

After that day, I was treated as a younger brother by the dead old man and used to do whatever he wanted...

A woman with dark hair styled in an updo is sitting on a bed. She is holding a baby wrapped in a white blanket. The bed has a patterned blue and white floral coverlet. The room has a blue headboard and a window with a patterned curtain in the background.

, and then he would be asked to wear his mother's skin and play with her breasts basically every day.

CUT

. Using the innocent appearance of a baby to do heart-wrenching things

A photograph of a woman breastfeeding a baby. The woman is seen from the back, her bare back and shoulders visible. She is sitting on a grey patterned surface. The baby is lying on its stomach, wearing a white long-sleeved shirt, and is suckling from the woman's breast. The woman's hands are gently holding the baby's head. The background is a plain, light-colored wall.

I kneaded calmly,
and I sucked and
licked the erotic
sucking sound, not
even thinking about
it with my hands.

Can't stop! It's much
more delicious than
having a pacifier
nipple controlled by
a real person!

, this is his last time,
let him continue to
enjoy it now,
anyway, no matter
how arrogant the
old man is, he won't
have much fun
anymore.

, and then it's just a matter
of waiting for the
opportunity. When the
time comes, there's
nothing he can do. I've
already thought of a way to
counteract it and laugh out
loud!

A woman with long brown hair styled in a bun is sitting on a bed, looking to the left. A baby in a white onesie is sitting on her lap, touching her chest. A thought bubble above her head contains text. In the background, another person is visible through a window.

When I go to get the leather blade, it seems that he is relieved every time and is not wary of me.

Maybe they don't take me seriously and think I'm a convenient and useful guy.

Her nipples were so hard that she was so happy being licked by the baby. Mom really turned into a bear!

, her breasts were played as a loving mother who loves her children in just one day, and she had to cooperate with him in playing the role many times, and sometimes it would even become red and bruised.

His mother also noticed that something was wrong with her body, but she would not doubt the baby at all. She would only think too much about herself. Besides...

The old man will
return to his original
appearance and
fuck me in my skin,
so he seldom does
anything to my
mother.

The medicine
is gone.

Mothers who can
wheeze and have their
holes awake are more
likely to respond and
can suck better.

Jing's mother, he prefers to pretend to be me, treating me as a tool compared to a dead fish.

It's something that people only have low desires for. I feel like I'm his sex toy or airplane cup.

West.

A woman with dark hair is lying on a bed with a grey and white floral patterned sheet. She is looking up at a man's face, which is partially visible in the upper right corner of the frame. The man is shirtless and looking down at her. The scene is dimly lit, creating a somber and intimate atmosphere.

After enduring the behavior of being forced by the old man to pick up guests and act as a young lady, I thought about the previous kind....:

The humiliation at this time, as long as I can achieve my goal, these memories are nothing for me to swallow.

He is older, and
this damn old man
does have a lot of
tricks to torment
people, and it
won't take long.

I have been moving,
and then I am
comfortable, so when I
am tired, I will lie down
and enjoy it.

, pretending to be very devoted and serious, but I still don't refuse to be obsessed with sex.

Sometimes I'll let out such rapid gasps that I can't believe how good my body is.

Seeing how the old man was so happy that he passed away quickly, I really hoped that he would die like this.

I can't bear to be treated like a prostitute. I am more like his adopted daughter than a sex slave who is a prostitute.

A woman with long, dark, wavy hair is shown from the waist up, looking upwards and to the right with a thoughtful expression. She is unclothed, wearing only a thin gold chain necklace with a small pendant. The background is a blurred, futuristic interior with blue and white lighting. A large, glowing white symbol resembling a stylized 'E' or a similar character is visible in the upper right corner. A dark blue thought bubble is positioned above her head, containing white text. Another dark blue speech bubble is at the bottom of the frame, also containing white text.

As a man, I seem to
have become more
accustomed to using
a woman's body for
sex.

Obviously
everything I do is
hoping to return to
my previous life...

