, come and see, come and join us, by the way, don't just enjoy it there!

ah? No need, it's quite fun for you guys to play. Just go ahead and let me continue watching.

, you don't need to pay attention to me, if I think later I am not interested in joining the meeting now.

The eldest sister is being targeted, and it's all on purpose. I don't want to get involved with you! Before, I had to take care of the nanny and also to avoid dressing up plainly.

I didn't expect that these guys would want to join you and me in my eldest sister's body. How could I be kicked like this!

Are you considered our baby? If you want to play, you're welcome to join us as a member of the gang. Play!

After watching this for a long time, you must be getting excited, right? Stop holding it back and come here!

That's right! I guess you are so bored right now that your vaginal fluids are leaking out, right?

How could you not react to the excitement we played? Everyone is in company, and it's fun to play together!

A woman with dark hair styled in a bun, wearing a grey, form-fitting, sleeveless dress, stands in a room with large windows. A thought bubble is positioned above her head, containing text. The background shows a blurred cityscape through the windows and a green plant on the left.

When I first met the old man, he used the image of a baby to be polite to you! She smiled lewdly at me, my eldest sister's body.

That's why I deliberately made myself less attractive and completely unlike a big sister, but in the end I was still targeted.

Okay, then I'll  
take off my  
clothes first

Have you waited too long? I'm sorry to take off my clothes. I've also done my hair without you, so I'll just let it go.

If you continue to refuse, they may become suspicious and may make them unhappy.  
Solution°

Wow! I didn't expect that you have a sexy hair and figure! The back seat looks good when put down.

What does it look like? Why did you make yourself look like an old woman before? What a waste!

A woman with long dark hair, wearing a black lace bra and a black waist cord, stands in the foreground. Behind her, a man with dark hair is visible from the chest up, looking towards the camera. A dark blue thought bubble is positioned above the man's head, containing text. A pink speech bubble is positioned to the right of the woman, containing text.

I'm wearing leather...I'm sorry, sister! Wait for me a little longer, I will definitely help you and I don't want them to return to their original state!

I actually want to be a nanny. It's more convenient for me to do it like that just now. Okay, what do you want to do?

A digital illustration of two women in a room. The woman in the foreground has long, wavy red hair and is sitting on a patterned rug, holding a large, realistic penis. She is wearing a black bikini top and sheer black stockings. The woman in the background has short black hair and is sitting on the floor, looking towards the camera. She is also wearing a black bikini top and sheer black stockings. The room has a white sofa and a patterned rug.

His mother did the same thing when looking for nannies. I would choose someone with an average look to prevent my husband from being lured away.

I can't stand your beauty. You want to hide it for a while, so I can give it a lick, right?

She obviously doesn't want to do this kind of thing, but her body is uncontrollable and the restless older sister acts like a fool! Get up...it's all my fault that I wore it before

The body becomes more sensitive...beneficial! The eldest sister was originally a very hot and sexy person who couldn't stop having sex with her.

Staring at my cock  
intently, I really  
miss you, your  
eyes are so hot!  
Have  
sex?

Let's play with you.  
Since we can't wait  
for breakfast, we can  
also make breakfast  
for you. What a nice  
expression of hunger.

Well, let's start the  
welcome ceremony  
for the new  
couple...''''