Fortunately, the old man doesn't always want me to have sex with him. He also wants to wear my mother's skin.

He has a strong desire for his mother. He wants to feel maternal love and act like her. He just wants everything from his mother.

I don't want to understand, but I am very happy to change the world into a bear. I can't understand my mother's skin.

No need to pretend to be a loving mother, Neng Shao originally thought about it and temporarily calmed down, but the old man obviously refused to let me go.

A photograph of a man and a baby in a white crib. The man is in the background, looking off to the side with a thoughtful expression. The baby is in the foreground, standing in the crib and looking in the same direction. The scene is lit with soft, cool-toned light, possibly from a window at night. The background is blurred, showing what appears to be a hospital or a modern home interior.

To act in his stead, to pretend to be the ignorant, ignorant child he would ask me to wear as a baby.

Sometimes he would take me out like this, as if we were just ordinary mother and daughter.

What's even more
perverted is that
he often wants to
show me the
place where he
masturbates in
front of me.

, I just need Yi Yi Zi
to be very involved
in playing, but at
this time, he just
knows how to do it.

A photograph of a baby sitting in a white crib. The baby is looking directly at the camera with a neutral expression. A dark blue thought bubble is positioned above the baby's head, containing white text. The background is a blurred room.

, when I masturbated to the point where I felt very good, he almost stopped being wary of me. During this period, I could feel that he would not care about me at all.

But they never mentioned the idea of giving me a new baby skin. They probably didn't really want me to join them.

, but I know he is not
Nobuko. The password
has not changed, but
the position of the
leather blade, and
Let
me.

I have become a skin, so
I accidentally stabbed
me, and it could be that
someone with abilities
will come at any time
just because I was
attacked.

A baby with a bald head, wearing a white long-sleeved shirt, is sitting in a white crib. The baby is looking towards the left. In the background, a person's arm is visible, reaching towards the baby. The scene is set in a room with a window showing trees outside.

I am already prepared
to do the opposite,
waiting to regret it! The
old man must not have
thought of it,

If you dare to despise
me and treat me like
an airplane cup, I will
make you pay the
price!

Ding
dong

? I originally thought I was looking for it, but I ended up here anyway. Even if I arrived, it doesn't matter...

Come in! Are you not a polite person here?

I finally found
you, you are
~~Here~~ really good at it

A woman with dark hair, wearing a white, form-fitting, short-sleeved dress with a thin brown belt, stands in a kitchen. She is looking slightly to her left with a somber expression. The background shows a wooden countertop, a sink, and a tiled backsplash. A speech bubble is positioned to her left, and another one is at the bottom right of the frame.

On this rainy day, I tried my best to come to this far away place. I was really looking for you, but you ran away and were afraid of seeing me?

Just say hello and leave. I still treat you as a baby's companion. It's heartless if you don't fight!

This Xiongdu doesn't look like him. You are the boss here, right? You treat me as a companion, but what do you want from me?

If you want me to go back to being a nanny, forget it. I really don't want to take care of that kind of abnormal baby anymore.

Stop pretending! You stole my stuff and thought you were safe! You didn't want to be our companion in the first place, right?

? Since we are companions, if you don't think your words are funny, I'll lend you a leather blade. Why are you so anxious?

**! Hand over the
leather blade quickly,
there are no more
ones. My patience is
limited.**

**If you mean well, you'd
better get to know the
three of us before I
return the favor and you
can't handle it alone.
Meet!**

A woman with long, wavy brown hair, wearing a white sleeveless top and a grey skirt, stands in a library. She is looking slightly to her right with a concerned expression. Her hands are held out in front of her. In the background, there are wooden bookshelves filled with books. A speech bubble is positioned above her head, and another one is at the bottom right of the image.

In the past, it would be easy to set you to know the location of the leather blade, but it would be useless even if you stole it.

I can feel the leather blade nearby. Are you hiding in this house?

Blade is nowhere to be found. Do you know how angry I am that your person is even missing?

Gone! ?
Damn...how could this happen!

How dare that brat
betray me! Damn it!
This is not taking
me seriously...

I remember! When
I find you, you will
regret it! Just a
little brat...give this

A baby is sitting on a bed with a patterned blue and white coverlet. The baby is wearing a white long-sleeved shirt and is looking down with a thoughtful expression, one hand resting on their head. The background shows a window with blinds and a white crib railing. Two speech bubbles are overlaid on the image.

You really think I am a fool, as long as I activate my ability, I can sense the position of the blade!

Did he go to other cities? You brat...hey...he's not around here, you have to be far away!

A close-up photograph of a baby with a bald head, wearing a white turtleneck sweater. The baby is pointing their right index finger towards their ear with a serious, determined expression. The background is a blurred indoor setting with light-colored walls and a window. Two green speech bubbles are overlaid on the image, one in the upper left and one in the lower right.

I'll ask my companions to search it, but I know the location and can find it quickly!

Babies are not easy to bully and need to be taught a lesson! We damn brats...:...won't give it to you
Negative!

If you hand it over now, I can take the test to reduce your badge, what do you think?

It seems that you are well prepared, you are very energetic, and the guy next to you...

The image shows two women in a room. On the left, a woman with long, wavy red hair is wearing a dark brown, form-fitting dress. On the right, a woman with short black hair is wearing a black, long-sleeved, off-the-shoulder top. She is wearing a gold chain necklace and a gold bracelet. The background features a wooden bookshelf and a white wall. Two speech bubbles are overlaid on the image.

A capable person in time, right? It's such an honor to use this big array to catch me just to be able to control people to change their skin.

, or should we repair you? Do you want to hand over the blade yourself? We are not here to chat: you can find it slowly after a moment?

Whatever
you want.

A woman with long, straight black hair and red lipstick is wearing a black blazer. She is looking slightly to her left with a serious expression. Her right hand is raised near her shoulder, and her left hand is partially visible near her waist. The background is a blurred indoor setting with a window and some furniture.

I won't give in to you guys, just do it if you want, I'm just a boring person!

Just say a word and ask me to return the leather blade. It's already mine. Are you going? How ridiculous!

**I What a pity it is a
foolhardy man! You're
a very courageous
idiot, and your eyes
suddenly
Highlights!**

**I won't be so
mean-mouthed
anymore! Use
the skin he
turned into!**

A woman with short black hair and a man with a beard are in a library. The woman is in the foreground, looking slightly to the right. The man is behind her, looking forward. The background is filled with bookshelves.

I'm glad you got that seat. I quite like you. I didn't expect you to be so sorry... I played 0 this stupid time last time.

Since you don't cooperate, we can only turn you into skin, and we'll find it ourselves.

I told you ,
not to see
you again!

I will take good
care of your
skin!

Body...this...this
feeling...ah!
My body
feels...!

My head is so
big...my eyes are so
blurry!

I don't have any strength left! Turn into skin...that's it...

.I...I won't let it go...Ahhh...Damn it...your...:

Well...ah...give it to me...wait...you will get retribution for...:

I...I won't...fuck you...you can't see...we have to...

.....

ha! It's
useless to
live!

In the end, if he didn't resist even a little bit, he would have thought he had a backup plan. Looking at his arrogant attitude: Lidu?

, was turned into skin? This is the consequences of betraying me. You must regret not being nice, right? Ha ha!

A woman with dark, wavy hair, wearing a white, form-fitting, sleeveless dress with a thin brown belt, stands in a dimly lit room with large windows in the background. A speech bubble is positioned above her head.

You want to fight me, but I already knew you were not a peaceful guy, you are too young!

Ten years, a trustworthy companion, what can you do if you are a person who can only recognize ghosts?

Not even a beautiful piece of skin, haha, we got one more, I really want to wear it and see him!

His figure is so sexy that you can't stand it! Let me taste it later. Boss?

A woman with dark hair styled in a braid, wearing a yellow sleeveless dress with a thin black belt, is speaking to a man whose back is to the camera. The man is wearing a black shirt. The background is a dimly lit room with blue walls and some decorative elements.

, I'm pretty sure
it's more
important to find
out the things
later! First put
the skin nearby.

You guys should look
for it together, it's
right in this house,
let's all split up!

..will you stay here? Where else are you hiding... Is this where Ma Ma is?

Luo, look carefully for me! Don't miss any corner and be sure to find it!

Is it there or not? How are you finding it? Damn it! What are you looking for here?

HUMAN

HUMAN

NATUREMOTHER

, that damn brat can clearly feel the blade after all?
Where did it go... ..

, I searched every place, but I don't have any here. I searched all over, but found nothing!

I've been looking for this place for so long, why is it really nearby? Maybe we can't find it?

Wrong, it must be that you wouldn't be able to find me properly without my ability, that's true! Are you there yet?

, Could it be that the damn kid hid something so disgusting... so wrong?

An overhead view of a modern living room. A woman in a black dress lies face down on a grey rug. A woman in a beige dress stands with her back to the camera, looking at the woman on the floor. Another woman in a black dress stands next to her, pointing towards the woman on the floor. A wooden coffee table with three bottles on it is in the foreground. A speech bubble is positioned near the woman in the beige dress.

Yes, we put this like too quickly! You should ask him secretly first to make sure he turns into skin.

So what should we do now? Is there a secret room in this house? I didn't see any mechanism.

The method we used to find the undead kid was quite clever. I don't know if we even used a leather blade.

Even if you want to frame him to recover and see if there is anything on him, you can still find some clues!

A woman with dark, wavy hair and red eyes, wearing a yellow sleeveless top and a brown belt, is looking at her black smartphone. She is in a room with wooden bookshelves filled with books. In the background, another person in a black dress is partially visible. A speech bubble is positioned to the left of the woman, and a text box is at the bottom right.

Something useful, but maybe he will hum the important one! Except for the mobile phone, there is no information hidden in it.

It requires a password...no...it seems that there is something inside that requires someone to identify it.

Clues!

Hello! Weren't you clamoring just now to wear his skin? I leave the identification of people to you!

ah? But I was very tired from searching around just now...

A man with a goatee and a woman in a black dress are embracing in a library. The man is looking at the woman with a serious expression. The woman has her head buried in his chest and is wearing a gold bracelet. A speech bubble is positioned above the man's head, and another is at the bottom right of the image.

It's not like you don't know, boss, I don't like wearing rain layers. I have to use my original body to wear skin.

It's very tiring to wear... Han Ruan! Sigh... I need to take it off and this is my bag, so call me.

If it's a party, I'll listen! Ah...ah...I'm happy to play slowly...

prick !

What...what's going on!

A woman with long black hair and red eyes, wearing a black dress, is looking upwards. A man with a beard and goatee is behind her, holding a microphone. The scene is set in a dimly lit room with a blue wall and a wooden ceiling. A speech bubble is positioned above the woman's head.

..Is it...could it
be...skin...my...my
body
edge...?

You
should...listen...listen...you...why...why

ah.....

Boss...boss...save...save
me...he...

What's going on!
? You are in
Hansh!

There is a secret room inside, and I didn't even suspect that you were too careless. I suspected that the leather blade was on my body.

It's so funny to see you all searching for nothing, you are so stupid!

How crazy are you!
You... You betrayed
me!

Impossible...how
could
you
betray...explain
it to me!

A woman with long black hair, wearing a black long-sleeved dress, is lying on her back on a light-colored wooden floor. Her arms are raised above her head. A man's head, with a beard and a shaved head, is resting on her chest. To the left, the legs of another person wearing brown strappy high-heeled sandals are visible. The scene is lit from above, creating soft shadows.

I didn't expect that you,
a trusted companion,
would value friendship.
It's really surprising.

Unexpected.

You...are you that
woman's
companion?

You haven't left me yet? I really should have added you directly in the first place, but have you forgotten all this time? Shit-stained milk.

You always regarded me as a sexual object, but then you turned around and forgot about me. I thought you were a heartless guy, old man.

Who? The first one was you! ?
Are you wearing leather, not your true identity?
Damn...:

What do you want to do?
Don't come here!

Back

You look so scared. Do you regret looking down on my arrogance before?

I have been looking for the owner of the leather blade, and finally found you in this city. I am indeed a skin wearer

My family was
turned into skin
by you guys
and played with
at will...

Constantly fighting
against you, even
in order to restore
my sister, I myself
was framed

After I successfully
escaped, I finally
found the
whereabouts of the
leather blade and the
person who pierced
the skin in this city.

They were talking
about the baby. You
guys really followed
them. I arrived.

Transformed
into a bear!

Not even sparing a
newborn baby, but still
living forever? You are
not even worthy of going
to the ground!

I'll sue you. I have the ability, so I can find the identity of the real treasure who can see through the skin. to you.

You scum don't want to die, you still want me to join you? Stop laughing so hard!

, Thank you for your hard work, sister. I will help you recover now. I'm sorry if I didn't have to save my sister. I wanted to cooperate with you beasts to make you suffer this...

, but it is still unbearable to watch the eldest sister being turned into skin as part of the plan.

, and then I will be safe with her. I must protect my eldest sister. of going home.

, I can't hurt her anymore. The second sister is still waiting for us.

Heartbroken!

A woman with long black hair, wearing a black dress, is lying on her back on a grey carpet. She is looking upwards with a slightly open mouth, as if in a state of shock or realization. A speech bubble is positioned above her head. In the background, a person's hand is visible, holding a large, smooth, reddish-brown object, possibly a piece of skin, which is the subject of the text in the speech bubble and the bottom caption.

Ah...ah...this...here
is...I...how could
I...lying on the
ground...

My
hand...ah...remembered...I...was
turned into
skin..."

A woman with long dark hair, wearing a black long-sleeved dress, is lying on her side on a grey textured mat. She is propped up on her left arm, looking towards the camera with a thoughtful expression. Her right hand is resting on her head. The background consists of a blue wall and grey curtains.

So... so much...
I... have
recovered?
So...Hao
succeeded?

Hao...are you
okay? Are there
any injuries?

Everything goes smoothly for me, sister. I'm here. Don't worry, the plan was successful.

Leave it to me. Have a good rest. Don't get up in a hurry. The rest is Rest!

Plan? How on earth did you do it!

Become my companion? !
..How to disguise when you are?

skin...then are you
the same person...at
the beginning you
were wearing that
woman
?

Or for other
purposes? Come
closer to me. Do you
want a skin blade? I
know!

After understanding the situation, you dare to yell at me when you are about to die, saying you don't want to live anymore?

But if you want to die clearly, I can satisfy you...

My friend, if you neglect to be trustworthy in my body, I blame you for being too naive. Beware.

I slept so soundly. This is Jiaoding and I don't dare to come, right?

, it makes my skin
crawl when I think
about being fucked
by him today, but..."

He has finally let down
his guard against me.
He is no longer smart
as an old man.

But I have always
been skinless, and
he thought that my
dead old man knew
that he was alone
and helpless.

, it would be difficult to
do the opposite. Man,
after being stabbed by a
person with abilities, if I
really only have one

Everything... is
finally ready...

A woman with dark hair styled in a bun, wearing a black, form-fitting, short-sleeved dress, stands in a room. She is holding a large, black, curved blade vertically in her right hand. Her left hand is on her hip. In the background, there is a wooden floor, a grey wall, and a dark, open cabinet or chest of drawers. The scene is lit with soft, natural light from the left.

The place has been found,
the big leather blade has
been successfully
obtained, Hiding Sister...I
am almost successful.

Protect you, I will
never recover you
again, I will protect
you from danger!

The rebellion is
about to
officially begin...
